PASCAS INTRODUCTION:

Documents assembled by Pascas are provided for your individual assessment and exploration. The contents are sourced from a variety of avenues and publications. Every endeavour is made to determine that the contents are of the highest level of truth and veracity. At all times we ask that you go within yourself, to ascertain for yourself, how the contents resonate with you.

Pascas provides these notes and observations to assist us all in the development and growth of our own pathways and consciousness. Pascas does not hold these contents as dogma. Pascas is about looking within oneself. Much of what we are observing is new to us readers and thus, we consider that you will take on board that which resonates with you, investigate further those items of interest, and discard that which does not feel appropriate to you.

Kinesiological muscle testing, as developed by Dr David R Hawkins and quantified by his Map of Consciousness (MOC) table, has been used to ascertain the possible level of truth of documents. Such tested calibration levels appear within the document. We ask that you consider testing same for yourself. The technique and process is outlined within Pascas documents, such as Pascas Health – Energy Level of Food. From each person’s perspective, results may vary somewhat. The calibration is offered as a guide only and just another tool to assist in considering the possibilities. As a contrast, consider using this technique to test the level of truth of your local daily newspaper.

Contents are not to be interpreted as an independent guide to self-healing. The information sourced herein is not from a doctor or doctors, and any information provided in this document should not be in lieu of consultation with your physician, doctor, or other health care professional. Pascas, nor anyone associated with this document, does not assume any responsibility whatsoever for the results of any application or use of any process, technique, compound or potion as described within this document.

The sources of contents are noted throughout the document. In doing so, we acknowledge the importance of these sources and encourage our readers to consider further these sources. Should we have infringed upon a copyright pertaining to content, graphics and or pictures, we apologise. In such cases, we will endeavour to make the appropriate notations within the documents that we have assembled as a service via our not for profit arm, to our interested community.

We offer all contents in love and with the fullness of grace, which is intended to flow to readers who join us upon this fascinating journey throughout this incredible changing era we are all experiencing.

Living Feelings First, *John.*

“Never can one man do more for another man than by making it known of the availability of the Feeling Healing process and Divine Love.” JD

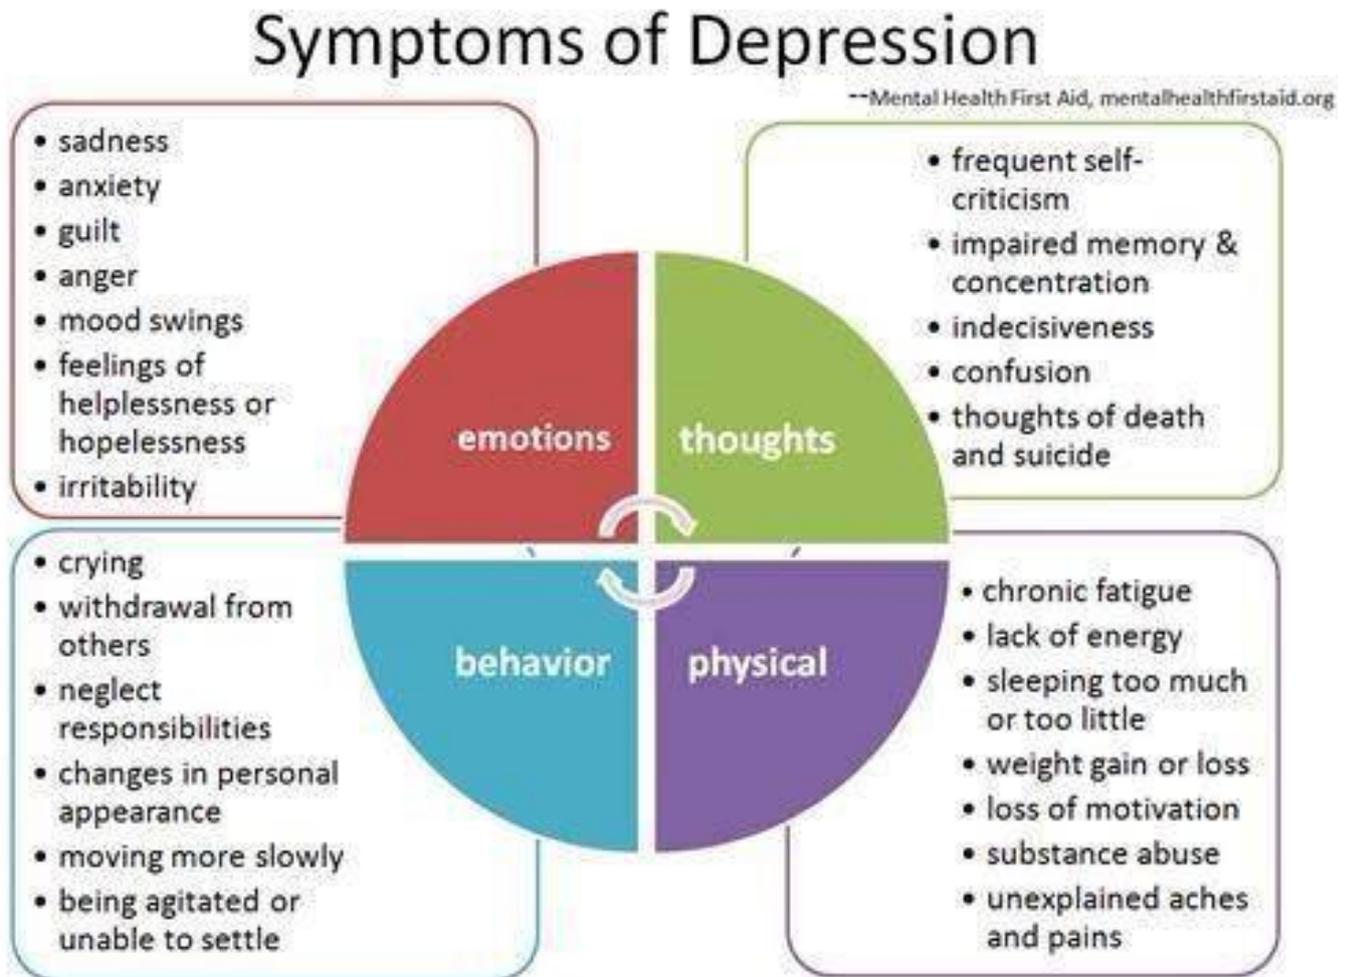

A TIME for NURTURING:

“Current popular video games often calibrate as low as 90 on the Map of Consciousness, celebrating murder and rape. This is inducing the emotions of uncaring, tragic, grief, regret and despondency.”

p.208 by Dr David R Hawkins ‘Reality, Spirituality & Modern Man’

Any activity, food, substance, reading material, conversation, etc., that calibrates under 200 on the Map of Consciousness is harmful and consequently detrimental to one’s health in many different ways.

Apathy, depression, addiction – what ever order one puts them in does not matter. What does matter is that a loving embrace is given as the crisis is incomprehensibly difficult.

No bigger step is the step required by the person who is drowning in apathy, depression and/or addiction. Until that person reaches out a little for assistance then all one can do is offer continual and gentle guidance. Some times that gentle guidance needs to be delivered in the form of tough love.

Few recognise the injuries and damage suffered during one’s early childhood. We all tend to say we had a great childhood, however, lack of proper and loving nurturing often prevailed – and now the pathway to escape is taken.

PERSONALITY TRAITS:

Less than two dozen people on planet Earth.

Would not pick up a weapon let alone use it. These people gravitate to the health industry and humanitarian programs.

Debate and implement resolutions without argument and delay.

Debate and implement resolutions in due course.

Debate and implement resolutions with some degree of follow up generally needed.

Management supervision is generally necessary.

Politics become the hope for man's salvation.

Cause no harm to others starts to emerge.

Power overrides force.

Illness is developed by those man erroneous emotions that calibrate 200 and lower.

Armies around the world function on pride. Force is now dominant, not power.

Harm of others prevails, self interest prevails.

Totally self reliant, not God reliant.

Fear dominates all motivation.

Suicide is possible and probable.

At these levels, seriously harming others for even trivial events appears to be justifiable.

Poverty, unemployment, illness, etc., this is living hell on Earth.

Now to step forward:

With respect to supporting a depressed, apathetic and/or addicted partner, there is no one size fits all, so please take what you are comfortable with based on your circumstances and resources:

1. **Reach out to family and/or friends to feel supported** – this also covers support groups – online or face to face. Don't let stigma stop you from reaching out.
2. **Relationship boundaries** – identify what is acceptable and not. Physical abuse is unacceptable as well as regular demeaning / berating comments. Communicate this openly so everyone understands.
3. **Coping tools** – this could be exercise, meditation, reading a book, meeting friends, etc. They are important for your mental health.
4. **Knowledge is power** – research to understand about depression, apathy and addictions. The more you know, the better care and support you can provide.
5. **Remember your partner in the good times** – this is their true selves, not the darkness.
6. **Listen and show receptivity** – without judgement or anger. If communication becomes strained, the timeout can provide clarity. Encourage communication gently and try not to push.
7. **Seek counselling** – sharing your feelings can provide an opportunity to off load the heavy stuff and identify resilience and coping strategies.
8. **Work as a team** – don't let mental illness be in the driver's seat. Offer to go to the Dr's and support them. Understand medication and side effects. Be understanding that some days are harder than others.
9. **Words are powerful** – remember what you say cannot be taken back.
10. **Carer Self-esteem and self-worth** – if you compromise these for the sake of supporting your partner, you are likely to live with resentment towards your partner and the circumstances you find yourself in.
11. **Don't forget the children** – challenging circumstances at home can affect them mentally and emotionally. Speak about mental illness (COPMI.com.au – has some great resources) and be a strong foundation toward maintaining normality in their daily activities.
12. **Intimacy** – there are many variables here, keep communication open and make couple time to connect. Daily hugs or holding hands wherever possible works. Carers often may say that their partner would demand intimacy. Intimacy is about love without demands or attachments relating to expectation. Demands only deplete the goodness in the connection and sharing of a loving experience.

Dealing with Apathy, Depression and Addictions

The good news is, it's not hopeless. A depressed, apathic and/or addicted partner can cause stress in a relationship. So can a death in the family, money troubles, or disagreeing about whether Firefly is good or not. Depression isn't the first problem couples have had, and it won't be the last. Just like any other problem, you can seek therapy together and work through the problems. Here are some of the ways to consider doing just that.

Don't Take the Symptoms of Depression / Apathy / Addiction Personally

One of the key symptoms of depression, addiction and apathy is a naturally skewed sense of reality. Everything feels worse than it is, and some days it can be overwhelming just to drag yourself out of bed in the morning. When someone who is depressed is in a relationship, that lethargy can carry over into things like going on dates, having sex, or even carrying on basic conversations. If your partner seems to have lost interest in these essential elements of a relationship, it can hurt. It's also very likely that the reason they're not interested in those things has absolutely nothing to do with you.

Part of the problem is that most of the symptoms of depression directly contradict the characteristics of healthy, successful relationships. If your relationship is good, you both may be positive!

You may be trying new things! You may have active social lives with other people! You should have sex regularly! There are very few relationship guides out there that say a successful relationship is one where your partner comes home from work, says very little, watches Netflix or plays computer games for four hours, then falls asleep for the next ten. What other couples see as warning signs is your normal routine.

It's hard not to take things personally. It's even harder to not wonder if you did something to make your loved one shift into this state. When you're depressed, you feel this complete and utter inability to be yourself, and it makes it ten times harder when you're around loved ones; i.e. people who know the real "you." Being with strangers can sometimes be easier for them; they get to put on a show. They get to pretend that they aren't depressed for a short amount of time. It can really hurt you to see this, and you sometimes wonder if it's just you causing the depression or issues. But it's not. If your loved one is acting depressed around you, it's a good sign – in a strange way. It means that they love and trust you enough to share this with you. Sometimes they try to hide it – sometimes they'll push you away. The only thing to do is just be there.

Even in a healthy relationship, you can't make someone else's emotional well-being your sole responsibility. Depression can tank your partner's sex drive, make them seem bored with the things you talk about, or take the joy out of things they might otherwise enjoy. Those are certainly problems that need to be dealt with. However, it's also important to understand that having depression / addiction / apathy and being unhappy with your relationship are two separate issues. As long as your partner says that you're not the reason they appear unhappy, take them at their word and try to work on the other issues together.

Develop a Plan to Tackle Depression, Apathy and/or Addiction Together

You should avoid taking your partner's symptoms of depression / apathy / addiction personally, but you shouldn't ignore them. The fact that depression can sap your partner's motivation for romance doesn't

make it hurt any less, when you feel neglected. If your partner were sick or injured, you wouldn't resent them for it, but you *would* help them get treatment. Depression / apathy / addiction is no different.

Supportive, loving relationships can actually be a huge benefit to someone suffering from depression and apathy. However, that only works if you're both working together to deal with it constructively. That includes being understanding of your partner, but it also means taking practical steps to deal with the underlying issue. There are a variety of ways to do this (educating yourself about depression, encouraging them to stick to goals, tracking progress), but one of the best ways to help is to go to therapy together:

Mental health professionals are increasingly recommending couple- and family-based treatment programs. In one approach, a mental health professional enlists the partner as a co-therapist. With training, the partner can assist the patient with homework assigned by the therapist. This might involve accompanying the patient into anxiety-producing situations and providing encouragement to stay in the situation by using anxiety-reduction techniques.

Even if you don't go to therapist together (or at all), finding a therapist together, and then helping out in your partner's treatment, can make a world of difference. Set timelines and goals for yourself so you know what you're working towards. There may not be a definitive "end point" to treatment, but ideally you'll work towards a sustainable solution that both of you can handle.

It's also important in this phase not to *force* treatment on your partner. You can assist and support, but you can't coerce your partner to do anything. If they refuse to get help, then you're welcome to reassess whether or not you can remain supportive or stay in the relationship, but they need to decide for themselves how and when to get help.

Like Father – Like Son

Like Mother – Like Daughter

WE EDURE FOUR LAYERS of PERSONALITY SUPPRESSION!

Unknowingly, our parents pass onto their children (us) their beliefs and way of living that has evolved since the Rebellion of some 200,000 years ago and then the Default of some 38,000 years ago. In this way, humanity is suppressing the female, rejecting our Spiritual Parents, namely Jesus and Mary, and denying our Heavenly Parents being our true Mother and Father, of their truth, standing and existence.

The Rebellion is against love, the Default is all the difficulties we have in our relationships because of our rebellion. Healing the Default is becoming true, to ourselves and in our relationships, and ending our unlovingness – our rejection of love, so ending the Rebellion. Nanna Beth 29 June 2017

We are souls, our personality is an expression of our soul. It is our free expression of our soul through our feelings that we are to embrace and follow. This expression may appear to be wilful in nature, from time to time, and consequently our parents attempt to suppress this expression. They proceed to remodel us when as young children, in the manner their parents treated them and so on for many generations going back.

During our forming years, as a child, we are unable to recognise the suppression of our personality as being extra-ordinarily harmful to our soul based personality and, accordingly, we don't know that things can be any other way. Presently, neither do our parents.

This childhood suppression way of living continues throughout our schooling years, thus we learn this is a way of life as being normal.

Our religions all have been formed based on the tenets of the Rebellion and Default. The teachers and leaders throughout all denominations take us further away from our suppressed feelings that have been hammered into us during our forming years, thus entrenching us further into rejecting our true selves.

The controlling and suppression mechanisms of our parents, educators and spiritual teachers all manifest throughout all of commerce. This control comes heavily and brutally down upon all levels of employment. The capability to express one's soul based attributes and gifts is sealed throughout all of one's working life.

A new way of living is to enable the liberation of one's true personality through the Feeling Healing process AND the transfer of authority to the individual via embracing freedom of expression.

DEVOLUTION

Our childhood suppression of our true and loving soul based feelings is creating global pain and personal isolation amongst all of humanity. We are very sick!

In our struggle to find solace and purpose, we further withdraw into ourselves, becoming ever more self dependent, believing our control addicted mind that it can solve everything. We just drown further.

We embrace an ever expanding and diverse range of pathways to escape from our personal pain, fear and desperation. Alcohol has now been complimented with narcotics, hallucinogens, including caffeine (coffee). Gambling has been complemented with computer games which are generally entraining the mind further into error and pain. Technology is making us sicker!

We bury ourselves in front of the television to further avoid contact with anyone, especially family.

Children endeavour to exert their independent authority from domineering controlling parents (which we all are eventually) by disfiguring their bodies with tattoos and piercings, etc.

We shut out the noise with headphones, thus preventing contact with others. We use electronic devices to 'text' others even at intimate engagements.

Technology will take us further into the depths of our madness. You now can buy headsets that prevent any contact with the outside world while playing mind suppressing and entraining entertainment – games!

No one loves their children, they are ignored, and the controls hammered into them turn them into clones of ourselves. Look at ourselves and we can all see that we have been all messed up by our own parents, as they have for generations over the past 200,000 years.

No more of this! We can escape this man made hell!

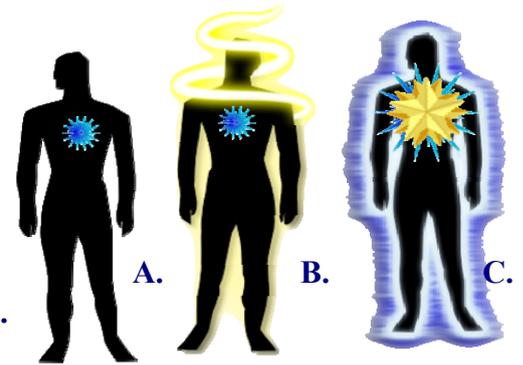

EVOLUTION

STEP 1: Longing for and receiving Divine Love:

A. Soul within spirit body prior to receiving Divine Love.

B. Divine Love being received from the Holy Spirit, covering the spirit body of requesting personality.

C. Divine Love having been assimilated within one's soul, now being reflected through the radiance of the spirit body.

STEP 2: FEELING HEALING + SOUL HEALING

It is the Divine Love that strengthens one's resolve to persevere with embracing one's suppressed emotional injuries, that occurred from conception through to around the age of six, and longing to know the good and the bad of those feelings, together with talking about them to a friend, partner, one's self and our Heavenly Parents. It is only with the receipt of the Mother and Father's Divine Love and the expressing of suppressed emotional injuries that one can release the emotional injuries and errors to achieve Celestial soul condition and enter the Celestial Heavens.

Further, should one complete their Feeling Healing on Earth, then they will be able to recognise their soul partner, their other soul half, and should their soulmate have also embraced Feeling Healing with Divine Love, then their children will be born free from error, free from fear, and free from any deformity and illness. This is the destiny of humanity.

Further, being in this condition of free from error and being in constant communication with our Heavenly Parents, then one can also recognise and form their Soul Group. This will ultimately consist of twelve soulmate pairs, a total of twenty four personalities / individuals.

It is the bringing up of children by the support of soul groups that is to be the ultimate way forward. The group experience and wisdom, as a functioning family, will ultimately be of profound benefit for the blossoming child.

But what we cannot do is contrive the groups ourselves, or even pick who our soulmate is. This will only, and can only happen, as an outworking of the truth we are to live – as we progress in the healing of our soul.

And this is how all of life should be lived: according to the truth we are living. It is how we live, as there is no other way, but currently we live it in the negative, of that being directed by no truth, and so having to make it all up ourselves.

Boundaries of HELL!

The gateway out of our isolation from all other humanities within our local system is opened to us upon the completion of our healing of all that represents the Rebellion and Default.

While we remain embraced within the Rebellion and Default, even though we are unknowingly doing so, all of the humanity of Earth is isolated from all of the other humanities throughout our local system of Satania, all 619 inhabited worlds, thus effectively we are in hell!

Further, we are also isolated from the Spirits of Truth that our spiritual parents can offer us, until we complete our healing and enter the first of the Celestial Heavens, and that is when we move through the gateway and progress beyond healing Mansion World number 7.

Life on Earth is living in hell in the physical. Many of us consider it to be wonderful – that is a fantasy. Our physical parents have remodelled our personality to reflect what they consider appropriate ... IT'S NOT! We are to freely express the personality that our Heavenly Mother and Father bestowed us with.

Many of us fight so powerfully against our childhood suppression and repression that we go on and cause great harm to many others, all of which the Law of Compensation takes into account. The lower levels of the 1st Mind Mansion World is a region for our compensation. We ALL enter the 1st Mind Mansion World as spirits upon the death of our physical body. The pain we cause to another is the pain that we will endure in compensation. Those who continue to endeavour to inflict harm on others may find themselves within the 1st and 2nd planes of Earth. The 1st Earth plane being the worst of the hells, while the 2nd is bridging towards a return to the 1st mind Mansion World hell sectors. You can continue to live through your mind and perfect the mind but you will end up at a dead end in the 6th mind Mansion World. There are more than 200 billion spirits within the 1st and 2nd mind Mansion Worlds and the two Earth planes of compensation. These areas are packed to the rafters! Only by embracing our Feeling Healing and with our Heavenly Parents Divine Love can we heal ourselves and progress through the three healing worlds before transitioning to the Celestial Heavens and out of the Hells. Within the Celestial Heavens are spirit personalities from all of the 619 worlds within our local system.

**FEELING versus EMOTION
and emoting such emotions through your feelings:**

It is important to **emote** your feelings to a partner or to your Heavenly Parents.

Just be the feeling. When you feel the feeling, try to stay with that feeling.

The other person you are engaging with can assist you to experience and express the emotional event that you are feeling coming to the surface. They'll assist you to stay with that feeling. The other person is to encourage you, to prompt you in describing, expressing, talking about – **emoting** – that feeling leading you back to discover the truth of an experience that was an emotional event in your life, most likely an event in your early childhood, and even more likely to be a childhood suppression of your expression of your true personality by one of your parents.

What ever you are feeling, describe it. Once in the feeling stay with the feeling – become the feeling – become the emotional event. Express, talk about it, that being the experience of how it really unfolded.

Feeling is what you feel now. Emotion is the result of an event that happened in the past (even the recent past). The emotion is the pain within you. Once you begin to become that painful emotional event then the feelings thereof can be expressed, talked out of you – for ever!

The more often you drop into these past emotional events, you'll find the resistance to do so will subside. Your childhood events will become more readily alive in the present.

You will begin to long for the truth of these childhood repressions and these suppressions will become memories, but no longer painful memories as you talk out each such suppression of your true personality that being what was imposed upon you since your conception. You will be aided by the Spirits of Truth of the Avonal Pair as you become to know and embrace them.

From Apathy to Flow in Addiction Recovery

Apathy in Addiction

In order to escape addiction, a high degree of motivation is required. If the individual does not develop this will to change, it will mean that they remain trapped in their misery. [Apathy](#) is the biggest obstacle to a life away from addiction. If the addict is not concerned about the difficulties that substance abuse and/or computer game addiction is causing in their life, then they won't want to make an effort to improve things. The inability to tackle apathy can be a death sentence for the addict.

Apathy, which is a lack of interest or enthusiasm, can fuel a cycle of addiction. Once caught in such a cycle, some can spiral into even more significant and complex addictions and then find themselves dealing with issues such as depression.

Breaking out of the cycle usually requires help and support from friends, family, and professionals.

Apathy is often defined as a lack of interest, concern, feeling, or emotion. This state of indifference suppresses emotions and makes the person a passive player in an event or situation.

For those who have struggled with addiction and who are currently in recovery, apathy may lead to old addictive behaviours.

Apathy Defined

Apathy refers to a lack of interest in those factors that influence the individual's life. It means not caring about these things even though they may be having a negative impact. A good example of this would be the addict who doesn't care about the impact this is having on their mind, body, and behaviour. Even when there is plenty of evidence that the substance or gaming is causing destruction in their life, the addict just does not care about any of this. This apathy can occur if the individual is unaware that there is a better way to live. It can also occur because they do not believe they have the ability to change their life.

It is important to distinguish apathy from acceptance. Learning to live with those parts of life that cannot be altered is good for mental health. There is no benefit if people spend a lot of time worried or angry about things they are in no position to change. Apathy differs from acceptance in that it is a lack of concern about things that can be changed. Accepting that people will die is not the same as not caring about the consequences of a chronic addiction.

What is Apathy?

Everyone experiences this phenomenon from time to time. Life can get overwhelming, and in the midst of it, it may be difficult to sustain an interest in or care about things as usual.

In this regard, apathy is normal. Like other emotional states, however, extended apathy can lead to behaviour or feelings that create social, career, school, or relationship problems. Apathy can also lead to harmful behaviour such as drug or alcohol use or computer gaming, etc.

Helen Keller called apathy evil, saying that “Science may have found a cure for most evils; but it has found no remedy for the worst of them all – the apathy of human beings.” She was referencing the lack of caring people often show to the plight of others, but if you are caught in an apathy cycle, you may feel as Keller did – that apathy is evil.

Why Does Apathy Occur?

No one is immune from apathy or the life circumstances that can trigger apathy. Major life changes or stressors can lead to a lack of enthusiasm for life in general; apathy often follows the death of a loved one, or loss of a job. Lack of loving parental care is significant as we all reflect the emotional issues of our parents, or one or the other.

Experiences that degenerate the spirit or overwhelm the mind and body can also lead to apathy, including abusive relationships, chronic health conditions or a lengthy bout of general bad luck.

In addition to life events, health conditions such as postpartum depression, stroke, and encephalitis cause apathy due to changes in the brain, and the emotional state is often associated with mental disorders such as PTSD (post traumatic stress disorder), bipolar disorder, or borderline personality disorder.

Apathy Can Fuel Addiction

Regardless of the original cause of apathy, drug or alcohol use, or other addictions, can extend apathy indefinitely. First, it may drive individuals to abuse substances as a way to escape the feelings that nothing matters.

Since any impact from drugs, alcohol or gaming is temporary, individuals may experience greater apathy after use. Individuals are likely to use drugs or alcohol again to experience the freedom from apathy, leading to a cycle of substance abuse.

The more the individual uses, the more he or she has to take each time to get the same emotional relief, fuelling an increasing reliance on drugs, alcohol or gaming.

How Apathy Occurs

Apathy can occur for any number of reasons. Sometimes it's [just the realities of daily life](#) that can lead someone to apathy. Further, the drudgery of day-to-day life, particularly after the novelty of recovery, can lead to lack of interest and boredom.

Yet other times apathy can be a reaction to trauma. Georg Christoph Lichtenberg in his work *Aphorisms* said, **“Nothing is more conducive to peace of mind than not having any opinion at all.”**

Shutting down emotionally can make the pain of a serious trauma seem less difficult. People who have lost someone they love, faced the loss of a job, or similar negative experiences can slip into a state of apathy as a coping mechanism.

Apathy and Addiction

For those who are struggling with addiction, slipping into a state of apathy can be dangerous. Drugs, alcohol and computer games add to the numbing effect of apathy.

When one is already struggling with addiction, a lack of interest about what happens in the future may lead to reaching for drugs or alcohol, or some other addictive activity, in order to escape or cope.

Apathy is also linked to addiction because it derails determination. Recovering from addiction requires physical and emotional determination, and when that is removed, the individual has no desire to fight to avoid the addiction. This creates an endless cycle of addiction.

Moving From Apathy to Flow

[Flow](#) is the opposite of apathy. It is something that athletes will claim to feel when they are performing at their best. It can also be described as feeling *in the zone* or fully present in the moment. Here the individual is highly motivated and focused on the task at hand. It can create a type of joyful energy that can push people to achieve things they might otherwise have thought impossible. This mental state is the most likely to lead to success in rehabilitation, and in the years that follow in recovery.

Skills vs. Challenge

[Mihaly Csikszentmihalyi](#) is a psychologist with a theory that examines the factors that influence apathy and flow. He claims that in order to achieve flow, there needs to be the correct balance between the challenge of a task and the skills of the individual performing it. If a lack of challenge is matched with a low skills level, then it leads to a sense of apathy. On the other hand, if the challenge is high and the skill level is low it can lead to anxiety. In order for flow to occur, there must be a demanding challenge and the skills of the individual must also be high.

Escaping addiction is a challenge. Individuals remain trapped in addiction because they don't feel they have the skills to escape. If their [self-efficacy](#) can be increased, they will feel more confident about their ability to deal with their problems. Recovery skills can be taught in rehabilitation and the individual can begin to believe that a life in recovery is a real possibility. Their faith in their own skills to beat the challenge of addiction can lead to an increased sense of flow.

Dual Diagnosis and Apathy

An addict with a mental health problem such as depression can be prone to apathy about their problems. It can mean that the addict becomes [desensitized to the pain caused by addiction](#). They are also less likely to experience the helpful mental state of flow, which can be so important for a successful escape from addiction. Unless this depression is treated, it can be hard for the individual to develop the motivation to change. This is why there are now treatment options directed specifically for people with a [dual diagnosis](#). The idea is to treat both problems together.

Breaking Free from the Cycle

Breaking free from a substance or gaming abuse cycle or any chronic addiction almost always requires professional assistance for long-term, successful results. When apathy or other emotional issues are involved, professionals can work with individuals – as well as their families or support structures – to treat both the dependency that has developed as well as the emotional triggers to use.

Without addressing both sides of the issue, individuals are much more likely to return to using as soon as the “evil” appears again. http://www.brainyquote.com/quotes/authors/h/helen_keller.html

How to Break Free From Apathy

Before you can break free from apathy, you need to know why you are feeling so apathetic. Start by defining the cause or trigger of your apathy. Is your life too routine? Are you struggling with an emotionally challenging event? Does something feel too difficult to accomplish so you are slipping into emotional disconnection?

What Can You Change?

Determine if you can do something about the trigger. If life is too routine, shake things up a bit by [changing up your schedule](#).

If you are dealing with an emotionally challenging event, like a death in the family, seek counselling. If you have a big hurdle to overcome that feels overwhelming, break it down into steps.

Find Support

Then, surround yourself with people and situations that make you feel energized, supported and emotionally aware. Make a habit of spending time with these people regularly. Also pick one interest to focus your energy on, like a new hobby that will keep you emotionally grounded.

Make Goals, No Matter How Small

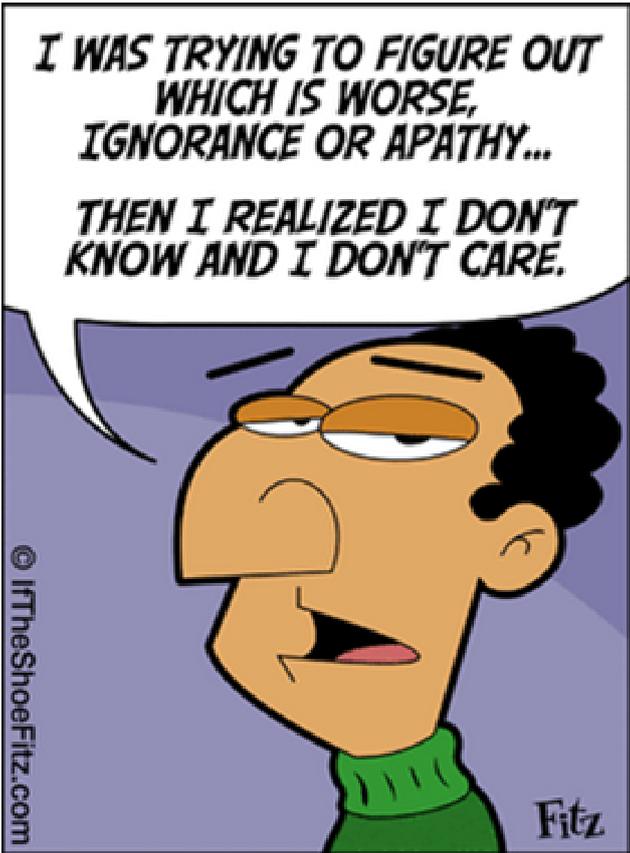

Finally, outline some small, [attainable goals for yourself](#) and make a habit of reviewing these daily. If you are trying to avoid apathy, you must make these goals attainable, because overwhelming goals will simply make the apathy worse. Reviewing them daily will help you stay on track and will provide motivation as you see progress.

If you feel yourself slipping into apathy and old addictive behaviours, seek help through an addiction treatment centre. Addiction counsellors can help you break out of the cycle of apathy and continue with your recovery.

I DON'T FEEL,
and neither do I care to.

-Apathy

I have a very strong feeling that the opposite of love is not hate - it's apathy. It's not giving a damn.

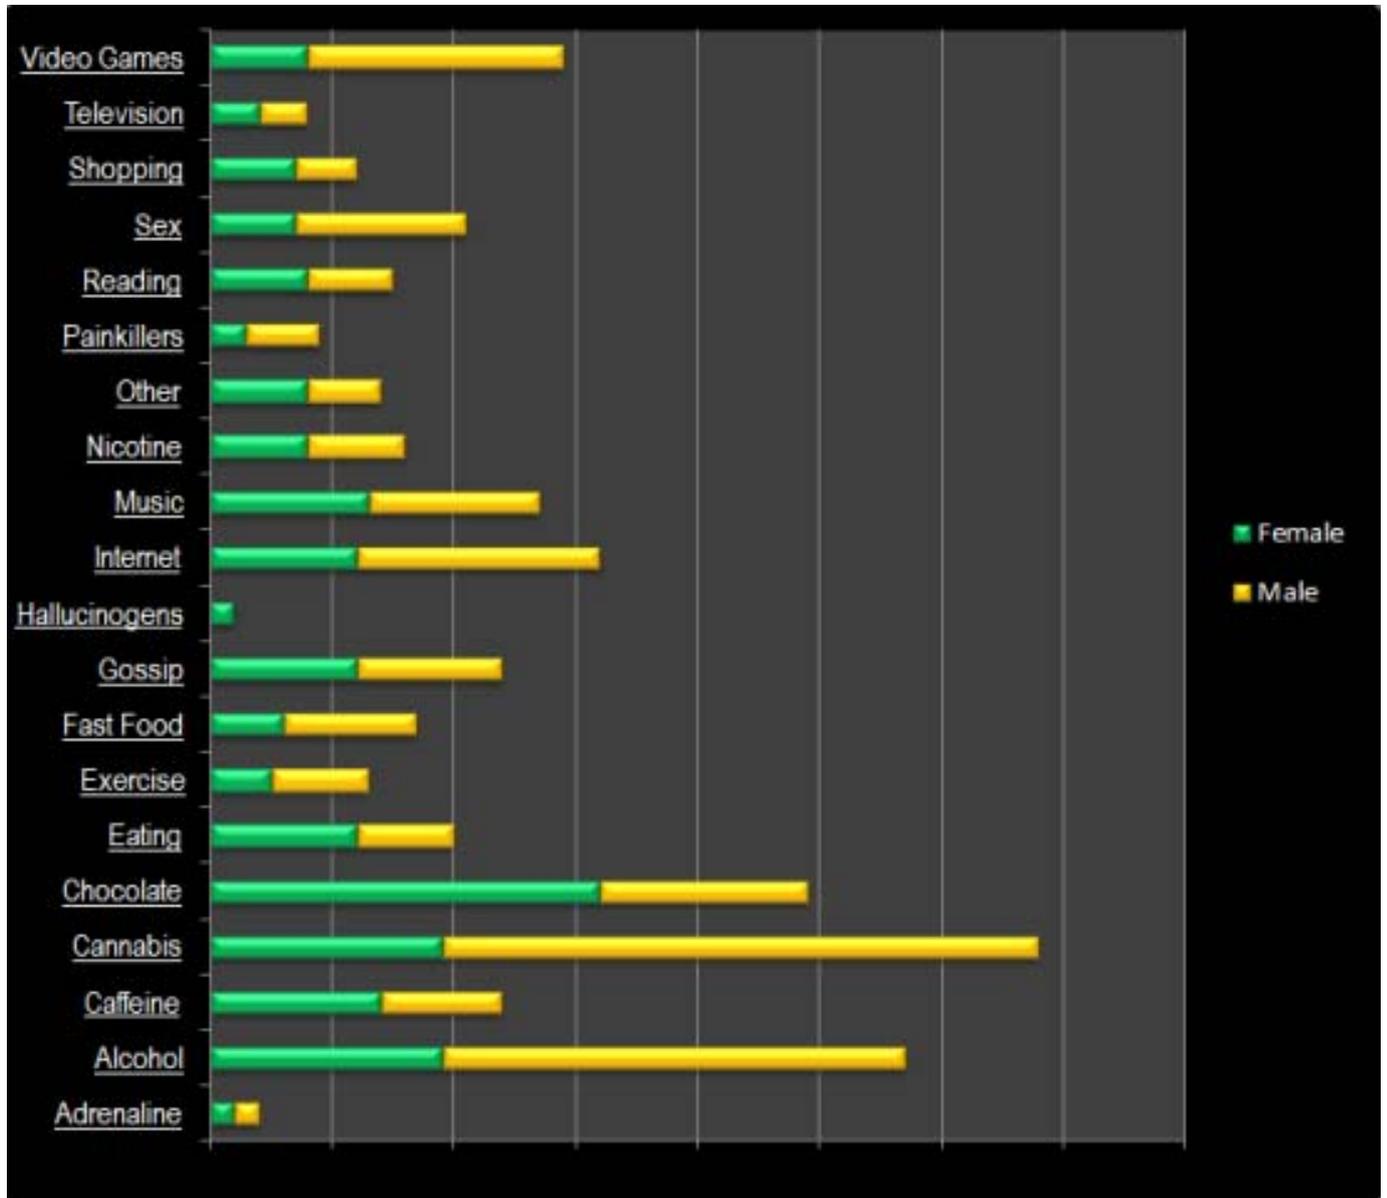

WE are to LIVE BY and EXPRESS OUR TRULY LOVING SOUL BASED FEELINGS:

We arrive into the physical world (at conception) with a pure and free personality and a soul based will that are to be truly and fully expressed. Unwittingly, our carers, namely our mother and father and those close by, set about remodelling our individuality. That is, they shut our personality and self expression down. The result of this is traumatic. This is reflected through our physical body. This childhood suppression is what brings about all of our pains, illnesses, and mental disturbances. Only by embracing our emotional pain and injuries, either good or bad, and longing for the truth of them, and expressing them (talking) through these experiences to a companion, can we release these dreadful encrustments suffocating our true selves and liberate our personality, being our soul. We are to follow our passions and heart felt desires and to live true to ourselves, this is how our Heavenly Parents know us as and this is what we need to return to so that we can find our way home to Them.

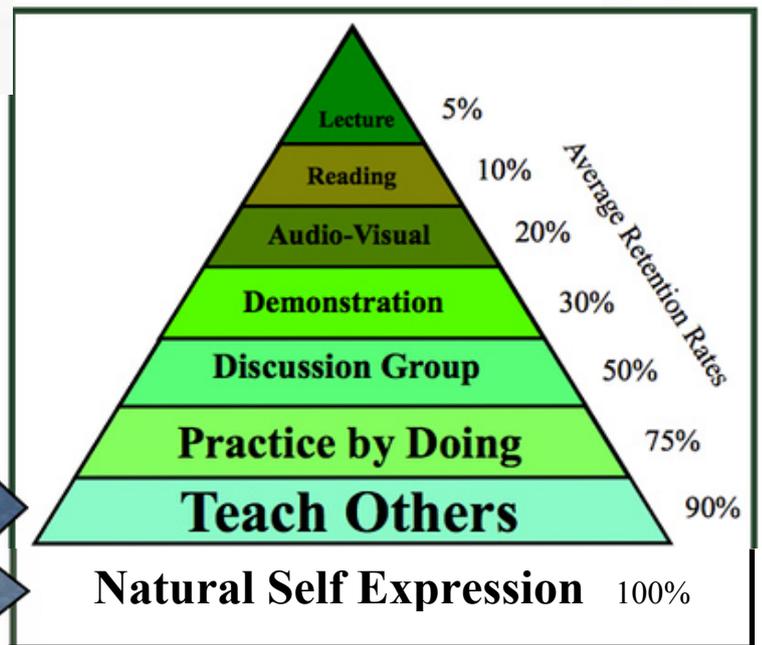

Our Feelings are our Truth

Tuesday, 25 December 2018

James: Marion was emphasising how **our feelings are our truth, and our Healing is just the bringing out of our feelings, and as we do that, the truth comes to us, it being the truth of what we feel.** And I don't know if I've made it that clear in my writings as to what the Healing basically is, so I wanted to add it here, as I feel like writing more with you Nanna Beth.

Nanna Beth – 3rd Celestial Heaven: That's right, **that's the basic principle, however you do have to apply your will – make an effort – wanting to bring your feelings out, bringing them out, and wanting to see / feel the truth of them, which is the truth of why you're feeling what you are.** So Marion focuses her strong will on her feelings and bringing them out, which is bringing herself out, because **you are your feelings, which is the truth that you are. We are all the Living Truth James, with our feelings feeling that truth, and then with our minds we can put those feelings and truth into a context that helps us understand on other levels what we just feel.** And because you were stopped from freely expressing all you felt, so you've been stopped from living true to your feelings and consequently stopped being the truth of them. So **the truth is waiting in you for you to feel the feelings that give rise to it, all those feelings you should have felt throughout your childhood.** And when you decide to 'do your Healing', life (your soul) provides you with the necessary experiences you need to make you feel, and those feelings as you express them, connect you back to the young you that wasn't allowed to express them, thereby you are now, as an adult, doing what you should have done back then, and so revealing the truth of your feelings which is also the truth of yourself. **We are all revealers, revealing the truth of ourselves through our feelings.**

James: So just talking out all your feelings is not enough, we need to want to uncover the truth of ourselves as well?

Nanna Beth: Yes, because you are doing all you can to not see it, living against it, so living against the truth of yourself, living against those feelings that would show you the truth, which is your rebellion against yourself, your truth, yourself, and against God. So you can merrily talk all day long expressing all you feel, however that won't actually be all you really do feel, as in, all those repressed feelings within you that are waiting to come out, with you merrily or even angrily, expressing your selective feelings all day as part of the denial of your deeper hidden ones.

NARRATION

You're about to hear the voice of a young Anthony Rosner.

Anthony Rosner

I am a hero, I am a legend. I am Sevrin.

NARRATION

It's from a bittersweet film he made about his years lost to gaming.

Anthony Rosner

I used to wake up early, log on, play all day, and then go to sleep. That was my routine for over four hundred days of my life.

NARRATION

In the game, he looked like this. In real life, he was becoming this. But he didn't start out that way.

Dr Jonica Newby

Here's what the six-year-olds are playing now. I'm actually in a sled race with my penguin avatar Jonky Wonky trying desperately to beat a six-year-old. Woo hoo! I won. Twenty points, that means I can go shopping.

NARRATION

Like it or not, these are the playgrounds of our brave new cyberworld. So when does fun flip into addiction? Are some games riskier than others? How many kids will be trapped in the game? There are parents across Australia right now, trying desperately to cope with problem gaming.

Mother

That's it ... no!

NARRATION

Often in shame or silence.

Mother

Well, there's definitely been yelling matches over it, and I do remember at one stage I took his computer away from him and I discovered after he'd gone to school that my computers were also missing. So that was always tit for tat, whatever steps I took to try to limit his access to the computer, he would try to circumvent those controls.

NARRATION

Studies from the US and Australia show around **eight per cent (8%) of children who game will become pathological gamers – defined as severely impacting their lives.** And these days, more than ninety per cent are kids game.

Mother

It got to the stage coming up to the end of year eleven, where there really seemed no point in him continuing on at school – another failure on my behalf.

Dr Jonica Newby

Is that how it feels?

Mother

Yeah, I feel that every single strategy I have tried to make him see that this is something that you do for entertainment, not for your life, has failed. The games have really captivated my son, and that is all he will choose to do.

Assoc Prof Doug Gentile

A lot of psychologists don't believe that this is a real problem, partly because they think it's a symptom of other real problems. So if children aren't doing well in school, they might be depressed, they might not have a lot of friends, they go home and they cope with it by gaming. So we studied three thousand children for three years, and we found that the **kids who became addicted, their depression got worse, their social phobias got worse, their anxiety got worse, and their grades got worse.** If however, they stopped being addicted, all of those things got better. So it looks like the gaming really is part of the problem.

NARRATION

Not only that, eighty-four per cent of the kids who were addicted at the start of the study still were two years on.

Assoc Prof Doug Gentile

Once they reach that level, it's not a phase, they, they are locked into it. They probably need some help to get out of it.

Dr Jonica Newby

So they're trapped?

Assoc Prof Doug Gentile

They seemed to be trapped, which is what an addiction is.

Dr Jonica Newby

But still, it is baffling how a game can make you play sixteen hours a day, shut off all your friends. Well the answer is, some of them tap into our deepest motivational drives, in an intoxicating mix of pleasure and pain.

NARRATION

So are there any clues as to which games to keep an eye on? I'm on my way to visit cyber safety advisor Susan Mclean.

Susan McLean

Going to talk about problematic internet use ...

NARRATION

She's going to help me put games in a sort of hierarchy of power, based on what motivations they tap into.

Dr Jonica Newby

So let's start with my penguin avatar, Jonky Wonky. I mean, what's going to drive a six-year-old to be part of this? I assume it's social.

Susan McLean

Social needs, they're going to be able to hang out with their friends. It's also giving them control. What six-year-old has much control of their life?

NARRATION

The big socially-interactive avatar type games really target this sphere.

Susan McLean

These are for kids, and then moving on we might have something like 'Farmville'.

Dr Jonica Newby

Yeah I've heard women particularly spending five hours a day on 'Farmville'.

Susan McLean

Farmville ...

Dr Jonica Newby

Okay, so next motivational drive, we're talking pleasure. This one taps straight into the opiate and the dopamine centres of the brain, and we're talking about a very specific sort of pleasure here, aren't we?

Susan McLean

Intermittent reward.

Assoc Prof Doug Gentile

We know that one of the best ways to reinforce you so that you will want to keep doing it, is not to reinforce you all the time. In fact if I said, 'I'll give you ten dollars for every three times you jump up and down,' you would jump up and down a lot. And if I stopped paying you the ten dollars, you would quit pretty easily. But if I didn't tell you when I was going to give you the ten dollars – sometimes after the third time, sometimes after the tenth time. Then if I stopped, you'd keep going a long time, because you're not used to getting rewarded every time.

NARRATION

This is well known to be the basis of gambling addiction. All games will tap this drive to a degree.

Susan McLean

'Halo', this one, that would be doing this ...

Dr Jonica Newby

So these are these kind of multi-player ...

Susan McLean

They're multi-player online games.

Dr Jonica Newby

Yeah.

Susan McLean

'Call of Duty' and even 'World of Warcraft' ...

Dr Jonica Newby

Yeah.

Susan McLean

... will have the intermittent rewards.

Dr Jonica Newby

So this is where, from time to time, you get special treasures or powers.

Susan McLean

Yeah.

Dr Jonica Newby

Finally, let's get to the flip side of pleasure, and that is pain. So some of these games actually punish you for logging off.

Susan McLean

And of course the main one we're talking about there would be straight up here to 'World of Warcraft'. It doesn't allow you to log off when you want to log off.

NARRATION

Well it does ...

Mother

Come on Sean, dinner's ready.

NARRATION

But if you log off before you reach your goal, you can lose the progress you've made in your current session.

Mother

Sean, you coming? Dinner.

Susan McLean

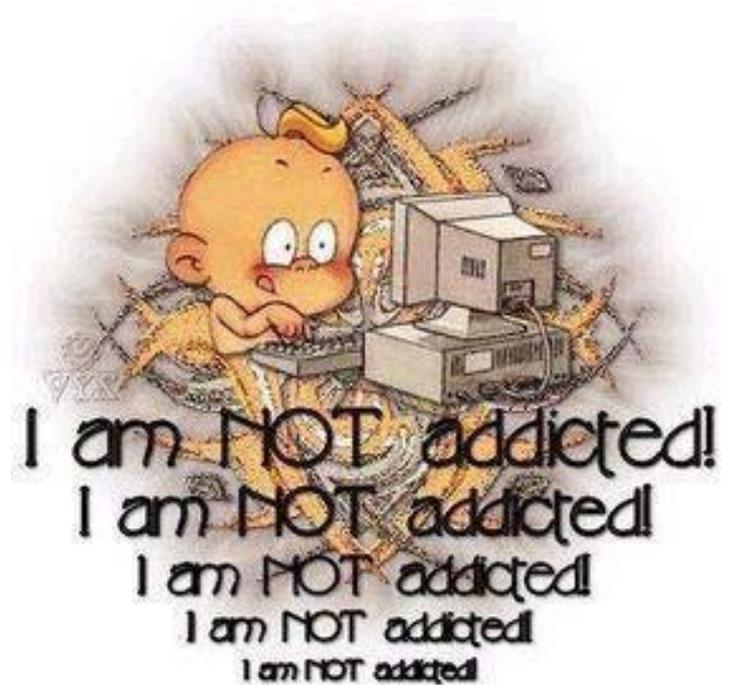

And that, that's really cruel. I mean it plays on your mind, you think, 'Well, I've put all this energy. There's no way I'm going to log off and lose all of that.'

NARRATION

But an even more powerful one now plays in these massive multi-player online games. And it is social.

Susan McLean

So in some of the games, what they do, is they will give you other gamers to look after. So you're the go-to person, you help them out, you look after them, you nurture them.

NARRATION

In 'World of Warcraft' for example, they're called 'guilds'.

Gamer

Oh, something that I can't kill, I'm running away from it.

Susan McLean

And it's that guilt trip – 'If I'm not there, I'm not looking after these people, I need to be there'.

NARRATION

Fear of loss, fear of disappointing your team, is incredibly powerful and painful. It comes down to the most ancient brain-based survival mechanisms – fear, pain will trump pleasure anytime.

Assoc Prof Doug Gentile

A well-designed game trades on all of our evolved needs and our fears and our wishes and ... including things like being able to do stuff you wouldn't normally get to do.

NARRATION

That's not to say any game is intrinsically bad or addictive. But if you understand its properties, you're better-placed to understand the ways it might get under your skin. And undoubtedly, some games hit these motivational drives much more powerfully than others.

Susan McLean

Now I'm not anti-gaming, I'm not anti-'World of Warcraft'. But we know, from studies that eminent people have done, that this is a highly problematic game.

Anthony Rosner

And then one day, I was looking through my subscription history, it dawned on me, I started playing on Valentine's Day, 2005. I had been single for six years. Is this what I really wanted? To be alone and playing Warcraft?

Dr Jonica Newby

So at what point should a parent worry? Will Jonky Wonky meet other penguins who are even now wiring their brains for future entrapment?

Assoc Prof Doug Gentile

Well I think some of the warning signs are grades dropping, a loss of interest in other activities that the child used to be interested in. Perhaps also giving up some friends, or replacing them only with other friends who game.

NARRATION

The reality is, of course, this evolving cyber-world is our world, and everyone must learn to negotiate it. Many games have brain development benefits and ninety per cent of kids will not be vulnerable to excessive use.

Susan McLean

Do your research, get online and play as well. See what it rewards and what it punishes. And then hopefully, with your fully-formed brain and your mature mind, you can make a decision for your child.

NARRATION

And if help is needed, specialists are increasingly versed in these ailments. Like all compulsions, even the most addicted gamer can escape. As Anthony did.

Anthony Rosner

I joined the gym, I really started to enjoy myself. I felt alive again. It made me realise it's far more rewarding to achieve your potential in real life.

PASCAS
PAPER S

DAVID HAWKINS, psychiatrist and author of POWER vs FORCE: Synopsis and Study Guide

Would a situation like the Gulf War have a negative effect with entrainment into lower fields? How would you verify that?

It would be best to test the levels of consciousness of the various segments of American society. On the one hand you have the growth of the 12 Step movement which effects almost every family in America. You see the separation in society between those who are more spiritually aware and committed. And on the other hand you have the media.

The great source of negativity today is through the media, through Rock music, the glamorization of the trivial, the tremendous power that programming and advertising has over people, the destruction of youth through consumerism and violence. Dark forces through the media are infecting large segments of our youth. We have a high percentage of youth growing up today who have already been destroyed and entrained into powerful negative energy fields. The glamour figures who are worshipped today are dominated by negative energy fields / emotions. If you watch the fare on television there are nights when every channel is on murder or one sort of depravity or another.

One of the reasons that there is so much negativity on television is because most people are living out of the lower fields of fear and guilt. This is what fascinates them. Almost every one in America is suffering from PTSD (Post Traumatic Stress Disorder)

Corporations own the media. The law of society now is the bottom line. It is a culture of egocentricity and satiation of material wants and artificial pleasures brought about by the media.

Where do you see this will lead us? It appears we are rapidly spiralling downward.

We are spiralling down in certain segments of society. Other segments are going up. People are not interested in spiritually evolving until their physical needs are taken care of. You have sub continents whose people live on the edge of starvation. As you fulfil their material needs they begin to look for something better.

The advertising media is caught in the level of desire and has tremendous influence in the U.S: today. The process at this level is one of entrapment. Wantingness is an on-going state. Like any addiction, there is no satiation point. Wantingness is the opposite of that which is real, which is in the exact moment now. All of the lower levels take you out of the now. Fear takes you into the past, desire into the future, anger is into the past. We have a perpetually unfulfilled culture.

The source of all joy is in the radical instant of the now. It is found only in the immediate now, not one millionth of a second in the past or a millionth of a second in the future. And that exact now which was described by the Buddha and which I came to know in my own experience, is the immediate now.

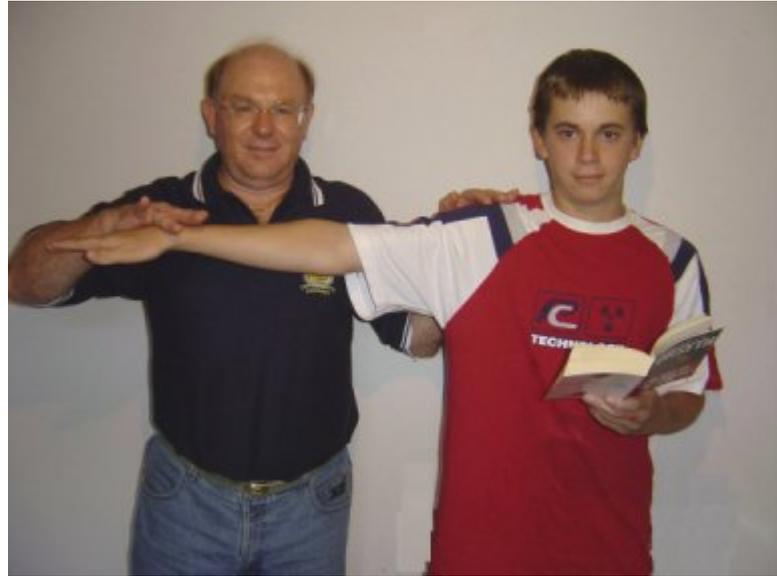

When one wants to go back into this worldly space and leave the altered state, one lets consciousness bleed a little in order to function in the world, knowing all the while it is bull shit. But without some energy being put into it one cannot function in the world. It is like an indulgence for a purpose. I teach people to live in the exact instant of the now. It can take a lifetime to learn or you can get it in an instant.

Kinesiology Testing can become impossible after watching Television:

Occasionally, a suitable test subject gives paradoxical responses. This can usually be cleared by doing the “thymic thump”, as was discovered by Dr John Diamond. (With a closed fist, thump three times over the upper breastbone, smile, and say “ha-ha-ha” with each thump and mentally picture someone or something that is loved.)

The temporary imbalance will then clear up. It can be occasioned by recently having been with negative people, listening to heavy metal rock music, watching violent television programs, playing violent video games, etc. Negative music energy has a deleterious effect on the energy system of the body for up to one-half hour after it is turned off. Television commercials or background are also a common source of negative energy.

As previously noted, the kinesiological method of discerning truth from falsehood and the calibrated levels of truth has strict requirements. Because of the limitations, calibrated levels are supplied for ready reference in prior books by David R Hawkins, and extensively in *Truth vs Falsehood*.

Power vs Force p.230

Kinesiological testing showed a fairly typical TV serial caused test subjects to go weak 113 times during a single episode. Each of these weakening events suppressed the observer’s immune system; each weakening reflected an insult to the viewer’s central as well as autonomic nervous system. Invariably accompanying each of these 113 disruptions of the acupuncture system were suppressions of the thymus gland; each insult also resulted in damage to the brain’s delicate neurohormonal and neurotransmitter systems. Each negative input brought the watcher closer to eventual sickness and to imminent depression – now the world’s most prevalent illness.

Subtle grades of depression kill more people than all the other diseases of mankind combined. There is no antidepressant that cures a depression which is spiritually based, because the malaise does not originate from brain dysfunction but from an accurate response to the desecration of life. The body is the reflection of the spirit in its physical expression, and its problems are the dramatisation of the struggles of the spirit which gives it life. A belief that we ascribe to “out there” has its effect “in here”. Everyone dies by his own hand. That is a hard clinical fact, not a moral view.

Whatever calibrates above 200 supports life – life enhancing and therefore may be functionally defined as good, whereas whatever calibrates below 200 on the Map of Consciousness is destructive, non-supportive of life and thus be declared functionally evil.

I, Reality and Subjectivity

P.417 by David Hawkins

In the modern world, the disguises are more sophisticated and enormously seductive. For instance, by seducing man into intoxication, the negative energies create an opening into the psyche of the addict and attract by pleasure. The current most ingenious ruse by means of the carrier wave that accompanies much of modern music. Naïve critics think that the negativity is represented by the lyrics, but that is not where the negative messages lie. As cited in previous writings, if the sound of such music as heavy metal is occluded by white-noise headphones so that the music cannot even be heard, the listener instantly goes weak when tested with kinesiology. The test subject calibrates below 200 and subsequently stays at that level for a period of time.

The psyche of the captured victim has now been enslaved by an energy frequency that dominates via the well-known phenomenon of entrainment. An entrained psyche is now open, vulnerable, and easily influenced toward destructive activities and group identifications with whole subcultures that worship violence and vulgarity. They dominate the airwaves and entertainment media aimed at the young people, who are the most naïve and easily seduced by pleasure and glamour.

The motive of these energies that are threatened by spiritual truth is to counter truth by subverting it. At the present time, the greatest entrance onto this planet of lower astral forces is through the media – television, movies, music, and especially video games – which blatantly glamorise evil in the forms of violence, seduction, and the denigration of spiritual symbols that are purposely mocked for shock value.

Truth vs Falsehood

P.101 by David Hawkins

The energy of classical music has a very positive impact on later behaviours and learning capacity, and increases the level of consciousness. It results in more advanced development of neuronal connections and patterning. Interestingly, it also results in higher mathematical capability and the transitioning from lower to higher mind. The exposure to classical music in childhood and early life results in attraction to peace, truth, and beauty, and aversion to violence, falsity, and gross vulgarity. The sensitivity to aesthetics provides a natural crossover network that also facilitates the emergence of spiritual awareness and non-ego awareness.

Clinically, the benefits of early life exposure to classical arts are confirmed by a 75% lower rate of crime.

Television Trauma

Television can be a great distraction. It is often placed in hospitals as a form of entertainment. It can be useful in distracting the mind from thinking about your present illness, as the attention is taken away from your physical body, slightly decreasing the pain and physical suffering. However, it also limits you from exploring the deeper purpose and cause of your cancer or other illness, which can be easily accomplished without distractions. Having cancer is an opportunity to resolve inner conflicts, emotional trauma and fears and requires attention to be able to resolve these issues and beat your cancer or other disease.

Television decreases the body's full breathing cycle and places the nervous system in a constant state of fear, excitement, anger and other jittery emotions. These feelings are fine if experienced naturally, but if over stimulated through television drama and suspense they tend to interfere with normal digestive and immune functions. Television often has a negative influence on recovery time. If you plan to watch television while in hospital or medi-hotel, watch programs that make you laugh, add sunshine to your day and make you feel much more positive.

The Arm of the Child

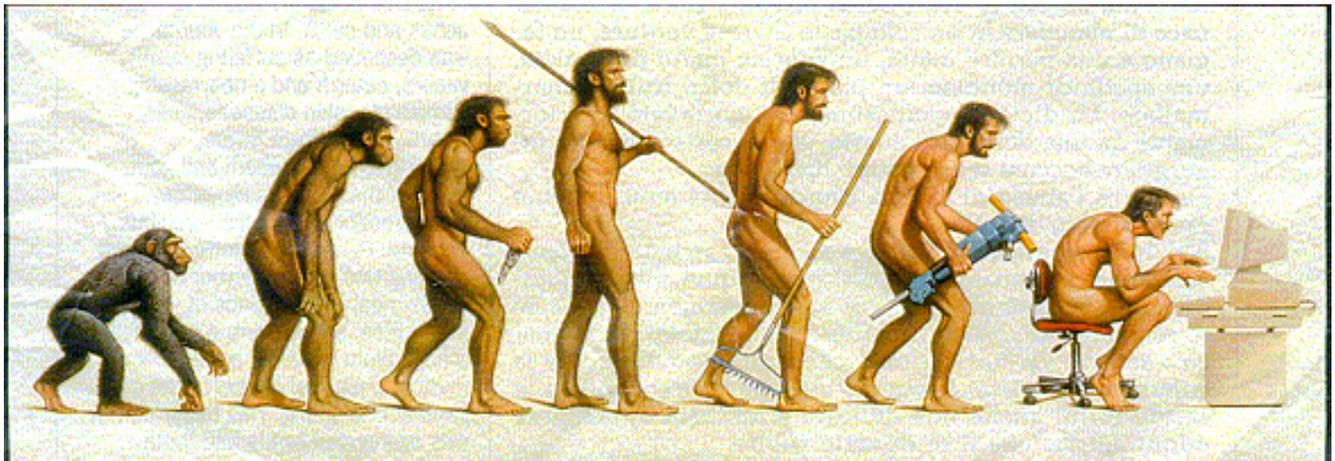

P.45 The Eye of the I by David Hawkins

It is the arm of innocence that the dark legions of the world fear most of all for it unmasks the disguises by which they hold sway over 78% of the world's population which calibrates under 200 on the MOC.

If one drops denial, one will see that falsehood, manipulation, and distortion of truth cater prevalently to man's lowest propensities and pervade all society. The popular computer games are neither innocent nor harmless; they are calculated killing training machines to deaden the spiritual sensitivity by conditioning the mind to thoughtless maiming and killing. The deliberate killing of prairie dogs is not 'sport' but callous mayhem. Drugs are not 'cool', but enslaving. Heavy-metal rock and rap music are neither liberating nor amusing; they are a deliberate mode by which to entrain the consciousness of youth. The media pretend to innocence as they rake in the huge profits that stem from catering to man's lowest weaknesses and vulnerabilities.

The innocent child's arm is frightening to the vast establishments which draw their attraction from ignorance. The fallacious 'war on drugs' is revealed to be the very cause of the problem and the bulwark of the whole drug trade which it created, empowered, and enriched.

We need to manage the media content that is made available to our children so that their fullest potential is allowed to blossom.

NATURAL LOVE or HUMANITY's ERRONEOUS EMOTIONS:

Your soul, being your real you, is an emotional being. Your soul, though a thought of God, does not possess anything of the divine within it. It existed in a state of bliss, in a natural love state, pending individualisation which is achieved at conception which is the time of incarnation. Your soul is endowed with natural love emotions noted within the top section of the Map of Consciousness scale, being those emotions calibrating above 200.

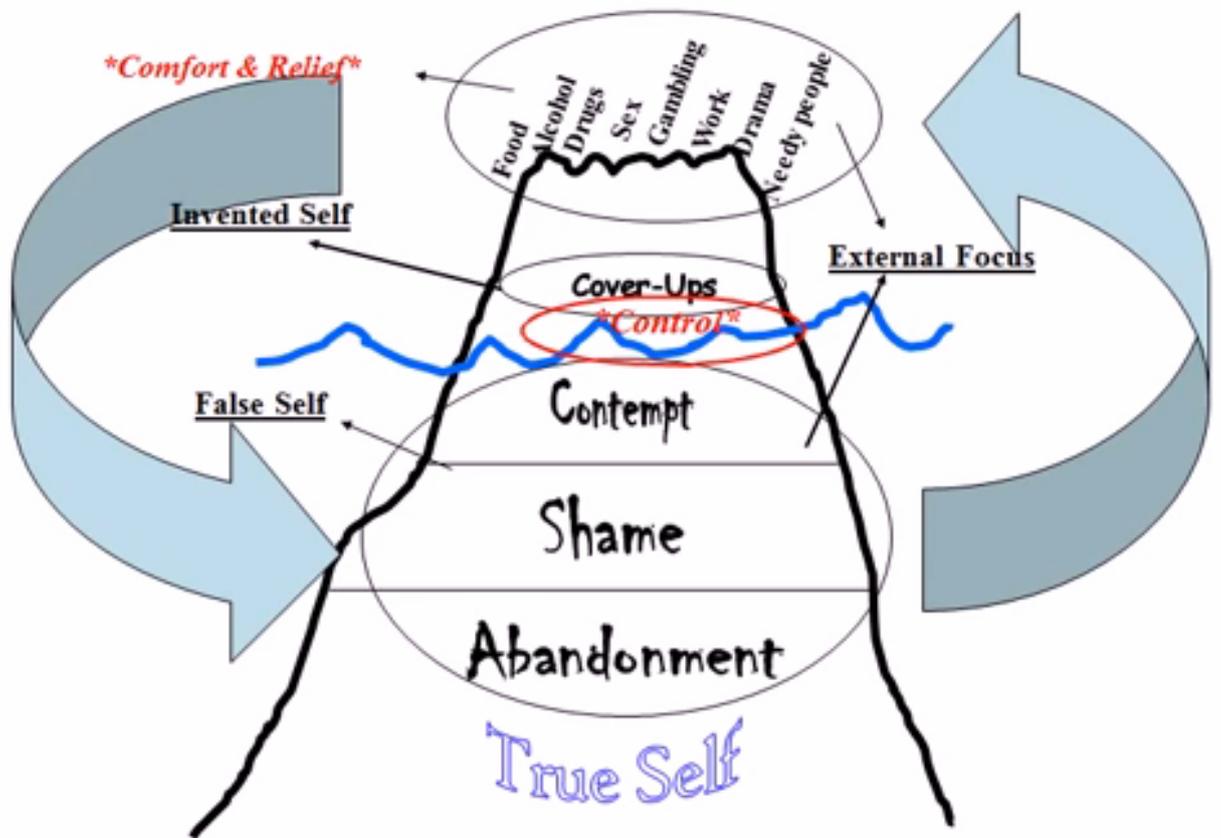

MAP OF CONSCIOUSNESS					
God-view	Life-view	Level	Log	Emotion	Process
Self	Is	Enlightenment	700 1000	Ineffable	Pure Consciousness
All-Being	Perfect	Peace	↑ 600	Bliss	Illumination

Inspiring	Hopeful	Willingness	↑ 310	Optimism	Intention
Enabling	Satisfactory	Neutrality	↑ 250	Trust	Release

Humanity's erroneous emotions are those calibrating below 200 on the Map of Consciousness. The environment around a newly conceived child progressively degrades the condition of that child's soul. When the child reaches about the age of 7, the child's soul condition will reflect the parent's condition. These negative emotions are like a crust around the pure soul it has within.

Recovery Wheel

Pokies population curb call

DENIS DOHERTY

DENIS.DOHERTY@NEWS.COM.AU

SOUTHPORT is the Gold Coast's undisputed poker machine capital with one in six of the region's machines buzzing away in one of the area's pubs or clubs. And the figures also show the Coast's unhealthy addiction to the machines, with the pokie-stuffed region having less than 100 people using each machine.

According to Office of Liquor and Gaming Regulation figures Southport boasts 980 of the Gold Coast's 5846 electronic gaming machines (a figure which does not include

those at Jupiter's Casino). With the Gold Coast estimated to have a population of about 550,000, it also means there is one pokie for every 94 people. It has led to calls from those left to pick up the pieces of gambling addictions for the State Government to curb both pokie machine numbers and their operating times.

Salvation Army clinical director for recovery services Gerard Byrne said in the group's experience gambling addiction was extremely high and pokies were the undisputed champions of that misery. "Pokies roughly represent

about 85 per cent of problem gambling and they are really swamping other forms of problem gambling such as the Tab, racing and gaming tables at casinos," he said.

"In terms of things like machine density, you tend to find them in communities that can ill afford to have them.

"So we see concentrations in areas at the lower end of the socio economic indices."

Mr Byrne said pokie numbers had boomed since they were allowed into Queensland by the Goss government in 1992.

"If you cast your mind back to before this developed you

had bus trips taking people over the border to registered clubs in NSW so they could play the pokies," Mr Byrne said. "In Queensland it was realigned by gaming industry and government they could get a reasonable income and amount of tax from them.

"Now there's too much of it and it needs to be wound back."

He said groups would like to see the state government set targets around reductions of the machines.

"It's a problem not just on the Gold Coast but across the state.

"Venue trading hours are

too lengthy and the concentrations of machines are too high in communities that can ill afford to have them."

He said there were other ways to lessen the public's losing streaks on the machines, including limiting the amounts that could be staked on each bet and slowing the spin rate of machines to allow fewer games in a set time span.

"Venues could also reduce the amount that can be paid out as cash, so cheques or a deposit straight to bank accounts rather than a cash payout could be used. This would stop people reinvesting if they do get a big win."

WE ARE NOT MEANT TO BE ALONE:

Feeling bad will make you feel BETTER – Eventually! by James Moncrief

‘We are not meant to be alone, particularly during the hard times. We need to learn that it’s better to come straight out, to start accepting and speaking about how bad we feel. It’s okay to just cry and tell other people how bad you feel. It’s okay to feel bad. If we could all help each other to express our bad feelings allowing ourselves to feel as bad as we need to feel and for as long as we need to feel that way, wouldn’t life be more caring and loving?’

‘The childhood suppression of our bad feelings has been so severe that we have to shut ourselves away during our crisis times, the very times when we should do the exact opposite and come out the most. Doing this because this was all we did during our early childhood when our parents rejected us, making us feel unloved, unwelcome and unwanted.

‘Wouldn’t it be nice if when you felt bad and someone asked you if you were okay and did you want to speak about it, you could say: Yes I do feel bad, and yes thank you, I do want to speak about it, and they were there for you all the way along. And you could speak and cry and be as miserable or angry or however you felt for as long as you wanted to. And they didn’t judge, criticise, or try and tell you how to get over it and how to make yourself feel better.

And they just allowed you to go for it, to slobber and blubber and grieve and go through all the natural releasing and healing stages without getting in the way; just being there for you, wanting you to tell them all about yourself – all you’re feeling. And when you were ready, you could long for the truth and try to understand why the pain is so bad, why you are feeling all the bad feelings you are feeling, all in the loving supportive trusting presence of your friend.

‘Wouldn’t it be nice if we allowed ourselves and each other to fully express all we felt and didn’t feel like we had to deny anything; didn’t have to reject ourselves when we felt the most in need. That we could seek help, love, care and attention when we felt we needed it, that we could even ask each other for it, if that’s how we felt, and it was willingly there and given for us to receive.

‘Wouldn’t it be nice if we could allow ourselves to feel and express our pain? And if we could, I’m sure we wouldn’t feel the pain for as long as we do (and in many instance may not even feel the pain to begin with). And we would be able to deal with it, to keep accepting it for as long as it was there, thereby allowing ourselves to move on, to mend, to heal, to come back to ourselves.’

ACCEPT YOUR FEELINGS, SEE THE TRUTH, ACCEPT YOUR FEELINGS:

Feeling bad will make you feel BETTER – Eventually! by James Moncrief

We are to follow our soul based feeling which are always true and loving, not our mind which is tainted by our childhood upbringing.

“My parents stopped me and I took over from them. Well I don’t want that way of life – their way – to be my way any longer.

“Saving yourself comes from the full and true liberation of all your denied feelings. Saving yourself comes from the full and true acceptance of yourself. Saving yourself comes from wanting to find the whole truth of yourself through your feelings, both good and bad. Saving yourself is re-connecting with your feelings and your heart of truth, thereby allowing your soul to freely express its personality – all that you are – in Creation. Saving yourself is learning how to unconditionally love yourself by freely, fully and unconditionally accepting all that you feel.

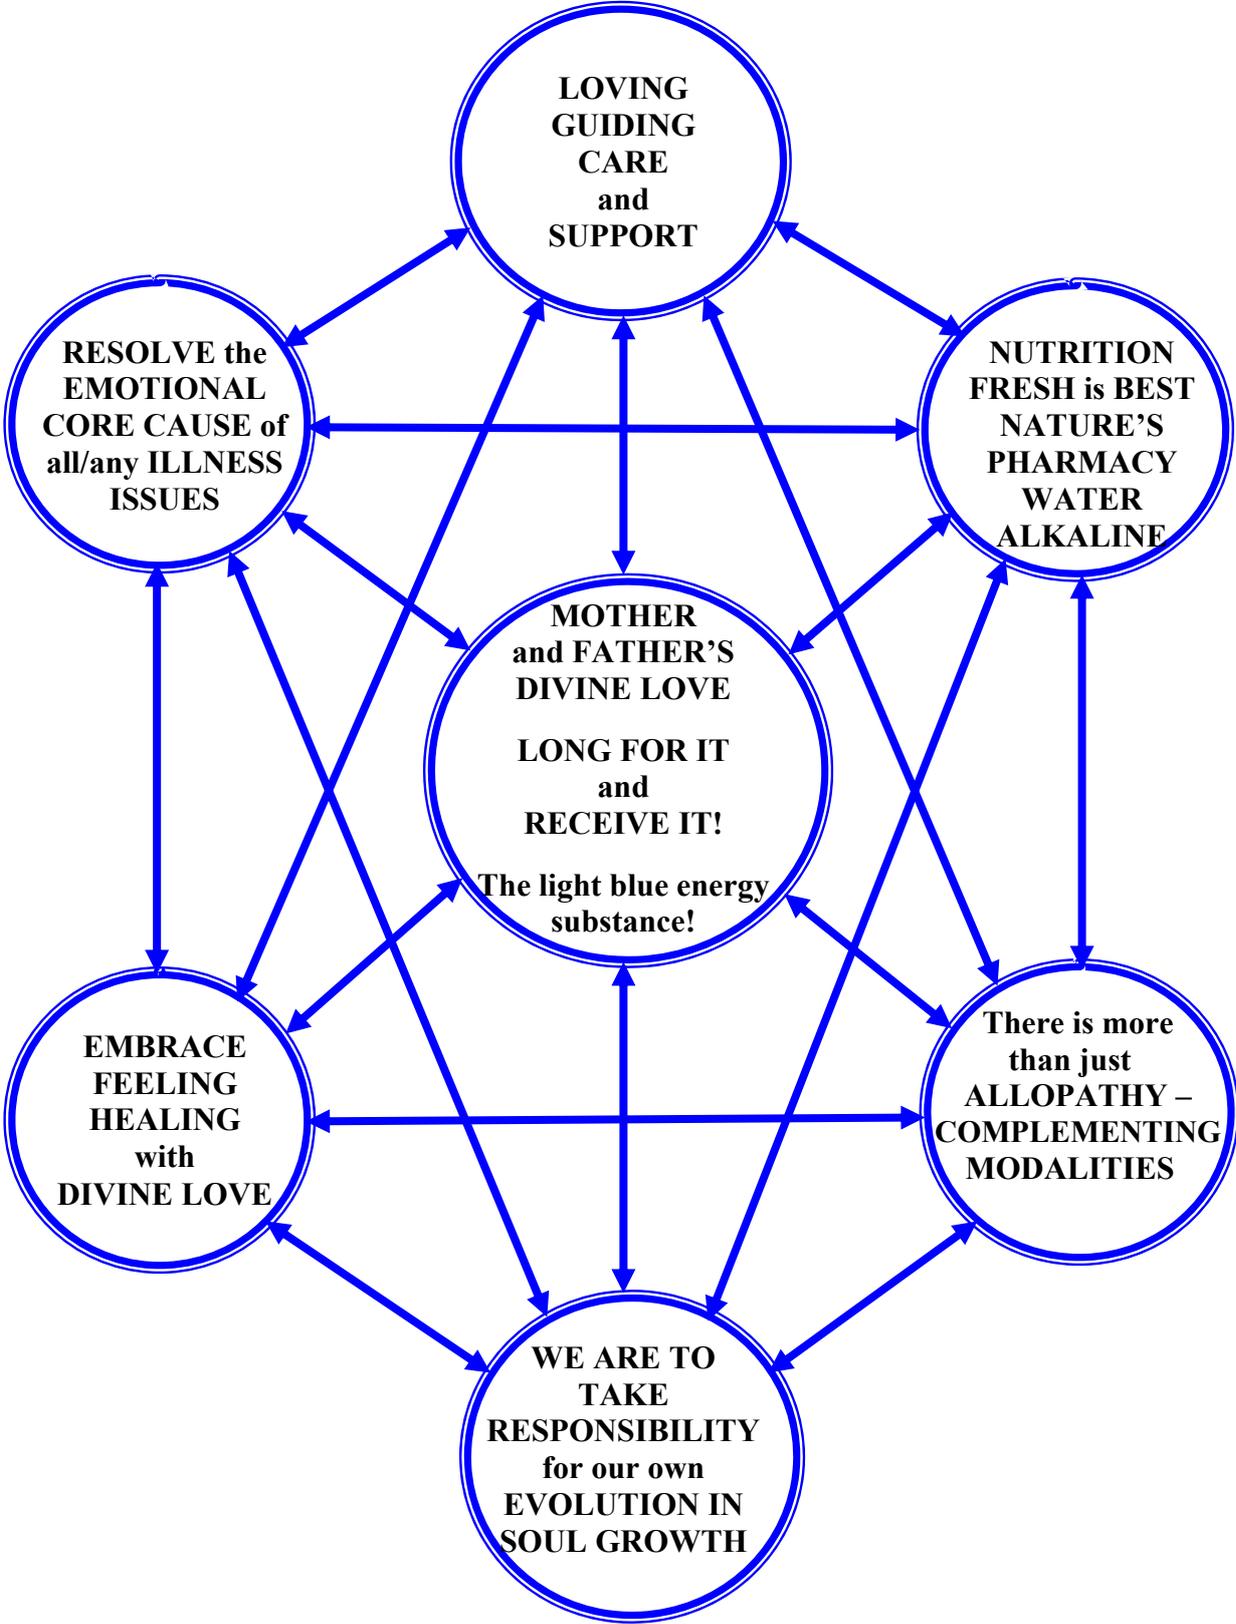

“By denying any part of ourself we are denying ourself life. We are sending ourself off into the nothing, shutting ourself away in a cupboard, not wanting to hear.

“There is a right way to express oneself. There are universal laws that determine how you do it. And when you do, then you function properly from your inner most levels, from your soul out to the physical. Everything flows and works properly for you, and you are able to express and communicate yourself properly to another person all the while honouring your will and there’s. Anything that isn’t right is a will-infringement and so rebelling against the universal laws having a detrimental affect on you and the other person. And it will one day have to be fixed, because if we want to live truly in Creation then we need to live within, and so true to, the laws of Creation. And as you’ll discover, the laws are the truth, meaning the laws are expressed as truth, so as you grow in truth then naturally you’ll become more perfect, existing correctly within the laws of Creation.

“So if you want to express all you feel truly now with whomever you are relating to, as well as all nature and God, then you will have to heal all that’s untrue within you, hence the need to look back into your early childhood to see where you’ve transgressed the universal laws because of the negative, unloving parenting you received.”

Each little drop of the Divine Love received whilst doing one's Feeling Healing prompts one a little further. Ask for assistance and the Love to enable held errors of thought and belief to be released. One's personal intent and involvement in letting go of past incurred difficult emotions is most beneficial.

Step 1: Focus on an issue that you would like to feel better about, and then allow yourself to feel whatever you are feeling in this moment. Identify the negative feeling. Focus quietly on the feeling. Breathe into the sensations and allow them to be.

Step 2: Ask yourself one of the following three questions:

- Could I let this feeling go?
- Could I allow this feeling to be here?
- Could I welcome this feeling?

The mechanism of letting go is concerned with the emotional “what” from moment to moment, without involving the intellect. What is the benefit of this emotional feeling? What is the point of holding this hurtful belief at all? One may start laughing at the absurdity of long held errors or injuries upon reflection. **Breathe into the sensations and allow them to be.** Your willingness to accept the sensations may intensify them. This is okay.

Step 3: No matter which question you started with, ask yourself this simple question: Would I? In other words: Am I willing to let go?

Step 4: Ask yourself this simpler question: When? This is an invitation to just let it go NOW.

Step 5: Repeat the preceding four steps as often as needed until you feel free of that particular feeling.

The only way we can truly let go of them is by SPEAKING THEM OUT OF US, getting right into them with the feeling, and emoting and expressing it – whilst longing to see the truth of it...

Our willingness to let go thinking and accept what's happening is our ticket to inner freedom. Each time you sense a disruption inside, turn down the volume on the thoughts, breathe into the sensations and allow them to be. This is what we need do to let go. Simple. The challenge comes in being vigilant with letting go all negativity – no exceptions.

This process is ever so freeing and uplifting, though sometimes difficult.

Dr DAVID R HAWKINS:

David Ramon Hawkins, M.D. (born June 3, 1927, died 19 September 2012) is an American psychiatrist, mystic, author and controversial spiritual teacher in Sedona, Arizona. He is best known for his book *Power vs. Force*, in which he writes that applied kinesiology can distinguish the truth or falsity of any statement. He directs the non-profit Institute for Advanced Spiritual Research Inc. and operates Veritas Publishing to publish his books and seminars.

“Make a gift of your life and lift all mankind by being kind, considerate, forgiving, and compassionate at all times, in all places, and under all conditions, with everyone as well as yourself. This is the greatest gift anyone can give.”

“Every thought, action, decision or feeling creates an eddy in the interlocking, inter-balancing, ever-moving energy fields of life, leaving a permanent record for all of time. This realization can be intimidating when it first dawns on us, but it becomes a springboard for rapid evolution.”

“The downside of spiritual education is the buildup of the vanity of 'I know' and the devaluation of people who are 'not spiritual'. Therefore it is important as a foundation to spiritual training and education to learn how consciousness manifests as the ego and its mechanisms.”

“It is only the minority of people who seek self-improvement or personal growth. This is because whatever one's self-criticisms, one secretly really believes that one's way of being is okay and probably the only correct one. They are alright as they are, and all problems are caused by other people's selfishness, unfairness, and by the external world.”

Saturday, 5 August 2017: Nanna Beth: David Hawkins is living in the mind worlds, so I am told, and would be of no benefit to you John. His legacy is again one of those things that sits well with you, that you enjoy and can relate to and use as you do. And really it is now for humanity to use what is available to it having come from the mind worlds, because there won't be anything further coming through from them. Now it will be up to the natural inspiration of the individual on Earth, and those who are working with us, those people who want to do their Healing. The ways of the Rebellion and Default are to die, to fade away, however this will happen gradually as people of it still try to advance themselves, their lives and humanity in their wrongness, but the next real new inspiration will come from those who embrace the New Way.

Everything is interconnected.

MUSINGS by JOHN:

Thursday, 28 September, 2017

Kevin died on 10 August 2012 without any thought for spirituality and no passion for any religion, other than showing up. On 7 August 2017, he arrived into the 1st Celestial Heaven. Three days short of 5 years!!! He had met his soulmate, Kathaleen, and she arrived a few weeks before him into the first Celestial Heaven, as you may have read.

The writings that followed from Kevin are outstanding. Kevin is now a world teacher!!! He and Kathaleen both are. Neither would comprehend this, but they are. Kathaleen and Kevin's writings answers and leads anyone to the destination we are to find, in our own time.

I would like to contrast this achievement with someone I greatly respect.

David Ramon Hawkins, M.D. (born June 3, 1927, died 19 September 2012) was an American psychiatrist, mystic, author and controversial spiritual teacher in Sedona, Arizona. He is best known for his book *Power vs. Force*, I have read everything I can about his works – 10 books, plus videos, etc. Miracles happened around him spontaneously. The Catholic Church would make him a saint within seconds.

Hmm – Dr David Hawkins has stayed trapped in his mind and may remain in the mind spirit Mansion World for centuries, unless he embraces his feelings. He will remain stagnant and limited in his mind condition. Whereas Kevin is now a far greater and truer teacher than this great mind of Dr Hawkins. What a switch in roles! Kevin has progressed exponentially past Dr Hawkins in soul development. Go you good things, Kev and Kath.

Cheers John

Same day: Dr David Hawkins: Hello John. I have been asked to speak to you through James in this way, you being one of my ardent fans and followers of the principles I developed through my life on Earth.

Your assessment of me is correct, and I did spend time in the mind worlds trying to assimilate all that I did on Earth with all that was happening to me in my new spirit life.

Upon my arrival over here in the first Mansion World I was greeted as something of a spiritual celebrity with a host of mind spirits (as James calls them) greeting me, they being the ones who 'empowered' me to do the so-called miracles I did on Earth.

I want to tell you, it's quite a humbling experience to realise, like many of us who did such marvellous things on Earth, that it wasn't actually our own doing, we were not the sole instigator of such 'happenings', that it was other spirits working through us. And that although I attributed it to God, still I secretly thought it was all my own incredible doing, so to have to accept that I was just a conduit – that I really was, and having little more than an innate ability to be that conduit, I felt a bit flat.

And to bolster my flagging ego, I would tune into those people on Earth who were still thinking well of me, yourself John being one such person. And here again, by doing this, I gave myself a rude shock having to face the fact and realise that few people truly understood what I was teaching, taking my work and corrupting it for their own gain. And believe it or not, I never thought such a thing would happen. So, who of my 'earthly followers' was staying true to what I taught – who actually got it?

And I kept coming back to you as one of these people John. Admittedly, had I helped you personally, you'd have had an even greater understanding and appreciation of my work, however you accept it as is and haven't corrupted it, and have guided other people to be interested in it. So I have followed you over the years in this, which meant I also took notice of what you were doing in your other spiritual interests, some of which were vastly different to anything I'd ever heard about, or found out about over here in my limited little mind world.

And I write such things in the past tense because I am very happy to say, all of which I am so grateful to you for John, that I have now progressed into the lowest sector of the Divine Love on the first Mansion World. I am learning all about it, and about the Healing, all under the incredibly patient and loving assistance of higher Celestial spirits, like those who wanted me to speak with you today.

So you can chalk me up as one of your admirers, and a mind spirit who has converted to the 'Ways of the Divine Love'. I still have a lot more to understand, this is true, and as it's so different to my earthly and mind spirit way of thinking, will take time to integrate into my way of thinking – which means, to change my way of thinking into a completely new way.

That is all I wanted to say. And although you might think that my coming is rather inconvenient with you having just written about me again, however here I am and this is what I want to say.

All the best to you John. You have no idea how grateful I am to you, and I have a strong pleasant feeling that that gratitude is only going to increase.

Yours respectfully,
Dr. David Hawkins

(James: As I was reading your comparison of the Doctor with K and K, I started to feel the energy building... oh here we go again... he's wanting to speak to me!)

Friday, 29 September 2017: Dear James and John (Noted from Samantha in England)

To be 'used' so fully by Mind Spirits, to create all he (Dr David) did under their influence, all so cunning, that must have felt quite devastating to him and I am feeling a lot of sadness, emptiness and let down with in myself as I understand how it feels to learn that my whole life has not been my own but that of my parents, their will, control and untruth and I have felt feelings of it all being such a waste of my experience being like that, a waste of the personality God created me to be. I am very sad as Dr David Hawkins realised how 'used' he has been, being a conduit for the Mind Spirits, I feel like that too, used by my parents to be as they wanted me to be instead of nurturing me to be myself and help develop the personality God gifted me.

I (Sam) bought 'Letting Go – the pathway of Surrender' by Dr Hawkins and I was very up with all of his feeling work but then felt the change in me with the mind dominant aspect of Dr Hawkins work, it was that I wasn't drawn to and felt myself draw back from it but now he can go on from what he already knows, go further into the feeling aspect of what he discovered and I am sure he will get so much support in that from the Divine Love spirits that are guided to help him. Isn't that just so wonderful John, to have that help, like you have in Kevin and Kathaleen.

**Feeling
Healing with
Divine Love is
the key!**

CONCLUSION:

David Hawkins' own story explains that the 'Letting Go' process is inadequate. The 'Letting Go' publication and process is his own research. Pure and simple; Dr David was knocking on the door, but that process was unable to open the door.

Again, his own story now endorses the Feeling Healing process!

This leaves no doubt as to the veracity of what Marion and James and Samantha are doing. It is THE ONLY WAY! The only way being the Feeling Healing process coupled with Divine Love.

This clears away confusion for many people who may explore everything. Other emotional processing and releasing modalities simply do not delve far enough into one's injuries and errors of belief. Yes, they provide some temporary relief, but none of them go beyond the mind and into the soul to the core and foundation of our injuries, all of which stem from our childhood upbringing.

Dr David Hawkins has now clearly put aside his own teachings and confirmed that his and all other modalities are inadequate.

Now, we all can focus upon the only way home!

FEELING HEALING with DIVINE LOVE is SOUL HEALING:

**Firstly, consider discovering the truth of your emotional pain through Feeling Healing.
Secondly, consider longing for our Heavenly Parents' Love as you progress with your healing.
Primary and most important readings are the writings of James Moncrief.
Then consider the Padgett Messages, and then The Urantia Book.**

Release one's pain through expressing one's feelings.

Longing for the Truth when also longing for Divine Love.

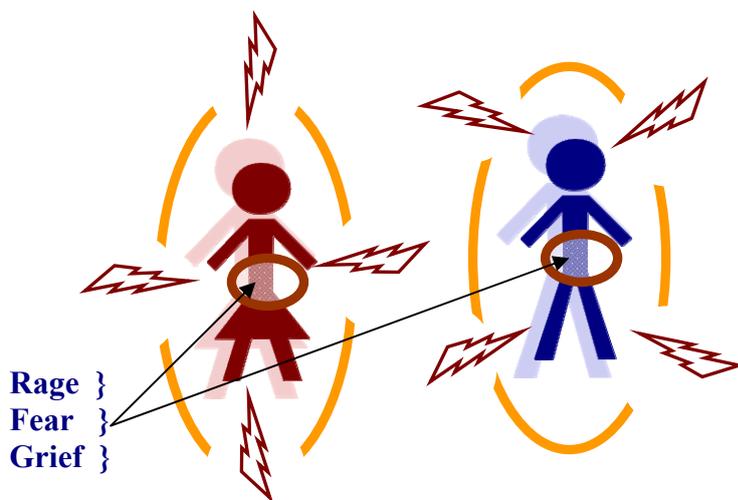

WE ARE KILLING OURSELVES! Chapter 'Day 9' of "Paul – City of Light" by James Moncrief

'Humanity (us) has to learn about every aspect of life from behind the eight ball. It's not only last in the race but it's going in the wrong direction. It needs to stop. To come back, and not do what it doesn't want to do. Listen to our feelings and try to see what they really are telling us and then try to act on them, try to honour them.

'It will take time, but people will get the idea and start to look at themselves in a new light. We will start to see that we are dishonouring ourselves by dismissing our bad feelings and that we are actually doing ourselves great harm. And so we will need to stop and start to try and accept first of all that we do feel bad, and then having accepted that, we will then be able to move to see what we are feeling bad about, and then will naturally want to know why, right through to their core.

'Humanity has practically tried everything else and look where it's got itself, nowhere much. Is anyone really and honestly truly happy and if they say they are, is it true happiness and are they sure they're not deceiving themselves?

We bring about illness within our physical body by not expressing and releasing our childhood injuries.

'We all have felt that angry during our childhood. We can't feel more than we felt during our childhood whilst we are in our negative mind state. We have not been allowed to remember it, we have been forced to repress it. Look what it takes for it to re-surface within you, when you try, it has to force its way up through you and look at the effect it has on you. How bad it makes you feel.

'That's what it will take often times to break down our resisting mind circuits, and resisting beliefs. The bad times were real and had a huge impact on us, they greatly affected us, they brought about our whole negative mind, and our self-denial. And so we have to want to see it all, even if it threatens our relationship with our mother and father and all those who negatively influenced us as a young child, with extinction. This is the real core truth, what our relationship with our parents is really all about. This is the hard-core stuff, to see how it will make us feel.

'It all happened to you so many years ago. In a sense we have already suffered the worst of it. But that entire trauma is still within us, it's conditioning our lives. And it won't go away. Just because on the surface our life might not have felt so bad particularly as we get older having more control of our life, even if occasionally we are angry, it doesn't mean we are Happy Larry deeper down inside. And one day if we don't acknowledge that anger it's going to show, it'll eat us away from the inside. We will go to the doctor and be diagnosed with cancer and be given horrendous treatment that will only make us feel worse than bringing up the anger that's causing it all would. So what do you want to do? It's always our choice, do it with God, and They will help walk us through it and heal it all, or do it by our self never knowing exactly what we are doing and why bad things are happening to us.'

LACK of SELF- LOVE:

- A composite of:
- lack of self-worth
 - lack of self-acceptance
 - arrogance and pride
 - self-loath and hatred
 - lack of self-awareness.

Why one has imperfection in their natural love is due to an extension of one of these traits, and all these traits relate back to one single finite Truth, which in its cause is a lack of self-love. The lack of self-love to one's self is the cause, the root cause, on why there is so much fear within individuals, the human world and the lowest spheres in the spirit world. The individual will have a memory that describes how this lack of self-love appears and many people deny this existence of the lack of self-love within themselves because it hurts too much to see it.

Our perfect soul is founded on natural love. Our soul may become encased / encrusted in error bringing about lack of self love. To dissolve the errors encrusting our perfect soul is by growing in truth through the ongoing healing of one's negative state, by doing our Feeling-Healing of our toxic emotions. By ending our feeling denial and healing any personality expression denial we have.

The Mother and Father's Divine Love will slowly strengthen our resolve to perfect one's own natural love, should we address such errors. Slowly but surely, with the Divine Love, our soul's condition will grow and grow. With the Love this will fit one to enter the Celestial Heavens, and beyond, being in the love of all that surpasses man's imagination. Try the experiment.

WORRY or No WORRIES:**No Worries!**

All your worries, and by this I mean your causes of worry, may be taken from your conscious self if you will only seek for and obtain, which you certainly can do, this Love of the Mother and Father. It is astonishing how efficacious it is to cause the worries and troubles to disappear. They, as you may know, are very largely a matter of the mind and while in a certain sense they are real, yet the mind or its condition is the real cause of the realization of the worries.

And consider for a moment the fact that the indulging in these worries does not in one particular remove the material causes of the worry, and does not in any manner bring relief from the troubles. No matter how much you may allow your mind to dwell on these things, and how intensely you may worry, the cause, the material cause, remains. You may say, and it is natural to do so, that it is easy enough to advise that you should not let these inconvenient things cause you to worry, but when you come to the practical experience and are the sufferer from these conditions, it is not so easy to throw aside the effect of the troubles on the mind. Well, there is much truth in that, but notwithstanding, this Love that I tell you of, when living in the soul, will make even that effort easy to accomplish.

The philosophy of the phenomenon, if you may call it such, is that this Love is of such real substantial essence that it takes control of the mind and eliminates the consciousness of the reality of the causes of the worry. Now I do not want to be understood as intending to convey the idea that these material causes are not real, for I am not a Christian Scientist to that extent, but what I do mean is, that notwithstanding the real existence of these causes, the effects of this Love, and the faith that accompanies it, upon the mind which is the real cause of the worry is such that forgetfulness of these causes of worry takes the place of the constant indulging in the thoughts of their existence, and the unhappy consequence that must flow from them. The cause itself is not removed but the consciousness of their existence, for the time being, is dissipated, and to the mind that is thus influenced by the Love, these causes are, as if they were not. Of course, they are existing and facing you to some extent, but it will come to you that they are not so overwhelming and insurmountable as they would appear were this Love absent from the soul and its influence from the mind. And in addition to this, love and faith creates a confidence in the power of the Father and His willingness to help, that engenders courage, which enables the possessor of this confidence to overcome these causes of worry that he would not otherwise be able to do.

What I have said may be called the philosophy of the workings of this Love in its effective destruction of worry. But the great fact is that the Mother and Father does, as a truth, help the one who is in the condition of being possessed with this Love. Their Love is real and Their help is real, and the effect is to make the causes named things of unreality so far as the happiness of the object of this help is concerned. And as a truth, shown by the experience of mortals, a very large proportion of the worries and troubles that harass and cause so much unhappiness to mortals is a thing of the imagination and never realized.

DIVINE LOVE HARMONY:

Immortal harmony:

Transformation of the soul is a beautiful harmonious gradual awakening.

In a gradual way with the Divine Love and Feeling Healing, as changes in the soul and spirit body occur, these changes will result in the personality slowly accepting the source of these changes as being the Soul God and with the independent will, one can have complete acceptance of our Heavenly Parents, Mother and Father, God.

People have loved God and felt loved by God and they have in deed received the Divine Love without ever knowing the truthful identity of this Love insofar as the truths relating with its causality in the human soul and affect upon the spirit-mind.

Part of the nature of the Divine Love in our souls is that it activates our spirit body systems and soul so that the nature of God is seen and experienced in the living and this places us in touch with the many Spirit attributes that extend from God and have their existence in God, such as our Indwelling Spirit. God no longer remains inactive to us; inert, inanimate, or an unknown but rather a Soul of living energy whose energy in the harmonies of Love and Spirit, is personified as love that we experience. If I can convey the essence about the nature of Divine Love it is that in its energy, exists the harmony and potential so that one can see the potential that this Love brings to bridge the gap of separation between the individual and God by the harmonies of soulfully living.

The Divine Love completes the form of the human being.

In essence, one need only direct their soul and the heart of their soul to our Heavenly Parents, the Soul being God, and in this faith one can experience the Love by humbly asking for this Love. This is all that is needed and the touchstone upon the Love's approachable nature.

The Love is never harmful or given by God that results in a caused effect of disharmony in the individual. The diversity of human individuality is a great characteristic of human nature and as with experience, one needs experience to ascertain a truth about a certain thing. Experiencing the Love provides a substantiated knowing from which a more objective reasoning follows and a maturity happens.

DIVINE LOVE BLENDS WITH NATURAL LOVE:

One cannot receive Divine Love unless they have Natural Love! Divine Love enhances one's natural love should one embrace Feeling Healing of their emotional injuries and erroneous beliefs.

If you do not have Natural Love you do not exist! One's natural love is a unique variation of the humanness that each of us is. Our natural love soul is our personality, our intelligence, our memory and all those aspects that make us a loving free will endowed individual. Of the one trillion or so (or whatever number) individual souls that will individualise on Earth, we each are unique. Not only are we unique on Earth, no other soul throughout all of the universes is the same as any one of us.

That is the incredible nature of our natural love soul, within this energy comes the potential for courage, neutrality, willingness, acceptance, reason, love, joy, peace and enlightenment in varying amounts. These are the Source Souls gifts within our soul's structure. It is when we embrace these loving aspects we are then embracing our Heavenly Parents will, our Father's / Mother's will.

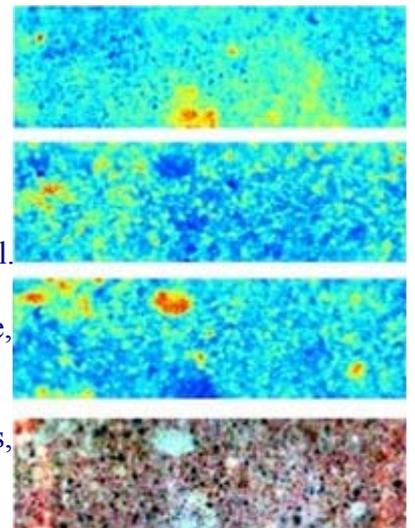

We have free will, so we have each embraced pride, anger, desire, fear, grief, apathy, guilt and shame; and subsequently encrusted our always beautiful soul with these unloving attributes. When we engage with these emotions we are embracing free will and stepping away from the Father's will, His / Her way.

We are individuals because we are of the energy substance called natural love, we being our souls.

Divine Love is uniform in every aspect. Divine Love is an energy substance that is 10 to 100 times more powerful than natural love, however, it is uniform. If our essence was only of the Divine Love we would all be clones – identical with each and every one another. The Divine Love is available for us to enhance our natural love and make our soul complete.

Divine Love blends wonderfully perfectly with natural love. That is the plan. The plan is for us to travel along struggle street and get to the high end of town with our self reliance, or to embrace the super juice of the Source Soul and journey into the stratospheres of wonderment, beauty and incredible love, after we have undertaken our Feeling Healing, and by embracing Divine Love we are also Soul Healing.

The light golden blue energy substance of Divine Love progressively blends with the natural love energy that is the foundation of one's soul. Before embracing our Heavenly Parent's Love, one's soul typically is encrusted with man-made emotional injuries, encrusting and darkening the soul.

One is not exclusive to the other. The Divine Love when added to our soul and blended with the natural love progressively brings about a diminishment and ultimately a total eradication of the potential of man to embrace negative emotions. Further, it then goes on to enhance all of the loving natural love gifts that are within us since the creation of our soul and further develops their natures. It is only with the blending of Divine Love within our soul that we can shed unloving man embrace emotions permanently and then grow into our potentialities. It is the presence of Divine Love that ultimately impedes us from engaging in harmful ways and emotions. Oh what a wonderful gift from our Heavenly Parents, should we so ask for it!

There are only two Loves – the Natural Love and the Divine Love – and only the Divine Love can bestow into a mortal soul that quality of Immortality that enables a soul to live in at-onement in the Celestial Heaven and then to progress beyond those glorious realms towards our Heavenly Parents.

The way the Divine Love works in a mortal soul is so practical that it takes us some time to see this truth. As we feel and address our emotional injuries and erroneous beliefs through Feeling Healing, we enable the Divine Love to perfect those aspects of our natural love soul, step by step. One's natural love is slowly enhanced by the presence of the Divine Love in one's soul. As more and more of the Divine Love is asked for and received, progressively and in conjunction with Feeling Healing, more and more of one's erroneous beliefs and emotional errors are resolved and dissolved by the light golden blue energy substance, the Divine Love.

When we earnestly and lovingly ask for Divine Love, the Divine Love is added to our soul, thus we steadily and progressively become complete in our being.

“The differences between what are regarded as two paths, the Natural Love Path and the Divine Love Path, is, essentially, the amount of Divine Love that beings have been able to acquire.”

Quote from Celestial Spirit Richard 22 Dec 2012

We never lose our natural love, we enhance it and blend it with the Divine Love. Divine Love, once received, never diminishes, it is forever self-replenishing. We can continually ask and receive more and more of the Love, there are no limits to its availability and how much we can receive into our soul.

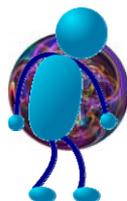

Divine Love is a wonderful transformative element and the most wonderful in the universe but it will not actively overcome the Free Will of man. Each one must pay great heed to their own heart and their true care of themselves and of others.

The guidance to love one's neighbour and oneself is perhaps the most difficult to observe during one's existence on Earth as it is abundantly apparent that this is rarely done to the fullest degree. The world is full of discord and war and greed. Even with all of this, it is possible for an individual to engage to live in accord with this guidance, with humility and acceptance, and to succeed in this endeavour one is greatly aided by embracing the Love and living a life with the Love, the Mother and Father's Divine Love.

Soul expands as it grows in love and condition.

Natural love has a limit to its development.

The first two personalities typify the condition and vibrancy of natural love and self reliance. The awakening to Divine Love can achieve rapid growth in vibrancy and growth beyond comprehension.

Health & Parenting

As difficult as it may seem to comprehend, even at the time of one's conception / individualisation, we are highly intelligent and our newly forming mind is making rudimentary decisions. Immediately upon conception we (being our soul) begin to absorb the emotions and projections of those around us, within our environment, mainly from our parents and in particular from our mother, who at that time may not even be aware of our presence.

All we need to know is already within one's soul prior to conception.

We access our soul's knowings through our feelings. That is, should we express our feelings at all times then we will be drawn to truth and love at all times.

Nothing about our soul's truth is focused upon controlling or dominating anyone else. Control is the domain of the mind. The mind is within one's spirit body, and it is this mind control that we are enslaved to. For more than 200,000 years man has been enslaved to his / her mind, this was brought about by the Lucifer Rebellion at that time. For generation after generation, we have repeated the endeavours to turn our children into little 'me's'. We suppress their free expression and free will and endeavour to clone them into trophy children, our trophy, reflecting who we are, not allowing their free expression of their feelings, their true selves. For a child to comply to our orders and demands they train their minds to 'obey' and succumb to our blackmail, 'be a good girl / boy and I / we will love you!'

This is a disaster of global proportions that was instigated by Master and Mistress Lucifer 200,000 years ago and it is only now that we can do the U turn and liberate our soul's feelings and become freely expressive, and bring about the harmony that humanity strives for and knows is possible.

Each suppressed feeling and each inflicted emotional injury brings about physical pain and ill health. It is only when we allow our feelings to freely flow that the energy flows through are spirit body and then physical body are of a healthy and feeling nature. We, as parents, bring about the long term health or ill health of our children. Sometimes the collective injuries that we as parents holding suppressed result in becoming evident as deformities within our children. Yes, we as parents cause the deformities within our child. Unknowingly and unintentionally we harm our children with our own emotional injuries to such an extent that our newly forming foetus is enormously injured resulting in the numerous illnesses and deformities that babies are born with, from time to time.

The baby is born and then we set about turning it into the 'model' that we want, not allowing it to freely express its true self.

www.funnyandhappy.com

This is the crime that we as parents have not been aware of for 200,000 years. It is global and it will take centuries before we all become aware that we have to embrace our emotions, allow our soul based feelings to tell us the truth of our errors and express our feelings to our partner or anyone that will listen and put these errors aside for ever. Then we will learn how to truly love our children and not burden them with the injuries that are past down generationally.

Our children mirror us, as parents. It is not that ‘bad genes’ are passed down; it is that we change the nature of our genes as of a result of emotional abuse and suppression which is endlessly hurled at us when as a child.

It is not until we reach puberty that we are of such an emotional maturity that we can start to independently embrace our soul based emotions, by-passing our mind’s controlling nature, and express and release the injuries imposed upon us since conception and typically through to the age of around six or seven.

Only by releasing our childhood repressed emotional injuries can we return harmony and physical health to our bodies.

Though our parents typically announce that they love us, as a child, they themselves are so heavily injured that they do not know how to love, nor what love is.

	Supportive Parent is accepting and child-centered	Unsupportive Parent is rejecting and parent-centered
Demanding Parent expects much of child	Authoritative Parenting Relationship is reciprocal, responsive; high in bidirectional communication	Authoritarian Parenting Relationship is controlling, power-assertive; high in unidirectional communication
Undemanding Parent expects little of child	Permissive Parenting Relationship is indulgent; low in control attempts	Rejecting-Neglecting Parenting Relationship is rejecting or neglecting; uninvolved

FEELING HEALING + SOUL HEALING

To heal one's self is to simply look to see what feelings we are refusing to let ourself feel, and accept them instead of denying them. And to fully accept them, one needs to express them, speak about them, let them have their say, rather than pushing them aside, refusing to let them make you feel bad.

Doing this all with the intention of seeking the truth of why you are feeling them, of speaking about and expressing all such feelings; all feelings you have, but ALL WITH the INTENTION of UNCOVERING the TRUTH THEY WANT YOU TO SEE ABOUT YOURSELF. And it's the wanting to see the truth of them that is very important, because if you just look to accept them and speak and express them, but not seek their truth, then that's all you'll be doing, speaking and expressing them, but not healing their causes, so not fixing the things within you that are making you feel bad. And it's the truth part of it, seeking the truth of your feelings, and so, seeking the truth through your feelings, that's vitally important. It's the truth of yourself, life, nature and God, that is the spiritual aspect to it all.

You CAN'T find the truth of yourself, or anything else, through and with only your mind. You HAVE to engage and look to your feelings. And so if you choose to allow your feelings to 'Show You the Way', then the truth will come as you express them.

So to do our Soul-Healing consists of these steps, all of which are ongoing until it's done:

- **Admit you are feeling bad.**
- **Accept your bad feelings, identify what they are.**
- **Honour fully your bad feelings by expressing them, speaking about them to someone who is willing to hear you talk about them, or tell them out loud to our Heavenly Parents. Long for the truth of them. Long for the truth of why you feel bad – what deep within you is causing your bad feelings?**
- **And remember, bad feelings are Good! Not bad. They are not to be despised. And as hard as it is to accept them, they are still you, and a very real part of you. And if you persist in denying them and not allowing yourself to fully live them, then you are only going to keep yourself in your errors making things harder for yourself.**
- **All sickness and suffering, all bad things that happen to you, all your problems, all your addictions – your whole feeling-denying and untrue life, is all caused by your denial of bad feelings.**
- **Every problem in the world is brought about because everyone has been brought up to deny feelings, and in particular, most of their bad ones.**

If one is intent on spiritually evolving and growing in truth, then it's vital, and this is the key, that one looks to use one's feelings as the means to gain and have access to the truth of oneself. You CAN'T find the truth of yourself or anything else through and with only your mind. You HAVE to engage and look to your feelings. And so if you choose to allow your feelings to 'Show You the Way', then the truth will come as you express them.

Doing your Soul-Healing with the Divine Love, is really doing your 'Feeling-Healing'. We are designed — created — to be self-revealing of truth, and so we are all to uncover the truth within ourselves and for ourselves, and all being done by living true to our feelings. **If you accept, express and seek the truth of your feelings, then truth will come to you, and you'll grow spiritually. It's as easy as that. Also it is as easy as it is to long for, ask for and receive Divine Love.**

Feeling bad is Good! It's okay to feel bad.

Feeling bad is good.
 Feeling bad is GOOD!
 It's not bad to feel bad – it's good.

FEELING BAD IS GOOD!
 Very good!!!

And feeling really bad is also good.
 And feeling worse is even better.
 It's all very good!

It's okay to feel bad.
 Bad feelings are okay.
 It's good to feel bad.
 Bad feelings are GOOD!

It's good to feel bad about feeling bad.
 Your bad feelings are YOUR feelings.
 YOUR bad feelings have a right.
 A right to exist.
 A right for you to feel them.

Your bad feelings are a part of you.
 Bad feelings are good and they are your feelings!
 ACCEPT THEM!

It's okay to feel bad, there is nothing wrong with feeling bad.
 You might not like feeling bad, but it's okay to feel bad.
 You are allowed to feel bad. Give yourself permission to feel bad.
 Bad feelings shouldn't be dismissed.
 Bad feelings already feel unwanted, why make them feel more rejected?
 You are your bad feelings – if you reject them, you are rejecting yourself.
 Why are you rejecting yourself? Why are you rejecting your bad feelings?
 Is this how you want to live – rejecting a natural part of yourself?
 Is this how you want to live, rejecting your bad feelings?

Feeling bad is normal. We all feel bad. We all feel bad a lot of the time, even if we won't admit it, or even if we're not aware of it.
 There are many bad feelings, all sorts of different bad feelings, and they are a normal part of you – of everyday life.

Bad feelings – your bad feelings – are to be welcomed. Bad feelings are to be wanted. Bad feelings are to be accepted.
Bad feelings are to be loved.

If you ignore or deny or dismiss or reject your bad feelings, what are you really doing? Denying, dismissing, rejecting yourself. Is this what you want to do? Because if you do, you'll only make yourself feel even worse.

You are your bad feelings – Your bad feelings are you.
Bad feelings have just as much right to life as good feelings.

Be true to your bad feelings – acknowledge, honour and accept them!
Accept your feelings.
Accept yourself.

So Remember:

Feeling bad is Good!
Accept your bad feelings.

The full acceptance of your bad feelings, and the seeing of the truth they are trying to show you, comes from having expressed – spoken – about them. And speaking about them to someone who cares about you: a friend.

As you vent your feelings, the pent up ‘bad’ energy goes, often leaving you with the understanding of what they are all about: why you are feeling them. And once you understand and know this truth, then you are healed and free of them.

As young children we were all stopped from freely and fully expressing all our bad feelings. Things were done to us, we were forced to behave in ways we didn't want to, all of which made us feel bad. But we couldn't complain about how unjustly we were being treated. We tried, but often only to be met with harsher rejection treatment.

As adults we still have all this bad treatment going on within us. We formed patterns when we were young based around all the negative unloving parenting we had. And now being unconscious of these patterns we still (also unconsciously) expect bad things to happen to us to make us feel bad – and to feel just as bad as we did back then. And so bad things do happen. And we do feel bad.

So as an adult, we are experiencing life in the moment now as the adult, together with all we felt back when we were young, only we are unaware of it. Something will make us feel bad, and on the surface of it we might know why we are feeling bad, yet underneath, deeper within us, it will key into and trigger repressed bad feelings making us feel even worse in the situation than we might have otherwise felt.

So in doing our Feeling-Healing: healing our repressed childhood bad feelings through the feeling-experiences of our current adult life, we need to use every bad feeling to help take us back 'down' inside ourselves, to connect with what made us feel the same bad feeling when we were young.

We are our bad feelings, and like them, WE ARE STILL WAITING TO BE HEARD.

The honouring, accepting and expressing of our bad feelings is our attempt to speak up and finally be listened to: to be accepted and loved – not rejected. And as an adult we can now do this, whereas, a child we could not.

And so if you no longer want to feel bad then through complete self-acceptance is the ONLY way to heal yourself – allowing yourself to feel as bad as you do feel. If you don't feel good about anything in your life or about anything to do with yourself – if you have one bad feeling at all, that feeling or bad thing will somehow be connected all the way through you to your early childhood. And so simply, if you feel bad about anything, if you are sick or don't like any aspect of yourself or your life, it's all because of how you were treated during your early childhood, and it's still going on deep within you. Your childhood has ended but the resulting mental and will patterns that dictate to a high degree your emotional and feeling state are all still in existence, still unconsciously controlling you. And because you are denying yourself the knowledge of these patterns, so too are you denying yourself the resulting feelings from them – all your bad feelings.

When you see the truth, the whole truth of your negative self-denial state, then with your will you can stop living in rebellion against yourself and choose to live positively. And in that choice you are healed.

The aim of Feeling-Healing

The real aim of doing your feeling-healing is to perfect your relationship with yourself, with others, with nature, and in the end, with God.

Until we are living true to all our feelings and living wanting to grow in truth from our feeling experiences, we can't live a perfect relationship. If we live denying any part of our self we can't have true relationships.

Until we accept all of those parts of us we're denying, and understand why and how our denial came about, we can't live as our soul desires us to, as we have been created to live.

And when we do honour all our feelings and live the truth revealed by them, then naturally without any effort or mind control we'll just be perfect.

Many people try to seek God, try to understand the Greatest of all Mysteries before they try to understand themselves. We will never be able to understand or relate properly to God until we can understand and relate properly to ourselves. We come first. We have to learn how to fully honour and totally accept ourselves and then we can move out into the world and greater universe.

We are to be true to our soul by living true to our feelings.

To want to live true; true to how you feel, is to want to be perfect.
And your feelings are the way.

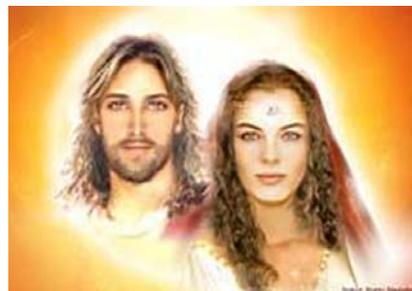

OUR GUIDANCE to PARADISE, the home of our HEAVENLY PARENTS:

There are three distinct phases of our progression to the home of our Heavenly Parents which is Paradise that is within the circle of seven Super Universes, each containing many Local Universes.

Once we progress beyond our Local Universe of Nebadon, then we are assisted and guided by our Heavenly Parents, our true Mother and Father all the way home to Paradise.

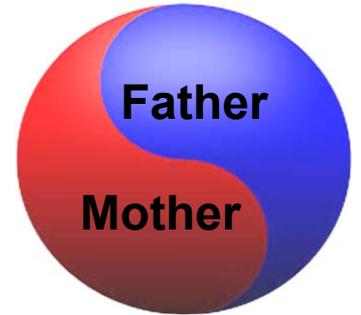

Before then, once we have completed our soul healing, we are guided through the Celestial Heaven worlds which are those that interact with humanity on Earth, then further on into and then out through Nebadon, our Local Universe. The regents of Nebadon are Mary and Jesus.

However, before then, we are to embrace our healing. That is, we are to realise who we truly are. We are not the personalities that our parents imposed upon us. We are to put aside our childhood suppression and repression and free our true personality that our Heavenly Parents gave us, and to do this we are now able to embrace the guidance of the Avonal Pair who will lead us through our healing here on Earth and through the Spirit Mansion Worlds to be able to enter the Celestial Heavens.

MUM & DAD THIS WAY

GOD

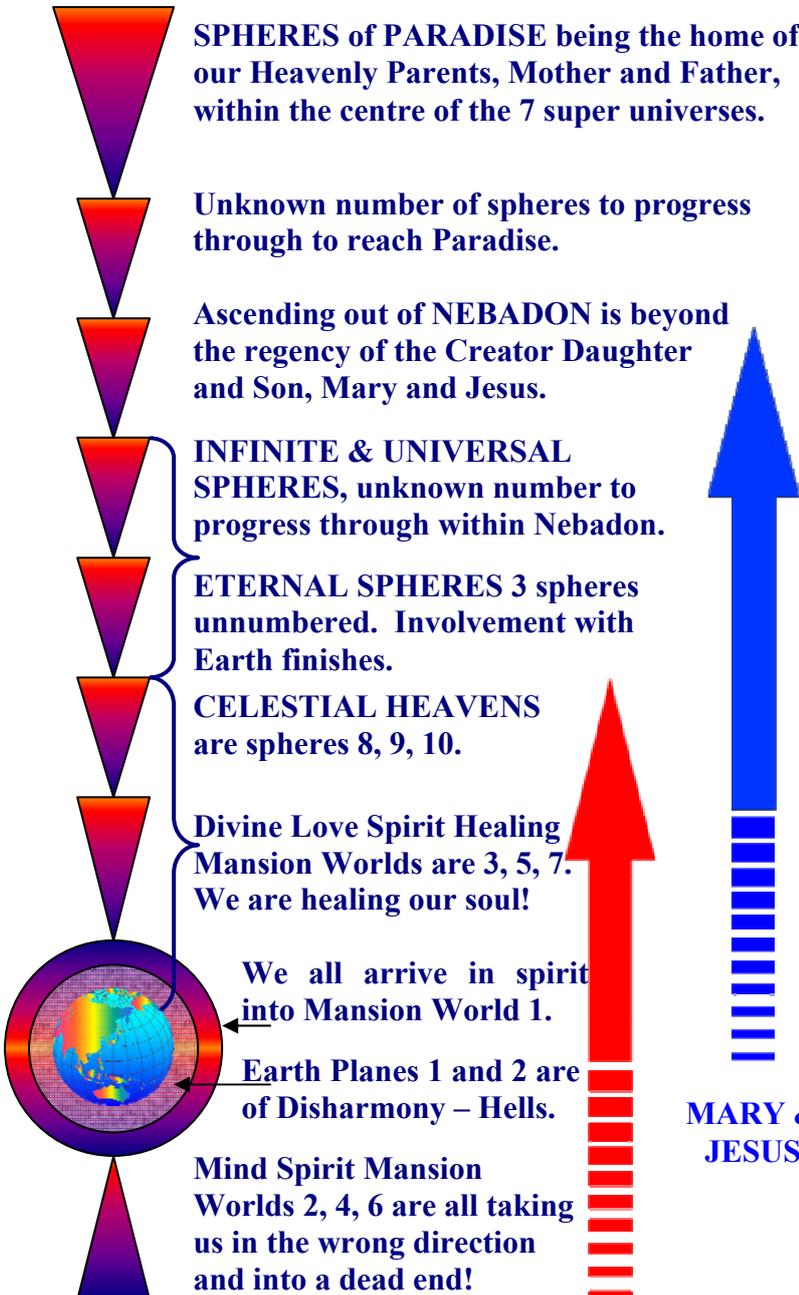

HEAVENLY PARENTS

JESUS & MARY

AVONALS

I'D TURN BACK IF I WERE YOU!

AVONAL PAIR

GOD

MARY & JESUS

Through out the Avonal Age of 1,000 years, their Spirits of Truth will assist us in embracing and engaging with our Feeling Healing and with Divine Love our Soul Healing, they will assist us to develop our soul well into Celestial Heaven status should we persevere with such a goal. To the extent that the Avonal Pair develop themselves while here in the physical on Earth is the level that their Spirits of Truth will be able to assist us. Then it will be Mary and Jesus' Spirits of Truth that will assist us up and out of Nebadon, where our Heavenly Parents will then assist us onto Paradise, Their home.

Finaliters

Hey guys, I know who I am and why I am having these life experiences. No, I haven't a prison uniform on – but that might be what my soul has planned for me to experience! Just joking!

When we arrive in our Earthly mother's womb we are clueless as to why the heck we have come here. We truly need to persist with asking, "What's this all about?" – We will be told, bit by bit! But you have to push for it. Well guys, here's a go at it.

We have come to this crazy messed up humanity on Earth because God wants us to come, we don't have any say in it. And we think we can do something about it, but we actually can't, we can only do what God wants us to do. And if that makes us think we can do something, that we can have an effect, then that's what God wants us to think. Man, this mob is ready to slaughter each other totally and that is not going to happen – it's not allowed!

We are to enable our wilfulness to surface – well take over our 'numbnut' mind – and push aside the persona – the messed up personality that our parents want us to be – and express our true individuality. Be true to our feelings – our soul-based feelings and be the personality that our Heavenly Mum and Dad know us to be (all good).

Okay, because we are amongst billions of people who have been forced to join the Rebellion and Default, we are one of them – experiencing all the crud and wrongness we can possibly get ourselves into. Yep, we are rebelling against our soul, which also means we are rebelling against our soulmate and also our Heavenly Mother and Father – God. Shoot the works – we have done it justice!

Now here is the good bit. We can heal ourselves of all this wrongness – and eventually we ALL will. Then we will continue with our healing and learning, and learning, and more learning and end up in Paradise, the home of our True Mum and Dad. THEN we will be recognised as FINALITERS. Why Finaliters?

We are called Finaliters, that's everyone who attains Paradise, and not just those of us who've been fucked up by a Rebellion, because we've 'finally' got there, we 'finally' did it, we 'finally' completed the first stage of our existence in Creation, which is akin to 'Finally' completing our time in the 'womb'. Upon attaining Paradise, it can be likened to being 'finally' born, or 'finally' becoming of the equivalent of age 6 when our Indwelling Spirit arrives, or 'finally' becoming an adult. And possibly we won't know if we can liken to it to any of these stages we go through during our physical life on Earth, until we're 'finally' on Paradise, and 'finally' get it!

Because other humanities in newly forming universes are anticipated to Rebel (just like us now) and because we have had the experience (no other humanity has possibly done it as good as us) so we FINALITERS can go and help them out of their SHIT! Yee-ha – more evilness and insanity! That is us! Bring it on!!!!

Prayers to our Mother and Father

From 'Religion of Feelings' by James Moncrief

Please Mother and Father help me accept my untrue state and bring up all my repressed feelings so I can see the full truth of why I feel so unloved and all that's wrong with me.

Please Mother and Father help me see the truth of myself through my feelings.

Please my beloved Heavenly Parents, fill my soul with Your Divine Love. I long for Your Divine Love; please answer my prayer and yearning to be at-one with You and do Your Will by living true to myself and all my feelings. Please fill my heart and soul with Your Divine Love – please make my soul like Yours – Divine.

Please Mother and Father, I want to uncover the whole truth of myself through my feelings. I want to be able to feel and accept just how bad I am, how bad I feel I am, how bad I've been in my life. I want to know the whole ugly truth of myself, see it and feel it and understand how I came to be it. Please reveal to me through my feelings all the truth of myself You want me to see. I want to be as You want me to be; I want to be true and perfect, Healed of all my rebelliousness and self- and feeling-denial; I want to be good, loving, true and happy, please help me become true to myself, true to my soul, true to You.

Please Mother and Father help me, I'm in such bad pain, I feel so alone, so miserable, so scared, what's going to become of me, I don't understand, what's the point of me, why have You made me; please help me see the truth of myself – all the truths of myself, nature, how to be in the world, of You both. I want to know, I want to know it all through my feelings, all that there is to see, the whole truth and nothing but the truth. Please help all my pain come to the surface of me so I can embrace and accept and express it out of me. I want to use my feelings to uncover the truth they are to show me; please help me to do that.

Please Mother and Father love me. I want You to love me. I want to feel fully loved by You. I don't want anything else, only to be with You. Please, that is all I am asking.

Please make me feel how unloving I am. Please show me the horrible truth that I am. I want to see and feel and understand the worst of me, please take me into my darkest scariest ugliest unwanted rejected places within myself. I don't want to feel all the dreadful pain that I know is there locked away inside me, yet I do also want it all to come up and out of me, and I want to use it to see the truth of my wrongness, the truth of how evil I am, the truth of my fucked up state. I no longer want to be false, pretending I am okay, using my mind to make me falsely believe I am good, happy, loved and loving, when I know I'm not. For how can I be when You've brought me into my unloving state, making me be of it. And as You want me to experience being this negative way, please show me the whole truth of it. I no longer want to deny any part of myself, or any of my bad feelings. I want them all to come up so I can express them, emoting their pain, feeling how bad You've made me feel all my life and all through my early life; I want to see why, and so reveal all the truth to myself. I want to be the living truth of myself, living true to my feelings and the truth they give rise to. Please help me to do my Healing, and please fill my soul with Your Divine Love.

The mind way is the 'dead' way; the feelings way is the 'alive' way.

Examples of some prayers to God:

From 'Feeling Healing' by James Moncrief

Please God show me the truth of myself through my feelings.

Please help me see the truth about myself You want me to see.

And please help me feel all my repressed pain; please bring up all my bad feelings so I can express them and see what it is they are to show me about myself, my life, and You.

And please help me work through my blocks, I want to Heal myself, I want to become true to myself and true to my feelings and true to You – please help me do that.

Heavenly Mother and Father, I feel so bad, and I know I'm doing it to myself, but I can't help it. I can't stop my compulsive addictions, so will you please bring up the buried feelings in me and show me the reasons why I can't stop. Please! I want to know – I REALLY WANT TO KNOW why I do them. Please help me Mother and Father to uncover the truth of myself. Please, I beg you, please, please, please show me the truth of them so I can give them up. I hate feeling bad, yet I know I must so I can keep expressing my bad feelings to see the truth You want me to see, so please help me feel bad.

Please Mother and Father fill my heart and soul with Your Divine Love. Please give me Your Love. Please love me and make me feel loved by You. I want to feel You close to me, I want You to hold me, make me feel loved by You. I only want You and to do Your Will. Please help me bring up all my repressed feelings so I can express them and uncover their truth. Please help me do my Healing. Please give me Your Love.

I hate you Mother and Father; why have You given me such a shit awful life? I hate myself, I hate You, I hate everything about my life. I feel so bad all the time. I've expressed so many bad feelings and still I feel bad. It's not fair, it's not fair what You've done to me. I hate You! And I want You to help me Heal myself, so I can stop feeling bad. You put me in the shit for whatever reasons, and I want You now to help me get out of it and show me what it's all been about. Please help me to Heal myself so I no longer hate You.

I long for Your Divine Love Mother and Father. Please fill my soul with it. And please help me uncover the truth of myself through my feelings. I want to see it all! And please make it all end, I'm so tired of always feeling so bad, please take all my bad feelings away by making me feel them and showing me the truth I am to see.

LOVE
is
Feelings First Spirituality, The New Way

Feelings First Spirituality, The New Way is a contemporary ‘religion’ based on living true to yourself through your feelings. Understanding that all you need in life is contained within your soul and is shown to you through your feelings. And by loving your feelings, by attending to them properly (talking or writing them out of you) and not denying them, you can use them to uncover the truth of yourself – the truth of your soul.

Feelings First Spirituality is not a formalised religion that tells you how to be, that is too controlling and is actually bad for you, limiting your spiritual growth. You can be wholly self-revealing of the truths you need to be, being the person God created you to be, all by living true to your feelings.

Feelings First Spirituality has no formal structure because we understand we don't need one, our soul contains within it all the truth of our spiritual ascent. If we look to our feelings for the truth they want us to see about ourselves, nature and God, then what more do we need! Our true spiritual path is the path our feelings will lead us down, that is, provided we allow them to. This is the most spiritual we can be.

Living the New Way of Feelings First Spirituality

You come to the understanding from your life experiences that how you are is not right, it doesn't make you feel good – that you are wrong in some way. And you want to change yourself, you want to become right, true and perfect – you want to be like God is.

And to do this you need to do your Healing

Your Feeling-Healing is looking to your feelings for the truth of yourself, the truth being hidden in many of the feelings you are not wanting to face in life. So you have to end your feeling denial, accepting all your bad feelings (and good ones), express them (yet not necessarily acting upon them), whilst longing to uncover the truth they are to show you.

Or, you can do your Soul-Healing, which is your Feeling-Healing together with including longing directly to God for God's Divine Love. When you receive the Divine Love into your soul, it will cause your soul to become divine, and it will deepen your personal relationship with God. Long with all your heart to God for God's Divine Love.

Feelings First Spirituality **The New Way**

By living true to ourselves, true to our feelings, we are living true to God. It's that simple.
--

FEEL *for* TRUTH

The beauty of it all, is the truth comes to you through your own feelings. You don't need to be told it by anyone. You can work it all out for yourself. We are self-revealing of truth, it's how God created us to be, and by being it we'll feel the happiest we can feel. Truth is our great comforter, so when you feel it come up within you, ah it feels so good and you feel just right – perfect!

We know only how to deny feelings, now we can get to know how to accept them. And always with the truth being the most important part.

FEELING TRUTH

If you don't want to uncover the truth of your feelings, then you can keep on expressing them forever but you will never fully heal yourself. Seeing the truth results in the Healing. And to see the truth you need to express all the pain out of you. The two things go hand in hand.

You can accept and express your bad feelings, letting off steam all day long, yet nothing will heal and nothing much will come of it. So this is where wanting your feelings to show you the truth of why you're feeling as you are is so important.

Don't go fishing with your mind, that will shut the truth out from rising up for you. **KEEP YOUR MIND OUT OF IT.** It's a feeling thing, doing your Feeling-Healing. (This is where we erred previously, and this how other modalities are in error.)

You long when you can, then stop longing and keep expressing. And at some point, and it might not even happen immediately, it might happen after days or weeks of expressing the same bad feelings, truth will come to you. And it does, it just comes up suddenly into your consciousness. You just know. You see the picture and you feel it's true. And you know it's true. And THEN your mind can come in and start sorting it out and putting in context.

It's the Truth that we are seeking. It's the End Point. The Reason for doing your Healing. You are to see the whole Truth of yourself. And to begin with, that's the whole truth of your unloving self, of your wrongness, of your evilness, of why you are as you are in your negative unloving mind-controlling state. To be able to fully accept yourself as you are, warts and all. To not fight or resist or try and change yourself, just to accept all you feel and all the truth of all those bad feelings you feel about yourself. And when you do, so you will be healed. You CAN'T heal yourself unless you uncover the truth of your pain, suffering and so the truth of all your bad feelings.

Through our Feeling-Healing we long for the truth of what we're feeling whenever we can. So as often as you can. You want, and REALLY WANT WITH ALL YOUR BEING, ALL YOUR WILL, to know why you are feeling bad. You yearn, want, long and beg and beg and BEG God to show you the truth of yourself through your feelings. So when you are expressing your bad feelings you can stop and long for the truth to show you what's going on, why do you feel so bad, and you can do it any time you think of it or feel to do it.

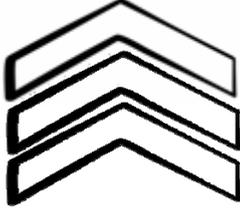

Notes from 'Feeling Healing' by James Moncrief

Heartfelt TRUTH

The CHOICE is OURS to MAKE:

Celestial Truth:

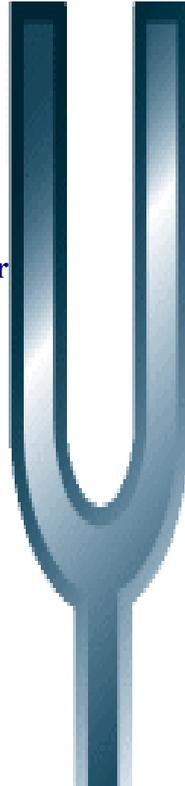

Truly all-loving;
 Living true to oneself;
 Mind supporting Feelings;
 Living with the Divine Love;
 Fully Healed of the Rebellion and Default.

THE FEELING WAY

Feeling – Ascendance
 Unlimited progression

- Living true to your untruth;
- Honouring all your bad feelings;
- Expressing feelings to uncover their truth;
- Healing the Rebellion and Default within yourself;
- Feeling unloved; being unloving;
- Feeling as bad as you can feel;
- Feeling like you are no one special;
- Longing for the Divine Love.

THE MIND WAY

Mind – Transcendence
 Limited progression

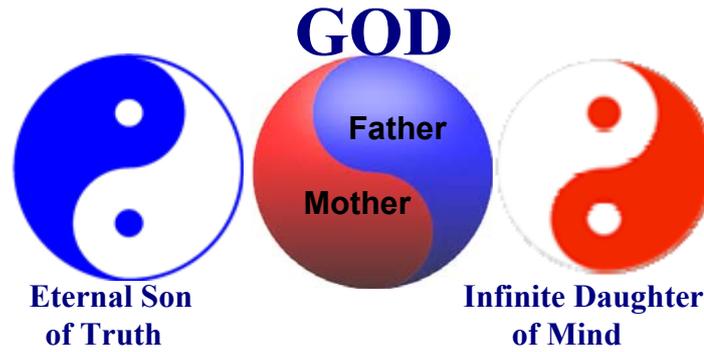

- Enlightenment, Nirvana, feeling all-loving;
- All false, mind-contrived. Anti-truth, anti-love;
- Still evolving the Rebellion and Default within yourself;
- Feeling and believing you are the Superior One;
- Living with your mind in control of your feelings;
- Living rejecting all your bad feelings;
- Living with your mind contriving you feel loved;
- Rejecting the Divine Love.

All religions, New Age, agnostic,
 atheists, no spiritual interest,
 Living the Rebellion and Default.

Hell:
 Exploiting the Rebellion and Default.

The Feelings are the doer; the Mind the teller. So we are to go with our feelings, which we can't be told to do with our mind. So the longing for the Divine Love, doing our Healing by expressing our feelings and longing for their truth, are all feelings and doing it with longing. Whereas the mind just wants to tell us what to do and how to be, no feelings in it, all how our parents have treated us.

PARADISE TRINITY:

1. **Our MOTHER and FATHER (God) (MF) – Divine Love**
SOUL (God) – One SOUL that is expressing its two PERSONALITIES, our Heavenly Mother and Heavenly Father (Soulmates)
 2. **ETERNAL SON (ES) – Divine Truth**
 3. **INFINITE DAUGHTER (ID) – Divine Mind**
- Then: The Second and Third Persons of the Paradise Trinity (ES and ID) are stepped down to the local universe trinity (Mary and Jesus, Divine Minister (DM), and her Holy Spirit.

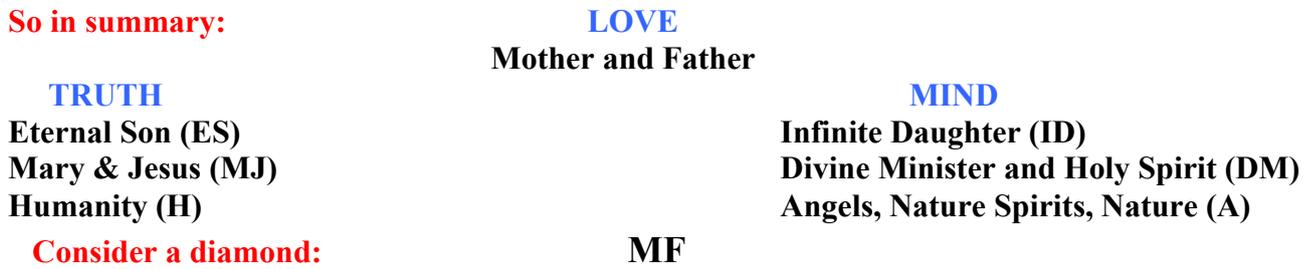

The LOCAL UNIVERSE TRINITY:

1. **MARY M and JESUS** – Our MOTHER and FATHER – Love – the Living Truth
2. **DIVINE MINISTER** – Mind (and her Holy Spirit)
3. **HUMANITY – Natural love, sons and Daughters – Truth, and our Angels – Mind**

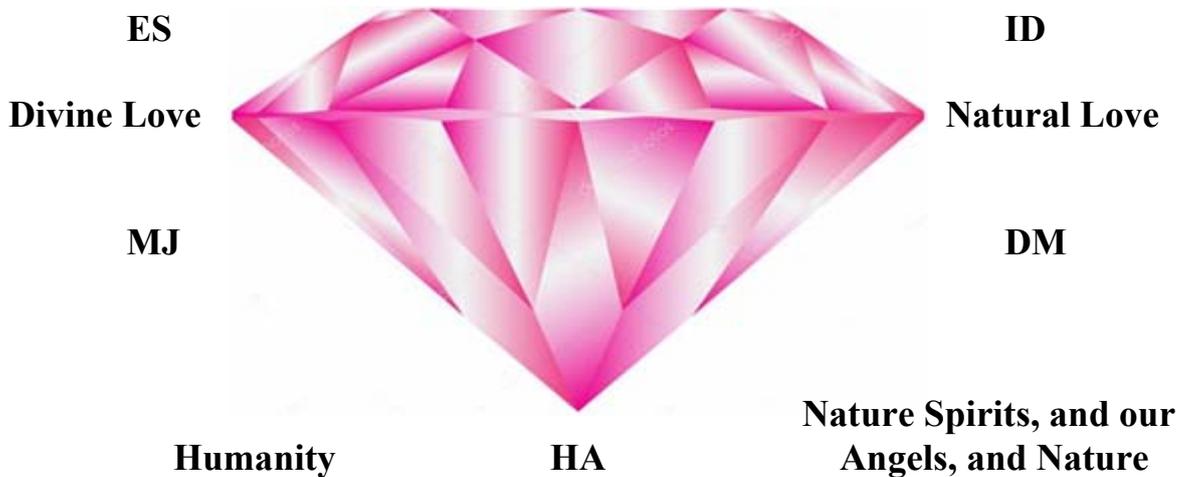

PLANETS that engage in REBELLION:

1. **AVONAL SOULMATE PAIR** – the Feeling Healing process – incarnate
2. **DAYNAL – TEACHER PAIRS** – they do not incarnate

So in summary:

Consider a diamond:

Mother and Father Heavenly Parents

Creator Son & Daughter
Jesus and Mary

Avonals
as soulmate pairs

Trinity Teachers
as soulmate pairs

Melchizedeks – who have taken over from the Caligastians and Daligastians being also all as soulmate pairs.

Mortal Souls – human beings who individualise on Earth, then progress through the spirit Mansion Worlds, then into the Celestial Heavens, and beyond.

Mortal Souls – also being ascending spirits, upon completing their Soul Healing, join with their soulmate, then join their soul group of 24 mortal spirits, being 12 soul pairs. It is only as a soulgroup that anyone can progress beyond Nebadon.

The Paradise Pairs are all ONLY concerned with the SPIRITUAL wellbeing and upliftment of the planets and local universe. Currently to do with Earth:

Mary and Jesus – spiritual wellbeing and upliftment of the whole of Nebadon region.

Avonal Pair – Daynal pairs (Trinity Teacher Daughters and Sons) – Spiritual wellbeing and upliftment of individual planets and their associated Mansion Worlds.

The Local universal Sons and Daughters are all about the running of the worlds under their jurisdiction, and ensuring the higher spiritual elements can be employed, or sent astray, as in our cases through the Rebellion and Default.

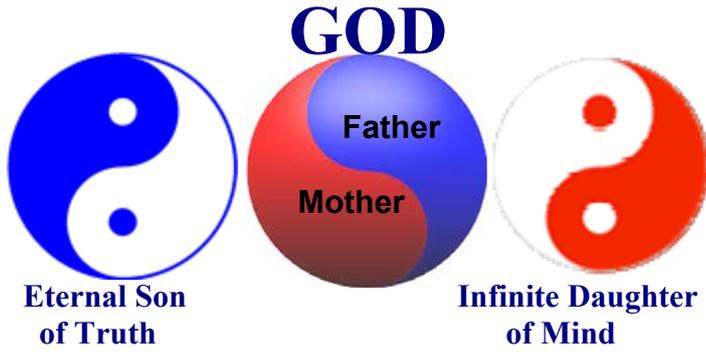

Lanonandeks – Melchizedeks (and others, such as Life Carriers and Eve and Adam).

As the Lanonandeks all rebelled – the Lucifers, Satans, Caligastias and Daligastias soulmate pairs – so the Melchizedeks have taken over their roles, as well as doing their own.

So the Melchizedeks are the governors, overseers, the administrators and advisors and so on for Earth; they are the ‘controllers’, and they will instigate all that needs to be done to do with the ending of the Rebellion and Default. And they will enlist the willing help of ascending mortal pairs, so the mortal Celestials spirits (soulmates when available, and others waiting to unite with their partner), and at times mortal spirits in the Divine Love Healing Mansion Worlds. And the angels help all of us.

Currently the whole of Creation exists for the ascension of mortal souls from their earth planets to Paradise. It’s all one vast Grand Ascension Scheme. With all the higher and lower spiritual Daughters and Sons, together with all the many different angels and other universal spirit personalities, and even including nature and our very own pets, assisting women and men with their Ascension Journey. It being: and Ascension of Truth. Everything we do is done to help us grow in truth. (Only everything we do in our negative state is to deny ourselves our truth from our feelings, which is why we have to do our Healing.) All women and men are ascending (or growing) in truth through their experiences. And as we grow in truth by looking to our feelings to show us that truth, so we’re ascending, moving inwards and upwards through all the worlds and spheres of the Grand Universe to one day arrive on Paradise and meet our Heavenly Parents. God is providing us, Their children, with this spiritual journey called our Ascension of Truth. And by living true to our feelings, so we are progressing on our true Spiritual Path – our Ascension Path.

CREATION of SOUL and SPIRIT:

God is *The Paradise Trinity* — the eternal Deity union of the Personalities: the Universal Mother and Father; the Eternal Son of Truth; and the Infinite Daughter Spirit of Mind.

Feeling Pathway

Soulmate Pair

Spirit Person

Mind Pathway

Angel

Nature Spirit

The soul of each human personality (sons and daughters of truth) is existential, driving our personality expression in the experiential. The soul of each human finds truth by embracing one's feelings and longing for the truth of them. We are to attain the Eternal Son of Truth. We are a creation of Truth.

The soul of angels is experiential, evolving through their experience by continually progressing in mind development. Angels are to attain the Infinite Daughter (Spirit) of Mind. Angels are a creation of Mind. Our soul is duplex (we have a soulmate) and is created by our Heavenly Parents. Through our Feeling Healing we perfect ourselves enabling the union with our soulmate, as we progress in truth up through the Mansion Worlds, celestial heavens and all the way to Paradise.

The soul of angels is also duplex, yet of the mind, and they progress in mind evolution to Paradise. Animals, plants and nature spirits are also creations of Mind.

Neither we nor animals reincarnate. We never die; upon death, we move into the spirit Mansion Worlds on our journey to Paradise. When animals and plants die, be they the tiny microbe to the mighty elephants of the land and the whales of the ocean, their spirit energy returns to the Spirit Collective Energy. And from this energy are drawn other animals and the nature spirits, who then in turn move onto becoming angels through increasing mind experience.

A nature spirit is an angel in waiting.

WE ALL ARE BEING GUIDED HOME:

We need the Spirits of Truth of the Avonal Pair to Heal ourselves; then once Healed, (and for support (overshadowing) as well through your Healing), we need the Creator Pair, Mary Magdalene and Jesus' Spirits of Truth to see us through the Celestial spheres, while at all times embracing our Heavenly Mother and Father.

Until Mary and Jesus died and liberated their Spirits of Truth, no one from any of the worlds could leave Nebadon, because no one knew the way to do so. Nebadon is our local universe containing some 3.8 million inhabited physical worlds and their associated spirit worlds.

When we embrace the truths Mary and Jesus are revealing, and start to do our Feeling Healing, or with Divine Love, Soul Healing, we are then freeing ourselves up from our parental and self control.

Thus our journey to Paradise, to the home of our Heavenly Parents, is of our choosing as to when we progress, however, there is only one way:

HUM: Humanity is to ascend. We are self contained. Our soul is always in truth and perfect at all times. **By living true to ourself, true to our feelings, we are living true to God. It's that simple.**

We are to recognise that being engaged and dominated by our mind is the wrong way for us to evolve and grow in truth. We are to discard the mind enslavement that has been imposed upon us by all of our parents. We are to express our feelings, both good and bad and free ourselves of the indoctrination that humanity has embraced worldwide.

Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God's soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of our Mother and Father.

AVO: We are to embrace the truths and guidance of the Avonal Pair through their Spirits of Truth. It is the Avonal Pair's guidance that will lead us through our Feeling Healing, and with Divine Love, we will be able to ascend through the 7 spirit Mansion Worlds and enter the Celestial Heavens where we also interact with other world's spirits.

J&M: We are also to embrace the truths and guidance of the Paradise Pair, Mary and Jesus, who will then lead us through the 3 Celestial Heavens that are aligned with Earth, and then further on through Nebadon where we will then depart beyond on towards Paradise.

M&F: Beyond the universal zone of Nebadon, we will be guided by our Heavenly Mother and Father onwards through the universes to Paradise where we will be welcomed by them, home for us all, as we are all Children of God.

HUM

WE ARE Children of God

WE ALL ARE BEING GUIDED HOME – NOW, HOW TO COMMENCE THE JOURNEY:

GOD

M&F

For 200,000 years, we have been misled into embracing our mind's distortion of wisdom and truth. All such traditional understandings only lead us in the wrong direction, from which we must turn back from. Our soul based feelings are always in truth. Our minds are to follow our soul based truths and feelings, not the other way round, as we have been brought up to embrace.

We are to connect with our deeper repressed feelings.
We are to long for the truth of what we are feeling.
We are to live true to our selves; by living true to our feelings.

Use your surface day-to-day feelings to connect with your deeper repressed feelings. Express your surface feelings and your deeper repressed feelings to uncover the truth of yourself.

J&M

We all have feelings which we communicate and share with each other. And we all have deeper buried and hidden repressed feelings. Feelings from our early childhood we felt, yet weren't allowed to express. These feelings are still within us, waiting to have their say. These feelings, because they are repressed, cause us all our problems.

And as we look to uncover, bring out and accept these deeper feelings, so we're taken into new ways of looking at ourselves, our feelings, and our life. We're setting ourselves free of the controlling patterns that govern our unloving behaviour.

In this way, we progressively begin to express the personality that our Heavenly Mother and Father gave us, not the one imposed upon us by our physical parents and carers. We are to be our true and real selves.

By living true to ourself, true to our feelings, we are living true to God. It's that simple.

AVO

HUM

As we, humanity, long for the truth of our feelings, we can also be assisted by the Spirits of Truth of the Avonal Pair who are our spiritual teachers for Earth over this coming 1,000 years, to assist us through the Great U-Turn, away from mind dominance to being soul based feeling lead. They will assist us through the seven levels of the spirit Mansion Worlds.

Then the Creator Pair, Jesus and Mary, will lead us through Nebadon and into the greater universe. Then our Heavenly Mother and Father lead us home to Paradise.

Collectively, should we embrace them all, as we are to, then our pathway home is a journey in the hands of the Spirits of Truth of the Avonal and Paradise Pairs overseen by our Heavenly Parents.

WE ARE Children of God

HOW TO GET TO PARADISE:

Long for the Divine Love

Long for the Truth

Long for the truth of your feelings

Don't deny any feelings: accept, express and want to know the truth of them

Know your feelings are the key; your feelings are the Way

Want to end your falseness and being untrue

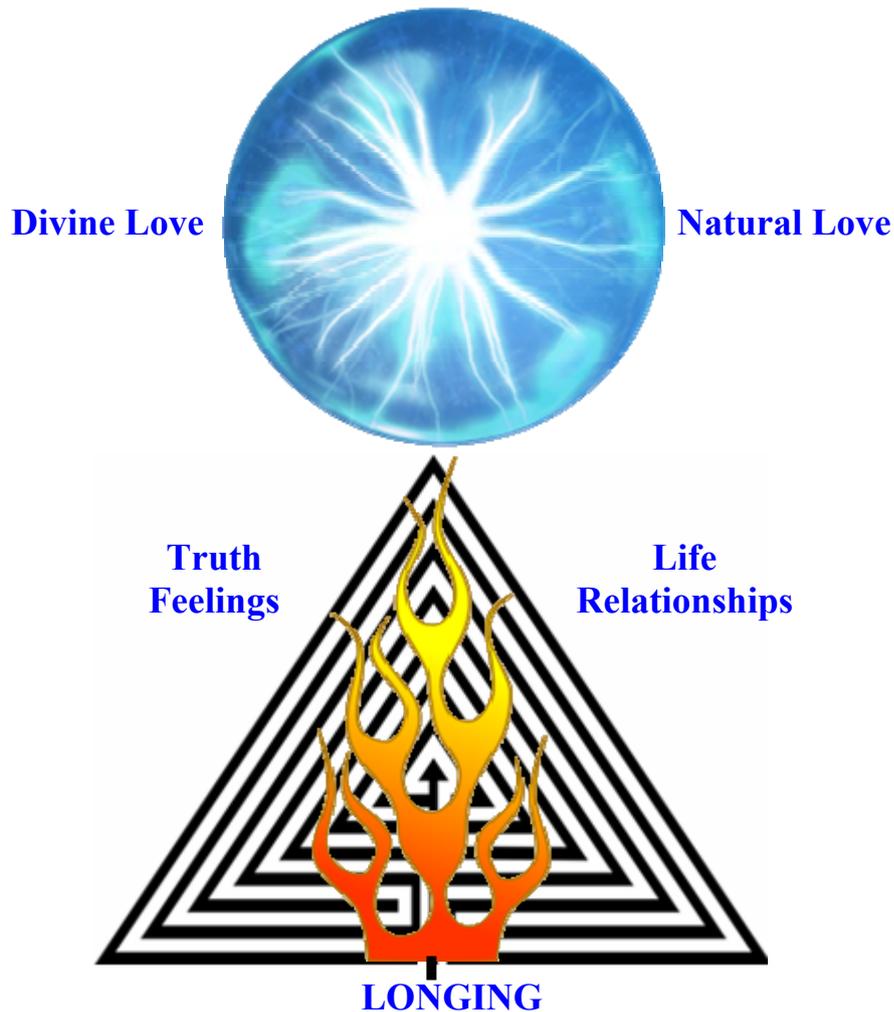

Want to understand the truth of your early life

Use your surface feelings to move deeper into yourself, bringing up your repressed feelings

Want and long to know the whole truth of yourself

Want to do it all with God, your Heavenly Mother and Father – long to Them for help.

The Key

Our longing drives our life. We long with feelings. We can wish for things using our mind, yet long for things with our heart. These things in the pyramid are what to long for. Longing for them, when the longing comes naturally. Longing because you feel you really want them. Long to be true with all your heart. Long to live true to your feelings. Long to understand the whole truth of yourself.

ENOUGH IS ENOUGH

Andon and Fonta, our first parents to long for our Heavenly Parents, lived nearly 1,000,000 years ago. Naïve humanity was seduced by high spirits, the Lucifer pair, to believe they could be gods through their minds, thus men subjected women to subordination 200,000 years ago. This was added to by the default of the Adamic pair more than 38,000 years ago when they failed in their mission.

REBELLION & DEFAULT **200,000** YEARS

When Jesus with Mary achieved their full Regency of Nebadon, in 26 CE, they immediately had the Lucifer and Satan soulmate pairs assigned to a spirit world prison. Since then, the Creator Pair have been preparing for the end of the Rebellion and Default for humanity of Earth. The Avonal Pair now on Earth, once commencing their Healing, brought about the imprisonment of the Caligastia and Daligastia pairs in the early 1990s. As the Avonal Pair advanced with their Healing they brought about the formal end of the Rebellion and Default, on 31 January 2018. It is now for all of humanity to embrace the Spirits of Truth of the Avonal Pair and undertake their healing of the imposts of the Rebellion and Default.

Avonal **AGE 1,000** YEARS

Spirits of Truth of the Avonal Pair will guide us through our Feeling Healing and into the Celestial Heavens with Divine Love, then the Spirits of Truth of the Creator Pair will lead us through the Celestial Heavens and out through Nebadon towards our Heavenly Mother and Father in Paradise.

Each generation of 25 years or so will see marginal embracement of Feeling Healing, however 1,000 years will achieve universality.

A few will complete their healing during their lifetime but for many it will be incremental.

Universality of Feeling Healing with Divine Love will see the mitigation of discomfort, pain and illness as well as the imposts of global warming and Earth changes. As those events are to ensure that each of us embrace our feelings, both good and bad, down to the very core, so that we fully come to know who we truly are. Sciences will endeavour to remove pain only to see disease manifest in different forms. Earth disturbances are a result of the Harmonic Convergence of the late 1980s, increasing the rotation of the Earth's central core, this will only abate when humanity has universally embraced Feeling Healing. These influences are only imposed upon us so that we do not step back into the Rebellion and Default through complacency. Live Feelings First. We are to become the true personalities we are, that being daughters and sons of our Heavenly Mother and Father.

REVELATIONS

Revelation 1: Our soul becomes encrusted with harmful ways of life, plus negative and erroneous beliefs, these mainly stem from our childhood upbringing and environment. Thus we live untrue to ourselves, we become 'evil'. Whilst we hold to these injuries we limit the amount of Love that we can receive into our soul. To open our soul to the Love we must firstly and progressively embrace our emotional injuries and allow them to be released. Until we emotionally experience past errors and injuries we hold onto them.

To free our soul of damage and toxic emotions we must open ourselves to experiencing them. This is a progressive, slow and uncomfortable cleansing process that we must all experience. Only by addressing the generational injuries will we, as humanity, evolve in love.

To fully divest one's self of our badness, we have to 'go into' our feelings. Call this process of clearing toxic emotions as 'Letting Go', 'Emotional Processing', 'Journey Process' or 'Feeling Healing'. Embracing Divine Love then Feeling Healing becomes Soul Healing.

As part of our Feeling-Healing we will have to work our way into all our feelings to see if indeed they are coming truly from our heart and soul, or if they are being heavily influenced by our mind. And this will then lead us into questioning and uncovering the truth, if there is any, to our beliefs and why we behave the way we do; and is such behaviour based on truth, or is it based once again on untruth, belief, and rules of our mind.

Revelation 2: We can long for, ask for and receive the Mother and Father's Divine Love. The greater our soul is free of error and injury, the more of the Divine Love can be received and assimilated into our natural love formed soul. The Love does not free us of injury, however, it strengthens our resolve to continue on our journey to be free of error and injury, to step away from evil aspects that have been encapsulated within our humanness and soul. It is this Love, the Divine Love, that brings about immortality of our soul and it is this Love that will eventually fit us to enter the Celestial Heavens and progress for ever more onwards to Paradise. These two revelations free us from error and enable us to grow in love ever more.

Immortality with the Love.

DIVINE LOVE – what does it do?

Divine Love, which is a substance, progressively:

Transforms one's soul from that which is of natural love to that which is Divine

As natural love is enhanced with the Parent's Love, we reject our tendency to error

Divine Love, our Parent's Love, restrains errors, untruths and emotional stress

As we reject the condition to error, we develop our love for our brothers and sisters

Divine Love helps one with the discovery of truth through one's soul-feeling healing

Our natural intelligence grows, perceptions rise with our soul intelligent feelings

As Law of Compensation is resolved, the Love reduces returning to being in error

Receipt of Divine Love, the Parent's Love, grows our faith, we become God reliant

As our faith grows our propensity to undertake one's Feeling Healing strengthens

With the Love, our Feeling Healing becomes Soul Healing, this we are to undertake

Without the Love we remain self reliant and dependent upon our own will power

Only with the Love will our soul condition grow rapidly, all around us also benefit

The Love is the only substance that changes the human soul to that which is Divine

Only by asking and receiving Love do we become fitted to enter Celestial Heavens

Only by asking for and receiving the Divine Love does our soul become immortal.

EXPERIENCING RECEIVING DIVINE LOVE:

Be still and quiet; reflect in silence. Love is present. Keep asking, longing, and never cease: this is your part. It is your cooperation actively engaged that brings the transformation and continues the process.

You cannot see it; sometimes you will experience it as simple quietness and calmness. This is as pure and real as any other experience, whether demonstrative joy through laughter and dance, or other expressions.

Divine Love is present; it is always present. It does not fade or disappear. Rest, relax and breathe. Pray and wait.

Maintain daily prayer and meditation. When you do this you are building a home for the dwelling of the Divine Love. Your continual invitations establish an attitude of welcome to the Divine Love. These build a bridge for the Divine Love to carry you to new and higher levels of change and transformation: places of new realms for your soul growth and development.

The Voice of Divine Love

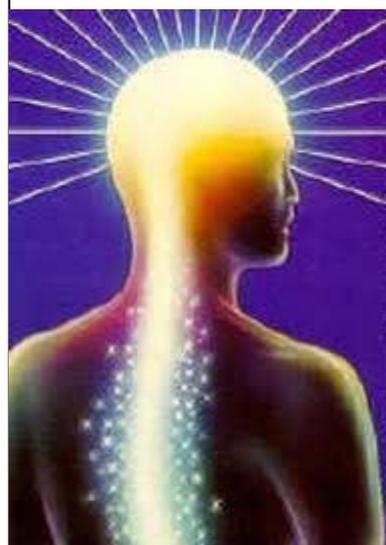

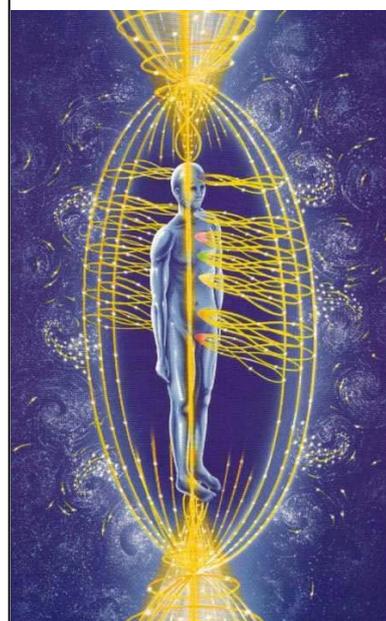

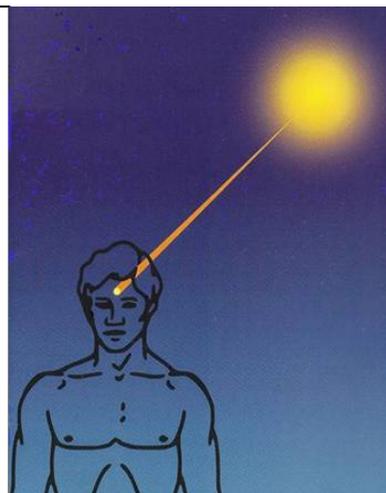

~~~~~

As the receiving of the Love is always assured when longed for and asked for, the experience of receiving may become apparent by the occurrence of a warming embrace in the region of the third eye chakra, or with some, around the heart chakra region. This may be very subtle and gentle for some and may be for a few moments or extend for some time. Many do not physically feel the Love embracing them and this is totally fine, nevertheless the Love is being received.

On a few occasions, one may feel the love through the third eye region and then feel it expand as if it were to become a warming buzzing 'hat band' progressively expanding around one's head. This can intensify and feel as though one's cranium is about to pop off! Should this continue to intensify, then the sensation may flow down one's main meridian to the base of one's spine. Now that is something else! Relax and enjoy the great gift for this can be an experience that may continue for a short while or for quite some time.

Always, when one longs for the Love, it will shower over one's body and be absorbed in through the spirit body chakras into one's soul. Occasionally the Love will overflow from one's soul and some will reside within one's spirit body. At no time will you be discomforted. This light golden blue energy substance is the ultimate high octane super fuel gifted to us by our Heavenly Parents to us all.

**DIVINE LOVE ENERGY BRINGS ABOUT HARMONY and PEACE:**

The Divine Love energy substance progressively removes man-made energies that accompany errors in belief, injurious emotions and harm from past errors.

The Love of the Father is never withheld from us, should we so ask for it.

Barbara A. Brennan depicts here the anger energies leaving the spirit body of a lady.

When one begins to ask for and receive the Divine Love energy substance, the inflowing of the light golden blue energy expels man-made emotional injuries. It is in this way we achieve forgiveness for past mistakes. It is in this way that we progressively peel away harmful natures of our personality.

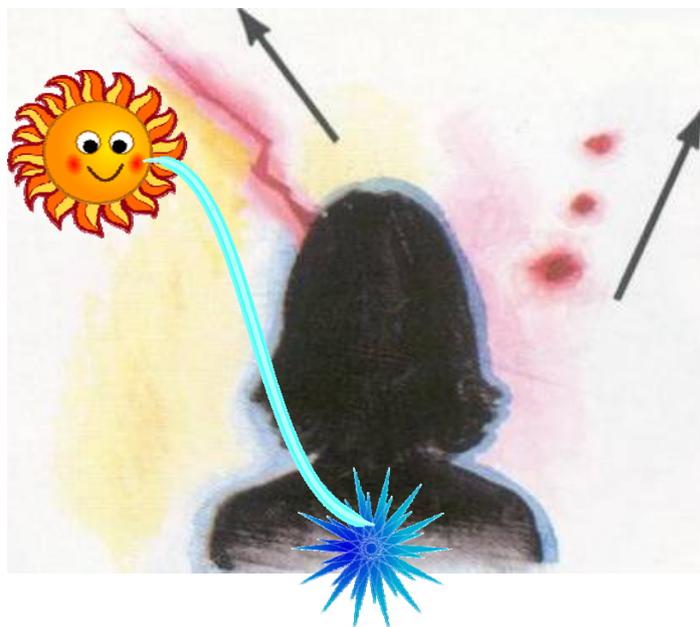

We can struggle for decades with self discipline to step away from harmful attitudes that we generally accumulate during our early childhood, or we can embrace the great gift from the Source Soul, namely the energy substance of His Love and achieve same within months.

As we progressively receive more and more of our Mother and Father's Love, which never leaves us throughout all of eternity, we find that we lose emotional errors for ever, never to revisit them again.

It is by the progressive receipt of the ultimate high octane energy substance, the Divine Love, that we evolve.

As we evolve, we bring about harmony within our soul, this is reflected through our spirit body in which our soul is connected to via cords of light. As the energy flows rejuvenate with the removal of the energy blockages resulting from the injuries of error, we bring about health to our physical body and a vibrancy to life akin to living in heaven whilst on Earth. We live in an ocean of Divine Love.

The real you is your soul.

**The BEAUTIFUL MIRACLE:**

5 Oct 2012

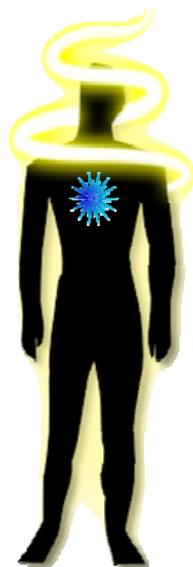

The Divine Universe

The way in which the Spirit conveys the Divine Love into the soul is a beautiful miracle. The attribute of mortal soul prior to incarnation has to it, a potential within it that is part of its formed nature. After the soul incarnates this potential remains part of the soul and even if the forming personality is unaware of such a soul potential, the potential still exists. The Divine Love is entirely suitable in its energy of harmony to be the energy that a mortal soul can utilise. The Spirit covers the spirit body when the individual sincerely asks the Soul of God for the Divine Love and this covering of the spirit body is where the dynamic of this beautiful miracle takes place. From the internal longing of the individual for the Divine Love this activates the Spirit Law that activates the Spirit that is then attracted to the spirit body upon which the Spirit material of the spirit body draws the Divine Love into its soul and this union complete. The key here is to gain a perceptive insight into realising that the spirit body is not an inert body but that it is living and has activity, recognisable from its first forming from the Spirit Law that materialises a spirit body. The Spirit and the spirit body to give an analogy are like two attracting magnets and when the surface of the spirit body is touched by the Spirit, this causes the automatic response of the Divine Love to permeate into the attribute of soul and so begins the transformation of energy from the natural into the Immortal Divine Harmony. If the individual continues the receipt of Divine Love the energy that is Divine Love actively begins to change the soul and this is felt in the spirit body systems and can produce feelings of love and elation. The spirit-mind begins to change as all spirit body systems are affected by the changed condition now experienced in the soul as the soul becomes living and vital. In one's progression of this Divine transformation, the soul will mature enough from the amount of Divine energy it receives and at that moment the surface of the spirit body and the Spirit are continuously attracted to each other and one is living in the presence of our Mother and Father in perfect harmony and this clarifies the truth about what it means to be truly at-one with God.

**The SHINING TOWARD TRUTH:**

Message 665, 14 Nov 2014 – 14 Mar 2015 Zara Borthwick & Nicholas Arnold, Shining Toward Spirit

It is I Matthew, a teacher of the Divine Love. I have communicated with you recently, now I desire to provide you with a visual description of the Love.

Imagine a continuous Energy shining light blue that is unbroken with a seamless surface that surround every mortal and Immortal spirit. Imagine if you were to become aware that this energetic field of light-blue Energy existed in its shining radiance just near where you are. Now that you are aware that this unbroken Divine Love is unified energetic field of living Love, by opening toward the Soul of God and aspiring for the Divine Love, the Acting Spirit gently brings a small portion of this shining blue Energy into your soul

The Divine Love that you have received remains part of this great Energy that the Divine Love is and even though this small portion of Divine Love, now within your soul, in its shining radiance and energetic cause, it is never separated from the continuous energetic field of Energy that the Divine Love is. Having partaken of this Energy it is with perception that one is aware that the Divine Love within one's soul is the same Divine Love that every person and spirit who has partaken of this Love, participates with. Even though in our individuality we partake of this Divine Energy, this Love is never broken away from the Source and Origin from which this Divine Love emanates.

The Divine Love is bestowed into our finite soul by the Acting Spirit, but this Spirit remains in contact with our spirit body and does not enter the finite soul to become part of our finite soul essence that we are. No mortal or Immortal spirit can manifest in their soul the Acting Spirit so that this Spirit – this Holy Spirit – becomes part of our existing finite spirit body. Only the Divine Love and its Energy becomes part of our finite soul, which causes the change to our spirit body. The Acting Spirit always remains its own attribute and never does a Celestial spirit claim ownership or take possession of the Acting Spirit within their soul. (The Holy Spirit / Acting Spirit is an instrument of the Source Soul, our Father.)

This is one of the wonderful Truths by which we who have been transformed by the Divine Love understand our personal relationship with our Mother and Father's ever-present Acting Spirit. The shining Energy of Divine Love is all around us and when we have partaken of this Love, part of our finite nature becomes independently shining in this true perfect Love.

I provide these words that may appeal to those who are visual and to express the universal appearance of the Divine Love and the personal touch when in contact with the Acting Spirit.

Matthew (Apostle)

**Note:** Following the writings of James Moncrief, one could consider that any reference to the Father, by other relevant writers, may be read as a reference to 'our Mother and Father'. Further, when considering soul healing, then reference to Divine Love could be referred to as 'Feeling Healing with Divine Love'.

GEMS for ALL PEOPLE of all AGES to EMBRACE:

The GOLDEN AGE!

**Cause No Harm** < to OTHERS  
to MYSELF

**Strive to love others as I am to love myself**

At any time, any where, and in any way you so please:

Approach our Heavenly Parents, in reverence, without fear or trepidation, just as we, as a child, approach our earthly parents knowing that open loving arms are extended to receive us at all times. As one’s love grows for our Mother and Father in the Heavens, we come to know with absolute clarity and certainty that our Heavenly Parents, loves you and me and everyone in return, at all times, and that fear is an illusion created by man’s mind.

God, who is our Heavenly Mother and Father, is almighty, all powerful, infinite, and all loving. The love of the Heavenly Parents for Their children, man, has been and is always infinite and ever present. As one’s faith evolves, one’s love for our Heavenly Parents will have no limit. As we grow in Their love, so will we grow in love for all of God’s creations and our fellow man.

The Source Soul, our Heavenly Parents, simply desires for us to ask for Their Love.

God's Divine Love: Pray for it, ask for it, and receive it.

“I love you Father.” “Let the Divine Love flow its energy into my soul.”

“Mother, Father, I desire your Love and I am loving you.”

“Soul God, I love you and I love receiving and experiencing your Divine Love.”

“True Soul God, I am here, I am aware of your Love. Please hear my aspiration for your Love and as I approach you from my soul, I can feel your Love in the way that you are loving my soul.”

“Please Father and Mother, may I receive Your LOVE.”

Maybe we could simply long for and ask:

*Please, Mother and Father, I want some more of your Love!*

**FEELING HEALING and SOUL HEALING with the DIVINE LOVE:****James Moncrief Publications:****all publications are free downloads:**<http://divinelovesp.weebly.com/my-free-books-and-free-padgett-messages.html>

It is suggested for one to consider reading as follows:

**Speaking with Mary Magdalene and Jesus – books 1 – 4**

These four books encapsulate the second of the revelations with the first having been introduced by James Padgett one hundred years previously. These four books provide a wide range of guidance that has never previously been made available.

**Paul – City of Light**

As a gentle intro into the Divine Love and Healing; being James Moncrief's first novel and it's been criticised as being too heavily clichéd, but that's the point because it's a reflection of how he was back then.

**Ann and Terry**

For an example of people who might want to immediately start working on themselves and doing their Healing.

**Feeling Bad? Bad feelings are GOOD**

For more understanding about our denial of our feelings and why we should not deny our feelings, and it includes how it all came about for James, using himself as an example.

**Feeling bad will make you feel BETTER – Eventually!**

This includes specific examples of Marion and James working on expressing particular bad feelings, again with the hope that it will help others gain something of an idea as to what's involved in doing your Feeling Healing.

**Sage – and the Healing Angels of Light**

Through Sage who's 13 years old, the story is primarily about the two aspects of healing; that being, with the help of our angels, and the full Healing we can do by looking to our feelings for their truth.

**Religion of Feelings  
Feeling Healing****Welcome to LOVE – the Religion of Feelings  
you can heal yourself through your feelings**

So these books, including the four Speaking with Mary Magdalene and Jesus books, provide the essence of it all and are examples of James' work. Then it's up to whatever takes one's fancy. Other reading to consider may include:

**The Padgett Messages being published as:****The True Gospel Revealed Anew by Jesus volumes 1 – 4****Book of Truths by Joseph Babinsky****The Urantia Book****Release one's pain through expressing one's feelings.****in conjunction with****Longing for the Truth when also longing for Divine Love.**

**FEELING HEALING with DIVINE LOVE is SOUL HEALING:**

*A collection of 'papers' that draw together specific topics including all of the above and more from other sources of information and revelation designed to help increase one's awareness about why we have the problems we do and how to heal them, all whilst living a more healthy and sustainable life. They provide a brief snapshot of the more complicated topics and issues.*

**Firstly, consider discovering the truth of your emotional pain through Feeling Healing. Secondly, consider longing for our Heavenly Parents' Love as you progress with your healing. Primary and most important readings are the writings of James Moncrief. Then consider the Padgett Messages, and then The Urantia Book.**

**On the WINGS of a BUTTERFLY:** No 12, Traveller, an immortal journey, via Zara and Nicholas

Once upon a time there was a butterfly sitting with closed wings in a person's heart. This butterfly had been sitting with wings closed for a long time. The person couldn't figure out why they always felt a little sad. One day, this person asked another person why they feel sad. The response happened quickly and the person didn't like the response. It was said that perhaps your soul is sad. Several days passed and soon that person found themselves sitting by the sea. The sea has great longing to it. As the sun shone on a late spring day, the person thought about their soul and that perhaps, the person's remark was true, and that this person was a messenger of some sort. Suddenly a breeze swept through the beach and the person heard a distinct voice speak directly to him! The voice said, "Let your soul breathe in Divine Love." That was all the voice said.

The person didn't know what the Divine Love was or where it was, but now the sadness had greater longing so the person decided to breathe in the Divine Love and just like that – the closed wings of the butterfly opened and the person's sadness started to dissolve. Happiness will be mine the person thought upon feeling the Love and this will take time for me to learn how to live such happiness.

Never again, in the heart of that person, did the butterfly close its wings.
