BOOK OF TRUTHS – Why are these messages coming to us in this manner?

To be able to successfully convey high level spiritual truths from spirit people within the celestial realms, the human being on Earth receiving such information is of need to be in an excellent development of soul condition. Further, such person needs to free from the burdens of prejudices and erroneous beliefs as these will typically distort the transmission of high level spiritual truths, particularly from the higher Divine Love spheres and then from the Celestial Heavens, which are above the Divine Love spheres.

For the overwhelming majority of people who are in the physical state here on Earth, their soul condition is typically within the first natural love sphere soul condition. In fact, the majority of us are developed and functioning around the mid range of the first sphere – living a life responding to fear. Some in the physical state have developed their soul condition to the second sphere state and live their life responding to their loving desires. There are extremely few physical beings living their life within the equivalent of the third sphere condition where truth being told prevails. Rarely is there anyone on the planet who has progressed beyond this level.

The spiritual spheres are those from the 1st sphere through to and including the 6th sphere (natural love spheres are 1, 2, 4 and 6). This is the kingdom of man based on natural love. The Earth sphere is representative of the 1st Mansion World sphere which is its equivalent in the spiritual realms. Within these spiritual spheres, the mind dominates. The mind has its seat within the spirit body of man. We are soul (the ego – our real self) connected to a spirit body which in turn is connected to the physical body.

For those who seek and receive Divine Love, they can progress through the natural love spheres and proceed through the Divine Love spheres 3, 5 and 7, however the majority do not due to the fact that they have not become aware of the existence and the substance of Divine Love. Celestial Heavens are spheres 8, 9 and 10.

As you receive more and more Divine Love – God’s love, your mind becomes less and less overpowering and dominant within your way of life, you then become God reliant, not self reliant. This progression can take you into the seventh sphere where souls then dominate, the real you being your soul.

Your progression with the receipt of Divine Love becomes exponentially quicker and quicker and your growth through the spheres can take you way past the 7th sphere. Upon entering the 8th sphere you become at one with God, you become Christed. You have now entered the kingdom of God where souls dominate, your mind is now redundant. You are now a celestial being, the world of angels.

To successfully transmit high level spiritual truths from the celestial realms, the recipient needs to have a soul condition developed to the level that is not impeded upon by the mind. Also, the recipient needs to be open to such new truths, not be loaded with limiting erroneous beliefs taken on board throughout one’s life. Representative of restrictive beliefs are those dogmas, creeds, rituals and cannon laws, being taught by the many churches around the planet. Underlying core beliefs of the recipient of the information from celestial spirits can be corrupted by the recipient’s earlier life teachings.

Channelled information tends to reflect the languaging of the recipient / channel. This results in seemingly significant differences when the same information is channelled by the same spirit person to several different people. Automatic writing significantly reduces these variances, and most importantly, reduces errors as the spirit person takes control of the channel's brain and hand, writes the information and can also correct the message during the process.

A major effort was undertaken by celestial spirits to convey information through Emanuel Swedenborg (1688 – 1772). From 1741 this work began. This work failed as Swedenborg's own beliefs heavily fell upon the revelations that he was being assisted to share.

James Padgett between 1914 and up to his death in 1923 was successful in accurately receiving messages via way of automatic writing from some 250 spirit people, many from the celestial realms. These messages numbered around 2,500. Some 866 of these messages are now published in the 'Book of Truths' as published by Joseph Babinsky. These publications, and following on additional works, are generally available through www.lulu.com Reference websites are www.new-birth.net and www.pascashealth.com

Jesus of Nazareth's mission, in the first century, was to announce the rebestowal of Divine Love upon man and to teach the way to ask for it and receive it. This is what he is again doing through these messages. "He explained how man, through prayer, could receive God's Love, and how God's Love would be transformed into the Divine Substance, like unto God's Own Soul." (p.38 Judas of Kerioth)

"Now, after the Father's renewed bestowal of this privilege, all men, deep inside their souls, know that this door exists, and it would be the task of the different churches to guide their members' attention to this door, but instead, they have opened up other doors, leading to the world of the perfect man, and distracting people's attention from the Divine Pathway, which starts exactly at the mentioned door." (p.41 Judas of Kerioth)

The separation between the spheres is massive steps in the growth of love, be it natural love or Divine Love, however, one can only advance to the 6th sphere by depending upon natural love.

**GOD,
HEAVENLY
FATHER,
MOTHER.**

Kingdom of God:

Soul dominates and is the form of communication – soul to soul.

Celestial spirits are all Divine Love orientated. This is realms of the angels.

To enter the celestial heavens, one’s soul must be converted to the divine by the infusion of Divine Love – God’s love. This one does by embracing Feeling Healing and receiving our Mother and Father’s Love.

Kingdom of Man:

The Spiritual Realms
Mind resides within the spirit body and is the dominant form of communication.

Natural love can progress a man to the 6th sphere and no further – the intellect prevails.

Physical man relies on intellect and the brain which is only a tool used by the mind.

LIMITATIONS ON WHAT CAN BE CONVEYED THROUGH A MEDIUM:

The rules of the Rebellion and Default are government by a contract! Yes, a contract. Though the Rebellion was implemented some 200,000 and strengthened by the Default of some 38,000 years ago, its unwinding is managed under a contract that came about at the commencement of this journey.

Mary and Jesus' physical life here on Earth was not for the benefit of humanity, it was for the benefit of all of the peoples throughout Nebadon's 3.8 million inhabited worlds. As a consequence of Jesus and Mary's elevation to being full Regents of Nebadon during their physical life on Earth, they were empowered to have Lucifer and his soulmate, as well as Satan and his soulmate, arrested and transferred to a prison world.

The Rebellion and Default continued through Lucifer's deputies, Caligastia and Daligastia and their soulmates, not only on Earth, but also on the remaining 37 worlds that Rebelled. We are the only ones who defaulted, and to make matters more difficult, we assassinated the Regent of all of Nebadon, Jesus!

James Padgett was searching for truth, being open he began receiving messages from Jesus and many other Celestial spirits, mainly relating to Divine Love. However the contract put restrictions upon what could be revealed to him. James Padgett was focused upon the male side of affairs and Divine Love.

Subsequent mediums, namely Dr Daniel Samuels, Hans Radax, Nicholas Arnold, James Reid and Joseph Babinsky all were still restricted with what they could receive by the contract of the Rebellion. Further, their own personal strongly held beliefs further limited the teachings being conveyed. Generally, they, like James Padgett, were not open to the feminine, the reality that God is two personalities, being Mother and Father, and that Mary Magdalene is Jesus' full equal and soulmate.

Most importantly, we have to discover the way ourselves. Our Celestial friends cannot tell us what and how to do it. We have to feel the truth and explore what we feel, then and only then can our Celestial friends expand upon and clarify what we believe is the truth.

Many have explored emotional processing pathways, but none go deeply enough. Our Childhood Repression has to be addressed. Only when Marion and James Moncrief began to progress in what they call is Feeling Healing, only then could Mary Magdalene confirm and expand on this, which she has done through James Moncrief. James opened the feminine door.

None of the other writers over the past 100 years have recognised the feminine, nor have they recognised the Feeling Healing pathway.

As a result of the additional progress that has been progressively reaching greater and greater milestones through the work of Marion and James Moncrief that Caligastia and Daligastia, together with their soulmates, have also now been imprisoned. Further, the milestones reached by Marion and James Moncrief during 2017 has brought to a full termination of the Rebellion and Default and the cancellation of the contract. The Rebellion and Default is now ended – during 2017.

Book of Truths

Men are constituted with a mind and a soul, each having its own perceptions and ability to comprehend the truth, and sometimes it happens that the perceptions of the soul will enable them to see and reach out for this love, while they may be wholly blind in their mind perceptions, and even these latter perceptions may be in conflict with the operations of the perceptions of the soul.

Until the truths that I and the other spirits are revealing to you, shall become known to the world, there will be nothing in existence or in the knowledge of men that can supply the place of these truths so much as the beliefs that have been and are being taught by the teachings of the Bible; for in it are many truths, especially those that show men the way to attain to moral perfection. And that, as you know, was one of the objects of my teachings when on Earth, but not the great object of my mission.

Nevertheless, the man who learns and applies these moral truths to his daily life and conduct comes nearer to the enjoyment of that harmony that man must obtain in order to get into a unison with God's laws, that is necessary to his regeneration and to his becoming the perfect man. And besides, as he (I mean the mortal) progresses in this regeneration, he will find it easier for him to learn by his soul perceptions the great truth of the transformation of the soul through the new birth.

April 25, 1918 – Luke

Religion is a matter of soul and not of intellect, and the greater the development of the soul in the right direction, the higher will be the spiritual state or condition of the soul. Mere intellectual belief, no matter how intense and undoubting, will not tend to bring about this spiritual development, for religion is really nothing but the relationship and harmony of men's souls with the soul of God.

The mind will not be sufficient to create this state because the mind of man cannot possibly bring into harmony the soul of the Creator and that of the creature. Mind in its exercise may tend to awaken the soul to this possibility of relationship, but only the workings of the soul can effectuate the complete unity of the Creator and the created. Only soul can speak to soul, and mind is only a helper, provided the soul is alive in its longings. So it is apparent that that form of belief which is wholly of the intellect can have no common meeting place with that belief which is the result of the development of the soul. And hence, to say that men of all the various religions, just because they are what are called Christians, are in an equal relationship to the Father, is erroneous and misleading.

As regards the condition of man as the perfect man, these several religions may tend to bring about this state of perfection, if the moral precepts which they teach are observed and practiced by men. But as regards man as the divine angel – that is, as a spirit having in itself the essence of the divine – only that religion which teaches the true way to acquire this divinity can lead men to the at-onement with the Father in His very nature. There can be, in this respect, only one true religion, and only one way in which that religion can be practiced and possessed; and to say that all religions have a common point of approach is misleading and deceiving.

I know that among these various religions there are individuals who have found the way to the method of becoming transformed into the divine nature of the Father, and this notwithstanding that the teachings and creeds of the several churches do not show the way to this soul development into the spiritual of the

divine. But in these churches there is wanting, in their dogmas and doctrines, that which will help men to this true religion.

The church which teaches that there is nothing greater than morality, and that man can become no more transcendent than the perfect man, is devoid of the truth and would not be accepted as a teacher of the full truth, as should the church which knows and teaches the way by which man may become a divine angel.

And further, as the great truth of the rebestowal of the potentiality of receiving the Divine Love, and the effect on men's souls, was never known and taught until the coming of the Master, it is not surprising that none of the churches can or do teach this great spiritual truth, and the only true religion arising there from. The knowledge of this truth perished from the Earth a short time after the passing of the Master, and hence no church can teach this religion of the soul that transforms the mortal into the divine.

The religion of the perfect man may exist in varying degrees in all the Christian churches, but the religion of the divine angel exists in none, although some individuals of these churches, to some extent, have received in their souls the great truth – the Divine Love – even though they have no intellectual knowledge of the same.

Book of Truths

I have explained to you (James Padgett) the **law controlling rapport and communication**, and endeavoured to make it as plain and understandable as possible, so that you, at least, might grasp its meaning.¹ But, I see there are some things that you do not understand, and because thereof, you have had the recent experience of not being able to receive the many messages that were waiting to be delivered through your brain and hand.

As I have said, the first and important requirement is that you be in that condition of soul which will, because of its qualities, enable the spirits who may desire to write the higher messages to form a rapport or union with you, which means simply to take charge and control of your brain – a brain which because of certain qualities and thoughts having possessed it, will be in harmony with the thoughts that these spirits desire to transmit through it, just as it is absolutely necessary that the medium through which it is desired that the electric fluid shall flow, must be a medium possessing such nature and qualities as will permit the fluid to flow through it.

A wire (or medium) may be made of wood, and the electric fluid be present, ready to flow through it, but cannot. And why? Not because the wire or wood may not be perfect in itself as such wire; but, because the wire has not that nature and quality that will permit the electric fluid to make a union with it and thus control it. And so it is with the brain of the mortal, that such brain has the possibility of possessing, when properly prepared, those qualities that will admit of this union and control, while the wood has not. But the brain, when devoid of this preparation, is just as non-receptive to the union with and control of these spirits (as is the rapport) as is the wooden wire to the union with the electric fluid.

You have been told on numerous occasions that you were not in condition and that the spirits could not

¹ See message of John dated January 4, 1918.

make the rapport, and that you must make the effort to get in condition; and this assertion and advice are all true. You were told to pray more to the Father and think of spiritual things, and then you would become in that condition. This is true, and the advice is helpful. But you were not told what this praying to the Father or thinking of spiritual thoughts means, and, hence, you may do these things in a way and yet not get in the condition.

I know that during a long period in the past you have been receiving many messages of the higher truths, and for the delivery of which a brain highly prepared was necessary to receive the same, and the thought has come to you, why were you able to receive these messages at the time of their delivery and not be able to receive them now because, as you further think, your brain is in as good condition now as it was at those times. Well, in the latter thought you are mistaken, and the fact of such mistake should be sufficient to convince you that your inability to receive the messages should not surprise you. During the early periods mentioned you prayed more often for the inflowing of the Divine Love and your longings were intense; and the desires to possess this love, which is so vital to the preparation of your brain, were so much more active. And also your thoughts of things spiritual were so much more frequent. In other words, you were then seeking with your whole heart to learn the truths of God and to possess His love. And hence, your brain was continually in that condition which enabled the spirits to make the union and control it for the purpose of their higher expressions.

Lately you have not had the longings or prayed the prayers for the love as frequently and, as a consequence, the qualities and elements of thought that have possessed your brain were not such as to put your brain in that condition which made it receptive to the passing through it of those thoughts of the higher truths.

Now from this, you must not infer that this condition is a mere matter of brain condition, produced by itself, for it is not. You have had the intellectual desire to write and receive the messages as much as you ever had, and also to receive messages of the higher truths that should be new as well as edifying to you, and your desires were real; and you were disappointed because they were not realized. And this merely demonstrates to you that there is something more than the mere mental or intellectual necessary to prepare the brain for the reception and transmission of that which partakes of the nature of truth that has its source in something else than the mere human mind.

These higher truths come from spirits whose minds, as you might say, are of the soul; and as only soul can deal with soul, it requires that the preparation of the brain should come from the exercise of soul powers upon the organs of that brain. And hence, the necessity for your soul being in that condition that will produce in the brain the qualities that will unite and permit the truths of the soul to be received and transmitted.

You must not only pray to the Father for the inflowing of this Divine Love, but you must pray often, until you realize almost constantly the possession of this love in your soul. And also, you must turn your thoughts – and I do not mean the merely intellectual thoughts, but the thoughts of the soul (which, as you have already had, you may have again) – to the spiritual truths which have been revealed to you, and to the spiritual realm where you believe other spiritual truths are waiting to be revealed.

If you will thus pray and think, you will find coming to you the desires, and expectation of the fulfilment of these desires, and the enthusiasm which will come from the development of your soul by the

possession of this love, and from these soul thoughts. This is what is meant by the condition necessary to enable the spirits to make the rapport.

Of course, as to the ordinary matters of the spirit world, where no special soul condition is required, the spirits can make rapport as they desire; and in your case many of them could have written at the times you thought you were unable to receive any writings. But we thought it best that no spirit be permitted to write you, as it might endanger the probability of your getting in the condition that we desire, and which is necessary in order for your brain to receive our vital and important messages. And hence your guardian spirit was directed to not permit any spirit to write you, and he did not (though many made the effort to do so).

Well, I am glad that I can write you in this manner tonight, and hope you will consider what I have said, and realize the importance of your getting into the condition of which I speak. The brain must be used by the soul having the Divine Love active, and prepared to receive the rapport.

I will not write more tonight, but will merely say that we have many more messages which we desire to transmit. So believe that I am frequently with you in my love, and in my desire to help and protect you, and to make your mission a success.

Good night ... Your brother in Christ – John

October 25, 1918 – Jesus

Book of Truths

John has told you (James Padgett) to pray often to the Father so that the love may become more abundant and your soul become permeated with it, and to think thoughts of spiritual things, until by such thinking your brain may become, as it were, infused with these thoughts and thereby receive those qualities that will make its conditions similar to the conditions of the minds of the spirits who may wish to form a union with your brain and convey through it the truths that are waiting to be delivered.

And I confirm what John has written, and, in addition, say that your praying must be more frequent so that the soul may be freed from the condition that the existence in it, of thoughts not spiritual, be established. You need not wait for occasions or opportunities to formally pray but all during the day and evening let your longings for the love ascend to the Father. A long prayer, or even one formulated into words, is not necessary, as in order to have the longing it is not necessary that words should be used to give it form.

The longing may be rapid as unformed thought, and as effective for the Father to catch, as I may say. The longing is quicker than the thought, and the answer to the same will come with as much certainty and love as if you were to put the longing into the most exact form. Prayers of this kind ascend to the Father and are heard and answered, and, by a law of your relationship to the Father, affect the qualities of the brain in the way of preparing it for the union with the spiritual thoughts of the spirits who desire to write, as I have stated. Your thoughts of spiritual things or of the truths of the spirit world, as they have already been revealed to you, and especially those which pertain to the love and mercy of the Father, and to His will, in their passing and operating, also affect the qualities of the brain so as to produce the condition which is so necessary for our rapport.

It may be surprising to you that this condition is required in the brain of a human and also the development of the soul, which really produces the condition, in order that a rapport may be made so that the spiritual truths may be delivered; and, also, surprising that you have been selected from all the men on Earth in whom this condition and development shall be made. And it may be more surprising to know that it is true.

There are certain qualities in your constitution, both spiritual and material, that render you susceptible to the influence of our powers and to the use by us for the purpose of our design and work, which determines one to choose you for the work in the way in which I and the other high spirits have heretofore used you, and it may seem strange to you that in all the long ages preceding, I have not found one human with the qualification to fit him for the work.

I have used others before, but they have failed to submit their minds and souls and beliefs and forethoughts to our influence and directions as you have so far done. Many humans have the qualified conditions of spiritual and material make up to perform our wishes and work, but as they all have free wills, which we cannot compel, and as circumstances and environments and education and beliefs are elements which affect and determine the possibility of our finding an instrument suitable for our purposes, we have not been able to find a medium who was qualified to be used for our work.

You, of course, understand that you were not selected because of any special goodness or freedom from sin, or because you were more beloved by the Father, or naturally, and I mean according to your course of living, by reason of any spiritual condition that you were in, for there were many superior to you in goodness and more in at-onement with the will of the Father, and whose love and the results there from, were more perfect than yours. So you will realize that you were not selected because of any special spiritual merits possessed by you.

As you have been told, all things in the spirit world, as well as on Earth, are controlled by immutable laws, and all spirits as well as mortals are subject to those laws. The law of rapport and communication must be complied with by spirits, no matter how much elevated, and also by humans; and no spirit, by reason of the possession of any supposed power, can set aside this law. But while spirits have not this power, yet they may have such knowledge of conditions that they can discern what qualities in the condition of a human are susceptible to the influence, and moulding by the spirits, so that as a result thereof, the law may be brought into operation. And this briefly will explain to you why I selected you as my medium and mouthpiece.

For know this, that for a long time I have been endeavouring to influence and mould your mind and beliefs, so that your soul might become developed in such a way that conditions might be formed that would enable us to make a rapport that would permit of our controlling your brain to convey these messages of truth. You were naturally a medium and, for ordinary purposes, it was not difficult for the spirits to control and communicate through you the truths of the spirit world, which are not of a nature such as I and others have communicated in reference to the soul spheres and the relationship of God to man in the higher spiritual sense. As you read John's message you will the better understand what I intend to explain at this point.

There is another phase to all this, more personal to you, and this is, that while we have been developing you for the purpose of doing our work and helping make effective our mission, your soul, as you, has

been developed in its spiritual nature and you have become in closer union with the Father and have partaken to a large extent of His love, and, to a degree, been transformed into His essence, so that you have become a very different entity from what you were when your development for our purpose commenced; and, as a consequence, you will derive all the benefits that flow from an experience such as you have had.

You are now one of us in the progress towards the fountainhead of the Father's love, and have taken on a part of His immortality, and it depends only upon yourself how rapid your progress shall be towards a complete transformation such as spirits who are inhabitants of the Celestial spheres, possess. You need not wait until you come to the spirit world in order to make a rapid progression, although it will be more difficult for you to progress while in the flesh, as you understand, but wonderful progress may be made while in the flesh, and you have been told the secret of this progress.

And I will further say that you have a closer association with spirits that are nearer the Father, and more possessed of His essence and substance than have any humans of Earth at this time. To you this may seem extravagant and improbable, but I declare to you that it is as true that I and many spirits who come to you and write, are in the Celestial spheres of God's immortality.

Remember my advice and pray often and earnestly, if but for a moment, and the condition will be yours and we will come and continue our revelations.

*With my love and blessing, I am,
Your brother and friend – Jesus*

Note: Following the writings of James Moncrief, one could consider that any reference to the Father, by other relevant writers, may be read as a reference to 'our Mother and Father'. Further, when considering soul healing, then reference to Divine Love could be referred to as 'Feeling Healing with Divine Love'.

“Father, open my soul to this Gift, Your Love. Open my soul and may Your Holy Spirit touch my soul and pour within it your essence, your Love that I may be transformed, that I might be your true child, embraced and carried, lit along my life's path in the glory of your Light and care and protection.”

Luke writes, that very few mortals have Mr. Padgett's rare phase of mediumship.

<https://new-birth.net/padgetts-messages/true-gospel-revealed-anew-by-jesus-volume-4/very-few-mortals-have-mr-padgetts-rare-phase-of-mediumship-vol-4-pg204/>

Received by James Padgett, Washington D.C.

(Eugene Morgan is present)

June 25th, 1917

I am here, Luke:

I have listened to your conversation and have enjoyed the facts disclosed of the knowledge of the truths that you two possess of these truths that have been conveyed to you by the various messages and the intuitions if I may so describe, which I wish to say that I have also impressed you with these truths. And here I desire to say that in our working to make plain to you these truths by our impressions or as some mediums might say our inspirations, but we do not let you depend entirely on the mere language of the message but we try to give you accurate understanding of the true interpretation of these messages.

This you may not know but it is a fact and in many instances our work of this nature has caused you to conceive the truth that is delicate shades of meaning that otherwise you might not have received. And from this you will understand that you have the clairvoyant faculty as well as that of writing. And when I say clairvoyant I do not mean that faculty which enables you to hear clearly with the spirit ear, but rather that which enables you to receive our impressions and inspires you being actually conscious of the reception of these impressions.

So you see you have the opportunity of receiving these things which very few mortals have, for this is a phase of mediumship as it might be called which is rare and not possessed by many mortals. It differs from the ordinary inspirational phase in this that where the medium receives information in this latter way the spirit ear actually hears the thoughts coming of which the medium is conscious while in the former method there is neither an actual hearing or a consciousness on the part of the mortal of the thing conveyed. And all during the delivery of these messages of the higher truths both to you and your friend, you will have the benefit of our instructions conveyed in this impressional way.

Well I am glad that you are both progressing in Soul development as you are doing, and if you continue to pray and seek this will increase until the time will come that will bring to you powers that you do not now conceive of.

You both as you know have special guardians who are looking after you in reference to these spiritual things that will not fail to succeed in making you what they desire, and what you will wonder at when the time of your realization comes.

I heard what my charge (Eugene Morgan) said as to my writing him a special message dealing with truth that will help in the work that he is now doing among the deluded spirits in purgatory and I will soon fulfill that promise and when I see that he is in the proper condition, I will write.

I will not write more tonight but with my love advise you both to pray and have faith and you will be happier on Earth and more than happy when you come to your eternal homes. Good night.

Your brother in Christ, Luke

Pray: That they all may be one; even as Thou, Father, art in me, and I in Thee, that they also may be one in us; that the world may believe that Thou hast sent me. John 17:21

‘New Testament Revelations of Jesus of Nazareth’ via Dr Daniel Samuels (1954 until 1963)

<https://new-birth.net/samuels-messages/>

MEDIUMSHIP for high spiritual truths may only become possible once Divine Love is received:

This ability to attract the higher spirits, however, does not enable the spirits to write messages through these mortals unless they have the mediumistic ability to remain passive and allow the spirit messages to pass through their brains as the pencil is manipulated.

<https://new-birth.net/samuels-messages/53-revelations/revelation-53-god-is-not-a-father-mother-god/>

I am glad to hear you state that you would not have been able to take the message on the attributes of God and man without having some of the Divine Love in your soul, and you are quite right in so stating, for such a message could not get across, or through, the brain of a medium in whom the Divine Love was wanting, and therefore I am happy that you realize the power which the Love in your soul has given you to take messages from me of this high order. And it is further proof that what you are receiving is not the creation of your own mind, although you may think it is, and that it comes from the spirit world and, in fact, from me, Jesus and, as I sign myself, Master of the Celestial Heavens.

<https://new-birth.net/samuels-messages/53-revelations/revelation-45-i-shall-put-enmity-between-the-serpent-and-the-seed-of-the-woman/>

You must realize that the most important and, I should say, the essential prerequisite in the ability to properly receive these messages is the possession of the Divine Love in your soul to the extent that you may take the messages in the way and in the terms which the spirits who are writing wish to convey, and for this reason the Divine Love is the means by which the proper rapport can be made.

I am here, Jesus

The Prayer for Divine Love

P.438 Book of Truths through James Padgett / Jesus

Let your prayer be as follows:

Our Father, who art in heaven, we recognize that You are all Holy and loving and merciful, and that we are Your children, and not the subservient, sinful and depraved creatures that teachers of old would have us believe. That we are the greatest of Your creation, and the most wonderful of all Your handiworks, and the objects of Your great soul's love and Tenderest care.

That Your will is that we become at one with You, and partake of Your great love which You have bestowed upon us through Your mercy and desire that we become, in truth, Your children, through love, and not through the sacrifice and death of any one of Your creatures.

We pray that You will open up our souls to the inflowing of Your love, and that then may come Your Holy Spirit to bring into our souls this, Your love in great abundance, until our souls shall be transformed into the very essence of Yourself; and that there may come to us faith--such faith as will cause us to realize that we are truly Your children and one with You in very substance and not in image only.

Let us have such faith as will cause us to know that You are our Father / Mother, and the bestower of every good and perfect gift, and that only we, ourselves, can prevent Your love changing us from the mortal to the immortal.

Let us never cease to realize that Your love is waiting for each and all of us, and that when we come to You, in faith and earnest aspiration, Your love will never be with-held from us.

Keep us in the shadow of Your love every hour and moment of our lives, and help us to overcome all temptations of the flesh, and the influence of the powers of the evil ones, which so constantly surround us and endeavour to turn our thoughts away from You to the pleasures and allurements of this world.

We thank You for Your love and the privilege of receiving it, and we believe that You are our Father / Mother --the loving Father / Mother who smiles upon us in our weakness, and is always ready to help us and take us to Your arms of love.

We pray this with all the earnestness and longings of our souls, and trusting in Your love, give You all the glory and honour and love that our finite souls can give.

Amen

Prayers to our Mother and Father

From 'Religion of Feelings' by James Moncrief

Please Mother and Father help me accept my untrue state and bring up all my repressed feelings so I can see the full truth of why I feel so unloved and all that's wrong with me.

Please Mother and Father help me see the truth of myself through my feelings.

Please my beloved Heavenly Parents, fill my soul with Your Divine Love. I long for Your Divine Love; please answer my prayer and yearning to be at-one with You and do Your Will by living true to myself and all my feelings. Please fill my heart and soul with Your Divine Love – please make my soul like Yours – Divine.

Please Mother and Father, I want to uncover the whole truth of myself through my feelings. I want to be able to feel and accept just how bad I am, how bad I feel I am, how bad I've been in my life. I want to know the whole ugly truth of myself, see it and feel it and understand how I came to be it. Please reveal to me through my feelings all the truth of myself You want me to see. I want to be as You want me to be; I want to be true and perfect, Healed of all my rebelliousness and self- and feeling-denial; I want to be good, loving, true and happy, please help me become true to myself, true to my soul, true to You.

Please Mother and Father help me, I'm in such bad pain, I feel so alone, so miserable, so scared, what's going to become of me, I don't understand, what's the point of me, why have You made me; please help me see the truth of myself – all the truths of myself, nature, how to be in the world, of You both. I want to know, I want to know it all through my feelings, all that there is to see, the whole truth and nothing but the truth. Please help all my pain come to the surface of me so I can embrace and accept and express it out of me. I want to use my feelings to uncover the truth they are to show me; please help me to do that.

Please Mother and Father love me. I want You to love me. I want to feel fully loved by You. I don't want anything else, only to be with You. Please, that is all I am asking.

Please make me feel how unloving I am. Please show me the horrible truth that I am. I want to see and feel and understand the worst of me, please take me into my darkest scariest ugliest unwanted rejected places within myself. I don't want to feel all the dreadful pain that I know is there locked away inside me, yet I do also want it all to come up and out of me, and I want to use it to see the truth of my wrongness, the truth of how evil I am, the truth of my fucked up state. I no longer want to be false, pretending I am okay, using my mind to make me falsely believe I am good, happy, loved and loving, when I know I'm not. For how can I be when You've brought me into my unloving state, making me be of it. And as You want me to experience being this negative way, please show me the whole truth of it. I no longer want to deny any part of myself, or any of my bad feelings. I want them all to come up so I can express them, emoting their pain, feeling how bad You've made me feel all my life and all through my early life; I want to see why, and so reveal all the truth to myself. I want to be the living truth of myself, living true to my feelings and the truth they give rise to. Please help me to do my Healing, and please fill my soul with Your Divine Love.

The mind way is the 'dead' way; the feelings way is the 'alive' way.

Examples of some prayers to God:

From 'Feeling Healing' by James Moncrief

Please God show me the truth of myself through my feelings.

Please help me see the truth about myself You want me to see.

And please help me feel all my repressed pain; please bring up all my bad feelings so I can express them and see what it is they are to show me about myself, my life, and You.

And please help me work through my blocks, I want to Heal myself, I want to become true to myself and true to my feelings and true to You – please help me do that.

Heavenly Mother and Father, I feel so bad, and I know I'm doing it to myself, but I can't help it. I can't stop my compulsive addictions, so will you please bring up the buried feelings in me and show me the reasons why I can't stop. Please! I want to know – I REALLY WANT TO KNOW why I do them. Please help me Mother and Father to uncover the truth of myself. Please, I beg you, please, please, please show me the truth of them so I can give them up. I hate feeling bad, yet I know I must so I can keep expressing my bad feelings to see the truth You want me to see, so please help me feel bad.

Please Mother and Father fill my heart and soul with Your Divine Love. Please give me Your Love. Please love me and make me feel loved by You. I want to feel You close to me, I want You to hold me, make me feel loved by You. I only want You and to do Your Will. Please help me bring up all my repressed feelings so I can express them and uncover their truth. Please help me do my Healing. Please give me Your Love.

I hate you Mother and Father; why have You given me such a shit awful life? I hate myself, I hate You, I hate everything about my life. I feel so bad all the time. I've expressed so many bad feelings and still I feel bad. It's not fair, it's not fair what You've done to me. I hate You! And I want You to help me Heal myself, so I can stop feeling bad. You put me in the shit for whatever reasons, and I want You now to help me get out of it and show me what it's all been about. Please help me to Heal myself so I no longer hate You.

I long for Your Divine Love Mother and Father. Please fill my soul with it. And please help me uncover the truth of myself through my feelings. I want to see it all! And please make it all end, I'm so tired of always feeling so bad, please take all my bad feelings away by making me feel them and showing me the truth I am to see.

Feelings First Spirituality, The New Way

Feelings First Spirituality, The New Way is a contemporary ‘religion’ based on living true to yourself through your feelings. Understanding that all you need in life is contained within your soul and is shown to you through your feelings. And by loving your feelings, by attending to them properly (talking or writing them out of you) and not denying them, you can use them to uncover the truth of yourself – the truth of your soul.

Feelings First Spirituality is not a formalised religion that tells you how to be, that is too controlling and is actually bad for you, limiting your spiritual growth. You can be wholly self-revealing of the truths you need to be, being the person God created you to be, all by living true to your feelings.

Feelings First Spirituality has no formal structure because we understand we don't need one, our soul contains within it all the truth of our spiritual ascent. If we look to our feelings for the truth they want us to see about ourselves, nature and God, then what more do we need! Our true spiritual path is the path our feelings will lead us down, that is, provided we allow them to. This is the most spiritual we can be.

Living the New Way of Feelings First Spirituality

You come to the understanding from your life experiences that how you are is not right, it doesn't make you feel good – that you are wrong in some way. And you want to change yourself, you want to become right, true and perfect – you want to be like God is.

And to do this you need to do your Healing

Your Feeling-Healing is looking to your feelings for the truth of yourself, the truth being hidden in many of the feelings you are not wanting to face in life. So you have to end your feeling denial, accepting all your bad feelings (and good ones), express them (yet not necessarily acting upon them), whilst longing to uncover the truth they are to show you.

Or, you can do your Soul-Healing, which is your Feeling-Healing together with including longing directly to God for God's Divine Love. When you receive the Divine Love into your soul, it will cause your soul to become divine, and it will deepen your personal relationship with God. Long with all your heart to God for God's Divine Love.

Feelings First Spirituality **The New Way**

By living true to ourselves, true to our feelings, we are living true to God. It's that simple.

FEEL *for* TRUTH

The beauty of it all, is the truth comes to you through your own feelings. You don't need to be told it by anyone. You can work it all out for yourself. We are self-revealing of truth, it's how God created us to be, and by being it we'll feel the happiest we can feel. Truth is our great comforter, so when you feel it come up within you, ah it feels so good and you feel just right – perfect!

We know only how to deny feelings, now we can get to know how to accept them. And always with the truth being the most important part.

FEELING TRUTH

If you don't want to uncover the truth of your feelings, then you can keep on expressing them forever but you will never fully heal yourself. Seeing the truth results in the Healing. And to see the truth you need to express all the pain out of you. The two things go hand in hand.

You can accept and express your bad feelings, letting off steam all day long, yet nothing will heal and nothing much will come of it. So this is where wanting your feelings to show you the truth of why you're feeling as you are is so important.

Don't go fishing with your mind, that will shut the truth out from rising up for you. **KEEP YOUR MIND OUT OF IT.** It's a feeling thing, doing your Feeling-Healing. (This is where we erred previously, and this how other modalities are in error.)

You long when you can, then stop longing and keep expressing. And at some point, and it might not even happen immediately, it might happen after days or weeks of expressing the same bad feelings, truth will come to you. And it does, it just comes up suddenly into your consciousness. You just know. You see the picture and you feel it's true. And you know it's true. And THEN your mind can come in and start sorting it out and putting in context.

It's the Truth that we are seeking. It's the End Point. The Reason for doing your Healing. You are to see the whole Truth of yourself. And to begin with, that's the whole truth of your unloving self, of your wrongness, of your evilness, of why you are as you are in your negative unloving mind-controlling state. To be able to fully accept yourself as you are, warts and all. To not fight or resist or try and change yourself, just to accept all you feel and all the truth of all those bad feelings you feel about yourself. And when you do, so you will be healed. You CAN'T heal yourself unless you uncover the truth of your pain, suffering and so the truth of all your bad feelings.

Through our Feeling-Healing we long for the truth of what we're feeling whenever we can. So as often as you can. You want, and REALLY WANT WITH ALL YOUR BEING, ALL YOUR WILL, to know why you are feeling bad. You yearn, want, long and beg and beg and BEG God to show you the truth of yourself through your feelings. So when you are expressing your bad feelings you can stop and long for the truth to show you what's going on, why do you feel so bad, and you can do it any time you think of it or feel to do it.

Heartfelt TRUTH

JUDAS of KERIOTH:*Mediumship*

Received by H.R. Cuenca, Ecuador.

November 26th, 2001

Hello, my dear brother H___. I am glad you are better now. I didn't contact you, by the way, because with your sore toe you didn't want to receive messages very much. This is understandable. Pain can be fatal for people's spiritual condition. And I say "can be", because it is possible to attain a level of spirituality where pain no longer exists and where diseases of the physical body no longer exist.

But today we won't speak of this topic, although it is a fascinating one, I am sure. Today we will dedicate ourselves to a problem of mediumship.

Is the mediumship dangerous? Is it possible that a spirit may take possession of people, be they mediums or not, against the will of the mortal?

In order to respond categorically, it is possible that a spirit can take possession of mortals, possessing them, but this is not possible against their will.

We have already talked about the subject that our soul is like an antenna, receiving and transmitting at the same time. Therefore we are continually in contact with other souls. I say we, because this principle is valid for mortals as well as for spirits. As a matter of fact, the only difference between spirits and mortals is that the former no longer possess physical bodies. Spirits don't necessarily have a superior soul development. They may have it, but many mortals who are now living on Earth are much superior in the development of that central part of their existence, the soul, than millions of spirits.

The transmission and reception of thoughts, desires, feelings, emotions, etc., used to be carried out unconsciously. I will give you a few examples. You have often perceived that somebody behind you was staring at you. You did notice it, but how is that possible? The staring certainly didn't cause a kind pressure on your back, but instead you received the thoughts and impressions of the person who was looking at you. You could "read their thoughts." This is commonly called telepathy. Hence, it is a quite ordinary phenomenon, at least in its rudimentary and nebulous form. But people don't associate it with the mystic word of "telepathy." But ask a scientist how he would explain this. Or if you wish to spare him an embarrassing situation, you'd better not ask him.

You also know those moments when a flash of genius overcomes you. You solve a problem so easily, one that you didn't know how to solve for a long time. This is an example that you have received something from the "beyond" without being aware of it. But take care! I certainly don't want to say that all your ideas come from outside. This is not true. But whatever you perceive as persistent impulses for doing something, for devoting yourself to something, which won't leave you in peace if you don't pursue that direction, this is almost always of an exterior nature.

Now, the question is, if so many extremely diverse "messages" may come to us, do we live flooded by external ideas? For example, if good and bad spirits surround us, and some tell us to help another person, and others suggest that we should leave that person alone, don't we live in a permanent conflict?

No. Here is where spirituality enters. We could simplify by saying that spirituality is the level of tuning we have to the external, invisible world. We are like radio receivers, and therefore, we can filter frequencies that come to us, and we may tune in exactly to what we want to become tuned to.

What I have said entails two important consequences:

Firstly, when we ignore this principle, we are adrift in a spiritual sense, that is to say, we don't tune in consciously, but we allow momentary desires to determine our tuning, for good or for evil.

Secondly, when we are not able to maintain a constant and continuous level of high spirituality, we also run the risk of entering into contact with beings, with who we don't want to be in contact with.

Now, the best advice one may give is constant prayer. We know that prayer elevates our spirituality, and if we are able to fill our days with prayers, we are the winners. The conventional prayers, the senseless recitation of preconceived formulas, has always bothered you, but in the last years you have learned that prayer is really something pleasant, full of happiness, something you are already enjoying. And so it should be.

Another very important point is man's free will. Men or spirits choose the kind of companions they will have in the spirit. In the case of so-called possessed people, they only suffer from this possession, because they sought it. They invite these wicked spirits, not consciously, of course, but they leave their souls' door wide open, blocking good spirits who want to help them, such as their guardian angels, and allowing the dark spirits to enter, so that they may take control and manage the mortal's affairs at their whim. In other words, the mortals have the same desires as the spirits have, who manipulate them, frequently, they lack only the courage to materialize their desires, courage the spirits provide them with diabolical pleasure.

Each moment of anger, of bitterness, of negativity in general, opens the soul's doors to evil. Negativity and the spirituality are completely incompatible things. So remember, every time you feel negativity, it is when you lower your defences, when your spiritual "antivirus program" fails, and when you may fall victims to the attack, losing part or the totality of control over yourselves.

When a medium suddenly fails to establish contact with high spirits with whom he or she was accustomed to communicate, something is terribly wrong. The high spirits as well as the dark spirits are subject to the free will. It is the medium's free will that gives us the power to help or to communicate, or it ties our hands. We won't be defenceless, but our charge suddenly no longer enjoys our protection, as a result of his or her choice.

It is the work of spirit guides to try to ensure that their charges' spirituality stays on a high level. But you understand that this is a work that requires the medium's collaboration.

In your case, we have flooded you with a deluge of messages. You wondered how it is possible that you receive so much, while others receive a message per week, per month, or even at a lower frequency. Well, I will tell you that the purpose of my insistence has been to give you security. You had a tremendous insecurity at the beginning, but through the quantity of messages you have received, you already feel very sure of yourself, you no longer doubt. Now receiving messages for you is quite a

normal thing, such as eating or sleeping. It is invaluable to be able to count on the medium's self-confidence. You know already that the messages don't pass through you 100% as we would like it, but you also know that there is no perfect medium. But you may work to come ever closer to perfection. You may improve, but you may only improve that of which you are already sure.

Besides, through my insistence, it has become quite difficult for you to forget to pray. Yes, when you forget to pray, then things really are bad. Then spirituality no longer constitutes the centre of your life, and what is not in the centre, only achieves fringe effects.

An attack of lower spirits, who are not necessarily bad, may have pitiable consequences. In their persistent molestation they definitely may encumber the task of recovering high spirituality. It is easy to fall; it is more difficult to stand up. Spirituality requires discipline, never forget this.

This is why I want you to remember that each moment of negativity means vulnerability. When you feel pride, arrogance, fear, anger, bitterness, hate, gloating, envy, etc., the one who gets harmed is yourself.

So keep your "antivirus" always in guard, and always upgrade it [Judas laughs]. You know already where you may download it.

I believe it is important for you to keep this in mind. Each time negativity invades you, remember that your defences are low. Try to see the positive side, try to get rid of the negative thing, try to recover your good tuning. Feelings such as fear, aggressiveness, etc., should lead you to meditate over your condition, they should lead you to prayer. And if you do so, everything will be OK.

I have directed this message to you and to all who may read it. Many will feel alluded to, or maybe all? It does not matter. All mortals have their imperfections. All fall, and all may rise again, continuing ahead. But when there are methods to avoid the falls, you should apply them.

I send all my love to my sisters and brothers on Earth. Strive that love may be the only motive in your lives; and as to negativity, tell it good-bye, and no longer give it the slightest chance.

Judas Iscariot,

A spirit who preceded you on the way, on which we sow thorns, but which God has covered with rose petals.

Mediumship and the Mind of the Mortal

Received by H.R. Cuenca, Ecuador.

November 30th, 2001

Hello, my brother. I know you had hoped to receive a message while in Quito, but understand that there was no opportunity for it. I have many more messages to share with you, and we also have the time to do so. We need not try to deliver communications at any price. We can afford to wait for a favourable moment.

And what a surprise! What do you say? Now they also accuse you of plagiarism. Well, my friend, when they say that much of what is in the messages you write can also be found in diverse books and web pages, they are right.

You remember that once I told you that we guided you to study the Bible, so that you became informed of the historical context. And certainly, to our great satisfaction, you have done so. Do you remember what John has written on message transmission?

[H. R : John wrote:

But, as we have told you before, rapport and our ability to use your brain are governed by laws, and one of these laws is that a high thought cannot be transmitted through a human brain which is not in the condition that qualifies it to receive the thought, just as the brain, in matter pertaining to mere material knowledge cannot receive a conception or comprehension of some intellectual truth with which it has not had acquaintance, and transmit it. A brain cannot be used by the mind of the human to make known or present a problem in geometry, when that brain has never been used by the mind to acquire an acquaintance with or knowledge of the principles of geometry. This is an incomplete analogy but it may serve to illustrate what I mean.

In the conception by the human mind of a truth, material or spiritual, the brain must be used in order to manifest or make known that conception. This is absolutely true where the idea or thought originates in the mind of the man who is using his own brain to formulate or manifest that idea or thought. The mind may have the thought or knowledge of some branch of learning, and yet when it has never used the brain to put that thought or knowledge into concrete form the brain cannot manifest or transmit it. This law applies specifically to the capabilities of the brain where it is attempted to be used or controlled by the mind of the man who owns the brain. And from this you will see that it is possible for the human mind to have thought and knowledge of things which it cannot use the brain to express." (John – Laws of rapport, continued; Vol. II)

Are you referring to this?]

Yes, I am referring to precisely that. Let us reformulate it in less complicated words.

When we want to transmit material knowledge, for example data and events in Jesus' life, it is extraordinarily helpful for us, when the medium already has some knowledge. We can use this knowledge, which is already there and available for the mortal. It is much more difficult to transmit totally new ideas. We would have to start with the alphabet, so to speak, as we do when we speak of the spheres of the spirit world, when we speak of God, of the Celestial Heavens, of hells, of certain spiritual laws, etc. This kind of information without a solid basis in the mortal mind is much more prone to error in its transmission.

Hence, what you reproduce in the messages, certainly is textbook information. But we may deepen and point out errors in this supposed knowledge. This is much easier than starting from zero.

You noticed that Mr. Padgett received relatively little historical information. And the reason was simply that he didn't have much historical knowledge. It was due to a lack of time or because Jesus needed all his capacity to transmit the higher truths. How many messages did Mr. Padgett receive on topics we could classify as small talk? No, it was not a problem of time but of knowledge.

On the other hand, in the messages received by Dr. Samuels, we find valuable historical contents, especially on the Old Testament, because Dr. Samuels had a solid basis, as a Jew, and a good knowledge of the Hebrew language. I could not transmit messages of the same depth on the Old Testament through

you, because your knowledge, of history as well as of the language, is inferior. As to the New Testament, things are different.

It is true, we could go much deeper. For example, I could tell you that Philip, the tetrarch who lived like an Arabian sheik, travelling with his throne and judging right there in the desert the complaints and accusations of his beloved Arabs, didn't do this just because he depended on the nomads for staying in power. When he lived in Rome, as the Emperor's guest (or rather, hostage), he saw things that simply disgusted him. The Romans were not the warring, fierce men as people believed in his native country, at least a great part of their nobility was not. Many were effeminate sluggards, who only lived for eating, messing around in orgies, having a good time, and enjoying their cruelty. He knew Rome as the common plebeians never knew it. And it disgusted him. Not so with his brother Antipas. He rather copied Roman lifestyle in his later life as tetrarch. But Philip didn't find any value in this. When he was finally declared tetrarch over the north eastern part of his father's Kingdom, a country he did not even know, it would have been natural that he sought his backing in people of Greco-Roman culture in the cities. But no, he rejected this culture. Of course, he built and re-baptized cities in honour of the Roman imperial family, but he did so just to maintain the emperor's approval. But in "real life", he retired from the cities and from the customs he rejected, and joined the Bedouins, living as one of them, enjoying the archaic structures of their tribes, and becoming one of them. His great love were the fake attacks and combats between the Bedouins, the so-called fantasias, he was like those modern people who run away from civilization and take refuge in nature. And he did well. He lived a calm, safe life; there were no major disturbances in his reign, even the Jewish Zealots in his territory focused on other territories for their destructive work, such as Galilee and Judea.

But this information, which you don't find in textbooks, is of no use for us. What good is knowing that Philip was short and skinny? It is not our purpose to describe the unknown aspects of the rulers of antiquity, no; we want to present a historical picture so that the reader may understand the sociological and economic context that Jesus lived in.

Therefore, dear brother, if they criticize you, let them criticize you. If they say then that it is plagiarism what you are doing, agree with them. But follow your course. You have found your destiny, don't go astray.

Are you really afraid? Afraid of what? We are delivering messages so that you may publish them; it is not for your personal amusement. You already know what fear means. It is the void of the soul. It is the expression of a soul lacking faith.

People talk to you about their problems, and you try to give advice, to help, to comfort. But how do you think you can achieve this, when your own faith is so little? All you have undertaken lately has given good results. On not a single occasion were you harmed. You have found peace. And a simple critic bothers you so much that you lose this peace? It cannot be!

Take care. Mediumship requires some emotional balance. If you lose your peace of mind, you lose your gift. Padgett lost it temporarily; Samuels lost it permanently because of his personal conflicts. Watch out, so that this does not also happen to you!

Trust and pray more. That is not so difficult. Receive Truth, communicate Truth, and live Truth. This is what we expect from you.

Remember that I am always with you that I pray for you and together with you. I always have a watchful eye on you, and whenever you need a hand, mine will be there.

God bless you,
Judas

The Danger of Mediumship

Received by H.R. Cuenca, Ecuador

December 4th, 2001

This is a message for my dear brother B ____. I know what you are suffering from. I can assure you that your symptoms have nothing to do with any poisoning from the mercury in your tooth fillings. If it were so, everybody of your generation and especially of the previous ones would suffer from the same symptoms.

You have lost your peace. Mediumship can be very dangerous when one doesn't learn how to recognize his guide and to follow his advice. It is a serious error to open up to all the influences of the spirit world, because here as well as on Earth there is also evil. On multiple occasions I have compared the human soul with a radio receiver, able to tune in to different levels of spirits and influences. And this tuning you have to practice consciously and with much care.

Never try to enter into contact with beings from the beyond when you are not at peace with yourself, and never do this when negative emotions dominate you. And when you feel that a certain external influence tries to force its way inside you, deny it the access. You can always do this.

The most appropriate instrument to find peace again is prayer. This we have also indicated on very many occasions. And it is prayer which should stand at the beginning of any mediumship session, because only in that way may you reach higher levels of spirituality, **and in this prayer you may express your desire for protection against negative and undesirable influences.**

Besides, mediumship pursues certain purposes. There are personal messages that certainly are intended to give specific help to a person, such as in this case. But there are also messages that are intended for a wider public, and it is the receiving medium's responsibility to publish these communications.

I know that you don't like to talk about psychoanalysis, and I won't bother you with this topic. But in it, there is an expression that encompasses a great truth: Symptoms are words trapped in the body. Yes, this is true. The whole existence of the human being spins around words. Language forms an essential part of their being. And there are things one simply has to speak, to get rid of the effects.

What I want to say with that is that it is not enough to receive truths, but it is necessary to apply them, and in one of the ways that they can be applied, is to communicate them to others. Otherwise, they are trapped within the medium, burning like fire. Lastly, it is the repression of the Truth, which causes the deplorable state we have always been able to detect in human society, and which we still can observe. Truth is not a part of the human being, but comes rather from an external source, from God. And Truth

has Its own life, trying to shine forth. Men may fight against this, but it is a fight that you will lose in the long run, and which causes great suffering.

Sometimes it is fear that leads men to repress Truth. If somebody for example publishes what he is receiving, he is always exposed to critics, others may laugh at him, and it is very painful to feel ridiculous. But you should never forget the fact that the others are not your judges. And living the Truth means to enjoy the mighty support of that part of the invisible world where Truth reigns supreme.

This is why, my dear brother, you should not despair. Block the negative influences that try to force their entrance, pray, try to learn to know your guide, feeling his or her kindness, and give yourself over with all the trust you are capable of.

Practice prayer and meditation, and only when you have recovered your balance, try again to receive messages. Don't try to communicate when you are not OK. We can only help, when the mortal wants to, we can never infringe the Law of Free Will, and when the mortal opens up his soul wide to the dark spirits, there is little or nothing we may do. Listen to this advice, and above all, pray.

I hope this short message will be of help to you. When you are troubled by any problem, you know how to contact us. You can do this directly, or through another medium. But be assured that we will never abandon you. Only ask, and you will receive.

Your brother in Christ,
Judas

(At night) You did not write down what I told you at noon. No, there is nothing missing, you received everything. You think that because a message is short, it is also incomplete. However, just consider, the fundamental message only requires one word: Love.

Go and write it down. In the future, although you may have the impression that something might be missing, write it down. You can add a note on your feeling that the message may be incomplete, but do not simply discard it. Get used to preserving everything in written form. Now I say goodbye. I wish you a good night.

Your friend in the spirit, Judas.

Trance Mediumship

Received by H.R. Cuenca, Ecuador.

December 27th, 2001

My dear brother, let's talk about trance. I deem it opportune to address this topic, since there have been questions in this respect and also, because there is much confusion as to the nature of trance and its importance for message transmission.

When you lie down or sit down in a comfortable armchair and then relax yourself, imagining how the bed or the armchair bears your weight, feeling some region of your body completely relaxed, and how this muscular relaxation spreads from that point all over your body, when you concentrate on your breathing, when you feel somewhat dizzy and suddenly you feel as if a hand pressed on your forehead, then you are in trance. Right now, when receiving these words, you are in trance. Your eyes are tearing, but you are not weeping from emotion, it is just one of the signs of trance.

As you see, this is not a very special or mysterious state. You are completely awake, but your awareness is very restricted. You no longer perceive the noise around you, and if I would now prick your skin with a needle, you would feel no pain.

Everybody is able to reach this state. And there are many ways to achieve this. What you are using is a self-hypnosis procedure, a quick and sure procedure.

If you imagine somebody watching a football game on television, someone who is completely concentrated on what he is observing, and who no longer perceives what is going on around him, you can understand that this person is also in a state of trance. The same thing happens to people absorbed in the reading of a fascinating book, and to the dreamer who later can no longer explain how the hours vanished.

Trance has many faces, from catalepsy to these so daily and common phases. Perhaps this is not how people imagine trance, but it is reality.

All those phases have something in common. It is the limitation of perception. Several parts of awareness disappear temporarily; it may be the awareness of what is going on around themselves, it may be the awareness of their own body, losing all sensation of pain. It may also be a loss of a yardstick or judgement, and people become very susceptible to suggestions, as in classic hypnosis.

The great advantage of trance for our purposes is that the loss of annoying external influences allows a clearer perception of the spirit's "voice", that is to say, thought impressions, as well as images, sounds or other kinds of perceptions, such as scents or of touch are perceived with much more clarity. We could even say that without an appropriate trance state, although it may be very slight, that message transmission is not possible.

From what I have said you may understand that Dr. Samuels also received his messages in a state of trance. However — be careful! — don't make the mistake of equalling trance depth with precision in message transmission.

It is generally believed that when the medium's phrases turn out twisted or incorrect in grammar, that means that the medium is in a state of trance and that the rapport with the spirit who is transmitting the message loses strength. I want to remind you that the words, which the medium reproduces, are not the selfsame words of the spirit, rather that they have already suffered a process of transformation in the brain, or in the mind, of the receiving medium. Sometimes it happens that the flow of information exceeds the restricted capacity of the medium, and in case of bad rapport, and the phrases turn out mutilated, out of context, etc.

I want to remind you of a sentence that was transmitted in a message through James Padgett:

“This Love comes to men through the workings of the Holy Spirit, causing It to flow into the heart and soul, and filling it so that all sin tends to make them unhappy.”

Of course, this is nonsense. The sentence should read:

“This Love comes to man by the workings of the Holy Spirit, causing this love to flow into the heart and soul, and filling it, so that all sin, which tends to make them unhappy, must be eradicated.”

This does not only happen in automatic writing, but also in dictations, when deep concentration prevents to the medium from realizing the error. Even later revisions don't detect the mistake, because everybody knows what the phrase is supposed to mean, and you read what is supposed to be on the paper, and not what really stands there. How many people will have read this message without detecting the mistake!

[HR: This message is contained in "Angelic Revelations of the Divine Truth", volume II] (Editors note: And as linked above, in Vol III of True Gospel Revealed Anew by Jesus)

As to the observation that the messages received by Dr. Samuels have a strong Jewish colouring, this is true and very natural. A medium's beliefs and convictions always exercise an influence on the contents and presentation of the received messages. The same thing can be said of Mr. Padgett's messages, whose marked anti-Catholicism reflects the beliefs and convictions of his personality. Much of what is criticized there of Catholicism, can also be criticized of Protestant congregations. In addition, a great emphasis is notable on punishment, a relic of his education, something that does not disappear so easily, since it is anchored deeply in people's personality.

As to the chosen people, it is true what Saul of the Old Testament states in a message received by Mr. Padgett:

“God is not the God of any race, but He is the God of every individual child who comes to Him in true supplication and prayer, seeking His Love and help in his spiritual nature.”

There are many more messages on the topic, all of them indicating that God does not have a chosen people. The "chosen ones" are those who choose to be with God.

Jesus was born a Jew. Nevertheless, I imagine that it was also possible that he could have been born an Indian or in any other country. That has been God's decision. All humanity received on multiple occasions and in many ways the revelations of God. Some people preserved them, although not in their pure form, for example the Jews, in whose Scriptures you may learn much about God's nature, but much of what they contain is also false, such as the image of the avenging God. However, in a similar way, other peoples received divine revelations, as in the case of the Bhagavad-Gita of India, which also contains a mixture truth and falsehood. Other peoples did not conserve anything of these traditions.

The concept of a chosen people is completely incompatible with the concept of the individuality of man's relationship to God. Dr. Samuels knew this, and, even so, his unconscious left deep prints in his messages.

[HR: I am seeing Dr. Samuels. Are you projecting to me this image or is he really present?]

I am reproducing his image in your mind, but he is really here, and he wants to speak with you.

[HR: I am really trying, but I cannot grasp anything. It does not come through. . . I only perceive the word "pressure" . . . ???]

Don't worry. He will come again. You are still in your development, and there is still much to do for you. There are affinities between spirits and mortals, and your affinity to me it is very great, but it will be very difficult for you to tune in to Dr. Samuels, you are not of the same "wavelength." But you will learn. This is why I am your guide, and not he.

But I want to make it very clear that Dr. Samuels' messages, in general, are first class. Especially when they deal with historical topics, they can be accepted with great confidence.

Always remember, an isolated message is never very reliable. It is the body of messages, which produces reliability.

The medium's beliefs and convictions may influence. They are like filters. Imagine a filter in front of the lens of the camera, allowing only the passing of red light. All objects of other colours simply are not perceived. And now, when we want to transmit "objects of red, green, blue and yellow colour" to the mind with the prefixed filter, a good part of information gets lost. Moreover, what is worse, the medium sometimes fills in the holes in the information with his own ideas, unconsciously, deforming what we really want to say. Therefore, we have to select carefully the receiver of our messages.

Some kinds of information are very difficult to convey, such as names, dates, places, etc. And in these cases, it is a great help if we can take recourse to what the medium already knows. Trance allows us an easy access to the medium's memory and recollections, where all that information is stored with incredible precision. Unfortunately, there is also the danger that the medium himself accesses incorrect parts of this information and interpolates them into the message, unconsciously, but this can be controlled, provided the medium has the will and disposition to cooperate and to develop.

In my last message, for example, you were not very sure, if the year of my birth was the year 2 or 3. You wrote down the correct year, indeed, it was the year 2. But I advise you that although you may not be completely sure, that you follow your "intuition." Write what you are perceiving, do not simply omit things. If you make a mistake, there will always be the opportunity for corrections.

Previously I have mentioned that trance depth does not guarantee precision in message transmission. This is true. And I will explain this to you using an example.

When the hypnotist commands a hypnotized person to kill someone, they will not obey when in a totally awake state they would not do this. Or remember what you read on the experiment where the hypnotist suggests to the hypnotized person that a room is empty, when in fact the room is full of furniture and stuff. Then, the hypnotist tells the person to cross the room and the hypnotized person obeys, avoiding all obstacles. When the hypnotist asks why the person did not cross in a straight line but zigzagging, the hypnotized person invents a series of excuses. For example that he wanted to look out of the window,

that a stain on the floor caught his interest, etc. In spite of the strong external influence on the part of the hypnotist, or on the part of the spirit in the case of message transmission, it is the receiving persons' beliefs and internal perceptions, which govern their behaviour and resulting action. Therefore, my dear friend, perfect transmission does not exist.

In our case, I recommend you to continue practicing. The method of projecting the image of the spirit and your visualization has contributed much to your progress and your concentration on the contents of what we want to communicate. I am happy with what we have achieved so far. God willing, next year will be a prosperous year in this sense. We have come to the most important part of Jesus' life, and in the first place I want to tell how he taught us his message of God's Love.

Now I will conclude this long message.

My dear D___, I hope I may have provided you with some clues for your undertaking, which we watch with much happiness. Be assured that you have all our backing. I would also like to tell you that you may trust in your perceptions and in your guidance to select the pertinent passages for your book. It is a wise decision to select and rearrange. In order to convey a concept, it is certainly not necessary to reproduce all the messages phrase by phrase, word by word.

But now, I am really through. I say goodbye, with all my love to you.

Your brother in Heaven,
Judas

Channeling and the Influence of Ingrained Beliefs

Received by H.R.

Cuenca, Ecuador.

January 9th, 2002

[HR: Dear Judas, I would like to know a little more about soul perceptions. I still have a very blurred concept in that respect. For example, in my conversations with M___, she claimed that the inner voice is not the only form of soul perception. I suppose that this is correct.]

Judas: Yes, this is correct.

[HR: Then, when we discussed the subject, I wrote her:

Yes, there are more perceptions [...]. What we hear, apart from our inner voice, what we "feel", when somebody behind us stares at us. . . Well, we perceive the concentration of other people on us. We don't feel "the pressure of their look," but their thoughts. Not in the sense that we read their thoughts, but rather, we feel emotions, intentions, something like that. . . This is called empathy, I think.]

And she responded:

Perceptions of others, of their thoughts and feelings and intentions!! H___, this resembles what Jesus calls communication from soul to soul. This is extraordinary. It is necessary to pray sufficiently,

H___. Although lately I have wondered, what does it mean to pray, because I am reciting silly sentences. Or, at least, so they seem to be. What does prayer mean?

And here, I have two questions. Firstly, whether it is correct what we concluded, and secondly, really, what does prayer mean?]

Let us first deal with the second question. Since you have been interested so much in the teachings of Lacan, in the registers of the mortal's reality, the Real, the Imaginary and the Symbolic, I will use these terms.

God belongs to the Real, or rather, He is Reality. You can only approach Him through the Real, and not through words, which belong to the Symbolic. The world of God is not the world of the language. To recite automatic prayers is like reciting the multiplication table. You have already read this. Words only are effective, when they are accompanied by what comes from inside, from the soul, because the soul also belongs to the Real, it is the image of God, even if it is not His Substance. God communicates from soul to soul. Man can also do so, but in the world of his reality, the world that he perceives as reality, he does not do so, in general.

Prayer does not need words. It needs desires, longings, it needs heart. We could say that prayer is the intent of coming closer to God, of approaching at-onement with Him. It is our small step to bridge the distance between Him and us. We take one step, and God covers the rest of the way, He comes closer to meet us, He gives answers. And His answers are not words either. Because His answers also belong to the Real.

[HR: I think I can understand this.]

Then you understand that it is possible to be in constant prayer, without pronouncing a single word.

But now to the other question. Yes, the sensation that somebody is staring at you is a form of communication from soul to soul. You do not perceive words, but you perceive information loaded with positive or negative values. You perceive feelings, intentions, attitudes.

In message transmission, the following happens: You know already that the soul can emit and receive signals. And, as a matter of fact, it does so constantly. However, when we are able to concentrate on the signals we are emitting, and when a mortal tunes in to that signal, we speak of the formation of a channel. It is the principle of "channelling." If the mortal is not tuned in, but we concentrate our signal on him, he also receives the message, but without much clarity. He perceives impulses, desires, etc., and so in this way we can try to exercise our influence on people, although they are not tuned in to us.

The soul's "radar" antenna always covers certain areas. And when this area is our band of frequency, we will be very successful, and negative influences will pass by without effect on the mortal's soul. When the area covered by the radar is the negative sector, the influences of negative spirits will manifest themselves in form of desires and impulses within the mortal. Do you understand this? OK.

[HR: And Divine Love has to do with transmission quality, I suppose.]

Right.

[HR: Does Divine Love work then like optical fibers in comparison with a conventional copper wire?]

Judas (laughing): We are already sounding like a manual for telecommunications, but yes, the comparison is useful. When one of the parties in information transfer does not have optical fibres, the signal will come through distortedly. This is why it is so necessary that the medium always prays for more Divine Love. Besides the obvious benefit for the mortal, it also improves communication with us.

[HR: How is it possible then that mediums without Divine Love communicate with spirits lacking the Love of God, and that the results of these communications seem quite satisfactory?]

We now find something the psychologists call "the lying mind." The information arrives blurred, not very clear, but the medium's mind fills in the holes with their own ideas, they add adornments, etc. This happens when the received information is contrary to the beliefs of the medium or incomprehensible to them.

[HR: Then, in these cases it is not a communication from soul to soul? In one of your messages you told me so.]

This is correct. They are thoughts of the mind, which come from this kind of spirit. But, as in the example of prayer, these thoughts bear a certain influence from the soul, in the case of negative spirits, the negativity of their bad intentions, which arrives in the mortal's soul in form of desires or impulses. And that, always when the mortal is tuned in some way to the spirit. I have already said that each soul has the capacity to filter certain frequencies. But in many cases, they don't do so. They are like ships adrift, lost in an ocean of influences, accepting anything that may come.

But I want you to explain in detail, for those who may read this message, the "lying mind."

[HR: You have in mind the experiment of Freud?]

Yes.

[HR: Freud hypnotized a person, in a room full of furniture, and he suggested to him that the room was completely empty. Then he ordered him to cross the room, heading for the opposite wall. The person obeyed, avoiding all obstacles. When Freud asked, why he had not crossed the room in a straight line, the hypnotized man invented a series of false excuses. He said that he had seen a stain on the floor that seemed very interesting to him, that he wanted to look out of the window, and many other things, in order to justify his behavior. That is to say, even in the presence of reality, his mental condition didn't admit it, and in order to justify his behavior, he invented lies]

Very well, this is what also happens in message transmission. I want to review with you now a few messages that James Padgett received in the beginning of his career as a medium.

In one of the first messages, his wife Helen conveyed him the following:

“The saviour of men. He was with you and I was so glad as I feel that you will now believe that I am in the spirit world and in the Love of God. He is the Lord who came down from Heaven to save men.”

Pay attention to "He is the Lord who came down from Heaven." It sounds like the creed Padgett professed. Padgett, unconsciously, interpolated something, which seemed correct to him. "The Lord" in religious context always is the synonym for God. However, this is certainly not, what Helen transmitted to him.

In another message, very soon afterwards, Jesus said:

“I came to tell you that you are very near the Kingdom, only believe and pray to the Father and you will soon know the truth, and the truth will make you free. You were hard hearted and sinful, but now that you are seeking the light I will come to you and help you, only believe and you will soon see the truth of my teachings. Go not in the way of the wicked for their end is punishment and long suffering. Let your love for God and your fellow man increase.”

Just look, "their end is punishment and long suffering." This is one of the basic doctrines of orthodoxy. Punishment for the wicked ones. But in later messages, Jesus explains that God does not punish.

In the same tone, Helen wrote:

“Yes, and I have seen the spirit of Rector, he is not the spirit that he represents himself to be, he is a wicked spirit who goes about to deceive the mortals on Earth, he is a wicked spirit who has no love for God or man, and he is trying; to lead mankind to believe that he is the Christ, he will be severely punished at the time of reckoning.”

Pay attention to "he will be severely punished at the time of reckoning." Once again, the idea of punishment, and additionally, the idea of the "time of reckoning", that is to say, the Day of Judgment. A concept that later on would change dramatically. Padgett, still without major preparation, asked Jesus: what does it mean to be "born again?"

Jesus answered:

“It is the flowing of the Holy Spirit into the soul of a man and the disappearing of all that tended to keep it in a condition of sin and error.”

Once again, an idea that later on would change. Padgett, at that moment, did not grasp it. He had no idea of what is the Holy Ghost, and confused It with Divine Love. Soon after, he had already grasped the concept:

“Do not be discouraged or cast down for the Holy Spirit will soon fill your heart with the Love of the Father. . . .”

And also the idea of punishment for the evil-doers began to change in shades of meaning:

“The Love of God is reaching out for every man so that the meanest will be the object of His care.”

But at the end of the same message, he relapses one more time into his ingrained way of thinking:

“The world needs a new awakening, and the infidelity and unbelief of men who think themselves wise but who are foolish, as they will ultimately find out, and the material things must not fill their souls much longer or they will suffer more than they can imagine.”

Apart from the distortion in style, this sentence no longer transmits love but threats. If you study James' Padgett messages in chronological order, you will realize how Jesus, step by step, was preparing James Padgett. This not only used to happen during the séances for message receiving, but during all the time. Jesus dedicated much energy to influence Padgett.

The first steps were the most difficult. Jesus did not begin at point zero, that is to say, with a blank and unbiased medium. He had to eradicate deeply ingrained beliefs, and that took time. Eventually, the messages improved notably. Padgett was an extraordinary medium, and of good will. And only so, it was possible to achieve this.

Later on, when there were already people who knew the basic concepts of the Gospel of Divine Love, it was much easier to give new shades and colours to the rough and rigid lines of the original messages. Jesus' message does not change, because it is also part of the Real, but the perception of men changes, and their capacity to understand and to incorporate additional tonalities.

Don't worry, I have not forgotten about the message on faith, or about the messages, because there will be more than one. But today I have overloaded you. We have touched your limits, and I should no longer go ahead. You did not grasp everything; it is only the skeleton of what I wanted to communicate, lacking all the meat, leaving more questions than answered doubts. However, I am content.

I'll see you soon again. So long,

Your brother in the spirit, Judas

Mediumship, and the Value of Messages

Received by H.R. Cuenca, Ecuador.

April 28th, 2002

My dear H___, do not worry. Lately you have spoken a lot in your Latin group on mediumship. You have mentioned that actually each and every one of you is a medium, that is to say, that each one has the possibility of establishing their own personal contact with their respective guide. I know that you do not want to communicate false ideas, and for that reason I will deliver to you this short message.

It is true, all men have the gift of mediumship to some degree. And in many of my messages, I have reiterated that we do not want people to simply accept what mediums receive and publish. We want all men to make an effort to developing their own soul perceptions, and with that, they also develop what you call mediumship. This is an important step to be a "mature or emancipated spirit."

John Mark has told you once

“you cannot acquire that faith by reading messages, not through the Padgett messages, nor through the Urantia book, nor through any other literature. Faith is an interior knowledge, and the messages are only crutches helping you to move along. Those crutches are not the finality, they are only a means.”

I myself have written,

“that it is really about communicating the message, that is, Love, and the messages of themselves are nothing more than crutches along the way.”

And in my last message, I repeated that everybody could put Jesus' message to the test. And that message does not only say that God is offering us His Love and that we can obtain this Love, but also that Divine Love brings faith and enlarges our souls' perceptions. In other words, It permits mortals to communicate with their guides on the highest level.

So you see, messages are like crutches, I would even say that they are like those small baby-walkers, where babies sit in and roll around, pushing them around with their weak legs. And then, when they are stronger, they stand up on their feet, and use the walker to assist with their balance, and for making their first steps. However, when the moment has come, when they feel sure, they no longer want to be in the walker, but rather want to walk freely and without help. They want to explore the world their way.

And so the spiritual development of men must be. In the beginning, the messages will have much importance, because they stir up interest, and they provide certain guidance. But, as we have said, the messages are not the purpose, but only a means, so that mortals may have their own spiritual experiences, transcendent experiences, which convert what they may have read and believed into certain facts. True faith is knowledge and certainty.

This capacity of learning to know one's guide and communicating with him is one of the most wonderful prizes which you may already obtain in this earthly life.

Always remember, to receive messages is not the purpose, it is only one facet of a wide range of spiritual experiences of which the most important, undoubtedly, is to feel the Love that our Heavenly Father has for us. And as you come closer to Him, this experience will be increasingly powerful.

This is all I wanted to say for now.

Your brother in the spirit,
Judas

MESSAGES from the CELESTIAL HEAVENS:

Mary of Magdalene Speaks Again

16 October 2013

Good afternoon dear friends. I am simply open to whoever is to write with me today.

Good afternoon my dear brother. I am Mary who wrote with you yesterday to write further. It is some time since I have communicated in this way and our experience yesterday was enjoyable so continuing feels like the right thing to do.

We are all very pleased to have the opportunity to present information about Divine Love in clear and correct ways. As admirable a book as the Bible is, it has had many misconceptions written into it. Because it is revered as a holy book those who question what it contains are considered to be heretics. This is an unfortunate product of priests teaching ignorant groups in unequivocal ways that stated firm and unvarying 'truths'. This served a purpose which was really to control groups and to have them adopt rigid and unquestioning beliefs. This greatly discouraged any disagreements often on pain of death. The way this was done was very powerful and its lasting effects are quite apparent today. There are many in humanity who demand certainty and will fight to maintain what they believe is certain and call this determination faith.

Nothing in the universe is static and unchanging. It has always been so and will remain so.

Many will ask why there have been no attempts to reignite awareness of Divine Love between the first century and 100 years ago with the presentation of the messages to James Padgett. The truth is that there have been numerous attempts on many occasions over the intervening centuries. Such attempts were always hampered by the prevailing attitudes regarding spirit communication. There was also the difficulty of finding mediums who could be open enough in their own minds to receive and present the information truly without modifying it to conform with current dogma. Perhaps the attempt which came closest to succeeding was with Emmanuel Swedenborg who was shown a lot of information in great depth. He then interpreted it to fit with his concepts that were already deeply ingrained. He learned a lot but not the real truth of what he was offered. It is difficult for humans to step too far from their current beliefs and constraints. This is quite well understood here so we don't attempt to tackle the issue head on as this is fruitless. All of our efforts are directed towards finding an opening into an existing harmony which will receive what we offer with as little distortion as possible. This is not always easy.

From this you can see that the purpose of giving the messages to James Padgett was to allow their gentle spread to allow them to be seen by many knowing that some who read them would involve themselves with these teachings and follow them to the degree that they would produce increasing harmony within themselves. This provides us with opportunities to contact suitable and willing mediums and to 'test the waters' in our search for those who will work with us.

There are now many people around the world who are receiving messages from the Spirit World both from those of us in the Celestial Heavens and from the natural love spheres. There have always been many humans communicating with the natural love spheres as this has always been the known reality whereas the Celestial Heavens have remained somewhat unknown to the world. All that is changing in

wonderful ways. There is a discernible difference between the messages from the natural love and Divine Love spheres and you will recognise this.

There are many of us here who are regarded as being well known to those on Earth because of the historic recounting of parts of our lives. It is always important to keep in mind that the historical figure to whom you think you are relating in your mind is not at all the spirit to whom you are actually communicating. As soon as you exalt us in your own mind you will lose the capacity to communicate accurately and completely with us as all of your preconceptions will come into play. Our desire is to get rid of all of those limitations and to develop open and friendly relationships with you that are free of distortions.

I lived an ordinary life with certain dramas which have been reported and magnified and also minimised. These were material in the development of the personality with which I passed into the Spirit World. Elements of this personality still exist of course but I am what has grown from all of that was my beginning to be to what I am now. I have no concept of myself as being exalted or superior and this is one of the most important things that I wish to tell you in the hope that you will take it to heart and make it totally real for you. If you can do this as a scribe, then you will make it easier for all who read what we write to do this as well.

Do you imagine that as I lived my life all those years ago that I had any sense that I would be spoken about thousands of years in the future? I lived my life as you live yours doing what was necessary to survive and to find happiness and meaning when and where I could. My association with Jesus was vitally important to me. Those of us who were close about him also felt strongly that what he had to say was true and of vital importance to all with whom we could share it. We had no sense or anticipation that what we were doing would be the beginning of something that would literally transform humanity. If there was any feeling of this, Jesus would have been the only one of who could even begin to conceive it let alone understand what it might mean.

Our focus could be considered to be rather narrow initially as we did all that we could to learn from him and to support him in the difficult times that were arising. You may be sure that most of us wished many times that he would be more circumspect and take fewer risks as he worked to spread the message that he knew. He was the only one who truly knew what it was that he had been given and even to him it had a degree of mystery. When he died we were full of regrets and deep sorrow as we had lost a much loved friend. We had our anger and our grief as well as our thanks that we had known him for as long as we did. In all of this we were much the same as any of you who have had someone die whom you loved dearly. We were living our days and not the history or our anticipation of what would follow. To us it was life and as ordinary or as remarkable as your own. Remember this and revalue your own lives as you literally have no idea at all where they may lead. Remember and continue to live your lives today as fully as you can. You can do no more than this.

This is the problem when lives that have been lived have become mythologised and presented in new ways. Our sense of our lives of that time was that we were living in the best way that we could. Much that we did after Jesus' death was driven by a need to survive in the face of hostility. Were you to be there at that time much that happened would have seemed to you like a storm in a teacup if you were not directly involved with our group. People often have the impression that the whole society of that time was in total upheaval when this was not the case at all. Even brief reflection will tell you that this is so.

The greatest tree that you have ever seen began its life in a most undramatic growth from a fertile seed and then grew slowly to gradually reach its present size without drama. So it was with our time and the sequelae. We were present at the time of the sowing of the seed. The great dramas of Jesus life and death were very personal dramas for the few people who were immediately and closely involved and possible like seven day wonders for most of the rest of the population.

When you contact any of us remember us in that light. We did not live our lives as great and noted luminaries. We lived as you and the people you know do with our petty problems and issues, our personal disagreements and our loves and disappointments. Do you ever consider that what you do today will be considered remarkable in the centuries to come? You simply don't know what will happen in the future. Apart from saying that all will change in many ways I will not say what will happen in the future for you or for the rest of humanity. In truth, none of the future is really your concern. Your prime concern is in what you do today and that you do it as truly as you can. No more is asked or expected of you. How could it be?

I am not asking you to degrade us in your eyes but do suggest that you always regard us as totally approachable beings who will always love and value the interaction between us. You are curious about our lives and this is quite understandable and we will tell you of this as much as you can accept and attempt to understand. None of that is really important to you other than that you know that is where you are directed and that you will discover the truth of it as it will exist for you. Also know that there are friends galore who await you and will greet you with open arms. My desire is that you set aside any ideas of separation from us and any thoughts that we are too exalted to desire to have close and loving relationships with all of you. To imagine this would be a great discredit to us. We are simply what you will become – no more, no less. The potential that we have developed is no more than your own which you are in the process of developing. In your thinking and attitudes take steps to move towards us freely and openly knowing that you will be received warmly and never rejected. Hold God the Father in awe but not us. When you elevate us in your minds to a state far above your own you build bridges that are difficult for all of us to cross.

I am speaking to you in this way because I felt your reticence in our contact yesterday and I particularly wanted to address this. If you hold such a feeling towards me you will carry this to others who wish to speak with you. The Master, Jesus does desire to speak with you and I wish you to be as open as possible to His communication as does he.

This is a wonderful opportunity for me to address this issue with you and with all who will read this. We are your loving sisters and brothers who are a little further along our paths. That is all and we wish you to share our sense of the family to which we all belong.

I ask you to be very aware of the quite different feeling that you have today with our connection which has been much easier for both of us. I have been able to move much closer to you. Do you feel this?

When we are able to move closer to you and to make a connection with your spirit body it is easier for you to receive our message with greater clarity. This reduces the possible interference that can occur and which can confuse you and the message. The difference is something akin to being alone with a good friend versus being present in a noisy group where it is difficult to isolate the conversation you desire to hear.

We have spoken and written well. I was present at the conversation with your friends and heard their greetings which I accept with gratitude. I return my greetings to all of those with whom you are associated. I assure that you are all known to us and all are held in high regard and blessings are showered on all that you do. I send you thanks from us in our place of dwelling and assure of our constant presence and desire to assist you in your endeavours.

I leave you with my love and prayers for your continued welfare.
I am Mary known as Mary Magdalene.

Why James Padgett and why he was Continually Prompted to Ask for the Love:

Becoming a medium is not mysterious, nor is it a call to a higher realm as some may suppose it to be. All that is required is that a person express a desire to do it, to be a vessel willing to sit and take words down on paper or through a computer keyboard. Of course, there must be first a prayer life behind this desire. Being consistent in your prayers then this will not be an issue with you. For others, they need constant encouragement to pray, just as we did with James Padgett. He was an excellent medium, and did have certain qualities within his makeup to be an excellent medium, but yet even he required constant prodding to be more in prayer.
Martin Luther 3 March 2014

Now, let's first clarify what sin is. Sin is only a word to indicate that certain actions or thoughts are not in tune with your soul knowledge – with the laws of Love. People tend to put a lot of negative energy on the meaning of the word, but they shouldn't. Sins can only be manifested or created by the mind and have nothing to do with the soul. The soul – as an image of the father – is not capable of creating anything out of tune with the laws of Love. Sins are nothing more than 'mind flaws' that exist in different levels. They are portrayed in everyday life in the way we think, speak and act.

Even if someone has received a big amount of Divine Love in their soul, the mind keeps on existing. And although the Divine Love will silence the mind for a while – depending upon the amount of love you receive – the mind will come to the forefront again. That is why we need to pray as much as we can, as frequently as we can, so the Love will silence the mind and eradicate all flaws from it.

99% of all people living on Earth will be soaked in the flaws of their parents, siblings, teachers, leaders, cultures, etc. That is also the reason why we aren't flaw free; but you don't need to be. In fact, it is a 'good' thing because it will help you with your own calling. It will help you to understand what people are going through. It will help you explain these processes to them because you will receive the insight firsthand from the processes you have to go through yourself.

Most people do not want to look at their own flaws. They think they need to be perfect examples of the Love; that Divine Love does not leave room for flaws once they received a portion of it. Well, they are flawed! [Laughs] Because flaws will exist until people reach the level of flawlessness. And it is the recognition (not the denial) of one's own flaws that will lead to their eradication; whether the eradication comes through the use of the natural love or the Divine Love is of no importance – although we Divine Love connoisseurs know which path will be swifter.
John Apostle 28 November 2014

James Padgett had in him that which enables him to receive the impression of the spirits, James was a blessed man as his soul was in unionism with the spirit world. Mary Kennedy 26 April 1915

It could be said that James could move through all the frequencies of both the Spirit World and the Celestial Heavens and in this way connect / tune in to any spirit person who so wished to connect with James. We are all transmitters and receivers, however, James was gifted with all channels being open to him.

CHARACTERISTICS of AUTHENTIC TEACHINGS and GUIDANCE:

At all times, teachings and guidance from Celestial Spirit personalities are loving. From those who reside within the Celestial Heavens, one will only receive loving assistance. As one progresses in their soul condition development, all vestiges of fear dissolve and fade away. Upon reaching the Celestial Heavens one no longer has any fear within their personality and being, thus only love can and is conveyed.

Even though the teachings of Divine Love commenced being written from 31 May 1914 and continue today, even though some 1,000 personalities have contributed to these writings spanning more than 100 years, even though subjects that commenced to be addressed in 1914 and may not have been completed even some 80 years later, there are no contradictions within the guidance and teachings.

At no time do any of the writings instruct one on how to run their lives. No being who has entered into Oneness with God (entered the Celestial Heavens) can ever criticise or judge because these qualities are not possible for Our Creator.

For a medium to receive high level spirit guidance from Celestial Spirits, such medium is to be open to and receiving Divine Love. James Padgett who commenced the receiving of Divine Love teachings was encouraged to ask for, long for, and pray for the Divine Love for some time before high level spiritual writings commenced to be received by him. All of the on-following mediums had been embracing Divine Love before they commenced receiving teachings pertaining to Divine Love.

Natural love is the substance that one's soul is the essence of, perfecting one's natural love fits one to enter the 6th natural love sphere. It is the infusion of Divine Love, with Feeling Healing, that enables one's soul condition to progress further to the Celestial Heavens, commencing at the 8th sphere. Without Divine Love, and Feeling Healing, one's soul is not immortal and is also unable to enter the Celestial Heavens.

The style of writing founded on Divine Love, as distinct from natural love, is clearly of a different flavour and nature. Thus, one can discern between the two easily. Further, even though the material content of the writings is distinctly new, one generally feels drawn to the contents and embraces the freedom of the new found knowledge with comfort and joy.

Automatic writing is the most reliable way for a Celestial Personality to convey high level teachings. In this way the spirit personality takes control of the medium's brain and hand and writes the messages themselves. In this way they can also correct errors in transmission, should they occur. James Padgett received some 19,000 pages of automatic writings.

Finally, one can determine the level of truth of any writings by utilising kinesiology muscle testing in conjunction with Dr David R Hawkins' Map of Consciousness. Materials that are in some degree of truth will calibrate over 200 on the Map of Consciousness scale. The highest that a truth based on natural love can calibrate is 1,000, which is also the highest level within the 6th natural love sphere. Divine Love teachings typically calibrate well over 1,000. Enjoy the greatest gift to humanity, the knowledge of the availability of Feeling Healing process with Divine Love.

EVENTS BRINGING ON the GREAT U-TURN:

Nearly 1,000,000 years ago lived the first humans to have a longing for their Heavenly Mother and Father, they were Andon and Fonta, now called Aman and Amon. They are our first parents of humanity on planet Earth.

About 700,000 years ago, spiritual oversight of Earth came under the domain of the soulmate pair Lucifer, and through their guidance the system (being 1,000 inhabitable worlds in which includes Earth) was assisted by the soulmate pair Satan, both being from the local universe of Nebadon and being Lanonandeks. Progressively, Lucifer became disenchanted with the leadership of Nebadon being the Creator Son and Daughter from Paradise, namely Mary and Jesus. Lucifer with the aid of Satan seduced 37 humanities throughout the system known as Satania to rebel. These humanities adopted the point of view that through their minds they could evolve to have god like capabilities. The males being less sensitive to their feelings suppressed the women so as to maintain this insanity.

2,000 years ago Mary and Jesus came to Earth to complete their ascendancy to full regency of all of Nebadon. At the commencement of Jesus' public ministry in about 26 CE he was then able to have the Lucifer and Satan soulmate pairs placed into a spirit prison world where they remain. Jesus and Mary did not come here for Earth's humanity, they came here for the benefit of all of the humanities of Nebadon by introducing Divine Love throughout their local universe.

As a consequence of the Rebellion and Default, humanity of Earth has been quarantined from all other humanities. The seven spirit Mansion Worlds 1, 2, 3, 4, 5, 6 and 7 are populated exclusively by Earth's humanity entering spirit life. Generally, spirits from various humanities share the same worlds. For example, the system that Earth is within consists of 1,000 inhabitable worlds of which 619 are inhabited with Earth being number 606 – one of the youngest. When we progress from the spirit Mansion Worlds and enter the Celestial Heavens, the three Celestial Heaven spirit worlds are shared by all humanities from our system called Satania. We are quarantined, we are off limits until we complete our healing and that will take all of this coming spiritual age of 1,000 years. Hence there are no star wars! Further, humanity of Earth is the only humanity that considers war to be 'socially acceptable'.

Since the life of Mary and Jesus on Earth, the entry and progression through the spirit healing Mansion Worlds – Divine Love worlds – commenced with five women that Mary tutored during her life on Earth. These ladies were the first to enter the Celestial Heavens. They have just recently progressed beyond

the Celestial Heavens. As personalities in the natural love mind Mansion Worlds 1, 2, 4 and 6 commenced their Feeling Healing, they immediately left those worlds and entered Divine Love healing world 3. Thus the understanding of feeling healing has always been very slow to take hold – there being no one in the natural love mind Mansion Worlds to share the awareness.

The populations in mind Mansion Worlds 1 and 2 exceed 200 billion, they are crammed to the rafters. However the numbers have slowly built up in the Celestial Heavens so that the Great U-Turn can now be managed. The structure and systems throughout all of the mind Mansion Worlds is now changing so that within all of the worlds Feeling Healing can be readily introduced and facilitated. All of these system changes have been slow to introduce due to the imposts of the Universal Contract governing the Rebellion and Default. Until the Avonal bestowal pair presently on Earth progressed far enough with their healings then the conditions of the Rebellion and Default had to remain in place. They have now been lifted – as of 31 January 2018. The Rebellion and Default is now ended.

200 years ago, the planning and implementation of the Great U-Turn commenced in earnest, lead by the Melchizedeks with guidance from higher ups.

100 years ago, Jesus and about 250 Celestials came and wrote through James Padgett and re-introduced the availability of Divine Love (writings from 31 May 1914 through to 1923).

Then from 2002 through to 2014, Mary and Jesus have written through James Moncrief and Feeling Healing has been revealed, and in conjunction with Divine Love we have [Soul Healing](#). Jesus has only ever written through James Padgett and James Moncrief whereas Mary Magdalene has only written through James Moncrief.

Auxiliary writings supporting the above have been through Dr Daniel Samuels, Hans Radax, James Reid, Nicholas Arnold and Joseph Babinsky. Of significant importance is The Urantia Book being more of road map and history book. Added to this are the Pascas Papers.

As part of the transition from the Rebellion and Default to the new spiritual age, one pair is to complete their feeling healing with an independent personality to follow with her healing and, in addition, someone had to comprehend what this is all about intellectually. All these requirements are now being fulfilled.

Yes, we have a second bestowal pair from Paradise here with us. As they are to specifically show us how to heal ourselves of the Rebellion of 200,000 years ago and the Default of Adam and Eve of 38,000 years ago, the records of this event are to be assembled and distributed throughout all of the communities on Earth as well as the mind spirit Mansion Worlds. As the Avonal Pair have progressed with their healing, they have passed benchmarks. The first in the early 1990s enabled the imprisonment of the deputies of Satan, the Caligastia and Daligastia soulmate pairs – also being Lanonandeks. As from the 22 March 2017 progressively all negative spirit influence from the spirit mind Mansion Worlds has been blocked from humanity on Earth.

During the year of 2019, it is anticipated that the full potential of what the Great U-Turn will commence and this will be conveyed to all of humanity on Earth and of Earth. This is the greatest event in the entire history of humanity on Earth.

PARADISE TRINITY:

1. **Our MOTHER and FATHER (God)** (MF) – **Divine Love**
SOUL (God) – One SOUL that is expressing its two PERSONALITIES, our Heavenly Mother and Heavenly Father (Soulmates)
2. **ETERNAL SON** (ES) – **Divine Truth**
3. **INFINITE DAUGHTER** (ID) – **Divine Mind**

Then: The Second and Third Persons of the Paradise Trinity (ES and ID) are stepped down to the local universe trinity (Mary and Jesus, Divine Minister (DM), and her Holy Spirit.

The LOCAL UNIVERSE TRINITY:

1. **MARY M and JESUS** (MF) – **Love**
– the **Living Truth**
2. **DIVINE MINISTER** (DM) – **Mind** (and her Holy Spirit)
3. **HUMANITY** – Natural love, sons and Daughters – **Truth**, and our Angels – **Mind**

PLANETS that engage in REBELLION:

1. **AVONAL SOULMATE PAIR** – the **Feeling Healing process** – incarnate
2. **DAYNAL – TEACHER PAIRS** – they do not incarnate

So in summary:

Consider a diamond:

Mother and Father Heavenly Parents

Creator Son & Daughter
Jesus and Mary

Avonals
as soulmate pairs

Trinity Teachers
as soulmate pairs

Melchizedeks – who have taken over from the Caligastians and Daligastians being also all as soulmate pairs.

Mortal Souls – human beings who individualise on Earth, then progress through the spirit Mansion Worlds, then into the Celestial Heavens, and beyond.

Mortal Souls – also being ascending spirits, upon completing their Soul Healing, join with their soulmate, then join their soul group of 24 mortal spirits, being 12 soul pairs. It is only as a soulgroup that anyone can progress beyond Nebadon.

The Paradise Pairs are all ONLY concerned with the SPIRITUAL wellbeing and upliftment of the planets and local universe. Currently to do with Earth:

Mary and Jesus – spiritual wellbeing and upliftment of the whole of Nebadon region.

Avonal Pair – Daynal pairs (Trinity Teacher Daughters and Sons) – Spiritual wellbeing and upliftment of individual planets and their associated Mansion Worlds.

The Local universal Sons and Daughters are all about the running of the worlds under their jurisdiction, and ensuring the higher spiritual elements can be employed, or sent astray, as in our cases through the Rebellion and Default.

Lanonandeks – Melchizedeks (and others, such as Life Carriers and Eve and Adam).

As the Lanonandeks all rebelled – the Lucifers, Satans, Caligastias and Daligastias soulmate pairs – so the Melchizedeks have taken over their roles, as well as doing their own.

So the Melchizedeks are the governors, overseers, the administrators and advisors and so on for Earth; they are the ‘controllers’, and they will instigate all that needs to be done to do with the ending of the Rebellion and Default. And they will enlist the willing help of ascending mortal pairs, so the mortal Celestials spirits (soulmates when available, and others waiting to unite with their partner), and at times mortal spirits in the Divine Love Healing Mansion Worlds. And the angels help all of us.

Currently the whole of Creation exists for the ascension of mortal souls from their earth planets to Paradise. It’s all one vast Grand Ascension Scheme. With all the higher and lower spiritual Daughters and Sons, together with all the many different angels and other universal spirit personalities, and even including nature and our very own pets, assisting women and men with their Ascension Journey. It being: and Ascension of Truth. Everything we do is done to help us grow in truth. (Only everything we do in our negative state is to deny ourselves our truth from our feelings, which is why we have to do our Healing.) All women and men are ascending (or growing) in truth through their experiences. And as we grow in truth by looking to our feelings to show us that truth, so we’re ascending, moving inwards and upwards through all the worlds and spheres of the Grand Universe to one day arrive on Paradise and meet our Heavenly Parents. God is providing us, Their children, with this spiritual journey called our Ascension of Truth. And by living true to our feelings, so we are progressing on our true Spiritual Path – our Ascension Path.

CREATION of SOUL and SPIRIT:

God is *The Paradise Trinity* — the eternal Deity union of the Personalities: the Universal Mother and Father; the Eternal Son of Truth; and the Infinite Daughter Spirit of Mind.

The soul of each human personality (sons and daughters of truth) is existential, driving our personality expression in the experiential. The soul of each human finds truth by embracing one’s feelings and longing for the truth of them. We are to attain the Eternal Son of Truth. We are a creation of Truth.

The soul of angels is experiential, evolving through their experience by continually progressing in mind development. Angels are to attain the Infinite Daughter (Spirit) of Mind. Angels are a creation of Mind. Our soul is duplex (we have a soulmate) and is created by our Heavenly Parents. Through our Feeling Healing we perfect ourselves enabling the union with our soulmate, as we progress in truth up through the Mansion Worlds, celestial heavens and all the way to Paradise.

The soul of angels is also duplex, yet of the mind, and they progress in mind evolution to Paradise. Animals, plants and nature spirits are also creations of Mind.

Neither we nor animals reincarnate. We never die; upon death, we move into the spirit Mansion Worlds on our journey to Paradise. When animals and plants die, be they the tiny microbe to the mighty elephants of the land and the whales of the ocean, their spirit energy returns to the Spirit Collective

Energy. And from this energy are drawn other animals and the nature spirits, who then in turn move onto becoming angels through increasing mind experience.

A nature spirit is an angel in waiting.

WE EACH have a Nature Spirit pair, Spirit Guide pair and an Angelic Pair:

For those doing their Healing or are interested in doing it will from that time have their own personal angels, spirit guides and nature spirits with them, with whom they are to develop their own relationships should they want to. It is not about 'sharing' the same angels or guides or nature spirits, it is about you relating specifically to your 'own' ones because they are provided for YOU. It's all for you, to maximise the experiences we each need.

We are all to have our own pure relationships. And it's the same of course in life with your friends, however over there, in spirit, dealing with Nature Spirits, Spirit Guides, and Angels, it's more personal and private and 'JUST FOR YOU'. So we have our own separate, unique relationships.

For example, Nature Spirit Verna has been assigned to be specifically and only with James, and she ain't going to be assigned to anyone else, so she won't be sharing herself around.

This is SO IMPORTANT to understand so that in future there won't be all these people claiming to be speaking with Verna or Mary Magdalene or Jesus or Nanna Beth or anyone else who is part of it all in such capacity. Mary M and Jesus have spoken with James as they have, making it quite clear he is all they are speaking with.

We each have a band of a Nature Spirit pair, Spirit Guide pair, and an Angelic pair, each pair being in their 'soulmate' relationship. Even though we are ascending mortals having a soulmate, even our soulmate has his or her own group of six personalities assisting him or her. Our assigned Nature Spirits do not continue with us into spirit, our Spirit Guides may for a time assist upon entry to the spirit Mansion Worlds, however, our personal Angelic pair continues with us to Paradise, and then even possibly being with us throughout eternity.

Feelings first

OUR GUIDANCE to PARADISE, the home of our HEAVENLY PARENTS:

There are three distinct phases of our progression to the home of our Heavenly Parents which is Paradise that is within the circle of seven Super Universes, each containing many Local Universes.

Once we progress beyond our Local Universe of Nebadon, then we are assisted and guided by our Heavenly Parents, our true Mother and Father all the way home to Paradise.

Before then, once we have completed our soul healing, we are guided through the Celestial Heaven worlds which are those that interact with humanity on Earth, then further on into and then out through Nebadon, our Local Universe. The regents of Nebadon are Mary and Jesus.

However, before then, we are to embrace our healing. That is, we are to realise who we truly are. We are not the personalities that our parents imposed upon us. We are to put aside our childhood suppression and repression and free our true personality that our Heavenly Parents gave us, and to do this we are now able to embrace the guidance of the Avonal Pair who will lead us through our healing here on Earth and through the spirit Mansion Worlds to be able to enter the Celestial Heavens.

WE ALL ARE BEING GUIDED HOME:

We need the Spirits of Truth of the Avonal Pair to Heal ourselves; then once Healed, (and for support (overshadowing) as well through your Healing), we need the Creator Pair, Mary Magdalene and Jesus’ Spirits of Truth to see us through the Celestial spheres, while at all times embracing our Heavenly Mother and Father.

Until Mary and Jesus died and liberated their Spirits of Truth, no one from any of the worlds could leave Nebadon, because no one knew the way to do so. Nebadon is our local universe containing some 3.8 million inhabited physical worlds and their associated spirit worlds.

When we embrace the truths Mary and Jesus are revealing, and start to do our Feeling Healing, or with Divine Love, Soul Healing, we are then freeing ourselves up from our parental and self control.

Thus our journey to Paradise, to the home of our Heavenly Parents, is of our choosing as to when we progress, however, there is only one way:

HUM: Humanity is to ascend. We are self contained. Our soul is always in truth and perfect at all times. **By living true to ourself, true to our feelings, we are living true to God. It’s that simple.**

We are to recognise that being engaged and dominated by our mind is the wrong way for us to evolve and grow in truth. We are to discard the mind enslavement that has been imposed upon as by all of our parents. We are to express our feelings, both good and bad and free ourselves of the indoctrination that humanity has embraced worldwide.

Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God’s soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of our Mother and Father.

AVO: We are to embrace the truths and guidance of the Avonal Pair through their Spirits of Truth. It is the Avonal Pair’s guidance that will lead us through our Feeling Healing, and with Divine Love, we will be able to ascend through the 7 spirit Mansion Worlds and enter the Celestial Heavens where we also interact with other world’s spirits.

J&M: We are also to embrace the truths and guidance of the Paradise Pair, Mary and Jesus, who will then lead us through the 3 Celestial Heavens that are aligned with Earth, and then further on through Nebadon where we will then depart beyond on towards Paradise.

M&F: Beyond the universal zone of Nebadon, we will be guided by our Heavenly Mother and Father onwards through the universes to Paradise where we will be welcomed by them, home for us all, as we are all Children of God.

J&M

AVO

HUM

WE ARE Children of God

WE ALL ARE BEING GUIDED HOME – NOW, HOW TO COMMENCE THE JOURNEY:

GOD

M&F

For 200,000 years, we have been misled into embracing our mind's distortion of wisdom and truth. All such traditional understandings only lead us in the wrong direction, from which we must turn back from. Our soul based feelings are always in truth. Our minds are to follow our soul based truths and feelings, not the other way round, as we have been brought up to embrace.

We are to connect with our deeper repressed feelings.
We are to long for the truth of what we are feeling.
We are to live true to our selves; by living true to our feelings.

Use your surface day-to-day feelings to connect with your deeper repressed feelings. Express your surface feelings and your deeper repressed feelings to uncover the truth of yourself.

J&M

We all have feelings which we communicate and share with each other. And we all have deeper buried and hidden repressed feelings. Feelings from our early childhood we felt, yet weren't allowed to express. These feelings are still within us, waiting to have their say. These feelings, because they are repressed, cause us all our problems.

And as we look to uncover, bring out and accept these deeper feelings, so we're taken into new ways of looking at ourselves, our feelings, and our life. We're setting ourselves free of the controlling patterns that govern our unloving behaviour.

In this way, we progressively begin to express the personality that our Heavenly Mother and Father gave us, not the one imposed upon us by our physical parents and carers. We are to be our true and real selves.

By living true to ourself, true to our feelings, we are living true to God. It's that simple.

AVO

HUM

As we, humanity, long for the truth of our feelings, we can also be assisted by the Spirits of Truth of the Avonal Pair who are our spiritual teachers for Earth over this coming 1,000 years, to assist us through the Great U-Turn, away from mind dominance to being soul based feeling lead. They will assist us through the seven levels of the spirit Mansion Worlds.

Then the Creator Pair, Jesus and Mary, will lead us through Nebadon and into the greater universe. Then our Heavenly Mother and Father lead us home to Paradise.

Collectively, should we embrace them all, as we are to, then our pathway home is a journey in the hands of the Spirits of Truth of the Avonal and Paradise Pairs overseen by our Heavenly Parents.

WE ARE Children of God

HOW TO GET TO PARADISE:**Long for the Divine Love****Long for the Truth****Long for the truth of your feelings****Don't deny any feelings: accept, express and want to know the truth of them****Know your feelings are the key; your feelings are the Way****Want to end your falseness and being untrue****Want to understand the truth of your early life****Use your surface feelings to move deeper into yourself, bringing up your repressed feelings****Want and long to know the whole truth of yourself****Want to do it all with God, your Heavenly Mother and Father – long to Them for help.****The Key**

Our longing drives our life. We long with feelings. We can wish for things using our mind, yet long for things with our heart. These things in the pyramid are what to long for. Longing for them, when the longing comes naturally. Longing because you feel you really want them. Long to be true with all your heart. Long to live true to your feelings. Long to understand the whole truth of yourself.

JOURNEY of HUMANITY into and through the GREAT U-TURN:

Humanity reaching its most evilness, the most lost, the most separation of soulmates. Humanity can begin its Healing. The Great U-Turn begins, the dawning of the Spiritual Age.

Humanity increasing its self- and feeling- denial, its denial of truth. Soulmates getting further apart. Rebellion then Default

Present Day

The true Healing of humanity. Humanity Healing itself by doing its Feeling-Healing and Soul-Healing with Divine Love. Soulmates getting closer together as people express all their feelings more truly.

The Great U-Turn will bring about the Ages of Light and Life.

First soulmate pair – Andon and Fonta

The last humans, the last soulmate pair on Earth.

Lucifer & Satan

Adam & Eve

Rebellion leaders are now removed

Jurisdiction of humanity and spirit worlds is now with Celestial Spirits.

This is the Great U-Turn. We are to feel and live by our feelings and express our feelings, our mind will follow in support, not the other way around.

Feelings First, you can be sure about that! **Once women get that message and start living it, then the tide will really change**, with men either deciding to support them by looking to their own feelings or being left on the outer wondering what the fuss is all about.

The feminine light is going to sweep through humanity and purge it of all the yuk and darkness, helping to bring the whole of humanity back into a nurturing loving mother state of being, from which the supportive, caring father can support her and together they can make the world great again, they can bring humanity up into its natural love perfection whilst at the same time offer those people who want to spiritually grow the truths of how to embrace the Divine Love and move on to the Celestial level.

By living true to ourself, true to our feelings, we are living true to God. It's that simple.

FEELING HEALING and SOUL HEALING with the DIVINE LOVE:**James Moncrief Publications:****all publications are free downloads:**<http://divinelovesp.weebly.com/my-free-books-and-free-padgett-messages.html>

It is suggested for one to consider reading as follows:

Speaking with Mary Magdalene and Jesus – books 1 – 4

These four books encapsulate the second of the revelations with the first having been introduced by James Padgett one hundred years previously. These four books provide a wide range of guidance that has never previously been made available.

Paul – City of Light

As a gentle intro into the Divine Love and Healing; being James Moncrief's first novel and it's been criticised as being too heavily clichéd, but that's the point because it's a reflection of how he was back then.

Ann and Terry

For an example of people who might want to immediately start working on themselves and doing their Healing.

Feeling Bad? Bad Feelings are GOOD

For more understanding about our denial of our feelings and why we should not deny our feelings, and it includes how it all came about for James, using himself as an example.

Feeling bad will make you feel BETTER – Eventually!

This includes specific examples of Marion and James working on expressing particular bad feelings, again with the hope that it will help others gain something of an idea as to what's involved in doing your Feeling Healing.

Sage – and the Healing Angels of Light

Through Sage who's 13 years old, the story is primarily about the two aspects of healing; that being, with the help of our angels, and the full Healing we can do by looking to our feelings for their truth.

Feeling Healing**

**Welcome to LOVE – the Religion of Feelings
you can heal yourself through your feelings**

So these books, including the four Speaking with Mary Magdalene and Jesus books, provide the essence of it all and are examples of James' work. Then it's up to whatever takes one's fancy. Other reading to consider may include:

The Padgett Messages being published as:**The True Gospel Revealed Anew by Jesus volumes 1 – 4****Book of Truths by Joseph Babinsky****The Urantia Book**

Release one's pain through expressing one's feelings.

in conjunction with

Longing for the Truth when also longing for Divine Love.

FEELING HEALING with DIVINE LOVE is SOUL HEALING:

A collection of 'papers' that draw together specific topics including all of the above and more from other sources of information and revelation designed to help increase one's awareness about why we have the problems we do and how to heal them, all whilst living a more healthy and sustainable life. They provide a brief snapshot of the more complicated topics and issues.

Firstly, consider discovering the truth of your emotional pain through Feeling Healing.

Secondly, consider longing for our Heavenly Parents' Love as you progress with your healing.

Primary and most important readings are the writings of James Moncrief.

Then consider the Padgett Messages, and then The Urantia Book.
