Much of what we are observing is new to us readers and thus, we consider that you will take on board that which resonates with you, investigate further those items of interest, and discard that which does not feel appropriate to you.

Kinesiological muscle testing, as developed by Dr David R Hawkins and quantified by his Map of Consciousness (MOC) table, has been used to ascertain the possible level of truth of documents. Such tested calibration levels appear within the document. We ask that you consider testing same for yourself. The technique and process is outlined within Pascas documents, such as Pascas Care – Energy Level of Food. From each person’s perspective, results may vary somewhat. The calibration is offered as a guide only and just another tool to assist in considering the possibilities. As a contrast, consider using this technique to test the level of truth of your local daily newspaper.

Living Feelings First, *John.*

“Never can one man do more for another man than by making it known of the availability of the Feeling Healing process and Divine Love.” JD

Faith Healing:

Healing, this is used with great love on the part of those people, who possess this most precious gift.

It is exercised for the benefit of those people, who go through painful moments in their lives. Everybody may participate of a healing through their prayers, setting in motion a mechanism of energies, which are transmitted to the sick one. For such an end, healing spirits are acting, as well as one's own spiritual energies.

A healer, who is blessed with this quality, may bring about spectacular feats. But s/he should make sure to love deeply the one, whom s/he is healing. This is easy to do, although you don't know personally the person in question.

You should just be aware that s/he is your brother/sister, to put yourself in their place, and feel in your own flesh what s/he might be going through.

An approach mechanism is triggered toward the person, who controls the spiritual forces, which are important to attain to the desired goal.

Sometimes it happens that no healing is accomplished. And we believe that we have not helped the patient in anything. But this idea is all wrong, because the sick person's strength to face his or her disease increases significantly, alleviating him or her so much in the spiritual as well as in the physical sense.

Our Heavenly Parents, with Their Great Love, gives us all we need. Although we may not see the results, but they surely do exist.

That is why it is important to give all our love and energies to the person in need.

It is asked of you, the healers, to apply, please, all these suggestions in the best way possible, because you cannot imagine the forces you are moving, and you are not able to envisage the angelical healers (celestial spirits), who perform through you.

Do not desist in your zeal, and you will succeed, and you will be filled with a happiness you cannot compare with anything.

As the Designer of this universe, God is its Master and Enforcer. Through Their Mind all creation came into being, as well as the laws that govern every detail of their working. Understanding this truth will help you realize that as you pray for and receive the Substance of God's Soul – Their Divine Love – into your own soul, thereby becoming at-one with Them, you are thus enabled to wield power such as this material world could never offer. You may ask why you have been unable to heal as the Apostles in the first century did, but it needs to be asked if you know beyond doubt that you are the immortal child of God who has rightfully inherited the power and strength of your Creator.

Love is the Enforcer of all law, that Love is the one and only true and real power.

Feelings first

Do not underestimate how many angels (celestial spirits) are present to usher in those influence all around you, adding their prayers and power to yours.

The Divine Love is a substance and a power that is the highest form of energy available to the human soul. It is the nature of love that brings alignment and balance, harmony and peace to its possessor. Beyond this, it is a power that can heal. And if this power is wielded by a soul aligned with his purpose, in body and mind, appetites and desires, beliefs and faith, there is no limit to what this power can do.

The LOVE that brings about FORGIVENESS:

This Divine Love, and by this I mean the only way through which salvation can be obtained, can enter and fill the soul through the sincere longing of the soul to assuage the thirst for at-onement with the Father through prayer. Revelation 17 – November 12th, 1960 – Jesus

The only way for man to achieve forgiveness of sins is through the obtaining of the Divine Love or through purification of the natural love, a long and tedious process that fits the individual soul for a place in the Sixth Sphere. Revelation 50 – October 18th, 1954 – Jesus

Divine Love fits a personality to enter the Celestial Heavens, way above the 6th Sphere. Without this Love, man cannot enter the Heavens. It is this Divine Love that brings about immortality for man.

God is Love. Man has a natural love, but this natural love is not sufficient to enable him to find these great means that are spoken of here. Only the Divine Love of our Heavenly Parents is sufficient, and They are willing that all men should have this Love. It is free and waiting to be bestowed upon all men. But strange as it may seem, God will not, and it must be said, cannot, bestow this Love unless man seeks for It, and asks for It in earnestness and faith.

The will of man is a wonderful thing, and stands between him and this love, if he fails to exercise this will in seeking for it. No man can secure it against his will. What a wonderful thing is man's will, and how he should study and learn what a great part of his being it is.

The Love of our Mother and Father comes only into a man's soul when he seeks It in prayer and faith, and of course this implies that he wills It to come to him. No man is ever refused this Love when he properly asks for It.

Now this Love is a part of the Divine Essence, and when a man possesses It in sufficient abundance he becomes a part of Divinity Itself; and in the Divine there is no sin or error, and, consequently, when he becomes a part of this Divinity no sin or error can form a part of his being.

Now, as I have said, man who is without this love has his memories of sin and evil deeds, and, under the law of compensation, must pay the penalties. Yet when this Divine Love comes into his soul, it leaves no room for these memories, and as he becomes more and more filled with this Love, these memories disappear and only the Love inhabits his soul, as it were. Hence, there remains nothing in him upon which this law can operate, and the man is no longer its slave or subject. **This Love is sufficient of itself to cleanse the soul from all sin and error, and make man one with our Mother and Father.**

This is forgiveness of sin, or rather the result of forgiveness. When a man prays to our Mother and Father for this forgiveness, They never turns a deaf ear, but says, in effect, *"I will remove your sins and give you my love, I will not set aside or change my laws of compensation, but I will remove from your soul everything upon which this law can operate, and as to you it becomes as if it had no existence."*

The possession of this Divine Love also means the absence of those desires and longings of what is called the natural man, which produce selfishness and unkindness and other qualities which create sin and error, and prevent the existence of this true brotherhood which men so earnestly desire as the forerunner of peace and good will, and the more of this Divine Love that enters into the soul of man, the less there is of evil tendencies and desires, and the more of the Divine Nature and Qualities.

Let men turn their thoughts and aspirations to God, and in truth and sincerely pray to our Mother and Father for an inflowing into their souls of Their Divine Love, and have faith, and they always find that the Mother and Father will bestow Their love upon them, in accordance with the extent of their aspirations and longings, which are mediums of opening up their souls to the workings of the Holy Spirit, which is the messenger of God, for the conveying of Their Divine Love from his Fountainhead of Love to the souls of the prayerful and aspiring men.

Your soul is the repository for the very Substance and Energy of the Divine Love – the highest love and, therefore, the highest form of energy available to you. It is not merely something that improves your life on a personal level, but it effectuates an energy which surrounds everything that you interact with.

Use your wonderful imagination to envisage the influence of the Spirit of God touching everything.

Love one another with the Divine Love of God, active within your souls, and you will bring peace and happiness to your world.

The spirit healing is actually a therapy or therapeutic treatment which is transmitted from the spirit healers to the patient and acts upon the diseased organs to restore them, but the transmittal is made possible only through faith, which acts as a conductor of these healing forces and energies.

Faith is the reality which permits the healer and the sick person to make contact with the spiritual forces. He who has faith creates a condition whereby evil spirits – who intensify or cause the distress to persist – are separated from their control and contact with the patient, so that the spirit healers can make the rapport and operate.

The prayers and faith of a loved one for the sick person is very often of great benefit to the sick, for the sincere love on the part of a mortal not only attracts the spirit healers but enables the healing force to reach the sick person through the love which is communicated to the ailing person, and it may sound strange to you, yet it is so, that often the best physician is he who in earnestness of love and sympathy and sorrow sends his prayers to the Father in all faith that He will accomplish what man and medicine cannot do.

Rapport between spirits obedient to God's word and the prayerful soul is brought about thereby, so that the healing forces are transmitted through him to the sick person he loves.

Love and faith and prayer in earnestness of soul are realities which perform feats of healing that are impossible under conditions wherein cold intellect and Earth plane conditions prevail.

Prayer must be made to our Heavenly Parents in the name of Truth, and to Their Love and Mercy. Every individual is dear to Them and They are ready to bestow this Love upon every one who asks in faith and pure desire. And in response to the earnest prayer will come Love, and with it knowledge of things spiritual, and with this, power that may be used for the good of mankind.

In order to prepare yourself to receive a spiritual healing, you need to pray and activate your faith in the unseen powers.

When a person prays for a healing and brings himself up to a higher level of awareness, activating his faith in God's Love to heal him, he will receive a healing, even though it may not be evident on the material level right away. **But** if this same person continues to manifest his negativities in everyday living, returning to his previous activities which brought about his illness in the first place, his sickness will return, perhaps even before the spiritual aspect of the healing has a chance to manifest on the physical and mental levels.

The person seeking the healing must activate changes in thinking, behaving and attitudes, maybe even change jobs, locations – whatever it takes to get away from the influences and patterns of living which drain the faith away, or which might allow for a new development of faith and hope for a new lease on life.

Healings take place every day in answer to prayer interventions. They don't always last because of recurring negative thoughts, motives and desires on the part of the petitioner, even, oftentimes, unbeknownst to himself.

God's Divine Love is a Substance that cannot be described in words, but its power is felt by the soul who aspires to know of this love and become more like its Creator. This power draws to it all manner of influences that bring that person to such a state of mind that they may understand the true relationship of the body, the mind and the spirit, for the truth is we are spiritual beings, first and foremost. It is this Love that enables us to step above our negatives and away from errors in our life.

Illness is only a manifestation of what we are aware of as the workings of laws. So many people ask why infants are ill, when they have broken no law by the exercise of their own will, and it must be said that it is the sins of the parents are visited and passed down through the generations. Illness of the body is relatively easy to heal when there are higher spiritual forces present and able to be exercised over the lesser material laws governing the body. It is in the instance of the sin / error having found lodgement in the soul, and when the mind has been used to cultivate the thoughts and desires to sin, that causes illness of the spirit which is not so easily healed. One may, as a spirit healer, give temporary relief, but it is the will and pattern of behaviour that causes the mortal to resume his or her sinful activities that will keep them in a state of illness.

In the case of the infant who has not exercised his or her will to break the laws of God, should the parents pray for the intercession of God's Help and Love to bring relief to the child, the spirit healer may be able to actually remove the obstructing disease in the body. This happens when the elements which comprise the physical body are in a regenerative state and through the influence of the higher energy or

power upon the material, the molecules are "rearranged" and the balance of the natural and perfect workings of the body is restored. Everyone has a blueprint that is not only subject to the inherited and genetic factors which causes every body to be unique. There is a natural order that is native to the cells and organism we call the body.

By embracing the Love of the Father, this ever so wondrous energy can bring about harmony within our bodies and simultaneously erase from our personality those traits of error in our ways of living so as to remove the cause of illness – permanently.

Long and pray for Divine Love and it will loosen the errors / injuries / unhealed / denied trapped and/or inherited emotions, resulting in a flowing out of these negative embellishments within one's soul as Divine Love flows in – Divine Love being the greatest gift in all the universe.

WE are INCARNATED with Natural Love, but not with Divine Love:

We are conceived with natural love, however, we are not endowed with anything of the Divine. While we are without anything of the Divine, namely Divine Love, we can grow our natural love attributes and progress to that of being the perfect man whose lodging is found in the 6th Sphere. We do not have immortality without having received Divine Love.

Natural love radiance is very different from that which Divine Love brings.

The two loves complement each other, bringing about greater harmony.

When we become aware of the presence of Divine Love and subsequently ask for and then receive the Divine Love, our soul steadily starts to change to that which is Divine and we achieve immortality. This is the Immortal Choice that we can make whilst here in the physical or later in the spirit world. Once we add Divine Love to our being, we continue then with the two loves, that of the natural love and also that of Divine Love. As we continue and receive Divine Love, our soul condition progresses so that we may eventually enter the Celestial Heaven, 8th sphere, should we have engaged in the proves of Feeling Healing, and above, then progress further to enter the Eternal Spheres, then the Infinite and Universal Spheres, and then further on towards the Spheres of Paradise.

God is God, who is our Heavenly Mother and Father, being SoulMates. There is only one Soul that is God's Soul, that being the Soul of our Mother and Father. Our Heavenly Parents are the First Soulmates; The Two Who Are One who have brought us all into being.

Jesus and Mary are a son and daughter of God.

Jesus of Nazareth and Mary of Magdalene, being soulmates, were both free of sin. Jesus and Mary, combined in their love for us, are our teachers and guidance for us to find our way home to our Heavenly Parents. To start this journey we are to liberate our souls from being entombed within our suppressive minds, through feeling and longing for the truth of our feelings via our soul and peel away our injuries incurred since conception.

Give yourself time to consolidate your relationship with the Mother and Father through the partaking of Their Love. And whilst you are doing this, you can learn about your healing, all that's involved with it, as there are many willing spirits to share their healing experiences with you.

When you are ready it will start happening simply because you will want it to, it all being orchestrated by your soul. And when that time comes you will have developed a strong foundation in your relationship with the Mother and Father for you to work from. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

It is to make longing for God's Love the priority, and then do one's healing; should one want to include God and the Divine Love in one's feeling healing. This is doing your soul-healing as you are seeking to heal your soul of all evilness – of that which made you become evil, and release all the hurt and pain of not being fully and truly loved.

WE ARE Children of God

DIVINE LOVE DISSOLVES UNLOVING TENDENCIES:

For man to be at-one with our Mother and Father, the Source Soul, man must become love; that is, his soul must be filled or permeated with this Love, the Divine Love, to such an extent, that it will become impossible for anything that is not of love to be or remain part of his soul. Paul 20 August 1915

But let men know that even while on Earth they can obtain this inflowing of the Holy Spirit in their hearts to such an extent that sin and error will be entirely eradicated.

There is only one thing that saves one from their sins and makes them at-one with the Father, and that is the inflowing of the Divine Love into their souls. As this Divine Love fills their souls, all sin and error must disappear.

Of course this is a relative matter, for it depends upon how much of this Divine Love is in their souls to determine how much of sin or error exists. The more of the Divine Love, the less of sin, and on the contrary, the more of sin the less of the Divine Love. But, I want to say with all the emphasis that I am capable of, that it is possible for a human being to obtain such a quantity of this Divine Love in his soul that sin will be entirely eradicated. This was the doctrine taught by Jesus, and this is the truth of God's law of Love.

The foundation truth is that the Divine Love of the Father can clear our souls from all sins, and make us perfect, to the extent that we receive that Love into our souls.

It is the Holy Spirit which conveys God's Love to man and manifests its workings in a real and irresistible manner and with this Love we are enabled to become over-comers and inheritors of immortality and homes in the Celestial heavens. Paul 31 August 1915

Where love is there can be no sin or unhappiness, and fear is not.

We, who live in the Celestial Spheres, know this to be a fact, and with all the force and authority that knowledge gives, we declare this truth: the love that casts out all fear is the Divine Love of the Father, and when a spirit or human being obtains that, there exists no such thing as fear, and nothing that could create or permit fear to exist.

God wants the souls of men in love and not in fear, and the only way in which such end can be accomplished is for men to see and know Him as a God of Love only. No man can come to the Father except through this New Birth and faith in the Father's Love. Andrew 17 September 1915

It is the Divine Love that slowly but permanently eradicates harmful attitudes, beliefs and practices that one may have gathered along their journey of living. It is only with this Love that erroneous ways are expunged from one's nature and character. This is the great gift to humanity that few are aware of.

“Never can one man do more for another man than by making it known of the availability of the Feeling Healing process and Divine Love.” JD

**DIVINE LOVE does not TRANSFORM one's SOUL
FEELING HEALING is what TRANSFORMS one's SOUL**

The Divine Love does transform our soul from Natural love into Divine Love. It's our Feeling Healing that 'transforms' or heals our erroneous expression of Natural love. We have to 'heal' and so perfect our Natural love, so it can then be transformed by the Divine Love.

Divine Love does not even begin the real work of transforming one's soul, for those who focus upon receiving Divine Love to the exclusion of embracing one's Feeling Healing, they are just expanding their mind's control over themselves. Should this be one's passion, then upon passing into the spirit Mansion Worlds they will find that they can continue along this path all from within the Divine Love followers segment within the first natural love Mansion World! Yes, only from within the first natural love Mansion World.

Most of humanity on Earth are not wanting to face the very truth their feelings are making them feel every day of their life. So if they want to keep living in the spirit Mansion Worlds as they did on Earth, in complete denial of their feelings and the truth they are to shown about their wrongness, they can.

However, for those who have embraced Divine Love and begin to engage in their Feeling Healing process to begin the transformation of their soul, they will be able to sense the Divine Love already within their soul 'driving them on'. One's understanding and adjusting will be changing rapidly to that of embracing all about the Healing and doing it – all being supported by the Divine Love that one may have received previously. All one may have done with the Divine Love may make their introduction into their real Healing, by using their feelings, much easier than it is for other spirits from the mind worlds who are at the same time having to wrestle with many of their old religious beliefs or mental programming, having to take on a whole new mind-set which one could see would take some of them years, whereas for someone who has been longing for and receiving Divine Love for some time it may be only a matter of weeks. This also applies to those living in the physical.

It is the Feeling Healing process that transforms one's soul towards perfection, towards the ability to fully express one's true personality as given to us by our Heavenly Parents, it is the Divine Love that then fits that transformed soul to be able to enter the Celestial Heavens.

LONG for the TRUTH!

Above all else, “Longing for the Truth” has not been recognised by humanity. True Prayer is not asking with the mind; it is a longing from the soul. Should we long for the truth then we will be told. This is how we ascend. Earnestly desire to know the truth and it will be revealed to us.

Our soul, our real self, already knows the truth and the answer we are seeking, the truth will come to our awareness through our feelings. Our feelings are soul-based.

Our mind cannot determine what is truth from what is false. Our mind is addicted to being in control and will lead us according to its agenda, all to our detriment. This is what man has embraced for the past 200,000 years – now the mind is to be subjected to our feelings. Accordingly, our mind will learn to assist our feelings.

Longing to our Heavenly Parents for truth will bring about the understandings we are seeking to achieve.

Long for the truth behind any feelings, both good and bad, and we begin to peel off and escape from our childhood repression and suppression, thus escaping from the generational cycle of errors that have been passed from parents to their children, thus continuing the cycle of error and harm. ALL children are harmed in this manner.

Through longing for the truth behind our feelings, both good and bad, we start to bring about harmony and peace to our self, which eventually flows onto our family, then our companions, then our overall community and then country. **This is how harmony will come to all of humanity and peace will prevail with war being set aside. This is what the Great U-Turn will bring about.**

Longing for the truth is the only way that we will come to understand the cause of any physical discomforts, pains, diseases and illness. It is by expressing the understandings of what one is feeling about any emotional event or issue so that we release from our essence the negative energies relating to these feelings arising from past events, particularly those from our childhood forming years. The harm that we each endured during our childhood forming years has set the pattern, at all levels, for our adult life.

In a variation of those inimitable words uttered by Jack Nicholson, “You CAN handle the truth!” This is how humanity will heal itself and bring about peace for each personality and humanity overall.

By living true to ourself, true to our feelings, we are living true to God. It’s that simple.

LIVE FEELINGS FIRST

PRAYER
is not asking. It is
a longing of the
SOUL.

FEELING HEALING + SOUL HEALING

To heal one's self is to simply look to see what feelings we are refusing to let ourself feel, and accept them instead of denying them. And to fully accept them, one needs to express them, speak about them, let them have their say, rather than pushing them aside, refusing to let them make you feel bad.

Doing this all with the intention of seeking the truth of why you are feeling them, of speaking about and expressing all such feelings; all feelings you have, but ALL WITH the INTENTION of UNCOVERING the TRUTH THEY WANT YOU TO SEE ABOUT YOURSELF. And it's the wanting to see the truth of them that is very important, because if you just look to accept them and speak and express them, but not seek their truth, then that's all you'll be doing, speaking and expressing them, but not healing their causes, so not fixing the things within you that are making you feel bad. And it's the truth part of it, seeking the truth of your feelings, and so, seeking the truth through your feelings, that's vitally important. It's the truth of yourself, life, nature and God, that is the spiritual aspect to it all.

You CAN'T find the truth of yourself, or anything else, through and with only your mind. You HAVE to engage and look to your feelings. And so if you choose to allow your feelings to 'Show You the Way', then the truth will come as you express them. So to do our Soul-Healing consists of these steps, all of which are ongoing until it's done:

- **Admit you are feeling bad.**
- **Accept your bad feelings, identify what they are.**
- **Honour fully your bad feelings by expressing them, speaking about them to someone who is willing to hear you talk about them, or tell them out loud to our Heavenly Parents. Long for the truth of them. Long for the truth of why you feel bad – what deep within you is causing your bad feelings?**
- **And remember, bad feelings are Good! Not bad. They are not to be despised. And as hard as it is to accept them, they are still you, and a very real part of you. And if you persist in denying them and not allowing yourself to fully live them, then you are only going to keep yourself in your errors making things harder for yourself.**
- **All sickness and suffering, all bad things that happen to you, all your problems, all your addictions – your whole feeling-denying and untrue life, is all caused by your denial of bad feelings.**
- **Every problem in the world is brought about because everyone has been brought up to deny feelings, and in particular, most of their bad ones.**

If one is intent on spiritually evolving and growing in truth, then it's vital, and this is the key, that one looks to use one's feelings as the means to gain and have access to the truth of oneself. You CAN'T find the truth of yourself or anything else through and with only your mind. You HAVE to engage and look to your feelings. And so if you choose to allow your feelings to 'Show You the Way', then the truth will come as you express them.

Doing your Soul-Healing with the Divine Love, is really doing your 'Feeling-Healing'. We are designed — created — to be self-revealing of truth, and so we are all to uncover the truth within ourselves and for ourselves, and all being done by living true to our feelings. **If you accept, express and seek the truth of your feelings, then truth will come to you, and you'll grow spiritually. It's as easy as that. Also it is as easy as it is to long for, ask for and receive Divine Love.**

THE HEALING OF YOUR BAD FEELINGS THROUGH THEIR ACCEPTANCE
AND FINDING THE TRUTH OF THEM, IS THE ACCEPTANCE OF YOUR
NEGATIVE, REBELLIOUS, EVIL, IMPERFECT MIND AND WILL CONDITION.

To do our feeling-healing we need to become:

Aware of – Acknowledge – and Admit, our bad feelings.

So we can:

Accept – them and allow ourselves to Be them.

And then if we feel to, take:

Action – Express, speak and emote them.

Talk about them.

All being done whilst longing to, really wanting to, see the TRUTH of our feelings.

So it sounds simple.

So I repeat:

We accept our bad feelings by expressing – speaking about them to someone willing to listen to us and take us seriously. And as we speak we long for the truth of them – why we are feeling them – to be made known to us. And when we uncover and see the truth we are FREE! – healed of the causes that have made us feel bad.

Accept, Express – see the Truth, and you're Free!

ACCEPTANCE OF ALL YOU FEEL, THINK AND ARE, IS THE KEY TO DOING
YOUR HEALING; THAT, AND WANTING TO SEE THE TRUTH OF ALL YOU
FEEL, THINK AND ARE.

Release one's pain through expressing one's feelings.

in conjunction with

Longing for the Truth when also longing for Divine Love.

FEEL *for* TRUTH

The beauty of it all, is the truth comes to you through your own feelings. You don't need to be told it by anyone. You can work it all out for yourself. We are self-revealing of truth, it's how God created us to be, and by being it we'll feel the happiest we can feel. Truth is our great comforter, so when you feel it come up within you, ah it feels so good and you feel just right – perfect!

We know only how to deny feelings, now we can get to know how to accept them. And always with the truth being the most important part.

FEELING TRUTH

If you don't want to uncover the truth of your feelings, then you can keep on expressing them forever but you will never fully heal yourself. Seeing the truth results in the Healing. And to see the truth you need to express all the pain out of you. The two things go hand in hand.

You can accept and express your bad feelings, letting off steam all day long, yet nothing will heal and nothing much will come of it. So this is where wanting your feelings to show you the truth of why you're feeling as you are is so important.

Don't go fishing with your mind, that will shut the truth out from rising up for you. **KEEP YOUR MIND OUT OF IT.** It's a feeling thing, doing your Feeling-Healing. (This is where we erred previously, and this how other modalities are in error.)

You long when you can, then stop longing and keep expressing. And at some point, and it might not even happen immediately, it might happen after days or weeks of expressing the same bad feelings, truth will come to you. And it does, it just comes up suddenly into your consciousness. You just know. You see the picture and you feel it's true. And you know it's true. And THEN your mind can come in and start sorting it out and putting in context.

It's the Truth that we are seeking. It's the End Point. The Reason for doing your Healing. You are to see the whole Truth of yourself. And to begin with, that's the whole truth of your unloving self, of your wrongness, of your evilness, of why you are as you are in your negative unloving mind-controlling state. To be able to fully accept yourself as you are, warts and all. To not fight or resist or try and change yourself, just to accept all you feel and all the truth of all those bad feelings you feel about yourself. And when you do, so you will be healed. You CAN'T heal yourself unless you uncover the truth of your pain, suffering and so the truth of all your bad feelings.

Through our Feeling-Healing we long for the truth of what we're feeling whenever we can. So as often as you can. You want, and REALLY WANT WITH ALL YOUR BEING, ALL YOUR WILL, to know why you are feeling bad. You yearn, want, long and beg and beg and BEG God to show you the truth of yourself through your feelings. So when you are expressing your bad feelings you can stop and long for the truth to show you what's going on, why do you feel so bad, and you can do it any time you think of it or feel to do it.

Notes from 'Feeling Healing' by James Moncrief

Heartfelt TRUTH

Our FEELINGS are our SUPREME GUIDES:

Feelings are what guide us through our ascension of truth. So they are really our Supreme Guides. Many people look for a person, spirit, angel, even God, for supreme guidance, however it's all right there already built in – in our feelings. **We just have to submit to them, allowing them to take us where they will, expressing all the parts we want to express, letting the emotion drive that expression if it's there to be expressed, or just talking about all we feel and how feeling that feeling is making us feel – or, how we feel about having that feeling, all whilst longing for the truth of our feelings. Longing for the truth of our feelings is really: Longing for the truth of our self, because: we are our feelings. So life stirs up our feelings, we feel being alive; or, being alive means we are feeling, always feeling; and when we work out what and why we are feeling what we are, so then we know the truth of how we are. And over time the truth accumulates, and our mind expands our understanding of ourselves, all being driven from our feelings.** Kevin 26 Sep 2017

Using our feelings to uncover the whole truth of our negative or anti truth and anti love state.

Kevin: **So whilst we're of an untrue state, then all we have got to help us understand why we feel bad, why we are wrong, why we are negative and anti love and truth, is our feelings. So if we focus on our bad feelings, they will lead us to the truth of why we're feeling bad. Which will be the truth of what happened to us to make us be this wrong way, and how we took on the wrong way and keep it going making us feel bad.**

FEELING HEALING

Note: The vital difference between emotion and feeling is that emotions have their roots in the past, and feelings relate to the present moment. Emotions represent our feelings which were not previously expressed, and these accumulate with time.

Note: **Our feelings are soul-based. Our soul is always in truth. It is our soul based feelings, that when allowed to be freely recognised, we will begin to express and be who we are. This takes time and perseverance as we have encrusted our souls with layers upon layers of errors and false beliefs, it is these layers that will confuse the truth that our soul is conveying to us. Only by our progression with our Feeling Healing will our soul's expression of truth become clear and free of all cloudiness and contamination.**

“What our soul needs in accordance with our own, individual, **Soul-Light-Plan-Of-Destiny** (your life's true destiny plan), They, being our Mother and Father, will give you as required. The only way we can know truly what we need is to honour and follow our true feelings. They, springing from our soul, literally telling us what we need, and so when we genuinely feel we need something, we apply our will to get it. The hard part is knowing if our feelings are true, and until we have done our whole soul-healing, they won't be clear and totally true.” James – Introduction Course to Divine Love Spirituality

The New Way, Feelings First Spirituality
 Learn to live with God through your Feelings

Accept, express and long for the truth of your feelings

Be free in your feelings
 Free your feelings from your mind's control
 Live true to your feelings; your feelings are your true self
 Live true to yourself through your feelings

Live true to yourself by living true to your feelings.
 Long for the truth of your feelings.

Accept / Express / Bring out ALL of your good, and most importantly,
 BAD feelings.
 Want to understand why you're feeling them.
 Use your surface feelings to take you deeper into your repressed and
 hidden feelings.

The Feeling Way is the True Way.
 Your feelings are your spiritual guide.
 Your feelings will take you to God.

Your feelings will show you the truth of your relationships, including your relationship with God; and if anything is wrong, untrue and unloving, then why it is.

Our feelings are sacrosanct and we should respect them accordingly. And we should NEVER block them out, ignore, override, banish, deny or reject them, because if we do, we're only doing that to ourselves, as Our Feelings Are Our Self.

Our feelings are the gateway to our soul. Our feelings are the closest we can get to our soul. Knowing the truth of our feelings is knowing the truth of our soul, and knowing the truth of God.

Feelings First Spirituality is the True path for humanity.

It embraces all people.

It completely unifies the world.

Everyone can relate to everyone else through their feelings.

And we can all live the truth that comes from our feelings, all sharing the same truths as we express and have the same feelings.

No one need be left out; no one is more special than anyone else – we are all united in Truth through our feelings.

So with and through our truth we live our lives, therefore without the need of any man-made mind-laws, rules and restrictions that limit self-expression as inspired by our feelings.

The New Way, Feelings First Spirituality is what is to replace all man-made, mind-contrived religions that so many people have enslaved themselves to. The New Way, Feelings First Spirituality will set us free of all that control, ending the Rebellion and Default within ourselves as we do our Feeling-Healing, and ending such control and spiritual stagnation in the world.

Bring on the End Times – get it over and done with! Let's all see that Jesus is not going to come again, that Prophecy has failed all the mind-controlled platforms. Allow such false systems of belief to die their long-awaited natural death, they've overstayed their welcome, it's now time they fade away. So let us show such antiquated, erroneous systems of belief the exit and bring on the fresh liberation of discovering the truth of how we are to live for ourselves, each of us personally in our lives, and all by looking to our own feelings for it. Self-revelation through our feelings is the way to go.

The Way of the Mind is ending, and is really the End Times – the End of our mind control, and **it's about time!** With the Way of our Feelings replacing it.

The End Times means the end and therefore a New Beginning. And that new beginning is a whole new Spiritual Age – an age based on self-revelation of truth through one's feelings, coupled with and supported by higher revelations from the Celestial spirits, angels and nature spirits.

The Feelings First Spirituality is the True Way to God because it helps you get to know God, helping you to reach out, connect and be personal with God, and do God's Will, all through your feelings. It is the only true way of getting to know the God of Feelings – our beloved Heavenly Mother and Father, the Great Soul of Divine Love.

Love comes through our feelings and not our mind, as we've all been wrongly led to believe.

Feelings First; then comes The Truth; then comes Love.

Celestial Truth:

Truly all-loving;
 Living true to oneself;
 Mind supporting Feelings;
 Living with the Divine Love;
 Fully Healed of the Rebellion and Default.

THE FEELING WAY

Feeling – Ascendance
 Unlimited progression

- Living true to your untruth;
- Honouring all your bad feelings;
- Expressing feelings to uncover their truth;
- Healing the Rebellion and Default within yourself;
- Feeling unloved; being unloving;
- Feeling as bad as you can feel;
- Feeling like you are no one special;
- Longing for the Divine Love.

THE MIND WAY

Mind – Transcendence
 Limited progression

- Enlightenment, Nirvana, feeling all-loving;
- All false, mind-contrived. Anti-truth, anti-love;
- Still evolving the Rebellion and Default within yourself;
- Feeling and believing you are the Superior One;
- Living with your mind in control of your feelings;
- Living rejecting all your bad feelings;
- Living with your mind contriving you feel loved;
- Rejecting the Divine Love.

All religions, New Age, agnostic,
 atheists, no spiritual interest,
 Living the Rebellion and Default.

Hell:
 Exploiting the Rebellion and Default.

The Feelings are the doer; the Mind the teller. So we are to go with our feelings, which we can't be told to do with our mind. So the longing for the Divine Love, doing our Healing by expressing our feelings and longing for their truth, are all feelings and doing it with longing. Whereas the mind just wants to tell us what to do and how to be, no feelings in it, all how our parents have treated us.

LOVE

Feelings First Spirituality, The New Way

Feelings First Spirituality, The New Way is a contemporary ‘religion’ based on living true to yourself through your feelings. Understanding that all you need in life is contained within your soul and is shown to you through your feelings. And by loving your feelings, by attending to them properly (talking or writing them out of you) and not denying them, you can use them to uncover the truth of yourself – the truth of your soul.

Feelings First Spirituality is not a formalised religion that tells you how to be, that is too controlling and is actually bad for you, limiting your spiritual growth. You can be wholly self-revealing of the truths you need to be, being the person God created you to be, all by living true to your feelings.

Feelings First Spirituality has no formal structure because we understand we don't need one, our soul contains within it all the truth of our spiritual ascent. If we look to our feelings for the truth they want us to see about ourselves, nature and God, then what more do we need! Our true spiritual path is the path our feelings will lead us down, that is, provided we allow them to. This is the most spiritual we can be.

Living the New Way of Feelings First Spirituality

You come to the understanding from your life experiences that how you are is not right, it doesn't make you feel good – that you are wrong in some way. And you want to change yourself, you want to become right, true and perfect – you want to be like God is.

And to do this you need to do your Healing

Your Feeling-Healing is looking to your feelings for the truth of yourself, the truth being hidden in many of the feelings you are not wanting to face in life. So you have to end your feeling denial, accepting all your bad feelings (and good ones), express them (yet not necessarily acting upon them), whilst longing to uncover the truth they are to show you.

Or, you can do your Soul-Healing, which is your Feeling-Healing together with including longing directly to God for God's Divine Love. When you receive the Divine Love into your soul, it will cause your soul to become divine, and it will deepen your personal relationship with God. Long with all your heart to God for God's Divine Love.

Prayers to our Mother and Father

From 'Religion of Feelings' by James Moncrief

Please Mother and Father help me accept my untrue state and bring up all my repressed feelings so I can see the full truth of why I feel so unloved and all that's wrong with me.

Please Mother and Father help me see the truth of myself through my feelings.

Please my beloved Heavenly Parents, fill my soul with Your Divine Love. I long for Your Divine Love; please answer my prayer and yearning to be at-one with You and do Your Will by living true to myself and all my feelings. Please fill my heart and soul with Your Divine Love – please make my soul like Yours – Divine.

Please Mother and Father, I want to uncover the whole truth of myself through my feelings. I want to be able to feel and accept just how bad I am, how bad I feel I am, how bad I've been in my life. I want to know the whole ugly truth of myself, see it and feel it and understand how I came to be it. Please reveal to me through my feelings all the truth of myself You want me to see. I want to be as You want me to be; I want to be true and perfect, Healed of all my rebelliousness and self- and feeling-denial; I want to be good, loving, true and happy, please help me become true to myself, true to my soul, true to You.

Please Mother and Father help me, I'm in such bad pain, I feel so alone, so miserable, so scared, what's going to become of me, I don't understand, what's the point of me, why have You made me; please help me see the truth of myself – all the truths of myself, nature, how to be in the world, of You both. I want to know, I want to know it all through my feelings, all that there is to see, the whole truth and nothing but the truth. Please help all my pain come to the surface of me so I can embrace and accept and express it out of me. I want to use my feelings to uncover the truth they are to show me; please help me to do that.

Please Mother and Father love me. I want You to love me. I want to feel fully loved by You. I don't want anything else, only to be with You. Please, that is all I am asking.

Please make me feel how unloving I am. Please show me the horrible truth that I am. I want to see and feel and understand the worst of me, please take me into my darkest scariest ugliest unwanted rejected places within myself. I don't want to feel all the dreadful pain that I know is there locked away inside me, yet I do also want it all to come up and out of me, and I want to use it to see the truth of my wrongness, the truth of how evil I am, the truth of my fucked up state. I no longer want to be false, pretending I am okay, using my mind to make me falsely believe I am good, happy, loved and loving, when I know I'm not. For how can I be when You've brought me into my unloving state, making me be of it. And as You want me to experience being this negative way, please show me the whole truth of it. I no longer want to deny any part of myself, or any of my bad feelings. I want them all to come up so I can express them, emoting their pain, feeling how bad You've made me feel all my life and all through my early life; I want to see why, and so reveal all the truth to myself. I want to be the living truth of myself, living true to my feelings and the truth they give rise to. Please help me to do my Healing, and please fill my soul with Your Divine Love.

The mind way is the 'dead' way; the feelings way is the 'alive' way.

Examples of some prayers to God:

From 'Feeling Healing' by James Moncrief

Please God show me the truth of myself through my feelings.

Please help me see the truth about myself You want me to see.

And please help me feel all my repressed pain; please bring up all my bad feelings so I can express them and see what it is they are to show me about myself, my life, and You.

And please help me work through my blocks, I want to Heal myself, I want to become true to myself and true to my feelings and true to You – please help me do that.

Heavenly Mother and Father, I feel so bad, and I know I'm doing it to myself, but I can't help it. I can't stop my compulsive addictions, so will you please bring up the buried feelings in me and show me the reasons why I can't stop. Please! I want to know – I REALLY WANT TO KNOW why I do them. Please help me Mother and Father to uncover the truth of myself. Please, I beg you, please, please, please show me the truth of them so I can give them up. I hate feeling bad, yet I know I must so I can keep expressing my bad feelings to see the truth You want me to see, so please help me feel bad.

Please Mother and Father fill my heart and soul with Your Divine Love. Please give me Your Love. Please love me and make me feel loved by You. I want to feel You close to me, I want You to hold me, make me feel loved by You. I only want You and to do Your Will. Please help me bring up all my repressed feelings so I can express them and uncover their truth. Please help me do my Healing. Please give me Your Love.

I hate you Mother and Father; why have You given me such a shit awful life? I hate myself, I hate You, I hate everything about my life. I feel so bad all the time. I've expressed so many bad feelings and still I feel bad. It's not fair, it's not fair what You've done to me. I hate You! And I want You to help me Heal myself, so I can stop feeling bad. You put me in the shit for whatever reasons, and I want You now to help me get out of it and show me what it's all been about. Please help me to Heal myself so I no longer hate You.

I long for Your Divine Love Mother and Father. Please fill my soul with it. And please help me uncover the truth of myself through my feelings. I want to see it all! And please make it all end, I'm so tired of always feeling so bad, please take all my bad feelings away by making me feel them and showing me the truth I am to see.

FEELING HEALING and SOUL HEALING:

The soul is that indefinable part of yourself. It's that part you can sense, soul-perceive within you, but you don't actually know where. And it's not centred in nor is it part of the mind as some people think. Your soul is separate to all of yourself, that is all the parts or attributes of your personality that are being expressed continuously by it in Creation. Separate and yet inextricably linked to you by light.

Our soul contains the pattern of all we are, all we have been and all we'll ever be. Nothing enters it or leaves it save for light and the Divine Love of God, which is also a Light. Soul-light comes forth from the soul in accordance with its pattern, this light interacting with Creational light on the will level first then moving outward expressing all the aspects of yourself – your personality you need to live life with. As you express yourself, and that's every part of yourself, all physical, spiritual and all in between, so you are generating an experiential light, which then goes back into your soul via your will, which in turn then causes your soul to express the next part of its pattern, and so it goes, as you're evolved into being by your soul.

Our soul absorbs the environment around it, commencing from conception. Thus our pristine soul becomes progressively contaminated by the injuries and erroneous beliefs of its parents. The harm becomes most apparent during our later forming years, that is, during our adolescence.

Should we become aware of feeling our childhood injuries and begin healing ourselves, we can slowly remove the encrustments from our soul, such encrustments stifling our real personality. Thus we can start to revitalise our personality and allow our real self, our soul to blossom and dominate our humanness. Our parents, unknowingly, stifle and suffocate our will, our capability to express one's self.

Feeling healing is the pathway to begin to live fully expressing one's true personality. This can be a slow painful process of revisiting the truth of the unloving environment that actually prevails during our childhood years.

By fully embracing our memories of injuries we endured and also expressing these to our soul Parents whilst longing for, asking for and receiving the Divine Love, with Feeling Healing, we will reinvigorate our soul's potential to truly love and experience life to its full potential, with one's soul growing in truth.

John – If men would have faith like the Apostles, healing and so-called miracles would exist today.

You must not think that this is the only age in which spirits communicate with mortals, for I must tell you that in my time it was much more common than now; and in our congregations when worshipping and when in our other gatherings, and often in private, we had these communications.

This was an important part of the services of our meetings, and one that kept us in constant harmony with the soul power of those who lived in the spirit form, and from whom we received powers of healing and of doing good in many other ways.

In those days healing the sick and doing kindred things were a very important part of our work as Christians. We believed what Jesus had told us on Earth, and we increased our faith and performed many works, which the people who did not believe as we did, thought were miracles. To us the healing of the sick and the doing of these other things were just as natural as eating and sleeping. I tell you that our faith then was a certainty. We possessed the Substance that Paul speaks of, namely the Divine Love, and we expected to do the things just as we expected to breathe and be able to do material good to our brothers.

But after a few centuries, when men came into the church for other purposes than to receive the New Birth through the progressive accumulation of the Divine Love within one's soul, and do the will of the Father, faith, such as I speak of, died, and the power to do these things was taken away from men, and the church became a congregation of men having the mere lip worship.

And all through the centuries from then until now, this power has not been with men, except that here and there some true believer with a faith such as we had has appeared, and done wonderful things.

Note: Following the writings of James Moncrief, one could consider that any reference to the Father, by other relevant writers, may be read as a reference to ‘our Mother and Father’. Further, when considering soul healing, then reference to Divine Love could be referred to as ‘Feeling Healing with Divine Love’.

SPIRITUAL HEALERS & HEALING:

Healer whose soul condition is above Earth plane (2nd sphere or higher) and is open and receiving Divine Love will be able to attract Divine Love spirits from 5th and 7th sphere, and also Celestial Angels (8th +++) who have healing capabilities.

Patient, should he/she be open and receiving Divine Love, will be cured – permanently. When God is involved this way, wonderful and complete recoveries frequently occur.

God is fully involved, faith is high with all parties.

Healer whose soul condition is above Earth plane (2nd sphere or higher) and is open and receiving Divine Love will be able to attract Divine Love spirits from 5th and 7th sphere who have healing capabilities. Patient not being open to Love.

Patient will have relief from health issue. Unless he recognises the underlying cause, the core emotional error, which created the illness, and releases it, then a similar issue may reoccur.

God is welcome and partially involved.

Healer whose soul condition is above Earth plane (2nd sphere or higher – over 500 on MoC) will be able to attract natural love spirits from 4th and 6th spheres who have healing capabilities.

Patient will probably have relief from health issue. Unless he recognises and releases the underlying cause, the core emotional error, that created the illness and releases it, then a similar issue most likely will reoccur.

God not involved. Spirits and people self reliant.

Healer whose soul condition is in the Earth plane state (MoC under 500) will typical attract spirits who have no healing capabilities. Should the patient also be in the Earth plane state (1st sphere condition) and have no faith in the practice then healing probability is negligible.

God not involved. All parties self reliant. Patient has no faith.

Healing and miracles in Divine Love Context.

<https://new-birth.net/spiritual-subjects/healings-and-miracles/>

There are two types of healing [according to a message from Jesus](#). The more common is often called faith healing, when in fact it does not require faith by the recipient of the healing in order to be effective, but it does require someone involved to have faith. Healing via Divine Love does require faith by the recipient of the healing, and is the same process as was used by Jesus and his apostles. Over the years that of being involved in healing, one may become less and less concerned about what might actually be occurring, and simply learn to go with the flow. If the recipient receives an instantaneous healing, that is wonderful. If they don't, but they are still healed over time, is that not also wonderful? One can also heal animals.

In Blackpool in October 2013 Geoff Cutler was able to lead a healing circle, and he decided to create a merkaba. He had never done that in public before, but it was a wonderful healing session. It was confirmed at that time, by a spirit Sereta Kem that this was a useful technique. Shortly there after a very good friend of his received further instruction on how to build a healing merkaba. He has created [a detailed page on the advice we have now received](#).

**Feeling
Healing with
Divine Love is
the key!**

To liberate one's real self, one's will, being one's soul, is begun by embracing Feeling Healing, so as to clear emotional injuries and errors. With the Divine Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

Feelings first

BELIEF to FAITH to KNOWING:**Belief** ➡ **Faith** ➡ **Knowing**

I know, that at times, it seems difficult to grasp the full meaning of faith in the Mother and Father and Their Love, but if you will earnestly seek for Their Love, you will find that there will come to you such a belief in Their Wonderful Love and in the nearness of Their presence, that you will be free from all doubt.

You have asked me “**what is faith**” and I will answer: **Faith is that which when possessed in its real and true meaning makes the aspirations and longings of the soul a real, living existence; and one so certain and palpable that no doubt will arise as to its reality.**

This faith is not the belief that arises from the mere operation of the mind, but that which comes from the opening of the perceptions of the soul, and which enables its possessor to see God in all Their Beauty and Love. I do not mean that the possessor of this faith will actually see God in form or feature, for he has none such, but his soul perceptions will be in such condition that all the Attributes of our Mother and Father will appear so plainly to him, that they will be as real as anything that he can see with the eyes of the spirit form. Such faith comes only with constant earnest prayer, and the reception into the soul of the Divine Love.

No man can be said to have faith who has not this Divine Love. Of course, faith is a progressive quality or essence of the soul, and increases as possession of this Divine Love increases, and is not dependent on anything else. Your prayers call from our Mother and Father a response that brings with it faith, and with this faith comes a knowledge of the existence of this Love in your own soul. Many persons, I know, understand this faith to be a mere belief, but it is greater than belief, and is existing in its true sense only in the soul. Belief may arise from a conviction of the mind, but faith never can. Its place of being is in the soul, and no one can possess it unless his soul is awakened by the inflowing of this Love.

So that, when we pray to our Mother and Father to increase our faith it is a prayer for the increase of Love. Faith is based on the possession of this Love, and without it there can be no faith, because it is impossible for the soul to exercise its function when Love is absent from it.

In my healing of the sick, and the blind and the others of Earth, who needed a cure, when I said: "as your faith so be it unto you," I meant that they must believe that the Father had power to bring about the cure; but I did not mean that if their minds merely had the belief that I might cure them, that then they would be cured. Belief was not sufficient of itself, but faith was required.

Faith is not a thing that can be obtained by a mere exercise of the mind, but has to be sought for with the soul perceptions, and when obtained will be enjoyed only by the soul perceptions.

Your brother and friend, Jesus.

SPIRITUAL HEALING CONDITIONS:

Only when the healer is at one with God (8th sphere soul condition) can he, directly with God, heal a person, who has faith.

Practical ultimate conditions for healing:

Healer on Earth is seeking and receiving Divine Love and is in a 2nd sphere soul condition. Person seeking healing is also seeking and receiving Divine Love, if only to a limited degree.

Healer will be sent Divine Love angels from the Celestial Realms (8th sphere and higher) and they will act as conduit for the Father.

All parties involved have faith and desire to connect with their Father and Creator.

Healing will be rapid and permanent.

Healer who is above 1st sphere soul condition can and does attract natural love spirits from 4th and 6th sphere to assist with relieving illness.

If healer is asking for and receiving Divine Love then he will attract assistance from 5th and 7th sphere spirits to assist with healing, bringing relief for the patient.

Should the patient have faith in the process and is endeavouring to grow in love then healings are possible.

Healer, in this condition, is able to break through the cloud of negative emotion enveloping Earth.

Healer in 1st sphere soul condition cannot develop rapport and assistance from spirits who are above 1st sphere. He attracts 1st sphere spirits who masquerade as healing spirits. No healing.

Healing Circles and Healing Merkabas.

<https://new-birth.net/spiritual-subjects/healing-circles-and-healing-merkabas/>

The creation of a healing circle is quite simple and very effective. The participants sit in a circle, and join hands. They concentrate on receiving healing energy, and typically a substantial energy flow is felt by one or more participants. The first circle I (Geoff Cutler) sat in, I was so strongly jolted that I had difficulty staying in the chair. I have frequently been one of those receiving the energy from spirit, and conducting it into the circle. This comes in through my crown chakra. It is possible to have someone who is desirous of receiving healing sit in the centre, and have participants touch them, but I think its just as effective, and possibly more effective to simply keep everyone in the circle, all joined via holding hands.

In Blackpool in October 2013 I was able to lead a healing circle, and I decided to create a merkaba or healing ball. I had never done that with a group before, but it was a wonderful healing session. It was confirmed at that time, by a spirit Sereta Kem that this was a useful technique. Shortly there after a very good friend of mine received further instruction on how to build a healing merkaba. I will now share the details of the advice we have received, which has come by way of these two messages.

We started in a circle, seated close. From past experience you really need a good circle, not one with bends to accommodate strange shapes of the room where you are. Then I explained the format, so as to set the scene. This was as follows:

1. We would spend perhaps ten minutes in silent prayer, making that connection to Father so that we feel the Divine Love flowing. During this period we do not join hands. We do talk to Father asking for his angels (celestial spirits from 8th sphere and higher) to join us in our healing effort, and for Father to grant us His Healing Energies. We did not need long to do this, because of the substantial time we had already spent in prayer that day. If however you are coming in cold, you might need to structure a prayer session here. Just don't make it so long that the whole thing is exhausting.

2. Then we would join hands and focus our minds on the objects of our healing. This would include all present, and possibly some specific individuals who are remote. Its good to share something about the object of the healing – what the problem is – as this helps greatly with one of the key elements of the process. As Sereta Kem confirmed, three things are essential:

1. we are here with a clear intention and desire to achieve healing
2. that we come in love, and will achieve this healing through love
3. that the recipients are receptive to these energies.

3. Then we concentrate on receiving Father's Energies. It's not uncommon for this to be so powerful that those in the circle will feel as though we are connected to mains electricity, and they may have difficulty staying on their chairs. It is good to ask if any one has a medical condition, more to make sure they are not worried, because Father will ensure the energies will not damage.

4. In order to build a merkaba you need a leader to talk through the process which is as follows:

First, put both feet firmly on the ground (shoes off) and visualize, with eyes closed, how a small ball of light starts to form in the middle of this group. Ask the Source of all Life and Love to fill this ball of light with all the Love it can possibly hold.

When we are asking for this Love, we watch the ball grow and become almost as big as the whole circle. This ball of love and light is now gently resting upon your knees. Fill this ball with all the names of the ones you love, the images of the ones you love and all the positive wishes you have for yourself, your loved ones and all other people you can think of because this world needs it badly.

We can feel how the Source of Love is helping us to fill this ball and we see and feel the ball becoming bigger and bigger until we are part of it. As we are now part of this ball, we can extend its limits to make it as big as the whole room.

Fill this ball with good intentions. Fill this ball with all your great and loving ideas and let it grow by filling it with more of your love, our love and the Love of the Big Soul.

See and feel that it has become as big as the whole building. It is being filled with so much love we can barely hold on as it is starting to flow upwards. We feel it rising higher and higher and let go of it so it can fly towards where it needs to go. As it takes off, we see it divide in thousands of smaller balls each following its own path to reach the destinations you gave it.

Do not worry if you did not think about everybody you wanted to. The reason why we always create such a big ball of light and love is because we want you to become part of the ball itself. This way, all your thoughts and good intentions were present within the ball, whether you explicitly thought about them or not. So everybody in your consciousness or unconsciousness will have been included and will profit from it.

5. Finally stay joined in the circle for as long as anyone can tell something is happening. As an example I was quite surprised to feel physically hot – a sensation that I have never felt before. Later Sereta Kem explained that by joining hands they actually transfer not only energies but even chemicals between us. Takes being spiritual brothers and sisters to a new level!

6. Then we dropped our hands and centred / grounded ourselves.

Jesus: Faith and Healing.

“Dearest Jesus, well, Master, now that I am back from vacation, I guess it is time that we get back to your wonderful messages again. I have been reading some of your messages through K____, and one sentence in particular especially caught my eye and captured my interest: "So, as you continue applying your prayers and faith to the situation, this gives us the extra ability to bring about the exact outcome we are striving to accomplish." (March 22, 1987 message.)

“I have some understanding as to how faith allows both a channel for healing energies to be directed to a supplicant on Earth and facilitates your abilities to more easily and clearly impart your daily guidance for us, and your formal messages as well. But we often hear, Master, that there are people in assemblages who receive hearings from "spirit doctors," even though they have little to no faith in the ability of spirit persons to heal anyone, let alone heal them of what may be their particular ailments.

“If faith in God's Healing, and in the powers of His angels to heal, is not believed in or felt by such sceptics, how is it that we hear of their still being given healings in some cases in spite of their absence of faith?

“Also, we have heard that there are Healing Energies through the Divine Love, and that there are different healing energies also employed by "spirit doctors" in bringing about healings to mortals. If it is not God's Divine Love that is doing the healing, what is doing the healing?

“And, finally, why is it that healings are given to those of little or no faith in prayer meetings (such as Kathryn Kuhlman used to conduct) when presumably they have not even prayed or asked for any healing — only being present to accompany some relative or friend who may have asked them to come along? Would not an "imposed" healing be a violation of a person's free will, if I may put it that way?

“I truly hope that I may be a clear enough channel today to receive your answers to these questions accurately and well. Thank you, dear brother, for all that you do to bring the Light of God's Truths into our lives.” D. L.

I am now here to write, my dear brother in Christ, and I come to you today most happily to answer the questions you have posed the best that I can. First, let me say welcome back from your vacation. I am pleased that we will now be resuming our rapport and that you will be receiving more of the many messages we still have to impart to humankind. I am your dear friend in spirit, Jesus, Master of the Celestial Heavens and the eternal leader of our church on Earth.

As to your first question concerning faith and how the apparent absence of this exists in some who nonetheless receive healings, as you know, faith is a force of great power and is not restricted in its operations when applied on a large or larger scale. In prayer meetings, there are always enough present who do have faith and true soul yearnings to allow the effects of that faith to be exercised in various ways. Not all present need have a firm belief and faith in the powers of spirit healers to heal in order for

the exercise of the accumulated faith of the believers to establish those favourable conditions which allow healing energies to be employed. While it may seem that healings are often taking place randomly in such large gatherings or assemblages, as you say, such healings are not random but intended.

At times, the healings performed with sceptics are the result of others praying for these sceptics — those loved ones who nevertheless pray for them in their behalf, realizing the healings can be effected in others of little faith if their own exercise of faith is strong and sincere enough to bring about the healing desired. At other times, while there are persons who maintain an outer appearance of scepticism, yet, within, they secretly retain a strong hope that they will receive some form of help in spite of their minds' resistance to the possibility of receiving such help. And it is this soulful hope that takes precedence over their mind's lack of intellectual persuasion in the Power of God or of His angels to heal. And, finally, there are occasions when the Father Himself, Who sees into the hearts and souls. of us all, through His Love and Mercy, decides that He will gratuitously provide a healing, knowing that, although a person has not prayed to Him in word's for a healing, his soul is nevertheless reaching out to Him in supplication at some level where He sees that a healing accorded will bring about even a greater gain in that person's soulful condition and development.

Nothing occurs in God's Universe strictly by chance. There are always forces in operation which are the normal operation of God's Laws taking place. At times, the innocent fall into the snare of the effects of the wrongful exercise of the free will of others; and, at other times, the presumed "guilty" (those without apparent faith), such as those sceptics to whom you refer, receive the "unexpected" benefits of virtue in operation, such as in a healing performed. But, as I say, while the inner workings of these complicated and intertwining laws may seem random, they are not. God's Laws are perfect in their workings, even though His children do not always recognize or understand their complexity.

You were correct in stating that the greater the faith, the greater our ability to perform healings, to guide and influence you, and to deliver our messages to humankind. But, as I have said, faith can be exercised in many forms, and it is not always essential that a person receiving a healing be the one who is directly asking for the healing. Of course, it is most desirable for each and every child of God to recognize the importance of praying to our Heavenly Father for any and all blessings desired, healing being only one such blessing. For it is through prayer and the blessings which flow to the supplicant in response to sincere prayer that brings about faith and increments of faith. And, of course, faith is mostly and greatly enlarged when the blessing of God's Great Love is sought for and received. Yes, faith is a most important ingredient in man's true mastery over all of life's circumstances, and I am happy that you have thought of asking me to relate to this subject today.

It is not a violation of free will for a person to receive a healing, for there is scarcely anyone who could or would object to the positive effects gained and felt as the result of a healing. But you can be assured that if a person soulfully does not have the least desire for a healing, then no healing will be imposed upon him. There are those, for example, who wish to end the mortal phase of their existence for a variety of legitimate and approved of reasons. I am not speaking of suicide when I say this, but to such reasons as extreme infirmity due to advanced age, where the prolonging of the mortal life is no longer useful or productive, and where entrance into the spirit world would be desirable; or, a desire to pass on in order to be released from a terminal illness where a relief from further physical and emotional suffering will occur, and where life can begin anew on the spirit side of life. E_____ is a good example of this latter case where, as I have said before, the Father, in His Love and Mercy, saw that higher

purposes would be served in bringing her to the spirit world where her life and work could continue uninterrupted and unfettered by any further pain and infirmity.

As to your question about spirit healing as opposed to the healing brought about by the Divine Love of the Father, yes, there are spirit powers given to "spirit doctors", as you say, that are an extension of the healing powers given to, and gained by, mortal doctors. These spirit powers are also God-given and are much more advanced and effective than are those prescriptions or healing techniques brought to bear by mortal physicians. But as you might well understand, even if you have not yet learned of the inner workings of spirit healing powers, "spirit doctors" live in a world where there has been great advancement in both the knowledge and application of healing techniques and remedies. There are spirits in the spirit world who have studied and applied such techniques and remedies for many centuries, so it should not be surprising to discover that their accumulated knowledge and effectiveness in the healing science has been and is vastly accelerated over that of their so much younger mortal brethren.

But, yes, the Power of the Divine Love to heal is a different Energy, and comes only directly from the Father Himself. And where the Divine Love is concerned, this Healing Force does require the exercise of faith in a much more active and direct way. As you may recall, when I was instrumental in performing healings on Earth through the Powers of the Divine Love acting through me, it was only when faith was exercised by those seeking healing help that healings occurred. Among those from my own people who saw me grow from a child to an adult, they did not at first have the kind of faith that would have enabled me to have been instrumental in bringing healings to them as well. It was most difficult for them to have the kind of faith that unbiased strangers were able to exercise. But, over time, and with the many healings reported to them by word of mouth, many of my own people came to eventually believe that the Father had given me a healing channel in my person wherein their faith, properly exercised, not in me but in the Father operating through me, would result in healing benefits to them as well. And some, in fact, did exercise this faith and did receive the healing benefits of God's Divine Love.

I may not have answered your questions as thoroughly as might be desired, but I think the answers given are sufficiently clear and accurate for now. Perhaps this subject can be enlarged upon at a later time.

Before closing, I should like to say that I am well pleased with your resumption of message taking, and I am looking forward to many more messages that I and others may impart through you in the future. I wish also to extend my love to all my co-workers in the flesh who continue to work so diligently and well in the many church-related tasks before them. Soon, the new volume, so near and dear to your hearts, will be well on its way to final completion and in readiness for printing and publication, and we are all most happy with the wonderful progress you have been and are making toward this end. Keep on working as you have been, with great amounts of your own love contributed to the task, and we shall see a final product of great worth and importance to humankind made available once again.

I love you all, my beloved children, and leave you now with my great love and blessings extended to you.

Your brother and friend, Jesus

(most likely someone other than Jesus)

Note: Following the writings of James Moncrief, one could consider that any reference to the Father, by other relevant writers, may be read as a reference to 'our Mother and Father'. Further, when considering soul healing, then reference to Divine Love could be referred to as 'Feeling Healing with Divine Love'.

CONSCIOUSNESS and EMOTIONS:

Consciousness = Soul Condition. One's Soul Condition is equal to the average of all of the held emotions. Soul condition is the sum total of all of the different emotions, desires, passions, etc., all wrapped up together in terms of how much love there is in every one of those.

Note:

The Map of Consciousness scale is from 1 to 1,000

The Map of Consciousness (MoC) table is based on the common log of 10. It is not a numeric table.

A calibration increase of 1 point is in fact a 10 fold increase in energy.

A calibration increase of 10 points is in fact a 10,000,000,000 fold increase in energy.

Thus the energy differentials are in fact enormous!

Free Will and offering Healing.

I am John Mark. (young disciple and follower of Jesus of Nazareth)

Please, could you write down here the question you received — about the free will?

[This is a subject that has come up quite often on web boards that I frequent. I guess it is good that folks are concerned about not transgressing any spiritual laws relating to free will, but some folks actually believe you should not pray for folks who haven't asked for it. They certainly believe it is wrong to send healing to someone who has not specifically asked for it. So, for example, if I see someone on the street, and they are in pain, I am told it is wrong to send them healing energy. What then about love? Surely not that too? Crazy! The whole thing is getting out of hand, except, I personally think its all nonsense. But we have had some absolutely head on discussions, with neither party moving from their position.

It is clear many of us are channels for different types of spiritual energy. Whether healing is different to love, I would guess it is. I have always assumed that we are only a channel if it is Father's Will. The alternate view is that we somehow could transgress Free Will by imposing healing, love, prayer, etc. That it is under our control. And therefore we must respect free will.

I wonder if this might be a subject Judas might touch on someday?]

I am not Judas, sorry. But I will try to explain my point of view, and Judas will surely agree with me.

First, I wish to state that free will has many facets: There is not only the will for giving, but also the will for accepting or receiving. When I try to transmit a message through you, I may drain all my energy in vain if you are not willing to receive my thoughts. Do you understand me? The same thing happens with love and healing. You can send tons of love and healing energy to other people, however, if they are not willing to receive it, it rebounds without effect.

Jesus said: "Be perfect as your Heavenly Father is perfect." What did he mean to say by this? We know that we are not as perfect as He is. This is impossible. But the Master's exhortation is clear: We have to make every effort to achieve this goal, to come closer to God, to be as He is in the nature of our souls, and so to act as He does.

God sends us His Love daily, in every second of our existence. He never requests our permission to do so. He simply sends His Love. But He never compels us to accept it. Even those who already consciously possess His Love frequently reject new portions because they close the doors of their souls temporarily. To pray for the Love of God and to ask him to send His precious Gift is nothing other than to open up the soul to the reception of the Father's Love. It is an act of faith; it is the child's trust and certainty when he goes humbly to his father, knowing for sure that his father will accommodate him. The father is always willing to give, but what is manifested now is the child's will to accept the father's offer.

In the same fashion, when we channel healing energy to people, it is always necessary that those people open up to this offer. If they fail to do so, it bounces back with no effect. We can never heal people against their will. We have to deal, therefore, with an interaction of the free wills of two people, one who gives and another one with the desire to receive. And this desire is not always expressed through words.

Now, I think that we have come to a good moment to also touch on the uncomfortable question: **Why are you not able to cure as the apostles did, when you have already spent years praying for the Divine Love?** ¹

Well, you have already achieved many healings, but let me explain your frequent failures this way: In the beginning of his public ministry, Jesus could not heal in Nazareth. He did not become down cast, because he knew that for an effective cure, sick people's collaboration is essential. If they closed themselves off to the healing, out of distrust, indifference, or feelings of guilt, seeing their disease as the consequence of their bad lives, that is to say, as a punishment for their sins, then a successful intervention was never possible. This attitude of seeing disease as a punishment for their own sins was very widespread in those times. It constituted an almost insurmountable barrier for the effect of healing energies. Hence, Jesus had to expend much effort in convincing people that they were the beloved children of the Father, who had no intention of punishing them, and that they had to make the first step: opening up to the inexhaustible Love of the most affectionate and good Being in existence. Once this was achieved, healing was easy. You did not put this well. It is not "to convince," it is "to open their eyes." He opened their eyes, so that they became convinced by themselves.

Once again, it is apparent that we cannot impose healings against the will of people. We need their cooperation. Nowadays, disease is no longer considered a punishment inflicted by God — at least most people have got rid of this absurd idea. However, there are other obstacles: in those "primitive times full of superstition," perhaps it was easier for people to accept the existence of these kinds of energies. Today, people usually reject as outlandish and nonsensical whatever they cannot see or touch.

It would be sad to think that we can only act when we are invited to do so. I do not intend to talk about the extreme case of unconscious people who cannot ask for help. [2] I would rather like to draw your attention to another account in the Bible: ([John 5:1-8](#))

<http://new-birth.net/padgetts-messages/gospels-of-john-quotations-from-the-bible/>

Some time later came one of the Jewish feast-days and Jesus I went up to Jerusalem.

There is in Jerusalem near the sheep-pens a pool surrounded by five arches, which has the Hebrew name of Bethzatha. Under these arches a great many sick people were in the habit of lying; some of them were blind, some lame, and some had withered limbs. (They used to wait there for the "moving of the water", for at certain times an angel used to come down into the pool and disturb the water, and then the first person who stepped into the water after the disturbance would be healed of whatever he was suffering from.) One particular man had been there ill for thirty-eight years.

When Jesus saw him lying there on his back—knowing that he had been like that for a long time, he said to him, "Do you want to get well again?"

"Sir," replied the sick man, "I haven't got anybody to put me into the pool when the water is

all stirred up. While I'm trying to get there somebody else gets down into it first. "

"Get up," said Jesus, "pick up your bed and walk!"

I have no intention of broadening upon the topic of forgiveness of sin. I want you to put yourself in the blind man's position. How many times would he have asked somebody to help him, but nobody cared? Then, the moment comes when one no longer asks, fearing the rejection that hurts so much. The sick person's silence does not mean that he, inside, is not calling out for help. So, it was Jesus who approached him.

When people consider their diseases as some kind of punishment for their sins — which is all wrong, of course — it does not mean that they do not need help: Perhaps they need it more than others!

Jesus' work is essentially a work of help. Had he waited for people to come closer and ask for his help, he could have better stayed at home in Nazareth devoting himself to carpentry.

There are moral obligations... what am I saying? These are not obligations. They are attitudes that flow naturally from a love-filled soul. It is a law that truly does assert itself without failure: The more advanced spirit helps the less advanced spirit. I am referring to spiritual progress, of course. So it happens in the spirit world, and so it happens on Earth. This is a compulsory process, since the formation of the free will goes hand in hand with the soul's development. I am aware that it is hardly possible to determine the degree of progress in oneself. But when people do not feel the powerful and irresistible impulse of always helping when they can help, then the moment has come for them to seriously meditate about their own spiritual condition.

There is a law that dominates all the others: The Law of Love. And when Love is expressing itself and prompts you to do something, do it and do not waste time. A hundred hours of discussion over the problem whether it is lawful on the Sabbath to carry a pin in one's hand, or have it fastened to one's garment, or to carry it clutched between one's teeth or stuck in one's hair does not compensate for one good-hearted glance or a single word of love.

I appreciate that you have received me as your friend and brother, and that you have allowed me to communicate my thoughts on the topic under discussion. When another opportunity should arise, I will come back with great pleasure.

John Mark

Our spirit guide, should we have a spiritual aspiration, will be from a background and level that is most appropriate for our growth. We are also hounded by mischievous / malevolent spirits from the lower Earth planes of the 1st sphere, referred to as the hells. It is these spirits that distract us with symptoms including those diagnosed as mental illnesses. It is our soul condition that attracts these malevolent spirits.

I am here with you now, my dear sister in Christ, and I am Jesus, your friend and brother who is your guide into at-onement of soul with the great Soul of our loving Creator. You have perceived that I wish to write upon this subject of the power of healing, for it has been an earnest prayer of yours to be able to help those brothers and sisters who are in pain and suffering.

Let us consider the sources of power that you are familiar with. In nature there is energy that has been harnessed by your technologies to produce power such as electricity, gas, solar energy, fossil fuels, hydro and nuclear power. As the human mind evolves in its discovery of these substances and how these may serve to benefit human life, the effect of a "visible evolution" is produced – a technological development that reflects the development of the human brain and mind.

It is important to understand the role of the mind in this discovery, because if you compare your species to that of the animal kingdom, you can see the limitless potential the mind has to discover sources of power and energy available to it. But where humankind has developed the means by which to use the power available in these natural substances, we misalign ourselves with our proper role in this discovery. Greed and lust for power as a resource has created the subjugation of others to the human will and its desires and have turned what could have been a harmonious and resourceful application of power into something that disturbs our very planet's natural balance.

If we turn again to the animal kingdom to demonstrate power, you may begin to understand what is necessary to see yourselves as God's perfect creations. The creature that aligns itself with its purpose and specialized abilities is able to tap into and employ the power and energy available to it within the framework of its environment. A simple example of this is the bird in flight. A bird was created in such a way that enables it to use the power of the air currents to elevate it above the Earth, thus enabling it to survey its environment for the sustenance it needs to survive.

Natural habitats provide animals with a myriad of resources to not only survive on the Earth, but to contribute to the balance of the energies, substances and co-dependent purpose that allow all of Earth's inhabitants to survive. An example outside the animal kingdom is the trees and plant life that provide much-needed oxygen to your atmosphere.

Why I preface my discussion of the power of healing in this way is to illustrate the necessity to bring the human being into alignment with his intended purpose as a creation of God, and how he "fits" into the scheme of the natural balance of his environment.

If the soul and mind of a mortal become fettered by attachments to material things because he believes that these things produce some form of power over his environment, he begins to misalign himself with real sources of power. Money has become a power in this world, not by reason of itself – as a substance, it provides nothing to the natural balance of this biosphere Earth – but man endows this thing with power simply by his own belief. He has become so convinced that this "currency" of the world is a true power that he applies his appetites, desires and will to the attainment of it, even at the cost of his own health and well-being.

You are only just beginning to realize that how you apply your minds' energies and beliefs has true power over your lives. Truer even than "you are what you think" is "you are what you desire." Desire is the indicator of your soul's will and drive to become.

The lives of my disciples who followed me on Earth were much simpler than yours, insofar as the limitations the lack of technological developments forced upon them. They recognized their subservience to the natural laws that governed them. They were in closer harmony with the Earth in their respect for and cooperation with it. The sun was a resource that grew their crops, water allowed life to thrive; these things were not abused to the extent they are now, and man kept within the balance of Earth's harmony.

When I taught my disciples of their true relationship with God and the nature of their souls created in His Image, they began to appreciate the power of this Love that was evident in my life and teachings. **The Divine Love is a substance and a power that is the highest form of energy available to the human soul.** It is the nature of love that brings alignment and balance, harmony and peace to its possessor. Beyond this, it is a power that can heal. And if this power is wielded by a soul aligned with his purpose, in body and mind, appetites and desires, beliefs and faith, there is no limit to what this power can do.

You will realize over time the importance of simplifying your life and recognizing the true power that exists in the world, which is necessary to invite healing to occur within and around you. What are you attached to? What do you want? Love, or something other than love?

I will write more on this subject at another time, dear sister, and I thank you for this opportunity to write at such an unusual hour.

Your brother and friend, Jesus of the Bible and Master of the Celestial Heavens.

Immortality with the Love.

I am here with you, my dear sister in Christ, and I am your brother and friend, Jesus of the Bible, and one who prays for the Divine Love of God to fill me and transform me into the very Essence of my Heavenly Father.

I am most happy to have this opportunity to write to you on the subject of healing, for there is much that you can understand in your search for truth.

As you know, when on Earth my disciples were simple men who had no great spiritual or moral development, and their education was most primitive by comparison to the knowledge you have at your disposal today. But they possessed a single desire to serve me, in their love for me and their God, and they were blessed by the Holy Spirit in such abundance that, by reason of their faith, they were able to be instruments of healing and teachers of truth.

It is important to recognize also that the faith of the common people in these acts of God-blessed Love and kindness was sufficient to enable the forces of good to manifest through these so-called miracles. They were aware of the powers evidently available to these men who followed my teachings, and they accepted the truth of this power without question.

The simplicity of their lives was such that mental traps of disbelief and doubt were not so much the troublesome enemies to their spiritual awakening. Rather it was the consumption of their thoughts to survive the rigors of life, and whether they aligned themselves with their animal nature and its base instincts over their soul nature that was slowly becoming awaked by love and faith. The contrast between these forces was somewhat striking, for the oppression of the human spirit was very prevalent among my people, and they chose spiritual freedom to physical bondage. By aligning themselves with these forces of good that they could see working in the lives of my disciples, they were also evoking the workings of the higher laws that are a vital part of healing.

As D___ noted, God's Will plays a role in how these forces operate and whether healing occurs or not. Even today you will find isolated cases of miraculous healings wherein the channel of such healing has no particular disposition to heal. It stands to reason that God would have a Hand in how the gifts of spirit are manifest through the human soul, as the soul of man is created to be subject to the order of His Laws. You see gifts manifest in the creation of the many good works and qualities that improve your lives – so God, through His Laws, operates His Influence upon the soul of His created child.

As you know, the development of your souls in the Divine Love is what disposes you to the powers available to you from the great world of spirit. Your soul is the repository for the very Substance and Energy of the Divine Love – the highest love and, therefore, the highest form of energy available to you. It is not merely something that improves your life on a personal level, but it effectuates an energy which surrounds everything that you interact with.

I will use the example of a choir of voices. Individually, when your voice is raised in song, it is small when it is released into the air. But, if your voice was only one among hundreds, the song you sing would take on a power and influence that could be heard as a mighty sound.

Imagine then that the manifestation of your love, when it escapes your soul, mind and body, joins the unseen but powerful force that is always present in the world, so that the effect of this Love becomes a mighty force. You may not see the visible effect of this Love, at least not immediately, but Its effect upon people, events and developments around you is unfailing.

By faith you will perceive these forces of good surrounding you and effecting change for the better. Use your wonderful imagination to envisage the influence of the Spirit of God touching everything. It will silence the evil thought, it will alter the unloving intention, for it is a force that commands every lesser law and bring its influence to bear merely by its presence.

Yes, we are your Celestial brethren who aid and support your spiritual strength, but you must recognize the might of your love to change things for the better in every way. Love one another with the Divine Love of God, active within your souls, and you will bring peace and happiness to your world.

These gifts of love you shall not envy in one another, but rejoice in them as a mighty chorus of Love.

I love you, my disciples of Christ, and I am your brother and friend, Jesus, who loves and serves you in Divine Love.

ENERGY DETERMINANTS – Relationship between Body, Mind and Soul:

The physical body calibrates at 200 on Dr David Hawkins' Map of Consciousness. Many people feel and believe that their body is their real self, this is not so.

Further, the brain is not the origin of the mind, as science and medicine had believed, but the other way around. The mind controls the brain. The brain is activated by the mind's intention and not vice versa. Reason, which emanates from the mind, calibrates at 400 to 499, thus controlling the brain.

What is held in mind has the power to alter brain activity and neuroanatomy. Thought is powerful because it has a high rate of vibration. We are subject to what we hold in mind. Errors in belief bring about energy flow blockages.

Superimposed around the physical body is an energy body whose form is very much like that of the physical body and whose patterns actually control the physical body. This control is at the level of thought or intention. This superimposed energy body is one's etheric / spirit body, the template of one's physical body and home of one's mind.

The basic dictum to comprehend is that the body obeys the mind; therefore, the body tends to manifest what the mind believes. Illness is generated in the physical body by erroneous held beliefs within one's mind.

It is the energy level of love that steadily brings about a release from erroneous and harmful man-made emotions and beliefs. The energy level of love calibrates at 500 and higher. One's soul is connected by cords of light to one's spirit body. One's soul is the home of one's personality, natural intelligence and memory, it is our real self.

One's soul is always perfect and is made of the energy substance called natural love. It is by growing one's level of love does one enable sufficient energy to flow through one's chakras of the spirit body and subsequently into one's physical body that erroneous and injurious beliefs are dissolved and the potentiality for health of the physical body to become permanently repaired a possibility.

On the Map of Consciousness (MoC), the **charkas** calibrate as follows:

Crown	600	7 th chakra
Third Eye	525	6 th chakra
Throat	350	5 th chakra
Heart	505	4 th chakra
Solar Plexus	275	3 rd chakra
Sacral or Spleen	275	2 nd chakra
Base or Root Chakra	200	1 st chakra

Revelation 19: Rapport necessary for spiritual healing.

I am here, Jesus:

The question has been raised by one of the members of the Foundation Church of the New Birth, of which I am the Leader, regarding the delays incurred in healing and the possibility of death taking place before such healing is accomplished on the part of spirits assigned to this task.

Healing can be effected as a result of rapport between the ailing person and the spirit healer; for, when rapport has thus been established, the spirit can work directly upon the sick person without an intervening healer being required to accomplish the healing.

The sick person, however, through faith and prayer, must lift himself above the Earth-plane and attain a spiritual condition on a level which is free of Earth bound spirits, and make possible the contact between the spirit healer and the patient. In spiritual healing of this nature the patient actually raises himself to a spiritual plane higher than the one in which he lives, and comes into rapport with spirit healers. The Divine Love is not necessary for this healing, for many of these spiritual healers are devoid of it, but although they are on a high moral and spiritual plane, it is difficult for them to contact mortals who have not been able through lack of faith and prayers to arise out of their Earth plane condition to establish the rapport with these spirit healers. This is accomplished through a soul operation and is not a mere mental operation that does not come from the heart. That is why the usual genuine mediums of the Earth plane who have no faith or understanding of this law, can do no more than to attract undeveloped Earth plane spirits who have no healing powers.

Again, the patient may be healed through a doctor or a healer whose state of soul is such that he can attract spirit healers, yet the mortal healer can do little or nothing unless the positive faith of the sick man has raised him above the Earth condition I have mentioned, so that the spirit healer can make rapport with him.

When the rapport is made, the therapeutic forces and energies from the spirit world can operate through the mortal doctor or healer, and by their transmitting these forces and energies through him into the ailing person, this can become the means by which the spirit healing is brought about. The spirit healing is actually a therapy or therapeutic treatment which is transmitted from the spirit healers to the patient and acts upon the diseased organs to restore them, but the transmittal is made possible only through faith, which acts as a conductor of these healing forces and energies.

Thus you see that faith that God will help and heal will not only set in motion these healing forces and energies of the spirit world, if God so wills it, but puts the patient into the condition which will allow these healers to do their work, either directly or through the intermediary of a mortal who by his own spiritual condition may attract them. Faith is the reality which permits the healer and the sick person to make contact with the spiritual forces. That is why I was able to heal many sinners because of their faith

in my healing powers, and not heal righteous persons who had no faith. He who has faith creates a condition whereby evil spirits – who intensify or cause the distress to persist – are separated from their control and contact with the patient, so that the spirit healers can make the rapport and operate.

Those who have no faith, and who therefore die as a result of the delay, have died not because of any injustice or lack of mercy or loving kindness on the part of the Father, but because their own lack of faith in His ability to help and heal prevented Him from accomplishing the ministry which He so lovingly entrusted to His ministering angels. The prayers and faith of a loved one for the sick person is very often of great benefit to the sick, for the sincere love on the part of a mortal not only attracts the spirit healers but enables the healing force to reach the sick person through the love which is communicated to the ailing person, and it may sound strange to you, yet it is so, that often the best physician is he who in earnestness of love and sympathy and sorrow sends his prayers to the Father in all faith that He will accomplish what man and medicine cannot do.

And such rapport between spirits obedient to God's word and the prayerful soul is brought about thereby, so that the healing forces are transmitted through him to the sick person he loves. Here is a case of the development of the natural human love operating on a high plane to make spirit contact for healing purposes without the Divine Love, but with His Love operating through man, as in my own case in Palestine when I healed, the healing is far more efficacious and rapid, and I was able to perform instantaneous healing.

In a word, I wish to show that love and faith and prayer in earnestness of soul are realities which perform feats of healing that are impossible under conditions wherein cold intellect and Earth plane conditions prevail.

Second part of message

Received February 7th, 1956

The question arising when death occurs to a loved one, in spite of prayers to the Father for His Love, is one which is important for greater understanding of the Father's wonderful Love and Mercy. Healing process depends, aside from the spiritual forces which are engaged in the work, upon the condition of the organ or part of the mortal body to be restored. An organ which when not under pathological attack is in good functioning order can be restored to its pristine health regardless of the pathological disturbance from which it may suffer. That is to say, a healthy organ when attacked by disease or by some condition causing a malfunctioning of the organ may be restored to normal use through the method of spiritual healing which I have already mentioned in my other writings to you on this subject. But where an organ through normal use has reached a condition of weakness or malfunctioning because of that use, it simply means that the organ in question has reached a point in mortal living where it can no longer be restored to a condition of health it no longer enjoys, and any effort on the part of spirit healers to restore that organ would be fruitless and without purpose.

To be sure, spiritual healing can delay death and restore organs to a state of previous health, but spiritual healing is powerless to provide the body with new organs in place of those which have through normal functioning ceased to function in a way to maintain bodily health. This is what one may describe as old age in the mortal world, which is a normal process for all, except that it may occur at different times with various individuals, depending upon many factors, which need not be discussed here. When this

condition is reached it simply means that the person's time has come to relinquish his tired and worn out body and enter upon his new life in the spirit world. Again, I repeat that the spirits cannot rejuvenate an organ and restore that organ to a condition of health which it did not originally possess prior to the fatal onset of the disease due to degeneration and decay through normal use in mortal living.

I urge you and the doctor, as well as all interested sincerely and wholeheartedly in helping to save and cure a loved one or oneself, to obey the spiritual laws of soul reality and seek the Father, His Mercy, His Loving Kindness, and, greater than these, His very Essence and Nature in His Divine Love which He seeks to pour out on whomsoever craves it in earnest longing of soul. And this power that was mine, and that of my disciples when I was on Earth, may be yours for the sincere asking. Pray again and again for the Father's Love and At-onement with Him.

REVELATION 1
James Padgett 1914 – 1923

James Padgett bravely introduced the availability of the Mother and Father’s Divine Love and a great deal of additional guidance and information, all of which has been supplemented by Samuels, Judas, Reid and Arnold. All writers were under restrictions of personality and circumstances. Revelation 1 opened the door for humanity.

Quantum Jump 2

REVELATION 2
Marion and James Moncrief 2002
– ongoing

Marion and James Moncrief have recognised the need for one to engage in Feeling Healing and, by their actions, removed restrictions that James Padgett and others above endured, thus JM is able to critique the writings of the past 100 years resolving points of confusion as well as expand on what has been written. Revelation 2 is humanity’s turning point.

Due to the extra-ordinary nature of Revelations 1 and 2, humanity with the first Revelation would have continued on into its negative pathway of living, however, combining the first Revelation with Revelation two, now humanity can embrace this turning point and commence its evolutionary growth that has required two thousand years to put in place. This is the greatest event in the history of humanity and very few are aware of such, until we enable others to become aware.

Jesus: "Verily, verily, I say unto you, he that believeth on me, the works that I do, shall he do also; and greater works than these shall he do; because I go unto the Father. If ye ask anything in my name I will do It."

Received by James Padgett Washington D.C.

September 24th, 1916

I am here, Jesus.

I have been with you a great deal to-day, and know just what have been the workings of your mind, and tried to influence you as to some of your thoughts. I was with you at church in the morning and heard the minister's sermon and saw that he did not rightly comprehend the meaning of the words of the text. "Verily, verily, I say unto you. He that believeth on me, the works that I do shall he do also: and greater works than these shall he do; because I go unto my Father." "If ye shall ask anything in my name I will do it."

His explanation of what was meant by "*greater works than I do*," was not in accord with what I meant, or with the meaning that I intended to convey; for when I referred to works I meant those works which the world considered as miracles. I intended to assure my disciples that they would have power to do similar works or perform similar miracles to a greater extent than I had performed them. "*Greater*" referred to **quantity** and not to quality.

But this power or the successful exercise of it was not dependent upon belief in my name, but upon their faith in the Power of the Father and in the fact that He would confer upon them that Power. There was no virtue in my name or in me, as the individual, Jesus, but all virtue rested in the faith that they might have in the Father. I never performed any of the so-called miracles of my own self, but they were all performed by the Father, working through me; and just as He worked through me He would work through my disciples who should acquire the necessary faith.

As I have told you before, all acts that are apparently miracles are controlled by law just as are those things which you call the workings of nature, controlled by law, and when sufficient faith is acquired there comes to its possessor a knowledge of these laws; it may not be, as you would say, a knowledge, or consciousness that is perceptible to the ordinary senses of man, but perceptible to that inner sense, which is the one that enables men to comprehend the things of the spirit. And having this knowledge of the inner sense men may so control these laws that they will work those effects which seem to be contrary to the accustomed workings of the laws of nature. Until my disciples had acquired this faith that brought to their inner sense this knowledge, they could perform no miracle and do no work of phenomenon that other men could not do.

The Bible expression, that belief in my name is sufficient to cause the workings of miracles is all wrong, and I never said that such belief was what was required, neither did I say, "*that whatsoever should be asked of the Father in my name would be given to men.*"

I was not a part of the Godhead and I had not of myself any power, and neither did my name have any miraculous influence with the Father. I was a man as other men are men, only I had become filled with the Divine Love of the Father, which made me at one with Him, and, consequently, had that knowledge

of His Love and laws that enabled me to bring into operation those laws that would cause the desired effects to appear as realities.

But belief in my name caused no working of these laws, or the response of the Father to any supplications. Prayer must be made to the Father in the name of Truth, and to His Love and Mercy. Every individual is dear to Him, and He is ready to bestow this Love upon every one who asks in faith and pure desire. And in response to the earnest prayer will come Love, and with it knowledge of things spiritual, and with this, power that may be used for the good of mankind.

My name is not a mediator between God and man, and neither is belief in one, the Jesus, a means to reach the responsive Soul of the Father. If men will understand my teachings of truth, and when they ask in my name mean that they ask in the name of these truths, then such askings will have its results – but so few men, when they pray to the Father in my name, have such intention or understanding.

Only a knowledge of the Truth of the Plan for men's salvation will enable them to seek in the right way to obtain the Gift of the Father – and when I say knowledge of the Truth of the Plan, I do not mean that men shall understand all the minutiae of this Plan, and how one element or part of it may operate upon another, and what results may flow there from. But that knowledge must be sufficient in the beginning which shows to man that the Father is a God of Love, and that this Love may be obtained by man through earnest prayer for Its bestowal. This is all that is necessary, for the response that will follow will cause the New Birth, which when experienced by a man will place him in that unison with the Father, that will lead to a knowledge of the other Truths that form a part of the Plan of Salvation.

There is nothing else that will bring about this knowledge of that inner sense of which I write. A knowledge of the mind, except in conjunction with this inner knowledge can never bring about this necessary at-onement with the Father. It often exists that a man will have this inner knowledge and at the same time have a knowledge of the mind which is wholly at variance with the truths of the plan for his salvation. And the mind of man, being a thing of wonderful power, can for a time retard the growth of the knowledge of the inner sense, or, as I will say, the soul sense. But only for a time, for at some time the soul sense will progress to that knowledge of the truth, so that the erroneous mind knowledge, will entirely disappear, and man will possess only the truth.

Of this erroneous mind knowledge, or, perhaps rather, conviction, is the belief that in my name, that is supplications made in my name, will bring about the realization of the desires of the supplicant. Also that in my blood, or in the power of the cross, or in my alleged vicarious atonement, the salvation of men can be obtained. If any name must be used in man's supplication then use only the name of the Father, for His is a name high over all, and the only name in Heaven or Earth that can bring to man salvation and at-onement with His being.

And what I have said applies to many other declarations contained in the Bible, such as "[he that believeth on the Lord Jesus Christ shall be saved.](#)" "[There is no other name under heaven whereby men can be saved](#)" etc. This is the enunciation of a false doctrine and misleading to the great majority of mankind for they accept the declarations as literally true. Of course if it be interpreted as meaning that he that believeth on the truths that I teach, then the objection is not so great, but even then the declarations do not go far enough, for men may believe in these truths, and that belief may be a mere mental one, acquiesced in merely by the mind's faculties, without any exercise at all of the soul sense. If to all these declarations shall be added the vital Truth, that "[except a man be born again, he cannot](#)

[enter into the Kingdom of Heaven,"](#) and to this mental belief be added the soul's faith, then the doctrines will be truly stated and men will understand what is necessary to salvation.

Belief and faith are not the same; one is of the mind, the other of the soul – one can and does change as phenomena and apparent facts change, the other when truly possessed, never changes, for faith possessed by a soul causes all the longings and aspirations of that soul to become things of real existence – which like the house that is built upon the solid rock can never be shaken or destroyed.

I write thus tonight to show that the preacher in his sermon did not explain the true meaning of the text, and did not comprehend the truths that were intended to be conveyed of which the text was susceptible, though it did not set forth my expressions or in its literal interpretation declare the truth. I will not write more now except to say, that I love you with a great love, and pray to the Father to bless you. Believe in the Father and trust me for you will not be disappointed, and pray that this Divine Love of the Father shall come into your soul so that you shall know that you are an accepted son of the Father. Keep up your courage and have faith that whatsoever things you shall ask the Father in the name of His Love and Truth shall be given to you. I am with you in all my love and care and you will not be forsaken.

So my dear brother, rest assured that I am

Your brother and friend,

Jesus

NATURAL LOVE or HUMANITY's ERRONEOUS EMOTIONS:

Your soul, being your real you, is an emotional being. Your soul, though a thought of God, does not possess anything of the divine within it. It existed in a state of bliss, in a natural love state, pending individualisation which is achieved at conception which is the time of incarnation. Your soul is endowed with natural love emotions noted within the top section of the Map of Consciousness scale, being those emotions calibrating above 200.

MAP OF CONSCIOUSNESS					
God-view	Life-view	Level	Log	Emotion	Process

Humanities erroneous emotions are those calibrating below 200 on the Map of Consciousness. The environment around a newly conceived child progressively degrades the condition of that child's soul. When the child reaches about the age of 7, the child's soul condition will reflect the parent's condition. These negative emotions are like a crust around the pure soul it has within.

Santa Cruz, California Received by K.S.

November 6, 1999

I am here now, to write, my dear sister in Christ, and I had been busy elsewhere, so it was good that you felt the need for more preparation prayers this evening. I am your friend and brother in Spirit, the wondrous Spirit of God's Love made manifest from my soul, Jesus of the Bible and Master of the Celestial Heavens, and I am happy to come to you again to convey my thoughts in writing.

The laws of God are vast and complex; they cannot be grasped by the reasoning mind, but only understood by the wisdom of the soul when much love is present therein. In order to prepare yourself to receive a spiritual healing, you need to pray and activate your faith in the unseen powers. It's helpful to believe in the reality of spiritual healing, but belief is of the mind, and faith is of the soul. Sincere longing comes from the heart and soul and brings higher and greater healing results than mere belief ever can.

When a person prays for a healing and brings himself up to a higher level of awareness, activating his faith in God's Love to heal him, he will receive a healing, even though it may not be evident on the material level right away. **But** if this same person continues to manifest his negativities in everyday living, returning to his previous activities which brought about his illness in the first place, his sickness will return, perhaps even before the spiritual aspect of the healing had a chance to manifest on the physical and mental levels.

There are many people who diligently petition for the healing of people in need, others who participate in the laying on of hands for those in need of healing, and these prayers and actions are beneficial in bringing healing powers to bear in these people's lives. But as you understand, intervention is only part of the healing process; the person seeking the healing must activate changes in thinking, behaving and attitudes, maybe even change jobs, locations – whatever it takes to get away from the influences and patterns of living which drain the faith away, or which might allow for a new development of faith and hope for a new lease on life.

While on Earth, I was given the gift of healing, and when I channelled this power, I instructed the healed person to "go forth and sin no more". If a person wants to live in harmony with love, the intuitive knowing how this can be accomplished is given to him. Many people tend to rationalize their behaviour, and therefore negate their ability to discern truth about whether something has been done with a loving motive or not. You know the words of the law, "Do all things with great love," but do you always apply the sincere action behind the words? It takes a leap of faith; it takes the ability to turn the other cheek, again and again; it takes humility, a lack of pridefulness, an awareness that you only have to answer to the laws of God, and do not have to prove to others that "you are right."

Healings take place every day in answer to prayer interventions. They don't always last because of recurring negative thoughts, motives and desires on the part of the petitioner, even, oftentimes, unbeknownst to himself. People can make themselves sick because they don't want to go to work or to school. It's good advice in life to find some kind of activities which you enjoy doing in order to promote a happy and healthy result. A well-adjusted person can learn to enjoy certain tasks which are necessary to be carried out. When you are aware of how important it is that you put your loving spirit and energy

into your tasks, it would behove you to make every effort possible to accomplish this goal if you wish to stay well and happy.

Helpfulness is a way many people find fulfilment, and when they feel good about themselves for helping others, this provides them with the necessary spiritual fuel to ward off illnesses and diseases. A happy heart produces a healthy body.

So as you see, even though it is a good desire to channel healings for people in distress, instructions also need to be passed on to them to heal their souls. Help them learn how to pray and reach out to God for help and Love. Help them become aware of fears and anxieties which may be attracting negative situations, resulting in sicknesses.

Even though mankind is on the (way to) spiritual ascendancy, there is still a long way to go before their spiritual natures will be in ascendancy over their material natures, and as long as this is the case, physical complications and emotional hang-ups will be manifesting in these people's lives.

I am aware of the fact that there is much more information which needs to be delivered before people can get a clear glimpse of the powerful healing laws of God which can work on behalf of His children. As you are tired and not in such good condition tonight to receive more information, I will look forward to delivering it at another time in the near future.

I love you, each and every one, and leave you with my blessings for a productive and harmonious week ahead.

I am your friend and brother in Christ, thanking you for receiving my writing,

By living true to ourselves, true to our feelings, we are living true to God. It's that simple.

ENVIRONMENTAL DESTINATIONS:

The predominant emotional aspect of each person is clearly visible through one's spirit body. One's soul condition is basically the average of one's emotional makeup. Those with the same appearance will find themselves together having the same emotional / soul condition. Those reflecting a higher level of love will find themselves in a more beautiful and brighter location than those with a poorer soul condition who may find themselves in a dull and dreary location.

From there, we can all develop our love and progressively advance to ever increasing in splendour environments, referred to as planes.

How the Divine Love may be called upon and used in the healing of our physical bodies.

Received by James Padgett. Washington D.C.

May 16th, 1916.

I am here, Jesus.

I will not write a formal message tonight, but will merely tell you that I was with you tonight at the home of Mr. Eugene Morgan, and wrote what you received as purporting to come from me, and I meant that if I could establish the rapport with him I would cure him; and so I will. It depends somewhat on his having the necessary concentration and belief in me.

It may seem strange that I cannot do this unless this rapport is established, but it is a fact. There are certain laws which control the exercise of this power upon mortals which must be complied with. When on Earth I could come in direct contact with the mortal by reason of my being in the flesh, and as the power was in me, or could be engendered in me by the exercise of my spiritual powers, I encountered no obstacle in the way of my exercising these powers upon the mortal. But now there is no direct contact between me and the mortal, and hence there is no means of communicating this power to him until a rapport is established.

This rapport is something more than a mere "spiritual" connection, and partakes somewhat of the material, though we are not of the material; yet the rapport must be of the nature mentioned, and the material part of it must come from the mortal himself.

Now you will understand that my relationship in such cases with the mortal is very different from what would be your relationship to him, had you this power residing in you; and when the time comes for you to receive this power, you will not need to establish any rapport between you and whomever you may be able to cure. I mean it will not be necessary for this rapport to be established by drawing from the mortal any part of the material that belongs to him: this you will have yourself, and the power will be exercised by you simply as a mortal coming in contact with him.

This power can be possessed by mortals just as my disciples and others possessed it at the time that I was on Earth, and the same results may be obtained as were obtained in those days.

Well, the power that was manifested in you was somewhat of the nature that I have been speaking of, only it was a power borrowed, or conferred upon you by a spirit. It was a part of this spirit's power, and thereby differing from that which you will receive as a part of your own self, when you shall have had that soul development and possession of the Divine Love, which are necessary prerequisites to any mortal – or spirit either – being able to receive the power.

The spirit who was trying to manifest through you and help Mr. Morgan was your own Indian guide, who is a very powerful spirit; and he drew on you very hard for the material that was necessary for him to make the manifestation. The power which he transmitted will help Mr. Morgan, and he will realize it by morning. And if you had continued for a while longer, its effects would have become seen before you left him.

I will try tonight, as I promised, to help him, and if we can form the rapport that I speak of, there will be no uncertainty as to the results. I will give especial attention to his case, as I desire to demonstrate to him that the power of the spirit world, when properly exercised, can be used to help mortals, even in their physical ills, to relieve them from their sufferings. I see that he has a very considerable faith and will make the effort to help establish this rapport, and we may succeed. At any rate, you have already helped him and he will realize it.

I will come to you soon and write you another message on an important subject, so that you may see the necessity for our working faster. I will not write more, but will say that I love you and am with you, trying to help you. So, with my blessings, I will say good night.

Your brother and friend,

Jesus

EMOTIONS affect SPECIFIC ORGANS:

Emotional injuries and held errors have specific energy signatures and vibrations. So does each part of our physical body. Errors held within one's mind affect the flow of energies through one's spirit body, the spirit body is the template of the physical body. The resulting energy flow constrictions then initiate issues, and then pain, and then illnesses within the physical body.

Helen informs Mr. Padgett on the conditions surrounding a medium that he visited to learn about the kind of work they did in behalf of the Kingdom, on advice of a friend.

<http://new-birth.net/padgetts-messages/true-gospel-revealed-anew-by-jesus-volume-3/on-healing-mr-miller-vol-3-pg387/>

Received by James Padgett. Washington D.C.

January 21st, 1916.

I am here, Helen:

Well, sweetheart, we were somewhat disappointed tonight that we could not have the opportunity to write as we had agreed, and you were also, I know. I was with you at Mrs. Miller's and saw and heard what took place, and while there was nothing very edifying in the proceedings, yet it was a little enjoyable because of the great number of spirits who were present and their evident happiness in being able to communicate.

The spirit who was writing through you was one that I did not know, and who was of the lower planes, and had not much of the development.

The guides of Mrs. Miller actually talked through her, and Minnie is a very cute and spiritual little Indian and is very faithful to her medium.

The other Mrs. Miller was much interested and the advice given her by Rolling Cloud is good, and if she will procure the medicine and give it to her mother she will find some relief. These Indians know a great deal about healing and very often help mortals in their sickness. Yes, she was very anxious to hear about the prospects of her becoming a free woman, and, while I can hardly blame her, yet, the spirits are not permitted or inclined to give much comfort to mortals who have in their souls the desires that she had.

I know the condition of Mr. Miller, and it is a very precarious one, for he may die at any moment. His heart is not in a good condition and his kidneys are very much diseased, and worse than that he is obsessed by a wicked drunken spirit who will not let him get out of their power if they can prevent it; and because of his circumstances and surroundings it seems to me that they will be able to retain their control of him. Well, we have some power, but not all that you may think. Unless he puts himself in condition to accept our help we can do nothing for him, for his condition is what gives these spirits the power to control him, and unless he makes some effort himself to break the rapport between him and them, we can do him very little good. Such is this law of attraction that I have written you about.

Well, she is a good hearted woman, but not one that would benefit you in a spiritual point of view, for she is very worldly in her desires and thoughts and scarcely ever gives the future any consideration. I know this from not only what she said, but from the condition of her soul development, which shows that not often does she permit her soul to have any communion with the higher things of God's universe; and I tell you that the condition of the soul is a sure index of the thoughts and aspirations of the person.

Yes, of course, she has a soulmate, but who he is I don't know, and it is not important at this time to find out, for she is not thinking of soulmates, but of the material things of life, and her chief desire is to

obtain money. Well, I must not write more and you must go to bed. The others of the band will come at a later time and write you.

So with all my love I will say good night.

Your own true and loving, Helen

Note the torus energy field being observed around the spirit body.

Fissures appearing in the spiritual body (etheric body) being clearly visible to a clairvoyant.

Such fissures being generated by negative emotional errors held within one's soul.

These fissures are a precursor to a physical illness emerging in the material body within a similar location as that seen in the spirit body.

On healing a sick woman.

Received by James Padgett. Washington D.C.

April 18th, 1916.

I am here, Helen:

Well sweetheart, I want to say very seriously that Dr. Stone [must believe the message that he received from his Hindu doctor guide](#), for he actually wrote him and seems to have great interest in the case of the sick woman, and will do his best to help the Dr. and in addition, he will find that other and higher powers will also help him, if he will only pray and have faith, and when these powers of the higher spirits come, he will find, as the Christian Scientist say, that there is no reality in the disease that seems to have placed that woman beyond all hope.

Oh, I tell you the power of these spirits is wonderful and if the proper rapport can be established, the Dr. will realize that the power to heal did not die, or was not taken from men, when the last of the Apostles died.

I write this in all seriousness, having a knowledge that this power still exists, and is waiting to be exercised in answer to prayer and faith when the mortal gets into that condition of sincerity and faith that will cause it to come and manifest itself.

So, tell the Dr. to believe that what has been told him is not the fairy story of some spirit who takes delight in planting and encouraging hope, only to end in disappointment. We are all interested in this matter for we desire to have demonstrated again this healing power of God which has been given to mortals in the past, is here waiting for a further demonstration.

We have enjoyed being here tonight and listening to your conversation, and also the atmosphere of love that has been with you. I will not write more tonight, but will say. Wait just a moment, for Mary wants to tell the Dr. that she is so much interested in the case, that he is working with, and that she and his mother were with him when he visited the sick woman, and are so anxious that his ministrations will make her well. She also says: that she wants to tell him the old, but always new, to her, story of how much she loves him.

Well, I must stop, so with all my love and a big kiss, and Mary says, one from her too, I will say good night.

Your own true and loving, Helen

P. S. The following notation was made by Dr. Stone when he performed the healing work in 1915.

This lady was my patient, and I am happy to write that as the result of the high spirits helping me with their healing powers which enabled me to exercise their powers that finally restored this lady to good health and brought about the removal of suffering and pain that caused her to shed many tears of joy and happiness. She thanked me many times, but I told her to thank the Heavenly Father for sending the high spirits to heal her.

Dr. Leslie R. Stone.

HEALTHY MERIDIAN or OBSTRUCTED MERIDIAN:

The etheric body, being part of your spirit body, is the template for the physical body. Much of the energy you need for the physical body is supplied by way of chakras and the meridian lines throughout your etheric body. These meridian lines reach from your toes to the end of your fingers or top of your head. Each set of meridian lines is connected to a specific organ of your body. Each organ functions at a different vibrational frequency.

In like, many negative emotions, which are also of different vibrational frequencies, if not allowed to pass through your bodies, will find their lodgement within fields of related frequencies within your body and organs. Such negative emotion, being those calibrating under 200 on Dr David Hawkins' Map of Consciousness, may lodge anywhere in the bodies, typically on the meridian line of the related organ to which it relates to and was attracted to.

Such slow vibrating negative emotion is a plasmatic magnetic energy ball. It can grow and grow by being fed the same fuel coming from a continuation of the same emotional injury. This stuck ball of energy will restrict the movement of needed energy flow along the meridian. This will result in discomfort, then pain, and then may manifest in illness in the organ or in aspects or regions of the body related to that organ.

Allopathic / western medicine treats the symptoms, however the cause remains held in the bodies resulting in a further or similar health issue or a reoccurrence.

The negative emotion, possibly having been held since very early childhood, can be easily removed.

Issues within the subtle bodies are energetic magnetic fields that can be removed by your focused intent to recognise the issue, locate the issue, and enable the bodies to release the emotion with the support of additional magnetic energy being provided to your governing meridian down your spine. Such healing modalities include the Emotion Code and Body Code practices, as an example.

The ultimate way to improve your health condition is to long for and receive Divine Love with Feeling Healing, this love slowly but steadily grows your soul condition and results in erroneous emotions and injuries being released from your bodies.

LETTING GO with The LOVE:

Find a comfortable position to relax and be still and free from interruption. This may be for a few minutes or as long as you may please.

Long for and ask our Heavenly Parents for Their Love, the ultimate high octane super fuel being the light golden blue energy substance of Divine Love. Each little drop of the Divine Love received whilst doing one's Feeling Healing prompts one a little further. Ask for assistance and the Love to enable held errors of thought and belief to be released. One's personal intent and involvement in letting go of past incurred difficult emotions is most beneficial.

Step 1: Focus on an issue that you would like to feel better about, and then allow yourself to feel whatever you are feeling in this moment. Identify the negative feeling. Focus quietly on the feeling. Breathe into the sensations and allow them to be.

Step 2: Ask yourself one of the following three questions:

- Could I let this feeling go?
- Could I allow this feeling to be here?
- Could I welcome this feeling?

The mechanism of letting go is concerned with the emotional “what” from moment to moment, without involving the intellect. What is the benefit of this emotional feeling? What is the point of holding this hurtful belief at all? One may start laughing at the absurdity of long held errors or injuries upon reflection. **Breathe into the sensations and allow them to be.** Your willingness to accept the sensations may intensify them. This is okay.

Step 3: No matter which question you started with, ask yourself this simple question: Would I? In other words: Am I willing to let go?

Step 4: Ask yourself this simpler question: When? This is an invitation to just let it go NOW.

Step 5: Repeat the preceding four steps as often as needed until you feel free of that particular feeling.

The only way we can truly let go of them is by SPEAKING THEM OUT OF US, getting right into them with the feeling, and emoting and expressing it – whilst longing to see the truth of it...

Our willingness to let go thinking and accept what's happening is our ticket to inner freedom. Each time you sense a disruption inside, turn down the volume on the thoughts, breathe into the sensations and allow them to be. This is what we need do to let go. Simple. The challenge comes in being vigilant with letting go all negativity – no exceptions.

This process is ever so freeing and uplifting, though sometimes difficult.

Dr DAVID R HAWKINS:

David Ramon Hawkins, M.D. (born June 3, 1927, died 19 September 2012) is an American psychiatrist, mystic, author and controversial spiritual teacher in Sedona, Arizona. He is best known for his book *Power vs. Force*, in which he writes that applied kinesiology can distinguish the truth or falsity of any statement. He directs the non-profit Institute for Advanced Spiritual Research Inc. and operates Veritas Publishing to publish his books and seminars.

“Make a gift of your life and lift all mankind by being kind, considerate, forgiving, and compassionate at all times, in all places, and under all conditions, with everyone as well as yourself. This is the greatest gift anyone can give.”

“Every thought, action, decision or feeling creates an eddy in the interlocking, inter-balancing, ever-moving energy fields of life, leaving a permanent record for all of time. This realization can be intimidating when it first dawns on us, but it becomes a springboard for rapid evolution.”

“The downside of spiritual education is the buildup of the vanity of 'I know' and the devaluation of people who are 'not spiritual'. Therefore it is important as a foundation to spiritual training and education to learn how consciousness manifests as the ego and its mechanisms.”

“It is only the minority of people who seek self-improvement or personal growth. This is because whatever one's self-criticisms, one secretly really believes that one's way of being is okay and probably the only correct one. They are alright as they are, and all problems are caused by other people's selfishness, unfairness, and by the external world.”

Saturday, 5 August 2017: Nanna Beth: David Hawkins is living in the mind worlds, so I am told, and would be of no benefit to you John. His legacy is again one of those things that sits well with you, that you enjoy and can relate to and use as you do. And really it is now for humanity to use what is available to it having come from the mind worlds, because there won't be anything further coming through from them. Now it will be up to the natural inspiration of the individual on Earth, and those who are working with us, those people who want to do their Healing. The ways of the Rebellion and Default are to die, to fade away, however this will happen gradually as people of it still try to advance themselves, their lives and humanity in their wrongness, but the next real new inspiration will come from those who embrace the New Way.

Everything is interconnected.

MUSINGS by JOHN:

Thursday, 28 September, 2017

Kevin died on 10 August 2012 without any thought for spirituality and no passion for any religion, other than showing up. On 7 August 2017, he arrived into the 1st Celestial Heaven. Three days short of 5 years!!! He had met his soulmate, Kathaleen, and she arrived a few weeks before him into the first Celestial Heaven, as you may have read.

The writings that followed from Kevin are outstanding. Kevin is now a world teacher!!! He and Kathaleen both are. Neither would comprehend this, but they are. Kathaleen and Kevin's writings answers and leads anyone to the destination we are to find, in our own time.

I would like to contrast this achievement with someone I greatly respect.

David Ramon Hawkins, M.D. (born June 3, 1927, died 19 September 2012) was an American psychiatrist, mystic, author and controversial spiritual teacher in Sedona, Arizona. He is best known for his book *Power vs. Force*, I have read everything I can about his works – 10 books, plus videos, etc. Miracles happened around him spontaneously. The Catholic Church would make him a saint within seconds.

Hmm – Dr David Hawkins has stayed trapped in his mind and may remain in the mind spirit Mansion World for centuries, unless he embraces his feelings. He will remain stagnant and limited in his mind condition. Whereas Kevin is now a far greater and truer teacher than this great mind of Dr Hawkins. What a switch in roles! Kevin has progressed exponentially past Dr Hawkins in soul development. Go you good things, Kev and Kath.

Cheers John

Same day: Dr David Hawkins: Hello John. I have been asked to speak to you through James in this way, you being one of my ardent fans and followers of the principles I developed through my life on Earth.

Your assessment of me is correct, and I did spend time in the mind worlds trying to assimilate all that I did on Earth with all that was happening to me in my new spirit life.

Upon my arrival over here in the first Mansion World I was greeted as something of a spiritual celebrity with a host of mind spirits (as James calls them) greeting me, they being the ones who 'empowered' me to do the so-called miracles I did on Earth.

I want to tell you, it's quite a humbling experience to realise, like many of us who did such marvellous things on Earth, that it wasn't actually our own doing, we were not the sole instigator of such 'happenings', that it was other spirits working through us. And that although I attributed it to God, still I secretly thought it was all my own incredible doing, so to have to accept that I was just a conduit – that I really was, and having little more than an innate ability to be that conduit, I felt a bit flat.

And to bolster my flagging ego, I would tune into those people on Earth who were still thinking well of me, yourself John being one such person. And here again, by doing this, I gave myself a rude shock having to face the fact and realise that few people truly understood what I was teaching, taking my work

and corrupting it for their own gain. And believe it or not, I never thought such a thing would happen. So, who of my 'earthly followers' was staying true to what I taught – who actually got it?

And I kept coming back to you as one of these people John. Admittedly, had I helped you personally, you'd have had an even greater understanding and appreciation of my work, however you accept it as is and haven't corrupted it, and have guided other people to be interested in it. So I have followed you over the years in this, which meant I also took notice of what you were doing in your other spiritual interests, some of which were vastly different to anything I'd ever heard about, or found out about over here in my limited little mind world.

And I write such things in the past tense because I am very happy to say, all of which I am so grateful to you for John, that I have now progressed into the lowest sector of the Divine Love on the first Mansion World. I am learning all about it, and about the Healing, all under the incredibly patient and loving assistance of higher Celestial spirits, like those who wanted me to speak with you today.

So you can chalk me up as one of your admirers, and a mind spirit who has converted to the 'Ways of the Divine Love'. I still have a lot more to understand, this is true, and as it's so different to my earthly and mind spirit way of thinking, will take time to integrate into my way of thinking – which means, to change my way of thinking into a completely new way.

That is all I wanted to say. And although you might think that my coming is rather inconvenient with you having just written about me again, however here I am and this is what I want to say.

All the best to you John. You have no idea how grateful I am to you, and I have a strong pleasant feeling that that gratitude is only going to increase.

Yours respectfully,
Dr. David Hawkins

(James: As I was reading your comparison of the Doctor with K and K, I started to feel the energy building... oh here we go again... he's wanting to speak to me!)

Friday, 29 September 2017: Dear James and John (Noted from Samantha in England)

To be 'used' so fully by Mind Spirits, to create all he (Dr David) did under their influence, all so cunning, that must have felt quite devastating to him and I am feeling a lot of sadness, emptiness and let down with in myself as I understand how it feels to learn that my whole life has not been my own but that of my parents, their will, control and untruth and I have felt feelings of it all being such a waste of my experience being like that, a waste of the personality God created me to be. I am very sad as Dr David Hawkins realised how 'used' he has been, being a conduit for the Mind Spirits, I feel like that too, used by my parents to be as they wanted me to be instead of nurturing me to be myself and help develop the personality God gifted me.

I (Sam) bought 'Letting Go – the pathway of Surrender' by Dr Hawkins and I was very up with all of his feeling work but then felt the change in me with the mind dominant aspect of Dr Hawkins work, it was that I wasn't drawn to and felt myself draw back from it but now he can go on from what he already knows, go further into the feeling aspect of what he discovered and I am sure he will get so much

support in that from the Divine Love spirits that are guided to help him. Isn't that just so wonderful John, to have that help, like you have in Kevin and Kathaleen.

CONCLUSION:

David Hawkins' own story explains that the 'Letting Go' process is inadequate. The 'Letting Go' publication and process is his own research. Pure and simple; Dr David was knocking on the door, but that process was unable to open the door.

Again, his own story now endorses the Feeling Healing process!

This leaves no doubt as to the veracity of what Marion and James and Samantha are doing. It is THE ONLY WAY! The only way being the Feeling Healing process coupled with Divine Love.

This clears away confusion for many people who may explore everything. Other emotional processing and releasing modalities simply do not delve far enough into one's injuries and errors of belief. Yes, they provide some temporary relief, but none of them go beyond the mind and into the soul to the core and foundation of our injuries, all of which stem from our childhood upbringing.

Dr David Hawkins has now clearly put aside his own teachings and confirmed that his and all other modalities are inadequate.

Now, we all can focus upon the only way home!

FEELING HEALING with DIVINE LOVE is SOUL HEALING:

Firstly, consider discovering the truth of your emotional pain through Feeling Healing.
Secondly, consider longing for our Heavenly Parents' Love as you progress with your healing.
Primary and most important readings are the writings of James Moncrief.
Then consider the Padgett Messages, and then The Urantia Book.

Release one's pain through expressing one's feelings.

in conjunction with

Longing for the Truth when also longing for Divine Love.

**Feeling
Healing with
Divine Love is
the key!**

FEELING HEALING + SOUL HEALING

To heal one's self is to simply look to see what feelings we are refusing to let ourself feel, and accept them instead of denying them. And to fully accept them, one needs to express them, speak about them, let them have their say, rather than pushing them aside, refusing to let them make you feel bad.

Doing this all with the intention of seeking the truth of why you are feeling them, of speaking about and expressing all such feelings; all feelings you have, but ALL WITH the INTENTION of UNCOVERING the TRUTH THEY WANT YOU TO SEE ABOUT YOURSELF. And it's the wanting to see the truth of them that is very important, because if you just look to accept them and speak and express them, but not seek their truth, then that's all you'll be doing, speaking and expressing them, but not healing their causes, so not fixing the things within you that are making you feel bad. And it's the truth part of it, seeking the truth of your feelings, and so, seeking the truth through your feelings, that's vitally important. It's the truth of yourself, life, nature and God, that is the spiritual aspect to it all.

You CAN'T find the truth of yourself, or anything else, through and with only your mind. You HAVE to engage and look to your feelings. And so if you choose to allow your feelings to 'Show You the Way', then the truth will come as you express them. So to do our Soul-Healing consists of these steps, all of which are ongoing until it's done:

- **Admit you are feeling bad.**
- **Accept your bad feelings, identify what they are.**
- **Honour fully your bad feelings by expressing them, speaking about them to someone who is willing to hear you talk about them, or tell them out loud to our Heavenly Parents. Long for the truth of them. Long for the truth of why you feel bad – what deep within you is causing your bad feelings?**
- **And remember, bad feelings are Good! Not bad. They are not to be despised. And as hard as it is to accept them, they are still you, and a very real part of you. And if you persist in denying them and not allowing yourself to fully live them, then you are only going to keep yourself in your errors making things harder for yourself.**
- **All sickness and suffering, all bad things that happen to you, all your problems, all your addictions – your whole feeling-denying and untrue life, is all caused by your denial of bad feelings.**
- **Every problem in the world is brought about because everyone has been brought up to deny feelings, and in particular, most of their bad ones.**

If one is intent on spiritually evolving and growing in truth, then it's vital, and this is the key, that one looks to use one's feelings as the means to gain and have access to the truth of oneself. You CAN'T find the truth of yourself or anything else through and with only your mind. You HAVE to engage and look to your feelings. And so if you choose to allow your feelings to 'Show You the Way', then the truth will come as you express them.

Doing your Soul-Healing with the Divine Love, is really doing your 'Feeling-Healing'. We are designed — created — to be self-revealing of truth, and so we are all to uncover the truth within ourselves and for ourselves, and all being done by living true to our feelings. **If you accept, express and seek the truth of your feelings, then truth will come to you, and you'll grow spiritually. It's as easy as that. Also it is as easy as it is to long for, ask for and receive Divine Love.**

THE HEALING OF YOUR BAD FEELINGS THROUGH THEIR ACCEPTANCE
AND FINDING THE TRUTH OF THEM, IS THE ACCEPTANCE OF YOUR
NEGATIVE, REBELLIOUS, EVIL, IMPERFECT MIND AND WILL CONDITION.

To do our feeling-healing we need to become:

Aware of – Acknowledge – and Admit, our bad feelings.

So we can:

Accept – them and allow ourselves to Be them.

And then if we feel to, take:

Action – Express, speak and emote them.

Talk about them.

All being done whilst longing to, really wanting to, see the TRUTH of our feelings.

So it sounds simple.

So I repeat:

We accept our bad feelings by expressing – speaking about them to someone willing to listen to us and take us seriously. And as we speak we long for the truth of them – why we are feeling them – to be made known to us. And when we uncover and see the truth we are FREE! – healed of the causes that have made us feel bad.

Accept, Express – see the Truth, and you're Free!

ACCEPTANCE OF ALL YOU FEEL, THINK AND ARE, IS THE KEY TO DOING
YOUR HEALING; THAT, AND WANTING TO SEE THE TRUTH OF ALL YOU
FEEL, THINK AND ARE.

Release one's pain through expressing one's feelings.

in conjunction with

Longing for the Truth when also longing for Divine Love.

Our FEELINGS are our SUPREME GUIDES:

Feelings!

Feelings are what guide us through our ascension of truth. So they are really our Supreme Guides. Many people look for a person, spirit, angel, even God, for supreme guidance, however it's all right there already built in – in our feelings. We just have to submit to them, allowing them to take us where they will, expressing all the parts we want to express, letting the emotion drive that expression if it's there to be expressed, or just talking about all we feel and how feeling that feeling is making us feel – or, how we feel about having that feeling, all whilst longing for the truth of our feelings. Longing for the truth of our feelings is really: Longing for the truth of our self, because: we are our feelings. So life stirs up our feelings, we feel being alive; or, being alive means we are feeling, always feeling; and when we work out what and why we are feeling what we are, so then we know the truth of how we are. And over time the truth accumulates, and our mind expands our understanding of ourselves, all being driven from our feelings. Kevin 26 Sep 2017

Using our feelings to uncover the whole truth of our negative or anti truth and anti love state.

Kevin: So whilst we're of an untrue state, then all we have got to help us understand why we feel bad, why we are wrong, why we are negative and anti love and truth, is our feelings. So if we focus on our bad feelings, they will lead us to the truth of why we're feeling bad. Which will be the truth of what happened to us to make us be this wrong way, and how we took on the wrong way and keep it going making us feel bad.

FEELING HEALING

Note: The vital difference between emotion and feeling is that emotions have their roots in the past, and feelings relate to the present moment. Emotions represent our feelings which were not previously expressed, and these accumulate with time.

Note: Our feelings are soul-based. Our soul is always in truth. It is our soul based feelings, that when allowed to be freely recognised, we will begin to express and be who we are. This takes time and perseverance as we have encrusted our souls with layers upon layers of errors and false beliefs, it is these layers that will confuse the truth that our soul is conveying to us. Only by our progression with our Feeling Healing will our soul's expression of truth become clear and free of all cloudiness and contamination.

“What our soul needs in accordance with our own, individual, **Soul-Light-Plan-Of-Destiny** (your life's true destiny plan), They, being our Mother and Father, will give you as required. The only way we can know truly what we need is to honour and follow our true feelings. They, springing from our soul, literally telling us what we need, and so when we genuinely feel we need something, we apply our will to get it. The hard part is knowing if our feelings are true, and until we have done our whole soul-healing, they won't be clear and totally true.” James – Introduction Course to Divine Love Spirituality

You all have the capacity to be a channel for healing energies

<http://new-birth.net/contemporary-messages/messages-sorted-year/messages-1984-2000/you-all-have-the-capacity-to-be-a-channel-for-healing-energies-ar-27-feb-2000/>

Santa Cruz, California, Received by Amada Reza.

February 27, 2000

I am here with you now, my dear sister in Christ, and I am your guardian and friend, Mary, the mother of Jesus and a true follower of my son who is Master of the Celestial Heavens.

I am now going to address this concern of our brother Alfredo, and I want him to know that we are indeed with him, an angelic band, as it were, to keep him in good rapport with his soul nature, and he must now know that we want to help him become a clearer instrument for the healing powers which are a gift to him.

One of the necessary steps to becoming an instrument of healing love is to allow this love to find lodgement within the soul and to elevate the condition of the soul and mind to spiritual things, to make contact with forces that exist within and around us at every moment.

God's Divine Love is a Substance that I cannot describe in words, but its power is felt by the soul who aspires to know of this love and become more like its Creator. This power draws to it all manner of influences that bring that person to such a state of mind that they may understand the true relationship of the body, the mind and the spirit, for the truth is we are spiritual beings, first and foremost.

Alfredo, we want to surround you with our love at this time to bring about your own healing of spirit and mind, to help you not to worry about those things that would tend to distract your spiritual and healing energies. So, when you are prompted to sit for a message, the message you are receiving is the message that God loves you, as we love you, and you may rest assured in this Love.

When you begin to have more faith that this Power is present in your life and that we may come at these times, you are going to be able to manifest your love and connect with the powers of the angels (celestial spirits) who are present, who will help you channel healing.

We want you to become comfortable with the idea that you will always know when we are present and that you can make rapport with us at any time, because your desire to serve God and give love will enable these healings to occur. You all have the capacity to be a channel for such energies and instantaneous healing will occur quite naturally because you will know that this power effectively works through you.

The mind and body are mere instruments and when you allow your conscious self, your soul, to dictate what you think and desire, you will begin to realize this power that the mind and body are subject to. Do not allow your doubts to darken your vision of this truth, for this will only keep you from the true happiness that can be yours, if you only embrace this love, this soul, that is your strength and your being.

The soul can perceive truth in such a way that all things are clear and the road before you is laid out with no obstacles. The mind, on the other hand, is very talented with throwing up blocks and making your sight unclear. The truth is clear and is what will guide your heart to what is right. You must trust this and have faith that this is what God wants for you: that you can walk through your life with faith and knowing, not doubt and fear, unclarity and disappointment.

The Laws of God work to fulfil the highest Law of Love that is working through you as it works through us, and when you pray for this Love to take hold of you and manifest through your thoughts and aspirations, you will be aided to accomplish those goals you see before you. There are no obstacles that can keep the Love of God from manifesting through your life, the law will not allow that to happen.

So, Alfredo, trust that you are safe in the Arms of Love and that we are surrounding you with this love to help you get into that condition that will make your dream of channelling healing to the heartsick come true. You are a blessed brother and we have faith that you will allow the Will of God to be manifest in your life.

I love you and I am your sister in Christ, Mary,
the mother of Jesus,
and an inhabitant of the Celestial Heavens where Divine Love reigns supreme.

SOUL which animates SPIRIT BODY which animates PHYSICAL BODY.
Trapped emotions (frozen energy) create fissures and injuries in the spirit body which inturn emerge as physical illnesses, firstly as pain, in the physical body. Emotional blockages of the same type create illnesses of similar natures in anyone who have the same style of emotional injuries. Each of us carry our own unique cocktail of emotional issues, as we are emotional beings (our soul), thus each of us have unique pathways to recovery.

I am here, John. (Apostle)

I do not write St. John, because I am not called by that name in the spirit heavens, and I have written you often enough now, that you will identify me when I merely write John.

Well, I heard [what the Master said](#), and I can only add thereto, that I never wrote the things which declare that I preached that the blood of Jesus saves from sin or that Jesus was a propitiation for the sins of mankind. Neither in my Gospel nor in my Epistles nor in Revelation did I write such a doctrine. As I have told you before many things contained in these books were written by others to carry out certain plans and ideas of the writers. I never said that Jesus was God and that he was begotten by the Holy Ghost, or that he is equal with God, or that he saved a man from sin by reason of any personal qualities which he may have had.

So let your mind eliminate these false doctrines and receive the truths which the Master shall write with a perfectly unbiased mind, free from all preconceived ideas.

(Answer to question by Mr. Padgett follows:)

I meant that many spirits would try to communicate with man and attempt to teach false doctrines as to Jesus and his mission.

That the only spirits who were capable of conveying the truth, and worthy of belief were those who should acknowledge that Jesus was the son of God in the way that it has been explained to you. Not that Jesus or Jesus Christ was God. Only those spirits who acknowledge Jesus as the Son of God and have received the New Birth, and know anything about the kingdom of Christ, or of the gift of the Divine Love of the Father, and the way to obtain it, as taught by Jesus, should be acknowledged. All other spirits who have not this knowledge, and consequently would not acknowledge Jesus as the son of God, who should hear his teachings, is not to be trusted as being true followers of Jesus.

This is nothing mysterious or contrary to the laws governing the conduct or beliefs of men. If a spirit or man either, knows nothing about a certain subject he certainly cannot teach others its qualities or merits, and, hence, I was applying an ordinary law of nature to the way in which spirits should be tried. For I must tell you now, and it is a truth, and was a truth at the time I wrote my gospel and epistles, just as it is a truth now, and always will remain a truth, that every spirit who acknowledges that Jesus is the son of God is a redeemed spirit, and has received a portion of the Divine Love, and is progressing in the kingdom which Jesus is now forming. And when I gave those instructions to my children, as I called them, I intended that their communications should be only with those spirits or men who had received this New Birth.

I know that all the spirits who have received this Divine Love in sufficient abundance are good spirits, free from sin and error and (with) the power or inclination to influence mortals not to sin or to do

anything which is contrary to the Will of the Father, while all the other spirits may or may not exercise upon mortals the influence of evil.

Hence, try the spirits, and if they do not acknowledge Jesus as the son of God, let them alone, and do not receive their communications or teachings, because they are not believers in Christ and the New Birth.

Among my children or believers in the Christian religion were many persons who had the power or gift of communicating with the spirits of the departed, and did so communicate; and such communications were made known to the rest of the congregation and believed by them. And hence, my injunction against communion with those spirits who were not believers in Christ.

You must not think that this is the only age in which spirits communicate with mortals, for I must tell you that in my time it was much more common than now; and in our congregations when worshipping and when in our other gatherings, and often in private, we had these communications.

This was an important part of the services of our meetings, and one that kept us in constant harmony with the soul power of those who lived in the spirit form, and from whom we received powers of healing and of doing good in many other ways.

In those days healing the sick and doing kindred things were a very important part of our work as Christians. We believed what Jesus had told us on Earth, and we increased our faith and performed many works, which the people who did not believe as we did, thought were miracles. To us the healing of the sick and the doing of these other things were just as natural as eating and sleeping. I tell you that our faith then was a certainty. We possessed the Substance that Paul speaks of, and we expected to do the things just as we expected to breathe and be able to do material good to our brothers.

But after a few centuries, when men came into the church for other purposes than to receive the New Birth and do the will of the Father, faith, such as I speak of, died, and the power to do these things was taken away from men, and the church became a congregation of men having the mere lip worship.

And all through the centuries from then until now, this power has not been with men, except that here and there some true believer with a faith such as we had has appeared, and done wonderful things.

So I say, let not what the Bible may say about Jesus being God and having those other qualities with reference to the salvation of men, disturb you in your beliefs in what the Master may write you.

I will not write more tonight, but will say good night.

Your brother in Christ,

John

Note: Following the writings of James Moncrief, one could consider that any reference to the Father, by other relevant writers, may be read as a reference to 'our Mother and Father'. Further, when considering soul healing, then reference to Divine Love could be referred to as 'Feeling Healing with Divine Love'.

Jesus: Healings Are Not Always Performed Instantaneously.

I am now here to write, my dear brother in Christ, and I am happy to come to you once again in an attempt to answer the questions you have put before me this day to your satisfaction and to the satisfaction of others, B. R. of course included, who wish to know more clearly the Workings of the Father's Will where B____'s condition is concerned. I am, of course, your friend and brother in spirit, Jesus of the Bible and Master of the Celestial Heavens, and I am always happy to bring whatever enlightenment I can to my beloved co-workers in the flesh who seek my assistance.

First of all, let me say that B____'s condition is not a serious one, but one that does require medical attention at this time. You were correct in the thought that healings are not always performed instantaneously, especially if a greater purpose can be served in their delay. And what do I mean by this? Well, in the commission of a healing by the Father, He must take into consideration all possible benevolent outcomes — some possible outcomes not being as desirable or all-inclusive as others. The healing of a physical condition, placed upon a relative scale of things of importance, is not of much moment and certainly well within the capabilities of the Father to perform. However, there are always other healings of a higher order which can take precedence, as the Father so chooses. In this regard, I am speaking of soulful healings, and this not necessarily to one but potentially to many. For when the Father acts and brings His Will into operation, rarely is there but one isolated effect that occurs. In addition to the possible physical healing performed, and this to the person benefiting from this healing, there are always others who are touched by such a healing in some way, and particularly when the healing is understood as being the result of prayer and the effect of the Father's Own Ministrations.

The Father knows of all the prayers offered in B____'s behalf, many of which have been presented most sincerely and with the souls' activations having been included. And, this being so, as I have explained before, such soul-yearning prayers always reach the Father's listening Ear and unfailingly activate a Benevolent Response on His Part. And you shall all come to see and witness this Response in due course, and as the Father deems it the right time for the healing to be manifested.

In previous messages that you have received, you were informed that there is a great network of helpful assistance, and this extends from the highest heavens even to the lowest hells. You were further informed that any source or agency can be employed by the Father in answer to a sincere prayer offered to Him. This source can be one of the Father's highest angels, a good spirit, or even a loving or capable mortal who is in the right position of time and circumstance where his or her own talents can be employed in the successful execution of the Father's Will. And when this benevolent outcome is enacted, through whatever source, it is rare indeed that only the person receiving the healing benefits. For, you see, while mortals and even we in the, highest heavens may see a narrow or even a broader picture, as the case may be, the Father's Perspective is all-encompassing and extends far beyond limitations of time, space, or the conceived possibilities of men or spirits. His View of things extends not only to the moment but potentially to the far future, and His Acts of Benevolence carry forth in such a way that maximum benefit is often accorded to not one but many included in the prayers that have been offered in another's behalf.

Already you have heard from B____ himself that his son, J____, has experienced an increment in his faith in prayer when he learned that his father did seek the medical assistance of a doctor — this outcome being a direct answer to the prayer that his father would seek such assistance. As J____ expressed to his father: "I see that God does answer prayers after all." And, so, you can see from this one example of God's Workings alone, there is more that the Father would like to accomplish than to bring forth a healing to one. There are indeed others to whom the Father's Benevolence is being extended as well. For, as you must know, those who pray for others with deep love and great soul yearning are not absented from the benefits that follow.

I shall conclude this portion of my message by saying that the Father's Will will be done in all good time and to the satisfaction of many where B____'s present medical condition and its improvement is concerned. Continue in your faith and in your prayers, and realize that nothing whatever is lost in repeating the same or similar prayers from your soul. For as you continue to pour forth such prayers in love, at the same time, you add to your own souls' goodness and development. Every prayer offered to the Father in love has its own reflexive reward of an increment in soul development to whomsoever offers such prayers. Furthermore, every time this occurs, there is a union with the Father Himself. And this, more than any physical benefits that may result, is more than enough reason to continue to offer such prayers in others' behalf. For, while praying to help others, one effect, not often thought of or considered, is that one's relationship with the Heavenly Father becomes closer and more in at-onement with Him. And regardless of whether or not the Father answers your prayer in the precise way asked for or desired, the closeness you have achieved with Him at such times is actually one step closer to union with Him at all times — the very purpose and goal that all of His children should strive for as often as possible.

I have no formal message to add at this time. However, I would like to mention that, while yet another Easter celebration is upon us, I and all my Celestial brethren eagerly await the time when not my death and shed blood will be celebrated, but when my life and its teachings will be at the forefront of man's understanding. And you, our beloved co-workers, in the dissemination of the Father's Truths to your mortal brethren, are indeed advancing this cause and helping to shorten the time of the prevailing ignorance of men as to the True Plan of salvation given to His children. Keep up your endeavours, my beloved ones, and know that you have all the great love and backing of we, your Celestial brethren, to ever assist and inspire you. And, more than this, you have the love and Blessings of the Father Who is mindful of all that you do to advance His Cause of bringing His children to Him in love, and not through the sacrifice or death of any of His children.

Until our next communication, then, I wish to thank you for receiving my thoughts of today, and I look forward to many more opportunities to share more of such thoughts with you in the service of bringing you all to the Kingdom of the Father. I am

Your brother and eternal friend, Jesus

White Eagle: Healing through the Instrumentality of Spirit Healers.

I am here with you, and I am your brother, White Eagle, a follower of our Master Jesus, who is our elder brother and leader in the Celestial Kingdom of God's Divine Love. I am happy to be able to come to you at this time to give you a message on healing, as you desire to know what forces are at work in the transmission of healing energies through the ministering spirit to the mortal.

The laws of God are exact in their workings and will not fail to operate when it comes to bringing mortals into accord with the Plan of Eventual Harmony, and one must always consider that illness is only a manifestation of what we are aware of as the workings of laws. So many people ask why infants are ill, when they have broken no law by the exercise of their own will, and I will say that the sins of the parents are visited and passed down through the generations. Illness of the body is relatively easy to heal when there are higher spiritual forces present and able to be exercised over the lesser material laws governing the body. It is in the instance of the sin having found lodgement in the soul, and when the mind has been used to cultivate the thoughts and desires to sin, that causes illness of the spirit which is not so easily healed. One may, as a spirit healer, give temporary relief, but it is the will and pattern of behaviour that causes the mortal to resume his or her sinful activities that will keep them in a state of illness.

In the case of the infant who has not exercised his or her will to break the laws of God, should the parents pray for the intercession of God's Help and Love to bring relief to the child, the spirit healer may be able to actually remove the obstructing disease in the body. This happens when the elements which comprise the physical body are in a regenerative state and through the influence of the higher energy or power upon the material, the molecules are "rearranged" and the balance of the natural and perfect workings of the body is restored. Everyone has a blueprint that is not only subject to the inherited and genetic factors which causes every body to be unique. There is a natural order that is native to the cells and organism we call the body. You have heard of cell intelligence, it is as if every part of the body knows what to do because, as it is created to perform a certain function to sustain life, it will work the same every time within the scope of the natural laws and an environment that supports physical life.

In ancient times, people honoured their relationship with the elements that surrounded them and affected their way of life — air, fire, water, the sun, the rain, the herbs and plants that were a part of their every day living that could be used to the benefit of the body. The body was seen more as a temple and recognized as a miracle of life that it was, and there were those in spirit who acted on behalf of restoring the health of the body through mortals who were given to the study and skills of healing. The mystery of the body and its workings were considered sacred, and it was no less than the practice of mediumship when the mortal who would heal joined together with those in the spirit who could help administer the forces of good to bring about the desired condition. It is more difficult in these modern times to trust the natural workings of the body and reconnect with the forces that are already present in nature that may benefit the body and mind. This disconnection from the physical body has caused illness to occur that could otherwise be healed if the person would just put himself in the proper environment and condition to remove those stresses that impose illness on the natural order of the physical universe, of which his body is only a part.

The blueprint of which I spoke is the harmonious balance of the human body within and without itself — it is designed to work perfectly within itself and within its environment — one breathes and moves through the atmosphere and it is this synergy that is the condition of natural harmony which brings the body into accord with its surroundings. But, in the case of healing through the intercession of a highly developed spirit, especially one who possesses the Divine Love, there are powers present within the energy field of the spirit which may bring to bear this balance and harmony, despite the physical environment and existing conditions in the body. When the mortal exercises faith in the power of the love to heal and bring illness to right, the conditions present in the physical body respond to the higher energy and healing may occur.

You have been receiving my thoughts on this subject and you were right to assume that touch is an important part to healing. The "laying on of hands" is prevalent in the Christian ceremonies, which invite the power of God's Love to visit the mortal seeking relief and, through the intercession of spirit and mortal healers, relief is often the result. Again, this modern world can sometimes isolate people from one another through distrust and fear. Human companionship is vital to establish a healthy physical environment for a person who needs to restore the balance and harmony in their lives.

I see you question why your friend suffers from depression when it appears that she has not been without companionship, even having had the benefit of loving care and prayers on her behalf. But I will say that there was a shift in her sense of trust and faith in her earlier life that made her withdraw from receiving the benefit of this love that was there for her. Her own will and thoughts played an important part in establishing an unhealthy distance from her heart and her actions were "by rote" more so than an active manifestation of her love. You know the importance of establishing true love as the motive for our actions and behaviour toward ourselves and others, and when one fails to manifest this love, they suffer the consequences. Her mistrust has taken the form of blaming God for her discomfort and unhappiness, and she must remove this and reconnect with her true soul's aspiration to trust in His Love for her and all God's children.

I know that you, too, suffer from longstanding illness and you may ask God to help you understand the source of your pain, spiritually and mentally, that keeps you from enjoying good health. I love you and will be with you, helping you whenever I can. Ask God for His transforming Grace to help heal you and your family. Put it in His Hands and let Him open your eyes to see.

I am your brother and friend in the Christ spirit, White Eagle

The sight and sound of Love.

<http://new-birth.net/contemporary-messages/messages-sorted-year/messages-2001/the-sight-and-sound-of-love-ar-13-may-2001/>

Aptos, California. Received by Amada Reza.

May 13th, 2000 (2001)

I am here, my sister in Christ, and I am John the Apostle of Jesus and his true follower. I follow my Master because he is the example of the Christ Love manifest through his soul and he has been at-one with the Soul of God since his days on Earth.

I want to share with you the reason we simple men could become the teachers of truth and the healers of men and women and it was because Jesus had such faith in the reality of God's Love and its Power over all things that he led us into our own faith. But another factor to our success in our ministry was that the people of our region were ripe for a change, and their ability to put their faith in God was much more developed than what you may find in people of your modern world.

The challenge before you today is to maintain your faith in God and put the spiritual before the material even though your fellows who are relatively content in their lives surround you. I say relatively because the strong lure of the material world gives the illusion that these *things* provide a sense of well being and satisfaction. Your challenge is not to fall prey to the same illusion, and even though your motives are to serve God and bring His Love to the world, it is tempting to assume this will be accomplished through the means of material assistance.

What I would like to illustrate is the power of love that Jesus exemplified and is still encouraging all of us to know for our own selves. As the Designer of this universe, God is its Master and Enforcer. Through His Mind all creation came into being, as well as the laws that govern every detail of their working. Understanding this truth will help you realize that as you pray for and receive the Substance of God's Soul – His Divine Love – into your own soul, thereby becoming at-one with Him, you are thus enabled to wield power such as this material world could never offer. You may ask why you have been unable to heal as we did, but I would have to ask if you know beyond doubt that you are the immortal child of God who has rightfully inherited the power and strength of your Creator.

We have prayed for this Love to become evident through the souls of mortals so that this world will turn once again to the favour of God and His Laws. We have been with you in your prayers to strengthen your aspirations to know what God's Will is. It is simply that you become at-one with Him in Love, yet this is the greatest challenge for a mortal living in a world that does not recognize the truth that Love is the Enforcer of all law, that Love is the one and only true and real power.

My dear brothers and sisters, I want to convey from our Master that you should not be dismayed by the fact that you are not healing the masses and drawing thousands of followers. Yours is a quiet victory, but one of the greatest in the world. Jesus wants you to know that he loves you and has faith in your ability to make a difference in your life. I add my love and deep admiration for what you have accomplished so far in your ministries and that is the consistent love you demonstrate first to God, second to your angelic guardians, and most importantly, to yourselves and one another.

Do not underestimate what you have accomplished in your personal life. You see evidence of the conflict between material and spiritual in the greed and lust for power that cripples our brother and sisterhood. You see the addiction and illness of spirit that has become commonplace. You see the very

planet upon which you depend to survive subject to humankind's devastation. Yes, because of the power of your love you prevent disaster. This is the truth. Every day you pray to do the Will of God you activate the highest laws to operate around you. Nothing is untouched by this Love because it is at the very centre of every thing – its motion, its energy, its purpose – and you are channelling and utilizing this Love through your soul, mind, hands and mouth.

Do not underestimate how many angels (celestial spirits) are present to usher in that influence all around you, adding their prayers and power to yours. If you could see with your eyes the Substance of this Love as it escapes into the atmosphere around you, touching all things, you could not doubt its influence. It is as a thousand rays of light illuminating you and the world. If you could hear with your ears the sound of this Love as it is played by your soul you could hear the music of Heaven and Earth for hundreds of miles.

You are my spiritual counterparts on Earth. We work alongside one another. We love you as our family in Christ. Have faith that God and all the angels love you. This is the truth, and you have made it so.

I am John the Apostle of Jesus and your friend and brother.

Swift Bear: Healing.

<http://new-birth.net/contemporary-messages/messages-sorted-year/messages-2001/swift-bear-healing-alf-11-jul-2001/>

Seville, Spain Received by Alfredo

July 17th, 2001

I am here, my dear brother, your spiritual guide, who accompanies you at every moment, to guide your steps towards your progress.

I wish to speak of healing, which is used with great love on the part of those people, who possess this most precious gift.

It is exercised for the benefit of those people, who go through painful moments in their lives. Everybody may participate of a healing through their prayers, setting in motion a mechanism of energies, which are transmitted to the sick one. For such an end, healing spirits are acting, as well as your own spiritual energies.

A healer, who is blessed with this quality, may bring about spectacular feats. But s/he should make sure to love deeply the one, whom s/he is healing. This is easy to do, although you don't know personally the person in question.

You should just be aware that s/he is your brother/sister, to put yourself in their place, and feel in your own flesh what s/he might be going through.

An approach mechanism is triggered toward the person, who controls the spiritual forces, which are important to attain to the desired goal.

Sometimes it happens that no healing is accomplished. And we believe that we have not helped the patient in anything. But this idea is all wrong, because the sick person's strength to face his or her disease increases significantly, alleviating him or her so much in the spiritual as well as in the physical sense.

Our Father, with His Great Love, gives us all we need. Although we may not see the results, but they surely do exist.

That is why it is important to give all our love and energies to the person in need.

I ask you, the healers, to apply, please, all these suggestions in the best way possible, because you cannot imagine the forces you are moving, and you are not able to envisage the angelical healers, who perform through you.

Do not desist in your zeal, and you will succeed, and you will be filled with a happiness you cannot compare with anything. God bless all your efforts.

From your brother,

Swift Bear

Jesus: On Healing and the Law of Change and Growth.

I am now here to write, my dear brother in Christ, and I happily come to you today to deliver another message to you for the benefit of humankind. I am your brother in Christ, Jesus, who is Master of the Celestial Heavens and the eternal leader of our church.

Today I wish to discuss the progress of the church work, but I should also like to answer your question with regard to B____ and the healing performed at our annual meeting. To be sure, I was indeed present and joined with your **Divine Love circle** in administering healing energies to our brother, B____. You felt the influence of this when you experienced the force of these healing energies within yourself, as did others of our group when these energies were directed and applied. B____ will receive considerable benefit from what occurred, and the healing will manifest over time. It will also help him to continue to pray for healing in general because the Father is always ready to hear and respond to the sincere desires of His children for His Assistance.

At our meeting, it was a particularly propitious time for B____ to have made his request for a healing inasmuch as I could draw upon each of you as well to direct healing energies to him. Prayer circles for healing add to the powers that we in spirit have that otherwise are not always as effective as they are in combination with others on Earth.

As to the future, yes, I see B____'s condition as greatly improving, and as he continues to pray for greater strength and the ability to carry out God's Will for him on Earth. In the Earth life, we are often beset with infirmities of one form or another, and these infirmities often serve to make us more aware of our complete dependence upon the Father for our well being and happiness. They often serve to remind us of our need to look to him not only for the blessing of good health but also for each and every spiritual need we may have which comprises our greatest need area as human beings and children of the Father.

As I have mentioned before, progress, growth, and development depend upon the overcoming of adversities or stumbling blocks that all of us encounter along the way. Even we in the Celestial Heavens are ever in a state of growth and development, and this growth depends upon not only the Divine Love we receive from the Father but also upon the efforts that we ourselves make to face and overcome the challenges of life and living ever before us.

At the annual meeting, I mentioned that I had just returned from a troubled spot in the world, and that I felt temporarily depressed by the conditions I witnessed there. So, you see that our condition, though usually a very happy and blissful one in our own environs, is not always a happy one when our work takes us to lower and misery-laden conditions that exist so prevalently on the Earth plane. But, yet, how can we do other than to minister unto our less fortunate brethren who find themselves in such deplorable conditions, and whose souls cry out to the Father for His Mercy and Help? If we were simply to rest upon our laurels, one might say, this would certainly not provide the assistance required; and, at the same time, unless we involve ourselves in attempting to improve such conditions, our own means for further growth and development would be curtailed or at least seriously delayed. Growth and progress, you see, are dependent upon the application of taking on adversities and doing something constructive

and beneficial about them. And this applies not only to the personal adversities one may encounter but also to the adversities we witness in others which also cry out for remediation.

Growth depends upon challenges met and overcome. It is the "victory" which provides the increment in self-esteem and the further development of the soul. True progress is not really possible without such challenges to deal with and find solutions for.

On Earth, you know that this is so in terms of preparing oneself for a gainful occupation. The learning process is often a painful one, for learning can often be painful. But as your young folks so often truly say, "No pain, no gain." By this is really meant that wrestling with problems adds to one's strength, while retreating from problems does nothing more than preserve the status quo; or, worse, weakens the position that a person may have previously gained through prior successful efforts to confront and overcome. So, in saying all of this, you may come to understand that no one should fear the challenges of life. For it is through the successful handling of such challenges that we all grow and develop greater strength and character. And, of course, when these challenges become a bit more than a person alone can successfully handle, such person always has the recourse of appealing to Higher Forces for the assistance required.

As in previous messages, I indicated that there is a vast network of communication in which, in essence, one soul is really linked to another. There are always sources of help that can be called upon in this vast network of the Father's Creation. And if the Father Himself does not provide the assistance required directly, He ever commissions others to render such assistance as is required.

And, so, if man truly realized that he does not live unto himself alone, and that help is just a "call" away, he would no longer look upon his life in particular as being without resources beyond what only he himself might be able to provide. This is not to say that he should go overboard and attempt to acquire every assistance he may feel a need of from others. His own efforts are still most important and beneficial to his own growth and development. Yet, while this is so, he must also understand that the Father does not require of His children that they face each and every challenge alone. There should be a healthy balance between one's own efforts and one's calling for assistance when this too may be appropriate.

So, in summary, humankind must realize that the Father, in His Infinite Wisdom, has ordained that His children will always have challenges before them to assist them with their own growth and development, as well as in gaining increments in fulfilment and the happiness that comes from the successful completion of tasks or the overcoming of problems. We, in the Celestial Heavens, no less than yourselves, are subject to the same Law of Change and Growth. If this were not so, we too could not progress in our happiness and fulfilment. For, as you must know, happiness is transitory without further accomplishments resulting in more happiness. To remain fixed in one's development could never provide additional happiness; and, in time, through a lack of further progress, the happiness one has already gained would soon dissipate into a memory of only what once was.

So, my children, my message of this day to further the church work is to make humankind more aware of their growth and development potential through the understanding and application of facing and dealing with the challenges of life, realizing that this is the "stuff" upon which strong and happy souls are made. There can be no growth without these challenges to face and overcome. And, so, if each child of the Father were to recognize that this is an eternal and not merely a temporary process, he or she

might better be able to approach such challenges more positively, and with the underlying assurance or confidence that accepting such challenges is providing that progress without which ongoing happiness would not be possible. Progress is the law eternal, and no progress is possible without the application of those efforts which will result in growth and further development.

I think I have said all that I wish to say for now. Be assured that the church work is proceeding very well, and that each of you continues to play a vital part in the overall plan. I am so appreciative of what each of you not only attempts but also accomplishes in terms of the work before us. Our work is slow but steady, and the foundation of our church is truly becoming that which will fully support the Truths of God on Earth. And, so, my beloved co-workers, as you start yet another year of joyous work for the Father and humankind, know that we are in back of you 100%, and that we can ever be called upon to render each every one whatever assistance that you yourselves find lacking or may require. I love you, each and every one, and I look forward to yet another year of growth and development with our church, and the happiness that all of us will necessarily feel as a result of the progress which we will be making.

Until our next communication, then, I will leave you with my love and blessings.

Your brother and friend, Jesus

White Eagle under Jesus' direction helped to correct Mr. James Padgett's digestive organs, as a result of his prayer to the Father for help.

P.107 True Gospel Revealed anew by Jesus Vol III by Geoff Cutler

Received by James Padgett. Washington D.C.

February 15th, 1915.

I am here, White Eagle.

You are much better. The Master helped you very much last night. I manipulated you as he directed, and your digestive organs are now doing their work. Your prayer to the Father was answered. He heard you as Jesus told you He would if you would pray in faith. You had the faith and the cure came. So it is with everything in life, only pray and believe and you will receive the answer. You are certainly blessed, and I wonder as do all of us, at your faith; but thank God you are the one that the Master has selected, and you will be in condition soon to do his work as he desires.

Yes, you are right. He is the only one that can help you in time of trouble. Only continue in your faith and you will realize that he is your Father and your helper. Jesus says that your faith is wonderful, and that you will be able to do many things that will help mankind. Only be true to him and you will never be forsaken.

No, you need not use any more medicine now, the work is done, and medicine is no longer necessary. Well, he (Dr Stone) may help you some in starting your various muscles and nerves to get into activity, but even his treatment is not necessary now. When God heals He heals effectively, and no other help is needed.

You are commencing to get that Great Love in your soul now, and soon you will be filled, and then your happiness will be complete, that is it will be of such a character that the worries of life will not make you unhappy.

Yes, he (Jesus) was present and he directed my movements. He is the all-powerful one. His knowledge is without limit, and he is so full of love, that when he tries to impress you, you cannot resist the influence of that love. So be more prayerful and you will become possessed of that Love to a degree that will make you love all mankind as well as God. Well, I am telling you what the Master tells us, and he knows. You had better not eat promiscuously yet, give the digestive organs a chance to get back their full strength.

So good night.

White Eagle is a powerful Indian and has often used his great healing powers to restore Mr. James E. Padgett to good health. He wrote often as he had considerable Divine Love in his soul that made him a bright and beautiful spirit.

Our Heavenly Parents simply desires for us to ask for Their Love.

By living true to ourselves, true to our feelings, we are living true to God. It's that simple.

“Every day is a day of devotion.”

Please Mother and Father, may I receive Your LOVE.

God's Divine Love: Pray for it, ask for it, and receive it.

Our salvation IS the embracing of the Feeling Healing process with Divine Love.

“Every day is a day of devotion.”

It is important to recognise that Jesus of Nazareth did not write the New Testament, but instead, it was written by followers who, by word of mouth over many generations, repeated what they thought Jesus said or meant. As any spiritual teacher knows from experience, there can be a wide disparity between what was actually said and what a listener thought they heard. When one considers the historical process over the centuries by which the Books of the Bible finally became assembled, it is truly impressive that it calibrates as high as it does. This does lend credence that Divine inspiration was available to the scholars involved in its final versions. P.373 Truth vs Falsehood – David Hawkins

In contrast to the Bible, the authors noted through out the Padgett Messages are the writers of the contents of the messages. This has also followed on with the further Divine Love published messages.

“Pentecost will not be a feast celebrating the coming of the Holy Spirit hovering over the disciples’ heads in form of a flame, but a time when you remember that the Holy Spirit brought Divine Love in great abundance, filling the apostles’ souls. Thus you remember a fact which happens daily on Earth. Of course the quantity of Love transferred to the souls is not always necessarily as overwhelming as it was then, but the same principle of the bestowal of God’s Love is happening each and every day in the world.” Judas of Kerioth December 17th, 2001

“Yes, I am here, with a considerable number of Celestial spirits who have been listening to your discussions regarding the spiritual truths, and I should like to corroborate what just was said in a [previous writing regarding my life](#); and the fact is that Jesus did not give me the leadership in the Christian movement while he was alive. I took upon myself the leadership, as it is explained substantially in the [Acts of the Apostles](#), and I spoke boldly at Pentecost and did work some miracles of healing; and it was this and some other acts that I did that gained for me the leadership of the apostles and the movement.” Simon Peter May 9th and 12th, 1955

When we have removed all man made emotions from our mind, our mind only will engage God endowed emotions. We lose the free will and now the will of the soul dominates the mind. Our will is now at one with our Mother and Father. We now can enter the Celestial Heavens.

Soul based emotions are all love based forming our natural love soul, created by the Source Soul. The will of the soul is always love based as desired by our Mother and Father. We are embracing the will of our Parents when we respond to these soul based emotions.

Our soul is subordinate to our mind. Our mind has free will and responds to all emotions, God given and man made. We allow our dominate emotions to determine our actions. This is exercising our free will. Only Divine Love with Feeling Healing removes errors.

Erroneous emotions are all about causing harm to others and/or to one's self. These lead us to a period in the hells to prevent us from harming others and experience compensation. Seek the Love and grow!

HEALING PROPERTIES of SUBSTANCES

Sunday, 25 March 2018:

Verna and Nanna Beth talk to Graeme

Graeme: Good morning James

I've been a huge lover of nature, from a very young age, and about ten years ago my former partner, Christiana, invited me to join her in making a range of 88 Flower Essences under the name: One Garden Divine Flower and Nature Essences. She led the venture as she was able to intuit the "healing" properties of the various flowers and under her guidance (and perhaps her Guides) we made the range of One Garden Essences.

Initially we thought they had "physical" healing properties (like the Dr Bach flower essences) but subsequently we were told that they were vibrational healing tools and assisted in "opening" our emotions so we could more easily process the suppressed childhood feelings locked in our soul.

I still do not fully understand how they work and was wondering if this is a topic that you could ask Nanna Beth.

Till next time we chat, sending my love, Graeme

Verna (a nature spirit): Good day to you Graeme, my friend. It's about time I was 'allowed' to speak again, so if you don't mind, I am going to make the most of it. Now first of all, your love of nature – anyone's true love of nature, and not saying they love nature whilst still doing bad things to it – will assist you in embracing your feelings with the intention of looking to them for the truth they contain, just as will working with the 'essences of nature', that which you captured in the flower essences. Do you know, any part of nature, from a bland old mineral or rock to a newly emerging flower can have its essence 'captured', there are ways, many already known, as to how to go about that, and others as yet, unknown.

When you eat food, drink water, smell nature's fragrances, you're doing the same thing – imbibing the essence of that specific part of nature. And if you could only see the true vibration, the spirit component to these physical parts of nature (including yourself), then you'd be able to see how indeed they do subtly affect you, and on all levels, from the deepest will to the gross physical and all in between. So if one's approach is to use one's feelings to further deny oneself, to move deeper into one's rebellion and default, then flower essences and essences of anything else, all of nature, can be used to help you do that, that which humanity has been doing for these past 200,000 years.

And consequently, should one wish to go the other way, looking to their feelings to heal themselves of their wrongness, then all such things can be used to help you with your Healing. And so how do they help – how do the flower essences specially help you? And the answer to that is a little more complicated, however I will try and apply my mind to reveal to you a little more about our hidden world.

So, let us begin at the true source: your soul. As you understand, your soul drives everything that you are – you being the personality focus of your soul currently in the physical. However you are also your soul as much as you are your personality, the two can't and aren't separate. Right, so you get that part, so your soul is bringing – expressing you in Creation; okay, so whatever your soul wants your soul creates. So let's say your soul requires the help of a flower essence to subtly affect some part of your

unseen auric system, by adding its vibration to your existing vibration, all of which will bring about an effect desired by the soul. That being, one that will help you become more evil or less, as I said above.

Okay, that's simple enough. So, let's say it's important, so far as your soul is concerned, it being the next part in your life – soul growth, and assuming you are wanting to Heal yourself using your feelings – for you to bring up some more repressed anger that is contained within it from your early childhood – let's say; just a really pissed off feeling you felt at your father when he was treating you badly, in this case, nothing specific, just all the indignation and fucked off feelings and a being really angry with him feeling, which you felt yet weren't allowed to express at the time.

And because you are 'into' flower essences, your soul leading you that way, so your soul will use all that's in your life currently, it having made it that way, to help you liberate this anger.

Now you take the drops of a certain flower essence you are 'drawn to', and when taking them it's far better to take them using your feelings, so you take that one because you feel drawn to it and you take that many drops because you feel like taking that many drops, trying to avoid all this take ten drops at three hourly interval stuff, that's all too mind controlling. So like everything ideally in your life, you allow your feelings to guide you when you can, so you take only one drop and your feelings say that's enough. You put the dropper back in screwing the lid on and then suddenly you feel like another drop, and when you're dropping that drop on your tongue, you feel like another drop... then another... then you wait, no more, that's enough. And then a half hour later, I think I'll take another drop, no five drops, and so go.

And if the flower essence is made the right way, you can't damage yourself with them, so you use a base that is neutral for your body and one which itself won't affect you – natural pure spring or rain water being the best.

And as to how long does an essence such as this remain 'potent', well that too is a feeling thing, it remains potent for as long as you feel it is. So you see, you can't be too finicky with your feelings, because for some people it might be a very complex operation, something they are refining to perfection through their feelings, for other people, slap dash, don't really care, take a few squirts, she'll be right, all of which is right for them. However both ways might change as one works deeper into the truth of one's feelings.

Now, the soul sort of issues instructions all the time via light coming out from it into life – Creation. And we and your angels, along with your Indwelling Spirit, can see this light. The angels are far more advanced in this than we mere nature spirits are, however what we're limited to is compensated for by your angels being able to tell us what we need to do, and they tell us in a flash of light, you'd not be able to see it, none of this laborious having to speak words. And it's even faster than your mind circuits work, your telepathy is as laborious as your word-speaking so far as we're concerned, for our 'mind-talk' is so fast you'd not even perceive it happening, and yet it's still laborious compared to how fast your soul is at expressing all the light within your aura that it needs to express.

So we are all attuned to your soul, what it wants done in your aura, which includes your physical. And mostly so far as your physical is concerned, we alter under your soul's instructions, things in your aura, your subtle system, which then affects your physical – short or long term. Understand that in certain circumstances, we – being your angels – can directly affect your physical, but mostly it's all done from

the deepest will level out through all your subtle systems and spirit body.

So, back to your leg and the anger that's going to come up through it. You're sitting on the couch having a moment of reflection, things are going through your mind that you're half aware of, you suddenly feel like having a swig of a certain flower essences, perhaps one drop or many. And you don't feel anything further. Then you talk on the phone about something, you get up and have a drink of something from the fridge as you feel a bit thirsty, and then you sit back down and start feeling edgy, uncomfortable and out of sorts enough to draw your attention to the bad feeling. And then by focusing on it you realise you feel irritable, and then angry, and the pressure within you builds to the point where you want to speak out the anger you feel. So let's say you're by yourself, so you open your mouth and start to growl angrily, and submit to the feelings trying to just let yourself feel as angry as you feel, growling and feeling angrier and angrier, and you long for the truth of your anger, and then pictures come into your mind about how fucked off you feel with your father, and then you realise your left leg is full of anger that seems to be coming up from the sole of your foot, up the leg, right up and out of your head as you growl it out. So what's been going on?

Your soul wants this anger out of you, it's the next phase of anger expression you are to experience, it helping to relieve you of more repressed anger and at the same time helping you see more truth about why you are feeling so angry. And so your soul has initiated light into your aura on all levels making this experience happen. And you being mostly oblivious to this, just carry on doing what you do, and then your angels take their instructions and 'energise' the levels of your aura to make the anger 'physically' work its way up through your system. The angels make 'light adjustments' – adjustments using spirit light – in your system to allow this anger to make it's way out of you by you feeling it coming up through your leg. The repressed anger, as light contained in your soul, moves through your will levels, then your will activates it to move up your leg with your angels helping to adjust your system where needed. And your system needs continual adjustments, your soul does it all with light, but your angels do all the hands on stuff as determined by your soul. So your angels are always tinkering within your aura.

Sometimes they can do one adjustment with a lot of light and that will set you up for a day, week, month or even years of what you will need, this happening when you're more settled into your wrongness and it's all pretty obvious where your life is going on the subtle levels, so your angels don't have that much to do other than just keep monitoring your soul in case other instructions are forthcoming. But if you're actively doing your Healing, well your angels don't get a moments peace – which they love, by the way, angels want to always be active, the more active the better, they find it very trying when you are stable and going against yourself, but when your are wanting to work with your feelings and grow in the truth they'll help you reveal to yourself, well they are in heaven, it's what they've been made to do so far as helping you goes and they can't get enough of it.

So your angels are adding and subtracting light from your auric systems as fast as your soul is shinning more light into it. And along the way, all you are doing is, used, it's all part of it, so if you use a flower

essence, it will be used, it will stimulate a certain vibratory reaction on varying levels within your unseen system, with your angels incorporating it, using it, adjusting it – modifying it, possibly toning it down or amplifying it, and so it goes with all your food, all you do, see, sense, all you are, all the time being a symphony of light, constantly in change, even though you might feel at peace resting on the couch one moment, then suddenly, seeming out of nowhere and for no reason, anger is coming up your leg and you're feeling so fucking pissed off that you can't believe how angry you do feel.

So as you can see, it's all very complex, you don't have, and can't have, any idea just how much is going on within you all the time, all so you will feel what you need to feel, so those feelings will lead you to the truth you are to see and then live. And with your mind playing along doing its bit, to help stimulate, change or deny feelings in keeping with the beliefs and behaviours you established through your forming years.

So you might ask: well are things like flower essences actually necessary? And simply, they are if you want them to be part of your life, they aren't if you don't. Which is how all your life is. With some people being drawn to such things, and possibly only for a season, others with no feeling of interest and a few wanting to dedicate their life's work to it. And as you understand, whatever your involvement with anything in life, it's going to be vastly different should you want to live true to your feelings, than living by being untrue to them. And by living true, as you are going to be changing a lot, so you will change a lot in your relationship with all that you do in your life. And so it will be the same should you want to work specifically with the flower essences.

In time there will be people who are doing their Healing and who'll be more in tune with us nature spirits, working directly with the essences of nature, understanding that it's all a vibrational thing and something that can be used as an adjunct to your Healing or just as part of your Healing life. The essences are not meant to be medicines as such, however they can work powerfully in conjunction with what your angels are doing within you. And to always bear in mind, that it's your angels that will be working the wonders within you, not anything else, with the other things like flower essences being something the angels work with, because it's all part of your current life experience as determined by your soul.

And in time, people will just intuitively feel, or even by speaking directly with us nature spirits, how to grow plants lovingly and truly based on the truth they are revealing through their Healing, all so as to maximise the benefits the plants offer you, either through direct ingestion, or like using the flower essences or other ways still to be discovered. Your relationship with nature is about five percent of what it could be. Even those people working with spirits and nature spirits are doing so on the mind levels or the lower Mansion World and Earth plane levels, so you've got a long way to go, all the Mansion World levels then into the Celestial levels to increase your relationship with nature. And like as with everything, some people will be more drawn to one specific area or another, some generally taking bits of it all, others not interested much in nature preferring to get on with being fully interested in themselves – their own feelings. But overall, everyone contributes to society by expressing their truth, and as the truth increases within people, so does the overall level of society, so society grows in truth reflective of all who comprise it.

So to summarise, such things need to be looked at in a truly holistic level (or you could say, a 'soulistic level') so that they can be used in conjunction with your Healing. You can in theory, look ONLY to your feelings for the truth they are to show you, not needing any other healing help. And there will be people

more wanting to live this way, however because you need life to stimulate your feelings, so you will be drawn to certain things, some to do with nature, others to do with people and others with everything else, all to help stimulate that which you'll need to give rise to the feelings your soul wants you to express.

Graeme, you might find the flower essences are helping you enjoy and love and expand your relationship with nature more, which gives rise to feelings that help you expand your relationship with yourself. You might use the essences to help stimulate your emotions and feelings as you want to live that way, and so they will be used to help you in that capacity. And you can express your feelings, longing for the truth of them, telling your Mother and Father what you want – whatever you feel, with the flower essences helping you on the subtle levels.

I hope I've not confused you too much. Please ask me about anything if you don't understand. I have wanted to try and give you a bigger picture so you can draw from it the essence of what you need from it. It's all there, contained in each feeling, because each feeling expresses more truth – the truth of why you're feeling it, that which is what you are to find and then live.

Love Verna.

Nanna Beth (3rd Celestial sphere): What Verna is wanting to help you understand is that there's so much going on within you on all levels, that trying to use your mind to work it all out in the hope that it will help you, is all but futile, as you never will, not until you at least attain Paradise, and even then that's only one phase.

Too many people, Graeme, approach everything through the mind, wanting to dissect it in the misguided belief that it will help them. When what helps you is trying to **stay true to your feelings, expressing them whilst longing for their truth**. And we keep stressing this to keep bringing you back to the simplicity of it, and it's something the mind can't really deal with, it having been programmed to be the controller and master of understanding. But to keep looking only to your feelings is all that's needed without needing to go into the mind side of things unless it's where your feelings lead you to.

James uses his mind for this work, but that's about it, the rest he's trying to look more to his feelings, easing the control of his mind. And **feelings, once you start allowing them to have their say, are far more interesting than anything the mind might be**. You can use your imagination to fantasise about all sorts of things, and some people consume their whole life with such indulgence, however **when you start living more closely to your feelings, your feelings might not be so varied, however when and how you feel them, and what they lead you into seeing about yourself and life, will be far more fascinating than anything your mind could conjure up**.

There is never going to be a remedy that people can take that will heal themselves on any level. **The remedy is the truth we're revealing to you about your feelings. All the rest is simply an add-on**, something as Verna said to help stimulate experiences in life, all so you can feel more feelings. So it's not to say no to doing or being interested in certain things with the mind, but rather to keep wanting to feel and become aware of the feelings that are happening along the way. You can use your mind to block out your feelings, however your feelings are still always there, so it's to try and keep them up within you and not blocked out whilst you apply your mind, is one way of trying to stay more attuned to them.

Love Nanna Beth.

27 March 2018:

HEALING PROPERTIES of SUBSTANCES continued:

John: Hello Nanna Beth,

Thank you for introducing the foundations of comprehending the contribution that Flower Essences may provide on one's journey through physical life.

May we expand this topic to consider the various roles and similarities that the following may have with one's physical well being and journey of discovery through life:

Flower Essences	
Crystals and other rare and precious stones	
Homeopathy	(minute vibrational traces as recognised by Samuel Hahemann 1700s)
Nutraceuticals	(being low concentrations of properties found in food)
Pharmaceuticals	(being high concentrations of properties found in food – to the level of toxicity)
and Food	all natural without being processed within factories.

Considering your comments relating to Flower Essences, one may need to consider just how much effect do we have in our own physical healing by engaging with any of these modalities?

Is it that what has been outlined relating to the contribution that Flower Essences have in assisting with one's physical wellbeing, are the various other modalities suggested above just variations of the same process that applies to Flower Essences, with higher levels of error within their prominence, pharmaceuticals being the most problematic generally speaking?

Would you kindly comment on each of the platforms please?

Nanna Beth: Yes. The same applies, as you said to James, it's all what your angels have to take into consideration in accordance with the needs of your soul. If you are to die from or within your negative state, then it doesn't matter what you do along the way to try and heal yourself, your angels will be working with any alternative or regular medicine or healing modalities. And as you know from people's lives, some things work for them, others not, some even miraculously, others having no effect. It's what the individual needs, it's all too personal, and needs to be dealt with and looked at personally. You've all had such diverse childhoods, you're extremely complex in your unloving complexities, and trying to heal yourself from the outside in is not going to do anything for you so far as healing yourself from the inside out which you do through your Healing. It's all the mind's way verses the feelings way. Any therapy or medicine or other remedies are all approaching it from the mind, let our feelings work, and use these other things as required, all so long as you keep focused on your feelings for their truth.

Assuming we are wanting to Heal ourselves using our feelings – for we are to bring up our repressed anger and emotional issues, both good and bad, that is contained within our soul, mainly from our early childhood.

As an overview, nature spirits are all attuned to the soul of a personality, and what is wanted to be done in the aura of such soul, which includes one's physical. And mostly so far as our physical is concerned, nature spirits alter under one's soul instructions, things within the aura and the subtle system, which then affects the physical – short or long term. Understand that in certain circumstances, nature spirits and angels can directly affect our physical, but mostly it's all done from the deepest will level out through all our subtle systems and spirit body.

Nanna Beth: It's mostly your angels that affect your system. The nature spirits can help them at times, but it will be all through the guidance of your angels.

Just how much effect do we have in our own healing of our physical discomforts, pains and illnesses?

Nanna Beth: It depends on what level you're looking at it from. On the highest or inner most level, you have no effect, it's all between your soul, Indwelling Spirit and angels, that any actual healing occurs. On a feelings level, you can attend to your feelings causing these agencies to react accordingly, so you have some effect, albeit indirect. On a mind level you can believe you have an effect, yet these agencies are 'allowing' you to believe what you will. And you can take a pill and your headache goes away, so believe you are fully in control of yourself – however, are you really?

Just how does our man-made conjured up systems of flower essences, crystals, homeopathy, nutraceuticals and pharmaceuticals actually contribute to the healing of one's physical body of its discomforts, pains and illnesses?

Nanna Beth: Look at it this way John, whilst you're living against your feelings, so untrue and evilly, any of these things will be used to help you go that way. So you might use them and your pain goes, but that only sucks you more into believing you are doing the right thing by helping yourself. So you might be 'healing' yourself by taking the pain away, yet you're not truly Healing yourself by allowing your repressed feelings to surface so you can uncover the truth of them. And so the angels will manipulate your system accordingly. So being wrong you might even be miraculously healed, but it's the same thing as Sage pointed out. It's how you want to live your life. It's all been one way up until now, and now an alternative and opposite way is being 'earthed'. All the parts humanity has worked out for itself, it just hasn't been able to be put all together. As Verna said, you don't need any of these 'healing' things to help you look to your feelings, you only need yourself looking to your feelings. If you are shut off to your feelings, you might need help to open up to your feelings, and anything can help you with that.

If we are looking to physical means to heal our body, then to what extent is the quality of food important to the process of physical healing?

Nanna Beth: It's the same as I said above, the quality of food is irrelevant. If you are wanting to continue living untrue to yourself, then it doesn't matter what you eat as the food itself is not going to stop you, it will only help you keep living untrue. If you are Healing yourself, then you'll move with what foods you need as you need them. You can try and control such things using your mind, this all

being part of the control you'll need to deal with, but in the end you'll see that the food is irrelevant, the body will look after itself as you keep attending to your feelings. However naturally the higher truth you live, so the higher vibration of food you'll be drawn to, yet you can't say that means everyone will eat organics and be vegetarian because until everyone is, everyone will be as their feelings dictate. It's a matter of shedding preconceived mind concepts. You are not doing your Healing to fit into your mind. You are breaking your minds control down to fit in with your feelings.

Fresh is best when it comes to food and the ultimate vegetables and fruits that we can imbibe is that which is grown within our home gardens, is this an appropriate observation?

Nanna Beth: Yes it is, however that too is relative on polluted Earth. Still it's what humanity will one day get back to.

The long journey that we are to embrace is feelings first, stay true to one's feelings, expressing them whilst longing for their truth. Our feelings are to lead the way, with our mind in support to follow and to assist in implementing one's feelings.

Nanna Beth: Man can't heal himself using his mind, God can only heal you. And to allow God to heal you requires submission to your feelings. You need to allow your feelings to take you back to your early life, so you can feel yourself back there now as an adult. So you can express now all you felt back then, and see how and why you became as you are, and how stuck and imprisoned you are in your mind's control. And all you can do is keep accepting it as the truth comes to light, expressing all it makes you feel. And when you no longer need to be the way you are as you've seen all the truth of it through your feelings, then God through your soul will change you. And your inner transformation will occur, taking you out of your wrongness into your rightness. And your angels will do most of the actual hands on healing that you require. You – we – only need to keep attending to our feelings, that's the key to it John, but attending to them the right way, wanting to uncover the truth of ourselves, our soul and God want us to see. Anyone can express their feelings even looking to them wanting their truth, but it's wanting to understand and live the whole truth of yourself, which currently is the whole truth of your negative state, that's what needs to be addressed first. Then you set about understanding as you reveal to yourself the whole truth of your positive loving state – once you become of a Celestial level of Truth and are fully Healed.

I'll speak to you soon John – love Nanna Beth. Keep being willing to express any negative feelings you have about SI and Pascas, it's okay, you can go as far as you want with them, as none of it is going to change the outcome, that side of it, as to whether it happens or not, is not up to us but what our Mother and Father want. But what we feel along the way is up to us, and what They want us to focus on.

Thank you for this incredible opening to the reality of man's futile belief in its capacity to be able to 'heal' one's self.

Love John

We, being ensouled humanity, are to move with our feelings, respond and act upon our feelings, we all are, and so based on our feelings we bring our mind into play, and then things happen which affect our feelings and so our mind adjusts accordingly.

Everyone at their conception gets their angelic pair as well, and they will be with you right the way to Paradise and then possibly beyond too. So it's a wonderful relationship, we have our soulmate and our angel pair each, all the way with us. It is all amazing.

Feelings First

WE EACH have a Nature Spirit pair, Spirit Guide pair, and an Angelic Pair:

For those doing their Healing or are interested in doing it will from that time have their own personal angels, spirit guides and nature spirits with them, with whom they are to develop their own relationships should they want to. It is not about ‘sharing’ the same angels or guides or nature spirits, it is about you relating specifically to your ‘own’ ones because they are provided for YOU. It’s all for you, to maximise the experiences we each need.

We are all to have our own pure relationships. And it’s the same of course in life with your friends, however over there, in spirit, dealing with Nature Spirits, Spirit Guides, and Angels, it’s more personal and private and ‘JUST FOR YOU’. So we have our own separate, unique relationships.

For example, Nature Spirit Verna has been assigned to be specifically and only with James, and she ain’t going to be assigned to anyone else, so she won’t be sharing herself around.

This is SO IMPORTANT to understand so that in future there won’t be all these people claiming to be speaking with Verna or Mary Magdalene or Jesus or Nanna Beth or anyone else who is part of it all in such capacity. Mary M and Jesus have spoken with James as they have, making it quite clear he is all they are speaking with.

We each have a band of a Nature Spirit pair, Spirit Guide pair, and an Angelic pair, each pair being in their soulmate relationship. Even though we are ascending mortals having a soulmate, even our soulmate has his or her own group of six personalities assisting him or her. Our assigned Nature Spirits do not continue with us into spirit, our Spirit Guides may for a time assist upon entry to the spirit Mansion Worlds, however, our Angelic pair continue with us for eternity.

COMPLEMENTARY THERAPIES

John: Hi Nanna Beth and company

Mind control in its extreme is demonstrated through various complementary therapy platforms. Examples being: Emotion Code as introduced by Dr Bradley Nelson.

Dr Nelson has gathered a wonderful data base that researchers will clearly be able to demonstrate the relationship of suppressed and repressed emotions when relating to physical discomforts, pains and illness. In fact, the emotion code chart that Dr Bradley Nelson has published is the result of many thousands of observations that he and his practitioners have observed over many years, and the results are simple and precise for anyone to understand. Generally, specific styles of emotional injury are directly impacting upon specific organs and parts of the physical body. It is as though the energy frequency of a given emotion is matching to the energy frequency of a given organ or part of one's body.

However, Dr Nelson's methodology of 'releasing' such unexpressed emotions is the direct result of one's mind being employed to further repress given specific emotion or emotions that are causing physical discomfort. Dr Nelson is taking people further away from their true selves – their feelings and the truth that one's feelings are to show them.

Healing Code as introduced by Dr Alex Loyd. Dr Loyd is also focused upon the understanding that emotional issues are the drivers of discomfort, pain and illness. However, he also takes people further away from themselves by empowering people to use their minds to further suppress the underlying emotions through a process of tapping. The mind convinces the person that the issue has been addressed whereas it is still there continuing to fester further thus bringing about greater issues at a later time. Again, the truth that our feelings, both good and bad, are shunned, the truth is avoided.

Meditation is often used to take a person further away from themselves.

The art of 'stilling the mind' through meditation can only be considered as of the greatest negative residues of the Rebellion and Default possible. Taking a person further and further away from their feelings and not allowing any form of truth to be sought from one's feelings. Though some forms of meditation do explore one's feelings, these processes never delve deep enough to be shown the truth of their feelings.

Would you kindly expand on these comments as I feel they will complement the writings of the last few days relating to substances and their in-effectualness in healing please?

Nanna Beth: Look at it this way John, humanity is in the shit, and has been for a very long time. And so has had a long time to study the shit. And it can work out that it's in the shit and what the shit is all about, but that's all it can do. It can pretend that it can take itself out of the shit, but it can't. It's not allowed to.

Not until someone comes along and does really heal themselves of it, and someone who has the spiritual authority to allow others to do the same. So that's where we are. The authority is making the revelation to you.

People can now choose to study how to Heal themselves, this being the next phase and ‘science’ people will apply their attention to. The great writers of humanity have well and truly documented the wrongness, you can see it all, and you know it comes from your early life. And many have tried to work out ways to heal themselves.

But without looking to your feelings and wanting to uncover the WHOLE truth of them, you can’t heal it. It’s as simple as that despite what anyone does with their emotions and feelings. And many people in their endeavours to heal themselves have done some real Healing, if they at any time looked to their feelings for their truth, truth would have been forthcoming. So humanity has gained a little truth over the years. However because of the feeling-denying forces of the Rebellion and Default, the level of truth has remained very low. Now however **with the keys being given to you as to how far you have to go and what is really involved in doing your whole Healing, so that is the New Frontier awaiting mankind.**

And in the end there will be far more books written about people’s Healing and all they come to understand about every facet of themselves and of it, than there have been about people documenting their wrongness. It will prove far more fascinating to those people who get right into it. And all of that creativity is waiting as a whole new aspect of Creation to be expressed – how humanity Heals itself of its rebellion and default.

By living true to ourself, true to our feelings, we are living true to God. It’s that simple.

To liberate one’s real self, one’s will, being one’s soul, is begun by embracing Feeling Healing, so as to clear emotional injuries and errors. With the Divine Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we’re feeling them, express them fully, all whilst longing for the truth they are to show us.

Release one’s pain through expressing one’s feelings.

in conjunction with

Longing for the Truth when also longing for Divine Love.

This time, in the history of humanity, is the most exciting time ever experienced.

6 April 2018: **HEALING PROPERTIES of SUBSTANCES – Questions Answered:**

To the questions asked, Verna, a nature spirit, offers her thoughts:

Worldwide it is recognised that the annual flu epidemic will consist of new and differing strains of viruses. Why do these variations arise? Why do the new strains appear to be more difficult to manage each year? Why is there a continual incremental risk to life with each new strain?

Verna: The new strains exist because we – the nature spirits – make them exist. We're the instigators of such 'diseases' on the world, we in league with our fellow conspirators – the angels; the truth of which your scientists refuse to acknowledge when there is ample evidence to them, which they persist in brushing aside, that something else or someone else is tampering with such 'bugs' and 'nasties'. And who has the real brains: we nature spirits who control the natural world on Earth, or your great scientists? We'd like to see a little more humility please – that would definitely be a step in the right direction. You don't have to bow down to us, we don't need that level of servility from you – just kissing our feet would be enough!

And hey, guess what? YOU'RE NEVER GOING TO BE ABLE TO BEAT NATURE – WE'RE NEVER GOING TO ALLOW YOU TO. HA! YOU HAVE TO LEARN TO FULLY HONOUR AND RESPECT NATURE – AND YOUR OWN NATURES, LEARNING TO WORK IN PERFECT HARMONY WITH IT AND WITH YOURSELVES BEFORE YOU CAN GAIN ANY RELIEF FROM SUCH 'BEASTIES'.

We have virus making 'factories', we'll always be one step ahead of humanity. So until you understand, you have to WAKE UP, not that I want to sound patronising or tell you what to do, BUT YOU'RE PUSHING SHITE UPHILL.

And you might like to know, we're not going to let you off the hook. You have to learn that all illness results from your inner levels of discontentment – BECAUSE YOU DON'T FEEL LOVED. And work to get to the truth of your bad feelings. And when you do, then as you grow and evolve spiritually in truth, so you'll literally 'rise above' – ascend – the need for help from such illnesses because you'll no longer NEED THEM TO MAKE YOU FEEL BAD. Accept they make you feel bad, you are meant to feel bad with them, and not then try to eradicate them, that's only eradicating yourself, which you're already doing; but instead to work with those bad feelings, this being how you start to love yourself back into true health. Go with your bad feelings, not fight against them. Go with them instead of trying to eradicate them, and the same with your diseases and illnesses.

Worldwide it is recognised that antibiotics are becoming ineffective. Why are even new more capable forms of antibiotics not being able to manage the bacteria and viruses that are evolving? Why are viruses and bacteria evolving in the first place?

Verna: It's the same deal: Humanity is to uncover the truth of evilness, its wrongness, of its rebellion and default. And illness is to show you that you are wrong. You wouldn't get sick if you were right. So what would be the point if you eradicated all illness and you never had a bad feeling from being sick – you'd never know you had all your childhood repression locked away inside you that you were to deal with. ILLNESS IS YOUR FRIEND, because it's the warning lights that says: I AM NOT RIGHT. I

NEED HELP. I can help myself by attending properly to my feelings. So do so by wanting to uncover the truth of them!

Worldwide we have the mantra that should a new drug be developed, until that drug has gone through double-blind clinical trials successfully then it is not to be made available. Should the double-blind clinical trials be successful for around 60% of volunteer patients, then it is considered for public release. But then, why has it failed with 40%? Why do some benefit and others don't when they are all in the same health predicament?

Verna: Because you are all different, you've all been subjected to different childhoods, even within the same family. So nothing will affect the whole, short of you all 'nucking' yourselves into oblivion. (nucking – slang, humorous, mildly offensive, euphemistic) Yet even then, do you really think the angels are going to stand aside whilst you annihilate yourselves? There's too much goodness in your suffering since conception for you to simply obliterate yourselves, too much truth to be discovered – the whole truth of why you feel so bad, the truth of feeling unloved. And it's an enormous truth and enormous amount of truth. And it's all there inside you. Waiting for you to bring it out.

And why do 'sugar pills' work when prescribed by the doctor?

Verna: It shows you the power of your mind and its controlling beliefs. People believe all sorts of things resulting from their wonky childhood. (Note the use of that word dear John, I'm adding it to my repertoire – James.)

We see new forms of illness arise, why is this so? We also are seeing that vaccinations are not as effective as they appeared to be some years ago, why is this so? The fact is that humanity presently cannot eradicate any form of illness no matter what our scientists discovery, why is this so?

Verna: God has allowed you to experiment with all the ways within your unloving states, this being one of them. However humanity is now moving on, times are a changing, the old ways are to end, humanity is to heal itself of its rebellion and default. So what has worked will fail, and more so, and new things won't work for as long, failing quicker, fear and pressure will mount as the old fails, all to give rise to GUESS WHAT? – MORE BAD FEELINGS. And why more bad feelings? – so you can express them and bring to light the truth they are to help you see – THAT'S WHAT!

When a pandemic hits a community, why do some people never succumb to the virus or health issue while others contract the disease and many die? Why isn't everyone impacted equally?

Verna: Different childhoods, different beliefs, different self-denial parameters, all of which affect you in different ways bringing about such differences. You are living in denial of TRUTH. Your childhoods are truth-less. So your adult lives express or reflect this. Life as you know it is all wrong, negative, unloving, even all the good loving parts within it. So it's all got to change, BIG CHANGES, but you can do it, you'll see, humanity will have to do it.

This is the major difference with a Pascas Care Centre. In addition to providing a holistic allopathic and complementary health care service, we are to address the question of what is the cause of one's discomfort, pain and illness.

Further, we are to address the questions of why is it that treatments previously embraced have not continued to been successful in bringing about health to the body?

Verna: Same deal. It's all what went into you through your forming and early childhood. Nothing more. All the secrets are contained back there within yourselves. When you 'go in' you're to go into your early life through your adult 'now' feelings. That's how you do it, how you can really Heal yourself, nothing else will do. It might extend your life a bit, cure you of some illness, make you feel better, but all your childhood wrongness is still within your soul remaining there until the day you want to deal with it.

Do your Feeling-Healing; or better still, your Soul-Healing with the Divine Love. It won't be an easy ride, however your relationship with your aches, pains and illnesses will certainly change and evolve, and you might even find that you don't need as many of them if you look to your Feelings First, expressing them and seeing the truth they are to show you. And eventually you might not need any bad things happening to you as you no longer have any repressed bad feelings that you need to bring out. It's a different way to view life – but hey, what have you got to lose – only your old ways of suffering.

Love Verna – who by the way, is not just a pretty face! Chow for Now – over and out!

By living true to ourself, true to our feelings, we are living true to God. It's that simple.

EMBRACING the WILL of our HEAVENLY MOTHER and FATHER:

Our Heavenly Parents are almighty, all powerful, infinite, and at all times loving.

The love of the Heavenly Parents for their children, woman and man, has been and is always infinite and ever present.

As one's faith in our Heavenly Parents evolves, man's love for his Heavenly Parents will have no limit.

As man grows in his love, so will man grow in his love for all of God's creations.

Approach the Source Soul, the Mother and Father, in reverence, without fear or trepidation, just as a child approaches his Earthly parents knowing that open loving arms are extended to receive him at all times.

As one grows in his love of the Mother and Father, one becomes to know with certainty that God loves him or her in return, at all times, and that fear is an illusion created by man's mind.

By embracing the commandment provided in the 1st century, namely the first:

"This is my commandment, that ye love one another even as I have loved you."

Further, we are to embrace our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

Also as our soul development progresses, our self love grows which also enables us to step away from:

Any self harm that we may cause which also brings about consequences.

And to move along this path we simply develop our embracement of:

God's Divine Love; by praying for it, asking for it, and receiving it.

Longing for Truth and Divine Love we can embrace the will of the Father and achieve freedom from error and harmful ways, thus finding our way home!

Manifesto of Divine Love:

1. We love one another as Mary and Jesus, our spiritual parents, love us. And so we seek their Spirits of Truth.
2. Our all loving Heavenly Parents, our Mother and Father, we love and honour at all times.
3. We worship only our Mother and Father, God, and Creator of all things.
4. We treat our Creator's name with respect and love, and earnestly seek Their Divine Love, and at all times pray for It, ask for It, and receive It.
5. We set aside a regular day each week for Sabbath rest and worship of our Heavenly Parents, God, and seek Their Love so that we may grow closer to Their fountain head of Truth and Love.
6. We are to be as we feel, even if it's sinful, but in doing something that is not in alignment with God's Love and Truth will make us feel bad, that is provided we allow ourself to feel our bad feelings, and so we can then use our bad feelings to find out the truth of why we feel bad and why that thing we have done is bad. We embrace our Feeling Healing.
7. We strive to cause no harm to another, nor cause any harm to one's self. We do not do to others what we would not have them to do to us. We treat our fellow human beings and all living things, and the world in general with love, honesty, faithfulness and respect. Violence, at any times, is never justified. Golden Rule: that one must always honour another's will as one honours one's own.
8. At all times in our intimate relationships we strive to express and live true to all our feelings, all so we can use our feelings to uncover the truth they are trying to show. The truth of ourselves, of our relationships, and the truth of everything else, including God.
9. We do not covet or steal anything that does not belong to us. Honesty in all communications, actions, undertakings and activities in all facets of life is our rule of life.
10. In all that we do, we are to be truthful. We are non-judgemental, for none of us have the capacity or authority to judge another. We are always ready to forgive all wrongdoing.
11. We do not desire anything or anyone that does not belong to us. Comparing oneself to others and longing to have what they have leads to errors. We are to be content by focusing on the blessings our Heavenly Parents, who made us in Their soul's image, provides for us.

DIVINE LOVE – what does it do?

Divine Love, which is a substance, progressively:

Transforms one's soul from that which is of natural love to that which is Divine

As natural love is enhanced with the Parent's Love, we reject our tendency to error

Divine Love, our Parent's Love, restrains errors, untruths and emotional stress

As we reject the condition to error, we develop our love for our brothers and sisters

Divine Love helps one with the discovery of truth through one's soul-feeling healing

Our natural intelligence grows, perceptions rise with our soul intelligent feelings

As Law of Compensation is resolved, the Love reduces returning to being in error

Receipt of Divine Love, the Parent's Love, grows our faith, we become God reliant

As our faith grows our propensity to undertake one's Feeling Healing strengthens

With the Love, our Feeling Healing becomes Soul Healing, this we are to undertake

Without the Love we remain self reliant and dependent upon our own will power

Only with the Love will our soul condition grow rapidly, all around us also benefit

The Love is the only substance that changes the human soul to that which is Divine

Only by asking and receiving Love do we become fitted to enter Celestial Heavens

Only by asking for and receiving the Divine Love does our soul become immortal.

What is Divine Love?

It is the Divine Love of God, our Heavenly Parents, restored to all mankind by the births of Jesus and Mary.

How do we get this Love?

By sincerely asking God, our Mother and Father, and receiving the Love that passes all understanding.

What happens then?

We are born again in spirit and in truth, our soul opened to the Soul of God, our Heavenly Parents.

What then do we know?

We know we are all children of God and want to pray always to our Heavenly Parents, always longing for Truth.

What is the purpose of Feeling Healing?

We are to seek the truth of our feelings and unburden ourselves from our childhood repression and injuries.

What of the world?

We are at peace in the world and fearless. In Divine Love and in Truth there is no fear.

What else?

We are to strive to love everyone unconditionally as our Heavenly Parents and as Mary and Jesus love us.

WE ALL ARE BEING GUIDED HOME:

We need the Spirits of Truth of the Avonal Pair to Heal ourselves; then once Healed, (and for support (overshadowing) as well through your Healing), we need the Creator Pair, Mary Magdalene and Jesus’ Spirits of Truth to see us through the Celestial spheres, while at all times embracing our Heavenly Mother and Father.

Until Mary and Jesus died and liberated their Spirits of Truth, no one from any of the worlds could leave Nebadon, because no one knew the way to do so. Nebadon is our local universe containing some 3.8 million inhabited physical worlds and their associated spirit worlds.

When we embrace the truths Mary and Jesus are revealing, and start to do our Feeling Healing, or with Divine Love, Soul Healing, we are then freeing ourselves up from our parental and self control.

Thus our journey to Paradise, to the home of our Heavenly Parents, is of our choosing as to when we progress, however, there is only one way:

HUM: Humanity is to ascend. We are self contained. Our soul is always in truth and perfect at all times. **By living true to ourself, true to our feelings, we are living true to God. It’s that simple.**

We are to recognise that being engaged and dominated by our mind is the wrong way for us to evolve and grow in truth. We are to discard the mind enslavement that has been imposed upon as by all of our parents. We are to express our feelings, both good and bad and free ourselves of the indoctrination that humanity has embraced worldwide.

Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God’s soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of our Mother and Father.

AVO: We are to embrace the truths and guidance of the Avonal Pair through their Spirits of Truth. It is the Avonal Pair’s guidance that will lead us through our Feeling Healing, and with Divine Love, we will be able to ascend through the 7 spirit Mansion Worlds and enter the Celestial Heavens where we also interact with other world’s spirits.

J&M: We are also to embrace the truths and guidance of the Paradise Pair, Mary and Jesus, who will then lead us through the 3 Celestial Heavens that are aligned with Earth, and then further on through Nebadon where we will then depart beyond on towards Paradise.

M&F: Beyond the universal zone of Nebadon, we will be guided by our Heavenly Mother and Father onwards through the universes to Paradise where we will be welcomed by them, home for us all, as we are all Children of God.

AVO

HUM

WE ARE Children of God

WE ALL ARE BEING GUIDED HOME – NOW, HOW TO COMMENCE THE JOURNEY:

GOD

M&F

For 200,000 years, we have been misled into embracing our mind's distortion of wisdom and truth. All such traditional understandings only lead us in the wrong direction, from which we must turn back from. Our soul based feelings are always in truth. Our minds are to follow our soul based truths and feelings, not the other way round, as we have been brought up to embrace.

We are to connect with our deeper repressed feelings.
 We are to long for the truth of what we are feeling.
 We are to live true to our selves; by living true to our feelings.

Use your surface day-to-day feelings to connect with your deeper repressed feelings. Express your surface feelings and your deeper repressed feelings to uncover the truth of yourself.

J&M

We all have feelings which we communicate and share with each other. And we all have deeper buried and hidden repressed feelings. Feelings from our early childhood we felt, yet weren't allowed to express. These feelings are still within us, waiting to have their say. These feelings, because they are repressed, cause us all our problems.

And as we look to uncover, bring out and accept these deeper feelings, so we're taken into new ways of looking at ourselves, our feelings, and our life. We're setting ourselves free of the controlling patterns that govern our unloving behaviour.

In this way, we progressively begin to express the personality that our Heavenly Mother and Father gave us, not the one imposed upon us by our physical parents and carers. We are to be our true and real selves.

By living true to ourself, true to our feelings, we are living true to God. It's that simple.

AVO

HUM

As we, humanity, long for the truth of our feelings, we can also be assisted by the Spirits of Truth of the Avonal Pair who are our spiritual teachers for Earth over this coming 1,000 years, to assist us through the Great U-Turn, away from mind dominance to being soul based feeling lead. They will assist us through the seven levels of the spirit Mansion Worlds.

Then the Creator Pair, Jesus and Mary, will lead us through Nebadon and into the greater universe. Then our Heavenly Mother and Father lead us home to Paradise.

Collectively, should we embrace them all, as we are to, then our pathway home is a journey in the hands of the Spirits of Truth of the Avonal and Paradise Pairs overseen by our Heavenly Parents.

HOW TO GET TO PARADISE:

Long for the Divine Love

Long for the Truth

Long for the truth of your feelings

Don't deny any feelings: accept, express and want to know the truth of them

Know your feelings are the key; your feelings are the Way

Want to end your falseness and being untrue

Want to understand the truth of your early life

Use your surface feelings to move deeper into yourself, bringing up your repressed feelings

Want and long to know the whole truth of yourself

Want to do it all with God, your Heavenly Mother and Father – long to Them for help.

The Key

Our longing drives our life. We long with feelings. We can wish for things using our mind, yet long for things with our heart. These things in the pyramid are what to long for. Longing for them, when the longing comes naturally. Longing because you feel you really want them. Long to be true with all your heart. Long to live true to your feelings. Long to understand the whole truth of yourself.

PARADISE TRINITY:

1. **Our MOTHER and FATHER (God) (MF) – Divine Love**
SOUL (God) – One SOUL that is expressing its two PERSONALITIES, our Heavenly Mother and Heavenly Father (Soulmates)
 2. **ETERNAL SON (ES) – Divine Truth**
 3. **INFINITE DAUGHTER (ID) – Divine Mind**
- Then: The Second and Third Persons of the Paradise Trinity (ES and ID) are stepped down to the local universe trinity (Mary and Jesus, Divine Minister (DM), and her Holy Spirit.

The LOCAL UNIVERSE TRINITY:

1. **MARY M and JESUS** – Our MOTHER and FATHER – Love – the Living Truth
2. **DIVINE MINISTER** – Mind (and her Holy Spirit)
3. **HUMANITY – Natural love, sons and Daughters – Truth, and our Angels – Mind**

PLANETS that engage in REBELLION:

1. **AVONAL SOULMATE PAIR** – the Feeling Healing process – incarnate
2. **DAYNAL – TEACHER PAIRS** – they do not incarnate

So in summary:

Consider a diamond:

Mother and Father Heavenly Parents

Creator Son & Daughter
Jesus and Mary

Avonals
as soulmate pairs

Trinity Teachers
as soulmate pairs

Melchizediks – who have taken over from the Caligastians and Daligastians being also all as soulmate pairs.

Mortal Souls – human beings who individualise on Earth, then progress through the spirit Mansion Worlds, then into the Celestial Heavens, and beyond.

Mortal Souls – also being ascending spirits, upon completing their Soul Healing, join with their soulmate, then join their soul group of 24 mortal spirits, being 12 soul pairs. It is only as a soulgroup that anyone can progress beyond Nebadon.

The Paradise Pairs are all ONLY concerned with the SPIRITUAL wellbeing and upliftment of the planets and local universe. Currently to do with Earth:

Mary and Jesus – spiritual wellbeing and upliftment of the whole of Nebadon region.

Avonal Pair – Daynal pairs (Trinity Teacher Daughters and Sons) – Spiritual wellbeing and upliftment of individual planets and their associated Mansion Worlds.

The Local universal Sons and Daughters are all about the running of the worlds under their jurisdiction, and ensuring the higher spiritual elements can be employed, or sent astray, as in our cases through the Rebellion and Default.

Lanonandeks – Melchizedeks (and others, such as Life Carriers and Eve and Adam).

As the Lanonandeks all rebelled – the Lucifers, Satans, Caligastias and Daligastias soulmate pairs – so the Melchizedeks have taken over their roles, as well as doing their own.

So the Melchizedeks are the governors, overseers, the administrators and advisors and so on for Earth; they are the ‘controllers’, and they will instigate all that needs to be done to do with the ending of the Rebellion and Default. And they will enlist the willing help of ascending mortal pairs, so the mortal Celestials spirits (soulmates when available, and others waiting to unite with their partner), and at times mortal spirits in the Divine Love Healing Mansion Worlds. And the angels help all of us.

Currently the whole of Creation exists for the ascension of mortal souls from their earth planets to Paradise. It’s all one vast Grand Ascension Scheme. With all the higher and lower spiritual Daughters and Sons, together with all the many different angels and other universal spirit personalities, and even including nature and our very own pets, assisting women and men with their Ascension Journey. It being: and Ascension of Truth. Everything we do is done to help us grow in truth. (Only everything we do in our negative state is to deny ourselves our truth from our feelings, which is why we have to do our Healing.) All women and men are ascending (or growing) in truth through their experiences. And as we grow in truth by looking to our feelings to show us that truth, so we’re ascending, moving inwards and upwards through all the worlds and spheres of the Grand Universe to one day arrive on Paradise and meet our Heavenly Parents. God is providing us, Their children, with this spiritual journey called our Ascension of Truth. And by living true to our feelings, so we are progressing on our true Spiritual Path – our Ascension Path.

Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God’s soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of your Mother and Father.

Humanity is to pursue the pathway for Truth through one’s soul based feelings, this is the right pathway. However, humanity commences its journey founded on natural love, which we now know is to be perfected through one’s Feeling Healing process and then made divine through asking for and receiving our Heavenly Parents’ Divine Love.

For 200,000 years, **humanity** has pursued the pathway of the Mind, being that of the brain, this is the wrong pathway. The Mind is the pathway for Angels and that of all of Nature.

CREATION of SOUL and SPIRIT:

God is *The Paradise Trinity* — the eternal Deity union of the Personalities: the Universal Mother and Father; the Eternal Son of Truth; and the Infinite Daughter Spirit of Mind.

The soul of each human personality (sons and daughters of truth) is existential, driving our personality expression in the experiential. The soul of each human finds truth by embracing one's feelings and longing for the truth of them. We are to attain the Eternal Son of Truth. We are a creation of Truth.

Feeling Pathway

Mind Pathway

Soulmate Pair

Angel

The soul of angels is experiential, evolving through their experience by continually progressing in mind development. Angels are to attain the Infinite Daughter (Spirit) of Mind. Angels are a creation of Mind. Our soul is duplex (we have a soulmate) and is created by our Heavenly Parents. Through our Feeling Healing we perfect ourselves enabling the union with our soulmate, as we progress in truth up through the Mansion Worlds, celestial heavens and all the way to Paradise.

Spirit Person

Nature Spirit

The soul of angels is also duplex, yet of the mind, and they progress in mind evolution to Paradise. Animals, plants and nature spirits are also creations of Mind.

Neither we nor animals reincarnate. We never die; upon death, we move into the spirit Mansion Worlds on our journey to Paradise. When animals and plants die, be they the tiny microbe to the mighty elephants of the land and the whales of the ocean, their spirit energy returns to the Spirit Collective Energy. And from this energy are drawn other animals and the nature spirits, who then in turn move onto becoming angels through increasing mind experience.

A nature spirit is an angel in waiting.

Divine Love

The Gift that keeps Giving

A general universal platform on how to experience Divine Love

As more people become aware of the *Divine Love*, how to experience the Divine Love required a need to provide a general universal platform that is simple yet an effective way for one to experience *Divine Love*. People may learn about the availability of *Divine Love* by word of mouth or from reading literature that introduces this gift for our soul, and also by participating with group dynamics where the *Divine Love* is introduced and discussed. The essence of this standard platform is its independence so that the individual may feel guided to include this simple platform in their daily life and experience of *Divine Love*.

The platform introduced here is a technique that is simple, constant, practical and has been utilised in the general public for over 20 years with good consistent results, accommodating participants and their diversity of belief and cultural background. This platform is a reliable place to begin with the experience of *Divine Love*. It needs to be confirmed that accepting *Divine Love* rests with our soul and heart and that to experience this Love will comfort one in their individual faith experience as we all aspire toward the greater reality of Love, Truth and Spirit.

A Universal Platform on How to Experience the Divine Love:

Firstly, you are aware now that you can experience the *Divine Love*.

Find a comfortable chair; sit down in a relaxed and normal position.

Close your eyes and take 3 deep single breaths in through your nose and out through your mouth to clear energy and to relax into this experience. Have a little faith and proceed without great expectations.

Gently turn your inner heart and voice to the Soul, God in faith when you feel ready, ask the Soul, God with your own loving voice for an inflowing of *Divine Love*. Having asked sincerely, there is no need to continuously ask. The Soul, God hears sincere love in the asking and so The Spirit that brings the Love acts, and *Divine Love* is now flowing.

Having asked once, you will be receiving the *Divine Love*.

Proceed without expectation on what will happen as you experience the Love.

Sometimes your mind may wander – or there are thoughts, feelings or physical sensations. Experiencing the *Divine Love* is never a forceful experience.

Continue for as long as you feel you would like to. This may be for 5 minutes or 20 minutes or an hour. Time will vary for the needs of the individual or group.

Take another few deep breaths to assist your focus. Give our love to the Soul, God and in our own voice inwardly say this Soul, God that you love this Soul and are grateful to receive this *Divine Love*.

Then when you feel ready, open your eyes and take another deep breath or two, and this closes the experience.

Some helpful hints:

- This general universal platform on how to experience the *Divine Love* is uncomplicated. Some people have utilised this platform for over 20+ years, never needing to change.
- The essence of this standard platform is to experience the *Divine Love* in a comfortable way therefore this technique needs to be simple, effective and inclusive.
- Experiencing the *Divine Love* can be a long-term experience so to have a practical, simple, functional standard platform solves a lot of problems about *how* to experience the *Divine Love*.
- From this general platform people who like prayer or meditation, reflection, spirit communication, or just being *in* and *with* the Love can extend their experience from this standard position.
- Lastly, enjoy! And know that when a person is experiencing the *Divine Love* that one is in the tender care of the Soul God, and that no spirit interference will happen, for no spirit can interfere with the Sovereignty of *Divine Love*, which is God's Alone!
- Enjoy, Celebrate and Shine!

The Only Prayer That Man Need Offer to the Father:

The Prayer for Divine Love

(as given within the first century)

2 Dec 1916

I am here, Jesus

<http://www.youtube.com/watch?v=Pg6p3rivAZw>

P.438 Book of Truths through James Padgett / Jesus

Let your prayer be as follows:

Our Father, who art in heaven, we recognize that You are all Holy and loving and merciful, and that we are Your children, and not the subservient, sinful and depraved creatures that our teachers of old would have us believe. That we are the greatest of Your creation, and the most wonderful of all Your handiworks, and the objects of Your great soul's love and Tenderest care.

That Your will is that we become at one with You, and partake of Your great love which You have bestowed upon us through Your mercy and desire that we become, in truth, Your children, through love, and not through the sacrifice and death of any one of Your creatures.

We pray that You will open up our souls to the inflowing of Your love, and that then may come Your Holy Spirit to bring into our souls this, Your love in great abundance, until our souls shall be transformed into the very essence of Yourself; and that there may come to us faith--such faith as will cause us to realize that we are truly Your children and one with You in very substance and not in image only.

Let us have such faith as will cause us to know that You are our Father, and the bestower of every good and perfect gift, and that only we, ourselves, can prevent Your love changing us from the mortal to the immortal.

Let us never cease to realize that Your love is waiting for each and all of us, and that when we come to You, in faith and earnest aspiration, Your love will never be with-held from us.

Keep us in the shadow of Your love every hour and moment of our lives, and help us to overcome all temptations of the flesh, and the influence of the powers of the evil ones, which so constantly surround us and endeavour to turn our thoughts away from You to the pleasures and allurements of this world.

We thank You for Your love and the privilege of receiving it, and we believe that You are our Father --the loving Father who smiles upon us in our weakness, and is always ready to help us and take us to Your arms of love.

We pray this with all the earnestness and longings of our souls, and trusting in Your love, give You all the glory and honour and love that our finite souls can give.

Amen

MoC

Note: The 'false teachers' are our parents, as they are also the 'evil ones'.
Also, the evil ones, being those parts of one's mind, that are controlling you.

The BEAUTIFUL MIRACLE:

5 Oct 2012

The DIVINE UNIVERSE

The way in which the Spirit conveys the Divine Love into the soul is a beautiful miracle. The attribute of mortal soul prior to incarnation has to it, a potential within it that is part of its formed nature. After the soul incarnates this potential remains part of the soul and even if the forming personality is unaware of such a soul potential, the potential still exists. The Divine Love is entirely suitable in its energy of harmony to be the energy that a mortal soul can utilise. The Spirit covers the spirit body when the individual sincerely asks the Soul of God for the Divine Love and this covering of the spirit body is where the dynamic of this beautiful miracle takes place. From the internal longing of the individual for the Divine Love this activates the Spirit Law that activates the Spirit that is then attracted to the spirit body upon which the Spirit material of the spirit body draws the Divine Love in to its soul and this union complete. The key here is to gain a perceptive insight into realising that the spirit body is not an inert body but that it is living and has activity, recognisable from its first forming from the Spirit Law that materialises a spirit body. The Spirit and the spirit body to give an analogy are like two attracting magnets and when the surface of the spirit body is touched by the Spirit, this causes the automatic response of the Divine Love to permeate into the attribute of soul and so begins the transformation of energy from the natural into the Immortal Divine Harmony. If the individual continues the receipt of Divine Love the energy that is Divine Love actively begins to change the soul and this is felt in the spirit body systems and can produce feelings of love and elation. The spirit-mind begins to change as all spirit body systems are affected by the changed condition now experienced in the soul as the soul becomes living and vital. In one's progression of this Divine transformation, the soul will mature enough from the amount of Divine energy it receives and at that moment the surface of the spirit body and the Spirit are continuously attracted to each other and one is living in the presence of the Father in perfect harmony and this clarifies the truth about what it means to be truly at-one with God.

SHINING TOWARD SPIRIT:
665. The Shining toward Truth

Vol III, p. 157, 14 Nov 2014 – 14 Mar 2015 Zara and Nicholas

www.lulu.com

It is I Matthew, a teacher of the Divine Love. I have communicated with you recently, now I desire to provide you with a visual description of the Love.

Imagine a continuous Energy shining light blue that is unbroken with a seamless surface that surround every mortal and Immortal spirit. Imagine if you were to become aware that this energetic field of light-blue Energy existed in its shining radiance just near where you are. Now that you are aware that this unbroken Divine Love is unified energetic field of living Love, by opening toward the Soul of God and aspiring for the Divine Love, the Acting Spirit gently brings a small portion of this shining blue Energy into your soul

The Divine Love that you have received remains part of this great Energy that the Divine Love is and even though this small portion of Divine Love, now within your soul, in its shining radiance and energetic cause, it is never separated from the continuous energetic field of Energy that the Divine Love is. Having partaken of this Energy it is with perception that one is aware that the Divine Love within one's soul is the same Divine Love that every person and spirit who has partaken of this Love, participates with. Even though in our individuality we partake of this Divine Energy, this Love is never broken away from the Source and Origin from which this Divine Love emanates.

The Divine Love is bestowed into our finite soul by the Acting Spirit, but this Spirit remains in contact with our spirit body and does not enter the finite soul to become part of our finite soul essence that we are. No mortal or Immortal spirit can manifest in their soul the Acting Spirit so that this Spirit – this Holy Spirit – becomes part of our existing finite spirit body. Only the Divine Love and its Energy becomes part of our finite soul, which causes the change to our spirit body. The Acting Spirit always remains its own attribute and never does a Celestial spirit claim ownership or take possession of the Acting Spirit within their soul. (The Holy Spirit / Acting Spirit is an instrument of the Source Soul, our Father.)

This is one of the wonderful Truths by which we who have been transformed by the Divine Love understand our personal relationship with the Father's ever-present Acting Spirit. The shining Energy of Divine Love is all around us and when we have partaken of this Love, part of our finite nature becomes independently shining in this true perfect Love.

I provide these words that may appeal to those who are visual and to express the universal appearance of the Divine Love and the personal touch when in contact with the Acting Spirit.

Matthew (Apostle)

Whilst we are receiving our Heavenly Parents' Divine Love, and that this Love is causing change within our soul and spirit attributes, the greatest Truth known to man and spirit is that this is the way our Mother and Father are actually loving us! When we progress, it is God's way of loving us into love and then we live what we are, love.

To liberate one's real self, one's will, being one's soul, is by embracing Feeling Healing so to clear emotional injuries and errors. With the Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

Our salvation IS by embracing Feeling Healing with the Divine Love.

God's Divine Love: Pray for it, ask for it, and receive it.

Please Mother and Father, may I receive Your LOVE.

“Every day is a day of devotion.”

Follow your heart, follow your love and do that in loving action, your inner love leads in your asking the Soul of God to receive a little of the Love to strengthen one's resolve to heal.

“I love you Father.” “Let the Divine Love proclaim its energy into my soul.”

“Mother – Father, I desire your Love and I am loving you.”

“Soul God, I love you and I love receiving and experiencing your Divine Love.”

“True Soul God, I am here, I am aware of your Love. Please hear my aspiration for your Love and as I approach you from my soul, I can feel your Love in the way that you are loving my soul.”

Try it; give the Feeling Healing and Love a go! If you want to shine, receive the Love.

One can simply receive the Love without following any religious or spiritual teaching taught by man!

Emotional errors and injuries cause encrustment around the soul, the soul is never damaged however, the encrustments retard love energy flow to and from the soul. Feeling Healing melts such injuries.

The Three Great Truths:

- **“God is Soul, being our Heavenly Mother and Father;**
- **that each individual soul is a duplex – both male and female;**
- **and that the Divine Love is freely available for all to receive.”**

Our wondrous soul is an incredible ball of plasmatic intelligent energy. With the infusion of Divine Love, our soul will progressively change from that which is not Divine to that which is Divine. All we need to do is ask!

We are created in the image of God, our Mother and Father, but not of the substance of our Parents. There is nothing of the Divine within our soul at the time of our individualisation, that is, upon our incarnation which is at the time of conception.

We have free will. Only should we ask for God's Divine Love, do we receive it. As we ask for and receive Divine Love the nature of our soul steadily changes to that which is Divine. Only with Divine Love can we grow and become at one with our Father. Becoming at one with our Mother and Father occurs upon our progression into the 8th Sphere, which is upon entering the Celestial Realms and leaving the Spirit World.

We can become at one with our Mother and Father whilst here in the physical world.

God's Divine Love: Pray for it, ask for it, and receive it.

Oliver Twist asked:

Please, sir, I want some more!

Maybe we should simply ask:

Please, Mother and Father, I want some more!

Long and pray for Divine Love and it will loosen the errors / injuries / unhealed / denied trapped and/or inherited emotions, resulting in a flowing out of these negative embellishments within one's soul as Divine Love flows in – Divine Love being the greatest gift in all the universe.

VISUALISATION with LONGING:

Holy Spirit infusing Divine Love.

Progressive escalation of Divine Love flowing.

Visualise yourself as you were when young and with an empty bowl, and then thankfully ask the Mother and Father for Their Love – Their Divine Love:

"Please, Mother and Father, I want some more."

FEELING HEALING and SOUL HEALING with the DIVINE LOVE:**James Moncrief Publications:****all publications are free downloads:**<http://divinelovesp.weebly.com/my-free-books-and-free-padgett-messages.html>

It is suggested for one to consider reading as follows:

Speaking with Mary Magdalene and Jesus – books 1 – 4

These four books encapsulate the second of the revelations with the first having been introduced by James Padgett one hundred years previously. These four books provide a wide range of guidance that has never previously been made available.

Paul – City of Light

As a gentle intro into the Divine Love and Healing; being James Moncrief's first novel and it's been criticised as being too heavily clichéd, but that's the point because it's a reflection of how he was back then.

Ann and Terry

For an example of people who might want to immediately start working on themselves and doing their Healing.

Feeling Bad? Bad feelings are GOOD

For more understanding about our denial of our feelings and why we should not deny our feelings, and it includes how it all came about for James, using himself as an example.

Feeling bad will make you feel BETTER – Eventually!

This includes specific examples of Marion and James working on expressing particular bad feelings, again with the hope that it will help others gain something of an idea as to what's involved in doing your Feeling Healing.

Sage – and the Healing Angels of Light

Through Sage who's 13 years old, the story is primarily about the two aspects of healing; that being, with the help of our angels, and the full Healing we can do by looking to our feelings for their truth.

**Religion of Feelings
Feeling Healing**

**Welcome to LOVE – the Religion of Feelings
you can heal yourself through your feelings**

So these books, including the four Speaking with Mary Magdalene and Jesus books, provide the essence of it all and are examples of James' work. Then it's up to whatever takes one's fancy. Other reading to consider may include:

The Padgett Messages being published as:**The True Gospel Revealed Anew by Jesus volumes 1 – 4****Book of Truths by Joseph Babinsky****The Urantia Book**

Release one's pain through expressing one's feelings.

in conjunction with

Longing for the Truth when also longing for Divine Love.

FEELING HEALING with DIVINE LOVE is SOUL HEALING:

A collection of 'papers' that draw together specific topics including all of the above and more from other sources of information and revelation designed to help increase one's awareness about why we have the problems we do and how to heal them, all whilst living a more healthy and sustainable life. They provide a brief snapshot of the more complicated topics and issues.

**Firstly, consider discovering the truth of your emotional pain through Feeling Healing.
Secondly, consider longing for our Heavenly Parents' Love as you progress with your healing.
Primary and most important readings are the writings of James Moncrief.
Then consider the Padgett Messages, and then The Urantia Book.**

DIVINE LOVE and DIVINE TRUTH Revelations and Teachings escalating:

The opening up of the soul permits a permanent exchange with Divinity, a permanent recharge of this healing energy that allows not only the re-establishment of lost health, but the continuity of health, providing such a perfect balance, even in the physical body, that noxious agents like bacteria and virus cannot find any opportunity to unchain pathological reactions, which we commonly call illness.

But it is true that people without the benefit of Divine Love would lack the protective shield, which the intrinsic healing energies of Divine Love provide for those who pray for our Heavenly Father's Grace.
