PASCAS INTRODUCTION

Documents assembled by Pascas are provided for your individual assessment and exploration. The contents are sourced from a variety of avenues and publications. Every endeavour is made to determine that the contents are of the highest level of truth and veracity. At all times we ask that you go within yourself, to ascertain for yourself, how the contents resonate with you.

Pascas provides these notes and observations to assist us all in the development and growth of our own pathways and consciousness. Pascas does not hold these contents as dogma. Pascas is about looking within oneself. Much of what we are observing is new to us readers and thus, we consider that you will take on board that which resonates with you, investigate further those items of interest, and discard that which does not feel appropriate to you.

Kinesiological muscle testing, as developed by Dr David R Hawkins and quantified by his Map of Consciousness (MOC) table, has been used to ascertain the possible level of truth of documents. Such tested calibration levels appear within the document. We ask that you consider testing same for yourself. The technique and process is outlined within Pascas documents, such as Pascas Care – Energy Level of Food. From each person's perspective, results may vary somewhat. The calibration is offered as a guide only and just another tool to assist in considering the possibilities. As a contrast, consider using this technique to test the level of truth of your local daily newspaper.

Contents are not to be interpreted as an independent guide to self-healing. The information sourced herein is not from a doctor or doctors, and any information provided in this document should not be in lieu of consultation with your physician, doctor, or other health care professional. Pascas, nor anyone associated with this document, does not assume any responsibility whatsoever for the results of any application or use of any process, technique, compound or potion as described within this document.

The sources of contents are noted throughout the document. In doing so, we acknowledge the importance of these sources and encourage our readers to consider further these sources. Should we have infringed upon a copyright pertaining to content, graphics and or pictures, we apologise. In such cases, we will endeavour to make the appropriate notations within the documents that we have assembled as a service via our not for profit arm, to our interested community.

We offer all contents in love and with the fullness of grace, which is intended to flow to readers who join us upon this fascinating journey throughout this incredible changing era we are all experiencing.

Living Feelings First, *John.*

“Never can one man do more for another man than by making it known of the availability of the Feeling Healing process and Divine Love.” JD

LOVE:

The fact is we do not know what TRUE LOVE is because none of us have ever experienced it!

With every action, ask yourself: **Is this loving?**

If you allow yourself to feel your feelings then you will know the answer.

Do whatever it takes to love yourself, do whatever it is to love yourself, love yourself always. Love yourself completely. That is also loving your emotions, by the way.

**Judging yourself is
not loving yourself.**

Love never expects anything from anyone.

Love

**Desire for God's Truth
Desire for God's Love
and be humble**

**Humility is the
willingness to experience
one's own emotions.**

NO LOVE Almost all ‘love’ on the planet is founded on addictions, not love.
 For the majority of us, we have never been loved through our entire life.
 We believe with all of our heart that we need someone to love us so that we can survive – and we don’t.
 God is the only person who is going to love us all the way through this process.

Lack of love of self is reflected in how we keep ourselves and if our surrounds are tidy.

The child is always reflecting the emotions that the parents deny.

‘I had a pretty good upbringing’ in comparison to other people.

Parents have NO understanding of blocking emotions.
 Parents have NO understanding of causal/core emotions.
 Parents have NO understanding of Law of Free Will.
 Parents have NO understanding of Love.

What does Love do?

What would my love for myself in the relationship motivate me to do for myself?

What would my love for my partner motivate me to do for him/her?

What do I feel my partner’s love for themselves would motivate them to do for themselves?

What do I feel my partner’s love for me would motivate them to do for me?

Helping someone.

We often justify love as helping someone, and in the process we sacrifice ourselves. If you sacrifice yourself, you are not loving to yourself or the other person.

**Children are a complete reflection of our emotional denial.
Your emotions enter your child because you are not feeling them yourself.**

Parents processing their emotions help their children.

You will see instant changes in your children if they are young; you will see them even if your children are old. However, as their ages grow into a place where they are using their own free will, the effect on them will not be as great as it will be if they are young children.

If the child is 3 years old and you begin to work through your emotions, what will happen is that your child will automatically start changing and you will see those changes. If your child is 15 and has a fair bit of their own free will mixed in with the process, then it might not be as easy for them to deal with their emotions, because it now depends on their willingness to feel their own emotions.

Owning your own emotions is an act of love towards yourself. Besides receiving Divine Love, it is the best way to love yourself.

Longing to God for Divine Love is ultimately the best way to love yourself, and that is actually going to help you with every other thing.

You can't feel God's love entering unless you are actually owning and feeling all of your emotions.

When you deny an emotion, God's love cannot flow to you.

If I love myself, I will choose to deal with my emotions.

LESSON in NATURAL LOVE

Refusal to learn and apply Natural Love lessons will result in stagnation on any path, including the Divine Love path.

The Divine Love path incorporates all Natural Love lessons, but from an emotional soul perspective.

All lessons in love (either Natural or Divine) are from God's perspective, not our own.

There are literally 100s of Natural Love lessons, but if we receive God's Love into the soul, then these lessons will be automatically learned as long as we allow that process emotionally.

Natural Love way is mental/intellectual – this is the longest pathway.

Divine Love way is connecting with soul and feelings – to be loving without thinking.

There is no Divine Love in you when you incarnate. You have Natural Love, but no Divine Love. You do not have a Divine Spark within you when you are incarnated. If you want Divine Love you have to ask God for Divine Love. Only God can give His love.

Desire for God's Love – prayer.

Desire for Divine Truth.

Be humble – passionate desire to feel and experience your own emotions.

God's love is a unique gift ready for you. Divine Love is a personal love, a personal relationship with God.

There are a lot of parts and attributes to love.

We really don't know how to love ourselves.

Love = Pain?

If I feel pain, it is because I am breaking some kind of Law of Love.

When you get to at one-ment with God, all pain about love disappears.

The basis of that is how you display love towards yourself as well as towards others.

Sacrificing myself to love another is not loving to myself or the other.

As soon as you enter this process of sacrifice, you immediately create pain in your own life and in the lives of other people too.

Law of Free Will – I am allowed to do anything I want, whether what I want to do is harmonious with love – building up other people, or disharmonious with love – destroying other people. This gift was given to everyone in the entire universe, not just to people on this Earth.

Look at all the emotions that you have inside of you that causes you not to follow your free will.

Also, look at all of the desires and passions that you have inside of yourself that causes you to use your free will in a way that damages another person's free will.

The Law of Free Will makes you uncontrollable.

PRAY

Having a longing in your heart for God, and in particular, for God's love to enter you. Talk to God about fear and terror, face them. Don't run away from them, face them.

TRUTH – Always focus on truth.

LOVE – Love of yourself.

ON the NATURAL LOVE of MAN:

<https://new-birth.net/padgett-messages/true-gospel-revealed-anew-by-jesus-volume-2/jesus-on-the-love-of-man-vol-2-pg21/>

March 4, 1915 –

P. 83 The Human Soul – Pathway Home
P. 73 Book of Truths both by Joseph Babinsky

I am here, Jesus –

I want to write tonight on the love of man.

This love is one that is not understood by humanity in its most important particular. I mean that this love is not one that is sufficient to give man the highest degree of happiness which he may obtain in either the mortal life or in the life to come.

This love is of a nature that changes with the change in the ideas and desires of men, and has no stability that will serve to keep him constant in his affections.

No man who has only this love can ever be in condition to say that he will continue to have this love for a longer time than the present; and when he thinks that his love can never change, or leave him, he is only giving thought to the wish.

But this love is one that may last for a long time, and sometimes it seems that it can never die or grow less; yet, in its very nature, it has not that constancy which insures its lasting longer than a moment of time.

I do not mean to say anything disparaging of this natural love, for it is undoubtedly a great gift that the Father has bestowed upon mankind, and without it, men would be in a very unhappy condition.

Yet, it is not the great love of the Father which all men may receive, if they will only seek and strive to obtain it by prayer and faith.

This natural love is that which unites men and women in unity while on Earth, and enables them to approach nearer to a life of happiness than does any other human quality. But still it has the danger always accompanying it, that sometime, in some way, it may cease to exist.

The mother's love is the strongest of all loves given to mortals, and apparently it can never end or grow old, yet a time may come when that love will die or cease to retain all its vitality or beauty.

I know it is said that love never dies; but that is not true as regards this natural love, and no man can say that his love of today will remain his love of a few years hence.

Yet, there is a love that may be called the natural love that will last forever, providing these souls seek and obtain the Divine Love, and that is the love that God has implanted in two souls that he has designed to become one in spirit life. This love is really not two loves, but one and the same love manifested in the two opposite sexes, and which is only a complete one when these two apparently independent souls

come together in perfect unity. This is what is commonly called the love of soulmates, and which is that essence of spiritual love which makes the happiness of the two spirits of mortals seemingly complete.

Yet this love is not of a divine nature, but merely the highest type of the natural love.

So, when men speak of the love of one mortal for his fellow man, it means merely the love which his human nature is capable of having and giving to another mortal.

I do not wish to be understood as in any way implying that this love is not a great boon and blessing to mankind, for it is, and without it, there would not be the harmony that exists on Earth.

Yet, at this time [World War I], hatred and anger seems to have taken its place in the hearts of many men who are now striving to kill and destroy. But this is only for a season; the war will cease and then men will realize, more than for a long time that only their love for one another can make the Earth a happy and desirable place to live on.

Love, I know it is said, is the fulfilling of the law, but no man can thoroughly understand this until he knows what love is. I do not mean that in order to fulfil every law man must have the Divine Love of the Father, because there are laws that govern the divine existence, and laws that govern the human and merely spiritual existence; and the love of the divine is the fulfilment of the former laws, and the natural love is the fulfilment of the latter laws.

So you must see that only as men have the love of the divine can they fulfil the laws of the divine existence; and so, as they have the natural love only, can they fulfil the natural laws.

But this natural love will not be able to make them one with the Father, as I have before written; and the utmost of its powers and functions is to give them that happiness which they will receive in living the life of a spirit or man unredeemed.

I will not say that man should not cultivate this love for his fellow man to the greatest possible degree, for he should; and if that should be the only kind of love that he may have, either on Earth or in the spirit world, the more of it that he possesses the happier will he be, and the greater will be the happiness of his fellowman and fellow spirit.

So when I said, when on Earth, those men should love their God and love their fellow men as themselves, I meant that they should do so with all the possibilities of whatever love they might possess. Yet, if men would only learn, as they can, that there is no necessity for them to have only the natural love, but that they can all seek the greater love, and obtain the correspondingly greater happiness, and immortality.

Men do not realize this, though, and seem to be satisfied with this natural love and the pleasures that ensue from its possession.

I would not have them do anything that would lessen this love or shut their hearts to its influence, when it pure and good; but yet, I cannot help trying to impress upon them the great desirability of having this higher love in their souls.

Yes, I am a lover of all men, and I want them to feel the happiness of the inflowing of the Divine Love, and thereby learn what the love of God means, and what they may have if they will only seek.

This love of the purely natural will not suffice for the temptations that beset men on Earth; and, also, will not insure against temptations when they become spirits. I know this, and hence I say it with the positiveness of one who knows – you may say, with authority.

*As you are tired I must stop.
With all my blessings and love,
I am our brother in spirit – Jesus*

Whilst we are receiving our Heavenly Parents' Divine Love, and that this Love is causing change within our soul and spirit attributes, the greatest Truth known to man and spirit is that this is the way our Mother and Father are actually loving us! When we progress, it is God's way of loving us into love and then we live what we are, love.

2011.05.21 Session 1 – The World's Definition Of Love

Melbourne

The World Thinks:

1. It knows what love is.
2. It knows what love feels like.
3. It knows what love does.

Love is NEVER painful.

Pain is from an addiction –

- Fear
- Betrayal
- Rejection
- Unworthiness
- Humiliation
- Unattractive
- Inadequate
- Unworldly
- Unattractive
- To feel safe

Pain is caused by all of these feelings about one's self, that you are unwilling to feel about one's self, hoping for someone to take away from us.

Love places no expectation on another person.

Love is NEVER painful.

Love is NEVER demanding.

Love NEVER has any expectations.

Love NEVER sacrifices.

Love is NOT justice.

Love is a gift.

**LOVE
HUG**

**Justice is what we revert
to when we don't love.**

Tithing is a demand, it is unloving, unless you desire to do so.

 Disk 2 is 2 hours 0 minutes
 Total session time is 3 hrs 52 min.

The world thinks it knows what love is.

The world thinks it knows what love does.

The world thinks it knows what love feels like.

Consider removing the cause of the feeling.

Living in the terror now defines your actions.

If you are living in your terror then you are not releasing it.

Unless we are willing to deal with the cause, not the effects, we are not even loving ourselves, let alone loving anyone else. Because it is the cause that can now be released from us that can allow us to be completely loving once those things are released.

Can you imagine if you had a life where terror or fear did not motivate any of your decisions?

The response to TERROR is to Freeze.

The response to FEAR is Fight or Flight.

**The world's view of love is weak, powerless, vulnerable, etc.
God is none of these.**

**God is an entity that has qualities and attributes.
God is love (love is a quality of God).**

Learned process:

Anything that is fear based is out of harmony with love.
 If you have love within your soul, then you will automatically have love in your actions.

Undo the method of learning – intellectualising, and accept God's method of learning. It requires a lot of humility, the giving up of the mind, and giving up the process that you have had for many, many years, and accepting the process of what is really going on inside of you at any point.

The world thinks it:

Knows what love is.
Knows what love does.
Knows what love feels like.

Unless we are actually being love, there is no proof of the love itself.

Our Heavenly Parents simply desires for us to ask for Their Love.

“Every day is a day of devotion.”

Please Mother and Father, may I receive Your LOVE.

God's Divine Love: Pray for it, ask for it, and receive it.

Our salvation IS the embracing of the Feeling Healing process and Divine Love.

By living true to ourselves, true to our feelings, we are living true to God. It's that simple.

2011.09.10 Session 3 – The Worlds Definition of Love

The World believes:

1. It knows what love is.
2. It knows what love does.
3. It knows what love feels like.

World's definition of Love

Love is whimsical, illogical, crazy.

Love is justice.

Love allows abuse, abuse is acceptable as child discipline.

Love means never having to change.

Love is jealous (lack – fear).

Love is compromise.

- desires, passions.

- having to.

- internal dialogue is not the same as what we portray.

Love allows ‘white’ lies.

God's definition of Love

Love is completely and at all times logical.

Love is not justice.

Love never abuses.

Love always results in change and growth.

Love is never jealous.

Love is never compromise.

- harmonious with love.

- want to.

- internal and external dialogue are identical.

Love never lies (not even little white lies).

We never believe there is a white lie.

**PASCAS
HEALTH**

**PASCAS
PERS**

Treat others how they would like to be treated, not how they treat us.

Love does not attack.

Love must motivate our heart.

Logic is loving – not fear based response.

Logic and truth are very connected to each other.

Love is always emotional, so how can you criticize someone for being emotional?

We colour everything on previous beliefs.

Child abuse – sexual, physical, emotional.

IAN JONES

As an adult we call that assault.

As a child we call that discipline! So a punch in the nose for an adult is discipline?

Violence is never Justified

Fear

Created by man.

Dependent upon self

Begins with the fear
of our own emotions.

feeling of lack → fear
defence
creates desire for attack.

Cause No Harm < to OTHERS
to MYSELF

Strive to love others as I am to love myself

Untruthful belief: – When you die you are dead!

Truth and fear are opposites.

Fear is the only thing that causes pain.

Fear creates the pain in our body and our life.

Drugs – our fears of that thing.

**Fear – don't do it.
of – your emotional well being
Drugs – health
– no control
– death!**

**Truth
of Drugs**

We are afraid to explore without the substance, e.g., alcohol, caffeine, cigarettes, drugs.

The suppression of the emotion leads to consuming the substance.

- there is a danger of death
- taken to escape or avoid.

Receiving love from God is better than any drug.

Drugs prohibit the body from receiving and absorbing love.

Urgency is based on fear – not loving.

Love is based on truth.

Our normal state is not to be afraid of anything.

Law of Attraction – it is the unhealed emotion that draws the event to us.

50 million children die of starvation/malnutrition every year – fear of lack.

When love drives the action, love is the winner.

Love is compromise.
– desires, passions.

Love is never compromise.
– harmonious with love.

If you are compromising, then you are not loving yourself, you are not truthful to yourself.

Truth sets us free –
not lies or untruths.

**THE TRUTH
WILL SET YOU
FREE.**

You cannot be close to another person while your internal and external dialogue is not identical – we are creating barriers.

Negotiation is all about compromise.

We negotiate to hold onto a position of lack.

If people are in love, there is no need for negotiation.

**Love sees the need.
Love sees the greed.
Love does not compromise the principals.
Love does not accede to greed.**

Home is anywhere we want to go without borders, compromise, restrictions.

We need to remove our attachment to a location; nations without borders!

Love allows ‘white’ lies.

**Love never lies (not even little white lies).
We never believe there is a white lie.**

White lies are told to help another person avoid an emotion.

People are scared about telling truth.

Fear is not love, fear is the creator of ‘white’ lies.

A white lie hinders your growth in love towards God.

White lies are an effort to make the person feel different to what they actually are.

**We try to do the loving thing, and try not to do the unloving things.
Avoid the intellect and connect with God.**

By living true to ourselves, true to our feelings, we are living true to God. It's that simple.

Golden Rule: that one must always honour another's will as one honours one's own.

John: 'There is never fear in love, but love drives out fear.'

Divine Love Flow:

LOVE > FEAR

Prayer to God with a feeling and longing for
God's Divine Love to enter you.
Have a longing for truth from God.

The DEVELOPMENT of the SOUL in NATURAL LOVE:

16 February 1916

P. 90 The Human Soul – Pathway Home
P. 314 Book of Truths

Man is helped, and more than in any other way, by his meditations of the higher things of his being, and by prayer and aspirations to our Mother and Father, who hears the prayers of the man who has only this natural love, and answers them just as He does the prayers of the man who has the Divine Love in his soul.

Luke

27 April 1916

P. 97 The Human Soul – Pathway Home
P. 360 Book of Truths

Man was created so independent in his great will power, as regards the dualities of thought and desire both spiritual and material, that God never interferes to compel. The principle involved in “whosoever will” must be exercised by man before the Father will intervene. But when it is exercised He does intervene, and never refuses or fails to answer the call of the sincere cry of man for help.

Luke

It could be said that there is but one emotion, and it is **LOVE** !
 All other ‘emotions’ are varying degrees of lack of love.
 We are all growing and embracing **LOVE** as our fundamental true nature.

That which you focus on grows. If you focus on releasing fear you are still focusing on fear and it will grow.

As we make a decision now to have the one focus of raising love, anything that is not love will surface to be embraced and transformed naturally into the light of love.

When we are willing to see fear in a new light we will see it being overcome and becoming one with the light ... the light of love. (Marie Brunger)

The only difference between VICTIMS and VICTORS is three letters ... I AM.
 I AM ... The highest non form of communication available to man-kind and when activated or remembered overcomes and becomes the highest form of communication through mans kindness.
 If I AM are the two most powerful words in the dictionary and we know the power of GRATITUDE then what happens to the vibration when you affirm THANK YOU ... I AM (Marie Brunger)

The COMMITMENT – Paul:**Quotes:**

“Not enough people realise the absolute power of love, the very life force that it has in and of itself.”

MoC 980

“Happiness does not come from the possession of material things, nor does it come from a person’s position in life. It comes from the love you share with your brothers and sisters, and your relationship with God.”

MoC 970

Where you truly live is in the feeling.

Choose how it feels just for a moment to live in the state of happiness, a state of unlimited joy.

A state where you know yourself to be loved no matter how many mistakes you think maybe you’ve made.

But know that you are loved in this moment, truly loved, for you are.

Jeshua on Line (not really ... or maybe!).

<http://www.oakbridge.org:80/>

Make every day a thanksgiving day.

When you awaken, take hold of that gift.

Choose whom you will serve in that day.

Will you serve the world that speaks of problems?

That speaks that there could be threat of punishment, of criticism, of non-love?

Or will you serve the love?

Will you serve the joy?

Will you serve the Light and bring that Light into everything that you do.

Choose you in every day whom you will serve.

Jeshua on Line

How does it feel to know love?

Wonderful. It allows the heart to open. You feel happy. You feel loved because you are giving love, and as you give love, you are in it. You are blessed by it and that feels good. It is a great place to abide.

Allow yourselves to be in love and to stay in love, that creative remembrance of who I am, the Christ of me, the Buddha of me, whatever label you want to use; the divinity of me, that place where the heart opens and you come home once again. Welcome home, beloved ones.

Jeshua on Line

The original thought, “love”.

It implies a unity that is so great that we do not see each other simply as close friends, or brothers and sisters, but, ideally, as the Creator; and, as we see each other and ourselves as the Creator, we see one being.

To know reality: this simple thought of absolute love, a thought of total unity with all his brothers regardless of how they might express themselves or whom they might be, for this is the original thought of your Creator

P.22 & 24 The Ra Material, book 1

Love is a ‘quality’ of God and is God’s very essence.

God brings beauty, love, joy, forgiveness, compassion, and freedom.

P.5, 11 Reality and Subjectivity by David Hawkins

God does not exhibit favouritism or exclusivity.

The love of God is absolute and unconditional.

God is still, silent, and unmoving.

Accept that the concept of ‘the fear of God’ is ignorance. God is peace and love and nothing else.

The depiction of God as a ‘judge’ is a delusion of the ego.

God does not need anger management counselling.

P.108 Reality and Subjectivity by David Hawkins

The POWER of LIGHT:

P. 110 Emissary of Light by James F Twyman

The foundation of fear is your first fearful thought.

(MoC 1,000)

This is the thought upon which each subsequent fearful thought has been based. This first thought marks the beginning of delusion, the foundation of an illusory thought system that has influenced and controlled your perception of the world, yourself, each brother and sister, and God.

(MoC 980)

The first fearful, untrue, and illusory thought on which every other thought is based is simply this:
You are separate from God.

In perceiving yourself as separate from God, you have created a world where you are separate from and threatened by everything.

(MoC 980)

David R Hawkins:

Love: Love is not what the media professes: emotionality / physical attraction / possessiveness / sentimentality / control / addiction / eroticism / novelty. When lovers or marriages "break-up", they usually were based on these attitudes rather than love, which is why this kind of "love" can lead to hate. It wasn't love in the first place. Love deals with wholes. Unconditional love (MoC 540+) is accompanied by measurable release of endorphins. Love takes no position / permanent. Only 0.04% of population lives out of this level of consciousness.

Energy Level MoC 540: JOY

As Love becomes more and more unconditional it begins to be experienced as inner Joy. This is not the sudden joy of a pleasurable turn of events; it is a constant accompaniment to all activities. Joy arises from within each moment of existence rather than from any outer source. 540 is also the level of healing and of spiritually based self-help groups.

One individual at a higher level of consciousness counterbalances many, many individuals who are below the critical level of 200.

Below the 200 level are the attractor fields of shame, guilt, apathy, grief, fear, desire, anger and pride. Right at the critical 200 level comes courage and its ability to empower the self out of the victim-orientation of the lower frequencies.

At 300, a person has risen above many emotions of conflict to achieve some non-judgment and to feel optimism. At 300, one person, within the global mind, counterbalances an incredible total of 90,000 people below the 200 level. Such is the power of higher states of consciousness.

At 400, the individual achieves a harmonious attitude which brings acceptance and forgiveness. Furthermore, they gain an enhanced sense of reason, which brings understanding and meaning to life. This level is readily achievable.

Those who, for example, pursue higher education and the professions function at the 400 level, where one person counterbalances an incredible 400,000 people below the 200 level.

To reach 500, a person needs to be spiritually conscious. At this level, unconditional love and unconditional forgiveness become alive and well in their reality. Here, one person counterbalances 750,000 people who are below the 200 level.

600, when a person has practiced meditation long and diligently enough to attain bliss consciousness at the 600 level, they are, at that moment, counterbalancing 10 million people below the 200 level.

Do you need a more compelling reason to develop your inner faculties? Just look at the wonderful level of service that each advance in consciousness brings into our world.

And all this is by just being who you are and who you can become, before you even begin to physically help make the world a better place through your support and direct action.

This wonderful level of service is the direct effect of your consciousness upon a world which has been starved, for so long, of spiritual thought and spiritual energy.

Efficacy of health care practitioners is profoundly enhanced when they are within the space of unselfish love, that is, at a consciousness level of 600 and above on the MoC.

Further, should the level of truth of the modality that they are practicing calibrate above 600 also, then incredible positive outcomes occur in spite of all outside influences.

- Conditional Love MoC 500+
The start of healing potential.
- Unconditional Love MoC 540+
Undisciplined love, giving, but giving into the whims of others. Child demands so you give.
- Unselfish Love MoC 600+
Being assertive, some emotional pain (error leaving self) to benefit self and others. This is the level where profound healing profusely occurs.

It is when a health practitioner is personally within the MoC zone above 600, and is also applying a health care modality that calibrates above the level of truth of MoC 600 that health improvements are profound.

We heal ourselves, significantly more so when we are within a higher energy environment, such as that comes with levels above 600 on the MoC.

What is love?

P.253 The Eye of the I by David Hawkins

Love is misunderstood to be only an emotion; actually, it is also a state of awareness, a way of being in the world, a way of seeing oneself and others.

Love for God or nature or even one's pets opens the door to spiritual inspiration.

The desire to make others happy overrides selfishness.

The more we give love, the greater our capacity to do so.

It is a good beginning practice to merely mentally wish others well in the course of the day.

Love blossoms into lovingness which becomes progressively more intense, non-selective, and joyful.

There comes a time when one 'falls in love' with everything and everyone they meet.

This tendency to be intensely loving has to be curtailed because love, curiously enough, frightens many people.

Many people cannot look fully into another person's eyes for more than a brief second, if at all. This is especially so if the one looking at them radiates lovingness.

Some people even panic when exposed to love.

Some spiritual treatises teach that there are really no stages of enlightenment, as though it were all-or-none phenomenon.

This represents the unexamined view or only a partial report which was conveyed by some teacher for a specific purpose to a specific audience at a given time.

Study reveals that saintliness is a descriptive term applied to people who have reached, usually, the calibrated level of the high 500s.

At this level, joy leads many to become spiritual and inspirational teachers, healers, great artists, or even great architects who create the great cathedrals, great inspirational music, and the production of beauty in all its forms.

See the inner joy within everyone, regardless of the surface conditions that appear.

In truth, love is all there is. Everything else is just an illusion and therefore unworthy of your time, energy and attention.

Hold only thoughts of love and success, and you are assured of only attracting love and success into your life.

The GIFT of LOVE:

P. 179 Emissary of Light by James F Twyman

"The final lesson is about the true meaning of love. I have said before that fear is the self-imposed block to the awareness of love's presence.

When fear is released, love is revealed.

And yet the true experience of love is beyond anything you can now imagine.

It lies past all the images and symbols you have made to obscure love's call.

And yet it is closer than you know, closer than your breath or even the silent whisper of love's longing for itself.

And what is the secret that love has whispered into your half-closed ear, the distant echo that has haunted you so?

You are the very essence of Love.

This very moment, just as you are, in spite of all the preconceived ideas you have of yourself, love claims you and accepts you."

Integrous prayer can have a positive effect in the course of human evolution. Prayers that include a surrender to God's will stem from a higher motivation.

UNLOVING PERSONALITY

Soul encrusted with negative and damaging emotions and beliefs held by the mind in the spirit body. Soul is choked of love and the darkness impedes the flow of love which darkens the spirit body and damages the physical body for all to see.

LOVING PERSONALITY

Spirit body mind is clear of man-made negative emotions and beliefs. The flow of love from the soul illuminates the spirit body and brings beautiful harmony and health to the physical body for all to see.

Dark spirits, being those with poor soul conditions, are shrivelled up and with little energy to express their bad attitudes. The Law of Non-Interference prevents them from causing harm to other spirit people or to people in physical bodies. They are isolated within the dark Spheres of Disharmony.

LACK of SELF- LOVE:

A composite of:

- a. lack of self-worth
- b. lack of self-acceptance
- c. arrogance and pride
- d. self-loath and hatred
- e. lack of self-awareness.

Why one has imperfection in their natural love is due to an extension of one of these traits, and all these traits relate back to one single finite Truth, which in its cause is a lack of self-love. The lack of self-love to one's self is the cause, the root cause, on why there is so much fear within individuals, the human world and the lowest spheres in the spirit world. The individual will have a memory that describes how this lack of self-love appears and many people deny this existence of the lack of self-love within themselves because it hurts too much to see it.

Our perfect soul is founded on natural love. Our soul may become encased / encrusted in error bringing about lack of self love. To dissolve the errors encrusting our perfect soul is by growing in truth through the ongoing healing of one's negative state, by doing our Feeling-Healing of our toxic emotions. By ending our feeling denial and healing any personality expression denial we have.

The Mother and Father's Divine Love will slowly strengthen our resolve to perfect one's own natural love, should we address such errors. Slowly but surely, with the Divine Love, our soul's condition will grow and grow. With the Love this will fit one to enter the Celestial Heavens, and beyond, being in the love of all that surpasses man's imagination. Try the experiment.

Why do people behave unlovingly without reason

<https://new-birth.net/contemporary-messages/messages-sorted-year/messages-2014/why-do-people-behave-unlovingly-without-reason-wv-3-december-2014/> Antwerp, Received by WV. Dec 3rd, 2014

Hello my friend. So nice to see you blossom again. I'm glad you noticed we were with you. There was indeed a reason for you to feel the energy of anger during your meditation. We needed you to feel it so we could explain a couple of things to you concerning: 'knowing thyself' and 'loving thyself'.

When we reminded you about the experience of someone stabbing you in the back you felt anger, sadness and powerlessness coming over you. Especially when you thought about the fact you had never done anything wrong towards that person. On the contrary, you even protected him when other people were talking about him behind his back. You were sad everybody was so quick to jump to conclusions (and judge you) while nobody even thought of asking you for your input to clarify a thing or two.

The reason why people behave like this has been a big question to you (and also to a lot of other people who've experienced the same thing) and has occurred many times during your life. It is like a theme that pops up once in a while.

The first thing you have to understand is: energy accumulates during life when it is not classifiable. If we have an unloving experience, all other unclassified encounters, belonging to the same (unloving) theme, will add up (energy) to your current experience. That explains, for example, why people sometimes seem to react irrationally or why they overreact to a specific experience.

Secondly, I want you to think about this: everybody has had experiences where somebody treated them very badly but they were able to forgive that person because they knew the reason why they were overreacting; for example: because they just lost their mother, because they just found out their spouse wanted a divorce, etc. So being able to identify the reason why people act unloving towards us helps us to classify and forgive or forget about it. That is the reason why we are having this conversation: to help you classify the unclassifiable experiences.

Most of our unloving experiences are unclassifiable because most people (we have such experiences with) are not able to give us the reason, because they truly do not know themselves. This is why it is so important to 'know thyself'.

So if an acquaintance tells somebody you are not trustworthy (and you have done nothing to them to make them say such a thing) you have to understand the subconscious process behind it. Deep down inside, the soul knows what the (internal) problem is. It will try to establish a connection with the mind so it can clarify the reason of the problem why one feels out of tune. This is an automatic process (of the soul) because the soul is only made to give and receive the energy we call love and it wants to regain its pristine state of natural love as it was before incarnating . Of course the mind (or ego) doesn't want to hear about this so it will project (what the soul wants to explain) onto someone else. Hence, if you carefully analyse what we just explained, you will understand it is what lies underneath 'the principle of projection'. People see themselves in others. It doesn't define the other, it defines them.

Let's take your experience for example. The person who said you were not trustworthy hasn't got a problem trusting you. Deep down inside he has a problem trusting himself. The reason why is up to

him to find out. And if people would just ask for Divine Guidance and Divine Love to help them and let go of their minds and preconceived ideas about what the answer should be, they would get a clear and accurate answer so they are able to classify it and live a life without having to deal with the burden of such flaws over and over again. And once more the importance of ‘knowing thyself’ is shown. If people would apply this knowledge to themselves and acknowledge it is an internal (not an external) problem – how hard it might be sometimes – they would evolve much faster.

(Well, this all makes a lot of sense but it doesn't take away the fact they influenced other people to think the same thing about me. That harm is still done. And what about the fact I sometimes want to talk to people about the incident although I know I shouldn't because I feel it's not that important. Is there a reason for that too?)

The fact you have the urge to talk about it does indeed tell you more about yourself. It tells you, you still don’t love yourself as you should; that you still need/want other’s confirmation about who you are. But if you look closely, you will see how ridiculous that is. How others look at you doesn’t define who you are; how you look at yourself defines who you really are. But it is because your father deceived you into accepting this flaw (because it was to his benefit) that it has now been ingrained in your mind.

So you see, the things you just mentioned and asked are all related to the same flaw you accepted as being true. And as long as you do, that flaw will block (a portion of) the natural love to flow through your soul. Flaws block the flow of natural love and that is the reason so many have a dark soul. For as the flower needs sunshine to blossom, so does the soul need love to shine.

Unlike Divine Love, natural love flows around, through and to everybody without having to ask for it. Like there is a Holy Spirit, (for Divine Love) there is also a natural (love) spirit because our souls need love to function at normal capacity. So the state humanity is in now, is much less than its true capacity. That is why we have said so many times and through so many mediums before: the state of the perfect natural man is your birthright; it is your normal level of being. The only thing man has to do to regain this state, is unblock the flow of natural love by letting go of the flaws it is hanging on to; not by adding something which isn’t already yours.

There is one last thing I want to explain before I stop. Since this normalisation process (to give the process a name) is automatic, the soul will always be looking for ways to restore its natural flow of love. And because the soul is sometimes so deprived of love, it feels almost impossible to restore its natural flow, let alone to re-establish a connection with its Source (God). Therefore it seeks help from a much closer source: the human soul (it comes into contact with); but one that contains a lot more love than itself.

So next time somebody treats you in an unloving way, don’t be offended. Consider it a compliment since their soul recognizes you as a source of love and is reaching out to you for your help and love; it is only their mind that is blocking them from seeing the truth. So stay kind and loving (as Father) and don’t let them influence you to deprive your own soul from the love it needs. That is the only way you can ever really help them.

Thank you for helping us out with explaining this. We like what you have written. [Laughs]
Your friend, John.

What happens to the spirit and material bodies is that the emotions cause lots of damage to both of your bodies. All the held emotions, held for 50 or 60 years or so, you have quiet a lot of held emotions, held in there from childhood for a long time, that does a lot of damage to the body.

It is a bit like when you try to hold a muscle in a contracted state. You can do it for a few seconds, but if you try and hold your fist in a contracted state for a minute and you start to feel the pain well up. You try doing it for ten minutes, you get to the point where you can't feel your arm any more. And if you think about that, that is what is happening to your body as well.

Both bodies, spirit and physical, have genetic structure. Both your spirit body and your material body are just in different dimensional spaces, and they both have genetic structures, and those genetic structures are very much influenced by the emotions within the soul.

This is why when you read the Padgett Messages / Book of Truth, they talk about someone in a good soul condition, they see a very bright body. The body is a reflection of the soul's condition, particularly the spirit body.

So what happens when you release an emotion, all of these emotions have held in all of these toxins and all these physical problems in both bodies. And then you will go through a process when all of these toxins will start releasing, will start releasing over a period of time.

Now the physical body is the slowest body to respond to the soul's change. The spirit body responds quiet quickly to the soul's change. So a lot of times what happens to the spirit body within a few hours or a day or two, new energy pathways are now open, so the spirit body repairs itself quiet rapidly from the damage that had been done to it by holding in the emotion.

The material body is a little slower. Many of its cell replication processes can take any where up to seven years to occur. So what happens with the cell replication process in the material body is that now that the emotion has been released, all of these emotions that affected this replication process in the body, including what happens in the brain in terms of its wiring structure, everything in terms of its physiologically, how the body actually repairs itself, and all of those different things are all controlled by the emotion. So when the emotion is released and now the body is free to make these adjustments, but because of that, the initial influx is usually toxins and everything starting to come out of your body. And obviously, your physical body needs to rest during process. So you will often go after releasing a causal / core emotion of any type, you will often feel like resting and sleeping. Just let your body do its thing.

It is the emotion that caused the problem, so as soon as the emotion is gone the body will recover.

The emotion from the soul dominates both bodies and determines the condition of both bodies, so when you release an emotion from the soul your bodies will recover.

'The difference between what are regarded as two paths, the Natural Love Path and the Divine Love Path, is, essentially, the amount of Divine Love that beings have been able to acquire.'

Quote from Celestial Spirit Richard 22 Dec 2012

LOVE.

Let us divide love into two sides. There is the love that comes from within yourself, and that love is what is called, the natural love.

But there is another love, and that is the love that comes from God into you, and that is what is called Divine Love, and some have spent a lifetime trying to define that and still cannot define it.

One can define the qualities of it, and all the feelings and emotions from it, but the problem of defining that love, Divine Love, God's love, it is such a powerfully blissful emotion that it is impossible to describe with any words that we have here on earth, and therefore, very difficult to define it, unless one can give you the feeling, but one can't give you the feeling because it is God's love that is entering your soul.

So, while one can define the natural love, when we look at the word, love, we can certainly define love, but when it comes to actually defining God's love, you will only ever find the definition through your own experience of the Divine Love.

The Divine Love Path incorporates the Natural Love Path. There is no problem in displaying natural love. In fact God designed you to display natural love in order to be happy, if you wanted to be happy without God in your life. If you wanted to be happy without choosing God reliance in your life, instead just be completely self reliant. Or you wanted to make up your own rules about God, your own rules about life, if you want to be completely happy, you will have to at some point follow one of the natural love paths. There are literally millions of them, because mankind has set up millions of ideas and paths as of a result.

The choice in the end, are we going to remain self reliant or become God reliant. Being self reliant we cannot progress past the 6th sphere. The natural love path is about self reliance and there are beautiful lessons to be learnt about self reliance.

However, the divine love path incorporates all of those lessons, and in addition to that, teaches you complete God reliance.

The BACKGROUND of the COMING of DIVINE LOVE:

P. 59 The Human Soul – Pathway Home

P.366 Book of Truths both by Joseph Babinsky

I am here, your grandmother –

I will tell you tonight of a truth that may be of interest to you, and I know that it is of importance to all who may long for happiness in the future life. As you know, I am now in the Celestial spheres, in a place higher than the third Celestial sphere, and where are no special lines of demarcation separating it from what you may call the higher planes.

[Natural Love Spheres are from 1 to 6 – Kingdom of Man, the realms of the spirits. Sphere 7 is the transitional sphere to being at one with God. The Celestial Spheres are from 8 upwards – Kingdom God, the realms of the angels who also were once mortals living on Earth.]

In my plane, the inhabitants are those who have received the Divine Love in their souls to an extent that makes them know that they are of a nature that is divine and in at-onement with that of the Father. Of course, those who have entered the first Celestial sphere have the knowledge of having partaken of the divine nature, but they are not so filled with this love as we are who live in the sphere that I am in.

It is not possible for me to tell you of the extent of our happiness, because you have no words in your language that can possibly convey a faint conception of this happiness, and I will not attempt to describe it; but if you will combine all the emotions of joy and happiness which you have received or experienced in all the years of your life, you would not be able to realize the meaning of our happiness in the faintest degree.

I merely recite this truth to show to you and all mankind what is possible for you and them to obtain, if you will only pursue the course that the Father has provided and the Master has pointed out in his messages to you.

The great instrument that causes this great happiness is love, and by this I mean the Divine Love of which we have so often written, and without which it is impossible for a soul to obtain this condition or to become a dweller in the Celestial heavens.

Man, as you have been instructed, was not created with this love, and could only obtain it by his own longings and aspirations being exercised in the way that the Father had provided; in no other way could these desires for this love be realized. But the great pity is that the first of the human race declined or rather refused to pursue this way, and thought that they were wise enough to know a better way. And in attempting to pursue this way brought about their own fall and loss of the privilege of obtaining this love. In all the long years until the coming of Jesus, no man, after the first created, had the privilege, and hence, it was not possible for them to find any greater happiness than that which might come from their natural love.

At the coming of Jesus, men again had bestowed upon them this great privilege, and a possibility of the knowledge of the way in which the privilege could be exercised. This was not declared to all men, for the territory in which Jesus taught and proclaimed this important truth was very limited, and the great

majority of men died without knowing that this gift had been rebestowed. But God in His goodness and love did not restrict the bestowal of this love to those who might be fortunate enough to learn of it from Jesus and his apostles, but sent His holy spirit to implant it in the souls of all men who might be in such condition of soul aspiration and longing as to permit this love to enter their souls.

When spirits became possessed of this knowledge they commenced the work of trying to influence men in such a way that there arose in them a longing for a closer unity with God, and an opening up of the soul perceptions. As a result many men in various parts of the world received this love in their souls without knowing that it was this Divine Love, but it was. And when these men in their spirit forms entered the spirit world, they soon found that, to some extent, they were possessed of this love, and it was not difficult for them to listen to the explanations and teachings of those spirits who had received it, as to the truth of its existence.

Now all this may not appear to be of much importance to present man, and hardly worth attention; but my great object in writing in this manner is to show that God had no special or peculiar people, and that it was not even necessary that all people should learn from Jesus the fact of this gift, for in such a case, the great majority of mankind could not possibly have heard of this love while they were yet mortals. No, this was not a necessity, but the knowledge which came to mortals through Jesus enabled them, who possessed it and believed, to the more readily pursue the way to obtaining this love.

Many spirits had received the benefit of the rebestowal of this love, or rather the privilege of seeking for and obtaining it, before Jesus came to the spirit world, yet they understood that the greater extent of the possession of this love was in Jesus; and no spirit now possesses it to the degree that he does. But whether the souls of mortals or spirits received the knowledge of this truth from Jesus or from the workings of the holy spirit in its ministrations, they all know that the seeking for and getting this Divine Love are the only means by which the soul may become an inhabitant of the Celestial Heavens.

I realise that what I have written conflicts with the orthodox belief that it is only through the death and blood of Jesus that men can be saved from their sins and become children of God and at-one with Him.

If this belief were true, then by Jesus' sacrifice all men would be saved, irrespective of their obtaining this Divine Love, or only those would be saved who had heard of Jesus and accepted him as their saviour.

Neither of these propositions is true, for without this Divine Love entering into the soul of a man, it would be impossible for him to partake of the divine nature of the Father, and become fitted to occupy a home in the Celestial spheres. This love in the soul – a result of the workings of God's ministering spirits, causing a real soul longing, in conjunction with the holy spirit – makes the man of a nature divine, and a redeemed child of God. Now from what I have said it must not be inferred that the mission of Jesus and his work on Earth and in the spirit world are not the great things connected with man's redemption, for they are. It was not until Jesus' coming that this great gift was rebestowed, and it was not until his declaring this fact and teaching the great truth of the new birth could either mortals or spirits receive this privilege. The ministering spirits could not influence the souls of men to seek for the inflowing of this Divine Love until they had first received it themselves, and under-stood its existence. And here let me declare a fact, that when Jesus preached to mortals on Earth the necessity for the second birth, myriads of spirit beings heard these teachings and became possessed of this knowledge.

And today, men are attended by hosts of spirits of all kinds, and the sayings and teachings of men are heard by more spirits than men, and the influence of such teachings has its effect upon spirits as upon men, for the spirits of men which are existing in the Earth planes are the same spirits substantially that they were when on Earth, and an earthly friend frequently has more influence upon them than do other spirits no matter how high their condition may be.

I am so happy to be able to write you again, and let you know that I have not forsaken you. I am with you quite often and am trying to help you. Pray more to the Father, and exercise more faith and you will grow in soul development and happiness. I will not write more now. *So with all my love and blessings,*

I am your grandmother – Ann Rollins

FEELING HEALING and the EFFECTIVENESS of EMOTIONAL PROCESSING:

Hi James and Nanna Beth (questions in blue by John)

Thursday, 13 July 2017

The question to address is:

What is different with the outlines of the Feeling Healing process as against the numerous other emotional processing methods?

Nanna Beth: The difference is the focus on the truth: uncovering the truth of oneself through your feelings – uncovering the truth of your feelings. It's a rebellion against the Truth, so if one doesn't want the truth, nothing will happen, one will only move deeper into one's rebellion against it. And because the focus is on the Truth, so one can use it all the way to uncover the Whole Truth of Oneself. And there is nothing else teaching that.

All the other systems that involve looking to feelings to some degree fail to understand the deeper significance of wanting the Truth. Many people uncover some truth of themselves through their feelings, but mostly they end the process because they don't want to follow it right the way through, which means they only want to heal some momentary pain, and once that is done, are usually happy to continue on in their untrue state.

And because one is wanting to uncover the whole truth of oneself, then it becomes a full spiritual experience, and one that can be done by oneself, so without needing help from another, although at times help is sought and used. So the Feeling Healing embraces Healing the whole seven Mansion Worlds worth of self- and feeling-denial, which is the complete Rebellion and Default. Other systems might only work at some aspect of it, limiting the ascent of truth through all the Mansion Worlds.

And basically no one understands the absolute depth of the problem within themselves, which is only borne out by people and spirits doing their whole Healing. Much of the current psychological understanding falls well short of understanding the depths that are involved because they don't include the overall problems brought about by the Rebellion and Default. You have to understand you are rebelling against yourself: the truth of yourself, and so against your own soul; which is then the truth of God, so the Mother and Father; and that also includes the truth of Mary and Jesus. So at some point you have to rectify all those relationships, which you can't do unless you understand the bigger spiritual picture. And so that's what James has revealed, taking all Marion has said, all the books offer, adding his own stuff, and putting it all together as a way of life, a spirituality that can be lived, and one that initially focuses on Healing oneself of all one's wrongness.

Why have all other methods of releasing and delving into emotions not been successful?

Nanna Beth: Because they don't understand the scope of the problem, as I said above. They are not approaching it from the point of view of understanding the nature of one's Repressed Childhood state, the extent of that; and then how one needs to allow oneself to feel all the bad feelings, not reject them; and then bring them out, which is the releasing of them; all whilst wanting to know the truth of them – the truth of what you are feeling. And that truth is what needs to come up within you so you can heal your will and become a truly functioning person, fully self-expressive, self-loving, and growing continually in truth.

All the other systems work within the control of the mind, so once the therapy ends, the mind regains control albeit in a different way. Only the Feeling Healing and Soul Healing with the Divine Love, seeks to entirely break the control of the mind over one's feelings.

Why haven't other methods been going deep enough?

Because people are basically afraid to push into such early childhood trauma without understanding where they are going or what it's all about. The leap of faith is too great, as it would mean they would have to rise above and conquer the Rebellion and Default within themselves, and that's simply too much to ask. The negative truth-denying systems within everyone are too deeply entrenched.

However the spiritual structure outlined by James provides a structure that allows you to deal with the Rebellion and Default, allowing you to maintain your faith, and evolve it, as you progress in your growth of truth – it gives one a picture to work with. Very few people, and possibly only Marion in fact, are able to press on into such dark depths without any structure and with only a faith that it's what she and God want to do.

I (Beth) couldn't have done it Marion's way John, I wouldn't have allowed myself to feel such pain, I needed to understand the bigger-picture reasons as to why I was in such pain, and be given the understanding that if I kept at it, one day it would end. Marion doesn't know it will end, she just keeps going one bad feeling at a time, which requires a tremendous amount of faith and over so many years and through so many inner obstacles; and still she doesn't know if it will end, but as she says, there is nothing else she can do other than keep going because she tried everything else. And she doesn't want to let her mind come in, only wanting to stay true to her feelings, so she doesn't want to know about the bigger picture even though she has worked it out along the way for herself and for James to understand which he's worked into his books.

So the spiritual aspect or approach James has provided, even if it's not actually talked about; the simplicity of honouring your feelings, and in particular your bad ones, then by accepting them you allow them to have their say, so you express them, all whilst longing for the truth, includes all one needs to know. And so by doing that, one will be able to fully Heal themselves working it out along the way for themselves; and even if they don't understand it, will be living the highest truest spiritual life one can live in one's wrongness, which in time will lead to one's Healing of one's rebellion and default.

On the surface of it, what James has related seems overly simple, but doing it yourself, and see what happens and what results; and that will take one deep into oneself uncovering the whole truth of oneself.

Many will consider that what they have been doing is adequate – why are they wrong in their understandings?

Nanna Beth: Because they don't understand what it's really all about. They don't understand the mind is in control of their true feelings, and that needs to be stopped. They don't understand the significance of their rebellion against the Truth, and how that happened by default. They don't understand that it's about uncovering the whole truth of yourself through your feelings, all your feelings, but focusing to begin with on your bad ones because they are what most people don't want to see. Everyone else sees it that they are doing this feeling type healing to make themselves better, to rid themselves of their pain and trauma, so instead of taking a pill to take the pain away, they are using some sort of emotional clearing system. But that is all still to take the pain away, to fix themselves, to heal themselves, to

effectively take a pill so it all goes away, just like what the ‘Divine Love people’ hope the Divine Love will do for them, but it’s not to uncover the whole truth of themselves. We have to see the truth of our pain, why we’re in it, how it all came about, so what really went on in all our early relationships. It’s not about doing anything that just takes all our suffering away. We have suffered for valid reasons, which all have to come to light. And so only emotional and feeling accepting systems will help one see such truth of one’s pain and suffering are of any worth. And unless you uncover the whole truth of yourself, you’ll never set yourself free of your rebellion and default, of all your soul pain. And the truth means to see the whole truth of why you feel unloved, how unloving your early relationships were, why you don’t love yourself, why you are unloving, why you are evil and wrong, which basically no one wants to face.

So to summarise: We all have to see the truth of our unlovingness. We can’t avoid it – deny it. We have to face it and feel all it makes us feel. And all those bad feelings lead us into the truth of it. So we have to understand – bring to light through our feelings – all the truth of our unloved, negative, evil, wrong state. And then once we’ve done that, we can be free of it. So until you uncover and feel the whole truth of it, it will never leave you, you’ll remain in rebellion against yourself, you’ll continue to be unloving.

Firstly, consider discovering the truth of your emotional pain and injuries through Feeling Healing. Secondly, consider longing for our Heavenly Parents’ Love as you progress with your healing. Primary and most important readings are the writings of James Moncrief. Then consider the Padgett Messages, and then The Urantia Book.

LONG to KNOW the TRUTH of EACH INITIAL CHILDHOOD EMOTIONAL INJURY:

All emotional processing work address only the top layers over the core childhood repressed injury. None of the modalities reach down to the mother injury, the core of the suppression, thus what relief from such processes is only superficial and at best temporary. Yes, they do identify the underlying cause of the pain and illness, thus this assists in addressing the physical health issues at hand. However, we need to go further, much further.

To heal ourselves is to simply look to see what feelings we are refusing ourselves to feel, and accept them instead of denying them. And to fully accept them, we need to express them, speak about them, let them have their say, rather than pushing them aside, refusing to let them make you feel bad.

Admit you are feeling bad. Accept your bad feelings, identify what they are. Honour fully your bad feelings by expressing them, speaking about them to someone who is willing to hear you talk about them, or tell them out loud to our Heavenly Parents. Long for the truth of them. Long for the truth of why you feel bad – what deep within you is causing your bad feelings? We must always reach to the core issue, that which occurred during our Childhood.

P. 17 The Human Soul – Pathway Home

P.598 Book of Truths both by Joseph Babinsky

I am here, your true and loving Helen –

After I passed over, I saw that I must seek a way to communicate with you in my spirit existence, and you may not know, but it is a fact that I was with you when you visited the mediums who informed you that you were a medium, being possessed of the gift of automatic writing. And I, having learned this fact from some of your spirit relatives, and principally your father, impressed these mediums to tell you of the fact of your mediumship.

And when, at last, you made the experiment, I was present with you and exerted all my powers, and had the help of other spirits, in making your experiment a success. And when you commenced to receive the messages I cannot tell you how happy I was and thankful that the way was opened up that enabled me to tell you what, above everything else, I was so anxious to tell you. And if you will think for a moment of the nature of my communications, you will remember that the burden of all my messages was my love for you, and no matter how important other portions of the messages might be, yet in them was the continuous assurance that I loved you with all my heart and soul.

There are various kinds of love existing between humans, and also between spirits and humans, each having its source in different conditions of fact and in varying causes. And of all these loves, only one is or can be the true and eternal one.

The love of husband and wife is a beautiful thing, and may exist during the life on Earth and bring much happiness to its possessors even though that love is temporary, and, in the workings of the law of attraction in the spirit life, may entirely cease its existence and become forgotten. And so, I may state, will be the destiny of the paternal and maternal, and brotherly and sisterly love. All these are based upon causes or conditions that are merely temporary – that is, may last during time and for a more or less longer period in eternity, but finally must end. These loves, as I understand, are provisions of God which are necessary to enable mankind to work out their progress through the human life in the way that will produce the greatest harmony and happiness among mortals as they contend with the difficulties, cares and disappointments of the Earth life.

In the spirit world there is no need for these loves, for a greater bond of affection is provided, and is created or brought into operation by the great law of attraction, which causes the merely personal relationship that may have existed between spirits when inhabiting the earthly forms, to cease to be forgotten. This law of attraction is based upon the condition of the soul, whether that soul possesses the development created by the Divine Love or only that created by the purification of the natural love.

In the early stages in the spirit life the conditions of the Earth life may remain for a time, because the spirit's state of soul and desires and affections may continue to be as they were when on Earth. But as stagnation is not a quality of the soul in spirit life, these things which may have bound the humans together in the relationship mentioned do not long continue as they were, as there is no way of avoiding the workings of this law and its results.

In order for this state to continue any great length of time, it would be necessary that all the spirits bound by these affections or conditions should remain without change in their souls, and that rarely happens. For in our world the individual becomes the individual in fact, and the real is apparent and spirits see one another face to face, and pretence or effort to hide the true condition of love or affection, or want of the same, becomes futile; so that, as is the real state of the spirit, so is his relationship to other spirits.

Again, this law of attraction operates in other directions than that of determining the mere affections, for men's mental conditions and aspirations are determining factors in establishing relationships among themselves. When men become spirits they are at the time of transition, and for a longer or shorter period afterwards, the possessors of the same knowledge and aspirations as they were immediately preceding their passage, with this difference: that to a more or less extent this knowledge and these aspirations, when in spirit life, are made apparent to others, not necessarily in words and professions, but by the power of seeing, which all but the very depraved spirits possess, so that, pretence and dissembling being absent or of no avail, these spirits, under the law, attract those affections arising from their human relationships cease to bind these several spirits, and they obey the law. The temporary love has fulfilled its mission and object, and to continue to exist under the circumstances mentioned would work injury and retardation to the progress of these spirits, no matter what may be the nature or cause of that progress.

Now, while what I have said is all true, yet there is another provision of the Father's law, designed for the happiness of men while mortals, that causes the love arising from the human relationship to continue with the spirit so long as the object of that love continues in the flesh, and no matter what the progress of that spirit may be or what its attractions are, yet it continues to love the mortal during his earthly career, and to watch over and help him, and all this even though this love which once existed for other mortals in the same relationship, and who have passed to spirit life, may have ended and been forgotten. This human love is subject to change and death, and those of Earth life who console themselves with the thought that when they pass to spirit life they will meet their loved ones who have gone before, never to part again, will be disappointed, but not long distressed, for they will soon thereafter learn and experience the workings of the great law of attraction, and in that experience will be happy.

But there is another and differing love, not of the temporal, but of the everlasting, in its nature, and all humans have it, though probably unaware of the fact, but which at some period – and this may be for some time – in eternity they will become conscious of, and then never deprived of, for it is the perfect fulfilment of this law of attraction. I mean the soulmate love, of which I have written you so often. It was born before any man appeared in the flesh, and was a part of his very soul's creation, and of which he could never be deprived, though so often does it lie dormant in the souls and consciousness of man.

I and others have written you as to how when the souls of men were created by the Father, these souls were made male and female, though constituting only the one soul – two in one, the perfect one. And with their creation was bestowed upon them a love – not two loves, but only one – which was possessed equally by each part of the complete soul, and which will always remain one in its complete workings, although these two parts of the soul have to be, and are, separated in their incarnation in the human body, which incarnation is for the purpose of giving the male and the female parts of the one soul a separate individuality, without severing or disuniting this love, which through all eternity binds together these two parts as one.

The love of which I have first spoken is the love for time only; the soulmate love is the love for all eternity, and this great love which requires that at some stage in eternity these two parts of the one soul shall become one again, should be one of the most convincing proofs that all men, sooner or later, will come into harmony with the will of the Father and with the laws creating such souls. The fundamental law of the universe is that all things shall come into harmony with the will of the Father, and as the hells and all that they comprehend are out of such harmony, men may believe that in the ultimate working out of this law no soul will remain in the hells or in the condition or state of existence that primarily makes the hells, but that all souls in their perfected union will become inhabitants of either the spiritual or the Celestial heavens.

And further, I must say, as you have been told before, that this soulmate love is the only love that can have a separate and individual existence in the Celestial heavens, where the Divine Love exists to the exclusion of every other love save the soulmate love; and the more the spirits – the united two in one – possess the Divine Love, the greater will be their possession of this soulmate love.

As you know, I am your soulmate and come to you so often in my love, and you realize the fact and respond, and at times are very happy. You have experienced on several occasions the depth and yearnings of my love to such an extent that your soul has come to me in my spirit world and enjoyed moments of unspeakable bliss; and as you may not know, left me with protestations against its return to your mortal body, and, if my love had not been wise as well as intense and wonderfully absorbing, your protests would have been heeded and you would have remained with me to enjoy the happiness which can be yours only when you come to the spirit world to find your home everlasting.

It has been said that the man in love is a fool, and that may be true in regard to the merely human love, but as to this soulmate love the more of it we possess the wiser we become and correspondingly happy.

I cannot tell you the depth and height and wonders of my love, and only say that it fulfils to the uttermost the great law of attraction, and there is nothing, save the Divine Love, in all the universe of being that can excel it or take its place, or make two souls so united that even death cannot sever it.

I will be with you as long as you continue to live on Earth, in all the fullness of my love, and when the time of your passing comes, I will be present; and so much love will be around you that you will forget the dying and the awakening, and know only that your soulmate is with you telling you of love and happiness and the beauties of the life that will be yours, and showing you to a large degree how splendid and heavenly this love can make a spirit that possesses the Divine Love also.

Well dear, Baby (daughter who had also passed) is here and says she has read what I have written and is so glad that you have me for your soulmate. She is very happy and is growing all the time in beauty and in the possession of the Father's love, and so wants you to seek more and more for this love, and says, "How rich Daddy is to have the soulmate love of my beautiful mother and the certainty of the great love of the Father, if he will only seek for it; and in addition, which may not count for much, he has the love of his own Baby, who is now so happy."

And Mary says that I must not neglect to say that she is here also, and has read my message with great pleasure, and wants me to tell the Dr. that if he will only substitute himself in your place and her in my

place and read the letter he will know something of her love for him; that he is her soulmate and can never be another's and she is with him so very often trying to impress him with her presence and love.

Well dear, you have written a great deal and I will stop. I am so glad that I could write.

Goodnight, my dear Ned.

Your own true and loving – Helen

[Ned is James Padgett, the husband of Helen. James Padgett recorded this and many other transmissions by spirits from the spirit world by using ‘automatic writing’. Automatic writing was preferred as the various spirits were able to read the transcription and correct errors should they occur. James recorded messages from more than 150 spirit people from within the spiritual realms and the Celestial Realms. At the time of this transcription, his wife, Helen, was within the Celestial Realms, being at one with God, a condition that occurs once we progress to the 8th sphere, from there we can progress further in love and into higher spheres within the Celestial Realms.]

A note from Joseph:

“What remains in importance is that you and I and everyone keep our focus on God and His Great Love. Pray, pray and pray and never cease praying. Love will come and with it faith and the substance of change within our souls. God loves each one of us so very much, and yearns that we love as S/He loves.”

With love (and a hug) to all.

There are multiple cords connecting the soul to the spirit body as there are multiple cords connecting the spirit body to the material body.

We start living our experiences through our bodies.

SOULMATE LOVE has NOTHING to do with SEXUALITY:

Soulmate love is enduring for all time.

Natural sexual love is not enduring.

<http://new-birth.net/contemporary/hr43.htm>

Soulmate love doesn't have anything to do with sexuality, neither with the physical body's sex, which the incarnated souls have occupied in their mortal lives. Sexuality and soulmate love move on completely different levels, the first one on the material level, and the second one on a high spiritual level.

Soulmate love is only exceeded by God's Love, which brings perfect fulfilment and supreme happiness.

Soulmate love has nothing to do with sexuality. One is a spiritual love and the other is a natural love. The natural soul doesn't exist in the Celestial Heavens (8th sphere and up), its last remains having already been transformed in the 7th sphere. But soulmate love continues.

5th sphere is when you find your mate.

As a man or a woman progress in love up through the spheres, their physical and sexual attraction for a partner progressively abates. As we move up through the spheres in the spirit world our sexual desires and interests lesson and eventually dissolve. Sexual attraction is a natural love aspect.

The unincarnated soul, waiting to be individualised, sometimes has the composition of two males to be, or two females to be. The soul has no sex, the soul has no gender, it is neither female nor male, and that the condition of woman or man is determined exclusively by the physical body, and that definition continues being reflected in the lower spheres of the spirit world in their spiritual bodies, because the appearance of that body is the product of the soul's creative power, still influenced by its physical experience in the mortal body, but this difference disappears eventually as the soul progresses to higher spheres. The parents determine the sex of the child.

The real you is your soul.

TWO KINGDOMS and TWO WAYS:

May 15, 1917

P.513 Book of Truths – Joseph Babinsky

P.184 The Human Soul – Joseph Babinsky

The question arises how or in what way can a man obtain this Divine Love and this new birth – and the Celestial Kingdom.

The only way then is simply this: that man shall believe with all the sincerity of their minds and souls that this great love of the Father is waiting to be bestowed upon each and all of them, and that when they come to the Father in faith and earnest aspirations, this love will not be withheld from them. And in addition to this belief, men shall desire (pray) with all the earnestness and longings of their souls that He open up their souls to the inflowing of this love, and that then may come to them the holy spirit to bring this love into their souls in such abundance that their souls may be transformed into the very essence of the Father's love.

The man who will thus believe and pray will never be disappointed, and the way to the Kingdom will be his as certainly as that the sun shines day by day upon the just and the unjust alike. No mediator is needed, nor are the prayers or ceremonies of priests or preachers, for God comes to man, Himself, and hears his prayers and responds thereto by sending the Comforter, which is the Father's Messenger for conveying into the souls of men this great Divine Love.

I have thus explained the only way to the Celestial Kingdom of God and to the divine nature in love. And there is no other way whereby it is possible to reach this Kingdom and the certain knowledge of immortality.

So, I implore men to meditate on these great truths, and in meditating believe, and when believing, pray to the Father for the inflowing into their souls of this Divine Love, and in doing so they will experience belief, faith and possession and ownership of that which can never be taken from them – no, not in all eternity.

And so it is with man to choose and fix his destiny. Will that destiny be the perfect man or the *divine angel*?

Your brother and friend,
Jesus

Note: Following the writings of James Moncrief, one could consider that any reference to the Father, by other relevant writers, may be read as a reference to 'our Mother and Father'. Further, when considering soul healing, then reference to Divine Love could be referred to as 'Feeling Healing with Divine Love'.

Steps UP!

Quantum Jump 1

REVELATION 1

James Padgett

1914 – 1923

James Padgett bravely introduced the availability of the Mother and Father's Divine Love and a great deal of additional guidance and information, all of which has been supplemented by Samuels, Judas, Reid and Arnold. All writers were under restrictions of personality and circumstances. Revelation 1 opened the door for humanity.

Quantum Jump 2

REVELATION 2

Marion and James
Moncrief

2002

– ongoing

Marion and James Moncrief have recognised the need for one to engage in Feeling Healing and, by their actions, removed restrictions that James Padgett and others above endured, thus JM is able to critique the writings of the past 100 years resolving points of confusion as well as expand on what has been written. Revelation 2 is humanity's turning point.

Due to the extra-ordinary nature of Revelations 1 and 2, humanity with the first Revelation would have continued on into its negative pathway of living, however, combining the first Revelation with Revelation two, now humanity can embrace this turning point and commence its evolutionary growth that has required two thousand years to put in place. This is the greatest event in the history of humanity and very few are aware of such, until we enable others to become aware.

PSYCHIC BARRIERS MAINTAINING the REBELLION and DEFAULT are CRACKED!

The hounds of the Rebellion and Default have fallen, the psychic barriers have forever been cracked. The sheeple, the mice of humanity, now have the freedom to evolve through Feeling Healing and Divine Love.

Things are pushing ahead, we're working them from our side, and more so every day now. Many of the soulgroups involved in this are getting a feel for what it is they are to do and how they are to do it. So the barriers are giving way on multiple fronts.

There are actually barriers preventing people and humanity as a whole moving deeper into the wrongness, just as there are barriers preventing people and humanity moving out of it. It's all very tightly controlled, the Evil Ones put in a vast amount of controls and on all levels, which, unless you are shown by those spirits who can see them, such as the Melchizedeks, you'd never be aware of them.

So the cracks are appearing as the Divine Love Healing worlds start to ‘descend’ onto Earth – into the physical. For that’s what is going to happen, the Divine Love Healing worlds, from the first introductory sectors on Mansion World one, to the truth of all the three main Healing worlds, being lived by people living them whilst on Earth. All to give rise ultimately to Celestials on Earth. That’s what our goal is, to have people living on Earth who have fully Healed themselves.

**PSYCHIC
BARRIERS
CRACKED**

WE ENDURE FOUR LAYERS of PERSONALITY SUPPRESSION!

Unknowingly, our parents pass onto their children (us) their beliefs and way of living that has evolved since the Rebellion of some 200,000 years ago and then the Default of some 38,000 years ago. In this way, humanity is suppressing the female, rejecting our Spiritual Parents, namely Jesus and Mary, and denying our Heavenly Parents being our true Mother and Father, of their truth, standing and existence.

The Rebellion is against love, the Default is all the difficulties we have in our relationships because of our rebellion. Healing the Default is becoming true, to ourselves and in our relationships, and ending our unlovingness – our rejection of love, so ending the Rebellion. Nanna Beth 29 June 2017

We are souls, our personality is an expression of our soul. It is our free expression of our soul through our feelings that we are to embrace and follow. This expression may appear to be wilful in nature, from time to time, and consequently our parents attempt to suppress this expression. They proceed to remodel us when as young children, in the manner their parents treated them and so on for many generations going back.

During our forming years, as a child, we are unable to recognise the suppression of our personality as being extra-ordinarily harmful to our soul based personality and, accordingly, we don't know that things can be any other way. Presently, neither do our parents.

This childhood suppression way of living continues throughout our schooling years, thus we learn this is a way of life as being normal.

Our religions all have been formed based on the tenets of the Rebellion and Default. The teachers and leaders throughout all denominations take us further away from our suppressed feelings that have been hammered into us during our forming years, thus entrenching us further into rejecting our true selves.

The controlling and suppression mechanisms of our parents, educators and spiritual teachers all manifest throughout all of commerce. This control comes heavily and brutally down upon all levels of employment. The capability to express one's soul based attributes and gifts is sealed throughout all of one's working life.

A new way of living is to enable the liberation of one's true personality through the Feeling Healing process AND the transfer of authority to the individual via embracing freedom of expression.

DEVOLUTION

Our childhood suppression of our true and loving soul based feelings is creating global pain and personal isolation amongst all of humanity. We are very sick!

In our struggle to find solace and purpose, we further withdraw into ourselves, becoming ever more self dependent, believing our control addicted mind that it can solve everything. We just drown further.

We embrace an ever expanding and diverse range of pathways to escape from our personal pain, fear and desperation. Alcohol has now been complimented with narcotics, hallucinogens, including caffeine (coffee). Gambling has been complemented with computer games which are generally entraining the mind further into error and pain. Technology is making us sicker!

We bury ourselves in front of the television to further avoid contact with anyone, especially family.

Children endeavour to exert their independent authority from domineering controlling parents (which we all are eventually) by disfiguring their bodies with tattoos and piercings, etc.

We shut out the noise with headphones, thus preventing contact with others. We use electronic devices to ‘text’ others even at intimate engagements.

Technology will take us further into the depths of our madness. You now can buy headsets that prevent any contact with the outside world while playing mind suppressing and entraining entertainment – games!

No one loves their children, they are ignored, and the controls hammered into them turn them into clones of ourselves. Look at ourselves and we can all see that we have been all messed up by our own parents, as they have for generations over the past 200,000 years.

No more of this! We can escape this man made hell!

EVOLUTION

STEP 1: Longing for and receiving Divine Love:

- A. Soul within spirit body prior to receiving Divine Love.
- B. Divine Love being received from the Holy Spirit, covering the spirit body of requesting personality.
- C. Divine Love having been assimilated within one's soul, now being reflected through the radiance of the spirit body.

STEP 2: FEELING HEALING + SOUL HEALING

It is the Divine Love that strengthens one's resolve to persevere in embracing one's suppressed emotional injuries, that occurred from conception through to around the age of six, and longing to know the good and the bad of those feelings, together with talking about them to a friend, partner, one's self and our Heavenly Parents. It is only with the receipt of the Mother and Father's Divine Love and the expressing of suppressed emotional injuries that one can release the emotional injuries and errors to achieve Celestial soul condition and enter the Celestial Heavens.

Further, should one complete their Feeling Healing on Earth, then they will be able to recognise their soul partner, their other soul half, and should their soulmate have also embraced Feeling Healing with Divine Love, then their children will be born free from error, free from fear, and free from any deformity and illness. This is the destiny of humanity.

Further, being in this condition of free from error and being in constant communication with our Heavenly Parents, then one can also recognise and form their Soul Group. This will ultimately consist of twelve soulmate pairs, a total of twenty four personalities / individuals.

It is the bringing up of children by the support of soul groups that is to be the ultimate way forward. The group experience and wisdom, as a functioning family, will ultimately be of profound benefit for the blossoming child.

But what we cannot do is contrive the groups ourselves, or even pick who our soulmate is. This will only, and can only happen, as an outworking of the truth we are to live – as we progress in the healing of our soul.

And this is how all of life should be lived: according to the truth we are living. It is how we live, as there is no other way, but currently we live it in the negative, of that being directed by no truth, and so having to make it all up ourselves.

The NEW WAY of LIFE:

Now for the first time in history, Celestials can be more assertive in making known the availability of Divine Love, and that the only way to progress towards our Heavenly Parents is by engaging in doing one's Feeling Healing.

The Celestials have all but stopped the mind spirits from negatively influencing people on Earth, and the biggest area this is in, is in the religions. So the religions on Earth and all the spiritual systems of the mind, are under pressure in that they are no longer enjoying the input from the mind worlds that they have had. And how this translates into ordinary everyday life, is more in the unseen connection between those in religions on Earth and those of the same religion in spirit, is fading away.

Then at the same time, we, the Celestials, are being allowed to move more freely amongst everyone, both in the mind worlds and with you on Earth. Which means, we can confront and have more of a say in peoples and spirits lives, something that was forbidden the Celestials of the 'old guard'. They were not allowed to interfere at all, having to wait patiently for spirits (as there was rarely anyone on Earth) to show interest in an alternative way to God, which enabled the Celestials to slowly introduce the notion of the Divine Love and then that of doing one's Healing. But it took a long time for mind spirits to show any real interest and being willing enough to give up the power their mind had over them, wanting to seek a higher life.

Celestials can now, following the progress achieved by Marion and James Moncrief, approach and be more freely expressive to spirits on all levels, and also to people on Earth, should they want their help.

Further, those who reject and suppress their children will progressively grow in awareness of their own unloving natures. One will not be able to continue to avoid their feelings of wrongness.

Golden Rule: that one must always honour another's will as one honours one's own.

Thus the three aspects: one, of having more readily available guidance to become aware of the availability of Divine Love; two, the way to become fully expressive of one's soul based personality through the process of Feeling Healing; and thirdly, the quickening of the Law of Compensation through one's greater sensitivity to one's emotional errors and injuries. By having greater personal connection with a Celestial, we are able to move into longing for the Divine Love, and look to healing ourselves and grow in truth, and start to seriously consider embracing one's ascent to Paradise.

JAMES PADGETT MONCRIEF **REVELATIONS** 1 Commenced 1914
2 Completed 2014

REVELATION 1 Divine Love addresses the issues of the Rebellion.

The availability of Divine Love, should we so ask for it, being revelation 1:

God's Divine Love: Pray for it, ask for it, and receive it.

Whilst we are receiving our Heavenly Parent's Divine Love, and that this Love is causing change within our soul and spirit attributes, the greatest Truth known to man and spirit is that this is the way our Mother and Father are actually loving us! When we progress, it is the Mother and Father's way of loving us into love and then we live what we are, love.

REVELATION 2 Feeling Healing addresses the issues of the Default.

The way to clear one's soul of childhood errors and injuries is revelation 2:

To liberate one's real self, one's will, being one's soul, is begun by embracing Feeling Healing, so as to clear emotional injuries and errors. With the Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

Release one's pain through expressing one's feelings.

FEELING HEALING + SOUL HEALING

To heal one's self is to simply look to see what feelings we are refusing to let ourself feel, and accept them instead of denying them. And to fully accept them, one needs to express them, speak about them, let them have their say, rather than pushing them aside, refusing to let them make you feel bad.

Doing this all with the intention of seeking the truth of why you are feeling them, of speaking about and expressing all such feelings; all feelings you have, but ALL WITH the INTENTION of UNCOVERING the TRUTH THEY WANT YOU TO SEE ABOUT YOURSELF. And it's the wanting to see the truth of them that is very important, because if you just look to accept them and speak and express them, but not seek their truth, then that's all you'll be doing, speaking and expressing them, but not healing their causes, so not fixing the things within you that are making you feel bad. And it's the truth part of it, seeking the truth of your feelings, and so, seeking the truth through your feelings, that's vitally important. It's the truth of yourself, life, nature and God, that is the spiritual aspect to it all.

You CAN'T find the truth of yourself, or anything else, through and with only your mind. You HAVE to engage and look to your feelings. And so if you choose to allow your feelings to 'Show You the Way', then the truth will come as you express them. So to do our Soul-Healing consists of these steps, all of which are ongoing until it's done:

- **Admit you are feeling bad.**
- **Accept your bad feelings, identify what they are.**
- **Honour fully your bad feelings by expressing them, speaking about them to someone who is willing to hear you talk about them, or tell them out loud to our Heavenly Parents. Long for the truth of them. Long for the truth of why you feel bad – what deep within you is causing your bad feelings?**
- **And remember, bad feelings are Good! Not bad. They are not to be despised. And as hard as it is to accept them, they are still you, and a very real part of you. And if you persist in denying them and not allowing yourself to fully live them, then you are only going to keep yourself in your errors making things harder for yourself.**
- **All sickness and suffering, all bad things that happen to you, all your problems, all your addictions – your whole feeling-denying and untrue life, is all caused by your denial of bad feelings.**
- **Every problem in the world is brought about because everyone has been brought up to deny feelings, and in particular, most of their bad ones.**

If one is intent on spiritually evolving and growing in truth, then it's vital, and this is the key, that one looks to use one's feelings as the means to gain and have access to the truth of oneself. You CAN'T find the truth of yourself or anything else through and with only your mind. You HAVE to engage and look to your feelings. And so if you choose to allow your feelings to 'Show You the Way', then the truth will come as you express them.

Doing your Soul-Healing with the Divine Love, is really doing your 'Feeling-Healing'. We are designed — created — to be self-revealing of truth, and so we are all to uncover the truth within ourselves and for ourselves, and all being done by living true to our feelings. **If you accept, express and seek the truth of your feelings, then truth will come to you, and you'll grow spiritually. It's as easy as that. Also it is as easy as it is to long for, ask for and receive Divine Love.**

THE HEALING OF YOUR BAD FEELINGS THROUGH THEIR ACCEPTANCE AND FINDING THE TRUTH OF THEM, IS THE ACCEPTANCE OF YOUR NEGATIVE, REBELLIOUS, EVIL, IMPERFECT MIND AND WILL CONDITION.

To do our feeling-healing we need to become:

Aware of – Acknowledge – and Admit, our bad feelings.

So we can:

Accept – them and allow ourselves to Be them.

And then if we feel to, take:

Action – Express, speak and emote them.

Talk about them.

All being done whilst longing to, really wanting to, see the TRUTH of our feelings.

So it sounds simple.

So I repeat:

We accept our bad feelings by expressing – speaking about them to someone willing to listen to us and take us seriously. And as we speak we long for the truth of them – why we are feeling them – to be made known to us. And when we uncover and see the truth we are FREE! – healed of the causes that have made us feel bad.

Accept, Express – see the Truth, and you're Free!

ACCEPTANCE OF ALL YOU FEEL, THINK AND ARE, IS THE KEY TO DOING YOUR HEALING; THAT, AND WANTING TO SEE THE TRUTH OF ALL YOU FEEL, THINK AND ARE.

Release one's pain through expressing one's feelings.

Longing for the Truth when also longing for Divine Love.

LOVE
is
Feelings First Spirituality, The New Way

Feelings First Spirituality, The New Way is a contemporary ‘religion’ based on living true to yourself through your feelings. Understanding that all you need in life is contained within your soul and is shown to you through your feelings. And by loving your feelings, by attending to them properly (talking or writing them out of you) and not denying them, you can use them to uncover the truth of yourself – the truth of your soul.

Feelings First Spirituality is not a formalised religion that tells you how to be, that is too controlling and is actually bad for you, limiting your spiritual growth. You can be wholly self-revealing of the truths you need to be, being the person God created you to be, all by living true to your feelings.

Feelings First Spirituality has no formal structure because we understand we don't need one, our soul contains within it all the truth of our spiritual ascent. If we look to our feelings for the truth they want us to see about ourselves, nature and God, then what more do we need! Our true spiritual path is the path our feelings will lead us down, that is, provided we allow them to. This is the most spiritual we can be.

Living the New Way of Feelings First Spirituality

You come to the understanding from your life experiences that how you are is not right, it doesn't make you feel good – that you are wrong in some way. And you want to change yourself, you want to become right, true and perfect – you want to be like God is.

And to do this you need to do your Healing

Your Feeling-Healing is looking to your feelings for the truth of yourself, the truth being hidden in many of the feelings you are not wanting to face in life. So you have to end your feeling denial, accepting all your bad feelings (and good ones), express them (yet not necessarily acting upon them), whilst longing to uncover the truth they are to show you.

Or, you can do your Soul-Healing, which is your Feeling-Healing together with including longing directly to God for God's Divine Love. When you receive the Divine Love into your soul, it will cause your soul to become divine, and it will deepen your personal relationship with God. Long with all your heart to God for God's Divine Love.

Feelings First Spirituality The New Way

By living true to ourselves, true to our feelings, we are living true to God. It's that simple.

Prayers to our Mother and Father

From ‘Religion of Feelings’ by James Moncrief

Please Mother and Father help me accept my untrue state and bring up all my repressed feelings so I can see the full truth of why I feel so unloved and all that’s wrong with me.

Please Mother and Father help me see the truth of myself through my feelings.

Please my beloved Heavenly Parents, fill my soul with Your Divine Love. I long for Your Divine Love; please answer my prayer and yearning to be at-one with You and do Your Will by living true to myself and all my feelings. Please fill my heart and soul with Your Divine Love – please make my soul like Yours – Divine.

Please Mother and Father, I want to uncover the whole truth of myself through my feelings. I want to be able to feel and accept just how bad I am, how bad I feel I am, how bad I’ve been in my life. I want to know the whole ugly truth of myself, see it and feel it and understand how I came to be it. Please reveal to me through my feelings all the truth of myself You want me to see. I want to be as You want me to be; I want to be true and perfect, Healed of all my rebelliousness and self- and feeling-denial; I want to be good, loving, true and happy, please help me become true to myself, true to my soul, true to You.

Please Mother and Father help me, I’m in such bad pain, I feel so alone, so miserable, so scared, what’s going to become of me, I don’t understand, what’s the point of me, why have You made me; please help me see the truth of myself – all the truths of myself, nature, how to be in the world, of You both. I want to know, I want to know it all through my feelings, all that there is to see, the whole truth and nothing but the truth. Please help all my pain come to the surface of me so I can embrace and accept and express it out of me. I want to use my feelings to uncover the truth they are to show me; please help me to do that.

Please Mother and Father love me. I want You to love me. I want to feel fully loved by You. I don’t want anything else, only to be with You. Please, that is all I am asking.

Please make me feel how unloving I am. Please show me the horrible truth that I am. I want to see and feel and understand the worst of me, please take me into my darkest scariest ugliest unwanted rejected places within myself. I don’t want to feel all the dreadful pain that I know is there locked away inside me, yet I do also want it all to come up and out of me, and I want to use it to see the truth of my wrongness, the truth of how evil I am, the truth of my fucked up state. I no longer want to be false, pretending I am okay, using my mind to make me falsely believe I am good, happy, loved and loving, when I know I’m not. For how can I be when You’ve brought me into my unloving state, making me be of it. And as You want me to experience being this negative way, please show me the whole truth of it. I no longer want to deny any part of myself, or any of my bad feelings. I want them all to come up so I can express them, emoting their pain, feeling how bad You’ve made me feel all my life and all through my early life; I want to see why, and so reveal all the truth to myself. I want to be the living truth of myself, living true to my feelings and the truth they give rise to. Please help me to do my Healing, and please fill my soul with Your Divine Love.

The mind way is the ‘dead’ way; the feelings way is the ‘alive’ way.

Examples of some prayers to God:

From 'Feeling Healing' by James Moncrief

Please God show me the truth of myself through my feelings.

Please help me see the truth about myself You want me to see.

And please help me feel all my repressed pain; please bring up all my bad feelings so I can express them and see what it is they are to show me about myself, my life, and You.

And please help me work through my blocks, I want to Heal myself, I want to become true to myself and true to my feelings and true to You – please help me do that.

Heavenly Mother and Father, I feel so bad, and I know I'm doing it to myself, but I can't help it. I can't stop my compulsive addictions, so will you please bring up the buried feelings in me and show me the reasons why I can't stop. Please! I want to know – I REALLY WANT TO KNOW why I do them. Please help me Mother and Father to uncover the truth of myself. Please, I beg you, please, please, please show me the truth of them so I can give them up. I hate feeling bad, yet I know I must so I can keep expressing my bad feelings to see the truth You want me to see, so please help me feel bad.

Please Mother and Father fill my heart and soul with Your Divine Love. Please give me Your Love. Please love me and make me feel loved by You. I want to feel You close to me, I want You to hold me, make me feel loved by You. I only want You and to do Your Will. Please help me bring up all my repressed feelings so I can express them and uncover their truth. Please help me do my Healing. Please give me Your Love.

I hate you Mother and Father; why have You given me such a shit awful life? I hate myself, I hate You, I hate everything about my life. I feel so bad all the time. I've expressed so many bad feelings and still I feel bad. It's not fair, it's not fair what You've done to me. I hate You! And I want You to help me Heal myself, so I can stop feeling bad. You put me in the shit for whatever reasons, and I want You now to help me get out of it and show me what it's all been about. Please help me to Heal myself so I no longer hate You.

I long for Your Divine Love Mother and Father. Please fill my soul with it. And please help me uncover the truth of myself through my feelings. I want to see it all! And please make it all end, I'm so tired of always feeling so bad, please take all my bad feelings away by making me feel them and showing me the truth I am to see.

FEEL for TRUTH

The beauty of it all, is the truth comes to you through your own feelings. You don't need to be told it by anyone. You can work it all out for yourself. We are self-revealing of truth, it's how God created us to be, and by being it we'll feel the happiest we can feel. Truth is our great comforter, so when you feel it come up within you, ah it feels so good and you feel just right – perfect!

We know only how to deny feelings, now we can get to know how to accept them. And always with the truth being the most important part.

FEELING TRUTH

If you don't want to uncover the truth of your feelings, then you can keep on expressing them forever but you will never fully heal yourself. Seeing the truth results in the Healing. And to see the truth you need to express all the pain out of you. The two things go hand in hand.

You can accept and express your bad feelings, letting off steam all day long, yet nothing will heal and nothing much will come of it. So this is where wanting your feelings to show you the truth of why you're feeling as you are is so important.

Don't go fishing with your mind, that will shut the truth out from rising up for you.
KEEP YOUR MIND OUT OF IT. It's a feeling thing, doing your Feeling-Healing.
(This is where we erred previously, and this how other modalities are in error.)

You long when you can, then stop longing and keep expressing. And at some point, and it might not even happen immediately, it might happen after days or weeks of expressing the same bad feelings, truth will come to you. And it does, it just comes up suddenly into your consciousness. You just know. You see the picture and you feel it's true. And you know it's true. And THEN your mind can come in and start sorting it out and putting in context.

It's the Truth that we are seeking. It's the End Point. The Reason for doing your Healing. You are to see the whole Truth of yourself. And to begin with, that's the whole truth of your unloving self, of your wrongness, of your evilness, of why you are as you are in your negative unloving mind-controlling state. To be able to fully accept yourself as you are, warts and all. To not fight or resist or try and change yourself, just to accept all you feel and all the truth of all those bad feelings you feel about yourself. And when you do, so you will be healed. You CAN'T heal yourself unless you uncover the truth of your pain, suffering and so the truth of all your bad feelings.

Through our Feeling-Healing we long for the truth of what we're feeling whenever we can. So as often as you can. You want, and REALLY WANT WITH ALL YOUR BEING, ALL YOUR WILL, to know why you are feeling bad. You yearn, want, long and beg and beg and BEG God to show you the truth of yourself through your feelings. So when you are expressing your bad feelings you can stop and long for the truth to show you what's going on, why do you feel so bad, and you can do it any time you think of it or feel to do it.

Notes from 'Feeling Healing' by James Moncrief

Heartfelt TRUTH

Feelings!

Our FEELINGS are our SUPREME GUIDES:

Feelings are what guide us through our ascension of truth. So they are really our Supreme Guides. Many people look for a person, spirit, angel, even God, for supreme guidance, however it's all right there already built in – in our feelings. We just have to submit to them, allowing them to take us where they will, expressing all the parts we want to express, letting the emotion drive that expression if it's there to be expressed, or just talking about all we feel and how feeling that feeling is making us feel – or, how we feel about having that feeling, all whilst longing for the truth of our feelings. Longing for the truth of our feelings is really: Longing for the truth of our self, because: we are our feelings. So life stirs up our feelings, we feel being alive; or, being alive means we are feeling, always feeling; and when we work out what and why we are feeling what we are, so then we know the truth of how we are. And over time the truth accumulates, and our mind expands our understanding of ourselves, all being driven from our feelings.

Kevin 26 Sep 2017

Using our feelings to uncover the whole truth of our negative or anti truth and anti love state.

Kevin: So whilst we're of an untrue state, then all we have got to help us understand why we feel bad, why we are wrong, why we are negative and anti love and truth, is our feelings. So if we focus on our bad feelings, they will lead us to the truth of why we're feeling bad. Which will be the truth of what happened to us to make us be this wrong way, and how we took on the wrong way and keep it going making us feel bad.

FEELING HEALING

Note: The vital difference between emotion and feeling is that emotions have their roots in the past, and feelings relate to the present moment. Emotions represent our feelings which were not previously expressed, and these accumulate with time.

Note: Our feelings are soul-based. Our soul is always in truth. It is our soul based feelings, that when allowed to be freely recognised, we will begin to express and be who we are. This takes time and perseverance as we have encrusted our souls with layers upon layers of errors and false beliefs, it is these layers that will confuse the truth that our soul is conveying to us. Only by our progression with our Feeling Healing will our soul's expression of truth become clear and free of all cloudiness and contamination.

“What our soul needs in accordance with our own, individual, **Soul-Light-Plan-Of-Destiny** (your life’s true destiny plan), They, being our Mother and Father, will give you as required. The only way we can know truly what we need is to honour and follow our true feelings. They, springing from our soul, literally telling us what we need, and so when we genuinely feel we need something, we apply our will to get it. The hard part is knowing if our feelings are true, and until we have done our whole soul-healing, they won’t be clear and totally true.” James – Introduction Course to Divine Love Spirituality

The Feelings are the doer; the Mind the teller. So we are to go with our feelings, which we can't be told to do with our mind. So the longing for the Divine Love, doing our Healing by expressing our feelings and longing for their truth, are all feelings and doing it with longing. Whereas the mind just wants to tell us what to do and how to be, no feelings in it, all how our parents have treated us.

The New Way, Feelings First Spirituality
Learn to live with God through your Feelings

Accept, express and long for the truth of your feelings

Be free in your feelings
Free your feelings from your mind's control
Live true to your feelings; your feelings are your true self
Live true to yourself through your feelings

Live true to yourself by living true to your feelings.
Long for the truth of your feelings.

Accept / Express / Bring out ALL of your good, and most importantly, BAD feelings.
Want to understand why you're feeling them.
Use your surface feelings to take you deeper into your repressed and hidden feelings.

The Feeling Way is the True Way.
 Your feelings are your spiritual guide.
 Your feelings will take you to God.

Your feelings will show you the truth of your relationships, including your relationship with God; and if anything is wrong, untrue and unloving, then why it is.

Our feelings are sacrosanct and we should respect them accordingly. And we should NEVER block them out, ignore, override, banish, deny or reject them, because if we do, we're only doing that to ourselves, as Our Feelings Are Our Self.

Our feelings are the gateway to our soul. Our feelings are the closest we can get to our soul. Knowing the truth of our feelings is knowing the truth of our soul, and knowing the truth of God.

Feelings First Spirituality is the True path for humanity.

It embraces all people.

It completely unifies the world.

Everyone can relate to everyone else through their feelings.

And we can all live the truth that comes from our feelings, all sharing the same truths as we express and have the same feelings.

No one need be left out; no one is more special than anyone else – we are all united in Truth through our feelings.

So with and through our truth we live our lives, therefore without the need of any man-made mind-laws, rules and restrictions that limit self-expression as inspired by our feelings.

The New Way, Feelings First Spirituality is what is to replace all man-made, mind-contrived religions that so many people have enslaved themselves to. The New Way, Feelings First Spirituality will set us free of all that control, ending the Rebellion and Default within ourselves as we do our Feeling-Healing, and ending such control and spiritual stagnation in the world.

Bring on the End Times – get it over and done with! Let's all see that Jesus is not going to come again, that Prophecy has failed all the mind-controlled platforms. Allow such false systems of belief to die their long-awaited natural death, they've overstayed their welcome, it's now time they fade away. So let us show such antiquated, erroneous systems of belief the exit and bring on the fresh liberation of discovering the truth of how we are to live for ourselves, each of us personally in our lives, and all by looking to our own feelings for it. Self-revelation through our feelings is the way to go.

The Way of the Mind is ending, and is really the End Times – the End of our mind control, and **it's about time!** With the Way of our Feelings replacing it.

The End Times means the end and therefore a New Beginning. And that new beginning is a whole new Spiritual Age – an age based on self-revelation of truth through one's feelings, coupled with and supported by higher revelations from the Celestial spirits, angels and nature spirits.

The Feelings First Spirituality is the True Way to God because it helps you get to know God, helping you to reach out, connect and be personal with God, and do God's Will, all through your feelings. It is the only true way of getting to know the God of Feelings – our beloved Heavenly Mother and Father, the Great Soul of Divine Love.

Love comes through our feelings and not our mind, as we've all been wrongly led to believe.

Feelings First; then comes The Truth; then comes Love.

LOVE is the Religion of Feelings, being:

Feelings First Spirituality, The New Way

WE are meant to grow up LIVING FULLY CONNECTED to our FEELINGS:

Humanity has always had an awareness and involvement with spirits, with life on the other side, because we are all heading that way, we all end up dying and becoming one of the spirits, and were humanity living rebellion-free, then nearly everyone would enjoy some level of spirit involvement either directly or indirectly, loving such an expansive awareness in life.

We are meant to grow up living fully connected with our feelings in our physical reality, and at the same time with full feeling awareness of spirits and life after death, because after all, God is the greatest Spirit of us all.

And so having an awareness and involvement with spirits can, and should, help us have more of an awareness with our Mother and Father. And it's not with just spirits, it's also with the angels who are with us all the time, and the nature spirits should we be open to them, and even higher spirits if we are to work with them, such as the Melchizedeks or Trinity Teacher Pairs. But mostly for those people involved with the Divine Love, it will be with the Celestials spirit group that is assigned to help them.

It is very important to understand that spirits and spirit life is meant to be part of life on Earth. However that's not to say everyone need to have an ongoing relationship with their spirit friends, but they can at least still be aware of spirits and spirit life and where we will be going and something about what to expect once we die. And when you are open to it, lessening the grip of one's fears about it, then we will find it will be just another aspect or level of life, and one that can give us quite a lot of comfort.

TRUTH LOVING SOUL V ERROR INFILCTED MIND

**Feeling
Healing with
Divine Love is
the key!**

To liberate one's real self, one's will, being one's soul, is by embracing Feeling Healing so to clear emotional injuries and errors. With the Divine Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

11 October 2013

Good afternoon dear friends. I am enjoying this process of development and feel that I am learning a lot. Please let us continue.

Good afternoon dear brother and friend. It is always a pleasure to work with you in the way that we do. As you know we have a deep desire to further the communication between our worlds for our mutual benefit. Therefore we will continue as we have been for a few days now. Simply accept that what we do is an exercise to allow you to become easy and familiar with the communication with us and the accurate translation of what we offer you into your usual language so that our messages can be easily read and understood by the great majority of people. It is not critically important that all who read these notes will immediately accept what is said in part or in whole. It is desirable that as many as possible do read what we offer as this exposes them to different ways of thinking and of living that encourages a different approach to life in general. Broadening perspective is important as this allows a shift away from narrow thought patterns and opens the prospect of challenging belief systems that may presently control a person's life.

It is not necessary that one who reads these notes has a well formed acceptance of the existence of spirits or the Spirit World. It is often better if we are writing on a blank slate as then it is not necessary to demolish strongly established beliefs that restrict the entry of new information. We are currently exploring many avenues of introducing more knowledge of spirit life and our interaction with humanity and many of these are bearing fruit. Many superstitions have been fostered over the ages to produce fear of spirits in humans. Many people do have natural experiences of the presence of spirits in their lives. Many of these are fortuitous and arise because someone is in the right place at the right time – or the wrong time many think. Many spirits who are seen or perceived by some other sensory method are simply passing through without any particular intent directed to the one whom they encounter. Many others do have a desire to make contact with the person who perceives them but may not be able to take the communication any further than simply being noticed. Sometimes a spirit is drawn to the presence of a human by the human's desire to make contact. This can be confusing at times for the spirit so drawn as they may no longer be holding any strong desire for connection with that human. Quite often when one enters spirit life one can find that the ties that bound them to others in life on Earth really no longer exist. This specially applies to what may be called the unhealthy ties which hold so many people together in their relationships.

When there is a loving relationship this will often continue essentially unabated into spirit life. The one who is now in spirit can then learn the truth of the love in the relationship and learn to release the elements of what could be called ownership so that the love may be free and unencumbered. Of course the one who remains on Earth also has the ability and the opportunity to learn the same thing so that can retain a sense of love for the one who has passed over without feeling that their life is incomplete without them.

The understanding of love and living with love in human life is quite clouded and obscured for many so that the essential freedom of love is lost in other beliefs. There are many ways in which love can be expressed and all of these are valid. Whenever conditions are placed on the love that one is feeling or

expressing for another limitations are created. Here I am speaking of natural love and its expression in living. I will speak later of Divine Love as this is a different issue. So, for the time being, whenever I am speaking of the expression of love I am referring to natural love.

Love is often considered to be an emotion when it is actually much more than that. It is a deep current that is inherently present in all humans at the time of their incarnation. As with all qualities that are present at incarnation it exists largely as a potential which is definitely present and which is capable of great development. It is not given by one to another but its development is facilitated or restricted by the way in which a being is treated by those around her/him. Because it is present as something inherent, each being, from the moment of incarnation and the early formation of the complex of physical body, spirit body and soul is capable of sensing the presence of love – or the lack of it – through both their physical and spirit senses. Therefore the earliest sensory experiences of a being, apart from those arising from the forming bodies, is the feeling of love in whatever degree it is present. Because of the nature of their being which is at its most essential level and therefore sensitive to truth, it senses the truth of whatever is present in their environment. By that I mean they ‘know’ the genuineness of the love that is being expressed by their mother and also that which is being expressed in the more extended environment in which their mother is living. The most potent level of feeling comes of course from the mother in whose uterus the foetus is developing.

This raises issues for the being at its earliest stages of development as the feelings of mothers are always complex. The feelings of every human are complex and those of a woman who is now pregnant have added influences to which she may have some difficulty adjusting. I will not go into any great depth of the possibilities that exist as the list is inexhaustible because there are so many possible situations and permutations and combinations of these. We could talk forever and still not have covered all the possibilities. However this is not the reason for not discussing the mass of possibilities. The main reason that I will not embark on such a discussion is that it would serve no practical purpose. As with all human conditions there are many variations just as there are so many variations in personalities that are developed by people.

Love in itself is not complicated. It is simple and direct. The understanding that is taught of love tends to be largely driven by the insecurity with which the majority of humans live. This then leads to the ludicrous situation where people attempt to understand and to learn about love from a fearful perspective. As with so much of the reality of life, love is invisible and is made visible in the ways in which it is expressed.

The way in which love is felt is heavily influenced by the way in which one is educated from the earliest times of life. What do you describe as the feeling of love? Is this the same for every person? Of course not. Despite this it is possible for people to come to some understanding about love and the feelings that are engendered internally when one is ‘feeling love’. There is general agreement that one is likely to feel pleasure or warmth or some other descriptive and that this is pleasurable and desirable.

There is a common complication with loving in living and this arises when an individual learns at an early age that one’s self worth and value as a human being is dependent on the feelings that others direct to one and the opinions that they hold. This immediately detracts from the ability that each one has to sense love as a common substrate that is universally present in living both on Earth and in the Spirit World. There has grown the belief that love is the possession of individuals and that its presence in the

world depends on the way in which it is doled out by one to another. This would imply that if one were in the presence of others who were being deliberately repressing their capacity to love that love would no longer exist. Love is the creation and gift of God and no person or spirit has the power to banish or destroy love. Love exists and always has and always will.

Of course there are places in this world and in the Spirit World where the presence of love is not at all apparent because the people who are there either cannot or will not express love. In such places love is as capable of being expressed as it is anywhere else. It is as capable of being perceived there as much as anywhere else. It requires only someone with the desire or courage to take a step and to allow their love to show.

You may wonder why I am speaking in this way. Love is so misunderstood in the world that it needs to be discussed and, if possible, simplified so that it becomes more easily embraced.

The greatest misunderstanding about love is that there is a cost associated with loving. Many feel reluctant to simply love another because of feelings that they may be misunderstood or that the other may then demand more love and want more than the one loving is prepared to give. Perhaps the basis of this is that love is considered by many to be finite so that it is hard to get and must be fought for and held onto at all costs. There is also a belief that it must come from other people or animals. Indeed such a belief is not surprising given the way in which many people live today. The expression of fear is rampant so much so that many people settle for less fear as being love. This creates a state in which people are withdrawing into themselves and into groups and enclosures in which they feel a sense of diminished risk which is called security.

Something which is in infinite supply needs no rationing. In order to be obtained it needs to be given. That is a paradox. Such paradox is the substance of all true spiritual understanding. Natural love is natural and is a given for all. It need not be requested but simply given however tentatively this is done at first. Expansion is part and parcel of the expression of love. As it is given out, it is not given away for nothing is lost and there is a return that is at least equivalent to what is given.

It is most difficult for many to begin to accept this as it is foreign to their experience of living to date. There are so many strange relationships that are built around the incorrect understanding of love. In most of these there are two or more people who are attempting to contain what they consider to be their love while endeavouring to be loved by or to get love from the others in the relationship however complex this might be. Human families are prime examples of this. These are further complicated by the assumption that all members of a natural family love all the others and that the parents love all the children equally. Thereby are created some of the most tragic dramas of human life. Assumption and misunderstanding coupled with inadequacy and demand provide the ingredients for facsimiles of hell to be created.

In other communications there has been much written about awareness and the development of this capacity of a human. There are many suggestions that this be done gradually and with the belief that there is something there to perceive if only one were aware enough to do so. I am postulating that the same process can be used to increase one's awareness of love.

Let us first of all suppose that love is as present to us as is the sea to a fish so that it is a substrate in which we all ‘swim’ and which is so natural that we take it for granted to the degree that we are largely unaware of its presence. If that supposition is so, then we must be able to learn to develop awareness of this ever-present thing called love. There is general agreement that there is a basic element of good-will in love and loving. Therefore, if one could practise having feelings of good-will to others then it is possible that one could learn more of love.

In the way in which humans live their lives there are very common and generally present enemies of the expression of good-will. It is worth wondering what these are. It is easy to say that the major elements that are anti-good-will are anger, bitterness and hatred. Without doubt these are very large factors and present to a large degree. However, I will say something different and say the greatest enemy of good-will is judgment and criticism. For many people the expression of these is as natural as breathing and it is generally accepted in human society that criticism is necessary so that one expresses one’s opinions about everyone else. There is no doubt that others do live less than perfect lives and there is much fault to be found if one seeks. In most cases the fault that is found is actually no more than a disagreement with one’s own cherished precepts and beliefs.

What is seen as the necessary correction and education of children in life is actually expressed as criticism and judgment without any realisation of the destructive quality of such interactions with others particularly from someone with the power of influence of a parent.

Judgment and criticism are universally destructive. They are initially destructive for the one who judges and criticises. This is because this form of expression always constitutes a withholding of good-will and love. Even though criticism is often claimed to be for the good of the recipient this is never the case in truth when love and good-will are withheld. Almost universally, humans are looking for approval by others because of uncertainty of their own worth and withholding love from one in this situation adds to the poor self-feelings they hold.

Each person has a right to do as they choose whether another approves of this or not. There are needs to assist others to learn appropriate social behaviours and to learn how to love each other. This is never taught by the withdrawal of love.

This is an area of living which is relatively unconscious for many people as they have learned to criticise as a normal behaviour.

I am suggesting that an area in which to begin to practise the expression of good-will to others is by first paying heed to the areas where one feels critical of other however slight of justified this may seem to be. The very first and most important effect of this will be a reduction of self-harm. This is so because, every time one is critical of another, one generates what can be called negative feelings – not loving – in oneself and thus is the first affected by these.

As you begin such a process, if you decide to do so, take care to recognise such behaviours in yourself without being unduly critical of yourself. Recognise this as simply something that you desire to change. Let it be similar to the desire to change soiled clothing for something cleaner and more pleasant to wear. As you do this you will extend good-will to yourself first of all which is where all love expressions must

have their beginnings. From here love can flow outwards and first of all, love will flow inwards to you from the limitless source in which we all exist.

It has been my desire today to express some basic thoughts about love and its expression in normal living. This is the essence of effective living on Earth and in the Spirit World. Learning of this facilitates the growth and development of all that is within you and your soul.

I am Agnes who speaks to you. We have not written before but I have observed your activity with the others who are your regular associates and I expressed a desire to speak with you. They were gracious enough to agree. I have lived on this side for many long years and progressed to the 6th sphere where I spent many, many years in some contentment but also some sense of incompleteness. I heard of Divine Love a long time ago when a friend of mine discovered this wonder and told me. This was what I had sought without actually knowing so. I have now lived in the Celestial Heavens for many years. I could say long years but they seem to be as brief as they are wonderful. I have always retained my great interest in natural love of which I learned a great deal. I am always concerned that all those who discover the wonder of Divine Love should be fully informed about natural love as this is indispensable in the progress through Earth and beyond. For most people on Earth and here, this love is still the love in and with which they operate. It is an essential element of the harmony which all seek.

I am sure that we will speak further on these matters in the course of the wonderful project in which you are involved. It is good that it be as full as possible and contains the essential elements of effective living.

I leave you with love.

Agnes, teacher of the Celestial Heavens

Note: Following the writings of James Moncrief, one could consider that any reference to the Father, by other relevant writers, may be read as a reference to 'our Mother and Father'. Further, when considering soul healing, then reference to Divine Love could be referred to as 'Feeling Healing with Divine Love'.

WE ALL ARE BEING GUIDED HOME:

We need the Spirits of Truth of the Avonal Pair to Heal ourselves; then once Healed, (and for support (overshadowing) as well through your Healing), we need the Creator Pair, Mary Magdalene and Jesus' Spirits of Truth to see us through the Celestial spheres, while at all times embracing our Heavenly Mother and Father.

Until Mary and Jesus died and liberated their Spirits of Truth, no one from any of the worlds could leave Nebadon, because no one knew the way to do so. Nebadon is our local universe containing some 3.8 million inhabited physical worlds and their associated spirit worlds.

When we embrace the truths Mary and Jesus are revealing, and start to do our Feeling Healing, or with Divine Love, Soul Healing, we are then freeing ourselves up from our parental and self control.

Thus our journey to Paradise, to the home of our Heavenly Parents, is of our choosing as to when we progress, however, there is only one way:

HUM: Humanity is to ascend. We are self contained. Our soul is always in truth and perfect at all times. **By living true to ourself, true to our feelings, we are living true to God. It's that simple.**

We are to recognise that being engaged and dominated by our mind is the wrong way for us to evolve and grow in truth. We are to discard the mind enslavement that has been imposed upon us by all of our parents. We are to express our feelings, both good and bad and free ourselves of the indoctrination that humanity has embraced worldwide.

Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God's soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of our Mother and Father.

AVO: We are to embrace the truths and guidance of the Avonal Pair through their Spirits of Truth. It is the Avonal Pair's guidance that will lead us through our Feeling Healing, and with Divine Love, we will be able to ascend through the 7 spirit Mansion Worlds and enter the Celestial Heavens where we also interact with other world's spirits.

J&M: We are also to embrace the truths and guidance of the Paradise Pair, Mary and Jesus, who will then lead us through the 3 Celestial Heavens that are aligned with Earth, and then further on through Nebadon where we will then depart beyond on towards Paradise.

M&F: Beyond the universal zone of Nebadon, we will be guided by our Heavenly Mother and Father onwards through the universes to Paradise where we will be welcomed by them, home for us all, as we are all Children of God.

HUM

WE ALL ARE BEING GUIDED HOME – NOW, HOW TO COMMENCE THE JOURNEY:

GOD

For 200,000 years, we have been misled into embracing our mind's distortion of wisdom and truth. All such traditional understandings only lead us in the wrong direction, from which we must turn back from. Our soul based feelings are always in truth. Our minds are to follow our soul based truths and feelings, not the other way round, as we have been brought up to embrace.

We are to connect with our deeper repressed feelings.
We are to long for the truth of what we are feeling.
We are to live true to our selves; by living true to our feelings.

Use your surface day-to-day feelings to connect with your deeper repressed feelings. Express your surface feelings and your deeper repressed feelings to uncover the truth of yourself.

We all have feelings which we communicate and share with each other. And we all have deeper buried and hidden repressed feelings. Feelings from our early childhood we felt, yet weren't allowed to express. These feelings are still within us, waiting to have their say. These feelings, because they are repressed, cause us all our problems.

J&M

And as we look to uncover, bring out and accept these deeper feelings, so we're taken into new ways of looking at ourselves, our feelings, and our life. We're setting ourselves free of the controlling patterns that govern our unloving behaviour.

In this way, we progressively begin to express the personality that our Heavenly Mother and Father gave us, not the one imposed upon us by our physical parents and carers. We are to be our true and real selves.

By living true to ourself, true to our feelings, we are living true to God. It's that simple.

AVO

As we, humanity, long for the truth of our feelings, we can also be assisted by the Spirits of Truth of the Avonal Pair who are our spiritual teachers for Earth over this coming 1,000 years, to assist us through the Great U-Turn, away from mind dominance to being soul based feeling lead. They will assist us through the seven levels of the spirit Mansion Worlds.

Then the Creator Pair, Jesus and Mary, will lead us through Nebadon and into the greater universe. Then our Heavenly Mother and Father lead us home to Paradise.

Collectively, should we embrace them all, as we are to, then our pathway home is a journey in the hands of the Spirits of Truth of the Avonal and Paradise Pairs overseen by our Heavenly Parents.

HOW TO GET TO PARADISE:

Long for the Divine Love

Long for the Truth

Long for the truth of your feelings

Don't deny any feelings: accept, express and want to know the truth of them

Know your feelings are the key; your feelings are the Way

Want to end your falseness and being untrue

Want to understand the truth of your early life

Use your surface feelings to move deeper into yourself, bringing up your repressed feelings

Want and long to know the whole truth of yourself

Want to do it all with God, your Heavenly Mother and Father – long to Them for help.

Our longing drives our life. We long with feelings. We can wish for things using our mind, yet long for things with our heart. These things in the pyramid are what to long for. Longing for them, when the longing comes naturally. Longing because you feel you really want them. Long to be true with all your heart. Long to live true to your feelings. Long to understand the whole truth of yourself.

PARADISE TRINITY:

1. Our MOTHER and FATHER (God) (MF) – Divine Love

SOUL (God) – One SOUL that is expressing its two PERSONALITIES, our Heavenly Mother and Heavenly Father (Soulmates)

2. ETERNAL SON (ES) – Divine Truth
3. INFINITE DAUGHTER (ID) – Divine Mind

Then: The Second and Third Persons of the Paradise Trinity (ES and ID) are stepped down to the local universe trinity (Mary and Jesus, Divine Minister (DM), and her Holy Spirit.

The LOCAL UNIVERSE TRINITY:

1. MARY M and JESUS
2. DIVINE MINISTER
3. HUMANITY – Natural love, sons and Daughters – Truth, and our Angels – Mind

Our MOTHER and FATHER – Love

- the Living Truth
- Mind (and her Holy Spirit)

PLANETS that engage in REBELLION:

1. AVONAL SOULMATE PAIR
 2. DAYNAL – TEACHER PAIRS
- the Feeling Healing process – incarnate
 - they do not incarnate

So in summary:

LOVE
Mother and Father

TRUTH

Eternal Son (ES)
Mary & Jesus (MJ)
Humanity (H)

MIND

Infinite Daughter (ID)
Divine Minister and Holy Spirit (DM)
Angels, Nature Spirits, Nature (A)

Avonals
as soulmate pairs

Trinity Teachers
as soulmate pairs

Melchizediks – who have taken over from the Caligastians and Daligastians being also all as soulmate pairs.

Mortal Souls – human beings who individualise on Earth, then progress through the spirit Mansion Worlds, then into the Celestial Heavens, and beyond.

Mortal Souls – also being ascending spirits, upon completing their Soul Healing, join with their soulmate, then join their soul group of 24 mortal spirits, being 12 soul pairs. It is only as a soulgroup that anyone can progress beyond Nebadon.

The Paradise Pairs are all ONLY concerned with the SPIRITUAL wellbeing and upliftment of the planets and local universe. Currently to do with Earth:

Mary and Jesus – spiritual wellbeing and upliftment of the whole of Nebadon region.

Avonal Pair – Daynal pairs (Trinity Teacher Daughters and Sons) – Spiritual wellbeing and upliftment of individual planets and their associated Mansion Worlds.

The Local universal Sons and Daughters are all about the running of the worlds under their jurisdiction, and ensuring the higher spiritual elements can be employed, or sent astray, as in our cases through the Rebellion and Default.

Lanonandeks – Melchizedeks (and others, such as Life Carriers and Eve and Adam).

As the Lanonandeks all rebelled – the Lucifer, Satans, Caligastias and Daligastias soulmate pairs – so the Melchizedeks have taken over their roles, as well as doing their own.

So the Melchizedeks are the governors, overseers, the administrators and advisors and so on for Earth; they are the ‘controllers’, and they will instigate all that needs to be done to do with the ending of the Rebellion and Default. And they will enlist the willing help of ascending mortal pairs, so the mortal Celestials spirits (soulmates when available, and others waiting to unite with their partner), and at times mortal spirits in the Divine Love Healing Mansion Worlds. And the angels help all of us.

Currently the whole of Creation exists for the ascension of mortal souls from their earth planets to Paradise. It's all one vast Grand Ascension Scheme. With all the higher and lower spiritual Daughters and Sons, together with all the many different angels and other universal spirit personalities, and even including nature and our very own pets, assisting women and men with their Ascension Journey. It being: and Ascension of Truth. Everything we do is done to help us grow in truth. (Only everything we do in our negative state is to deny ourselves our truth from our feelings, which is why we have to do our Healing.) All women and men are ascending (or growing) in truth through their experiences. And as we grow in truth by looking to our feelings to show us that truth, so we're ascending, moving inwards and upwards through all the worlds and spheres of the Grand Universe to one day arrive on Paradise and meet our Heavenly Parents. God is providing us, Their children, with this spiritual journey called our Ascension of Truth. And by living true to our feelings, so we are progressing on our true Spiritual Path – our Ascension Path.

Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God's soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of your Mother and Father.

Humanity is to pursue the pathway for Truth through one's soul based feelings, this is the right pathway. However, humanity commences its journey founded on natural love, which we now know is to be perfected through one's Feeling Healing process and then made divine through asking for and receiving our Heavenly Parents' Divine Love.

For 200,000 years, **humanity** has pursued the pathway of the Mind, being that of the brain, this is the wrong pathway. The Mind is the pathway for Angels and that of all of Nature.

CREATION of SOUL and SPIRIT:

God is *The Paradise Trinity* — the eternal Deity union of the Personalities: the Universal Mother and Father; the Eternal Son of Truth; and the Infinite Daughter Spirit of Mind.

The soul of each human personality (sons and daughters of truth) is existential, driving our personality expression in the experiential. The soul of each human finds truth by embracing one's feelings and longing for the truth of them. We are to attain the Eternal Son of Truth. We are a creation of Truth.

The soul of angels is experiential, evolving through their experience by continually progressing in mind development. Angels are to attain the Infinite Daughter (Spirit) of Mind. Angels are a creation of Mind. Our soul is duplex (we have a soulmate) and is created by our Heavenly Parents. Through our Feeling Healing we perfect ourselves enabling the union with our soulmate, as we progress in truth up through the Mansion Worlds, celestial heavens and all the way to Paradise.

The soul of angels is also duplex, yet of the mind, and they progress in mind evolution to Paradise. Animals, plants and nature spirits are also creations of Mind.

Neither we nor animals reincarnate. We never die; upon death, we move into the spirit Mansion Worlds on our journey to Paradise. When animals and plants die, be they the tiny microbe to the mighty elephants of the land and the whales of the ocean, their spirit energy returns to the Spirit Collective Energy. And from this energy are drawn other animals and the nature spirits, who then in turn move onto becoming angels through increasing mind experience.

A nature spirit is an angel in waiting.

The BEAUTIFUL MIRACLE:

5 Oct 2012

The DIVINE UNIVERSE

The way in which the Spirit conveys the Divine Love into the soul is a beautiful miracle. The attribute of mortal soul prior to incarnation has to it, a potential within it that is part of its formed nature. After the soul incarnates this potential remains part of the soul and even if the forming personality is unaware of such a soul potential, the potential still exists. The Divine Love is entirely suitable in its energy of harmony to be the energy that a mortal soul can utilise. The Spirit covers the spirit body when the individual sincerely asks the Soul of God for the Divine Love and this covering of the spirit body is where the dynamic of this beautiful miracle takes place. From the internal longing of the individual for the Divine Love this activates the Spirit Law that activates the Spirit that is then attracted to the spirit body upon which the Spirit material of the spirit body draws the Divine Love into its soul and this union complete. The key here is to gain a perceptive insight into realising that the spirit body is not an inert body but that it is living and has activity, recognisable from its first forming from the Spirit Law that materialises a spirit body. The Spirit and the spirit body to give an analogy are like two attracting magnets and when the surface of the spirit body is touched by the Spirit, this causes the automatic response of the Divine Love to permeate into the attribute of soul and so begins the transformation of energy from the natural into the Immortal Divine Harmony. If the individual continues the receipt of Divine Love the energy that is Divine Love actively begins to change the soul and this is felt in the spirit body systems and can produce feelings of love and elation. The spirit-mind begins to change as all spirit body systems are affected by the changed condition now experienced in the soul as the soul becomes living and vital. In one's progression of this Divine transformation, the soul will mature enough from the amount of Divine energy it receives and at that moment the surface of the spirit body and the Spirit are continuously attracted to each other and one is living in the presence of the Father in perfect harmony and this clarifies the truth about what it means to be truly at-one with God.

SHINING TOWARD SPIRIT:
665. The Shining toward Truth

Vol III, p. 157, 14 Nov 2014 – 14 Mar 2015 Zara and Nicholas
www.lulu.com

It is I Matthew, a teacher of the Divine Love. I have communicated with you recently, now I desire to provide you with a visual description of the Love.

Imagine a continuous Energy shining light blue that is unbroken with a seamless surface that surround every mortal and Immortal spirit. Imagine if you were to become aware that this energetic field of light-blue Energy existed in its shining radiance just near where you are. Now that you are aware that this unbroken Divine Love is unified energetic field of living Love, by opening toward the Soul of God and aspiring for the Divine Love, the Acting Spirit gently brings a small portion of this shining blue Energy into your soul

The Divine Love that you have received remains part of this great Energy that the Divine Love is and even though this small portion of Divine Love, now within your soul, in its shining radiance and energetic cause, it is never separated from the continuous energetic field of Energy that the Divine Love is. Having partaken of this Energy it is with perception that one is aware that the Divine Love within one's soul is the same Divine Love that every person and spirit who has partaken of this Love, participates with. Even though in our individuality we partake of this Divine Energy, this Love is never broken away from the Source and Origin from which this Divine Love emanates.

The Divine Love is bestowed into our finite soul by the Acting Spirit, but this Spirit remains in contact with our spirit body and does not enter the finite soul to become part of our finite soul essence that we are. No mortal or Immortal spirit can manifest in their soul the Acting Spirit so that this Spirit – this Holy Spirit – becomes part of our existing finite spirit body. Only the Divine Love and its Energy becomes part of our finite soul, which causes the change to our spirit body. The Acting Spirit always remains its own attribute and never does a Celestial spirit claim ownership or take possession of the Acting Spirit within their soul. (The Holy Spirit / Acting Spirit is an instrument of the Source Soul, our Father.)

This is one of the wonderful Truths by which we who have been transformed by the Divine Love understand our personal relationship with the Father's ever-present Acting Spirit. The shining Energy of Divine Love is all around us and when we have partaken of this Love, part of our finite nature becomes independently shining in this true perfect Love.

I provide these words that may appeal to those who are visual and to express the universal appearance of the Divine Love and the personal touch when in contact with the Acting Spirit.

Matthew (Apostle)

Whilst we are receiving our Heavenly Parents' Divine Love, and that this Love is causing change within our soul and spirit attributes, the greatest Truth known to man and spirit is that this is the way our Mother and Father are actually loving us! When we progress, it is God's way of loving us into love and then we live what we are, love.

The Only Prayer That Man Need Offer to the Father:

(as given within the first century)
I am here, Jesus

The Prayer for Divine Love
<http://www.youtube.com/watch?v=Pg6p3rivAZw>
 P.211 The Human Soul

2 Dec 1916

Let your prayer be as follows:

(version below is from 'The Human Soul')

HEAVENALY FATHER, I recognise that you are all holy and loving and merciful, and that I am the child of your care, and not a subservient and depraved creature.

I am the greatest of your creation, and the most wonderful of all Thy handiworks, and the objects of Thy great soul's love and tenderest care.

Your will is that we become at-one with you, and partake of the great love, that then you have bestowed upon me through your mercy and desire that I become, in truth, you children through love.

I pray that you will open up my soul to the inflowing of your love, and that then will come your Holy Spirit to bring into my soul this, your love in great abundance, until my soul shall be transformed into the very essence of you. And that there may come to me faith--such faith as will cause me to realise that I am truly your child and one with you in very substance.

Let me have such faith as will cause me to know that you are my Father, the giver of every good and perfect gift, and that only I can prevent your love transforming my soul into a *divine angel*.

Let me never cease to realise that your love is waiting for me, and that when I come to you with faith and earnest aspiration, your love will never be withheld from me.

Keep us in the shadow of your love every hour and moment of my life, and help me to overcome all temptations, and the influence of the powers, which endeavor to distract me away from you.

I thank you for your love and the possibility of receiving it, and I know that you are my Father --the loving Parent who smiles upon me in my weakness, and is always ready to help me and take me to your arms of love.

I pray this with all the earnestness and sincere longings of my soul, and trusting in your love, give you all the glory and honour and love that my finite soul can give.

Amen

MoC

Note: The 'false teachers' are our parents, as they are also the 'evil ones'.
Also, the evil ones, being those parts of one's mind, that are controlling you.

The HUMAN SOUL – Pathway Home:

P.196 Joseph Babinsky

What is the soul?

It is not the intellect and it is not the mind. The soul may be identified with its qualities of emotions, feelings, aspirations, longings, passions and many other similar things. When the individual soul begins to open, she will experience feelings and emotions as never before in all her existence. And when she recognises and realises what is happening, and chooses to continue to allow her soul-feelings to be felt (meaning that she does not suppress her feelings and emotions), and seeks and asks her Heavenly Mother-Father to fill her soul with Divine Love, a wonderful experience will begin to envelope and enter her innermost being.

Divine Love is a real spiritual substance that comes from God in response to the soul which desires to know the truth about its origin, purpose and destiny. Divine Love comes from outside self and feeds the hungering soul. When the desires and passions of the soul are engaged through the process of the inflowing of Divine Love, there is actually no limit as to what may take place in the outer manifestations of the soul's newfound energies. The soul that was buried by the concerns, appetites and energies of the physical body now awakens to its true identity. When the human begins to feel its authentic and real self (which is its soul), this real self bursts with freedom. Where the human willingly follows the scent of Divine Love, a new leadership and path develops in its life. A key difference is that the soul on the Divine Love path expresses God-reliance, whereas the soul on the natural love path expresses self-reliance. Knowing the truth about itself (its origin and destiny) is the truth that sets the soul free.

A vision may come to the person whose soul – now God-reliant and infused with the flow of the Divine Love – becomes the leading energy in her life. The soul on the Divine Love path is the life of the spirit body and of the physical body too where it has been given the freedom to *be so*. On this path it now becomes possible to envision herself as a true child of the Heavenly Mother-Father, fully cared for and provided for. Her soul may now soar to Heaven's Gate so that she may say with complete trust: *Thy will be done on Earth as in Heaven*. This inner soul-vision will unfold and continue to unfold in greater and deeper degrees, until she begins to experience in the outer (the physical realm) what she has already felt to be true in the spirit realm.

A Vision

*For this was my soul created in pristine condition;
This I become in truth.
Divine Love is the gift which enables it to be so.
As in Heaven – so on Earth;
It is done:
The Heaven-born child,
At-one with God.*

MOTHER, FATHER GOD

God is God, who is our Heavenly Mother and Father, being SoulMates. There is only one Soul that is God's Soul, that being the Soul of our Mother and Father. Our Heavenly Parents are the First Soulmates; The Two Who Are One who have brought us all into being.

Jesus and Mary are a son and daughter of God.

Jesus of Nazareth and Mary of Magdalene, being soulmates, where both free of sin. Jesus and Mary, combined in their love for us, are our teachers and guidance for us to find our way home to our Heavenly Parents. To start this journey we are to liberate our souls from being entombed within our suppressive minds, through feeling and longing for the truth of our feelings via our soul and peel away our injuries incurred since conception.

Give yourself time to consolidate your relationship with the Mother and Father through the partaking of Their Love. And whilst you are doing this, you can learn about your healing, all that's involved with it, as there are many willing spirits to share their healing experiences with you.

When you are ready it will start happening simply because you will want it to, it all being orchestrated by your soul. And when that time comes you will have developed a strong foundation in your relationship with the Mother and Father for you to work from. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

It is to make longing for God's Love the priority, and then do one's healing; should one want to include God and the Divine Love in one's feeling healing. This is doing your soul-healing as you are seeking to heal your soul of all evilness – of that which made you become evil, and release all the hurt and pain of not being fully and truly loved.

The REAL YOU is the SOUL:

One's personality, natural intelligence, memory and human attributes all are soul based. The soul initiates conception so it can start expressing one of its two personalities in Creation. It creates the will, then 'wills' the spirit body and physical body and all that connects them with the will into being. Our soul constantly sustains or expresses us, one of its two personalities, in Creation. The spirit can't separate from the soul because the soul keeps it in existence. We need our spirit and physical bodies to experience our personality through. When the spirit body separates from the physical body, one continues on living in a different form without losing any of the attributes experienced during physical life. Incarnation is the process of individualisation of the soul.

Without a soul, our physical bodies would function and interact similarly to that of a domestic animal. An unsouled human body (thought not possible) would respond like a household puppy! Domestic animals calibrate on Dr David Hawkins' Map of Consciousness between 200 and 250, the human body calibrates at 200. All animals have spirit bodies, these do not survive into the spirit Mansion Worlds. Our SOUL IS NOT ENSOULED IN OUR SPIRIT BODY. Our soul exists existentially in a whole different level or plane or place or dimension of being – 'soul land'. It doesn't exist in Creation, it's not experiential like Creation is. The soul, all souls, help create their part of Creation by expressing their personalities into Creation, and then by having their personalities do things (further create) in Creation.

Our first parents, Andon and Fonta (also called Aman and Amon), were the first to exhibit human perfection hunger some one million years ago (993,500 years ago). Adam and Eve, Adamite bestowals, arrived some thirty eight thousand years ago – or earlier.

Aman and Amon were the first True Humans, which means, the first soul expressing its soulmate pair, its two personalities, in Creation – on Earth. From which came forth the rest of us. So they had a soul from the start, which separated them from their animal parents. It's the soul that wants to fully express itself through its two personalities perfectly in Creation, which is the so-called 'human perfection hunger'. It, our soul, wants to be Perfect like its Heavenly Parents, the Soul that Created it. We, focused as personalities, want to be perfect, like the Personalities of our Mother and Father that are Perfect. Our soul wants to be like Their Soul. Our soul wants to ascend us to Paradise so we can be with Them, as physically close to Them on a personality level that we can be, and then see what happens.

There were aunts and cousins, parents and grandparents. But they were not human like Aman and Amon – they were really animals, though of the same species. Aman and Amon wandered off from the family, since they could find no way of relating to them at all. How could they? They were incapable of rational thought, speech, or anything human. Aman and Amon knew that forevermore that they were apart.

Aman and Amon may have been twins. They were indeed a primate species of humanoids. But they, themselves were more beautiful than their animal relatives, and they knew, even from their very appearance, that they were marked even by Nature to be different.

WE ARE TWO HALVES ON AN INCREDIBLE JOURNEY, MALE HALF AND FEMALE HALF OF THE ONE SOUL, or two male halves, or two female halves.

**GOD,
FATHER,
MOTHER,
CREATOR,
SOURCE SOUL.**

Spheres in the heavens are not actually numbered, this is an indicative outline.

Unknown number of spheres, yet to be created, so as to reach the level of the Creator.

To liberate one's real self, one's will, being one's soul, is by embracing Feeling Healing so to clear emotional injuries and errors. With the Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

Our salvation IS by embracing Feeling Healing with the Divine Love.

God's Divine Love: Pray for it, ask for it, and receive it.

Please Mother and Father, may I receive Your LOVE.

"Every day is a day of devotion."

Follow your heart, follow your love and do that in loving action, your inner love leads in your asking the Soul of God to receive a little of the Love to strengthen one's resolve to heal.

"I love you Father." "Let the Divine Love proclaim its energy into my soul."

"Mother – Father, I desire your Love and I am loving you."

"Soul God, I love you and I love receiving and experiencing your Divine Love."

"True Soul God, I am here, I am aware of your Love. Please hear my aspiration for your Love and as I approach you from my soul, I can feel your Love in the way that you are loving my soul."

Try it; give the Feeling Healing and Love a go! If you want to shine, receive the Love.

One can simply receive the Love without following any religious or spiritual teaching taught by man!

Emotional errors and injuries cause encrustment around the soul, the soul is never damaged however, the encrustments retard love energy flow to and from the soul. Feeling Healing melts such injuries.

Three Great Truths:

- **God is Soul, being our Heavenly Mother and Father;**
- **that each individual soul is a duplex – both male and female;**
- **and Feeling Healing with Divine Love is the pathway to Paradise.**

FEELING HEALING and SOUL HEALING with the DIVINE LOVE:

James Moncrief Publications:

all publications are free downloads:

<http://divinelovesp.weebly.com/my-free-books-and-free-padgett-messages.html>

It is suggested for one to consider reading as follows:

Speaking with Mary Magdalene and Jesus – books 1 – 4

These four books encapsulate the second of the revelations with the first having been introduced by James Padgett one hundred years previously. These four books provide a wide range of guidance that has never previously been made available.

Paul – City of Light

As a gentle intro into the Divine Love and Healing; being James Moncrief's first novel and it's been criticised as being to heavily clichéd, but that's the point because it's a reflection of how he was back then.

Ann and Terry

For an example of people who might want to immediately start working on them selves and doing their Healing.

Feeling Bad? Bad feeling are GOOD

For more understanding about our denial of our feelings and why we should not deny our feelings, and it includes how it all came about for James, using himself as an example.

Feeling bad will make you feel BETTER – Eventually!

This includes specific examples of Marion and James working on expressing particular bad feelings, again with the hope that it will help others gain something of an idea as to what's involved in doing your Feeling Healing.

Sage – and the Healing Angels of Light

Through Sage who's 13 years old, the story is primarily about the two aspects of healing; that being, with the help of our angels, and the full Healing we can do by looking to our feelings for their truth.

**Religion of Feelings
Feeling Healing**

**Welcome to LOVE – the Religion of Feelings
you can heal yourself through your feelings**

So these books, including the four Speaking with Mary Magdalene and Jesus books, provide the essence of it all and are examples of James' work. Then it's up to whatever takes one's fancy. Other reading to consider may include:

The Padgett Messages being published as:

The True Gospel Revealed Anew by Jesus volumes 1 – 4

Book of Truths by Joseph Babinsky

The Urantia Book

Release one's pain through expressing one's feelings.

in conjunction with

Longing for the Truth when also longing for Divine Love.

FEELING HEALING with DIVINE LOVE is SOUL HEALING:

A collection of 'papers' that draw together specific topics including all of the above and more from other sources of information and revelation designed to help increase one's awareness about why we have the problems we do and how to heal them, all whilst living a more healthy and sustainable life. They provide a brief snapshot of the more complicated topics and issues.

Firstly, consider discovering the truth of your emotional pain through Feeling Healing.

Secondly, consider longing for our Heavenly Parents' Love as you progress with your healing.

Primary and most important readings are the writings of James Moncrief.

Then consider the Padgett Messages, and then The Urantia Book.

DIVINE LOVE and DIVINE TRUTH Revelations and Teachings escalating:

The opening up of the soul permits a permanent exchange with Divinity, a permanent recharge of this healing energy that allows not only the re-establishment of lost health, but the continuity of health, providing such a perfect balance, even in the physical body, that noxious agents like bacteria and virus cannot find any opportunity to unchain pathological reactions, which we commonly call illness.

But it is true that people without the benefit of Divine Love would lack the protective shield, which the intrinsic healing energies of Divine Love provide for those who pray for our Heavenly Mother and Father's Grace.
