BAD is GOOD

For 200,000 years we have been misled. We have been universally coerced to embrace living by our minds and away from our soul-based feelings. Consequently we are all in such a state of misconception that no one amongst us, as of these writings, knows what true love is. None of us have ever experienced true love. As we accept that being Bad is Good we are beginning to be loving to ourselves. It is the start of forgiving ourselves, of growing to love ourselves.

Accepting that we are bad is acknowledging to ourselves that we are who we truly are. We are not the façade that we have presented to all who we have come to know. We are to express our feelings in the manner that is representative of our soul-based personality. We are to be the personality that our Heavenly Parents know us by, the personality they bestowed upon our soul, our real self.

We are here to experience all aspects and levels of what our personality is to endure, embrace and grow from. As we travel through life we will have what we consider to be negative highs and lows in our life engagements and encounters with others. These are in preparation for what will unfold through our evolutionary journey and on our way through the Spirit Mansion Worlds, then through the Celestial Heavens then out of our Local Universe of Nebadon and then into the worlds of Paradise. Our journey will not stop in Paradise. Our unique experiences on Earth will be the foundation of our evolution into being Finaliters – yet another stage we may progress into whilst in Paradise.

Some of us, while on Earth, achieve notoriety of the worst kind for our roles of evilness. We may be so good at being evil that we create disruptions beyond anyone's imagination. Who would have considered that the atom bomb was possible before the 1940s. Through man's development this technology now poses the threat to totally annihilate all of humanity and natural life on planet Earth. We have seen great leaders turn into despots and bring about wars, large and small, bringing great harm to all of humanity. These events are to be avoided, however we learn from these experiences which we will find add to our resourcefulness to be employed on our journeys throughout eternity, particularly into the outer reaches of the universes.

Many aspire to be like a guru, spiritual leaders held in exalted esteem. They have no idea they are actually perfecting their evilness by using their minds to shut out our Heavenly Parents, deny our Spiritual Mother and Father and suppress their true soul based feelings, totally suppressing their personalities that were bestowed upon them. A guru is going in exactly the wrong direction and while doing so they are leading others in the wrong direction – the worship of one’s mind is a journey to a dead end that will later have to be retraced.

Then there are those who are seduced by the controlling addictions of the mind and the seduction of believing they are the ‘chosen ones’. A high level spiritual leader seduced an ancient tribal group into believing they were God’s chosen people so that he and his companions could get them to do their dirty work. As time has gone on, this ancient tribe has disappeared, however another group now have embraced the role as their heritage and continue on blindly not knowing that these high level spiritual leaders can no longer assist them in their controlling evil endeavours. The catch is that they are doing the work of Lucifer and Satan who are now in a spirit prison world.

“Chosen by God,' eh?
— What's the catch?”

Golden Rule: that one must always honour another’s will as one honours one’s own.

The Golden rule is: Never interfere with another’s will.

By living true to ourselves, true to our feelings, we are living true to God. It’s that simple.

These simple guidelines appear so obvious and easy to engage. We have been taught to worship our minds and exalt the mind. The mind cannot discern truth from falsehood and it is also addicted to control. It is our obsession to control that brings about the misery and deprivation of all others. We want to control our environment, hoard wealth as we fear lack, dominate our children’s personality and in doing so, the male has suppressed the female prohibiting her from living through her feelings, the fountain of truth. Our feelings are soul-based and are always in truth.

“The True Liberation of Women is Through the Truth of Their Feelings.”

We are all victims of mental abuse imposed upon us throughout our early childhood forming years. Something like 30,000 times each year a child is literally told no! We have all observed parents

bellowing out directives to little Johnny or Mary telling them to stop doing something which they are generally enjoying for themselves. What you observe is the child shutting down, totally ignoring and freezing out the unliveable communication from someone who does not know how to love them – and should do so! This is a never ending tirade of mental suppression and consequently repression of the child's personality, the one it is meant to freely express. This is **BAD!**

We are God's Children

We are to express our true selves. We are not meant to suppress our God given personality and embrace a façade personality all to appease our parents who do not know how to love because they were treated the same way by their own parents.

BAD is GOOD

What is the **BAD** that is **GOOD**? Control over others is not the bad that is to be nurtured. Man's major errors such as striving for world domination may become the focus of the quickening of the Law of Compensation. In fact any endeavour to directly cause harm to another will progressively become the focus of the quickening of the Law of Compensation. Then any endeavours to restrain the meaningful and beneficial objectives of others will become the focus of the quickening of the Law of Compensation. The amount of pain that could be inflicted upon a victim may be endured by a perpetrator at the very moment the perpetrator commits to bring about such pain upon another. This is to unfold during the coming Spiritual Age of 1,000 years, the Avonal Age.

What we are to embrace are our feelings in order to show us our experiences, both good and bad, and this can only come about by our passionate and earnest asking to be shown what our feeling experiences are about. Our childhood suppression and repression events are all to be relived and expressed to a friend. By talking about such experiences, talking them out of us so to speak, weakens the energy of such retained injuries and in this way we progressively heal ourselves both spiritually and physically.

Control of others is in many forms and layers. Be it governments – national, state, municipal – employers through their 'administrative' directives – financial institutions through their enslaving natures – education systems through their empirical controls – religious institutions' control of their congregations and most dramatically that of parents and close family members. These **BAD** experiences once understood and expressed are **GOOD**.

On 22 March 2017 the quickening of the Law of Compensation was announced. Progressively, those who commit or intend to impose severe infringements on the free will of others and impose their personal will upon others, to their detriment, will find that they will instantly feel the pain of what they intend to cause others. There will be no deferral when such self centred people arrive into spirit and discover the implications of their controlling ways – they will find that they will experience the pain that they would have endured in the spirit world hells while they live physically here on Earth. These changes are anticipated to be progressive in that the most heinous of breaches will be addressed immediately and then more and more infringements will be drawn into the process of Compensation until there is no need for the 'hells' within the spirit Mansion Worlds.

BAD is GOOD

2 April 2019

James: John called wanting to know about 'Bad being Good' and would I please explain.

So as I said to him on the phone: If you take it from God that all God is, is Good, then how can anything be bad; so all that we call bad, must surely also be – Good, as everything is coming from God. Something the mind wrestles with and yet on a feeling level of truth is easily understood.

So our Good and Loving God puts us in the unloving shit making us feel very bad, all the while knowing that it's really good for us to feel so very bad, because once we've worked through all our bad stuff and horribly bad feelings uncovering the truth of them, then we'll see how marvellously good it has all been. That being what our Healing does for us.

However we are not to jump over the bad by using our mind to pretend that all the bad is really good. We are to fully stay focused on all the bad, because when we are in it and wholly feeling it, it sure is fucking bad; and we are to express all those bad feelings as fully as we can, all as we yearn and long and want to see and understand the truth of why we're feeling them. And the truth will come, and along with it yet more bad feelings; and so we are to express them, long for their truth, see it when it comes up in us, moving onto feeling even more bad feelings. And we keep going until we simply have no more bad feelings in us to bring up and find the truth of.

And when we start to get to that point, we find that because of the truth coming to us, a sense of comfort and wellbeing, an acceptance that all is and has been as it's meant to be, as God has wanted it to be, rises naturally and unforced, and seemingly, as with all truth, as if out of nowhere, within us. And the more we accept our self through our newfound truth, the more we come to appreciate just how incredible the whole rotten and bad experience has been. And then moving to even greater self-acceptance, all coming to light within us naturally through the truth evolving in us, and NOT through any contrivance of our mind, to a point of feeling so good about it all, so good about feeling so bad that we're in love with the whole bad feeling experience of living without love, feeling it couldn't be better, and we love God for having subjected us to it.

And along the way, we can love God and hate feeling bad, we can hate God and hate feeling bad, we can hate God and love feeling bad, we can love God and love feeling bad, we can hate God and hate feeling bad, and we'll do it all, as our feelings will lead us all over the place, all to help bring to light more truth for us to see about ourselves, about God, and for us to live.

So it's a complete 'number' that we've been subjected to: to feel so bad and to hate ourselves, everyone else and God, to bringing all the truth to light of why we feel that way, and to gradually turn around through complete self-acceptance that that's all okay, it is EXACTLY as we've meant to be through each tiny part of it. And that in the end, it's all good, it's all perfect, we couldn't have been any worse or felt 'badder' than we had, it all being EXACTLY what we needed to experience to become the person we are, the very person our loving Mother and Father have created us to be.

So no matter how shitty, how bad, how much of a horror we might have been in our lives, it's all been EXACTLY as it was meant to be, so all the bad is, really all Good!

And another thing to add to it all: we believe that our childhood was bad or wrong for us, because mostly, those of us aware of it, it made us feel bad. And certainly through our Healing we are to fully embrace, express and seek the truth of why it did make us feel bad and why we feel it was bad, however it was also as it was meant to be. So it wasn't wrong, as in, we got a bad deal (although again if we feel

we did get a bad deal we have to express those bad feelings), it was EXACTLY as it was meant to be – because it was that way! And it was exactly as it was meant to be because that’s how God made it be for us, as that’s what we needed to experience, all the full horror of it. And in the end too, we will end up loving how bad it was for us, loving how fucked up it made us and all the rest, even all the bad feelings we felt during it. All because they are us, and we end up loving all that we are – fully loving ourselves, so loving all the good and the bad, and in particular the bad, because it was all so bad.

BAD is GOOD

THE QUICKENING
Law of Compensation

Pain to inflict?
 Here it is!

‘Earthing’ levels of the Law of Compensation are far greater than anything humanity could ever come up with so far as ‘destroying one’s enemies’. And yet no people or no person is an enemy. This change is solely for humanity, to help everyone, even the worst most controlling person, to help them end being helplessly and hopelessly trapped within their wrongness, even if they can’t see it nor believe they want to end it. So in the short term they might not give any thanks for what is to be done – what is now being done – however everyone will come to understand and be grateful for ‘turning it around’, for turning them around, for stopping them continuing on in their mad rebellious rush to oblivion.

THE
TURNAROUND

A lot of mostly well-meaning people will be fine, like how it is for most well meaning people when they arrive in the Mansion Worlds, with a few minor adjustments being made, but over all a huge sense of relief being experienced that ‘God has your back’, that you can finally trust and rely on God to ‘look after you’ because no one will be able to hurt or harm you as they’d instantly suffer such trauma themselves and even possibly before they got to the point of openly inflicting it on you.

**GOD'S GOT
 YOUR BACK!**

A hypothetical example of how the quickening or 'Earthing' of the Law of Compensation may work as it does within the 1st Spirit Mansion World:

James: What's to stop the hidden controllers to discover I like women, to set me up with say a nice Russian alluring Jewish woman, who comes into my life on the pretext of wanting to do her Healing, only to stitch me up or knock me off? I like allowing my woman-fantasies to run amuck, as you understand?

Nanna Beth – 3rd Celestial Heaven: In the context of all of this, it's a valid point James, to which I will counter by saying she will not come to you in that light. Firstly, being Healed, you will not feel the same fanciful attraction to such women; and secondly, she wouldn't get a foot in the door, because once you and Marion are fully Healed, then you both personally have 'lowered the Law of Compensation', so it is instantly applied; which means, should anyone seek to even contemplate harming you, let alone the physical destruction of you, then that person or persons will be 'struck down' by the Law of Compensation hardly able to function anymore as all the pain of that harm they were wishing to inflict on you would become inflicted instead on them, with their angels making it happen, leaving them in no condition to approach you, to seduce you with any feminine charms, or to plot blowing you up from afar. And then, as we've talked about, that personal relationship with the Law of Compensation, because through your Healing you have fully settled it within yourselves, will be imposed on humanity when the time is right, by you and Marion carrying out the dictates of the Eternal Son and Infinite Daughter. And when that happens, there goes all the plans of the Evil Ones, all the Jewish control and anyone else seeking any sort of control over nature or anyone else. And as we talked about yesterday, then it will be like a 'blanket from Heaven' will descend over the whole world – the whole of humanity, and a spiritual blanket – bringing with it a sense of peace as everyone instantly becomes subjected to the Law of Compensation to the level of the first Mansion World. However up until that time, so the plans of the Rebellion will move toward fruition, with we Celestials mitigating some of them, those we're allowed to interfere with as you and Marion progress in your Healing.

Angels of Encouragement to Behave! We each have two angels with us at all times.

When the time comes, the Angels will administer the Law of Compensation as it may be Earthed. It is through the earthing of this law that an era of peace may prevail over humanity on Earth. A form of the carrot and the stick. The carrot being what becomes open for us through undertaking our Healing with Divine Love – Soul Healing.

ALL THINGS HAVE BEEN CREATED BY OUR HEAVENLY PARENTS, INCLUDING EVIL

19 April 2003

The Father and Mother are it ALL. The bad, the evil, the negative and the good, is all Them. They have created the evil as They have created the good. Evil doesn't come into being of its own accord – nothing does, how can it? But as to why the Mother and Father have made you be as you are, have made the Evil One's influence you into being evil yourself – and why They even made the Evil Ones be evil, is something you will ask time and time again, and something that you will uncover the truth of as you do your soul-healing. Humanity is not some poor wretched thing that the Evil Ones have come and led astray with God being pushed aside, and it is now up to you to somehow invite God back into your lives, setting about fixing the problem by praying to Them for guidance and obeying Their commands as They show you what you need to do. God has not gone anywhere. All that has happened is you have chosen to live without acknowledging Their presence as They are right with you in it all, all the time.

It's all very sad because even though those who receive miraculous healings feel very happy and overjoyed at what happened to them, all they are really doing is reinforcing their negative mind patterns deeper and deeper, so much so, that the new generations of children raised under their beliefs with such *faithful* parents, will see no other way, and they will believe with even more *faith* trying to perpetuate what their parents are doing making it so much harder for themselves, becoming increasingly dependant on their negative system of belief. And if something should happen to come and contradict this belief, where can they go? Deeper and deeper, the master spirit planners (were) controlling them, are making them believe in them and not in the truth and purity of the real Mother and Father. And so yet again the evil asserts itself only to lead to very disastrous results – more war, illness and pain. For it is all anti-love and anti-truth, and so it will only one day break down causing anguish for all involved.

Only the truth will set you free. And it begins with the individual praying to the Mother and Father for Their Divine Love, because he or she wants to personally get to know God. You don't need the help of spirits in the way I have been speaking about. Your pain, illness and all problems, will dissolve away in the Mother and Father's care, as you begin to accept and express all such pain and seek the truth as to why you have it. Your soul will be set free of your mind's control, and in so doing you will be healed of everything that is causing you such pain.

Your life with the Mother and Father doesn't have to be spectacular. It will not be a show, even if you live in a more public way. It will simply be your life with Them, nothing more or less. And it will be you living completely at-one with Them, simply living how you feel you want to, which will be how They want you to.

From the bottom of the muddied pool it is hard to see the light and beauty that is all around you, but looking into the beautiful pool of pure water you will know of all the good and truth that it is, mud and all, for you will see how it is all needed to make the whole so beautiful, and then you will know that you are as your soul is, seeing things with the soul perceptions I have spoken of in the Padgett Messages.

Jesus

Messages from Mary and Jesus – book 1 by James Moncrief

HUMANITY and WHAT IT BELIEVES to be LOVE

“It’s really that one’s mind has been corrupted so your experience of love is not true. You can believe you feel love, but it’s not true or pure love, because you are untrue. However having said that, the love one feels within their corrupted love state is still love as long as you feel it to be, and such feelings need to be accepted for what they are. But through your Healing, love feelings you’ve had might evaporate, even turn into hate feelings, so you then know the truth of that so-called love was untrue. But also some love feelings might stay, and so you know that some part of you was truer and not so badly corrupted.

“And then to add to the confusion, within one’s anti or not true love states, you can still experience the Divine Love, it being a separate thing to your Natural love. However, you have to wipe the slate clean before you can truly experience Divine or even Natural love. However we don’t actually wipe it clean, that’s where doing your Healing comes in, as it’s a transition, even a transformation, out of the negative anti and unloving truth rejecting state, into one of positive love and truth accepting.”

Helen – 3rd Celestial Heaven – via James 29 March 2017

MAJOR CRIME is CHILD REARING

2 June 2018

Nanna Beth – 3rd Celestial Heaven: “For as you understand, there is no better way to further your wrongness than to have children. Really it is the worst most evil thing you can do. A serial killer, even a mass murderer, isn’t as bad as a parent, as each parent will find out through his or her feelings as they do their Healing. So how does that make you feel?”

“With the serial killer being sorted out in the hells for such actions against another’s will, and with all us parents and non-parents alike, being sorted out as we do our Healing. Time in the hells is nothing on a spiritual level compared to what you go through during your Healing. The ‘hell’ time allows you to become fit enough spiritually to enter into life in Mansion World One. The Healing, which deals directly with yourself as a child and your relationship with your parents, and your own child / children if you are a parent, ascends you in truth up through all the Mansion Worlds. So, as you can see, there is a hell of a lot more to being a parent and a child.”

The whole human race is suffering from repressed childhood emotions and mind control.

**Rebellion and Default

31 January 2018

Control is so all embracing that we in our zombie stupor have forfeited our personality and will to the few who are the hidden controllers of all facets of living.

TOTAL DOMINATION

For 200,000 years humanity of Earth has been totally dominated by the Lanonandek high spirits, namely the soulmate pairs of Lucifer, Satan, Caligastia and Daligastia. Consequently humanity functions in a stupor with very little evidence of its true potential should they live true to themselves, true to their soul-based feelings.

What needs to be understood is that for the past 200,000 years Lucifer and his cohorts worked under a Universal Contract which was very cleverly crafted and that gave them unfettered access to the humanity of Earth. That is, for 200,000 years The Evil Ones headed by Lucifer and Satan, then for the last 2,000 years, Caligastia and Daligastia and their subordinates, were the only spirits that had any connectivity and access to humanity, both on Earth and in the mind spirit Mansion Worlds. They reigned without any interference.

REIGN

WE'VE BEEN SCREWED BY
LUCIFER REBELLION
 Universal Contract

It is readily recognised that “**All World Religions Originate from Spirit Messages**” and “**The Bible is Full of Spirit Messages**” (<http://eng.the-liberty.com/2012/2587/2/>) for example. What is not acknowledged is that ALL such communications have been the workings of the rebellious Lanonandeks, namely Lucifer, Satan, Caligastia and Daligastia. Through spirit personalities within the mind Mansion Worlds the Lanonandeks oversaw the delivery of what we in the physical have embraced as ‘holy books’, all of which take us further away from our Heavenly Mother and Father and into the evil clutches of these high level spirits. They reigned with impunity under the Universal Contract until the arrival of the Creator Daughter and Son – Mary Magdalene and Jesus – which resulted in the imprisonment of Lucifer and Satan. That commenced the planning of the ending of the Rebellion and Default which required the building up of numbers within the Celestial Heavens which Jesus opened up and for the past 2,000 years the numbers have grown to a level now sufficient to manage the end of the Rebellion and Default and the handing over of the spiritual administration to the Avonal Pair for the coming spiritual age of 1,000 years.

As the Avonal Pair have progressed with their healing of what they have taken on of the Rebellion and Default, milestones have been reached resulting in the arrest and imprisonment of the Caligastia and Daligastia soulmate pairs in the early 1990s. Milestones continued creating cracks in the Universal Contract to the point that the Rebellion and Default officially ended on 31 January 2018. The reign is over.

However, what needs to be recognised by all of humanity is that ALL ‘holy books’ that have been assembled throughout the past 200,000 years are the workings of influential spirits through mediums all overseen by the rebelling Lanonandeks. None are the work of our Heavenly Parents – God. None are the work of angels and spirit personalities of the Creator Daughter and Son or high level spirits with the

authority to deliver such guidance. The exceptions are the writings that have been authorised and are part of the planning to end the Rebellion and Default and these writings are those through:

James Padgett – Padgett Messages	1914 – 1923
The Urantia Book (TUB)	1925 – 1935
Dr Daniel Samuels	1954 – 1963
Hans Radax – Judas of Kerioth	2001 – 2003
James Moncrief (writings are ongoing)	2002 – continuing

Order of importance is James Moncrief, then James Padgett with The Urantia Book. There are a few others to be considered.

Jesus has only written through James Moncrief and James Padgett. Mary of Magdalene has only written through James Moncrief. Neither Jesus nor Mary left anything written when they were here in the early part of the first century. They were on Earth for the benefit of all the humanities of their Local Universe, Nebadon and to commence the ending of the Rebellion and Default which is the event of the Avonal Pair arriving on Earth.

You can now see why we feel so bad, why we do not know what love is, why we are in such chaos and that all of humanity is existing in a stupor. We have been outworking the Rebellion and Default to the finite degree. We have been absolutely screwed by Lucifer.

Now is the time to put our full racing gear on, fasten our safety belts and hang on because everything is about to change. Nothing will remain the same. If we continue as we are then humanity is doomed and that is not going to happen – so we are to change every aspect of our lives. We are going to fully understand that Bad is Good and what this is all about.

FOR 200,000 years ALL SCRIPTURES are the WORK of the REBELLIOUS LANONANDEKS:

The rebellious Lanonandeks from within our local universe are these soulmate pairs:

Lucifer pair

Satan pair

Caligastia pair

WE are to go with the FLOW

James – 1 April 2019: “With my personal Healing and ‘The Healing’ I am seeing and understanding more that it’s not actually about setting out to ‘fix’ myself, to heal myself of all my wrongness, afflictions, and compulsive needs, it’s just about accepting that I am as I am, that I am fucked in all these millions of different ways; and all how being so fucked, makes me feel; and expressing all those fucked up repressed feelings that I’ve kept in from day dot not being allowed to bring them out.

“I am now more resigned than ever to my doomed fate of fuckedness. I can’t change myself ‘for the better’, and what the fuck is for the better anyway, I can only keep going trying to ‘bring it all out’,

which is still trying to ‘bring myself out’, the true fucked me that I am; and in doing so, slowly an increased acceptance comes and I lessen my fight against it – against myself, accepting that I am as I am because God wants me to be this way, and it’s not wrong as such, as how can anything God wants be wrong; although just to confuse everything, it is wrong, it’s very wrong being a fucked up expression of the Rebellion by Default; and it all makes me feel bad and I still hate it, not having got to the level of self-acceptance to love it – yet that Marion is at and more so each day... and will I ever get there?

“So I am ‘going with the flow’ more, no longer fighting myself so much, feeling still completely bored and fucked off with everything.

“I am one of God’s creations, just like all other creatures, and created to do what God wants; and as I want to do God’s Will, so it finally feels good that my controlling mind aspects which have prevented me from feeling this way, are finally fucking off, so perhaps something is changing after all!

“I don’t want to do anything. I no longer care if humanity carries on forevermore in its rebellion; I don’t care, although I’d feel sad, if humanity killed all the creatures and ruined nature, or if it killed itself. I don’t feel like I’m part of it anymore, Marion never has, yet I have always felt I want to push back against the wrongness and do something about helping to end it, but now I’m as Marion is, and I don’t care about it anymore. I am not looking for the perfect relationship on Earth, nor even waiting to have it on Earth, I don’t even care about feeling loving or loved, I don’t want to have anything to do with it or anyone, I just want to keep doing my Healing.”

Perfectly Imperfect

3 April 2019

James: God is good, God is ONLY good, God is Love – the Divine Love – so God is Perfect in all that God IS / DOES / WILL EVER DO. God can’t be bad. God can’t be wrong, God can’t be all the negative things we attribute to God.

God can’t, but we, being one of God’s creations, can. And we can because of various factors, one being that God starts us off in Natural love, and within that love we can experience true love or not true love – anti love or no love – whatever you want to call it... or just Hate. And being incarnated into a rebellious, so anti God world, we’re up against it, we’re inducted into no love. But we can still, within that anti love state, feel love, however it’s then for us to work out how true is that love, which you do through your Healing.

And because our parents are god for us, they being our whole Universe when we start off, so for all intents and purposes being God too, we then attribute all we attribute to our parents to God. So we project onto God all that we are from our parents, so it gets very confusing. And to sort out that confusion we then have to go with it, bring it all out instead of deny any of it, which is hard and also confusing to do. And that leads us into our pain and bad and unloving feelings, which we don’t want to go into, but we have to, all so we can end up seeing that really all our pain, bad feelings and any problems, come directly from our parents – EVERY part of us is attributable to them. We are our own unique personality, yet how we’ve been fashioned to express that personality is because of how our parents treated us, and both, full-on directly in each moment with them, and in the general environment they provided for us.

However because we're mostly refusing to blame and see how bad and unloving our parents were to us, so we remove the focus and put the blame on everyone else, including God. But really it has nothing to do with God, other than understanding God is doing it all, God gave us the parents that would fuck us up perfectly as God wanted us to be fucked up. And our parents **Perfectly Imperfect** played their perfect roles. And once we're fully Healed and released from the fuck up that we are, then no longer will we hate, blame and feel unloving toward our parents, because we'll no longer feel that about ourselves, and so no longer will we also feel it about God. So we end up fully loving.

We come out of the shit and we're fully loving, which then includes loving all the shit we've been put through and loving God for subjecting us to it, and loving our parents for doing such a good number on us. And we are then either of perfect Natural love – having done our Feeling-Healing, or we're of perfect Natural love and Divine Love, having done our Soul-Healing.

So in the end, all that was bad, still was bad, it's not that the bad is dismissed or wiped away or disappears at all, it's still as bad as it was, however because you're no longer of that bad state, so in your Healed state you won't feel bad so it will no longer be a bad thing for you. However if somehow you were to go back and put yourself back in it, then it would be still bad.

So in your Healed state, all the bad because of the Truth, becomes good.

DIFFICULT CONCEPTS TO COMPREHEND / IMPOSSIBLE TO UNDERSTAND

3 April 2019

James (abridged comments): We won't have any idea what it's all really about, and won't until we finish our Healing and have uncovered that truth of it for ourselves. So I am giving you truths based on my own Healing, twenty-two years of it, stuff I've worked out for myself, and stuff you will work out for yourself as well through your Healing. So don't put yourself under pressure thinking that you have to know about it, tell other people, or because you are 'getting this' you have to keep up and understand. You don't, and I certainly don't expect you to. I'd be most happy if you said, I don't know, I don't want to know, it's too hard, but I like this James bloke, I like being involved even if I don't understand half of what he's on about! You are NOT numbnuts! And you are NOT expected to understand all the bits. And it's going to take a long time to grasp it all, it's taken me years of going over and over it all a million times, the spirits must yawn – oh god no, here we go again. But that's how we have to do it; a child does it, over and over until that part is locked in.

And there's already too much pressure, so I wouldn't stress if you can't grasp these things, and they do come to me in my mind and feelings, both usually, however I'm always being worked through such things, most of which I don't record and couldn't write about anyway. Marion and I haven't done anything else since we met other than just keep working on it all – that's our lives, we don't do other stuff, so we've had a lot of time to work it all through.

And perhaps it is all just my own mind stuff, you can't tell, you have no way of finding out for yourself short of asking a Melchizedek about all I rave on about, and as they are a bit scarce on the ground, so all you've got to go on is your feelings about it all, and they will either keep you wanting to be involved or not, and you may even come and go. And all of it is fine by me.

And the last thing I want to say, is I'm going to keep working to stir up confusion concerning certain so-called 'spiritual principles' that form the basis of most people's lives, spiritual concepts and understandings because I don't agree with half of them.

So to say God is love on the one hand and then God is the biggest fucking shit-head and I wish I could kill Him, on the other, is what needs to be done if that's how you feel. And if you feel: bad feelings are good, because how can anything really be bad if it's all coming from God, then that's another conundrum of sorts.

And what about fate, is everything predestined or do we have free will? We all desperately cling to the notion of our having free will, because if we don't, what are we, nothing but slaves? And yet what if in relationship to God we don't have free will, what if we are God's slaves – how does that make you feel? And yet when you look more closely at life, sure it seems like we have free will, and yet – do we?

And what about life after death, death being the big horror we have to face doing all we can to keep the evil thing away, and for a lot of people something far worse than their early childhood. And what about their childhood, making people have to confront the truth or even just consider that it was unloving and they might have got it all wrong?

These are massive things to have to deal with, including the whole notion of being indoctrinated into a Rebellion, and by Default, and that you are evil, and look at how unlovingly you've treated your own children and how much you've fucked them up; and the fact that you're trapped well and truly within your addictions, compulsions, your expression-denying beliefs and all your yuk perverted fucked behaviour, and you can't do anything about it.

Yuk

This is all too hard to deal with using only your mind, and people will wrestle with it, debate it and all the rest, however none of it can really be dealt with until you do your Healing and work it all through and out for yourself.

So there is a lot to deal with, and as I said, you've got plenty of time, the rest of your life and ample time in spirit to work it out for yourself. And if you feel stressed and it becomes too much, you can yell and scream and accuse that James shit for screwing with your mind, bringing out as much of it as you can and longing for the Truth.

And with all this leftist Politically Correct rubbish, the whole freedom of expression is being further closed down, which one would expect as part of the End Times of the Rebellion. We'll all become nothing, dead all-but zombie people before we know it. And to say you hate the Jews or anyone else is a big no, and yet if we don't and aren't free to express ALL we feel, then we'll never heal ourselves. So being 'racist' and discriminatory and all the rest, we are all that, we all hate each other, we all pretend we don't, and covering it all up even more is only going to put more strain on people's systems making them get sicker quicker and more often, as they shut their feeling-self down even more. And so as I do at my workplace, you learn to go along with it if you

have to, I have to work there, I don't want to make everyone feel bad, so I play along, but I would hope with those people who want to be more feeling-expressive we can all say more what we feel to each other when we feel it.

I don't know if I've said all I wanted to very well, or even what I was trying to say, but if you have any difficulties with any of the concepts, please ask; and also remember, please don't feel under pressure from me that you have to grasp them, not for my sake or for being involved with John and all the rest, it would only be for yourself and because you wanted to.

The Insanity Of Humanity

The ending of the Rebellion and Default through embracing Feeling Healing, and with Divine Love then Soul Healing, is the ending of the insanity of humanity. The quickening of the Law of Compensation will 'encourage' people to promptly step away from controlling pathways – this to mitigate the harm that we cause others and eventually enable the closing of the 'hells' within the Earth planes.

Oops ... some folks still want to control the sheeple and take away their free will by dictating through stooges what they want. Hmm ... that changed their minds!

As we complete our Feeling Healing and in particular with Divine Love, Soul Healing, we will pass through the eye of the needle, thus transitioning into living in a Celestial soul condition while physically living here on Earth. This transition is marked by the fusing of our Indwelling Spirit, a fragment of our Heavenly Parents' soul, with our own soul.

Our Feeling Healing will frequently feel as though the needle is piercing us to the core in every direction as we recognise the truth behind every discomfort and pain, all of which will lead us back into our childhood suppression and repression. However, the bad feelings will become good as we see the truth of them all. This will only be understood upon completion of our healing. You could say the "Healing pain" is better than a poke in the eye with a burnt stick!"

Upon passing through the eye of the needle then, only then will we know what true love is. More importantly, upon completion of our healing we will then be able to truly love ourselves and also love others.

TRUE LOVE

James, 17 August 2018: “Healing is the complete opposite of anything that we’re told being spiritual is, it’s the very opposite to all that we have been made to believe is the right way. And that being as spiritual as you can be whilst in your rebelliousness means you are to become at-one and fully cognisant with and so completely self-aware of all your wrongness, and why you have all the pain in you that you have, how fucked up and messed about you are, and why. And to just be it, to be what we have always been, since our first moment in conception. And to not try and fight it, reject it, go against it, to let our mind that’s trying to say I am not fucked, to let go and see and admit that I am. I am fucked and this is as spiritually true as I can be in my wrongness, to admit, accept and see the whole truth of being wrong and unloving, the truth of feeling unwanted and uncared about.

“So it’s bizarre to think that whilst we’re anti truth and anti ourselves, our soul, nature and God, that to be as spiritual as we can be is to fully embrace that – because we are it. And to try and deny it, means we’re trying to be as un-spiritual as we can be. So all the New Age mind systems and religions are trying to keep people from being spiritual and even take them further away, when people in those systems believe the systems are helping them become more spiritual.”

Humanity’s journey through and out of the Rebellion and Default greatly augments our experiences and contributions that we will make as we ascend and complete our transition to that of a Finaliter while in Paradise and then proceed into the universes to assist in the manner we are then prepared to do so. We have a glorious future arising from our very, very humble beginnings.

Boundaries of HELL!

Humanity on physical Earth is in Rebellion and Default, thus hell! Upon death we all arrive in the 1st spirit Mind Mansion World where we typically suppress our poor state and remain in the Mind Mansion Worlds indefinitely. Some have a period in the ‘hells’ compensating for the pain they have caused others. Many continue their ‘mind worshipping’. However the way out is by embracing Feeling Healing, and with Divine Love, Soul Healing to progress up through the Crying Healing Worlds and transition out to the first of the Celestial Heavens.

GATEWAY OUT

Transitioning into the Celestial Heavens is also out of: **ISOLATION**

If you go against yourself, if you’re untrue to yourself, then you are going against God and all God’s laws, and compensation is required to bring you back into the fold, which is what happens through our Spiritual Healing. It’s the Law of Forgiveness, forgiving yourself through self-acceptance, which is dominant in this part of your life. If you cross the line and abuse your children, that being up until they are 21 years old, then you have both levels and amounts of Compensation and Forgiveness to deal with, that which happens as part of your Healing. And as everyone abuses their children, we being conceived into our parents’ rebellion against the truth of our soul, so all who have children have to come to terms with all they’ve done through their Healing. Kevin 18 Feb 2019

Law of Forgiveness

Law of Compensation

If you go against someone else, as in cross the line and grossly interfere with their will, and there are degrees of this, then you will have to suffer the pain you have caused the other person, spirit or creature, which as you know is the Law of Compensation; and as to the extent of crossing that line and hurting another determines whether you have to spend time in the hells or not. Kevin 18 Feb 2019

The minor ‘hells’ are the lower levels of the 1st Mind Mansion World whereas the more severe are the Planes of Isolation being the 2nd Earth plane with the severest being the 1st Earth plane. Pain caused to another is the pain that will be endured before returning to the 1st Mind Mansion World, all then to consider your Feeling Healing.

Boundaries of HELL!

The gateway out of our isolation from all other humanities within our local system is opened to us upon the completion of our healing of all that represents the Rebellion and Default.

While we remain embraced within the Rebellion and Default, even though we are unknowingly doing so, all of the humanity of Earth is isolated from all of the other humanities throughout our local system of Satania, all 619 inhabited worlds, thus effectively we are in hell!

Further, we are also isolated from the Spirits of Truth that our spiritual parents can offer us, until we complete our healing and enter the first of the Celestial Heavens, and that is when we move through the gateway and progress beyond healing Mansion World number 7.

Life on Earth is living in hell in the physical. Many of us consider it to be wonderful – that is a fantasy. Our physical parents have remodelled our personality to reflect what they consider appropriate ... IT'S NOT! We are to freely express the personality that our Heavenly Mother and Father bestowed us with.

Many of us fight so powerfully against our childhood suppression and repression that we go on and cause great harm to many others, all of which the Law of Compensation takes into account. The lower levels of the 1st Mind Mansion World is a region for our compensation. We ALL enter the 1st Mind Mansion World as spirits upon the death of our physical body. The pain we cause to another is the pain that we will endure in compensation. Those who try to continue to inflict harm on others, cannot do so, may find themselves within the 1st and 2nd planes of Earth. The 1st Earth plane being the worst of the hells, while the 2nd is bridging towards a return to the 1st Mind Mansion World hell sectors. You can continue to live through your mind and perfect the mind but you will end up at a dead end in the 6th Mind Mansion World. There are more than 200 billion spirits within the 1st and 2nd Mind Mansion Worlds and the two Earth planes of compensation. These areas are packed to the rafters! Only by embracing our Feeling Healing and with our Heavenly Parents Divine Love can we heal ourselves and progress through the three healing worlds before transitioning to the Celestial Heavens and out of the Hells. Within the Celestial Heavens are spirit personalities from all of the 619 worlds within our local system.

CREATION of SOUL and SPIRIT:

God is *The Paradise Trinity* — the eternal Deity union of the Personalities: the Universal Mother and Father; the Eternal Son of Truth; and the Infinite Daughter Spirit of Mind.

The soul of each human personality (sons and daughters of truth) is existential, driving our personality expression in the experiential. The soul of each human finds truth by embracing one’s feelings and longing for the truth of them. We are to attain the Eternal Son of Truth. We are a creation of Truth.

The soul of angels is experiential, evolving through their experience by continually progressing in mind development. Angels are to attain the Infinite Daughter (Spirit) of Mind. Angels are a creation of Mind. Our soul is duplex (we have a soulmate) and is created by our Heavenly Parents. Through our Feeling Healing we perfect ourselves enabling the union with our soulmate, as we progress in truth up through the Mansion Worlds, celestial heavens and all the way to Paradise.

The soul of angels is also duplex, yet of the mind, and they progress in mind evolution to Paradise. Animals, plants and nature spirits are also creations of Mind.

Neither we nor animals reincarnate. We never die; upon death, we move into the spirit Mansion Worlds on our journey to Paradise. When animals and plants die, be they the tiny microbe to the mighty elephants of the land and the whales of the ocean, their spirit energy returns to the Spirit Collective Energy. And from this energy are drawn other animals and the nature spirits, who then in turn move onto becoming angels through increasing mind experience.

A nature spirit is an angel in waiting.

ENOUGH IS ENOUGH

Andon and Fonta, our first parents to long for our Heavenly Parents, lived nearly 1,000,000 years ago. Naïve humanity was seduced by high spirits, the Lucifer pair, to believe they could be gods through their minds, thus men subjected women to subordination 200,000 years ago. This was added to by the default of the Adamic pair more than 38,000 years ago when they failed in their mission.

REBELLION & DEFAULT **200,000** YEARS

When Jesus with Mary achieved their full Regency of Nebadon, in 26 CE, they immediately had the Lucifer and Satan soulmate pairs assigned to a spirit world prison. Since then, the Creator Pair have been preparing for the end of the Rebellion and Default for humanity of Earth. The Avonal Pair now on Earth, once commencing their Healing, brought about the imprisonment of the Caligastia and Daligastia pairs in the early 1990s. As the Avonal Pair advanced with their Healing they brought about the formal end of the Rebellion and Default, on 31 January 2018. It is now for all of humanity to embrace the Spirits of Truth of the Avonal Pair and undertake their healing of the imposts of the Rebellion and Default.

Avonal AGE **1,000** YEARS

Spirits of Truth of the Avonal Pair will guide us through our Feeling Healing and into the Celestial Heavens with Divine Love, then the Spirits of Truth of the Creator Pair will lead us through the Celestial Heavens and out through Nebadon towards our Heavenly Mother and Father in Paradise.

Each generation of 25 years or so will see marginal embracement of Feeling Healing, however 1,000 years will achieve universality.

A few will complete their healing during their lifetime but for many it will be incremental.

Universality of Feeling Healing with Divine Love will see the mitigation of discomfort, pain and illness as well as the imposts of global warming and Earth changes. As those events are to ensure that each of us embrace our feelings, both good and bad, down to the very core, so that we fully come to know who we truly are. Sciences will endeavour to remove pain only to see disease manifest in different forms. Earth disturbances are a result of the Harmonic Convergence of the late 1980s, increasing the rotation of the Earth's central core, this will only abate when humanity has universally embraced Feeling Healing. These influences are only imposed upon us so that we do not step back into the Rebellion and Default through complacency. Live Feelings First. We are to become the true personalities we are, that being daughters and sons of our Heavenly Mother and Father.

Avonal Revelation

- We are to live Feelings First.
- We've been made to use our mind to live against many of our feelings.
- Our mind control commences at conception and is developed through our childhood.
- All the bad feelings we didn't express as we were growing up are still repressed inside us.
- And all such hidden, buried and unwanted feelings have to come out.
- And whilst they remain repressed within us, they will continue to make us feel bad and unloved.
- We get sick, depressed, suffer, have bad things happen to us because of our repressed childhood feelings.
- Humanity was brought into this state of living against itself by higher rebellious spirits.
- These Evil Ones caused the Rebellion and Default.
- We are made to rebel by default – as we have no idea we're doing it through our parenting in wrongness.
- We are all parented unlovingly – against ourselves, against our will.
- Some parenting in the wrongness is done with more love, yet it's all still wrong.
- To heal this unloving state within ourselves we have to do our Healing.
- Our Healing is our Feeling-Healing or Soul-Healing with the Divine Love.
- We can long to God for Their Divine Love, and this will help us with our Healing.
- God is our Heavenly Mother and Father, the Feminine Aspects of God having been kept hidden from us by the Evil Spirits.
- All humanity's religions and spiritual systems are designed to keep the wrongness going, to keep us away from God.
- Only by living The New Way, Feelings First Spirituality can you become right, and truly find God.
- Long for the Divine Love.
- Long for the Truth of your Feelings.
- Accepting all you feel is accepting all of yourself, it's your greatest act of self-love.
- And wanting to know the truth of your feelings, is your next greatest act of self-love.
- Love yourself through your feeling-acceptance, and the Truth will set you Free!

N M Rothschild & Sons

N M Rothschild & Sons Limited is a British multinational investment banking company controlled by the Rothschild family. It was founded in the City of London in 1811 and now serves as the British division of Rothschild & Co, a global firm with 57 offices around the world. It is the seventh oldest bank in continuous operation in the United Kingdom.

Rothschild's financial advisory division is known to serve British nobility, including the British Royal Family. Chairman Sir Evelyn Rothschild is the personal financial advisor of Queen Elizabeth II, and she knighted him in 1989 for his services to banking and finance.

In the late 18th century and early 19th century, Mayer Amschel Rothschild rose to become one of Europe's most powerful bankers in the Landgraviate of Hesse-Kassel in the Holy Roman Empire. In pursuit of expansion, he appointed his sons to start banking operations in the various capitals of Europe, including sending his third son, Nathan Mayer Rothschild, to England. Nathan Mayer Rothschild first settled in Manchester, where he established a business in finance and textile trading. He later moved to London, where he founded N M Rothschild & Sons in 1811, through which he made a fortune with his involvement in the government bonds market.

According to historian Niall Ferguson, "For most of the nineteenth century, N M Rothschild was part of the biggest bank in the world which dominated the international bond market. For a contemporary equivalent, one has to imagine a merger between Merrill Lynch, Morgan Stanley, J P Morgan and probably Goldman Sachs too—as well, perhaps, as the International Monetary Fund, given the nineteenth-century Rothschild's role in stabilising the finances of numerous governments."

Early 19th century

During the early part of the 19th century, the Rothschild London bank took a leading part in managing and financing the subsidies that the British government transferred to its allies during the Napoleonic Wars. Through the creation of a network of agents, couriers and shippers, the bank was able to provide funds to the armies of the Duke of Wellington in Portugal and Spain. In 1818 the Rothschild bank arranged a £5 million loan to the Prussian government and the issuing of bonds for government loans. The providing of other innovative and complex financing for government projects formed a mainstay of the bank's business for the better part of the century. N M Rothschild & Sons' financial strength in the City of London became such that by 1825, the bank was able to supply enough coin to the Bank of England to enable it to avert a liquidity crisis. Like most firms with global operations in the 19th century, Rothschild had links to slavery, even though the firm was instrumental in abolishing it by providing a £15m gilt issue necessary to pass the Slavery Abolition Act of 1833. The money provided by Rothschild was used to pay slave owners compensation for their slaves and the gilt issue was only fully redeemed in 2015.

20th and 21st centuries

The First World War marked a change of fortune and emphasis for Rothschild. After the War, the Rothschild banks began a steady transition towards advisory work and finance raising for commercial concerns, including the London Underground. In 1938, the Austrian Rothschilds' interests were given to the Nazis, bringing to an end more than a century at the heart of Central European banking. In France and Austria, the family was scattered for the duration of the Second World War. After the war, the British and French banks committed themselves to further developing their new operation in the United

States, which was eventually to become Rothschild Inc, and increased focus on mergers and acquisitions and asset management.

In the 20th century, Rothschild developed into a pre-eminent global organisation, which enhanced its ability to secure key advisory roles in some of the most important, complex and recognisable mergers and acquisitions. In the 1980s, Rothschild took a leading role in the international phenomenon of privatisation. The company was involved from the beginning and developed a pioneering role which spread out to more than thirty countries worldwide. In recent years, Rothschild advised on nearly a thousand completed mergers and acquisitions with a cumulative value in excess of US\$1 trillion. Rothschild also advised on some of the largest and most high-profile corporate restructurings around the world.

The price of gold was fixed for years, twice daily at 10:30 am and 3:00 pm, in a small room at N M Rothschild's London headquarters on St Swithin's Lane. The world's main bullion houses: Deutsche Bank, HSBC, Scotia-Mocatta and Société Générale used the agreed rate as a price benchmark for gold products and derivatives in the world's markets. The chairperson, traditionally appointed by the Rothschild bank, sat in the centre, although the bank itself has largely withdrawn from trading. The five members of the London Bullion Association: Barclays Capital, Deutsche Bank, Scotiabank, HSBC and Société Générale, now conduct their twice-daily meetings over the telephone. But until 2004, the meetings were a century-old tradition as great as the ringing of the bell at the New York Stock Exchange. That ritual is now a thing of the past.

‘The Lord Is at Work’: How Top US Diplomat’s Religion Shapes US Foreign Policy

"I am confident that the lord is at work here," stated Mike Pompeo, regarding the history of Judaism, during an interview with the Christian Broadcasting Network earlier in March, even as the influence of evangelism in the American government has been seen to be on the rise, according to a report in The New York Times.

Pompeo's beliefs, similar to those of US Vice President Mike Pence and former President George HW Bush, make no apology for using a Christian belief system to justify foreign policy moves — often within the same sentence — indicating the extent that an evangelical approach to American diplomacy could lead to war with other nations whose populations adhere to different faiths.

While Pompeo's boss, US President Donald Trump, is considered a secular public figure, white evangelical Christians make up a well-documented and vocal segment of the polarising American leader's voter base and the top US diplomat is not shy about broadcasting his own version of those beliefs.

Evangelical beliefs include Israel as a harbinger of so-called end times, when the Christian god 'returns' to Earth to judge humanity. Christian evangelicals in many instances celebrate the idea of an oncoming apocalypse, as it means that those who follow their rules get to go to their heaven.

"We will continue to fight these battles," Pompeo notably declared during a 2015 'God and Country Rally,' particularly as a "never-ending struggle" will conclude with "the rapture," cited by Nytimes.com.

More recently, Pompeo — a former director of the CIA — stated that the Christian bible "informs everything I do," cited by The New York Times Magazine.

During a widely-televised speech in Muslim-majority Cairo, Egypt, in January, Pompeo openly highlighted the importance of his religious belief system by stating: "In my office, I keep a Bible open on my desk to remind me of God and his word, and the truth," cited by State.gov.

A former Boy Scout, Pompeo has used his position to huddle with faith-based newsgroups while excluding journalists with mainstream media organisations, particularly on 19 March 2019 as he was just about to depart for Lebanon, Kuwait and Israel.

The state department refused to release the names of the groups allowed to attend or a transcript of the content of that recent get-together, according to CNN.

Pompeo and Vice-President Pence of USA in 2018 spearheaded a well-publicised political and diplomatic campaign to convince Turkish President Recep Tayyip Erdogan to allow an American evangelical priest named Andrew Brunson to be allowed to return to the US.

Brunson had been arrested in 2016 and charged with supporting the banned Kurdistan Workers' Party (PKK), being an American spy and plotting to overthrow the Turkish government while helping to plan the failed 2016 coup, among other accusations.

A Donald Trump pick for the position of top US diplomat, Pompeo has documented ties to hate groups and those with a strident anti-muslim agenda, including far-right US pundits Brigitte Gabriel and conspiracy theorist Frank Gaffney, according to Vox.com.

GREAT U-TURN, THE CHANGE and the AVONAL AGE:

Monday, 24 December 2018

Nanna Beth – 3rd Celestial Heaven: The ‘Great U-Turn’ is what is happening now, it being the overall description denoting humanity turning away from following and advancing the Rebellion and its evilness as seen by living increasingly in a truth-denying state, to wanting to live true, to love truth, to be truth-accepting, all of which comes about ultimately by doing your Healing, as you become the living truth as it’s revealed to you; and also by people, like yourself John, who are currently more intent on understanding about it on an intellectual level. Both are needed, everyone who wants to embark upon their own personal U-Turn and the collective one of humanity, needs to understand a certain amount of what it’s all about with their mind as they work to bring the truths to light within themselves through their Healing. So anything to do with ‘reversing’ the Rebellion and Default is all part of the U-Turn. And it starts in a very small way within the individual, as it has already with the whole of humanity, being reflected by yourself and the others of your small band, who are wanting to live it and have accepted and believe it’s happening.

The Change, as such, is the same thing really, however technically The Change begins with the dawning of the new Spiritual Age – the Avonal

THE CHANGE

Age. The Change as I was referring to it yesterday was to highlight that once the Avonal Age begins in earnest, EVERYTHING will change. So currently, even though the Change and U-Turn have ‘begun’, it’s early days, just the ‘scouts’ going out in all directions in preparation for the ‘main event’. So technically we can’t say The Change has begun, whereas in time when Mary and Jesus’ age ends and the Avonal Age begins, then we can say it has begun. Whereas we can say the U-Turn has begun, it being a more vague term and not a technical definition.

Also, James has written about The Change in his Sage novels in reference to all I have said above and also the Earth Changes, including the Pole Shift. However the Pole Shift, were it to come during the Avonal Age, would then be part of The Change, The Change being the whole 1,000 years. It’s going to take the whole 1,000 years to implement on the parent to child level the necessary Changes so as to ensure that the effects of the Rebellion will truly come to an end, with that “end” still going beyond the Avonal Age to complete. So the Pole Shift is just a physical phenomena, and certainly of itself it will cause great change, but it doesn’t of itself affect any spiritual change against the Rebellion and Default, and in the past it has helped humanity go deeper into its wrongness.

So the real Change I’m talking about is spiritual and involves the ending of humanity’s truth denial. That’s the most important part, to help people see they are living against the Truth, of themselves and of God, and that all they are

doing is part of that, and that if they want to end that, they will have to do their Healing. So the Change will be with the awakening to that, a consciousness shift, a vast change to the mind of mankind as it considers the state it’s in: that ALL it is doing, ALL it’s believed was right, ALL of it’s religious and spiritual beliefs, outlooks, attitudes, are all only keeping it in its truth-denying state.

Imagine the whole of humanity understanding and focused in the direction of knowing everyone is suffering because of being under the Rebellion and that it doesn’t have to be that way. So people living increasingly in the wrong direction and going further against themselves, once The Change fully starts,

won't be able to evolve further into a deeper or greater rebellious state, however stagnation within where it's stalled will be a big issue for a lot of people and mind spirits, those people and spirits who don't want to accept that's how they are is all wrong.

So you can say the Great U-Turn has started, the writing is on the wall for the Rebellion and Default, and when the Avonals come of age, when they finish their Healing and openly (publicly) declare who they are to the world (even if that world is only a very small group of humanity), then The Change will have begun.

REBELLION & **DEFAULT**

And once The Change officially begins, there is no turning back. After the Avonal Age, humanity will be given the chance to resume its evil ways and turn its back on The Change and all the Avonal Age has done, and certain people and mind spirits will want to do that, however they won't be able to change the momentum being lived by those who are intent on living true to themselves and God through their feelings. (The availability of Divine Love may be withdrawn for the following spiritual age.) Still in all fairness humanity has to be given the opportunity to decide whether or not it wants to fully heal itself, and without having imposed on it such strong influences as caused by the Avonal presence. But that's all a long time off.

GREAT
U Turn &
THE
CHANGE

So the Avonal Age is a specific Spiritual Age (which you read about in TUB – The Urantia Book), giving rise to The Change in which humanity ends its truth-denial and living unlovingly against itself and its Mother and Father, all of which is the Great U-Turn.

Avonal **AGE**

I'D TURN BACK IF I WERE YOU!

The Natural love spirit Mansion Worlds as to how they have been for all these hundreds of thousands of years and as they are set up currently, are to help spirits advance to the fullest of their self-denial that they can. That is, so as to become as evil as they can. And all under the guise of being 'loving'.

It's why they are called the mind worlds, namely Mansion World / spheres 1, 2, 4 and 6. That is because the spirits are using their minds to complete their rebellion – denial of self and feelings, and rejection of our Heavenly Parents as well their Creator Son and Daughter. So yes, the top of Mansion World sphere 6, spirits are the most evil, the most in rebellion, the most in default, the most wrong and unloving and untrue, even though, they appear, because they've trained their mind to do so, to be the most loving, but it's all false and contrived – such as the Eastern gurus. Total mind over feelings, blocking all the bad ones and using your mind to only make you feel good.

Typical of those on their way up in the mind worlds are not open to anything, they do not want to know about feeling bad and going with their bad feelings looking for their truth, because that scares them, that's not nice, that doesn't make one feel good, it threatens their control, they reject that preferring to stay in their nice safe space. Which is how it is for these Natural love mind spirits using their minds to control their feelings.

We've all got to take responsibility for our evilness even though we were made to be that way and rebel by default, but there is no getting away from it, and it has to be compensated right to the last farthing, which is what being in the hell planes is all about, and which keeps being applied right the way through the Mansion Worlds. **In the Mind Worlds you can continue to use that inner pressure requiring compensation for your bad deeds, to further contrive love and pretend you are all holy and loving and not hurting anyone anymore, which on the surface of it you are not, but underneath still are, all the way up through to the sixth world; or, you can allow it to keep working on you right the way up through the Divine Love Mansion Worlds doing your Healing.**

And apparently what's going to happen is the Natural love Mind Mansion Worlds are going to be divided, so within them, there will be spirits doing their Feeling Healing – without the Divine Love, and still limited to the sixth Mansion World, but looking to be true and end their rebellion. And then there will be those still carrying on denying themselves as they have always done. So you will have spirits in the Feeling Healing Natural love sectors that will truly perfect their Natural love; and those spirits still in the mind sectors perfecting their wrongness. The opposites or extremes living side by side. And then you'll still have the Divine Love Healing Mansion Worlds, being spheres 3, 5, and 7, doing their Soul Healing.

And as for a summation: "Divine Love Mansion World / sphere 3 is the waking up to the truth that one is not loving, also their being a lot of assistance. Sphere 5 is then about going right into the depths of feeling how unloved you feel and seeing how unloving you are and how that makes you feel, also this is a time when one can then progress and manage their own progress through their Feeling Healing. Sphere 7 is then about still working with the deepest and residual bad feelings, whilst looking to sort out how you wrongly relate to yourself and others, nature and God because of being unloving, this is a time of great realisation and comprehension with much of the prior experiences starting to be drawn together.

Mansion World 3: is for waking up to the truth that you're not loving and starting to get in touch with your pain, starting to accept your bad feelings, starting to work with them instead of rejecting them.

Mansion World 5: is then about going right into the depths of them, feeling how unloved you feel and seeing how unloving you are and how that makes you feel, bringing out the majority of your pain, your misery, fear, anger, guilt, hatred, boredom, terror, rejection, nothingness, feeling powerless, alone and abandoned, and so on.

Mansion World 7: is then about still working with the deepest and residual bad feelings, whilst looking to sort out how you wrongly relate to yourself and others, nature and God because of being unloving, understanding how your relationships are unloving, how you don't connect properly, how unloving you really are and why and fully accepting the truth of it, coming completely to grips with your parents not loving you as you needed to be loved – sorting it all out, including your self and feeling expression difficulties.

It is agreed that the lower worlds are about waking up to what's involved, however from then on it depends on how it's all structured for the individual in their negative state as to how much ongoing assistance they might need. Some need help all the way along, whereas others have been able to work with their feelings, themselves, right from the beginning.

And yes, each of the Divine Love Healing Mansion Worlds, 3, 5 and 7, are equally painful to work through, just focusing on different aspects of yourself and your Feeling Healing with Divine Love. And then in the higher planes of the 7th world comes the transition, where one's pain starts to end, and you start feeling so much better about yourself, you are fully accepting of your negative unloving state, you are fully unloving although even starting to become more loving – truly loving, of yourself, God, and then other people.

Then onto the Celestial Heavens by progressing into Sphere 8 and then onwards further, all the way home to Paradise.

Maybe something like 6 billion people have recognised that our Mother and Father's Divine Love, together with embracing one's Feeling Healing, that with these two aspects, have progressed through the Mansion Worlds to the Celestial Heavens and onwards.

More than 200 billion personalities have embraced their mind and self reliance through the misguidance of 'New Age' styled ideologies and the many thousands of different religious platforms, all of which take the person further and further away from our Heavenly Parents.

The 1st and 2nd Spirit Mind Mansion Worlds / spheres are jammed to the rafters.

For a million years, humanity has gone in the wrong direction with its self-denial of self and feeling!

Mind Mansion Worlds of Natural Love

Mansion World One: We ALL arrive into mind spirit Mansion World one upon the death of our physical body. Just the general confusion of spirits living their wrongness the best they can, trying to not be bad, trying not to hurt others, thereby staying out of the hells and lower Earth planes. The Law of Compensation ‘persuades’ you not to even think about harming another person.

Mansion World Two: Starting to work more with one’s controlling mind, with the focus being on Service, you are to use your mind to be more loving, to help selflessly others, to put others before yourself, to not want for yourself, only wanting the good and betterment of others. And to have loving thoughts, to not think badly of anyone, to keep ‘being good’ in your mind at all times. To think positively, to use your mind to control your feelings so as to make yourself be happy, to bring your full success out, to celebrate your god-given gifts, all for the good and benefit of all.

Mansion World Four: This being where ‘self help’ approaches fit in. It being where you’ve had enough of being of Service, giving yourself to everyone else, and decide that you have to start looking more after yourself. So you look to working more closely on yourself, you still have bad feelings so you set about working to resolve the emotional issues through whatever means you can. And they involve emotional releasing / clearing through some level of feeling-acceptance, as you can’t get rid of them that easily, yet overall you’re working to bury them once and for all, so deal with all your memory processing, deal with your traumas, do all your massive forgiving, which sets you up in a power position because you are the great one forgiving everyone – those people who did wrong by you, so you feel more in control, freeing yourself from your controllers, telling them – you are forgiven, giving them your blessing, feeling you no longer need to be bound into those patterns, and feeling like you’ve found and are bringing out more your True Self, your true self which I reckon is more of the spirit you that’s deeper in your mind control.

Mansion World Six: This is where you put it all together, you’ve achieved mind ‘ascendancy’, the perfection of your negative mind-controlling state, specialising in your area of interest, being in bliss and true love and happiness – all mind derived, all of which is resulting from your mind saying you are at-one with Source, God, Soul, whatever the term, which is just your own controlling mind. Your mind is god, and it’s calling the shots, keeping all your repressed feelings away, without you having to address any personality imperfection resulting from your bad parenting. Because you believe you’ve fixed all of that, you no longer have bad feelings within you, you’ve forgiven the evil ones in your life, you’re now wholly in control making your reality be as you want it to be through your mind.

Humanity's UPSIDE OF DOWN

Humanity has devolved to a stupor incapable of recovering through the Mansion Worlds without help.

Celestial Soul Condition

Humanity is now to embrace the Great U-Turn and retrace through all the seven sets of sub-planes that contain the seven sub-sub-planes and so on, to progress up through each to the seven Mansion Worlds through Feeling Healing, and then with Divine Love, fuse their soul with their indwelling spirit, and in so doing, as one soul manifests two personalities, we arrive into the first Celestial Heaven condition to join our soulmate and then soulgroup.

FEELING HEALING:

Childhood repression and suppression, from conception through to around the age of 6 years, is the underlying cause of all ailments that arise throughout one's life.

Our parents pass onto us, their children, all that is erroneously infused into them by their parents, as generations before did.

It is only through longing for the truth of one's feelings, both good and bad, and expressing what comes up that we can work through the many layers of infused mind addictions and heal our erroneous beliefs and harm that we have endured.

Should our parents engage in their Feeling Healing then their children will mirror much of the healing that their parents achieve, thus physically and emotionally benefit in a similar way.

Healing can bring us into Celestial Soul Condition while living on Earth.

WE EACH HAVE UNIQUE ISSUES TO HEAL THROUGH OUR ASCENSION, THROUGH EACH OF THE SEVEN MANSION WORLDS!

Happy Parents and Unhappy Parents are all born into the Rebellion and Default. The children all absorb the errors and emotional issues of their parents tailored to suit their personality which is unique to their soul. Our issues are unique and no healing is the same as for any other person.

Feelings First

Each of the seven Mansion Worlds has all of these planes.

Mansion World 1 of 7

**Both Mind
Worshipping
in a stupor**

PLANES for each MANSION WORLD, we have seven Mansion Worlds to work progressively up through to heal ourselves of the Rebellion and Default.

BAD is **GOOD**

So go with your darkness, allow yourself to be that horrible unloving person you've always secretly dreaded you are. Just allow yourself to feel all you feel about it. Bring up all those dreaded evil feelings, bare your soul, confess it all, and like the poison it is, **GET IT OUT!**

This is how to love yourself. This is being truly self-loving, and as you are loving of yourself, so will you love others. As you unconditionally accept all you feel, so too will you unconditionally accept them, and so all they feel. You will allow them to be the true expressions of themselves. You'll stop all those controlling mental things you do that helps them deny their bad feelings. You'll be happy to allow everyone to express all their yuk, as you express yours.

YUK

We are told that it's good and loving to be unconditional, but to do it, or try to be it with only your mind, is wrong, it's false and it's very conditional. Dump the belief, certainly want to be that way, but understand that it only comes naturally as you submit to all your bad feelings, loving yourself by allowing yourself to feel them. Anything you try to do with your controlling mind, trying to control yourself, give up – or at least want to. Occasionally through your healing you'll feel you have to assert your will and it can take a lot of considerable effort to do it, and you will so need to apply your mind. But as you will feel, such motivation will come from a deep feeling, a feeling of wanting to assert your will this way, and when it's there, you can do it. And it's all the same, simply going with and accepting how you feel.

Self-love through feeling acceptance will help your mind give up its control. This will hurt, be hard to do, but the controlling patterns can be broken. Acceptance as always is the key: accepting being one of the main attributes of love. Accepting yourself is loving yourself – **ACCEPT ALL YOUR FEELINGS, ACCCPET ALL YOU FEEL YOU ARE, ACCEPT YOURSELF. Love.**

Doing your feeling-healing is telling your story.
It's telling the truth of your whole story.
And it's all for you.

Living true to your feelings:

It's to understand that what you are feeling today is a result of masses of repressed bad feelings, all of which need to be brought out one at a time, and not just exploding with that pent up rage, venting your anger all over the place, because you are to follow your feelings – allow your feelings to lead you in life. All those repressed feelings are to be brought out into words, progressively stripping away the many levels of them, all so you can see why you're feeling them. 'Going with your feelings' is not just about acting on every feeling you feel, it's about actively wanting to express and bring to light all your feelings by speaking, using words, and not just through acting. We are to express our feelings to uncover their truth. So you can do nothing, even stop acting out your feelings, whilst you spend years and years simply talking them out. Marion 7 Apr 2018

Firstly, consider discovering the truth of your emotional pain through Feeling Healing. Secondly, consider longing for our Heavenly Parents' Love as you progress with your healing. Primary and most important readings are the writings of James Moncrief. Then consider the Padgett Messages, and then The Urantia Book.

Emotions, all emotions, both good and bad, consider feeling and releasing them by expressing / talking about them, and releasing them as and when they arise. Notice the sensations in your body, ask yourself three questions: What is this really about? Where is this coming from? And what's underneath this? Long for the truth of what these feelings are trying to tell you about them selves. Yes, there is always more behind the feeling experience; it will go back all the way to one's childhood experiences – eventually. Always talk about the emotional feeling, talk it out.

Expressing – talking about – these emotional feelings to a friend is what releases them from within your persona. This is all about bringing the real you into the forefront, not the contrived you that our parents unknowingly imposed upon each and every one of us. This is about discovering our full and wonderful real self, who we were created as, our unique individuality. This is about liberation of one's self and the discovery of who we each truly are. To do this, we have much to peel off of our persona. The completion of this difficult discovery process is the bringing about of a wondrous reality and freedom of expression, to live true to ourselves and to be free of pain. We are to live true to our feelings.

God is Two Personalities who are One Great Soul, that is, one soul that is both our Parents – our Mother and Father; Our Heavenly Mother and Heavenly Father being the ultimate Soul-Mates, and you can relate to God as your Mother and Father, and it's a wonderful feeling to experience.

The aim of doing your feeling-healing is to get you into a positive and perfect mind and will state, that is, to perfect one's natural or self-love. And one can do it with or without God's help. If you choose to do it without, then one day having achieved this goal a new longing will come to you, a longing to go further, deeper, to move beyond the limitations of one's natural love, and to satisfy this longing you will need God's help and love (the Divine Love), but you'll know you are ready for it. You will feel it's time, and you will start to long to know God. It's the next logical step to get to know personally the Two who created you, your soul, being your Soul-Parents.

You will have spent all this healing time sorting out your relationship with your own mortal parents, finding out what is wrong in your relationship with them and fixing it, all the while sorting out your relationship with yourself. And having once got it all sorted, then you will be free and ready to move onto dealing with what will become (along with your relationship with your soul-mate) the biggest and most important relationship in your life.

If you feel you are ready to ask God into your life (and currently and including the next forth-coming spiritual age, you can do this anytime, not just once you've finished your feeling-healing; or if you already have God in your life, be prepared for your relationship with Him (or Them to change), then you can begin to long directly to God, your Mother and Father, for Their Divine Love. Long with all your heart for Them to fill your soul with Their Love.

Feeling bad will make you feel BETTER – Eventually! By James Moncrief

FEEL *for* TRUTH

The beauty of it all, is the truth comes to you through your own feelings. You don't need to be told it by anyone. You can work it all out for yourself. We are self-revealing of truth, it's how God created us to be, and by being it we'll feel the happiest we can feel. Truth is our great comforter, so when you feel it come up within you, ah it feels so good and you feel just right – perfect!

We only know how to deny feelings, now we can get to know how to accept them. And always with the truth being the most important part.

FEELING TRUTH

If you don't want to uncover the truth of your feelings, then you can keep on expressing them forever but you will never fully heal yourself. Seeing the truth results in the Healing. And to see the truth you need to express all the pain out of you. The two things go hand in hand.

You can accept and express your bad feelings, letting off steam all day long, yet nothing will heal and nothing much will come of it. So this is where wanting your feelings to show you the truth of why you're feeling as you are is so important.

Don't go fishing with your mind, that will shut the truth out from rising up for you. **KEEP YOUR MIND OUT OF IT.** It's a feeling thing, doing your Feeling-Healing. (This is where we erred previously, and this how other modalities are in error.)

You long when you can, then stop longing and keep expressing. And at some point, and it might not even happen immediately, it might happen after days or weeks of expressing the same bad feelings, truth will come to you. And it does, it just comes up suddenly into your consciousness. You just know. You see the picture and you feel it's true. And you know it's true. And THEN your mind can come in and start sorting it out and putting it in context.

It's the Truth that we are seeking. It's the End Point. The Reason for doing your Healing. You are to see the whole Truth of yourself. And to begin with, that's the whole truth of your unloving self, of your wrongness, of your evilness, of why you are as you are in your negative unloving mind-controlling state. To be able to fully accept yourself as you are, warts and all. To not fight or resist or try and change yourself, just to accept all you feel and all the truth of all those bad feelings you feel about yourself. And when you do, so you will be healed. You CAN'T heal yourself unless you uncover the truth of your pain, suffering and so the truth of all your bad feelings.

Through our Feeling-Healing we long for the truth of what we're feeling whenever we can. So as often as you can. You want, and REALLY WANT WITH ALL YOUR BEING, ALL YOUR WILL, to know why you are feeling bad. You yearn, want, long and beg and beg and BEG God to show you the truth of yourself through your feelings. So when you are expressing your bad feelings you can stop and long for the truth to show you what's going on, why do you feel so bad, and you can do it any time you think of it or feel to do it.

Notes from 'Feeling Healing' by James Moncrief

Heartfelt TRUTH

FEELING versus EMOTION
and emoting such emotions through your feelings:

It is important to **emote** your feelings to a partner or to your Heavenly Parents.

Just be the feeling. When you feel the feeling, try to stay with that feeling.

The other person you are engaging with can assist you to experience and express the emotional event that you are feeling coming to the surface. They'll assist you to stay with that feeling. The other person is to encourage you, to prompt you in describing, expressing, talking about – **emoting** – that feeling leading you back to discover the truth of an experience that was an emotional event in your life, most likely an event in your early childhood, and even more likely to be a childhood suppression of your expression of your true personality by one of your parents.

What ever you are feeling, describe it. Once in the feeling stay with the feeling – become the feeling – become the emotional event. Express, talk about it, that being the experience of how it really unfolded.

Feeling is what you feel now. Emotion is the result of an event that happened in the past (even the recent past). The emotion is the pain within you. Once you begin to become that painful emotional event then the feelings thereof can be expressed, talked out of you – for ever!

The more often you drop into these past emotional events, you'll find the resistance to do so will subside. Your childhood events will become more readily alive in the present.

You will begin to long for the truth of these childhood repressions and these suppressions will become memories, but no longer painful memories as you talk out each such suppression of your true personality that being what was imposed upon you since your conception. You will be aided by the Spirits of Truth of the Avonal Pair as you become to know and embrace them.

Feeling bad is Good! It's okay to feel bad.

Feeling bad is good.
 Feeling bad is GOOD!
 It's not bad to feel bad – it's good.

FEELING BAD IS GOOD!
 Very good!!!

And feeling really bad is also good.
 And feeling worse is even better.
 It's all very good!

It's okay to feel bad.
 Bad feelings are okay.
 It's good to feel bad.
 Bad feelings are GOOD!

It's good to feel bad about feeling bad.
 Your bad feelings are YOUR feelings.
 YOUR bad feelings have a right.
 A right to exist.
 A right for you to feel them.

Your bad feelings are a part of you.
 Bad feelings are good and they are your feelings!
 ACCEPT THEM!

It's okay to feel bad, there is nothing wrong with feeling bad.
 You might not like feeling bad, but it's okay to feel bad.
 You are allowed to feel bad. Give yourself permission to feel bad.
 Bad feelings shouldn't be dismissed.
 Bad feelings already feel unwanted, why make them feel more rejected?
 You are your bad feelings – if you reject them, you are rejecting yourself.
 Why are you rejecting yourself? Why are you rejecting your bad feelings?
 Is this how you want to live – rejecting a natural part of yourself?
 Is this how you want to live, rejecting your bad feelings?

Feeling bad is normal. We all feel bad. We all feel bad a lot of the time, even if we won't admit it, or even if we're not aware of it.
 There are many bad feelings, all sorts of different bad feelings, and they are a normal part of you – of everyday life.

Bad feelings – your bad feelings – are to be welcomed. Bad feelings are to be wanted. Bad feelings are to be accepted.
Bad feelings are to be loved.

If you ignore or deny or dismiss or reject your bad feelings, what are you really doing? Denying, dismissing, rejecting yourself. Is this what you want to do? Because if you do, you'll only make yourself feel even worse.

You are your bad feelings – Your bad feelings are you.
Bad feelings have just as much right to life as good feelings.

Be true to your bad feelings – acknowledge, honour and accept them!
Accept your feelings.
Accept yourself.

So Remember:

Feeling bad is Good!
Accept your bad feelings.

The full acceptance of your bad feelings – and seeing the truth they are trying to show you – comes from having expressed or spoken about them. And speaking about them to someone who cares about you: a friend.

As you vent your feelings, the pent up ‘bad’ energy goes, often leaving you with the understanding of what they are all about: why you are feeling them. And once you understand and know this truth, then you are healed and free of them.

As young children we were all stopped from freely and fully expressing all our bad feelings. Things were done to us, we were forced to behave in ways we didn't want to, all of which made us feel bad. But we couldn't complain about how unjustly we were being treated. We tried, but often only to be met with harsher rejection treatment.

As adults we still have all this bad treatment going on within us. We formed patterns when we were young based around all the negative unloving parenting we had. And now being unconscious of these patterns we still (also unconsciously) expect bad things to happen to us to make us feel bad – and to feel just as bad as we did back then. And so bad things do happen. And we do feel bad.

So as an adult, we are experiencing life in the moment now as the adult, together with all we felt back when we were young, only we are unaware of it. Something will make us feel bad, and on the surface of it we might know why we are feeling bad, yet underneath, deeper within us, it will key into and trigger repressed bad feelings making us feel even worse in the situation than we might have otherwise felt.

So in doing our Feeling-Healing: healing our repressed childhood bad feelings through the feeling experiences of our current adult life, we need to use every bad feeling to help take us back 'down' inside ourselves, to connect with what made us feel the same bad feeling when we were young.

We are our bad feelings, and like them, WE ARE STILL WAITING TO BE HEARD.

The honouring, accepting and expressing of our bad feelings is our attempt to speak up and finally be listened to: to be accepted and loved – not rejected. And as an adult we can now do this, whereas, a child we could not.

And so if you no longer want to feel bad then through complete self-acceptance is the ONLY way to heal yourself – allowing yourself to feel as bad as you do feel. If you don't feel good about anything in your life or about anything to do with yourself – if you have one bad feeling at all, that feeling or bad thing will somehow be connected all the way through you to your early childhood. And so simply, if you feel bad about anything, if you are sick or don't like any aspect of yourself or your life, it's all because of how you were treated during your early childhood, and it's still going on deep within you. Your childhood has ended but the resulting mental and will patterns that dictate to a high degree your emotional and feeling state are all still in existence, still unconsciously controlling you. And because you are denying yourself the knowledge of these patterns, so too are you denying yourself the resulting feelings from them – all your bad feelings.

When you see the truth, the whole truth of your negative self-denial state, then with your will you can stop living in rebellion against yourself and choose to live positively. And in that choice you are healed.

The aim of Feeling-Healing

The real aim of doing your feeling-healing is to perfect your relationship with yourself, with others, with nature, and in the end, with God.

Until we are living true to all our feelings and living wanting to grow in truth from our feeling experiences, we can't live a perfect relationship. If we live denying any part of our self we can't have true relationships.

Until we accept all of those parts of us we're denying, and understand why and how our denial came about, we can't live as our soul desires us to, as we have been created to live.

And when we do honour all our feelings and live the truth revealed by them, then naturally without any effort or mind control we'll just be perfect.

Many people try to seek God, try to understand the Greatest of all Mysteries before they try to understand themselves. We will never be able to understand or relate properly to God until we can understand and relate properly to ourselves. We come first. We have to learn how to fully honour and totally accept ourselves and then we can move out into the world and greater universe.

We are to be true to our soul by living true to our feelings.

To want to live true; true to how you feel, is to want to be perfect.
And your feelings are the way.

REVELATION 1 Divine Love addresses the issues of the Rebellion.

REVELATION 2 Feeling Healing addresses the issues of the Default.

The Rebellion is against love, the Default is all the difficulties we have in our relationships because of our rebellion. Healing the Default is becoming true, to ourselves and in our relationships, and ending our unlovingness – our rejection of love, so ending the Rebellion.

The Rebellion was brought about by Lucifer and his soulmate 200,000 years ago.
The Default was brought about by Adam and Eve, soulmates, 38,000 years ago.

The New Way: Learning how to live true to ourselves by living true to our feelings.

FEELING HEALING + SOUL HEALING

To heal one's self is to simply look to see what feelings we are refusing to let ourself feel, and accept them instead of denying them. And to fully accept them, one needs to express them, speak about them, let them have their say, rather than pushing them aside, refusing to let them make you feel bad.

Doing this all with the intention of seeking the truth of why you are feeling them, of speaking about and expressing all such feelings; all feelings you have, but ALL WITH the INTENTION of UNCOVERING the TRUTH THEY WANT YOU TO SEE ABOUT YOURSELF. And it's the wanting to see the truth of them that is very important, because if you just look to accept them and speak and express them, but not seek their truth, then that's all you'll be doing, speaking and expressing them, but not healing their causes, so not fixing the things within you that are making you feel bad. And it's the truth part of it, seeking the truth of your feelings, and so, seeking the truth through your feelings, that's vitally important. It's the truth of yourself, life, nature and God, that is the spiritual aspect to it all.

You CAN'T find the truth of yourself, or anything else, through and with only your mind. You HAVE to engage and look to your feelings. And so if you choose to allow your feelings to 'Show You the Way', then the truth will come as you express them.

So to do our Soul-Healing consists of these steps, all of which are ongoing until it's done:

- **Admit you are feeling bad.**
- **Accept your bad feelings, identify what they are.**
- **Honour fully your bad feelings by expressing them, speaking about them to someone who is willing to hear you talk about them, or tell them out loud to our Heavenly Parents. Long for the truth of them. Long for the truth of why you feel bad – what deep within you is causing your bad feelings?**
- **And remember, bad feelings are Good! Not bad. They are not to be despised. And as hard as it is to accept them, they are still you, and a very real part of you. And if you persist in denying them and not allowing yourself to fully live them, then you are only going to keep yourself in your errors making things harder for yourself.**
- **All sickness and suffering, all bad things that happen to you, all your problems, all your addictions – your whole feeling-denying and untrue life, is all caused by your denial of bad feelings.**
- **Every problem in the world is brought about because everyone has been brought up to deny feelings, and in particular, most of their bad ones.**

If one is intent on spiritually evolving and growing in truth, then it's vital, and this is the key, that one looks to use one's feelings as the means to gain and have access to the truth of oneself. You CAN'T find the truth of yourself or anything else through and with only your mind. You HAVE to engage and look to your feelings. And so if you choose to allow your feelings to 'Show You the Way', then the truth will come as you express them.

Doing your Soul-Healing with the Divine Love, is really doing your 'Feeling-Healing'. We are designed — created — to be self-revealing of truth, and so we are all to uncover the truth within ourselves and for ourselves, and all being done by living true to our feelings. **If you accept, express and seek the truth of your feelings, then truth will come to you, and you'll grow spiritually. It's as easy as that. Also it is as easy as it is to long for, ask for and receive Divine Love.**

Pole Shift

Pole Shifts are our own very personal life experiences. They are as dramatic as the physical pole shifts that the planet Earth endures from time to time. However, our own life events are far more important.

At the moment of conception we are in a perfect state. From the moment of conception we are overwhelmed by the well meaning endeavours of our parents, immediate family and carers. They do not know what *true* love is, they have never experienced it, so we are not *truly* loved by our carers and teachers. We are crunched into submission by everyone within our environment. Our Natural Self Expression is all but obliterated! We are crunched into being someone else that others impose upon us. We are made into ‘bad apples’. We proceed through our life experience, after our parents’ well meaning but misguided endeavours, and have this falsehood strengthened by our educators, then our religious organisations, then our employers, all overseen by our governments. We have no way of expressing our true selves.

Now, for the first time in the history of humanity, we can reverse our early Childhood Repression and Suppression and invoke our own counter Pole Shift. We can begin to liberate ourselves from our imprisonment within our mind that was imposed upon us from conception to around six years of age.

We can, through our Feeling Healing, embrace our feelings, both good and bad, long for the truth of what is to be revealed to us about such emotional events, and express such revelations to a companion and begin the climb of the pole to Natural Self Expression of our true personality. The task is painful, long and arduous; however, we are to liberate our true nature, our true selves of natural love, and in this way we will grow to be who we truly are, a child of our Heavenly Parents – and with Their Love, we can become Divine.

This is the Pole Shift that all of humanity is to engage with and grow from. This is the Great U-Turn.

AVONALS

SPHERES of PARADISE being the home of our Heavenly Parents, Mother and Father, within the centre of the 7 super universes.

Unknown number of spheres to progress through to reach Paradise.

Ascending out of NEBADON is beyond the regency of the Creator Daughter and Son, Mary and Jesus.

INFINITE & UNIVERSAL SPHERES, unknown number to progress through within Nebadon.

ETERNAL SPHERES 3 spheres unnumbered. Involvement with Earth finishes.

CELESTIAL HEAVENS are spheres 8, 9, 10.

Divine Love Spirit Healing Mansion Worlds are 3, 5, 7. We are healing our soul!

We all arrive in spirit into Mansion World 1.

Earth Planes 1 and 2 are of Disharmony – Hells.

Mind Spirit Mansion Worlds 2, 4, 6 are all taking us in the wrong direction and into a dead end!

AVONAL PAIR

MARY & JESUS

GOD

Through out the Avonal Age of 1,000 years, their Spirits of Truth will assist us in embracing and engaging with our Feeling Healing and with Divine Love our Soul Healing, they will assist us to develop our soul well into Celestial Heaven status should we persevere with such a goal. To the extent that the Avonal Pair develop themselves while here in the physical on Earth is the level that their Spirits of Truth will be able to assist us. Then it will be Mary and Jesus' Spirits of Truth that will assist us up and out of Nebadon, where our Heavenly Parents will then assist us onto Paradise, Their home.

There are 100,000 MICHAEL soulmate pairs as REGENTS throughout our SUPER-UNIVERSE:

One of these 100,000 dots represents Nebadon, our local universe, consisting of 100 constellations with each constellation containing 100 systems which in turn have 1,000 worlds. The system in which Earth is within is called Satania.

Nebadon has some 10,000,000 physical planets, of which 3,840,101 are inhabited. The regents of Nebadon are the soulmate pair being the Paradise Creator pair, Mary and Jesus.

This structure is repeated throughout our super-universe, called Orvoton, 100,000 times. There are some 100,000 Regent pairs, equivalent to Mary and Jesus, throughout our super-universe.

There are 7 super-universes that rotate around the Isle of Paradise which is the home of our Heavenly Parents, our Mother and Father. Thus, there are some 700,000 Regent pairs equivalent to Mary and Jesus.

When we progress beyond the spirit mansion worlds, we enter the first of the three Celestial spheres, the home city being Jerusem, this is also the home city for all 1,000 physical worlds in Satania. From there we will progress to Salvington being the head quarters for Nebadon and the home of Mary and Jesus. Then we progress to Paradise.

Earth

Finaliters

THE URANTIA BOOK extracts are an introduction of the goal of Earth based humanity's ascension:

(116.8) 10:8.7 The Corps of the Finality embrace, among others, those mortals of time and space who have attained perfection in all that pertains to the will of God. As creatures and within the limits of creature capacity they fully and truly know God. Having thus found God as the (Mother and) Father of all creatures, these finaliters must sometime begin the quest for the superfinite (Mother and) Father. But this quest involves a grasp of the absonite nature of the ultimate attributes and character of the Paradise (Mother and) Father. Eternity will disclose whether such an attainment is possible, but we are convinced, even if the finaliters do grasp this ultimate of divinity, they will probably be unable to attain the superultimate levels of absolute Deity.

(116.9) 10:8.8 It may be possible that the finaliters will partially attain the Deity Absolute, but even if they should, still in the eternity of eternities the problem of the Universal Absolute will continue to intrigue, mystify, baffle, and challenge the ascending and progressing finaliters, for we perceive that the unfathomability of the cosmic relationships of the Universal Absolute will tend to grow in proportions as the material universes and their spiritual administration continue to expand.

(147.5) 13:2.1 These home worlds of the diverse orders of spiritual beings are tremendous and stupendous spheres, and they are equal to Paradise in their matchless beauty and superb glory. They are rendezvous worlds, reunion spheres, serving as permanent cosmic addresses. As finaliters you will be domiciled on Paradise, but Ascendington will be your home address at all times, even when you enter service in outer space. Through all eternity you will regard Ascendington as your home of sentimental memories and reminiscent recollections. When you become seventh-stage spirit beings, possibly you will give up your residential status on Paradise.

(148.1) 13:2.2 If outer universes are in the making, if they are to be inhabited by time creatures of ascension potential, then we infer that these children of the future will also be destined to look upon Ascendington as their Paradise home world.

(163.1) 14:6.39 Paradise is the home, and Havona the workshop and playground, of the finaliters. And every God-knowing mortal craves to be a finaliter.

(191.3) 16:5.5 The distinctive personality trends exhibited in the life experience of evolutionary mortals, which are characteristic in each superuniverse, and which are directly expressive of the nature of the dominating Master Spirit, are never fully effaced, not even after such ascenders are subjected to the long training and unifying discipline encountered on the one billion educational spheres of Havona. Even the subsequent intense Paradise culture does not suffice to eradicate the earmarks of superuniverse origin. Throughout all eternity an ascendant mortal will exhibit traits indicative of the presiding Spirit of his superuniverse of nativity. Even in the Corps of the Finality, when it is desired to arrive at or to portray a *complete* Trinity relationship to the evolutionary creation, always a group of seven finaliters is assembled, one from each superuniverse.

(204.6) 17:6.10 7. *The Unrevealed Career.* We know of these six phases of the career of a local universe Mother Spirit. It is inevitable that we should ask: Is there a seventh career? We are mindful that, when finaliters attain what appears to be their final destiny of mortal ascension, they are of record as entering upon the career of sixth-stage spirits. We conjecture that there awaits the finaliters still another and unrevealed career in universe assignment. It is only to be expected that we would likewise regard the Universe Mother Spirits as having ahead of them some undisclosed career which will constitute their

seventh phase of personal experience in universe service and loyal co-operation with the order of the Creator Michaels.

(216.3) 19:2.5 The Perfectors of Wisdom will always require this complement of experiential wisdom for the completion of their administrative sagacity. But it has been postulated that a high and hitherto unattained level of wisdom may possibly be achieved by the Paradise finaliters *after* they are sometime inducted into the seventh stage of spirit existence. If this inference is correct, then would such perfected beings of evolutionary ascent undoubtedly become the most effective universe administrators ever to be known in all creation. I believe that such is the high destiny of finaliters.

(232.3) 20:9.5 The Trinity Teacher Sons seem to be so completely identified with the regime of mortal progression through the earlier stages of evolutionary ascension that we are often led to speculate regarding their possible association with the finaliters in the undisclosed career of the future universes. We observe that the administrators of the superuniverses are part Trinity-origin personalities and part Trinity-embraced ascendant evolutionary creatures. We firmly believe that the Teacher Sons and the finaliters are now engaged in acquiring the experience of time-association which may be the preliminary training to prepare them for close association in some unrevealed future destiny. On Uversa it is our belief that, when the superuniverses are finally settled in light and life, these Paradise Teacher Sons, who have become so thoroughly familiar with the problems of evolutionary worlds and have been so long associated with the career of evolutionary mortals, will probably be transferred to eternal association with the Paradise Corps of the Finality.

(337.32) 30:2.131 A. *The Paradise Corps of the Finality.*

- (337.33) 30:2.132 1. The Corps of Mortal Finaliters.
- (337.34) 30:2.133 2. The Corps of Paradise Finaliters.
- (337.35) 30:2.134 3. The Corps of Trinitized Finaliters.
- (337.36) 30:2.135 4. The Corps of Conjoint Trinitized Finaliters.
- (337.37) 30:2.136 5. The Corps of Havona Finaliters.
- (337.38) 30:2.137 6. The Corps of Transcendental Finaliters.
- (337.39) 30:2.138 7. The Corps of Unrevealed Sons of Destiny.

The Corps of the Finality

(346.1) 31:0.13 The finaliters maintain their own headquarters on Paradise, in the superuniverses, in the local universes, and on all the divisional capitals. They are a separate order of evolutionary creation. We do not directly manage them or control them, and yet they are absolutely loyal and always co-operative with all our plans. They are indeed the accumulating tried and true souls of time and space — the evolutionary salt of the universe — and they are forever proof against evil and secure against sin.

Nanna Beth – 3rd Celestial Heaven: We've needed the Avonal's help, otherwise humanity on Earth would never heal itself, or if it could, it would take forever, and it can't take forever because humanity is needed to get on and ascend to Paradise and become Finaliters for the work we'll then be assigned to do. So there is a Grand Plan, all of which includes or takes into account the Rebellion and Default, allowing it to happen, encouraging it to maximise experience from it, and then healing it. So with the boost from the Avonals coming and the following Spiritual Age, the Rebellion and Default are to be dealt with head-on and quick-smart. So we're swinging into the final stages of preparation, everything is moving into place for the starter's gun, and everything is moving along perfectly according to plan, that being in your own personal lives and the whole world.

FEELING HEALING and SOUL HEALING with the DIVINE LOVE:**James Moncrief Publications:****all publications are free downloads:**<http://divinelovesp.weebly.com/my-free-books-and-free-padgett-messages.html>

It is suggested for one to consider reading as follows:

Speaking with Mary Magdalene and Jesus – books 1 – 4

These four books encapsulate the second of the revelations with the first having been introduced by James Padgett one hundred years previously. These four books provide a wide range of guidance that has never previously been made available.

Paul – City of Light

As a gentle intro into the Divine Love and Healing; being James Moncrief's first novel and it's been criticised as being too heavily clichéd, but that's the point because it's a reflection of how he was back then.

Ann and Terry

For an example of people who might want to immediately start working on themselves and doing their Healing.

Feeling Bad? Bad Feelings are GOOD

For more understanding about our denial of our feelings and why we should not deny our feelings, and it includes how it all came about for James, using himself as an example.

Feeling bad will make you feel BETTER – Eventually!

This includes specific examples of Marion and James working on expressing particular bad feelings, again with the hope that it will help others gain something of an idea as to what's involved in doing your Feeling Healing.

Sage – and the Healing Angels of Light

Through Sage who's 13 years old, the story is primarily about the two aspects of healing; that being, with the help of our angels, and the full Healing we can do by looking to our feelings for their truth.

**Religion of Feelings
Feeling Healing****Welcome to LOVE – the Religion of Feelings
you can heal yourself through your feelings**

So these books, including the four Speaking with Mary Magdalene and Jesus books, provide the essence of it all and are examples of James' work. Then it's up to whatever takes one's fancy. Other reading to consider may include:

The Padgett Messages being published as:**The True Gospel Revealed Anew by Jesus volumes 1 – 4****Book of Truths by Joseph Babinsky****The Urantia Book****Release one's pain through expressing one's feelings.****in conjunction with****Longing for the Truth when also longing for Divine Love.**

FEELING HEALING with DIVINE LOVE is SOUL HEALING:

A collection of 'papers' that draw together specific topics including all of the above and more from other sources of information and revelation designed to help increase one's awareness about why we have the problems we do and how to heal them, all whilst living a more healthy and sustainable life. They provide a brief snapshot of the more complicated topics and issues.

Firstly, consider discovering the truth of your emotional pain through Feeling Healing. Secondly, consider longing for our Heavenly Parents' Love as you progress with your healing. Primary and most important readings are the writings of James Moncrief. Then consider the Padgett Messages, and then The Urantia Book.
