PASCAS INTRODUCTION:

Documents assembled by Pascas are provided for your individual assessment and exploration. The contents are sourced from a variety of avenues and publications. Every endeavour is made to determine that the contents are of the highest level of truth and veracity. At all times we ask that you go within yourself, to ascertain for yourself, how the contents resonate with you.

Pascas provides these notes and observations to assist us all in the development and growth of our own pathways and consciousness. Pascas does not hold these contents as dogma. Pascas is about “looking within oneself”. Much of what we are observing is new to most readers and thus you will take on board that which resonates with you. Further, you may investigate those items of interest and discard those which do not feel appropriate to you.

Kinesiology muscle testing, was developed by Dr. David R. Hawkins and quantified by his Map of Consciousness (MoC) table. MoC has been used to ascertain the possible level of the truth of documents. Such tested calibration levels appear within the document. We ask that you consider testing same for yourself. The technique and process is outlined within Pascas documents, such as Pascas Care – Energy Level of Food. From each person’s perspective, results may vary somewhat. The calibration is offered as a guide only and another tool to assist in considering the possibilities. In contrast, consider using the MoC technique to test the level of truth in your local daily newspaper.

The contents herein are not to be interpreted as an independent guide to self-healing. The information researched here and any information provided in this document should not be considered in lieu of consultation with your own physician, doctor, or other health care professionals. Pascas, nor anyone associated with this document, does not assume any responsibility whatsoever for the results of any application or use of any process, technique, compound or potion as described within this document.

Sources for these contents are noted throughout the document. In doing so, we acknowledge the importance of these sources and encourage our readers to consider further acknowledgement of these sources as necessary. Should we have infringed upon a copyright pertaining to content, graphics and or pictures, we sincerely apologize. In such cases, we will endeavour to make the appropriate notations within the documents that we have assembled as a service via our not for profit arm, to our interested community.

We offer all contents in love and with the fullness of grace, which is intended to flow to readers who join us upon this fascinating journey throughout this incredible changing era we are all experiencing.

Living Feelings First, *John.*

“Never can one man do more for another man than by making it known of the availability of the Feeling Healing process and Divine Love.” JD

Gift of Love and Peace

Dear Friend

10 September 2014

Much searching and investigation preceded being introduced to the Padgett Messages in July 2009. This was followed by many incredible events and introductions.

The transcribing of the Padgett Messages commenced on 31 May 1914, one hundred years ago, and they continue today. They are well structured and co-ordinated, delivering incredible understandings that are easily recognisable and can be assimilated into one's way of life without imposing upon any pre-existing practices. These gifts are essentially revealed in five main sets of publications:

The Book of Truths – incorporating the Padgett Messages edited by Joseph Babinsky	1914 – 1923
True Gospel Revealed anew by Jesus Vol I, II, III, IV by Geoff Cutler	1914 – 1923
The Revelations via Dr Daniel Samuels	1954 – 1963
Judas of Kerioth edited by Geoff Cutler	2001 – 2003
The Golden Leaf via Zara Borthwick and Nicholas Arnold	2008
The Richard Messages via James Reid	2012 – 2013
The Divine Universe via Zara Borthwick and Nicholas Arnold	2012 – 2013
Celestial Soul Condition via Zara and Nicholas	2013
Shining Toward Spirit Vol I, II, III by Zara and Nicholas	2014 – 2015
Family Reunion Afterlife Contact by Joseph Babinsky	2014 – 2015
Traveller, and Destiny via Zara and Nicholas	2014 – 2016
James Moncrief 10 major publications	2002 ongoing
These are available mainly through	
	www.lulu.com
	www.amazon.com

There are auxiliary publications adding to the depth and breadth of these teachings. They are universal, that is, for all of humanity.

The foundation of these teachings had been lost to humanity during the first few centuries of this Common Era. They were not understood and the copying of records during those past early centuries saw them altered, manipulated, and or left out almost in their entirety. Now they are available in much greater detail and understanding.

Man through his best endeavours and self reliance cannot generally grow in love and compassion without a great deal of effort and perseverance. This is clearly evident by the events that we hear and see daily. Not only that, observations of great tracks of humanity can now be readily obtained which clearly point out that two thousand years of progress has been very limited and lacking in many regions of the world.

Until we learn to ASK then we are not gifted with the Love that our Creator has for us. Our free will is never imposed upon, and until we ask for the Love then we remain in the state of relying on our naturally endowed love that we all have been blessed with.

Should communities, upon communities, come to understand that by simply earnestly longing for and asking for the Love that is never withheld from us when we so do, then we would see compassion and

tolerance grow for neighbours and companions within these communities, and their adjoining regions, and a relaxation of tensions that trouble so many would then follow.

No one is required to do anything. Should a person wish to embrace the gift of this Love, they need only express their longing to their Heavenly Parents, Mother and Father. This is all that one need do.

These teachings go on in great detail and expand on the nature of this Love. There are many, many recountings of experiences and explanations intermixed with the sharing of the truths that are provided without borders to who may benefit there from. Maybe more than 1,000 people have contributed to the compilation of these works over the past one hundred years, and these teaching continue to be received today. The process commenced on 31 May 1914 and 2014 completed the first phase.

Where should a person start to investigate this material? The Padgett Messages from 1914 – 1923 is the foundation of these teachings. However, The Divine Universe 2012 -2013 does complete the Messages from one hundred years ago and this record is purely spiritual in its nature without reference to any faith or sect, as are all of these works. The James Moncrief writings can be considered as a starting point.

Living with Love has resulted in a large number of Pascas Papers being assembled. These are accessible on www.pascashealth.com in the library section. A major source of material is www.new-birth.net

Why have these understandings not become generally known? Even today these documents have had little circulation. Most of the publications have been made only since 2009. It is only with the embracing of this Love that we as individuals can pull ourselves up by the bootstraps and step above the issues that cause so much pain within humanity.

“Pray direct to the Mother and Father for His Love, and receive all that is necessary for a great earthly happiness and for a joy unspeakable in the spirit world.”

Rev Fontaine from the 5th sphere – 1 July 1917 – Padgett Messages

It is through the efficacy of the Divine Love of our Mother and Father in the soul, which so reacts upon and transforms the soul that it loses its desire for harmful thoughts and deeds. The propensity towards error and sickness can now be eradicated through the Father’s Great Gift. For only our Parents’ love has the power to cause the errors and harmful endeavours of the human soul to be dispelled from it and to thus give man a new heart, free from error and transformed from the image of our Mother and Father into their very essence and substance. Divine Love is the one great thing in God’s Economy of Real Existence. Without It, all would be chaos and unhappiness; but where It exists, harmony and happiness also exist. All one need do is to earnestly and lovingly ask for it.

As one progresses on a journey of receiving the Love, slowly but surely, one begins to physically experience these events. Each person has a different experience, but progressively these events are felt physically. Many people do receive the Love and do not know what it is and its significance. Now we have comprehensive teachings to enable an understanding. Further, there are many people around the globe who are willing to share their experiences with you.

Thank you for the opportunity to share this with you, love and blessings
John

U-TURN for HUMANITY:

Why are we doing a U-Turn?

We are doing a U-Turn **because** the year 2017 heralded the end of the Rebellion and Default. For two hundred thousand years, humanity has been going in the wrong direction.

What is this fundamental step that will change our way of living?

We are to come to understand / know the foundational cause of all our feelings, both good and bad. As we explore and investigate our feelings, each time they arise, one by one, we are to talk them through, express them to a companion or friend or anyone who will listen. As we express them, while at the same time coming to understand how they have come about, we will find that they will be resolved and that they will not come up again.

**Feeling
Healing with
Divine Love is
the key!**

We will find that all of our feelings / emotions have their foundations from our childhood. And by childhood, that is from the time of one's conception all the way through to about the age of six. It is the repression of our childhood feelings that is the base or foundational cause of each and every one of our adult personality issues, pains, difficulties, illnesses and distressful life experiences.

We have to see the whole truth of our negative or self-denial state, before we can heal it and be free of it.

The vital difference between **emotions** and **feelings** is:

- emotions have their roots in the past,
- feelings relate to the present moment,
- emotions represent feelings not previously expressed,
- and these accumulate over time.

Many emotional clearing processes encourage us to look into our feelings, however, none go so far as to drill down into the core foundation of any emotional feeling to the point that we strive to KNOW the core issue, the origin of the feeling, be it good or bad, and actually come to know what it is!

The *Journey Process* is generally known worldwide. It stops short of longing to know, that is asking for the knowing of the events that brought about such a feeling. Yes, we are to acknowledge the feeling, say being angry. Then accept that behind that anger is the feeling of being small, and then look at the underlying reason of why we are feeling small. What is the truth behind that feeling? Ask our Heavenly Parents what is behind all of this feeling. What is the foundation, the origin of the feeling? All the time talking it out, expressing it, with a friend. The expressing of the experience is the release of the emotion / feeling, this is what removes it for ever from within our essence, our **soul**.

Why ask our Heavenly Parents? I thought God was just God – singular?

This is part of the revealings that have been unfolding for us very recently – that is – since 2002.

We are made in the image of God. This has been understood for centuries, for 2,000 years. Our soul is duplex. Our soul expresses itself through two personalities. One soul ‘subdivides’ into two, one half always being female and the other half always being male. We are a reflection of how God is. God being one Soul is expressed as Mother and Father. God is two personalities. They are soulmates. And each of us has a soulmate, and our soulmate is always of the opposite sex, because the Mother and Father are the opposite sex.

Thus, when we long for the truth behind a feeling, then we can long to our Heavenly Mother and Father. Only they can tell us. No spirit personality can tell us. No canonised saint can tell us, we may as well ask our next door neighbour. That would be just as productive. Mary and Jesus can’t tell us, as they are also spirit personalities.

I was taught that Jesus was God? And what is this about Mary?

Mary of Magdalene and Jesus of Nazareth were both born free from sin. Neither of them are God. They are both children of God, just like you and me.

History needs to be corrected. Both Jesus of Nazareth and Mary of Magdalene became at one (At-One) with our Heavenly Mother and Father during their physical lives here on Earth in the first century; Jesus in the year 26CE and Mary in the year 33CE, or thereabouts. Jesus died aged 35 (born 7BC died 29CE), and Mary died aged 47 or 48 (born 2BC died 47CE).

Further, their sojourn on Earth was the completion of their process to become the full Regents of the sector of planets that is referred to as Nebadon. The region within our super-universe that is referred to as Nebadon contains 3.8 million inhabited planets. If you look into the night sky, each star / sun potentially has between none to three inhabited planets within its orbit. Within Nebadon, the soulmate pair, namely Mary and Jesus, are our Spiritual Teachers of Truth. Their domain is all 3.8 million physical planets plus their associated spirit worlds. Each physical world has seven associated spirit worlds, which is the case for Earth being one of the 37 that have rebelled.

Some 200,000 years ago, Lucifer with his soulmate and his deputy, Satan with his soulmate, brought about a rebellion on 37 of the inhabited planets within the region called Satania, one of the local universal systems of Nebadon. Earth compounded the situation through the Default of Adam and Eve about 38,000 years ago. Thus the population of Earth, being in the worst condition through the Rebellion and Default, became the location for Mary and Jesus to have their physical experience to complete their ascendancy to full Regency of the local universal system being Nebadon.

Their lives on Earth was the start of the unravelling of the Rebellion and Default. Upon Jesus becoming At-One with our Mother and Father, he was then vested with the authority and power to have the Lucifers and Satans arrested, and they now reside exiled within a prison world.

Notice that there were no records of Jesus and Mary’s teachings and experiences made during their physical life. That was because they did not specifically come here for us, they came for the benefit of all peoples of all planets and spirit worlds throughout Nebadon.

As they are Paradise descending spirits, they have **Spirits of Truth**. Upon Mary and Jesus' death, they released their Spirits of Truth. As spirits, Jesus and Mary are how we will be, once we've finished our Soul Healing. They can only be in one place at any one time. However, it is their Spirits of Truth throughout Nebadon that we can connect with for guidance. It is through their Spirits of Truth that spirit personalities can progress through and out of Nebadon.

Those planets that have Rebelled need further assistance, and they need it on a localised manner. This can only be provided by another bestowal of a **Paradise Pair**, and that is in the form and manner of an **Avonal soulmate pair** who come here specifically for us.

What is the purpose of an Avonal pair, and are they here on Earth?

Unlike Jesus and Mary who were always free from sin and did not experience how to heal themselves, the Avonal pair are to experience all of the extremes of evilness and then proceed to heal themselves. Mary and Jesus through their bestowal on Earth ended the Lucifers spiritual rebellion in Nebadon; the Avonals bestowal is primarily concerned with ending the Default of Adam and Eve by the Avonals themselves personally healing the effects of such a damaging Fall.

The soulmate Avonal pair are to be, and have been, subjected to the extremes of childhood suppression and repression, and then, through their Feeling Healing, are experiencing all the facets of emerging truth as they slowly progress through a protracted and difficult healing process. As they reach specific milestones, this also enables those in the Celestial Heavens, (the three worlds where Celestials reside) to be empowered to assist us in the physical on Earth.

The first considered milestone was the arresting and imprisonment of the Caligastia soulmate pair and the Daligastia soulmate pair. After the arrest of the Lucifers and Satans in the first century, as nothing further occurred, the Caligastias and Daligastias continued on from spirit as if they were kings and queens, suppressing all of humanity and with plans to take over the universe. It was possibly in the early 1990s that they were 'judged' and 'removed'. They were caught unaware that an Avonal bestowal pair were on Earth.

How is all this becoming known? Has Jesus and Mary communicated directly to Earth?

Unlike in the first century, when no records were kept (as the event related to all of Nebadon and it was actually setting the stage for the Avonal bestowal pair to arrive on Earth), every effort to retain records in great detail of this current series of events is now being attended to. Consider this. The New Testament of the Bible is some 300 pages. The records of the Second Coming, which this is, the primary records are possibly 6,000 pages, with direct complementary records increasing that to over 10,000 pages and with all the supplementary records to date, there may be as many as 40,000 pages, certainly well over 30,000 pages of material presently.

Jesus directly communicated through James Padgett from 1914 to 1923. Mary of Magdalene (Mary M) has directly communicated through James Moncrief from 2002 and is ongoing. Jesus has also communicated directly through James Moncrief. Neither have ever directly communicated through any one else, however, some Celestial Spirit personalities have provided information through other

personalities on Earth with the support and approval of Jesus and Mary, thus some confusion, though the quality of the information is very reliable.

You say this is the Second Coming? You say I am living during the time of the Second Coming?

Yes you are. And it's more than that. This is the Second Coming, the End Times and the Handover!

In fulfilment of the prophecy in the first century, the Second Coming commenced on 31 May 1914 through the writings with James Padgett and concluded in 2014 through the writings with James Moncrief.

The End Times are well advanced. Mary and Jesus are well advanced in handing over their direct involvement with Earth to those within the Celestial Heavens. When this is completed, the Handover will also occur. **The Hand Over is to the Avonal Bestowal pair** and it is they who will guide the population on Earth through their Feeling Healing processes for the next 1,000 years, being the next spiritual age. The Handover will take place after the Avonal pair complete their personal Healing of the Rebellion and Default. Then will follow with their Spirits of Truth being officially liberated in alignment with Mary M and Jesus' Spirits of Truth upon their death.

Major events have occurred with the progression of the Avonal pair's Feeling Healing, which they are also doing whilst embracing our Heavenly Parents' Divine Love, thus they are doing their Soul Healing.

Early 1990s:	The arrest of the Caligastia and Daligastia soulmate pairs.
22 March 2017:	Negative spirit influence was blocked.
31 March 2017:	Angel assisted healing will become available upon the Avonal pair completing their own Feeling Healing, being with Divine Love, thus it being Soul Healing.
22 May 2017:	Law of Compensation quickening.
2 December 2017:	Psychic Barriers maintaining the Rebellion and Default were cracked.
8 December 2017:	Bring on the money to 'house the future of humanity' .
31 January 2018:	Earth and the seven associated Mansion Worlds (including the two Earth planes) are officially now fully under the control of Celestial spirits. This marks a tangible and real end to the Rebellion and Default.

How does this all fit into our future way of living?

This time, in the history of humanity, is the most exciting time ever experienced.

The whole human race is suffering from repressed childhood and mind control.

Through one's Feeling Healing, and should we embrace our Heavenly Parents' Divine Love, then with their Love we are doing our Soul Healing, and eventually we can live totally in accordance with our soul based feelings and live free from error – no more fear and no more physical illnesses is possible!

By living true to ourselves, true to our feelings, we are living true to God. It's that simple.

Our soul is always perfect. In fact, we are the complete package. All that we need to know is within our soul. This knowledge has been denied from us since the time of the Rebellion and compounded by the Default. That is what was brought upon us by the Lucifers and his cohorts. We have always been meant to live true to our soul based feelings but we were taught to embrace our error riddled mind – this was aided by our parents – unknowingly all parents have taught their children to be mind dominant. **This is the Great U-Turn. We are to feel and live by our feelings and express our feelings, our mind will follow in support, not the other way around.**

“Many people look for a person, spirit, angel, even God, for supreme guidance, however it’s all right there already built in – in our feelings. **Feelings** guide us through our **ascension of truth**. So they are really our Supreme Guides. We just have to submit to them, allowing them to take us where they will, expressing all the parts we want to express, letting the emotion drive that expression if it’s there to be expressed, or just talking about all we feel and how feeling that feeling is making us feel – or, how we feel about having that feeling, all whilst longing for the truth of our feelings. Longing for the truth of our feelings is really: **Longing for the truth of our self, because: we are our feelings**. So life stirs up our feelings, we feel being alive; or, being alive means we are feeling, always feeling; and when we work out what and why we are feeling what we are, so then we know the truth of how we are. And over time the truth accumulates, and our mind expands our understanding of ourselves, all being driven from our feelings.”

Kevin of the 1st Celestial Heaven 26 September 2017

(Kevin Cooper died 10 August 2012, through Feeling Healing became Celestial on 7 August 2017.)

It is through the assistance of the Spirits of Truth of the Avonal Pair, upon the completion of their Soul Healing, that we will be guided through our Feeling Healing process, and should we embrace our Mother and Father’s Divine Love, then our Soul Healing.

Then should we embrace Mary and Jesus as our Spiritual Teachers of Truth, their Spirits of Truth will lead us on the path through the Celestial Heavens where we will certainly meet up with our soulmate and join our soulgroup, which will eventually consist of twelve soulmate pairs. Then as a soulgroup, the Spirits of Truth of Mary and Jesus will lead us up through and out of Nebadon towards Paradise.

It is then our Mother and Father in Paradise who draw us to them and we will eventually meet our Heavenly Parents.

Meanwhile, while we live on Earth, we will have assistance and guidance previously denied to us throughout the era of the Rebellion and Default. Under the Contract controlling and managing the Rebellion and Default, the powers and capabilities of our Celestial Heaven spirit personalities, all three worlds of them, were heavily restricted and almost of no assistance to us at all. Further, Nature Spirits and our Angels were heavily denied contact with us physical people because of the Rebellion and Default, all of which is soon to change, so we can look directly to them for help concerning healing ourselves and understanding all aspects of nature.

As we embrace our Feeling Healing, Celestial spirits will and can greatly assist us. In fact, during the year of 2017 they have blocked all mind spirits from the Natural Love Mansion Worlds: 1, 2, 4 and 6 from interfering with us. Celestials have taken control of all facets of living and life on Earth. Celestials are those spirits who have completed their Feeling Healing and progressed through Divine Love Mansion Worlds 3, 5 and 7 and now live in the higher Celestial Heavens, 1, 2 and 3 (when we

become At One with our Heavenly Parents then we leave the Mansion Worlds and progress through the next three spheres related to Earth, hence the Celestial Heavens are also referred to as being numbered 8, 9 and 10).

The Nature Spirits of Earth, who live in the third Earth plane, can now directly interact with those who are embracing their Feeling Healing. Nature Spirits are essentially ‘angels in waiting’. They have been on Earth prior to anything that we now see living in nature. When they first started to arrive, there was no life in the seas or on land. They have consequently witnessed everything that has happened on Earth, including all prior human civilisations that we continue to largely remain ignorant of. Their knowledge and assistance is of great importance to us. We are to interact with them on an ever increasing scale. They are to become an invaluable source of information for us concerning how we are best to live with nature.

Further, we may become more aware of our **Indwelling Spirit**, which arrives for each of us during our sixth year, as we now progress with our Feeling Healing, or with Divine Love, our Soul Healing.

And all of this is possible as we embrace our Feeling Healing process, acknowledge and accept the Avonal pair, acknowledge and accept our Spiritual Teachers of Truth, namely Mary and Jesus, and more importantly, grow to love our Heavenly Parents, our true Mother and Father.

We do not need intermediaries, rituals, liturgy, dogmas, creeds, fancy clothing, or institutions. It is our soul based feelings and expressions that we may exchange directly with our Heavenly Parents. Groups may form to assist each other, and that is choice and within our free will.

This is the greatest event in the history of humanity.

This is the Great U-Turn that humanity will embrace throughout the next 1,000 years. MoC 1,480

Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God's soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of your Mother and Father.

Note: Following the writings of James Moncrief, one could consider that any reference to the Father, by other relevant writers, may be read as a reference to 'our Mother and Father'. Further, when considering soul healing, then reference to Divine Love could be referred to as 'Feeling Healing with Divine Love'.

PARADISE TRINITY:

1. **Our MOTHER and FATHER (God) (MF) – Divine Love**
SOUL (God) – One SOUL that is expressing its two PERSONALITIES, our Heavenly Mother and Heavenly Father (Soulmates)
2. **ETERNAL SON (ES) – Divine Truth**
3. **INFINITE DAUGHTER (ID) – Divine Mind**

Then: The Second and Third Persons of the Paradise Trinity (ES and ID) are stepped down to the local universe trinity (Mary and Jesus, Divine Minister (DM), and her Holy Spirit.

The LOCAL UNIVERSE TRINITY:

1. **MARY M and JESUS (MF) – Divine Love**
– the Living Truth
2. **DIVINE MINISTER (ID) – Divine Mind**
– Mind (and her Holy Spirit)
3. **HUMANITY – Natural love, sons and Daughters – Truth, and our Angels – Mind**

PLANETS that engage in REBELLION:

1. **AVONAL SOULMATE PAIR** – the Feeling Healing process – incarnate
2. **DAYNAL – TEACHER PAIRS** – they do not incarnate

So in summary:

Consider a diamond:

Mother and Father Heavenly Parents

Creator Son & Daughter
Jesus and Mary

Avonals
as soulmate pairs

Trinity Teachers
as soulmate pairs

Melchizediks – who have taken over from the Caligastians and Daligastians being also all as soulmate pairs.

Mortal Souls – human beings who individualise on Earth, then progress through the spirit Mansion Worlds, then into the Celestial Heavens, and beyond.

Mortal Souls – also being ascending spirits, upon completing their Soul Healing, join with their soulmate, then join their soul group of 24 mortal spirits, being 12 soul pairs. It is only as a soulgroup that anyone can progress beyond Nebadon.

The Paradise Pairs are all ONLY concerned with the SPIRITUAL wellbeing and upliftment of the planets and local universe. Currently to do with Earth:

Mary and Jesus – spiritual wellbeing and upliftment of the whole of Nebadon region.

Avonal Pair – Daynal pairs (Trinity Teacher Daughters and Sons) – Spiritual wellbeing and upliftment of individual planets and their associated Mansion Worlds.

The Local universal Sons and Daughters are all about the running of the worlds under their jurisdiction, and ensuring the higher spiritual elements can be employed, or sent astray, as in our cases through the Rebellion and Default.

Lanonandeks – Melchizedeks (and others, such as Life Carriers and Eve and Adam).

As the Lanonandeks all rebelled – the Lucifers, Satans, Caligastias and Daligastias soulmate pairs – so the Melchizedeks have taken over their roles, as well as doing their own.

So the Melchizedeks are the governors, overseers, the administrators and advisors and so on for Earth; they are the ‘controllers’, and they will instigate all that needs to be done to do with the ending of the Rebellion and Default. And they will enlist the willing help of ascending mortal pairs, so the mortal Celestials spirits (soulmates when available, and others waiting to unite with their partner), and at times mortal spirits in the Divine Love Healing Mansion Worlds. And the angels help all of us.

Currently the whole of Creation exists for the ascension of mortal souls from their earth planets to Paradise. It’s all one vast Grand Ascension Scheme. With all the higher and lower spiritual Daughters and Sons, together with all the many different angels and other universal spirit personalities, and even including nature and our very own pets, assisting women and men with their Ascension Journey. It being: and Ascension of Truth. Everything we do is done to help us grow in truth. (Only everything we do in our negative state is to deny ourselves our truth from our feelings, which is why we have to do our Healing.) All women and men are ascending (or growing) in truth through their experiences. And as we grow in truth by looking to our feelings to show us that truth, so we’re ascending, moving inwards and upwards through all the worlds and spheres of the Grand Universe to one day arrive on Paradise and meet our Heavenly Parents. God is providing us, Their children, with this spiritual journey called our Ascension of Truth. And by living true to our feelings, so we are progressing on our true Spiritual Path – our Ascension Path.

CREATION of SOUL and SPIRIT:

God is *The Paradise Trinity* — the eternal Deity union of the Personalities: the Universal Mother and Father; the Eternal Son of Truth; and the Infinite Daughter Spirit of Mind.

The soul of each human personality (sons and daughters of truth) is existential, driving our personality expression in the experiential. The soul of each human finds truth by embracing one’s feelings and longing for the truth of them. We are to attain the Eternal Son of Truth. We are a creation of Truth.

The soul of angels is experiential, evolving through their experience by continually progressing in mind development. Angels are to attain the Infinite Daughter (Spirit) of Mind. Angels are a creation of Mind. Our soul is duplex (we have a soulmate) and is created by our Heavenly Parents. Through our Feeling Healing we perfect ourselves enabling the union with our soulmate, as we progress in truth up through the Mansion Worlds, celestial heavens and all the way to Paradise.

The soul of angels is also duplex, yet of the mind, and they progress in mind evolution to Paradise. Animals, plants and nature spirits are also creations of Mind.

Neither we nor animals reincarnate. We never die; upon death, we move into the spirit Mansion Worlds on our journey to Paradise. When animals and plants die, be they the tiny microbe to the mighty elephants of the land and the whales of the ocean, their spirit energy returns to the Spirit Collective

Energy. And from this energy are drawn other animals and the nature spirits, who then in turn move onto becoming angels through increasing mind experience.

A nature spirit is an angel in waiting.

WE ALL ARE BEING GUIDED HOME:

We need the Spirits of Truth of the Avonal Pair to Heal ourselves; then once Healed, (and for support (overshadowing) as well through your Healing), we need the Creator Pair, Mary Magdalene and Jesus’ Spirits of Truth to see us through the Celestial spheres, while at all times embracing our Heavenly Mother and Father.

Until Mary and Jesus died and liberated their Spirits of Truth, no one from any of the worlds could leave Nebadon, because no one knew the way to do so. Nebadon is our local universe containing some 3.8 million inhabited physical worlds and their associated spirit worlds.

When we embrace the truths Mary and Jesus are revealing, and start to do our Feeling Healing, or with Divine Love, Soul Healing, we are then freeing ourselves up from our parental and self control.

Thus our journey to Paradise, to the home of our Heavenly Parents, is of our choosing as to when we progress, however, there is only one way:

HUM: Humanity is to ascend. We are self contained. Our soul is always in truth and perfect at all times. **By living true to ourself, true to our feelings, we are living true to God. It’s that simple.**

We are to recognise that being engaged and dominated by our mind is the wrong way for us to evolve and grow in truth. We are to discard the mind enslavement that has been imposed upon as by all of our parents. We are to express our feelings, both good and bad and free ourselves of the indoctrination that humanity has embraced worldwide.

Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God’s soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of our Mother and Father.

AVO: We are to embrace the truths and guidance of the Avonal Pair through their Spirits of Truth. It is the Avonal Pair’s guidance that will lead us through our Feeling Healing, and with Divine Love, we will be able to ascend through the 7 spirit Mansion Worlds and enter the Celestial Heavens where we also interact with other world’s spirits.

J&M: We are also to embrace the truths and guidance of the Paradise Pair, Mary and Jesus, who will then lead us through the 3 Celestial Heavens that are aligned with Earth, and then further on through Nebadon where we will then depart beyond on towards Paradise.

M&F: Beyond the universal zone of Nebadon, we will be guided by our Heavenly Mother and Father onwards through the universes to Paradise where we will be welcomed by them, home for us all, as we are all Children of God.

WE ALL ARE BEING GUIDED HOME – NOW, HOW TO COMMENCE THE JOURNEY:

GOD

M&F

For 200,000 years, we have been misled into embracing our mind's distortion of wisdom and truth. All such traditional understandings only lead us in the wrong direction, from which we must turn back from. Our soul based feelings are always in truth. Our minds are to follow our soul based truths and feelings, not the other way round, as we have been brought up to embrace.

We are to connect with our deeper repressed feelings.
We are to long for the truth of what we are feeling.
We are to live true to our selves; by living true to our feelings.

Use your surface day-to-day feelings to connect with your deeper repressed feelings. Express your surface feelings and your deeper repressed feelings to uncover the truth of yourself.

J&M

We all have feelings which we communicate and share with each other. And we all have deeper buried and hidden repressed feelings. Feelings from our early childhood we felt, yet weren't allowed to express. These feelings are still within us, waiting to have their say. These feelings, because they are repressed, cause us all our problems.

And as we look to uncover, bring out and accept these deeper feelings, so we're taken into new ways of looking at ourselves, our feelings, and our life. We're setting ourselves free of the controlling patterns that govern our unloving behaviour.

In this way, we progressively begin to express the personality that our Heavenly Mother and Father gave us, not the one imposed upon us by our physical parents and carers. We are to be our true and real selves.

By living true to ourself, true to our feelings, we are living true to God. It's that simple.

AVO

HUM

As we, humanity, long for the truth of our feelings, we can also be assisted by the Spirits of Truth of the Avonal Pair who are our spiritual teachers for Earth over this coming 1,000 years, to assist us through the Great U-Turn, away from mind dominance to being soul based feeling lead. They will assist us through the seven levels of the spirit Mansion Worlds.

Then the Creator Pair, Jesus and Mary, will lead us through Nebadon and into the greater universe. Then our Heavenly Mother and Father lead us home to Paradise.

Collectively, should we embrace them all, as we are to, then our pathway home is a journey in the hands of the Spirits of Truth of the Avonal and Paradise Pairs overseen by our Heavenly Parents.

WE ARE Children of God

HOW TO GET TO PARADISE:**Long for the Divine Love****Long for the Truth****Long for the truth of your feelings****Don't deny any feelings: accept, express and want to know the truth of them****Know your feelings are the key; your feelings are the Way****Want to end your falseness and being untrue****Want to understand the truth of your early life****Use your surface feelings to move deeper into yourself, bringing up your repressed feelings****Want and long to know the whole truth of yourself****Want to do it all with God, your Heavenly Mother and Father – long to Them for help.****The Key**

Our longing drives our life. We long with feelings. We can wish for things using our mind, yet long for things with our heart. These things in the pyramid are what to long for. Longing for them, when the longing comes naturally. Longing because you feel you really want them. Long to be true with all your heart. Long to live true to your feelings. Long to understand the whole truth of yourself.

LONG for the TRUTH!

Above all else, “Longing for the Truth” has not been recognised by humanity. True Prayer is not asking with the mind; it is a longing from the soul. Should we long for the truth then we will be told. This is how we ascend. Earnestly desire to know the truth and it will be revealed to us.

Our soul, our real self, already knows the truth and the answer we are seeking, the truth will come to our awareness through our feelings. Our feelings are soul-based.

Our mind cannot determine what is truth from what is false. Our mind is addicted to being in control and will lead us according to its agenda, all to our detriment. This is what man has embraced for the past 200,000 years – now the mind is to be subjected to our feelings. Accordingly, our mind will learn to assist our feelings.

Longing to our Heavenly Parents for truth will bring about the understandings we are seeking to achieve.

Long for the truth behind any feelings, both good and bad, and we begin to peel off and escape from our childhood repression and suppression, thus escaping from the generational cycle of errors that have been passed from parents to their children, thus continuing the cycle of error and harm. ALL children are harmed in this manner.

Through longing for the truth behind our feelings, both good and bad, we start to bring about harmony and peace to our self, which eventually flows onto our family, then our companions, then our overall community and then country. **This is how harmony will come to all of humanity and peace will prevail with war being set aside. This is what the Great U-Turn will bring about.**

Longing for the truth is the only way that we will come to understand the cause of any physical discomforts, pains, diseases and illness. It is by expressing the understandings of what one is feeling about any emotional event or issue so that we release from our essence the negative energies relating to these feelings arising from past events, particularly those from our childhood forming years. The harm that we each endured during our childhood forming years has set the pattern, at all levels, for our adult life.

In a variation of those inimitable words uttered by Jack Nicholson, “You CAN handle the truth!” This is how humanity will heal itself and bring about peace for each personality and humanity overall.

By living true to ourself, true to our feelings, we are living true to God. It’s that simple.

A Summary of Teachings 100 Years.

http://new-birth.net/the_life_and_teachings_of_jesus_of_nazareth.htm

These teachings are not complex, but when read with a strong background in orthodox Christianity, there is so much Christian doctrine that is challenged, that it can be hard going for one to get the overall perspective. And one cannot really judge a theology without seeing the whole picture. The late Rev R. B. Caddle delivered a series of lectures that have been turned into a summary presented here. While still somewhat lengthy, it has the virtue of giving each topic some coverage. A shorter approach might just be to read [what Divine Love Christians believe](#), as that is almost capable of being set out on one page.

The summary is reproduced below, and the complete original booklet can be [downloaded as an electronic booklet](#).

**Firstly, consider discovering the truth of your emotional pain through Feeling Healing.
Secondly, consider longing for our Heavenly Parents' Love as you progress with your healing.
Primary and most important readings are the writings of James Moncrief.
Then consider the Padgett Messages, and then The Urantia Book.**

God is God, who is our Heavenly Mother and Father, being SoulMates. There is only one Soul that is God's Soul, that being the Soul of our Mother and Father. Our Heavenly Parents are the First Soulmates; The Two Who Are One who have brought us all into being.

Jesus and Mary are a son and daughter of God.

Jesus of Nazareth and Mary of Magdalene, being soulmates, were both free of sin. Jesus and Mary, combined in their love for us, are our teachers and guidance for us to find our way home to our Heavenly Parents. To start this journey we are to liberate our souls from being entombed within our suppressive minds, through feeling and longing for the truth of our feelings via our soul and peel away our injuries incurred since conception.

Give yourself time to consolidate your relationship with the Mother and Father through the partaking of Their Love. And whilst you are doing this, you can learn about your healing, all that's involved with it, as there are many willing spirits to share their healing experiences with you.

When you are ready it will start happening simply because you will want it to, it all being orchestrated by your soul. And when that time comes you will have developed a strong foundation in your relationship with the Mother and Father for you to work from. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

It is to make longing for God's Love the priority, and then do one's healing; should one want to include God and the Divine Love in one's feeling healing. This is doing your soul-healing as you are seeking to heal your soul of all evilness – of that which made you become evil, and release all the hurt and pain of not being fully and truly loved.

WE ARE Children of God

DIMENSIONS of ONE’S EXISTENCE:

Our SOUL IS NOT ENSOULLED IN OUR SPIRIT BODY. Our soul exists existentially in a whole different level or plane or place or dimension of being – ‘soul land’. It doesn’t exist in Creation, it’s not experiential like Creation is. The soul, all souls, help create their part of Creation by expressing their personalities into Creation, and then by having their personalities do things (further create) in Creation.

SOUL exists existentially

Our Physical Body and our Spirit Body are of Creation, being linked together by cords of light as are the two spirit bodies, male and female, to the one Soul.

One’s unique personality is soul based. Our unique soul expresses its unique personality through the two spirit bodies and physical bodies expressing both the male and female aspects.

P E R S O N A L I T Y

Our soul is the centre of our personality. We are children of our Heavenly Parents. Our soul manifests a male and female personality - it is a duplex!

THE LIFE AND TEACHINGS OF JESUS OF NAZARETH

<https://new-birth.net/padgetts-messages/a-summary-of-these-teachings/>

Based on a lecture by Rev. R. B. Caddle (deceased).

He Was Descended from the House of David.

Jesus of Nazareth, beloved elder brother and divine leader to many, was born Jeshua ben Yusef. When rendered into the English language, his name becomes Joshua, the son of Joseph.

His birth took place in the eastern Mediterranean country of Palestine during the reign of the emperor Caesar Augustus, who ruled the Roman Empire from 29 BC/BCE to 14 AD/CE. At the time of his birth, a despot king named Herod had been appointed by the Roman government and was on the throne in Palestine.

Jesus was the first-born of a young Hebrew couple whose names were Mary and Joseph. Joseph was a successful carpenter by trade and was not considered a poor man, nor was he a peasant or a man of the people. He was, in fact, a descendant of some of the great kings of Israel, notably David and Solomon, and he enjoyed a very fine social position. He was a devout Jew, a Pharisee at heart who sought to uphold the Jewish traditions based upon strict observance of Hebrew law.

Joseph and Mary were legally married and, contrary to today's prevailing belief, Joseph was not an impotent old man. Nor had Mary been visited by an angel of the Lord telling her that she would conceive a child by the Holy Spirit. They never felt that Jesus was not their own child; he was conceived and born exactly like other babies – in accordance with God's laws of reproduction. Thus, he was not born of a virgin; yet, he was born pure of heart and free of sin.

His birth took place in the small town of Bethlehem, in the region of Palestine called Judea. He was born shortly after midnight on January 7, (actually August 7BCE) by the western calendar, and not December 25, which is the day generally observed as his birth date in the western world. He was born in a stable, not because his parents were without funds to pay for their accommodations, but simply because it was a time of census-taking and there was no room available in the local inn.

In keeping with Jewish tradition, Joseph wanted to celebrate the birth of his first-born and went out into the street and nearby countryside to look for others who might join him in welcoming a newborn son (this being the custom). And so it was that shepherds appeared and joined with Joseph in offering songs of praise and thanksgiving to God for the safe delivery of Mary and the well being of the child, Jesus.

Two years before his birth, an unusually brilliant star had appeared in the eastern heavens and was observed by three astrologers who interpreted the appearance as the sign of an important event. The Magi, or Wise Men, as they are now called, were familiar with the Hebrew Scriptures and knew that these writings contained a prediction that a bright star was to be the forerunner of the birth of a saviour.

The light of the star seemed to point in a westerly direction. This determined the astrologers to visit Jerusalem, the capital of Judea, to learn if such an important event had indeed taken place. They purchased gifts to present to the infant and, upon arrival in Jerusalem, inquired in the “Temple.” They were sent to King Herod, who immediately took alarm when the astrologers referred to the birth of a “king of the Jews” – a Messiah. However, the Magi made their way to Bethlehem and paid their respects to Jesus, whose birth had been a humble one, as they had expected.

It is interesting to note that the star – the Star of Bethlehem, as it is called today (Today, such a star would be called a supernova.) – which had first captured the attention of the Magi had disappeared from the eastern skies several weeks after its appearance, and had not been seen at all in the skies over Judea or Israel.

The Flight into Egypt and the Return to Galilee.

At the time Jesus was born, conditions in the land were unstable and dangerous. King Herod was at his worst and many innocent people, both adults and children, were killed wantonly. When he heard the content of the prophecies of the Hebrew Scriptures that a Messiah, a “king of the Jews,” was to be born, Herod determined the date of the appearance of the brilliant star and the ages of the Hebrew children of Bethlehem that he would have put to death those two years old and younger.

To escape these life-threatening conditions, Joseph and Mary with their infant son set out for Egypt, and, in particular, the town of Heliopolis, near Cairo. Here, they stayed with a relative who welcomed them and assisted them to make their start in the new country.

There was a community of Jews in Heliopolis who congregated together for safety and community life, with a place for worship, a place for the cleansing of women, and also an elementary type of school designed mainly to teach the fundamentals of the Jewish religion and the ability to read and write so as to be able to understand the Scriptures.

The family remained in Heliopolis for ten years, during which time four additional sons and three daughters were born to Mary and Joseph. Joseph practiced his trade of carpentry and was able to provide well for his family. He was hesitant when Mary expressed a desire to return to Palestine. She had become homesick for her people.

However, conditions in Palestine had not improved much after Herod’s death. Archelaus, his successor, continued in a similar manner as Herod, and blood continued to flow. Fortunately, Archelaus was demoted by the Romans to Ethnarch of Judea, then deposed and exiled to Gaul. Conditions in the district of Galilee, where Mary’s people lived, became a little better than elsewhere in the country.

And, so, the family left Egypt to return to Palestine. Jesus was approximately ten years old when the family settled in Nazareth, in the northern district of Galilee. There, he met his cousin John (later to be called the Baptist) and the two became close friends.

After the family’s return, the remainder of his life was spent in Palestine. He did not travel to India or to any other place to learn anything. He studied the Jewish Scriptures thoroughly and effectively while

gaining increasing spiritual insight and knowledge directly from the Father through his constant longings for at-onement with the Father.

Contrary to popular belief, Mary and Joseph never suspected that Jesus was a child different from other children or that he would one day choose to fulfil a mission given to him by God. But the truth is that his soul from the moment of birth had enjoyed the pristine purity which the Father has given to all of His children from the time of their creation – a condition that had been lost to them on Earth, however, after the first parents refused the Gift of at-onement with Him in His Divine Love and afterward fell from their pure and perfect created state.

At birth, Jesus' soul was unencumbered by inherited tendencies to sin and was free to fulfil its destiny as created by the Father. His soul was constituted to know the Father and, consequently, from his infancy it was natural for his soul to yearn for at-onement with the Father, thereby drawing to himself the Holy Spirit – that energy of the Father's Being whose sole function is to carry the Divine Love into the yearning souls of His children. Little by little, the transforming Essence of the Father's Love infused his soul.

Throughout his childhood and boyhood, because of his constant yearnings for at-onement with God, his soul underwent continual transformation of its nature into the Divinity of the Father. He realized this transformation was taking place as he grew to manhood and enjoyed increasingly closer communions with the Father and an ever growing at-onement with Him.

His Formative Years Were Dedicated to Studying the Scriptures and Receiving the Father's Divine Love.

Through Mr. Padgett, Jesus' mother wrote that in his youth, Jesus was considered serious and studious, one who drank eagerly from the fountainhead of the Scriptures and the Talmud, continually showing his love for his family by working hard for them and helping Joseph in his trade of carpentry. He was kind and gentle, yet possessed of a certain mysticism which his parents had difficulty understanding as he grew to manhood.

His mother further wrote that he enjoyed a relationship with the hills and the sky, and had a way of looking at the heavens, as well as an intense way of holding dear the words of the religious teachers, that separated him from his family; but it was a long time before he showed any signs of a love different from the pure natural love he showed to them.

His Scriptural studies revealed to him that the key to understanding his own soul's progression lay in the writings of the prophets. He became deeply interested, first, in the life and teachings of Hosea. This prophet was the first to become aware of God's Divine Love overflowing from Him, more than 750 years before Jesus was born. Hosea had sold his wife Gomer into slavery because of her unfaithfulness, but his awareness of God's Love, with Its depth of Mercy and Forgiveness, influenced him to buy her back.

Jesus spent long periods of time contemplating God's Divine Nature of Love. He soon came to realize that material possessions meant nothing in the Sight of the Father and, moreover, material possessions could not procure this Divine Love for anyone.

His increasing at-onement with the Father gave him a clear perception into the spiritual meanings of the Old Testament prophecies pointing to the New Covenant of the Heart which God would make with His children, whereby they would be rendered free from sin and error and incapable of sinning, and would know God through coming into possession of His own Spirit – His Divine Love. The prophecies of Jeremiah and Ezekiel, in particular, emphasized the new heart that man was to possess when God would implant His Spirit into man's heart and thereby remove the stony heart from man's bosom, replacing it with a heart of flesh.

From these inspired Scriptures, Jesus realized that the Love which he had received directly from the Father was intended for all of mankind, that they might know the Father's true Nature and become partakers of His Divine Love which bestows inner peace and joy, healing of heart, soul and body, as well as enduring faith and life everlasting.

Already spiritually pure and, by now, in abundant possession of the Father's Divine Essence of Love within his soul, he readily discerned the Divine Will of the Father for mankind and the Father's Plan for the salvation of His children through the re-bestowal upon their souls of His very Essence and Substance. By the time he was 20 years old, he wondered if he might be the promised Messiah who was prophesied in the Scriptures to show his people the Way to deliverance from sin.

Through his second chosen mortal instrument, Dr. Daniel G. Samuels, Jesus has supplied us with a complete explanation of his soul's transformation into the Divine Nature of the Father. His [sermons on the Old Testament](#) of the Bible written through Dr. Samuels set forth the prophecies foretelling the Messiah to come as well as the re-bestowal on man of God's Divine Love, recounting historically the spiritual progress made by his people through the centuries which enabled the Father, at His appointed time, to rebestow this Great Gift.

In his own words, [Jesus wrote through Dr. Samuels](#):

... I want you to see and know with complete conviction in your soul that I did not come as the Messiah to bring to mankind something new and revolutionary, but as the fulfilment of the Old Testament. I came to make the Divine Love – already known by Hosea as overflowing in God more than 750 years before my coming – the great instrument of salvation and a reality, and available to all men, both Jews and gentiles alike, and this through prayer for Divine Love to the Father.

I was the Messiah of God in that the Divine Love, which men could dimly perceive in the love and forgiveness of Joseph in Egypt, in the kindness and faithfulness of Ruth, Naomi and Boaz, and in the sure mercies of David – the Divine Love, I repeat, became in me a portion of the Father's glory dwelling in my own soul, absorbing into Its Essence my own humanness, and making of it a part of the Living Attribute of the Father.

Through realization that the Father's Love was present, and could be possessed by me if I sought for It earnestly in prayer, I did so constantly, and the knowledge and insight which I attained with prayer and with constantly increasing Divine Love in my soul through prayer, I became aware that I was the

Messiah, in that I was the first human to possess a soul filled with the Essence of the Father's Divine Love. ...

As the result of his development of soul in God's Divine Essence, Jesus was the first child of God to be given true insight into the moral and spiritual nature of mankind. With a heart and soul that had become a very part of the Father's Divinity, he was able to view all of mankind through the Father's Eyes, so to speak. He had a clear understanding of the souls of men as they had been created – noble and virtuous and pure in the natural love qualities, undefiled by anything not in harmony with the Father's Laws of Perfect Love.

He perceived the fine spiritual attunement with these Laws which had been enjoyed by the first human parents, who had been created just a little lower than angels but had been given the privilege of becoming divine angels and at-one with the Creator through longing for, and receiving, His Divine Love.

Jesus saw that if the first parents had embraced the Father's Divine Gift, they and their descendants would not have experienced the degeneration of their souls which occurred after they chose, instead, to be independent of God. Never would they have lost the knowledge of their true relationship with God or suffered their fall into spiritual darkness that brought them great hardship, disease and pain.

In his studies of the Old Testament prophecies, Jesus realized that through the spiritual insight of their prophets, the Hebrews little by little began to perceive God's true Nature. From a tribal god of "punishing wrath" for failure to comply with His "demands," He gradually began to be conceived of as a Father of Love, with a tenderness for the Hebrew nation like that of a bridegroom for his bride (the prophets Hosea and Ezekiel); or as a mortal father who loves his erring children, forgiving them and sorrowing in the sins they have committed (Hosea and Second Isaiah); as a Saving Father of love and mercy Who desired to make it impossible for His children to continue to sin or be separated from Him by implanting into their hearts and souls His own Spirit (Jeremiah and Ezekiel); or as the Watchful Shepherd, showing His love for His sheep by searching them out and bringing them to the Safety of His Fold (Ezekiel), where they would be assured of eternal fulfilment through His Care and Love.

Within himself, Jesus felt the Father's Glory and recognized those Divine qualities of love, mercy, justice and wisdom which the prophecies foretold would be possessed by the Messiah. In his heart, he felt the quickening of the Father's Love with Its kindness and forgiveness, Its compassion for suffering, and Its joy in righteousness.

The New Heart within him, born of the Father's Essence of Love in his soul, blessed him with compassionate understanding of the hardships and struggles endured by his people throughout their long history. He was fully aware of the tender Love flowing from our Heavenly Father, and knew that He was anxious to free His children from sin and suffering, and desirous, only, to bestow supreme happiness and eternal life upon them.

His Public Ministry.

Strange as it may seem to some, it was not until his thirty-third year, in 26 A.D., that Jesus began his public ministry with the help of his cousin John, whom he had known well since the family's return from Egypt.

John was the son of a priest who served in the Temple in Jerusalem, and his family were all pious and devoted, filled with a strict interpretation of the laws which the Jews believed had been received from God through Moses. To his father, these laws of Moses and the Ten Commandments represented the most important part of the Jewish religion, and he taught John a strict moral code which he absorbed in his youth and which later became the cardinal principles of his brief ministry as the harbinger of the glad tidings of Jesus.

As a youth and young man, in order to earn a livelihood, John had worked in the wheat fields. But his true vocation was that of a prophet in the sense that Elijah was – that is to say, to proclaim to the rulers and the people to repent of their evil ways and to return to the path of righteousness that God had directed the Jews to follow as the great goal of the religion calling for love to God and one's fellowman.

The two cousins had discussed the broad outlines as well as the details of their respective missions and, in accordance with the Old Testament sayings and indications, it had been thought advisable for John to be a forerunner to prepare the way for Jesus' coming. This meant that John would preach in various places ahead of Jesus so that, when Jesus arrived, the way would have been prepared for him – that is to say, curiosity and speculation as to his message would have been awakened by John.

As a significant beginning to both their ministries, John baptized Jesus in the River Jordan, an act that symbolized spiritual purity of the soul and observance of God's Commandments. It was at this time that Jesus became the Christ – the anointed of the Father – with the complete transformation of his soul into the Divine Essence of the Father taking place. A voice from the realm of spirit was heard, saying: "*This is my beloved son in whom I am well pleased.*" (This is becoming Christed – 8th sphere transition.)

Following the baptism, John preached near the banks of the Jordan and never strayed far from it. He was convinced in his heart that Jesus was the promised Messiah and that he was the prophet who was to announce the Messiah's coming. Yet, because he recognized the greatness of Jesus' soul condition, he felt unworthy to "unloosen Jesus' shoes," as he put it.

John preached repentance, and he meant ***a repentance*** in the traditional sense of the word – a turning away from sin and error in a renewed obedience to the laws of Moses, with love to God and one's neighbour, which leads to the condition of the perfect natural man.

Jesus also preached repentance, for he said: "*Repent ye, for the Kingdom of God is at hand; believe in the glad tidings.*"* But the meaning Jesus gave to repentance was not that applied by John; for Jesus meant not only a turning anew to God but a seeking of the Divine Kingdom of Heaven through prayer. And he taught that the Great Gift of Divine Love and everlasting life that had been rebestowed upon mankind by the Heavenly Father was evident in his person; and that a soul's yearning for God's Love, or its seeking for this Love through earnest, sincere prayer, was true repentance.

When Jesus said, *"I came not to call the righteous but the sinner to repentance"*, he meant that sinners could receive the Gift of the Divine Love as well as the righteous, for it was, and is, available to all. But, alas, it was not the righteous but the sinners of his day who repented and sought God and His Love, while the righteous, or those who considered themselves righteous, refused, in their self-satisfaction, the great free Gift that was theirs for the asking.

** By "Kingdom of God," Jesus did not mean Paradise, which was the only Heavenly Kingdom known by the Hebrews and the only Kingdom available to mankind before Jesus' disclosure of the availability of the Father's Divine Love. He meant the Divine Kingdom of Heaven, which would be inhabited by those souls redeemed by the Father's Divine Love from sin and error and completely transformed into God's Divine Nature. The Divine Kingdom is also referred to as the Celestial Heavens, or Celestial Kingdom. (8th sphere and higher)*

He Proclaimed Himself To Be the Messiah in the Synagogue of Nazareth.

Soon after he had been baptized by John and anointed by God as the Christ, Jesus presented himself in the synagogue at Nazareth as the one God had sent to declare the re-bestowal of immortality through the Divine Love upon all who would seek Its redemption from sin and a rebirth into Its eternal qualities.

His sermon in the synagogue in Nazareth was a very important one, in that he claimed he was the Messiah before the entire congregation. Such a claim created a sensation. He based his sermon on the 61st chapter of Isaiah and it was prophetic, in that it dealt with the release of the captives from captivity as had occurred to the Hebrew people, and was therefore known by the Hebrews of his time as a great prophecy that had already taken place.

Usually, commentaries based on this text were historical in nature and were conceived with the purpose of extolling the Goodness of God towards His chosen people; and, among those who had a more spiritual discernment, the meaning of the delivery of the slaves was construed to be a turning away from sin on the part of evildoers, who were slaves to sin.

This was good as far as it went but, of course, the meaning was restricted to the purification of the soul and not the transformation of the soul and the elimination of evil from the soul through the work of the Divine Love.

When Jesus recited the passage from Isaiah, he did not recite merely the lines recorded in the New Testament, but proceeded as was the custom to read the entire chapter, and the main passage in that chapter was: *"My soul exulteth because it is invested with the salvation of the Lord."*

And, in reading that passage, he implied that his own soul rejoiced because it had been **endowed with immortality, which is the real meaning of salvation**. And **this immortality of his soul was the result of its having received a sufficiency of the Divine Love** which was now available through the Loving-Kindness of the Heavenly Father. And that was the meaning of the declaration he made to the listeners in the synagogue: *"Today is this Scripture fulfilled in your ears."*

And it was from that passage from Isaiah that he proclaimed himself as the Messiah possessing a soul conscious of its immortality. And he also proclaimed the glad tidings that this immortality which was his could now be for whosoever should seek it through earnest and sincere prayer to the Father for His Divine Love.

When Jesus recited the passage on the delivery of the captives, he meant freedom from sin, not through adherence to the Mosaic law alone, which was the case before his coming, but **through the efficacy of the Divine Love of the Father in the soul, which so reacts upon and transforms the soul that it loses its desire for sinful thoughts and deeds.**

And when he read, "*The Spirit of Jehovah is upon me and has anointed me to proclaim the glad tidings*", he meant that the Father had appointed him to preach the re-bestowal of the Divine Love which had been made a reality in his own soul and, that, having been anointed the Christ through the Love Principle working in his soul, he was to preach the re-bestowal of the Divine Love to all mankind and teach the Way to at-onement with the Father through the Divine Love.

Thus, he had come as the Messiah to proclaim immortality for all mankind through prayer for the Father's Love, and that **sin and sickness could now be eradicated through the Father's Great Gift.**

Jesus proclaimed himself to be the Messiah, long expected by the Hebrews. However, he was unable to perform any miracles of note at that time because of the peculiar situation he was in, having lived for twenty years or more in Nazareth and the people who had known him for so long were now suddenly asked to believe he was the Messiah. This was very difficult for them to do, for it was not a question of asking strangers to accept him and his teachings and healings but, rather, to have people change their minds about him after they had been formed for twenty years. Faith on the part of the recipient of the healing gift is required; and, since he had never healed in his native town before his public ministry, the people were sceptical that he could suddenly perform what he had not done for the past twenty years. And thus it was that this strange current of incredulity prevented him from exercising his healing powers at the commencement of his public ministry.

The Spiritual Condition of the World When He Lived on Earth.

The history of the Hebrew nation found in the Old Testament of the Bible provides clear evidence that the human soul has always been the true recorder of mankind's progress in regaining their original estate of purity and goodness in the natural love.

Although there were long periods in their history when the fundamental worth of the human soul was not recognized as a special creation of God, there were men and women within the Jewish nation who rose above the attitude created by spiritual blindness and proved, in a way that left no doubt in the hearts and minds of those sensitive to truth, that the created qualities of our human souls are loving, just and merciful; that this superior creation of the Father's Divine Will is capable of a selflessness and generosity which can be shown in the noblest of human deeds.

When Jesus was born on Earth, the Hebrews were struggling under the tyranny of the Roman Empire. The barbarism practiced by the pagan conquerors, in addition to the cruelties evoked by the Hebrew rulers, placed an unrelenting, heartless yoke of oppression upon the Jews and their way of life.

The group of Palestinian Jews known as the Pharisees was composed of the common people – the artisans and the tradesmen downtrodden by the rich and the aristocratic priests who cared nothing for the Scriptures except as their own interests were therein protected. Their Jewish opponents, the Sadducees, were considered the elitist group. These two religious parties disagreed frequently over the interpretation of the Oral law, which was the Hebrew code of unwritten interpretations of the Mosaic law.

The Pharisees were deeply concerned with immortality of the soul, inasmuch as their own plight on Earth made them seek for justice in an ideal world beyond the grave, and they felt that God's righteousness had to, of necessity, embrace that Kingdom where justice and righteousness would be the established order. That is why the Pharisees were willing to listen to Jesus and his mission; yet, they were not capable of understanding the Principle of the Divine Love and salvation through the Divine Love.

For some centuries, the Pharisees had battled stubbornly against the Sadducees' denial of immortality, and had clung to the faith of man's entry into Paradise through keeping the Ten Commandments and the Torah, and the decrees, precepts and interpretations which stemmed from these holy works, so that Divine Love, and salvation from It, were alien to their thoughts and fundamental concepts of religion.

Jesus wrote through James Padgett that, at the time he lived on Earth, the world was almost devoid of spiritual conception of the true relationship of God to man, and God was viewed as a Being of Power and "wrath," only. It was because of this conception of Him that the Jews were so devoid of the true knowledge of His Nature and Attributes. They only knew Him as a God Who was interested in their material welfare, and did not realize that He was a God Who wanted them to know Him as their Spiritual Father and Saviour from the sins and evil natures that they possessed.

Consequently, when Jesus came, those who accepted him as their Messiah looked upon him as one who would redeem them from the condition of slavery which their Roman conquerors had placed them in, and would make them a great and independent nation, more powerful than all the nations of the Earth and fitted to rule the whole world.

Even his disciples, until shortly before his death, looked upon him merely as a saviour of them from the burdens which the Roman yoke had placed upon them. The only one of his disciples who had any approximate realization of what his coming to Earth meant was John, and that was because of the great amount of love that was a part of his nature and being.

To John, Jesus explained his real mission and taught him the spiritual Truths which he came to teach, and the only Way in which mortals could receive the Love of the Father which was necessary to make them one with Him and partakers of His Divinity.

Hence, [only in John's Gospel](#) is written the one necessary requirement to a full salvation and redemption of mankind: "[That men must be born again in order to enter the Kingdom of Heaven.](#)"

Jesus wrote through Mr. Padgett that the other disciples had more or less a conception of this necessary Truth, but not the full comprehension of what it involved. Peter was more possessed of the Divine Love than were the other disciples, except John, and, with this possession, he also understood that Jesus was

the true son of the Father. But he never understood, nor declared, that Jesus was God. He was a man filled with zeal and ambition, but his development of Love was not sufficient to enable him to fully realize, until after Jesus' death, that Jesus' Kingdom was not to be an earthly one. When the conviction came to him in all its Truth and fullness, he became the most powerful and influential of Jesus' disciples.

Through Mr. Padgett, the disciple John has given us an insight into the minds and hearts of himself and his fellow disciples, [in the following quoted words](#):

... People, I know, think that we at that time were very spiritually developed and had an understanding of the great truths taught by the Master which were superior to what men have now: but I tell you that this is a mistake. We were comparatively ignorant men, fishermen by occupation, and had no education above the ordinary working man of that time. And when Jesus called us to become his apostles, we were as much surprised and hesitated as much as you did when the similar mission was declared for you.

Our knowledge came with our faith in the great Truths which the Master taught, and from our observation of the great powers which he displayed, and also from the influence of the Great Love that he possessed. But when mankind think that we easily understood the great Truths which he taught, they are mistaken. Only after the descent upon us of the Holy Spirit at Pentecost did we fully come in accord with the Father, or fully appreciate the great Truths that the Master had taught.

Of course, we learned many things which men of that time did not know, and our souls became developed to a large extent, but not sufficient to bring us a knowledge of the wonderful meaning of the Truths which made men free and brought them in unison with the Father. ...

Jesus' mission extended also to the inhabitants of the spirit world. His declarations of the re-bestowal by God of His salvation upon man had been heard and taken to heart by many living in the spirit spheres. In particular, Moses and Elias, who had progressed in the purification of their natural love to its supreme excellence, followed Jesus' example and earnestly sought the inflowing of the Divine Love into their souls.

For the purpose of demonstrating to both mortals and spirits that the Father's Love was available and was already possessed by His children, both mortals and spirits, Jesus led Peter, James and John up a mountain to a prearranged meeting with Moses and Elias. After earnest prayer to the Father for the inflowing of the Divine Love into their souls, the appearances of Jesus, Moses and Elias became exceedingly bright and shining, giving evidence to those present mortals and spirits, alike – that the Divine Love had been rebestowed and received by both mortals and spirits.

Note: Following the writings of James Moncrief, one could consider that any reference to the Father, by other relevant writers, may be read as a reference to 'our Mother and Father'. Further, when considering soul healing, then reference to Divine Love could be referred to as 'Feeling Healing with Divine Love'.

LUMINOSITY of the SOUL can be LIKENED to the FOLLOWING:

1st sphere, lower regions – Natural Love MoC 50+/-
The soul condition of a soul that is obliged to spend some time within the ‘hells’ may be no bigger than a dried garden pea. There is no luminosity and the environment is total darkness.

The typical soul condition of humanity is such that they generate the luminosity of a single candle.

1st sphere, mid regions – Natural Love MoC 210

A soul that has grown in love and soul condition equivalent to the 8th sphere – the point of becoming at one with God, the luminosity of such a soul is equivalent to the midday sun.

8th sphere – only possible with Divine Love! MoC 1,000+

The three disciples were awestruck and fell to their faces because of the exceeding brightness of Jesus' countenance and the glory of his power which illuminated his whole being. Elias wrote through Mr. Padgett that, during the meeting, the appearances of Moses and himself were shining and bright, as described in the Bible; but Jesus was brighter, for he had more of the Divine Love in his soul and could manifest It to the wonderful degree that he did, notwithstanding his physical body.

The voice heard at that time, interpreted as the voice of God proclaiming that Jesus was His well-beloved son, "*Hear ye him*", was in reality the voice of one of the divine spirits whose mission it was to make the proclamation.

He Counselling Peace with Rome.

There was a deep anger felt by the Hebrews in general, as well as a growing determination on the part of many, to throw off the Roman oppressors and to regain the independence of the Jewish nation. But Jesus knew God's Will for His children and preached against war and uprising, firmly counselling peace with Rome, just as the prophets of old had counselled peace in their day with the neighbouring kingdoms that constantly threatened the Jewish way of life.

The history of prophecy was a declaration against wars and evil behaviour, and one that stood for peace. The prophets saw the moral evils of the people as the reasons for the buffeting and threats of disaster which faced the Hebrews and, with intense love of their people and God, and with wonderful understanding that return to God's Laws would, through faith, clothe them with His Protection, they thundered powerfully against sin and evil. They supposed God to be the "Divine Avenger" of evil which He could not tolerate, while clearly aware that the policies and doings of the Hebrew nations, themselves, were the causes of their own difficulties.

When Jesus preached in Palestine, his message, in addition to the Glad Tidings of the Father's Love, was social and political. **His people, by accepting the New Birth, could thereby eliminate sin from their hearts and bring about a new era of the Brotherhood of Man, wherein all the people would be equal before the Law, and justice and righteousness would prevail in the land.**

He also conveyed that the Divine Love would give his people an insight into the transitory nature of the Roman overlordship and, with this Love in their hearts, they would overcome the Roman yoke and remain secure in their faith in God and be peaceful. Thus, the fire of the Zealots would be transformed into the warm glow of understanding; and the later rebellions leading to the destruction of the Temple would have been avoided.

Through Jesus, God had given His highest Spiritual Law yet known to mankind – His Divine Love – at a time when the Hebrew people were being torn and afflicted by the cruellest and most brutal of oppressor nations, Rome. Only a possession of the Divine Love in abundance could have given the Israelites the fortitude, courage and faith to endure, and overcome, the great storm of evil that vented its wrath upon the nation, or enabled them to perceive this yoke as it really was – a storm of great violence, but withal, a passing storm in the ocean of eternal time, and one from which Israel could take refuge.

Human love was not equal to the immense task of coping with the greater human evil that was ancient Rome, as was evident at a later day, when rebellious Jews saw the destruction of their Temple.

“Through the Power of God Will the Son of God Heal and Be Glorified.”

The brutality of the Romans was felt most keenly by the poor, who were left helpless in the face of Roman injustice because of the moral wrongs they also suffered at the hands of the Hebrew ruling class. These aristocrats neglected to uphold the charitable teachings of the Hebrew religion: to oppress not the stranger, the fatherless and the widow; to shed not innocent blood; and to walk not after other gods. The moral teachings of the Ten Commandments – the Law – were willingly set aside by the Hebrew priests, whose worldly ambition blinded them to the plight of their less fortunate brothers.

Forced to live under conditions of deprivation that fostered sickness and early death, the grinding hardship of unrelieved poverty with its untreated diseases left the poor without hope.

The deep love and respect Jesus felt for each child of the Father flowed from the Christ Principle within his soul as he brought the Father’s Compassionate Love and Comfort into the lives of those who were suffering. His blessings of love and healing were longed for by all who lived with sickness and pain, yet had faith in their hearts that God could heal them.

He was welcomed no less by those who loved him as their brother in Christ, having embraced the Truths of Immortality which he had brought to light. His appearances before the people to teach them of God’s Immortal Love were eagerly looked forward to because his quietly spoken words were not only those of a caring brother and teacher, but in his beautiful voice there was an authority that sprang from his profound communion with the Source of all Life and all Love.

To those who did not accept his message of soul salvation, he taught the purification of their natural love by renunciation of sin and a strict observance of the Ten Commandments received by Moses. This teaching, if followed, would prepare them for Paradise – the Kingdom of the Perfect Natural Man – where happiness awaited all whose souls became restored to their original purity and perfection.

But the supreme happiness, he told them, with the assurance of immortality and a home of bliss in the Divine Kingdom of Heaven, would come to those who would seek to be Born Again through taking into their souls the Divine Essence of their Heavenly Father. In this way, they would become possessors of the New Heart and the Divine quality of immortality, never to be separated from their Father of Love again.

All who listened to him with an open heart knew inwardly that God had sent him with the Truth of Redemption to show them the Way to happiness through eternal at-onement with God. Within our brother’s heart there was a place for the meek and the downtrodden, the lonely and the forsaken, the sinner as well as the outcast – all were the objects of his love and tender ministrations.

As the fulfilment of his Divine mission, the Christ Principle within his soul radiated outward in Its eternal qualities of unfailing love, compassion, tenderness and loving-kindness. He untiringly demonstrated the restorative powers of the Father’s Nature to all with faith in the Power of God by healing, instantaneously, bodily afflictions for which there was no known cure.

“I Came for the Poor and the Meek.”

Neither the distresses nor the untreated diseases of the downtrodden escaped Jesus’ awareness, so great was his love for the poor, and so finely attuned in heart and soul to their needs both spiritual and material. Into their midst he came, bringing a New Promise from our Heavenly Father, a New Hope founded on the Love which the Father was offering to His children to free them not only from their burdens of sin and sickness, but to lift them above the sufferings inflicted by the harsh injustices of life.

Those he freed of sickness and disease felt new life within. Some who had not been able to stand got up and walked; others experienced the straightening of crooked limbs and regained the use of arms, hands, legs that had become wasted through illness and disease. Still others, thought to be dead, were called back from the deep sleep of coma, or suspended animation. Many, scourged by leprosy and branded as unclean, were mercifully delivered from this heartrending disease.

The Divine tenderness of the Love within Jesus’ soul gave comfort and reassurance to the bereaved and the grief-stricken. The compassion of the Love brought peace to the troubled hearts; while those cast down by the harshness of the times were restored in spirit. Many were freed of the torment of obsession by evil spirits (being people in poor soul condition becoming dark spirits following death of the body).

The Father’s Healing and Comforting Nature from within Jesus’ soul had the power to soothe, to bind up the wounds of the heart, and to turn the hope of the heart to a Loving and Merciful Heavenly Father.

The Kingdom of Heaven was with mankind. Through the Infinite Mercy of the Father, it had become available, once again, to His children, regardless of race, belief or station in life. Anxious to bestow His Love upon His children, our Father had written His Divine Law within Jesus’ heart and in his inward parts, making of him the first fruit of the resurrection – the living Christ, a being in whose soul resided the Eternal Love of God’s Divine Nature in an active state; a live soul, deriving its life from the Divine of the Universe.

Because Jesus had longed so fervently to be at-one with God throughout his life, and had received the Divine Love in such great abundance, he had become the *Way, the Truth and the Life*. He was the perfect example of God’s Love made manifest in man’s heart. As a result, he was able to give mankind their first awareness that they were loved by a Heavenly Father of unending Love and Mercy, and that they could become eternally at-one with their Father through experiencing the New Birth of soul into His Divine Nature.

Never had such Love been seen on Earth! Wherever he went, he radiated the Goodness of the Father’s Divine Nature and stood out among men as the example of what the Father had intended when He had given the first parents the privilege of taking into their human hearts and souls His Own Essence and Substance.

And yet, in the deep humility of the great Love possessing his soul, he never claimed to be God but only His son, sent with the New Heart promised in the Scriptures and with the Glad Tidings of the Lord’s re-bestowal of salvation upon His children.

Our brother travelled the roads and footpaths of Palestine as the living example of the New Covenant of the Heart which God had promised His children many centuries before through His prophets. The Divine Love, perceived through the spiritual vision of Hosea, Isaiah, Jeremiah and Ezekiel, had now become a reality to the human heart and soul and was exemplified, in all of its Divine Splendour and Beauty, in the person of Jesus of Nazareth.

Why the Chief Priests and Rulers of the Hebrew Religion Rejected His Claim of Messiahship.

It was during the autumn of the year 28 A.D. that Jesus had the opportunity to present his claims as Messiah before the chief priests and rulers and most learned among the Hebrew people in matters pertaining to religion. He made known that his mission was to proclaim the New Covenant between the Heavenly Father and the children of Israel and that the Divine Love of the Heavenly Father was now present and could be obtained by all who might seek It through earnest longing of the soul. And, further, that he was the visible sign of Its presence because in his soul there reposed the Nature and Essence of the Father in the form of the Divine Love; and that, his soul, being of this Nature and Essence of the Father, was therefore immortal.

But, to the Hebrew rulers, his claim appeared false because Isaiah had prophesied that no one would know from whence the Messiah would come, whereas he was well known as Jesus of Nazareth. In his day, a man was known not to be of his native town but of the one in which he had lived most of his life and was associated with. Thus, Jerusalem was considered the city of the great King David, rather than Bethlehem where he was born.

The New Testament infers that the Hebrew leaders did not know that Jesus was born in Bethlehem and that, therefore, Isaiah's prophecy regarding the unknown origin of the Messiah was applicable to him. But the fact is that they not only knew where he was born but they also knew his father, Joseph, a member of the Sanhedrin, and that he, too, came from Bethlehem.

This type of argument showed bad faith and a recourse to technicalities in the determination of the priests not to recognize Jesus as the Messiah; for that, they felt, would have upset their high positions as the religious leaders of the nation, which they were unwilling to relinquish. And these technicalities were but a subterfuge and manner of debating issues which were dear to their hearts, laying emphasis on hair-splitting intellectual distinctions resulting from subtle interpretations of the Mosaic law foreign to the real basic issues and spiritual insight achieved through soul-seeking to know the Truth.

Replying to the main Scriptural objections on their own terms, Jesus proclaimed that it was not true that they knew where he was born and Who his Father was. For, whereas they referred to Joseph as his father, whom they knew well, he referred to God, his Heavenly Father, Whom they did not know. Nor did they know from whence he came as a divine soul, nor how and when he was created. The reference of the Rabbis to his father, Joseph, was later eliminated from the Gospels because mention of Jesus' earthly parents was a thorn in the side of later Gospel revisionists who laboured zealously to make of Jesus a "god-man" born of a virgin and the second person of a supposed Trinity, which has no foundation in fact.

He further told them that, if they knew the Father, they would also know him, His son, as being sent from Him, and would recognize him as the Messiah. Quoting as the Hebrew leaders did, he stated that the Father had said: *"Incline your ear and come unto me; hear and your soul shall live and I will make a covenant with you, even the sure mercies of David. Behold, I have given him as a witness to the people, a leader and commander to the people."*

And what he said to them was known to all who received instruction concerning the Heavenly Father, so that they knew that the Father had appointed a Messiah over them in a descendant of David. Hence, they should accept him as their Messiah, inasmuch as he had, indeed, come to enable their souls to live by making available to them the Gift of immortality in the Father's Divine Love, accompanied by the power of healing and miracles which he was able to perform through the Father, thus attesting to the Truth of his mission.

He further told them that, if they wished to ascertain the Truth of his words, they should try, and test, his teaching that the Father's Love was now available, and pray to the Father in earnest prayer to see whether, if this was done in sincerity, the Father's Love, conveyed by means of the Holy Spirit, would burn and glow in their souls, by which sign they would realize His Love was present within their souls.

He also stated that these teachings were not his own but were those of the Father, and he had been commanded by the Father to proclaim them to the children of Israel. And that, having been sent by the Father, he could do nothing of his own but what he saw done unto him by the Father that is to say, what power he received of the Father.

He did not say that he could do what he saw the Father do, or imitate Him, as the Gospels state, for that would give him a power equal to the Father, which is blasphemy. For no mortal or spirit will ever, through all eternity, have power equal to that of the Father. And the revision was made many years later, in conformity to the false doctrine elaborated in the early Greek period of Christianity after Jesus' death, of making him co-equal to the Father.

However, if such an absurdity was admitted for one moment, it lends itself to its own destruction and proves its own falsity; for, never having seen the Father lay down His Life for His sheep, Israel, neither could he, Jesus, have laid down his in the sense that it is understood in the New Testament – that his shed blood and sacrifice on the cross give remission of sins.

He quoted from the Psalms and from the prophet Samuel on the Davidic covenant: *"I will setup thy seed after thee which shall proceed out of thy bowels and I will establish his Kingdom. He shall build a house for my name; I will establish the throne of his Kingdom forever; I will be his Father and he shall be my son."*

Thus, if they knew the Father and honoured His Word, they would know Jesus, as well; for he proclaimed the eternal salvation of the soul through God's Love which was evidenced in his own soul and witnessed to by His power acting through him.

He also testified that while they did not know the Father, he, Jesus, indeed knew Him and was sent by Him. And he stated that God was his Witness to the Truth of his mission – a mission which he undertook for God's Glory and not his own.

Neither did Jesus break the Mosaic law regarding the Sabbath when he healed and made whole one of his Father's children on that day. For, if circumcision was superior to the Sabbath, wherein one member of the body was restored, how much more important than the Sabbath was that act wherein the whole body was restored?

Hence, Jesus stated that their rejection of him as the Messiah on the grounds of having healed on the Sabbath day was merely a subterfuge to refuse him recognition and to conceal their own violation of the Mosaic law – making one body member more important than the body, itself. And it was they, not he, who were guilty of transgression.

He further stated that, even as the Father knew and was in him, through having bestowed upon him the Gift of His Love through response to his soul's aspirations and prayer, and this Love was the Father's Nature and Essence, even so did he know the Father and, in the same way, was in Him.

Jesus never said that he was the Good Shepherd, for that referred to the Father; and that statement was inserted many years after his death in order to raise him up to being equal to God. He did say that the Father is the Good Shepherd, the sheepfold being the Kingdom of Heaven, and that he was the door through which the sheep came into the sheepfold and into the Presence and Knowledge of the Shepherd, Who opens the door, and is the Father.

The Father gives eternal life to His sheep, and he, Jesus, is the Way, the door, by which His sheep may enter the sheepfold of eternal life. In the Psalms, it was pointed out that God, the Good Shepherd, would use David, or a root of David, as a helper in bringing the sheep into the fold.

“The Kingdom of God Is in the Midst of You.”

When certain spokesmen for the Pharisees asked Jesus when the Kingdom of God would come, he answered that in his person it had already come; for, wherever he went, he brought with him the Kingdom of God. This is the true meaning of the verse: *“And when he was demanded of the Pharisees when the Kingdom of God should come, he answered them saying: The Kingdom of God cometh not by observation (meaning as a visible manifestation for beholding the Kingdom through the eyes of mortal man) for, behold, the Kingdom of God is within you.”*

The Greek word “entos” was erroneously translated by the original Gospel copyists: it does not mean “within” but “in the midst of.” The incorrect translation arose from the fact that the translator sought to write not what the Greek word actually meant, but what seemed to make sense to him in the light of his own imperfect understanding of these verses. For he thought that mere faith in Jesus and fidelity to the rite of communion, which at that time had already become an established practice, made Jesus and, therefore, God, one with him.

There are some religious cults today which have mistakenly understood the translator's word to indicate that the Kingdom of God is that part of man, the soul, which comes most directly from God and, that, in developing and perfecting the attributes of the soul, man develops the Kingdom of God within himself.

In truth, development of the faculties of the soul will help man to purify his soul and enable him to reach towards the Paradise of the first parents before their fall from grace. This, however, is not the state of

the soul achieved through the transformation which takes place only through the efficacy of the Divine Love, which enters the prayerful soul through the workings of the Father's Holy Spirit.

The soul condition that corresponds to Paradise – purification of the soul – is the state of the perfect natural man, but has nothing of the divine angel or at-onement with the Father.

And there are some who point to I Corinthians 3:16: "*Know ye not that ye are the temple of God, and that the Spirit of God dwelleth in you?*" But these individuals fail to understand that the temple of God referred to is the soul and not the body, for the body does not enter into salvation, nor was it fashioned in the image of God, as was the soul. Jesus teaches us that every soul that seeks the righteousness of the Father becomes as a temple of God in purity; but every soul that seeks God's Divine Love becomes as a temple filled with the Essence of God, Himself; for the soul is then at-one with God.

Having Christ in You.

In addition, there are those who mistakenly believe that the Kingdom of God is within them because Christ is within them – in accordance with the teachings of the church – and, without understanding or knowing what the Christ is, feel they possess at-onement with God through faith in Jesus' name and in the "efficacy" of his shed blood and the sacrament of the Eucharist.

Now, the word "Christ," as it is generally used today, is used in the sense of "anointed," or "the Messiah," or "Saviour"; and this is true. But, actually, **"the Christ" means the Principle of the Father's Divine Love made available to mankind, as it was first shed abroad in Jesus' soul.**

And it is when this Divine Love enters the soul of a mortal or spirit who seeks it in earnest prayer to the Father that at-onement with the Father takes place, and in no other way – no blood shed on the cross or any mysterious sacrament of bread and wine.

For only the Father's love has the power to cause the errors and evils of the human soul to be dispelled from it and to thus give man a new heart, free from sin and transformed from the image of the Father into his very essence and substance.

So that, **"having Christ in you" means having the Father's Divine Love dwelling in your soul.** "*Herein is Love, not that we loved God, but that he loved us. ... And we have known and believed the love that God hath to us. God is love; and he that dwelleth in love dwelleth in God, and God in him.*" (1 John 4:10,16)

John made it clear that when he spoke of love, he meant God's Love – God's Divine Love for man – and, that, where this Divine Love is, there also is God, and there is the Kingdom of God. If we love one another, God dwelleth in us, and his love is perfected in us. (1 John 4:12)

The Kingdom of God may dwell within us but only if we follow the Way shown by Jesus and seek It through earnest longing and prayer to the Father for the Gift of His Divine Love. And with His Divine Love will come eternal life and the things necessary to sustain it, in this world and in the next.

God's Love Will Again Be Withdrawn from Mankind.

According to Jesus, **Divine Love is the one great thing in God's Economy of Real Existence. Without It, all would be chaos and unhappiness; but where It exists, harmony and happiness also exist.** He [wrote through James Padgett](#):

... I say this because I know from personal experience that it is true. Let not men think that God is a God Who wants the worship of men with the mere intellectual faculties; that is not true. His Love is the one thing that can possibly unite Him and them. This Love is not the love that is a part of man's natural existence. The love that men have, who have not received a part of the Divine Love, is not sufficient to make them one with the Father. Nor is that love the kind that will enable them to enter the Celestial Spheres and become as the angels who are filled with this Divine Love and who do always the Will of the Father. This Love is found only in the souls of those who have received It through the ministrations of the Holy Spirit – the only instrumentality of God's Workings that is used in bringing about the salvation of men.

God's Love is not that which needs the love of man to give It a Divine Essence. But, on the contrary, the love of man must be completely enveloped in, or absorbed by, the Divine Love of the Father in order to become divine in its nature. So, let man know that his love is but the mere shadow of what the Father's Love is, and that, as long as he refuses to receive this Love of the Father, he will be compelled to remain apart from the Father and enjoy only the happiness which his natural love affords him.

My Father is not desirous that any man should live through all eternity without this Love. But the time will come, and very soon, when the privilege of obtaining this Love will be withdrawn from mankind. Men may think that this time of separation will never come, but in that they are mistaken; and, when too late, they will realize it.

The harmony of my Father's Universe is not dependent upon all men receiving this Divine Love because, in the workings of God's Laws of Harmony on men's souls, all sin and error will be eradicated and only truth will remain. But the mere absence of sin does not mean that all parts of God's creation will be peopled by spirits and men who are equally happy or who are filled with the same kind of love. The man who is free from sin and has only the natural love will be in perfect harmony with other men possessing the same kind of love. But he will not be in harmony with those spirits who have this Divine Love and the supreme happiness which It gives. And, yet, such differences in love and happiness will not create discord or want of harmony in the universe. But the spirit who has this Divine Love becomes, as it were, a part of Divinity, Itself, and will never be subjected to temptation or unhappiness. He will be free from all powers that may exist for leading him to unhappiness – as if he were a very god. I mean that his divinity cannot possibly be taken from him by any power or influence or instrumentality in all the Universe of God.

This Love makes a mortal and sinful man an immortal and sinless spirit destined to live through all

eternity in the presence of, and at-one with, the Father. So, if only men would think and realize the importance of obtaining this Divine Love, they would not be so careless in their thoughts and aspirations concerning those things which will determine their future state through all eternity.

NOTE: Subsequent messages state clearly that the Divine Love will not be withdrawn while man lives on Earth.

Jesus saw his mission as teacher of the good tidings that the Creator had bestowed His Divine Love on mankind, and that His Love was available to anyone who sought It earnestly and sincerely. He perceived that this Divine Love would remain available for a time, after which It would be withdrawn a second time, with man experiencing the second death. This became his sole occupation and interest, with the result that he gave up the opportunity to take a wife and to have a home and a family of his own.

He used many stories to explain the Divine Love and Its workings: for example, the leaven in the dough; the oil in the lamps; the foolish virgins. In addition to the Divine Love, he taught other truths such as the creation of man; the Kingdom of the Perfect Natural Man (the Paradise of the Hebrews); soul development; the forgiveness of sins; resurrection; the employment of love. He was able to heal those with faith and he also performed many acts which were called miracles; yet, some acts credited to him did not take place.

Through Mr. Padgett, the [apostle Peter wrote of exaggeration in the Bible](#) accounts of some of the acts performed by Jesus:

... I have seen what you were reading (Luke's Gospel) and must inform you that many of the supposed miracles of healing and raising of the dead, and the controlling of the laws or expressions of nature, never occurred. No, these accounts are not true and are the results of the imaginings of men who attempted to add to the book that Luke wrote. Of course, there is a true foundation for some of these alleged miracles, but, as to others, there is no foundation in fact.

Jesus did heal the sick, and cure the blind and the deaf and the withered hand and the palsied man, and resurrected the supposed dead, but not in the way described in the New Testament; and it is not good for men to believe in the truth of all of these miracles.

(James Padgett interrupted to ask a question.)

Well, that incident never occurred, for, in casting out evil spirits, Jesus would have had no authority or power to permit them to enter into the swine. And it would not have been in consonance with his love and ideas of what was just to have allowed the swine to receive these spirits and thereby perish, as the account says. And, besides, the result of such a happening would be that the property of the innocent

owners would have been taken from them and lost. In all Jesus' performance of miracles, or in any of his teachings, never did he ever do or say that which worked wrong to a human being. To him, all men were the objects of his love and the salvation which he came to Earth to show men the way to.

One of the more prevalent myths of today was [dispelled by Peter](#) in the following comment:

... (Mr. Padgett asked a second question.)

There is some little truth in that, for we were in a storm and afraid. He slept, and we awakened him, but he did not rebuke the storm and the waves and cause them to subside. Rather, he allayed our fears by his talk and example and, to us, it became as if there were no storm. For, when fear left us, it was as if we were not sensible of the storm so far as the dread of drowning or perishing was concerned. No, this is another interpolation and should not be believed.

Other interpolations of New Testament events [have been pointed out through Dr. Samuels](#). Jesus has given us an accurate account of the so-called miracle of the loaves and fishes, as follows:

... The first supposed miracle is that of my having fed thousands of hungry listeners who were without food and who simply, by my supposed powers, were supplied bread and water on the occasion of my preaching to them in the hills of Trans-Jordan. Well, I must say that the many people who ate with me that supper ate fish and bread and wine, and even figs and dates, as well, which the New Testament does not mention. But this food had been either brought along with them or, as in the case of fish, had been caught by the fishing boat of my disciples and then cooked by some of the women who were present at the time. In other words, the meal which we all enjoyed at the time was a substantial one and was one that was retained in the recording of my activities in Trans-Jordan by later writers – who received it from my disciples. But this meal had nothing miraculous about it except that all food is miraculous, as it comes from the Heavenly Father for the sustenance of His children; but it was not a miracle in the sense that the New Testament interprets it and conceives it to be.

Perhaps one of the most controversial “miracles” ascribed to Jesus was his so-called act of walking on water, another interpolation which he has cleared up in the following explanation [given through Dr. Samuels](#):

... I wish to add that, during that evening, my disciples took their fishing boat and turned their way back to Galilee in the vicinity of Capernaum, and I remained behind to dismiss the multitude, which was not four or five thousand but considerably less, and I then withdrew to pray. I later took one of the little boats of the many that were anchored near the shore and made my way in it that night. As the wind was strong, I was eventually able to catch up with them. They were happy to see me and took me into their fishing boat, but with the moonlight shining on my white robe, it appeared, as they later told me, that I looked like a ghost, and that, standing up near the mast of the boat, it seemed that I was walking on the waves. From this episode has come the unfortunate story of my having walked on the waters; and I say that this, too, has had a deterrent effect upon my mission as the Messiah of all men.

The Divine Love which possessed his soul made him feel he was the dearest brother to all men and women. He taught the truth that God’s Great Love was equally available to women as it was to men, and he stressed that no man should impose upon a woman any condition or law which he himself was not prepared to live by. The story of the woman taken in adultery actually took place, and he spoke to her accusers as it is portrayed in the New Testament.

As to his [changing water into wine at the marriage feast in Cana](#), this is another misrepresentation of the facts, for he simply used water jugs which were available to procure wine from a nearby wine dealer, after paying for it.

Never did he curse anything or anybody, at any time – neither a fig tree nor the towns of Chorazin or Capernaum – for he came to save and not to destroy. The story of the fig tree barren of fruit was written many years after the event by one interested in showing Jesus’ divinity through the only way he could understand Messiahship – as a being in possession of supernatural powers rather than great soul development.

His teachings disturbed the priests and the upper class, who saw him as a threat to the divine faith and teachings of the Israelite nation – the Hebrew religion which Jesus never sought to destroy but upheld, in every sense of the word, its emphasis on justice, mercy and democratic principle, which were at the very heart of Judaism.

At first, his joy in teaching liberation of the soul and its resurrection from spiritual death unto eternal life elicited the support of the Pharisees, as they saw in him a leader who would assist them in throwing off the Roman yoke. But Jesus was not interested in an earthly Kingdom. He was preparing his fellowman to inherit a *spiritual* Kingdom – a Divine Kingdom – to be inhabited by all whose souls would yearn to be born again into the Divine Nature of the Creator. This Kingdom by its very nature would far surpass the Paradise of the Perfect Man, for life within the Divine Kingdom would be completely filled with the effulgence of the Father’s Divine Love flowing from the Fountainhead of His Habitation and into the souls of all who were actively seeking at-onement with Him.

The more successful he was in his mission, the more determined the priests and leaders became to eliminate him, feeling he was undermining their influence and the Hebrew religion.

JOURNEY HOME to OUR HEAVENLY PARENTS:

As we learn to grow in love and love our Mother and Father, we will progressively move through the super-universe, into the eternal spheres and then to the Isle of Paradise, our destination is to be near our Parents.

Asking for and receiving Divine Love enables us to enter and progress from the Divine Love spirit world (orange) then to the Celestial Heavens (red) then to Eternal Spheres (ruby) then Infinite & Universal (blue) then Isles of Paradise (purple) then to the Super Grand Sphere being our ultimate home.

Pre-incarnational sphere is close to Earth as is the 1st natural love sphere.

Progression with Divine Love is to infinity.

Progression with only natural love peaks at the 6th spirit sphere.

We separate from our physical body and proceed to the 1st natural love sphere. If our soul condition is poor then we proceed to one of the 2 dark Planes of Disharmony to commence our development of love.

Note: The 1st Divine Love Sphere and the 1st Sphere of Disharmony may simply be planes within the 1st Natural Love Spirit World.

Note: Following the writings of James Moncrief, one could consider that any reference to the Father, by other relevant writers, may be read as a reference to ‘our Mother and Father’. Further, when considering soul healing, then reference to Divine Love could be referred to as ‘Feeling Healing with Divine Love’.

JOURNEY HOME

Our journey home is an ever growing expansion of truth being revealed to us. For Earth's humanity, as for the 37 humanities that have Rebelled, we are quarantined and isolated. Having also Defaulted, Earth's humanity is possibly the most evil of all. Firstly, we are to understand that living through our minds is why we are addicted to untruth and control of others and nature – we are going the wrong way! We are to live feelings first and then heal our Childhood Repression and Suppression – we are to live and express our true personality, the one given to us by our Heavenly Mother and Father. Then our journey home begins!

The Isle of Paradise is stationary within the circle of seven super-universes. Spheres here are also for us to further grow in truth before arriving Home to become Finaliters. Our Heavenly Mother and Father guide us out of our Local Universe of Nebadon, through the rest of our super-universe of Orvonton and into super, superuniverse Havona which circulates around the Isle of Paradise, being home.

Each of the seven super-universes are constituted, approximately, as follows and with 1,000,000,000,000 inhabitable worlds:

- One super-universe is 10 major sectors
- One major sector is 100 minor sectors
- One minor sector is 100 local universes
- One local universe is 100 constellations
- One constellation is 100 systems
- One system embraces approximately 1,000 physical worlds

Once we attain the Celestial Heavens (spheres) we start to come in contact with spirits from other 'Earth' worlds. So in spirit and once we've finished out Healing and are Celestial, we interact, sometimes directly and otherwise indirectly, with potentially 10,000,000 physical worlds of which 3,840,101 are with humanities. Our Avonal Daughter and Son lead us to Mary Magdalene and Jesus (Michael soulmate pair, our Creator Daughter and Son), through our healing of the Rebellion and Default by guiding us into the first three Celestial Heavens and out of isolation from all other physical and spirit humanities.

Mary and Jesus then lead us through the Celestial Heavens for the system Satania (that Earth is in), then our constellation and then out of our Local Universe.

Isolation from all other humanities prevails before completing our soul's healing and progress into the Celestial Heaven spheres 1, 2 and 3. Hell planes 1 and 2 are of Earth, those who have compensation may have this experience and might then progress up through mind Mansion Worlds 1, 2, 4 and 6 before turning around to progress through Healing Mansion Worlds 3, 5 and 7 to transition into Celestial Heaven.

NATURAL LOVE and DIVINE LOVE SPHERES and FEELING HEALING PLANES:

After the HAND OVER!

Divine Love progress is to infinity

Peak of 7th sphere is where one becomes at one with our Heavenly Parents.

These calibrations are an approximation utilising Dr David Hawkins' 'Map of Consciousness' table:

Natural Love peak is 1,000 on MoC

Divine Love

MoC 650 – 840

Divine Love
3rd Sphere
+ 2nd growth
MoC 500 – 650

One's natural love is always progressively perfected during this journey of evolution of the soul.

Upon embracing Divine Love at any stage, then one can progress through the Divine Love spheres 3, 5, 7, whilst also doing their Feeling-Healing.

Even though a person may have received Divine Love, they do not avoid compensation or doing their Feeling-Healing, so they may still spend time within the spheres of disharmony.

Natural Love sectors for those doing their Feeling-Healing, without the Love, are within the Natural Love Mansion Worlds:

Progressing through the natural love worlds, within Feeling-Healing sectors, while doing one's feeling healing, upon reaching the 6th Sphere having completed Feeling-Healing, one can then embrace the Divine Love and proceed directly to the 5th Divine Love Sphere.

Then they may prepare to enter the Celestial Heaven Spheres from there.

This pathway is when the Divine Love is unavailable before perfecting one's soul.

Death By Crucifixion.

It was on the eve of his arrest by Pilate that Jesus gave his disciples the Eleventh Commandment: Love one another as I have loved you. The meaning of the Commandment, which is paramount to the religion preached by the [Foundation Church of Divine Truth](#), was [explained by our elder brother](#) in the following words:

... I meant that since I loved mankind, and especially my followers, with the Love that came to me from the Father's Essence, the disciples were to seek the Divine Love in prayer to the Father and love one another with this Divine Love. Thus, we were all to be one in the Father's Love. This was the Commandment to be obeyed by my followers, and binding upon them, just as the Ten Commandments were binding upon all Jews of that time, and even of this day, as the moral precepts given to mankind by God through Moses.

While at prayer on the Mount of Olives, he was arrested and taken to the Jewish Assembly, the Sanhedrin, where he was declared to be an enemy and would-be destroyer of the divine faith and teachings of the Israelite nation and a seducer of the people.

But he hadn't been betrayed by Judas, the youngest of his disciples, for silver; and it was not ordained that Judas should betray him, as the Bible claims. We now know the true motivation behind Judas' act from the apostle John, [in the following words](#) delivered through James Padgett:

... He (Jesus) never taught that it was ordained by God that Judas should betray him. In fact, the death of Jesus was never a part of that which the Father considered as necessary to the performance of his mission.

Of course, it was certain that Jesus would die. But the manner of his death was not foreordained, as my Gospel written in your Bible declared. Judas was not a bad man, as he is depicted to be. And his "betrayal," as it is called, of the Master was not for the purpose of gratifying any avarice that he might be supposed to have had, or because of any jealousy or desire to revenge a wrong, but it was because he was impulsive and had a belief in Jesus' powers and ability to overcome the Jewish leaders in their fight to defeat the objects of Jesus' mission. And he thought he would be doing the Master and his cause a great benefit by having it demonstrated to these Jews that the Master could not be silenced or harmed by any act of theirs. It was really an act that grew out of his love for and belief in the greatness of the Master's powers.

Jesus was sentenced by Pontius Pilate, the Roman procurator, after being questioned by Herod Antipas, the ruler of Galilee. Pilate ordered him crucified. It was the spring of 29 A.D.; his ministry had lasted slightly less than three years and three months. He was thirty-six years old. (He was crucified on Friday 13th March 29 AD/CE.)

Now, Jesus did not die to save anyone from sin. He was not a sacrificial lamb – a pagan concept and practice which Abraham, enlightened by God, had abandoned. He chose death rather than deny his mission and those things which he had proven to be true. Also, he knew there is life, and life abundant, beyond the grave; for man is essentially a spiritual being, and physical death is merely the process by which he returns to the world of spirit, from whence his soul had come.

He had accomplished his mission on Earth. Once he became convinced of his Messiahship, and told his family that he must attend to his Father's business of proclaiming the glad tidings of His Love and for that he had been born, his life was the personification of the New Heart which had been prophesied in the Scriptures – the Divine Love of God in man's soul.

He was buried in a cave whose entrance was blocked by a huge stone and guarded by Roman soldiers. His soul, however, with its accompanying spirit body, had risen immediately after his physical death on the cross, and he went about his business as a spirit.

He went into the hells (Spheres of Disharmony) and preached the salvation of God's Divine Love to those in darkness and suffering. He also ascended into the higher realms of the spirit world to proclaim the availability of the Father's Love and the possibility of eternal at-onement with the Father.

Once the ritual of burial had been accomplished, he returned to the cave and set about to remove his mortal remains. Three days had passed. Using the Divine powers of the Father's Essence within his soul, he dematerialized his physical body into the surrounding atmosphere, leaving the shroud (the shroud remains preserved today, and is known today as the Shroud of Turin) which had covered him neatly folded in a corner of the cave.

A bright spirit sent by the Father rolled away the stone blocking the entrance to the cave. By using ectoplasm obtained from one of the Roman guards whom he put into a trance, the spirit materialized a physical body. Energies were then transmitted to him by many good spirits present, and he was able to accomplish the feat of rolling away the heavy stone.

Jesus left the cave, but not before he had materialized a body resembling flesh and blood, again using the powers at his disposal. He appeared to Mary and Peter, fulfilling his promise that he would rise in three days. He later appeared to the travellers on the road to Emmaus, and to his disciples meeting in the upper room where Thomas was present and asked to be reassured that he was, indeed, beholding the Master.

Jesus explained through Mr Padgett that it was necessary for him to materialize in this manner to show that he was still alive, even after physical death through crucifixion. At that time in their spiritual development, this was proof in the eyes of his disciples that he was the Messiah. However, the real

understanding of his Messiahship came to all of them at Pentecost, when the knowledge came to them with overwhelming conviction that Jesus had brought the Father's Love and Its Divine qualities to light.

The Fulfillment of the Eleventh Commandment – The Pentecost.

The Commandment which Jesus gave to his disciples at the Passover supper – to love one another with the Divine Love with which he loved mankind and his disciples – came to the fruition of its fulfillment 50 days following his death, when mental concept of his mission was replaced by the emotions of love and great sorrow in his followers.

His disciples and followers who had remained faithful to him after the crucifixion and who, after his appearances to them, sincerely mourned their loss in his death, had loved him wholeheartedly as their Rabbi and were filled with a deep grief and love that made their souls ready to receive the Father's Love when It was poured out upon them.

It came into their souls with a great inflowing and burning of the heart and they, being greatly confused and excited by this phenomenon which they were unable to explain, related contradictory stories about the occurrence which later writers sought to organize into the account we are familiar with in the Bible today.

The Divine Love which Jesus had taught them of, and which they had understood only mentally, became a living reality in their hearts and souls at the time of the Pentecostal Showering upon their souls of God's Precious Essence. Because It was conveyed into their souls with such power and in such abundance, they knew, convincingly and overwhelmingly, that Jesus had come to bring the very Essence of the Father to mankind if they would but seek It through earnest prayer.

This inflowing of the Divine Love later became known as "receiving the Holy Spirit" – erroneously, of course, because it is the Holy Spirit which conveys the Father's Love into the human soul. It is not, as is thought, a divine person, but simply that Attribute (or instrument) of God that brings the Love into the soul of whosoever seeks It in prayer. There is but one God, the Father, and not the triune concept that is a basic doctrine in the Christianity of today.

The end of the Jewish dispensation, or the end of the Hebrew world, came with the Pentecost, for it was at that time that the Divine Love of the Father, which was first bestowed upon Jesus, was granted to his followers in abundance, and the Mosaic laws, the highest laws available to mankind prior to Jesus' coming, were superseded by the New Covenant of the Heart and the New Birth of the soul.

Epilogue.

Perhaps the most moving description of Jesus' soul when he lived on Earth and lovingly ministered to his fellowman has been given us by his mother. In her words, we are able to truly appreciate and value the fine loving traits of character inherent in Jesus as a result of his soul's development in God's Divine Love.

[Mary writes:](#)

... His natural love, which as a young man would have turned him to thoughts of love and marriage, deepened into Divine Love, and absorbed by It, held a marvellous feeling of filial and fraternal devotion, and made him feel like the dearest brother to all men and women – all mankind – taking away from him the thought of women and family life.

He loved all people with a love which showed itself in kindness, in service, in helping others, in healing wounds of sicknesses, in alleviating sorrow and giving sympathy and comfort for the depressed, the bereaved, the heartbroken and the helpless.

He brought hope and taught salvation to thousands. Even when they did not understand, there was a sincerity, an absolute faith and conviction in the eternal life of the soul which spoke to people's hearts, if not to their minds, and many felt he was the light to the Jewish people who would show the Way to God and to peace, in this world and in the next.

Jeshu showed this faith and conviction and love up to the last, on the cross at Golgotha; it was a courage and a patience beyond human capabilities. And, at last, at the foot of the cross, I understood something of what he said and what was in his soul, even just before the end, when I grieved for the one I considered a good son, dying because of a disturbance which manifested itself in a different path in religion and defiance of Roman power.

How mistaken was I, my family and my husband! We understood, yes, after his death, when pain and grief and love had brought some of the Divine Love into our souls. Joseph preached away from home; Jacob founded the Jerusalem sect; Judah and Thomas became his apostles.

His Divine Love turned him to God, to think of God and long for God's Presence; to pray, to avoid sins, to take on in his character virtues of kindness, of humility, of service and consideration of others so as not to hurt their feelings; and these were to him of the highest importance.

His, too, were qualities of firmness, faith and conviction; of courage, of fortitude and high resolve, that faced and found death with tranquillity, patience and a oneness with the Love of God that shatters all imagination. Such was my son Jeshu on Earth.

Jesus has explained that the great compelling fact of the crucifixion is that, while he dematerialized his physical body and died as to its existence, yet his soul has lived on through the intervening centuries and will continue to live throughout all eternity; that this eternal life became a reality through his constant and fervent prayers to the Heavenly Father for the inflowing of His Divine Love into his soul and atonement with Him; that what is really alive is Jesus' immortal soul, with his teachings which show the Way to achieve immortality of soul through longing to the Father.

For it is the Divine Love that gives eternal life, and not any mysterious ritual of supposedly eating his body and drinking his blood through the symbolic use of bread and wine, as practiced among some religious organizations.

Through Mr. Padgett, John, the apostle, has reassured all mortals who love Jesus and long for his presence that, sooner or later, as the laws of his limitations permit, he will be with them and will comfort and help them, if they will enable him to make the rapport. This is what is meant by his standing at the door and knocking. When the door is opened, the rapport is made and then his love and influence will be felt. In the following endearing words, [John wrote](#):

... So, let all mortals love Jesus with the fervour and fullness of their souls, and crave for his love; but in doing so, not forget or fail to know that, in thus loving, in order to become like Jesus, they must seek for the greater Love of the Father, and give to Him all their souls' longings and desires for the inflowing of this love into their souls. And the more they receive of this great Divine Love, the better able they will be to love their great brother, Jesus

Our Heavenly Parents simply desire for us to ask for Their Love.

“Every day is a day of devotion.”

Please Mother and Father, may I receive Your LOVE.

God's Divine Love: Pray for it, ask for it, and receive it.

Our salvation IS the embracement of the Feeling Healing process and Divine Love.

By living true to ourselves, true to our feelings, we are living true to God. It's that simple.

NATURAL LOVE SPIRIT MIND MANSION WORLDS:

Following the First Parents and subsequent to the Rebellion by Lucifer and his soulmate, and then the Default by Adam and Eve, and up until the birth of Jesus of Nazareth, the spirit world mind Mansion World spheres that were open to habitation to spirit people were only those pertaining to natural love essence, being the substance upon which our soul is formed. Natural love is Creation's love.

Natural Love sphere progression stops at sphere 6. With only the natural love, progression is through spheres 1, 2, 4, and 6 only. With Divine Love and Feeling Healing one cannot progress beyond sphere 6.

One can embrace Divine Love and one's Feeling Healing at any time and move to Divine Love sphere 3 and continue. This became possible upon the birth of Jesus.

On death of the physical body we all arrive in the 1st Natural Love sphere.

The 2 Planes of Disharmony are the hells. While one desires to cause harm to others, isolation is applied. Once the Law of Compensation is completed then one can then progress and return to the 1st Natural Love sphere and continue in their progression onto higher spheres.

Earth is for the individualisation of souls being the commencements of one's journey home toward the Source Soul.

The Pre-Incarnational Sphere is the waiting area for souls to be individualised / incarnated.

There are seven Earth planes around Earth, which are separate from the Mansion Worlds, but we only have access to two of them, which include the 'hells'. Each of the Mansion Worlds also have their own seven planes 'around' them.

DIVINE LOVE SPIRIT WORLDS and CELESTIAL HEAVEN OPENED:

To PARADISE, the HOME of OUR HEAVENLY PARENTS

SPIRIT MIND MANSION WORLDS are numbered 1 to 7:

To PARADISE, the HOME of OUR HEAVENLY PARENTS

Spirit Mansion Worlds are those 1 – 7. They with the Celestial Heaven spheres numbered 8, 9, 10 as well as the 3 Spheres of Disharmony are all within the Earth’s environment, and rather close by. Each sphere can accommodate more than 100 times the people than Earth may do.

Divine Love perfects one’s natural love soul through the progression via spirit world spheres 3, 5, and 7. Soul-Healing and At-onement is achieved through the progression into sphere 8 which is the first of the Celestial Heaven spheres namely 8, 9, and 10.

One can embrace Divine Love at any time and move to DL sphere 3 and continue.

The Divine Love spheres 3, 5, 7, 8, 9, and 10 were opened by Jesus.

On death of the physical body we all arrive in the 1st Natural Love sphere.

Boundaries of HELL!

The gateway out of our isolation from all other humanities within our local system is opened to us upon the completion of our healing of all that represents the Rebellion and Default.

While we remain embraced within the Rebellion and Default, even though we are unknowingly doing so, all of the humanity of Earth is isolated from all of the other humanities throughout our local system of Satania, all 619 inhabited worlds, thus effectively we are in hell!

Further, we are also isolated from the Spirits of Truth that our spiritual parents can offer us, until we complete our healing and enter the first of the Celestial Heavens, and that is when we move through the gateway and progress beyond healing mansion world number 7.

Life on Earth is living in hell in the physical. Many of us consider it to be wonderful – that is a fantasy. Our physical parents have remodelled our personality to reflect what they consider appropriate ... IT'S NOT! We are to freely express the personality that our Heavenly Mother and Father bestowed us with.

Many of us fight so powerfully against our childhood suppression and repression that we go on and cause great harm to many others, all of which the Law of Compensation takes into account. The lower levels of the 1st Mind Mansion World is a region for our compensation. We ALL enter the 1st Mind Mansion World as spirits upon the death of our physical body. The pain we cause to another is the pain that we will endure in compensation. Those who continue to endeavour to inflict harm on others may find themselves within the 1st and 2nd planes of Earth. The 1st Earth plane being the worst of the hells, while the 2nd is bridging towards a return to the 1st Mind Mansion world hell sectors. You can continue to live through your mind and perfect the mind but you will end up at a dead end in the 6th Mind Mansion world. There are more than 200 billion spirits within the 1st and 2nd Mind Mansion worlds and the two Earth planes of compensation. These areas are packed to the rafters! Only by embracing our Feeling Healing and with our Heavenly Parents Divine Love can we heal ourselves and progress through the three healing worlds before transitioning to the Celestial Heavens and out of the Hells. Within the Celestial Heavens are spirit personalities from all of the 619 worlds within our local system.

Boundaries of HELL!

Humanity on physical Earth is in Rebellion and Default, thus hell! Upon death we all arrive in the 1st spirit mind Mansion World where we typically suppress our poor state and remain in the mind Mansion Worlds indefinitely. Some have a period in the 'hells' compensating for the pain they have caused others. Many continue their 'mind worshipping'. However the way out is by embracing Feeling Healing, and with Divine Love, Soul Healing to progress up through the Crying Healing Worlds and transition out to the first of the Celestial Heavens.

GATEWAY

Transitioning into the Celestial Heavens is also out of:

ISOLATION

If you go against yourself, if you're untrue to yourself, then you are going against God and all God's laws, and compensation is required to bring you back into the fold, which is what happens through our Spiritual Healing. It's the Law of Forgiveness, forgiving yourself through self-acceptance, which is dominant in this part of your life. If you cross the line and abuse your children, that being up until they are 21 years old, then you have both levels and amounts of Compensation and Forgiveness to deal with, that which happens as part of your Healing. And as everyone abuses their children, we being conceived into our parents' rebellion against the truth of our soul, so all who have children have to come to terms with all they've done through their Healing.

Kevin 18 Feb 2019

Law of Forgiveness

Law of Compensation

If you go against someone else, as in cross the line and grossly interfere with their will, and there are degrees of this, then you will have to suffer the pain you have caused the other person, spirit or creature, which as you know is the Law of Compensation; and as to the extent of crossing that line and hurting another determines whether you have to spend time in the hells or not.

Kevin 18 Feb 2019

The minor 'hells' are the lower levels of the 1st mind Mansion World whereas the more severe are the Planes of Isolation being the 2nd Earth plane with the severest being the 1st Earth plane. Pain caused to another is the pain that will be endured before returning to the 1st mind Mansion World, all then to consider your Feeling Healing.

Finaliters

Hey guys, I know who I am and why I am having these life experiences. No, I haven't a prison uniform on – but that might be what my soul has planned for me to experience! Just joking!

When we arrive in our Earthly mother's womb we are clueless as to why the heck we have come here. We truly need to persist with asking, "What's this all about?" – We will be told, bit by bit! But you have to push for it. Well guys, here's a go at it.

We have come to this crazy messed up humanity on Earth because God wants us to come, we don't have any say in it. And we think we can do something about it, but we actually can't, we can only do what God wants us to do. And if that makes us think we can do something, that we can have an effect, then that's what God wants us to think. Man, this mob is ready to slaughter each other totally and that is not going to happen – it's not allowed!

We are to enable our wilfulness to surface – well take over our 'numbnut' mind – and push aside the persona – the messed up personality that our parents want us to be – and express our true individuality. Be true to our feelings – our soul-based feelings and be the personality that our Heavenly Mum and Dad know us to be (all good).

Okay, because we are amongst billions of people who have been forced to join the Rebellion and Default, we are one of them – experiencing all the crud and wrongness we can possibly get ourselves into. Yep, we are rebelling against our soul, which also means we are rebelling against our soulmate and also our Heavenly Mother and Father – God. Shoot the works – we have done it justice!

Now here is the good bit. We can heal ourselves of all this wrongness – and eventually we ALL will. Then we will continue with our healing and learning, and learning, and more learning and end up in Paradise, the home of our True Mum and Dad. THEN we will be recognised as FINALITERS. Why Finaliters?

We are called Finaliters, that's everyone who attains Paradise, and not just those of us who've been fucked up by a Rebellion, because we've 'finally' got there, we 'finally' did it, we 'finally' completed the first stage of our existence in Creation, which is akin to 'Finally' completing our time in the 'womb'. Upon attaining Paradise, it can be likened to being 'finally' born, or 'finally' becoming of the equivalent of age 6 when our Indwelling Spirit arrives, or 'finally' becoming an adult. And possibly we won't know if we can liken to it to any of these stages we go through during our physical life on Earth, until we're 'finally' on Paradise, and 'finally' get it!

Because other humanities in newly forming universes are anticipated to Rebel (just like us now) and because we have had the experience (no other humanity has possibly done it as good as us) so we FINALITERS can go and help them out of their SHIT! Yee-ha – more evilness and insanity! That is us! Bring it on!!!!

SHINING TOWARD SPIRIT:
538. Jesus and the Spirit World

Vol III, p. 48, 14 Nov 2014 – 14 Mar 2015 Zara and Nicholas
www.lulu.com

I am here to write with you about Jesus and the Spirit World. Let me begin by saying that the presence of Jesus was felt in the spirit world at the time he lived his human life. There were many spirits residing in the spirit world in each natural sphere, whom recognised that place Jesus had in the context of humanity, the humanity that lived on Earth at the time of his life and the greater humanity that now lived in the spirit world that had lived on Earth preceding his human life. There were those in the spirit world who were very capable in their ability to recognise that Jesus was the soul sent by the Father to teach all of humanity the way to the Father. The spirits in the spirit world who recognised the Truth about Jesus could see with clarity his teachings as he moved among the peoples of the Earth, but these spirits had the advantage of being in the spirit world and so, when Jesus taught and said things like, “I am not of this world” and “in my Father’s Kingdom there are many mansions” a large number of spirits knew what he meant and the Truth of what he said for these individuals who were residing in the spirit world that Jesus was referring to.

I was one of those spirits who resided in the spirit world when Jesus lived as a man and taught by the way he lived, teachings that involved living with the Father. I could tell as I listened to his teachings and conversations with his apostles and those closest to him, that he knew about our presence and the existence of the afterlife in relationship with the Father in the way that Jesus did as a man. I knew that he knew that the human life continued in the Father’s spirit world, the world I was living in. I had been in this spirit world a long time before Jesus was born and so, I – as many spirits were – welcomed his liberating Truths and presence. We knew here at the time of his human living, that mortal life in the spirit world had now changed forever. There were of course, many spirits who took no interest in the human life of Jesus, but there were many of us who did and we could see the unique experience of ‘this man of the Father’. It wasn’t until Jesus came into the spirit world that we could really embrace our own lives with the Living Father. We could tell very easily that Jesus was not God, for our objectivity being here in the spirit world gave us the clear sightedness that Jesus was finite and that God was Infinite. None of us here had liberated the Divine Love. This was part of Jesus’ purpose and until he lived the life he lived, we here in the spirit world couldn’t partake of the Divine Love for the Spirit that conveys this Love had ceased in its activity since the Fall of the First Parents.

I will return to write again soon. My name is Saul

539. Saul continues

I am with you again to continue this communication. I have never written with you before, nor have I ever spoken to a person living on the Earth since my arrival in the spirit world. I am aware of the work that Jesus did with James Padgett and the subsequent works where he has helped guide greater aspects of living Love to individuals who are open to receive his Teachings. I know Jesus very well; I have worked alongside Jesus from the time he arrived in the spirit world. I enjoyed meeting him and getting to know him. I am not going to write on the grisly end of his life – this is not what this moment in time is about.

When Jesus arrived here he was quite shaken, but his countenance was still of the man living with the Father. We helped him and we nurtured him and gave him all our love, which he responded to. As you know, there was nothing any of us could do here. But I can say with absolute certainty that when he was

on the cross, there were those of us present and we shone our love toward him and we knew that the Father had intensified Love in his soul and around Jesus so that at this time, he was not alone. There were people and spirits present who never left his side and when his last breath left his body the Father's Spirit Law – as it had done with all of us and with every mortal personality – transitioned the spirit body of Jesus into the 1st natural sphere and there, the sisters of love provided nurturing until he gained strength and rose as only the Living Truth can. What I mean by this is that Jesus knew about the spirit world and the Father so when he arrived here he knew what to expect and his time to regain his composure after his death was a very short time in deed.

540. As the Master gained his strength

After Jesus had transitioned into the spirit world through the workings of the Father's Spirit Laws, he was weakened by the events that had led up to the end of his human life. The Three Sisters of Love nurtured Jesus when he arrived here and all present – and we were vast in number – waited to see what would happen. There was a distinct hush as the Master gained his strength and we waited without moving from our place or position. Many of us were quite emotional, for we had lived through the end of his life and from our experience; we knew the truth of what was happening to the Living Truth.

This time when Jesus was regaining his strength was a settling time for us. The spirit body of Jesus showed no marking or any of the physical punishment that his physical body had. In fact, it was quite the opposite. His spirit body resting as he was awake and aware that he was now in the spirit body, was shining for he had received much of the Father's Divine Love throughout much of his earthly life and his soul condition was a man in perfect natural love living in harmony with the Father and his soul was in very good condition.

It only took Jesus a day and a half until he stood and there out in the open in a place now known in the 1st natural sphere as the place where Jesus arrived from the human world, he stood and declared in the recognition of the Father, that “the Celestial Heaven is now open.”

These were the first words that he said in the spirit world and were the confirmation of this Truth that had transpired at the time of his Baptism conducted by his cousin John. He needed to declare this Truth again, now that he was present himself in the spirit world, for all mortal spirits.

We remained quiet as he moved about us and we introduced ourselves and there was much cause in our participation to love Jesus. We did not overwhelm him with our love; we acknowledged the human life he had lived and the Truths that he had taught. The second declaration of Jesus in recognition of the Father was his act of a verbal prayer to the Father that we all could hear and that we all participated in, which was to pray to the Father for the Father's Love. Jesus guided us through this prayer and we all felt the Love as the Spirit that conveys this Love was active and living again and very abundant!

We knew that the apostles still lived on Earth but we gave ourselves to serve the Father by serving Jesus and so he instructed us to make ready for our journey into what is known as the 1st Divine Love Sphere. Most spirits present were in the very good condition of their natural love, we believed and loved God only now that Jesus was living, we could personalise our love of God into the living by receiving this Divine Love. Gradually we progressed through the spheres until we advanced into the Celestial Heaven with Jesus teaching us each part of the way. As soon as there were spirits residing in the Celestial

Heaven it was then that Jesus taught us that there were many spirits still living that were souls of the Father and that our loving service was to help create the awareness of this Love. There are many of us who are still doing this to today and this service continues on into tomorrow.

[1st Divine Love sphere is referred to as 3rd spirit world sphere. Spirit world spheres 3, 5, and 7 are Divine Love spheres 1, 2, and 3. The 7th sphere is the transitional sphere between the Spirit World spheres and the Celestial Heaven spheres.]

541. The spirit world is defined by the life of Jesus

The spirit world is defined by the life of Jesus. Those days that I have described to you are long ago now, but they did happen. The number of souls residing in the Celestial Heaven has greatly increased and the message of Divine Love, the Father's Love has spread far and wide in the spirit world. Jesus lived only a short time in his finite human life but he has lived here a long time and the influence of his presence is felt throughout the mortal spirit world. He is approachable and he interacts with individuals in the natural spheres all the time. The history of the past was lived by us but we do not live in the past. The spirit world is not solely a world defined by the life of Jesus. The spirit world is defined by the life of Jesus and the Divine Love of the Father.

The Master continues to teach today for the Divine Love is always present and its workings never change. We know how significant the human life of Jesus was, for we ourselves are living with this Divine Love as some of you are. We know how significant the spirit life of Jesus is for we are living alongside him and certainly enough time and experience has passed by so we can see how this Divine Love is the changer of all mortal souls. We are forever grateful that the Father once again bestowed the opportunity for our mortal souls to receive the Divine Love and it required Jesus to work and live in harmony with the Father for this to happen.

I have provided you with the essence of my experience.

Message 2. On the withdrawal of the Divine Love

25th September 2012

“It is paramount, that individuals realise that the Divine Love of God will not be withdrawn from mankind and the natural spirit Spheres for a long time. No person can lay claim or be the judge in this matter as to when God will cause the presence of the Divine Love and the activity of the Spirit that conveys this Divine Love into the mortal soul to cease in the natural Sphere environments. What is important is that this Love and Spirit be universally present for all mortal souls and the potential for the individual to be the recipient of it. This truth is of the utmost importance, as to when and for how long the Divine Love will be available for all mortals to receive, because it will help people and spirits realise that a person or spirit cannot determine the operations of God’s Divine Love and the Spirit in such universal outcomes.

“What I do know is that humanity and mortal spirits in the spirit world continue to progress toward harmony in their natural soul condition in a greater or lesser degree of harmony, and that the assistance of being able to include the Divine Love in this progression is well underway and the Divine Love will be around for many years to come.

“I cannot give you an exact time in human history or date as to when the Divine Love is withdrawn as a potential for the mortal soul. But still as yet this future date is unrevealed to me from my Father. I know people like exact dates for this places experience into context that better assists in one being able to discern past, present and future matters however, with regard to the future with the Divine Love it is best that people respect the fact that what I do know is that there will be no withdrawing of the Divine Love and the Spirit from humankind and the natural Spheres in mortal future history. There is no need to be concerned about the withdrawal of the Divine Love and anyone person or spirit who proclaims or teaches otherwise is proclaiming untruth and misleading people as to the truth relating to the continued presence of the Divine Love and its availability of progression, harmony and its positive influences felt in the hearts and minds of those who embrace this Love. The current date is the 25th of September 2012 and whilst I said I do not know the exact date in the future as to when the Divine Love will be withdrawn, I do know that the Divine Love will be available until at least the year 3000 and substantially beyond. I say beyond for in the event that if humans were no longer present on the face of the Earth, and only life in the mortal spirit world was the place for continued human personality survival, God can exact such workings of the Divine Love that the Divine Love will continue to be abundantly present in the mortal Spheres whilst no longer functioning to humans in the Earth’s environment. By no means am I saying or suggesting that humankind will be extinct in the year 3000. Only God knows the timing of such things as to the beginning and ending of the human experience. People who are busy forecasting the end of the world need to spend more time developing the beginning of their progression for all reside in the universal harmony of God whether they are aware of this or not.

“Celestial spirits speculate on such matters as to the extent of the Divine Love experience because the Divine Love represents the activity of God in mortal experience. The Divine Love stimulates vision. It is more present than all of us, and the Spirit that conveys the Divine Love into the soul is the key that reveals much of this activity of God. In order for God to withdraw the Divine Love, requires the Spirit to cease its activity and this is done so by the Spirit Law on which the Spirit

operates in harmony with the Divine Love. If and when the Divine Love is withdrawn the Father has only to cease the Spirit Law that the Spirit acts upon and the Spirit ceases to function in its specific purpose and that being to convey the Divine Love into only the soul of a mortal. When the Spirit ceases its activity then the Divine Love by its own cause cannot enter the soul of a human or mortal spirit.

“Rest assured in the knowledge that there will be no withdrawal of this Love in the foreseeable future. I know this, because it is important to reveal this and so God has revealed to me that the Divine Love will be present and available for a long time to come and this will settle the hearts and put people’s minds at ease about the ending of such things.

“And it need be said that only I can actually announce or declare when the Divine Love exactly would no longer be present for the potential of humans and mortal spirits to receive, as my coming into this world coincided with God’s Divine Love beginning again after it was withdrawn from the First Parents.

“The uniform harmony that exists between God’s Divine Love and the Spirit that conveys the Divine Love into the soul of a man, woman or spirit commenced at the beginning of my life on Earth and did not end as a potential for the mortal soul with the end of my human life. This uniform harmony having once begun with the First Parents, then withdrawn, and then recommenced with my human life continues today and will into the future even as I with other Celestial spirits reside in the spirit world.

“God alone has caused such harmony of the Divine Love and the Spirit to exist. I did not create this harmony. I merely progressed in my soul condition that caused me to develop the awareness into the nature of God’s workings of Love and Spirit that involve the progress of human and mortal spirit-kind. I will never live on Earth in the flesh on Earth again. Many of you who are familiar with the function of the spirit body know that it is impossible for the mortal personality, once a finite soul individualised, to reincarnate in the physical body for a second life.

“Let the heart rest in the assurance that I will not be declaring that the availability of the Divine Love for the human soul will be over or withdrawn anytime soon or in the foreseeable future.”

REVELATION 1
James Padgett 1914 – 1923

James Padgett bravely introduced the availability of the Mother and Father's Divine Love and a great deal of additional guidance and information, all of which has been supplemented by Samuels, Judas, Reid and Arnold. All writers were under restrictions of personality and circumstances. Revelation 1 opened the door for humanity.

REVELATION 2
Marion and James Moncrief 2002
– ongoing

Marion and James Moncrief have recognised the need for one to engage in Feeling Healing and, by their actions, removed restrictions that James Padgett and others above endured, thus JM is able to critique the writings of the past 100 years resolving points of confusion as well as expand on what has been written. Revelation 2 is humanity's turning point.

Due to the extra-ordinary nature of Revelations 1 and 2, humanity with the first Revelation would have continued on into its negative pathway of living, however, combining the first Revelation with Revelation two, now humanity can embrace this turning point and commence its evolutionary growth that has required two thousand years to put in place. This is the greatest event in the history of humanity and very few are aware of such, until we enable others to become aware.

1 Divine Love addresses the issues of the Rebellion.

The availability of Divine Love, should we so ask for it, being revelation 1:

God's Divine Love: Pray for it, ask for it, and receive it.

Whilst we are receiving our Heavenly Parent's Divine Love, and that this Love is causing change within our soul and spirit attributes, the greatest Truth known to man and spirit is that this is the way our Mother and Father are actually loving us! When we progress, it is the Mother and Father's way of loving us into love and then we live what we are, love.

2 Feeling Healing addresses the issues of the Default.

The way to clear one's soul of childhood errors and injuries is revelation 2:

To liberate one's real self, one's will, being one's soul, is begun by embracing Feeling Healing, so as to clear emotional injuries and errors. With the Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

Release one's pain through expressing one's feelings.

in conjunction with

Longing for the Truth when also longing for Divine Love.

FEELING HEALING + SOUL HEALING

To heal one's self is to simply look to see what feelings we are refusing to let ourself feel, and accept them instead of denying them. And to fully accept them, one needs to express them, speak about them, let them have their say, rather than pushing them aside, refusing to let them make you feel bad.

Doing this all with the intention of seeking the truth of why you are feeling them, of speaking about and expressing all such feelings; all feelings you have, but ALL WITH the INTENTION of UNCOVERING the TRUTH THEY WANT YOU TO SEE ABOUT YOURSELF. And it's the wanting to see the truth of them that is very important, because if you just look to accept them and speak and express them, but not seek their truth, then that's all you'll be doing, speaking and expressing them, but not healing their causes, so not fixing the things within you that are making you feel bad. And it's the truth part of it, seeking the truth of your feelings, and so, seeking the truth through your feelings, that's vitally important. It's the truth of yourself, life, nature and God, that is the spiritual aspect to it all.

You CAN'T find the truth of yourself, or anything else, through and with only your mind. You HAVE to engage and look to your feelings. And so if you choose to allow your feelings to 'Show You the Way', then the truth will come as you express them. So to do our Soul-Healing consists of these steps, all of which are ongoing until it's done:

- **Admit you are feeling bad.**
- **Accept your bad feelings, identify what they are.**
- **Honour fully your bad feelings by expressing them, speaking about them to someone who is willing to hear you talk about them, or tell them out loud to our Heavenly Parents. Long for the truth of them. Long for the truth of why you feel bad – what deep within you is causing your bad feelings?**
- **And remember, bad feelings are Good! Not bad. They are not to be despised. And as hard as it is to accept them, they are still you, and a very real part of you. And if you persist in denying them and not allowing yourself to fully live them, then you are only going to keep yourself in your errors making things harder for yourself.**
- **All sickness and suffering, all bad things that happen to you, all your problems, all your addictions – your whole feeling-denying and untrue life, is all caused by your denial of bad feelings.**
- **Every problem in the world is brought about because everyone has been brought up to deny feelings, and in particular, most of their bad ones.**

If one is intent on spiritually evolving and growing in truth, then it's vital, and this is the key, that one looks to use one's feelings as the means to gain and have access to the truth of oneself. You CAN'T find the truth of yourself or anything else through and with only your mind. You HAVE to engage and look to your feelings. And so if you choose to allow your feelings to 'Show You the Way', then the truth will come as you express them.

Doing your Soul-Healing with the Divine Love, is really doing your 'Feeling-Healing'. We are designed — created — to be self-revealing of truth, and so we are all to uncover the truth within ourselves and for ourselves, and all being done by living true to our feelings. **If you accept, express and seek the truth of your feelings, then truth will come to you, and you'll grow spiritually. It's as easy as that. Also it is as easy as it is to long for, ask for and receive Divine Love.**

THE HEALING OF YOUR BAD FEELINGS THROUGH THEIR ACCEPTANCE
AND FINDING THE TRUTH OF THEM, IS THE ACCEPTANCE OF YOUR
NEGATIVE, REBELLIOUS, EVIL, IMPERFECT MIND AND WILL CONDITION.

To do our feeling-healing we need to become:

Aware of – Acknowledge – and Admit, our bad feelings.

So we can:

Accept – them and allow ourselves to Be them.

And then if we feel to, take:

Action – Express, speak and emote them.

Talk about them.

All being done whilst longing to, really wanting to, see the TRUTH of our feelings.

So it sounds simple.

So I repeat:

We accept our bad feelings by expressing – speaking about them to someone willing to listen to us and take us seriously. And as we speak we long for the truth of them – why we are feeling them – to be made known to us. And when we uncover and see the truth we are FREE! – healed of the causes that have made us feel bad.

Accept, Express – see the Truth, and you're Free!

ACCEPTANCE OF ALL YOU FEEL, THINK AND ARE, IS THE KEY TO DOING
YOUR HEALING; THAT, AND WANTING TO SEE THE TRUTH OF ALL YOU
FEEL, THINK AND ARE.

Release one's pain through expressing one's feelings.

in conjunction with

Longing for the Truth when also longing for Divine Love.

Prayers to our Mother and Father

From 'Religion of Feelings' by James Moncrief

Please Mother and Father help me accept my untrue state and bring up all my repressed feelings so I can see the full truth of why I feel so unloved and all that's wrong with me.

Please Mother and Father help me see the truth of myself through my feelings.

Please my beloved Heavenly Parents, fill my soul with Your Divine Love. I long for Your Divine Love; please answer my prayer and yearning to be at-one with You and do Your Will by living true to myself and all my feelings. Please fill my heart and soul with Your Divine Love – please make my soul like Yours – Divine.

Please Mother and Father, I want to uncover the whole truth of myself through my feelings. I want to be able to feel and accept just how bad I am, how bad I feel I am, how bad I've been in my life. I want to know the whole ugly truth of myself, see it and feel it and understand how I came to be it. Please reveal to me through my feelings all the truth of myself You want me to see. I want to be as You want me to be; I want to be true and perfect, Healed of all my rebelliousness and self- and feeling-denial; I want to be good, loving, true and happy, please help me become true to myself, true to my soul, true to You.

Please Mother and Father help me, I'm in such bad pain, I feel so alone, so miserable, so scared, what's going to become of me, I don't understand, what's the point of me, why have You made me; please help me see the truth of myself – all the truths of myself, nature, how to be in the world, of You both. I want to know, I want to know it all through my feelings, all that there is to see, the whole truth and nothing but the truth. Please help all my pain come to the surface of me so I can embrace and accept and express it out of me. I want to use my feelings to uncover the truth they are to show me; please help me to do that.

Please Mother and Father love me. I want You to love me. I want to feel fully loved by You. I don't want anything else, only to be with You. Please, that is all I am asking.

Please make me feel how unloving I am. Please show me the horrible truth that I am. I want to see and feel and understand the worst of me, please take me into my darkest scariest ugliest unwanted rejected places within myself. I don't want to feel all the dreadful pain that I know is there locked away inside me, yet I do also want it all to come up and out of me, and I want to use it to see the truth of my wrongness, the truth of how evil I am, the truth of my fucked up state. I no longer want to be false, pretending I am okay, using my mind to make me falsely believe I am good, happy, loved and loving, when I know I'm not. For how can I be when You've brought me into my unloving state, making me be of it. And as You want me to experience being this negative way, please show me the whole truth of it. I no longer want to deny any part of myself, or any of my bad feelings. I want them all to come up so I can express them, emoting their pain, feeling how bad You've made me feel all my life and all through my early life; I want to see why, and so reveal all the truth to myself. I want to be the living truth of myself, living true to my feelings and the truth they give rise to. Please help me to do my Healing, and please fill my soul with Your Divine Love.

The mind way is the 'dead' way; the feelings way is the 'alive' way.

Examples of some prayers to God:

From 'Feeling Healing' by James Moncrief

Please God show me the truth of myself through my feelings.

Please help me see the truth about myself You want me to see.

And please help me feel all my repressed pain; please bring up all my bad feelings so I can express them and see what it is they are to show me about myself, my life, and You.

And please help me work through my blocks, I want to Heal myself, I want to become true to myself and true to my feelings and true to You – please help me do that.

Heavenly Mother and Father, I feel so bad, and I know I'm doing it to myself, but I can't help it. I can't stop my compulsive addictions, so will you please bring up the buried feelings in me and show me the reasons why I can't stop. Please! I want to know – I REALLY WANT TO KNOW why I do them. Please help me Mother and Father to uncover the truth of myself. Please, I beg you, please, please, please show me the truth of them so I can give them up. I hate feeling bad, yet I know I must so I can keep expressing my bad feelings to see the truth You want me to see, so please help me feel bad.

Please Mother and Father fill my heart and soul with Your Divine Love. Please give me Your Love. Please love me and make me feel loved by You. I want to feel You close to me, I want You to hold me, make me feel loved by You. I only want You and to do Your Will. Please help me bring up all my repressed feelings so I can express them and uncover their truth. Please help me do my Healing. Please give me Your Love.

I hate you Mother and Father; why have You given me such a shit awful life? I hate myself, I hate You, I hate everything about my life. I feel so bad all the time. I've expressed so many bad feelings and still I feel bad. It's not fair, it's not fair what You've done to me. I hate You! And I want You to help me Heal myself, so I can stop feeling bad. You put me in the shit for whatever reasons, and I want You now to help me get out of it and show me what it's all been about. Please help me to Heal myself so I no longer hate You.

I long for Your Divine Love Mother and Father. Please fill my soul with it. And please help me uncover the truth of myself through my feelings. I want to see it all! And please make it all end, I'm so tired of always feeling so bad, please take all my bad feelings away by making me feel them and showing me the truth I am to see.

LOVE
is
Feelings First Spirituality, The New Way

Feelings First Spirituality, The New Way is a contemporary ‘religion’ based on living true to yourself through your feelings. Understanding that all you need in life is contained within your soul and is shown to you through your feelings. And by loving your feelings, by attending to them properly (talking or writing them out of you) and not denying them, you can use them to uncover the truth of yourself – the truth of your soul.

Feelings First Spirituality is not a formalised religion that tells you how to be, that is too controlling and is actually bad for you, limiting your spiritual growth. You can be wholly self-revealing of the truths you need to be, being the person God created you to be, all by living true to your feelings.

Feelings First Spirituality has no formal structure because we understand we don't need one, our soul contains within it all the truth of our spiritual ascent. If we look to our feelings for the truth they want us to see about ourselves, nature and God, then what more do we need! Our true spiritual path is the path our feelings will lead us down, that is, provided we allow them to. This is the most spiritual we can be.

Living the New Way of Feelings First Spirituality

You come to the understanding from your life experiences that how you are is not right, it doesn't make you feel good – that you are wrong in some way. And you want to change yourself, you want to become right, true and perfect – you want to be like God is.

And to do this you need to do your Healing

Your Feeling-Healing is looking to your feelings for the truth of yourself, the truth being hidden in many of the feelings you are not wanting to face in life. So you have to end your feeling denial, accepting all your bad feelings (and good ones), express them (yet not necessarily acting upon them), whilst longing to uncover the truth they are to show you.

Or, you can do your Soul-Healing, which is your Feeling-Healing together with including longing directly to God for God's Divine Love. When you receive the Divine Love into your soul, it will cause your soul to become divine, and it will deepen your personal relationship with God. Long with all your heart to God for God's Divine Love.

Feelings First Spirituality **The New Way**

By living true to ourselves, true to our feelings, we are living true to God. It's that simple.
--

FEEL *for* TRUTH

The beauty of it all, is the truth comes to you through your own feelings. You don't need to be told it by anyone. You can work it all out for yourself. We are self-revealing of truth, it's how God created us to be, and by being it we'll feel the happiest we can feel. Truth is our great comforter, so when you feel it come up within you, ah it feels so good and you feel just right – perfect!

We know only how to deny feelings, now we can get to know how to accept them. And always with the truth being the most important part.

FEELING TRUTH

If you don't want to uncover the truth of your feelings, then you can keep on expressing them forever but you will never fully heal yourself. Seeing the truth results in the Healing. And to see the truth you need to express all the pain out of you. The two things go hand in hand.

You can accept and express your bad feelings, letting off steam all day long, yet nothing will heal and nothing much will come of it. So this is where wanting your feelings to show you the truth of why you're feeling as you are is so important.

Don't go fishing with your mind, that will shut the truth out from rising up for you. **KEEP YOUR MIND OUT OF IT.** It's a feeling thing, doing your Feeling-Healing. (This is where we erred previously, and this how other modalities are in error.)

You long when you can, then stop longing and keep expressing. And at some point, and it might not even happen immediately, it might happen after days or weeks of expressing the same bad feelings, truth will come to you. And it does, it just comes up suddenly into your consciousness. You just know. You see the picture and you feel it's true. And you know it's true. And THEN your mind can come in and start sorting it out and putting in context.

It's the Truth that we are seeking. It's the End Point. The Reason for doing your Healing. You are to see the whole Truth of yourself. And to begin with, that's the whole truth of your unloving self, of your wrongness, of your evilness, of why you are as you are in your negative unloving mind-controlling state. To be able to fully accept yourself as you are, warts and all. To not fight or resist or try and change yourself, just to accept all you feel and all the truth of all those bad feelings you feel about yourself. And when you do, so you will be healed. You CAN'T heal yourself unless you uncover the truth of your pain, suffering and so the truth of all your bad feelings.

Through our Feeling-Healing we long for the truth of what we're feeling whenever we can. So as often as you can. You want, and REALLY WANT WITH ALL YOUR BEING, ALL YOUR WILL, to know why you are feeling bad. You yearn, want, long and beg and beg and BEG God to show you the truth of yourself through your feelings. So when you are expressing your bad feelings you can stop and long for the truth to show you what's going on, why do you feel so bad, and you can do it any time you think of it or feel to do it.

Heartfelt TRUTH

**PUSH ME,
PULL ME**

The NEW WAY of LIFE:

Now for the first time in history, Celestials can be more assertive in making known the availability of Divine Love, and that the only way to progress towards our Heavenly Parents is by engaging in doing one's Feeling Healing.

The Celestials have all but stopped the mind spirits from negatively influencing people on Earth, and the biggest area this is in, is in the religions. So the religions on Earth and all the spiritual systems of the mind, are under pressure in that they are no longer enjoying the input from the mind worlds that they have had. And how this translates into ordinary everyday life, is more in the unseen connection between those in religions on Earth and those of the same religion in spirit, is fading away.

Then at the same time, we, the Celestials, are being allowed to move more freely amongst everyone, both in the mind worlds and with you on Earth. Which means, we can confront and have more of a say in peoples and spirits lives, something that was forbidden the Celestials of the 'old guard'. They were not allowed to interfere at all, having to wait patiently for spirits (as there was rarely anyone on Earth) to show interest in an alternative way to God, which enabled the Celestials to slowly introduce the notion of the Divine Love and then that of doing one's Healing. But it took a long time for mind spirits to show any real interest and being willing enough to give up the power their mind had over them, wanting to seek a higher life.

Celestials can now, following the progress achieved by Marion and James Moncrief, approach and be more freely expressive to spirits on all levels, and also to people on Earth, should they want their help.

Further, those who reject and suppress their children will progressively grow in awareness of their own unloving natures. One will not be able to continue to avoid their feelings of wrongness.

Golden Rule: that one must always honour another's will as one honours one's own.

Thus the three aspects: one, of having more readily available guidance to become aware of the availability of Divine Love; two, the way to become fully expressive of one's soul based personality through the process of Feeling Healing; and thirdly, the quickening of the Law of Compensation through one's greater sensitivity to one's emotional errors and injuries. By having greater personal connection with a Celestial, we are able to move into longing for the Divine Love, and look to healing ourselves and grow in truth, and start to seriously consider embracing one's ascent to Paradise.

Feeling Free

The New Way, Feelings First Spirituality
 Learn to live with God through your Feelings

Accept, express and long for the truth of your feelings

Be free in your feelings
 Free your feelings from your mind's control
 Live true to your feelings; your feelings are your true self
 Live true to yourself through your feelings

Live true to yourself by living true to your feelings.
 Long for the truth of your feelings.

Accept / Express / Bring out ALL of your good, and most importantly,
 BAD feelings.
 Want to understand why you're feeling them.
 Use your surface feelings to take you deeper into your repressed and
 hidden feelings.

The Feeling Way is the True Way.
 Your feelings are your spiritual guide.
 Your feelings will take you to God.

Your feelings will show you the truth of your relationships, including your relationship with God; and if anything is wrong, untrue and unloving, then why it is.

Our feelings are sacrosanct and we should respect them accordingly. And we should NEVER block them out, ignore, override, banish, deny or reject them, because if we do, we're only doing that to ourselves, as Our Feelings Are Our Self.

Our feelings are the gateway to our soul. Our feelings are the closest we can get to our soul. Knowing the truth of our feelings is knowing the truth of our soul, and knowing the truth of God.

Feelings First Spirituality is the True path for humanity.
 It embraces all people.

It completely unifies the world.

Everyone can relate to everyone else through their feelings.

And we can all live the truth that comes from our feelings, all sharing the same truths as we express and have the same feelings.

No one need be left out; no one is more special than anyone else – we are all united in Truth through our feelings.

So with and through our truth we live our lives, therefore without the need of any man-made mind-laws, rules and restrictions that limit self-expression as inspired by our feelings.

The New Way, Feelings First Spirituality is what is to replace all man-made, mind-contrived religions that so many people have enslaved themselves to. The New Way, Feelings First Spirituality will set us free of all that control, ending the Rebellion and Default within ourselves as we do our Feeling-Healing, and ending such control and spiritual stagnation in the world.

Bring on the End Times – get it over and done with! Let's all see that Jesus is not going to come again, that Prophecy has failed all the mind-controlled platforms. Allow such false systems of belief to die their long-awaited natural death, they've overstayed their welcome, it's now time they fade away. So let us show such antiquated, erroneous systems of belief the exit and bring on the fresh liberation of discovering the truth of how we are to live for ourselves, each of us personally in our lives, and all by looking to our own feelings for it. Self-revelation through our feelings is the way to go.

The Way of the Mind is ending, and is really the End Times – the End of our mind control, and **it's about time!** With the Way of our Feelings replacing it.

The End Times means the end and therefore a New Beginning. And that new beginning is a whole new Spiritual Age – an age based on self-revelation of truth through one's feelings, coupled with and supported by higher revelations from the Celestial spirits, angels and nature spirits.

The Feelings First Spirituality is the True Way to God because it helps you get to know God, helping you to reach out, connect and be personal with God, and do God's Will, all through your feelings. It is the only true way of getting to know the God of Feelings – our beloved Heavenly Mother and Father, the Great Soul of Divine Love.

Love comes through our feelings and not our mind, as we've all been wrongly led to believe.

Feelings First; then comes The Truth; then comes Love.

WE EDURE FOUR LAYERS of PERSONALITY SUPPRESSION!

Unknowingly, our parents pass onto their children (us) their beliefs and way of living that has evolved since the Rebellion of some 200,000 years ago and then the Default of some 38,000 years ago. In this way, humanity is suppressing the female, rejecting our Spiritual Parents, namely Jesus and Mary, and denying our Heavenly Parents being our true Mother and Father, of their truth, standing and existence.

The Rebellion is against love, the Default is all the difficulties we have in our relationships because of our rebellion. Healing the Default is becoming true, to ourselves and in our relationships, and ending our unlovingness – our rejection of love, so ending the Rebellion. Nanna Beth 29 June 2017

We are souls, our personality is an expression of our soul. It is our free expression of our soul through our feelings that we are to embrace and follow. This expression may appear to be wilful in nature, from time to time, and consequently our parents attempt to suppress this expression. They proceed to remodel us when as young children, in the manner their parents treated them and so on for many generations going back.

During our forming years, as a child, we are unable to recognise the suppression of our personality as being extra-ordinarily harmful to our soul based personality and, accordingly, we don't know that things can be any other way. Presently, neither do our parents.

This childhood suppression way of living continues throughout our schooling years, thus we learn this is a way of life as being normal.

Our religions all have been formed based on the tenets of the Rebellion and Default. The teachers and leaders throughout all denominations take us further away from our suppressed feelings that have been hammered into us during our forming years, thus entrenching us further into rejecting our true selves.

The controlling and suppression mechanisms of our parents, educators and spiritual teachers all manifest throughout all of commerce. This control comes heavily and brutally down upon all levels of employment. The capability to express one's soul based attributes and gifts is sealed throughout all of one's working life.

A new way of living is to enable the liberation of one's true personality through the Feeling Healing process AND the transfer of authority to the individual via embracing freedom of expression.

DEVOLUTION

Our childhood suppression of our true and loving soul based feelings is creating global pain and personal isolation amongst all of humanity. We are very sick!

In our struggle to find solace and purpose, we further withdraw into ourselves, becoming ever more self dependent, believing our control addicted mind that it can solve everything. We just drown further.

We embrace an ever expanding and diverse range of pathways to escape from our personal pain, fear and desperation. Alcohol has now been complimented with narcotics, hallucinogens, including caffeine (coffee). Gambling has been complemented with computer games which are generally entraining the mind further into error and pain. Technology is making us sicker!

We bury ourselves in front of the television to further avoid contact with anyone, especially family.

Children endeavour to exert their independent authority from domineering controlling parents (which we all are eventually) by disfiguring their bodies with tattoos and piercings, etc.

We shut out the noise with headphones, thus preventing contact with others. We use electronic devices to 'text' others even at intimate engagements.

Technology will take us further into the depths of our madness. You now can buy headsets that prevent any contact with the outside world while playing mind suppressing and entraining entertainment – games!

No one loves their children, they are ignored, and the controls hammered into them turn them into clones of ourselves. Look at ourselves and we can all see that we have been all messed up by our own parents, as they have for generations over the past 200,000 years.

No more of this! We can escape this man made hell!

EVOLUTION

STEP 1: Longing for and receiving Divine Love:

- A. Soul within spirit body prior to receiving Divine Love.
 B. Divine Love being received from the Holy Spirit, covering the spirit body of requesting personality.
 C. Divine Love having been assimilated within one's soul, now being reflected through the radiance of the spirit body.

STEP 2: FEELING HEALING + SOUL HEALING

It is the Divine Love that strengthens one's resolve to persevere with embracing one's suppressed emotional injuries, that occurred from conception through to around the age of six, and longing to know the good and the bad of those feelings, together with talking about them to a friend, partner, one's self and our Heavenly Parents. It is only with the receipt of the Mother and Father's Divine Love and the expressing of suppressed emotional injuries that one can release the emotional injuries and errors to achieve Celestial soul condition and enter the Celestial Heavens.

Further, should one complete their Feeling Healing on Earth, then they will be able to recognise their soul partner, their other soul half, and should their soulmate have also embraced Feeling Healing with Divine Love, then their children will be born free from error, free from fear, and free from any deformity and illness. This is the destiny of humanity.

Further, being in this condition of free from error and being in constant communication with our Heavenly Parents, then one can also recognise and form their Soul Group. This will ultimately consist of twelve soulmate pairs, a total of twenty four personalities / individuals.

It is the bringing up of children by the support of soul groups that is to be the ultimate way forward. The group experience and wisdom, as a functioning family, will ultimately be of profound benefit for the blossoming child.

But what we cannot do is contrive the groups ourselves, or even pick who our soulmate is. This will only, and can only happen, as an outworking of the truth we are to live – as we progress in the healing of our soul.

And this is how all of life should be lived: according to the truth we are living. It is how we live, as there is no other way, but currently we live it in the negative, of that being directed by no truth, and so having to make it all up ourselves.

Revelation 23: Jesus explains the eleventh commandment.

(This message is referred to as Revelation 22 on page 58 in New Testament Revelations of Jesus of Nazareth) <https://new-birth.net/samuels-messages/53-revelations/revelation-23-jesus-explains-the-eleventh-commandment-ntr58/>

Received by Dr Samuels, Washington D.C.

June 16, 1955

I am here, Jesus:

I am here tonight to continue my messages of the Gospel truths, and I shall continue with John on what commandment I gave my disciples and how obedience to this commandment would bring what has been called the comforter; for in John 14 I said, as it is reported in the New Testament: ["If ye love me, you will keep my commandments."](#) ["This is my commandment, that ye love one another even as I have loved you."](#) And this statement meant that, as the Messiah, I was giving a commandment which was to be placed with, and above, the Ten Commandments of Moses; and this commandment was the Law of God's Love.

I told my disciples that they were to love one another, not merely that they were to love only themselves, but all mankind, for "one another" was a term which meant not for the circle of the disciples, alone, but for all people; and this love was to include human beings who spitefully used them, and they were to love their enemies as well as their friends.

And that love which they were to entertain for mankind was not the natural love given to all men at their creation by God, but the Divine Love which God had bestowed upon mankind with my coming; and this Love could be obtained by my disciples if they believed that it was available and that it could be conveyed into their souls through the action of the Holy Spirit.

This was the meaning of the very important phrase, "as I have loved thee." For it meant that I had loved my disciples with the Divine Love which God had implanted in my soul because of my longings for His Love, and that my love for my disciples and, I should add, for all mankind, was the Divine Love which was in my soul and which I had obtained from the Father. So that my disciples, and all mankind, could, by prayer to the Father, obtain the same Divine Love in their souls which filled my own. And this Divine Love was to be the Love with which my disciples were to love one another and all mankind.

This was the only commandment which I gave to my disciples, and no other, for I did not command them to drink or eat bread in memory of me, for such an act could have no merit in bringing the Divine Love into their hearts and could only be an act of veneration which I could not possibly have wished to impose upon my disciples; and this regardless of whether or not I thought death might be near. But I did say, rather, ["and I will pray to the Father and He shall give you another comforter, that He may be with you forever."](#) And while I did not say this in so many words, or with those exact words, I simply meant that I would, as I always did, pray to God so that their souls would be opened up to the Divine Love, which is what the writer meant by the Comforter; and that this Love would continue to be conveyed in more and more abundance into the souls of my disciples throughout all eternity. I did not mean that I could pray to the Father to send His Divine Love to my disciples merely because of my prayers, but I meant that the souls of the disciples would have to long for the Father's Love so that it could enter the souls that were in that condition to receive it.

I also said, ["If a man love me he will observe my message; if ye keep my commandment ye shall abide in my love, even as I have kept my Father's commandments and abide in His Love."](#) which was another way of saying that those disciples who believed I was the Messiah and loved me would believe that my soul was an immortal one through the Divine Love and pray to the Father for His Love as the way to atonement with Him and immortality, which was the message I taught and which I asked my disciples, and all my hearers, to apply to themselves and actually pray, and the result would be that they would be filled with the same Love as I was and that we could thus have a mutual Love for one another in the same way that as I prayed to the Father and received more of His Love, I loved God more and more, and His Love for me was in my heart.

These writings from John are correct, in that they show that Love was the great subject of my teachings, but they do not explain the Divine Nature of the Father's Love towards His children, or the fact that I was filled with His Divine Love and sought to have my disciples obtain it as well, through the one way it could be obtained – through prayer. It does not explain that this Love with which my disciples were to love one another was something more than the ordinary love which humans have for each other, or the special nature of my love for them and humanity. But, if these interpretations are added, then the real meaning of these passages from the Gospel are made manifest.

I have written you tonight on the subject because of your desire to obtain confirmation as to the truths of certain portions of John's Gospel which needed explanation, and because you felt they were close to, if not possessing, the truth; and I shall come again and write you on more material in the Gospels which originally dealt with my teachings of the Divine Love before they were stricken out, or so mutilated as to be unrecognizable.

I think I have written enough for tonight, and so I shall say good night to you and the Doctor, and with my love and blessings to him and to you, I shall close and sign myself your friend and elder brother,

Jesus of the Bible
and

Master of the Celestial Heavens

(These messages were most likely provided through an authorised Celestial Spirit – not Jesus directly.)

Golden Rule: that one must always honour another's will as one honours one's own.

Note: Following the writings of James Moncrief, one could consider that any reference to the Father, by other relevant writers, may be read as a reference to 'our Mother and Father'. Further, when considering soul healing, then reference to Divine Love could be referred to as 'Feeling Healing with Divine Love'.

**INDWELLING SPIRIT, THOUGHT ADJUSTER,
MYSTERY MONITOR (all being the same):**

The external elements, instruments of the Father, do not form attributes of our own soul upon its initial creation by our Heavenly Parents, these are the Spirit of Truth, the Indwelling Spirit, and Divine Love.

The Holy Spirit, conveys Divine Love to your soul should you earnestly and lovingly ask for it. This is the only function of the Holy Spirit – Acting Spirit.

The Indwelling Spirit becomes present when we are around the age of six. This means that the unseen helper of the Father and Mother – the Indwelling Spirit – can always interact with the mortal soul and to be of service so that eventually the leadings from the Spirit may be the catalyst for that soul to seek our Parents.

The Indwelling Spirit reveals intrinsic workings of Father and Mother to your soul.

The Indwelling Spirit functions in much the same way as the Holy Spirit, ask and it will provide support and guidance.

The Indwelling Spirit / Thought Adjuster only works with us on the mind, feeling and psychic levels directly with our personality on conscious and unconscious levels of reality. It is the Divine Minister with hands-on help from our attending angels that do the actual adjusting of our mind circuits – of all our circuits, even the physical if need be.

Spirit of Truth becomes active more so when you connect to the Source Soul and commence receiving Divine Love.

You are a spirit person having a physical experience. Your physical body is encased within your spirit body.

The spirit body only exists because our soul wants it to. In the fullness of love, even all our encrustments and wrongness is not actually bad, they are just the nether side of love.

So evil is literally a state of mind, and once you heal it you even feel love for your wrongness and even no longer hate it – that being full self-acceptance. But you can't contrive these feelings or level of awareness, it has to come of itself and will through the higher levels of your Healing.

What Is Soul Condition?

Soul condition is the sum total of:

- Your passions, desires, longings, moral beliefs, moral condition, aspirations, pursuits, emotions, feelings, intentions, loves, dislikes and hates, fears, religious beliefs, scientific beliefs, love beliefs, mental aspirations and beliefs (which come from soul beliefs, but are often in disharmony with soul beliefs).

Soul condition can be changed by experiencing the following emotionally:

- Longing for, receiving and acting in harmony with Divine Love – Transforms the soul into a new being.
- Longing for, receiving & acting upon Divine Truth – Allows Divine Love to flow into the soul.
- Learning repentance and receiving Divine Forgiveness and Mercy – Removes Karmic soul damage.
- Having Faith – Raises the soul's awareness of new conditions and state.
- Growing Desires and Passions harmonious with Love – These desires and passions can be nurtured.
- Learning and applying lessons in Natural Love – How we treat others and ourselves.
- Releasing passions, desires, emotions, feelings and beliefs disharmonious with love.
- Releasing painful emotions that are the result of the Law of Compensation (Karma).
- Bringing actions in harmony with love (either Natural or Divine). This removes further Karmic effects.
- Changing intellectual beliefs, thoughts, words, actions, since these feed new desires, emotions, and loves.

WHICH WAY? MIND SELF RELIANT or FEELING AND GOD RELIANT:

To PARADISE, the HOME of OUR HEAVENLY PARENTS

The Way Home

Council of Elders
now around 20
Soulgroups

Maybe something like 30 billion people have recognised that our Mother and Father's Divine Love, together with embracing one's Feeling Healing, that with these two aspects, have progressed through the Mansion Worlds to the Celestial Heavens and onwards.

Mansion World 7: is then about still working with the deepest and residual bad feelings, whilst looking to sort out how you wrongly relate to yourself and others, nature and God because of being unloving, understanding how your relationships are unloving, how you don't connect properly, how unloving you really are and why and fully accepting the truth of it, coming completely to grips with your parents not loving you as you needed to be loved – sorting it all out, including your self and feeling expression difficulties.

Mansion World 5: is then about going right into the depths of them, feeling how unloved you feel and seeing how unloving you are and how that makes you feel, bringing out the majority of your pain, your misery, fear, anger, guilt, hatred, boredom, terror, rejection, nothingness, feeling powerless, alone and abandoned, and so on.

Mansion World 3: is for waking up to the truth that you're not loving and starting to get in touch with your pain, starting to accept your bad feelings, starting to work with them instead of rejecting them.

More than 200 billion personalities have embraced their mind and self reliance through the misguidance of 'New Age' styled ideologies and the many thousands of different religious platforms, all of which take the person further and further away from our Heavenly Parents.

For a million years, humanity has gone in the wrong direction with its self-denial of self and feeling!

I'D TURN BACK IF I WERE YOU!

The Natural love spirit Mansion Worlds as to how they have been for all these hundreds of thousands of years and as they are set up currently, are to help spirits advance to the fullest of their self-denial that they can. That is, so as to become as evil as they can. And all under the guise of being 'loving'.

It's why they are called the mind worlds, namely Mansion World / spheres 1, 2, 4 and 6. That is because the spirits are using their minds to complete their rebellion – denial of self and feelings, and rejection of our Heavenly Parents as well their Creator Son and Daughter. So yes, the top of Mansion World sphere 6, spirits are the most evil, the most in rebellion, the most in default, the most wrong and unloving and untrue, even though, they appear, because they've trained their mind to do so, to be the most loving, but it's all false and contrived – such as the Eastern gurus. Total mind over feelings, blocking all the bad ones and using your mind to only make you feel good.

Typical of those on their way up in the mind worlds are not open to anything, they do not want to know about feeling bad and going with their bad feelings looking for their truth, because that scares them, that's not nice, that doesn't make one feel good, it threatens their control, they reject that preferring to stay in their nice safe space. Which is how it is for these Natural love mind spirits using their minds to control their feelings.

We've all got to take responsibility for our evilness even though we were made to be that way and rebel by default, but there is no getting away from it, and it has to be compensated right to the last farthing, which is what being in the hell planes is all about, and which keeps being applied right the way through the Mansion Worlds. **In the mind worlds you can continue to use that inner pressure requiring compensation for your bad deeds, to further contrive love and pretend you are all holy and loving and not hurting anyone anymore, which on the surface of it you are not, but underneath still are, all the way up through to the sixth world; or, you can allow it to keep working on you right the way up through the Divine Love Mansion Worlds doing your Healing.**

And apparently what's going to happen is the Natural love mind Mansion Worlds are going to be divided, so within them, there will be spirits doing their Feeling Healing – without the Divine Love, and still limited to the sixth Mansion World, but looking to be true and end their rebellion. And then there will be those still carrying on denying themselves as they have always done. So you will have spirits in the Feeling Healing Natural love sectors that will truly perfect their Natural love; and those spirits still in the mind sectors perfecting their wrongness. The opposites or extremes living side by side. And then you'll still have the Divine Love Healing Mansion Worlds, being spheres 3, 5, and 7, doing their Soul Healing.

And as for a summation: "Divine Love Mansion World / Sphere 3 is the waking up to the truth that one is not loving, also their being a lot of assistance. Sphere 5 is then about going right into the depths of feeling how unloved you feel and seeing how unloving you are and how that makes you feel, also this a time when one can then progress and manage their own progress through their Feeling Healing. Sphere 7 is then about still working with the deepest and residual bad feelings, whilst looking to sort out how you wrongly relate to yourself and others, nature and God because of being unloving, this is a time

of great realisation and comprehension with much of the prior experiences starting to be drawn together.”

Mansion World 3: is for waking up to the truth that you're not loving and starting to get in touch with your pain, starting to accept your bad feelings, starting to work with them instead of rejecting them.

Mansion World 5: is then about going right into the depths of them, feeling how unloved you feel and seeing how unloving you are and how that makes you feel, bringing out the majority of your pain, your misery, fear, anger, guilt, hatred, boredom, terror, rejection, nothingness, feeling powerless, alone and abandoned, and so on.

Mansion World 7: is then about still working with the deepest and residual bad feelings, whilst looking to sort out how you wrongly relate to yourself and others, nature and God because of being unloving, understanding how your relationships are unloving, how you don't connect properly, how unloving you really are and why and fully accepting the truth of it, coming completely to grips with your parents not loving you as you needed to be loved – sorting it all out, including your self and feeling expression difficulties.

It is agreed that the lower worlds are about waking up to what's involved, however from then on it depends on how it's all structured for the individual in their negative state as to how much ongoing assistance they might need. Some need help all the way along, whereas others have been able to work with their feelings, themselves, right from the beginning.

And yes, each of the Divine Love healing Mansion Worlds, 3, 5 and 7, are equally painful to work through, just focusing on different aspects of yourself and your Feeling Healing with Divine Love. And then in the higher planes of the 7th world comes the transition, where one's pain starts to end, and you start feeling so much better about yourself, you are fully accepting of your negative unloving state, you are fully unloving although even starting to become more loving – truly loving, of yourself, God, and then other people.

Then onto the Celestial Heavens by progressing into Sphere 8 and then onwards further, all the way home to Paradise.

Maybe something like 6 billion people have recognised that our Mother and Father's Divine Love, together with embracing one's Feeling Healing, that with these two aspects, have progressed through the Mansion Worlds to the Celestial Heavens and onwards. (later considered it as high as 30 billion)

More than 200 billion personalities have embraced their mind and self reliance through the misguidance of 'New Age' styled ideologies and the many thousands of different religious platforms, all of which take the person further and further away from our Heavenly Parents.

The 1st and 2nd Spirit Mind Mansion Worlds / spheres are jammed to the rafters.

For a million years, humanity has gone in the wrong direction with its self-denial of self and feeling!

SPIRITUAL REVELATIONS and the REINTRODUCTION of DIVINE LOVE:

Six hundred years before the coming of Jesus of Nazareth, there were several world teachers introducing progressive spiritual and loving teachings. After the time of Jesus, we waited six hundred more years before another world teacher delivered upon Earth a spiritual platform.

This has occurred again during the 1900's with the delivery of spiritual teachings that continues today.

These gifts for humanity started with messages successfully conveyed through James Padgett on 31 May 1914. Between 1914 and 1923 some two and half thousand messages were documented. A student of Padgett's messages, Dr Daniel Samuels, continued the work from 1954 to 1963. A student of both these works received the Judas Messages between 2001 and 2003. Students of all these works are now recording and publishing further expansive materials; both the Richard Messages and the Divine Universe were received during 2012 to 2013. From 2002, the writings of James Moncrief have been produced. Thus this program has been in progress for 100 years.

Currently, there are further supportive publications. As one investigates these revelations and develops their own soul condition then one can perceive further possibilities and the resulting questions lead to further development of the material. It is most apparent that these communications will continue to develop greater and more spiritual explanations, thought this initial phase has completed.

By the middle of the second century, much of what Jesus of Nazareth taught was lost. Most importantly was the loss of his teachings regarding Divine Love, the Spirit Love, that **all** can receive should they so ask:

God's Divine Love, pray for it, ask for it, and receive it.

The experience of living with Divine Love is now the blessing of many. Those with this love have a burning desire to share their experience with others. This is what we will do.

A synopsis prepared by Dr Daniel Samuels now follows; diagrams added reflect recent material received.

“Never can one man do more for another man than by making it known of the availability of the Feeling Healing process and Divine Love.” JD

DIVINE LOVE HARMONY:

Immortal harmony:

Transformation of the soul is a beautiful harmonious gradual awakening.

In a gradual way with the Divine Love and Feeling Healing, as changes in the soul and spirit body occur, these changes will result in the personality slowly accepting the source of these changes as being the Soul God and with the independent will, one can have complete acceptance of our Heavenly Parents, Mother and Father, God.

People have loved God and felt loved by God and they have in deed received the Divine Love without ever knowing the truthful identity of this Love insofar as the truths relating with its causality in the human soul and affect upon the spirit-mind.

Part of the nature of the Divine Love in our souls is that it activates our spirit body systems and soul so that the nature of God is seen and experienced in the living and this places us in touch with the many Spirit attributes that extend from God and have their existence in God, such as our Indwelling Spirit. God no longer remains inactive to us; inert, inanimate, or an unknown but rather a Soul of living energy whose energy in the harmonies of Love and Spirit, is personified as love that we experience. If I can convey the essence about the nature of Divine Love it is that in its energy, exists the harmony and potential so that one can see the potential that this Love brings to bridge the gap of separation between the individual and God by the harmonies of soulfully living.

The Divine Love completes the form of the human being.

In essence, one need only direct their soul and the heart of their soul to our Heavenly Parents, the Soul being God, and in this faith one can experience the Love by humbly asking for this Love. This is all that is needed and the touchstone upon the Love's approachable nature.

The Love is never harmful or given by God that results in a caused effect of disharmony in the individual. The diversity of human individuality is a great characteristic of human nature and as with experience, one needs experience to ascertain a truth about a certain thing. Experiencing the Love provides a substantiated knowing from which a more objective reasoning follows and a maturity happens.

The BEAUTIFUL MIRACLE:

5 Oct 2012

The DIVINE UNIVERSE

The way in which the Spirit conveys the Divine Love into the soul is a beautiful miracle. The attribute of mortal soul prior to incarnation has to it, a potential within it that is part of its formed nature. After the soul incarnates this potential remains part of the soul and even if the forming personality is unaware of such a soul potential, the potential still exists. The Divine Love is entirely suitable in its energy of harmony to be the energy that a mortal soul can utilise. The Spirit covers the spirit body when the individual sincerely asks the Soul of God for the Divine Love and this covering of the spirit body is where the dynamic of this beautiful miracle takes place. From the internal longing of the individual for the Divine Love this activates the Spirit Law that activates the Spirit that is then attracted to the spirit body upon which the Spirit material of the spirit body draws the Divine Love in to its soul and this union complete. The key here is to gain a perceptive insight into realising that the spirit body is not an inert body but that it is living and has activity, recognisable from its first forming from the Spirit Law that materialises a spirit body. The Spirit and the spirit body to give an analogy are like two attracting magnets and when the surface of the spirit body is touched by the Spirit, this causes the automatic response of the Divine Love to permeate into the attribute of soul and so begins the transformation of energy from the natural into the Immortal Divine Harmony. If the individual continues the receipt of Divine Love the energy that is Divine Love actively begins to change the soul and this is felt in the spirit body systems and can produce feelings of love and elation. The spirit-mind begins to change as all spirit body systems are affected by the changed condition now experienced in the soul as the soul becomes living and vital. In one's progression of this Divine transformation, the soul will mature enough from the amount of Divine energy it receives and at that moment the surface of the spirit body and the Spirit are continuously attracted to each other and one is living in the presence of the Father in perfect harmony and this clarifies the truth about what it means to be truly at-one with God.

SHINING TOWARD SPIRIT:
665. The Shining toward Truth

Vol III, p. 157, 14 Nov 2014 – 14 Mar 2015 Zara and Nicholas

www.lulu.com

It is I Matthew, a teacher of the Divine Love. I have communicated with you recently, now I desire to provide you with a visual description of the Love.

Imagine a continuous Energy shining light blue that is unbroken with a seamless surface that surround every mortal and Immortal spirit. Imagine if you were to become aware that this energetic field of light-blue Energy existed in its shining radiance just near where you are. Now that you are aware that this unbroken Divine Love is unified energetic field of living Love, by opening toward the Soul of God and aspiring for the Divine Love, the Acting Spirit gently brings a small portion of this shining blue Energy into your soul

The Divine Love that you have received remains part of this great Energy that the Divine Love is and even though this small portion of Divine Love, now within your soul, in its shining radiance and energetic cause, it is never separated from the continuous energetic field of Energy that the Divine Love is. Having partaken of this Energy it is with perception that one is aware that the Divine Love within one's soul is the same Divine Love that every person and spirit who has partaken of this Love, participates with. Even though in our individuality we partake of this Divine Energy, this Love is never broken away from the Source and Origin from which this Divine Love emanates.

The Divine Love is bestowed into our finite soul by the Acting Spirit, but this Spirit remains in contact with our spirit body and does not enter the finite soul to become part of our finite soul essence that we are. No mortal or Immortal spirit can manifest in their soul the Acting Spirit so that this Spirit – this Holy Spirit – becomes part of our existing finite spirit body. Only the Divine Love and its Energy becomes part of our finite soul, which causes the change to our spirit body. The Acting Spirit always remains its own attribute and never does a Celestial spirit claim ownership or take possession of the Acting Spirit within their soul. (The Holy Spirit / Acting Spirit is an instrument of the Source Soul, our Father.)

This is one of the wonderful Truths by which we who have been transformed by the Divine Love understand our personal relationship with the Father's ever-present Acting Spirit. The shining Energy of Divine Love is all around us and when we have partaken of this Love, part of our finite nature becomes independently shining in this true perfect Love.

I provide these words that may appeal to those who are visual and to express the universal appearance of the Divine Love and the personal touch when in contact with the Acting Spirit.

Matthew (Apostle)

Whilst we are receiving our Heavenly Parents' Divine Love, and that this Love is causing change within our soul and spirit attributes, the greatest Truth known to man and spirit is that this is the way our Mother and Father are actually loving us! When we progress, it is God's way of loving us into love and then we live what we are, love.

What is the Divine Love?

"The Divine Love is that Love which belongs to or is a part of God, possessing Their nature and composed of Their Substance, and which when possessed by man to a sufficient degree, makes him divine and of the nature of God." – Jesus, in a message received by James E. Padgett through spirit communications on May 15, 1917.

"The Divine Love of the Father is the greatest thing in all the world, and the only thing that can make man at-one with God, and change the soul of man as it has existed since his creation into a divine substance filled with the essence of the Father. There is nothing else in all the universe of God that can cause man to become a new creature and an inhabitant of the Father's Kingdom; and when men possess this Love then they possess everything that will make them not only the perfect man but the divine angel." – Apostle John, in a message received by James E. Padgett on August 5, 1916.

Our Heavenly Parents simply desire for us to ask for Their Love.

Please Mother and Father, may I receive Your LOVE.

DIVINE LOVE:

<http://www.fcdt.org/divinelove.htm>

The words "Divine Love" have been used in many contexts to convey different meanings. But in the context of our Heavenly (Mother and) Father, Divine Love is the greatest gift in all the universe. It transcends all else that can assist humankind fulfil their dreams of happiness and have them resolved within themselves. God's Divine Love is the one thing in all of God's infinite universe that can bring about eternal life and everlasting happiness in the Celestial Kingdom.

What is Divine Love?

The Divine Love differs from the natural love of man with which he was endowed when created, which belongs to all humans, and which they all possess in a more or less perfect condition in this: that the Divine Love is that Love which belongs to or is a part of God, possessing Their Nature and composed of Their Substance, and which, when possessed by a human soul to a sufficient degree, makes him divine and of the nature of God.

What is the New Birth?

The New Birth is simply the effect of the flowing of this Divine Love of our (Mother and) Father into the soul of a man and the disappearing of everything that tends to sin and error. As the Divine Love takes possession of the soul, and one embraces Feeling Healing, sin and error disappear. It, the soul, becomes of a quality like the Great Soul of our Father (Heavenly Parents). And with the Soul of the (Mother and) Father being Divine and immortal in Its quality of Love, so, when the soul of man becomes possessed of this quality of Love, the soul being the man, this soul becomes divine also. Then, the image becomes the substance; the mortal becomes the immortal; and the soul of man, as to love and hope, becomes a part of the (Mother and) Father's Divinity.

How does one receive the Divine Love?

The only way is simply this: that men shall believe with all the sincerity of their minds and souls that this great Love of our (Mother and) Father is waiting to be bestowed upon each and all of them; and that when they come to our (Mother and) Father in faith and earnest aspirations, this Love will not be withholden from them. And, in addition to this belief, that they pray with all the earnestness and longings of their souls that our (Mother and) Father will open up their souls to the inflowing of this Love, and that then may come the Holy Spirit to them to bring this Love into their souls in such abundance that their souls may be transformed into the very Essence of our (Mother and) Father's Love. The soul who will thus believe and pray will never be disappointed, and the Way to the Kingdom will be his as certainly as that the sun shines by day upon the just and unjust alike.

Take the test.

Too often we are told to believe something based on what we are told. You don't have to "believe" anymore. Now you can have physical proof of the existence of God and Their Love for you?

"test my teachings that the Father's Love was now available, and pray for it to the Father in earnest prayer, and see whether, if this was done in sincerity, the Father's Love, conveyed through the Holy Spirit, would burn and glow in the soul, by which sign they would realize His Love was present therein." – Jesus

Take it to heart – earnestly pray for God's Divine Love and feel the glowing of Their Love in your soul. Jesus gave us the Prayer for Divine Love to help us in our prayers to our Mother and Father.

Note: Following the writings of James Moncrief, one could consider that any reference to the Father, by other relevant writers, may be read as a reference to 'our Mother and Father'. Further, when considering soul healing, then reference to Divine Love could be referred to as 'Feeling Healing with Divine Love'.

DIVINE LOVE – what does it do?

The divine gift from asking for and receiving Divine Love will steadily, but with certainty, raise one's quality of life and also of all those around such a person who is seeking and receiving this Love.

The receiving of Divine Love, which is a substance, with certainty, progressively:

- Raises one's love for those around them, whilst embracing one's Feeling Healing.
- Raises one's perception of all things – naturally grows one's intelligence – soul intelligence.
- Enables one to feel and resolve negative emotional issues more readily during Feeling Healing.
- Humility becomes self evident. Humility enables one to feel their errors and emotions.
- Divine Love strengthens one's resolve to express errors, emotional injuries and untruths.
- Divine Love with Feeling Healing to remove emotional errors, enhances one's health.
- Divine Love enables one to become more childlike – not adult serious at all times.
- Divine Love raises one's capability of feeling – no longer needing to be mind controlling.
- By becoming feeling orientated, one no longer is mind / intellectually dominated.
- The strength to fight and overcome sin and error is strengthened through the Divine Love.
- The Law of Compensation process is more resolved by Feeling Healing with Divine Love.
- Receipt of Divine Love grows one's faith, beliefs become faith and then knowing.
- As our faith grows our intensity to ask and then receive Divine Love grows.
- We begin to follow our passions and desires, no longer fear and mind driven.
- Truth being told at all times then progressively becomes a way of life.
- Our quality of life blossoms, our finances and relationships prosper.
- Man creates his own environment, seeking Divine Love can vastly improve one's environment.
- Health carers receiving Divine Love enhance healing outcomes beyond comprehension.
- Receiving Divine Love may assist in bringing a struggling marriage back into harmony.
- You progressively become dependent upon our Heavenly Parents, not self dependent.
- Personal growth in love directly assists the soul condition growth of one's children.
- Divine Love assists one's rate of soul condition to progress whilst embracing Feeling Healing.
- Divine Love is a substance that changes the human soul to that of the Divine.
- Without Divine Love, one cannot progress into the Celestial Spheres (8th sphere and higher).
- Divine Love, with Feeling Healing, enables everlasting Love and Life in the Celestial Heavens.

“The Law of Compensation doesn't operate on isolated actions, but on the overall condition of people's souls, because the deeds are the consequence of this condition. Our behaviour is the reflection of our souls. Never see isolated deeds, always see souls whose condition leads to certain deeds. It is the soul condition which determines the motive and consequently the action. It is our lack of trust in God, this ultimate and definitive trust, which only soul development may give us. This lack is why we suffer.”

Judas of Keriath 5th October 2001

As you grow in love, illness issues abate, financial security improves, and your treatment of your fellow man is the same as how you would like to be treated. You grow in natural intelligence, your perception on many subjects becomes profoundly more loving and supportive of and for your way of life and how you interact with your fellow man.

This quality of life and love permeates and extends into every facet of your physical life and continues to grow as you progress on your journey within the spirit world.

Your capabilities to ask for and receive Divine Love is a gift between you and your creator, God. You do not need an intermediary, nor do you need to join with any organisation. This is your own personal journey and experience. You can share this with others, but no one can take it away from you.

This Love will elevate the human soul to a condition that it may perceive the spiritual truths which God has waiting to be revealed to His children who aspire to understand the nature of the divine and what their true relationship to Him and their family of souls is.

“Keep faith with God, and be open to Their Love, and you will overcome with confidence and, indeed, peace of mind, optimism and happiness, those circumstances that seem to mar the fulfilment of your years.” *Mary (mother)* <http://new-birth.net/ntr/samuels14.htm>

Quote from Celestial Spirit Richard 22 Dec 2012

CLEANSING the SOUL:

Years and years of personal endeavours to step away or above harmful habits and personality traits that are harmful to others and one's self have been mainly futile. We all want to grow in our love for ourself and of others.

Our beautiful loving personality that we are blessed with at conception / incarnation becomes encrusted with errors and personality issues of those around us, particularly during our early childhood. The personality of those living around us, during our early years, becomes encrusted over our pristine soul thus clouding our radiance into dullness. We become mind controlled!

Our Heavenly Parents want what is actually best for each of us and there is a source of light that's willing to give it to each of us, but only at our soul and spirit's quest for union with the divine. Not our ego's need for things.

It is only with our Feeling Healing and the infusion of the Love, that the Mother and Father conveys via the Holy Spirit, do we start to dissolve negative issues, habits and personality errors from our soul and personality. Our personality is part of our soul structure.

All we need do is ASK for this Love. An earnest longing and desire for the Mother and Father's love will never be withheld, it will shower over our spirit body, the template of our physical body, and be absorbed into our soul. As the Love permeates through our soul, errors of personality will slowly but surely dissolve.

Over time, as we progress along our path of asking for and receiving this love, the natural love which we were blessed with prior to conception will be progressively transformed into Love that is Divine. This Divine Love will slowly emerge as radiance through our being.

With Feeling Healing and this Love we find harmful habits and personality traits become a distant memory. With this Love, we find ourselves unable to harm others or ourselves. With this Love we find our quality of life blossom and joy starts to emerge in all aspects of our living.

With this Love we become immortal. With this Love we become fitted for the Heavens that the Mother and Father have prepared for us all. Just ask and faith, love, and happiness will follow. Yes, just ask!

The opening up of the soul permits a permanent exchange with Divinity, a permanent recharge of this healing energy that allows not only the re-establishment of lost health, but the continuity of health, providing such a perfect balance, even in the physical body, that noxious agents like bacteria and virus cannot find any opportunity to unchain pathological reactions, which we commonly call illness.

But it is true that people without the benefit of Divine Love would lack the protective shield, which the intrinsic healing energies of Divine Love provide for those who pray for our Heavenly Mother and Father's Grace.

Judas – August 19th, 2001

The Divine Love completes the form of the human being.

Our soul is formed from the substance that is natural love. When we earnestly and lovingly ask for Divine Love, the Divine Love is added to our soul, and we embrace and engage in Feeling Healing, thus we steadily and progressively become complete in our being.

Divine Love

The Gift that keeps Giving

A general universal platform on how to experience Divine Love

As more people become aware of the *Divine Love*, how to experience the Divine Love required a need to provide a general universal platform that is simple yet an effective way for one to experience *Divine Love*. People may learn about the availability of *Divine Love* by word of mouth or from reading literature that introduces this gift for our soul, and also by participating with group dynamics where the *Divine Love* is introduced and discussed. The essence of this standard platform is its independence so that the individual may feel guided to include this simple platform in their daily life and experience of *Divine Love*.

The platform introduced here is a technique that is simple, constant, practical and has been utilised in the general public for over 20 years with good consistent results, accommodating participants and their diversity of belief and cultural background. This platform is a reliable place to begin with the experience of *Divine Love*. It needs to be confirmed that accepting *Divine Love* rests with our soul and heart and that to experience this Love will comfort one in their individual faith experience as we all aspire toward the greater reality of Love, Truth and Spirit.

A Universal Platform on How to Experience the Divine Love:

Firstly, you are aware now that you can experience the *Divine Love*.

Find a comfortable chair; sit down in a relaxed and normal position.

Close your eyes and take 3 deep single breaths in through your nose and out through your mouth to clear energy and to relax into this experience. Have a little faith and proceed without great expectations.

Gently turn your inner heart and voice to the Soul, God in faith when you feel ready, ask the Soul, God with your own loving voice for an inflowing of *Divine Love*. Having asked sincerely, there is no need to continuously ask. The Soul, God hears sincere love in the asking and so The Spirit that brings the Love acts, and *Divine Love* is now flowing.

Having asked once, you will be receiving the *Divine Love*.

Proceed without expectation on what will happen as you experience the Love.

Sometimes your mind may wander – or there are thoughts, feelings or physical sensations. Experiencing the *Divine Love* is never a forceful experience.

Continue for as long as you feel you would like to. This may be for 5 minutes or 20 minutes or an hour. Time will vary for the needs of the individual or group.

Take another few deep breaths to assist your focus. Give our love to the Soul, God and in our own voice inwardly say this Soul, God that you love this Soul and are grateful to receive this *Divine Love*.

Then when you feel ready, open your eyes and take another deep breath or two, and this closes the experience.

Some helpful hints:

- This general universal platform on how to experience the *Divine Love* is uncomplicated. Some people have utilised this platform for over 20+ years, never needing to change.
- The essence of this standard platform is to experience the *Divine Love* in a comfortable way therefore this technique needs to be simple, effective and inclusive.
- Experiencing the *Divine Love* can be a long-term experience so to have a practical, simple, functional standard platform solves a lot of problems about *how to experience the Divine Love*.
- From this general platform people who like prayer or meditation, reflection, spirit communication, or just being *in* and *with* the Love can extend their experience from this standard position.
- Lastly, enjoy! And know that when a person is experiencing the *Divine Love* that one is in the tender care of the Soul God, and that no spirit interference will happen, for no spirit can interfere with the Sovereignty of *Divine Love*, which is God's Alone!
- Enjoy, Celebrate and Shine!

The Only Prayer That Man Need Offer to the Father:

The Prayer for Divine Love

(as given within the first century)

2 Dec 1916

I am here, Jesus

<http://www.youtube.com/watch?v=Pg6p3rivAZw>

P.438 Book of Truths through James Padgett / Jesus

Let your prayer be as follows:

Our Father, who art in heaven, we recognize that You are all Holy and loving and merciful, and that we are Your children, and not the subservient, sinful and depraved creatures that our teachers of old would have us believe. That we are the greatest of Your creation, and the most wonderful of all Your handiworks, and the objects of Your great soul's love and Tenderest care.

That Your will is that we become at one with You, and partake of Your great love which You have bestowed upon us through Your mercy and desire that we become, in truth, Your children, through love, and not through the sacrifice and death of any one of Your creatures.

We pray that You will open up our souls to the inflowing of Your love, and that then may come Your Holy Spirit to bring into our souls this, Your love in great abundance, until our souls shall be transformed into the very essence of Yourself; and that there may come to us faith--such faith as will cause us to realize that we are truly Your children and one with You in very substance and not in image only.

Let us have such faith as will cause us to know that You are our Father, and the bestower of every good and perfect gift, and that only we, ourselves, can prevent Your love changing us from the mortal to the immortal.

Let us never cease to realize that Your love is waiting for each and all of us, and that when we come to You, in faith and earnest aspiration, Your love will never be with-held from us.

Keep us in the shadow of Your love every hour and moment of our lives, and help us to overcome all temptations of the flesh, and the influence of the powers of the evil ones, which so constantly surround us and endeavour to turn our thoughts away from You to the pleasures and allurements of this world.

We thank You for Your love and the privilege of receiving it, and we believe that You are our Father --the loving Father who smiles upon us in our weakness, and is always ready to help us and take us to Your arms of love.

We pray this with all the earnestness and longings of our souls, and trusting in Your love, give You all the glory and honour and love that our finite souls can give.

Amen

MoC

Note: The 'false teachers' are our parents, as they are also the 'evil ones'. Also, the evil ones, being those parts of one's mind, that are controlling you.

To liberate one's real self, one's will, being one's soul, is by embracing Feeling Healing so to clear emotional injuries and errors. With the Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

Our salvation IS by embracing Feeling Healing with the Divine Love.

God's Divine Love: Pray for it, ask for it, and receive it.

Please Mother and Father, may I receive Your LOVE.

“Every day is a day of devotion.”

Follow your heart, follow your love and do that in loving action, your inner love leads in your asking the Soul of God to receive a little of the Love to strengthen one's resolve to heal.

“I love you Father.” “Let the Divine Love proclaim its energy into my soul.”

“Mother – Father, I desire your Love and I am loving you.”

“Soul God, I love you and I love receiving and experiencing your Divine Love.”

“True Soul God, I am here, I am aware of your Love. Please hear my aspiration for your Love and as I approach you from my soul, I can feel your Love in the way that you are loving my soul.”

Try it; give the Feeling Healing and Love a go! If you want to shine, receive the Love.

One can simply receive the Love without following any religious or spiritual teaching taught by man!

Emotional errors and injuries cause encrustment around the soul, the soul is never damaged however, the encrustments retard love energy flow to and from the soul. Feeling Healing melts such injuries.

Three Great Truths:

- **God is Soul, being Mother and Father;**
- **that each individual soul is a duplex – both male and female;**
- **and Feeling Healing with Divine Love is the pathway to Paradise.**

Prayer for Divine Love: (extract)

“We pray that Thou will open up our souls to the inflowing of Thy love, and that then may come Thy Holy Spirit to bring into our souls this, Thy love in great abundance, until our souls shall be transformed into the very essence of Thyself; and that there may come to us faith--such faith as will cause us to realize that we are truly Thy children and one with Thee in very substance and not in image only.”

"Please, sir, I want some more."

Or maybe:

"Please, ***Mother and Father***, I want some more."

God's Divine Love: Pray for it, ask for it, and receive it.

VISUALISATION with LONGING:

Holy Spirit infusing Divine Love.

Progressive escalation of Divine Love flowing.

Visualise yourself as you were when young and with an empty bowl, and then thankfully ask the Mother and Father for Their Love – Their Divine Love:

"Please, Mother and Father, I want some more."

The following three prayers are variations of the Prayer for Divine Love on an earlier page. Consider yourself free to embrace any or a combination of these versions. It is what you personally feel is of the utmost importance. You may consider adopting your own format or combination; you may also consider different options on different occasions. The Love is there at all times just waiting for the asking. The gift is in understanding that our freewill is never imposed upon and that we simply need to ask and you will receive.

A Personal Adaptation of the Prayer for God's Divine Love:

Joseph Babinsky

Our Father, who art in heaven, I recognise:

That You are holy and loving and kind, and that I am the child of Your care.

That I am the object of Your great Soul's love and tender most care.

That Your will is that I become at-one with You and partake of Your great love, which You have given me through Your desire that I become, in truth, Your child.

That You will open up my soul to the inflowing of Your love, and that then will come Your holy spirit to bring into my soul, this, Your great love in great abundance until my soul may be transformed into the very essence of Yourself; and that there may come to me faith – such faith as will cause me to realise that I am truly Your child and that I am one with You.

Let me have such faith as will cause me to know that You are my Father and the giver of every good and perfect gift, and that I only can hinder and stop the river of your inflowing love.

Let me never cease to realise that Your love is waiting for each and all of us, and that when anyone comes to You with faith and earnest aspirations, Your love will never be withheld.

Keep me in the shadow of Your love every hour and moment of my life, and help me to remain completely focused on this, your ever-present and unconditional love.

I thank You for Your love and for the possibility of receiving it, and believe that You are my Father – the loving Father Who smiles upon me always and is always ready to help me and take me to Your arms of love.

I pray this with all the earnestness and longings of my soul, and trusting in Your love give You all glory and honour and love.

That Thy will is that we become at one with Thee and partake of Thy great love which Thou hast bestowed upon us through Thy mercy and desire that we become, in truth, Thy children; and not through the sacrifice and death of any one of Thy creatures, even though the world thinks that one Thy equal and a part of Thy godhead.

That Thou will open up our souls to the inflowing of Thy love, and that then will come Thy holy spirit to bring into our souls, this, Thy love in great abundance until our souls may be transformed into the very essence of Thyself; and that there may come to us faith--such faith as will cause us to realize that we are truly Thy children and that we are one with Thee in very substance and not in image only.

Let us have such faith as will cause us to know that Thou art our Father and the bestower of every good and perfect gift, and that only we, ourselves, can prevent Thy love changing us from the mortal to the immortal.

Let us never cease to realize that Thy love is waiting for each and all of us, and that when we come to Thee with faith and earnest aspirations, Thy love will never be withholden from us.

Keep us in the shadow of Thy love every hour and moment of our lives, and help us to overcome all temptations of the flesh and the influence of the powers of the evil ones who so constantly surround us and endeavor to turn our thoughts away from Thee to the pleasures and allurements of this world.

We thank Thee for Thy love and for the possibility of receiving it, and believe that Thou art our Father--the loving Father who smiles upon us in our weakness, and is always ready to help us and take us to Thy arms of love.

We pray thus with all the earnestness and longings of our soul, and trusting in Thy love give Thee all the glory and honor and love that our finite souls can give.

Prayer for Divine Love

My Father, Who is Ever-Present, I recognize that You are All Holy and Loving and Merciful, and that I am Your Blessed Child.

I know that I am the greatest of Your Creations, and the most wonderful of all Your Handiworks, and the object of Your Great Soul Love and Tenderest Care.

I know that Your Will is that I become at-one with You and partake of Your Great Love which You have bestowed upon me through Your Mercy and Desire, so that I may become, in truth, Your Child through Love.

I pray that You will open up my soul to the inflowing of Your Love, and that then will come to me Your Holy Spirit to bring into my soul this, Your Divine Love, in great abundance, until my soul is transformed into the very essence of Yourself; and that there will come to me faith - such faith as will cause me to realize that I truly am Your Child and one with You in very substance.

Let me have such faith, as will cause me to know that You are my Father, and the bestower of every good and perfect gift, and that, only Your Love will change me from the mortal to the immortal.

Let me always realize that Your Love is waiting for each and all of us, and, that when I come to You, in faith and with earnest aspiration, Your Love will always come to me.

Keep me in the shadow of Your Love every hour and moment of my life, and help me to overcome all the temptations of the flesh, and the influence of the powers of the lower ones who are so in need of Your Love. Keep my thoughts and desires on following Your Way with humility and gratitude, always seeking to love and care for myself and others as You do.

I thank you for Your Love and the privilege of receiving it, and I believe that You are my Father - my Loving Father who smiles upon me on my journey, and is always ready to help me and take me into Your Arms of Love.

I pray this with all the earnestness and sincere longings of my soul, and, trusting in Your Love, give You all the glory and honour and love that Your Child can give.

AMEN

79. Prayer of the Heart

16 October 2012

I encourage the heart that prays to the Father for the Divine Love. I encourage the heart that loves the Love, and with sincere aspiration, feels for the Love. If there be any doubt, loss of faith or hardship of heart, I encourage the heart not to give up or give the Love away. The Father hears your prayers and the heart be rest assured in this. Never will a good heart be forsaken. As the Father does so do I, see and hear your heart, and prayers for the Love and the needs for wellbeing. Never give your heart up; trust in the One who knows your true heart, and there the Father loves you. One may never fully understand the intricate workings of time, past present and future, but the heart knows faith and Love and the Father Loves a good heart. Pray with faith, and in your heart my truth and the Father’s Divine Love meet you there.

I have given you this prayer of the heart so that men and women may draw from its words, strength, love and faith

Your beloved friend and companion,

Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God’s soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of your Mother and Father.

300. *Prayer of Love and Strength*

2 February 2013

I am going to write the Prayer of Love and Strength that may help those with their endeavour of heart in the receipt of the Divine Love:

I pray that I may find the love and strength in my heart to love you more wholeheartedly. I pray that I may feel this strength as a living truth in my heart and soul as my weakness, due to my condition in my physical and material struggle, may not become a hardship that casts a long shadow over my day-to-day living in my faith in Divine Love. I pray that I will not give in to any negativity that surrounds me, or to the way that at times I cannot seem to be able to help or forgive myself for loosing faith in The One I love.

I pray that I am receiving Love, your Divine Love that is in great abundance and that my heart partakes of a small portion of this abundant Love. I ask that your Spirit, The Spirit, convey the Love into my soul as I have already been receiving into my soul your Divine Love. I pray that your Divine Love gives greater love and strength to my heart that I may continue in my prayer to receive this Immortal Love.

God, I love you with all my heart even if there be a shadow across my heart, and a lack of humility in my faith and on my behalf for I recognise that you can love me more perfectly and wholeheartedly than I can accept for myself.

God, I recognise that you are Soul and that I am a finite soul and that your Love and Spirit are true gifts for my heart and soul and that I need this Love that you have provided. I pray that from your Love, more finite love and strength in my faith and heart will enable me to love you even more. I recognise that I am doing my best in all that life has given and taken away from me and that in my resolve, my heart knows that your true Divine Love always remains with me and my faith in you. At times I have left you and left your side and wandered all over the place, lost in the shadows of life and in the near-sightedness of my eye and then, I pray for your Love and your Love fills my heart and my love and strength return and I accept that you are loving me at all times when I am lost and found. I give you all my gratitude, love and strength that my heart can give and I desire not to change the world or the spirit world accepting that your Divine Love will change my soul and in harmony together, I will try for a peaceful world.

I have provided you with the inspiration to give these words of love and strength that such words may help one in their experience of God's Love and Spirit.

303. *The Immortal Prayer*

6 February 2013

For those of you who are strong, I will continue to sustain this strength because many of you who experience the Father's Divine Love require a great resolve and strength of heart not to give up on the Truth and not to be saddened by the apparent lack of interest in the most beautiful love that you feel and know to be true. I will never prevent myself from being with you, who sincerely desire the Divine Love and, with any feeling of being afraid, alone or insecure, I with my Celestial teachers are present supporting you. There is no shadow in the Divine Love and for those who are aware of this Love in faith, love and spirit we celebrate the harmony of God's universe of Love and Spirit.

I pray for the Divine Love, the Immortal Love

Universal Soul God,

My Father, I love and accept you with my heart. I sincerely pray for your Love that will come by The Spirit and embrace my spirit body conveying your Divine Love into my soul. I humbly ask that you love me as I love you, and that you continue to love me when in those times I cannot love myself.

I ask that you give me the strength to voice my faith and love to you, and that you may love me in my weakness and in my strength. I know that I am a soul beautiful to you as you are to me, and that your Divine Love will be the arrival of Truth that my soul has truly longed for.

I pray that your Divine Love will be the arrival from which will announce the departure of my doubt and that such faith, love, strength will come to me that I will never doubt you again. And I will never stop loving you, in the sunrise and the sunset of each day in my life.

I recognise that you are the Source of the Divine Love and the origin of my soul. I recognise that I may have been lost to you but in truth I was never lost to you and now, I am gathering up all my love out of my lost-ness in great abundance because I am aware that your Divine Love is present for my soul and I am free to receive your Love and feel Its' breath of spirit declare in my heart the Immortal Harmony.

I am receiving your Love, I have received your Love, true Universal God, your Immortal Love.
Amen

Never can one man do more for another man than by making it known of the availability of the Feeling Healing process and Divine Love,. *JD*

This document conveys the essence of Divine Love, accordingly, this document calibrates on the Map of Consciousness at:

The opening up of the soul permits a permanent exchange with Divinity, a permanent recharge of this healing energy that allows not only the re-establishment of lost health, but the continuity of health, providing such a perfect balance, even in the physical body, that noxious agents like bacteria and virus cannot find any opportunity to unchain pathological reactions, which we commonly call illness.

But it is true that people without the benefit of Divine Love would lack the protective shield, which the intrinsic healing energies of Divine Love provide for those who pray for our Heavenly Father's Grace.

Divine Love flowing.**

EXPERIENCING RECEIVING DIVINE LOVE:

Be still and quiet; reflect in silence. Love is present. Keep asking, longing, and never cease: this is your part. It is your cooperation actively engaged that brings the transformation and continues the process.

You cannot see it; sometimes you will experience it as simple quietness and calmness. This is as pure and real as any other experience, whether demonstrative joy through laughter and dance, or other expressions.

Divine Love is present; it is always present. It does not fade or disappear. Rest, relax and breathe. Pray and wait.

Maintain daily prayer and meditation. When you do this you are building a home for the dwelling of the Divine Love. Your continual invitations establish an attitude of welcome to the Divine Love. These build a bridge for the Divine Love to carry you to new and higher levels of change and transformation: places of new realms for your soul growth and development.

The Voice of Divine Love

~~~~~

As the receiving of the Love is always assured when longed for and asked for, the experience of receiving may become apparent by the occurrence of a warming embrace in the region of the third eye chakra, or with some, around the heart chakra region. This may be very subtle and gentle for some and may be for a few moments or extend for some time. Many do not physically feel the Love embracing them and this is totally fine, nevertheless the Love is being received.

On a few occasions, one may feel the love through the third eye region and then feel it expand as if it were to become a warming buzzing 'hat band' progressively expanding around one's head. This can intensify and feel as though one's cranium is about to pop off! Should this continue to intensify, then the sensation may flow down one's main meridian to the base of one's spine. Now that is something else! Relax and enjoy the great gift for this can be an experience that may continue for a short while or for quite some time.

Always, when one longs for the Love, it will shower over one's body and be absorbed in through the spirit body chakras into one's soul. Occasionally the Love will overflow from one's soul and some will reside within one's spirit body. At no time will you be discomforted. This light golden blue energy substance is the ultimate high octane super fuel gifted to us by our Heavenly Parents to us all.

Progressively throughout the past 100 years, those accredited with parts of what makes up the Bible's New Testament have penned / transcribed comments and truths pertaining to events of the first century for the purpose of clarifying and correcting the many errors and misunderstandings that have been inserted into these historical records that were firstly handed down by word of mouth and then the penned records which were subsequently copied and re-copied over and over again with authors and authorities imposing their interpretations and desires. Many of these comments can now be found noted throughout a King James' version of the New Testament at:

A tool for one to discern truthfulness, or lack thereof, of material for consideration, kinesiology muscle testing is a simple adjunct to one's discernment. Dr David Hawkins, after 20 years research, has fully explained and demonstrated this process within his book and video, both titled 'Power vs Force'. He has then gone on to release a series of teachings containing truth at the level humanity has never has access to previously. Dr Hawkins works is only surpassed by the Divine Love teachings that our Celestial Friends, in their hundreds, have and continue to provide us with.

**Note:**

The Map of Consciousness (MoC) table is based on the common log of 10. It is not a numeric table.

A calibration increase of 1 point is in fact a 10 fold increase in energy.

A calibration increase of 10 points is in fact a 10,000,000,000 fold increase in energy.

Thus the energy differentials are in fact enormous!

The arrival of the commentaries from Celestial Spirits has resulted in the re-introduction of the teachings of the first century with the cumulative experiences over the past 2,000 of living with the Love, these teachings typically calibrate above 1,000 on Dr Hawkins Map of Consciousness scale and the core teaching calibrate between 1,480 to 1,500.

It is only by humanity embracing the Love that it will eventually pull itself up by the bootstraps and step above the global issues of conflict and suffering the plague the world.

**FEELING HEALING and SOUL HEALING with the DIVINE LOVE:****James Moncrief Publications:****all publications are free downloads:**<http://divinelovesp.weebly.com/my-free-books-and-free-padgett-messages.html>

It is suggested for one to consider reading as follows:

**Speaking with Mary Magdalene and Jesus – books 1 – 4**

These four books encapsulate the second of the revelations with the first having been introduced by James Padgett one hundred years previously. These four books provide a wide range of guidance that has never previously been made available.

**Paul – City of Light**

As a gentle intro into the Divine Love and Healing; being James Moncrief's first novel and it's been criticised as being too heavily clichéd, but that's the point because it's a reflection of how he was back then.

**Ann and Terry**

For an example of people who might want to immediately start working on them selves and doing their Healing.

**Feeling Bad? Bad feeling are GOOD**

For more understanding about our denial of our feelings and why we should not deny our feelings, and it includes how it all came about for James, using himself as an example.

**Feeling bad will make you feel BETTER – Eventually!**

This includes specific examples of Marion and James working on expressing particular bad feelings, again with the hope that it will help others gain something of an idea as to what's involved in doing your Feeling Healing.

**Sage – and the Healing Angels of Light**

Through Sage who's 13 years old, the story is primarily about the two aspects of healing; that being, with the help of our angels, and the full Healing we can do by looking to our feelings for their truth.

**Religion of Feelings  
Feeling Healing****Welcome to LOVE – the Religion of Feelings  
you can heal yourself through your feelings**

So these books, including the four Speaking with Mary Magdalene and Jesus books, provide the essence of it all and are examples of James' work. Then it's up to whatever takes one's fancy. Other reading to consider may include:

**The Padgett Messages being published as:****The True Gospel Revealed Anew by Jesus volumes 1 – 4****Book of Truths by Joseph Babinsky****The Urantia Book****Release one's pain through expressing one's feelings.****in conjunction with****Longing for the Truth when also longing for Divine Love.**

**FEELING HEALING with DIVINE LOVE is SOUL HEALING:**

*A collection of 'papers' that draw together specific topics including all of the above and more from other sources of information and revelation designed to help increase one's awareness about why we have the problems we do and how to heal them, all whilst living a more healthy and sustainable life. They provide a brief snapshot of the more complicated topics and issues.*

**Firstly, consider discovering the truth of your emotional pain through Feeling Healing.**

**Secondly, consider longing for our Heavenly Parents' Love as you progress with your healing.**

**Primary and most important readings are the writings of James Moncrief.**

**Then consider the Padgett Messages, and then The Urantia Book.**
