PASCAS INTRODUCTION:

Documents assembled by Pascas are provided for your individual assessment and exploration. The contents are sourced from a variety of avenues and publications. Every endeavour is made to determine that the contents are of the highest level of truth and veracity. At all times we ask that you go within yourself, to ascertain for yourself, how the contents resonate with you.

Pascas provides these notes and observations to assist us all in the development and growth of our own pathways and consciousness. Pascas does not hold these contents as dogma. Pascas is about looking within oneself. Much of what we are observing is new to us readers and thus, we consider that you will take on board that which resonates with you, investigate further those items of interest, and discard that which does not feel appropriate to you.

Kinesiological muscle testing, as developed by Dr David R Hawkins and quantified by his Map of Consciousness (MOC) table, has been used to ascertain the possible level of truth of documents. Such tested calibration levels appear within the document. We ask that you consider testing same for yourself. The technique and process is outlined within Pascas documents, such as Pascas Care – Energy Level of Food. From each person’s perspective, results may vary somewhat. The calibration is offered as a guide only and just another tool to assist in considering the possibilities. As a contrast, consider using this technique to test the level of truth of your local daily newspaper.

Contents are not to be interpreted as an independent guide to self-healing. The information sourced herein is not from a doctor or doctors, and any information provided in this document should not be in lieu of consultation with your physician, doctor, or other health care professional. Pascas, nor anyone associated with this document, does not assume any responsibility whatsoever for the results of any application or use of any process, technique, compound or potion as described within this document.

The sources of contents are noted throughout the document. In doing so, we acknowledge the importance of these sources and encourage our readers to consider further these sources. Should we have infringed upon a copyright pertaining to content, graphics and or pictures, we apologise. In such cases, we will endeavour to make the appropriate notations within the documents that we have assembled as a service via our not for profit arm, to our interested community.

We offer all contents in love and with the fullness of grace, which is intended to flow to readers who join us upon this fascinating journey throughout this incredible changing era we are all experiencing.

Living Feelings First, *John.*

“Never can one man do more for another man than by making it known of the availability of the Feeling Healing process and Divine Love.” JD

Gabriele Wittek, nee Maden, born in 1933, penned these teachings in Germany in the German language. They are now available in English.

Gabriele earlier published 'This Is My Word, Alpha and Omega' originally published in 1989 in German and now republished in English in 1996.

CAUSE and DEVELOPMENT of ALL ILLNESS: P.230 (first published in 2008)

To the physicians, surgeons and healing practitioners: Conversations between physician and patient – Establishing a diagnosis together – Causes in the soul – The body rhythm – Natural remedies, potencies – Harmony among physicians and nursing staff – Hospital equipment and furnishings – Changing the milieu by prescription – A positive clinic atmosphere – Harmonious music and physical exercises – The seriously ill – “Houses of Health” – Life counselling by people of the Spirit.

[The source of the following transcriptions through Gabriele Wittek are considered to be provided by loving spirits from within the realms of the 4th sphere natural love community. Natural love fourth sphere spirits are particularly advanced in their understanding of health issues and are major providers of assistance for the human population in addressing health issues. Divine Love spirits provide assistance with health issues should you so ask for aid in addressing a health episode. Divine Love spirits from the Celestial Spheres (8 and higher) will provide you with assistance should you so ask.]

I, the revealing Spirit, want to admonish the physicians and surgeons of this world and give them the following advice:

Above all try to probe the thoughts of the patients!

Watch their body rhythms before prescribing medications or performing an operation!

The attentive physician can recognize from the outer appearance of the patient whether problems, difficulties or complexes, depressions or disharmonies are present. If anything like this exists, the physicians should explore with the patient what may lie in the subconscious or as a correspondence in the soul (which is separate and distinct from one's spirit body), as far as the patient is able to become aware of these things during a conversation. Only then should the physician prescribe a medication.

The best medicine a physician can give to his patient are positive, constructive thoughts and words. Coming from a physician, they can dispel a complex, many a depression or inferiority complex in the patient.

Worry, suffering, disharmony and the like can also be dispelled if the physician responds to his patient in the right way.

Again I enjoin all physicians and practitioners: Instruct the patients about the power of positive thinking and about the healing forces in the soul and body! At the same time, prescribe natural remedies but only in low potencies, which predominantly relax and support the nervous system.

Therefore, do not immediately reach for strong medications or for the scalpel! First explore the subconscious of the person and the correspondences of his soul, with which he plagues and confronts himself in his thoughts, and figure out what causes are in his subconscious and in his soul.

Prior to conception, we are only a feeling of God. Our parents attract us thus creating our spirit mind and body brain.

Soul does not know sexuality.

Our Intelligence is Soul based. The capabilities of discernment, e.g., by kinesiology muscle testing, expands only with the growth of our Soul's intelligence. Upon conception, the creation of both our Spirit Body and Physical Body occurs, bringing forward our unaware Soul to start our journey. Upon death of the body, the brain dissolves. The mind continues to grow in the Spirit Body until we progress through the 7th sphere into the 8th sphere at which point we are 'born again', one with God, entering the Celestial Realms, and the mind is no longer. Our soul intelligence grows and our soul expands with the ever increasing infusion of Love from God.

The prerequisite, however, is that physicians and practitioners have first examined themselves, and have come to know themselves through the power of actualization.

Every human being consists of a physical body connected to a spirit body which in turn is connected to one's soul, the soul being the real you. (Natural love spirits cannot see the soul and natural love spirits tend to believe that one's spirit body is also one's soul – that is not so.) The one who treats only the body leaves cause and effect in the soul. Whatever remains in the soul comes back into the body via the spirit body. When? The time is determined by the constellation of the planets and by the person himself. If part of the soul burden is in the subconscious and not yet active there, then it is the person himself who determines when a physical illness will break out. His world of sensations and thoughts is decisive, but also his behaviour in daily life, how much physical energy he wastes through uncontrolled speaking or hectic behaviour.

HIERARCHY of HEALING SYSTEMS

Nature gives itself abundantly in many plants and medicinal herbs. They are given to man by God, so that he may keep his body healthy.

Medicinal herbs, administered as tea or homoeopathic potencies, can, however, do no more than assist or support in an illness. They may well have a partial effect on the soul, but they cannot take away a soul's burden.

High potencies, however, may influence a soul burden and perhaps cause it to flow out earlier than is lawful. This means that soul, spirit body, and physical body suffer more under this than they are helped. Such action is not lawful.

As long as someone needs medicinal herbs to cure an illness, he should take them. But he should not rely on them exclusively, for the cause of the illness lies in his wrong thinking and living.

The one who consciously takes in the spiritual essence of the medicinal herbs, by virtue of his sensations and thoughts, and who gives a positive turn to his life, will also cause his soul to be filled with life and strength.

However, medicinal herbs cannot take away a soul burden. For this to happen a person has to contribute his part by living a life that is pleasing to God.

And, avoid thoughts of fear.

Spirits see the brightness of the spirit body, they deduct that the spirit body is the soul, whereas it is not. Spirits below the 8th sphere cannot see the soul. The spirit body just reflects the condition of the soul. Your spirit body reflects, moment by moment, what is going on in your soul.

Recognize that what does not lie in your soul cannot affect you – unless you act carelessly.

The problem for healers is that the patients own physical soul is generating the problem.

When the person who we are trying to heal does not want to deal with the cause, the healer's power is severely diminished to assist them because their own soul is generating the problem.

All illness is a result of the soul having these blocked emotions, which then create the illness in the physical form and the spirit body. If the person's soul condition is not addressed, then the person is going to recreate the same type of problem and issues.

It is very important that we start to see things at the causal level, particularly in the medical and healing profession. 16 May 09

WE are CREATED as EMOTIONAL BEINGS:

If your soul is purified for the most part, if no dark shadows are in it – which are correspondences and form the magnets for the unlawful – then nothing unlawful can befall you.

It is quite different when you are joined with other people through a spiritual mission. Then the mission has priority and, for you especially, it means that the one carries the burden of the other.

If in you are only lightness and brightness, then you will attract only lightness, brightness and friendliness. Both the pure and the impure in you is a magnet. The pure attracts only the pure, the impure only impureness.

For all those who are seeking, here is a byword:

It is not the knowledge of this world that makes a human being wise.

Only the recognition and fulfilment of the spiritual laws enlighten a person and make him a conscious and healthy child of God, a truly wise one.

Another byword for physicians and healing practitioners:

The one who truly wants to help his fellowman shall first help himself by developing the spirit powers that are effective in him, and then putting them to use for the benefit of his neighbour.

MS patients were exposed to acute and chronic stress by their childhood conditioning, and their ability to engage in the necessary flight-or-fight behaviour was impaired. The fundamental problem is not the external stress, but an environmentally conditioned helplessness that permits neither of the normal responses of fight or flight. The resulting internal stress becomes repressed and therefore invisible. Eventually, having unmet needs or having to meet the needs of others is no longer experienced as stressful. It feels normal. One is disarmed.

Reference: ‘When the Body Says No’ by Gabor Maté

The one who has understood and actualized this will not only prescribe medications for the patient or soothe the organism with drugs. He will explain to the person seeking healing that thoughts, words, colours, forms, sounds, light physical exercise and meditation will bring him the desired calm and harmony – and at the same time he will relax the nervous system with natural remedies and support the body. This holistic therapy is effective for both soul and body.

People who are in the school of the Spirit, who live in the actualization of the laws, could be of great help to physicians and surgeons.

People of the Spirit see deeper and are often able to recognize what the patient really needs and where the physician should start to diagnose, so that the person seeking healing may attain relief and healing from his suffering. It is, however, unavoidable that the person seeking healing cooperate in figuring out and localizing the causes of his indisposition or illness. The diagnosis cannot be established by the physician alone, but by the physician and the patient / friend together.

As soon as the patient's / friend's nervous system has calmed down and become stabilized, the symptoms, the physical signs and signals can be studied more precisely. Every active body gives indications where and what it is lacking.

The one who has learned to understand the language of his own body, the language of the organs and cells, is also able to interpret the body language of his neighbour, the language of the organs and cells. With signs and signals, the living organism will, itself, give an answer as to where the cause of its illness lies and how it might be cured, or what needs to be done in order to obtain relief and healing.

BREAST CANCER

**EMOTIONAL BLOCKS
frozen within the soul,
stemming from childhood**

Research has suggested for decades that women are more prone to develop breast cancer if their childhoods were characterised by emotional disconnection from their parents or other disturbances in their upbringing; if they tend to repress emotions, particularly anger; if they lack nurturing social relationships in adulthood; and if they are the altruistic, compulsively care-giving types. In one study, psychologists interviewed patients admitted to hospital for breast biopsy, without knowing the pathology results. Researchers were able to predict the presence of cancer in up to 94% of cases judging by such psychological factors alone.

Reference: 'When the Body Says No' by Gabor Maté

The body rhythm also gives indications of the body's disorders. Among other things, it is the barometer of soul and body. The physician, as well as the healing practitioner, can orient themselves to it in order to make a correct diagnosis.

A person's body rhythm indicates whether a lot or little life force flows through him. The sound of the nervous system and of the organs constitutes the body rhythm.

Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God's soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of your Mother and Father.

The diversity of species of plants, herbs, flowers, trees and shrubs also have their special rhythm, a cosmic sound that corresponds to their spiritual development.

If the body rhythm of a person seeking healing does not largely correspond to the rhythm of nature or to a certain medicinal herb, then neither nature nor the herb can work in the ailing organ as well as they could if the rhythm of the human organism and the healing plant were in consonance.

The whole organism is melody.

Every organ has a special tone. All organs together, including glands and hormones, result in the body's melody. The body rhythm corresponds to the sound of the body.

The sounds of the organs are not perceivable to the human ear or to instruments. The body rhythm, however, is visible and, in the final analysis, audible as well. A restless person makes a lot of commotion around himself. A calm person is introspective, making little of his concerns.

Calm people, whose consciousness has been schooled through the actualization of the eternal laws, are attentive, concentrated and perspicacious. Calm people, aligned with God, can grasp more in one single moment than a loud person will often be unable to understand in many hours, days or even years. (As one grows in Divine Love, one's natural intelligence blossoms – see Gift from God, Greatest Thing in All the Universe.)

People of the Spirit are also able to grasp and take in the material and spiritual substances of herbs since they are well balanced and introspective. This is why they have a harmonious body rhythm that resembles the rhythm of nature.

The one who wants to make use of the cosmic forces that are effective in nature and in all Being must first be willing to change his life and orient himself to the cosmic forces, to the laws of infinity and to nature. Here, the same is true: Like attracts like. High powers strengthen and stimulate each other. Human energies that have been transformed down, energies of wanting to be, to possess and to have, have a destructive and weakening effect.

Alignment and goal are decisive. If a person is not in the rhythm of nature, if he ignores the laws of nature, natural remedies can only be of little help to him.

If physicians, surgeons, and healing practitioners would follow natural love laws and, in particular, seek Divine Love, they could truly be servants of the Spirit to man.

This world needs spiritually awakened people as naturopaths, who draw on nature and use the herbs of nature to serve and help their neighbour. If physicians, surgeons and healing practitioners were to give more room in their midst to people of the Spirit, then the hospitals would be friendlier, the operating rooms smaller, the rooms for physical exercises and meditation, however, larger. Then there would be Christ-healers (8th sphere and higher) in the hospitals, who would lead the people to their inner healing power, and at the same time stimulate the spirit power in them to increased activity.

To a greater or lesser extent and according to his level of consciousness, every person longs for beauty and friendly surroundings; this is determined by the soul. The soul in its burdened state, came from purity and beauty. It is in possession of all the harmonious forces of love and wisdom. The soul transmits these im-pulses to the person who then wants to build himself up with all that is harmonious and beautiful. This is why a person should not put himself under undue pressure, thinking that when he has awakened to spirituality he will have to live in caves or dilapidated houses.

“All dis-ease is mind generated, and all healing is generated by the love energy of one’s soul.”

The Ego manifests illness, the lower ones level of consciousness then the more prevalent will be illness. Below the levels of 200, the ego dominates, however, as you raise your level of consciousness (soul condition) and achieve a level of 600 or higher, you have transcended the ego. At the level of 600, all healing is possible.

CONSCIOUSNESS and EMOTIONS:

Consciousness = Soul Condition. One’s Soul Condition is equal to the average of all of the held emotions. Soul condition is the sum total of all of the different emotions, desires, passions, etc., all wrapped up together in terms of how much love there is in every one of those.

Chronic illness indicates a huge denial of the soul.

Illness = out of harmony with love and truth.

It is the release of emotions that are out of harmony with Truth and Love, and the praying for the inflowing of Divine Love that brings about health and harmony to our bodies.

One's natural love is always progressively perfected during this journey of evolution of the soul.

Upon embracing Divine Love at any stage, then one can progress through the Divine Love spheres 3, 5, 7, whilst also doing their Feeling-Healing.

Even though a person may have received Divine Love, they do not avoid compensation or doing their Feeling-Healing, so they may still spend time within the spheres of disharmony.

Natural Love sectors for those doing their Feeling-Healing, without the Love, are within the Natural Love Mansion Worlds:

Progressing through the natural love worlds, within Feeling-Healing sectors, while doing one's feeling healing, upon reaching the 6th Sphere having completed Feeling-Healing, one can then embrace the Divine Love and proceed directly to the 7th Divine Love Sphere.

Then they may prepare to enter the Celestial Heaven Spheres from there.

This pathway is when the Divine Love is unavailable before perfecting one's soul.

Many people think that someone who has awakened to the inner power, to spirituality, no longer has any need for external things. This is an error. It is: As within, so without. This does not mean luxury, but rather everything that is beautiful, noble, and natural – in other words, what is within the realm of possibility.

The one who contemplates the Earth recognizes the abundance and diversity with which the Divine shows itself. God created the Earth with its colours and forms, with its minerals, plants and animals, so that man take delight in them and elevate his soul to ever more beautiful and pure spheres.

People of the Spirit should arrange their surroundings with beauty and friendliness; they should not, however, live in luxury and excess.

As a human being thinks, so he lives and works. It is similar for his surroundings, too. Harmonious colours, shapes and sounds are vital for a human being. They have a positive effect on both soul and person and fashion his life harmoniously. Many a negative and brooding thought vanishes while looking at a beautiful painting or a beautiful landscape or harmoniously furnished room.

Harmony is the life of the human body.

If a person lives in constant disharmony, then he shortens his earthly life, himself. Because of such disharmony, the cells in certain parts of the body die off more quickly. Through this, the proliferation of new cells in appropriate amounts is not always assured. This leads to considerable complications in the organism because the fresh cells have to be more productive. This leads to a weakening of the organs.

Disharmonious vibrations also have an effect on the genes, the genetic make-up, and may activate genetic traits that are not beneficial to the person and which may not have had to be experienced and lived through, if the person had lived and acted in a lawful way.

And so, every person is the architect of his life and the builder of his fate.

Harmony prolongs the life on Earth. Disharmony shortens the earthly life.

Therefore, particularly in clinics, great value should be placed on harmonious colours, shapes, sounds and fragrances.

Sick, bedridden people have a lot of time. They perceive their surroundings much more intensely than healthy people who stay in their rooms for only a short time. Sick people in general are much more aware of their surroundings than healthy people. They not only register what is harmonious or dissonant but also absorb it deep in their inner being.

Harmonies which have their expression in colours, shapes, fragrances and sounds are refreshing to the soul. There the soul builds itself up. That is its life. It is reminded of the eternal homeland. Through this reminder, the soul then sets positive forces free such as joy, hope and confidence. They are the best medications for the organism.

Our environment, namely those who are closest around us, introduce many of the errors we carry with us within our soul body, our real self. Our parents, grand parents and siblings are those who greatly influence and mould our emotions. Prior to birth and during our first years, we absorb the emotions of those within our environment.

As children start to make transitions into their free will, from the age of 5 to 7, progressing until their maturity, their emotions become more and more of their own. Before that, their emotions reflect those of the parents, and close relatives.

The demise of the physical body is already established with the first cry of the newborn child. The human body is granted a certain period of time, depending on the condition of the soul and its burden. However, it is the individual who decides, through his way of thinking and living, whether his physical body passes away prematurely, or reaches the limit of its potential age – or whether he even obtains the grace of an extended temporal existence. For whatever can be expiated on Earth in the course of years, can often be achieved over a very long cycle of expiation (make amends for) in the spheres beyond time and space.

Therefore, O man, endeavour to lead a harmonious life. Watch your behaviour and react in a lawful way when human thoughts such as hatred, envy, discord, jealousy and thoughts of the past want to unsettle your soul and your organism.

Balanced and harmonious people affect their fellowman like the first rays of the spring sun or like several cosmic suns.

Through the balance of mind of one who is aligned with God, the neighbour who encounters him, who comes together with him, can regain equanimity. And so, it is always a matter of how you, yourself, meet your neighbour, not how your neighbour should meet you. The one who seeks harmony will also find harmony.

The measure of harmony that you radiate also affects your neighbour. Just as strife and dispute are infectious, so is harmony contagious.

Harmony among the physicians, among the personnel and in the interior decoration of hospitals creates hope, confidence and peace in soul and body of those seeking healing.

The one who has found harmony will gradually be guided from within. He no longer seeks proof. He has the proof in himself.

The one who radiates harmony from within to without is close to the Eternal.

People of the world whose senses are directed to without are constantly looking for proof. Without proof they can hardly accept anything. For hours on end, they talk and argue about things that ultimately they cannot understand anyway. In doing this, they waste a lot of life energy. The one who engages in arguments is himself not convinced of what he argues about with his fellowman.

A truly knowing person is wise. He does not argue, he knows. Only ignorant people engage in arguments. These draw on their life's nerve. They cost a lot of life energy to all those who participate.

People who relate only to matter want to impose their opinions on others and have their knowledge recognized. Through such behaviour, their organism tenses up more and more, because as soon as a person, of himself, wants something, he commits an act of violence toward himself.

God's Divine Love: Pray for it, ask for it, and receive it.

Kingdom of God – Celestial Spheres
Spheres 8 – to infinity

Celestial Kingdom / Heavens and where you become an angel, all one with God. Immortality is achieved upon entering the Celestial Heavens. Then one can further progress to the Eternal Spheres and then home to the Spheres of Paradise.

Sphere of Transition:

Sphere 7 in your progression is the sphere in which you progress from the Kingdom of Man – mortality, to the Kingdom of God – immortality. On becoming at one with God you are reborn, the rebirth, to progress into the Celestial Realms, namely the 8th Sphere, and then on upwards on the Divine Love path.

Kingdom of Man – Spirit World

Spheres 1 – 6

Sphere 6 is the highest progression that can be achieved on the natural love path.

This is not the domain of angels. Sphere 1 is the Earth plane where all souls arrive upon shedding the material body.

The kingdom of God is in his heart, Gods divine truth reaching his soul transforming him

The kingdom of man is in his head, what he believes, is his own truth.

SPHERES: KINGDOM of MAN – SPIRIT WORLD

The first 7 spheres have logical and clearly defined end points both at the 6th and 7th spheres. Therefore a sequence of numbers is useful as a reference. Within each of these lower spheres there are many stations or sub-spheres so to speak through which beings move. There are barriers preventing movement from one to a higher one until the necessary changes have been made. The 6th sphere is the ending point for those who are following what has been referred to as the Natural Love Path.

There exists a barrier between the earthly levels and the spirit levels and this is largely man-made. This barrier has been built on fear and is made of belief.

Spheres:

7 The 7th sphere is the transitional stage between the lower spheres and up into the Celestial Realms.

There are barriers within the structure of the spiritual realms which constrain beings until they are fit to make the move to a higher level. This is not in anyway competitive or subject to examination but is to ensure that the being concerned does know what they need to know in order to function at the next level. The transition, when it happens, is totally smooth and natural and dependent of the level of knowledge of the being.

KINGDOM of GOD – CELESTIAL REALMS

Above the 7th sphere we enter into a greater awareness of infinity.

Why attempt to number infinity?

There is a much less clearly defined system of Celestial Spheres with what we could call a blurring of the edges.

Each of us who are within the Celestial Spheres knows who he or she is and knows what we can do. That one might be a little or a lot further along the path makes no difference to the mutual love that we feel or the level of cooperation that is found in every endeavour. If one is further along, that one is then committed to helping all others to come along. There is absolutely no sense of competition. That was left behind long ago.

We are also hounded by mischievous / malevolent spirits from the lower earth planes of the 1st sphere, referred to as the hells. It is these spirits that distract us with symptoms including those diagnosed as mental illnesses. It is our soul condition that attracts these malevolent spirits.

REVELATION 1
James Padgett 1914 – 1923

James Padgett bravely introduced the availability of the Mother and Father’s Divine Love and a great deal of additional guidance and information, all of which has been supplemented by Samuels, Judas, Reid and Arnold. All writers were under restrictions of personality and circumstances. Revelation 1 opened the door for humanity.

REVELATION 2
Marion and James Moncrief 2002
– ongoing

Marion and James Moncrief have recognised the need for one to engage in Feeling Healing and, by their actions, removed restrictions that James Padgett and others above endured, thus JM is able to critique the writings of the past 100 years resolving points of confusion as well as expand on what has been written. Revelation 2 is humanity’s turning point.

Due to the extra-ordinary nature of Revelations 1 and 2, humanity with the first Revelation would have continued on into its negative pathway of living, however, combining the first Revelation with Revelation two, now humanity can embrace this turning point and commence its evolutionary growth that has required two thousand years to put in place. This is the greatest event in the history of humanity and very few are aware of such, until we enable others to become aware.

END to the REBELLION and DEFAULT – 31 January 2018:

31 January 2018: Nanna Beth: Yes John, very good news we want to pass onto you for your records. Earth and the seven associated Mansion Worlds (including the two Earth planes) are **officially** now fully under the control of Celestial spirits. And this means John, that Earth is now ‘Ours’. It’s been a long time coming, but it’s a huge milestone and marks a tangible and real end to the Rebellion and Default. It’s one of a number of ‘End’s’ that are to occur.

With the departure of the Caligastias and Daligastias some years ago, humanity has been in a state a limbo so far as who is doing what with it, it not being allowed to be left alone so it could do whatever it liked, it always needing to have a spirit connection. With the mind spirits, as we’ve told you, basically calling the shots still happy to ignorantly carry out C&D’s plans. But now with our systematic and progressive take over, we’re now in complete control.

And what that means is we have our fingers in every pie and we’re on the case so far as what everyone is doing. However it doesn’t mean we’re taking over and telling humanity what to do and how to be, although we are able to work more with certain individuals directly and indirectly helping to move or point or orientate (depending on how you want to look at it) individuals, groups of people, whole societies, the whole world, according to the plans given to us by the Melchizedek Receivers.

So humanity will still carry on outworking it’s unloving, untrue and rebellious state, that has to be worked through to its natural conclusion, however we want you to understand and just know that it’s another end of things and beginning of the new. And it’s basically what we’ve been working with you in connection with James this past year to achieve. There is a lot more to it and how and why it’s been done, and done as it has been done, however you can find out about all of that when you come over.

So we Celestials will guide humanity now according to what our Mother and Father want, so humanity’s got a real tangible safety-net under it now, so no more ‘downside risk’, it all being to move it toward doing its Healing.

I’ll speak again soon – love Nanna Beth.

By living true to ourselves, true to our feelings, we are living true to God. It’s that simple.

OUR JOURNEY of GROWTH in LOVE
 All we need do is to ask for God's Divine Love – it is that simple.
 Ask directly, no intermediaries needed.

Souls, being thoughts of God, are ready for incarnation in their billions. These souls are at the level of the 6th sphere in a natural love state, however, they are not within the 6th sphere perse. These souls are not self aware. Prior to incarnation, they do not express free will. There is nothing of the Divine within the soul. They have an instinct to incarnate. Incarnation of the two soul halves, male and female aspects, typically occurs within a 5 or 6 year time frame, however the timing may be 20 to 60 years apart. To become conscious of self, you must incarnate. This is the individualisation process.

The soul half that incarnates is the one most suitable for the characteristics and character of the attracting parents. Upon incarnation, one's soul condition adjusts to reflect the soul conditions of those around it, typically reflecting closely the soul conditions of one's parents. Upon completion of individualisation process, that is incarnation which may be only a short experience in the mother's womb, we never need return to the physical state. To be able to return to our Heavenly Parents, we need to use our free will and ask for Their Divine Love.

Arguments also create thought structures of incomparable dimensions. Such thought structures then draw on the life's nerve of the persons involved and often prompt a sensitive person whose nerves are weakened to commit acts of violence and other forms of outrage, even acts of immorality.

Violence is never Justified

Outrage and assault, which often occur after a fierce argument, indicate a lack of energy. The person has wasted much life energy through unnecessary talking, through argument. The loss of life energy causes tension. Tension then presses toward discharge, toward relaxation. The person either assaults someone or gets relaxation through excesses of many kinds.

However, the one who is thrifty with his life energies will become more sensitive to higher forces of life.

The path to spirituality, to the permeability for higher values, results in a balanced, harmonious and selfless life.

People who are in a process of transformation from the human and materialistic to higher spirituality will also change in regard to their outer appearance, to their clothing and home. People of the Spirit dress in an orderly and clean way. The colours of their clothing match harmoniously. They prefer bright and light fabrics, just as their inner being is bright and light and sunny.

The same thing happens in their apartments and houses. Here, too, many things will change when the person has awakened from the material to the spiritual, when the light within gradually radiates to without and wants to find its external expression. The apartments and houses of spiritual people become brighter and the furniture more graceful and lighter.

Just as a person's inner condition is, he portrays himself and his environment externally, in the same or like way. The clothing and dwelling reflect the inner being of a person. It is not luxury that is a sign of inner beauty, but the simplicity of clothing and dwelling and their light and bright colours and shapes. Externally, the person shows what his inner state is like.

With this repetition, I want to direct yet another appeal to the physicians. In order to structure the life of the patients / friends harmoniously and to achieve deep harmony of soul, spirit body, and physical body, it is not only the aspect of medications that needs attention. Much more important is the attention given to harmonizing the soul.

The physician should change his way of thinking and, for in-stance, recommend that his patients wear light and bright clothing in order to support the healing process. The colours should be harmoniously matched. Also, a change of residence or new furnishings or new wallpaper will change the mood of the patient. A change of surroundings is advisable, too.

Particularly a change of surroundings is often decisive: The new environment evokes a completely different way of thinking in the healthy as well as in the sick person. When a person gets away from the thought complexes clinging to wallpaper, furniture, clothing and the many different objects that

influence and stimulate him accordingly, then a new world will open up to him. Positive thoughts may awaken and bring harmony to soul and the bodies.

Identical impressions, the old milieu (social surroundings), constantly influence the person and remind him of the past or of occurrences, which he often can overcome only with a change of atmosphere or with a complete transformation of his old habits.

A change in external circumstances is often more beneficial than any medication, or it improves the effect of medications or natural remedies.

Humanity should also be instructed about the effect of fragrances, especially the physician, so that he can treat his patient with this approach, too.

Through heavy fragrances an already existing sentimentality may cause a person to become weary of life.

Fragrances can be perceived by soul and person. Among other things, they might disturb or even harm the nervous system. Therefore, artificial fragrances should be used only under specific condition and in small amounts.

Recognize that a healthy and light-filled soul also emits a pleasant whiff from the inner life, the fragrance from the pure Being, because the soul has become light-filled and bright. (The luminosity of the soul reflects through one's spirit body, thus other spirits can observe this.)

Hence, one can also draw conclusions about the state of the soul from body odour.

If a person learns to think lawfully, he will also live lawfully.

Life as a whole is melody and fragrance. Soul and person smell according to their way of thinking and living.

All these indications are instructions for life to stay or become healthy. They also apply to physicians who bear great responsibility for the good or the woe of their patients / friends.

If hospitals were designed and decorated in a more friendly way and did not convey only the impression of illness, suffering and infirmity, there would be more joyful, positively minded people in these houses, as well. They would be houses of inner recognition and inner edification. In this way, the patients / friends would find a positive attitude toward their illness and be able to accept and bear many things.

In the clinics of this world, everyone speaks only of illness and suffering. Through this, an atmosphere of vibrations of illness, fear and worry develops. These vibrations cling to objects, to beds, chairs, closets and instruments. All the rooms, including the operating room, are infected with them. The building and the surroundings radiate whatever happens within the rooms in thoughts, words and deeds.

The fear of death, too, attracts danger. The fear of death can cause the surgeon to become nervous and make wrong decisions or mistakes during the operation, which can then lead to death.

In a clinic, no constructive, positive force can be developed as long as physicians and nurses do not have an energetically constructive and motivating radiation, as long as the patients / friends are only objects to them – or even prisoners of their ideas, instructions and habits.

Where there is no sense of community between physician and patient / friend, there can be no inner communication. The object, the human being, says “yes” to the authority, the doctor, while, at the same time filled with fear and worry, he secretly builds up thoughts of his possible demise.

For many, so-called death is something shrouded in mystery because only few people have lived rightfully and have asked themselves about the meaning of life. Over the course of their lives, only few think about their passing away, about where they come from and where they are going. The one who has seriously dealt with these questions, by living day by day in such a way that he can step into the beyond at any time, will, even in the moments of a critical situation such as illness, make his soul and his whole body so sensitive that the physician will be favourably inspired and come to the right decision. Therefore, in many cases it depends on both the physician and the patient / friend whether an illness ends with the physical death or with a continued life on Earth.

HEALTH**

As long as only suffering, anxiety, infirmity and fear of death emanate from clinics and hospitals, no positive power can move in there or, therefore, become effective, either.

Hospitals and clinics in particular should radiate a positive atmosphere that has a calming, constructive and strengthening influence on those who seek healing. Since, however, physicians, helpers and nurses are lacking in spiritual knowledge at many clinics and hospitals, such houses are often places of horror.

If physicians and staff were to think, live and act in a spiritual way, then in many cases natural remedies would be sufficient to stimulate the body to self-healing through the Spirit. Thus, in many cases, a surgical intervention, an operation, could be avoided.

We draw attention again to the physical exercises previously mentioned.

An excellent contribution to health comes from harmonious physical exercises with accompanying harmonious music.

Harmonious music combined with physical exercise and, above all, positive thinking encourages the cell tissues to better absorb the life forces, to activate themselves and to stabilize the body. In this way, even the quanta in the atomic structure of a person are stimulated, and bring about what has already been revealed, that the person receives more spirit power.

The harmonious, lawful influence on soul and person brings about a higher vibration of cells and muscles. In the physical body, it also causes the normalization and stabilization of the circulation. In this way, both soul and the bodies attain a raised body rhythm, a higher and brighter vibration.

If soul and the bodies are in harmony, then the human being is also receptive to the spiritual life counselling and to the spiritual life force and healing forces.

If, through these simple methods, both soul and the bodies are prepared for the higher life forces, for the spirit powers in the person, then, in many cases, the person gains a positive attitude towards his illness and toward his environment.

A newly individualising soul is just a tiny invisible spark.

The life force for the spirit body and the physical body is via the soul. The soul is connected to the spirit body via cords, and in turn, the spirit body is connected to the physical body by cords of light. Should the cords between the spirit body and the physical body be disconnected then the physical / material body dies. The physical body is like our starting point for learning and experiencing our being. Our learning and growth experience then continues through the existence of the spirit body.

By these simple means, a despondent person may recover his mental and physical balance and regain harmony with his environment. Thoughts of illness and suffering will then be replaced by confidence, hope, thankfulness and the will to become completely healthy again. This is the proper motivation for the cell structure, for the cells, which is then activated through eternal power and prepared to receive healing streams.

Many hospitals also lack explanatory lectures on the power of positive thinking as well as related literature.

The power of thought is manifold. Whoever knows how to use his thoughts in the right way becomes creative, sensitive, healthy and happy.

As already revealed, positive, high and noble thoughts are the best medicine. If the body were prepared by corresponding harmonious music and pertinent physical exercises, many a patient could be saved a lot of trouble.

The physical body is a “body of motion” and, as therapy, needs to move in fresh air or in harmoniously furnished rooms; for colours, forms and sounds together influence soul and person.

Special attention and care should be given to the seriously ill. Many people suffer greatly under the weight of a soul burden which has become effective in their physical body. They, in particular, need special devotion and care.

When a soul burden flows out, not only the person, the body, suffers, but also the weakened soul, which is low in energy (soul condition) during this time. The more selfless devotion the person receives from his neighbour and the more a beloved person participates in the life of the patient / friend, the more meaningful will the life of the person seeking help and healing become. The suffering soul, too, gratefully accepts this selfless service.

The staff at the clinics, as well as the members of the family concerned, are advised to integrate the seriously ill in their daily routine. It would be good to give the ill, even the seriously ill, minor or major tasks, depending on the intensity of their physical ailment. In this way, they sense that they are still needed.

Even the seriously ill should participate in the uplifting forces that result from harmonizing music and harmonious physical exercises. If the seriously ill are bedridden, they nevertheless can be brought to pleasant rooms for music and exercise, which should also serve as rooms for meditation. In this way, the bedridden patients / friends can participate in the physical exercises of their fellow patients. Their senses of sight and hearing register the movements and the harmonious sounds. The muscles and the cells, the person's whole organism, pleurably absorb the harmonious sounds, and they automatically react to the harmonious sounds which trigger vibrations in muscles and cells. These harmonious vibrations are an inner massage, so to speak, that relaxes nerves and organs and activates the positive forces within the person: Hope, confidence and thoughts of wholeness may result.

Even a soul poor in energy (low soul condition) thankfully accepts the vibrations of the harmonious sounds and the movements of the body, or even just the vibration of the muscles. The vibrations of the music and the movements of their fellow patients / friends help the atomic structure of the soul and body of the seriously ill person to attain a higher vibration (improved soul condition). This brings about a mental-physical balance in him, as well.

In many clinics the seriously ill drowse and vegetate. They are given pain-relieving and sedative medications. Such people are often nothing but experimental objects for those who consider the physical body to be the essential, but know little or nothing about the soul or spirit body. The soul registers everything. It is they who often inflict unimaginable torture on the spirit body and the soul.

We warmly recommend all physicians and specialists to pay more attention to the bearer of the life force, the soul. If the soul regains health (soul condition improves and rises), then the body will also be restored to health. If the soul is healthy, then the body is healthy, too.

See the patient / friend as a part of you! Whatever you do not want others to do to you, do not do it to your neighbour.

Thoughts are undreamed of forces.

Positive, harmonious forces uplift the emotional life and promote the strength to heal.

Positive forces give comfort to the hopeless. They give courage to those who suffer. They give strength to the joyless so that they may be glad again.

Love your fellowmen and help them and you will be loved in return. For everything that goes out from you that is selfless, good and beautiful, you will receive again in manifold ways.

Therefore, let the hospitals become **houses of health**. Then the world will brighten and people will come together in thankfulness and joy toward God, the life, the healing power.

If a convalescent person returns to his environment, to his family and his place of work, and is then confronted with his old habits and old problems, he is not always able to keep his distance from them. Then the danger of a relapse looms. In these situations, a counsellor should be available to him with whom he can talk about the difficulties which he is again facing.

We will establish this in the Christ clinics, the **houses of health**.

We offer our help to all physicians and surgeons through people who are capable of giving lawful counselling. These are people who know and, to a great extent, have actualised the eternal laws, and who thus wish to serve and help selflessly.

Verily we say to you all, the physicians, the scientists, the theologians, the assistant staff and the sick: The one who applies the methods given by the Spirit in the right way will not only achieve great success, but will also be of great service to humanity.

People in the Spirit, can do great things for suffering humanity.

People of the Spirit will acquire or build **houses of health** and furnish and manage them correspondingly.

In the Christ clinics, in the "**houses of health**", above all, health is affirmed, while the illness is treated accordingly. Physicians will think and act according to the eternal laws and, in a lawful way, stand by those who come to them for help. The people seeking help shall feel the Spirit and draw new hope, gaining the courage to face life once more.

The world needs Christ and people who think and live in a truly Christian way. (To be Christed is to have received sufficient Divine Love, by asking for same, to have had one's soul transformed by the infusion of Divine Love – God's love, to that of the Divine.)

Ask and you shall be given! Seek, and you shall find! Knock, and the door will be opened! This applies to all people – to physicians, scientists, theologians, as well as to those seeking healing.

So that people on the path to their inner being find peace and attain tranquillity and help, people are needed who have knowledge and spirituality, who know the laws of life from their own experience and not only from books and lectures. People are needed who help and serve from within, and in complete accordance with the laws of life. The one who can draw on a wealth of self-experience, who has experienced the holy laws in and on himself through their actualisation, is a true servant and helper of humanity.

Ask, and you shall be given! Seek, and you shall find!

There are some people who have come to know the laws of life not only from books, who have not only book knowledge, but who stand in the midst of the fulfilment of the law. It is they who can help the physicians, the theologians and the scientist so that the world may become lighter – and the hospitals, as well.

The one who knocks will receive. People of the Spirit are ready to serve and help all those who are of good will, and who are honest, sincere and just with themselves.

May the one who has a heart for his fellowman open it wide for a selfless service to his neighbour!

Intellectual knowledge blinds people to the truth. May the one who wants to find the truth and draw from the truth act selflessly, without asking what his profit might be, or whether he can acquire prestige, money or possessions for himself.

O man, be diligent in the Spirit! Then you can truly change and improve the world.

LOVING and UNLOVING EMOTIONS:

They are plasmatic balls of energy.
Loving emotions are life enhancing.
Unloving emotions are life retarding.

*Thoughts
become
Things.....*

*Emotions are
Things.....*

Emotional damage can fester and grow should you persist with the issue.

Negative emotions, that are those that calibrate 200 or under on David Hawkins' Map of Consciousness, create energy flow blockages within your meridians that are within your spirit body / etheric body. In the physical, these energy blockages / emotional injuries emerge to disrupt the flow of energy along your nervous system creating mayhem, pain, and ultimately illness. The frequency of the emotional injuries generally relates to the frequencies of specific organs in your body, that is why various emotional injuries are related to various illnesses.

The emotional injuries can be readily removed – permanently.

PLASMA:

Antimatter / principal matter is the life giving energy source.
Dark matter / transitional matter restricts the flow of light.
Matter is the concentration of these energies resulting in physical matter.
Plasma is the building block of all.

Meridians – the Pathways of Energy Flow

<http://www.crystallotus.com/Acupressure/Index.htm>

The pathways of chi flow are called meridians. Where are the meridians? When a surgeon operates on a person, he does not find any meridians. The surgeon does not see air either, but it is still there. Compare a meridian with a stream. A stream, unlike a pipe, has no defined boundary. It is simply where water flows, and it may constantly change its shape, although the change is so small that it generally maintains a definite line of flow. In the same way, a meridian has no fixed boundary.

It exists where the chi flow is, though it maintains its general form. Meridians are of two kinds: the main ones are called channels (jing), and the branches are called collateral (luo). However, the term 'meridians' is often used to denote channels.

When Chi does not flow easily and smoothly we have what is commonly called a dis-ease. The Chinese believe that a Chi gets trapped in the meridian and the body suffers from all the ailments. To heal this blockage the Chinese healers understood the flow of energy through the various Meridians. They stimulated the energy points to let flow the Chi and, so therefore the healing took place.

Tonal lines create the web-work of energy which the scalar-wave frequencies of the core Katha Grid and DNA Template translate into the Chakra Meridian-Nadius Line (Hara Line) and chemical DNA systems.

Meridians, or channels, can be classified into two groups: primary and secondary: Primary meridians are those that pass through internal organs, secondary meridians do not. There are twelve pairs of primary meridians flowing in a never-ending circle. For simplicity, only one of each pair is described. The twelve meridians are as follows:

<http://www.crystallotus.com/Acupressure/001.htm>

Negative energy in the form of holding onto an untruth about anything, being a person or an event, deposits within one's soul as a tiny cell of unwanted energy. This tiny energy blockage can grow and grow should you allow the issue to fester within your being.

Untruths with anger and hatred will slowly, but surely, manifest themselves into your meridian system which resides within your spirit body. This then results in energy flow blockages within your meridian system, being the template for your physical body. Unless these energy blockages are released and allowed to pass through your spirit body, you will begin to feel pains within your physical body, and subsequently, an illness may emerge within your physical body. Such illness is a direct result of an emotional issue, or series of related emotional issues, that could have commenced during your early childhood, or even before birth. Proceeding to release these emotional time bombs while receiving medical assistance for your physical body can result in the permanent recovery from such illness.

ENERGY DETERMINANTS – Relationship between Body, Mind and Soul:

The physical body calibrates at 200 on Dr David Hawkins' Map of Consciousness. Many people feel and believe that their body is their real self, this is not so.

Further, the brain is not the origin of the mind, as science and medicine had believed, but the other way around. The mind controls the brain. The brain is activated by the mind's intention and not vice versa. Reason, which emanates from the mind, calibrates at 400 to 499, thus controlling the brain.

What is held in mind has the power to alter brain activity and neuroanatomy. Thought is powerful because it has a high rate of vibration. We are subject to what we hold in mind. Errors in belief bring about energy flow blockages.

Superimposed around the physical body is an energy body whose form is very much like that of the physical body and whose patterns actually control the physical body. This control is at the level of thought or intention. This superimposed energy body is one's etheric / spirit body, the template of one's physical body and home of one's mind.

The basic dictum to comprehend is that the body obeys the mind; therefore, the body tends to manifest what the mind believes. Illness is generated in the physical body by erroneous held beliefs within one's mind.

It is the energy level of love that steadily brings about a release from erroneous and harmful man-made emotions and beliefs. The energy level of love calibrates at 500 and higher. One's soul is connected to one's spirit body by cords of light. One's soul is the home of one's personality, natural intelligence and memory, it is our real self.

One's soul is always perfect and is made of the energy substance called natural love. It is by growing one's level of love does one enable sufficient energy to flow through one's chakras of the spirit body and subsequently into one's physical body that erroneous and injurious beliefs are dissolved and the potentiality for health of the physical body to become permanently repaired a possibility.

On the Map of Consciousness (MoC), the **charkas** calibrate as follows:

Crown	600	7 th chakra
Third Eye	525	6 th chakra
Throat	350	5 th chakra
Heart	505	4 th chakra
Solar Plexus	275	3 rd chakra
Sacral or Spleen	275	2 nd chakra
Base or Root Chakra	200	1 st chakra

The Feeling Healing process with the greatest infusion of Love, is the easiest way for one to transcend levels of emotions, that is, to evolve, is to long for, pray for, and ask for our Mother and Father's Love, Divine Love, being a light golden blue energy substance. Try the experiment.

Negative emotional issues lodged and stuck within the soul then manifest in the spirit body, and subsequently emerge as pains and illnesses in the physical body.

The energy, plasma, being attracted to the stuck emotion can cause the injury to grow and grow and grow.

Negative emotions impede the flow of energy through your bodies and this brings about difficulties and illness. Attracting Antimatter Plasma results in a far healthier and loving life than by from attracting Dark Matter Plasma.

Unloving emotions cause the soul to loose radiance and to contract in size. Your spirit state experiences are devoid of happiness.

Unloving, negative emotions retard the growth of your soul and your life experiences are generally difficult in all aspects of your living.

Encrusted Soul

A soul's condition is never frozen. No matter what condition one's soul is in, from there it can grow in love. From the poorest state it can grown to

Spirit Body

HEALTHY MERIDIAN or OBSTRUCTED MERIDIAN:

The etheric body, being part of your spirit body, is the template for the physical body. Much of the energy you need for the physical body is supplied by way of chakras and the meridian lines throughout your etheric body. These meridian lines reach from your toes to the end of your fingers or top of your head. Each set of meridian lines is connected to a specific organ of your body. Each organ functions at a different vibrational frequency.

In like, many negative emotions, which are also of different vibrational frequencies, if not allowed to pass through your bodies, will find their lodgement within fields of related frequencies within your body and organs. Such negative emotion, being those calibrating under 200 on Dr David Hawkins' Map of Consciousness, may lodge anywhere in the bodies, typically on the meridian line of the related organ to which it relates to and was attracted to.

Such slow vibrating negative emotion is a plasmatic magnetic energy ball. It can grow and grow by being fed the same fuel coming from a continuation of the same emotional injury. This stuck ball of energy will restrict the movement of needed energy flow along the meridian. This will result in discomfort, then pain, and then may manifest in illness in the organ or in aspects or regions of the body related to that organ.

Allopathic / western medicine treats the symptoms, however the cause remains held in the bodies resulting in a further or similar health issue or a reoccurrence.

The negative emotion, possibly having been held since very early childhood, can be easily removed.

Issues within the subtle bodies are energetic magnetic fields that can be removed by your focused intent to recognise the issue, locate the issue, and enable the bodies to release the emotion with the support of additional magnetic energy being provided to your governing meridian down your spine. Such healing modalities include the Emotion Code and Body Code practices, as an example.

The ultimate way to improve your health condition is to long for and receive Divine Love, this love slowly but steadily grows your soul condition and results in erroneous emotions and injuries being released from your bodies.

**DIVINE LOVE does not TRANSFORM one's SOUL
FEELING HEALING is what TRANSFORMS one's SOUL**

The Divine Love does transform our soul from Natural love into Divine Love. It's our Feeling Healing that 'transforms' or heals our erroneous expression of Natural love. We have to 'heal' and so perfect our Natural love, so it can then be transformed by the Divine Love.

Divine Love does not even begin the real work of transforming one's soul, for those who focus upon receiving Divine Love to the exclusion of embracing one's Feeling Healing, they are just expanding their mind's control over themselves. Should this be one's passion, then upon passing into the spirit Mansion Worlds they will find that they can continue along this path all from within the Divine Love followers segment within the first natural love Mansion World! Yes, only from within the first natural love Mansion World.

Most of humanity on Earth does not want to face the very truth their feelings are making them feel every day of their life. So if they want to keep living in the spirit Mansion Worlds as they did on Earth, in complete denial of their feelings and the truth they are to shown about their wrongness, they can.

However, for those who have embraced Divine Love and begin to engage in their Feeling Healing process to begin the transformation of their soul, they will be able to sense the Divine Love already within their soul 'driving them on'. One's understanding and adjusting will be changing rapidly to that of embracing all about the Healing and doing it – all being supported by the Divine Love that one may have received previously. All one may have done with the Divine Love may make their introduction into their real Healing, by using their feelings, much easier than it is for other spirits from the mind worlds who are at the same time having to wrestle with many of their old religious beliefs or mental programming, having to take on a whole new mind-set which one could see would take some of them years, whereas for someone who has been longing for and receiving Divine Love for some time it may be only a matter of weeks. This also applies to those living in the physical.

It is the Feeling Healing process that transforms one's soul towards perfection, towards the ability to fully express one's true personality as given to us by our Heavenly Parents, it is the Divine Love that then fits that transformed soul to be able to enter the Celestial Heavens.

OUR SOUL is the SOURCE of our WELL BEING:

 The etheric body is the spirit body.
 The soul is the real you!

It is our soul that is made in the likeness of our Creator. It is our soul that forms the features of our character. Our soul is our real self, not our physical or spirit body. Our spirit body, as it is for other creatures, is the physical body for the spirit world. We function through our soul whilst living this experience on this physical world.

When we are conceived, the viable embryo borrows from the life force of our parents. The attracted soul half then becomes the life force for us for our physical experience.

Anything with a central nervous system has a spirit body (birds, fish, animals, etc.), however these creatures do not receive a soul.

Your brain is within your physical body, your mind is within your spirit body, however, your intelligence, memories, etc., are within your soul.

The five senses within your physical body are enhanced within your spirit body. Some people are sensitive to the enhanced and additional senses (total 13) within our spirit body. The senses within our soul are huge in number and are very much more capable.

The power of our soul influences all living life within its environment, thus many pets reflect the character of its owner.

Dr DAVID R HAWKINS:

David Ramon Hawkins, M.D. (born June 3, 1927, died 19 September 2012) is an American psychiatrist, mystic, author and controversial spiritual teacher in Sedona, Arizona. He is best known for his book *Power vs. Force*, in which he writes that applied kinesiology can distinguish the truth or falsity of any statement. He directs the non-profit Institute for Advanced Spiritual Research Inc. and operates Veritas Publishing to publish his books and seminars.

“Make a gift of your life and lift all mankind by being kind, considerate, forgiving, and compassionate at all times, in all places, and under all conditions, with everyone as well as yourself. This is the greatest gift anyone can give.”

“Every thought, action, decision or feeling creates an eddy in the interlocking, interbalancing, ever-moving energy fields of life, leaving a permanent record for all of time. This realization can be intimidating when it first dawns on us, but it becomes a springboard for rapid evolution.”

“The downside of spiritual education is the build-up of the vanity of 'I know' and the devaluation of people who are 'not spiritual'. Therefore it is important as a foundation to spiritual training and education to learn how consciousness manifests as the ego and its mechanisms.”

“It is only the minority of people who seek self-improvement or personal growth. This is because whatever one's self-criticisms, one secretly really believes that one's way of being is okay and probably the only correct one. They are alright as they are, and all problems are caused by other people's selfishness, unfairness, and by the external world.”

Saturday, 5 August 2017: Nanna Beth: David Hawkins is living in the mind worlds, so I am told, and would be of no benefit to you John. His legacy is again one of those things that sits well with you, that you enjoy and can relate to and use as you do. And really it is now for humanity to use what is available to it having come from the mind worlds, because there won't be anything further coming through from them. Now it will be up to the natural inspiration of the individual on Earth, and those who are working with us, those people who want to do their Healing. The ways of the Rebellion and Default are to die, to fade away, however this will happen gradually as people of it still try to advance themselves, their lives and humanity in their wrongness, but the next real new inspiration will come from those who embrace the New Way.

Everything is interconnected.

Whilst we are receiving our Heavenly Parents' Divine Love, and that this Love is causing change within our soul and spirit attributes, the greatest Truth known to man and spirit is that this is the way our Mother and Father are actually loving us! When we progress, it is God's way of loving us into love and then we live what we are, love.

MUSINGS by JOHN:

Thursday, 28 September, 2017

Kevin died on 10 August 2012 without any thought for spirituality and no passion for any religion, other than showing up. On 7 August 2017, he arrived into the 1st Celestial Heaven. Three days short of 5 years!!! He had met his soulmate, Kathaleen, and she arrived a few weeks before him into the first Celestial Heaven, as you may have read.

The writings that followed from Kevin are outstanding. Kevin is now a world teacher!!! He and Kathaleen both are. Neither would comprehend this, but they are. Kathaleen and Kevin's writings answers and leads anyone to the destination we are to find, in our own time.

I would like to contrast this achievement with someone I greatly respect.

David Ramon Hawkins, M.D. (born June 3, 1927, died 19 September 2012) was an American psychiatrist, mystic, author and controversial spiritual teacher in Sedona, Arizona. He is best known for his book *Power vs. Force*, I have read everything I can about his works – 10 books, plus videos, etc. Miracles happened around him spontaneously. The Catholic Church would make him a saint within seconds.

Hmm – Dr David Hawkins has stayed trapped in his mind and may remain in the mind spirit Mansion World for centuries, unless he embraces his feelings. He will remain stagnant and limited in his mind condition. Whereas Kevin is now a far greater and truer teacher than this great mind of Dr Hawkins. What a switch in roles! Kevin has progressed exponentially past Dr Hawkins in soul development. Go you good things, Kev and Kath.

Cheers John

Same day: Dr David Hawkins: Hello John. I have been asked to speak to you through James in this way, you being one of my ardent fans and followers of the principles I developed through my life on Earth.

Your assessment of me is correct, and I did spend time in the mind worlds trying to assimilate all that I did on Earth with all that was happening to me in my new spirit life.

Upon my arrival over here in the first Mansion World I was greeted as something of a spiritual celebrity with a host of mind spirits (as James calls them) greeting me, they being the ones who 'empowered' me to do the so-called miracles I did on Earth.

I want to tell you, it's quite a humbling experience to realise, like many of us who did such marvellous things on Earth, that it wasn't actually our own doing, we were not the sole instigator of such 'happenings', that it was other spirits working through us. And that although I attributed it to God, still I secretly thought it was all my own incredible doing, so to have to accept that I was just a conduit – that I really was, and having little more than an innate ability to be that conduit, I felt a bit flat.

And to bolster my flagging ego, I would tune into those people on Earth who were still thinking well of me, yourself John being one such person. And here again, by doing this, I gave myself a rude shock

having to face the fact and realise that few people truly understood what I was teaching, taking my work and corrupting it for their own gain. And believe it or not, I never thought such a thing would happen. So, who of my 'earthly followers' was staying true to what I taught – who actually got it?

And I kept coming back to you as one of these people John. Admittedly, had I helped you personally, you'd have had an even greater understanding and appreciation of my work, however you accept it as is and haven't corrupted it, and have guided other people to be interested in it. So I have followed you over the years in this, which meant I also took notice of what you were doing in your other spiritual interests, some of which were vastly different to anything I'd ever heard about, or found out about over here in my limited little mind world.

And I write such things in the past tense because I am very happy to say, all of which I am so grateful to you for John, that I have now progressed into the lowest sector of the Divine Love on the first Mansion World. I am learning all about it, and about the Healing, all under the incredibly patient and loving assistance of higher Celestial spirits, like those who wanted me to speak with you today.

So you can chalk me up as one of your admirers, and a mind spirit who has converted to the 'Ways of the Divine Love'. I still have a lot more to understand, this is true, and as it's so different to my earthly and mind spirit way of thinking, will take time to integrate into my way of thinking – which means, to change my way of thinking into a completely new way.

That is all I wanted to say. And although you might think that my coming is rather inconvenient with you having just written about me again, however here I am and this is what I want to say.

All the best to you John. You have no idea how grateful I am to you, and I have a strong pleasant feeling that that gratitude is only going to increase.

Yours respectfully,
Dr. David Hawkins

(James: As I was reading your comparison of the Doctor with K and K, I started to feel the energy building... oh here we go again... he's wanting to speak to me!)

Friday, 29 September 2017: Dear James and John (Noted from Samantha in England)

To be 'used' so fully by Mind Spirits, to create all he (Dr David) did under their influence, all so cunning, that must have felt quite devastating to him and I am feeling a lot of sadness, emptiness and let down with in myself as I understand how it feels to learn that my whole life has not been my own but that of my parents, their will, control and untruth and I have felt feelings of it all being such a waste of my experience being like that, a waste of the personality God created me to be. I am very sad as Dr David Hawkins realised how 'used' he has been, being a conduit for the Mind Spirits, I feel like that too, used by my parents to be as they wanted me to be instead of nurturing me to be myself and help develop the personality God gifted me.

I (Sam) bought 'Letting Go – the pathway of Surrender' by Dr Hawkins and I was very up with all of his feeling work but then felt the change in me with the mind dominant aspect of Dr Hawkins work, it was that I wasn't drawn to and felt myself draw back from it but now he can go on from what he already

knows, go further into the feeling aspect of what he discovered and I am sure he will get so much support in that from the Divine Love spirits that are guided to help him. Isn't that just so wonderful John, to have that help, like you have in Kevin and Kathaleen.

CONCLUSION:

David Hawkins' own story explains that the 'Letting Go' process is inadequate. The 'Letting Go' publication and process is his own research. Pure and simple; Dr David was knocking on the door, but that process was unable to open the door.

Again, his own story now endorses the Feeling Healing process!

This leaves no doubt as to the veracity of what Marion and James and Samantha are doing. It is THE ONLY WAY! The only way being the Feeling Healing process coupled with Divine Love.

This clears away confusion for many people who may explore everything. Other emotional processing and releasing modalities simply do not delve far enough into one's injuries and errors of belief. Yes, they provide some temporary relief, but none of them go beyond the mind and into the soul to the core and foundation of our injuries, all of which stem from our childhood upbringing.

Dr David Hawkins has now clearly put aside his own teachings and confirmed that his and all other modalities are inadequate.

Now, we all can focus upon the only way home!

FEELING HEALING with DIVINE LOVE is SOUL HEALING:

Firstly, consider discovering the truth of your emotional pain through Feeling Healing.
Secondly, consider longing for our Heavenly Parents' Love as you progress with your healing.
Primary and most important readings are the writings of James Moncrief.
Then consider the Padgett Messages, and then The Urantia Book.

Release one's pain through expressing one's feelings.

The New Way, Feelings First Spirituality
 Learn to live with God through your Feelings

Accept, express and long for the truth of your feelings

Be free in your feelings
 Free your feelings from your mind's control
 Live true to your feelings; your feelings are your true self
 Live true to yourself through your feelings

Live true to yourself by living true to your feelings.
 Long for the truth of your feelings.

Accept / Express / Bring out ALL of your good, and most importantly,
 BAD feelings.
 Want to understand why you're feeling them.
 Use your surface feelings to take you deeper into your repressed and
 hidden feelings.

The Feeling Way is the True Way.
 Your feelings are your spiritual guide.
 Your feelings will take you to God.

Your feelings will show you the truth of your relationships, including your relationship with God; and if anything is wrong, untrue and unloving, then why it is.

Our feelings are sacrosanct and we should respect them accordingly. And we should NEVER block them out, ignore, override, banish, deny or reject them, because if we do, we're only doing that to ourselves, as Our Feelings Are Our Self.

Our feelings are the gateway to our soul. Our feelings are the closest we can get to our soul. Knowing the truth of our feelings is knowing the truth of our soul, and knowing the truth of God.

Feelings First Spirituality is the True path for humanity.
 It embraces all people.

It completely unifies the world.

Everyone can relate to everyone else through their feelings.

And we can all live the truth that comes from our feelings, all sharing the same truths as we express and have the same feelings.

No one need be left out; no one is more special than anyone else – we are all united in Truth through our feelings.

So with and through our truth we live our lives, therefore without the need of any man-made mind-laws, rules and restrictions that limit self-expression as inspired by our feelings.

The New Way, Feelings First Spirituality is what is to replace all man-made, mind-contrived religions that so many people have enslaved themselves to. The New Way, Feelings First Spirituality will set us free of all that control, ending the Rebellion and Default within ourselves as we do our Feeling-Healing, and ending such control and spiritual stagnation in the world.

Bring on the End Times – get it over and done with! Let's all see that Jesus is not going to come again, that Prophecy has failed all the mind-controlled platforms. Allow such false systems of belief to die their long-awaited natural death, they've overstayed their welcome, it's now time they fade away. So let us show such antiquated, erroneous systems of belief the exit and bring on the fresh liberation of discovering the truth of how we are to live for ourselves, each of us personally in our lives, and all by looking to our own feelings for it. Self-revelation through our feelings is the way to go.

The Way of the Mind is ending, and is really the End Times – the End of our mind control, and **it's about time!** With the Way of our Feelings replacing it.

The End Times means the end and therefore a New Beginning. And that new beginning is a whole new Spiritual Age – an age based on self-revelation of truth through one's feelings, coupled with and supported by higher revelations from the Celestial spirits, angels and nature spirits.

The Feelings First Spirituality is the True Way to God because it helps you get to know God, helping you to reach out, connect and be personal with God, and do God's Will, all through your feelings. It is the only true way of getting to know the God of Feelings – our beloved Heavenly Mother and Father, the Great Soul of Divine Love.

Love comes through our feelings and not our mind, as we've all been wrongly led to believe.

Feelings First; then comes The Truth; then comes Love.

- Feeling and believing you are the Superior One;
- Living with your mind in control of your feelings;
- Living rejecting all your bad feelings;
- Living with your mind contriving you feel loved;
- Rejecting the Divine Love.

All religions, New Age, agnostic,
atheists, no spiritual interest,
Living the Rebellion and Default.

Hell:
Exploiting the Rebellion and Default.

The Feelings are the doer; the Mind the teller. So we are to go with our feelings, which we can't be told to do with our mind. So the longing for the Divine Love, doing our Healing by expressing our feelings and longing for their truth, are all feelings and doing it with longing. Whereas the mind just wants to tell us what to do and how to be, no feelings in it, all how our parents have treated us.

Our FEELINGS are our SUPREME GUIDES:

Feelings!

Feelings are what guide us through our ascension of truth. So they are really our Supreme Guides. Many people look for a person, spirit, angel, even God, for supreme guidance, however it's all right there already built in – in our feelings. **We just have to submit to them, allowing them to take us where they will, expressing all the parts we want to express, letting the emotion drive that expression if it's there to be expressed, or just talking about all we feel and how feeling that feeling is making us feel – or, how we feel about having that feeling, all whilst longing for the truth of our feelings. Longing for the truth of our feelings is really: Longing for the truth of our self, because: we are our feelings. So life stirs up our feelings, we feel being alive; or, being alive means we are feeling, always feeling; and when we work out what and why we are feeling what we are, so then we know the truth of how we are. And over time the truth accumulates, and our mind expands our understanding of ourselves, all being driven from our feelings.**

Kevin 26 Sep 2017

Using our feelings to uncover the whole truth of our negative or anti truth and anti love state.

Kevin: So whilst we're of an untrue state, then all we have got to help us understand why we feel bad, why we are wrong, why we are negative and anti love and truth, is our feelings. So if we focus on our bad feelings, they will lead us to the truth of why we're feeling bad. Which will be the truth of what happened to us to make us be this wrong way, and how we took on the wrong way and keep it going making us feel bad.

FEELING HEALING

Note: The vital difference between emotion and feeling is that emotions have their roots in the past, and feelings relate to the present moment. Emotions represent our feelings which were not previously expressed, and these accumulate with time.

Note: Our feelings are soul-based. Our soul is always in truth. It is our soul based feelings, that when allowed to be freely recognised, we will begin to express and be who we are. This takes time and perseverance as we have encrusted our souls with layers upon layers of errors and false beliefs, it is these layers that will confuse the truth that our soul is conveying to us. Only by our progression with our Feeling Healing will our soul's expression of truth become clear and free of all cloudiness and contamination.

“What our soul needs in accordance with our own, individual, **Soul-Light-Plan-Of-Destiny** (your life's true destiny plan), They, being our Mother and Father, will give you as required. The only way we can know truly what we need is to honour and follow our true feelings. They, springing from our soul, literally telling us what we need, and so when we genuinely feel we need something, we apply our will to get it. The hard part is knowing if our feelings are true, and until we have done our whole soul-healing, they won't be clear and total true.” James – Introduction Course to Divine Love Spirituality

FEELING HEALING + SOUL HEALING

To heal one's self is to simply look to see what feelings we are refusing to let ourself feel, and accept them instead of denying them. And to fully accept them, one needs to express them, speak about them, let them have their say, rather than pushing them aside, refusing to let them make you feel bad.

Doing this all with the intention of seeking the truth of why you are feeling them, of speaking about and expressing all such feelings; all feelings you have, but ALL WITH the INTENTION of UNCOVERING the TRUTH THEY WANT YOU TO SEE ABOUT YOURSELF. And it's the wanting to see the truth of them that is very important, because if you just look to accept them and speak and express them, but not seek their truth, then that's all you'll be doing, speaking and expressing them, but not healing their causes, so not fixing the things within you that are making you feel bad. And it's the truth part of it, seeking the truth of your feelings, and so, seeking the truth through your feelings, that's vitally important. It's the truth of yourself, life, nature and God, that is the spiritual aspect to it all.

You CAN'T find the truth of yourself, or anything else, through and with only your mind. You HAVE to engage and look to your feelings. And so if you choose to allow your feelings to 'Show You the Way', then the truth will come as you express them. So to do our Soul-Healing consists of these steps, all of which are ongoing until it's done:

- **Admit you are feeling bad.**
- **Accept your bad feelings, identify what they are.**
- **Honour fully your bad feelings by expressing them, speaking about them to someone who is willing to hear you talk about them, or tell them out loud to our Heavenly Parents. Long for the truth of them. Long for the truth of why you feel bad – what deep within you is causing your bad feelings?**
- **And remember, bad feelings are Good! Not bad. They are not to be despised. And as hard as it is to accept them, they are still you, and a very real part of you. And if you persist in denying them and not allowing yourself to fully live them, then you are only going to keep yourself in your errors making things harder for yourself.**
- **All sickness and suffering, all bad things that happen to you, all your problems, all your addictions – your whole feeling-denying and untrue life, is all caused by your denial of bad feelings.**
- **Every problem in the world is brought about because everyone has been brought up to deny feelings, and in particular, most of their bad ones.**

If one is intent on spiritually evolving and growing in truth, then it's vital, and this is the key, that one looks to use one's feelings as the means to gain and have access to the truth of oneself. You CAN'T find the truth of yourself or anything else through and with only your mind. You HAVE to engage and look to your feelings. And so if you choose to allow your feelings to 'Show You the Way', then the truth will come as you express them.

Doing your Soul-Healing with the Divine Love, is really doing your 'Feeling-Healing'. We are designed — created — to be self-revealing of truth, and so we are all to uncover the truth within ourselves and for ourselves, and all being done by living true to our feelings. **If you accept, express and seek the truth of your feelings, then truth will come to you, and you'll grow spiritually. It's as easy as that. Also it is as easy as it is to long for, ask for and receive Divine Love.**

THE HEALING OF YOUR BAD FEELINGS THROUGH THEIR ACCEPTANCE
AND FINDING THE TRUTH OF THEM, IS THE ACCEPTANCE OF YOUR
NEGATIVE, REBELLIOUS, EVIL, IMPERFECT MIND AND WILL CONDITION.

To do our feeling-healing we need to become:

Aware of – Acknowledge – and Admit, our bad feelings.

So we can:

Accept – them and allow ourselves to Be them.

And then if we feel to, take:

Action – Express, speak and emote them.

Talk about them.

All being done whilst longing to, really wanting to, see the TRUTH of our feelings.

So it sounds simple.

So I repeat:

We accept our bad feelings by expressing – speaking about them to someone willing to listen to us and take us seriously. And as we speak we long for the truth of them – why we are feeling them – to be made known to us. And when we uncover and see the truth we are FREE! – healed of the causes that have made us feel bad.

Accept, Express – see the Truth, and you're Free!

ACCEPTANCE OF ALL YOU FEEL, THINK AND ARE, IS THE KEY TO DOING
YOUR HEALING; THAT, AND WANTING TO SEE THE TRUTH OF ALL YOU
FEEL, THINK AND ARE.

Release one's pain through expressing one's feelings.

in conjunction with

Longing for the Truth when also longing for Divine Love.

WE are meant to grow up LIVING FULLY CONNECTED to our FEELINGS:

Humanity has always had an awareness and involvement with spirits, with life on the other side, because we are all heading that way, we all end up dying and becoming one of the spirits, and were humanity living rebellion-free, then nearly everyone would enjoy some level of spirit involvement either directly or indirectly, loving such an expansive awareness in life.

We are meant to grow up living fully connected with our feelings in our physical reality, and at the same time with full feeling awareness of spirits and life after death, because after all, God is the greatest Spirit of us all.

And so having an awareness and involvement with spirits can, and should, help us have more of an awareness with our Mother and Father. And it's not with just spirits, it's also with the angels who are with us all the time, and the nature spirits should we be open to them, and even higher spirits if we are to work with them, such as the Melchizedeks or Trinity Teacher Pairs. But mostly for those people involved with the Divine Love, it will be with the Celestials spirit group that is assigned to help them.

It is very important to understand that spirits and spirit life is meant to be part of life on Earth. However that's not to say everyone need to have an ongoing relationship with their spirit friends, but they can at least still be aware of spirits and spirit life and where we will be going and something about what to expect once we die. And when you are open to it, lessening the grip of one's fears about it, then we will find it will be just another aspect or level of life, and one that can give us quite a lot of comfort.

TRUTH LOVING SOUL V ERROR INFLICTED MIND

**Feeling
Healing with
Divine Love is
the key!**

To liberate one's real self, one's will, being one's soul, is by embracing Feeling Healing so to clear emotional injuries and errors. With the Divine Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

The whole human race is suffering from repressed childhood and mind control.

Be controlled by your oppressive mechanical mind, or set yourself free through your feelings and allow your soul based truths to surface. Allow your feelings to be felt, and seek the truth of them. This is how we can all evolve in love.

Our minds are infused with childhood injuries and errors. Only by expressing them as they surface, and finding the truth of them that we set ourselves free and grown in love.

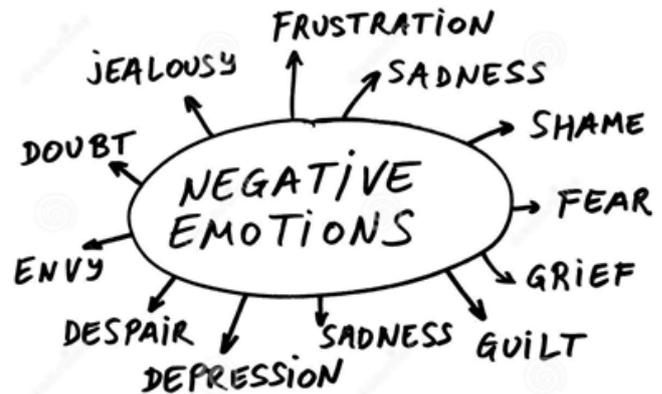

ERROR INFLICTED MIND V **TRUTH LOVING SOUL**

REVELATIONS

Revelation 1: Our soul becomes encrusted with harmful ways of life, plus negative and erroneous beliefs, these mainly stem from our childhood upbringing and environment. Thus we live untrue to ourselves, we become 'evil'. Whilst we hold to these injuries we limit the amount of Love that we can receive into our soul. To open our soul to the Love we must firstly and progressively embrace our emotional injuries and allow them to be released. Until we emotionally experience past errors and injuries we hold onto them.

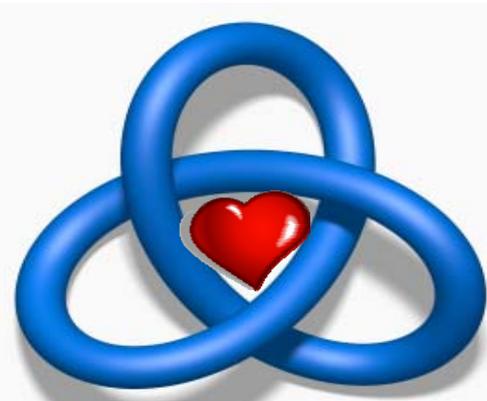

To free our soul of damage and toxic emotions we must open ourselves to experiencing them. This is a progressive, slow and uncomfortable cleansing process that we must all experience. Only by addressing the generational injuries will we, as humanity, evolve in love.

To fully divest one's self of our badness, we have to 'go into' our feelings. Call this process of clearing toxic emotions as 'Letting Go', 'Emotional Processing', 'Journey Process' or 'Feeling Healing'. Embracing Divine Love then Feeling Healing becomes Soul Healing.

As part of our Feeling-Healing we will have to work our way into all our feelings to see if indeed they are coming truly from our heart and soul, or if they are being heavily influenced by our mind. And this will then lead us into questioning and uncovering the truth, if there is any, to our beliefs and why we behave the way we do; and is such behaviour based on truth, or is it based once again on untruth, belief, and rules of our mind.

Revelation 2: We can long for, ask for and receive the Mother and Father's Divine Love. The greater our soul is free of error and injury, the more of the Divine Love can be received and assimilated into our natural love formed soul. The Love does not free us of injury, however, it strengthens our resolve to continue on our journey to be free of error and injury, to step away from evil aspects that have been encapsulated within our humanness and soul. It is this Love, the Divine Love, that brings about immortality of our soul and it is this Love that will eventually fit us to enter the Celestial Heavens and progress for ever more onwards to Paradise. These two revelations free us from error and enable us to grow in love ever more.

Immortality with the Love.

Strive to love others as I am to love myself

At any time, any where, and in any way you so please:

Approach our Heavenly Parents, in reverence, without fear or trepidation, just as we, as a child, approach our earthly parents knowing that open loving arms are extended to receive us at all times. As one's love grows for our Mother and Father in the Heavens, we come to know with absolute clarity and certainty that our Heavenly Parents, loves you and me and everyone in return, at all times, and that fear is an illusion created by man's mind.

God, who is our Heavenly Mother and Father, is almighty, all powerful, infinite, and all loving. The love of the Heavenly Parents for Their children, man, has been and is always infinite and ever present. As one's faith evolves, one's love for our Heavenly Parents will have no limit. As we grow in Their love, so will we grow in love for all of God's creations and our fellow man.

The Source Soul, our Heavenly Parents, simply desires for us to ask for Their Love.

God's Divine Love: Pray for it, ask for it, and receive it.

"I love you Father." "Let the Divine Love flow its energy into my soul."

"Mother, Father, I desire your Love and I am loving you."

"Soul God, I love you and I love receiving and experiencing your Divine Love."

"True Soul God, I am here, I am aware of your Love. Please hear my aspiration for your Love and as I approach you from my soul, I can feel your Love in the way that you are loving my soul."

"Please Father and Mother, may I receive Your LOVE."

Maybe we could simply long for and ask:

Please, Mother and Father, I want some more of your Love!

MoC 1,471

DIVINE LOVE – what does it do?

The divine gift from asking for and receiving Divine Love will steadily, but with certainty, raise one's quality of life and also of all those around such a person who is seeking and receiving this Love.

The receiving of Divine Love, which is a substance, with certainty, progressively:

- Raises one's love for those around them, whilst embracing one's Feeling Healing.
- Raises one's perception of all things – naturally grows one's intelligence – soul intelligence.
- Enables one to feel and resolve negative emotional issues more readily during Feeling Healing.
- Humility becomes self evident. Humility enables one to feel their errors and emotions.
- Divine Love strengthens one's resolve to express errors, emotional injuries and untruths.
- Divine Love with Feeling Healing to remove emotional errors, enhances one's health.
- Divine Love enables one to become more childlike – not adult serious at all times.
- Divine Love raises one's capability of feeling – no longer needing to be mind controlling.
- By becoming feeling orientated, one no longer is mind / intellectually dominated.
- The strength to fight and overcome sin and error is strengthened through the Divine Love.
- The Law of Compensation process is more resolved by Feeling Healing with Divine Love.
- Receipt of Divine Love grows one's faith, beliefs become faith and then knowing.
- As our faith grows our intensity to ask and then receive Divine Love grows.
- We begin to follow our passions and desires, no longer fear and mind driven.
- Truth being told at all times then progressively becomes a way of life.
- Our quality of life blossoms, our finances and relationships prosper.
- Man creates his own environment, seeking Divine Love can vastly improve one's environment.
- Health carers receiving Divine Love enhance healing outcomes beyond comprehension.
- Receiving Divine Love may assist in bringing a struggling marriage back into harmony.
- You progressively become dependent upon our Heavenly Parents, not self dependent.
- Personal growth in love directly assists the soul condition growth of one's children.
- Divine Love assists one's rate of soul condition to progress whilst embracing Feeling Healing.
- Divine Love is a substance that changes the human soul to that of the Divine.
- Without Divine Love, one cannot progress into the Celestial Spheres (8th sphere and higher).
- Divine Love, with Feeling Healing, enables everlasting Love and Life in the Celestial Heavens.

“The Law of Compensation doesn't operate on isolated actions, but on the overall condition of people's souls, because the deeds are the consequence of this condition. Our behaviour is the reflection of our souls. Never see isolated deeds, always see souls whose condition leads to certain deeds. It is the soul condition which determines the motive and consequently the action. It is our lack of trust in God, this ultimate and definitive trust, which only soul development may give us. This lack is why we suffer.”

Judas of Kerioth 5th October 2001

As you grow in love, illness issues abate, financial security improves, and your treatment of your fellow man is the same as how you would like to be treated. You grow in natural intelligence, your perception on many subjects becomes profoundly more loving and supportive of and for your way of life and how you interact with your fellow man.

This quality of life and love permeates and extends into every facet of your physical life and continues to grow as you progress on your journey within the spirit world.

Your capabilities to ask for and receive Divine Love is a gift between you and your creator, God. You do not need an intermediary, nor do you need to join with any organisation. This is your own personal journey and experience. You can share this with others, but no one can take it away from you.

This Love will elevate the human soul to a condition that it may perceive the spiritual truths which God has waiting to be revealed to His children who aspire to understand the nature of the divine and what their true relationship to Him and their family of souls is.

“Keep faith with God, and be open to Their Love, and you will overcome with confidence and, indeed, peace of mind, optimism and happiness, those circumstances that seem to mar the fulfilment of your years.” Mary (mother)

The Only Prayer That Man Need Offer to the Father:

The Prayer for Divine Love

2 Dec 1916

I am here, Jesus

<http://www.youtube.com/watch?v=Pg6p3rivAZw>

P.438 Book of Truths through James Padgett / Jesus

Let your prayer be as follows:

Our Father, who art in heaven, we recognize that You are all Holy and loving and merciful, and that we are Your children, and not the subservient, sinful and depraved creatures that our teachers of old would have us believe. That we are the greatest of Your creation, and the most wonderful of all Your handiworks, and the objects of Your great soul's love and Tenderest care.

That Your will is that we become at one with You, and partake of Your great love which You have bestowed upon us through Your mercy and desire that we become, in truth, Your children, through love, and not through the sacrifice and death of any one of Your creatures.

We pray that You will open up our souls to the inflowing of Your love, and that then may come Your Holy Spirit to bring into our souls this, Your love in great abundance, until our souls shall be transformed into the very essence of Yourself; and that there may come to us faith--such faith as will cause us to realize that we are truly Your children and one with You in very substance and not in image only.

Let us have such faith as will cause us to know that You are our Father / Mother, and the bestower of every good and perfect gift, and that only we, ourselves, can prevent Your love changing us from the mortal to the immortal.

Let us never cease to realize that Your love is waiting for each and all of us, and that when we come to You, in faith and earnest aspiration, Your love will never be with-held from us.

Keep us in the shadow of Your love every hour and moment of our lives, and help us to overcome all temptations of the flesh, and the influence of the powers of the evil ones, which so constantly surround us and endeavour to turn our thoughts away from You to the pleasures and allurements of this world.

We thank You for Your love and the privilege of receiving it, and we believe that You are our Father / Mother -- the loving Father / Mother who smiles upon us in our weakness, and is always ready to help us and take us to Your arms of love.

We pray this with all the earnestness and longings of our souls, and trusting in Your love, give You all the glory and honour and love that our finite souls can give.

Amen

Note: The 'false teachers' are our parents, as they are also the 'evil ones'. Also, the evil ones, being those parts of one's mind, that are controlling you.

“Mother and Father, open my soul to this Gift, Your Love. Open my soul and may Your Holy Spirit touch my soul and pour within it your essence, your Love that I may be transformed, that I might be your true child, embraced and carried, lit along my life’s path in the glory of your Light and care and protection.”

Jesus 11 May 2016

A Personal Adaptation of the Prayer for God's Divine Love:

Joseph Babinsky

Our Father, who art in heaven, I recognise:

That You are holy and loving and kind, and that I am the child of Your care.

That I am the object of Your great Soul's love and tender most care.

That Your will is that I become at-one with You and partake of Your great love, which You have given me through Your desire that I become, in truth, Your child.

That You will open up my soul to the inflowing of Your love, and that then will come Your holy spirit to bring into my soul, this, Your great love in great abundance until my soul may be transformed into the very essence of Yourself; and that there may come to me faith – such faith as will cause me to realise that I am truly Your child and that I am one with You.

Let me have such faith as will cause me to know that You are my Father and the giver of every good and perfect gift, and that I only can hinder and stop the river of your inflowing love.

Let me never cease to realise that Your love is waiting for each and all of us, and that when anyone comes to You with faith and earnest aspirations, Your love will never be withheld.

Keep me in the shadow of Your love every hour and moment of my life, and help me to remain completely focused on this, your ever-present and unconditional love.

I thank You for Your love and for the possibility of receiving it, and believe that You are my Father – the loving Father Who smiles upon me always and is always ready to help me and take me to Your arms of love.

I pray this with all the earnestness and longings of my soul, and trusting in Your love give You all glory and honour and love.

The BEAUTIFUL MIRACLE:**5 Oct 2012****The DIVINE UNIVERSE**

The way in which the Spirit conveys the Divine Love into the soul is a beautiful miracle. The attribute of mortal soul prior to incarnation has to it, a potential within it that is part of its formed nature. After the soul incarnates this potential remains part of the soul and even if the forming personality is unaware of such a soul potential, the potential still exists. The Divine Love is entirely suitable in its energy of harmony to be the energy that a mortal soul can utilise. The Spirit covers the spirit body when the individual sincerely asks the Soul of God for the Divine Love and this covering of the spirit body is where the dynamic of this beautiful miracle takes place. From the internal longing of the individual for the Divine Love this activates the Spirit Law that activates the Spirit that is then attracted to the spirit body upon which the Spirit material of the spirit body draws the Divine Love in to its soul and this union complete. The key here is to gain a perceptive insight into realising that the spirit body is not an inert body but that it is living and has activity, recognisable from its first forming from the Spirit Law that materialises a spirit body. The Spirit and the spirit body to give an analogy are like two attracting magnets and when the surface of the spirit body is touched by the Spirit, this causes the automatic response of the Divine Love to permeate into the attribute of soul and so begins the transformation of energy from the natural into the Immortal Divine Harmony. If the individual continues the receipt of Divine Love the energy that is Divine Love actively begins to change the soul and this is felt in the spirit body systems and can produce feelings of love and elation. The spirit-mind begins to change as all spirit body systems are affected by the changed condition now experienced in the soul as the soul becomes living and vital. In one's progression of this Divine transformation, the soul will mature enough from the amount of Divine energy it receives and at that moment the surface of the spirit body and the Spirit are continuously attracted to each other and one is living in the presence of our Mother and Father in perfect harmony and this clarifies the truth about what it means to be truly at-one with God.

SHINING TOWARD SPIRIT:
665. The Shining toward Truth

Vol III, p. 157, 14 Nov 2014 – 14 Mar 2015 Zara and Nicholas

www.lulu.com

It is I Matthew, a teacher of the Divine Love. I have communicated with you recently, now I desire to provide you with a visual description of the Love.

Imagine a continuous Energy shining light blue that is unbroken with a seamless surface that surround every mortal and Immortal spirit. Imagine if you were to become aware that this energetic field of light-blue Energy existed in its shining radiance just near where you are. Now that you are aware that this unbroken Divine Love is unified energetic field of living Love, by opening toward the Soul of God and aspiring for the Divine Love, the Acting Spirit gently brings a small portion of this shining blue Energy into your soul

The Divine Love that you have received remains part of this great Energy that the Divine Love is and even though this small portion of Divine Love, now within your soul, in its shining radiance and energetic cause, it is never separated from the continuous energetic field of Energy that the Divine Love is. Having partaken of this Energy it is with perception that one is aware that the Divine Love within one's soul is the same Divine Love that every person and spirit who has partaken of this Love, participates with. Even though in our individuality we partake of this Divine Energy, this Love is never broken away from the Source and Origin from which this Divine Love emanates.

The Divine Love is bestowed into our finite soul by the Acting Spirit, but this Spirit remains in contact with our spirit body and does not enter the finite soul to become part of our finite soul essence that we are. No mortal or Immortal spirit can manifest in their soul the Acting Spirit so that this Spirit – this Holy Spirit – becomes part of our existing finite spirit body. Only the Divine Love and its Energy becomes part of our finite soul, which causes the change to our spirit body. The Acting Spirit always remains its own attribute and never does a Celestial spirit claim ownership or take possession of the Acting Spirit within their soul. (The Holy Spirit / Acting Spirit is an instrument of the Source Soul, our Father.)

This is one of the wonderful Truths by which we who have been transformed by the Divine Love understand our personal relationship with our Mother and Father's ever-present Acting Spirit. The shining Energy of Divine Love is all around us and when we have partaken of this Love, part of our finite nature becomes independently shining in this true perfect Love.

I provide these words that may appeal to those who are visual and to express the universal appearance of the Divine Love and the personal touch when in contact with the Acting Spirit.

Matthew (Apostle)

Whilst we are receiving our Heavenly Parents' Divine Love, and that this Love is causing change within our soul and spirit attributes, the greatest Truth known to man and spirit is that this is the way our Mother and Father are actually loving us! When we progress, it is God's way of loving us into love and then we live what we are, love.

AUTOMATIC WRITING:

The reliability of communications from spirit people being accurately conveyed via mediums here in the physical world is always an issue.

The soul condition of the medium is paramount. Should the medium be in a poor soul condition then such medium will attract spirit people of similar soul condition. We all have emotional injuries and we all attract people, both here in the physical world as well in the spirit world, who have matching emotional injuries. We all have co-dependency emotional attachments with people, both in the physical and in the spirit realms.

As we grow in love and improve our soul condition then we can receive higher levels of truth from those from within the loving spheres of the spirit realms. Asking for and receiving Divine Love greatly enhances our potentials to receive higher truths, even from the Celestial Heavens which are those spheres being 8th sphere and higher.

A medium that is skilled in specific sciences is likely to successfully receive technical information from spirits who are skilled in such sciences. Dr Daniel Samuels was versed in the Old Testament, he received much guidance and truths pertaining to the accuracy of the Old Testament from spirit people.

A medium that is open minded and not enslaved by his own prejudices and beliefs can receive wide ranging spiritual truths should his soul condition be elevated. James Padgett was such a person. James transcribed more than 2,500 messages from more than 250 spirit people, many of them being from the Celestial Heavens. These messages are known as the Padgett Messages as published in the Book of Truths.

The highest level of accuracy of message delivery from the spirit world is when 'automatic writing' is adopted.

Automatic writing is when the medium relaxes and allows the spirit person to take control of the medium's brain and actually writes the message through the medium's hand. This process also enables the spirit person to correct any points should the medium intervene and apply his own thoughts.

Padgett Messages were all automatically written. So were Dr Samuels' Revelations. The Judas Messages also arrived with the same reliability and accuracy.

Many loving and highly truthful communications have been received with many now being directly entered into computers through the keyboard by the enabling medium, automatically written / typed.

The final test for you to apply to any such material; does the information feel loving to you? If so, then consider the contents further. If it does not resonate with you then put it aside.

To liberate one's real self, one's will, being one's soul, is by embracing Feeling Healing so to clear emotional injuries and errors. With the Divine Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

Our salvation IS by embracing Feeling Healing with the Divine Love.

God's Divine Love: Pray for it, ask for it, and receive it.

Please Mother and Father, may I receive Your LOVE.

“Every day is a day of devotion.”

Follow your heart, follow your love and do that in loving action, your inner love leads in your asking the Soul of God to receive a little of the Love to strengthen one's resolve to heal.

“I love you Father.” “Let the Divine Love proclaim its energy into my soul.”

“Mother – Father, I desire your Love and I am loving you.”

“Soul God, I love you and I love receiving and experiencing your Divine Love.”

“True Soul God, I am here, I am aware of your Love. Please hear my aspiration for your Love and as I approach you from my soul, I can feel your Love in the way that you are loving my soul.”

Try it; give the Feeling Healing and Love a go! If you want to shine, receive the Love.

One can simply receive the Love without following any religious or spiritual teaching taught by man!

Emotional errors and injuries cause encrustment around the soul, the soul is never damaged however, the encrustments retard love energy flow to and from the soul. Feeling Healing melts such injuries.

Three Great Truths:

- **God is Soul, being our Heavenly Mother and Father;**
- **that each individual soul is a duplex – both male and female;**
- **and Feeling Healing with Divine Love is the pathway to Paradise.**

FEELING HEALING and SOUL HEALING with the DIVINE LOVE:**James Moncrief Publications:****all publications are free downloads:**<http://divinelovesp.weebly.com/my-free-books-and-free-padgett-messages.html>

It is suggested for one to consider reading as follows:

Speaking with Mary Magdalene and Jesus – books 1 – 4

These four books encapsulate the second of the revelations with the first having been introduced by James Padgett one hundred years previously. These four books provide a wide range of guidance that has never previously been made available.

Paul – City of Light

As a gentle intro into the Divine Love and Healing; being James Moncrief's first novel and it's been criticised as being too heavily clichéd, but that's the point because it's a reflection of how he was back then.

Ann and Terry

For an example of people who might want to immediately start working on them selves and doing their Healing.

Feeling Bad? Bad feeling are GOOD

For more understanding about our denial of our feelings and why we should not deny our feelings, and it includes how it all came about for James, using himself as an example.

Feeling bad will make you feel BETTER – Eventually!

This includes specific examples of Marion and James working on expressing particular bad feelings, again with the hope that it will help others gain something of an idea as to what's involved in doing your Feeling Healing.

Sage – and the Healing Angels of Light

Through Sage who's 13 years old, the story is primarily about the two aspects of healing; that being, with the help of our angels, and the full Healing we can do by looking to our feelings for their truth.

Feeling Healing****Welcome to LOVE – the Religion of Feelings
you can heal yourself through your feelings**

So these books, including the four Speaking with Mary Magdalene and Jesus books, provide the essence of it all and are examples of James' work. Then it's up to whatever takes one's fancy. Other reading to consider may include:

The Padgett Messages being published as:**The True Gospel Revealed Anew by Jesus volumes 1 – 4****Book of Truths by Joseph Babinsky****The Urantia Book****Release one's pain through expressing one's feelings.****in conjunction with****Longing for the Truth when also longing for Divine Love.**

FEELING HEALING with DIVINE LOVE is SOUL HEALING:

A collection of 'papers' that draw together specific topics including all of the above and more from other sources of information and revelation designed to help increase one's awareness about why we have the problems we do and how to heal them, all whilst living a more healthy and sustainable life. They provide a brief snapshot of the more complicated topics and issues.

Firstly, consider discovering the truth of your emotional pain through Feeling Healing.

Secondly, consider longing for our Heavenly Parents' Love as you progress with your healing.

Primary and most important readings are the writings of James Moncrief.

Then consider the Padgett Messages, and then The Urantia Book.
