Every endeavour is made to determine that the contents are of the highest level of truth and veracity. At all times we ask that you go within yourself, to ascertain for yourself, how the contents resonate with you.

Pascas provides these notes and observations to assist us all in the development and growth of our own pathways and consciousness. Pascas does not hold these contents as dogma. Pascas is about looking within oneself. Much of what we are observing is new to us readers and thus, we consider that you will take on board that which resonates with you, investigate further those items of interest, and discard that which does not feel appropriate to you.

Kinesiological muscle testing, as developed by Dr David R Hawkins and quantified by his Map of Consciousness (MOC) table, has been used to ascertain the possible level of truth of documents. Such tested calibration levels appear within the document. We ask that you consider testing same for yourself. The technique and process is outlined within Pascas documents, such as Pascas Care – Energy Level of Food. From each person's perspective, results may vary somewhat. The calibration is offered as a guide only and just another tool to assist in considering the possibilities. As a contrast, consider using this technique to test the level of truth of your local daily newspaper.

# DIARY FOR A 30 DAY EXPERIENCE

*An Experiment in Faith and Prayer for the Divine Love*

BY JOSEPH BABINSKY

Prescott, Arizona

Sunday July 28, 2013

I am in the thick of writing a new book (part of the reason I do not post often), and I recently completed a small section in the manuscript on the subject of "the experiment." Padgett readers may recognize that this subject is introduced in the messages in 2 places. Before proceeding, I point out that the word experiment should have read experience. In message 103 on 20 October 2012 in 'The Divine Universe' messages, Jesus conveyed: "The description conveyed in a message with the use of the word 'experiment' is incorrect. The great experiment is not a term that aptly describes the Divine Love. The Divine Love is an experiential experience and this experience at its essence is one of harmony and harmony is not an experiment. This is a good moment to re-express this term. There is nothing in a

physical experience that involves any form of experimentation involving faith and harmony in Divine Love."

Firstly, it appears in 1914 when James is communicating through his father (John Padgett) with two of James' Earth friends now in the spirit world. You can read this in the message dated December 31, 1914. And the second appearance of this subject shows up in a very brief message that Solomon gives on April 20th, 1916. After James asks Solomon (what is the greatest truth in the world), Solomon writes:

***Prayer and faith on the part of mortals; and Love – the Divine Love – on the part of God. The latter is waiting, and the former causes it to enter into the souls of men.***

***No other truths are so great and momentous to men.***

***Let what I say sink deep into your memory, and try the experiment. I know you do try, but try and then try and never cease trying. Love will come to you and with It faith, and then knowledge and then ownership.***

Yesterday I read something that Zack wrote:

*"I remember the beginnings of my Divine Love path when I learned about the importance of the INTENSITY of prayer. I put all my inner might and inner "muscles" of prayer that I could muster into sending the most intense prayers I have ever felt and YES!! I had immediate success. :D That style of prayer was something completely new, I think I'd never prayed so intensely before. And it did have its immediate fruits. I got happier right away. Then, as I continued in intensity and the weeks went by, it got easier and easier. I just prayed for the Love as intensely as I could. That opened the way of the Divine Love for me and I must say the principle is so incredibly simple it's easy to get caught trying to complicate things... saying things like "oh but I need to do this and this and this and try to be better" ... well all that striving to purify oneself in the natural has its reward in natural love happiness but those good deeds don't in themselves bring the Divine Love, which can only be received through this intense soulful prayer. But of course there is a place for deeds in our development too -- and from receiving the Love flows all loving deeds and all else and every other blessing that man needs and that the Father sees is for the good of His children. "*

Well, after I read what Zack wrote, today I decided to write this new topic, and see how it is received. I had been thinking about this for several days, perhaps inspired after working on the section in my new book on the subject of "the experiment," but the main inspiration came after reading Zack's comments on the subject of prayer.

The question I ask is this: What if we all tried a 30 Day Experience? What would happen if we made a new priority to pray more intensely for the Divine Love? Is love – the Divine Love – really the answer? We have heard the cliché over and over again, "Love is the answer." But I am not referring to any sort of love; I'm referring to the Great Love of our Heavenly Father. Can we have enough of the Divine Love? Is there a limit to it? Can we receive more of the Divine Love than we have ever received before? Will the Divine Love really help us in our daily affairs, perhaps major problems that we are facing? Will the Divine Love help us to be more loving to strangers ... and to one another here in this

readership? What can the Divine Love NOT do for us? What answers do we need? What help do we need? Is Divine Love the answer?

What would a 30 Day Experience look like? Truthfully, I do not know. But maybe if others reading this have ideas we can help each other to try a 30 Day Experience. Maybe you have suggestions. Perhaps we can aim to begin this experience on the first day of the new month. I have an idea of something that I will want to do and that is to keep a private daily dairy during this 30 day period, a dairy of thoughts and aspirations, of changes that I see happening in my life. You don't necessarily need to keep a diary as I may do.

I'd like to see if this 30 Day Experience of intense prayer for the Divine Love has response from readers. Maybe this is something that I'll try all alone (well, with my angelic friends of course). I hope not. What do you feel about this? Does it sound like something you would like to try also?

**NOTE: The above was written and published to the Divine Love Sanctuary Forum. Reponses in the forum were overwhelming in favour of such an experiment. There is no count of how many people are participating, but the indication is that there are not just a few.**

### **Preliminary 1 – Tuesday July 30, 2013**

Feelings were of low self-esteem and unworthiness, caused by self-condemnation and refusal to go to God / Source Soul in prayer.

### **Preliminary 2 – Wednesday July 31, 2013**

Early morning I went to our Heavenly Father / Loving Soul in prayer and wrestled with negative influences; with faith and perseverance I had the victory, and was able to pray for the Divine Love with much liberty success. All day I felt in a state of happiness. Felt encouragement for tomorrow's beginning of the 30 Day Experiment.

### **Thursday August 1, 2013**

I had a very good early morning session in meditation and prayer for the Divine Love. Prayer of thanksgiving for the work and presence of Divine angels; listed a host of Celestials; also prayed for family and friends in the spirit world. The presence of love was very real. Had interesting thoughts about "keeping us in the shadow of our Father's love;" cannot have a shadow without the near presence of light; relate this to the reality of the presence of the substance of the Divine Love.

### **Comment**

I am grateful that I memorized the Prayer for the Divine (the prayer that Jesus gave to James Padgett on December 2, 1916). This prayer is like a springboard that assists me to pray in a very free-flowing manner. If anyone were present listening to me pray would recognize the influence of the “formal” prayer that Jesus gave to Padgett, but they could not easily join and follow along. A prayer that can be recited in about 8-10 minutes usually requires around 60 minutes for me to complete. And then often after prayer I will sing praises and give love to Celestials and the Father, which may add another 10 or 20 minutes to prayer time.

My desire to learn to long for the Divine Love throughout the day was a very important part of my prayer on this morning.

### **Friday August 2, 2013**

*In any condition whatsoever, in whatever place or location, and whether here upon the Earth or in the spirit world, we may go to our heavenly Father in prayer.* Thus, with these words or very similar I began my prayer on this morning. I am happily grateful that Jesus came and wrote to James Padgett early in 1914, at the beginning of the spirit communications, advice to James that he “*Go to the LORD in prayer and He will remove from your soul all that tends to defile it and make it alien from Him, for He is the One who will clean your soul of all sin and error.*”

There is no excuse that stands and is justified that gives us reason to withhold ourselves from praying to God, our Source Soul, for the inflow of His Great Divine Love. In the spirit world, individuals in the dark hells can pray. Likewise, on Earth, no matter the condition of the person, he or she can pray. I have discovered that **when I do not pray**, it is because, generally, I am feeling that I am not good enough, that I am unworthy, that I have errored, that I am aware of some aspect of my personality that I find awful and downright nasty, or some other similar lame excuse. On Tuesday this week (July 30), I was in such an extreme state of negative feelings and emotions that I was convinced I was unworthy to go to our Creator / God in prayer, and so I did not. And I was miserable all day long. But the next day I was determined to pray no matter what I was feeling about myself. And you know what? God did not hammer me over the head or kick me in the butt and yell at me and call me a stupid and unfaithful child. Instead, He showered me with Love and I felt clean all over.

While I was praying on this morning and got to the place in the Prayer for Divine Love where we say “*You are our loving heavenly Father who smiles upon us in our weakness and is always ready to help us and take us in Your arms of Love,*” I paused for the longest time to rehearse what it feels like to be in God’s arms of Love. I am in God’s arms resting like a little child, and She rocks me, and touches my head, Her hand on my forehead and then my face, and my eyes, and my lips and mouth. I do not question what she is doing but I rest, really rest. With Her Love she removes more of the encrustments on my soul, and I feel lighter as I feel sin and error disappearing. My Father heals all my diseases, forgives all my iniquities, crowns me with loving kindness and tender mercies; He renews my life like the eagles and I soar to heaven’s gate.

### **Saturday August 3, 2013**

It is easy to criticize, but it is much better to keep faith and trust that God's Love is real. Prayer was difficult this day because I was weak and very tired, and did not desire to pray. What did I do? I stayed with quiet contemplation and prayed; I did vocalize my prayer but in very quiet and subdued tones. To pray with voice remains important to me.

I will trust that my angelic spirit guides are with me, and that God's Love is present, even when I do not feel it. Often when I have been in this condition in the past, I will behave been surprised by the appearance of grace when I am least expecting it. It is important for me to maintain faith and trust. Wait upon the Lord. This is so true.

### **Sunday August 4, 2013**

On this morning I was awake before 4:00 am, and when I could not get back to sleep, I got up and dressed and went to my office to pray. I prayed until around 6:00 am, and then felt led to search for a message in the Padgett writings about the battle and victory of the soul. Why did I do this? I did this because my time in prayer was profoundly demonstrative of a battle and a victory, and after prayer I was reminded that Padgett received a message on this subject.

My search was not in vain. I found the message in the *Book of Truths* written by Apostle John on November 4, 1916 (this is found on page 146 in Vol. IV of the True Gospel Revealed Anew by Jesus). This is a message to Eugene Morgan, but I have paraphrased a portion of it in order to make it more applicable to the present (and to me in particular). Here it is:

*As long as you or any other mortal remains mortal you will be visited at times by some of these undesirable spirits, and will feel their influence in a spiritual sense; but they will never have any power to swerve your soul from its progression to the higher development.*

*The fight, of course, will continue all through the Earth life, and at times the influence of these spirits upon your mental faculties and animal appetites may tend, for the time being, to retard or hold still the progress of your soul development; but, directly, these evil influences can never have any effect upon the condition or qualities of your soul.*

*I want you to fully grasp the meaning of what I have written and in the future, no matter how discouraged you may feel or how much your mentality may suggest the existence of things in you that are injuring your soul or taking from it the presence of possession of this Divine Love, you must believe what I have told you and that you have fought the battle of the soul and won, and that this Love is yours and cannot be taken from you by the wiles of Satan, as the preachers say.*

*It may lie dormant to your consciousness, and the happiness that arises from its active existence may seem to leave you; yet the Love is there and will assert itself. Temptations will come to you, and you must continue to fight – not to keep the Love, but to prevent the Love from becoming dormant and the happiness from disappearing.*

That morning was one of those occasions where I realized that I wrestling against evil influences. This would not have happened if I was not in the flow of God's will and experiencing His Divine Love. I have fought the battle of the soul and won; this Love is mine and cannot be taken from me.

By the end of my time in prayer I was dancing and singing praises to God our Heavenly Father, and giving thanks to Jesus and other Celestial spirits for giving the truths of the Father to mankind through the writings of James Padgett and others that have continued his work. Here I stand and I shall not be moved.

### Monday August 5, 2013

On this morning I experienced a bath in the Fountain of God's Great Love.

The moment I began my prayer there was a holy presence in the room. I sang most of the beginning of the prayer for the Divine Love. The Prayer for the Divine Love that Jesus gave to James Padgett begins with deep reverence for Who and What God Is. "Thou Art ... Art All Holy ... All Loving ... All Merciful." A voice urged me to just stay here for a long moment and breathe deeply of the Truth about GOD the Creator of All that is Seen and Unseen, of this physical world, and of the greater World of Spirit. Jesus invites us to call upon this Majestic GOD as our Father in Heaven, our heavenly Father who is all Holy and Loving and Merciful.

Oh the beauty of prayer is that we are invited to not only bath in the Fountain of GOD's Great Love, but to drink freely and deeply of the Water of Life, the Love that is offered to us of the very Essence of God's Great Soul, the Divine Love.

On this morning my time in prayer was a love feast. Afterward I prayed that my entire day might be an experience of the presence of love, that I not be alone as the benefactor of this Great Love, but that others may partake freely also, and that I will be an instrument of the Father to ***be love*** to others that are in my life today.

### Tuesday August 6, 2013

Bless the LORD O my soul, and all that is within me, Bless His Holy Name.  
Bless the LORD O my soul, and forget not all His benefits ...

Who forgives all your iniquities, and heals all your diseases;  
Who redeems your life from destruction; who crowns you with loving kindness and tender mercies;  
Who satisfies your mouth with good things, so that your youth is renewed like the eagles.

Speaking the words of this ancient Psalm, I began my prayer early on this morning.

May I never forget the greatest of all the benefits of our Heavenly Father, which is of course that we are invited to partake of the substance of His Divinity. When I remember and desire His Divine Love, I am

in truth desiring to partake of the substance of His Soul, and receive it into my soul in order to bring the change in my soul that has existed since its creation. My will, my free will, determines whether my soul shall be changed. Will I allow His Love to enter my soul? Will I continue to desire the Divine Love? Will I choose to ignore the invitation to drink from His Fountainhead of Love? Today I choose once again to allow His Love to enter my soul. Thus, this is the reason that I pray. This is why I choose to begin my day very early in the morning with prayer. This is why I am willing to participate with others in a 30 Day Experiment. My desire is that I shall not forget all the benefits of the LORD. I shall not forget that the Divine Love is available and waiting for me, as it is waiting for all God's children, whether we are upon the Earth or in the spirit world. I choose Love. And I choose to be this Love.

### **Wednesday August 7, 2013**

While I was praying on this day I became aware that the Prayer for the Divine Love that Jesus gave to James Padgett has become to me my strength and shield. Over 6 years ago I memorized the prayer, and to tell you the truth, it required nearly two months to retain it in my memory. It was no easy task and I am thankful that I did it. It is so much a part of me that I am able to follow the basic format and structure of the prayer, but through practice and experimentation I have learned to use it in my own words. If I merely recited it, it would probably take about 10 or 12 minutes to finish. But most days I am praying the Prayer for the Divine Love for least 30 minutes and more like 60 and sometimes 2 hours by the time I can say that I am done.

Today, even though I had asked for the presence of bright spirits of the Celestial heaven to come and help me to pray and to pray for me and with me, nonetheless, I felt obstructed in my prayer. I felt interference and oppression and distraction, as well as opposition and attack. But I would not give up. I voiced my prayer aloud and with great effort I persevered. At one point I remember saying, "Divine Angels, I ask for your help again, for I do not desire that my words be as mere escaping breath, or that my words fall to the floor and go no further than this room." My praying grew with intensity as I continued with the Prayer for the Divine Love. It was at this point that I realized that the Prayer for the Divine Love is my strength and shield and when I realized this I prayed with increased vigour and greater effort. When I came to the place in the Prayer where we ask for help to overcome all temptations of the flesh, and help to overcome the influence of the power of the evils spirits who constantly surround us and endeavour to turn our thoughts away from God, I laughed. I laughed because I realized that they have absolutely no power to turn me or anyone else from God's Great Love. We never lose the Divine Love. It is in our soul to stay – forever! At last I began to feel the Divine Love flow in greater and deeper measure. Thankfulness and gratitude rose in my heart that I have the privilege and honour to pray for the Divine Love. By the time I came to the end of the prayer I was in silence, barely whispering the last few parts of the prayer. Love, the Divine Love is more real than anything in all nature. Divine Love is truly the greatest thing in all the world, and the greatest thing in my life. And the Prayer for the Divine Love that Jesus gave to James Padgett, when prayed with earnestness and the sincere desires of the soul, really does work!

### **Thursday August 8, 2013**

I assumed the door was stuck and when I pushed against it I nearly fell on the floor. That's what it felt like in prayer this morning. Love was waiting and I didn't need to shove and push and otherwise engage

in warfare against opposition and interference. The way was clear. The situation appeared to be that someone had already done the work for me and I was free to experience the presence of Love if I so desired. I laughed; I was the one who with the help of Celestial friends did the work. Of course I give all the honour and glory to our Heavenly Father, for it is His mercy and desire that I come and partake freely of His Great Love.

I walked through an open door this morning when I came to pray. It was such an unusual experience for me that I almost felt that I wasn't really praying seriously or with sincere earnestness. But I quickly settled down in comfort and relaxation and prayed. Yet, when I felt that I was finished with prayer I expected to see that I had only prayed for about 20 minutes. To my great surprise I was "gone" for close to 50 minutes! I smiled, for there was such deep quietness and peace present throughout the time in prayer that I should not have been surprised that I was taken to another dimension of experience. There is timelessness in the presence of God's Love, and this morning I drank deeply from the Fountain of Love. Even as I am typing these notes in my daily diary I feel the love still flowing. There is no physical pain associated with this experience. In fact, my body feels rather light, so much so that I feel that I could float or levitate. I now remember a place in the New Testament, in the Book of Acts, where on the day of Pentecost the apostles and disciples experienced something that caused bystanders to say that they looked drunk. The writer inserted the comment: "They are drunk, but not as you suppose." Hmm, I wonder if I am not experiencing a "high" but not as the result of drinking hard liquor, but rather, that comes from allowing the Divine Love to flow freely into my soul?

*"Come Holy Spirit, and bring this Love into my soul in great abundance until my soul is transformed into the Essence of our Heavenly Father."*

~

**Note:** Following the writings of James Moncrief, one could consider that any reference to the Father, by other relevant writers, may be read as a reference to 'our Mother and Father'. Further, when considering soul healing, then reference to Divine Love could be referred to as 'Feeling Healing with Divine Love'.

## Friday August 9, 2013

Why are you participating in a 30 Day Experiment of faith and prayer for the Divine Love? Do you have an ideal or a goal that you are striving for? Do you have a clearer realization of your goal today than you had 9 days ago?

This morning when I woke I had a desire to read a message that Apostle Paul wrote through James Padgett on the subject of a perfect ideal. When I went to my office I found the message that I was prompted to look at. It is a message received on August 31, 1915 (True Gospel, Vol. II, p. 317). The following are a few excerpts from Paul's message. I encourage you to read the entire message, but for now a summary through various excerpts will suffice:

"Let men know that even while on Earth they can obtain this inflowing of the Holy Spirit in their hearts to such an extent that sin and error will be entirely eradicated. This, I say, is possible, but few men attain to such a state of perfection, because the worldly affairs and natural appetites which belong to mortals are always interfering to prevent the makings of the spirit in men's souls so that perfection of this kind may take possession of them. But notwithstanding this great difficulty, and material desires of men, they should have this perfect ideal before them always, and strive to obtain the possession of it.

"...as this Divine Love fills their souls, all sin and error must disappear.

"Of course this is a relative matter, for it depends upon how much of this Divine Love is in their souls to determine how much of sin or error exists. The more of the Divine Love, the less of sin, and on the contrary, the more of sin the less of the Divine Love. But, I want to say with all the emphasis that I am capable of, that it is possible for a human being to obtain such a quantity of this Divine Love in his soul that sin will be entirely eradicated. This was the doctrine taught by Jesus, and this is the truth of God's law of love."

The above message from Apostle Paul can be read in its entirety here:

<https://new-birth.net/padgetts-messages/true-gospel-revealed-anew-by-jesus-volume-2/st-pauls-comments-on-the-preachers-beliefs-vol-2-pg317/>

After I read the message I closed my book and went to God in prayer. I wrote following the following after prayer.

Apostle Paul's message is very powerful and I think important to consider as I continue with a 30 Day Experiment of faith and prayer for the Divine Love. I realize that I am never compelled to receive the Divine Love, and that this Love never comes of its own initiative into my soul. I must be willing and have a desire to receive it, and then I must do something on my part to receive it. I must take the time to go to God in prayer and in praying ask sincerely for this Love to come into my soul. I think the same approach must be taken regarding sin and error in my soul. I must be willing to allow the Divine Love to remove and eradicate encrustments and sin and error from my soul. I have the power to prevent the Divine Love from changing and transforming my soul from the mortal to the immortal. Will the Divine Love do all the work for me? I do not believe this. I must be a willing participant in the process. The process of our soul transformation is not as easy as it looks. I will probably write more about this subject in my diary on a different day.

## Saturday August 10, 2013

I got up earlier than I wanted this morning. I was awake at 3:00AM; of course I was in bed and fast asleep by around 9:15PM. I laid in bed thinking about many different things, mostly about the Divine Love and how it is designed by God to be the ingredient in our soul to develop and change our soul since it has existed since its creation ... pretty heavy thoughts for so early in the morning. I tried to go back to sleep but something (or someone) was urging me to get up and go to my home office located at the far end of our home. Usually when I do this I go directly to prayer, but not this morning. I rarely ever turn on my computer before prayer; today I felt led to go to my emails. I did, and I am thankful that I did. There were several emails from a friend that helped me focus on a few issues that have been perplexing me. It's not that I received answers, but it felt good to know that someone else is considering and doing something about similar issues relating to the experience of the Divine Love in our world today. After reading the emails and writing brief responses, I finally shut down my computer, turned off the lights, had a few deep swallows of cool water, sat in my recliner and began to pray.

***"I love you heavenly Father,"*** I began. In words similar to these, is how I normally begin to pray. I realize many people do not pray aloud, but I do. Sometimes I do pray in silence, but not often. And when I do pray silently, it usually comes toward the end of vocalized prayer. I learned to pray the way that I do many years ago and I find it most helpful to have an intimate conversation with God using the voice. I visualize the voice as being the instrument of the soul. I am a soul, that's the real me, and my soul is clothed in a spirit body and housed temporarily in this physical body. I know that our Father "hears" the yearnings and longings of my soul without spoken words, but I also tend to believe that God also loves to hear the sound of our voice lifted up in prayer. Anyway, prayer time this morning was rich and beautiful, and my soul felt gentle waves of Love flowing into the soul. As I am typing these words, there is a smile on my face; this is an expression of the smile in my soul. And I feel that there is a brighter "sparkle" in my eyes because of the presence of the Divine Love in my soul. Deeper than this, though, there is the peace that I feel that passes all understanding.

## Monday August 12, 2013

Sunday (yesterday) was a day of renewal of my appreciation for the spirit communications received by James Padgett. The day was a private retreat, a day of silence and quietness, reading and meditating on various truths in messages, allowing myself time to be with spirits that came to James to write their messages. Who came to me? Who were the spirits? To name a few, they are Helen Padgett and Ann Rollins, and Samuel of the Old Testament, and Julius Caesar and Edwin Forrest. Jesus of course visited too, as well as the Apostle John.

I suppose the reason Helen Padgett and Edwin Forrest came is because I had been thinking about a comment that Sandy Wagner made in one of her writings that she tried to memorize the prayer for the Divine Love but was unsuccessful, and wondered if anyone had a suggestion how to commit it to memory. I do not have a specific suggestion other than perhaps a desire to really do it. In addition, this is what I read yesterday ... Helen reminded me that she advised James to not only use the prayer but to learn it. I understand this to mean that James should memorize it. And Edwin Forrest came because he said that he was working to commit to memory. It is good for us on Earth and for spirits to know the prayer, to study it and to commit it to memory. I tried it 6 years ago and it took this old guy 2 months to

accomplish the task, but I am glad I did it. Apostle John reminded James and Leslie Stone of this (and through them, us today) when he wrote on the importance of the prayer a few months after Jesus gave the prayer.

I thoroughly enjoyed reading again the story of Julius Caesar getting out of the hells of darkness that he was in for centuries. I was led, perhaps by Caesar himself, to put his four messages into a story form. I did this and if anyone would like to have a copy, just write an email to me and ask for the Caesar story and I'll send it to you.

And Ann Rollins, I felt blessed that she came to visit me. She has been one of my favourite writers of messages received by James Padgett. The message I was led to read and meditate on, is the one that she wrote on January 9, 1917 (TG Vol. III, p. 361). It is a beautiful and important message on the subject of worry (and temptation), and how the presence of the Divine Love is the power to take away from your conscious self the causes of worry. She calls her message "***the philosophy of the workings of Divine Love in its effective destruction of worry.***"

*How do you measure your progress since you have been receiving the Divine Love?* In the spirit world individuals have it much easier than we do here on Earth. For one thing, the location where they have their dwelling changes, perhaps going from the darkest hell to the brightness of the higher planes of the First Sphere, and onward up through the Third and other spheres, and perhaps even beyond the Seventh to the Celestial realms. Here on Earth we live in the same house for 20 or more years and may remain in the same house almost all our life until the day that we pass.

What about progress, how often do you take time to evaluate your progress?

It is only 7 years since I became consciously aware of the existence of the Divine Love. Therefore I am curious about the experiences of those who have been on this road for more than 15 or 20 years; but I am most interested in the experiences of those with the Divine Love for 30 or more years. Have you learned a method to measure your progress, or, perhaps, you now have the wisdom to not do such things? If you do not periodically look at your progress, then how do you know you are progressing at all? Does this mean that you are dormant and stagnate? How do you know you are not dormant or stagnate? Are there clues or signposts that you have learned along the way that you are willing to share that may help the younger ones among us (especially me)?

These are thoughts that I woke with today, Monday morning. They are not worrisome thoughts. I am not in the place of worry about this subject. But I would really like to hear the experiences of our seasoned travellers what to look for. Can we who are younger on the trail know when we are heading into stagnancy and dormancy? Are there such things as "danger" signs?

***Are you a progressive soul?*** Tell us how you came to understand this about yourself.

With love and a hug to everyONE,

Joseph

## What's Your Soul Condition?

**Tuesday August 13, 2013**

These are my ramblings from my diary early on Tuesday morning, the 13th day of a 30 Day Experiment of faith and prayer for the Divine Love.

I am a progressive person, which to me means that I am open to change. I allow change and in fact welcome it with open arms. This means that I am a progressive soul, just as my elder brother Jesus said the same about himself. He is my supreme role model. On Earth we need role models to help us along in our journey of faith and love toward the Celestial Kingdom. In a sense each person is a role model to another. We are brothers and sisters.

Change and progression is slow for it comes in bits and pieces, here a little and there a little. If it came too quickly our physical bodies could not handle it. At this moment as I am typing these words I am a different person than I was when I first walked into my office to pray. When I entered my "prayer chamber" I was feeling weak and tired, very tired. Though I had 7 hours of sleep I wanted more, but my eyes would not remain closed. I dressed and shuffled into this room to pray. Now, about 30 minutes later, I feel refreshed and ready to begin what looks to be a very busy day. Divine Love restores my soul; Divine Love gives wings to my life. I cannot begin the day without Divine Love. When I do avoid prayer, the result is that I feel all the aches and pains of a 78 year-old body, as well as the gloominess and depression that come with feeling old. But even my remarkable happening this morning as the result of prayer, it is not an instantaneous transformation of my soul. It is but one small step, one small increment in the process of being changed from a mortal to an immortal.

How do I measure my soul progression? Primarily I measure it by the yardstick of prayer and desire for the Divine Love. When I realize that I am not praying I immediately see that I have drifted away from my primary desire. Drifting away from basic things happens slowly. We really don't notice it at the beginning. If the drifting is permitted to go on for any length of time we can be thankful that someone or something shakes us awake. We then wonder how we got to where we are; and where we are is in a

place of stagnation in reference to our soul progression. And the work begins to take us back to a place of constant prayer and desire for the inflowing of the Divine Love.

I am a progressive soul and I am constantly learning what this really means.

### **Wednesday August 14, 2013**

“When you are weakest, then are you strongest, because then you rely more on the power and help of the Father. Such has been your condition tonight, and I want to tell you that you have received a wonderful amount of the Father’s love, and the love of the Master. This I tell you because I know from what I actually have seen.”

October 31, 1916 – Message from James, Apostle of Jesus. to James Padgett  
(TG Volume II on page 162 and Volume III on page 334)

To make this personal to me, I would change the second sentence to read: *Such has been your condition this morning ...*

Today prayer began weak and feeble, yet at the end, I was actually singing in the spirit. I did not plan this; it happened rather spontaneously. I was singing a made up tune using words of love and praise to our Father for His love and mercy and grace.

This is a 30 Day Experiment. Have you been experimenting in any way with prayer and your connection with the Father? Do you feel free to deviate from your ‘normal’ way of praying for the Divine Love? I did not plan the change I experienced this morning. I believe it came as I responded to my soul condition and the flow of Divine Love.

With love to all,  
Joseph

### **Thursday August 15, 2013**

Today marks the end of the first half of the 30 Day Experiment of faith and prayer for the Divine Love. I have enjoyed it and feel that it has been worthwhile to try this. My personal life has been enriched by what has been written and shared here. I am willing to move on tomorrow toward the completion of the full 30 day experiment. Each new day is a new step – a new opportunity to grow and explore the wonderful possibilities for a life lived with the presence of the Divine Love. One more day, one more step, one more moment.

*“Father, keep all of us in the shadow of Your love each and every moment of our life. Help us never to cease to realize that Your love is waiting, and that when we come to You with faith and earnest aspirations, that Your Great Love will never be withheld from any one of us. Every day we are growing in our faith, and we are learning that You are our Loving Heavenly Father who smiles upon us in our*

*weakness, and that You are always waiting and ready to help us and take us into Your arms of Love. Heavenly Father, we love You with all our heart and soul and strength. Amen."*

*The time to begin our soul transformation is now*

**Friday August 16, 2013**

***Jesus wrote:***

"As I told you, when I delivered to you the prayer, if you offer that prayer with all the earnestness and longings of your soul, it will be answered; and when the answer comes these material things will come also, for when you receive what that prayer asks for you will then be in possession of the Kingdom of God, and these other things will be added to you. God knows what you need, and is always ready to bestow upon you these needful things, and when you become His true child, He will not neglect to give you these other things. He is more thoughtful and careful of His children than is the earthly father, and His angels are always ready to do His bidding, So have faith, and pray, and pray and you will realize the wonderful responses that will come to you. "

Excerpt from a message received by James Padgett April, 22nd, 1917

This is an important message for James Padgett, and for all of us living today. As Marga shared about her trials, and Al eloquently amplified, and Terry confirmed, we all go through a variety of experiences that can test our faith and resolve to continue on this wonderful path of love. It is evident when you read the entire message that I quoted only an excerpt from, that James Padgett was experiencing difficulties in his life. In the first part of the message Jesus wrote:

*Remember that I love you with a very great love, and that you are my chosen one to do this work, and that to no other man has such an opportunity and privilege ever been given; and you must not become a failure. So much is dependent upon the world getting the truths at this time, for men's souls are longing for the truth, and are (more) susceptible to receiving the same than ever in the history of mankind. So believe in my love and anxiety and permit yourself to get in close rapport with me. I will pray with you tonight, and you will realize some response to my prayers. When you pray tonight, believe that what you ask for will come, and you will not be disappointed.*

What a great privilege and yet what a tremendous burden placed upon James as the "chosen one." Are there lessons for us to learn when we read messages of this sort directed primarily for James Padgett? I believe there are. Each of us who have and continue to respond to the presence of the Divine Love, have a very high calling upon our life. It is not the same as the calling of James Padgett, but nonetheless, as

important in terms of receiving the Love and being the Love ... showing the evidence of the Love in our life in relation to others.

We will not fail when we rely on prayer and develop our faith by receiving the Love. Jesus' final words to James in this message are these:

*I will not write more tonight, but again impress upon you the necessity of faith and prayer; and you must not forget that we angels of the Father are with you trying to help you.*

Faith and prayer remain the necessary ingredients in our life also, and the realization has not changed that the angels of the Father are with us today trying to help each and every one of us. No one is ever alone.

With love to all,  
Joseph

Rev. Tim Foley wrote a very inspiring message under a different topic that I felt to paste here. It seems to relate to the subject of "prayer experiments." Hope you enjoy it as much as I did. Here it is:

"I simply must report on the excellent progress we are making here in Sonoma, California, at our Divine Love Prayer Circles. The prayers themselves are becoming so sacred, so powerful. The Love is coming in great abundance and with such an almost physical presence in response to the intense longings of our souls.

"There were only two of us present in physical body--myself and brother Dave K. this Saturday evening, Aug. 17, 2013. After some quiet exchange of ideas and cups of green tea, we entered into prayer. Midway through we asked out loud: "Father, let us take a few moments to express the longings of our souls in silence as we long for a closer at-one-ment with Thee and to experience the Presence of Thy Love." The silence took us into a world of ecstasy beyond words to describe. Both of us felt the power of the Love surrounding us and entering our souls. Wow. The peace and comfort of feeling that Force in a way that left no doubt as to What was there in the room!! We thought it exceeded what we felt during any of the prayer circles at the Windsor retreat.

"Just lettin' you all know that even a meeting of two who are determined to enter into prayer with their full beings and true longings can bring results beyond expectation. Two + unseen guides, teachers, guardian angels, and maybe a couple Celestials = a crowd. Go for it. Get together with just one other Divine Love pray-er and pray together. Then report back to the forum. Okay? Don't take my word for it. Try it yourselves!"

Apostle John to James Padgett –

**“You are blessed in that you have the knowledge of the existence of this love,** and that it may be yours if you so will it to be, and pray with the true longings of your soul’s desires. You cannot doubt the truth of what I write, for, as in the ordinary things of life, there is nothing so convincing as personal experience, and your experience is such that there has been no room for doubt.

So if you would keep the consciousness of the presence of this love continually alive, pray and pray whenever the opportunity presents itself. And by this I don’t mean that you shall wait for a time when you are not engaged in your business affairs, but at moments when the mind may be free, even if only for a moment, from these business affairs. The longings, if exercised only for a moment, will bring their results; for God’s ear is always open and ready to cause the responses to such longings.

One moment of true soul felt longings is more effective than hours of prayer where these longings are not present. The prayers of the lip or of habit arises no higher than the escaping breath, and does not cause the love to respond and flow into the soul.

Only soul can call to soul, and love responds only when such soul calls.”

### Friday August 30, 2013

The 30 Day Experiment of faith and prayer for the Divine Love did not end as I had hoped or intended. A surprise arrived, and not the sort of surprise I welcomed, at least not when it first came. I have been through long days of hell, to put it nicely. Sickness arrived and this was not only sickness of the flesh but also of the spirit. I had assumed that I was somehow above and beyond this sort of experience, but I was wrong – completely wrong.

Ten days ago I wrote in my personal diary:

“Yesterday is gone; today is a new day. I feel that something has changed. I feel that I am in new waters today. Yesterday I was like a person alone in a sailboat, and that I was stuck in doldrums. I felt listless, stagnate, mildly depressed. I realized that a condition like this could last for days or weeks. Nothing about my life felt right, in fact, to tell the truth, I felt like quitting and giving up on all that I have done and accomplished the past several years. I did not act on any thought or feelings while in this place. Yet I did not know for certain that it would end or if it would even pass, but I had determination to wait and see what would come next.”

The next day I wrote in my diary again, and said:

"Today my prayers are feeble. Words are hardly audible; I seem to breathe them rather than say them. I ask: Is this simply weakness of the flesh, or is it something deeper? Am I entering a place of doubt and unbelief again? I thought these experiences were a thing of the past, a lifetime away. I read quietly in the writings of James Padgett looking for a clue why I am experiencing what I am presently experiencing. I clearly see that James often went through similar experiences and this confused me because it is said that he had the highest Celestial spirits available to him. What are we to do? What am I to do? James had a special calling upon his life such that Jesus and other very high Celestial spirits were his helpers and friends. I am feeling alone; terribly alone."

I made no further attempt to write in my diary, that is, until today. And I purposely did not post anything in this thread; I did not want my personal experiences to put a cloud or damper on the enthusiasm I saw building here.

What is the remedy? What was the remedy suggested to James Padgett? Someone wrote to me and gave the advice that I should make an appointment and visit a doctor. Such advice is alright for someone not on a rigorous spiritual journey. The remedy given to James Padgett never deviated and it is so simple that it applies to each and every individual, no matter the condition or the symptoms. It is the way of faith and prayer.

In the year 1919, nearly 5 years after beginning to receive the Divine Love, James Padgett experienced a degree of doubt that caused Jesus concern, for he came and wrote:

"I see that you have been somewhat in doubt as to the reality of the truths of the messages that you have received, and as to the power of the Divine Love to make you a child of God, in the sense Divine. You must not let such doubts enter your soul for one moment, for they are the breeders of other things that are most harmful and tend to alienate you from the Father. As you are aware, God's Love is all around you, and may be in you, and if permitted to flow into your soul, with faith accompanying it, you will find yourself growing in at-onement with the Father, and realize that fact. "So my brother get rid of your doubts and come to God in the faith that is childlike and dependent. He will not disappoint you. I will be with you, and try to help you in your desires.

"Pray more to the Father, and believe that His Love is yours; only for the longing and seeking. I will not write more tonight. Rest assured that my love is with you in all its fullness; and believe that you have a work to do. Good night."

Jesus

April 8th, 1919  
TG Vol. II, page 197

Doubt in any degree and in whatever form is harmful to the development of the soul with Divine Love. It is true that we never lose the Divine Love already within our soul, but with the presence of doubt our condition may deteriorate so that the Divine Love is covered over and we may feel that we have no Divine Love whatsoever.

Doubts are breeders of other things that tend to alienate us from the Father. The way out of the

condition that I was experiencing the past several weeks is the same given to James Padgett and the same for each child of God: “*Be aware that God's Love is all around you, and may be in you, and if permitted to flow into your soul, with faith accompanying it, you will find yourself growing in atonement with the Father, and realize that fact.*”

For me the 30 Day Experiment continues. I will try again and again and I will never cease trying. I am determined to pray more to the Father, and believe that His Love is mine; only for the longing and seeking.

With love and hugs to all,

Joseph

Vol III, p. 157, 14 Nov 2014 – 14 Mar 2015 Zara and Nicholas  
[www.lulu.com](http://www.lulu.com)

It is I Matthew, a teacher of the Divine Love. I have communicated with you recently, now I desire to provide you with a visual description of the Love.

Imagine a continuous Energy shining light blue that is unbroken with a seamless surface that surround every mortal and Immortal spirit. Imagine if you were to become aware that this energetic field of light-blue Energy existed in its shining radiance just near where you are. Now that you are aware that this unbroken Divine Love is unified energetic field of living Love, by opening toward the Soul of God and aspiring for the Divine Love, the Acting Spirit gently brings a small portion of this shining blue Energy into your soul

The Divine Love that you have received remains part of this great Energy that the Divine Love is and even though this small portion of Divine Love, now within your soul, in its shining radiance and energetic cause, it is never separated from the continuous energetic field of Energy that the Divine Love is. Having partaken of this Energy it is with perception that one is aware that the Divine Love within one's soul is the same Divine Love that every person and spirit who has partaken of this Love, participates with. Even though in our individuality we partake of this Divine Energy, this Love is never broken away from the Source and Origin from which this Divine Love emanates.

The Divine Love is bestowed into our finite soul by the Acting Spirit, but this Spirit remains in contact with our spirit body and does not enter the finite soul to become part of our finite soul essence that we are. No mortal or Immortal spirit can manifest in their soul the Acting Spirit so that this Spirit – this Holy Spirit – becomes part of our existing finite spirit body. Only the Divine Love and its Energy becomes part of our finite soul, which causes the change to our spirit body. The Acting Spirit always remains its own attribute and never does a Celestial spirit claim ownership or take possession of the Acting Spirit within their soul. (The Holy Spirit / Acting Spirit is an instrument of the Source Soul, our Father.)

This is one of the wonderful Truths by which we who have been transformed by the Divine Love understand our personal relationship with the Father's ever-present Acting Spirit. The shining Energy of Divine Love is all around us and when we have partaken of this Love, part of our finite nature becomes independently shining in this true perfect Love.

I provide these words that may appeal to those who are visual and to express the universal appearance of the Divine Love and the personal touch when in contact with the Acting Spirit.

Matthew (Apostle)

**Whilst we are receiving our Heavenly Parents' Divine Love, and that this Love is causing change within our soul and spirit attributes, the greatest Truth known to man and spirit is that this is the way our Mother and Father are actually loving us! When we progress, it is God's way of loving us into love and then we live what we are, love.**

# MOTHER, FATHER GOD

God is God, who is our Heavenly Mother and Father, being SoulMates. There is only one Soul that is God's Soul, that being the Soul of our Mother and Father. Our Heavenly Parents are the First Soulmates; The Two Who Are One who have brought us all into being.

Jesus and Mary are a son and daughter of God.

Jesus of Nazareth and Mary of Magdalene, being soulmates, where both free of sin. Jesus and Mary, combined in their love for us, are our teachers and guidance for us to find our way home to our Heavenly Parents. To start this journey we are to liberate our souls from being entombed within our suppressive minds, through feeling and longing for the truth of our feelings via our soul and peel away our injuries incurred since conception.

Give yourself time to consolidate your relationship with the Mother and Father through the partaking of Their Love. And whilst you are doing this, you can learn about your healing, all that's involved with it, as there are many willing spirits to share their healing experiences with you.

When you are ready it will start happening simply because you will want it to, it all being orchestrated by your soul. And when that time comes you will have developed a strong foundation in your relationship with the Mother and Father for you to work from. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

It is to make longing for God's Love the priority, and then do one's healing; should one want to include God and the Divine Love in one's feeling healing. This is doing your soul-healing as you are seeking to heal your soul of all evilness – of that which made you become evil, and release all the hurt and pain of not being fully and truly loved.

## Quantum Jump 1

### REVELATION 1

James Padgett

1914 – 1923

James Padgett bravely introduced the availability of the Mother and Father's Divine Love and a great deal of additional guidance and information, all of which has been supplemented by Samuels, Judas, Reid and Arnold. All writers were under restrictions of personality and circumstances. Revelation 1 opened the door for humanity.

## Quantum Jump 2

### REVELATION 2

Marion and James Moncrief

2002

– ongoing

Marion and James Moncrief have recognised the need for one to engage in Feeling Healing and, by their actions, removed restrictions that James Padgett and others above endured, thus JM is able to critique the writings of the past 100 years resolving points of confusion as well as expand on what has been written. Revelation 2 is humanity's turning point.

Due to the extra-ordinary nature of Revelations 1 and 2, humanity with the first Revelation would have continued on into its negative pathway of living, however, combining the first Revelation with Revelation two, now humanity can embrace this turning point and commence its evolutionary growth that has required two thousand years to put in place. This is the greatest event in the history of humanity and very few are aware of such, until we enable others to become aware.

Between 1914 and 1923 James Padgett recorded, by automatic writing, some twenty five hundred messages, coming from two hundred and fifty spirits, many of these spirits being from within the celestial spheres of the spirit world (8<sup>th</sup> sphere and higher). Within the Book of Truths, there are some 866 of those individual messages.

Lost to humanity, by the time of the beginning of the fourth century, were the teachings about Divine Love. James Padgett has been the instrument used to reintroduce these teachings to mankind.

‘Book of Truths’ as published by Joseph Babinsky contains the Padgett Messages conveyed from 1914 through to 1923.

## **FEELING HEALING and SOUL HEALING with the DIVINE LOVE:**

**James Moncrief Publications:**

**all publications are free downloads:**

<http://divinelovesp.weebly.com/my-free-books-and-free-padgett-messages.html>

It is suggested for one to consider reading as follows:

### **Speaking with Mary Magdalene and Jesus – books 1 – 4**

These four books encapsulate the second of the revelations with the first having been introduced by James Padgett one hundred years previously. These four books provide a wide range of guidance that has never previously been made available.

### **Paul – City of Light**

As a gentle intro into the Divine Love and Healing; being James Moncrief's first novel and it's been criticised as being to heavily clichéd, but that's the point because it's a reflection of how he was back then.

### **Ann and Terry**

For an example of people who might want to immediately start working on them selves and doing their Healing.

### **Feeling Bad? Bad feeling are GOOD**

For more understanding about our denial of our feelings and why we should not deny our feelings, and it includes how it all came about for James, using himself as an example.

### **Feeling bad will make you feel BETTER – Eventually!**

This includes specific examples of Marion and James working on expressing particular bad feelings, again with the hope that it will help others gain something of an idea as to what's involved in doing your Feeling Healing.

### **Sage – and the Healing Angels of Light**

Through Sage who's 13 years old, the story is primarily about the two aspects of healing; that being, with the help of our angels, and the full Healing we can do by looking to our feelings for their truth.

**Religion of Feelings  
Feeling Healing**

**Welcome to LOVE – the Religion of Feelings  
you can heal yourself through your feelings**

So these books, including the four Speaking with Mary Magdalene and Jesus books, provide the essence of it all and are examples of James' work. Then it's up to whatever takes one's fancy. Other reading to consider may include:

**The Padgett Messages being published as:**

**The True Gospel Revealed Anew by Jesus volumes 1 – 4**

**Book of Truths by Joseph Babinsky**

**The Urantia Book**

**Release one's pain through expressing one's feelings.**

  
**in conjunction with**

**Longing for the Truth when also longing for Divine Love.**

### **FEELING HEALING with DIVINE LOVE is SOUL HEALING:**

*A collection of ‘papers’ that draw together specific topics including all of the above and more from other sources of information and revelation designed to help increase one’s awareness about why we have the problems we do and how to heal them, all whilst living a more healthy and sustainable life. They provide a brief snapshot of the more complicated topics and issues.*

**Firstly, consider discovering the truth of your emotional pain through Feeling Healing.**

**Secondly, consider longing for our Heavenly Parents’ Love as you progress with your healing.**

**Primary and most important readings are the writings of James Moncrief.**

**Then consider the Padgett Messages, and then The Urantia Book.**

## The Only Prayer That Man Need Offer to the Father:

**The Prayer for Divine Love**

(as given within the first century)

2 Dec 1916

I am here, Jesus

<http://www.youtube.com/watch?v=Pg6p3rivAZw>

P.438 Book of Truths through James Padgett / Jesus

Let your prayer be as follows:

**Our Father, who art in heaven, we recognize that You are all Holy and loving and merciful, and that we are Your children, and not the subservient, sinful and depraved creatures that our teachers of old would have us believe. That we are the greatest of Your creation, and the most wonderful of all Your handiworks, and the objects of Your great soul's love and Tenderest care.**

**That Your will is that we become at one with You, and partake of Your great love which You have bestowed upon us through Your mercy and desire that we become, in truth, Your children, through love, and not through the sacrifice and death of any one of Your creatures.**

**We pray that You will open up our souls to the inflowing of Your love, and that then may come Your Holy Spirit to bring into our souls this, Your love in great abundance, until our souls shall be transformed into the very essence of Yourself; and that there may come to us faith--such faith as will cause us to realize that we are truly Your children and one with You in very substance and not in image only.**

**Let us have such faith as will cause us to know that You are our Father, and the bestower of every good and perfect gift, and that only we, ourselves, can prevent Your love changing us from the mortal to the immortal.**

**Let us never cease to realize that Your love is waiting for each and all of us, and that when we come to You, in faith and earnest aspiration, Your love will never be with-held from us.**

**Keep us in the shadow of Your love every hour and moment of our lives, and help us to overcome all temptations of the flesh, and the influence of the powers of the evil ones, which so constantly surround us and endeavour to turn our thoughts away from You to the pleasures and allurements of this world.**

**We thank You for Your love and the privilege of receiving it, and we believe that You are our Father --the loving Father who smiles upon us in our weakness, and is always ready to help us and take us to Your arms of love.**

**We pray this with all the earnestness and longings of our souls, and trusting in Your love, give You all the glory and honour and love that our finite souls can give.**

**Amen**

**MoC**

Note: The ‘false teachers’ are our parents, as they are also the ‘evil ones’.

Also, the evil ones, being those parts of one’s mind, that are controlling you.

**Another version:**

<https://new-birth.net/padgett-messages/true-gospel-revealed-anew-by-jesus-volume-1/the-prayer-given-by-jesus-as-the-only-prayer-vol-1-pg40-2/>

Our Father, who art in heaven, we recognize:

That Thou Art--art all holy and loving and merciful, and that we are the children of Thy care and not the subservient, sinful and depraved creatures that our false teachers would have us believe.

That we are the greatest of Thy creations and the most wonderful of all Thy handiwork, and that we are the objects of Thy great Soul's love and tenderest care.

That Thy will is that we become at one with Thee and partake of Thy great love which Thou hast bestowed upon us through Thy mercy and desire that we become, in truth, Thy children; and not through the sacrifice and death of any one of Thy creatures, even though the world thinks that one Thy equal and a part of Thy godhead.

That Thou will open up our souls to the inflowing of Thy love, and that then will come Thy holy spirit to bring into our souls, this, Thy love in great abundance until our souls may be transformed into the very essence of Thyself; and that there may come to us faith--such faith as will cause us to realize that we are truly Thy children and that we are one with Thee in very substance and not in image only.

Let us have such faith as will cause us to know that Thou art our Father and the bestower of every good and perfect gift, and that only we, ourselves, can prevent Thy love changing us from the mortal to the immortal.

Let us never cease to realize that Thy love is waiting for each and all of us, and that when we come to Thee with faith and earnest aspirations, Thy love will never be withholden from us.

Keep us in the shadow of Thy love every hour and moment of our lives, and help us to overcome all temptations of the flesh and the influence of the powers of the evil ones who so constantly surround us and endeavor to turn our thoughts away from Thee to the pleasures and allurements of this world.

We thank Thee for Thy love and for the possibility of receiving it, and believe that Thou art our Father--the loving Father who smiles upon us in our weakness, and is always ready to help us and take us to Thy arms of love.

We pray thus with all the earnestness and longings of our soul, and trusting in Thy love give Thee all the glory and honor and love that our finite souls can give.

**By living true to ourselves, true to our feelings, we are living true to God. It's that simple.**

**Golden Rule: that one must always honour another's will as one honours one's own.**

**A Personal Adaptation of the Prayer for God's Divine Love:**

Joseph Babinsky

*Our Father, who art in heaven, I recognise:*

That You are holy and loving and kind, and that I am the child of Your care.

That I am the object of Your great Soul's love and tender most care.

That Your will is that I become at-one with You and partake of Your great love, which You have given me through Your desire that I become, in truth, Your child.

That You will open up my soul to the inflowing of Your love, and that then will come Your holy spirit to bring into my soul, this, Your great love in great abundance until my soul may be transformed into the very essence of Yourself; and that there may come to me faith – such faith as will cause me to realise that I am truly Your child and that I am one with You.

Let me have such faith as will cause me to know that You are my Father and the giver of every good and perfect gift, and that I only can hinder and stop the river of your inflowing love.

Let me never cease to realise that Your love is waiting for each and all of us, and that when anyone comes to You with faith and earnest aspirations, Your love will never be withheld.

Keep me in the shadow of Your love every hour and moment of my life, and help me to remain completely focused on this, your ever-present and unconditional love.

I thank You for Your love and for the possibility of receiving it, and believe that You are my Father – the loving Father Who smiles upon me always and is always ready to help me and take me to Your arms of love.

I pray this with all the earnestness and longings of my soul, and trusting in Your love give You all glory and honour and love.

*Prayer of the Heart*

I encourage the heart that prays to the Father for the Divine Love. I encourage the heart that loves the Love, and with sincere aspiration, feels for the Love. If there be any doubt, loss of faith or hardship of heart, I encourage the heart not to give up or give the Love away. The Father hears your prayers and the heart be rest assured in this. Never will a good heart be forsaken. As the Father does so do I, see and hear your heart, and prayers for the Love and the needs for wellbeing. Never give your heart up; trust in the One who knows your true heart, and there the Father loves you. One may never fully understand the intricate workings of time, past present and future, but the heart knows faith and Love and the Father Loves a good heart. Pray with faith, and in your heart my truth and the Father’s Divine Love meet you there.

I have given you this prayer of the heart so that men and women may draw from its words, strength, love and faith

Your beloved friend and companion,  
Jesus of the Celestial Heaven

**300. Prayer of Love and Strength**

2 February 2013

I am going to write the Prayer of Love and Strength that may help those with their endeavour of heart in the receipt of the Divine Love:

I pray that I may find the love and strength in my heart to love you more wholeheartedly. I pray that I may feel this strength as a living truth in my heart and soul as my weakness, due to my condition in my physical and material struggle, may not become a hardship that casts a long shadow over my day-to-day living in my faith in Divine Love. I pray that I will not give in to any negativity that surrounds me, or to the way that at times I cannot seem to be able to help or forgive myself for loosing faith in The One I love.

I pray that I am receiving Love, your Divine Love that is in great abundance and that my heart partakes of a small portion of this abundant Love. I ask that your Spirit, The Spirit, convey the Love into my soul as I have already been receiving into my soul your Divine Love. I pray that your Divine Love gives greater love and strength to my heart that I may continue in my prayer to receive this Immortal Love.

God, I love you with all my heart even if there be a shadow across my heart, and a lack of humility in my faith and on my behalf for I recognise that you can love me more perfectly and wholeheartedly than I can accept for myself.

God, I recognise that you are Soul and that I am a finite soul and that your Love and Spirit are true gifts for my heart and soul and that I need this Love that you have provided. I pray that from your Love, more finite love and strength in my faith and heart will enable me to love you even more. I recognise that I am doing my best in all that life has given and taken away from me and that in my resolve, my heart knows that your true Divine Love always remains with me and my faith in you. At times I have left you and left your side and wandered all over the place, lost in the shadows of life and in the near-sightedness of my eye and then, I pray for your Love and your Love fills my heart and my love and strength return and I accept that you are loving me at all times when I am lost and found. I give you all my gratitude, love and strength that my heart can give and I desire not to change the world or the spirit world accepting that your Divine Love will change my soul and in harmony together, I will try for a peaceful world.

I have provided you with the inspiration to give these words of love and strength that such words may help one in their experience of God's Love and Spirit.

**To liberate one's real self, one's will, being one's soul, is begun by embracing Feeling Healing, so as to clear emotional injuries and errors. With the Divine Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.**

**303. *The Immortal Prayer***

6 February 2013

For those of you who are strong, I will continue to sustain this strength because many of you who experience the Father's Divine Love require a great resolve and strength of heart not to give up on the Truth and not to be saddened by the apparent lack of interest in the most beautiful love that you feel and know to be true. I will never prevent myself from being with you, who sincerely desire the Divine Love and, with any feeling of being afraid, alone or insecure, I with my Celestial teachers are present supporting you. There is no shadow in the Divine Love and for those who are aware of this Love in faith love and spirit we celebrate the harmony of God's universe of Love and Spirit.

### ***I pray for the Divine Love, the Immortal Love***

Universal Soul God,

My Father, I love and accept you with my heart. I sincerely pray for your Love that will come by The Spirit and embrace my spirit body conveying your Divine Love into my soul. I humbly ask that you love me as I love you, and that you continue to love me when in those times I cannot love myself.

I ask that you give me the strength to voice my faith and love to you, and that you may love me in my weakness and in my strength. I know that I am a soul beautiful to you as you are to me, and that your Divine Love will be the arrival of Truth that my soul has truly longed for.

I pray that your Divine Love will be the arrival from which will announce the departure of my doubt and that such faith, love, strength will come to me that I will never doubt you again. And I will never stop loving you, in the sunrise and the sunset of each day in my life.

I recognise that you are the Source of the Divine Love and the origin of my soul. I recognise that I may have been lost to you but in truth I was never lost to you and now, I am gathering up all my love out of my lost-ness in great abundance because I am aware that your Divine Love is present for my soul and I am free to receive your Love and feel Its' breath of spirit declare in my heart the Immortal Harmony.

I am receiving your Love, I have received your Love, true Universal God, your Immortal Love.  
Amen

**LOVE  
is  
Feelings First Spirituality, The New Way**

*Feelings First Spirituality, The New Way* is a contemporary ‘religion’ based on living true to yourself through your feelings. Understanding that all you need in life is contained within your soul and is shown to you through your feelings. And by loving your feelings, by attending to them properly (talking or writing them out of you) and not denying them, you can use them to uncover the truth of yourself – the truth of your soul.

*Feelings First Spirituality* is not a formalised religion that tells you how to be, that is too controlling and is actually bad for you, limiting your spiritual growth. You can be wholly self-revealing of the truths you need to be, being the person God created you to be, all by living true to your feelings.

*Feelings First Spirituality* has no formal structure because we understand we don't need one, our soul contains within it all the truth of our spiritual ascent. If we look to our feelings for the truth they want us to see about ourselves, nature and God, then what more do we need! Our true spiritual path is the path our feelings will lead us down, that is, provided we allow them to. This is the most spiritual we can be.

#### Living the New Way of Feelings First Spirituality

You come to the understanding from your life experiences that how you are is not right, it doesn't make you feel good – that you are wrong in some way. And you want to change yourself, you want to become right, true and perfect – you want to be like God is.

#### *And to do this you need to do your Healing*

Your Feeling-Healing is looking to your feelings for the truth of yourself, the truth being hidden in many of the feelings you are not wanting to face in life. So you have to end your feeling denial, accepting all your bad feelings (and good ones), express them (yet not necessarily acting upon them), whilst longing to uncover the truth they are to show you.

Or, you can do your Soul-Healing, which is your Feeling-Healing together with including longing directly to God for God's Divine Love. When you receive the Divine Love into your soul, it will cause your soul to become divine, and it will deepen your personal relationship with God. Long with all your heart to God for God's Divine Love.

**By living true to ourselves, true to our feelings, we are living true to God. It's that simple.**

## Prayers to our Mother and Father

From ‘Religion of Feelings’ by James Moncrief

**Please Mother and Father** help me accept my untrue state and bring up all my repressed feelings so I can see the full truth of why I feel so unloved and all that’s wrong with me.

**Please Mother and Father** help me see the truth of myself through my feelings.

**Please my beloved Heavenly Parents,** fill my soul with Your Divine Love. I long for Your Divine Love; please answer my prayer and yearning to be at-one with You and do Your Will by living true to myself and all my feelings. Please fill my heart and soul with Your Divine Love – please make my soul like Yours – Divine.

**Please Mother and Father,** I want to uncover the whole truth of myself through my feelings. I want to be able to feel and accept just how bad I am, how bad I feel I am, how bad I’ve been in my life. I want to know the whole ugly truth of myself, see it and feel it and understand how I came to be it. Please reveal to me through my feelings all the truth of myself You want me to see. I want to be as You want me to be; I want to be true and perfect, Healed of all my rebelliousness and self- and feeling-denial; I want to be good, loving, true and happy, please help me become true to myself, true to my soul, true to You.

**Please Mother and Father help me,** I’m in such bad pain, I feel so alone, so miserable, so scared, what’s going to become of me, I don’t understand, what’s the point of me, why have You made me; please help me see the truth of myself – all the truths of myself, nature, how to be in the world, of You both. I want to know, I want to know it all through my feelings, all that there is to see, the whole truth and nothing but the truth. Please help all my pain come to the surface of me so I can embrace and accept and express it out of me. I want to use my feelings to uncover the truth they are to show me; please help me to do that.

**Please Mother and Father love me.** I want You to love me. I want to feel fully loved by You. I don’t want anything else, only to be with You. Please, that is all I am asking.

**Please make me feel how unloving I am.** Please show me the horrible truth that I am. I want to see and feel and understand the worst of me, please take me into my darkest scariest ugliest unwanted rejected places within myself. I don’t want to feel all the dreadful pain that I know is there locked away inside me, yet I do also want it all to come up and out of me, and I want to use it to see the truth of my wrongness, the truth of how evil I am, the truth of my fucked up state. I no longer want to be false, pretending I am okay, using my mind to make me falsely believe I am good, happy, loved and loving, when I know I’m not. For how can I be when You’ve brought me into my unloving state, making me be of it. And as You want me to experience being this negative way, please show me the whole truth of it. I no longer want to deny any part of myself, or any of my bad feelings. I want them all to come up so I can express them, emoting their pain, feeling how bad You’ve made me feel all my life and all through my early life; I want to see why, and so reveal all the truth to myself. I want to be the living truth of myself, living true to my feelings and the truth they give rise to. Please help me to do my Healing, and please fill my soul with Your Divine Love.

**The mind way is the ‘dead’ way; the feelings way is the ‘alive’ way.**

### **Examples of some prayers to God:**

From 'Feeling Healing' by James Moncrief

**Please God** show me the truth of myself through my feelings.

Please help me see the truth about myself You want me to see.

And please help me feel all my repressed pain; please bring up all my bad feelings so I can express them and see what it is they are to show me about myself, my life, and You.

And please help me work through my blocks, I want to Heal myself, I want to become true to myself and true to my feelings and true to You – please help me do that.

**Heavenly Mother and Father**, I feel so bad, and I know I'm doing it to myself, but I can't help it. I can't stop my compulsive addictions, so will you please bring up the buried feelings in me and show me the reasons why I can't stop. Please! I want to know – I REALLY WANT TO KNOW why I do them. Please help me Mother and Father to uncover the truth of myself. Please, I beg you, please, please, please show me the truth of them so I can give them up. I hate feeling bad, yet I know I must so I can keep expressing my bad feelings to see the truth You want me to see, so please help me feel bad.

**Please Mother and Father** fill my heart and soul with Your Divine Love. Please give me Your Love. Please love me and make me feel loved by You. I want to feel You close to me, I want You to hold me, make me feel loved by You. I only want You and to do Your Will. Please help me bring up all my repressed feelings so I can express them and uncover their truth. Please help me do my Healing. Please give me Your Love.

**I hate you Mother and Father;** why have You given me such a shit awful life? I hate myself, I hate You, I hate everything about my life. I feel so bad all the time. I've expressed so many bad feelings and still I feel bad. It's not fair, it's not fair what You've done to me. I hate You! And I want You to help me Heal myself, so I can stop feeling bad. You put me in the shit for whatever reasons, and I want You now to help me get out of it and show me what it's all been about. Please help me to Heal myself so I no longer hate You.

**I long for Your Divine Love** Mother and Father. Please fill my soul with it. And please help me uncover the truth of myself through my feelings. I want to see it all! And please make it all end, I'm so tired of always feeling so bad, please take all my bad feelings away by making me feel them and showing me the truth I am to see.

The New Way, Feelings First Spirituality  
Learn to live with God through your Feelings

Accept, express and long for the truth of your feelings

Be free in your feelings  
Free your feelings from your mind's control  
Live true to your feelings; your feelings are your true self  
Live true to yourself through your feelings

Live true to yourself by living true to your feelings.  
Long for the truth of your feelings.

Accept / Express / Bring out ALL of your good, and most importantly, BAD feelings.  
Want to understand why you're feeling them.  
Use your surface feelings to take you deeper into your repressed and hidden feelings.

The Feeling Way is the True Way.  
 Your feelings are your spiritual guide.  
 Your feelings will take you to God.

Your feelings will show you the truth of your relationships, including your relationship with God; and if anything is wrong, untrue and unloving, then why it is.

Our feelings are sacrosanct and we should respect them accordingly. And we should NEVER block them out, ignore, override, banish, deny or reject them, because if we do, we're only doing that to ourselves, as Our Feelings Are Our Self.

Our feelings are the gateway to our soul. Our feelings are the closest we can get to our soul. Knowing the truth of our feelings is knowing the truth of our soul, and knowing the truth of God.

Feelings First Spirituality is the True path for humanity.

It embraces all people.

It completely unifies the world.

Everyone can relate to everyone else through their feelings.

And we can all live the truth that comes from our feelings, all sharing the same truths as we express and have the same feelings.

No one need be left out; no one is more special than anyone else – we are all united in Truth through our feelings.

So with and through our truth we live our lives, therefore without the need of any man-made mind-laws, rules and restrictions that limit self-expression as inspired by our feelings.

The New Way, Feelings First Spirituality is what is to replace all man-made, mind-contrived religions that so many people have enslaved themselves to. The New Way, Feelings First Spirituality will set us free of all that control, ending the Rebellion and Default within ourselves as we do our Feeling-Healing, and ending such control and spiritual stagnation in the world.

Bring on the End Times – get it over and done with! Let's all see that Jesus is not going to come again, that Prophecy has failed all the mind-controlled platforms. Allow such false systems of belief to die their long-awaited natural death, they've overstayed their welcome, it's now time they fade away. So let us show such antiquated, erroneous systems of belief the exit and bring on the fresh liberation of discovering the truth of how we are to live for ourselves, each of us personally in our lives, and all by looking to our own feelings for it. Self-revelation through our feelings is the way to go.

The Way of the Mind is ending, and is really the End Times – the End of our mind control, and **it's about time!** With the Way of our Feelings replacing it.

The End Times means the end and therefore a New Beginning. And that new beginning is a whole new Spiritual Age – an age based on self-revelation of truth through one's feelings, coupled with and supported by higher revelations from the Celestial spirits, angels and nature spirits.

The Feelings First Spirituality is the True Way to God because it helps you get to know God, helping you to reach out, connect and be personal with God, and do God's Will, all through your feelings. It is the only true way of getting to know the God of Feelings – our beloved Heavenly Mother and Father, the Great Soul of Divine Love.

Love comes through our feelings and not our mind, as we've all been wrongly led to believe.

**The BEAUTIFUL MIRACLE:**

5 Oct 2012

**The DIVINE UNIVERSE**

The way in which the Spirit conveys the Divine Love into the soul is a beautiful miracle. The attribute of mortal soul prior to incarnation has to it, a potential within it that is part of its formed nature. After the soul incarnates this potential remains part of the soul and even if the forming personality is unaware of such a soul potential, the potential still exists. The Divine Love is entirely suitable in its energy of harmony to be the energy that a mortal soul can utilise. The Spirit covers the spirit body when the individual sincerely asks the Soul of God for the Divine Love and this covering of the spirit body is where the dynamic of this beautiful miracle takes place. From the internal longing of the individual for the Divine Love this activates the Spirit Law that activates the Spirit that is then attracted to the spirit body upon which the Spirit material of the spirit body draws the Divine Love in to its soul and this union completes. The key here is to gain a perceptive insight into realising that the spirit body is not an inert body but that it is living and has activity, recognisable from its first forming from the Spirit Law that materialises a spirit body. The Spirit and the spirit body to give an analogy are like two attracting magnets and when the surface of the spirit body is touched by the Spirit, this causes the automatic response of the Divine Love to permeate into the attribute of soul and so begins the transformation of energy from the natural into the Immortal Divine Harmony. If the individual continues the receipt of Divine Love, the energy that is Divine Love actively begins to change the soul and this is felt in the spirit body systems and can produce feelings of love and elation. The spirit-mind begins to change as all spirit body systems are affected by the changed condition now experienced in the soul as the soul becomes living and vital. In one's progression of this Divine transformation, the soul will mature enough from the amount of Divine energy it receives and at that moment the surface of the spirit body and the Spirit are continuously attracted to each other, then one is living in the presence of the Father in perfect harmony, and this clarifies the truth about what it means to be truly at-one with God.

### 665. The Shining toward Truth

[www.lulu.com](http://www.lulu.com)

It is I Matthew, a teacher of the Divine Love. I have communicated with you recently, now I desire to provide you with a visual description of the Love.

Imagine a continuous Energy shining light blue that is unbroken with a seamless surface that surround every mortal and Immortal spirit. Imagine if you were to become aware that this energetic field of light-blue Energy existed in its shining radiance just near where you are. Now that you are aware that this unbroken Divine Love is unified energetic field of living Love, by opening toward the Soul of God and aspiring for the Divine Love, the Acting Spirit gently brings a small portion of this shining blue Energy into your soul

The Divine Love that you have received remains part of this great Energy that the Divine Love is and even though this small portion of Divine Love, now within your soul, in its shining radiance and energetic cause, it is never separated from the continuous energetic field of Energy that the Divine Love is. Having partaken of this Energy it is with perception that one is aware that the Divine Love within one's soul is the same Divine Love that every person and spirit who has partaken of this Love, participates with. Even though in our individuality we partake of this Divine Energy, this Love is never broken away from the Source and Origin from which this Divine Love emanates.

The Divine Love is bestowed into our finite soul by the Acting Spirit, but this Spirit remains in contact with our spirit body and does not enter the finite soul to become part of our finite soul essence that we are. No mortal or Immortal spirit can manifest in their soul the Acting Spirit so that this Spirit – this Holy Spirit – becomes part of our existing finite spirit body. Only the Divine Love and its Energy becomes part of our finite soul, which causes the change to our spirit body. The Acting Spirit always remains its own attribute and never does a Celestial spirit claim ownership or take possession of the Acting Spirit within their soul. (The Holy Spirit / Acting Spirit is an instrument of the Source Soul, our Father.)

This is one of the wonderful Truths by which we who have been transformed by the Divine Love understand our personal relationship with the Father's ever-present Acting Spirit. The shining Energy of Divine Love is all around us and when we have partaken of this Love, part of our finite nature becomes independently shining in this true perfect Love.

I provide these words that may appeal to those who are visual and to express the universal appearance of the Divine Love and the personal touch when in contact with the Acting Spirit.

Matthew (Apostle)

**To liberate one's real self, one's will, being one's soul, is begun by embracing Feeling Healing, so as to clear emotional injuries and errors. With the Divine Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.**

### **EXPERIENCING RECEIVING DIVINE LOVE:**

**Be still and quiet; reflect in silence. Love is present. Keep asking, longing, and never cease: this is your part. It is your cooperation actively engaged that brings the transformation and continues the process.**

**You cannot see it; sometimes you will experience it as simple quietness and calmness. This is as pure and real as any other experience, whether demonstrative joy through laughter and dance, or other expressions.**

**Divine Love is present; it is always present. It does not fade or disappear. Rest, relax and breathe. Pray and wait.**

**Maintain daily prayer and meditation. When you do this you are building a home for the dwelling of the Divine Love. Your continual invitations establish an attitude of welcome to the Divine Love. These build a bridge for the Divine Love to carry you to new and higher levels of change and transformation: places of new realms for your soul growth and development.**

**The Voice of Divine Love**

~~~~~

As the receiving of the Love is always assured when longed for and asked for, the experience of receiving may become apparent by the occurrence of a warming embrace in the region of the third eye chakra, or with some, around the heart chakra region. This may be very subtle and gentle for some and may be for a few moments or extend for some time. Many do not physically feel the Love embracing them and this is totally fine, nevertheless the Love is being received.

On a few occasions, one may feel the love through the third eye region and then feel it expand as if it were to become a warming buzzing ‘hat band’ progressively expanding around one’s head. This can intensify and feel as though one’s cranium is about to pop off! Should this continue to intensify, then the sensation may flow down one’s main meridian to the base of one’s spine. Now that is something else! Relax and enjoy the great gift for this can be an experience that may continue for a short while or for quite some time.

Always, when one longs for the Love, it will shower over one’s body and be absorbed in through the spirit body chakras into one’s soul. Occasionally the Love will overflow from one’s soul and some will reside within one’s spirit body. At no time will you be discomfited. This light golden blue energy substance is the ultimate high octane super fuel gifted to us by our Heavenly Parents to us all.

# REVELATIONS

**Revelation 1:** Our soul becomes encrusted with harmful ways of life, plus negative and erroneous beliefs, these mainly stem from our childhood upbringing and environment. Thus we live untrue to ourselves, we become 'evil'. Whilst we hold to these injuries we limit the amount of Love that we can receive into our soul. To open our soul to the Love we must firstly and progressively embrace our emotional injuries and allow them to be released. Until we emotionally experience past errors and injuries we hold onto them.

To free our soul of damage and toxic emotions we must open ourselves to experiencing them. This is a progressive, slow and uncomfortable cleansing process that we must all experience. Only by addressing the generational injuries will we, as humanity, evolve in love.

To fully divest one's self of our badness, we have to 'go into' our feelings. Call this process of clearing toxic emotions as 'Letting Go', 'Emotional Processing', 'Journey Process' or 'Feeling Healing'. Embracing Divine Love then Feeling Healing becomes Soul Healing.

As part of our Feeling-Healing we will have to work our way into all our feelings to see if indeed they are coming truly from our heart and soul, or if they are being heavily influenced by our mind. And this will then lead us into questioning and uncovering the truth, if there is any, to our beliefs and why we behave the way we do; and is such behaviour based on truth, or is it based once again on untruth, belief, and rules of our mind.

**Revelation 2:** We can long for, ask for and receive the Mother and Father's Divine Love. The greater our soul is free of error and injury, the more of the Divine Love can be received and assimilated into our natural love formed soul. The Love does not free us of injury, however, it strengthens our resolve to continue on our journey to be free of error and injury, to step away from evil aspects that have been encapsulated within our humanness and soul. It is this Love, the Divine Love, that brings about immortality of our soul and it is this Love that will eventually fit us to enter the Celestial Heavens and progress for ever more onwards to Paradise. These two revelations free us from error and enable us to grow in love ever more.

**Immortality with the Love.**

# FEELING HEALING + SOUL HEALING

To heal one's self is to simply look to see what feelings we are refusing to let ourself feel, and accept them instead of denying them. And to fully accept them, one needs to express them, speak about them, let them have their say, rather than pushing them aside, refusing to let them make you feel bad.

Doing this all with the intention of seeking the truth of why you are feeling them, of speaking about and expressing all such feelings; all feelings you have, but ALL WITH the INTENTION of UNCOVERING the TRUTH THEY WANT YOU TO SEE ABOUT YOURSELF. And it's the wanting to see the truth of them that is very important, because if you just look to accept them and speak and express them, but not seek their truth, then that's all you'll be doing, speaking and expressing them, but not healing their causes, so not fixing the things within you that are making you feel bad. And it's the truth part of it, seeking the truth of your feelings, and so, seeking the truth through your feelings, that's vitally important. It's the truth of yourself, life, nature and God, that is the spiritual aspect to it all.

You CAN'T find the truth of yourself, or anything else, through and with only your mind. You HAVE to engage and look to your feelings. And so if you choose to allow your feelings to 'Show You the Way', then the truth will come as you express them. So to do our Soul-Healing consists of these steps, all of which are ongoing until it's done:

- **Admit you are feeling bad.**
- **Accept your bad feelings, identify what they are.**
- **Honour fully your bad feelings by expressing them, speaking about them to someone who is willing to hear you talk about them, or tell them out loud to our Heavenly Parents. Long for the truth of them. Long for the truth of why you feel bad – what deep within you is causing your bad feelings?**
- **And remember, bad feelings are Good! Not bad. They are not to be despised. And as hard as it is to accept them, they are still you, and a very real part of you. And if you persist in denying them and not allowing yourself to fully live them, then you are only going to keep yourself in your errors making things harder for yourself.**
- **All sickness and suffering, all bad things that happen to you, all your problems, all your addictions – your whole feeling-denying and untrue life, is all caused by your denial of bad feelings.**
- **Every problem in the world is brought about because everyone has been brought up to deny feelings, and in particular, most of their bad ones.**

If one is intent on spiritually evolving and growing in truth, then it's vital, and this is the key, that one looks to use one's feelings as the means to gain and have access to the truth of oneself. You CAN'T find the truth of yourself or anything else through and with only your mind. You HAVE to engage and look to your feelings. And so if you choose to allow your feelings to 'Show You the Way', then the truth will come as you express them.

Doing your Soul-Healing with the Divine Love, is really doing your 'Feeling-Healing'. We are designed — created — to be self-revealing of truth, and so we are all to uncover the truth within ourselves and for ourselves, and all being done by living true to our feelings. **If you accept, express and seek the truth of your feelings, then truth will come to you, and you'll grow spiritually. It's as easy as that. Also it is as easy as it is to long for, ask for and receive Divine Love.**

THE HEALING OF YOUR BAD FEELINGS THROUGH THEIR ACCEPTANCE  
AND FINDING THE TRUTH OF THEM, IS THE ACCEPTANCE OF YOUR  
NEGATIVE, REBELLIOUS, EVIL, IMPERFECT MIND AND WILL CONDITION.

To do our feeling-healing we need to become:

Aware of – Acknowledge – and Admit, our bad feelings.

So we can:

Accept – them and allow ourselves to Be them.

And then if we feel to, take:

Action – Express, speak and emote them.

Talk about them.

All being done whilst longing to, really wanting to, see the TRUTH of our feelings.

So it sounds simple.

So I repeat:

We accept our bad feelings by expressing – speaking about them to someone willing to listen to us and take us seriously. And as we speak we long for the truth of them – why we are feeling them – to be made known to us. And when we uncover and see the truth we are FREE! – healed of the causes that have made us feel bad.

Accept, Express – see the Truth, and you're Free!

ACCEPTANCE OF ALL YOU FEEL, THINK AND ARE, IS THE KEY TO DOING YOUR HEALING; THAT, AND WANTING TO SEE THE TRUTH OF ALL YOU FEEL, THINK AND ARE.

**Release one's pain through expressing one's feelings.**

# FEEL for TRUTH

The beauty of it all, is the truth comes to you through your own feelings. You don't need to be told it by anyone. You can work it all out for yourself. We are self-revealing of truth, it's how God created us to be, and by being it we'll feel the happiest we can feel. Truth is our great comforter, so when you feel it come up within you, ah it feels so good and you feel just right – perfect!

We know only how to deny feelings, now we can get to know how to accept them. And always with the truth being the most important part.

## FEELING TRUTH

If you don't want to uncover the truth of your feelings, then you can keep on expressing them forever but you will never fully heal yourself. Seeing the truth results in the Healing. And to see the truth you need to express all the pain out of you. The two things go hand in hand.

You can accept and express your bad feelings, letting off steam all day long, yet nothing will heal and nothing much will come of it. So this is where wanting your feelings to show you the truth of why you're feeling as you are is so important.

Don't go fishing with your mind, that will shut the truth out from rising up for you.  
KEEP YOUR MIND OUT OF IT. It's a feeling thing, doing your Feeling-Healing.  
(This is where we erred previously, and this how other modalities are in error.)

You long when you can, then stop longing and keep expressing. And at some point, and it might not even happen immediately, it might happen after days or weeks of expressing the same bad feelings, truth will come to you. And it does, it just comes up suddenly into your consciousness. You just know. You see the picture and you feel it's true. And you know it's true. And THEN your mind can come in and start sorting it out and putting in context.

It's the Truth that we are seeking. It's the End Point. The Reason for doing your Healing. You are to see the whole Truth of yourself. And to begin with, that's the whole truth of your unloving self, of your wrongness, of your evilness, of why you are as you are in your negative unloving mind-controlling state. To be able to fully accept yourself as you are, warts and all. To not fight or resist or try and change yourself, just to accept all you feel and all the truth of all those bad feelings you feel about yourself. And when you do, so you will be healed. You CAN'T heal yourself unless you uncover the truth of your pain, suffering and so the truth of all your bad feelings.

Through our Feeling-Healing we long for the truth of what we're feeling whenever we can. So as often as you can. You want, and REALLY WANT WITH ALL YOUR BEING, ALL YOUR WILL, to know why you are feeling bad. You yearn, want, long and beg and beg and BEG God to show you the truth of yourself through your feelings. So when you are expressing your bad feelings you can stop and long for the truth to show you what's going on, why do you feel so bad, and you can do it any time you think of it or feel to do it.

Notes from 'Feeling Healing' by James Moncrief

# Heartfelt TRUTH

## Our FEELINGS are our SUPREME GUIDES:

**Feelings are what guide us through our ascension of truth. So they are really our Supreme Guides.** Many people look for a person, spirit, angel, even God, for supreme guidance, however it's all right there already built in – in our feelings. **We just have to submit to them, allowing them to take us where they will, expressing all the parts we want to express, letting the emotion drive that expression if it's there to be expressed, or just talking about all we feel and how feeling that feeling is making us feel – or, how we feel about having that feeling, all whilst longing for the truth of our feelings.** Longing for the truth of our feelings is really: Longing for the truth of our self, because: we are our feelings. So life stirs up our feelings, we feel being alive; or, being alive means we are feeling, always feeling; and when we work out what and why we are feeling what we are, so then we know the truth of how we are. And over time the truth accumulates, and our mind expands our understanding of ourselves, all being driven from our feelings.

Kevin 26 Sep 2017

### **Using our feelings to uncover the whole truth of our negative or anti truth and anti love state.**

Kevin: So whilst we're of an untrue state, then all we have got to help us understand why we feel bad, why we are wrong, why we are negative and anti love and truth, is our feelings. So if we focus on our bad feelings, they will lead us to the truth of why we're feeling bad. Which will be the truth of what happened to us to make us be this wrong way, and how we took on the wrong way and keep it going making us feel bad.

## **FEELING HEALING**

**Note:** The vital difference between emotion and feeling is that emotions have their roots in the past, and feelings relate to the present moment. Emotions represent our feelings which were not previously expressed, and these accumulate with time.

**Note: Our feelings are soul-based. Our soul is always in truth. It is our soul based feelings, that when allowed to be freely recognised, we will begin to express and be who we are. This takes time and perseverance as we have encrusted our souls with layers upon layers of errors and false beliefs, it is these layers that will confuse the truth that our soul is conveying to us. Only by our progression with our Feeling Healing will our soul's expression of truth become clear and free of all cloudiness and contamination.**

“What our soul needs in accordance with our own, individual, **Soul-Light-Plan-Of-Destiny** (your life’s true destiny plan), They, being our Mother and Father, will give you as required. The only way we can know truly what we need is to honour and follow our true feelings. They, springing from our soul, literally telling us what we need, and so when we genuinely feel we need something, we apply our will to get it. The hard part is knowing if our feelings are true, and until we have done our whole soul-healing, they won’t be clear and totally true.” James – Introduction Course to Divine Love Spirituality

**LOVE  
is  
Feelings First Spirituality, The New Way**

*Feelings First Spirituality, The New Way* is a contemporary ‘religion’ based on living true to yourself through your feelings. Understanding that all you need in life is contained within your soul and is shown to you through your feelings. And by loving your feelings, by attending to them properly (talking or writing them out of you) and not denying them, you can use them to uncover the truth of yourself – the truth of your soul.

*Feelings First Spirituality* is not a formalised religion that tells you how to be, that is too controlling and is actually bad for you, limiting your spiritual growth. You can be wholly self-revealing of the truths you need to be, being the person God created you to be, all by living true to your feelings.

*Feelings First Spirituality* has no formal structure because we understand we don't need one, our soul contains within it all the truth of our spiritual ascent. If we look to our feelings for the truth they want us to see about ourselves, nature and God, then what more do we need! Our true spiritual path is the path our feelings will lead us down, that is, provided we allow them to. This is the most spiritual we can be.

#### Living the New Way of Feelings First Spirituality

You come to the understanding from your life experiences that how you are is not right, it doesn't make you feel good – that you are wrong in some way. And you want to change yourself, you want to become right, true and perfect – you want to be like God is.

#### *And to do this you need to do your Healing*

Your Feeling-Healing is looking to your feelings for the truth of yourself, the truth being hidden in many of the feelings you are not wanting to face in life. So you have to end your feeling denial, accepting all your bad feelings (and good ones), express them (yet not necessarily acting upon them), whilst longing to uncover the truth they are to show you.

Or, you can do your Soul-Healing, which is your Feeling-Healing together with including longing directly to God for God's Divine Love. When you receive the Divine Love into your soul, it will cause your soul to become divine, and it will deepen your personal relationship with God. Long with all your heart to God for God's Divine Love.

 Living the Rebellion and Default.

**Hell:**  
**Exploiting the Rebellion and Default.**

The Feelings are the doer; the Mind the teller. So we are to go with our feelings, which we can't be told to do with our mind. So the longing for the Divine Love, doing our Healing by expressing our feelings and longing for their truth, are all feelings and doing it with longing. Whereas the mind just wants to tell us what to do and how to be, no feelings in it, all how our parents have treated us.

## **WE are meant to grow up LIVING FULLY CONNECTED to our FEELINGS:**

Humanity has always had an awareness and involvement with spirits, with life on the other side, because we are all heading that way, we all end up dying and becoming one of the spirits, and were humanity living rebellion-free, then nearly everyone would enjoy some level of spirit involvement either directly or indirectly, loving such an expansive awareness in life.

**We are meant to grow up living fully connected with our feelings in our physical reality, and at the same time with full feeling awareness of spirits and life after death, because after all, God is the greatest Spirit of us all.**

And so having an awareness and involvement with spirits can, and should, help us have more of an awareness with our Mother and Father. And it's not with just spirits, it's also with the angels who are with us all the time, and the nature spirits should we be open to them, and even higher spirits if we are to work with them, such as the Melchizedeks or Trinity Teacher Pairs. But mostly for those people involved with the Divine Love, it will be with the Celestials spirit group that is assigned to help them.

It is very important to understand that spirits and spirit life is meant to be part of life on Earth. However that's not to say everyone need to have an ongoing relationship with their spirit friends, but they can at least still be aware of spirits and spirit life and where we will be going and something about what to expect once we die. And when you are open to it, lessening the grip of one's fears about it, then we will find it will be just another aspect or level of life, and one that can give us quite a lot of comfort.

## **TRUTH LOVING SOUL V ERROR INFILCTED MIND**

**Feeling  
Healing with  
Divine Love is  
the key!**

**To liberate one's real self, one's will, being one's soul, is by embracing Feeling Healing so to clear emotional injuries and errors. With the Divine Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.**

## NATURE and STAGES of FUSION:

**Seventh stage of Fusion** of individuality is the transition from the Eternal Spheres to the Spheres of Paradise. The individual is now fully fledged in their union with God and can travel around the entire soul Sphere that God is and resides in.

**Sixth stage of Fusion** truly demonstrates how the personality is infused with extended attributes of mind-spirit function as the individual progresses from the Celestial Heaven and enters the Eternal Spheres.

### Pre-Incarntional Sphere:

**First stage of Fusion** is the separating of the soul into two, each soul half being complete on their own.

**Fifth stage of Fusion** transpires when their natural love changes and one's soul progresses to the condition to be of Celestial soul quality, one enters the Celestial Heaven.

**Fourth stage of Fusion** involves the Divine Love. This can happen at any time during the natural life experience of the individual. Happens when the Immortal Divine Love enters the attribute of the soul for the first time, either when in the physical body state or spirit body state.

**Second stage of Fusion** is simply defined by the incarnation of the finite attribute of the soul to acquire a spirit body and living attribute of personality, which commences the finite soul's individualisation of mortal life experience.

**Third stage of Fusion** in a soul's life is its transition into the First mortal natural spirit Sphere. This stage is defined as the ending of the physical incarnation and the beginning of life in the spirit world.

One's natural

progressively  
perfected during  
this journey of  
evolution of the  
soul.

Upon embracing Divine Love at any stage, then one can progress through the Divine Love spheres 3, 5, 7, whilst also doing their Feeling-Healing.

Even though a person may have received Divine Love, they do not avoid compensation or doing their Feeling-Healing, so they may still spend time within the spheres of disharmony.

Natural Love  
sectors for those  
doing their  
Feeling-Healing,  
without the Love,  
are within the  
Natural Love  
Mansion Worlds:

Progressing  
through the  
natural love  
worlds, within  
Feeling-Healing  
sectors, while  
doing one's  
feeling healing,  
upon reaching the  
6<sup>th</sup> Sphere having  
completed  
Feeling-Healing,  
one can then  
embrace the  
Divine Love and  
proceed directly  
to the 5<sup>th</sup> Divine  
Love Sphere.

Then they may  
prepare to enter  
the Celestial  
Heaven Spheres  
from there.

This pathway is  
when the Divine  
Love is  
unavailable  
before perfecting  
one's soul.
