PASCAS INTRODUCTION:

Documents assembled by Pascas are provided for your individual assessment and exploration. The contents are sourced from a variety of avenues and publications. Every endeavour is made to determine that the contents are of the highest level of truth and veracity. At all times we ask that you go within yourself, to ascertain for yourself, how the contents resonate with you.

Pascas provides these notes and observations to assist us all in the development and growth of our own pathways and consciousness. Pascas does not hold these contents as dogma. Pascas is about looking within oneself. Much of what we are observing is new to us readers and thus, we consider that you will take on board that which resonates with you, investigate further those items of interest, and discard that which does not feel appropriate to you.

Kinesiological muscle testing, as developed by Dr David R Hawkins and quantified by his Map of Consciousness (MOC) table, has been used to ascertain the possible level of truth of documents. Such tested calibration levels appear within the document. We ask that you consider testing same for yourself. The technique and process is outlined within Pascas documents, such as Pascas Care – Energy Level of Food. From each person’s perspective, results may vary somewhat. The calibration is offered as a guide only and just another tool to assist in considering the possibilities. As a contrast, consider using this technique to test the level of truth of your local daily newspaper.

Contents are not to be interpreted as an independent guide to self-healing. The information sourced herein is not from a doctor or doctors, and any information provided in this document should not be in lieu of consultation with your physician, doctor, or other health care professional. Pascas, nor anyone associated with this document, does not assume any responsibility whatsoever for the results of any application or use of any process, technique, compound or potion as described within this document.

The sources of contents are noted throughout the document. In doing so, we acknowledge the importance of these sources and encourage our readers to consider further these sources. Should we have infringed upon a copyright pertaining to content, graphics and or pictures, we apologise. In such cases, we will endeavour to make the appropriate notations within the documents that we have assembled as a service via our not for profit arm, to our interested community.

We offer all contents in love and with the fullness of grace, which is intended to flow to readers who join us upon this fascinating journey throughout this incredible changing era we are all experiencing.

“Never can one man do more for another man than by making it known of the availability of the Feeling Healing process and Divine Love.” JD

LAW OF ATTRACTION

The law of attraction is likened to a drummer quietly tapping his drum ever so slowly and lightly endeavouring to get your attention without any exertion. He is endeavouring to draw your attention to an error in your ways, an error in what you may consider to be truthful, or bringing your attention to reconsider something unloving that you are pursuing. As you may continue to ignore this gentle tapping, then the tempo will slowly increase, and increase, and increase, until you finally take notice and also take action to correct your ways or understandings of what you may have considered to be true.

As we are all holding errors within us, for each error this drumming is continually in progress. Some of these errors may be with us for the whole or our physical life, many in fact. As these errors are within our soul, many of these law of attraction events may become self evident to us only when they manifest themselves as 'illnesses' in the physical body, that is when the law of attraction drummer is at his loudest.

The law of attraction functions this way upon individual errors that we hold. In regards to truths that we hold, the law of attraction is joyous and wonderful friend. We find that our desires and aspirations that are based on truth are filled in a very delightful and positive way. Usually our desires and aspirations are fulfilled in a manner that we have least expected, however, always in a way that is for our betterment.

The cocktail of errors that we suppress will eventually erupt in a most unpleasant way should we suppress and ignore our law of attraction prompts. To feel and express our frozen emotions that are in error is easy to say, but difficult to do. But feeling and releasing errors within our soul is what we must do, both here in this physical world and continue to do so when we are within the spirit world.

Our law of attraction is our friend. He is very patient and he will not let up, you will eventually take notice of him as your condition will literally force you to do so. Your free will is never taken away from you, but your physical condition can significantly deteriorate due to the frozen erroneous emotions blocked within your soul and spirit body becoming self evident within your physical body. The emergence of frozen emotions may occur in our later years, whilst the events resulting in the emotions becoming blocked most often occurs when we were very young, our early childhood.

This law of attraction is based upon the condition of the soul, whether that soul possesses the development created by the Divine Love or only that created by the purification of the natural love.

Our law of attraction impacts upon all aspects of our life. Many aspects of our way of life may be in harmony with love and our law of attraction events will be wonderful experiences, whilst other aspects of our life may be out of harmony with love resulting in related law of attraction events that will cause us much difficulty, even more so should we elect to ignore them.

The more we ignore the teaching events brought to us by our law of attraction, the more frequent these events will be and also, the more forceful they will become. Reflect back through your life and you may start to see the pattern of events leading up to what you may consider to be a crisis.

It is understood by many that any form of expectation that is not in harmony with love results in unpleasant experiences, no matter what aspect of your life in which the negative actions relate to.

Being in harmony with love can be demonstrated by such actions as giving without strings, expectations of nothing in return. That to be God reliant is a wonderful way of life. Such that if we are genuinely behaving lovingly then our law of attraction will bring us what we genuinely need and desire.

It's better to just see what the law of attraction is bringing you at that moment, and how you're feeling in response to that, than trying to get rid of big huge emotions, errors within you, in one go that your soul isn't ready for. It is the removal of the error that is painful, not the receiving of truth. Take your time with feeling and processing emotions, do not be unloving to yourself and put yourself into further distress. Go about this processing in way that is loving for you.

The primary prerequisite for addressing any issue on any level is first to tell the truth about it. Altering the energetic pathways of the spirit-energy body by any means does not, in and of itself include telling the truth, and therefore, does not lay the groundwork for actually resolving issues and emotions. Telling the truth, while fully experiencing the emotional consequences, does lay the groundwork for releasing emotional errors. Only with that willingness can the causal emotions, the root cause of the problem, be cleared and our law of attraction change in a positive way. The gap between not living in truth and living in truth in any moment can be acknowledged only by first being honest about the fact that we would rather compromise truth than experience some of our emotions.

As we become freed from emotional errors, which cause the law of attraction to work in the way first mentioned, we progress to a higher and better soul condition of love. We then find our surroundings are not so dark and painful. And as this progression continues, we will ultimately find ourselves in the planes of light and comparative happiness.

The great law of attraction applies and works in such cases as this, as it does in every other relation of God's universe. If a man's thoughts are evil, there will always be attracted to him spirits of similar thoughts; and when they come to him, they attempt to, and succeed, in intensifying these evil thoughts of his, which attract them to him.

And the great principle of this law is, that like attracts like, and the unlike repulses the unlike. Man must know that as he is – in his state of mind and soul – so necessarily will be his companions of those who desire his association, and, hence, he should realize this important truth and all that it implies. If his thoughts and deeds are evil, he will attract those spirits or mortals who have similar thoughts and deeds, and who will not help him to higher things, but who will retard his progress towards his first estate; and if his thoughts and deeds are good, then his associates will only be those of like qualities, who can and

will help him in his progress. Every effort to create good thoughts strengthens the desires and will in that direction, and assists the coming of other good thoughts, for with these efforts comes the help of these unseen influences, and the repulsion of the influences of the retarding forces.

What we sow is what we reap!

Man is a wonderful being and the highest creation of our Mother and Father, and yet his greatest master is his belief in the power and supremacy of these things of evil of his own creation.

Thus, man through his positive endeavours of creation can experience pleasant and prosperous events through his law of attraction, whilst at the same time, due to negative aspects of his way of life and beliefs can experience events of great difficulty from his law of attraction resulting from ignoring the issues being brought to his attention by his law of attraction. There is no avoiding what needs to be attended to – ever!

By living true to ourselves, true to our feelings, we are living true to God. It's that simple.

Release one's pain through expressing one's feelings.

Communication *is* creation. These two are one and the same. Therefore, if you would create well, ask only,

What am I committed to communicating? What will my creations express? What will my creations convey to others? For what I seek to convey reveals the Truth of my Self to the world.

For if you are sick and diseased and not at peace, why would you decide that you know how to create peace? It requires great humility to accept the first step of the path:

I have done all this; I must undo it. But I have no idea how I did this. Therefore, I must surrender to something else.

I want to give you this thought, even as I gave it to this, my beloved brother, some time ago. And the thought is this (and I would ask that you consider it well): What if the very life you are living, and each experience that is coming to you now, since the moment you decided, "I've got to awaken here" – what if *everything* was being directly sent to you of your Father, because your Father knows what is necessary to unravel within your consciousness to allow you to awaken? [What if the very things you are resisting are the very stepping stones to your homecoming?](#) What if you achieved a maturity along this pathway in which you were finally willing to let things be just as they are?

And so, *The Way of the Heart* begins there. It begins by accepting the humility that you've created quite a mess within your consciousness. You've created a labyrinth and gotten lost within it, and you don't know the way back – that *of yourself, you can do nothing*. For all you've managed to achieve is the creation of a whole lot of insane dramas that are, in Truth, occurring *nowhere* except within the field of your mind. They are like chimeras, like dreams. In Truth, there is no difference between a waking state, in which you would be the director of your life, and the dreams you have when the body sleeps at night. They are both the same thing.

And until you have loved *yourself* wholly, by having purified the soul of every erroneous feeling you've ever held – until you've loved *yourself* – you do not, in Truth, love anyone or anything, save in those brief moments when you let your guard down and the Love of God shines forth, through you, so quickly you don't even know what happened.

The Way of the Heart is the final pathway that any soul can enter. There are many stages of awakening. There are many pathways that can be followed, but ultimately, "All roads lead to Rome," so they say. Eventually each soul must find its way into *The Way of the Heart*, and come back to the Truth [that it's time to take responsibility, to learn to cultivate the ability to look upon the deep and vicious blackness of what I have called ego, which is nothing more than the cesspool of denial – it is that which lacks Light – and begin to bring Light back to it by simply observing your own mind, your own behaviour, your own reactions with a sense of wonder, with a sense of innocence, with a sense of childlikeness.](#)

The Way of the Heart, then, is a way of cultivating the decision to become identified with the Light that can shine away all darkness – not by fighting with it, but by recognizing it, embracing it as your own creation, and choosing again.

So along this pathway, you are going to learn how to shake hands with the devil, and to do a little jig with him, and recognize his face to be your own. For when you can dance with the darkness that you have created, that darkness is transformed into an angel. And Light abides with Light.

We will be giving you, and bringing forth, certain meditations, if you will, certain energetic practices to help cultivate within you a quality of *feeling* that will allow you to recognize energies that do not serve you, in a way that transcends what your mind may choose to think of these energies, so that you learn more and more to lead with the heart, if you will, to lead with your feeling nature, not your intellect. For your intellect does not know anything except the trivialities that you have shoved into it, like garbage into a garbage can. **The intellect can *never* bring the healing of the Heart that *is* the Atonement.** It can only be utilized to argue against the insane perceptions you are used to, so that you might come to see that perhaps there is a greater good in giving up your insistence on treating the intellect as your god.

And so, we begin *The Way of the Heart*. We enter, now, a stage where it's time to stop listening out of polite kindness or out of curiosity, **and to step into the willingness to don the mantle of that one committed to healing every obstacle to the presence of Love** that may yet remain secretly hidden in the depth of that part of your soul which would struggle to be separate from God, and **to remember that you are truly the Light that can come to shine, lovingly, upon every aspect of darkness you have known.**

But as we close, I would ask that you would close your eyes for just a moment and take a deep breath into the body and let it go. And as the breath leaves the body, hold the thought that there is nothing worth holding onto any longer that keeps your peace and happiness at arm's length. Become committed – become *fully* committed – to the experience of happiness, even as you've been fully committed to unhappiness, and limitation, and lack. Give your Creator full permission this year to sweep the basement clean. There really isn't anything down there worth defending or protecting.

And it will come to pass that you will know the perfect peace of empty-headedness, not-knowingness. You will know what it means to be relieved of time and to be comforted by what is eternal.

Peace be unto you always. And never once let yourself think that you are alone. It is what they call – what is this word you have – “haberdash.” Hmm. What is this haberdash? That is an interesting term. It is nonsense for you to think that I'm not with you. You have asked. I picked up the phone. We are in communication. That is the way it is. That is the way it will be until the end of all illusion. Amen.

**Feeling
Healing with
Divine Love is
the key!**

Q: The question is: I understand healing as Jeshua speaks of it in *A Course in Miracles*, yet what needs to occur for bodily symptoms to no longer be in one's experience?

(Note: *A Course in Miracles* was not transcribed by Jeshua.)

A: Beloved friend, as spoken of healing in that text which you know as *A Course in Miracles*, is, indeed, the fundamental definition of healing. By considering it, it must flush up within you all the deeply held hopes and prayers and beliefs and need to have healing be something that also manifests the perfection of the function of the body, according to your desire of what that perfection should be.

What is necessary, then, for the removal of physical symptoms? The miracle. But the miracle is not something which is under your control. Listen well to the message of this session, for I've indicated already to you, and *deliberately* indicated, the answer to your question and you will find it there. For, rest assured beloved friend, when there arises within the mind the hope or the wish that a physical symptom would leave the body, there must already be the enactment of an ancient belief that the body is what you are. And that, therefore, disease of some kind, as you would call it this, limits your ability to extend Love, to communicate with all of Creation, and to be at peace.

You may rest assured that when my many friends saw me with a crown of thorns upon my head, they thought,

Oh, poor Loved One,

out of the belief that certainly spirituality must mean the power to overcome everything the mind has judged as a dis-ease.

The point that I'm seeking to reach with you is an attempt to dig deep within the depth of your psyche, to bring to the surface with you an ancient belief that true spirituality is recognized by all absence of disease, and that if you were truly whole, it would never arise within the body. Yet I say this unto you: What if every moment of your experience was literally being brought to you of the Father, Who alone knows the perfect plan for the healing of your mind?

Remember: *It is not possible to transcend what is not wholly loved.* Therefore, place the attention on deepening the *love of Self*, the exploration of the experience that has been called to the consciousness, through the form of dis-ease, of whatever kind. Learn to look upon it with the perfect innocence that you would look upon anything else. And see through it to see that it does not limit you in any way from being the unlimited presence of Love. It is not a weakness. And it is not to be compared to what may appear to be a diseaseless body. For the eyes of the body do not show what is within another's soul.

Beloved friend, there is a part of you that carries an ancient tear. Let it be released and healing will come.

Disease itself is miracle – it is the exposure of the emotion that exists (as a separation from God). It is a perfect reflection of the emotion that caused it.

People look for miracles to cure disease which is ONLY the removal of the effect of the emotion.

God created the disease process to highlight these emotions.

(The Way of the Heart p.12)

You begin to realize that you don't really live in a real world at all. You live in a field of vibrations and energies that is operated by the Law of Attraction, resonance. And you begin to be willing to allow certain things to fall out of your life, even family and friends, *trusting* that because of your desire and intention, what passes out of your life must be okay, for it will be replaced by new vibrational patterns which come in the form of messengers – events, place, persons and things – that can carry you on the upward spiral of awakening.

Allowance means the beginning stages of the cultivation of *humility* and the recognition that you must finally *submit* to something beyond the intellect and the control of the egoic part of the mind – that the maker and doer that's been trying to do it all is finally recognized as being inadequate.

As these three stages mature, you rest into the final stage of *surrender*. And surrender means there is no longer any restlessness. Surrender means you know through every fibre of your being that there's no one here living a life, there is *Life* flowing through the body-mind, personality, for as long as it lasts. Here is where the mystical transformation is culminated or completed. It is here that you understand the meaning of the teaching,

I live, yet not I, but Christ dwelleth *as* me.

Surrender is a stage in which perfect peace is the foundation, not for passivity, not for inactivity, but even *more* activity. (The Way of the Heart p.57)

The Way of the Heart, then, is not a way of gaining power. *The Way of the Heart* is not a way in which you will finally be able to make the world be what you want it to be. But rather, *The Way of the Heart* is that pathway in which you learn to transcend and to dissolve from your consciousness every perception, every thought, that is out of alignment with what is true. The thought of death is out of alignment. The thought of fear is out of alignment. The thought of guilt is out of alignment.

The thought of eternal Life is *in* alignment. The thought of perfect fearlessness is in alignment. The thought of peace is in alignment. The realization of innocence is in alignment. The thought of joy and of forgiveness, these things are in alignment and reflect the Truth that is true always.

(The Way of the Heart p.15)

LET US LOOK at the LAW of ATTRACTION:

You have cancer in your left breast. That is a Law of Attraction event related to a woman, and it is about you over nurturing a women. Now, who is the woman that you have likely over nurtured in your life? Starting from your childhood; that you have done everything for, everything you could.

You have developed a pattern of love equals doing as a task.

What is happening is that you are not able to see what you got in return and how upset you are about having to earn it in this manner. What it is, a lot of times we do, we earn the love of another person not seeing the cost to ourselves in the process. There is a huge cost to yourself here in the process.

You have contracted a life threatening disease as of a result of this emotion being suppressed.

Without healing the emotion there is a high likelihood that parts of the breast will have to be removed, parts of the body will have to be removed, or some major thing will happen to your body, and possibly dieing from it.

And this is one way you are closing yourself down emotionally from it, this time round, is to not allow yourself to feel the grief from it.

The key is to understand how the disease was created. Because if you don't understand how the disease was created, and already, I don't know if you can feel it from you, but there is lots of resistance to me about talking to you about your mum. There is just lots of resistance inside of you about me talking about your mum and her feelings that she projected at you.

So there is a deep resistance to knowing the truth about what is going on with your relationship with your mum. But it is a relationship with your mum that creates a left sided problem. The right side problem was probably created by your relationship with your dad, the left side problem is created by your relationship with your mum.

By the way, that doesn't mean that they created it, your dad could have had this attitude towards your mum that you have now taken on. Or your mum had this attitude towards your dad that you then took on. It became your attitude towards the male or your attitude towards the female.

So you could look at what is my dad's attitude towards his wife now. What is it – it is like rage really? Why? Because he has been doing what she wanted all this time, all this time doing what she wanted and it is still not good enough for her.

Question that needs to be asked is what kind of emotion is coming from her. Nothing is good enough for her. There has to be a deep grief in her for that emotion to have arisen. But she is projecting an anger towards her environment, rather than feeling the fear of the grief that she actually has.

This is the problem of how we treat it as well. It is driven by the nurturing emotion and we finish up nurturing the cancer patient which does not confront the reason why they created the disease in their body in the first place.

There has got to be a suppressed deeper emotion within them that causes the creation of that disease. And if we nurture them emotionally into not looking at that emotion, all we are doing is helping them, actually, to create a worsening of the disease. This is the trouble here on Earth, this is what we finish up doing. And this is why cancer, particularly breast cancer, is often on the increase. They are now testing twenty year old women as of a result of that problem that is created by our own suppression of our own emotion.

And it is not your fault. I am saying that it is the result of multi-generational changes of suppression that have gone down and down and down through the generations before you.

Now, how to deal with it.

There will be anger, and because of the suppression still between the male and the female, there is going to be anger with the male and anger with the female, for yourself, where you feel angry that they haven't given you what you wanted. Now, what I am not saying is to project it at the male, what I am saying is to allow yourself to feel that it is there, present in you. And the demands that you make upon the male are a reflection of the presence of that anger based emotion.

So the way you have gotten away with it up till now is that you don't project anger at the male, you don't yell and scream at him. What you do is you nurture him a bit more hoping that you will get the appropriate response in return and then when you don't, you feel quite upset inside. And then you think, I shouldn't be angry, I need to work my way through the anger. Instead of allowing yourself to go outside and punch a bag about the anger you feel, the anger gets suppressed, and the creation of the disease is about the suppression of the anger.

So, rather than suppressing the anger, I am saying to allow yourself to tune into this anger that you feel about the male not doing what you want. Then go deeper and ask yourself why does the male have to do what I want? What emotion inside of me do I get when he does what I want. What is the feeling I get. If you connect with it and it is a feeling of being loved and supported.

In the end, you will see, actually, that fear has a large part to play. Lack of fear is security, closeness in the relationship, and all those kinds of things have a big part to play in the emotion of the anger.

If you don't allow yourself to connect to the anger, you will never get to the fear emotionally, and then you will never get to the grief that needs to be released.

It is the suppression of the anger that creates the disease in the body.

Allow yourself to see that that is present and the way it comes out, it is very hard for you and for anyone with cancer, it is very hard for them to see their own anger, because you don't feel that you are an angry person.

You don't allow yourself to connect to your own demand. Most cancer patients don't allow themselves to connect to their own angry demands of others. We don't allow ourselves to connect with them because we think that we should not have them. So we suppress all of that, and that is what causes the disease.

So, what we need to do is to connect to the angry demands. What are my demands upon my husband, my father, my mother, that is really unfair? Allow myself to feel that, and then go deeper into that.

You don't think it is unfair when I am demanding of others, and this is a truth that we all need to face at some point, if you demand anything of another person, it is unloving.

You cannot demand anything of another person. If you want to stay loving, you cannot even demand that the other person treats you lovingly.

As soon as I place a demand on you I am trying to impact upon your free will, am I not?

I am trying to get you to do what I feel I want. That is an unloving demand, even if the demand is for you to treat me lovingly, is an unloving demand. And whenever I have an unloving demand I am never going to get to be at one with God.

A requirement, an expectation that you do something, for me. If I expect you to love me, I have an unloving demand coming from me to you. If I expect you to support me, I now have an unloving demand coming from me to you. If I expect that you will help me, I have an unloving demand coming from me to you. Because, the truth is that you don't have to help me, you don't have to support me, and you don't have to love me. That is what free will is about. Free will is that you are allowed to do whatever you want, and that includes murder me if you desire it.

And if I demand that you don't murder me, and I shoot you instead to stop you, that is also unloving.

From God's perspective, love is never demanding. Do you ever get God in your ear, saying you have to do this today, you have to do that tomorrow, you have to do this the next day to prove that you love God. Now, you get a lot of religions doing that to you, but you don't ever get God in your ear doing that, and God is totally capable of being in your ear saying those things to you. He created you, so He is totally capable of giving you a heap of verbal messages every single moment of your life, and He doesn't do that. Why? Because God never demands anything from you. God never even expects anything from you.

Now, as soon as I expect you to treat me in any manner, or any body else for that matter, I am now being unloving towards you.

When you are assuming that you are better or not better than someone, you are making a judgement.

When I am demanding something about someone else I am making huge judgements about that person and that I should have control of their life, that is what I am really thinking.

I want some love, so you should give it to me, I want some help and you should give it to me. And as soon as I do that, I am basically saying to myself that my wants are more important than your desires.

If the other person does not speak up and say what they want, how does the other person know what desires that person has?

You are defining loving relationship of two people projecting their demands at each other.

A desire to be loved is a need to be loved and that is an unloving projection.

A desire to give love is not a desire to demand love. Totally unconditional. When I have a desire to give you love without any desire to get back anything in return, then I totally love you. Very few people on the planet have this relationship. This is the problem, we have defined love through our environment, and through our parents and their relationship. What we have come up with is that we are worried as to what we are going to get being loved. If you are worried about what you are going to get being in love, then you are not in love. You are in need, which is a totally different thing to being in love.

Unconditional love just gives and does not expect anything in return.

Our misunderstanding of what love is, is the major cause of all disease on this planet.

General Discussion – Questions & Answers Sound File

To liberate one's real self, one's will, being one's soul, is begun by embracing Feeling Healing, so as to clear emotional injuries and errors. With the Divine Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

WHAT CAN WE DO to OFFSET the EFFECTS OF EVIL?

My dear brother H____, with so many cries for war and vengeance, I (Judas) believe that it is worthwhile saying a few words in that respect. It is not our task to intervene in humanity's political affairs; our work is to lend guidance to the individuals so that they may find harmony with God's Laws. We have transmitted many messages on spiritual laws, but sometimes I get the impression that you still don't understand them well.

I wish to talk about harmony. In fact, there are two forms of harmony, absolute harmony and relative harmony. Everything which is in harmony with God and His Will is in absolute harmony. And whatever is in harmony with its own environment is in relative harmony.

In the spirit world it is very easy to explain these circumstances. We know that there are places which are totally out of harmony with the Laws and the Will of God regarding morals, ethics and love, natural love as well as Divine Love. We call these places hells. And the spirits, who show the same inharmony in their soul condition are forced to live in those places, because there they find at least relative harmony. The law which determines this is the **Law of Attraction**, resulting in the spirits living in communities where relative harmony reigns among all their members, and where all spirits have the same lack or the same degree of absolute harmony.

The second law that is applicable in this context is the **Law of Compensation**. This law has the function of establishing absolute harmony, and its methods are painful. But through pain, it impels the spirits to try to improve their situation, and when this happens, the spirits change their place of living and move on to another place, where more absolute harmony reigns, and where they may live in relative harmony with their mates.

The Law of Compensation operates on the tension caused by a lack of absolute harmony. The painful principle, that is to say, the unpleasant environment and the vivid recollections which force the spirits to face all that they have done and thought, etc., is same for all. The answer is individual, as the life each spirit led is different from the lives of all others.

All this is very clearly defined in the spirit world. On Earth things are very different. Earth is comparable to a plane in the spirit world, because there are also millions or billions of spirits on each plane, but the difference is that on Earth there are still incarnated spirits of all kinds, there are saints and true monsters of wickedness. All occupy the same plane, Earth, without being restricted to certain places and with free mobility within their abilities. The Law of Attraction works on Earth, but the effect of this Law is very blurred. It is true, some people unite, they form groups of interest, as you do on the Internet, when you try to spread the Padgett messages, or similar. This Law, however, doesn't have the same accuracy as in the spirit world, where it really effects a separation of spirits according to categories, determined by their soul conditions.

The Law of Compensation also operates, but on Earth there is no uniformity in respect of the lack of absolute harmony, that is to say, relative harmony doesn't exist. Saint and sinner live side by side.

Each mortal's deeds and thoughts contribute their part to a pool, like a marshalling of forces which determines where humanity stands in relation to absolute harmony with the Heavenly Father and His Will. It is that position which determines the operation of the Law of Compensation, which in turn sets free its effects over all people, over just and unjust equally. Many times the guardian angels or the spirit guides try to warn or to help, but it is this heterogeneous situation reigning on Earth that reduces the effectiveness of our work.

As I have said, each action and each thought determines, according to its measure, humanity's position, and hence the effects of the Law of Compensation. This is why all you do in harmony, that is in love, improves the situation of all mankind. It has not only a positive effect on yourselves, furthering your soul development, and a positive effect on your immediate environment, no, it goes much beyond this. Each action or thought out of harmony is like a grain of sand in a precision gearing, and things won't run smoothly anymore.

With these words I have described an aspect of the "common spirit" of Earth, and we will go deeper into the topic in the future.

My dear H___, you always wonder, what you can do in practice. You always demand concrete examples and not theoretical speeches. So then, I want you to make a small experiment. Put a cherry in a glass of distilled water. What will happen?

The cherry will swell more and more, until it finally bursts. Why? The cherry contains sugars and minerals; the surrounding water doesn't contain anything like that. A natural law determines that the water "wants" to equal the osmotic pressure inside and outside the cherry. There are two possible outcomes. The water may enter into the cherry in order to dilute the solution of sugars and minerals, or the sugars and minerals may leave the cherry in order to saturate the water, until there is a uniform concentration inside and outside. But the cherry's membrane is semi-permeable, and it doesn't allow the sugar to leave. Therefore, the water enters with the fruitless intent of equalling the concentration inside and outside, and finally the cherry is destroyed.

Something similar happens when there is a rich country and another poor country. The population of the poor country wants to enter the rich country, and in spite of all efforts, they manage to do so, because the frontier will always be semi-permeable. This may destroy the rich country. But there is another possibility that the sugars and the minerals come out, towards the poor country, and so the population will stay where they are, without any desire for migrating.

No, you are very mistaken. The sugars and minerals are not money, they are OPPORTUNITIES!

We always tell you that it is necessary to try to be as God is. This is impossible, it's clear, but it is necessary to try to love unconditionally, to be good, to help, etc., as God does. And it is necessary to give blessings. But how does God give His blessings? He doesn't give you money on a silver tray; I have already explained this. He grants opportunities.

So, my dear sisters and brothers, grant opportunities. Do this according to your possibilities, be tolerant, don't reject people for their colour, race, religion, political opinion, sex, etc. Grant opportunities. Don't try to monopolize everything for yourselves, grant opportunities.

The lack of absolute harmony causes tensions, and those tensions are set free according to the Law of Compensation. Diminish tensions. You can do this through your harmonious contributions. Love, pray, help, you know already what you can do. **The pool of active love in this world, of Divine Love as well as of natural love constitutes the counterbalance, which may remove negativity, bringing humanity nearer to harmony, and it will cause positive effects for all.**

Your prayers are like oil, smoothing the running of the gearing, they are like the wind that clears the sky and allows us to see the bright sun and to feel its warmth, which gives us life.

The moment has come to say goodbye. May God illuminate the world leaders, may God shed His blessings over humanity. I want you all to obtain more of the Heavenly Father's Love in your souls, and I ask you all to pray, more than ever, the world needs this.

Thank you, H___, for your time and for giving me this opportunity to express my thoughts. You have received my message very clearly today, and I hope our good rapport may continue.

Your brother in the spirit,
Judas

You surely remember this image, in which I compared the soul to a wooden cabin, which little by little, through the acquisition of Divine Love, becomes a brick house, changing in substance, but maintaining its structure. It is exactly this resemblance in structure that determines this attraction, it is the same principle which governs the scope of the Law of Attraction, but of course, it is not this law, but a different group of laws that operate on natural love.

February 25th, 2002

Now, the question is, how is it determined who the guide of someone will be?

The fundamental principle in this process is, once again, the Law of Attraction. When people decide to move along Catholic spirituality, they will receive a spirit of the same inclination, but with a higher development, to offer them help and service. The same thing happens with the Lutheran, the Methodist, the Baptist, the Buddhist, the Muslim, etc. In other words, the decision of deepening in spirituality does not mean that a spirit of the Celestial path will be assigned to direct his charge in this direction.

However, when people really take interest in this path, and when they pray for the Father's Divine Love, then it is a spirit of this same inclination, who accompanies them. It is not necessarily a spirit from the Celestial Heavens; it can be an advanced spirit, from the fifth or seventh sphere, too. Everything depends on the affinity existing between guide and guided one.

[HR: "Where do people go who do not believe, but who dedicate all their efforts to intellectual achievements?" I continued.]

"They go to a place where this joy may grow even greater," Judas replied. "This is the Law of Attraction. It is not more difficult to find the way to God and His Love in the spirit world than it is on Earth. In both places the prerequisites are the same: Earnest longings and constant prayer. But in a world of fast progression, where there are no limits, seemingly, to your endeavours, it is so easy to lose course, because any direction you chose will reward you with plenty of happiness.

May 24th, 2003

The law of attraction determines that certain soul conditions attract certain kind of thoughts. In fact, the soul condition determines the "spiritual level" where the soul lives, and therefore, it also determines its respective environment of thoughts.

March 12th, 2002

There is a message received by Mr. Padgett right on this subject. I want you to reproduce the pertinent part here. "I know that the Bible in many places speaks of my casting devils out of men, and of men being possessed of devils, and of the apostles casting out devils, and of their not being able to cast out some of these devils, but I tell you now that the Bible is all wrong in this regard, and the writers and translators of the Bible never understood what the word devil, as used in these various instances, meant or was intended to mean. As I have told you, there was never any devil or devils in the sense mentioned and taught by the churches, and consequently, they never could have possessed mortals nor have been cast out of them. It is true, that by the workings of the law of attraction, and the susceptibility of mortals to the influence of spirit powers, mortals may become obsessed by the spirits of evil – that is evil spirits of men who once lived on Earth – and this obsession may become so complete and powerful that the living mortal may lose all power to resist this influence of the evil spirits, and may be compelled to do things that the mortal will not desire to do, and to show all the evidence of a distorted mind, and present appearances of a lost will power, as well as of the ability to exercise the ordinary powers given him by his natural creation. And in these instances referred to of casting out devils, wherever they occurred, and they did occur in some of the instances mentioned, the only devils that existed were the evil spirits who had possessed these mortals.

And this obsession obtains to-day just as it did then, for the same laws are in operation now as were in existence then, and many a man is in a condition of evil life and disturbed mind from the obsession of these evil spirits; and if there were any men of today in that condition of soul development and belief that my disciples were in, they could cast out these so called devils just as the disciples cast them out in the Bible days. (There are no devils and no Satan considered as real persons and fallen angels, Vol. I)"

Feelings first

I am here, John, Apostle of Jesus –

29 May 1916

When the spirit leaves the body, there is a breaking of the silver cord, as it is called, and thereby all connection between the spirit and the body is severed for all eternity; never again can that spirit enter that body, and neither can any other spirit, although it is claimed by some spiritualists that another spirit may inhabit the cast-off body. But this is all wrong, for no spirit ever enters the body which has once been the home of another spirit, and, hence, claims made by some of the wise men of the East that such a thing can be, have no foundation in fact.

When the silver cord is once severed, no power that is known to the spirit world, or among spirits of the highest sphere, can again resuscitate that body and cause the manifestation of life. And hence, in the miracles mentioned in the Bible, where it is said that the dead were brought to life, it must be understood that this tie between the spirit and the body was never broken.

When this tie has been once severed, there are certain chemical laws affecting the physical body, and certain spiritual laws affecting the spirit, which absolutely render it impossible for the spirit to again enter the body. And as you have been informed, we all, mortals and spirits and angels as well, are governed by laws which have no exceptions, and never vary in their workings.

So I say, when once the spirit and body separate, it is for all eternity, and the spirit then becomes of itself, a thing apart, controlled entirely and exclusively by laws governing the spirit body.

With the spirit's entry into the spirit world, comes the soul, still enclosed in that spirit body, and to an extent controlled by that body, which latter is also, in certain particulars controlled by the soul. The spirit body has not, of itself, the power to determine its own location or destiny, as regards place, for the law of attraction which operates in this particular, operates upon the soul, and the condition of the soul determines the location of itself, and as the spirit body is the covering of the soul, it must go where this law of attraction decrees the soul shall abide.

While the mind and the mental faculties and the senses have their seat in the spirit body, yet the law that I speak of does not operate upon these faculties, as is apparent to every spirit which he knows from observation, as well as from experience, that the combined power of all these faculties cannot move a spirit body one step in the way of progress, unless such faculties have, in their influence upon the soul, caused its condition to change. And in the matter of mere mental or moral advancement, this can be done.

So, I repeat, the condition of the soul determines the locality as well as the appearance of the spirit body, and this law of attraction is so exact, that in its operations, there is no opportunity for chance to interpose, and place the spirit body in a location which is not its, by reason of the operation of this law.

So that when the spirit body enters the spirit world it must go to and occupy the place which its enclosed soul condition determines that it shall occupy. No interposition of spirit friends or love of parent or husband or child can prevent this destiny, although for a time, until the soul has really had an awakening as to its condition of severance from the mortal life, these relations or friends may retain the spirit body near the place of its entrance into the spirit life, even though that place

be one of more beautiful surroundings and happiness than the one to which it is destined. But this situation does not last long, for the law works, and as the soul comes into full consciousness, it hears the call and must obey.

And thus, you see, friends and loved ones in spirit life meet with love and kindness and consolation, the newly arrived spirit, but the parting must come, and every soul must find its home according as its own qualities have determined. And yet the consolation mentioned is a real one, for in many instances, if it were not so, the lonely spirit would experience fear and bewilderment and all the unspeakable sensations of being deserted.

Then there comes a time, when every soul must stand alone, and in its weakness or strength realize that no other soul can bear its sorrow or take from its burdens or enter into its sufferings. And thus is realized the saying that each soul is its own keeper and alone responsible for its own condition.

Of course in many cases the loving friends may visit that soul in its place of existence and offer consolation and help and encouragement and instruction, but in some cases this cannot be, for as this soul is then laid bare to itself, all its deformities, and sins and evil qualities come before it, and thus throws around it a wall, as it were, that prevents the good friends and loving ones from appearing to it.

And thus again comes into operation the great law of attraction; for while these more elevated friends cannot come to that soul, yet other spirits of like souls and qualities may become its associates, and render such assistance as the blind can lead the blind in their moving about. And I wish here to say—notwithstanding what some of your spiritualistic teachers say—the soul has its location as well as its condition.

The above condition that I have described is the destiny of some souls shortly after becoming spirits, and it is a deplorable one, and you may think that such souls are deserted by the loving influences of God's ministering spirits, and left all alone in the dreary places of their habitations. But such is not the case, for while they are deprived of the presence, to them, of the higher spirits, yet the influences of love and compassion are flowing from these spirits, and at sometime will be felt by the lonely ones, and as these influences are felt the poor souls commences to have an awakening which gradually causes the wall of their seclusion to disappear until at sometime, the higher spirits find that they can manifest their presence to these unfortunate ones.

And, besides this, every spirit, no matter how fallen, has a work to do, even though it may appear insignificant, and among these spirits of similar conditions some are a little more progressed than others, and by reason of a law which causes the more progressed to help the lesser, the latter are frequently helped from their low estate.

Now what I have last written applies of course to the spirits who are wicked and vile and without any soul development in the way of goodness, but a similar principle enters into the conditions of all the spirits in the Earth plane, although the higher they are in that plane the greater opportunities they have for receiving help and progressing.

Steps UP!

Quantum Jump 1

REVELATION 1
James Padgett 1914 – 1923

James Padgett bravely introduced the availability of the Mother and Father's Divine Love and a great deal of additional guidance and information, all of which has been supplemented by Samuels, Judas, Reid and Arnold. All writers were under restrictions of personality and circumstances. Revelation 1 opened the door for humanity.

Quantum Jump 2

REVELATION 2
Marion and James Moncrief 2002
– ongoing

Marion and James Moncrief have recognised the need for one to engage in Feeling Healing and, by their actions, removed restrictions that James Padgett and others above endured, thus JM is able to critique the writings of the past 100 years resolving points of confusion as well as expand on what has been written. Revelation 2 is humanity's turning point.

Due to the extra-ordinary nature of Revelations 1 and 2, humanity with the first Revelation would have continued on into its negative pathway of living, however, combining the first Revelation with Revelation two, now humanity can embrace this turning point and commence its evolutionary growth that has required two thousand years to put in place. This is the greatest event in the history of humanity and very few are aware of such, until we enable others to become aware.

WE EDURE FOUR LAYERS of PERSONALITY SUPPRESSION!

Unknowingly, our parents pass onto their children (us) their beliefs and way of living that has evolved since the Rebellion of some 200,000 years ago and then the Default of some 38,000 years ago. In this way, humanity is suppressing the female, rejecting our Spiritual Parents, namely Jesus and Mary, and denying our Heavenly Parents being our true Mother and Father, of their truth, standing and existence.

The Rebellion is against love, the Default is all the difficulties we have in our relationships because of our rebellion. Healing the Default is becoming true, to ourselves and in our relationships, and ending our unlovingness – our rejection of love, so ending the Rebellion. Nanna Beth 29 June 2017

We are souls, our personality is an expression of our soul. It is our free expression of our soul through our feelings that we are to embrace and follow. This expression may appear to be wilful in nature, from time to time, and consequently our parents attempt to suppress this expression. They proceed to remodel us when as young children, in the manner their parents treated them and so on for many generations going back.

During our forming years, as a child, we are unable to recognise the suppression of our personality as being extra-ordinarily harmful to our soul based personality and, accordingly, we don't know that things can be any other way. Presently, neither do our parents.

This childhood suppression way of living continues throughout our schooling years, thus we learn this is a way of life as being normal.

Our religions all have been formed based on the tenets of the Rebellion and Default. The teachers and leaders throughout all denominations take us further away from our suppressed feelings that have been hammered into us during our forming years, thus entrenching us further into rejecting our true selves.

The controlling and suppression mechanisms of our parents, educators and spiritual teachers all manifest throughout all of commerce. This control comes heavily and brutally down upon all levels of employment. The capability to express one's soul based attributes and gifts is sealed throughout all of one's working life.

A new way of living is to enable the liberation of one's true personality through the Feeling Healing process AND the transfer of authority to the individual via embracing freedom of expression.

DEVOLUTION

Our childhood suppression of our true and loving soul based feelings is creating global pain and personal isolation amongst all of humanity. We are very sick!

In our struggle to find solace and purpose, we further withdraw into ourselves, becoming ever more self dependent, believing our control addicted mind that it can solve everything. We just drown further.

We embrace an ever expanding and diverse range of pathways to escape from our personal pain, fear and desperation. Alcohol has now been complimented with narcotics, hallucinogens, including caffeine (coffee). Gambling has been complimented with computer games which are generally entraining the mind further into error and pain. Technology is making us sicker!

We bury ourselves in front of the television to further avoid contact with anyone, especially family.

Children endeavour to exert their independent authority from domineering controlling parents (which we all are eventually) by disfiguring their bodies with tattoos and piercings, etc.

We shut out the noise with headphones, thus preventing contact with others. We use electronic devices to 'text' others even at intimate engagements.

Technology will take us further into the depths of our madness. You now can buy headsets that prevent any contact with the outside world while playing mind suppressing and entraining entertainment – games!

No one loves their children, they are ignored, and the controls hammered into them turn them into clones of ourselves. Look at ourselves and we can all see that we have been all messed up by our own parents, as they have for generations over the past 200,000 years.

No more of this! We can escape this man made hell!

EVOLUTION

STEP 1: Longing for and receiving Divine Love:

- A. Soul within spirit body prior to receiving Divine Love.
- B. Divine Love being received from the Holy Spirit, covering the spirit body of requesting personality.
- C. Divine Love having been assimilated within one's soul, now being reflected through the radiance of the spirit body.

STEP 2: FEELING HEALING + SOUL HEALING

It is the Divine Love that strengthens one's resolve to persevere with embracing one's suppressed emotional injuries, that occurred from conception through to around the age of six, and longing to know the good and the bad of those feelings, together with talking about them to a friend, partner, one's self and our Heavenly Parents. It is only with the receipt of the Mother and Father's Divine Love and the expressing of suppressed emotional injuries that one can release the emotional injuries and errors to achieve Celestial soul condition and enter the Celestial Heavens.

Further, should one complete their Feeling Healing on Earth, then they will be able to recognise their soul partner, their other soul half, and should their soulmate have also embraced Feeling Healing with Divine Love, then their children will be born free from error, free from fear, and free from any deformity and illness. This is the destiny of humanity.

Further, being in this condition of free from error and being in constant communication with our Heavenly Parents, then one can also recognise and form their Soul Group. This will ultimately consist of twelve soulmate pairs, a total of twenty four personalities / individuals.

It is the bringing up of children by the support of soul groups that is to be the ultimate way forward. The group experience and wisdom, as a functioning family, will ultimately be of profound benefit for the blossoming child.

But what we cannot do is contrive the groups ourselves, or even pick who our soulmate is. This will only, and can only happen, as an outworking of the truth we are to live – as we progress in the healing of our soul.

And this is how all of life should be lived: according to the truth we are living. It is how we live, as there is no other way, but currently we live it in the negative, of that being directed by no truth, and so having to make it all up ourselves.

FEELING HEALING + SOUL HEALING

To heal one's self is to simply look to see what feelings we are refusing to let ourself feel, and accept them instead of denying them. And to fully accept them, one needs to express them, speak about them, let them have their say, rather than pushing them aside, refusing to let them make you feel bad.

Doing this all with the intention of seeking the truth of why you are feeling them, of speaking about and expressing all such feelings; all feelings you have, but ALL WITH the INTENTION of UNCOVERING the TRUTH THEY WANT YOU TO SEE ABOUT YOURSELF. And it's the wanting to see the truth of them that is very important, because if you just look to accept them and speak and express them, but not seek their truth, then that's all you'll be doing, speaking and expressing them, but not healing their causes, so not fixing the things within you that are making you feel bad. And it's the truth part of it, seeking the truth of your feelings, and so, seeking the truth through your feelings, that's vitally important. It's the truth of yourself, life, nature and God, that is the spiritual aspect to it all.

You CAN'T find the truth of yourself, or anything else, through and with only your mind. You HAVE to engage and look to your feelings. And so if you choose to allow your feelings to 'Show You the Way', then the truth will come as you express them. So to do our Soul-Healing consists of these steps, all of which are ongoing until it's done:

- **Admit you are feeling bad.**
- **Accept your bad feelings, identify what they are.**
- **Honour fully your bad feelings by expressing them, speaking about them to someone who is willing to hear you talk about them, or tell them out loud to our Heavenly Parents. Long for the truth of them. Long for the truth of why you feel bad – what deep within you is causing your bad feelings?**
- **And remember, bad feelings are Good! Not bad. They are not to be despised. And as hard as it is to accept them, they are still you, and a very real part of you. And if you persist in denying them and not allowing yourself to fully live them, then you are only going to keep yourself in your errors making things harder for yourself.**
- **All sickness and suffering, all bad things that happen to you, all your problems, all your addictions – your whole feeling-denying and untrue life, is all caused by your denial of bad feelings.**
- **Every problem in the world is brought about because everyone has been brought up to deny feelings, and in particular, most of their bad ones.**

If one is intent on spiritually evolving and growing in truth, then it's vital, and this is the key, that one looks to use one's feelings as the means to gain and have access to the truth of oneself. You CAN'T find the truth of yourself or anything else through and with only your mind. You HAVE to engage and look to your feelings. And so if you choose to allow your feelings to 'Show You the Way', then the truth will come as you express them.

Doing your Soul-Healing with the Divine Love, is really doing your 'Feeling-Healing'. We are designed — created — to be self-revealing of truth, and so we are all to uncover the truth within ourselves and for ourselves, and all being done by living true to our feelings. **If you accept, express and seek the truth of your feelings, then truth will come to you, and you'll grow spiritually. It's as easy as that. Also it is as easy as it is to long for, ask for and receive Divine Love.**

THE HEALING OF YOUR BAD FEELINGS THROUGH THEIR ACCEPTANCE
AND FINDING THE TRUTH OF THEM, IS THE ACCEPTANCE OF YOUR
NEGATIVE, REBELLIOUS, EVIL, IMPERFECT MIND AND WILL CONDITION.

To do our feeling-healing we need to become:

Aware of – Acknowledge – and Admit, our bad feelings.

So we can:

Accept – them and allow ourselves to Be them.

And then if we feel to, take:

Action – Express, speak and emote them.

Talk about them.

All being done whilst longing to, really wanting to, see the TRUTH of our feelings.

So it sounds simple.

So I repeat:

We accept our bad feelings by expressing – speaking about them to someone willing to listen to us and take us seriously. And as we speak we long for the truth of them – why we are feeling them – to be made known to us. And when we uncover and see the truth we are FREE! – healed of the causes that have made us feel bad.

Accept, Express – see the Truth, and you're Free!

ACCEPTANCE OF ALL YOU FEEL, THINK AND ARE, IS THE KEY TO DOING
YOUR HEALING; THAT, AND WANTING TO SEE THE TRUTH OF ALL YOU
FEEL, THINK AND ARE.

Release one's pain through expressing one's feelings.

in conjunction with

Longing for the Truth when also longing for Divine Love.

LOVE
is
Feelings First Spirituality, The New Way

Feelings First Spirituality, The New Way is a contemporary ‘religion’ based on living true to yourself through your feelings. Understanding that all you need in life is contained within your soul and is shown to you through your feelings. And by loving your feelings, by attending to them properly (talking or writing them out of you) and not denying them, you can use them to uncover the truth of yourself – the truth of your soul.

Feelings First Spirituality is not a formalised religion that tells you how to be, that is too controlling and is actually bad for you, limiting your spiritual growth. You can be wholly self-revealing of the truths you need to be, being the person God created you to be, all by living true to your feelings.

Feelings First Spirituality has no formal structure because we understand we don't need one, our soul contains within it all the truth of our spiritual ascent. If we look to our feelings for the truth they want us to see about ourselves, nature and God, then what more do we need! Our true spiritual path is the path our feelings will lead us down, that is, provided we allow them to. This is the most spiritual we can be.

Living the New Way of Feelings First Spirituality

You come to the understanding from your life experiences that how you are is not right, it doesn't make you feel good – that you are wrong in some way. And you want to change yourself, you want to become right, true and perfect – you want to be like God is.

And to do this you need to do your Healing

Your Feeling-Healing is looking to your feelings for the truth of yourself, the truth being hidden in many of the feelings you are not wanting to face in life. So you have to end your feeling denial, accepting all your bad feelings (and good ones), express them (yet not necessarily acting upon them), whilst longing to uncover the truth they are to show you.

Or, you can do your Soul-Healing, which is your Feeling-Healing together with including longing directly to God for God's Divine Love. When you receive the Divine Love into your soul, it will cause your soul to become divine, and it will deepen your personal relationship with God. Long with all your heart to God for God's Divine Love.

Feelings First Spirituality **The New Way**

By living true to ourselves, true to our feelings, we are living true to God. It's that simple.

Prayers to our Mother and Father

From 'Religion of Feelings' by James Moncrief

Please Mother and Father help me accept my untrue state and bring up all my repressed feelings so I can see the full truth of why I feel so unloved and all that's wrong with me.

Please Mother and Father help me see the truth of myself through my feelings.

Please my beloved Heavenly Parents, fill my soul with Your Divine Love. I long for Your Divine Love; please answer my prayer and yearning to be at-one with You and do Your Will by living true to myself and all my feelings. Please fill my heart and soul with Your Divine Love – please make my soul like Yours – Divine.

Please Mother and Father, I want to uncover the whole truth of myself through my feelings. I want to be able to feel and accept just how bad I am, how bad I feel I am, how bad I've been in my life. I want to know the whole ugly truth of myself, see it and feel it and understand how I came to be it. Please reveal to me through my feelings all the truth of myself You want me to see. I want to be as You want me to be; I want to be true and perfect, Healed of all my rebelliousness and self- and feeling-denial; I want to be good, loving, true and happy, please help me become true to myself, true to my soul, true to You.

Please Mother and Father help me, I'm in such bad pain, I feel so alone, so miserable, so scared, what's going to become of me, I don't understand, what's the point of me, why have You made me; please help me see the truth of myself – all the truths of myself, nature, how to be in the world, of You both. I want to know, I want to know it all through my feelings, all that there is to see, the whole truth and nothing but the truth. Please help all my pain come to the surface of me so I can embrace and accept and express it out of me. I want to use my feelings to uncover the truth they are to show me; please help me to do that.

Please Mother and Father love me. I want You to love me. I want to feel fully loved by You. I don't want anything else, only to be with You. Please, that is all I am asking.

Please make me feel how unloving I am. Please show me the horrible truth that I am. I want to see and feel and understand the worst of me, please take me into my darkest scariest ugliest unwanted rejected places within myself. I don't want to feel all the dreadful pain that I know is there locked away inside me, yet I do also want it all to come up and out of me, and I want to use it to see the truth of my wrongness, the truth of how evil I am, the truth of my fucked up state. I no longer want to be false, pretending I am okay, using my mind to make me falsely believe I am good, happy, loved and loving, when I know I'm not. For how can I be when You've brought me into my unloving state, making me be of it. And as You want me to experience being this negative way, please show me the whole truth of it. I no longer want to deny any part of myself, or any of my bad feelings. I want them all to come up so I can express them, emoting their pain, feeling how bad You've made me feel all my life and all through my early life; I want to see why, and so reveal all the truth to myself. I want to be the living truth of myself, living true to my feelings and the truth they give rise to. Please help me to do my Healing, and please fill my soul with Your Divine Love.

The mind way is the 'dead' way; the feelings way is the 'alive' way.

Examples of some prayers to God:

From 'Feeling Healing' by James Moncrief

Please God show me the truth of myself through my feelings.

Please help me see the truth about myself You want me to see.

And please help me feel all my repressed pain; please bring up all my bad feelings so I can express them and see what it is they are to show me about myself, my life, and You.

And please help me work through my blocks, I want to Heal myself, I want to become true to myself and true to my feelings and true to You – please help me do that.

Heavenly Mother and Father, I feel so bad, and I know I'm doing it to myself, but I can't help it. I can't stop my compulsive addictions, so will you please bring up the buried feelings in me and show me the reasons why I can't stop. Please! I want to know – I REALLY WANT TO KNOW why I do them. Please help me Mother and Father to uncover the truth of myself. Please, I beg you, please, please, please show me the truth of them so I can give them up. I hate feeling bad, yet I know I must so I can keep expressing my bad feelings to see the truth You want me to see, so please help me feel bad.

Please Mother and Father fill my heart and soul with Your Divine Love. Please give me Your Love. Please love me and make me feel loved by You. I want to feel You close to me, I want You to hold me, make me feel loved by You. I only want You and to do Your Will. Please help me bring up all my repressed feelings so I can express them and uncover their truth. Please help me do my Healing. Please give me Your Love.

I hate you Mother and Father; why have You given me such a shit awful life? I hate myself, I hate You, I hate everything about my life. I feel so bad all the time. I've expressed so many bad feelings and still I feel bad. It's not fair, it's not fair what You've done to me. I hate You! And I want You to help me Heal myself, so I can stop feeling bad. You put me in the shit for whatever reasons, and I want You now to help me get out of it and show me what it's all been about. Please help me to Heal myself so I no longer hate You.

I long for Your Divine Love Mother and Father. Please fill my soul with it. And please help me uncover the truth of myself through my feelings. I want to see it all! And please make it all end, I'm so tired of always feeling so bad, please take all my bad feelings away by making me feel them and showing me the truth I am to see.

FEEL *for* TRUTH

The beauty of it all, is the truth comes to you through your own feelings. You don't need to be told it by anyone. You can work it all out for yourself. We are self-revealing of truth, it's how God created us to be, and by being it we'll feel the happiest we can feel. Truth is our great comforter, so when you feel it come up within you, ah it feels so good and you feel just right – perfect!

We know only how to deny feelings, now we can get to know how to accept them. And always with the truth being the most important part.

FEELING TRUTH

If you don't want to uncover the truth of your feelings, then you can keep on expressing them forever but you will never fully heal yourself. Seeing the truth results in the Healing. And to see the truth you need to express all the pain out of you. The two things go hand in hand.

You can accept and express your bad feelings, letting off steam all day long, yet nothing will heal and nothing much will come of it. So this is where wanting your feelings to show you the truth of why you're feeling as you are is so important.

Don't go fishing with your mind, that will shut the truth out from rising up for you. **KEEP YOUR MIND OUT OF IT.** It's a feeling thing, doing your Feeling-Healing. (This is where we erred previously, and this how other modalities are in error.)

You long when you can, then stop longing and keep expressing. And at some point, and it might not even happen immediately, it might happen after days or weeks of expressing the same bad feelings, truth will come to you. And it does, it just comes up suddenly into your consciousness. You just know. You see the picture and you feel it's true. And you know it's true. And THEN your mind can come in and start sorting it out and putting in context.

It's the Truth that we are seeking. It's the End Point. The Reason for doing your Healing. You are to see the whole Truth of yourself. And to begin with, that's the whole truth of your unloving self, of your wrongness, of your evilness, of why you are as you are in your negative unloving mind-controlling state. To be able to fully accept yourself as you are, warts and all. To not fight or resist or try and change yourself, just to accept all you feel and all the truth of all those bad feelings you feel about yourself. And when you do, so you will be healed. You CAN'T heal yourself unless you uncover the truth of your pain, suffering and so the truth of all your bad feelings.

Through our Feeling-Healing we long for the truth of what we're feeling whenever we can. So as often as you can. You want, and REALLY WANT WITH ALL YOUR BEING, ALL YOUR WILL, to know why you are feeling bad. You yearn, want, long and beg and beg and BEG God to show you the truth of yourself through your feelings. So when you are expressing your bad feelings you can stop and long for the truth to show you what's going on, why do you feel so bad, and you can do it any time you think of it or feel to do it.

Notes from 'Feeling Healing' by James Moncrief

Heartfelt TRUTH

Our FEELINGS are our SUPREME GUIDES:

Feelings!

Feelings are what guide us through our ascension of truth. So they are really our Supreme Guides. Many people look for a person, spirit, angel, even God, for supreme guidance, however it's all right there already built in – in our feelings. **We just have to submit to them, allowing them to take us where they will, expressing all the parts we want to express, letting the emotion drive that expression if it's there to be expressed, or just talking about all we feel and how feeling that feeling is making us feel – or, how we feel about having that feeling, all whilst longing for the truth of our feelings. Longing for the truth of our feelings is really: Longing for the truth of our self, because: we are our feelings. So life stirs up our feelings, we feel being alive; or, being alive means we are feeling, always feeling; and when we work out what and why we are feeling what we are, so then we know the truth of how we are. And over time the truth accumulates, and our mind expands our understanding of ourselves, all being driven from our feelings.** Kevin 26 September 2017

Kevin died 10 August 2012, through Feeling Healing became Celestial on 7 August 2017

Using our feelings to uncover the whole truth of our negative or anti truth and anti love state.

Kevin: **So whilst we're of an untrue state, then all we have got to help us understand why we feel bad, why we are wrong, why we are negative and anti love and truth, is our feelings. So if we focus on our bad feelings, they will lead us to the truth of why we're feeling bad. Which will be the truth of what happened to us to make us be this wrong way, and how we took on the wrong way and keep it going making us feel bad.**

FEELING HEALING

Note: The vital difference between emotion and feeling is that emotions have their roots in the past, and feelings relate to the present moment. Emotions represent our feelings which were not previously expressed, and these accumulate with time.

Note: **Our feelings are soul-based. Our soul is always in truth. It is our soul based feelings, that when allowed to be freely recognised, we will begin to express and be who we are. This takes time and perseverance as we have encrusted our souls with layers upon layers of errors and false beliefs, it is these layers that will confuse the truth that our soul is conveying to us. Only by our progression with our Feeling Healing will our soul's expression of truth become clear and free of all cloudiness and contamination.**

“What our soul needs in accordance with our own, individual, **Soul-Light-Plan-Of-Destiny** (your life's true destiny plan), They, being our Mother and Father, will give you as required. The only way we can know truly what we need is to honour and follow our true feelings. They, springing from our soul, literally telling us what we need, and so when we genuinely feel we need something, we apply our will to get it. The hard part is knowing if our feelings are true, and until we have done our whole soul-healing, they won't be clear and totally true.” James – Introduction Course to Divine Love Spirituality

The New Way, Feelings First Spirituality
 Learn to live with God through your Feelings

Accept, express and long for the truth of your feelings

Be free in your feelings
 Free your feelings from your mind's control
 Live true to your feelings; your feelings are your true self
 Live true to yourself through your feelings

Live true to yourself by living true to your feelings.
 Long for the truth of your feelings.

Accept / Express / Bring out ALL of your good, and most importantly,
 BAD feelings.
 Want to understand why you're feeling them.
 Use your surface feelings to take you deeper into your repressed and
 hidden feelings.

The Feeling Way is the True Way.
Your feelings are your spiritual guide.
Your feelings will take you to God.

Your feelings will show you the truth of your relationships, including your relationship with God; and if anything is wrong, untrue and unloving, then why it is.

Our feelings are sacrosanct and we should respect them accordingly. And we should NEVER block them out, ignore, override, banish, deny or reject them, because if we do, we're only doing that to ourselves, as Our Feelings Are Our Self.

Our feelings are the gateway to our soul. Our feelings are the closest we can get to our soul. Knowing the truth of our feelings is knowing the truth of our soul, and knowing the truth of God.

Feelings First Spirituality is the True path for humanity.
It embraces all people.

It completely unifies the world.

Everyone can relate to everyone else through their feelings.

And we can all live the truth that comes from our feelings, all sharing the same truths as we express and have the same feelings.

No one need be left out; no one is more special than anyone else – we are all united in Truth through our feelings.

So with and through our truth we live our lives, therefore without the need of any man-made mind-laws, rules and restrictions that limit self-expression as inspired by our feelings.

The New Way, Feelings First Spirituality is what is to replace all man-made, mind-contrived religions that so many people have enslaved themselves to. The New Way, Feelings First Spirituality will set us free of all that control, ending the Rebellion and Default within ourselves as we do our Feeling-Healing, and ending such control and spiritual stagnation in the world.

Bring on the End Times – get it over and done with! Let's all see that Jesus is not going to come again, that Prophecy has failed all the mind-controlled platforms. Allow such false systems of belief to die their long-awaited natural death, they've overstayed their welcome, it's now time they fade away. So let us show such antiquated, erroneous systems of belief the exit and bring on the fresh liberation of discovering the truth of how we are to live for ourselves, each of us personally in our lives, and all by looking to our own feelings for it. Self-revelation through our feelings is the way to go.

The Way of the Mind is ending, and is really the End Times – the End of our mind control, and **it's about time!** With the Way of our Feelings replacing it.

The End Times means the end and therefore a New Beginning. And that new beginning is a whole new Spiritual Age – an age based on self-revelation of truth through one's feelings, coupled with and supported by higher revelations from the Celestial spirits, angels and nature spirits.

The Feelings First Spirituality is the True Way to God because it helps you get to know God, helping you to reach out, connect and be personal with God, and do God's Will, all through your feelings. It is the only true way of getting to know the God of Feelings – our beloved Heavenly Mother and Father, the Great Soul of Divine Love.

Love comes through our feelings and not our mind, as we've all been wrongly led to believe.

Feelings First; then comes The Truth; then comes Love.

LOVE is the Religion of Feelings, being:

Feelings First Spirituality, The New Way

The CHOICE is OURS to MAKE:

Celestial Truth:

Truly all-loving;
 Living true to oneself;
 Mind supporting Feelings;
 Living with the Divine Love;
 Fully Healed of the Rebellion and Default.

THE FEELING WAY

Feeling – Ascendance
 Unlimited progression

- Living true to your untruth;
- Honouring all your bad feelings;
- Expressing feelings to uncover their truth;
- Healing the Rebellion and Default within yourself;
- Feeling unloved; being unloving;
- Feeling as bad as you can feel;
- Feeling like you are no one special;
- Longing for the Divine Love.

THE MIND WAY

Mind – Transcendence
 Limited progression

- Enlightenment, Nirvana, feeling all-loving;
- All false, mind-contrived. Anti-truth, anti-love;
- Still evolving the Rebellion and Default within yourself;
- Feeling and believing you are the Superior One;
- Living with your mind in control of your feelings;
- Living rejecting all your bad feelings;
- Living with your mind contriving you feel loved;
- Rejecting the Divine Love.

All religions, New Age, agnostic,
 atheists, no spiritual interest,
 Living the Rebellion and Default.

Hell:
 Exploiting the Rebellion and Default.

The Feelings are the doer; the Mind the teller. So we are to go with our feelings, which we can't be told to do with our mind. So the longing for the Divine Love, doing our Healing by expressing our feelings and longing for their truth, are all feelings and doing it with longing. Whereas the mind just wants to tell us what to do and how to be, no feelings in it, all how our parents have treated us.

WE are meant to grow up LIVING FULLY CONNECTED to our FEELINGS:

Humanity has always had an awareness and involvement with spirits, with life on the other side, because we are all heading that way, we all end up dying and becoming one of the spirits, and were humanity living rebellion-free, then nearly everyone would enjoy some level of spirit involvement either directly or indirectly, loving such an expansive awareness in life.

We are meant to grow up living fully connected with our feelings in our physical reality, and at the same time with full feeling awareness of spirits and life after death, because after all, God is the greatest Spirit of us all.

And so having an awareness and involvement with spirits can, and should, help us have more of an awareness with our Mother and Father. And it's not with just spirits, it's also with the angels who are with us all the time, and the nature spirits should we be open to them, and even higher spirits if we are to work with them, such as the Melchizedeks or Trinity Teacher Pairs. But mostly for those people involved with the Divine Love, it will be with the Celestials spirit group that is assigned to help them.

It is very important to understand that spirits and spirit life is meant to be part of life on Earth. However that's not to say everyone need to have an ongoing relationship with their spirit friends, but they can at least still be aware of spirits and spirit life and where we will be going and something about what to expect once we die. And when you are open to it, lessening the grip of one's fears about it, then we will find it will be just another aspect or level of life, and one that can give us quite a lot of comfort.

TRUTH LOVING SOUL V ERROR INFLICTED MIND

**Feeling
Healing with
Divine Love is
the key!**

To liberate one's real self, one's will, being one's soul, is by embracing Feeling Healing so to clear emotional injuries and errors. With the Divine Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

REVELATIONS

Revelation 1: Our soul becomes encrusted with harmful ways of life, plus negative and erroneous beliefs, these mainly stem from our childhood upbringing and environment. Thus we live untrue to ourselves, we become 'evil'. Whilst we hold to these injuries we limit the amount of Love that we can receive into our soul. To open our soul to the Love we must firstly and progressively embrace our emotional injuries and allow them to be released. Until we emotionally experience past errors and injuries we hold onto them.

To free our soul of damage and toxic emotions we must open ourselves to experiencing them. This is a progressive, slow and uncomfortable cleansing process that we must all experience. Only by addressing the generational injuries will we, as humanity, evolve in love.

To fully divest one's self of our badness, we have to 'go into' our feelings. Call this process of clearing toxic emotions as 'Letting Go', 'Emotional Processing', 'Journey Process' or 'Feeling Healing'. Embracing Divine Love then Feeling Healing becomes Soul Healing.

As part of our Feeling-Healing we will have to work our way into all our feelings to see if indeed they are coming truly from our heart and soul, or if they are being heavily influenced by our mind. And this will then lead us into questioning and uncovering the truth, if there is any, to our beliefs and why we behave the way we do; and is such behaviour based on truth, or is it based once again on untruth, belief, and rules of our mind.

Revelation 2: We can long for, ask for and receive the Mother and Father's Divine Love. The greater our soul is free of error and injury, the more of the Divine Love can be received and assimilated into our natural love formed soul. The Love does not free us of injury, however, it strengthens our resolve to continue on our journey to be free of error and injury, to step away from evil aspects that have been encapsulated within our humanness and soul. It is this Love, the Divine Love, that brings about immortality of our soul and it is this Love that will eventually fit us to enter the Celestial Heavens and progress for ever more onwards to Paradise. These two revelations free us from error and enable us to grow in love ever more.

Immortality with the Love.

God is God, who is our Heavenly Mother and Father, being SoulMates. There is only one Soul that is God's Soul, that being the Soul of our Mother and Father. Our Heavenly Parents are the First Soulmates; The Two Who Are One who have brought us all into being.

Jesus and Mary are a son and daughter of God.

Jesus of Nazareth and Mary of Magdalene, being soulmates, were both free of sin. Jesus and Mary, combined in their love for us, are our teachers and guidance for us to find our way home to our Heavenly Parents. To start this journey we are to liberate our souls from being entombed within our suppressive minds, through feeling and longing for the truth of our feelings via our soul and peel away our injuries incurred since conception.

Give yourself time to consolidate your relationship with the Mother and Father through the partaking of Their Love. And whilst you are doing this, you can learn about your healing, all that's involved with it, as there are many willing spirits to share their healing experiences with you.

When you are ready it will start happening simply because you will want it to, it all being orchestrated by your soul. And when that time comes you will have developed a strong foundation in your relationship with the Mother and Father for you to work from. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

It is to make longing for God's Love the priority, and then do one's healing; should one want to include God and the Divine Love in one's feeling healing. This is doing your soul-healing as you are seeking to heal your soul of all evilness – of that which made you become evil, and release all the hurt and pain of not being fully and truly loved.

WE ARE Children of God

WE ALL ARE BEING GUIDED HOME:

We need the Spirits of Truth of the Avonal Pair to Heal ourselves; then once Healed, (and for support (overshadowing) as well through your Healing), we need the Creator Pair, Mary Magdalene and Jesus’ Spirits of Truth to see us through the Celestial spheres, while at all times embracing our Heavenly Mother and Father.

Until Mary and Jesus died and liberated their Spirits of Truth, no one from any of the worlds could leave Nebadon, because no one knew the way to do so. Nebadon is our local universe containing some 3.8 million inhabited physical worlds and their associated spirit worlds.

When we embrace the truths Mary and Jesus are revealing, and start to do our Feeling Healing, or with Divine Love, Soul Healing, we are then freeing ourselves up from our parental and self control.

Thus our journey to Paradise, to the home of our Heavenly Parents, is of our choosing as to when we progress, however, there is only one way:

HUM: Humanity is to ascend. We are self contained. Our soul is always in truth and perfect at all times. **By living true to ourself, true to our feelings, we are living true to God. It’s that simple.**

We are to recognise that being engaged and dominated by our mind is the wrong way for us to evolve and grow in truth. We are to discard the mind enslavement that has been imposed upon as by all of our parents. We are to express our feelings, both good and bad and free ourselves of the indoctrination that humanity has embraced worldwide.

Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God’s soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of our Mother and Father.

AVO: We are to embrace the truths and guidance of the Avonal Pair through their Spirits of Truth. It is the Avonal Pair’s guidance that will lead us through our Feeling Healing, and with Divine Love, we will be able to ascend through the 7 spirit Mansion Worlds and enter the Celestial Heavens where we also interact with other world’s spirits.

J&M: We are also to embrace the truths and guidance of the Paradise Pair, Mary and Jesus, who will then lead us through the 3 Celestial Heavens that are aligned with Earth, and then further on through Nebadon where we will then depart beyond on towards Paradise.

M&F: Beyond the universal zone of Nebadon, we will be guided by our Heavenly Mother and Father onwards through the universes to Paradise where we will be welcomed by them, home for us all, as we are all Children of God.

J&M

AVO

HUM

WE ARE Children of God

WE ALL ARE BEING GUIDED HOME – NOW, HOW TO COMMENCE THE JOURNEY:

GOD

M&F

For 200,000 years, we have been misled into embracing our mind’s distortion of wisdom and truth. All such traditional understandings only lead us in the wrong direction, from which we must turn back from. Our soul based feelings are always in truth. Our minds are to follow our soul based truths and feelings, not the other way round, as we have been brought up to embrace.

We are to connect with our deeper repressed feelings.
 We are to long for the truth of what we are feeling.
 We are to live true to our selves; by living true to our feelings.

Use your surface day-to-day feelings to connect with your deeper repressed feelings. Express your surface feelings and your deeper repressed feelings to uncover the truth of yourself.

J&M

We all have feelings which we communicate and share with each other. And we all have deeper buried and hidden repressed feelings. Feelings from our early childhood we felt, yet weren’t allowed to express. These feelings are still within us, waiting to have their say. These feelings, because they are repressed, cause us all our problems.

And as we look to uncover, bring out and accept these deeper feelings, so we’re taken into new ways of looking at ourselves, our feelings, and our life. We’re setting ourselves free of the controlling patterns that govern our unloving behaviour.

In this way, we progressively begin to express the personality that our Heavenly Mother and Father gave us, not the one imposed upon us by our physical parents and carers. We are to be our true and real selves.

By living true to ourself, true to our feelings, we are living true to God. It’s that simple.

AVO

HUM

As we, humanity, long for the truth of our feelings, we can also be assisted by the Spirits of Truth of the Avonal Pair who are our spiritual teachers for Earth over this coming 1,000 years, to assist us through the Great U-Turn, away from mind dominance to being soul based feeling lead. They will assist us through the seven levels of the spirit Mansion Worlds.

Then the Creator Pair, Jesus and Mary, will lead us through Neadon and into the greater universe. Then our Heavenly Mother and Father lead us home to Paradise.

Collectively, should we embrace them all, as we are to, then our pathway home is a journey in the hands of the Spirits of Truth of the Avonal and Paradise Pairs overseen by our Heavenly Parents.

WE ARE Children of God

HOW TO GET TO PARADISE:

Long for the Divine Love

Long for the Truth

Long for the truth of your feelings

Don't deny any feelings: accept, express and want to know the truth of them

Know your feelings are the key; your feelings are the Way

Want to end your falseness and being untrue

Want to understand the truth of your early life

Use your surface feelings to move deeper into yourself, bringing up your repressed feelings

Want and long to know the whole truth of yourself

Want to do it all with God, your Heavenly Mother and Father – long to Them for help.

The Key

Our longing drives our life. We long with feelings. We can wish for things using our mind, yet long for things with our heart. These things in the pyramid are what to long for. Longing for them, when the longing comes naturally. Longing because you feel you really want them. Long to be true with all your heart. Long to live true to your feelings. Long to understand the whole truth of yourself.

PARADISE TRINITY:

1. **Our MOTHER and FATHER (God) (MF) – Divine Love**
SOUL (God) – One SOUL that is expressing its two PERSONALITIES, our Heavenly Mother and Heavenly Father (Soulmates / Soul Partners)
2. **ETERNAL SON (ES) – Divine Truth**
3. **INFINITE DAUGHTER (ID) – Divine Mind**

Then: The Second and Third Persons of the Paradise Trinity (ES and ID) are stepped down to the local universe trinity (Mary and Jesus, Divine Minister (DM), and her Holy Spirit).

The LOCAL UNIVERSE TRINITY:

1. **MARY M and JESUS** **Our MOTHER and FATHER – Love – the Living Truth**
2. **DIVINE MINISTER** **– Mind (and her Holy Spirit)**
3. **HUMANITY – Natural love, sons and Daughters – Truth, and our Angels – Mind**

PLANETS that engage in REBELLION:

1. **AVONAL SOULMATE PAIR** **– the Feeling Healing process – incarnate**
2. **DAYNAL – TEACHER PAIRS** **– they do not incarnate**

So in summary:

Consider a diamond:

Mother and Father Heavenly Parents

Creator Son & Daughter
Jesus and Mary

Avonals
as soulmate pairs

Trinity Teachers
as soulmate pairs

Melchizediks – who have taken over from the Caligastians and Daligastians being also all as soulmate pairs / soul partners.

Mortal Souls – human beings who individualise on Earth, then progress through the spirit Mansion Worlds, then into the Celestial Heavens, and beyond.

Mortal Souls – also being ascending spirits, upon completing their Soul Healing, join with their soulmate, then join their soul group of 24 mortal spirits, being 12 soul pairs. It is only as a soulgroup that anyone can progress beyond Nebadon.

The Paradise Pairs are all ONLY concerned with the SPIRITUAL wellbeing and upliftment of the planets and local universe. Currently to do with Earth:

Mary and Jesus – spiritual wellbeing and upliftment of the whole of Nebadon region.

Avonal Pair – Daynal pairs (Trinity Teacher Daughters and Sons) – Spiritual wellbeing and upliftment of individual planets and their associated Mansion Worlds.

The Local universal Sons and Daughters are all about the running of the worlds under their jurisdiction, and ensuring the higher spiritual elements can be employed, or sent astray, as in our cases through the Rebellion and Default.

Lanonandeks – Melchizedeks (and others, such as Life Carriers and Eve and Adam).

As the Lanonandeks all rebelled – the Lucifers, Satans, Caligastias and Daligastias soulmate pairs / soulpartners – so the Melchizedeks have taken over their roles, as well as doing their own.

So the Melchizedeks are the governors, overseers, the administrators and advisors and so on for Earth; they are the ‘controllers’, and they will instigate all that needs to be done to do with the ending of the Rebellion and Default. And they will enlist the willing help of ascending mortal pairs, so the mortal Celestials spirits (soulmates when available, and others waiting to unite with their partner), and at times mortal spirits in the Divine Love Healing Mansion Worlds. And the angels help all of us.

Currently the whole of Creation exists for the ascension of mortal souls from their earth planets to Paradise. It’s all one vast Grand Ascension Scheme. With all the higher and lower spiritual Daughters and Sons, together with all the many different angels and other universal spirit personalities, and even including nature and our very own pets, assisting women and men with their Ascension Journey. It being: and Ascension of Truth. Everything we do is done to help us grow in truth. (Only everything we do in our negative state is to deny ourselves our truth from our feelings, which is why we have to do our Healing.) All women and men are ascending (or growing) in truth through their experiences. And as we grow in truth by looking to our feelings to show us that truth, so we’re ascending, moving inwards and upwards through all the worlds and spheres of the Grand Universe to one day arrive on Paradise and meet our Heavenly Parents. God is providing us, Their children, with this spiritual journey called our Ascension of Truth. And by living true to our feelings, so we are progressing on our true Spiritual Path – our Ascension Path.

Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God’s soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of your Mother and Father.

Humanity is to pursue the pathway for Truth through one’s soul based feelings, this is the right pathway. However, humanity commences its journey founded on natural love, which we now know is to be perfected through one’s Feeling Healing process and then made divine through asking for and receiving our Heavenly Parents’ Divine Love.

For 200,000 years, **humanity** has pursued the pathway of the Mind, being that of the brain, this is the wrong pathway. The Mind is the pathway for Angels and that of all of Nature.

CREATION of SOUL and SPIRIT:

God is *The Paradise Trinity* — the eternal Deity union of the Personalities: the Universal Mother and Father; the Eternal Son of Truth; and the Infinite Daughter Spirit of Mind.

The soul of each human personality (sons and daughters of truth) is existential, driving our personality expression in the experiential. The soul of each human finds truth by embracing one’s feelings and longing for the truth of them. We are to attain the Eternal Son of Truth. We are a creation of Truth.

The soul of angels is experiential, evolving through their experience by continually progressing in mind development. Angels are to attain the Infinite Daughter (Spirit) of Mind. Angels are a creation of Mind. Our soul is duplex (we have a soulmate) and is created by our Heavenly Parents. Through our Feeling Healing we perfect ourselves enabling the union with our soulmate / soul partner, as we progress in truth up through the Mansion Worlds, celestial heavens and all the way to Paradise.

Feeling Pathway Mind Pathway

Soulmate Pair

Angel

The soul of angels is also duplex, yet of the mind, and they progress in mind evolution to Paradise. Animals, plants and nature spirits are also creations of Mind.

Neither we nor animals reincarnate. We never die; upon death, we move into the spirit Mansion Worlds on our journey to Paradise. When animals and plants die, be they the tiny microbe to the mighty elephants of the land and the whales of the ocean, their spirit energy returns to the Spirit Collective Energy. And from this energy are drawn other animals and the nature spirits, who then in turn move onto becoming angels through increasing mind experience.

WHICH WAY? MIND SELF RELIANT or FEELING AND GOD RELIANT:

To PARADISE, the HOME of OUR HEAVENLY PARENTS

The Way Home

Maybe something like 30 billion people have recognised that our Mother and Father’s Divine Love, together with embracing one’s Feeling Healing, that with these two aspects, have progressed through the Mansion Worlds to the Celestial Heavens and onwards.

Mansion World 7: is then about still working with the deepest and residual bad feelings, whilst looking to sort out how you wrongly relate to yourself and others, nature and God because of being unloving, understanding how your relationships are unloving, how you don’t connect properly, how unloving you really are and why and fully accepting the truth of it, coming completely to grips with your parents not loving you as you needed to be loved – sorting it all out, including your self and feeling expression difficulties.

Mansion World 5: is then about going right into the depths of them, feeling how unloved you feel and seeing how unloving you are and how that makes you feel, bringing out the majority of your pain, your misery, fear, anger, guilt, hatred, boredom, terror, rejection, nothingness, feeling powerless, alone and abandoned, and so on.

Mansion World 3: is for waking up to the truth that you’re not loving and starting to get in touch with your pain, starting to accept your bad feelings, starting to work with them instead of rejecting them.

Council of Elders
now around 13
Soulgroups

More than 200 billion personalities have embraced their mind and self reliance through the misguidance of ‘New Age’ styled ideologies and the many thousands of different religious platforms, all of which take the person further and further away from our Heavenly Parents.

For a million years, humanity has gone in the wrong direction with its self-denial of self and feeling!

I'D TURN BACK IF I WERE YOU!

The Natural love spirit Mansion Worlds as to how they have been for all these hundreds of thousands of years and as they are set up currently, are to help spirits advance to the fullest of their self-denial that they can. That is, so as to become as evil as they can. And all under the guise of being 'loving'.

It's why they are called the mind worlds, namely Mansion World / spheres 1, 2, 4 and 6. That is because the spirits are using their minds to complete their rebellion – denial of self and feelings, and rejection of our Heavenly Parents as well their Creator Son and Daughter. So yes, the top of Mansion World sphere 6, spirits are the most evil, the most in rebellion, the most in default, the most wrong and unloving and untrue, even though, they appear, because they've trained their mind to do so, to be the most loving, but it's all false and contrived – such as the Eastern gurus. Total mind over feelings, blocking all the bad ones and using your mind to only make you feel good.

Typical of those on their way up in the mind worlds are not open to anything, they do not want to know about feeling bad and going with their bad feelings looking for their truth, because that scares them, that's not nice, that doesn't make one feel good, it threatens their control, they reject that preferring to stay in their nice safe space. Which is how it is for these Natural love mind spirits using their minds to control their feelings.

We've all got to take responsibility for our evilness even though we were made to be that way and rebel by default, but there is no getting away from it, and it has to be compensated right to the last farthing, which is what being in the hell planes is all about, and which keeps being applied right the way through the Mansion Worlds. **In the mind worlds you can continue to use that inner pressure requiring compensation for your bad deeds, to further contrive love and pretend you are all holy and loving and not hurting anyone anymore, which on the surface of it you are not, but underneath still are, all the way up through to the sixth world; or, you can allow it to keep working on you right the way up through the Divine Love Mansion Worlds doing your Healing.**

And apparently what's going to happen is the Natural love mind Mansion Worlds are going to be divided, so within them, there will be spirits doing their Feeling Healing – without the Divine Love, and still limited to the sixth Mansion World, but looking to be true and end their rebellion. And then there will be those still carrying on denying themselves as they have always done. So you will have spirits in the Feeling Healing Natural love sectors that will truly perfect their Natural love; and those spirits still in the mind sectors perfecting their wrongness. The opposites or extremes living side by side. And then you'll still have the Divine Love Healing Mansion Worlds, being spheres 3, 5, and 7, doing their Soul Healing.

And as for a summation: "Divine Love Mansion World / sphere 3 is the waking up to the truth that one is not loving, also their being a lot of assistance. Sphere 5 is then about going right into the depths of feeling how unloved you feel and seeing how unloving you are and how that makes you feel, also this a time when one can then progress and manage their own progress through their Feeling Healing. Sphere 7 is then about still working with the deepest and residual bad feelings, whilst looking to sort out how you wrongly relate to yourself and others, nature and God because of being unloving, this is a time

of great realisation and comprehension with much of the prior experiences starting to be drawn together.”

Mansion World 3: is for waking up to the truth that you’re not loving and starting to get in touch with your pain, starting to accept your bad feelings, starting to work with them instead of rejecting them.

Mansion World 5: is then about going right into the depths of them, feeling how unloved you feel and seeing how unloving you are and how that makes you feel, bringing out the majority of your pain, your misery, fear, anger, guilt, hatred, boredom, terror, rejection, nothingness, feeling powerless, alone and abandoned, and so on.

Mansion World 7: is then about still working with the deepest and residual bad feelings, whilst looking to sort out how you wrongly relate to yourself and others, nature and God because of being unloving, understanding how your relationships are unloving, how you don’t connect properly, how unloving you really are and why and fully accepting the truth of it, coming completely to grips with your parents not loving you as you needed to be loved – sorting it all out, including your self and feeling expression difficulties.

It is agreed that the lower worlds are about waking up to what’s involved, however from then on it depends on how it’s all structured for the individual in their negative state as to how much ongoing assistance they might need. Some need help all the way along, whereas others have been able to work with their feelings, themselves, right from the beginning.

And yes, each of the Divine Love healing Mansion Worlds, 3, 5 and 7, are equally painful to work through, just focusing on different aspects of yourself and your Feeling Healing with Divine Love. And then in the higher planes of the 7th world comes the transition, where one’s pain starts to end, and you start feeling so much better about yourself, you are fully accepting of your negative unloving state, you are fully unloving although even starting to become more loving – truly loving, of yourself, God, and then other people.

Then onto the Celestial Heavens by progressing into Sphere 8 and then onwards further, all the way home to Paradise.

Maybe something like 6 billion people have recognised that our Mother and Father’s Divine Love, together with embracing one’s Feeling Healing, that with these two aspects, have progressed through the Mansion Worlds to the Celestial Heavens and onwards.

More than 200 billion personalities have embraced their mind and self reliance through the misguidance of ‘New Age’ styled ideologies and the many thousands of different religious platforms, all of which take the person further and further away from our Heavenly Parents.

The 1st and 2nd Spirit Mind Mansion Worlds / spheres are jammed to the rafters.

For a million years, humanity has gone in the wrong direction with its self-denial of self and feeling!

POWER of FORGIVENESS:

And as I (Yeshua) grew in age, I began to discover that the old teachers who spoke of the need to, “Forgive seventy-times seven,” knew something quite profound that had even become lost within the tradition, the Jewish and Essene traditions, of my day. For, you see, to *forgive* means “to choose to release another from the perceptions that you've been projecting upon them.” It is, therefore, an act of forgiving *one's self* of one's projections. And as we begin to forgive, even unto seventy-times-seven times, each time you forgive you take yourself deeper into the purity of your own consciousness. You begin to see how *profoundly* you have been colouring, and therefore affecting, all of your relationships, through the simple act of not being aware of the power of projection.

Therefore, I learned – and learned well, – that *forgiveness is an essential key to healing*. The opposite of forgiveness is judgment, and judgment *always* creates separation and guilt. Judgment will evoke a sense of guilt in the one who has been judged, unless, of course, they are perfectly awake. But more than this, each time that you judge anything or anyone, you have literally elicited guilt within *yourself*, because there is a place within you, yet still, that knows the perfect purity of your brother and sister, and sees quite clearly that *all things within the human realm are either the extension of Love, or a cry for help and healing*.

Therefore, beloved friend, when you judge, you have moved out of *alignment* with what is true. You have decreed that the innocent are not innocent. And if you would judge another as being without innocence, you have already declared that this is true about you. Therefore, to practice forgiveness actually cultivates the quality of consciousness in which, finally, you come to *forgive yourself*. And it is, indeed, the forgiven who remember their God.

P.29 The Way of the Heart

Beloved friends, these things are of *critical* importance. For anyone who enters into a so-called “spiritual path” must eventually face and deal with their deep need for forgiveness, which is an expression of the soul's deep desire to be forgiven. For there is no one who walks this plane who has not been touched by the *poison of judgment*.

Beloved friends, as we speak of these things, though, let not seriousness enter the mind. For in Truth, all we are really doing is describing for you what you need to do, and can do, in order to release the burden of illusion that seems to cause you to feel a heaviness upon your countenance, a sense of a lack of safety in the world. You could think of it as taking your rheostat and turning it up a bit by *enlightening* you, taking your burden of guilt and judgment from you.

Therefore, in Truth, understand well: *forgiveness is essential*. And what has not been forgiven others, has not been forgiven you – not by a God that sits outside of you, for the Father never judges. What you have not forgiven in another or in the world is but a reflection of what you carry *within* as a burden that you cannot forgive of *yourself*.

LAW OF COOPERATION

The LAW of COOPERATION

8 October 2022

Is to work in conjunction with (cooperating with) the Law of Compensation.

LAW OF COMPENSATION

It's a Universal Law potentially to be 'imposed' upon humanity on Earth. It is currently in 'operation' in the Mansion Worlds, ensuring everyone cooperates in a friendly way with everyone else to maintain a certain standard of life as agreed upon by all involved, that which is determined by the Mind (rebellious) or Truth (Healing) way the spirits might be living.

Currently on Earth in our rebellious states, the Laws of Compensation and Cooperation are not active. So we live with the 'every man for himself' ethic, the powerful being the successful 'winners' who dominate the not so powerful 'failures'. Whereas in the Mansion Worlds (and the rest of non-rebellious Creation), equality, so even in a rebellious state, is the Law, and so if you cross the line inflicting dominance over another causing some level of suffering, pain and hurt, you will instantly come under the workings of the Law of Compensation and have to compensate for such transgression by feeling all that pain, hurt and suffering you have caused the other spirit to feel. So naturally, Universal Law and Order is maintained by everyone honouring the Law of Compensation, no one wanting to bring its 'wrath' down upon themselves.

Then added to keeping the peace, is the Law of Cooperation, for everyone in the Mansion Worlds who are happy and content to further their rebellious mind state in worlds 1, 2, 4 and 6; or doing their Healing, starting in world 1 and moving through 3, 5 and 7. So everyone willingly feels they want to cooperate with everyone else. Therefore, in the rebellious mind worlds, all spirits willingly and 'lovingly' cooperate with all other mind spirits; and the same in the Healing worlds, together with everyone willingly cooperating with the Healing. If you don't want to cooperate then you'll feel very bad, so everyone willingly wants to do some 'work' for the greater good of all. So there is no need for spirit money or spirit barter for any work done, because everyone willingly loves to work for other spirits, wanting nothing in return, loving giving and receiving as they feel moved to do. So for example, many spirits make spirit clothes out of the spirit material willingly and lovingly for other spirits to wear, freely giving such spirit clothes away, not wanting anything in return other than the receiving spirit being happy to wear and love their clothes. So, the Mansion Worlds function peacefully in their rebellious states – or in their Healing states.

So, now imagine if the two Laws are activated and applied to humanity on Earth... how would things change – and drastically change they would!

For example, everyone who is wilfully doing anything to make another suffer, feel hurt and pain, would cease their harmful ways, themselves feeling all that suffering, hurt and pain they've inflicted on the other person. So personally, as in personal relationship if you hit someone, emotionally, politically, socially, on all levels. If you run a business or government that is hurting people economically, socially, emotionally, spiritually, mentally, in any way causing anyone to suffer, then you're going to feel all that pain of all the people you're hurting. Even if you're doing it indirectly. If you work for a business or

company and are forced to hurt others through policy of those controlling the company, no doubt you will still feel bad for what you've done, and you might leave, but if it's your only source of livelihood, then the Law of Compensation won't be as harsh or won't possibly be applied at all. So really it applies to those who are wilfully hurting, coercing or deceiving others, who will have to do their Hell Time to compensation for all suffering and pain caused.

So, imagine if suddenly everyone had to stop hurting everyone else, including all animal abuse – how would the world be?

LAW OF FORGIVENESS

Parents hurting their children are exempt from the Law, in that it will still apply, however it is suspended until the parent does their Spiritual Healing, and then it will come under the greater Law of Forgiveness. So parents doing their Healing and waking up to the truth of how badly and unloving they have treated their children, will feel all the pain of their transgressions as the Law of Compensation works upon them, however it will be a part of their Healing under the Law of Forgiveness, because the Rebellion has been thrust upon us all, and so parents won't have to do actual separate Hell Time, however they will feel like hell doing their Healing when they see and feel how unlovingly they've treated their children.

One could argue that it's not fair everyone being subjected to the Law of Compensation because we've all unwittingly and unconsciously been subjected to the horrors of the Rebellion, however once we're an adult, rebellion or not, we're still answerable for our actions. And so if you cross the line and infringe upon another's will to the degree of making them suffer pain, the Law of Compensation will apply to you.

So if the Law of Compensation is applied to Earth, one can imagine there will be many of the world's top controlling people suddenly stricken down with all the pain of their wrongdoing, thereby leaving quite a gap in the way things get done, into which other people will have to step.

And if the Law of Cooperation is applied at the same time, then in theory the world can dispense with the need for money, so no power or wealth accumulation, everyone can have what they want, and no one will want such power over others because of the Law of Compensation – and then how does the world keep functioning when suddenly there is no need to go to work to make money to survive? Hence the need for the Law of Cooperation, because like in the Mansion Worlds, everyone will feel driven to cooperate with the whole, so people will want to go to work for the sake of working to make everything keep working. Not to earn a living, just so they can participate in the whole of making life be as everyone will want it to be, that being a pleasant, good and happy standard of living. So the companies and governments will still work if need be, however their purpose and reason for existence will be for the good of the whole, with workers volunteering to work to keep them going. A utopia heaven on Earth, even a rebellious one, just as the Mansion Worlds are called heaven.

So is the new Spiritual Age that is possibly forthcoming, heralding the end of the 'Lawless' Rebellion? Is humanity on Earth to move to mirror humanity in the Mansion Worlds? So can life over there be applied to life here on the physical Earth? Will people strive to continue living their rebellious ways cooperatively within the overseeing Law of Compensation, all in a 'nice, friendly and loving' evilness, like in the mind Mansion Worlds? Whilst other people will strive to live cooperatively doing their Healing, wanting to finally end being of the Rebellion and Default?

WE are CREATED as EMOTIONAL BEINGS:

“Repressed / suppressed emotions result from walking away from Love. Amon and Aman – first parents – walked away from God, detuned from God’s love. We misused freewill by acting in disharmony with God”.

A Burning Desire For God

Extract from memo by AJ of 22 Feb 2006:

Often we project our love injury feelings and emotions onto our Father, but deny this process with our mind. In our mind we say; "I really want my Father to give me His Love", but our feelings are that we are unlovable, maybe because our parents or our primary caregivers did not demonstrate love to us. This may especially be the case if we have experienced emotional, physical or sexual abuse. Abuse teaches us that we are unable to be loved by those people who "should" love us, so then we feel we are unlovable. WE are saying to ourselves emotionally; "If my mother (or father) could not love me, then nobody can." Of course, we still desire someone's love, but each time someone attempts to love us, we use words or actions that push them away, because we believe we are unlovable. So we come to believe we want love, but our true soul condition, which will activate the soul of our Father, is that we feel we are unable to be loved.

The Law of Attraction will expose this condition within us. When we are in this condition, we will feel that we love others, but that others do not understand us or love us. Of course, it is not love that we are experiencing for others, but rather co-dependence. The soul in the condition where it believes it is unlovable, will surround itself with people, but each one of those persons will project expectations upon the individual so that eventually the individual sees that it really does not want love, but wants dependence. If love "hurts", then it is not love, and at some time in the future we will need to come to understand what love is before we will progress.

We can believe with our mind all we want, but unless our true soulful desire or passion is for the thing we say we want, we will never receive it. This illustrates the damage that can be done by the great undermining negative influence of poor parental care. Feelings of dissatisfaction felt within childhood, are, under the influence of our soul in pain, then denied and buried by our mind in an effort to prevent further painful experiences, and the result is our inability to recognize our own true feelings and emotions. All of this must be reversed. It is our soul's emotional condition that activates the Law of Attraction, not our intellectual reasoning.

Our Heavenly Parents simply desires for us to ask for Their Love.

"Every day is a day of devotion."

Please Mother and Father, may I receive Your LOVE.

God's Divine Love: Pray for it, ask for it, and receive it.

Our salvation IS the embracement of the Feeling Healing process and Divine Love.

By living true to ourselves, true to our feelings, we are living true to God. It's that simple.

[God's Laws – The Law Of Attraction](#)

What you really want, you get!

Your soul condition defines what you really want.

Law of Attraction = God's messenger of truth to you.

You SOUL CONDITION is the sum total of:

Your passions, desires, longings, moral beliefs, moral condition, aspirations, pursuits, emotions, feelings, intentions, loves, dislikes and hates, fears, religious beliefs, scientific beliefs, love beliefs, mental aspirations and beliefs (which come from soul beliefs, but are often in disharmony with soul beliefs).

It is your soul condition that determines your Law of Attraction.

Your Law of Attraction is your 'instruction manual' – God's instruction manual for you.

You can use this law to discover everything about yourself – if you have the courage.

Your Law of Attraction works on your soul condition.

Everything that is happening around you is your Law of Attraction – you created it.

As a child, it is very much the Law of Attraction of the parents that is creating what is going on within a child.

Your Law of Attraction – God's messenger of truth – is to help you to release from you that which is disharmonious with love and to allow what is in harmony to enter you.

Law of Attraction happens at the soul level operating on your soul condition.

Desire for God's Love – prayer.

Desire for Divine Truth.

Be humble – passionate desire to feel and experience your own emotions.

It is your desire for Truth that attracts and has attracted Jesus / Yeshua into your life.

At the soul level, Jesus can feel your desire for truth, and that is what he responds to.

Most of the time we do not know how to receive, we do not trust our Law of Attraction.

When you ramp up your desires, you ramp up your Law of Attraction.

It takes a long time for a thought to permeate into the soul, once you are an adult, for a child it is much quicker.

Your soul condition is of supreme importance.

The location you live in, within the spirit world, is a true reflection of your soul condition. Where your heart is, is where you will be.

The Law of Attraction functions as to how you operate. If you operate in disharmony, the LoA will bring you painful events. If you are in pain / suffering, then you are in disharmony.

PAIN

SUFFERING
Long term

Every single body pain, every single accident, every single suffering, illness, disease, is telling you that you have broken a law of love, and all of these experiences are of a result of your Law of Attraction.

Every positive, uplifting, loving, joyous experience is also because of your Law of Attraction.

SOUL CONDITION

Therapy applied to the spirit body is energy therapist who may work on the chakras, whereas a chiropractor works on the physical body. Such type of therapy deals with the effects and ignores the soul and the causes. If you focus on the soul, that is the most powerful tool to improve yourself.

HIERARCHY of HEALING SYSTEMS

ALLOPATHIC – Western Medicine treats the symptoms, is highly regulated and costly as it is cost driven.

ENERGY HEALING – Eastern Therapies also treat the symptoms with the assistance from natural love spirits from the realms up to the 6th sphere.

Therapy applied to the spirit body is via an energy therapist who may work on the chakras, whereas a chiropractor works on the physical body. Such type of therapy deals with the effects and ignores the soul and the causes.

EMOTIONAL PROCESSING and CLEARING deals with the cause. Soul level clearing and growth provides permanent solutions whereas the other two systems provide temporary relief.

If you focus on the soul, that is the most powerful tool to improve yourself.

To liberate one's real self, one's will, being one's soul, is begun by embracing Feeling Healing, so as to clear emotional injuries and errors. With the Divine Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

SOUL

Law of Attraction

Your Law of Attraction operates to intensify the emotions so that you will experience them.

Many physical ailments are caused by spirit attachment, childhood leukaemia is one such disease. Such illnesses can be alleviated by parents changing their soul condition.

SOUL CONDITION

Law of Attraction

Free will.

Law of Attraction works 24 / 7.

Everything about LoA is accurate.

The soul attracts accidents in line with your LoA.

In the spirit world, all the people of a certain condition of love all reside in the same location. They are attracted to the same location as it creates harmony even if they are all murderers – relative harmony.

Your LoA causes your joys to be increased – both for loving and unloving acts.

Thoughts are LoA – consider them.

Prayer is developing a desire or longing for God's love to enter you.

Talk to God about your pains and pleasures.

SOUL CONDITION

With our soul condition, we build defences around it, we build a powerful castle, behind a moat with outer rings of further defences to ward off any armies.

What God wants us to do is to drop our defences and allow the army to overtake us.

With our defences, we deny our Law of Attraction, we defend and often attack.

Release one's pain through expressing one's feelings.

in conjunction with

Longing for the Truth when also longing for Divine Love.

CASTLE protected EMOTIONS

Mother-in-law piercing your castle defences.

You protect your soul condition by building a castle around your soul with multiple lines of outer defences.

When your castle is attacked, you:

- 1. Resonate with it.**
- 2. Project**
 - Anger / annoyance
 - Withdraw
 - 'Love it away' all avoidance steps
 - Blame, judgement, etc.

Allow the trigger to trigger us emotionally.

'Unworthy to be heard by a man / woman.'

Trigger exposes causal emotion (issue being from your childhood).

You are masters of your destiny, you create your own future – a Divine Truth. It is your soul condition that creates your destiny.

Step 1. Develop / grow your soul desires in harmony with love.

It is what you ask for at the soul level.

It is developing your soul condition so that you grow your soul desires in harmony with love, or more specifically, with Divine Love.

Step 2. Have faith that it is going to happen.

Step 3. Receive – accept it. Often it is not in the appearance you anticipated.

If you are humble, you will accept it under what ever guise it comes.

There is an emotional cause for every single disease on this planet, and when you deal with that emotion, these disease will not even exist on this planet.

If you get to the point of at one with God you will never need any anti-disease thing – vaccination – because you won't get any disease. Vaccination can be a very damaging thing.

God's Laws – Law Of Attraction

Introduction

Law of Attraction – Divine Truth Style

Everything we truly desire, we get! (Law of Attraction is controlled by your soul condition)

You can change your Law of Attraction by changing your soul condition

Soul condition creates thoughts (soul condition includes emotions, desires, passions, etc)

Releasing causal emotions allows the soul to accept truth (feeling causal emotions results in soul clearing)

Law of Attraction (LoA) – The Secret Style

What you think about you get (you attract what you think about the most)

You can change your Law of Attraction with your thoughts

Thoughts create feelings (practice thinking differently)

Bad feelings create more bad feelings (feeling bad emotions creates more bad events)

Take responsibility for what your life is right now because your soul condition has attracted it

The Law of Attraction can be used positively or affect us negatively (depending on our soul condition)

What Is Soul Condition?

Soul condition is the sum total of:

Your passions, desires, longings, moral beliefs, moral condition, aspirations, pursuits, emotions, feelings, intentions, loves, dislikes and hates, fears, religious beliefs, scientific beliefs, love beliefs, mental aspirations and beliefs (which come from soul beliefs, but are often in disharmony with soul beliefs)

Soul condition can be changed by experiencing the following emotionally:

Longing for, receiving & acting in harmony with Divine Love – Transforms the soul into a new being

Longing for, receiving & acting upon Divine Truth – Allows Divine Love to flow into the soul

Learning repentance and receiving Divine Forgiveness & Mercy – Removes Karmic soul damage

Having Faith – Raises the soul's awareness of new conditions and states

Growing Desires and Passions harmonious with Love – These desires and passions can be nurtured

Learning & applying lessons in Natural Love – How we treat others and ourselves

Releasing passions, desires, emotions, feelings & beliefs disharmonious with love

Releasing painful emotions that are the result of the Law of Compensation (Karma)

Bringing actions in harmony with love (either Natural or Divine). This removes further Karmic effects

Changing intellectual beliefs, thoughts, words, actions, since these feed new desires, emotions, and loves

The Law of Attraction Operates on Soul Condition

Soul condition determines how the Law of Attraction operates

“Where your treasure is, there your heart will be also” – Illustration of the rich man building warehouses

In disharmony with Love will bring many damaging and painful experiences on Earth and in spirit world

In harmony with Love will bring many uplifting and joyous experiences on Earth and in spirit world

The most powerful way to change soul condition is through the reception of Divine Love

The intellect can change soul condition, but only as rapidly as the soul condition is changed by the new thought

What Is Real From God's Perspective?

What is in the soul (soul condition) is what is real to God, God's Laws expose what is really your soul condition

The Law of Attraction is God's messenger of truth to you to tell you what is really within yourself
If you think your soul condition is better than it is, then you are allowing yourself to be deluded (man in mirror)

You can TRY, but, if your soul condition is different to what you are trying to do, eventually you will give up

Scope Of The Law Of Attraction

Physical, spiritual, and soul matter and space is controlled by the Law of Attraction (adamantine particles)

EVERYTHING (on Earth or in spirit world) surrounding you is controlled by your soul Law of Attraction
Where you live, your own life experiences, your own life events, the creation of everything in your life, all of the people you interact with, how each interaction effects you, the condition of your own body (spirit or physical), your spirit person influences, spirit obsessions and spirit possessions, illnesses, accidents and diseases in the material and spiritual bodies (including mental and emotional illness)

The Law of Attraction results in the creation of universes and locations suited to the development of desires

Other Law of Attraction points to remember:

The Law of Attraction will operate in such a manner as to intensify the soul condition that drives it.

Eg. If we have murderous emotions, we will attract people, spirits and situations that seem to intensify those emotions until we become conscious of their existence and have a desire to experience the underlying causes. When we experience the underlying causes, the soul condition changes, and the Law of Attraction operates on the new soul condition.

The Law of Attraction respects the free will (at the soul level) of the individual

The Law of Attraction is impartial in its operation, never ceases to operate, and works on the soul condition

The Law of Attraction is always exact and never fails, is always accurate either in the spirit world or on Earth

The Law of Attraction causes the most relative harmony to exist in any location on Earth or in the spirit world

The Law of Attraction causes us to go to places where our "joy" will grow greater

If the "joy" is the result of or in the exercise of disharmony with love or sin, then we will attract that

The Law of Attraction determines that soul conditions attract emotions & thoughts

These come from either within ourselves or from outside of ourselves.

Thoughts "invade" us due to the soul condition needing to be released.

Thoughts will no longer invade us when our soul condition has changed.

The strength of the soul condition determines how intense the experiences attracted become

The Law of Attraction will always attract the soulmate once the emotions that repel your soulmate are released

Using the Law of Attraction to Expose Causal Soul Condition Disharmonious With Divine Love

Prayer – a passionate desire and longing for God's Love to enter you emotionally

We can also pray for Divine help to expose our soul condition errors to ourselves

As Divine Love enters you, it exposes the soul's true condition

If we are willing to experience the causal emotion, and release the condition, then we experience Divine Grace

Illustration of the castle surrounding our soul condition (causal emotional condition – trigger):

Defence system, resistance is to attack / defend / avoid, marauding army. Eg. Mother in law

God wants to expose the soul condition, we usually want to resist that exposure

When Law of Attraction events happen: Look at your personal internal reasoning

DO NOT assume: He/she did that to me, or this event happened because of someone else's condition (blame)

DO ask: What soul condition within myself caused this event / person / place / thing to be attracted to me?

Make sure you focus on ALLOWING causal emotion when triggers occur

When your castle is being attacked, then you have had a TRIGGER event

Go with, and experience the trigger emotion in a safe environment (for yourself and others)

Let the emotion flow and be experienced completely, then usually the causal emotion will rise up into you

Let the causal (usually childhood or Law of Compensation emotion) flow and memories will return

How to know when you are RESISTING causal emotion when triggers occur

Resonance – Events cause our internal soul condition to resonate with trigger. eg. Glass with sound frequency

Projection – Projection is always the resistance of the causal emotion, and we use many methods

Anger – Anger is created by yourself to: avoid powerlessness, blame, pressure others, control others etc

Withdrawal – Withdraw from the situation, event or person allows your causal emotion to bury itself

“Loving” – Intellectually forgiving, calming the person / event is unloving. eg. motive for giving help

Judgment of self – Stops you from experiencing the causal emotion under the judgment

Feelings such as Depression, Guilt, Fear, Resentment, Hate, Revenge, Anger, Criticism, Blame, Worry, Frustration, Annoyance, Boredom all indicate resistance to causal emotional experiences

“What you resist persists” Pain and suffering is an indication of a soul emotion

*Using the Law of Attraction to Create Positive & Joyful Experiences
Harmonious With Divine Love*

“You are the designer of your destiny” You are an unlimited being

Step 1 – Develop / grow a soul desire for the experience / event harmonious with Divine Love (this is ASKING)

You can start with nothing, the universe operates on your SOUL condition, nothing else

Don't define yourself by what you see now, visualize emotionally to grow desire

Step 2 – Trust in God that the event / thing desired will be received (this is FAITH)

Don't need to know how, how will be attracted, feel the feelings opposite to faith, have to feel it to believe. Don't doubt (if you do doubt, then release the feeling)

Step 3 – Develop Emotional Openness to Receive

Show gratitude, actions will be required to receive, eg. Asking for truth, then rejecting it when it arrives

Revelation 20: Reincarnation is an oriental doctrine

I am here, Jesus:

(Possibly someone who represented Jesus)

I am here again to write you about a subject that has created interest among you, the Doctor and others, and that is the article on reincarnation. In the Padgett messages, various communications dealt with the falsity and absurdity of this Oriental doctrine, which holds that the human soul can reincarnate from one fleshly body to others in succession over periods of time and that as a result the soul has an opportunity to lessen its desire to sin and thus finally achieve purification while in the flesh.

If you will examine the question a little more closely, you will see the impossibility of the soul in the spirit world to be reincarnated in the flesh for the reason that the soul, for this supposed phenomenon, would have to shed the spirit body in order to enter into a mortal body, since the soul is incased in a spirit body which is physical in nature but not of a gross material of what mortals call the material world, and that spirit body, which is the envelope and protector of the soul, is that which gives the soul its individuality as a conscious entity and remains with the soul so long as the soul lives. In the spirit world no spirit body has ever been deprived of its soul, and no spirit body thus hypothetically divested of its soul has ever died or been disintegrated, or has disappeared from its habitat, except as it advances from one sphere to another while making progress either to the sixth sphere or spiritual paradise or to the Celestial Heavens and Immortality.

As far as is known today by us in the spirit world, the spirit, that is to say, the soul and its spirit body, may live for all Eternity, if God so requires it, even if it does not possess the consciousness of immortality through possession of Divine Love, and it will certainly continue to live throughout all Eternity – the soul and its indissoluble spirit body – if it does possess the Divine Love, Immortality and At-onement with the Father.

As soul cannot be taken from, or torn from – or in any other way deprived of – its spirit body, once it has come to the spirit world, it would be equally impossible for the spirit body to enter the human body of another human being, for only a soul without a spirit body can enter a human body, and on the death of this body, the soul manifests its spirit body. The doctrine of reincarnation is, therefore utterly without foundation, for it is impossible, let me repeat, for a soul with its spirit body to enter a human body to be born again in the flesh.

When a human being dies in the flesh, his soul has already achieved under ordinary circumstances the purpose of his creation, that is, individualization and the creation of receptacles for soul's, and in his spirit body, in size, shape, appearance and nature, is the complete creation without the envelope of flesh.

This soul appears in the spirit world laden with the inharmonies of its Earth life, but since it has the opportunity of eliminating these inharmonies and becoming a purified soul in the spirit world through

the exercise of its will and moral force and repentance, or becoming a Divine Angel through prayer to the Father for His Divine Love and Mercy, transforming the soul into the very essence of the Father, it is therefore absolutely unnecessary for the soul to go back to the flesh for another chance to purify itself, for the loving and merciful Heavenly Father had already provided a plan that would enable the soul – the real man – to attain purification, and here God showed Himself to be more merciful than He might have been had He decreed successive trials in the flesh for the process of purification, for man while thus seeking to purify his soul, would at the same time have to contend with the sinful influence of the flesh, and his ultimate purification would thus indefinitely be delayed or perhaps never accomplished until the very end of time. You can thus see that God has shown His Love for His created children by providing a way for them to be purged of their sins, while being free of baleful influences of the flesh, which would only hinder, and make more difficult, their tortuous progress toward purification.

As regards the sayings in the New Testament, the first thing is that I never had any thought of reincarnation when I asked my disciples, especially Peter, ["of whom do the people say, I am?"](#) for that question was formulated simply to have them state whether they considered me the Messiah, as some of them already did, although not in the spiritual sense or the exact understanding that I had brought immortality to Earth in my soul.

Again, you were right in thinking that I said: ["but I say unto you that it was one like Elijah is come,"](#) – and not – "But I say unto you that Elijah is come," for I did refer to John the Baptist, who in his type of sermon and in his temperament, and even in his garb and food, was a throw back to Elijah, – but here the similarity ended, for each of these lived different lives, and are individual souls and are both living in the Celestial Heavens at the same time, and this is a physical impossibility with reincarnation, for, in this doctrine, if Elijah was John the Baptist, only one soul and only one spirit body would be involved.

The child born blind did not sin, nor did its parents, but suffered blindness because of the physical defect in his mother, which prevented the perfect development of the foetus in her womb, and thus this defect has prevented the perfect manifestation of God's work of creation. This defect is one of many to which the imperfect world of the flesh is subject, and it is for this reason that purification of the soul while in the flesh would be a task of countless centuries, and a punishment worse than the most evil hells of the spirit world in its duration. The quotation from Revelation, chapter 3, verse 12, ["He shall never more go out", referring to the "Temple of my God"](#) is an allusion of the soul possessing the Divine Love, to such a degree that immortality is a conscious possession, and its home is forever more the Celestial Heavens, although, the writer, himself, understood very little of this, and had in mind a purified soul, and not a Divine Soul, with its habitat in the sixth sphere.

Jesus of the Bible and Master of the Celestial Heavens

Note 1. The word “manifest” has in more recent years been taken to mean “create”, but I believe that in this case the meaning is to “become clear” or “reveal” or “become obvious”. Because the spirit body is created at the instant of incarnation of the soul into the foetus and not on death. The fact that OBE’s and NDE’s occur, is evidence we have a spirit body with all the faculties of consciousness.

It was this very message that finally cleared the fog from my (Geoff Cutler) mind and eventually was to lead to [my writing a book on this topic](#), as its actually multi-faceted and complex. It’s not something that can be dismissed by a few words.

John: What does the spirit of man do when it leaves the physical body for eternity?

I am here, St. John, Apostle of Jesus.

I come tonight to tell you a vital truth, which I know you will be interested in.

The question has often been asked: *"What does the spirit of man do when it leaves the physical body for eternity?"*

Many spirits, I know, have written you about this matter and some of them have described their personal experiences, yet in all the information that you have received there are some facts that have not been referred to, and I will in a brief way describe them.

When the spirit leaves the body, there is a breaking of the silver cord, as it is called, and thereby all connection between the spirit and the body is severed for all eternity – never again can that spirit enter that body, and neither can any other spirit, although, I know, it is claimed by some spiritualists that another spirit may inhabit the cast-off body. But this is all wrong, for no spirit ever enters the body which has once been the home of another spirit, and, hence, claims made by some of the wise men of the East that such a thing can be, have no foundation in fact.

When the silver cord is once severed, no power that is known to the spirit world, or among spirits of the highest sphere, can again resuscitate that body and cause the manifestation of life, and, hence, in the miracles mentioned in the Bible, where it is said that the dead were brought to life, it must be understood that this tie between the spirit and the body was never broken.

In those ancient days, as now, there were persons who had the appearance of being dead, and so far as human knowledge was concerned were dead, but who were really in a state of what may be called suspended animation. With no signs of life appearing, to the consciousness of men, death was thought to have taken place. Yet in no case where the supposed dead were raised to life, had the mortal really died.

As [Lazarus has already told you](#), when Jesus commanded him to come forth, he had not died, and so of all the other supposed dead who were called to life. When this tie has been once severed, there are certain chemical laws affecting the physical body, and certain spiritual laws affecting the spirit, which absolutely render it impossible for the spirit to again enter the body; and as you have been informed, we all, mortals and spirits and angels as well, **are governed by laws which have no exceptions**, and never vary in their workings. So I say, when once the spirit and body separate, it is for all eternity, and the spirit then becomes of itself, a thing apart, controlled entirely and exclusively by laws governing the spirit body.

With the spirit's entry into the spirit world, comes the soul, still enclosed in that spirit body, and to an extent controlled by that body, which latter is also, in certain particulars controlled by the soul. The

spirit body has not, of itself, the power to determine its own location or destiny, as regards place, for the **law of attraction** which operates in this particular, operates upon the soul, and the condition of the soul determines the location of itself, and as the spirit body is the covering of the soul, it must go where this law of attraction decrees the soul shall abide.

While the mind and the mental faculties and the senses have their seat in the spirit body, yet the law that I speak of does not operate upon these faculties, as is apparent to every spirit which he knows from observation, as well as from experience, that the combined power of all these faculties cannot move a spirit body one step in the way of progress, unless such faculties have, in their influence upon the soul, caused its condition to change; and in the matter of mere mental or moral advancement this can be done.

So, I repeat, **the condition of the soul determines the locality as well as the appearance of the spirit body**, and this law of attraction is so exact, that in its operations, there is no opportunity for chance to interpose, and place the spirit body in a location which is not its, by reason of the operation of this law. So that when the spirit body enters the spirit world it must go to and occupy the place which its enclosed soul determines that it shall occupy. No interposition of spirit friends or love of parent or husband or child can prevent this destiny, although for a time, until the soul has really has an awakening as to its condition of severance from the mortal life, these relations or friends may retain the spirit body near the place of its entrance into the spirit life, even though that place be one of more beautiful surroundings and happiness than the one to which it is destined. But this situation does not last long, for the law works, and as the soul comes into full consciousness, it hears the call and must obey.

And thus you see, friends and loved ones in spirit life meet with love and kindness and consolation, the newly arrived spirit, but the parting must come, and every soul must find its home according as its own qualities have determined. And yet the consolation mentioned is a real one, for in many instances, if it were not so, the lonely spirit would experience fear and bewilderment and all the unspeakable sensations of being deserted.

Then there comes a time, when every soul must stand alone, and in its weakness or strength realize that no other soul can bear its sorrow or take from its burdens or enter into its sufferings. And thus is realized the saying that each soul is its own keeper and alone responsible for its own condition.

Of course in many cases the loving friends may visit that soul in its place of existence and offer consolation and help and encouragement and instruction, but in some cases this cannot be, for as this soul is then laid bare to itself, all its deformities, and sins and evil qualities come before it, and thus throws around it a wall, as it were, that prevents the good friends and loving ones from appearing to it.

And thus again comes into operation the great Law of Attraction for while these more elevated friends, cannot come to that soul, yet other spirits of like souls and qualities may become its associates, and render such assistance as the blind can lead the blind in their movings about. And I wish here to say, notwithstanding what some of your spiritualistic teachers have said, that the soul has its location as well as its condition.

The above condition that I have described is the destiny of some souls shortly after becoming spirits, and it is a deplorable one, and you may think that such souls are deserted by the loving influences of God's ministering spirits, and left all alone in the dreary places of their habitations. But such is not the case,

for while they are deprived of the presence, to them, of the higher spirits, yet the influences of love and compassion are flowing from these spirits, and at sometime will be felt by the lonely ones, and as these influences are felt the poor souls commence to have an awakening which gradually causes the wall of their seclusion to disappear until at some time, the higher spirits find that they can manifest their presence to these unfortunate ones.

And, besides, this, every spirit, no matter how fallen, has a work to do, even though it may appear insignificant, and among these spirits of similar conditions some are a little more progressed than others, and by reason of a law which causes the more progressed to help the lesser, the latter are frequently helped from their low estate.

Now what I have last written applies of course to the spirits who are wicked and vile and without any soul development in the way of goodness, but a similar principle enters into the conditions of all the spirits in the Earth plane, although the higher they are in that plane the greater opportunities they have for receiving help and progressing. Of these latter, and the operation of the mental thoughts and moral qualities upon the condition and progress of the soul, I will write you later.

I have written enough for tonight, and leaving you my love and blessings, I will say good night.

Your brother in Christ,

John

P.369 Book of Truths through James Padgett / John

‘The difference between what are regarded as two paths, the Natural Love Path and the Divine Love Path, is, essentially, the amount of Divine Love that beings have been able to acquire.’ Quote from Celestial Spirit Richard 22 Dec 2012

Whilst we are receiving our Heavenly Parents’ Divine Love, and that this Love is causing change within our soul and spirit attributes, the greatest Truth known to man and spirit is that this is the way our Mother and Father are actually loving us! When we progress, it is God’s way of loving us into love and then we live what we are, love.

Note: Following the writings of James Moncrief, one could consider that any reference to the Father, by other relevant writers, may be read as a reference to ‘our Mother and Father’. Further, when considering soul healing, then reference to Divine Love could be referred to as ‘Feeling Healing with Divine Love’.

Laws of the spirit world.

I am here, Prof. Salyards.

Book of Truths via Joseph Babinsky

Well, I am here as I agreed, and will endeavour to write you my thoughts on the subject: "What may spirits know about the laws of the spirit world after they have been in that world for a short time."

As you know, I have been here for a comparatively short time, and while my studies have been to a considerable extent in the study of these laws, yet, I find that I have limited knowledge of the same, and much of my information has been gathered from other spirits who have lived here a great many years, and who have devoted their study and investigation to these laws.

Well, I want first to say that no spirit, by the mere fact of having shortly before made his advent to this world, has received any much greater knowledge than he had when on Earth.

My knowledge of spiritual laws when on Earth was not very extensive, and I found, when I came into the spirit world, that I did not know much more than I did before I came; and such is the experience of every spirit. But, as I continued to investigate these matters, I discovered that my capacity for learning was greatly increased and that my mind was more plastic and received this knowledge more easily than when I was a mortal. This is largely due to the fact that the brain, I mean the mortal brain, is, when compared to what you might call the spirit brain, a thing of much inferior quality, and not so capable of learning the cause and effect of phenomena.

I am now undergoing a course of study that will, I have no doubt, give me wonderful information of these laws, so that ultimately I may become what you mortals might call a learned man.

The first and, to me, the most important law that I have learned is **that man continues to live** in the spirit world without his earthly body. This great law, while to you and to many others is well known and is an established fact, yet, to me, was not known, as I had never had any experience in spiritualism and had never given any study to the subject.

When I arrived in the spirit world, I learned that this law is one of God's truths, and that it is fixed and will never change, for all will survive the change of so-called death. The next great law that I learned is, **that no man can of his own power make his condition or position** in the spirit world just what and where he would have it be. This is another fixed truth, and one, which many spirits even, do not fully comprehend; for they think, or so express themselves, that all they have to do is to exercise a little will power and they can move from certain conditions. But this is not true, for the law controlling this matter never has any exceptions in its operations.

Man or spirit can, in a way, determine what his destiny may be, but when once fixed by this great power of will which God has conferred on man, he cannot by the exercise of that will change that fixed condition until the laws of compensation have been satisfied; and even then the change is not brought

about by the exercise of his will, but by the operation of the laws releasing him from memories and recollections which hold him to the conditions that his life has placed him in. So when men think that they, by the exercise of their own will, can release themselves from a condition which they have made for themselves, they are mistaken.

Many spirits here have this idea, and believe that if they only chose to exercise their vaunted will power, they could relieve themselves of their darkened condition and get into happier conditions. But strange, they never try this and the reason therefore is apparent. They could not if they tried, and will not try because they cannot. And yet they think that when they get ready, they will only have to exercise this will and the change will follow. No, this law is as fixed as any law of this great universe of God.

Of course, while man or spirit cannot by the exercise of his will change his condition, yet, in order to secure that change, the will has to be exercised, because the help which comes from without, and which is absolutely necessary to man, and which causes the change, and will not come unless man exercises the will in the way of desiring and asking for it.

So let not man think that he is his own saviour, because he is not; and if the help did not come from without, he would never be saved from the condition which he finds himself in, when he enters the spirit world. You hear in your spirit circles and read in the publications about spiritualism that progression is a law of the spirit world. Well that is true; but it does not mean that a spirit by the mere fact of being in the spirit world necessarily progresses, either mentally or spiritually, for this is not true. Many spirits who have been here for years are in no better condition than when they first became spirits.

All progression depends upon the help that comes from outside the mind or soul of man. Of course when this help comes, man has to cooperate, but without this help there would be nothing with which to cooperate, and no progress could possibly be made. Many of the spiritualists make this great mistake when they speak or write on this subject. But let them know, that if a man depends upon his own powers, exclusively, he will never progress. And this law does not apply only to the soul's progress, of which you have heard us speak so often, but to the progress of the mere mind, and also to what might be called the purely moral qualities. My observation, and my information from the other spirits that I have mentioned, confirms the truth of what I have said: man, of himself, cannot elevate himself either mentally or morally, and the sooner he learns that fact, the better for him.

Another law of the spirit world is **that when a spirit once commences to progress, that progress increases in geometrical progression**, as we used to say when teaching on Earth.

Just as soon as the light breaks into a man's soul or mind, and he commences to see that there is a way for him to reach higher things, and make greater expansion of either his mind or soul, he will find that his desire to progress will increase as that progression continues, and with that desire will come help in such abundance that it will be limited only by the desire of the spirit. His will then becomes a great force in his success in progressing and working in conjunction with the help that calls it into operation. It becomes a wonderful thing of power and irresistible force.

This progression may be illustrated by the history of the snowball, which started rolling from the top of a hill. As it continues its descent; not only does its velocity increase, but it continually enlarges its form and body by the outside snow attaching itself to the ball. So with the mind or soul of a spirit: as it

ascends, it not only becomes more rapid in its flight, but it meets this outside help that I speak of, which help attaches itself to the spirit, and, as it were, becomes a part of it.

So you see that the great problem is to make the start; and this principle will apply to mortals as well as to spirits, because, if the start be made on Earth, the mere fact of becoming a spirit will not halt or in any way interfere with the progress of the soul of that spirit. Of course, this means that a correct start be made. If the start be a false one or based on things other than the truth, instead of progress continuing when the man becomes a spirit, there may have to be a retracing of the way, and a new start made, in order to get on the right road.

And this applies to the progress of the mind as well as to the progress of the soul. The mind of a mortal learns many things which seem to that mind to be the truth, and which, in its opinion, must lead to progress and greater knowledge. But when the Earth life gives place to the spirit life, that mind may find that its basis of knowledge were all wrong, and that to continue in the way that it had been moving would lead to increased error; and consequently, a new start must be made. And frequently, the retracing of that mind over the course that it had followed, and the elimination of errors that it had embraced, is more difficult and takes a longer time to accomplish, than the learning of the truth does after the mind makes its correct start.

So sometimes the mind of great learning (according to the standards of earthly learning) is more harmful, and retards more the progress of that man in the ways and acquirements of truth, than does the mind that is, as you might say, a blank; that is, without preconceived ideas of what the truth is on a particular subject.

This unfortunate experience exists to a greater extent in matters pertaining to religion than to any other matters, because the ideas and convictions which are taught and possessed of these religious matters affect innumerable more mortals than do ideas and convictions in reference to any other matters.

A spirit who is filled with these erroneous beliefs, that may have been taught him from his mortal childhood, and fostered and fed upon by him until he becomes a spirit, is, of all the inhabitants of this world, the most difficult to teach and convince of the truths pertaining to religious matters. It is much easier to teach the agnostic, or even the infidel, of these truths, than the hide-bound believer in the dogmas and creeds of the church.

So, I say, let the minds of mortals be opened to the teachings of the truth, and even if they are convinced that what they believe is the truth, yet let not that belief stand in the way of them being able to see the truth, when it actually is presented to them.

Another law is **that not all** who know that life in the spirit world is continuous **are certain that continuous life means immortality**. I mean by this, that the mere fact of living as a spirit does not of itself prove that such spirit is immortal.

This is a subject that spirits discuss as much as do mortals, and it is just as much a question of uncertainty, as is the immortality of the soul as taught among mortals, now and for all ages past.

While men know that the death of the body does not mean the death of the spirit, and that such spirit, which is the real man, continues to live with all its qualities of a spiritual nature, yet there has never been any proof presented to man that that spirit will live for all eternity, or, in other words, that it is immortal.

I say this, because I have read the histories and beliefs of most of the civilized, and some not called civilized, nations of the world. And I was not able to find in all my readings that it was ever demonstrated that man is immortal. Of course, many pagan and sacred writers taught this, but their statements were all based on belief and nothing more; and, so I say, immortality has never to mortals become demonstrated as a fact.

In the spirit world, the spirits of not only the lower spheres, but those of the higher intellectual or moral spheres, are still debating the question among themselves. I am informed that there are some who lived on Earth many centuries ago, and who have become exceedingly wise and learned in the knowledge of the laws of the universe, and have become so free from the sins and errors of their Earth life that they may be called perfect men, and yet they do not know that they are immortal. Many of them think that they are just such men or spirits as were they who were represented by Adam and Eve; they know not that they are any less liable to death than were the ones just mentioned. And hence immortality is a thing which may or may not exist for spirits as well as for mortals.

I know that many of your spiritualist friends on Earth claim that the mere fact that spiritualism has demonstrated the continuity of life, establishes the fact of immortality. But a few moments consideration will show you the falsity of this reasoning.

Change is the law eternal, both on Earth and in the spirit world, and nothing exists the same for any length of time; and in the succession of these changes, how can it be said that in the future, far or near, changes may not come by which the existence of the spirit – the ego of man – may be ended, and that ego take some other form or enter into some other condition, so that it will not be the same ego, and not the same spirit which is now living as a demonstration of the continuity of life? And so, many spirits, as well as mortals, do not know what is necessary to obtain, to have the certain knowledge of immortality.

But many other spirits know that there is an immortality for spirits who choose to seek that immortality in the way that God in his great wisdom and providence has provided. I will not discuss this phase of immortality now, but will at some later time. (Asking for and receiving Divine Love)

There is another law, which enables spirits to become, by the mere operation of their natural affections and loves, pure and free from the consequences and evils of their mortal lives, and again become perfect, like the first parents before the fall.

This does not mean that the **law of compensation** does not operate to the fullest, and that it does not demand the last farthing, because such is the exactness in the operation of this law, that no spirit is released from its penalties, until he has satisfied the law.

As you believe, and as many other mortals believe, a man's punishment for the sins committed by him on Earth are inflicted by his conscience and memories. There is no special punishment inflicted by God on any particular man, but the law of punishment operates alike on every man. If the facts that brings that punishment into operation are the same, that punishment will be the same, no matter whether the

object of its infliction be the same or different persons. So you see, it cannot be escaped, on any ground of special dispensation, so long as the facts which call for its operation exist, and the conscience and memories of the spirit realize these facts.

When a spirit first enters the spirit life it does not necessarily feel the scourging of these memories, and this is the reason why you will so often hear the spirit, who has so recently left his mortal life, assure his friends or sorrowing relatives at the public séances that he is very happy, and wouldn't be again in the Earth life, and similar assurances. But after a little while, memory commences to work, as the soul is awakened, and then never ceases until the penalties are paid. I don't mean that the spirit is, necessarily, continuously in a condition of torment, but substantially that, and relief does not come until these memories cease their awful lashings. Some spirits live here a great number of years before they receive this relief; while others more quickly obtain it.

The greatest cause which operates to relieve these spirits of these memories is love. I now mean the natural love; and this love embraces many qualities, such as remorse and sorrow, and the desire to make amends for injuries done, etc. Until a spirit's love is awakened, none of these feelings come to him. He cannot possibly feel remorse or regret or the desire to atone, until love, no matter how slight, comes into his heart. He may not realize just what the cause of these feelings may be, but it is love just the same.

Well, as these various feelings operate, and he acts in accordance with them, a memory here and there will leave him, never to return; and as these memories in turn leave him, his sufferings become less, and after awhile, when they have all left him, he becomes free from the law, and it, as to him, becomes extinct. But it must not be understood that this is a work of quick operation, for it may be years – long, weary years of suffering – before he becomes thus free and once more a spirit without sin or these memories. This is the way the great law of compensation is satisfied; it cannot be avoided, but all its demands must be met, until sin and error are eradicated, and the soul returned to a pure state.

But this gradual release from these penalties does not mean that a spirit is progressing in his journey to the higher and brighter spheres; because even without this torture and torment, he may still remain stationary as to the development of his higher nature, mental and moral. But when he has been relieved of these sufferings, he is then in a condition to start towards the progression that I have spoken of.

As you are tired, I will continue the balance of my discourse when I write again.

With all my love I am,
Your true friend and professor, Joseph H. Salyards.

Effecting your desires – the Law of Desire.

Received by H. Guayaquil, Ecuador

Hello! This is certainly no surprise. I accompanied you to Guayaquil, of course. As I have told you, I am always very near you, and distance is no problem for us.

Very well. As I see, you are thinking of your dermatitis. Some days ago you realized that it was no longer there, at least you can no longer detect any symptoms of it.

[H. R. As long as I can remember, I suffered from a dermatitis, called dermatitis seborrhoeica, in the face, or rather on the hair onset, for example on the upper part of the forehead, on the temples, behind the ears, and on the skin furrow that runs from the nose to the mouth at an angle. The symptoms of this disease disappear in hot and humid climates, such as in Guayaquil, but they appear in a cold and dry climate, as it prevails in the months of July, August and September in Cuenca].

Yes, my friend, this really is a healing. I know that you never requested it from me, but you desired it, because the symptoms really bothered you. And look, the healing has already occurred. Here you can see the principle once again, that what you really want, comes true. They are desires that come out from deep inside your soul, and we recognise them, and we try to help.

Yes, you are right, all Celestial spirits have mighty healing powers. It is a healing through Divine Love, and as Jesus has already explained several times, for this kind of cure, the patients must elevate their spirituality above the Earth plane level. You did it, and so your desire was fulfilled.

It is the same principle as in the sincere prayer to the Father for Divine Love. Only the purpose is different.

M___ spoke to you once of the Law of Desire, and yes, she is right. That law exists, but we have never formulated it under that name. We have analysed certain aspects of that universal law, for example in context with prayer. But the principle is truly universal.

The problem is that frequently mortals, and also those not very developed spirits, ignore their desires. Those desires are born from the very depth of the heart, and mortals or spirits are not necessarily aware of them. Those desires are not always positive, many times they are destructive, even self-destructive.

Hence it is so important to elevate spirituality, because only in this way will these desires become, consciously or unconsciously, productive and positive forces. I will give you a very simple example. In many cases, when people complain about failures in their life, they wished in fact for these failures, for different reasons, for example, to punish themselves unconsciously. So, it is the execution of a desire, and it comes as a surprise or it is considered an injustice or bad luck, but as a matter of fact, it is just what the individual really wanted.

Also the guidance we can provide obeys this law. We can only guide the individuals who really want us to do so. So, it is a matter of the soul's disposition.

It is very important to keep in mind the universal principle, that people receive what they request, and in order to receive, it is necessary to request. It is necessary to ask for God's Love, it is necessary to ask for His Mercy, etc. For God doesn't simply give, but rather always responds to desires, to conscious and unconscious petitions.

Desires may also activate man's creative spirit. Yes, you understood well. Men create for themselves what they desire.

Men's desire to know the Truth allows us to guide them, as I was guiding you during all those years, and so you finally found the Padgett messages. But this is not all of it. Just think of what happened a relatively short time ago.

Well, in the supermarket you saw a volume of the novel called "The Troyan Horse", by J. J. Benítez. And you were attracted to it as through magic. You bought all the volumes, and you were surprised. Although they are a novel, they had something in common with the Padgett messages. And practically at the same time, when you were still reading the books, another person contacted you, D___, and he told you of his interest in these books. An intense correspondence developed. D___ informed you that the books were based on the Urantia book, and you so you sought that book and you now have also read it in part.

I wanted you to read this book, and you should do it. I admit that it is quite voluminous, but, as I have already said once, it is worthwhile reading. It doesn't agree a hundred percent with the Padgett messages, but I have also explained that this is not so important, that there are many aspects of Truth, and that Truth has been communicated in diverse ways. In each message you can observe the mediums' influence, their vocabulary, their way of thinking and of expressing themselves, and the spirit consciously takes advantage of the medium's respective strengths, and the medium unconsciously contributes a little to the formation of the message, introducing his or her own thoughts, sometimes true ones, and sometimes not so true ones, but the core, the very heart of the message is authentic.

And I will tell you that the scene in Benítez' book, which fascinated you so much, is in fact an authentic scene, it happened almost as described there, and it is also contained in the Urantia book.

The disciples went up to the room where we were to celebrate the dinner. And soon afterwards a dispute broke out between them, about who should occupy the places of honour, that is to say, the seats next to Jesus.

The Jews were accustomed to wash their feet before having dinner, a work which usually was done by servants or slaves of the house. But in this case, it was a closed meeting, where the servants of the house had no access.

It is not true that I occupied the seat reserved for Jesus, I did not even participate in this shameful quarrel, rather it was those who would later be the great pillars of the church. John, Peter, and even James, Jesus' brother, who does not figure amongst the apostles, they quarrelled and insulted each other

like badly behaved children. It is false that Jesus knew that I would betray him. Those are thoughts which the medium inserted, thoughts and residual ideas of a religious education based on the Bible story.

Jesus came, he looked at us, and took a seat. Everything was ready to begin with the supper, except that we had not washed our feet. Nobody moved, and so Jesus stood up, took the water pitcher and proceeded to wash our feet. We all protested, and he gave us a sermon which nobody forgot. Some understood it, and some did not, as in my case. The great Master humbled himself, doing the work of a slave, a work of love.

For me, it was an experience which definitively made me lose patience. Jesus really was a lost case, I thought. So much power, so many possibilities, and now he was humiliating himself in front of us. I really had to force him to demonstrate his power. I left, and you know already where I headed for.

What Jesus did in that moment has also some relationship with what in the messages is called "personality" and "individuality." But of that we will speak at the proper time.

It is already late. You have to sleep now. Tomorrow we will meet again, if God and your condition allow it.

God bless you, Judas

The opening up of the soul permits a permanent exchange with Divinity, a permanent recharge of this healing energy that allows not only the re-establishment of lost health, but the continuity of health, providing such a perfect balance, even in the physical body, that noxious agents like bacteria and virus cannot find any opportunity to unchain pathological reactions, which we commonly call illness.

But it is true that people without the benefit of Divine Love would lack the protective shield, which the intrinsic healing energies of Divine Love provide for those who pray for our Heavenly Mother and Father's Grace.

Perfection, Self love and the Law of Desire.

Yes, my dear brother, some days have gone by without messages, but so it seems, things are coming back to normality.

If you want to know the reasons why you did not receive anything, you must ask yourself if you really wanted to receive. I know that you feel tired at times, and although you did not believe it at first, message reception consumes energy. But, please, don't tell me that all this happened because you lacked time. This is not true.

For example, this weekend you dedicated so much of your time to 3D graphics programs that you simply did not give me any opportunity. When you go to sleep, as always very late at night, you cannot hope that I will come and give you information, knowing that you will fall asleep a few minutes later. I was with you, you saw me, but it really didn't make sense to try to convey a message.

If you truly desire to be in contact with me, give me the time, but get ready, it is useless to take messages when you are already tired and when your condition doesn't allow us to transmit anything of value and substance at all.

I don't want to reprehend you, because this is your decision, I only want to tell you that message transmission is a task which depends on both, on the spirit and on the mortal. You have to contribute your part; otherwise it will not make sense at all to try.

But changing the topic: What Doug wrote you is true. You should continue with the Portuguese site, and you should also continue with the German translation. Nobody demands perfection, nobody demands you to do this overnight. But if you translate one message per day into Portuguese and German, in one year a volume in both languages would be ready. Do it little by little, there is no hurry, but do it. Don't assume that others will do it, what you don't do, nobody will do.

As Jesus said: The harvest is ripe, but the workers are few. All this will change in the future. But you must do the first steps right now. I know that your Portuguese knowledge is insufficient for rendering a perfect and smooth translation; besides, the English style of the messages themselves is really not the best. But do what you can do. Then others will come and correct what you have done. But meanwhile, many people will have the opportunity of being informed and seeing the light in their lives.

I won't deliver a message today on Jesus or on a spiritual topic. I only wanted you to know that everything is OK, and that just some discipline on your side is missing, and then we may continue. You already know that you may always count on me.

Remember what I said about perfection. Our Father in the Heavens doesn't expect perfection, but He does indeed expect dedication. It is your will, your dedication, your intention that counts. It is not the result. And with good intentions, the results will also be edifying.

Yes, it is true, you received an impression of Luke, and what characterizes his face more than anything else is his nose. It won't be very difficult to draw. But take your time, don't do everything at the very instant when it crosses your mind.

What I said on the Law of Desire is true. Logically, all the teachings of positive thinking etc., are based on this law, but the law goes beyond that. You have already understood this. It is very important that the men come to love themselves. Without this self-love, the Law of Desire won't benefit them, it will rather harm them. You can think of positive images, you can want positive things, but that doesn't mean that in the depths of your soul you really desire positive things. When you lack self-love, your true desires very probably won't be positive and profitable for you. You will remember that in the course of the last years many messages on self-love have been delivered. And this is the reason. It is very important; it is the base for success. But I speak of true self-love, which has nothing to do with narcissism or selfishness. It is the awareness that God loves us. He created us; He gave us some personality, which we may form later on according to our free will. And God, He likes what He has created. You should also like it. You have to accept that you are God's beloved children. He certainly doesn't love sin, but He loves the sinner. We can repeat this sentence a hundred thousand times, and it continues being true.

You remember that you have read: Thoughts are things. And this sentence looked strange to you. But it is really so. Thoughts, or to express it more clearly, desires always materialize.

The soul's emptiness often expresses itself through very characteristic signs: Wanting more money, more power, more land, more fame, more publicity, etc. All those things don't constitute true desires; they are attitudes to substitute or to compensate for defects which people know unconsciously. It is a vain intent, which doesn't lead anywhere, even if those supposed "desires" are fulfilled. The defect persists. And what I call defect, in fact is not necessarily a defect.

But, as I have told you, this is really not the moment for sounding the depth of the soul.

I am glad that we have talked again. Put aside a little of your time for me, but not when you are worn out. Reserve me a good moment during the day, and everything will be all right.

God bless you,

Judas

LIVE FEELINGS FIRST

The Richard Messages Vol II
59 Life Events

via James Reid

25 March 2014

Good afternoon my dear friends. I have been having a messy day and haven't yet stopped to think about what is behind this. Is it that I just need time to focus on our writing? Although the problems of today have taken me away from this. I feel a bit lost and that changes are once more on the march. That is not new. So I am going to write as you suggest to see where we go.

Good afternoon dear brother and friend. I am not going to analyse what is happening for you and will simply suggest that you take things as they come at the moment. Trying to analyse and to devise a reason for all that happens is a fairly fruitless exercise. You will be able to find a reason but whether that has anything to do with what is happening is another matter altogether. Indeed there are association between all aspects and events of your life and the Law of Attraction is always active but this doesn't mean that it is either important or easy to find the associations. The important issue is to deal with what is under your nose whatever the association might be. Seeking an underlying cause or reason is often nothing more than a distraction and of little or no value. If there is something obvious which needs to be dealt with then this is the thing which is under your nose so deal with it. The Law of Attraction is invariably active and there are many who claim to be able to readily see the associations with everyday events and we often smile at the conclusions drawn. Once again the issue involved is awareness and many assume that their awareness is greater than it is. By all means look at every situation and it is quite possible that associations will become apparent but don't let the absence of awareness of such an association delay the immediacy of dealing with issues in your living.

Awareness is the greatest issue of progress in living and it is possible to develop awareness in all situations. In everyday living the most important and immediate issue in any situation is to accept what is happening and to take responsibility for it and proceed to do what is needed to move along with whatever is occurring. As you accept responsibility you are doing the most essential thing towards developing awareness. The events of your life are not inflicted upon you by the Law of Attraction. They are drawn to you and you to them as part of the overall pattern of your living. All are significant and are not often enhanced by analysis. You feel confused as we write this. I always advocate reflection on life's events as this will render patterns more obvious. As these become obvious they feed in to your mechanisms of responsible living and you may be able to be aware of actions that you need to take or feel constrained to seek advice from another who may be able to help you.

The Law of Attraction is so extensive in its operation that it is very difficult to find a single cause for an event. Some events are quite simple and occur in close association with the related events. This is very common in everyday life. Other events have associations going a long way back into your history and linking with many factors. Many of the most important antecedent factors were so minor at their time that they are not at all easily remembered. Many were much more significant for another than they ever were for you but still are very important factors in a web of circumstance.

Making glib assumptions that this or that event or series of events result from some particular emotional issue of your past is fraught with danger. Accepting such an assumption from another who presumes to know is even more fraught activity. It is quite possible that any person might come to some realisation of antecedent factors and it usually only when such awareness occurs that it is of value to one. As has been said humans weave tangled webs in the course of living life on Earth. Much of the early times in

the Spirit World are spent in coming to realisations about this. This does not mean untangling the web but is stepping clear of the tangling qualities of it. The linear arrangement of earthly living experiences provides the best learning environment and also provides the capacity for some confusion. Those who live most simply tend to create the least confusion and complication in their lives. Whatever the situation, all can be resolved in due course.

Most of what I have just said is to help people to avoid creating more tangles than they have already. Every issue that arises has to be dealt with whatever its antecedents. Issues that lie in the past cannot be dealt with because they are in the past but the issues arising from them are happening in the present. What you are today has arisen from the past and you can change aspects of what you recognise as yourself today. I am not refuting the value of the many therapies that are claimed to lead to resolution of present day events. I am saying that it is important to realise that you don't change the past but do change the present. Finding convenient past events for today's issues is not really helpful unless you take responsibility for what is happening today.

Spiritual progress in the Spirit World is focussed on the present situation for every spirit. Progress depends on realising that the present situation of the spirit and their level of soul development derive from the past experiences of the spirit and the way in which they were dealt with in the past. This is coupled with the developing awareness that the spirit is not bound by this situation but has the capacity to move free from this. In this the Law of Compensation is the law that facilitates this process. Through the action of this law one comes to the full awareness that each of us is fully responsible for all that we have done and all that we will ever do. There is no option to this. There is a lot of fear that the working out of the requirements of this law is terrifying. This need not be so at all however burdened a spirit might be. All factors of every situation are known and considered. There is as much help available as one is prepared to ask for and accept. The ultimate resolution of every issue lies in accepting full responsibility for all aspects for which one was responsible. No-one is asked to take responsibility for what is not theirs nor can one assist another by taking responsibility for them. The process of resolution is like the process of living – totally personal.

What is not generally realised that therein lays total freedom. This is not an imposition but the resolution of all the issues that have been accumulated. When one begins to realise this, one also realises that this is as applicable on Earth to the same degree as in the Spirit World. In this lays the situation whereby one becomes true to oneself and finds the freedom that seems so elusive. This is often said to be an issue between a person and God but it is always an issues between a person and her or himself. One never has to resolve issues with God but as one resolves issues with oneself one inevitably senses movement towards God. God's position is fixed but man senses his position as very mobile. It is only the tangling that is created that produces the sense of distance from God. It is wonderful to realise this and to find the solution.

Let us take a break here and resume later.

I am Antonio.

Feelings first

<http://groups.yahoo.com/group/DivineLovePath/> 7 Jan 2010

Dear God,

Please help me to be truly willing to learn to know you and to be willing to take responsibility for, experience and release fully without reservation all the error within myself that prevents Your Love from flowing through me.

I have a strong longing within myself to feel all of the personal pain inside of myself.

I take full responsibility for all of my actions, and never blame others for my unloving actions.

I desire with all my heart to experience the Law of Compensation for what I have done to others.

I desire with all my heart to experience the **CAUSAL** emotions of what happened to me in the past.

I desire with all my heart to abandon **ALL** anger, justifications, minimizations and denial.

I desire with all my heart to experience my **FEAR** about becoming a trusting child again

In a situation yesterday I prayed this prayer & I had instantaneous results; I felt repentance, felt forgiveness for myself, then felt compassion for the other person. Little later they projected anger at me, I felt it pass through me.....

I have more understanding about my Law of Attraction...God's Truth

For myself I'd like to add another line: I am willing to follow my Law of Attraction, God's Truth

Your sister

Release one's pain through expressing one's feelings.

in conjunction with

Longing for the Truth when also longing for Divine Love.

To liberate one's real self, one's will, being one's soul, is by embracing Feeling Healing so to clear emotional injuries and errors. With the Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

Our salvation IS by embracing Feeling Healing with the Divine Love.

God's Divine Love: Pray for it, ask for it, and receive it.

Please Mother and Father, may I receive Your LOVE.

“Every day is a day of devotion.”

Follow your heart, follow your love and do that in loving action, your inner love leads in your asking the Soul of God to receive a little of the Love to strengthen one's resolve to heal.

“I love you Father.” “Let the Divine Love proclaim its energy into my soul.”

“Mother – Father, I desire your Love and I am loving you.”

“Soul God, I love you and I love receiving and experiencing your Divine Love.”

“True Soul God, I am here, I am aware of your Love. Please hear my aspiration for your Love and as I approach you from my soul, I can feel your Love in the way that you are loving my soul.”

Try it; give the Feeling Healing and Love a go! If you want to shine, receive the Love.

One can simply receive the Love without following any religious or spiritual teaching taught by man!

Emotional errors and injuries cause encrustment around the soul, the soul is never damaged however, the encrustments retard love energy flow to and from the soul. Feeling Healing melts such injuries.

Three Great Truths:

- **God is Soul, being our Heavenly Mother and Father;**
- **that each individual soul is a duplex – both male and female;**
- **and Feeling Healing with Divine Love is our pathway to Paradise.**

FEELING HEALING and SOUL HEALING with the DIVINE LOVE:**James Moncrief Publications:****all publications are free downloads:**<http://divinelovesp.weebly.com/my-free-books-and-free-padgett-messages.html>

It is suggested for one to consider reading as follows:

Speaking with Mary Magdalene and Jesus – books 1 – 4

These four books encapsulate the second of the revelations with the first having been introduced by James Padgett one hundred years previously. These four books provide a wide range of guidance that has never previously been made available.

Paul – City of Light

As a gentle intro into the Divine Love and Healing; being James Moncrief's first novel and it's been criticised as being too heavily clichéd, but that's the point because it's a reflection of how he was back then.

Ann and Terry

For an example of people who might want to immediately start working on themselves and doing their Healing.

Feeling Bad? Bad feelings are GOOD

For more understanding about our denial of our feelings and why we should not deny our feelings, and it includes how it all came about for James, using himself as an example.

Feeling bad will make you feel BETTER – Eventually!

This includes specific examples of Marion and James working on expressing particular bad feelings, again with the hope that it will help others gain something of an idea as to what's involved in doing your Feeling Healing.

Sage – and the Healing Angels of Light

Through Sage who's 13 years old, the story is primarily about the two aspects of healing; that being, with the help of our angels, and the full Healing we can do by looking to our feelings for their truth.

**Religion of Feelings
Feeling Healing****Welcome to LOVE – the Religion of Feelings
you can heal yourself through your feelings**

So these books, including the four Speaking with Mary Magdalene and Jesus books, provide the essence of it all and are examples of James' work. Then it's up to whatever takes one's fancy. Other reading to consider may include:

The Padgett Messages being published as:**The True Gospel Revealed Anew by Jesus volumes 1 – 4****Book of Truths by Joseph Babinsky****The Urantia Book****Release one's pain through expressing one's feelings.****in conjunction with****Longing for the Truth when also longing for Divine Love.**

FEELING HEALING with DIVINE LOVE is SOUL HEALING:

A collection of 'papers' that draw together specific topics including all of the above and more from other sources of information and revelation designed to help increase one's awareness about why we have the problems we do and how to heal them, all whilst living a more healthy and sustainable life. They provide a brief snapshot of the more complicated topics and issues.

Firstly, consider discovering the truth of your emotional pain through Feeling Healing.

Secondly, consider longing for our Heavenly Parents' Love as you progress with your healing.

Primary and most important readings are the writings of James Moncrief.

Then consider the Padgett Messages, and then The Urantia Book.
