## PASCAS INTRODUCTION:

Documents assembled by Pascas are provided for your individual assessment and exploration. The contents are sourced from a variety of avenues and publications. Every endeavour is made to determine that the contents are of the highest level of truth and veracity. At all times we ask that you go within yourself, to ascertain for yourself, how the contents resonate with you.

Pascas provides these notes and observations to assist us all in the development and growth of our own pathways and consciousness. Pascas does not hold these contents as dogma. Pascas is about looking within oneself. Much of what we are observing is new to us readers and thus, we consider that you will take on board that which resonates with you, investigate further those items of interest, and discard that which does not feel appropriate to you.

Kinesiological muscle testing, as developed by Dr David R Hawkins and quantified by his Map of Consciousness (MOC) table, has been used to ascertain the possible level of truth of documents. Such tested calibration levels appear within the document. We ask that you consider testing same for yourself. The technique and process is outlined within Pascas documents, such as Pascas Care – Energy Level of Food. From each person's perspective, results may vary somewhat. The calibration is offered as a guide only and just another tool to assist in considering the possibilities. As a contrast, consider using this technique to test the level of truth of your local daily newspaper.

Contents are not to be interpreted as an independent guide to self-healing. The information sourced herein is not from a doctor or doctors, and any information provided in this document should not be in lieu of consultation with your physician, doctor, or other health care professional. Pascas, nor anyone associated with this document, does not assume any responsibility whatsoever for the results of any application or use of any process, technique, compound or potion as described within this document.

The sources of contents are noted throughout the document. In doing so, we acknowledge the importance of these sources and encourage our readers to consider further these sources. Should we have infringed upon a copyright pertaining to content, graphics and or pictures, we apologise. In such cases, we will endeavour to make the appropriate notations within the documents that we have assembled as a service via our not for profit arm, to our interested community.

We offer all contents in love and with the fullness of grace, which is intended to flow to readers who join us upon this fascinating journey throughout this incredible changing era we are all experiencing.

**James talking with Helen:**  
Helen?

(This is not Helen Padgett)

Sunday, 19 March 2017

JM: And what about the Russian's orthodox Christianity, won't that prove a stumbling block for them?

Helen, 3<sup>rd</sup> Celestial Heaven: No, because it will be wiped aside by the flood of new information coming from the good minded mind spirits that will feel more empowered with all the changes that are coming. The whole Christian thing will change, evolve, even integrating in time a lot of what you have revealed. In the end it will just be seen as something that's from the past and irrelevant, like how you look upon the Roman Empire – something that had power, but really had no idea.

JM: And do you have bands of Celestials supporting the Russians?

Yes, we have bands supporting all the good that humanity is, that will be needed for the future. Not all Russia is good, so we also have bands of Celestials soon to start blocking much of the bad relationship they have with the mind spirits. And this is the same in every country.

You understand James that we are soon, as by Wednesday your time this week, to implement our TAKE OVER move, and so stop all negative mind spirit input, and this huge move is going to shake the mind Mansion Worlds to their core. For you see James, this will then cause many disruptions over there, stirring things up no end, causing such spirits to wonder what's suddenly gone wrong, when things are no longer as they have been for eons, and to have it all happen so suddenly taking them all by surprise. Basically they have no idea about what's going to happen, although they've believed they had all the ideas, they being the master controllers; however when the rug is pulled, so they will flounder and this will ultimately, over the next few years, bring about many of them having to seek new ways of understanding, which will in turn lead many of them into the Divine Love healing Mansion Worlds and eventually onto becoming Celestials.

The mind worlds need to be reduced in their populations because of the massive influx of new spirits into these mind worlds that will occur through The Change. Earth's population will be dramatically reduced, and all systems destroyed and on many levels of human growth, new beginnings found. All of which is needed, necessary and good.

And the block on the mind spirits will continue for the next one thousand years. The controlling mind spirits will not be able to gain traction again, whereas the un-controlling mind spirits will be able to contribute to the new world on Earth. And this is all to ensure that more pressure is exerted on the mind worlds so as to keep making the spirits within them look toward their bad feelings and doing their Healing, for how it has been, mind spirits being able to live in their wrongness for hundreds of thousand of years is now a thing of the past. With the Rebellion and Default officially ending, so too is the end to these spirits living aimlessly in the mind worlds for the rest of eternity. It's time for them to get on, and so that's the pressure that's being applied, it all coming about because of the steadily growing influence of yours and Marion's Spirits of Truth. For the moment, it's through the unseen light of these Spirits of Truth, and when they are released, by the Spirits of Truth themselves.

JM: So you too think Marion and I are who other spirits say we are?

Yes, you being the Avonal pair, because if you weren't, or if there was no such bestowal Avonal pair, then none of this would be able to happen. They'd be no official end to the Rebellion and Default, and we'd all be still sitting around twiddling our thumbs, and we'd not be working our butts off trying to make Crystal and John's money be released to them.

The releasing of this money you could in a way liken to something crudely as having an orgasm. It will be a flood of positive energy, or light, as expressed by money, and all it represents, washing out over humanity; and although most people won't hear about it, if it is all kept quiet, still that's what's going to happen. Because it will be, in a sense, the forerunner or even wellspring of the new, of what's to come, it however being more symbolic than anything, because it all ends with The Change, but still, until that time, it being what it is showing – there is new energy, new light shining on humanity, and along with that, new hope and so on. It all being a 'sign of the times'.

JM: So it will be like a crack of light opening up in the darkness?

Yes, the door way will open a little letting in new light, and that will show that something has gone wrong, the normal controlling powers have started to lose their power. I can tell you James, after this Wednesday, they are going to be in turmoil, even the Russians won't understand what's happened. And they will all set about blaming each other, accusing each other of everything, and the hidden Zionists will be incredibly rattled because all their normal spirit / mortal controlling avenues will suddenly stop, disappear, cease to function, and they will wonder what power greater than them has suddenly stepped into the fray; and that because of it, they'd better hurry up implementing their plans, which will all become screwed up without the smooth oversight and far reaching control they've always had.

JM: From those of their kind in the mind worlds you mean?

Yes. They were the 'Chosen Race', because the Lucifers (soulmate pair), via the Caligastias (soulmate pair), chose them to do their dirty work, so have kept them on course all through these years working steadily away to come to fruition with the coming of their Mashiach which was meant to be the Daligastias and in particular Daligastia himself, as the women don't get a look in on the world stage, yet with Mrs D working behind the scenes. However, as they no longer are coming, it being what the Second Coming was going to be about, they coming back to Earth in material form, so the controlling Jews have had to improvise by selecting certain people to fulfil the roles, or else look very stupid by announcing that their whole reason of living no longer exists. And all their secretive manipulation, of controlling the worlds major corporations and so on, having their fingers in every financial pie, is all about being able to control the whole world when the time is finally right, which is about now by their reckoning. However as I said, things are soon to go haywire for them, their minds will be in a spin, their so-called great spiritual teachers and priests, the ones who are able to work with the mind spirits, will fail, and then, as pressure will be kept on them to keep coming up with the goods, so they will have to start making things up and so guessing and generally making a hash of it all.

JM: And will I be able to see any evidence of this?

Probably not. Not enough is reported as it is, and even less will be when things start to go astray. Possibly by your not being able to make any sense of anything the world press says will be a good sign, the more mad it all becomes.

But it won't matter to you James, because very soon you will be moving beyond it all anyway, your spiritual life and growth simply evolving through it all, and so all the mad goings on in the world won't concern you. And by then John and Crystal will have their money, and it will be more about – now what shall we do with it; and your Healing will be at a point of you feeling so much better about yourself, and knowing and perceiving the unseen impact you are having on the way of things.

And all of us over here will be aligning our light with you more, like you've been feeling these past days, but even more so. And eventually to being so intense that you are effectively calling the shots on the spiritual level – you and Marion; and believe it or not, but Marion will also feel the same, feeling her true power and understanding how her light is effecting everything and everyone.

JM: Yes, well I'd love to see that, and the look on her face, as she is still moving towards not having anything to do with anything, particularly if John gets his money. She's saying John will want me to do this, that and the other thing, calling me away, and so that will be the end of our relationship.

Which it won't, because as you know yourself, it's not going to happen, you can't separate, even if you wanted to, however of course you have to keep expressing all those bad feelings like you were this morning about not being able to be with people you can get along well with, and you both having to stay together because that is the unloving pattern of your early lives. But those patterns are breaking through your Healing, so the whole way you are both relating to each other is changing, and will only increase, as you can sense, and all for the better because you are becoming truer to your wrongness, so there is ironically greater love and understanding between you both.

It is a lot of what you're reading James, the powers behind the scenes, however none of that matters anymore as of this coming Wednesday, because it officially, unbeknownst to them, all ends – it's their End Time, if you like. And as I said, they are all going to be in complete disarray, and so much so that the Asians will withdraw into their strongholds desperately hanging onto what they have got, with the rest all scrambling trying to work out just what is going to happen next. It will be great fun to watch, and watch it all start crumbling. And I know I can't impress upon you anymore than I am James, just how severe this time is for these controlling parties, but it is, and it will invariably lead to John and Crystal getting what they want, and even for Crystal being looked to for advice as to how to deal with so much of the mess, because she will seem like the only one who seems to know what's going on, working for eventual good of humanity. For as I said, it all has to break down and fall apart, there is no other way for things to change, humanity doesn't work like that, there is no soft or gentle transition, there is only war and corruption and great disruption, because no one is willing to talk openly with each other, it all being how the secretive controlling Rebellion and Default has been carried out.

But for us over here, we who've completed our Healing, so know first hand and personally what it's all about, it's all transparent, we can see it all, there is NOTHING kept secret from us. And as we're now to use that insight increasingly to our advantage, which is for the good of humanity, that being for those people still to come to Earth, so we will be doing all that is asked of us, all within the power being handed to us on a platter.

And we, us Celestials still focused on Earth, are the focus of and instigators of the New Way.

Wednesday, 22 March 2017

**It's done James. We did what we wanted to do, it was easy to implement.**

Thursday, 23 March 2017

JM: Hello Helen, I'm still tired, though not as bad as yesterday. I don't expect you to say anything to me when we write, I don't believe it will happen as I have no real interest in what you tell Crystal, as it's not really spiritual stuff that's come up for me that I want to ask you Celestials about, however I do enjoy it as an exercise of letting go more and seeing what happens without trying to control anything.

Helen, 3<sup>rd</sup> Celestial Heaven: All so long as you keep expressing your negative expectations James, then I can keep talking with you as such. And you don't need to know about the intricacies of what's going on, Crystal can decipher my information to her from you as it all helps her gain a feeling for what she is doing. And so I will say to her now: Keep going with our Feelings Crystal, your feelings will lead you more now as things are going to start happening toward final resolution.

Yes, we have instigated our control, we're still asserting it, it's a vast plan affecting the whole of humanity, your money being only a small part in it; nevertheless still very important for those of us over here who've been working with you every step of the way.

**We are continuing to 'roll out' our blocking control on the mind spirits, and it is a joy to finally have such power and to see the almost instant results,** which unfortunately you can't see from your side, but for us it's obvious and so more progress toward real change.

I'll move now to answer Crystal's email to you James.

**Crystal: Did you neutralise the proper spirits? Was this what both James and your group needed to do to finally enable the completion of this decade long project?**

Yes, all I said has happened, and now it's a matter of allowing these blocking measures to have an impact. You might start to detect a slight change in the antagonists next time you have more to do directly with them, and this will be a result of the unseen pressure being exerted on them by us.

What has happened before, is we might exert our pressure on them, but then the mind spirits would counter that, and as they are heavily aligned with these spirits as the spirits are on their side – they both working for the same end, so that limited the effects we could have. Now things are skewed heavily in our favour, so that will put a different psychic or 'inner' climate into the minds of these people, all of which is not going to sit well with them. They will start to feel unhinged as in their usual thought processes will now have holes in them, things won't flow or add up as they did, causing them not to feel as confident as they have, even starting to have doubts and worries which they'd been able to conquer before with the mind spirits help. Now they are basically on their own with only their own minds and no outside help from the mind spirits. And as hard as it might be to understand this, some of these people were all but open channels to the controlling mind spirits, with very little of their own genuine thoughts, so heavily influenced and all but taken over by such spirits. So suddenly the plug has been pulled and so you can image how it might adversely affect them.

It's now a progressive steady increase in our light shining into the world, it's going to stir up things, the darkness will start to shake and quake, whereas those in the light will feel more secure growing progressively in strength. This continuing, from now, for a long time to come. Humanity is turning the corner in its rebellion and default, but it will be a long haul up from the depths it has fallen to. But at least things are now working in its favour and **the Fall has ended.**

Friday, 24 March 2017

**Helen, Samantha said she was interested in how you Celestials are working to block the mind spirits, and will she be able to see anything resulting from what you are doing? Is there, please, anything else you can add that I can send to her?**

Yes James, I will add more as it's very relevant to all you are going through and what will concern you for the remainder of your life.

The Rebellion and Default have been evolving as you understand through Jesus and Mary's age, with as you would imagine, it having to get, at some time, to a point of final evolution. And that point is when the negative or destructive influences driving it, stop influencing it. And all the way along, the Rebellion and Default has been driven by spirits, the Evil Ones down to mortal mind spirits, with everyone wanting to have their way and say instead of **looking to their feelings so as to live true to their soul and so God's way and say.** So all these spirit influences have been taking matters into their hands and then affecting humanity on Earth in one way or another.

And what we've been able to do, and are still 'rolling out', as I said yesterday, is ending that spirit influence, which means, **it's the END of the Rebellion and Default, meaning, it can't evolve any further because there won't be the driving spirit influences.** So all it can do is 'spin its wheels', and effectively go nowhere other than implode under its own lack of love and truth. That which is now able to happen, has officially started to happen, will accelerate, until it being like humanity hitting the dead end and coming to an abrupt stop.

So the effect of what we've done and are continuing to do – as it will be done in a methodical procedure, done in stages of limiting, then fully stopping, the mind spirits input altogether, and all of that which is helping to drive the Rebellion and Default (as we won't be interfering with that which is trying to heal the effects of it, so we won't stop anything positive coming from the mind spirits, and in particular ones who might want to do their Feeling Healing without the Divine Love), will be seen as increased strain on all negative systems of belief, on all anti love systems on Earth, both collectively and individually. So people will find it increasingly harder to deal with the everyday difficulties of life, with more pressure being put on them so as they can't avoid their bad feelings as much as they used to. And all businesses, governments, corporations, national structures, anything that is controlling, also feeling it more difficult to deal with all the everyday problems, they seeming to mount and increase in intensity, causing the people controlling them ever more difficulties.

And so many of the highest controllers will start losing their way, their direction will become unfocused, they will feel like other forces are interfering yet they can't put their finger on what it is. Inspiration, that which would have come from the meddling mind spirits, won't be there for them to access and

enjoy, so they will have to rely on themselves more, which will give a lot of people a bit of a shock when they realise it's just not happening or working for them as they used to. Whereas on the other side, other people wanting to do good will feel more inspired and able to do things which they've always felt difficult, because unbeknownst to them, the mind spirits were working against them. The playing field is becoming more balanced so to speak, and gradually tipping, and then moving substantially in favour of the good side of the Rebellion and Default. All so the people who want to seek the truth of themselves through their feelings will be able to do more easily, and without any unseen spirit negative influence.

You see James, this you've not been told yet, but the controlling spirits worked particularly on people throughout history who naturally wanted to look to their feelings for the truth, or on people who came to the conclusion that their feelings were the way and key to the truth, even the way to heal themselves, all so such people found it simply too overwhelming to push on up against the mountain of negativity that would rise up within them, some of it often being added to or increased by these controlling mind spirits who didn't want such truth to come to light through people's feelings. And from our vantage point in spirit, as we can see the aura and so truth of everyone, and so anyone who starts to make any progress in the way of truth discovery through feelings stands out like a beacon and can easily be focused on by those controlling higher mind spirit who knew what they were looking for. But none of that can happen anymore, all because of the healing work of yourself and Marion along with Samantha.

Samantha being the first person to take on what you and Marion have revealed and commit herself to her healing, is leading the way out of the darkness, and so we are to come up behind her in a way, and with each level she reaches, that then becomes a certain benchmark with which we can work. So we can limit all the mind spirits who'd be working to thwart people below her, because she has now healed those levels within herself. And so it will continue as she progresses. And should she stop, then that's the level we can work up to, until someone else takes it further. And then it's the same with you and Marion, only you are working at the 'head of the coal face' so to speak, breaking through the controlling beliefs and mind circuits set in place by the Evil Ones, all so people like Samantha can then set to work on Healing themselves and contribute their part.

So Sam, you are doing a huge amount to help everyone by doing nothing more than working steadily on yourself. And it's the angels that tell us what levels you've worked through and where you're at, which we can then relate to by what we went through as we ascended the Divine Love healing Mansion Worlds, as we affectionately call them.

So back to the question, will you see anything resulting directly from our actions, probably not, however as the whole world seems to start to implode, then you'll know it's because the controlling ways and influences of the unseen mind spirits has ended, and people on Earth have been left up to their own initiative, which will be shown to be very little. You have no idea how much direct and indirect influence has come from the mind spirits, and some of the Divine Love Healing spirits. There has been MASSES of influence, nothing has happened on Earth without their influence, they've been in the thick of it all.

Countless people die all the time, come into spirit, wake up realising their new life begins and then wonder what they want to do. And as they are still basically the same as they were on Earth, yet now

with renewed vigour and vitality – they are ‘young again’, so they set out trying to do more of what they did on Earth – control. However they quickly see that there are masses of controlling spirits already ahead of them, and so many of them have to start out all over again, at the bottom of the controlling pile, working their way up, having to understand just how one does work one’s control on people back on Earth, if that’s what they want to do.

So there are vast networks, many competing, many are family driven, all like what you have on Earth, but a million fold increased in the mind Mansion Worlds. And mostly these sorts of spirits keep themselves secret from the other block of mostly do-good spirits and the ones who want to ‘better’ themselves, all those you read about in the spirit / mortal accounts of people talking with spirits, because the spirits involved in what they believe to be the ‘spiritual upliftment’ of humanity connect with those on Earth wanting the same thing. And so what you don’t get is any real idea or insight into the top controlling mind spirit organisations, cults, groups, families and so on, and the like-minded people on Earth they connect with and exert control over.

And even you James have only very briefly touched on these controlling spirits and what they get up to, however, now I can tell you more about them as I am doing. And they control humanity, it’s as simple as that, and have done for eons; they, with help from the Evil Ones, the rebellious higher spirits, ‘earthed’ all the controlling world religions, they developed business to where it is now, government, all areas of power, and they instigated all the wars and so on, all trying to gain the power they are after.

So the Jews through the Zionists and others in league with them, being the ‘Chosen One’s’ were given the most power and control, the smallest group controlling the masses. However we’ve just blocked all their influencing mind spirits, so they are really going to be spinning their wheels in thin air wondering why they can’t get the traction they once had. So they will weaken, and that will cause their power to waver and others will step in and so with the whole smashing into the brick wall at the end of the Rebellion and Default which is now set and ready to happen. **This being the real End Times.** So officially, from a technical point of view, along the lines of what we can do, the end times have begun – we started them, however it’s all really coming from you doing your Healing on Earth. And anyone else who does their Healing, fully committing to it, will be empowering us even more, and gradually humanity will be made to face its bad feelings, to no longer do all it can to run away from them and hide them – reject them, all so the truth can come to light from such feelings, and it’s that truth that will Heal the whole of humanity.

So the tide, having been going out for all these eons, is now ebbing and just starting to come back in. So it’s got more eons of coming back in, and you people are right on the change over, doing your parts in the whole.

Should things start to happen that are a direct result of our positive interference, that come to James’ attention, I will point them out, however I’m not going to say, what happened to Trump today was because of what we did, and all that sort of stuff, because it’s all interconnected; however with time, and overall, you’ll be able to see things aren’t travelling as smoothly as they have been. And although, from your limited view, the world seems like it’s in its usual mess, from the mind spirits side of things, and even though they don’t all agree on everything, still they understand it and they are working (were working) it along the lines that’s suited them.

JM: So Helen, all the New World Order and One World Religion and all that, were the aims of these mind spirit?

Yes, and they still are.

JM: So what are these mind spirits going to do about what's happening, surely they are not going to take it lying down-

No, however they are powerless to do anything on Earth anymore, so they are busy trying to work out what's changed, which they'll never know because they don't even know the likes of us Celestials even exist, let alone why we've done such a thing to them. And in time they will readjust to their new, new lives, having to work out other things to do with themselves, which will basically, from what we can see, mean, set about planning for the day when they will get their power and controlling ability back. So they are busy looking to their prophetic writings, trying to work out what's going to happen, and eventually many of them will tire of it and move on; that being, work to move up the mind worlds advancing their mind, as in trying to perfect their negative rebellious state; or start their Feeling-Healing; or even move outside their box and embrace the Divine Love, moving into the Divine Love Healing Mansion Worlds as they start their Soul-Healing.

And they will also try and corrupt those mind spirits still able to communicate with Earth, however we'll also be monitoring all of that and stepping in should they start to interfere there too.

So you see James and Samantha, it's all about what's going on over here in spirit, we are where the real action is. However by severing such controlling input from these mind spirits, humanity is now free to Heal itself, so at least to decide if that is what it does want to do, and do make that decision based squarely on people's own feelings, and not feelings being negatively influenced or interfered with from the hidden spirits. Humanity needs to be given a chance from the ground up to decide what it wants to do – either continue on its rebellious ways by default, or heal itself of such unloving ways. And it now needs to be able to take responsibility for itself, and all without any such interference.

So the mind spirits have basically been just an extension of parental control and interference, the mind spirits being the parents to all you children – the people – on Earth. But now it's time for the 'children of Earth' to step out into life themselves without such heavy parental influence, and do whatever they want. Which, in most cases, is to make a complete hash of things, because you don't know how to exist without such heavy unseen 'guidance'. So the rug has been pulled out from underneath you, and humanity is going to fall in a heap of its own doing. So this breakdown, Samantha, you might be able to see for yourself, even in your personal relationship with people. So things will get harder for them, whereas for you, you'll see how obvious it all is, the mess they are making and why they are doing it to themselves, yet whilst all being completely unaware.

And so the scene is set for the likes of what John and Crystal want to do, that being to provide a way for people to feel better about themselves and their lives, on all levels, from the basic nutritional level right up to the top spiritual level, including how to truly Heal themselves by looking to their feelings.

So the pressure that's to be exerted by these systems coming under pressure because of the sheer weight of their own greed and ineptitude, now without the unseen guiding direction and control from the mind

spirits, will be what opens the way for the money to come. For that money is to be used for the good (within the bad, within the remaining rebellion and default) all with the aim of helping those people who want to help themselves in some way, truly better themselves, and even, Heal themselves.

So Sam, I hope I have painted something of a picture that will help you understand what's going on. And every day you keep submitting to, expressing, and seeking the truth of your feelings, so every day we too can work with you, up-stepping the vibration of light that we can work with.

If you want to know anything more, have other specific questions, please ask James and he can ask me.

We love you all, we are very close to you all, for you are making your way out of the darkness and into the light.

With love and blessings – Helen, a Celestial spirit. And no, I am not Helen Padgett, we just share a common Christian name.

**JAMES** PADGETT **REVELATIONS** 1 Commenced 1914  
MONCRIEF 2 Completed 2014

**REVELATION** 1 Divine Love addresses the issues of the Rebellion.

**REVELATION** 2 Feeling Healing addresses the issues of the Default.

The Rebellion is against love, the Default is all the difficulties we have in our relationships because of our rebellion. Healing the Default is becoming true, to ourselves and in our relationships, and ending our unlovingness – our rejection of love, so ending the Rebellion.

The Rebellion was brought about by Lucifer and his soulmate 200,000 years ago.  
The Default was brought about by Adam and Eve, soulmates, 38,000 years ago.

Firstly, consider discovering the truth of your emotional pain through Feeling Healing.  
Secondly, consider longing for our Heavenly Parents' Love as you progress with your healing.  
Primary and most important readings are the writings of James Moncrief.  
Then consider the Padgett Messages, and then The Urantia Book.

# ENOUGH IS ENOUGH

Andon and Fonta, our first parents to long for our Heavenly Parents, lived nearly 1,000,000 years ago. Naïve humanity was seduced by high spirits, the Lucifer pair, to believe they could be gods through their minds, thus men subjected women to subordination 200,000 years ago. This was added to by the default of the Adamic pair more than 38,000 years ago when they failed in their mission.

## REBELLION & DEFAULT **200,000** YEARS

When Jesus with Mary achieved their full Regency of Nebadon, in 26 CE, they immediately had the Lucifer and Satan soulmate pairs assigned to a spirit world prison. Since then, the Creator Pair have been preparing for the end of the Rebellion and Default for humanity of Earth. The Avonal Pair now on Earth, once commencing their Healing, brought about the imprisonment of the Caligastia and Daligastia pairs in the early 1990s. As the Avonal Pair advanced with their Healing they brought about the formal end of the Rebellion and Default, on 31 January 2018. It is now for all of humanity to embrace the Spirits of Truth of the Avonal Pair and undertake their healing of the imposts of the Rebellion and Default.

# Avonal AGE **1,000** YEARS

Spirits of Truth of the Avonal Pair will guide us through our Feeling Healing and into the Celestial Heavens with Divine Love, then the Spirits of Truth of the Creator Pair will lead us through the Celestial Heavens and out through Nebadon towards our Heavenly Mother and Father in Paradise.

Each generation of 25 years or so will see marginal embracement of Feeling Healing, however 1,000 years will achieve universality.

Universality of Feeling Healing with Divine Love will see the mitigation of discomfort, pain and illness as well as the imposts of global warming and Earth changes. As those events are to ensure that each of us embrace our feelings, both good and bad, down to the very core, so that we fully come to know who we truly are. Sciences will endeavour to remove pain only to see disease manifest in different forms. Earth disturbances are a result of the Harmonic Convergence of the late 1980s, increasing the rotation of the Earth's central core, this will only abate when humanity has universally embraced Feeling Healing. These influences are only imposed upon us so that we do not step back into the Rebellion and Default through complacency. Live Feelings First. We are to become the true personalities we are, that being daughters and sons of our Heavenly Mother and Father.

## LONG for the TRUTH!

Above all else, “Longing for the Truth” has not been recognised by humanity. True Prayer is not asking with the mind; it is a longing from the soul. Should we long for the truth then we will be told. This is how we ascend. Earnestly desire to know the truth and it will be revealed to us.

Our soul, our real self, already knows the truth and the answer we are seeking, the truth will come to our awareness through our feelings. Our feelings are soul-based.

Our mind cannot determine what is truth from what is false. Our mind is addicted to being in control and will lead us according to its agenda, all to our detriment. This is what man has embraced for the past 200,000 years – now the mind is to be subjected to our feelings. Accordingly, our mind will learn to assist our feelings.

Longing to our Heavenly Parents for truth will bring about the understandings we are seeking to achieve.

Long for the truth behind any feelings, both good and bad, and we begin to peel off and escape from our childhood repression and suppression, thus escaping from the generational cycle of errors that have been passed from parents to their children, thus continuing the cycle of error and harm. ALL children are harmed in this manner.

Through longing for the truth behind our feelings, both good and bad, we start to bring about harmony and peace to our self, which eventually flows onto our family, then our companions, then our overall community and then country. **This is how harmony will come to all of humanity and peace will prevail with war being set aside. This is what the Great U-Turn will bring about.**

Longing for the truth is the only way that we will come to understand the cause of any physical discomforts, pains, diseases and illness. It is by expressing the understandings of what one is feeling about any emotional event or issue so that we release from our essence the negative energies relating to these feelings arising from past events, particularly those from our childhood forming years. The harm that we each endured during our childhood forming years has set the pattern, at all levels, for our adult life.

In a variation of those inimitable words uttered by Jack Nicholson, “You CAN handle the truth!” This is how humanity will heal itself and bring about peace for each personality and humanity overall.

**By living true to ourselves, true to our feelings, we are living true to God. It’s that simple.**

## Quantum Jump 1

**REVELATION 1**  
James Padgett 1914 – 1923

James Padgett bravely introduced the availability of the Mother and Father's Divine Love and a great deal of additional guidance and information, all of which has been supplemented by Samuels, Judas, Reid and Arnold. All writers were under restrictions of personality and circumstances. Revelation 1 opened the door for humanity.

## Quantum Jump 2

**REVELATION 2**  
Marion and James Moncrief 2002  
– ongoing

Marion and James Moncrief have recognised the need for one to engage in Feeling Healing and, by their actions, removed restrictions that James Padgett and others above endured, thus JM is able to critique the writings of the past 100 years resolving points of confusion as well as expand on what has been written. Revelation 2 is humanity's turning point.

Due to the extra-ordinary nature of Revelations 1 and 2, humanity with the first Revelation would have continued on into its negative pathway of living, however, combining the first Revelation with Revelation two, now humanity can embrace this turning point and commence its evolutionary growth that has required two thousand years to put in place. This is the greatest event in the history of humanity and very few are aware of such, until we enable others to become aware.

**WHICH WAY? MIND SELF RELIANT or FEELING AND GOD RELIANT:**

To PARADISE, the HOME of OUR HEAVENLY PARENTS

# The Way Home

Council of Elders  
now around 20  
Soulgroups

Maybe something like 30 billion people have recognised that our Mother and Father's Divine Love, together with embracing one's Feeling Healing, that with these two aspects, have progressed through the Mansion Worlds to the Celestial Heavens and onwards.

Mansion World 7: is then about still working with the deepest and residual bad feelings, whilst looking to sort out how you wrongly relate to yourself and others, nature and God because of being unloving, understanding how your relationships are unloving, how you don't connect properly, how unloving you really are and why and fully accepting the truth of it, coming completely to grips with your parents not loving you as you needed to be loved – sorting it all out, including your self and feeling expression difficulties.

Mansion World 5: is then about going right into the depths of them, feeling how unloved you feel and seeing how unloving you are and how that makes you feel, bringing out the majority of your pain, your misery, fear, anger, guilt, hatred, boredom, terror, rejection, nothingness, feeling powerless, alone and abandoned, and so on.

Mansion World 3: is for waking up to the truth that you're not loving and starting to get in touch with your pain, starting to accept your bad feelings, starting to work with them instead of rejecting them.

More than 200 billion personalities have embraced their mind and self reliance through the misguidance of 'New Age' styled ideologies and the many thousands of different religious platforms, all of which take the person further and further away from our Heavenly Parents.

For a million years, humanity has gone in the wrong direction with its self-denial of self and feeling!

### **I'D TURN BACK IF I WERE YOU!**

The Natural love spirit Mansion Worlds as to how they have been for all these hundreds of thousands of years and as they are set up currently, are to help spirits advance to the fullest of their self-denial that they can. That is, so as to become as evil as they can. And all under the guise of being 'loving'.

It's why they are called the mind worlds, namely Mansion Worlds / spheres 1, 2, 4 and 6. That is because the spirits are using their minds to complete their rebellion – denial of self and feelings, and rejection of our Heavenly Parents as well their Creator Son and Daughter. So yes, the top of Mansion World sphere 6, spirits are the most evil, the most in rebellion, the most in default, the most wrong and unloving and untrue, even though, they appear, because they've trained their mind to do so, to be the most loving, but it's all false and contrived – such as the Eastern gurus. Total mind over feelings, blocking all the bad ones and using your mind to only make you feel good.

Typical of those on their way up in the mind worlds are not open to anything, they do not want to know about feeling bad and going with their bad feelings looking for their truth, because that scares them, that's not nice, that doesn't make one feel good, it threatens their control, they reject that preferring to stay in their nice safe space. Which is how it is for these Natural love mind spirits using their minds to control their feelings.

We've all got to take responsibility for our evilness even though we were made to be that way and rebel by default, but there is no getting away from it, and it has to be compensated right to the last farthing, which is what being in the hell planes is all about, and which keeps being applied right the way through the Mansion Worlds. **In the mind worlds you can continue to use that inner pressure requiring compensation for your bad deeds, to further contrive love and pretend you are all holy and loving and not hurting anyone anymore, which on the surface of it you are not, but underneath still are, all the way up through to the sixth world; or, you can allow it to keep working on you right the way up through the Divine Love Mansion Worlds doing your Healing.**

And apparently what's going to happen is the Natural love mind Mansion Worlds are going to be divided, so within them, there will be spirits doing their Feeling Healing – without the Divine Love, and still limited to the sixth Mansion World, but looking to be true and end their rebellion. And then there will be those still carrying on denying themselves as they have always done. So you will have spirits in the Feeling Healing Natural love sectors that will truly perfect their Natural love; and those spirits still in the mind sectors perfecting their wrongness. The opposites or extremes living side by side. And then you'll still have the Divine Love healing Mansion Worlds, being spheres 3, 5, and 7, doing their Soul Healing.

And as for a summation: "Divine Love Mansion Worlds / Sphere 3 is the waking up to the truth that one is not loving, also their being a lot of assistance. Sphere 5 is then about going right into the depths of feeling how unloved you feel and seeing how unloving you are and how that makes you feel, also this a time when one can then progress and manage their own progress through their Feeling Healing. Sphere 7 is then about still working with the deepest and residual bad feelings, whilst looking to sort out how you wrongly relate to yourself and others, nature and God because of being unloving, this is a time of great realisation and comprehension with much of the prior experiences starting to be drawn together."

Mansion World 3: is for waking up to the truth that you're not loving and starting to get in touch with your pain, starting to accept your bad feelings, starting to work with them instead of rejecting them.

Mansion World 5: is then about going right into the depths of them, feeling how unloved you feel and seeing how unloving you are and how that makes you feel, bringing out the majority of your pain, your misery, fear, anger, guilt, hatred, boredom, terror, rejection, nothingness, feeling powerless, alone and abandoned, and so on.

Mansion World 7: is then about still working with the deepest and residual bad feelings, whilst looking to sort out how you wrongly relate to yourself and others, nature and God because of being unloving, understanding how your relationships are unloving, how you don't connect properly, how unloving you really are and why and fully accepting the truth of it, coming completely to grips with your parents not loving you as you needed to be loved – sorting it all out, including your self and feeling expression difficulties.

It is agreed that the lower worlds are about waking up to what's involved, however from then on it depends on how it's all structured for the individual in their negative state as to how much ongoing assistance they might need. Some need help all the way along, whereas others have been able to work with their feelings, themselves, right from the beginning.

And yes, each of the Divine Love healing Mansion Worlds, 3, 5 and 7, are equally painful to work through, just focusing on different aspects of yourself and your Feeling Healing with Divine Love. And then in the higher planes of the 7<sup>th</sup> world comes the transition, where one's pain starts to end, and you start feeling so much better about yourself, you are fully accepting of your negative unloving state, you are fully unloving although even starting to become more loving – truly loving, of yourself, God, and then other people.

Then onto the Celestial Heavens by progressing into Sphere 8 and then onwards further, all the way home to Paradise.

Maybe something like 6 billion people have recognised that our Mother and Father's Divine Love, together with embracing one's Feeling Healing, that with these two aspects, have progressed through the Mansion Worlds to the Celestial Heavens and onwards. (now considered to be around 30 billion people)

More than 200 billion personalities have embraced their mind and self reliance through the misguidance of 'New Age' styled ideologies and the many thousands of different religious platforms, all of which take the person further and further away from our Heavenly Parents.

The 1<sup>st</sup> and 2<sup>nd</sup> Spirit Mind Mansion Worlds / spheres are jammed to the rafters.

For a million years, humanity has gone in the wrong direction with its self-denial of self and feeling!

**NEVER FEAR, LOVE is HERE:**      Shining Toward Spirit by Zara Borthwich and Nicholas Arnold  
 Message 370                      14 Nov 2014 to 14 Mar 2015

I am here, Luke. I would like to confirm to you again that when a medium who is aware of the Father's Divine Love commences their receipt of spirit communications, they will never receive a communication from a Celestial spirit that encourages the medium or the reader to be weary of negative energies or dark spirits that would impose fear on the medium or reader. Unfortunately there are mediums who are aware of the Love and believe that in their receipt of a communication from a Celestial spirit, that Celestial spirit is supposedly encouraging the medium to defend against darkness that exists in the spirit world. This is not a communication from a Celestial spirit. A Celestial spirit such as I, by example in our communication together, is personifying Love and Harmony and that you as the recipient of my communication experiences our rapport together as love. The Spirit Law of Rapport and Communication is involved and no spirit can negate this Law or circumvent this Law to impose upon a medium or human, fear.

We as spirits have observed mediums struggling with a projection of their own fears about contacting spirits in the spirit world for these individuals have not been able to identify the existing Spirit Laws that are in place that provide a cohesive exchange of information between spirits and people that personify the harmony of love. Ultimately the medium, who having received the Divine Love needs to find their love and acceptance of the Source of this Love and then to recognise and work with Spirit Laws as they communicate with knowledgeable and loving spirits to extend the awareness of the Father's Gift and Grace, the Divine Love and Immortality of the soul.

When a medium believes that they have received a message from a spirit and that spirit illustrates why a medium needs to protect themselves from dark energy and spirits, this is an untruth that causes harmful perceptions to those people in their receipt of the Love and who are aspiring to feel the Love of the Father and the beautiful love from friendly spirits who encourage the greater awareness of love.

Spirits in very poor condition do reside in the lowest spheres. They are not roaming around the spirit world waiting at every opportunity to impose fear on a willing medium. This does not happen for their **condition is so poor that they cannot** by themselves in their soul condition, activate the Spirit Law of Rapport and Communication as they are living so out of harmony, so inharmoniously to all aspects of the Father.

I may sound authoritative in this communication. I need to be so that individuals who are endeavouring to forge their relationship with the Soul of God and who are coming into contact with supposed material communicated by spirits are not negated by the perception that fear is forthcoming from the spirit world when they themselves are aspiring to live love.

Your friend, Luke

**Saleeba confirms Luke's Message**      Shining Toward Spirit by Zara Borthwich and Nicholas Arnold  
 Message 371                      14 Nov 2014 to 14 Mar 2015

It is I, Saleeba. I am here with Luke and would like to confirm his message to you. We need to emphasise this aspect of spirit communication so that going forward people; men and women who are being introduced to the Gift of Divine Love are not thwarted in their awareness of this Love that they are

going to receive spirit teachings that promote fear rather than love. Why would a spirit desire to cause fear in a person who is in receipt of a communication when we ourselves residing in this spirit world are either living in good natural love or progressing in Divine Love?

Our messages are only of love and speak of love. Many spirits may be in their own experience just realising love in their living but still love is the exchange between spirits and people. We cannot emphasise enough that any spirit living in poor condition in their natural love **cannot violate the existing Spirit Laws** that the Father has put in place that prevents fear from perpetuating from the lowest spheres back into the human world or First Natural sphere.

Even if the medium were in poor condition and in darkness themselves with a desire of self-serving action, they would be deluding themselves if such an individual believed that they were in receipt of spirit communications from dark spirits. The Spirit Law of Rapport and Communication does not serve the self-serving.

Thank you for receiving these important messages.

Your friend, Saleeba

**Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God's soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of your Mother and Father.**

**Three Great Truths:**

- **God is Soul, being our Heavenly Mother and Father;**
- **that each individual soul is a duplex – both male and female;**
- **and Feeling Healing with Divine Love is the pathway to Paradise.**

**Note:** Following the writings of James Moncrief, one could consider that any reference to the Father, by other relevant writers, may be read as a reference to 'our Mother and Father'. Further, when considering soul healing, then reference to Divine Love could be referred to as 'Feeling Healing with Divine Love'.

**KNOWN as MYSELF:**

Shining Toward Spirit by Zara Borthwich and Nicholas Arnold  
 Message 527 14 Nov 2014 to 14 Mar 2015

I did wretched things to other people when I lived. I lived a long time ago and I lived in a dark place known as myself. I refused any assistance from anyone and I didn't care much for anything about humanity. I was truly self-serving and I liked this way of being. I would have liked to interfere with people's lives when I lived in my poor condition, but I couldn't. **I couldn't move from my place of isolation.** I met many spirits like myself who wanted to assert their perceived power back into the human world, but we couldn't. There was an invisible field of energy that prevented us from interfering with each other, with other spirits or with people. We knew in our **dark condition** that the apple of humanity was there just before our eye ... but we in our darkened place couldn't bite it!

There is a Spirit Law that prevents individuals such as I, from harming another spirit in the same environment where I lived. This Spirit Law (Law of Non-Interference) exists for I was subject to it, and at times I wanted to force sheer terror toward another, due to my own fear but I couldn't. I don't know why I changed but being manipulative and having been where I was for a long time, a moment of clarity came to me and I realised that I could play my own game forever here. In essence, the other spirits didn't care for me. There was no recognition in the game I was playing. I was an audience to myself. On Earth you can do bad things and think to yourself that you mean something or are recognised by someone else. Here, I wasn't recognised and when you live with a whole bunch of spirits that are all vile, no one is going to recognise anyone for everyone thinks that they are more important than another spirit. I knew my way back was a long distant effort but I asked one of the bright spirits for assistance and I wasn't turned down, turned away or judged. I will continue my receipt of the Divine Love and my memories of the past are slowly disappearing as the Law of Compensation is causing me to change within, which then is mirrored throughout my spirit body. I am glad for these changes.

Respectfully, S

**Isolated**

Shining Toward Spirit by Zara Borthwich and Nicholas Arnold  
 Message 533 14 Nov 2014 to 14 Mar 2015

I am reluctantly here. I am only here by the help of another who asked if I could come. I am in the lowest place one can live (sphere 3 of the Spheres of Disharmony), it has taken a great effort to come here, and I couldn't do it by myself (so how could he reach Earth at other times?). I am what you would call evil and that's that. I lived a long time ago and I resent change. I am not permitted to say what I did when I lived. I don't really like other spirits. As you can tell, I really don't want to write. The only reason I came was at the request of the brighter spirit. The one who asked me to come will guide me back. I can assure you that **I cannot interfere with any living person or manipulate any outcome by my own action. I am isolated,** and intelligent but I am not ready to leave where I am. In a strange way, we like what we are familiar with. **There is a Law that prevents me from interfering with other spirits in my environment.** I know this for the spirit who has guided me here has made me aware of this, though I have no reality of this Law at all; I simply know that I am imposed to my own finite self. The spirit who has assisted me hasn't judged me and I have nothing to loose. As I came here, I remembered the way I travelled, as it was the way I came to be in my environment. I can see all the shining people here but I am not ready to be like this. I was asked to speak, which I have done. I am not going to give you anything more.

**Dark spirits, being those with poor soul conditions, are shrivelled up and with little energy to express their bad attitudes. The Law of Non-Interference prevents them from causing harm to other spirit people or to people in physical bodies. They are isolated within the dark Spheres of Disharmony.**

#### **UNLOVING PERSONALITY**

**Soul encrusted with negative and damaging emotions and beliefs held by the mind in the spirit body. Soul is choked of love and the darkness impedes the flow of love which darkens the spirit body and damages the physical body for all to see.**

#### **LOVING PERSONALITY**

**Spirit body mind is clear of man-made negative emotions and beliefs. The flow of love from the soul illuminates the spirit body and brings beautiful harmony and health to the physical body for all to see.**

PARADISE TRINITY:

1. **Our MOTHER and FATHER (God) (MF) – Divine Love**  
SOUL (God) – One SOUL that is expressing its two PERSONALITIES, our Heavenly Mother and Heavenly Father (Soulmates)
2. **ETERNAL SON (ES) – Divine Truth**
3. **INFINITE DAUGHTER (ID) – Divine Mind**

Then: The Second and Third Persons of the Paradise Trinity (ES and ID) are stepped down to the local universe trinity (Mary and Jesus, Divine Minister (DM), and her Holy Spirit.

The LOCAL UNIVERSE TRINITY:

1. **MARY M and JESUS (MF) – Love – the Living Truth**
2. **DIVINE MINISTER (ID) – Mind (and her Holy Spirit)**
3. **HUMANITY – Natural love, sons and Daughters – Truth, and our Angels – Mind**

PLANETS that engage in REBELLION:

1. **AVONAL SOULMATE PAIR – the Feeling Healing process – incarnate**
2. **DAYNAL – TEACHER PAIRS – they do not incarnate**

So in summary:

Consider a diamond:

# Mother and Father Heavenly Parents

Creator Son & Daughter  
Jesus and Mary

Avonals  
as soulmate pairs

Trinity Teachers  
as soulmate pairs

Melchizediks – who have taken over from the Caligastians and Daligastians being also all as soulmate pairs.

Mortal Souls – human beings who individualise on Earth, then progress through the spirit Mansion Worlds, then into the Celestial Heavens, and beyond.

Mortal Souls – also being ascending spirits, upon completing their Soul Healing, join with their soulmate, then join their soul group of 24 mortal spirits, being 12 soul pairs. It is only as a soulgroup that anyone can progress beyond Nebadon.

The Paradise Pairs are all ONLY concerned with the SPIRITUAL wellbeing and upliftment of the planets and local universe. Currently to do with Earth:

Mary and Jesus – spiritual wellbeing and upliftment of the whole of Nebadon region.

Avonal Pair – Daynal pairs (Trinity Teacher Daughters and Sons) – Spiritual wellbeing and upliftment of individual planets and their associated Mansion Worlds.

The Local universal Sons and Daughters are all about the running of the worlds under their jurisdiction, and ensuring the higher spiritual elements can be employed, or sent astray, as in our cases through the Rebellion and Default.

Lanonandeks – Melchizedeks (and others, such as Life Carriers and Eve and Adam).

As the Lanonandeks all rebelled – the Lucifers, Satans, Caligastias and Daligastias soulmate pairs – so the Melchizedeks have taken over their roles, as well as doing their own.

So the Melchizedeks are the governors, overseers, the administrators and advisors and so on for Earth; they are the ‘controllers’, and they will instigate all that needs to be done to do with the ending of the Rebellion and Default. And they will enlist the willing help of ascending mortal pairs, so the mortal Celestials spirits (soulmates when available, and others waiting to unite with their partner), and at times mortal spirits in the Divine Love Healing Mansion Worlds. And the angels help all of us.

Currently the whole of Creation exists for the ascension of mortal souls from their earth planets to Paradise. It’s all one vast Grand Ascension Scheme. With all the higher and lower spiritual Daughters and Sons, together with all the many different angels and other universal spirit personalities, and even including nature and our very own pets, assisting women and men with their Ascension Journey. It being: and Ascension of Truth. Everything we do is done to help us grow in truth. (Only everything we do in our negative state is to deny ourselves our truth from our feelings, which is why we have to do our Healing.) All women and men are ascending (or growing) in truth through their experiences. And as we grow in truth by looking to our feelings to show us that truth, so we’re ascending, moving inwards and upwards through all the worlds and spheres of the Grand Universe to one day arrive on Paradise and meet our Heavenly Parents. God is providing us, Their children, with this spiritual journey called our Ascension of Truth. And by living true to our feelings, so we are progressing on our true Spiritual Path – our Ascension Path.

Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God’s soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of your Mother and Father.

**Humanity** is to pursue the pathway for Truth through one’s soul based feelings, this is the right pathway. However, humanity commences its journey founded on natural love, which we now know is to be perfected through one’s Feeling Healing process and then made divine through asking for and receiving our Heavenly Parents’ Divine Love.

For 200,000 years, **humanity** has pursued the pathway of the Mind, being that of the brain, this is the wrong pathway. The Mind is the pathway for Angels and that of all of Nature.

**CREATION of SOUL and SPIRIT:**

God is *The Paradise Trinity* — the eternal Deity union of the Personalities: the Universal Mother and Father; the Eternal Son of Truth; and the Infinite Daughter Spirit of Mind.

The soul of each human personality (sons and daughters of truth) is existential, driving our personality expression in the experiential. The soul of each human finds truth by embracing one’s feelings and longing for the truth of them. We are to attain the Eternal Son of Truth. We are a creation of Truth.

The soul of angels is experiential, evolving through their experience by continually progressing in mind development. Angels are to attain the Infinite Daughter (Spirit) of Mind. Angels are a creation of Mind. Our soul is duplex (we have a soulmate) and is created by our Heavenly Parents. Through our Feeling Healing we perfect ourselves enabling the union with our soulmate, as we progress in truth up through the Mansion Worlds, celestial heavens and all the way to Paradise.

The soul of angels is also duplex, yet of the mind, and they progress in mind evolution to Paradise. Animals, plants and nature spirits are also creations of Mind.

Neither we nor animals reincarnate. We never die; upon death, we move into the spirit Mansion Worlds on our journey to Paradise. When animals and plants die, be they the tiny microbe to the mighty elephants of the land and the whales of the ocean, their spirit energy returns to the Spirit Collective

Energy. And from this energy are drawn other animals and the nature spirits, who then in turn move onto becoming angels through increasing mind experience.

A nature spirit is an angel in waiting.

**WE ALL ARE BEING GUIDED HOME:**

We need the Spirits of Truth of the Avonal Pair to Heal ourselves; then once Healed, (and for support (overshadowing) as well through your Healing), we need the Creator Pair, Mary Magdalene and Jesus’ Spirits of Truth to see us through the Celestial spheres, while at all times embracing our Heavenly Mother and Father.

Until Mary and Jesus died and liberated their Spirits of Truth, no one from any of the worlds could leave Nebadon, because no one knew the way to do so. Nebadon is our local universe containing some 3.8 million inhabited physical worlds and their associated spirit worlds.

When we embrace the truths Mary and Jesus are revealing, and start to do our Feeling Healing, or with Divine Love, Soul Healing, we are then freeing ourselves up from our parental and self control.

Thus our journey to Paradise, to the home of our Heavenly Parents, is of our choosing as to when we progress, however, there is only one way:

**HUM:** Humanity is to ascend. We are self contained. Our soul is always in truth and perfect at all times. **By living true to ourself, true to our feelings, we are living true to God. It’s that simple.**

We are to recognise that being engaged and dominated by our mind is the wrong way for us to evolve and grow in truth. We are to discard the mind enslavement that has been imposed upon as by all of our parents. We are to express our feelings, both good and bad and free ourselves of the indoctrination that humanity has embraced worldwide.

Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God’s soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of our Mother and Father.

**AVO:** We are to embrace the truths and guidance of the Avonal Pair through their Spirits of Truth. It is the Avonal Pair’s guidance that will lead us through our Feeling Healing, and with Divine Love, we will be able to ascend through the 7 spirit Mansion Worlds and enter the Celestial Heavens where we also interact with other world’s spirits.

**J&M:** We are also to embrace the truths and guidance of the Paradise Pair, Mary and Jesus, who will then lead us through the 3 Celestial Heavens that are aligned with Earth, and then further on through Nebadon where we will then depart beyond on towards Paradise.

**M&F:** Beyond the universal zone of Nebadon, we will be guided by our Heavenly Mother and Father onwards through the universes to Paradise where we will be welcomed by them, home for us all, as we are all Children of God.

**GOD**

**M&F**

**J&M**

**AVO**

**HUM**

**WE ARE Children of God**

**WE ALL ARE BEING GUIDED HOME – NOW, HOW TO COMMENCE THE JOURNEY:**

**GOD**

**M&F**

For 200,000 years, we have been misled into embracing our mind’s distortion of wisdom and truth. All such traditional understandings only lead us in the wrong direction, from which we must turn back from. Our soul based feelings are always in truth. Our minds are to follow our soul based truths and feelings, not the other way round, as we have been brought up to embrace.

We are to connect with our deeper repressed feelings.  
 We are to long for the truth of what we are feeling.  
 We are to live true to our selves; by living true to our feelings.

Use your surface day-to-day feelings to connect with your deeper repressed feelings. Express your surface feelings and your deeper repressed feelings to uncover the truth of yourself.

**J&M**

We all have feelings which we communicate and share with each other. And we all have deeper buried and hidden repressed feelings. Feelings from our early childhood we felt, yet weren’t allowed to express. These feelings are still within us, waiting to have their say. These feelings, because they are repressed, cause us all our problems.

And as we look to uncover, bring out and accept these deeper feelings, so we’re taken into new ways of looking at ourselves, our feelings, and our life. We’re setting ourselves free of the controlling patterns that govern our unloving behaviour.

In this way, we progressively begin to express the personality that our Heavenly Mother and Father gave us, not the one imposed upon us by our physical parents and carers. We are to be our true and real selves.

**By living true to ourself, true to our feelings, we are living true to God. It’s that simple.**

**AVO**

**HUM**

As we, humanity, long for the truth of our feelings, we can also be assisted by the Spirits of Truth of the Avonal Pair who are our spiritual teachers for Earth over this coming 1,000 years, to assist us through the Great U-Turn, away from mind dominance to being soul based feeling lead. They will assist us through the seven levels of the spirit Mansion Worlds.

Then the Creator Pair, Jesus and Mary, will lead us through Nebadon and into the greater universe. Then our Heavenly Mother and Father lead us home to Paradise.

Collectively, should we embrace them all, as we are to, then our pathway home is a journey in the hands of the Spirits of Truth of the Avonal and Paradise Pairs overseen by our Heavenly Parents.

**WE ARE Children of God**

**Our longing drives our life. We long with feelings. We can wish for things using our mind, yet long for things with our heart. These things in the pyramid are what to long for. Longing for them, when the longing comes naturally. Longing because you feel you really want them. Long to be true with all your heart. Long to live true to your feelings. Long to understand the whole truth of yourself.**

### DIMENSIONS of ONE'S EXISTENCE:

Our SOUL IS NOT ENSOULLED IN OUR SPIRIT BODY. Our soul exists existentially in a whole different level or plane or place or dimension of being – 'soul land'. It doesn't exist in Creation, it's not experiential like Creation is. The soul, all souls, help create their part of Creation by expressing their personalities into Creation, and then by having their personalities do things (further create) in Creation.

SOUL exists existentially

Our Physical Body and our Spirit Body are of Creation, being linked together by cords of light as are the two spirit bodies, male and female, to the one Soul.

One's unique personality is soul based. Our unique soul expresses its unique personality through the two spirit bodies and physical bodies expressing both the male and female aspects.

## PERSONALITY

**Our soul is the centre of our personality.  
We are children of our Heavenly Parents.  
Our soul manifests a male and  
female personality - it is a duplex!**

**BRIGHT and DARK SPIRITS:**

The Urantia Book – paper 87:

the book overall calibrates MoC 920

(961.7) 87:4.6 Evolutionary religion has, however, paid a terrible price for the concept of dual spiritism (good and bad spirits). Man's early philosophy was able to reconcile spirit constancy with the vicissitudes of temporal fortune only by postulating two kinds of spirits, one good and the other bad. And while this belief did enable man to reconcile the variables of chance with a concept of unchanging supermortal forces, this doctrine has ever since made it difficult for religionists to conceive of cosmic unity. The gods of evolutionary religion have generally been opposed by the forces of darkness.

(962.1) 87:4.7 The tragedy of all this lies in the fact that, when these ideas were taking root in the primitive mind of man, there really were no bad or disharmonious spirits in all the world. Such an unfortunate situation did not develop until after the Caligastic rebellion (resulted in the fall of Adam and Eve) and only persisted until Pentecost. The concept of good and evil as cosmic co-ordinates is, even in the twentieth century, very much alive in human philosophy; most of the world's religions still carry this cultural birthmark of the long-gone days of the emerging ghost cults. MoC 880

Utilising Dr David Hawkins' Map of Consciousness and kinesiology muscle testing, one can calibrate the level of truth of anything using this scale.

That is, when one may be considering an important statement then one can readily determine if the statement is true or not true and to what level of truth it may be.

The scale is based on the common log of 10. A one point variation is a ten fold difference in the energy of love / truth relating to the calibration.

The Map of Consciousness (MoC) table is based on the common log of 10. It is not a numeric table.

A calibration increase of 1 point is in fact a 10 fold increase in energy.

A calibration increase of 10 points is in fact a 10,000,000,000 fold increase in energy.

Thus the energy differentials are in fact enormous!

Anything that calibrates under 200 on the Map of Consciousness is untrue, not life enhancing, and is also a negative man-made emotion. The lower the calibration the more serious is the negativity of the item being tested. Calibrate what one may be eating and that will assist in changing one's diet.

Anything calibrating over 200 is in truth – to a degree – it is life enhancing and truth is prevailing.

The level of consciousness of humanity is around 210. We have a long way to go.

The 1<sup>st</sup> sphere peaks at 500 which is the upper level of reason.

The calibration for the hells (3 Spheres of Disharmony) is 200 and under.

The 6<sup>th</sup> sphere peaks at 1,000 on the scale for the Map of Consciousness.

Map of Consciousness:

Enlightenment (emerging)	700 – 1,000
Peace	600
Joy	540
Love	500
Reason	400
Acceptance	350
Willingness	310
Neutrality	250
Courage	200
Pride	175
Anger	150
Desire	125
Fear	100
Grief	75
Apathy, hatred	50
Guilt	30
Shame	20

People and spirits who calibrate fewer than 200 have very little energy. One may find themselves very reluctant to communicate with such a person; the style of communication of someone under 200 is very different. In fact it is difficult for communication to meaningfully occur between someone calibrating around 150 with someone calibrating in the 400's. You walk away, or withdraw from the engagement.

Like attracts like. High level spirit truth communication is between two people in a very good space – at a high level of love to say the least.

We all have our moments of distraction – when we do then we can muscle test the situation, we do not have to totally rely on our intellect.

We are all being gifted with what is now a literal flood of the most wonderful teachings that man kind has ever experienced. Now is the time to share the possibilities and allow people to **feel** for themselves the wonderful truths that are now being published.

In the Library section of Pascas Health are downloads on these subjects:

Pascas Care Kinesiology Testing	(Medical)
Pascas Care Transcending the Levels of Consciousness	(Medical – Our Real Self)

There is a great deal that can be more clearly understood with the assistance of the calibrations utilising Dr Hawkins' scale. For instance, Divine Love based messages typically calibrate over 1,100.

The contents of this document calibrates on the Map of Consciousness at over 850.

**The URANTIA Book:**

1925 – 1935

**Paper 53: 8. The Son of Man on Urantia (Earth)**

(610.3) 53:8.7 Before the bestowal of Michael (Jesus of Nazareth) those rulers of darkness sought to maintain their authority on Urantia (Earth), and they persistently withstood the minor and subordinate celestial personalities. But since the day of Pentecost (shortly after the death of Jesus) this traitorous Caligastia (at the time of the arrival of the First Parents) and his equally contemptible associate, Daligastia, are servile before the divine majesty of the Paradise Thought Adjusters and the protective Spirit of Truth, the spirit of Michael, which has been poured out upon all flesh.

(610.4) 53:8.8 But even so, no fallen spirit ever did have the power to invade the minds or to harass the souls of the children of God (us earthlings). Neither Satan nor Caligastia could ever touch or approach the faith sons of God; faith is an effective armour against sin and iniquity. It is true: "He who is born of God keeps himself, and the wicked one touches him not."

(610.5) 53:8.9 In general, **when weak and dissolute mortals are supposed to be under the influence of devils and demons, they are merely being dominated by their own inherent and debased tendencies**, being led away by their own natural propensities. The devil has been given a great deal of credit for evil which does not belong to him. Caligastia has been comparatively impotent since the cross of Christ.

It is I; White Feather, let us begin,

When a soul in spirit is living in Divine Love, we have learnt and shared with you that the spirit body changes from the New Birth that happens in the soul. A soul living with Divine Love in spirit with its beautiful spirit body shining, is still finite in form and image yet in the full awareness of ones individuality. A spirit living in Divine Love respects the boundary of a mortal soul. One will not pass through a natural mortal human body. We can work in a healing capacity utilising the energy of our soul for our spirit is active with the attribute of the Father's Spirit that is present in all things, to help improve the harmony of the individual. Each individual contains a spirit body and this presents a boundary so that two souls cannot inhabit the same space at the same time. Only the Divine Love of the Father being of Soul substance can move into another soul and cause such great effect.

Whilst we can influence certain physical conditions if the individual is in the necessary condition, such as James Padgett was to receive messages via automatic handwriting, his will was compliant to such work that made the necessary rapport more easily established. His ability to receive Divine Love provided the workings of the Law of Communication to become active and present for his soul, and for the most part, was in good rapport. Spirits in Divine Love do not attach themselves to mortals. Spirits in Divine Love do not exert their will to influence Natural spirits or mortals to commence the choice of becoming aware of Divine Love. It is a Celestial spirit's love of the Father and understanding that each individual participates with the Love by individual choice, which respects the workings of the will of all individuals. The Divine Love is beautifully present. When a spirit in Divine Love is present with a person, the Love is the all-sustaining influence. We can see the condition of the physical body relative to the condition of the soul, we will always comply with the Laws that we are aware of so that the individual boundaries of mortal experience and a spirit's experience completely respected.

The structure of the Natural and Divine Love Spheres are sustained in the Laws of the Father and one of these Laws maintains the spirit Spheres to be distinct and separate from the Earth so that all souls living in these Spheres have their boundaries so that the mortal world is not interfered with by millions and billions of spirits. If you like, the Father has in place a Sphere protective Law to prevent the mass intermingling of spirits with mortals, where natural spirits of low condition may continually be trying to self-assert their will to create an influence in the natural world. This would be a complete error for those who can see, being the spirits, would be influencing those who cannot see, being mortals of the world and the drama created between spirits and mortals could have severe ramifications.

Whilst many individuals have had experiences with spirits, this message is to illustrate the boundary that exists to contain the Natural Spheres from the mortal world. Spirits obviously communicate with mortals and mortals with spirits. From our vision and perspective there is nothing random, for all souls in the spirit Spheres are subject to the soul Laws that come into effect the moment they become spirits. Love is the way in all spirit communication and experiences and the grey area is when a person has a spirit experience when they themselves, insufficiently developed to understand the truth behind why such an experience or communication has transpired. For many in Natural Love this experience can be fearful. It is common to fear the unknown or experienced but unseen. However, the most significant

thing is love. If a person knows of Divine Love and feels that they have had an experience which is beyond understanding, the best way to resolve such an experience is to remain in the presence of Divine Love and to quietly, from ones heart, speak the awareness of the Love so that in faith love is the way.

Your friend and in shining light with Divine Love,  
White Feather

January 27th, 2008

It is I, White Eagle and it is a pleasure to help in this awareness of Divine Love in this present day as I did help with the work that many spirits did with James Padgett insofar as bringing the Truths of the New Birth into the world of humankind. I have been with White Feather during the times when he has communicated, and he is a beloved spirit.

My message may help to clarify a little on the interaction between natural and Divine Love spirits and the Laws that come into effect to allow such communication to transpire. This is a big subject, difficult to communicate in one message, however with clarification, light may bring light, and this may bring some understanding to help improve this experience.

Mortal souls in natural love can and do, as many have experienced, communicate with natural spirits. These confirmations convey the fact to natural mortals that life exists after death. Divine Truths communicated between natural mortals and natural spirits about the Divine Love, can only occur when one of these individuals understand the actual experience of the Love itself. Therefore, this communication is very much a meeting between relatives and is in a natural context, even though one is mortal and one is spirit.

Two other Laws; the Law of Attraction and the Law of Condition assist the Law of Communication when spirits communicate with mortals. The Law of Condition applies to the condition of the soul of the mortal who is in attraction, participating with the Law of Communication between mortals and spirits. Every spirit in Divine Love understands and respects the mortal will and so the will of a mortal never interfered with. Even with Divine Love, this truth respected. A Divine Love spirit will not coerce a mortal or externally influence a mortal subject to what the Divine Love spirit believes is in the best interests of said mortal. Divine Love spirits simply do not act in this way. The will in a Divine Love spirit begins to change from the influence of Divine Love and so, the individuality of each spirit becomes more in understanding of how a soul in love works and these workings remain true in all forms of communication. Jesus when working with James Padgett expressed with love, that James pray more to the Father so that the presence of the Father in James' soul could then fulfil the work. Jesus and the other Celestials never used their spirit-will to try to write over James to get the message across, when his soul was not in the necessary condition of attraction and rapport.

The Law of Sphere Protection does exist between the Natural Spheres and mortals of the Earth; this, explained in a previous message. The most important factor here for dark natural spirits, is that these spirits in these Spheres that are their environments, contained by the very condition of their soul, which has compensation to fulfil. What this infers is that these dark spirits are contained so that they can no longer utilise **their will** as a spirit to cause further transgression or to influence a mortal by the exercise

of their personality and will, or further advance their agenda as a spirit in mortal affairs on Earth. A dictator for instance, who caused the deaths of many whilst on Earth, cannot as a spirit continue their dictatorship from a Sphere to continue their cause so that they still believe that they are determining the course of events on Earth.

The Father is wise to create these Laws to prevent such wilful spirit determination from happening. From our life here in these Divine Love Realms, all that I have shared is very clear and the Father's Laws in their working never negated so that the dark Spheres with their inhabitants have any control or power that may affect the mortal or natural spirit Spheres. Dark souls by their own actions have placed their souls away from Love and this creates an isolation away from the mortal world and the progressive natural and Divine Love Spheres. The Spheres where dark souls live are full of souls who in attraction are all of similar nature. For the workings of the soul in context to the Father's Laws in Love are finite when relating to mortal life and spirit life in Natural Love. Their experiences on Earth may have been different yet essentially, the errors are all the same for Natural Love can be no higher or lower than its own essence, and so, the full extent of natural man and natural spirits reflect this Truth.

When dark spirits begin to progress, the way of their progression invokes the same Laws that all work with progression. One such Law in working is the Law of Compensation and this Law operates so that the individual can amend any errors self-will created from a mortal life. When completed, the soul progresses toward the First Natural Sphere or First Divine Love Sphere. All that once was self-serving is transformed into the opposite, being of service and the condition of darkness dissolves and the penalty has been paid and love is their way.

It has been a pleasure to write again, your friend in Divine Love,  
White Eagle

January 29th, 2008

Dear Nicholas and Zara,

I will continue on the subject of spirit communication and interaction between mortals and spirits, spirits and mortals.

The Law of Rapport and Communication helps one to learn and understand how dark spirits cannot influence their personality and will directly into this mortal world. The essence here is that these souls are in such poor condition that they do not have the condition to work with the Law that enables love communicated. It has already been revealed in Jesus' teachings of the New Birth with James Padgett that there are Laws that are lesser and greater Laws. When the workings of this Truth regarding the Father's Laws are recognised, it is that dark spirits are generally in such poor condition that they are not in the necessary condition to work with these dynamic Laws. These souls do not have the knowledge of how such Laws work unless guided by better-conditioned souls, to communicate; such was in the case with James Padgett.

**WE ARE ALL SOULS of the FIRST SOUL:**

**We are mortal souls who have the potential to experience the Divine Love.**

**If a person or spirit experiences a drop of Divine Love, then the soul is deemed Immortal, which the spirit body and personality must follow to this perfected truth. The Divine Love is in its own nature, the highest, or if you like, the most perfected form of energy and Law that a mortal soul can receive and experience.**

**The radiance of the spirit body that is seen by other spirit people, is distinguishable as to the presence of natural love and the amount and also Divine Love and the amount. The energy of both loves is processed in the region of the solar plexus within the spirit body. One's soul is lodged in close proximity to the spirit mind.**

**Divine Love – if sincerely asked for – will not be withheld by the Eternal Love of the Father, no matter what condition one's soul may be in. Divine Love is experienced at any stage in a natural love condition of soul whether error exists or not. What is required is that the cognitive capabilities of the maturing personality must knowingly be asking for this love to be added to its being.**

**Conception / incarnation brings together the soul, which lodges within close proximity to the spirit mind, which is located in the same region as the physical brain. The personality is created at the same time as the spirit body. Nothing that is Divine is within the forming entity.**

**The spirit body's energy is managed in the region of the solar plexus, we are endowed with natural love, being an energy, at conception. It is this energy that is visible to other spirits, not the soul that we all have.**

**A newly individualising soul is just a tiny invisible spark.**

**Viable embryo forming.**

This also illustrates a difference between the workings of Laws in context with only Natural souls and the workings of Laws in the Divine Love Spheres and in the Celestial Heavens. A Natural soul in poor condition may still desire to utilise their spirit will to influence mortals, yet the Law of Rapport and Communication does not come into effect for the dark soul does not have the energy within their soul to work with and invoke the action of a Law of the Father such as this. Dark souls cannot influence the Natural Spheres above them or the Divine Love Spheres and the Earth mortal Sphere is in this category. This reveals that the condition of a soul in spirit in darkness has in fact placed them selves in this condition, which has effectively isolated their own soul from all the Natural and Divine Love and mortals.

I have made mention of the three dark Spheres. These Spheres form the lower adjunct of the 1st Natural Sphere and in this way the condition of such souls are contained so as not to intermingle with souls of a higher Natural Love condition in the 1st Natural Love Sphere. Not all souls in a condition of darkness share one dark Sphere; for even in conditions of darkness, there are gradients of compensation attributed to a soul from a life once lived on Earth. These three dark Spheres only represent the condition of the souls who reside in them and the darkness represents love that is not present and active in these souls. Their souls are always in the potential and essence of love, yet until their will engages by choice to commence their way back into a better condition of love, or with Divine Love, their condition remains the same and the Law of Compensation and the Law of Forgiveness is ever waiting for them.

Even if a mortal uses their will with the intent of creating darkness on Earth and asking for dark spirits to assist, this does not happen. Dark spirits have no power when they reside in the dark, lower Spheres. There is nothing to fear from these Spheres. The individuals who reside there cannot impose their will on mortals or subject anyone to do their will. The Father's Divine Love is available to them and even though individuals on Earth may still direct their will to create perceived gross error and darkness, when these souls realise the error of their ways, they can become just like all living souls, Divine in their New Birth. On Earth, the will of men and women is paramount as you all know, and when people become inhabitants in the Natural Spheres this will changes to be that of the spirit will. This reveals more clarity, that simply because a soul is in spirit without a physical body – does not mean that they immediately have any more freedom – which means a dark soul upon entering the spirit Spheres does not have freedom to exercise their will in a grand scale simply because the restrictions of a physical body no longer exists.

In essence, this is where the understanding and awareness of Divine Love and Its workings in context with Natural Love help greatly. When natural understanding of the Natural Spheres is the only perspective, and then so much that is unknown made as a fact or reality, which in truth is untrue. With the Divine Love and its Truths this provides an objectivity so that the workings of Natural Love that is finite on Earth and in the Natural Spheres becomes realised and the comparative reality begins to surface that sheds light on what is true with an understanding of both the Loves.

It has been a pleasure to write with you again and to expand this subject for it is of significant note.  
Your dear friend, White Feather

**Note:** Following the writings of James Moncrief, one could consider that any reference to the Father, by other relevant writers, may be read as a reference to ‘our Mother and Father’. Further, when considering soul healing, then reference to Divine Love could be referred to as ‘Feeling Healing with Divine Love’.

**NATURAL LOVE and DIVINE LOVE SPHERES and FEELING HEALING PLANES:**

One's natural love is always progressively perfected during this journey of evolution of the soul.

Upon embracing Divine Love at any stage, then one can progress through the Divine Love spheres 3, 5, 7, whilst also doing their Feeling-Healing.

Even though a person may have received Divine Love, they do not avoid compensation or doing their Feeling-Healing, so they may still spend time within the spheres of disharmony.

Natural Love sectors for those doing their Feeling-Healing, without the Love, are within the Natural Love Mansion Worlds:

Progressing through the natural love worlds, within Feeling-Healing sectors, while doing one's feeling healing, upon reaching the 6<sup>th</sup> Sphere having completed Feeling-Healing, one can then embrace the Divine Love and proceed directly to the 5<sup>th</sup> Divine Love Sphere.

Then they may prepare to enter the Celestial Heaven Spheres from there.

This pathway is when the Divine Love is unavailable before perfecting one's soul.

January 30th, 2008

Dear Nicholas and Zara,

I am here your friend White Feather to write a short message that may help shed light on spirits communicating with mortals. I am aware of all contributions as Nicholas has read them and shared them with me. It is very good to see such discussion transpiring as all aspire towards the light of understanding.

It is quite easy to see the workings of communication as a spirit; this is an obvious statement but a true statement. If one learns that Divine Love spirits do not interfere in a detrimental way with mortals for they understand love and Divine Love and the working of the Law of Communication between spirits and mortals, then the Truths' upheld and love is the way.

Natural spirits in the 6th Sphere, 4th and 2nd and the 1st Sphere do not interfere with mortals for they have adjusted into their natural spirit life and understand that their life continues here and that it is of no necessity to try and influence a mortal soul for the spirit's own agenda. Of course, Natural spirits in these Spheres and Divine Love spirits in their Spheres and Heavens do desire to make contact with mortals yet this is done in love and with complete respect to the individuals concerned and the will of a spirit in no way tries to manipulate the mortal will of a living person.

With Divine Love spirits, the Law of Communication is paramount and completely lived as a truth. If one thinks about this for a moment, why would the Father set in place a structure where such loving souls abide in the Law, these souls being Divine Love spirits and Natural Love spirits, to then allow dark spirits in their Spheres to run rampant and influence the mortal world completely in contradistinction to the Law of Communication?

The Law of Communication is not just Law to receive a message from a spirit. The Law is also of spirit-body boundary and all forms of interaction. I am here to say that the dark spirits in their poor condition do not influence the mortal world at their own pleasure and will whilst all remaining Natural Love spirits and Divine Love spirits in good soul condition watch on and do nothing.

This sharing may help to provide more insight into the way that individuals in these Spheres act or interact, or do not interact with individuals in the mortal world. The Father has in place these Laws for a purpose and these Laws have been in existence since the First Parents and form the very structure for souls to abide in their respective Spheres, even if the souls are unaware of the Father in all living and the Divine Love.

When the dark spirits were present with James Padgett, they were present because Jesus allowed them to be present as he orchestrated events here in spirit. Those souls who were present in poor condition, were present because they needed to know about the Divine Love and the Divine Love is the middle ground that provides real understanding into the workings of what is purely natural in all its condition living and workings.

In the light of Divine Love and the beauty of this presence, it has been a pleasure to write again and share with you all.

In Divine Love, White Feather

January 31st, 2008

I come with my Celestial friend White Feather and he and I are with you now in the presence of Divine Love. My voice is to contribute in this discussion for discussion that elaborates on the workings of spirit in all its workings, is dynamic and stimulates perceptions of the soul. Even though I am a spirit, to communicate with mortal souls in such a way is a privilege and one that we Celestials have dreamed of happening one day, and that day has arrived.

In Natural Love in the mortal world, the belief in reincarnation created by man continues to exist. When a person passes into the Natural spirit-Spheres their belief in reincarnation can continue to exist even though the reincarnation of a soul does not happen. Men, women, and spirits can keep this belief and this may form part of their understanding about life. A Natural spirit in the belief of reincarnation may communicate through a medium who believes in reincarnation, to a person who believes in reincarnation. Whilst all three individuals believe in reincarnation, the untruth will never become a *truth* and even though the untruth continues to exist in their natural condition, not one of these three souls will effect reincarnation of their soul. The Father has not created a Law of reincarnation. A mortal soul cannot reincarnate from the spirit world for such a Law does not exist and a spirit even believing that they will reincarnate, will remain in spirit, for no man or spirit has the power to create the Laws that determine the creation and incarnation of mortal souls and their progression when living as a spirit. Only the Father can create the Laws that determine the workings of all mortal souls.

When a mortal soul arrives in spirit or becomes a spirit, the immediate thing that happens is time. Suddenly the individual removed from the normal workings of mortal physical time and the individual that is now a spirit is subject to the time of spirit. What may seem three hours or three days on Earth is not the same time in spirit. Mortals may perceive that a spirit roams the mortal world for days or years. This is only a mortal perception of time. For the spirit, only a short period of time elapses before the Law of Attraction comes into effect. That spirit feels the invisible unseen force that is the Law of Retraction coming into effect. The individual spirit cannot by will or force, be withheld from the time in spirit that suddenly transfers that individual to the respective Sphere suitable for their condition.

The Law of Retraction is the Law that comes into effect as I have just explained that brings the spirit away from the mortal world into the influence of the spirit Sphere. It is the mercy of the Father to provide such a Law so that individuals upon arriving in spirit do not experience a quasi-state of loss to be neither mortal nor spirit. The Father is providing care for all souls irrespective of their condition.

The Law of Attraction and the Law of Retraction is specific to the time when individuals have passed over and even though some may desire to stay in their mortal space of departure, this Law comes into effect to cause the correct attraction. The Law of Attraction then comes into effect and so like finds like in these Spheres. The Law of Retraction precedes the Law of Attraction. To highlight this, people may see that a three-day period passes before the spirit retracts into the First Sphere. Three days in spirit does not exist and so the time is completely different and the spirit will in fact retract into its appropriate Sphere far sooner than three days. The essence of the three days – is that spirits arriving in their Sphere take time to acclimatise to this new experience of being a spirit. The understanding of how to live as a spirit and the rudiments of learning how to communicate and move around and so, when a spirit arrives to communicate with a loved one, the spirit effectively knows what is happening for they have adjusted into their spirit-ship.

A person on Earth who is in poor, dark soul condition may go to a medium and receive from a spirit dark information, but like reincarnation, such communications lead to nowhere for in truth, a mortal soul in darkness is already in darkness and so a dark spirit cannot influence that which is already of similar condition. A dark spirit cannot influence a mortal soul that is of higher condition otherwise this would be the Law of Communication working in contradiction to its own working. To complete this message, an idea of things. A dark spirit cannot influence a spirit in the First Divine Love Sphere. A dark spirit cannot influence a spirit in the First Natural Love Sphere. This is true for the condition of soul in the mortal world for one must remember that the structure that the Father has in place is soul-related and even the Spheres including Earth are for souls to abide in love. All the Laws and all the Truths and both Loves – Natural and Divine – are all soul related and even though in ones physical condition this truth may be unseen or unknown, it is still nonetheless a truth.

Thank you and it has been a pleasure to share and contribute with you all and my voice is only one voice shining with you all in Divine Love.

This is a most beautiful experience.

White Eagle

February 4th, 2008

It is I, White Eagle to share a voice in this discussion concerning the subject when a mortal individual becomes a spirit. Once again in this presentation, it is for each to consider in their own learning about the greater realities of the mortal world in the existence and union of the spirit Spheres.

Firstly freewill and the gift of it, being from the Father, is solid and identifiable in a mortal experience. Whilst man and woman are mortal, ones freewill is utilised and the soul and its true function may be more or less largely unknown. Here in these Celestial Realms it is life around the other way – the soul of an individual known and freewill forms a part of this reality and is not the primary attribute that functions. An individual who is well progressed in Divine Love and their New Birth has learnt the reality of soul and the gift of freewill is in the soul and works harmoniously in the soul with the harmony of the Father. This is part of our learning to live as souls in spirit in harmony with the Father.

Picture a person standing on a beach. This person has never been in the environment of the ocean before. Their will only knows its freedom and identity with terra firma. This individual believes themselves to be a master of their own terra firma. It is time for a swim and the ocean is spirit. What the individual knows is that there may be an incoming tide or an outgoing tide and this outgoing tide exists in the water and is unseen. The free will of the man moves into the water and suddenly his environment changes. The outgoing tide takes hold and begins to drag him out to sea, and suddenly the will has to deal with this new environment. The master is a student again. Although the man has free will and this he mastered on terra firma, because of his lack of experience in the ocean, his will is now subject to the workings of the current.

This image reveals a lot about the immediateness of life-after-death. Individuals on Earth upon entering the spirit life are engaged in a completely new environment with currents that are

the Laws that exist in such an environment. The essence here is that as an individual becomes a spirit, the reality of the soul comes to the fore, this is the environment of the Spheres, and why the Spheres were created so that individuals continue with life. If you look at the spirit Spheres in the same way as a mortal experience on Earth, then you will misunderstand and not be able to see the one great reality that reveals that life-after-death is entirely a soul related experience and the condition of the soul sets into place to begin with, the life of the now living spirit. This is the turnaround point that defines so conclusively the difference between mortal life as a soul and spirit life as a soul.

The Law of Retraction is not subject in its workings to the will of mortal man but rather the soul of an individual who becomes a spirit is subject to the Law of Retraction. In the end, one learns with Divine Love that the will does not determine the workings of the Father's Laws but that the Father's Laws determine the workings of soul in all conditions. The Law of Retraction is a merciful Law for it helps an individual when they become a spirit to move into the spirit existence. Often the emotional attachments in a soul, because of relationships being still so strong and real, and attachments to mortals and possessions back on Earth may prevent the individual from moving into the first Natural Sphere.

All mortal souls begin their life on terra firma. This truth relates directly with the fact that all souls need to incarnate so that a beginning of individualisation commences and requires the finite reality of the physical being to commence this beginning. A finite person cannot live in spirit Spheres at the same time as living on terra firma. When the time comes to leave terra firma and to become a spirit, which happens to every soul, this new environment becomes like the sea and the currents will come into effect.

Hello once again, and let us continue together in the presence of Divine Love.

It has been very significant in this collaborative effort to write with many contributions about the nature of dark spirits. We all know that the soul is love and we desire nothing more than souls finding their way in love and out of their present condition. Many individuals, beginning their learning of the afterlife, may fear to start, given the unknown influences of such spirits and even leading to extremes of belief such as evil influences or Satan's handiwork. It is important to recognise that when one begins learning about spirits, that love rules the heavens and those negative influences are not rampant. When one opens up to the world of spirits as a mortal, one may feel that they are opening up to whatever is passing by... and this can create a great sense of the unknowing.

From a mortal perspective, one may like to experience contact with a spirit. From spirit's perspective, a spirit knows that there are many, many spirits existing in these Spheres. The mortal needs to learn that there are literally billions of souls in spirit and predominately most of these souls are in a good condition of love. It is also intrinsic to learn that an influence from souls in poor condition is nullified from the dark Spheres and that spirits cannot create fear in the mortal world. It is the lack of soul condition in the mortal that fears or he projects fear onto a spirit, that then a mortal may perceive a spirit to be in a negative condition when in fact; the spirit is a soul in love. Many people have contributed their efforts

into learning about the realms of spirit and spirit communication and vast amounts of experience recorded in literary form so that individuals can read about the afterlife, and how this world, relates to Earth. Love is the predominant link between these spirit Spheres and the mortal world, for Natural Love is so prevalent and open communication between spirits and mortals can readily take place. There is no dark 'side' in existence in the spirit Spheres only the Spheres created by the Father to contain the souls who have placed themselves in a condition of darkness reside in these Spheres. There is not a dark side versus a light side in conflict and error that perpetuates an inharmonious spirit existence.

The Natural Spheres are very contained, the Divine Love spheres are very contained, and the reality of spirits living in these Spheres is very contained to the conditions of soul. The whole infrastructure is soul related and so when a mortal is learning about the other side, it is helpful to realise and to become aware of the fact that all are learning about soul and love. This ultimately leads to the learning of soul with the Father's Soul in Divine Love.

Thank you for receiving this message of support and encouragement, with much love until we write again, your loving friend,

Hello again, and I am quite overwhelmed by all of this.

It is as a spirit, so wonderful to write and to convey a message this way. It is everything that I dreamed of, only now I am doing it as a spirit to a person, where my dreams were once of being the person and being in touch with a spirit.

Here we go – (I can see that this means a tremendous amount to her, she is lovely and a gentle soul and is almost embarrassed and shy). Attachments by spirits I have learnt happen very infrequently. An individual cannot become lost or hide in a person's aura because each individual has a spirit body and this creates a boundary. When children are scared or frightened, they may resort to hiding. The girl Erin was hiding from her self, and had created fictitious characters so that her sensitive nature could cope with the physical traumas of her accidents. This was her way of being able to deal with her physical sensitivity in a harsh material world. Her energy was very sensitive, almost of a psychic nature so in her own mind she had created these characters to deal with her own pain in her life. The love in her soul strengthened and each time her internal energy strengthened a little, the trauma that was a character would leave, and love was restored and hence the healing and balancing of her energy. This girl utilised these fears to safeguard herself from the world. This is why love and nurturing of children is paramount so that the inner energy of the soul has a chance to ripen so that each individual feels safe in the world. Humankind knows about feelings and there is always great insecurity in the world, and so, out of these insecurities, the world tries to make itself feel more secure yet in doing this, it sometimes creates more insecurity and this can perpetuate on a worldly scale and an individual experience.

I hope this has helped gain a little insight into the subject of spirit attachments. I feel so fortunate to have been able to write a second time when so many brighter spirits are present and the Love, well the Love is more than I ever dreamed.

Loving always, Irene

NATURE and STAGES of FUSION:

Seventh stage of Fusion of individuality is the transition from the Eternal Spheres to the Spheres of Paradise. The individual is now fully fledged in their union with God and can travel around the entire soul Sphere that God is and resides in.

Sixth stage of Fusion truly demonstrates how the personality is infused with extended attributes of mind-spirit function as the individual progresses from the Celestial Heaven and enters the Eternal Spheres.

Pre-Incarnational Sphere:

First stage of Fusion is the separating of the soul into two, each soul half being complete on their own.

Fifth stage of Fusion transpires when their natural love changes and one's soul progresses to the condition to be of Celestial soul quality, one enters the Celestial Heaven.

Fourth stage of Fusion involves the Divine Love. This can happen at any time during the natural life experience of the individual. Happens when the Immortal Divine Love enters the attribute of the soul for the first time, either when in the physical body state or spirit body state.

Second stage of Fusion is simply defined by the incarnation of the finite attribute of the soul to acquire a spirit body and living attribute of personality, which commences the finite soul's individualisation of mortal life experience.

Spirit body →  
Soul →

Third stage of Fusion in a soul's life is its transition into the First mortal natural spirit Sphere. This stage is defined as the ending of the physical incarnation and the beginning of life in the spirit world.

I am here and I enjoyed the message from White Feather. It is always a remarkable gift when a spirit communicates from spirit into your mortal world. We all once lived on Earth, in our respective time and place as you know, and for us here we never take this form of communication for granted. We are mindful that many of you are endeavouring to learn and live in Divine Love whilst mortal conditions prevail and sometimes-present obstacles and difficulties for this Love truly recognised and felt in your own respective lives.

My contribution to the conversation regarding the Law of Retraction and dark spirits interacting with mortals is as follows. Once again, this presentation is for sharing so that each individual can learn in his or her experience in Divine Love. The spirits in Divine Love do not desire as spirits, to convey absolute and authoritative truth in a manner that places ceilings and conditions. We communicate and share in love and in the presence of Divine Love understanding that Divine Love reveals all, and that Truth is perfect in Love and so awareness and learning is every loving step of the way. Sometimes one may struggle when learning, yet be mindful that the Father is patient and nurturing and has all the time in the world for you.

All spirits in their respective Spheres can move about and as taught in James Padgett's work, a soul cannot move higher than its own condition. A soul cannot in the condition of Natural Love in the first Sphere, suddenly progress, or move by its own choice and action, to the 6th Natural Sphere, or for that matter, into the Celestial Heaven. The movement of souls entirely based on soul-condition related in love. Souls who have evolved in their understanding of love and Divine Love can move back down the Spheres where they have progressed. This is clear for Celestial spirits can move through all spirit Spheres and interact with any soul when necessary. A soul in poor condition cannot progress by its own volition to a Sphere that sustains souls in a higher condition of love. This means – and this is the key working – souls in spirit cannot influence souls in a higher Sphere and so souls in poor condition cannot influence mortal souls on Earth in a higher condition. This is in keeping with the way in which the movement of souls occurs in these spirit Spheres.

From our perspective as a spirit, the mortal world is simply another spirit plane of existence and has continuity in its relationship with all other Spheres. We do not see the same separation between the mortal world and spirit Spheres that you in your mortal experience may do. We see that the Earth plane has equal significance as all other Spheres for all are present and living and the Father has created this to be the way. There are Laws that govern the interactions between spirits and mortals, and mortals with spirits. From our perspective, these workings are as real and true as the workings of all other Laws relating to the interaction between all other spirits.

The transitional period from mortal life to becoming a spirit is as significant as a spirit receiving Divine Love in a Natural Sphere and then moving to a new place of residence in a Divine Love Sphere. There are invisible boundaries between Spheres. Only when a soul is in the right condition, can such movement in the passing through these boundaries transpire. The way in which all these Spheres, inclusive of Earth are interrelated is a remarkable creational construct of the Father. We here in spirit can see the full working and vision of all these Spheres as the great number of souls reside throughout all Spheres and the movement of souls is contained to the way the Father has created love and Divine Love to be.

With much love and this has been a pleasure, your friend and Celestial teacher, Elias

February 12th, 2008

Hello sweet friends and we are all in the presence of Divine Love and it is a pleasure to be here with you now.

In my previous message, I wrote about prayer and acceptance in Divine Love of the Father and I will continue on the subject of prayer. Jesus conveyed to James Padgett a prayer for Divine Love to help him in his work bringing light to spirits, the gift of Divine Love. In the Divine Love Spheres, we do not need such prayers for all souls are so accepting of the Love and interact with spirits whom are in a very good condition in Divine Love and so, this is confirmation enough of the presence and way with the Father. In our prayers for Divine Love there is no need to be concerned about spirits who are not in Divine Love so their influences have no impact or bearing upon our soul. The difference between the Natural Love Spheres and the Divine Love Spheres is very apparent. The Divine Love Spheres provide the perfect sanctuary and environment to begin their individualisation and personalisation of the Father with the learning required to progress in their New Birth. These Divine Love Spheres beautifully presented that prayer for Divine Love happens in a nurtured and supportive environment among other souls who are also supportive.

The prayer for Divine Love that Jesus conveyed to James Padgett has a mortal context and is more towards the act of faith for a mortal. In the mortal world, when a soul begins with Divine Love there is no possible way that one will be – or will ever be – surrounded by evil spirits and their influences. When Divine Love is involved and a soul is receiving this Love, this Love is the greatest of all loves and excludes any presence that may detract from the individual involved in their intimate moment with the Father. The only influences anticipated to create a negative influence are other people and this reality is mortal and natural. The experience of Divine Love does not need to be conditional upon the will of other people; the only individual involved is your own soul and the Love is for the soul and irrespective of all that may be transpiring through the interactions of will between people, the Love is always present to be received into ones soul.

Truth helps the individual; truth helps you to learn about the Love that you have received and this helps provide a greater awareness in your own experience. Divine Love is always present and so the individual learns just like spirits, that even though there are many more souls that are on their journey in Natural Love once one accepts Divine Love and begins in their learning, then this is perfect for one's individual needs. There are no spirits in existence that can prevent a Divine Love spirit from embracing their way in Divine Love. There are no spirits in all the Natural Spheres that can prevent a person from embracing their way in Divine Love. Truth is not a battle but a comforter to help support a soul's learning in the awareness of Divine Love.

Divine Love is so present and abundant and the Soul of the Father has made this so; this takes a lot of pressure off the individual feeling like they need to change the world once Truth, Divine Truth has been realised. The Celestial spirits whilst being of service to the Father in their ministry of love, would desire nothing more than for all Natural spirits to become aware that the Divine Love is present for them to receive. The Celestial spirits do not use their knowledge of Truth to unhinge the souls existing in the Natural Spheres, nor do they try to change the Natural Spheres themselves. The Celestial spirits are realised individuals in love and truth and the workings of the Father's Love. They do not exercise their

spirit-will over any mortal created natural soul. They present the awareness of Divine Love and are living examples of what they present knowing that only the individual can begin their own personalisation of the Father and that the Love is present and the environments created for this wonderful way to happen.

With much love and in the presence of Divine Love, it is a pleasure to visit you again, your loving friend,  
White Feather

**The life force for the spirit body and the physical body is via the soul. The spirit body is connected to the soul via cords of light, and in turn, the physical body is connected to the spirit body via cords of light. Should the light cords between the spirit body and the physical body be disconnected then the physical / material body dies. The physical body is our starting point for learning and experiencing our being. Our learning and growth experience then continues through the existence of the spirit body.**

**Note:** Following the writings of James Moncrief, one could consider that any reference to the Father, by other relevant writers, may be read as a reference to 'our Mother and Father'. Further, when considering soul healing, then reference to Divine Love could be referred to as 'Feeling Healing with Divine Love'.

**In this physical world, many people can see the auric field around one's body, this is the reflection of the spirit body which remains attached to our soul for all time. The soul is not visible to us, nor is it visible to the spirit person with its enhanced senses. The soul, depicted below, reflects through the spirit body which continues as our vessel for future growth upon the separation from our physical body. The separation of the spirit body from the physical body results in the death of the physical body. Your personality continues with the soul and spirit body.**

## The DIVINE UNIVERSE:

### 158. *On the Immutable Spirit Law that Sustains the Spirit Body*

7 December 2012

There is much confusion about the interaction of spirits with humans. This is quite understandable because so few people have truly been able to identify the immutable (unchangeable) Spirit Laws that function and act as a conditional harmony between all mortal spirits and peoples of the Earth.

When one understands the nature of the Divine Love experience and the fact that the Divine Love relates directly with all existing immutable Spirit Laws, then, all that defines the individual emerges with a true perspective of insight and knowledge. From the experience of natural love in a human without any awareness or knowledge of the Divine Love, one will be diminished in their capacity as understanding how these immutable Spirit Laws work and work they do to provide a mortal universal harmony between the human world and the spirit world.

The reason I mention this is to state that the individual human personality in its forming has the attribute of soul and spirit body to it and the spirit body is robust and a true existing body of real form, of real spirit energy, of real substance and image. I along with Celestial spirits can see your spirit bodies clearly and easily, and each spirit body to each individual clearly reveals to us, the condition of the soul, which instantly tells us the overall condition of the mortal personality to its condition of forming. I can see if a spirit body has commenced its change by the receipt of the Divine Love or a change in a progressed natural soul condition.

The spirit body is a bone-fide attribute and the most important attribute for the survival of the human personality. This means that to the forming of a spirit body, there is an immutable Law that protects each spirit body whilst in a human experience from any influence from a spirit in the spirit world. It has been revealed to you that no spirit can impose their personality *over* a human and this is true, for a particular immutable Spirit Law in its function prevents this from happening and this helps to maintain a harmony between spirits and the human experience. The only presence from the spirit world that can interface with the surface of the spirit body of a human is love and the immutable Spirit Laws allow for this form of communication.

There is a very good reason why the Father / Source Soul has set in place these Spirit Laws and in particular, the one that protects the human spirit body. The spirit body is the body in which the attribute of soul and attributes of personality survive a human life and the transition into the mortal spirit world. If the spirit body or the surface of the spirit body, were damaged or interfered with or in any way interrupted, this could have dire consequences on the personality contained within the spirit body. If spirits were able to penetrate the spirit body and interfere with the personality contained to it, then this could cause a massive transgression that would be potentially capable of disrupting attributes such as the memory, awareness, or cognitive aspects and reality and function in a personality.

I understand that fear forms part of human experience. There is a natural fear for survival and there is fear caused by personality. It is impossible because of the immutable Spirit Laws that act on each spirit body, for a personality in the spirit world to interfere or inhabit the space inside a human spirit body. Any kind of spirit possession is absurd and rests in the imagination of the mortal. Two independent personalities, one being a spirit and the second being a human person cannot inhabit the one same spirit

body. The immutable Spirit Law that acts upon the surface of each spirit body, human and the spirit prevents any such violation from ever happening. The only thing that causes a perception of possession is the fear that already exists in the human personality and or the human imposing fear to fight the existing fear.

Love in its natural and Divine forms, is in their essence a harmony and the existing spirit body that each individual has is like the soul and personality, a sovereign domain to each individual.

Your Celestial friend and teacher, Luke

### 159. *Communication between Spirits and People*

8 December 2012

Communication between spirits and people obviously transpires. You can receive my thoughts, impressions, perceptions and your spirit body is in no way compromised in its integrity.

**Can you receive negative input from a spirit? Of course you can.** Your soul perceptions will decipher and discern the information and if the input is coming from a negative source, and you were to receive direct communication from a spirit in poor condition, the impression would stem from the condition of this individual and you would be able to receive it, as you receive harmonious input. The downside to this type of communication is the evidence and effect on your spirit body and energies caused by being in communication with a soul in poor condition. However, in your (the medium receiving this particular message) case because you understand the way the Divine Love works in your life and the related immutable Spirit Laws, the only reason a spirit in poor condition would be in communication with you would be for that spirit to learn about the potential of progression and the Divine Love that will improve their poor condition.

Simply because one is a spirit in no way infers that that spirit is necessarily more advanced or progressed in their soul condition by the mere fact of local environment. A person living in their awareness of the Divine Love will be in better condition of soul and spirit body than any spirit residing in the spirit world living in only their natural condition of natural love. **Spirits in poor soul condition can communicate with you if you allowed this communication to happen.**

Celestial spirits never impose upon your asking to do a work such as this work, *The Divine Universe*. You have asked to be of service and so we can effectively communicate with you and the harmony of this work is an example in the way we are all living in our awareness of Divine Love.

If you (the medium) were to communicate with a spirit in poor condition, it would be because you have asked to provide this service and the individual would be able to interact with you in the correct and only way in which the Spirit Law of Rapport and Communication works and the spirit in poor condition in this communication, can in no way impose or establish any action resulting in your spirit body to lose its integrity. It must be said here that individual spirits in poor condition are so weakened by fear and isolation as their soul condition reflects in their spirit body, that a spirit in poor condition will find it difficult to be in rapport with the Spirit Law of Rapport and Communication between spirits and people. As it has been stated to you before, the immutable Spirit Laws form the boundary between the spirit world and the human world and no spirit can act of them selves in an independent manner outside of these immutable Spirit Laws. Even the Master (Jesus) is to comply as he does with these immutable

Spirit Laws and under no circumstances can fear override or overrule, divert or take the place of these immutable workings.

As you (the medium) have progressed in this experience of our Celestial communications you have been able to determine that no harmful side effects have resulted. You are both (two mediums receiving these messages together) in good soul condition as we who communicate are as well, the Divine Love being true to us all and the activation of the Spirit Law of Rapport and Communication demonstrates how cohesively we all work together when Divine Love is living in our souls. Even if you were to receive a communication from a spirit in poor soul condition such as a soul from the lowest of the natural Spheres, there would be no residual side effects transpiring in your spirit body or attributes of your personality. In fact, I dare say you would handle this communication in a manner that represents and is reflective of caring for another who maybe in their impoverished state, actually asking for a helping hand and guiding word. We actually service the needs of these individuals who are present when we write together as many are brought along to hear our words, these same very words that I am writing with you.

I would like to add here that I know that you are aware of the Indwelling Spirit. These works are not works caused into form by your Indwelling Spirit. These works have their origin in and from living personalities. The reason for this, and a good reason too, the Indwelling Spirit cannot demonstrate living in the Divine Love. We can and we do because the experience of the Eternal Father's Divine Love is real to us and therefore, when others come to read these works this vision and awareness conveyed in these works may sound a note of truth in another who has embraced their experience of living with the Divine Love.

[The Indwelling Spirit helps the Father reveal more of the Father to individual souls so that what is absolute and Eternal can be communicated with so that the Father is not inanimate and unknowable. The Indwelling Spirit helps adjust the spirit body as the changes occur as the soul condition of the individual is progressively transformed by the Divine Love.]

<https://new-birth.net/spiritual-subjects/indwelling-spirit/>

Poor spirits are miserable souls and their environment is a diminished Sphere compared with the other Natural Spheres. We are consoled in the fact that God in the forming of the mortal spirit world has provided these diminished Spheres for the poor soul to reside in, in their disharmony though they cannot cause or create any further disharmony to the Sphere or anyone resident in the Sphere.

If one understands the vision of the Spheres as personality environments, where progression in Love, Spirit and Harmony is the way for all souls, then the more progressed spirits live with real vision and universal experience compared to the least progressed who have no vision at all and cannot relate with the universal realities of harmony, Love and Spirit. When I visited these Spheres I could see the discord that individuals were living in. I needed to bear in mind that these individuals in their retched condition are still part of humanity and souls of the Father. Each individual has placed themselves there, by their actions of living in their human life. I have never heard of a natural spirit from the First Sphere to the Sixth Sphere creating any discord that results in that individual being sent to the Hells below. Just as each individual has put them selves in these Spheres they can change as potential exists so they can progress out of their condition. The immutable Spirit Laws function in these Spheres as they do on Earth or in any of the Spheres and The Spirit and The Divine Love are as present in these Spheres as present in any domain where mortal personality lives. I am afraid to say that these individuals in the

appearance of their spirit body are incredibly small. It is testimony to the personality the soul and the spirit body to survive in such impoverished conditions and testimony to the fact that God's workings still function so that the personality *can* survive when the individual has done absolutely nothing at all to change their situation.

In keeping with the vision of harmony stated in the spirit writings of James Padgett (Book of Truths by Joseph Babinsky), the mortal harmony in the spirit world will be realised and fulfilled when there are no more individuals living in such contradistinction to the universal harmony of Love and Spirit. All I can say is that each individual will be given ample opportunity to increase their potential and then if not it's in the lap of the Father. For just as God can cause a personality into existence by the workings of the Spirit Conduits that function to form attributes such as mind and spirit-mind, The Father is the only authority in all of creation who can work another attribute of Spirit Law that undoes a personality, soul and spirit body that was once formed. In the powers of mortal creation, mortal personality doesn't have a say in affairs that extend beyond its own material creation.

The student of the history of the Divine Love will have learnt that the Father once withdrew the potential for humans and spirits to receive the Divine Love. When it comes to such vast and extensive workings the Father does act and will act and is in this regard, no respecter of personality especially when the personality may choose to continue denying the very source of its own soul life.

Thank you for receiving my message this morning, and this may add some interest into the subject of communication, the spirit body, some conditions of spirit life and the question of mortal existence.

Your Celestial friend, Egl'n

### 83. *Wrongdoing*

16 October 2012

The condition for evil only exists in a human experience. As a potential for wrongdoing this human experience is not continued in the mortal spirit world. The acting Spirit Laws prevents any further subsequent wrongdoing and, one to another anywhere in the mortal spirit world cannot impose such vile actions. The Spirit Laws of Harmony prevent any further contravention between individuals. The grossness of such actions as imposed by individuals only transpires in a human life. Such actions affect the soul condition and that individual remains in that condition until the action of the Law of Compensation alleviates that condition for the perpetrator of such action and deed has chosen to progress back into harmony. As in all consequences of human living, the soul is present and any such action for good or bad, form part of that individual's condition. The full spectrum of human experience and condition in terms of consequences never exceed the present Spirit Laws and there is never more evidence of this than in the lowest Spheres that are the environments formed by God for such depraved individuals to reside in, so that harmony remains the integrity between all mortal Spheres. The universal potential for change and progression is always present and the divinity of God will help bring about change. Whilst the actions of men and women may result for such transgressive behaviour, the responsibility for all human actions rests with the individual and part of the universal harmony in which all humans and spirits reside in at its most fundamental experience, is never stagnate, for this provides the individual with the potential for change.

*Jesus of the Celestial Heaven*

**SELF CENTRED ACTIONS and AGGRESSION HAS CONSEQUENCES:**

**Any action that causes harm to one's self, or to another, degrades your soul condition. Your soul being your real self.**

**We may have a big powerful physical body, but our real strength is the condition of our soul. Should we assert our unloving nature and desires, then our soul's radiance and energy is progressively degraded. This can extend to the point where our soul's radiance is nothing more than that of a dried up darkened garden pea.**

**Our soul condition is reflected through our spirit body for all to see. Upon entering the spirit world, into the 1<sup>st</sup> sphere, a healthy loving soul will be reflecting out through a spirit body the same size as that of the physical body whose personality has now separated from that body.**

**A degraded soul results in a significant diminishment of the size of the spirit body. The poorer the condition the smaller the spirit body – significantly smaller. Further, there is little to no radiance, therefore, little to no light. There is greatly diminished capability in all aspects of spirit life and a great loss of the capability to move about.**

**In this condition, one is isolated into a very lonely dark environment to begin the long process of recovery and development of love for one's self and for all those around them.**

**One is always being loved, and help is always available, one just has to learn to accept this offer of love.**

**One can always recover and grow in love from what ever condition they may find themselves in.**

## **The Indwelling Spirit and the New-Birth.**

June 25th, 2008, Melbourne Australia

Received by Nicholas Arnold

I have been with you most of this morning and now we can resume our work together on this subject. Both you and Zara are in the presence of Divine Love and your respective soul condition is very good to receive. In receiving these Messages it is also important to note that you are not in a trance nor do I take control of your physical attributes to convey my message. You are cognitive and for the most part it is a shared communication where your soul and its perceptions listen to my discourse which you then communicate. This is the way you have received all your messages from the Divine Love spirits.

The Father loves nothing more than individuals learning about the individual and Eternal nature of the Father. The Divine Love begins this learning in a definitive way and this continues as the soul condition changes with the receipt of Divine Love. The Father's Soul is the existence of an Absolute Eternal presence with attributes that create all that has become the Realms in all their expression and experience in Universal creation. The Indwelling Spirit helps the Father reveal more of the Father to individual souls so that what is absolute and Eternal can be communicated with so that the Father is not inanimate and unknowable. The simplest way for a soul to begin knowing the Father is through the Divine Love.

Celestial spirits who have a real understanding of the effects of Divine Love in their soul move into the way of spirit love. Celestial spirits are in the Divine Love of the Father actively participating with the Father's Spirit that has become personalised and relates to the mind attribute of their soul. Spirit love is a reality because the physical environment that exists on Earth is not present. The Indwelling Spirit helps us to engage in the greater spirit realities that are pertinent to our existence and these realities increase as we progress in towards the Father. We do communicate with each other in a soul-to-soul spirit-to-spirit form of exchange which does not involve the construct of Earthly mortal language, it is a spirit language which we learn as we progress in soul condition, and the language of spirit becomes more realised. When the Indwelling Spirit communicates with us, it is instantaneous and active as a spirit-soul experience and so, we understand that the voice of the Father is actively communicating with us in the language of spirit and our soul accepts and understands this for our rapport with the Father is solid in Divine Love and our own soul's personalisation of this Love.

To provide a definitive understanding that defines the attribute that is the Indwelling Spirit and why this attribute is distinct from the Divine Love of the Father is in the teaching that Jesus has conveyed in the Padgett Messages that the Holy Spirit conveys into a mortal soul the Divine Love and the Holy Spirit, as an attribute given by the Father, works solely in this way. The Indwelling Spirit in its function does not convey the Divine Love into a mortal soul nor does it interact with the Holy Spirit that excludes the Divine Love of the Father. The Indwelling Spirit helps adjust the spirit body as the changes occur as the soul condition of the individual is progressively transformed by the Divine Love. This Truth is essential insofar as understanding the Indwelling Spirit and the New-Birth.

With love,  
Your Celestial friend,  
Ezekiel

### 305. *Contact with the spirit world*

17 February 2013

I am here to write on the various Spirit Laws that exist to maintain the harmony between spirits and people. You are now aware that there is a diversity of Spirit Laws, and that each distinct Spirit Law works its function so that boundaries exist in the spirit world and between the spirit world and the human world. There are Spirit Laws that are distinct in their working in the Celestial Heavens that do not exist or have any need of existence in the social natural Spheres where mortal personalities reside. The distinction made here clearly defines the reality of those individuals who are in their social-natural love or with the Immortal Divine Love and progressing through these Spheres.

It is paramount that any mortal spirit does not interfere with a developing human personality. God, in the forming of the mortal spirit world, has given form and principle to this spirit world of which one such principle of Law is that no disharmony will be created or caused by spirit on a human or any other mortal spirit.

Harmony exists between the Spheres and residing personalities cannot act or impose their will in a manner that is contradistinctive to the very distinct Spirit Laws that govern the harmony present in all Spheres. Many people do not know that such boundaries exist in the mortal spirit world, nor do they know that every single mortal or immortal personality is subject to these distinctive and diverse Spirit Laws. People who desire to learn about the spirit world have many ideas about spirits and the spirit world, and a great error in thinking by people, is to believe interference happens that is derogative to a forming human personality caused by a spirit's thought, energy or action.

Many people have had experiences involving spirit that cannot be easily explained and usually in a human experience, the little known Spirit Law of Assistance, which the Creator alone operates, has at times helped or intervened or ended or commenced something that appears 'not of the human world' to have happened. This Law is solely subject to God and no spirit can interfere with the working of this Law. This Law, as in all God's Spirit Laws, can only act in accord with the Source that has caused these Laws to exist in the first place, and this Source is God the Soul. Spirit can work with some of the Spirit Laws such as I am doing now, as I work with the Spirit Law of Rapport and Communication with the receiver of this message.

Mortal and Immortal spirits cannot sneak from the spirit world into the human world to cause or wreak havoc. We cannot attack or cause bodily harm, or cause disruption to a forming human personality. We cannot interfere with a person's dream state whilst they are sleeping, nor can we encourage any human to act in a manner that violates the very universal principles of love spirit and harmony. No spirit can interfere with or disrupt the Divine Love and the Spirit that conveys this Love into a human soul. The Spirit, or as some of you like to refer to this Spirit as the Holy Spirit, cannot be interfered with in its' working by any mortal or Immortal personality.

People cannot astral travel or travel at will or in their dreams through the spirit world. In all my years, I have never seen or met a person from the human world in the spirit world who is astral travelling, or whilst in their sleep state, travelling of a focus of their astral body. People would like to believe this happens, but it doesn't happen. The reason for this rests solely in the fact that the only way a personality

can visit the spirit world is in their spirit body when their physical body dies. People can form true perceptions of the spirit world by the use of their soul perceptions and spirit senses, so that such detail is seen that the human material mind may think or believe that it has actually visited the spirit world. The very Laws that form the human personality that includes the incarnation of soul and forming of the unique spirit body are the same Laws that protect the soul and spirit body so that the developing personality can form even though the physical condition of each person differ, and these same Spirit Laws prevent the personality or aspects of the personality from separating from itself or for one to leave their spirit body and relocate in their finite form in the spirit world whilst still in their physical body. The spirit-senses in a spirit body, if they are active, can provide real image and living energy into the reality of the living spirit energy that makes up the spirit world. This can appear so real that a person may actually think they are there, but it is only the activity of the spirit body and soul condition causing these experiences to become visible in the brain of the individual.

When we communicate with people, the receiver may work with the essence of our spirit-vision and their spirit-vision forms a living reality into the existence of spirit universal realities, and so the experience of time changes and one touches on the essence of spirit, whilst retaining their habit of physical and material experiences of time.

Making contact with the spirit world is a kaleidoscope of colour for most people. We understand this. I have seen many spirits converse with people over the years or interact with people and the unseen boundaries of God's Spirit Laws always present. I have never seen a disharmonious act committed by a spirit on a human. I understand that when a person becomes a spirit, in their time of integrating their new life, the individual can be in a fit of rage or angry or sad, because they feel the human life was over before its time. I have seen how these individuals communicate with mediums and whilst they are demonstrative in their action, they cannot force the Spirit Law that envelops them to change.

I know that people believe all sorts of things and that experiences and events have happened that cannot be easily explained and that defy the border of human experience, and that such experiences are determined as having been caused or influenced by spirits. My advice would be to begin receiving the Divine Love and gradually learning how the natural and the Divine Love work and from this position, to see how the harmony of the spirit world functions so that each personality in the spirit world in their respective environment is harmoniously living to the due fact of their soul condition.

There are no dark elements or conspiracies or hidden secrets keeping humans away from the spirit world. Everything has its place and the universe is a transparent place. For God lives with transparency, only that it requires our soul condition to develop with transparency, so that each one of us can learn to see the true nature of Love and Spirit and the way harmony is present from the Source to each finite soul.

With love,  
A Celestial spirit

## MODES of SPIRITUAL CHANELLING

**Normal mediumship is from spirit to mediums mind and then expressed verbally by the medium.**

**Trance mediumship is when the spirit takes over the mediums body – spirit to physical body by silver cord.**

**Soul to soul – divine love mediumship – can deliver huge packets of information at super light speed. This is the mode of communication within the celestial realms.**

**A lot of the spirits within the 6<sup>th</sup> sphere know every part of your physiology of your body. They can open or close parts of you so that you can think certain thoughts or not think certain thoughts that cause you not to experience certain emotions.**

**For when you are a channel for spirits, your ectoplasm is being used to modify the person to make these changes to their body, those spirits can make those changes to the body. The question comes, is the person aware of what is happening to them and do they care about what is happening to them and are they aware that it is happening to them without their will being involved? This causes the person to detune from the emotion, so they think they no longer have the emotion, but it is still in their soul, and still needs to be experienced. It is the oneness blessing's ectoplasm being used to modify the person to help to connect emotionally.**

This is one of many photos that Almine has showing spirit energies.

My direct connection with God is dependent upon me longing for God’s love from my heart.

**GOD**

God’s love is waiting to enter you at every moment.

What opens the barrier is a pure desire (longing) for God’s love.

With this barrier/lid off, God’s love flows in, growing the soul exponentially, more and more and more.

The soul can be likened to an ever expanding bottle, with the lid on and blocked, it does not grow, when lid is off, it expands.....

**Golden Rule: that one must always honour another’s will as one honours one’s own.**

**Our Heavenly Parents simply desire for us to ask for Their Love.**

**“Every day is a day of devotion.”**

**Please Mother and Father, may I receive Your LOVE.**

**God's Divine Love: Pray for it, ask for it, and receive it.**

**Our salvation IS the embracing of the Feeling Healing process and Divine Love.**

## EMOTION HOUSE CLEANING:

We are emotional beings, a mixture of loving emotions and unloving toxic emotions.

Toxic blocked emotions such as shame, guilt, apathy, grief, fear, unloving desires, anger, and pride, are ultimately physically very damaging. Should these issues not be released they can also assign us to the hells. You can envisage these as being within your untidy basement, each tread in the stairs being one of these emotions.

Praying for God's Divine Love and embracing Feeling Healing will commence to tidy up your basement and bring you into a higher soul condition as well as better physical health.

Continue on with your Feeling Healing and the addressing of your emotional issues while always asking for and receiving Divine Love. This will bring brilliance and lustre to your first floor of your dwelling, now that the basement is clear.

It is far easier to progress up these stairs with the aid of receiving more and more Divine Love than try on your own.

As you grow in love and pass beyond the 1<sup>st</sup> sphere (floor) into the 2<sup>nd</sup> sphere (floor) you enter the realms of love, you no longer are dominated by fear. Few achieve this beauty and cleanliness.

Should you progress above the 2<sup>nd</sup> sphere by continually asking for and receiving Divine Love, then your negative emotional issues are now diminishing. Now being in the 3<sup>rd</sup> sphere, you are progressing towards the Celestial Heavens. Your home is now one of increasing beauty.

**SPIRIT INFLUENCE:****The Golden Leaf – White Feather****9 June 2008**

The **mortal world** today is vastly populated. As you know, communication between populations, countries, and individuals is growing with awareness. The incarnation of a soul from the Pre-Incarnation Sphere begins the individualization of a finite mortal soul in its attribute and soul condition of Natural Love and a spirit body created so that the existence of the individual in the afterlife is prepared. There are individuals living in the mortal world that reflect all conditions of Natural Love. This is evident for when individuals complete their Earth life and their spirit life begins from the First Sphere, the Law of Attraction directly relating to soul condition comes into effect and individuals are attracted to the Natural Spheres that best suit their condition and needs of soul. The Divine Love and Holy Spirit are present and available to all mortal souls as they are in and throughout all the Natural Spheres.

The **lowest of these Spheres** represents the soul condition of individuals in the poorest soul condition of Natural Love. These individuals are isolated and lost, and even though they are aware of a life once lived in the mortal world, they are aware that an invisible condition surrounds them so that it is difficult for them to move. The word darkness or hell has been used, however when one learns of soul condition, then this Sphere reflects the condition of soul and individuality. The will of individuals here is contrary to the workings of Love and harmony. These conditions are determined by the individual in their mortal life.

Spirits living in the First, Second, Fourth and Sixth Natural Sphere do not create, in their spirit life, any action that is contrary to love so that this may cause compensation that requires that individual to regress in soul condition to the Three Lower Spheres.

The **Second Lower Sphere** reflects the soul condition of individuals who are not living in the extreme condition of soul condition that the lowest Sphere represents. These individual spirits can move about to a limited degree, yet remain isolated in their soul condition. The invisible force that surrounds these individuals and binds them to their Sphere is the Law of Compensation that is present and unseen yet the feeling of it is very tangible.

The **First** of these Lowest Spheres is much lighter because individuals have commenced to change soul conditions by working at compensating for their actions and choices lived out in the mortal world when they were of the flesh. These individuals, whilst still contained to their Sphere, can see the progress of love so that their soul condition is not so lost any more to them and they are aware of where they have come from.

These **Three Lowest Spheres** are an adjunct to the First Natural Sphere. These Spheres have a boundary to them so that these individuals in their soul condition cannot move or influence, by the activity of their will and soul condition, the spirits in the Natural Spheres or mortals of the Earth to continue creating or influencing actions and reactions that are contrary to the workings and the Laws of Love. When a lost soul from these Spheres visits the mortal world, spirits in good soul condition accompanies them so that mercy and forgiveness maybe found and given so that compensation is completed. The Divine Love and the Holy Spirit is available to all souls in these Three Lowest Spheres and the condition of soul that is extremely poor in its condition is not fixed for an individual for all Eternity. Each individual always has the potential to receive Divine Love and to find the way of living in love again.

## The DIVINE UNIVERSE:

### 261. *Jude on Life*

17 – 18 January 2013

Hello and good morning. I am one who studies the mind and how it works. It has been my observation that as the Divine Love transforms the spirit body, the mind adjunct of the personality is also transformed. As an attribute the mind is concluded in its definition, form, and image like any other spirit body sense and attribute. Each aspect of the spirit body senses and attributes are organised in their proper place according to the forming of the principle-mind attribute that acts as the premier consciousness in the individual. There are detailed workings as to how the total consciousness of the life that is human and mortal is organised in the spirit body, and like the human brain, the spirit organ that acts as the spirit-brain is located in the head of the form of the spirit body.

This organ in the spirit body is *spirit energy* that has solid form and acts just like the human brain only this attribute can vary as the conditions of the soul and the spirit body change. Our environments are spirit-energy-material sensitive and so the forming of the spirit-brain, as I call it, forms so that one can immediately begin to identify with the new spirit surroundings when one enters the spirit world as a newly arrived spirit. In most circumstances the personality has already had time to develop and so the spirit body and its systems have developed accordingly during a person's human life.

When a person commences a spirit life, human experience is already a known thing to the individual. Obviously some individuals enter the spirit world in their infancy or have such involuntary disabilities that may impede cognitive experience and human awareness so that experience has condition to it. In all variations of human diversity, the adjustment phase upon one's entrance into the spirit world is the critical period of transition. The senses and attributes in the spirit body become active when the personality moves from their physical life and the conditions of the human body no longer dominate the personality, or the personality no longer dominates the human body.

An example that I choose to give is a common one: the person has memories along with active physical senses in the physical body. Suddenly as if no time has passed at all, and a human death has occurred and transition happens, the individual in their spirit life still has their memories and the experience of their physical senses and attributes except now the location of their life has changed and these attributes have changed location now functioning in a spirit body and not solely in a physical body. The personality with all its attributes has changed environments. The human body and the organic environment of Earth have been exchanged for the spirit body and the spirit environments of the Sphere. The spirit body takes over the personality, for it is in control now. This needs to be, for the personality and attributes of soul that forms part of the personality in order to survive physical death.

The spirit body commences its forming as soon as the soul incarnates at the time of a human conception. The spirit body and its systems have already been part of the personality during a person's physical life and so, when one is living in the spirit world these systems need not be created for the systems of the spirit body have already been originated in their potential and form for spirit living, when the soul incarnated and began life in the physical body. Even when the human is without any awareness of the spirit body, these systems are primed and ready and functioning so that the personality and its attributes of experience relate with the spirit body and are fit for survival after physical death.

Once one adjusts through these early stages of spirit living, the personality is integrated into the spirit body and these new spirit senses come to life, seamless in forming and acting in the personality. This is said the same for the mind attribute and its function in the spirit body personality. So perfectly modelled are the Spirit Laws formed by God to ensure that this phase of an individual's transition into the spirit world happens without disturbance, interference or disharmony in the reconstitution of the personality from the physical body, to the individual spirits life now living in their spirit body. This is what the identity of death actually is, why it happens and why death is a required part of living. Humans do not live on the face of the Earth forever. Our experience has a finite conclusion with a continuance of life in the spirit world. Death provides the time that God's Spirit Laws safely integrate the shifting of each personality from their human living to their now spirit living.

From God's perspective, these workings were set in place before or prior to the first attribute of soul incarnating and the first mortal personality formed in soulful physical nature. And so, whilst what I am explaining sounds new the truth of the fact to these workings have been a reality for thousands of human years. Although human culture and social beliefs, experience and awareness has changed with the years, these Spirit workings and their act at ensuring the correct passage and survival of the individual personality from the human experience into the spirit experience have never changed or been altered to work or function in any other way.

The whole human body doesn't need to be reconstituted upon the completion of its life and immediate living in the spirit world, only that part of the individual that can function in this spirit environment needs to survive and this part of the human is the collective attribute of the personality which includes the attribute of soul. Most of the physical body remains to the Earth and its decomposition according to the social culture of its day. I say most because, aspects of the personality are influenced by the physical body and one has memory, and memory of their physical personality and so, whilst there is no physical evidence of the physical body present, most can remember and have memory of their physical body now they are in their spirit body. A human life is soul first, then spirit body, then human body. Of course all three attributes compose one individual finite personality. From my perspective living with the Immortal Love, I have learnt that everything human is soul and this is demonstrated in the condition of each soul reflected in the spirit body and the personality of the individual upon the commencement of their living in the spirit world.

God is Soul and Spirit. This is a brief description of the most complex individual universal creation ever formed. For the purposes of this work, this description is more than adequate otherwise we can become lost in the detail. Truth of it is that one could write on a page that lasts forever about the nature of God and still there would not be enough ink in the world to fill it. God has other mortal universes going on in other places and the same Immortal Divine Love that is present for us is present to those mortal personalities. There is only one Immortal Love that serves every single finite mortal personality, and for good reason! The economy of God reveals perfect nature and because there are many formations of mortal personality in their own universe, this doesn't require unique Immortal Loves to exist to fulfil the potential of us all.

The attributes of the human personality are spirit body fit. The attributes of the spirit body are soul perfect. And, the attributes of each finite mortal soul encompass the spirit body with its attribute and the physical body with its attribute. The determining principle in the way the Spirit Laws work at the time of transition of the personality from the human world into the spirit world act in accord with the soul and

not with various other intrinsic aspects of information and experience. In a snapshot of vision, God works from Soul in accord with soul and from this fundamental position, which includes the most telling of Spirit Laws, all other Spirit Laws that act with the spirit body and the physical body must follow in accord with these greater soul Laws. Quite literally, God the Soul takes or brings each human soul across The Great Divide of human death and birth into spirit life whilst perfectly integrating, maintaining and sustaining the attributes of personality in the spirit body and establishing the spirit body fit for spirit living so that when the individual awakens in their awareness that one is alive it is complete and yet each person is unaware that such a soulful journey has happened.

A human death marks the end of a soul's capacity to survive in that environment and so, a transition must take place or something must happen, or else the attribute of soul that is incarnated would be compromised in its continuance of life. Fortunately this doesn't happen. God has ordained it to be that each soul continues to live and for this to happen, a transition of environments takes place.

If there has been a disturbance in the mind when one was human, and if this disturbance was involuntary then the mind is reconstituted between the spirit body and the personality to a normal function in the spirit world. If the mind attribute has a disturbance due to an affliction placed upon it that deformed its form by the voluntary nature of doing something to one's self or having one thing done to one's self by another, then, this cause of disharmony can create compensation which one will need to make amends for. And so, in the transition of a personality from the human world into the spirit world, the Spirit Laws in their workings will not co-mingle to negate the Law of Compensation, which after the reconstitution of a life into the spirit world, the personality may be subject to this Law of Compensation. There is no confusion to this although the Law of Compensation does not come into effect until the greater Laws have acted upon the soul in the time of personality transition from the human world into the spirit world.

And so, it is with these Spirit functions that allow for the personality to continue its existence in the spirit living in the spirit world, by no other means does this happen. I along with all of us here can see how, what I am explaining works because we have survived our physical human lives. Obviously, when we were living as people in our human experience on Earth, I along with most here had little or no idea about this experience of such intrinsic functions and their workings that ensure individual survival in a life after death. Now, we do know in our living proof of this survival, and we can look back on our human lives as spirits from our position of knowing our once unknowing of such things. I have learnt and can see how death is vastly important to the survival of the personality.

Are people meant to know about such realities? This is an individual concern, for such reality to become commonplace in the human world would mark a significant shift and change in the collective human world of experience and awareness. For those who do explore the afterlife and are seeking genuine answers in their experience, these works will certainly help adding a clearer picture so that one might have clearer vision on the nature of such spirit workings and how the soul, the spirit body and the personality form the image by which one can then move forward in their quest to identify the simultaneousness of these two existing environments – the physical human world and the spirit mortal world – and how they interrelate with one another.

There is no doubt that from my observations observing people who are aware of the Divine Love, that one relates this Love as being other than human-made, though made for the human soul. As far as I

have seen, we who know and live with this Divine Love in our lives take a keen interest in how the experience of Divine Love transpires in a human experience. It gives me good delight that most who enjoy and participate with this Love recognise its true Spirit value and potential. The Divine Love comes from the Soul origin, God and I see, most agree on this and this be the Truth as to the origin of the Immortal Love. Also, most experience or see the Divine Love as a truth of spirit and soul and so by being aware of this Love one feels that they are in touch with a Truth that becomes part of one's soul nature therefore this experience places one in touch with their spirit-nature which in turn causes one to recognise that there is a life living after human life and that a spirit world and spirits exist. It is important to recognise that spirits were once human ourselves! And that even though we selectively choose – as you do – to participate with God and involve our selves in the experience of the Immortal Love, that we here in spirit visibly see that the Divine Love still has Its origin in God the Soul and that a Divine Love experience doesn't end by one being simply a spirit in the spirit world.

I like to observe with discretion the experience of Divine Love in a human life and so, I am fascinated at how people experience this Love and learn about Its nature when clothed and immersed in their physical body. I have learnt, as many of us have, about this aspect of living with the Father from people's human experience. I never judge another's experience for I have seen how individuals judge their own experience as they hew out their destiny with God. Most people in their Divine Love experience have very little contact with Celestial spirits or can perceive the reality of how the spirit world works. I have the advantage of seeing what people cannot see and I know what most deem as unknowable on how the intrinsic workings of the Spirit Laws function with the soul, spirit body and personality. In no way does one's inability to see and converse with Celestial spirits belittle the experience of one who is endeavouring to embrace the Immortal Love in the trials and tribulations of their human life. To me and to all of us here, there is no separation of experience, for we know that the Divine Love present and available here and wherever mortal souls experience life and so, each unique environment perceived by us as being an equality and part of the great forming of environments in which God has enabled mortal nature and Immortal nature to live and experience Love and Spirit in.

If a person struggles in their experience of integrating, identifying and accepting the Divine Love and Its origin, Celestial spirits understand this and I admire one's persistence of faith as one may continue to doubt the actual validity of what they are doing by trying to accept an invisible Immortal Love into a soul that one hardly knows to be the true individual nature of ones' self. I like how the nature of God is explored, by those who recognise God's universality and how a personalised experience in the Love, the Divine Love of God inspires or settles one's heart and mind.

The only thing I don't like to see in a Divine Love experience is when one who has experienced the Love and found the Truth of It then by reason of their own desire for self-importance in the deceit of power, manipulates other people to suit one's self so that the individual error is then confirmed as a truth and deceives people who are honestly and sincerely trying to find the Immortal Gift, the Divine Love and to learn of Its' related truths. Anyone who does this, and there are those who have, there are those doing this and there will be those who will, will pay a heavy price in their compensation that will be collected by that kind of individual when they commence their living here in the spirit world. Even when living with the Divine Love no human escapes the Spirit Law of Compensation. It is an error for one to think that simply because one is with the Divine Love and one has this awareness as one is living among people who have yet this awareness of the Love, that the one with the Love has more authority and power over another by imposing themselves simply because one knows a Divine Truth when the

other lives solely in their natural truth. The Celestial teachers go to great lengths when teaching us about the correct way of introducing the Origins' Love and how this Love might be obtained. We learn so that in our help to create this awareness of the potential for this Immortal Love, we do not commit an error when teaching or introducing the Love.

**It must be said there is a responsibility living with the Divine Love.** And, living with the Love ultimately teaches one self-respect and universal responsibility. This is visible here in the Celestial Heaven and from this universal responsibility comes great vision and freedom. If you look at life on Earth everyone is on the way in their learning of how to take responsibility for one's self or another and, for the environment they live in even though this experience is often immersed in complete irresponsibility. The choice for Immortality can never be taken for granted, treated lightly or highly underestimated. Where would the world of man and spirit be if it were not for God?

This has been a well-received message, thank you  
Your Celestial friend  
Jude

### **WE are INCARNATED with Natural Love, but not with Divine Love:**

**We are conceived with natural love, however, we are not endowed with anything of the Divine. While we are without anything of the Divine, namely Divine Love, we can grow our natural love attributes and progress to that of being the perfect man whose lodging is found in the 6<sup>th</sup> Sphere. We do not have immortality without having received Divine Love.**

**Natural love radiance is very different from that which Divine Love brings.**

**The two loves complement each other, bringing about greater harmony.**

**When we become aware of the presence of Divine Love and subsequently ask for and then receive the Divine Love, our soul steadily starts to change to that which is Divine and we achieve immortality. This is the Immortal Choice that we can make whilst here in the physical or later in the spirit world. Once we add Divine Love to our being, we continue then with the two loves, that of the natural love and also that of Divine Love. As we continue and receive Divine Love, our soul condition progresses so that we may eventually enter the Celestial Heaven, 8<sup>th</sup> sphere and above, then progress further to enter the Eternal Spheres and then the Spheres of Paradise.**

## 19 Dark Spirits and Responsibility

14 October 2013

*Good afternoon dear friends. I wonder each day now who might write with me and this is exciting. We have frequent questions regarding the influence of dark spirits on those living on Earth. To what degree do they influence and what is their power in this? Can they overcloak or possess a person? To what degree are they responsible for evil actions committed on Earth?*

*I am also very interested in the Spirit Laws. I imagine that there are many of them and my particular interest at present is in those laws that directly impact on our lives on Earth. Actually, having written that, I thought that this will probably include all of these laws as we are simply part of the whole. I do imagine that the laws that primarily relate to physical systems such as gravity and aerodynamics are not a great concern to the Spirit World.*

Good afternoon dear brother. I am pleased that you are open to the possibility of a new writer each day as this is an indication of your openness. So, today as you already know it is a familiar old friend as I am Richard once more.

Agnes has enjoyed writing with you and she will return as she has much to offer and is glad to do so. She noticed our activity and approached us and we are very pleased to have her contributions. I have told you that many of us will write with you and we don't yet know how many of these will be so there are surprises for us as well. You have expressed a desire to speak with the Master Jesus and He is aware of this and will speak at the right time in the near future. So that is a pleasure in store for all of us as all of us enjoy his company and his teaching. You may consider that we will have heard it all before but there is a quality in his teaching that goes well beyond what he might say as it includes the whole of himself and his presence is wonderful to experience. I have told you before that in what we say to you there are elements that are not necessarily immediately apparent on the surface. This is so to an even greater degree in all that Jesus says.

The presence of what might almost be considered to be subliminal messages in what we write explains what might appear to be the exhaustive and perhaps unnecessary repetition of messages. As you read you may think that you have heard all of this before and maybe you have but perhaps have not yet really felt the message within the message. Please be patient and be not too hasty to judge what you see written. There are often quite strong reasons for this particular writing. If you have really felt the inner message you may be happy to read it again without any contrary feeling. Patience, acceptance and humility are the orders of every day. The process of embodying Divine Love is gradual and comes from inner to outer. For all there are elements of this experience which are completely new and which need to be felt, allowed and accepted.

There will be many who communicate and all will have much to offer. There are always limits as to how much you can conceive of what is said as our personal state and our place and way of living is so different to your own. This is not such a great barrier. Your function is to find as much harmony in your life situation as is possible and ours is to find ways to interact with you and your situation. Finding your own harmony necessarily involves doing whatever you need to do to improve your soul

condition and to foster the development of your soul potential. This is what everyone on Earth needs to do in order to find harmony. Remember always that all of us have lived on Earth at some time and now have a much deeper understanding of life overall including that time on Earth. In the light of the totality of your life especially when you consider Immortality to be real for you, your Earth experience is very brief but very important in respect of the potential for development that exists for everyone in this time. This time is necessarily intense but potentially extremely productive.

When you speak of **dark spirits** you are speaking of those who have largely failed to realise the importance of their Earth life and the effects of the ways in which they have chosen to live. They come to the Spirit World with large burdens of what can be called debts to settle. Perhaps the greatest of these debts arises from their refusal to accept responsibility for all that they have done on Earth. Virtually all of what are regarded as evil acts can only really be done by those who feel little or no responsibility for what they do.

There is a deep and little known or understood consequence of failure to take personal responsibility for all that one does. When one does take responsibility for an action, this leads to the completion or fulfilment of the deed whatever it may be. If the deed is what could be called 'good' or truly desirable the fulfilment that comes is a feeling of satisfaction and a degree of deep freedom. This can be regarded as satisfaction which is a state of spirit.

If the deed is one that produces harm of any sort to self or to others, the acceptance of personal responsibility immediately opens one to the feelings of lack of fulfilment and the need to make some form of recompense. If one then acts on this felt need, then one can proceed to fulfilment and satisfaction. The recompense called for will of course vary greatly depending on the deed and its effects. There are many possibilities in this and the acceptance of responsibility may be delayed for shorter or longer periods and this alters the form of recompense that is needed or possible.

Whenever there is failure to take responsibility for an action either partially or in full, the person is left with deep feelings of dissatisfaction and discontent. This is quite contrary to the satisfaction that many claim follows an act of revenge or retribution. The deep truth is that there is no satisfaction at all so that the discontent continues and tends to fester. Now this is a very common way of acting in human life as there are very few indeed who do act with a constant sense of personal responsibility. Therefore there is a well of dissatisfaction existing in humanity and this is felt much more deeply by those who remain completely obdurate in their refusal to countenance taking responsibility. The effects vary greatly depending on the level of harm resulting from the actions of any person. There are many who consider that they are living worthy lives who are actually incurring levels of debt that greatly surprise them when they inevitably discover this.

Dissatisfaction drives behaviours so that one who feels this strongly often feels driven to do the same type of acts repeatedly in the hope that they will eventually find what it is that they seek.

Those whom you regard as dark spirits are those who pass with burdens that are sometimes unimaginably large. They have very deep sense of dissatisfaction and needs which they cannot satisfy in their new location which is quite harmonious with their soul condition. The only thing which will save them and allow them to progress from here is the beginning of accepting responsibility for all that they have done. They are exposed to the full measure of their dissatisfaction and this is often

unbearably difficult. They often attempt to deal with this by denial of where they are and how they got there and focus their attention on the Earth life they have left with feelings of having been cheated and denied fair treatment. There is still a sense that they could be free if only they had been able to really complete what they believed or hoped would give them freedom on Earth.

They are now bound by the Law of Non Interference which prevents them from actually harming any other spirit or any human. They actually cannot incur any further debt once they have passed into spirit. Imagine the frustration of one whose whole life has been dedicated to harming others or to self-indulgence with no concern for anyone else. They will often seek association with humans who are living in similar ways to their own lives believing that they may find some salvation there by influencing these people to act in ways of which they approve and which perhaps gave them a fleeting sense of satisfaction while on Earth. Their level of influence is restricted to attempting to attract the attention or thoughts of their chosen target. In this they do not have great power at all as they are very restricted by their poor soul condition.

Any power they have depends solely on the level of receptivity of the target person. This person may be easily influenced as in the case of one who is influenced by his worldly associates to undertake some undesirable activity – ‘the one who falls in with the wrong company’. If the target person acts on the ‘suggestions’ they are offered, they are fully responsible for all that results from this. The spirit bears none of the responsibility but they also derive no satisfaction at all from their actions and so their frustration increases without their having been benefited in any way. In human life, however, the person who encourages such action by another does take responsibility and the other person does as well. There is no way of avoiding taking responsibility for one’s actions eventually but some do take a very, very long time to do this. This is really so sad as the relief and ease that one feels is enormous as soon as there is even the first step towards responsibility. Absolutely everyone has the potential to take this step regardless of the depth of their depravity on Earth. There are many here who attest to this truth.

This may seem to be a strange situation in that one could assume that the spirit is responsible to at least some degree. However, it is essential to realise the absolute nature of personal responsibility is in human life. Every person is totally responsible for their actions however they were led to them and despite whatever they might consider to be extenuating circumstances. This is very black and white and that is why it is necessary for all to consider their own actions. There is a deep complexity to this though. Virtually no person has a full awareness of the ramifications of anything they do. The good or the evil that results from an action may be far more or far less than expected or anticipated. The full measure of the good or the evil will be known is the final assessment. (I use evil here as a generic term to cover the undesirable results without implying any depth of the effect.)

Without attempting to delve further into the above statement I will say that the only rule to follow is that every person who is living a human life is fully responsible for every action that she/he takes regardless of whether they consider this just or not. Responsibility is not about justice or injustice it is simply about responsibility – no more and no less. There is an absolute equality in this that can only be truly realised and accepted when one has the awareness and acceptance of the continuance of existence beyond the physical with the ongoing possibility of progression. This progression involves the certainty of the Law of Compensation and the way in which it firmly, gently and inexorably exposes one to the Truth and Reality of life.

Having said the above, there are extenuating circumstances at times that do qualify and modify the issue of responsibility. There is the Law of Mercy the action of which recognises these situations when they occur and the effect of this law is brought to bear on the application of the Law of Compensation. You may rest assured that each person carries the responsibility for her/his own actions only and never for the actions of another.

This applies when the person's actions result from the whispering of a dark spirit. The powers of these spirits are actually very slight and only have effect when they bear upon a desire that already exists in the mind of the person affected. It is the existence of such desires that draw them into association with any person. The person who has the desire is fully responsible for this desire whether they are aware of it or not so their responsibility has begun before any spirit enters into the equation. It is often easier for dark spirits to influence those whose dark desires are strong and in an inflamed state so that they are on the verge of acting.

Some dark spirits are very determined in their futile pursuit of satisfaction in their association with the physical world. An aspect of this is their failure to take responsibility for their current state of spirit existence. When you consider this you can see that the consistent pursuit of a fruitless exercise must make one wonder in time what one is doing. Even these spirits in their determination can and do come to the realisation of the futility of what they are doing.

One or a number of dark spirits may form what seems like a strong association with a person who welcomes their attention and the association. Such a person may seem to be blissfully unaware of this association but it can only exist because they have permitted it at some level. Many people on Earth strongly avoid awareness as a way of avoiding responsibility but this doesn't work. The association of spirits may provide a welcome feeling for some so that allows it to continue. I am not making statements about the rights or wrongs of such attitudes and ways of living. People decide to live in this way for a multitude of reasons none of which abrogate their responsibility. Remember always that the Law of Compensation is a law that actually provides everyone with the ability to make recompense and compensation for every act of irresponsibility they make. It is not a law of punishment but a law of redemption. There is a huge difference. Punishment is effectively an extension of the crime for which it is administered. The provision of a facility for redemption is an act of great love that allows the full recovery of an individual into a state of love.

The laws of God are universally applied equally to all with no favour or judgment and with the full measure of mercy where this is warranted.

No spirit can enter the physical body of a person or displace the spirit body or soul of another. No spirit can take possession of another even though their influences that are accepted and acted upon by a person may give the appearance that this is so.

Dark spirits are not bound to the Earth even though that may be where they direct a large part of their attention in order to avoid taking responsibility for their situation. Many seem to be quite lost as a result of their dark state and from their deep level of ignorance of life and living. The level of ignorance of so many souls is profound and it often takes a very long time to find a way through this to ignite a spark within. Many souls are in great darkness as a result of ignorance alone and not from evil acts. It is

important not to judge a dark spirit as you may have no idea what underlies their present state of darkness.

In considering the situation of any human who is behaving irresponsibly or who may appear to be severely affected by spirits it is important always to stand clear of judgment. This is, of course, a general rule in the consideration of the state and situation of any other person and of oneself. The only approach is to gently and firmly to assist a person in the direction of recognising the responsibility that exists for everyone. I don't suggest that this is always easy. Of course this begins at home with our approach to ourselves. Whenever any person feels or thinks that their own responsibility is diminished by the actions of another, it is important to think again. In doing this it is vital to remember God's approach to this situation. What is this? It is to allow the chance for redemption and compensatory behaviour. One doesn't have to die to have such a chance. The possibility always exists.

Much of what is blamed on spirits, evil or otherwise, arises out of fear that exists in humanity. The fear is there and many are controlled by their beliefs in the fears that are made to appear so real. That there is fear and that people in all good faith allow themselves to be directed by this fear in no way absolves them from their responsibility for the actions that they take. I don't want to make this sound harsh or punitive but I do want to point out that no person at any time in any situation can avoid responsibility for their actions. There is total equality in this and it is founded in Truth.

Many take a long time in the spheres to come to the acceptance and the overall equality of this situation. As I said before, the realisation and acceptance of personal responsibility is the greatest single step in progress in life whether on Earth or in the Spirit World. Accepting full responsibility for every action that one takes is a true expression of the natural love that we all have in endless quantities.

There is a great deal to learn about responsibility as there are depths within depths and every step is a lesson in love.

Enough for the moment my very dear friend. We have written well as we dip into our bottomless well to attempt to quench the thirst of so many.

I leave you with my love and the love of all of us.  
Richard

## 41 Spirit Influence

12 December 2013

*Good afternoon dear friends. We have had a lot of talks with others and between ourselves lately on the issue of the influence of dark spirits on human activity. We have read of the Law of Non Interference and of the spirits not incurring further compensation but also feel that the dark spirits must be able to communicate with us particularly if a person has a lot of fear or entertains a lot of dark thoughts and feelings. It seems logical that they are able to influence those who allow or welcome this. There is also a lot spoken of the alleged influence by dark spirits on the activity of many organisations on Earth that seem to act selfishly against the best interests of humanity.*

*I must say that I am confused and feel that, as with so many things, this is a subject about which we know very little as yet. Can you clarify this for us?*

Good afternoon dear brother. I am aware of your confusion on this matter and this is understandable. I have spoken about this before with you and do accept that you are still unclear.

These spirits with very little soul development are well called 'dark' as they have little or no spiritual light in their souls. Their appearance reflects their soul condition and they may appear to be grossly deformed and very unpleasant to look at. They are as committed to their evil behaviour in the world of spirit as they were on Earth. However they don't have the wherewithal to work their desires. They have no access to any of the drugs or weapons that they may have used on Earth and they are unable to actually harm anyone either in spirit or on Earth. Individually they have very little power at all. Spirits can, on occasion, influence physical objects on Earth and this requires a lot of determination and a capacity to focus intently. Such activity happens much less frequently than is thought.

Yes, dark spirits can speak to those on Earth and many less developed spirits are probably the most frequent visitors to mediums. Many of these seek such contact as they feel a strong connection with and a draw to the Earth and the people. The darker they are the more likely it is that they be drawn to dark or evil activities on Earth. The groups on Earth that are engaged in such activities are easily perceived from the Spirit World as they are surrounded by darkness that is more intense than the surrounding lack of light. In a similar fashion, those involved in spiritual activity either as groups or individuals are seen by virtue of the light of spirit that surrounds them.

When spirits are drawn to an individual or group they may be there in large numbers and there is no doubt that they desire and attempt to influence the thoughts and actions of those to whom they are attracted. That they may be there in large numbers can give the impression that they are directing the activity that is occurring when this may be much more apparent than real. They will find a degree of harmony with the activity that is occurring and their added energy may contribute to the darkness and influence the members of the group. They are drawn to such activity and persons because they live in an environment which seems to be quite evil and which is very dark but in which they are actually unable to satisfy their own evil desires. As you can imagine this is extremely frustrating for one whose whole life has been dedicated to evil activity.

Let me assure that humans who desire to act evilly don't require the assistance of dark spirits to reach the depths of depravity. They do this very well indeed of their own volition and are totally and completely responsible for everything that they do or imagine that they desire to do. Many find it difficult to accept this as they seek to find extenuating circumstances to explain or mitigate the activities of a person whom they believe 'would never do such an evil act'.

Human beings have a capacity for acting with depravity and of modifying their own attitudes to this and memories of the event so that it may seem to them that it was as though someone else had acted or made them act in that way. Personal responsibility is poorly understood on Earth as responsibility is confused with concepts of blame. There is a world of difference between the two. It can take a long time to come to understand and accept the difference. This acceptance comes as each one learns to be responsible for all of their actions and thoughts.

Spirits who appear to be controlling or over cloaking a person gain any power they appear to have from the degree to which the person who has attracted those spirits abandons whatever vestiges of personal responsibility they have. They may then be acting out the thoughts and desires of the attaching spirits with no sense at all of responsibility or personal direction. This may occur to the degree that they actually have no conscious memory of what has been done. They may appear to have a number of different personalities. Despite this appearance of having many personalities, when they make the transition to the Spirit World what comes across is the central personality of that person with all of its sense of irresponsibility and all of the memories of and responsibility for all of the actions of all of the apparent other personalities.

Now many then consider that there is unfairness in this as the person who was influenced is totally responsible for what they were 'made to do'. This is where confusion arises. They were not made to do anything that they did not agree to do at some level. Their own irresponsibility is theirs and they can never escape this by hiding behind evasion.

A major issue for most of you is that you have little or no awareness of the creative capacity of a human mind. The spirit mind that you have now is the mind that you bring here and which you will carry all of your days. The power of it exists even when you are not aware of it. It is as if the bulk of humanity has a dread fear of discovering just what power they have. We understand this as we have come from the same mould and have lived the same experiences. When we speak of awareness we speak of awareness of everything that comprises a being whether incarnate or in spirit. There is much less difference between us than is apparent.

Humanity lives with a plague of fear that prevents the perception of the bulk of Truth. Many of you are seeking the Truth of life in spirit as though that will teach who you are and how to live on Earth. What we want to show you is the Truth of yourselves and how to live on Earth! You can only ever be yourself. You look to us and see wonderful beings who are full of light and wisdom without really recognising that you are looking at yourselves at some time in your own future and without recognising that all that you see is available to you today. Open your eyes and your minds!

There is a dreadful tendency to give power to what is less than you and what appears greater than you without taking into your hands the wonderful power that is there right now.

A dark spirit can only ever have what power a human appears to give that spirit and even then it has no power at all. The power is still that of the human who refuses to take responsibility for it. Look at what those who espouse evil on Earth are able to achieve with the material things and people that they manipulate. Look at what those people are able to achieve who take responsibility for themselves and their actions and act in responsible and humane ways. Then look at what the great majority who ride waves of mediocrity and lack lustre desire achieve. The lessons to be learned here are so obvious to all that one must be blind not to see them. Dedication whether it be to negative or positive activity bears fruit.

The dark spirits don't incur any further compensation because they actually have not done anything. It will take you some time to come to terms with this as it is a concept that stands clear of blame and stands fully on a foundation of responsibility. They like to imagine that they have wreaked havoc on Earth and have done great deeds of evil whereas they have simply been attracted to the evil that is being enacted on Earth. **Humans have free will and spirits do not.** Spirits are drawn irresistibly to where they are attracted. In themselves they have no attractive force but actually must live and act in environments of the same vibrational level as themselves. They don't draw, they are drawn.

There is much to learn about the Law of Attraction. We will speak of it often and reveal more of its actions as the occasion arises. You will only understand the ramifications of it as your own awareness and perception increases. For the most part, your perception is trapped in the material elements of the obstructed world in which you live. The truth of attraction and action lies much more in what you can't see than in what you can. This is why our desire is to continue to provide assistance to help you to see a little more and to accept that there is so much more to reality than you currently know.

If you are touched by what I say, then look to the issues in your life right now and wonder where you may be abrogating your personal responsibility. Remember that I speak of responsibility and not of blame. You are not to blame for the actions of others or for the effects of the actions of others or yourself. You are however responsible for every one of your own actions and reactions. This needs acceptance and not punishment.

When you think of wanting the dark spirits to be responsible and held to account for what they appear to have done this is a projection of your thoughts of blame and a reflection of your own desire to avoid responsibility. As you react to what I have said take time to consider deeply the truth of it without any sense of blame of yourself. Your present attitudes to and beliefs about living are simple your present attitudes and beliefs and subject to change as you learn and grow. You are as growing children and need to truly acknowledge this without demanding that you immediately change. Everything about you simply represents your present position on your path of growth and is, therefore, the stepping off point for the following stages. If you condemn yourself you make the next step more difficult. If you accept your situation you free yourself to leap ahead rather than to crawl with your eyes directed backwards.

I will repeat that the point of all of this discussion is that the evil dark spirits may well be that and may have the desire to act evilly but have no capacity to do so because of their weakness. They can do little other than posture and follow and not to lead.

There are many humans who do what are seen as evil acts which arise out of what might actually be momentary but complete lapses of responsibility. There are others who appear less evil but live lives of

irresponsibility but seem to be 'not too bad'. There are yet others who abandon themselves to the attractions of the dark actions and revel in the experience. There are all degrees of balance of responsibility and irresponsibility in human living. It is only on Earth that evil actually occurs and the responsibility for this cannot be directed away from the Earth.

Humans have free will and they also bear the total responsibility for the way in which they use this. It is a wonderful learning tool and like all tools has the potential to be grossly misused. When one does attract dark spirits, their presence intensifies the aura of darkness that surrounds the person. In such situations it is nigh on impossible for guides to contact the person with any positive direction. A person could then be said to be cloaked in darkness with spirits closely associated with him/her. If you look, it is not difficult to see many such people in the streets of your cities.

All that we offer to you in information and guidance will focus on personal responsibility and will never provide avenues of escape from this as it is not possible to do so. Each one is completely responsible for all that they do in their life. We have all faced this and dealt with it. In such a situation it is not expected that an individual will never 'stray from the path' and never make a mistake. It is assumed that everyone will make mistakes. This doesn't lead to condemnation of any kind. How one deals with the mistakes that are made is important. Every issue of life has to be faced in full and none are swept under the carpet. Most people, with all the mistakes that they have made in the course of their lives, are not facing anything like the mountain of issues that they might fear they have to deal with. Whereas everything must be faced this is not necessarily as daunting as might be anticipated. Remember that responsibility is not blame and compensation is not punishment. The Law of Compensation is exacting and totally fair in that all are treated equally. It is never destructive. Life on Earth may not appear to be fair and the equality of people is not easily apparent but in spirit the equality is plain for all to experience.

In saying all of this, I am making unequivocal statements and mean to do so. The Law of Non Interference, like all of the Spirit Laws is universal. From the perspective of life on Earth in the obstructed environment the action of these laws is not so apparent as it is in the Spirit World. Here their action is as apparent and as inescapable as the Law of Gravity is on Earth. It is only incarnate beings who can directly harm others and impede their spiritual progress. Doing so always incurs the actions of the Law of Compensation. Being told about these laws and the ways that they act can never give you the full impression of them that leads to understanding. It is only when one experiences their effects without any obstruction and hindrance that their true nature is undeniably apparent. Until then you will attempt to make sense of them and be unable to do so completely.

We will repeatedly tell you that your comprehension and understanding of what we say about most things that exceed your present experience is very limited indeed. It is important that you practise accepting that what we say exists and operates in your life and that your present understanding of it is incomplete as yet. This is essential for your progress. You will always progress from ignorance to understanding and knowledge. Understanding is always quite limited as you will attempt to make sense of all that you are told in the light of your past experience. If what we are telling you is beyond your experience then it goes without saying that you will be unable to make complete sense of it. This is simply a fact and there is no point in fighting against it.

Acceptance of ignorance is not shameful, it is honesty and humility. If you pretend otherwise you are deluding yourself and any others who choose to believe you and what you say.

If anything that you hear encourages shifting responsibility away from yourself, question it immediately for it is lacking in truth. There is no escaping the truth and inevitability of personal responsibility.

Every one of you has far more power and creative potential than you ever imagine. Whatever power you perceive us to have is no more than we had when we lived on Earth. We have simply learned to clear the barriers to our recognition and use of our potential. In denying your own personal power, you create situations where you refuse to believe that you or someone else could have created the situation that exists whether it be glorious or unmitigated disaster. It takes power and creativity to do either.

That you have not yet recognised something does nothing to deny its existence. You have so many examples in the world of today of things that were unknown or not even imagined not long ago that are now every day. Extrapolate this to things spiritual and realise that each of you is a spiritual pioneer and explorer and fit to discover the unknown that will become the ordinarily accepted knowledge of tomorrow.

I am Andrew and I know that you feel my love in my directness. This is my personality. I believe in being direct and stating the black and white to be just that. There are no shades of grey in the operation of the Laws of God.

I leave you with these words and my love and blessings and the blessings of all of us.

Andrew, Celestial Teacher

**PERSONAL AWARENESS:**

3 January 2014

Many people on Earth have little or no concept of the meaning of an ‘open mind’. The concept of fixity and stability gains much more credence than openness. While on Earth and for much of your progress in the Spirit World while in the lower spheres you will function with beliefs about truth because you will lack the Truth that obviates the need for these. This is simply the way of living that presently exists and serves as well as it does and fails as badly as it does. An open mind is one with which a person acknowledges this to the degree that they understand it. Openness allows for change of what is not working or leading in a desired direction. A fixed mind is one with which one will cling to outworn beliefs simply they are the accepted norm or tradition. Change is often seen as fickleness and it may be so if it is not coupled with reason and wisdom.

As you encounter conflicting statements that purport to provide aspects of truth, consider them and take them into your own experience and feel them within you to test them. It is sometimes desirable to act as if a new statement were true in order to assess it for yourself. As you explore and approach truth you will find many apparent conflicts which may actually contain less conflict that is apparent at first. You will always be seeking to make sense of what is offered in terms of your current belief systems and your level of awareness. Whereas you are learning a lot about the world of spirit and the processes of living here, you really know little and have no actual experience of living here or of the actual ways in which spirits live and have their being. There is no true separation between the world of flesh and that of spirit so there is, of necessity, frequent interaction between the denizens of both worlds. The finer details of this are complex and are much more extensive than most people realise or acknowledge.

The first sphere is the largest and most highly populated of all the spheres and in its many divisions contains the widest range of soul conditions. Despite this it is still an orderly sphere composed of many orderly subdivisions. There are many living here with very little soul development and many who have committed many acts that are very disharmonious and can be classed as evil and these are the ones who dwell closest to the Earth. These then will often interact with incarnate persons with varying degrees of effectiveness. Their stock in trade is fear and this is prevalent on Earth and provides a ready conduit of connection. There are very many on Earth who do actually have an openness to spirit connection and readily allow this to occur albeit with little or no awareness of what is occurring. Irresponsibility arises in the lack of or the abandonment of awareness. Many who are struggling with the perceived difficulties of living find comfort in irresponsibility as it seems to require less effort from them. These individuals then become prime targets for the actions or suggestions of spirits. The spirits drawn to them are those with similar levels of awareness and soul development and they may or may not have evil intent. They may be simply totally irresponsible and find a vehicle for the actions that they are unable to perform on their own. They can perceive no further than their own limited sphere of awareness.

As I have said previously, free will on Earth allows an individual to act as if the Spirit Laws don’t exist or don’t immediately apply to that individual. This permits complete irresponsibility in a way that simply cannot occur in the Spirit World. All of the consequences of the infringement of the laws do still accrue like the debits on a financial account to be settled later. There are immediate effects of the infringement of the laws that are experienced to varying degrees as there are also effects from acting in

harmony with the laws. The development of awareness allows a person to discover these feedback mechanisms and to act on them. That a person acts without awareness in no way indicates an incapacity to become aware although there are many who remain resolutely unaware throughout their lives in flesh and continue this into their life in spirit and for long aeons beyond that time. They are no less loved in their state but they are poor sad souls.

In all that I say about the interaction between spirits and the incarnate individuals I will always stress that those in the flesh always carry full responsibility for all of their actions whether they act influenced by spirits or not. The Law of Non-Interference of course acts without hindrance in the Spirit World for that is the immutable way of spirit law in the non-obstructed universe. In the obstructed universe there is the illusion that this law is inactive because there is a population that has the freedom to act as if this were so. This allows a population of spirits who are bound by this law to act as if they can infringe it with impunity. The spirits do not incur further compensation by their acts even though the influenced humans do. The degree to which the human is affected is considered fully in the compensation process so that allowance is made when the person is dealing with the Law of Compensation once they pass. This in no way abnegates full responsibility.

The spirits do not incur further compensation but they certainly do not benefit themselves in any way. They remain in as dark a state as previously and are perhaps even more closed to any assistance that is offered. It is important to realise that this is simply the state of humanity as it presently exists on Earth and in its imperceptible blending and interaction with the lower spheres of spirit. This will change as the overall level of awareness grows in humanity as a whole. Awareness brings light and spiritual light is what is lacking in the lower spheres and in the physical world as well. This means that a large portion of the combined activity is at a dark level. This is neither good nor bad but simply the way it is at present. Despite all appearances there are countless numbers here who can attest to the fact that the situation has been much worse in the distant past. There has always been some light on Earth and this has been steadily growing for many long years. There is an acceleration now and this is building.

Each person needs to focus on the development of their individual awareness in order to increase the light present on Earth. Those who live in unawareness do need attention and they will receive this to the level of their capacity rather than the level of the desire of those who would change them. This we know well from our long experience in working with those in the lower spheres. We all need to be present as ourselves and with the light we have and those with less awareness will approach as they are able to do so. Even when we move towards them in their darkness we never become darker to join them as this does not help. This situation is somewhat different on Earth as it is only there that there is such a blending and intermixing of persons of such diverse soul development possible. Be aware of this and be aware of the action of the Law of Attraction.

Nothing is ever asked of you in your living. You can never do any more than be yourself to the best of your ability. Be true to yourself and what you believe at any time with the certain knowledge that you and your beliefs will change as you progress through the processes of living. There will be times when the greatest harmony you will find will be in and with yourself rather than with those who surround you. No one can be all things to all people although there are many who attempt to do so. Awareness is never thrust upon you although the evidence of lack of awareness will sometimes appear to be thrust upon you. When this happens, it will be evidence of an increase of awareness and needs to be so treated. When you realise you are out of harmony you are aware. When you return to harmony you are also aware.

Awareness itself is not a state of pleasure of any other emotion, it is a state of realisation of one's present state and can be associated with the desire to move to a more desirable state. As your awareness increases you will become more sensitive which means that you will not always be comfortable but often acutely uncomfortable. You can see from these statements that lack of awareness and irresponsibility can often be perceived as harmony which is actually not present. This is why many people use various substances and activities to produce the illusion of harmony.

The essence of what I say above is that, as awareness increases, the periods of discomfort actually become less intense and bothersome although they might initially be more frequent and severe. There is a need for faith to proceed through the learning phases or acquiring awareness. Others can help you to become more aware but they cannot give it to you any more than you can give it to them. This might seem to suggest that pain is an essential part of spiritual growth but this is not so. It is what is experienced in the release of pain producing beliefs. Often the amount of pain is the reflection of the struggle which arises from the holding to a belief that one is desirous of releasing. Much of human activity is producing the complete reverse of what is desired so that unhappiness is produced in the distorted pursuit of happiness or stasis produced in the desire for movement. This becomes blindingly obvious when one progresses in spirit and can see this frustration expressed energetically.

In all of your living there will never be a time when it is impossible for you to embrace change and movement in becoming more yourself. If life can be defined as having a purpose then this process of becoming fully self is it. Actually there is no restrictive definition of life but it is this development of self that allows all of the activities of living their full freedom.

Our Source, God can be said to be The One Who Fully Knows Himself. Therefore our aspiration to be At One with God means that we must proceed by learning to know ourselves.

### ENVIRONMENTS within SPHERES:

The First Natural Sphere is one Sphere that is enormous and it consists of many environments. It is the biggest Sphere of all the Spheres for so many live in a good condition of natural love and this is the Sphere that receives every human life that enters the spirit world. There are spheres in the Celestial Heavens and the Eternal Spheres that are larger in space, but have less population residing there.

Within the spheres, one's soul condition determines what location one is destined for. At all times, the environment is harmonious for one's soul condition. Thus, spirit people with very similar soul condition will be together. This creates many communities, each being harmonious for a specific soul condition level. In this way, the 1<sup>st</sup> sphere consists of many locations that could be considered as nations, however within each spirit grouping that community consists of only one soul condition level, whereas on Earth we have saints and sinners all living together. People cannot determine or assess another's condition, nor can they assess their own soul condition.

It has been said that there are many spheres within a sphere. The truth is there are many environments within a sphere, much like there are many countries and have been many cultures that have lived on all lands of the one single Earth. There is only one sphere with many environments and cultures living in each Sphere.

A spirit cannot be attracted to an environment or another spirit in which the individual is out of condition to do so. The essence of this is that no spirit can injure another spirit or can put one's self in harms way or travel to an environment that will be harmful to the spirit-senses of that individual. This is part of the way that God maintains harmony in the vast populations of personalities residing in these tremendous spheres.

Generally, as soon as the individual accepts the Divine Love, the individual begins to advance their soul condition and as the attraction of the Spirit Law of Compensation diminishes, the soul condition of the individual enjoys the feelings of harmony produced and changing environments. The purpose of the Divine Love is to enable the individual to live in harmony with God.

The poorest soul in condition can still receive the Divine Love. No human or spirit is ever beyond reach of it.

Notes from Celestial Soul Condition via Zara Borthwick and Nicolas Arnold

ENVIRONMENTAL DESTINATIONS:

The predominant emotional aspect of each person is clearly visible through one's spirit body. One's soul condition is basically the average of one's emotional makeup. Those with the same appearance will find themselves together having the same emotional / soul condition. Those reflecting a higher level of love will find themselves in a more beautiful and brighter location than those with a poorer soul condition who may find themselves in a dull and dreary location.

From there, we can all develop our love and progressively advance to ever increasing in splendour environments, referred to as planes.

**SOUL CONDITION and SPIRIT PLANES:**

**Our soul condition determines the environment or plane that we reside within in the spirit world. In this way we are always in harmony with those around us. As we develop our soul condition we then move to a plane that then reflects our personal soul condition.**

**Moving from one sphere to higher sphere is a major progression achieved with our soul love development.**

**Feelings first**

### **DIVINE LOVE – what does it do?**

The divine gift from asking for and receiving Divine Love will steadily, but with certainty, raise one's quality of life and also of all those around such a person who is seeking and receiving this Love.

The receiving of Divine Love, which is a substance, with certainty, progressively:

- Raises one's love for those around them, whilst embracing one's Feeling Healing.
- Raises one's perception of all things – naturally grows one's intelligence – soul intelligence.
- Enables one to feel and resolve negative emotional issues more readily during Feeling Healing.
- Humility becomes self evident. Humility enables one to feel their errors and emotions.
- Divine Love strengthens one's resolve to express errors, emotional injuries and untruths.
- Divine Love with Feeling Healing to remove emotional errors, enhances one's health.
- Divine Love enables one to become more childlike – not adult serious at all times.
- Divine Love raises one's capability of feeling – no longer needing to be mind controlling.
- By becoming feeling orientated, one no longer is mind / intellectually dominated.
- The strength to fight and overcome sin and error is strengthened through the Divine Love.
- The Law of Compensation process is more resolved by Feeling Healing with Divine Love.
- Receipt of Divine Love grows one's faith, beliefs become faith and then knowing.
- As our faith grows our intensity to ask and then receive Divine Love grows.
- We begin to follow our passions and desires, no longer fear and mind driven.
- Truth being told at all times then progressively becomes a way of life.
- Our quality of life blossoms, our finances and relationships prosper.
- Man creates his own environment, seeking Divine Love can vastly improve one's environment.
- Health carers receiving Divine Love enhance healing outcomes beyond comprehension.
- Receiving Divine Love may assist in bringing a struggling marriage back into harmony.
- You progressively become dependent upon our Heavenly Parents, not self dependent.
- Personal growth in love directly assists the soul condition growth of one's children.
- Divine Love assists one's rate of soul condition to progress whilst embracing Feeling Healing.
- Divine Love is a substance that changes the human soul to that of the Divine.
- Without Divine Love, one cannot progress into the Celestial Spheres (8<sup>th</sup> sphere and higher).
- Divine Love, with Feeling Healing, enables everlasting Love and Life in the Celestial Heavens.

“The Law of Compensation doesn't operate on isolated actions, but on the overall condition of people's souls, because the deeds are the consequence of this condition. Our behaviour is the reflection of our souls. Never see isolated deeds, always see souls whose condition leads to certain deeds. It is the soul condition which determines the motive and consequently the action. It is our lack of trust in God, this ultimate and definitive trust, which only soul development may give us. This lack is why we suffer.”

Judas of Kerioth 5<sup>th</sup> October 2001

As you grow in love, illness issues abate, financial security improves, and your treatment of your fellow man is the same as how you would like to be treated. You grow in natural intelligence, your perception on many subjects becomes profoundly more loving and supportive of and for your way of life and how you interact with your fellow man.

This quality of life and love permeates and extends into every facet of your physical life and continues to grow as you progress on your journey within the spirit world.

Your capabilities to ask for and receive Divine Love is a gift between you and your creator, God. You do not need an intermediary, nor do you need to join with any organisation. This is your own personal journey and experience. You can share this with others, but no one can take it away from you.

This Love will elevate the human soul to a condition that it may perceive the spiritual truths which God has waiting to be revealed to His children who aspire to understand the nature of the divine and what their true relationship to Him and their family of souls is.

“Keep faith with God, and be open to Their Love, and you will overcome with confidence and, indeed, peace of mind, optimism and happiness, those circumstances that seem to mar the fulfilment of your years.” Mary (mother) <http://new-birth.net/ntr/samuels14.htm>

## **The Only Prayer That Man Need Offer to the Father:**

**The Prayer for Divine Love**

(as given within the first century)

2 Dec 1916

I am here, Jesus

<http://www.youtube.com/watch?v=Pg6p3rivAZw>

**P.438 Book of Truths through James Padgett / Jesus**

Let your prayer be as follows:

**Our Father, who art in heaven, we recognize that You are all Holy and loving and merciful, and that we are Your children, and not the subservient, sinful and depraved creatures that our teachers of old would have us believe. That we are the greatest of Your creation, and the most wonderful of all Your handiworks, and the objects of Your great soul's love and Tenderest care.**

**That Your will is that we become at one with You, and partake of Your great love which You have bestowed upon us through Your mercy and desire that we become, in truth, Your children, through love, and not through the sacrifice and death of any one of Your creatures.**

**We pray that You will open up our souls to the inflowing of Your love, and that then may come Your Holy Spirit to bring into our souls this, Your love in great abundance, until our souls shall be transformed into the very essence of Yourself; and that there may come to us faith--such faith as will cause us to realize that we are truly Your children and one with You in very substance and not in image only.**

**Let us have such faith as will cause us to know that You are our Father, and the bestower of every good and perfect gift, and that only we, ourselves, can prevent Your love changing us from the mortal to the immortal.**

**Let us never cease to realize that Your love is waiting for each and all of us, and that when we come to You, in faith and earnest aspiration, Your love will never be with-held from us.**

**Keep us in the shadow of Your love every hour and moment of our lives, and help us to overcome all temptations of the flesh, and the influence of the powers of the evil ones, which so constantly surround us and endeavour to turn our thoughts away from You to the pleasures and allurements of this world.**

**We thank You for Your love and the privilege of receiving it, and we believe that You are our Father --the loving Father who smiles upon us in our weakness, and is always ready to help us and take us to Your arms of love.**

**We pray this with all the earnestness and longings of our souls, and trusting in Your love, give You all the glory and honour and love that our finite souls can give.**

**Amen**

## Prayers to our Mother and Father

From 'Religion of Feelings' by James Moncrief

**Please Mother and Father** help me accept my untrue state and bring up all my repressed feelings so I can see the full truth of why I feel so unloved and all that's wrong with me.

**Please Mother and Father** help me see the truth of myself through my feelings.

**Please my beloved Heavenly Parents**, fill my soul with Your Divine Love. I long for Your Divine Love; please answer my prayer and yearning to be at-one with You and do Your Will by living true to myself and all my feelings. Please fill my heart and soul with Your Divine Love – please make my soul like Yours – Divine.

**Please Mother and Father**, I want to uncover the whole truth of myself through my feelings. I want to be able to feel and accept just how bad I am, how bad I feel I am, how bad I've been in my life. I want to know the whole ugly truth of myself, see it and feel it and understand how I came to be it. Please reveal to me through my feelings all the truth of myself You want me to see. I want to be as You want me to be; I want to be true and perfect, Healed of all my rebelliousness and self- and feeling-denial; I want to be good, loving, true and happy, please help me become true to myself, true to my soul, true to You.

**Please Mother and Father help me**, I'm in such bad pain, I feel so alone, so miserable, so scared, what's going to become of me, I don't understand, what's the point of me, why have You made me; please help me see the truth of myself – all the truths of myself, nature, how to be in the world, of You both. I want to know, I want to know it all through my feelings, all that there is to see, the whole truth and nothing but the truth. Please help all my pain come to the surface of me so I can embrace and accept and express it out of me. I want to use my feelings to uncover the truth they are to show me; please help me to do that.

**Please Mother and Father love me**. I want You to love me. I want to feel fully loved by You. I don't want anything else, only to be with You. Please, that is all I am asking.

**Please make me feel how unloving I am**. Please show me the horrible truth that I am. I want to see and feel and understand the worst of me, please take me into my darkest scariest ugliest unwanted rejected places within myself. I don't want to feel all the dreadful pain that I know is there locked away inside me, yet I do also want it all to come up and out of me, and I want to use it to see the truth of my wrongness, the truth of how evil I am, the truth of my fucked up state. I no longer want to be false, pretending I am okay, using my mind to make me falsely believe I am good, happy, loved and loving, when I know I'm not. For how can I be when You've brought me into my unloving state, making me be of it. And as You want me to experience being this negative way, please show me the whole truth of it. I no longer want to deny any part of myself, or any of my bad feelings. I want them all to come up so I can express them, emoting their pain, feeling how bad You've made me feel all my life and all through my early life; I want to see why, and so reveal all the truth to myself. I want to be the living truth of myself, living true to my feelings and the truth they give rise to. Please help me to do my Healing, and please fill my soul with Your Divine Love.

The mind way is the 'dead' way; the feelings way is the 'alive' way.

### Examples of some prayers to God:

From 'Feeling Healing' by James Moncrief

**Please God** show me the truth of myself through my feelings.

Please help me see the truth about myself You want me to see.

And please help me feel all my repressed pain; please bring up all my bad feelings so I can express them and see what it is they are to show me about myself, my life, and You.

And please help me work through my blocks, I want to Heal myself, I want to become true to myself and true to my feelings and true to You – please help me do that.

**Heavenly Mother and Father**, I feel so bad, and I know I'm doing it to myself, but I can't help it. I can't stop my compulsive addictions, so will you please bring up the buried feelings in me and show me the reasons why I can't stop. Please! I want to know – I REALLY WANT TO KNOW why I do them. Please help me Mother and Father to uncover the truth of myself. Please, I beg you, please, please, please show me the truth of them so I can give them up. I hate feeling bad, yet I know I must so I can keep expressing my bad feelings to see the truth You want me to see, so please help me feel bad.

**Please Mother and Father** fill my heart and soul with Your Divine Love. Please give me Your Love. Please love me and make me feel loved by You. I want to feel You close to me, I want You to hold me, make me feel loved by You. I only want You and to do Your Will. Please help me bring up all my repressed feelings so I can express them and uncover their truth. Please help me do my Healing. Please give me Your Love.

**I hate you Mother and Father**; why have You given me such a shit awful life? I hate myself, I hate You, I hate everything about my life. I feel so bad all the time. I've expressed so many bad feelings and still I feel bad. It's not fair, it's not fair what You've done to me. I hate You! And I want You to help me Heal myself, so I can stop feeling bad. You put me in the shit for whatever reasons, and I want You now to help me get out of it and show me what it's all been about. Please help me to Heal myself so I no longer hate You.

**I long for Your Divine Love** Mother and Father. Please fill my soul with it. And please help me uncover the truth of myself through my feelings. I want to see it all! And please make it all end, I'm so tired of always feeling so bad, please take all my bad feelings away by making me feel them and showing me the truth I am to see.

**Feelings First Spirituality, The New Way**

*Feelings First Spirituality, The New Way* is a contemporary ‘religion’ based on living true to yourself through your feelings. Understanding that all you need in life is contained within your soul and is shown to you through your feelings. And by loving your feelings, by attending to them properly (talking or writing them out of you) and not denying them, you can use them to uncover the truth of yourself – the truth of your soul.

*Feelings First Spirituality* is not a formalised religion that tells you how to be, that is too controlling and is actually bad for you, limiting your spiritual growth. You can be wholly self-revealing of the truths you need to be, being the person God created you to be, all by living true to your feelings.

*Feelings First Spirituality* has no formal structure because we understand we don't need one, our soul contains within it all the truth of our spiritual ascent. If we look to our feelings for the truth they want us to see about ourselves, nature and God, then what more do we need! Our true spiritual path is the path our feelings will lead us down, that is, provided we allow them to. This is the most spiritual we can be.

**Living the New Way of Feelings First Spirituality**

You come to the understanding from your life experiences that how you are is not right, it doesn't make you feel good – that you are wrong in some way. And you want to change yourself, you want to become right, true and perfect – you want to be like God is.

*And to do this you need to do your Healing*

Your Feeling-Healing is looking to your feelings for the truth of yourself, the truth being hidden in many of the feelings you are not wanting to face in life. So you have to end your feeling denial, accepting all your bad feelings (and good ones), express them (yet not necessarily acting upon them), whilst longing to uncover the truth they are to show you.

Or, you can do your Soul-Healing, which is your Feeling-Healing together with including longing directly to God for God's Divine Love. When you receive the Divine Love into your soul, it will cause your soul to become divine, and it will deepen your personal relationship with God. Long with all your heart to God for God's Divine Love.

## **Feelings First Spirituality** **The New Way**

**By living true to ourselves, true to our feelings, we are living true to God. It's that simple.**

## Feelings First Spirituality The New Way

**Feelings First**  
**FF**  
**Feeling Free**

The New Way, Feelings First Spirituality  
Learn to live with God through your Feelings

Accept, express and long for the truth of your feelings

Be free in your feelings  
Free your feelings from your mind's control  
Live true to your feelings; your feelings are your true self  
Live true to yourself through your feelings

Live true to yourself by living true to your feelings.  
Long for the truth of your feelings.

Accept / Express / Bring out ALL of your good, and most importantly,  
BAD feelings.  
Want to understand why you're feeling them.  
Use your surface feelings to take you deeper into your repressed and  
hidden feelings.

The Feeling Way is the True Way.  
 Your feelings are your spiritual guide.  
 Your feelings will take you to God.

Your feelings will show you the truth of your relationships, including your relationship with God; and if anything is wrong, untrue and unloving, then why it is.

Our feelings are sacrosanct and we should respect them accordingly. And we should NEVER block them out, ignore, override, banish, deny or reject them, because if we do, we're only doing that to ourselves, as Our Feelings Are Our Self.

Our feelings are the gateway to our soul. Our feelings are the closest we can get to our soul. Knowing the truth of our feelings is knowing the truth of our soul, and knowing the truth of God.

Feelings First Spirituality is the True path for humanity.  
 It embraces all people.

It completely unifies the world.

Everyone can relate to everyone else through their feelings.

And we can all live the truth that comes from our feelings, all sharing the same truths as we express and have the same feelings.

No one need be left out; no one is more special than anyone else – we are all united in Truth through our feelings.

So with and through our truth we live our lives, therefore without the need of any man-made mind-laws, rules and restrictions that limit self-expression as inspired by our feelings.

The New Way, Feelings First Spirituality is what is to replace all man-made, mind-contrived religions that so many people have enslaved themselves to. The New Way, Feelings First Spirituality will set us free of all that control, ending the Rebellion and Default within ourselves as we do our Feeling-Healing, and ending such control and spiritual stagnation in the world.

Bring on the End Times – get it over and done with! Let's all see that Jesus is not going to come again, that Prophecy has failed all the mind-controlled platforms. Allow such false systems of belief to die their long-awaited natural death, they've overstayed their welcome, it's now time they fade away. So let us show such antiquated, erroneous systems of belief the exit and bring on the fresh liberation of discovering the truth of how we are to live for ourselves, each of us personally in our lives, and all by looking to our own feelings for it. Self-revelation through our feelings is the way to go.

The Way of the Mind is ending, and is really the End Times – the End of our mind control, and **it's about time!** With the Way of our Feelings replacing it.

The End Times means the end and therefore a New Beginning. And that new beginning is a whole new Spiritual Age – an age based on self-revelation of truth through one's feelings, coupled with and supported by higher revelations from the Celestial spirits, angels and nature spirits.

The Feelings First Spirituality is the True Way to God because it helps you get to know God, helping you to reach out, connect and be personal with God, and do God's Will, all through your feelings. It is the only true way of getting to know the God of Feelings – our beloved Heavenly Mother and Father, the Great Soul of Divine Love.

Love comes through our feelings and not our mind, as we've all been wrongly led to believe.

**A Personal Adaptation of the Prayer for God's Divine Love:**

Joseph Babinsky

*Our Father, who art in heaven, I recognise:*

That You are holy and loving and kind, and that I am the child of Your care.

That I am the object of Your great Soul's love and tender most care.

That Your will is that I become at-one with You and partake of Your great love, which You have given me through Your desire that I become, in truth, Your child.

That You will open up my soul to the inflowing of Your love, and that then will come Your holy spirit to bring into my soul, this, Your great love in great abundance until my soul may be transformed into the very essence of Yourself; and that there may come to me faith – such faith as will cause me to realise that I am truly Your child and that I am one with You.

Let me have such faith as will cause me to know that You are my Father and the giver of every good and perfect gift, and that I only can hinder and stop the river of your inflowing love.

Let me never cease to realise that Your love is waiting for each and all of us, and that when anyone comes to You with faith and earnest aspirations, Your love will never be withheld.

Keep me in the shadow of Your love every hour and moment of my life, and help me to remain completely focused on this, your ever-present and unconditional love.

I thank You for Your love and for the possibility of receiving it, and believe that You are my Father – the loving Father Who smiles upon me always and is always ready to help me and take me to Your arms of love.

I pray this with all the earnestness and longings of my soul, and trusting in Your love give You all glory and honour and love.

**The opening up of the soul permits a permanent exchange with Divinity, a permanent recharge of this healing energy that allows not only the re-establishment of lost health, but the continuity of health, providing such a perfect balance, even in the physical body, that noxious agents like bacteria and virus cannot find any opportunity to unchain pathological reactions, which we commonly call illness.**

**But it is true that people without the benefit of Divine Love would lack the protective shield, which the intrinsic healing energies of Divine Love provide for those who pray for our Heavenly Father's Grace.**

## The DIVINE UNIVERSE

### 300. *Prayer of Love and Strength*

2 February 2013

I am going to write the Prayer of Love and Strength that may help those with their endeavour of heart in the receipt of the Divine Love:

I pray that I may find the love and strength in my heart to love you more wholeheartedly. I pray that I may feel this strength as a living truth in my heart and soul as my weakness, due to my condition in my physical and material struggle, may not become a hardship that casts a long shadow over my day-to-day living in my faith in Divine Love. I pray that I will not give in to any negativity that surrounds me, or to the way that at times I cannot seem to be able to help or forgive myself for loosing faith in The One I love.

I pray that I am receiving Love, your Divine Love that is in great abundance and that my heart partakes of a small portion of this abundant Love. I ask that your Spirit, The Spirit, convey the Love into my soul as I have already been receiving into my soul your Divine Love. I pray that your Divine Love gives greater love and strength to my heart that I may continue in my prayer to receive this Immortal Love.

God, I love you with all my heart even if there be a shadow across my heart, and a lack of humility in my faith and on my behalf for I recognise that you can love me more perfectly and wholeheartedly than I can accept for myself.

God, I recognise that you are Soul and that I am a finite soul and that your Love and Spirit are true gifts for my heart and soul and that I need this Love that you have provided. I pray that from your Love, more finite love and strength in my faith and heart will enable me to love you even more. I recognise that I am doing my best in all that life has given and taken away from me and that in my resolve, my heart knows that your true Divine Love always remains with me and my faith in you. At times I have left you and left your side and wandered all over the place, lost in the shadows of life and in the near-sightedness of my eye and then, I pray for your Love and your Love fills my heart and my love and strength return and I accept that you are loving me at all times when I am lost and found. I give you all my gratitude, love and strength that my heart can give and I desire not to change the world or the spirit world accepting that your Divine Love will change my soul and in harmony together, I will try for a peaceful world.

I have provided you with the inspiration to give these words of love and strength that such words may help one in their experience of God's Love and Spirit.

**Note:** Following the writings of James Moncrief, one could consider that any reference to the Father, by other relevant writers, may be read as a reference to 'our Mother and Father'. Further, when considering soul healing, then reference to Divine Love could be referred to as 'Feeling Healing with Divine Love'.

Jesus ~ *Your praying must be more frequent*

October 25, 1918

P.99 Little Book of Truths via Joseph Babinsky

P.592 Book of Truths for full context

Pray often to the Father so that the love may become more abundant and your soul becomes permeated with it.

Think thoughts of spiritual things, until by such thinking your brain may become, as it were, infused with these thoughts and thereby receive those qualities that will make its conditions similar to the conditions of the minds of the spirits who may wish to form a union with your brain and convey through it the truths that are waiting to be delivered.

Your praying must be more frequent so that the soul may be freed from the condition that the existence in it, of thoughts not spiritual, be established.

You need not wait for occasions or opportunities to formally pray, but all during the day and evening let your longings for the love ascend to the Father.

A long prayer, or even one formulated into words, is not necessary, as in order to have the longing it is not necessary that words should be used to give it form.

The longing may be rapid as unformed thought, and as effective for the Father to catch, as I may say.

The longing is quicker than the thought, and the answer to the same will come with as much certainty and love as if you were to put the longing into the most exact form.

Prayers of this kind ascend to the Father and are heard and answered, and, by a law of your relationship to the Father, affect the qualities of the brain in the way of preparing it for the union with the spiritual thoughts of the spirits who desire to write, as I have stated.

Your thoughts of spiritual things or of the truths of the spirit world, as they have already been revealed to you, and especially those which pertain to the love and mercy of the Father, and to His will, in their passing and operating, also affect the qualities of the brain so as to produce the condition which is so necessary for our rapport.

**Oliver Twist asked:**

*Please, sir, I want some more!*

**Maybe we should simply ask:**

*Please, Mother and Father, I want some more!*

**Long and pray for Divine Love and it will loosen the errors / injuries / unhealed / denied / trapped and or inherited emotions, resulting in a flowing out of these negative embellishments within one's soul as Divine Love flows in – Divine Love being the greatest gift in all the universe.**

**The BEAUTIFUL MIRACLE:**

5 Oct 2012

**The DIVINE UNIVERSE**

The way in which the Spirit conveys the Divine Love into the soul is a beautiful miracle. The attribute of mortal soul prior to incarnation has to it, a potential within it that is part of its formed nature. After the soul incarnates this potential remains part of the soul and even if the forming personality is unaware of such a soul potential, the potential still exists. The Divine Love is entirely suitable in its energy of harmony to be the energy that a mortal soul can utilise. The Spirit covers the spirit body when the individual sincerely asks the Soul of God for the Divine Love and this covering of the spirit body is where the dynamic of this beautiful miracle takes place. From the internal longing of the individual for the Divine Love this activates the Spirit Law that activates the Spirit that is then attracted to the spirit body upon which the Spirit material of the spirit body draws the Divine Love in to its soul and this union completes. The key here is to gain a perceptive insight into realising that the spirit body is not an inert body but that it is living and has activity, recognisable from its first forming from the Spirit Law that materialises a spirit body. The Spirit and the spirit body to give an analogy are like two attracting magnets and when the surface of the spirit body is touched by the Spirit, this causes the automatic response of the Divine Love to permeate into the attribute of soul and so begins the transformation of energy from the natural into the Immortal Divine Harmony. If the individual continues the receipt of Divine Love, the energy that is Divine Love actively begins to change the soul and this is felt in the spirit body systems and can produce feelings of love and elation. The spirit-mind begins to change as all spirit body systems are affected by the changed condition now experienced in the soul as the soul becomes living and vital. In one's progression of this Divine transformation, the soul will mature enough from the amount of Divine energy it receives and at that moment the surface of the spirit body and the Spirit are continuously attracted to each other, then one is living in the presence of the Father in perfect harmony, and this clarifies the truth about what it means to be truly at-one with God.

It is I Matthew, a teacher of the Divine Love. I have communicated with you recently, now I desire to provide you with a visual description of the Love.

Imagine a continuous Energy shining light blue that is unbroken with a seamless surface that surround every mortal and Immortal spirit. Imagine if you were to become aware that this energetic field of light-blue Energy existed in its shining radiance just near where you are. Now that you are aware that this unbroken Divine Love is unified energetic field of living Love, by opening toward the Soul of God and aspiring for the Divine Love, the Acting Spirit gently brings a small portion of this shining blue Energy into your soul

The Divine Love that you have received remains part of this great Energy that the Divine Love is and even though this small portion of Divine Love, now within your soul, in its shining radiance and energetic cause, it is never separated from the continuous energetic field of Energy that the Divine Love is. Having partaken of this Energy it is with perception that one is aware that the Divine Love within one's soul is the same Divine Love that every person and spirit who has partaken of this Love, participates with. Even though in our individuality we partake of this Divine Energy, this Love is never broken away from the Source and Origin from which this Divine Love emanates.

The Divine Love is bestowed into our finite soul by the Acting Spirit, but this Spirit remains in contact with our spirit body and does not enter the finite soul to become part of our finite soul essence that we are. No mortal or Immortal spirit can manifest in their soul the Acting Spirit so that this Spirit – this Holy Spirit – becomes part of our existing finite spirit body. Only the Divine Love and its Energy becomes part of our finite soul, which causes the change to our spirit body. The Acting Spirit always remains its own attribute and never does a Celestial spirit claim ownership or take possession of the Acting Spirit within their soul. (The Holy Spirit / Acting Spirit is an instrument of the Source Soul, our Father.)

This is one of the wonderful Truths by which we who have been transformed by the Divine Love understand our personal relationship with the Father's ever-present Acting Spirit. The shining Energy of Divine Love is all around us and when we have partaken of this Love, part of our finite nature becomes independently shining in this true perfect Love.

I provide these words that may appeal to those who are visual and to express the universal appearance of the Divine Love and the personal touch when in contact with the Acting Spirit.

Matthew (Apostle)

**Whilst we are receiving our Heavenly Parents' Divine Love, and that this Love is causing change within our soul and spirit attributes, the greatest Truth known to man and spirit is that this is the way our Mother and Father are actually loving us! When we progress, it is God's way of loving us into love and then we live what we are, love.**

To liberate one's real self, one's will, being one's soul, is by embracing Feeling Healing so as to clear emotional injuries and errors. With the Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

**Our salvation IS by embracing Feeling Healing with the Divine Love.**

**God's Divine Love: Pray for it, ask for it, and receive it.**

**Please Mother and Father, may I receive Your LOVE.**

**“Every day is a day of devotion.”**

**Follow your heart, follow your love and do that in loving action, your inner love leads in your asking the Soul of God to receive a little of the Love to strengthen one's resolve to heal.**

**“I love you Father.” “Let the Divine Love proclaim its energy into my soul.”**

**“Mother – Father, I desire your Love and I am loving you.”**

**“Soul God, I love you and I love receiving and experiencing your Divine Love.”**

**“True Soul God, I am here, I am aware of your Love. Please hear my aspiration for your Love and as I approach you from my soul, I can feel your Love in the way that you are loving my soul.”**

**Try it; give the Feeling Healing and Love a go! If you want to shine, receive the Love.**

**One can simply receive the Love without following any religious or spiritual teaching taught by man!**

**Emotional errors and injuries cause encrustment around the soul, the soul is never damaged however, the encrustments retard love energy flow to and from the soul. Feeling Healing melts such injuries.**

### **Three Great Truths:**

- **God is Soul, being Mother and Father;**
- **that each individual soul is a duplex – both male and female;**
- **and Feeling Healing with Divine Love is the pathway to Paradise.**

**FEELING HEALING and SOUL HEALING with the DIVINE LOVE:****James Moncrief Publications:****all publications are free downloads:**<http://divinelovesp.weebly.com/my-free-books-and-free-padgett-messages.html>

It is suggested for one to consider reading as follows:

**Speaking with Mary Magdalene and Jesus – books 1 – 4**

These four books encapsulate the second of the revelations with the first having been introduced by James Padgett one hundred years previously. These four books provide a wide range of guidance that has never previously been made available.

**Paul – City of Light**

As a gentle intro into the Divine Love and Healing; being James Moncrief's first novel and it's been criticised as being too heavily clichéd, but that's the point because it's a reflection of how he was back then.

**Ann and Terry**

For an example of people who might want to immediately start working on them selves and doing their Healing.

**Feeling Bad? Bad feeling are GOOD**

For more understanding about our denial of our feelings and why we should not deny our feelings, and it includes how it all came about for James, using himself as an example.

**Feeling bad will make you feel BETTER – Eventually!**

This includes specific examples of Marion and James working on expressing particular bad feelings, again with the hope that it will help others gain something of an idea as to what's involved in doing your Feeling Healing.

**Sage – and the Healing Angels of Light**

Through Sage who's 13 years old, the story is primarily about the two aspects of healing; that being, with the help of our angels, and the full Healing we can do by looking to our feelings for their truth.

**Religion of Feelings  
Feeling Healing****Welcome to LOVE – the Religion of Feelings  
you can heal yourself through your feelings**

So these books, including the four Speaking with Mary Magdalene and Jesus books, provide the essence of it all and are examples of James' work. Then it's up to whatever takes one's fancy. Other reading to consider may include:

**The Padgett Messages being published as:****The True Gospel Revealed Anew by Jesus volumes 1 – 4****Book of Truths by Joseph Babinsky****The Urantia Book****Release one's pain through expressing one's feelings.****in conjunction with****Longing for the Truth when also longing for Divine Love.**

**FEELING HEALING with DIVINE LOVE is SOUL HEALING:**

*A collection of 'papers' that draw together specific topics including all of the above and more from other sources of information and revelation designed to help increase one's awareness about why we have the problems we do and how to heal them, all whilst living a more healthy and sustainable life. They provide a brief snapshot of the more complicated topics and issues.*

**Firstly, consider discovering the truth of your emotional pain through Feeling Healing.**

**Secondly, consider longing for our Heavenly Parents' Love as you progress with your healing.**

**Primary and most important readings are the writings of James Moncrief.**

**Then consider the Padgett Messages, and then The Urantia Book.**

 Pascas Care – Truth about Spirit Influence

SOUL  SPIRIT BODY  PHYSICAL BODY  
 PERSONALITY

The soul animates the spirit body and in turn the spirit body animates the physical body. The spirit body looks just like the physical body. These bodies are connected by cords. Your memory and intelligence as well as your emotions are within your soul which is your real self. Your mind is within your spirit body. Your brain is within your physical body.
