CHANGING of AGE

The coming Change of Age that the Avonal Pair are working themselves towards, there are so many changes still taking place on all the levels of their universe (local universe of Nebadon) that concern Earth (Urantia) and the ending of its Rebellion.

As we move closer to the hand over from the Age of the Creator Daughter and Son, being the past 2,000 years, to the coming Avonal Age of the next 1,000 years, the restructuring and leadership organisation throughout Earth's related Celestial Spheres and Mansion Worlds has been unfolding continually this past decade and will continue on changing.

Presently:

The Material Daughter and Son, Eve and Adam, have been assigned the leadership and guidance for those who embrace The New Way, living Feelings First and undertaking their Feeling Healing and Soul-Healing with the Divine Love. To carry out this function throughout the 3 Celestial Heavens, the 7 spirit Mansion Worlds, and on physical Earth, around a quarter of the Celestial spirits on the 3 Celestial Heavens have moved to be under Eve and Adam's leadership for the coming 1,000 years of the Avonal Age. Those people and spirits on physical Earth and throughout the mind Mansion Worlds 1, 2, 4 and 6, who are yet to become aware of The New Way, Feeling and Soul Healing – living Divine Love Spirituality and doing their Spiritual Healing with the Divine Love, will also come under this administration. As will all the spirits in the Healing Worlds – the Divine Love sectors of the first World, and Mansion Worlds 3, 5 and 7.

There is a great deal of 'reaching down' from the spirits and Angels, as we are endeavouring to 'reach up', with Celestial Spirits becoming more available to the spirits throughout the Healing worlds and to people on Earth who are wanting to do their Healing, assisting everyone embracing their Spiritual Healing. And adding to the help from higher levels, Angels are beginning to make themselves visible to those advanced in their Healing. That including those people and spirits who are presently referred to as Angel Girls and Boys, and Angel Women and Men.

Nana Beth, John's grandmother, with her soul-group, have a parallel leadership role supporting and assisting those people and spirits who are continuing to live within the rebellious mind ways of the 200,000 year age of the Rebellion and Default; which is going through its ending phases, having formally (technically) ended on 31 January 2018. On physical Earth, those with appropriate psychic abilities, and who commence their Spiritual Healing, may find that they can communicate personally with Nature Spirits, their Celestial spirit guides, Angels; and even their Indwelling Spirit – our Heavenly Mother and Father may be directly and personally communicated with!

The spiritual changes that are now unfolding for humanity on Earth and in spirit are amazing, as well as profound, as we approach the handover from the Creator Daughter and Son, Mary Magdalene and Jesus, to the Avonal Pair.

This time, in the history of humanity, is the most exciting time ever experienced.

AVONAL PAIR

MARY & JESUS

GOD

Throughout the Avonal Age of 1,000 years, their Spirits of Truth will assist us in embracing and engaging with our Feeling Healing and with Divine Love our Soul Healing. They will assist us to develop our soul well into Celestial Heaven status should we persevere with such a goal. The extent to which the Avonal Pair develop themselves while here in the physical on Earth is the level that their Spirits of Truth will be able to assist us. Then it will be Mary and Jesus' Spirits of Truth that will assist us up and out of Nebadon, where our Heavenly Parents will then assist us onto Paradise, Their home.

Our Healing

We are not to confront our fears, errors and pain to ‘get over them’, we are to become aware of the whole truth of having them, even if we still retain such fears and errors right the way through our Healing. So our Healing is not healing ourselves as such to make ourselves be better, right and true, but it’s to allow, and so stop preventing, ourselves from being the truth of how unloved and fucked up we feel we are. We are to allow ourselves to be all our fears and neuroses, not actually try to remove them or break through them, all so we know how we came to have them, and how having them makes us feel.

Some people and spirits might need to do the more confrontational therapy as a means of helping them get more in touch with their barriers and blocks, these personalities mat have to manage sitting exposing all in front of everyone to give rise to yet more bad feelings and to become more aware of their fears and blocks and why they have them, but it doesn’t mean they are now free of their fears. However, it might also be that some of them do feel suddenly released from such control. We’re all different, and of course our Healing will have different effects on us, but we have to keep in mind what it’s all about and why we’re doing it, and that is to bring to light so we can live fully expressing the truth of our rebelliousness, and that it’s not up to us to try and ‘heal’ and remove and stop being rebellious. Our Heavenly Mother and Father will do that when we are the whole truth of our evilness, They will take us out of it and transform us out of all our fears and blocks. So fears and blocks might lessen or even go away through that growth of truth, but that’s a part of the process one will need so as to allow them to then focus on other deeper parts of their untruth. And it’s all governed by how our childhood was.

A Healing experience is an exercise to bring up more repressed feelings and helping personalities get more in touch with their fear or trauma, their anger, their feelings of being forced to do something they didn’t want to do, feeling so powerless and unloved and uncared about, shitting themselves being so heavily controlled by their parents or the circumstance of being in difficult situations. Everyone is provided for lovingly, that no effort is spared to help us all do what we might need to do through our Healing.

SPIRITUAL HEALING:

We incarnate into Rebellion, and by default become untrue to ourselves. The truth of which we are to see through our Healing. And once seen, then we will no longer be of the Rebellion, being a true, happy, perfect and all-loving personality.

The Healing is about becoming true to being as you are in your untruth. As you become aware, facing and accepting the truth of how wrong and untrue you are. And once you’ve brought all your untrue self out through each stage of your Healing and are wholly aware of yourself and your rebelliousness, then your soul and God will transform you out of being untrue and into becoming your true spiritual Celestial self, be that in the physical or when you do your Healing in spirit.

SPIRITUAL HEALING:

Our Healing is about first finding the truth of our unloving and untrue state, coming to understand the full extent of that, how it relates to us and how we relate to it, and all how it makes us feel so demented living life in a stupor.

Healing is about seven Mansion Worlds worth of uncovering the truth of our rebellious state. It's all about becoming progressively more aware of how screwed up we are. So right the way through our Healing, we stay being screwed up all so we can see the truth of how demented we are in all the ways that we are untrue, all the way to the End of our Healing.

What we do heal through our Healing, is all that is stopping us see the truth of ourselves – our untrue and false state.

Mansion World 7: is then about still working with the deepest and residual bad feelings, whilst looking to sort out how you wrongly relate to yourself and others, nature and God because of being unloving; understanding how your relationships are unloving, how you don't connect properly, how unloving you really are and why and fully accepting the truth of it, coming completely to grips with your parents not loving you as you needed to be loved – sorting it all out, including yourself and feeling expression difficulties. Then comes transition.

Mansion World 5: is then about going right into the depths of them, feeling how unloved you feel and seeing how unloving you are and how that makes you feel, bringing out the majority of your pain, your misery, fear, anger, guilt, hatred, boredom, terror, rejection, nothingness, feeling powerless, alone and abandoned, and so on. Each progression is full on, all the way.

Mansion World 3: is for waking up to the truth that you're not loving and starting to get in touch with your pain, starting to accept your bad feelings, starting to work with them instead of rejecting them.

IT IS NOT THIS WAY

IT IS THIS WAY

Our feeling patterns are set through our forming years and then cemented in during the rest of our childhood, and so we keep living through them in our adult lives, having all the varied experience we do that affords us those same childhood feelings.

So if you suffer extreme fear during your adult life, then that extreme fear you would have experienced at some point during your forming years. It all being on the feeling levels, and not the actual experience, that is the same. So you could experience a moment of intense fear in the womb caused by whatever your mother might have been going through, with the later experience of the same intense fear such as being tortured as an adult, helping a person see that he / she did experience that extreme fear when he / she was young. So you can look at your adult feelings and know that you felt them during your childhood, which is what we have to do through our adult feelings, connect back with our feeling them as a child, all so we can then see why we did, what our parents were going through, how they were relating to us, how they were making us feel, and how we dealt with it, took it on, and have lived such patterns accordingly.

So as we bring to light our controlling ways, we accept that we are that way; and if being that way makes us feel other bad feelings, then we work to express them wanting to bring to light the truth they are to show us about our self. And that truth invariably leads to us to feeling and becoming more aware of our control. We are each wholly mind-controlling being of the Rebellion and Default.

It is the spirit light vibration of each of the spirit Mansion Worlds, hence the multiple worlds, which helps us move deeper into ourselves. That light is perfect Natural love light, and so when we submit ourselves being of imperfect Natural love light, as we now live in here on Earth, the perfect stirs up the imperfect, bringing our bad feelings up so we can become aware of that imperfection, and that level of our rebelliousness. So, by simply being in the higher Healing Mansion World, its truth vibration requires that we become perfect to that level, which because we're in a rebellious state, means we become perfectly aware and of the truth of that worlds rebelliousness level.

We have to become fully aware of all our imperfection, the whole seven Mansion Worlds of it. So all our bad feelings coming up are to help us become gradually aware of all how wrong we are, and why we are, how unloving our early relationships where, and how unloved we feel because of them, and all we do trying to pretend to ourselves that we are loved and loving. Unless we resist our feelings being in these Healing worlds, simply being in them and whatever we are drawn to do, will help bring up and purge us of our bad feelings, all so we can see the whole truth of our rebellious selves.

We are all presently living such restrictive mind-controlled lives and we can only escape the repetitive tread-mill by embracing Living Feelings First, The New Way.

EXPERIENCES, FEELINGS and TRUTH:

We look into the night sky and see around 1,000 stars that possibly are the hosts to the 619 humanities of our local system, Satania. Earth is on the outskirts of Satania.

When we 'die', and shed our physical body as we are spirits having a physical experience, we all arrive on the 1st spirit Mansion World.

If we continue to live through our minds, then we may progress to worlds 2, 4 then 6 and no further – dead end!

Should we embrace Feeling Healing with Divine Love, we will start our journey of Truth and Love, progressing through Healing Mansion Worlds 3, 5 and 7, then through the Celestial Heavens and onwards out through our Local Universe of Nebadon and on to Paradise, the home of our Heavenly Parents.

The spirit worlds are within a different dimension to the physical stars and earths. However, picturing the spirit worlds within the centre of our local system is only a visualisation aid and not necessarily accurate.

LEARNING for ETERNITY:

The journey that we are on and the life we are to live is a never ending adventure of learning.

We may gaze at the stars in wonder for they are homes to our neighbouring humanities. While we live through and worship our minds then we will stagnate. This time in history is the Great U-Turn.

We will now embrace our soul-based feelings, the truth within us, and have our minds follow. Not the other way as it has been throughout the Rebellion and Default with the mind suppressing our feelings and we being in denial of our condition.

Through our feelings we will put aside the limitations and barriers that our mind restricts us to. We will discover the wonder of ourselves and our amazing potential. We will recognise that females and males are equal and are truly partners in all we do.

We will discover that one soul manifests TWO personalities, one female and one male, and that our true partner is our other half of our soul!

We will become free!

Consider this: the small black dot is the luminosity of a typical person on Earth, the incredibly bright sphere is the soul of a Celestial spirit who is now residing within the 1st Celestial Heaven sphere.

LEVEL of SPIRIT LIGHT VIBRATION of EACH WORLD

It is the level of the spirit light vibration of each world that helps us move deeper into ourselves. That light is perfect Natural love light, and so when we submit ourselves being of imperfect Natural love light, the perfect stirs up the imperfect, bringing our bad feelings up so we can become aware of that imperfection, and that level of our rebelliousness.

So by simply being in the higher Healing Mansion World, its truth vibration requires that we become perfect to that level, which because we're in a rebellious state, means we become perfectly aware and of the truth of that worlds rebelliousness level. And this is how it is all the way with our journey home to Paradise – each step forward we move to a higher level of Truth and consequently, Light.

Possible relationship of Map of Consciousness (MoC) calibration with Mansion Worlds:

10th sphere	– 1,500	peak level of 3rd Celestial Heaven
8th sphere	1,081 – 1,251+	Achievement of at-onement on reaching 1,081
7th sphere	921 – 1,080	Divine love only, transmission to at-onement and Celestial spheres
6th sphere	841 – 1,000	Natural love mind world – perfect Natural love
5th sphere	781 – 920	Divine love Mansion World
4th sphere	651 – 840	Natural love mind Mansion World
3rd sphere	500 – 780	Divine love Mansion World
2nd sphere	500 – 650	Natural love mind Mansion World
1st sphere	1 – 499	Natural love mind world predominantly

Humanity awakens in spirit in the first spirit Mansion World. Then they move, if required, upwards to higher mind levels or lower into the hell planes or over into the Divine Love healing worlds. Humanity, overall, calibrates around 220 on the Map of Consciousness.

TIME in SPIRIT WORLDS

We have time broken down into minutes, the spirit equivalent, days, then months, years, ten years, 100 years, 1,000 years, and so on, but our day and years are different to yours, longer, and get longer the higher we ascend the worlds. So as you know, one Paradise day equals a 1,000 years on Earth, which staggers the mind to digest. So you're soon to come New Age of 1,000 years, lasts for only one day on Paradise – a pretty short Age!

One Soul = Two Personalities

The capabilities and potentialities of every individual personality is only limited by their childhood suppression and repression. Once we heal, then our self-expression will reveal our true selves.

Life After Death

We are more alive than ever – when we are dead!

The life after death is no different in the essentials than the mortal existence.

However, our capabilities are about three fold of what it is when now as we are living in the physical.

We may come to look upon our physical body as though we living as a potato, or maybe like we are living in and through a heavy rubber suit. Even being the Michelin man may come to mind.

Our physical brain is the interface between our spirit body mind and our physicalness, thus upon death of our physical body we lose nothing! Our personality remains as we know it and life is far more fulfilling in the spirit Mansion Worlds than living on Earth. We all arrive in the 1st Mansion World.

Every mortal gain is a direct contribution to the enrichment of the first stages of the immortal survival experience. Everything we do in this life which is good contributes directly to the enhancement of the future life – as it does now throughout our physical life! Death is definitely not to be feared, because what awaits us on the other side is a much more amenable way of life, even if it is still all within the Rebellion and Default.

While we are living on Earth, we are spirits having a physical experience!

Our physicalness restricts our capabilities to around one third.

POPULATION ESTIMATES:

The numbers who have moved on further into Nebadon – our local universe, then out of Nebadon on their way to Paradise, and also those who have arrived in Paradise and are now Finaliters, all the way from Earth, are unknown.

As of January 2024, it may be considered that the populations from Earth are something like:

Each of the 3 Celestial Heavens, 10 billion each, thus 30 billion.

Each of the 3 Healing Mansion Worlds, 2 billion each, thus 6 billion.

Mansion World 1, 180 billion

Mansion World 2, 10 billion

Mansion World 4, 2 billion

Mansion World 6, 1 billion

In the hell planes of Earth, unknown, but incorporated in numbers for Mansion World 1

On Earth in the physical, 8.1 billion in January 2024. (total presently exceeds 237 billion)

Seven Spirit Earth Planes

Each of the seven Earth spirit planes co-exist in the same space as we do in the physical. We of the physical world are of the coarsest and densest material. Starting with the 1st plane, the material within each plane becomes finer, more refined and of greater luminosity. Those within the lower planes cannot see or discern the presence of those in higher planes. Those of the higher planes can move about those in lower planes without them being aware of being present unless they wish to reveal themselves.

Each plane is predominantly for one group of spirit or angel personalities. However, there are sectors within planes where visitors from higher planes can move about freely. No harm or disturbance can be caused by any spirit personality upon another, not even those within the physical Earth existence.

5th Earth Plane being for visitors from the Celestial Heavens and higher angels and spirits from other parts of Creation, including Finaliters.

4th Earth Plane being exclusively for Angels, some of which have evolved from Nature Spirits!

3rd Earth Plane is the exclusive domain of Nature Spirits who are derived from creature life experience on Earth.

2nd Earth Plane – a ‘Sphere of Isolation’ from which one progresses having settled the Law of Compensation, allowing entry into regular spirit life in the 1st spirit Mansion World.

1st Earth Plane – the darkest ‘Sphere of Isolation’ and closest to Earth. A plane allowing spirits to live in their state of hell because of their grievous inclination to cause harm to others.

FOR 200,000 years ALL SCRIPTURES and Earth based INSTITUTIONALISED SYSTEMS are the WORK of the REBELLIOUS LANONANDEKS:

The rebellious Lanonandeks from within our local universe are these soul partner pairs:

THE EVIL ONES

Lucifer pair
Lucifer being System Sovereign of Satania
Arrested and imprisoned 26 CE

Satan pair

Caligastia pair
Caligastia being Planetary Prince of Earth
Arrested and imprisoned 1993 CE

Daligastia pair

7 A sector within the 7th plane is isolated from all others. This isolated sector is the spirit world prison for the rebellious Lanonandeks, all eight are accommodated within an English manor that is open to tourists on the Earth plane, and thus they have to endure the tourists.

6 The Greatest Show is on Earth! Since the formal ending of the Universal Contract governing the Rebellion and Default for Earth on 31 January 2018, the 6th Earth Plane has been given over to visitors from the greater universe, being those outside of our local universe of Neadon. The greater universe consists of 100,000 local universes, consequently as Earth is the only humanity throughout that is in Rebellion and Default and is now to heal itself of this, the number of spirit visitors are enormous.

THE
GREATEST
SHOW
is ON EARTH

5 Similarly, the 5th Earth Plane has been given over to visitors from within our local universe of Neadon, having 3,840,101 inhabited worlds. Each local universe being of a similar size. Midwayer spirits provide talks at regular intervals for visitors, and these talks are broadcast throughout the universes.

Earth's humanity is truly a fishbowl being observed by the peoples of all the universes.

JOURNEY HOME

Our journey home is an ever growing expansion of truth being revealed to us. For Earth's humanity, as for the 37 humanities that have Rebelled, we are quarantined and isolated. Having also Defaulted, Earth's humanity is possibly the most evil of all. Firstly, we are to understand that living through our minds is why we are addicted to untruth and control of others and nature – we are going the wrong way! We are to live feelings first and then heal our Childhood Repression and Suppression – we are to live and express our true personality, the one given to us by our Heavenly Mother and Father. Then our journey home begins!

The Isle of Paradise is stationary within the circle of seven super-universes. Spheres here are also for us to further grow in truth before arriving Home to become Finaliters. Our Heavenly Mother and Father guide us out of our Local Universe of Nebadon, through the rest of our super-universe of Orvonton and into super, superuniverse Havona which circulates around the Isle of Paradise, being home.

Each of the seven super-universes are approximately constituted as follows and with 1,000,000,000,000 inhabitable worlds:

- One super-universe is 10 major sectors
- One major sector is 100 minor sectors
- One minor sector is 100 local universes
- One local universe is 100 constellations
- One constellation is 100 systems
- One system embraces approximately 1,000 physical worlds

Once we attain the Celestial Heavens (spheres), we start to come in contact with spirits from other 'Earth' worlds. So in spirit, and once we've finished our Healing and are Celestial, we interact, sometimes directly and otherwise indirectly, with potentially 10,000,000 physical worlds of which 3,840,101 are with humanities. Our Avonal Daughter and Son lead us to Mary Magdalene and Jesus (Michael soulmate pair / soul partners, our Creator Daughter and Son), through our healing of the Rebellion and Default by guiding us into the first three Celestial Heavens and out of isolation from all other physical and spirit humanities.

Mary and Jesus then lead us through the Celestial Heavens for the system Satania (that Earth is in), then our constellation and then out of our Local Universe.

Isolation from all other humanities prevails before completing our soul's healing and progress into the Celestial Heaven spheres 1, 2 and 3. Hell planes 1 and 2 of Earth are for those people who have to compensate for evil wrongdoing. And once done, they may then progress up through mind Mansion Worlds 1, 2, 4 and 6 before turning around to progress through Healing Mansion Worlds 3, 5 and 7 to transition into Celestial Heaven.

EARTH

Our journey is one of experience and the feelings that arise from our experiences. From the moment of conception we are on our learning pathway, experiencing the emotions of our parents and carers. Our feelings are our truth, it is through our feelings that we evolve in truth. We are to long for the truth that our feelings draw our attention to.

Our physical parents and family is the focus of our experience on Earth. As we all have been subjected to the Rebellion and Default of Earth's humanity, we are all to heal ourselves of being unloved and the errors and injuries that we have been subjected to. Only through the completion of our Feeling Healing do we leave the environment which is referred to as Hell. It is through the guidance of the Avonal soul partner pair, their Spirits of Truth, that we are now able to complete our Feeling Healing.

When we transition into the 1st Celestial Heaven, having completed our Healing and Acceptance of how we have been messed up and the way we are having had the experience of living in a Rebellion and Default, can we then start to assimilate with other humanities within our Local System.

Our local system is called Satania, home city and headquarters being Jerusem. It consists of 1,000 physical worlds that have the potential of a humanity living on these worlds. 619 are physically inhabited of which Earth is number 606, one of the youngest. As we progress beyond the first three Celestial Heavens, then we start to interact and become knowledgeable of these additional humanities.

Then we progress into our local constellation called Norlatiadek. Norlatiadek consists of 100 local systems, and its home city is Edentia. The Garden of Eden is named after Edentia. Again we go through a process of coming to understand how the constellation works and the peoples that are throughout it.

Then we enter the local universe as a whole, named Nebadon with Salvington being its headquarters and home of the co-regents being soul partners Creator Daughter and Son, Michaels, namely Mary Magdalene and Jesus. It is through the Spirits of Truth of Mary and Jesus that we are guided through all of the Celestial Heavens to Salvington.

From Nebadon then it is our Heavenly Mother and Father that guide us through the next three major sectors of our super-universe being the Minor Sector, then Major Sector, then the super-universe of Orvonton.

Then we progress into Havona and Isle of Paradise, the home of our Heavenly Mother and Father and on completion of achieving understanding of how all the systems work in the manner that we are required to, we become Finaliters. After all, we are truth seekers!

Then what follows is that we then visit and achieve an understanding of how each of the other six super-universes work and how all sever super-universes function and work together.

When fully accredited we will most likely be assigned to one of the newly forming 70,000 super-universes that presently are not inhabited. Finaliters have many optional assignments.

We are truth seekers and through our obtained truth we will be able to assist humanities throughout the emerging universes.

INTRODUCTION to HIERARCHY of SPIRITS of which HUMANITY is a part:

SPIRIT AND MATTER

Each phase of our progression in our personal discovery of truth will open further avenues to truth of an ever increasing and expansive nature. This is our destiny throughout our journey to Paradise, the home of our Heavenly Mother and Father.

Few are able to see clairvoyantly the spirit bodies of spirit personalities, and even then, this capability is when higher level spirit personalities 'turn down' their brilliance essence so as to make themselves visible – making themselves come closer to the density essence in which the viewer is presently experiencing.

Thus, when it is understood that we have a pair of nature spirits, a pair of spirit personality guides and a pair of angels with us at all times, we cannot see any of them. Yet they all can see us. However, the nature spirits may not be able to see the spirit guides but may see some angels, and the spirit guides may not see the angels. Should the spirit guides be Celestial, then they may also see the angels.

Angels do not have wings, and there are many classes and levels of angels. If the angels are from Paradise, then they would not be typically visible to celestial spirits of the three celestial heavens aligned to Earth's humanity. However, the angels that attended to Earth's humanity typically become visible to the spirit personality upon that person completing their Feeling Healing with Divine Love and progresses from the 7th Mansion World into the 1st Celestial Heaven.

A spirit in a higher plane of Earth cannot be seen by a personality within any of the lower planes. This is the same for each progression to a higher Mansion World, then Celestial Heavens and all the way through to Paradise. A higher level entity needs to detune and allow him or herself to be seen in any lower world and consequently each sphere thereof.

Thus, a Bestowal Pair from Paradise would bring with them Angels to assist them and these Angels of such high elevation would go about unseen, fulfilling their tasks, without any other entity being aware of them due to their ultra fineness of energy and elevation in capabilities – unless they allow themselves to be observed!

The PHENOMENON of VISIBILITY:

Firstly, animals do not have a spirit life. Should we need to interact with a deceased pet animal, then a particular class of angel will present as your pet. The life force of all of nature pools their life experience to subsequently become Nature Spirits who evolve to being angels.

Each higher progression of a human mortal consequently becomes invisible to those remaining at the lower level, as it is with angels, though those of the lower level remain visible to the progressing ascending mortal.

In reverse, those spirit personalities descending from Paradise, the home of our Heavenly Mother and Father, need to detune themselves so as to become visible to those in our local universe of Nebadon.

Those on Earth and throughout the seven earth planes have the same visibility progression. Earth, being the densest, is visible to all. But each plane, starting at 1, becomes progressively finer, with each plane above the last invisible to the lower. The same applies throughout the 7 spirit Mansion Worlds that we progress through to enter the first of the Celestial Heavens.

Higher levels can always make themselves visible should they wish to. Spirits and ascending mortals of lower levels may not be aware of higher levels until they evolve and progress.

NATURE SPIRITS

Nothing of nature reincarnates! And neither do we! Reincarnation is a false belief. Zero, zilch! Not even a blade of grass, a leaf from a tree, bacteria or plankton, or ourselves, has a subsequent physical life experience. However, except for humanity, the life force of all of what forms nature, after its sole physical experience, returns to a pool from which Nature Spirits emerge. All of nature is mind orientated. Nothing of nature has a soul, except for humanity which is truth and feelings orientated.

Meet Verna, a Nature Spirit, also known as ‘Lady of the Lake’: “Your spirit is your own unique spirit expressing the light of your soul; our spirits, also uniquely our own, however come from a composite of many other spirits. And in my case for example, and I’m about average, or ‘usual’ – as much as I hate to admit it – I’m composed, for want of a better word, of about five hundred billion creature spirits. So yes, you could say we’re complex on that level. And yet on other levels, we’re considered rather basic, we are after all *only* nature spirits, not great angels.”

“With Verna – a nature spirit” by James Moncrief

As the Rebellion and Default is now technically ending, those who embrace Feeling Healing and Divine Love will open themselves to communication with their Nature Spirit pair. For 200,000 years of the Rebellion, humanity of Earth has been closed to interaction with Nature Spirits. Humanity is truth seeking personalities who are to live through their feelings whereas nature is mind orientated and are to evolve their minds. A Nature Spirit’s next phase of evolution is that of being an angel which then will have many further evolutionary progressions upwards. Angels also step down from Paradise.

WE EACH have a Nature Spirit pair, Spirit Guide pair and an Angelic Pair:

For those doing their Healing or are interested in doing it, will from that time have their own personal angels, spirit guides and nature spirits with them, with whom they are to develop their own relationships should they want to. It is not about 'sharing' the same angels or guides or nature spirits, it is about you relating specifically to your 'own' ones because they are provided for YOU. It's all for you, to maximise the experiences we each need.

We are all to have our own pure relationships. And it's the same, of course, in life with your friends. However over there, in spirit, dealing with Nature Spirits, Spirit Guides and Angels, it's more personal and private and 'JUST FOR YOU'. So, we have our own separate, unique relationships.

For example, Nature Spirit Verna has been assigned to be specifically and only with James, and she ain't going to be assigned to anyone else, so she won't be sharing herself around.

This is SO IMPORTANT to understand; so that in future there won't be all these people claiming to be speaking with Verna or Mary Magdalene or Jesus or Nanna Beth or anyone else who is part of it all in such capacity. Mary M and Jesus have spoken with James as they have, making it quite clear he is the only one they are speaking with.

We each have a band of a Nature Spirit pair, Spirit Guide pair, and an Angelic pair, each pair being in their 'soulmate' relationship. Even though we are ascending mortals having a soulmate, even our soulmate has his or her own group of six personalities assisting him or her. Our assigned Nature Spirits do not continue with us into spirit, our Spirit Guides may for a time assist upon entry to the spirit Mansion Worlds. However, our personal Angelic pair continues with us to Paradise, and then even possibly being with us throughout eternity.

Feelings! first

In a way, each person's Indwelling Spirit, which is really God, is contracting out the work needed to be done with you to other agencies. So to us spirits, the angels, the nature spirits, other elements under the Divine Minister's control, and even other non-humanity spirits, all of which end up doing increasingly more amounts of what your Indwelling Spirit does. And this 'outsourcing' is to affect greater personality interaction, increasing your experiences so they are maximised through interaction with different personalities rather than just relying solely on God. Overall, we are to become increasingly at-one with God, but we are to do that by becoming increasingly immersed in the experience of being with others.

Nanna Beth, John's grandmother – 3rd Celestial Heaven: 25 December 2018

We each have a band of a Nature Spirit pair, Spirit Guide pair, and an Angelic pair, each pair being in their 'soulmate / soul partner' relationship. In addition we have our personal Indwelling Spirit.

CREATION of SOUL and SPIRIT:

God is *The Paradise Trinity* — the eternal Deity union of the Personalities: the Universal Mother and Father; the Eternal Son of Truth; and the Infinite Daughter Spirit of Mind.

The soul of each human personality (sons and daughters of truth) is existential, driving our personality expression in the experiential. The soul of each human finds truth by embracing one’s feelings and longing for the truth of them. We are to attain the Eternal Son of Truth. We are a creation of Truth.

The soul of angels is experiential, evolving through their experience by continually progressing in mind development. Angels are to attain the Infinite Daughter (Spirit) of Mind. Angels are a creation of Mind. Our soul is duplex (we have a soul partner) and is created by our Heavenly Parents. Through our Feeling Healing we perfect ourselves, enabling the union with our soul partner, as we progress in truth up through the Mansion Worlds, Celestial Heavens and all the way to Paradise.

The soul of angels is also duplex, yet of the mind, and they progress in mind evolution to Paradise. Animals, plants and nature spirits are also creations of Mind.

Neither we nor animals reincarnate. We never die; upon death, we move into the spirit Mansion Worlds on our journey to Paradise. When animals and plants die, be they the tiny microbe to the mighty elephants of the land and the whales of the ocean, their spirit energy returns to the Spirit Collective Energy. And from this energy are drawn other animals and the nature spirits, who then in turn move onto becoming angels through increasing mind experience.

A nature spirit is an angel in waiting.

Lady spirit in the 1st spirit Mansion World having died 3 months earlier in May 2022

Saturday, 27 August 2022

Lady Spirit: Yes, that's right... and Zainta and Zain (Angels) are in their usual positions at the foot of my bed, and oh, there they are, two smaller Angels standing on my bed in front of them. They are a man and woman, although more like a boy and a girl about fifteen years old, and about half the size of my Angels, twice Verna's height (Verna is a Nature Spirit). And their names are... I can't grasp them, or not translate them into English, they more like sounds, his starting with an E, hers a V. So I'll call them E and V, that's easy, they are smiling and nodding happy with that too.

James: Can you speak with them?

Lady Spirit: I'll try, Hello V, Hello E.

V and E: Hello 'Lady Spirit'. We're pleased to meet you, and pleased that we can come and be with you now along with Zainta and Zain.

Lady Spirit: Why couldn't you come before?

V and E: Because of the Rebellion restrictions. But now you've asked for us, we can come and be with you. But don't worry, we won't bother you, we'll only come specifically if you want us to be with you; and we can come at any time, so if you want speak with us, call us, and we'll be with you.

Lady Spirit: Okay, I'd like to do that.

V and E: Good, as we'd like you to. We'd like to speak with you whenever you want, and about whatever you want, we're not fussy.

Lady Spirit: Would you mind if James asks you some questions through me? They both speak at the same time.

V and E: Not at all, we'd be delighted.

Lady Spirit: Okay James... So are you both cherubim, or is one of you a cherubim and the other a sonabim, and what's the difference, if you are different?

V and E: We're both cherubim, sonabim are lesser of us lesser Angels, we're more advanced, although not that much. Sonabim are with people who don't have an appointed Angel pair personally with them at all times like Zainta and Zain are – they being seraphim. The sonabim come from the Nature spirits and evolve into being us cherubim, and then we evolve into seraphim, all happening at certain times of our mind advancement. Verna will become a cherubim, but because of her mind development, quickly move to being a seraphim. And you understand there are us Angels evolving, originating, from animals, to Nature spirits, then to sonabim, cherubim, then seraphim; whereas other seraphim are instantly created coming into being.

Lady Spirit: Okay. And James says The Urantia Book says one of you is the recorder of all we spirits do and say –

V and E: We take it in turns, depending on what Zainta asks us to do, she being your Angel who takes care of your record. As the book says, we're reading James' mind, Zain is technically the guardian, and Zainta the recorder, so Zain takes care of, or coordinates all your protection, that being from unwanted spirit intrusions; no Angels or Nature spirits would dream of intruding because we of Mind creations are far more respectful than some of you wayward spirits. And then within the guard, that protection, Zainta organises the personal details concerning you, including recording all you say, think and do, so

all your words, thoughts and deeds, including all you do with your diaries, all you think to James, all you say to Idra and Michelle and anyone else, and all you think, wonder, imagine, ponder yourself. She ‘takes’ it all from you, and then passes to us and we keep the records of all you experience.

Lady Spirit: And how do you do that, that’s a lot of recording you must have to keep?

V and E: It’s easy for us, it’s all done with light in our mind, so like you have your supercomputers with massive amounts of data storage space, so we can store massive amounts of your life experience, so nothing is lost, it all being readily available to you should you need it. So we can recall for you, any thought, work or deed you live at anytime, however you’re not granted open access to your own records through us until you’re of a Celestial level of truth. Being in the Rebellion and Default prohibits our being able to allow you access to our records of you. And when you become Celestial, then you’ll no longer need us, and so our records will be passed back to Zainta who will keep them all the way to Paradise. She and Zain are always paying attention to you, nothing you do, say or think escapes them, they are constantly ‘wired’ into you. When Zainta goes for her rest, we take over, and Zainta takes over being your guardian when Zain goes for his rest time. Zain records when Zainta rests. And they pass their ‘recording’ of you to us.

James: I’m sorry typing so slowly, do they want to speak faster Iza B?

Lady Spirit: I’m talking with them as they are sending it through to you to type. I think I’m actually talking to V and you to E, although I’m hearing also what E is saying to you. But I hear it quickly then V says other things to me, whilst E works it through with you James. Yes, they are saying that’s what’s happening.

James: And you’re okay still sitting up against your wall on your cushion seeing them?

Lady Spirit: Yes, no trouble, I feel like I could sit like this all day with them. They are saying they will come to me separately, and in my mind whenever I want to talk with them, or I can tune into and see them like this, they being now allowed to come to me without Zainta and Zain being always present in their official positions as they are now standing at the end of my bed.

What else did you want to ask them James?

James: They’ve answered all I wanted to ask, they’ve been reading my mind obviously. Is there anything they would like to tell you – us?

Lady Spirit: I’m asking them... and they are saying that you’re to understand that not all that’s written in The Urantia Book (TUB) is appropriate for Earth and it’s associated Mansion Worlds because so much of what would normally happen on non-rebellious worlds is out of kilter on our world.

James: Yes, I find that difficult about the book, having to try and work about what applies to normal worlds, I wish they would always qualify what they say, saying this is how it is for normal worlds, and this is how it varies or it’s different on Earth owing to complications of the Rebellion.

The book (The Urantia Book) says that when we die we can expect to wake up in the Mansion World with our Angels there to greet us and be with us through our time in the Mansion Worlds, as well as being able to effortlessly hear and relate to our Indwelling Spirits, and yet nothing I’ve read from the Mansion Worlds has said the spirits can see and be with their Angels. It’s not how it’s been for you Iza B, no one in the Mansion Worlds from what I understand instantly sees and is with their Angels upon waking up in spirit from Earth, so that must happen on perfect worlds, and not to us because of the Rebellion preventing us from having that close and personal relationship with our Angels until we’re free of it and Celestial.

V and E: A case in point, you being right James, that applying to a normal non-rebellious world. Along with the book saying that such mortal spirits love to work with and assist their Angels, just as their Angels love to work with their spirit they are looking after. Which had up until now only happened for Celestials, but because the Rebellion is ending, so someone like you can have a personal relationship with her Angels, more in keeping with what the book says. And to confuse matters further James, because things are changing quickly as the Rebellion ends, so things you might have read and even been told earlier on in your writings, may no longer apply, things having moved on in keeping with the Truth of the Rebellion coming to light.

James: Ha, that's just it, that is what we are all to do through our Healing, bring the Truth of the Rebellion and Default to light! So expose the whole darkness, the whole hiddenness of them, they being kept secret from us, because if we knew openly about them, we might not want to rebel against the Evil Spirits controlling us. Thank you V and E for helping me see it that way around.

Lady Spirit: They are both shinning with light James, so happy and very pleased in being able to help you understand things a little more. They have both moved to sit cross-legged on the bed, and Zain and Zainta have moved away to their usual positions.

I'm asking them if I can touch them.

V and E: You can try...

Lady Spirit: V is crawling to sit right in front of me, she's reaching out her hand and I'm putting my hand in hers and it goes right through her hand. Okay, so I can't touch them, not that I thought I'd be able to. She's now saying for me to hold my hand in hers, which I'm doing, and now she says she's going to give me the sensation of my being able to feel her hand, she doing it by adjusting my mind's perceptions... Yes, I can feel it now, or sense I'm feeling it, it's a very gentle feeling, contact with her hand, and I can squeeze her hand a little... she's smiling at me. I'm letting her hand go and she is crawling back to sit next to E.

And I'm asking them where have they been up until now... and they are saying, hidden in the Angel plane, so with me, yet not so I can see them, they being in a special part of the Angel plane, like a plane within the plane, and one in which I'm not able to see into. But now as they are in the regular Angel plane, I can see them. And they say they are so happy no longer having to hide and keep themselves secret from me, so I'll always be able to see them when I can see Zainta and Zain.

Wow James, so now I've got two more Angel friends.

They are so happy James, beaming with Angel light, so happy they have been able to meet me at last in person. They know all about me, having been with me for all of my life, as have Zainta and Zain.

James: And that's another question I was going to ask. The Urantia Book (TUB) says we start off with one Angel pair that oversees large groups of us, and it's when we attain the third circuit that we get a personal pair appointed to us, and yet my and your Angels say they've been with you all along.

Lady Spirit: They are saying again that applies to normal worlds. And in the case of Earth, if a person is going to achieve that degree of mind and spiritual advancement during their childhood, they will start with an Angel pair from their conception. Humanity being quite mind evolved now yet still lacking spiritually, means potentially a lot of people can have their personal Angel pair with them for a lot of their Earth life and then into their mind world or Healing world life in the Mansion Worlds. People who have a more higher spiritual yearning, even if it's mild yet does influence the whole of their life and how they view things, which is how it was for me, or how I was, and knowing that I would start my Healing

and so require the attention of personal Angels throughout my whole life, meant I was granted my personal pair from conception.

James: Yes, The Urantia Book (TUB) says we need our Angels, Indwelling Spirit, Holy Spirit (Divine Love), and the Spirits of Truth to unite together to allow us to grow in truth, with our Angels coordinating the outside union, our Indwelling Spirit our inside union of these spiritual agencies.

EXPERIENCES

Sunday, 4 September 2022

Lady Spirit: We are a soul James, but we need such inner and outer help for that soul to fully express its two personalities in life, so as to have all the desired experiences in Creation we need. And we are to remember that all that's happening to each of us, is also happening in direct harmony with all that's happening to our soul-mate, even when we're completely removed or apart from each other. My soul-mate will be living all he needs to express, all so he will be as he will need to be, when we meet, just as it's the same for me being with him. So we're on a parallel course heading toward our full union when we've both finished our Healing. So each other's Indwelling Spirits are in constant communication with each other, as are our Angels to a lesser degree.

Monday, 5 September 2022

James: What are some of the experiences they've had with Mary, and what work did she ask them to do?

Lady Spirit: And this is where it gets difficult James, I am forbidden to tell you. And I asked Idra why, and she said that we've all got an 'amount' of life experience to be lived and so for us to comment on should it be required. So I have my amount, as you have yours, James. And we can't go outside that amount. And so your amount doesn't include such information from me about Mary and these other spirits, that amount of information is for other spirits who will live on Earth to be told by spirits doing or having done their Healing and are privy to share such stories and accounts of spirits with Mary. So it's not for you James, you can't be told everything you might like to know, because that information is to come to Earth is earmarked for other people to receive from spirits. And where you to get it all, you'd be denying them their experience. So there are things I can tell you, which works within the amount of truth, information and understanding you are to receive from us spirits, and then are other things I can't tell you.

INDWELLING SPIRIT

Sunday, 4 September 2022

James: I would like to know more about how they work with your Indwelling Spirit creating your vision experiences –

Lady Spirit: Zain (one of her two Angels) is saying that they work in response with my Indwelling Spirit. It knows and determines what I need, what vision, the whole experience that's to be carried out by Verna or my Angels, and really every experience I need to live in life. So it's just like my Indwelling Spirit making up a dream, it can in a way make up my whole life for me on a mind level if that should be required, it's a master of creativity, and it has access to every mind circuit, which includes feelings and my will, and it can control and manipulate my spirit and physical body (when I was living in it), it being a way in which the Mother and Father can take full control of their creations if required. And then our Angels play whatever role or part they're required to do. Our Indwelling Spirits work from the inside of us out, our Angels work from the outside in. So we Angels might be called upon to create certain images in your mind (he's talking to me now), add words and senses, even stimulate feelings, all in conjunction with the help your Indwelling Spirit needs, which is with most things it's doing for you in your life.

We don't understand, Zain is saying, that every moment of our existence, our Indwelling Spirit is intimately involved with us, and then in tune with our Angels adding their continual support. We wouldn't live above that of primitive man if we didn't have our Indwelling Spirits and the Angels with us, so they are a very important part of our lives.

It's hard to come to terms with us not being just ourselves, that we've got all this added help helping us (that's me saying that James, which I know you know as you can sense it, but the reader might not pick that up).

Zain says it's good, our knowing about such involvement, however we'll never fully comprehend what constitutes their involvement until we're at least of a Paradise level. When we attain Paradise, our relationship with our Indwelling Spirit changes yet again, and it takes us onto and into much deeper levels of connection with it, all of which we are to express as our knowing our Mother and Father. And once at those levels, we start to live and become consciously aware of, then we'll be able to start to relate better to how our Indwelling Spirit and Angels work being aligned with our personality expression.

We are a soul James, but we need such inner and outer help for that soul to fully express its two personalities in life, so as to have all the desired experiences in Creation we need. And we are to remember that all that's happening to each of us, is also happening in direct harmony with all that's happening to our soul-mate, even when we're completely removed or apart from each other. My soul-mate will be living all he needs to express, all so he will be as he will need to be, when we meet, just as it's the same for me being with him. So we're on a parallel course heading toward our full union when we've both finished our Healing. So each other's Indwelling Spirits are in constant communication with each other, as are our Angels to a lesser degree.

So, I'm asking Zain if he and Zainta have much to do with the Angels of my soul-mate... and he is saying that they do have a little, not that much, but it will increase with time as I progress in my Healing... and that's all they are going to tell me. So I can't get anymore out of them about him.

NATURAL SPECIES

Sunday, 4 September 2022

James: One other thing, I forgot to ask my Angels when I was writing with them, and it's a different subject, about there being certain concentration points on the Earth which are like 'nests' for species. I was watching a video about a coral reef on the southern end of Lord Howe Island and it's where the warm northern water mixes with cooler southern water and the corals and fish are all different to the warmer water ones and shouldn't be there because the water is cooler, and the cooler ones shouldn't be there because the water is warmer, and yet they are all mixed in together. So am I correct in thinking that such 'nests' of species, for want of a better word, or cradle, exist, so when the Reversal happens and the climate and oceans change, those intense specie places can seed the new reefs and waters.

Lady Spirit: I'll relay through to you what Zain is saying –

Zain: That's correct James, specie hotspots you might say; and with the concentration of different species, it then becomes easy for us Angels together with the Nature spirits to ensure their safety through the cataclysmic times, all so they can reseed the new world. Before the Reversal and sun's Nova, we Angels, those Angels attending to such matters, along with the Nature spirits, will also contrive in one way or another to move members of certain species into concentrated areas so they can all be protected at once. Enough remnants of species are maintained protected by the Angels, enshrined in Angel light, so as to provide the new world with the Nature it will require so as to serve the needs of surviving humanity. And as you have been told, if need be, if the environment becomes simply too hostile for life, members of a specie can be removed from the Earth for a time, put into a state of suspended animation you might say, which is like an Angel induced hibernation, then to be re-materialised back on Earth when the conditions are again suitable for life. So we can protect and leave species on the world, or remove them for the required time. Also they can become extinct on the world because of the extreme weather changes, and from solar impact from the heat, dust and radiation, yet they are not extinct altogether, with representatives of those species being 'kept' in the Nature spirit plane, then to be re-manifest on the world when required. So a specie might become extinct now, naturally or through the unloving hands of humanity, but if that specie it to be a part of the flora or fauna to serve humanity in the next Reversal Age, suddenly members of that specie will reappear on the Earth.

You must remember James, that all of Nature has a spiritual component, so all the plants and animals, all life on Earth, has a spirit body associated with the physical body. And so the physical body can become extinct on Earth and yet the spirit form will live on, living on in the Nature spirit plane, and if required under special circumstances, the Angel plane, then to be materialised at a later stage back onto Earth. And if they are not to live again on Earth, then to either become extinct completely, so removed from the earth planes, or passed through to the mind spirits in the Mansion Worlds, as surely someone there will want to keep all such life going to some degree as a reminder as to what was once on Earth. So you have your Dinosaur World, even spirits interested in maintaining all the microbes for posterity, as a part of the spirit heritage of the world.

So some extinct creatures and plants will reappear on the world during the next Reversal, others will go permanently, however there won't be any extinction event this time around as severe as the last time when the bulk of the larger mammals went. And it wasn't just the larger animals, but a lot of flora and microbes also became extinct last Reversal. Some Reversals are high extinction events, some high new specification events, and some are both at the same time, and some low extinction and new specification events. The Dinosaurs, contrary to popular belief, didn't all suddenly die out because of a large meteor or comet hitting the Earth, such impacts did occur and did cause a lot of damage, however it was the Reversal times that caused the major extinctions. Your methods of dating time are not specific enough to delineate the actual years of extinction, which if you could would show you most of the extinctions and new specification happened at Reversal times.

And you are to understand James, some Reversals are more dramatic and catastrophic than others, some cause major land movements, subsidence and upheaval, other times involve more localised devastation, which can still be over large areas, some less intense, although all relatively speaking are very damaging to the world, and life wouldn't survive were it not for us Angels.

And that's the most important part for you to understand James, just how significant we Angels are for the survival of life on all the physical worlds, which without us Angels and our Nature spirit offiders, there'd be no natural life, we controlling and orchestrating it all from our earth planes in spirit.

James: So there are Angels specifically devoted to attending to Nature on Earth?

Zain: Yes, they overseeing the Nature spirits and doing all they are specifically required to do. There are other higher spirit and mind agencies that are employed to maintain the wellbeing of such material worlds, so they keep surviving in Creational space, and they work in league with the Angels, however it's the Angels there are given the responsibility of looking after the natural worlds.

James: Thank you Zain, I'm slowly coming around to understand, it's just hard when we don't see any obvious proof of the hands of Angels and Nature spirits in action.

Lady Spirit: He's saying the proof James you see every time you look out at your garden seeing the trees and birds, rabbits and wallabies, bugs and flies in the air – Nature. It wouldn't be there without the Angels and Nature spirits, however they know what you mean. You take Nature for granted, and you don't know what the world would be like if the Nature spirits and Angels influence was withdrawn or interfered with. Still, in time James, they are assuring me, and you will know, as you will see such interaction and specific involvement, they will show you, so you will know – once you've finished your Healing. And it's going to be important that you do know for sure, because you'll need to be confident in what you say to people when the time comes. However, that is still a little way off yet.

ANYTHING that has LIFE, WE can COMMUNICATE WITH through assistance

Monday, 29 August 2022

Spirit Lady: James, the table was bare when I arrived other than for Verna herself, and now suddenly there's a dark-green bottle of wine, perhaps, and a small wine glass for us both. Verna is pouring out some of the dark liquid and I'm lifting the glass to my lips and sipping the spirit-wine... and... oh wow James, it's beautiful, luscious, and gosh, it's going to my head making it feel like its filling with light... Verna is smiling at me, she's not saying anything... but somethings happening to me... it's like my mind is expanding in some way... everything is getting brighter, it's like I've sipped a drug and it's altering my senses... it's a good feeling, gentle and it's still going. And so much better than her waterlily mud tea!

Verna (Nature spirit): Look at the trees and say hello to them –

Spirit Lady: I am James, and oh my god, they are all saying hello back to me! Oh James, it's wonderful, it's like I'm being drawn into their world, the world of the trees and plants, that of the green forest, like they are taking me to their bosom, into their heart, and like I can feel their love and warmth for me, that the trees and plants love us James, they really do, and they love it when we love them back in return, that they are in a way just like us, they are creatures, they even have feelings like we do in a way, I know I'm projecting myself onto them, but they are saying that it's true, not in words, but in feelings, a knowing coming to me, like I knowingly can relate to them, can be a part of their world; and like all the creatures of nature, they are all for us, of service to us, they want to give us all they can, and that we are to use them, to take what they are offering, but respectfully, not abusing them, not without thought and consideration, but lovingly, that we can live in the forest and cut down the trees and make what we will with them, they are given to us to be of use, and we can plant other trees, and we can nurture and love them, whether we use them or not, and they love knowing we love them, that we want them, we love having them as a part of our lives.... wow James, it's a such a magnificent feeling, feeling at-one with them, like I am their leaves, in their veins, in their trunk, being the strength of their trunk holding them up, their branches and leaves reaching for the air and sky, their roots wanting to go into the centre of the earth... and there's energy James, it's moving from the earth into them, up inside them, and out into the air, and then more energy coming in from the air through their leaves and back down their trunks and into their roots and out into the ground. And James, I can sense all the other creatures, even the microbes that are in the soil around their roots, they all being one big happy family; and then on the trunk, all the mosses and lichens, the fern, the little creatures living in them all, and up in the branches; the microorganisms all over them, the little and big creatures... and birds, lizards; so many birds, every time a bird lands in the tree the tree feels such pleasure with the bird having chosen it to be with... it's all so personal James, so loving, all interconnected, all the creatures and plants, all of nature being one big family, all living their personal lives; and alive, they are so alive, vital with life force, the spirit of life flowing through them, embracing them, they are not just unaware trees, lifeless other than their physicality we can see.

Oh James, we miss out on so much, god, imagine if we could relate to all the plants like this, personally, even getting to know each tree in a personal way, there is one large tree over there on the bank, and I feel drawn to it, like it is my personal friend, or a tree I can befriend... and I sort of sense, it's a strange feeling, like it's asking me to name it, to befriend it, to come and visit and be with it, talk with it, even... and I would love to, I would call it Anne, I have no idea why, and I would love to visit Anne my friend the big tree on the side of Verna's Lake.

Oh boy James, I feel like I want to be taken away into the jungle to be with the plants, to live with them, to even in some way be one of them, to merge with the love of them, their spirit and vitality, I can understand why some people want to hold and hug a tree, and that the trees would love that if the person is truly sincere about it... And I can relate to the more native peoples being more in touch with nature, possibly like this, even them eating certain plants and fungi that might give them experiences like this, allowing them enter literally into the world of plants, to resonate with them, flow with them, moving up

and down their large trunks, share life with them, living your whole life with your tree friends, getting to know and love them as they are with you throughout your life, telling them all that's happening in your life when you visit them, feeling a deep earthly connection with them, with all life through them, like they are primary life, it all starts with them, they being the homes to all other life, and from what all other life flows from.

Verna has taken one of my hands in her hands and I feel like I'm coming out of being absorbed in the forest; no, they want me to call them the jungle, okay, sorry, I'm coming out of their jungle and back to looking at Verna who's warmly smiling at me... and I feel like my time with the jungle is ending, I'm coming back to my normal senses... yes, I'm back... oh boy James, I feel like I've been off on some incredible journey, no time, only the warmth and acceptance of the jungle, all that beautiful green, all so loving and nurturing.

Thank you so much Verna for giving me that experience, I've never felt anything like it; and yet strangely it seems familiar in some way, as if it's what I wanted to do when I was very young, wanting to off into the garden, the forest, to be absorbed into it, to float away feeling loved by it.

Verna: It was your Angels giving you the experience, I wanted you to relate the jungle on a more spirit level, so you can experience the life in everything, that it's more than just on the physical level, that there are other higher unknown levels people can experience and relate to, relating to all the natural life about them, that which people in the next Age will be able to do once they've done their Healing, those people who are open to such psychic experiences.

Verna: Many babies and young children are aware of such spirit levels, yet quickly have to leave them to deal with growing up in their families who themselves are shut off and disconnected from such levels of existence and awareness.

Verna: This is yourself, what you are feeling, it being manifest about you in the jungle for you to experience. It is real what you were feeling relating to the jungle, but you can only relate to it in the jungle by relating to it in yourself, so nature, the jungle, is within you, we're all of the same spirit essence being manifest in our different ways and personalities, so we can all relate to each other, all help each other to get to know ourselves...

OUR HEALING

Tuesday, 6 September 2022

Our Healing is only the start of understanding the truth of ourselves, and so the truth of our mind and feeling relationship, and that we have the rest of our ascent to Paradise, and even after that for the rest of eternity. And as we're all different and all children of our Heavenly Parents, we all need to be different so we can all relate differently to each other and to Them.

NATURAL LOVE and DIVINE LOVE

Mind-Love is of the Rebellion and Default – misleading AND misled!

Spirit-Love is of our Soul – our Soul is always of Truth, always the same and perfect!

TRUTH IS ALWAYS THE SAME!

It will still be a long time before the majority of humanity start to connect with the truth of their soul and come to understand and so appreciate what the Avonal Pair will have done for them.

There are, as you know, two major and very different ways of living: the Mind Way and the Truth Way. And the Mind Way is all of the Rebellion and Default, rebellious, evil and wrong.

Everything is being turned on its head, what is right and true, we being so deluded and messed around, we don't and cannot know.

Everything is to change, changing is commencing to unfold, and leadership is confused as they are resisting the inevitable change yet they cannot interfere with what is to change and that is everything!

Ten ducks in a row, but one always misleading or misled!

When the truth comes out, so does the pain.

TRUTH, in white, is to lead the colourful mind to the truth of our feelings:

Our mind is to be in service to truth, our truth, being our feelings!

Our mind will develop in accordance with our truth, so as our truth evolves, so too will our mind, and that because of that everyone can understand all they will need to, that no one, not even the simplest mind is left behind, because the mind is in service to the truth, and the truth looks after the mind, grateful for its service to help understand the truth. So the mind evolves allowing it to keep up and abreast of all the truth coming up within oneself.

As we grow in truth, and so with that higher truth we are able to look back at our self when we were of a lower truth. And as our mind has come around, in a way we can say it's accepted its new position, being in support of our new truth by giving us increased understanding, given up some control, and is agreeing with us that it is better this way.

Ultimately all ten will be of truth, of Celestial soul condition in their own truth with their feelings leading the mind.

True liberation is allowing yourself to feel all your feelings wanting to fully express them with the emotion of them, all as we want to bring to light the truth they are to show us about ourselves.

Psychic Denial Psychic Distraction Psychic Relationships

Question: Can there actually be true or genuine love within a Spiritual Rebellion that's against Truth... and so against Love? And if there can't be, then what is what we feel so strongly as love; and is it only something we're making up with our minds based on our beliefs, on all we experienced through our childhood. Do we say that is loving relative to that not being loving, I feel a good feeling, so that is love, whereas I feel a bad feeling, and that is not love? We are to find the Truth of love, all the way to Paradise.

And so being conceived into a Rebellion, are we to assume that as we can't grow in truth, as we're denying it, then without truth, we can't know the truth of love. So can we make love be whatever we want it to be? Does it follow that there is perfect Natural love, and so if you defile or corrupt or interfere in some way with that perfection, then as it's no longer perfect, so there is no longer perfect Natural love, so no love. Or can we live with imperfect Natural love, which we are doing being of the Rebellion, and so within that imperfect Natural love, there are still levels of love, only they are not as true or perfect? So are we able to live with our children imperfect Natural love equal to the first world (that is up to 499 on the Map of Consciousness), and as we move up the worlds, we are purifying our imperfect rebellious Natural love, perfecting it when we are fully healed?

There can't be any true love whilst we are rebellious. So are all our so-called love feelings are contrived by our wayward mind?

So why are we rebellious, and what is love within a Rebellion? It's a Rebellion against Truth, and so does that mean it's also a rebellion against love?

Can you have one without the other? Can we all be evil because we're living denying the truth of ourselves, Nature and God, and yet still be loving? Can we be lovingly evil? The two don't seem to go together. Evil and Love are opposites... aren't they? And yet we have a loving Heavenly Mother and Father, or at least we're told by Mary and Jesus They are loving, and yet They have created evil and made us be conceived into it, They want us to be evil and untrue, and so unloving. So can we be loving whilst making someone be evil? And if God is not loving, then is God evil? Or is God so loving They can give us the experience of feeling completely evil and being unloving, feeling totally unloved, and yet we can heal ourselves of that with Their Love when we are brought to light the truth of our unlovingness. And I know, it's all mind stuff, and yet at some point these are all notions we have to consider for ourselves in one way or another. I wanted it all to be black and white, simple and straightforward: if you're evil, you're not loving; and yet, we all being evil, yet, so it seems, experiencing also some level of love. So if we're all evil being of the Rebellion against Truth, can we still experience some level of love within our unlovingness, because love is simply an attribute of our personality?

What is known however, is that the only way we can sort everything – ourselves – out, is by growing in truth, and then as our truth evolves, we can know as part of it, the truth of love, so the truth of all we know and call love. And that until we're completely true and of a Celestial level of Truth, fully healed of and free of the Rebellion, we won't know the truth of love, or the truth of anything for that matter.

So it always comes back to our feelings, because they are the way for us to uncover the truth of ourselves. We need the truth to see and know the truth of things – of ourselves, of everything. And we all know that, yet we need the Truth that comes to us from our Mother and Father in our soul as we're longing for it through our feelings, which will evolve us to the levels of perfection so we can know what truly is right and wrong. So we won't know the truth of the Rebellion until we're fully healed of it.

So all we can do is keep going attending to our feelings properly, which includes longing for the truth of them. The truth they are to show us about ourselves, Nature and our Mother and Father. So in time, and once we're Healed, we'll know for ourselves if our Mother and Father are truly loving, as Mary and Jesus said. And we'll know, by They being all-loving, They subjected us to an unloving Rebellion, to a state of being in which we lived rejecting Them by default as we lived our untrue lives.

The truth will keep coming up within our soul, and our mind might be all over the place, so confused, and yet in the end it will all get sorted out. It may be stressed that just keep expressing every bad feeling, and as the truth comes, we will know what is true and what is not. And we don't have to think about it, although we will, because that too is all a part of it, but it's the truth we need to come to light within ourselves.

It's terribly difficult, because we're setting out to bring to light the truth of our being of the Rebellion, and as the rebellion is all about rejection and not feeling loved, so it's the truth of all our rejection and not feeling loved that we are having to deal with.

People who 'fall in love' and then some time later hate each other... what was that so-called love? Because surely if it had been true love, it would remain – everything that is true and of the Truth will remain, whereas all that is untrue and not of the Truth will go, cease to be at some point, which is when the light of truth will be shone on it. So was that falling in love, love, false love, a contrived fantasy love, something their soul generated to bring the two people together so they could have a close 'in love' relationship for a time, then to separate them as it all fell apart, all so they could start to learn more about the truth of love, and the truth that that love wasn't true at all?

And then it is the same with our souls bringing us together to have children, to love and feel loved by them, and then later in our lives we go our separate ways and with no love between us, like with our father and/or mother; and so once again, is that all to help us work out what is the truth of love, was that true love when we loved our children so intensely and when being children feeling so loved?

A truth of the Rebellion, is that it's not loving, there is no love in it, it being all falseness, lies, and untruth, because that's been an experience of it – being totally unloving and feeling totally unloved. And anything that may be called love, wasn't love, it was all just a fantasy love that may have been wanted to be believed as love. Love made up in the mind based on a person's beliefs.

All of our lives, like all we do in the different periods of them, whilst of the Rebellion, are all fantasies we're living out. And so we keep going, like with any family fantasy, until it runs out, we're fulfilled by how much denial we have lived within it, that we can't live anymore, so our life changes for us to live out our next mind fantasy, or when we are ready, to start the Healing phase of giving up all of that, that being when we've lived our denial of truth to its fullest.

THE MIND WAY ** MIND-LED LIFE **

We are to move from our mind way to a feeling way of life within our rebellious and untrue state. We are to live truth to our being untrue, knowing and being the truth of why we are untrue.

GREAT U-TURN

Living True to Ourselves

LIVING TRUE to OURSELVES

We are to live truth to ourselves through ALL our feelings. We are untrue.
We are to live truth to being untrue. We are to stop pretending we're true.
We're to admit we're full of shit; and be as full of shit as we are.

God made us be rebellious and untrue, so we are to live being rebellious and untrue, not trying to not be as God made us. And we are to live true to being fucked, until God transforms us and changes us into being true and loving, ending our rebelliousness.

With all of us having been incarnated into a truth-denying rebellious world, we are to live true to how untrue, false and unloving we are. We are to stop using our mind to pretend we are true and loving when we're not.

We are to fully embrace, through our feelings, the truth of how wrong, bad and evil we are. And through our Spiritual Healing we are to fully accept how rebellious we are, living and being it. And knowing how being rebellious (being of and in Rebellion) makes us feel.

We are not to use our mind to pretend we are true; that we are loving, caring and sympathetic, as we're not those things.

Being of Natural Love we experience love through our mind. And so being in an imperfect state, some (if not all) of **our mind love will be false and untrue.**

When we have been transformed into our true Divine Love state having done our Spiritual Healing, then all the love we experience will be through our heart and soul with true feelings and no longer with our mind. With all love being true and based on the Truth.

We are to find the Truth of Love

Our Heavenly Mother and Father

Natural Love and Divine Love

Tuesday, 30 August 2022

Spirit Lady: Please my Healing Mother and Father will You give me Your Divine Love, and please can I speak to You both as James wants me to. I'm longing for their Love... Zainta and Zain (Angel pair) are remaining in their usual positions... and I'm trying to relax, however my mind is racing all over the place, I don't feel very focused James... but Their Divine Love is coming into me, gently, and that feels a bit better... are you there my Mother and Father?

Mother: We are always with you, you only have to ask and you can speak with Us at anytime, simply long to speak with Us, and speak. It's not that difficult, We are not so removed from you, We are with you, completely involved very personally in every aspect, every facet, every feeling-experience of your life.

Lady Spirit: I love you Mother... I love feeling You close to me, I wish I felt You close to me all the time, I hate it when I don't feel You loving me.

Mother: Your Father and I are with you all the time, and We are loving you through your Natural love all the time, however We can only love you a little with Our Divine Love, We can't love you more than the truth of your soul, We can't love you ahead of your truth growth, We can only love you more with Our love as you grow in truth, because the growing in truth allows your soul to be loved by Us so you can feel Us loving you. We can't love you with Our Divine Love separately from your truth, your truth is the truth of your soul, you are a Truth soul, and so you need that truth for Us to love you. We love you for the Truth that you are, so We can love you more with more truth in your soul, which really means you can feel Us with that truth, loving you. We do love you fully, from and with a Paradise level of Love, but if We were to allow you to feel that intense Paradise level of Our love now, firstly you'd simply not be able to feel it anyway because your truth is so limited, and secondly We'd damage your soul by over-loving you, by allowing you to feel too much of Our love.

Whilst you're living in your rebellious state, you are living against Our love, which we want you to do and experience, and so because of being anti Us, even more so We can't over love you because you're rejecting Us, and for Us to simply override that rejection of Us and make you love Us, would be Our disrespecting of you.

So We have to take it step-by step with you, gently, and you will have a lot of anger and hate for Us as you move closer to your evilness, and all of that will need to come out of you, which will unblock you and allow Us to come closer and so love you more as you grow in the truth of yourself.

Lady Spirit: Thank You Mother, I can understand that.

Mother: And as you also understand dear girl, keep expressing any bad feelings to do with Us, anything at all, any worries, any anger, fear, guilt, keep bringing it all to light, it's very important that you understand it all, relate to it all within yourself, see why you're feeling such bad feelings. We want to you to understand the whole truth of your rebelliousness, you have to see why you are not feeling fully happy and loved, what went wrong during your childhood, what negative beliefs and behaviours you were subjected to, and how they have fashioned you into your unloving state. We have subjected you to the Rebellion and Default for very specific reasons, which over time We will make known to you, and as the way to the Truth of yourself has now been made known to you and you are indeed on your spiritual path, so through the Truth you'll in time come to understand.

Lady Spirit: Mother, I worry that I might not be doing my Healing in the right way, how You want me

to do it –

Mother: You have nothing to worry about; however as I said, express such worries wanting to uncover the truth of them, but know it is naturally that you have such feelings because you can't know the way, you don't know how you are meant to feel, so keep going and you'll be led through your soul, We will see to it that with time you see, feel and then know, you are on the right track. And you have a lot of close help with you, Michelle will not let you go astray and wander off the path, she will work to keep you true to your untruth, she has a lot of experience guiding her, so will do all that is right.

And it is important that you feel you might be wrong, heading in the wrong direction, going against yourself, making things harder for yourself, complicating things that you believe shouldn't be complicated, or making things to simple when they are very complex. All such worries and concerns are very real, and you should expect to feel them because these are again all the feelings you felt through your early life.

All you feel is all you are meant to feel, you can't feel feelings you are not meant to feel. Your feelings are yourself, they are what you are made up of, and they are all within you with many of them waiting to come out because they should have already come out long ago when you first felt them during your early life.

You are very feeling-aware, very sensitive to them and intuitive about them, and so use those attributes, don't fear them, support your feelings above all else, and your mind will come into line supporting them. I will tell you not to be afraid of your feelings, however when you do feel scared of them, then again express such fear with all the emotion you're feeling, feeling so scared.

And at any time, please do not hesitate to call Us, to ask Us for help or questions, simply relate to Us as you would your parents, as you would have, had you had truly loving parents, which I understand might be hard to do and know what truly loving parents are, however, We are with you and offering Ourselves to you with all of Our love for you because We are your true loving Parents.

However don't override your feelings and with your mind try to come to Us and feel Us loving and parenting you, when you've not got the truth to do so. Don't use your mind to go ahead of your truth, simply acknowledge your limitations of truth, respect your level of truth, and express yourself from there. Some people and spirits try to contrive their 'loving' relationship with Us in the hope that it will be so, that it will come true, however that's not how it works. We can and will ONLY relate to you through the level of Truth you are. Your truth determines the amount of personality interaction We can enjoy with you. So the more truth, the more We can get to personally know each other.

And one other thing, don't dismiss your lower level of truth of only being of a lower level so not that important. All levels of truth, every truth, is very important, and you need them all to relate truly to Us. If you don't have and place full importance on your lower level of truth when you are living it, then you won't build the foundation for your higher truth; so love Us as much as you truthfully can, not dismissing your lower truth, nor overstating it, and pretending by using your mind that you're of a higher truth.

Lady Spirit: I understand. It feels good all You're telling me. I feel You soothing me with Your Love as You're speaking.

Mother: Good. I will end now, We don't want to give you too much light, just enough for now, We don't want to stress your spirit.

Spirit Lady: I'll get ready and long for the Divine Love... alright, I'm longing now... and yes, the Holy Spirit is coming about me, it doesn't actually respond to my prayer for the Divine Love, does it?

James: No, it's the Divine Minister responding, activating the Holy Spirit, we can't actually interact personally with the Holy Ghost, as it's just a mind-circuit and without personality.

Father speaking to Lady Spirit: We want you to feel what feeling unloved feels like, and what being unloving feels like, I want you to know by living the whole truth of being of no love, because being of no love is not good for you, however you have to understand that for yourself through your experiences of it.

Please continue to long to Us for Our Divine Love. We are freely offering it to you, so please take Us up on our offer as often as you like, which is again by acting on your feelings. When you feel you want to ask us for Our Divine Love, then do so, and We will attend to the needs of your soul by giving you as much Love as you require to help you grow in Truth.

And now that you want to stop being rebellious, We'll help you move through your Healing so you can bring all the truth to light We want you to see, and then We'll move you out of the Rebellion and Default.

EXPERIENCING RECEIVING DIVINE LOVE:

Be still and quiet; reflect in silence. Love is present. Keep asking, longing, and never cease: this is your part. It is your cooperation actively engaged that brings the transformation and continues the process.

You cannot see it; sometimes you will experience it as simple quietness and calmness. This is as pure and real as any other experience, whether demonstrative joy through laughter and dance, or other expressions.

Divine Love is present; it is always present. It does not fade or disappear. Rest, relax and breathe. Pray and wait.

Maintain daily prayer and meditation. When you do this you are building a home for the dwelling of the Divine Love. Your continual invitations establish an attitude of welcome to the Divine Love. These build a bridge for the Divine Love to carry you to new and higher levels of change and transformation: places of new realms for your soul growth and development.

The Voice of Divine Love

When Divine Love is longed for and asked for, the experience of receiving may become apparent by the occurrence of a warming embrace in the region of the third eye chakra, or with some, around the heart chakra region. This may be very subtle and gentle for some and may be for a few moments or extend for some time. Many do not physically feel the Love embracing them and this is totally fine, nevertheless the Love is received when it is appropriate, it's up to God to respond to our Longing.

On a few occasions, one may feel the love through the third eye region and then feel it expand as if it were to become a warming buzzing 'hat band' progressively expanding around one's head. This can intensify and feel as though one's cranium is about to pop off! Should this continue to intensify, then the sensation may flow down one's main meridian to the base of one's spine. Now that is something else! Relax and enjoy the great gift for this can be an experience that may continue for a short while or for quite some time. It is mostly just all very subtle and gentle.

When one longs for the Love, it may shower over one's body and be absorbed in through the spirit body chakras into one's soul. At no time will we be discomforted. This light golden blue energy substance is the ultimate gift to us by our Heavenly Parents, our true Mother and Father, to us all.

The Divine Love completes the form of the human being.

Our soul is formed from the substance that is natural love. When we earnestly and lovingly ask for Divine Love, the Divine Love is added to our soul, thus we steadily and progressively become complete in our being.

FEELING HEALING with DIVINE LOVE progressively brings about the conditions for HEALTH of the PHYSICAL BODY:

The way the Divine Love works in a mortal soul is so practical that it takes us some time to see this truth. Following one's Feeling Healing, one's natural love is slowly perfected by the presence of the Divine Love in one's soul. Following our Feeling Healing, as more and more of the Divine Love is asked for and received, progressively, more and more of our erroneous beliefs and emotional errors are permanently resolved. As these injuries progressively leave the spirit body, then health of the physical body can then steadily returns. As these injuries are permanently removed then a re-occurrence of the illness is impossible. A permanent recovery is then possible.

HOLY SPIRIT ONLY CONVEYS DIVINE LOVE:

The Holy Spirit cannot and does not heal. It only conveys the Mother and Father's Love directly to the longing soul, nothing more. In the doing of this it does give the recipient a feeling of its presence, and the feeling of security and good feelings that the Mother and Father have directly responded to you. It *makes* you feel loved by Them, as it makes you feel Their Divine Love. And as you experience it you can feel as though it is *moving* into you, but it is merely working its way through your spiritual circuits and subtle bodies, and into your spiritual body and your true heart; from which it then delivers the Love (which you cannot actually feel or perceive of itself) into your soul.

The Holy Spirit only comes to one whom is sincerely longing with all their heart to the Mother and Father for Their Divine Love, because they sincerely want to be at-one with Them and live true to Them; and want to be loved above all else by Them, and want to give their whole lives to Them. It does not come to other prayers, especially not to ones that have been learnt by the mind or have been told to you by the church or any other self-denying negative religion or system of belief.

Many people in the churches do partake of the Holy Spirit, as do many more that are not of the church and not being influenced by dogma and repetitive mind prayer. It doesn't matter what your beliefs are if your longing is sincere for God's Love, as the Holy Spirit will bring it to you. You may or may not be aware of the Holy Spirit, but nevertheless it comes in direct response to anyone's sincere longing for God's Love. And once the Love comes, it stays within your soul waiting patiently for you to actively start to long for and want to live and know the Truth. And when you start sincerely longing for the truth it activates my, and if you've accepted Mary, our, Spirits of Truth; and things will start to confront you making you feel bad as these Spirits, along with your Indwelling Spirit start to draw your attention to your untruth through your bad feelings. And if you accept these bad feelings allowing yourself to find the truth of them, then this will lead you to question all that is untrue within you. And if you are still a supporter of a religion or spiritual system that seeks to maintain its power and control over you by denying you your own ability to find out truth for yourself, by helping and encouraging and all but demanding you deny your bad feelings, then it won't be long before you are faced with your reasons for remaining a supporter; and if you sincerely still want to grow in truth, you will leave the negative system setting off on our own to discover just how it is you are meant to live without anyone or any system telling you what to do.

If you don't choose to live true to yourself, yet have received some Divine Love in your soul, then no matter what you might think about Mary or I, or what you might believe your relationship with God to be, the Divine Love will simply remain in your soul, waiting, until you activate the inner transformation process by doing your soul-healing. And so many people do partake of the Divine Love yet remain in their religions, and even just remain doing nothing more than longing for the Love. But because they don't want to advance in truth, don't want to do the hard work that their healing will ask of them, aren't confronted by their own feelings. they can live all their Earth life in their religion receiving small amounts of Divine Love, but not feeling bad about anything because they are not seeking the truth. Their bad feeling denial strategies remaining in place and in control. And many use the good feelings the Divine Love gives them to even strengthen their commitment to their Faith or religion believing that it is what God wants them to do. And then they arrive in spirit doing the same things, but usually it becomes harder to maintain ones self-deception, as the *pull* of the Divine Love within their soul starts to push them towards wanting to live true – towards the Truth.

Jesus

Messages from Mary and Jesus via James Moncrief 4 April 2003

The Churches do not uphold the Truths of Divine Love; they are only an outworking of men's negative controlling minds and do nothing positive to help one with their soul-healing. Certainly they might inspire some people to long to God for His Love, and this is good, but this is about all they do; and that little Divine Love received isn't going to do much if one doesn't allow their feelings to help them find the truth and so transform their soul.

The so called *Power of the Holy Spirit* is nonsense. The Holy Spirit has no such power. It can only and will only, bring the Divine Love to one's soul. It can't of itself affect any inner transformation within the spirit, body or soul. All such so-called healing miracles attributed to it, are performed by spirits in the natural love Mansion Worlds, manipulating the laws with their minds to bring about the desired results in flesh, and most often in the minds of such miracle wanting men and women.

When you embrace the truths Mary and I (Jesus) are revealing, and start to do your soul-healing, you are freeing up yourself from your parental and self control.

Why I have told you to long with all your heart for the Divine Love is to circumvent your controlling minds. I want you to understand that your mind plays no role in forging your relationship with the Mother and Father, that it is all done through and with your feelings. Your longing, if true and sincere, will be driven solely by your feelings, and NOT by your mind. And although your longing isn't itself a feeling, still something that you want to do, you have to FEEL you want to do it. And it should be your feelings motivating you to long, not your mind and what it believes. You can believe you should long for the Divine Love, but if you long because of this belief alone, it won't invoke the Love. You might believe you are receiving the Love, but it might only be the stirring of your natural energy circuits, even your own natural love. It's quite easy to wrongly believe you are receiving the Divine Love into your soul when you aren't. Many people start of longing with feeling, but if they don't want to go on and try and find the truth, then slowly their mind takes over their longing and they receive no further Divine Love. They reach a point of inertia or stagnation; they might believe all is well and convince themselves with their mind that they are still growing in truth and still receiving the Divine Love, but they aren't.

Many in the church and in other spiritual systems may believe they are being attended to by the Holy Spirit, or myself and my Spirit of Truth, but they are mistaken; they are only being attended to by corresponding like-minded spirits in the natural love Mansion Worlds who have taken it upon themselves to *help* them. It's very easy for these spirits to *inject* a ray of their higher light into your aura making you experience an intense feeling of being loved, loved by your own natural light. It is not a holy messenger, or God suddenly showering you with love, it is only these artful spirits artificially by using their mind, stirring up your *light bodies*, making you believe that it's someone else. They will continue with their interference, wanting the recipient to believe it is the Holy Ghost or God; and it's very easy to put a slight suggestion in your mind as to it being one of these. And the recipient so eager and wanting to believe they are special, and are receiving a special and personal blessing from God or myself or the Holy Spirit, will readily grasp such an idea running with it, delighting in the whole euphoric experience. These spirits feel justified in what they are doing, believing they are doing it all for the good, and helping in the great *divine plan* to fight and vanquish evil. And those on Earth who want such help readily accept it, with such major experiences often becoming the linchpin of their faith. It's an extraordinary experience, something that defies the mind that they cling onto, and not the truth. Too many people want such an instant gratifying experience; too few want to do the hard long arduous work of uncovering the truth of their soul through their healing.

Long for the Divine Love and the Truth, and to try and accept, express, and seek the truth of your feelings.

You can work out how best you long, what works for you, as you'll be able to feel and experience the Holy Spirit conveying the Divine Love to your soul, and so know you are longing correctly FOR YOU. And what suits you may not suit another; and the beauty is everything is so personal, so highly personal, as you will discover through your healing and ascent of truth.

The rules of life are contained within truth, and it is truth that one needs to live – to live the true and correct way. Books can help one understand how to uncover truth through one's own efforts, but should never be used to replace truth, or one's personal endeavours of seeking and finding it through one's experiences. If you decide that one book is *the* book then you will condition your experiences forcing your soul to comply with your mind's desire, therefore limiting your soul's ability of educating you and revealing truth to you from any source. As you grow in truth you will of course outgrow many things, books included, as they will hold no further experiences for you, and this too is what is meant to happen with you literally outgrowing whole worlds as you ascend to Paradise. Mary

Messages from Mary and Jesus book 2 – via James Moncrief 23 April 2003

Divine Love is a light golden blue energy substance. As it fills one's soul, the substance may overflow into one's spirit body. The radiance of one's spirit body with Divine Love can be likened to the midday sun, whereas a personality only with Natural Love may only have the ambiance of a burning candle in comparison.

WE are INCARNATED with Natural Love, but not with Divine Love:

We are conceived with natural love, however, we are not endowed with anything of the Divine. While we are without anything of the Divine, namely Divine Love, we can grow our natural love attributes and progress to that of being the perfect man whose lodging is found in the 6th Sphere. We do not have immortality without having received Divine Love.

Natural love radiance is very different from that which Divine Love brings.

The two loves complement each other, bringing about greater harmony.

When we become aware of the presence of Divine Love and subsequently ask for and then receive the Divine Love, our soul steadily starts to change to that which is Divine and we achieve immortality. This is the Immortal Choice that we can make whilst here in the physical or later in the spirit world. Once we add Divine Love to our being, we continue then with the two loves, that of the natural love and also that of Divine Love. As we continue and receive Divine Love, our soul condition progresses so that we may eventually enter the Celestial Heaven, 8th sphere, should we have engaged in the process of Feeling Healing, and above, then progress further to enter the Eternal Spheres, then the Infinite and Universal Spheres, and then further on towards the Spheres of Paradise.

We are endowed by our Heavenly Parents with natural love, maybe we neglect this gift from time to time. As we progress in time, we can add the greatest gift there is to our being, that is by asking for and receiving Divine Love. Not only does the infusion of Divine Love, with one's Feeling Healing, repair our natural love attributes, we evolve into a joyous and loving person in all respects. With the infusion of Divine Love, with the two loves, we become the complete being.

Prayer for Divine Love

Long to God for Their Divine Love

Begin with the understanding that God, your Heavenly Mother and Heavenly Father, are offering you Their Divine Love. And all you have to do is want it, want Them to give it to you, to love you. So when you feel you want it, you long directly to Them for it, asking them through your feelings (with longing) to fill your heart and soul with Their Divine Love.

You can long for Their Divine Love, anywhere and at any time. It can be a formal prayer – longing, such as sitting in meditation or prayer, opening your heart to Them, and longing to Them for Their Divine Love. Or you can do it spontaneously on the go, when the desire to long to Them for Their Divine Love comes over you, or when you remember to do it.

Wanting God's Divine Love in your soul is about wanting to develop a very personal relationship with your Heavenly Parents. Speak to God as your real Parents. Tell Them all you are thinking and feeling, as you would your earthly parents (provided you had a loving relationship enough with them to do that.) If you feel angry with God, hating Them, express all your negative unloving feelings to Them too. Don't hold back, share and give all of yourself to Them, They want to get to know you, as you want to get to know Them. And keep longing for Their Divine Love.

We have to long, reach out wanting Their love through our feelings and with the full will of wanting it, which doesn't involve any words, so with the mind staying out of it. It's a yearning from your heart wanting to be loved by Them, so wanting Them to give you Their Divine Love – to love you, and to make you feel loved by Them. So it doesn't involve words, it's an inner yearning, longing, desire to partake of their Divine Love that is required by us. Then we can support this longing using our mind by saying actual words (praying). So say whatever words you want to say to Them, whilst you are longing with your heart for Their Divine Love.

Just be yourself, say whatever you want to Them, as you long for Their Divine Love. The more personal, open and honest you can be with Them the better your relationship with Them can develop.

And once you've longed, which can take only a moment, then give yourself time for Them to love you. You might feel the Holy Spirit coming about you, and then Their Divine Love coming into you, gently, very subtly, or strongly, even very strongly in a whoosh. It's different for each of us, and different often each time we long. And if you have previously longed to God in any way yet not specifically for Their Divine Love,

when you do specifically ask Them for it, it will be a very familiar experience you'll have receiving it.

If you are sitting formally in mediation or prayer, once you've longed to Them for Their Divine Love, and you feel the Holy Spirit bringing it to you, you might find your head wants to move upwards as if looking into Heaven. Allow it too, but if it wants to keep going, don't stress yourself by hurting your neck, bring your head forward again. It's a lovely feeling sitting in the Light of the Divine Love, feeling it coming into your heart and soul. And you might find that you enjoy sitting for five minutes or half an hour, then suddenly the 'light goes off' and the prayer is over as you've received enough Divine Love for the time being.

Also, don't be surprised if at first you can feel the Love readily coming into you but as the years pass it seems to get less and less and you feel less inclined to long for it. This is naturally meaning you have received enough for the time being, you will need to do more of your Spiritual Healing before your soul is ready to receive more.

Summary:

Long with all your heart to your Heavenly Mother and Father for Their Divine Love.

Feelings!

Pathway Forward

New Feelings Way: learning how to live true to ourselves by living true to our feelings.

We are to express our feelings, both good and bad, at all times, and to long for the truth of them.

By living true to ourselves true to our feelings, we are living true to God. It's that simple.

Golden Rule: that one must always honour another's will as one honours one's own.

Our Heavenly Parents simply desires for us to ask for Their Love.

The Golden rule is: Never interfere with another's will.

God's Divine Love: Pray for it, ask for it, and receive it.

To liberate one's real self, one's will, driven by one's soul, moves one to embrace Feeling Healing, so as to clear emotional injuries and errors. With the Divine Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

MUM & DAD THIS WAY

I'D TURN BACK IF I WERE YOU!

Throughout the Avonal Age of 1,000 years, their Spirits of Truth will assist us in embracing and engaging with our Feeling Healing and with Divine Love our Soul Healing. They will assist us to develop our soul well into Celestial Heaven status should we persevere with such a goal. The extent to which the Avonal Pair develop themselves while here in the physical on Earth is the level that their Spirits of Truth will be able to assist us. Then it will be Mary and Jesus' Spirits of Truth that will assist us up and out of Nebadon, where our Heavenly Parents will then assist us onto Paradise, Their home.

Paradise Trinity

Heavenly Mother
and Father
'Love'

Eternal Son of 'Truth'

Infinite Daughter of 'Mind'

Jesus and Mary's soul are different in design than ours. They are a Creator Daughter and Son, or similarly referred to as Michael Daughter and Son soul, and within their soul is expressed only two of the Primary Aspects of Deity. They are of the Mother and Father, our Heavenly Parents and the Eternal Son.

Avonal Daughters and Sons are expressive of the Eternal Son and Infinite Daughter.

The core of humanity (us mortals of Earth) is of the Truth and Mind, and then with the addition of the Indwelling Spirit, we can then relate to the Love.

And with the Avonal pair now on our world (Earth), they too expressing the Son of Truth and Daughter of Mind, we actually are far better suited to relating to them than we are to Mary and Jesus.

Heavenly Mother & Father LOVE

TRUTH **MIND**
Eternal Son **Infinite Daughter**

Creator Daughter & Son are of Love and Truth .

Avonal Daughter & Son are of Truth and Mind .

Nature is of the Mind .

Humanity is of Truth and Mind then with Indwelling Spirit, also of Love .

Humanity is best suited to be assisted by the Avonals and then by Creator Daughter & Son .

Indwelling Spirit  **LOVE**

REBELLION & DEFAULT - ending process!

Everything is to change!

From all points of view!

**When people ask how
life is going**

FEELING HEALING and SOUL HEALING with the DIVINE LOVE:

James Moncrief Publications:

all publications are free downloads:

<http://divinelovesp.weebly.com/my-free-books-and-free-padgett-messages.html>

It is suggested for one to consider reading as follows:

Speaking with Mary Magdalene and Jesus – books 1 – 4

These four books encapsulate the second of the revelations with the first having been introduced by James Padgett one hundred years previously. These four books provide a wide range of guidance that has never previously been made available.

Soul Light – books 1 and 2

A Melchizedek, Zelmar, sums up how we are to heal ourselves and ascend to Paradise.

Paul – City of Light

As a gentle intro into the Divine Love and Healing; being James Moncrief's first novel.

Ann and Terry

An example for people who might want to immediately start working on themselves and doing their Healing.

Feeling Bad? Bad Feelings are GOOD

For more understanding about our denial of our feelings and why we should not deny our feelings, and it includes how it all came about for James, using himself as an example.

Feeling bad will make you feel BETTER – Eventually!

This includes specific examples of Marion and James working on expressing particular bad feelings, again with the hope that it will help others gain something of an idea as to what's involved in doing your Feeling Healing.

Sage – and the Healing Angels of Light

Through Sage who's 13 years old, the story is primarily about the two aspects of healing; that being, with the help of our angels, and the full Healing we can do by looking to our feelings for their truth.

**Religion of Feelings
Feeling Healing**

**Welcome to LOVE – the Religion of Feelings
you can heal yourself through your feelings**

So these books, including the four Speaking with Mary Magdalene and Jesus books, provide the essence of it all and are examples of James' work. Then it's up to whatever takes one's fancy. Other reading to consider may include:

The Padgett Messages being published as:

The True Gospel Revealed Anew by Jesus volumes 1 – 4

Book of Truths by Joseph Babinsky

The Urantia Book

Release one's pain through expressing one's feelings.

in conjunction with

Longing for the Truth when also longing for Divine Love.

FEELING HEALING with DIVINE LOVE is SOUL HEALING:

A collection of 'papers' that draw together specific topics including all of the above and more from other sources of information and revelation designed to help increase one's awareness about why we have the problems we do and how to heal them, all whilst living a more healthy and sustainable life. They provide a brief snapshot of the more complicated topics and issues.

Firstly, consider discovering the truth of your emotional pain through Feeling Healing. Secondly, consider longing for our Heavenly Parents' Love as you progress with your healing. Primary and most important readings are the writings of James Moncrief. Then consider the Padgett Messages, and then The Urantia Book.
