## PASCAS INTRODUCTION:

Documents assembled by Pascas are provided for your individual assessment and exploration. The contents are sourced from a variety of avenues and publications. Every endeavour is made to determine that the contents are of the highest level of truth and veracity. At all times we ask that you go within yourself, to ascertain for yourself, how the contents resonate with you.

Pascas provides these notes and observations to assist us all in the development and growth of our own pathways and consciousness. Pascas does not hold these contents as dogma. Pascas is about looking within oneself. Much of what we are observing is new to us readers and thus, we consider that you will take on board that which resonates with you, investigate further those items of interest, and discard that which does not feel appropriate to you.

Kinesiological muscle testing, as developed by Dr David R Hawkins and quantified by his Map of Consciousness (MOC) table, has been used to ascertain the possible level of truth of documents. Such tested calibration levels appear within the document. We ask that you consider testing same for yourself. The technique and process is outlined within Pascas documents, such as Pascas Care – Energy Level of Food. From each person’s perspective, results may vary somewhat. The calibration is offered as a guide only and just another tool to assist in considering the possibilities. As a contrast, consider using this technique to test the level of truth of your local daily newspaper.

Contents are not to be interpreted as an independent guide to self-healing. The information sourced herein is not from a doctor or doctors, and any information provided in this document should not be in lieu of consultation with your physician, doctor, or other health care professional. Pascas, nor anyone associated with this document, does not assume any responsibility whatsoever for the results of any application or use of any process, technique, compound or potion as described within this document.

The sources of contents are noted throughout the document. In doing so, we acknowledge the importance of these sources and encourage our readers to consider further these sources. Should we have infringed upon a copyright pertaining to content, graphics and or pictures, we apologise. In such cases, we will endeavour to make the appropriate notations within the documents that we have assembled as a service via our not for profit arm, to our interested community.

We offer all contents in love and with the fullness of grace, which is intended to flow to readers who join us upon this fascinating journey throughout this incredible changing era we are all experiencing.

## **The Unbearable Wholeness of Being:**

published by Ilia Delio in 2013

The incredible value of this publication by Sr Ilia Delio is the probing nature of the works searching for an evolutionary advancement for humanity.

The forthright nature of her observations are that there is a serious need to grasp the gifts that man is currently not recognising and bring about a consciousness of what is viable and loving for all of humanity to be blessed with, without fear or favour.

Ilia Delio is sounding a wake up call. She is asking for religious institutions to step away from men-tal stagnation. Her desires, objectives, dedication are beyond question. She has ALL of humanity in her heart and she is a beacon of light where there needs to be thousands.

Institutions will lead the way forward, or perish! Should they embrace the gifts of love and guidance that are loudly and clearly available then subsequent to the anguish of an absolutely complete make-over then their organisations will flourish.

The complexity of the way forward is ever so simple. The simplicity is the difficulty to comprehend.

During the first century, the Gift of Divine Love was re-bestowed upon humanity, all of it. Should we use our free will and ask for it we will receive it instantly, without exception. It is this light golden blue energy substance that perfects our natural love by washing away slowly but progressively our tendencies to cause harm to others and to ourselves. As our natural love based soul becomes perfected we become fitted to enter the Celestial Heaven, that is the process of being born again.

To ask for and to receive the Love, the Divine Love, we do not need an intermediary, this was and is the issue of the men-tal institutions. These same institutions are best fitted to enable people of all cultures, races, and locations to be aware of the availability of the Divine Love and that one needs to simply long earnestly for it. To try the experiment is all that is being asked. After receiving the Love for some time, one begins to feel It entering one's soul through the physical body.

“There is nothing more simple than to be seated for five minutes and to lovingly ask the Soul, God, for an inflowing of the Divine Love.” John Baptist – P.240 Traveller – An Immortal Journey 2015

Why is the way forward so clear to some? The teachings of the first century have been re-introduced to humanity over the period from 31 May 1914 through to 2014 and are now published in more than a dozen books providing enormous clarity and loving guidance in a way that it is unquestionable to the enquiring reader. These publications are noted on following pages.

“The Love is universal and some of you in your personal experience of the Love understand this and when asked along your way, ‘is it a religion or a spirituality’, it might be worth considering the expression “it is a souls journey in Divine Love that I am living” and this could lead one to expand on the many truths introduced at this beginning.” Paul – P.275 Traveller – An Immortal Journey 2015

This time, in the history of humanity, is the most exciting time ever experienced.

To enable these loving teachings to be generally known, the sharing by many is required.

## **The Unbearable Wholeness of Being:**

published by Ilia Delio in 2013

Applying kinesiology muscle testing in conjunction with the Map of Consciousness (MoC) as developed and published by Dr David R Hawkins in Power vs Force, the following calibrations are derived:

	Map of Consciousness
The Unbearable Wholeness of Being book over all: (Note: The term, Divine Love, is used throughout the book 39 times.)	668
Introduction	710
Chapter:	
1. The Decentered Human	510
2. Wholeness in Nature	515
3. Love, Sex, and the Cosmos	590
4. Birthing a New God	670
5. Love and Suffering	710
6. Sacred Secularity	685
7. Christian Love	690
8. Love, Learning, and the Desire for Power	715
9. Technology and Noogenesis	716
10. Contemplative Evolution	718
Conclusion / Unfinished	715

Should one average the twelve component sections of the book, then one gets a calibration of 662.

Kinesiological muscle testing research in conjunction with Dr David Hawkins' Map of Consciousness has revealed extensive understandings that enable one to strengthen their knowing as this process is literally a personal mobile 'truth detector'.

The gift of Divine Love, the light golden blue energy substance, is the Gift that was rebestowed upon us at the time of the birth of Jesus of Nazareth in August 7 BC / BCE and is the focus of our journey of discovery.

**Divine Love has a powerful positive effect on the physical body, balancing the hormones and generally promoting physical health, which is really the same thing as saying that the state of a mortal's soul impacts directly on that mortal's physical health.**

Aman 24 January 2007

Whilst we are receiving the Father's Divine Love, and that this Love is causing change within our soul and spirit attributes, the greatest Truth known to man and spirit is that this is the way the Father is actually loving us! When we progress, it is the Father's way of loving us into love and then we live what we are, love.

The development of the soul condition of humanity has had long periods of stagnation:

### NATURAL LOVE or HUMANITY'S ERRONEOUS EMOTIONS:

Your soul, being your real you, is an emotional being. Your soul, though a thought of God, does not possess anything of the divine within it. It existed in a state of bliss, in a natural love state, pending individualisation which is achieved at conception which is the time of incarnation. Your soul is endowed with natural love emotions noted within the top section of the Map of Consciousness scale, being those emotions calibrating above 200.

MAP OF CONSCIOUSNESS					
God-view	Life-view	Level	Log	Emotion	Process
Self	Is	Enlightenment	700 1000	Ineffable	Pure Consciousness

Permitting	Feasible	Courage	↑ 200	Affirmation	Empowerment

Humanity's erroneous emotions are those calibrating below 200 on the Map of Consciousness. The environment around a newly conceived child progressively degrades the condition of that child's soul. When the child reaches about the age of 7, the child's soul condition will reflect the parent's condition. These negative emotions are like a crust around the pure soul it has within.

## PERSONALITY TRAITS:

Less than two dozen people on planet Earth.

Would not pick up a weapon let alone use it. These people gravitate to the health industry and humanitarian programs.

Debate and implement resolutions without argument and delay.

Debate and implement resolutions in due course.

Debate and implement resolutions with some degree of follow up generally needed.

Management supervision is generally necessary.

Politics become the hope for man's salvation.

Cause no harm to others starts to emerge. Power overrides force.

Illness is developed by those man erroneous emotions that calibrate 200 and lower.

Armies around the world function on pride. Force is now dominant, not power.

Harm of others prevails, self interest prevails.

Totally self reliant, not God reliant.

Fear dominates all motivation.

Suicide is possible and probable.

At these levels, seriously harming others for even trivial events appears to be justifiable.

Poverty, unemployment, illness, etc., this is living hell on Earth.

Divine Love was taught and understood by early Christianity up until the Nicaean Council 325 AD/CE.

## OUR FIRST TEACHERS:

Descendants of Andon and Fonta (also called Aman and Amon), our First Parents, not being Adam and Eve, delivered teachings that were faithfully memorised and later recorded as the SACRED and INSPIRED WRITINGS. Through later generations, writings were progressively preserved via way of hieroglyphic symbols that are the basis for the writings on temples in Mexico, South America, Cambodia, India and Egypt. Six sets, each of about 10,000 tablets, were carried from Mu (Lemuria), these were then located at: Tibet, Deccan Plateau in central India, Gobi Desert in Central China, Upper Egypt, Babylon in Mesopotamia and Mexico City. Further copies of each of these original sets were further made.

However, from the teachings of the leaders of the Rebellion, 200,000 years ago, stem all of the world's major spiritual and religious teachings, all being in error and contaminating the sacred and inspired writings, all suppressing one's soul based loving and truth based feelings and bringing about dependence upon one's erroneous mind. BC=BCE AD=CE

Note: Lunar cycles were considered years, then seasons as years.

 which with Divine Love then is Soul Healing 31 May 1914 AD to around the 2040's  
 As a result certain restrictions of the Rebellion and Default are now lifted.

From the above ancient clay tablets can be found the Lord's Prayer and the Ten Commandments, though there were 42, Moses was a practical man and condensed them. Also Moses five books are derived from the ancient clay tablets, possibly the set that was in the southern region of Egypt. Those writings had been heavily contaminated by the teachings resulting from the Rebellion.

By longing for the truth of one's feelings and for our Heavenly Parents' Love is the way forward.

One's soul is connected with one's spirit body in the region of the physical heart. The spirit body is the template of the physical body. Our mind is within the spirit body as are all of our senses that our physical body responds to. Our memory and personality are soul based. Upon shedding of the physical body we lose nothing, in fact we become more alive than ever. The Love of our Heavenly Parents, when embraced, is infused through our spirit body and into our soul bringing great freedom, love and joy.

The natural love is the energy substance that is one's unique soul. Each personality is unique and that is achieved through the natural love energy substance at the time of its creation by our Heavenly Parents. The natural love has a finite development potential towards its own perfection.

Divine Love is uniform and changeless. The Divine Love energy, being light golden blue, perfects the natural love energy without changing the personality created by Mother and Father. With the Love, one can grow beyond perfection and become fitted to live with in the Celestial Heavens and beyond.

The Love itself is not 'spirit'; it is a substance of Energy that is harmonious with spirit. There are only two Loves – the Natural Love and the Divine Love – and only the Divine Love can bestow into a mortal soul that quality of Immortality that enables a soul to live with the Father in their at-onement in the Celestial Heaven and to progress beyond these glorious realms.

**The UNBEARABLE WHOLENESS of BEING:** by Ilia Delio

<http://www.amazon.com/>

Gems for the book, The Unbearable Wholeness of Being by Sr Ilia Delio:

### Introduction

- Purification of memory, whereby in silent prayer, the “prayer of no experience”, a new dispossessed self can emerge that “realises more fully our relational evolution and synergistic existence in the universe.
- The image of a blissful Garden of Eden recounted in scripture became less a constructive image of divine-human relatedness than a fallacy of misplaced concreteness.
- Modern biblical scholarship discloses that stories of the Old and New Testaments were prayerfully created for the purpose of community, rather than as historical narratives.
- Pierre Teilhard de Chardin, born 1 May 1881, died 10 April 1955, a Jesuit scientist, was censored by Rome because he rejected original sin in light of evolution.
- 46% of the population believes that Adam and Eve (Aman and Amon) actually existed and were created fully formed by God.
- Evolution pertains only to the material body; theories of evolution “which consider the spirit as emerging from forces of living matter or as a mere epiphenomenon of this matter, are incompatible with the truth about man.
- Pope Benedict XVI has modified the church’s support of evolution, saying that “we are not the causal and meaningless products of evolution”.
- Since the Middle Ages, we have an enormous gap between the transcendent dimension of human existence (the religious dimension) and the meaning of physical reality as science understands it (the material dimension). This gap underlies our global problems today, from the environmental crisis to economic disparity and the denigration of women.  
(Note: Much of the global population is still in the Middle Ages.)
- Theology is a function of cosmology; knowledge of the sciences is *fundamental* to the task of theology.
- “Anatheism”, a new God rising up from the old God.
- In its root meaning, Christianity is a thoroughly secular (concerned with the affairs of the world) religion, and Teilhard sought to expound the secular as the divine milieu (social surroundings).
- We are so wired to think about Christ *only* in relation to Jesus that it seems scandalous to consider further. The significance of Jesus’ life, however, came to consciousness in the gathering of the early Christians who bestowed on Jesus the title *Christos*, which is Greek for “messiah” or “anointed one”.
- Shall we continue our medieval religious practices in a medieval paradigm and mechanistic culture and undergo extinction? Or shall we wake up to this dynamic, evolutionary universe and the rise of consciousness toward integral wholeness? The two most significant factors that affect culture are religion and education. While there is much good that takes place at universities today, and there is a new attentiveness to environmental sustainability on many campuses, still the whole process of higher education points to a fragile future.
- Teilhard saw that computer technology could lead us to a new level of consciousness, what he called the noosphere (knowledge sphere), where we could be more united and more unified in love.
- This new stage of integral consciousness has implications for world religions and the emergence of Christ in evolution.
- Love shows itself as explicit God-consciousness in the person of Jesus and the continuation of Christ in evolution. This Love is God-Omega, the love that generates new life and urges cosmic life toward greater unity in love.

- What Teilhard reminds us is that evolution is the openness of life to the future. We are an unfinished species, corporately and personally, grounded in an infinite depth of Love; thus openness of our lives to love and what this means in terms of creatively reinventing ourselves as persons in evolution is the challenge ahead of us. **Divine Love** is the heart of an evolutionary universe, and this love is a constant birthing; it is the emergence of Christ in whom all peoples, religions and cultures are gathered in one body of being-in-love. The God of evolution is a God of “newness” because God is a dynamic communion of Persons in love, becoming ever more deeply in love through the generation of the Word and Spirit. Evolution thrives not on “rugged individualism” but on communal interdependence. God is the dynamism of love that gathers beings together into greater unity and consciousness.
- Christians could drop the doctrine of the Trinity and it would make no difference to their religious practice.
- Love is a consciousness of belonging to another, of being part of a whole. To love is to be on the way toward integral wholeness, to live with an openness of mind and heart, to encounter the other – not as stranger – but as another part of oneself. When we enter into the heart of love, that integral wholeness of love that is God, we enter into the field of relatedness and come to see that we are wholes within wholes.
- By centring itself on the fundamental energy of love, Christianity (and all religions) can find new meaning and purpose by allowing modern science to challenge its stories and, at the same time, to offer the world of scientific reductionism a creative vision for the world.
- This centre of love is God, the inner power who seeks to evolve, to become more conscious and unified: “**Divine Love** which moves the sun and the other stars.” Our challenge today is to trust the power of love at the heart of life, to let ourselves be seized by love, to create and invent ways for love to evolve into a global wholeness of unity, compassion, justice, and peacemaking. As a process of evolution, the universe is incomplete, and we humans are incomplete. We can change, grow, and become something new. We have the power to do so, but do we have the will? We need a religious imagination that ignites our energies to move beyond mediocrity and fear, one that anticipates a new future of planet life.
- Our failure to be enkindled is because our image of God is old. Evolution discloses a new God, an immanent-transcendent fullness of love that inspires us to create anew, a new Earth with a new God rising from within.
- God’s love is ever new, always with us yet ever before us. To live in this love is to be committed to the whole, to be “turned to the whole”.
- Evolution is “wholemaking” in action, the rise of consciousness that realises self-separateness is an illusion.

**Ann Message 278 P. 231 Destiny**

**"Our Heavenly Parents genuinely loves people and spirits. Our Mother and Father desires nothing more than for all souls to delight and to live in the receiving of this Gift of the Love."**

**Paul P.281 Traveller**

**Note:** Following the writings of James Moncrief, one could consider that any reference to the Father, by other relevant writers, may be read as a reference to ‘our Mother and Father’. Further, when considering soul healing, then reference to Divine Love could be referred to as ‘Feeling Healing with Divine Love’.

**God is God, who is our Heavenly Mother and Father, being SoulMates. There is only one Soul that is God's Soul, that being the Soul of our Mother and Father. Our Heavenly Parents are the First Soulmates; The Two Who Are One who have brought us all into being.**

**Jesus and Mary are a son and daughter of God.**

**Jesus of Nazareth and Mary of Magdalene, being soulmates, were both free of sin. Jesus and Mary, combined in their love for us, are our teachers and guidance for us to find our way home to our Heavenly Parents. To start this journey we are to liberate our souls from being entombed within our suppressive minds, through feeling and longing for the truth of our feelings via our soul and peel away our injuries incurred since conception.**

**Give yourself time to consolidate your relationship with the Mother and Father through the partaking of Their Love. And whilst you are doing this, you can learn about your healing, all that's involved with it, as there are many willing spirits to share their healing experiences with you.**

**When you are ready it will start happening simply because you will want it to, it all being orchestrated by your soul. And when that time comes you will have developed a strong foundation in your relationship with the Mother and Father for you to work from. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.**

**It is to make longing for God's Love the priority, and then do one's healing; should one want to include God and the Divine Love in one's feeling healing. This is doing your soul-healing as you are seeking to heal your soul of all evilness – of that which made you become evil, and release all the hurt and pain of not being fully and truly loved.**

**WE ARE Children of God**

**PARADISE TRINITY:**

1. **Our MOTHER and FATHER (God) (MF) – Divine Love**  
SOUL (God) – One SOUL that is expressing its two PERSONALITIES, our Heavenly Mother and Heavenly Father (Soulmates)
  2. **ETERNAL SON (ES) – Divine Truth**
  3. **INFINITE DAUGHTER (ID) – Divine Mind**
- Then: The Second and Third Persons of the Paradise Trinity (ES and ID) are stepped down to the local universe trinity (Mary and Jesus, Divine Minister (DM), and her Holy Spirit.

**The LOCAL UNIVERSE TRINITY:**

1. **MARY M and JESUS** – Our MOTHER and FATHER – Love – the Living Truth
2. **DIVINE MINISTER** – Mind (and her Holy Spirit)
3. **HUMANITY – Natural love, sons and Daughters – Truth, and our Angels – Mind**

**PLANETS that engage in REBELLION:**

1. **AVONAL SOULMATE PAIR** – the Feeling Healing process – incarnate
2. **DAYNAL – TEACHER PAIRS** – they do not incarnate

# Mother and Father Heavenly Parents

Creator Son & Daughter  
Jesus and Mary

Avonals  
as soulmate pairs

Trinity Teachers  
as soulmate pairs

Melchizediks – who have taken over from the Caligastians and Daligastians being also all as soulmate pairs.

Mortal Souls – human beings who individualise on Earth, then progress through the spirit Mansion Worlds, then into the Celestial Heavens, and beyond.

Mortal Souls – also being ascending spirits, upon completing their Soul Healing, join with their soulmate, then join their soul group of 24 mortal spirits, being 12 soul pairs. It is only as a soulgroup that anyone can progress beyond Nebadon.

The Paradise Pairs are all ONLY concerned with the SPIRITUAL wellbeing and upliftment of the planets and local universe. Currently to do with Earth:

Mary and Jesus – spiritual wellbeing and upliftment of the whole of Nebadon region.

Avonal Pair – Daynal pairs (Trinity Teacher Daughters and Sons) – Spiritual wellbeing and upliftment of individual planets and their associated Mansion Worlds.

The Local universal Sons and Daughters are all about the running of the worlds under their jurisdiction, and ensuring the higher spiritual elements can be employed, or sent astray, as in our cases through the Rebellion and Default.

Lanonandeks – Melchizedeks (and others, such as Life Carriers and Eve and Adam).

As the Lanonandeks all rebelled – the Lucifers, Satans, Caligastias and Daligastias soulmate pairs – so the Melchizedeks have taken over their roles, as well as doing their own.

So the Melchizedeks are the governors, overseers, the administrators and advisors and so on for Earth; they are the ‘controllers’, and they will instigate all that needs to be done to do with the ending of the Rebellion and Default. And they will enlist the willing help of ascending mortal pairs, so the mortal Celestials spirits (soulmates when available, and others waiting to unite with their partner), and at times mortal spirits in the Divine Love Healing Mansion Worlds. And the angels help all of us.

Currently the whole of Creation exists for the ascension of mortal souls from their earth planets to Paradise. It’s all one vast Grand Ascension Scheme. With all the higher and lower spiritual Daughters and Sons, together with all the many different angels and other universal spirit personalities, and even including nature and our very own pets, assisting women and men with their Ascension Journey. It being: and Ascension of Truth. Everything we do is done to help us grow in truth. (Only everything we do in our negative state is to deny ourselves our truth from our feelings, which is why we have to do our Healing.) All women and men are ascending (or growing) in truth through their experiences. And as we grow in truth by looking to our feelings to show us that truth, so we’re ascending, moving inwards and upwards through all the worlds and spheres of the Grand Universe to one day arrive on Paradise and meet our Heavenly Parents. God is providing us, Their children, with this spiritual journey called our Ascension of Truth. And by living true to our feelings, so we are progressing on our true Spiritual Path – our Ascension Path.

**CREATION of SOUL and SPIRIT:**

God is *The Paradise Trinity* — the eternal Deity union of the Personalities: the Universal Mother and Father; the Eternal Son of Truth; and the Infinite Daughter Spirit of Mind.

The soul of each human personality (sons and daughters of truth) is existential, driving our personality expression in the experiential. The soul of each human finds truth by embracing one's feelings and longing for the truth of them. We are to attain the Eternal Son of Truth. We are a creation of Truth.

Feeling Pathway

Mind Pathway

Soulmate Pair

Angel

The soul of angels is experiential, evolving through their experience by continually progressing in mind development. Angels are to attain the Infinite Daughter (Spirit) of Mind. Angels are a creation of Mind. Our soul is duplex (we have a soulmate) and is created by our Heavenly Parents. Through our Feeling Healing we perfect ourselves enabling the union with our soulmate, as we progress in truth up through the Mansion Worlds, celestial heavens and all the way to Paradise.

Spirit Person

Nature Spirit

The soul of angels is also duplex, yet of the mind, and they progress in mind evolution to Paradise. Animals, plants and nature spirits are also creations of Mind.

Neither we nor animals reincarnate. We never die; upon death, we move into the spirit Mansion Worlds on our journey to Paradise. When animals and plants die, be they the tiny microbe to the mighty elephants of the land and the whales of the ocean, their spirit energy returns to the Spirit Collective Energy. And from this energy are drawn other animals and the nature spirits, who then in turn move onto becoming angels through increasing mind experience.

A nature spirit is an angel in waiting.

**WE ALL ARE BEING GUIDED HOME:**

We need the Spirits of Truth of the Avonal Pair to Heal ourselves; then once Healed, (and for support (overshadowing) as well through your Healing), we need the Creator Pair, Mary Magdalene and Jesus' Spirits of Truth to see us through the Celestial spheres, while at all times embracing our Heavenly Mother and Father.

Until Mary and Jesus died and liberated their Spirits of Truth, no one from any of the worlds could leave Nebadon, because no one knew the way to do so. Nebadon is our local universe containing some 3.8 million inhabited physical worlds and their associated spirit worlds.

When we embrace the truths Mary and Jesus are revealing, and start to do our Feeling Healing, or with Divine Love, Soul Healing, we are then freeing ourselves up from our parental and self control.

Thus our journey to Paradise, to the home of our Heavenly Parents, is of our choosing as to when we progress, however, there is only one way:

**HUM:** Humanity is to ascend. We are self contained. Our soul is always in truth and perfect at all times. **By living true to ourself, true to our feelings, we are living true to God. It's that simple.**

We are to recognise that being engaged and dominated by our mind is the wrong way for us to evolve and grow in truth. We are to discard the mind enslavement that has been imposed upon us by all of our parents. We are to express our feelings, both good and bad and free ourselves of the indoctrination that humanity has embraced worldwide.

Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God's soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of our Mother and Father.

**AVO:** We are to embrace the truths and guidance of the Avonal Pair through their Spirits of Truth. It is the Avonal Pair's guidance that will lead us through our Feeling Healing, and with Divine Love, we will be able to ascend through the 7 spirit Mansion Worlds and enter the Celestial Heavens where we also interact with other world's spirits.

**J&M:** We are also to embrace the truths and guidance of the Paradise Pair, Mary and Jesus, who will then lead us through the 3 Celestial Heavens that are aligned with Earth, and then further on through Nebadon where we will then depart beyond on towards Paradise.

**M&F:** Beyond the universal zone of Nebadon, we will be guided by our Heavenly Mother and Father onwards through the universes to Paradise where we will be welcomed by them, home for us all, as we are all Children of God.

**M&F**

**J&M**

**AVO**

**HUM**

**WE ALL ARE BEING GUIDED HOME – NOW, HOW TO COMMENCE THE JOURNEY:**

**GOD**

**M&F**

For 200,000 years, we have been misled into embracing our mind's distortion of wisdom and truth. All such traditional understandings only lead us in the wrong direction, from which we must turn back from. Our soul based feelings are always in truth. Our minds are to follow our soul based truths and feelings, not the other way round, as we have been brought up to embrace.

We are to connect with our deeper repressed feelings.  
 We are to long for the truth of what we are feeling.  
 We are to live true to our selves; by living true to our feelings.

Use your surface day-to-day feelings to connect with your deeper repressed feelings. Express your surface feelings and your deeper repressed feelings to uncover the truth of yourself.

**J&M**

We all have feelings which we communicate and share with each other. And we all have deeper buried and hidden repressed feelings. Feelings from our early childhood we felt, yet weren't allowed to express. These feelings are still within us, waiting to have their say. These feelings, because they are repressed, cause us all our problems.

And as we look to uncover, bring out and accept these deeper feelings, so we're taken into new ways of looking at ourselves, our feelings, and our life. We're setting ourselves free of the controlling patterns that govern our unloving behaviour.

In this way, we progressively begin to express the personality that our Heavenly Mother and Father gave us, not the one imposed upon us by our physical parents and carers. We are to be our true and real selves.

**By living true to ourself, true to our feelings, we are living true to God. It's that simple.**

**AVO**

As we, humanity, long for the truth of our feelings, we can also be assisted by the Spirits of Truth of the Avonal Pair who are our spiritual teachers for Earth over this coming 1,000 years, to assist us through the Great U-Turn, away from mind dominance to being soul based feeling lead. They will assist us through the seven levels of the spirit Mansion Worlds.

**HUM**

Then the Creator Pair, Jesus and Mary, will lead us through Nebadon and into the greater universe. Then our Heavenly Mother and Father lead us home to Paradise.

Collectively, should we embrace them all, as we are to, then our pathway home is a journey in the hands of the Spirits of Truth of the Avonal and Paradise Pairs overseen by our Heavenly Parents.

## HOW TO GET TO PARADISE:

Long for the Divine Love

Long for the Truth

Long for the truth of your feelings

Don't deny any feelings: accept, express and want to know the truth of them

Know your feelings are the key; your feelings are the Way

Want to end your falseness and being untrue

Want to understand the truth of your early life

Use your surface feelings to move deeper into yourself, bringing up your repressed feelings

Want and long to know the whole truth of yourself

Want to do it all with God, your Heavenly Mother and Father – long to Them for help.

## The Key

Our longing drives our life. We long with feelings. We can wish for things using our mind, yet long for things with our heart. These things in the pyramid are what to long for. Longing for them, when the longing comes naturally. Longing because you feel you really want them. Long to be true with all your heart. Long to live true to your feelings. Long to understand the whole truth of yourself.

**WE EACH have a Nature Spirit pair, Spirit Guide pair, and an Angelic Pair:**

**For those doing their Healing or are interested in doing it will** from that time have their own personal angels, spirit guides and nature spirits with them, with whom they are to develop their own relationships should they want to. It is not about ‘sharing’ the same angels or guides or nature spirits, it is about you relating specifically to your ‘own’ ones because they are provided for YOU. It’s all for you, to maximise the experiences we each need.

We are all to have our own pure relationships. And it’s the same of course in life with your friends, however over there, in spirit, dealing with Nature Spirits, Spirit Guides, and Angels, it’s more personal and private and ‘JUST FOR YOU’. So we have our own separate, unique relationships.

For example, Nature Spirit Verna has been assigned to be specifically and only with James, and she ain’t going to be assigned to anyone else, so she won’t be sharing herself around.

This is SO IMPORTANT to understand so that in future there won’t be all these people claiming to be speaking with Verna or Mary Magdalene or Jesus or Nanna Beth or anyone else who is part of it all in such capacity. Mary M and Jesus have spoken with James as they have, making it quite clear he is all they are speaking with.

We each have a band of a Nature Spirit pair, Spirit Guide pair, and an Angelic pair, each pair being in their soulmate relationship. Even though we are ascending mortals having a soulmate, even our soulmate has his or her own group of six personalities assisting him or her. Our assigned Nature Spirits do not continue with us into spirit, our Spirit Guides may for a time assist upon entry to the spirit Mansion Worlds, however, our Angelic pair continue with us for eternity.

**Feelings first**

## DIMENSIONS of ONE'S EXISTENCE:

Our SOUL IS NOT ENSOULLED IN OUR SPIRIT BODY. Our soul exists existentially in a whole different level or plane or place or dimension of being – 'soul land'. It doesn't exist in Creation, it's not experiential like Creation is. The soul, all souls, help create their part of Creation by expressing their personalities into Creation, and then by having their personalities do things (further create) in Creation.

SOUL exists existentially

Our Physical Body and our Spirit Body are of Creation, being linked together by cords of light as are the two spirit bodies, male and female, to the one Soul.

One's unique personality is soul based. Our unique soul expresses its unique personality through the two spirit bodies and physical bodies expressing both the male and female aspects.

## PERSONALITY

**Our soul is the centre of our personality.  
We are children of our Heavenly Parents.  
Our soul manifests a male and  
female personality - it is a duplex!**

## U-TURN for HUMANITY:

### Why are we doing a U-Turn?

We are doing a U-Turn **because** the year 2017 heralded the end of the Rebellion and Default. For two hundred thousand years, humanity has been going in the wrong direction.

### What is this fundamental step that will change our way of living?

We are to come to understand / know the foundational cause of all our feelings, both good and bad. As we explore and investigate our feelings, each time they arise, one by one, we are to talk them through, express them to a companion or friend or anyone who will listen. As we express them, while at the same time coming to understand how they have come about, we will find that they will be resolved and that they will not come up again.

We will find that all of our feelings / emotions have their foundations from our childhood. And by childhood, that is from the time of one's conception all the way through to about the age of six. It is the repression of our childhood feelings that is the base or foundational cause of each and every one of our adult personality issues, pains, difficulties, illnesses and distressful life experiences.

**We have to see the whole truth of our negative or self-denial state, before we can heal it and be free of it.**

The vital difference between **emotions** and **feelings** is:

- emotions have their roots in the past,
- feelings relate to the present moment,
- emotions represent feelings not previously expressed,
- and these accumulate over time.

Many emotional clearing processes encourage us to look into our feelings, however, none go so far as to drill down into the core foundation of any emotional feeling to the point that we strive to KNOW the core issue, the origin of the feeling, be it good or bad, and actually come to know what it is!

The *Journey Process* is generally known worldwide. It stops short of longing to know, that is asking for the knowing of the events that brought about such a feeling. Yes, we are to acknowledge the feeling, say being angry. Then accept that behind that anger is the feeling of being small, and then look at the underlying reason of why we are feeling small. What is the truth behind that feeling? Ask our Heavenly Parents what is behind all of this feeling. What is the foundation, the origin of the feeling? All the time talking it out, expressing it, with a friend. The expressing of the experience is the release of the emotion / feeling, this is what removes it for ever from within our essence, our **soul**.

### Why ask our Heavenly Parents? I thought God was just God – singular?

This is part of the revealings that have been unfolding for us very recently – that is – since 2002.

We are made in the image of God. This has been understood for centuries, for 2,000 years. Our soul is duplex. Our soul expresses itself through two personalities. One soul 'subdivides' into two, one half

**Feeling  
Healing with  
Divine Love is  
the key!**

always being female and the other half always being male. We are a reflection of how God is. God being one Soul is expressed as Mother and Father. God is two personalities. They are soulmates. And each of us has a soulmate, and our soulmate is always of the opposite sex, because the Mother and Father are the opposite sex.

Thus, when we long for the truth behind a feeling, then we can long to our Heavenly Mother and Father. Only they can tell us. No spirit personality can tell us. No canonised saint can tell us, we may as well ask our next door neighbour. That would be just as productive. Mary and Jesus can't tell us, as they are also spirit personalities.

### **I was taught that Jesus was God? And what is this about Mary?**

Mary of Magdalene and Jesus of Nazareth were both born free from sin. Neither of them are God. They are both children of God, just like you and me.

History needs to be corrected. Both Jesus of Nazareth and Mary of Magdalene became at one (At-One) with our Heavenly Mother and Father during their physical lives here on Earth in the first century; Jesus in the year 26CE and Mary in the year 33CE, or thereabouts. Jesus died aged 35 (born 7BC died 29CE), and Mary died aged 47 or 48 (born 2BC died 47CE).

Further, their sojourn on Earth was the completion of their process to become the full Regents of the sector of planets that is referred to as Nebadon. The region within our super-universe that is referred to as Nebadon contains 3.8 million inhabited planets. If you look into the night sky, each star / sun potentially has between none to three inhabited planets within its orbit. Within Nebadon, the soulmate pair, namely Mary and Jesus, are our Spiritual Teachers of Truth. Their domain is all 3.8 million physical planets plus their associated spirit worlds. Each physical world has seven associated spirit worlds, which is the case for Earth being one of the 37 that have rebelled.

Some 200,000 years ago, Lucifer with his soulmate and his deputy, Satan with his soulmate, brought about a rebellion on 37 of the inhabited planets within the region called Satania, one of the local universal systems of Nebadon. Earth compounded the situation through the Default of Adam and Eve about 38,000 years ago. Thus the population of Earth, being in the worst condition through the Rebellion and Default, became the location for Mary and Jesus to have their physical experience to complete their ascendancy to full Regency of the local universal system being Nebadon.

Their lives on Earth was the start of the unravelling of the Rebellion and Default. Upon Jesus becoming At-One with our Mother and Father, he was then vested with the authority and power to have the Lucifers and Satans arrested, and they now reside exiled within a prison world.

Notice that there were no records of Jesus and Mary's teachings and experiences made during their physical life. That was because they did not specifically come here for us, they came for the benefit of all peoples of all planets and spirit worlds throughout Nebadon.

As they are Paradise descending spirits, they have **Spirits of Truth**. Upon Mary and Jesus' death, they released their Spirits of Truth. As spirits, Jesus and Mary are how we will be, once we've finished our Soul Healing. They can only be in one place at any one time. However, it is their Spirits of Truth throughout Nebadon that we can connect with for guidance. It is through their Spirits of Truth that spirit personalities can progress through and out of Nebadon.

Those planets that have Rebelled need further assistance, and they need it on a localised manner. This can only be provided by another bestowal of a **Paradise Pair**, and that is in the form and manner of an **Avonal soulmate pair** who come here specifically for us.

### **What is the purpose of an Avonal pair, and are they here on Earth?**

Unlike Jesus and Mary who were always free from sin and did not experience how to heal themselves, the Avonal pair are to experience all of the extremes of evilness and then proceed to heal themselves. Mary and Jesus through their bestowal on Earth ended the Lucifers spiritual rebellion in Nebadon; the Avonals bestowal is primarily concerned with ending the Default of Adam and Eve by the Avonals themselves personally healing the effects of such a damaging Fall.

The soulmate Avonal pair are to be, and have been, subjected to the extremes of childhood suppression and repression, and then, through their Feeling Healing, are experiencing all the facets of emerging truth as they slowly progress through a protracted and difficult healing process. As they reach specific milestones, this also enables those in the Celestial Heavens, (the three worlds where Celestials reside) to be empowered to assist us in the physical on Earth.

The first considered milestone was the arresting and imprisonment of the Caligastia soulmate pair and the Daligastia soulmate pair. After the arrest of the Lucifers and Satans in the first century, as nothing further occurred, the Caligastias and Daligastias continued on from spirit as if they were kings and queens, suppressing all of humanity and with plans to take over the universe. It was possibly in the early 1990s that they were 'judged' and 'removed'. They were caught unaware that an Avonal bestowal pair were on Earth.

### **How is all this becoming known? Has Jesus and Mary communicated directly to Earth?**

Unlike in the first century, when no records were kept (as the event related to all of Nebadon and it was actually setting the stage for the Avonal bestowal pair to arrive on Earth), every effort to retain records in great detail of this current series of events is now being attended to. Consider this. The New Testament of the Bible is some 300 pages. The records of the Second Coming, which this is, the primary records are possibly 6,000 pages, with direct complementary records increasing that to over 10,000 pages and with all the supplementary records to date, there may be as many as 40,000 pages, certainly well over 30,000 pages of material presently.

Jesus directly communicated through James Padgett from 1914 to 1923. Mary of Magdalene (Mary M) has directly communicated through James Moncrief from 2002 and is ongoing. Jesus has also communicated directly through James Moncrief. Neither have ever directly communicated through any one else, however, some Celestial Spirit personalities have provided information through other personalities on Earth with the support and approval of Jesus and Mary, thus some confusion, though the quality of the information is very reliable.

### **You say this is the Second Coming? You say I am living during the time of the Second Coming?**

Yes you are. And it's more than that. This is the Second Coming, the End Times and the Handover!

In fulfilment of the prophecy in the first century, the Second Coming commenced on 31 May 1914 through the writings with James Padgett and concluded in 2014 through the writings with James Moncrief.

The End Times are well advanced. Mary and Jesus are well advanced in handing over their direct involvement with Earth to those within the Celestial Heavens. When this is completed, the Handover will also occur. **The Hand Over is to the Avonal Bestowal pair** and it is they who will guide the population on Earth through their Feeling Healing processes for the next 1,000 years, being the next spiritual age. The Handover will take place after the Avonal pair complete their personal Healing of the Rebellion and Default. Then will follow with their Spirits of Truth being officially liberated in alignment with Mary M and Jesus' Spirits of Truth upon their death.

Major events have occurred with the progression of the Avonal pair's Feeling Healing, which they are also doing whilst embracing our Heavenly Parents' Divine Love, thus they are doing their Soul Healing.

Early 1990s:	The arrest of the Caligastia and Daligastia soulmate pairs.
22 March 2017:	Negative spirit influence was blocked.
31 March 2017:	Angel assisted healing will become available upon the Avonal pair completing their own Feeling Healing, being with Divine Love, thus it being Soul Healing.
22 May 2017:	Law of Compensation quickening.
2 December 2017:	Psychic Barriers maintaining the Rebellion and Default were cracked.
8 December 2017:	Bring on the money to <b>'house the future of humanity'</b> .
31 January 2018:	Earth and the seven associated Mansion Worlds (including the two Earth planes) are <b>officially</b> now fully under the control of Celestial spirits. This marks a tangible and real end to the Rebellion and Default.

**How does this all fit into our future way of living?**

**This time, in the history of humanity, is the most exciting time ever experienced.**

**The whole human race is suffering from repressed childhood and mind control.**

Through one's Feeling Healing, and should we embrace our Heavenly Parents' Divine Love, then with their Love we are doing our Soul Healing, and eventually we can live totally in accordance with our soul based feelings and live free from error – no more fear and no more physical illnesses is possible!

**By living true to ourself, true to our feelings, we are living true to God. It's that simple.**

Our soul is always perfect. In fact, we are the complete package. All that we need to know is within our soul. This knowledge has been denied from us since the time of the Rebellion and compounded by the Default. That is what was brought upon us by the Lucifers and his cohorts. We have always been meant to live true to our soul based feelings but we were taught to embrace our error riddled mind – this was aided by our parents – unknowingly all parents have taught their children to be mind dominant. **This is the Great U-Turn. We are to feel and live by our feelings and express our feelings, our mind will follow in support, not the other way around.**

“Many people look for a person, spirit, angel, even God, for supreme guidance, however it's all right there already built in – in our feelings. **Feelings** guide us through our **ascension of truth**. So they are really our Supreme Guides. We just have to submit to them, allowing them to take us where they will, expressing all the parts we want to express, letting the emotion drive that expression if it's there to be expressed, or just talking about all we feel and how feeling that feeling is making us feel – or, how we feel about having that feeling, all whilst longing for the truth of our feelings. Longing for the truth of our feelings is really: **Longing for the truth of our self, because: we are our feelings**. So life stirs up

our feelings, we feel being alive; or, being alive means we are feeling, always feeling; and when we work out what and why we are feeling what we are, so then we know the truth of how we are. And over time the truth accumulates, and our mind expands our understanding of ourselves, all being driven from our feelings.”

Kevin of the 1<sup>st</sup> Celestial Heaven 26 September 2017

(Kevin Cooper died 10 August 2012, through Feeling Healing became Celestial on 7 August 2017.)

It is through the assistance of the Spirits of Truth of the Avonal Pair, upon the completion of their Soul Healing, that we will be guided through our Feeling Healing process, and should we embrace our Mother and Father’s Divine Love, then our Soul Healing.

Then should we embrace Mary and Jesus as our Spiritual Teachers of Truth, their Spirits of Truth will lead us on the path through the Celestial Heavens where we will certainly meet up with our soulmate and join our soulgroup, which will eventually consist of twelve soulmate pairs. Then as a soulgroup, the Spirits of Truth of Mary and Jesus will lead us up through and out of Nebadon towards Paradise.

It is then our Mother and Father in Paradise who draw us to them and we will eventually meet our Heavenly Parents.

Meanwhile, while we live on Earth, we will have assistance and guidance previously denied to us throughout the era of the Rebellion and Default. Under the Contract controlling and managing the Rebellion and Default, the powers and capabilities of our Celestial Heaven spirit personalities, all three worlds of them, were heavily restricted and almost of no assistance to us at all. Further, Nature Spirits and our Angels were heavily denied contact with us physical people because of the Rebellion and Default, all of which is soon to change, so we can look directly to them for help concerning healing ourselves and understanding all aspects of nature.

As we embrace our Feeling Healing, Celestial spirits will and can greatly assist us. In fact, during the year of 2017 they have blocked all mind spirits from the Natural Love Mansion Worlds: 1, 2, 4 and 6 from interfering with us. Celestials have taken control of all facets of living and life on Earth. Celestials are those spirits who have completed their Feeling Healing and progressed through Divine Love Mansion Worlds 3, 5 and 7 and now live in the higher Celestial Heavens, 1, 2 and 3 (when we become At One with our Heavenly Parents then we leave the Mansion Worlds and progress through the next three spheres related to Earth, hence the Celestial Heavens are also referred to as being numbered 8, 9 and 10).

The Nature Spirits of Earth, who live in the first Earth plane, can now directly interact with those who are embracing their Feeling Healing. Nature Spirits are essentially ‘angels in waiting’. They have been on Earth prior to anything that we now see living in nature. When they first started to arrive, there was no life in the seas or on land. They have consequently witnessed everything that has happened on Earth, including all prior human civilisations that we continue to largely remain ignorant of. Their knowledge and assistance is of great importance to us. We are to interact with them on an ever increasing scale. They are to become an invaluable source of information for us concerning how we are best to live with nature.

Further, we may become more aware of our **Indwelling Spirit**, which arrives for each of us during our sixth year, as we now progress with our Feeling Healing, or with Divine Love, our Soul Healing.

And all of this is possible as we embrace our Feeling Healing process, acknowledge and accept the Avonal pair, acknowledge and accept our Spiritual Teachers of Truth, namely Mary and Jesus, and more importantly, grow to love our Heavenly Parents, our true Mother and Father.

We do not need intermediaries, rituals, liturgy, dogmas, creeds, fancy clothing, or institutions. It is our soul based feelings and expressions that we may exchange directly with our Heavenly Parents. Groups may form to assist each other, and that is choice and within our free will.

**This is the greatest event in the history of humanity.**

This is the Great U-Turn that humanity will embrace throughout the next 1,000 years. MoC 1,480

# ENOUGH IS ENOUGH

Andon and Fonta, our first parents to long for our Heavenly Parents, lived nearly 1,000,000 years ago. Naïve humanity was seduced by high spirits, the Lucifer pair, to believe they could be gods through their minds, thus men subjected women to subordination 200,000 years ago. This was added to by the default of the Adamic pair more than 38,000 years ago when they failed in their mission.

## REBELLION & DEFAULT **200,000** YEARS

When Jesus with Mary achieved their full Regency of Nebadon, in 26 CE, they immediately had the Lucifer and Satan soulmate pairs assigned to a spirit world prison. Since then, the Creator Pair have been preparing for the end of the Rebellion and Default for humanity of Earth. The Avonal Pair now on Earth, once commencing their Healing, brought about the imprisonment of the Caligastia and Daligastia pairs in the early 1990s. As the Avonal Pair advanced with their Healing they brought about the formal end of the Rebellion and Default, on 31 January 2018. It is now for all of humanity to embrace the Spirits of Truth of the Avonal Pair and undertake their healing of the imposts of the Rebellion and Default.

## Avonal **AGE 1,000** YEARS

Spirits of Truth of the Avonal Pair will guide us through our Feeling Healing and into the Celestial Heavens with Divine Love, then the Spirits of Truth of the Creator Pair will lead us through the Celestial Heavens and out through Nebadon towards our Heavenly Mother and Father in Paradise.

Each generation of 25 years or so will see marginal embracement of Feeling Healing, however 1,000 years will achieve universality.

A few will complete their healing during their lifetime but for many it will be incremental.

Universality of Feeling Healing with Divine Love will see the mitigation of discomfort, pain and illness as well as the imposts of global warming and Earth changes. As those events are to ensure that each of us embrace our feelings, both good and bad, down to the very core, so that we fully come to know who we truly are. Sciences will endeavour to remove pain only to see disease manifest in different forms. Earth disturbances are a result of the Harmonic Convergence of the late 1980s, increasing the rotation of the Earth's central core, this will only abate when humanity has universally embraced Feeling Healing. These influences are only imposed upon us so that we do not step back into the Rebellion and Default through complacency. Live Feelings First. We are to become the true personalities we are, that being daughters and sons of our Heavenly Mother and Father.

We souls are existential, our souls have it all within us, it's a done deal, we are just unfolding in Creation through our personality expression. So our evolution is our growing in truth, the truth already within our soul, with it continually being brought out through our feelings as we live our experiences, thereby 'growing in truth' as we ascend, as we live that truth.

Whereas the angels are experiential, and their soul starts evolving or developing upon their creation. It all being done through their evolving minds. They don't grow in truth like we do, they just grow or evolve in mind. And as they do, the experiences they have individually and then as a created pair, cause the soul of their mind to grow and evolve.

However, those people adhering to the 'Mind Way', as presented by TUB (The Urantia Book), the New Age, and all our religions, is really the angels' way and not ours. So perhaps, that is why TUB has 'mucked it up' because it has to adhere to the Rebellion, which is making us look to the God the Mind, the Infinite Daughter, as the Way to God, when we're to look to God the Truth, the Eternal Son, as the Way to God.

We can't attain Paradise and be with our Heavenly Parents unless we first go through the Eternal Son. We can't do it through and with our minds. That's for the angels to do. So the mind spirits (like most people on Earth and spirit Mansion Worlds), unbeknownst to them, are trying to live like angels, trying to evolve their soul through and with their mind, which can't happen. And if we are like angels going first through the Infinite Daughter on the way to the Mother and Father, then we fall short, never attaining the Son. However as we know, we are so wrong by looking only to our minds, that we can't even get out of the Mansion Worlds, let alone get anywhere near the Infinite Daughter on Paradise.

So our Healing is getting ourselves out of the mind, letting that way go, and coming back to our true selves, which is through our feelings, the truth we are to live from our soul. And once we do that through our Feeling Healing and divine our soul with the Divine Love, then we are free to move to Paradise, up via the Infinite Daughter (with Her and the Divine Minister (and Holy Spirit), nature, nature spirits and the angels' help – all the creations of the Mind), to the Eternal Son and onwards to the Mother and Father. With the Higher descending Paradise Daughters and Sons (Mary and Jesus, Avonal pairs, Trinity Teacher pairs), and local universal descending Daughters and Sons (Lanonandeks, Melchizedeks, etc.), together with our ascending mortal spirit friends (daughters and sons – each other, Nanna Beth, Kevin, etc.), helping us on the feelings and truth side of things.

## Chapter 1: The Decentered Human

- Dante's picture of the world as a series of concentric spheres – heaven the largest – followed by the planets' crystalline spheres down through our Earth's concentric "elements" and the seven circles of hell gave everything and everyone a proper place in the medieval scheme of things.
- For Roger Bacon, scientific knowledge was in service of theology, the purpose of which was to help prepare for the second coming of Christ.
- Descartes famous "I think, therefore I am".
- Descartes's *cogito* became a substitute for the cosmos. Instead of being one with the cosmos, the human could now possess the cosmos; instead of being one with God, the human could now play God. Cartesian subjectivity came to define the modern age.
- At the dawn of the eighteenth century the theologies of Judaism, Christianity, and Islam argued the existence of an unchanging immutable God who ruled a static universe.
- Christian life according to Newton's world: Say you believe in God and you will be saved. Sin against God and you will be condemned. Say you are sorry and you will be forgiven. Obey the law and you will be blessed.
- The Bible spoke of the human person as image of God.
- Modern atheism is less about the death of God than the death of the human person as human, that is, the absence of the human person from the cosmos story as significant to that story.
- Martin Luther's fixation on sin and salvation reflected an "age of anxiety" symbolised by the "wrath of God" and intensified by images of hell and purgatory that drove people to find ways to ease the tension.

## Chapter 2: Wholeness in Nature

- Jesuit scientist Pierre Teilhard de Chardin, one of the most original thinkers of the twentieth century, said that evolution is more than a theory or a hypothesis. It is a general condition to which all theories, systems, and hypotheses must bow, and which they must satisfy if they are to be thinkable and true.
- Evolution is not background to the human story; it *is* the human story. It is neither theory nor fact but a "dimension" to which all thinking in whatever area must conform.
- The human person is not a ready-made fact but the outflow of billions of years of evolution, beginning with cosmogenesis and the billions of years that led to biogenesis.
- Throughout the ages life has constructed organisms of ever greater complexity, and with this increased complexity the organism has also shown an increase in consciousness, that is, an increase of intention, of acting with a goal.
- The human person is not a chance arrival but an integral element of the physical world.
- Teilhard described human distinction in three ways: (1) The extreme physical complexity (apparent in the brain) marks the human person as the most highly synthesized form of matter known to us in the universe; (2) in light of this complexity, the human is the most perfectly and deeply centred of all cosmic particles within the field of our experience; and (3) the high degree of mental development (reflection, thought) places the human person above all other conscious beings known to us.
- Julian Huxley, "We are nothing else than evolution become conscious of itself."
- The dynamic, unfolding process of life – evolution – now defines every area of cosmic life, which includes the infinitely large (cosmos), the infinitely small (quantum reality), and the infinitely complex (*Homo sapiens*).

- Space is not an empty stage, and time does not flow at a fixed rate. Rather, space and time form a single dimension, each relative to the other.
- We do not live in a three-dimensional universe but a multidimensional universe; some scientists suggest that the universe may have up to eleven dimensions.  
(Note: The term spheres and dimensions are interchangeable. There are more than eleven spheres / dimensions enveloping Earth. This is so for every planet and sun.)
- Our own galaxy, the Milky Way, is a mid-size galaxy consisting of at least 200 billion stars, and stretching about 100,000 light years in diameter.
- Gravity alone constructed a comic architecture that is filamentary and beautiful. But the universe is also composed of tremendous quantities of something that emits no light. This is known as *dark matter*, and it constitutes the majority of mass in the universe.  
(Note: One's soul condition determines one's destination upon having socialised following arrival within the 1<sup>st</sup> natural love sphere. One's soul condition is matched with the gravity of a sphere and plane and is subsequently drawn to that location. From there the soul can develop in love and progress to higher levels of planes and subsequently to higher spheres radiating in higher levels of love. No one is destined to a fixed location. We evolve within the spirit worlds – ALL of us. There is no such thing as 'eternal damnation'.)
- Quantum physics is the study of the behaviour of matter and energy at the molecular, atomic, nuclear, and microscopic levels.  
(Note: Science is progressively discovering finer and finer substances. Nuclear Engineer Mehran Keshe has discovered that plasma contains the energy referred to as dark matter. Divine Love is a substance finer than plasma. Divine Love is a light golden blue energy substance, this is the energy by which we perfect our natural love soul and fit ourselves to enter the Celestial Heaven and to progress further.)
- What we call a part is merely a pattern in an inseparable web of relationships. Therefore, the shift from parts to the whole can also be seen as a shift from objects to relationships. A system is an integrated whole whose essential properties arise from the relationships among its parts. Nature is an interlocking network of systems, an "unbearable wholeness of beings", as Stephen Talbott writes. Nature is more flow than fixed. "The body", he states, "is a *formed* stream". Structures, once formed as stable, do not necessarily stay that way. The cell as a whole, even an un-dividing cell such as a neuron, may experience a complete replacement of its contents a thousand times or more over the course of its life. Many of the body's structures are more like standing waves than once-and-for-all constructed objects. Organisms show a meaningful coordination of activities whereby a functioning and self-sustaining unity engages in flexible responses to the myriad stimuli of the environment. Nature is like a choreographed ballet or a symphony, whereby an organism is dynamically engaged in its own self-organisation, pursuing its own ends amid an ever-shifting context of relationships. Today we know that there are different living systems, all of which are integrated wholes whose essential properties have arisen from the interactions and interdependence of their parts.
- We are more than our genes; we are our relationships.
- Although scientist are only beginning to understand the complexities of nature in terms of networks and integral systems, the idea that nature has an unbearable wholeness is irresistibly attractive in view of God.

### **Chapter 3: Love, Sex, and the Cosmos**

- We understand the details concerning the consequences of this gravity's attraction. We do not understand the attraction itself. Our universe could have been different, operating on other laws that would have shaped it completely differently. However, our universe, which is governed by attraction and allurements and held together by gravity, is the one we live in.

- Teilhard describes this “something” as the energy of consciousness.
- Consciousness is the core of evolution.
- Evolution seems to be the unfolding of mind, and one might say that the evolution of the cosmic mind provides new ground for the return of the world soul.  
(Note: One’s mind is based within one’s spirit body, the spirit body is the template for the physical body.)
- Development of consciousness is *a transition from a lower to a higher state of centro-complexity*, but centricity is another way to talk about integration.
- The classical work of Anders Nygren, *Eros and Agape*, set off wide-ranging debates on love that continue to this day. Love known as *agape* is love that continues to this day. Love known as *agape* is love that is unconditioned, spontaneous, or unmotivated. It is indifferent to any type of reward or reciprocity and thus opposed to what can be called self-love. *Agape* is the simple yet profound recognition of the worthiness and goodness in a person’s “self-giving” or a “person’s spending himself freely and carelessly for the other person”, the “unconditional willing of the good”. *Eros*, on the other hand, speaks of desire and longing, to accumulate for ourselves what we find valuable but not to covet or desire a person at the expense of overall well-being. Edward Vacek defines *eros* as “loving the beloved for our own sake”. Jay Oord identifies *eros* as “acting intentionally, in sympathetic response to others (including God), to promote overall well-being when affirming what is valuable, beautiful, or excellent”. He states: “Whereas *agape* repays evil with good, *eros* affirms the good perceived and promotes it”. While this may be true it does not capture the heart of *eros*, which is passion or desire. *Eros* is that ineffable longing that stretches beyond oneself for the sake of oneself. This deep, aching desire is not in contrast to *agape* but is related to it. This longing for the other impels one to act wholeheartedly for the other.

There is a third type of love that exists between *eros* and *agape* and may be the thread between them, that is, *philia*. Vacek argues that *philia* is the goal of the good life. “In *philia*”, he writes, “persons give themselves over to the relationship and thereby create a good that they could not separately achieve”. *Philia* is love expressed in communal life or life together. It has often been “rejected or displaced in favour of an individualistic, non-mutual, and task-oriented love”. But it may be the most cosmic of love because it is based on mutuality, reciprocity, and cooperation – with the purpose of promoting overall well-being or to promote well-being by cooperating with others.

Love is not an epiphenomenon, something that human nature acquires, but rather it undergirds and complements the rise of consciousness. The evolution of consciousness and the deepening of love support the rise of wholeness in nature.

(Note. Love is not an emotion. There are only two forms of love, both are beautiful and compatible with each other. Natural love is the energy substance that forms our soul, and of that love there is nothing of the Divine within natural love. Our natural love soul is the source of our personality, intelligence, memory, and is our real self. Each soul is unique in itself. Divine Love is the light golden blue energy substance that we receive when we ask for it. It is the Divine Love that perfects our soul and gives us the potential to grow in love well past the functionality of natural love. It is the Divine Love substance that brings about the immortality of our natural love formed soul. We never lose our personality.)

- Love is the integrated energy field, the centre of all centres, the whole of every whole, that makes each whole desire more wholeness. While love-energy may not explicitly show itself on the level of pre-living and the non-reflective, it is present inchoately as the unifying principle of wholeness as entities evolve toward greater complexity.
- Love-energy marks the history of the universe.
- It “is the most universal, the most tremendous and the most mysterious of cosmic forces. The physical structure of the universe is love.”

- For Teilhard, union is the primary category; to be is to be united. Being is the outflow of union, and union is always toward more being. The term being has no real meaning unless it is considered first as union and then as being-in-union or what we might call “interbeing”. Reality is woven through layers of bondedness; cosmic life is intrinsically relational. The poet Wallace Stevens wrote, “Nothing is itself taken alone. Things are because of interrelations and interactions.”
- Teilhard’s insights on love-energy as the core energy of evolution provide a new basis to understand cosmic nature.

**With DIVINE LOVE one’s potential in growth is to infinity, progression is typically many multiple times faster than for those who remain NATURAL LOVE dominant and restricted in their growth potential to that of only becoming the perfect man whereas Divine Love enables at-onement with our Parents and entrance to the Celestial Heavens and beyond.**

- Love is related to the radial energy of consciousness, so that emergent wholeness and direction are linked. Love-energy is the “beingness” of matter and underlies the intelligibility of the natural order, which means that love is the basis of all real knowledge. While philosophers render love secondary to knowledge, mystic value love as the end of all knowledge in which nothing exists alone and everything becomes.  
(Note: Natural love energy is the substance that forms our soul, within this substance is our intelligence. Divine Love energy perfects one’s soul, however, this substance does not directly grow one’s intelligence.)

- The only right love is that between couples whose passion leads them both, one through the other, to a higher possession of their being.
- Authentic sexual love (without control or manipulation) is the emergence of spirit: “Without ceasing to be physical, in order to remain physical, love will make itself more spiritual.”
- Modern culture’s preoccupation with the physical body and the exploitation of the body as soulless matter reflects the deep human disconnect from self, neighbour, Earth, and God.
- Evolution continues through humanity only when there is consciousness of love as the integral wholeness of love that includes a healthy sexuality. Awareness of our desires and attention to our deepest longings must orient us toward unified heart and consciousness. Love is more than a survival mechanism; it is the fire breathed into the fabric of the cosmos that enkindles life, rendering life more than a biological function. Love turns passion into transformative power.
- On the level of human consciousness, the core energy of personal / sexual love must reach out to the wider realm of humanity that includes love of neighbour, friendship, and love of the stranger. Love, sex, and cosmic evolution are intertwined in a field of integral wholeness; to deny, avoid, or negate any of them is to thwart the process of deepening life.
- Love draws together even in the face of resistance. If energy is the fire of life, then love is the energy of all life. Evolution rests on the power of love because what ignites the core of being is ultimately unitive and transformative.

#### Chapter 4: Birthing a New God

- The very existence of the cosmos points to One who is not cosmos but whose existence renders the cosmos its existence. This is God, the name above every other name because it is the name of the whole. God is the whole of every whole. God is not created being, and created being is not God, but God is one with created / cosmic being and created / cosmic being is one with God. Panentheism means that God is in the cosmos and cosmos is in God, but God is more than the cosmos by the nature of being God.
- “Why are you living? life.  
(Note: Our soul is pre-existing to our conception / incarnation. Prior to conception our soul is unaware of itself. The process of conception / incarnation is to enable our soul to become self-aware and individualised. The process of incarnation is the individualisation of the soul. It matters not that the embryo may only be viable with the soul imbedded within the newly forming spirit body which in turn is the template of the forming embryo, for only a few days or even minutes, the process of individualisation is complete and no further incarnation is necessary, let alone possible.)
- “God is closer to me than I am to myself.”  
(Note: We each have attached to our being an Indwelling Spirit. This is the instrument that continually and patiently but persistently encourages us to search for and connect with our Creator.)
- God is existence itself.
- Creation exists because God exists, and because God exists creation exists, that is, God and creation mutually co-inhere.
- God is the *supranatural* centre of everything that exists.
- “I can be saved only by becoming one with the universe.” That is, we are not rescued *from* the world by divine grace; rather, we are saved or made whole in and through the world by cooperating with Divine Love.  
(Note: Forgiveness is the receiving of Divine Love. The greatest error / sin that we can incur is by refusing to receive our Mother and Father’s Divine Love. By refusing the gift of the Father’s Love that is conveyed to us by his instrument, the Holy Spirit / Acting Spirit, we are denying ourselves of being forgiven. It is the receiving of our Mother and Father’s Love energy that slowly but progressively melts away our soul injuries, the emotional errors that encrust one’s soul.)

- Evolution is enfolding space-time, not only in this visible universe but in all universes where there is the capacity for love.
- God's love is divine, dynamic energy. (Note: Divine Love is a light golden blue energy substance.)

### Chapter 5: Love and Suffering

- We think of religion as something institutional, static, and ritualistic, but the meaning of religion, "to bind back" (from the Latin *ligare*), connotes dynamism and transcendence, an active yearning for ultimacy. This yearning is the "suffering" of incompleteness, the desire to be "bound back" to something more whole and transcendent; it is within everything that exists but comes to explicit consciousness in the human person. Religion is the transcendent dimension of being's desire for ultimate wholeness. In some respect every aspect of evolution bears a religious dimension because everything yearns for more life. Religion is more than the institution of cult and worship; religion is the heart of evolution.
- The name God refers to the divine energy of love that is dynamic, relational, personal, and unitive. (Note: God's Divine Love, Pray for It, ask for It, and receive It.) (We must ASK for It to receive It.)
- God is not so much the beginning of evolution as its direction. Even in human relations the truth of love is revealed at the end of a long, loving relationship, not at the beginning.
- God is a beggar of love waiting at the soul's door without ever daring to force it. (Note: We have been gifted with free will. Our free will is never imposed upon. If we do not ASK for the Father's Love, His Divine Love, it will never be imposed upon us!)
- The theodicy question is not why God allows bad things to happen to good people but why we abandon God in the face of suffering. (Note: The consequences of our free will choices become clear during our physical life.)
- Love is not a concept but a powerful, transforming energy that heals, reconciles, unites, and makes whole.
- If God is love then our only freedom and hope are in God.
- Welcoming God into our lives. (Note: By embracing the Love, the Father's Divine Love, we can begin to have an experience of living life the Divine Love way. Try the experiment.)
- The only way to know this God of love is to pray.
- To make a place for God within is to enter into the heart, to let go in that inner space and evolve in greater unity in love. God is born from within when we come to know ourselves in the Divine Love that begins to live deep within us. There too we discover that we are not strangers in this evolving universe. We are its future. (Note: As we long for, desire for, and receive the Love, we will develop in our wholeness of being and commence to physically feel the Love entering us. This will be a subtle soft feeling that will become very clear and real for those who embrace the greatest Gift within all of the universes.)

### Chapter 6: Sacred Secularity

- Every since the Enlightenment, intellectuals of every kind have believed that the principle consequence of modernity has been the decline of religion.
- The word *saeculum* originally meant an indefinite period of time but became synonym for ungodly. To secularise is to make worldly or to convert religious things into profane ones. Secularity pertains to the world or the values inherent in earthly activity. It is not necessarily opposed to religion, although secularization has relegated religion to one activity among many.

- The political structures of modern nations, as well as socioeconomic spheres of activity, have come to operate by norms and principles independent of explicit religious dictates. Religion has faded from public space and concentrated itself in personal belief and practice.
- Religion has shrunk because we have made it a personal matter and have limited it to personal salvation. Religion has become very anthropocentric (humankind being the centre of existence), as if the only need for an ultimate ground is the human person. We do not realise that religion belongs to *the whole of humankind* and thus the cosmos. Teilhard wrote: “The birth of my faith represents no more than an infinitesimal element of a vastly wider and more certain process, common to all men. And thus it is that I find myself obliged by the very logic of my process to emerge from my individualism and confront the general religious experience of humankind, *that so I may involve myself in it.*”
- Christ plays in ten thousand places. (Note: Christ is finite.)
- By emphasizing the soul as a form distinct from the body (rather than the constellation of energies in a distinct personality), the human person has become depersonalised, the soul depicted as trapped in matter and destined to a better world. (Note: Refer to infographic: Meaning of Life.)
- The present form of Christian religion does not promote organic unity but fragments the whole into individual parts, making religion a great exception rather than integral to life and the power to energise life’s growth. Christianity, Teilhard writes, “gives the impression of not believing in human progress.”
- “I merge myself through my heart with the very heart of God.” This heart-centred being-in-the-world is a penetrating vision that sees the divine depth of worldly things.
- Christianity is less a religion of formal ritual and worship than a return to human personhood. God is not somewhere in a heavenly sphere or a type of virtual reality; God is truly in our midst, as one of evolutionary us.
- Love is the core energy of cosmic personalism, the depth of being and dynamically unitive. Religion is not a feeling of inspiration or motivation; neither is it static love. Rather, religion is the call to wholeness, to union-in-love. Every world religion shares in this call in its own unique way.
- Since love is the core energy of evolution and every religion bears a unique expression of love, all world religions are in evolution. The mystical dimension of every world religion is to seek unity with the Divine.
- As long as religions remain in conflict, evolution is thwarted in its forward direction and the Earth suffers the pains of division.
- Teilhard spoke of “a general convergence of religions upon a universal personal centre of unity that fundamentally satisfies all religions” made possible by the evolution of the computer and the new level of mind through the World Wide Web.
- Casanova notes that in our globalised era “all religions can be reconstituted for the first time as de-territorialised global imagined communities, detached from the civilisation settings in which they have been traditionally embedded.” Through the internet and mass migration, each world religion is being dissociated and reconstituted on the global level through interrelated processes of particularistic differentiation, universalistic claims, and mutual recognition.
- We are surrounded by a certain sort of pessimists who continually tell us that our world is foundering in atheism. But should we not rather say that what it is suffering from is *unsatisfied theism*?
- If the great spiritual concern of our times is a re-alignment and readjustment of old beliefs toward a new Godhead who has risen up at the anticipated pole of cosmic evolution – then why not simply slough off the old – why not, that is, regroup the whole of Earth’s religious power directly and pay no attention to the ancient creeds? Why not have a completely fresh faith, rather than rejuvenation and confluence of “old loves”?

- First of all, in each of the great religious branches that cover the world at this moment, a certain spiritual attitude and vision which have been produced by centuries of experience are preserved and continued; these are indispensable and irreplaceable for the integrity of a total terrestrial religious consciousness, the cosmic forces of complexification, it would seem, proceed not through individuals but through complete branches. What is carried along by the various currents of faith that are still active on the Earth, working their incommunicable core is experience of contact with a supreme inexpressible which they preserve and pass on.
- The convergence of religions must be centred on love, Divine Love, as each religion expresses love and union with the divine in its own particular way.

## Chapter 7: Christian Love

- Christianity is a religion of personhood rooted in love; at least this was the core message of Jesus. It lost its core personality when it adopted the Greek notion of soul and the supernaturalism of the divine. The human person became a synthesis of parts in which the soul held priority over the body, giving the impression that “Christians do not believe in human progress.”
- We set our eyes on another world in hope that we could merit entrance into it. But we humans are not transients, renting a home in the cosmos until we can move to a more permanent one. Human life is not extrinsic (not belonging to) to cosmic life, a strange species in an otherwise natural world.
- We are the latest arrivals in an evolutionary universe; we emerge from the whole and are integral to it. Evolution becomes conscious in us so that our task is not to leave the world but to see it in its divine depth, overcoming the forces of alienation that threaten to depersonalise culture.  
(Note: Now that the essence and nature of Divine Love is understood through the guidance and writings received over the past 101 years, it is clearly possible for one to evolve, and that is to develop one’s soul condition so as to be fit to live within the Celestial Heaven whilst living here on Earth in the physical body.)
- Patristic and medieval writers spoke of creation as the first book of revelation (Genesis).  
(Note: The first five books of the Old Testament of the Bible are said to be written by Moses. The Pentateuch is known as the first five books of the Bible and includes Genesis, Exodus, Leviticus, Numbers, and Deuteronomy. This is so. Moses copied these works from amongst the set of clay tablets that were brought from Lemuria (Mu) to Maiou, Nubia, on the Nile in Upper Egypt. These clay tablets are referred to as the Sacred and Inspired Writings dating back some 70,000 years. Aman and Amon, our first parents, were our first teachers.)
- The Catholic Church remains ambivalent with regard to evolution. The church recognises evolution as a possible scientific explanation of biological life but does not accept it as *the* explanation of all life. Hence, evolution is not considered in its philosophical implications and is not integral to the development of theology or doctrine.

<b>Correlation of Levels of Consciousness (MoC) – Soul Condition – and Society Problems</b>

< 50	95%	65.0%	0%	98.0%

- The church maintains that evolution is a theory not a fact (pace, modern science). Without evolution as the starting point for revelation, however, Christianity becomes increasingly irrelevant to the world of which it is a part.

- Frustratingly, Teilhard writes: “The truth about today’s gospel is that it has ceased, or practically ceased, to have any attraction because it has become *unintelligible*.”
- The doctrine of incarnation requires faith in God’s self-involvement in history. We can consider God becoming flesh both historically and cosmologically. These ways are not exclusive, but the West has focused on the historical while the East has emphasised the cosmological. The historical way looks at the human history of God in the person of Jesus of Nazareth, that is, the context and community in which Jesus was born and lived out his public ministry.  
(Note: Jesus is finite.)
- The church fathers defended the Incarnation at the Council of Chalcedon in 451 CE as a true union of divinity and humanity.
- After the death of Jesus his disciples experienced his resurrection as the Christ, Omega, the integrated whole. The early church had a sense of Jesus on the edge of chaos and emphasised a new power in the human person because of the risen Christ.
- Teilhard writes: “The Incarnation is a making new of all the universe’s forces and powers.” Personal Divine Love is invested organically with all of creation, in the heart of matter, unifying the world. By taking on human form Christ has given the world its definitive form – personalisation.  
(Note: Our soul is formed of the energy substance, natural love, there is nothing of the divine within our soul at its conception and its incarnation / individualisation. When we ask for the Father’s Love, our soul is then infused with Divine Love. We can share our natural love, however, no person can convey Divine Love to another. Only by the individual asking for Divine Love does that person receive It through the instrument of the Father, namely the Holy Spirit / Acting Spirit.)
- Christification is personalization of the universe by which love unifies and rises in consciousness. In this sense all religions participate in the evolution of the cosmic Person – christogenesis – through their own particular forms of worship, prayer, ritual, and belief.  
(Note: Belief when experienced becomes a knowing. Receiving Divine Love is experienced and then becomes known. Many receive the Father’s Love in a small way and do not recognise the event, and as such, they continue in their believing.)

- Kearney states, “Christian caritas as a refusal of exclusive power is a summons to endless kenosis.” (knowledge) To be free in love, however, we must know ourselves as being loved, and this means accepting ourselves as lovable.  
(Note: In July 1924, during the international [Eucharistic Congress](#) in [Amsterdam](#), 60 delegates from 22 countries formed a conference, with headquarters at Caritas Switzerland in [Lucerne](#). In 1928, the conference became known as Caritas Catholica.)
- Through billions of years with billions of violent events – cosmic cataclysms, massive explosions, biological extinctions, war, cannibalism, tornados, earthquakes, death – Divine Love has persevered without perishing because Divine Love can never be extinguished.  
(Note: Divine Love was available to our First Parents, Aman and Amon, from the start of their lives until they stepped away from dependence upon the Father, at which time the Love was withdrawn from humanity. Some of their children received the love during their early part of life on Earth. At the time of the birth of Jesus of Nazareth, the availability of the Divine Love was rebestowed upon humanity and will continue to be available whilst humanity continues to live on Earth.)
- That is why humanity has no real future and cannot evolve without returning to love at the core of being.
- God will not save us, indeed cannot save us, if we are without love; without love we are without God.  
(Note: The availability of Divine Love is our salvation.)

## Chapter 8: Love, Learning and the Desire for Power

- Christian love was never, from the outset, a type of emotionalism or individual piety. Rather, it demanded thoughtfulness, a vision of the heart that could see the truth of reality. The fathers of the church developed a holy alliance of learning and loving through knowledge of the scriptures, philosophy, astronomy, physics, grammar, and rhetoric. Meditation and contemplation were integral to the philosophical quest for truth. Contemplation was serious business because it was the gateway to the real.
- The purpose of education in the ancient world (*paideia*) was to show individuals how to define themselves authentically and spontaneously in relation to the world – not to impose a prefabricated definition of the world, still less an arbitrary definition of the individual alone. Learning was a matter of interior freedom, which meant the capacity to find oneself on the deepest possible level and from there to act. What early scholars showed was that the world is more real in proportion to the people in it; to be consciously alive as a human person was to render the world more fully and consciously alive.
- Bonaventure: Knowledge was not the end of study but the means to love. Wisdom is knowledge deepened by love, and the highest wisdom, contemplative wisdom, entails a love that transcends all understanding and knowledge.
- Descartes’ self-thinking subject initiated a downward trend of disconnectedness. Thinking became detached from anything outside of self so that the self-initiated thought collapsed into a dead end under its own weight.
- What was the purpose of knowledge in a world divorced from God? The university became a system of objective knowledge, methodical and mechanistic. Knowledge was no longer in the service of love but in the service of power. Love was reduced to sentiment or inward piety, untethered from the world of meaning and purpose.
- Knowledge is the means to exit the trap of worldly despair by creating the conditions for a new paradise.

- The starting point for education reform is awakening to the fact that we no longer live in a mechanistic universe. Ours is an evolutionary universe.

- Teilhard rejected Scholastic theology because it divorced knowledge from experience. Abstract knowledge is sterile and lifeless. This type of abstract knowledge has made theology impotent to effect real transformation of life in evolution.
- Religion, education, and evolution go together.
- We need to rediscover the link between knowledge and love, a penetrating vision of wisdom by which one knows in a way more deeply than the mind alone can grasp.
- Wisdom is knowledge deepened by love. The wise person thinks with the heart.  
(Note: Faith becomes belief, then belief becomes experience, and experience realises a knowing.)

## **Chapter 9: Technology and Noogenesis**

- Noogenesis is the emergence and emergence of intelligence.
- Teenagers prefer to text than talk because talking for them involves too much information, too much tension, too much awkwardness. They like the idea of a communication medium in which there doesn't need to be awkwardness. You leave before you're rejected.
- The relationship among iPhones, Google, and institutional religion may not seem obvious, but the loss of human identity has stimulated the scientific imagination to fill in the deep hole left by the absence of religion from our everyday lives. The hope for more life and deeper consciousness, once the stuff of religion, has been transferred to a technological utopia.

- Although we are socially linked through various Internet sites and have immediate access to information, we are simultaneously connected and disconnected. We sit alone as we privately engage in our social Internet worlds. The technology that joins us together keeps us apart, creating in real time a virtual community that ultimately abandons nature.
- Noreen Herzfeld discusses the prevalence of violent video games among teenage boys where one can play in the “god mode” and control life and death. She indicates that playing violent video games may be rewiring the human brain or at least enhancing those brain centres associated with violence and aggressive behaviour.
- Addiction to violence through constant exposure to violent imagery may be desensitizing youth to violence and perhaps depersonalizing them as well.

(Note: **Television and Computer Games:** P.230 Power vs Force by David R Hawkins  
While the young are being programmed by specialised TV and computer games that glorify violence, their parents are being brainwashed by adult media. Kinesiological testing showed a fairly typical TV serial caused test subjects to go weak 113 times during a single episode. Each of these weakening events suppressed the observer’s immune system; each weakening reflected an insult to the viewer’s central as well as autonomic nervous system. Invariably accompanying each of these 113 disruptions of the acupuncture system were suppressions of the thymus gland; each insult also resulted in damage to the brain’s delicate neurohormonal and neurotransmitter systems. Each negative input brought the watcher close to eventual sickness and to imminent depression – now the world’s most prevalent illness.

Subtle grades of depression kill more people than all other diseases of mankind combined. There is no antidepressant that will cure a depression which is spiritually based, because the malaise does not originate from brain dysfunction but from an accurate response to the desecration of life. The body is the reflection of the spirit in its physical expression, and its problems are the dramatisation of the struggles of the spirit which gives it life. A belief that we ascribe to “out there” has its effect “in here”. Everyone dies by his own hand. That is a hard clinical fact, not a moral view.)

- If we do not like our virtual friends, we can delete them.
- Technology is not out of control because it is a real power, but because we cannot control what is supposed to control it: namely, ourselves.
- The word *noosphere* means a sphere of the mind. A planetary “neo-envelope” *essentially linked with the biosphere* in which it has its root, yet is distinct from it. It is the natural culmination of biological evolution and not a termination of it. Just as Earth once covered itself with a film of interdependent living organisms that we call the biosphere, so humankind’s combined achievements are forming a global network of collective mind, a new inter-subjectivity. The noosphere is a new stage for the renewal of life and not a radical break with biological life.
- If there is no connection between noogenesis and biogenesis, according to Teilhard, then the process of evolution has halted and man is an absurd and “erratic object in a disjointed world”. If evolution is the emergence of consciousness (which it is), then the development of the World Wide Web has ushered in a new type of consciousness unparalleled in human history.
- The noosphere is a level of shared consciousness that transcends boundaries of religion, culture, and ethnicity. It is a sphere of collective consciousness, a new interior consciousness that is showing itself in the way culture is organising itself around social networks.
- The age of nations has passed, according to Teilhard, and unless we wish to perish, we must shake off our old prejudices and build the Earth.

(Note: Only by bringing about the awareness of the availability of Divine Love globally will we be able to step above the environments that embrace war. We, as a planet, have embraced war and deem it to be socially acceptable. Those nations whose collective soul condition is under 200 on

Dr David Hawkins' Map of Consciousness (MoC) scale are the regions where war prevails, further 95% of these wars are 'religious'.)

- The power of the computer to link humanity together on a new level of consciousness suggests a forward movement of spiritual energy. The noosphere is an organic whole and points to a new type of superconvergence and unification.
- Institutional religions have become untethered from daily life and the dynamic spirit of human evolution. War, injustice, poverty, and violence continue to plague the Earth, while anticipation of other-worldly life dominates religious rhetoric. We have no real sense of belonging to a christogenic web of life.  
(Note: Refer to the charts within Chapter 7 above.)
- "Religion, born of the Earth's need for the disclosing of a God, is related to and co-extensive with, not the individual human, but the whole of humankind."
- The noosphere is not simply a new level of global mind; rather, the new level of global mind is the emergence of Christ.  
(Note: Jesus with some 1,000 assisting spirit personalities, mainly Celestial Spirits, has delivered the guidance and teachings', pertaining to the greatest gift in the entire universe, and that is the availability of the Father's Divine Love. These writings commenced on the 31 May 1914, and concluded on 7 January 2016, have now been published.)
- For evolution to advance to the next level of shared humanity and deepened consciousness, religions must unify on the level of love and consciousness of an ultimate ground.  
(Note: The renewal of the knowledge of Divine Love and its features is the new ground that all religions of the planet can embrace and then enable their constituents to become aware of. This is the greatest gift that anyone can share, the knowledge of the availability of Divine Love.)
- In this respect, the noosphere is not simply a new level of global mind; it is the emergence of Divine Love as a way of life, that is, living one's life with the Love, the Divine Love.
- We must strive not to enhance ourselves or transcend our biological limits. Instead, we must deepen our capacity to love, and to do this all we need consider doing is asking for the Love, the Divine Love.

## **Chapter 10: Contemplative Evolution**

- In the life of Jesus a power of love emerged that challenged rote cultic practices and religious tribalism, a power to direct evolution toward greater oneness. Jesus showed us a "conscious love", one that sees, feels, and unites with others for the sake of life.  
(Note: Jesus embraced the Love of the Father from early childhood. Through the continual asking for and receiving of the Divine Love, Jesus obtained the soul condition that enabled him to enter the 10<sup>th</sup> sphere in the spirit worlds, the highest sphere in the Celestial Heaven, immediately upon his death. Possibly it was only Apostle John and Mary of Magdalene that understood what Divine Love was by the time Jesus was murdered. Apostle Paul and John the Baptist were unaware of the Divine Love during their lifetimes. Over the following one or two hundred years, the limited understanding of what Divine Love was lost to humanity. This prevailed until the writing of the Padgett Messages during the years from 1914 to 1923. Additional writings are now a dozen books.)
- Jesus initiates a new Big Bang; his life symbolises a new Singularity, an explosion of cosmic love that ushers in a new presence of God. This new spirit of love is deeply religious without being formally religious, deeply secular without being profane.  
(Note: The rebestowal of the availability of Divine Love is for all of humanity without conditions, other than the asking for it. Divine Love is the greatest gift from God throughout the universe.)

- “The day will come when, after harnessing the ether, the winds, the tides, gravitation, we shall harness for God the energies of love. And, on that day, for the second time in the history of the world, man will have discovered fire.”  
(Note: Divine Love was available during the early part of the ensouled lives of Aman and Amon. The second time Divine Love became available for humanity commenced with the birth of Jesus and the availability will continue whilst humanity lives on Earth.)
- Christian life is a consciousness of evolution in love and a new way of being in love. It is the outflow of an inner love that begins with self-knowledge.  
(Note: Living life with Divine Love has rewards beyond comprehension. With the Love, one can live heaven while physically living on Earth.)
- “A new command I give you: Love one another. As I have loved you, so you must love one another” (John 13:34).  
(Note: This is the eleventh commandment that Jesus gave, and it is intended to be the first of the eleven commandments. The Catholic Church, after some 2,000 years, is still to incorporate this first and most important commandment into the Commandments that it teaches!)
- Love is not a marketing tool; it is a form of worship, a transcendent spiritual power. It is the deepest creative power in human nature. It is bearing life as gift. It responds to the full richness, the variety, the fecundity of life itself. It “knows” the inner mystery of life and enjoys life as an inestimable fortune in a way that materialism or consumerism could never fathom.
- Christianity was never intended to be a religion of the book, an intellectual exercise, or a cultural artefact.
- Jesus’ law of love is the law of Christian discipleship.
- Despite the church’s efforts to promote the good news among us, the ladder-climbing culture of modernity has made us unfree in our own skin, distrustful of others, and unloving creatures.  
(Note: The compounding of assumptions upon assumptions over 2,000 years has created such questionable canon laws, dogmas, creeds, rituals, and teachings that the population are now seriously considering questionable, irrelevant, absurd and unloving. Now the guidance and teachings are available to bring afresh the Love and the way for all to go forward from here.)
- Justice is not an achievement but an evolution in love.
- “George Bush used explicitly evangelical language to demonise the “axis of evil”, confessing that “God” guided his decision to bomb Afghanistan. He claimed he was on a mission from God when he launched the invasions of Afghanistan and Iraq, saying “God told me to end the tyranny in Iraq.”  
(This statement calibrates on the Map of Consciousness at 80.)  
(Note: God is all love. When we enter the spirit worlds and progress beyond the 1<sup>st</sup> natural love sphere, which is the sphere that we all arrive at, transition into, when we shed our physical body, we move into environments where there is no fear. Upon reaching the Celestial Heaven, Celestial Spirits are so devoid of fear that none of their communications convey any hint of fear. God is totally absent from any environment of war – totally!)
- Baptism and Eucharist are public commitments to emergent creativity, to new expressions of Christian love that generate more love, more being, and more consciousness. But we need to ritualise these sacraments of integral wholeness in a way that reflects our new inner consciousness, one that is more ecological and communal. If liturgy, life, and culture can meet on the level of consciousness, we will evolve to a new level of love.  
(Note: The review of the above will be plain and simple to achieve subsequent to one’s study of the writings of the last 101 years.)
- The destiny of humanity and the aim of the cosmos are intertwined in the mystery of Christ.
- Teilhard spoke of the human person as a co-creator. But this he meant we are not passing through a stormy world like a ship on a turbulent sea; rather our choices and decisions shape the future

direction of evolution. We are created to evolve into a new future; the choices we make in love and for love co-create our future.

- When love is stifled, controlled, manipulated, or supplanted by law, when authority presses down from above, threatening to extinguish the burning desire to evolve, when love is overpowered by fear, then evolution is thwarted, defeated in its urge to go forward. To say that love is the heart of the universe is to realise there is spontaneity and creativity in our midst.  
(Note: This time in the history of humanity, is the most exciting time ever experienced.)
- A world opened to the future makes the present rich in possibilities to create something new.
- All religions are religions of evolution, a consciousness of Divine Love empowered reality.
- The more Divine Love can shine through the core of our lives, the freer we are to overcome the impasses we find ourselves in, the feeling of abandonment or of being crushed by powerful forces beyond our control.
- God is a beggar of love seeking to be love at the heart of this evolutionary creation; yet God cannot enter into our world without us.  
(Note: Unless we apply our free will and ask to receive the Father's Love we do not receive It.)
- The challenge is not to argue or defend evolution but to drench ourselves in it, to go inward and meet, in silence and solitude, a power no human power can vanquish. This is Divine Love, always dynamic and ever new, love that empowers us to go beyond ourselves by imagining and creating a world worthy of love.
- We point the way to something more than ourselves, something up ahead that we are now participating in, where heaven and Earth will be renewed.
- To do so we must fix our eyes on the future, on forging new relationships of love that include the Earth, all peoples, all religions, all planets and all galaxies.
- Through Jesus' teachings, Divine Love bursts forth with hopes and dreams for a new world. This new world is within our reach if we awaken to the power of love within us as the power to create anew.

### **Conclusion / Unfinished**

- Even in death everything is in process of becoming something new. Hence, death appears as final only until we realise it is the only way we can evolve.
- Divine Love evolves the universe as it leans into an unknown future.
- The good news of Jesus Christ is not so much what happens to us but what must be done by us. The choices we make for the future will create the future. We need to reinvent ourselves in love.  
(Note: Living life with Divine Love is the gift of living that we can all be blessed with.)
- Evolving love is birthing religion anew, but it requires new symbols and images that communicate the reality in which we are immersed.
- Our ecclesial, political, economic, and social systems come out of a "**men-tal**" consciousness, a male, top-down system of analysis based on precise and detailed understanding of parts.
- Perhaps what is seen most in this new age of integrated wholeness is the urgent need to wake up religion.
- Christianity is a religion of wholeness; it gathers together, tells the story of the whole, and symbolises the whole through prayer and worship. Community is what happens when oneness is at the heart of being. Religion brings to light the transcendent nature of the cosmos, the excess of love that lures the whole into more love and a new future. Religious practices should connect inner and outer worlds into a unified whole, so that what fills our inner worlds, our hearts and minds, is expressed in our outer worlds, our actions and decisions.
- We live religiously in the Middle Ages and culturally in a scientific age.

- Teilhard saw that by not engaging evolution, the church would become enervated from within, weakened by the need to control and maintain order rather than letting go to evolve.
- God is not the divine mechanic above the power of love within – the unbearable wholeness of love pushing through the limits of being to become more visible and alive. God beyond us, within us, and around us must return to the centre of what we are if we are to evolve toward a new, ultra-humanity.
- In the end it is love that matters; all else will pass away.
- We need a thoughtful love, a wisdom that sees and knows more deeply; a faith that trusts in the power of God who lives beneath our wings. Ours is the age of something radically new; it is more than a reformation; it is an evolution in love.
- God cannot do for us what we must do for ourselves, empty our lives of the inner clutter and noise so that we may welcome God within. Only when we allow God to be God for us can God save us, because Divine Love can do no other than make whole.  
(Note: It is the receiving of Divine Love that completes our being.)
- God’s love is unmanageable and unruly; it is creative, spontaneous, and novel (but never changing). It slips in between our controlling urges and dwells in the unbearable wholeness of our being. What a cunning God this is who hides in lepers and appears through a carpenter-turned-preacher. Prime mover? Divine Love is beyond what the human mind can imagine or invent; it is not logical or predictable (but it never changes). It has empowered life from the beginning and promises to stay forever because love is ever new, ever more whole, deepening in the rich creativity of life’s playfulness. We all have a part in this unfolding love. We are wholes within wholes, persons within persons, religions within religions. We are one body, and we seek one mind and heart, more personal and unified in love. This urging toward oneness is an invitation to evolve the christic. We must enfold the past into the quantum moment and aim toward the future, for up ahead is the Christ rising from the dead in the darkness of night to become for us the guiding beacon of the future.

**There are 100,000 MICHAEL soulmate pairs as REGENTS throughout our SUPER-UNIVERSE:**

One of these 100,000 dots represents Nebadon, our local universe, consisting of 100 constellations with each constellation containing 100 systems which in turn have 1,000 worlds. The system in which Earth is within is called Satania.

Nebadon has some 10,000,000 physical planets, of which 3,840,101 are inhabited. The regents of Nebadon are the soulmate pair being the Paradise Creator pair, Mary and Jesus.

This structure is repeated throughout our super-universe, called Orvoton, 100,000 times. There are some 100,000 Regent pairs, equivalent to Mary and Jesus, throughout our super-universe.

There are 7 super-universes that rotate around the Isle of Paradise which is the home of our Heavenly Parents, our Mother and Father. Thus, there are some 700,000 Regent pairs equivalent to Mary and Jesus.

When we progress beyond the spirit Mansion Worlds, we enter the first of the three Celestial spheres, the home city being Jerusem, this is also the home city for all 1,000 physical worlds in Satania. From there we will progress to Salvington being the head quarters for Nebadon and the home of Mary and Jesus. Then we progress to Paradise.

**Earth** →

## NEBADON, our LOCAL UNIVERSE:

A *Local Universe – Nebadon*. One hundred constellations (about 10,000,000 inhabitable planets) constitute a local universe. Nebadon contains 3,840,101 inhabited planets.

A *Constellation*. One hundred systems (about 100,000 inhabitable planets) make up a constellation.

A *System*. The basic unit of the super-government consists of about one thousand inhabited or inhabitable worlds.

Earth is #606 in the system of Satania and is the latest to have human life. *Jerusem* is the headquarters of our local system of Satania. Thus *Jerusem* is the city to which we arrive when we fuse with our indwelling spirit having sufficient Divine Love following our Healing and enter the first of three Celestial Heavens, all being for the 1,000 physical worlds within Satania.

*Salvington*, in the centre of Nebadon, is the headquarters and home of our Creator Daughter and Son, the Michaels, namely Mary Magdalene and Jesus.

All descending Daughters and Sons of God have high and divine origins. They are dedicated to the descending ministry of service on the worlds and systems of time and space, there to facilitate the progress in the Paradise climb of the lowly creatures of evolutionary origin — the ascending daughters and sons of God (humanity – us). Those Daughters and Sons who come forth from the Deities on the central Isle of Light and Life are called the *Paradise Daughters and Sons of God* and embrace the following three orders: Creator Daughters and Sons – the Michaels, Magisterial Daughters and Sons – the Avonals, the Trinity Teacher Daughters and Sons – the Daynals. All three groups have Spirits of Truth, no others do.

The remaining four orders of descending daughter and sonship are known as the *Local Universe Daughters and Sons of God*: Melchizedek Daughters and Sons, Vorondadek Daughters and Sons, Lanonandek Daughters and Sons, and Life Carriers.

The chief executive of a local system (such as Satania which includes Earth) of inhabited worlds is a primary Lanonandek Daughter and Son (was the Lucifers), the System Sovereign. The Lucifer Rebellion in the system of Satania was the last and the most widespread of all. Thirty seven (37) inhabited worlds were seduced into rebelling, by following the Lucifers and their deputies, the Satans. Earth then went on to Default at the time of Eve and Adam. Later on we crucified the Creator Son, Jesus, and ignored Mary. So now we have the physical presence of an Avonal Pair. Only the Avonal Pair can take on all of our wrongness and heal themselves. It is their Spirits of Truth that we are to long to so that we, humanity – all of us – can then heal the Rebellion and Default that we have all embraced.

### **The GREATEST EVENT in the HISTORY of HUMANITY:**

Commencing on 31 May 1914 and completing in 2014, this 101 year event has unfolded quietly for the benefit of all of humanity, both living and in the spirit worlds.

This event was, and continues in a different format, overseen by one personality, from start to finish, from word to word, from message to message, from subject to subject. The overarching guidance is living with the Love, the Divine Love of our Mother and Father, and embracing Feeling Healing process.

Each major works had a personality or two appointed to guide the flow of writers and the topics introduced. The management of each set of writings is a wonder in itself. Topics commenced at the outset of these works were frequently completed in subsequent works, sometimes 40 years, 80 years, or even 100 years later. Sometimes, those who participated as writers in earlier works become the guides overseeing a set of works at later time. For example, Ann Rollins and Helen Padgett oversaw the delivery of the 'Padgett Messages' from 1914 to 1923. They have written in later works that were overseen by Saleeba and Luke, the apostle, who had participated previously in the 'Padgett Messages'.

Some 1,000 writers have now delivered some 10,000 pages of now published writings; all of it is loving guidance without a hint of fear. There is no endeavour to tell us how to run our lives. Contradictions throughout these works will not be found. The truth and love that unfolds throughout this great gift for all of humanity resolves the doubts, confusion and errors that have evolved and entered into cannon law, dogmas, creeds and teachings of all faiths and religions.

The major errors that have crept into the New Testament are corrected, are expanded up and are now clearly understandable. What is of the greatest importance is that what had not been recorded is now clearly introduced, recorded and published.

At the time of the birth of Jesus of Nazareth, the availability of Divine Love was re-bestowed upon all of humanity. It is the availability of this Love that is our salvation.

This is an opportunity for all faiths and spiritual organisations so that they may all progress to higher a level of evolution in the way that the awareness of availability of Divine Love can be shared with ALL.

This is a time for everyone to move to a higher level of understanding, uniformly. There is no need for any organisation to compromise their positions. This is an opportunity for all organisations to consider the greatest gift in the universe and evolve in the Love. All can strive towards truth with certainty.

Yes, all will come to realise that many assumptions made in the past can and need now to be put aside; however, the growth in understanding of the way forward is ample reward for the pain of releasing the held errors within each and every spiritual system. There is no need to hold onto the past. This is a pristine opportunity of Love and the way forward is to live life with and in Divine Love.

This time, in the history of humanity, is the most exciting time ever experienced.

These works, over the past 101 years, are the fulfilment of the second coming of Mary and Jesus, the Masters of the Celestial Heaven. These are the works of both Mary and Jesus.

**LOVE of the MOTHER and FATHER:**

We mainly commence our journey of discovering our relationship with our Heavenly Parents, God, through the intermediary relationship of one of many religions and the even more numerous religious institutions. Frequently we have given our power and rights to an intermediary to intercede on our behalf. Our Mother and Father seeks to commune directly with us.

As we progress in our development and growth of love for our Mother and Father, our Creator and Source Soul, then we find a relationship and personal love for and with Them. This developing personal dependence on our Parents can and is supported by our religion teachers as well as by our never tiring spirit guides. Asking for, praying for and receiving the Parent's Love, Their Divine Love, which is always available for us, is the ultimate blessing that can only come about by the development of our own personal relationship with our Heavenly Parents.

As our soul develops and expands with the infusion of the Love, our relationship and love of Mother and Father develops into the beautiful joy and blessings that is there for us all. Our personal relationship and dependence becomes all embracing erasing our childhood developed intellectually based self dependence.

With the Parent's Love, and one's Feeling Healing, comes an ever growing loving life experience that is beyond words and expectations. The Love of the Parent's, with Feeling Healing, is the only gift that brings about forgiveness of our errors and fits us to enter the higher spheres well above those based on self reliance and natural love, the only love that we are blessed with at conception.

# REVELATIONS

**Revelation 1:** Our soul becomes encrusted with harmful ways of life, plus negative and erroneous beliefs, these mainly stem from our childhood upbringing and environment. Thus we live untrue to ourselves, we become 'evil'. Whilst we hold to these injuries we limit the amount of Love that we can receive into our soul. To open our soul to the Love we must firstly and progressively embrace our emotional injuries and allow them to be released. Until we emotionally experience past errors and injuries we hold onto them.

To free our soul of damage and toxic emotions we must open ourselves to experiencing them. This is a progressive, slow and uncomfortable cleansing process that we must all experience. Only by addressing the generational injuries will we, as humanity, evolve in love.

To fully divest one's self of our badness, we have to 'go into' our feelings. Call this process of clearing toxic emotions as 'Letting Go', 'Emotional Processing', 'Journey Process' or 'Feeling Healing'. Embracing Divine Love then Feeling Healing becomes Soul Healing.

As part of our Feeling-Healing we will have to work our way into all our feelings to see if indeed they are coming truly from our heart and soul, or if they are being heavily influenced by our mind. And this will then lead us into questioning and uncovering the truth, if there is any, to our beliefs and why we behave the way we do; and is such behaviour based on truth, or is it based once again on untruth, belief, and rules of our mind.

**Revelation 2:** We can long for, ask for and receive the Mother and Father's Divine Love. The greater our soul is free of error and injury, the more of the Divine Love can be received and assimilated into our natural love formed soul. The Love does not free us of injury, however, it strengthens our resolve to continue on our journey to be free of error and injury, to step away from evil aspects that have been encapsulated within our humanness and soul. It is this Love, the Divine Love, that brings about immortality of our soul and it is this Love that will eventually fit us to enter the Celestial Heavens and progress for ever more onwards to Paradise. These two revelations free us from error and enable us to grow in love ever more.

**Immortality with the Love.**

# Steps UP!

## Quantum Jump 1

**REVELATION 1**  
James Padgett 1914 – 1923

James Padgett bravely introduced the availability of the Mother and Father’s Divine Love and a great deal of additional guidance and information, all of which has been supplemented by Samuels, Judas, Reid and Arnold. All writers were under restrictions of personality and circumstances. Revelation 1 opened the door for humanity.

## Quantum Jump 2

**REVELATION 2**  
Marion and James Moncrief 2002  
– ongoing

Marion and James Moncrief have recognised the need for one to engage in Feeling Healing and, by their actions, removed restrictions that James Padgett and others above endured, thus JM is able to critique the writings of the past 100 years resolving points of confusion as well as expand on what has been written. Revelation 2 is humanity’s turning point.

Due to the extra-ordinary nature of Revelations 1 and 2, humanity with the first Revelation would have continued on into its negative pathway of living, however, combining the first Revelation with Revelation two, now humanity can embrace this turning point and commence its evolutionary growth that has required two thousand years to put in place. This is the greatest event in the history of humanity and very few are aware of such, until we enable others to become aware.

# FEELING HEALING + SOUL HEALING

To heal one's self is to simply look to see what feelings we are refusing to let ourself feel, and accept them instead of denying them. And to fully accept them, one needs to express them, speak about them, let them have their say, rather than pushing them aside, refusing to let them make you feel bad.

Doing this all with the intention of seeking the truth of why you are feeling them, of speaking about and expressing all such feelings; all feelings you have, but ALL WITH the INTENTION of UNCOVERING the TRUTH THEY WANT YOU TO SEE ABOUT YOURSELF. And it's the wanting to see the truth of them that is very important, because if you just look to accept them and speak and express them, but not seek their truth, then that's all you'll be doing, speaking and expressing them, but not healing their causes, so not fixing the things within you that are making you feel bad. And it's the truth part of it, seeking the truth of your feelings, and so, seeking the truth through your feelings, that's vitally important. It's the truth of yourself, life, nature and God, that is the spiritual aspect to it all.

You CAN'T find the truth of yourself, or anything else, through and with only your mind. You HAVE to engage and look to your feelings. And so if you choose to allow your feelings to 'Show You the Way', then the truth will come as you express them.

So to do our Soul-Healing consists of these steps, all of which are ongoing until it's done:

- **Admit you are feeling bad.**
- **Accept your bad feelings, identify what they are.**
- **Honour fully your bad feelings by expressing them, speaking about them to someone who is willing to hear you talk about them, or tell them out loud to our Heavenly Parents. Long for the truth of them. Long for the truth of why you feel bad – what deep within you is causing your bad feelings?**
- **And remember, bad feelings are Good! Not bad. They are not to be despised. And as hard as it is to accept them, they are still you, and a very real part of you. And if you persist in denying them and not allowing yourself to fully live them, then you are only going to keep yourself in your errors making things harder for yourself.**
- **All sickness and suffering, all bad things that happen to you, all your problems, all your addictions – your whole feeling-denying and untrue life, is all caused by your denial of bad feelings.**
- **Every problem in the world is brought about because everyone has been brought up to deny feelings, and in particular, most of their bad ones.**

If one is intent on spiritually evolving and growing in truth, then it's vital, and this is the key, that one looks to use one's feelings as the means to gain and have access to the truth of oneself. You CAN'T find the truth of yourself or anything else through and with only your mind. You HAVE to engage and look to your feelings. And so if you choose to allow your feelings to 'Show You the Way', then the truth will come as you express them.

Doing your Soul-Healing with the Divine Love, is really doing your 'Feeling-Healing'. We are designed — created — to be self-revealing of truth, and so we are all to uncover the truth within ourselves and for ourselves, and all being done by living true to our feelings. **If you accept, express and seek the truth of your feelings, then truth will come to you, and you'll grow spiritually. It's as easy as that. Also it is as easy as it is to long for, ask for and receive Divine Love.**

THE HEALING OF YOUR BAD FEELINGS THROUGH THEIR ACCEPTANCE  
AND FINDING THE TRUTH OF THEM, IS THE ACCEPTANCE OF YOUR  
NEGATIVE, REBELLIOUS, EVIL, IMPERFECT MIND AND WILL CONDITION.

To do our feeling-healing we need to become:

Aware of – Acknowledge – and Admit, our bad feelings.

So we can:

Accept – them and allow ourselves to Be them.

And then if we feel to, take:

Action – Express, speak and emote them.

Talk about them.

All being done whilst longing to, really wanting to, see the TRUTH of our feelings.

So it sounds simple.

So I repeat:

We accept our bad feelings by expressing – speaking about them to someone willing to listen to us and take us seriously. And as we speak we long for the truth of them – why we are feeling them – to be made known to us. And when we uncover and see the truth we are FREE! – healed of the causes that have made us feel bad.

Accept, Express – see the Truth, and you're Free!

ACCEPTANCE OF ALL YOU FEEL, THINK AND ARE, IS THE KEY TO DOING  
YOUR HEALING; THAT, AND WANTING TO SEE THE TRUTH OF ALL YOU  
FEEL, THINK AND ARE.

**Release one's pain through expressing one's feelings.**

**in conjunction with**

**Longing for the Truth when also longing for Divine Love.**

## Prayers to our Mother and Father

From 'Religion of Feelings' by James Moncrief

**Please Mother and Father** help me accept my untrue state and bring up all my repressed feelings so I can see the full truth of why I feel so unloved and all that's wrong with me.

**Please Mother and Father** help me see the truth of myself through my feelings.

**Please my beloved Heavenly Parents**, fill my soul with Your Divine Love. I long for Your Divine Love; please answer my prayer and yearning to be at-one with You and do Your Will by living true to myself and all my feelings. Please fill my heart and soul with Your Divine Love – please make my soul like Yours – Divine.

**Please Mother and Father**, I want to uncover the whole truth of myself through my feelings. I want to be able to feel and accept just how bad I am, how bad I feel I am, how bad I've been in my life. I want to know the whole ugly truth of myself, see it and feel it and understand how I came to be it. Please reveal to me through my feelings all the truth of myself You want me to see. I want to be as You want me to be; I want to be true and perfect, Healed of all my rebelliousness and self- and feeling-denial; I want to be good, loving, true and happy, please help me become true to myself, true to my soul, true to You.

**Please Mother and Father help me**, I'm in such bad pain, I feel so alone, so miserable, so scared, what's going to become of me, I don't understand, what's the point of me, why have You made me; please help me see the truth of myself – all the truths of myself, nature, how to be in the world, of You both. I want to know, I want to know it all through my feelings, all that there is to see, the whole truth and nothing but the truth. Please help all my pain come to the surface of me so I can embrace and accept and express it out of me. I want to use my feelings to uncover the truth they are to show me; please help me to do that.

**Please Mother and Father love me**. I want You to love me. I want to feel fully loved by You. I don't want anything else, only to be with You. Please, that is all I am asking.

**Please make me feel how unloving I am**. Please show me the horrible truth that I am. I want to see and feel and understand the worst of me, please take me into my darkest scariest ugliest unwanted rejected places within myself. I don't want to feel all the dreadful pain that I know is there locked away inside me, yet I do also want it all to come up and out of me, and I want to use it to see the truth of my wrongness, the truth of how evil I am, the truth of my fucked up state. I no longer want to be false, pretending I am okay, using my mind to make me falsely believe I am good, happy, loved and loving, when I know I'm not. For how can I be when You've brought me into my unloving state, making me be of it. And as You want me to experience being this negative way, please show me the whole truth of it. I no longer want to deny any part of myself, or any of my bad feelings. I want them all to come up so I can express them, emoting their pain, feeling how bad You've made me feel all my life and all through my early life; I want to see why, and so reveal all the truth to myself. I want to be the living truth of myself, living true to my feelings and the truth they give rise to. Please help me to do my Healing, and please fill my soul with Your Divine Love.

**The mind way is the 'dead' way; the feelings way is the 'alive' way.**

### Examples of some prayers to God:

From 'Feeling Healing' by James Moncrief

**Please God** show me the truth of myself through my feelings.

Please help me see the truth about myself You want me to see.

And please help me feel all my repressed pain; please bring up all my bad feelings so I can express them and see what it is they are to show me about myself, my life, and You.

And please help me work through my blocks, I want to Heal myself, I want to become true to myself and true to my feelings and true to You – please help me do that.

**Heavenly Mother and Father**, I feel so bad, and I know I'm doing it to myself, but I can't help it. I can't stop my compulsive addictions, so will you please bring up the buried feelings in me and show me the reasons why I can't stop. Please! I want to know – I REALLY WANT TO KNOW why I do them. Please help me Mother and Father to uncover the truth of myself. Please, I beg you, please, please, please show me the truth of them so I can give them up. I hate feeling bad, yet I know I must so I can keep expressing my bad feelings to see the truth You want me to see, so please help me feel bad.

**Please Mother and Father** fill my heart and soul with Your Divine Love. Please give me Your Love. Please love me and make me feel loved by You. I want to feel You close to me, I want You to hold me, make me feel loved by You. I only want You and to do Your Will. Please help me bring up all my repressed feelings so I can express them and uncover their truth. Please help me do my Healing. Please give me Your Love.

**I hate you Mother and Father;** why have You given me such a shit awful life? I hate myself, I hate You, I hate everything about my life. I feel so bad all the time. I've expressed so many bad feelings and still I feel bad. It's not fair, it's not fair what You've done to me. I hate You! And I want You to help me Heal myself, so I can stop feeling bad. You put me in the shit for whatever reasons, and I want You now to help me get out of it and show me what it's all been about. Please help me to Heal myself so I no longer hate You.

**I long for Your Divine Love** Mother and Father. Please fill my soul with it. And please help me uncover the truth of myself through my feelings. I want to see it all! And please make it all end, I'm so tired of always feeling so bad, please take all my bad feelings away by making me feel them and showing me the truth I am to see.

**Feelings First Spirituality, The New Way**

*Feelings First Spirituality, The New Way* is a contemporary ‘religion’ based on living true to yourself through your feelings. Understanding that all you need in life is contained within your soul and is shown to you through your feelings. And by loving your feelings, by attending to them properly (talking or writing them out of you) and not denying them, you can use them to uncover the truth of yourself – the truth of your soul.

*Feelings First Spirituality* is not a formalised religion that tells you how to be, that is too controlling and is actually bad for you, limiting your spiritual growth. You can be wholly self-revealing of the truths you need to be, being the person God created you to be, all by living true to your feelings.

*Feelings First Spirituality* has no formal structure because we understand we don't need one, our soul contains within it all the truth of our spiritual ascent. If we look to our feelings for the truth they want us to see about ourselves, nature and God, then what more do we need! Our true spiritual path is the path our feelings will lead us down, that is, provided we allow them to. This is the most spiritual we can be.

**Living the New Way of Feelings First Spirituality**

You come to the understanding from your life experiences that how you are is not right, it doesn't make you feel good – that you are wrong in some way. And you want to change yourself, you want to become right, true and perfect – you want to be like God is.

*And to do this you need to do your Healing*

Your Feeling-Healing is looking to your feelings for the truth of yourself, the truth being hidden in many of the feelings you are not wanting to face in life. So you have to end your feeling denial, accepting all your bad feelings (and good ones), express them (yet not necessarily acting upon them), whilst longing to uncover the truth they are to show you.

Or, you can do your Soul-Healing, which is your Feeling-Healing together with including longing directly to God for God's Divine Love. When you receive the Divine Love into your soul, it will cause your soul to become divine, and it will deepen your personal relationship with God. Long with all your heart to God for God's Divine Love.

# Feelings First Spirituality

## The New Way

**Feelings First**  
**FF**  
**Feeling Free**

The New Way, Feelings First Spirituality  
 Learn to live with God through your Feelings

Accept, express and long for the truth of your feelings

Be free in your feelings  
 Free your feelings from your mind's control  
 Live true to your feelings; your feelings are your true self  
 Live true to yourself through your feelings

Live true to yourself by living true to your feelings.  
 Long for the truth of your feelings.

Accept / Express / Bring out ALL of your good, and most importantly,  
 BAD feelings.  
 Want to understand why you're feeling them.  
 Use your surface feelings to take you deeper into your repressed and  
 hidden feelings.

The Feeling Way is the True Way.  
Your feelings are your spiritual guide.  
Your feelings will take you to God.

Your feelings will show you the truth of your relationships, including your relationship with God; and if anything is wrong, untrue and unloving, then why it is.

Our feelings are sacrosanct and we should respect them accordingly. And we should NEVER block them out, ignore, override, banish, deny or reject them, because if we do, we're only doing that to ourselves, as Our Feelings Are Our Self.

Our feelings are the gateway to our soul. Our feelings are the closest we can get to our soul. Knowing the truth of our feelings is knowing the truth of our soul, and knowing the truth of God.

Feelings First Spirituality is the True path for humanity.

It embraces all people.

It completely unifies the world.

Everyone can relate to everyone else through their feelings.

And we can all live the truth that comes from our feelings, all sharing the same truths as we express and have the same feelings.

No one need be left out; no one is more special than anyone else – we are all united in Truth through our feelings.

So with and through our truth we live our lives, therefore without the need of any man-made mind-laws, rules and restrictions that limit self-expression as inspired by our feelings.

The New Way, Feelings First Spirituality is what is to replace all man-made, mind-contrived religions that so many people have enslaved themselves to. The New Way, Feelings First Spirituality will set us free of all that control, ending the Rebellion and Default within ourselves as we do our Feeling-Healing, and ending such control and spiritual stagnation in the world.

Bring on the End Times – get it over and done with! Let's all see that Jesus is not going to come again, that Prophecy has failed all the mind-controlled platforms. Allow such false systems of belief to die their long-awaited natural death, they've overstayed their welcome, it's now time they fade away. So let us show such antiquated, erroneous systems of belief the exit and bring on the fresh liberation of discovering the truth of how we are to live for ourselves, each of us personally in our lives, and all by looking to our own feelings for it. Self-revelation through our feelings is the way to go.

The Way of the Mind is ending, and is really the End Times – the End of our mind control, and **it's about time!** With the Way of our Feelings replacing it.

The End Times means the end and therefore a New Beginning. And that new beginning is a whole new Spiritual Age – an age based on self-revelation of truth through one’s feelings, coupled with and supported by higher revelations from the Celestial spirits, angels and nature spirits.

The Feelings First Spirituality is the True Way to God because it helps you get to know God, helping you to reach out, connect and be personal with God, and do God’s Will, all through your feelings. It is the only true way of getting to know the God of Feelings – our beloved Heavenly Mother and Father, the Great Soul of Divine Love.

Love comes through our feelings and not our mind, as we’ve all been wrongly led to believe.

**Feelings First; then comes The Truth; then comes Love.**

# FEEL *for* TRUTH

The beauty of it all, is the truth comes to you through your own feelings. You don't need to be told it by anyone. You can work it all out for yourself. We are self-revealing of truth, it's how God created us to be, and by being it we'll feel the happiest we can feel. Truth is our great comforter, so when you feel it come up within you, ah it feels so good and you feel just right – perfect!

We know only how to deny feelings, now we can get to know how to accept them. And always with the truth being the most important part.

## FEELING TRUTH

If you don't want to uncover the truth of your feelings, then you can keep on expressing them forever but you will never fully heal yourself. Seeing the truth results in the Healing. And to see the truth you need to express all the pain out of you. The two things go hand in hand.

You can accept and express your bad feelings, letting off steam all day long, yet nothing will heal and nothing much will come of it. So this is where wanting your feelings to show you the truth of why you're feeling as you are is so important.

Don't go fishing with your mind, that will shut the truth out from rising up for you. **KEEP YOUR MIND OUT OF IT.** It's a feeling thing, doing your Feeling-Healing. (This is where we erred previously, and this how other modalities are in error.)

You long when you can, then stop longing and keep expressing. And at some point, and it might not even happen immediately, it might happen after days or weeks of expressing the same bad feelings, truth will come to you. And it does, it just comes up suddenly into your consciousness. You just know. You see the picture and you feel it's true. And you know it's true. And THEN your mind can come in and start sorting it out and putting in context.

It's the Truth that we are seeking. It's the End Point. The Reason for doing your Healing. You are to see the whole Truth of yourself. And to begin with, that's the whole truth of your unloving self, of your wrongness, of your evilness, of why you are as you are in your negative unloving mind-controlling state. To be able to fully accept yourself as you are, warts and all. To not fight or resist or try and change yourself, just to accept all you feel and all the truth of all those bad feelings you feel about yourself. And when you do, so you will be healed. You CAN'T heal yourself unless you uncover the truth of your pain, suffering and so the truth of all your bad feelings.

Through our Feeling-Healing we long for the truth of what we're feeling whenever we can. So as often as you can. You want, and REALLY WANT WITH ALL YOUR BEING, ALL YOUR WILL, to know why you are feeling bad. You yearn, want, long and beg and beg and BEG God to show you the truth of yourself through your feelings. So when you are expressing your bad feelings you can stop and long for the truth to show you what's going on, why do you feel so bad, and you can do it any time you think of it or feel to do it.

Notes from 'Feeling Healing' by James Moncrief

Heartfelt TRUTH

## The CHOICE is OURS to MAKE:

### Celestial Truth:

Truly all-loving;  
 Living true to oneself;  
 Mind supporting Feelings;  
 Living with the Divine Love;  
 Fully Healed of the Rebellion and Default.

### THE FEELING WAY

Feeling – Ascendance  
 Unlimited progression

- Living true to your untruth;
- Honouring all your bad feelings;
- Expressing feelings to uncover their truth;
- Healing the Rebellion and Default within yourself;
- Feeling unloved; being unloving;
- Feeling as bad as you can feel;
- Feeling like you are no one special;
- Longing for the Divine Love.

### THE MIND WAY

Mind – Transcendence  
 Limited progression

- Enlightenment, Nirvana, feeling all-loving;
- All false, mind-contrived. Anti-truth, anti-love;
- Still evolving the Rebellion and Default within yourself;
- Feeling and believing you are the Superior One;
- Living with your mind in control of your feelings;
- Living rejecting all your bad feelings;
- Living with your mind contriving you feel loved;
- Rejecting the Divine Love.

All religions, New Age, agnostic,  
 atheists, no spiritual interest,  
 Living the Rebellion and Default.

Hell:  
 Exploiting the Rebellion and Default.

The Feelings are the doer; the Mind the teller. So we are to go with our feelings, which we can't be told to do with our mind. So the longing for the Divine Love, doing our Healing by expressing our feelings and longing for their truth, are all feelings and doing it with longing. Whereas the mind just wants to tell us what to do and how to be, no feelings in it, all how our parents have treated us.

## WE EDURE FOUR LAYERS of PERSONALITY SUPPRESSION!

Unknowingly, our parents pass onto their children (us) their beliefs and way of living that has evolved since the Rebellion of some 200,000 years ago and then the Default of some 38,000 years ago. In this way, humanity is suppressing the female, rejecting our Spiritual Parents, namely Jesus and Mary, and denying our Heavenly Parents being our true Mother and Father, of their truth, standing and existence.

**The Rebellion is against love, the Default is all the difficulties we have in our relationships because of our rebellion. Healing the Default is becoming true, to ourselves and in our relationships, and ending our unlovingness – our rejection of love, so ending the Rebellion.** Nanna Beth 29 June 2017

We are souls, our personality is an expression of our soul. It is our free expression of our soul through our feelings that we are to embrace and follow. This expression may appear to be wilful in nature, from time to time, and consequently our parents attempt to suppress this expression. They proceed to remodel us when as young children, in the manner their parents treated them and so on for many generations going back.

During our forming years, as a child, we are unable to recognise the suppression of our personality as being extra-ordinarily harmful to our soul based personality and, accordingly, we don't know that things can be any other way. Presently, neither do our parents.

This childhood suppression way of living continues throughout our schooling years, thus we learn this is a way of life as being normal.

Our religions all have been formed based on the tenets of the Rebellion and Default. The teachers and leaders throughout all denominations take us further away from our suppressed feelings that have been hammered into us during our forming years, thus entrenching us further into rejecting our true selves.

The controlling and suppression mechanisms of our parents, educators and spiritual teachers all manifest throughout all of commerce. This control comes heavily and brutally down upon all levels of employment. The capability to express one's soul based attributes and gifts is sealed throughout all of one's working life.

A new way of living is to enable the liberation of one's true personality through the Feeling Healing process AND the transfer of authority to the individual via embracing freedom of expression.

# DEVOLUTION

**Our childhood suppression of our true and loving soul based feelings is creating global pain and personal isolation amongst all of humanity. We are very sick!**

**In our struggle to find solace and purpose, we further withdraw into ourselves, becoming ever more self dependent, believing our control addicted mind that it can solve everything. We just drown further.**

**We embrace an ever expanding and diverse range of pathways to escape from our personal pain, fear and desperation. Alcohol has now been complimented with narcotics, hallucinogens, including caffeine (coffee). Gambling has been complemented with computer games which are generally entraining the mind further into error and pain. Technology is making us sicker!**

**We bury ourselves in front of the television to further avoid contact with anyone, especially family.**

**Children endeavour to exert their independent authority from domineering controlling parents (which we all are eventually) by disfiguring their bodies with tattoos and piercings, etc.**

**We shut out the noise with headphones, thus preventing contact with others. We use electronic devices to 'text' others even at intimate engagements.**

**Technology will take us further into the depths of our madness. You now can buy headsets that prevent any contact with the outside world while playing mind suppressing and entraining entertainment – games!**

**No one loves their children, they are ignored, and the controls hammered into them turn them into clones of ourselves. Look at ourselves and we can all see that we have been all messed up by our own parents, as they have for generations over the past 200,000 years.**

**No more of this! We can escape this man made hell!**

# EVOLUTION

**STEP 1: Longing for and receiving Divine Love:**

**A. Soul within spirit body prior to receiving Divine Love.**

**B. Divine Love being received from the Holy Spirit, covering the spirit body of requesting personality.**

**C. Divine Love having been assimilated within one's soul, now being reflected through the radiance of the spirit body.**

## STEP 2: FEELING HEALING + SOUL HEALING

It is the Divine Love that strengthens one's resolve to persevere with embracing one's suppressed emotional injuries, that occurred from conception through to around the age of six, and longing to know the good and the bad of those feelings, together with talking about them to a friend, partner, one's self and our Heavenly Parents. It is only with the receipt of the Mother and Father's Divine Love and the expressing of suppressed emotional injuries that one can release the emotional injuries and errors to achieve Celestial soul condition and enter the Celestial Heavens.

Further, should one complete their Feeling Healing on Earth, then they will be able to recognise their soul partner, their other soul half, and should their soulmate have also embraced Feeling Healing with Divine Love, then their children will be born free from error, free from fear, and free from any deformity and illness. This is the destiny of humanity.

Further, being in this condition of free from error and being in constant communication with our Heavenly Parents, then one can also recognise and form their Soul Group. This will ultimately consist of twelve soulmate pairs, a total of twenty four personalities / individuals.

It is the bringing up of children by the support of soul groups that is to be the ultimate way forward. The group experience and wisdom, as a functioning family, will ultimately be of profound benefit for the blossoming child.

But what we cannot do is contrive the groups ourselves, or even pick who our soulmate is. This will only, and can only happen, as an outworking of the truth we are to live – as we progress in the healing of our soul.

And this is how all of life should be lived: according to the truth we are living. It is how we live, as there is no other way, but currently we live it in the negative, of that being directed by no truth, and so having to make it all up ourselves.

**CREATION, EVOLUTION, DEVOLUTION are all ONE:**

“If we study the Darwinian Theory of Evolution (calibrates at the level of 450 on the MoC), the actual process of evolution itself does not occur within or as a consequence of the physical domain, but instead is merely expressed there as a physicality. The evolutionary process occurs invisibly in the infinite field of consciousness itself. Each branch of the evolutionary tree springs forth full-blown. Each branch, as exemplified on the level of the hominids, displays the consequence of a progression of consciousness. Within the physical domain, however, the so-called “missing links” of archaeology or zoology are not found to exist. For example, Neanderthal man did not evolve into Homo erectus but was completely supplanted by that higher species. That branch, too, was completed at the time of its appearance. Homo erectus did not evolve into Homo sapiens; instead, Homo sapiens came forth already evolved as its own branch. No transitional “missing links” are to be found within the hominids or within the whole animal kingdom. Transitional forms exist only as patterns within consciousness itself, the so-called *morphogenetic fields*, as described by Sheldrake.

“The field of consciousness records all events, all history, and all evolutionary patterns. Its “intelligence” accumulates all information, no matter how minute or seemingly singularly individualistic. It is on this level that the collective experience of all life in all its forms accumulates because, within the physical domain, when an individual physically dies, its genetic material dies with it, i.e., what it has “learned” cannot be physically transmitted.

“Creation itself is a continuous, ongoing process with neither a beginning nor an end. With contemplation, it becomes stunningly apparent that evolution and creation are one and the same process. Its source is the infinite power of the un-manifest’s becoming manifest as potentiality, with its inherent invisible patterning emerging in the visible physical domain as existence. Throughout the ages, this ultimate source has been universally intuited as well as subjectively experienced as Divinity, which alone has the power to transform the potential into the actual, the Unmanifest (i.e., the Godhead) into the manifest, and non-existence into existence (e.g., Bohm’s enfolded and unfolded universes).

“If human existence, as well as that of other living things, is not explicable by the limited formula of causality, then, as has been described, mankind did spring forth from the unmanifest to the manifest as an expression. Because mankind is an actualization of a potential by its source, that source is ever present and directly knowable as the subjective essence of the Self. The experience of the Presence as Self is transformative and is also identical throughout history, as reported by sages of widely divergent cultures. The Divinity is the potentiality within man’s own consciousness to return via that consciousness to the very source of his existence. With the realisation of the Self (the infinite context), the field and the content merge into the reality of the Oneness of the Source itself.

“Creator and Creation are one.”

Page 57 Truth vs Falsehood by Dr David R Hawkins.

“The early animals developing from the three original life implantations were characteristic; those appearing in the Western Hemisphere were slightly different from those of the Eurasian group and from the Australasian or Australian- Antarctic type.” <sup>(673.14) 59:1.14</sup> The Urantia Book

As ensouled life continues on in a different form once separated from the physical body, with the memory attached to the soul, then we can consider the account of Aman and Amon, the first parents, of their creations:

## **The First Parents – a physical description:**

<http://new-birth.net/contemporary-messages/messages-sorted-year/messages-2007/the-first-parents-a-physical-description-fab-24-jan-2007/>

Santa Cruz, California Received by F.A.B.

January 24th, 2007

<http://new-birth.net/contemporary-messages/>

I am here, Aman.

I will now attempt to describe my physical appearance and that of my partner, Amon. The difficulty is not my lack of recall. No, life in Eternity and in the Celestial Heavens has not dimmed this memory. As you have learned, sometimes a spirit has a special reason for remembering something from the Earth life. The difficulty is the inadequacy of Earth language to adequately describe our physical nature.

We saw ourselves reflected in water. This was a way we were able to perceive our own appearance.

Well, let me try. First of all, we were unusually tall, taller than the tallest of mortals who descended from us. But this height did not make us seem overbearing. We had a sort of grace in the way we moved.

My limbs were very muscular, but I did not require exercise to keep them strong. They were very long. My muscles were not what you would call bulky.

You are wondering about clothing. Well, we did not wear clothing, that is, until our Fall. I know the Bible talks about our shame, and about the figleaf. But shame for our private parts was not the reason we began wearing clothing. It was because we felt separate from the natural order and from our original state. We had trouble accepting what had occurred, and we manifested this distress by covering our body.

Let me get back to our physical description. Our eyes were large and prominent. They were like clear lakes, for before the Fall, our vision was seeing not just the natural world, but also our connection to God. So if our descendants could have seen our eyes, they would have been astounded at the depth and love they manifested.

My hair, which was on the brown side, was very curly. My lips were prominent and frankly sensual. For we enjoyed each other physically, just as mortals have done ever since, only our pleasure was enhanced by our exalted state – it seemed to accentuate and magnify this pleasure. And we had no shame or guilt because we both knew without any doubt that the Creator loved us, and thus wanted us to enjoy this pleasure, which was for us a great gift.

My hands were fairly large. There was no hair on them. My chest was lightly hairy. My shoulders were very broad, and my posture was perfect. In fact, both of us were perfectly proportioned.

Let me describe now my mate. She had blue eyes. Her face tended to be round. Her ears were small in proportion to her head. Her hair had beautiful, graceful natural curls. It was very long, and seemed to me like a beautiful river. It was also of a brownish hue.

She was rather solid in her physical makeup, though I never thought of her as massive. For me, she was grace personified, and when she moved, it seemed like the Heavens were opening up. I often had that feeling when we were together. Her lips were also prominent and fairly thick, as mine were. She had a very ample figure, though it had a sort of miraculous lightness and airiness to it, which to me was quite magical.

You are wondering about our skin colour. Well, our skin was not white, but a little on the dark side, though still fairly clear. It was closer to an Asian colour than to the Caucasian. In fact, we would have been surprised that anyone could have white skin. I mean no disrespect at all by this; I only state the fact.

Let me close for now. I know it has been fascinating for you to receive this. May you have a wonderful evening. ( library download Pure Spirit section for more information [www.pascashealth.com](http://www.pascashealth.com) )

### **WE are INCARNATED with Natural Love, but not with Divine Love:**

**We are conceived with natural love, however, we are not endowed with anything of the Divine. While we are without anything of the Divine, namely Divine Love, we can grow our natural love attributes and progress to that of being the perfect man whose lodging is found in the 6<sup>th</sup> Sphere. We do not have immortality without having received Divine Love.**

**Natural love radiance is very different from that which Divine Love brings.**

**The two loves complement each other, bringing about greater harmony.**

**When we become aware of the presence of Divine Love and subsequently ask for and then receive the Divine Love, our soul steadily starts to change to that which is Divine and we achieve immortality. This is the Immortal Choice that we can make whilst here in the physical or later in the spirit world. Once we add Divine Love to our being, we continue then with the two loves, that of the natural love and also that of Divine Love. As we continue and receive Divine Love, our soul condition progresses so that we may eventually enter the Celestial Heaven, 8<sup>th</sup> sphere and above, then progress further to enter the Eternal Spheres and then the Spheres of Paradise.**

**‘The difference between what are regarded as two paths, the Natural Love Path and the Divine Love Path, is, essentially, the amount of Divine Love that beings have been able to acquire.’** Quote from Celestial Spirit Richard 22 Dec 2012

### **ORIGINAL SIN:**

**3 Feb 1916**

**There is no such thing in the world as original sin or evil, and that God did not create them or permit them to exist, except as He permits man to use his own will without limitation.**

**Then the question arises, how can sin and evil be eradicated from the world? And every thoughtful man will have the same answer, and that is: by men ceasing to violate the will of God, or his laws, which restrict the exercise of the wills of mortals to that which, in its right exercise, will not produce sin or evil. In other words, when men by the wrong use of their wills bring about inharmony, they can by the right use of their wills not disturb that harmony, which when it exists, leaves no room for the presence of sin and error.**

I am here, Aman.

I know you have been curious about our family. A church member once talked about this. You want to know more.

Well, what was discussed was substantially the truth. That is, our physical being was born of natural parents, who in turn had been born of their own parents. No, our bodies were not created instantaneously, as some have thought, but evolved just as all of God's creatures evolved. This aspect of evolution is true, as to our physical bodies.

So, we were both nurtured physically as infants and then children. **But our soul was placed in us when we were already adults.** We thus had no clear memories of our earlier life before that great moment. As soon as we possessed a soul, all of the normal human psychological manifestations appeared.

There were aunts and cousins, parents and grandparents. But they were not human like us – they were really animals, though of the same species. We wandered off from the family, since we could find no way of relating to them at all. How could we? They were incapable of rational thought, speech, or anything human. We knew that forevermore we were apart.

Amon and I came from different families, though connected loosely. They were indeed a primate species of humanoids. But we ourselves were more beautiful than our animal relatives, and we knew, even from our very appearance, that we were marked even by Nature to be different.

I know all this sounds like crazy science fiction, and yet it is all true, and you are channelling my thoughts correctly. Once we became human, our ties were completely severed from our other relatives, and we knew our destiny was to live together, separated from our biological kin.

You are wondering about the language we used. Well, that is an excellent question. How could we use language if our linguistic ability did not evolve from childhood practice, as has been the norm ever since?

Well, the answer is that the Creator provided a special dispensation, in that he made it possible that along with the gift of the soul came another gift of language, that is, an ability to communicate with words our thoughts and feelings. This ability was imparted instantly along with our soul.

We could not explain how we understood each other's words, but we did. Indeed, it was so natural to us, and immediately so, that it never struck us as strange, even though we had never done so before. We had almost no memories of our past, since we were animals before then. So language was as natural as thought, and all the other great gifts that came with the soul.

When we entered the spirit world, gradually a yearning grew in us to regain our original high estate, and when Jesus preached on Earth the New Birth of the soul, we knew intuitively that this was the way our Creator was graciously and lovingly giving us a second chance, as it were, and we took it, with the most profound sense of gratitude and joy. Indeed, these feelings were so intense that we could not articulate them.

For it was like being restored to a fairy kingdom, it seemed so unbelievable. But it was real! We could recover our lost glory! Oh, how wonderful it all was! How eagerly we tried [the experiment](#), and how thrilled we were when it worked!

So we entered the Celestial Heavens, and we considered ourselves the happiest beings in all God's universe. How we bless the Master and the Creator for making real again our long lost past!

**THE FIRST PARENTS:**

10 Aug 1915

When man was created he was made two-fold, that is, there were male and female beings, which was intended to make a perfect one without losing any individuality on the part of either. They were not Adam and Eve, who came 38,000 years ago, but Andon and Fonta, also known as Aman and Amon, which meant the male Am and the female Am. They came nearly 1,000,000 years ago. Am meaning the exalted creation of God.

The physical or spiritual part of their creation was not in the image of their Creator, for He had no physical or spiritual body. But their soul part was only made in the image of their Creator, and not of the substance; but this image was given a potentiality of obtaining or receiving the substance of the soul qualities of their Creator and provided, if they pursued that course in their existence or living which would cause their souls to receive in accordance with certain operations of the laws which their Creator had prescribed, this soul substance. And only in obedience to these laws or their operations could this substance of the Creator soul be obtained.

The story of the apple is a myth.

The soul substance that these two forfeited was the divine love of their Creator, which, had they by their obedience become possessed of, would have made them a part of His divinity, and thence like Him not only in image but in substance and reality. The potentiality that was taken from them was the privilege which they had to obtain this soul substance or divine love by complying with obedience which these laws prescribed. So you see the story in the book of Genesis is merely symbolical.

**SOUL:**

The Real You is your soul, you are one 'half' of that soul.

Each half of the original soul incarnates a spirit and physical body simultaneously, they being connected. The soul expresses each of its two personalities as a woman and man. True soulmates are always of the opposite sex.

Sexuality is an attribute of the two personalities the soul expresses; the soul itself does not know sexuality.

The soul connects to the two spirit bodies it has created by 'golden cords' of light; and the spirit body is in turn connected to the physical body by 'silver cords' of light.

The spirit body is your astral body. The etheric is really the body that is the template for the physical and one that doesn't hold consciousness.

The soul remains invisible to the spirit and physical bodies, only being discernible by its luminosity through the spirit body.

95%+ of humanity currently are within the 1<sup>st</sup> sphere of development.

<b><u>Spirit / etheric body</u></b> Mind	→
<b><u>Soul + Spirit Combination</u></b> Senses Desires Memory Passions Intention Free Will Emotions Creativity Awareness Personality Aspirations Intelligence Consciousness <b><u>The Real You is your Soul!</u></b>	→

The spirit body is composed of a different kind of matter, "finer" or more "ethereal". The fact that its aspect reflects the condition of soul is a clear indication that the soul influences largely its formation, and even more, the soul is indeed the creator of this body, which covers it and provides it with the characteristic of individuality. The formation of the spirit body begins at the moment of incarnation of the soul in the foetus, incarnation which only takes place should there exist a high probability that the spirit of life has found in the new organism a stable biological structure, allowing it to carry out its life-giving function.

**At the moment of conception, our soul, being our real self, is creating the newly forming embryo and everything else every step of the way as Judas says above. And our soul utilises our parents' life forces to achieve incarnation.**

**At the moment of conception, there is nothing of the Divine within us. Only as we proceed to ask for and receive Divine Love does our soul slowly and progressively change into the nature of that which is Divine. As our soul receives Divine Love, and embraces Feeling Healing, it will grow, and grow, and grow in brilliance and into that which is Divine.**

Accounts of spirit people who's condition have been so poor to fit them only for the hells, namely the Spheres of Disharmony, show that even they can progress from the lowest of conditions to being within the Celestial Heaven, way above the highest sphere of the Natural Love spheres, within or around five to ten years or so. Some achievements discussed in messages have been:

James Padgett entered the Celestial Heaven within 28 months of his passing.

Helen Padgett was in the Celestial Heaven within 12 months of passing through Feeling Healing.

Nita Padgett progressed from low 1<sup>st</sup> sphere to Celestial Heaven within 24 months of passing.

Kevin Cooper died 10 August 2012, through Feeling Healing became Celestial on 7 August 2017.

Bradley Cooper, son of Kevin, suicided on 21 September 1999 and early April 2018, became Celestial.

Emperor Nero progressed out of the low hells to Celestial Heaven by receiving Divine Love.

Emperor Julius Caesar moved from the hells to 3<sup>rd</sup> sphere within 19 months from receiving the Love.

George Butler progressed from the hells to the 3<sup>rd</sup> sphere within 38 months by receiving the Love.

President Grover Cleveland moved from dark spheres / hells to 3<sup>rd</sup> sphere in 20 months with Love.

President John F Kennedy achieved Celestial status following 15 years of Feeling Healing process.

R. Ross Perry progressed from the hells to 3<sup>rd</sup> sphere over 30 months by receiving the Love.

**It is only through Feeling Healing with the Love, that forgives sin, dissolves the errors and fits a person for a higher habitat.** Man, left to his own devices, can require many centuries to grow and then cannot enter the Celestial Heaven.

Man, can know and knows God only because he possesses a soul, and he can never know God if he seeks Them intellectually and with his mind alone. Doubt and speculation is a product of the mind, but faith is a product of the soul and we know that God exists through our soul perceptions, so that we can create the spiritual link with our Heavenly Parents through prayer. Not a mental prayer, but a prayer that comes from man's soul – earnest, sincere, full of longing, faith and love.

August 16th & September 8th, 1955

I am here, Jesus:

I am here to write you on the subject: Who were the angels presumed to have existed before the creation of man?

As you know, man was created by God from the elements of the universe, and into man was implanted the soul, or the real or Spiritual man, which distinguished him from the other creatures of God. And with this soul, God gave man the possibility of obtaining God's own nature, through the longings of man's soul for At-onement with Him. Pride and the desire to master the physical surroundings, which he thought would insure him immortality, led to the withdrawal of the Divine Love and man's potentiality for becoming at one with God was lost until I appeared in Palestine and preached immortality to the Jews.

The descent of man from his position as the elect of God, to partake of His nature and essence, was rapid, and in the course of only a few hundred years, man was not too different in behaviour from the beasts of the field, and in some respects, he was worse. For man, on receiving his human soul from God, had received with it the understanding that he was a child of God, though unredeemed, and as a consequence of being a child of God, he had had implanted into him a consciousness of the laws of conduct which God had decreed, and thus man knew that he sinned when he broke God's commandments, and even in his worst state and lowest descent, man always had a small voice within him, which was never quite completely drowned out by the excesses and violences which became habitual to his sinful existence.

The death of the physical body, and the path toward purification which the soul, on entering the spirit life, has to take, eventually brought to many souls, in the spirit world, freedom from the excrescences and defilements they had accumulated in the Earth life, and these purified souls turned their attention to helping mortals refrain from violations of the law, and at the same time imbued them with a renewed consciousness of God as their creator. These purified souls were angels of the Lord, because they were souls purified of sin, and because they did the bidding of God in seeking to assist man to overcome the weakness of his flesh, and turn him to the Father.

When I uncovered immortality in man's soul, whether on Earth or in the spirit world, men could, if they so chose and willed it, become capable of receiving the Divine Love, through the operation of the Holy Spirit, and become Divine Angels of the Lord, not merely purified from sin, but filled with the essence of the Father, to the extent that they become the possessors of immortality, and acquire consciousness of that reality.

The Divine Angels of God have been seeking to turn man and spirit to God, not only as son, in the created sense, or servant, but to have man seek His Love, partake of His nature and immortality, and become His son in the real and Divine meaning of the term.

After the creation of man, therefore, there were angels in the sense that I have explained, but the great angel or messenger – for **angel means Messenger of God** – was and is the Spirit of God, who is obedience to the physical laws of God, has been doing the will of the Father, working, not only on the

vast infinity of His universe and bringing about those constant regroupings and changes in His heavens, but working also on man's intellect, and moral fibre, ever since man was created by the Father.

The Spirit of God is God's great angel or messenger which has been manifest throughout all eternity. It was this spirit of the Lord which has been described in Genesis, hovering over the face of the Earth, working on, and developing it in preparation of the day when life and living beings could exist and survive on it. It was this Spirit of the Lord which carried out the decrees of God, and set in motion those cosmic forces and elements that resulted in the new combination known to you as the solar system, and which at the Lord's bidding, will bring about the destruction of the same, and cause the emergence of a new order and a new dispensation. Before the creation of man, God's only active angel was His Spirit, His active energy whose operations proclaimed His Majesty, from everlasting to everlasting.

Adam and Eve (Aman and Amon), or whom they represent, were created through the operations of the Spirit of God, God's active energy, which brought about the groupings of those elements employed in fashioning man, as He fashioned the other living creatures on Earth, but, man was not man, until the purely spiritual – and by that, I do not mean the spirit body, which is of sublimated material, but the soul, in the likeness of God – was bestowed upon man. The first parents do not know when they become souls, that is, when God actually implanted souls into them, for there is no way of telling when they were human in appearance without their souls, for without their souls, there was no memory of that degree that such a fact or state could be recollected by them, nor do they know how this implanting of the soul took place, even though it was done unto their bodies; and I shall say, now, neither do I know how it is done, for I have never seen a soul, although I can perceive its presence through my soul senses of perception; But when it was accomplished, the first parents were aware that they were human beings, and that they were the creations of the Father.

Received September 8th, 1955

Man, as he is considered ordinarily, is a creation which passed through what you would call a long period of development, as have all of God's creatures during that period of the Earth's development, which enabled living beings to come into existence and survive.

Man's nature is therefore both animal and material, in accordance with the conditions of his physical being, and spiritual, at the same time, in accordance with the soul qualities and attributes given to him at the time God bestowed a soul upon him. In short, man's nature is dual, and thus we have man with animal passions and feelings and interrelated with these are those emotions and feelings which belong to his spiritual nature as a result of having received a soul. The Bible's reference to the creation of man, refers to the creation of man in the image of God, or to the time, when God, the Great Soul, conferred upon man a soul, and made him the greatest of His creations.

In other words, man possesses a double set of emotions, and the activity or dominance of the animal feelings in man sets in motion those thoughts and actions related to his material or animal existence, and this is not out of harmony with the laws of God, but it is only when these thoughts and resultant actions are in violation to the law of God that they are sinful and cause unhappiness. The influence of these sinful emotions and thoughts and actions upon the soul is such that the spiritual emotions and aspirations of man becomes dormant, and as though not existing, and the soul itself is incrustated with evil. Man knows when his physical passions and resulting actions violates God's laws, and he must therefore exercise his will to prevent such violations and allow his feelings to be exercised for the purpose for which they were given him and also to permit the development of his spiritual nature and with it the knowledge of his soul and the relationship which it has with God, it's creator.

Through prayer, thoughts and soul longings, the spiritual nature in man can be developed so as to dominate the personality, and he will act in accord with the feelings and emotions of his soul; if, however, his animal emotions are allowed to dominate the spiritual emotions of man and transgress the laws of God concerning them, then the soul becomes encrusted with these baneful excrescences, or, shall I say, the soul is contaminated by them, and when the mortal dies and the spirit enters the spirit world, the soul must undergo a period of suffering in which the contaminating elements acquired in the Earth life are eliminated from the soul and the soul assumes its pristine purity.

This purification of the soul obeys the dictates of God's law of compensation, for no such soul is permitted a place in God's spiritual heavens. The Paradise of the Hebrews cannot be reached without such purification, yet the time consumed, as you would say, in this process of purification depends upon the soul itself; upon the awaking which it has of its condition, and those circumstances in the spirit world, mainly his own will, as well as the help of others, which will enable him to make the necessary progress, all souls in the spirit world will be eventually purified.

This was the condition of man before the bestowal of the gift of the Divine Love, which I brought to light during the time of my public ministry in Palestine. For no man, before I came with this gift, could achieve At-onement with the Heavenly Father with transformation of his soul into a Divine Soul, through the pouring out of the Divine Love into his soul through earnest prayer to the Father for this Love, the Father's Essence, and brought into man's soul through the ministrations of His Holy Spirit.

This then briefly, is the evolution of man from the natural being to the purified soul and, if he so desires it, to the state of the divine angel. The soul is the seat of the spiritual emotions, comes from God, and has the potentiality of becoming At-one with God, if it so desires, while the gift of the Divine Love, obtained through earnest prayer to the Father, is still available. The material feelings, also the creation of God, have nothing of the soul substance and have no permanent existence in the spirit world, but they do exist in the spirit world for a certain period, for man passes over from the mortal life, with all his earthly desires and feelings; these, and their perversions, which harm the soul, however, eventually become evanescent in the course of the spirit life.

**ORIGINAL SIN:**

27 April 1916

Well, in the first place, man should realize that he is a perfect creature of God, and that his sins and diseases are merely the results of his own thoughts, and of qualities that have come to him down the long ages of his ancestors living on Earth. He need not suppose that these sins and desires are inherent in or a part of his creation, for they are not, but merely accretions that fastened themselves upon him by reason of the thoughts he has had, and the resultant course of life he has led; and when he changes these thoughts, which will necessarily bring about a change in his manner of living, he will find that he can progress toward the condition of the perfect man.

I know that many of these thoughts are so deep seated that they seem almost a part of his very nature, and can only be eradicated by the death of his physical body. But this is not true, for man, even while in the full vigour of his manhood, and possessed with all the appetites and desires which arise from the perverted indulgence of these desires (either on the part of himself or on the part of those from whom he is said to have inherited them), may relieve himself from these desires and become a man, having only the thoughts of good, and desires for those things which are in harmony with the nature of his perfect creation.

This, I know, seems to man a thing impossible; and so thinking, he does not try to accomplish what I say he may accomplish, and become free from these sins and unnatural appetites. The almost universal belief in so-called "original sin" has caused men all along the ages to think that such a task is hopeless, and that they are thinking and acting only in accordance with the appetites and desires that God has implanted in their natures (and that so long as they indulge these thoughts and desires in a moderate or respectable way, they are not doing that which is contrary to God's will or to their own nature).

But this doctrine of original sin is a mocking, damnable lie, and the sooner man realizes the fact – that it is a fraud and deceit – the sooner he will be able to get rid of those things which have placed him in his present condition and held him there bound, as it were, hand and foot. This supine submission to this old and ever recurring belief is the great thing that prevents man from starting to progress towards the attainment of that condition, which is purity and health and the perfect man. Man must decline and no longer submit to this belief, which, I am sorry to say, is fostered by the teachings of many churches, in order to sustain and make forcible their creeds and dogmas. These beliefs teach that man is not to be considered worthy of the mercy of the Father, and cannot possibly obtain that mercy and be relieved from the great wrath and punishment that God has prepared for him unless he believes and acknowledges that he is a dependent and lost man, unworthy of the Father's favour, or the help of the instrumentalities which the Father uses to assist men in regaining their lost estate.

If men would only think, and in thinking realize that they are dear children of the Father, and His highest creation, and that He prizes them above all His creatures, and wants them to know that they are beings of such wonderful qualities and possibilities, they would then have come to them an overpowering and convincing sense of what they really are, and of how necessary it is for them to assert their rights as such exalted creatures of the Father. And they would then realize that they are masters of sin and disease, for they are the creators of the same. When they shall assume such position, and become possessed of such knowledge, they will find that they have a wonderful power as creatures of the Father, and they will realize that they are masters of sin that must be gotten rid of.

Let men for a moment think, and thinking know that God does not desire His greatest creature to become or be less than the perfect being that He created. He is not flattered, nor does He have any pleasure in the thought that man is degraded and fallen from his perfect creation, and that in order to rise again, he (man) must believe that God will show His power in rescuing him from his low and hopeless

condition. No, God is not pleased by man assuming such an attitude, nor does He need any such helpless condition of man that He may show His power, or gratify what the teachings imply – His vanity, which He has not.

In this particular, man must work out his own salvation, but it will be a difficult task so long as he continues to believe and act upon the belief that he is a creature of original sin, and that as God in the beginning failed to make him the perfect man, so now only God can remedy what He failed to provide in his creation. That man, of himself, can do nothing, and that all he has to do is to wait until God is pleased to “recreate” him, and thereby take from his very nature this great curse of the original sin. See the great fatality of such belief, and how it tends to make man a slave of and obedient to this false belief of original sin!

God gave to man, in his creation, the great power of will, and the right to its unlimited exercise, subject only to the penalties of a wrongful exercise; and by the exercise of that will, man created sin and disease, and became depraved and fallen, and the possessor of false beliefs as to the perfection of his nature. By the exercise of that will, man himself must redeem himself from this condition of depravity and false belief, and again become the perfect man – God’s wholly perfect creation.

As man was, in the beginning, the perfect child of God, and by his own will created his own and only “devil,” so must he, by this same power, destroy this “devil,” and again become that perfect child. He must believe and declare, and show the sincerity of his beliefs by his acts and living, that he is a perfect child of the Father, needing no “new creation” to bring about this perfection.

Now from what I have said it must not be inferred that man is his own “god,” and has not and needs not a loving Father who is interested in him, and who is always ready to help him whenever he earnestly and sincerely asks for that help. Always is man dependent upon God; but that dependence is not recognized by God unless man first recognizes it, and by his longings and thoughts shows to the Father that he needs His help.

This may seem unbelievable, but man was created so independent in his great will power, as regards the dualities of thought and desire both spiritual and material, that God never interferes to compel. The principle involved in “whosoever will” must be exercised by man before the Father will intervene. But when it is exercised He does intervene, and never refuses or fails to answer the call of the sincere cry of man for help.

God does help man in his recovery from the state of false belief and degradation that I have mentioned. His love overshadows men, and His instrumentalities are always ready and waiting to answer those who call upon Him for His help.

**Feelings first**

**Firstly, consider discovering the truth of your emotional pain through Feeling Healing.  
Secondly, consider longing for our Heavenly Parents’ Love as you progress with your healing.  
Primary and most important readings are the writings of James Moncrief.  
Then consider the Padgett Messages, and then The Urantia Book.**

I am here, Jesus -

15 May 1917

I have described the way to the kingdom of God on Earth and in the spirit world, and now I will describe the only way to the *Kingdom of God in the Celestial Heavens*. As I have written before, when man was created, in addition to having bestowed upon him those things that made him the perfect man and in harmony with the laws and will of the Father, he also bestowed upon him the potentiality or privilege of receiving the Divine Love, provided he should seek for it in the only way that God had planned for its attainment. But instead of embracing this great privilege, man became disobedient and sought to exercise his own will, and did so in that manner that led not only to his fall from the condition and the condition of the perfect manhood in which God had created him, but also to the loss of the great privilege of receiving this Divine Love, which privilege was never re-bestowed upon him until my coming and teaching that rebestowal and the true way to obtain this love.

Now, here it had better be understood what this Divine Love was and is, for it is the same today that it was when man was created in the image of God. This love differs from the natural love of man (with which he was endowed when created and which belongs to all men and which they all possess in a more or less perfect condition) in this: The Divine Love is that love which belongs to or is a part of God, possessing His nature and composed of His substance, and which when possessed by man to a sufficient degree, makes him divine and of the nature of God. This great love God intended should be received and possessed by all men who should desire to receive it and who would make the effort to obtain it. It is the love that contains in itself the divine (which the natural love does not).

Many, I know, write and believe that all men, irrespective of the kind of love they have in their souls, possess what they call “the divine spark,” which needs only the proper development to make all men divine. But this conception of the state of man in his natural condition is all wrong, for man has not in him any part of the divine, and never can have, unless he receives and has developed in him, this Divine Love. In all God’s universe and creation of things material and spiritual, the only one of His creatures who can possibly have within him anything of a divine nature is he who possesses this Divine Love.

The bestowal of this love was intended, in its operation and effect, to transform man from the merely perfect man into the *divine angel*, and thus create a *Kingdom of God* in the Celestial spheres, where only that which is divine can enter and find a habitation. And you must understand that as it depends very largely upon man himself, to establish the Kingdom of God on Earth or in the spiritual world, so it also depends largely on man to establish the Kingdom in the Celestial heavens. God will not and does not by any power that He may have establish this Divine Kingdom; and if man had never received this Divine Love into his soul, there never would have been any such Kingdom brought into existence.

There is now a Kingdom in the Celestial sphere, but not a finished one; for it is still open and in the process of formation, and is open to the entry of all spirits – and men must seek for it in the only way that the Father has provided. And no man or spirit will be excluded from it who, with all the longings of his soul, will aspire to enter that Kingdom.

I must also state that the time will come when this Celestial Kingdom will be completed, and thereafter neither spirit nor man will be able to enter therein. This Divine Love of the Father will again be withdrawn from man (but not whilst humanity lives upon Earth), as it was from the first parents, and the only kingdom that will then be accessible to man will be the kingdom that will exist on Earth or that which now exists in the spirit world.

Then what is the way that leads to this Celestial Kingdom – the only way? There is but one.

The observance of the moral precepts and the cleansing of men's souls from sin by following these precepts, will not lead to this Kingdom. As it can be readily seen, the stream can rise no higher than its source, and the source of the souls of men in a merely purified state, is the condition of the perfect man (that condition in which he was before his fall). And hence the results of the observance and living of the merely moral precepts and the exercise of the natural love in its pure state is, that man will be restored to the condition of the perfect man – the created man in whom there is nothing of the divine. But this restored condition of man will be so perfect and so in harmony with God's will and His laws governing the highest and most perfect of His creatures, that man will be very happy. Yet, he will continue to be only the created being, having nothing more than the image of his Maker. So I say, living in a harmony with the moral laws and the exercise of this natural love in its highest and purest state towards God and towards his fellow man, will not lead into the way to the Celestial Kingdom, but the greatest height of his attainment will be the kingdom on Earth or that in the spirit heavens.

And the distinct and differing nature of these kingdoms from that of the Celestial Heavens will enable mankind to understand the difference between the missions of the great teachers and reformers who preceded me in their work among men, and the mission which I was selected to perform on Earth. The former could not possibly have taught the way to the Celestial Kingdom, for until my coming, this Divine Love of which I write was not possible for man to obtain. The privilege was not, before that time in existence, after the first parents lost it, and there was no Celestial Kingdom in which men could find their eternal home.

So I repeat, all the moral teachings of the world's history could not show the way to the Celestial Kingdom of God, and cannot now, for morality, as understood and taught by mankind and by the spirits and angels, cannot give to man that which is absolutely necessary in order to transform his soul into that state or condition that fits him for an entrance into this truly Divine Kingdom of the Father.

The way thereto is simple and single and men were taught that way by me when I was on Earth, and could have been taught that way during all the centuries since I left the human life. And I must say that some have been so taught and have found that way, but comparatively few, for the mortals whose ostensible and claimed mission and privilege were to teach that way (I mean the priests and preachers and churches) have neglected to teach the same; but rather, though in earnestness and realizing their allegiance to God and their obligations to mankind, have taught merely the way which the observance of the moral precepts would lead men into.

And all this, notwithstanding, that in the Bible, which most of those professing to be Christians believe contains my sayings and teachings, is set forth this way to the Celestial Kingdom. The words are few and the way is plain, and no mystery prevents men from comprehending the meaning thereof. When I said, **“Except a man be born again, he cannot enter into the Kingdom of God,”** I disclosed the only and true way to this Kingdom. During my time on Earth there were some who understood this great truth, and since that time, there have been some who not only understood this truth, but found the way and followed it until they reached the goal and are now inhabitants of this kingdom. But the vast majorities of men – priests, teachers and people – has never understood and have never sought to find the way. This great truth to their spiritual senses has been, as it were, a hidden thing. And as they read or even recite the same to their hearers it has no special significance, but is merely as one of the moral precepts, such as “Love your neighbour as yourself,” and with not as much importance attached to it as to some of these moral instructions. And so, all down the ages since the great Kingdom has been waiting for men, they, though in all sincerity and in love towards God, have sought for and to a greater or lesser extent, found only the kingdom of the perfect man, and have neglected to seek for and missed the Kingdom of the divine angel.

Then, as I have said, this Divine Love of the Father, when possessed by the soul of man, makes him in his substance and essence divine like unto the divinity of the Father, and only such souls constitute and inhabit the Celestial or Divine Kingdom of God. And this being so, it must be readily seen that **the only way to the Celestial Kingdom is that which leads to the obtaining of this Divine Love – which means the new birth – and which new birth is brought about by the flowing into the souls of men this Divine Love**; whereby the very nature and substance of the Father, and wherefrom, men cease to be the merely created beings, but become the souls of men born into the divine reality of God.

Then the only way to the Celestial Kingdom being by the new birth, and that birth being brought to men only by the inflowing and working of this Divine Love, and whether or not a man shall experience this birth depending in its initiative on the man himself, the question arises how or in what way can a man obtain this Divine Love and this new birth – and the Celestial Kingdom.

The way is so easy and simple, it may be that men will doubt the truth of my explanation, and continue to believe and place all their hopes upon the doctrines of the vicarious atonement (the washing of the blood, my sufferings on the cross and bearing all the sins of the world, and my resurrection from the dead), doctrines as harmful to the salvation of mankind as they are without truth or foundation in fact or effect.

*The only way then is simply this:* that man shall believe with all the sincerity of their minds and souls that this great love of the Father is waiting to be bestowed upon each and all of them, and that when they come to the Father in faith and earnest aspirations, this love will not be withheld from them. And in addition to this belief, men shall desire (pray) with all the earnestness and longings of their souls that He open up their souls to the inflowing of this love, and that then may come to them the holy spirit to bring this love into their souls in such abundance that their souls may be transformed into the very essence of the Father's love.

The man who will thus believe and pray will never be disappointed, and the way to the Kingdom will be his as certainly as that the sun shines day by day upon the just and the unjust alike. No mediator is needed, nor are the prayers or ceremonies of priests or preachers, for God comes to man, Himself, and hears his prayers and responds thereto by sending the Comforter (Holy Spirit), which is the Father's Messenger for conveying into the souls of men this great Divine Love.

I have thus explained the only way to the Celestial Kingdom of God and to the divine nature in love. And there is no other way whereby it is possible to reach this Kingdom and the certain knowledge of immortality.

So, I implore men to meditate on these great truths, and in meditating believe, and when believing, pray to the Father for the inflowing into their souls of this Divine Love, and in doing so they will experience belief, faith and possession and ownership of that which can never be taken from them – no, not in all eternity.

And so it is with man to choose and fix his destiny. Will that destiny be the perfect man or the *divine angel*?

I have finished and feel that you have received my message as I intended, and am pleased. I will not write more now, and with my love and blessings, will say goodnight.

*Your brother and friend – Jesus*

### JESUS' GOSPEL in FEW WORDS:

It is easy to summarize Jesus' gospel in few words: "God is Love. They offer Their Love to all Their children, that is to say, to all humanity. Moreover, They are always a personal God who invites us to enter into contact with Them, should we wish to do so. They will listen to us and They will answer."

~~~~~

God is the Source of Truth. And if you want to discover Truth, go to the Source, and do not be satisfied with second or third hand information.

The only way to find Truth is to experience it for yourself and in yourself. What you may experience, and thus verify, in your heart — is a great truth. Judas 6 May 2002

Man is composed of three essentially different parts: the physical body, the spirit body, and the soul. Of these three components, the physical body is characterised by its fleeting nature, for the numbered days of its existence. In fact, it only fulfils the purpose of integrating the soul into a material world, facilitating the interaction of man's spiritual part with the coarse matter environment that surrounds him.

The spirit body is composed of a different kind of matter, "finer" or more "ethereal". The fact that its aspect reflects the condition of soul is a clear indication that the soul influences largely its formation, and even more, the soul is indeed the creator of this body, which covers it and provides it with the characteristic of individuality. The formation of the spirit body begins at the moment of incarnation of the soul in the foetus, incarnation which only takes place should there exist a high possibility that the spirit of life has found in the new organism a stable biological structure, allowing it to carry out its life-giving function.

The soul, lastly, is man's only part that resembles its Creator. This is why we also refer to God as the Great Soul, Source Soul or the Oversoul.

When the human soul receives the Love of God – Their Essence – it becomes a divine soul. This is called soul transformation, culminating exactly at the moment when this process consumes the last vestiges of the natural soul, in the New Birth. Judas 8 May 2002

Our message is simple: God is Love, and They share it with all who so desire. Judas 13 May 2002

God is Love and is willing to share this Love with all Their children, that is to say, with all humanity.

Our Heavenly Parents' Love is not a simple feeling, but rather it is Their Substance, or the Essence of Divinity, that distinguishes itself by attributes, as any substance does, and what we call "unconditional love" is but one of these attributes. Judas 16 May 2002

**Note:** Following the writings of James Moncrief, one could consider that any reference to the Father, by other relevant writers, may be read as a reference to 'our Mother and Father'. Further, when considering soul healing, then reference to Divine Love could be referred to as 'Feeling Healing with Divine Love'.

**STAGES of MATTER:**

**Matter becomes finer and finer and more incredible within each phase:**

**PLASMA** is referred to in the previous infographic. Nuclear Engineer Mehran Keshe has further described the features of plasma in his publications as follows:

**PLASMA**

**PLASMA:**

The three aspects of plasma present themselves in an ever variable degree of concentration and variation.

Matter plasma creates the physical.

Principal matter, antimatter is the energy aspect and the predominant energy of everything that exists.

Dark matter, transition matter restricts light, though transparent, a result is darkness and lack of energy.

Plasma, in its complete form, is the building block of all that is, however, there appears that there are even finer and even more incredible substances.

A plasma element may be dominated by its Matter aspect, thus being seen as physical matter.

Or it may be dominated by its Principal Matter / Antimatter aspect thus conveying an abundance of energy and love.

Or it may be dominated by its Transition Matter / Dark Matter aspect thus conveying darkness and a lack of love.

**Forgiveness and Forgetfulness:**

Received by H.R. Cuenca, Ecuador

P. 235 Judas of Kerith as published by Geoff Cutler

November 6th, 2001

Forgiveness is forgetfulness. This is a great Truth. You have read it time and time again in the Padgett messages and in later communications by Celestial spirits. But what does this mean?

We speak of forgetfulness, and then along come some spirits, such as Herod, Caligula, and myself, and tell of their evil deeds with a living memory, remembering everything. And in addition, they are Celestial spirits, who supposedly already have forgotten their sins they committed on Earth. But obviously this is not the case. They remember everything, they tell that they have been forgiven, implying that they have forgotten all those things, and yet they remember everything, even better than mortals do.

I know that you have drawn your own conclusions, nevertheless I would like to deliver this message, because lately you have thought a lot about this subject, and besides it is worthwhile explaining it thoroughly, as the subject of expiation and pardon is a central theme in the Master's teachings.

When people die, they lose their physical body, but their mind stays intact. You know this already. Even more so, the spirit's mind is keener, totally awake, and there is no forgetfulness as on Earth. It is good to remember what Luke wrote: "Men may create, but they cannot destroy — I refer now to their actions and their thoughts. While on Earth they may forget and ease their consciences by forgetting, yet, when they come to the spirit world, and are called to render an account, the inexorable laws that are really their judges and executioners show them that there is no such thing as forgetting — and has been said, they have forgotten to forget."

Very well, now we know that what is repressed comes to light.

It has also been said that these recollections are the cause of the spirit's suffering. This is true. But this is not necessarily so right from the beginning. As we have said, physical death doesn't automatically mean a change in the mental state of the spirit. For example, the murderers who didn't feel any regret on Earth, or were even convinced of having acted correctly, will not show any regret immediately after their entrance into the spirit world. They continue with the same attitudes and with identical values as on Earth.

They will perceive their unpleasant experience in hell as an injustice, and they will suffer, but not because of their recollections, but because they are still convinced of having done what was right, or they simply don't care.

But suffering and the long period of reflection leads them to understand, and it is then that the change in their values associates negative emotions to their recollections, and only then does it happen that their recollections hurt, adding even more pain to their sad situation. And this is also the moment when, in fact, atonement starts. Have you not considered that pain and distress are what we feel when our awareness is keenest? Pleasure and delight are what we feel as we approach unconsciousness! This is something to think about, my little analyst.

Man creates, and thoughts are creations. They never get lost. I could tell you that all humanity's thoughts are accessible to everybody. There is a pool of thoughts. You can also imagine that spirits have access to the thoughts – and memories – of other spirits. This is why you cannot disguise anything here. And the thoughts and memories of each spirit carry emotional contents for the respective spirit. I like to call this phase, when the negative emotional contents appear to the spirit, or to the mortal, the

phase of conscientiousness. In the great majority of cases this phase starts on Earth. And in the great majority of cases, on Earth they suffer as a result of their bad conscience, and that means that these people are in full atonement process, which may be accomplished on Earth, totally or in part.

People who commit evil deeds with a smile on their face, obviously don't suffer from their conscience. They don't have any. Their underdeveloped soul condition doesn't allow it. But they will wake up in the spirit world. And it will be an awful awakening. Well, nobody escapes.

During the atonement process there comes a time when the negative emotions become detached from the memories. These recollections, our recollections, will be like the recollections of anybody else we may read about, mere data, dates, and files without emotional value. This is called forgetfulness. The recollection remains, but the style of the recollection changes.

You have also read in the Padgett Messages: "Of course, the time will come when we may have no recollection or memory of each other and our love become a misty dream, but as long as he continues on Earth he will remain the child of my care and love."

This phrase has always intrigued you. Yes, that moment will come, and for many it has already come, for example for the Celestial spirits. But it is much the same principle. Of course, spirits will always remember their parents, their children, their beloved ones in general. But style of the recollection changes. If they love their dear ones, but don't feel much for others, then they will love all the others just as they love their dear ones. All mankind, in the spirit or in the flesh, will be their dear ones. The emotional value, of love, towards their beloved ones will not diminish, but the emotional value towards others increases. The recollection of love for their children will be misty, because now they will love the whole world; they love their children and all others with a love even greater than before. I think you understand. What gets lost is the exclusiveness of that relation, giving way to a universal relationship of love.

Very well. Now you wonder: What good is praying for forgiveness to the Father, if everything is subject to the enforcement of laws, the operation of which the Father does not interfere with? You know that (Feeling Healing with) Divine Love is another form of achieving redemption, but prayer for forgiveness and prayer for Divine Love are two different things. One may pray for one thing without asking for the other one. This is true.

Yesterday you meditated on this problem. And you came to the following conclusion: This prayer for forgiveness does not bring forgiveness, but manifests the condition of development of the spirit or the mortal. Firstly, he is in the phase of conscientiousness, secondly, he recognizes his dependency on God, and thirdly, by exhibiting his vulnerability he passes the most difficult phase, that of asking for help. And this is a most important attitude, as it reflects a certain maturity in the spirit of mortal. When one comes to pray for forgiveness, praying seriously and with honest repentance, one is already one step from forgiveness.

Well said. I could add that it is always good to pray, for the reasons you already know. But I want to tell you that things go a little deeper.

Imagine someone driving drunk. He causes an accident, killing some people, or injuring them severely, perhaps they lose their legs, perhaps they will be paraplegic. If the intoxicated driver has just a spark of soul development he will feel really very bad. His repentance will make hell of his life. And when the victims, should they survive, or their relatives, tell him "we forgive you", do you believe that the matter is settled? No, Sir! It is not so easy. It is necessary to forgive oneself, and this is the most difficult part.

Oh my God! This is really difficult. I know this, and you know this. And it is then when prayer for forgiveness comes into it. God, with His loving influence, is always prepared to help us. And He does so. And He achieves what we try so often in vain: the peace in our souls.

I think that with this it is quite clear now, what “forgetfulness” means. But I want to add one more thing. Helen Padgett once wrote to her husband: “So, my dear Ned, do not let the idea that you must render to every man that which you think he may be entitled to, keep you from believing in the mercy and Love of the Father.”

Yes, my brother. God and his Laws determine forgiveness, not men. And I tell you all the same: Never allow your errors of the past to be like a ballast in your progression towards God.

Each mistake, each sin, bears consequences, bringing suffering and pain. But you must learn, after all, to forgive yourselves. Logically, it is not only about forgiving yourselves. It is necessary to change your attitude, and you must rectify this. But considering that this has already been done, at least there are the good intentions, although there will be many drawbacks, as it happens, because man is not perfect, but the past should not be an impediment. You must live in the present, learning of the past.

The wise Viktor Frankl said: “Live as if you were living a second time, and as though you had acted wrongly the first time.”

So then, consider the change in your attitude as your second time, your quest for God’s Love is your second life, and learn from your errors in the past without staying entangled in the net of self-pity or feelings of guiltiness.

The past is what the word says: It has already happened. The Law of Compensation acts upon your present condition, upon how you are now, and not upon how you were five years ago. Your condition certainly has changed. So recognize it.

And with this I will say good-bye. It has been a long message again. But it has been an urgent one, because I see that many of you drag a heavy weight from your past. Let it go, and have a little bit more self-love.

I am your brother in the spirit and your servant,  
Judas of Kerioth

**To liberate one’s real self, one’s will, being one’s soul, is begun by embracing Feeling Healing, so as to clear emotional injuries and errors. With the Divine Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we’re feeling them, express them fully, all whilst longing for the truth they are to show us.**

**The LOVE that brings about FORGIVENESS:**

This Divine Love, and by this I mean the only way through which salvation can be obtained, can enter and fill the soul through the sincere longing of the soul to assuage the thirst for at-onement with the Father through prayer.  
Revelation 17 – November 12th, 1960 – Jesus

**The only way for man to achieve forgiveness of sins is through the obtaining of the Divine Love and embracing Feeling Healing, or through purification of the natural love, a long and tedious process that fits the individual soul for a place in the Sixth Sphere.**

Revelation 50 – October 18th, 1954 – Jesus

Divine Love fits a personality to enter the Celestial Heavens, way above the 6<sup>th</sup> Sphere. Without this Love, man cannot enter the Heavens. It is this Divine Love that brings about immortality for man.

This great Love of the Father was created or rather has always been, for the redemption of the vilest sinner who seeks and believes.  
March 24<sup>th</sup>, 1915 – Ann Rollins

Only the Divine Love can give man of a Divine Nature, and that no self development or cultivation of the Natural Love to the greatest and most sublime extent are sufficient to make man at one with the Father in the divine sense and which makes the spirit a partaker of this Divine Essence of the Father. One needs to come to understand the difference between the two loves and what the New Birth means.  
March 24<sup>th</sup>, 1915 – Jesus

**Immortality with the Love.**

**Note:** Following the writings of James Moncrief, one could consider that any reference to the Father, by other relevant writers, may be read as a reference to 'our Mother and Father'. Further, when considering soul healing, then reference to Divine Love could be referred to as 'Feeling Healing with Divine Love'.

PROCESS of FORGIVENESS  
PROCESS of FORGIVENESS  
PROCESS of FORGIVENESS  
PROCESS of FORGIVENESS

is also the PROCESS of REMOVING HARMFUL EMOTIONS  
 is also the PROCESS of HEALING BODIES Physical Spiritual  
 is also the PROCESS of SOUL GROWTH with the LOVE  
 is also the PROCESS of CLEANSING the SOUL

Our Heavenly Parents send the Holy Spirit, the Spirit, to those who long for and ask for Their Love and assistance. All you need do is ASK!

“The New Birth is the flowing of the Spirit of God into your soul and the disappearing of all that tends to turn your heart from the truth and Love of God in conjunction to doing one’s Feeling Healing.”

“The Holy Spirit is God’s messenger or instrument that carries into the soul the Divine Love that is bestowed on the truly penitent man.”

“The Holy Spirit when the penitent prays for the Love the Holy Spirit will respond and fulfil the work that the Mother and Father has provided it to do.”

“The only thing that saves a man from their sins / errors and reconciles them to the Mother and Father is that they must become conscious of God’s Truths and receive the Holy Spirit into their souls.”

Continuing with one’s longing for Truth and asking for our Parents’ Love enables progressive removal of emotional errors and injuries that then lead to the removal of core emotional damage, and then, subsequently, the progressive filling and expansion of one’s own soul. Removal of these soul injuries through Feeling Healing also leads to the removal of damage to one’s spirit body and the restoration of one’s health.

It is only by the infusion of this Love while longing for Truth within one’s soul in sufficient quantities does one become fitted to enter the Celestial Heavens.

Soul development, with the Love, can take a soul from being a dried up garden pea to that of a simple candle, and then onto that of a blazing sun!

**LOVE ASSOCIATED WITH ONE'S PROJECTED THOUGHTS:**

- A.** Our soul is connected with our spirit body which is the template for the physical body.
- B.** Every time when one prays to God from within the intellect, their prayer rises no higher than one's head. It does not go any higher because one's heart is not involved. Mindlessly repeating prayers learnt by rote is almost pointless.
- C.** Projecting your rage impacts on those around you and into the spheres of disharmony, however now your heart is involved! Causing harm to others brings about consequences.
- D.** Focused intention and desire for earthly creations is generally assisted by intellectually and loving spirit personalities from within the lower Spirit World Spheres, 1 and 2.
- E.** An earnest longing and desire to receive our Heavenly Parents' Divine Love projects into the Celestial Heavens and brings about an immediate infusion of the Mother and Father's Love into one's soul, delivered through the instrument, the Holy Spirit, of our Creator.
- Thus, one's level of feeling, earnestness, longing and love associated with prayers, meditation and desires is relative to the success of one's communications. Our thoughts project at a speed in excess of that of light and they are received into the spirit world or worlds at a level relative to the subject matter being focused upon. At all times, love focused communications will rise to the higher spheres.

**The BEAUTIFUL MIRACLE:**

5 Oct 2012

**The DIVINE UNIVERSE**

The way in which the Spirit conveys the Divine Love into the soul is a beautiful miracle. The attribute of mortal soul prior to incarnation has to it, a potential within it that is part of its formed nature. After the soul incarnates this potential remains part of the soul and even if the forming personality is unaware of such a soul potential, the potential still exists. The Divine Love is entirely suitable in its energy of harmony to be the energy that a mortal soul can utilise. The Spirit covers the spirit body when the individual sincerely asks the Soul of God for the Divine Love and this covering of the spirit body is where the dynamic of this beautiful miracle takes place. From the internal longing of the individual for the Divine Love this activates the Spirit Law that activates the Spirit that is then attracted to the spirit body upon which the Spirit material of the spirit body draws the Divine Love into its soul and this union complete. The key here is to gain a perceptive insight into realising that the spirit body is not an inert body but that it is living and has activity, recognisable from its first forming from the Spirit Law that materialises a spirit body. The Spirit and the spirit body to give an analogy are like two attracting magnets and when the surface of the spirit body is touched by the Spirit, this causes the automatic response of the Divine Love to permeate into the attribute of soul and so begins the transformation of energy from the natural into the Immortal Divine Harmony. If the individual continues the receipt of Divine Love the energy that is Divine Love actively begins to change the soul and this is felt in the spirit body systems and can produce feelings of love and elation. The spirit-mind begins to change as all spirit body systems are affected by the changed condition now experienced in the soul as the soul becomes living and vital. In one's progression of this Divine transformation, the soul will mature enough from the amount of Divine energy it receives and at that moment the surface of the spirit body and the Spirit are continuously attracted to each other and one is living in the presence of the Father in perfect harmony and this clarifies the truth about what it means to be truly at-one with God.

**665. The Shining toward Truth**

Vol III, p. 157, 14 Nov 2014 – 14 Mar 2015 Zara and Nicholas

[www.lulu.com](http://www.lulu.com)

It is I Matthew, a teacher of the Divine Love. I have communicated with you recently, now I desire to provide you with a visual description of the Love.

Imagine a continuous Energy shining light blue that is unbroken with a seamless surface that surround every mortal and Immortal spirit. Imagine if you were to become aware that this energetic field of light-blue Energy existed in its shining radiance just near where you are. Now that you are aware that this unbroken Divine Love is unified energetic field of living Love, by opening toward the Soul of God and aspiring for the Divine Love, the Acting Spirit gently brings a small portion of this shining blue Energy into your soul

The Divine Love that you have received remains part of this great Energy that the Divine Love is and even though this small portion of Divine Love, now within your soul, in its shining radiance and energetic cause, it is never separated from the continuous energetic field of Energy that the Divine Love is. Having partaken of this Energy it is with perception that one is aware that the Divine Love within one's soul is the same Divine Love that every person and spirit who has partaken of this Love, participates with. Even though in our individuality we partake of this Divine Energy, this Love is never broken away from the Source and Origin from which this Divine Love emanates.

The Divine Love is bestowed into our finite soul by the Acting Spirit, but this Spirit remains in contact with our spirit body and does not enter the finite soul to become part of our finite soul essence that we are. No mortal or Immortal spirit can manifest in their soul the Acting Spirit so that this Spirit – this Holy Spirit – becomes part of our existing finite spirit body. Only the Divine Love and its Energy becomes part of our finite soul, which causes the change to our spirit body. The Acting Spirit always remains its own attribute and never does a Celestial spirit claim ownership or take possession of the Acting Spirit within their soul. (The Holy Spirit / Acting Spirit is an instrument of the Source Soul, our Father.)

This is one of the wonderful Truths by which we who have been transformed by the Divine Love understand our personal relationship with the Father's ever-present Acting Spirit. The shining Energy of Divine Love is all around us and when we have partaken of this Love, part of our finite nature becomes independently shining in this true perfect Love.

I provide these words that may appeal to those who are visual and to express the universal appearance of the Divine Love and the personal touch when in contact with the Acting Spirit.

Matthew (Apostle)

**Feelings first**

**Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God's soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of your Mother and Father.**

### **SPHERES of the SPIRIT WORLDS, CELESTIAL HEAVEN and BEYOND:**

This could be said to be an amazing journey of discovery. We look to the stars and wonder. We wonder where do we go once we leave this mortal physical body? Well, the answer is not very far.

Life continues in a different form. In fact when we shed this cumbersome physical body we lose nothing except the restricting nature of our physical body. Our personality is derived from the nature of our natural love formed soul. Our memories and intelligence are all soul based. Our senses continue with our spirit body. Our soul connected by cords of light to our newly forming spirit body at the time of conception / incarnation. Should a forming embryo be considered viable then a pre-existing soul half is attracted to the embryo and the spirit body is created and connects with this newly forming spirit body via cords of light, never to be separated for eternity. The spirit body is the template for the physical body. Our mind is within our spirit body. Thus upon the spirit body separating from the physical body we have the death of the physical body.

By looking at the expression on his spirit body face, one can clearly determine that this guy is really upset with the situation. Life continues on for us all, in a different form! We actually become more alive than ever! Police photo from motor accident in Minnesota. <http://www.echobodine.com/>

Aze was the first personality to arrive within the 1<sup>st</sup> spirit world sphere. From her account we understand that the first sphere rotates in unison with Earth. Accounts written by Mahatma Gandhi, since his death, outline more clearly the location of the 1<sup>st</sup> sphere. (Golden Leaf by Zara and Nicholas)

**369. The First Spirit in the Spirit World** [www.lulu.com](http://www.lulu.com)

Hello, I would like to introduce myself as being the first human to enter the spirit world. I am feminine though I have been living in this spirit world divested of an earthly body a long time. I am the first daughter of the First Parents who had received the blessings of Divine Love as some of my brothers and sisters did. I had an unfortunate accident, a fall which resulted in the ending of my human life. I was at the age of what you know 21 years to be. I arrived in the first natural sphere and was alone. Thankfully my parents, the First Parents, had taught us about the existence of the Father's spirit world, the life that succeeded the human life. Though my parents fell from Grace, they were very knowledgeable about the greater aspects of Our Father's Kingdom therefore, we knew what to expect when our human life arrived at its completion and our entrance into our spirit life dawned.

I stayed in the First natural sphere, in a position in this sphere, close to where my family resided. I knew that we had components to our makeup that enabled us to live in the spirit world. There is no doubt that the reality of spirit to us, at the time my parents lived, was equal with the reality of the earthly environment where we lived and experienced our human life. We lived by a river and it was most beautiful. We would swim in the river and we adored our parents. I had accepted the Father in my life, our parents had taught us how to accept the Divine Love, which formed part of our existence. I watched from the spirit world as their Fall from the Father commenced. It saddened me but I knew that everything would be all right and it was. You have received a communication from my brother. I see him regularly in the Eternal Spheres and I still see my mother and Father (they are also in the Eternal Spheres).

When my parents arrived in the spirit world, they still had the Divine Love in their souls that they had received and they knew about the existence of the Celestial environments but they were closed to us now, so in the natural spheres we were to reside until they were opened again when Jesus walked the Earth.

The purpose of my communicating with you is to state that my parents were very knowledgeable about the Immortality of the Divine Love, the Acting Spirit that brought this Love into our souls, and the form of the spirit world as formed by the Universal Father. My parents were not naïve in their understanding about the purpose of their life, and why they were living on Earth. They were very wise, beautiful and loving parents that exemplified the Grace and Harmony of their creation as having been formed by the Father.

I will always remember seeing Jesus walk the Earth, that part of the land he lived in and the Celestial Heaven reopening. I continued my receipt of the Love and many of us resident in the Perfect natural sphere (6<sup>th</sup> sphere) commenced our ascension into the Celestial Heaven when Jesus arrived here as a spirit after his human life. It is difficult for me to convey to you every single detail that transpired in my 21 years of my human life. It was a long time ago and it almost would seem to you to exist in the realm of imagination now. Here in the spirit world there is more reality to my story for everyone in the Celestial Heaven and spheres beyond the Celestial spheres understand their place from their time and the story of their human life as lived at the time after my Parents to present day. How could I possibly write about all that time lived?

Thank you for receiving a small account of my story. An eternal friend, Aze

**The FIRST NATURAL LOVE SPHERE:**

- a. **Blankets Earth.**
- b. **The first Sphere is like this surrounding the orbit of Earth around the Sun.**
- c. **The first natural love sphere is massive. Should all the souls that have been individualised and are yet to be individualised (incarnated) remain within the 1<sup>st</sup> natural love sphere, then there is more than sufficient capabilities for them to be accommodated.**

**WHICH WAY? MIND SELF RELIANT or FEELING AND GOD RELIANT:**

To PARADISE, the HOME of OUR HEAVENLY PARENTS

# The Way Home

Council of Elders  
now around 20  
Soulgroups

Maybe something like 30 billion people have recognised that our Mother and Father's Divine Love, together with embracing one's Feeling Healing, that with these two aspects, have progressed through the Mansion Worlds to the Celestial Heavens and onwards.

Mansion World 7: is then about still working with the deepest and residual bad feelings, whilst looking to sort out how you wrongly relate to yourself and others, nature and God because of being unloving, understanding how your relationships are unloving, how you don't connect properly, how unloving you really are and why and fully accepting the truth of it, coming completely to grips with your parents not loving you as you needed to be loved – sorting it all out, including your self and feeling expression difficulties.

Mansion World 5: is then about going right into the depths of them, feeling how unloved you feel and seeing how unloving you are and how that makes you feel, bringing out the majority of your pain, your misery, fear, anger, guilt, hatred, boredom, terror, rejection, nothingness, feeling powerless, alone and abandoned, and so on.

Mansion World 3: is for waking up to the truth that you're not loving and starting to get in touch with your pain, starting to accept your bad feelings, starting to work with them instead of rejecting them.

More than 200 billion personalities have embraced their mind and self reliance through the misguidance of 'New Age' styled ideologies and the many thousands of different religious platforms, all of which take the person further and further away from our Heavenly Parents.

For a million years, humanity has gone in the wrong direction with its self-denial of self and feeling!

## **I'D TURN BACK IF I WERE YOU!**

The Natural love spirit Mansion Worlds as to how they have been for all these hundreds of thousands of years and as they are set up currently, are to help spirits advance to the fullest of their self-denial that they can. That is, so as to become as evil as they can. And all under the guise of being 'loving'.

It's why they are called the mind worlds, namely Mansion Worlds / spheres 1, 2, 4 and 6. That is because the spirits are using their minds to complete their rebellion – denial of self and feelings, and rejection of our Heavenly Parents as well their Creator Son and Daughter. So yes, the top of Mansion World sphere 6, spirits are the most evil, the most in rebellion, the most in default, the most wrong and unloving and untrue, even though, they appear, because they've trained their mind to do so, to be the most loving, but it's all false and contrived – such as the Eastern gurus. Total mind over feelings, blocking all the bad ones and using your mind to only make you feel good.

Typical of those on their way up in the mind worlds are not open to anything, they do not want to know about feeling bad and going with their bad feelings looking for their truth, because that scares them, that's not nice, that doesn't make one feel good, it threatens their control, they reject that preferring to stay in their nice safe space. Which is how it is for these Natural love mind spirits using their minds to control their feelings.

We've all got to take responsibility for our evilness even though we were made to be that way and rebel by default, but there is no getting away from it, and it has to be compensated right to the last farthing, which is what being in the hell planes is all about, and which keeps being applied right the way through the Mansion Worlds. **In the mind worlds you can continue to use that inner pressure requiring compensation for your bad deeds, to further contrive love and pretend you are all holy and loving and not hurting anyone anymore, which on the surface of it you are not, but underneath still are, all the way up through to the sixth world; or, you can allow it to keep working on you right the way up through the Divine Love Mansion Worlds doing your Healing.**

And apparently what's going to happen is the Natural love mind Mansion Worlds are going to be divided, so within them, there will be spirits doing their Feeling Healing – without the Divine Love, and still limited to the sixth Mansion World, but looking to be true and end their rebellion. And then there will be those still carrying on denying themselves as they have always done. So you will have spirits in the Feeling Healing Natural love sectors that will truly perfect their Natural love; and those spirits still in the mind sectors perfecting their wrongness. The opposites or extremes living side by side. And then you'll still have the Divine Love Healing Mansion Worlds, being spheres 3, 5, and 7, doing their Soul Healing.

And as for a summation: "Divine Love Mansion World / Sphere 3 is the waking up to the truth that one is not loving, also their being a lot of assistance. Sphere 5 is then about going right into the depths of feeling how unloved you feel and seeing how unloving you are and how that makes you feel, also this a time when one can then progress and manage their own progress through their Feeling Healing. Sphere 7 is then about still working with the deepest and residual bad feelings, whilst looking to sort out how you wrongly relate to yourself and others, nature and God because of being unloving, this is a time of great realisation and comprehension with much of the prior experiences starting to be drawn together."

Mansion World 3: is for waking up to the truth that you're not loving and starting to get in touch with your pain, starting to accept your bad feelings, starting to work with them instead of rejecting them.

Mansion World 5: is then about going right into the depths of them, feeling how unloved you feel and seeing how unloving you are and how that makes you feel, bringing out the majority of your pain, your misery, fear, anger, guilt, hatred, boredom, terror, rejection, nothingness, feeling powerless, alone and abandoned, and so on.

Mansion World 7: is then about still working with the deepest and residual bad feelings, whilst looking to sort out how you wrongly relate to yourself and others, nature and God because of being unloving, understanding how your relationships are unloving, how you don't connect properly, how unloving you really are and why and fully accepting the truth of it, coming completely to grips with your parents not loving you as you needed to be loved – sorting it all out, including your self and feeling expression difficulties.

It is agreed that the lower worlds are about waking up to what's involved, however from then on it depends on how it's all structured for the individual in their negative state as to how much ongoing assistance they might need. Some need help all the way along, whereas others have been able to work with their feelings, themselves, right from the beginning.

And yes, each of the Divine Love healing Mansion Worlds, 3, 5 and 7, are equally painful to work through, just focusing on different aspects of yourself and your Feeling Healing with Divine Love. And then in the higher planes of the 7<sup>th</sup> world comes the transition, where one's pain starts to end, and you start feeling so much better about yourself, you are fully accepting of your negative unloving state, you are fully unloving although even starting to become more loving – truly loving, of yourself, God, and then other people.

Then onto the Celestial Heavens by progressing into Sphere 8 and then onwards further, all the way home to Paradise.

Maybe something like 6 billion people have recognised that our Mother and Father's Divine Love, together with embracing one's Feeling Healing, that with these two aspects, have progressed through the Mansion Worlds to the Celestial Heavens and onwards.

More than 200 billion personalities have embraced their mind and self reliance through the misguidance of 'New Age' styled ideologies and the many thousands of different religious platforms, all of which take the person further and further away from our Heavenly Parents.

The 1<sup>st</sup> and 2<sup>nd</sup> Spirit Mind Mansion Worlds / spheres are jammed to the rafters.

For a million years, humanity has gone in the wrong direction with its self-denial of self and feeling!

**NATURAL LOVE SPIRIT MIND MANSION WORLDS:**

**DIVINE LOVE SPIRIT WORLDS and CELESTIAL HEAVEN OPENED:**

**To PARADISE, the HOME of OUR HEAVENLY PARENTS**

**SPIRIT MIND MANSION WORLDS are numbered 1 to 7:**

To PARADISE, the HOME of OUR HEAVENLY PARENTS

Spirit Mansion Worlds are those 1 – 7. They with the Celestial Heaven spheres numbered 8, 9, 10 as well as the 3 Spheres of Disharmony are all within the Earth’s environment, and rather close by. Each sphere can accommodate more than 100 times the people than Earth may do.

Progression from the top Celestial Heaven sphere is to the Eternal Spheres, Infinite and Universal and further onwards to Paradise.

Celestial Heaven spheres 8, 9, 10 are often referred to as 1, 2, and 3 of Celestial Heaven.

Natural Love sphere progression stops at sphere 6. With only the natural love, progression is through spheres 1, 2, 4, and 6 only.

Divine Love perfects one’s natural love soul through the progression via spirit world spheres 3, 5, and 7. Soul-Healing and At-onement is achieved through the progression into sphere 8 which is the first of the Celestial Heaven spheres namely 8, 9, and 10.

One can embrace Divine Love at any time and move to DL sphere 3 and continue.

The Divine Love spheres 3, 5, 7, 8, 9, and 10 were opened by Jesus.

On death of the physical body we all arrive in the 1<sup>st</sup> Natural Love sphere.

Earth is for the individualisation of souls being the commencements of one’s journey home toward the Source Soul.

The 2 Planes of Disharmony are the hells. While one desires to cause harm to others, isolation is applied. Once the Law of Compensation is completed then one can then progress and return to the 1<sup>st</sup> Natural Love sphere and continue in their progression onto higher spheres.

The Pre-Incarnational Sphere is the waiting area for souls to be individualised / incarnated.

There are seven Earth planes around Earth, which are separate from the Mansion Worlds, but we only have access to two of them, which include the ‘hells’. Each of the Mansion Worlds also have their own seven planes ‘around’ them.

Note: The 1<sup>st</sup> Divine Love Sphere and the 1<sup>st</sup> Sphere of Disharmony may simply be planes within the 1<sup>st</sup> Natural Love Spirit World.

# Boundaries of HELL!

The gateway out of our isolation from all other humanities within our local system is opened to us upon the completion of our healing of all that represents the Rebellion and Default.

While we remain embraced within the Rebellion and Default, even though we are unknowingly doing so, all of the humanity of Earth is isolated from all of the other humanities throughout our local system of Satania, all 619 inhabited worlds, thus effectively we are in hell!

Further, we are also isolated from the Spirits of Truth that our spiritual parents can offer us, until we complete our healing and enter the first of the Celestial Heavens, and that is when we move through the gateway and progress beyond healing Mansion World number 7.

Life on Earth is living in hell in the physical. Many of us consider it to be wonderful – that is a fantasy. Our physical parents have remodelled our personality to reflect what they consider appropriate ... IT'S NOT! We are to freely express the personality that our Heavenly Mother and Father bestowed us with.

Many of us fight so powerfully against our childhood suppression and repression that we go on and cause great harm to many others, all of which the Law of Compensation takes into account. The lower levels of the 1<sup>st</sup> Mind Mansion World is a region for our compensation. We ALL enter the 1<sup>st</sup> Mind Mansion World as spirits upon the death of our physical body. The pain we cause to another is the pain that we will endure in compensation. Those who continue to endeavour to inflict harm on others may find themselves within the 1<sup>st</sup> and 2<sup>nd</sup> planes of Earth. The 1<sup>st</sup> Earth plane being the worst of the hells, while the 2<sup>nd</sup> is bridging towards a return to the 1<sup>st</sup> Mind Mansion World hell sectors. You can continue to live through your mind and perfect the mind but you will end up at a dead end in the 6<sup>th</sup> Mind Mansion World. There are more than 200 billion spirits within the 1<sup>st</sup> and 2<sup>nd</sup> Mind Mansion Worlds and the two Earth planes of compensation. These areas are packed to the rafters! Only by embracing our Feeling Healing and with our Heavenly Parents Divine Love can we heal ourselves and progress through the three healing worlds before transitioning to the Celestial Heavens and out of the Hells. Within the Celestial Heavens are spirit personalities from all of the 619 worlds within our local system.

# Boundaries of HELL!

Humanity on physical Earth is in Rebellion and Default, thus hell! Upon death we all arrive in the 1<sup>st</sup> spirit mind Mansion World where we typically suppress our poor state and remain in the mind Mansion Worlds indefinitely. Some have a period in the 'hells' compensating for the pain they have caused others. Many continue their 'mind worshipping'. However the way out is by embracing Feeling Healing, and with Divine Love, Soul Healing to progress up through the Crying Healing Worlds and transition out to the first of the Celestial Heavens.

## GATEWAY

Transitioning into the Celestial Heavens is also out of: **ISOLATION**

If you go against yourself, if you're untrue to yourself, then you are going against God and all God's laws, and compensation is required to bring you back into the fold, which is what happens through our Spiritual Healing. It's the Law of Forgiveness, forgiving yourself through self-acceptance, which is dominant in this part of your life. If you cross the line and abuse your children, that being up until they are 21 years old, then you have both levels and amounts of Compensation and Forgiveness to deal with, that which happens as part of your Healing. And as everyone abuses their children, we being conceived into our parents' rebellion against the truth of our soul, so all who have children have to come to terms with all they've done through their Healing.

Kevin 18 Feb 2019

### Law of Forgiveness

### Law of Compensation

If you go against someone else, as in cross the line and grossly interfere with their will, and there are degrees of this, then you will have to suffer the pain you have caused the other person, spirit or creature, which as you know is the Law of Compensation; and as to the extent of crossing that line and hurting another determines whether you have to spend time in the hells or not.

Kevin 18 Feb 2019

The minor 'hells' are the lower levels of the 1<sup>st</sup> mind Mansion World whereas the more severe are the Planes of Isolation being the 2<sup>nd</sup> Earth plane with the severest being the 1<sup>st</sup> Earth plane. Pain caused to another is the pain that will be endured before returning to the 1<sup>st</sup> mind Mansion World, all then to consider your Feeling Healing.

# JOURNEY HOME

Our journey home is an ever growing expansion of truth being revealed to us. For Earth's humanity, as for the 37 humanities that have Rebelled, we are quarantined and isolated. Having also Defaulted, Earth's humanity is possibly the most evil of all. Firstly, we are to understand that living through our minds is why we are addicted to untruth and control of others and nature – we are going the wrong way! We are to live feelings first and then heal our Childhood Repression and Suppression – we are to live and express our true personality, the one given to us by our Heavenly Mother and Father. Then our journey home begins!

The Isle of Paradise is stationary within the circle of seven super-universes. Spheres here are also for us to further grow in truth before arriving Home to become Finaliters. Our Heavenly Mother and Father guide us out of our Local Universe of Nebadon, through the rest of our super-universe of Orvonton and into super, superuniverse Havona which circulates around the Isle of Paradise, being home.

Each of the seven super-universes are constituted, approximately, as follows and with 1,000,000,000,000 inhabitable worlds:

- One super-universe is 10 major sectors
- One major sector is 100 minor sectors
- One minor sector is 100 local universes
- One local universe is 100 constellations
- One constellation is 100 systems
- One system embraces approximately 1,000 physical worlds

Once we attain the Celestial Heavens (spheres) we start to come in contact with spirits from other 'Earth' worlds. So in spirit and once we've finished out Healing and are Celestial, we interact, sometimes directly and otherwise indirectly, with potentially 10,000,000 physical worlds of which 3,840,101 are with humanities. Our Avonal Daughter and Son lead us to Mary Magdalene and Jesus (Michael soulmate pair, our Creator Daughter and Son), through our healing of the Rebellion and Default by guiding us into the first three Celestial Heavens and out of isolation from all other physical and spirit humanities.

Mary and Jesus then lead us through the Celestial Heavens for the system Satania (that Earth is in), then our constellation and then out of our Local Universe.

Isolation from all other humanities prevails before completing our soul's healing and progress into the Celestial Heaven spheres 1, 2 and 3. Hell planes 1 and 2 are of Earth, those who have compensation may have this experience and might then progress up through mind Mansion Worlds 1, 2, 4 and 6 before turning around to progress through Healing Mansion Worlds 3, 5 and 7 to transition into Celestial Heaven.

# Finaliters

Hey guys, I know who I am and why I am having these life experiences. No, I haven't a prison uniform on – but that might be what my soul has planned for me to experience! Just joking!

When we arrive in our Earthly mother's womb we are clueless as to why the heck we have come here. We truly need to persist with asking, "What's this all about?" – We will be told, bit by bit! But you have to push for it. Well guys, here's a go at it.

We have come to this crazy messed up humanity on Earth because God wants us to come, we don't have any say in it. And we think we can do something about it, but we actually can't, we can only do what God wants us to do. And if that makes us think we can do something, that we can have an effect, then that's what God wants us to think. Man, this mob is ready to slaughter each other totally and that is not going to happen – it's not allowed!

We are to enable our wilfulness to surface – well take over our 'numbnut' mind – and push aside the persona – the messed up personality that our parents want us to be – and express our true individuality. Be true to our feelings – our soul-based feelings and be the personality that our Heavenly Mum and Dad know us to be (all good).

Okay, because we are amongst billions of people who have been forced to join the Rebellion and Default, we are one of them – experiencing all the crud and wrongness we can possibly get ourselves into. Yep, we are rebelling against our soul, which also means we are rebelling against our soulmate and also our Heavenly Mother and Father – God. Shoot the works – we have done it justice!

Now here is the good bit. We can heal ourselves of all this wrongness – and eventually we ALL will. Then we will continue with our healing and learning, and learning, and more learning and end up in Paradise, the home of our True Mum and Dad. THEN we will be recognised as FINALITERS. Why Finaliters?

We are called Finaliters, that's everyone who attains Paradise, and not just those of us who've been fucked up by a Rebellion, because we've 'finally' got there, we 'finally' did it, we 'finally' completed the first stage of our existence in Creation, which is akin to 'Finally' completing our time in the 'womb'. Upon attaining Paradise, it can be likened to being 'finally' born, or 'finally' becoming of the equivalent of age 6 when our Indwelling Spirit arrives, or 'finally' becoming an adult. And possibly we won't know if we can liken to it to any of these stages we go through during our physical life on Earth, until we're 'finally' on Paradise, and 'finally' get it!

Because other humanities in newly forming universes are anticipated to Rebel (just like us now) and because we have had the experience (no other humanity has possibly done it as good as us) so we FINALITERS can go and help them out of their SHIT! Yee-ha – more evilness and insanity! That is us! Bring it on!!!!

**OUR JOURNEY to the CENTRE: HEAVENLY PARENTS are UNIVERSALLY PRESENT:**

Earth is one of the youngest inhabited planets on the outer edge of the youngest of the seven super-universes. From the spirit worlds, we progress to the spheres of many mansions, being the Celestial Heavens. From there we progress to the Eternal Spheres, then to the Infinite and Universal Spheres and then towards the Isle of Paradise. The Isle of Paradise remains stationery and is the home of the Source Soul, our Heavenly Parents, Mother and Father.

Our progression is always towards the centre, nearer to the centre of our super-universe.

**EACH STAR / SUN has a HABITABLE ZONE:**

Within the habitable zone of every sun / star there is the potentiality for ensouled life. The observations are that at least one in three stars have at least one planet with life formed in the manner similar to that which Earth enjoys. Some stars / suns have as many as three planets with ensouled life and that ensouled life is typically similar to that of the human beings on the planet Earth.

Earth is particularly unique. Our first parents stepped away from the Father and became self-reliant. This has rarely been the case on other inhabited planets throughout the universe. Earth is now also unique for having ‘socialised war’. War is not a part of any other planet’s culture where the first parents continued to embrace the Father and His Love.

Further, we are known as the Land of the Crucifixion. When we were blessed by the presence of a World Teacher we treated him most inappropriately, to say the least.

Is there interaction between the spirit personalities of other planets and that of Earth? There is no interaction between spirit personalities within the Natural Love Spheres or the Divine Love Spheres within the Spirit Worlds referred to as numbers 1 to 7. Further, there is no interaction between spirit personalities within the Celestial Heaven being spheres numbered 8 to 10.

However, there is some limited interaction between spirit personalities within the Eternal Spheres and more so within the Infinite and Universal Spheres, both of these sets of spheres are tied to Earth. Spirit personalities who are extremely advanced in Love can move at very significant speeds and thus travel between different habited planetary systems when considered appropriate.

The universes are teaming with life.

As we proceed in the development of Love we will eventually leave our Earth environment and progress towards the domain of the Father.

Jesus and Mary are the Masters of the Celestial Heaven and the Divine Love spirit worlds. Though he has reign over all regions, the Master Teachers of the Eternal Spheres and the Infinite and Universal Spheres may be Aman and Amon, our first parents.

One's natural love is always progressively perfected during this journey of evolution of the soul.

Upon embracing Divine Love at any stage, then one can progress through the Divine Love spheres 3, 5, 7, whilst also doing their Feeling-Healing.

Even though a person may have received Divine Love, they do not avoid compensation or doing their Feeling-Healing, so they may still spend time within the spheres of disharmony.

Natural Love sectors for those doing their Feeling-Healing, without the Love, are within the Natural Love Mansion Worlds:

Progressing through the natural love worlds, within Feeling-Healing sectors, while doing one's feeling healing, upon reaching the 6<sup>th</sup> Sphere having completed Feeling-Healing, one can then embrace the Divine Love and proceed directly to the 5<sup>th</sup> Divine Love Sphere.

Then they may prepare to enter the Celestial Heaven Spheres from there.

This pathway is when the Divine Love is unavailable before perfecting one's soul.

## “All dis-ease is mind generated, and all healing is generated by the love energy of one’s soul.”

The Ego (mind based) manifests illness; the lower one’s level of consciousness (soul condition) then the more prevalent will be illness. Below the levels of 200, the ego and fear of the mind dominate; however, as you raise your level of consciousness by growing in love and achieve a level of 500 or higher, you begin to transcend ego dominance. At the level of 600, all healing is possible.

Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God’s soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of your Mother and Father.

**MODERN MEDICINE IGNORES OUR SUBTLE BODIES:**

It is the injuries to our subtle bodies caused by our wayward mind that bring about the manifestation of mild discomfort, then acute pain within our physical body, and ultimately the illnesses and diseases that we then seek medical assistance to suppress. Modern medical systems do not address the cause of such illness. Ask yourself, when was the last time that a medical professional told you what the underlying cause of an illness was?

The auric field, that some can see, is the template for our physical body. Childhood Repression brings about energy flow blockages, being stuck and frozen emotional injuries, which then retard the flow of energies within our physical bodies. Modern medicine ignores this reality. The result is that treatments provided are only temporary as the underlying injury remains within our subtle bodies.

We have other bodies that are just as real as the physical body, they are all connected, if we have a problem within these subtle bodies, such problems most likely will manifest on the physical, so why not attend to it utilising a healers help on these subtle levels thereby helping yourself on the physical.

Example, our genes are multi-layered. Our genes are not only part of our physical being but are far reaching. They are:

- on the physical level
- on the emotional level
- on the mental level
- on the psychic level
- on the spiritual level.

We need to understand our **genes are not just physical, but on all levels.**

In fact our issues and illness that we recognise within the physical body are on all levels.

Only by one engaging in the process of Feeling Healing can one delve down into the core emotional issues originating from our childhood, being in the form of childhood repression and suppression, that we can then express and release such injuries and bring about permanent health to our physical body. The process of Feeling Healing is the only way to remove the underlying cause of physical illness and discomfort.

**SPIRITUALITY was and will return to be the WORLD’S LEADING WAY OF LIFE:**

The ancient Sacred Inspired Books were written for the purpose of teaching early man religion; therefore, man's first religion was the teachings of the Sacred Books.

The basis of the first religion taught to man was – Love. The Love of Man for his Heavenly Parents, the Love of the Heavenly Mother and Father for his son, man, and the love of man for all of God's creations.

Man was taught to approach the Creator in reverence but without fear or trepidation, just as a child would approach his earthly mother and father knowing that open loving arms were extended to receive him.

Early man knew no fear of God, the Mother and Father, because he loved the Mother and Father and he knew They loved him in return.

All of the ancient teachings were the same all over the world, it was a universal church without sect, creed, theology or dogma.

Every teaching was plain and simple without a particle of theology. The most ignorant could understand every phrase in it. There was nothing of any kind indefinite. It was impossible not to understand it thoroughly. Man was taught to approach the Heavenly Parents, not with fear or dread, but with confidence, and above all, Love: as a child would run to its earthly father who is standing with outstretched arms to receive it. Love stood at the head of the 12 great virtues, because Love governs the Universe and the Heavenly Parents is The Great Love.

Now all peoples of all faiths and way of life can embrace the universal gift of our Heavenly Parents. This gift was known to the first family and again known in the 1<sup>st</sup> and 2<sup>nd</sup> century. Living with the Love is universally being taught through the teachings from 31 May 1914 and ongoing, by our Celestial Friends, and that gift is the light golden blue energy substance being the Divine Love of our Heavenly Parents that is shared with all who so ask to receive it. It is that simple, ask and you will receive the Love substance of God instantly.

**God's Divine Love: Pray for it, ask for it, and receive it.  
Our Heavenly Parents simply desires for us to ask for Their Love.**

**INDWELLING SPIRIT, THOUGHT ADJUSTER,  
MYSTERY MONITOR (all being the same):**

The external elements, instruments of the Father, do not form attributes of our own soul upon its initial creation by our Heavenly Parents, these are the Spirit of Truth, the Indwelling Spirit, and Divine Love.

The Holy Spirit, conveys Divine Love to your soul should you earnestly and lovingly ask for it. This is the only function of the Holy Spirit – Acting Spirit.

The Indwelling Spirit becomes present when we are around the age of six. This means that the unseen helper of the Father and Mother – the Indwelling Spirit – can always interact with the mortal soul and to be of service so that eventually the leadings from the Spirit may be the catalyst for that soul to seek our Parents.

The Indwelling Spirit reveals intrinsic workings of Father and Mother to your soul.

The Indwelling Spirit functions in much the same way as the Holy Spirit, ask and it will provide support and guidance.

The Indwelling Spirit / Thought Adjuster only works with us on the mind, feeling and psychic levels directly with our personality on conscious and unconscious levels of reality. It is the Divine Minister with hands-on help from our attending angels that do the actual adjusting of our mind circuits – of all our circuits, even the physical if need be.

Spirit of Truth becomes active more so when you connect to the Source Soul and commence receiving Divine Love.

You are a spirit person having a physical experience. Your physical body is encased within your spirit body.

The spirit body only exists because our soul wants it to. In the fullness of love, even all our encrustments and wrongness is not actually bad, they are just the nether side of love.

So evil is literally a state of mind, and once you heal it you even feel love for your wrongness and even no longer hate it – that being full self-acceptance. But you can't contrive these feelings or level of awareness, it has to come of itself and will through the higher levels of your Healing.

**LAMSA BIBLE:**

<http://www.pascashealth.com/index.php/library.html>

**Bible – New Testament – Matthew Peshitta Lamsa**

<http://www.pascashealth.com/index.php/library.html?file=files/opensauce/Downloads/MEDICAL%20-%20SOUL%20CONDITION%20%26%20HEALTH/Bible%20New%20Testament%20Matthew%20Peshitta%20Lamsa.pdf>

*The Holy Bible from Ancient Eastern Manuscripts* (commonly called the *Lamsa Bible*) was published by [George M. Lamsa](#) in 1933. It was derived, both [Old](#) and [New Testaments](#), from the [Syriac Peshitta](#).

**Dr George M. Lamsa** (August 5, 1892 – September 22, 1975) was an [Assyrian](#) author. He was born in [Mar Bishu](#) in what is now the extreme east of [Turkey](#). A native [Aramaic](#) speaker, he translated the Aramaic [Peshitta](#) (literally "straight, simple") [Old](#) and [New](#) Testaments into English.

It was his own inner compulsion and the urging of hundreds who heard him, that drove him forward, and brought about, after 30 years of labour, research and study, his translation of The Holy Bible from a branch of the ancient Aramaic language, used by Christians from earliest times. It is a known fact that Jesus and his followers spoke Aramaic.

If all of the Books that calibrate below the credible level of truth at 200 on Dr David Hawkins' Map of Consciousness (MoC) are removed from either the King James or Lamsa versions of the Bible, the overall calibration level increases markedly. This is even more pronounced if the Old Testament, with the exception of Genesis, Psalms, and Proverbs, is removed, along with the Book of Revelation of the New Testament.

In the New Testament, the Book of Revelation (cal. 70) by John is starkly discordant. Its origin is from the lower astral realms into which many visionaries have been enticed over the centuries.

The Old Testament calibrates overall at 190, with the exception of Genesis (660), Psalms (650), and Proverbs (350). The Lamsa Bible (from the Aramaic) calibrates twenty points higher on the Map of Consciousness than the King James Version (from the Greek).

Dr George Lamsa translated from ancient Aramaic manuscripts beginning with Genesis and finishing with Revelation. He claims there are approximately **10,000 to 12,000 vital and major differences** between his English rendering of the Bible and the King James Version.

There are **over a thousand idioms in the Bible**. They were translated faithfully and accurately, but literally. Therefore, their true meanings are misconstrued.

**Over forty percent (40%) of the Bible is based on mysticism.** The spectrum of mysticism encompasses dreams, visions, revelations, voices, acts of healing, clairaudience (inner hearing), clairvoyance (inner sight), and bi-location (out of body experiences).

During the period commencing on 31 May 1914 and concluding 7 January 2016, those who have been accredited with the books within the 300 pages of the New Testament have addressed the major errors of record, expanded on the limited information within the New Testament books, and re-introduced the major teachings that have never been recorded and published. These new records have been published within more than a dozen books and involve more than 6,000 pages of loving guidance.

**This time, in the history of humanity, is the most exciting time ever experienced.**

# HEALTH and HEALING

EVERYTHING is INTERCONNECTED!

**HEALTH with or without the LOVE:**

**Divine Love, with Feeling Healing, has a powerful positive effect on the physical body, balancing the hormones and generally promoting physical health, which is really the same thing as saying that the state of a mortal's soul impacts directly on that mortal's physical health.**

The Master, because he experienced the New Birth soul condition as a mortal, his physical nature was directly affected, so it would be accurate to say that because of this, his nutritional needs were somewhat different from other mortals.

Throughout his ministry (when the New Birth soul condition was his), he was actually in perfect physical health, and this was apparent through a sense of well-being that actually manifested on a physical level as well as a spiritual one. Aman 24 January 2007

The influence of sinful emotions and thoughts and actions upon the soul is such that the spiritual emotions and aspirations of man becomes dormant, and as though not existing, and the soul itself is encrusted with evil.

Through prayer, thoughts and soul longings, the spiritual nature in man can be developed so as to dominate the personality, and he will act in accord with the feelings and emotions of his soul. The evolution of man from the natural being to the purified soul and, if he so desires it, to the state of the divine angel is possible with the Love and Feeling Healing. Jesus 8 September 1955

**A soul encrusted with error results in illness and unhappiness.**

**Soul without the love.**

**Asking for the truth behind your feelings and expressing them is Feeling Healing. This process removes errors and brings harmony and health to the bodies.**

**Soul with the love.**

## DIVINE LOVE HARMONY:

**Immortal harmony:**

**Transformation of the soul is a beautiful harmonious gradual awakening.**

**In a gradual way with the Divine Love and Feeling Healing, as changes in the soul and spirit body occur, these changes will result in the personality slowly accepting the source of these changes as being the Soul God and with the independent will, one can have complete acceptance of our Heavenly Parents, Mother and Father, God.**

**People have loved God and felt loved by God and they have in deed received the Divine Love without ever knowing the truthful identity of this Love insofar as the truths relating with its causality in the human soul and affect upon the spirit-mind.**

**Part of the nature of the Divine Love in our souls is that it activates our spirit body systems and soul so that the nature of God is seen and experienced in the living and this places us in touch with the many Spirit attributes that extend from God and have their existence in God, such as our Indwelling Spirit. God no longer remains inactive to us; inert, inanimate, or an unknown but rather a Soul of living energy whose energy in the harmonies of Love and Spirit, is personified as love that we experience. If I can convey the essence about the nature of Divine Love it is that in its energy, exists the harmony and potential so that one can see the potential that this Love brings to bridge the gap of separation between the individual and God by the harmonies of soulfully living.**

**The Divine Love completes the form of the human being.**

**In essence, one need only direct their soul and the heart of their soul to our Heavenly Parents, the Soul being God, and in this faith one can experience the Love by humbly asking for this Love. This is all that is needed and the touchstone upon the Love's approachable nature.**

**The Love is never harmful or given by God that results in a caused effect of disharmony in the individual. The diversity of human individuality is a great characteristic of human nature and as with experience, one needs experience to ascertain a truth about a certain thing. Experiencing the Love provides a substantiated knowing from which a more objective reasoning follows and a maturity happens.**

## An EXTRAORDINARY JOURNEY

Love is an energy. Love is not an emotion. The energy that is the substance that forms our soul is 'natural love'. It is a beautiful love, it is the substance that is our personality. We never lose our personality. The natural love substance of our soul is unique to each and every one of us. That is, there is and never will be another soul the same as the one with which we are blessed with. The love energy of our soul contains within itself our personality, natural intelligence, emotional makeup, our memory, our burning, but mainly suppressed, desire to connect to our Father, and everything that is wonderful about us.

We are blessed with free will. All of the loving emotional attributes that humanity demonstrates are those emotions created by the Father. Such emotions are always loving and life enhancing. Man-made emotions are those that are self-centred, harmful to others and to ourselves. The free will aspect of our being is the capacity to choose to demonstrate any of these emotions, that is, from those that are loving to those that are unloving.

Our environment in which we grow up in usually infuses within our makeup emotional injuries and errors that cause us personal difficulties. Frequently it may be a matter of believing that is what our parents and family members did and believed so that is our example that is to be followed.

While we remain self-reliant, that is, depending upon our own perseverance and self-determination, we continue to stumble back into harmful habitual unloving events. We can spend decade upon decade endeavouring to perfect our personality! Yes, even hundreds to thousands of years. Life continues on in a different form once we shed our physical body.

Upon shedding our physical body, we lose nothing. All our senses continue within our soul and spirit body, our memory becomes acutely vivid, our intelligence remains the same, our personality continues on unaltered. Our soul, though pre-existing to our conception / incarnation, connects via cords of light to our newly formed spirit body at conception. Our spirit body is the template for our physical body. Our mind is within our spirit body. Upon the death of the physical body we lose the cumbersome physical body and become more alive than ever with the soul continuing on within the spirit body.

We can continue to live as we were in the physical body! We can continue in struggle street in our self-reliance, should we so choose. OR we can super-charge our soul with an extra-ordinary energy that grows our potential for growth exponentially.

This is a choice we can make while living in the physical body or later on whilst living in the spirit worlds in our spirit body.

This, for ever, is a free will choice.

The ultimate high octane super fuel is Divine Love. Yes, it is an energy. Unlike our natural love which is unique to each soul / personality, the Divine Love is uniformly the same to all, and this has been the way since its first availability and it will be the way for ever.

The Love is the energy that grows one's soul condition and assists with the steady dissolution of negative and unloving elements that generally has encrusted our natural love soul and impeded our growth in love.

**DIVINE LOVE being AVAILABLE is our SALVATION:**

**DIVINE LOVE is the ultimate high octane super fuel to transform our soul into that which is Divine. Loving in all that we then do. With Divine Love we can progress into the Celestial Heavens, without it we cannot. Ask and you will receive.**

**We are created with the substance of that which is not Divine, and that is Natural Love with its various aspects that reflect through our personality.**

**The Divine Love is far more powerful than the natural love. If I would have to put a number on how much stronger, just so you can understand what I'm trying to say, I would say 10 or maybe even 100 times. Of course this is purely hypothetical because natural love is only a derivative of Divine Love so it is almost impossible to compare them this way. If you ask for the Divine Love to enter your soul it will be 10 or 100 times more efficient, 10 or 100 times stronger than if you would let the natural love flow through your soul. So it will help to break down "the wall" you've created around your soul 10 or 100 times faster than the natural love would do.**

**John (Apostle) 19 January 2015**

Your faith and love for the Love is all one needs.

The Divine Love is in such abundance that a small beginning from your heart in the goodness of your natural love, asking the Soul, Father for this Love will be sufficient for the Father to respond and the Love you have asked for will be received. Follow the leading of your own heart and the natural goodness that is truly there. Slowly, with a little faith and awareness from one's innocence, our hearts may realise and we may feel the Love and this will be confirmation that the Father has heard your soul in prayer, and that the Acting Spirit has enveloped your heart and you will experience the Inflowing of Divine Love.

**Embrace the availability of the Feeling Process with Divine Love, all one need do is to earnestly long for and ask for our Parents' Love. It is an energy that surpasses all that is.**

**It is with this energy melding within one's soul that heaven on Earth is achieved.**

**Nothing else can bring about the joy and love we strive for.**

There is no need for one to see that one's natural essence – one's natural love – is an inferior love compared to the Divine Love, but rather the differences in attributes are that they are cohesive and support one another. The Father was very wise, forming the attribute of the natural soul in its natural love as this gives the personality independence.

When a person or a spirit accepts their love of the Father by the experience of receiving into their soul the **Living Energy** of the Divine Love, in time the Divine Love includes the whole perfection of one's natural perfection and acceptance of love for the Divine Love isn't contained within the same finite boundary that the natural love is. The natural love and the Divine Love complement each other really well. When the Divine Love is experienced in the soul, the Soul of the Father can then be experienced externally as The Soul, God, and internally in one's soul – as in the **Living Love** from the external, Soul God.

The possibility for a person to experience the Divine Love, and embrace Feeling Healing, offers a most wonderful hope for one's soul in a human experience.

The Energy of Divine Love changes one's soul condition, which enhances the energy of the spirit body and the attributes of personality and spirit body can interact with these forms of energy external to us.

Without awareness of the Love, the Divine Love, in a spirit life a spirit would remain and does remain stagnate. The spirits living in very poor soul condition have very poor awareness and can hardly perceive any spirit reality beyond their own self-gratification. This is similarly so for physical human personalities.

The Energy of the Divine Love is unlike any other energy. The Divine Love is a soft, gentle energy and not an invasive or overpowering energy. This remarkable field of energy that the Father has outsourced as the Holy Spirit delivers the Love into the Soul, and it is not the actual soul of the Father giving you – giving us – the Love directly.

It takes time to feel and identify the Energy of Divine Love. The Love itself is not 'spirit'; it is a substance of Energy that is harmonious with spirit. Never doubt your ability to receive and to accept. A soul's journey in Divine Love begins with awareness and then the ability for one to receive.

The Love is universal and some in their personal experience of the Love understand this, and when asked along their way, 'is it a religion or a spirituality', which it is neither of, it might be worth considering the expression "it is a souls journey in Divine Love that I am living". There is no need for a person to place these works from spirit in a religious or spiritual identity or to be claimed by a selective set of human beliefs. The very fact that one can read and experience these communications is now a human miracle, and a progressive evolutionary step in human awareness.

Our Heavenly Parents genuinely loves people and spirits. Our Mother and Father desires nothing more than for all souls to delight and to live in the receiving of this Gift of the Love.

Pray sincerely for the Inflowing of this Love and the Truth of this Love will set you free from any erroneous belief. The Divine Love is the one true form of energy that upon entering our soul truly progresses the soul.

The Love is for all finite souls, and it requires your participation and acceptance to receive this Love and by doing so, is an act of love in itself. Receiving the Love is God loving you.

If you are aware of this Love, then you are heading in the right direction. Living with the Love isn't meant to be hard or difficult. It is meant to be easy.

By opening your heart in faith toward the Soul of God, and inwardly asking from your faith for this Love, with love and sincerity is enough to begin your experience.

The Divine Love is the love that speaks to the heart and soul. It's the Mother and Father's way of speaking to you and confirming that the soul-life is real. The Truth of how to live with our Mother and Father is in the living with the Love, and this progression is the journey the soul takes toward its Immortality. Immortality is the recognition in one's personality that by having received the Love, the soul receives the energy that then defines the soul-personality of the individuality as being Immortal, and not immortalised. As soon as you begin receiving Divine Love this Immortality becomes part of your soul-life, only that it may require you to achieve a certain condition before you recognise with cognitive clarity, that this Immortality now forms part of your soul-personality energy.

The teaching of Immortality is a quintessential teaching from the Master about the life lived in the Divine Love of our Heavenly Parents. You do not have to become a spirit to experience this Immortality, as the Divine Love can be, and is being, received by you and people on the Earth. The general perception that Immortality means that you will live forever after is quite true. The reason this is true is simply stated by the fact that having received the Divine Love, this Love will never be withdrawn from your soul by our Mother and Father, and though a person may cease their involvement of receiving the Love in their human experience, it is noted that in the life of spirits, once the individual engages their soul with the Love, this way of life never ceases, and the individual in their spirit-life progresses in the Love.

Whilst we are receiving our Heavenly Parents' Divine Love, and that this Love is causing change within our soul and spirit attributes, the greatest Truth known to man and spirit is that this is the way our Mother and Father is actually loving us! When we progress, it is the Mother and Father's way of loving us into love and then we live what we are, love.

Living faith in your heart and quietly praying for the Love in your heart to our Heavenly Parents is the single most consistent and sustaining Truth there is for a human life. A person can live their life accepting the Love from their faith in an ordinary way, and will achieve a true closeness in their atonement with our Heavenly Parents.

To be Loved by our Mother and Father is the most beautiful experience for one's soul to realise, and that in this journey and destiny, our Mother and Father has always loved us as a soul.

There is nothing more simple than to be seated for five minutes and to lovingly ask the Soul, God, for an inflowing of the Divine Love.

**God's Divine Love: Pray for it, ask for it, and receive it.**

**Our salvation IS the availability of the Feeling Healing process and Divine Love.**

These gifts of understanding for humanity started with messages successfully conveyed through James Padgett starting on 31 May 1914. Between 1914 and 1923 some two and half thousand messages were documented. A student of Padgett's messages, Dr Daniel Samuels, continued the work from 1954 to

1963. A student of both these works received the Judas Messages between 2001 and 2003. Students of all these works are now recording and publishing further expansive materials; both the Richard Messages and the Divine Universe were received during 2012 to 2013. Thus this program has been in progress for 100 years. From 2002 have been the James Moncrief publications which continue.

The writings now extend over 100 years and the contributors exceed 1,000 creating around 10,000 pages of new records, so to speak. What is remarkable is the consistency of guidance, the non-duplication of information, and that at no time is there any generation of fear or are we told how to live our lives.

The first publication of the Padgett Messages in chronological order was in 2008. All of the additional material has been published since then. Major references and sources of material are also found at [www.new-birth.net](http://www.new-birth.net) and within the Pascas library download section at [www.pascashealth.com](http://www.pascashealth.com).

Thus the spirit guidance for Divine Love commenced on 31 May 1914 and progressively developed over a period of 101 years with this phase of guidance culminating on 7 January 2016 with the publication of Destiny. Guidance and writings continue.

The work of James Padgett is a work full of introductions and laying foundations but was not a work of illustrating the evidence of the living Love in a human and spirit's soul, and now with James Moncrief we have the way to Soul-Healing by embracing Feeling Healing with Divine Love.

Over the years since James Padgett (1914 – 1923), the emphasis has been with the living awareness of spirits living in the Divine Love in their souls and when one pieces all the experiences and the shared information together, it all culminates in a collaborative expression of social-spirit awareness in our living with the Soul of our Heavenly Parents as the truest identity in a spirit's living here in the spirit world. These are demonstrations of one living with the Love when in the physical body on Earth.

This is the greatest care program that humanity, in its entire existence, has ever been gifted with!

Further, the New Birth means the flowing into the soul of a man the Divine Love of the Father. *“Except a man be born again, he cannot see the Kingdom of God.” John 3:3*

## The Gift that keeps Giving

*A general universal platform on how to experience Divine Love*

As more people become aware of the *Divine Love*, how to experience the Divine Love required a need to provide a general universal platform that is simple yet an effective way for one to experience *Divine Love*. People may learn about the availability of *Divine Love* by word of mouth or from reading literature that introduces this gift for our soul, and also by participating with group dynamics where the *Divine Love* is introduced and discussed. The essence of this standard platform is its independence so that the individual may feel guided to include this simple platform in their daily life and experience of *Divine Love*.

The platform introduced here is a technique that is simple, constant, practical and has been utilised in the general public for over twenty years with loving consistent results, accommodating participants and their diversity of belief and cultural background. This platform is a reliable place to begin with the experience of *Divine Love*. It needs to be confirmed that accepting *Divine Love* rests with our soul and heart and that to experience this Love will comfort one in their individual faith experience as we all aspire toward the greater reality of Love, Truth and Spirit.

### A Universal Platform on How to Experience the Divine Love:

Firstly, you are aware now that you can experience the *Divine Love*.

Find a comfortable chair; sit down in a relaxed and normal position.

Close your eyes and take three deep single breaths in through your nose and out through your mouth to clear energy and to relax into this experience. Have a little faith and proceed without great expectations.

Gently turn your inner heart and voice to the Soul, God in faith when you feel ready, ask the Soul, God with your own loving voice for an inflowing of *Divine Love*. Having asked sincerely, there is no need to continuously ask. The Soul, God hears sincere love in the asking and so The Spirit that brings the Love acts, and *Divine Love* is now flowing.

Having asked once, you will be receiving the *Divine Love*.

Proceed without expectation on what will happen as you experience the Love.

Sometimes your mind may wander – or there are thoughts, feelings or physical sensations. Experiencing the *Divine Love* is never a forceful experience.

Continue for as long as you feel you would like to. This may be for 5 minutes or 20 minutes or an hour. Time will vary for the needs of the individual or group.

Take another few deep breaths to assist your focus. Give our love to the Soul, God and in our own voice inwardly say this; Soul, God that you love this Soul and are grateful to receive this *Divine Love*.

Then when you feel ready, open your eyes and take another deep breath or two, and this closes the experience.

### Some helpful hints:

- This general universal platform on how to experience the *Divine Love* is uncomplicated. Some people have utilised this platform for over twenty years, never needing to change.
- The essence of this standard platform is to experience the *Divine Love* in a comfortable way, therefore this technique needs to be simple, effective and inclusive.
- Experiencing the *Divine Love* can be a long-term experience so to have a practical, simple, functional standard platform solves a lot of problems about *how* to experience the *Divine Love*.
- From this general platform people who like prayer or meditation, reflection, spirit communication, or just being *in* and *with* the Love can extend their experience from this standard position.
- Lastly, enjoy! And know that when a person is experiencing the *Divine Love* that one is in the tender care of the Soul God, and that no spirit interference will happen, for no spirit can interfere with the Sovereignty of *Divine Love*, which is God's Alone!
- Enjoy, Celebrate and Shine!

## U-TURN for HUMANITY:

### Why are we doing a U-Turn?

We are doing a U-Turn **because** the year 2017 heralded the end of the Rebellion and Default. For two hundred thousand years, humanity has been going in the wrong direction.

### What is this fundamental step that will change our way of living?

We are to come to understand / know the foundational cause of all our feelings, both good and bad. As we explore and investigate our feelings, each time they arise, one by one, we are to talk them through, express them to a companion or friend or anyone who will listen. As we express them, while at the same time coming to understand how they have come about, we will find that they will be resolved and that they will not come up again.

We will find that all of our feelings / emotions have their foundations from our childhood. And by childhood, that is from the time of one's conception all the way through to about the age of six. It is the repression of our childhood feelings that is the base or foundational cause of each and every one of our adult personality issues, pains, difficulties, illnesses and distressful life experiences.

**We have to see the whole truth of our negative or self-denial state, before we can heal it and be free of it.**

The vital difference between **emotions** and **feelings** is:

- emotions have their roots in the past,
- feelings relate to the present moment,
- emotions represent feelings not previously expressed,
- and these accumulate over time.

Many emotional clearing processes encourage us to look into our feelings, however, none go so far as to drill down into the core foundation of any emotional feeling to the point that we strive to KNOW the core issue, the origin of the feeling, be it good or bad, and actually come to know what it is!

The *Journey Process* is generally known worldwide. It stops short of longing to know, that is asking for the knowing of the events that brought about such a feeling. Yes, we are to acknowledge the feeling, say being angry. Then accept that behind that anger is the feeling of being small, and then look at the underlying reason of why we are feeling small. What is the truth behind that feeling? Ask our Heavenly Parents what is behind all of this feeling. What is the foundation, the origin of the feeling? All the time talking it out, expressing it, with a friend. The expressing of the experience is the release of the emotion / feeling, this is what removes it for ever from within our essence, our **soul**.

### Why ask our Heavenly Parents? I thought God was just God – singular?

This is part of the revealings that have been unfolding for us very recently – that is – since 2002.

**Feeling  
Healing with  
Divine Love is  
the key!**

We are made in the image of God. This has been understood for centuries, for 2,000 years. Our soul is duplex. Our soul expresses itself through two personalities. One soul 'subdivides' into two, one half always being female and the other half always being male. We are a reflection of how God is. God being one Soul is expressed as Mother and Father. God is two personalities. They are soulmates. And each of us has a soulmate, and our soulmate is always of the opposite sex, because the Mother and Father are the opposite sex.

Thus, when we long for the truth behind a feeling, then we can long to our Heavenly Mother and Father. Only they can tell us. No spirit personality can tell us. No canonised saint can tell us, we may as well ask our next door neighbour. That would be just as productive. Mary and Jesus can't tell us, as they are also spirit personalities.

### **I was taught that Jesus was God? And what is this about Mary?**

Mary of Magdalene and Jesus of Nazareth were both born free from sin. Neither of them are God. They are both children of God, just like you and me.

History needs to be corrected. Both Jesus of Nazareth and Mary of Magdalene became at one (At-One) with our Heavenly Mother and Father during their physical lives here on Earth in the first century; Jesus in the year 26CE and Mary in the year 33CE, or thereabouts. Jesus died aged 35 (born 7BC died 29CE), and Mary died aged 47 or 48 (born 2BC died 47CE).

Further, their sojourn on Earth was the completion of their process to become the full Regents of the sector of planets that is referred to as Nebadon. The region within our super-universe that is referred to as Nebadon contains 3.8 million inhabited planets. If you look into the night sky, each star / sun potentially has between none to three inhabited planets within its orbit. Within Nebadon, the soulmate pair, namely Mary and Jesus, are our Spiritual Teachers of Truth. Their domain is all 3.8 million physical planets plus their associated spirit worlds. Each physical world has seven associated spirit worlds, which is the case for Earth being one of the 37 that have rebelled.

Some 200,000 years ago, Lucifer with his soulmate and his deputy, Satan with his soulmate, brought about a rebellion on 37 of the inhabited planets within the region called Satania, one of the local universal systems of Nebadon. Earth compounded the situation through the Default of Adam and Eve about 38,000 years ago. Thus the population of Earth, being in the worst condition through the Rebellion and Default, became the location for Mary and Jesus to have their physical experience to complete their ascendancy to full Regency of the local universal system being Nebadon.

Their lives on Earth was the start of the unravelling of the Rebellion and Default. Upon Jesus becoming At-One with our Mother and Father, he was then vested with the authority and power to have the Lucifers and Satans arrested, and they now reside exiled within a prison world.

Notice that there were no records of Jesus and Mary's teachings and experiences made during their physical life. That was because they did not specifically come here for us, they came for the benefit of all peoples of all planets and spirit worlds throughout Nebadon.

As they are Paradise descending spirits, they have **Spirits of Truth**. Upon Mary and Jesus' death, they released their Spirits of Truth. As spirits, Jesus and Mary are how we will be, once we've finished our Soul Healing. They can only be in one place at any one time. However, it is their Spirits of Truth throughout Nebadon that we can connect with for guidance. It is through their Spirits of Truth that spirit personalities can progress through and out of Nebadon.

Those planets that have Rebelled need further assistance, and they need it on a localised manner. This can only be provided by another bestowal of a **Paradise Pair**, and that is in the form and manner of an **Avonal soulmate pair** who come here specifically for us.

### **What is the purpose of an Avonal pair, and are they here on Earth?**

Unlike Jesus and Mary who were always free from sin and did not experience how to heal themselves, the Avonal pair are to experience all of the extremes of evilness and then proceed to heal themselves. Mary and Jesus through their bestowal on Earth ended the Lucifers spiritual rebellion in Nebadon; the Avonals bestowal is primarily concerned with ending the Default of Adam and Eve by the Avonals themselves personally healing the effects of such a damaging Fall.

The soulmate Avonal pair are to be, and have been, subjected to the extremes of childhood suppression and repression, and then, through their Feeling Healing, are experiencing all the facets of emerging truth as they slowly progress through a protracted and difficult healing process. As they reach specific milestones, this also enables those in the Celestial Heavens, (the three worlds where Celestials reside) to be empowered to assist us in the physical on Earth.

The first considered milestone was the arresting and imprisonment of the Caligastia soulmate pair and the Daligastia soulmate pair. After the arrest of the Lucifers and Satans in the first century, as nothing further occurred, the Caligastias and Daligastias continued on from spirit as if they were kings and queens, suppressing all of humanity and with plans to take over the universe. It was possibly in the early 1990s that they were 'judged' and 'removed'. They were caught unaware that an Avonal bestowal pair were on Earth.

### **How is all this becoming known? Has Jesus and Mary communicated directly to Earth?**

Unlike in the first century, when no records were kept (as the event related to all of Nebadon and it was actually setting the stage for the Avonal bestowal pair to arrive on Earth), every effort to retain records in great detail of this current series of events is now being attended to. Consider this. The New Testament of the Bible is some 300 pages. The records of the Second Coming, which this is, the primary records are possibly 6,000 pages, with direct complementary records increasing that to over 10,000 pages and with all the supplementary records to date, there may be as many as 40,000 pages, certainly well over 30,000 pages of material presently.

Jesus directly communicated through James Padgett from 1914 to 1923. Mary of Magdalene (Mary M) has directly communicated through James Moncrief from 2002 and is ongoing. Jesus has also communicated directly through James Moncrief. Neither have ever directly communicated through any one else, however, some Celestial Spirit personalities have provided information through other personalities on Earth with the support and approval of Jesus and Mary, thus some confusion, though the quality of the information is very reliable.

### **You say this is the Second Coming? You say I am living during the time of the Second Coming?**

Yes you are. And it's more than that. This is the Second Coming, the End Times and the Handover!

In fulfilment of the prophecy in the first century, the Second Coming commenced on 31 May 1914 through the writings with James Padgett and concluded in 2014 through the writings with James Moncrief.

The End Times are well advanced. Mary and Jesus are well advanced in handing over their direct involvement with Earth to those within the Celestial Heavens. When this is completed, the Handover will also occur. **The Hand Over is to the Avonal Bestowal pair** and it is they who will guide the population on Earth through their Feeling Healing processes for the next 1,000 years, being the next spiritual age. The Handover will take place after the Avonal pair complete their personal Healing of the Rebellion and Default. Then will follow with their Spirits of Truth being officially liberated in alignment with Mary M and Jesus' Spirits of Truth upon their death.

Major events have occurred with the progression of the Avonal pair's Feeling Healing, which they are also doing whilst embracing our Heavenly Parents' Divine Love, thus they are doing their Soul Healing.

| 31 January 2018: | Earth and the seven associated Mansion Worlds (including the two Earth planes) are <b>officially</b> now fully under the control of Celestial spirits. This marks a tangible and real end to the Rebellion and Default. |

**How does this all fit into our future way of living?**

**This time, in the history of humanity, is the most exciting time ever experienced.**

**The whole human race is suffering from repressed childhood and mind control.**

Through one's Feeling Healing, and should we embrace our Heavenly Parents' Divine Love, then with their Love we are doing our Soul Healing, and eventually we can live totally in accordance with our soul based feelings and live free from error – no more fear and no more physical illnesses is possible!

**By living true to ourself, true to our feelings, we are living true to God. It's that simple.**

Our soul is always perfect. In fact, we are the complete package. All that we need to know is within our soul. This knowledge has been denied from us since the time of the Rebellion and compounded by the Default. That is what was brought upon us by the Lucifers and his cohorts. We have always been meant to live true to our soul based feelings but we were taught to embrace our error riddled mind – this was aided by our parents – unknowingly all parents have taught their children to be mind dominant. **This is the Great U-Turn. We are to feel and live by our feelings and express our feelings, our mind will follow in support, not the other way around.**

“Many people look for a person, spirit, angel, even God, for supreme guidance, however it's all right there already built in – in our feelings. **Feelings** guide us through our **ascension of truth**. So they are really our Supreme Guides. We just have to submit to them, allowing them to take us where they will, expressing all the parts we want to express, letting the emotion drive that expression if it's there to be expressed, or just talking about all we feel and how feeling that feeling is making us feel – or, how we feel about having that feeling, all whilst longing for the truth of our feelings. Longing for the truth of

our feelings is really: **Longing for the truth of our self, because: we are our feelings.** So life stirs up our feelings, we feel being alive; or, being alive means we are feeling, always feeling; and when we work out what and why we are feeling what we are, so then we know the truth of how we are. And over time the truth accumulates, and our mind expands our understanding of ourselves, all being driven from our feelings.”

Kevin of the 1<sup>st</sup> Celestial Heaven 26 September 2017

(Kevin Cooper died 10 August 2012, through Feeling Healing became Celestial on 7 August 2017.)

It is through the assistance of the Spirits of Truth of the Avonal Pair, upon the completion of their Soul Healing, that we will be guided through our Feeling Healing process, and should we embrace our Mother and Father's Divine Love, then our Soul Healing.

Then should we embrace Mary and Jesus as our Spiritual Teachers of Truth, their Spirits of Truth will lead us on the path through the Celestial Heavens where we will certainly meet up with our soulmate and join our soulgroup, which will eventually consist of twelve soulmate pairs. Then as a soulgroup, the Spirits of Truth of Mary and Jesus will lead us up through and out of Nebadon towards Paradise.

It is then our Mother and Father in Paradise who draw us to them and we will eventually meet our Heavenly Parents.

Meanwhile, while we live on Earth, we will have assistance and guidance previously denied to us throughout the era of the Rebellion and Default. Under the Contract controlling and managing the Rebellion and Default, the powers and capabilities of our Celestial Heaven spirit personalities, all three worlds of them, were heavily restricted and almost of no assistance to us at all. Further, Nature Spirits and our Angels were heavily denied contact with us physical people because of the Rebellion and Default, all of which is soon to change, so we can look directly to them for help concerning healing ourselves and understanding all aspects of nature.

As we embrace our Feeling Healing, Celestial spirits will and can greatly assist us. In fact, during the year of 2017 they have blocked all mind spirits from the Natural Love Mansion Worlds: 1, 2, 4 and 6 from interfering with us. Celestials have taken control of all facets of living and life on Earth. Celestials are those spirits who have completed their Feeling Healing and progressed through Divine Love Mansion Worlds 3, 5 and 7 and now live in the higher Celestial Heavens, 1, 2 and 3 (when we become At One with our Heavenly Parents then we leave the Mansion Worlds and progress through the next three spheres related to Earth, hence the Celestial Heavens are also referred to as being numbered 8, 9 and 10).

The Nature Spirits of Earth, who live in the third Earth plane, can now directly interact with those who are embracing their Feeling Healing. Nature Spirits are essentially ‘angels in waiting’. They have been on Earth prior to anything that we now see living in nature. When they first started to arrive, there was no life in the seas or on land. They have consequently witnessed everything that has happened on Earth, including all prior human civilisations that we continue to largely remain ignorant of. Their knowledge and assistance is of great importance to us. We are to interact with them on an ever increasing scale. They are to become an invaluable source of information for us concerning how we are best to live with nature.

Further, we may become more aware of our **Indwelling Spirit**, which arrives for each of us during our sixth year, as we now progress with our Feeling Healing, or with Divine Love, our Soul Healing.

And all of this is possible as we embrace our Feeling Healing process, acknowledge and accept the Avonal pair, acknowledge and accept our Spiritual Teachers of Truth, namely Mary and Jesus, and more importantly, grow to love our Heavenly Parents, our true Mother and Father.

We do not need intermediaries, rituals, liturgy, dogmas, creeds, fancy clothing, or institutions. It is our soul based feelings and expressions that we may exchange directly with our Heavenly Parents. Groups may form to assist each other, and that is choice and within our free will.

**This is the greatest event in the history of humanity.**

This is the Great U-Turn that humanity will embrace throughout the next 1,000 years. MoC 1,480

To liberate one's real self, one's will, being one's soul, is by embracing Feeling Healing so as to clear emotional injuries and errors. With the Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

**Our salvation IS by embracing Feeling Healing with the Divine Love.**

**God's Divine Love: Pray for it, ask for it, and receive it.**

**Please Mother and Father, may I receive Your LOVE.**

**“Every day is a day of devotion.”**

**Follow your heart, follow your love and do that in loving action, your inner love leads in your asking the Soul of God to receive a little of the Love to strengthen one's resolve to heal.**

**“I love you Father.” “Let the Divine Love proclaim its energy into my soul.”**

**“Mother – Father, I desire your Love and I am loving you.”**

**“Soul God, I love you and I love receiving and experiencing your Divine Love.”**

**“True Soul God, I am here, I am aware of your Love. Please hear my aspiration for your Love and as I approach you from my soul, I can feel your Love in the way that you are loving my soul.”**

**Try it; give the Feeling Healing and Love a go! If you want to shine, receive the Love.**

**One can simply receive the Love without following any religious or spiritual teaching taught by man!**

**Emotional errors and injuries cause encrustment around the soul, the soul is never damaged however, the encrustments retard love energy flow to and from the soul. Feeling Healing melts such injuries.**

#### **Three Great Truths:**

- **God is Soul, being Mother and Father;**
- **that each individual soul is a duplex – both male and female;**
- **and Feeling Healing with Divine Love is the pathway to Paradise.**

**The opening up of the soul permits a permanent exchange with Divinity, a permanent recharge of this healing energy that allows not only the re-establishment of lost health, but the continuity of health, providing such a perfect balance, even in the physical body, that noxious agents like bacteria and virus cannot find any opportunity to unchain pathological reactions, which we commonly call illness.**

**But it is true that people without the benefit of Divine Love would lack the protective shield, which the intrinsic healing energies of Divine Love provide for those who pray for our Father's Grace.**

**FEELING HEALING and SOUL HEALING with the DIVINE LOVE:****James Moncrief Publications:****all publications are free downloads:**<http://divinelovesp.weebly.com/my-free-books-and-free-padgett-messages.html>

It is suggested for one to consider reading as follows:

**Speaking with Mary Magdalene and Jesus – books 1 – 4**

These four books encapsulate the second of the revelations with the first having been introduced by James Padgett one hundred years previously. These four books provide a wide range of guidance that has never previously been made available.

**Paul – City of Light**

As a gentle intro into the Divine Love and Healing; being James Moncrief's first novel and it's been criticised as being too heavily clichéd, but that's the point because it's a reflection of how he was back then.

**Ann and Terry**

For an example of people who might want to immediately start working on themselves and doing their Healing.

**Feeling Bad? Bad feelings are GOOD**

For more understanding about our denial of our feelings and why we should not deny our feelings, and it includes how it all came about for James, using himself as an example.

**Feeling bad will make you feel BETTER – Eventually!**

This includes specific examples of Marion and James working on expressing particular bad feelings, again with the hope that it will help others gain something of an idea as to what's involved in doing your Feeling Healing.

**Sage – and the Healing Angels of Light**

Through Sage who's 13 years old, the story is primarily about the two aspects of healing; that being, with the help of our angels, and the full Healing we can do by looking to our feelings for their truth.

**Religion of Feelings  
Feeling Healing**

**Welcome to LOVE – the Religion of Feelings  
you can heal yourself through your feelings**

So these books, including the four Speaking with Mary Magdalene and Jesus books, provide the essence of it all and are examples of James' work. Then it's up to whatever takes one's fancy. Other reading to consider may include:

**The Padgett Messages being published as:****The True Gospel Revealed Anew by Jesus volumes 1 – 4****Book of Truths by Joseph Babinsky****The Urantia Book**

**Release one's pain through expressing one's feelings.**

**in conjunction with**

**Longing for the Truth when also longing for Divine Love.**

**FEELING HEALING with DIVINE LOVE is SOUL HEALING:**

*A collection of 'papers' that draw together specific topics including all of the above and more from other sources of information and revelation designed to help increase one's awareness about why we have the problems we do and how to heal them, all whilst living a more healthy and sustainable life. They provide a brief snapshot of the more complicated topics and issues.*

**Firstly, consider discovering the truth of your emotional pain through Feeling Healing.  
Secondly, consider longing for our Heavenly Parents' Love as you progress with your healing.  
Primary and most important readings are the writings of James Moncrief.  
Then consider the Padgett Messages, and then The Urantia Book.**

**On the WINGS of a BUTTERFLY:** No 12, Traveller, an immortal journey, via Zara and Nicholas

Once upon a time there was a butterfly sitting with closed wings in a person's heart. This butterfly had been sitting with wings closed for a long time. The person couldn't figure out why they always felt a little sad. One day, this person asked another person why they feel sad. The response happened quickly and the person didn't like the response. It was said that perhaps your soul is sad. Several days passed and soon that person found themselves sitting by the sea. The sea has great longing to it. As the sun shone on a late spring day, the person thought about their soul and that perhaps, the person's remark was true, and that this person was a messenger of some sort. Suddenly a breeze swept through the beach and the person heard a distinct voice speak directly to him! The voice said, "Let your soul breathe in Divine Love." That was all the voice said.

The person didn't know what the Divine Love was or where it was, but now the sadness had greater longing so the person decided to breathe in the Divine Love and just like that – the closed wings of the butterfly opened and the person's sadness started to dissolve. Happiness will be mine the person thought upon feeling the Love and this will take time for me to learn how to live such happiness.

Never again, in the heart of that person, did the butterfly close its wings.

## 'All There Is'

## **The LOVE is reintroduced with FEELING HEALING:**

The first page diagram outlines that everything is interconnected. Health of the soul brings about a healthy physical body, this cannot be separated.

The second diagram is Feeling Healing – Healing yourself through your Feelings.

The third diagram is a classic, namely embracing the Will of the Mother and Father:

- First half is drawn from Col James Churchward's reading of clay tablets that date back 70,000 years. It is an outline of the first religion.
- Then follows the commandment introduced by Jesus 2,000 years ago.
- Then follows the reintroduction of the teachings of Jesus relating to the availability of Divine Love, these teachings have now been reintroduced over the past 100 years. The availability of Divine Love was taught in the first century; however, very few records of such have survived from that time. Now, the teachings of embracing one's feeling healing and soul healing are here.

Diagram fourth is ten commandments with the additional one by Jesus as a Manifesto of Divine Love.

The fourth diagram is what the Love does – it is a substance.

The sixth diagram is an overview of all that proceeds.

The Prayer for Divine Love as was given to us from the first century. It is not the only such prayer.

Then the final diagram being a visual aid of how easy it is to ask for and receive the Love – everyday is a day of devotion. Then to embrace one's soul healing.

On the 31 May 1914, messages commenced to be received in a well organised and constructive manner with this first phase completing around 2017. The guidance and writings continue today. Over the past 103 years more than 10,000 pages of these teachings have been published. These works are coordinated and grow in detail and depth as we develop in our capacity to embrace the contents. The flow of material is anticipated to progressively increase in volume and in depth of detail as time goes on. The number of authors contributing now appears to exceed 1,000 in number and yet the work is so well structured that each successive set of material adds to the beauty and love that is shared in all that has preceded.

These diagrams embrace the essence and provide a summary to a body of knowledge that the world has never had available to it before. This time, in the history of humanity, is the most exciting time ever experienced. Enjoy and share as you please.

**Whilst we are receiving the Mother and Father's Divine Love, and that this Love is causing change within our soul and spirit attributes, the greatest Truth known to man and spirit is that this is the way our Parents are actually loving us! When we progress, it is God's way of loving us into love and then we live what we are, love.**

EVERYTHING is INTERCONNECTED!

## **Feeling Healing – Healing yourself through your feelings.**

- ✓ **Your feelings are the real and true you.**
- ✓ **If you are denying any feelings you are denying yourself.**
- ✓ **If you are denying yourself you can't ever be truly happy.**
- ✓ **To heal all your pain and suffering, you can look to your feelings for why you are feeling bad.**
- ✓ **If you want to know the truth of yourself, then it's your feelings you will need to look to.**
- ✓ **Your feelings hold the hidden keys to unlocking the truth of who you really are.**
- ✓ **Uncover the truth of yourself through your feelings and you will know why you feel all you do.**
- ✓ **Everything in life, why all that happens to you does, and everything about yourself, can be explained to you through your feelings.**
- ✓ **Why your relationships might not be as good as you would like, why some might fail, you will understand through your feelings.**
- ✓ **How to live a good, true, happy and loving life will come to you as you start paying attention to all your feelings.**
- ✓ **However you will also have to pay attention to all your bad feelings, and this can be very harrowing.**
- ✓ **By honouring – accepting and then expressing all the bad feelings you feel, you will slowly bring to light all the reasons why you don't feel good.**
- ✓ **And as you liberate yourself from these hidden repressed bad feelings, so you will start to feel better and better about yourself.**
- ✓ **It's a process, and it can take time, years possibly, but all that's hard will eventually pass becoming good.**
- ✓ **Expressing all your feelings, and particularly your bad ones, whilst longing and really wanting to know the truth of why you're feeling them, is doing your Feeling Healing.**
- ✓ **You can Heal yourself through your feelings. And in fact, it's the only way to really heal yourself.**
- ✓ **And if you wish to do your Healing with God, you can also long for God's Divine Love.**
- ✓ **Feeling Healing – Using your feelings to heal yourself.**

**EMBRACING the WILL of our HEAVENLY MOTHER and FATHER:**

**Our Heavenly Parents are almighty, all powerful, infinite, and at all times loving.**

**The love of the Heavenly Parents for their children, woman and man, has been and is always infinite and ever present.**

**As one's faith in our Heavenly Parents evolves, man's love for his Heavenly Parents will have no limit.**

**As man grows in his love, so will man grow in his love for all of God's creations.**

**Approach the Source Soul, the Mother and Father, in reverence, without fear or trepidation, just as a child approaches his earthly parents knowing that open loving arms are extended to receive him at all times.**

**As one grows in his love of the Mother and Father, one becomes to know with certainty that God loves him or her in return, at all times, and that fear is an illusion created by man's mind.**

**By embracing the commandment provided in the 1<sup>st</sup> century, namely the first:**

**"This is my commandment, that ye love one another even as I have loved you."**

**Further, we are to embrace our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us. Living true to our feelings IS living true to God's Will.**

**Also as our soul development progresses, our self love grows which also enables us to step away from:**

**Any self harm that we may cause which also brings about consequences.**

**And to move along this path we simply develop our embracement of:**

**God's Divine Love; by praying for it, asking for it, and receiving it.**

**Longing for Truth and Divine Love we can embrace the will of the Father and achieve freedom from error and harmful ways, thus finding our way home!**

### Manifesto of Divine Love:

1. We love one another as Mary and Jesus, our spiritual parents, love us. And so we seek their Spirits of Truth.
2. Our all loving Heavenly Parents, our Mother and Father, we love and honour at all times.
3. We worship only our Mother and Father, God, and Creator of all things.
4. We treat our Creator's name with respect and love, and earnestly seek Their Divine Love, and at all times pray for It, ask for It, and receive It.
5. We set aside a regular day each week for Sabbath rest and worship of our Heavenly Parents, God, and seek Their Love so that we may grow closer to Their fountain head of Truth and Love.
6. We are to be as we feel, even if it's sinful, but in doing something that is not in alignment with God's Love and Truth will make us feel bad, that is provided we allow ourself to feel our bad feelings, and so we can then use our bad feelings to find out the truth of why we feel bad and why that thing we have done is bad. We embrace our Feeling Healing.
7. We strive to cause no harm to another, nor cause any harm to one's self. We do not do to others what we would not have them to do to us. We treat our fellow human beings and all living things, and the world in general with love, honesty, faithfulness and respect. Violence, at any times, is never justified. Golden Rule: that one must always honour another's will as one honours one's own.
8. At all times in our intimate relationships we strive to express and live true to all our feelings, all so we can use our feelings to uncover the truth they are trying to show. The truth of ourselves, of our relationships, and the truth of everything else, including God.
9. We do not covet or steal anything that does not belong to us. Honesty in all communications, actions, undertakings and activities in all facets of life is our rule of life.
10. In all that we do, we are to be truthful. We are non-judgemental, for none of us have the capacity or authority to judge another. We are always ready to forgive all wrongdoing.
11. We do not desire anything or anyone that does not belong to us. Comparing oneself to others and longing to have what they have leads to errors. We are to be content by focusing on the blessings our Heavenly Parents, who made us in Their soul's image, provides for us.

## ***DIVINE LOVE – what does it do?***

**Divine Love, which is a substance, progressively:**

**Transforms one's soul from that which is of natural love to that which is Divine**

**As natural love is enhanced with the Parent's Love, we reject our tendency to error**

**Divine Love, our Parent's Love, restrains errors, untruths and emotional stress**

**As we reject the condition to error, we develop our love for our brothers and sisters**

**Divine Love helps one with the discovery of truth through one's soul-feeling healing**

**Our natural intelligence grows, perceptions rise with our soul intelligent feelings**

**As Law of Compensation is resolved, the Love reduces returning to being in error**

**Receipt of Divine Love, the Parent's Love, grows our faith, we become God reliant**

**As our faith grows our propensity to undertake one's Feeling Healing strengthens**

**With the Love, our Feeling Healing becomes Soul Healing, this we are to undertake**

**Without the Love we remain self reliant and dependent upon our own will power**

**Only with the Love will our soul condition grow rapidly, all around us also benefit**

**The Love is the only substance that changes the human soul to that which is Divine**

**Only by asking and receiving Love do we become fitted to enter Celestial Heavens**

**Only by asking for and receiving the Divine Love does our soul become immortal.**

**What is Divine Love?**

**It is the Divine Love of God, our Heavenly Parents, restored to all mankind by the births of Jesus and Mary.**

**How do we get this Love?**

**By sincerely asking God, our Mother and Father, and receiving the Love that passes all understanding.**

**What happens then?**

**We are born again in spirit and in truth, our soul opened to the Soul of God, our Heavenly Parents.**

**What then do we know?**

**We know we are all children of God and want to pray always to our Heavenly Parents, always longing for Truth.**

**What is the purpose of Feeling Healing?**

**We are to seek the truth of our feelings and unburden ourselves from our childhood repression and injuries.**

**What of the world?**

**We are at peace in the world and fearless. In Divine Love and in Truth there is no fear.**

**What else?**

**We are to strive to love everyone unconditionally as our Heavenly Parents and as Mary and Jesus love us.**

## **The Only Prayer That Man Need Offer to the Father:**

(as given within the first century)  
I am here, Jesus

**The Prayer for Divine Love**

**P.438 Book of Truths through James Padgett / Jesus**

Let your prayer be as follows:

**Our Father, who art in heaven, we recognize that You are all Holy and loving and merciful, and that we are Your children, and not the subservient, sinful and depraved creatures that our teachers of old would have us believe. That we are the greatest of Your creation, and the most wonderful of all Your handiworks, and the objects of Your great soul's love and Tenderest care.**

**That Your will is that we become at one with You, and partake of Your great love which You have bestowed upon us through Your mercy and desire that we become, in truth, Your children, through love, and not through the sacrifice and death of any one of Your creatures.**

**We pray that You will open up our souls to the inflowing of Your love, and that then may come Your Holy Spirit to bring into our souls this, Your love in great abundance, until our souls shall be transformed into the very essence of Yourself; and that there may come to us faith--such faith as will cause us to realize that we are truly Your children and one with You in very substance and not in image only.**

**Let us have such faith as will cause us to know that You are our Father, and the bestower of every good and perfect gift, and that only we, ourselves, can prevent Your love changing us from the mortal to the immortal.**

**Let us never cease to realize that Your love is waiting for each and all of us, and that when we come to You, in faith and earnest aspiration, Your love will never be with-held from us.**

**Keep us in the shadow of Your love every hour and moment of our lives, and help us to overcome all temptations of the flesh, and the influence of the powers of the evil ones, which so constantly surround us and endeavour to turn our thoughts away from You to the pleasures and allurements of this world.**

**We thank You for Your love and the privilege of receiving it, and we believe that You are our Father --the loving Father who smiles upon us in our weakness, and is always ready to help us and take us to Your arms of love.**

**We pray this with all the earnestness and longings of our souls, and trusting in Your love, give You all the glory and honour and love that our finite souls can give.**

**Amen**

MoC

Note: The 'false teachers' are our parents, as they are also the 'evil ones'.  
Also, the evil ones, being those parts of one's mind, that are controlling you.

**VISUALISATION with LONGING:**

**Holy Spirit infusing Divine Love.**

**Progressive escalation of Divine Love flowing.**

**Visualise yourself as you were when young and with an empty bowl, and then thankfully ask the Mother and Father for Their Love – Their Divine Love:**

***"Please, Mother and Father, I want some more."***

**Longing for the Truth when also longing for Divine Love.**

**By living true to ourselves, true to our feelings, we are living true to God. It's that simple.**

**Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God's soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of your Mother and Father.**
