## COME, HOLY SPIRIT

For 2,000 years, the stories surrounding the lives of Mary of Magdalene and Jesus of Nazareth have been speculated upon. Wonderful innovation of the mind has been applied to the scant information recorded long after their lives. Learned men have pontificated upon insufficient records to create a structure that has added to the many religions around the world. All maintain they hold the truth! Yet truth is always the same so how is it so that there are some 3,400 religions of significance around the world and when you add the minor denominations into the equation you may expand the list to around 50,000 religions?

**MARGE – day 19!** 15 December 2020 – Marjorie, newly arrived spirit in the 1<sup>st</sup> spirit Mansion World: “Another part I want to add, before I finish, was near the complex, which is in the country with The Park being the main part of the outside for us, there is a reasonable size city. And I have been on a few excursions into it.

“It’s very cosmopolitan, they call it Hedaa, double ‘a’ James, and I have no idea yet as to how it fits into the scheme of things on this world, but it’s about as big as Sydney (Australia), but much prettier, there are many large and small lakes dotted through it, with many spirits obviously living there and a large central city area, but it’s more like one massive market. There are churches, mosques, synagogues so far as representing the major religions, lots of other religious temples but I’m not up with them and we didn’t have a tour guide and I don’t want to do that sort of thing anyway, but the best part is this market. It is huge, about half the size of the city and bustling with spirit life. I went a couple of times with small groups of women from the complex, we had a guide for the first visit, but we’ve gone back ourselves since then a few times.”

Yes, that is John’s sister, Marjorie, conveying her experience within the 1<sup>st</sup> spirit Mansion World on her 19<sup>th</sup> day having recently died on the 26<sup>th</sup> November 2020.

Such communication from spirit is now unfolding due to the changing circumstances that Earth’s humanity is now experiencing. Previously all spirit communication with those on Earth was from mind Mansion World spirits being worlds 1, 2, 4 and 6. For the past 200,000 years those who imposed the Rebellion and Default on Earth’s humanity had unfettered control of Earth’s humanity. All spirit communication came from mind Mansion World spirits. There has been no communication from Celestial spirits from the Celestial Heavens, nor any communication from the three spirit healing Mansion Worlds 3, 5 and 7 or about spirit healing and Divine Love.

That is now changing and we are now beginning to hear about Divine Truth and Divine Love for the first time in the history of Earth’s humanity and that history stretches back 993,500 years.

# **Greatest Event in the History of Humanity!**

## **Spiritual growth on Earth evolves connectivity!**

### **Spirit connectivity is relevant to level of truth.**

- Early 1990s: The arrest of the Caligastia and Daligastia soulmate / soul partner pairs, being rebellious Lanonandek spirits – Earth’s planetary prince and deputy.
- 22 March 2017: Negative mind-spirit influence was blocked by Celestial spirit.
- 31 March 2017: Angel assisted healing will become available upon the Avonal pair completing their own Feeling Healing, being with Divine Love, thus it being Soul Healing.
- 22 May 2017: Law of Compensation quickening.
- 2 December 2017: Psychic Barriers maintaining the Rebellion and Default were cracked.
- 8 December 2017: Bring on the money to **‘house the future of humanity’**.
- 31 January 2018: Earth and the seven associated Mansion Worlds (including the two Earth planes) are **officially** now fully under the control of Celestial spirits. This marks a tangible and real end to the Rebellion and Default.

## **Three people on Earth are of high 7th Mansion World condition - this is what has unfolded:**

As of November 2020, due to three people on Earth progressing through their personal spiritual healing and progressing into the equivalent of the 7<sup>th</sup> spirit Mansion World, have enabled the above events and milestones. Two high level spirits have led the way. These two personalities have needed to incarnate into the physical and unaided have had to find the way to heal themselves of the imposts of the Rebellion and Default which they voluntarily took on. This is the most exciting time in the history of Earth’s humanity.

## **When they move into Celestial Heaven soul condition while living on Earth then:**

Upon becoming of a Celestial soul condition, then these two personalities will have Celestial soul level truth and will be able to directly convey such truth in person. Having then done so, Celestial Heaven spirit personalities will be able to follow and directly communicate with personalities in the physical on Earth in a similar manner. Presently, Celestials can only prompt people and not converse.

The level that the two high level spirit personalities progress to while living in the physical will set the ceiling for those on Earth in what they can grow in truth and love to. We can only follow.

Further, the conditions that prevail throughout the 1<sup>st</sup> spirit Mansion World may progressively be earthed. In the Mansion Worlds, the operation of the Law of Compensation is instantly imposed through the vigilance of Angels. This is likely to be imposed on physical Earth from the coming 1,000 years.

## **For Humanity to go through a spiritual upliftment, such as now, high level spirits must lead the way!**

The Rebellion and Default was imposed upon Earth’s humanity by high spirits from within our Local Universe of Nebadon. To end the Rebellion and Default, higher level spirits, being an Avonal pair from Paradise have had to lead the way out of the Rebellion and Default. This they are now doing!

# 200,000 years of UNFETTERED DOMINATION! by wayward High Level Spirits

FOR 200,000 years ALL SCRIPTURES and Earth based INSTITUTIONALISED SYSTEMS are the WORK of the REBELLIOUS LANONANDEKS:

The rebellious Lanonandeks from within our local universe are these soul partner pairs:

What is to be understood is that typically 60% of records of a spiritual nature are the construct of mind Mansion World spirits following the dictates of the high level rebellious Lanonandek spirits who instigated the Rebellion 200,000 years ago and then the Default of Adam and Eve more than 38,000 years ago.

The Creator Daughter and Son co-regents of our Local Universe of Nebadon, Mary Magdalene and Jesus allowed the Rebellion to run its course under the Universal Contract that governed the Rebellion and Default. Now that is formally ended and the Avonal spiritual age of 1,000 years is to begin.

# We do everything possible to avoid our Feelings!

We embrace the controlling natures of our mind to fill our day with activities that avoid our inherent truth to arise through our feelings and then having to express them and seek the truth behind them. We submit to imprisonment within our minds and willingly allow our life to roll on in a retarded and aimless manner that we can continue in earnest even when we transition into the spirit mind Mansion Worlds. Everything we may do is to avoid meaningful communication with another person and to distract ourselves from allowing our feelings to bring forth the vibrant and incredible true personality that we are that has been suppressed throughout our early forming years, from conception through to six years of age. Eventually our soul will say enough is enough and we will be confronted with a crash to open ourselves to our feelings and heal our Rebellion.

**REBELLION and DEFAULT formally ended 31 January 2018:**

All in keeping with the **outworking of the Rebellion and Default**. Humanity is so shut off to anything that one's feelings provide, we are all but minds robotically carrying out instructions; nothing is fluid, intuitive nor feeling-free. Our whole world can't change as it is, because everyone and everything is so bogged down in the mire of artificial laws and procedures.

**WE'VE BEEN SCREWED BY  
LUCIFER REBELLION**

**Firstly, consider discovering the truth of your emotional pain and injuries through Feeling Healing.**

**Secondly, consider longing for our Heavenly Parents' Love as you progress with your healing. Primary and most important readings are the writings of James Moncrief.**

**Then consider the Padgett Messages, and then The Urantia Book.**

The Melchizedek high level spirits from within our local universe of Nebadon, led by Machiventa Melchizedek, have monitored the progression of the Rebellion and Default. They had developed a plan to see to the ending and then transition out of the Rebellion and Default.

Machiventa Melchizedek physically manifested in Palestine at the time of the life of Abraham 4,000 years ago. That was the physical start of developing and opening cracks in the Universal Contract governing the Rebellion and Default. This led to the bestowal of Mary Magdalene and Jesus on Earth, also in Palestine, 2,000 years ago. Jesus and Mary's bestowal could be said to be of a federal governmental nature, they were here for the benefit of all of the humanities throughout Nebadon, some 3,840,101 physically inhabited worlds! They were not on Earth specifically for Earth's humanity. In fact Mary and Jesus were to come and go without being noticed and without leaving any progeny or records of their presence.

On the 'federal level' they were able to bring about the imprisonment in a spirit world prison of the System Sovereign and deputies, Lucifer and Satan. Lucifer was the System Sovereign of Satania which has 619 inhabited worlds of which Earth (also referred to as Urantia) is number 606, a young humanity.

Also of a 'federal level' was the bringing about of the availability of our Heavenly Mother and Father's Divine Love for all of the humanities throughout Nebadon. Prior to this event, none of the humanities could progress beyond their mind Mansion Worlds. Upon the deaths of Mary and Jesus, they released their Spirits of Truth which enables all of the humanities throughout Nebadon to find their way through Nebadon and then out beyond to progress to Paradise, the home of our Heavenly Mother and Father.

On a 'state level', the arrival of an Avonal Pair from Paradise has enabled the arrest of Earth's Planetary Prince and deputies. That occurred in the early 1990s. Now they are revealing how we are to heal ourselves of the imposts of the Rebellion and Default.

## Avonals - Magisterial Daughter and Son

The first physical step to bring about the end of the Rebellion and Default for Earth's humanity was the materialisation of Machiventa Melchizedek 1,973 years prior to Jesus' conception. The plan could be said to have been meticulously mapped out and each step has unfolded with Machiventa Melchizedek, together with Jesus and Mary, orchestrating our Heavenly Mother and Father's intentions to this day. The plan culminates with the appearance of the Avonal bestowal pair from Paradise, being a Magisterial Daughter and Son, who will guide Earth's humanity, both in the physical and spirit, through their individual Feeling Healing, and with Divine Love their Soul Healing, during the next spiritual age of 1,000 years now to commence, being the Avonal Age. Machiventa Melchizedek has been administering this 4,000 year unfoldment and will continue with his role throughout the Avonal Age. Now we are engaging in the biggest event in history for Earth's humanity, the healing of the imposts of the Rebellion and Default. All of the Avonal Age is now required to establish the universality of the healing Earth's humanity.

## **MUSEUM of JERUSEM – 1<sup>st</sup> Celestial Heaven**

Note previously from Nanna Beth, 3<sup>rd</sup> Celestial Heaven – 20 November 2017 – relating to a ‘museum’ at Jerusem on the 1<sup>st</sup> Celestial Heaven: “And as far as concerning where The First Parents are now, they have moved on with the old guard, having been released from such duties that being The First Parents required. You can see and even in a sense ‘meet’ with them when you come into the first Celestial sphere, we have a museum sort of arrangement, it is a massive and highly complex and covers every aspect of humanity’s history on Earth and in the Mansion Worlds. And you can sort of interact with the exhibits – if I can crudely call them that. You literally walk into say the Atlantean times and explore using your mind for whatever aspect of such times you care to. You can even in a sort of holographic way meet with people from those times, speak with them in a sense, although it’s all automated, it’s not the real person who is now a spirit, although the whole experience being so real and amazing makes your mind believe it is the real person or spirit. So we can even talk to Mary and Jesus like this, which a lot of Celestials do when they first arrive, it all helping them to get to know them better and know what they were all about. It’s a massive learning centre and contains all the knowledge of humanity’s experience, so anything and everything is kept there like ‘living’ archives.” (Thus you can see all of history is recorded and can be researched and studied.)

For example: Others believe they have transcribed messages from Jesus but that is not so, that is not Jesus from Nazareth of the Bible but typically a Jesus from the Celestial Heavens who is fully versed through researching and engaging in the very amazing museum at Jerusem on the 1<sup>st</sup> Celestial Heaven. Other Celestials with names akin to the Apostles of Jesus have from time to time done the same thing.

As cracks have been exploited in the Universal Contract governing the Rebellion and Default then Truth has progressively been revealed.

Firstly are the Padgett Messages 1914-1923 which involved contributions by about 250 Celestial spirits including Jesus and many of his Apostles.

Then followed The Urantia Book 1925-1935 which is road map and history of Earth and our Universe.

Most importantly are the writings of James Moncrief 2002 and ongoing. These contain the revelations of Feeling Healing and how we are intended to live, the New Feelings Way.

Auxiliary writings are by Dr Daniel Samuels 1954-1963, Hans Radax – Judas of Kerioth 2001-2003 and several others.

Consequently, the New Testament of the Bible has been revisited by Matthew, Mark, Luke, John, Paul, Judas and Jesus with the significant errors throughout the New Testament being addressed and major omissions now have been addressed .

As people on Earth progress through their Healing of their Rebellion and Default, then direct interaction and communication with Celestial Spirits will increase now that the Rebellion and Default has formally ended on 31 January 2018. Revelations of truth will continue to unfold and expand.

Padgett Messages – Book of Truths as published by Joseph Babinsky

I am here, Jesus –

Yes, I am, and you (James Padgett) will be enabled to fully understand what the holy ghost is, and what meaning should be given to it as you find it referred to in various parts of the Bible. I will say this though, that it is not God. It is merely one of his instrumentalities, used by Him in doing His work for the redemption of mankind.

I will not write any message tonight, but will commence next week, if you are in better condition.

Well, as you believe what I say as to my being a son of God, and not a god, you can easily believe that my coming to you as I do, is not at all contrary to any law of the spirit world. The fact that I have my home in the highest Celestial heaven does not prevent me from coming to Earth to do my work, which has not been carried on by those of Earth who should have performed it. I am a spirit of love and sympathy, as well as of great spiritual development, and I desire that all men shall know what the great plan of the Father is for their redemption and happiness. So, because I am such an exalted spirit, as you say, it is no reason that I should not come to you, and communicate with you freely and, in a way, confidentially. I love you, as I have told you, and I have selected you to do my work and hence, I am trying to make you one wholly at-one with me.

You must not doubt me just because I come to you so often and speak so familiarly with you, because I hope and expect that in the great future you will be very close to me and with me. I am trying to prepare you for so great a progression in your spiritual condition, that when you come over, you will realise the oneness that I speak of, and be fitted to live near my sphere.

Well, your grandmother (Anne Rollins) is a wonderful spirit in her development, and by the time you come over she will be near me, in my home, and, as I believe, will your mother and wife. They are all filled with the Father's love and are receiving it more abundantly all the time. They are now in the first sphere (1<sup>st</sup> Celestial Heaven) of my kingdom, and will find that their progress will be much more rapid.

So try to believe what I say, and do my will, and all will be well with you. Well, soon you will be free, as I told you, and then you can do the work without being interfered with by material things. I know that it is hard for you to lay aside these cares, and I am not disappointed or impatient that you do not, but only believe that the time will soon come when they will trouble you no more.

So as we have written somewhat long tonight, I will stop now. I will pray for you as I always do.

*With all my love and the blessings of the Father,  
I am your loving brother – Jesus*

**Note:** Following the writings of James Moncrief, one could consider that any reference to the Father, by other relevant writers, may be read as a reference to 'our Mother and Father'. Further, when considering soul healing, then reference to Divine Love could be referred to as 'Feeling Healing with Divine Love'.

Writers prior to James Moncrief were heavily constrained by the Universal Contract governing the Rebellion and Default. Reference to the female aspect of a soul, being soul partners, was not allowed.

## 6 June 1915 Padgett Messages – Book of Truths

I am here, Jesus –

I want to tell you, once and for all, that the holy spirit is not God and that the unpardonable sin is a thing which has no existence either in the world of mortals or in the spirit world. I never used the expression contained in the Bible in reference to the unpardonable sin, and it has done more harm to my cause than most any other thing.

I was not conceived by the “holy ghost” as many believe. I was a man created and born as other men; only, as I have told you, I was without sin. All writings which make the holy spirit equal to the Father are untrue. The holy spirit, as I have told you, is a mere instrument of God in doing His work among men, and for men to believe that the holy spirit is God, is blasphemy – but even that sin will be forgiven men.

I hope that before we get through our writings I will make it so plain and convincing that the holy spirit is not God, but a mere spirit, though the greatest spirit in His kingdom, that men will cease to worship it as God. I will write a formal message on this subject, and you will see that the holy spirit cannot possibly be God. So do not let this question interfere with your belief in me or in what I write to you. You are now in the way to truth and the kingdom; and if you will continue to pray and have faith you will become an inhabitant of that kingdom, no matter what the Bible may say which is apparently in conflict with what I write.

*So with all my love, I will say goodnight.*

*Your friend and brother – Jesus*

Note: Throughout history, Jesus has only written through two mediums, James Padgett 1914-1923 and James Moncrief 2002- 2014. Mary Magdalene has only written through James Moncrief. This is so to avoid confusion in what is written. Mary Magdalene and Jesus of Nazareth are soul partners, one soul manifesting two personalities which is often referred to as soulmates. Being of the spirit group, Creator Daughter and Son, also referred to as Michaels, Mary and Jesus are spirit personalities from Paradise, the home of our Heavenly Mother and Father, they also have Spirits of Truth. It is through Mary and Jesus’ Spirits of Truth that we interact with Mary and Jesus’ truth. As spirit personalities, Mary and Jesus are just like you and me, they can only be in one place at a time.

## 14 June 1917 Padgett Messages – Book of Truths

I am here, John – (Apostle of Jesus in the 1<sup>st</sup> Century)

I merely want to say that your condition is improving and that in a few nights we will be able to continue our messages, and then you will find yourself happier in more ways than one. I mean that you will feel better spiritually.

I was with you tonight at the meeting, and it did you good, for there were many spirits present who have the love (Divine Love of our Heavenly Mother and Father) to a more or less degree, and of course, their influence was being exercised on and felt by the worshipers.

The preacher is a man with a considerable amount of the Divine Love in his soul, and if he only had the true conception of Jesus, he would find himself possessing more of this Love. His idea of the holy spirit is such that it interferes with his receiving the effect of the work of the spirit. He thinks and believes it to be an entity – in other words a being of substance and thought and sentient capacity, whereas, as you know, it is not, but merely the evidence of the working of God's own soul in bestowing upon mortals His love and mercy. The spirit is God's messenger for this purpose and is not a creation of His, as is Jesus and mankind. It is merely energy of the soul of the Father, conveying His love. The spirit could have no existence without the soul of the Father, and is entirely dependent upon the powers of that soul for its existence, and only in the sense that it conveys God's love can it be called the comforter. And to grieve the spirit, as the preacher said, means only that the love of God is grieved, which is in fact not true, for this Love is never grieved, as it is so great and so intense in its desire that men shall receive it, that it never becomes grieved, though it is often disappointed, as you may say, that men will not receive it. It is always present waiting for men to receive it and by their longings and prayers cause their souls to be opened up to its reception. And this remember, that this Love of the Father is so very great that the spirit which conveys it to man cannot become grieved.

Well, I did not intend to write on this subject tonight and what I have said is merely fragmentary, but sometime I will come and write in detail.

You must pray more and let your faith increase and you will find what the holy spirit is, and how it operates. Your prayers will be answered, and a great inflowing of the Love, and also your desires will be realised. Keep up your courage and you will not be disappointed. Today may look dark and dreary, but tomorrow the sun will shine, and you will enjoy the sunlight.

I will not write more now.

So with my love and blessings, I will say goodnight.

*Your brother in Christ – John*

## **10 May 1920    Padgett Messages – Book of Truths**

I am here, Jesus –

Let me write for a short time upon a subject that will be of interest to you and to those who may read my messages.

What I desire to write upon tonight is the condition of those who think they have received the inflowing (or baptism) of the holy spirit, when the fact is that they have received only that advancement in the purification of their natural love and a harmony with the laws of their creation, that causes them to believe that what they experience must be the result of a bestowal of the love which the holy spirit brings to mortals.

In this mistake so many humans indulge; and in the satisfaction or rather happiness which their experience, growing out of such an increase in the harmony, brings to them, they fully believe that the holy spirit has taken possession of their souls and caused the happiness. But in thus concluding, they are deceiving themselves, and will realise their mistake when they come to an awakening in the spirit life.

The holy spirit is that part of God's spirit that manifests His presence and care in conveying to men's souls His Divine Love. This love is the highest and greatest and most holy of His possessions, and is conveyed to men only by the holy spirit.

And this appellation is used in contradistinction to the mere spirit, which demonstrates to men the operation of God's soul in other directions and for other purposes: His creative spirit, and His caring spirit and the spirit that makes effective his laws and designs in the governing of the universe, are not the holy spirit, though equally part of God's soul, and equally necessary for the manifestations of His powers and the exercise of the energies of His soul. These deal with the things of the universe that do not have interrelationship with the soul of God and the souls of men.

Whenever the holy spirit is spoken of, it should mean only that part of God's spirit which transforms the souls of men into the substance of the soul of God in its quality of love.

I heard the preacher discourse Sunday night on the work of the holy spirit as portrayed in the contents of the New Testament, and saw that his conclusions from these contents were wholly erroneous and apart from the truth. As he said, the effects of the workings of the holy spirit are shown in more ways than one, and not every one upon whom it is bestowed is filled with the same powers of displaying its presence and possession. Now in all these evidences of its existence in the experiences given, it must be understood that it is limited in its operations to those conditions and manifestations that have their source in the Divine Love of the Father, that was bestowed upon mankind at my coming in the flesh, and that those evidences of the existence that have no relationship to this love are not evidences of the presence of the holy spirit.

As mentioned in the New Testament, when it was bestowed upon my disciples at Pentecost, it came as with the sound of a mighty rushing wind (which has before been explained to you), that shook the room in which the disciples were assembled, and filled them with its powers – which means only that this Divine Love came into their souls in such abundance that they were shaken in their souls to such an extent that they thought the building in which they were assembled was disturbed. But in this they were mistaken, for the effect of the presence of the holy spirit is not to affect the things of inanimate nature, but is confined to the souls of men.

And the preacher must know that because men are possessed with powers to accomplish the mental or material things of their living, they are not necessarily possessed with the holy spirit. Much of the physical healing of mortals is caused by powers that are bestowed upon men, or some men that are not connected with or proceed from the holy spirit. That there is evidence of this, men will recollect that the Old Testament is full of instances where men were healed of their diseases, and other wonderful things performed, at the time that the holy spirit was excluded from man's possession. Yet these marvels, as then considered, were performed by men claiming to be endowed with the spirit of God, which is working for the good and happiness of mankind, and which will continue to work until men shall become in harmony with themselves as first created.

I understand the object of the preacher in attempting to show and convince his hearers, that because they have not those powers that the Bible describes as having been possessed by my disciples after the bestowal of the holy spirit, that therefore, they must not believe and conclude that they, his hearers, have not this blessing. His intentions and efforts were commendable, and arose from the desire that his hearers should not become disheartened and disappointed in their efforts to obtain the inflowing of the love that the holy spirit brings to men. But on the other hand, his teachings were dangerous and misleading to these hearers, for the natural consequence of such teaching is to lead men into the belief or persuasion that they possess this power and comforter – when they do not – and thus prevent them from seeking for an obtaining this comforter in the only way in which it can be obtained.

The holy spirit primarily has nothing to do with great mental or physical achievements. And to say that (because a man is a great inventor or philosopher or surgeon who does things without knowing where the inspiration or suggestion to do the things comes from) therefore he is possessed of the holy spirit is all wrong and misleading.

All things, mediately or immediately, have their existence and operation and growth in the spirit of God, and only in that spirit, and which spirit is evidenced in many and varied ways in men's experience. And hence, men say that they live and move and have their being in God, meaning only that they live and move and have their being in God's spirit. This spirit is the source of life and light and health and numerous other blessings that men possess and enjoy – the sinner as well as the saint, the poor man as well as the rich, the ignorant as well as the enlightened and educated – and are each and all dependent on this spirit for their being and comfort. This is the spirit that all men possess to a great or less degree, and the brilliant preacher or teacher or orator, possessing this spirit to a greater degree than his less favoured brother, depends upon the same spirit. It is universal in its existence and workings, is omnipresent, and may be acquired by all men in this sense to the degree that their mental receptivity permits.

And this further demonstrates the fact that God, through and by His spirit, is with men always, in the lowest hells as well as in the highest heavens of the perfect man. It is working continuously, ceaselessly and always at the call of men, be that call mental or spiritual. It is the thing that controls the universe of which man's Earth is an infinitesimal part. This is the spirit of God.

But the holy spirit, while a part of the spirit of God, yet is as distinctive as is the soul of man distinctive from all other creations of God. The holy spirit is that part of God's spirit that has to do with the relationship of God's soul and man's soul, exclusively. The subject of its operation is the Divine Love of the Father's soul. And the object of its workings is the soul of man. And the great goal to be reached by its operations is the transforming of the soul of man into the substance of the Father's love – with immortality as a necessary accompaniment. This is the great miracle of the universe! And so high and sacred and merciful is the transformation that we call that part of God's spirit that so works – the "holy" spirit.

So let not teachers or preachers teach, or their hearers believe, that every part of God's spirit that operates upon the hearts and thoughts and feelings of man is the holy spirit, for it is not true. Its mission is the salvation of men in the sense of bringing them into that harmony with God, that the very souls of men will become a part in substance (and not in image merely) of the soul of God. And without this working of the holy spirit men cannot become in such union.

I have written you before as to how this holy spirit works and the way in which it can bring men the Divine Love of the Father, and what is necessary for its inflowing. The way described is the only way. And men must not believe and rest in the security of such belief, that every working of the spirit of God is the working of the holy spirit. "Except a man be born again he cannot enter into the Kingdom of God," and such attainment is possible only by the working of the holy spirit.

Oh, preacher, upon whom a great responsibility rests, learn the truth, and then lead men into the way of salvation.

I will not write more now, but will come again and deliver another message.

### EXPERIENCING RECEIVING DIVINE LOVE:

**Be still and quiet; reflect in silence. Love is present. Keep asking, longing, and never cease: this is your part. It is your cooperation actively engaged that brings the transformation and continues the process.**

**You cannot see it; sometimes you will experience it as simple quietness and calmness. This is as pure and real as any other experience, whether demonstrative joy through laughter and dance, or other expressions.**

**Divine Love is present; it is always present. It does not fade or disappear. Rest, relax and breathe. Pray and wait.**

**Maintain daily prayer and meditation. When you do this you are building a home for the dwelling of the Divine Love. Your continual invitations establish an attitude of welcome to the Divine Love. These build a bridge for the Divine Love to carry you to new and higher levels of change and transformation: places of new realms for your soul growth and development.**

#### **The Voice of Divine Love**

~~~~~

As the receiving of the Love is always assured when longed for and asked for, the experience of receiving may become apparent by the occurrence of a warming embrace in the region of the third eye chakra, or with some, around the heart chakra region. This may be very subtle and gentle for some and may be for a few moments or extend for some time. Many do not physically feel the Love embracing them and this is totally fine, nevertheless the Love is being received.

On a few occasions, one may feel the love through the third eye region and then feel it expand as if it were to become a warming buzzing 'hat band' progressively expanding around one's head. This can intensify and feel as though one's cranium is about to pop off! Should this continue to intensify, then the sensation may flow down one's main meridian to the base of one's spine. Now that is something else! Relax and enjoy the great gift for this can be an experience that may continue for a short while or for quite some time.

Always, when one longs for the Love, it will shower over one's body and be absorbed in through the spirit body chakras into one's soul. Occasionally the Love will overflow from one's soul and some will reside within one's spirit body. At no time will you be discomforted. This light golden blue energy substance is the ultimate high octane super fuel gifted to us by our Heavenly Parents to us all.

### **HOLY SPIRIT ONLY CONVEYS DIVINE LOVE:**

The Holy Spirit cannot and does not heal. It only conveys the Mother and Father's Love directly to the longing soul, nothing more. In the doing of this it does give the recipient a feeling of its presence, and the feeling of security and good feelings that the Mother and Father have directly responded to you. It *makes* you feel loved by Them, as it makes you feel Their Divine Love. And as you experience it you can feel as though it is *moving* into you, but it is merely working its way through your spiritual circuits and subtle bodies, and into your spiritual body and your true heart; from which it then delivers the Love (which you cannot actually feel or perceive of itself) into your soul.

The Holy Spirit only comes to one whom is sincerely longing with all their heart to the Mother and Father for Their Divine Love, because they sincerely want to be at-one with Them and live true to Them; and want to be loved above all else by Them, and want to give their whole lives to Them. It does not come to other prayers, especially not to ones that have been learnt by the mind or have been told to you by the church or any other self-denying negative religion or system of belief.

Many people in the churches do partake of the Holy Spirit, as do many more that are not of the church and not being influenced by dogma and repetitive mind prayer. It doesn't matter what your beliefs are if your longing is sincere for God's Love, as the Holy Spirit will bring it to you. You may or may not be aware of the Holy Spirit, but nevertheless it comes in direct response to anyone's sincere longing for God's Love. And once the Love comes, it stays within your soul waiting patiently for you to actively start to long for and want to live and know the Truth. And when you start sincerely longing for the truth it activates my, and if you've accepted Mary, our, Spirits of Truth; and things will start to confront you making you feel bad as these Spirits, along with your Indwelling Spirit start to draw your attention to your untruth through your bad feelings. And if you accept these bad feelings allowing yourself to find the truth of them, then this will lead you to question all that is untrue within you. And if you are still a supporter of a religion or spiritual system that seeks to maintain its power and control over you by denying you your own ability to find out truth for yourself, by helping and encouraging and all but demanding you deny your bad feelings, then it won't be long before you are faced with your reasons for remaining a supporter; and if you sincerely still want to grow in truth, you will leave the negative system setting off on our own to discover just how it is you are meant to live without anyone or any system telling you what to do.

If you don't choose to live true to yourself, yet have received some Divine Love in your soul, then no matter what you might think about Mary or I, or what you might believe your relationship with God to be, the Divine Love will simply remain in your soul, waiting, until you activate the inner transformation process by doing your soul-healing. And so many people do partake of the Divine Love yet remain in their religions, and even just remain doing nothing more than longing for the Love. But because they don't want to advance in truth, don't want to do the hard work that their healing will ask of them, aren't confronted by their own feelings, they can live all their Earth life in their religion receiving small amounts of Divine Love, but not feeling bad about anything because they are not seeking the truth. Their bad feeling denial strategies remaining in place and in control. And many use the good feelings the Divine Love gives them to even strengthen their commitment to their Faith or religion believing that it is what God wants them to do. And then they arrive in spirit doing the same things, but usually it becomes harder to maintain ones self-deception, as the *pull* of the Divine Love within their soul starts to push them towards wanting to live true – towards the Truth.

Jesus

Messages from Mary and Jesus via James Moncrief 4 April 2003

The Churches do not uphold the Truths of Divine Love; they are only an outworking of men's negative controlling minds and do nothing positive to help one with their soul-healing. Certainly they might inspire some people to long to God for His Love, and this is good, but this is about all they do; and that little Divine Love received isn't going to do much if one doesn't allow their feelings to help them find the truth and so transform their soul.

The so called *Power of the Holy Spirit* is nonsense. The Holy Spirit has no such power. It can only and will only, bring the Divine Love to one's soul. It can't of itself affect any inner transformation within the spirit, body or soul. All such so-called healing miracles attributed to it, are performed by spirits in the natural love Mansion Worlds, manipulating the laws with their minds to bring about the desired results in flesh, and most often in the minds of such miracle wanting men and women.

When you embrace the truths Mary and I (Jesus) are revealing, and start to do your soul-healing, you are freeing up yourself from your parental and self control. (Childhood suppression and its repression.)

Why I have told you to long with all your heart for the Divine Love is to circumvent your controlling minds. I want you to understand that your mind plays no role in forging your relationship with the Mother and Father, that it is all done through and with your feelings. Your longing, if true and sincere, will be driven solely by your feelings, and NOT by your mind. And although your longing isn't itself a feeling, still something that you want to do, you have to FEEL you want to do it. And it should be your feelings motivating you to long, not your mind and what it believes. You can believe you should long for the Divine Love, but if you long because of this belief alone, it won't invoke the Love. You might believe you are receiving the Love, but it might only be the stirring of your natural energy circuits, even your own natural love. It's quite easy to wrongly believe you are receiving the Divine Love into your soul when you aren't. Many people start of longing with feeling, but if they don't want to go on and try and find the truth, then slowly their mind takes over their longing and they receive no further Divine Love. They reach a point of inertia or stagnation; they might believe all is well and convince themselves with their mind that they are still growing in truth and still receiving the Divine Love, but they aren't.

Many in the church and in other spiritual systems may believe they are being attended to by the Holy Spirit, or myself and my Spirit of Truth, but they are mistaken; they are only being attended to by corresponding like-minded spirits in the natural love Mansion Worlds who have taken it upon themselves to *help* them. It's very easy for these spirits to *inject* a ray of their higher light into your aura making you experience an intense feeling of being loved, loved by your own natural light. It is not a holy messenger, or God suddenly showering you with love, it is only these artful spirits artificially by using their mind, stirring up your *light bodies*, making you believe that it's someone else. They will continue with their interference, wanting the recipient to believe it is the Holy Ghost or God; and it's very easy to put a slight suggestion in your mind as to it being one of these. And the recipient so eager and wanting to believe they are special, and are receiving a special and personal blessing from God or myself or the Holy Spirit, will readily grasp such an idea running with it, delighting in the whole euphoric experience. These spirits feel justified in what they are doing, believing they are doing it all for the good, and helping in the great *divine plan* to fight and vanquish evil. And those on Earth who want such help readily accept it, with such major experiences often becoming the linchpin of their faith. It's an extraordinary experience, something that defies the mind that they cling onto, and not the truth. Too many people want such an instant gratifying experience; too few want to do the hard long arduous work of uncovering the truth of their soul through their healing.

**Long for the Divine Love and the Truth, and to try and accept, express, and seek the truth of your feelings.**

You can work out how best you long, what works for you, as you'll be able to feel and experience the Holy Spirit conveying the Divine Love to your soul, and so know you are longing correctly FOR YOU. And what suits you may not suit another; and the beauty is everything is so personal, so highly personal, as you will discover through your healing and ascent of truth.

The rules of life are contained within truth, and it is truth that one needs to live – to live the true and correct way. Books can help one understand how to uncover truth through one's own efforts, but should never be used to replace truth, or one's personal endeavours of seeking and finding it through one's experiences. If you decide that one book is *the* book then you will condition your experiences forcing your soul to comply with your mind's desire, therefore limiting your soul's ability of educating you and revealing truth to you from any source. As you grow in truth you will of course out grow many things, books included, as they will hold no further experiences for you, and this too is what is meant to happen with you literally outgrowing whole worlds as you ascend to Paradise. ### DIMENSIONS of ONE'S EXISTENCE:

Our SOUL IS NOT ENSOULLED IN OUR SPIRIT BODY. Our soul exists existentially in a whole different level or plane or place or dimension of being – 'soul land'. It doesn't exist in Creation, it's not experiential like Creation is. The soul, all souls, help create their part of Creation by expressing their personalities into Creation, and then by having their personalities do things (further create) in Creation.

SOUL exists existentially

Our Physical Body and our Spirit Body are of Creation, being linked together by cords of light as are the two spirit bodies, male and female, to the one Soul.

One's unique personality is soul based. Our unique soul expresses its unique personality through the two spirit bodies and physical bodies expressing both the male and female aspects.

Throughout the Avonal Age of 1,000 years, their Spirits of Truth will assist us in embracing and engaging with our Feeling Healing and with Divine Love our Soul Healing. The extent to which the Avonal Pair develop themselves while here in the physical on Earth is the level that their Spirits of Truth will be able to assist us. Then it will be Mary and Jesus' Spirits of Truth that will assist us up and out of Nebadon, where our Heavenly Parents will then assist us onto Paradise, Their home.

## Prayer for Divine Love

Long to God for Their Divine Love

Begin with the understanding that God, your Heavenly Mother and Heavenly Father, are offering you Their Divine Love. And all you have to do is want it, want Them to give it to you, to love you. So when you feel you want it, you long directly to Them for it, asking them through your feelings (with longing) to fill your heart and soul with Their Divine Love.

You can long for Their Divine Love, anywhere and at any time. It can be a formal prayer – longing, such as sitting in meditation or prayer, opening your heart to Them, and longing to Them for Their Divine Love. Or you can do it spontaneously on the go, when the desire to long to Them for Their Divine Love comes over you, or when you remember to do it.

Wanting God's Divine Love in your soul is about wanting to develop a very personal relationship with your Heavenly Parents. Speak to God as your real Parents. Tell Them all you are thinking and feeling, as you would your earthly parents (provided you had a loving relationship enough with them to do that.) If you feel angry with God, hating Them, express all your negative unloving feelings to Them too. Don't hold back, share and give all of yourself to Them, They want to get to know you, as you want to get to know Them. And keep longing for Their Divine Love.

We have to long, reach out wanting Their love through our feelings and with the full will of wanting it, which doesn't involve any words, so with the mind staying out of it. It's a yearning from your heart wanting to be loved by Them, so wanting Them to give you Their Divine Love – to love you, and to make you feel loved by Them. So it doesn't involve words, it's an inner yearning, longing, desire to partake of their Divine Love that is required by us. Then we can support this longing using our mind by saying actual words (praying). So say whatever words you want to say to Them, whilst you are longing with your heart for Their Divine Love.

Just be yourself, say whatever you want to Them, as you long for Their Divine Love. The more personal, open and honest you can be with Them the better your relationship with Them can develop.

And once you've longed, which can take only a moment, then give yourself time for Them to love you. You might feel the Holy Spirit coming about you, and then Their Divine Love coming into you, gently, very subtly, or strongly, even very strongly in a whoosh. It's different for each of us, and different often each time we long. And if you have previously longed to God in any way yet not specifically for Their Divine Love,

when you do specifically ask Them for it, it will be a very familiar experience you'll have receiving it.

If you are sitting formally in mediation or prayer, once you've longed to Them for Their Divine Love, and you feel the Holy Spirit bringing it to you, you might find your head wants to move upwards as if looking into Heaven. Allow it too, but if it wants to keep going, don't stress yourself by hurting your neck, bring your head forward again. It's a lovely feeling sitting in the Light of the Divine Love, feeling it coming into your heart and soul. And you might find that you enjoy sitting for five minutes or half an hour, then suddenly the 'light goes off' and the prayer is over as you've received enough Divine Love for the time being.

Also, don't be surprised if at first you can feel the Love readily coming into you but as the years pass it seems to get less and less and you feel less inclined to long for it. This is naturally meaning you have received enough for the time being, you will need to do more of your Spiritual Healing before your soul is ready to receive more.

Summary:

Long with all your heart to your Heavenly Mother and Father for Their Divine Love.

## **DIVINE LOVE – what does it do?**

The divine gift from asking for and receiving Divine Love will steadily, but with certainty, raise one's quality of life and also of all those around such a person who is seeking and receiving this Love.

The receiving of Divine Love, which is a substance, with certainty, progressively:

- Raises one's love for those around them, whilst embracing one's Feeling Healing.
- Raises one's perception of all things – naturally grows one's intelligence – soul intelligence.
- Enables one to feel and resolve negative emotional issues more readily during Feeling Healing.
- Humility becomes self evident. Humility enables one to feel their errors and emotions.
- Divine Love strengthens one's resolve to express errors, emotional injuries and untruths.
- Divine Love with Feeling Healing to remove emotional errors, enhances one's health.
- Divine Love enables one to become more childlike – not adult serious at all times.

- As our faith grows our intensity to ask and then receive Divine Love grows.
- We begin to follow our passions and desires, no longer fear and mind driven.
- Truth being told at all times then progressively becomes a way of life.
- Our quality of life blossoms, our finances and relationships prosper.
- Man creates his own environment, seeking Divine Love can vastly improve one's environment.
- Health carers receiving Divine Love enhance healing outcomes beyond comprehension.
- Receiving Divine Love may assist in bringing a struggling marriage back into harmony.
- You progressively become dependent upon our Heavenly Parents, not self dependent.
- Personal growth in love directly assists the soul condition growth of one's children.
- Divine Love assists one's rate of soul condition to progress whilst embracing Feeling Healing.
- Divine Love is a substance that changes the human soul to that of the Divine.
- Without Divine Love, one cannot progress into the Celestial Spheres (8<sup>th</sup> sphere and higher).
- Divine Love, with Feeling Healing, enables everlasting Love and Life in the Celestial Heavens.
- Guarantees Immortality of the soul – Soul and Personality Survival.
- Transforms our natural love soul into becoming divine.
- Is the Way to become at-one with God. And Live God's Will.

**The Golden rule is: Never interfere with another's will.**

**Our Heavenly Parents simply desires for us to ask for Their Love.**

**Whilst we are receiving our Heavenly Parents' Divine Love, and that this Love is causing change within our soul and spirit attributes, the greatest Truth known to man and spirit is that this is the way our Mother and Father are actually loving us! When we progress, it is God's way of loving us into love and then we live what we are, love.**

**EXPERIENCES, FEELINGS and TRUTH:**

We look into the night sky and see around 1,000 stars that possibly are the hosts to the 619 humanities of our local system, Satania. Earth is on the outskirts of Satania.

When we ‘die’, and shed our physical body as we are spirits having a physical experience, we all arrive on the 1<sup>st</sup> spirit Mansion World.

If we continue to live through our minds, then we may progress to worlds 2, 4 then 6 and no further – dead end!

Should we embrace Feeling Healing with Divine Love, we will start our journey of Truth and Love, progressing through Healing Mansion Worlds 3, 5 and 7, then through the Celestial Heavens and onwards out through our Local Universe of Nebadon and on to Paradise, the home of our Heavenly Parents.

The spirit worlds are within a different dimension to the physical stars and earths. However, picturing the spirit worlds within the centre of our local system is only a visualisation aid and not necessarily accurate.

## Our FEELINGS are our SUPREME GUIDES:

# Feelings!

Feelings are what guide us through our ascension of truth. So they are really our Supreme Guides. Many people look for a person, spirit, angel, even God, for supreme guidance, however it's all right there already built in – in our feelings. We just have to submit to them, allowing them to take us where they will, expressing all the parts we want to express, letting the emotion drive that expression if it's there to be expressed, or just talking about all we feel and how feeling that feeling is making us feel – or, how we feel about having that feeling, all whilst longing for the truth of our feelings. Longing for the truth of our feelings is really: Longing for the truth of our self, because: we are our feelings. So life stirs up our feelings, we feel being alive; or, being alive means we are feeling, always feeling; and when we work out what and why we are feeling what we are, so then we know the truth of how we are. And over time the truth accumulates, and our mind expands our understanding of ourselves, all being driven from our feelings.

Kevin, 1<sup>st</sup> Celestial Heaven, 26 September 2017

## Using our feelings to uncover the whole truth of our negative or anti truth and anti love state.

Kevin: So whilst we're of an untrue state, then all we have got to help us understand why we feel bad, why we are wrong, why we are negative and anti love and truth, is our feelings. So if we focus on our bad feelings, they will lead us to the truth of why we're feeling bad. Which will be the truth of what happened to us to make us be this wrong way, and how we took on the wrong way and keep it going making us feel bad.

## FEELING HEALING

**Note:** The vital difference between emotion and feeling is that emotions have their roots in the past, and feelings relate to the present moment. Emotions represent our feelings which were not previously expressed, and these accumulate with time.

**Note:** Our feelings are soul-based. Our soul is always in truth. It is our soul based feelings, that when allowed to be freely recognised, we will begin to express and be who we are. This takes time and perseverance as we have encrusted our souls with layers upon layers of errors and false beliefs, it is these layers that will confuse the truth that our soul is conveying to us. Only by our progression with our Feeling Healing will our soul's expression of truth become clear and free of all cloudiness and contamination.

“What our soul needs in accordance with our own, individual, **Soul-Light-Plan-Of-Destiny** (your life's true destiny plan), They, being our Mother and Father, will give you as required. The only way we can know truly what we need is to honour and follow our true feelings. They, springing from our soul, literally telling us what we need, and so when we genuinely feel we need something, we apply our will to get it. The hard part is knowing if our feelings are true, and until we have done our whole soul-healing, they won't be clear and totally true.” James – Introduction Course to Divine Love Spirituality

NEW FEELINGS WAY

This is the time in the history of Earth's humanity when the greatest event ever experienced throughout its almost one-million-year history is taking place.

At the time of World War II, 1939-1945, Earth's humanity was around 2.4 billion. Given the major recovery issues post war, the duration could be said to be 10 years and then some.

What is unfolding for humanity now is a factor 100 times more significant, and then some. Not only is Earth becoming fully engaged, so too are the 2 Earth planes, the 7 spirit Mansion Worlds and the 3 Celestial Heavens. That is 13 worlds.

Upon death of our physical body, we all transition to the 1<sup>st</sup> Mansion World

Earth's population in 2020 is approaching 8 billion; spirit Mansion Worlds 1 and 2 have approximately 200 billion; the numbers for the 2 Earth planes are unknown, however they are near capacity; the Mansion Worlds 3, 4, 5, 6 and 7 could be any number. The 3 Celestial Heavens have approximately 30 billion personalities engaged in assisting in these events and the administration of the coming Avonal Age. All worlds combined having in excess of 250 billion personalities – more than 100-fold. Now add the angels!

The Avonal Age is for the next 1,000 years, more than 100 times the duration of World War II – well, 40 generations of 25 years each.

Lucifer and his soulmate / soul partner (Lanonandeks and System Sovereigns) rebelled, taking over their small part of Mary and Jesus's universe corrupting 37 'earths' and their associated spirit Mansion Worlds.

Satan and his soulmate (Lanonandeks) joined the Lucifers, helping to convince Caligastia and his soulmate (Lanonandeks and Planetary Prince of Earth) and Daligastia and his soulmate (Lanonandeks) to join the Rebellion, which they did, specifically corrupting the people of our Earth – Urantia.

Mary Magdalene and Jesus (soulmates) bestowed themselves on Earth, thereby terminating the Lucifers' and Satans' System Rebellion. The Lucifers and Satans were then interned on a spirit prison world.

It is now for an Avonal Bestowal Pair to terminate the Caligastias and Daligastias, with, so we understand, the first stage being completed, so these rebellious Lanonandek pairs can no longer negatively affect Earth or its associated Mansion Worlds.

Avonal Daughters and Sons have been progressively incarnating onto each of the rebellious worlds and one by one, the 37 Lanonandek Planetary Princes have been arrested and imprisoned. Caligastia, Earth's fallen Planetary Prince and his associate, Daligastia, being imprisoned in the early 1990s.

It is anticipated that the Avonals will shortly have all the wayward Lanonandek Planetary Princes and Princesses imprisoned and will be proceeding to introduce to their custodian humanities to their New Feeling Way.

The Creator Daughter and Son address regional issues – the whole of Nebadon, as in Mary and Jesus' case; whereas Avonal Pairs address individual planetary issues. Mary and Jesus ended the Rebellion in Nebadon with no further planets being able to be corrupted by it; the Avonals will end it, and the Planetary Default of Eve and Adam, specifically on Earth. They will do this once they've completed their Spiritual Healing revealing the New Feeling Way.

## ***The Rebellion and Default.***

Way back in humanity's history, spirits (The Evil Ones) higher than us and part of (our local universe) Nebadon's universal hierarchy, rebelled against Mary and Jesus and denied the existence of a loving Soul, Mother and Father. They came to Earth, and other higher spirits who were already here and supposedly whose job it was to help humanity evolve and grow to love God joined them, and together they set about controlling us and corrupting our minds. They in effect turned our ancestor's minds and wills against themselves. They wanted humanity to serve them and not live loving free lives with God. Their influences were severe and we've lived many generations perfecting our negative mind controlled states of self-denial.

After the Rebellion and added to it, was what is called the Planetary Default of another two higher spirits who came to Earth to help us, Adam and Eve (or who they represent). These two spirits were corrupted by the other higher evil rebellious ones and unwittingly coerced into default. They didn't outrightly and willingly accept the Rebellion choosing to join the rebels, but they were unconsciously led astray bringing about their Default. So what this means is: we are similar to them. Eve and Adam represented the perfect mother and father to whom all parents could have aspired to be like. But now all parents follow them, living the Rebellion by default – unconsciously parenting their children into the Rebellion by default.

As adults we are ignorant of the negative influences we're living; what we're doing to ourselves, and how we are living in a whole society and culture of self-denial. Life is not good for us unless we are in a power position. We are all striving for power in some way, but this is an untrue way to live, because, as I'm sure as most of us can testify, power (what we think and believe it to be) doesn't actually make us feel good. In the end you still wonder why you feel bad even when you have all the power you do.

So unconsciously we influence and subject our children to the same negative pressures and influences Adam and Eve were subjected to and with the same end result. Unwittingly we make our children deny themselves their full soul expression by default. We make them suppress many of their feelings when they are very young, and we make them join us in our negative states so they can continue repressing and denying themselves.

We do this because we want to gain power (because we feel so powerless). We parent, having power over our children, making them feel powerless. And so the whole negative mind state has been passed down generation after generation. And humanity through all the ages has wondered why it feels bad and why life doesn't seem right, and has wondered endlessly how to fix it. But without Mary and Jesus' higher help (higher in truth than the original misleading rebellious spirits) we can't work it out and we never will. However, now with their help, we can.

## ***What can you achieve by doing your soul-healing?***

You can heal EVERYTHING that is not right within you. That is: every part of your mind, every belief, all behaviour that stems from your erroneous beliefs, all your negativity, all your bad feelings, all of your dysfunctional will. Any illness and disease: physical, mental, emotional, or spiritual can be healed, because all of these things are only happening to you as a manifestation of your unexpressed repressed early childhood feelings. The only thing that makes you sick, whether it be a common cold or cancer, and everything that makes you feel bad, all has its origin in your early childhood repressed feelings. Doctors and psychotherapists can search all day long for the causes of all that makes you feel bad, but unless they're looking into your childhood, they will always only be doing band aide work leaving you to wonder about what's really going on.

I believe you can heal everything through the doing of your soul-healing so that you never need to go to the doctor. I'm not saying you shouldn't go to the doctor because you've started to receive God's Love, you SHOULD ALWAYS DO WHAT YOU FEEL TO DO, but I am saying that I believe that if you do heal all your childhood repression then really there is no reason for you to get sick. Because by then you will be freely and truly expressing all you feel, and so, without ever denying any part of what you feel and who you are; without ever suppressing or repressing any part of yourself, you have no reason or need to get sick. I believe we only get sick to help show us there is something wrong – that we are not expressing ourselves – our soul – all our feelings, truly.

Through your soul-healing you'll be able to work out the truth of everything that is in your life: why it is; and the truth of everything that happens to you: why it does; and the truth of everything about yourself: why you think, feel, and behave how you do – everything. And by the end of it you'll have a greater appreciation about what and who you are: you, your personality – you, your soul. And you will marvel constantly at yourself: at what the Mother and Father have created – YOU.

Your healing is the first major step along your spiritual path to Paradise. You've had all these years playing around in your mind, seeing what life is like living in a negative mind state, and now you can start to give over to your soul. Once your healing is finished you are free to keep ascending in truth up through the higher or inner heavens all the way to Paradise, and then once there, it is said (as you can read in *The Urantia Book*) you will be able to *meet* Them.

The doing of your soul-healing will arrive you at the first and most bottom rung of your universal ascent. It will get you out of the sandpit (or perhaps bog?) of self-denial we call life on Earth, and then you'll begin to understand what living true to yourself and true to God is really all about.

Living in the negative is living in a no-love state. You might feel love in your life but this is only relative within your negative mind condition. What real love is and how it makes you feel awaits you when you've finished your soul-healing. Love, and the happiness that comes with it, is the feeling-aim of doing your healing. It is something, a state of mind and a way of life, yet to be seen on Earth as expressed by the mortal soul. Jesus and Mary did live it, however they didn't first have to do their soul-healing.

Your healing will help you see the truth of all your relationships. Again this might not be what some people want to see. Many people don't want anything to happen to their relationships, particularly with their parents, believing they did or do have a very loving relationship with them. And it's not for me to say they didn't. What I do want to say is that based on my own experiences, I'd advise anyone to do their healing first and then see what the truth of their relationship with their parents is. If you felt one bad thing during your childhood, and couldn't freely express all you felt about it, then this bad thing will

need to be healed and its associated repressed bad feelings expressed. And until you do it, it will be affecting your relationships of love with yourself, other people, with nature, and with God.

### OUR GUIDANCE to PARADISE, the home of our HEAVENLY PARENTS:

There are three distinct phases of our progression to the home of our Heavenly Parents which is Paradise that is within the circle of seven Super Universes, each containing many Local Universes.

Once we progress beyond our Local Universe of Nebadon, then we are assisted and guided by our Heavenly Parents, our true Mother and Father all the way home to Paradise.

Before then, once we have completed our soul healing, we are guided through the Celestial Heaven worlds which are those that interact with humanity on Earth, then further on into and then out through Nebadon, our Local Universe. The regents of Nebadon are Mary and Jesus.

However, before then, we are to embrace our healing. That is, we are to realise who we truly are. We are not the personalities that our parents imposed upon us. We are to uncover the truth of our childhood suppression and repression, freeing our true personality that our Heavenly Parents gave us. And to do this we are now able to embrace the guidance of the Avonal Pair who will lead us through our healing here on Earth and through the Spirit Mansion Worlds to be able to enter the Celestial Heavens.

## ***Soul–Healing: What is it?***

Our soul-healing is the expressing of every part of us we have denied. What this means is that as we've grown through our early development, starting at conception, if any part of us has been stopped from freely and truly expressing itself then it exists within us in a denial or negative state. And essentially that part of us is still waiting to be expressed. And our healing is the liberating of all these parts.

Our soul has a very specific life programmed within it. As I've said it's called (well anyway, it's what I call it) our Soul Light Print of Destiny. It has been created by the Mother and Father to bring itself – to express itself, you, into being, in Creation. The Mother and Father have given us all a unique personality. Our personality is the part of us that separates us from one another in Creation. And our soul is trying to express its personality in Creation. With every experience you have, no matter how small it is, in each moment, your soul is literally expressing more of you, the whole personality you are – all your parts – in Creation. With each heart beat, each breath, more of you is being expressed, more of you is living, more of you experiencing, and so more of you is in effect here, existing in Creation. And so there's continually more of you, you can get to know.

We can't fathom the depths of our soul. But one of the goals of our existence is that the Mother and Father want us to fully express all of our soul in Creation. This will take the whole of eternity to do, but what a great adventure it will be. Look how it is already starting off for you, living fully entrenched in an evil state of mind!

When we start our incarnation, the first objective of our soul is to get us up and running, expressing all the vital parts (attributes) of us (our personality) that will allow us to maximise learning and growing in truth from our experiences. As we experience and grow in the truth of that experience (as we're experiencing it), the experience generates a *light*, which goes back into our soul telling it that we are ready for the next part of our life – our next experience – and so it brings about our next moment. This feedback loop is continually bringing us into being. Our whole life is orchestrated by our soul, from within – even what seems to happen to us out of the blue and from outside of us is all occurring in answer to our soul's inherent patterns.

It is crucial in our formative years that we receive all the love, care and acceptance our soul – us – needs, so we can be welcomed into life allowing all of our emerging personality attributes to be freely expressed. If something makes us feel bad we need to be allowed to express that pain. We need to be allowed to cry and speak out about it as we grow – as our mind forms. We need to be able to say everything we feel we want to say. We want to grow into adults being freely able to express all our good and bad feelings. Because then we are whole and real people and will know how to live our lives in accordance with the needs of our soul and not being controlled by our minds. We will feel what we want to do, what our life is about, and do it believing and knowing that we can do anything we feel – anything that makes us feel good.

Life must be how you want it, and only you, not how someone else wants it. However, this is not how we've been parented. We've been made to suit what our parent's want thereby denying large parts of our own self-expression. To stop being how you want to be, and instead to make yourself be how your parents want you to be in any given situation, is major denial and has had serious traumatic effects on you.

We have been made to grow into adults with many aspects of our personality being denied. We have not been allowed to live our life the way our soul wants to. We've been forced to go against ourselves in many experiences. We've been forced to deny ourselves (many of our feelings), thereby also denying

the truth of these experiences resulting in us not growing true to our feelings and instead becoming more reliant on our minds to tell us what to do.

When you feel: out of touch with your feelings, looking for answers, unfulfilled, unhappy; not happy about your life or yourself in any way, you are sensing and feeling these denied aspects of yourself. Your soul is crying out to you that things are not right and you need to do something about it. And that something is to choose to live and honour it and end the negative control your mind now has over you, thereby giving you back to yourself.

Why your soul simply doesn't step in and fix you is because once it begins to incarnate you, your personality in Creation is then beholden to exist within the Laws of Creation – these being the **Laws of Will**. What this means is once your will starts to manifest, right from the first moment, your soul has

to do what it (your will) wants. So if your will is negatively influenced, if you are made to turn your will against yourself, then that is what your soul has to honour. (Of course your soul has all of this, your induction into your negative state, within its plan, but effectively on the will level this is what it's like.) And this is what has happened to us all. Our parents have negatively influenced our wills and we have grown up mistakenly believing (and unconscious of these beliefs) that we have to live this way using our wills to keep our negative mind state in control of us. And so to reverse this situation (and become conscious of what's really going on), and to bring our wills back into positivity, helping us grow and express ourselves in Creation, we need to do our healing. We need to identify all the dysfunctional parts of our will. We need to see how these aspects of us are denying ourselves; how we are living against and untrue to ourselves, and we need to see how this all happened in the first place; what happened to us: to our wills, to screw us up. This is seeing the whole truth of yourself, the truth of all your self-denial, the truth of your repressed childhood. And as we see the truth then we can bring these denied aspects of ourselves out into the open, and in doing so can decide if we still want to live with them going against us or not. And in our moment of deciding that we don't want to deny and hurt ourselves, knowing and seeing the whole of truth of why we are, we are healed. We are literally making our will come back and be loving of us and on our side; working with us, rather than against us.

Our **will-healing** is inclusive of our soul-healing. We are setting out to rectify everything within us that is wrong: everything that exists out of harmony and is in rebellion against God's Universal Laws of Love. And to do this we begin by acknowledging our bad feelings. When you feel bad your bad feeling is the signal that something within is wrong and needs attention. By honouring these bad feelings, accepting rather than ignoring them or pretending they are not there because we don't want them and don't want to feel bad, we are using them to lead us into the truth of where they are coming from and why. By expressing our bad feelings and longing to see the truth of them, they can lead us back into our early childhood, so we can see what happened between our parents and us that caused our self-denial. And gradually as we focus on and express all our bad feelings, we will see the whole truth of what's caused them and how we're using our will to keep the denial going. And we'll eventually see the whole truth of ourselves, all we've been made to deny during our childhood, and how we've been made to suppress our feeling-denial keeping it all repressed within us.

So, our soul-healing is the healing of our childhood repression by seeing the truth of it though the

honouring and expressing of all our bad feelings. And this is why our bad feelings are so important. It's why I've been focusing on them during this course: to get you used to the idea that they are vital and need to be accepted and not dismissed. Any bad feeling you: reject, push away, dismiss, don't want to know about, is your mind's learnt pattern of self-denial. To deny any bad feeling is to keep yourself trapped within your negative mind state. So when you say, 'it doesn't matter', or 'I'll get over it', or 'don't speak to me about those bad things', or 'I only want to feel good and be positive', and so on, you are keeping yourself locked up within your denial mind and associated negative behavioural patterns. And as you will discover, if you want to do your soul-healing, there will be many things you are doing to yourself (most of them unconsciously) that are keeping your whole negative mind state in control of you. To break down these controlling mental belief patterns and their associated negative behaviour is very difficult and requires a lot of will and longing-for-the-truth to do it, but it can be done. You created your negative patterns and set them in motion to begin with, so you can undo, break apart, and heal them.

EVERYTHING that is wrong with you in anyway is because of what you've been made to suffer and repress since your early childhood – EVERYTHING! And it all needs to be healed one day, either on Earth or in spirit. One day your soul will begin to pressurise you into addressing these inner problems. This usually is shown by things not happening in your life how you want them to. This is your soul trying to send you messages telling you that you are going the wrong way. It is trying to make you feel bad, so you will eventually have to face your bad feelings. So you will have to stop what you are doing and pay attention to your feelings. If you keep running away from feeling bad then you will only make things harder for yourself, and you'll feel worse. I'm sure you've experienced: feeling bad about something, being all knotted up about it, then speaking up and expressing all your bad feelings, to suddenly feel good, relieved and lighter, even declaring: 'What was so bad about it anyway' – this is an example of expressing your bad feelings. And can you see how much better it makes you feel?

Padgett Messages – Book of Truths as published by Joseph Babinsky

I am here, Jesus –

You must not let the cares of this world keep you from God. Let His spirit come into your soul. Your will is the thing that determines whether you will become a child of God or not. Unless you are willing to let the holy spirit enter into your heart, it will not do so (God's Divine Love: Pray for it, ask for it, and receive it – the holy spirit is the instrument that delivers the Divine Love). Only the voluntary submission to, or acceptance, of the holy spirit will make the change.

I was the instrument in God's hands of leading men to His favour and love. When I said "I am the way, the truth and the life," I meant that through my teachings and example men should be able to find God. I was not God and never claimed to be. The worship of me (Jesus) as a God is blasphemous and I did not teach it. I am a son of God as you are. Do not let the teachings of men lead you to worship me as a God; I am not.

The trinity is a mistake of the writers of the Bible. There is no trinity; there is only one God, the Father (one soul manifests two personalities, male and female – God is Mother and Father). He is one and alone. I am His teacher of truth; the holy spirit is His messenger and dispenser of love to mankind. We are only His instruments in bringing man to a union with Him. I am not the equal of my Father; He is the only true God. I came from the spirit world to Earth and took the form of man, but I did not become a God—only the son of my (Mother and) Father. You also lived as a spirit in that kingdom, and took the form of man merely as a son of your Father. You are the same as I am, except as to spiritual development, and you may become as greatly developed as me. When on Earth, I was the only son who had, until then, become vested with the Divine Love of God to the extent of being wholly free from sin and error. My life was not a life of earthly pleasure or sin, but was given wholly to my Father's work. I was His only son in that light. He was my Father as I knew Him to be. He is not a spirit of form like myself or yourself.

I was born as you were born. I was the son of Mary and Joseph, and not born of the holy spirit as it is written in the Bible. (Jesus was conceived in the same manner as all of us – there was no virgin birth.) I was only a human being as regards my birth and physical existence. The account in the New Testament is not true, and was written by those who knew not what they wrote. They have done the cause of God's truths much injury. Let not your belief in that error keep you from seeing that my teachings are the truth. Be only a believer of God and His truths and you will soon be in the kingdom.

## The NEW WAY The NEW WAY

Since the bestowal of Mary Magdalene and Jesus on Earth in the first century, incomplete records have been built on from memory by disciples of their teachings and activities. Scant writings have been copied, recopied, translated through various languages time and time again with scribes imposing their opinions along the way. Amongst that have been political interventions. At all times, spirits from the mind Mansion Worlds have influenced the content of records to be in compliance with the Rebellion. In the early years there were no Celestial spirits – the Celestial Heavens having just been opened by Jesus. Up until 2017 Celestial Spirits had not been authorised to connect with people in the physical on Earth.

Further, and possibly more to the detriment of scriptures, is the trait of people making assumptions. Assumptions are the result of the mind forming a point of view. Our minds are unable to determine

truth from falsehood, our minds are addicted to control over others, and our minds are addicted to untruth. The error rate of an assumption is 98%. The other 2% are flukes! Given that we have had 2,000 years of scriptures being contaminated in various ways with assumptions upon assumptions to compounding errors from the start, it is amazing that there are some truths still being conveyed.

Consequently, for the past 200,000 years we have been seduced to living through our minds, expecting to be able to become mini-gods through our minds. Our parents, as theirs also did, have indoctrinated us to live through our minds and suppress our true personality, the one our Heavenly Parents gave us, and now we see all of humanity functioning in some form of stupor, all being depressed to varying degrees.

Now, high level Avonal spirits from Paradise are leading us out of our Rebellion and Default through Feeling Healing and towards embracing our soul based feelings, which are always in truth and love, to live by. This is the greatest event in the history of Earth's humanity.

Saturday, 2 January 2021

Marge, newly arrived 1<sup>st</sup> Mansion World spirit having passed over on 26 November 2020: Hi James, I have talked over what you said about the Divine Love and the Indwelling Spirit with a Celestial pair I discovered who are available to discuss such things with. Adriana told me about them. You can go to them or they come to you.

They were a delightful pair, so enthusiastic and happy I was wanting to move deeper into understand more of what I'm actually doing in a spiritual and Truth sense. They said, which was surprising to me, that relatively few spirits doing their Healing wanted to also investigate all the spiritual information side of it. Many spirits become aware that it's beneficial for them to long for the Divine Love, and they do, yet don't want to go much further into understanding what you told me. Possibly we spirits pick it up, a bit here and a bit there, by the time we finish our Healing. I can understand that, there's more than enough to occupy your mind through trying to come to terms with all the psychology and behaviour and belief patterns you reveal to yourself through your feelings.

One thing they said about the Divine Love is that in fact it actually comes from the Divine Minister, She being something like the Mother Spirit for us all in this Universe. (Our local universe is called Nebadon which has 3,840,101 physically inhabited worlds of which Mary Magdalene and Jesus are co-regents of.) They only touched on this, as we went onto other things. Then later it came back into my mind as I was thinking over all they said, so I thought I'd ask you about it.

James: She is the 'Mother of Mind' for us here in our universe (Nebadon). It's a bit complicated, however basically Mary Magdalene and Jesus (who are soulmates / soul partners) are the 'Father of Truth', and so we follow Mary and Jesus to the Truth here within their Local Universe; whilst the Divine Minister provides the Mind side of things for us, being the 'Mother of Mind'. So She helps us work through all the problems of our mind, as Mary and Jesus' Spirit of Truth helps to reveal the truths we need to know as we attend to our feelings properly.

The Divine Minister also directs the Holy Spirit (which is an attribute of Her Mind) to bring the Divine Love to us when we're longing for it. So when you feel that lovely feeling of the Love coming about you, like the Holy Ghost moving about you and then moving into you, that's actually the Holy Spirit delivering the Divine Love into your heart and soul. I don't think we're advanced enough yet in truth to actually sense or feel the Divine Love itself, so it comes to us through the Holy Spirit from the Divine Minister on behalf of our Heavenly Mother and Father. Everything is stepped down from God.

Marge: I see. So reading your mind James, it's the interaction between our Indwelling Spirit, the Divine Minister, and the truth contained in our soul from our feelings, that enables us to feel we're actually communicating directly with our Mother and Father, as I feel when I receive Their Love, feeling They really were loving me.

James: Yes, that's right.

Marge: Marie is tuned in, she was helping me out. And so again the Church doesn't really understand such things. (Marie is a 1<sup>st</sup> Celestial Heaven spirit and Marjorie's mother.)

James: No. They claim the Holy Spirit can speak to people, speaking in tongues, and heal people, however that's not right. The Holy Spirit is just a mind-circuit of the Divine Minister, with its only function being to bring the Divine Love into our longing hearts and souls. It's not a spirit with its own personality, so we can't talk to it or it to us. It doesn't do anything else than convey the Divine Love.

The speaking in tongues thing, keeping it all mysterious in the way the messages are communicated, is from what I understand just religious spirits in the mind worlds speaking to people on Earth; they having to do in such a mysterious way to make it sound special – and you're a special person if you can decipher / translate what it's saying. And when people say the Holy Spirit told them this or that, it's more than likely other mind spirits talking to them. And the same with any such miraculous healing attributed to the Holy Spirit. That is either done again by mind world spirits, or in some situations, by Angels. But it's not done by the Holy Spirit. If any so-called healing came from the Holy Spirit, really it would be coming directly from the Divine Minister Herself. Which can happen so I understand under very specific circumstances and in relation to the Higher Daughters and Sons, like Mary Magdalene and Jesus. Usually such miraculous healings the Divine Minister would instruct Angels to do. All the Angels here within Mary and Jesus' universe are ultimately under the Divine Minister's command. She really is the 'Mother' to them, to the Angels and Nature spirits, along with all of nature, they all being creations of Her Mind.

Marge: And how do you know this James?

James: Some of it I've read about; spirits, including Mary and Jesus, have told me bits and pieces; the Angels themselves, and the Divine Minister Herself.

Marge: So you've spoken with them all?

James: Yes. I've not spoken with the Divine Minister that often, as she works more through her Angels.

Marge: I see. I find I can only take so much in at one time James.

James: Yes, that's understandable Marge! All this sort of information when you are wanting to know the Truth through your feelings, when you are striving to do your Healing, carries with it more of the spirit light you've been talking about. So when you take on the information and start to personally connect with it, you're also receiving the 'light of it', and so that's what causes you to feel like you've had enough, because you're full of the light of such truth and information. And it then takes time for you to 'process' it all. And the more advanced you are in Truth, so the more Light of Truth you can deal with.

Marge: I do feel it's so much more real to me than say just being told something in the mind worlds and like how it was on Earth. It's like this information and truth, as you say, has more 'body' or depth to it, and so from what you're saying, that's the spirit light of it.

James: Yes. You take it in and it affects you on many levels, all of which adds up to you living spiritually by growing in truth and the understanding of it, all being driven through your Spiritual Healing as you're following, accepting, expressing and longing for the truth of your feelings.

Marge: So it comes back to my continuing to live the right way with my feelings.

James: Yes. When you attend to your feelings the right way, when you're not working to deny any of them, then naturally you grow in Truth – the truth about yourself comes to light. And along with that, you also grow in a spiritual light that reflects the level of truth you are living. So when for example you're with the Celestials, like your mum, then it's the light of their truth that you are feeling emanating from them. And that can feel like you're being drawn to them, to be like them, it being a good feeling; or, you will be repulsed by it, being unable to be with them, it making you feel bad – because you're not wanting the truth they are living. So when they go into the mind worlds being with spirits who don't want to know about or live the higher Celestial truths they are living, they either have to turn the light of their truth right down, or else freak the mind spirits out who'd all cower in fear of their light, in fear of the truth, because they are living against it. The light of the Celestials Truth showing them up for the untruth they are.

Marge: Yes, mum told me that's what she has to do and why. And because she doesn't like turning her Truth-Light down, she rarely wants to visit the mind worlds, as they are unreceptive to her.

James: It being the same for all the Celestials. So she came to you in the first mind world because of specifically wanting to help you, and mostly you met in places with few mind spirits.

Marge: Yes, mostly alone in The Park. It must be hard for her having to turn her light down.

James: I don't know. I've not asked her about that. All the Celestials, even the one's helping you with your Healing, would have to keep their light down being on the First Mansion World with you, however less so being in the Healing sector where you need their light to affect you positively by helping to stir you up and bring up more of your repressed feelings.

Marge: So the Celestials are constantly affecting us... all to help us with our Healing. I'll ask them about it James.

So when my mind is changing, as I express my feelings, that is my Angels helping it to change being guided to by the Divine Minister – is that right?

James: Yes, all in conjunction with your Indwelling Spirit and the needs of your soul, all doing for you what the Mother and Father want.

Marge: So our Heavenly Parents delegate what They want done?

James: Yes. Which is why it's called an Ascension of Truth, because as we grow or evolve in truth, so we move up and in through all the levels of such delegation, until we're finally with Them on Paradise.

Marge: I think I've had enough information for the time being James.

I didn't get round to praying again for the Divine Love with Alicia, however I still intend to. She wants to too, however we both got caught up speaking with neighbours.

One other thing I want to tell you before I go, is that I'm going to have an intensive Group Healing session tomorrow like how it was for Adriana. And apparently, so the Celestials I was talking about the Divine Love today said, if it goes well and I feel good about all that happens, if I can go with my

feelings well enough, then should I want, I will be able to move with Adriana into the Third World (the first of the healing Mansion Worlds 3, 5 and 7). And Alicia (15 year old Peruvian girl) will be able to come with me too.

So that made me feel good, as I'm liking Adriana more. We have a good rapport, and as she suggested, we'd be able to work helping each other do our Healing together, and I like the idea of that.

The Celestials said it doesn't matter about the actual time spent here in this First World Healing Sector, it's simply how open to my feelings I am. And I can feel myself opening up. Compared to Marlon's group, my lying for hours on my bed crying, is much more open than they are. So I'm happy about that, moving with Adriana, which she seems to think will be in a few weeks. And by then I'd be even more open to my feelings. It all seems right, you know, something inside me, some part of me wants to do it, to get going in it. So I suppose it's my soul wanting me to push on, and that could be why it's happening relatively fast compared to some of the other spirits. More of what my Angels did for me when I died.

I was hoping Alicia would say she'd want to come with me, and she said she would. She said she wants to stay with me, and wouldn't miss leaving her new friends. She says her new friends will all be coming sooner or later into the next Healing World anyway. She is very open to her feelings, she can instantly feel as bad as she feels, like a young child, one moment she's fine, then in a flash, she's feeling so bad. So we're talking more about all she feels. And Adriana has been helping too, and she would like Alicia to be with us. She still wants to live with children around, as they 'trigger' her bringing up many of her bad feelings.

And as for Marlon, well it will be a parting of the ways. And he's happy about that, happy to move slowly along with his Healing Group. He says that as much as he does in his Healing, it's also bringing up other things he wants to do in the regular mind sectors, so he says he might be staying in this First World Healing sector for some time before he moves on.

And although I hardly know him, as he said, "It's obvious to me Marge that you're much more suited to getting on with expressing your feelings and longing for the truth of them, than I am, I think we can both see that. And if you feel you want to move on, move on, go for it Marge, get right into your Healing, rid yourself of the horrible Rebellion within you." So it was nice to have his support.

So I am now, having only recently arrived here in this Healing sector, starting to prepare myself mentally for moving on. For getting serious about my Spiritual Healing, James.

I don't want to do anything else. I can feel my connection with my family fading away, I will see them when it's their time to come over here into spirit. Adriana says I will more than likely visit them for the purposes of my Healing, so through my Healing I will keep in touch with them. And I like the sound of that.

And I feel nothing for the mind worlds. So much is always going on in them; however, really, as I felt earlier, thinking about Peru, Butterflies, the Crystal Caves, The Market, and New Year's Eve, I can live without it all. It's no longer important. I will go to them as Adriana says, again to help me with my Healing, but not just to sight see or be with other mind spirits.

So my desire to do my Spiritual Healing is starting to consume me James. And like all you and the Celestial pair were telling me about the Divine Love, our Mother and Father, our Ascension of Truth to Paradise, and all the rest, I want to know about it all. I want to know what life is for, what really is the

purpose of it, and what is my true purpose – what does God want of me? And I want to get closer to God.

Something else has changed in me since sitting under that ‘waterfall’ of Their Divine Love. So many changes. And I’m feeling: They are my true Mother and Father, I am Their child, They created me; and so, I want to get to know Them, get to know my real Spiritual and Soul Mother and Father. And if They want me to ascend in Truth to Paradise, well I want to get on with it. I can feel the desire in me to get on with it, getting stronger, I guess a spiritual desire: to know the Truth and be of it. Like how the Celestials are. I feel so good whenever I am with any of them, they all have such a loving light about them. And I want to be as they are.

So in a way, I’m glad that I’m moving so fast in all of this, that I’ve not had time to develop friendships and settle in, only to have to leave them and move on or they leave me and move on. Adriana and Alicia are the only ones I care about at the moment, and as I’m able to go with them, I couldn’t be more happy.

So I’ll stop now and tell you how I fair tomorrow. I’m a bit nervous, I might be a cot-case afterwards. Anyway, I want to be ‘broken open’ more, because if all that darkness within me I am keeping repressed, I want to bring it out and see the truth of it.

Hopefully I’ll speak to you tomorrow. Until then James. Marge.

## How do you BECOME as SPIRITUAL as you can be?

James Moncrief

7 November 2020

It's to do with expressing yourself as truly as you can in your relationships. The truth of yourself, the truth of life, the truth of God is to be found in the truth of your relationships. When you interact in your relationship, when you express all you feel and think, and when the other person expresses all they feel and think, all whilst you are longing for the truth of all such interaction, then the truth will come, and then you are evolving your soul in Truth. And you can't be more spiritual than continually advancing your soul in Truth. That is Being Spiritual.

Only our difficulty is, most of us are heavily denying our feeling expression in our relationships, so we are severely limiting the depth and intimacy of the interaction we can have, so we are severely restricting the amount of truth we can gain from such experiences. So our Spiritual Healing involves allowing ourselves in our relationships, with ourselves and each other, to express all the bad, yukky, dark, nasty, pain parts that we're doing all we can to avoid. To maximise the relationship you can have with yourself and another person is to allow yourself to express ALL your bad (and good) feelings, all as you long to uncover the truth of all they will help you see about yourself.

To be spiritual is to be fully feeling expressive. Or to want to be. And the more feeling expressive you are in all your relationships, the more you'll get out of them, provided you want to see what Truth they contain. And the more you become that Truth, the higher in spiritual understanding you become, and so the more spiritual you are.

Being or becoming spiritual is not about attending your religion religiously saying your prayers to God, or sitting in meditation endlessly seeking Enlightenment or Knowledge; and it's not about climbing the highest mountain seeking the answers to life, it's about getting real in your relationships by dealing with all the bad feelings, moving with them, seeking resolution through understanding by going deeper into them, bringing all the hard stuff out, seeing it for what it really is, what's really going on within you and between you, and how does it all relate back to your early life and the relationships that you started your life in. It's about wanting to know the **WHOLE TRUTH OF YOUR PAIN**, so allowing yourself to feel all your pain as you express all the bad feelings of it in your relationships. And of course doing this in your most intimate relationships in which you can open and expose all the worst of yourself; all the ugliness of your pain; all the terror and torment; all your suffering – to bring out all your dark secrets; all you're so afraid of admitting you feel; all the really bad stuff you believe you are not allowed to speak about, to your partner who willingly wants more than anything for you to bring it all out. All so they (and you) can understand what is really going on inside you. And then you wanting them to bring out all their pain and suffering, so you are both truly 'there for each other', lovingly supporting each other by accepting each other's darkness.

Being truly spiritual is being true to all the feelings you feel. If you are true to all your feelings, and want to know the truth of them, then as the truth comes to you, as it will, then you are growing, evolving, ascending, in truth, and you can't be more spiritual than that.

**INDWELLING SPIRIT, THOUGHT ADJUSTER,  
MYSTERY MONITOR (all being the same):**

The external elements, instruments of the Father, do not form attributes of our own soul upon its initial creation by our Heavenly Parents, these are the Spirit of Truth, the Indwelling Spirit, and Divine Love.

The Holy Spirit, conveys Divine Love to your soul should you earnestly and lovingly ask for it. This is the only function of the Holy Spirit – Acting Spirit.

The Indwelling Spirit becomes present when we are around the age of six. This means that the unseen helper of the Father and Mother – the Indwelling Spirit – can always interact with the mortal soul and to be of service so that eventually the leadings from the Spirit may be the catalyst for that soul to seek our Parents.

The Indwelling Spirit reveals intrinsic workings of Father and Mother to your soul.

The Indwelling Spirit functions in much the same way as the Holy Spirit, ask and it will provide support and guidance.

The Indwelling Spirit / Thought Adjuster only works with us on the mind, feeling and psychic levels directly with our personality on conscious and unconscious levels of reality. It is the Divine Minister with hands-on help from our attending angels that do the actual adjusting of our mind circuits – of all our circuits, even the physical if need be.

Spirit of Truth becomes active more so when you connect to our Heavenly Parents and receive Their Divine Love.

You are a spirit person having a physical experience. Your physical body is encased within your spirit body.

The spirit body only exists because our soul wants it to. In the fullness of love, even all our encrustments and wrongness is not actually bad, they are just the nether side of love.

So evil is literally a state of mind, and once you heal it you even feel love for your wrongness and even no longer hate it – that being full self-acceptance. But you can't contrive these feelings or level of awareness, it has to come of itself and will through the higher levels of your Healing.

**WE EACH have a Nature Spirit pair, Spirit Guide pair and an Angelic Pair:**

For those doing their Healing or are interested in doing it, will from that time have their own personal angels, spirit guides and nature spirits with them, with whom they are to develop their own relationships should they want to. It is not about ‘sharing’ the same angels or guides or nature spirits, it is about you relating specifically to your ‘own’ ones because they are provided for YOU. It’s all for you, to maximise the experiences we each need.

We are all to have our own pure relationships. And it’s the same, of course, in life with your friends. However over there, in spirit, dealing with Nature Spirits, Spirit Guides and Angels, it’s more personal and private and ‘JUST FOR YOU’. So, we have our own separate, unique relationships.

For example, Nature Spirit Verna has been assigned to be specifically and only with James, and she ain’t going to be assigned to anyone else, so she won’t be sharing herself around.

This is SO IMPORTANT to understand; so that in future there won’t be all these people claiming to be speaking with Verna or Mary Magdalene or Jesus or Nanna Beth or anyone else who is part of it all in such capacity. Mary M and Jesus have spoken with James as they have, making it quite clear he is the only one they are speaking with.

We each have a band of a Nature Spirit pair, Spirit Guide pair, and an Angelic pair, each pair being in their ‘soulmate – soul partner’ relationship. Even though we are ascending mortals having a soulmate, even our soulmate has his or her own group of six personalities assisting him or her. Our assigned Nature Spirits do not continue with us into spirit, our Spirit Guides may for a time assist upon entry to the spirit Mansion Worlds. However, our personal Angelic pair continues with us to Paradise, and then even possibly being with us throughout eternity.

**Feelings first**

In a way, each person's Indwelling Spirit, which is really God, is contracting out the work needed to be done with you to other agencies. So to us spirits, the angels, the nature spirits, other elements under the Divine Minister's control, and even other non-humanity spirits, all of which end up doing increasingly more amounts of what your Indwelling Spirit does. And this 'outsourcing' is to affect greater personality interaction, increasing your experiences so they are maximised through interaction with different personalities rather than just relying solely on God. Overall, we are to become increasingly at-one with God, but we are to do that by becoming increasingly immersed in the experience of being with others.

Nanna Beth – 3<sup>rd</sup> Celestial Heaven: 25 December 2018

We each have a band of a Nature Spirit pair, Spirit Guide pair, and an Angelic pair, each pair being in their 'soulmate' relationship. In addition we have our personal Indwelling Spirit.

# NEW FEELINGS WAY

The way to Paradise and All-Love is a Feelings Way. The Feeling Way is about honouring – accepting and expressing, and longing for the truth, of all feelings. By doing our Spiritual Healing (Feeling-Healing and Soul-Healing with the Divine Love) we can uncover the truth of why we’re living in rebellion against the truth of ourselves. Why we live by denying so many of our feelings; especially our bad ones.

The Way of the Rebellion, The Mind Way, leads ultimately to mind-extinction involving annihilation of personality and soul. The Mind Way is about denying as many feelings as you can, selectively choosing the ones you want, all to maintain control over yourself. And yet by denying feelings and your expression of them, you are denying the truth they would help you see about yourself. So you are denying your own Spiritual Growth Of Truth. All of which can only lead to bad outcomes.

The Mind Way is a Dead End – and only pain. The Feeling Way is eternal growth of Truth, Love and Happiness. By truly embracing our feelings, longing for the truth they are to reveal, we evolve through:

Phase 1: Spiritual Healing through the Mansion Worlds and into the Celestial Heavens.

Phase 2: Evolving in Truth through our Local Universe, Nebadon, and into the superuniverse: Orvonton.

Phase 3: Truth progression through the superuniverse of Orvonton.

Phase 4: Truth progression through Havona, and attaining Paradise.

ALL Soul and Truth Progression is done by Living True To Our Feelings.

The New Feelings Way.

The rebellious Lanonandeks from within our local universe are these soul partner pairs:

## EDUCATORS UNIVERSITY RELIGION

Following the spirit world imprisonment of the System Sovereign and then Planetary Prince being rebellious Lanonandek spirits, the Celestial spirits have blocked communications between mind Mansion World spirits and humanity on Earth. The Hidden Controllers and other controlling organisations are now without spirit world guidance, since 22 March 2017. Those controllers, in the physical on Earth, are without their long term guidance.

Educators at all levels and throughout all systems have had withheld from them that we are to Live Feelings First. This is to change!

**“The education, for both women, men, girls and boys, is about how to live true to their feelings. How to embrace them willingly, how to work with them – express them, and the point of doing that, wanting to know the truth of them. That’s all.”**

## Law of Compensation *QUICKENING*

## World Controllers

are known as the hidden controllers on the world platform whereas the Deep State instigate their control over individual governments. The hidden controllers are families addicted to controlling others and have for generations evolved their evil genius by inflicting world wide suffering while accumulating impenetrable control over most of humanity enslaving them to debt and deprivation with impunity – until the commencement of the Avonal Age. These evil ones may be the first to feel the Law of Compensation come upon them which will debilitate and incapacitate them so they will no longer be able to continue with their evil ways. Through the instant application of the equivalent pain that would be associated with imposing their will upon another, they will find themselves in such a state that they cannot execute harmful intent and will therefore desist.

This earthing of the Law of Compensation will first apply to the Evil Ones, whose evil genius dominates their obsessive life style and is their total focus. These corrupted personalities who undertake heinous crimes without any remorse, believing it is their heritage and right, will find themselves suffering instantaneously and being crippled by pain causing them to abandon their controlling ways.

As the Law of Compensation is progressively expanded to embrace those with lesser controlling addictions, then humanity will find that the circumstance for conflict and war will abate thus slowly bringing about peace on Earth – the end of war.

Eventually, the full ambit of what the Law of Compensation is within the 1<sup>st</sup> spirit Mansion World may function on Earth which may see the closing of the spirit world ‘hells’ being the 1<sup>st</sup> and 2<sup>nd</sup> Earth planes.

The Law of Compensation applies to the harm we cause through our desire to control others. Once that is resolved then we proceed with the Law of Forgiveness which is our Feeling Healing resolving our childhood suppression and repression as well as how we treated our own children.

**Law of Compensation**

**Law of Forgiveness**

**WE ARE TO LIBERATE OUR SUPPRESSED PERSONALITY:**

We NEVER lose our personality, it is ours, and it's our precious gift from our Mother and Father. We are always who They have made us be. Personality is sacrosanct. It's the most valuable thing in Creation, it's what all Creation rides on, it's what all Creation exists for: the expression of personality.

All our Healing does is liberate our true personality, so it doesn't actually change us or make us be a different person, it just liberates all the parts of us that were stopped from freely expressing themselves.

All that is wrong or bad or imperfect within you, will turn into being perfect, right and good. You get rid of all the bad stuff by liberating all the hidden good, and as that comes to light, so the bad fades and then leaves altogether because you no longer need to be that false untrue you, the one your parents have made you be. But YOU, the basic intrinsic you, never changes, and all you don't love about yourself will go as you gradually love yourself more, all as you keep bringing out your repressed feelings.

Helen talking to James Moncrief 5 April 2017

When you start to do your soul-healing you are moving away from the control of your negative mind.

We all have a great responsibility to Creation and to our Heavenly Parents: to strive to be true and adhere to the perfection of our soul, so that by our own existence, as shown in our lives, we are helping to build Creation in the right way. A positive mind is of perfection and will add positively to Creation; a negative mind only seeks to add imperfection and destroy Creation. Creation being created by perfect love will only tolerate imperfection for so long. Although you are living a valuable experience in your evil and negative mind states, Creation and your soul will only tolerate such self-denial for so long. One day, if not sooner rather than later, you will feel the pressure on you to change, to find out why you are not happy and not all loving – to find out the truth of your no-love, denial state.

When you start to do your soul-healing you are moving away from the control of your negative mind.

Love can only go where truth exists.

to releasing your true, vibrant personality

The Mind Way – rejecting the truth of yourself  
by denying feelings, restricted forever to the  
mind Mansion Worlds;

or The Feeling Way – uncovering the truth of  
your feelings and ascending to Paradise.

The VOYAGE for KIDS with LIVING FEELINGS FIRST:

### Being Unloved and Rejected!

# FEELING HEALING For Kids

We, as parents, endeavour to impose upon our children the personality we desire, in the same manner as our parents did to us, thus perpetuating century old cycles. We substitute the personality that our Heavenly Mother and Father have vested our children with, thus suppressing our children's free will. Through Voyage for Kids with Feeling Healing we are able to bring about Living Feelings First. One can begin to live true to themselves and express their true personality. We are to long for the truth behind our feelings, both good and bad, and express our feelings to a friend, thus steadily shedding our childhood repression and suppression. In this way we will end the cycle of humanity retardation and become free to be whom we truly are.

# ENOUGH IS ENOUGH

Andon and Fonta, our first parents to long for our Heavenly Parents, lived nearly 1,000,000 years ago. Naïve humanity was seduced by high spirits, the Lucifer pair, to believe they could be gods through their minds, thus men subjected women to subordination 200,000 years ago. Also added to this was the default of the Adamic pair more than 38,000 years ago when they failed in their mission.

## REBELLION & DEFAULT **200,000** YEARS

When Jesus with Mary achieved their full Regency of Nebadon, in 26 CE, they immediately had the Lucifer and Satan soulmate pairs assigned to a spirit world prison. Since then, the Creator Pair have been preparing for the ending of the Rebellion and Default for humanity of Earth. The Avonal Pair now on Earth, once commencing their Healing, brought about the imprisonment of the Caligastia and Daligastia pairs in the early 1990s. As the Avonal Pair advanced with their Healing they brought about the formal end of the Rebellion and Default, on 31 January 2018. It is now for all of humanity to embrace the Spirits of Truth of the Avonal Pair and undertake their healing of the imposts of the Rebellion and Default.

## Avonal **AGE 1,000** YEARS

Spirits of Truth of the Avonal Pair will guide us through our Feeling Healing and into the Celestial Heavens with Divine Love, then the Spirits of Truth of the Creator Pair will lead us through the Celestial Heavens and out through Nebadon towards our Heavenly Mother and Father in Paradise.

Each generation of 25 years or so will see marginal embracement of Feeling Healing, however in 1,000 years it will achieve universality.

A few will complete their healing during their lifetime, but for many it will be incremental.

Universality of Feeling Healing with Divine Love will see the mitigation of discomfort, pain and illness as well as the imposts of global warming and Earth changes. These events are to ensure that each of us embrace our feelings, both good and bad, down to the very core, so that we fully come to know who we truly are. Sciences will endeavour to remove pain only to see disease manifest in different forms. Earth disturbances are a result of the Harmonic Convergence of the late 1980s, increasing the rotation of the Earth's central core. This will only abate when humanity has universally embraced Feeling Healing. These influences are only imposed upon us so that we do not step back into the Rebellion and Default through complacency. Live Feelings First so that we become the true personalities we are, that being daughters and sons of our Heavenly Mother and Father.

# Avonal Revelation

- We are to live Feelings First.
- We've been made to use our mind to live against many of our feelings.
- Our mind control commences at conception and is developed through our childhood.
- All the bad feelings we didn't express as we were growing up are still repressed inside us.
- And all such hidden, buried and unwanted feelings have to come out.
- And whilst they remain repressed within us, they will continue to make us feel bad and unloved.
- We get sick, depressed, suffer, have bad things happen to us because of our repressed childhood feelings.
- Humanity was brought into this state of living against itself by higher rebellious spirits.
- These Evil Ones caused the Rebellion and Default.
- We are made to rebel by default – as we have no idea we're doing it through our parenting in wrongness.
- We are all parented unlovingly – against ourselves, against our will.
- Some parenting in the wrongness is done with more love, yet it's all still wrong.
- To heal this unloving state within ourselves we have to do our Healing.
- Our Healing is our Feeling-Healing or Soul-Healing with the Divine Love.
- We can long to God for Their Divine Love, and this will help us with our Healing.
- God is our Heavenly Mother and Father, the Feminine Aspects of God having been kept hidden from us by the Evil Spirits.
- All humanity's religions and spiritual systems are designed to keep the wrongness going, to keep us away from God.
- Only by living Feelings First Spirituality, The New Way, can you become right, and truly find God.
- Long for the Divine Love.
- Long for the Truth of your Feelings.
- Accepting all you feel is accepting all of yourself, it's your greatest act of self-love.
- And wanting to know the truth of your feelings, is your next greatest act of self-love.
- Love yourself through your feeling-acceptance, and the Truth will set you Free!

31 May 1914 and ongoing

**LOVE**  
is  
**Feelings First Spirituality, New Feelings Way**

*Feelings First Spirituality, New Feelings Way*, is based on living true to our self through our feelings. Understanding that all we need in life is contained within our soul and is shown to us through our feelings. And by loving our feelings, by attending to them properly (talking or writing them out of us) and not denying them, we can use them to uncover the truth of our self – the truth of our soul.

*Feelings First Spirituality* is not telling us how to be, that is too controlling and is actually bad for us, limiting your spiritual growth. We can be wholly self-revealing of the truths we need to be, being the person God created us to be, all by living true to our feelings.

*Feelings First Spirituality* has no formal structure because we understand we don't need one, our soul contains within it all the truth of our spiritual ascent. If we look to our feelings for the truth they want us to see about ourselves, nature and God, then what more do we need! Our true spiritual path is the path our feelings will lead us down, that is, provided we allow them to. This is the most spiritual we can be.

**Living the New Way of Feelings First Spirituality**

We come to the understanding from our life experiences that how we are is not right, it doesn't make us feel good – that we are wrong in some way. And we want to change our self, we want to become right, true and perfect – we want to be like God is.

*And to do this you need to do your Healing*

Our Feeling-Healing is looking to our feelings for the truth of our self, the truth being hidden in many of the feelings we are not wanting to face in life. So we have to end our feeling denial, accepting all our bad feelings (and good ones), express them (yet not necessarily acting upon them), whilst longing to uncover the truth they are to show us.

Or, we can do our Soul-Healing; which is our Feeling-Healing, together with including longing directly to God for God's Divine Love. When we receive the Divine Love into our soul, it will cause our soul to become divine, and it will deepen our personal relationship with God. Long with all our heart to God for God's Divine Love.

## Feelings First Spirituality The New Way

**By living true to ourselves, true to our feelings, we are living true to God. It's that simple.**

**The New Way: learning how to live true to ourselves by living true to our feelings.**

# FEEL *for* TRUTH

The beauty of it all, is the truth comes to you through your own feelings. You don't need to be told it by anyone. You can work it all out for yourself. We are self-revealing of truth, it's how God created us to be, and by being it we'll feel the happiest we can feel. Truth is our great comforter, so when you feel it come up within you, ah it feels so good and you feel just right – perfect!

We only know how to deny feelings, now we can get to know how to accept them. And always with the truth being the most important part.

## FEELING TRUTH

If you don't want to uncover the truth of your feelings, then you can keep on expressing them forever but you will never fully heal yourself. Seeing the truth results in the Healing. And to see the truth you need to express all the pain out of you. The two things go hand in hand.

You can accept and express your bad feelings, letting off steam all day long, yet nothing will heal and nothing much will come of it. So this is where wanting your feelings to show you the truth of why you're feeling as you are is so important.

Don't go fishing with your mind, that will shut the truth out from rising up for you. **KEEP YOUR MIND OUT OF IT.** It's a feeling thing, doing your Feeling-Healing. (This is where we erred previously, and this how other modalities are in error.)

You long when you can, then stop longing and keep expressing. And at some point, and it might not even happen immediately, it might happen after days or weeks of expressing the same bad feelings, truth will come to you. And it does, it just comes up suddenly into your consciousness. You just know. You see the picture and you feel it's true. And you know it's true. And THEN your mind can come in and start sorting it out and putting it in context.

It's the Truth that we are seeking. It's the End Point. The Reason for doing your Healing. You are to see the whole Truth of yourself. And to begin with, that's the whole truth of your unloving self, of your wrongness, of your evilness, of why you are as you are in your negative unloving mind-controlling state. To be able to fully accept yourself as you are, warts and all. To not fight or resist or try and change yourself, just to accept all you feel and all the truth of all those bad feelings you feel about yourself. And when you do, so you will be healed. You CAN'T heal yourself unless you uncover the truth of your pain, suffering and so the truth of all your bad feelings.

Through our Feeling-Healing we long for the truth of what we're feeling whenever we can. So as often as you can. You want, and REALLY WANT WITH ALL YOUR BEING, ALL YOUR WILL, to know why you are feeling bad. You yearn, want, long and beg and beg and BEG God to show you the truth of yourself through your feelings. So when you are expressing your bad feelings you can stop and long for the truth to show you what's going on, why do you feel so bad, and you can do it any time you think of it or feel to do it.

Notes from 'Feeling Healing' by James Moncrief

# Heartfelt TRUTH

**SPIRITUAL HEALING:**

Our Healing is about first finding the truth of our unloving and untrue state, coming to understand the full extent of that, how it relates to us and how we relate to it, and all how it makes us feel so demented living life in a stupor.

Healing is about seven Mansion Worlds worth of uncovering the truth of our rebellious state. It's all about becoming progressively more aware of how screwed up we are. So right the way through our Healing, we stay being screwed up all so we can see the truth of how demented we are in all the ways that we are untrue, all the way to the End of our Healing.

What we do heal through our Healing, is all that is stopping us see the truth of ourselves – our untrue and false state.

Mansion World 7: is then about still working with the deepest and residual bad feelings, whilst looking to sort out how you wrongly relate to yourself and others, nature and God because of being unloving; understanding how your relationships are unloving, how you don't connect properly, how unloving you really are and why and fully accepting the truth of it, coming completely to grips with your parents not loving you as you needed to be loved – sorting it all out, including your self and feeling expression difficulties. Then comes transition.

Mansion World 5: is then about going right into the depths of them, feeling how unloved you feel and seeing how unloving you are and how that makes you feel, bringing out the majority of your pain, your misery, fear, anger, guilt, hatred, boredom, terror, rejection, nothingness, feeling powerless, alone and abandoned, and so on. Each progression is full on, all the way.

Mansion World 3: is for waking up to the truth that you're not loving and starting to get in touch with your pain, starting to accept your bad feelings, starting to work with them instead of rejecting them.

IT IS NOT THIS WAY

IT IS THIS WAY

## The CHOICE is OURS to MAKE:

### Celestial Truth:

Truly all-loving;  
 Living true to oneself;  
 Mind supporting Feelings;  
 Living with the Divine Love;  
 Fully Healed of the Rebellion and Default.

### THE FEELING WAY

Feeling – Ascendance  
 Unlimited progression

- Living true to your untruth;
- Honouring all your bad feelings;
- Expressing feelings to uncover their truth;
- Healing the Rebellion and Default within yourself;
- Feeling unloved; being unloving;
- Feeling as bad as you can feel;
- Feeling like you are no one special;
- Longing for the Divine Love.

### THE MIND WAY

Mind – Transcendence  
 Limited progression

- Enlightenment, Nirvana, feeling all-loving;
- All false, mind-contrived. Anti-truth, anti-love;
- Still evolving the Rebellion and Default within yourself;
- Feeling and believing you are the Superior One;
- Living with your mind in control of your feelings;
- Living rejecting all your bad feelings;
- Living with your mind contriving you feel loved;
- Rejecting the Divine Love.

All religions, New Age, agnostic,  
 atheists, no spiritual interest,  
 Living the Rebellion and Default.

Hell:  
 Exploiting the Rebellion and Default.

The Feelings are the doer; the Mind the teller. So we are to go with our feelings, which we can't be told to do with our mind. So the longing for the Divine Love, doing our Healing by expressing our feelings and longing for their truth, are all feelings and doing it with longing. Whereas the mind just wants to tell us what to do and how to be, no feelings in it, all how our parents have treated us.

**CREATION of SOUL and SPIRIT:**

God is *The Paradise Trinity* — the eternal Deity union of the Personalities: the Universal Mother and Father; the Eternal Son of Truth; and the Infinite Daughter Spirit of Mind.

The soul of each human personality (sons and daughters of truth) is existential, driving our personality expression in the experiential. The soul of each human finds truth by embracing one’s feelings and longing for the truth of them. We are to attain the Eternal Son of Truth. We are a creation of Truth.

The soul of angels is experiential, evolving through their experience by continually progressing in mind development. Angels are to attain the Infinite Daughter (Spirit) of Mind. Angels are a creation of Mind. Our soul is duplex (we have a soulmate / soul partner) and is created by our Heavenly Parents. Through our Feeling Healing we perfect ourselves, enabling the union with our soulmate, as we progress in truth up through the Mansion Worlds, celestial heavens and all the way to Paradise.

The soul of angels is also duplex, yet of the mind, and they progress in mind evolution to Paradise. Animals, plants and nature spirits are also creations of Mind.

Neither we nor animals reincarnate. We never die; upon death, we move into the spirit Mansion Worlds on our journey to Paradise. When animals and plants die, be they the tiny microbe to the mighty elephants of the land and the whales of the ocean, their spirit energy returns to the Spirit Collective Energy. And from this energy are drawn other animals and the nature spirits, who then in turn move onto becoming angels through increasing mind experience.

A nature spirit is an angel in waiting.

## THE STRAIGHT AND NARROW PATH

Looking for Spiritual pathways using your mind will mean the True Spiritual Pathway will always elude you. We live with our mind suppressing feelings which causes us to not find our true pathway. When we live honouring, accepting, expressing and longing for the truth of our feelings, then we are treading our Spiritual Path of Truth. Truth ONLY comes to us through our feelings. If we deny feelings, we deny truth, and we deny our true spiritual path.

If we fight expressing feelings, pushing them away and blocking them out, we never allow any understanding of those feelings to come to us, thus keeping us in the maze of mind-bending distractions. Many so-called healing therapies say they focus on liberating feelings, however beware that many of these systems are still mind-controlling in 'feelings-clothing'. And you may believe you are getting somewhere with your feelings, only to realise centuries later in the spirit, mind Mansion Worlds that you've still been leading yourself astray and away from your true feelings.

Surrender and submit willingly allowing your feelings to emerge and be expressed. Long for the truth your feelings are to reveal. Persevere. Allow your feelings to be your way of living. It does not matter how long this takes. For us all, this is our destiny – it is only a question of when?

Once we firmly start living the New Feelings Way – living feelings first; expressing our feelings and longing for the truth they are to reveal, we are on the pathway of ascension; not only out of the Rebellion and Default through our Feeling Healing, and with Divine Love: our Soul Healing – but to Paradise!

By living true to our feelings we will progress through the Celestial Heavens all the way through Nebadon; then on further through our Superuniverse of Orvonton; then into the regions of our Heavenly Mother and Father; embracing the Supreme Being and moving through Havona, eventually attaining Paradise, Their home.

It is the True Way, the New Feelings Pathway, that takes you all the way 'Home'. It is a journey of ever-expanding Truth and Love.

Our Spirit Friends on duty

A photograph of two young children playing in a stream. The child on the left is holding a large, green, pointed leaf over their head like an umbrella. Both children are smiling and appear to be splashing water. The background is a lush, green forest with sunlight filtering through the trees.

**Great Gifts through our Feelings are:**

**The Awareness of our Heavenly Mother  
and Father**

**That our soul is a duplex – both male  
and female – one soul, two personalities**

**That Feeling Healing with Divine Love  
is our pathway to Paradise – our true  
home**

**Freely expressing our Feelings to a  
companion is expressing our true  
personality – the personality bestowed  
upon us by our Heavenly Mother and  
Father – our true Mum and Dad!**

**FEELING HEALING and SOUL HEALING with the DIVINE LOVE:****James Moncrief Publications:****all publications are free downloads:**<http://divinelovesp.weebly.com/my-free-books-and-free-padgett-messages.html>

It is suggested for one to consider reading as follows:

**Speaking with Mary Magdalene and Jesus – books 1 – 4**

These four books encapsulate the second of the revelations with the first having been introduced by James Padgett one hundred years previously. These four books provide a wide range of guidance that has never previously been made available.

**Paul – City of Light**

As a gentle intro into the Divine Love and Healing; being James Moncrief's first novel and it's been criticised as being too heavily clichéd, but that's the point because it's a reflection of how he was back then.

**Ann and Terry**

An example for people who might want to immediately start working on themselves and doing their Healing.

**Feeling Bad? Bad Feelings are GOOD**

For more understanding about our denial of our feelings and why we should not deny our feelings, and it includes how it all came about for James, using himself as an example.

**Feeling bad will make you feel BETTER – Eventually!**

This includes specific examples of Marion and James working on expressing particular bad feelings, again with the hope that it will help others gain something of an idea as to what's involved in doing your Feeling Healing.

**Sage – and the Healing Angels of Light**

Through Sage who's 13 years old, the story is primarily about the two aspects of healing; that being, with the help of our angels, and the full Healing we can do by looking to our feelings for their truth.

**Religion of Feelings  
Feeling Healing****Welcome to LOVE – the Religion of Feelings  
you can heal yourself through your feelings**

So these books, including the four Speaking with Mary Magdalene and Jesus books, provide the essence of it all and are examples of James' work. Then it's up to whatever takes one's fancy. Other reading to consider may include:

**The Padgett Messages being published as:****The True Gospel Revealed Anew by Jesus volumes 1 – 4****Book of Truths by Joseph Babinsky****The Urantia Book****Release one's pain through expressing one's feelings.****in conjunction with****Longing for the Truth when also longing for Divine Love.**

**FEELING HEALING with DIVINE LOVE is SOUL HEALING:**

*A collection of ‘papers’ that draw together specific topics including all of the above and more from other sources of information and revelation designed to help increase one’s awareness about why we have the problems we do and how to heal them, all whilst living a more healthy and sustainable life. They provide a brief snapshot of the more complicated topics and issues.*

**Firstly, consider discovering the truth of your emotional pain through Feeling Healing. Secondly, consider longing for our Heavenly Parents’ Love as you progress with your healing. Primary and most important readings are the writings of James Moncrief. Then consider the Padgett Messages, and then The Urantia Book.**
