PASCAS INTRODUCTION:

Documents assembled by Pascas are provided for your individual assessment and exploration. The contents are sourced from a variety of avenues and publications. Every endeavour is made to determine that the contents are of the highest level of truth and veracity. At all times we ask that you go within yourself, to ascertain for yourself, how the contents resonate with you.

Pascas provides these notes and observations to assist us all in the development and growth of our own pathways and consciousness. Pascas does not hold these contents as dogma. Pascas is about looking within oneself. Much of what we are observing is new to us readers and thus, we consider that you will take on board that which resonates with you, investigate further those items of interest, and discard that which does not feel appropriate to you.

Kinesiological muscle testing, as developed by Dr David R Hawkins and quantified by his Map of Consciousness (MOC) table, has been used to ascertain the possible level of truth of documents. Such tested calibration levels appear within the document. We ask that you consider testing same for yourself. The technique and process is outlined within Pascas documents, such as Pascas Care – Energy Level of Food. From each person’s perspective, results may vary somewhat. The calibration is offered as a guide only and just another tool to assist in considering the possibilities. As a contrast, consider using this technique to test the level of truth of your local daily newspaper.

Contents are not to be interpreted as an independent guide to self-healing. The information sourced herein is not from a doctor or doctors, and any information provided in this document should not be in lieu of consultation with your physician, doctor, or other health care professional. Pascas, nor anyone associated with this document, does not assume any responsibility whatsoever for the results of any application or use of any process, technique, compound or potion as described within this document.

The sources of contents are noted throughout the document. In doing so, we acknowledge the importance of these sources and encourage our readers to consider further these sources. Should we have infringed upon a copyright pertaining to content, graphics and or pictures, we apologise. In such cases, we will endeavour to make the appropriate notations within the documents that we have assembled as a service via our not for profit arm, to our interested community.

We offer all contents in love and with the fullness of grace, which is intended to flow to readers who join us upon this fascinating journey throughout this incredible changing era we are all experiencing.

The RICHARD MESSAGES:

Extracts: Celestial Spirit Richard 15 February 2013
via James Reid www.lulu.com

Desire is a very potent force and very accurate in the results of its application. By that I mean that the clearer your desire and the purer its nature the clearer and purer the results. Everything is drawn to you by desire whether this desire is realised or not and not all of what is drawn is enjoyed. This brief paragraph leads into a labyrinth of immeasurable length and depth full of wonder and discovery. It is the labyrinth of desire. Desire is the motive force of the Law of Attraction.

Initially it is productive to work backwards from what comes to you to wonder about what desires might underlie this event. When doing this it is desirable to be very accepting of the event that has occurred if it happens to be not what you would have preferred. Any judgment you make of yourself or others regarding this event will immediately obscure your assessment of the possible desires that preceded it. Accept that the event is the result of your desire and that is OK. It is often said by so-called teachers that the events of life are to teach you and this is taking the bull by the horns to some degree. Undoubtedly you may and must learn from the events of your life but that is not their purpose. They are, purely and simply, the product of your desires. What you do with them is entirely up to you and your desires. There is no end to the creation of events and no end to the possibilities so created. They provide possibility for learning but what does not?

You may easily find evidence of the development of desire as this is a process taught and used extensively in your world in order to produce certain defined results such as wealth and material achievement. Most people are not functioning in such a focussed way and most don't have a spiritual focus to their desires. I am not here advising the application of desire in such ways. I am advising the study of desire itself with desire the subject of the study and the purification of it the desired result.

This is a challenging task and one that will be ongoing. Approach it with a sense of wonder and the knowledge that you don't know what you will find. If you begin with any other assumption you may well step off the path. Desire, this most wonderful of creative forces is a glorious mystery which most people have barely touched and very few indeed are able to use as it is intended. It is not intended to be something that is applied as a mantra or stated goal that is used to overcome resistance mental or emotional. It is a part of the wonderful harmony that comes with the blending with all of life. It is designed to be a simple, glorious, flowing current that almost seems to take you with it so beautifully that you lose the sense that you are directing it and become part of all. I am here caught up in the feeling of my normal life and attempting to put it into words for you. I know that you are feeling a smidgin of my feelings now.

As always, remember that you will never be alone in this endeavour as we are always with you and we do whisper (or shout at times) in your ear. Your first step is the development of your desire to discover about desire. This is not a circular definition despite any suggestion of that.

Desire is a simple and totally natural part of the gifts of Our Mother and Father to all of us. We use it without thought and receive little training in anything but the repression of desire and the modification of it in order to suit the desires of another. It is no wonder at all that it is so misunderstood. Desire; It is the handmaiden of Free Will.

I will speak no more of this at present in order to allow you to let the effects of our talk enter you and move within you. A gentle approach is advised as in most things. Love your desire. Accept that your desires are often confused but never absent. Have fun and allow yourself to be amused at the products of your desire when appropriate. You will then find the fun in being.

Joy is often present but subsumed by other feelings.

Pay heed to the joy that lurks within you and give it more freedom. Joy is an emotion of love and as you open to your own joy you also open to our love which is given aplenty. True love is an open door. Pay heed to the satisfaction that you feel during and after our sessions. What you feel as satisfaction has joy as its core surprisingly.

As you open this door you will feel much pleasure in the actions of others.

We are offering you a broad avenue of the most beautiful trees along which to walk totally free of duty where you will grow and succeed simply by being. Is that an attractive proposition? You will even have all the company you desire when you desire and to the degree that you desire.

Everything I say is to you and to everyone who reads or hears these words. The link or connection is there. As with every gift of Our Father these gifts are free to all and need only acceptance to make them yours. The Truth is as simple as that. Our Father did not create the complications. Despite any apparent complexity in anything that I have said earlier in this writing, the secret of the search for truth of anything is simplicity. The Truth is usually blindingly obvious despite your believing it to be well hidden.

Feel into what I said about the amount we have achieved.

Go with my love of all of us. Hear our calls to you. You are blessed by Our Father.

Your brother and dear friend – Richard.

INTENTION:

Human intention can strongly influence the physics of this duplex space, our physical well being, says Dr William A Tiller.

Human acupuncture meridian / chakra system exists at a higher Electro-Magnetic (EM) gauge symmetry state, so that focused and sustained human intention channelled through this system can produce amazing transformation both inside and outside the body.

Human intention is created within the domain of the soul.

Note: Following the writings of James Moncrief, one could consider that any reference to the Father, by other relevant writers, may be read as a reference to ‘our Mother and Father’. Further, when considering soul healing, then reference to Divine Love could be referred to as ‘Feeling Healing with Divine Love’.

Working with the Law Of Attraction

A Burning Desire for God.

It is very hard to have a burning desire for a power plant.

God is not a power plant.

You creations, are they your personality, attributes, energy?

Your desire is in them, a part of you is in every one of your creations.

Your pets reflect your emotions – your pets do not feel your love at an emotional level but they respond to your love or lack of love.

GOD – Infinite

**Personality
Attributes
Energy
Desires.**

God's creation is the universe – God is not the universe.

God existed before the universe.

The RICHARD MESSAGES:

Celestial Spirit Richard 19 September 2012

Questioner: *I am aware that the **Law of Attraction** is working as usual and I am hearing about more processes (health related) that others have developed. There seems to be a ground swell of change or energy for change with many people exploring spiritually more than ever before. I find this exciting and can feel the input from spirit. Is this mainly input from the Celestial Realms?*

Richard: You are quite correct about the ground swell of energy for change. Change has always been fostered from all levels of the spiritual world as spirits attempt to influence carnate individuals. Much of this is benevolent (loving) and much is malevolent (unloving). There is a great co-ordinated movement at present that has been in action for many years and is more apparent now as its effects are becoming more obvious. This is directed from the Celestial Realms as you correctly surmise. Countless numbers of us are involved in this. You may say that this is our major project. Very good progress has been made and this continues so that we are very confident of the outcome for humanity which of course will affect all levels of existence.

Once a person becomes interested and expresses a desire to learn more we provide further stimuli and assistance. This is leading to many lines of experimentation determined largely by the interests and inclinations of the individual whose Free Will is allowed to move as always. Once movement is occurring we are able to assist further within the limits of the individual's Free Will. This is why you see so many related but disparate processes developing. As you seek along your own path with interest in these other processes you may well find more similarities. After all they are all heading in the same direction.

These changes are occurring simultaneously in spiritual spheres where similar searching is occurring with similar stimuli being supplied. Changes that are discovered on Earth will be communicated profitably to many in the lower spheres who are seeking. It is important that you know that this is a universal action and not limited to the Earth and its current inhabitants.

If you meditate on this, you will realise that what you do need is what is not to be hard work or very demanding. You are being allowed for this process to flow through you in harmony with your desires

and your Free Will. You are not being asked to invent something totally new from within yourself with the limitations of your current resources and restrictions of belief. What you produce will be new and the main challenge for you is to become increasingly in harmony with God and with us. We are all one and we are assisting you and others to manifest elements that will benefit all of mankind. What others develop may assist you and may not be dependent on the degree of harmony you have with the other person and their desires and beliefs. Remain open and remember to ask us for assistance in any form that you desire. We are still reminding you to ASK. You will never offend us by asking. You may not get what you directly ask for as this may not be in your best interests.

There is much truth in what you say about histories as recorded in the religions and used as doctrine or the basis for doctrine. Your present purposes are best focussed in the present without too much concern for the truth or otherwise of the histories that seriously concern and limit so many people. Any recorded history is prone to distortion and abuse as a widely accepted belief system can be a tool for much power for the main administrators. Increasing numbers of people are questioning the so-called absolutes of the belief system that has been drummed into them for most of their lives. Knowledge about God will replace belief and that will be the major unifying factor in this whole process. There is no place for factions in the knowledge of God. We are all one and this we will know.

Celestial Spirit Richard 17 October 2012

If you are to consider what you call luck, you must pay great heed to the **Law of Attraction**. This law is profound and is little understood on Earth. As you know it is ever active and influences all events. When you apply it to issues such as luck you will mostly find it hard to understand just why a certain event happens as you may well judge the recipient of the good or bad event as undeserving. Of course the first aspect of this judgment is your lack of true knowledge of the circumstances of the person you are considering. The next aspect is the assessment as to whether the event is either 'good' or 'bad'.

From your own experience, you have met many people for whom an apparently 'bad' event had results that were perceived to be very beneficial and the reverse is often true. If you were to win a large sum of money it is a moot point whether many of your anticipated actions would be in the best interests of the recipients. There is a vast amount of spiritual influence on incarnate individuals much of which is intended to be beneficial and much of which has other than the intended result because the influence is often attempting to circumvent the individual's Free Will.

Nothing that you or anyone else does is done in isolation. We are all one and all are influenced and affected by the actions of others. What you are doing in your living processes influences the degree and the direction of the effect on you. You are able to influence the effects greatly dependent on your level of sensitivity and awareness.

Law of Attraction: a positive example:

Personality

SOUL PERSONALITY

Each soul, ever created, is unique. Just as each snowflake is unique. Every soul is unique from every other soul ever created. By referring to your soul, we are referring to your complete soul prior to its division into its two halves. Each soul expresses two absolutely unique personalities. Your soul then incarnates into two separate spiritual and physical bodies, one half into a male body and the other half into a female body, thus the personality is further distinguished by its male or female aspects. Your soul half, has a personality separate and distinct from every other soul. Your personality is bestowed complete by our Father and Mother. The soul expresses its two personalities into Creation. Your personality traverses your physical body, your spirit body, and your soul. At the time of death of the physical body, your personality continues on existing in your spirit body and soul.

No matter where our two soul halves incarnate, they will be drawn back together again as they grow in love.

The individuality of each soul half is never lost as they grow in love and return together.

The real you is your soul, which remains connected through cords of light to your spirit body.

SOUL CONDITION:

Dark is not a good condition of love.

All these factors, conditions, influence where you arrive within the spirit world.

If my soul condition is poor, I can't access a higher condition within the spirit world until I work my way up into a better condition.

If I have family members in a higher condition, I have to wait for them to come and see me.

Your capacity to love is a determining factor.

Many families have very similar beliefs, morals, and conditions of love, thus, many families pass into the same or similar locations in the spirit world due to their similar soul condition. It is the soul condition that determines the location in the spirit world.

Law of Attraction is different for every person, every moment of their life.

Considering Dr David R Hawkins' Map of Consciousness scale, one can determine the calibration of a person by using applied kinesiology (muscle testing). Dr Hawkins' determined that humanity as a whole calibrates around 210 on the Map of Consciousness (MoC). Thus, such a person would reflect courage, affirmation, empowerment, permitting, feasible characteristics. One would consider that such a typical person would attract similar Law of Attraction events. However, these traits are an average of the emotions that make up the typical person. Such a typical person has a wide range of beliefs, morals, love, truth, choices, and fears, these all averaged together determine one's soul condition.

As we go up or down the scale, one would feel that the other groupings are close together. They are not. The differences are enormous. The scale is based on the common log of 10, thus:

The Map of Consciousness (MoC) table is based on the common log of 10. It is not a numeric table.

A calibration increase of 1 point is in fact a 10 fold increase in energy.

A calibration increase of 10 points is in fact a 10,000,000,000 fold increase in energy.

Thus the energy differentials are in fact enormous!

Members of the same family typically calibrate close together. While mum and dad and the children live within the same dwelling they will typically calibrate about the same, each will reflect the soul condition of the other. Once children leave home and establish their own home, then you will see differences emerge – responding to the soul condition of the new partner, thus creating a divergence in the pattern of the Law of Attraction.

A family lives within a community, this community has its own Law of Attraction pattern, you could call it a collective Law of Attraction. This community is within a city, again another overall Law of

Attraction. This pattern continues to expand to the state, then the nation, and ultimately for the whole world.

All these patterns of Law of Attraction are influenced by desire and free will of each person and groupings.

Thus, for the over seven billion people on this planet, the Law of Attraction is incredibly diverse – but not complex. It is there to encourage us to experience, to discover, and to grow in love on our incredible journey.

The law of attraction is likened to a drummer quietly tapping his drum ever so slowly and lightly endeavouring to get your attention without any exertion. He is endeavouring to draw your attention to an error in your ways, an error in what you may consider to be truthful, or bringing your attention to reconsider something unloving that you are pursuing. As you may continue to ignore this gentle tapping, then the tempo will slowly increase, and increase, and increase, until you finally take notice and also take action to correct your ways or understandings of what you may have considered to be true. As we are all holding errors within us, for each error this drumming is continually in progress. Some of these errors may be with us for the whole or our physical life, many in fact. As these errors are within our soul, many of these law of attraction events may become self evident to us only when they manifest themselves as ‘illnesses’ in the physical body, that is when the law of attraction drummer is at his loudest.

The law of attraction functions this way upon individual errors that we hold. In regards to truths that we hold, the law of attraction is joyous and wonderful friend. We find that our desires and aspirations that are based on truth are filled in a very delightful and positive way. Usually our desires and aspirations and desires are fulfilled in a manner that we have least expected, however, always in a way that is for our betterment.

Our law of attraction is our friend. He is very patient and he will not let up, you will eventually take notice of him as your condition will literally force you to do so. Your free will is never taken away from you, but your physical condition can significantly deteriorate due to the frozen erroneous emotions blocked within your soul and spirit body becoming self evident within your physical body. The emergence of frozen emotions may occur in our later years, whilst the events resulting in the emotions becoming blocked most often occurs when we were very young, during our early childhood.

Our law of attraction impacts upon all aspects of our life. Many aspects of our way of life may be in harmony with love and our law of attraction events will be wonderful experiences, whilst other aspects of our life may be out of harmony with love resulting in related law of attraction events that will cause us much difficulty, even more so should we elect to ignore them.

The more we ignore the teaching events brought to us by our law of attraction, the more frequent these events will be and also, the more forceful they will become. Reflect back through your life and you may start to see the pattern of events leading up to what you may consider to now be a crisis.

CONSCIOUSNESS and EMOTIONS:

Consciousness = Soul Condition. One's Soul Condition is equal to the average of all of the held emotions. Soul condition is the sum total of all of the different emotions, desires, passions, etc., all wrapped up together in terms of how much love there is in every one of those.

MAP OF CONSCIOUSNESS

Map of Consciousness represents the emotional and spiritual fields within the kingdom of man which is Spheres 1 – 6.

Consciousness is soul condition, as one's soul condition improves, it expands in size as it grows in love.

The scale is exponential, grows at a factor of 10.

Soul expands as it grows in love and condition.

Our Law of Attraction gradually ramps up over our life.

The inner core of our soul is blessed with natural love emotions that are all have a high frequency or higher.

Man erroneous emotions all have a low frequency or a very low frequency.

Core Emotions
 Anger covers over Fear which covers over Grief, these three emotions are the predominant capping emotions.

Chronic illness indicates a huge denial of the soul.

Illness = out of harmony with love and truth.

It is the release of emotions that are out of harmony with Truth and Love, and the praying for the inflowing of Divine Love that brings about health and harmony to our bodies.

BOOK of TRUTHS – extracts:

Book of Truths via Joseph Babinsky

December 17, 1915

Let me write a few lines as I desire to write you some truths about what you and your friend were discussing; namely, are there any such hells as are described in the messages contained in the book [*Immortality* by Dr. Peeble] that you have been reading tonight.

Well, you must know that in the spirit planes hell is a place as well as a condition, and that as a place it has all the accompaniments that make it a reality to the spirits who inhabit it. Of course, the conditions of the spirits who are in these hells are determined by their recollections worked upon by their consciences. But notwithstanding that these recollections are the things that cause their sufferings, yet, the appearances of the locations in which they live are due to something more than these mere recollections, for, as you have been informed, all these spirits are in darkness – the degree of the darkness in which they live being determined by their recollections. I mean that when the spirit has recollections of deeds done or not done, which are not so bad as the recollections of another, the former spirit is in a place where there is less darkness than the latter.

These places have their own fixed condition of darkness and of gloom, and many other attachments which increases the sufferings that spirits have to endure. There are, of course, no fires and brimstone lakes, and devils with pitchforks adding to the sufferings of the spirits, but yet, there are certain conditions and appearances which are outside of the spirits themselves, which causes their recollections to become more acute and to work in a manner to produce a greater degree of suffering. These hells may be places of caverns and rocks and barren wastes and dark holes and other such things as have been written about; and mortals must know that evil spirits do not live in pleasant places and suffer only from the punishments which their recollections bring to them. And while the hells of the orthodox are in their descriptions greatly exaggerated, yet there is some truth in the ideas which these descriptions convey as to the fact that the hells are places in which are darkness and many accompanying appearances that add to the tortures of the spirits of evil.

I tell you this because I see you want to know the truth, and for the further reason that you do not believe that there are such distinctive places as the hells; and that the darkness which the spirits in their communications to you speak of is, in your opinion, produced by the conditions of the minds and souls of the spirits who write. But such opinion is not altogether correct, and it is best for men to know that the mere recollections do not include all of what the hells are.

You say you have your hells on Earth sometimes, and that is true to a limited extent, and many men suffer very much from their consciences and remorse, but when they come into the spirit world, if they have not gotten out of the condition which these recollections and remorse place them in, they will find that there is waiting them that place or location which will add to their sufferings that arise from the recollections of evil deeds committed while on Earth. These evil spirits live in communities, for the **law of attraction** operates in these dark and lower planes just as it does in the higher spheres, and causes spirits of like or similar conditions to congregate together and find consolation, or what they may at times think to be consolation, in one another's company.

These hells are on the planes nearest the Earth, and these spirits are not confined all the time to any particular hell; they have the privilege of moving at will along this plane, but wherever they go they find that they are in these hells, and they cannot escape from them, unless they accept the help from spirits who can instruct them what they must do.

Well, when they come to you to write they are not very far from these hells, because the plane in which they live is a part of the plane in which the inhabitants of Earth live. Of course, I don't mean to say that that portion of the Earth plane that surrounds your Earth is composed entirely of these hells, for that is not true, as the Earth sphere has in it considerable light and some happiness. And you must further remember that there are many planes in this Earth plane.

These spirits, while their habitations are in these hells, have the privilege of leaving these particular localities and wandering for a short time in and over other parts of this Earth plane; but this is only for a short time, and they have to return to the places where they have been placed, and which this **law of attraction**, that I speak of, draws them to.

Well, there are thousands of millions of evil spirits, and there is never a time when some of them, thousands of them, are not surrounding and trying to use their bad influences on mortals. We do not know why this is permitted, but only know that it is so.

And here again the great **law of attraction** operates, for many mortals are in similar conditions of development and evil thoughts to what these evil spirits are, and naturally, these evil spirits are drawn to them and do come to them.

And frequently it happens, that while visiting these mortals of similar conditions to their own, they attempt to influence mortals who are in a better state of moral and spiritual condition, and sometime succeed in doing them harm.

But the great fact is that these evil spirits have a place of living, where they have to remain, until by the operation of the **law of compensation** they are relieved from some of their evil tendencies and desires, when they are permitted to progress.

My principal reason in writing you is to have you know that there are hells of places as well as of conditions, and that these places by reason of what they contain and their appearances add to the suffering of the spirits.

As I have written a long time I will stop, and say that I am a Christian and an inhabitant of the Celestial spheres, and one of the spirit band that is helping you in your great work of the Master.

So in leaving you I will subscribe myself, Your brother in Christ – Swedenborg

Book of Truths via Joseph Babinsky

I desire to write you a short time to inform you of certain truths which you should know pertaining to the spirit life, and to what mortals who lead the lives of good and pure men may expect and be assured of realizing. I am in the Celestial spheres, but I shall not speak of these spheres, but only of the spiritual spheres, where men after they become disembodied spirits may live and experience a happiness which they on Earth have no conception of.

When a spirit first enters the spirit Mansion World it receives a welcome from some one or more spirits whose duties are to receive such spirit, and to show the place where it is suited to live or exist. Such spirit is then permitted to meet its friends and relatives and to commune with them for a short or long time and receive whatever consolation such friends or relatives may be able to give it. In many cases the gladness and happiness of these spirit friends cause the spirit to believe that it is in heaven, or at least, in a place of great happiness.

But after this first interview, the spirit must, by reason of the **law of attraction**, go to the place where its condition of soul or its condition of moral growth or intellectual development fits it for, and there remain until such condition is made better and enables it to rise to a higher place. No spirit, after it once gets into the place that is suited for it to live in, ever retrogrades, although it may stand still for a long number of years, and never make any progress. This is a truth not known to a great many mortals, and spirits also, that the condition of the mortal at the time he becomes a spirit fixes his condition and place of living when he first enters the spirit world. After he is put in such place by the **law of attraction** as I have said, and when once that place is found and occupied, the spirit never goes to a lower place, but either will stay in that place for a long time, or will progress, and ultimately will in all cases progress.

Well, the evil spirits find these places of habitation in the Earth planes, which are many, and of varied kinds, having many different appearances, suited to the conditions of the spirits who will occupy them. A spirit who is in the lowest of these Earth planes is said to be in the lowest hells, as all spirits who are in these planes where they suffer and encounter darkness believe and say they are in hell. But this is merely a name used for convenience, for the hells are merely places forming a part of the one great universe of God. These hells, as you may imagine, are very numerous, for the conditions of spirits are very varied, and each spirit has a place in which to live fitted to its condition.

As the spirit becomes freed from some of these conditions, which as to them causes the **law of attraction** to work, he progresses to a higher and better place, and finds that his surroundings are not so dark and painful. And as this progression continues, such spirit will ultimately find himself in the planes of light and comparative happiness, where the evil recollections have to a large extent left him, and the good deeds which he did on Earth then come to him and cause a happiness that makes him realise that he was not all bad, and that God has been good to him in relieving him from the sins and evil thoughts which bound him to the place from which he has progressed.

But after all this, he has not gotten into any of the spheres which are above the Earth planes, and he may have to remain there for a great many years before he enters the second sphere which is next in gradation to the Earth plane. This latter plane is the most populous of all the spheres, for it has spirits coming to it in great numbers – in greater numbers than are progressing from it to higher spheres – and

hence it has a greater variety of sub-planes than has any of the other spheres, and is filled with a greater variety and kind of spirits than are any of these higher spheres.

When a spirit has remained in the Earth planes a sufficient length of time to put him in condition to go to the next higher sphere, he makes his progress, and is never prevented from doing so. I do not mean to say that the spirit is compelled to remain in the Earth planes any particular number of years before progressing, for this is not true; on the contrary the number of years that he remains there is determined by his condition of progress, so that some spirits may go through these planes in less than a year and others may remain there many years.

In the second sphere, appearances are brighter and many opportunities are afforded the spirit to seek for and obtain happiness that he did not have before, and many spirits find great happiness in pursuing their intellectual studies and things of this kind, and in obtaining a knowledge of the laws of the spirit world governing what you might call the material nature of this world and also of the Earth world.

This sphere is not so well suited for the growth of the soul faculties, and those spirits whose **desires** and aspirations are for the development of their soul qualities do not stay in this world or sphere very long, for they do not find that the necessary provisions for such development exists, and as a consequence, they progress to the third sphere, where they find wonderful opportunities and surroundings, which enables them to progress in these matters of the soul.

Well I see that you are tired, and I will postpone any further writing on these matters to another time.
So goodnight – John B. Comeys

Book of Truths via Joseph Babinsky

I am here, Jesus –

I am with you tonight to warn you against letting any doubt enter your mind or heart, as to our actually writing to you, for we and none other are actually in communication with you.

The book that you read is a snare and a lie, for there are no angels who have become devils as the author of that book declares. Never were there any angels who through ambition or any other reason revolted against the power of government of God, and thereby lost their estate as angels. Never was there any Lucifer, and never were there any angels who were thrown from the battlements of heaven into hell, as it has been written and as I told you before, there are no devils and no Satan, considered as real persons and fallen angels. The only spirits in the spirit world are those who at one time were mortals and who lived lives on Earth, shorter or longer, and whenever angels are mentioned in the Bible, or rather in the New Testament in places which contain my sayings or those of the apostles, and I mean those sayings which were actually said, the word angel always refers to the spirit of some mortal who had passed the line between life and death as commonly understood.

I desire to tell you of these things at large very soon and to instruct you as to who were the angels of God that are supposed to have had an existence prior to the creation of man and of the world; and who the inhabitants of heaven were before the spirit of God entered into man and caused him to become a living soul as the Bible says. But the time is not yet ripe for me to instruct you in these matters, because there are so many more important truths to be first taught you, truths which are vital to man's salvation and happiness to those on Earth and in the spirit world. But this you must believe, that no devils ever write you or in any manner manifest to or through any of the numerous mediums who are used to show the existence of spirits of men in the spirit world, no matter whether these mediums be good or evil.

There are spirits of all kinds just as there are mortals of all kinds, having all the traits and characteristics of mortals, and some of these spirits may be justly called wicked or evil spirits, and even devils. But they are nothing more or less than spirits such as I describe.

I know that the belief of the majority of mankind is that there are such things as devils and that they are independent creations of God, made by Him to tempt and inflict all kind of trouble and unhappiness on mortals, and because of the great number of years that these beliefs have existed, and the fact that many of the churches still teach that such devils do exist, and are at all times trying to tempt and injure men, it is hard and will be difficult to induce men to believe that there are no such things as devils, which is the truth. I know that the Bible in many places speaks of my casting devils out of men, and of men being possessed of devils, and of the apostles casting out devils, and of their not being able to cast out some of these devils, but I tell you now that the Bible is all wrong in this regard, and the writers and translators of the Bible never understood what the word "devil" as used in these various instances, meant or was intended to mean. As I have told you, there was never any devil or devils in the sense mentioned and taught by the churches, and consequently, they never could have possessed mortals nor have been cast out of them.

It is true, that by the workings of the **law of attraction**, and the susceptibility of mortals to the influence of spirit powers, mortals may become obsessed by the spirits of evil – that is evil spirits of men who

once lived on Earth – and this obsession may become so complete and powerful that the living mortal may lose all power to resist this influence of the evil spirits, and may be compelled to do things that the mortal will not desire to do, and to show all the evidence of a distorted mind, and present appearances of a lost will power, as well as of the ability to exercise the ordinary powers given him by his natural creation. And in these instances referred to of casting out devils, wherever they occurred, and they did occur in some of the instances mentioned, the only devils that existed were the evil spirits who had possessed these mortals.

And this obsession obtains today just as it did then, for the same laws are in operation now as were in existence then, and many a man is in a condition of evil life and disturbed mind from the obsession of these evil spirits; and if there were any men of today in that condition of soul development and belief that my disciples were in, they could cast out these so called devils just as the disciples cast them out in the Bible days.

But men have not this faith, though there are many who have been blessed with the inflowing of the holy spirit; but they have not the belief that such work as the disciples performed can be performed by them now, and, in fact, the most of them believe that it would be contrary to God's will to attempt to exercise such powers, and hence, they never attempt to do such work.

But when men learn that in all ages God is the same, that His laws work the same way, that mankind is the same so far as the soul's possibilities are concerned, and that the faith which God made possible for man to attain to, may be possessed by him now just as it was possessed by my disciples, then they will attempt this work of beneficence and will succeed, and the sick will be healed and the devils cast out, the blind made to see, and the deaf to hear, and the so-called miracles will be performed as they were in my days on Earth.

There is not and never was such a thing as a miracle in the sense of having an effect produced by a cause which was not the result of the ordinary workings of God's laws, for these laws in their workings never vary, and when the same law is called into operation upon the same condition of facts the same results will always be produced. So, let a mortal have in his soul the same amount of **God's Divine Love** which the Bible writers meant or should have meant, when they spoke of **being endowed by the holy ghost**, and let him have the necessary faith, that when he prays to God, he will give him the power to exercise this love in a sufficient degree to produce the desired results, and then try to exercise the power of casting out devils or healing and he will find that success will attend his efforts. God is the same at all times and under all circumstances, and only mortals vary in their conceptions and conditions.

So I say, there are no devils as independent creatures of God, in contradistinction to the spirits of men who once lived on Earth, and you must believe that there are not.

I tell you now, that the teachers of such false doctrines will have to pay the penalties for their false teachings when they come to the spirit world, and see the result of these false teachings, and no relief will be granted until they have paid the last farthing. To believe such doctrines entails results that are bad enough for any spirit to endure, but to teach others these beliefs and convince them of their truth, entails upon the teacher, whether he actually believes them or not, sufferings and duration of sufferings of which men have no conception.

I will not write more tonight, but will, in closing, say that you have my love and blessings, and my promises I will fulfil, so that you will realize your expectations and be in condition to perform the work that you have been selected to do.

[Question] Well, you let doubt come into your mind, and as a consequence, your soul does not respond, although, strange as it may seem, the Divine Love is there, but when this mental doubt exists, it is as if it were a covering which prevents the existence of the love in the soul to shine forth and produce the great feeling of happiness and joy which otherwise you might experience. The mental condition of the mortal, undoubtedly has a great influence on the consciousness of the man as to his possession of this soul development and the Divine Love, and consequently, there will have to be this continuous fight as long as life lasts on Earth, between the mental conditions and the soul's consciousness. But as the mental beliefs are brought into harmony with the soul's condition, more and more the fight will grow weaker and less frequent, and it is possible that they will cease altogether, and the mental beliefs become entirely and absolutely subordinated or rather absorbed in the soul's consciousness of its being possessed of this Divine Love of the Father.

So my dear brother, I will say goodnight. Your brother and friend – Jesus

Book of Truths via Joseph Babinsky

I am here, Luke –

Well, do you think you can take my message tonight? It looks like you may; at any rate we will try. As I was saying (*see page 305*), in what way is a man to obtain this development of the soul in its natural love?

In the first place, he must recognize the fact that he does not live to himself, alone; that what he conceives to be the workings of his own mind and will are not always the result of thoughts and desires that originate in him, but are largely the products of the influences of the workings of the minds of spirits who are around him, trying to impress him with their desires and wills. And consequently, you will understand that it is very important to man as to what kind of spirit influences he has surrounding and working upon him. If these influences are good, the better it is for his progress in the development of this natural love; but if they are evil influences, then, of course, such development is retarded.

Consequently, the first thing for a man to do is to attempt to attract to himself influences of the higher nature; and he can do so by trying to cultivate good thoughts and to indulge in good and moral acts. The great **law of attraction** that we have written about applies and works in such cases as this, as it does in every other relation of God's universe. If a man's thoughts are evil, there will always be attracted to him spirits of similar thoughts; and when they come to him, they attempt to, and succeed, in intensifying these evil thoughts of his, which attract them to him.

It must emphatically be understood in this regard, that man may and often does originate his own thoughts and desires, and it is not necessary that any influence of these evil spirits should be present and operate upon his brain or affections, in order that these evil thoughts and desires should come into existence. And again, man has a will power that is susceptible of being exercised, free from the wills of these evil spirits – and you will see how true this is when you remember that he can exercise that will power, free and independent from the will of God himself.

So I say that these thoughts and desires may and do originate in man, free and independent of the wills or influences of these evil spirits; and as a fact, these spirits are attracted to him only when these thoughts that he has originated are evil.

Now, if man would have this progress that I speak of, he should endeavour to have good and pure thoughts and desires, and then he will attract to him spirits who are good and pure, and their influences will help him to a wonderful degree in strengthening and increasing these thoughts, and make it less likely that evil thoughts will arise in his brain, or evil desires in his affections. And as a consequence, his will power will be exercised in doing those things which are good and moral.

Now, while man may originate these thoughts and desires, he must also know as a truth that this progress is not dependent upon himself alone, for when he is in that condition to attract the good spirits, they will invariably come to him and render their help; and it will prove to be a wonderful and never failing help.

Now, man's thoughts and desires are not always, as may be supposed, the result of something that may be hidden within himself, and of which he may not know its existence. I mean not in all cases, and probably in only a minority of cases; for most frequently are these thoughts and desires the children of an objective influence, that comes to him by reason of objects becoming sensible to his ordinary senses, which create or suggest these thoughts or desires.

Without going into details you will understand what I mean, but as a mere illustration: A glass of whiskey may and does suggest to a man who likes whiskey, the thought and desire that he should take a drink, and thereby bring into operation his will, which is followed by the act of drinking – and so with many other objects which a man meets in the course of his daily life. But these thoughts and desires arise not only from seeing objects, but also from feeling and tasting them.

And again, these objective suggestions, causing these thoughts and desires, arise and exist not only from the real object sensed, but also from words and thoughts which are expressed by other human beings in course of conversations, or in books and literature; and when they come in this way they are frequently more effective than in any other. And hence, as these objective words and thoughts enter the mind of man, they create similar thoughts, which frequently intensify and attract the evil spirits of like thoughts, with their degenerating influences – hence the importance of a man avoiding companionship where such communications take place, and the books and literature where these evil suggestions are made.

It has been well said, that evil communications corrupt good manners. And I may add that such communications corrupt good thoughts, and produce evil desires and retard the progress of the soul in its natural love. For it must be remembered that this love is pure and free from all evil or taint of defilement when it is fully developed, and anything that tends to defile it, retards the progression of the soul in this particular. So the plain lesson to be drawn from all this is that man must, in the first place, make the effort to have only good and pure thoughts and desires from his inner self, and next, he must avoid those objects and associations that tend to cause to arise in him these evil thoughts, and thirdly, he must learn the truth that when he has these evil thoughts, he attracts to himself spirits of evil, who by their influence can and do intensify these evil thoughts and desires. I know as regards this last mentioned truth, that the majority of men have no knowledge of its existence; but it is time that they should learn that such a danger to their soul's progression does exist and is always imminent.

And they should learn this other fact, that when their thoughts are pure and free from defilement, they have surrounding them the influence of good spirits, who work to increase and make permanent their good thoughts; and as these good thoughts continue, the natural love develops towards its pristine condition of purity, and man comes nearer to his designed condition of existence. So you will see from this, that as man's thoughts and desires become freed from these things that tend to defile him, he naturally progresses toward that condition which is necessary, in order for him to have this development of the soul in its natural love. Again, the development may be helped very much by man thinking and doing acts of charity and kindness, and observing the golden rule; for every act of charity and kindness and self sacrifice for the sake of others, has its reflex action in his own condition of love and soul, and helps their development.

In short, the observance by man of all the moral laws, which are many and varied, tends to bring about the development of the natural love. And this must be remembered, that as this development proceeds, the tendency to indulge in the perverted appetites of the flesh, as they are called, will disappear; and as it

disappears, this love, of course, becomes purer and sweeter, and brings man nearer to his state of perfection.

And again, the meditation upon spiritual things, and the outflowing of this love towards the Father will cause the progression; for while all men, as we have said, do not seek for the **Divine Love**, yet as all men are children of God, He helps them to the full extent of their desires—towards happiness, and the perfecting of this love in its natural pure state, and with which He endowed them at their creation. Upon their will and aspirations depends the nature of the help which the Father gives to them; but always He gives His help and blessings, and that to the fullest. His great desire is that man shall become perfect in that love which they possess and which they seek for; and the natural love in its qualities may become as perfect in man, as may the Divine Love in its qualities. Each is just as much in harmony with God’s universe, in its respective qualities, as is the other. So I say, man is helped, and more than in any other way, by his meditations of the higher things of his being, and by prayer and aspirations to the Father, who hears the prayers of the man who has only this natural love, and answers them just as He does the prayers of the man who has the Divine Love in his soul. Ultimately all sin and evil will be eradicated from the universe, and man in his mere natural love will become pure and perfected and happy.

I have tried in my inefficient way to show man how he may progress in the development of his natural love, and if he will follow my advice, he will succeed. For as man, by the indulging of these perverted appetites of the flesh, and the exercise of his will power, fell to a low degree of degeneracy, so he can by ceasing to indulge in these perverted appetites, and the exercise of that same will power, rise again to his condition of purity in his natural love. And besides, he has the help of the Father and the good angels in his efforts to recover, and also the experience of the result of his fall, which he may not be conscious of, but which in his inner self has an existence, and is continually working.

Well my dear brother, I must stop. I feel that you have taken my message very successfully. Read it over and correct errors of construction. I will come soon and write again.

Book of Truths via Joseph Babinsky

I am here, Jesus –

I see that you are in better condition tonight, and it may be that we can continue the message.

Well, as I was saying, the only way in which a mortal may obtain the development of his soul condition (without the help of the Divine Love), is by attempting to exercise his will in the way that will cause the thoughts of evil and error to leave him, and to be replaced by thoughts that will bring his heart and soul into harmony with the laws of his creation as mere man. This can be done by his seeking for those higher things of morality, and the subordinating of the purely animal desires and appetites of the mortal to the aspirations and desires of the higher and nobler part of his nature.

As I have before told you, man was pure and good until he, by the exercise of his will, following the suggestions of the lower desires, permitted himself to degenerate from the high and perfect condition of his creation.

These sins and desires do not belong to his original nature, for his true nature was pure and in harmony with the laws of God. And although he had lost it by the excessive and wrongful exercise of his will, obeying the desires of his animal nature, yet he can recover his condition of original purity and harmony, if he will get rid of these sins and errors, so that his nature may again become free from everything that defiles it, or places it out of harmony with the laws that created it.

So you see, it is not necessary for man to obtain or add to his original condition, any qualities that were not his in the beginning, but merely to get rid of or eradicate from that condition those things which are mere excrescences or parasites – and thereby have his nature in the same condition that was his when he was created, and was the perfect man.

So long a time has the nature or condition of the nature of man been in this state of defilement and alienation from the true condition of his creation, that the effort to bring about the restoration will necessarily be great, and he will have to use all his power of will that he is capable of to effectuate this object, and he will find in such efforts two conflicting forces, always fighting each other for the mastery.

The fact that he believes his present condition is the natural one, and that the state and purity and freedom from sin and error is one that does not belong to him naturally, but must be acquired by adding something to what he now has and always possessed, will make the fight more uneven.

Therefore, the first things that man must believe is that his present condition is not his natural one and that he has nothing more or greater to accomplish than to relieve himself of those things which prevent his condition from becoming as it was when he was the perfect man.

If he will get this belief firmly fixed in his mind, and assert that he was made by God, and that God never created anything impure or not in harmony with His laws, man will have accomplished the first step towards his regeneration, and towards success in his effort.

He must not consider himself to be a weak, low and unworthy creature of God, not being entitled to those conditions of purity and greatness which made him the beloved child of the Father. Of course, pride and everything of that nature must be eliminated from the estimate that he must have of himself; but on the contrary, the idea that he is degenerated and a utterly helpless being must not be permitted to enter his mind. Such thoughts do not make him pleasing to God, as he has been taught they do, but only make him subservient to his masters – sin and error – and prevent him from asserting his own superiority to these things, which is necessary to exist in his conception of his true condition, in order that he may obtain the ascendancy over those masters.

When he shall have assumed this position, then he will realize that these animal appetites and desires, and evil thoughts which arise from them and from the belief that he is by nature degraded and unworthy of a better and higher condition of nature, are really beings of his own creation, and subject to his will and self control – and total destruction.

And with such realization will come a consciousness that they are not parts of his nature, but foreign to it. And that in order that his nature may become separated from them, he must look upon them as enemies and treat them as such, to be destroyed and utterly extinguished, and never more to be taken to his bosom and cherished as inalienable and dominant parts of his nature.

Of course, in treating them as such enemies, great watchfulness and determination will have to be exercised, for they are very insidious and will at all times and in all ways, whenever the opportunity arises, try to convince him that they are an integral and necessary part of his being, incapable of being separated from him.

But by the exercise of this belief, based upon a right conception of what is and what is not a part of him as the perfect man, and by the exercise of his will power in accordance with this conception, he will be able to rescue himself from these unnatural appetites and desires and thoughts of error and sin.

As this belief becomes stronger and this conception clearer, and his will exercised in closer harmony with the true essentials, these excrescences will gradually and one by one fall away from him, until, at last, he will rise again as the perfect man, with the pure and harmonious nature which God gave him at the time of his creation.

But this process will be slow and sometimes hardly perceptible. For the long years of misbelief in the idea of “original sin,” and that God created evil and error for the purpose of defiling man’s nature and making a disobedient devil of him, without any inherent goodness or the possibility of becoming regenerated, unless by the operation of some miracle, will make it difficult for the acquiring of the true belief as to what he and what his nature are, and enable him to become the master, and not remain the servant.

God is the Father of all, and loves all his children, and as he originally provided for their happiness, so now, he desires that all may be happy.

Forgiveness is, in effect, forgetfulness. And when men in their efforts cause all these things of evil and sin to cease being a part of their nature, and only thoughts of purity and righteousness to find a lodgement in their minds, then these other things are forgotten and forgiveness has taken place. Man no

longer is the slave of false beliefs and unrighteousness, nor is he their associates, and even in memory they become things of non-existence. And when he gets into this condition of purity and freedom and in harmony with the laws of his creation, there exists nothing which can be the object of forgiveness, and he is the man of perfect creation.

But in all this man must realize that he does not exist by and for himself alone, for always he is surrounded by mortals or spirits or both, exercising upon him their influence for good or evil, helping him to turn his thoughts from these things of evil and sin into those higher things which are his by nature, or causing him to receive and foster these evil thoughts with increased intensity. He cannot get rid of these influences, of one kind or the other, and, hence, he should seek the influence of those who are good and desire to help him in his efforts towards the recovery of that condition which is his by right of birth.

Among God's laws, which never change and which work impartially, is the great **law of attraction** – and it works in the case of all mortals and spirits, and never rests.

And the great principle of this law is, that like attracts like, and the unlike repulses the unlike. Man must know that as he is – I mean in his state of mind and soul – so necessarily will be his companions of those who desire his association, and, hence, he should realize this important truth and all that it implies. If his thoughts and deeds are evil, he will attract those spirits or mortals who have similar thoughts and deeds, and who will not help him to higher things, but who will retard his progress towards his first estate; and if his thoughts and deeds are good, then his associates will only be those of like qualities, who can and will help him in his progress. Every effort to create good thoughts strengthens the desires and will in that direction, and assists the coming of other good thoughts, for with these efforts comes the help of these unseen influences, and the repulsion of the influences of the retarding forces.

Man is a wonderful being and the highest creation of the Father, and yet his greatest master is his belief in the power and supremacy of these things of evil of his own creation.

But beyond all this a means to accomplish man's restitution to his perfect estate is the help of the Father, which is never refused when man seeks for it in earnest and sincere prayer. Always the Father is willing to respond to the true prayers of man, and by His instrumentalities, will make the efforts of man sure and effective, so that he can acquire that condition that will free him from all sin and error and slavery of false belief, in the mastery of his evil creatures.

Man must believe in the love and help of the Father, in the manhood and greatness of himself, and in the utter error of his belief in the mastery of his own children of sin and error.

I have written enough and must stop, as you are tired. So assuring you of my love for you, and my care and help, I will say, goodnight – your brother Jesus

WHAT WE SOW is WHAT WE REAP!

Man is a wonderful being and the highest creation of the Father, and yet his greatest master is his belief in the power and supremacy of these things of evil of his own creation.

Thus, man through his positive endeavours of creation can experience pleasant and prosperous events through his law of attraction, whilst at the same time, due to negative aspects of his way of life and beliefs can experience events of great difficulty from his law of attraction resulting from ignoring the issues being brought to his attention by his law of attraction. There is no avoiding what needs to be attended to – ever!

Should we hold onto negative emotions (those that calibrate under 200 on the Map of Consciousness) we are blocking the energy flows through our bodies. That is, the energy blockage resulting from holding onto a negative emotion is held within our soul. Should we feed this blockage with festering style feelings, then this energy blockage grows within our meridian fields and lines within our etheric body being our spirit body. Eventually these injuries emerge within our physical bodies as pains. This is our law of attraction bringing attention to the issues for you to consider. This pain can grow and grow, the slow drum beat gets louder and louder.

Eventually the pain results in an illness episode should we continue to ignore the cause.

Generally speaking, behind most specific illnesses are matching emotional issues. That is, emotional injuries that remain unreleased of a specific nature eventually create an illness that can be related back to similar styles of emotions.

PLASMA:

The magnetic and gravitational fields of plasma combine with other plasma. They group together to create minute things, all the way through to creating galaxies. Our thoughts are projections of plasma. Love received is plasma.

Every cell in our body has a plasmatic magnetic field. Our whole body has its own magnetic field. And so it goes on, and on....

INTERSTELLAR BOUNDARIES:

The boundary is the outer limit of the magnetic field that encapsulates a solar system and universes.

STAGES of MATTER:

Matter becomes finer and finer and more incredible within each phase:

Growth of Man / Woman without Divine Love peaks at 6th sphere state which is the peak of the Kingdom of Man and Spirit World. Soul without Divine Love.

Soul seeking, and receiving, and growing with Divine Love. The nature of one's soul changes into that of the Divine when receiving Divine Love. Only Divine Love does this. Growth of Man / Woman with Divine Love enables entry into the Celestial Realms, 8th sphere and above, with growth into infinity:

NEGATIVE EMOTIONS are UNINVITED PLASMA FIELDS:

Unhealthy and negative emotions enter our soul as uninvited and unwelcome plasma that then proceeds to disrupt the energy flows of the spirit body which is the template for the physical body.

This plasma fields or balls can grow in size should they be fed with more and more of the same or similar negative emotional energy. A plasma field can collect energy from released and projected emotions from time to time.

These emotional injurious plasma fields are first attracted to specific organs that reflect the energy of specific emotions, the plasma field can then proceed to lodge anywhere within the bodies of the spirit and physical. Thus, an emotion of the heart may subsequently reside within the stomach region, both inside and protruding out there from.

Initially, the injurious uninvited emotional field, being plasma, may be extremely small, however, if allowed to fester and grow by drawing on the negative emotions of those within your environment, the energy field may grow and grow in size from that of a mere pin head to the size of a melon. This progression could take the time from very early childhood to one's senior retiring years.

As all plasma consists of magnetic and gravitational fields, once your intent is focused upon it, firstly recognising its existence, and then focusing your intent for it to be removed, the magnetic field can act in your favour. With the introduction of even a marginal amount of additional magnetic energy, by way of Reiki or by the passing of a small magnet down your meridian, then the dislodgement of the emotional plasmatic field can be achieved.

We are all energetic magnetic beings. The interference to our physical body's template, which is within our spirit body, can readily occur. The transfer of the disruption to the physical body is generally very slow, however, it can be very painful and damaging over the long term.

The extraordinary capabilities of the spirit body are extensively dumbed down and throttled back when it comes to the functionality of the physical body. The spirit body has all of our physical five senses, however, in much greater capacity, as well; the spirit body has maybe a dozen senses in all. Our physical existence is like being on training wheels for our incredible experiences to come within the spirit worlds.

"If cancer was not in our "energy", then it was not in our reality. If feeling good about ourselves was in our energy, then our reality would be positive." – Anita Moorjani

SOUL  SPIRIT BODY  MATERIAL BODY
 PERSONALITY

ENERGY DETERMINANTS – Relationship between Body, Mind and Soul:

The physical body calibrates at 200 on Dr David Hawkins' Map of Consciousness. Many people feel and believe that their body is their real self, this is not so.

Further, the brain is not the origin of the mind, as science and medicine had believed, but the other way around. The mind controls the brain. The brain is activated by the mind's intention and not vice versa. Reason, which emanates from the mind, calibrates at 400 to 499, thus controlling the brain.

What is held in mind has the power to alter brain activity and neuroanatomy. Thought is powerful because it has a high rate of vibration. We are subject to what we hold in mind. Errors in belief bring about energy flow blockages.

Superimposed around the physical body is an energy body whose form is very much like that of the physical body and whose patterns actually control the physical body. This control is at the level of thought or intention. This superimposed energy body is one's etheric / spirit body, the template of one's physical body and home of one's mind.

The basic dictum to comprehend is that the body obeys the mind; therefore, the body tends to manifest what the mind believes. Illness is generated in the physical body by erroneous held beliefs within one's mind.

It is the energy level of love that steadily brings about a release from erroneous and harmful man-made emotions and beliefs. The energy level of love calibrates at 500 and higher. One's soul is connected through cords of light with one's spirit body. One's soul is the home of one's personality, natural intelligence and memory, it is our real self.

One's soul is always perfect and is made of the energy substance called natural love. It is by growing one's level of love does one enable sufficient energy to flow through one's chakras of the spirit body and subsequently into one's physical body that erroneous and injurious beliefs are dissolved and the potentiality for health of the physical body to become permanently repaired a possibility.

On the Map of Consciousness (MoC), the **charkas** calibrate as follows:

Crown	600	7 th chakra
Third Eye	525	6 th chakra
Throat	350	5 th chakra
Heart	505	4 th chakra
Solar Plexus	275	3 rd chakra
Sacral or Spleen	275	2 nd chakra
Base or Root Chakra	200	1 st chakra

The greatest infusion of Love, and the easiest way for one to transcend levels of emotions should one be engaging in the Feeling Healing process, that is, to evolve, is to long for, pray for, and ask for our Mothers and Father's Love, Divine Love, being a light golden blue energy substance. Try the experiment.

Meridians – the Pathways of Energy Flow

<http://www.crystallotus.com/Acupressure/Index.htm>

The pathways of chi flow are called meridians. Where are the meridians? When a surgeon operates on a person, he does not find any meridians. The surgeon does not see air either, but it is still there. Compare a meridian with a stream. A stream, unlike a pipe, has no defined boundary. It is simply where water flows, and it may constantly change its shape, although the change is so small that it generally maintains a definite line of flow. In the same way, a meridian has no fixed boundary.

It exists where the chi flow is, though it maintains its general form. Meridians are of two kinds: the main ones are called channels (jing), and the branches are called collateral (luo). However, the term 'meridians' is often used to denote channels.

When Chi does not flow easily and smoothly we have what is commonly called a dis-ease. The Chinese believe that a Chi gets trapped in the meridian and the body suffers from all the ailments. To heal this blockage the Chinese healers understood the flow of energy through the various Meridians. They stimulated the energy points to let flow the Chi and, so therefore the healing took place.

Tonal lines create the web-work of energy which the scalar-wave frequencies of the core Katha Grid and DNA Template translate into the Chakra Meridian-Nadius Line (Hara Line) and chemical DNA systems.

Meridians, or channels, can be classified into two groups: primary and secondary: Primary meridians are those that pass through internal organs, secondary meridians do not. There are twelve pairs of primary meridians flowing in a never-ending circle. For simplicity, only one of each pair is described. The twelve meridians are as follows:

<http://www.crystallotus.com/Acupressure/001.htm>

Negative energy in the form of holding onto an untruth about anything, being a person or an event, deposits within one's soul as a tiny cell of unwanted energy. This tiny energy blockage can grow and grow should you allow the issue to fester within your being.

Untruths with anger and hatred will slowly, but surely, manifest themselves into your meridian system which resides within your spirit body. This then results in energy flow blockages within your meridian system, being the template for your physical body. Unless these energy blockages are released and allowed to pass through your spirit body, you will begin to feel pains within your physical body, and subsequently, an illness may emerge within your physical body. Such illness is a direct result of an emotional issue, or series of related emotional issues, that could have commenced during your early childhood, or even before birth. Proceeding to release these emotional time bombs while receiving medical assistance for your physical body can enable permanent recovery from such illness.

Meridian Lines:

Over 5,000 years ago, the ancient Chinese discovered a subtle energy in the body that can't be seen, felt or found with the senses. Energy disturbances in the subtle bodies precede the manifestation of abnormal patterns of cellular organization and growth. Matter and energy are two different manifestations of the same primary energetic substance of which everything in the universe is composed, including our physical and subtle bodies. Matter, which vibrates at a very slow frequency, is referred to as *physical* matter. That which vibrates at speeds exceeding light velocity is known

as *subtle* matter. Subtle matter is as real as dense matter; its vibratory rate is simply faster. It is believed that two opposite ends of the spectrum--*yin*, the energy of Earth and *yang*, and the energy of heaven--combined with humans to create this vital force.

The Chinese discovered and identified twelve acupuncture *meridians* along which this energy travels in the human body. Acupuncture meridians are like copper traces on an electronic circuit board, running throughout the body. They were named by the life function associated with them. To the majority of Western scientists, acupuncture meridians seem like imaginary structures because there are no published anatomical studies of the meridians in orthodox medical journals to substantiate their existence. They prefer to believe that nerve pathways constitute the true mechanism of acupuncture therapy.

Meridians are the pathways of the positive and negative energy power, which carries on some of the communication between the various parts of human beings.

HEALTHY MERIDIAN or OBSTRUCTED MERIDIAN:

The etheric body, being part of your spirit body, is the template for the physical body. Much of the energy you need for the physical body is supplied by way of chakras and the meridian lines throughout your etheric body. These meridian lines reach from your toes to the end of your fingers or top of your head. Each set of meridian lines is connected to a specific organ of your body. Each organ functions at a different vibrational frequency.

In like, many negative emotions, which are also of different vibrational frequencies, if not allowed to pass through your bodies, will find their lodgement within fields of related frequencies within your body and organs. Such negative emotion, being those calibrating under 200 on Dr David Hawkins' Map of Consciousness, may lodge anywhere in the bodies, typically on the meridian line of the related organ to which it relates to and was attracted to.

Such slow vibrating negative emotion is a plasmatic magnetic energy ball. It can grow and grow by being fed the same fuel coming from a continuation of the same emotional injury. This stuck ball of energy will restrict the movement of needed energy flow along the meridian. This will result in discomfort, then pain, and then may manifest in illness in the organ or in aspects or regions of the body related to that organ.

Allopathic / western medicine treats the symptoms, however the cause remains held in the bodies resulting in a further or similar health issue or a reoccurrence.

The negative emotion, possibly having been held since very early childhood, can be easily removed.

Issues within the subtle bodies are energetic magnetic fields that can be removed by your focused intent to recognise the issue, locate the issue, and enable the bodies to release the emotion with the support of additional magnetic energy being provided to your governing meridian down your spine. Such healing modalities include the Emotion Code and Body Code practices, as an example.

The ultimate way to improve your health condition is to long for and receive Divine Love, this love slowly but steadily grows your soul condition and results in erroneous emotions and injuries being released from your bodies.

LETTING GO with The LOVE:

Find a comfortable position to relax and be still and free from interruption. This may be for a few minutes or as long as you may please.

Long for and ask our Heavenly Parents for Their Love, the ultimate high octane super fuel being the light golden blue energy substance of Divine Love. Each little drop of the Divine Love received whilst doing one's Feeling Healing prompts one a little further. Ask for assistance and the Love to enable held errors of thought and belief to be released. One's personal intent and involvement in letting go of past incurred difficult emotions is most beneficial.

Step 1: Focus on an issue that you would like to feel better about, and then allow yourself to feel whatever you are feeling in this moment. Identify the negative feeling. Focus quietly on the feeling. Breathe into the sensations and allow them to be.

Step 2: Ask yourself one of the following three questions:

- Could I let this feeling go?
- Could I allow this feeling to be here?
- Could I welcome this feeling?

The mechanism of letting go is concerned with the emotional “what” from moment to moment, without involving the intellect. What is the benefit of this emotional feeling? What is the point of holding this hurtful belief at all? One may start laughing at the absurdity of long held errors or injuries upon reflection. **Breathe into the sensations and allow them to be.** Your willingness to accept the sensations may intensify them. This is okay.

Step 3: No matter which question you started with, ask yourself this simple question: Would I? In other words: Am I willing to let go?

Step 4: Ask yourself this simpler question: When? This is an invitation to just let it go NOW.

Step 5: Repeat the preceding four steps as often as needed until you feel free of that particular feeling.

The only way we can truly let go of them is by SPEAKING THEM OUT OF US, getting right into them with the feeling, and emoting and expressing it – whilst longing to see the truth of it...

Our willingness to let go thinking and accept what's happening is our ticket to inner freedom. Each time you sense a disruption inside, turn down the volume on the thoughts, breathe into the sensations and allow them to be. This is what we need do to let go. Simple. The challenge comes in being vigilant with letting go all negativity – no exceptions.

This process is ever so freeing and uplifting, though sometimes difficult.

**Feeling Healing
with Divine Love is
the key!**

Dr DAVID R HAWKINS:

David Ramon Hawkins, M.D. (born June 3, 1927, died 19 September 2012) is an American psychiatrist, mystic, author and controversial spiritual teacher in Sedona, Arizona. He is best known for his book *Power vs. Force*, in which he writes that applied kinesiology can distinguish the truth or falsity of any statement. He directs the non-profit Institute for Advanced Spiritual Research Inc. and operates Veritas Publishing to publish his books and seminars.

“Make a gift of your life and lift all mankind by being kind, considerate, forgiving, and compassionate at all times, in all places, and under all conditions, with everyone as well as yourself. This is the greatest gift anyone can give.”

“Every thought, action, decision or feeling creates an eddy in the interlocking, inter-balancing, ever-moving energy fields of life, leaving a permanent record for all of time. This realization can be intimidating when it first dawns on us, but it becomes a springboard for rapid evolution.”

“The downside of spiritual education is the buildup of the vanity of 'I know' and the devaluation of people who are 'not spiritual'. Therefore it is important as a foundation to spiritual training and education to learn how consciousness manifests as the ego and its mechanisms.”

“It is only the minority of people who seek self-improvement or personal growth. This is because whatever one's self-criticisms, one secretly really believes that one's way of being is okay and probably the only correct one. They are alright as they are, and all problems are caused by other people's selfishness, unfairness, and by the external world.”

Saturday, 5 August 2017: Nanna Beth: David Hawkins is living in the mind worlds, so I am told, and would be of no benefit to you John. His legacy is again one of those things that sits well with you, that you enjoy and can relate to and use as you do. And really it is now for humanity to use what is available to it having come from the mind worlds, because there won't be anything further coming through from them. Now it will be up to the natural inspiration of the individual on Earth, and those who are working with us, those people who want to do their Healing. The ways of the Rebellion and Default are to die, to fade away, however this will happen gradually as people of it still try to advance themselves, their lives and humanity in their wrongness, but the next real new inspiration will come from those who embrace the New Way.

Everything is interconnected.

Feelings first

MUSINGS by JOHN:

Thursday, 28 September, 2017

Kevin died on 10 August 2012 without any thought for spirituality and no passion for any religion, other than showing up. On 7 August 2017, he arrived into the 1st Celestial Heaven. Three days short of 5 years!!! He had met his soulmate, Kathaleen, and she arrived a few weeks before him into the first Celestial Heaven, as you may have read.

The writings that followed from Kevin are outstanding. Kevin is now a world teacher!!! He and Kathaleen both are. Neither would comprehend this, but they are. Kathaleen and Kevin's writings answers and leads anyone to the destination we are to find, in our own time.

I would like to contrast this achievement with someone I greatly respect.

David Ramon Hawkins, M.D. (born June 3, 1927, died 19 September 2012) was an American psychiatrist, mystic, author and controversial spiritual teacher in Sedona, Arizona. He is best known for his book Power vs. Force, I have read everything I can about his works – 10 books, plus videos, etc. Miracles happened around him spontaneously. The Catholic Church would make him a saint within seconds.

Hmm – Dr David Hawkins has stayed trapped in his mind and may remain in the mind spirit Mansion World for centuries, unless he embraces his feelings. He will remain stagnant and limited in his mind condition. Whereas Kevin is now a far greater and truer teacher than this great mind of Dr Hawkins. What a switch in roles! Kevin has progressed exponentially past Dr Hawkins in soul development. Go you good things, Kev and Kath.

Cheers John

Same day: Dr David Hawkins: Hello John. I have been asked to speak to you through James in this way, you being one of my ardent fans and followers of the principles I developed through my life on Earth.

Your assessment of me is correct, and I did spend time in the mind worlds trying to assimilate all that I did on Earth with all that was happening to me in my new spirit life.

Upon my arrival over here in the first Mansion World I was greeted as something of a spiritual celebrity with a host of mind spirits (as James calls them) greeting me, they being the ones who 'empowered' me to do the so-called miracles I did on Earth.

I want to tell you, it's quite a humbling experience to realise, like many of us who did such marvellous things on Earth, that it wasn't actually our own doing, we were not the sole instigator of such 'happenings', that it was other spirits working through us. And that although I attributed it to God, still I secretly thought it was all my own incredible doing, so to have to accept that I was just a conduit – that I really was, and having little more than an innate ability to be that conduit, I felt a bit flat.

And to bolster my flagging ego, I would tune into those people on Earth who were still thinking well of me, yourself John being one such person. And here again, by doing this, I gave myself a rude shock

having to face the fact and realise that few people truly understood what I was teaching, taking my work and corrupting it for their own gain. And believe it or not, I never thought such a thing would happen. So, who of my 'earthly followers' was staying true to what I taught – who actually got it?

And I kept coming back to you as one of these people John. Admittedly, had I helped you personally, you'd have had an even greater understanding and appreciation of my work, however you accept it as is and haven't corrupted it, and have guided other people to be interested in it. So I have followed you over the years in this, which meant I also took notice of what you were doing in your other spiritual interests, some of which were vastly different to anything I'd ever heard about, or found out about over here in my limited little mind world.

And I write such things in the past tense because I am very happy to say, all of which I am so grateful to you for John, that I have now progressed into the lowest sector of the Divine Love on the first Mansion World. I am learning all about it, and about the Healing, all under the incredibly patient and loving assistance of higher Celestial spirits, like those who wanted me to speak with you today.

So you can chalk me up as one of your admirers, and a mind spirit who has converted to the 'Ways of the Divine Love'. I still have a lot more to understand, this is true, and as it's so different to my earthly and mind spirit way of thinking, will take time to integrate into my way of thinking – which means, to change my way of thinking into a completely new way.

That is all I wanted to say. And although you might think that my coming is rather inconvenient with you having just written about me again, however here I am and this is what I want to say.

All the best to you John. You have no idea how grateful I am to you, and I have a strong pleasant feeling that that gratitude is only going to increase.

Yours respectfully,
Dr. David Hawkins

(James: As I was reading your comparison of the Doctor with K and K, I started to feel the energy building... oh here we go again... he's wanting to speak to me!)

Friday, 29 September 2017: Dear James and John (Noted from Samantha in England)

To be 'used' so fully by Mind Spirits, to create all he (Dr David) did under their influence, all so cunning, that must have felt quite devastating to him and I am feeling a lot of sadness, emptiness and let down with in myself as I understand how it feels to learn that my whole life has not been my own but that of my parents, their will, control and untruth and I have felt feelings of it all being such a waste of my experience being like that, a waste of the personality God created me to be. I am very sad as Dr David Hawkins realised how 'used' he has been, being a conduit for the Mind Spirits, I feel like that too, used by my parents to be as they wanted me to be instead of nurturing me to be myself and help develop the personality God gifted me.

I (Sam) bought 'Letting Go – the pathway of Surrender' by Dr Hawkins and I was very up with all of his feeling work but then felt the change in me with the mind dominant aspect of Dr Hawkins work, it was that I wasn't drawn to and felt myself draw back from it but now he can go on from what he already

knows, go further into the feeling aspect of what he discovered and I am sure he will get so much support in that from the Divine Love spirits that are guided to help him. Isn't that just so wonderful John, to have that help, like you have in Kevin and Kathaleen.

CONCLUSION:

David Hawkins' own story explains that the 'Letting Go' process is inadequate. The 'Letting Go' publication and process is his own research. Pure and simple; Dr David was knocking on the door, but that process was unable to open the door.

Again, his own story now endorses the Feeling Healing process!

This leaves no doubt as to the veracity of what Marion and James and Samantha are doing. It is THE ONLY WAY! The only way being the Feeling Healing process coupled with Divine Love.

This clears away confusion for many people who may explore everything. Other emotional processing and releasing modalities simply do not delve far enough into one's injuries and errors of belief. Yes, they provide some temporary relief, but none of them go beyond the mind and into the soul to the core and foundation of our injuries, all of which stem from our childhood upbringing.

Dr David Hawkins has now clearly put aside his own teachings and confirmed that his and all other modalities are inadequate.

Now, we all can focus upon the only way home!

FEELING HEALING with DIVINE LOVE is SOUL HEALING:

Firstly, consider discovering the truth of your emotional pain through Feeling Healing.
Secondly, consider longing for our Heavenly Parents' Love as you progress with your healing.
Primary and most important readings are the writings of James Moncrief.
Then consider the Padgett Messages, and then The Urantia Book.

Release one's pain through expressing one's feelings.

in conjunction with

Longing for the Truth when also longing for Divine Love.

FEELING HEALING + SOUL HEALING

To heal one's self is to simply look to see what feelings we are refusing to let ourself feel, and accept them instead of denying them. And to fully accept them, one needs to express them, speak about them, let them have their say, rather than pushing them aside, refusing to let them make you feel bad.

Doing this all with the intention of seeking the truth of why you are feeling them, of speaking about and expressing all such feelings; all feelings you have, but ALL WITH the INTENTION of UNCOVERING the TRUTH THEY WANT YOU TO SEE ABOUT YOURSELF. And it's the wanting to see the truth of them that is very important, because if you just look to accept them and speak and express them, but not seek their truth, then that's all you'll be doing, speaking and expressing them, but not healing their causes, so not fixing the things within you that are making you feel bad. And it's the truth part of it, seeking the truth of your feelings, and so, seeking the truth through your feelings, that's vitally important. It's the truth of yourself, life, nature and God, that is the spiritual aspect to it all.

You CAN'T find the truth of yourself, or anything else, through and with only your mind. You HAVE to engage and look to your feelings. And so if you choose to allow your feelings to 'Show You the Way', then the truth will come as you express them. So to do our Soul-Healing consists of these steps, all of which are ongoing until it's done:

- **Admit you are feeling bad.**
- **Accept your bad feelings, identify what they are.**
- **Honour fully your bad feelings by expressing them, speaking about them to someone who is willing to hear you talk about them, or tell them out loud to our Heavenly Parents. Long for the truth of them. Long for the truth of why you feel bad – what deep within you is causing your bad feelings?**
- **And remember, bad feelings are Good! Not bad. They are not to be despised. And as hard as it is to accept them, they are still you, and a very real part of you. And if you persist in denying them and not allowing yourself to fully live them, then you are only going to keep yourself in your errors making things harder for yourself.**
- **All sickness and suffering, all bad things that happen to you, all your problems, all your addictions – your whole feeling-denying and untrue life, is all caused by your denial of bad feelings.**
- **Every problem in the world is brought about because everyone has been brought up to deny feelings, and in particular, most of their bad ones.**

If one is intent on spiritually evolving and growing in truth, then it's vital, and this is the key, that one looks to use one's feelings as the means to gain and have access to the truth of oneself. You CAN'T find the truth of yourself or anything else through and with only your mind. You HAVE to engage and look to your feelings. And so if you choose to allow your feelings to 'Show You the Way', then the truth will come as you express them.

Doing your Soul-Healing with the Divine Love, is really doing your 'Feeling-Healing'. We are designed — created — to be self-revealing of truth, and so we are all to uncover the truth within ourselves and for ourselves, and all being done by living true to our feelings. **If you accept, express and seek the truth of your feelings, then truth will come to you, and you'll grow spiritually. It's as easy as that. Also it is as easy as it is to long for, ask for and receive Divine Love.**

FEEL *for* TRUTH

The beauty of it all, is the truth comes to you through your own feelings. You don't need to be told it by anyone. You can work it all out for yourself. We are self-revealing of truth, it's how God created us to be, and by being it we'll feel the happiest we can feel. Truth is our great comforter, so when you feel it come up within you, ah it feels so good and you feel just right – perfect!

We know only how to deny feelings, now we can get to know how to accept them. And always with the truth being the most important part.

FEELING TRUTH

If you don't want to uncover the truth of your feelings, then you can keep on expressing them forever but you will never fully heal yourself. Seeing the truth results in the Healing. And to see the truth you need to express all the pain out of you. The two things go hand in hand.

You can accept and express your bad feelings, letting off steam all day long, yet nothing will heal and nothing much will come of it. So this is where wanting your feelings to show you the truth of why you're feeling as you are is so important.

Don't go fishing with your mind, that will shut the truth out from rising up for you. **KEEP YOUR MIND OUT OF IT.** It's a feeling thing, doing your Feeling-Healing. (This is where we erred previously, and this how other modalities are in error.)

You long when you can, then stop longing and keep expressing. And at some point, and it might not even happen immediately, it might happen after days or weeks of expressing the same bad feelings, truth will come to you. And it does, it just comes up suddenly into your consciousness. You just know. You see the picture and you feel it's true. And you know it's true. And THEN your mind can come in and start sorting it out and putting in context.

It's the Truth that we are seeking. It's the End Point. The Reason for doing your Healing. You are to see the whole Truth of yourself. And to begin with, that's the whole truth of your unloving self, of your wrongness, of your evilness, of why you are as you are in your negative unloving mind-controlling state. To be able to fully accept yourself as you are, warts and all. To not fight or resist or try and change yourself, just to accept all you feel and all the truth of all those bad feelings you feel about yourself. And when you do, so you will be healed. You CAN'T heal yourself unless you uncover the truth of your pain, suffering and so the truth of all your bad feelings.

Through our Feeling-Healing we long for the truth of what we're feeling whenever we can. So as often as you can. You want, and REALLY WANT WITH ALL YOUR BEING, ALL YOUR WILL, to know why you are feeling bad. You yearn, want, long and beg and beg and BEG God to show you the truth of yourself through your feelings. So when you are expressing your bad feelings you can stop and long for the truth to show you what's going on, why do you feel so bad, and you can do it any time you think of it or feel to do it.

Notes from 'Feeling Healing' by James Moncrief

Heartfelt TRUTH

Our FEELINGS are our SUPREME GUIDES:

Feelings!

Feelings are what guide us through our ascension of truth. So they are really our Supreme Guides. Many people look for a person, spirit, angel, even God, for supreme guidance, however it's all right there already built in – in our feelings. **We just have to submit to them, allowing them to take us where they will, expressing all the parts we want to express, letting the emotion drive that expression if it's there to be expressed, or just talking about all we feel and how feeling that feeling is making us feel – or, how we feel about having that feeling, all whilst longing for the truth of our feelings. Longing for the truth of our feelings is really: Longing for the truth of our self, because: we are our feelings. So life stirs up our feelings, we feel being alive; or, being alive means we are feeling, always feeling; and when we work out what and why we are feeling what we are, so then we know the truth of how we are. And over time the truth accumulates, and our mind expands our understanding of ourselves, all being driven from our feelings.**

Kevin 26 Sep 2017

Using our feelings to uncover the whole truth of our negative or anti truth and anti love state.

Kevin: **So whilst we're of an untrue state, then all we have got to help us understand why we feel bad, why we are wrong, why we are negative and anti love and truth, is our feelings. So if we focus on our bad feelings, they will lead us to the truth of why we're feeling bad. Which will be the truth of what happened to us to make us be this wrong way, and how we took on the wrong way and keep it going making us feel bad.**

FEELING HEALING

Note: The vital difference between emotion and feeling is that emotions have their roots in the past, and feelings relate to the present moment. Emotions represent our feelings which were not previously expressed, and these accumulate with time.

Note: **Our feelings are soul-based. Our soul is always in truth. It is our soul based feelings, that when allowed to be freely recognised, we will begin to express and be who we are. This takes time and perseverance as we have encrusted our souls with layers upon layers of errors and false beliefs, it is these layers that will confuse the truth that our soul is conveying to us. Only by our progression with our Feeling Healing will our soul's expression of truth become clear and free of all cloudiness and contamination.**

“What our soul needs in accordance with our own, individual, **Soul-Light-Plan-Of-Destiny** (your life's true destiny plan), They, being our Mother and Father, will give you as required. The only way we can know truly what we need is to honour and follow our true feelings. They, springing from our soul, literally telling us what we need, and so when we genuinely feel we need something, we apply our will to get it. The hard part is knowing if our feelings are true, and until we have done our whole soul-healing, they won't be clear and totally true.” James – Introduction Course to Divine Love Spirituality

Feeling Free

The New Way, Feelings First Spirituality
 Learn to live with God through your Feelings

Accept, express and long for the truth of your feelings

Be free in your feelings
 Free your feelings from your mind's control
 Live true to your feelings; your feelings are your true self
 Live true to yourself through your feelings

Live true to yourself by living true to your feelings.
 Long for the truth of your feelings.

Accept / Express / Bring out ALL of your good, and most importantly,
 BAD feelings.
 Want to understand why you're feeling them.
 Use your surface feelings to take you deeper into your repressed and
 hidden feelings.

The Feeling Way is the True Way.
 Your feelings are your spiritual guide.
 Your feelings will take you to God.

Your feelings will show you the truth of your relationships, including your relationship with God; and if anything is wrong, untrue and unloving, then why it is.

Our feelings are sacrosanct and we should respect them accordingly. And we should NEVER block them out, ignore, override, banish, deny or reject them, because if we do, we're only doing that to ourselves, as Our Feelings Are Our Self.

Our feelings are the gateway to our soul. Our feelings are the closest we can get to our soul. Knowing the truth of our feelings is knowing the truth of our soul, and knowing the truth of God.

Feelings First Spirituality is the True path for humanity.
 It embraces all people.

It completely unifies the world.

Everyone can relate to everyone else through their feelings.

And we can all live the truth that comes from our feelings, all sharing the same truths as we express and have the same feelings.

No one need be left out; no one is more special than anyone else – we are all united in Truth through our feelings.

So with and through our truth we live our lives, therefore without the need of any man-made mind-laws, rules and restrictions that limit self-expression as inspired by our feelings.

The New Way, Feelings First Spirituality is what is to replace all man-made, mind-contrived religions that so many people have enslaved themselves to. The New Way, Feelings First Spirituality will set us free of all that control, ending the Rebellion and Default within ourselves as we do our Feeling-Healing, and ending such control and spiritual stagnation in the world.

Bring on the End Times – get it over and done with! Let's all see that Jesus is not going to come again, that Prophecy has failed all the mind-controlled platforms. Allow such false systems of belief to die their long-awaited natural death, they've overstayed their welcome, it's now time they fade away. So let us show such antiquated, erroneous systems of belief the exit and bring on the fresh liberation of discovering the truth of how we are to live for ourselves, each of us personally in our lives, and all by looking to our own feelings for it. Self-revelation through our feelings is the way to go.

The Way of the Mind is ending, and is really the End Times – the End of our mind control, and **it's about time!** With the Way of our Feelings replacing it.

The End Times means the end and therefore a New Beginning. And that new beginning is a whole new Spiritual Age – an age based on self-revelation of truth through one's feelings, coupled with and supported by higher revelations from the Celestial spirits, angels and nature spirits.

The Feelings First Spirituality is the True Way to God because it helps you get to know God, helping you to reach out, connect and be personal with God, and do God's Will, all through your feelings. It is the only true way of getting to know the God of Feelings – our beloved Heavenly Mother and Father, the Great Soul of Divine Love.

Love comes through our feelings and not our mind, as we've all been wrongly led to believe.

Feelings First; then comes The Truth; then comes Love.

LOVE is the Religion of Feelings, being:

Feelings First Spirituality, The New Way

The CHOICE is OURS to MAKE:

Celestial Truth:

Truly all-loving;
 Living true to oneself;
 Mind supporting Feelings;
 Living with the Divine Love;
 Fully Healed of the Rebellion and Default.

THE FEELING WAY

Feeling – Ascendance
 Unlimited progression

- Living true to your untruth;
- Honouring all your bad feelings;
- Expressing feelings to uncover their truth;
- Healing the Rebellion and Default within yourself;
- Feeling unloved; being unloving;
- Feeling as bad as you can feel;
- Feeling like you are no one special;
- Longing for the Divine Love.

THE MIND WAY

Mind – Transcendence
 Limited progression

- Enlightenment, Nirvana, feeling all-loving;
- All false, mind-contrived. Anti-truth, anti-love;
- Still evolving the Rebellion and Default within yourself;
- Feeling and believing you are the Superior One;
- Living with your mind in control of your feelings;
- Living rejecting all your bad feelings;
- Living with your mind contriving you feel loved;
- Rejecting the Divine Love.

All religions, New Age, agnostic,
 atheists, no spiritual interest,
 Living the Rebellion and Default.

Hell:
 Exploiting the Rebellion and Default.

The Feelings are the doer; the Mind the teller. So we are to go with our feelings, which we can't be told to do with our mind. So the longing for the Divine Love, doing our Healing by expressing our feelings and longing for their truth, are all feelings and doing it with longing. Whereas the mind just wants to tell us what to do and how to be, no feelings in it, all how our parents have treated us.

THE HEALING OF YOUR BAD FEELINGS THROUGH THEIR ACCEPTANCE AND FINDING THE TRUTH OF THEM, IS THE ACCEPTANCE OF YOUR NEGATIVE, REBELLIOUS, EVIL, IMPERFECT MIND AND WILL CONDITION.

To do our feeling-healing we need to become:

Aware of – Acknowledge – and Admit, our bad feelings.

So we can:

Accept – them and allow ourselves to Be them.

And then if we feel to, take:

Action – Express, speak and emote them.

Talk about them.

All being done whilst longing to, really wanting to, see the TRUTH of our feelings.

So it sounds simple.

So I repeat:

We accept our bad feelings by expressing – speaking about them to someone willing to listen to us and take us seriously. And as we speak we long for the truth of them – why we are feeling them – to be made known to us. And when we uncover and see the truth we are FREE! – healed of the causes that have made us feel bad.

Accept, Express – see the Truth, and you're Free!

ACCEPTANCE OF ALL YOU FEEL, THINK AND ARE, IS THE KEY TO DOING YOUR HEALING; THAT, AND WANTING TO SEE THE TRUTH OF ALL YOU FEEL, THINK AND ARE.

Release one's pain through expressing one's feelings.

REVELATIONS

Revelation 1: Our soul becomes encrusted with harmful ways of life, plus negative and erroneous beliefs, these mainly stem from our childhood upbringing and environment. Thus we live untrue to ourselves, we become 'evil'. Whilst we hold to these injuries we limit the amount of Love that we can receive into our soul. To open our soul to the Love we must firstly and progressively feel into our emotional injuries and allow them to be released. Until we emotionally experience past errors and injuries we hold onto them.

To free our soul of damage and toxic emotions we must open ourselves to experiencing them. This is a progressive, slow and uncomfortable cleansing process that we must all experience. Only by addressing the generational injuries will we, as humanity, evolve in love.

To fully divest one's self of our badness, we have to 'go into' our feelings. Call this process of clearing toxic emotions as 'Letting Go', 'Emotional Processing', 'Journey Process' or 'Feeling Healing'. Embracing Divine Love then Feeling Healing becomes Soul Healing.

As part of our Feeling-Healing we will have to work our way into all our feelings to see if indeed they are coming truly from our heart and soul, or if they are being heavily influenced by our mind. And this will then lead us into questioning and uncovering the truth, if there is any, to our beliefs and why we behave the way we do; and is such behaviour based on truth, or is it based once again on untruth, belief, and rules of our mind.

Revelation 2: We can long for, ask for and receive the Mother and Father's Divine Love. The greater our soul is free of error and injury, the more of the Divine Love can be received and assimilated into our natural love formed soul. The Love does not free us of injury, however, it strengthens our resolve to continue on our journey to be free of error and injury, to step away from evil aspects that have been encapsulated within our humanness and soul. It is this Love, the Divine Love, that brings about immortality of our soul and it is this Love that will eventually fit us to enter the Celestial Heavens and progress for ever more onwards to Paradise. These two revelations free us from error and enable us to grow in love ever more.

Immortality with the Love.

REVELATION 1

The availability of Divine Love, should we so ask for it, being revelation 1:

God's Divine Love: Pray for it, ask for it, and receive it.

Whilst we are receiving our Heavenly Parent's Divine Love, and that this Love is causing change within our soul and spirit attributes, the greatest Truth known to man and spirit is that this is the way the Father is actually loving us! When we progress, it is the Father's way of loving us into love and then we live what we are, love.

REVELATION 2

The way to clear one's soul of childhood errors and injuries is revelation 2:

To liberate one's real self, one's will, being one's soul, is begun by embracing Feeling Healing, so as to clear emotional injuries and errors. With the Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

Release one's pain through expressing one's feelings.

LUMINOSITY of the SOUL can be LIKENED to the FOLLOWING:

**1st sphere, lower regions – Natural Love MoC 50+/-
The soul condition of a soul that is obliged to spend some time within the ‘hells’ may be no bigger than a dried garden pea. There is no luminosity and the environment is total darkness.**

The typical soul condition of humanity is such that they generate the luminosity of a single candle.

1st sphere, mid regions – Natural Love MoC 210

A soul that has grown in love and soul condition equivalent to the 8th sphere – the point of becoming at one with God, the luminosity of such a soul is equivalent to the midday sun.

**8th sphere – only possible with Divine Love while doing one’s Feelin Healing!

OUR JOURNEY of GROWTH in LOVE
 All we need do is to ask for God's Divine Love – it is that simple.
 Ask directly, no intermediaries needed.

Souls, being thoughts of God, are ready for incarnation in their billions. These souls are at the level of the 6th sphere in a natural love state, however, they are not within the 6th sphere perse. These souls are not self aware. Prior to incarnation, they do not express free will. There is nothing of the Divine within the soul. They have an instinct to incarnate. Incarnation of the two soul halves, male and female aspects, typically occurs within a 5 or 6 year time frame, however the timing may be 20 to 60 years apart. To become conscious of self, you must incarnate. This is the individualisation process.

The soul half that incarnates is the one most suitable for the characteristics and character of the attracting parents. Upon incarnation, one's soul condition adjusts to reflect the soul conditions of those around it, typically reflecting closely the soul conditions of one's parents. Upon completion of individualisation process, that is incarnation which may be only a short experience in the mother's womb, we never need return to the physical state. To be able to return to our Heavenly Parents, we need to use our free will and ask for Their Divine Love.

WE ALL ARE BEING GUIDED HOME:

We need the Spirits of Truth of the Avonal Pair to Heal ourselves; then once Healed, (and for support (overshadowing) as well through your Healing), we need the Creator Pair, Mary Magdalene and Jesus' Spirits of Truth to see us through the Celestial spheres, while at all times embracing our Heavenly Mother and Father.

Until Mary and Jesus died and liberated their Spirits of Truth, no one from any of the worlds could leave Nebadon, because no one knew the way to do so. Nebadon is our local universe containing some 3.8 million inhabited physical worlds and their associated spirit worlds.

When we embrace the truths Mary and Jesus are revealing, and start to do our Feeling Healing, or with Divine Love, Soul Healing, we are then freeing ourselves up from our parental and self control.

Thus our journey to Paradise, to the home of our Heavenly Parents, is of our choosing as to when we progress, however, there is only one way:

HUM: Humanity is to ascend. We are self contained. Our soul is always in truth and perfect at all times. **By living true to ourself, true to our feelings, we are living true to God. It's that simple.**

We are to recognise that being engaged and dominated by our mind is the wrong way for us to evolve and grow in truth. We are to discard the mind enslavement that has been imposed upon as by all of our parents. We are to express our feelings, both good and bad and free ourselves of the indoctrination that humanity has embraced worldwide.

Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God's soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of our Mother and Father.

AVO: We are to embrace the truths and guidance of the Avonal Pair through their Spirits of Truth. It is the Avonal Pair's guidance that will lead us through our Feeling Healing, and with Divine Love, we will be able to ascend through the 7 spirit Mansion Worlds and enter the Celestial Heavens where we also interact with other world's spirits.

J&M: We are also to embrace the truths and guidance of the Paradise Pair, Mary and Jesus, who will then lead us through the 3 Celestial Heavens that are aligned with Earth, and then further on through Nebadon where we will then depart beyond on towards Paradise.

M&F: Beyond the universal zone of Nebadon, we will be guided by our Heavenly Mother and Father onwards through the universes to Paradise where we will be welcomed by them, home for us all, as we are all Children of God.

WE ALL ARE BEING GUIDED HOME – NOW, HOW TO COMMENCE THE JOURNEY:

GOD

M&F

For 200,000 years, we have been misled into embracing our mind's distortion of wisdom and truth. All such traditional understandings only lead us in the wrong direction, from which we must turn back from. Our soul based feelings are always in truth. Our minds are to follow our soul based truths and feelings, not the other way round, as we have been brought up to embrace.

We are to connect with our deeper repressed feelings.
We are to long for the truth of what we are feeling.
We are to live true to our selves; by living true to our feelings.

Use your surface day-to-day feelings to connect with your deeper repressed feelings. Express your surface feelings and your deeper repressed feelings to uncover the truth of yourself.

J&M

We all have feelings which we communicate and share with each other. And we all have deeper buried and hidden repressed feelings. Feelings from our early childhood we felt, yet weren't allowed to express. These feelings are still within us, waiting to have their say. These feelings, because they are repressed, cause us all our problems.

And as we look to uncover, bring out and accept these deeper feelings, so we're taken into new ways of looking at ourselves, our feelings, and our life. We're setting ourselves free of the controlling patterns that govern our unloving behaviour.

In this way, we progressively begin to express the personality that our Heavenly Mother and Father gave us, not the one imposed upon us by our physical parents and carers. We are to be our true and real selves.

By living true to ourself, true to our feelings, we are living true to God. It's that simple.

AVO

HUM

As we, humanity, long for the truth of our feelings, we can also be assisted by the Spirits of Truth of the Avonal Pair who are our spiritual teachers for Earth over this coming 1,000 years, to assist us through the Great U-Turn, away from mind dominance to being soul based feeling lead. They will assist us through the seven levels of the spirit Mansion Worlds.

Then the Creator Pair, Jesus and Mary, will lead us through Neadon and into the greater universe. Then our Heavenly Mother and Father lead us home to Paradise.

Collectively, should we embrace them all, as we are to, then our pathway home is a journey in the hands of the Spirits of Truth of the Avonal and Paradise Pairs overseen by our Heavenly Parents.

WE ARE Children of God

HOW TO GET TO PARADISE:**Long for the Divine Love****Long for the Truth****Long for the truth of your feelings****Don't deny any feelings: accept, express and want to know the truth of them****Know your feelings are the key; your feelings are the Way****Want to end your falseness and being untrue****Want to understand the truth of your early life****Use your surface feelings to move deeper into yourself, bringing up your repressed feelings****Want and long to know the whole truth of yourself****Want to do it all with God, your Heavenly Mother and Father – long to Them for help.****The Key**

Our longing drives our life. We long with feelings. We can wish for things using our mind, yet long for things with our heart. These things in the pyramid are what to long for. Longing for them, when the longing comes naturally. Longing because you feel you really want them. Long to be true with all your heart. Long to live true to your feelings. Long to understand the whole truth of yourself.

PARADISE TRINITY:

1. **Our MOTHER and FATHER (God) (MF) – Divine Love**
SOUL (God) – One SOUL that is expressing its two PERSONALITIES, our Heavenly Mother and Heavenly Father (Soulmates / Soul Partners)
2. **ETERNAL SON (ES) – Divine Truth**
3. **INFINITE DAUGHTER (ID) – Divine Mind**

Then: The Second and Third Persons of the Paradise Trinity (ES and ID) are stepped down to the local universe trinity (Mary and Jesus, Divine Minister (DM), and her Holy Spirit).

The LOCAL UNIVERSE TRINITY:

1. **MARY M and JESUS (MF) – Love – the Living Truth**
2. **DIVINE MINISTER (DM) – Mind (and her Holy Spirit)**
3. **HUMANITY – Natural love, sons and Daughters – Truth, and our Angels – Mind**

PLANETS that engage in REBELLION:

1. **AVONAL SOULMATE PAIR – the Feeling Healing process – incarnate**
2. **DAYNAL – TEACHER PAIRS – they do not incarnate**

So in summary:

Consider a diamond:

Mother and Father Heavenly Parents

Creator Son & Daughter
Jesus and Mary

Avonals
as soulmate pairs

Trinity Teachers
as soulmate pairs

Melchizediks – who have taken over from the Caligastians and Daligastians being also all as soulmate pairs / soul partners.

Mortal Souls – human beings who individualise on Earth, then progress through the spirit Mansion Worlds, then into the Celestial Heavens, and beyond.

Mortal Souls – also being ascending spirits, upon completing their Soul Healing, join with their soulmate, then join their soul group of 24 mortal spirits, being 12 soul pairs. It is only as a soulgroup that anyone can progress beyond Nebadon.

The Paradise Pairs are all ONLY concerned with the SPIRITUAL wellbeing and upliftment of the planets and local universe. Currently to do with Earth:

Mary and Jesus – spiritual wellbeing and upliftment of the whole of Nebadon region.

Avonal Pair – Daynal pairs (Trinity Teacher Daughters and Sons) – Spiritual wellbeing and upliftment of individual planets and their associated mansion worlds.

The Local universal Sons and Daughters are all about the running of the worlds under their jurisdiction, and ensuring the higher spiritual elements can be employed, or sent astray, as in our cases through the Rebellion and Default.

Lanonandeks – Melchizedeks (and others, such as Life Carriers and Eve and Adam).

As the Lanonandeks all rebelled – the Lucifers, Satans, Caligastias and Daligastias soulmate pairs / soul partners – so the Melchizedeks have taken over their roles, as well as doing their own.

So the Melchizedeks are the governors, overseers, the administrators and advisors and so on for Earth; they are the ‘controllers’, and they will instigate all that needs to be done to do with the ending of the Rebellion and Default. And they will enlist the willing help of ascending mortal pairs, so the mortal Celestials spirits (soulmates when available, and others waiting to unite with their partner), and at times mortal spirits in the Divine Love Healing Mansion Worlds. And the angels help all of us.

Currently the whole of Creation exists for the ascension of mortal souls from their earth planets to Paradise. It’s all one vast Grand Ascension Scheme. With all the higher and lower spiritual Daughters and Sons, together with all the many different angels and other universal spirit personalities, and even including nature and our very own pets, assisting women and men with their Ascension Journey. It being: and Ascension of Truth. Everything we do is done to help us grow in truth. (Only everything we do in our negative state is to deny ourselves our truth from our feelings, which is why we have to do our Healing.) All women and men are ascending (or growing) in truth through their experiences. And as we grow in truth by looking to our feelings to show us that truth, so we’re ascending, moving inwards and upwards through all the worlds and spheres of the Grand Universe to one day arrive on Paradise and meet our Heavenly Parents. God is providing us, Their children, with this spiritual journey called our Ascension of Truth. And by living true to our feelings, so we are progressing on our true Spiritual Path – our Ascension Path.

CREATION of SOUL and SPIRIT:

God is *The Paradise Trinity* — the eternal Deity union of the Personalities: the Universal Mother and Father; the Eternal Son of Truth; and the Infinite Daughter Spirit of Mind.

The soul of each human personality (sons and daughters of truth) is existential, driving our personality expression in the experiential. The soul of each human finds truth by embracing one’s feelings and longing for the truth of them. We are to attain the Eternal Son of Truth. We are a creation of Truth.

The soul of angels is experiential, evolving through their experience by continually progressing in mind development. Angels are to attain the Infinite Daughter (Spirit) of Mind. Angels are a creation of Mind. Our soul is duplex (we have a soulmate) and is created by our Heavenly Parents. Through our Feeling Healing we perfect ourselves enabling the union with our soulmate, as we progress in truth up through the Mansion Worlds, celestial heavens and all the way to Paradise.

Feeling Pathway

Mind Pathway

Soulmate Pair

Angel

The soul of angels is also duplex, yet of the mind, and they progress in mind evolution to Paradise. Animals, plants and nature spirits are also creations of Mind.

Neither we nor animals reincarnate. We never die; upon death, we move into the spirit Mansion Worlds on our journey to Paradise. When animals and plants die, be they the tiny microbe to the mighty elephants of the land and the whales of the ocean, their spirit energy returns to the Spirit Collective Energy. And from this energy are drawn other animals and the nature spirits, who then in turn move onto becoming angels through increasing mind experience.

DIVINE LOVE – what does it do?

The divine gift from asking for and receiving Divine Love will steadily, but with certainty, raise one's quality of life and also of all those around such a person who is seeking and receiving this Love.

“The Law of Compensation doesn't operate on isolated actions, but on the overall condition of people's souls, because the deeds are the consequence of this condition. Our behaviour is the reflection of our souls. Never see isolated deeds, always see souls whose condition leads to certain deeds. It is the soul condition which determines the motive and consequently the action. It is our lack of trust in God, this ultimate and definitive trust, which only soul development may give us. This lack is why we suffer.”

Judas of Kerioth 5th October 2001

As you grow in love, illness issues abate, financial security improves, and your treatment of your fellow man is the same as how you would like to be treated. You grow in natural intelligence, your perception on many subjects becomes profoundly more loving and supportive of and for your way of life and how you interact with your fellow man.

This quality of life and love permeates and extends into every facet of your physical life and continues to grow as you progress on your journey within the spirit world.

Your capabilities to ask for and receive Divine Love is a gift between you and your creator, God. You do not need an intermediary, nor do you need to join with any organisation. This is your own personal journey and experience. You can share this with others, but no one can take it away from you.

This Love will elevate the human soul to a condition that it may perceive the spiritual truths which God has waiting to be revealed to Their children who aspire to understand the nature of the divine and what their true relationship to Them and their family of souls is.

“Keep faith with God, and be open to Their Love, and you will overcome with confidence and, indeed, peace of mind, optimism and happiness, those circumstances that seem to mar the fulfilment of your years.” Mary (mother)

‘The difference between what are regarded as two paths, the Natural Love Path and the Divine Love Path, is, essentially, the amount of Divine Love that beings have been able to acquire.’

Quote from Celestial Spirit Richard 22 Dec 2012

Prayer for Divine Love

Long to God for Their Divine Love

Begin with the understanding that God, your Heavenly Mother and Heavenly Father, are offering you Their Divine Love. And all you have to do is want it, want Them to give it to you, to love you. So when you feel you want it, you long directly to Them for it, asking them through your feelings (with longing) to fill your heart and soul with Their Divine Love.

You can long for Their Divine Love, anywhere and at any time. It can be a formal prayer – longing, such as sitting in meditation or prayer, opening your heart to Them, and longing to Them for Their Divine Love. Or you can do it spontaneously on the go, when the desire to long to Them for Their Divine Love comes over you, or when you remember to do it.

Wanting God's Divine Love in your soul is about wanting to develop a very personal relationship with your Heavenly Parents. Speak to God as your real Parents. Tell Them all you are thinking and feeling, as you would your earthly parents (provided you had a loving relationship enough with them to do that.) If you feel angry with God, hating Them, express all your negative unloving feelings to Them too. Don't hold back, share and give all of yourself to Them, They want to get to know you, as you want to get to know Them. And keep longing for Their Divine Love.

We have to long, reach out wanting Their love through our feelings and with the full will of wanting it, which doesn't involve any words, so with the mind staying out of it. It's a yearning from your heart wanting to be loved by Them, so wanting Them to give you Their Divine Love – to love you, and to make you feel loved by Them. So it doesn't involve words, it's an inner yearning, longing, desire to partake of their Divine Love that is required by us. Then we can support this longing using our mind by saying actual words (praying). So say whatever words you want to say to Them, whilst you are longing with your heart for Their Divine Love.

Just be yourself, say whatever you want to Them, as you long for Their Divine Love. The more personal, open and honest you can be with Them the better your relationship with Them can develop.

And once you've longed, which can take only a moment, then give yourself time for Them to love you. You might feel the Holy Spirit coming about you, and then Their

Divine Love coming into you, gently, very subtly, or strongly, even very strongly in a whoosh. It's different for each of us, and different often each time we long. And if you have previously longed to God in any way yet not specifically for Their Divine Love, when you do specifically ask Them for it, it will be a very familiar experience you'll have receiving it.

If you are sitting formally in mediation or prayer, once you've longed to Them for Their Divine Love, and you feel the Holy Spirit bringing it to you, you might find your head wants to move upwards as if looking into Heaven. Allow it too, but if it wants to keep going, don't stress yourself by hurting your neck, bring your head forward again. It's a lovely feeling sitting in the Light of the Divine Love, feeling it coming into your heart and soul. And you might find that you enjoy sitting for five minutes or half an hour, then suddenly the 'light goes off' and the prayer is over as you've received enough Divine Love for the time being.

Also, don't be surprised if at first you can feel the Love readily coming into you but as the years pass it seems to get less and less and you feel less inclined to long for it. This is naturally meaning you have received enough for the time being, you will need to do more of your Spiritual Healing before your soul is ready to receive more.

Summary:

Long with all your heart to your Heavenly Mother and Father for Their Divine Love.

Prayers to our Mother and Father

From 'Religion of Feelings' by James Moncrief

Please Mother and Father help me accept my untrue state and bring up all my repressed feelings so I can see the full truth of why I feel so unloved and all that's wrong with me.

Please Mother and Father help me see the truth of myself through my feelings.

Please my beloved Heavenly Parents, fill my soul with Your Divine Love. I long for Your Divine Love; please answer my prayer and yearning to be at-one with You and do Your Will by living true to myself and all my feelings. Please fill my heart and soul with Your Divine Love – please make my soul like Yours – Divine.

Please Mother and Father, I want to uncover the whole truth of myself through my feelings. I want to be able to feel and accept just how bad I am, how bad I feel I am, how bad I've been in my life. I want to know the whole ugly truth of myself, see it and feel it and understand how I came to be it. Please reveal to me through my feelings all the truth of myself You want me to see. I want to be as You want me to be; I want to be true and perfect, Healed of all my rebelliousness and self- and feeling-denial; I want to be good, loving, true and happy, please help me become true to myself, true to my soul, true to You.

Please Mother and Father help me, I'm in such bad pain, I feel so alone, so miserable, so scared, what's going to become of me, I don't understand, what's the point of me, why have You made me; please help me see the truth of myself – all the truths of myself, nature, how to be in the world, of You both. I want to know, I want to know it all through my feelings, all that there is to see, the whole truth and nothing but the truth. Please help all my pain come to the surface of me so I can embrace and accept and express it out of me. I want to use my feelings to uncover the truth they are to show me; please help me to do that.

Please Mother and Father love me. I want You to love me. I want to feel fully loved by You. I don't want anything else, only to be with You. Please, that is all I am asking.

Please make me feel how unloving I am. Please show me the horrible truth that I am. I want to see and feel and understand the worst of me, please take me into my darkest scariest ugliest unwanted rejected places within myself. I don't want to feel all the dreadful pain that I know is there locked away inside me, yet I do also want it all to come up and out of me, and I want to use it to see the truth of my wrongness, the truth of how evil I am, the truth of my fucked up state. I no longer want to be false, pretending I am okay, using my mind to make me falsely believe I am good, happy, loved and loving, when I know I'm not. For how can I be when You've brought me into my unloving state, making me be of it. And as You want me to experience being this negative way, please show me the whole truth of it. I no longer want to deny any part of myself, or any of my bad feelings. I want them all to come up so I can express them, emoting their pain, feeling how bad You've made me feel all my life and all through my early life; I want to see why, and so reveal all the truth to myself. I want to be the living truth of myself, living true to my feelings and the truth they give rise to. Please help me to do my Healing, and please fill my soul with Your Divine Love.

The mind way is the 'dead' way; the feelings way is the 'alive' way.

Examples of some prayers to God:

From 'Feeling Healing' by James Moncrief

Please God show me the truth of myself through my feelings.

Please help me see the truth about myself You want me to see.

And please help me feel all my repressed pain; please bring up all my bad feelings so I can express them and see what it is they are to show me about myself, my life, and You.

And please help me work through my blocks, I want to Heal myself, I want to become true to myself and true to my feelings and true to You – please help me do that.

Heavenly Mother and Father, I feel so bad, and I know I'm doing it to myself, but I can't help it. I can't stop my compulsive addictions, so will you please bring up the buried feelings in me and show me the reasons why I can't stop. Please! I want to know – I REALLY WANT TO KNOW why I do them. Please help me Mother and Father to uncover the truth of myself. Please, I beg you, please, please, please show me the truth of them so I can give them up. I hate feeling bad, yet I know I must so I can keep expressing my bad feelings to see the truth You want me to see, so please help me feel bad.

Please Mother and Father fill my heart and soul with Your Divine Love. Please give me Your Love. Please love me and make me feel loved by You. I want to feel You close to me, I want You to hold me, make me feel loved by You. I only want You and to do Your Will. Please help me bring up all my repressed feelings so I can express them and uncover their truth. Please help me do my Healing. Please give me Your Love.

I hate you Mother and Father; why have You given me such a shit awful life? I hate myself, I hate You, I hate everything about my life. I feel so bad all the time. I've expressed so many bad feelings and still I feel bad. It's not fair, it's not fair what You've done to me. I hate You! And I want You to help me Heal myself, so I can stop feeling bad. You put me in the shit for whatever reasons, and I want You now to help me get out of it and show me what it's all been about. Please help me to Heal myself so I no longer hate You.

I long for Your Divine Love Mother and Father. Please fill my soul with it. And please help me uncover the truth of myself through my feelings. I want to see it all! And please make it all end, I'm so tired of always feeling so bad, please take all my bad feelings away by making me feel them and showing me the truth I am to see.

Our Father, who art in heaven, we recognize:

That Thou Art--art all holy and loving and merciful, and that we are the children of Thy care and not the subservient, sinful and depraved creatures that our false teachers would have us believe.

That we are the greatest of Thy creations and the most wonderful of all Thy handiwork, and that we are the objects of Thy great Soul's love and tenderest care.

That Thy will is that we become at one with Thee and partake of Thy great love which Thou hast bestowed upon us through Thy mercy and desire that we become, in truth, Thy children; and not through the sacrifice and death of any one of Thy creatures, even though the world thinks that one Thy equal and a part of Thy godhead.

That Thou will open up our souls to the inflowing of Thy love, and that then will come Thy holy spirit to bring into our souls, this, Thy love in great abundance until our souls may be transformed into the very essence of Thyself; and that there may come to us faith--such faith as will cause us to realize that we are truly Thy children and that we are one with Thee in very substance and not in image only.

Let us have such faith as will cause us to know that Thou art our Father and the bestower of every good and perfect gift, and that only we, ourselves, can prevent Thy love changing us from the mortal to the immortal.

Let us never cease to realize that Thy love is waiting for each and all of us, and that when we come to Thee with faith and earnest aspirations, Thy love will never be withholden from us.

Keep us in the shadow of Thy love every hour and moment of our lives, and help us to overcome all temptations of the flesh and the influence of the powers of the evil ones who so constantly surround us and endeavor to turn our thoughts away from Thee to the pleasures and allurements of this world.

We thank Thee for Thy love and for the possibility of receiving it, and believe that Thou art our Father--the loving Father who smiles upon us in our weakness, and is always ready to help us and take us to Thy arms of love.

We pray thus with all the earnestness and longings of our soul, and trusting in Thy love give Thee all the glory and honor and love that our finite souls can give.

<p>Note: Following the writings of James Moncrief, one could consider that any reference to the Father, by other relevant writers, may be read as a reference to 'our Mother and Father'. Further, when considering soul healing, then reference to Divine Love could be referred to as 'Feeling Healing with Divine Love'.</p>

A Personal Adaptation of the Prayer for God's Divine Love:

Joseph Babinsky

Our Father, who art in heaven, I recognise:

That You are holy and loving and kind, and that I am the child of Your care.

That I am the object of Your great Soul's love and tender most care.

That Your will is that I become at-one with You and partake of Your great love, which You have given me through Your desire that I become, in truth, Your child.

That You will open up my soul to the inflowing of Your love, and that then will come Your holy spirit to bring into my soul, this, Your great love in great abundance until my soul may be transformed into the very essence of Yourself; and that there may come to me faith – such faith as will cause me to realise that I am truly Your child and that I am one with You.

Let me have such faith as will cause me to know that You are my Father and the giver of every good and perfect gift, and that I only can hinder and stop the river of your inflowing love.

Let me never cease to realise that Your love is waiting for each and all of us, and that when anyone comes to You with faith and earnest aspirations, Your love will never be withheld.

Keep me in the shadow of Your love every hour and moment of my life, and help me to remain completely focused on this, your ever-present and unconditional love.

I thank You for Your love and for the possibility of receiving it, and believe that You are my Father – the loving Father Who smiles upon me always and is always ready to help me and take me to Your arms of love.

I pray this with all the earnestness and longings of my soul, and trusting in Your love give You all glory and honour and love.

The opening up of the soul permits a permanent exchange with Divinity, a permanent recharge of this healing energy that allows not only the re-establishment of lost health, but the continuity of health, providing such a perfect balance, even in the physical body, that noxious agents like bacteria and virus cannot find any opportunity to unchain pathological reactions, which we commonly call illness.

But it is true that people without the benefit of Divine Love would lack the protective shield, which the intrinsic healing energies of Divine Love provide for those who pray for our Heavenly Father's Grace.

Divine Love

The Gift that keeps Giving

A general universal platform on how to experience Divine Love

As more people become aware of the *Divine Love*, how to experience the Divine Love required a need to provide a general universal platform that is simple yet an effective way for one to experience *Divine Love*. People may learn about the availability of *Divine Love* by word of mouth or from reading literature that introduces this gift for our soul, and also by participating with group dynamics where the *Divine Love* is introduced and discussed. The essence of this standard platform is its independence so that the individual may feel guided to include this simple platform in their daily life and experience of *Divine Love*.

The platform introduced here is a technique that is simple, constant, practical and has been utilised in the general public for over 20 years with good consistent results, accommodating participants and their diversity of belief and cultural background. This platform is a reliable place to begin with the experience of *Divine Love*. It needs to be confirmed that accepting *Divine Love* rests with our soul and heart and that to experience this Love will comfort one in their individual faith experience as we all aspire toward the greater reality of Love, Truth and Spirit.

A Universal Platform on How to Experience the Divine Love:

Firstly, you are aware now that you can experience the *Divine Love*.

Find a comfortable chair; sit down in a relaxed and normal position.

Close your eyes and take 3 deep single breaths in through your nose and out through your mouth to clear energy and to relax into this experience. Have a little faith and proceed without great expectations.

Gently turn your inner heart and voice to the Soul, God in faith when you feel ready, ask the Soul, God with your own loving voice for an inflowing of *Divine Love*. Having asked sincerely, there is no need to continuously ask. The Soul, God hears sincere love in the asking and so The Spirit that brings the Love acts, and *Divine Love* is now flowing.

Having asked once, you will be receiving the *Divine Love*.

Proceed without expectation on what will happen as you experience the Love.

Sometimes your mind may wander – or there are thoughts, feelings or physical sensations. Experiencing the *Divine Love* is never a forceful experience.

Continue for as long as you feel you would like to. This may be for 5 minutes or 20 minutes or an hour. Time will vary for the needs of the individual or group.

Take another few deep breaths to assist your focus. Give our love to the Soul, God and in our own voice inwardly say this Soul, God that you love this Soul and are grateful to receive this *Divine Love*.

Then when you feel ready, open your eyes and take another deep breath or two, and this closes the experience.

Some helpful hints:

- This general universal platform on how to experience the *Divine Love* is uncomplicated. Some people have utilised this platform for over 20+ years, never needing to change.
- The essence of this standard platform is to experience the *Divine Love* in a comfortable way therefore this technique needs to be simple, effective and inclusive.
- Experiencing the *Divine Love* can be a long-term experience so to have a practical, simple, functional standard platform solves a lot of problems about *how* to experience the *Divine Love*.
- From this general platform people who like prayer or meditation, reflection, spirit communication, or just being *in* and *with* the Love can extend their experience from this standard position.
- Lastly, enjoy! And know that when a person is experiencing the *Divine Love* that one is in the tender care of the Soul God, and that no spirit interference will happen, for no spirit can interfere with the Sovereignty of *Divine Love*, which is God's Alone!
- Enjoy, Celebrate and Shine!

The BEAUTIFUL MIRACLE:

5 Oct 2012

The DIVINE UNIVERSE

The way in which the Spirit conveys the Divine Love into the soul is a beautiful miracle. The attribute of mortal soul prior to incarnation has to it, a potential within it that is part of its formed nature. After the soul incarnates this potential remains part of the soul and even if the forming personality is unaware of such a soul potential, the potential still exists. The Divine Love is entirely suitable in its energy of harmony to be the energy that a mortal soul can utilise. The Spirit covers the spirit body when the individual sincerely asks the Soul of God for the Divine Love and this covering of the spirit body is where the dynamic of this beautiful miracle takes place. From the internal longing of the individual for the Divine Love this activates the Spirit Law that activates the Spirit that is then attracted to the spirit body upon which the Spirit material of the spirit body draws the Divine Love in to its soul and this union completes. The key here is to gain a perceptive insight into realising that the spirit body is not an inert body but that it is living and has activity, recognisable from its first forming from the Spirit Law that materialises a spirit body. The Spirit and the spirit body to give an analogy are like two attracting magnets and when the surface of the spirit body is touched by the Spirit, this causes the automatic response of the Divine Love to permeate into the attribute of soul and so begins the transformation of energy from the natural into the Immortal Divine Harmony. If the individual continues the receipt of Divine Love, the energy that is Divine Love actively begins to change the soul and this is felt in the spirit body systems and can produce feelings of love and elation. The spirit-mind begins to change as all spirit body systems are affected by the changed condition now experienced in the soul as the soul becomes living and vital. In one's progression of this Divine transformation, the soul will mature enough from the amount of Divine energy it receives and at that moment the surface of the spirit body and the Spirit are continuously attracted to each other, then one is living in the presence of the Father in perfect harmony, and this clarifies the truth about what it means to be truly at-one with God.

SHINING TOWARD SPIRIT:
665. The Shining toward Truth

Vol III, p. 157, 14 Nov 2014 – 14 Mar 2015 Zara and Nicholas

www.lulu.com

It is I Matthew, a teacher of the Divine Love. I have communicated with you recently, now I desire to provide you with a visual description of the Love.

Imagine a continuous Energy shining light blue that is unbroken with a seamless surface that surround every mortal and Immortal spirit. Imagine if you were to become aware that this energetic field of light-blue Energy existed in its shining radiance just near where you are. Now that you are aware that this unbroken Divine Love is unified energetic field of living Love, by opening toward the Soul of God and aspiring for the Divine Love, the Acting Spirit gently brings a small portion of this shining blue Energy into your soul

The Divine Love that you have received remains part of this great Energy that the Divine Love is and even though this small portion of Divine Love, now within your soul, in its shining radiance and energetic cause, it is never separated from the continuous energetic field of Energy that the Divine Love is. Having partaken of this Energy it is with perception that one is aware that the Divine Love within one's soul is the same Divine Love that every person and spirit who has partaken of this Love, participates with. Even though in our individuality we partake of this Divine Energy, this Love is never broken away from the Source and Origin from which this Divine Love emanates.

The Divine Love is bestowed into our finite soul by the Acting Spirit, but this Spirit remains in contact with our spirit body and does not enter the finite soul to become part of our finite soul essence that we are. No mortal or Immortal spirit can manifest in their soul the Acting Spirit so that this Spirit – this Holy Spirit – becomes part of our existing finite spirit body. Only the Divine Love and its Energy becomes part of our finite soul, which causes the change to our spirit body. The Acting Spirit always remains its own attribute and never does a Celestial spirit claim ownership or take possession of the Acting Spirit within their soul. (The Holy Spirit / Acting Spirit is an instrument of the Source Soul, our Father.)

This is one of the wonderful Truths by which we who have been transformed by the Divine Love understand our personal relationship with the Father's ever-present Acting Spirit. The shining Energy of Divine Love is all around us and when we have partaken of this Love, part of our finite nature becomes independently shining in this true perfect Love.

I provide these words that may appeal to those who are visual and to express the universal appearance of the Divine Love and the personal touch when in contact with the Acting Spirit.

Matthew (Apostle)

Whilst we are receiving our Heavenly Parents' Divine Love, and that this Love is causing change within our soul and spirit attributes, the greatest Truth known to man and spirit is that this is the way our Mother and Father are actually loving us! When we progress, it is God's way of loving us into love and then we live what we are, love.

To liberate one's real self, one's will, being one's soul, is by embracing Feeling Healing so to clear emotional injuries and errors. With the Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

Our salvation IS by embracing Feeling Healing with the Divine Love.

God's Divine Love: Pray for it, ask for it, and receive it.

Please Mother and Father, may I receive Your LOVE.

“Every day is a day of devotion.”

Follow your heart, follow your love and do that in loving action, your inner love leads in your asking the Soul of God to receive a little of the Love to strengthen one's resolve to heal.

“I love you Father.” “Let the Divine Love proclaim its energy into my soul.”

“Mother – Father, I desire your Love and I am loving you.”

“Soul God, I love you and I love receiving and experiencing your Divine Love.”

“True Soul God, I am here, I am aware of your Love. Please hear my aspiration for your Love and as I approach you from my soul, I can feel your Love in the way that you are loving my soul.”

Try it; give the Feeling Healing and Love a go! If you want to shine, receive the Love.

One can simply receive the Love without following any religious or spiritual teaching taught by man!

Emotional errors and injuries cause encrustment around the soul, the soul is never damaged however, the encrustments retard love energy flow to and from the soul. Feeling Healing melts such injuries.

The Three Great Truths:

- **“God is Soul, being our Heavenly Mother and Father;**
- **that each individual soul is a duplex – both male and female;**
- **and that the Divine Love is freely available for all to receive.”**

GROWTH in LOVE ENHANCES the QUALITY of YOUR LAW of ATTRACTION EVENTS:

As one grows in love, then one's quality of life steadily improves. As we grow into a more loving state then our law of attraction events become more life enhancing. Our desires progressively move away from fear based foundations towards love based endeavours.

Our physical health steadily improves; many early life health issues simply subside and no longer trouble us.

All aspects of our life progressively becomes more joyful. We become examples of love and growth. Our desires become love focused, that is, fear based intellectualisation drops away. Life becomes a living event in harmony with all that surrounds one.

WHAT DIVINE LOVE does to YOU

What happens when divine love flows into you, via the Holy Spirit, the soul enters a process of getting larger and expanding. The soul expands emotionally, primarily your capacity to experience emotionally, passions and desires expands and continues to expand exponentially. Every time you go into a new and higher sphere of love your soul has expanded in its power to give and receive love, and in its power to do everything else.

The soul has an infinite capacity to expand, but only under one condition, that is, if it receives divine love.

EXPERIENCING RECEIVING DIVINE LOVE:

Be still and quiet; reflect in silence. Love is present. Keep asking, longing, and never cease: this is your part. It is your cooperation actively engaged that brings the transformation and continues the process.

You cannot see it; sometimes you will experience it as simple quietness and calmness. This is as pure and real as any other experience, whether demonstrative joy through laughter and dance, or other expressions.

Divine Love is present; it is always present. It does not fade or disappear. Rest, relax and breathe. Pray and wait.

Maintain daily prayer and meditation. When you do this you are building a home for the dwelling of the Divine Love. Your continual invitations establish an attitude of welcome to the Divine Love. These build a bridge for the Divine Love to carry you to new and higher levels of change and transformation: places of new realms for your soul growth and development.

The Voice of Divine Love

~~~~~

As the receiving of the Love is always assured when longed for and asked for, the experience of receiving may become apparent by the occurrence of a warming embrace in the region of the third eye chakra, or with some, around the heart chakra region. This may be very subtle and gentle for some and may be for a few moments or extend for some time. Many do not physically feel the Love embracing them and this is totally fine, nevertheless the Love is being received.

On a few occasions, one may feel the love through the third eye region and then feel it expand as if it were to become a warming buzzing 'hat band' progressively expanding around one's head. This can intensify and feel as though one's cranium is about to pop off! Should this continue to intensify, then the sensation may flow down one's main meridian to the base of one's spine. Now that is something else! Relax and enjoy the great gift for this can be an experience that may continue for a short while or for quite some time.

Always, when one longs for the Love, it will shower over one's body and be absorbed in through the spirit body chakras into one's soul. Occasionally the Love will overflow from one's soul and some will reside within one's spirit body. At no time will you be discomforted. This light golden blue energy substance is the ultimate high octane super fuel gifted to us by our Heavenly Parents to us all.

**FEELING HEALING and SOUL HEALING with the DIVINE LOVE:****James Moncrief Publications:****all publications are free downloads:**<http://divinelovesp.weebly.com/my-free-books-and-free-padgett-messages.html>

It is suggested for one to consider reading as follows:

**Speaking with Mary Magdalene and Jesus – books 1 – 4**

These four books encapsulate the second of the revelations with the first having been introduced by James Padgett one hundred years previously. These four books provide a wide range of guidance that has never previously been made available.

**Paul – City of Light**

As a gentle intro into the Divine Love and Healing; being James Moncrief's first novel and it's been criticised as being too heavily clichéd, but that's the point because it's a reflection of how he was back then.

**Ann and Terry**

For an example of people who might want to immediately start working on themselves and doing their Healing.

**Feeling Bad? Bad feelings are GOOD**

For more understanding about our denial of our feelings and why we should not deny our feelings, and it includes how it all came about for James, using himself as an example.

**Feeling bad will make you feel BETTER – Eventually!**

This includes specific examples of Marion and James working on expressing particular bad feelings, again with the hope that it will help others gain something of an idea as to what's involved in doing your Feeling Healing.

**Sage – and the Healing Angels of Light**

Through Sage who's 13 years old, the story is primarily about the two aspects of healing; that being, with the help of our angels, and the full Healing we can do by looking to our feelings for their truth.

**Religion of Feelings  
Feeling Healing****Welcome to LOVE – the Religion of Feelings  
you can heal yourself through your feelings**

So these books, including the four Speaking with Mary Magdalene and Jesus books, provide the essence of it all and are examples of James' work. Then it's up to whatever takes one's fancy. Other reading to consider may include:

**The Padgett Messages being published as:****The True Gospel Revealed Anew by Jesus volumes 1 – 4****Book of Truths by Joseph Babinsky****The Urantia Book****Release one's pain through expressing one's feelings.****in conjunction with****Longing for the Truth when also longing for Divine Love.**

**FEELING HEALING with DIVINE LOVE is SOUL HEALING:**

*A collection of 'papers' that draw together specific topics including all of the above and more from other sources of information and revelation designed to help increase one's awareness about why we have the problems we do and how to heal them, all whilst living a more healthy and sustainable life. They provide a brief snapshot of the more complicated topics and issues.*

**Firstly, consider discovering the truth of your emotional pain through Feeling Healing.**

**Secondly, consider longing for our Heavenly Parents' Love as you progress with your healing.**

**Primary and most important readings are the writings of James Moncrief.**

**Then consider the Padgett Messages, and then The Urantia Book.**

**Long and pray for Divine Love and it will loosen the errors / injuries / unhealed / denied trapped and/or inherited emotions, resulting in a flowing out, when one embraces Feeling Healing, of these negative embellishments within one's soul as Divine Love flows in – Divine Love being the greatest gift in all the universe.**
