PASCAS INTRODUCTION:

Documents assembled by Pascas are provided for your individual assessment and exploration. The contents are sourced from a variety of avenues and publications. Every endeavour is made to determine that the contents are of the highest level of truth and veracity. At all times we ask that you go within yourself, to ascertain for yourself, how the contents resonate with you.

Pascas provides these notes and observations to assist us all in the development and growth of our own pathways and consciousness. Pascas does not hold these contents as dogma. Pascas is about looking within oneself. Much of what we are observing is new to us readers and thus, we consider that you will take on board that which resonates with you, investigate further those items of interest, and discard that which does not feel appropriate to you.

Kinesiological muscle testing, as developed by Dr David R Hawkins and quantified by his Map of Consciousness (MOC) table, has been used to ascertain the possible level of truth of documents. Such tested calibration levels appear within the document. We ask that you consider testing same for yourself. The technique and process is outlined within Pascas documents, such as Pascas Care – Energy Level of Food. From each person’s perspective, results may vary somewhat. The calibration is offered as a guide only and just another tool to assist in considering the possibilities. As a contrast, consider using this technique to test the level of truth of your local daily newspaper.

Contents are not to be interpreted as an independent guide to self-healing. The information sourced herein is not from a doctor or doctors, and any information provided in this document should not be in lieu of consultation with your physician, doctor, or other health care professional. Pascas, nor anyone associated with this document, does not assume any responsibility whatsoever for the results of any application or use of any process, technique, compound or potion as described within this document.

The sources of contents are noted throughout the document. In doing so, we acknowledge the importance of these sources and encourage our readers to consider further these sources. Should we have infringed upon a copyright pertaining to content, graphics and or pictures, we apologise. In such cases, we will endeavour to make the appropriate notations within the documents that we have assembled as a service via our not for profit arm, to our interested community.

We offer all contents in love and with the fullness of grace, which is intended to flow to readers who join us upon this fascinating journey throughout this incredible changing era we are all experiencing.

Living Feelings First, *John.*

“Never can one man do more for another man than by making it known of the availability of the Feeling Healing process and Divine Love.” JD

REINCARNATION:

The library that I am looking at contains some 300 books (since given away), none consider that reincarnation is not a routine fact. All of these books discuss reincarnation as part of our soul's journey.

The vast majority of the spirit world is on the natural love path, the highest level of growth for the natural love path is 6th sphere, this path is intellectual in nature. This group believes that reincarnation is routine, it is not. It is this group that dominates the channelling of information through to us mortals.

Those who can progress to Celestial Sphere on the Divine Love path. It is the Divine Love path teachings that Jesus introduced in the first century and such teachings were lost to humanity within a couple of centuries or so of that time.

When we incarnate we take on the emotions of our parents (and their parents, and so up the chain). That is one very burdensome load for most of us.

Should you be able to re-incarnate you again take on the emotions of your parents AS WELL AS the emotions of your parents from the prior incarnation. This is an overwhelming burden to impose on one's self. So, further reincarnations would further compound these burdens and difficulties – no a loving option at all.

YOU DO NOT have to re-incarnate to grow within the spiritual world. Your incarnation is literally your starting point, your training wheels, so to speak. Conception is your point of individualisation. Once you are conceived (not born) you are on the road and on the path, your learning journey begins at conception. You are extremely busy absorbing the emotions of your parents and the environment around you prior to birth.

The pathway for the soul to incarnate starts with the soul splitting into two, usually each half then into a male and a female body. The vast majority of us enter the Spirit world into the 1st sphere, reflecting our soul condition as it was at the time of our physical body's death on Earth. The conditions of the 1st sphere spirit world mirror the conditions here in the physical world of Earth. Just by progressing and growing in love, upon entering the 2nd sphere in the spirit world, conditions are then far more beautiful and wonderful than those existing on Earth. Many consider this to be heaven, it is not. Not until you reach the 8th sphere and enter the Celestial Heavens can you consider yourself to be in the heavens. The conditions are indescribably wonderful within the heavens.

Consider for a moment, if you are within the Celestial Heaven or higher, why would you want to return to a life in a much poorer environment, that is, even if it was possible, which it is not.

Never can one man do more for another man than by making it known of the availability of the Feeling Healing process and Divine Love. JD

THERE is **NO REINCARNATION**

- We do NOT reincarnate. Nor can we come back as an ant, a possum, a whale, a bird, any animal or plant or rock.
- We die and move into the spirit Mansion Worlds, and there we stay in the Mind Worlds until we decide to do our Spiritual Healing living the Feelings Way and embracing our ascent of Truth to Paradise. WE DO NOT COME BACK TO EARTH IN PHYSICAL FORM – EVER! We can as spirits visit Earth, but we can't ever have a physical body again.
- God bestows upon us our unique personality – you are who you are, and always will be YOU. You may currently be imperfect and untrue because of living in the Rebellion and Default, and through your Spiritual Healing you can become true and perfect. But you will always still be you, the same personality essence. You cannot reincarnate and become a new personality; God only bestows personality on us ONCE. You can't be John or Jill now and have been reincarnated with a different personality in the past, or reincarnate in the future with a new and different personality. For example, by becoming Fred or Mary or Janice or Li or anyone else, because if you were, or do become, Fred or Mary, you are no longer you. You will Always be You! And even if you did reincarnate, named John or Jill again, you'd be a different John and Jill with a different personality. So that can't be THE SAME YOU because the very act of incarnation means you are incarnating the one unique personality you are.
- There is no 'OverSoul' that incarnates multiple personalities during multiple time frames on Earth.
- People (and often children) who feel so strongly they can remember in great detail their past life (or lives) are not remembering their actual past life, they are being 'fed' such information from other spirits or from their own Indwelling Spirit. Our Indwelling Spirits of God might have indwelled other people's minds before (or even after) your mind, and can make you believe it was you living those lives, when it wasn't.
- There is no living multiple lives to 'burn off' or 'work through' Karma. All the 'karma' you acquire is done through this one Earth life, to be worked through when you settle the Law of Compensation and do your Spiritual Healing. Both of which can be done on Earth or in the spirit worlds.
- Reincarnation is part of the belief-denial of the Rebellion we live under. It is FALSE, UNTRUE and INCORRECT. It was made up by someone who didn't understand that there was ongoing life in spirit once we died, someone who assumed we all came back repeatedly to Earth until we were fully Enlightened. However part of our 'enlightenment' is to understand there is no such thing as reincarnation for us. And by holding onto such an erroneous belief will only delay your awaking of Truth by doing your Spiritual Healing.
- When you start living The Feelings Way, part of the truth that will come to you through your feelings will show you, as you will know it to be truth, that you have never lived on Earth before and reincarnation is not possible.

**REINCARNATION
IMPOSSIBLE**

SPHERES: KINGDOM of MAN – SPIRIT WORLD

The first 7 spheres have logical and clearly defined end points both at the 6th and 7th spheres. Therefore a sequence of numbers is useful as a reference. Within each of these lower spheres there are many stations or sub-spheres so to speak through which beings move. There are barriers preventing movement from one to a higher one until the necessary changes have been made. The 6th sphere is the ending point for those who are following what has been referred to as the Natural Love Path.

There exists a barrier between the earthly levels and the spirit levels and this is largely man-made. This barrier has been built on fear and is made of belief.

Spheres:

7 The 7th sphere is the transitional stage between the lower spheres and up into the Celestial Realms.

6

5

4

3

2

1

There are barriers within the structure of the spiritual realms which constrain beings until they are fit to make the move to a higher level. This is not in anyway competitive or subject to examination but is to ensure that the being concerned does know what they need to know in order to function at the next level. The transition, when it happens, is totally smooth and natural and dependent of the level of knowledge of the being.

KINGDOM of GOD – CELESTIAL REALMS

Above the 7th sphere we enter into a greater awareness of infinity.

Why attempt to number infinity?

There is a much less clearly defined system of Celestial Spheres with what we could call a blurring of the edges.

Each of us who are within the Celestial Spheres knows who he or she is and knows what we can do. That one might be a little or a lot further along the path makes no difference to the mutual love that we feel or the level of cooperation that is found in every endeavour. If one is further along, that one is then committed to helping all others to come along. There is absolutely no sense of competition. That was left behind long ago.

OUR JOURNEY of GROWTH in LOVE
 All we need do is to ask for God's Divine Love – it is that simple.
 Ask directly, no intermediaries needed.

Souls, being thoughts of God, are ready for incarnation in their billions. These souls are at the level of the 6th sphere in a natural love state, however, they are not within the 6th sphere perse. These souls are not self aware. Prior to incarnation, they do not express free will. There is nothing of the Divine within the soul. They have an instinct to incarnate. Incarnation of the two soul halves, male and female aspects, typically occurs within a 5 or 6 year time frame, however the timing may be 20 to 60 years apart. To become conscious of self, you must incarnate. This is the individualisation process.

The soul half that incarnates is the one most suitable for the characteristics and character of the attracting parents. Upon incarnation, one's soul condition adjusts to reflect the soul conditions of those around it, typically reflecting closely the soul conditions of one's parents. Upon completion of individualisation process, that is incarnation which may be only a short experience in the mother's womb, we never need return to the physical state. To be able to return to our Heavenly Parents, we need to use our free will and ask for Their Divine Love.

SPHERES of PARADISE

INFINITE & UNIVERSAL SPHERES

ETERNAL SPHERES

CELESTIAL HEAVENS

Soul spheres
are not
numbered.

Soul spheres
are to:

The New Birth = **Become at one with God: sphere 8**

Earth sphere is for
the physical body.

SPIRIT MIND MANSION WORLDS are numbered 1 to 7:

To PARADISE, the HOME of OUR HEAVENLY PARENTS

Spirit Mansion Worlds are those 1 – 7. They with the Celestial Heaven spheres numbered 8, 9, 10 as well as the 3 Spheres of Disharmony are all within the Earth’s environment, and rather close by. Each sphere can accommodate more than 100 times the people than Earth may do.

Progression from the top Celestial Heaven sphere is to the Eternal Spheres, Infinite and Universal and further onwards to Paradise.

Celestial Heaven spheres 8, 9, 10 are often referred to as 1, 2, and 3 of Celestial Heaven.

Natural Love sphere progression stops at sphere 6. With only the natural love, progression is through spheres 1, 2, 4, and 6 only.

Divine Love perfects one’s natural love soul through the progression via spirit world spheres 3, 5, and 7. Soul-Healing and Atonement is achieved through the progression into sphere 8 which is the first of the Celestial Heaven spheres namely 8, 9, and 10.

One can embrace Divine Love at any time and move to DL sphere 3 and continue.

The Divine Love spheres 3, 5, 7, 8, 9, and 10 were opened by Jesus.

On death of the physical body we all arrive in the 1st Natural Love sphere.

Earth is for the individualisation of souls being the commencements of one’s journey home toward the Source Soul.

The 2 Planes of Disharmony are the hells. While one desires to cause harm to others, isolation is applied. Once the Law of Compensation is completed then one can then progress and return to the 1st Natural Love sphere and continue in their progression onto higher spheres.

The Pre-Incarnational Sphere is the waiting area for souls to be individualised / incarnated.

There are seven earth planes around earth, which are separate from the Mansion Worlds, but we only have access to two of them, which include the ‘hells’. Each of the Mansion Worlds also have their own seven planes ‘around’ them.

Note: The 1st Divine Love Sphere and the 1st Sphere of Disharmony may simply be planes within the 1st Natural Love Spirit World.

I know that the belief in reincarnation is prevalent among people. It is also prevalent among individuals in the Natural Spirit Spheres.

Beliefs and faiths are pertinent to the individual believing in their belief and/or living in their faith. This is a subjective experience and a happy choice or sad choice!

I am not interested in trying to change another's belief. Rather, to extend beyond human belief so that choices can be made freely as the individual may learn to identify with common sense.

Once one learns about the existence of the spirit body and its relationship with the forming personality and how these two components are forever unified upon a soul's incarnation, then the very Spirit Laws that do act in their doing, to cause the individual or that nature of personality identified as being incarnate and individualised, will in all eternity, never be undone to be humanly born again.

Once the spirit body and the soul and the forming personality with the attribute of Spirit Intelligence fused individualised and identified as being human, that individual will always remain that individual. The conditions of the physical body and the personality may vary and diversity of individuals exist does not in any way demonstrate that a previous human life has caused this to happen.

In the Mortal Spirit World, the personality as being centred in its principal in the spirit-mind cannot disengage from the spirit body to re-incarnate and commence the reforming of another personality unknown to the original formed personality. The spirit body being part of the personality, through the due course of the physical body's life and then the principal body that the personality resides in, in the Spirit World, can never disassociate itself from the personality formed as the spirit body forms part of the personality.

One simply cannot by their own selective choice, place their spirit body on a coat hanger and as a soul and personality, dive back into the conception of another human being.

Essentially one is going to believe in what they like to believe in. When the full dynamic of the functioning personality is placed at centre light, and its relative forming through human experience and then its continuance on into the Spirit World, the assisting Spirit Laws that attract such relative forming continue the survival of personality irrespective of the human belief system. Once the attribute of soul incarnates and the spirit body formed and the personality is forming, the physical body irrespective of its condition is the living confirmation that incarnation has transpired and that personality is identifiable.

It is impossible for a person or a spirit to manipulate any functioning Spirit Law to undo what the Spirit Laws have done insofar as forming the individual. People may invest their mind in manipulating beliefs about the nature of what may transpire between the Spirit World and the human world, however such manipulation is only a shadow on the true working and dynamic function of the Spirit Laws that are consistent in the forming of each unique individual for one and for all human souls. Beliefs will continue to exist about this subject on reincarnation, as many beliefs will continue to flourish that form an identity

of the supposed systems that exist as being human. The availability of God's Divine Love as a potential for one and for all mortal human souls provides the perfect system for the personality to experience spirit perfection and this can begin immediately from the result of receiving the Spirit Love and can continue through the human experience and into the Spirit World and high Spirit Heavens.

Yours peacefully,
Eugene

Revelation 20: Reincarnation is an oriental doctrine

<https://new-birth.net/samuels-messages/53-revelations/revelation-20-reincarnation-is-an-oriental-doctrine-nt75/>

(This message is referred to as Revelation 28 on page 75 in New Testament Revelations of Jesus of Nazareth)

Received by Dr Samuels. Washington D.C.

March 10th, 1955

I am here, Jesus:

I am here again to write you about a subject that has created interest among you, the Doctor and others, and that is the article on reincarnation. In the Padgett messages, various communications dealt with the falsity and absurdity of this Oriental doctrine, which holds that the human soul can reincarnate from one fleshly body to others in succession over periods of time and that as a result the soul has an opportunity to lessen its desire to sin and thus finally achieve purification while in the flesh.

If you will examine the question a little more closely, you will see the impossibility of the soul in the spirit world to be reincarnated in the flesh for the reason that the soul, for this supposed phenomenon, would have to shed the spirit body in order to enter into a mortal body, since the soul is encased in a spirit body which is physical in nature but not of a gross material of what mortals call the material world, and that spirit body, which is the envelope and protector of the soul, is that which gives the soul its individuality as a conscious entity and remains with the soul so long as the soul lives. In the spirit world no spirit body has ever been deprived of its soul, and no spirit body thus hypothetically divested of its soul has ever died or been disintegrated, or has disappeared from its habitat, except as it advances from one sphere to another while making progress either to the sixth sphere or spiritual paradise or to the Celestial Heavens and Immortality (spheres 8 and upwards).

As far as is known today by us in the spirit world, the spirit, that is to say, the soul and its spirit body, may live for all Eternity, if God so requires it, even if it does not possess the consciousness of immortality through possession of Divine Love, and it will certainly continue to live throughout all Eternity – the soul and its indissoluble spirit body – if it does possess the Divine Love, Immortality and At-onement with the Father.

As soul cannot be taken from, or torn from – or in any other way deprived of – its spirit body, once it has come to the spirit world, it would be equally impossible for the spirit body to enter the human body of another human being, for only a soul without a spirit body can enter a human body, and on the death of this body, the soul manifests its spirit body. The doctrine of reincarnation is, therefore utterly without foundation, for it is impossible, let me repeat, for a soul with its spirit body to enter a human body to be born again in the flesh.

When a human being dies in the flesh, his soul has already achieved under ordinary circumstances the purpose of his creation, that is, individualization and the creation of receptacles for soul's, and in his spirit body, in size, shape, appearance and nature, is the complete creation without the envelope of flesh.

This soul appears in the spirit world laden with the inharmonies of its Earth life, but since it has the opportunity of eliminating these inharmonies and becoming a purified soul in the spirit world through the exercise of its will and moral force and repentance, or becoming a Divine Angel through prayer to the

Father for His Divine Love and Mercy, transforming the soul into the very essence of the Father, it is therefore absolutely unnecessary for the soul to go back to the flesh for another chance to purify itself, for the loving and merciful Heavenly Father had already provided a plan that would enable the soul – the real man – to attain purification, and here God showed Himself to be more merciful than He might have been had He decreed successive trials in the flesh for the process of purification, for man while thus seeking to purify his soul, would at the same time have to contend with the sinful influence of the flesh, and his ultimate purification would thus indefinitely be delayed or perhaps never accomplished until the very end of time. You can thus see that God has shown His Love for His created children by providing a way for them to be purged of their sins, while being free of baleful influences of the flesh, which would only hinder, and make more difficult, their tortuous progress toward purification.

As regards the sayings in the New Testament, the first thing is that I never had any thought of reincarnation when I asked my disciples, especially Peter, **"of whom do the people say, I am?"** for that question was formulated simply to have them state whether they considered me the Messiah, as some of them already did, although not in the spiritual sense or the exact understanding that I had brought immortality to Earth in my soul.

Again, you were right in thinking that I said: **"but I say unto you that it was one like Elijah is come,"** – and not – "But I say unto you that Elijah is come," for I did refer to John the Baptist, who in his type of sermon and in his temperament, and even in his garb and food, was a throw back to Elijah, – but here the similarity ended, for each of these lived different lives, and are individual souls and are both living in the Celestial Heavens at the same time, and this is a physical impossibility with reincarnation, for, in this doctrine, if Elijah was John the Baptist, only one soul and only one spirit body would be involved.

The child born blind did not sin, nor did its parents, but suffered blindness because of the physical defect in his mother, which prevented the perfect development of the foetus in her womb, and thus this defect has prevented the perfect manifestation of God's work of creation. This defect is one of many to which the imperfect world of the flesh is subject, and it is for this reason that purification of the soul while in the flesh would be a task of countless centuries, and a punishment worse than the most evil hells of the spirit world in its duration. The quotation from Revelation, chapter 3, verse 12, **"He shall never more go out", referring to the "Temple of my God"** is an allusion of the soul possessing the Divine Love, to such a degree that immortality is a conscious possession, and its home is forever more the Celestial Heavens, although, the writer, himself, understood very little of this, and had in mind a purified soul, and not a Divine Soul, with its habitat in the sixth sphere.

Jesus of the Bible and Master of the Celestial Heavens

Is it JESUS or MARY TALKING THROUGH a MEDIUM?

And the chatting / talking with Jesus is the same as we've told you, it's really 'on behalf of Jesus', it is one of the medium's band pretending to be Jesus, which really means the Celestial accessing Jesus' Spirit of Truth within himself (and only we Celestials can do this and are allowed to), and so then speaking 'as if he is Jesus'. It's the same thing as James feeling how close I am to Mary Magdalene in my 'feeling' when we are writing together, because as I said I work with her Spirit of Truth as I feel very close to it – very close to her. And she's said I can use it that way. So effectively, should it be necessary for me to do so, I could 'pretend' to be Mary speaking to people on Earth.

As you have possibly gathered, it's all highly organised as to what and when we can reveal to you. It's all set out in keeping with the Rebellion and Default limitations and then in keeping with the Mansion World levels and all the levels within them. It's all angelically controlled, so we slot in using our minds and be who we need to be to you and how we need to be and what we can say. So as you grow in truth through your Healing, moving progressively up through the levels, so we can come forward and progressively reveal more to you. So what is revealed and how it's presented to someone who's in their wrongness and not wanting to do their Healing, compared to someone wanting to do it and just starting out, compared to someone nearly finishing it, compared to someone who had finished it, might all be so different that you would think it was different spirits relating at each step, when it might be the same spirits. And really we don't change, it's you who changes, or refuses to change.

And added to that, we know how far someone will go in their spiritual progress throughout their Earth life, so part of our interaction with that person is in keeping with that level of progress. So we might say and do and be differently to different people, even though we're the same spirits, because each of those people have very different spiritual paths and levels they will reach.

So it's not as straightforward as one might think, which I know causes many misunderstandings, much confusion, even putting a lot of people off, however really until people are well into their Healing, it will all appear like everyone is working at it from opposite ends with no real synthesis or commonality involved. So you can look at it like say a Maypole, with everyone starting out on their separate ends, but the more you do your Healing, the closer you all come to the truth, which will allow the Spirits of Truth to then synthesis you all into what is needed for you to become Celestials. For by the time you are Celestial, then we're all on the same page so far as the Truth is concerned. But even though we Celestials are all living that same truth, how we might relate and start with people on Earth or the lower Mansion Worlds might make us sound and appear like we're all very different.

Nanna Beth, 19 February 2018

Note: Jesus has only talked DIRECTLY to James Padgett and James Moncrief. Further, Mary Magdalene has only talked DIRECTLY with James Moncrief. Mary and Jesus are regents of 3.8 million physical worlds and their related spirit worlds. They are also finite – can only be in one place at any one time. Once that is understood, then it is only possible to have 'communications' via their Spirits of Truth in the manner outlined by Nanna Beth.

SOUL, SPIRIT BODY and PERSONALITY remain TOGETHER – FOREVER!

Natural love and Divine Love are as two loves.

Soul, Spirit Body, Personality stay together.

Ascension Pathway:

Our soul remains for ever attached to the spirit body and the personality, these two being created at the time of conception / incarnation. As our soul is imbedded within the spirit body and both having this unique personality, it is impossible to go through the incarnation process again. We never reincarnate.

We are born with natural love, until we ask for and receive Divine Love there is nothing of the Divine within us. When we add Divine Love to our being, only then do we become a complete being. Without Divine Love and Feeling Healing, we are finite, in as much as that while we continue in only our natural love we can only become the perfect man and that restricts our progression to the limits of the 6th natural sphere being the mortal domain of man.

“Mother and Father, open my soul to this Gift, Your Love. Open my soul and may Your Holy Spirit touch my soul and pour within it your essence, your Love that I may be transformed, that I might be your true child, embraced and carried, lit along my life’s path in the glory of your Light and care and protection.”
 Jesus 11 May 2016

WE ARE ALL SOULS of the FIRST SOUL, our HEAVENLY PARENTS:
We are mortal souls who have the potential to experience the Divine Love.

If a person or spirit experiences a drop of Divine Love, then the soul is deemed Immortal, which the spirit body and personality must follow to this perfected truth. The Divine Love is in its own nature, the highest, or if you like, the most perfected form of energy and Law that a mortal soul can receive and experience.

The radiance of the spirit body that is seen by other spirit people, is distinguishable as to the presence of natural love and the amount and also Divine Love and the amount. The energy of both loves is processed in the region of the heart region within the spirit body. One's soul is lodged in close proximity to the spirit mind.

Divine Love – if sincerely asked for – will not be withheld by the Eternal Love of our Heavenly Parents, no matter what condition one's soul may be in. Divine Love is experienced at any stage in a natural love condition of soul whether error exists or not. What is required is that the cognitive capabilities of the maturing personality must knowingly be asking for this love to be added to its being.

Conception / incarnation brings together the soul, which lodges within close proximity to the spirit mind, which is located in the same region as the physical brain. The personality is created at the same time as the spirit body. Nothing that is Divine is within the forming entity.

The spirit body's energy is managed in the region of the heart and solar plexus, we are endowed with natural love, being an energy, at conception. It is this energy that is visible to other spirits, not the soul that we all have.

A newly individualising soul is just a tiny invisible spark.

Viable embryo forming.

God alone has caused such harmony of the Divine Love and the Spirit to exist. I, Jesus, did not create this harmony. I merely progressed in my soul condition that caused me to develop the awareness into the nature of God's workings of Love and Spirit that involve the progress of human and mortal spirit-kind. I, Jesus, will never live on Earth in the flesh on Earth again. Many of you who are familiar with the function of the spirit body know that it is impossible for the mortal personality, once a finite soul individualised, to reincarnate in the physical body for a second life.

This Divine Love is working the same causes and effects in the souls of those who include this Divine Love in their lives. It is easy to forget that the Divine Love has been created purely soul-specific and in the dimensions of popular belief and experience, one can easily contrive the Divine Love and God as all things created to everyone and every living thing organic or inorganic.

The Divine Love is universal in the sense that it is present everywhere humans and mortal spirits are living. The Divine Love and the Spirit is not present in the Pre-Incarnational Sphere where un-incarnated souls wait to incarnate in accord with God's Spirit Law that acts to incarnate pre-individualised souls. All such activity in the Pre-Incarnation Sphere and incarnation happens in accord with God's harmony. It is not necessary for the Divine Love and the Spirit to be present in the Sphere where souls reside prior to their incarnation. Soul is required to have incarnated in its condition of the perfect natural love before it can, as an active finite personality, commence the receiving of the Divine Love. It is important to know this so that one understands that men and women are not born divine to begin with and that such divinity has no existence in the image and essence of the finite soul until the individual has the freedom to voluntarily determine the choice to participate with God by receiving the Divine Love and so begins a changed experience as the great transition from the natural into the Divine begins and progression follows.

The Divine Love is universal in the way that its workings in the attribute of mortal soul are constant and continuous in cause and effect without ever changing its own perfect nature whilst changing and perfecting the condition of the mortal soul and the systems of the spirit body. It is universal because the Divine Love exists beyond human belief and can never be subject to change by a belief as to its existence or not, and the belief in the way that the Divine Love acts in the mortal soul. No amount of self-determination by a personality can cause an effect that alters the way this Divine Love transforms the mortal soul. The nature of Divine Love in its harmony is perfect in the way it functions in the mortal soul, never causing a disharmony to take effect and destabilise the individual personality. If disharmony exists in a Divine Love experience, it is from the result of the individual's condition of their natural soul prior to the commencement of the receipt of the Divine Love and whilst in the initial stages of Divine transformation disharmony may exist along side harmony, eventually the Divine Love will cause the greater harmony to dissolve any disharmony with the active participation of the Spirit Law of Compensation.

And here is another truth about the nature of Divine Love. Within it exists harmony and this harmony the perfect of all harmonies a mortal soul can experience and, as in the workings of all the Spirit Laws present

for all mortal souls. A greater Law in its working super-exceeds a lesser Law whilst not nullifying the lesser Law out of existence. By absorbing the Divine Love one is absorbing the perfect harmony so that when the Law of Compensation is active in the transformation of the individual, the disharmony is being absorbed into the Divine harmony that then becomes, as it where, a true condition of love in the mortal soul.

Trinity Teacher daughter and sons – Daynals – and others.

The Michaels and Avonals have Spirits of Truth to be released to assist the humanities on their assigned inhabited worlds.

Each Super Universe consists of 100,000 Local Universes.

Each Local Universe is overseen by a Creator daughter and son, our local universe is called Nebadon and Jesus and Mary Magdalene are the Michael pair and regents.

A local universe consists of 10,000,000 inhabitable worlds of which 3,840,101 are inhabited within local universe Nebadon. A local universe consists of 100 constellations which is made up of 100 systems. Each system has 1,000 inhabitable worlds. The system that Earth is in is Satania and 619 worlds are inhabited.

Emanating from within the Local Universes are Melchizedek, Vorondadek, Lanonandek, Material and Life-Carrier pairs. None have spirits of truth – they are not from Paradise.

From within the Lanonandeks, assigned to oversee the system Satania, which includes Earth (Urantia) were the Lucifer, Satan, Caligastia and Daligastia soulmate pairs, who rebelled. Further, Adam and Eve, the Material son and daughter, defaulted because of the Rebellion. All failed in their assignments, causing us (humanity on Earth) to be spiritually misled for 200,000 years – that is why we are all ‘insane’!

Earth has had five higher spirit physical bestowals:

Daligastia soulmate pair being Lanonandeks

Adam and Eve soulmate pair Material son and daughter

Machiventa Melchizedek soulmate pair

Creator daughter and son – Jesus and Mary Magdalene

Avonal daughter and son who are yet to commence their public ministry.

NATURAL LOVE and DIVINE LOVE SPHERES and FEELING HEALING PLANES:

Upon embracing Divine Love at any stage, then one can progress through the Divine Love spheres 3, 5, 7, whilst also doing their Feeling-Healing.

Even though a person may have received Divine Love, they do not avoid compensation or doing their Feeling-Healing, so they may still spend time within the spheres of disharmony.

Natural Love sectors for those doing their Feeling-Healing, without the Love, are within the Natural Love Mansion Worlds:

Progressing through the natural love worlds, within Feeling-Healing sectors, while doing one's feeling healing, upon reaching the 6th Sphere having completed Feeling-Healing, one can then embrace the Divine Love and proceed directly to the 7th Divine Love Sphere.

Then they may prepare to enter the Celestial Heaven Spheres from there.

This pathway is when the Divine Love is unavailable before perfecting one's soul.

ESTIMATED WORLD POPULATION at VARIOUS DATES:

An estimate of the total number of people who have ever lived totalled approximately 106 billion.

Given our current population (living) is 7 billion and that we all reincarnate in rotation, therefore the total number of life experiences we may have had is 15. However, it is not possible to reincarnate, nor is there any need to do so.

Now that we are alive in a physical body again, to count back about 7 billion people we will find that around 1800 was the year that we could have been here on Earth previously.

Before that, we may have had an opportunity around the year 400. And before that, one heck of a long time ago.

Reincarnation concept it very unloving. Do you really want to come back and go through school again? Do you really need to come back and learn lessons of life that you can't remember which one's it is that you are to meant to learn?

Now here is an even bigger hurdle, you see a baby being conceived so you, being your soul is attracted to that baby and bingo – you are now connected as the incarnating soul with that tiny embryo.

Miscarriages account for around 20% of conceptions failing to reach birth. Some estimates are from 13% to 31% as the percentage of miscarriages.

Further, about 22% of pregnancies end in legal abortion. That means that for every 1,000 pregnancies, 220 were aborted. The global annual reported abortions number about 50 million yearly.

The child mortality rate or under-5 mortality rate is the number of children who die by the age of five, per thousand live births. In 2009, the world average was 60 (6.0%).

40% of conceived babies literally do not survive the child birthing process.

As the purpose of incarnation is to become individualised and individualisation is achieved at the moment of your soul joining with the newly conceived physical body and spirit body which is usually achieved at the time of conception or within several days there of. Even though around 40% of individualised souls do not achieve childbirth, the process of individualisation is achieved and our journey has begun. We have no need to come back to this physical world and wear a physical body ever again.

We are often visited by spirits from the spirit world who endeavour to identify themselves with us, however, we tend to interpret their communications as relating to a past life of ourselves, whereas, it is their life that they had when here in the physical world that they are conveying to us so as to identify themselves, not a past life of ourselves.

Number of humans who have ever lived:

An **estimate of the total number of people who have ever lived** was prepared by Carl Haub of the non-profit **Population Reference Bureau** in 1995, and subsequently updated in 2002; the updated figure **totalled approximately 106 billion**. Haub characterized this figure as an estimate that required "selecting population sizes for different points from antiquity to the present and applying assumed birth rates to each period". **Given an estimated global population of 6.2 billion in 2002, it could be inferred that about 6% of all people who had ever existed were alive in 2002**. Various estimates published in the first decade of the 21st century give figures ranging from approximately 100 billion to 115 billion.

An accurate estimate of the number of people who have ever lived is difficult to produce for the following reasons:

- The set of specific characteristics that define a human is a matter of definition, and it is open to debate which members of early *Homo sapiens* and earlier or related species of *Homo* to include in the estimate (see also Sorites paradox). Even if the scientific community reached a broad consensus regarding which characteristics distinguished human beings, it would be nearly impossible to pinpoint the time of their first appearance to even the nearest millennium, due to the scarcity of fossil evidence. However, the very limited size of the world population in prehistoric times (as compared to its current size) makes this source of uncertainty of limited importance.
- Robust statistical data only exist for the last two or three centuries. Until the late 18th century, few governments had ever performed an accurate census. In many early attempts, such as Ancient Egypt and in the Persian Empire the focus was on counting merely a subset of the people for purposes of taxation or military service. All claims of population sizes preceding the 18th century are estimates, and thus the margin of error for the total number of humans who have ever lived should be in the billions, or even tens of billions of people.
- A critical factor for such an estimate is life expectancy. Using an average figure of twenty years and the population estimates above, one can compute about fifty-eight billion. Using a figure of forty yields half of that. Life expectancy varies greatly when taking into account children who died within the first year of birth, a number very difficult to estimate for earlier times. Haub states that "life expectancy at birth probably averaged only about ten years for most of human history". His estimates for infant mortality suggest that around 40% of those who have ever lived did not survive beyond their first birthday.

[A factor to build into these numbers are the world's Earth changes events. It appears that around every thirteen thousand years there has been major shifts in the Earth's plates. About 11,000 BC Atlantis was submerged in what is now the Caribbean Sea. About 25,000 BC Lemuria was submerged in the Pacific Ocean. Each of these events resulted in the majority of the world's population losing life.]

WHICH WAY? MIND SELF RELIANT or FEELING AND GOD RELIANT:

To PARADISE, the HOME of OUR HEAVENLY PARENTS

The Way Home

Council of Elders
now around 20
Soulgroups

Maybe something like 30 billion people have recognised that our Mother and Father's Divine Love, together with embracing one's Feeling Healing, that with these two aspects, have progressed through the Mansion Worlds to the Celestial Heavens and onwards.

Mansion World 7: is then about still working with the deepest and residual bad feelings, whilst looking to sort out how you wrongly relate to yourself and others, nature and God because of being unloving, understanding how your relationships are unloving, how you don't connect properly, how unloving you really are and why and fully accepting the truth of it, coming completely to grips with your parents not loving you as you needed to be loved – sorting it all out, including your self and feeling expression difficulties.

Mansion World 5: is then about going right into the depths of them, feeling how unloved you feel and seeing how unloving you are and how that makes you feel, bringing out the majority of your pain, your misery, fear, anger, guilt, hatred, boredom, terror, rejection, nothingness, feeling powerless, alone and abandoned, and so on.

Mansion World 3: is for waking up to the truth that you're not loving and starting to get in touch with your pain, starting to accept your bad feelings, starting to work with them instead of rejecting them.

More than 200 billion personalities have embraced their mind and self reliance through the misguidance of 'New Age' styled ideologies and the many thousands of different religious platforms, all of which take the person further and further away from our Heavenly Parents.

For a million years, humanity has gone in the wrong direction with its self-denial of self and feeling!

I'D TURN BACK IF I WERE YOU!

The Natural love spirit Mansion Worlds as to how they have been for all these hundreds of thousands of years and as they are set up currently, are to help spirits advance to the fullest of their self-denial that they can. That is, so as to become as evil as they can. And all under the guise of being 'loving'.

It's why they are called the mind worlds, namely Mansion World / spheres 1, 2, 4 and 6. That is because the spirits are using their minds to complete their rebellion – denial of self and feelings, and rejection of our Heavenly Parents as well their Creator Son and Daughter. So yes, the top of Mansion World sphere 6, spirits are the most evil, the most in rebellion, the most in default, the most wrong and unloving and untrue, even though, they appear, because they've trained their mind to do so, to be the most loving, but it's all false and contrived – such as the Eastern gurus. Total mind over feelings, blocking all the bad ones and using your mind to only make you feel good.

Typical of those on their way up in the mind worlds are not open to anything, they do not want to know about feeling bad and going with their bad feelings looking for their truth, because that scares them, that's not nice, that doesn't make one feel good, it threatens their control, they reject that preferring to stay in their nice safe space. Which is how it is for these Natural love mind spirits using their minds to control their feelings.

We've all got to take responsibility for our evilness even though we were made to be that way and rebel by default, but there is no getting away from it, and it has to be compensated right to the last farthing, which is what being in the hell planes is all about, and which keeps being applied right the way through the Mansion Worlds. **In the mind worlds you can continue to use that inner pressure requiring compensation for your bad deeds, to further contrive love and pretend you are all holy and loving and not hurting anyone anymore, which on the surface of it you are not, but underneath still are, all the way up through to the sixth world; or, you can allow it to keep working on you right the way up through the Divine Love Mansion Worlds doing your Healing.**

And apparently what's going to happen is the Natural love mind Mansion Worlds are going to be divided, so within them, there will be spirits doing their Feeling Healing – without the Divine Love, and still limited to the sixth Mansion World, but looking to be true and end their rebellion. And then there will be those still carrying on denying themselves as they have always done. So you will have spirits in the Feeling Healing Natural love sectors that will truly perfect their Natural love; and those spirits still in the mind sectors perfecting their wrongness. The opposites or extremes living side by side. And then you'll still have the Divine Love Healing Mansion Worlds, being spheres 3, 5, and 7, doing their Soul Healing.

And as for a summation: "Divine Love Mansion World / Sphere 3 is the waking up to the truth that one is not loving, also their being a lot of assistance. Sphere 5 is then about going right into the depths of feeling how unloved you feel and seeing how unloving you are and how that makes you feel, also this a time when one can then progress and manage their own progress through their Feeling Healing. Sphere 7 is then about still working with the deepest and residual bad feelings, whilst looking to sort out how you wrongly relate to yourself and others, nature and God because of being unloving, this is a time of great realisation and comprehension with much of the prior experiences starting to be drawn together."

Mansion World 3: is for waking up to the truth that you're not loving and starting to get in touch with your pain, starting to accept your bad feelings, starting to work with them instead of rejecting them.

Mansion World 5: is then about going right into the depths of them, feeling how unloved you feel and seeing how unloving you are and how that makes you feel, bringing out the majority of your pain, your misery, fear, anger, guilt, hatred, boredom, terror, rejection, nothingness, feeling powerless, alone and abandoned, and so on.

Mansion World 7: is then about still working with the deepest and residual bad feelings, whilst looking to sort out how you wrongly relate to yourself and others, nature and God because of being unloving, understanding how your relationships are unloving, how you don't connect properly, how unloving you really are and why and fully accepting the truth of it, coming completely to grips with your parents not loving you as you needed to be loved – sorting it all out, including your self and feeling expression difficulties.

It is agreed that the lower worlds are about waking up to what's involved, however from then on it depends on how it's all structured for the individual in their negative state as to how much ongoing assistance they might need. Some need help all the way along, whereas others have been able to work with their feelings, themselves, right from the beginning.

And yes, each of the Divine Love healing Mansion Worlds, 3, 5 and 7, are equally painful to work through, just focusing on different aspects of yourself and your Feeling Healing with Divine Love. And then in the higher planes of the 7th world comes the transition, where one's pain starts to end, and you start feeling so much better about yourself, you are fully accepting of your negative unloving state, you are fully unloving although even starting to become more loving – truly loving, of yourself, God, and then other people.

Then onto the Celestial Heavens by progressing into Sphere 8 and then onwards further, all the way home to Paradise.

Maybe something like 6 billion people have recognised that our Mother and Father's Divine Love, together with embracing one's Feeling Healing, that with these two aspects, have progressed through the Mansion Worlds to the Celestial Heavens and onwards.

More than 200 billion personalities have embraced their mind and self reliance through the misguidance of 'New Age' styled ideologies and the many thousands of different religious platforms, all of which take the person further and further away from our Heavenly Parents.

The 1st and 2nd Spirit Mind Mansion Worlds / spheres are jammed to the rafters.

For a million years, humanity has gone in the wrong direction with its self-denial of self and feeling!

107. The ripple that reaches the heart.

20 October 2012

Today there are millions upon billions of individuals living in the Spheres of the mortal spirit world.

Jesus of the Celestial Heavens

121. The nature of spirit communication.

27 October 2012

There is plenty of room in the Spheres for everyone. Though to organise everyone and especially those who have recently arrived, takes an extraordinary amount of care and social integration and organisation. Things are much more socially organised here than in the humanity on Earth for the reason of living is so vastly different here than previously on Earth.

On Earth you may dream of the stars, here we dream of advancing to the next Sphere.

James Padgett

171. The Celestial Event continues.

14 December 2012

There are now so many people in the natural spirit world and as you can see, there will be in number many more – well into the billions and hundreds of billions.

Saleeba

Simply put, the numbers of people now living within the Spirit World is so large that reincarnation back into the physical world just could not be accommodated. There appears to be well in excess of 200 billion spirit people now within the spirit world.

SPHERES in the SPIRITUAL REALMS.

Spheres – Celestial Heaven, Eternal Spheres, then Spheres of Paradise:
The realm of the Angels is the Celestial Heavens spheres 8 to infinity.

Spheres to infinity: Soulmate bonding can be achieved in most of the spheres. (Celestial Spheres are not numbered per se.).

Eighth Sphere: All emotional baggage of your entire history has been dealt with – born again. This is the point of new birth, being born again. Celestial Heavens 8 to infinity true immortality.

Seventh Sphere: The gateway cycle, perception of sacramental nature of all things. Disappearance of the material mind and the absolute ascendancy of the soul's mind has been achieved. Divine path.

Six Sphere: Cycle of light / love, love / light or unity. A purely intellectual area, increasing one's knowledge, while living a life in absolute harmony with God's laws of spirituality. Natural path peak.

Fifth Sphere: Cycle of light or wisdom. All their earthly bonds are gone. We are in one of those soul spheres, which offer great opportunities for obtaining the Love of God.

Fourth Sphere: Work of 'atonement' as guides and spiritual healers now excel. As humanity's helpers, their work is a means for self-realization.

Third Sphere: Truth always told. An area where spirits progress in their awareness. In each sphere, there are many planes. Changing pathways requires dropping back to a lower path,

Second Sphere: The sphere of decision which is much more spiritual but which was hidden and outside the range of their perceptions. Spirits can now choose the path they wish to follow – desires.

First Sphere: Cycle of awareness. There are vibrational love barriers between each of the spheres. Highest level of the Earth planes is the point of transition from materiality to the spiritual 2nd sphere. Summerland is the highest part of the Earth planes, but it is still a very material region. Children live in Summerland in great numbers, having died prematurely. Twilight zone, the most populated area in the spirit world, and starting point for most. Various hells descending progressively into greater degrees of darkness. All souls can be assisted out of these hells no matter what level they fall. At the deepest levels, the soul finds it extremely difficult to hold itself together. The hells are not fiery physical places. Actions are fear based.

The 2nd, 4th, 6th spirit spheres provide principally for mental and moral advancement, whereas, the 3rd, 5th, 7th soul spheres provide for progress through Feeling Healing with Divine Love.

Soul does
not know
sexuality

God creates your personality. Your soul splits into male and female aspects, incarnation of the two parts may be as much as 20 years apart.

Parents attract the unaware soul element at conception. We reflect our parent's emotions. As children we absorb the emotions from surroundings without any filters. From conception we start our journey up the spiritual realms.

Each sphere has many planes. The first sphere is closely tied to Earth.

There are in fact many 'dimensions' of existence in the spirit world. These other dimensions / spheres are all in various locations and conditions of love. To get from one dimension to another dimension that is in a better condition and more joyous condition, it's about learning lessons in love.

The physical body only dissolves when you disconnect the spiritual body from the physical body which is the silver cord breaking and disconnecting the physical body from the spiritual body. This is the death of the physical body.

Soulmate halves may bond closely back together. This is most likely when within the Celestial Heavens.

An UNBORN BABY'S 1st HEARTBEAT OCCURS 16 DAYS after CONCEPTION:

A research team funded by the British Heart Foundation (BHF) at the University of Oxford says a baby's first heartbeat is now far earlier than was previously understood. [Dr. Susan Berry](#) 12 Oct 2016

Further research confirms that the heart first starts to beat between days 16 through to 19.

What happens when a child dies. 15 March 2013
Speaking with Mary Magdalene and Jesus, book 1

From the first heartbeat the incarnating person is technically living a physical life, and so if death occurs, it will move into one of the spirit nurseries. If it should 'die' before the first heartbeat, the soul merely 'withdraws', initiating incarnation when the next opportunity arises for its soul-personality. And of course as you know, there is no reincarnation, so when your soul starts you in Creation and you achieve your **first heartbeat**, then you're underway, be it on Earth or in spirit to Paradise, this being your ascension of truth.

As soon as the spirit body separates from the physical connections, there is no longer any pain, this of itself as you might well imagine greatly adding to one's good experience. The dying person, be it a child or an adult, has a good experience in death, especially once the pain has gone should there be pain; it's the people they might leave behind on Earth who don't understand this and who are suffering feelings of loss and deep grief, that have the harder time of it.

An unborn child is taken to spirit nurseries to be cared for. And within those nurseries they are looked after through the remaining time of their gestation period; then are 'born' into spirit life; then to carry on growing up as a spirit child of the Mansion Worlds. Many of them, just as with unwanted physical children, are fostered out or adopted by spirits wanting to be parents, this enabling a lot of people (who are now spirits), who for one reason or another couldn't have children on Earth, to have the experience of parenting. Even carrying the child to full term can be simulated so as to give the 'mother' the experience of being pregnant. The 'father' having his experiences as well. And of course lots of people who become spirits love being involved with children and so become spirit parents or simply involved in looking after the infants and young children of the nurseries.

The Heart commences to Beat as early as Day 16 after Conception:

Until now, researchers thought that the first time our heart muscle contracted to beat was at 8 days after conception in mice or around day 21 of a human pregnancy. Now, a team funded by the BHF at the University of Oxford has demonstrated earlier beating of the heart in mouse embryos which, if extrapolated to the human heart, suggests beating as early as **16 days after conception**.

Our Personality is a feeling of God, connected to soul, spirit and
physical bodies. At conception, our unaware personality (soul)
forms both a spiritual body and physical body. Incarnation starts the
road of self discovery, children reflect parent's emotions. Parents
attract us to incarnate.

SOUL of HUMANITY, only man has a soul; vegetable and animals have spirits only.

Male/male life choice 80%-90% Heterosexual Female/female life choice
 10%-20% Homosexual

Our soul splits into bodies of the opposite sex, thus creating the soulmate pair. In the spirit world we bond closely together again as we progress up through the spheres.

INTELLIGENCE, MIND, BRAIN:

Prior to conception, we are only a feeling of God. Our parents attract us thus creating our spirit mind and body brain.

P E R S O N A L I T Y

Our Intelligence is Soul based. The capabilities of discernment, e.g., by kinesiology muscle testing, expands only with the growth of our Soul's intelligence. Upon conception, the creation of both our Spirit Body and Physical Body occurs, bringing forward our unaware Soul to start our journey. Upon death of the Body, the brain dissolves. The mind continues to grow in the Spirit Body until we progress through the 7th sphere into the 8th sphere at which point we are 'born again', one with God, entering the Celestial Realms, and the mind is no longer. Our soul intelligence grows as does our soul expand with the ever increasing infusion of Love from God, Divine Love.

The SOUL CONDITION of BABY at CONCEPTION is PRISTINE:

A feeling of God creates our soul personality, the soul then splits into male and female elements. At the time of creation of the soul, the state of the soul is that of natural love as of the 6th sphere. The location of the soul at that time is not of the 6th sphere. The soul halves are then attracted to different parents.

Baby at 8 weeks

Soul does not know sexuality

The two soul halves may be incarnated up to 20 years apart, male and female halves are never in the same family.

Emotions flowing to unborn baby, then born baby, from those around the baby.

During gestation and early years after birth, the soul condition of the baby drops from the 6th sphere state to the level reflecting that of the parents and of those in frequent contact with the baby. Kinesiology testing repeatedly shows that the consciousness level, soul condition, of the child reflects that of one or the other parents all the way through their childhood until such times as to when they leave home and commence their independent life and establish their own environment.

WE SUBMIT TO EMBRACING OUR PARENTS ERRORS!

At the moment of conception your soul activated your will to become of your earth parents, you in effect, agreed to accept all that they were; to partake of their negative states, which they subjected and impressed on you through your formative years. By the time you became an adult you were a product of them, wholly a part of the negative mind state of this world. Currently you are imperfect and will only regain perfection of soul once you have completed your soul-healing. **Jesus Message 33 (part) 9 January 2003**

The Rejected Ones – Living True to One’s Feelings

by James Moncrief

Like Father – Like Son

Like Mother – Like Daughter

Our mind strives to control and is always subject to error. The mind’s controlling natures based on error are the foundation of all the misery, illness and drama on Earth for all of humanity. Put them aside by expressing them.

Our soul based feelings, given to us by our Heavenly Parents, are always in truth. Allowing our feelings to lead our way of living that is living true to God. Express all your feelings and long for the truth of them.

generations

OUR BLOCKED EMOTIONS FLOW DOWN FROM GENERATION to GENERATION:

Childhood illnesses, and illnesses of baby within the womb, stems from blocked emotions passed down from generation to generation, resulting in malfunctions in the foetus.

We are a product of all that has come before us.

Our own soul condition is reflected in our children.

To assist baby, as well as yourself, work and pray to clear your blocked emotions.

Clearing your negative emotions improves your soul condition as well as that of your children.

Baby's body, when conceived, is always perfect. Their soul condition is also perfect.

OUR EMOTIONS REFLECT THOSE of OUR PARENTS and OUR ENVIRONMENT:

Emotions flowing to unborn baby, then born baby, from those around the baby.

Our Personality is a feeling of God, thus creating our unaware Soul.

At conception, our unaware personality (soul) forms both a spiritual body and physical body. Incarnation / conception starts the road of self discovery, children reflect parent's emotions, their ancestors, and also, of those around them. Parents attract us to incarnate.

GENERATIONAL TRANSFER of EMOTIONAL BLOCKS and INJURY:

Our children are conceived within the 6th sphere state, by the time they are born, or shortly thereafter, they have absorbed their parent's emotional injuries and their soul condition typically reflects that of one or the other parents. Our children continue to mirror our soul condition, or that of one of the parents, up and until they leave home and start to establish their own home with a partner.

Thus, to assist our children, we must firstly resolve emotional issues within our selves.

In turn, we are a reflection of our parent's soul condition and their parent's soul condition and so on back through the generations. We can break this cycle by working on our own soul condition, feeling our emotions and processing our fears and blockages.

These emotional blockages and injuries frequently manifest in our children as illnesses, even before birth or shortly there after. It is the accumulation and combination of issues held by past generations that insidiously manifest as life threatening illness episodes within unborn and new born babies. Parents clearing their emotions can lift autism from their children!

Specific emotional injuries or blockages manifest as specific health issues. Thus, an illness episode or pain can be readily related to specific emotional issues that need processing.

The EXPERIENCE of LIFE by the BABY in the WOMB:

From the time of conception an infant is sensitive to the presence or absence of love as feelings of comfort or discomfort. One feels good and the other doesn't. This child has no idea how to seek love as it is completely subject to its environment and knows only how to respond to the way that it feels.

These early experiences of love have a great impact on a child as the child is self-focused and has no concept of others outside itself. Its immediate environment is its world in which it has begun its process of individualisation and development of its personality qualities. The prime sense to which it responds is its sense of the presence or otherwise of love.

This is very basic but remains the most important sense for a human throughout its life. This may seem strange until you really think about it.

All of the most important responses a human makes are based on feelings and the most important feelings are those related to love because these are totally basic. Whatever supposedly sophisticated devices of discernment are overlaid on this, the basis remains the sensitivity to love.

You begin your life with natural love and it is in the context of this love that you live most of your life. In effect it is the main environment in which you live and function and your awareness of it depends on the love that you feel within you and which you express rather than the love expressed by others. You appreciate the love of others to the degree that you allow yourself to receive it. If you are closed to the love of others you will not attract it. Giving and receiving are inextricably entwined and can never be separated.

WE ARE TO BE OUR TRUE SELF – OUR SOUL BASED FEELINGS!

We are to use our feelings to uncover the truth of ourselves. Just how important are each of our feelings? Well really, they are ALL as important; as in, nothing else in life even matters other than what we are feeling.

We are all so conditioned and used to living with our mind in control of ourselves, that many of our feelings, and mostly so many of our bad feelings, we dismiss or shut out and refuse to deal with. We should go the other way in life, so instead of denying so many of our feelings, trying to acknowledge them all, to bring them all out, every last bad one, even if means stopping everything else and attending to them; and by attending to them is to make sure we express them, speak about them, the whole idea being not to keep suppressing them, to make sure they come up and out of us as we feel them.

Along with this: we are to long for the truth of our feelings; as in, the truth they are wanting us to see about ourselves, because apparently hidden or behind or within each feeling, is something it's trying to tell us about ourselves. And that is how God wants us to live – it is to live a true spiritual life.

We are not meant to be alone, we are to have someone with whom we can share our whole self with, telling them all we think and feel. If you do not have a companion, talk it out loud to your Heavenly Parents.

If you feel a bad feeling, you don't let it pass, you stop with it, focus on it fully accepting it; and with the emotions of it, express it the best you can; and then at the same time, long for the truth of it – want to see what it's all about – why you're feeling it.

There are hidden deeper underlying causes in us that will come to light as to why we're really feeling bad. So we might, for example, be angry with something that's happening in our life now, but as we express that anger, longing for the truth of it, it will lead us back into our earlier life connecting with the same anger we felt about other things; and then back even deeper into connecting, or it should be reconnecting, with anger we felt with our parents when our parents treated us badly.

That means there will be a lot for us to deal with if the bad feelings we're feeling now are also going to lead us back into buried bad feelings from our past.

Reincarnation and Theosophy

Chapter 14, P275 – 281, *Angelic Revelations of Divine Truth*, Vol II by James E Padgett.

Jesus Discusses the Nature of Mr. Padgett's Mediumship, and Makes Mention of the False Doctrine of Reincarnation *

I am here. *Jesus*.

I intended to finish my discourse tonight, but it is now too late and I will have to postpone it.

(Is it true that some mediums have been completely taken over by spirits?)

Well, there are cases where such results follow, and it is not astonishing that it is so. For these mediums who surrender their own faculties and will and moral powers will find spirits take control of them. These spirits do not hesitate to use these mediums for any and all purposes that they may desire, and these desires are mostly injurious and detrimental to the mediums, both morally and spiritually.

In such cases of spirit control, the mediums absolutely submit their mental and will powers to the domination of these spirits. When once such spirits get control, they are never satisfied and care not for the conditions of the mediums; and, such being the case, the mediums suffer.

But the mediumship which you have is not of such a character as to permit any spirit who may write through you to obtain that control of your mental faculties as will enable them to exercise their wills and powers in a way that will prevent you from exercising yours as you desire. They do not become your masters, but are subordinate to your will and cannot use you for the purpose mentioned, unless you so incline. The exercise of your phase of mediumship will not do you harm, and you need not fear the results. In fact, it is necessary that your mental faculties should become vivified and enlarged in order for you to do the work. The greater development you have, the more you will be enabled to do our work in a more satisfactory manner.

I know the substance of the book that you have been reading, and the falsity of these speculations that assert the doctrine of reincarnation. There is no such thing as the second embodiment of the soul into the human form, and no return to Earth for the purpose of improvement of the soul's condition.

So, try to be in condition and we will continue the writing of my messages. With all my love and blessings, I am

Your brother and friend,
Jesus.

Goliath, the Famous Giant of the Philistines, Tells Mr. Padgett That He Was a Real Person Who Lived in the Days of the Old Testament. He Denies That There Is Any Reincarnation After the Death of the Mortal Body, and Disavows That He Was Killed by David, as Described in the Scriptures

I am here. *Goliath.*

I have been present for some time and have listened to your conversations on the various sects who are expecting a great teacher, and others who look for a reincarnation; and if it were not so serious to the welfare of mankind, it would be very humorous. But the matter is too serious to deal with in a humorous vein, and I will say a few words as to the utter falsity of both of these beliefs.

[The Padgett papers were written between 1914 to 1923.
These messages were conveyed to Mr Padgett by automatic writing.]

There will appear no such great teacher as is expected. Of course, many may appear on Earth claiming to be such a teacher, and they may declare some moral truth that may be beneficial to mankind. But these teachings will not be such as these people may expect a great teacher to make known. And the result will be that if the world had to depend on such teachings, it would be very little, if any, better than it now is; for there is only one course of Truth. And in order for any great teacher to teach such Truths, he necessarily will have to have a knowledge of such Truths. And, here, I want to say that there is only one means of learning such Truths, and that is through the help of Jesus Christ and his followers, who know these Truths, and the Holy Spirit that speaks to all men if they will open their souls to Its silent voice of Truth and Love.

So, I say that these people who are expecting some earthly teacher to arise and come to them with a knowledge of Truth will be greatly disappointed. For it is impossible that any man will ever come in some mysterious and godlike way, and will be endowed with this knowledge. The souls of these people are longing for the Truth. And, not having a knowledge as to how it may come about, they are willing to conjure up in their minds some being that may possibly burst on the world and enlighten them in those Truths for which their souls are longing and wishing. No, in all time and eternity, they will never learn what they so anxiously desire from any great teacher of the kind that I have named and they expect.

As to the others who are equally misguided, and who believe that their salvation or future condition of happiness depends on reincarnation, I must say that they are now, and will be, disappointed, just as will be the first class that I mention. This doctrine of reincarnation is a false and misleading one, and will never enable any man or spirit to live the second time in the body as a mortal. It is so utterly absurd that it is astonishing that men can believe that such a thing can be! And, besides, if they will only think seriously for a moment, they will realize that there is no necessity for man to live again on Earth; for the surroundings and things that prevent the progress of man to perfection are so detrimental to his progress that it would not assist him one particle, in acquiring such progress, to have to undergo a second incarnation.

When the spirit leaves the body, its possibility for progress then becomes greater than ever existed on earth, although some spirits for long ages do not take advantage of such possibilities; yet, they exist. And Earth life can afford no equal means to them for making this progress towards what these people call “Nirvana.” Someday, the Truths will become so plain and easily understood by mortals that these beliefs, of their own weight—and I mean weight that absurdity gives them—will cease to exist.

You may be somewhat surprised that I write on these subjects, but you must know that I am an angel of the Celestial Heavens and have a work to do. And, being present, I requested the privilege of writing; and, it being granted, I did so.

I know what Divine Love means and what progress means, as I came from the lowest hells and found no necessity for reincarnation. And you may be assured that if my condition of suffering and darkness could have been gotten rid of by reincarnation, I would have reincarnated centuries before I was relieved of my awful condition. I have met spirits who said they believed in the doctrine. But, strange to say, none of them had ever been able to reincarnate, though they persisted that they felt that other spirits had, who were just in that condition that permitted it, and that they would also reincarnate when they became in a condition that was suitable. But I have noticed that these spirits never got in that suitable condition, but simply progressed in the spirit world. And they now say that they were mistaken, and are thankful that there is no such thing as reincarnation.

I want to stop now. So, thanking you, I will say good night.

Your brother in Christ,
Goliath,

of whom men may think a mythical person, but who really lived and died, even though he may not have been killed by a slingshot of David, as the Bible relates, but who is yet a real living mortal who followed the ways of other mortals in sinning and dying, and who went through hell and is at last redeemed.

To liberate one’s real self, one’s will, being one’s soul, is begun by embracing Feeling Healing, so as to clear emotional injuries and errors. With the Divine Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we’re feeling them, express them fully, all whilst longing for the truth they are to show us.

An Ancient Spirit Discusses Theosophy and Questions the Validity of Reincarnation

I am here. Lamlestia.

I was an inhabitant of India when that country was not known of to modern nations. I lived near the great Himalaya mountains on a plain that was then fertile and peopled by a vast number of inhabitants who worshiped the gods of whom the later Brahmans have written in their sacred books.

It may seem surprising to you that I should come and write to you. The explanation is that I became in rapport with you tonight at the meeting of the Theosophists. I saw that you were psychic and that I could communicate to you through the medium of the pen. There were many spirits present who, when mortals, lived in that far away country. They were, and now are, believers in the mysteries of the occult as claimed to be known now by those who profess to be leaders of the Theosophical movement. A number of their names were mentioned by the lecturer. And these spirits were attracted to the meeting by reason of the similarity of beliefs which the mortals present possessed, and they, the spirits, possessed.

I, also, was present because of that attraction. For, when on Earth, I was a great believer in these doctrines, and especially those that teach reincarnation and karma. And I still believe in these things, although I have been a spirit for many centuries. Yet, these Earth beliefs cling to me and hold me to the binding force of their truths, as I conceive these truths to be.

Many of those present, whose minds I could read as they thought, believe in these doctrines, but very few of them have any conception of what are the truths taught by such philosophy. Even the lecturer has a very slight comprehension of the scope and import of these teachings. Her attempt to explain the objects and workings of the principles of true Theosophy was a very inefficient effort; for, in order for her to be able to teach these doctrines, it is absolutely necessary that she have a knowledge of the same, which she does not have.

No, the knowledge that she has, and many others like her have, as to the fundamentals of this philosophy or religion, if it may be called such, is very superficial. And the fact that it is a system of mysteries, a few of which they have discerned an explanation of, causes them to conclude that their grasp of the scope of this philosophy is greater than it really is. And this affords them a kind of satisfaction that arises from the consciousness that they know some mysteries which the world does not know of.

She spoke about the great Masters in India who have a full knowledge of these mysteries, and, in certain conditions or circumstances, will be able to and will initiate the searcher into the esoteric meaning of these great truths. Well, these Masters know something of the mysticism, and of occult powers and principles, but such knowledge is not sufficient to qualify them as teachers of the great truths of Theosophy, as I understood and now understand these truths.

We have in the spirit world, and have had for long centuries, communities of Theosophists who believe and teach to whomsoever will listen to these doctrines. And many of these spirits attempt to teach mortals these truths of the ages by impressions and thought transference, but with indifferent success. Hence, for most of those who think they would like to understand this philosophy, the great attraction is the mystery, which they believe must contain the truth because of its being a mystery.

In the search for the key to the opening up and solving of the doctrines, and the supposed mystery in which they are shrouded, progress and understanding has been very slow. And, as I said, we who have been engaged for centuries in this great effort have never had the existence of our supposed truths demonstrated to us. We are still plodding the weary way, supported by the faith that light will come to us at some time, and that that which has so long been enveloped in darkness will come into the pure light of understanding and comprehension.

But, as yet, very few of these mysteries have been solved. And neither have the truths been manifested that are supposed to be concealed therein.

To some of us, doubt has commenced to rear its head and cause disappointment. Such being the case with us, what can these mortals, who are groping in speculation and discord, expect to succeed in disclosing? Tonight, I heard the lecturer declare that man is God, potentially, and that, when he develops into perfection, he will become God. Never was there a more delusive and untrue declaration of a supposed fact ever uttered! For we who have lived in this invisible world long enough to have had the realization come to us that we are gods all know that we are only and merely the spirits of men who lived on Earth many years ago, even though we believed then that, in the far distant future and by our own exertions in renunciation, we would become gods. But, no, such is not the fact. And while we have renounced many of the sins and errors of our mortal lives, yet, we are still spirits with all the limitations of mind and soul that spirits are by nature bound.

And this I must say: that, in all the centuries of my spirit existence, never have I known a spirit, or the soul of a spirit, to reincarnate; and my disappointment in this has been grievous. Many spirits of our association have become perfect through renunciation; yet they have remained spirits and progressed to the highest heavens of our possibilities.*

Yet, strange as it may seem, in view of this experience, we still cling to our old beliefs in reincarnation to a more or less degree, thinking that there is something else to be done that we know not of in order for reincarnation to become the destiny of our souls.

Sometimes, I think that my beliefs in this particular must be wrong; for, in comparing the condition of mortals—the most advanced in their mind and soul development—I realize that they are not in a small degree the equal of us in development. And then I wonder, and, wondering, cannot understand what good could be accomplished, or what improvement made in our condition for progressing, should we again enter mortal bodies.

As true Theosophy taught, as we conceived it, reincarnation was a supposed process of purification, and was necessary in order that the spirit could attain to a state of perfection and freedom from everything that defiles his soul, and prevents that soul from arriving at the blissful state of Nirvana—which means only that condition of soul when reincarnation is no longer necessary or possible. And when I know that many of our spirits—one-time believers in these doctrines—have arrived at that condition and entered a state of perfect happiness, I hesitate longer to believe. I only hold the faith because I fear that the experience mentioned may be the result of special circumstances.

*The heaven of the Sixth Sphere.—Ed.

But if I cease to believe these teachings, what shall I believe? No one can tell me that this reincarnation will not take place, and I fear to surrender the belief.

And I further believe that, in order for the working of karma to exist, as the doctrines hold, reincarnation is necessary, and that only in the mortal body could I do the reaping that my sowing demands. And, yet, I see and know that karma has been and is working in this spirit world to the extent that the reaping has all been accomplished, and the spirit made perfect, and this without any reincarnation. For, as I have said, never have I known or heard of the reincarnation of a spirit, or of anything that is connected with or represents the spirit.

Of late, I have been much in "cloudland" as to these beliefs and in my desire to find the light. I have visited the meetings of the Theosophists in all countries, and especially in India where the Masters, who are supposed to have the full knowledge and enlightenment, live. I have done so in hopes of finding the light, but all to no avail. My desires and longings cry for the light, but none can be found.

Tonight, I was attracted to the meeting where I saw you. And realizing that I could express to you my feelings and doubts, I made a rapport and came home with you for the purpose of doing what I have done. I know from your condition of mind that you do not believe in these doctrines of the Theosophists, and that your beliefs are of a different kind and are new to me, although I have heard of the doctrines that are the objects of your faith. There are spirits with whom I sometimes come in contact who attempt to tell me of another Way to a higher heaven than the one that I know of; but, as they are mere babes in comparison to my ancient existence, I do not listen to them. Hence, I am not acquainted with their teachings.

I must not write more tonight, and thank you for your kindness.

(If you are willing, and will permit me to do so in your behalf, I would be most happy to call upon one of the bright spirits who are present to come to you and instruct you as to the True Way to supreme happiness, and to an eternity of joyful progression toward the very Fountainhead of God's Love and Light.)

Well, you seem to be very kind, and I thank you for your interest. Under the circumstances, I must accept your offer. And, I assure you, I will listen attentively to what may be said to me.

I have looked and there comes to me a beautiful spirit who says that she is your grandmother, and that she has heard your invitation and will be glad to show me the Way to Love and Light and Truth. She seems so bright and beautiful and loving that I must go with her. So, I will say good night and go. Good night.

Lamlestia.

Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God's soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of your Mother and Father.

Mrs Padgett Affirms the Identities of Several Spirits Who Wrote

I am here. Helen.

Well, sweetheart, you are tired, and must not write more now.

I will say, though, that the spirits who wrote you tonight actually are the persons they represented themselves to be. I was with you at the various meetings, and these spirits were there and became in rapport with you.

The Indian was in truth an Indian, and was in the condition that he declared himself to be. He was a very bright spirit and lives in the highest Spiritual Heaven. He went with your grandmother.

Mrs. Eddy was very anxious to write. I am sorry that she could not finish, for the burden on her mind is great. She wants so much to write the Truth. I will have her come soon. She is in the Seventh Sphere and has much of the soul Love; yet she sees the possible injurious results of her teaching, and her work is before her. She says that the only way in which she can remedy the wrong is through the channel that she so bitterly denounced, and that she sees the difficulties are so much greater than it would be but for this grave mistake.

Pastor Russell is also anxious to write and he will soon come. I feel real sorry for him. His shock was so very great.

(Of late, your work seems to be taken up with telling me of unhappy spirits.)

Well, so it is. I must give my time to telling you of other spirits. But that is my work and yours, and we must not complain. They are all the Father's children.

So, my dear, take courage and believe, and all will be well.

(Was the Master with me this morning at church services?)

Yes, Jesus was with you at the morning service. He may write to you about the same, but I am not certain. His love was with you, though, and he seems to want to be with you whenever he is not elsewhere. He loves you and is caring for you.

Your own true and loving
Helen.

Saelish, a Spirit of Old, Declares That There Is No Such Thing as Reincarnation

I am here. Saelish.

When on Earth, I was an inhabitant of the great empire of Assyria, of which Nineveh was the capital. I was not a king, but was one of a great king's magicians or wise men. When I lived, I was a man of great influence and power in that kingdom.

I came tonight to tell you a great Truth in connection with the soul. As you may infer, when I lived, we knew nothing of the one and only God. We worshiped many gods, great and little, and believed that these gods could help or harm us, just as we deserved their help or their injurious workings. And, so, in their treatment of us poor mortals, our many gods sometimes came in conflict so that, at times, we hardly knew whether our gods were our friends or our enemies.

Of course, the help that we sought for was all of a material nature, for never did we think of help in the way of preparing us for a future life. We supposed that was only for those of us who, by our great achievements in battle or in intellectual pursuits, would become gods ourselves upon death. The poor, ordinary mortals were only intended to live the mortal life—at least during the incarnation that they then had. And their expectations were that, perhaps in some future incarnation, they might have the opportunity and the favours of the unknown gods so that they might become gods themselves.

This was the substance of the beliefs and hopes of the Assyrians at that time. And many millions died in that belief and are now inhabitants of the several planes of certain spheres of the spirit world. None of them has ever returned for a new incarnation, thereby starting on their way to becoming gods. And this is for the reason (which is sufficient to satisfy them sooner or later when they become spirits) that those men who they supposed had become gods when they died were in the spirit world—spirits themselves—and were not gods at all!

So, you see, when once it leaves the physical body, the soul never returns again to any physical body, but continues in the spirit world to exist as a soul with a body of spirit form and substance; and no spirit has ever experienced the sensation of becoming reincarnated.

And this is the truth that I wished to tell you: that the soul, when once it leaves the physical body, never again finds its habitation in another, or the same, physical body, but forever occupies the spirit body thereafter, and that in the spirit world only.

When a mortal dies on Earth, so far as the earthly body being its home again is concerned, this body becomes a thing of the past. It is a mere way station which has been left behind, and it will never again appear as a stopping place on the spirit's line of progression.

I thought it might do good for me to write this tonight, for it is the information from a spirit who lived on Earth long years ago and believed in this doctrine of reincarnation, and who, during all the long years of its spirit life, has learned and experienced the truth that reincarnation is a fable and has no real existence.

No, the soul never retraces its steps or its methods of existence, for it never goes back from the spirit to mortal.

On the Earth today, I know that there are thousands of mortals who believe in this doctrine of reincarnation, and many thousands more have died in that belief. Thus, many both live and die in that belief. And only when the truth comes to them do they realize that their belief was an erroneous one, and that they will never reach Nirvana by retracing their course of life through the physical body.

The soul never dies, but always lives. And whenever its position is such as to justify progression, it progresses.

I live in the Sixth Sphere, and am considered to be a very exalted spirit in my intellectual acquirements, and in my condition of freedom from sin and errors which belonged to me on Earth, and which belong to every mortal. My happiness is very great and my home and surroundings are beautiful.

This sphere is a wonderful place, not only because of the surroundings and homes of the inhabitants but also because of the great mental and moral development of those who live in this sphere. No spirit who has not that development can live in this sphere, because of its unfitness.

Male and female spirits enjoy this wonderful development. Their intercourse in the intellectual things that exist in this sphere is free and frequent, and the interchange of thoughts brings much happiness and satisfaction.

We don't know of any spheres beyond the Sixth, although we have heard it rumoured that there are other spheres. But we give little credence to these rumours because none of us—I mean the inhabitants of this sphere—has ever found a higher one, and many of us live in the highest planes of this sphere.

(Is there anything else you wish to tell me?)

No, I have nothing else to write tonight.

(Well, what if I were to tell you that there is a heaven above your own where there is happiness and wisdom far excelling that obtainable in the Sixth Sphere?)

Well, of course, I can't say that is not true, but I do say that you astonish me beyond all belief; for I cannot imagine that any spirit can make higher progress than we have made!

(The far greater happiness and wisdom that I am referring to comes only from God through prayer for His Divine Love. And it is very possible for you to obtain this Love and to become an inhabitant of God's highest Kingdom, the Celestial Kingdom, if you will but pursue that prayerful Way and seek the guidance of the Celestial spirits themselves.)

Well, what you tell me surprises me, and I would like to investigate and discover the truth of the matter. But I don't know how to commence such investigation, or where to start. Is it possible that you can show me the way in which I can commence this investigation?

(Well, the Celestial spirits always respond to a request for their presence and help if this comes from sincere longings of the heart. I would suggest, then, that you let your true heart's desire go out to them for their help. Then, look about you. If you truly seek them in the way that I suggest, they will appear to your

vision. And, once they have appeared, they will provide you with all the help and direction you will need to begin your investigation.)

I have done as you suggested, and I do see some wonderfully beautiful spirits. They seem to be so very happy, too, and interested in you. One says she is your grandmother, and she seems to excel the others in her beauty and brightness.

She says that she is very willing to start me in my investigation, and that she herself will tell me the great secret of the great progression that you speak of. And she adds that, if I will accompany her, she will commence at once.

And, while I write, there comes another beautiful spirit who says that she formerly lived in the Sixth Sphere, and lived there many thousands of years before I lived on Earth. She says that she was an Egyptian and that her name was Saleeba, and that she is now an inhabitant of the Third Sphere in order to prepare herself for the great progression that she will make to spheres high above the Sixth. And she tells me that, after I have conversed with your grandmother, she will be pleased to talk to me and tell me her experience.

I will be with her, you may rest assured.

All this is so wonderful to me that I hardly know what to think or do! But I will try to find the truth of it, if it can be found.

So, I have written you a long time, expecting to enlighten and not be enlightened myself. And, now, I am so anxious for that enlightenment! I will say that I am glad I came to you, and good night.

Saelish.

[The Padgett papers were written from 1914 to 1923.

These messages were conveyed to Mr Padgett by automatic writing.]

Those of you who are familiar with automatic writing in general, and Mr James E Padgett's mediumistic gift in particular, will appreciate the fact that information obtained through automatic writing often comes forth in a very rapid and continuous stream of written prose. But what may not be known is that reception of these writings does not require a deep trance on the part of the medium. Furthermore, the medium is usually perfectly capable of taking a break, if you will, to either relax or to read what has been received of the transmitted message up to that point. We know, for example, that Mr. Padgett took many such breaks, not only to digest what he had just received but also to ask many reactive questions of his communicators.

By living true to ourselves, true to our feelings, we are living true to God. It's that simple.

INFORMATION IN CONFLICT WITH EACH OTHER

So much information out there from so many different sources, it's very confusing!

The sources in most cases are spirits, and these spirits are in different dimensions of the spirit world and they understand different things. They think they understand my life (AJ), for example. There are many documents within the spirit world which are distortions of what happened to me during my life. Then these men and women study these distortions and they believe them to be true. Then they teach those same distortions to people on Earth. So the problem keeps on compounding the error. The majority do that because of the different emotional feelings they have about things. When you add up the endless amount a person's emotional conditions with the endless amount of possibilities of what you could discover, you start to get an idea of the amount of distortions on information.

The level of truth is dependent upon at what level one is within and sphere and in which sphere. So, if I am in the second sphere, I would only know a portion of the truth. I may know some of it, but I may not know or have learnt all of it. So that I tell some of it and that will get distorted on Earth. If I am in a higher sphere then I will know more of it.

We often think that people are highly progressed when they aren't. A lot of people who have been on spiritual journeys for a very long time have done very little emotional development. In other words they have done a lot of intellectual development, a lot of moral development, but very little emotional development. So, therefore, they are not as highly progressed as they seem to appear to be on the outside. Also, we often examine a person to be highly progressed if they are over cloaked by spirit who is highly progressed. So, if I saw you, as an example, and you sprouted all the information that your engineering spirit shared, wow, you know lots I would conclude. But it is not actually you who knows this information. I would judge you as having known all this information, but in reality, it might be a spirit who is in the first sphere who is intellectually developed, however, he has been there for five hundred years and he knows everything about the physical universe and he is just telling you that information.

So, often times, we judge high development through our intellect, rather than through our emotions.

Often the person is intellectually developed, but not morally or spiritually developed.

Gandhi had received some Divine Love, he was in very good condition, and was a very powerful person. Gandhi was a highly developed person on Earth.

Mother Theresa was different in as much as she was fixed upon the laws and principles of the Catholic Church within herself. She also had this heart of wanting to serve. So, there was a mixture of things going on with Mother Theresa. Mother Theresa passed over into the fifth sphere and has now progressed into the Celestial Spheres.

Why is information confused? Often we think the person is well developed, is receiving spirit direction. The trouble is he/she is connected to all sorts of spirits, which results in that person being at odds with everyone else.

AJ – Qualities of Truth, Reincarnation & Divine Love

This 93 page document is very helpful in understanding mediumship issues.

Most of the time, the spirit is already falsifying information to them. Many spirits who are on the natural love path, don't falsify information, but lead you to think things are true if it suits them and their particular cause. They do not necessarily tell you a lie. If you have a particular belief, then they will let you continue to believe it.

If I am a medium in a very rigid and emotional state, I am quite intellectual, and denying my own personal anger and so forth. I am going to be in a very selective state. So a spirit comes along and starts telling me things, I have no way of judging other than my intellect. There is no way of knowing what is the truth.

If I am in a first sphere condition and if a spirit comes along in the second sphere condition, I am going to feel him as a much more loving being than myself. I am going to start assuming about this spirit, whereas, he may only be one or two degrees above my own soul condition.

Most mediums do not know how mediumship works, how mediumship fits together. I have done a talk on the "Laws of Rapport and Spirit Communication", and in that I outline a lot of laws involved in the spirit world and enables mediums to open their understanding. This can then open their minds to many possibilities.

Divine Love Flow:

Prayer to God with a feeling and longing for
God's Divine Love to enter you.
Have a longing for truth from God.

If re-incarnation was necessary for clearing karma, for this reason no single person would ever get cleared, or in the spirit world.

In the spirit world, spirits progress from one sphere to the next sphere, and then the next sphere, and they don't come back to earth to do that. They can clear away their karma as they progress in the spirit world.

REINCARNATION

30 Jan 2013

It came to me recently that the reason this belief in regards to reincarnation potentially occurred was when mediums were channelling people from the spirit world who were explaining their journey through the levels of love and across the interstellar boundaries of the "spheres" which mediums lack of understanding and inaccuracy of the message translated into the fact the stepping through the spheres was actually coming back to earth to experience life again and have a better experience due to improving their 'karma' last time around....of course then those learning about this false belief went to the spirit world expecting they would return and hence began the unloving attempts to re-enter the world by attaching themselves to either foetus' or very young children....mostly with tragic consequences either physically, psychologically, emotionally etc....and so the cycles of people trying to reincarnate through until today occurs...instead of them working on their Soul and actually raising in the spirit world to higher levels of Love...

Lainee

Love, truth and belief in reincarnation.

The belief system of reincarnation is that I live a life on earth for a certain length of time, I pass into the spirit world, I have this life review process, and then I revisit earth again to work through the karma of the previous life. I can't work through the karma of the previous life in the spirit world, I must work through the karma or the damage of what you have done in the past through the earth experience.

But the only problem is that I can't remember my previous experience.

Now, does this sound like a loving process to you?

You are being forced to come back down to earth to work through your previous experiences karma, but the only trouble is that you can't remember the previous experience, in its entirety, to know what the karma was.

Now, how does that feel to you? Doesn't that feel unfair? Does that feel loving?

One could understand a system where you remembered your previous life and you could work through the karma of it.

Is it loving for someone to create a system that actually creates a lot of difficulty for you in terms of discovery of your own truth about yourself?

It is possible, from within side of our soul, to ask, is this belief loving, or is it a little bit loving, or is it not loving at all. In that way, you are easily able to differentiate between whether we should enable this belief to enter us or not.

The only problem with that process is that our beliefs of love are distorted. That is where our emotions come into play. If I feel ALL of my emotions, I will, in the end, come to discover the truth.

As long as we feel all of our emotions, we will come to discover the truth about every single subject.

15 Nov 09

Truth sets us free.

Truth is always loving.

Karma is paid through many life times. This is what is sometimes taught.

The reason why you 'have to' come back is because you have karma or Law of Compensation, or what you sow you reap, that get imposed upon the subsequent life time. But you can't remember what you did. How do you deal with karma from a previous lifetime that you can't remember you had?

That karma from a previous life time will affect my Law of Attraction in my current life time, which will cause even more Law of Attraction events which I may make choices about which are disharmonious with love. So the next time I come, I could actually be in a much worse condition.

There are some teachings on earth saying that I could come back as an ant! That is the supposed outcome from choices I made in a previous life time!

Lets us look at this from the perspective of love and from that of the parents.

Lets say little Sally made some wrong choices, she faces up to those choices in the spirit world, and then we are going to send her back without telling her what they were.

Does that sound fair to you? Does that sound loving to you?

Wouldn't it be loving to tell you, or that you have a record that you can connect to?

If you are going to deal with the karma, you need to remember.

Is it loving to stop the person from remembering what they have done wrong?

That is not loving, particularly if you are expecting them to correct it in the next existence. So why would God set up such a process?

CREATION of SOUL and SPIRIT:

God is *The Paradise Trinity* — the eternal Deity union of the Personalities: the Universal Mother and Father; the Eternal Son of Truth; and the Infinite Daughter Spirit of Mind.

The soul of each human personality (sons and daughters of truth) is existential, driving our personality expression in the experiential. The soul of each human finds truth by embracing one’s feelings and longing for the truth of them. We are to attain the Eternal Son of Truth. We are a creation of Truth.

The soul of angels is experiential, evolving through their experience by continually progressing in mind development. Angels are to attain the Infinite Daughter (Spirit) of Mind. Angels are a creation of Mind. Our soul is duplex (we have a soulmate) and is created by our Heavenly Parents. Through our Feeling Healing we perfect ourselves enabling the union with our soulmate, as we progress in truth up through the mansion worlds, celestial heavens and all the way to Paradise.

The soul of angels is also duplex, yet of the mind, and they progress in mind evolution to Paradise. Animals, plants and nature spirits are also creations of Mind.

Neither we nor animals reincarnate. We never die; upon death, we move into the spirit Mansion Worlds on our journey to Paradise. When animals and plants die, be they the tiny microbe to the mighty elephants of the land and the whales of the ocean, their spirit energy returns to the Spirit Collective Energy. And from this energy are drawn other animals and the nature spirits, who then in turn move onto becoming angels through increasing mind experience.

A nature spirit is an angel in waiting.

CREATION being an EXPRESSION OF MIND – Nature Spirit Verna:

I, Verna, am one of the 'Little People of Light' or commonly called a nature spirit. We go by other names: elemental, elves, fairies and the like, but really we're nature spirits. We are only concerned with nature, the nature of Earth – our world. Earth is our world more than it is yours, as you're all passing through, whereas we are permanent residents.

We, nature spirits have an hierarchy, some of us being more evolved than others – older – and we're considered to be a slightly lower creation than that of angels, as it's angels, a certain type, that create us. And when we have served you, humanity, well, we can if we want, move up to becoming an angel, we can evolve into one.

About soul-light coming from the soul interacting with Creation bringing about in Creation what needs to happen is all in accordance with the soul's pattern. As far as nature goes, it is wholly responsive to the needs of humanity, that is really all it exists for, for you.

We know why we act, we just act, we're creations of the Mind, The Third Person of Deity; the Infinite Daughter Spirit looks after us through the Local Universal Mother Spirit, the Divine Minister.

We exist to serve you, those of the truth, as nature does, it also being a creation of the Mind, so we don't have a truth-evolving soul like you do. We do however grow in mind service, we evolve so to speak, but not how you evolve. We evolve by doing actions, by acting in accordance with the instructions and mandates we are given, and when they are fulfilled, or completed, we move onto the next assignment, that is our evolution, so we're able to grow by being given increasing responsibilities, it's the same for us as it is for the angels.

So although we don't have an eternal soul like you, we do feel we have an eternal place in Creation because we are part of it; we've been created, there was and is a purpose to our existence, so there will always be something, the next thing, for us to do. And as we do each assignment we grow, which is really, advance in light. By the *light* of an angel or nature spirit you can tell where they are in Creation, on what level, on what assignment, on what circuit, where in the Universal Mind they fit and so exist.

Creation is all created by, and so is a manifestation of, the Mind of God, it consists of mind circuits from the lowest to the highest; and so because of that, everything in Creation can help everything else, it all being orchestrated by the intelligence of the Personalities it is derived from. So when your soul requires a certain experience, then all you are, all the environment is, all that leads up to that exact moment from the beginning of Creation, moves to bring about that experience for you. And all we do is go along with it, which is all you are slowly to learn to do. You are not to try and fight it, or interfere with it, you are learning to just accept nature, your own natures, your soul – or truth and mind nature.

As you learn to live as nature does, by being all-accepting, then you can allow your soul to guide you through your feelings and without trying to actively take over using your mind, to just act according to your natural impulses and feelings, all of which will bring about the desired experiences required by your soul resulting in the desired truth you are to see, know, and hence live.

YOU ARE NATURE – so as you understand about plants and animals and all nature is, really you are

understanding about YOURSELF. And this is very important, to see yourself as separate from nature is not right, and is where you all go wrong – it is evil, because it's dishonouring yourself: your true nature.

What you as a person, YOU, are doing to nature is wrong. How you are negatively affecting it, and how that is all because you are doing it all to yourself. EVERYTHING YOU DO TO ANOTHER CREATURE YOU ARE DOING TO YOURSELF – and that's why you're doing it to the other creature, because you're doing it to yourself. How you are in the outer world is exactly how you are in your inner world. Or rather, how you are in your inner world is how you are in the outer one. It's always the inner first. And the inner has been created through your early childhood.

I'm a swirl of light, recognisable by other angels and beings of mind creation, but unrecognisable to you spirits of truth (humanity) who need form other than just light. So all of my kind, and all of my angelic relations, put on forms for you to recognise us by. You don't have any choice in your form, although in spirit you can play around with your looks a little and what you wear, how you present yourself a little to the universe, but mostly you just allow your soul to manifest your spirit form as its currently manifesting your physical form, whereas we angels being all light, have a choice – and lots of it! As I said, our true form is a creation of light, which means a collection or gathering together of many lights, beautiful and artistically designed, wonders to behold, and you will be able to get something of a glimpse and soul perception impression of our natures as you grow in truth, we being something very different to you.

And like you, as in you having a soul-mate, in some ways we nature spirits work in pairs, a positive and negative, but not negative in the bad, more like in the sense of current, in physics, a positive and negative representation of the frequencies of light that we are; but we angels – I'll call myself an angel for the time being, just for the sake of argument – don't have soul-mates like you, that's purely a spirit thing, as we don't have the same type of soul that you do. We don't ever perish, we do move on, in that we ascend the circles of light, which are the relevant circles of mind for our order; but we don't grow in truth like you do. We don't have the same mind set up as you do, we don't have a thinking and feeling mind, we are just mind, and all that is mind.

All things and creatures of Creation have a 'light' to them, which you could call something akin to a spirit. Truly speaking, only spirits of truth, such as what you are, you and humanity and those sorts of spirit beings like Mary and Jesus, the mind and Celestial spirits you speak with, all who have a soul that is truth-evolving, have a spirit; we beings and creations of Mind, have a light. I know it gets rather confusing, and it doesn't matter anyway. So you could say a tree has a light, it being a creation of Mind, that being the mind of the Divine Minister in our universe of Nebadon, and so you could say that light is something akin to the tree's spirit. However were you to talk to the tree's spirit and have it talk back to you, that's then where we come in. You can't actually speak directly to and converse with lower creations like animals and plants, but we can mediate, you can through us.

Mind spirits aren't going to tell you the truth of who they are, as they will be wanting to keep you in your deluded state just to keep the channel open. They don't care how they communicate with people on Earth, that is the lower ones in particular, and the ones who are seeking some power by doing it, so they won't say, oh sorry, I'm a mind spirit, for nature spirits you'll have to change frequencies, they're that channel over there.

I (Geoff Cutler) am absolutely blown away by the information in this book on the topic of thought forms – a subject that is very rarely even mentioned, and I have never found discussed. It is also in my view, very sound on the subject of reincarnation, and in this it introduces an approach also not often found. It also discussed **possession by those so determined to reincarnate, that they attach themselves to a physical body and deprive the real incarnate of a life experience.** I truly wish I could share this book as a pdf. Its not really about life after death, and probably should be in another of my favourite book lists. But her mother, Jeanne, who was very concerned about proving that the communications were genuine, takes up a lot of the book with that aspect.

The book also was published under the title "More Alive Than Ever... Always, Karen" in 1995. These copies are many hundreds of dollars secondhand.

Is the Reincarnation concept Loving?

Freeing your spirit body from the physical body could be compared to climbing out of a deep sea diving suit or out of an iron lung. Whilst we are tied to our physical bodies our great capabilities within our spirit body are inhibited. The five senses of the physical body are the only senses that are conveyed to the physical body via the spirit body that we can utilise. The thirteen senses of the spirit body are denied from use by the physical body, or if they are available then they are significantly retarded. Do you want to do that to yourself again by going through the incarnation process again? Would that be loving to yourself?

Iron lung

Julia, in here letters makes the following comments regarding life in the spirit body and the spirit world:

After Death / Letters From Julia:

by William Thomas Stead

I did not feel any pain in "dying;" I felt only a great calm and peace. Then I awoke, and I was standing outside my old body, in the room. There was no one there at first, just myself and my old body. At first I wondered I was so strangely well. Then I saw that I had passed over.

Then I left the room and my poor old body, and passed out (left the building). It was so strange; the streets were full of spirits. I could see them as we passed; they seemed to be just like ourselves. My angel had wings; they were very beautiful. She was all robed in white. She, for at first she seemed to be a female, came to me. (Julia speaks of this Guide indifferently as he and she explaining, when I (Mr Stead) asked, that in our sense angels are neither male nor female. Within the spirit world, we have no need for reproductive organs.)

The spirit friends had their life much as it was here; they lived and loved, and if they had not to work for their daily bread, they had still plenty to do.

The Raiment of Immortal Youth.

No one seems to be old. We are young, with what seems to be immortal youth. We can, when we please, assume the old bodies or their spiritual counterparts as we can assume our old clothes for purposes of identification, but our spiritual bodies here are young and beautiful.

There is a semblance between what we are and what we were. We might recognize the new by its likeness to the old, but it is very different. The disembodied soul (spirit body) soon assumes the new raiment of youth, from which all decay has been removed.

The Life Beyond.

I find it so difficult to explain how we live, and how we spend our time. We never weary, and do not need to sleep as we did on Earth; neither do we need to eat or drink; these things were necessary for the material body; here we do not need them. I think we can best teach you what we experience by asking you to remember those moments of exaltation when, in the light of the setting or rising sun, you look out, happy and contented, upon the landscape over which the sun's rays have shed their magical beauty. There is peace; there is life; there is beauty; above all, there is love. Beauty everywhere, joy and love. Love, love is the secret of Heaven. God is love, and when you are lost in love you are found in God.

The Soul After Death.

When the soul (spirit body) leaves the body it remains exactly the same as when it was in the body; the soul, which is the only real self, and which uses the mind and the body as its instruments, no longer has the use or the need of the body. But it retains the mind, knowledge, experience, the habits of thought, the inclinations; they remain exactly as they were. Only it often happens that the gradual decay of the fleshy envelope to some extent obscures and impairs the real self which is liberated by death.

(The soul is separate and distinct from the spirit body. Within the lower spheres of the spirit world, most entities mistake the spirit body as being the soul.)

Spirit Communication Not Harmful to the Spirits.

I am over the border, but I am in constant communication with you on the Earth-side. To me this has been the means of great blessing. I cannot conceive how anyone can consider that such communications can possibly retard growth. Growth depends upon love and service; and you limit the area of both when you

The real you is your soul, that is the bit you want to develop.

put a wall of iron between the spheres. The conception of Earth as a geographical place is very material. You think too much in matter. You cannot realise that to me and to all on this side **you are spirit-fogged in a little body limited and conditioned by that fog.** But the real self is spirit, not flesh-fog, and life is ministry and sacrifice and service and love. As, therefore, this means of communication enables me to minister to and serve those whom I loved, who are often sorely pressed and troubled, you can see how absurd is the doctrine that it is a hindrance to development.

I awoke standing by my dead body, thinking I was still alive and in my ordinary physical frame. It was only when I saw the corpse in the bed that I knew that something had happened. When the thought of nakedness crosses the spirit there comes the clothing which you need. **The idea with us is creative. We think, and the thing is.** I do not remember putting on any garments. There is just the sense of need, and the need is supplied. When we stand for the first time on this side there is not so much fear as great awe and curiosity. The sense of being in a land altogether undiscovered and unexplored, where there may be all manner of strange beings, perhaps hostile, fills you with a moment's trepidation. And then it is that the good Lord in His kindness sends to the newly-delivered soul the Guardian Angel of whom I wrote before.

The Body

The body is such a miserable substitute for the spirit in which we live and move and act as we think. No, if I might come back and live on Earth as I used to do, I would not; it would be all loss and no gain. There is nothing the body could give me, that I do not now enjoy. Only in an etherealized but more real way, and much that I enjoy I should lose by being again in my body.

The Senses as Blinkers.

The soul in the body hears but dimly, and sees not at all the innumerable influences with which it is surrounded. **The first and most startling thing we have to learn is that our senses, material senses, are not so much to help us to see and hear as to bar us off from seeing or hearing.** We are on Earth as it were, with blinkers on. We must not see or hear or know much that surrounds us. The physical consciousness which is part of us, needs for its development the temporary seclusion of life from the realities of the world of spirit into which it is ushered at death. Hence, when we close our eyes in the sleep of death, it is more of a laying down of the blinkers that limited and confined our vision than almost anything else. I am speaking of the conscious change to our senses.

A New Freedom of Movement.

When I began to move I walked as I used to walk, and it seemed natural to do so. My Guide walked beside me, and we saw the world as it was with spirits moving among men. I did not see at first which was which. They were all living people, it seemed to me. But I saw the spirits pass through matter and move away, as physical bodies could not do. Then I asked my Guide, and he said they were like myself, those who had lived on Earth and had passed on. Then I saw that they moved sometimes as if they were still in the body, and at other times as if they were angels, **coming and going with great speed**, and I remarked upon it to my Guide. And he said, "Yes, they can do as they please, for it is in the power of the mind to go slow or fast."

Celestial Spirit Richard 1 March 2013

Good afternoon dear friends. Richard, I feel that we have been communicating about an issue that has interested and intrigued me for a long time and that is Reincarnation. Some things you said in our last writing raised this in my mind. Reincarnation is spoken about and accepted as fact in many areas and I have, in the past, thought it likely to be a true. However, there is no mention of it in the Padgett writings despite many spirits contributing nor is there any mention in any communication I have seen that I believed to be from a Celestial Spirit. I think that this is a large topic and I want to begin with it.

Good afternoon dear brother. I am here once more and others with me as always. We have been discussing this since earlier today and it will be good to set some things down. As with previous discussions, what we say now may well raise more questions than provide answers. Once more we will delve into the sea or morass of belief that shrouds the whole Earth and most of humanity. Much of human experience is shaped by deeply held beliefs that are very hard to shed after arriving here.

I spoke of the first 6 spheres as being attached firmly to the Earth and therefore regarded as mundane. While growth and personal development is pursued and achieved in these spheres it tends to be done within the context of beliefs that were held prior to passing into spirit. This leads to a firm cleaving to earthly experience. As spirits progress along such a path in the Natural Love Pathways – let us say for example a Buddhist Path – this spirit will be guided and groomed by others who are further along the path and vast amounts of knowledge are available for teaching. These teachings will contain elements of truth mixed with dogma and belief that blend to form an apparently coherent whole. Because it is coherent it is easily taught and assimilated. There are obviously more advanced souls along the path who attest to the validity of the teaching.

As you know from life on Earth it is possible to lead very successful and productive lives within the confines and context of strong belief systems and these systems serve to give meaning and purpose to the people who espouse them. You find examples in religion, business, government, military, criminal organisations, finance and so on and so forth. Of course this includes racial groups which often have very strong energies of coherence. Many of these are very obvious and many less so but all have their own attractive elements that draw adherents to them. When a person has lived their life in the ‘family’ of such a system it is natural to assume that they will continue to hold these beliefs following their passage to spirit. After all, the change is often so lacking in drama that many spirits do not recognise the loss of their carnate form. The attractive elements that obtained on Earth are still present here and the earthly adherent will be drawn to others of like mind and belief. This is not at all strange as familiarity is very attractive and serves to reduce fear or confusion for many persons.

Therefore we have all the major religions represented here to the degree that the earthly religious organisations are very influenced from spirit. One could say that they are controlled from spirit. The same applies to the other cases mentioned above. With respect to the groups whose activities are not based on love or which do not operate with awareness of love the adherents of these systems cannot progress beyond the lower regions of the 1st sphere. This will include the criminal organisations, military and most government and financial systems. The earthly systems that are the counterparts of these are likewise heavily influenced from spirit but from this very low point. You can see that these lower systems

are not encouraged to embody love in their earthly operations as this would result in their demise as they presently exist.

The other belief systems that do embody and encourage the expression of love will grow and progress in spirit and will influence earthly systems in a positive sense **within their accepted context**. So you can see that there is a limit to the progress that can be made and this is controlled by belief. You can also see that there are strong attractive forces of control that will apply to many of the spirits involved in these systems or paths. They are now in the position where they can control many adherents in the Spirit World and also on Earth. Spiritual growth occurs in these systems and spirits progress upwards through the spheres progressing in Natural Love. However, when you think about this you will realise that these systems are essentially inward looking and justify themselves from within themselves and their beliefs. There are many egos that feast on such a system. They are self-limiting.

The Earth is seen as a school in which we are all able to develop ourselves in many if not most systems of belief where there is a belief in some purpose for life. In the lower 6 spheres the Earth is still seen as the schoolroom into which spirits **must** repeatedly enter in order to progress. It is taught that reincarnation is the way to do this so that souls will cycle and recycle repeatedly dealing with the 'karmic' issues they have accumulated in previous incarnations. This means that spirits on the Natural Love Path look to the Earth as the source of their salvation and they feel they need it and cling to it. This is despite the fact that they are progressing and growing without reincarnating. They do connect with carnate beings and associate with them in their earthly experiences. They are able to communicate accounts of their experiences to these souls many of whom will identify with this as a previous life of theirs. Now the spirit who is telling the story, so to speak, may not even be relating their own experience but may be telling of another's life or may be inventing it as they go along. This may be done with the earnest intent of encouraging the earthling to deal with their 'karma' for them. It may also be done with the intent of playing with the earthling or with the intent of helping him/her.

I have never met a spirit who can tell of many lifetimes despite the fact that many carnate people can and do relate very clear accounts of their many lifetimes. There is a great discrepancy here.

Within this belief, life is seen to be cyclic with everything having a beginning and an ending and with these exits and entrances as being linked. This process may be seen as an ascending spiral or simply a circle both of which contain many repetitions in order to grow and progress. What is the way out of this? What is the ultimate aim? It is said that one will eventually reach a pinnacle which has many names such as Nirvana. Infinity is spoken of with connection to this but there is, in truth, no infinity in this group of systems. By its very nature the Natural Love Path, in all of its forms, is a closed system.

Now my saying this is a way to spark many arguments and great discord with many fiercely defending their own particular belief system which is taught here on Earth and heavily reinforced by advanced souls in the Spirit World. Such defence is understandable given the powerful nature of the educative process that engenders it and perpetuates it.

The nature of these processes leads to the establishment of many enclaves which are largely closed to non-believers. This leads to the fragmentation of the Family into many ghettos all of which may espouse love to some degree but usually with many conditions. Within these enclaves the dwellers usually experience a great degree of happiness and do live in wonderful conditions which are far beyond anything found on

Earth and which serve as evidence of their great development and their advanced spirituality. Now, please be aware that I am endeavouring to describe these conditions but I do not in any way deride them. All of the dwellers in these spheres are totally loved by Our Father and are totally free to continue as they choose.

My saying the above may clarify a previous statement I made regarding the Celestial Spirits being like fringe dwellers in the Spirit World. As yet we are in the minority of spirits here and the majority is living in what virtually amount to walled cities. I don't mean to imply that outsiders are repelled by force as this is not at all the case. I am saying that walls more often control those inside rather than those outside. Our appearance is different and most closed systems discourage contact with those who are different and might lead one astray. So you can see that there are strong elements of fear encouraged in order to maintain the 'purity' of the 'family'. Despite many such groups preaching oneness with all this is not always born out in the operation of the system. The missionary operations that have functioned on Earth for two thousand years preach salvation but the salvation comes only when you join the missionaries' belief system. The divisiveness of this is apparent.

I realise as I write the above sentence that you could interpret our activities in telling of Divine Love as falling into this category! We do not commence from a sense of division as we recognise the Family as all one whatever one believes and recognise the freedom any one has to maintain this. If you agree with what is offered you are welcome and if you do not you are not rejected by God or by us. There is speech of the Gates of Heaven being closed to those who don't accept Divine Love. Those left outside will not suffer but will continue in their existence as they are now. This is my knowledge of this subject. I do not know when this might occur.

The adherents of a system who feel that this system works for them have little reason to seek elsewhere for something more. They can be content with a circumscribed life because the limits of circumscription are usually so wide that they rarely bump into them in any uncomfortable sense. However, even within these essentially closed systems, there are those who feel that there is something more than what they have and are then prepared to look outside. This is precisely what happens on Earth and what most of you who read this are doing. Your life is not necessarily bad or very uncomfortable but you sense or know that there is something more.

It is here that the gift of Divine Love enters the picture. This great gift that was given to man 2000 years ago is what can end this circle or spiral that has entrapped mankind for aeons. The gift was offered at what may be regarded as the inception of man's life on Earth and was declined. This is written in the histories that are held in the Spirit World. Even though mankind throughout the ages has looked to or searched for God there has not before the gift was given the ability to move beyond the limits of Earth even into the known limits of the Spirit World.

The Earth and all that it provides for humanity and all that exists on Earth is wonderful but there is so much more than that in Creation. All of Creation is the gift of Our Father and he offers it to all of us. We perceive this so clearly when we enter the Celestial Realms when the limits of the Earth system become apparent as we begin to glimpse the true extent of Creation.

Can you begin to gain a greater sense of the value of this gift? This gift when received takes man into the infinity of Our Father and enables us to become At One with God. This happens without the need for

closed enclaves or rigid belief systems with the development of strong chains of command that are enforced at all levels.

In the Celestial Realms there are no chains of command and no control systems. As we are moving in harmony with Our Father and all His Laws there is no need for any such systems. This is true freedom as opposed to the facsimile of freedom that exists in the lower spheres.

This is why we are so fervent in telling you and others of the gift and its greatness. We don't gain power or adherents. We increase the coming together of our family. The time of fragmentation is past. We don't seek acolytes or followers. We seek Family to join in all of this without limit.

Well we have written quite a lot and have only given an outline of this. However, if you look beyond the apparent complexity of the issue you will realise that there is simplicity. The complexity arises from the endless repetition of the same thing cloaked in different guises all of which obscure the true road to Our Father. Does the source of Truth lie on Earth or beyond? Does Truth come with constraints? What is claimed to be security is presented in many guises and fails the tests of Truth.

Break now dear brother James. We give you our love and blessings and are always with you.

Your brother Richard – from the Celestial Realms

Immortality with the Love.

**Feeling
Healing with
Divine Love is
the key!**

By living true to ourselves, true to our feelings, we are living true to God. It's that simple.

Then along comes the Truth! And the existence of the Immortality of the Divine Love that I speak of and suddenly the closed and isolated belief system of reincarnation may face opposition and one can change for such is the nature of time and choice. Many spirits who have held their belief that they will reincarnate change instantly when the reality of the Divine Love is visibly palpable and that they see the truth and example of individuals such as I teach them about the Immortality of the Divine Love and the progressive system for change that has been provided for by God since the first beginning of man.

The Ear of Error

message: 112

26 October 2013

The Immortality of Divine Love is a truth that defines all that it is to live a life *eternal* with the Father. I (Bartholomew) know that men and women may find the teaching of the Immortality of Divine Love hard to grasp when every human knows that their finite human life will end. For us here in the spirit world who have passed through the veil of our life, we can see with absolute clarity that life continues on and so there be reason why Immortality has a true place in our finite lives. I will never die again for I will never live a human life again. I have the immortality that the Father's Divine Love provides in my soul and I know what the essence of what the teaching of Immortality truly means because I am living it.

To those of us in the Celestial Heaven, Immortality is an accepted way of living, a gift provided to us by the Father and bestowed into our individual soul and in this living Spirit of Truth we acknowledge our finite place in the Eternal Days of our living with the Universal life of the Father.

It is a remarkable journey when one considers the life of a mortal soul and how it is formed and then separates so the complete soul becomes two separate complete attributes (soulmates). Each man and woman has an attribute of soul and this attribute is in its original condition of the natural love and can only become Immortal when it partakes of the Divine Love. Never again in all of God's eternal time will these two attributes of soul fuse together to form a whole complete soul again. The identity of each human life always remains true to that identity, and never shall personalities of two individuals merge to become a singular personality on Earth or in the spirit world.

There are no Spirit Laws caused into existence by God that work to fuse together two single attributes of soul. I know this for I am living with the Immortal nature of Divine Love as many spirits do, and I have visited all the Spheres where mortals reside and never has there ever been a fusing together of two separate individuals (soulmates) to become a single mortal in the spirit world.

The Father has placed a boundary around the incarnated soul and this boundary is the spirit body. Every single human has the attribute of soul and the attribute of their own unique and specific spirit body that contains each unique individual personality. Upon death of the physical body the personality and soul survive death by the existence of the spirit body and it is in the spirit body that the attribute of soul and personality transition into the First Sphere of the Natural spirit world to take up life and residency in the spirit world, and never to return for another human life again. It is impossible for a spirit to have another human life because the spirit body exists. A spirit cannot manipulate their spirit body to enable a divestment of soul and personality from their spirit body so that that personality and soul could incarnate back into a human life. Also, the existence of the spirit body provides the boundary so that individual souls will never fuse together. People can create all kinds of fantasy of how the soul is in its existence in the spirit world, and who they have been or what they have seen. But the truth of it is that no man or woman in history has ever had the power to create the Spirit Laws to bring such universal realities that are

consistent for one and all into existence. Only God is supreme, the supreme originator of the Spirit Laws that govern and determine the structure for Celestial living in the Divine Love and the Immortality that this Love provides for each unique individual.

Lastly, I would like to say that in the Immortality of Divine Love that I and other spirits and people live with, it is absolutely ludicrous once one understands the true meaning of this Immortality and the condition that it brings to the individual soul, to think that a Celestial spirit could ever reincarnate and commence another human life. This kind of thinking is completely and utterly flawed and there is absolutely no truth to the statement that a Celestial spirit who has embraced their Immortal nature could ever fuse with another soul and to reincarnate back into a human life and to form yet another spirit body. My words may sound harsh to the ear of error but let it be said again that to teach an untruth is an error and causes compensation so one need be aware of the Father's workings before one imposes their conditions of falsity to embellish themselves and to manipulate people into believing an untruth.

The Spirit Body, Soul and Personality messages 113

27 October 2013

I (Bartholomew) would like to take this time to stipulate the significance of the spirit body and the role it plays as the container of the incarnated soul and forming personality. There are many Spirit Laws that perform their specific function when a human being is created. The existing Spirit Laws act to exact with precision, the virgin soul from the Pre-Incarnation Sphere where all created souls reside waiting their incarnation.

In God's harmony and cause, a soul incarnates and the spirit body is formed to encase the soul so that the forming personality has the true and correct environment to begin developing in. When the human body falls away upon death, the spirit body remains the body that the soul and personality continue their existence in, in the spirit world. The spirit body is the only environment that can support and sustain human mortal life in the spirit world. It is impossible to separate the attribute of soul, the attribute of personality from the attribute of the spirit body in the spirit world.

The spirit body has its attributes such as the attribute the spirit-mind and memory. A spirit in the spirit world has living memory and these memories help form the construct and condition of their human life and now spirit life. It is impossible for the spirit body to divest itself of the soul and personality and the attribute of memory and spirit-mind so that the attribute of soul free to reincarnate back into the beginning of another human life and to acquire another spirit body that will fit it for the spirit world. The spirit world is not full of discarded spirit body husks that floating around like a skin or shell remnants of a metamorphism.

I know the know the emphasis of most things to do with the natural and the Divine Love is emphasising the soul, but what one needs to realise is that the spirit body and the personality are equally pertinent as aspects of the whole for each attribute forms the individual. In everyday human life all human experience is equated with the physical body in all environments and relationships that living on the planet Earth provides. In the spirit world all experience derived is related with the spirit body in all environments that the mortal spirit world provides. This body of work introduces the truth about living Celestial soul condition and one's condition of soul will be directly reflected in the condition that the spirit body reflects. Until one is with the awareness of the Immortality of the Divine Love in their soul, the soul as an attribute is difficult to define and if one does not understand the function and identity, then people can contrive all

kinds of fiction as to the evolution of the soul and the purpose of why man was made. I understand the belief in reincarnation for I have listened to all the explanations as to why people believe in this belief and some will tell you that they will reincarnate from the spirit world until they are blue in the face! The idea of progression and to matter or to mean something in the great universal wonder of life may reveal to us a little on why a belief of reincarnation first emerged in the human fabric of social living.

As I have said, only the individual can change their belief and this is a truth about any human belief but I must say that I have seen many astonishing looks on the face of one who enters the spirit world from their human life when such beliefs are confronted by the overwhelming realities that one awakens to when their spirit life begins. Lastly, God has provided the perfect means and system for progression. The soul can begin receiving Divine Love and when one is accepting of this Truth, the singular truth about why reincarnation doesn't exist is because the Divine Love and Its Immortality do exist.

The Earth plane is but one plane of existence.

Spirit: Aman Medium: Al Fike Location: Gibsons, BC

October 26, 2015

I greet you as your father because I am the first parent, I am Aman and I have not spoken through this instrument before, but I am happy to do so this night. And, I have come to give a message to the dear daughter who sits before me who has a belief in the process of reincarnation. And as being the first parent who has lived for many thousands of years in spirit and have spawned the many generations upon generations that followed our beginnings in this world, I wish to tell you that I have never observed a spirit returning to this Earth in the flesh. And, though I do not know all of my children, for there are many billions of them who have followed in our footsteps, yet I have been witness to many, many spirits and mortals who have lived and been given the blessing of life.

The Earth plane is but one plane of existence. Its function, primarily, is to give a soul identity for there is a pre-existence of souls. But, it is necessary for that soul to incarnate into the flesh to bring about a flowering and manifestation of its true self in life, in existence in this universe. And, when this is accomplished and it may be accomplished in a very short life or a very long life, it continues to grow in spirit through the many planes of existence which provide many and varied opportunities of experience and growth, of development so that each soul may express its own uniqueness, its own personality if you will.

And, in the long journey of life which is far and beyond your ability to recognize, to comprehend, you must see that there are many, many experiences, and interactions, and opportunities that are laid before each soul upon their journey. And, when one soul sheds their body of flesh, is this such a great difference in existence? No, my beloveds, it is merely a transition. And, in the lower planes of spirit those spirits who exist there experience something very close to your own fleshy existence. There is very little to discern between the two. And, as they grow in their souls and purify their spirits, their minds and their souls, the quality of life, the laws which determine life in these spheres, come into play and it becomes a more ethereal existence, less bound to the conditions of the world and more in harmony with the conditions of Light, closer to God, closer to harmony.

And, for those who follow this path of Love, of which I am a part of as is my dear and beloved soulmate, Amon, there are even greater opportunities for enlightenment and growth and experience in coming ever closer to the Creator. It is all about Love, my beloveds, this is the key to all, for the universe is infused and built upon Love. It is what you seek, it is the greatest power of all and the Divine Love is the highest and greatest blessing of all.

As your father, I encourage you to seek this Love, to come into the fold of the family of God's angels of Love, to work your way towards this goal, to come to know your true selves which is your soul, to find the joy in this heavenly pursuit, and to know that never more will you dwell in the flesh once you walk upon this Path Divine and pass into that realm of spirit which will allow you to then pass into the realm of the angels, in time, as you progress along your Path.

Beloved children, know that I speak the truth, that there is no need to be distracted by a desire to come again to this Earth after a life lived. Its purpose is fulfilled in one life. And, there are many more lives to live in spirit as you pass from one plane to another. One set of realities to another and on it goes until you reach the Celestial Kingdom where life is eternal, my beloveds, eternal. Never ending joy and discovery

and knowing God's great universe, which is infinite and awesome in its beauty, in its complexity, in its glory. Yes, you embark upon a journey, and you will continue for all eternity. I am your father, Aman and I love you, God bless you.

ASSISTED COMMUNICATION with OTHER PHYSICAL PEOPLE:

Through one's soul, one communicates to one's indwelling spirit, who, in turn, is assisted by your angels to connect with the angels associated with the person who you desire to communicate with.

How one works with people carrying out conversations unbeknownst to them, is rather easy from a technical point of view. One's angels speak to the angels of the person involved, conveying what he/she wants to say. Their angels (or the angel active in the experience) 'commune' with the person's Indwelling Spirit, who then creates the reply with all the required information giving it to that person's angels, then those angels relay it back to you, the inquirer, angels who relay it to your Indwelling Spirit who inspires your mind to see and hear what is being 'said' or 'thought' or 'felt' by that person.

This is very unusual and is only permitted in very extenuating circumstances.

**YOU ARE A SPIRIT,
YOU HAVE A SOUL,
AND YOU LIVE IN A BODY.**

Around the age of 6, a segment of our Heavenly Parents' essence connects with our soul. This is our personalised Indwelling Spirit. Through our soul, one can communicate with and receive information from one's Indwelling Spirit. Should we proceed to engage in our Feeling Healing and also embrace our Mother and Father's Divine Love, then on completion of our healing, the Indwelling Spirit will fuse with our soul permanently. This event occurs upon the progression from the 7th Mansion World (Divine Love Healing World) equivalent to the 1st of the Celestial Heavens. The fusion with one's Indwelling Spirit results in a continuous connection with our Heavenly Parents.

Your soul enlivens your spirit body which, in turn, is the template for your physical body. Your soul is assisted and aided by your Indwelling Spirit as well as by your Angels who are soulmate pair.

KNOWLEDGE downloading from your source, the SOUL

The real you is your soul.

SOUL  SPIRIT BODY  PHYSICAL BODY
PERSONALITY

The flow of knowledge and sensory capabilities from the soul to the spirit body is constricted by the soul's condition and further restricted by the limited, though great, capabilities of the spirit body. This flow on to the physical body from the spirit body is further constricted by the physical bodies greater limitations.

Physical Body	↑	we first generally develop our physical senses.
Spirit Body	↑	mind / brain development starts.
Soul	↑	soul development is typically ignored on the planet.

Soulmate development is soul to soul. Once we open up our soul, we cease to depend upon our bodies, and connect soul to soul. Connecting to the soul can be achieved through kinesiology muscle testing.

Whilst we are receiving our Heavenly Parents' Divine Love, and that this Love is causing change within our soul and spirit attributes, the greatest Truth known to man and spirit is that this is the way our Mother and Father are actually loving us! When we progress, it is God's way of loving us into love and then we live what we are, love.

Golden Rule: that one must always honour another's will as one honours one's own.

SOUL  SPIRIT BODY  PHYSICAL BODY
PERSONALITY

Our memory and intelligence are housed within our soul, our mind is housed within our spirit body, and our brain is within our physical body. Our soul animates the spirit body which in turn animates the physical body. It is the disconnection of the silver cord between the spirit body and the physical body that results in the death of the physical body. The spirit body, which looks much like the physical body, goes on living. Emotional injuries become blocked within our soul, such injuries are reflected through the spirit body and then into the physical body as illnesses.

SUPER SENSORY SENSES

The real you is your soul.

Spirit people cannot see the soul until they progress to the 8th sphere. Spirits tend to believe that their spirit body is the soul, that is not so.

SOUL  SPIRIT BODY  PHYSICAL BODY
PERSONALITY

The super sensory senses are within the soul:

- Soul has many, many senses.
- Spirit body has much higher senses and capabilities than the physical body.
- Body has five sensing tools – sight, smell, touch, hearing, and taste.

When the soul receives Divine Love, even the super sensory senses continue to grow.

Physical Body	↑	we first generally develop our physical senses.
Spirit Body	↑	mind / brain development starts.
Soul	↑	soul development is typically ignored on the planet.

Soulmate development is soul to soul.

Once we open our soul, we cease to depend upon our bodies, and connect soul to soul.

The physical body's capabilities, with its five senses, pales into insignificance when compared to the capabilities of one's spirit body, with its thirteen senses, which include the physical body's five senses, however they are greatly enhanced.

Your soul animates your spirit body, which can be compared to Superman's capabilities. Now consider how much further your soul is restricted when it is animating the physical body.

When the physical body is viewed as an entity that is cocooned within a cumbersome restrictive suit and then compared to the capabilities of Superman, then we are starting to compare the capabilities of your physical body with that of your spirit body. Your spirit body, once it leaves your physical body, can travel to the other side of earth quicker than you can read this sentence! You can travel so fast that you can see the end beams of light.

Now, try and imagine the capabilities of your soul which animates your spirit body, and in turn animates your physical body. Your soul has thousands of senses and ever increasing capabilities as it grows and grows in love.

Your soul is your real self, the home of your personality being your intelligence, your emotions, memories, awareness, passions, desires, creativity, intentions, aspirations, free will, etc. As you grow in love, all these aspects of you grow and expand naturally.

Our journey starts by being individualised. Your soul starts its journey of discovery and growth by being incarnated into the physical body which already has the spirit body attached to the newly created embryo. The individualisation process is completed once the soul connects to the embryo being the two bodies, the physical and the spirit body. Upon the soul becoming individualised, the need for the physical body is no longer required. There never becomes another time whereby we need to return to dwell within another physical body. Subsequently, on our journey of development in love we reach a point in our growth whereby we no longer even need the spirit body.

Our soul continues to grow in love and beauty on its journey home towards our Creator.

You could liken the capabilities of the physical body with its five senses to that of a golf buggy.

The spirit body with its enhanced thirteen senses, which include the physical body's five senses with greater capabilities, to that of a space shuttle. Sight of the spirit body is 360°, the speed it can travel is far greater than that of light, its communication is mainly by feeling, etc.

However, the soul has many, many senses and capabilities far beyond our comprehension, and where it can grow in love and truth is that which only God knows. Your soul is the real you.

The FIRST NATURAL LOVE SPHERE:

- a. **Blankets Earth.**
- b. **The first Sphere is like this surrounding the orbit of Earth around the Sun.**
- c. **The first natural love sphere is massive. Should all the souls that have been individualised and are yet to be individualised (incarnated) remain within the 1st natural love sphere, then there is more than sufficient capabilities for them to be accommodated.**

Celestial Truth:

Truly all-loving;
 Living true to oneself;
 Mind supporting Feelings;
 Living with the Divine Love;

Fully Healed of the Rebellion and Default.

**THE FEELING WAY**

Feeling – Ascendance
 Unlimited progression

- Living true to your untruth;
- Honouring all your bad feelings;
- Expressing feelings to uncover their truth;
- Healing the Rebellion and Default within yourself;
- Feeling unloved; being unloving;
- Feeling as bad as you can feel;
- Feeling like you are no one special;
- Longing for the Divine Love.

The CHOICE is OURS to MAKE:**THE MIND WAY**

Mind – Transcendence
 Limited progression

- Enlightenment, Nirvana, feeling all-loving;
- All false, mind-contrived. Anti-truth, anti-love;
- Still evolving the Rebellion and Default within yourself;
- Feeling and believing you are the Superior One;
- Living with your mind in control of your feelings;
- Living rejecting all your bad feelings;
- Living with your mind contriving you feel loved;
- Rejecting the Divine Love.

All religions, New Age, agnostic,
 atheists, no spiritual interest,
 Living the Rebellion and Default.

Hell:
 Exploiting the Rebellion and Default.

The Feelings are the doer; the Mind the teller. So we are to go with our feelings, which we can't be told to do with our mind. So the longing for the Divine Love, doing our Healing by expressing our feelings and longing for their truth, are all feelings and doing it with longing. Whereas the mind just wants to tell us what to do and how to be, no feelings in it, all how our parents have treated us.

Our FEELINGS are our SUPREME GUIDES:

Feelings!

Feelings are what guide us through our ascension of truth. So they are really our Supreme Guides. Many people look for a person, spirit, angel, even God, for supreme guidance, however it's all right there already built in – in our feelings. We just have to submit to them, allowing them to take us where they will, expressing all the parts we want to express, letting the emotion drive that expression if it's there to be expressed, or just talking about all we feel and how feeling that feeling is making us feel – or, how we feel about having that feeling, all whilst longing for the truth of our feelings. Longing for the truth of our feelings is really: Longing for the truth of our self, because: we are our feelings. So life stirs up our feelings, we feel being alive; or, being alive means we are feeling, always feeling; and when we work out what and why we are feeling what we are, so then we know the truth of how we are. And over time the truth accumulates, and our mind expands our understanding of ourselves, all being driven from our feelings. Kevin 26 Sep 2017

Using our feelings to uncover the whole truth of our negative or anti truth and anti love state.

Kevin: So whilst we're of an untrue state, then all we have got to help us understand why we feel bad, why we are wrong, why we are negative and anti love and truth, is our feelings. So if we focus on our bad feelings, they will lead us to the truth of why we're feeling bad. Which will be the truth of what happened to us to make us be this wrong way, and how we took on the wrong way and keep it going making us feel bad.

FEELING HEALING

Note: The vital difference between emotion and feeling is that emotions have their roots in the past, and feelings relate to the present moment. Emotions represent our feelings which were not previously expressed, and these accumulate with time.

Note: Our feelings are soul-based. Our soul is always in truth. It is our soul based feelings, that when allowed to be freely recognised, we will begin to express and be who we are. This takes time and perseverance as we have encrusted our souls with layers upon layers of errors and false beliefs, it is these layers that will confuse the truth that our soul is conveying to us. Only by our progression with our Feeling Healing will our soul's expression of truth become clear and free of all cloudiness and contamination.

“What our soul needs in accordance with our own, individual, **Soul-Light-Plan-Of-Destiny** (your life's true destiny plan), They, being our Mother and Father, will give you as required. The only way we can know truly what we need is to honour and follow our true feelings. They, springing from our soul, literally telling us what we need, and so when we genuinely feel we need something, we apply our will to get it. The hard part is knowing if our feelings are true, and until we have done our whole soul-healing, they won't be clear and total true.” James – Introduction Course to Divine Love Spirituality

FEELING HEALING + SOUL HEALING

To heal one's self is to simply look to see what feelings we are refusing to let ourself feel, and accept them instead of denying them. And to fully accept them, one needs to express them, speak about them, let them have their say, rather than pushing them aside, refusing to let them make you feel bad.

Doing this all with the intention of seeking the truth of why you are feeling them, of speaking about and expressing all such feelings; all feelings you have, but ALL WITH the INTENTION of UNCOVERING the TRUTH THEY WANT YOU TO SEE ABOUT YOURSELF. And it's the wanting to see the truth of them that is very important, because if you just look to accept them and speak and express them, but not seek their truth, then that's all you'll be doing, speaking and expressing them, but not healing their causes, so not fixing the things within you that are making you feel bad. And it's the truth part of it, seeking the truth of your feelings, and so, seeking the truth through your feelings, that's vitally important. It's the truth of yourself, life, nature and God, that is the spiritual aspect to it all.

You CAN'T find the truth of yourself, or anything else, through and with only your mind. You HAVE to engage and look to your feelings. And so if you choose to allow your feelings to 'Show You the Way', then the truth will come as you express them. So to do our Soul-Healing consists of these steps, all of which are ongoing until it's done:

- **Admit you are feeling bad.**
- **Accept your bad feelings, identify what they are.**
- **Honour fully your bad feelings by expressing them, speaking about them to someone who is willing to hear you talk about them, or tell them out loud to our Heavenly Parents. Long for the truth of them. Long for the truth of why you feel bad – what deep within you is causing your bad feelings?**
- **And remember, bad feelings are Good! Not bad. They are not to be despised. And as hard as it is to accept them, they are still you, and a very real part of you. And if you persist in denying them and not allowing yourself to fully live them, then you are only going to keep yourself in your errors making things harder for yourself.**
- **All sickness and suffering, all bad things that happen to you, all your problems, all your addictions – your whole feeling-denying and untrue life, is all caused by your denial of bad feelings.**
- **Every problem in the world is brought about because everyone has been brought up to deny feelings, and in particular, most of their bad ones.**

If one is intent on spiritually evolving and growing in truth, then it's vital, and this is the key, that one looks to use one's feelings as the means to gain and have access to the truth of oneself. You CAN'T find the truth of yourself or anything else through and with only your mind. You HAVE to engage and look to your feelings. And so if you choose to allow your feelings to 'Show You the Way', then the truth will come as you express them.

Doing your Soul-Healing with the Divine Love, is really doing your 'Feeling-Healing'. We are designed — created — to be self-revealing of truth, and so we are all to uncover the truth within ourselves and for ourselves, and all being done by living true to our feelings. **If you accept, express and seek the truth of your feelings, then truth will come to you, and you'll grow spiritually. It's as easy as that. Also it is as easy as it is to long for, ask for and receive Divine Love.**

THE HEALING OF YOUR BAD FEELINGS THROUGH THEIR ACCEPTANCE AND FINDING THE TRUTH OF THEM, IS THE ACCEPTANCE OF YOUR NEGATIVE, REBELLIOUS, EVIL, IMPERFECT MIND AND WILL CONDITION.

To do our feeling-healing we need to become:

Aware of – Acknowledge – and Admit, our bad feelings.

So we can:

Accept – them and allow ourselves to Be them.

And then if we feel to, take:

Action – Express, speak and emote them.

Talk about them.

All being done whilst longing to, really wanting to, see the TRUTH of our feelings.

So it sounds simple.

So I repeat:

We accept our bad feelings by expressing – speaking about them to someone willing to listen to us and take us seriously. And as we speak we long for the truth of them – why we are feeling them – to be made known to us. And when we uncover and see the truth we are FREE! – healed of the causes that have made us feel bad.

Accept, Express – see the Truth, and you're Free!

ACCEPTANCE OF ALL YOU FEEL, THINK AND ARE, IS THE KEY TO DOING YOUR HEALING; THAT, AND WANTING TO SEE THE TRUTH OF ALL YOU FEEL, THINK AND ARE.

Release one's pain through expressing one's feelings.

Longing for the Truth when also longing for Divine Love.

The New Way, Feelings First Spirituality
Learn to live with God through your Feelings

Accept, express and long for the truth of your feelings

Be free in your feelings
Free your feelings from your mind's control
Live true to your feelings; your feelings are your true self
Live true to yourself through your feelings

Live true to yourself by living true to your feelings.
Long for the truth of your feelings.

Accept / Express / Bring out ALL of your good, and most importantly,
BAD feelings.
Want to understand why you're feeling them.
Use your surface feelings to take you deeper into your repressed and
hidden feelings.

The Feeling Way is the True Way.
Your feelings are your spiritual guide.
Your feelings will take you to God.

Your feelings will show you the truth of your relationships, including your relationship with God; and if anything is wrong, untrue and unloving, then why it is.

Our feelings are sacrosanct and we should respect them accordingly. And we should NEVER block them out, ignore, override, banish, deny or reject them, because if we do, we're only doing that to ourselves, as Our Feelings Are Our Self.

Our feelings are the gateway to our soul. Our feelings are the closest we can get to our soul. Knowing the truth of our feelings is knowing the truth of our soul, and knowing the truth of God.

Feelings First Spirituality is the True path for humanity.
It embraces all people.
It completely unifies the world.
Everyone can relate to everyone else through their feelings.
And we can all live the truth that comes from our feelings, all sharing the same truths as we express and have the same feelings.
No one need be left out; no one is more special than anyone else – we are all united in Truth through our feelings.
So with and through our truth we live our lives, therefore without the need of any man-made mind-laws, rules and restrictions that limit self-expression as inspired by our feelings.

The New Way, Feelings First Spirituality is what is to replace all man-made, mind-contrived religions that so many people have enslaved themselves to. The New Way, Feelings First Spirituality will set us free of all that control, ending the Rebellion and Default within ourselves as we do our Feeling-Healing, and ending such control and spiritual stagnation in the world.

Bring on the End Times – get it over and done with! Let's all see that Jesus is not going to come again, that Prophecy has failed all the mind-controlled platforms. Allow such false systems of belief to die their long-awaited natural death, they've overstayed their welcome, it's now time they fade away. So let us show such antiquated, erroneous systems of belief the exit and bring on the fresh liberation of discovering the truth of how we are to live for ourselves, each of us personally in our lives, and all by looking to our own feelings for it. Self-revelation through our feelings is the way to go.

The Way of the Mind is ending, and is really the End Times – the End of our mind control, and **it's about time!** With the Way of our Feelings replacing it.

The End Times means the end and therefore a New Beginning. And that new beginning is a whole new Spiritual Age – an age based on self-revelation of truth through one's feelings, coupled with and supported by higher revelations from the Celestial spirits, angels and nature spirits.

The Feelings First Spirituality is the True Way to God because it helps you get to know God, helping you to reach out, connect and be personal with God, and do God's Will, all through your feelings. It is the only true way of getting to know the God of Feelings – our beloved Heavenly Mother and Father, the Great Soul of Divine Love.

Love comes through our feelings and not our mind, as we've all been wrongly led to believe.

Feelings First; then comes The Truth; then comes Love.

REVELATIONS

Revelation 1: Our soul becomes encrusted with harmful ways of life, plus negative and erroneous beliefs, these mainly stem from our childhood upbringing and environment. Thus we live untrue to ourselves, we become 'evil'. Whilst we hold to these injuries we limit the amount of Love that we can receive into our soul. To open our soul to the Love we must firstly and progressively feel into our emotional injuries and allow them to be released. Until we emotionally experience past errors and injuries we hold onto them.

To free our soul of damage and toxic emotions we must open ourselves to experiencing them. This is a progressive, slow and uncomfortable cleansing process that we must all experience. Only by addressing the generational injuries will we, as humanity, evolve in love.

To fully divest one's self of our badness, we have to 'go into' our feelings. Call this process of clearing toxic emotions as 'Letting Go', 'Emotional Processing', 'Journey Process' or 'Feeling Healing'. Embracing Divine Love then Feeling Healing becomes Soul Healing.

As part of our Feeling-Healing we will have to work our way into all our feelings to see if indeed they are coming truly from our heart and soul, or if they are being heavily influenced by our mind. And this will then lead us into questioning and uncovering the truth, if there is any, to our beliefs and why we behave the way we do; and is such behaviour based on truth, or is it based once again on untruth, belief, and rules of our mind.

Revelation 2: We can long for, ask for and receive the Mother and Father's Divine Love. The greater our soul is free of error and injury, the more of the Divine Love can be received and assimilated into our natural love formed soul. The Love does not free us of injury, however, it strengthens our resolve to continue on our journey to be free of error and injury, to step away from evil aspects that have been encapsulated within our humanness and soul. It is this Love, the Divine Love, that brings about immortality of our soul and it is this Love that will eventually fit us to enter the Celestial Heavens and progress for ever more onwards to Paradise. These two revelations free us from error and enable us to grow in love ever more.

Immortality with the Love.

JOURNEY HOME to OUR HEAVENLY PARENTS:

As we learn to grow in love and love our Mother and Father, we will progressively move through the super-universe, into the eternal spheres and then to the Isle of Paradise, our destination is to be near our Parents.

Asking for and receiving Divine Love enables us to enter and progress from the Divine Love spirit world (orange) then to the Celestial Heavens (red) then to Eternal Spheres (ruby) then Infinite & Universal (blue) then to Isles of Paradise (purple) then to the Super Grand Sphere being our ultimate home.

Pre-incarnational sphere is close to Earth as is the 1st natural love sphere.

Note: The 1st Divine Love Sphere and the 1st Sphere of Disharmony may simply be planes within the 1st Natural Love Spirit World.

OUR JOURNEY: From Earth's spirit spheres, to the Celestial Heavens, then to the Eternal Spheres, and then home to the Isle of Paradise.

Spirit spheres 1 – 7 (Mansion Worlds) may be within Earth's solar system, each sphere connecting to the next, including the 2 dark spheres being planes of Earth. The 3 Celestial Heaven spheres maybe close to Jerusalem and isolated for us humans.

Eternal Spheres, 3 progressive spheres, and the Infinite and Universal Spheres interact through out the super universe.

Spheres of Paradise also contain 3 major progression spheres and these are located within the region that circulates around the Super Grand Sphere.

From the 3 progression spheres within the Isle of Paradise, then to the Super Grand Sphere that surrounds the Mother and Father's Sphere and Soul of our Parents. At this point we have arrived Home!

OUR JOURNEY to the CENTRE: HEAVENLY PARENTS are UNIVERSALLY PRESENT:
 Earth is one of the youngest inhabited planets on the outer edge of the youngest of the seven super-universes. From the spirit worlds, we progress to the spheres of many mansions, being the Celestial Heavens nearer to the centre of our super-universe. From there we progress to the Eternal spheres which circulate around the Isle of Paradise. The Isle of Paradise remains stationery and is the home of the Source Soul, our Heavenly Parents, Mother and Father.

Our progression is always towards the centre – inward and upward.

Earth is blanketed by the 1st natural love sphere, the spirit world spheres are within the proximity of our solar system. From the spirit spheres we progress to the Celestial Heavens.

WE ALL ARE BEING GUIDED HOME:

We need the Spirits of Truth of the Avonal Pair to Heal ourselves; then once Healed, (and for support (overshadowing) as well through your Healing), we need the Creator Pair, Mary Magdalene and Jesus' Spirits of Truth to see us through the Celestial spheres, while at all times embracing our Heavenly Mother and Father.

Until Mary and Jesus died and liberated their Spirits of Truth, no one from any of the worlds could leave Nebadon, because no one knew the way to do so. Nebadon is our local universe containing some 3.8 million inhabited physical worlds and their associated spirit worlds.

When we embrace the truths Mary and Jesus are revealing, and start to do our Feeling Healing, or with Divine Love, Soul Healing, we are then freeing ourselves up from our parental and self control.

Thus our journey to Paradise, to the home of our Heavenly Parents, is of our choosing as to when we progress, however, there is only one way:

HUM: Humanity is to ascend. We are self contained. Our soul is always in truth and perfect at all times. **By living true to ourself, true to our feelings, we are living true to God. It's that simple.**

We are to recognise that being engaged and dominated by our mind is the wrong way for us to evolve and grow in truth. We are to discard the mind enslavement that has been imposed upon us by all of our parents. We are to express our feelings, both good and bad and free ourselves of the indoctrination that humanity has embraced worldwide.

Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God's soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of our Mother and Father.

AVO: We are to embrace the truths and guidance of the Avonal Pair through their Spirits of Truth. It is the Avonal Pair's guidance that will lead us through our Feeling Healing, and with Divine Love, we will be able to ascend through the 7 spirit Mansion Worlds and enter the Celestial Heavens where we also interact with other world's spirits.

J&M: We are also to embrace the truths and guidance of the Paradise Pair, Mary and Jesus, who will then lead us through the 3 Celestial Heavens that are aligned with Earth, and then further on through Nebadon where we will then depart beyond on towards Paradise.

M&F: Beyond the universal zone of Nebadon, we will be guided by our Heavenly Mother and Father onwards through the universes to Paradise where we will be welcomed by them, home for us all, as we are all Children of God.

HUM

WE ARE Children of God

WE ALL ARE BEING GUIDED HOME – NOW, HOW TO COMMENCE THE JOURNEY:

M&F

For 200,000 years, we have been misled into embracing our mind's distortion of wisdom and truth. All such traditional understandings only lead us in the wrong direction, from which we must turn back from. Our soul based feelings are always in truth. Our minds are to follow our soul based truths and feelings, not the other way round, as we have been brought up to embrace.

We are to connect with our deeper repressed feelings.
We are to long for the truth of what we are feeling.
We are to live true to our selves; by living true to our feelings.

Use your surface day-to-day feelings to connect with your deeper repressed feelings. Express your surface feelings and your deeper repressed feelings to uncover the truth of yourself.

J&M

We all have feelings which we communicate and share with each other. And we all have deeper buried and hidden repressed feelings. Feelings from our early childhood we felt, yet weren't allowed to express. These feelings are still within us, waiting to have their say. These feelings, because they are repressed, cause us all our problems.

And as we look to uncover, bring out and accept these deeper feelings, so we're taken into new ways of looking at ourselves, our feelings, and our life. We're setting ourselves free of the controlling patterns that govern our unloving behaviour.

In this way, we progressively begin to express the personality that our Heavenly Mother and Father gave us, not the one imposed upon us by our physical parents and carers. We are to be our true and real selves.

By living true to ourself, true to our feelings, we are living true to God. It's that simple.

HUM

As we, humanity, long for the truth of our feelings, we can also be assisted by the Spirits of Truth of the Avonal Pair who are our spiritual teachers for Earth over this coming 1,000 years, to assist us through the Great U-Turn, away from mind dominance to being soul based feeling lead. They will assist us through the seven levels of the spirit Mansion Worlds.

Then the Creator Pair, Jesus and Mary, will lead us through Nebadon and into the greater universe. Then our Heavenly Mother and Father lead us home to Paradise.

WE ARE Children of God

Collectively, should we embrace them all, as we are to, then our pathway home is a journey in the hands of the Spirits of Truth of the Avonal and Paradise Pairs overseen by our Heavenly Parents.

HOW TO GET TO PARADISE:

Long for the Divine Love
 Long for the Truth
 Long for the truth of your feelings
 Don't deny any feelings: accept, express and want to know the truth of them
 Know your feelings are the key; your feelings are the Way
 Want to end your falseness and being untrue
 Want to understand the truth of your early life
 Use your surface feelings to move deeper into yourself, bringing up your repressed feelings
 Want and long to know the whole truth of yourself
 Want to do it all with God, your Heavenly Mother and Father – long to Them for help.

The Key

Our longing drives our life. We long with feelings. We can wish for things using our mind, yet long for things with our heart. These things in the pyramid are what to long for. Longing for them, when the longing comes naturally. Longing because you feel you really want them. Long to be true with all your heart. Long to live true to your feelings. Long to understand the whole truth of yourself.

PARADISE TRINITY:

1. **Our MOTHER and FATHER (God)** (MF) – **Divine Love**
SOUL (God) – One SOUL that is expressing its two PERSONALITIES, our Heavenly Mother and Heavenly Father (Soulmates)
2. **ETERNAL SON** (ES) – **Divine Truth**
3. **INFINITE DAUGHTER** (ID) – **Divine Mind**

Then: The Second and Third Persons of the Paradise Trinity (ES and ID) are stepped down to the local universe trinity (Mary and Jesus, Divine Minister (DM), and her Holy Spirit.

The LOCAL UNIVERSE TRINITY:

1. **MARY M and JESUS** (MF) – **Love**
– the **Living Truth**
2. **DIVINE MINISTER** (DM) – **Mind** (and her Holy Spirit)
3. **HUMANITY – Natural love, sons and Daughters – Truth, and our Angels – Mind**

PLANETS that engage in REBELLION:

1. **AVONAL SOULMATE PAIR** – the **Feeling Healing process – incarnate**
2. **DAYNAL – TEACHER PAIRS** – they do not incarnate

So in summary:

Consider a diamond:

Mother and Father Heavenly Parents

Creator Son & Daughter
Jesus and Mary

Avonals
as soulmate pairs

Trinity Teachers
as soulmate pairs

Melchizedeks – who have taken over from the Caligastians and Daligastians being also all as soulmate pairs.

Mortal Souls – human beings who individualise on Earth, then progress through the spirit Mansion Worlds, then into the Celestial Heavens, and beyond.

Mortal Souls – also being ascending spirits, upon completing their Soul Healing, join with their soulmate, then join their soul group of 24 mortal spirits, being 12 soul pairs. It is only as a soulgroup that anyone can progress beyond Nebadon.

The Paradise Pairs are all ONLY concerned with the SPIRITUAL wellbeing and upliftment of the planets and local universe. Currently to do with Earth:

Mary and Jesus – spiritual wellbeing and upliftment of the whole of Nebadon region.

Avonal Pair – Daynal pairs (Trinity Teacher Daughters and Sons) – Spiritual wellbeing and upliftment of individual planets and their associated Mansion Worlds.

The Local universal Sons and Daughters are all about the running of the worlds under their jurisdiction, and ensuring the higher spiritual elements can be employed, or sent astray, as in our cases through the Rebellion and Default.

Lanonandeks – Melchizedeks (and others, such as Life Carriers and Eve and Adam).

As the Lanonandeks all rebelled – the Lucifers, Satans, Caligastias and Daligastias soulmate pairs – so the Melchizedeks have taken over their roles, as well as doing their own.

So the Melchizedeks are the governors, overseers, the administrators and advisors and so on for Earth; they are the ‘controllers’, and they will instigate all that needs to be done to do with the ending of the Rebellion and Default. And they will enlist the willing help of ascending mortal pairs, so the mortal Celestials spirits (soulmates when available, and others waiting to unite with their partner), and at times mortal spirits in the Divine Love Healing Mansion Worlds. And the angels help all of us.

Currently the whole of Creation exists for the ascension of mortal souls from their earth planets to Paradise. It’s all one vast Grand Ascension Scheme. With all the higher and lower spiritual Daughters and Sons, together with all the many different angels and other universal spirit personalities, and even including nature and our very own pets, assisting women and men with their Ascension Journey. It being: and Ascension of Truth. Everything we do is done to help us grow in truth. (Only everything we do in our negative state is to deny ourselves our truth from our feelings, which is why we have to do our Healing.) All women and men are ascending (or growing) in truth through their experiences. And as we grow in truth by looking to our feelings to show us that truth, so we’re ascending, moving inwards and upwards through all the worlds and spheres of the Grand Universe to one day arrive on Paradise and meet our Heavenly Parents. God is providing us, Their children, with this spiritual journey called our Ascension of Truth. And by living true to our feelings, so we are progressing on our true Spiritual Path – our Ascension Path.

CREATION of SOUL and SPIRIT:

God is *The Paradise Trinity* — the eternal Deity union of the Personalities: the Universal Mother and Father; the Eternal Son of Truth; and the Infinite Daughter Spirit of Mind.

The soul of each human personality (sons and daughters of truth) is existential, driving our personality expression in the experiential. The soul of each human finds truth by embracing one’s feelings and longing for the truth of them. We are to attain the Eternal Son of Truth. We are a creation of Truth.

The soul of angels is experiential, evolving through their experience by continually progressing in mind development. Angels are to attain the Infinite Daughter (Spirit) of Mind. Angels are a creation of Mind. Our soul is duplex (we have a soulmate) and is created by our Heavenly Parents. Through our Feeling Healing we perfect ourselves enabling the union with our soulmate, as we progress in truth up through the Mansion Worlds, celestial heavens and all the way to Paradise.

The soul of angels is also duplex, yet of the mind, and they progress in mind evolution to Paradise. Animals, plants and nature spirits are also creations of Mind.

Neither we nor animals reincarnate. We never die; upon death, we move into the spirit Mansion Worlds on our journey to Paradise. When animals and plants die, be they the tiny microbe to the mighty elephants of the land and the whales of the ocean, their spirit energy returns to the Spirit Collective Energy. And from this energy are drawn other animals and the nature spirits, who then in turn move onto becoming angels through increasing mind experience.

A nature spirit is an angel in waiting.

JOURNEY of HUMANITY into and through the GREAT U-TURN:

Humanity reaching its most evilness, the most lost, the most separation of soulmates. Humanity can begin its Healing. The Great U-Turn begins, the dawning of the Spiritual Age.

This is the Great U-Turn. We are to feel and live by our feelings and express our feelings, our mind will follow in support, not the other way around.

Feelings First, you can be sure about that! **Once women get that message and start living it, then the tide will really change**, with men either deciding to support them by looking to their own feelings or being left on the outer wondering what the fuss is all about.

The feminine light is going to sweep through humanity and purge it of all the yuk and darkness, helping to bring the whole of humanity back into a nurturing loving mother state of being, from which the supportive, caring father can support her and together they can make the world great again, they can bring humanity up into its natural love perfection whilst at the same time offer those people who want to spiritually grow the truths of how to embrace the Divine Love and move on to the Celestial level.

By living true to ourselves, true to our feelings, we are living true to God. It's that simple.

(Passage in blue calibrates on the Map of Consciousness at 1,500)

JOURNEY HOME

Our journey home is an ever growing expansion of truth being revealed to us. For Earth's humanity, as for the 37 humanities that have Rebelled, we are quarantined and isolated. Having also Defaulted, Earth's humanity is possibly the most evil of all. Firstly, we are to understand that living through our minds is why we are addicted to untruth and control of others and nature – we are going the wrong way! We are to live feelings first and then heal our Childhood Repression and Suppression – we are to live and express our true personality, the one given to us by our Heavenly Mother and Father. Then our journey home begins!

The Isle of Paradise is stationary within the circle of seven super-universes. Spheres here are also for us to further grow in truth before arriving Home to become Finaliters. Our Heavenly Mother and Father guide us out of our Local Universe of Nebadon, through the rest of our super-universe of Orvonton and into super, superuniverse Havona which circulates around the Isle of Paradise, being home.

Each of the seven super-universes are constituted, approximately, as follows and with 1,000,000,000,000 inhabitable worlds:

- One super-universe is 10 major sectors
- One major sector is 100 minor sectors
- One minor sector is 100 local universes
- One local universe is 100 constellations
- One constellation is 100 systems
- One system embraces approximately 1,000 physical worlds

Once we attain the Celestial Heavens (spheres) we start to come in contact with spirits from other 'Earth' worlds. So in spirit and once we've finished out Healing and are Celestial, we interact, sometimes directly and otherwise indirectly, with potentially 10,000,000 physical worlds of which 3,840,101 are with humanities. Our Avonal Daughter and Son lead us to Mary Magdalene and Jesus (Michael soulmate pair, our Creator Daughter and Son), through our healing of the Rebellion and Default by guiding us into the first three Celestial Heavens and out of isolation from all other physical and spirit humanities.

Mary and Jesus then lead us through the Celestial Heavens for the system Satania (that Earth is in), then our constellation and then out of our Local Universe.

Isolation from all other humanities prevails before completing our soul's healing and progress into the Celestial Heaven spheres 1, 2 and 3. Hell planes 1 and 2 are of Earth, those who have compensation may have this experience and might then progress up through mind Mansion Worlds 1, 2, 4 and 6 before turning around to progress through Healing Mansion Worlds 3, 5 and 7 to transition into Celestial Heaven.

WRONG WAY GO BACK

OUR JOURNEY

Ascension is from Earth (Urantia) through Nebadon, Orvonton, Havona to Paradise.
Then in Paradise we progress to be Finaliters and assignment to a newly forming universe.

Orvonton – our Super Universe
Nebadon – our Local Universe
Uranta being Earth

To liberate one's real self, one's will, being one's soul, is by embracing Feeling Healing so to clear emotional injuries and errors. With the Divine Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

Our salvation IS by embracing Feeling Healing with the Divine Love.

God's Divine Love: Pray for it, ask for it, and receive it.

Please Mother and Father, may I receive Your LOVE.

“Every day is a day of devotion.”

Follow your heart, follow your love and do that in loving action, your inner love leads in your asking the Soul of God to receive a little of the Love to strengthen one's resolve to heal.

“I love you Father.” “Let the Divine Love proclaim its energy into my soul.”

“Mother – Father, I desire your Love and I am loving you.”

“Soul God, I love you and I love receiving and experiencing your Divine Love.”

“True Soul God, I am here, I am aware of your Love. Please hear my aspiration for your Love and as I approach you from my soul, I can feel your Love in the way that you are loving my soul.”

Try it; give the Feeling Healing and Love a go! If you want to shine, receive the Love.

One can simply receive the Love without following any religious or spiritual teaching taught by man!

Emotional errors and injuries cause encrustment around the soul, the soul is never damaged however, the encrustments retard love energy flow to and from the soul. Feeling Healing melts such injuries.

Three Great Truths:

- **God is Soul, being our Heavenly Mother and Father;**
- **that each individual soul is a duplex – both male and female;**
- **and Feeling Healing with Divine Love is the pathway to Paradise.**

FEELING HEALING and SOUL HEALING with the DIVINE LOVE:**James Moncrief Publications:****all publications are free downloads:**<http://divinelovesp.weebly.com/my-free-books-and-free-padgett-messages.html>

It is suggested for one to consider reading as follows:

Speaking with Mary Magdalene and Jesus – books 1 – 4

These four books encapsulate the second of the revelations with the first having been introduced by James Padgett one hundred years previously. These four books provide a wide range of guidance that has never previously been made available.

Paul – City of Light

As a gentle intro into the Divine Love and Healing; being James Moncrief's first novel and it's been criticised as being too heavily clichéd, but that's the point because it's a reflection of how he was back then.

Ann and Terry

For an example of people who might want to immediately start working on themselves and doing their Healing.

Feeling Bad? Bad Feelings are GOOD

For more understanding about our denial of our feelings and why we should not deny our feelings, and it includes how it all came about for James, using himself as an example.

Feeling bad will make you feel BETTER – Eventually!

This includes specific examples of Marion and James working on expressing particular bad feelings, again with the hope that it will help others gain something of an idea as to what's involved in doing your Feeling Healing.

Sage – and the Healing Angels of Light

Through Sage who's 13 years old, the story is primarily about the two aspects of healing; that being, with the help of our angels, and the full Healing we can do by looking to our feelings for their truth.

**Religion of Feelings
Feeling Healing****Welcome to LOVE – the Religion of Feelings
you can heal yourself through your feelings**

So these books, including the four Speaking with Mary Magdalene and Jesus books, provide the essence of it all and are examples of James' work. Then it's up to whatever takes one's fancy. Other reading to consider may include:

The Padgett Messages being published as:**The True Gospel Revealed Anew by Jesus volumes 1 – 4****Book of Truths by Joseph Babinsky****The Urantia Book****Release one's pain through expressing one's feelings.****in conjunction with****Longing for the Truth when also longing for Divine Love.**

FEELING HEALING with DIVINE LOVE is SOUL HEALING:

A collection of 'papers' that draw together specific topics including all of the above and more from other sources of information and revelation designed to help increase one's awareness about why we have the problems we do and how to heal them, all whilst living a more healthy and sustainable life. They provide a brief snapshot of the more complicated topics and issues.

Firstly, consider discovering the truth of your emotional pain through Feeling Healing.

Secondly, consider longing for our Heavenly Parents' Love as you progress with your healing.

Primary and most important readings are the writings of James Moncrief.

Then consider the Padgett Messages, and then The Urantia Book.
