PASCAS INTRODUCTION:

Documents assembled by Pascas are provided for your individual assessment and exploration. The contents are sourced from a variety of avenues and publications. Every endeavour is made to determine that the contents are of the highest level of truth and veracity. At all times we ask that you go within yourself, to ascertain for yourself, how the contents resonate with you.

Pascas provides these notes and observations to assist us all in the development and growth of our own pathways and consciousness. Pascas does not hold these contents as dogma. Pascas is about looking within oneself. Much of what we are observing is new to us readers and thus, we consider that you will take on board that which resonates with you, investigate further those items of interest, and discard that which does not feel appropriate to you.

Kinesiological muscle testing, as developed by Dr David R Hawkins and quantified by his Map of Consciousness (MOC) table, has been used to ascertain the possible level of truth of documents. Such tested calibration levels appear within the document. We ask that you consider testing same for yourself. The technique and process is outlined within Pascas documents, such as Pascas Care – Energy Level of Food. From each person’s perspective, results may vary somewhat. The calibration is offered as a guide only and just another tool to assist in considering the possibilities. As a contrast, consider using this technique to test the level of truth of your local daily newspaper.

Contents are not to be interpreted as an independent guide to self-healing. The information sourced herein is not from a doctor or doctors, and any information provided in this document should not be in lieu of consultation with your physician, doctor, or other health care professional. Pascas, nor anyone associated with this document, does not assume any responsibility whatsoever for the results of any application or use of any process, technique, compound or potion as described within this document.

The sources of contents are noted throughout the document. In doing so, we acknowledge the importance of these sources and encourage our readers to consider further these sources. Should we have infringed upon a copyright pertaining to content, graphics and or pictures, we apologise. In such cases, we will endeavour to make the appropriate notations within the documents that we have assembled as a service via our not for profit arm, to our interested community.

We offer all contents in love and with the fullness of grace, which is intended to flow to readers who join us upon this fascinating journey throughout this incredible changing era we are all experiencing.

TOWARDS LOVE and LIGHT:

Many of us were told during our upbringing that love was an emotion with no physical properties or substance and that light was a ray. Neither of these teachings is true.

It is time for some science. Nuclear Engineer Mehran T Keshe with his team at Keshe Foundation in Brussels has completed more than thirty two years of research into plasma and technologies necessary for space travel. This does not appear to be the appropriate venue for spiritual research, however, it is.

Many understand that there are three states of properties, solid, liquid, and gaseous. Then plasma was added. Mehran Keshe has introduced a fifth – gans.

Gans, being a new state of matter is a molecule of GAs which becomes Nano of itself and then becomes and appears as Solid state of matter, that is from GAs to Nano to Solid, to be called GANS. Thus gas in form can be converted to a solid.

The five states of matter are solid, liquid, gas, plasma, and gans.

So what is plasma. Plasma is so minute in size that only recently has science been detecting it. It has three properties of matter, these being referred to as matter, principal matter or antimatter, transition matter or dark matter. The term matters simple refers to all three aspects of plasma.

Light is plasma converted from a sphere to a cylinder, it is not a ray.

Conversion of the spherical plasma of a neutron into a cylindrical ray of light. Light, in this detail, is clearly visible to one who is in their spirit body, that is, whilst out of one's physical body one can see the end beams of light as depicted here by Mehran Keshe.

PLASMA:

The three aspects of plasma present themselves in an ever variable degree of concentration and variation.

Matter plasma creates the physical.

Principal matter, antimatter is the energy aspect and the predominant energy of everything that exists.

Dark matter, transition matter restricts light, though transparent, a result is darkness and lack of vibrant energy.

Plasma, in its complete form, is the building block of all that is, however, there appears that there are even finer and even more incredible substances.

A plasma element may be dominated by its Matter aspect, thus being seen as physical matter.

Or it may be dominated by its Principal Matter / Antimatter aspect thus conveying an abundance of energy and love.

Or it may be dominated by its Transition Matter / Dark Matter aspect thus conveying darkness and a lack of love.

When light reaches its destination, it reverts back to a sphere. The diversity of the make up of a single plasma is the origin of the diversity of all that we see and comprehend. Each plasma and each of the three aspects of plasma (matter, principal, and transition) have their own magnetic and gravitational field. Yes, everything is magnetic.

The gravitational fields enables like plasma to come together. Thus plasma is the building block of everything, from the impossibly small to comprehend to the super large galaxies.

The Keshe Foundation research has developed the sciences and demonstrated that the plasma of light can be harnessed and stepped through the various stages to deliver protein that is suitable for human consumption. Thus in space travel, it is possible to produce minerals, vitamins, and protein from the light plasma that is in space. Through the understanding of this technology, it is even possible to capture odours as solids – one would best need to be selective!

The process of transition of the gases and magnetic fields of plasma into matter as gans (gas in nano state made into solids) in the body of man releases energy, and this is the cause and creator of the heat generated by the body, which shows itself as the 37°C body temperature of man and of most animals in the Earth atmospheric magnetic and gravitational strength.

What this new technology offers for the planet Earth is a survival line in the present environment of global warming, with the CO₂ (carbon dioxide) generated by burning of fossil fuels and production of methane gases produced by extensive cattle farming, etc. For the first time through the utilisation of this new technology these gases can be extracted from the atmosphere and simultaneously be converted to solid matters or solution and even be returned as solid matter into the ground.

This process in conjunction with its water content and nitrogen from the environment can itself be used to lead to production of natural sugars, starch and protein, using simple static gravitational systems.

If the concept of light interconnection and complex light entanglement of magnetic and gravitation fields of light balancing is understood and replicated then feeling, like touch, loving and hate and so forth, can be transported. Even **emotions which are complex, vibrational and rotational based** can be transported away. This comment relates to the negative emotions created by man.

Keshe Foundation has expanded on these points and much more pertaining to man and his spirit body and soul:

EMOTIONS THAT are NOT LIFE ENHANCING:

Emotions are things. The vibrational rates of negative emotions are low. Such negative emotion frequencies are not life enhancing. They emerge from an event, typically during early childhood and are absorbed from the child's environment. From the moment of conception and through to around the age of seven, the child absorbs the emotions of its parents and those in close proximity making up its environment.

The child, at the point of conception being the moment of individualisation, is naturally endowed with life enhancing emotions which are essentially all loving.

Negative emotions that do not naturally flow through the person or child are attracted to organs within the body that has a relative frequency (magnetic and gravitational field) to which it lodges. This lodging could be anywhere along the meridian lines that run the full length of the body but are related specifically to a particular organ.

Should such an emotion be allowed to fester, it will attract matching energy in a way that the top diagram suggests. This negative emotion commences to appear in one's soul and then in the spirit body which holds the template for the physical body. Medical intuitives often can see the growing negative emotion within the spirit body.

Then this negative emotion crystallises and emerges in the physical body, firstly as a dull pain, then develops into an illness. The middle diagram is suggestive of such a clustering emotional issue.

The world is enveloped by humanities negativities to such an extent that it is difficult for loving spirits from the upper spirit world spheres and Celestial Heavens to penetrate to assist us when we do open ourselves towards such help. We need to be in a loving state of the 2nd sphere or higher to achieve connection with such spirits, 95% of humanity is within the 1st sphere state.

NATURAL LOVE or HUMANITY'S ERRONEOUS EMOTIONS:

Your soul, being your real you, is an emotional being. Your soul, though a thought of God, does not possess anything of the divine within it. It existed in a state of bliss, in a natural love state, pending individualisation which is achieved at conception which is the time of incarnation. Your soul is endowed with natural love emotions noted within the top section of the Map of Consciousness scale, being those emotions calibrating above 200.

| MAP OF CONSCIOUSNESS | | | | | |
|----------------------|--------------|---------------|----------|---------------|--------------------|
| God-view | Life-view | Level | Log | Emotion | Process |

Humanity's erroneous emotions are those calibrating below 200 on the Map of Consciousness. The environment around a newly conceived child progressively degrades the condition of that child's soul. When the child reaches about the age of 7, the child's soul condition will reflect the parent's condition. These negative emotions are like a crust around the pure soul it has within.

SPIRITUAL HEALING CONDITIONS:

Only when the healer is at one with God (8th sphere soul condition) can he, directly with God, heal a person, who has faith.

Practical ultimate conditions for healing: Healer on Earth is engaged in Feeling Healing and seeking and receiving Divine Love and is in a 2nd sphere soul condition.

Person seeking healing is also seeking and receiving Divine Love, if only to a limited degree.

Healer will be sent Divine Love angels from the Celestial Realms (8th sphere and higher) and they will act as conduit for our Mother and Father. All parties involved have faith and desire to connect with our Heavenly Parents. Healing will be rapid and permanent.

Healer who is above 1st sphere soul condition can and does attract natural love spirits from 4th and 6th sphere to assist with relieving illness.

If healer is asking for and receiving Divine Love then he will attract assistance from 5th and 7th sphere spirits to assist with healing, bringing relief for the patient.

Should the patient have faith in the process and is endeavouring to grow in love then healings are possible.

Healer, in this condition, is able to break through the cloud of negative emotion enveloping Earth.

Healer in 1st sphere soul condition cannot develop rapport and assistance from spirits who are above 1st sphere. He attracts 1st sphere spirits who masquerade as healing spirits. No healing.

The inner core of our soul is blessed with natural love emotions that are all have a high frequency or higher.

Man erroneous emotions all have a low frequency or a very low frequency.

STAGES of MATTER:

Matter becomes finer and finer and more incredible within each phase:

NEGATIVE BLOCKED EMOTIONS are CLUSTERS of PLASMA:

P.167 The Structure of the Light by Nuclear Engineer M T Keshe

Electric charges, magnetic fields and gravitational fields are all of one and the same origin – plasma. Gravity is due to the pulling effect of two dissimilar poles of the same plasmatic magnetic fields interactions and the Magnetic field is due to repulsion of two similar magnetic poles, and electric current is due to the magnitude of the flow of magnetic field from one field to another.

Thus the *grand unifying field* is the magnetic field, and the missing link has been to understand that gravity is the product of interaction of two plasmatic magnetic fields, mass is the difference between the magnetic fields strength of similar and dissimilar field strength, and the energy is the measure of the magnetic field that is transferred between magnetic fields at the speed that magnetic field can travel within a given matters' medium, for it to be able to move from one magnetic field strength to another, and the electromagnetic current is the rate of movement of the magnetic field from one field to another and where the electromagnetic field is due to magnet field strength difference and is the equal to the magnetic field strength of an electron.

Thus the unified and common field is the magnetic field, between the gravity, mass, energy, and electromagnetic field.

Thus the unifying theory for the first time is complete and it is fully understood.

Where *magnetic field interaction* makes **the gravitational fields** and the *flow magnetic field from one field to another* creates **the electromagnetic current**. Energies can be created, from any ambient, depending on what one wants to produce or obtain from those currents or fields.

Electromagnetism is created *as magnetic fields strength are transferred from one field strength to another* and in the process of the flow of magnetic fields this leads to creation of measurable field movement of measurable current from what is call “electromagnetic fields”.

This simple sentence brings the whole of understanding between magnetic fields and its flow from one magnetic field strength to another and is the grand link between the gravity, the mass and energy and this finalises the long lasting missing link of the unifying field.

Now that one can understand that current is the rate of flow of magnetic field from one strength to another, and “the connection between electromagnetism, gravity, mass and energy” is finally understood. Thus the origin of all things tangible (and intangible) and their effects is magnetic field based and magnetic fields are the origin of all and unifying in the world of creation.

Thus one can see that the dynamics of vibrational rotational complex negative held emotions that are of low, or very low frequency, or even ultra low frequency, being life degrading, are best removed from one's being, namely from your physical body, your spirit body which is the template of your physical body, and your soul..

LOVING and UNLOVING EMOTIONS:

They are plasmatic balls of energy.
Loving emotions are life enhancing.
Unloving emotions are life retarding.

*Thoughts
become
Things.....*

*Emotions are
Things.....*

Emotional damage can fester and grow should you persist with the issue.

Negative emotions, that are those that calibrate 200 or under on David Hawkins' Map of Consciousness, create energy flow blockages within your meridians that are within your spirit body / etheric body. In the physical, these energy blockages / emotional injuries emerge to disrupt the flow of energy along your nervous system creating mayhem, pain, and ultimately illness. The frequency of the emotional injuries generally relates to the frequencies of specific organs in your body, that is why various emotional injuries are related to various illnesses.

The emotional injuries can be readily removed – permanently.

PLASMA:

Antimatter / principal matter is the life giving energy source.
Dark matter / transitional matter restricts the flow of light.
Matter is the concentration of these energies resulting in physical matter.
Plasma is the building block of all.

LACK of SELF- LOVE:

- A composite of:
- lack of self-worth
 - lack of self-acceptance
 - arrogance and pride
 - self-loath and hatred
 - lack of self-awareness.

Why one has imperfection in their natural love is due to an extension of one of these traits, and all these traits relate back to one single finite Truth, which in its cause is a lack of self-love. The lack of self-love to one's self is the cause, the root cause, on why there is so much fear within individuals, the human world and the lowest spheres in the spirit world. The individual will have a memory that describes how this lack of self-love appears and many people deny this existence of the lack of self-love within themselves because it hurts too much to see it.

Cause No Harm < to OTHERS
to MYSELF

Strive to love others as I am to love myself

Our perfect soul is founded on natural love. Our soul may become encased / encrusted in error bringing about lack of self love. To dissolve the errors encrusting our perfect soul is by growing in truth through the ongoing healing of one's negative state, by doing our Feeling-Healing of our toxic emotions. By ending our feeling denial and healing any personality expression denial we have.

The Mother and Father's Divine Love will slowly strengthen our resolve to perfect one's own natural love, should we address such errors. Slowly but surely, with the Divine Love, our soul's condition will grow and grow. With the Love this will fit one to enter the Celestial Heavens, and beyond, being in the love of all that surpasses man's imagination. Try the experiment.

Meridians – the Pathways of Energy Flow

<http://www.crystallotus.com/Acupressure/Index.htm>

The pathways of chi flow are called meridians. Where are the meridians? When a surgeon operates on a person, he does not find any meridians. The surgeon does not see air either, but it is still there. Compare a meridian with a stream. A stream, unlike a pipe, has no defined boundary. It is simply where water flows, and it may constantly change its shape, although the change is so small that it generally maintains a definite line of flow. In the same way, a meridian has no fixed boundary.

It exists where the chi flow is, though it maintains its general form. Meridians are of two kinds: the main ones are called channels (jing), and the branches are called collateral (luo). However, the term 'meridians' is often used to denote channels.

When Chi does not flow easily and smoothly we have what is commonly called a dis-ease. The Chinese believe that a Chi gets trapped in the meridian and the body suffers from all the ailments. To heal this blockage the Chinese healers understood the flow of energy through the various Meridians. They stimulated the energy points to let flow the Chi and, so therefore the healing took place.

Tonal lines create the web-work of energy which the scalar-wave frequencies of the core Katha Grid and DNA Template translate into the Chakra Meridian-Nadius Line (Hara Line) and chemical DNA systems.

Meridians, or channels, can be classified into two groups: primary and secondary: Primary meridians are those that pass through internal organs, secondary meridians do not. There are twelve pairs of primary meridians flowing in a never-ending circle. For simplicity, only one of each pair is described. The twelve meridians are as follows:

Negative energy in the form of holding onto an untruth about anything, being a person or an event, deposits within one's soul as a tiny cell of unwanted energy. This tiny energy blockage can grow and grow should you allow the issue to fester within your being.

Untruths with anger and hatred will slowly, but surely, manifest themselves into your meridian system which resides within your spirit body. This then results in energy flow blockages within your meridian system, being the template for your physical body. Unless these energy blockages are released and allowed to pass through your spirit body, you will begin to feel pains within your physical body, and subsequently, an illness may emerge within your physical body. Such illness is a direct result of an emotional issue, or series of related emotional issues, that could have commenced during your early childhood, or even before birth. Proceeding to release these emotional time bombs while receiving medical assistance for your physical body can result in the permanent recovery from such illness.

Negative emotional issues lodged and stuck within the soul then manifest in the spirit body, and subsequently emerge as pains and illnesses in the physical body.

The energy, plasma, being attracted to the stuck emotion can cause the injury to grow and grow and grow.

PLASMA and YOUR WELLBEING:

Loving emotions attract principal matter / anti-matter to your soul as you grow in love.

Soul

Spirit Body

Loving emotions enhance your life's experiences.

Your soul blossoms and your spirit state is one of beauty.

This way or that way?

Matter aspect of plasma is the energy that you recognise as your physical body. The energy lines of your bodies are enhanced with loving emotions. Negative emotions impede the flow of energy through your bodies and this brings about difficulties and illness. Love is the greatest energy that you can bring to your soul, spirit body, and physical body.

Attracting Antimatter Plasma results in a far healthier and loving life than by from attracting Dark Matter Plasma.

Unloving emotions cause the soul to loose radiance and to contract in size. Your spirit state experiences are devoid of happiness.

Unloving, negative emotions retard the growth of your soul and your life experiences are generally difficult in all aspects of your living.

Encrusted Soul

A soul's condition is never frozen. No matter what condition one's soul is in, from there it can grow in love. From the poorest state it can grown to

Spirit Body

HEALTHY MERIDIAN or OBSTRUCTED MERIDIAN:

The etheric body, being part of your spirit body, is the template for the physical body. Much of the energy you need for the physical body is supplied by way of chakras and the meridian lines throughout your etheric body. These meridian lines reach from your toes to the end of your fingers or top of your head. Each set of meridian lines is connected to a specific organ of your body. Each organ functions at a different vibrational frequency.

In like, many negative emotions, which are also of different vibrational frequencies, if not allowed to pass through your bodies, will find their lodgement within fields of related frequencies within your body and organs. Such negative emotion, being those calibrating under 200 on Dr David Hawkins' Map of Consciousness, may lodge anywhere in the bodies, typically on the meridian line of the related organ to which it relates to and was attracted to.

Such slow vibrating negative emotion is a plasmatic magnetic energy ball. It can grow and grow by being fed the same fuel coming from a continuation of the same emotional injury. This stuck ball of energy will restrict the movement of needed energy flow along the meridian. This will result in discomfort, then pain, and then may manifest in illness in the organ or in aspects or regions of the body related to that organ.

Allopathic / western medicine treats the symptoms, however the cause remains held in the bodies resulting in a further or similar health issue or a reoccurrence.

The negative emotion, possibly having been held since very early childhood, can be easily removed.

Issues within the subtle bodies are energetic magnetic fields that can be removed by your focused intent to recognise the issue, locate the issue, and enable the bodies to release the emotion with the support of additional magnetic energy being provided to your governing meridian down your spine. Such healing modalities include the Emotion Code and Body Code practices, as an example.

The ultimate way to improve your health condition is to embrace one's Feeling Healing process and long for and receive Divine Love, this love slowly but steadily grows your soul condition and results in erroneous emotions and injuries being released from your bodies.

BELOW 200 or ABOVE 200 on the MAP of CONSCIOUSNESS?

Man created those emotions that calibrate below 200 on the MoC, such emotions that represent pride, demanding, vengeful, anger, hate, desire, craving, enslavement, frightening, fear, anxiety, tragic, grief, regret, hopeless, apathy, despair, evil, guilt, blame, humiliation, miserable, and shame. Those people who are embroiled in these negative, life degrading emotions typically live 10 to 20 years less than those who calibrate over 400 on Dr David Hawkins' scale of soul condition.

Further, those with a soul condition under 200, which is 78% of humanity, account for nearly all of unemployment, poverty, criminality, and social unhappiness. The health system is crushing economies with costs due to the burden of negative emotional induced illness that are pandemic within the community of those who calibrate under 200 on the Map of Consciousness.

Treating the cause, not just the symptoms, permanently removes the drivers that create the illness. The health system in all nations only considers the symptoms, so patients re-present again and again and again, burdening the community and at the same time losing income generating capability unnecessarily.

When societies address the need to empower people to understand that their quality of life will blossom as they embrace the desire to grow in love and set aside these man created negative emotions then the community will progressively become free of the costs of the over loaded health systems, policing costs, jails, and social security costs for the unemployed, etc.

The way forward is simple, education, and such education involves the whole family.

One's natural love is always progressively perfected during this journey of evolution of the soul.

Upon embracing Divine Love at any stage, then one can progress through the Divine Love spheres 3, 5, 7, whilst also doing their Feeling-Healing.

Even though a person may have received Divine Love, they do not avoid compensation or doing their Feeling-Healing, so they may still spend time within the spheres of disharmony.

Natural Love sectors for those doing their Feeling-Healing, without the Love, are within the Natural Love Mansion Worlds:

Progressing through the natural love worlds, within Feeling-Healing sectors, while doing one's feeling healing, upon reaching the 6th Sphere having completed Feeling-Healing, one can then embrace the Divine Love and proceed directly to the 7th Divine Love Sphere.

Then they may prepare to enter the Celestial Heaven Spheres from there.

This pathway is when the Divine Love is unavailable before perfecting one's soul.

SPIRIT MIND MANSION WORLDS are numbered 1 to 7:

To PARADISE, the HOME of OUR HEAVENLY PARENTS

Spirit Mansion Worlds are those 1 – 7. They with the Celestial Heaven spheres numbered 8, 9, 10 as well as the 3 Spheres of Disharmony are all within the Earth’s environment, and rather close by. Each sphere can accommodate more than 100 times the people than Earth may do.

Divine Love perfects one’s natural love soul through the progression via spirit world spheres 3, 5, and 7. Soul-Healing and At-onement is achieved through the progression into sphere 8 which is the first of the Celestial Heaven spheres namely 8, 9, and 10.

The Divine Love spheres 3, 5, 7, 8, 9, and 10 were opened by Jesus.

On death of the physical body we all arrive in the 1st Natural Love sphere.

The 2 Planes of Disharmony are the hells. While one desires to cause harm to others, isolation is applied. Once the Law of Compensation is completed then one can then progress and return to the 1st Natural Love sphere and continue in their progression onto higher spheres.

Note: The 1st Divine Love Sphere and the 1st Sphere of Disharmony may simply be planes within the 1st Natural Love Spirit World.

WHICH WAY? MIND SELF RELIANT or FEELING AND GOD RELIANT:

To PARADISE, the HOME of OUR HEAVENLY PARENTS

The Way Home

Maybe something like 30 billion people have recognised that our Mother and Father’s Divine Love, together with embracing one’s Feeling Healing, that with these two aspects, have progressed through the Mansion Worlds to the Celestial Heavens and onwards.

Mansion World 7: is then about still working with the deepest and residual bad feelings, whilst looking to sort out how you wrongly relate to yourself and others, nature and God because of being unloving, understanding how your relationships are unloving, how you don’t connect properly, how unloving you really are and why and fully accepting the truth of it, coming completely to grips with your parents not loving you as you needed to be loved – sorting it all out, including your self and feeling expression difficulties.

Mansion World 5: is then about going right into the depths of them, feeling how unloved you feel and seeing how unloving you are and how that makes you feel, bringing out the majority of your pain, your misery, fear, anger, guilt, hatred, boredom, terror, rejection, nothingness, feeling powerless, alone and abandoned, and so on.

Mansion World 3: is for waking up to the truth that you’re not loving and starting to get in touch with your pain, starting to accept your bad feelings, starting to work with them instead of rejecting them.

Council of Elders
now around 20
Soulgroups

More than 200 billion personalities have embraced their mind and self reliance through the misguidance of ‘New Age’ styled ideologies and the many thousands of different religious platforms, all of which take the person further and further away from our Heavenly Parents.

For a million years, humanity has gone in the wrong direction with its self-denial of self and feeling!

SOME NUMBERS:

Currently, each year we have:

130 million live births
44 million abortions
50 million or so miscarriages

224 million conceptions /
incarnations per annum.

6.5 million child deaths per
annum. About 5% of those born do not
make adulthood.

123.5 million of those incarnated
make it to adulthood.

55% of those incarnated make it
to adulthood.

45% of those incarnated do not
have an adulthood life experience.

Natural love and Divine Love, and
indeed soulmate love are quite different
energies. Soulmate love is not natural
sexual love. Soulmate love is the only
natural love that matures and continues
with us into the Celestial Realms being
beyond the 8th sphere.

Just to step back a little to the above
statistics. For each abortion there are at
least two adults involved. As there are
44 million abortions each year, then 88
million adults may be involved in that
process. That means that two out of
every three live births, that is 66% of
adults, become participants in abortion.

Global estimates of INDUCED ABORTIONS:

| | 1995 | 2003 | 2008 |
|--------------|-------------------|-------------------|-------------------|
| World | 45,600,000 | 41,600,000 | 43,800,000 |

BABIES born Each Year; 130,000,000
It is estimated that there are approximately 130 million
babies born throughout the world each year.

**Miscarriage reportedly occurs in 20 percent of all
pregnancies. This may be an inaccurate number. However,
many women, before realizing a life has begun forming
within them, may miscarry without knowing it. Therefore,
the miscarriage rate may be closer to 40 or 50 percent.**

World murder rate: 7.6 per 100,000 people per year.
The NUMBERS: Violent deaths worldwide, 2004:

| | |
|------------------------------|----------------|
| Total: | 740,000 |
| Homicide: | 490,000 |
| Indirect consequence of war: | 200,000 |
| In war: | 50,000 |

Over one million people die by suicide every year.
**There are an estimated 10 to 20 million non-fatal attempted
suicides every year worldwide.**

<http://en.m.wikipedia.org/wiki/Suicide>

DEATHS worldwide per annum: 60,000,000
**Pollution causes about 40% of deaths worldwide, i.e., are
caused by water, air and soil pollution.**

The EMOTION CODE: – this is just one tool to alleviate the cause of any illness.

In The Emotion Code, renowned holistic physician and lecturer Dr Bradley Nelson skilfully lays bare the inner workings of the subconscious mind. He reveals how emotionally-charged events from your past can still be haunting you in the form of “trapped emotions”; emotional energies that literally inhabit your body.

Dr Nelson explains clearly and concisely how trapped emotions can create pain, malfunction and eventual disease. In addition, trapped emotions can exert a dramatic effect on how you think, the choices that you make, and how successful you will be.

Perhaps the most important discovery that Dr Bradley Nelson has made is that trapped emotional energies will often gather around the heart, creating a “Heart-Wall” that may block you from giving and receiving love freely.

The Emotion Code is a powerful and simple way to rid yourself of unseen baggage. Releasing trapped emotions often results in the sudden disappearance of physical problems, self-sabotage, and recurring relationship difficulties.

Filled with real-world examples from many years of clinical practice, the Emotion Code is a distinct and authoritative new work that is destined to become an instant classic on self-healing.

The Emotion Code has been created to give you new insight, to show you how trapped emotions can cause all kinds of problems, and give you the means to release them. You can take your life back, enjoy better health, and finally be free from the insidious and subtle forces that trapped emotions are exerting upon you.

It has been a goal of Dr Bradley Nelson for many years (24 years developing the process) to teach people how to balance their own bodies and improve their own health as far as it lies within their power to do so. The Emotion Code is helping to fulfil this dream of his. It is his sincere hope that you will read it and learn the powerful yet simple healing methods that he teaches, put them into practice, and improve your own health and the health of your loved ones.

Utilising the Emotion Code, with your very focused intent, and with the appropriate application of simple magnets, you can bring specific emotions, one by one, to the surface of your body, and dislodge such negative emotion permanently from your being.

The plasmatic magnetic field of the plasma forming the essence of a negative emotion can be dislodged by the focus of your intent to remove such emotion and with the application of an outside introduced magnetic field to your governing / central meridian, the emotion can be released permanently.

EMOTIONS affect SPECIFIC ORGANS:

Emotional injuries and held errors have specific energy signatures and vibrations. So does each part of our physical body. Errors held within one’s mind affect the flow of energies through one’s spirit body, the spirit body is the template of the physical body. The resulting energy flow constrictions then initiate issues, and then pain, and then illnesses within the physical body.

FEELING HEALING versus other EMOTIONAL PROCESSING METHODS:

Thursday, 13 July 2017

Hi James and Nanna Beth (questions from John)

The question to address is:

What is different with the outlines of the Feeling Healing process as against the numerous other emotional processing methods?

Nanna Beth: The difference is the focus on the truth: uncovering the truth of yourself through your feelings – uncovering the truth of your feelings. It's a rebellion against the Truth, so if one doesn't want the truth, nothing will happen, one will only move deeper into one's rebellion against it.

And because the focus is on the Truth, so one can use it all the way to uncover the Whole Truth of Oneself. And there is nothing else teaching that.

All the other systems that involve looking to feelings to some degree fail to understand the deeper significance of wanting the Truth. Many people uncover some truth of themselves through their feelings, but mostly they end the process because they don't want to follow it right the way through, which means they only want to heal some momentary pain, and once that is done, are usually happy to continue on in their untrue state.

And because one is wanting to uncover the whole truth of oneself, then it becomes a full spiritual experience, and one that can be done by oneself, so without needing help from another, although at times help is sought and used. So the Feeling Healing embraces Healing the whole seven Mansion Worlds worth of self- and feeling-denial, which is the complete Rebellion and Default. Other systems might only work at some aspect of it, limiting the ascent of truth through all the Mansion Worlds.

And basically no one understands the absolute depth of the problem within themselves, which is only borne out by people and spirits doing their whole Healing. Much of the current psychological understanding falls well short of understanding the depths that are involved because they don't include the overall problems brought about by the Rebellion and Default. You have to understand you are rebelling against yourself: the truth of yourself, and so against your own soul; which is then the truth of God, so the Mother and Father; and that also includes the truth of Mary and Jesus. So at some point you have to rectify all those relationships, which you can't do unless you understand the bigger spiritual picture. And so that's what James has revealed, taking all Marion has said, all the books offer, adding his own stuff, and putting it all together as a way of life, a spirituality that can be lived, and one that initially focuses on Healing oneself of all one's wrongness.

Why have all other methods of releasing and delving into emotions not been successful?

Nanna Beth: Because they don't understand the scope of the problem, as I said above. They are not approaching it from the point of view of understanding the nature of one's Repressed Childhood state, the extent of that; and then how one needs to allow oneself to feel all the bad feelings, not reject them; and then bring them out, which is the releasing of them; all whilst wanting to know the truth of them – the truth of what you are feeling. And that truth is what needs to come up within you so you can heal

your will and become a truly functioning person, fully self-expressive, self-loving, and growing continually in truth.

All the other systems work within the control of the mind, so once the therapy ends, the mind regains control albeit in a different way. Only the Feeling Healing and Soul Healing with the Divine Love, seeks to entirely break the control of the mind over one's feelings.

Why haven't other methods been going deep enough?

Because people are basically afraid to push into such early childhood trauma without understanding where they are going or what it's all about. The leap of faith is too great, as it would mean they would have to rise above and conquer the Rebellion and Default within themselves, and that's simply too much to ask. The negative truth-denying systems within everyone are too deeply entrenched.

However the spiritual structure outlined by James provides a structure that allows you to deal with the Rebellion and Default, allowing you to maintain your faith, and evolve it, as you progress in your growth of truth – it gives one a picture to work with. Very few people, and possibly only Marion in fact, are able to press on into such dark depths without any structure and with only a faith that it's what she and God want to do.

I (Beth) couldn't have done it Marion's way John, I wouldn't have allowed myself to feel such pain, I needed to understand the bigger-picture reasons as to why I was in such pain, and be given the understanding that if I kept at it, one day it would end. Marion doesn't know it will end, she just keeps going one bad feeling at a time, which requires a tremendous amount of faith and over so many years and through so many inner obstacles; and still she doesn't know if it will end, but as she says, there is nothing else she can do other than keep going because she tried everything else. And she doesn't want to let her mind come in, only wanting to stay true to her feelings, so she doesn't want to know about the bigger picture even though she has worked it out along the way for herself and for James to understand which he's worked into his books.

So the spiritual aspect or approach James has provided, even if it's not actually talked about; the simplicity of honouring your feelings, and in particular your bad ones, then by accepting them you allow them to have their say, so you express them, all whilst longing for the truth, includes all one needs to know. And so by doing that, one will be able to fully Heal themselves working it out along the way for themselves; and even if they don't understand it, will be living the highest truest spiritual life one can live in one's wrongness, which in time will lead to one's Healing of one's rebellion and default.

On the surface of it, what James has related seems overly simple, but doing it yourself, and see what happens and what results; and that will take one deep into oneself uncovering the whole truth of oneself.

Many will consider that what they have been doing is adequate – why are they wrong in their understandings?

Nanna Beth: Because they don't understand what it's really all about. They don't understand the mind is in control of their true feelings, and that needs to be stopped. They don't understand the significance of their rebellion against the Truth, and how that happened by default. They don't understand that it's

about uncovering the whole truth of yourself through your feelings, all your feelings, but focusing to begin with on your bad ones because they are what most people don't want to see. Everyone else sees it that they are doing this feeling type healing to make themselves better, to rid themselves of their pain and trauma, so instead of taking a pill to take the pain away, they are using some sort of emotional clearing system. But that is all still to take the pain away, to fix themselves, to heal themselves, to effectively take a pill so it all goes away, just like what the 'Divine Love people' hope the Divine Love will do for them, but it's not to uncover the whole truth of themselves. We have to see the truth of our pain, why we're in it, how it all came about, so what really went on in all our early relationships. It's not about doing anything that just takes all our suffering away. We have suffered for valid reasons, which all have to come to light. And so only emotional and feeling accepting systems to help one see such truth of one's pain and suffering are of any worth. And unless you uncover the whole truth of yourself, you'll never set yourself free of your rebellion and default, of all your soul pain. And the truth means to see the whole truth of why you feel unloved, how unloving your early relationships were, why you don't love yourself, why you are unloving, why you are evil and wrong, which basically no one wants to face.

So to summarise: We all have to see the truth of our unlovingness. We can't avoid it – deny it. We have to face it and feel all it makes us feel. And all those bad feelings lead us into the truth of it. So we have to understand – bring to light through our feelings – all the truth of our unloved, negative, evil, wrong state. And then once we've done that, we can be free of it. So until you uncover and feel the whole truth of it, it will never leave you, you'll remain in rebellion against yourself, you'll continue to be unloving.

I have considered with James, that Marion and he actually represent the two extremes of what is involved in soul-healing. I have found one such writing by James, back in 2006, that points to this. My feeling is that their two extreme ends of the experience matrix makes them perfect for bringing together the understandings that will benefit all people, no matter what their circumstances maybe.

Nanna Beth: If we accept that Marion and James are the Avonal Pair here to reveal the essential truths to humanity about how people can Heal themselves of their rebellion against the truth of themselves, then what you deduce is correct, for they have between them had to take on every negative aspect of the Rebellion and Default and so Heal it, which is healing all the circuits on a technical level, thereby opening the way for humanity to follow.

So if you consider this John, it is pretty amazing that two people can take on all the denial humanity is in, approaching it from opposite ends, which equates to the effects of the Default of Eve and Adam (following on from the Rebellion), and that such wrongness can be concentrated into two family units, and mostly in two parent pairs (being Marion's parents and James' parents). And so what is the likelihood of that? And then for them to live in the same city being the first children of such 'bloodlines of denial', and meet each other, and at a time needed to give themselves all the time to systematically work their way laboriously up through all the negative mind and will circuits. So to be subjected to so much woe, and to be able to keep going with no help from anyone other than each other, and a little backup from the spirits and the Mother and Father on James' side, yet with that involvement opening up even more messed up and corrupted mind circuits he's had to work his way through.

So if it is true they are the Avonal Pair, it shows us all just how incredible the soul of the Avonals are, to be able to go into such corruption, taking it all on, and then working it all through and Healing themselves of it, all basically without any real help from anyone, so just on faith and pure longing for the truth.

And should they reach the end of their Healing before they die, and should the truth then be fully declared that they are the Avonal Pair, even going against all what The Urantia Book (TUB) says, they having to uncover the truth in all things whilst rejecting the untruth such as in TUB and Padgett Messages (PM), with nothing having been straightforward and of any real help, then it will be cause for major celebration.

And it's what we are preparing for, what you are too John, to see if Marion and James are indeed the Pair, and then to give them all the support they will need to do whatever it is they are to do in the public sense. This is all their private work so far, of which you and I have become substantial parts of, the doing of their Healing preparing themselves for when they are Healed.

And if it turns out they are not an Avonal Pair, they are only just a pair of ordinary mortals who've somehow managed to keep going, dealing with all their pain, longing for and bringing to light all the truth of it, then they will be the most extraordinary mortal pair because they will have been the one's who broke the back of the Rebellion and Default. So either way you look at it, it will be quite an achievement.

And so we are all waiting to see if the theory is realised by such Avonal-truth awakening in their soul at some point, for then we will all know it will be true, just as they too will know. For now Marion doesn't contend with any of it, and James only on a mental level because of what the Melchizedeks told him years ago, but it all has to come to them through their feelings like all truth, which will only happen once they've fully Healed themselves or toward the end of their Healing. Because in the meantime, whilst they are still in their wrongness and denial of truth, part of that denial is denying the truth that they are Avonals. And again the whole Avonal business has been yet more problems and negative circuits James has had to personally work through, whereas Marion has solely focused on only dealing with her feelings, not having to contend with all the other mind stuff.

James, when you feel up to it, may I have your observations please? And Nanna Beth, your angelic eye on this subject would be most helpful, if you please?

These two subjects are possibly leading to the crux of what we are sharing through the Pascas Papers. I now see that these 'colourful' handouts are essential in introducing and supporting the major publications of James Moncrief and James Padgett.

Nanna Beth: The handouts will help introduce people to such writings. But what I want you to understand John, is really it's James – because of his writings (and Marion, because she is leading them both in it all) that is what's most important. The Padgett Messages (PM) are really to be included in James' work, which he does, by taking the crucial parts and integrating them into his work – with the most important truth being that about longing for the Divine Love. So really the PM are secondary.

As you understand, the Padgett Messages can't heal you. The Divine Love is about immortality of the soul and becoming divine, it's not about ending your rebellion against the Truth. And ending the rebellion needs to come first: the Truth then the Love, then the Divine Love can be introduced, even though of course the Divine Love can be introduced at any time.

So really one need only work with James' (and Marion's) work, which includes longing for the Divine Love. People are to look to them first, and then later to Mary and Jesus. To put Mary and Jesus ahead of Marion and James can cause you problems because you will overlook what Marion and James are revealing. But as Mary and Jesus are known and with such importance placed on Jesus, and now with the PM and the Divine Love, so it's all the more confusing. Even added to by James having written focusing on and making Mary and Jesus more important than himself and Marion.

But as I said, it's Marion and James first, then Mary and Jesus and the Divine Love. And Marion and James are more than capable of also introducing the Divine Love and the truth of Mary and Jesus, which they would have done had Mary and Jesus not come to Earth. So really Mary and Jesus are not needed, and as I said, can get in the way, causing people to focus too heavily on them whilst missing the more essential truths of having to do your Healing by looking for the truth of your feelings (the 'Divine Love people' being examples of this). However with Mary, and Jesus in the PM, being so dominant, it is all just more of the confusion and part of the rebellion. And at the same time I don't want to downplay Mary and Jesus and lead people to believe they are not as important as Marion and James, for they are most important, and much more important being the Creator Pair of Nebadon, and Marion and James would rather not exist than have people think they were more important than Mary and Jesus; but as you understand, I'm just trying to put the revelation of truth into context, because it's all being revealed round the wrong way.

People and spirits were given the opportunity to deny Mary and Jesus whilst they were on Earth, taking the Rebellion deeper; and then to further deny them right the way through their age; and now further still by including the PM. And now people will be given the added opportunity of denying Marion and James, which all ends up being one huge mess. And one in which only Marion and James can unravel. For I am only saying to you now what James has already written and what Marion and he have talked about. I wouldn't dream of taking anything away from them, and it's not my place to do so.

Firstly, consider discovering the truth of your emotional pain and injuries.

Secondly, consider longing for our Heavenly Parents' Love as you progress with your healing.

Primary and most important readings are the writings of James Moncrief.

Then consider the Padgett Messages, and then The Urantia Book.

Love from us all over here – your Nanna Beth.

EMOTION HOUSE CLEANING:

We are emotional beings, a mixture of loving emotions and unloving toxic emotions.

Toxic blocked emotions such as shame, guilt, apathy, grief, fear, unloving desires, anger, and pride, are ultimately physically very damaging. Should these issues not be released they can also assign us to the hells. You can envisage these as being within your untidy basement, each tread in the stairs being one of these emotions.

Praying for God's Divine Love and embracing Feeling Healing will commence to tidy up your basement and bring you into a higher soul condition as well as better physical health.

Continue on with your Feeling Healing and the addressing of your emotional issues while always asking for and receiving Divine Love. This will bring brilliance and lustre to your first floor of your dwelling, now that the basement is clear.

It is far easier to progress up these stairs with the aid of receiving more and more Divine Love than try on your own.

As you grow in love and pass beyond the 1st sphere (floor) into the 2nd sphere (floor) you enter the realms of love, you no longer are dominated by fear. Few achieve this beauty and cleanliness.

Should you progress above the 2nd sphere by continually asking for and receiving Divine Love, then your negative emotional issues are now diminishing. Now being in the 3rd sphere, you are progressing towards the Celestial Heavens. Your home is now one of increasing beauty.

The problem for healers is that the patients own physical soul is generating the problem.

When the person who we are trying to heal, does not want to deal with the cause, the healer's power is severely diminished to assist them because their own soul is generating the problem.

All illness is of a result of the soul having these blocked emotions, which then create the illness in the physical form and the spirit body. If the person's soul condition is not addressed then the person is going to recreate the same type of problem and issues.

It is very important that we start to see things at the causal / core level, particularly in the medical and healing profession.

WE are CREATED as EMOTIONAL BEINGS:

Capping Emotions
Causal Emotions
Core Emotions

General flow of emotions through us.

Emotions get stuck, such as Anger, Resentment, Fear, etc.

Release of suppressed emotions is via the Law of Attraction.

With desire, this Law of Attraction enables us to release these blocked emotions. Your intention to be free of these negative, un-loving emotions is essential.

Longing for GOD's Divine Love will speed up the releasing of blocked emotions.

Repressed / suppressed emotions result from walking away from Love.

2 April 2013

Prayer is not something which must follow a prescribed set form. The forms you have been taught and offered are simply guides to satisfy the assumed need for a ritual or defined form of living or worship. Do you really think that Our Father demands that his children worship and fear Him? Simply acknowledging that you are His child and that you are loved is enough. Prayer may take infinite forms. Any loving act is a prayer as it connects you with Our Father. Every time that you acknowledge the beauty of the world or recognise that there is some wonderful synthesis that you might not understand, you connect more fully with Our Father. When you do this with sincere awareness the connection is stronger and even stronger again when you have sincere desire for the spiritual benefit of yourself or another.

There is not one of you who truly knows the degree to which you are influenced by the beliefs that you carry. There is not one of you who truly knows just what your beliefs are. Most of them were learned wordlessly through emotion that imprinted itself upon all aspects of your being. Some are stronger and deeper than others. All are changeable. Have faith in that fact. All of us in the Celestial Realms attest to that.

8 April 2013

You have learned to perceive your physical body as very solid and not plastic. Every state of your body, emotions and mind is subject to change in each moment. The more solid and unchangeable you sense it to be, the more difficult will you find change. All of the physical measures you take to counter the elements you wish to change will tend to reinforce the solidity of the dis-ease. Certainly use the physical measures if you assess them to be valuable and use them in association with prayer and with imagination. Your imagination, visualisation or dreaming or whatever term you choose to use has great power. When you use external measures and ascribe power to them, you also ascribe power to the issue you wish to change and you tend them to thwart to natural measures that your body can take and will take if allowed to do so. The physical measures are based and assumed knowledge of the issue and its causes and this supposed knowledge is often quite erroneous. All physical, mental and emotional issues result from disharmony and disharmony of this nature will never be resolved by the application of external forces however well intended. When you become anxious you increase the disharmony and therefore the problem will tend to escalate.

When you use external measures, do so with love. Do this by offering them to your body as a gift and remain sensitive to how your body receives this gift. All of the parts of your body know how to function in harmony with all of the others. They have struggled to function in the presence of the disharmony of your life for a long time. Take time to love yourself and your body as it is now without needing to change it and allow yourself to begin to sense what your body wants to do and how it wants to do it. This may sound vague and incomprehensible. Attempt to move past your worries all of which serve only to cloud your sensitivity to yourself. When you worry you use your imagination to worsen the problem that concerns you. Use your imagination to help yourself. Imagine that your body does know what to do in order to be a body and allow yourself to feel how you can facilitate this process. When you pray for Divine Love, imagine that the love flows to all parts of your body and mind and that it facilitates change.

Your body deserves your gratitude and thanks for the way that it is serving you despite your efforts to confound it. Your body is the most immediate environment that you experience and constantly offers you information about itself and the harmony you have with it. You always need to pay heed to the sensations you have and to respond to them in ways that increase harmony with yourself.

16 April 2013

In our progress in the spirit world we see very clearly and experience the marvellous transformation of souls as we progress. The creation of the first men occurred when the physical vehicles became evolved to the degree that they were fit to harbour souls. A physical body is the soul's instrument of communication with the physical as it becomes individualised. Therefore the physical body needed to be such that would allow a soul to develop as it needs to. As you are aware, it is the soul which is created in the image of Our Father and not the physical body. The soul through the spirit body essentially shapes the physical body in combination with the physical elements that are drawn together in the process of germination and physical development.

Throughout all of the ages that souls have been born onto the Earth there have been many occasions where the developing body, has for one reason or another, been unfit to harbour a soul and the soul has needed to depart so that what is called a spontaneous abortion or miscarriage has occurred. There is fragility within the robustness of natural life.

The very fact of placing a soul into a physical body produces marked changes in that body and these influences profoundly affect the ensuing evolutionary process. The insertion of a soul provided a personal connection with God in a way that had not previously existed for any being. Man was created by a suitable physical creation being gifted with a portion of his Creator (image only). Whereas man is still a creation he now has the potential to once more to become one with his creator. These influences are such that they have the power to carry a physical body through its physical life and then through its continuing evolutionary process to become perfected natural man. This means that the process continues on Earth and onward to the 6th sphere. Under the influence of Divine Love he can progress beyond this point to enter the Celestial Realms. All growth processes are evolutionary.

Evolution also allows for the cessation of progress of those creations that are no longer fit for the environment in which they find themselves. Throughout the history of the evolution of the Earth and its inhabitants there have been many cessations of progress which are called extinctions. Many of these are sheeted home to human activity and this is so in some cases. The evolutionary process which is following Divine Law allows for and accommodates these 'extinctions'. My saying this is in no way intended to abrogate man from his responsibility to care for the Earth and all of its inhabitants. Ignoring this could lead to the development of environments for which many men are no longer fit to survive. The total environment of Earth and all of its inhabitants is very robust while its balance is maintained but it is also sensitive to imbalance and mankind needs to develop greater sensitivity to this. In the robustness there is the capacity to create situations where there can be major readjustments over which mankind will have no control. Eventually harmony will have its way. It is best to walk in harmony now and discover the ways that your steps are eased.

It is recorded that the creation of man as a soul bearing being occurred when the suitable vehicle was ready. This vehicle was the result of countless years of development and growth. As the appropriate time God created the souls and man was created.

Divine Love was re-introduced by Our Father when the soul bearing beings were fit to receive it. As we have often said, this love has the capacity to foster a different evolutionary process which has the capacity to carry man along the path to enter the Celestial Realms and to become an angelic being. Those who live in these realms have become different in many essential ways from those who have progressed to the 6th sphere. We are often perceived as being a separate species. This evolution takes us to the point of shedding the last vestiges of the Earth into the state of enjoying eternal life. The Earth and those who arose from it and who still carry the vestiges of it do not have the promise of life eternal. This is not a condemnation of any spirits who have assiduously followed this Natural Love Path. It is simply a recognition that they have not evolved to be fit to move beyond their present state. They do have the capacity to do so if they will take into themselves Divine Love which will then allow them to proceed on this other pathway.

Accepting Divine Love is an act of Free Will. However, carnate man may have Divine Love enter his soul as he lives in harmony with all life with a strong spiritual awareness and an awareness of Our Father however he may consider God to be. By his Free Will he has established the conditions which allow him to accept the Divine Love.

Man may proceed to the 6th sphere without ever having acknowledged that God exists. This perfected natural man has evolved to his limit as he lacks the extra element of harmony with the true spirit of God, Divine Love, which will enable him to progress further.

You must consider all of what I have said above without any sense of judgment of the rights and wrongs of it. You will come to understand this as you learn to accept the rightness of this process within the totality of Divine Law. You can consider the process as evolutionary in that each one evolves in his chosen environment if he is fit to do so. In this context, fit means fit to live in that environment in much the same way that a plant will grow in the place where it can and not where it cannot.

There is a tendency to regard spiritual process as something out of the ordinary or supernatural when this is far from the case. Does it seem too ordinary to consider that Divine Love is a divinely created influence upon evolutionary process? It is a most marvellous influence and it is now part of the background of human evolution. As awareness of its presence increases it will actually be accepted increasingly in the way of all the other God-given wonders of living. I don't consider that it will be devalued in this way but that the level of knowledge of it will be greater and it will be considered truly as it is. It is a totally natural gift that is available to all who are capable of accepting it. We are completely conscious of the presence of Divine Love at all times and are filled with gratitude for this gift and accept it as the natural essence of our living.

You may ask why you are asked to pray for something that is available to all. You are all in the process of learning about Divine Love and its wonders. You are all in the process of learning about harmonious living. Prayer is a wonderful learning tool and process. I don't speak of the praying of empty words and demands. I mean the prayer that recognises the existence and omnipotence of Our Father. This is prayer that originates in and emanates from your heart rather than your mind. As you are able to feel your prayer more deeply, the more you are learning. Prayer is a personal process. However it is possible to use the accentuating process of joint prayer and increased emotion to increase your sense of

connection with God. Love is emotionally experienced and is not a mental process. Praying for Divine Love is a way of accepting and learning about it and about God.

As a physical being needed to have reached a stage of fitness to accommodate a soul so a soul must have developed to a stage of fitness to accommodate Divine Love. Your prayer is conditioning your soul to render it fit. Prayer in whatever form you choose is material to the evolution of your soul. We in the Celestial Realms continue to evolve. Living is unendingly dynamic.

Whereas I speak of spiritual influences and effects as being part of the normal fabric of life, I consider that it is vital to have as much awareness as possible of such things. You are, as we were, completely immersed in the mundane which often regards many misunderstood things as miraculous when this is not strictly true. The more you know of spiritual reality the greater will be your capacity to see the 'miraculous' in the ordinary fabric of life and the ordinary in the miraculous. You will also increase your capacity to recognise the untapped potential that transforms the mundane into the spiritual. Each and every one of you is actually much more than you recognise because you are still learning to own the extended reality of your being. Every little thing has elements of the miraculous within it. A major step in your personal evolution lies in the recognition of this with respect to yourself.

30 April 2013

When you simply allow your life pattern to 'unfold' without awareness this also registers as unloving and therefore produces the varying patterns that are so common in humans and which are quite unhealthy. Of course many if not most of these unhealthy patterns are produced by overtly unhealthy and unloving attitudes towards your bodies. True love of self is quite uncommon on Earth at present. However there are many who are seeking to discover the ways to do this and most are seeking outside themselves and looking at diet and other physical behaviours and, of course, finding a plethora of things to do to make changes. Your bodies are quite elastic and accommodating organisms and will respond to most changes applied to them but not necessarily in the ways that are desired.

When you learn to truly love yourself you will discover that this encompasses everything about you at any moment. That means that this is a dynamic process **allowing change** and **not demanding** any particular appearance of pattern of behaviour. Your process of monitoring these patterns and changes is by feelings and emotion. Unfortunately, feelings of discomfort tend to be regarded as evidence of something being 'wrong' and needing to be changed. This usually is applied outside yourself, so to speak, rather than being regarded as a call to respect your inner process and to return to a loving attitude to yourself. Do you understand that considering that something is wrong is quite detrimental to your well-being? Many will find great difficulty understanding my meaning in this.

When something is out of balance in your body resulting in dis-ease, this is evidence of the natural response of your body to the influences you have applied to it. Most of these influences are quite unconsciously applied which in no way absolves anyone from responsibility for their causation. The general state that exists in humanity is one of gross lack of awareness of your relationship with your bodies and this has arisen because of identification with your bodies as being yourself rather than one of the vehicles for yourself. What I say is in no way condemnation but simply a statement of what exists. The degree of confusion that exists at present is evidence of change occurring in these attitudes. Most of the newly appearing 'healing' regimes and modalities represents an advance in knowledge but few of them are, as yet, truly relating to the Truth that underlies all life on Earth.

Your bodies are maintained by homeostatic mechanisms and you exist in the context of other immediate and more general homeostatic mechanisms that interact to produce the overall homeostasis of the whole Earth and its occupants or inhabitants which functions within a further homeostatic process that is universal. When you accept that love of yourself is the guiding or major influencing factor in your bodily homeostasis you will begin to recognise that the love of yourself needs to continue beyond what you consider are the boundaries of your 'self'. When you attempt to grasp this as a totality from your present attitude or view of the universe, this may seem an impossibility or simply too massive to grasp.

When you recover the manner of being that is like that of a small child this will become much simpler. Small children indulge in what may seem to be 'magical thinking' which is simply unrestricted thinking and feeling. They have not yet adopted the generally existing limited thinking of humanity but are feeling to power of their true selves. To think immediately and focally about themselves and in the moment they are able to conceive in an unlimited fashion. Is this hard for them to do? No it is not as it is perfectly natural and easy and joyful.

Most adults have matured in ways that have eliminated the ability to be like this as all have learned the 'necessary' constraints that 'enable' them to live in society. They have, however, lost the capacity to live in their own immediate moment in which all is possible. Loving yourself with a love that extends beyond your own perceived boundaries and spreads in an unlimited way literally to the breadth of the universe is an immediate, simple function that embraces, without effort, the acceptance all that is in your awareness at any moment. It does not require you to have a concept of the universe or of how this might be or indeed what love is. It requires only that you feel benevolently about yourself without judgment at any moment. Most believe that suspension of judgment requires effort whereas the opposite is true. Making and maintaining judgment is a very demanding process that requires large commitments of energy. The process of judging self and others has become accepted as natural and necessary and the awareness of its destructive capacity has been largely lost as it has become acceptable behaviour.

To become like a child one does not have to behave childishly at all. This is learned simply by paying heed to the moment and what it contains and approaching this with acceptance and without any judgment of good or bad or in between. This is actually easier than it may sound to you. Most hear this as meaning that there are many things that they 'must not do' when it actually speaks of what is possible to do. Nearly everyone is addicted to doing or acting and losing the sense of being. Most action is guided by judgment and this in itself is not bad. However most judgment is flawed and this leads to flawed actions however well intentioned they may be.

Now doing this is possible in simple ways without expectation of yourself by simply being aware of what is immediately in and about you. This does not require meditation although such a process may help. It needs only looking, listening, feeling for a moment and then perhaps for another. There is no test or assessment applied. It does require that you remind yourself to do this again and again. Everything that you regard as natural in your behaviour is something that you have practised with or without awareness. Let this happen with awareness and allow it to become the natural and normal method of your relating to yourself and all about you. You will, by default, tend to revert to your most practised patterns and you can change these.

2 May 2013

All true spiritual evolution on what you call the Divine Love Path involves the shedding of belief and the release from the effects of these beliefs. Any pain you may experience in this process comes from your level of resistance and the resultant desire to perpetuate the belief. This substitutes long-term pain for rapid relief. There is actually no need for any pain to be experienced in the process of spiritual evolution. Once again you feel resistance to this statement. Do I mean that I was able to progress without pain? The answer is NO. I experienced a great deal of pain as did most if not all of my friends and fellow dwellers in this realm. It is from our present position that we can now know that this is unnecessary and we wish to plant this concept in your minds. We do this without any expectations that you can or will be able to immediately apply this concept in your lives. We also specifically do not mean that this is achieved by denying any pain that you experience. Pain is always evidence of resistance and is a valuable indicator of what you may need to do at any time. The emotional pain that you feel may be due to resistance to the expression of an emotion but is always due to the conflict between a belief that you hold and the truth about you and your relationship with all life and with Our Father. I could differentiate between what you could call pain of physical origin caused by injury or illness and pain arising from the resistance to facing emotional issues and such differentiation is valid to a degree. However, in the long run they are not different for the physical issues that have their origin in emotional issues which will all have arisen from beliefs. These beliefs may be your own or the effects may derive from what could be called inherited belief and unresolved issues that have been passed on from your forebears. Wherever the origin, once you have these issues, they are yours to resolve and this is possible.

At a very basic level, virtually every person holds a multitude of beliefs that militate against loving yourself. The general tenor of education of people in humanity is restriction of freedom and creativity. By education in this sense I mean the total of influences on people from the moment of their conception to the time of their passing into the world of spirit and often well beyond this transition. On Earth your God given Free Will is usually exercised in a way that is very limited by social belief and man created rules and beliefs which tend to be directed against people and to put one above another. God's Laws allow total freedom of expression of Free Will even if this transgresses these Laws. The transgression incurs a penalty that is individually incurred and not directed at humanity in general. Each person who transgresses God's Laws feels his own particular effect of this. This is not a punishment but only a natural consequence that allows this person the opportunity to take personal responsibility for his actions and to learn and to change. The pain that anyone feels is a result of resistance to acknowledging the effects of one's own beliefs and the accumulated effects of transgressing God's laws. None of this pain is inflicted by God but always by yourself and is evidence of disharmony. Remember that there is no personal escape from any of this by claiming that the belief or action that transgressed God's laws was a general belief or action taken as part of a mass movement of some sort such as social, political or military activity. The size of the group to which you claim allegiance whether it is a couple or the whole of humanity matters not at all, you are always personally responsible for everything that you do at any level of human activity.

Whenever you undertake one of the simple processes that I recommend you will encounter yourself. In doing this you will find aspects of yourself with which you are not pleased and from which you may desire to run and hide. Every one of these things is but a thin cloak and a shadow behind which is an aspect of yourself which you have denied and which you will love when you accept it. Whenever you face any desirable aspect or behaviour you create, in effect, an opportunity to see yourself as God sees

you. We see you as Our Father sees you and it is to this that we desire to lead you. Much of your apparent pain is due to the discrepancy between your view of yourself and the true aspect. We often smile at the recognition in you of the ways in which we struggled to avoid seeing the truth of ourselves.

Spend some time in consideration of the fact that all who progress in the world of spirit discover increasing beauty at every level and speak of the wondrous sights that surround them and the beauty of the way they feel about themselves and others. **Consider that every level of progress actually represents a new discovery of yourself and who you are and every such discovery takes you closer to Our Father.** In the 7th sphere you eventually shed all of your worldly baggage and are then able to accept yourself as you were created and it is then that you are able to enter the 8th sphere and become At One with God. Consider further that your own world becomes more beautiful with every aspect of yourself that you learn to love. Consider this in terms of your responsibility to yourself and to humanity. We cannot create this for you but our knowledge of the truth of this gives us the deepest desire to do all in our power to lead you in this direction. We confront you with yourself to assist you to discover the truth of you that God knows and we can see.

Life in spirit is not a time of dreaming but in discovery that living in Truth is more magnificent than any dream that you could ever imagine.

This is enough for now. Go with our love and blessings.

Healing with
Divine Love is
the key!**

Our Heavenly Mother and Father simply desire for us to ask for Their Love.

“Every day is a day of devotion.”

Please Mother and Father, may I receive Your LOVE.

God's Divine Love: Pray for it, ask for it, and receive it.

Our salvation IS the embracing of Feeling Healing with Divine Love.

ASPECTS of LIFE:

The spirit body is composed of a different kind of matter, "finer" or more "ethereal". The fact that its aspect reflects the condition of soul is a clear indication that the soul influences largely its formation, and even more, the soul is indeed the creator of this body, which covers it and provides it with the characteristic of individuality. The formation of the spirit body begins at the moment of incarnation of the soul in the foetus, incarnation which only takes place should there exist a high probability that the spirit of life has found in the new organism a stable biological structure, allowing it to carry out its life-giving function.

P529 Judas of Kerioth 8th May 2002

At the moment of conception, we incarnate, that is, we achieve individualisation and become self aware and we are then able to exercise our free will.

At the moment of conception, our soul, being our real self, is creating the newly forming embryo and everything else every step of the way as Judas says above. And our soul utilises our parents' life forces to achieve incarnation.

At the moment of conception, there is nothing of the Divine within us. Only as we proceed to ask for and receive Divine Love does our soul slowly and progressively change into the nature of that which is Divine. As our soul receives Divine Love, and embraces Feeling Healing, it will grow, and grow, and grow in brilliance and into that which is Divine.

CREATION, DEVOLUTION and EVOLUTION:

Aman and Amon (also called Andon and Fonta), our first parents, physical being was born of natural parents, who in turn had been born of their own parents. Their bodies were not created instantaneously, but evolved just as all of God's creatures evolved. Aman and Amon were both nurtured physically as infants and then children. **But our first parents' souls were placed in them when they were already adults.** They had no clear memories of their earlier life before that great moment. As soon as they possessed a soul, all of the normal human psychological manifestations appeared.

There were aunts and cousins, parents and grandparents. But they were not human like Aman and Amon – they were really animals, though of the same species. Aman and Amon wandered off from the family, since they could find no way of relating to them at all. How could they? They were incapable of rational thought, speech, or anything human. Aman and Amon knew that forevermore they were apart.

They were indeed a primate species of humanoids. But Aman and Amon (they were not Adam and Eve) were more beautiful than their animal relatives, and knew, even from their very appearance, that they were marked even by Nature to be different. The human body, without a soul, calibrates at 200 on Dr Hawkins' Map of Consciousness. Domestic animals typically calibrate 200 to 250. Our soul is the source of our personality, intelligence, and memory. Our soul is formed from the energy substance of natural love. There is nothing of the Divine within our soul.

The First Parents did not recognise the full beauty of the gift of Divine Love, and subsequently it was withdrawn. Man, left to his own perseverance and determination can develop into the perfect man with only Natural Love, however that is a slow and tedious pathway and limited to perfection of the soul, fit only for the 6th natural love spheres.

By embracing Divine Love and one's Feeling Healing, man can become fitted to enter the Celestial Heaven and higher in rather quick time. One's life on Earth, living with the Love and embracing Feeling Healing, can be that of living in Heaven!

Further, Feeling Healing with Divine Love, has a powerful positive effect on the physical body, balancing the hormones and generally promoting physical health, which is really the same thing as saying that the state of a mortal's soul impacts directly on that mortal's physical health.

The REAL YOU is the SOUL:

One's personality, natural intelligence, memory and human attributes all are soul based. The soul initiates conception so it can start expressing one of its two personalities in Creation. It creates the will, then 'wills' the spirit body and physical body and all that connects them with the will into being. Our soul constantly sustains or expresses us, one of its two personalities, in Creation. The spirit can't separate from the soul because the soul keeps it in existence. We need our spirit and physical bodies to experience our personality through. When the spirit body separates from the physical body, one continues on living in a different form without losing any of the attributes experienced during physical life. Incarnation is the process of individualisation of the soul.

Without a soul, our physical bodies would function and interact similarly to that of a domestic animal. An unsouled human body (thought not possible) would respond like a household puppy! Domestic animals calibrate on Dr David Hawkins' Map of Consciousness between 200 and 250, the human body calibrates at 200. All animals have spirit bodies, these do not survive into the spirit Mansion Worlds. Our SOUL IS NOT ENSOULLED IN OUR SPIRIT BODY. Our soul exists existentially in a whole different level or plane or place or dimension of being – 'soul land'. It doesn't exist in Creation, it's not experiential like Creation is. The soul, all souls, help create their part of Creation by expressing their personalities into Creation, and then by having their personalities do things (further create) in Creation.

Our first parents, Andon and Fonta (also called Aman and Amon), were the first to exhibit human perfection hunger some one million years ago (993,500 years ago). Adam and Eve, Adamite bestowals, arrived some thirty eight thousand years ago – or earlier.

Aman and Amon were the first True Humans, which means, the first soul expressing its soulmate pair, its two personalities, in Creation – on Earth. From which came forth the rest of us. So they had a soul from the start, which separated them from their animal parents. It's the soul that wants to fully express itself through its two personalities perfectly in Creation, which is the so-called 'human perfection hunger'. It, our soul, wants to be Perfect like its Heavenly Parents, the Soul that Created it. We, focused as personalities, want to be perfect, like the Personalities of our Mother and Father that are Perfect. Our soul wants to be like Their Soul. Our soul wants to ascend us to Paradise so we can be with Them, as physically close to Them on a personality level that we can be, and then see what happens.

There were aunts and cousins, parents and grandparents. But they were not human like Aman and Amon – they were really animals, though of the same species. Aman and Amon wandered off from the family, since they could find no way of relating to them at all. How could they? They were incapable of rational thought, speech, or anything human. Aman and Amon knew that forevermore that they were apart.

Aman and Amon may have been twins. They were indeed a primate species of humanoids. But they, themselves were more beautiful than their animal relatives, and they knew, even from their very appearance, that they were marked even by Nature to be different.

The MIRACLE of the CHANGE in NATURE of ONE’S SOUL:

When man, by the way that has been pointed out to him, becomes possessed of the substance of our Mother and Father’s divine nature, even in an initial degree, his soul commences to change and lose its character as a mere image, and to progress towards the attainment of that condition when this image disappears and the divine substance takes its place. And as the progress continues, he receives so much of the substance that his soul takes on the Divine Love nature of our Parents, and his at-onement with the Father becomes so perfect that he becomes an inhabitant of our Parents’ kingdom. This occurs when he becomes fitted to enter the first Celestial sphere. Here occurs another change which may startle those who teach that the mind is the essence of God and that is, that the mind – which man, both as mortal and spirit, possesses up to that point in the progress of the soul where the transformation into the divine nature takes place – becomes a thing of naught (or rather becomes absorbed in the mind of the soul), which is the real mind of our Parents. Then and ever after, only this mind of the soul is that which enables the real divine man to understand the things of God, to help him in his progress.

Your friend and brother – Jesus **March 23, 1916** P.340 Book of Truths via Joseph Babinsky

Incarnated soul’s progress, without Divine Love, is limited to 6th sphere – Kingdom of Man. Receiving Divine Love with Feeling Healing progressively changes the nature of the soul to that of Divine, the growth of such change soul is infinite – Celestial Heavens.

DIVINE LOVE is a SUBSTANCE

Angels actually do not have wings.

One's soul can grow from the condition of a dark dried up pea to that of a Celestial Angel by asking for and receiving Divine Love. Divine Love changes the essence of the soul to that of the Divine. Nothing else can do this.

LETTING GO with The LOVE:

Find a comfortable position to relax and be still and free from interruption. This may be for a few minutes or as long as you may please.

Long for and ask our Heavenly Parents for Their Love, the ultimate high octane super fuel being the light golden blue energy substance of Divine Love. Each little drop of the Divine Love received whilst doing one's Feeling Healing prompts one a little further. Ask for assistance and the Love to enable held errors of thought and belief to be released. One's personal intent and involvement in letting go of past incurred difficult emotions is most beneficial.

Step 1: Focus on an issue that you would like to feel better about, and then allow yourself to feel whatever you are feeling in this moment. Identify the negative feeling. Focus quietly on the feeling. Breathe into the sensations and allow them to be.

Step 2: Ask yourself one of the following three questions:

- Could I let this feeling go?
- Could I allow this feeling to be here?
- Could I welcome this feeling?

The mechanism of letting go is concerned with the emotional “what” from moment to moment, without involving the intellect. What is the benefit of this emotional feeling? What is the point of holding this hurtful belief at all? One may start laughing at the absurdity of long held errors or injuries upon reflection. **Breathe into the sensations and allow them to be.** Your willingness to accept the sensations may intensify them. This is okay.

Step 3: No matter which question you started with, ask yourself this simple question: Would I? In other words: Am I willing to let go?

Step 4: Ask yourself this simpler question: When? This is an invitation to just let it go NOW.

Step 5: Repeat the preceding four steps as often as needed until you feel free of that particular feeling.

The only way we can truly let go of them is by SPEAKING THEM OUT OF US, getting right into them with the feeling, and emoting and expressing it – whilst longing to see the truth of it...

Our willingness to let go thinking and accept what's happening is our ticket to inner freedom. Each time you sense a disruption inside, turn down the volume on the thoughts, breathe into the sensations and allow them to be. This is what we need do to let go. Simple. The challenge comes in being vigilant with letting go all negativity – no exceptions.

This process is ever so freeing and uplifting, though sometimes difficult.

**Feeling Healing
with Divine Love is
the key!**

Reference: ‘Letting Go – The Pathway of Surrender’ by Dr David R Hawkins

WE are meant to grow up LIVING FULLY CONNECTED to our FEELINGS:

Humanity has always had an awareness and involvement with spirits, with life on the other side, because we are all heading that way, we all end up dying and becoming one of the spirits, and were humanity living rebellion-free, then nearly everyone would enjoy some level of spirit involvement either directly or indirectly, loving such an expansive awareness in life.

We are meant to grow up living fully connected with our feelings in our physical reality, and at the same time with full feeling awareness of spirits and life after death, because after all, God is the greatest Spirit of us all.

And so having an awareness and involvement with spirits can, and should, help us have more of an awareness with our Mother and Father. And it's not with just spirits, it's also with the angels who are with us all the time, and the nature spirits should we be open to them, and even higher spirits if we are to work with them, such as the Melchizedeks or Trinity Teacher Pairs. But mostly for those people involved with the Divine Love, it will be with the Celestials spirit group that is assigned to help them.

It is very important to understand that spirits and spirit life is meant to be part of life on Earth. However that's not to say everyone need to have an ongoing relationship with their spirit friends, but they can at least still be aware of spirits and spirit life and where we will be going and something about what to expect once we die. And when you are open to it, lessening the grip of one's fears about it, then we will find it will be just another aspect or level of life, and one that can give us quite a lot of comfort.

TRUTH LOVING SOUL V ERROR INFLICTED MIND

**Feeling
Healing with
Divine Love is
the key!**

To liberate one's real self, one's will, being one's soul, is by embracing Feeling Healing so to clear emotional injuries and errors. With the Divine Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

FEELING HEALING + SOUL HEALING

To heal one's self is to simply look to see what feelings we are refusing to let ourself feel, and accept them instead of denying them. And to fully accept them, one needs to express them, speak about them, let them have their say, rather than pushing them aside, refusing to let them make you feel bad.

Doing this all with the intention of seeking the truth of why you are feeling them, of speaking about and expressing all such feelings; all feelings you have, but ALL WITH the INTENTION of UNCOVERING the TRUTH THEY WANT YOU TO SEE ABOUT YOURSELF. And it's the wanting to see the truth of them that is very important, because if you just look to accept them and speak and express them, but not seek their truth, then that's all you'll be doing, speaking and expressing them, but not healing their causes, so not fixing the things within you that are making you feel bad. And it's the truth part of it, seeking the truth of your feelings, and so, seeking the truth through your feelings, that's vitally important. It's the truth of yourself, life, nature and God, that is the spiritual aspect to it all.

You CAN'T find the truth of yourself, or anything else, through and with only your mind. You HAVE to engage and look to your feelings. And so if you choose to allow your feelings to 'Show You the Way', then the truth will come as you express them. So to do our Soul-Healing consists of these steps, all of which are ongoing until it's done:

- **Admit you are feeling bad.**
- **Accept your bad feelings, identify what they are.**
- **Honour fully your bad feelings by expressing them, speaking about them to someone who is willing to hear you talk about them, or tell them out loud to our Heavenly Parents. Long for the truth of them. Long for the truth of why you feel bad – what deep within you is causing your bad feelings?**
- **And remember, bad feelings are Good! Not bad. They are not to be despised. And as hard as it is to accept them, they are still you, and a very real part of you. And if you persist in denying them and not allowing yourself to fully live them, then you are only going to keep yourself in your errors making things harder for yourself.**
- **All sickness and suffering, all bad things that happen to you, all your problems, all your addictions – your whole feeling-denying and untrue life, is all caused by your denial of bad feelings.**
- **Every problem in the world is brought about because everyone has been brought up to deny feelings, and in particular, most of their bad ones.**

If one is intent on spiritually evolving and growing in truth, then it's vital, and this is the key, that one looks to use one's feelings as the means to gain and have access to the truth of oneself. You CAN'T find the truth of yourself or anything else through and with only your mind. You HAVE to engage and look to your feelings. And so if you choose to allow your feelings to 'Show You the Way', then the truth will come as you express them.

Doing your Soul-Healing with the Divine Love, is really doing your 'Feeling-Healing'. We are designed — created — to be self-revealing of truth, and so we are all to uncover the truth within ourselves and for ourselves, and all being done by living true to our feelings. **If you accept, express and seek the truth of your feelings, then truth will come to you, and you'll grow spiritually. It's as easy as that. Also it is as easy as it is to long for, ask for and receive Divine Love.**

THE HEALING OF YOUR BAD FEELINGS THROUGH THEIR ACCEPTANCE
AND FINDING THE TRUTH OF THEM, IS THE ACCEPTANCE OF YOUR
NEGATIVE, REBELLIOUS, EVIL, IMPERFECT MIND AND WILL CONDITION.

To do our feeling-healing we need to become:

Aware of – Acknowledge – and Admit, our bad feelings.

So we can:

Accept – them and allow ourselves to Be them.

And then if we feel to, take:

Action – Express, speak and emote them.

Talk about them.

All being done whilst longing to, really wanting to, see the TRUTH of our feelings.

So it sounds simple.

So I repeat:

We accept our bad feelings by expressing – speaking about them to someone willing to listen to us and take us seriously. And as we speak we long for the truth of them – why we are feeling them – to be made known to us. And when we uncover and see the truth we are FREE! – healed of the causes that have made us feel bad.

Accept, Express – see the Truth, and you're Free!

ACCEPTANCE OF ALL YOU FEEL, THINK AND ARE, IS THE KEY TO DOING
YOUR HEALING; THAT, AND WANTING TO SEE THE TRUTH OF ALL YOU
FEEL, THINK AND ARE.

Release one's pain through expressing one's feelings.

Longing for the Truth when also longing for Divine Love.

Our FEELINGS are our SUPREME GUIDES:

Feelings!

Feelings are what guide us through our ascension of truth. So they are really our Supreme Guides. Many people look for a person, spirit, angel, even God, for supreme guidance, however it's all right there already built in – in our feelings. We just have to submit to them, allowing them to take us where they will, expressing all the parts we want to express, letting the emotion drive that expression if it's there to be expressed, or just talking about all we feel and how feeling that feeling is making us feel – or, how we feel about having that feeling, all whilst longing for the truth of our feelings. Longing for the truth of our feelings is really: Longing for the truth of our self, because: we are our feelings. So life stirs up our feelings, we feel being alive; or, being alive means we are feeling, always feeling; and when we work out what and why we are feeling what we are, so then we know the truth of how we are. And over time the truth accumulates, and our mind expands our understanding of ourselves, all being driven from our feelings. Kevin 26 Sep 2017

Using our feelings to uncover the whole truth of our negative or anti truth and anti love state.

Kevin: So whilst we're of an untrue state, then all we have got to help us understand why we feel bad, why we are wrong, why we are negative and anti love and truth, is our feelings. So if we focus on our bad feelings, they will lead us to the truth of why we're feeling bad. Which will be the truth of what happened to us to make us be this wrong way, and how we took on the wrong way and keep it going making us feel bad.

FEELING HEALING

Note: The vital difference between emotion and feeling is that emotions have their roots in the past, and feelings relate to the present moment. Emotions represent our feelings which were not previously expressed, and these accumulate with time.

Note: Our feelings are soul-based. Our soul is always in truth. It is our soul based feelings, that when allowed to be freely recognised, we will begin to express and be who we are. This takes time and perseverance as we have encrusted our souls with layers upon layers of errors and false beliefs, it is these layers that will confuse the truth that our soul is conveying to us. Only by our progression with our Feeling Healing will our soul's expression of truth become clear and free of all cloudiness and contamination.

“What our soul needs in accordance with our own, individual, **Soul-Light-Plan-Of-Destiny** (your life's true destiny plan), They, being our Mother and Father, will give you as required. The only way we can know truly what we need is to honour and follow our true feelings. They, springing from our soul, literally telling us what we need, and so when we genuinely feel we need something, we apply our will to get it. The hard part is knowing if our feelings are true, and until we have done our whole soul-healing, they won't be clear and total true.” James – Introduction Course to Divine Love Spirituality

 Learn to live with God through your Feelings

Accept, express and long for the truth of your feelings

Be free in your feelings
 Free your feelings from your mind's control
 Live true to your feelings; your feelings are your true self
 Live true to yourself through your feelings

Live true to yourself by living true to your feelings.
 Long for the truth of your feelings.

Accept / Express / Bring out ALL of your good, and most importantly,
 BAD feelings.
 Want to understand why you're feeling them.
 Use your surface feelings to take you deeper into your repressed and
 hidden feelings.

The Feeling Way is the True Way.
 Your feelings are your spiritual guide.
 Your feelings will take you to God.

Your feelings will show you the truth of your relationships, including your relationship with God; and if anything is wrong, untrue and unloving, then why it is.

Our feelings are sacrosanct and we should respect them accordingly. And we should NEVER block them out, ignore, override, banish, deny or reject them, because if we do, we're only doing that to ourselves, as Our Feelings Are Our Self.

Our feelings are the gateway to our soul. Our feelings are the closest we can get to our soul. Knowing the truth of our feelings is knowing the truth of our soul, and knowing the truth of God.

Feelings First Spirituality is the True path for humanity.
 It embraces all people.

It completely unifies the world.

Everyone can relate to everyone else through their feelings.

And we can all live the truth that comes from our feelings, all sharing the same truths as we express and have the same feelings.

No one need be left out; no one is more special than anyone else – we are all united in Truth through our feelings.

So with and through our truth we live our lives, therefore without the need of any man-made mind-laws, rules and restrictions that limit self-expression as inspired by our feelings.

The New Way, Feelings First Spirituality is what is to replace all man-made, mind-contrived religions that so many people have enslaved themselves to. The New Way, Feelings First Spirituality will set us free of all that control, ending the Rebellion and Default within ourselves as we do our Feeling-Healing, and ending such control and spiritual stagnation in the world.

Bring on the End Times – get it over and done with! Let's all see that Jesus is not going to come again, that Prophecy has failed all the mind-controlled platforms. Allow such false systems of belief to die their long-awaited natural death, they've overstayed their welcome, it's now time they fade away. So let us show such antiquated, erroneous systems of belief the exit and bring on the fresh liberation of discovering the truth of how we are to live for ourselves, each of us personally in our lives, and all by looking to our own feelings for it. Self-revelation through our feelings is the way to go.

The Way of the Mind is ending, and is really the End Times – the End of our mind control, and **it's about time!** With the Way of our Feelings replacing it.

The End Times means the end and therefore a New Beginning. And that new beginning is a whole new Spiritual Age – an age based on self-revelation of truth through one's feelings, coupled with and supported by higher revelations from the Celestial spirits, angels and nature spirits.

The Feelings First Spirituality is the True Way to God because it helps you get to know God, helping you to reach out, connect and be personal with God, and do God's Will, all through your feelings. It is the only true way of getting to know the God of Feelings – our beloved Heavenly Mother and Father, the Great Soul of Divine Love.

Love comes through our feelings and not our mind, as we've all been wrongly led to believe.

Feelings First; then comes The Truth; then comes Love.

JAMES PADGETT **REVELATIONS** 1 Commenced 1914
 MONCRIEF 2 Completed 2014

REVELATION 1 Divine Love addresses the issues of the Rebellion.

The availability of Divine Love, should we so ask for it, being revelation 1:

God's Divine Love: Pray for it, ask for it, and receive it.

Whilst we are receiving our Heavenly Parent's Divine Love, and that this Love is causing change within our soul and spirit attributes, the greatest Truth known to man and spirit is that this is the way our Mother and Father are actually loving us! When we progress, it is the Mother and Father's way of loving us into love and then we live what we are, love.

REVELATION 2 Feeling Healing addresses the issues of the Default.

The way to clear one's soul of childhood errors and injuries is revelation 2:

To liberate one's real self, one's will, being one's soul, is begun by embracing Feeling Healing, so as to clear emotional injuries and errors. With the Divine Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

Release one's pain through expressing one's feelings.

Quantum Jump 1

REVELATION 1
James Padgett 1914 – 1923

James Padgett bravely introduced the availability of the Mother and Father's Divine Love and a great deal of additional guidance and information, all of which has been supplemented by Samuels, Judas, Reid and Arnold. All writers were under restrictions of personality and circumstances. Revelation 1 opened the door for humanity.

Quantum Jump 2

REVELATION 2
Marion and James Moncrief 2002
– ongoing

Marion and James Moncrief have recognised the need for one to engage in Feeling Healing and, by their actions, removed restrictions that James Padgett and others above endured, thus JM is able to critique the writings of the past 100 years resolving points of confusion as well as expand on what has been written. Revelation 2 is humanity's turning point.

Due to the extra-ordinary nature of Revelations 1 and 2, humanity with the first Revelation would have continued on into its negative pathway of living, however, combining the first Revelation with Revelation two, now humanity can embrace this turning point and commence its evolutionary growth that has required two thousand years to put in place. This is the greatest event in the history of humanity and very few are aware of such, until we enable others to become aware.

God is God, who is our Heavenly Mother and Father, being SoulMates. There is only one Soul that is God's Soul, that being the Soul of our Mother and Father. Our Heavenly Parents are the First Soulmates; The Two Who Are One who have brought us all into being.

Jesus and Mary are a son and daughter of God.

Jesus of Nazareth and Mary of Magdalene, being soulmates, were both free of sin. Jesus and Mary, combined in their love for us, are our teachers and guidance for us to find our way home to our Heavenly Parents. To start this journey we are to liberate our souls from being entombed within our suppressive minds, through feeling and longing for the truth of our feelings via our soul and peel away our injuries incurred since conception.

Give yourself time to consolidate your relationship with the Mother and Father through the partaking of Their Love. And whilst you are doing this, you can learn about your healing, all that's involved with it, as there are many willing spirits to share their healing experiences with you.

When you are ready it will start happening simply because you will want it to, it all being orchestrated by your soul. And when that time comes you will have developed a strong foundation in your relationship with the Mother and Father for you to work from. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

It is to make longing for God's Love the priority, and then do one's healing; should one want to include God and the Divine Love in one's feeling healing. This is doing your soul-healing as you are seeking to heal your soul of all evilness – of that which made you become evil, and release all the hurt and pain of not being fully and truly loved.

WE ARE Children of God

WE ALL ARE BEING GUIDED HOME:

We need the Spirits of Truth of the Avonal Pair to Heal ourselves; then once Healed, (and for support (overshadowing) as well through your Healing), we need the Creator Pair, Mary Magdalene and Jesus' Spirits of Truth to see us through the Celestial spheres, while at all times embracing our Heavenly Mother and Father.

Until Mary and Jesus died and liberated their Spirits of Truth, no one from any of the worlds could leave Nebadon, because no one knew the way to do so. Nebadon is our local universe containing some 3.8 million inhabited physical worlds and their associated spirit worlds.

When we embrace the truths Mary and Jesus are revealing, and start to do our Feeling Healing, or with Divine Love, Soul Healing, we are then freeing ourselves up from our parental and self control.

Thus our journey to Paradise, to the home of our Heavenly Parents, is of our choosing as to when we progress, however, there is only one way:

HUM: Humanity is to ascend. We are self contained. Our soul is always in truth and perfect at all times. **By living true to ourself, true to our feelings, we are living true to God. It's that simple.**

We are to recognise that being engaged and dominated by our mind is the wrong way for us to evolve and grow in truth. We are to discard the mind enslavement that has been imposed upon us by all of our parents. We are to express our feelings, both good and bad and free ourselves of the indoctrination that humanity has embraced worldwide.

Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God's soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of our Mother and Father.

AVO: We are to embrace the truths and guidance of the Avonal Pair through their Spirits of Truth. It is the Avonal Pair's guidance that will lead us through our Feeling Healing, and with Divine Love, we will be able to ascend through the 7 mansion spirit worlds and enter the Celestial Heavens where we also interact with other world's spirits.

J&M: We are also to embrace the truths and guidance of the Paradise Pair, Mary and Jesus, who will then lead us through the 3 Celestial Heavens that are aligned with Earth, and then further on through Nebadon where we will then depart beyond on towards Paradise.

M&F: Beyond the universal zone of Nebadon, we will be guided by our Heavenly Mother and Father onwards through the universes to Paradise where we will be welcomed by them, home for us all, as we are all Children of God.

WE ALL ARE BEING GUIDED HOME – NOW, HOW TO COMMENCE THE JOURNEY:

GOD

M&F

For 200,000 years, we have been misled into embracing our mind's distortion of wisdom and truth. All such traditional understandings only lead us in the wrong direction, from which we must turn back from. Our soul based feelings are always in truth. Our minds are to follow our soul based truths and feelings, not the other way round, as we have been brought up to embrace.

We are to connect with our deeper repressed feelings.
 We are to long for the truth of what we are feeling.
 We are to live true to our selves; by living true to our feelings.

Use your surface day-to-day feelings to connect with your deeper repressed feelings. Express your surface feelings and your deeper repressed feelings to uncover the truth of yourself.

J&M

We all have feelings which we communicate and share with each other. And we all have deeper buried and hidden repressed feelings. Feelings from our early childhood we felt, yet weren't allowed to express. These feelings are still within us, waiting to have their say. These feelings, because they are repressed, cause us all our problems.

And as we look to uncover, bring out and accept these deeper feelings, so we're taken into new ways of looking at ourselves, our feelings, and our life. We're setting ourselves free of the controlling patterns that govern our unloving behaviour.

In this way, we progressively begin to express the personality that our Heavenly Mother and Father gave us, not the one imposed upon us by our physical parents and carers. We are to be our true and real selves.

By living true to ourself, true to our feelings, we are living true to God. It's that simple.

AVO

HUM

As we, humanity, long for the truth of our feelings, we can also be assisted by the Spirits of Truth of the Avonal Pair who are our spiritual teachers for Earth over this coming 1,000 years, to assist us through the Great U-Turn, away from mind dominance to being soul based feeling lead. They will assist us through the seven levels of the spirit mansion worlds.

Then the Creator Pair, Jesus and Mary, will lead us through Nebadon and into the greater universe. Then our Heavenly Mother and Father lead us home to Paradise.

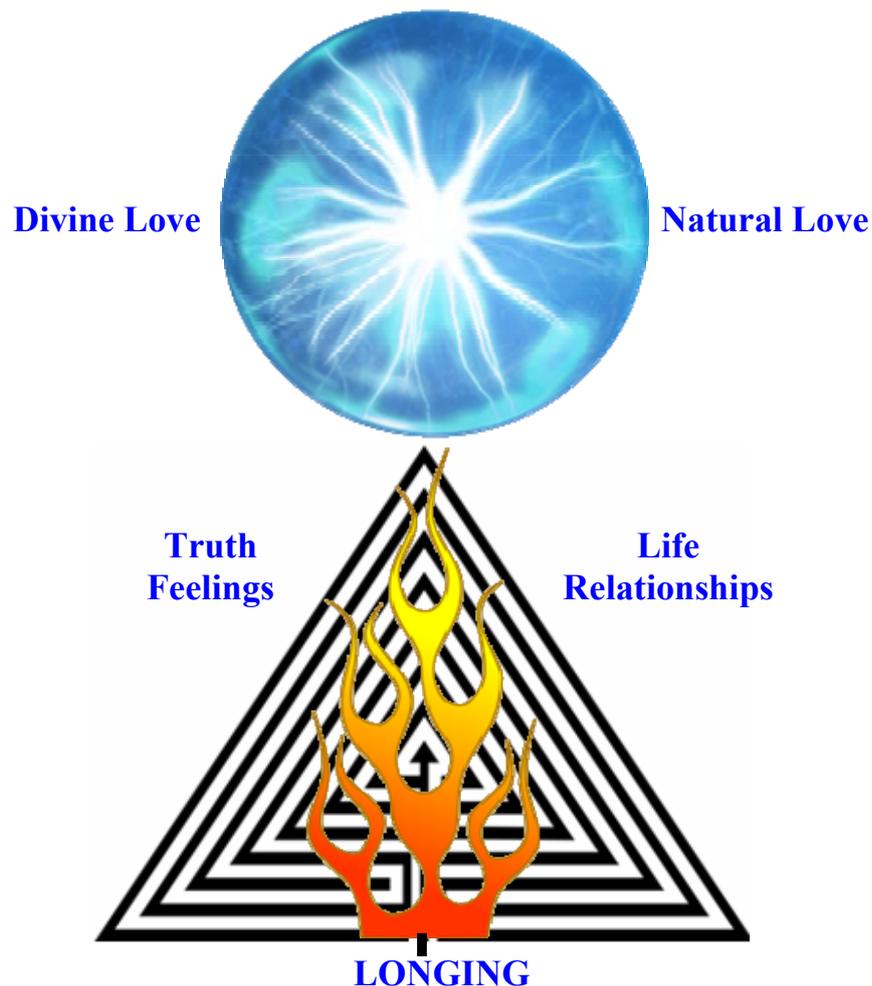

Collectively, should we embrace them all, as we are to, then our pathway home is a journey in the hands of the Spirits of Truth of the Avonal and Paradise Pairs overseen by our Heavenly Parents.

WE ARE Children of God

HOW TO GET TO PARADISE:

Long for the Divine Love
 Long for the Truth
 Long for the truth of your feelings
 Don't deny any feelings: accept, express and want to know the truth of them
 Know your feelings are the key; your feelings are the Way
 Want to end your falseness and being untrue
 Want to understand the truth of your early life
 Use your surface feelings to move deeper into yourself, bringing up your repressed feelings
 Want and long to know the whole truth of yourself
 Want to do it all with God, your Heavenly Mother and Father – long to Them for help.

The Key

Our longing drives our life. We long with feelings. We can wish for things using our mind, yet long for things with our heart. These things in the pyramid are what to long for. Longing for them, when the longing comes naturally. Longing because you feel you really want them. Long to be true with all your heart. Long to live true to your feelings. Long to understand the whole truth of yourself.

PARADISE TRINITY:

- 1. **Our MOTHER and FATHER (God) (MF) – Divine Love**
SOUL (God) – One SOUL that is expressing its two PERSONALITIES, our Heavenly Mother and Heavenly Father (Soulmates)
- 2. **ETERNAL SON (ES) – Divine Truth**
- 3. **INFINITE DAUGHTER (ID) – Divine Mind**

Then: The Second and Third Persons of the Paradise Trinity (ES and ID) are stepped down to the local universe trinity (Mary and Jesus, Divine Minister (DM), and her Holy Spirit.

The LOCAL UNIVERSE TRINITY:

Our MOTHER and FATHER – Love

- 1. **MARY M and JESUS – the Living Truth**
- 2. **DIVINE MINISTER – Mind (and her Holy Spirit)**
- 3. **HUMANITY – Natural love, sons and Daughters – Truth, and our Angels – Mind**

PLANETS that engage in REBELLION:

- 1. **AVONAL SOULMATE PAIR – the Feeling Healing process – incarnate**
- 2. **DAYNAL – TEACHER PAIRS – they do not incarnate**

So in summary:

LOVE
Mother and Father

TRUTH
Eternal Son (ES)
Mary & Jesus (MJ)
Humanity (H)

MIND
Infinite Daughter (ID)
Divine Minister and Holy Spirit (DM)
Angels, Nature Spirits, Nature (A)

Avonals

Trinity Teachers

as soulmate pairs

Melchizedeks – who have taken over from the Caligastians and Daligastians being also all as soulmate pairs.

Mortal Souls – human beings who individualise on Earth, then progress through the spirit Mansion Worlds, then into the Celestial Heavens, and beyond.

Mortal Souls – also being ascending spirits, upon completing their Soul Healing, join with their soulmate, then join their soul group of 24 mortal spirits, being 12 soul pairs. It is only as a soulgroup that anyone can progress beyond Nebadon.

The Paradise Pairs are all ONLY concerned with the SPIRITUAL wellbeing and upliftment of the planets and local universe. Currently to do with Earth:

Mary and Jesus – spiritual wellbeing and upliftment of the whole of Nebadon region.

Avonal Pair – Daynal pairs (Trinity Teacher Daughters and Sons) – Spiritual wellbeing and upliftment of individual planets and their associated Mansion Worlds.

The Local universal Sons and Daughters are all about the running of the worlds under their jurisdiction, and ensuring the higher spiritual elements can be employed, or sent astray, as in our cases through the Rebellion and Default.

Lanonandeks – Melchizedeks (and others, such as Life Carriers and Eve and Adam).

As the Lanonandeks all rebelled – the Lucifers, Satans, Caligastias and Daligastias soulmate pairs – so the Melchizedeks have taken over their roles, as well as doing their own.

So the Melchizedeks are the governors, overseers, the administrators and advisors and so on for Earth; they are the ‘controllers’, and they will instigate all that needs to be done to do with the ending of the Rebellion and Default. And they will enlist the willing help of ascending mortal pairs, so the mortal Celestials spirits (soulmates when available, and others waiting to unite with their partner), and at times mortal spirits in the Divine Love Healing Mansion Worlds. And the angels help all of us.

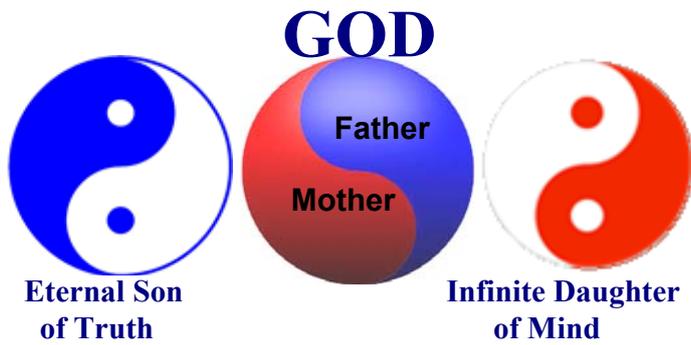

Currently the whole of Creation exists for the ascension of mortal souls from their earth planets to Paradise. It’s all one vast Grand Ascension Scheme. With all the higher and lower spiritual Daughters and Sons, together with all the many different angels and other universal spirit personalities, and even including nature and our very own pets, assisting women and men with their Ascension Journey. It being: and Ascension of Truth. Everything we do is done to help us grow in truth. (Only everything we do in our negative state is to deny ourselves our truth from our feelings, which is why we have to do our Healing.) All women and men are ascending (or growing) in truth through their experiences. And as we grow in truth by looking to our feelings to show us that truth, so we’re ascending, moving inwards and upwards through all the worlds and spheres of the Grand Universe to one day arrive on Paradise and meet our Heavenly Parents. God is providing us, Their children, with this spiritual journey called our Ascension of Truth. And by living true to our feelings, so we are progressing on our true Spiritual Path – our Ascension Path.

Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God’s soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of your Mother and Father.

Humanity is to pursue the pathway for Truth through one’s soul based feelings, this is the right pathway. However, humanity commences its journey founded on natural love, which we now know is to be perfected through one’s Feeling Healing process and then made divine through asking for and receiving our Heavenly Parents’ Divine Love.

For 200,000 years, **humanity** has pursued the pathway of the Mind, being that of the brain, this is the wrong pathway. The Mind is the pathway for Angels and that of all of Nature.

CREATION of SOUL and SPIRIT:

God is *The Paradise Trinity* — the eternal Deity union of the Personalities: the Universal Mother and Father; the Eternal Son of Truth; and the Infinite Daughter Spirit of Mind.

The soul of each human personality (sons and daughters of truth) is existential, driving our personality expression in the experiential. The soul of each human finds truth by embracing one’s feelings and longing for the truth of them. We are to attain the Eternal Son of Truth. We are a creation of Truth.

The soul of angels is experiential, evolving through their experience by continually progressing in mind development. Angels are to attain the Infinite Daughter (Spirit) of Mind. Angels are a creation of Mind. Our soul is duplex (we have a soulmate) and is created by our Heavenly Parents. Through our Feeling Healing we perfect ourselves enabling the union with our soulmate, as we progress in truth up through the Mansion Worlds, celestial heavens and all the way to Paradise.

The soul of angels is also duplex, yet of the mind, and they progress in mind evolution to Paradise. Animals, plants and nature spirits are also creations of Mind.

Neither we nor animals reincarnate. We never die; upon death, we move into the spirit Mansion Worlds on our journey to Paradise. When animals and plants die, be they the tiny microbe to the mighty elephants of the land and the whales of the ocean, their spirit energy returns to the Spirit Collective Energy. And from this energy are drawn other animals and the nature spirits, who then in turn move onto becoming angels through increasing mind experience.

A nature spirit is an angel in waiting.

DIVINE LOVE:

<http://www.fcdt.org/divinelove.htm>

The words "Divine Love" have been used in many contexts to convey different meanings. But in the context of our Heavenly Mother and Father, Divine Love is the greatest gift in all the universe. It transcends all else that can assist humankind fulfil their dreams of happiness and have them resolved within themselves. God's Divine Love is the one thing in all of God's infinite universe that can bring about eternal life and everlasting happiness in the Celestial Kingdom.

What is Divine Love?

The Divine Love differs from the natural love of man with which he was endowed when created, which belongs to all humans, and which they all possess in a more or less perfect condition in this: that the Divine Love is that Love which belongs to or is a part of God, possessing Their Nature and composed of Their Substance, and which, when possessed by a human soul to a sufficient degree, makes him divine and of the nature of God.

What is the New Birth?

The New Birth is simply the effect of the flowing of this Divine Love of our Mother and Father into the soul of a man and the disappearing of everything that tends to sin and error. As the Divine Love takes possession of the soul, and one embraces Feeling Healing, sin and error disappear. It, the soul, becomes of a quality like the Great Soul of our Heavenly Parents. And with the Soul of the Mother and Father being Divine and immortal in Its quality of Love, so, when the soul of man becomes possessed of this quality of Love, the soul being the man, this soul becomes divine also. Then, the image becomes the substance; the mortal becomes the immortal; and the soul of man, as to love and hope, becomes a part of the Mother and Father's Divinity.

How does one receive the Divine Love?

The only way is simply this: that men shall believe with all the sincerity of their minds and souls that this great Love of our Mother and Father is waiting to be bestowed upon each and all of them; and that when they come to our Mother and Father in faith and earnest aspirations, this Love will not be withholden from them. And, in addition to this belief, that they pray with all the earnestness and longings of their souls that our Mother and Father will open up their souls to the inflowing of this Love, and that then may come the Holy Spirit to them to bring this Love into their souls in such abundance that their souls may be transformed into the very Essence of our Mother and Father's Love. The soul who will thus believe and pray will never be disappointed, and the Way to the Kingdom will be his as certainly as that the sun shines by day upon the just and unjust alike.

Take the test.

Too often we are told to believe something based on what we are told. You don't have to "believe" anymore. Now you can have physical proof of the existence of God and Their Love for you?

"test my teachings that the Father's Love was now available, and pray for it to the Father in earnest prayer, and see whether, if this was done in sincerity, the Father's Love, conveyed through the Holy Spirit, would burn and glow in the soul, by which sign they would realize His Love was present therein." – Jesus

Take it to heart – earnestly pray for God's Divine Love and feel the glowing of Their Love in your soul. Jesus gave us the Prayer for Divine Love to help us in our prayers to our Mother and Father.

Note: Following the writings of James Moncrief, one could consider that any reference to the Father, by other relevant writers, may be read as a reference to 'our Mother and Father'. Further, when considering soul healing, then reference to Divine Love could be referred to as 'Feeling Healing with Divine Love'.

DIVINE LOVE – what does it do?

The divine gift from asking for and receiving Divine Love will steadily, but with certainty, raise one's quality of life and also of all those around such a person who is seeking and receiving this Love.

The receiving of Divine Love, which is a substance, with certainty, progressively:

- Raises one's love for those around them, whilst embracing one's Feeling Healing.
- Raises one's perception of all things – naturally grows one's intelligence – soul intelligence.
- Enables one to feel and resolve negative emotional issues more readily during Feeling Healing.
- Humility becomes self evident. Humility enables one to feel their errors and emotions.
- Divine Love strengthens one's resolve to express errors, emotional injuries and untruths.
- Divine Love with Feeling Healing to remove emotional errors, enhances one's health.
- Divine Love enables one to become more childlike – not adult serious at all times.
- Divine Love raises one's capability of feeling – no longer needing to be mind controlling.
- By becoming feeling orientated, one no longer is mind / intellectually dominated.
- The strength to fight and overcome sin and error is strengthened through the Divine Love.
- The Law of Compensation process is more resolved by Feeling Healing with Divine Love.
- Receipt of Divine Love grows one's faith, beliefs become faith and then knowing.
- As our faith grows our intensity to ask and then receive Divine Love grows.
- We begin to follow our passions and desires, no longer fear and mind driven.
- Truth being told at all times then progressively becomes a way of life.
- Our quality of life blossoms, our finances and relationships prosper.
- Man creates his own environment, seeking Divine Love can vastly improve one's environment.
- Health carers receiving Divine Love enhance healing outcomes beyond comprehension.
- Receiving Divine Love may assist in bringing a struggling marriage back into harmony.
- You progressively become dependent upon our Heavenly Parents, not self dependent.
- Personal growth in love directly assists the soul condition growth of one's children.
- Divine Love assists one's rate of soul condition to progress whilst embracing Feeling Healing.
- Divine Love is a substance that changes the human soul to that of the Divine.
- Without Divine Love, one cannot progress into the Celestial Spheres (8th sphere and higher).
- Divine Love, with Feeling Healing, enables everlasting Love and Life in the Celestial Heavens.

“The Law of Compensation doesn't operate on isolated actions, but on the overall condition of people's souls, because the deeds are the consequence of this condition. Our behaviour is the reflection of our souls. Never see isolated deeds, always see souls whose condition leads to certain deeds. It is the soul condition which determines the motive and consequently the action. It is our lack of trust in God, this ultimate and definitive trust, which only soul development may give us. This lack is why we suffer.”

Judas of Kerioth 5th October 2001

As you grow in love, illness issues abate, financial security improves, and your treatment of your fellow man is the same as how you would like to be treated. You grow in natural intelligence, your perception on many subjects becomes profoundly more loving and supportive of and for your way of life and how you interact with your fellow man.

This quality of life and love permeates and extends into every facet of your physical life and continues to grow as you progress on your journey within the spirit world.

Your capabilities to ask for and receive Divine Love is a gift between you and your creator, God. You do not need an intermediary, nor do you need to join with any organisation. This is your own personal journey and experience. You can share this with others, but no one can take it away from you.

This Love will elevate the human soul to a condition that it may perceive the spiritual truths which God has waiting to be revealed to His children who aspire to understand the nature of the divine and what their true relationship to Him and their family of souls is.

“Keep faith with God, and be open to Their Love, and you will overcome with confidence and, indeed, peace of mind, optimism and happiness, those circumstances that seem to mar the fulfilment of your years.” Mary (mother)

The Mother and Father’s Gift of Love:

Be still and know that Divine Love is flowing like a river, flowing into you and me, flowing out into the desert setting every captive free.

It is so simple yet it is true. Divine Love is the energy from God that sets us free to love each other as God loves us. We experience this love in many ways. The opening bud of a flower, the playfulness of a child, the embrace of loved ones, the grandeur of the universe, in so many different ways that we took for granted before we sought Divine Love.

Divine Love is energy flowing from the soul of God into our soul when we long for it. Sometimes the joy flows through us like a shiver down the spine. Sometimes it is just sublime flow of peacefulness. There are many ways of experiencing Divine Love, but always we know that Divine Love is flowing like a river, flowing into you and me.

‘The difference between what are regarded as two paths, the Natural Love Path and the Divine Love Path, is, essentially, the amount of Divine Love that beings have been able to acquire.’

Quote from Celestial Spirit Richard 22 Dec 2012

EXPERIENCING RECEIVING DIVINE LOVE:

Be still and quiet; reflect in silence. Love is present. Keep asking, longing, and never cease: this is your part. It is your cooperation actively engaged that brings the transformation and continues the process.

You cannot see it; sometimes you will experience it as simple quietness and calmness. This is as pure and real as any other experience, whether demonstrative joy through laughter and dance, or other expressions.

Divine Love is present; it is always present. It does not fade or disappear. Rest, relax and breathe. Pray and wait.

Maintain daily prayer and meditation. When you do this you are building a home for the dwelling of the Divine Love. Your continual invitations establish an attitude of welcome to the Divine Love. These build a bridge for the Divine Love to carry you to new and higher levels of change and transformation: places of new realms for your soul growth and development.

The Voice of Divine Love

~~~~~

As the receiving of the Love is always assured when longed for and asked for, the experience of receiving may become apparent by the occurrence of a warming embrace in the region of the third eye chakra, or with some, around the heart chakra region. This may be very subtle and gentle for some and may be for a few moments or extend for some time. Many do not physically feel the Love embracing them and this is totally fine, nevertheless the Love is being received.

On a few occasions, one may feel the love through the third eye region and then feel it expand as if it were to become a warming buzzing 'hat band' progressively expanding around one's head. This can intensify and feel as though one's cranium is about to pop off! Should this continue to intensify, then the sensation may flow down one's main meridian to the base of one's spine. Now that is something else! Relax and enjoy the great gift for this can be an experience that may continue for a short while or for quite some time.

Always, when one longs for the Love, it will shower over one's body and be absorbed in through the spirit body chakras into one's soul. Occasionally the Love will overflow from one's soul and some will reside within one's spirit body. At no time will you be discomforted. This light golden blue energy substance is the ultimate high octane super fuel gifted to us by our Heavenly Mother and Father to us all.

## **The Only Prayer That Man Need Offer to the Father:**

**The Prayer for Divine Love**

(as given within the first century)

2 Dec 1916

I am here, Jesus

<http://www.youtube.com/watch?v=Pg6p3rivAZw>

**P.438 Book of Truths through James Padgett / Jesus**

Let your prayer be as follows:

**Our Father, who art in heaven, we recognize that You are all Holy and loving and merciful, and that we are Your children, and not the subservient, sinful and depraved creatures that our teachers of old would have us believe. That we are the greatest of Your creation, and the most wonderful of all Your handiworks, and the objects of Your great soul's love and Tenderest care.**

**That Your will is that we become at one with You, and partake of Your great love which You have bestowed upon us through Your mercy and desire that we become, in truth, Your children, through love, and not through the sacrifice and death of any one of Your creatures.**

**We pray that You will open up our souls to the inflowing of Your love, and that then may come Your Holy Spirit to bring into our souls this, Your love in great abundance, until our souls shall be transformed into the very essence of Yourself; and that there may come to us faith--such faith as will cause us to realize that we are truly Your children and one with You in very substance and not in image only.**

**Let us have such faith as will cause us to know that You are our Father, and the bestower of every good and perfect gift, and that only we, ourselves, can prevent Your love changing us from the mortal to the immortal.**

**Let us never cease to realize that Your love is waiting for each and all of us, and that when we come to You, in faith and earnest aspiration, Your love will never be with-held from us.**

**Keep us in the shadow of Your love every hour and moment of our lives, and help us to overcome all temptations of the flesh, and the influence of the powers of the evil ones, which so constantly surround us and endeavour to turn our thoughts away from You to the pleasures and allurements of this world.**

**We thank You for Your love and the privilege of receiving it, and we believe that You are our Father --the loving Father who smiles upon us in our weakness, and is always ready to help us and take us to Your arms of love.**

**We pray this with all the earnestness and longings of our souls, and trusting in Your love, give You all the glory and honour and love that our finite souls can give.**

**Amen**

**MoC**

Note: The 'false teachers' are our parents, as they are also the 'evil ones'. Also, the evil ones, being those parts of one's mind, that are controlling you.

<http://new-birth.net/padgetts-messages/true-gospel-revealed-anew-by-jesus-volume-1/the-prayer-given-by-jesus-as-the-only-prayer-vol-1-pg40-2/>

Our Father, who art in heaven, we recognize:

That Thou Art--art all holy and loving and merciful, and that we are the children of Thy care and not the subservient, sinful and depraved creatures that our false teachers would have us believe.

That we are the greatest of Thy creations and the most wonderful of all Thy handiwork, and that we are the objects of Thy great Soul's love and tenderest care.

That Thy will is that we become at one with Thee and partake of Thy great love which Thou hast bestowed upon us through Thy mercy and desire that we become, in truth, Thy children; and not through the sacrifice and death of any one of Thy creatures, even though the world thinks that one Thy equal and a part of Thy godhead.

That Thou will open up our souls to the inflowing of Thy love, and that then will come Thy holy spirit to bring into our souls, this, Thy love in great abundance until our souls may be transformed into the very essence of Thyself; and that there may come to us faith--such faith as will cause us to realize that we are truly Thy children and that we are one with Thee in very substance and not in image only.

Let us have such faith as will cause us to know that Thou art our Father and the bestower of every good and perfect gift, and that only we, ourselves, can prevent Thy love changing us from the mortal to the immortal.

Let us never cease to realize that Thy love is waiting for each and all of us, and that when we come to Thee with faith and earnest aspirations, Thy love will never be withholden from us.

Keep us in the shadow of Thy love every hour and moment of our lives, and help us to overcome all temptations of the flesh and the influence of the powers of the evil ones who so constantly surround us and endeavor to turn our thoughts away from Thee to the pleasures and allurements of this world.

We thank Thee for Thy love and for the possibility of receiving it, and believe that Thou art our Father--the loving Father who smiles upon us in our weakness, and is always ready to help us and take us to Thy arms of love.

We pray thus with all the earnestness and longings of our soul, and trusting in Thy love give Thee all the glory and honor and love that our finite souls can give.

**Whilst we are receiving our Heavenly Parents' Divine Love, and that this Love is causing change within our soul and spirit attributes, the greatest Truth known to man and spirit is that this is the way our Mother and Father are actually loving us! When we progress, it is God's way of loving us into love and then we live what we are, love.**

**A Personal Adaptation of the Prayer for God's Divine Love:**

Joseph Babinsky

*Our Father, who art in heaven, I recognise:*

That You are holy and loving and kind, and that I am the child of Your care.

That I am the object of Your great Soul's love and tender most care.

That Your will is that I become at-one with You and partake of Your great love, which You have given me through Your desire that I become, in truth, Your child.

That You will open up my soul to the inflowing of Your love, and that then will come Your holy spirit to bring into my soul, this, Your great love in great abundance until my soul may be transformed into the very essence of Yourself; and that there may come to me faith – such faith as will cause me to realise that I am truly Your child and that I am one with You.

Let me have such faith as will cause me to know that You are my Father and the giver of every good and perfect gift, and that I only can hinder and stop the river of your inflowing love.

Let me never cease to realise that Your love is waiting for each and all of us, and that when anyone comes to You with faith and earnest aspirations, Your love will never be withheld.

Keep me in the shadow of Your love every hour and moment of my life, and help me to remain completely focused on this, your ever-present and unconditional love.

I thank You for Your love and for the possibility of receiving it, and believe that You are my Father – the loving Father Who smiles upon me always and is always ready to help me and take me to Your arms of love.

I pray this with all the earnestness and longings of my soul, and trusting in Your love give You all glory and honour and love.

**Our Heavenly Mother and Father simply desire for us to ask for Their Love.**

**The opening up of the soul permits a permanent exchange with Divinity, a permanent recharge of this healing energy that allows not only the re-establishment of lost health, but the continuity of health, providing such a perfect balance, even in the physical body, that noxious agents like bacteria and virus cannot find any opportunity to unchain pathological reactions, which we commonly call illness.**

**But it is true that people without the benefit of Divine Love would lack the protective shield, which the intrinsic healing energies of Divine Love provide for those who pray for our Heavenly Mother and Father's Grace.**

**Judas – August 19<sup>th</sup>, 2001**

## **WHAT is this DIVINE LOVE?**

The Celestial Spirits endeavoured to explain this when they enabled Emanuel Swedenborg to visit the Celestial Spheres (8<sup>th</sup> level and higher) in 1741, however the experiment failed.

Then success came with later communications via way of automatic writing:

**The BEAUTIFUL MIRACLE:**

5 Oct 2012

**The DIVINE UNIVERSE**

The way in which the Spirit conveys the Divine Love into the soul is a beautiful miracle. The attribute of mortal soul prior to incarnation has to it, a potential within it that is part of its formed nature. After the soul incarnates this potential remains part of the soul and even if the forming personality is unaware of such a soul potential, the potential still exists. The Divine Love is entirely suitable in its energy of harmony to be the energy that a mortal soul can utilise. The Spirit covers the spirit body when the individual sincerely asks the Soul of God for the Divine Love and this covering of the spirit body is where the dynamic of this beautiful miracle takes place. From the internal longing of the individual for the Divine Love this activates the Spirit Law that activates the Spirit that is then attracted to the spirit body upon which the Spirit material of the spirit body draws the Divine Love in to its soul and this union completes. The key here is to gain a perceptive insight into realising that the spirit body is not an inert body but that it is living and has activity, recognisable from its first forming from the Spirit Law that materialises a spirit body. The Spirit and the spirit body to give an analogy are like two attracting magnets and when the surface of the spirit body is touched by the Spirit, this causes the automatic response of the Divine Love to permeate into the attribute of soul and so begins the transformation of energy from the natural into the Immortal Divine Harmony. If the individual continues the receipt of Divine Love, the energy that is Divine Love actively begins to change the soul and this is felt in the spirit body systems and can produce feelings of love and elation. The spirit-mind begins to change as all spirit body systems are affected by the changed condition now experienced in the soul as the soul becomes living and vital. In one's progression of this Divine transformation, the soul will mature enough from the amount of Divine energy it receives and at that moment the surface of the spirit body and the Spirit are continuously attracted to each other, then one is living in the presence of our Mother and Father in perfect harmony, and this clarifies the truth about what it means to be truly at-one with God.

**665. The Shining toward Truth**

Vol III, p. 157, 14 Nov 2014 – 14 Mar 2015 Zara and Nicholas  
[www.lulu.com](http://www.lulu.com)

It is I Matthew, a teacher of the Divine Love. I have communicated with you recently, now I desire to provide you with a visual description of the Love.

Imagine a continuous Energy shining light blue that is unbroken with a seamless surface that surround every mortal and Immortal spirit. Imagine if you were to become aware that this energetic field of light-blue Energy existed in its shining radiance just near where you are. Now that you are aware that this unbroken Divine Love is unified energetic field of living Love, by opening toward the Soul of God and aspiring for the Divine Love, the Acting Spirit gently brings a small portion of this shining blue Energy into your soul

The Divine Love that you have received remains part of this great Energy that the Divine Love is and even though this small portion of Divine Love, now within your soul, in its shining radiance and energetic cause, it is never separated from the continuous energetic field of Energy that the Divine Love is. Having partaken of this Energy it is with perception that one is aware that the Divine Love within one's soul is the same Divine Love that every person and spirit who has partaken of this Love, participates with. Even though in our individuality we partake of this Divine Energy, this Love is never broken away from the Source and Origin from which this Divine Love emanates.

The Divine Love is bestowed into our finite soul by the Acting Spirit, but this Spirit remains in contact with our spirit body and does not enter the finite soul to become part of our finite soul essence that we are. No mortal or Immortal spirit can manifest in their soul the Acting Spirit so that this Spirit – this Holy Spirit – becomes part of our existing finite spirit body. Only the Divine Love and its Energy becomes part of our finite soul, which causes the change to our spirit body. The Acting Spirit always remains its own attribute and never does a Celestial spirit claim ownership or take possession of the Acting Spirit within their soul. (The Holy Spirit / Acting Spirit is an instrument of the Source Soul, our Father.)

This is one of the wonderful Truths by which we who have been transformed by the Divine Love understand our personal relationship with the Father's ever-present Acting Spirit. The shining Energy of Divine Love is all around us and when we have partaken of this Love, part of our finite nature becomes independently shining in this true perfect Love.

I provide these words that may appeal to those who are visual and to express the universal appearance of the Divine Love and the personal touch when in contact with the Acting Spirit.

Matthew

**To liberate one's real self, one's will, being one's soul, is begun by embracing Feeling Healing, so as to clear emotional injuries and errors. With the Divine Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.**

**Prayer for Divine Love: (extract)**

**“We pray that Thou will open up our souls to the inflowing of Thy love, and that then may come Thy Holy Spirit to bring into our souls this, Thy love in great abundance, until our souls shall be transformed into the very essence of Thyself; and that there may come to us faith--such faith as will cause us to realize that we are truly Thy children and one with Thee in very substance and not in image only.”**

**FEELING HEALING and SOUL HEALING with the DIVINE LOVE:****James Moncrief Publications:****all publications are free downloads:**<http://divinelovesp.weebly.com/my-free-books-and-free-padgett-messages.html>

It is suggested for one to consider reading as follows:

**Speaking with Mary Magdalene and Jesus – books 1 – 4**

These four books encapsulate the second of the revelations with the first having been introduced by James Padgett one hundred years previously. These four books provide a wide range of guidance that has never previously been made available.

**Paul – City of Light**

As a gentle intro into the Divine Love and Healing; being James Moncrief's first novel and it's been criticised as being too heavily clichéd, but that's the point because it's a reflection of how he was back then.

**Ann and Terry**

For an example of people who might want to immediately start working on themselves and doing their Healing.

**Feeling Bad? Bad feelings are GOOD**

For more understanding about our denial of our feelings and why we should not deny our feelings, and it includes how it all came about for James, using himself as an example.

**Feeling bad will make you feel BETTER – Eventually!**

This includes specific examples of Marion and James working on expressing particular bad feelings, again with the hope that it will help others gain something of an idea as to what's involved in doing your Feeling Healing.

**Sage – and the Healing Angels of Light**

Through Sage who's 13 years old, the story is primarily about the two aspects of healing; that being, with the help of our angels, and the full Healing we can do by looking to our feelings for their truth.

Feeling Healing**

**Welcome to LOVE – the Religion of Feelings  
you can heal yourself through your feelings**

So these books, including the four Speaking with Mary Magdalene and Jesus books, provide the essence of it all and are examples of James' work. Then it's up to whatever takes one's fancy. Other reading to consider may include:

**The Padgett Messages being published as:****The True Gospel Revealed Anew by Jesus volumes 1 – 4****Book of Truths by Joseph Babinsky****The Urantia Book**

**Release one's pain through expressing one's feelings.**

**in conjunction with**

**Longing for the Truth when also longing for Divine Love.**

**FEELING HEALING with DIVINE LOVE is SOUL HEALING:**

*A collection of 'papers' that draw together specific topics including all of the above and more from other sources of information and revelation designed to help increase one's awareness about why we have the problems we do and how to heal them, all whilst living a more healthy and sustainable life. They provide a brief snapshot of the more complicated topics and issues.*

**Firstly, consider discovering the truth of your emotional pain through Feeling Healing.**

**Secondly, consider longing for our Heavenly Parents' Love as you progress with your healing.**

**Primary and most important readings are the writings of James Moncrief.**

**Then consider the Padgett Messages, and then The Urantia Book.**
