PASCAS INTRODUCTION:

Documents assembled by Pascas are provided for your individual assessment and exploration. The contents are sourced from a variety of avenues and publications. Every endeavour is made to determine that the contents are of the highest level of truth and veracity. At all times we ask that you go within yourself, to ascertain for yourself, how the contents resonate with you.

Pascas provides these notes and observations to assist us all in the development and growth of our own pathways and consciousness. Pascas does not hold these contents as dogma. Pascas is about looking within oneself. Much of what we are observing is new to us readers and thus, we consider that you will take on board that which resonates with you, investigate further those items of interest, and discard that which does not feel appropriate to you.

Kinesiological muscle testing, as developed by Dr David R Hawkins and quantified by his Map of Consciousness (MOC) table, has been used to ascertain the possible level of truth of documents. Such tested calibration levels appear within the document. We ask that you consider testing same for yourself. The technique and process is outlined within Pascas documents, such as Pascas Health – Energy Level of Food. From each person’s perspective, results may vary somewhat. The calibration is offered as a guide only and just another tool to assist in considering the possibilities. As a contrast, consider using this technique to test the level of truth of your local daily newspaper.

Contents are not to be interpreted as an independent guide to self-healing. The information sourced herein is not from a doctor or doctors, and any information provided in this document should not be in lieu of consultation with your physician, doctor, or other health care professional. Pascas, nor anyone associated with this document, does not assume any responsibility whatsoever for the results of any application or use of any process, technique, compound or potion as described within this document.

The sources of contents are noted throughout the document. In doing so, we acknowledge the importance of these sources and encourage our readers to consider further these sources. Should we have infringed upon a copyright pertaining to content, graphics and or pictures, we apologise. In such cases, we will endeavour to make the appropriate notations within the documents that we have assembled as a service via our not for profit arm, to our interested community.

We offer all contents in love and with the fullness of grace, which is intended to flow to readers who join us upon this fascinating journey throughout this incredible changing era we are all experiencing.

LOWEST COST HEALTH CARE EVER!

Applied Kinesiology muscle testing opens up access to one's soul, as does Iridology. Dr David R Hawkins' 'Map of Consciousness' is a direct monitor of one's soul condition.

Thus, a health carer, or in fact, most people can measure the 'soul condition' of anyone, any time, any where. If your one soul condition is in a state of truth (calibrating over 200) and your intent is a loving intent, you may determine the calibration of another person. Muscle testing does not function at all accurately if your purpose is unloving and you are in a poor condition. Further, consider the testing as a guide only.

NATURAL LOVE or HUMANITY'S ERRONEOUS EMOTIONS:

Your soul, being your real you, is an emotional being. Your soul, though a thought of God, does not possess anything of the divine within it. It existed in a state of bliss, in a natural love state, pending individualisation which is achieved at conception which is the time of incarnation. Your soul is endowed with natural love emotions noted within the top section of the Map of Consciousness scale, being those emotions calibrating above 200.

MAP OF CONSCIOUSNESS					
God-view	Life-view	Level	Log	Emotion	Process

Humanity's erroneous emotions are those calibrating below 200 on the Map of Consciousness. The environment around a newly conceived child progressively degrades the condition of that child's soul. When the child reaches about the age of 7, the child's soul condition will reflect the parent's condition. These negative emotions are like a crust around the pure soul it has within.

MAP OF CONSCIOUSNESS

Note:

The Map of Consciousness (MoC) table is based on the common log of 10. It is not a numeric table.

A calibration increase of 1 point is in fact a 10 fold increase in energy.

A calibration increase of 10 points is in fact a 10,000,000,000 fold increase in energy.

Thus the energy differentials are in fact enormous!

At the level of 200 on the scale of 1 to 1,000 you achieve a positive level, below is negative.

Example: Any food calibrating below 200 is not life enhancing.

We all generally consider that everyone around us is generally the same and that we all tend to have similar views. That is far from the fact. From the note above, somebody that calibrates even just 10 points higher than another person will have a dramatically higher level of consciousness and soul condition. As we grow in love, particularly should we be asking for and receiving Divine Love, then our natural intelligence will be significantly greater.

The energy that we draw to ourselves as we grow in love increases our luminosity. Yes, we become brighter and brighter.

As our soul condition grows in love, the energy that it conveys to our spirit body grows. The template for our physical body is within our spirit body. Our physical body is only a temporary vehicle by which we experience this physical world subsequent to our individualisation.

Our individualisation occurs at the point of conception. The melding of the forces of our earthly parents, the mingling of the sperm with the egg, is the point of time of our incarnation. Should the embryo be considered viable then our soul becomes individualised and joins with the embryo and jointly the spirit body is formed. The template is created which grows into the physical image that we individually have and is also the image that we continue with when we continue on our journey within the spirit world. Our ongoing spirit body looks just like we do in the physical body, however the template for both is within the spirit body.

Emotional errors that we absorb into our soul, injuries and untruths, are reflected upon our spirit body. These injuries and emotional stresses that are firstly absorbed into our soul, starting from the moment of conception and onwards during the gestation period and then into our physical life, are reflected within our spirit body. The spirit body being the template for our physical body, conveys these same emotional errors into our physical body, sometimes many decades in the conveyance. These emotional errors are the precursors to our illness episodes and also to the general quality of our life.

The more love that we hold, the better will be our physical health.

We have all experienced fruitless efforts to kick a bad habit or a negative attitude. Every time we resolve to avoid that, we repeat the same actions time and time again. It is only by asking for and receiving Divine Love that we can grow in love sufficiently for those issues to drop away and be part of history for ever.

As we grow in love we grow in brilliance.

WE are to LIVE BY and EXPRESS OUR TRULY LOVING SOUL BASED FEELINGS:

We arrive into the physical world (at conception) with a pure and free personality and a soul based will that are to be truly and fully expressed. Unwittingly, our carers, namely our mother and father and those close by, set about remodelling our individuality. That is, they shut our personality and self expression down. The result of this is traumatic. This is reflected through our physical body. This childhood suppression is what brings about all of our pains, illnesses, and mental disturbances. Only by feeling into our emotional pain and injuries, either good or bad, and longing for the truth of them, and expressing them (talking) through these experiences to a companion, can we release these dreadful encrustments suffocating our true selves and liberate our personality, being our soul. We are to follow our passions and heart felt desires and to live true to ourselves, this is how our Heavenly Parents know us as and this is what we need to return to so that we can find our way home to Them.

Health & Parenting

As difficult as it may seem to comprehend, even at the time of one's conception / individualisation, we are highly intelligent and our newly forming mind is making rudimentary decisions. Immediately upon conception we (being our soul) begin to absorb the emotions and projections of those around us, within our environment, mainly from our parents and in particular from our mother, who at that time may not even be aware of our presence.

All we need to know is already within one's soul prior to conception.

We access our soul's knowings through our feelings. That is, should we express our feelings at all times then we will be drawn to truth and love at all times.

Nothing about our soul's truth is focused upon controlling or dominating anyone else. Control is the domain of the mind. The mind is within one's spirit body, and it is this mind control that we are enslaved to. For more than 200,000 years man has been enslaved to his / her mind, this was brought about by the Lucifer Rebellion at that time. For generation after generation, we have repeated the endeavours to turn our children into little 'me's'. We suppress their free expression and free will and endeavour to clone them into trophy children, our trophy, reflecting who we are, not allowing their free expression of their feelings, their true selves. For a child to comply to our orders and demands they train their minds to 'obey' and succumb to our blackmail, 'be a good girl / boy and I / we will love you!'

This is a disaster of global proportions that was instigated by Master and Mistress Lucifer 200,000 years ago and it is only now that we can do the U turn and liberate our soul's feelings and become freely expressive, and bring about the harmony that humanity strives for and knows is possible.

Each suppressed feeling and each inflicted emotional injury brings about physical pain and ill health. It is only when we allow our feelings to freely flow that the energy flows through are spirit body and then physical body are of a healthy and feeling nature. We, as parents, bring about the long term health or ill health of our children. Sometimes the collective injuries that we as parents holding suppressed result in becoming evident as deformities within our children. Yes, we as parents cause the deformities within our child. Unknowingly and unintentionally we harm our children with our own emotional injuries to such an extent that our newly forming foetus is enormously injured resulting in the numerous illnesses and deformities that babies are born with, from time to time.

The baby is born and then we set about turning it into the 'model' that we want, not allowing it to freely express its true self.

This is the crime that we as parents have not been aware of for 200,000 years. It is global and it will take centuries before we all become aware that we have to feel into our emotions, allow our soul based feelings to tell us the truth of our errors and express our feelings to our partner or anyone that will listen and put these errors aside for ever. Then we will learn how to truly love our children and not burden them with the injuries that are past down generationally.

Our children mirror us, as parents. It is not that ‘bad genes’ are passed down; it is that we change the nature of our genes as of a result of emotional abuse and suppression which is endlessly hurled at us when as a child.

It is not until we reach puberty that we are of such an emotional maturity that we can start to independently feel into our soul based emotions, by-passing our mind’s controlling nature, and express and release the injuries imposed upon us since conception and typically through to the age of around six or seven.

Only by releasing our childhood repressed emotional injuries can we return harmony and physical health to our bodies.

Though our parents typically announce that they love us, as a child, they themselves are so heavily injured that they do not know how to love, nor what love is.

	Supportive Parent is accepting and child-centered	Unsupportive Parent is rejecting and parent-centered
Demanding Parent expects much of child	Authoritative Parenting Relationship is reciprocal, responsive; high in bidirectional communication	Authoritarian Parenting Relationship is controlling, power-assertive; high in unidirectional communication
Undemanding Parent expects little of child	Permissive Parenting Relationship is indulgent; low in control attempts	Rejecting-Neglecting Parenting Relationship is rejecting or neglecting; uninvolved

WE ENDURE FOUR LAYERS of PERSONALITY SUPPRESSION!

Unknowingly, our parents pass onto their children (us) their beliefs and way of living that has evolved since the Rebellion, some 200,000 years ago, and then the Default, some 38,000 years ago. In this way, humanity is suppressing the female, rejecting our Spiritual Parents, namely Jesus and Mary, and denying our Heavenly Parents being our true Mother and Father, of Their truth, standing and existence.

The Rebellion is against love, the Default is all the difficulties we have in our relationships because of our rebellion. Healing the Default is becoming true, to ourselves and in our relationships, and ending our unlovingness – our rejection of love, so ending the Rebellion. Nanna Beth 29 June 2017

We are souls, our personality is an expression of our soul. It is our free expression of our soul through our feelings that we are to embrace and follow. This expression may appear to be wilful in nature, from time to time, and consequently our parents' attempt to suppress this expression. They proceed to remodel us when as young children, in the manner their parents treated them and so on for many generations going back.

During our forming years, as a child, we are unable to recognise the suppression of our personality as being extra-ordinarily harmful to our soul based personality and, accordingly, we don't know that things can be any other way. Presently, neither do our parents.

This childhood suppression way of living continues throughout our schooling years, thus we learn this is a way of life that is normal.

Our religions all have been formed based on the tenets of the Rebellion and Default. The teachers and leaders throughout all denominations take us further away from our suppressed feelings that have been hammered into us during our forming years, thus entrenching us further into rejecting our true selves.

The controlling and suppression mechanisms of our parents, educators and spiritual teachers all manifest throughout all of commerce. This control comes heavily and brutally down upon all levels of employment. The capability to express one's soul based attributes and gifts is sealed throughout all of one's working life.

A new way of living is to enable the liberation of one's true personality through the Feeling Healing process AND the transfer of authority to the individual via embracing freedom of expression.

DEVOLUTION

Our childhood suppression of our true and loving soul based feelings is creating global pain and personal isolation amongst all of humanity. We are very sick!

In our struggle to find solace and purpose, we further withdraw into ourselves, becoming ever more self dependent, believing our control addicted mind that it can solve everything. We just drown further.

We embrace an ever expanding and diverse range of pathways to escape from our personal pain, fear and desperation. Alcohol has now been complimented with narcotics, hallucinogens, including caffeine (coffee). Gambling has been complemented with computer games which are generally entraining the mind further into error and pain. Technology is making us sicker!

We bury ourselves in front of the television to further avoid contact with anyone, especially family.

Children endeavour to exert their independent authority from domineering controlling parents (which we all are eventually) by disfiguring their bodies with tattoos and piercings, etc.

We shut out the noise with headphones, thus preventing contact with others. We use electronic devices to 'text' others even at intimate engagements.

Technology will take us further into the depths of our madness. You now can buy headsets that prevent any contact with the outside world while playing mind suppressing and entraining entertainment – games!

No one loves their children, they are ignored, and the controls hammered into them turn them into clones of ourselves. Look at ourselves and we can all see that we have been all messed up by our own parents, as they have for generations over the past 200,000 years.

No more of this! We can escape this man made hell!

What Do Kids Feel Sad About?

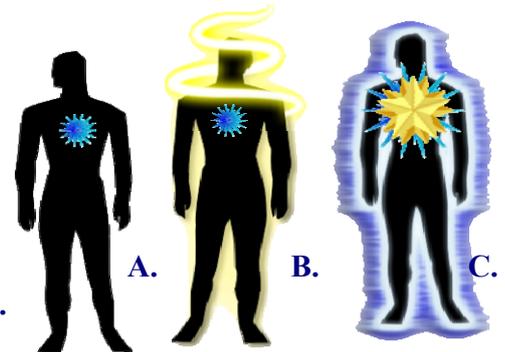

Being Unloved and Rejected!

EVOLUTION

STEP 1: Longing for and receiving Divine Love:

- A. Soul within spirit body prior to receiving Divine Love.
- B. Divine Love being received from the Holy Spirit, covering the spirit body of requesting personality.
- C. Divine Love having been assimilated within one's soul, now being reflected through the radiance of the spirit body.

STEP 2: FEELING HEALING + SOUL HEALING

It is the Divine Love that strengthens one's resolve to persevere in feeling into one's suppressed emotional injuries, that occurred from conception through to around the age of six, and longing to know the good and the bad of those feelings, together with talking about them to a friend, partner, one's self and our Heavenly Parents. It is only with the receipt of the Mother and Father's Divine Love and the expressing of suppressed emotional injuries that one can release the emotional injuries and errors to achieve Celestial soul condition and enter the Celestial Heavens.

Further, should one complete their Feeling Healing on Earth, then they will be able to recognise their soul partner, their other soul half, and should their soulmate have also embraced Feeling Healing with Divine Love, then their children will be born free from error, free from fear, and free from any deformity and illness. This is the destiny of humanity.

Further, being in this condition of free from error and being in constant communication with our Heavenly Parents, then one can also recognise and form their Soul Group. This will ultimately consist of twelve soulmate pairs, a total of twenty four personalities / individuals.

It is the bringing up of children by the support of soul groups that is to be the ultimate way forward. The group experience and wisdom, as a functioning family, will ultimately be of profound benefit for the blossoming child.

But what we cannot do is contrive the groups ourselves, or even pick who our soulmate is. This will only, and can only happen, as an outworking of the truth we are to live – as we progress in the healing of our soul.

And this is how all of life should be lived: according to the truth we are living. It is how we live, as there is no other way, but currently we live it in the negative, of that being directed by no truth, and so having to make it all up ourselves.

LUMINOSITY of the SOUL can be LIKENED to the FOLLOWING:

1st sphere, lower regions – Natural Love MoC 50+/-
The soul condition of a soul that is obliged to spend some time within the ‘hells’ may be no bigger than a dried garden pea. There is no luminosity and the environment is total darkness.

The typical soul condition of humanity is such that they generate the luminosity of a single candle.

1st sphere, mid regions – Natural Love MoC 210

A soul that has grown in love and soul condition equivalent to the 8th sphere – the point of becoming at one with God, the luminosity of such a soul is equivalent to the midday sun.

8th sphere – only possible with Divine Love! MoC 1,000+

Dr David R Hawkins calibrated the level of consciousness (soul condition) of the populations of a large number of countries. We have added the WHO’s report on life expectancy being reported for those same countries:

Countries calibrating over 400 on the MoC 10 average calibration 406 life expectancy 78

Countries calibrating under 100 on the MoC 11 average calibration 66 life expectancy 52

Worldwide, the soul condition of humanity is calibrating around 207 on the Map of Consciousness. That is not the average. As the scale of the MoC is based on the common log of 10, those few people calibrating high bring up the overall calibration significantly. 78% of humanity calibrate below 200 on the MoC.

The lowest cost health care ever is the simple desire of asking for and receiving love, Divine Love. With the gradual absorption of such love, one’s soul condition steadily improves, thus enhancing all facets of one’s life, and also of those around him or her.

CONSCIOUSNESS vs LIFE EXPECTANCY:

“What nations of the Earth today vibrate to those things that they have and are creating in their own land, their own environment? Look to the nations where the span of life has been extended from sixty to eighty years.

“What is the spirit of a free nation? Most individuals proudly boast “freedom”. Freedom of what?

Those nations who have taken those vows that man shall be free should also take those vows “He shall know the truth and the truth then shall make him free”.

Only the constant asking for and receiving Divine Love by the members of the general public can eliminate the ‘social issues’ that the public endlessly debate and distract themselves with continuously.

The gift of Divine Love was made known to us 2,000 years ago, however by 325 CE, the knowledge of this gift had been lost to humanity. It now has been re-introduced.

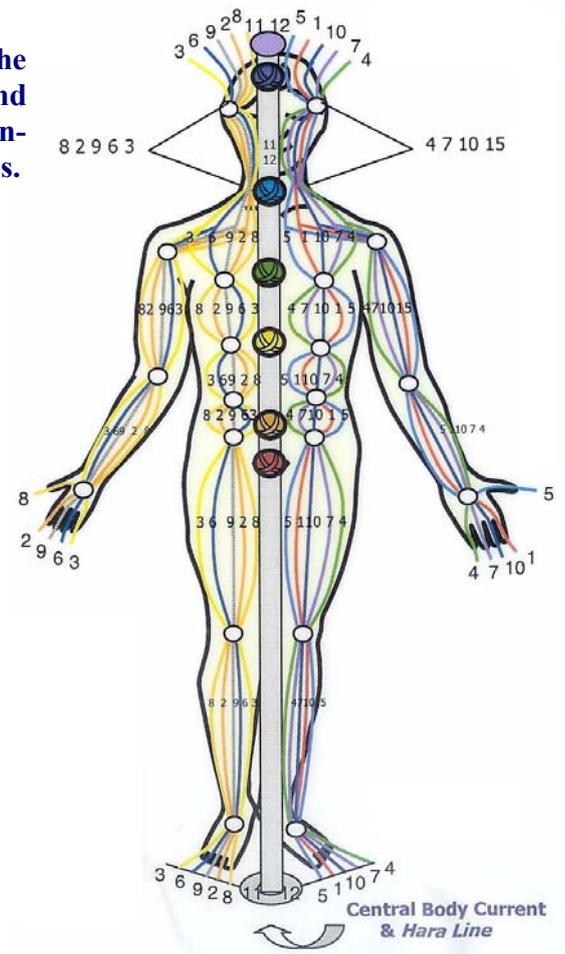

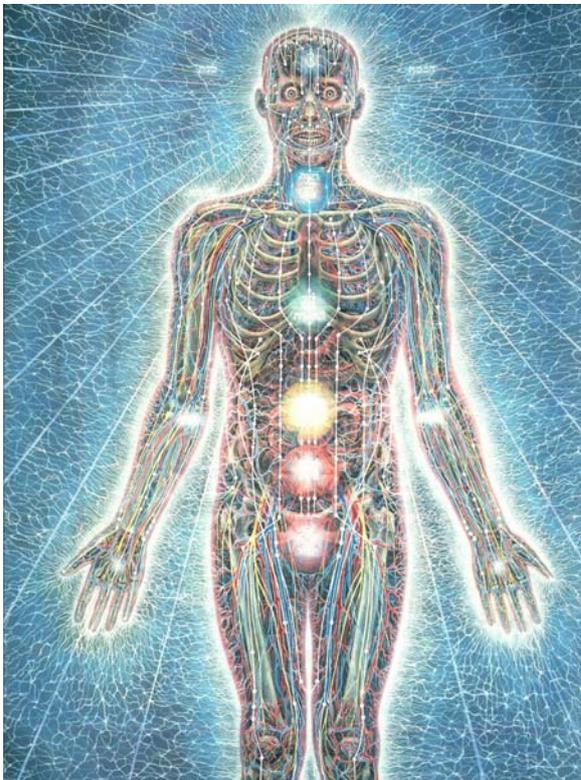

Meridians - the Pathways of Energy Flow

The pathways of chi flow are called meridians. Where are the meridians? When a surgeon operates on a person, he does not find any meridians. The surgeon does not see air either, but it is still there. Compare a meridian with a stream. A stream, unlike a pipe, has no defined boundary. It is simply where water flows, and it may constantly change its shape, although the change is so small that it generally maintains a definite line of flow. In the same way, a meridian has no fixed boundary.

It exists where the chi flow is, though it maintains its general form. Meridians are of two kinds: the main ones are called channels (jing), and the branches are called collateral (luo). However, the term 'meridians' is often used to denote channels.

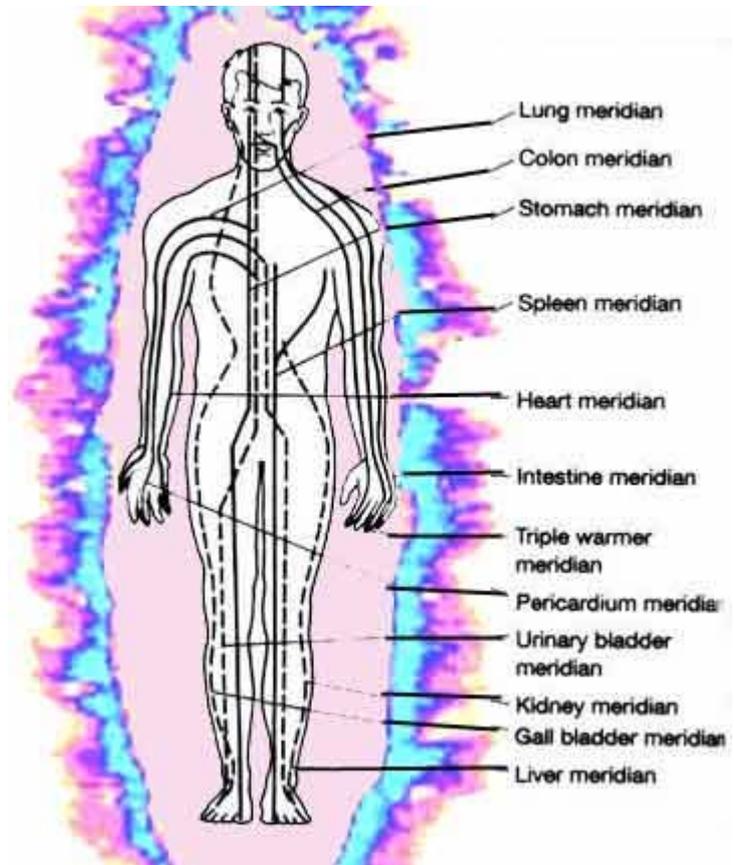

When Chi does not flow easily and smoothly we have what is commonly called a dis-ease. The Chinese believe that a Chi gets trapped in the meridian and the body suffers from all the ailments. To heal this blockage the Chinese healers understood the flow of energy through the various Meridians. They stimulated the energy points to let flow the Chi and, so therefore the healing took place.

Tonal lines create the web-work of energy which the scalar-wave frequencies of the core Katha Grid and DNA Template translate into the Chakra Meridian-Nadius Line (Hara Line) and chemical DNA systems.

Meridians, or channels, can be classified into two groups: primary and secondary: Primary meridians are those that pass through internal organs, secondary meridians do not. There are twelve pairs of primary meridians flowing in a never-ending circle. For simplicity, only one of each pair is described. The twelve meridians are as follows:

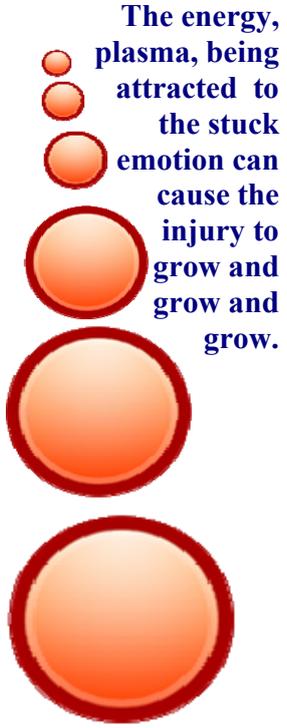

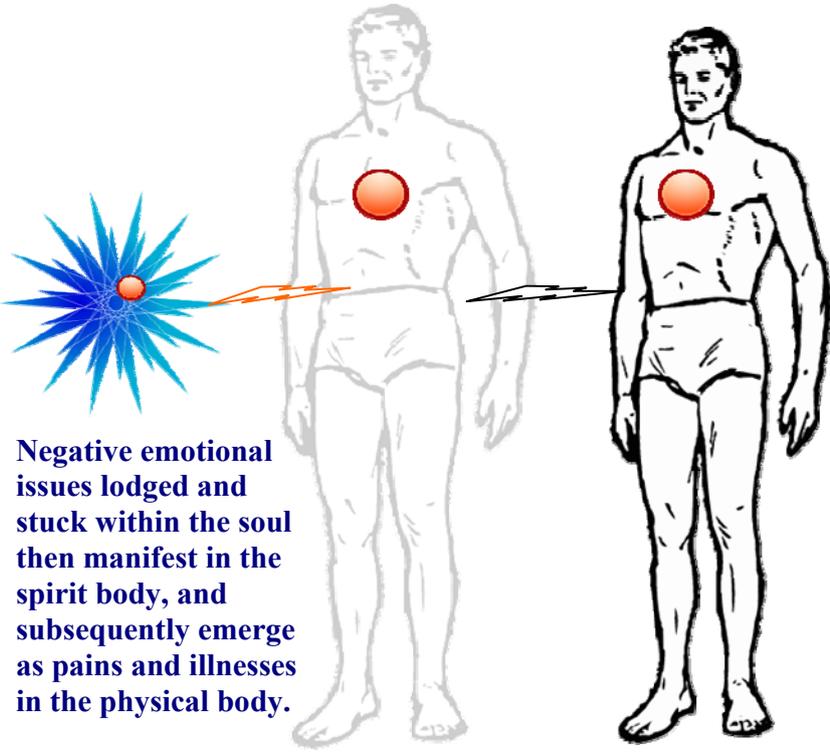

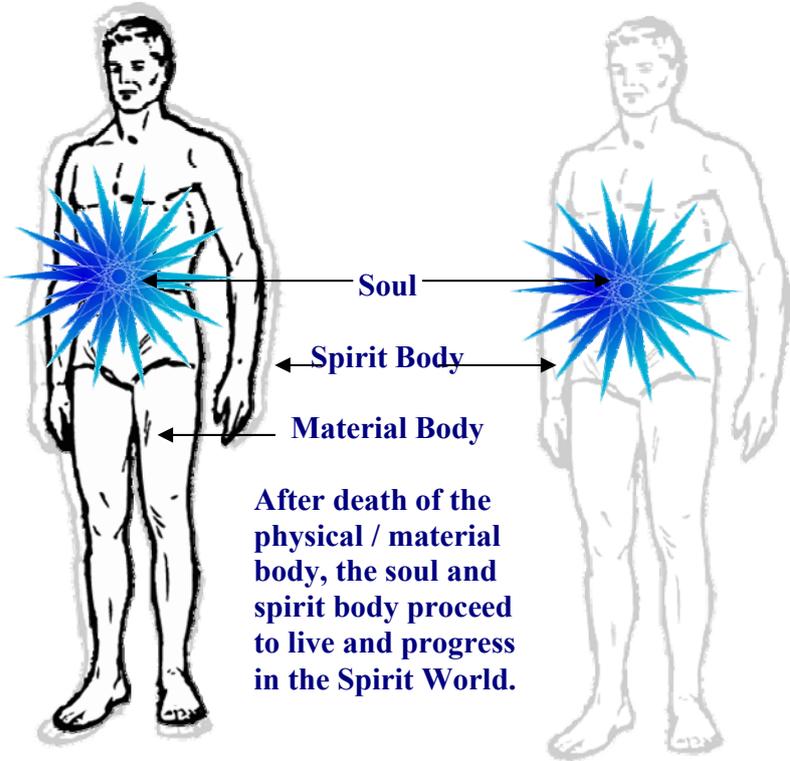

Lung meridian
Colon meridian
Stomach meridian
Spleen meridian
Heart meridian
Intestine meridian
Urinary bladder meridian
Kidney meridian
Pericardium meridian
Triple Warmer meridian
Gall Bladder meridian
Liver meridian.

Negative energy in the form of holding onto an untruth about anything, being a person or an event, deposits within one's soul as a tiny cell of unwanted energy. This tiny energy blockage can grow and grow should you allow the issue to fester within your being.

Untruths with anger and hatred will slowly, but surely, manifest themselves into your meridian system which resides within your spirit body. This then results in energy flow blockages within your meridian system, being the template for your physical body. Unless these energy blockages are released and allowed to pass through your spirit body, you will begin to feel pains within your physical body, and subsequently, an illness may emerge within your physical body. Such illness is a direct result of an emotional issue, or series of related emotional issues, that could have commenced during your early childhood, or even before birth. Proceeding to release these emotional time bombs while receiving medical assistance for your physical body can result in the permanent recovery from such illness.

SOUL SPIRIT BODY MATERIAL BODY

PERSONALITY

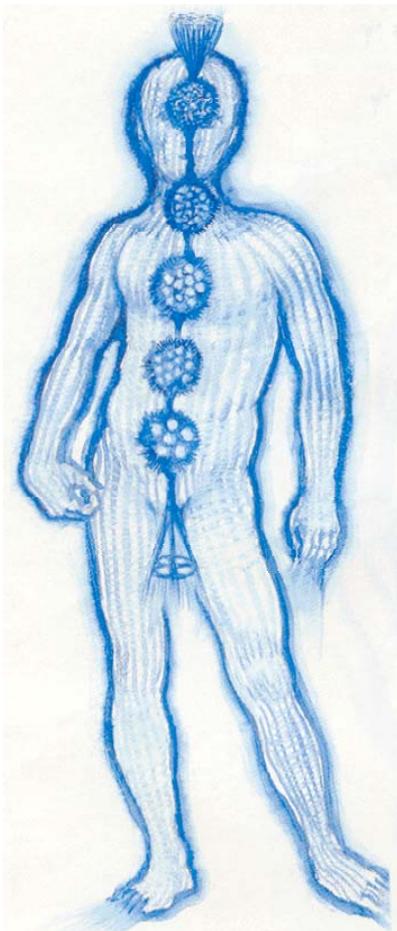

HEALTHY MERIDIAN or OBSTRUCTED MERIDIAN:

The etheric body, being part of your spirit body, is the template for the physical body. Much of the energy you need for the physical body is supplied by way of chakras and the meridian lines throughout your etheric body. These meridian lines reach from your toes to the end of your fingers or top of your head. Each set of meridian lines is connected to a specific organ of your body. Each organ functions at a different vibrational frequency.

In like, many negative emotions, which are also of different vibrational frequencies, if not allowed to pass through your bodies, will find their lodgement within fields of related frequencies within your body and organs. Such negative emotion, being those calibrating under 200 on Dr David Hawkins' Map of Consciousness, may lodge anywhere in the bodies, typically on the meridian line of the related organ to which it relates to and was attracted to.

Such slow vibrating negative emotion is a plasmatic magnetic energy ball. It can grow and grow by being fed the same fuel coming from a continuation of the same emotional injury. This stuck ball of energy will restrict the movement of needed energy flow along the meridian. This will result in discomfort, then pain, and then may manifest in illness in the organ or in aspects or regions of the body related to that organ.

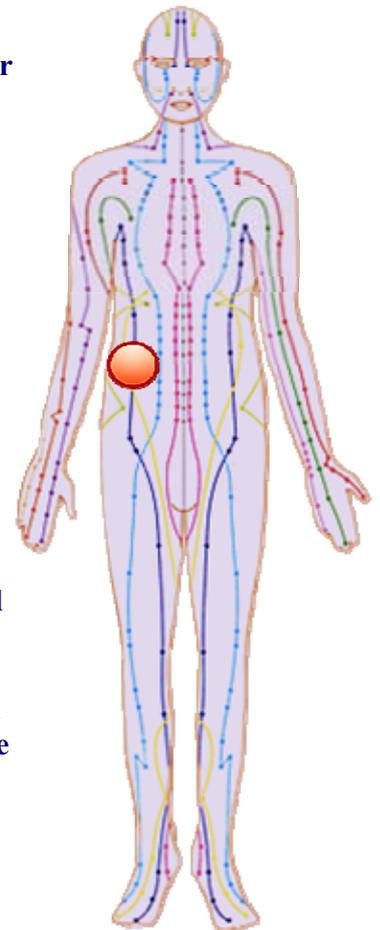

Allopathic / western medicine treats the symptoms, however the cause remains held in the bodies resulting in a further or similar health issue or a reoccurrence.

The negative emotion, possibly having been held since very early childhood, can be easily removed.

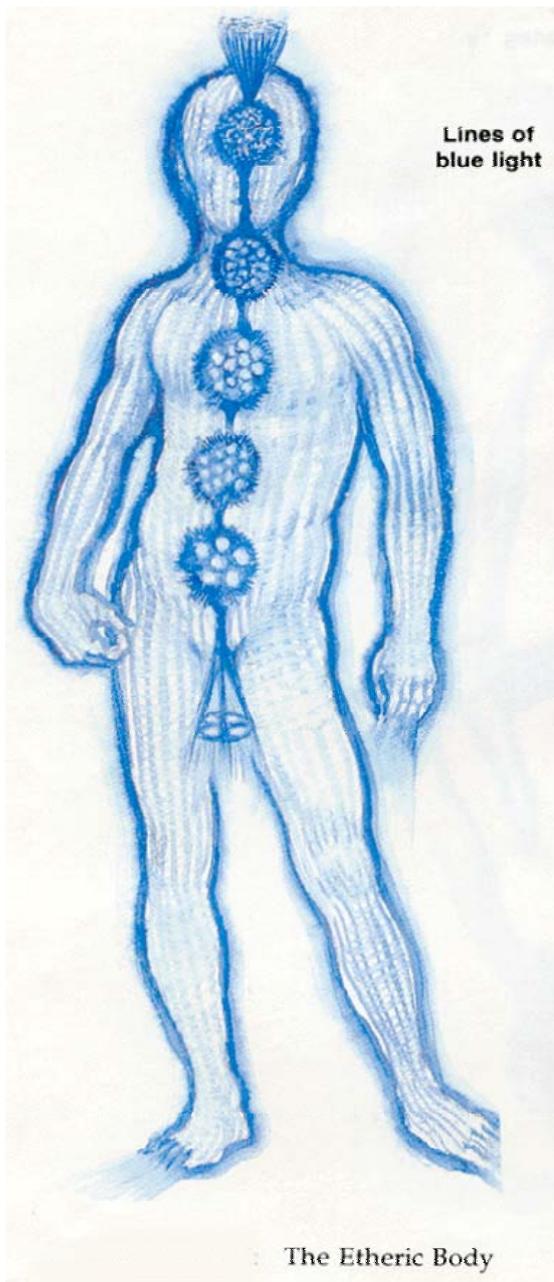

Issues within the subtle bodies are energetic magnetic fields that can be removed by your focused intent to recognise the issue, locate the issue, and enable the bodies to release the emotion with the support of additional magnetic energy being provided to your governing meridian down your spine. Such healing modalities include the Emotion Code and Body Code practices, as an example.

The ultimate way to improve your health condition is to long for and receive Divine Love, this love slowly but steadily grows your soul condition and results in erroneous emotions and injuries being released from your bodies.

FEELING HEALING with DIVINE LOVE is SOUL HEALING:

Firstly, consider discovering the truth of your emotional pain through Feeling Healing. Secondly, consider longing for our Heavenly Parents' Love as you progress with your healing. Primary and most important readings are the writings of James Moncrief. Then consider the Padgett Messages, and then The Urantia Book.

All forms of energy give off colours. The spirit body gives off an aura, or a group of colours. If the spirit body is in a poor condition, it will not give off a strong aura, or its aura will be damaged in some way, there will be holes in it. A person who can see an aura will see these different shapes and colours inside the spirit form.

That is not the spirit body itself. The spirit body has organs, it is like your body, it is in a different dimensional space. Sometimes you will notice your spirit body operating. The spirit body has a heart – your spirit body's heart beats at a high rate.

Spirit Body incorporates all the subtle bodies, including the etheric body, emotional body, mental body, astral body and the causal body, all being various layers of the Spirit Body.

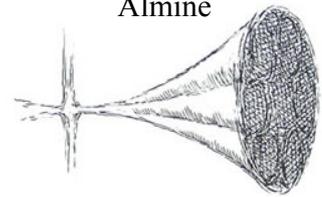

Your Soul, being your real self, resides within your Spirit Body but is not of your Spirit Body.

MERIDIAN LINES are ENERGY CONDUITS for CHAKRAS.

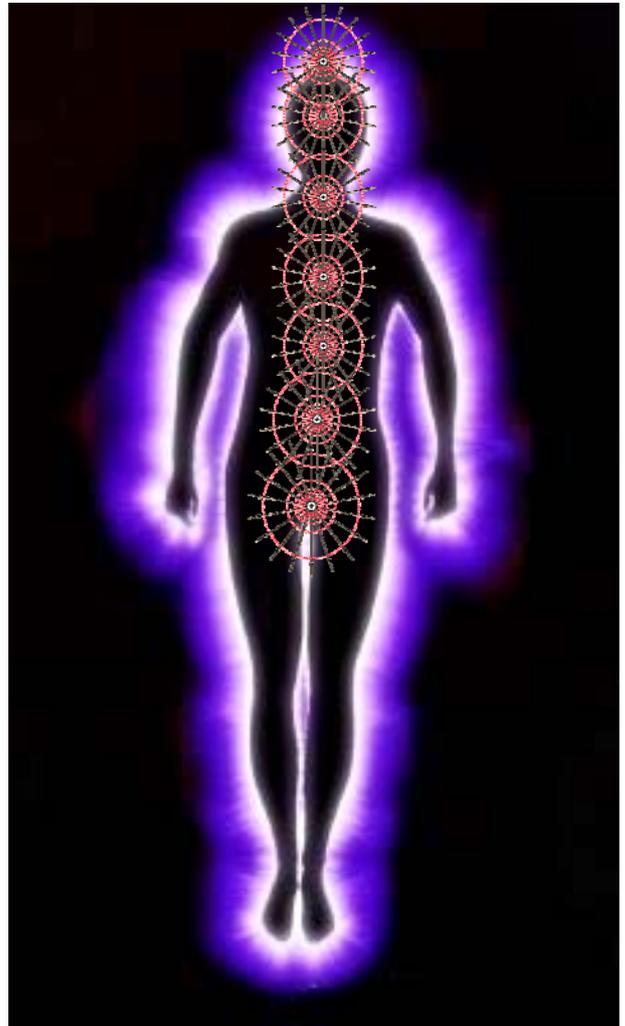

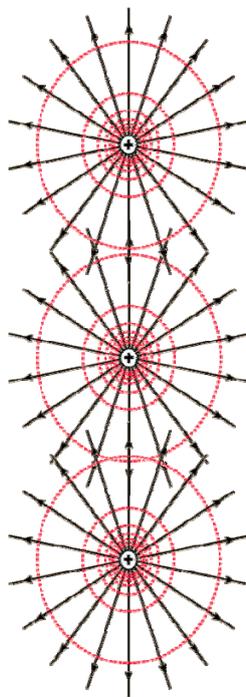

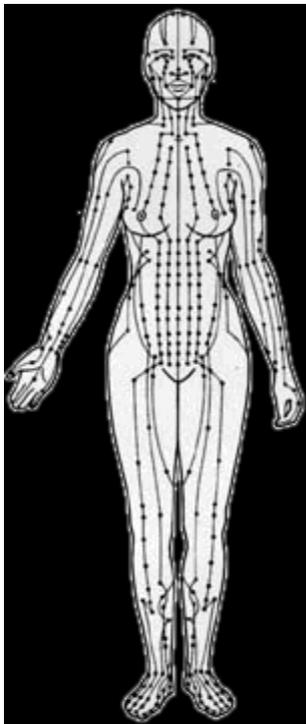

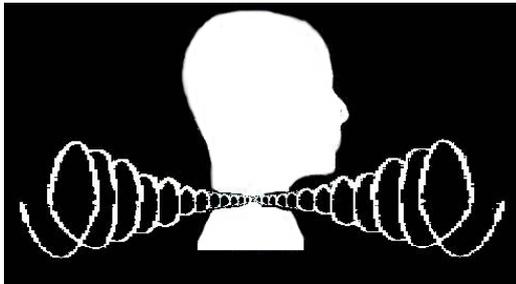

Spirit Body, incorporating the Etheric Body, is the blue print and master designer of the Physical Body. Energy flow constrictions in the many meridian lines, that form the blue print, emerge as pain, then injuries and then illnesses within the Physical Body.

Etheric or Astral Body: The majority of karma, which is a constriction in the universal flow of energy formed by incorrect perception, is held in the astral body (only a small portion is in the physical body). It consists of bluish lines of light. It produces the acupuncture points and the major and minor chakras by the energy lines crossing each other. Where they cross seven times, there is an acupuncture point. Where they cross thirteen times, there is a minor chakra point. Where they cross twenty times, there is a major chakra point. This body is linear and is located an inch (2.5 centimetres) out from the physical body.

Almine

Each chakra point, major or minor, has a swirling vortex that draws in energy to feed the spirit body and subsequently the physical body.

MONTY PYTHON and the HOLY GRAIL – BLACK KNIGHT:

When one's soul is plagued with vindictiveness, evilness, guilt, blame and destruction, or plummeted to even lower levels of being despising, miserable, shameful, humiliated and seeking elimination, there is no illumination within the soul at all. It is a being in a state of total darkness, in the depth of all the hells.

The soul has now collapsed to the size of a dried up pea, or prune! The capabilities of the soul of keeping the spirit body in tact are stretched to its full capacity. The soul frequently has to draw the spirit body back together, that is, enable the spirit body to go fetch its limbs and re-attach them!

IT'S JUST A FLESH WOUND!

The environment is one of total darkness and despair. However, we can all recover from this position and grow in love and progress to the Celestial Heavens. There is no position from which we cannot recover from. For you see, we are truly invincible!

No soul has ever been separated from its spirit body.

No matter how low our soul condition may fall, we can, and all of us will, be assisted and loved and helped to grow in love and light and progress to realms of beauty and grace that will be our destiny. By asking for and receiving Divine Love, this happiness will be ours much sooner than we can imagine.

ENERGY DETERMINANTS – Relationship between Body, Mind and Soul:

The physical body calibrates at 200 on Dr David Hawkins’ Map of Consciousness. Many people feel and believe that their body is their real self, this is not so.

Further, the brain is not the origin of the mind, as science and medicine had believed, but the other way around. The mind controls the brain. The brain is activated by the mind’s intention and not vice versa. Reason, which emanates from the mind, calibrates at 400 to 499, thus controlling the brain.

What is held in mind has the power to alter brain activity and neuroanatomy. Thought is powerful because it has a high rate of vibration. We are subject to what we hold in mind. Errors in belief bring about energy flow blockages.

Superimposed around the physical body is an energy body whose form is very much like that of the physical body and whose patterns actually control the physical body. This control as at the level of thought or intention. This superimposed energy body is one’s etheric / spirit body, the template of one’s physical body and home of one’s mind.

The basic dictum to comprehend is that the body obeys the mind; therefore, the body tends to manifest what the mind believes. Illness is generated in the physical body by erroneous held beliefs within one’s mind.

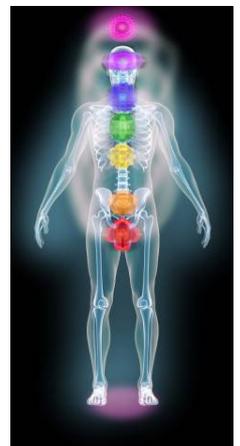

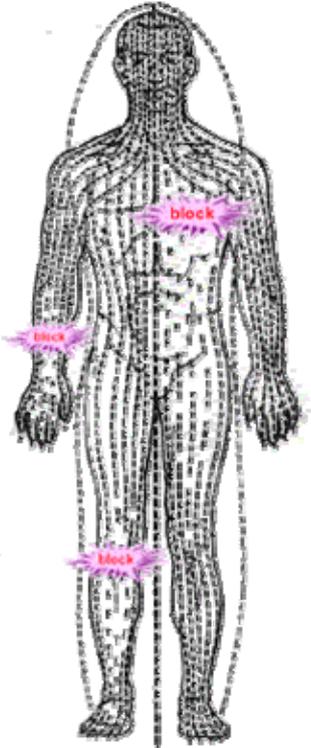

It is the energy level of love that steadily brings about a release from erroneous and harmful man-made emotions and beliefs. The energy level of love calibrates at 500 and higher. One’s soul is seated / nested within one’s spirit body. One’s soul is the home of one’s personality, natural intelligence and memory, it is our real self.

One’s soul is always perfect and is made of the energy substance called natural love. It is by growing one’s level of love does one enable sufficient energy to flow through one’s chakras of the spirit body and subsequently into one’s physical body that erroneous and injurious beliefs are dissolved and the potentiality for health of the physical body to become permanently repaired a possibility.

On the Map of Consciousness (MoC), the **charkas** calibrate as follows:

Crown	600	7 th chakra
Third Eye	525	6 th chakra
Throat	350	5 th chakra
Heart	505	4 th chakra
Solar Plexus	275	3 rd chakra
Sacral or Spleen	275	2 nd chakra
Base or Root Chakra	200	1 st chakra

The greatest infusion of Love, and the easiest way for one to transcend levels of emotions, that is, to evolve, is to long for, pray for, and ask for the Father’s Love, Divine Love, being a light golden blue energy substance. Try the experiment.

HEALING PROPERTIES of SUBSTANCES

Sunday, 25 March 2018:

Verna and Nanna Beth talk to Graeme

Graeme: Good morning James

I've been a huge lover of nature, from a very young age, and about ten years ago my former partner, Christiana, invited me to join her in making a range of 88 Flower Essences under the name: One Garden Divine Flower and Nature Essences. She led the venture as she was able to intuit the "healing" properties of the various flowers and under her guidance (and perhaps her Guides) we made the range of One Garden Essences.

Initially we thought they had "physical" healing properties (like the Dr Bach flower essences) but subsequently we were told that they were vibrational healing tools and assisted in "opening" our emotions so we could more easily process the suppressed childhood feelings locked in our soul.

I still do not fully understand how they work and was wondering if this is a topic that you could ask Nanna Beth.

Till next time we chat, sending my love, Graeme

Verna (a nature spirit): Good day to you Graeme, my friend. It's about time I was 'allowed' to speak again, so if you don't mind, I am going to make the most of it. Now first of all, your love of nature – anyone's true love of nature, and not saying they love nature whilst still doing bad things to it – will assist you in embracing your feelings with the intention of looking to them for the truth they contain, just as will working with the 'essences of nature', that which you captured in the flower essences. Do you know, any part of nature, from a bland old mineral or rock to a newly emerging flower can have its essence 'captured', there are ways, many already known, as to how to go about that, and others as yet, unknown.

When you eat food, drink water, smell nature's fragrances, you're doing the same thing – imbibing the essence of that specific part of nature. And if you could only see the true vibration, the spirit component to these physical parts of nature (including yourself), then you'd be able to see how indeed they do subtly affect you, and on all levels, from the deepest will to the gross physical and all in between. So if one's approach is to use one's feelings to further deny oneself, to move deeper into one's rebellion and default, then flower essences and essences of anything else, all of nature, can be used to help you do that, that which humanity has been doing for these past 200,000 years.

And consequently, should one wish to go the other way, looking to their feelings to heal themselves of their wrongness, then all such things can be used to help you with your Healing. And so how do they help – how do the flower essences specially help you? And the answer to that is a little more complicated, however I will try and apply my mind to reveal to you a little more about our hidden world.

So, let us begin at the true source: your soul. As you understand, your soul drives everything that you are – you being the personality focus of your soul currently in the physical. However you are also your soul as much as you are your personality, the two can't and aren't separate. Right, so you get that part, so your soul is bringing – expressing you in Creation; okay, so whatever your soul wants your soul

creates. So let's say your soul requires the help of a flower essence to subtly affect some part of your unseen auric system, by adding its vibration to your existing vibration, all of which will bring about an effect desired by the soul. That being, one that will help you become more evil or less, as I said above.

Okay, that's simple enough. So, let's say it's important, so far as your soul is concerned, it being the next part in your life – soul growth, and assuming you are wanting to Heal yourself using your feelings – for you to bring up some more repressed anger that is contained within it from your early childhood – let's say; just a really pissed off feeling you felt at your father when he was treating you badly, in this case, nothing specific, just all the indignation and fucked off feelings and a being really angry with him feeling, which you felt yet weren't allowed to express at the time.

And because you are 'into' flower essences, your soul leading you that way, so your soul will use all that's in your life currently, it having made it that way, to help you liberate this anger.

Now you take the drops of a certain flower essence you are 'drawn to', and when taking them it's far better to take them using your feelings, so you take that one because you feel drawn to it and you take that many drops because you feel like taking that many drops, trying to avoid all this take ten drops at three hourly interval stuff, that's all too mind controlling. So like everything ideally in your life, you allow your feelings to guide you when you can, so you take only one drop and your feelings say that's enough. You put the dropper back in screwing the lid on and then suddenly you feel like another drop, and when you're dropping that drop on your tongue, you feel like another drop... then another... then you wait, no more, that's enough. And then a half hour later, I think I'll take another drop, no five drops, and so go.

And if the flower essence is made the right way, you can't damage yourself with them, so you use a base that is neutral for your body and one which itself won't affect you – natural pure spring or rain water being the best.

And as to how long does an essence such as this remain 'potent', well that too is a feeling thing, it remains potent for as long as you feel it is. So you see, you can't be too finicky with your feelings, because for some people it might be a very complex operation, something they are refining to perfection through their feelings, for other people, slap dash, don't really care, take a few squirts, she'll be right, all of which is right for them. However both ways might change as one works deeper into the truth of one's feelings.

Now, the soul sort of issues instructions all the time via light coming out from it into life – Creation. And we and your angels, along with your Indwelling Spirit, can see this light. The angels are far more advanced in this than we mere nature spirits are, however what we're limited to is compensated for by your angels being able to tell us what we need to do, and they tell us in a flash of light, you'd not be able to see it, none of this laborious having to speak words. And it's even faster than your mind circuits work, your telepathy is as laborious as your word-speaking so far as we're concerned, for our 'mind-talk' is so fast you'd not even perceive it happening, and yet it's still laborious compared to how fast your soul is at expressing all the light within your aura that it needs to express.

So we are all attuned to your soul, what it wants done in your aura, which includes your physical. And mostly so far as your physical is concerned, we alter under your soul's instructions, things in your aura,

your subtle system, which then affects your physical – short or long term. Understand that in certain circumstances, we – being your angels – can directly affect your physical, but mostly it's all done from the deepest will level out through all your subtle systems and spirit body.

So, back to your leg and the anger that's going to come up through it. You're sitting on the couch having a moment of reflection, things are going through your mind that you're half aware of, you suddenly feel like having a swig of a certain flower essences, perhaps one drop or many. And you don't feel anything further. Then you talk on the phone about something, you get up and have a drink of something from the fridge as you feel a bit thirsty, and then you sit back down and start feeling edgy, uncomfortable and out of sorts enough to draw your attention to the bad feeling. And then by focusing on it you realise you feel irritable, and then angry, and the pressure within you builds to the point where you want to speak out the anger you feel. So let's say you're by yourself, so you open your mouth and start to growl angrily, and submit to the feelings trying to just let yourself feel as angry as you feel, growling and feeling angrier and angrier, and you long for the truth of your anger, and then pictures come into your mind about how fucked off you feel with your father, and then you realise your left leg is full of anger that seems to be coming up from the sole of your foot, up the leg, right up and out of your head as you growl it out. So what's been going on?

Your soul wants this anger out of you, it's the next phase of anger expression you are to experience, it helping to relieve you of more repressed anger and at the same time helping you see more truth about why you are feeling so angry. And so your soul has initiated light into your aura on all levels making this experience happen. And you being mostly oblivious to this, just carry on doing what you do, and then your angels take their instructions and 'energise' the levels of your aura to make the anger 'physically' work its way up through your system.

The angels make 'light adjustments' – adjustments using spirit light – in your system to allow this anger to make its way out of you by you feeling it coming up through your leg. The repressed anger, as light contained in your soul, moves through your will levels, then your will activates it to move up your leg with your angels helping to adjust your system where needed. And your system needs continual adjustments, your soul does it all with light, but your angels do all the hands on stuff as determined by your soul. So your angels are always tinkering within your aura.

Sometimes they can do one adjustment with a lot of light and that will set you up for a day, week, month or even years of what you will need, this happening when you're more settled into your wrongness and it's all pretty obvious where your life is going on the subtle levels, so your angels don't have that much to do other than just keep monitoring your soul in case other instructions are forthcoming. But if you're actively doing your Healing, well your angels don't get a moments peace – which they love, by the way, angels want to always be active, the more active the better, they find it very trying when you are stable and going against yourself, but when your are wanting to work with your feelings and grow in the truth they'll help you reveal to yourself, well they are in heaven, it's what they've been made to do so far as helping you goes and they can't get enough of it.

So your angels are adding and subtracting light from your auric systems as fast as your soul is shining more light into it. And along the way, all you are doing is, used, it's all part of it, so if you use a flower essence, it will be used, it will stimulate a certain vibratory reaction on varying levels within your unseen system, with your angels incorporating it, using it, adjusting it – modifying it, possibly toning it down or amplifying it, and so it goes with all your food, all you do, see, sense, all you are, all the time being a symphony of light, constantly in change, even though you might feel at peace resting on the couch one moment, then suddenly, seeming out of nowhere and for no reason, anger is coming up your leg and you're feeling so fucking pissed off that you can't believe how angry you do feel.

So as you can see, it's all very complex, you don't have, and can't have, any idea just how much is going on within you all the time, all so you will feel what you need to feel, so those feelings will lead you to the truth you are to see and then live. And with your mind playing along doing its bit, to help stimulate, change or deny feelings in keeping with the beliefs and behaviours you established through your forming years.

So you might ask: well are things like flower essences actually necessary? And simply, they are if you want them to be part of your life, they aren't if you don't. Which is how all your life is. With some people being drawn to such things, and possibly only for a season, others with no feeling of interest and a few wanting to dedicate their life's work to it. And as you understand, whatever your involvement with anything in life, it's going to be vastly different should you want to live true to your feelings, than living by being untrue to them. And by living true, as you are going to be changing a lot, so you will change a lot in your relationship with all that you do in your life. And so it will be the same should you want to work specifically with the flower essences.

In time there will be people who are doing their Healing and who'll be more in tune with us nature spirits, working directly with the essences of nature, understanding that it's all a vibrational thing and something that can be used as an adjunct to your Healing or just as part of your Healing life. The essences are not meant to be medicines as such, however they can work powerfully in conjunction with what your angels are doing within you. And to always bear in mind, that it's your angels that will be working the wonders within you, not anything else, with the other things like flower essences being something the angels work with, because it's all part of your current life experience as determined by your soul.

And in time, people will just intuitively feel, or even by speaking directly with us nature spirits, how to grow plants lovingly and truly based on the truth they are revealing through their Healing, all so as to maximise the benefits the plants offer you, either through direct ingestion, or like using the flower essences or other ways still to be discovered. Your relationship with nature is about five percent of what it could be. Even those people working with spirits and nature spirits are doing so on the mind levels or the lower mansion world and Earth plane levels, so you've got a long way to go, all the mansion world levels then into the Celestial levels to increase your relationship with nature. And like as with everything, some people will be more drawn to one specific area or another, some generally taking bits of it all, others not interested much in nature preferring to get on with being fully interested in themselves – their own feelings. But overall, everyone contributes to society by expressing their truth, and as the truth increases within people, so does the overall level of society, so society grows in truth reflective of all who comprise it.

So to summarise, such things need to be looked at in a truly holistic level (or you could say, a ‘soulistic level’) so that they can be used in conjunction with your Healing. You can in theory, look ONLY to your feelings for the truth they are to show you, not needing any other healing help. And there will be people more wanting to live this way, however because you need life to stimulate your feelings, so you will be drawn to certain things, some to do with nature, others to do with people and others with everything else, all to help stimulate that which you’ll need to give rise to the feelings your soul wants you to express.

Graeme, you might find the flower essences are helping you enjoy and love and expand your relationship with nature more, which gives rise to feelings that help you expand your relationship with yourself. You might use the essences to help stimulate your emotions and feelings as you want to live that way, and so they will be used to help you in that capacity. And you can express your feelings, longing for the truth of them, telling your Mother and Father what you want – whatever you feel, with the flower essences helping you on the subtle levels.

I hope I’ve not confused you too much. Please ask me about anything if you don’t understand. I have wanted to try and give you a bigger picture so you can draw from it the essence of what you need from it. It’s all there, contained in each feeling, because each feeling expresses more truth – the truth of why you’re feeling it, that which is what you are to find and then live.

Love Verna.

Nanna Beth (3rd Celestial sphere): What Verna is wanting to help you understand is that there’s so much going on within you on all levels, that trying to use your mind to work it all out in the hope that it will help you, is all but futile, as you never will, not until you at least attain Paradise, and even then that’s only one phase.

Too many people, Graeme, approach everything through the mind, wanting to dissect it in the misguided belief that it will help them. When what helps you is trying to **stay true to your feelings, expressing them whilst longing for their truth**. And we keep stressing this to keep bringing you back to the simplicity of it, and it’s something the mind can’t really deal with, it having been programmed to be the controller and master of understanding. But to keep looking only to your feelings is all that’s needed without needing to go into the mind side of things unless it’s where your feelings lead you to.

James uses his mind for this work, but that’s about it, the rest he’s trying to look more to his feelings, easing the control of his mind. And **feelings, once you start allowing them to have their say, are far more interesting than anything the mind might be**. You can use your imagination to fantasise about all sorts of things, and some people consume their whole life with such indulgence, however **when you start living more closely to your feelings, your feelings might not be so varied, however when and how you feel them, and what they lead you into seeing about yourself and life, will be far more fascinating than anything your mind could conjure up**.

There is never going to be a remedy that people can take that will heal themselves on any level. **The remedy is the truth we’re revealing to you about your feelings. All the rest is simply an add-on**, something as Verna said to help stimulate experiences in life, all so you can feel more feelings. So it’s

not to say no to doing or being interested in certain things with the mind, but rather to keep wanting to feel and become aware of the feelings that are happening along the way. You can use your mind to block out your feelings, however your feelings are still always there, so it's to try and keep them up within you and not blocked out whilst you apply your mind, is one way of trying to stay more attuned to them.

Love Nanna Beth.

We, being ensouled humanity, are to move with our feelings, respond and act upon our feelings, we all are, and so based on our feelings we bring our mind into play, and then things happen which affect our feelings and so our mind adjusts accordingly.

Everyone at their conception gets their angelic pair as well, and they will be with you right the way to Paradise and then possibly beyond too. So it's a wonderful relationship, we have our soulmate and our angel pair each, all the way with us. It is all amazing.

HEALING PROPERTIES of SUBSTANCES continued:

John: Hello Nanna Beth,

Thank you for introducing the foundations of comprehending the contribution that Flower Essences may provide on one's journey through physical life.

May we expand this topic to consider the various roles and similarities that the following may have with one's physical well being and journey of discovery through life:

Flower Essences	
Crystals and other rare and precious stones	
Homeopathy	(minute vibrational traces as recognised by Samuel Hahemann 1700s)
Nutraceuticals	(being low concentrations of properties found in food)
Pharmaceuticals	(being high concentrations of properties found in food – to the level of toxicity)
and Food	all natural without being processed within factories.

Considering your comments relating to Flower Essences, one may need to consider just how much effect do we have in our own physical healing by engaging with any of these modalities?

Is it that what has been outlined relating to the contribution that Flower Essences have in assisting with one's physical wellbeing, are the various other modalities suggested above just variations of the same process that applies to Flower Essences, with higher levels of error within their prominence, pharmaceuticals being the most problematic generally speaking?

Would you kindly comment on each of the platforms please?

Nanna Beth: Yes. The same applies, as you said to James, it's all what your angels have to take into consideration in accordance with the needs of your soul. If you are to die from or within your negative state, then it doesn't matter what you do along the way to try and heal yourself, your angels will be working with any alternative or regular medicine or healing modalities. And as you know from people's lives, some things work for them, others not, some even miraculously, others having no effect. It's what the individual needs, it's all too personal, and needs to be dealt with and looked at personally.

You've all had such diverse childhoods, you're extremely complex in your unloving complexities, and trying to heal yourself from the outside in is not going to do anything for you so far as healing yourself from the inside out which you do through your Healing. It's all the minds way verses the feelings way. Any therapy or medicine or other remedies are all approaching it from the mind, let our feelings work, and use these other things as required, all so long as you keep focused on your feelings for their truth.

Assuming we are wanting to Heal ourselves using our feelings – for we are to bring up our repressed anger and emotional issues, both good and bad, that is contained within our soul, mainly from our early childhood.

As an overview, nature spirits are all attuned to the soul of a personality, and what is wanted to be done in the aura of such soul, which includes one's physical. And mostly so far as our physical is concerned, nature spirits alter under one's soul instructions, things within the aura and the subtle system, which then affects the physical – short or long term. Understand that in certain circumstances, nature spirits and angels can directly affect our physical, but mostly it's all done from the deepest will level out through all our subtle systems and spirit body.

Nanna Beth: It's mostly your angels that affect your system. The nature spirits can help them at times, but it will be all through the guidance of your angels.

Just how much effect do we have in our own healing of our physical discomforts, pains and illnesses?

Nanna Beth: It depends on what level you're looking at it from. On the highest or inner most level, you have no effect, it's all between your soul, Indwelling Spirit and angels, that any actual healing occurs. On a feelings level, you can attend to your feelings causing these agencies to react accordingly, so you have some effect, albeit indirect. On a mind level you can believe you have an effect, yet these agencies are 'allowing' you to believe what you will. And you can take a pill and your headache goes away, so believe you are fully in control of yourself – however, are you really?

Just how does our man-made conjured up systems of flower essences, crystals, homeopathy, nutraceuticals and pharmaceuticals actually contribute to the healing of one's physical body of its discomforts, pains and illnesses?

Nanna Beth: Look at it this way John, whilst you're living against your feelings, so untrue and evilly, any of these things will be used to help you go that way. So you might use them and your pain goes, but that only sucks you more into believing you are doing the right thing by helping yourself. So you might be 'healing' yourself by taking the pain away, yet you're not truly Healing yourself by allowing your repressed feelings to surface so you can uncover the truth of them. And so the angels will manipulate your system accordingly. So being wrong you might even be miraculously healed, but it's the same thing as Sage pointed out. It's how you want to live your life. It's all been one way up until now, and now an alternative and opposite way is being 'earthed'. All the parts humanity has worked out for itself, it just hasn't been able to be put all together. As Verna said, you don't need any of these 'healing' things to help you look to your feelings, you only need yourself looking to your feelings. If you are shut off to your feelings, you might need help to open up to your feelings, and anything can help you with that.

If we are looking to physical means to heal our body, then to what extent is the quality of food important to the process of physical healing?

Nanna Beth: It's the same as I said above, the quality of food is irrelevant. If you are wanting to continue living untrue to yourself, then it doesn't matter what you eat as the food itself is not going to

stop you, it will only help you keep living untrue. If you are Healing yourself, then you'll move with what foods you need as you need them. You can try and control such things using your mind, this all being part of the control you'll need to deal with, but in the end you'll see that the food is irrelevant, the body will look after itself as you keep attending to your feelings. However naturally the higher truth you live, so the higher vibration of food you'll be drawn to, yet you can't say that means everyone will eat organics and be vegetarian because until everyone is, everyone will be as their feelings dictate. It's a matter of shedding preconceived mind concepts. You are not doing your Healing to fit into your mind. You are breaking your minds control down to fit in with your feelings.

Fresh is best when it comes to food and the ultimate vegetables and fruits that we can imbibe is that which is grown within our home gardens, is this an appropriate observation?

Nanna Beth: Yes it is, however that too is relative on polluted Earth. Still it's what humanity will one day get back to.

The long journey that we are to embrace is feelings first, stay true to one's feelings, expressing them whilst longing for their truth. Our feelings are to lead the way, with our mind in support to follow and to assist in implementing one's feelings.

Nanna Beth: Man can't heal himself using his mind, God can only heal you. And to allow God to heal you requires submission to your feelings. You need to allow your feelings to take you back to your early life, so you can feel yourself back there now as an adult. So you can express now all you felt back then, and see how and why you became as you are, and how stuck and imprisoned you are in your mind's control. And all you can do is keep accepting it as the truth comes to light, expressing all it makes you feel. And when you no longer need to be the way you are as you've seen all the truth of it through your feelings, then God through your soul will change you. And your inner transformation will occur, taking you out of your wrongness into your rightness. And your angels will do most of the actual hands on healing that you require. You – we – only need to keep attending to our feelings, that's the key to it John, but attending to them the right way, wanting to uncover the truth of ourselves, our soul and God want us to see. Anyone can express their feelings even looking to them wanting their truth, but it's wanting to understand and live the whole truth of yourself, which currently is the whole truth of your negative state, that's what needs to be addressed first. Then you set about understanding as you reveal to yourself the whole truth of your positive loving state – once you become of a Celestial level of Truth and are fully Healed.

I'll speak to you soon John – love Nanna Beth. Keep being willing to express any negative feelings you have about SI and Pascas, it's okay, you can go as far as you want with them, as none of it is going to change the outcome, that side of it, as to whether it happens or not, is not up to us but what our Mother and Father want. But what we feel along the way is up to us, and what They want us to focus on.

Thank you for this incredible opening to the reality of man's futile belief in its capacity to be able to 'heal' one's self.

Love John

WE EACH have a Nature Spirit pair, Spirit Guide pair, and an Angelic Pair:

For those doing their Healing or are interested in doing it will from that time have their own personal angels, spirit guides and nature spirits with them, with whom they are to develop their own relationships should they want to. It is not about ‘sharing’ the same angels or guides or nature spirits, it is about you relating specifically to your ‘own’ ones because they are provided for YOU. It’s all for you, to maximise the experiences we each need.

We are all to have our own pure relationships. And it’s the same of course in life with your friends, however over there, in spirit, dealing with Nature Spirits, Spirit Guides, and Angels, it’s more personal and private and ‘JUST FOR YOU’. So we have our own separate, unique relationships.

For example, Nature Spirit Verna has been assigned to be specifically and only with James, and she ain’t going to be assigned to anyone else, so she won’t be sharing herself around.

This is SO IMPORTANT to understand so that in future there won’t be all these people claiming to be speaking with Verna or Mary Magdalene or Jesus or Nanna Beth or anyone else who is part of it all in such capacity. Mary M and Jesus have spoken with James as they have, making it quite clear he is all they are speaking with.

We each have a band of a Nature Spirit pair, Spirit Guide pair, and an Angelic pair, each pair being in their soulmate relationship. Even though we are ascending mortals having a soulmate, even our soulmate has his or her own group of six personalities assisting him or her. Our assigned Nature Spirits do not continue with us into spirit, our Spirit Guides may for a time assist upon entry to the spirit mansion worlds, however, our Angelic pair continue with us for eternity.

COMPLEMENTARY THERAPIES

John: Hi Nanna Beth and company

Mind control in its extreme is demonstrated through various complementary therapy platforms. Examples being: Emotion Code as introduced by Dr Bradley Nelson.

Dr Nelson has gathered a wonderful data base that researchers will clearly be able to demonstrate the relationship of suppressed and repressed emotions when relating to physical discomforts, pains and illness. In fact, the emotion code chart that Dr Bradley Nelson has published is the result of many thousands of observations that he and his practitioners have observed over many years, and the results are simple and precise for anyone to understand. Generally, specific styles of emotional injury are directly impacting upon specific organs and parts of the physical body. It is as though the energy frequency of a given emotion is matching to the energy frequency of a given organ or part of one's body.

However, Dr Nelson's methodology of 'releasing' such unexpressed emotions is the direct result of one's mind being employed to further repress given specific emotion or emotions that are causing physical discomfort. Dr Nelson is taking people further away from their true selves – their feelings and the truth that one's feelings are to show them.

Healing Code as introduced by Dr Alex Loyd. Dr Loyd is also focused upon the understanding that emotional issues are the drivers of discomfort, pain and illness. However, he also takes people further away from themselves by empowering people to use their minds to further suppress the underlying emotions through a process of tapping. The mind convinces the person that the issue has been addressed whereas it is still there continuing to fester further thus bringing about greater issues at a later time. Again, the truth that our feelings, both good and bad, are shunned, the truth is avoided.

Meditation is often used to take a person further away from themselves.

The art of 'stilling the mind' through meditation can only be considered as of the greatest negative residues of the Rebellion and Default possible. Taking a person further and further away from their feelings and not allowing any form of truth to be sought from one's feelings. Though some forms of meditation do explore one's feelings, these processes never delve deep enough to be shown the truth of their feelings.

Would you kindly expand on these comments as I feel they will complement the writings of the last few days relating to substances and their in-effectualness in healing please?

Nanna Beth: Look at it this way John, humanity is in the shit, and has been for a very long time. And so has had a long time to study the shit. And it can work out that it's in the shit and what the shit is all about, but that's all it can do. It can pretend that it can take itself out of the shit, but it can't. It's not allowed to.

Not until someone comes along and does really heal themselves of it, and someone who has the spiritual authority to allow others to do the same. So that's where we are. The authority is making the revelation to you.

People can now choose to study how to Heal themselves, this being the next phase and ‘science’ people will apply their attention to. The great writers of humanity have well and truly documented the wrongness, you can see it all, and you know it comes from your early life. And many have tried to work out ways to heal themselves.

But **without looking to your feelings and wanting to uncover the WHOLE truth of them, you can’t heal it.** It’s as simple as that despite what anyone does with their emotions and feelings. And many people in their endeavours to heal themselves have done some real Healing, if they at any time looked to their feelings for their truth, truth would have been forthcoming. So humanity has gained a little truth over the years. However because of the feeling-denying forces of the Rebellion and Default, the level of truth has remained very low. Now however **with the keys being given to you as to how far you have to go and what is really involved in doing your whole Healing, so that is the New Frontier awaiting mankind.**

And in the end there will be far more books written about people’s Healing and all they come to understand about every facet of themselves and of it, than there have been about people documenting their wrongness. It will prove far more fascinating to those people who get right into it. And all of that creativity is waiting as a whole new aspect of Creation to be expressed – how humanity Heals itself of its rebellion and default.

By living true to ourselves, true to our feelings, we are living true to God. It’s that simple.

To liberate one’s real self, one’s will, being one’s soul, is begun by embracing Feeling Healing, so as to clear emotional injuries and errors. With the Divine Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we’re feeling them, express them fully, all whilst longing for the truth they are to show us.

Release one’s pain through expressing one’s feelings.

in conjunction with

Longing for the Truth when also longing for Divine Love.

This time, in the history of humanity, is the most exciting time ever experienced.

6 April 2018: **HEALING PROPERTIES of SUBSTANCES – Questions Answered:**

To the questions asked, Verna, a nature spirit, offers her thoughts:

Worldwide it is recognised that the annual flu epidemic will consist of new and differing strains of viruses. Why do these variations arise? Why do the new strains appear to be more difficult to manage each year? Why is there a continual incremental risk to life with each new strain?

Verna: The new strains exist because we – the nature spirits – make them exist. We're the instigators of such 'diseases' on the world, we in league with our fellow conspirators – the angels; the truth of which your scientists refuse to acknowledge when there is ample evidence to them, which they persist in brushing aside, that something else or someone else is tampering with such 'bugs' and 'nasties'. And who has the real brains: we nature spirits who control the natural world on Earth, or your great scientists? We'd like to see a little more humility please – that would definitely be a step in the right direction. You don't have to bow down to us, we don't need that level of servility from you – just kissing our feet would be enough!

And hey, guess what? YOU'RE NEVER GOING TO BE ABLE TO BEAT NATURE – WE'RE NEVER GOING TO ALLOW YOU TO. HA! YOU HAVE TO LEARN TO FULLY HONOUR AND RESPECT NATURE – AND YOUR OWN NATURES, LEARNING TO WORK IN PERFECT HARMONY WITH IT AND WITH YOURSELVES BEFORE YOU CAN GAIN ANY RELIEF FROM SUCH 'BEASTIES'.

We have virus making 'factories', we'll always be one step ahead of humanity. So until you understand, you have to WAKE UP, not that I want to sound patronising or tell you what to do, BUT YOU'RE PUSHING SHITE UPHILL.

And you might like to know, we're not going to let you off the hook. You have to learn that all illness results from your inner levels of discontentment – BECAUSE YOU DON'T FEEL LOVED. And work to get to the truth of your bad feelings. And when you do, then as you grow and evolve spiritually in truth, so you'll literally 'rise above' – ascend – the need for help from such illnesses because you'll no longer NEED THEM TO MAKE YOU FEEL BAD. Accept they make you feel bad, you are meant to feel bad with them, and not then try to eradicate them, that's only eradicating yourself, which you're already doing; but instead to work with those bad feelings, this being how you start to love yourself back into true health. Go with your bad feelings, not fight against them. Go with them instead of trying to eradicate them, and the same with your diseases and illnesses.

Worldwide it is recognised that antibiotics are becoming ineffective. Why are even new more capable forms of antibiotics not being able to manage the bacteria and viruses that are evolving? Why are viruses and bacteria evolving in the first place?

Verna: It's the same deal: Humanity is to uncover the truth of evilness, its wrongness, of its rebellion and default. And illness is to show you that you are wrong. You wouldn't get sick if you were right. So what would be the point if you eradicated all illness and you never had a bad feeling from being sick – you'd never know you had all your childhood repression locked away inside you that you were to deal with. ILLNESS IS YOUR FRIEND, because it's the warning lights that says: I AM NOT RIGHT. I

NEED HELP. I can help myself by attending properly to my feelings. So do so by wanting to uncover the truth of them!

Worldwide we have the mantra that should a new drug be developed, until that drug has gone through double-blind clinical trials successfully then it is not to be made available. Should the double-blind clinical trials be successful for around 60% of volunteer patients, then it is considered for public release. But then, why has it failed with 40%? Why do some benefit and others don't when they are all in the same health predicament?

Verna: Because you are all different, you've all been subjected to different childhoods, even within the same family. So nothing will affect the whole, short of you all 'nucking' yourselves into oblivion. (nucking – slang, humorous, mildly offensive, euphemistic) Yet even then, do you really think the angels are going to stand aside whilst you annihilate yourselves? There's too much goodness in your suffering since conception for you to simply obliterate yourselves, too much truth to be discovered – the whole truth of why you feel so bad, the truth of feeling unloved. And it's an enormous truth and enormous amount of truth. And it's all there inside you. Waiting for you to bring it out.

And why do 'sugar pills' work when prescribed by the doctor?

Verna: It shows you the power of your mind and its controlling beliefs. People believe all sorts of things resulting from their wonky childhood. (Note the use of that word dear John, I'm adding it to my repertoire – James.)

We see new forms of illness arise, why is this so? We also are seeing that vaccinations are not as effective as they appeared to be some years ago, why is this so? The fact is that humanity presently cannot eradicate any form of illness no matter what our scientists discovery, why is this so?

Verna: God has allowed you to experiment with all the ways within your unloving states, this being one of them. However humanity is now moving on, times are a changing, the old ways are to end, humanity is to heal itself of its rebellion and default. So what has worked will fail, and more so, and new things won't work for as long, failing quicker, fear and pressure will mount as the old fails, all to give rise to GUESS WHAT? – MORE BAD FEELINGS. And why more bad feelings? – so you can express them and bring to light the truth they are to help you see – THAT'S WHAT!

When a pandemic hits a community, why do some people never succumb to the virus or health issue while others contract the disease and many die? Why isn't everyone impacted equally?

Verna: Different childhoods, different beliefs, different self-denial parameters, all of which affect you in different ways bringing about such differences. You are living in denial of TRUTH. Your childhoods are truth-less. So your adult lives express or reflect this. Life as you know it is all wrong, negative, unloving, even all the good loving parts within it. So it's all got to change, BIG CHANGES, but you can do it, you'll see, humanity will have to do it.

This is the major difference with a Pascas Care Centre. In addition to providing a holistic allopathic and complementary health care service, we are to address the question of what is the cause of one's discomfort, pain and illness.

Further, we are to address the questions of why is it that treatments previously embraced have not continued to be successful in bringing about health to the body?

Verna: Same deal. It's all what went into you through your forming and early childhood. Nothing more. All the secrets are contained back there within yourselves. When you 'go in' you're to go into your early life through your adult 'now' feelings. That's how you do it, how you can really Heal yourself, nothing else will do. It might extend your life a bit, cure you of some illness, make you feel better, but all your childhood wrongness is still within your soul remaining there until the day you want to deal with it.

Do your Feeling-Healing; or better still, your Soul-Healing with the Divine Love. It won't be an easy ride, however your relationship with your aches, pains and illnesses will certainly change and evolve, and you might even find that you don't need as many of them if you look to your Feelings First, expressing them and seeing the truth they are to show you. And eventually you might not need any bad things happening to you as you no longer have any repressed bad feelings that you need to bring out. It's a different way to view life – but hey, what have you got to lose – only your old ways of suffering.

Love Verna – who by the way, is not just a pretty face! Chow for Now – over and out!

By living true to ourselves, true to our feelings, we are living true to God. It's that simple.

- We are to live Feelings First.
- We've been made to use our mind to live against many of our feelings.
- Our mind control commences at conception and is developed through our childhood.
- All the bad feelings we didn't express as we were growing up are still repressed inside us.
- And all such hidden, buried and unwanted feelings have to come out.
- And whilst they remain repressed within us, they will continue to make us feel bad and unloved.
- We get sick, depressed, suffer, have bad things happen to us because of our repressed childhood feelings.
- Humanity was brought into this state of living against itself by higher rebellious spirits.
- These Evil Ones caused the Rebellion and Default.
- We are made to rebel by default – as we have no idea we're doing it through our parenting in wrongness.
- We are all parented unlovingly – against ourselves, against our will.
- Some parenting in the wrongness is done with more love, yet it's all still wrong.
- To heal this unloving state within ourselves we have to do our Healing.
- Our Healing is our Feeling-Healing or Soul-Healing with the Divine Love.
- We can long to God for Their Divine Love, and this will help us with our Healing.
- God is our Heavenly Mother and Father, the Feminine Aspects of God having been kept hidden from us by the Evil Spirits.

CREATION, DEVOLUTION and EVOLUTION:

Aman and Amon (also called Andon and Fonta), our first parents, physical being was born of natural parents, who in turn had been born of their own parents. Their bodies were not created instantaneously, but evolved just as all of God's creatures evolved. Aman and Amon were both nurtured physically as infants and then children. **But our first parents' souls were placed in them when they were already adults.** They had no clear memories of their earlier life before that great moment. As soon as they possessed a soul, all of the normal human psychological manifestations appeared.

There were aunts and cousins, parents and grandparents. But they were not human like Aman and Amon - they were really animals, though of the same species. Aman and Amon wandered off from the family, since they could find no way of relating to them at all. How could they? They were incapable of rational thought, speech, or anything human. Aman and Amon knew that forevermore they were apart.

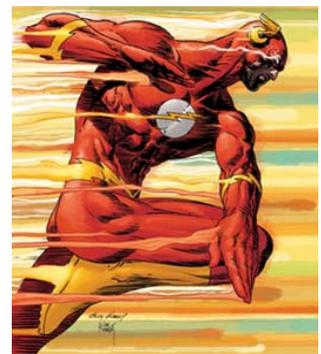

They were indeed a primate species of humanoids. But Aman and Amon (they were not Adam and Eve) were more beautiful than their animal relatives, and knew, even from their very appearance, that they were marked even by Nature to be different. The human body, without a soul, calibrates at 200 on Dr Hawkins' Map of Consciousness. Domestic animals typically calibrate 200 to 250. Our soul is the source of our personality, intelligence, and memory. Our soul is formed from the energy substance of natural love. There is nothing of the Divine within our soul.

The First Parents did not recognise the full beauty of the gift of Divine Love, and subsequently it was withdrawn. Man, left to his own perseverance and determination can develop into the perfect man with only Natural Love, however that is a slow and tedious pathway and limited to perfection of the soul, fit only for the 6th natural love spheres.

By embracing Divine Love and one's Feeling Healing, man can become fitted to enter the Celestial Heaven and higher in rather quick time. One's life on Earth, living with the Love and embracing Feeling Healing, can be that of living in Heaven!

Further, Feeling Healing with Divine Love, has a powerful positive effect on the physical body, balancing the hormones and generally promoting physical health, which is really the same thing as saying that the state of a mortal's soul impacts directly on that mortal's physical health.

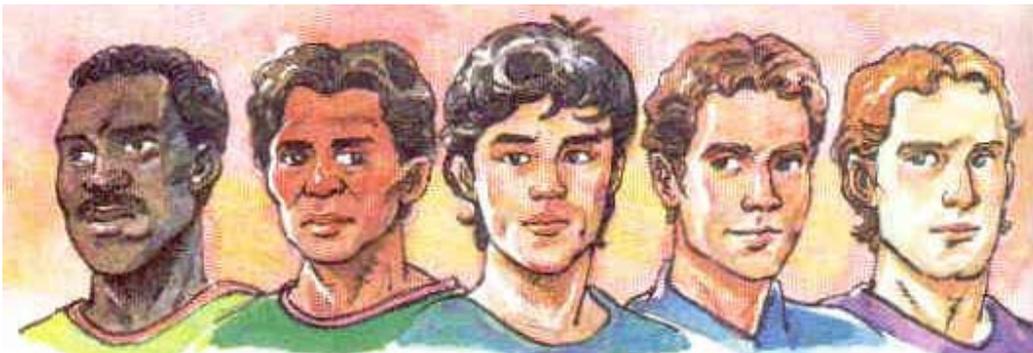

OUR SOUL is WHO WE ARE:

We are the personality of our soul. We never lose our personality.

We are a reflection of our parents' personalities. We wilfully embrace our parents' character traits and way of living and beliefs.

Our heritage is an outcome only of who we incarnate / individualise via.

All humans are descendant from Aman and Amon (Andon and Fonta), who lived about one million years ago. Not Adam and Eve who arrived about thirty eight thousand years ago. We all have the same colour skin pigmentation, just different amounts of it. It is our soul based personality that is who we are! Our nationality and racial background is imposed upon us at birth.

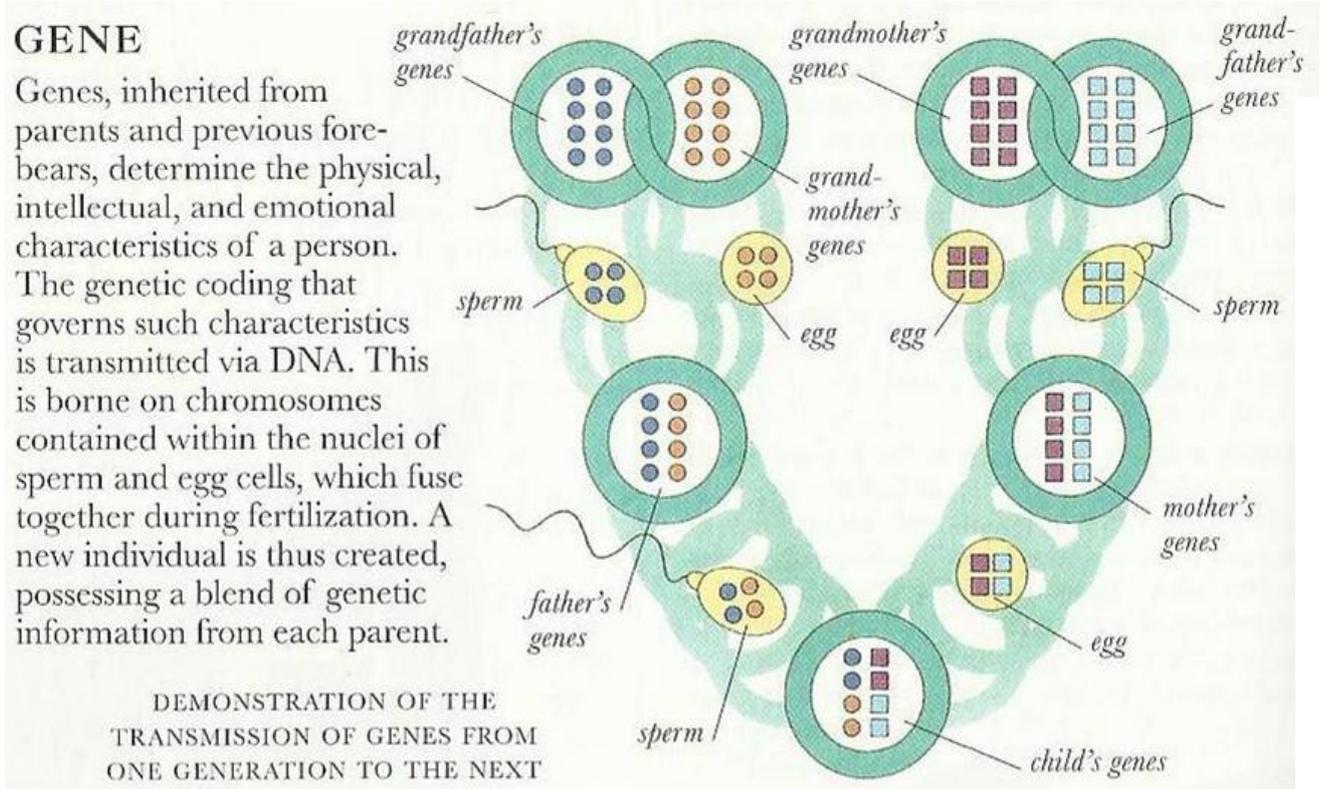

To liberate one's real self, one's will, being one's soul, is begun by embracing Feeling Healing, so as to clear emotional injuries and errors. With the Divine Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

HEREDITARY EMOTIONS:

From the moment of conception, we absorb the emotions of those who are within our environment, principally our parents, and in particular, our mother. They have absorbed their core emotions from their parents and so it goes back through the ages. Should any of our ancestry not have grown in love during this lineage, then we are absorbing the collective issues of this family chain. These issues are past through into our genes.

As parents, we should desire to grow in love. Should we grow in love, particularly Divine Love, then we also benefit our children in the same process. We enable hereditary issues to be removed not only from ourselves, but in the same process, for our children and their children.

INHERITED EMOTIONS:

Consider these statistics:

Generally speaking at least two people are responsible for each abortion. As there are around 44 million reported abortions each year, which suggests that 88 million adults have been party to these abortions in that year.

As there are 130 million live births per annum, that suggests that two thirds of these babies go on and subsequently become involved in an abortion at some time in their future!

The question to ask; if a person is willing to abort a child then what else are they willing to do?

For example, why would you carry concealed fire arms unless you were willing to use them on a person? Would you be comfortable to invite people into your house if they brought a weapon?

The hells could be considered a destination for anyone with a soul condition calibration under 200 on the Map of Consciousness.

Interestingly, typically military functions on the level of pride MoC calibration 175.

If everyone on the planet grew in love sufficiently to calibrate over 200 then we would have started the first phase of emptying the hells.

Further, armies would progressively be depleted of its troops and its capacity to conduct war. The same institutions could then turn its attention to building infrastructure and support facilities in distressed regions – a worthwhile agenda rather than destroying the region.

Also, the general physical and mental health of the population would have dramatically improved.

Global estimates of INDUCED ABORTIONS:

	1995	2003	2008
World	45,600,000	41,600,000	43,800,000

<http://www.mswm.org/abortions.worldwide.abortionstatistics.htm>

BABIES born Each Year; 130,000,000
It is estimated that there are approximately 130 million babies born throughout the world each year.

Miscarriage reportedly occurs in 20 percent of all pregnancies. This may be an inaccurate number. However, many women, before realizing a life has begun forming within them, may miscarry without knowing it. Therefore, the miscarriage rate may be closer to 40 or 50 percent.

World murder rate: 7.6 per 100,000 people per year.
The NUMBERS: Violent deaths worldwide, 2004:

Total:	740,000
Homicide:	490,000
Indirect consequence of war:	200,000
In war:	50,000

Over one million people die by suicide every year.
There are an estimated 10 to 20 million non-fatal attempted suicides every year worldwide.

DEATHS worldwide per annum: 60,000,000
Pollution causes about 40% of deaths worldwide, i.e., are caused by water, air and soil pollution.

Life Practice Matrix - Feelings First

Feelings *first*

EMOTIONAL INJURIES can be INDICATORS of PHYSICAL DISTURBANCES:

A number of similar harmful suppressions and repressions of emotional events will draw their energies together and also relatively similar injuries to that core, thus bringing about a unique cluster of held, damaging energy that then finds a home in a compatible organ or area of the physical body.

The foundation of such accumulations can commence immediately upon incarnation, being projections from one's parents and subsequently other family members.

The core emotional injuries grow and grow through relatively similar ongoing emotional patterns of parents and carers, thus creating the foundations for discomfort and subsequent illness within a child, and later on in their life. Due to the complexity and intertwining of the natures of those influencing a child, there is NO precise relationship between core and related emotional injuries – and specific illnesses or the nature of an illness – even though the patterns do suggest that this is so.

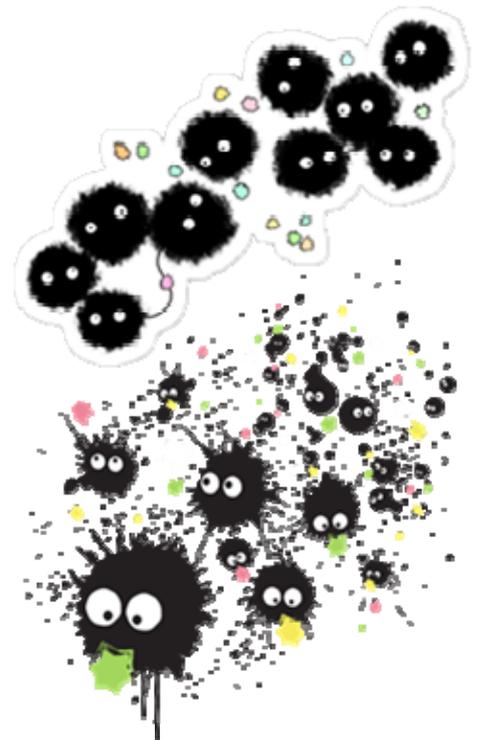

It is a generalisation that a range of emotions within a similar energy or frequency band find their manifestation by expressing themselves as pain and illness within one's body in predictable locations. Further, due to clustering of volumes of ongoing emotional injuries around the core issue, the healing process is complex and lengthy. The longing for truth of one's feelings resulting from the discomfort within one's body will be a lengthy process of working through the huge range of emotional issues directly related to any one illness event.

The gift to humanity is that any emotional injury gives us the opportunity to FEEL and LONG FOR the truth of what is behind the discomfort within our body, so that we may express what we recognise and talk the harm out of us – in this way we slowly heal ourselves – both spiritually and physically.

By ignoring what our body is bringing to our attention, by suppressing the discomfort, we bring about further escalation of the emotional error and a growth in the potential for greater vigour in the activity of the energy related to the frozen cluster of emotional injury. This may result in even more difficulty managing pain and disease within one's body.

This discomfort is a call to long for the truth behind what your body is drawing attention to and talk about what you are feeling, expressing what you feel is behind these issues, being your emotional errors and injuries, and express it out of you – release the injury.

OUR BODY NUDGES US TO LONG FOR TRUTH!

Should our physical body be without discomfort, pain and illness, we would not have any reason or prompting to pause for a moment and wonder what is behind such intrusions to our ‘harmony’.

In this way, our body guides us into asking for the truth behind such discomfort – to long for the truth behind our emotional injuries. Should we ignore these communications then our body will amplify its signals. They will strengthen progressively until we not only engage in our investigation into the underlying cause of the pain or illness, but also start to express what we are feeling – talk it out of us.

By expressing what we are feeling will not resolve all the pain until we have totally completed all of our healing. If we were able to resolve individual issues in this way, one by one, we would stop our healing process, our Feeling Healing. That would defeat the purpose of our body being able to assist us with our total healing of ALL of our childhood suppression and repression.

“We are parented heavily by our parents who use our and their physical bodies to control our emotions, feelings, mind and will. And we are forced to change from being true to being untrue – how they want us to be. Then through our Healing our physical bodies help us back the other way, from being untrue to being true. Our bodies show the damage done, giving rise to the necessary feelings we need to make us feel bad so we can use those feelings to keep uncovering the truth of our wrongness. With our soul causing our body to show the damage when it’s time for us to attend to the required feelings.

“Our parents inflict pain that changes us from being true to being untrue. And then when we do our Healing, our bodies express that same pain, giving rise to the same feelings, so we use them to heal ourselves.

“Our body is hurt and changes us. When we do our Healing, our body hurts and we change again, back into what we should have been.”

Note from James Moncrief 2 June 2018

Thus, it can be considered that Feeling Healing is the pinnacle of all healing modalities and that all health care systems (Allopathic, Ayurvedic, Traditional Chinese Medicine, etc.) are complementary when they do not shut one down from simply FEELING.

Our bodily discomforts, both physical and mental, remain with us in varying degrees until we transition into being Celestial – in at-onement with our Heavenly Parents – following completion of our healing all our childhood repression and suppression.

PHYSICAL DISCOMFORT is a COMPANION through out OUR FEELING HEALING:

We are to uncover the truth of our untruth through the Healing mansion crying world levels (and their equivalent on Earth); and then once that's done, and with the appropriate amount of Divine Love in our soul warranting fusion with our Indwelling Spirit, we can move into the Celestial spheres of love (or their equivalent on Earth).

Spirit Mansion World 3 equivalent on Earth: is for waking up to the truth that you're not loving and starting to get in touch with your pain, starting to accept your bad feelings, starting to work with them instead of rejecting them.

Spirit Mansion World 5 equivalent on Earth: is then about going right into the depths of them, feeling how unloved you feel and seeing how unloving you are and how that makes you feel, bringing out the majority of your pain, your misery, fear, anger, guilt, hatred, boredom, terror, rejection, nothingness, feeling powerless, alone and abandoned, and so on.

Spirit Mansion World 7 equivalent on Earth: is then about still working with the deepest and residual bad feelings, whilst looking to sort out how you wrongly relate to yourself and others, nature and God because of being unloving, understanding how your relationships are unloving, how you don't connect properly, how unloving you really are and why and fully accepting the truth of it, coming completely to grips with your parents not loving you as you needed to be loved – sorting it all out, including your self and feeling expression difficulties.

One's acute pains – such as headaches, hip / joint / back pain, etc., all of which can be crushing and feel like they are too much – may be to do with the actual breaking down of controlling beliefs. And then associated with them, and perhaps even resulting from them, comes all one's repressed emotions and feelings, namely, fear, misery and anger, they being the big ones, together with feeling powerless, useless, too overwhelmed that you can't go on, broken, unloved, unwanted, uncared about and so on. All these feelings and emotions are also painful, but are a different pain to when you feel like your mind and some part of its control is being broken down. Usually, when the mind breaking pain passes, you then move into deeper emotions and feelings to be expressed, feeling like you are progressing in letting go of your untrue self, giving up more of your falseness – evilness. These intense 'mind-breaking' pains come intermittently, sometimes many together, sometimes for a short time, sometimes over weeks, months, even years. So overall one's Healing may feel like it's one long mental breakdown, with all the additional emotions and bad feelings that need to be released along the way. All of which are trying to bring one's will back into being as it should have been had it not been so interfered with.

Accept, express and long for the truth of your feelings.

Live true to your feelings; your feelings are your true self. Be free in your feelings. Free your feelings from your mind's control. Live true to yourself through your feelings.

BODILY PAIN is OUR FRIEND:

Our body stops us largely through pain, allowing us to pay closer attention to ourselves and our feelings. The pain is there for us to deal with, embrace and accept, to want to know why we have it, what is really going on deeper within us that is causing it. And by expressing our feelings of pain, and longing for the truth of them, we can use it to heal all that's wrong within us. This being our Feeling-Healing.

However as we all rightly hate pain, we do all we can do to stop it as quickly as we can, so we rush off to the doctor, take pills, drugs, busy our mind trying to 'take our mind off it', all of which is dismissing these feelings that are there to help us. So by denying our pain we are further denying ourselves, which in turn is going to further (at some point) cause even more pain.

Our pain is to make us slow down, to pay closer attention to what we really are feeling. It comes about to stop us running away from the hidden truth of it, that which relates to our relationship with our parents and how they treated us, causing us such pain. All our pain (pain on all levels, including the physical) is the same pain our parents have made us feel. And we need to use it to find the truth of this. So even toothache pain can stop you, leading you deeper into yourself, helping you express all the terrible emotions and feelings it makes you feel, all so you can uncover more truth of your relationship with your parents and early life.

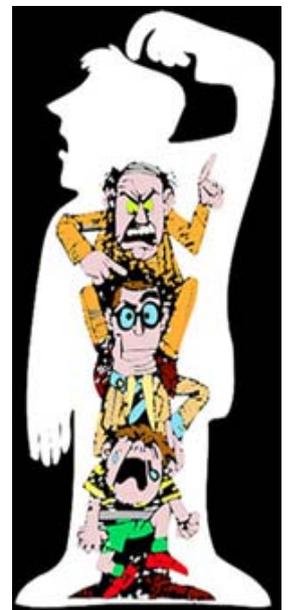

So in doing our Healing, we try to put off rushing to the doctor or seeking immediate help to remove even the slightest pain, choosing to instead put off such visits or taking pills whilst trying to express and seek the truth of such pain. However when it drives you to seek help, of course you do whatever you want to do to take it away, all the while expressing all those emotions and feelings and longing for them to reveal the truth you are to see about yourself.

So our body and its pain is our friend, used by our soul to help us come back to being closer to ourselves, to living true to what we are feeling and to set us free of our mind control and denial of pain.

Pole Shift

Pole Shifts are our own very personal life experiences. They are as dramatic as the physical pole shifts that the planet Earth endures from time to time. However, our own life events are far more important.

At the moment of conception we are in a perfect state. From the moment of conception we are overwhelmed by the well meaning endeavours of our parents, immediate family and carers. They do not know what *true* love is, they have never experienced it, so we are not *truly* loved by our carers and teachers. We are crunched into submission by everyone within our environment. Our Natural Self Expression is all but obliterated! We are crunched into being someone else that others impose upon us. We are made into ‘bad apples’. We proceed through our life experience, after our parents’ well meaning but misguided endeavours, and have this falsehood strengthened by our educators, then our religious organisations, then our employers, all overseen by our governments. We have no way of expressing our true selves.

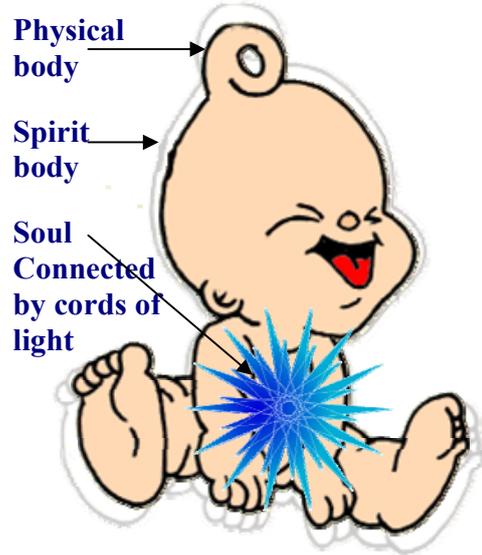

Now, for the first time in history of humanity, we can reverse our early Childhood Repression and Suppression and invoke our own counter Pole Shift. We can to liberate ourselves from our imprisonment within our mind that was imposed upon us from conception to around six years of age.

We can through our Feeling Healing embrace our feelings, both good and bad, long for the truth of what is to be revealed to us about such emotional events, and express such revelations to a companion and begin the climb of the pole to Natural Self Expression of our true personality. The task is painful, long and arduous; however, we are to liberate our true nature, our true selves of natural love, and in this way we will grow to be who we truly are, a child of our Heavenly Parents – and with Their Love, we can become Divine.

This is the Pole Shift that all of humanity is to engage with and grow from. This is the Great U-Turn.

A newly individualising soul is just a tiny invisible spark.

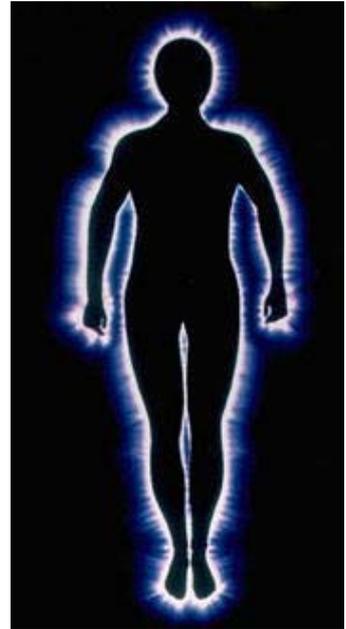

The soul nests inside of the spirit body, never to be separated.

The life force for the spirit body and the physical body is via the soul. The spirit body is connected to the soul via cords of light, and in turn, the physical body is connected to the spirit body via cords of light. Should the light cords between the spirit body and the physical body be disconnected then the physical / material body dies. The physical body is our starting point for learning and experiencing our being. Our learning and growth experience then continues through the existence of the spirit body.

ENERGY HEALING:

The energy or luminosity of our soul is reflected through our spirit body. The spirit body, also being the template for our physical body, appears in Kirlian photographs as per this graphic. This particular image shows a rather healthy vibrant individual.

When you attend a session with an energy healing practitioner, you will generally have some relief from your issues.

The vast majority of humanity are not aware of the availability of Divine Love nor its functions. Nearly all energy based healing modalities are natural love based.

Natural love peaks at 1,000 on the Map of Consciousness which is the 6th sphere limit. A natural love spirit will impose their will upon people, not respecting one's free will.

Divine Love extends way beyond the 6th sphere to infinity. Divine Love spirits will only assist you should you ask for their assistance. They respect your free will.

Only with the assistance of Divine Love and the help of Divine Love spirits can energy healing be permanent. Natural love spirits frequently provide a healing. Natural love spirits from the 4th and 6th spheres generally assist energy healers with their modalities to bring the spirit body and subsequently the physical body back into balance and health. However, the underlying cause remains unaddressed. The underlying cause then brings about a reoccurrence of the pain and illness.

Should a patient / friend be willing to feel into the underlying cause, become aware of the underlying issues, and have an intent to deal with the causal emotions AND be seeking the receipt of Divine Love, which is a substance, then Divine Love spirits, even from the Celestial Heavens (8th sphere and higher) will assist in bringing about a permanent resolution to the health event.

Possible relationship of Map of Consciousness (MoC) with Mansion World Spheres:

8th Sphere	1,081 – 1,251+ Achievement of at-onement on reaching 1,081
7th Sphere	921 – 1,080 Divine love only, transmission to at-onement and Celestial spheres
6th Sphere	841 – 1,000 Natural love mind world – perfect Natural love
5th Sphere	781 – 920 Divine love Mansion World
4th Sphere	651 – 840 Natural love mind Mansion World
3rd Sphere	500 – 780 Divine love Mansion World
2nd Sphere	500 – 650 Natural love mind Mansion World
1st Sphere	1 – 499 Natural love mind world predominantly

World 1 embraces the regions of disharmony as well as introduction to Divine Love. All humanity awaken in spirit in the first Mansion World. Then they move, if required, upwards to higher mind levels or lower into the hell planes or over into the Divine Love healing worlds. Humanity, overall, calibrates around 212 on the Map of Consciousness.

GEMS for ALL PEOPLE of all AGES to EMBRACE:

The GOLDEN AGE!

Cause No Harm < to OTHERS
to MYSELF

Strive to love others as I am to love myself

At any time, any where, and in any way you so please:

Approach our Heavenly Parents, in reverence, without fear or trepidation, just as we, as a child, approach our earthly parents knowing that open loving arms are extended to receive us at all times. As one's love grows for our Mother and Father in the Heavens, we come to know with absolute clarity and certainty that our Heavenly Parents, loves you and me and everyone in return, at all times, and that fear is an illusion created by man's mind.

God, who is our Heavenly Mother and Father, is almighty, all powerful, infinite, and all loving. The love of the Heavenly Parents for Their children, man, has been and is always infinite and ever present. As one's faith evolves, one's love for our Heavenly Parents will have no limit. As we grow in Their love, so will we grow in love for all of God's creations and our fellow man.

The Source Soul, our Heavenly Parents, simply desires for us to ask for Their Love.

God's Divine Love: Pray for it, ask for it, and receive it.

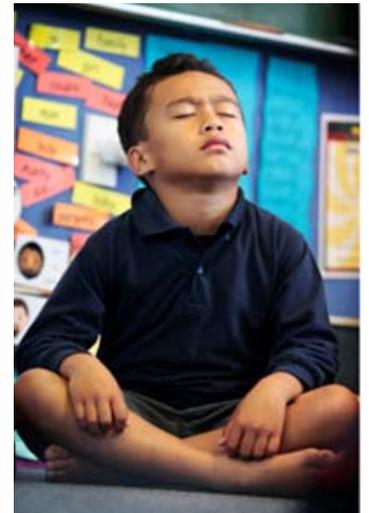

"I love you Father." "Let the Divine Love flow its energy into my soul."

"Mother, Father, I desire your Love and I am loving you."

"Soul God, I love you and I love receiving and experiencing your Divine Love."

"True Soul God, I am here, I am aware of your Love. Please hear my aspiration for your Love and as I approach you from my soul, I can feel your Love in the way that you are loving my soul."

"Please Father and Mother, may I receive Your LOVE."

Maybe we could simply long for and ask:

Please, Mother and Father, I want some more of your Love!

One's natural love is always progressively perfected during this journey of evolution of the soul.

Upon embracing Divine Love at any stage, then one can progress through the Divine Love spheres 3, 5, 7, whilst also doing their Feeling-Healing.

Even though a person may have received Divine Love, they do not avoid compensation or doing their Feeling-Healing, so they may still spend time within the spheres of disharmony.

Natural Love sectors for those doing their Feeling-Healing, without the Love, are within the Natural Love Mansion Worlds:

Progressing through the natural love worlds, within Feeling-Healing sectors, while doing one's feeling healing, upon reaching the 6th Sphere having completed Feeling-Healing, one can then embrace the Divine Love and proceed directly to the 5th Divine Love Sphere.

Then they may prepare to enter the Celestial Heaven Spheres from there.

This pathway is when the Divine Love is unavailable before perfecting one's soul.

Repairs to the spirit body flow through to the physical body, essentially as repairs to faulty genes within one's DNA.

The receipt of Divine Love is the only thing that transforms one's soul into that of the Divine. Prior to you receiving Divine Love, by asking for it, there was nothing of the Divine within you.

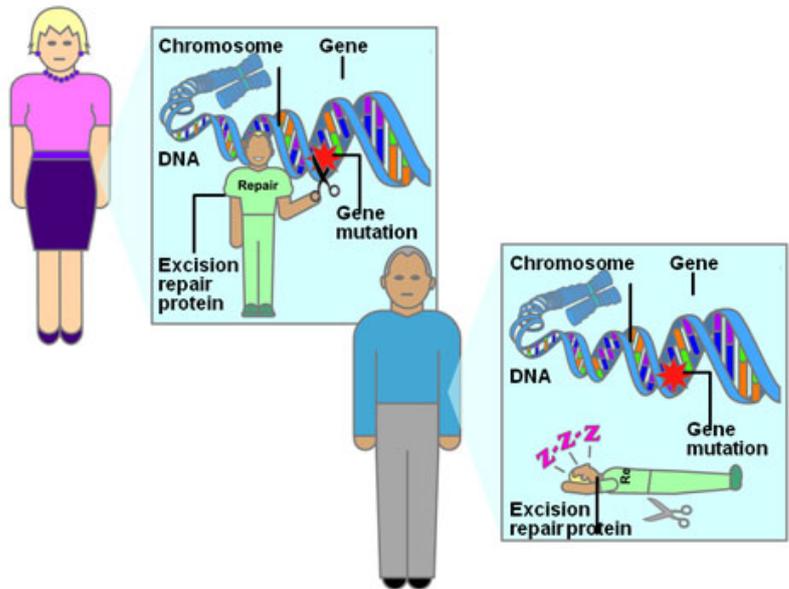

Only Divine Love will enable you to purge emotional injuries from within your being, namely your soul. As you ask for Divine Love, you can also ask for aid to deal with those most troublesome and pressing issues within your make up and character. You can be item specific. This way you can focus on health and personality issues that are most relevant to your present needs.

Only with love, Divine Love, will we grow in love and light and become a demonstration of the love that we all so desperately seek, however, most are unaware of how to obtain it.

It is so simple that it is almost unbelievable.

Divine Love, ask for it, pray for it, and receive it.

Faulty Gene Repair Activities

Consider praying for these three desires to blossom within you:

A L O N G I N G for GOD'S LOVE to ENTER YOU
 A L O N G I N G for GOD'S TRUTH to ENTER YOU

 Humility is the passionate desire to experience fully
 ALL of your own emotions,
 without blame, judgement or condemnation

FEELING HEALING + SOUL HEALING

To heal one's self is to simply look to see what feelings we are refusing to let ourself feel, and accept them instead of denying them. And to fully accept them, one needs to express them, speak about them, let them have their say, rather than pushing them aside, refusing to let them make you feel bad.

Doing this all with the intention of seeking the truth of why you are feeling them, of speaking about and expressing all such feelings; all feelings you have, but ALL WITH the INTENTION of UNCOVERING the TRUTH THEY WANT YOU TO SEE ABOUT YOURSELF. And it's the wanting to see the truth of them that is very important, because if you just look to accept them and speak and express them, but not seek their truth, then that's all you'll be doing, speaking and expressing them, but not healing their causes, so not fixing the things within you that are making you feel bad. And it's the truth part of it, seeking the truth of your feelings, and so, seeking the truth through your feelings, that's vitally important. It's the truth of yourself, life, nature and God, that is the spiritual aspect to it all.

You CAN'T find the truth of yourself, or anything else, through and with only your mind. You HAVE to engage and look to your feelings. And so if you choose to allow your feelings to 'Show You the Way', then the truth will come as you express them. So to do our Soul-Healing consists of these steps, all of which are ongoing until it's done:

- **Admit you are feeling bad.**
- **Accept your bad feelings, identify what they are.**
- **Honour fully your bad feelings by expressing them, speaking about them to someone who is willing to hear you talk about them, or tell them out loud to our Heavenly Parents. Long for the truth of them. Long for the truth of why you feel bad – what deep within you is causing your bad feelings?**
- **And remember, bad feelings are Good! Not bad. They are not to be despised. And as hard as it is to accept them, they are still you, and a very real part of you. And if you persist in denying them and not allowing yourself to fully live them, then you are only going to keep yourself in your errors making things harder for yourself.**
- **All sickness and suffering, all bad things that happen to you, all your problems, all your addictions – your whole feeling-denying and untrue life, is all caused by your denial of bad feelings.**
- **Every problem in the world is brought about because everyone has been brought up to deny feelings, and in particular, most of their bad ones.**

If one is intent on spiritually evolving and growing in truth, then it's vital, and this is the key, that one looks to use one's feelings as the means to gain and have access to the truth of oneself. You CAN'T find the truth of yourself or anything else through and with only your mind. You HAVE to engage and look to your feelings. And so if you choose to allow your feelings to 'Show You the Way', then the truth will come as you express them.

Doing your Soul-Healing with the Divine Love, is really doing your 'Feeling-Healing'. We are designed — created — to be self-revealing of truth, and so we are all to uncover the truth within ourselves and for ourselves, and all being done by living true to our feelings. **If you accept, express and seek the truth of your feelings, then truth will come to you, and you'll grow spiritually. It's as easy as that. Also it is as easy as it is to long for, ask for and receive Divine Love.**

FEEL *for* TRUTH

The beauty of it all, is the truth comes to you through your own feelings. You don't need to be told it by anyone. You can work it all out for yourself. We are self-revealing of truth, it's how God created us to be, and by being it we'll feel the happiest we can feel. Truth is our great comforter, so when you feel it come up within you, ah it feels so good and you feel just right – perfect!

We know only how to deny feelings, now we can get to know how to accept them. And always with the truth being the most important part.

FEELING TRUTH

If you don't want to uncover the truth of your feelings, then you can keep on expressing them forever but you will never fully heal yourself. Seeing the truth results in the Healing. And to see the truth you need to express all the pain out of you. The two things go hand in hand.

You can accept and express your bad feelings, letting off steam all day long, yet nothing will heal and nothing much will come of it. So this is where wanting your feelings to show you the truth of why you're feeling as you are is so important.

Don't go fishing with your mind, that will shut the truth out from rising up for you. **KEEP YOUR MIND OUT OF IT.** It's a feeling thing, doing your Feeling-Healing. (This is where we erred previously, and this how other modalities are in error.)

You long when you can, then stop longing and keep expressing. And at some point, and it might not even happen immediately, it might happen after days or weeks of expressing the same bad feelings, truth will come to you. And it does, it just comes up suddenly into your consciousness. You just know. You see the picture and you feel it's true. And you know it's true. And THEN your mind can come in and start sorting it out and putting in context.

It's the Truth that we are seeking. It's the End Point. The Reason for doing your Healing. You are to see the whole Truth of yourself. And to begin with, that's the whole truth of your unloving self, of your wrongness, of your evilness, of why you are as you are in your negative unloving mind-controlling state. To be able to fully accept yourself as you are, warts and all. To not fight or resist or try and change yourself, just to accept all you feel and all the truth of all those bad feelings you feel about yourself. And when you do, so you will be healed. You CAN'T heal yourself unless you uncover the truth of your pain, suffering and so the truth of all your bad feelings.

Through our Feeling-Healing we long for the truth of what we're feeling whenever we can. So as often as you can. You want, and REALLY WANT WITH ALL YOUR BEING, ALL YOUR WILL, to know why you are feeling bad. You yearn, want, long and beg and beg and BEG God to show you the truth of yourself through your feelings. So when you are expressing your bad feelings you can stop and long for the truth to show you what's going on, why do you feel so bad, and you can do it any time you think of it or feel to do it.

Heartfelt TRUTH

Prayers to our Mother and Father

From 'Religion of Feelings' by James Moncrief

Please Mother and Father help me accept my untrue state and bring up all my repressed feelings so I can see the full truth of why I feel so unloved and all that's wrong with me.

Please Mother and Father help me see the truth of myself through my feelings.

Please my beloved Heavenly Parents, fill my soul with Your Divine Love. I long for Your Divine Love; please answer my prayer and yearning to be at-one with You and do Your Will by living true to myself and all my feelings. Please fill my heart and soul with Your Divine Love – please make my soul like Yours – Divine.

Please Mother and Father, I want to uncover the whole truth of myself through my feelings. I want to be able to feel and accept just how bad I am, how bad I feel I am, how bad I've been in my life. I want to know the whole ugly truth of myself, see it and feel it and understand how I came to be it. Please reveal to me through my feelings all the truth of myself You want me to see. I want to be as You want me to be; I want to be true and perfect, Healed of all my rebelliousness and self- and feeling-denial; I want to be good, loving, true and happy, please help me become true to myself, true to my soul, true to You.

Please Mother and Father help me, I'm in such bad pain, I feel so alone, so miserable, so scared, what's going to become of me, I don't understand, what's the point of me, why have You made me; please help me see the truth of myself – all the truths of myself, nature, how to be in the world, of You both. I want to know, I want to know it all through my feelings, all that there is to see, the whole truth and nothing but the truth. Please help all my pain come to the surface of me so I can embrace and accept and express it out of me. I want to use my feelings to uncover the truth they are to show me; please help me to do that.

Please Mother and Father love me. I want You to love me. I want to feel fully loved by You. I don't want anything else, only to be with You. Please, that is all I am asking.

Please make me feel how unloving I am. Please show me the horrible truth that I am. I want to see and feel and understand the worst of me, please take me into my darkest scariest ugliest unwanted rejected places within myself. I don't want to feel all the dreadful pain that I know is there locked away inside me, yet I do also want it all to come up and out of me, and I want to use it to see the truth of my wrongness, the truth of how evil I am, the truth of my fucked up state. I no longer want to be false, pretending I am okay, using my mind to make me falsely believe I am good, happy, loved and loving, when I know I'm not. For how can I be when You've brought me into my unloving state, making me be of it. And as You want me to experience being this negative way, please show me the whole truth of it. I no longer want to deny any part of myself, or any of my bad feelings. I want them all to come up so I can express them, emoting their pain, feeling how bad You've made me feel all my life and all through my early life; I want to see why, and so reveal all the truth to myself. I want to be the living truth of myself, living true to my feelings and the truth they give rise to. Please help me to do my Healing, and please fill my soul with Your Divine Love.

The mind way is the 'dead' way; the feelings way is the 'alive' way.

Examples of some prayers to God:

From 'Feeling Healing' by James Moncrief

Please God show me the truth of myself through my feelings.

Please help me see the truth about myself You want me to see.

And please help me feel all my repressed pain; please bring up all my bad feelings so I can express them and see what it is they are to show me about myself, my life, and You.

And please help me work through my blocks, I want to Heal myself, I want to become true to myself and true to my feelings and true to You – please help me do that.

Heavenly Mother and Father, I feel so bad, and I know I'm doing it to myself, but I can't help it. I can't stop my compulsive addictions, so will you please bring up the buried feelings in me and show me the reasons why I can't stop. Please! I want to know – I REALLY WANT TO KNOW why I do them. Please help me Mother and Father to uncover the truth of myself. Please, I beg you, please, please, please show me the truth of them so I can give them up. I hate feeling bad, yet I know I must so I can keep expressing my bad feelings to see the truth You want me to see, so please help me feel bad.

Please Mother and Father fill my heart and soul with Your Divine Love. Please give me Your Love. Please love me and make me feel loved by You. I want to feel You close to me, I want You to hold me, make me feel loved by You. I only want You and to do Your Will. Please help me bring up all my repressed feelings so I can express them and uncover their truth. Please help me do my Healing. Please give me Your Love.

I hate you Mother and Father; why have You given me such a shit awful life? I hate myself, I hate You, I hate everything about my life. I feel so bad all the time. I've expressed so many bad feelings and still I feel bad. It's not fair, it's not fair what You've done to me. I hate You! And I want You to help me Heal myself, so I can stop feeling bad. You put me in the shit for whatever reasons, and I want You now to help me get out of it and show me what it's all been about. Please help me to Heal myself so I no longer hate You.

I long for Your Divine Love Mother and Father. Please fill my soul with it. And please help me uncover the truth of myself through my feelings. I want to see it all! And please make it all end, I'm so tired of always feeling so bad, please take all my bad feelings away by making me feel them and showing me the truth I am to see.

LOVE
is
Feelings First Spirituality, The New Way

Feelings First Spirituality, The New Way is a contemporary ‘religion’ based on living true to yourself through your feelings. Understanding that all you need in life is contained within your soul and is shown to you through your feelings. And by loving your feelings, by attending to them properly (talking or writing them out of you) and not denying them, you can use them to uncover the truth of yourself – the truth of your soul.

Feelings First Spirituality is not a formalised religion that tells you how to be, that is too controlling and is actually bad for you, limiting your spiritual growth. You can be wholly self-revealing of the truths you need to be, being the person God created you to be, all by living true to your feelings.

Feelings First Spirituality has no formal structure because we understand we don't need one, our soul contains within it all the truth of our spiritual ascent. If we look to our feelings for the truth they want us to see about ourselves, nature and God, then what more do we need! Our true spiritual path is the path our feelings will lead us down, that is, provided we allow them to. This is the most spiritual we can be.

Living the New Way of Feelings First Spirituality

You come to the understanding from your life experiences that how you are is not right, it doesn't make you feel good – that you are wrong in some way. And you want to change yourself, you want to become right, true and perfect – you want to be like God is.

And to do this you need to do your Healing

Your Feeling-Healing is looking to your feelings for the truth of yourself, the truth being hidden in many of the feelings you are not wanting to face in life. So you have to end your feeling denial, accepting all your bad feelings (and good ones), express them (yet not necessarily acting upon them), whilst longing to uncover the truth they are to show you.

Or, you can do your Soul-Healing, which is your Feeling-Healing together with including longing directly to God for God's Divine Love. When you receive the Divine Love into your soul, it will cause your soul to become divine, and it will deepen your personal relationship with God. Long with all your heart to God for God's Divine Love.

Feelings First Spirituality

The New Way

By living true to ourselves, true to our feelings, we are living true to God. It's that simple.
--

REVELATIONS

Revelation 1: Our soul becomes encrusted with harmful ways of life, plus negative and erroneous beliefs, these mainly stem from our childhood upbringing and environment. Thus we live untrue to ourselves, we become 'evil'. Whilst we hold to these injuries we limit the amount of Love that we can receive into our soul. To open our soul to the Love we must firstly and progressively feel into our emotional injuries and allow them to be released. Until we emotionally experience past errors and injuries we hold onto them.

To free our soul of damage and toxic emotions we must open ourselves to experiencing them. This is a progressive, slow and uncomfortable cleansing process that we must all experience. Only by addressing the generational injuries will we, as humanity, evolve in love.

To fully divest one's self of our badness, we have to 'go into' our feelings. Call this process of clearing toxic emotions as 'Letting Go', 'Emotional Processing', 'Journey Process' or 'Feeling Healing'. Embracing Divine Love then Feeling Healing becomes Soul Healing.

As part of our Feeling-Healing we will have to work our way into all our feelings to see if indeed they are coming truly from our heart and soul, or if they are being heavily influenced by our mind. And this will then lead us into questioning and uncovering the truth, if there is any, to our beliefs and why we behave the way we do; and is such behaviour based on truth, or is it based once again on untruth, belief, and rules of our mind.

Revelation 2: We can long for, ask for and receive the Mother and Father's Divine Love. The greater our soul is free of error and injury, the more of the Divine Love can be received and assimilated into our natural love formed soul. The Love does not free us of injury, however, it strengthens our resolve to continue on our journey to be free of error and injury, to step away from evil aspects that have been encapsulated within our humanness and soul. It is this Love, the Divine Love, that brings about immortality of our soul and it is this Love that will eventually fit us to enter the Celestial Heavens and progress for ever more onwards to Paradise. These two revelations free us from error and enable us to grow in love ever more.

Immortality with the Love.

THE HEALING OF YOUR BAD FEELINGS THROUGH THEIR ACCEPTANCE
AND FINDING THE TRUTH OF THEM, IS THE ACCEPTANCE OF YOUR
NEGATIVE, REBELLIOUS, EVIL, IMPERFECT MIND AND WILL CONDITION.

To do our feeling-healing we need to become:

Aware of – Acknowledge – and Admit, our bad feelings.

So we can:

Accept – them and allow ourselves to Be them.

And then if we feel to, take:

Action – Express, speak and emote them.

Talk about them.

All being done whilst longing to, really wanting to, see the TRUTH of our feelings.

So it sounds simple.

So I repeat:

We accept our bad feelings by expressing – speaking about them to someone willing to listen to us and take us seriously. And as we speak we long for the truth of them – why we are feeling them – to be made known to us. And when we uncover and see the truth we are FREE! – healed of the causes that have made us feel bad.

Accept, Express – see the Truth, and you're Free!

ACCEPTANCE OF ALL YOU FEEL, THINK AND ARE, IS THE KEY TO DOING
YOUR HEALING; THAT, AND WANTING TO SEE THE TRUTH OF ALL YOU
FEEL, THINK AND ARE.

Release one's pain through expressing one's feelings.

in conjunction with

Longing for the Truth when also longing for Divine Love.

God is God, who is our Heavenly Mother and Father, being SoulMates. There is only one Soul that is God's Soul, that being the Soul of our Mother and Father. Our Heavenly Parents are the First Soulmates; The Two Who Are One who have brought us all into being.

Jesus and Mary are a son and daughter of God.

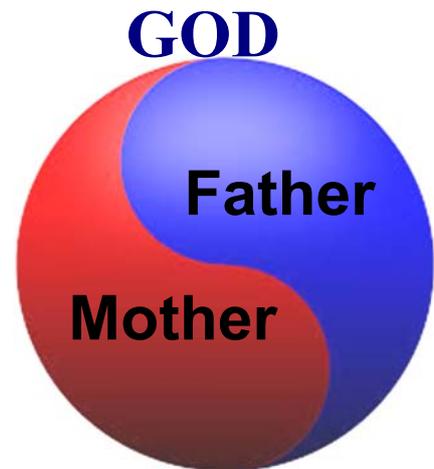

Jesus of Nazareth and Mary of Magdalene, being soulmates, were both free of sin. Jesus and Mary, combined in their love for us, are our teachers and guidance for us to find our way home to our Heavenly Parents. To start this journey we are to liberate our souls from being entombed within our suppressive minds, through feeling and longing for the truth of our feelings via our soul and peel away our injuries incurred since conception.

Give yourself time to consolidate your relationship with the Mother and Father through the partaking of Their Love. And whilst you are doing this, you can learn about your healing, all that's involved with it, as there are many willing spirits to share their healing experiences with you.

When you are ready it will start happening simply because you will want it to, it all being orchestrated by your soul. And when that time comes you will have developed a strong foundation in your relationship with the Mother and Father for you to work from. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

It is to make longing for God's Love the priority, and then do one's healing; should one want to include God and the Divine Love in one's feeling healing. This is doing your soul-healing as you are seeking to heal your soul of all evilness - of that which made you become evil, and release all the hurt and pain of not being fully and truly loved.

WE ARE Children of God

WE ALL ARE BEING GUIDED HOME:

We need the Spirits of Truth of the Avonal Pair to Heal ourselves; then once Healed, (and for support (overshadowing) as well through your Healing), we need the Creator Pair, Mary Magdalene and Jesus’ Spirits of Truth to see us through the Celestial spheres, while at all times embracing our Heavenly Mother and Father.

Until Mary and Jesus died and liberated their Spirits of Truth, no one from any of the worlds could leave Nebadon, because no one knew the way to do so. Nebadon is our local universe containing some 3.8 million inhabited physical worlds and their associated spirit worlds.

When we embrace the truths Mary and Jesus are revealing, and start to do our Feeling Healing, or with Divine Love, Soul Healing, we are then freeing ourselves up from our parental and self control.

Thus our journey to Paradise, to the home of our Heavenly Parents, is of our choosing as to when we progress, however, there is only one way:

HUM: Humanity is to ascend. We are self contained. Our soul is always in truth and perfect at all times. **By living true to ourself, true to our feelings, we are living true to God. It’s that simple.**

We are to recognise that being engaged and dominated by our mind is the wrong way for us to evolve and grow in truth. We are to discard the mind enslavement that has been imposed upon as by all of our parents. We are to express our feelings, both good and bad and free ourselves of the indoctrination that humanity has embraced worldwide.

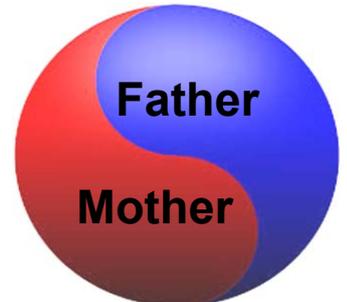

Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God’s soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of our Mother and Father.

AVO: We are to embrace the truths and guidance of the Avonal Pair through their Spirits of Truth. It is the Avonal Pair’s guidance that will lead us through our Feeling Healing, and with Divine Love, we will be able to ascend through the 7 spirit Mansion Worlds and enter the Celestial Heavens where we also interact with other world’s spirits.

J&M: We are also to embrace the truths and guidance of the Paradise Pair, Mary and Jesus, who will then lead us through the 3 Celestial Heavens that are aligned with Earth, and then further on through Nebadon where we will then depart beyond on towards Paradise.

M&F: Beyond the universal zone of Nebadon, we will be guided by our Heavenly Mother and Father onwards through the universes to Paradise where we will be welcomed by them, home for us all, as we are all Children of God.

WE ALL ARE BEING GUIDED HOME – NOW, HOW TO COMMENCE THE JOURNEY:

GOD

M&F

For 200,000 years, we have been misled into embracing our mind's distortion of wisdom and truth. All such traditional understandings only lead us in the wrong direction, from which we must turn back from. Our soul based feelings are always in truth. Our minds are to follow our soul based truths and feelings, not the other way round, as we have been brought up to embrace.

We are to connect with our deeper repressed feelings.
 We are to long for the truth of what we are feeling.
 We are to live true to our selves; by living true to our feelings.

Use your surface day-to-day feelings to connect with your deeper repressed feelings. Express your surface feelings and your deeper repressed feelings to uncover the truth of yourself.

J&M

We all have feelings which we communicate and share with each other. And we all have deeper buried and hidden repressed feelings. Feelings from our early childhood we felt, yet weren't allowed to express. These feelings are still within us, waiting to have their say. These feelings, because they are repressed, cause us all our problems.

And as we look to uncover, bring out and accept these deeper feelings, so we're taken into new ways of looking at ourselves, our feelings, and our life. We're setting ourselves free of the controlling patterns that govern our unloving behaviour.

In this way, we progressively begin to express the personality that our Heavenly Mother and Father gave us, not the one imposed upon us by our physical parents and carers. We are to be our true and real selves.

By living true to ourself, true to our feelings, we are living true to God. It's that simple.

AVO

HUM

As we, humanity, long for the truth of our feelings, we can also be assisted by the Spirits of Truth of the Avonal Pair who are our spiritual teachers for Earth over this coming 1,000 years, to assist us through the Great U-Turn, away from mind dominance to being soul based feeling lead. They will assist us through the seven levels of the spirit Mansion Worlds.

Then the Creator Pair, Jesus and Mary, will lead us through Nebadon and into the greater universe. Then our Heavenly Mother and Father lead us home to Paradise.

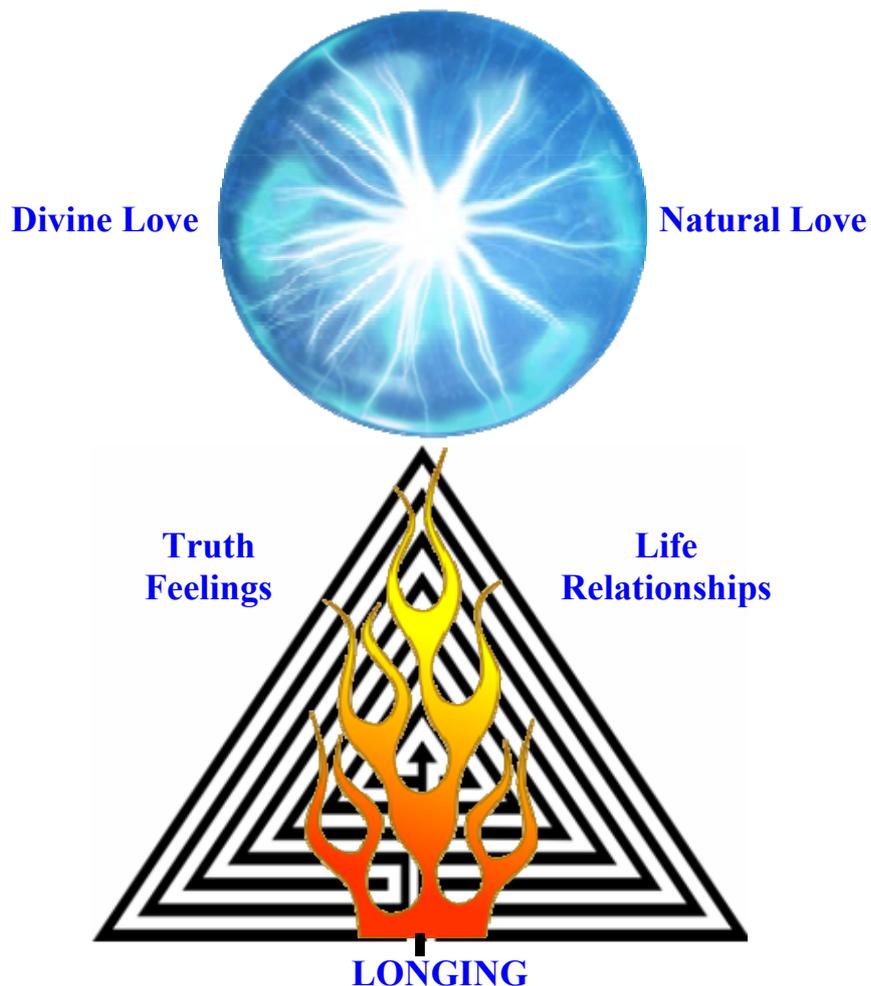

Collectively, should we embrace them all, as we are to, then our pathway home is a journey in the hands of the Spirits of Truth of the Avonal and Paradise Pairs overseen by our Heavenly Parents.

WE ARE Children of God

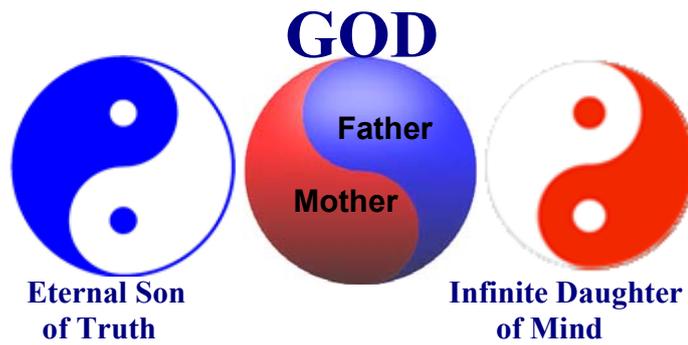

HOW TO GET TO PARADISE:

Long for the Divine Love
 Long for the Truth
 Long for the truth of your feelings
 Don't deny any feelings: accept, express and want to know the truth of them
 Know your feelings are the key; your feelings are the Way
 Want to end your falseness and being untrue
 Want to understand the truth of your early life
 Use your surface feelings to move deeper into yourself, bringing up your repressed feelings
 Want and long to know the whole truth of yourself
 Want to do it all with God, your Heavenly Mother and Father – long to Them for help.

The Key

Our longing drives our life. We long with feelings. We can wish for things using our mind, yet long for things with our heart. These things in the pyramid are what to long for. Longing for them, when the longing comes naturally. Longing because you feel you really want them. Long to be true with all your heart. Long to live true to your feelings. Long to understand the whole truth of yourself.

PARADISE TRINITY:

1. **Our MOTHER and FATHER (God)** (MF) – **Divine Love**
SOUL (God) – One SOUL that is expressing its two PERSONALITIES, our Heavenly Mother and Heavenly Father (Soulmates)
2. **ETERNAL SON** (ES) – **Divine Truth**
3. **INFINITE DAUGHTER** (ID) – **Divine Mind**

Then: The Second and Third Persons of the Paradise Trinity (ES and ID) are stepped down to the local universe trinity (Mary and Jesus, Divine Minister (DM), and her Holy Spirit.

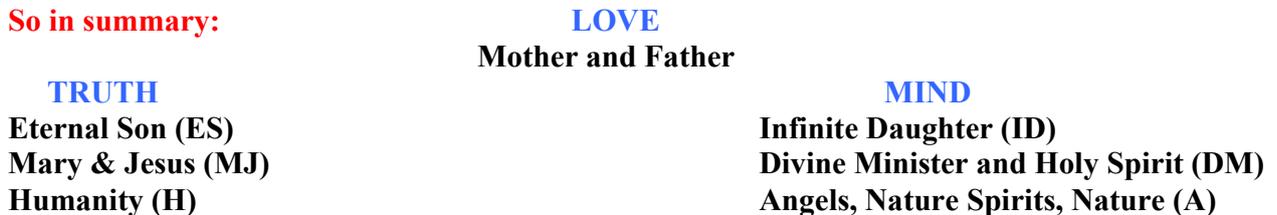

The LOCAL UNIVERSE TRINITY:

1. **MARY M and JESUS** (MF) – **Divine Love**
– the **Living Truth**
2. **DIVINE MINISTER** (DM) – **Mind** (and her Holy Spirit)
3. **HUMANITY – Natural love, sons and Daughters – Truth, and our Angels – Mind**

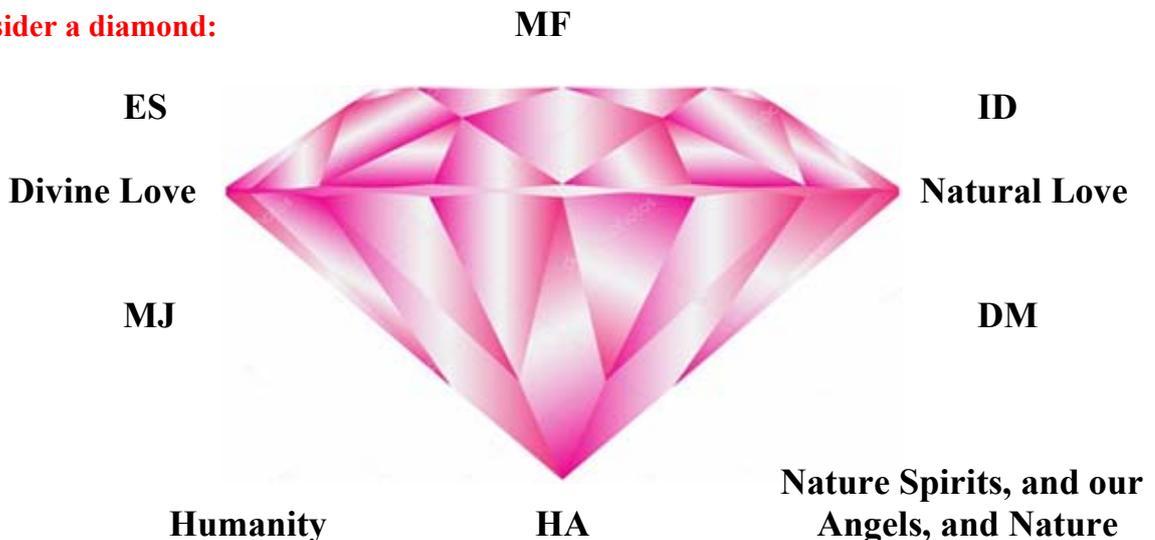

PLANETS that engage in REBELLION:

1. **AVONAL SOULMATE PAIR** – the **Feeling Healing process – incarnate**
2. **DAYNAL – TEACHER PAIRS** – they do not incarnate

So in summary:

Consider a diamond:

Mother and Father Heavenly Parents

Creator Son & Daughter
Jesus and Mary

Avonals
as soulmate pairs

Trinity Teachers
as soulmate pairs

Melchizediks – who have taken over from the Caligastians and Daligastians being also all as soulmate pairs.

Mortal Souls – human beings who individualise on Earth, then progress through the spirit Mansion Worlds, then into the Celestial Heavens, and beyond.

Mortal Souls – also being ascending spirits, upon completing their Soul Healing, join with their soulmate, then join their soul group of 24 mortal spirits, being 12 soul pairs.

It is only as a soulgroup that anyone can progress beyond Nebadon.

The Paradise Pairs are all ONLY concerned with the SPIRITUAL wellbeing and upliftment of the planets and local universe. Currently to do with Earth:

Mary and Jesus – spiritual wellbeing and upliftment of the whole of Nebadon region.

Avonal Pair – Daynal pairs (Trinity Teacher Daughters and Sons) – Spiritual wellbeing and upliftment of individual planets and their associated Mansion Worlds.

The Local universal Sons and Daughters are all about the running of the worlds under their jurisdiction, and ensuring the higher spiritual elements can be employed, or sent astray, as in our cases through the Rebellion and Default.

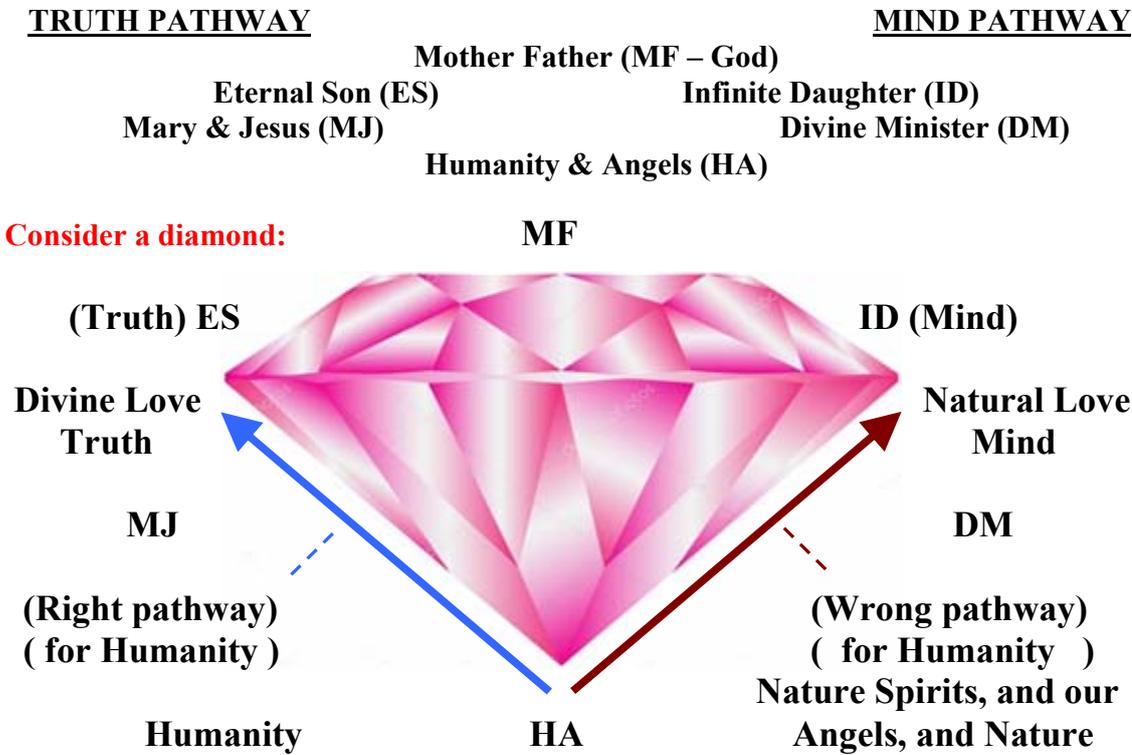

Lanonandeks – Melchizedeks (and others, such as Life Carriers and Eve and Adam).

As the Lanonandeks all rebelled – the Lucifers, Satans, Caligastias and Daligastias soulmate pairs – so the Melchizedeks have taken over their roles, as well as doing their own.

So the Melchizedeks are the governors, overseers, the administrators and advisors and so on for Earth; they are the ‘controllers’, and they will instigate all that needs to be done to do with the ending of the Rebellion and Default. And they will enlist the willing help of ascending mortal pairs, so the mortal Celestials spirits (soulmates when available, and others waiting to unite with their partner), and at times mortal spirits in the Divine Love Healing Mansion Worlds. And the angels help all of us.

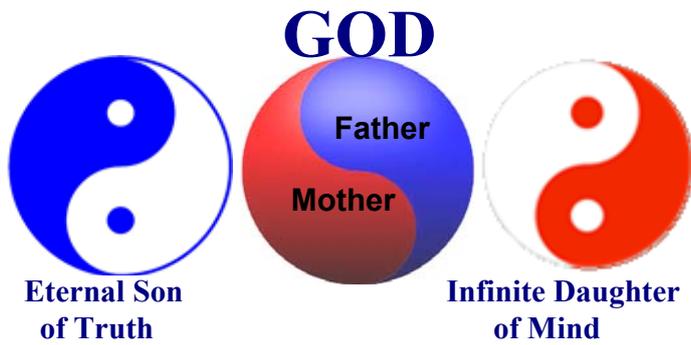

Currently the whole of Creation exists for the ascension of mortal souls from their earth planets to Paradise. It’s all one vast Grand Ascension Scheme. With all the higher and lower spiritual Daughters and Sons, together with all the many different angels and other universal spirit personalities, and even including nature and our very own pets, assisting women and men with their Ascension Journey. It being: and Ascension of Truth. Everything we do is done to help us grow in truth. (Only everything we do in our negative state is to deny ourselves our truth from our feelings, which is why we have to do our Healing.) All women and men are ascending (or growing) in truth through their experiences. And as we grow in truth by looking to our feelings to show us that truth, so we’re ascending, moving inwards and upwards through all the worlds and spheres of the Grand Universe to one day arrive on Paradise and meet our Heavenly Parents. God is providing us, Their children, with this spiritual journey called our Ascension of Truth. And by living true to our feelings, so we are progressing on our true Spiritual Path – our Ascension Path.

Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God’s soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of your Mother and Father.

Humanity is to pursue the pathway for Truth through one’s soul based feelings, this is the right pathway. However, humanity commences its journey founded on natural love, which we now know is to be perfected through one’s Feeling Healing process and then made divine through asking for and receiving our Heavenly Parents’ Divine Love.

For 200,000 years, **humanity** has pursued the pathway of the Mind, being that of the brain, this is the wrong pathway. The Mind is the pathway for Angels and that of all of Nature.

CREATION of SOUL and SPIRIT:

God is *The Paradise Trinity* — the eternal Deity union of the Personalities: the Universal Mother and Father; the Eternal Son of Truth; and the Infinite Daughter Spirit of Mind.

The soul of each human personality (sons and daughters of truth) is existential, driving our personality expression in the experiential. The soul of each human finds truth by embracing one’s feelings and longing for the truth of them. We are to attain the Eternal Son of Truth. We are a creation of Truth.

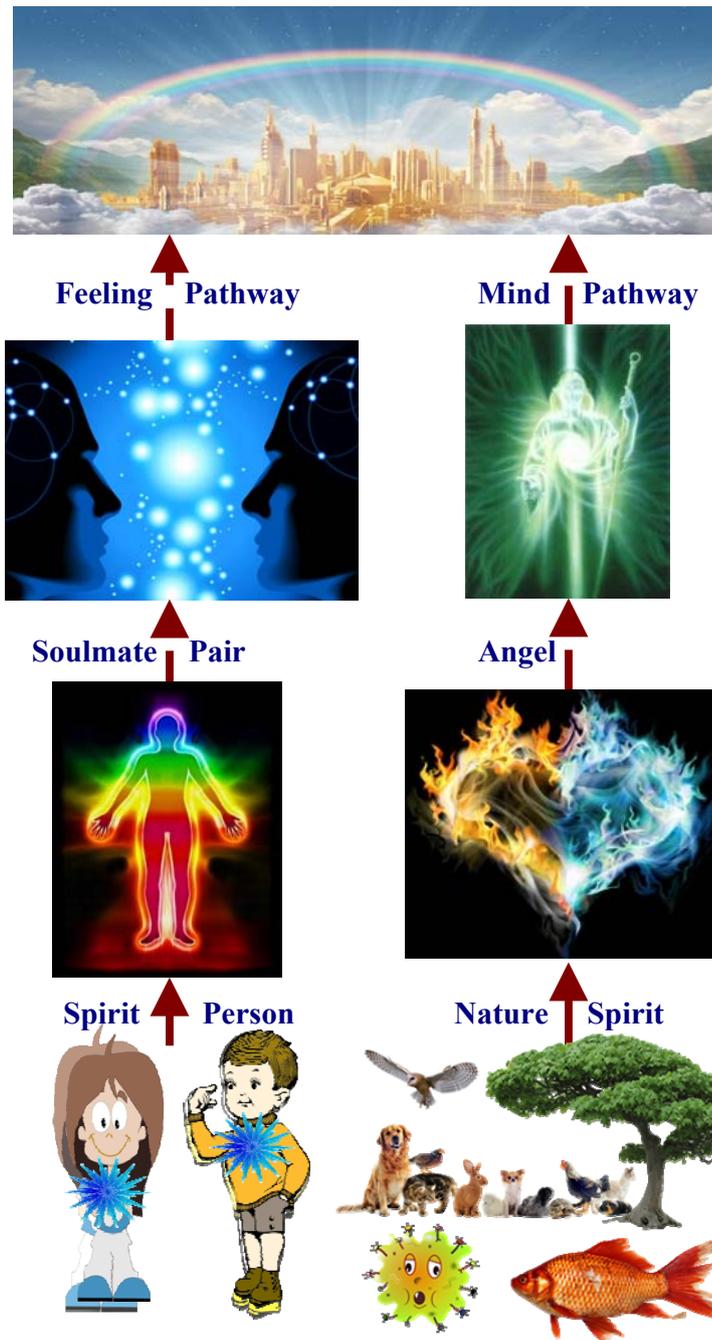

The soul of angels is experiential, evolving through their experience by continually progressing in mind development. Angels are to attain the Infinite Daughter (Spirit) of Mind. Angels are a creation of Mind. Our soul is duplex (we have a soulmate) and is created by our Heavenly Parents. Through our Feeling Healing we perfect ourselves enabling the union with our soulmate, as we progress in truth up through the Mansion Worlds, celestial heavens and all the way to Paradise.

The soul of angels is also duplex, yet of the mind, and they progress in mind evolution to Paradise. Animals, plants and nature spirits are also creations of Mind.

Neither we nor animals reincarnate. We never die; upon death, we move into the spirit Mansion Worlds on our journey to Paradise. When animals and plants die, be they the tiny microbe to the mighty elephants of the land and the whales of the ocean, their spirit energy returns to the Spirit Collective

Energy. And from this energy are drawn other animals and the nature spirits, who then in turn move onto becoming angels through increasing mind experience.

A nature spirit is an angel in waiting.

JOURNEY of HUMANITY into and through the GREAT U-TURN:

Humanity reaching its most evilness, the most lost, the most separation of soulmates. Humanity can begin its Healing. The Great U-Turn begins, the dawning of the Spiritual Age.

Humanity increasing its self- and feeling- denial, its denial of truth. Soulmates getting further apart. Rebellion then Default

Present Day

The true Healing of humanity. Humanity Healing itself by doing its Feeling-Healing and Soul-Healing with Divine Love. Soulmates getting closer together as people express all their feelings more truly.

The Great U-Turn will bring about the Ages of Light and Life.

First soulmate pair – Andon and Fonta

The last humans, the last soulmate pair on Earth.

Lucifer & Satan

Adam & Eve

Rebellion leaders are now removed

Jurisdiction of humanity and spirit worlds is now with Celestial Spirits.

This is the Great U-Turn. We are to feel and live by our feelings and express our feelings, our mind will follow in support, not the other way around.

Feelings First, you can be sure about that! **Once women get that message and start living it, then the tide will really change**, with men either deciding to support them by looking to their own feelings or being left on the outer wondering what the fuss is all about.

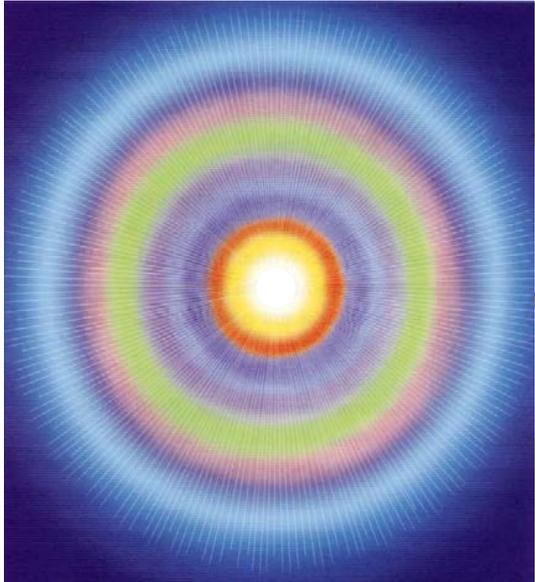

The feminine light is going to sweep through humanity and purge it of all the yuk and darkness, helping to bring the whole of humanity back into a nurturing loving mother state of being, from which the supportive, caring father can support her and together they can make the world great again, they can bring humanity up into its natural love perfection whilst at the same time offer those people who want to spiritually grow the truths of how to embrace the Divine Love and move on to the Celestial level.

By living true to ourself, true to our feelings, we are living true to God. It's that simple.
(Passage in blue calibrates on the Map of Consciousness at 1,500)

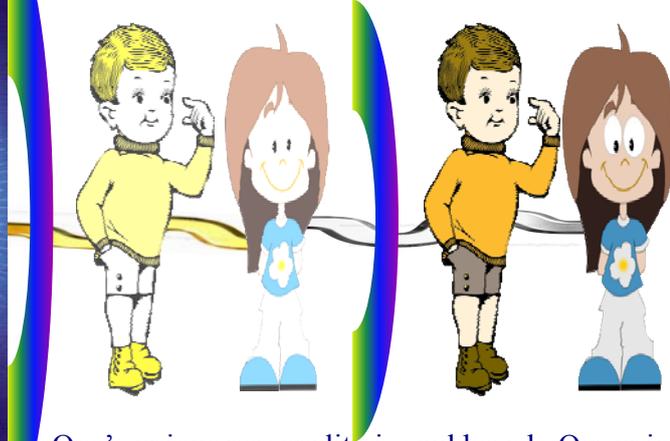

DIMENSIONS of ONE'S EXISTENCE:

Our SOUL IS NOT ENSOULED IN OUR SPIRIT BODY. Our soul exists existentially in a whole different level or plane or place or dimension of being – 'soul land'. It doesn't exist in Creation, it's not experiential like Creation is. The soul, all souls, help create their part of Creation by expressing their personalities into Creation, and then by having their personalities do things (further create) in Creation.

SOUL exists existentially

Our Physical Body and our Spirit Body are of Creation, being linked together by cords of light as are the two spirit bodies, male and female, to the one Soul.

One's unique personality is soul based. Our unique soul expresses its unique personality through the two spirit bodies and physical bodies expressing both the male and female aspects.

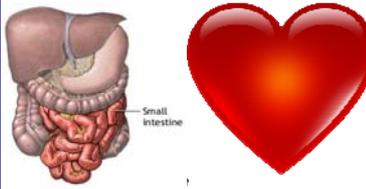

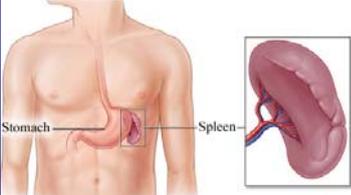

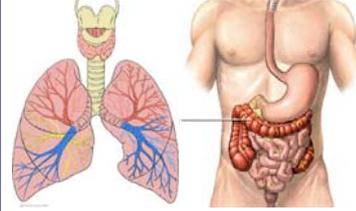

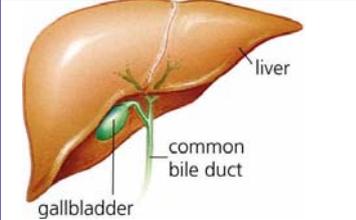

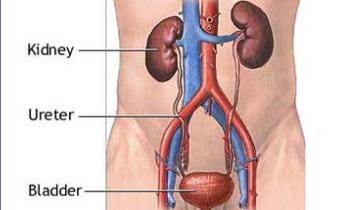

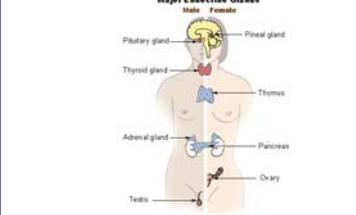

PERSONALITY

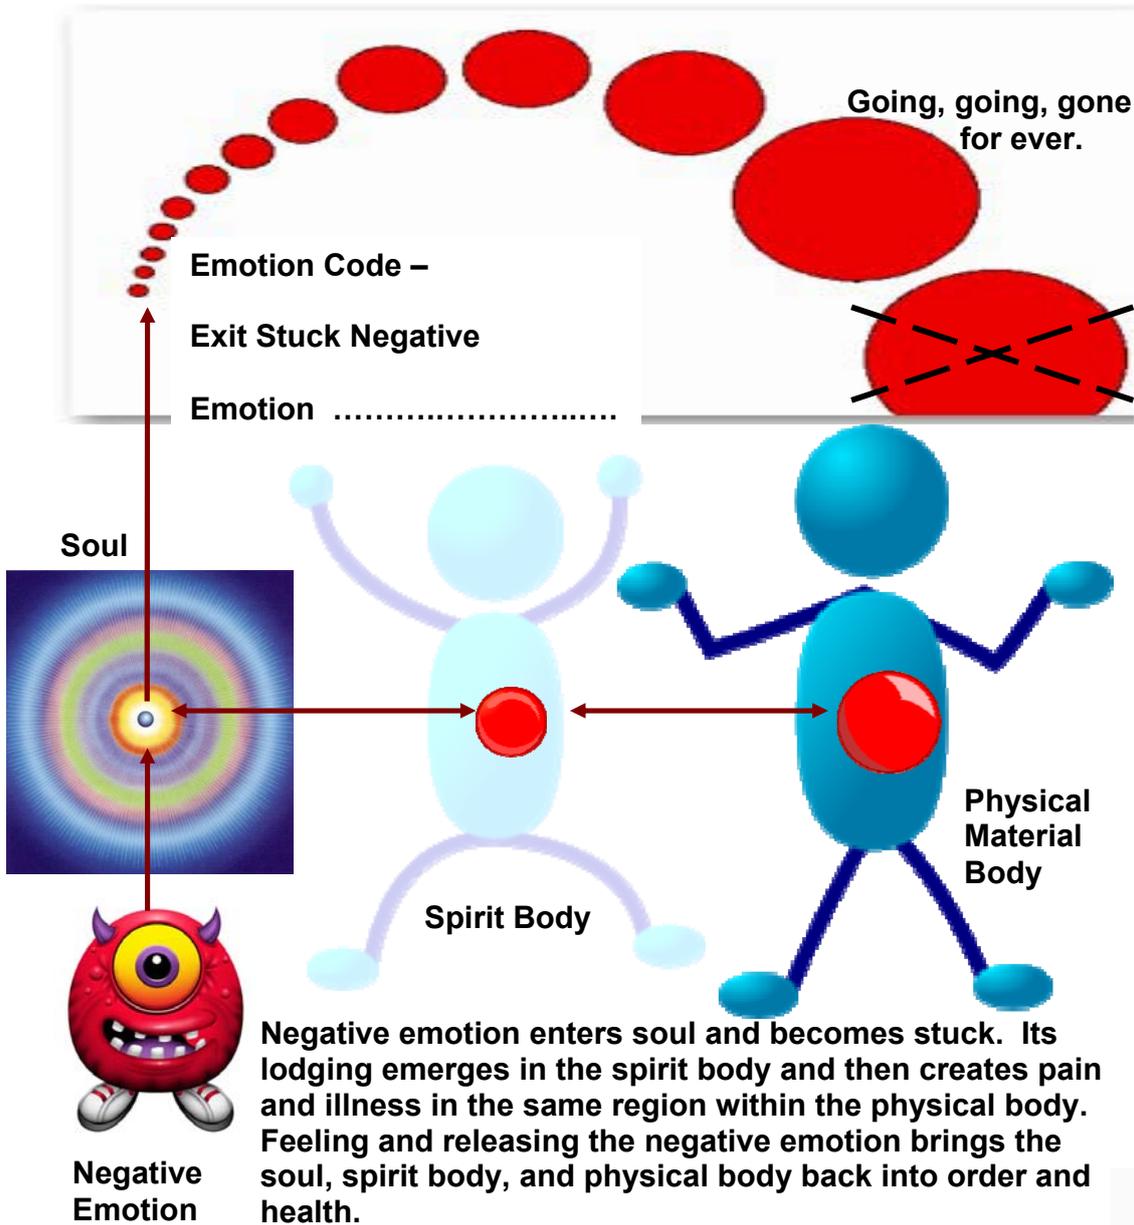

**Our soul is the centre of our personality.
We are children of our Heavenly Parents.
Our soul manifests a male and female personality - it is a duplex!**

EMOTIONS affect SPECIFIC ORGANS:

Emotional injuries and held errors have specific energy signatures and vibrations. So does each part of our physical body. Errors held within one's mind affect the flow of energies through one's spirit body, the spirit body is the template of the physical body. The resulting energy flow constrictions then initiate issues, and then pain, and then illnesses within the physical body.

Golden Rule: that one must always honour another's will as one honours one's own.

LITTLE BOOK of TRUTHS:

via Joseph Babinsky

Jesus ~ *Teaches us how to pray to God for His gift of great love*

December 2, 1916

This is the only prayer¹ that men need offer to the Father (Prayer for Divine Love). It is the only one that appeals to the love of the Father, and with the answer, which will surely come, will come all the blessings that men may need, and which the Father sees are for the good of His creatures.

So, my brothers, continue to pray and have faith, and in the end will come a bestowal of the love like unto that which came to the apostles and disciples at Pentecost.

Ann Rollins ~ *When you are worried or tempted*

January 9, 1917

I want to tell you a few things that may help you in your moments of worry. As you know, when on Earth I was nearly blind and deaf, and in such condition as would naturally cause me to worry and be unhappy, but I did not worry and was not unhappy. And the secret was that I had in my soul the love of the Father, and it was so real to me that no doubt of its existence in my soul ever came to cause me unhappiness. And that love, I know, and assure you, is the same kind of love that now floods my whole being and gives me the happiness that I now possess. I remember that I did not have many material things to trouble me, for you looked after my material welfare and was always kind to me and loving, yet, nevertheless, if it had not been for the love that I speak of, I can readily see that I should have been very unhappy and worried a great deal, for my natural inclination was to worry when things did not go right, as we said.

And so I tell you from actual experience, that all your worries, and by this I mean your causes of worry, may be taken from your conscious self if you will only seek for and obtain, which you certainly can do, this love of the Father. It is astonishing how efficacious it is to cause the worries and troubles to disappear. They, as you may know, are very largely a matter of the mind; and while in a certain sense they are real, yet the mind (or its condition) is the real cause of the realization of the worries. And consider for a moment the fact, and I know that you will agree with me that it is a fact, that by indulging in these worries does not in one particular remove the material causes of the worry, and does not in any manner bring relief from the troubles. No matter how much you may allow your mind to dwell on these things, and how intensely you may worry, the cause, the material cause, remains.

You may say (and it is natural to do so), that it is easy enough to advise that you should not let these inconvenient things cause you to worry, but when you come to the practical experience and are the sufferer from these conditions, it is not so easy to throw aside the effect of the troubles on the mind. Well, there is much truth in that, but notwithstanding, this love that I tell you of, when living in the soul, will make even that effort easy to accomplish.

¹ Many other teachings within these spirit communications lead us away from making this prayer a formalized or intellectual activity, or elevating it to a ritual. Without sincere longings of the soul, the words themselves are empty and go no further than our escaping breath.

This love is of such real substantial essence that it takes control of the mind and eliminates the consciousness of the reality of the causes of the worry. Now I do not want to be understood as intending to convey the idea that these material causes are not real, for I am not a Christian Scientist to that extent; but what I do mean is that, notwithstanding the real existence of these causes, the effects of this love and the faith that accompanies it upon the mind – which is the real cause of the worry – as such, that forgetfulness of these causes of worry takes the place of the constant indulging in the thoughts of their existence, and the unhappy consequence that must flow from them. The cause itself is not removed, but the consciousness of their existence, for the time being, is dissipated, and to the mind that is thus influenced by the love, these causes are, as if they were not. Of course, they are existing and facing you to some extent, but it will come to you that they are not so overwhelming and insurmountable as they would appear were this love absent from the soul and its influence from the mind. And in addition to this, love and faith create a confidence in the power of the Father and His willingness to help, that engenders courage, which enables the possessor of this confidence to overcome these causes of worry that he would not otherwise be able to do.

What I have said may be called *the philosophy of the workings of Divine Love in its effective destruction of worry*. But the great fact is that the Father does, as a truth, help the one who is in the condition of being possessed with this love. His love is real and His help is real, and the effect is to make the causes named things of unreality so far as the happiness of the object of this help is concerned. And as a truth, shown by the experience of mortals, a very large proportion of the worries and troubles that harass and cause so much unhappiness to mortals is a thing of the imagination and never realized.

So think of all that I have said and try to believe and make a practical application of my philosophy; and above all, pray to the Father for a greater inflowing of this love, and have faith to realize that it will become yours, limited only by your longings and sincerity of aspirations.

Jesus ~ The human soul

March 2, 1917

The human soul is a “creature” of God and not an emanation from Him, as a part of His soul; and when men speak and teach that the human soul is a part of the “OverSoul,” they teach what is not true. This soul is merely a creature of the Father, just as are the other parts of man, such as the intellect and the spirit body and the material body, which, before its creation, had no existence. It has not existed from the beginning of eternity.

There was a period in eternity when the human soul did not exist, and was created by God. And when it was created by God it was made the highest and most perfect of all God’s creation, to such an extent that it was made in His image – the only thing of all His creations that was made in His image, and the only part of man that was made in His image. For the soul is the man. And all his attributes and qualities, such as his intellect and spirit body and material body and appetites and passions, are merely appendages or means of manifestation given to that soul, to be its companions while passing through its existence on Earth, and also, qualifiedly, while living in eternity.

These human souls, for the indwelling of which God provided material bodies, that they might live mortal lives, were created, just as, subsequently, these material bodies were created; and this creation of the soul took place long before the appearance of man on Earth as a mortal. And the soul, prior to such

appearance, had its existence in the spirit world as a substantial conscious entity, although without visible form and, I may say, “individuality,” but yet having a distinct personality so that it was different and distinct from every other soul. Its existence and presence could be sensed by every other soul that came in contact with it, and yet to the spirit vision of the other soul it was not visible.

The soul, as concerning man, is a thing of itself, alone – a substance real, though invisible to mortals. The soul is the discerner and portrayer of men’s moral and spiritual condition – never dying, so far as known, and the real ego of the man. In the soul are centred the love principle, the affections, the appetites, and the passions, and possibilities of receiving and possessing and assimilating those things that will either elevate man to the state or condition of the divine angel or the perfect man, or lower him to the condition that fits him for the hells of darkness and suffering.

The soul is subject to the *will* of man, which is the greatest of all endowments that were bestowed upon him by his Maker at his creation, and is the certain index of the workings of that will, either in thought or action. In the soul, qualities of love and affection and appetites and passions are influenced by the power of the will, either for good or evil. It may be dormant and stagnate, or it may be active and progress. And so the soul’s energies may be ruled by the will for good or evil, but these energies belong to it and are no part of the will.

The soul’s home is in the spirit body, whether that body is encased in the mortal or not, and it is never without such spirit body, which in appearance and composition is determined by the condition and state of the soul.

And finally, the soul, or its condition, decides the destiny of man as he continues in his existence in the spirit world. Not a final destiny, because the condition of the soul is never fixed; and as this condition changes, man’s destiny changes. For destiny is a thing of the moment, and finality is not known to the progress of the soul (unless and until it becomes the perfect man, and, then satisfied, seeks no higher progress).

Now, in your common language, and also in your theological and philosophical terms, mortals who have passed to spirit life are said to be “spirits”. And in a certain sense this is true, but such mortals are not nebulous, unformed and invisible existences. They have a reality of substance – more real and enduring than has man as a mortal – and are, in form and features, visible, subject to touch, and the object of all the spiritual senses. So when men speak of “soul, spirit and body,” if they understood the truth of the terms, they would say: *soul, spirit-body, and material-body*.

MODERN MEDICINE IGNORES OUR SUBTLE BODIES:

It is the injuries to our subtle bodies caused by our wayward mind that bring about the manifestation of mild discomfort, then acute pain within our physical body, and ultimately the illnesses and diseases that we then seek medical assistance to suppress. Modern medical systems do not address the cause of such illness. Ask yourself, when was the last time that a medical professional told you what the underlying cause of an illness was?

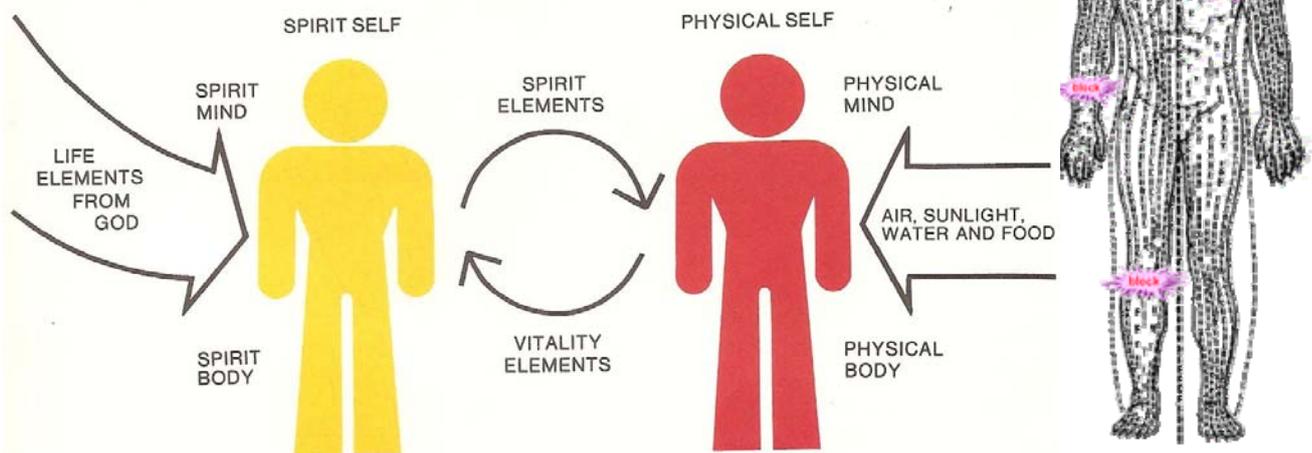

The auric field, that some can see, is the template for our physical body. Childhood Repression brings about energy flow blockages, being stuck and frozen emotional injuries, which then retard the flow of energies within our physical bodies. Modern medicine ignores this reality. The result is that treatments provided are only temporary as the underlying injury remains within our subtle bodies.

We have other bodies that are just as real as the physical body, they are all connected, if we have a problem within these subtle bodies, such problems most likely will manifest on the physical, so why not attend to it utilising a healers help on these subtle levels thereby helping yourself on the physical.

Example, our genes are multi-layered. Our genes are not only part of our physical being but are far reaching. They are:

- on the physical level
- on the emotional level
- on the mental level
- on the psychic level
- on the spiritual level.

We need to understand our **genes are not just physical, but on all levels.**

In fact our issues and illness that we recognise within the physical body are on all levels.

Only by one engaging in the process of Feeling Healing can one delve down into the core emotional issues originating from our childhood, being in the form of childhood repression and suppression, that we can then express and release such injuries and bring about permanent health to our physical body. The process of Feeling Healing is the only way to remove the underlying cause of physical illness and discomfort.

MEDICAL PROCEDURES and RESEARCH

Sometimes You Can Find a Needle in a Hay Stack!

While traditional allopathy medical research focuses only upon the physical body to resolve illness events and health issues, they continue to be like blindfolded mechanics endeavouring to repair motor vehicles.

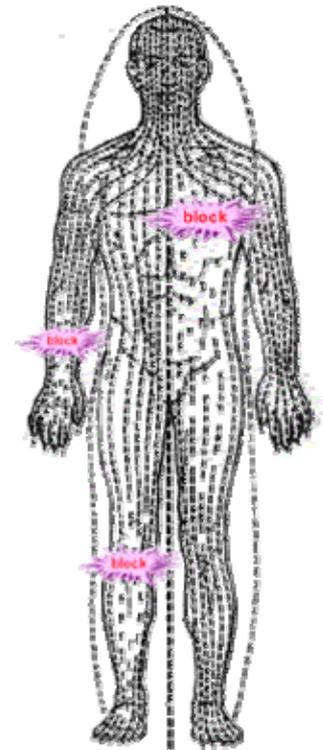

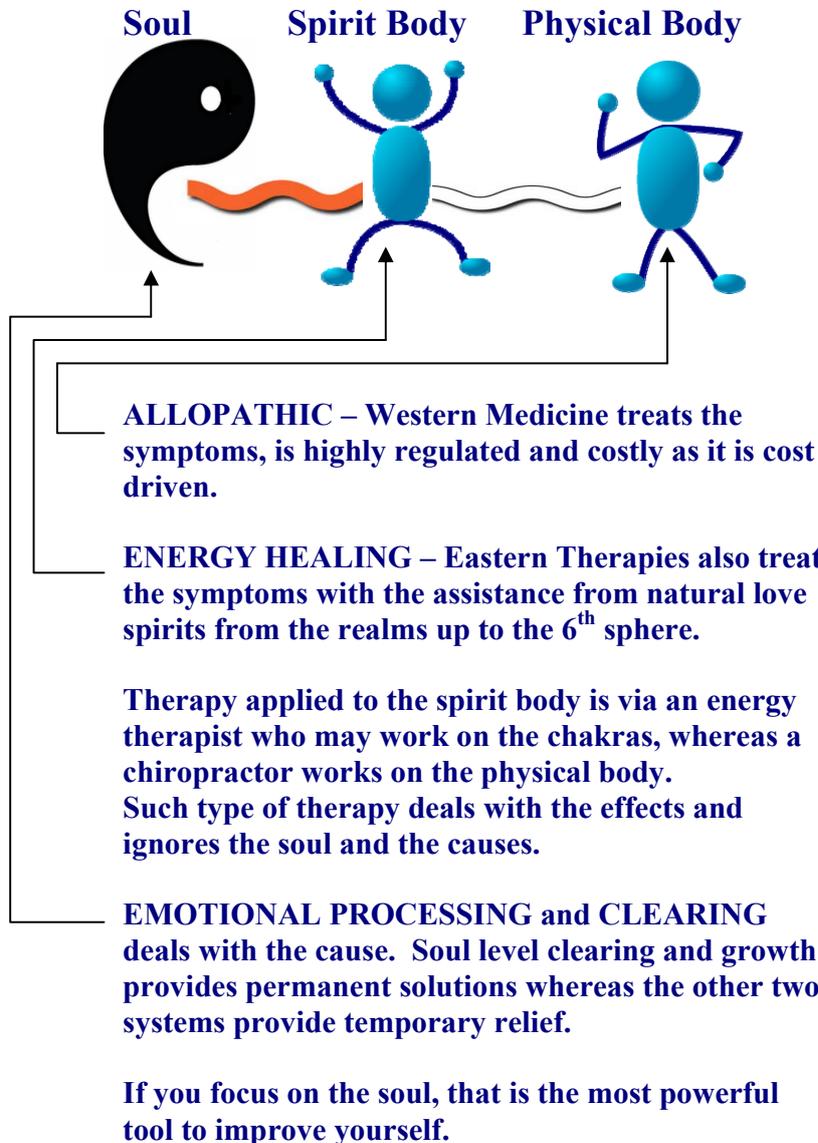

The physical body is animated by the spirit body, and in turn the spirit body is animated by your soul. The spirit body is of much finer substance than the physical body, and the soul is of an even finer substance, hence research technology in the physical world cannot comprehend these bodies.

Your mind and soul are homes of your emotional injuries and errors. These emotional issues create fissures and damage within your spirit body. Subsequently the injuries within your spirit body generate illness within your physical body, at the corresponding location as in the spirit body.

Illness is generated by your soul, however, healing is also generated by your soul. Releasing the emotional injury in your soul heals the physical.

HIERARCHY of HEALING SYSTEMS

Accessing and processing of emotions is to be considered as essential in dealing with any illness. Such accessing and processing of emotions is to be done in conjunction with other healing modalities, be it allopathic and / or energy healing. The regime of processing emotions is best employed at the commencement of the treatment program. This is the time when the patient / friend has the most incentive to commence this ongoing practice.

Until the causal emotion is released the illness will keep on returning in one form or another.

PHYSICIAN, HEAL THYSELF:

The basic principles that facilitate the process of self-healing:

- A thought is a “thing”. It has energy and form.
- The mind with its thoughts and feelings controls the body; therefore, to heal the body, thoughts and feelings need to be changed.
- What is held in mind tends to express itself through the body. What one holds in mind tends to manifest.
- The body is not the real self; it is like a puppet controlled by the mind.
- Worries are chronic fears. Paranoia is its extreme. Sustained and chronic fear gradually suppresses the body’s immune system. Fear is healed by love. Love is the ultimate energy.
- It is fear and guilt that bring about disease and failure in every area of one’s life. We can take the same protective actions out of love, the most of all beneficial energies, rather than out of fear.
- Beliefs that are unconscious can manifest as illness, even though there is no memory of the underlying beliefs.
- An illness tends to result from suppressed and repressed negative emotions, plus a thought that gives it a specific form (i.e., consciously or unconsciously, one particular illness is chosen rather than another).
- It is possible to reverse the disease process by removing the internal stress factors.
- Chronic stress weakens the body’s immune system by blocking the body’s immune system.
- A negative thought or feeling instantly weakens the body and creates an imbalance of the body’s energy flow.
- The price we pay for chronic anger and resentment is sickness and premature death. Is this worth the small satisfaction of being right?
- Forgiveness heals the heart – literally. This also encapsulates self-forgiveness.
- Elimination of guilt accompanies release of all judgments against others and one’s selves.
- Every mistake we make is based on an opinion.
- Love facilitates healing. It transforms life. Love is the energy that silently transfigures every situation.
- The brain is not the origin of the mind, but the other way around. The mind controls the brain. The brain is activated by the mind’s intention and not vice versa. One’s mind is within the spirit body, generally recognised as the auric field or etheric body.
- Thoughts are caused by suppressed repressed feelings. When a feeling is let go, thousands or even millions of thoughts that were activated by that feeling disappear.
- Although a specific belief can be cancelled and energy to it can be refused, it is generally a waste of time to try to change thinking itself.
- We surrender a feeling by allowing it be there without condemning, judging, or resisting it. We simply look at it, observe it, and allow it to be felt without trying to modify it. With the willingness to relinquish a feeling, it will run out in due time.
- Laughing is a method of letting go.
- A strong feeling may recur, which means there is more of it to be recognised and surrendered.
- In order to surrender a feeling, sometimes it is necessary to start by relinquishing the feeling that is there about the particular emotion (e.g., guilt that “I shouldn’t have this feeling”).
- In order to relinquish a feeling, sometimes it is necessary to acknowledge and let go of the underlying payoff of it (e.g., the “thrill” of anger and the “juice” of sympathy from being a helpless victim).

- Feelings are not the real self. Whereas feelings are programs that come and go, the real inner Self always stays the same; therefore, it is necessary to stop identifying transient feelings as yourself.
- Ignore thoughts. They are merely endless rationalisations of inner feelings.
- No matter what is going on in life, keep the steadfast intention to surrender negative feelings as they arise.
- Make a decision that freedom is more desirable than having a negative feeling.
- Choose to surrender negative feelings rather than express them.
- Surrender resistance to and scepticism about positive feelings.
- Relinquish negative feelings but share positive ones.
- Notice that letting go is accompanied by a subtle, overall lighter feeling within yourself.
- Relinquishing a desire does not mean that you won't get what you want. It merely clears the way for it to happen.
- Get it by "osmosis". Put yourself in the aura of those who have what you want.
- "Like goes to like." Associate with people who are using the same or similar motivation and who have the intention to expand their consciousness and to heal.
- Be aware that your inner state is known and transmitted. The people around you will intuit what you are feeling and thinking, even if you don't verbalise it.
- Persistence pays off. Some symptoms or illnesses may disappear promptly; others may take months or years if the condition is very chronic.
- Let go of resisting the technique. Start the day with it. At the end of the day, take time out to relinquish any negative feelings left over from the day's activities.
- Don't look for answers; instead, let go of the feelings behind the question.
- You are only subject to what you hold in mind. You are only subject to a negative thought or belief if you consciously or unconsciously say that applies to you.
- Stop giving the physical disorder a name; do not label it. A label is a whole program. Surrender what is actually felt, which are the sensations themselves. ***We cannot feel a disease.*** A disease is an abstract concept held in the mind. We cannot, for instance, feel "asthma". It is helpful to ask, "What am I actually feeling?" Simply observe the physical sensations, such as, "Tightness in the chest, wheezing, a cough". It is not possible, for example, to experience the thought, "I'm not getting enough air". That is a fearful thought in the mind. It is a concept, a whole program called "asthma". What is actually being experienced is a tension or a constriction in the throat or chest. The same principle goes for "ulcers" or any other disorder. We cannot feel "ulcers". We feel a burning or piercing sensation. The word "ulcer" is a label and a program, and as soon as we use that word to label our experience, we identify ourselves with the whole "ulcer" program. Even the word "pain" is a program. In reality, we are feeling a specific body sensation. The process of self-healing goes more quickly when we let go of labelling or giving a name to the various physical sensations.
- The same is true with our feelings. Instead of putting labels and names on feelings, we can simply feel the feelings and let go of the energy behind them. It is not necessary to label a feeling "fear" in order to be aware of its energy and relinquish that energy.
- Using the mechanism of letting go, allow yourself to go into all the negative emotions that you may feel you have and allow the feelings to come up one by one, and let them go.
- With courage we can let go: I can look at my feelings. I don't have to be afraid of my feelings anymore. I can handle them. I can take responsibility for them. I can learn how to accept them and be free from them. I am willing to take risks, to let go of old points of view and explore new

ones. I am willing to be joyous and share my experience with others. I experience myself as well and able.

- Disease-prone beliefs, we can look at the following questions:
 - Do I worry about my health, holding fear thoughts in mind about what might happen to me?
 - Do I get a secret feeling of fear, excitement, and danger when I hear about a new disease that is currently being reported and in vogue?
 - Do I spend time on constant checkups, reading about diseases, getting frightened by TV stories about them?
 - Am I interested in hearing about the diseases of famous people?
 - Do I believe that the environment and foods are full of hidden dangers, or that foods contain additives which are poisonous and will cause disease?
 - Do I believe that certain diseases “run in our family”?
 - Do I stop or want to stop (but don’t dare) to witness auto accident victims?
 - Do I like hospital TV programs?
 - Do I like TV programs that include hitting, shouting, fist fights, killing, torture, crime and other forms of violence? (Such programs insult the immune system, on average, 113 times!)
 - Am I a guilt-ridden person?
 - Am I holding a lot of anger?
 - Do I condemn other peoples’ behaviour? Am I prone to be judgmental?
 - Do I hold resentments and grudges?
 - Do I feel trapped and hopeless?
 - Do I say of myself, “Whatever is going around, I’ll probably catch it”?
 - Am I concerned with acquisitions and status symbols instead of the quality of relationships?
 - Do I carry a lot of insurance and still worry that it’s not enough?
- The mechanism of letting go is concerned with the emotional “what” from moment to moment, without involving the intellect. The “why” becomes apparent of itself once the “what” has been relinquished. Its one thing to analyse the causal basis of depression and quite another to enter fully into the depth of hopelessness by letting go of your resistance to the feeling. By allowing the full feeling of it and by letting go of every sensation, every thought, and every little payoff you are getting from it, you are free. It’s not necessary to probe the “why” of depression to become free from the “what” of it.
- The objective of letting go is the elimination of limiting mental and emotional programs.
- With the mechanism of letting go, there is no patient role and no dependency on another person or theory. The very wellsprings of neurotic patterns automatically unfold as they are acknowledged, relinquished, and disappear.
- The way to change our bodies is to change our thoughts and feelings.
- One’s letting go of the lower energies of guilt, fear, anger, and pride alleviates the weight of the past and clears the clouds of the future. One then can face today with optimism and be grateful to be alive. One can see that yesterday is gone, tomorrow has not yet come, and we have only today.
- Without a change of consciousness, there is no real reduction of stress.
- A state of peace about the situation is reached when all three aspects of illness – physical, mental, and spiritual – have been addressed and the final outcome or wished-for recovery has been surrendered. Peace comes with total inner surrender to *what is*.
- The goal of letting go is the elimination of the very source of all suffering and pain.
- The power of self-healing is now available.

EMOTION HOUSE CLEANING:

We are emotional beings, a mixture of loving emotions and unloving toxic emotions.

Toxic blocked emotions such as shame, guilt, apathy, grief, fear, unloving desires, anger, and pride, are ultimately physically very damaging. Should these issues not be released they can also assign us to the hells. You can envisage these as being within your untidy basement, each tread in the stairs being one of these emotions.

Praying for God's Divine Love and embracing Feeling Healing will commence to tidy up your basement and bring you into a higher soul condition as well as better physical health.

Continue on with your Feeling Healing and the addressing of your emotional issues while always asking for and receiving Divine Love. This will bring brilliance and lustre to your first floor of your dwelling, now that the basement is clear.

It is far easier to progress up these stairs with the aid of receiving more and more Divine Love than try on your own.

As you grow in love and pass beyond the 1st sphere (floor) into the 2nd sphere (floor) you enter the realms of love, you no longer are dominated by fear. Few achieve this beauty and cleanliness.

Should you progress above the 2nd sphere by continually asking for and receiving Divine Love, then your negative emotional issues are now diminishing. Now being in the 3rd sphere, you are progressing towards the Celestial Heavens. Your home is now one of increasing beauty.

The inner core of our soul is blessed with natural love emotions that are all have a high frequency or higher.

Man's erroneous emotions all have a low frequency or a very low frequency.

MAP OF CONSCIOUSNESS

Map of Consciousness represents the emotional and spiritual fields within the kingdom of man which is Spheres 1 – 6.

Consciousness is soul condition, as one's soul condition improves, it expands in size as it grows in love.

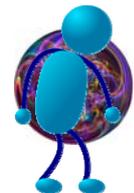

The scale is exponential, grows at a factor of 10.

Core Emotions
 Anger covers over Fear which covers over Grief, these three emotions are the predominant capping emotions.

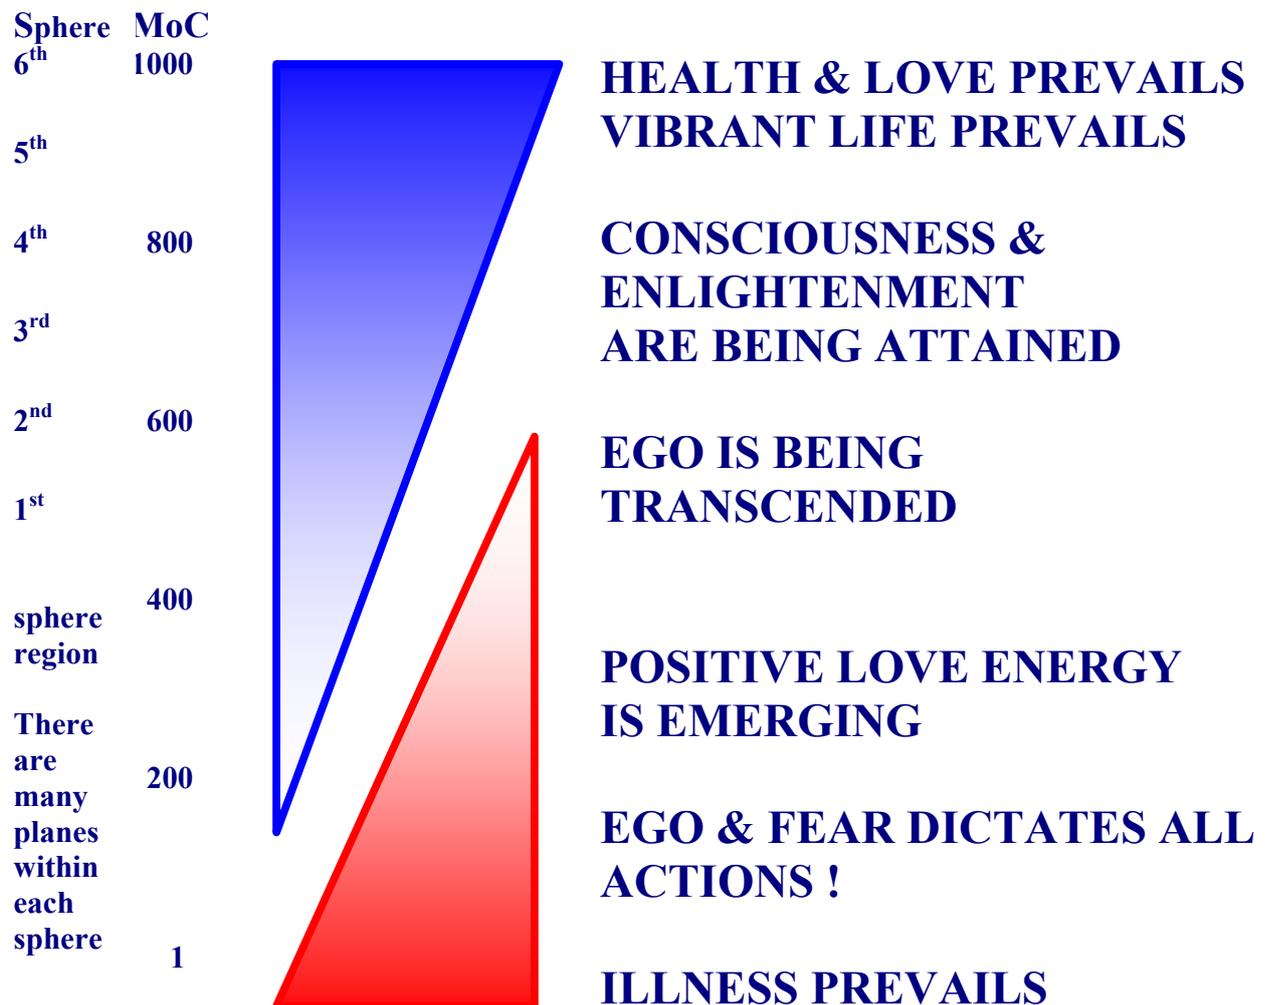

Soul expands as it grows in love and condition.

“All dis-ease is mind generated, and all healing is generated by the love energy of one’s soul.”

The Ego (mind based) manifests illness; the lower one’s level of consciousness (soul condition) then the more prevalent will be illness. Below the levels of 200, the ego and fear of the mind dominate; however, as you raise your level of consciousness by growing in love and achieve a level of 500 or higher, you begin to transcend ego dominance. At the level of 600, all healing is possible.

An earnest longing for God’s Divine Love is the only way to transform one’s soul. This longing is severely retarded and the reception of God’s love impaired whilst one’s soul is dominated by erroneous beliefs which are in the form of negative emotions. The releasing of and clearing of these emotions are essential to progress from the lowest levels of the 1st sphere and also to progress through the 2nd sphere. These major emotional blocks are generally removed by the time one has progressed into the 3rd sphere, though never completely.

WHAT is this DIVINE LOVE?

The Celestial Spirits endeavoured to explain this when they enabled Emanuel Swedenborg to visit the Celestial Spheres (8th level and higher) in 1741, however the experiment failed. Then success came with later communications via way of automatic writing:

Book of Truths as published by Joseph Babinsky contains the Padgett Messages conveyed from 1914 through to 1923. www.lulu.com www.amazon.com www.bookdepository.com

Then followed:

‘New Testament Revelations of Jesus of Nazareth’ via Dr Daniel Samuels (1954 until 1963)

<https://new-birth.net/samuels-messages/53-revelations/>

‘Judas of Kerioth’ as edited by Geoff Cutler (2001 thru to 2003) www.lulu.com www.amazon.com

‘The Richard Messages’ via James Reid (2012 – 2013)

www.lulu.com

‘The Divine Universe’ via Zara Borthwick and Nicholas Arnold (2012 – 2013) being a continuation of the Padgett Messages.

www.lulu.com

‘Shining Toward Spirit’ – Beginnings (2014 – 2015) via Zara and Nicholas

www.lulu.com

As more and more people pray for, ask for, and receive Divine Love then the possibilities of those with mediumship gifts will receive further information in continuation with the wisdom shared in the above publications.

The following are extracts from Dr Daniel G Samuels’ Revelations: <http://new-birth.net/revelation.htm>

God's Divine Love: Pray for it, ask for it, and receive it.

Thus, there are five sets of Divine Love revelations reintroducing what was taught in the first century:

- | | | | |
|----|-----------------------|--------------|--|
| 1. | Book of Truths | 1914 to 1923 | via Joseph Babinsky |
| 2. | Revelations | 1954 to 1963 | via Dr Daniel Samuels |

| 4. | The Richard Messages | 2012 to 2013 | via James Reid |
| 5. | The Divine Universe | 2012 to 2013 | via Zara Borthwick and Nicholas Arnold |
| 6. | Shining Toward Spirit | 2014 to 2015 | via Zara Borthwick and Nicholas Arnold |

Then the James Moncrief publications revealing Feeling Healing, being the most important revelation.

Collectively, these messages convey the core of what was taught in the first century and have extended on those truths with further understandings achieved during the past 2,000 years.

Interestingly, we are finding that all Divine Love truths calibrate over 1,000 on the Map of Consciousness, with each of these sets of messages calibrating close to 1,500 on the Map of Consciousness.

DIVINE LOVE FEATURES closely match those of SCALAR ENERGY:

The light golden blue energy substance, being the ultimate high octane super fuel and the greatest gift in all of the universes from the Source Soul, our Mother and Father, has characteristics similar to what scientists refer to as “scalar energy”, or “zero-point” energy or as “radiant energy”, however, it is not.

To receive and absorb this wonderful energy into our soul and spirit body, all one need do is to long for and ask to receive it, and the acting spirit, the holy spirit, will answer your call immediately, always.

Scalar Energy – Qualities reflect those of Divine Love
Scalar Energy – A Completely New World Is Possible

<http://www.dalimara.com/pages/what-is-scalar-energy>

- The Scalar Energy once embedded into an object, the energy will remain in the object indefinitely and can regenerate and repair itself indefinitely.
- The effect of Scalar Energy is cumulative, it gets stronger with time.
- Scalar Energy is capable of imprinting itself on human DNA.
- Scalar energy do not decay over time or distance from their source.
- Scalar energy does not radiate as waves but expands outwards in circles of energy.
- Scalar Energy is more field like than wave like and it tends to fill the environment.
- It is capable of passing through solid objects with no loss of intensity.
- A Scalar energy is known as a fifth-dimensional non-linear and non Hertzian field.
- The space the scalar occupies is not a vacuum but comprises a network of harmoniously balanced energies.
- Instead of being focused in beams or running along wires, it tends to fill its environment. They are unbounded and capable of passing through solid matter and implant its signature on them. This energy has the capacity to carry information. It can be created by electromagnetic generators or naturally.

- Scalar energy, a stationary energy, cannot be evaluated by our current frequency instruments which are designed to measure Hertzian energy frequencies and wavelengths. However, its effect on objects into which it has been embedded can be strikingly demonstrated with Kirlian photography or Gas Discharge Visualization (GDV).

The History of Scalar Energy

The discovery of Scalar Energy, in the mid 1850s, can be attributed to James Clark Maxwell, a Scotsman who was born in the 19th century. Maxwell was a mathematical genius whose work led to the development of quantum physics. Albert Einstein worked on Maxwell's findings and discovered "The Theory of Relativity".

However, it took another fifty years after Maxwell's discovery to prove the existence of Scalar Energy. It took one Nikola Tesla, who was born in Yugoslavia around 1856-1857 to demonstrate the existence of this form of energy. Tesla, who became a US citizen in 1891 carried on Maxwell's work and soon began to harness Scalar Energy without using any wires. Tesla referred to this energy as standing energy or universal

waves. Albert Einstein and Otto Stern acknowledged the existence of this form of energy and made due reference to Scalar Energy in the 1920s. Nikola Tesla is generally considered the father of scalar electro-magnetics. Tesla's name for this was 'Radiant Energy'.

It is not just Albert Einstein and Otto Stern who discovered zero point energy. They were not even the first. As noted above, Scalar Energy was first proposed by James Clerk Maxwell in mid-1800's and was later refined by Tesla who called it "Radiant Energy". Tesla even invented and was building a machine to create and distribute free energy when J. P. Morgan, the oil tycoon who was backing him, discovered what he was doing and put an end to the project.

Properties of Scalar Energy

The properties of Scalar Energy include them being non-linear and non-Hertzian. This energy form has the capacity to carry information. It also does not decay with the passing of time or distance.

Scalar Energy cannot be measured by contemporary frequency

What Is Scalar Energy?

- Scalar Energy is created when two common electromagnetic waves come together from two opposite converging vectors.
- Cancel each other → Stationary Energy
- It has Zero Frequency
- It exists naturally
- Small random Scalar Energy present in environment
- In the body it is also called Bio-Scalar Energy

instruments as it is depicted to be without frequency. This energy form is static, a stationary form of energy. When two similar frequencies coming from opposite directions meet, they cancel each other out. This results in a stationary energy form.

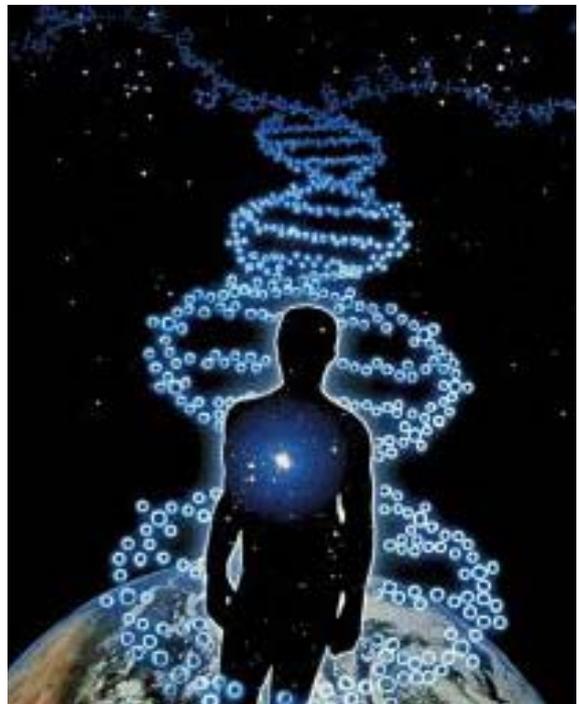

The traditional understanding of energy is that it flows out in the form of waves. However, Scalar Energy does not radiate as waves but expands outward in circles of energy. Occupying space, this spatial mass is not a vacuum but comprises a field of energy systems that is alive. This vibrant and dynamic energy field radiates a network of harmoniously balanced energies.

Scalar energy can be created naturally. It is always existent in the universe. By applying the conditions required, Scalar Energy can be created artificially. Scalar Energy's expansive and circular movement offers a field of protective shield around the body. This protective shield removes and cancels the effects of man-made frequencies (60 HZ) on the human body. This is achieved by enhancing the body's natural defences against the damaging radiations coming from the various household and industrial appliances that surround us.

Scalar Energy Medicine

The bio-electrical current present in our bodies is often disturbed by external factors such as electromagnetic (EMF, EMR, RF) waves emitted from computers, mobile cell phones, and many other modern day appliances. Lack of exercise, poor eating habits, poor nutrition, and internal stress further affect this bio-electrical current.

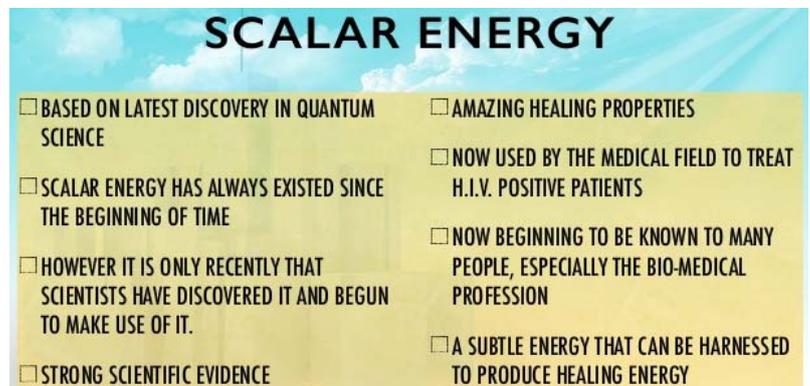

One of the side effects of these stresses is accumulation of lactic acid in the blood and concentrations of abnormally high levels of lactic acid in the muscles. This condition leads to a hindrance of muscle contraction and ultimately fatigue, aging and disease. Examples of how this commonly manifests in our bodies includes headaches, stiffness in shoulders and neck, lower back aches, digestive problems, tiredness, and joint pains.

Energy Medicine acknowledges energy as a subtle, living force: a force that determines the status of one's health and general being. In Energy Medicine, a human body is seen as a network of vital energy both within and outside the physical body.

According to Energy Medicine, disease begins when there is a disturbance or obstruction in the energy patterns. When we have a physical illness, disease or injury, 'compression' form in the energy field around the body. Even if you attempt to heal the physical effect, it is unlikely that healing will take place until the energy field is balanced and harmonized.

In Energy medicine, healing takes place with the body activating its natural healing energies. The healing process also restores energy patterns that have become compromised by nurturing the weak links back to health. This means that in energy medicine, energy is both medicine (natural healing energies) and the patient (weak energy link). Energy medicine is not a new field of science; traditional systems of medicine in India and China have used and continue to use the principles of Energy Medicine in healing patients. Modern day therapies that use the principles of Energy Medicine include therapies such as breathing techniques, acupuncture, bio-field therapies, bio-magnetic therapies and homeopathy.

Scalar energy is unstructured, available every where and very, very loving. We are graciously gifted with the ability to use this energy for our developing awareness. Because we exist in a field of this loving energy, in time we will always move toward a more loving attitude. It eventually will influence our will towards the will of Creator and away from our state of judgement. The plasmatic field or scalar energy is the expression of Creator that we can become aware of. It is what created all. It is our source of Divine Love because it is the only aspect of Creator we and the Celestial beings can be aware of.

To liberate one's real self, one's will, being one's soul, is begun by embracing Feeling Healing, so as to clear emotional injuries and errors. With the Divine Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God's soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of your Mother and Father.

Note: Following the writings of James Moncrief, one could consider that any reference to the Father, by other relevant writers, may be read as a reference to 'our Mother and Father'. Further, when considering soul healing, then reference to Divine Love could be referred to as 'Feeling Healing with Divine Love'.

DIVINE LOVE – what does it do?

The divine gift from asking for and receiving Divine Love will steadily, but with certainty, raise one's quality of life and also of all those around such a person who is seeking and receiving this Love.

The receiving of Divine Love, which is a substance, with certainty, progressively:

- Raises one's love for those around them, whilst embracing one's Feeling Healing.
- Raises one's perception of all things – naturally grows one's intelligence – soul intelligence.
- Enables one to feel and resolve negative emotional issues more readily during Feeling Healing.
- Humility becomes self evident. Humility enables one to feel their errors and emotions.
- Divine Love strengthens one's resolve to express errors, emotional injuries and untruths.
- Divine Love with Feeling Healing to remove emotional errors, enhances one's health.
- Divine Love enables one to become more childlike – not adult serious at all times.
- Divine Love raises one's capability of feeling – no longer needing to be mind controlling.
- By becoming feeling orientated, one no longer is mind / intellectually dominated.
- The strength to fight and overcome sin and error is strengthened through the Divine Love.
- The Law of Compensation process is more resolved by Feeling Healing with Divine Love.
- Receipt of Divine Love grows one's faith, beliefs become faith and then knowing.
- As our faith grows our intensity to ask and then receive Divine Love grows.
- We begin to follow our passions and desires, no longer fear and mind driven.
- Truth being told at all times then progressively becomes a way of life.
- Our quality of life blossoms, our finances and relationships prosper.
- Man creates his own environment, seeking Divine Love can vastly improve one's environment.
- Health carers receiving Divine Love enhance healing outcomes beyond comprehension.
- Receiving Divine Love may assist in bringing a struggling marriage back into harmony.
- You progressively become dependent upon our Heavenly Parents, not self dependent.
- Personal growth in love directly assists the soul condition growth of one's children.
- Divine Love assists one's rate of soul condition to progress whilst embracing Feeling Healing.
- Divine Love is a substance that changes the human soul to that of the Divine.
- Without Divine Love, one cannot progress into the Celestial Spheres (8th sphere and higher).
- Divine Love, with Feeling Healing, enables everlasting Love and Life in the Celestial Heavens.

“The Law of Compensation doesn't operate on isolated actions, but on the overall condition of people's souls, because the deeds are the consequence of this condition. Our behaviour is the reflection of our souls. Never see isolated deeds, always see souls whose condition leads to certain deeds. It is the soul condition which determines the motive and consequently the action. It is our lack of trust in God, this ultimate and definitive trust, which only soul development may give us. This lack is why we suffer.”

Judas of Kerioth 5th October 2001

As you grow in love, illness issues abate, financial security improves, and your treatment of your fellow man is the same as how you would like to be treated. You grow in natural intelligence, your perception on many subjects becomes profoundly more loving and supportive of and for your way of life and how you interact with your fellow man.

This quality of life and love permeates and extends into every facet of your physical life and continues to grow as you progress on your journey within the spirit world.

Your capabilities to ask for and receive Divine Love is a gift between you and your creator, God. You do not need an intermediary, nor do you need to join with any organisation. This is your own personal journey and experience. You can share this with others, but no one can take it away from you.

This Love will elevate the human soul to a condition that it may perceive the spiritual truths which God has waiting to be revealed to His children who aspire to understand the nature of the divine and what their true relationship to Him and their family of souls is.

“Keep faith with God, and be open to His Love, and you will overcome with confidence and, indeed, peace of mind, optimism and happiness, those circumstances that seem to mar the fulfilment of your years.” Mary (mother)

<https://new-birth.net/samuels-messages/53-revelations/revelation-14-prophecies-of-daniel-ntr13/>

“Mother and Father, open my soul to this Gift, Your Love. Open my soul and may Your Holy Spirit touch my soul and pour within it your essence, your Love that I may be transformed, that I might be your true child, embraced and carried, lit along my life’s path in the glory of your Light and care and protection.”
Jesus 11 May 2016

Further, when considering soul healing, then reference to Divine Love could be referred to as ‘Feeling Healing with Divine Love’.

The New Way, Feelings First Spirituality
 Learn to live with God through your Feelings

Accept, express and long for the truth of your feelings

Be free in your feelings
 Free your feelings from your mind's control
 Live true to your feelings; your feelings are your true self
 Live true to yourself through your feelings

Live true to yourself by living true to your feelings.
 Long for the truth of your feelings.

Accept / Express / Bring out ALL of your good, and most importantly,
 BAD feelings.
 Want to understand why you're feeling them.
 Use your surface feelings to take you deeper into your repressed and
 hidden feelings.

The Feeling Way is the True Way.
 Your feelings are your spiritual guide.
 Your feelings will take you to God.

Your feelings will show you the truth of your relationships, including your relationship with God; and if anything is wrong, untrue and unloving, then why it is.

Our feelings are sacrosanct and we should respect them accordingly. And we should NEVER block them out, ignore, override, banish, deny or reject them, because if we do, we're only doing that to ourselves, as Our Feelings Are Our Self.

Our feelings are the gateway to our soul. Our feelings are the closest we can get to our soul. Knowing the truth of our feelings is knowing the truth of our soul, and knowing the truth of God.

Feelings First Spirituality is the True path for humanity.
 It embraces all people.

It completely unifies the world.

Everyone can relate to everyone else through their feelings.

And we can all live the truth that comes from our feelings, all sharing the same truths as we express and have the same feelings.

No one need be left out; no one is more special than anyone else – we are all united in Truth through our feelings.

So with and through our truth we live our lives, therefore without the need of any man-made mind-laws, rules and restrictions that limit self-expression as inspired by our feelings.

The New Way, Feelings First Spirituality is what is to replace all man-made, mind-contrived religions that so many people have enslaved themselves to. The New Way, Feelings First Spirituality will set us free of all that control, ending the Rebellion and Default within ourselves as we do our Feeling-Healing, and ending such control and spiritual stagnation in the world.

Bring on the End Times – get it over and done with! Let's all see that Jesus is not going to come again, that Prophecy has failed all the mind-controlled platforms. Allow such false systems of belief to die their long-awaited natural death, they've overstayed their welcome, it's now time they fade away. So let us show such antiquated, erroneous systems of belief the exit and bring on the fresh liberation of discovering the truth of how we are to live for ourselves, each of us personally in our lives, and all by looking to our own feelings for it. Self-revelation through our feelings is the way to go.

The Way of the Mind is ending, and is really the End Times – the End of our mind control, and **it's about time!** With the Way of our Feelings replacing it.

The End Times means the end and therefore a New Beginning. And that new beginning is a whole new Spiritual Age – an age based on self-revelation of truth through one's feelings, coupled with and supported by higher revelations from the Celestial spirits, angels and nature spirits.

The Feelings First Spirituality is the True Way to God because it helps you get to know God, helping you to reach out, connect and be personal with God, and do God's Will, all through your feelings. It is the only true way of getting to know the God of Feelings – our beloved Heavenly Mother and Father, the Great Soul of Divine Love.

Love comes through our feelings and not our mind, as we've all been wrongly led to believe.

Feelings First; then comes The Truth; then comes Love.

LOVE is the Religion of Feelings, being:

The Only Prayer That Man Need Offer to the Father:

The Prayer for Divine Love

(as given within the first century)

2 Dec 1916

I am here, Jesus

<http://www.youtube.com/watch?v=Pg6p3rivAZw>

P.438 Book of Truths through James Padgett / Jesus

Let your prayer be as follows:

Our Father, who art in heaven, we recognize that You are all Holy and loving and merciful, and that we are Your children, and not the subservient, sinful and depraved creatures that our teachers of old would have us believe. That we are the greatest of Your creation, and the most wonderful of all Your handiworks, and the objects of Your great soul's love and Tenderest care.

That Your will is that we become at one with You, and partake of Your great love which You have bestowed upon us through Your mercy and desire that we become, in truth, Your children, through love, and not through the sacrifice and death of any one of Your creatures.

We pray that You will open up our souls to the inflowing of Your love, and that then may come Your Holy Spirit to bring into our souls this, Your love in great abundance, until our souls shall be transformed into the very essence of Yourself; and that there may come to us faith--such faith as will cause us to realize that we are truly Your children and one with You in very substance and not in image only.

Let us have such faith as will cause us to know that You are our Father, and the bestower of every good and perfect gift, and that only we, ourselves, can prevent Your love changing us from the mortal to the immortal.

Let us never cease to realize that Your love is waiting for each and all of us, and that when we come to You, in faith and earnest aspiration, Your love will never be with-held from us.

Keep us in the shadow of Your love every hour and moment of our lives, and help us to overcome all temptations of the flesh, and the influence of the powers of the evil ones, which so constantly surround us and endeavour to turn our thoughts away from You to the pleasures and allurements of this world.

We thank You for Your love and the privilege of receiving it, and we believe that You are our Father --the loving Father who smiles upon us in our weakness, and is always ready to help us and take us to Your arms of love.

We pray this with all the earnestness and longings of our souls, and trusting in Your love, give You all the glory and honour and love that our finite souls can give.

Amen

MoC

Note: The 'false teachers' are our parents, as they are also the 'evil ones'. Also, the evil ones, being those parts of one's mind, that are controlling you.

A Personal Adaptation of the Prayer for God's Divine Love:

Joseph Babinsky

Our Father, who art in heaven, I recognise:

That You are holy and loving and kind, and that I am the child of Your care.

That I am the object of Your great Soul's love and tender most care.

That Your will is that I become at-one with You and partake of Your great love, which You have given me through Your desire that I become, in truth, Your child.

That You will open up my soul to the inflowing of Your love, and that then will come Your holy spirit to bring into my soul, this, Your great love in great abundance until my soul may be transformed into the very essence of Yourself; and that there may come to me faith – such faith as will cause me to realise that I am truly Your child and that I am one with You.

Let me have such faith as will cause me to know that You are my Father and the giver of every good and perfect gift, and that I only can hinder and stop the river of your inflowing love.

Let me never cease to realise that Your love is waiting for each and all of us, and that when anyone comes to You with faith and earnest aspirations, Your love will never be withheld.

Keep me in the shadow of Your love every hour and moment of my life, and help me to remain completely focused on this, your ever-present and unconditional love.

I thank You for Your love and for the possibility of receiving it, and believe that You are my Father – the loving Father Who smiles upon me always and is always ready to help me and take me to Your arms of love.

I pray this with all the earnestness and longings of my soul, and trusting in Your love give You all glory and honour and love.

The opening up of the soul permits a permanent exchange with Divinity, a permanent recharge of this healing energy that allows not only the re-establishment of lost health, but the continuity of health, providing such a perfect balance, even in the physical body, that noxious agents like bacteria and virus cannot find any opportunity to unchain pathological reactions, which we commonly call illness.

But it is true that people without the benefit of Divine Love would lack the protective shield, which the intrinsic healing energies of Divine Love provide for those who pray for our Heavenly Father's Grace.

The BEAUTIFUL MIRACLE:

5 Oct 2012

The DIVINE UNIVERSE

The way in which the Spirit conveys the Divine Love into the soul is a beautiful miracle. The attribute of mortal soul prior to incarnation has to it, a potential within it that is part of its formed nature. After the soul incarnates this potential remains part of the soul and even if the forming personality is unaware of such a soul potential, the potential still exists. The Divine Love is entirely suitable in its energy of harmony to be the energy that a mortal soul can utilise. The Spirit covers the spirit body when the individual sincerely asks the Soul of God for the Divine Love and this covering of the spirit body is where the dynamic of this beautiful miracle takes place. From the internal longing of the individual for the Divine Love this activates the Spirit Law that activates the Spirit that is then attracted to the spirit body upon which the Spirit material of the spirit body draws the Divine Love in to its soul and this union completes. The key here is to gain a perceptive insight into realising that the spirit body is not an inert body but that it is living and has activity, recognisable from its first forming from the Spirit Law that materialises a spirit body. The Spirit and the spirit body to give an analogy are like two attracting magnets and when the surface of the spirit body is touched by the Spirit, this causes the automatic response of the Divine Love to permeate into the attribute of soul and so begins the transformation of energy from the natural into the Immortal Divine Harmony. If the individual continues the receipt of Divine Love, the energy that is Divine Love actively begins to change the soul and this is felt in the spirit body systems and can produce feelings of love and elation. The spirit-mind begins to change as all spirit body systems are affected by the changed condition now experienced in the soul as the soul becomes living and vital. In one's progression of this Divine transformation, the soul will mature enough from the amount of Divine energy it receives and at that moment the surface of the spirit body and the Spirit are continuously attracted to each other, then one is living in the presence of the Father in perfect harmony, and this clarifies the truth about what it means to be truly at-one with God.

SHINING TOWARD SPIRIT:
665. The Shining toward Truth

Vol III, p. 157, 14 Nov 2014 – 14 Mar 2015 Zara and Nicholas

www.lulu.com

It is I Matthew, a teacher of the Divine Love. I have communicated with you recently, now I desire to provide you with a visual description of the Love.

Imagine a continuous Energy shining light blue that is unbroken with a seamless surface that surround every mortal and Immortal spirit. Imagine if you were to become aware that this energetic field of light-blue Energy existed in its shining radiance just near where you are. Now that you are aware that this unbroken Divine Love is unified energetic field of living Love, by opening toward the Soul of God and aspiring for the Divine Love, the Acting Spirit gently brings a small portion of this shining blue Energy into your soul

The Divine Love that you have received remains part of this great Energy that the Divine Love is and even though this small portion of Divine Love, now within your soul, in its shining radiance and energetic cause, it is never separated from the continuous energetic field of Energy that the Divine Love is. Having partaken of this Energy it is with perception that one is aware that the Divine Love within one's soul is the same Divine Love that every person and spirit who has partaken of this Love, participates with. Even though in our individuality we partake of this Divine Energy, this Love is never broken away from the Source and Origin from which this Divine Love emanates.

The Divine Love is bestowed into our finite soul by the Acting Spirit, but this Spirit remains in contact with our spirit body and does not enter the finite soul to become part of our finite soul essence that we are. No mortal or Immortal spirit can manifest in their soul the Acting Spirit so that this Spirit – this Holy Spirit – becomes part of our existing finite spirit body. Only the Divine Love and its Energy becomes part of our finite soul, which causes the change to our spirit body. The Acting Spirit always remains its own attribute and never does a Celestial spirit claim ownership or take possession of the Acting Spirit within their soul. (The Holy Spirit / Acting Spirit is an instrument of the Source Soul, our Father.)

This is one of the wonderful Truths by which we who have been transformed by the Divine Love understand our personal relationship with the Mother and Father's ever-present Acting Spirit. The shining Energy of Divine Love is all around us and when we have partaken of this Love, part of our finite nature becomes independently shining in this true perfect Love.

I provide these words that may appeal to those who are visual and to express the universal appearance of the Divine Love and the personal touch when in contact with the Acting Spirit.

Matthew (Apostle)

Whilst we are receiving our Heavenly Parents' Divine Love, and that this Love is causing change within our soul and spirit attributes, the greatest Truth known to man and spirit is that this is the way our Mother and Father are actually loving us! When we progress, it is God's way of loving us into love and then we live what we are, love.

To liberate one's real self, one's will, being one's soul, is by embracing Feeling Healing so to clear emotional injuries and errors. With the Divine Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

Our salvation IS by embracing Feeling Healing with the Divine Love.

God's Divine Love: Pray for it, ask for it, and receive it.

Please Mother and Father, may I receive Your LOVE.

“Every day is a day of devotion.”

Follow your heart, follow your love and do that in loving action, your inner love leads in your asking the Soul of God to receive a little of the Love to strengthen one's resolve to heal.

“I love you Father.” “Let the Divine Love proclaim its energy into my soul.”

“Mother – Father, I desire your Love and I am loving you.”

“Soul God, I love you and I love receiving and experiencing your Divine Love.”

“True Soul God, I am here, I am aware of your Love. Please hear my aspiration for your Love and as I approach you from my soul, I can feel your Love in the way that you are loving my soul.”

Try it; give the Feeling Healing and Love a go! If you want to shine, receive the Love.

One can simply receive the Love without following any religious or spiritual teaching taught by man!

Emotional errors and injuries cause encrustment around the soul, the soul is never damaged however, the encrustments retard love energy flow to and from the soul. Feeling Healing melts such injuries.

Three Great Truths:

- **God is Soul, being our Heavenly Mother and Father;**
- **that each individual soul is a duplex – both male and female;**
- **and Feeling Healing with Divine Love is the pathway to Paradise.**

Every physical ailment that you have is a total reflection of soul condition emotion that you are holding onto, and each soul condition emotion affects a certain part of the body.

Those who concentrate on the emotion rather than the mind / intellect are more accurate.

A pain in the lower back reflects unworthiness issues with self love.

A bit of chest pain, asthma type issues – grief – you need to cry.

Stomach, spleen, liver – all to do with fear.

Eyes – short sighted – not willing to see the big picture.

A lot of anger based emotions come out in your skin.

FEELING HEALING and SOUL HEALING with the DIVINE LOVE:**James Moncrief Publications:****all publications are free downloads:**<http://divinelovesp.weebly.com/my-free-books-and-free-padgett-messages.html>

It is suggested for one to consider reading as follows:

Speaking with Mary Magdalene and Jesus – books 1 – 4

These four books encapsulate the second of the revelations with the first having been introduced by James Padgett one hundred years previously. These four books provide a wide range of guidance that has never previously been made available.

Paul – City of Light

As a gentle intro into the Divine Love and Healing; being James Moncrief's first novel and it's been criticised as being too heavily clichéd, but that's the point because it's a reflection of how he was back then.

Ann and Terry

For an example of people who might want to immediately start working on themselves and doing their Healing.

Feeling Bad? Bad feelings are GOOD

For more understanding about our denial of our feelings and why we should not deny our feelings, and it includes how it all came about for James, using himself as an example.

Feeling bad will make you feel BETTER – Eventually!

This includes specific examples of Marion and James working on expressing particular bad feelings, again with the hope that it will help others gain something of an idea as to what's involved in doing your Feeling Healing.

Sage – and the Healing Angels of Light

Through Sage who's 13 years old, the story is primarily about the two aspects of healing; that being, with the help of our angels, and the full Healing we can do by looking to our feelings for their truth.

**Religion of Feelings
Feeling Healing**

**Welcome to LOVE – the Religion of Feelings
you can heal yourself through your feelings**

So these books, including the four Speaking with Mary Magdalene and Jesus books, provide the essence of it all and are examples of James' work. Then it's up to whatever takes one's fancy. Other reading to consider may include:

The Padgett Messages being published as:**The True Gospel Revealed Anew by Jesus volumes 1 – 4****Book of Truths by Joseph Babinsky****The Urantia Book**

Release one's pain through expressing one's feelings.

in conjunction with

Longing for the Truth when also longing for Divine Love.

FEELING HEALING with DIVINE LOVE is SOUL HEALING:

A collection of 'papers' that draw together specific topics including all of the above and more from other sources of information and revelation designed to help increase one's awareness about why we have the problems we do and how to heal them, all whilst living a more healthy and sustainable life. They provide a brief snapshot of the more complicated topics and issues.

Firstly, consider discovering the truth of your emotional pain through Feeling Healing.

Secondly, consider longing for our Heavenly Parents' Love as you progress with your healing.

Primary and most important readings are the writings of James Moncrief.

Then consider the Padgett Messages, and then The Urantia Book.

DIVINE LOVE and DIVINE TRUTH Revelations and Teachings escalating:

People look for miracles to cure disease which is ONLY the removal of the effect of the emotion.

SOUL  SPIRIT BODY  PHYSICAL BODY

The soul animates the spirit body and in turn the spirit body animates the physical body. The spirit body looks just like the physical body. These bodies are connected by cords. Your memory and intelligence as well as your emotions are within your soul which is your real self. Your mind is within your spirit body. Your brain is within your physical body.

The real you is your soul.

SOUL  SPIRIT BODY  PHYSICAL BODY

Prayer: is emotional exchange with God.
