## PASCAS INTRODUCTION:

Documents assembled by Pascas are provided for your individual assessment and exploration. The contents are sourced from a variety of avenues and publications. Every endeavour is made to determine that the contents are of the highest level of truth and veracity. At all times we ask that you go within yourself, to ascertain for yourself, how the contents resonate with you.

Pascas provides these notes and observations to assist us all in the development and growth of our own pathways and consciousness. Pascas does not hold these contents as dogma. Pascas is about looking within oneself. Much of what we are observing is new to us readers and thus, we consider that you will take on board that which resonates with you, investigate further those items of interest, and discard that which does not feel appropriate to you.

Kinesiological muscle testing, as developed by Dr David R Hawkins and quantified by his Map of Consciousness (MOC) table, has been used to ascertain the possible level of truth of documents. Such tested calibration levels appear within the document. We ask that you consider testing same for yourself. The technique and process is outlined within Pascas documents, such as Pascas Care – Energy Level of Food. From each person’s perspective, results may vary somewhat. The calibration is offered as a guide only and just another tool to assist in considering the possibilities. As a contrast, consider using this technique to test the level of truth of your local daily newspaper.

Contents are not to be interpreted as an independent guide to self-healing. The information sourced herein is not from a doctor or doctors, and any information provided in this document should not be in lieu of consultation with your physician, doctor, or other health care professional. Pascas, nor anyone associated with this document, does not assume any responsibility whatsoever for the results of any application or use of any process, technique, compound or potion as described within this document.

The sources of contents are noted throughout the document. In doing so, we acknowledge the importance of these sources and encourage our readers to consider further these sources. Should we have infringed upon a copyright pertaining to content, graphics and or pictures, we apologise. In such cases, we will endeavour to make the appropriate notations within the documents that we have assembled as a service via our not for profit arm, to our interested community.

We offer all contents in love and with the fullness of grace, which is intended to flow to readers who join us upon this fascinating journey throughout this incredible changing era we are all experiencing.

### **LIFE in the SPIRIT WORLD:**

Many hold the belief that when we pass into the spirit world, that is, if you believe that there is a life after death, that we either pass into a fiery hell or into heaven. That is, we get a zero score and into hell, or we get the top score and into heaven. Neither is true. When you graduate from school or college, you do so with a score within a very wide range of outcomes. That is the same as when you pass into the spirit world, you enter into the plane that represents your precise level of soul condition. The good news is that you can continue to progress on upwards from whatever level you had achieved. You can keep on growing in love for eternity.

The testimonials, if you would like to call them as such, are numerous. The recommended reading material listed below give detailed accounts of what we will experience within the spirit realms and how we can continue with our growth. Every night in our sleep state we visit the spirit world.

**FACTS:**

Through the Developed Psychic Instrumentality of Anthony Borgia, first published 1946.

P.30

The will of the Father of the universe is that the whole universe of living things should be happy. The destiny of all mankind is ultimate supreme and unalloyed happiness which, in the spirit world, will one day be enjoyed by every single soul that is born upon Earth. There lies before every person the whole of eternity of time in which to reach that sublime condition.

In the meantime, each soul will enjoy in the spirit world a measure of felicity in exact keeping with his spiritual progression. When the feeling that the particular happiness is growing weak, is losing its edge, as it were, the moment has come for considering the means of taking another step forward upon the pathway of progression, and so bringing to the individual soul a fresh access of gratification.

Happiness. That is the supreme will of the Father of Heaven and Earth. Happiness, and everything that such happiness can connote. From that will of happiness comes the wish for the welfare of all mankind, whether incarnate or discarnate. The Father would never inflict one moment's sorrow upon any living soul. But what, it may be objected, of 'death' itself? Does not that alone bring sorrow and sadness to millions of people on Earth?

Most assuredly it does, but it need not; it was never intended that it should. That is not God's will. Have we not already discussed the words blessed are they that mourn, for they shall be comforted? There would be no mourning upon Earth if every man knew of the truths of the spirit world and of spirit life. If all men knew of and practiced communication between our two worlds, and thus were enabled to speak with their departed friends and relatives and so continue a natural intercourse with them just as though they were still incarnate, if all men knew that truth, the sad tears that are so often shed would soon be wiped away to be shed no more.

No longer would it be conceived as the will of God that some tender flower of childhood should be taken from its happy home and family upon Earth in the death of the physical body, to go, albeit, to greater happiness in the spirit world, but to leave behind deep sorrow and misery, for however much one may rejoice that a cherished friend is gone to a higher life, there still remains the sadness of separation. But if, even in departure for the higher life, there remains no separation by virtue of the practice of communication, then there will be no sadness if the channels are provided for such communication.

The great misconception of ascribing so much to the will of God for which no other explanation can be found also arises from a misunderstanding of the causes of numberless things that take place upon Earth. So much is put down to the will of God that is caused by none other than the will of man. So much is put down to the will of God that is nothing other than natural forces at work.

### DIMENSIONS of ONE'S EXISTENCE:

Our SOUL IS NOT ENSOULLED IN OUR SPIRIT BODY. Our soul exists existentially in a whole different level or plane or place or dimension of being – 'soul land'. It doesn't exist in Creation, it's not experiential like Creation is. The soul, all souls, help create their part of Creation by expressing their personalities into Creation, and then by having their personalities do things (further create) in Creation.

SOUL exists existentially

Our Physical Body and our Spirit Body are of Creation, being linked together by cords of light as are the two spirit bodies, male and female, to the one Soul.

One's unique personality is soul based. Our unique soul expresses its unique personality through the two spirit bodies and physical bodies expressing both the male and female aspects.

## PERSONALITY

**Our soul is the centre of our personality.  
We are children of our Heavenly Parents.  
Our soul manifests a male and female personality - it is a duplex!**

**DO WE ATTEND OUR OWN FUNERAL?**

Monday, 3 December 2018

This is a general observation by Nanna Beth – 3<sup>rd</sup> Celestial Heaven – following the death of Graeme's mother a week earlier:

Nanna Beth: Graeme, your mother is doing exceptionally well, better than expected. She is out of the arrival hospital and is convalescing in the hospital grounds mixing with other newly arrived spirits like herself and starting to feel rejuvenated, excited that she has a whole new life ahead of her, not daunted in the least by it, with some of the things you told her, Graeme, echoing in the back of her mind, helping to underpin her acceptance of her changed state, easing her transition, more so than it would have been had you not tried to impress your understandings of life after death on her.

She won't be at her funeral in person, she will be aware that it's taking place, however she won't feel up to seeing everyone.

She is feeling her new found freedom in the spirit light, it's buoying her up, as it does us all.

It's hard to describe to you, however when you are of it, when it is of you, if you don't have within you the untruth that requires union with and time lived in the hells and lower Earth planes, then you can find it almost traumatising having to 'go back' to Earth or such lower levels until you are spiritually fortified to deal with them.

In time your mother will find such inner strength to deal with you and your sister and all the rest of her past, however for the time being it's more important that she looks after herself and stays where she is rather than subjecting herself to her own funeral.

So even though you might 'feel like or sense that she is present', it's more just in and with you in mind, rather than being with you all in person.

For other spirits, they can deal with such things, some being so switched off being so insensitive to their feelings that it's just a thing to do, others wanting to feel all the emotion of the event, even to be caught up in being the centre of so much attention, but your mother simply needs peace of mind and environment with like-minded and like-feeling spirits, feeling part of her new life with these new spirits, all sharing their amazement and bewilderment at there actually being life after death, all needing to focus on themselves blocking out everyone else, and particularly often all the unpleasantness from those they've left behind.

**HEALING & RECOVERY: by Dr David R Hawkins**

Healing is the result of not just clinical processes but also of overall biological potentialities that often do not materialise without the unseen power of spiritual alignment.

Health recovery is greatly facilitated by the unseen power of the spiritual dimensions of intentionality of consciousness itself (nonlinear context). Consciousness is the quality of your soul condition.

The clinical power and influential impact of spiritual context is overwhelmingly displayed by the millions of recoveries from medically hopeless illnesses as exhibited by worldwide membership faith-based organisations of which Alcoholics Anonymous (AA) and A Course of Miracles (ACIM) are prime examples.

**Note:**

The Map of Consciousness (MoC) table is based on the common log of 10. It is not a numeric table.

A calibration increase of 1 point is in fact a 10 fold increase in energy.

A calibration increase of 10 points is in fact a 10,000,000,000 fold increase in energy.

Thus the energy differentials are in fact enormous!

**Blessing your food** achieves an increase of 15 points which is in fact a quadrillion ( $10^{15}$ ) jump in energy.

**Our Heavenly Mother and Father simply desire for us to ask for Their Love.**

## **DEATH and DYING:**

Death and dying might be called saying farewell to the body. Hopefully, by the end of this chapter, it will be possible to view the process in a more light-hearted way than usual. I (Dr Hawkins) am going to share what I have learned from my clinical experience and research, along with personal experiences, in a way that has not really been shared previously with people. I am just going to share what I have experienced about death and dying and what has come to my own awareness.

Lecture audiences have said it is not possible to do it that way because others are not that sophisticated and are not going to understand it. On the contrary, I have found that people who are involved in spiritual work understand it right away and do not have the slightest problem.

In the process, we will refer to the Map of Consciousness (MoC) because, in discussing death and dying, we will talk about consciousness and the two things that people really fear. One is the physical experience itself, and the other is what they fantasise to be a loss of awareness, consciousness, and the awareness of existence.

We will refer again to the levels of consciousness that are shown on the Map. The scale represents the human ego, or the self with a small 's', which we commonly refer to as 'me' or 'myself'. In the middle of the scale is the level called Courage. Below Courage, the arrows of all the feeling states are in a negative direction, which are calibrated as to their relative energy and power. For example, Apathy has much less energy than Fear, which is calibrated at 100. Guilt is at level 30; Apathy, or hopelessness, is at 50; Grief and regret are at 75; Fear, in its forms of worry and anxiety, is at 100. Desire, with cravingness and wantingness, is at 125. Anger goes up to 150, and Pride goes up to 175.

By virtue of telling the truth, in this case that life comes only from life (which is a very important statement), we reach level 200, which discerns truth from falsehood. Most of the fears of death are the result of the failure to understand and know that life comes from life and is indestructible. Like matter or energy, it can only change the form of expression (calibrates as true). When we tell the truth, we see that the negative energy field begins to go upward in a positive direction. As we move towards the conscious awareness of the Source of life itself, we move into higher states of Love and Joy. Then we come up to a level at 600 where there is a transition into a different paradigm and the experience of existence in which one no longer identifies with a separate, individual, physical body. We begin to realise the truth of who we are. The expansion of consciousness (soul condition) goes beyond the individual small self.

**Fields above 500** - Love based  
Awareness  
Beingness  
**More feeling based activity, rather than intellectual – in the mind based activity.**  
**Energy field of Love is the one that heals.**

**Fields 200 – 500** - Doingness  
Intellectual  
**Life is seen as an opportunity.**  
**We are getting closer and closer to truth.**

**Fields below 200** - Wanting & Craving  
Desiringness  
Fear Driven  
Self hatred  
Grudges  
**Values are based on what one has.**  
**The energy fields below 200 are opposed to life, do not support life.**

To the right of these levels of consciousness on the Map are the emotions that correspond with each level. At the bottom of the scale, shame and self-hatred accompany Guilt. The process going on in consciousness is in a destructive direction. Apathy is associated with hopelessness and despair, and the process is the loss of energy. Grief is associated with regret, loss, and despondence. The process is one of becoming dispirited. Fear is associated with worry and anxiety and has to do with the future, which leads to the process of deflation. Generally, when people think of death, they think of grief and fear. They may even move to a higher state called Anger because they are angry and resentful about the whole experience and then include grievances about it.

As we move upwards, we come to the level called Pride, which calibrates at 175. Pride feels a lot better than the lower states, but unfortunately, denial accompanies pride. We have to learn how to overcome some of this denial. It arises out of fear, and once fear is understood, denial drops away and one can then move up to the level of Courage, which has a lot more power at 200.

 The Final Doorway to Enlightenment / Nonduality

 The beginning of the Nonlinear Realm 500

 The beginning of Integrity 200

**NATURAL LOVE or HUMANITY’S ERRONEOUS EMOTIONS:**

Your soul, being your real you, is an emotional being. Your soul, though a thought of God, does not possess anything of the divine within it. It existed in a state of bliss, in a natural love state, pending individualisation which is achieved at conception which is the time of incarnation. Your soul is endowed with natural love emotions noted within the top section of the Map of Consciousness scale, being those emotions calibrating above 200.

MAP OF CONSCIOUSNESS					
God-view	Life-view	Level	Log	Emotion	Process

Permitting	Feasible	Courage	↑ 200	Affirmation	Empowerment

Humanity’s erroneous emotions are those calibrating below 200 on the Map of Consciousness. The environment around a newly conceived child progressively degrades the condition of that child’s soul. When the child reaches about the age of 7, the child’s soul condition will reflect the parent’s condition. These negative emotions are like a crust around the pure soul it has within.

MAP OF CONSCIOUSNESS

The energy field of Courage represents the emotional capacity to face, cope, and handle life's events, because telling the truth about a thing empowers a person. A continuing positive attitude can then move us up to the state of Willingness at 310, where we say, "I want to know the truth about the matter for its own sake." The energy field then becomes powerful because now intention is put into it to know more about a goal and the capacity to accept the prevailing conditions around it.

Below consciousness (soul condition) level 200, power is given away, resulting in doubt and lack of confidence. The willingness to look into a matter then results in an open mind that moves us up to level 350, called Acceptance, which is an important capacity for handling the prospect of mortality. At this level we re-own our power and begin to feel adequate and confident. It is the beginning of transformation in consciousness (soul condition). There is the awareness that "I, myself, am the source of my own happiness, and I have the capacity to find out the truth for myself." Eventually, we can move up to the energy field of Love at 500, where there is the capacity for and dedication to nurturing and supporting life, and the willingness to be forgiving. With that comes a revelation about an energy field called Joy that calibrates at 540 and is associated with healing and gratitude. Joy brings an inner serenity and is characterised by compassion, which is the ability to see into the hearts of others. There is also the willingness to be loving and non-judgmental of life in all its expressions.

<b>Consciousness Calibrations Worldwide</b>

Transformation is then quiet, and we move up to the state called Peace at 600, or the peace of God. The feeling associated with that is eventually bliss and then progressive states of illumination. We may feel as though we are encompassed with a light. As we go into an ineffable state, it is so exquisite that it is difficult to describe. The importance of the body disappears, and it becomes irrelevant. It is forgotten because the body is associated with identification with a personal, separate, limited self. At the more enlightened states, there is an exquisite expansion of consciousness (soul condition) and a loss of identification with the body and the person self. At the energy fields above the 600s are the states of feeling completeness, wholeness, and oneness with all of life, and a oneness with God.

Humility results in an open mind. An open mind says for the first time, "What is truth? Please, God, let me open my mind to know within my own consciousness what is the truth for my own self."

Our expectations of death reflect conceptions about the nature of Divinity. Thus, a person at the level of Neutral at 250 would see the world as okay. They would see all experience, including even death, as okay, and therefore see God as freedom. Lower levels lead to the fear of God, guilt, and expecting God to be the great avenger because of the prevalence of jealousy and hate. The God of hatred is near the bottom of the chart and pictured as an entity that hates man and man's humanness, all of which is a paradox inasmuch as God created us.

When we move up to the levels of truth, we experience life, the world, and all the experiences in the world, including death, and expect them to be positive ones. God now becomes promising and hopeful. We can then look forward to death as some kind of great release into a much larger expansion in

consciousness and awareness called Heaven (actually the spirit world level of Kingdom of Man – spheres 1 – 6). (The actual reality revealed by consciousness research is that there are multiple regions of Heaven.)

As we move beyond the level of acceptance, which we do by owning back our own power to know, we move into a loving state that is forgiving and understanding, with the beginning of revelations and the experience of all life as loving. We begin to see that love is present everywhere. Therefore, we move on up to a God who is merciful and represents unconditional love. The realisation that lovingness is a basic reality leads to an inner state of joy. Out of that comes compassion, the transfiguration of consciousness (soul) that reveals the perfection of all creation. There is the realisation of the oneness of all life that results in the state of bliss. There are also states of enlightenment and illumination in which one becomes conscious and aware of unity and oneness.

At level 600, we move out of the energy fields of ordinary consciousness and into those that are called nonlinear. In the mid-600s are the more advanced states of awareness and consciousness called ‘enlightened’ and ‘illuminated’.

As the foregoing may sound philosophical or theoretical, I am going to share things I have learned clinically through many years of experience plus events that I have personally experienced. As a result, we will have a more practical field of reference about what the death experience really entails. I will be going back to childhood experiences to relate some things that happened to me and how they correlated with other things that happened later.

When I was about twelve years old, I was a paperboy in northern Wisconsin. One night, it was below zero, and I felt like I practically freezing to death. I dug a hole in the side of a huge snow bank and crawled inside the cubbyhole that I had made. The snow was piled about twenty feet high on the side of highway, and I crawled into this refuge and curled up in order to just get out of the fierce and relentless wind. Within a few seconds, I began to experience a state of relaxation, and a state of profound warmth began to come over the body. The body just did not seem to exist anymore, and instead, an incredible, blissful state of peace overcame me. I was surrounded by light, but the light had the quality of touching me and being with me as an infinitely loving consciousness that was enveloping and dissolving. I just dissolved and became at one with this infinite field because it had no beginning and no end; it had no dimensions and was outside of time.

The state of the true Self experientially lasted for eons of timelessness. The experience was total, and at every instant, it was all encompassing, timeless, serene, and complete. There was nothing missing, nothing lacking, and nothing further to be accomplished. It was a state of profound Love, Peace, and completeness that is beyond description.

At first, there was an inner feeling of relief, followed by a quiet joy and ecstasy, and then it went beyond ecstasy. It went beyond bliss and became an eternal infinite state, far beyond ordinary consciousness. Curiously, the Self is more truly personal than the ego self. Sometime later, my father discovered where I was and shook me. He had a very upset, anxious look on his face and said, “Don’t ever do that again! Don’t you know you could freeze to death?”

I had no context within which to hold this experience or even know what to call it. It was a very profound experience, and in the mind of adolescence, there was really nothing that could be said about it. I could not mention anything about it to my father because he would not have had any way in which to hold it. Additionally, he was frightened at the time, so neither of us knew what the experience meant or signified.

No books on the 'near-death experience' were generally available at the time. The movie *Resurrection* only came out in the last decade. (By the way, that movie was clinically accurate.) All those who have had that kind of experience verify the truth of what the woman in the movie experienced. She was killed in an automobile accident. It is the true story of a person who was declared dead on the operating table. She left the body and experience the same incredible, infinite state as I have just described it.

**Spirit body with the physical body. We do not astral travel.**

My father and I had no context within which to hold this experience or to understand it, and although I mentioned it briefly to him, he did not know what to make of it either. Besides, he was too frightened at the time so the experience was never mentioned again. I did not understand it until I was much older.

Later, when I was in my thirties, I was dying of a very serious and progressive ailment. As I lay in bed in a very moribund condition and grave state, suddenly, much to my surprise, 'I' was about ten feet over the physical body. There I was, in space, in a perfect body that was transparent and ethereal. It was weightless, yet I had all my faculties. I could think, reason, see, and hear. I looked down at the physical

body that was lying in the bed about eight to ten feet below me, and it looked like it was about to expire. There I was, outside the physical body, looking down at it. Aware that that which I really am is something other than the physical body. (At the time, I had never heard of an out-of-body experience.)

Our Intelligence is Soul based. The capabilities of discernment, e.g., by kinesiology muscle testing, expands only with the growth of our Soul's intelligence. Upon conception, the creation of both our Spirit Body and Physical Body occurs, bringing forward our unaware Soul to start our journey. Upon death of the Body, the brain dissolves. The mind continues to grow in the Spirit Body until we progress through the 7<sup>th</sup> sphere into the 8<sup>th</sup> sphere at which point we are 'born again', one with God, entering the Celestial Realms, and the mind is no longer. Our soul intelligence grows as does our soul expand with the ever increasing infusion of Love from God.

**SUPER SENSORY SENSES**

**Feeling  
Healing with  
Divine Love is  
the key!**

The super sensory senses are within the soul:

- Soul is our real self.
- Spirit body with many senses, has much higher senses and capabilities than the physical body.
- Body has five sensing tools – sight, smell, touch, hearing, and taste.

When the soul receives Divine Love, even the super sensory senses continue to grow.

Physical Body	↑	we first generally develop our physical senses.
Spirit Body	↑	mind / brain development starts.
Soul	↑	soul development is typically ignored on the planet.

Soulmate development is soul to soul.

Once we open up our soul, we cease to depend upon our bodies, and connect soul to soul.

Our abilities in the physical form are a subset of the senses that we have in a spiritual form.

Spirits have the ability to feel emotions.

Spirits have the ability to see pictures.

We have the ability to do that with every single being in the universe.

The only thing that limits this ability within myself, in the physical, is unhealed emotions within myself.

Progressively, we will connect with spirits through all of these senses.

**PURPOSE of ORGANS within OUR BODIES:**

How the organs within the physical body as well as the spiritual body is dependent upon the soul. The organs all work to keep the soul connected to the body. This is to enable the soul to experience life through the body.

The rate at which the heart beats within the spirit body is much faster than within the physical body.

**Visibility:**    **Body -**    limited sight of colour.  
                       **Spirit -**    expanded visibility.  
                       **Soul -**     complete spectrum of colour.

During this very critical illness, I found myself totally out of the body, but it was not time for me to leave, so at a later point, I had to go back into the body. I recovered from that particular episode of the illness and continued to live, but later I relapsed, and the illness got worse again. This time, it was grave indeed, and I was really right at the very door of death itself. I was in a state of deep despair, a state of hell, a state of absolute and total helplessness and hopelessness, and only a couple of seconds away from leaving the body again. (Death of the physical body occurs only after the silver cord linking the spirit body to the physical body is broken.)

At the time, I had been an agnostic for twenty years. Despite having had these incredible experiences of being something other than the body, I still did not have a context within which to hold it. I was still an agnostic, and I was dying. Suddenly I said, "If there is a God, I ask him to help me," and then I went into oblivion. When I regained awareness, there had been a major, total transformation. There was no longer any identification with a person physical body. It walked around and did all the things it was supposed to, but I stood in an energy field that was infinite. The power and dimension of the field were

beyond description. It held me in absolute safety; I was like a rock. At the same time, it was exquisitely soft and gentle. Its exquisite gentleness and softness held me in its infinite, loving embrace. The body moved spontaneously as there was no personal will, mind, or entity such as a personal self. I walked around in that state for some months and still did not really have a context within which to hold it. It was not mentioned to anyone as there was nothing I could say about it. It was like going from an absolute blackness, feeling totally cut off from God, into a state in which what had stood between me and God had been removed, and I was now standing in the Infinite Presence.

It is only in recent decades that near-death experiences have become more commonly known. Classic stories written in Victorian times were known only by a very limited number of people, but now there are many books about the subject. Surveys have shown that approximately sixty-five percent of the population has memory of near-death or out-of-body experiences.

Later on, I found out this was a technique that we could learn to do at will. I learned that there are all kinds of people who leave the body spontaneously or at will. Some people are born with this gift while others can sit down to meditate and immediately have this experience. (The spirit body continues to remain connected to the physical body by silver cords, and hence returns.)

As a clinician and scientist, I became interested in this phenomenon and discovered a scientifically oriented organisation where this was being studied. I read *Journeys out of the Body* by Robert Monroe and then visited the Monroe Institute where I participated in a ten-day training. They have audio tapes with a frequency that entrains the brain to reach a certain altered state of consciousness in which one can leave the body at will. I also learned that people who were not born with the capacity to reach this state or who do not develop it spontaneously could learn to do it. The purpose of that was to learn that we are something other than the body, that we are greater than the physical body, and that the physical body belongs to us but we are not limited to it.

The best-known writings on the subject of death and dying are those of Elisabeth Kubler-Ross (*On Death and Dying*), which really opened up the subject for the first time for discussion and familiarity with what had previously been a taboo subject. The stages she outlined are now relatively well known.

There is, of course, a prevalence of denial as an initial way of handling the shock, and physical death is a primary biological fear common to sentient beings in general who, over the millennia, have devised innumerable ways to avoid death and stay alive as an individual.

Survival techniques evolved as a function of biological intelligence expressed as learning and memory. While lesser forms of life are subject to biological protoplasmic death, only humankind can consciously anticipate it with foreknowledge. Denial is one of the basic mechanisms of the ego to protect itself from fear. With surrender of denial, the fear arises of ceasing to exist for the ego lacks spiritual awareness due to its identification with the body.

**The physical body only dissolves when you disconnect the spiritual body from the physical body which is the silver cord breaking and disconnecting the physical body from the spiritual body. This is the death of the physical body.**

The stage of ‘bargaining’ is then an attempt by the ego/mind to seek to delay the inevitable, and God is then recognised and entreated to intervene on the ego’s behalf. Anger also erupts at the loss of control and the confrontation to the ego’s narcissistic core that its infantile will is up against an insurmountable obstacle and cannot have it own way. It does not seem fair that its wishes are being frustrated and denied. This brings up grief and mourning over loss of the previously anticipated future of endless ongoing individual existence.

The basis of all the foregoing reactions is the identification of self and its existence with the physical body as the source of existence. Thus, it is the meaning of the body that brings up the resistance to the prospect of its demise. The prospect of physical death brings up the fear of oblivion, cessation of consciousness and awareness, and its singular characteristic of experiencing.

The processing of the physical stages is greatly facilitated by spiritual alignment and awareness, which progressively becomes the focus of attention, along with one’s relationship with God, Hope and faith plus surrender facilitate the strong emergence of progressive reliance on spiritual teachings and allow for a transformation of consciousness (soul condition) to higher levels, which brings peace. Acceptance is facilitated by the realisation that the death process is universal and applies to all living beings now and for all past time. Thus, there is the relief of sharing the common experience of all who are still alive or who have ever lived. This facilitates a certain trust in the process itself by virtue of its universality.

**Soul Condition:**

**It is your soul condition that attracts spirits as well as people here on earth. Your soul condition is what attracts everything.**

**Your soul condition is the sum total of everything within you emotionally, all your belief systems, all of your emotions, all of your passions, all of your desires. It even includes your intellectual beliefs. All these things make up your soul condition. They all govern the Law or Rapport.**

**You cannot manufacture your condition in the spirit world – you look exactly as you are, warts and all.**

**We can process our emotions here as in the spirit world. Our façade prevents this from happening – we are not seeing ourselves truthfully.**

**Mirror, mirror, on the wall... ooops!▲  
Mirrors in spirit world reveal all.**

**Within the spirit world, our clothing, which is part of our spirit body, is representative of our soul condition. Thus our outer garments are indicative of our soul condition, nothing is concealed or concealable. On Earth, you may look attractive, but in the spirit world, you show your true self.**

**Yes, there are mirrors in the spirit world.**

Processing the pain of loss requires relinquishment of the many attachments that the ego has found during a lifetime, especially to loved ones. This is facilitated by the realisation that in time, they, too, will face the death process and thus share the same destiny. Love then becomes the means to transcend the ego's limited view of reality and identification with the ever-evolving Reality of Divinity as Love itself. The more we love others, the less the feeling of loss, for love is realised to be the sole value of others. The self separates, whereas the Self unites. Thus death is a fulcrum to illumination.

The greater the amount of spiritual work (improvement of soul condition) one has done during their lifetime, the less there is left to do at the prospect of death (besides that, you have a more enjoyable life). A very evolved person is comfortable with the prospect of leaving the body at anytime. One way to accelerate spiritual progress is to entertain the prospect of one's eventual death and process all the attachments and illusions that come up about that eventuality. Paradoxically, the exercise greatly reduces one's fears of life.

At one time in my life, I was studying alternate methods of consciousness-research techniques, including a breathing method. In this experience, gently and softly, there was spontaneously the same experience of suddenly leaving the body and no longer experiencing it. Repeatedly I would go back into the experience I had in the snow bank when I was twelve years old. The re-experiencing, the forgetting about the body – as one leaves it, one forgets everything that went on with it within a couple of seconds, so there is no memory of what happened in that lifetime or even of one’s name. All of that becomes irrelevant and has no bearing, significance, or reality. Instead, one begins to experience that which one really is, along with that same experience of incredible peace and lovingness outside of time and space. There is just pure awareness. One is exquisitely aware of the existence of existence as an infinite being.

<b>Desires are followed:</b>	<b>Sphere 2</b>	<b>500 – 650</b>

Returning to the Map of Consciousness (MoC), at the bottom of the scale there is great concern with havingness, and status is based on what we own. As we move up into the more powerful levels of courage, capacity and capability, there is great concern with what we do. As we move toward the top of the scale, there is only the awareness and value of that which we have become and are. Nobody cares any longer about what we have or do. I discovered that when we leave the body, we take with us what we are. What we experience is that which we have been willing to know and own about ourself. The truth about ourself, that which we are, is what we experience, and all that we had is forgotten. There is no memory of money, possessions, or power, all that we did is forgotten. In this state, if a person were asked what they did when they thought they were a body and moved around in the world, there would be no recall as to what that was, but that which they are is overwhelming.

Another interesting personal experience occurred later in life. My mother and I were not very close because she lived in Florida, and I lived in New York and was not able to visit her very often. One day while out in the woods in New York, suddenly I had an intuitive knowing that I should go down to Florida. ‘Out of the blue’, so to speak, I suddenly knew that my mother was dying. It was like a call to “come down here like right away”. I went back to the house and made a plane reservation on the first flight I could get for the next morning. After making the reservation, I called her house and was told that she was in hospital. I knew she was dying.

When I got to the hospital, I had a tremendous feeling of relief for my mother. I suddenly felt a great release of tension. When I walked into her room, it was crowded with hospital personnel. I was a ‘big-name specialist’ from New York, and this little hospital was going to make sure that nothing went wrong, that

**The real you is your soul, that is the bit you want to develop.**

that

everything was covered, so practically the whole staff was there. And there was my mother, with her oxygen tank and all kinds of tubes sticking in her all over, along with all kinds of meters and electronic things to make her heart go. All of a sudden, just as I entered the room, at that moment I knew she had just left the body, and I experienced her absolute ecstasy as she left. She was so glad to get out. It was like an infinite state of joy and ecstasy, and I was psychically at one with her in the experience – I felt exactly what she was feeling. She had waited to leave the body until I got there, and both of our wills joined to know the experience. She had wanted me to experience the experience with her, and so I experienced that ever-expanding, infinite, absolute state of ecstasy as she went into that state. Nobody was ever happier to get out of that body than my mother. For years she had been hoping to get out, and when she did, she was very, very happy.

Of course, the hospital personnel did not know she had died yet, so sort of telepathically, I sent the thought to the cardiologist that “She’s dead; you can turn the machine off.” He suddenly got the idea and said, “Turn off the machine.” The machine that was creating the heartbeat was turned off and the doctor put the stethoscope to her chest and said, “She’s dead. Oh.” Then the hospital staff looked at me as though they expect me to go into a state of unhappiness or something, and I did not. I was in a state of ecstasy, in the same state my mother was; I was with her. What was there to grieve about? My mother was never happier in her life. There was, however, a nurses’ assistant, an LPN, who also ‘got it’. She looked at me, broke into a big grin, and said, “Boy, was she ever happy,” and I said, “You got it! She sure was!” The two of us grinned at each other, knowing exactly what was going on, but nobody else really understood. They probably thought I did not love my mother and was glad to see her go, or I was going to inherit a lot of money or something. Only God knows what their minds thought about it, but the LPN and I knew what was happening, which took us into the state of joy.

**Child can see spirits who visit child, also children can see behind the mask and see the real condition of the spirit.**

**You can encourage the child to see behind the mask. Ask the child to tell you what they feel about the spirit.**

My own experiences, memories, and recalls of leaving the body behind were of two different kinds – the one of infinite lovingness that I had experienced many times, and then those experiences of going out of the body and experiencing nothing. Either way, we do not experience our physical death, but in the ‘nothing’ experience, the recall would be back in another body.

In this lifetime, at age three, out of oblivion, I was suddenly aware of the body. I can look back at early childhood and remember that moment where there was the realisation that “I am. I exist.”

Earlier we said that what we hold in mind determines what we experience in the world, and that is what our experience of God is. Many people hold in mind the idea that after death, we go out of the body into oblivion, but I had the experience of the Infinite Presence – an infinite, almost angelic experience. As I was looking at that one day, there came the return of memories of being ‘on the other side’ with those who were dying. It came back first as an experience on a battlefield, and I remembered being with dying people, looking at their agony, fear, and physical pain. Suddenly there was this infinite lovingness and infinite state of being with the person who was dying. Before my very eyes, they would become transformed. They would leave the physical body behind, and all the wounds would heal. It was my love united with the love of God, as though I turned the heart over to God, and now the energy field of angelic beings who are absolute love poured through, but my consciousness was there with this dying person. The exquisite love of that energy would then heal all the wounds and the fear. I would see the fear, and the person’s eyes would open again. They would look at me, and I could see they were just melting with the experience. All the terror, fear, guilt, and feeling of being separated dissolved, and they would look at me with recognition. Then I saw that they would see that which was significant or divine to them, and that I, myself, was formless. The same experience has also happened in this lifetime.

### HIERARCHY of HEALING SYSTEMS

When we go into higher states of consciousness (soul condition) where we are no longer the physical body, we see that people see what they are projecting there. The dying person would open their eyes and see us as that which would be most significant to them, as we are without any form. Sometimes we are seen as the mother, lover, or a crowd of people with whom the person was dearly in love. Sometimes they would see a divine figure, but this was happening within the phenomenon of mind

itself; it was all the phenomenon of mind (within the spirit body). The person was experiencing what was most healing to them.

We have come upon a way of overcoming the fear of death. It is the willingness to be that to oneself and to others who are dying. The way to overcome our own fear of death is to picture oneself as being on the other side, like a first-aid receiving station. We open our hearts and ask to be connected with the angelic forces and to become one with them. Now we picture ourselves going to those who are dying. We do it now while we are still in our own physical body, and we send forth that energy of compassion.

Consciousness itself is not limited by bodies. Bodies have to do with the ego and its limited viewpoint. We send forth the energy field of compassion and picture ourselves in our imagination. We can begin it now in our imagination with any person because, in the world in any hour, there are over seven billion people on the planet. Thousands and thousands of them are dying every hour. We select somebody that we feel we could be most loving toward – a child in a crib, a teenager just hit by a car, somebody on a battlefield who is riddled with bullets, a mother in childbirth, or a person committing suicide. Then we picture the person for whom we have the most compassion, send ourselves forth in our imagination to that person, and see ourselves as infinitely loving. In a way, we are now more alone and yet more not alone than ever before because we can fully express all the tenderness and love that we have suppressed during our whole lifetime. Now is our chance to send it forth and be with that person.

We think of the agony and fear of so many people. Then we go to them and begin to heal them by picturing ourselves holding them in our arms, pouring forth the love through our heart. It really comes from a high being and radiates out through the heart, suffusing that person with it, and then we begin to see their fear melt away. As many people die, whatever their apprehension was before, we will notice that they go into profound states of serenity as though that compassion coming from the great beings of the world reaches forth to them at their moment of greatest need. When the person says, “O God, help me,” because this is a universe of free will, they then open the door to this compassion that is being radiated forth by others and now by us. We are now by their side, and in every way possible, we nurture and heal them. We reach out to them and then lift them out of their body. They are safe; they are home; they are cared for; they are greatly loved by God. They begin to get the inner experience of the truth. We put our personal self aside because it is not needed here. There is no need for the personality, with its likes and dislikes, its aversions and attractions. Just be that energy that flows through the heart.

Through our willingness, that healing energy flows through us and into the being of the other person, and we see the transformation before our very eyes; we literally see it. We see the fear leave their eyes and the painful tension leave their body. We begin to experience that the pain is leaving their body, and they go into that same state of infinite peace, surrounded by the energy of life and love. They are feeling complete, total, and healed. There is no more fear, separation, guilt, or anxiety. The two of us are lifted right out of the body together.

and I saw a car upside down. It had just crashed and its wheels were still spinning. People inside the car were severely injured, and I heard them crying out to God. It was as though I was a travelling antenna and God used me as an antenna tower to radiate this energy.

Curiously, that same day, about five miles farther down the highway, it began again; the same powerful energy flowed out through me. The energy spontaneously radiated down the road ahead, and when I drove around the bend, there was a second accident; another car had just turned over. This time a squad car was there, and as I went past, this energy kept flowing backwards to the accident site and continued doing so for several miles. Then it slowly came to a stop as though the person had connected with a more infinite energy field. This has happened over and over again in different locations and circumstances.

During those experiences, I forgot I had a body; whether it was living or dying was so irrelevant because the joy of the experience was overwhelming. There is a willingness to be a servant of God, to forget about the personal self, and instead to allow one's consciousness (soul condition) and energy to be used by angelic forces. Our Infinite Self is everything. It is connected with the angelic realms. When we own that angelic condition within us, and own that we individually have the capacity to join it by our willingness to say yes, to allow ourselves to surrender to that energy, to go to the dead and the dying, we now see that there is no such thing as actual death or dying.

That is why we talked about letting go of the body and saying farewell to it because life goes to life; life never stops. If it leaves our body, we barely notice it because we are so busy being with others that we scarcely notice that the physical body does not even exist any longer. Beyond the experience of the physical body are experiences that are difficult to describe, so we prepare ourselves for an experience of exquisite beauty and peace.

**“The Earth is a mere image of the realities of the spirit world, and exists only as the nursery for the individualising of the soul.”**

**Death:** If you are living in the exact moment you are not having a problem. Whack. One's head is severed or some other critical event occurs. At the instant of death one's spirit arises and he witnesses his head roll away. No one experiences his own death. It's not possible. At the moment of death, one goes out of body and witnesses what is happening in the phenomenal world but it is not possible to experience your own actual death. The actual death of the body occurs as a result of you, being spirit, leaving one's body! So the exit from one's human bio-suite is no big issue, maybe inconvenient for others at the time, but you cannot experience the death of your body. Physical death is relatively nothing at all. There is a sudden leaving of the body, and life goes on, re-emerging as another embodiment.

### **God's Divine Love: Pray for it, ask for it, and receive it.**

If we wish to share a very short and simple message, then it is this 'Magic Key'. The 'Magic Key' assists everyone upon entering the spirit world, and their progress up through the spirit world. It is the brighter spirits who have the most knowledge of love and truth, so consider asking them:

**The magic key to growth:**

**Always look up and look for the brighter spirits, then always ask them to tell you about THE Feeling Healing process, together with God's Divine Love and Divine Truth. A brighter spirit will always know more than you and anyone else around you. Engage in one's Feeling Healing.**

Angels actually do not have wings.

When we progress into the Celestial Heavens we are generally referred to as angels.

### The REAL YOU is the SOUL:

One's personality, natural intelligence, memory and human attributes all are soul based. The soul initiates conception so it can start expressing one of its two personalities in Creation. It creates the will, then 'wills' the spirit body and physical body and all that connects them with the will into being. Our soul constantly sustains or expresses us, one of its two personalities, in Creation. The spirit can't separate from the soul because the soul keeps it in existence. We need our spirit and physical bodies to experience our personality through. When the spirit body separates from the physical body, one continues on living in a different form without losing any of the attributes experienced during physical life. Incarnation is the process of individualisation of the soul.

Without a soul, our physical bodies would function and interact similarly to that of a domestic animal. An unsouled human body (thought not possible) would respond like a household puppy! Domestic animals calibrate on Dr David Hawkins' Map of Consciousness between 200 and 250, the human body calibrates at 200. All animals have spirit bodies, these do not survive into the spirit Mansion Worlds. Our SOUL IS NOT ENSOULLED IN OUR SPIRIT BODY. Our soul exists existentially in a whole different level or plane or place or dimension of being – 'soul land'. It doesn't exist in Creation, it's not experiential like Creation is. The soul, all souls, help create their part of Creation by expressing their personalities into Creation, and then by having their personalities do things (further create) in Creation.

**Our first parents, Andon and Fonta (also called Aman and Amon), were the first to exhibit human perfection hunger some one million years ago (993,500 years ago). Adam and Eve, Adamite bestowals, arrived some thirty eight thousand years ago – or earlier.**

**Aman and Amon** were the first True Humans, which means, the first soul expressing its soulmate pair, its two personalities, in Creation – on Earth. From which came forth the rest of us. So they had a soul from the start, which separated them from their animal parents. It's the soul that wants to fully express itself through its two personalities perfectly in Creation, which is the so-called 'human perfection hunger'. It, our soul, wants to be Perfect like its Heavenly Parents, the Soul that Created it. We, focused as personalities, want to be perfect, like the Personalities of our Mother and Father that are Perfect. Our soul wants to be like Their Soul. Our soul wants to ascend us to Paradise so we can be with Them, as physically close to Them on a personality level that we can be, and then see what happens.

There were aunts and cousins, parents and grandparents. But they were not human like Aman and Amon – they were really animals, though of the same species. Aman and Amon wandered off from the family, since they could find no way of relating to them at all. How could they? They were incapable of rational thought, speech, or anything human. Aman and Amon knew that forevermore that they were apart.

Aman and Amon may have been twins. They were indeed a primate species of humanoids. But they, themselves were more beautiful than their animal relatives, and they knew, even from their very appearance, that they were marked even by Nature to be different.

**WHAT DIVINE LOVE does to YOU**

**What happens when Divine Love flows into you, via The Spirit, the soul enters a process of getting larger and expanding. The soul expands in love, primarily your capacity to experience emotionally, passions and desires expands and continues to expand exponentially. Every time you go into a new and higher sphere of love, through your Feeling Healing, your soul has expanded in its power to give and receive love, and in its power to do everything else.**

**The soul has an infinite capacity to expand, but only under one condition, that is, if it receives Divine Love, so ask for it, pray for it, receive it.**

**Ever expanding soul:**

**SPHERES in the SPIRITUAL REALMS.**

**Spheres – Celestial Heaven, Eternal Spheres, then Spheres of Paradise:**  
The realm of the Angels is the Celestial Heavens spheres 8 to infinity.

**Spheres to infinity:** Soulmate bonding can be achieved in most of the spheres. (Celestial Spheres are not numbered per se.)

**Eighth Sphere:** All emotional baggage of your entire history has been dealt with – born again. This is the point of new birth, being born again. Celestial Heavens 8 to infinity true immortality.

**Seventh Sphere:** The gateway cycle, perception of sacramental nature of all things. Disappearance of the material mind and the absolute ascendancy of the soul's mind has been achieved. Divine path.

**Six Sphere:** Cycle of light / love, love / light or unity. A purely intellectual area, increasing one's knowledge, while living a life in absolute harmony with God's laws of spirituality. Natural path peak.

**Fifth Sphere:** Cycle of light or wisdom. All their earthly bonds are gone. We are in one of those soul spheres, which offer great opportunities for obtaining the Love of God – divine love sphere.

**Fourth Sphere:** Work of 'atonement' as guides and spiritual healers now excel. As humanity's helpers, their work is a means for self-realization. Natural love sphere mainly.

**Third Sphere:** An area where spirits progress in their awareness, truth prevails. As with all spheres, there are many planes. Changing pathways requires dropping back to a lower path, then proceed.

**Second Sphere:** The sphere of decision which is much more spiritual but which was hidden and outside the range of their perceptions. Spirits can now choose the path they wish to follow – desires.

**First Sphere:** Cycle of awareness. There are vibrational love barriers between each of the spheres. Highest level of the Earth planes is the point of transition from materiality to the spiritual 2<sup>nd</sup> sphere. Summerland is the highest part of the Earth planes, but it is still a very material region. Children live in Summerland in great numbers, having died prematurely. Twilight zone, the most populated area in the spirit world, and starting point for most. Various hells descending progressively into greater degrees of darkness. All souls can be assisted out of these hells no matter what level they fall. At the deepest levels, the soul finds it extremely difficult to hold itself together. The hells are not fiery physical places. Actions are based on fear.

**The 2<sup>nd</sup>, 4<sup>th</sup>, 6<sup>th</sup> spirit spheres provide principally for mental and moral advancement, whereas, the 3<sup>rd</sup>, 5<sup>th</sup>, 7<sup>th</sup> soul spheres provide for progress with Feeling Healing and Divine Love.**

**SPHERES: 1-6 Kingdom of Man Domain of Natural Love, 8 to infinity Kingdom of God. Domain of Celestial Sprits**

Celestial Realm progresses to infinity.

Spirits from the 8<sup>th</sup> sphere can visit spirits in lower spheres, but not the other way round.

Summerland is one of many nurseries for children.

The hells, 2 Planes of Disharmony, are unimaginable places of darkness.

**NOTE:** The spheres within the celestial realms are not numbered (Spheres 8 and upwards). Spheres 8 and upwards are only nominally numbered as a point of reference and relativity, they are not actually definable in the way that these charts have been set up, numbering is used for guidance only. The energy level of each sphere increases in a logarithmic progression, as does David Hawkins' Map of Consciousness scale.

**1<sup>st</sup> SPHERE ASPECTS:**  
**Summerland, etc, nurseries**

**Summerland, etc., are beautiful regions of 1<sup>st</sup> sphere.**

**Summerland, etc, are within the highest planes of the 1<sup>st</sup> Mansion World / sphere.**  
**There are 1,000s of plains in the 1<sup>st</sup> sphere.**

**Ambience of mid range plains of the 1<sup>st</sup> sphere is where the majority of humanity pass into.**

**UNBORN BABY CARE in the SPIRIT WORLD:**

February 10th, 2008

I am a spirit who at present is in the 5th Divine Love Sphere. My message is to communicate about infant souls who do not survive their life on Earth. Understandably, many mothers and fathers experience this sad moment. In all permutations of mortal life experience, when a new soul incarnates the process of individualisation begins for that soul. The spirit body manifested. Each soul in their natural essence of love is in this good condition and so when an infant or very young child becomes a spirit, like all souls, they arrive in the first Natural Sphere. These little ones do not have the cognitive capacity to identify themselves completely and so the Retraction Law helps to guide these little ones to the places where nurtured by mothering spirits. On Earth, there are Nurses, Sisters, and people who care for little ones, and this is the same in the First Sphere. We recognise as spirits the necessity for such care in a nurtured environment of a little soul is so sweet and needs love just as all souls and people do.

A little baby spirit does look very sweet and like a baby, communicates in such rudimentary needs. Obviously, the physical is not present, yet the baby spirit has an image that we can define as being a little baby spirit. Baby spirits like cuddles and like attention and love, held and we provide this. I did a lot of this work in the First Natural Sphere as a service in Love, knowing that it was God's work for me to do. I would pray to the Father for Divine Love, yet my choice was to stay in the First Natural Sphere to help with these baby spirit souls. My desire for progression I withheld, for I was so committed to this work. Eventually I moved to the First Divine Love Sphere and continued to work in the nurturing of the little Celestial-lings. There are no baby spirit souls in Divine Love Spheres, only young children. I continued to go between the First Divine Love Sphere and the First Natural Sphere to continue my work, and now that service completed and my progression has commenced which is why I am in the Fifth Sphere.

I am well comforted in my knowing that there are many others who help raise these little baby spirits. Even though a baby spirit has a soul in such good condition, they do not go to the 6th Sphere, they remain in the First Sphere until they become young children, and as they mature, they can move to the other Spheres more to their liking, and in the attraction of those souls who they like to spend time with. The Divine Love is always a choice and the maturing soul is able to understand this, where a baby spirit soul, like all babies, need to be loved cherished and nurtured for as I understood, when a baby spirit soul is in ones own spirit-body arms, one is holding and loving and caring for a soul of the Father.

In sweetness and kindness,  
Jessica (Jessica when on Earth was a Nun from Canada)

**LUMINOSITY of the SOUL can be LIKENED to the FOLLOWING:**

**1<sup>st</sup> sphere, lower regions – Natural Love MoC 50+/-**  
**The soul condition of a soul that is obliged to spend some time within the ‘hells’ may be no bigger than a dried garden pea. There is no luminosity and the environment is total darkness.**

**The typical soul condition of humanity is such that they generate the luminosity of a single candle.**

**1<sup>st</sup> sphere, mid regions – Natural Love MoC 210**

**A soul that has grown in love and soul condition equivalent to the 8<sup>th</sup> sphere – the point of becoming at one with God, the luminosity of such a soul is equivalent to the midday sun.**

**8<sup>th</sup> sphere – only possible with Divine Love while doing one’s Feelin Healing! MoC 1.000+**

**Kingdom of God – Celestial Spheres**  
Spheres 8 to infinity.

Celestial Kingdom / Heavens and where you become an angel, all one with God. Immortality is achieved upon receiving Divine Love which then enables entry to the Celestial Heavens. Then follows the Eternal Spheres, and then the Spheres of Paradise.

**Sphere of Transition:**

Sphere 7 in your progression is the sphere in which you progress from the Kingdom of Man – mortality, to the Kingdom of God – immortality. On becoming at one with God you are reborn, the rebirth, to progress into the Celestial Realms, namely the 8<sup>th</sup> Sphere, and then on upwards on the Divine Love path.

**Kingdom of Man – Spirit World**

Spheres 1 – 6

Sphere 6 is the highest progression that can be achieved on the natural love path.

This is not the domain of angels. Sphere 1 is the earth plane where all souls arrive upon shedding the material body.

**OUR JOURNEY of GROWTH in LOVE**  
 All we need do is to ask for God's Divine Love – it is that simple.  
 Ask directly, no intermediaries needed.

Souls, being thoughts of God, are ready for incarnation in their billions. These souls are at the level of the 6<sup>th</sup> sphere in a natural love state, however, they are not within the 6<sup>th</sup> sphere perse. These souls are not self aware. Prior to incarnation, they do not express free will. There is nothing of the Divine within the soul. They have an instinct to incarnate. Incarnation of the two soul halves, male and female aspects, typically occurs within a 5 or 6 year time frame, however the timing may be 20 to 60 years apart. To become conscious of self, you must incarnate. This is the individualisation process.

The soul half that incarnates is the one most suitable for the characteristics and character of the attracting parents. Upon incarnation, one's soul condition adjusts to reflect the soul conditions of those around it, typically reflecting closely the soul conditions of one's parents. Upon completion of individualisation process, that is incarnation which may be only a short experience in the mother's womb, we never need return to the physical state. To be able to return to our Heavenly Parents, we need to use our free will and ask for Their Divine Love.

**SPIRIT MIND MANSION WORLDS are numbered 1 to 7:**

To PARADISE, the HOME of OUR HEAVENLY PARENTS

Spirit Mansion Worlds are those 1 – 7. They with the Celestial Heaven spheres numbered 8, 9, 10 as well as the 3 Spheres of Disharmony are all within the Earth’s environment, and rather close by. Each sphere can accommodate more than 100 times the people than Earth may do.

Natural Love sphere progression stops at sphere 6. With only the natural love, progression is through spheres 1, 2, 4, and 6 only.

One can embrace Divine Love at any time and move to DL sphere 3 and continue.

The Divine Love spheres 3, 5, 7, 8, 9, and 10 were opened by Jesus.

On death of the physical body we all arrive in the 1<sup>st</sup> Natural Love sphere.

The 2 Planes of Disharmony are the hells. While one desires to cause harm to others, isolation is applied. Once the Law of Compensation is completed then one can then progress and return to the 1<sup>st</sup> Natural Love sphere and continue in their progression onto higher spheres.

Progression from the top Celestial Heaven sphere is to the Eternal Spheres, Infinite and Universal and further onwards to Paradise.

Celestial Heaven spheres 8, 9, 10 are often referred to as 1, 2, and 3 of Celestial Heaven.

Divine Love perfects one’s natural love soul through the progression via spirit world spheres 3, 5, and 7. Soul-Healing and At-onement is achieved through the progression into sphere 8 which is the first of the Celestial Heaven spheres namely 8, 9, and 10.

Earth is for the individualisation of souls being the commencements of one’s journey home toward the Source Soul.

The Pre-Incarnational Sphere is the waiting area for souls to be individualised / incarnated.

There are seven Earth planes around Earth, which are separate from the Mansion Worlds, but we only have access to two of them, which include the ‘hells’. Each of the Mansion Worlds also have their own seven planes ‘around’ them.

**Note: The 1<sup>st</sup> Divine Love Sphere and the 1<sup>st</sup> Sphere of Disharmony may simply be planes within the 1<sup>st</sup> Natural Love Spirit World.**

**WHICH WAY? MIND SELF RELIANT or FEELING AND GOD RELIANT:**

To PARADISE, the HOME of OUR HEAVENLY PARENTS

# The Way Home

Council of Elders  
now around 20  
Soulgroups

Maybe something like 30 billion people have recognised that our Mother and Father's Divine Love, together with embracing one's Feeling Healing, that with these two aspects, have progressed through the Mansion Worlds to the Celestial Heavens and onwards.

Mansion World 7: is then about still working with the deepest and residual bad feelings, whilst looking to sort out how you wrongly relate to yourself and others, nature and God because of being unloving, understanding how your relationships are unloving, how you don't connect properly, how unloving you really are and why and fully accepting the truth of it, coming completely to grips with your parents not loving you as you needed to be loved – sorting it all out, including your self and feeling expression difficulties.

Mansion World 5: is then about going right into the depths of them, feeling how unloved you feel and seeing how unloving you are and how that makes you feel, bringing out the majority of your pain, your misery, fear, anger, guilt, hatred, boredom, terror, rejection, nothingness, feeling powerless, alone and abandoned, and so on.

Mansion World 3: is for waking up to the truth that you're not loving and starting to get in touch with your pain, starting to accept your bad feelings, starting to work with them instead of rejecting them.

More than 200 billion personalities have embraced their mind and self reliance through the misguidance of 'New Age' styled ideologies and the many thousands of different religious platforms, all of which take the person further and further away from our Heavenly Parents.

For a million years, humanity has gone in the wrong direction with its self-denial of self and feeling!

## I'D TURN BACK IF I WERE YOU!

The Natural love spirit Mansion Worlds as to how they have been for all these hundreds of thousands of years and as they are set up currently, are to help spirits advance to the fullest of their self-denial that they can. That is, so as to become as evil as they can. And all under the guise of being 'loving'.

It's why they are called the mind worlds, namely Mansion World / spheres 1, 2, 4 and 6. That is because the spirits are using their minds to complete their rebellion – denial of self and feelings, and rejection of our Heavenly Parents as well their Creator Son and Daughter. So yes, the top of Mansion World sphere 6, spirits are the most evil, the most in rebellion, the most in default, the most wrong and unloving and untrue, even though, they appear, because they've trained their mind to do so, to be the most loving, but it's all false and contrived – such as the Eastern gurus. Total mind over feelings, blocking all the bad ones and using your mind to only make you feel good.

Typical of those on their way up in the mind worlds are not open to anything, they do not want to know about feeling bad and going with their bad feelings looking for their truth, because that scares them, that's not nice, that doesn't make one feel good, it threatens their control, they reject that preferring to stay in their nice safe space. Which is how it is for these Natural love mind spirits using their minds to control their feelings.

We've all got to take responsibility for our evilness even though we were made to be that way and rebel by default, but there is no getting away from it, and it has to be compensated right to the last farthing, which is what being in the hell planes is all about, and which keeps being applied right the way through the Mansion Worlds. **In the mind worlds you can continue to use that inner pressure requiring compensation for your bad deeds, to further contrive love and pretend you are all holy and loving and not hurting anyone anymore, which on the surface of it you are not, but underneath still are, all the way up through to the sixth world; or, you can allow it to keep working on you right the way up through the Divine Love Mansion Worlds doing your Healing.**

And apparently what's going to happen is the Natural love mind Mansion Worlds are going to be divided, so within them, there will be spirits doing their Feeling Healing – without the Divine Love, and still limited to the sixth Mansion World, but looking to be true and end their rebellion. And then there will be those still carrying on denying themselves as they have always done. So you will have spirits in the Feeling Healing Natural love sectors that will truly perfect their Natural love; and those spirits still in the mind sectors perfecting their wrongness. The opposites or extremes living side by side. And then you'll still have the Divine Love Healing Mansion Worlds, being spheres 3, 5, and 7, doing their Soul Healing.

And as for a summation: "Divine Love Mansion World / Sphere 3 is the waking up to the truth that one is not loving, also their being a lot of assistance. Sphere 5 is then about going right into the depths of feeling how unloved you feel and seeing how unloving you are and how that makes you feel, also this a time when one can then progress and manage their own progress through their Feeling Healing. Sphere 7 is then about still working with the deepest and residual bad feelings, whilst looking to sort out how you wrongly relate to yourself and others, nature and God because of being unloving, this is a time

of great realisation and comprehension with much of the prior experiences starting to be drawn together.”

Mansion World 3: is for waking up to the truth that you’re not loving and starting to get in touch with your pain, starting to accept your bad feelings, starting to work with them instead of rejecting them.

Mansion World 5: is then about going right into the depths of them, feeling how unloved you feel and seeing how unloving you are and how that makes you feel, bringing out the majority of your pain, your misery, fear, anger, guilt, hatred, boredom, terror, rejection, nothingness, feeling powerless, alone and abandoned, and so on.

Mansion World 7: is then about still working with the deepest and residual bad feelings, whilst looking to sort out how you wrongly relate to yourself and others, nature and God because of being unloving, understanding how your relationships are unloving, how you don’t connect properly, how unloving you really are and why and fully accepting the truth of it, coming completely to grips with your parents not loving you as you needed to be loved – sorting it all out, including your self and feeling expression difficulties.

It is agreed that the lower worlds are about waking up to what’s involved, however from then on it depends on how it’s all structured for the individual in their negative state as to how much ongoing assistance they might need. Some need help all the way along, whereas others have been able to work with their feelings, themselves, right from the beginning.

And yes, each of the Divine Love healing Mansion Worlds, 3, 5 and 7, are equally painful to work through, just focusing on different aspects of yourself and your Feeling Healing with Divine Love. And then in the higher planes of the 7<sup>th</sup> world comes the transition, where one’s pain starts to end, and you start feeling so much better about yourself, you are fully accepting of your negative unloving state, you are fully unloving although even starting to become more loving – truly loving, of yourself, God, and then other people.

Then onto the Celestial Heavens by progressing into Sphere 8 and then onwards further, all the way home to Paradise.

Maybe something like 30 billion people have recognised that our Mother and Father’s Divine Love, together with embracing one’s Feeling Healing, that with these two aspects, have progressed through the Mansion Worlds to the Celestial Heavens and onwards.

More than 200 billion personalities have embraced their mind and self reliance through the misguidance of ‘New Age’ styled ideologies and the many thousands of different religious platforms, all of which take the person further and further away from our Heavenly Parents.

The 1<sup>st</sup> and 2<sup>nd</sup> Spirit Mind Mansion Worlds / spheres are jammed to the rafters.

For a million years, humanity has gone in the wrong direction with its self-denial of self and feeling!

**WE ALL ARE BEING GUIDED HOME:**

We need the Spirits of Truth of the Avonal Pair to Heal ourselves; then once Healed, (and for support (overshadowing) as well through your Healing), we need the Creator Pair, Mary Magdalene and Jesus’ Spirits of Truth to see us through the Celestial spheres, while at all times embracing our Heavenly Mother and Father.

Until Mary and Jesus died and liberated their Spirits of Truth, no one from any of the worlds could leave Nebadon, because no one knew the way to do so. Nebadon is our local universe containing some 3.8 million inhabited physical worlds and their associated spirit worlds.

When we embrace the truths Mary and Jesus are revealing, and start to do our Feeling Healing, or with Divine Love, Soul Healing, we are then freeing ourselves up from our parental and self control.

Thus our journey to Paradise, to the home of our Heavenly Parents, is of our choosing as to when we progress, however, there is only one way:

**HUM:** Humanity is to ascend. We are self contained. Our soul is always in truth and perfect at all times. **By living true to ourself, true to our feelings, we are living true to God. It’s that simple.**

We are to recognise that being engaged and dominated by our mind is the wrong way for us to evolve and grow in truth. We are to discard the mind enslavement that has been imposed upon as by all of our parents. We are to express our feelings, both good and bad and free ourselves of the indoctrination that humanity has embraced worldwide.

Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God’s soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of our Mother and Father.

**AVO:** We are to embrace the truths and guidance of the Avonal Pair through their Spirits of Truth. It is the Avonal Pair’s guidance that will lead us through our Feeling Healing, and with Divine Love, we will be able to ascend through the 7 spirit Mansion Worlds and enter the Celestial Heavens where we also interact with other world’s spirits.

**J&M:** We are also to embrace the truths and guidance of the Paradise Pair, Mary and Jesus, who will then lead us through the 3 Celestial Heavens that are aligned with Earth, and then further on through Nebadon where we will then depart beyond on towards Paradise.

**M&F:** Beyond the universal zone of Nebadon, we will be guided by our Heavenly Mother and Father onwards through the universes to Paradise where we will be welcomed by them, home for us all, as we are all Children of God.

**M&F**

**J&M**

**AVO**

**HUM**

**WE ARE Children of God**

**WE ALL ARE BEING GUIDED HOME – NOW, HOW TO COMMENCE THE JOURNEY:**

**GOD**

**M&F**

For 200,000 years, we have been misled into embracing our mind’s distortion of wisdom and truth. All such traditional understandings only lead us in the wrong direction, from which we must turn back from. Our soul based feelings are always in truth. Our minds are to follow our soul based truths and feelings, not the other way round, as we have been brought up to embrace.

We are to connect with our deeper repressed feelings.  
 We are to long for the truth of what we are feeling.  
 We are to live true to our selves; by living true to our feelings.

Use your surface day-to-day feelings to connect with your deeper repressed feelings. Express your surface feelings and your deeper repressed feelings to uncover the truth of yourself.

**J&M**

We all have feelings which we communicate and share with each other. And we all have deeper buried and hidden repressed feelings. Feelings from our early childhood we felt, yet weren’t allowed to express. These feelings are still within us, waiting to have their say. These feelings, because they are repressed, cause us all our problems.

And as we look to uncover, bring out and accept these deeper feelings, so we’re taken into new ways of looking at ourselves, our feelings, and our life. We’re setting ourselves free of the controlling patterns that govern our unloving behaviour.

In this way, we progressively begin to express the personality that our Heavenly Mother and Father gave us, not the one imposed upon us by our physical parents and carers. We are to be our true and real selves.

**By living true to ourself, true to our feelings, we are living true to God. It’s that simple.**

**AVO**

**HUM**

As we, humanity, long for the truth of our feelings, we can also be assisted by the Spirits of Truth of the Avonal Pair who are our spiritual teachers for Earth over this coming 1,000 years, to assist us through the Great U-Turn, away from mind dominance to being soul based feeling lead. They will assist us through the seven levels of the spirit Mansion Worlds.

Then the Creator Pair, Jesus and Mary, will lead us through Nebadon and into the greater universe. Then our Heavenly Mother and Father lead us home to Paradise.

Collectively, should we embrace them all, as we are to, then our pathway home is a journey in the hands of the Spirits of Truth of the Avonal and Paradise Pairs overseen by our Heavenly Parents.

**WE ARE Children of God**

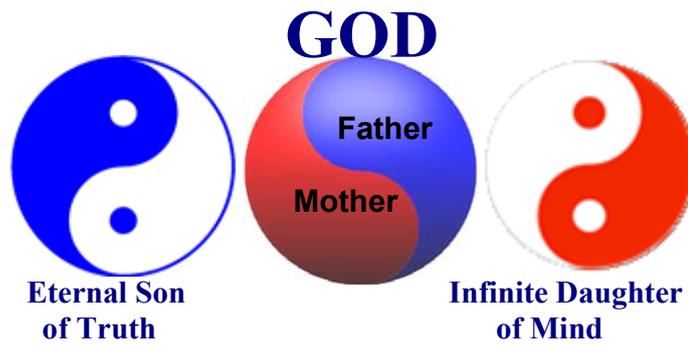

**HOW TO GET TO PARADISE:**

Long for the Divine Love  
 Long for the Truth  
 Long for the truth of your feelings  
 Don't deny any feelings: accept, express and want to know the truth of them  
 Know your feelings are the key; your feelings are the Way  
 Want to end your falseness and being untrue  
 Want to understand the truth of your early life  
 Use your surface feelings to move deeper into yourself, bringing up your repressed feelings  
 Want and long to know the whole truth of yourself  
 Want to do it all with God, your Heavenly Mother and Father – long to Them for help.

**The Key**

Our longing drives our life. We long with feelings. We can wish for things using our mind, yet long for things with our heart. These things in the pyramid are what to long for. Longing for them, when the longing comes naturally. Longing because you feel you really want them. Long to be true with all your heart. Long to live true to your feelings. Long to understand the whole truth of yourself.

PARADISE TRINITY:

1. **Our MOTHER and FATHER (God) (MF) – Divine Love**  
SOUL (God) – One SOUL that is expressing its two PERSONALITIES, our Heavenly Mother and Heavenly Father (Soulmates)
2. **ETERNAL SON (ES) – Divine Truth**
3. **INFINITE DAUGHTER (ID) – Divine Mind**

Then: The Second and Third Persons of the Paradise Trinity (ES and ID) are stepped down to the local universe trinity (Mary and Jesus, Divine Minister (DM), and her Holy Spirit.

The LOCAL UNIVERSE TRINITY:

1. **MARY M and JESUS (MF) – Love – the Living Truth**
2. **DIVINE MINISTER (ID) – Mind (and her Holy Spirit)**
3. **HUMANITY – Natural love, sons and Daughters – Truth, and our Angels – Mind**

PLANETS that engage in REBELLION:

1. **AVONAL SOULMATE PAIR – the Feeling Healing process – incarnate**
2. **DAYNAL – TEACHER PAIRS – they do not incarnate**

So in summary:

Consider a diamond:

# Mother and Father Heavenly Parents

Creator Son & Daughter  
Jesus and Mary

Avonals  
as soulmate pairs

Trinity Teachers  
as soulmate pairs

Melchizedeks – who have taken over from the Caligastians and Daligastians being also all as soulmate pairs.

Mortal Souls – human beings who individualise on Earth, then progress through the spirit Mansion Worlds, then into the Celestial Heavens, and beyond.

Mortal Souls – also being ascending spirits, upon completing their Soul Healing, join with their soulmate, then join their soul group of 24 mortal spirits, being 12 soul pairs. It is only as a soulgroup that anyone can progress beyond Nebadon.

The Paradise Pairs are all ONLY concerned with the SPIRITUAL wellbeing and upliftment of the planets and local universe. Currently to do with Earth:

Mary and Jesus – spiritual wellbeing and upliftment of the whole of Nebadon region.

Avonal Pair – Daynal pairs (Trinity Teacher Daughters and Sons) – Spiritual wellbeing and upliftment of individual planets and their associated Mansion Worlds.

The Local universal Sons and Daughters are all about the running of the worlds under their jurisdiction, and ensuring the higher spiritual elements can be employed, or sent astray, as in our cases through the Rebellion and Default.

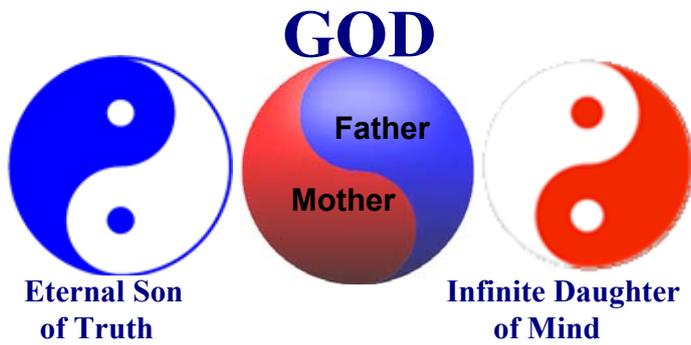

Lanonandeks – Melchizedeks (and others, such as Life Carriers and Eve and Adam).

As the Lanonandeks all rebelled – the Lucifers, Satans, Caligastias and Daligastias soulmate pairs – so the Melchizedeks have taken over their roles, as well as doing their own.

So the Melchizedeks are the governors, overseers, the administrators and advisors and so on for Earth; they are the ‘controllers’, and they will instigate all that needs to be done to do with the ending of the Rebellion and Default. And they will enlist the willing help of ascending mortal pairs, so the mortal Celestials spirits (soulmates when available, and others waiting to unite with their partner), and at times mortal spirits in the Divine Love Healing Mansion Worlds. And the angels help all of us.

Currently the whole of Creation exists for the ascension of mortal souls from their earth planets to Paradise. It’s all one vast Grand Ascension Scheme. With all the higher and lower spiritual Daughters and Sons, together with all the many different angels and other universal spirit personalities, and even including nature and our very own pets, assisting women and men with their Ascension Journey. It being: and Ascension of Truth. Everything we do is done to help us grow in truth. (Only everything we do in our negative state is to deny ourselves our truth from our feelings, which is why we have to do our Healing.) All women and men are ascending (or growing) in truth through their experiences. And as we grow in truth by looking to our feelings to show us that truth, so we’re ascending, moving inwards and upwards through all the worlds and spheres of the Grand Universe to one day arrive on Paradise and meet our Heavenly Parents. God is providing us, Their children, with this spiritual journey called our Ascension of Truth. And by living true to our feelings, so we are progressing on our true Spiritual Path – our Ascension Path.

**CREATION of SOUL and SPIRIT:**

God is *The Paradise Trinity* — the eternal Deity union of the Personalities: the Universal Mother and Father; the Eternal Son of Truth; and the Infinite Daughter Spirit of Mind.

The soul of each human personality (sons and daughters of truth) is existential, driving our personality expression in the experiential. The soul of each human finds truth by embracing one’s feelings and longing for the truth of them. We are to attain the Eternal Son of Truth. We are a creation of Truth.

The soul of angels is experiential, evolving through their experience by continually progressing in mind development. Angels are to attain the Infinite Daughter (Spirit) of Mind. Angels are a creation of Mind. Our soul is duplex (we have a soulmate) and is created by our Heavenly Parents. Through our Feeling Healing we perfect ourselves enabling the union with our soulmate, as we progress in truth up through the Mansion Worlds, celestial heavens and all the way to Paradise.

The soul of angels is also duplex, yet of the mind, and they progress in mind evolution to Paradise. Animals, plants and nature spirits are also creations of Mind.

Neither we nor animals reincarnate. We never die; upon death, we move into the spirit Mansion Worlds on our journey to Paradise. When animals and plants die, be they the tiny microbe to the mighty elephants of the land and the whales of the ocean, their spirit energy returns to the Spirit Collective

Energy. And from this energy are drawn other animals and the nature spirits, who then in turn move onto becoming angels through increasing mind experience.

A nature spirit is an angel in waiting.

## Russian Scientist Photographs Soul / Spirit Leaving The Body

These astonishing images are said to show the human spirit (in blue) leaving the body. Russian scientist Dr Konstantin Korotkov claims that the pictures show the exact moment of death. The images show "the soul / spirit body" gradually slipping out of the body before the patient's image turns red. Talk about an out-of-body experience...

The activity of Konstantin Korotkov, deputy director of the St. Petersburg Research Institute of Physical Culture and world-renowned authority on Kirlian photography, was recently highlighted by Life.ru. Korotkov is the developer of the gas-discharge visualization (GDV) technique in Kirlian photography.

Kirlian photography takes its name from Soviet electrician Semyon Kirlian, who discovered the process in 1939. It was the subject of extensive research in the 1970s in the Soviet Union and the West. It is commonly described as photographing an object's aura. According to a website associated with Korotkov, he "confirmed earlier observations... that the stimulated electro-photonic glow around human fingertips contained astonishingly coherent and comprehensive information about the human state – both physiological and psychological."

In other words, the GDV technique, which was developed in the late 1990s, can be used for diagnostic and assessment purposes. It is already used to measure stress and monitor the progress of medical treatments. In its most sophisticated form, the GDV technique is incorporated with computer imaging. Now scientists have taken GDV photographs of a person as he was dying. In the photos, it could be seen that the area of the belly lost its life force (the soul) first, followed by the head. The heart and groin were the last to lose their life force, in that order.

Scientists using the GDV technique say that the aura of those who die unexpectedly or violently differs from those who experience a calm death. The souls of the former remain in a state of confusion for several days and return frequently to their bodies, especially at night. Korotkov ascribes that phenomenon to unused energy retained by the soul. He suggests that the GDV technique will also have applications for distinguishing genuine psychics from frauds.

## Look for the Good and You'll Find God

<http://echobodine.com/>

Chapter 15, Soul, of Echo Bodine's book, 'Look for the Good and You'll Find God' has these photos.

Immediately after this fatal motor vehicle accident, the investigating police officer took these four photos and some others.

The front seat passenger had transferred to the back seat and had not secured his seat belt when the accident occurred, thus he end on top of the driver in the front seat as of a result of the accident.

Thus, you can now follow the sequence of the spirit body leaving the physical body.

It was only after the photos were developed did the police officer realise what was on the images.

As the energy field of the spirit body of the passenger from the back seat left the physical body, the energy field was destabilised and disturbed by the events. As you will see in the subsequent photo, the spirit body has regathered itself and is now clearly visible and identifiable.

The police officer has given these images to Echo Bodine for her safe custody.  
Echo is a highly recognised clairvoyant from Mineapolis in USofA.

This is the spirit body of the passenger from the back seat.

You can identify the passenger from this photo. Notice his hand in the far right hand top corner.

By looking at the expression on his spirit body face, one can clearly determine that this guy is really upset with the situation.

Life continues on for us all, in a different form! We actually become more alive than ever!

Echo Bodine presented these photos to a group at which John Doel attended in Las Vegas in July 2007.

Almine brings in new information through bi-locating in multiple realms simultaneously. In a rare photo, her communication with herself in the higher realms was captured. Photo by Karthick Vardham, California in 2009 <http://www.interdimensionalphotos.com/>

NOTE: Should you be wanting to see such images of spirit, then this may attract to you such spirit personalities who oblige you by creating the impressions on you camera. Typically, spirit induced images are 'grainy', thus the outline is always imprecise. Consider what you may have seen regarding UFO sightings.

**AFTER DEATH / LETTERS from JULIA:**

by William Thomas Stead

(notes from the book follow)

1892

**How You Feel After Death.**

(transmitted and received by automatic handwriting)

I (Julia) found myself free from my body. It was such a strange new feeling. I was standing close to the bedside on which my body was lying; I saw every as thing in the room just as before I closed my eyes.

**How She Felt In Dying.**

I did not feel any pain in "dying;" I felt only a great calm and peace. Then I awoke, and I was standing outside my old body, in the room. There was no one there at first, just myself and my old body. At first I wondered I was so strangely well. Then I saw that I had passed over.

Then I left the room and my poor old body, and passed out (left the building). It was so strange; the streets were full of spirits. I could see them as we passed; they seemed to be just like ourselves. My angel had wings; they were very beautiful. She was all robed in white. She, for at first she seemed to be a female, came to me. (Julia speaks of this Guide indifferently as he and she explaining, when I (Mr Stead) asked, that in our sense angels are neither male nor female. Within the spirit world, we have no need for reproductive organs.)

The spirit friends had their life much as it was here; they lived and loved, and if they had not to work for their daily bread, they had still plenty to do.

**The Raiment of Immortal Youth.**

No one seems to be old. We are young, with what seems to be immortal youth. We can, when we please, assume the old bodies or their spiritual counterparts as we can assume our old clothes for purposes of identification, but our spiritual bodies here are young and beautiful.

There is a semblance between what we are and what we were. We might recognize the new by its likeness to the old, but it is very different. The disembodied soul (spirit body) soon assumes the new raiment of youth, from which all decay has been removed.

The real you is your soul, that is the bit you want to develop.

**The Life Beyond.**

I find it so difficult to explain how we live, and how we spend our time. We never weary, and do not need to sleep as we did on Earth; neither do we need to eat or drink; these things were necessary for the material body; here we do not need them. I think we can best teach you what we experience by asking you to remember those moments of exaltation when, in the light of the setting or rising sun, you look out, happy and contented, upon the landscape over which the sun's rays have shed their magical beauty.

There is peace; there is life; there is beauty; above all, there is love. Beauty everywhere, joy and love. Love, love is the secret of Heaven. God is love, and when you are lost in love you are found in God.

### **How Sin Appears to Her (Julia).**

You ask me what we feel about the sin and sorrow of the world. We reply that we see it, and seek to remove it. But it does not oppress us as it used to do, for we see the other side. We cannot doubt the love of God. We live in it. It is the greatest, the only real thing. The sins and sorrows of the Earth-life are but as shadows that will flee away. But they are not merely on the Earth plane; there is sin and there is sorrow on this side.

### **Hell, and the Joy of Heaven.**

Hell is on this side as well as Heaven. But it is the joy of Heaven to be always emptying Hell.

### **The Soul After Death.**

When the soul (spirit body) leaves the body it remains exactly the same as when it was in the body; the soul, which is the only real self, and which uses the mind and the body as its instruments, no longer has the use or the need of the body. But it retains the mind, knowledge, experience, the habits of thought, the inclinations; they remain exactly as they were. Only it often happens that the gradual decay of the fleshy envelope to some extent obscures and impairs the real self which is liberated by death.

(The soul is separate and distinct from the spirit body. Within the lower spheres of the spirit world, most entities mistake the spirit body as being the soul.)

### **The Real Self.**

The most extraordinary thing which came to my knowledge when I passed over was the difference between the apparent man and the real self.

### **How We Are Judged.**

It gave quite a new meaning to the warning, "Judge not," for the real self is built up even more by the use it makes of the mind than by the use it makes of the body. There are here men who seemed to be vile and filthy to their fellows, who are far, far, far superior, even in purity and holiness, to men who in life kept an outward veneer of apparent goodness while the mind rioted in all wantonness. It is the mind that makes character.

It is the mind that is far more active, more potent than the body, which is but a poor instrument at best. Hence the thoughts and intents of the heart, the imaginations of the mind, these are the things by which we are judged; for it is they which make up and create, as it were, the real character of the inner self, which becomes visible after the leaving of the body.

### **The Power of Thought.**

Thought has much greater reality than you imagine. The daydreamer is not so idle as you imagine. The influence of his idealizing speculation may not make him work, but it may be felt imperceptibly by more practical minds. And so, in like manner, the man—who in his innermost heart gives himself up to evil and unclean thoughts may be generating forces, the evil influences of which stir the passions and ruin the lives, it may be, of his own children, who possibly never knew that their father had ever had a thought of sin.

### **The Thoughts and Intents of the Heart.**

Hence on this side things seem so topsy-turvy. The first are last, the last first. I see convicts and murderers and adulterers, who worked their wickedness out in the material sphere, standing far higher in the scale of purity and of holiness than some who never committed a crime, but whose minds, as it were, were the factory and breeding-ground of thoughts which are the seed of crimes in others. I do not mean by this that it is better to do crimes than to think them. Only that the doing is not always to be taken as proof of wicked-heartedness. The sins of impulse, the crimes perpetrated in a gust of passion—these harm the soul less and do less harm than the long indulged thoughts of evil which come at last to poison the whole soul.

**When the body is cast off the real state of the case is visible.** Then it is for the first time that we are seen as we really are or rather have been thinking. The revelation is startling, and even now I am but dimly beginning to be accustomed to it.

### **The Nothingness of Things.**

Then there is another thing that surprised me not a little, and that was, or is, the discovery of the nothingness of things. I mean that the entire nothingness of most things which seemed to one on Earth the most important things. For instance, money, rank, worth, merit, station, and all the things we most prize when on Earth, are simply nothing. They don't exist any more than the mist of yesterday or the weather of last year. They were no doubt influential for a time, but they do not last; they pass as the cloud passes, and are not visible any more.

### **The Difference Between Heaven and Earth.**

There are degrees in Heaven. And the lowest heaven is higher than the most wonderful vision of its bliss that you ever had. There is nothing to which you can compare our constantly loving state in this world except the supreme beatitude of the lover who is perfectly satisfied with and perfectly enraptured with the one whom he loves. For the whole difference between this side and your side consists in this—without entering now into the question of body and matter—that we live in love, which is God, and you too often live in the misery which is the natural, necessary result of the absence of God, who is love.

### **The Secret of World-Saving.**

There is much love on Earth. Were it not so it would be hell. There is the love of the mother for her children; of brother and sister; of young man and maiden; of husband and wife; of friends, whether men

or women, or whether the friendship is between those of the same sex. All these forms of love are the rays of heaven in Earth. They are none of them complete. They are the sparkling light from the diamond facets, the totality of which is God. The meanest man or woman who loves is, so far as they love, inspired by the Divine. The whole secret of the saving of the world lies in that—you must have more love—more love—more love.

**What True Love Means.**

To love, therefore, anyone really, truly, means that we are putting ourselves in his place, loving him as ourselves; that we desire for him the best, and give up ourselves and our own pleasure in order to secure it for him. This is true love, and wherever you find it you find a spark of God. That is why mothers are so much nearer God than anyone else. They love more—that is, they are more like God; it is they who keep the Earth from becoming a vast hell.

**SPIRITUAL UNIVERSE CAMPS**

**Malevolent spirit cannot cause you to do anything other than what you intend to do. The Law of Non-interference prevents a spirit person from causing harm to another.**

**Spirit Communication Not Harmful to the Spirits.**

I am over the border, but I am in constant communication with you on the Earth-side. To me this has been the means of great blessing. I cannot conceive how anyone can consider that such communications can possibly retard growth. Growth depends upon love and service; and you limit the area of both when you put a wall of iron between the spheres. The conception of Earth as a geographical place is very material. You think too much in matter. You cannot realize that to me and to all on this side **you are spirit-fogged in a little body limited and conditioned by that fog.** But the real self is spirit, not flesh-fog, and life is ministry and sacrifice and service and love. As, therefore, this means of communication enables me to minister to and serve those whom I loved, who are often sorely pressed and troubled, you can see how absurd is the doctrine that it is a hindrance to development.

**The Dangers of Communicating Across the Border.**

I want to say one word now about the danger of the communications about which you hear so much. I have not much to say. That there is love on this side is true. The devil (evil spirits) and his angels are

no mere metaphysical abstractions. There are evil ones, false ones, frivolous ones on this side, as there are on yours. You can never enlarge the scope and range of existence without at the same time enlarging the area of possible temptation and probable loss and peril. But the whole question is one of balance. And what I want to ask you is this: Do you or anyone else in your world ever cut off your communications with your children when they have gone into the larger life of a city, because they may bring you into the vortex of a city's temptations and the risk of evil and danger? You laugh at the suggestion. Why not laugh equally when those whom you love have passed on, not to New York, or Chicago, or London, but in the presence of God?

I do not ask that you should open a door into your souls through which all who feel disposed on this side should enter in to possess it. You can, if you like, either on this side or that, enter into companionship with the good or the bad. And I dare say that it is as true, on this side as on yours, that there is a possibility of making acquaintances who may be difficult to shake off. But so it is in London. You do not shrink from coming up to London from the country because in London there are many thousands of thieves, drunkards, swindlers, and men of evil and vicious life.

### **In the Hour and Article of Death.**

In my earlier letters I told you how I experienced the change which you call Death. I have since then exchanged experiences with very many others on this side, and I now know more than I did then. With me the change was perfectly painless. I wish that it might be so always with all who are appointed to die.

Unfortunately the moment of transition sometimes seem to be very full of pain and dread. With some it lasts a comparatively long time; I mean the time of quitting the body. With some it is momentary. The envelope opens, the letter is released, and it is over. Put sometimes the **deathbirth** is like childbirth, and the soul labours long to be free.

There is no visible cause why this should be. That is to say, I do not know why some should pass so much more easily than others. That it is a fact is true. But, after all, the parting of soul and body is but an affair of moments. There is no reason to regard it with so much alarm. The tranquil soul that prepares and knows need not feel even a tremor of alarm. The preliminaries of decease are often painful; the actual severance, although sometimes accompanied by a sense of wrench, is of small account.

When the soul leaves the body it is at the first moment quite unclothed as at birth. The spirit-body disengaged from the physical body is conscious, at least I was, almost from the first.

I awoke standing by my dead body, thinking I was still alive and in my ordinary physical frame. It was only when I saw the corpse in the bed that I knew that something had happened. When the thought of nakedness crosses the spirit there comes the clothing which you need. **The idea with us is creative. We think, and the thing is.** I do not remember putting on any garments. There is just the sense of need, and the need is supplied. When we stand for the first time on this side there is not so much fear as great awe and curiosity. The sense of being in a land altogether undiscovered and unexplored, where there may be all manner of strange beings, perhaps hostile, fills you with a moment's trepidation. And

then it is that the good Lord in His kindness sends to the newly-delivered soul the Guardian Angel of whom I wrote before.

### **In Outer Darkness.**

The sinfulness of sin chiefly shows itself in the inability to see God. The punishment of sin which is remedial, is the sense of loneliness and **darkness** which overwhelms the loveless souls when they come into this world, the atmosphere of which is eternal love. This they endure until such time as they love. When they love they turn to God, and see in the darkness a ray of the Love infinite and everlasting, in which they are able to realize, as we do, that they live, and move and have their being.

There is, when the loveless soul comes here, as much care taken to welcome it as when the soul of love arrives. But the selfish soul is blind and dark, and shudders in the dark. The imagination, which here is far more powerful than with you, fills the solitude with spectres, and the sinner feels he is encompassed by the constantly renewed visions of his deeds. Nor is this all; he sees those whom he has injured, and he fears. If ever a soul needs a Saviour and, Deliverer, it is when imagination and memory without love recreate all anew the selfish acts of a loveless life.

### **Alone in a New World.**

December 18, 1894.

When you stand all alone for the first time on this side there is not always, as you would think, a great longing to go back to the world you have quitted. The first sense is not that, but of awe, and of curiosity as to the new world. When I awoke I was so astonished and amazed at what I saw, and at the strangeness and sameness, I did not want to come back. The mind has not room for too many strong emotions at once. After the first shock of the entire novelty has subsided you begin to remember your friends. I remember seeing the nurse at my bedside and trying to speak to her, but I was soon convinced that it was impossible, and the new life lay before me.

You see it is this way: There is so much that is familiar and so much also that is unfamiliar, that you don't feel as if there was any immediate hurry to examine the old which you have seen all your life, and go on seeing, while there is so much that is new which you have never seen. You naturally are absorbed by the new, and only after you have felt and seen and understood what the new things are does your mind revert back to those whom you have left, and you wish to go back to tell them of what you have experienced.

### **The Body**

**The body is such a miserable substitute for the spirit in which we live and move and act as we think.** No, if I might come back and live on Earth as I used to do, I would not; it would be all loss and no gain. There is nothing the body could give me, that I do not now enjoy. Only in an etherealized but more real way, and much that I enjoy I should lose by being again in my body.

### **The Same Yet Not the Same.**

All is so new, and there are such unexpected same nesses as well as differences. When, for instance, we wake into the new life we are still in the same world. There are all the familiar things around us—the

walls, the pictures, the window, the bed, and the only new thing is your own body out of which you stand and wonder how it can be that it is there, and that it is no longer you. And then you begin clearly to understand what has happened. It is very much like experiences you have in dreams, which, after all, are often due to the same cause, the conscious soul leaving the physical frame, which, however, remains breathing. The first thing you notice that is not the same is the Angel. You are the same. I mean that there is no break in your consciousness, your memory, your sex. I was woman in my bodily life, and I am woman still. There is no change there. But you are in a manner different.

### **On the Wings of Thought.**

The Angel Guardian who came to me had wings, as I said. It is not usual, but if we please we can assume them. They are no more necessary than any of the contrivances by which you attempt to attain the mastery of the spirit over the burden of matter. We think and we are there. Why, then, wings? They are scenic illusions useful to convey the idea of superiority to Earth-bound conditions, but we do not use them any more than we use steam-engines. But I was glad my Guide had wings. It seemed more like what I thought it would be, and I was at once more at ease than I would otherwise have been.

We have all our guides. These angels, unknown and unseen by us, prompt us to all good actions and dissuade us from evil. They are with us in thought, and we often receive their warnings as if they were the promptings of our own spirit. So they are; but the spirit which prompts is quite outside our own conscious self.

### **The Senses as Blinkers.**

The soul in the body hears but dimly, and sees not at all the innumerable influences with which it is surrounded. **The first and most startling thing we have to learn is that our senses, material senses, are not so much to help us to see and hear as to bar us off from seeing or hearing.** We are on Earth as it were, with blinkers on. We must not see or hear or know much that surrounds us. The physical consciousness which is part of us, needs for its development the temporary seclusion of life from the realities of the world of spirit into which it is ushered at death. Hence, when we close our eyes in the sleep of death, it is more of a laying down of the blinkers that limited and confined our vision than almost anything else. I am speaking of the conscious change to our senses.

### **A New Freedom of Movement.**

When I began to move I walked as I used to walk, and it seemed natural to do so. My Guide walked beside me, and we saw the world as it was with spirits moving among men. I did not see at first which was which. They were all living people, it seemed to me. But I saw the spirits pass through matter and move away, as physical bodies could not do. Then I asked my Guide, and he said they were like myself, those who had lived on Earth and had passed on. Then I saw that they moved sometimes as if they were still in the body, and at other times as if they were angels, **coming and going with great speed**, and I remarked upon it to my Guide. And he said, "Yes, they can do as they please, for it is in the power of the mind to go slow or fast."

Then I thought, if they can, I can. And I asked, not speaking, but thinking in my mind, if this were so? And my Guide, without my having spoken, answered and said, "This also is possible to you." And I

said then to him, "May we go as they go whenever we are going?" And he smiled and said, "As you will, so it will be." And then I had my first experience of the new freedom of locomotion.

The Earth seemed to grow small beneath my feet.

### **A Flight Through Space.**

We went through space at a great speed. I did not feel the speed so much while in motion as when we stayed and discovered how fast and how far we had come. When we stayed it was not in this world at all. We had left your planet and were now speeding through space. I was hardly conscious of movement. **We went as we think.** Only the things we saw at first disappeared, and there was nothing to check or time our flight. We were together, my Guide and I. We went to a place at a great distance from your Earth. The distance I cannot measure. Nor do we take account of distance, when you have only to think to be anywhere. The stars and the worlds, of which you see gleaming twinkling at night, are to us all as familiar as the village-home to a villager. We can go where we please, and we do please very often.

### **The Passion to Know.**

For there is one Passion that increases rather than diminishes on this side, and that is the **desire to know and to learn.** We have so much to learn and such facilities! We shall never be able to say we know everything about this world, for the marvellous wisdom of God is past finding out. When we reach what we think the ultimate, there is a new vista of marvels which we see before us.

We pass through, and when we come to a stand, beyond us again stretches a new invisible marvel-world, into which we also may at some new stage of development begin to see. What oppresses us, if we may use the word, always and everywhere is the illimitableness of the universe. Up and down we see it unfolding always and ever. When we make the most effort to exhaust the subject the more inexhaustible it appears.

### **The Journey Beyond the Bounds.**

The journey which my Guide took me was a long one, how long I did not know. He led, I only willed to follow him. **The motion was not flying. It was thought-transference of yourself.** When I look back I see that it was made slower and simpler to give me the sense of distance. Now the movement is instantaneous. But then at first it was gradual. From walking we seemed to glide into the air without effort. The world simply sank away from us as when you are in a balloon; then it slid away behind, and we went through the air or through space in ether without landmarks. He went a little before me. I was at first a little frightened. But he was with me, and there was beside me such an exhilarating sense of liberty and power. **You don't know what a prison the body is until you leave it.** I exulted, I was so well, so free, so happy.

### **The Persistence of Individuality.**

Even here! oh, my friend, my friend, do you think that if that bundle of passionate and eager forces which make up what you call your Ego were to come here, if the earthly house of your tabernacle were

to be dissolved, that you would, in a moment, in a twinkling of an eye, be quite other than you are? Would that spirit of yours be freed from the characteristics which make you really you? No, I tell you no. Individuality is not eliminated, but rather accentuated in its essence, and harmonized in its accidents. The trouble in the world is that there it is the other way. There is so much friction in the horns and hoofs and armour of individuality that the real individuality often perishes.

No, I don't mean that we never get into a temper; but we are in what you might call a moral and spiritual sanatorium. **We have brought with us all our diseases. We get cured.** You can understand that by analogy with the effect of certain climates on Earth on physical maladies. The ozone of our life here is love. And, my dear friend, if you had but love enough you would have heaven where you are. Believe me, that there is no truth greater than this. God is Love! God is Love!

### Spheres

"One has so much to ask. Are the spheres like this world?"

"In every way similar. It is only the change of conditions that makes the difference. Flowers, and fruits, and pleasant landscapes, and animals, and birds, are with us as with you. Only the material conditions are changed. We do not crave for food as you; nor do we kill to live. Matter, in your sense, is done with; and we have no need of sustenance, save that which we can draw in with the air we breathe. Nor are we impeded in our movements by matter, as you are. We move freely, and by volition. I learn by degrees, and as a new-born babe, to accustom myself to the new conditions of my being."

### You Make Your Own Next Life.

Yes, this is a manufactured article, so to speak. You are, in the loom of time, weaving the fabric of this world. You make your next life. Yes, and you make your life here. You make your next life. You do it day by day, you do it hour by hour. You make your next life.

If we could communicate with you, you would deny it no longer, for there is here no sudden transformation. You are as you were. There is no break of continuity. You start where you left off. What you are you remain.

**REVELATION 1**  
James Padgett 1914 – 1923

James Padgett bravely introduced the availability of the Mother and Father's Divine Love and a great deal of additional guidance and information, all of which has been supplemented by Samuels, Judas, Reid and Arnold. All writers were under restrictions of personality and circumstances. Revelation 1 opened the door for humanity.

## Quantum Jump 2

**REVELATION 2**  
Marion and James Moncrief 2002  
– ongoing

Marion and James Moncrief have recognised the need for one to engage in Feeling Healing and, by their actions, removed restrictions that James Padgett and others above endured, thus JM is able to critique the writings of the past 100 years resolving points of confusion as well as expand on what has been written. Revelation 2 is humanity's turning point.

Due to the extra-ordinary nature of Revelations 1 and 2, humanity with the first Revelation would have continued on into its negative pathway of living, however, combining the first Revelation with Revelation two, now humanity can embrace this turning point and commence its evolutionary growth that has required two thousand years to put in place. This is the greatest event in the history of humanity and very few are aware of such, until we enable others to become aware.

To PARADISE, the HOME of OUR HEAVENLY PARENTS

The Central Soulgroup of the Council of Elders have established a 'Battle Room' on each of the Celestial Heaven spirit worlds and each of the Divine Love spirit worlds. From 'hot wired' connections on Earth, including the 'Engine Room' on Earth, events are recorded and broadcast live throughout these worlds. This enables spirits of all 6 spirit worlds to interact and engage in the changes that are now being implemented at an ever increasing rate.

KNOWLEDGE downloading from your source, the SOUL

The flow of knowledge and sensory capabilities from the soul to the spirit body is constricted by the soul's condition and further restricted by the limited, though great, capabilities of the spirit body. This flow on to the physical body from the spirit body is further constricted by the physical bodies greater limitations.

- Physical Body           ↑       we first generally develop our physical senses.
- Spirit Body            ↑       mind / brain development starts.
- Soul                     ↑       soul development is typically ignored on the planet.

Soulmate development is soul to soul. Once we open up our soul, we cease to depend upon our bodies, and connect soul to soul. Connecting to the soul can be achieved through kinesiology muscle testing.

“The opening up of the soul permits a permanent exchange with Divinity, a permanent recharge of this healing energy that allows not only the re-establishment of lost health, but the continuity of health, providing such a perfect balance, even in the physical body, that noxious agents like bacteria and virus cannot find any opportunity to unchain pathological reactions, which we commonly call illness.

“But it is true that people without the benefit of Divine Love would lack the protective shield, which the intrinsic healing energies of Divine Love provide for those who pray for our Heavenly Mother and Father’s Grace.” P.6 Judas of Kerioth           Judas – August 19<sup>th</sup>, 2001

**OUT OF BODY EXPERIENCE:**

“I saw all people as “energy”, and depending where our energy level was, that was the world we created for ourselves. The understanding I gained from this was that if cancer was not in our “energy”, then it was not in our reality. If feeling good about ourselves was in our energy, then our reality would be positive.” – Anita Moorjani

**The MANSION WORLDS and EARTH:**

James Moncrief

7 April 2017

**Earth**, also has seven planes around it, all of which use Earth's geography, and unless someone has Second Sight, they won't be able to see into them, however we can (as can the Mansion World spirits), communicate with spirits, nature spirits and angels and other universal spirits, even Mary and Jesus, should they want to come and 'be with us' in these planes.

The lower two Earth planes are reserved for all the 'lost' spirits from Earth (They wake up in the first Mansion World as we all do, then are taken or move back to the lower Earth planes). People go into them if they don't know they are dead, that is, if they are not fully conscious and able to take their place in the first or lowest Mansion World. And if they need to work off more compensation, they can use these lower planes as 'hells' (the planes of Disharmony). Also there are sectors and sub-sectors and so on in the first Mansion World commonly called the Hells.

And most people who have astral trips or OBE's (out of body experience) usually move into one of these Earth planes 'awake' in their spirit bodies, hence most of these trips the person is 'flying' over the geography of Earth. People might be scared of 'flying' through power lines they come across, when in fact there are no such power lines in the actual plane, only it seems like it is because the plane is based on Earth. Occasionally people might astral or OBE into the first or higher Mansion Worlds.

The third Earth plane is strictly for the nature spirits. They live on this plane which is based on the geography of Earth. So when we meet with at the lake not far from my house, in their plane they come to the same lake. So I stand at the physical lake, and they are also at the lake in their Earth plane. So I will be standing on the shore, however they might be standing on what seems like the surface of the lake. And so it's the same for the higher spirits, Celestials, and angels that might come to talk with me at the lake. They will be in their relevant planes. The Celestials and Mansion World spirits being in the two Earth planes, the nature spirits in their plane, the angels in theirs, the higher universals spirits in there's and so on.

The fourth Earth plane is for Angels; the fifth is for higher universal spirits, meaning, spirits that don't incarnate and so aren't mortal spirits, such as the Melchizedeks; the sixth is for the high Daughters and Sons, so where Mary and Jesus would come should they wish to come 'back to Earth', the seventh being reserved for the Mother and Father and specific things to do with Them.

Nanna Beth, 3<sup>rd</sup> Celestial Heaven: And John will like it too, for as I said, he'll then feel more at home.

And John, what you said this afternoon to James on the phone is correct concerning what you feel whilst you sleep. What happens is this. Most nights, for it's relatively easy for you now in your advanced years, you spend time with one of us in the astral realms. Which means, we make contact with you in your spirit body, sometimes at a real location in the Earth planes, at other times just in sort of a dream-like state, a sort of dream-location, which can be the same or vary. So for example, you might feel like you've been in a room in which you were undergoing instruction about something or other, which you were, the room being contrived by us, where we 'meet' you in your mind whilst you're in a certain stage of sleep. And we can impart information to you on various levels, so on the surface, or much deeper, so you can wake up in the morning feeling like you've been speaking with us, or just 'imbibing'

information or understanding somehow, which can immediately come into your mind, a knowing or understanding, an idea, thoughts, feelings even, or they can be triggered through the day, or even in future.

And this sort of thing happens to a lot of people, however far less now the mind spirits are out of the picture, but that is how a lot of information is conveyed to people from us spirits – through their dream state.

And as you get older, it will get even easier and clearer for you to pick up on what you've been through during the night, even with clearer memories of it happening, with your Indwelling Spirit and angels also participating, which will help you deal with what happens through the day, some of which you'll have as that déjà vu sort of sense, other times even feeling bored in a way because you've already covered what's being talked about through the night, and you'll want to get on with other things. And all this is natural, and you should express all you feel about it, particularly to James, as he will understand and even expect it to be part of your relationship together, feeling it wouldn't be right if you weren't feeling those things.

[Does my spirit body actually leave my physical body in these events? If so, how is the connection maintained to the physical body?](#)

Nanna Beth: Yes, you go off in it when we arrange to meet in one of the Earth planes that are conducive to such meetings. There are many permanent sectors, and many that can be created for the occasion, in the two Earth planes specifically for people from Earth to come into during their sleep, or conscious astral trip, to meet with spirits or do whatever it is they are to do during these 'outings'. They don't happen for you John every night – the actual leaving of your physical body and travelling in your spirit body to one of these Earth plane sectors, and mostly you are not aware of having done such a thing, but if you pay attention to how you feel in the morning, now you are more interested, we can impress the feelings on you as to what you were doing during the night.

As part of the 'healing sleep' everyone has, when you go into the deeper levels of sleep, naturally your spirit body, everyone's spirit body, 'detaches' – if I can put it like that, from the physical, but mostly only marginally, like a few millimetres to a centimetre or two, so the Indwelling Spirit and angels can work on whatever level they need do, including the physical. These are sort of light, running repairs, fine tuning; or making even major deeper will level adjustments which can take years to work through one's system, all sorts of goings on. And it's why you feel 'integrated' when you wake up having had a good nights sleep, having 'processed' the preceding days events, and received into your spirit, emotional and mental systems, what you might need for that day. Much of what happens for you through the day, particularly if you are doing a lot of intensive spiritual work and are actively growing in truth, such as for people doing their Healing, is 'seeded' through these 'out times' – out of your physical body times, then to unfold through the coming day or days, weeks, months, years. Really John, you'd be astounded if you knew how much time and energy was spent on the average person whilst they slept just to help keep them going through the next day. It is incredible how we are never alone, we are like well-tended plants in a much loved garden. And even those who are the drossiest, the most full of hatred and bitterness, all are just as lovingly attended to, even if it is to help them carry out the most despicable and evil practices the next day.

There is what is commonly called a 'cord' that connects the spirit and physical bodies. It's there all the time, and only upon death, when the 'angel of death' severs it, does it cease to exist. So without this light-cord connection from the spirit body to the physical body, the physical can't exist. And I don't understand how it works, however the cord can 'stretch' for a very long way, so even should you astral travel to the Celestials levels – say you were somehow allowed to do that, although highly irregular and unlikely, the cord would stretch all the way. Apparently you can reach every part of the seven Mansion Worlds still 'attached'. **The attachment is in the small of your back area, however it is also connected to each of your primary chakras, and with 'light-threads' connecting every chakra, even the smallest, so right down to the microscopic cellular level, each cell having its own chakra,** so when the death-angel pulls the plug on the physical, literally it's lights-out on all physical levels, even each individual cell.

[Where are the astral realms? How do I relate to these different bodies and states?](#)

Nanna Beth, 3<sup>rd</sup> Celestial Heaven: Really there is no such thing as the 'astral realms', it's just a commonly accepted term which means anywhere in spirit that you on Earth might venture into before you die and become a fully fledged spirit living its spirit life.

So I say it meaning the Earth planes in this context with you. Some people travel further in the night to the first Mansion World, very rarely higher, but sometimes that happens too. It all depends on what you need. However the sectors of the Earth planes put aside for such visits from people during their sleep are more than adequate to deal with the number of such visitors and what such people need to experience. And relatively speaking, such 'astral trips' are rare, and only happen to those people usually undergoing some intense spiritual adjustment or for information to be conveyed in this way.

As I said, we can just as easily set it all up in your mind whilst you are asleep, this too happening during certain sleep phases and not requiring you to travel into the Earth plane sectors, this being what more often happens with people who receive direct spirit help during such times.

What happens is you, John, will go through a season that contains more of the trips and then you won't have any for a time, then more, and so on. Sometimes you might feel like you've been out and about a lot. It all varies depending on what you're going through.

Mostly people who have astral travelling experiences, either as a waking dream or who can consciously will themselves out of their physical body, or just find they are out of it, have these experiences in the Earth sectors. And most such people believe they are having some sort of major spiritual experience being able to 'leave their body' and 'fly around the world', but really it's all low level stuff with nothing really spiritual about it. You are just out of your body and in your spirit body visiting places, more like how we do it in spirit. And this sort of basic experience is nothing like say what Samantha has when she might come over and receive intense work all to help her understand what she's going through or help drive up more repressed feelings the next day or days to come. And for people like yourself and herself with her Healing, there are special or specific sectors put aside, so we Celestials can come without disturbing the lower spirits, and likewise, the lower spirits and any would-be astral travellers, can't disturb us. So we can be far more creative in how we might set up such a 'meeting' with you, as you need far more intensive attention.

**You won't want to miss this two-part, life-changing conversation with Anita Moorjani.** First, this is the closest I'll ever get to interviewing an actual spirit, because Anita is able to share with us what it was like to be out of her body and in that other realm, including her ability to see the past and future, experience timelessness, know her life's purpose, feel the emotions of others, and even know what caused her life-threatening illness in the first place.

Second, Anita Moorjani's story will blow your mind and get you pondering what she teaches for weeks after watching this conversation. In a nutshell, Anita fell into a coma due to late-stage cancer. Her husband was told by doctors that she had less than 36 hours to live (her organs were shutting down). All the while, Anita was having a near-death experience, was given the choice to return to her body or not, chose to finish out her life, then had the most remarkable healing ever documented. Today, Anita Moorjani shares her experience and her important message about love and joy. ~ Bob Olson, Afterlife TV. <http://www.afterlifetv.com/>

### The DIVINE UNIVERSE:

message 314

23 February 2013

There are no creatures or animals existing in the mortal Spheres. History and biological species that evolve from the Earth remain of the Earth. There are no dinosaurs or sabre-tooth tigers or mosquitoes living in the mortal Spheres. There are historical references but the actual existence of these species, do not reside in some astral form or another. This be said the same for pets and goldfish. One may find this hard to reason why, when people can love creatures and environments but as one progresses in Divine Love, one will realise that it is the content of soul and spirit body consistent with each mortal personality that provides a human or spirit to personalise their individuality with the living and loving Soul, God. There is an energy field that surrounds everything because everything has some component of energy. Until one is aware of what the human and mortal soul is, and how the spirit body is formed and how it functions with personality, people will always place themselves equal with creatures and love them or kill them, nurture or injure them, construct or destroy natural environments and always present from God's perspective is the Law of Compensation.

I am here, John, Apostle of Jesus -

P.369 Book of Truths through James Padgett / John

When the spirit leaves the body, there is a breaking of the silver cord, as it is called, and thereby all connection between the spirit and the body is severed for all eternity; never again can that spirit enter that body, and neither can any other spirit, although it is claimed by some spiritualists that another spirit may inhabit the cast-off body. But this is all wrong, for no spirit ever enters the body which has once been the home of another spirit, and, hence, claims made by some of the wise men of the East that such a thing can be, have no foundation in fact.

When the silver cord is once severed, no power that is known to the spirit world, or among spirits of the highest sphere, can again resuscitate that body and cause the manifestation of life. And hence, in the miracles mentioned in the Bible, where it is said that the dead were brought to life, it must be understood that this tie between the spirit and the body was never broken.

When this tie has been once severed, there are certain chemical laws affecting the physical body, and certain spiritual laws affecting the spirit, which absolutely render it impossible for the spirit to again enter the body. And as you have been informed, we all, mortals and spirits and angels as well, are governed by laws which have no exceptions, and never vary in their workings.

So I say, when once the spirit and body separate, it is for all eternity, and the spirit then becomes of itself, a thing apart, controlled entirely and exclusively by laws governing the spirit body.

With the spirit's entry into the spirit world, comes the soul, still enclosed in that spirit body, and to an extent controlled by that body, which latter is also, in certain particulars controlled by the soul. The spirit body has not, of itself, the power to determine its own location or destiny, as regards place, for the law of attraction which operates in this particular, operates upon the soul, and the condition of the soul determines the location of itself, and as the spirit body is the covering of the soul, it must go where this law of attraction decrees the soul shall abide.

While the mind and the mental faculties and the senses have their seat in the spirit body, yet the law that I speak of does not operate upon these faculties, as is apparent to every spirit which he knows from observation, as well as from experience, that the combined power of all these faculties cannot move a spirit body one step in the way of progress, unless such faculties have, in their influence upon the soul, caused its condition to change. And in the matter of mere mental or moral advancement, this can be done.

So, I repeat, the condition of the soul determines the locality as well as the appearance of the spirit body, and this law of attraction is so exact, that in its operations, there is no opportunity for chance to interpose, and place the spirit body in a location which is not its, by reason of the operation of this law.

So that when the spirit body enters the spirit world it must go to and occupy the place which its enclosed soul condition determines that it shall occupy. No interposition of spirit friends or love of parent or husband or child can prevent this destiny, although for a time, until the soul has really had an awakening as to its condition of severance from the mortal life, these relations or friends may retain the spirit body near the place of its entrance into the spirit life, even though that place

be one of more beautiful surroundings and happiness than the one to which it is destined. But this situation does not last long, for the law works, and as the soul comes into full consciousness, it hears the call and must obey.

And thus, you see, friends and loved ones in spirit life meet with love and kindness and consolation, the newly arrived spirit, but the parting must come, and every soul must find its home according as its own qualities have determined. And yet the consolation mentioned is a real one, for in many instances, if it were not so, the lonely spirit would experience fear and bewilderment and all the unspeakable sensations of being deserted.

Then there comes a time, when every soul must stand alone, and in its weakness or strength realize that no other soul can bear its sorrow or take from its burdens or enter into its sufferings, And thus is realized the saying that each soul is its own keeper and alone responsible for its own condition.

Of course in many cases the loving friends may visit that soul in its place of existence and offer consolation and help and encouragement and instruction, but in some cases this cannot be, for as this soul is then laid bare to itself, all its deformities, and sins and evil qualities come before it, and thus throws around it a wall, as it were, that prevents the good friends and loving ones from appearing to it.

And thus again comes into operation the great law of attraction; for while these more elevated friends cannot come to that soul, yet other spirits of like souls and qualities may become its associates, and render such assistance as the blind can lead the blind in their moving about.

And I wish here to say—notwithstanding what some of your spiritualistic teachers say—the soul has its location as well as its condition.

The above condition that I have described is the destiny of some souls shortly after becoming spirits, and it is a deplorable one, and you may think that such souls are deserted by the loving influences of God's ministering spirits, and left all alone in the dreary places of their habitations. But such is not the case, for while they are deprived of the presence, to them, of the higher spirits, yet the influences of love and compassion are flowing from these spirits, and at sometime will be felt by the lonely ones, and as these influences are felt the poor souls commences to have an awakening which gradually causes the wall of their seclusion to disappear until at sometime, the higher spirits find that they can manifest their presence to these unfortunate ones.

And, besides this, every spirit, no matter how fallen, has a work to do, even though it may appear insignificant, and among these spirits of similar conditions some are a little more progressed than others, and by reason of a law which causes the more progressed to help the lesser, the latter are frequently helped from their low estate.

Now what I have last written applies of course to the spirits who are wicked and vile and without any soul development in the way of goodness, but a similar principle enters into the conditions of all the spirits in the Earth plane, although the higher they are in that plane the greater opportunities they have for receiving help and progressing.

I am here, Jesus –

28 Sep 1916

I will write on the subject of the destiny of the man who has not the Divine Love in his soul, and dies with only the natural love and a belief in the creeds and dogmas of the churches.

I know that many men believe that the creeds of the churches are what is necessary for the salvation of mankind – I mean as to baptism and observance of the sacraments, and the belief that in my name men may be saved, are sufficient and all that are necessary to insure them an entrance into the *Kingdom of Heaven* – and in such belief rest, with the feeling of assurance that nothing else is required or in any way to be sought for and acquired.

The large majority of professing Christians are in this state of belief, and hence the greater number of mankind will not enter the Kingdom of Heaven, or become in their natures divine. I have already told you what is the future of those who possess this divine nature of the Father, and now I will confine my message to the future of this great majority.

As you may know, the river can never run higher than its source and neither can this majority attain to a perfection and happiness superior to that which was possessed by man before the time of the fall from the state of his perfect creation, and hence, no matter how great his progress may be in his natural love, or in his moral or mental qualities, he can never excel the first created man as he was before the fall. And the only possible future for this vast majority is the condition and development that existed in the perfect man of God's first creation.

I know it is said by some that man has in him that which is a part of the divinity of God, and that by his own efforts he may develop that divine substance until he becomes divine himself, and of the nature of the Father. But this is not true, and it is not possible to develop the Divine Love or any essence of the divine out of that which has not, in itself, nothing of the nature of the divine. In the spirit world, and I mean the spiritual as well as Celestial, laws prevail, and are just as certain in their operations as are the laws of the material world, and a fundamental law is that only like produces like. Although in the physical world it may appear that a derivative is not like that from which it is derived, but this is in appearance only, for in substance and essence the likeness exists and cannot be eradicated.

And so, as to the real condition of the soul of man, if he has only the natural love (the created love) the development of that love will result in that which cannot possibly be greater or other than that which in its constituent parts is only the natural love; and no matter what the perfection may become, the divine element is absent, and all the limitations that are inherent in the created being still continue to form a part of and control that being.

There is a limit to the development of this natural love and to the state of happiness beyond which it is not possible for this being to go, and that limit is the qualities and excellence possessed by the first man before he became defiled and impregnated with sin. The mind of such being is also limited in the progress which it may make in obtaining knowledge, for that mind being a thing of creation is bound by the limitations that that creation imposed. So I say, such a man can never progress higher than those attributes or qualities with which he was endowed when he was the perfect man, either spiritually or mentally (unless he seeks for and obtains the Divine Love).

When spirits come and write that life in this spirit world is always progressive, these spirits who write, have never attained to this limit of which I speak and hence, to them, progression is endless; and this belief is very beneficial, because it inspires them to make an effort to progress.

There are many spirits in this perfect state in the highest sphere of natural love or mentality, but they are spirits who have been in the spirit world for a vast number of years, and are what you might call ancient spirits. These spirits have realized this limitation of which I write, and while they can change the objects of their seeking and the sources of their happiness, yet their progress has its ending, and often there comes to them dissatisfaction and a realization that over and beyond their sphere, there must be something that may be obtained, that surpasses their perfect state and development.

**SPHERE CREATION and the PLANES WITHIN the SPHERES**

Spheres to infinity. The two soul halves may bond back together from within any sphere.

Spheres are created by a person entering it, then additional people enter the sphere.

Sphere 8 – At one with God. Start of celestial spheres.

Jesus has opened the spheres above 6 progressively.

Sphere 7 – transitional sphere from natural love path to celestial levels of divine love path.

Sphere 6 – highest level for those on the natural love path. In the 6<sup>th</sup> sphere state, we do not have damaging emotions.

Aman and Amon (not Adam and Eve) were our first parents, they elected to be self reliant, not God reliant. They were able to receive Divine Love. What followed after the withdrawal was a rapid decline into the lower spheres resulting from being self reliant.

Sphere 5 – divine love focus sphere.

Sphere 4 – natural love focus sphere.

Sphere 3 – divine love focus sphere – point where truth prevails.

The barriers between spheres are referred to as inter stellar boundaries, being dimensions of love.

Sphere 2 – to progress to the 3<sup>rd</sup>, truth is told at all times. natural love focus.

Sphere 1 – each sphere has many plains within it.

And as a result of this dissatisfaction many of these spirits, in moments of their unrest, give heed to the suggestions of those spirits who have become possessed of the divine essence, and upon whom is no limitation of progress. For these latter spirits are at all times in the highest sphere of these spirits of perfected natural love, trying to show them the way to the higher development and happiness of the Celestial spheres.

It may seem surprising to you, but it is a fact, that these spirits of the natural love, during their periods of progression, and especially as they make nearer approach to their perfection in the satisfaction and happiness that they experience in that progression, will not listen to the spirits of the divine spheres, or believe that there can be any other methods of progress more desirable or excellent than the ones that they are pursuing. And only when they come to realize the dissatisfaction that I speak of, will awaken to the fact, or consent to be awakened to the fact, that there may be a way that leads to things beyond their limits of progress and the perfection that they may have acquired. So, as I say, the higher the progress of these spirits and the farther away they advance from the Earth plane, the greater the difficulty in persuading them that there is a state of perfection and happiness surpassing that which they are seeking for, and a way, different from the way they are pursuing.

As these spirits progress in their natural love and in the development of their created minds, much happiness and satisfaction come to them, and in each stage of progress, so much greater do these experiences become, that they readily conceive that there can be no way superior to the one that they are travelling, and, hence, having such belief, the difficulty of convincing them to the contrary, becomes almost insurmountable. As a consequence the spirits of the Celestial spheres and those of the spirit spheres who are progressing in the Divine Love, give the great part of their time and efforts to convincing spirits of these higher truths while they are in the Earth planes, before the happiness that I mention is experienced.

The life on Earth and that in the Earth planes of the spirit world are the states in which the souls of mortals and of spirits have the best opportunities for learning and believing these truths that show them the way to the progression that is without limitation or ending, and hence, the importance of men knowing these truths, and of spirits also, before they experience the satisfaction and pride, I may say, that the advancement in the development of their natural love and mental and moral qualities gives them.

Until the time comes when the Father shall withdraw from man and spirit the privilege of obtaining this Divine Love and essence, which time will bring the second death, these spirits and all spirits and mortals will have the opportunity of seeking for and finding the way to the Celestial spheres and Immortality. But after that time this privilege will no longer exist, and then those spirits and mortals who have not found and followed the way of that privilege, will be and become only the perfect beings, as were their first parents. They will have no assurance of immortality, or even continuous life, and that dissatisfaction and longing for something unknown, will be theirs. (The withdrawal of the availability of Divine Love will not occur whilst physical man continues to live on Earth.)

They will remain only the created beings in spirit body, soul and mind, and as the first parents had all the qualities that these restored men will have, and fell, and why may it not be that they

will fall? That there may come some change in the individualized spirit that will destroy that individuality and dissolve it into its elements of pre-creation? No spirit knows that such a change will take place, that the perfect spirit will not always retain the same individuality, or that the happiness of such spirit will not always exist. And neither does any spirit know that these things will continue to be.

Then why should he not choose that course which leads to divinity and certainty of immortality and progress, rather than the one which leads to limitation of progress and happiness, and to uncertainty of immortality?

One's natural love is always progressively perfected during this journey of evolution of the soul.

Upon embracing Divine Love at any stage, then one can progress through the Divine Love spheres 3, 5, 7, whilst also doing their Feeling-Healing.

Even though a person may have received Divine Love, they do not avoid compensation or doing their Feeling-Healing, so they may still spend time within the spheres of disharmony.

Natural Love sectors for those doing their Feeling-Healing, without the Love, are within the Natural Love Mansion Worlds:

Progressing through the natural love worlds, within Feeling-Healing sectors, while doing one's feeling healing, upon reaching the 6<sup>th</sup> Sphere having completed Feeling-Healing, one can then embrace the Divine Love and proceed directly to the 7<sup>th</sup> Divine Love Sphere.

Then they may prepare to enter the Celestial Heaven Spheres from there.

This pathway is when the Divine Love is unavailable before perfecting one's soul.

When the soul of a mortal prays in earnestness and with true longings, all the powers of all the spirits in the spiritual or Celestial Heavens cannot prevent that Love from responding to the prayers, and from making the longing soul free and at one, to a degree, with the Father.

P.527 Book of Truths through James Padgett / Apostle John

I am here, Jesus -

15 May 1917

I have described the way to the kingdom of God on Earth and in the spirit world, and now I will describe the only way to the *Kingdom of God in the Celestial Heavens*. As I have written before, when man was created, in addition to having bestowed upon him those things that made him the perfect man and in harmony with the laws and will of the Father, he also bestowed upon him the potentiality or privilege of receiving the Divine Love, provided he should seek for it in the only way that God had planned for its attainment. But instead of embracing this great privilege, man became disobedient and sought to exercise his own will, and did so in that manner that led not only to his fall from the condition and the condition of the perfect manhood in which God had created him, but also to the loss of the great privilege of receiving this Divine Love, which privilege was never rebestowed upon him until my coming and teaching that rebestowal and the true way to obtain this love.

Now, here it had better be understood what this Divine Love was and is, for it is the same today that it was when man was created in the image of God. This love differs from the natural love of man (with which he was endowed when created and which belongs to all men and which they all possess in a more or less perfect condition) in this: The Divine Love is that love which belongs to or is a part of God, possessing His nature and composed of His substance, and which when possessed by man to a sufficient degree, makes him divine and of the nature of God. This great love God intended should be received and possessed by all men who should desire to receive it and who would make the effort to obtain it. It is the love that contains in itself the divine (which the natural love does not).

Many, I know, write and believe that all men, irrespective of the kind of love they have in their souls, possess what they call "the divine spark," which needs only the proper development to make all men divine. But this conception of the state of man in his natural condition is all wrong, for man has not in him any part of the divine, and never can have, unless he receives and has developed in him, this Divine Love. In all God's universe and creation of things material and spiritual, the only one of His creatures who can possibly have within him anything of a divine nature is he who possesses this Divine Love.

The bestowal of this love was intended, in its operation and effect, to transform man from the merely perfect man into the *divine angel*, and thus create a *Kingdom of God* in the Celestial spheres, where only that which is divine can enter and find a habitation. And you must understand that as it depends very largely upon man himself, to establish the Kingdom of God on Earth or in the spiritual world, so it also depends largely on man to establish the Kingdom in the Celestial heavens. God will not and does not by any power that He may have establish this Divine Kingdom; and if man had never received this Divine Love into his soul, there never would have been any such Kingdom brought into existence.

There is now a Kingdom in the Celestial sphere, but not a finished one; for it is still open and in the process of formation, and is open to the entry of all spirits – and men must seek for it in the only way that the Father has provided. And no man or spirit will be excluded from it who, with all the longings of his soul, will aspire to enter that Kingdom.

I must also state that the time will come when this Celestial Kingdom will be completed, and thereafter neither spirit nor man will be able to enter therein. This Divine Love of the Father will again be withdrawn from man, as it was from the first parents, and the only kingdom that will then be accessible to man will be the kingdom that will exist on Earth or that which now exists in the spirit world.

Then what is the way that leads to this Celestial Kingdom – the only way? There is but one.

The observance of the moral precepts and the cleansing of men's souls from sin by following these precepts, will not lead to this Kingdom. As it can be readily seen, the stream can rise no higher than its source, and the source of the souls of men in a merely purified state, is the condition of the perfect man (that condition in which he was before his fall). And hence the results of the observance and living of the merely moral precepts and the exercise of the natural love in its pure state is, that man will be restored to the condition of the perfect man – the created man in whom there is nothing of the divine. But this restored condition of man will be so perfect and so in harmony with God's will and His laws governing the highest and most perfect of His creatures, that man will be very happy. Yet, he will continue to be only the created being, having nothing more than the image of his Maker. So I say, living in a harmony with the moral laws and the exercise of this natural love in its highest and purest state towards God and towards his fellow man, will not lead into the way to the Celestial Kingdom, but the greatest height of his attainment will be the kingdom on Earth or that in the spirit heavens.

And the distinct and differing nature of these kingdoms from that of the Celestial Heavens will enable mankind to understand the difference between the missions of the great teachers and reformers who preceded me in their work among men, and the mission which I was selected to perform on Earth. The former could not possibly have taught the way to the Celestial Kingdom, for until my coming, this Divine Love of which I write was not possible for man to obtain. The privilege was not, before that time in existence, after the first parents lost it, and there was no Celestial Kingdom in which men could find their eternal home.

So I repeat, all the moral teachings of the world's history could not show the way to the Celestial Kingdom of God, and cannot now, for morality, as understood and taught by mankind and by the spirits and angels, cannot give to man that which is absolutely necessary in order to transform his soul into that state or condition that fits him for an entrance into this truly Divine Kingdom of the Father.

The way thereto is simple and single and men were taught that way by me when I was on Earth, and could have been taught that way during all the centuries since I left the human life. And I must say that some have been so taught and have found that way, but comparatively few, for the mortals whose ostensible and claimed mission and privilege were to teach that way (I mean the

priests and preachers and churches) have neglected to teach the same; but rather, though in earnestness and realizing their allegiance to God and their obligations to mankind, have taught merely the way which the observance of the moral precepts would lead men into.

And all this, notwithstanding, that in the Bible, which most of those professing to be Christians believe contains my sayings and teachings, is set forth this way to the Celestial Kingdom. The words are few and the way is plain, and no mystery prevents men from comprehending the meaning thereof. When I said, "Except a man be born again, he cannot enter into the Kingdom of God," I disclosed the only and true way to this Kingdom. During my time on Earth there were some who understood this great truth, and since that time, there have been some who not only understood this truth, but found the way and followed it until they reached the goal and are now inhabitants of this kingdom. But the vast majorities of men – priests, teachers and people – has never understood and have never sought to find the way. This great truth to their spiritual senses has been, as it were, a hidden thing. And as they read or even recite the same to their hearers it has no special significance, but is merely as one of the moral precepts, such as "Love your neighbour as yourself," and with not as much importance attached to it as to some of these moral instructions. And so, all down the ages since the great Kingdom has been waiting for men, they, though in all sincerity and in love towards God, have sought for and to a greater or lesser extent, found only the kingdom of the perfect man, and have neglected to seek for and missed the Kingdom of the divine angel.

Then, as I have said, this Divine Love of the Father, when possessed by the soul of man, makes him in his substance and essence divine like unto the divinity of the Father, and only such souls constitute and inhabit the Celestial or Divine Kingdom of God. And this being so, it must be readily seen that the only way to the Celestial Kingdom is that which leads to the obtaining of this Divine Love – which means the new birth – and which new birth is brought about by the flowing into the souls of men this Divine Love; whereby the very nature and substance of the Father, and wherefrom, men cease to be the merely created beings, but become the souls of men born into the divine reality of God.

Then the only way to the Celestial Kingdom being by the new birth, and that birth being brought to men only by the inflowing and working of this Divine Love, and whether or not a man shall experience this birth depending in its initiative on the man himself, the question arises how or in what way can a man obtain this Divine Love and this new birth – and the Celestial Kingdom.

The way is so easy and simple, it may be that men will doubt the truth of my explanation, and continue to believe and place all their hopes upon the doctrines of the vicarious atonement (the washing of the blood, my sufferings on the cross and bearing all the sins of the world, and my resurrection from the dead), doctrines as harmful to the salvation of mankind as they are without truth or foundation in fact or effect.

*The only way then is simply this:* that man shall believe with all the sincerity of their minds and souls that this great love of the Father is waiting to be bestowed upon each and all of them, and that when they come to the Father in faith and earnest aspirations, this love will not be withheld from them. And in addition to this belief, men shall desire (pray) with all the earnestness and longings of their souls that He open up their souls to the inflowing of this love, and that then may

come to them the holy spirit to bring this love into their souls in such abundance that their souls may be transformed into the very essence of the Father's love.

The man who will thus believe and pray will never be disappointed, and the way to the Kingdom will be his as certainly as that the sun shines day by day upon the just and the unjust alike. No mediator is needed, nor are the prayers or ceremonies of priests or preachers, for God comes to man, Himself, and hears his prayers and responds thereto by sending the Comforter (Holy Spirit), which is the Father's Messenger for conveying into the souls of men this great Divine Love.

I have thus explained the only way to the Celestial Kingdom of God and to the divine nature in Love. And there is no other way whereby it is possible to reach this Kingdom and the certain knowledge of immortality.

So, I implore men to meditate on these great truths, and in meditating believe, and when believing, pray to the Father for the inflowing into their souls of this Divine Love, and in doing so they will experience belief, faith and possession and ownership of that which can never be taken from them – no, not in all eternity.

And so it is with man to choose and fix his destiny. Will that destiny be the perfect man or the *divine angel*?

I have finished and feel that you have received my message as I intended, and am pleased. I will not write more now, and with my love and blessings, will say goodnight.

21 Jun 1917

When the soul of a mortal prays in earnestness and with true longings, all the powers of all the spirits in the spiritual or Celestial Heavens cannot prevent that Love from responding to the prayers, and from making the longing soul free and at one, to a degree, with the Father.

**DIVINE LOVE FLOWING:**

P.21 by Joseph Babinsky book published in 2006

“How does Jesus teach that people receive Divine Love?”

“It is so simple it is almost too good to be true,” Sam answered (Joseph’s friend). “Jesus teaches (via the Padgett Messages) that all a person need do is begin to long for it in his soul or in his heart. Though prayers are suggested, words are not important. Preachers and priests or mediums of any kind are not required. They are unnecessary. This is an individual thing between God and each person. It is the Spirit of God Who brings the Divine Love. The Spirit is active everywhere and with everyone. His (Holy Spirit) influence is constantly present. I have a feeling that many receive the inflowing of Divine Love and do not even know it. It is tied in with a deep longing within the soul of a man or woman. It is not an intellectual thing; it does not involve joining this or that church. Rights words and right thoughts and dogma are non-essential. In fact, thoughts and beliefs often get in the way of the inflowing of Love.”

“Is this the same as human love?” I asked Sam.

“No, Joseph,” he answered. “Human or natural love is ours just by virtue of our birth into this physical existence. Divine Love is completely different. Human love is natural; it does not need to be acquired. Divine Love must be acquired; the individual must seek and ask for It. But, as I already said, this asking may merely be the silent and earnest longing of an individual’s heart.”

Divine Love is ... for this Love is indeed the very substance and essence of the Father. Divine Love is about identifying and making real the joining of your soul with the heart-sou of the Father.

**A PARABLE of DESIRE for GOD'S LOVE:**

web post 4 Dec 11

“You ask, ‘What must I do to develop my desire for God’s Love?’ The answer is easy to understand and to follow, for you do not need a highly developed mind in order to know the truth of how a soul receives the Father’s love in abundance.

“Solomon said that faith and prayer on the part of a person will bring love – the Divine Love – into the soul. This, he said, is the greatest truth. And also you have heard it said that the one and only way that a soul will receive God’s great love is the way of prayer and longing for its coming.

“In the prayer that our elder brother gave to his disciples we are taught that we are God’s highest and greatest creation – this of course, meaning our soul. But there are teachers who make you feel that you are unworthy to receive God’s love, and others who endeavour to have you believe that you are a sinner or even a depraved creature. Do not listen to such people. There is nothing in our soul or in all creation that separates us from God and His love. It is our Father’s desire that we receive His love and that we partake of it until the great change takes place in our soul.

“We are His children and we are invited to grow in our relationship with God to such a degree that we

will know that we are of the substance and qualities of His Great Soul. You may wonder how this happens.

“This happens when we continue without ceasing in the way of prayer and longing for the Divine Love. It is only we ourselves who will determine our destiny, and whether we shall become the completed creation of our soul. Our Father’s desire is that we will choose the course that leads to the divine angel, but He will never force us to make this decision. We remain His beloved children no matter what the choice is that we make.

“Thus, there is no ‘must’ in the answer to your question. It is simply the presence of a desire in your heart, and whether you will continue to follow your desire. Your desire brings the great love into your soul – bit by bit, drop by drop, and increment by increment. The process of change is gradual, and this is why we are urged by our Celestial friends never to faint, and never to cease trying.

“We are asked never to cease to realize that His love is waiting for each and every one of us; and when we come to God with faith and earnest aspirations, His Love will never be withheld from any one of us.

“The desire for God’s love may begin very small and be extremely weak, and we may even have unbelief. Nonetheless, if we will make the start, and what may appear to be a feeble start, I say to you that our Father will not turn a deaf ear to us. He hears our words but not our words only, for more than this, God feels the longings of our soul.

“Our soul – though with damage and injury – if we will go to God, we will experience healing. His love is the substance in our soul that will remove things from our soul that defile it and alienate us from Him. When we receive His love it will eradicate defilements, and with abundant love all such things will disappear. Love changes the essential quality of the soul, and is the only thing that will change the soul since its creation. With this love will come faith, and our faith will grow, and our longings will grow until we blossom into His loving children.

“Our Father in Heaven is all loving and merciful, and He smiles on us in all our weakness ... He never rejects us, turns a deaf ear to us, ignores us, criticizes us, scolds us and condemns us. He loves us and keeps on loving us no matter what we feel or don’t feel. His love is always waiting and ready to help us; and if you can accept this, He will even take us into His arms of Love.

“This is why I said to you when I began to answer your question, that you are blessed in that you have a desire to experience God’s love. When you continue to follow and to express the desire in your soul for God’s great love, you will be filled with it.

“Anyone who desires God’s love already has a small portion of it. Go, then, and be filled with it in abundance!”

When she heard these things, the woman went her way rejoicing, for her heart was filled with joy ...

**SOUL**  
Emotions  
Desires  
Passions  
Aspirations  
Intention  
Memories  
Free will

Soul condition is the sum total of all of the different emotions, desires, passions, etc., all wrapped up together in terms of how much love there is in every one of those.

Whilst we are receiving our Heavenly Parents' Divine Love, and that this Love is causing change within our soul and spirit attributes, the greatest Truth known to man and spirit is that this is the way our Mother and Father are actually loving us! When we progress, it is God's way of loving us into love and then we live what we are, love.

**You think your appearance reflects your soul condition, but in the spirit world, the mask is removed, and ... oh dear!**

**Note:** Following the writings of James Moncrief, one could consider that any reference to the Father, by other relevant writers, may be read as a reference to 'our Mother and Father'. Further, when considering soul healing, then reference to Divine Love could be referred to as 'Feeling Healing with Divine Love'.

It is our soul that is made in the likeness of our Creator. It is our soul that forms the features of our character. Our soul is our real self, not our physical or spirit body. Our spirit body, as it is for other creatures, is the physical body for the spirit world. We function through our soul whilst living this experience on this physical world.

When we are conceived, the embryo borrows from the life force of our parents. The attracted soul half then becomes the life force for us for our physical experience.

Anything with a central nervous system has a spirit body (birds, fish, animals, etc.), however these creatures do not receive a soul.

Your brain is within your physical body, your mind is within your spirit body, however your intelligence, memories, etc., are within your soul.

The five senses within your physical body are enhanced within your spirit body. Some people are sensitive to the enhanced and additional senses (total 13) within our spirit body. The senses within our soul are huge in number and are very much more capable.

The power of our soul influences all living life within its environment, thus many pets reflect the character of its owner.

You could liken the capabilities of the physical body with its five senses to that of a golf buggy.

The spirit body with its enhanced thirteen senses, which include the physical bodies five senses with greater capabilities, to that of a space shuttle. Sight of the spirit body is 360°, the speed it can travel is far greater than that of light, its communication is mainly by feeling, etc.

However, the soul has many, many senses and capabilities far beyond our comprehension, and where it can grow to in love and truth is that which only God knows. Your soul is the real you.

**Book of Truths by Joseph Babinsky  
“The Padgett Messages”**

I am here, Prof. Salyards –

Well, I am here as I agreed, and will endeavour to write you my thoughts on the subject, what may spirits know about the laws of the spirit world after they have been in that world for a short time.

As you know, I have been here for a comparatively short time, and while my studies have been to a considerable extent in the study of these laws, yet, I find that I have limited knowledge of the same, and much of my information has been gathered from other spirits who have lived here a great many years, and who have devoted their study and investigation to these laws.

Well, I want first to say that no spirit, by the mere fact of having shortly before made his advent to this world, has received any much greater knowledge than he had when on Earth.

My knowledge of spiritual laws when on Earth was not very extensive, and I found, when I came into the spirit world, that I did not know much more than I did before I came; and such is the experience of every spirit. But, as I continued to investigate these matters, I discovered that my capacity for learning was greatly increased, and that my mind was more plastic and received this knowledge more easily than when I was a mortal. This is largely due to the fact that the brain, I mean the mortal brain, is, when compared to what you might call the spirit brain, a thing of much inferior quality, and not so capable of learning the cause and effect of phenomena.

I am now undergoing a course of study that will, I have no doubt, give me wonderful information of these laws, so that ultimately I may become what you mortals might call a learned man.

**1. The first law of the spirit world:**

The first and, to me, the most important law that I have learned is that **man continues to live in the spirit world without his earthly body.** This great law, while to you and to many others is well known and is an established fact, yet, to me, was not known, as I had never had any experience in spiritualism and had never given any study to the subject.

When I arrived in the spirit world, I learned that this law is one of God’s truths, and that it is fixed and will never change, for all will survive the change of so-called death.

**2. Second law of the spirit world:**

The next great law that I learned is, that **no man can of his own power make his condition or position in the spirit world just what and where he would have it be.** This is another fixed truth, and one, which many spirits even, do not fully comprehend; for they think, or so express themselves, that all they have to do is to exercise a little will power and they can move from certain conditions. But this is not true, for the law controlling this matter never has any exceptions in its operations.

Man or spirit can, in a way, determine what his destiny may be, but when once fixed by this great power of will which God has conferred on man, he cannot by the exercise of that will change that fixed

condition until the laws of compensation have been satisfied; and even then the change is not brought about by the exercise of his will, but by the operation of the laws releasing him from memories and recollections which hold him to the conditions that his life has placed him in. So when men think that they, by the exercise of their own will, can release themselves from a condition which they have made for themselves, they are mistaken.

Many spirits here have this idea, and believe that if they only chose to exercise their vaunted will power, they could relieve themselves of their darkened condition and get into happier conditions. But strange, they never try this and the reason therefore is apparent. They could not if they tried, and will not try because they cannot. And yet they think that when they get ready, they will only have to exercise this will and the change will follow. No, this law is as fixed as any law of this great universe of God.

Of course, while man or spirit cannot by the exercise of his will change his condition, yet, in order to secure that change, the will has to be exercised, because the help which comes from without, and which is absolutely necessary to man, and which causes the change, and will not come unless man exercises the will in the way of desiring and asking for it.

So let not man think that he is his own saviour, because he is not; and if the help did not come from without, he would never be saved from the condition which he finds himself in, when he enters the spirit world. You hear in your spirit circles and read in the publications about spiritualism that progression is a law of the spirit world. Well that is true; but it does not mean that a spirit by the mere fact of being in the spirit world necessarily progresses, either mentally or spiritually, for this is not true. Many spirits who have been here for years are in no better condition than when they first became spirits.

All progression depends upon the help that comes from outside the mind or soul of man. Of course when this help comes, man has to cooperate, but without this help there would be nothing with which to cooperate, and no progress could possibly be made. Many of the spiritualists make this great mistake when they speak or write on this subject. But let them know, that if a man depends upon his own powers, exclusively, he will never progress. And this law does not apply only to the soul's progress, of which you have heard us speak so often, but to the progress of the mere mind, and also to what might be called the purely moral qualities. My observation, and my information from the other spirits that I have mentioned, confirms the truth of what I have said – man, of himself, cannot elevate himself either mentally or morally, and the sooner he learns that fact, the better for him.

### **3. Third law of the spirit world:**

Another law of the spirit world is that **when a spirit once commences to progress, that progress increases in geometrical progression, as we used to say when teaching on Earth.**

Just as soon as the light breaks into a man's soul or mind, and he commences to see that there is a way for him to reach higher things, and make greater expansion of either his mind or soul, he will find that his desire to progress will increase as that progression continues, and with that desire will come help in such abundance that it will be limited only by the desire of the spirit. His will then becomes a great force in his success in progressing and working in conjunction with the help that calls it into operation. It becomes a wonderful thing of power and irresistible force.

This progression may be illustrated by the history of the snowball, which started rolling from the top of a hill. As it continues its descent; not only does its velocity increase, but it continually enlarges its form and body by the outside snow attaching itself to the ball. So with the mind or soul of a spirit: as it ascends, it not only becomes more rapid in its flight, but it meets this outside help that I speak of, which help attaches itself to the spirit, and, as it were, becomes a part of it.

So you see that the great problem is to make the start; and this principle will apply to mortals as well as to spirits, because, if the start be made on Earth, the mere fact of becoming a spirit will not halt or in any way interfere with the progress of the soul of that spirit. Of course, this means that a correct start be made. If the start be a false one or based on things other than the truth, instead of progress continuing when the man becomes a spirit, there may have to be a retracing of the way, and a new start made, in order to get on the right road.

And this applies to the progress of the mind as well as to the progress of the soul. The mind of a mortal learns many things which seem to that mind to be the truth, and which, in its opinion, must lead to progress and greater knowledge. But when the Earth life gives place to the spirit life, that mind may find that its basis of knowledge was all wrong, and that to continue in the way that it had been moving would lead to increased error; and consequently, a new start must be made. And frequently, the retracing of that mind over the course that it had followed, and the elimination of errors that it had embraced, is more difficult and takes a longer time to accomplish, than the learning of the truth does after the mind makes its correct start.

So sometimes the mind of great learning (according to the standards of earthly learning) is more harmful, and retards more the progress of that man in the ways and acquirements of truth, than does the mind that is, as you might say, a blank; that is, without preconceived ideas of what the truth is on a particular subject.

This unfortunate experience exists to a greater extent in matters pertaining to religion than to any other matters, because the ideas and convictions which are taught and possessed of these religious matters affect innumerable more mortals than do ideas and convictions in reference to any other matters.

A spirit who is filled with these erroneous beliefs, that may have been taught him from his mortal childhood, and fostered and fed upon by him until he becomes a spirit, is, of all the inhabitants of this world, the most difficult to teach and convince of the truths pertaining to religious matters. It is much easier to teach the agnostic, or even the infidel, of these truths, than the hide-bound believer in the dogmas and creeds of the church. So, I say, let the minds of mortals be opened to the teachings of the truth, and even if they are convinced that what they believe is the truth, yet let not that belief stand in the way of them being able to see the truth, when it actually is presented to them.

#### **4. Fourth law of the spirit world:**

Another law is that **not all who know that life in the spirit world is continuous are certain that continuous life means immortality.** I mean by this, that the mere fact of living as a spirit does not of itself prove that such spirit is immortal. This is a subject that spirits discuss as much as do mortals, and it is just as much a question of uncertainty, as is the Immortality of the soul as taught among mortals, now and for all ages past.

While men know that the death of the body does not mean the death of the spirit, and that such spirit, which is the real man, continues to live with all its qualities of a spiritual nature, yet there has never been any proof presented to man that that spirit will live for all eternity, or, in other words, that it is immortal.

I say this, because I have read the histories and beliefs of most of the civilized, and some not called civilized, nations of the world. And I was not able to find in all my readings that it was ever demonstrated that man is immortal. Of course, many pagan and sacred writers taught this, but their statements were all based on belief and nothing more; and, so I say, immortality has never to mortals become demonstrated as a fact.

In the spirit world, the spirits of not only the lower spheres, but those of the higher intellectual or moral spheres, are still debating the question among themselves. I am informed that there are some who lived on Earth many centuries ago, and who have become exceedingly wise and learned in the knowledge of the laws of the universe, and have become so free from the sins and errors of their Earth life that they may be called perfect men, and yet they do not know that they are immortal. Many of them think that they are just such men or spirits as were they who were represented by Adam and Eve (Aman and Amon); they know not that they are any less liable to death than were the ones just mentioned. And hence immortality is a thing which may or may not exist for spirits as well as for mortals.

I know that many of your spiritualist friends on Earth claim that the mere fact that spiritualism has demonstrated the continuity of life, establishes the fact of immortality. But a few moments consideration will show you the falsity of this reasoning.

Change is the law eternal, both on Earth and in the spirit world, and nothing exists the same for any length of time; and in the succession of these changes, how can it be said that in the future, far or near, changes may not come by which the existence of the spirit – the ego of man – may be ended, and that ego take some other form or enter into some other condition, so that it will not be the same ego, and not the same spirit which is now living as a demonstration of the continuity of life? And so, many spirits, as well as mortals, do not know what is necessary to obtain, to have the certain knowledge of immortality.

But many other spirits know that there is an immortality for spirits who choose to seek that immortality in the way that God in his great wisdom and providence has provided. I will not discuss this phase of Immortality now, but will at some later time. (Seeking and receiving Divine Love.)

##### **5. Fifth law of the spirit world:**

There is another law, which enables spirits to become, by the mere operation of their natural affections and loves, pure and free from the consequences and evils of their mortal lives, and again become perfect, like the first parents before the fall.

This does not mean that the **Law of Compensation** does not operate to the fullest, and that it does not demand the last farthing, because such is the exactness in the operation of this law, that no spirit is released from its penalties, until he has satisfied the law.

As you believe, and as many other mortals believe, a man's punishment for the sins committed by him

on Earth are inflicted by his conscience and memories. There is no special punishment inflicted by God on any particular man, but the law of punishment operates alike on every man. If the facts that bring that punishment into operation are the same, that punishment will be the same, no matter whether the object of its infliction be the same or different persons. So you see, it cannot be escaped, on any ground of special dispensation, so long as the facts which call for its operation exist, and the conscience and memories of the spirit realize these facts.

When a spirit first enters the spirit life it does not necessarily feel the scourging of these memories, and this is the reason why you will so often hear the spirit, who has so recently left his mortal life, assure his friends or sorrowing relatives at the public séances that he is very happy, and wouldn't be again in the Earth life, and similar assurances. But after a little while, memory commences to work, as the soul is awakened, and then never ceases until the penalties are paid. I don't mean that the spirit is, necessarily, continuously in a condition of torment, but substantially that, and relief does not come until these memories cease their awful lashings. Some spirits live here a great number of years before they receive this relief; while others more quickly obtain it.

The greatest cause which operates to relieve these spirits of these memories is love. I now mean the natural love; and this love embraces many qualities, such as remorse and sorrow, and the desire to make amends for injuries done, etc. Until a spirit's love is awakened, none of these feelings come to him. He cannot possibly feel remorse or regret or the desire to atone, until love, no matter how slight, comes into his heart. He may not realize just what the cause of these feelings may be, but it is love just the same.

Well, as these various feelings operate, and he acts in accordance with them, a memory here and there will leave him, never to return; and as these memories in turn leave him, his sufferings become less, and after awhile, when they have all left him, he becomes free from the law, and it, as to him, becomes extinct. But it must not be understood that this is a work of quick operation, for it may be years – long, weary years of suffering – before he becomes thus free and once more a spirit without sin or these memories. This is the way the great law of compensation is satisfied; it cannot be avoided, but all its demands must be met, until sin and error are eradicated, and the soul returned to a pure state.

But this gradual release from these penalties does not mean that a spirit is progressing in his journey to the higher and brighter spheres; because even without this torture and torment, he may still remain stationary as to the development of his higher nature, mental and moral. But when he has been relieved of these sufferings, he is then in a condition to start towards the progression that I have spoken of.

As you are tired, I will continue the balance of my discourse when I write again.

Book of Truths by Joseph Babinsky  
 “The Padgett Messages”

I am here, Prof. Salyards –

Yes, and I am very much pleased that you have, and that you are in such good condition to write tonight. Well, I desire to continue my discourse on the laws of the spirit world, as known to many spirits.

**6. Sixth law of the spirit world:**

The next law is **that no matter how much knowledge of material things and of purely physical laws a man may have acquired on Earth, his knowledge is not sufficient to fit him for the higher things of the spirit life.**

Many men think that because they have this great knowledge of the material universe, they need not attempt to learn the laws which control the operations of spirit life, or the laws which determine the position and development of that part of man commonly known as the soul.

This is a very great mistake, and all human beings, sooner or later, will realize the necessity of learning these more important laws of the soul development, and of the spiritual part of man. I never, while on Earth, attempted to investigate these laws, and consequently, when I came into the spirit world, I was as a new born babe in my understanding of these laws; and so will all humans be who have neglected the investigation and study of these laws, as I did.

I would, therefore, advise every man to give his best endeavour to the study of these laws, and especially that part of them which deals more particularly with the soul’s development and progress towards the greatest happiness. These laws are set forth and declared to a very large extent in the New Testament, and in some parts of the Old are many suggestions as to what a man should do to save his soul from death (and by this I mean the death that comes with neglecting to exercise all the qualities of the soul that a man is capable of exercising, when in the mortal life). A man may let his faculties of mind die by neglecting to feed them the proper mental food, and so with the soul. Of course, the soul never dies, as far as known, in the sense of absolute destruction and disintegration, but it can get into such a state of inertia or lethargy that, so far as it is a part of the activities of man, it may as well be dead.

I don’t mean to say that the mere neglect to exercise these soul faculties will cause a man’s soul to remain dead forever, for that is not so. Sooner or later, either in the mortal life or in the spirit life, this soul will have an awakening, but that awakening may be delayed for many years, and even centuries, and, in its highest sense, it may never have an awakening. So let men know the importance of studying and applying these spiritual laws to their own selves while mortals, and when they come to be spirits, they will find what a great advantage to their progression and happiness such study and application have proved to be.

**7. Seventh law of the spirit world:**

There is another law of the spirit world that is of vital importance to those in the mortal life, and one which they can learn, and that is that **no man can of himself save himself from the penalties of the law of compensation.** I have written about this before, but it is of such vast importance, and affects all human beings to such an extent, that I feel justified in saying something more on the subject.

This law of compensation is as fixed as any of God's laws, and cannot be avoided under any condition or circumstances – except one, and that is the redemption of a man's soul by the love of the Father entering into it, and making it at-one with His own, and like His in all the qualities that partake of the divine essence. (Seeking and receiving Divine Love.)

I know that many men do not believe that there can be any forgiveness of sin, because they say it is impossible to make clean, in a moment, the soul of a man that has been steeped in everything vile and sinful while living the life of a mortal. Well, this I believe to be true, and I do not think any of our greatest teachers of these highest truths attempt to declare the doctrine of instantaneous cleansing of a vile and sinful soul; at least, that is not the doctrine taught by the greatest of all teachers, the man of Nazareth, whom I sometimes see and converse with; and he, I believe, knows more of the laws governing the salvation of men, than any other or all other teachers combined.

His teaching here is that while a soul is not instantaneously cleansed by receiving a portion of the Divine Love, as we have heretofore explained it to you, yet the inflowing of such love into the soul of a man starts him into the way of right thinking, and causes him to realize that his soul is open to the influence of this Divine Love. So mortals, as well as spirits, may receive this awakening of divine grace, to a very large extent, as soon as they realize that this love is the only thing that will remove the penalties of this law of compensation.

I do not believe that immediately after the sinner feels this love coming into his soul, he becomes a saint and at once gets rid of his evil nature, for that can hardly be. Such an instantaneous cleansing would scarcely serve the purpose for which the work of this redemptive love is intended.

Some persons seem to be able to receive more of this love in a short time than do others, and, consequently, their complete redemption is more quickly accomplished. But to me – and I have experienced the inflowing of this love, and its effect upon my sinful nature, and upon my recollections of the deeds of my Earth life which call into operation this law of compensation – there does not seem to be any probability of an instantaneous cleansing of the soul, so that a man suddenly becomes fitted to live in the Celestial heavens, where the Father's love, in all its purity and completeness exists.

I know it is taught by many preachers, and it is also the dogma of some churches that the blood of Jesus cleanses from all sin (and that, in the twinkling of an eye), but you must not believe this, for it is not true. The blood of Jesus was spilled many centuries ago, and is now become a part of other elements of the natural world, and cannot save anyone. And I go further and say, as Jesus has taught me, that his blood never had any efficacy in saving anyone. He never taught that his blood could do any such thing, or that the shedding of his blood was in any sense, the means of saving a soul.

He is not now teaching any such doctrine, and is disappointed that those who lead the masses of mankind should teach any such doctrine, because it takes their attention away from the one and vital principle which is necessary to their salvation. And that is the new birth, which means merely the flowing into a man's soul and becoming a part of it, of the Divine Love of the Father. It does not come to a man because the blood of Jesus was a sacrifice, to appease the wrath and requirements of the Father, or because of any vicarious suffering of Jesus.

But to return to this law of compensation; no man by his own exertions can save himself from the operations of this law, and he, so long as he has this idea of depending on his own powers, will have to pay the penalties. Of course, as he pays these penalties, he progresses nearer and nearer to a time and condition when the law will cease to operate upon him, and he will become comparatively happy; but such payment may require long years of suffering and unhappiness.

So, I say, let man know that for every act and deed and for not doing what he should have done, he will have to answer the law. I do not mean by this repetition to cause men to think that I delight in showing them that they will have to suffer and live in darkness for a time uncertain, for I do not take any pleasure in calling their attention to this great law, and the certainty of its operations. Rather I do this to help men to avoid these sufferings and unhappiness, by seeking the love of the Father while on Earth, because, from my observations, I believe that it can be found more easily while in the flesh, than after a man becomes a spirit.

#### **8. Eighth law of the spirit world:**

Another law of the spirit world is that every **human being of one sex has, on Earth or in the spirit world, one of the opposite sex who is his soulmate.** The importance of this provision of the Father for the happiness of humans and spirits, has never been fully understood by those who have not with certainty met and recognized their soulmates.

I know that on Earth men have claimed that certain of the opposite sex were their affinities, and with such claims as an excuse, have done much wrong and sin.

But the soulmate is not an affinity which may be suggested by the passions or desires, but is one provided by the grace and love of the Father to live with the other soulmate through all eternity. Before they took on the form of flesh, they were united, and when, in accordance with God's plan, they separated and became mortals, they became no less soulmates, although they may not recollect their former unity or relationship while living the mortal life. But as certain as God lives, these two soulmates, at some time, after they become spirits, will learn their true relationship to each other, and will, if nothing insurmountable intervenes, come together again in true union and happiness.

The mere fact that a certain man and a certain woman are husband and wife on Earth does not mean that they will live together as husband and wife through all eternity. If they are soulmates, they may, but if they are not, they will certainly separate after they enter the spirit world. That true relationship cannot be hidden here, and no mere form of relationship of husband and wife will suffice to keep the persons together.

The great truth of soulmates is one which needs further elucidation, and one which I will try hereafter to explain more fully. But for now it is sufficient to say that every man born of woman has his soulmate, either on Earth or in the spirit world, and vice versa.

**LACK of SELF- LOVE:**

- A composite of:
- lack of self-worth
  - lack of self-acceptance
  - arrogance and pride
  - self-loath and hatred
  - lack of self-awareness.

Why one has imperfection in their natural love is due to an extension of one of these traits, and all these traits relate back to one single finite Truth, which in its cause is a lack of self-love. The lack of self-love to one's self is the cause, the root cause, on why there is so much fear within individuals, the human world and the lowest spheres in the spirit world. The individual will have a memory that describes how this lack of self-love appears and many people deny this existence of the lack of self-love within themselves because it hurts too much to see it.

Strive to love others as I am to love myself

## LIVE FEELINGS FIRST

Our perfect soul is founded on natural love. Our soul may become encased / encrusted in error bringing about lack of self love. To dissolve the errors encrusting our perfect soul is by growing in truth through the ongoing healing of one's negative state, by doing our Feeling-Healing of our toxic emotions. By ending our feeling denial and healing any personality expression denial we have.

The Mother and Father's Divine Love will slowly strengthen our resolve to perfect one's own natural love, should we address such errors. Slowly but surely, with the Divine Love, our soul's condition will grow and grow. With the Love this will fit one to enter the Celestial Heavens, and beyond, being in the love of all that surpasses man's imagination. Try the experiment.

I ♥  
ME

**GOD's Divine Love is always available to you, should you ask for it:**

“Our soul is a container and if it is full of error that it must be willing to empty before it can receive something new. Revelation is to shed light on the errors and the hidden agendas to demolish the castle of pain, renovating the space in readiness for the transformation of Divine Love. We won't grow in love until we are willing to surrender our pride and be the emotional being God created.”

This misunderstanding noted above is common.

The misunderstanding arises from a limited understanding of unconditional love (God's love). This leads us into focussing on our errors and seeking love as a result or consequence of elimination of errors.

The very nature of love is nurture. Love cannot exist without the effect of nurturing. This is what Motherhood is all about. This is why love is so powerful and must always be the primary objective; not removal of error. To focus on error does not produce the joyful experience one should feel as we move towards a greater understanding of love. Always the focus should be on love, because in truth there is nothing else.

As we focus on love, (with humility) our errors start to stand out so obviously and they become easier to remove. The whole process becomes joyful.

To take it a step further, once we focus on love, we may start to understand that in reality we have a somewhat limited 'free will'. The increased love we experience more and more reveals the errors to us and we have no option but to see and remove them. However, in truth we are only love, which has been sullied by the illusion of error. When we start with the premise that we are truly just love, we can only approach the unloving aspects (illusions) from the viewpoint of love. The approach many suggest is to give the error reality, which it hasn't, and then try to proceed to love from a starting point of error. This cannot be a suitable foundation to try to grow from. It is in truth, absolutely no foundation what so ever.

Encourage friends who may be interested to try this experiment: Before dropping off to sleep in your comfortable bed, lie prostrate facing the ceiling and ask for the love of God – God's Divine Love to flow into you. The most common response has been that they were overwhelmed with the feeling of warm, fulfilling joy that filled their being.

(2018.1) <sup>188:5.2</sup> **Divine Love does not merely forgive wrongs; it absorbs and actually destroys them. The forgiveness of love utterly transcends the forgiveness of mercy. Mercy sets the guilt of evil-doing to one side; but love destroys forever the sin and all weakness resulting there from.** Jesus of Nazareth brought a new method of living to Urantia (Earth). He taught us not to resist evil but to find through God a goodness which effectually destroys evil. The forgiveness of God is not condonation; it is salvation from condemnation. Salvation does not slight wrongs; it *makes them right*. **True love does not compromise nor condone hate; it destroys it.** (The Urantia Book)

(2018.2) <sup>188:5.3</sup> **The beauty of Divine Love, once fully admitted to the human heart, forever destroys the charm of sin and the power of evil.** (The Urantia Book)

## **The Only Prayer That Man Need Offer to the Father:**

(as given within the first century)  
I am here, Jesus

**The Prayer for Divine Love**

2 Dec 1916

<http://www.youtube.com/watch?v=Pg6p3rivAZw>

**P.438 Book of Truths through James Padgett / Jesus**

Let your prayer be as follows:

**Our Father, who art in heaven, we recognize that You are all Holy and loving and merciful, and that we are Your children, and not the subservient, sinful and depraved creatures that our teachers of old would have us believe. That we are the greatest of Your creation, and the most wonderful of all Your handiworks, and the objects of Your great soul's love and Tenderest care.**

**That Your will is that we become at one with You, and partake of Your great love which You have bestowed upon us through Your mercy and desire that we become, in truth, Your children, through love, and not through the sacrifice and death of any one of Your creatures.**

**We pray that You will open up our souls to the inflowing of Your love, and that then may come Your Holy Spirit to bring into our souls this, Your love in great abundance, until our souls shall be transformed into the very essence of Yourself; and that there may come to us faith--such faith as will cause us to realize that we are truly Your children and one with You in very substance and not in image only.**

**Let us have such faith as will cause us to know that You are our Father, and the bestower of every good and perfect gift, and that only we, ourselves, can prevent Your love changing us from the mortal to the immortal.**

**Let us never cease to realize that Your love is waiting for each and all of us, and that when we come to You, in faith and earnest aspiration, Your love will never be with-held from us.**

**Keep us in the shadow of Your love every hour and moment of our lives, and help us to overcome all temptations of the flesh, and the influence of the powers of the evil ones, which so constantly surround us and endeavour to turn our thoughts away from You to the pleasures and allurements of this world.**

**We thank You for Your love and the privilege of receiving it, and we believe that You are our Father --the loving Father who smiles upon us in our weakness, and is always ready to help us and take us to Your arms of love.**

**We pray this with all the earnestness and longings of our souls, and trusting in Your love, give You all the glory and honour and love that our finite souls can give.**

**Amen**

Note: The 'false teachers' are our parents, as they are also the 'evil ones'. Also, the evil ones, being those parts of one's mind, that are controlling you.

## Prayers to our Mother and Father

From 'Religion of Feelings' by James Moncrief

**Please Mother and Father** help me accept my untrue state and bring up all my repressed feelings so I can see the full truth of why I feel so unloved and all that's wrong with me.

**Please Mother and Father** help me see the truth of myself through my feelings.

**Please my beloved Heavenly Parents**, fill my soul with Your Divine Love. I long for Your Divine Love; please answer my prayer and yearning to be at-one with You and do Your Will by living true to myself and all my feelings. Please fill my heart and soul with Your Divine Love – please make my soul like Yours – Divine.

**Please Mother and Father**, I want to uncover the whole truth of myself through my feelings. I want to be able to feel and accept just how bad I am, how bad I feel I am, how bad I've been in my life. I want to know the whole ugly truth of myself, see it and feel it and understand how I came to be it. Please reveal to me through my feelings all the truth of myself You want me to see. I want to be as You want me to be; I want to be true and perfect, Healed of all my rebelliousness and self- and feeling-denial; I want to be good, loving, true and happy, please help me become true to myself, true to my soul, true to You.

**Please Mother and Father help me**, I'm in such bad pain, I feel so alone, so miserable, so scared, what's going to become of me, I don't understand, what's the point of me, why have You made me; please help me see the truth of myself – all the truths of myself, nature, how to be in the world, of You both. I want to know, I want to know it all through my feelings, all that there is to see, the whole truth and nothing but the truth. Please help all my pain come to the surface of me so I can embrace and accept and express it out of me. I want to use my feelings to uncover the truth they are to show me; please help me to do that.

**Please Mother and Father love me**. I want You to love me. I want to feel fully loved by You. I don't want anything else, only to be with You. Please, that is all I am asking.

**Please make me feel how unloving I am**. Please show me the horrible truth that I am. I want to see and feel and understand the worst of me, please take me into my darkest scariest ugliest unwanted rejected places within myself. I don't want to feel all the dreadful pain that I know is there locked away inside me, yet I do also want it all to come up and out of me, and I want to use it to see the truth of my wrongness, the truth of how evil I am, the truth of my fucked up state. I no longer want to be false, pretending I am okay, using my mind to make me falsely believe I am good, happy, loved and loving, when I know I'm not. For how can I be when You've brought me into my unloving state, making me be of it. And as You want me to experience being this negative way, please show me the whole truth of it. I no longer want to deny any part of myself, or any of my bad feelings. I want them all to come up so I can express them, emoting their pain, feeling how bad You've made me feel all my life and all through my early life; I want to see why, and so reveal all the truth to myself. I want to be the living truth of myself, living true to my feelings and the truth they give rise to. Please help me to do my Healing, and please fill my soul with Your Divine Love.

The mind way is the 'dead' way; the feelings way is the 'alive' way.

### Examples of some prayers to God:

From 'Feeling Healing' by James Moncrief

**Please God** show me the truth of myself through my feelings.

Please help me see the truth about myself You want me to see.

And please help me feel all my repressed pain; please bring up all my bad feelings so I can express them and see what it is they are to show me about myself, my life, and You.

And please help me work through my blocks, I want to Heal myself, I want to become true to myself and true to my feelings and true to You – please help me do that.

**Heavenly Mother and Father**, I feel so bad, and I know I'm doing it to myself, but I can't help it. I can't stop my compulsive addictions, so will you please bring up the buried feelings in me and show me the reasons why I can't stop. Please! I want to know – I REALLY WANT TO KNOW why I do them. Please help me Mother and Father to uncover the truth of myself. Please, I beg you, please, please, please show me the truth of them so I can give them up. I hate feeling bad, yet I know I must so I can keep expressing my bad feelings to see the truth You want me to see, so please help me feel bad.

**Please Mother and Father** fill my heart and soul with Your Divine Love. Please give me Your Love. Please love me and make me feel loved by You. I want to feel You close to me, I want You to hold me, make me feel loved by You. I only want You and to do Your Will. Please help me bring up all my repressed feelings so I can express them and uncover their truth. Please help me do my Healing. Please give me Your Love.

**I hate you Mother and Father**; why have You given me such a shit awful life? I hate myself, I hate You, I hate everything about my life. I feel so bad all the time. I've expressed so many bad feelings and still I feel bad. It's not fair, it's not fair what You've done to me. I hate You! And I want You to help me Heal myself, so I can stop feeling bad. You put me in the shit for whatever reasons, and I want You now to help me get out of it and show me what it's all been about. Please help me to Heal myself so I no longer hate You.

**I long for Your Divine Love** Mother and Father. Please fill my soul with it. And please help me uncover the truth of myself through my feelings. I want to see it all! And please make it all end, I'm so tired of always feeling so bad, please take all my bad feelings away by making me feel them and showing me the truth I am to see.

**LOVE**

**Feelings First Spirituality, The New Way**

*Feelings First Spirituality, The New Way* is a contemporary ‘religion’ based on living true to yourself through your feelings. Understanding that all you need in life is contained within your soul and is shown to you through your feelings. And by loving your feelings, by attending to them properly (talking or writing them out of you) and not denying them, you can use them to uncover the truth of yourself – the truth of your soul.

*Feelings First Spirituality* is not a formalised religion that tells you how to be, that is too controlling and is actually bad for you, limiting your spiritual growth. You can be wholly self-revealing of the truths you need to be, being the person God created you to be, all by living true to your feelings.

*Feelings First Spirituality* has no formal structure because we understand we don't need one, our soul contains within it all the truth of our spiritual ascent. If we look to our feelings for the truth they want us to see about ourselves, nature and God, then what more do we need! Our true spiritual path is the path our feelings will lead us down, that is, provided we allow them to. This is the most spiritual we can be.

**Living the New Way of Feelings First Spirituality**

You come to the understanding from your life experiences that how you are is not right, it doesn't make you feel good – that you are wrong in some way. And you want to change yourself, you want to become right, true and perfect – you want to be like God is.

*And to do this you need to do your Healing*

Your Feeling-Healing is looking to your feelings for the truth of yourself, the truth being hidden in many of the feelings you are not wanting to face in life. So you have to end your feeling denial, accepting all your bad feelings (and good ones), express them (yet not necessarily acting upon them), whilst longing to uncover the truth they are to show you.

Or, you can do your Soul-Healing, which is your Feeling-Healing together with including longing directly to God for God's Divine Love. When you receive the Divine Love into your soul, it will cause your soul to become divine, and it will deepen your personal relationship with God. Long with all your heart to God for God's Divine Love.

## **Feelings First Spirituality** **The New Way**

**By living true to ourselves, true to our feelings, we are living true to God. It's that simple.**

# FEEL *for* TRUTH

The beauty of it all, is the truth comes to you through your own feelings. You don't need to be told it by anyone. You can work it all out for yourself. We are self-revealing of truth, it's how God created us to be, and by being it we'll feel the happiest we can feel. Truth is our great comforter, so when you feel it come up within you, ah it feels so good and you feel just right – perfect!

We know only how to deny feelings, now we can get to know how to accept them. And always with the truth being the most important part.

## FEELING TRUTH

If you don't want to uncover the truth of your feelings, then you can keep on expressing them forever but you will never fully heal yourself. Seeing the truth results in the Healing. And to see the truth you need to express all the pain out of you. The two things go hand in hand.

You can accept and express your bad feelings, letting off steam all day long, yet nothing will heal and nothing much will come of it. So this is where wanting your feelings to show you the truth of why you're feeling as you are is so important.

Don't go fishing with your mind, that will shut the truth out from rising up for you. **KEEP YOUR MIND OUT OF IT.** It's a feeling thing, doing your Feeling-Healing. (This is where we erred previously, and this how other modalities are in error.)

You long when you can, then stop longing and keep expressing. And at some point, and it might not even happen immediately, it might happen after days or weeks of expressing the same bad feelings, truth will come to you. And it does, it just comes up suddenly into your consciousness. You just know. You see the picture and you feel it's true. And you know it's true. And THEN your mind can come in and start sorting it out and putting in context.

It's the Truth that we are seeking. It's the End Point. The Reason for doing your Healing. You are to see the whole Truth of yourself. And to begin with, that's the whole truth of your unloving self, of your wrongness, of your evilness, of why you are as you are in your negative unloving mind-controlling state. To be able to fully accept yourself as you are, warts and all. To not fight or resist or try and change yourself, just to accept all you feel and all the truth of all those bad feelings you feel about yourself. And when you do, so you will be healed. You CAN'T heal yourself unless you uncover the truth of your pain, suffering and so the truth of all your bad feelings.

Through our Feeling-Healing we long for the truth of what we're feeling whenever we can. So as often as you can. You want, and REALLY WANT WITH ALL YOUR BEING, ALL YOUR WILL, to know why you are feeling bad. You yearn, want, long and beg and beg and BEG God to show you the truth of yourself through your feelings. So when you are expressing your bad feelings you can stop and long for the truth to show you what's going on, why do you feel so bad, and you can do it any time you think of it or feel to do it.

Notes from 'Feeling Healing' by James Moncrief

Heartfelt TRUTH

To liberate one's real self, one's will, being one's soul, is by embracing Feeling Healing so to clear emotional injuries and errors. With the Divine Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

**Our salvation IS by embracing Feeling Healing with the Divine Love.**

**God's Divine Love: Pray for it, ask for it, and receive it.**

**Please Mother and Father, may I receive Your LOVE.**

**“Every day is a day of devotion.”**

**Follow your heart, follow your love and do that in loving action, your inner love leads in your asking the Soul of God to receive a little of the Love to strengthen one's resolve to heal.**

**“I love you Father.” “Let the Divine Love proclaim its energy into my soul.”**

**“Mother – Father, I desire your Love and I am loving you.”**

**“Soul God, I love you and I love receiving and experiencing your Divine Love.”**

**“True Soul God, I am here, I am aware of your Love. Please hear my aspiration for your Love and as I approach you from my soul, I can feel your Love in the way that you are loving my soul.”**

**Try it; give the Feeling Healing and Love a go! If you want to shine, receive the Love.**

**One can simply receive the Love without following any religious or spiritual teaching taught by man!**

**Emotional errors and injuries cause encrustment around the soul, the soul is never damaged however, the encrustments retard love energy flow to and from the soul. Feeling Healing melts such injuries.**

#### **Three Great Truths:**

- **God is Soul, being our Heavenly Mother and Father;**
- **that each individual soul is a duplex – both male and female;**
- **and Feeling Healing with Divine Love is the pathway to Paradise.**

### MODERN MEDICINE IGNORES OUR SUBTLE BODIES:

It is the injuries to our subtle bodies caused by our wayward mind that bring about the manifestation of mild discomfort, then acute pain within our physical body, and ultimately the illnesses and diseases that we then seek medical assistance to suppress. Modern medical systems do not address the cause of such illness. Ask yourself, when was the last time that a medical professional told you what the underlying cause of an illness was?

The auric field, that some can see, is the template for our physical body. Childhood Repression brings about energy flow blockages, being stuck and frozen emotional injuries, which then retard the flow of energies within our physical bodies. Modern medicine ignores this reality. The result is that treatments provided are only temporary as the underlying injury remains within our subtle bodies.

We have other bodies that are just as real as the physical body, they are all connected, if we have a problem within these subtle bodies, such problems most likely will manifest on the physical, so why not attend to it utilising a healers help on these subtle levels thereby helping yourself on the physical.

Example, our genes are multi-layered. Our genes are not only part of our physical being but are far reaching. They are:

- on the physical level
- on the emotional level
- on the mental level
- on the psychic level
- on the spiritual level.

We need to understand our **genes are not just physical, but on all levels.**

In fact our issues and illness that we recognise within the physical body are on all levels.

Only by one engaging in the process of Feeling Healing can one delve down into the core emotional issues originating from our childhood, being in the form of childhood repression and suppression, that we can then express and release such injuries and bring about permanent health to our physical body. The process of Feeling Healing is the only way to remove the underlying cause of physical illness and discomfort.

## MEDICAL PROCEDURES and RESEARCH

### Sometimes You Can Find a Needle in a Hay Stack!

While traditional allopathy medical research focuses only upon the physical body to resolve illness events and health issues, they continue to be like blindfolded mechanics endeavouring to repair motor vehicles.

The physical body is animated by the spirit body, and in turn the spirit body is animated by your soul. The spirit body is of much finer substance than the physical body, and the soul is of an even finer substance, hence research technology in the physical world cannot comprehend these bodies.

Your spirit body and soul are homes for your emotional injuries and errors. These emotional issues create fissures and damage within your spirit body. Subsequently the injuries within your spirit body generate illness within your physical body, at the corresponding location as in the spirit body.

Illness is generated by your soul, however, healing is also generated by your soul. Releasing the emotional injury in your soul heals the physical.

**“All dis-ease is mind generated, and all healing is generated by the love energy of one’s soul.”**

The Ego (mind based) manifests illness; the lower one’s level of consciousness (soul condition) then the more prevalent will be illness. Below the levels of 200, the ego and fear of the mind dominate; however, as you raise your level of consciousness by growing in love and achieve a level of 500 or higher, you begin to transcend ego dominance. At the level of 600, all healing is possible.

An earnest longing for God’s Divine Love is the only way to transform one’s soul. This longing is severely retarded and the reception of God’s love impaired whilst one’s soul is dominated by erroneous beliefs which are in the form of negative emotions. The releasing of and clearing of these emotions are essential to progress from the lowest levels of the 1<sup>st</sup> sphere and also to progress through the 2<sup>nd</sup> sphere. It is Feeling Healing with Divine Love that one progresses through the Divine Love mansion worlds 3, 5 and 7 and enters the Heavens.

261. *Jude on Life*

17 – 18 January 2013

Hello and good morning. I am one who studies the mind and how it works. It has been my observation that as the Divine Love transforms the spirit body, the mind adjunct of the personality is also transformed. As an attribute the mind is concluded in its definition, form, and image like any other spirit body sense and attribute. Each aspect of the spirit body senses and attributes are organised in their proper place according to the forming of the principle-mind attribute that acts as the premier consciousness in the individual. There are detailed workings as to how the total consciousness of the life that is human and mortal is organised in the spirit body, and like the human brain, the spirit organ that acts as the spirit-brain is located in the head of the form of the spirit body.

This organ in the spirit body is *spirit energy* that has solid form and acts just like the human brain only this attribute can vary as the conditions of the soul and the spirit body change. Our environments are spirit-energy-material sensitive and so the forming of the spirit-brain, as I call it, forms so that one can immediately begin to identify with the new spirit surroundings when one enters the spirit world as a newly arrived spirit. In most circumstances the personality has already had time to develop and so the spirit body and its systems have developed accordingly during a person's human life.

When a person commences a spirit life, human experience is already a known thing to the individual. Obviously some individuals enter the spirit world in their infancy or have such involuntary disabilities that may impede cognitive experience and human awareness so that experience has condition to it. In all variations of human diversity, the adjustment phase upon one's entrance into the spirit world is the critical period of transition. The senses and attributes in the spirit body become active when the personality moves from their physical life and the conditions of the human body no longer dominate the personality, or the personality no longer dominates the human body.

An example that I choose to give is a common one: the person has memories along with active physical senses in the physical body. Suddenly as if no time has passed at all, and a human death has occurred and transition happens, the individual in their spirit life still has their memories and the experience of their physical senses and attributes except now the location of their life has changed and these attributes have changed location now functioning in a spirit body and not solely in a physical body. The personality with all its attribute has changed environments. The human body and the organic environment of Earth have been exchanged for the spirit body and the spirit environments of the Sphere. The spirit body takes over the personality, for it is in control now. This needs to be, for the personality and attributes of soul that forms part of the personality in order to survive physical death.

The spirit body commences its forming as soon as the soul incarnates at the time of a human conception. The spirit body and its systems have already been part of the personality during a person's physical life and so, when one is living in the spirit world these systems need not be created for the systems of the spirit body have already been originated in their potential and form for spirit living, when the soul incarnated and began life in the physical body. Even when the human is without any awareness of the spirit body, these systems are primed and ready and functioning so that the personality and its attributes of experience relate with the spirit body and are fit for survival after physical death.

Once one adjusts through these early stages of spirit living, the personality is integrated into the spirit body and these new spirit senses come to life, seamless in forming and acting in the personality. This be said the same for the mind attribute and its function in the spirit body personality. So perfectly modelled are the Spirit Laws formed by God to ensure that this phase of an individual's transition into the spirit world happens without disturbance, interference or disharmony in the reconstitution of the personality from the physical body, to the individual spirits life now living in their spirit body. This is what the identity of death actually is, why it happens and why death is a required part of living. Humans do not live on the face of the Earth forever. Our experience has a finite conclusion with a continuance of life in the spirit world. Death provides the time that God's Spirit Laws safely integrate the shifting of each personality from their human living to their now spirit living.

From God's perspective, these workings were set in place before or prior to the first attribute of soul incarnating and the first mortal personality formed in soulful physical nature. And so, whilst what I am explaining sounds new the truth of the fact to these workings have been a reality for thousands of human years. Although human culture and social beliefs, experience and awareness has changed with the years, these Spirit workings and their act at ensuring the correct passage and survival of the individual personality from the human experience into the spirit experience have never changed or been altered to work or function in any other way.

The whole human body doesn't need to be reconstituted upon the completion of its life and immediate living in the spirit world, only that part of the individual that can function in this spirit environment needs to survive and this part of the human is the collective attribute of the personality which includes the attribute of soul. Most of the physical body remains to the Earth and its decomposition according to the social culture of its day. I say most because, aspects of the personality are influenced by the physical body and one has memory, and memory of their physical personality and so, whilst there is no physical evidence of the physical body present, most can remember and have memory of their physical body now they are in their spirit body. A human life is soul first, then spirit body, then human body. Of course all three attributes compose one individual finite personality. From my perspective living with the Immortal Love, I have learnt that everything human is soul and this is demonstrated in the condition of each soul reflected in the spirit body and the personality of the individual upon the commencement of their living in the spirit world.

God is Soul and Spirit. This is a brief description of the most complex individual universal creation ever formed. For the purposes of this work, this description is more than adequate otherwise we can become lost in the detail. Truth of it is that one could write on a page that lasts forever about the nature of God and still there would not be enough ink in the world to fill it. God has other mortal universes going on in other places and the same Immortal Divine Love that is present for us is present to those mortal personalities. There is only one Immortal Love that serves every single finite mortal personality, and for good reason! The economy of God reveals perfect nature and because there are many formations of mortal personality in their own universe, this doesn't require unique Immortal Loves to exist to fulfil the potential of us all.

The attributes of the human personality are spirit body fit. The attributes of the spirit body are soul perfect. And, the attributes of each finite mortal soul encompass the spirit body with its attribute and the physical body with its attribute. The determining principle in the way the Spirit Laws work at the time of transition of the personality from the human world into the spirit world act in accord with the soul and

not with various other intrinsic aspects of information and experience. In a snapshot of vision, God works from Soul in accord with soul and from this fundamental position, which includes the most telling of Spirit Laws, all other Spirit Laws that act with the spirit body and the physical body must follow in accord with these greater soul Laws. Quite literally, God the Soul takes or brings each human soul across The Great Divide of human death and birth into spirit life whilst perfectly integrating, maintaining and sustaining the attributes of personality in the spirit body and establishing the spirit body fit for spirit living so that when the individual awakens in their awareness that one is alive it is complete and yet each person is unaware that such a soulful journey has happened.

A human death marks the end of a soul's capacity to survive in that environment and so, a transition must take place or something must happen, or else the attribute of soul that is incarnated would be compromised in its continuance of life. Fortunately this doesn't happen. God has ordained it to be that each soul continues to live and for this to happen, a transition of environments takes place.

If there has been a disturbance in the mind when one was human, and if this disturbance was involuntary then the mind is reconstituted between the spirit body and the personality to a normal function in the spirit world. If the mind attribute has a disturbance due to an affliction placed upon it that deformed its form by the voluntary nature of doing something to one's self or having one thing done to one's self by another, then, this cause of disharmony can create compensation which one will need to make amends for. And so, in the transition of a personality from the human world into the spirit world, the Spirit Laws in their workings will not co-mingle to negate the Law of Compensation, which after the reconstitution of a life into the spirit world, the personality may be subject to this Law of Compensation. There is no confusion to this although the Law of Compensation does not come into effect until the greater Laws have acted upon the soul in the time of personality transition from the human world into the spirit world.

And so, it is with these Spirit functions that allow for the personality to continue its existence in the spirit living in the spirit world, by no other means does this happen. I along with all of us here can see how, what I am explaining works because we have survived our physical human lives. Obviously, when we were living as people in our human experience on Earth, I along with most here had little or no idea about this experience of such intrinsic functions and their workings that ensure individual survival in a life after death. Now, we do know in our living proof of this survival, and we can look back on our human lives as spirits from our position of knowing our once unknowing of such things. I have learnt and can see how death is vastly important to the survival of the personality.

Are people meant to know about such realities? This is an individual concern, for such reality to become commonplace in the human world would mark a significant shift and change in the collective human world of experience and awareness. For those who do explore the afterlife and are seeking genuine answers in their experience, these works will certainly help adding a clearer picture so that one might have clearer vision on the nature of such spirit workings and how the soul, the spirit body and the personality form the image by which one can then move forward in their quest to identify the simultaneousness of these two existing environments – the physical human world and the spirit mortal world – and how they interrelate with one another.

There is no doubt that from my observations observing people who are aware of the Divine Love, that one relates this Love as being other than human-made, though made for the human soul. As far as I

have seen, we who know and live with this Divine Love in our lives take a keen interest in how the experience of Divine Love transpires in a human experience. It gives me good delight that most who enjoy and participate with this Love recognise its true Spirit value and potential. The Divine Love comes from the Soul origin, God and I see, most agree on this and this be the Truth as to the origin of the Immortal Love. Also, most experience or see the Divine Love as a truth of spirit and soul and so by being aware of this Love one feels that they are in touch with a Truth that becomes part of one's soul nature therefore this experience places one in touch with their spirit-nature which in turn causes one to recognise that there is a life living after human life and that a spirit world and spirits exist. It is important to recognise that spirits were once human ourselves! And that even though we selectively choose – as you do – to participate with God and involve our selves in the experience of the Immortal Love, that we here in spirit visibly see that the Divine Love still has Its origin in God the Soul and that a Divine Love experience doesn't end by one being simply a spirit in the spirit world.

I like to observe with discretion how the experience of Divine Love in a human life and so, I am fascinated at how people experience this Love and learn about Its nature when clothed and immersed in their physical body. I have learnt, as many of us have, about this aspect of living with the Father from people's human experience. I never judge another's experience for I have seen how individuals judge their own experience as they hew out their destiny with God. Most people in their Divine Love experience have very little contact with Celestial spirits or can perceive the reality of how the spirit world works. I have the advantage of seeing what people cannot see and I know what most deem as unknowable on how the intrinsic workings of the Spirit Laws function with the soul, spirit body and personality. In no way does one's inability to see and converse with Celestial spirits belittles the experience of one who is endeavouring to embrace the Immortal Love in the trials and tribulations of their human life. To me and to all of us here, there is no separation of experience, for we know that the Divine Love present and available here and wherever mortal souls experience life and so, each unique environment perceived by us as being an equality and part of the great forming of environments in which God has enabled mortal nature and Immortal nature to live and experience Love and Spirit in.

If a person struggles in their experience of integrating, identifying and accepting the Divine Love and Its origin, Celestial spirits understand this and I admire one's persistence of faith as one may continue to doubt the actual validity of what they are doing by trying to accept an invisible Immortal Love into a soul that one hardly knows to be the true individual nature of ones' self. I like how the nature of God is explored, by those who recognise God's universality and how a personalised experience in the Love, the Divine Love of God inspires or settles one's heart and mind.

The only thing I don't like to see in a Divine Love experience is when one who has experienced the Love and found the Truth of It then by reason of their own desire for self-importance in the deceit of power, manipulates other people to suit one's self so that the individual error is then confirmed as a truth and deceives people who are honestly and sincerely trying to find the Immortal Gift, the Divine Love and to learn of Its' related truths. Anyone who does this, and there are those who have, there are those doing this and there will be those who will, will pay a heavy price in their compensation that will be collected by that kind of individual when they commence their living here in the spirit world. Even when living with the Divine Love no human escapes the Spirit Law of Compensation. It is an error for one to think that simply because one is with the Divine Love and one has this awareness as one is living among people who have yet this awareness of the Love, that the one with the Love has more authority and power over another by imposing themselves simply because one knows a Divine Truth when the

other lives solely in their natural truth. The Celestial teachers go to great lengths when teaching us about the correct way of introducing the Origins' Love and how this Love might be obtained. We learn so that in our help to create this awareness of the potential for this Immortal Love, we do not commit an error when teaching or introducing the Love.

It must be said there is a responsibility living with the Divine Love. And, living with the Love ultimately teaches one self-respect and universal responsibility. This is visible here in the Celestial Heaven and from this universal responsibility comes great vision and freedom. If you look at life on Earth everyone is on the way in their learning of how to take responsibility for one's self or another and, for the environment they live in even though this experience is often immersed in complete irresponsibility. The choice for Immortality can never be taken for granted, treated lightly or highly underestimated. Where would the world of man and spirit be if it were not for God?

This has been a well-received message, thank you  
Your Celestial friend  
Jude

**WE are INCARNATED with Natural Love, but not with Divine Love:**

**We are conceived with natural love, however, we are not endowed with anything of the Divine. While we are without anything of the Divine, namely Divine Love, we can grow our natural love attributes and progress to that of being the perfect man whose lodging is found in the 6<sup>th</sup> Sphere. We do not have immortality without having received Divine Love.**

**Natural love radiance is very different from that which Divine Love brings.**

**The two loves complement each other, bringing about greater harmony.**

**When we become aware of the presence of Divine Love and subsequently ask for and then receive the Divine Love, our soul steadily starts to change to that which is Divine and we achieve immortality. This is the Immortal Choice that we can make whilst here in the physical or later in the spirit world. Once we add Divine Love to our being, we continue then with the two loves, that of the natural love and also that of Divine Love. As we continue and receive Divine Love, our soul condition progresses so that we may eventually enter the Celestial Heaven, 8<sup>th</sup> sphere and above, then progress further to enter the Eternal Spheres and then the Spheres of Paradise.**

**179. *The Nature and Stages of Fusion***

17 December 2012

In our writings together in this collaboration we have introduced much experience on the nature of Divine Love. We have conveyed vision and experience to the best of our knowledge and to the best of how our spirit-communications have facilitated this dialogue. We have tried to convey workings of universal Love and Spirit to the best of our ability that dovetails into extending the nature of personality, all of this in the view that the essential truth is always one's relationship with the Soul, God, in faith, love and the Divine Love.

This work first commenced with the life, the human life of Jesus, then continued with the spirit writings of James Padgett. Our current work introduces many themes situated in potentials, harmony and Immortality all the way defining the nature of a mortal personality comprising of its attributes and to illuminate the soul and the spirit body. We have established that the forming personality survives its human life and continues its existence in the mortal spirit world. We have defined what the mortal spirit world is in its function. We have written and communicated from our experience having lived in Divine Love and with your assistance, we have been able to give wide breadth of vision to this work so that another may derive insight, spirit illumination, vision, potential, thought-provoking information and, for one to find solace in. Above all, it is our hope that these works demonstrate the reality that the Divine Love is real along with the attribute of mortal soul and the mortal spirit body, and it is from the understanding of how the personality comprises of these two attributes provides a unified vision of the human experience and earthly world with a spirit's experience in the spirit world culminating and accommodating for the same outcome, which is an acceptance of the Soul, God.

I desire to write on the *Stages of Fusion* a mortal personality experiences when the attribute of soul and spirit body form the individual.

The formed image of the attribute of each unique soul begins with its creation. The originator and First Source of all mortal life, the Soul God, commences a mortal soul life by forming a complete soul. This mortal attribute upon its creation and upon its advent into the Pre-Incarnation Sphere where it awaits incarnation into a human life is subject to a single act upon it as the first stage of fusion. A single Spirit Law that only exists in the Pre-Incarnation Sphere acts upon God's Spirit Will and divides each complete soul. The soul then becomes as it were two distinct and separate attributes or parts and in each part the whole attribute and potential for the receipt of Divine Love and imminent incarnation for individualisation plus other potentials form a complete part of each part of the complete soul. **This first aspect of Fusion** is to actually separate and not to bring together.

The two distinct parts of the complete soul reside in this Sphere until the imminent approach of incarnation. When incarnation occurs, each part will incarnate into one of each human sex and never shall these two independent parts incarnate into the same sex. There is a very good reason for this. When one is aware of the potential of Divine Love and the possibility for a Celestial soulmate companionship, then one understands why it was necessary for the complete soul to fuse apart and form two distinct attributes. Each attribute will always remain independent in the forming of their unique mortal personality and derived human experiences from a human life. Never shall these two distinct attributes incarnate into a single forming personality. I am also aware, and you have written an account

of this before, that each attribute of soul in this Sphere does not have as part of its original forming, any personality other than its attributes and potentials which means that any self-determination or voluntary decision to pick and choose or to select a human life is absent from the soul when the soul resides in the Pre-Incarnation Sphere.

Humans, mortals and Immortal spirits cannot influence the attributes of soul in this Sphere. The Pre-Incarnation Sphere is in God's jurisdiction alone and only selective Spirit Laws act in this mutable and comfortable environment. This Sphere is not a hallowed environment but a Sphere that is only visible to the Eternal Eye of the Soul, God. We have discussed at great lengths the reality of this Sphere because we understand the importance of our beginning. This Sphere is part of our heritage and it is from my and other Celestial spirits' perceptions that we are able to ascertain an image of this Sphere from the Father. It does not surprise us if a person does not believe us. The visibility of soul is near-next-to-nothing in a human experience, so then why would one see the truth of what I convey?

Nonetheless, a mortal soul life needs to begin somewhere and has to begin somewhere and so, it might as well be in a place caused into existence by its originator and nurtured and prepared for what will become **the secondary stage of Fusion**, the beginning of a human life.

Do all attributes of soul exist in the Pre-Incarnation Sphere in one time at one place waiting for incarnation? Has God caused into existence every attribute of soul that will ever incarnate and that will become the whole history of humankind? All these questions that we ask about the advent of a human soul and the environment it begins in, lead us to gather more information into this unique part of universal creation. It would not surprise me in the least to know that God has caused every single attribute of soul to exist prior to the first mortal personalities that commenced the human race. I know for a fact because I reside here, that the entire mortal spirit world including the Celestial Heaven had form, image, working and structure before the first mortal personality arrived here after the death of their life wearing only their spirit body. If God can cause the entire mortal spirit world into existence before a mortal personality has commenced living the first human life, then, to originate all attributes of soul that exist in a Pre-Incarnation Sphere is an entirely possible thing for God to cause into existence. Humans, mortals and Immortals simply don't have the power or resource within our selves to cause such universal and far-reaching realities into existence. This is why the Divine Love is such an integral part of universal life, for it is the only substance and energy that we can individually experience that is part of the universal originator, the Soul God. This may add a new aspect on why it is significant that one may participate with the Divine Love! It is a given that people and spirits can experience – and do experience – God in aspects of universal attributes though I must qualify that only with the Divine Love, will a mortal soul experience the Soul, God.

**The secondary stage of Fusion** is simply defined by the incarnation of the finite attribute of soul to acquire a spirit body and living attribute of personality, which commences the finite soul's individualisation of mortal life experience. This secondary stage is inclusive of the conception of a human being. The entrance of a soul into the physical and material world is a dynamic fusion culminating with various attributes forming the individual personality. To provide you with an image of this dynamic, a specific Spirit Law acts to form the spirit body, another Spirit Law acts to exact the soul into the spirit body and another Spirit Law specific to the adjuncts of mortal personality act to exact the now forming personality to its position of the soul and the spirit body and the human brain. Also, the physical conception forms part of this fusion insofar as the fusion of genetic information from two

separate sources, a sperm and an egg. This is a simplified image though it is enough so that one may gain a perspective on how these attributes culminate to form a human being ready for life, ready for the afterlife and ready for the potential to experience the Immortal Love. There are physical conditions of a voluntary and involuntary nature that form part of the physical being. The main thing is that the spirit body is formed so that the expectation of a human life in terms of its age, will not compromise the now formed personality to survive its creation.

**The third stage of Fusion** in a soul's life is its transition into the First mortal natural spirit Sphere. This stage is defined as the ending of the physical incarnation and the beginning of life in the spirit world. The spirit body acquires the personality in all its attribute and specific Spirit Laws act in their assistance as the physical body falls away from the spirit body and the spirit body takes over as the place and environment that the attribute of soul and attributes of personality now reside and function in. This is an *act of fusion*, for the personality being subject to a greater Law, is exacted to the attributes of the spirit body complete with function and attribute and cognitive experience in the individual's now spirit life. The exacting nature of this Law ensures that no splintering or aspect of the personality is left behind or lost in translation. This is really important for memory and other identifiable aspects and information pertaining to a human life lived. If a human life passes into the mortal spirit world before the individual has any cognitive functioning or capacity to be cognitive, this does not determine any other outcome to the soul other than the personality continues to survive in the spirit body and continues to mature in the First natural spirit Sphere.

This secondary stage is inclusive of each incarnated soul and of every human being for this forms the natural soul system of individual personalisation of experience in natural love.

**The fourth stage of Fusion** involves the Divine Love. This can happen at any time during the natural life experience of the individual. The fourth stage involving the Immortal Divine Love happens when the Divine Love enters the attribute of the soul for the first time and the attribute of mortal soul is now confirmed as living with the Immortality that this Divine Love provides. The Divine Love, having entered the soul, fuses with the soul and the perfect causality of the Divine Love in its cause-effect becomes part of the soul and can never be extracted from that soul nor can this process of Immortality ever be reversed. There is simply not in existence, a Spirit Law that can reverse this fusion and this is why the choice for Immortality is so unique for the individual to make.

Now that the individual has experienced the Immortal Fusion with the Divine Love in their soul, **the fifth stage of Fusion** transpires when the individual progresses in their experience of Divine Love as it transforms their natural love and the necessary changes happen that arrive within the soul condition of the individual to be of Celestial soul quality. Any necessary compensation will have taken affect and the human life or natural mortal life will be with sufficient harmony in the Divine Love to enter the Celestial Heaven. One is now infused with their universal life and the awareness required, to live in the harmony with God no longer illusive to the individual in a solely self-determined mortal life. Without the infusion of the Divine Love in the soul, no Immortality can form in the soul and the soul remains in its natural life experience to a greater or lesser degree of harmony in its condition of natural love.

All the way along these stages of fusion, experience – if it is progressive – infuses the personality with more experience and this allows for more attribute of personality to become functioning and present

within that individual. There is no greater example of this than when the nature of awareness becomes active in the personality from a faith in Divine Love experience.

**Stage six of Fusion** truly demonstrates how the personality is infused with extended attributes of mind-spirit function as the individual progresses from the Celestial Heaven and enters the Eternal Spheres. The individual is infused with Love and Spirit that provides the personality to see the difference between that which is Immortal with all that is Eternal. The individual always remains finite and is never infinite in their condition of soul. The individual residing in the Eternal Spheres is now universally fused with the Eternal experience of the First Source.

**Stage seven of Fusion** of individuality is the transition from the Eternal Spheres to the Spheres of Paradise. Through the experience of Divine Love one has gained their Immortality and progressed through the Celestial Heaven and then to gain an Eternal perspective on the nature of God, as being universal and eternal. In the Spheres of Paradise the individual is now fully fledged in their union with God and can travel around the entire soul Sphere that God is and resides in. The confirmation and completion of all these stages of Fusion happens in the last Sphere of Paradise when the individual can visibly see the image of all that was previously unseen, the Soul, the Eternal Soul and First Source of the individual's creation. Having seen the Eternal Father, the personality of the individual is deemed as being, *perfect* and still in this perfection, one can gently ask for a drop of the Immortal Love.

This concludes my message on Fusion. It is a potential to understand the vision that I have just written and it is a true vision for the Divine Love reveals it so. The wonderful thing is to see how durable the three natures are: the soul, the spirit body and the human personality and how these three components form the destiny of each individual.

Thank you for taking my message.  
Your Celestial friend,  
Luke

**NATURE and STAGES of FUSION:**

**Seventh stage of Fusion** of individuality is the transition from the Eternal Spheres towards the Spheres of Paradise. The individual is now fully fledged in their union with God and can travel around the entire soul Sphere that God is and resides in.

**Sixth stage of Fusion** truly demonstrates how the personality is infused with extended attributes of mind-spirit function as the individual progresses from the Celestial Heaven and enters the Eternal Spheres.

**Pre-Incarnational Sphere:**

**First stage of Fusion** is the separating of the soul into two, each soul half being complete on their own.

**Fifth stage of Fusion** transpires when their natural love changes and one's soul progresses to the condition to be of Celestial soul quality, one enters the Celestial Heaven.

**Fourth stage of Fusion** involves the Divine Love. This can happen at any time during the natural life experience of the individual. Happens when the Immortal Divine Love enters the attribute of the soul for the first time, either when in the physical body state or spirit body state.

**Second stage of Fusion** is simply defined by the incarnation of the finite attribute of the soul to acquire a spirit body and living attribute of personality, which commences the finite soul's individualisation of mortal life experience.

Spirit body →  
Soul →

**Third stage of Fusion** in a soul's life is its transition into the First mortal natural spirit Sphere. This stage is defined as the ending of the physical incarnation and the beginning of life in the spirit world.

Kevin died on 10 August 2012 without any thought for spirituality and no passion for any religion, other than showing up. On 7 August 2017, he arrived into the 1st Celestial Heaven. Three days short of 5 years!!! He had met his soulmate, Kathaleen, and she arrived a few weeks before him into the first Celestial Heaven, as you may have read.

The writings that followed from Kevin are outstanding. Kevin is now a world teacher!!! He and Kathaleen both are. Neither would comprehend this, but they are. Kathaleen and Kevin's writings answers and leads anyone to the destination we are to find, in our own time.

I would like to contrast this achievement with someone I greatly respect.

David Ramon Hawkins, M.D. (born June 3, 1927, died 19 September 2012) was an American psychiatrist, mystic, author and controversial spiritual teacher in Sedona, Arizona. He is best known for his book *Power vs. Force*, I have read everything I can about his works – 10 books, plus videos, etc. Miracles happened around him spontaneously. The Catholic Church would make him a saint within seconds.

Hmm – Dr David Hawkins has stayed trapped in his mind and may remain in the mind spirit Mansion World for centuries, unless he embraces his feelings. He will remain stagnant and limited in his mind condition. Whereas Kevin is now a far greater and truer teacher than this great mind of Dr Hawkins. What a switch in roles! Kevin has progressed exponentially past Dr Hawkins in soul development. Go you good things, Kev and Kath.

Cheers John

Same day: Dr David Hawkins: Hello John. I have been asked to speak to you through James in this way, you being one of my ardent fans and followers of the principles I developed through my life on Earth.

Your assessment of me is correct, and I did spend time in the mind worlds trying to assimilate all that I did on Earth with all that was happening to me in my new spirit life.

Upon my arrival over here in the first Mansion World I was greeted as something of a spiritual celebrity with a host of mind spirits (as James calls them) greeting me, they being the ones who 'empowered' me to do the so-called miracles I did on Earth.

I want to tell you, it's quite a humbling experience to realise, like many of us who did such marvellous things on Earth, that it wasn't actually our own doing, we were not the sole instigator of such 'happenings', that it was other spirits working through us. And that although I attributed it to God, still I secretly thought it was all my own incredible doing, so to have to accept that I was just a conduit – that I really was, and having little more than an innate ability to be that conduit, I felt a bit flat.

And to bolster my flagging ego, I would tune into those people on Earth who were still thinking well of me, yourself John being one such person. And here again, by doing this, I gave myself a rude shock

having to face the fact and realise that few people truly understood what I was teaching, taking my work and corrupting it for their own gain. And believe it or not, I never thought such a thing would happen. So, who of my 'earthly followers' was staying true to what I taught – who actually got it?

And I kept coming back to you as one of these people John. Admittedly, had I helped you personally, you'd have had an even greater understanding and appreciation of my work, however you accept it as is and haven't corrupted it, and have guided other people to be interested in it. So I have followed you over the years in this, which meant I also took notice of what you were doing in your other spiritual interests, some of which were vastly different to anything I'd ever heard about, or found out about over here in my limited little mind world.

And I write such things in the past tense because I am very happy to say, all of which I am so grateful to you for John, that I have now progressed into the lowest sector of the Divine Love on the first Mansion World. I am learning all about it, and about the Healing, all under the incredibly patient and loving assistance of higher Celestial spirits, like those who wanted me to speak with you today.

So you can chalk me up as one of your admirers, and a mind spirit who has converted to the 'Ways of the Divine Love'. I still have a lot more to understand, this is true, and as it's so different to my earthly and mind spirit way of thinking, will take time to integrate into my way of thinking – which means, to change my way of thinking into a completely new way.

That is all I wanted to say. And although you might think that my coming is rather inconvenient with you having just written about me again, however here I am and this is what I want to say.

All the best to you John. You have no idea how grateful I am to you, and I have a strong pleasant feeling that that gratitude is only going to increase.

Yours respectfully,  
Dr. David Hawkins

(James: As I was reading your comparison of the Doctor with K and K, I started to feel the energy building... oh here we go again... he's wanting to speak to me!)

Friday, 29 September 2017: Dear James and John (Noted from Samantha in England)

To be 'used' so fully by Mind Spirits, to create all he (Dr David) did under their influence, all so cunning, that must have felt quite devastating to him and I am feeling a lot of sadness, emptiness and let down with in myself as I understand how it feels to learn that my whole life has not been my own but that of my parents, their will, control and untruth and I have felt feelings of it all being such a waste of my experience being like that, a waste of the personality God created me to be. I am very sad as Dr David Hawkins realised how 'used' he has been, being a conduit for the Mind Spirits, I feel like that too, used by my parents to be as they wanted me to be instead of nurturing me to be myself and help develop the personality God gifted me.

I (Sam) bought 'Letting Go – the pathway of Surrender' by Dr Hawkins and I was very up with all of his feeling work but then felt the change in me with the mind dominant aspect of Dr Hawkins work, it was that I wasn't drawn to and felt myself draw back from it but now he can go on from what he already

knows, go further into the feeling aspect of what he discovered and I am sure he will get so much support in that from the Divine Love spirits that are guided to help him. Isn't that just so wonderful John, to have that help, like you have in Kevin and Kathaleen.

### **CONCLUSION:**

David Hawkins' own story explains that the 'Letting Go' process is inadequate. The 'Letting Go' publication and process is his own research. Pure and simple; Dr David was knocking on the door, but that process was unable to open the door.

Again, his own story now endorses the Feeling Healing process!

This leaves no doubt as to the veracity of what Marion and James and Samantha are doing. It is **THE ONLY WAY!** The only way being the Feeling Healing process coupled with Divine Love.

This clears away confusion for many people who may explore everything. Other emotional processing and releasing modalities simply do not delve far enough into one's injuries and errors of belief. Yes, they provide some temporary relief, but none of them go beyond the mind and into the soul to the core and foundation of our injuries, all of which stem from our childhood upbringing.

Dr David Hawkins has now clearly put aside his own teachings and confirmed that his and all other modalities are inadequate.

Now, we all can focus upon the only way home!

### **FEELING HEALING with DIVINE LOVE is SOUL HEALING:**

**Firstly, consider discovering the truth of your emotional pain through Feeling Healing.  
Secondly, consider longing for our Heavenly Parents' Love as you progress with your healing.  
Primary and most important readings are the writings of James Moncrief.  
Then consider the Padgett Messages, and then The Urantia Book.**

**Release one's pain through expressing one's feelings.**

**in conjunction with**

**Longing for the Truth when also longing for Divine Love.**

**Cause No Harm** < to OTHERS  
to MYSELF

Strive to love others as I am to love myself

To liberate one's real self, one's will, driven by one's soul, moves one to embrace Feeling Healing so as to clear emotional injuries and errors. With the Divine Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

Divine Love  
is the key!

**God's Divine Love:  
Pray for it, ask for it, and receive it.**

Feeling Healing with  
Divine Love is the key

to enter the  
Celestial Heavens:

## The CHOICE is OURS to MAKE:

### Celestial Truth:

Truly all-loving;  
Living true to oneself;  
Mind supporting Feelings;  
Living with the Divine Love;

Fully Healed of the Rebellion and Default.

### THE FEELING WAY

Feeling – Ascendance  
Unlimited progression

- Living true to your untruth;
- Honouring all your bad feelings;
- Expressing feelings to uncover their truth;
- Healing the Rebellion and Default within yourself;
- Feeling unloved; being unloving;
- Feeling as bad as you can feel;
- Feeling like you are no one special;
- Longing for the Divine Love.

### THE MIND WAY

Mind – Transcendence  
Limited progression

- Enlightenment, Nirvana, feeling all-loving;
- All false, mind-contrived. Anti-truth, anti-love;
- Still evolving the Rebellion and Default within yourself;
- Feeling and believing you are the Superior One;
- Living with your mind in control of your feelings;
- Living rejecting all your bad feelings;
- Living with your mind contriving you feel loved;
- Rejecting the Divine Love.

All religions, New Age, agnostic,  
atheists, no spiritual interest,  
Living the Rebellion and Default.

Hell:  
Exploiting the Rebellion and Default.

The Feelings are the doer; the Mind the teller. So we are to go with our feelings, which we can't be told to do with our mind. So the longing for the Divine Love, doing our Healing by expressing our feelings and longing for their truth, are all feelings and doing it with longing. Whereas the mind just wants to tell us what to do and how to be, no feelings in it, all how our parents have treated us.

# REVELATIONS

**Revelation 1:** Our soul becomes encrusted with harmful ways of life, plus negative and erroneous beliefs, these mainly stem from our childhood upbringing and environment. Thus we live untrue to ourselves, we become 'evil'. Whilst we hold to these injuries we limit the amount of Love that we can receive into our soul. To open our soul to the Love we must firstly and progressively feel into our emotional injuries and allow them to be released. Until we emotionally experience past errors and injuries we hold onto them.

To free our soul of damage and toxic emotions we must open ourselves to experiencing them. This is a progressive, slow and uncomfortable cleansing process that we must all experience. Only by addressing the generational injuries will we, as humanity, evolve in love.

To fully divest one's self of our badness, we have to 'go into' our feelings. Call this process of clearing toxic emotions as 'Letting Go', 'Emotional Processing', 'Journey Process' or 'Feeling Healing'. Embracing Divine Love then Feeling Healing becomes Soul Healing.

As part of our Feeling-Healing we will have to work our way into all our feelings to see if indeed they are coming truly from our heart and soul, or if they are being heavily influenced by our mind. And this will then lead us into questioning and uncovering the truth, if there is any, to our beliefs and why we behave the way we do; and is such behaviour based on truth, or is it based once again on untruth, belief, and rules of our mind.

**Revelation 2:** We can long for, ask for and receive the Mother and Father's Divine Love. The greater our soul is free of error and injury, the more of the Divine Love can be received and assimilated into our natural love formed soul. The Love does not free us of injury, however, it strengthens our resolve to continue on our journey to be free of error and injury, to step away from evil aspects that have been encapsulated within our humanness and soul. It is this Love, the Divine Love, that brings about immortality of our soul and it is this Love that will eventually fit us to enter the Celestial Heavens and progress for ever more onwards to Paradise. These two revelations free us from error and enable us to grow in love ever more.

**Immortality with the Love.**

# FEELING HEALING + SOUL HEALING

To heal one's self is to simply look to see what feelings we are refusing to let ourself feel, and accept them instead of denying them. And to fully accept them, one needs to express them, speak about them, let them have their say, rather than pushing them aside, refusing to let them make you feel bad.

Doing this all with the intention of seeking the truth of why you are feeling them, of speaking about and expressing all such feelings; all feelings you have, but ALL WITH the INTENTION of UNCOVERING the TRUTH THEY WANT YOU TO SEE ABOUT YOURSELF. And it's the wanting to see the truth of them that is very important, because if you just look to accept them and speak and express them, but not seek their truth, then that's all you'll be doing, speaking and expressing them, but not healing their causes, so not fixing the things within you that are making you feel bad. And it's the truth part of it, seeking the truth of your feelings, and so, seeking the truth through your feelings, that's vitally important. It's the truth of yourself, life, nature and God, that is the spiritual aspect to it all.

You CAN'T find the truth of yourself, or anything else, through and with only your mind. You HAVE to engage and look to your feelings. And so if you choose to allow your feelings to 'Show You the Way', then the truth will come as you express them. So to do our Soul-Healing consists of these steps, all of which are ongoing until it's done:

- **Admit you are feeling bad.**
- **Accept your bad feelings, identify what they are.**
- **Honour fully your bad feelings by expressing them, speaking about them to someone who is willing to hear you talk about them, or tell them out loud to our Heavenly Parents. Long for the truth of them. Long for the truth of why you feel bad – what deep within you is causing your bad feelings?**
- **And remember, bad feelings are Good! Not bad. They are not to be despised. And as hard as it is to accept them, they are still you, and a very real part of you. And if you persist in denying them and not allowing yourself to fully live them, then you are only going to keep yourself in your errors making things harder for yourself.**
- **All sickness and suffering, all bad things that happen to you, all your problems, all your addictions – your whole feeling-denying and untrue life, is all caused by your denial of bad feelings.**
- **Every problem in the world is brought about because everyone has been brought up to deny feelings, and in particular, most of their bad ones.**

If one is intent on spiritually evolving and growing in truth, then it's vital, and this is the key, that one looks to use one's feelings as the means to gain and have access to the truth of oneself. You CAN'T find the truth of yourself or anything else through and with only your mind. You HAVE to engage and look to your feelings. And so if you choose to allow your feelings to 'Show You the Way', then the truth will come as you express them.

Doing your Soul-Healing with the Divine Love, is really doing your 'Feeling-Healing'. We are designed — created — to be self-revealing of truth, and so we are all to uncover the truth within ourselves and for ourselves, and all being done by living true to our feelings. **If you accept, express and seek the truth of your feelings, then truth will come to you, and you'll grow spiritually. It's as easy as that. Also it is as easy as it is to long for, ask for and receive Divine Love.**

THE HEALING OF YOUR BAD FEELINGS THROUGH THEIR ACCEPTANCE  
AND FINDING THE TRUTH OF THEM, IS THE ACCEPTANCE OF YOUR  
NEGATIVE, REBELLIOUS, EVIL, IMPERFECT MIND AND WILL CONDITION.

To do our feeling-healing we need to become:

Aware of – Acknowledge – and Admit, our bad feelings.

So we can:

Accept – them and allow ourselves to Be them.

And then if we feel to, take:

Action – Express, speak and emote them.

Talk about them.

All being done whilst longing to, really wanting to, see the TRUTH of our feelings.

So it sounds simple.

So I repeat:

We accept our bad feelings by expressing – speaking about them to someone willing to listen to us and take us seriously. And as we speak we long for the truth of them – why we are feeling them – to be made known to us. And when we uncover and see the truth we are FREE! – healed of the causes that have made us feel bad.

Accept, Express – see the Truth, and you're Free!

ACCEPTANCE OF ALL YOU FEEL, THINK AND ARE, IS THE KEY TO DOING  
YOUR HEALING; THAT, AND WANTING TO SEE THE TRUTH OF ALL YOU  
FEEL, THINK AND ARE.

**Release one's pain through expressing one's feelings.**

**in conjunction with**

**Longing for the Truth when also longing for Divine Love.**

**God is God, who is our Heavenly Mother and Father, being SoulMates. There is only one Soul that is God's Soul, that being the Soul of our Mother and Father. Our Heavenly Parents are the First Soulmates; The Two Who Are One who have brought us all into being.**

**Jesus and Mary are a son and daughter of God.**

**Jesus of Nazareth and Mary of Magdalene, being soulmates, were both free of sin. Jesus and Mary, combined in their love for us, are our teachers and guidance for us to find our way home to our Heavenly Parents. To start this journey we are to liberate our souls from being entombed within our suppressive minds, through feeling and longing for the truth of our feelings via our soul and peel away our injuries incurred since conception.**

**Give yourself time to consolidate your relationship with the Mother and Father through the partaking of Their Love. And whilst you are doing this, you can learn about your healing, all that's involved with it, as there are many willing spirits to share their healing experiences with you.**

**When you are ready it will start happening simply because you will want it to, it all being orchestrated by your soul. And when that time comes you will have developed a strong foundation in your relationship with the Mother and Father for you to work from. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.**

**It is to make longing for God's Love the priority, and then do one's healing; should one want to include God and the Divine Love in one's feeling healing. This is doing your soul-healing as you are seeking to heal your soul of all evilness – of that which made you become evil, and release all the hurt and pain of not being fully and truly loved.**

# PASCAS CARE

ALLOPATHY + 3 HALVES

Energy  
Medicine

Nutrition

Emotional  
Processing

Goals of Pascas Care are lead by our desire to:

**Treat the cause of illness rather than the symptoms, this is the focus of Pascas Care.**

**People look for miracles to cure disease which is  
ONLY the removal of the effect of the emotion.**

Further stated policy, Pascas Care – Kids of the World:

**The greatest gift for our children that we could possibly  
provide is to enable for them to grow up without fear.**

**The opening up of the soul permits a permanent exchange with Divinity, a permanent recharge of this healing energy that allows not only the re-establishment of lost health, but the continuity of health, providing such a perfect balance, even in the physical body, that noxious agents like bacteria and virus cannot find any opportunity to unchain pathological reactions, which we commonly call illness.**

**But it is true that people without the benefit of Divine Love would lack the protective shield, which the intrinsic healing energies of Divine Love provide for those who pray for our Heavenly Father's Grace.**

**Judas – August 19<sup>th</sup>, 2001**

**LIVE FEELINGS FIRST**

Every physical ailment that you have is a total reflection of soul condition emotion that you are holding onto, and each soul condition emotion affects a certain part of the body.

Those who concentrate on the emotion rather than the mind / intellect are more accurate.

A pain in the lower back reflects unworthiness issues with self love.

A bit of chest pain, asthma type issues – grief – you need to cry.

Stomach, spleen, liver – all to do with fear.

Eyes – short sighted – not willing to see the big picture.

A lot of anger based emotions come out in your skin.

**FEELING HEALING and SOUL HEALING with the DIVINE LOVE:****James Moncrief Publications:****all publications are free downloads:**<http://divinelovesp.weebly.com/my-free-books-and-free-padgett-messages.html>

It is suggested for one to consider reading as follows:

**Speaking with Mary Magdalene and Jesus – books 1 – 4**

These four books encapsulate the second of the revelations with the first having been introduced by James Padgett one hundred years previously. These four books provide a wide range of guidance that has never previously been made available.

**Paul – City of Light**

As a gentle intro into the Divine Love and Healing; being James Moncrief's first novel and it's been criticised as being too heavily clichéd, but that's the point because it's a reflection of how he was back then.

**Ann and Terry**

For an example of people who might want to immediately start working on themselves and doing their Healing.

**Feeling Bad? Bad Feelings are GOOD**

For more understanding about our denial of our feelings and why we should not deny our feelings, and it includes how it all came about for James, using himself as an example.

**Feeling bad will make you feel BETTER – Eventually!**

**DIVINE LOVE and DIVINE TRUTH Revelations and Teachings escalating:**

*People look for miracles to cure disease which is ONLY the removal of the effect of the emotion.*

SOUL  SPIRIT BODY  PHYSICAL BODY

The soul animates the spirit body and in turn the spirit body animates the physical body. The spirit body looks just like the physical body. These bodies are connected by cords. Your memory and intelligence as well as your emotions are within your soul which is your real self. Your mind is within your spirit body. Your brain is within your physical body.

Whilst we are receiving the Father's Divine Love, and that this Love is causing change within our soul and spirit attributes, the greatest Truth known to man and spirit is that this is the way the Father is actually loving us! When we progress, it is the Father's way of loving us into love and then we live what we are, love.

Message 278 Destiny
