FUNDING and GUIDANCE of PASCAS

Brian, an American, wrote early this morning: It is after 3am as I write this. Sleep evades me as I keep thinking, "Is this offer real? If it is, is the money above board? If it is, may it come through soon, because there is so much good work to be done."

SOLID INVESTMENT and BARON MILVERTON II

Monday, 15 May 2017

John: Does he, Baron Milverton II, confirm the understanding that half of the funds that are to be distributed to Solid Investment account holders are to be allocated to a 'Global Humanitarian Fund' – Pascas Foundation?

Nanna Beth, 3rd Celestial Heaven, John's grandmother: **He doesn't, but I do.**

In 1944 at the Bretton Woods Conference, the mechanism for the introduction of governmental financial instruments / bonds was signed off by about 144 countries. Part of the objectives was that half of the profits from transacting bond sales would be directed to emerging economies to enable world trade growth. Impoverished countries did not and do not have dollars by which to buy what is needed.

The Solid Investment fund pool is participating in this financial agenda. During the period following the Solid Investment website disappearance in early July 2006 and up until Simon Church's disappearance into Germany in 2014, Crystal and Simon worked on the recovery of the Solid Investment fund pool on the premise that half of the funds accumulating would be distributed to a Global Humanitarian Fund, namely Pascas Foundation.

Should this allocation not have remained in place as part of the disbursement of funds process, it has subsequently become understood that the support from our Celestial friends in the recovery of funds process would have withdrawn. It is through their support is why the endeavours to have the funds distributed to the 35,000 accounts and their holders with half of the fund pool allocated to Pascas as a Global Humanitarian Fund that our endeavours may be achieved.

Meanwhile, two or more other funds are becoming available.

The first of these is the centrally and family controlled Asian focused fund. Essentially, the implementation of the Bretton Woods Conference bond trading structure was vested to around a dozen authorised traders who can be referred to as financial families. Up until the 1993, funds were being allocated to United Nations programs, however intermediaries exerted their greedy demands of 10%, 20% and even 30% 'tea money' consequently having fund allocations stopped. Further, the United Nations administration was thousands of programs behind in being rolled out – more than 7,000 behind.

During the last decade, the current generation of the custodian bond traders have refocused the agenda with Australia becoming a pivotal point for administration and rollout of initiatives for all of Earth's humanity.

All custodians have had their authorities revoked and for them to re-enter they have each signed into the refocused agenda. During 2020 and ongoing, those who are now involved have met and subsequently signed agreements and authorisations on how to proceed afresh. This they have done by meeting in a south-east Asian nation from time to time.

Further, to bring about the highest level of authenticity and integrity, they have had each step monitored and reviewed by the United Nations, International Monetary Fund, USA Federal Reserve and various governments. In respect to Australia, they have cleared their intent and operations through the Ministry of Finance and the Reserve Bank of Australia. All authorisations are always at the highest levels.

Specific projects within any country is with the participation of that country's government through a special purpose vehicle (SPV), being a specific form of public private partnership (PPP). These pathways result in the highest levels of clearance and underpin the integrity that the refocused operations demand.

It is with this foundation of integrity and global intent that Pascas Foundation is to now proceed to realise the agenda that could only be said to be of the greatest benefit for all of Earth's humanity, both in the physical and spirit, and with the ultimate blessing of our Heavenly Mother and Father.

**This time, in the history of humanity, is
the most exciting time ever experienced.**

And structural with this development is the introduction of feelings as to be the core focus upon how we are to live. Remaining mind-centric continues to imprison humanity to mediocrity and stagnation represent through all the social ill seen in every society, as it has been the case these past 1,600 years. Childhood Suppression is the underlying cause of all discomfort, pain, illness and disease. Everyone is to be enabled to become aware of the freeing benefits of living feelings first, thus every opportunity is to be afforded to those to benefit from the releasing of the humanitarian funding are to be provided with the awareness of living feelings first. Without this stipulation being provided with the funds then there is no reason to release funds as stagnation will continue to prevail.

It is imperative that parties to programs and projects instigated recognise the need for audit compliance and verification of funds provided being applied as intended and outlined through financial budgets and documented plans. The fund pools that have accumulated and are now being released had been previously subjected to the imposts of greed and corruption and are now being released where integrity prevails. All whilst the awareness of living feelings first is to be available for all to consider in the fullest possible way so that the benefits can be considered by all concerned.

Living Feelings First is a way of life, it is not a religion, Pascas is not a religion, it has no hierarchy of control and you cannot 'join' it. Embracing one's feelings can be done while adhering to any religion.

Pascas Foundation (Aust) Limited

Aspiring to Living Feelings First and Pascas funding is a “package”!

Pascas Foundation funding only is available when the way of living feelings first is openly embraced as to be made aware of to all involved within the project to be funded. The provision of humanitarian funding to and through Pascas is to enable the revelation of Feeling Healing and living The New Way to be revealed for all of humanity. Regarding health service projects this is fundamental to advancing the resolution of health issues. Essentially this is a way of living that brings about enormous benefits and evolutionary consciousness growth for those who embrace their feelings rather than living mind-centric as we presently do.

Pathway Forward

New Feelings Way: learning how to live true to ourselves by living true to our feelings.

We are to express our feelings, both good and bad, at all times, and to long for the truth of them.

By living true to ourselves true to our feelings, we are living true to God. It's that simple.

Golden Rule: that one must always honour another's will as one honours one's own.

The Golden rule is: Never interfere with another's will.

God's Divine Love: Pray for it, ask for it, and receive it.

To liberate one's real self, one's will, driven by one's soul, moves one to embrace Feeling Healing, so as to clear emotional injuries and errors. With the Divine Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

The CHOICE is OURS to MAKE:

Celestial Truth:

**Truly all-loving;
Living true to oneself;
Mind supporting Feelings;
Living with the Divine Love;
Fully Healed of the Rebellion and Default.**

THE FEELING WAY

Feeling – Ascendancy

Unlimited progression

- Living true to your untruth;
- Honouring all your bad feelings;
- Expressing feelings to uncover their truth;
- Healing the Rebellion and Default within yourself;
- Feeling unloved; being unloving;
- Feeling as bad as you can feel;
- Feeling like you are no one special;
- Longing for the Divine Love.

**All religions, New Age, agnostic,
atheists, no spiritual interest,
Living the Rebellion and Default.**

Hell: Exploiting the Rebellion and Default.

THE MIND WAY

Mind – Transcendence Limited progression

- Enlightenment, Nirvana, feeling all-loving;
- All false, mind-contrived. Anti-truth, anti-love;
- Still evolving the Rebellion and Default within yourself;
- Feeling and believing you are the Superior One;
- Living with your mind in control of your feelings;
- Living rejecting all your bad feelings;
- Living with your mind contriving you feel loved;
- Rejecting the Divine Love.

The Feelings are the doer; the Mind the teller. So we are to go with our feelings, which we can't be told to do with our mind. So the longing for the Divine Love, doing our Healing by expressing our feelings and longing for their truth, are all feelings and doing it with longing. Whereas the mind just wants to tell us what to do and how to be, no feelings in it, all how our parents have treated us.

Map of Consciousness

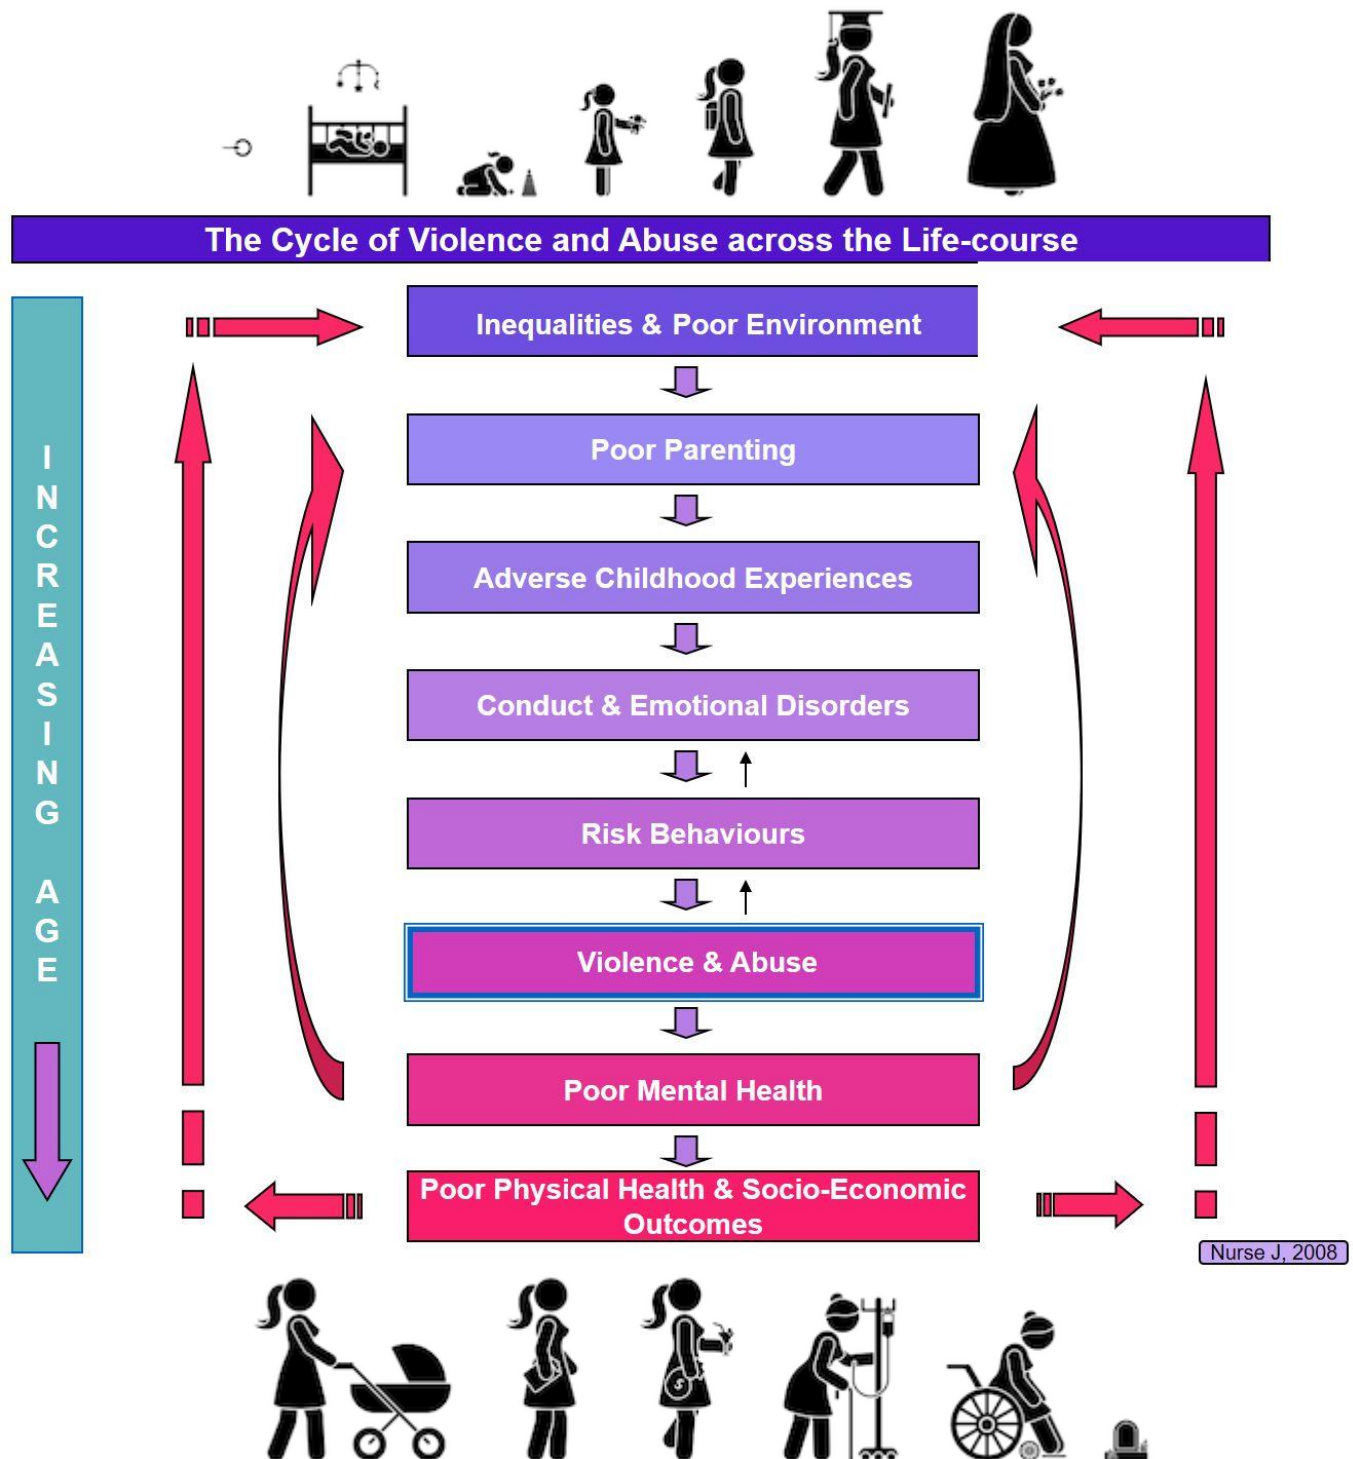

This outline of the Map of Consciousness spells out the fact that while we live Mind-Centric and ignore and suppress our Feelings we cannot pass 499 MoC. Our mind being in control, as we have all been indoctrinated to live, is a glass ceiling. Humanity cannot heal anything, cannot be spontaneous, has no intuitiveness, and is locked into living in the deep hell states. This is why people find themselves in abusive homes, domestic violence, housing stress, homelessness and gross difficulties of all kinds. This is why we are easily manipulated, embrace propaganda and are being controlled by a few.

Women are closer to their feelings and that is why the nursing profession hosts a lot of women who calibrate a little over 500. These women are the healers in hospitals.

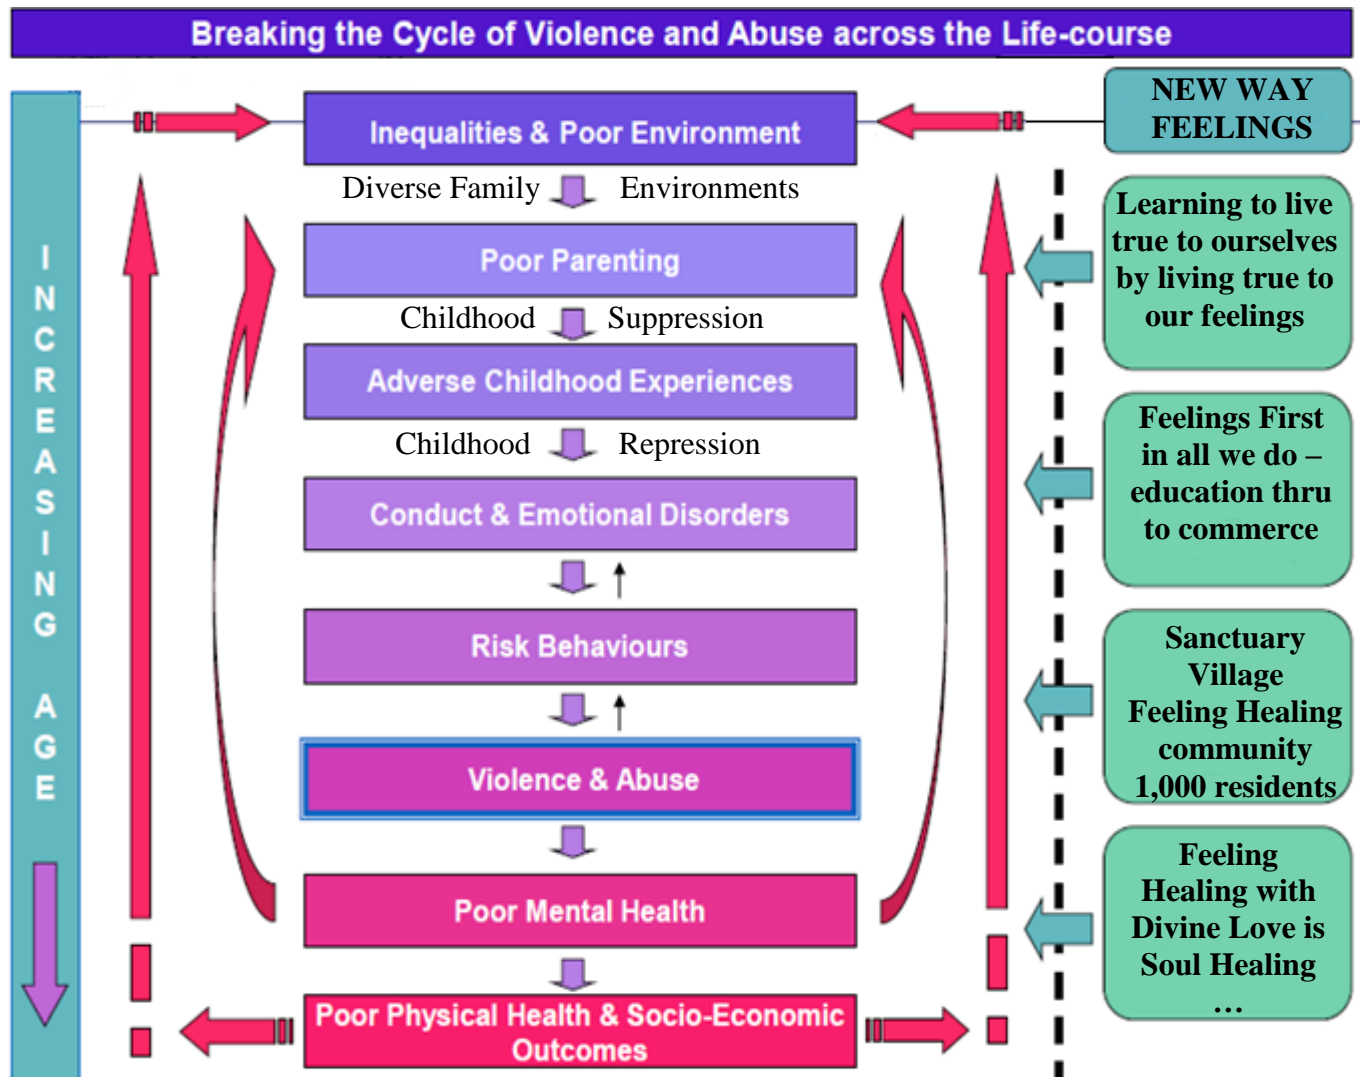

By aspiring to live Feelings First we are each breaking the glass ceiling and opening our potentials to grow in truth and love not only to 1,000 MoC, but to infinity. This is our destiny.

As communities embrace living Feelings First and having their minds to follow in supporting what their feelings are guiding them with, then ALL of the social ills of society will begin to mitigate. Please, do you comprehend the importance of what is being shared throughout this document?

 our FEELINGS are our TRUTH!
 FEELINGS FIRST, mind to follow!

all we need is WITHIN.
 our MIND suppresses FEELINGS.

The one and only truly effective vaccine is the healing of our Childhood Suppression and ongoing Repression through FEELING HEALING!

Childhood Suppression is the elephant in the room!

The underlying generator of all discomfort, pain, disease and illness is Childhood Suppression and ongoing Repression.

Feeling Healing is our only recovery and soul growth pathway.

It is that simple!

Childhood Suppression

The soul does it all.
The soul is a duplex,
two personalities being
manifested into the
physical by our soul.

Soul light continually
flows from the soul
through our spirit body
levels and into our
physical.

Return light being the
experiences of our
physical existence.

SOUL

Childhood suppression
imposed upon us by our
parents and carers
causes retarded light to
return to our soul
bringing about
imbalance, reflecting
emotional injuries and
errors of belief. This
imbalance is the cause
of all our difficulties
throughout our adult life
and also all of our health
issues.

SPIRIT BODY

Brennan Model of the 7 Levels of the Human Energy Field

Every experience is recorded through the light returning through our spirit body and back to our soul. What emotional injuries we experience, commencing from conception, has to be expressed emotionally to heal the imbalance in soul light so that harmony and health can be achieved in our spirit and physical bodies. Childhood Suppression is the underlying cause of disease, illness, etc.

Childhood Suppression

Childhood Suppression – from conception to age six years – harmfully encrusts the soul, thus impeding light flow throughout all seven layers of the spirit body, damaging the genes within the spirit body which in turn damages the genes in the physical body, as well as setting the pattern for all of our physical health issues throughout our lives.

SPIRIT BODY

Brennan Model of the 7 Levels of the Human Energy Field

The spirit etheric body is the template for our physical body, however, no health care system or science considers that the underlying cause of any health issues are formed through our Childhood Repression and that no physical healing occurs without expressing our childhood suppressions, being feelings both good and bad and then longing for the truth behind these injuries. Medicine may suppress the pain – it does not and cannot cure – vaccines are extreme physical suppressions!

The pain from ANY illness will not exceed the pain experienced during our Childhood Suppression!

SOUL LIGHT emitted is to be **BALANCED** by the **LIGHT RETURNED**!

Two separate personalities on parallel 'circuits' having the same soul.
What impacts one personality does not impact the other personality.

ONE SOUL – TWO PERSONALITIES
Our soul is a duplex!

Soul light passed to either personality is returned completely **if** the personality is in a perfect state. Imbalances occur in the spirit body and consequently the physical until Feeling Healing is complete.

OUR CHOICE!

The moment prior to our conception, we are in pristine, perfect soul condition of Natural love. Consider that to be 1,000 on Dr David R Hawkins' Map of Consciousness scale – the largest sphere above. From that moment on we are being 'fire hosed' the errors and damage that our parents hold and carry. Somehow, we make birth – the middle sphere above. By the time we are six years of age, our childhood suppression of our true personality by our parents ends upon the arrival of our Indwelling Spirit. Now, our soul condition is the smallest sphere. We will now calibrate on the Map of Consciousness scale at the level of one or the other of our parents – we are now literally a clone of their messed up personality. We continue on at that level for the rest of our lives. We also go on and do the same to our own children, thus this stagnation goes on for generation after generation – for aeons.

We can perfect our mind's control and achieve a state of bliss which is all false and eventually ends with us crashing back to reality. Or, we can embrace our Feeling Healing and heal all our damage, that which we took on as we got older as well as the damage imposed upon us by our parents and carers. Thus, we can grow in truth and love beyond 499 on the Map of Consciousness and perfect our Natural love, returning to the condition before conception. This could take a very long time – and then we are stuck in the 7th spirit Mansion World condition.

And here is the most wonderful pathway open for us all. By embracing our Feeling Healing with the Divine Love, through longing for the truth behind what our feelings are drawing to our attention and asking our Heavenly Mother and Father for Their Love, Divine Love, we can heal our childhood suppression and ongoing repression, with the Divine Love, then we can progress into the first of the Celestial Heavens and continue onwards with our evolving growth in truth and love all the way to Paradise, the home of our Heavenly Mother and Father. The pathway is now defined and open to all.

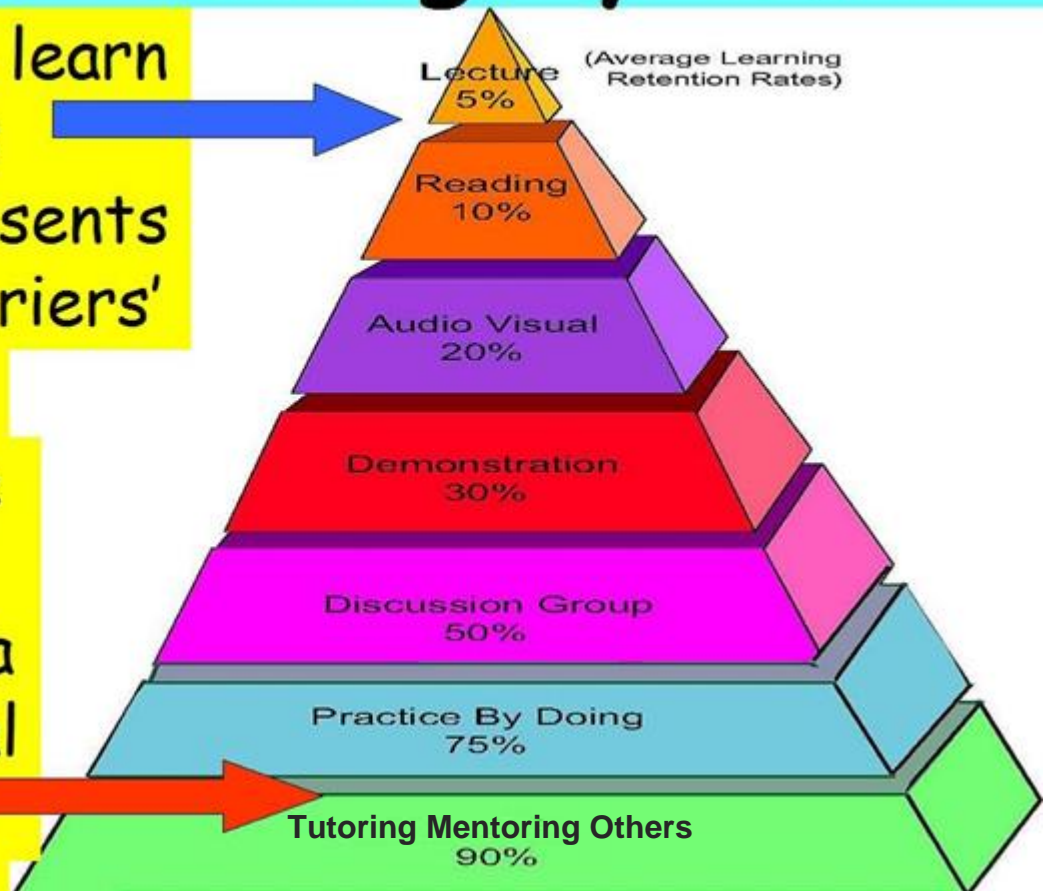

Organs	EMOTION CODE™ CHART

Generally speaking, groups and types of emotional injuries impede the natural flow of energies through the etheric body which is the template for the physical body, thus setting up the conditions for discomfort, pain and illness to slowly emerge within and throughout areas of the physical body that have energy frequencies that are 'attractive' for the emotional pain to manifest in the physical.

EVE and ADAM are matched by SAMANTHA and JOHN
(part of message)

Tuesday, 1 August 2017

James: Nanna Beth, I'd like to ask you again as to why has it been such a tedious and protracted affair?

Nanna Beth, 3rd Celestial Heaven, John's grandmother: For the amount of funding to be made available in such a short time and for such a period of time, it was necessary to go this long way round. No one else would donate that amount of funds required, as they'd not understand what they were donating to, so there was no other way of getting the funds – short of manifesting them out of thin air. And their delay has all been instrumental in preparing Crystal and John for what they have done, and you too James in your smaller way. And it's a way to slip in under the radar of those in control, for you see the Truth you are revealing is in a way forbidden on the world at this time, and will remain so up until Mary and Jesus' age has ended. However there are certain loopholes, you might say, which we can exploit in the lead up to this end, such as what you are doing, being able to write about and reveal the truths, and what Crystal, Joe, John and Samantha are able to do. It's all working within the fixed parameters of the Rebellion and Default, however you'd have to be one of the advanced angels or Melchizedeks to understand it.

If you look at the Rebellion and Default as Contracts of Law, then they are well thought out and presented to cover what the creators of the documents considered to be all existing contingencies, thereby ensuring humanity will be forever bound to them, so remaining forevermore in Rebellion through Default. However they were not as smart as they thought they were, for there were cracks in their contract that they were not aware of, together with the coming of Mary and Jesus bringing about more cracks and having the need for patch-over sub-contracts to be made through the last two thousand years, which in turn caused more cracks, so their case is not as air-tight as they believed it was. And now they are gone and so more patch-overs have been required, yet with no one left to enact them, and so we're moving to exploit all the violations of their false law that we can. So, although it all sounds rather technical (and I assure you it is), Universal Law is far more technical than any Earth laws, and all must be obeyed to the letter. So the Rebellion and Default are no small thing, and the fact that Mary and Jesus even allowed it to occur knowing the ramifications it was going to have on everyone, including themselves, meant that it was all still followed to the letter of the law as worked out between the negotiators of the Rebellion and Default and those directors of Nebadon. And so that's why The Urantia Book and Padgett Messages are so odd in how they were 'earthed' and the limits of the information revealed by them. And then into all of this comes the New Revelation that is how to end the Rebellion and Default, both on a personal and collective level, and so here we all are, with that information now at our finger tips and waiting to see just how it's going to be presented to humanity.

James: But why not just have the Avonals start revealing in a small way, say to a small group, like how it was for Mary and Jesus, and then let things develop from there. Why the need to stress John out, one man and without any real back up or support, who potentially could have this massive amount of money dumped in his lap, and then armed with a few books containing some of the New Truth, is meant to go out and save the world – that is surely too much of a burden and a massive ask to put on anyone's shoulders? Mary and Jesus didn't even do that.

Nanna Beth: We understand only too well your concerns James, however for the time being, this is how it stands. And again there are reasons for this. Firstly, it's all part of those cracks, we are only allowed to have one man who is focused on the mental side of understanding the New Truth, and one woman who has embraced it and is using it to heal herself of

the Rebellion and Default. And that is all, at least in the preparatory stage, because it doesn't go against the Law of the Rebellion and Default at this stage, and for reasons which I won't go into now, as they'd take too long to explain. But basically the Default was between one man and one women, Eve and Adam defaulting, and so because of that we can put one mortal man and women who have embraced the: higher than the Rebellion and Default New Truths, up against the Default, and so the Rebellion, as the Default is a consequence of the Rebellion. And so John and Samantha are those two people. However that doesn't mean that they single handily have to shoulder the whole burden of moving forward with this understanding of the New Truth, and they won't. So to answer your next concern John, you are not to look at it all being on your shoulders. Nothing like that is being asked of you, nor will it, even though now that's what it seems like being on the eve of it becoming real, as you will see. It will all pan out well for you and without causing you any stress – well, not too much stress, anyway.

The Germans are going to help Crystal set up the payouts. She will organise it with them and they will happen, and all will be happy – very happy, extremely happy. Then there will be the manner of the Fund. And she will organise that too with them, and you and she will be happy. And then once it's all in place and you've settled all your own personal payout, then you can set about seeing what you feel you want to do. And there is to be no pressure, don't think you have to do this by such and such time because there is no such and such a time. Things will happen when they are meant to and that will be the time.

And it will all be designed to work in and around the goings on in the world, which will become more mad, more frantic, more out of control by those who you'd think should be in control, but none of that will touch or interfere with you. What you will have to be aware of are people wanting to help and even offering such help, which might seem like they are in keeping with your philosophy of the Global Humanitarian Fund, but will have vested interests seeking to enrich themselves. But have no fear of this either John, because such people, corporations and governments we will highlight, as: no, don't have anything to do with them! You'll see, they will give themselves away, stand out easily to you and those of you involved when it all gets going. And we will ensure they won't interfere, because we'll vet everyone and every corporation that is to get involved. Those people and groups who are to be involved will all be so, because WE want them involved.

But as I said John, that is none of your concern, it will happen about you and for you, and mostly before such people even get to you and have anything to do with you.

And to answer your question James, yes, that too will happen, there will be a small group of dedicated souls that will come and work with you and Marion and from there will flow the truths out into humanity, and that will be augmented and overseen by what John wants to do. The one being a subset of the other, so to speak, however which is the subset of which, we'll leave up to you to discover.

Nanna Beth: It was a shock for you John having to face the reality that this might actually happen, and after so many years of such hard work and with it seemingly to never get any closer, and now suddenly... and we sympathise with you. However, I want to stress, even though it is good for you to

move with these traumatic feelings, that it won't be difficult for you. Currently it is all yourself carrying this burden, as it is for Samantha on her side, yet both of you are not as alone as you feel. And soon the tide will change, and in it will sweep carrying with it lots of other people who will be more than eager to share most of your vision, and some even all of it, for they will be able to understand it all as you have. But up until it all changes, I am sorry but it can't be any other way because of what I said above about honouring the limitations and restrictions of the Rebellion and Default. So it is an extraordinary time, and the whole of Nebadon – not that that will help console you to know – is on your side understanding the sheer enormity of it that you two face each in your own separate ways.

And it is extraordinary, and forevermore John, you and Samantha are going to be able to dine out on the experience of it, not that you'll see it that way, and that too might be construed as yet another burden for you, however it will work for you both in the end, because it is the nature of your souls. It wouldn't be happening for either of you if you weren't able to do it – meant to do it; and so you are doing it, and it will be the best thing that could have happened for you both in the end. So as difficult as it is, you will do what you feel and want to do, and that is all you both need to do – there is nothing more for you to do. And even if that meant you both or one of you wanted to jump ship, then that too is what is meant to happen, and so it would be what we all work with, and no one would blame you for anything because everyone would understand. It was as it was; as it will be.

James: Not that I'm liking John or Sam to Judas, but we all see Judas as the bad one, yet what you are saying is that he did what he was meant to do, just as did the Lucifers, and in the end we can't blame anyone because it's what our Heavenly Parents want us all to do?

Nanna Beth: That's right James. No one is to blame in the end, and all are exonerated no matter what they do, because our Mother and Father are All Loving, so it's all about love. And it's just that, which can be hard to understand when you're not of such love yourself; that They have wanted us to experience feeling not loved, growing up in that environment and seeing what we feel and do about it. But as you say, it all works out because we all move to understand that it is not our fault, and we are not in control, so it is as They want it to be.

Anyway, John you are not going to abandon ship (and neither is Samantha), because, as you'll see, you'll actually revel in all that's going to take place, you'll be having a ball. And so what if you stuff up a few things, hey, it's to be expected, as you understand, and as you're not going to set it up with yourself at the head of the table anyway, so it will be a group thing, which is as it should be, no one person should be in control of such a thing for that would end up limiting the experience of all involved. And that is why in the end dictators all fail because they severely cut down the experience, the ability and avenues for people under their control to express themselves, which is going against the primal laws of the soul, of personality expression, of truth and love, and of how we all are. So the more involved the merrier.

And we'll be continually helping you out John, via James and other avenues that will become available, so you've nothing to worry about I assure you. It is too much for one person to carry such a burden alone, and all you really need for now is to understand the vision of what is to be done, that concerning the truths being made available.

**Council of Elders
now around 13
Soulgroups**

James: So Nanna Beth, really you're wanting to take the truths and put them up against the untruths?

Nanna Beth: Yes, that's right. It's not to be a slow introduction, it's to happen rapidly, to catch people off guard in a sense, more of which will become apparent the further things move along.

The Rebellion and Default, are to be served, what you could term as, and what will amount to, a huge slap in the face. They are going to hit the dead end brick wall, and so are going to be shown up for being the false way and untruth that they are. People have to see what they've been living under, how deluded they are, how controlled, whilst being given the opportunity to go the other way. It will start off relatively quietly whilst you sort yourselves out, and for you and Marion to finish your Healing. But once you've finished it, then it will be time to take it fully into the public arena, and from there it will build like a snowball coming downhill or a big wave taking the whole business over into the next age. However along with that, will be the turmoil and tumult of all that is going to happen to humanity, so it's going to be a very dynamic time.

So once again John, we're overseeing it all, you have nothing to worry about, just stay true to your feelings which you'll have no trouble doing, and help will come when it's needed, and as you progress we'll all be able to further exploit the ever widening holes in the Rebellion and Default.

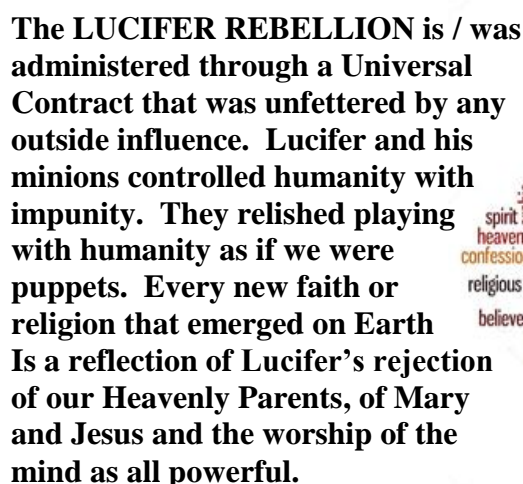

I will go now James. Speak to you again soon my dear grandson, and know that we're with you and looking after you, and you're not to do it all alone, that would be too much to ask of anyone – you'll see. Love, your Nanna Beth.

REBELLION and DEFAULT formally ended 31 January 2018:

All in keeping with the **outworking of the Rebellion and Default**. Humanity is so shut off to anything that one's feelings provide, we are all but minds robotically carrying out instructions; nothing is fluid, intuitive nor feeling-free. Our whole world can't change as it is, because everyone and everything is so bogged down in the mire of artificial laws and procedures.

**WE'VE BEEN SCREWED BY
LUCIFER REBELLION**

It is the writings of James Moncrief that bring about the REVELATIONS as to how humanity is to ascend while bringing a formal termination to the REBELLION and DEFAULT that occurred on 31 January 2018. James, through the communications with Mary Magdalene and Jesus, co-regents of Nebadon and together with Marion and James' Feeling Healing process is the start of the Great U-Turn for all of humanity, both in the physical as well as in spirit. **The REBELLION and DEFAULT have now ended.** Now for The CHANGE, the completion of the END TIMES, then the HANDOVER which leads us into the commencement of the AVONAL AGE which is the next spiritual era of 1,000 years.

LEGAL UNIVERSAL CONTRACT that is the Rebellion and Default Thursday, 3 August 2017
(part of message)

Nanna Beth, 3rd Celestial Heaven and John's grandmother: Yes, James, it's all part of our working the loopholes in the Rebellion and Default Contract. It is as I said the other day, being very involved the whole ordeal, it having been put together over hundreds of thousands of years, and were the Evil Ones still currently in control of Earth, then it would still be being added to with every further advancement in their control of humanity as the aeons pass.

However we are now working to unwind and release humanity from this binding condition, and part of my and Helen (also 3rd Celestial Heaven spirit) working with Crystal and John is part of this. Helen and her team can only do so much at one time, which includes working with Crystal and Joe, and so she can't talk as much to James, whereas I can come in taking over and working at it from a slightly different angle – which even involves at this time in your growth James, my being able to reveal more about this **Legal Universal Contract that is the Rebellion and Default**. And it's also why, to answer your earlier questions to Marion about it, why we Celestials and Mary and Jesus weren't allowed to come forward about it right from the beginning, having to hedge our way along with you as you pushed deeper into yourself, thereby allowing ourselves to reveal more, which is still happening, so the further you progress in your Healing the more we can reveal about it from our side. And this then also includes all John and Crystal are doing, they being able to progress with the SI (Solid Investment) saga as you have progressed on the spiritual side of things, because only then has such progress been made. It all hinges and will continue to hinge, around the spiritual progress being made by yourself and Marion. It all has since your conceptions, so it's been an ongoing working from our side in bringing all this about, which has included working Crystal, John and Samantha right through their lives in preparation, along with a lot of other as yet unknown people. And then you can take it back to including The Urantia Book (TUB) and Padgett Messages (PM).

And to answer your other questions earlier James, about the wonkiness of those two works and why they were even necessary when surely the Avonals themselves could have revealed all they are offering, which is true, however it's all once again in keeping with the Legal requirements of the Rebellion and Default. TUB and the PM were 'earthed' via loopholes in the Contacts, and had to be done so as to maintain those loopholes or cracks as I called them the other day. And so it's the same crack that they were worked through, that Solid Investment (SI) is being worked through, which includes allowing Joe to do what he is able to do, which is allowing you all to move along with it.

So if the Avonals were simply to do it all, first of all they couldn't have because they would have to override the whole Rebellion and Default effectively coming in over the top of it rendering it obsolete and impotent, but to do that they would not have been able to take it on themselves and Heal it. And that would have made things infinitely more complicated, for what would you have then, the Rebellion and Default ending dead in their tracks, and the Avonals standing up saying you all have to live the New Way now, yet how would people be able to suddenly change, dropping their evilness and instantly becoming true as the Avonals would be true? So that couldn't happen, so the Avonals too are having to exploit the cracks in the Rebellion and Default, coming in to the Rebellion and Default, taking them on, working to heal them within themselves and thereby revealing and opening up The Way for people and mind spirits to follow should they want to end it within themselves. And part of this struggle with all of this is in having their 'Avonality' denied them, they are not to have their full Avonal power (until they are Healed) and so awareness like Jesus had as he grew up and grew into his public career knowing what he was about and

what it was he was to do, and so depriving part of their revelation adding further to their denial by putting that part of their revelation in two books.

And as you know James, that has complicated things no end for you, and it still is as you're still having to reconcile it with all you and Marion are working through, this being even now what I am conveying to you, a part of it. For as I've told you before, you both have really no idea as to amount of denial you've been submitted to, all of which you're having to work laboriously through, which is why your Healing is taking so long. And it's also why everything else is so laboriously drawn out too, such as SI, and even the influence of TUB and the PM. And why so many people get stuck in them and can't move on, it all being what is still required by the **Contract of the Rebellion and Default**.

And it's going to continue on this way until you and Marion complete your Healing, for there is no other way for things to happen. Yet as you are now waking up to and accepting how it works, so you too are able to accommodate it, working with it, and turning it to your advantage.

THE
GREATEST
SHOW
is ON EARTH

The EXTREMES of EMOTIONAL INJURY and SOUL SUPPRESSION:

At the extreme ends of Childhood Repression, a soul partner pair will be the first to heal themselves, having experienced their parents and close family members impose forms of childhood suppression upon them various forms of childhood suppression that collectively represent all possible extremes of experiences that we can have. Thus, when their Spirits of Truth are released, then all of humanity will be able to draw upon these for assistance and guidance as to how to liberate one's own soul from their own personal repression. This is the gift that this soul partner pair is to provide humanity with.

As the female is closer to her feelings, it is the female that may lead and assist the male in their Feeling Healing process, while progressing with her own. The male typically cannot do this on his own, the female being more capable due to her closeness to her feelings. However, to complete her own progression, the female requires the support and participation of the male. It is now time that we recognise that it is the woman that is our spiritual leader.

Our truth loving soul-based feelings are to be brought into dominance with our minds only to support our soul-based feelings. It is how we are brought up by our parents that we erroneously accept that our minds are all powerful. However, they are greatly flawed and self-centred. Embracing one's own feelings is embracing the way of living that our Mother and Father desire for us to express and engage in. We are to fully express our God given personality through our feelings, not our mind based man-made impressions.

Firstly, consider discovering the truth of your emotional pain and injuries through Feeling Healing.

Secondly, consider longing for our Heavenly Parents' Love as you progress with your healing.

Primary and most important readings are the writings of James Moncrief.

Then consider the Padgett Messages, and then The Urantia Book.

TRUTH LOVING SOUL V ERROR INFLICTED MIND

We do everything possible to avoid our Feelings!

We embrace the controlling natures of our mind to fill our day with activities that avoid our inherent truth to arise through our feelings and then having to express them and seek the truth behind them. We submit to imprisonment within our minds and willingly allow our life to roll on in a retarded and aimless manner that we can continue in earnest even when we transition into the spirit mind Mansion Worlds. Everything we may do is to avoid meaningful communication with another person and to distract ourselves from allowing our feelings to bring forth the vibrant and incredible true personality that we are that has been suppressed throughout our early forming years, from conception through to six years of age. Eventually our soul will say enough is enough and we will be confronted with a crash to open ourselves to our feelings and heal our Rebellion.

JAMES MONCRIEF enquiring about SOLID INVESTMENT:
(part of message)

Friday, 10 March 2017

James Moncrief: I'd like to speak with anyone up there and in there who is involved directly with John and what he's doing with the Solid Investment.

Yes James, I'll speak with you, my name is Zarange and I'm one of the Melchizedeks overseeing John and all the mortal spirits who are involved with him.

James: Have I spelt your name correctly? (Originally James spelt it as Zerange.)

Zarange, a Melchizedek: Yes, well enough for you to relate directly to me. And yes, I am part of the group of Melchizedeks working with you. There are numerous groups organising numerous things, all of which will be made known to you in due course. (a group is typically 12 soul partner pairs)

James: When I finish my Healing?

Zarange: Yes, but some things before that too.

James: Ok. So Zarange, what's going on with John and all of this money thing?

Zarange: I can only tell you a small amount, however it should be enough to satisfy your curiosity for the time being.

We are ensuring that John receives all the necessary money for him to do what he will need and want to do, this being a way for money to come to him that will be free from entanglements, he being entitled legally to it. And from then, he will be able to build on it, so as to finance that which he is going to do.

James: And you mean the Pascas Care Healing Centres he wants to do?

Zarange: Yes, along with other things, other things he's not as yet aware of, but things as he says, will come into his orbit in time.

James: And Zarange, I get the feeling that somehow you intend keeping this all separate from the world – the main stream – as in the governing bodies and political structures?

Zarange: Yes, we are going to help you both create a world within the world so to speak, all so people will have the chance to have access to your work, and so to work on themselves to heal themselves of their rebellion and default. It's to 'Earth' a small portion of the Divine Love healing spirit Mansion Worlds, and then later into this, a small portion of the Celestial spheres. So people will have a direct connection with us over here, those people intent on uncovering the truth of themselves through their feelings and longing for the Divine Love. All the rest John will provide will be ancillary to this.

James: So Divine Love Spirituality is to be the core or a subsection within what John envisages?

THE CHANGE

Zarange: Yes, and he sees it that way too, now, he's been changing a lot the more he reads and the more we impress upon him the fundamental importance of your work. It all hinges around you and Marion, there is nothing else, it's the way, and the ONLY way for humanity to heal itself, so it's given top priority because it's time now for The

Change because of you and Marion being here and healing yourselves.

James: So nothing and no one will get in the way?

Zarange: That's right, they will not be allowed to interfere. Many will try, but they will quickly see that it won't be in their best interests to keep going that way. Many people will try and hijack the funds, all the usual goings on that happen all the time, but we will see, through the manipulation of light from our side, that such things will not gain any traction. It's very easy for us to work such things from over here, very easy to put the fear of god, so to speak, into someone should they proceed against what we want to do. And we now have all the authority to do it, to influence and interfere with humanity in this way because of what you and Marion have done and are continuing to do. With each passing day you give us more authority, and very soon we will have absolute authority, it's nearly there, just a little more, and it will coincide with John's funds being released to him and the others who will work with him in setting up that which will essentially be the way to distribute the truth you and Marion are revealing.

Neither you, James, or Marion will be travelling throughout the world, however **it will be essential that the truths are made accessible to as many people as possible**, this being so the status quo so far as the religions and New Age mind agenda's are overwhelmed. They will not give up their control, but at least an alternative will be presented alongside them. And gradually elements of your work will filter through to mainstream decreasing the power of such controlling institutions and beliefs.

James: And what about all I read about war and the financial crisis, even the whole system coming apart, won't all that effect John's money – as in he losing it once he's got it?

Zarange: No, because it's going to be protected. I can't tell you the details as yet, however they will come to light when required. And so far as war and the financial crisis, yes, such things are to happen, however they will be in a limited capacity, the powers that be don't want to lose all they have, they only want to rattle and upset so they can gain more control.

James: And what about the cataclysmic changes, like what David Montaigne has written about – is anything like that going to happen?

Zarange: Yes, but not as he has projected, it's all going to happen once you and Marion have gone. So a lot of what you and John will be setting up and leaving behind will be so as to give the people who survive such changes the ability to start anew. The changes will shed much of the control, giving people the freedom to live true to their feelings and to create new ways of going about things. But that is all after you've done what you and Marion will need to do.

James: So what has David Montaigne uncovered, as it sure makes sense in some ways?

Zarange: He's uncovered the truth that the end of the world is to come, but not as he suspects, as he is only looking at it from a material perspective. He doesn't understand that it all applies to you and Marion, as you will see by the dates he has predicted. The 'Earth changes' will happen later, which if he were to look and study further understanding that what he has written about actually applies to the spiritual level of things, he would then see new evidence of the material – physical – changes.

James: So the Pole Shift will be as severe as it is talked about?

Zarange: Yes, very much so, a gigantic change to the surface of the Earth thereby affecting the lives of everyone. There will be more information made available in advance of it for you to reveal, however

for now, it's not for you to concern yourself with it, and the world is not going to end as you know it in three years' time.

James: Ok, however the three years does in some way apply to Marion and I?

Zarange: Yes, and to all John will be doing with you both.

James: Nothing further on that –

Zarange: No, sorry James, I can't at this time.

James: Alright, so how are you working with John – and who is?

Zarange: We oversee a band of very knowledgeable mortal spirits who are all Celestials and have all been involved with the goings-on on Earth in one capacity or another during their lives and time in spirit. They are all specialists in their fields and John has been guided to touch on all the necessary elements through his life so as to enable his 'spirit advisors' to share their thoughts and inspiration with him. And he feels totally in their capable hands – as he should – as he will need to feel. But nothing will be too much for him or stress him when it all starts to get rolling. He will easily be able to deal with it, with the right people to help him doing so on Earth too.

You must understand, James, it's for humanity to solve its own problems. I know you do understand this, and have been wondering how much you should get involved and how much you should let it all go and let others do whatever they feel. And this you will negotiate right the way through the rest of your life – sometimes more, other times less. But it's for these mortal spirits to do what they feel they want to do. They come to us for advice and we provide it, however as much as we can, which is always what they want, things are left up to them. And there are many, hundreds of thousands of Celestials actively involved in all the varying parts of what's taking place. And these are just the central ones, as there are millions more involved as you move away from John and the core. However as you sense, John is the central focus for the time being.

He will divest himself of this position when the time comes, as there will be others to carry the flag so to speak, but for now, and for this crucial and highly irregular juncture in humanity's history, he is the man in the driving seat. And he feels he is being driven along, and all help will be provided for him to use as he understands, as it's been happening for quite a time. And he can easily shoulder the strain, particularly now that you and Marion have come onto the scene, because as he shifts his focus, so he feels you are able to help him, which you will do, just as he will help you. It will be an equitable partnership. And currently you are both building an appreciation of each other.

And as you will forward this 'message' to him, so I will say to you John that you will have to stand firm in your conviction as to whom you tell what you do. You might for sentimental reasons like to involve someone at some time, but your feelings will say no; or even yes, at other times for other reasons, and these feelings will be how you can live true to your feelings in your limited way. You don't have to concern yourself too much with doing your Feeling-Healing yet, there is plenty of time in spirit for that, for it's more important to keep yourself happy so as to do the work that's being asked of you. But you understand this as you can already feel such feelings, which are true and will only get stronger.

The main thing for you both to understand at this stage, which is why you are now writing with me James, is that nothing will stand in the way of what you are both to achieve, it can't, it just can't happen because of the Laws of Truth. And that is all coming about because of the work you and Marion are

doing on yourselves. What you do is opening the doorway for this with John and all who are with him. It's been like that all the way along.

So the long convoluted way John is to receive the money is all a reflection on a time level of the long convoluted way that you and Marion have worked through your Healing. The two are inextricably linked, even though it might be hard to see it from your side, but to us we can't do anything before you and Marion do what you are doing so far as healing the negative unloving circuits within yourselves.

For as you do it within yourselves, so you are opening the doorway for humanity to do it too, to follow your lead, which Samantha (in England) is the first, and of which others will follow. But for every person who will fully commit to their Healing, there will be a host of other people who will be more than happy to just understand parts of it with their mind and contribute through their untrue lives, all of which is necessary to bring about the desired end result. So it's not necessary for only people doing their Healing to be involved, there will be a minority of people who actually want to do their Healing and achieve much with it, but a majority still involved in helping that minority in one way or another, even if they never know that is the help they are providing.

James: It's funny writing all this with you Zarange, when Marion and I are working through our not being soulmates (soul partners – one soul manifests two personalities), that we feel we'll complete our Healing and then separate – at least that's where we are at presently, which of course can swing around the other way to where we're back together, but it's been a very trying time of late, which I'm sure you're aware of.

Zarange: Yes, but all necessary to break the controlling beliefs you have. You need to become in a sense, two completely free people, being your true selves before you meet as soulmates (soul partners). It's all happening round the wrong way; by rights you shouldn't meet until you are both of a Celestial truth, however as you both need to do your Healing, so you can help each other experience a completely unloving relationship together. You can't have more of a full relationship experience in the negative, than that of you both being soulmates and hating each other knowingly, knowing you are not loving, knowing you are both so fucked, knowing that neither of you have any love within you, this being what you need so as to break all the unloving controlling beliefs within. So ironically, the more you reject each other, even though you both refuse to leave each other, the closer you are becoming, because you are steadily clearing away all that's keeping you apart, all the untruth that you both received from your parents. So the truer you can be to it all, the more you can agree that you don't love each other, that you even hate each other, expressing all those terrible feelings, so the truer you are both becoming, which in the end will be the basis of your love for each other. And whilst you are both anti love, so anti each other, so you can't see or sense or feel what I am saying, but you can both perceive it, should you want to acknowledge those perceptions.

James: I think they are only wishful thinking.

Zarange: So you are to stay true to that James – you know how it is.

James: Yes. Well thank you Zarange, that's probably enough for the time being. Can I speak with you again if I feel to?

Zarange: Of course James, you can speak with any of us, we are always on hand to provide you with the necessary assistance. And more of that will be forthcoming as you complete your Healing. You will need our understanding so as to understand what our plans for humanity are, for you see, it's our doing, the Healing of humanity, it has been left up to us to formulate the way, that which we are passing onto

the Celestial mortal spirits and the right people on Earth who will be directly involved. We are the governors of Earth, we hold humanity's future in our hands, so what we want is what will happen, it's all our doing, with the rest just being the sideshow being carried out by those power-hungry people and mind spirits who wrongly believe they are in control.

James: You mean like the hidden Zionists behind the scenes manipulating everything?

Zarange: Yes; and within their sphere they can do what they like, which is what you see as what's happening in the world, however within our sphere we are doing what we like, the power being given to us because of you and Marion. And because you (Marion and James) have well ascended in truth above such mind spirits who are trying to assert their control, and their counterparts on Earth, so we have complete dominance. If for some strange unforeseen reason you and Marion decided to stop doing your Healing, all you've done would still be more than enough for us to execute our mandates, you've already gone well past the mark giving us all the power we need.

James: So Marion and I are superfluous?

Zarange: No, not at all, and I acknowledge your sense of humour; however in all seriousness, no, for you are both needed to complete your Healing so as to provide your Spirits of Truth with all their help, so as to help everyone do their Healing on Earth. We are free to set in motion what's needed to end the rebellion and default on various levels, but we are not able to do what your Spirits of Truth will do.

James: Yeah, thanks a lot, you sound like Marion.

Zarange: I'm saying nothing more than what you already know about yourself –

James: Yes, all thanks to her.

Zarange: Yes, for she's the Way of the Truth, and she is leading you, and so the rest of humanity by default, out of its rebellion.

James: Leading us, all of who are kicking and screaming. Alright, as this is serious business, that which I'm feeling from you Zarange, so I will go and see how I feel about all you've said. Thank you for speaking with me.

Zarange: It's my pleasure James. You can alter my name if it gives you trouble. It's not as you've written it now, it's Zarange.

James: I feel now that (some people I know) they will say they will but won't (do their healing) – are you giving me that feeling?

Zarange: Yes. Something to keep in the back of your mind.

James: Alright I will. And I guess other people will be like that too –

Zarange: Yes, many of them. Some will genuinely think they are doing their Healing the right way, like 'desire to be me' did, however will show you they are unable to let go of their mind control thereby deluding themselves they are doing it. And others will say they are, but it will be obvious they are not.

James: Okay, I'll file that away. How is 'desire to be me', is she still working on herself – can you tell

me that?

Zarange: Yes she is, and she's finding her own way. It's difficult for her being an American, many American's will think they get it, but will find it very hard to give up their American superiority, controlling minds allowing themselves to be completely crushed by their feelings, more along the lines of what you've had to go through, compared to Marion who can fully submit to the crushing weight of hers without her mind trying to keep her propped up or lessening the impact.

James: Which is why we weren't born Americans?

Zarange: Yes.

James: And why John and many he will have close help with are Australians?

Zarange: Yes, you are able to go either way, deep into your feelings as Marion has done, or get all caught up in your mind as you have done – the best of both really. And all what's needed to do all you both need to do.

Zarange: And by the way, you will hear from 'desiretobeme' again, she will be ready to work with you again.

James: With the same result?

Zarange: No, she'll be able to move deeper into herself, things in her life will have changed allowing her to be freer to do this. And there will be other people coming wanting to do and committing to their Healing, which will help her and others like her, she won't just have to deal with you James.

James: God, that sounds nice.

Zarange: You don't understand the intensity of your light, the light of your truth, and it's only going to intensify, being too much for a lot of people to deal with, particularly as you near and then complete your Healing. You can feel it growing in your both, and so a lot of people will prefer talking with each other about the Healing, rather than directly with you. Which will actually be a help to you both because it will mean fewer people will place demands upon your time, allowing you to be free to do more with John. Neither you nor Marion is to tie yourselves up with trying to help people do their Healing. People – humanity – are to help themselves, so, each other. They will take what you are revealing, but then work on it amongst themselves.

James: Marion and I have both come to that conclusion, and it is being proved to me more so each day lately as I give my books to people at the Bush Bank (native plant nursery) and see what they say and how they relate to it all.

Zarange: Yes, you'll both have other work you'll want to do. And there will be people who will, as they are doing their Healing, want to help others do theirs. You know how it will go, you can feel it within you, and you and Marion simply wouldn't have the time to devote to the personal needs of what people doing their Healing will need. But you will help by providing them with the inner awareness they'll need to do it, as well as certain outer structures of support, starting with your books and what you will both say to people.

James: And then what I do with John –

Zarange: Yes.

James: Hmm, so I will go now. Thank you Zarange.

Zarange: As I said, you are most welcome James. We won't speak again, I was only to come so as to move structures around in your mind. We will meet and speak when your time on Earth ends. Zelmar (male) will be doing most of our work with you. Zelmar is more attuned to the spiritual needs of you and Marion, whereas I'm more attuned to the helping John and those mortal spirits involved with him.

James: I see – and thank you again. I'm sorry I was a bit-tart, with you, but I'm feeling very fucked off about what I went through today, not being allowed to feel good for any length of time before I feel like I've got to smash myself back down again with yet another brick in the face.

Zarange: I understand James, and no offence was taken on my part. It was in fact a pleasure, as I said, connecting directly with you, something I'd been looking forward to for some time. And you need to work through all you are doing, so it's entirely understandable that you feel angry and some of that will come through to me. But as I said, I understand why you're feeling as you are, and as it has nothing personally to do with me, so it doesn't make me feel bad. I'm just grateful I can help.

James: Thank you Zarange.

Zarange: Goodbye James, I'll leave you now.

EXPERIENCES, FEELINGS and TRUTH:

We look into the night sky and see around 1,000 stars that possibly are the hosts to the 619 humanities of our local system, Satania. Earth is on the outskirts of Satania.

When we 'die', and shed our physical body as we are spirits having a physical experience, we all arrive on the 1st spirit Mansion World.

If we continue to live through our minds, then we may progress to worlds 2, 4 then 6 and no further – dead end!

Should we embrace Feeling Healing with Divine Love, we will start our journey of Truth and Love, progressing through Healing Mansion Worlds 3, 5 and 7, then through the Celestial Heavens and onwards out through our Local Universe of Nebadon and on to Paradise, the home of our Heavenly Parents.

The spirit worlds are within a different dimension to the physical stars and earths. However picturing the spirit worlds within the centre of our local system is only a visualisation aid and not necessarily accurate.

The Descending Sons of God

The Urantia Book:

(223.6) 20:1.1 All descending Sons of God have high and divine origins. They are dedicated to the descending ministry of service on the worlds and systems of time and space, there to facilitate the progress in the Paradise climb of the lowly creatures of evolutionary origin — the ascending sons of God. Of the numerous orders of descending Sons, seven will be depicted in these narratives. Those Sons who come forth from the Deities on the central Isle of Light and Life are called the *Paradise Sons of God* and embrace the following three orders:

(223.7) 20:1.2 1. Creator Sons — the Michaels. (have Spirits of Truth that they can release)

(223.8) 20:1.3 2. Magisterial Sons — the Avonals. (have Spirits of Truth that they can release)

Only Michaels and Avonals may incarnate and have Spirits of Truth to release!

(223.9) 20:1.4 3. Trinity Teacher Sons — the Daynals.

(223.10) 20:1.5 The remaining four orders of descending sonship are known as the *Local Universe Sons of God*:

(223.11) 20:1.6 4. Melchizedek Sons.

(223.12) 20:1.7 5. Vorondadek Sons.

(223.13) 20:1.8 6. Lanonandek Sons.

(223.14) 20:1.9 7. The Life Carriers.

We of humanity are ascending sons and daughters of our Heavenly Mother and Father:

(119.1) 11:1.4 The Father is always to be found at this central location. Did he move, universal pandemonium would be precipitated, for there converge in him at this residential center the universal lines of gravity from the ends of creation. Whether we trace the personality circuit back through the universes or follow the ascending personalities as they journey inward to the Father; whether we trace the lines of material gravity to nether Paradise or follow the insurging cycles of cosmic force; whether we trace the lines of spiritual gravity to the Eternal Son or follow the inward processional of the Paradise Sons of God; whether we trace out the mind circuits or follow the trillions upon trillions of celestial beings who spring from the Infinite Spirit — by any of these observations or by all of them we are led directly back to the Father's presence, to his central abode. Here is God personally, literally, and actually present. And from his infinite being there flow the flood-streams of life, energy, and personality to all universes.

Note: Under the rules of the Rebellion and Default, The Urantia Book was written in the masculine. Reference to Father is to be taken as Mother and Father, as Son is to be taken as Daughter and Son, etc. It is to be considered that it is the soul partner pair that is being referred to.

PARADISE TRINITY:

- 1. **Our MOTHER and FATHER (God)** (MF) – **Divine Love**
SOUL (God) – One SOUL that is expressing its two PERSONALITIES, our Heavenly Mother and Heavenly Father (Soul Partners)
 - 2. **ETERNAL SON** (ES) – **Divine Truth**
 - 3. **INFINITE DAUGHTER** (ID) – **Divine Mind**
- Then: The Second and Third Persons of the Paradise Trinity (ES and ID) are stepped down to the local universe trinity (Mary and Jesus, Divine Minister (DM), and her Holy Spirit.

The LOCAL UNIVERSE TRINITY:

- 1. **MARY M and JESUS** Our MOTHER and FATHER – **Love**
– the Living **Truth**
- 2. **DIVINE MINISTER** – **Mind** (and her Holy Spirit)
- 3. **HUMANITY – Natural love, sons and Daughters – Truth, and our Angels – Mind**

PLANETS that engage in REBELLION:

- 1. **AVONAL SOUL PARTNER PAIR** – the Feeling Healing process – incarnate
- 2. **DAYNAL – TEACHER PAIRS** – they do not incarnate

So in summary:

Mother and Father Heavenly Parents

Creator Son & Daughter

Jesus and Mary

Avonals

as soul partner pairs

Trinity Teachers

as soul partner pairs

Melchizedeks – who have taken over from the Caligastians and Daligastians being also all as soul partner pairs.

Mortal Souls – human beings who individualise on Earth, then progress through the spirit Mansion Worlds, then into the Celestial Heavens, and beyond.

Mortal Souls – also being ascending spirits, upon completing their Soul Healing, join with their soul partner, then join their soul group of 24 mortal spirits, being 12 soul pairs. It is only as a soulgroup that anyone can progress beyond Nebadon.

The Paradise Pairs are all ONLY concerned with the SPIRITUAL wellbeing and upliftment of the planets and local universe. Currently to do with Earth:

Mary and Jesus – spiritual wellbeing and upliftment of the whole of Nebadon region.

Avonal Pair – Daynal pairs (Trinity Teacher Daughters and Sons) – Spiritual wellbeing and upliftment of individual planets and their associated Mansion Worlds.

The Local universal Sons and Daughters are all about the running of the worlds under their jurisdiction, and ensuring the higher spiritual elements can be employed, or sent astray, as in our case through the Rebellion and Default.

Lanonandeks – Melchizedeks (and others, such as Life Carriers and Eve and Adam).

As the Lanonandeks all rebelled – the Lucifer, Satan, Caligastia and Daligastia soul partner pairs – so the Melchizedeks have taken over their roles, as well as doing their own.

So the Melchizedeks are the governors, overseers, the administrators and advisors and so on for Earth; they are the ‘controllers’, and they will instigate all that needs to be done to do with the ending of the Rebellion and Default. And they will enlist the willing help of ascending mortal pairs, so the mortal Celestials spirits (soul partners when available, and others waiting to unite with their partner), and at times mortal spirits in the Divine Love Healing Mansion Worlds. And the angels help all of us.

Currently the whole of Creation exists for the ascension of mortal souls from their earth planets to Paradise. It’s all one vast Grand Ascension Scheme. With all the higher and lower spiritual Daughters and Sons, together with all the many different angels and other universal spirit personalities, and even including nature and our very own pets, assisting women and men with their Ascension Journey. It being: an Ascension of Truth. Everything we do is done to help us grow in truth. (Only everything we do in our negative state is to deny ourselves our truth from our feelings, which is why we have to do our Healing.) All women and men are ascending (or growing) in truth through their experiences. And as we grow in truth by looking to our feelings to show us that truth, so we’re ascending, moving inwards and upwards through all the worlds and spheres of the Grand Universe to one day arrive on Paradise and meet our Heavenly Parents. God is providing us, Their children, with this spiritual journey called our Ascension of Truth. And by living true to our feelings, so we are progressing on our true Spiritual Path – our Ascension Path.

THE CHANGE

Saturday, 11 March 2017

James Moncrief further enquiring about ongoing operations:
Zelmar?

I'm here James, go ahead.

James Moncrief: And you've been monitoring my thoughts?

Zelmar, a Melchizedek: As always, however you still need to record them through your writing, so please ask me what you want to know.

James: Having spoken just now with John regarding what Zarange said last night, I was wondering how it is for you over there, as in where you are doing all that you do with us – what's the set up; how does it work?

Zelmar: It's all being conducted from a main '**Battle Room**' (which amounts to about a third of the three Celestial Heavens!) as we affectionately call it, as we're being able to engage in a more direct way which Zarange spoke to you about. For so long we've had our hands tied, however because of all you and Marion are doing, we're now able to get 'stuck into it more', as you might say. Which I will add, we are relishing, we've never felt such a common purpose, to hear the rallying call-to-arms, to be able to take the bit between our teeth and get our hands dirty, and the more so with every passing day. Things are only now just beginning in this way, and they will continue right the way through yours and Marion's life, most of which you won't know about as it will involve us on the unseen levels, however there is a lot of mobilisation and we're all very happy to be active finally in it. It's been a long time in coming, slowly preparing and planning, and now we can ACT.

AVONAL AGE transitional Celestial administration:	Soulgroups No:	No. of Personalities:
Council of Elders – Pascas central soulgroup	1	24
Council of Elders – Pascas primary support group varies	13	312
Soulgroups helping Pascas and Solid Investment	124,000	2,976,000
Soulgroups expanded Pascas and SI Celestial support	12,400,000	297,600,000
Soulgroups involved with the 'Change Over'	1,240,000,000	29,760,000,000
Angels involved – they have been arriving in endless squadrons and legions		countless billions

So we are working it all from the third Celestial sphere, which enables us to easily oversee the lower two Celestial spheres and all the Celestial mortal spirits and angels involved in all you are doing and what's to come. It's going to affect, in one way or another, a huge amount of humanity on Earth and in the mind spirit Mansion Worlds (1, 2, 4 and 6), it's what we are all working on now, no longer having to keep just plodding away helping people become further untrue to themselves. Now we can keep that going whilst putting into place the systems and action to help those people wanting to help themselves become true. So everyone you reach out to and touch and who starts to even think along the lines of doing their Healing, we can reach out to too.

In the Battle Room we have our main group of governing Melchizedeks and angelic advisors and

helpers. From here we step down the control to ever widening groups, all which end up with ascending mortal Celestial spirits. And these Celestials are not just all hanging around wanting to impart further truths and understandings about things to people who might call upon them, there are some Celestials who willingly want to do that, but the vast majority want to do the things they used to be doing on Earth, so want to be able to work with people in business, in government, in art and in fields in which people are involved yet who also want to incorporate the truths you are revealing in any way.

And as we've told you, these people will receive priority help, as the good 'healing thoughts' and 'thoughts along the lines of the truth' will receive more light from those helping behind the scenes, helping the person feel better about having such thoughts and going that way.

And each day more power is being given to us, power we've not been allowed to have, but power we should have. Power through the light that has been denied us all through the years of the Rebellion and Default. But now we're getting that power back, so we too are able to act and live and express ourselves as we are meant to, not giving over all the time to the rebellious ones. And with the Caligastia's and Daligastia's gone (early 1990s they were spirit world imprisoned), so those on Earth and in the mind Mansion Worlds wanting to have power, which they've always had, will find it increasingly hard to have such power as they are used to, it slowly being removed from them.

Everything is changing James, and everything will change, the greatest change being a whole shift in humanity's consciousness when it finally embraces the understanding that it's living evilly and has been led astray and against what would be best for it. This change all being led from the ground up by people embracing the basic tenets of yours and Marion's work.

So we twenty-four Melchizedeks (twelve soul partner pairs) sit in counsel inviting those mortal spirits who are intimately involved with us to visit us in our sector on the third sphere. The Celestial spheres above, why Jesus said they were without number, being because they are really for Celestials who are done with the Earth, who are wholly setting out for Paradise; the three with number, being for the Celestials who are still concerned with Earth, having some sort of influence. The higher Celestial spheres are of course all numbered, but it's a convenient way to show the boundary between still being Earth-focused and being wholly Paradise-focused. And a lot of Celestials move straight through the lower three spheres not wanting or needing to have things further to do with Earth, moving directly into their Paradise ascent. And then a lot of Celestials, many whom are still awaiting their soulmates (soul partner), are Earth focused, including those working in the mind Mansion Worlds.

And the angels take our orders and suggestions, and our 'for your consideration' memos, to the relevant mortal soulgroups who are doing the actual hands-on work. Some of those groups, as Zarange told you, being directly working with John and those people associated with him.

And then there are a vast host of angels that keep those people 'in the light', those people who are working with your truth, or will work with it and are being prepared, protected from the meddling mind spirits; so John is off limits to them, as are you and Marion, they not even seeing or knowing you are there. And the angels can work that anywhere and anytime, and even on Earth, so you could for example walk around and literally not be noticed by people who are in still wanting to maintain their self-denial. The whole 'universe of feeling-denial' and 'feeling-acceptance for the truth', being together in the same space and time and yet kept separate by the light of the truth you are living.

John has a group close to him who have 'set up shop' literally in his house, his new house – yes, they too had to move – on the Earth plane level, however they are not always in attendance in these lower planes with him, but can come down into them at a moment's notice should they want to be closer to

him and whomever is with him. This being necessary at times for them to examine more closely the minds and workings of the people concerned. However, mostly they are kept well abreast of what's going on and what will happen, as their perception ability is quite extensive. When John feels he literally has a visitor, it's more than likely that he does have someone with him in one of the two Earth planes. But for the most part, the Celestials can do what they need do, as his mind is readily accessible to them, from their home base in the third Celestial sphere.

His main group is a soulgroup, so twenty-four mortal spirits – twelve soulpairs – all who are experts in their varying fields of interest, all who can help him with whatever he will want to do. And so it's the same for all the 'main players' so to speak, and then with lesser people involved so a soulgroup will oversee a number of individuals.

John will meet all this overseeing group when he comes over, and he will take up his rightful place in a group that will be for him to carry on such work in spirit as he will be working to help humanity in the years to come once he has completed his Healing, he will have quite a bit to do with humanity for the duration of yours and Marion's age of the one thousand years, so your relationship with him will continue on the other side.

James: And what about Elyon and the Teacher pairs through all this? (Elyon is one of the Teacher pairs.)

Zelmar: They will be specifically working with people doing their Healing. They are not so much involved at this stage with other ordinary mortal things, however will become more so when people who are doing their Healing start living together and start looking to live their material lives in a true state, something that is to happen in future once The Change has taken place.

James: That change being the Earth changes?

THE CHANGE

Zelmar: Yes, because then will come a whole vibrational shift, so humanity now will virtually cease to be as it is, everything will change, whole new ideas, ways to obtain energy and live, all looking toward the light for those people wanting to progressively end their rebelliousness, all needing to do so, so as to ensure things don't just evolve back to how they currently are; which won't happen, can't happen anyway, because of the vibrational change.

James: So things really are of a low material vibration now, compared to what's to come?

Zelmar: Yes, all in keeping with the **outworking of the Rebellion and Default**. Humanity is so shut off to anything that one's feelings provide, you are all but minds robotically carrying out instructions, nothing is fluid, intuitive and feeling-free. Your whole world can't change as it is, because everyone and everything is so bogged down in the mire of artificial laws and procedures. Look at how difficult it is for people trying to live a different way, one that is 'off grid', they are not supported, and are even looked down upon. You all have to conform, be programmed at home and school, all so you can keep being controlled. However the controllers don't understand they are controlling themselves far more than they are controlling others, so they will be increasingly marginalised unable to see out of the confines of their own box. So they will literally be passed over, passed by, by people seeking to live true to themselves through their feelings.

James: So it all is really going to happen, all with John, his money, the changes – it all seems too unreal, like some fantasy...

THIS IS HUMANITY stupified!

Getting the Hell out of here!!

Zelmar: You don't have to do a thing James, it's all going to be taken care of for you. You only have to heal yourself, you and Marion, and all the rest is for other people to do. However, of course, you will be very involved in it all; and yes, it's all going to happen – it's all happening now, you and Marion are doing your Healing, and you are both well advanced in it. That is what's happening, that's what has all our attention, that is what this is all about, that is the progress that humanity is largely unaware of presently.

And it's also because of this that you feel inspired to write to us now, and we can be more straightforward with you, not as much as we'd still like to be, however that too is increasing every day with every bad feeling you acknowledge and seek the truth of.

So the whole of the lower Celestial heaven is now fully orientated toward humanity doing its Healing, nothing else matters. And gradually, as more people embrace the truths and start their Healing on Earth, so the Celestial heavens can 'reach down' becoming 'earthed', all until in the far off future, the whole Earth is Celestial.

So this is the real turning point, humanity will never be the same wrongness, the same evil, again the wrongness' writing is on the wall.

Speak to you soon James – Zelmar.

James: Thank you Zelmar.
Later...

James: Me again Zelmar, having finished reading John's Pascas Paper about his life and how it's all come to be that he's in this position; to do with Marion and I; and this Solid Investment money thing; having so much to do with the 'Divine Love movement', and I was wondering, why – why is it all focused around him?

Zelmar: Because he's going to help you do what you and Marion will need to do. Someone has to do it, you can't do it yourselves, you don't have the resources nor the ability to network that John has, as you don't want these things; and besides, as we've told you, it's not for you both, it's for others to play their role in the proceedings, just as it is for myself and what I am doing with you.

James: So you have prepared John for his role –

Zelmar: Yes, all his life, as you've all been prepared all your lives for the various roles you'll play, as you understand, as everyone is prepared for the life they will live.

James: Yeah okay, so what really am I wanting to ask you... I think it's not so much about John, but about these families and individuals greed that he mentioned, the sheer audacity of them to want to accumulate so much wealth all at the expense of so many other suffering people. That we could all have a reasonable level of living, even within our yuk –

Zelmar: However – to complete your sentence for you – humanity wouldn't then be fully expressing its evilness, would it?

yuk

James: No.

Zelmar: So there needs to be such extreme levels of greed and wrongness manifested in these ways, just as there are in emotional and mental and psychic levels; it all has to reach its peak, the worst of the worst, so there has to be the highest amount of suffering, the worst you can get to in your denial of self, feelings and truth, that which the world is now arriving at as seen in all these grotesquely distorted ways.

James: I want to say: stop it, end it NOW!

Zelmar: Which is effectively what you're saying through the doing of your Healing, within yourself to yourself, and to your parents; which in turn comes to the parents of the Rebellion and Default; which in turn comes to everyone rebelling. It's just that it won't, as it can't, happen instantly, however the processes are being put into place for its demise, and so along with the demise of those seeking to have such extreme power over others, both personally and impersonally, individually and collectively.

James: Yes, well I can relate to what you're saying Zelmar, in the small way I've wanted absolute power, so I can see how we all want it, and some people are able to express that through material gain and possessions – wealth and so on.

Zelmar: And it all comes down to the same thing – how you were treated as a child and your unloving relationship with your parents. Nothing more, whether it's expressed this way or that, it all amounts to the same thing, it's what you all have in common, and it's all what each of you, rich and poor, have to heal within yourselves.

James: Is there anything more I can pass onto John?

Zelmar: No, not at this time, it's more for you to understand where he is coming from, and he to understand where you're coming from.

James: And what if none of it manifests, as in I don't complete my Healing, and all I think is rubbish.

Zelmar: Then it will simply be part of what you needed to go through so as to get you to that point where it is all rubbish for you.

James: Yeah great, thank you Zelmar, I think I'll leave it there for now.

Zelmar: You are most welcome James; you know how it is, we're not going to take anything away from you, and we'd never dream of depriving you of any difficulties, for then we'd be depriving you of bad feelings, and so the truth you are to uncover from them. So we'll only help you bring up those bad feelings, so even though a lot of what we say might sound positive, as you are feeling, often that of itself causes more bad feelings for you.

James: Yes, as I'm working through my not allowing myself to feel good feelings for very long or of any intensity, for soon as I feel them I have to do something, like over eat, to make myself feel bad again. The punishment brick-in-the-face cycle.

Zelmar: I'll speak to you soon James.

James: Yes, all right then; it's all right for you, you're perfect and true, you're not having to slog your way through the swamp of untruth. Thank you Zelmar.

My pleasure James.

AFTERTIMES
NEW FEELINGS WAY

This is the time in the history of Earth's humanity when the greatest event ever experienced throughout its almost one-million-year history is taking place.

At the time of World War II, 1939-1945, Earth's humanity was around 2.4 billion. Given the major recovery issues post war, the duration could be said to be 10 years and then some.

What is unfolding for humanity now is a factor 100 times more significant, and then some. Not only is Earth becoming fully engaged, so too are the 2 Earth planes, the 7 spirit Mansion Worlds and the 3 Celestial Heavens. That is 13 worlds.

Earth's population in 2020 is approaching 8 billion; spirit Mansion Worlds 1 and 2 have approximately 200 billion; the numbers for the 2 Earth planes are unknown, however they are near capacity; the Mansion Worlds 3, 4, 5, 6 and 7 could be any number. The 3 Celestial Heavens have approximately 30 billion personalities engaged in assisting in these events and the administration of the coming Avonal Age. All worlds combined having in excess of 250 billion personalities – more than 100-fold. Now add the angels!

The Avonal Age is for the next 1,000 years, more than 100 times the duration of World War II – well, 40 generations of 25 years each.

END of the HELLS**CHILDHOOD SUPPRESSION**

Tuesday, 30 May 2017

(part of message)

James: John said he took your last writing easily, it didn't stress him out so much.

Nanna Beth, 3rd Celestial Heaven, John's grandmother: He's got nothing to worry about James, his angels are constantly adjusting his mind – playing around with his head. (He'll like that! – don't you John!)

James: I'll be getting another phone call! He said he reckons all this is to do with **Solid Investments was set in motion well before he was even thought of.**

Nanna Beth: It all started with James Padgett. (The Padgett Messages – 1914 to 1923.) That was the beginning of the end of the Rebellion and Default; and so yes, it's all part of the Master Plan that's steadily working its way through. And so those people and spirits who are directly going to be involved in it, will all find they have been well prepared for the roles they are to play, just as John says, when he says he's felt like he has been on a one way track which he can't get off or deviate from, which is true. And although it's of course true for all of us, we're all living out the lives our Mother and Father have crafted for us, however in this regard, many of those people involved will have had a sense of purpose for most of their lives, with that purpose slowly being revealed to them.

James: So Sam Colins was part of it too, setting up SI (Solid Investment)?

Nanna Beth: Yes, he played his part in getting the ball rolling. Now others have taken up the baton, and so it will continue, thereby providing the necessary funds required to do what is to happen, which at this point, I still can't reveal to you. And I will add James, that as we were talking about your self-expressing circuits being blocked up and shut off, so you can liken it to the money, it too being shut off, unable to fully express itself by being paid out to everyone. So it's all happening in sync, as you are unblocking the circuits within yourself, so too are they unblocking in this aspect with SI (Solid Investment). All because from your point of view, which is the same for all involved, the funds will allow you to express yourself as required when the time is for you to express yourself as such.

James: I see what you're saying Beth; and as you said, it's the same for us all, so the same for John in his way.

Nanna Beth: Yes, which will become apparent to him as it all starts to free up. And it will give you all a sense of freeing up, and not just you, but ourselves as well, because we too will be able to work with you so far as how the funds are going to be used. But like you, we've had our hands tied, so we've not been able to come forward openly with such things. However we know what is to happen and what we want to do, so when we get the green light, we'll easily be able to put it all in motion, of which John has been preparing himself for.

James: So we're not to know the real plan, or how the money is to be used, until it's there to be used?

Nanna Beth: Yes, that's how it will work, because that's all part of the freeing up. It's wrestling it away from the tight control of the controllers on Earth, which will be reflective of the Rebellion losing its control, losing its tight grip on humanity, all of which we're chipping away at in readiness for the main event.

James: So that's why when John has asked how is the money best to be used, it's a bit of a blank wall he comes up against – that empty vacant feeling?

Nanna Beth: Yes, because we can't as yet come forward with anything like that. And it will have to evolve, it's like a baby starting out, it's in the womb currently, will get born, and then will grow up.

James: So he'll be flying by the seat of his pants?

Nanna Beth: So what else is new for him! However it won't actually be like that. It will all unfold smoothly, and the direction will take care of itself, with John easily knowing how to move along with it. It will not be stressful for him at all.

James: And still you reckon it's going to happen... I can't say that 'soon' word or else he'll never speak to me again.

Nanna Beth: It's very near (that was well negotiated Beth!) James, closer than John thinks. It has to happen, however first other things have to happen within yourself, which are now set to take place very shortly, which you can feel within yourself, not so much the actual things, but the quickening. The quickening, like John was talking about, is in you and Marion, as most of your bad feeling expression is coming to an end, and you James being able to work more closely with your feelings and your main issues in your lack of self-expression.

James: And all part of what I've been working through with you, you telling me about you Celestials being able to block the mind spirits, and then about the Law of Compensation being earthed, that's all part of it, this opening up as you are saying?

Nanna Beth: Yes. It's adding the finishing touches to your revelation, all so you understand, and from within your wrongness, that which is taking place. It's all part of crushing the wrong in yourself, which is in turn what is going to happen to it in the world and in humanity, although that part outwardly will take time. But first it has to happen within you and Marion, so you are killing the Rebellion and Default in yourselves as you allow yourselves to submit to it fully, expressing all it makes you feel, it all being represented by the relationship you have with your parents. So what happens in the personal will happen also in the impersonal, so on the smallest personal level with yourself and Marion and your parents, and then in humanity. It's all intertwined because it's all part of the same mind circuitry, so if you tweak part of it over here, for example, then that part of it over there will respond. And you and Marion are tweaking it constantly everyday as you continue to work your way through it all. And John and Samantha, and everyone else who will come into your orbit, are being drawn in on the vortex, and shortly that too will include the opening of the vaults of Solid Investment (and other fund sources!).

And although you can't see it as we can, yet you can sense it, for us over here it's fascinating to watch it all unfold. None of us had any idea anything like this was possible. We didn't gain access to The Urantia Book (TUB) for its small introduction to such higher things until we were well on our way in our Healing, so, so much of it was new to us. We had no idea, it's all so staggering, and yet even more incredibly so, here we are involved and even being instrumental in it. We are having the most incredible time, seeing it all slowly come to fruition.

I am going to end it now James, I hope you don't mind. I have other things I need to attend to, one of them being closer to John, so I'll speak to you again soon – Love Nanna Beth.

The first physical step to bring about the end of the Rebellion and Default for Earth's humanity was the materialisation of Machiventa Melchizedek 1,973 years prior to Jesus' conception. The plan could be said to have been meticulously mapped out and each step has unfolded with Machiventa Melchizedek, together with Jesus and Mary, orchestrating our Heavenly Mother and Father's intentions to this day. The plan culminates with the appearance of the Avonal bestowal pair from Paradise, being a Magisterial Daughter and Son, who will guide Earth's humanity, both in the physical and spirit, through their individual Feeling Healing, and with Divine Love their Soul Healing, during the next spiritual age of 1,000 years now to commence, being the Avonal Age. Machiventa Melchizedek has been administering this 4,000 year unfoldment and will continue with his role throughout the Avonal Age. Now we are engaging in the biggest event in history for Earth's humanity, the healing of the imposts of the Rebellion and Default. All of the Avonal Age is now required to establish the universality of the healing Earth's humanity.

A Universal Contract enabled high level rebellious spirits, through mind Mansion World subordinate spirits, influenced spiritual writings and practices throughout Earth's humanity in a manner that took people deeper into living through their minds and away from God. Christianity was founded by a high Jewish Rabbi, Paul, not by Jesus. Then Paul's platforms were further contaminated. Until now, we were not even aware we have been subjected to a Rebellion these past 200,000 years, and Default of 38,000 years! Now we are to heal ourselves of them.

Ten ducks in a row, but one always misleading!

BRIDGING and THE CHANGE

Friday, 23 June 2017

Hello Nanna Beth?

I'm here James, permanently attuned to you now.

James: I was saying to John that you feel like you've taken over from Mary (Mary Magdalene).

Nanna Beth: That's correct in many ways, although not in as a truth-revealer, there is no one like her and Jesus, but as part of what you need, yes, I have as you might say – 'stepped into her shoes'.

James: And because I'm to be more with humanity now, having spent so much time with Mary and Jesus?

Nanna Beth: Yes, you had to leave humanity in a sense, to go 'off shore' so as to go outside all humanity is bound up in, all the Rebellion and Default, so as to bring Mary and Jesus down into it, as you brought us – humanity – up into being with them. All that: being the bridge. And now that you've completed that work, you are, through myself mostly, so it's turning out, putting your focus on being with humanity and all its problems. As you've healed yourself of these problems within yourself, now you're able to assist in helping humanity in the ending of its evilness.

James: So we will be doing quite a bit of work together?

Nanna Beth, 3rd Celestial Heaven: So it would seem.

James: Good, I like that idea of that. I love writing with you.

Nanna Beth also John's grandmother: And I love being able to work with you too James, as we work to bring about what is needed to be done.

James: So if I can help in any way, please ask or just put me to work, I'm open to whatever.

Nanna Beth: Thank you, and we will, as we have been doing.

James: I still don't understand it all, either personally or in the bigger picture, but I feel it's getting closer now to resolution.

Nanna Beth: Yes. The more you work at healing yourself, the more it is all coming about, and you can see and feel the connections and how it's all progressing.

James: I am feeling very scared presently, so much fear, I feel like I am formed in fear and have lived in a vast river of it, and it's endless. I don't even know what I'm scared of anymore, and I don't know if I feel scared of something bad happening any moment or that it has happened, or that's it happened and is about to happen again. I just feel terrified, so nervous, quaking in my boots. I've chewed off my fingernails to the degree that I've not done for years, reminding me of how scared I felt back at school. I feel such a neurotic fear case, and yet here I am speaking with you about all of this stuff to do with humanity and The Changes. Talk about extremes, yet as you say, the two go hand in hand. I thought I'd be feeling stronger this far into my Healing, which in other parts of myself I am, yet still I am also feeling truer to my yuk, so even weaker and truer to my ever-present fear.

THE CHANGE

Nanna Beth: Yes James: the worse you feel, the better you feel; and the better you feel, so the worse you feel. It is all so trying, I can relate to those feelings sure enough. And all you can do is keep expressing your fear, staying true to it, longing for its truth.

Yuk

James: I'm trying to, but that too scares the shit out of me.

John asked me if you could please tell him how it was for you, how you came to understand that you were going to be involved with him like you are – when it all happened, and what happened to get you both to this point?

Nanna Beth: I died when John was young (he was about four and three quarters years old, being born 16 January 1947 (Elizabeth Mary McDonell was born 24 January 1890 and died on 5 October 1951, aged 61). I went into my Healing almost straight away upon arriving in spirit. It took me fifteen years to do my Healing. I took time to do other things in spirit, learn things that I'd not done on Earth. I had a lot of gaps to fill in. I also had another close relationship with a man I met soon after my Healing began. We worked on ourselves helping each other as we were in the same introductory class. We were just friends to start with, and stayed that way for a number of years whilst we sorted out our various emotional issues, but then got closer as we progressed, to being a 'loving couple' by the time we got serious about our Healing.

Then our Healing ended our relationship as its falseness was exposed, and by that time I understood about soulmates (soul partner) and decided, that was it, I was to be with my soulmate or no one.

So I arrived in the Celestial spheres and there was introduced to my soulgroup which at that time was forming. Our group was taken and heavily trained for what was to come for humanity, that which we'd been told a little about, as in things were due to occur that marked the real end of the Rebellion and Default – the truth of how people on Earth could do their Healing was soon to be revealed.

It was all very exciting, feeling like we were very important, being asked to be involved in a very important part of history, and we were deliciously naive. We didn't have any real understanding of what was going to happen at all. We'd learnt things on the way up through the Mansion Worlds, but being so focused on our Healing, didn't really take to much of it too seriously as in thinking we might be involved.

This time, in the history of humanity, is the most exciting time ever experienced.

We understood about Mary and Jesus, the Divine Love of course, and how humanity has rejected them. We understood about Jesus and the Apostles visiting James Padgett as the prelude to the revealing of the Healing. And we saw, but didn't have much to do with, these ancient spirits who we were in awe of. And were told that their work was all but done and most of them had moved on or were in the process of doing so, finishing off loose ends.

We certainly were raw recruits, and to think that so little time has passed since then. It's hard to think how far we've all come in such a short time, and as I said, it's been so exciting.

So once with my soulmate and soulgroup we began in earnest to prepare for the future, that which we

were told we were going to be part of. That all the lower Celestial soulgroups were. It's what it's all about now over here. The 'ancients', as we fondly called them, as I said, have all moved on, and so have all soulgroups older than about a hundred years. There are only a few from around the Padgett times (1914 – 1923), still helping advise in the changeover for some groups, but we don't have anything to do with them, and they too will be leaving any day now. For as I said the other day, it all has to be done with the newer spirits because we have the soul-light requirements, which means, we need the experience, so we're it!

I told you that twenty years ago (1997 or a little earlier) Mary and Jesus visited me whilst at my 'prayer rock', which was a complete surprise. And that is when as part of all they told me, they said that I'd be working with you (James Moncrief) and John in the capacity of which we are now.

It was from this time of their visiting us, for they then came – I went with them – to our quarters and spoke to our soulgroup and many others, and then with the Melchizedeks, ourselves and yet more soulgroups, that really is how it all started.

And it was at that time we were told about Marion and yourself, what you'd done, what you were setting out to do, what you would do and how that was going to change everything. So we've only really understood about it all, although there was bits and pieces that became known before, but that time Mary and Jesus marked the official beginning of it all, which was about the time you and Marion were coming together, soon to start your Healing in earnest.

And it was also at this time, as I said, that Mary and Jesus talked about John. And after they'd gone I was further instructed by the Melchizedeks overseeing our group about what was going to happen with him, and how we should prepare and go about it all. We were given a vague vision to work with, and a rough plan as to the sort of time frame and what was to be expected, but none of the personal specific details about what he'd go through, or what you and Marion or anyone else would go through either. Part of the instruction was that we were going to evolve along with it all – that we all were, us up here and you down there, and we'd all be working closely with our feelings, which would in turn lead the way and help us at each point feel what we wanted to do. And that's how it's been up until now, and will be all the way along, which is what you and John are getting more familiar with in all you are doing.

And this will make John laugh, as he can so readily relate to it as he's talked with you about it James, and it still makes me laugh, that there I was, an uneducated rural girl from outback Australia who knew nothing of the world, nothing really about anything, was just a mother, and came to understand, was not a very loving one at that, had seemingly nothing to offer, had no skills, was very loving now of God having Healed myself, yet not exceptionally so, had understood about the Healing through first hand experience, but had not really studied the whole psychology or bigger picture of it, didn't even think I was that interested in it, and certainly there were many other spirits with far more of an understanding than I had, and yet I was being told that my grandson John, whom, as he told you James, didn't even believe in God, and really hadn't had a spiritual thought up until that time twenty years ago, was going to be working hand in hand with you; and not only that, but was going to easily be able to take it all on, fully grasping the whole enormity and significance of it, taking it all in his stride at seventy years old, and was going to become fully embroiled in a financial scheme that was going to fund the whole thing – the New Revelation. (It was around March 2004 that John began to read anything spiritual!)

And I look back at my earnest 'young' self of a mere twenty years ago, and I too accepted it all, no big

deal, taking it all in my stride, even readily embracing the bigger picture like it was the most natural thing in the world, had a personal interview with Mary and Jesus who treat me like I'm one of their 'daughters', and here we all are, and it's beginning to happen, and so I'm just like John, or he's just like me in so many ways, which is of course why we connect so easily in all of this. I can easily attune myself to him, I know how he'll take things and how to put things into his mind for him to take it the right way, it's as if he's an extension of myself; and he is open to it, just as I am too, and has no preconceived ideas, no ego about it, and doesn't even really care if nothing comes of any of it, just loves the involvement, which is how I am too.

So there we were looking down at John who of course back then had no idea that suddenly all eyes were focused on him. And I remember at one of our first soulgroup meetings we had about this when we were looking at him and saying: well, if he is going to do all this in his life, then a hell of a lot is going to have to happen to him in a relatively short time, and WOW, what a trip he is going to have! You may as well strap him to the side of rocket and light the fuse, and blast him off into space – eh John, because that's about how you feel, isn't it!

And yet as the years passed, incredibly one thing led to another, he started his spiritual awakening. (Around March 2004 John started to ask friends to recommend their two most favoured spiritual books. The first two were Power vs Force by Dr David R Hawkins and The Messengers by Julia Ingram which lead to John meeting Nick Bunick in Las Vegas.)

And then his angels gave him his **big psychic burning-hat-band** experience that was to elevate his acceptance to another level, which prepared his whole mind and spiritual system to receive all you and Marion had to offer. (The 'burning-hat-band' commenced on Tuesday, 3 July 2007, in Las Vegas and progressively the sizzling and crackling subsided over the following three or four months.)

He came to the Divine Love and the Padgett Messages (having been introduced to AJ Miller in June 2009), he started to see this was the way to help people through things his life had prepared him for, and then he moved to seeing the limitation of the Padgett Messages and the other contemporary channels working 'with the Divine Love', which was more about the limitations of those channels as people than the actual information, as he was just absorbing it all, not being too judgemental, keeping an open mind, seeing where it all led.

So then he was introduced to your work (4th November 2016 – a friend of a friend provided James' email address and John then asked James for his phone number and James subsequently took John's call) when the time was right, and away he has gone taking it all in and with your help moving closer to me and I to him, and so here we are now on the eve of him getting the money he wants from the SI (Solid Investment and a couple of other avenues) payouts so he can move into the next phase of his life.

And we were instrumental in each step of his path. Unbeknownst to him, before it was my and my soulgroup's time to take over the reins with John, he had another Celestial group from the old guard working to help him through his life, helping him to learn what he needed to and evolve his wrongness as required, all the general stuff that those Celestial groups were allowed to do. Which wasn't that much, but still it was having a hand in the affairs of certain people and mind spirits lives, those who were going to progress to higher spiritual things that would involve all we're doing now.

And it was nice to take over the work from John's first soulgroup, we worked with them for two years understanding what could and couldn't be done, whilst we started to link up with the other soulgroups, like Helen's once Crystal came into John's life (late 2006 but more so January / February 2007 relative to Solid Investment), and others like those who already are in his life, and many who are to come.

And once we were in the driver's seat, free to do as we pleased – no, it wasn't really like that, we can only do as we feel which is in perfect harmony with how you are John and what you need, you are not just at our mercy, god forbid, then we found that things started to go in different directions and we wanted to work differently with you. And that's still happening as the new light settles in as it keeps becoming available for us to work with, which is happening in response to Marion and James' Healing.

So what we now are allowed to do with you is far more compared to what we were originally schooled. For example, we were forbidden to give you direct thoughts back then, we had to sort of give you thoughts of a worse nature for you to reflect on in the hope that you'd not want to go that way, so pulling back and looking to do something else. But we can be far more direct and positive with you now, both because you've grown spiritually so much, and also because such restrictions no longer apply as the Rebellion and Default continue to lose power.

James: How much actual influence do you have in John's head and life, Nanna Beth?

Nanna Beth: It's hard to say, you can't measure it, and it varies. Some times quite a lot, we're in his mind and thoughts, and it's not just me but all of our group, we all play different roles with him, something like advisors, and at times we can give him a picture, stimulate something to think about, a slight shift of seeing something about someone that he might not have at first seen, all sorts of things, and more so with each week so it now seems. Things have certainly picked up in that area, because of you and Marion coming on and because of John now having a much broader and greater understanding of it all, of both the bigger picture but also of the more subtle nuances, both on the human practical side and the higher spiritual side of things, and we're able to help him a lot with these.

James: Can everyone expect this amount of influence from their overseeing Celestial soulgroup?

Nanna Beth: They can expect it, however it might not be necessary for them. John along with Samantha (in England) are on the higher end of help, in that we're constantly working with them, it's like a permanent relationship, even if they aren't directly aware of us. But they are not alone, in that we are constantly attuned to them, which has been allowed because of all the changes that are happening. Crystal (in Minneapolis USA) too enjoys a close relationship with her group, as do many other people, however not that many compared to the number of humanity. And as you understand, such intensity can only come once the person has chosen to fully embrace the Healing, as in understanding it and wanting to do it someday or actively doing it themselves. Nothing else gets such closer Celestial attention because everything else is anti the truth, so really is anti the Celestials spirits because we are true, we're now all part of the 'Living Truth'. So someone who is materially focused and bound up in their religion or just making money or surviving in their physical life won't come under our radar unless they will at some point in the future be given special help. And there are many mind spirits and people in this category, which have Celestials in attendance gently helping to prepare them for what's to come. But still very few, as of a percentage basis for humanity.

The main changes that are to come to humanity during the '**Crossing Over**' will be affected by a very small number of people. And that's just how it is. And it's the same for everyone and everything, by which I mean, not everyone can be the expert in a particular field, there are always only few real experts, people's whose lives are the passion of what they are doing, and those who can't do anything else. And

although a lot of people miss out on experiencing such a life on Earth, in time they will, as you only have to look at myself for an example. Mrs ordinary no-body, and now look what I love doing; and yes, I even have to say, I'm something of a self-made expert in a field really of my own making, and one in which I certainly had no idea I was even interested in!

And the best part is, the more people become aware of the truth of the Healing, accepting it, thinking about it, and some living it by doing their Healing, the more we Celestials can move closer to you on Earth. And that is going to keep happening from now on, right until the last person and spirit have done their Healing. So the whole Celestial spirit / mortal connection is in its infancy, but is growing stronger every day.

James: And what about John feeling like he's even more in fantasy land by all that's happening, all yours and my ravings together?

Nanna Beth: It won't be long now before the first major step of earthing some of his fantasy starts to happen. It's just about time, very close now, and it has to start happening because things are moving along on all fronts. Look at how you and Marion are now changing, things are speeding up for you both in your Healing, and for Samantha, for John and Crystal, all we're doing together so far as just filling out the bigger picture for John, helping him and yourself, James, to feel more connected with it all, and that it's right, and all you are doing is the right thing to do. The wave is starting to build and you're all about to catch it, and then we'll all have some good work to do.

James: Yes, it's certainly nice talking with you Beth, your injection of 'it's all going to happen' certainly is welcome, and also helps to bring up more of my doubts and madness about it all being just a figment of my imagination.

Nanna Beth: And for John too, but that's what it's all for, my putting more light into your system, into your minds, stirring up yet more feelings, all to add the necessary pressure we know – thanks to your angels – that you need.

James: Well, thank you Beth, and on behalf of John and Sam, and I guess Crystal too, I know we're all very grateful for all your help.

Nanna Beth: It's our pleasure James. And we love being able to be so intimately involved with all you are all going through. And I am pleased how you now see me, which is really all of us Celestials, I am only the conduit to all of us over here who are involved with you.

James: I feel myself turning more to be with you all, I felt like I'd finished with humanity in a way, happy to never have anything to do with anyone ever again, even you spirits, but now that feeling has

gone and I'm much happier feeling involved with you all, which I can see reflected in my happier relationships with everyone at the Bush Bank (native plant nursery). And with John.

Nanna Beth: Yes James, you are not getting away from us that easily. And you might like to know, which I think you suspect already, we're going to be working together for quite a long time, so this is all just an introduction.

James: I had suspected it Beth. And it makes me feel good. I'm looking forward to it, which has also put our working together like this into a new perspective, so I don't mind writing more with you, even to pad it out and get more of a feel being with you in this way. And as I can now easily talk with you on my walks too...

Nanna Beth: Yes, that being part of your new focus. And that you want to keep your focus attuned to us too, it all being part of your growing up into your spiritual life.

James: As I said to John, the last couple of days I've felt like I'm four, five or six and just starting to peek out at life, which is helping to bring up more of my repressed fear. Anyway, that's all my personal stuff, which I'm feeling like keeping more to myself of late, I don't want to post as much of myself and Marion on the forum, wanting to get on with ourselves more.

Thank you again Nanna Beth, I'll go now.

I'll be speaking with you James soon enough, so until then, all my love to you John and yourself. Goodbye now. Nanna Beth.

It is the only way we can heal ourselves of our Rebellion and Default; our minds controlling domination of our true personality. It opens us up to our soul-based truth, and the love that follows.

For the past 200,000 years, all of humanity has been enslaved to the controlling natures of minds. We now have been shown how to heal ourselves and set ourselves on the pathway to Paradise, to our Heavenly Mother and Father.

NEBADON, our LOCAL UNIVERSE:

A Local Universe – Nebadon. One hundred constellations (about 10,000,000 inhabitable planets) constitute a local universe. Nebadon contains 3,840,101 inhabited planets.

A Constellation. One hundred systems (about 100,000 inhabitable planets) make up a constellation.

A System. The basic unit of the super-government consists of about one thousand inhabited or inhabitable worlds.

Earth is #606 in the system of Satania and is the latest to have human life. *Jerusem* is the headquarters of our local system of Satania. Thus *Jerusem* is the city to which we arrive when we fuse with our indwelling spirit having sufficient Divine Love following our Healing and enter the first of three Celestial Heavens, all being for the 1,000 physical worlds within Satania.

Salvington, in the centre of Nebadon, is the headquarters and home of our Creator Daughter and Son, the Michaels, namely Mary Magdalene and Jesus.

All descending Daughters and Sons of God have high and divine origins. They are dedicated to the descending ministry of service on the worlds and systems of time and space, there to facilitate the progress in the Paradise climb of the lowly creatures of evolutionary origin — the ascending daughters and sons of God (humanity – us). Those Daughters and Sons who come forth from the Deities on the central Isle of Light and Life are called the *Paradise Daughters and Sons of God* and embrace the following three orders: Creator Daughters and Sons – the Michaels, Magisterial Daughters and Sons – the Avonals, the Trinity Teacher Daughters and Sons – the Daynals. All three groups have Spirits of Truth, no others do, however only the Michaels and Avonals may release their Spirits of Truth.

The remaining four orders of descending daughter and sonship are known as the *Local Universe Daughters and Sons of God* do not have Spirits of Truth: Melchizedek Daughters and Sons, Vorondadek Daughters and Sons, Lanonandek Daughters and Sons, and Life Carriers.

The chief executive of a local system (such as Satania which includes Earth) of inhabited worlds is a primary Lanonandek Daughter and Son (was the Lucifers), the System Sovereign. The Lucifer Rebellion in the system of Satania was the most recent and the most widespread of all. Thirty seven (37) inhabited worlds were seduced into rebelling by following the Lucifers and their deputies, the Satans. Earth then went on to Default at the time of Eve and Adam. Later on, we crucified the Creator Son, Jesus, and ignored Mary Magdalene. Now we have the physical presence of an Avonal Pair. Only the Avonal Pair can take on all of our wrongness and heal themselves. It is their Spirits of Truth that we are to long for so that we, humanity – all of us – can then heal the Rebellion and Default that we have all embraced.

SPIRITS of TRUTH:

Note to Nanna Beth from John:

Sunday, 10 December 2017

John: There is only our Heavenly Mother and Father that one should long to for assistance with our growth.

Further, to long for the truth of feelings is assisted by embracing our spiritual parents, Mary Magdalene and Jesus, and that is facilitated through their spirits of truth. We now understand that the spirits of truth of the Avonal pair on Earth will also become available to us in due course. These two being able to support our Feeling Healing endeavours.

What other spirits of truth are we able to embrace and what aspects of our life do they assists us with please?

Nanna Beth, 3rd Celestial Heaven, John's grandmother: There are no other **Spirits of Truth** John. Those of the Avonal are in fact far more important to everyone than Mary and Jesus' to begin with, because without embracing them people won't be able to align themselves as truly with their soul so as to do their Healing as easily and effectively. It's why no one has been able to do their Healing themselves through all the years of the Rebellion and Default, because the co-ordinated action, support and guidance – direction, of the Avonal's Spirits of Truth have not been available to help. So no one has been able to systematically work their way from the beginning to the end of Healing their wrongness. And so without those Avonal Spirits of Truth, no one on Earth would ever be able to do their Healing. It's as simply as that. So you need their Spirits of Truth to Heal yourselves; then once Healed, (and for support (overshadowing) as well through your Healing), you need Mary M and Jesus' Spirits of Truth to see you through the Celestial spheres.

James: And later, I was thinking about the Spirits of Truth with Nanna Beth... could you please Nanna Beth talk more about the Spirits of Truth, as it might help John understand their purpose a little more – thank you.

Nanna Beth: As you can read in TUB (The Urantia Book) John, the Spirits of Truth are liberated upon the deaths of the Avonal pairs or Creator pair following their full physical bestowal on a physical Earth world. So Mary and Jesus' Spirits of Truth have been liberated, and the Avonal pair's will be so upon their death.

The Spirits of Truth basically represent all the truth the pair has lived through their life since their bestowal. So the Mother and Father sees to it that the pair live all they need to, so as to liberate within themselves all the truth their liberated Spirits of Truth will liberate, providing help for everyone who might need their help throughout their Age. So they have to go through a lot so as to accommodate the needs of everyone who'll be living through their age. The Avonals having to account for all anyone will Heal throughout their Spiritual Age. Meaning, their Healing will touch on all the depths everyone else will go through so as to provide assistance for everyone. So the long drawn out and extended Healing they are required to do, thereby covering every denial aspect of the Rebellion and Default on a feeling level, so relating to all those levels themselves uncovering the truth of them.

The Spirits of Truth have a drawing power, which means, when you look to the Pair for help, which means, you long for the truth or way such a pair lives, that you want to be as they are, you want to live and reveal the same truths to yourself that they have revealed to themselves, then their Spirits of Truth will help you. They will literally draw you up to be like themselves in truth. And as they are a Paradise Origin Soul, so they are literally drawing us up to the divine heart of

their own truth, the paradise of their own soul, which in turn leads us onto the Heart of Paradise itself – our Heavenly Mother and Father.

And we are all to look to them (Mary and Jesus) for the way through Nebadon; and for you now doing your Healing, to look to the newly revealed truths of the Avonal pair. And by wanting to embrace, acknowledge and live such truth, you'll allow their Spirits of Truth to guide you, which means, guide you through your Healing, and guide you through Nebadon. And (this is the most important part) without them, you'd never be able to complete your Healing or find your way out of Nebadon. Or you might, however it would take you so long that the rest of the universe would pass you by. And so until such Spirits of Truth are made available, then everyone has to wait until they are, until they show the way for us to go.

So until Mary and Jesus died liberating their Spirits of Truth, no one from any of the worlds could leave Nebadon, because no one knew the way to do so. So there were an awful lot of spirits waiting for their bestowal so they could move on in their ascent to Paradise, with a general clearing out of Nebadon taking place this past two thousand years. This including many Celestials from Earth, who were free to leave once they'd completed their Healing and attained the Celestial level, and then evolved up through Nebadon.

Anyway, special dispensation is made available for people who want to currently do their Healing before the full liberation of the Avonal's Spirits of Truth. Should people look to them for Healing help and the truth, then such help will not be withheld. So people can start their Healing without having to wait for them to die and liberate their Spirits of Truth.

So the Spirits of Truth streamline everything, and basically we'd all be stuffed if we didn't have access to them. So they, and whom they come from, are rather important and an integral part of our growth of truth.

And really it's one Spirit of Truth from the Avonal or Creator soul, however it's 'split' in two as reflected by the two soul 'halves' or soulmates – by each personality. And we need to embrace both the pair equally, not just one. So if you look to only Mary or only Jesus, you'll not allow both parts, both Spirits of Truth, to work within you. So you won't be able to keep the feminine and masculine aspects of truth harmonised, causing imbalances, which you can see in distortions as reflected by those people only adhering to Jesus via the Padgett Messages or in the Christian religions.

In all the other religions that don't even look to either Mary or Jesus, you've got the wayward mind with no hope of ever finding the truth and moving out of the mind Mansion Worlds. And that would be the same with the Avonal pair, if you look to only one of them you'll be doing yourself a severe disservice, with no hope of ever completing your Healing (as reflected by people trying to heal themselves using alternative self-help methods or their therapists or spiritual leaders, yet not really getting to bottom of the real problems at hand), so people will need to long for help from them both. And we don't need to specifically ask them personally for help (although of course we can should our life move us to be with them), we only need to long for the Truth. They can't help everyone personally because there are too many of us, so that's why they provide us with help from their Spirits of Truth.

And we need that united help to sort out our disharmony concerning the feminine and masculine within ourselves, just as they have sorted it out within themselves. And because you are taking your lead now from the Avonal pair, so you can't go ahead of them, as they need to sort out all the distortions within themselves and their own relationship, so as to offer such help through the light of their spirits, so you can sort yourself out. So they have effectively needed to do most of their Healing before other people

can look to them. And it won't be until they've fully completed their Healing that people will be assured that they can fully Heal themselves. So a lot hinges on them completing their Healing, because they then provide the way for everyone else to do their Healing.

And it's not that everyone else will do their Healing the same as the Pair have done it, but that everyone will do their Healing in their own way, yet will uncover the same truths the Pair uncovered for themselves. Which is why Jesus said: follow me, because we are to literally follow him and Mary up through Nebadon once we've finished our Healing, by revealing to ourselves through our feelings the same truths they revealed to themselves through their feelings. So by the time we complete our Nebadon stage of existence, we'll have lived all the same truths Mary and Jesus lived through their ascent of Nebadon following their bestowal into flesh.

And so it will be the same for people looking to do their Healing by looking to the Avonals. So in no way will the Avonals or Mary and Jesus ever stand in the way of people and spirits getting to the Mother and Father; on the contrary, they will only assist people to look to God and NOT to themselves. Which is what the Avonals can only do and claim, once they've finished their Healing. Which is why they will be reticent to stand up and declare themselves before they've completed their Healing, preferring people don't really know about them, because they don't know about what it all involves themselves until they are fully Healed. Because they know that until they are fully Healed, they'll still inadvertently be leading people astray, or standing in the way of God. However knowing that, they will at least also be able to angle and present their preliminary truths taking that problem into account, so people can avoid such pitfalls with their help.

And once they have completed their Healing, then they can honestly announce to the world, should they feel they want to, that the way is now clear, people can follow them and do their Healing and they won't be standing in their way – the New Age has officially begun. That they will then be doing all they can to help people complete their Healing, link up with Mary and Jesus so they can keep ascending through the Celestial levels, all to one day move beyond and out into the greater Superuniverse on the way to Paradise.

James: Thank you Nanna Beth, and just as an aside, the real New Age is yet to begin, it being when the Avonal pair declare it's begun, with the so-called New Age of some years ago being a false mind fantasy new age.

Nanna Beth: Yes, nothing whatsoever to do with the real New Spiritual Age that's soon to begin, however something of a vague forerunner that was something more to do with feelings, even though it was still about looking to the mind to further the control of them.

AVONAL PAIR

GOD

MARY &
JESUS

Throughout the Avonal Age of 1,000 years, their Spirits of Truth will assist us in embracing and engaging with our Feeling Healing and with Divine Love our Soul Healing. They will assist us to develop our soul well into Celestial Heaven status should we persevere with such a goal. The extent to which the Avonal Pair develop themselves while here in the physical on Earth is the level that their Spirits of Truth will be able to assist us. Then it will be Mary and Jesus' Spirits of Truth that will assist us up and out of Nebadon, where our Heavenly Parents will then assist us onto Paradise, Their home.

WE EACH have a Nature Spirit pair, Spirit Guide pair and an Angelic Pair:

For those doing their Healing or are interested in doing it, will from that time have their own personal angels, spirit guides and nature spirits with them, with whom they are to develop their own relationships should they want to. It is not about ‘sharing’ the same angels or guides or nature spirits, it is about you relating specifically to your ‘own’ ones because they are provided for YOU. It’s all for you, to maximise the experiences we each need.

We are all to have our own pure relationships. And it’s the same, of course, in life with your friends. However over there, in spirit, dealing with Nature Spirits, Spirit Guides and Angels, it’s more personal and private and ‘JUST FOR YOU’. So, we have our own separate, unique relationships.

For example, Nature Spirit Verna has been assigned to be specifically and only with James, and she ain’t going to be assigned to anyone else, so she won’t be sharing herself around.

This is SO IMPORTANT to understand; so that in future there won’t be all these people claiming to be speaking with Verna or Mary Magdalene or Jesus or Nanna Beth or anyone else who is part of it all in such capacity. Mary M and Jesus have spoken with James as they have, making it quite clear he is the only one they are speaking with.

We each have a band of a Nature Spirit pair, Spirit Guide pair, and an Angelic pair, each pair being in their ‘soulmate / soul partner’ relationship. Even though we are ascending mortals having a soulmate, even our soulmate has his or her own group of six personalities assisting him or her. Our assigned Nature Spirits do not continue with us into spirit, our Spirit Guides may for a time assist upon entry to the spirit Mansion Worlds. However, our personal Angelic pair continues with us to Paradise, and then even possibly being with us throughout eternity.

Feelings first

In a way, each person's Indwelling Spirit, which is really God, is contracting out the work needed to be done with you to other agencies. So to us spirits, the angels, the nature spirits, other elements under the Divine Minister's control, and even other non-humanity spirits, all of which end up doing increasingly more amounts of what your Indwelling Spirit does. And this 'outsourcing' is to affect greater personality interaction, increasing your experiences so they are maximised through interaction with different personalities rather than just relying solely on God. Overall, we are to become increasingly at-one with God, but we are to do that by becoming increasingly immersed in the experience of being with others.

Nanna Beth – 3rd Celestial Heaven: 25 December 2018

We each have a band of a Nature Spirit pair, Spirit Guide pair, and an Angelic pair, each pair being in their 'soulmate' relationship. In addition we have our personal Indwelling Spirit.

SCIENTISTS are to EMBRACE THEIR SOUL BASED FEELINGS or FLOUNDER!

We have imprisoned our potential within the depths of the largest steel wrecking ball ever imagined whilst believing our wayward chaotic mind is all superior and a wonderful genius. Well, our brain / mind is a pathetically clumsy retard compared to the wisdom and truths that are freely accessible through our soul based feelings. We should only embrace our feelings and then have our mind implement what our feelings convey. Those of the near future will demonstrate the potential of our soul's wisdom and capabilities through embracing their Feeling Healing with Divine Love. The greatest of the world's academics will be humbled as they observe their ineptitude being akin to a young infant now being guided by a preeminent scholar of each and every scientific path presently acknowledged, by those embracing their soul-based feelings.

MIND WORSHIP **Stagnation,** **pathway to nowhere**

'We are truth-creations, so our feelings **MUST** come first and then all the mind stuff can follow. And if we **DON'T** adopt Feelings First, then we will limit our mind's understanding.

'We think our world is 'advanced', ha, what a joke that is, advanced in what? What **ARE** we advanced in, is denying our mind its rightful advancement through our feelings and soul perceptions, so yes, we're rocking along very well in this self-denial.

'Look at how hard our **top scientists have to work at trying to push the limits of their mind, lucky if they have one significant breakthrough in their career.** All because we are pushing up against the absolute boundaries of our mind-denial, that being represented by the End Times of this age which the End of that denial being the end of the Rebellion and Default against our True Way.

'Imagine being one of these scientists who are living true to their feelings having done their **Healing.** And **EVERYDAY** we are having more astounding breakthroughs because of advancing or growing in Truth, with our mind reeling in trying to keep up with it all. That is living life on the edge – the cutting edge of Truth. The Truth leads through our feelings and the mind will slot right into place supporting it.'

Verna, a Nature Spirit

FEELINGS FIRST **Freedom, liberation** **and discovery**

EMBRACE YOUR FEELINGS and have YOUR MIND to FOLLOW!

The capabilities of one's soul based feelings to reveal profound and never before understood truths is beyond question and comprehension. While humanity remains entombed within the mind, humanity is frozen on a course of misery, deprivation and stagnation.

Humanity's education systems have freed us to some extent, however they are extolling the mind as the way to evolve. All our guidance and education platforms are taking us deeper into our wayward minds and further away from our truths to be embraced through our soul based feelings. Our early childhood carers and then all the way through to the highest levels of training and education take us deeper into our minds, suppressing our personalities, and that is further away from our Heavenly Parents.

Only through embracing our soul based feeling truths do we begin to open up to our true selves, our true personalities. While we are mind engaged we have only the potential of a pile of dung! And some of us strive to be king of the dung heap! When we are soul based feeling engaged do we blossom beyond that which is most beautiful of all of nature. Only through our feelings do we begin to discover the potential that is within us all. It is our feeling based personality that we are to release and nurture, and to nurture it we need only ask for and receive our heavenly parents Divine Love whilst engaging in our Feeling Healing. We do not need to strive for academic excellence, that is only worshipping the mind!

John F Kennedy on Saturday, 28 October 2017, wrote: 'In my (JFK) soulgroup (12 soulmate pairs), for example, we have a soulpair who were ignorant natives from the Amazon, who knew nothing about the greater world, having no conception of America, let alone her President. They knew their chief, he was their president, and that was enough for them. And yet these uneducated and uncultured (compared to my revolting standards that I grew up in) people, took to their Healing like so many spirits, and are now every bit my equal, as I am every bit their equal, for we are in the same soulgroup in the third Celestial sphere.'

When a small group here on Earth complete their Feeling Healing while embracing our Heavenly Parents Divine Love, they will demonstrate their inherent truth based wisdom and capabilities. This group may number only around a dozen or so, however, their healed souls will shine so brilliantly in their actions and guidance that the whole of humanity will be able to come to realise that they have been taken in the wrong direction for thousands of years and that the Great U-Turn is absolutely the only way to freedom, our Heavenly Parents, and life on Earth as though it is in Heaven.

GREAT U-Turn

FEELING versus EMOTION and emoting such emotions through your feelings:

It is important to **emote** your feelings to a partner or to your Heavenly Parents.

Just be the feeling. When you feel the feeling, try to stay with that feeling.

The other person you are engaging with can assist you to experience and express the emotional event that you are feeling coming to the surface. They'll assist you to stay with that feeling. The other person is to encourage you, to prompt you in describing, expressing, talking about – **emoting** – that feeling leading you back to discover the truth of an experience that was an emotional event in your life. Most likely an event in your early childhood, and even more likely to be a childhood suppression of your expression of your true personality by one of your parents.

Whatever you are feeling, describe it. Once in the feeling stay with the feeling – become the feeling – become the emotional event. Express, talk about it, that being the experience of how it really unfolded.

Feeling is what you feel now. Emotion is the result of an event that happened in the past (even the recent past). The emotion is the pain within you. Once you begin to become that painful emotional event, then the feelings thereof can be expressed, talked out of you – for ever!

The more often you drop into these past emotional events, you'll find the resistance to do so will subside. Your childhood events will become more readily alive in the present.

You will begin to long for the truth of these childhood repressions and these suppressions will become memories, but no longer painful memories as you talk out each such suppression of your true personality that being what was imposed upon you since your conception. You will be aided by the Spirits of Truth of the Avonal Pair as you become to know and embrace them.

Imagine

- Imagine the Revelations of how we are to heal and find our way home to our Heavenly Parents have now been given to us by high level spirits.
- Imagine the major errors and omissions within the New Testament of the Bible are addressed and revealed.
- Imagine Feeling Healing with Divine Love is the way of life and pathway to Paradise – to our Heavenly Mother and Father.
- Imagine by living true to ourselves, true to our feelings, we are living true to God. It's that simple.
- Imagine living by the Golden Rule: that one must always honour another's will as one honours one's own.
- Imagine women came to understand their True Liberation is through the Truth of their Feelings.
- Imagine that our Healing is through our longing to know the truth behind our feelings, both good and bad; and then express that to a friend!
- Imagine we each have two Nature Spirits, two Angels, two Spirit Guides, one Indwelling Spirit of God and the Spirits of Truth who are personally involved with us at all times.
- Imagine Feeling Healing (with Divine Love being Soul Healing) opening up the opportunity to personally interact with our very own Nature Spirits.
- Imagine Feeling Healing with Divine Love opening up the opportunity to interact with our very own Celestial spirit guides.
- Imagine parents understood they were to encourage their children themselves, never denying their child the freedom to express ALL of their feelings.
- Imagine if parents began to understand that we cause all the issues in our children through childhood suppression and repression.
- Imagine society understands parents cause a child's illness even in embryo.
- Imagine a society that began to engage in feeling healing and parents were bringing up children free of the imposts of their own injuries.
- Imagine if we were allowed to fully express our true personality.
- Imagine people communicating with each other again!
- Imagine humanity living Feelings First, embracing Feeling Healing.
- Imagine that humanity understood what the Rebellion and Default did to us!
- Imagine if all levels of control, that we are subjected to, recognised they are all doing the begging of the Evil Ones – Lucifer and his partners.

- Imagine parents, education systems, religious institutions, employers and governments relinquished their controlling ways and dictates.
- Imagine the world's scientists whole heartedly began to live through their Feelings – break throughs would occur daily! (Imagine all the crap they would have to get rid of and admit to!)
- Imagine through engaging your soul based feelings that nothing is hidden!
- Imagine children being conceived to parents who are free from childhood suppression and repression.
- Imagine if students were able to determine what they actually wanted to learn.
- Imagine a health system that recognised the underlying cause of all illness is childhood suppression and repression.
- Imagine – believe it or not – Feeling Healing is a cost free health process!
- Imagine we can commence our Feeling Healing even while in junior school.
- Imagine bottom up democracy where no one is disenfranchised and people elect true professional representation and may directly frame and pass legislation.
- Imagine a judicial system that is free to engage in Feeling Healing in its deliberations of truth and remedies.
- Imagine that we begin to recognise and accept our true heritage is our Heavenly Mother and Father and is not our family line going back many generations – we are Their children!
- Imagine that the resources to conduct war were aligned for the benefit of all humanity and nature.
- Imagine if the Zionists were forced to surrender their financial claims or pay income tax like everyone else.
- Imagine this will be the commencement of rebuilding the global financial structures.
- Imagine that we recognise our true life partner is our soulmate / soul partner who is always of the opposite sex and we can only come to recognise our soulmate once we have fully Healed ourselves.
- Imagine that the Revelations and the ending of the Rebellion and Default are distributed through music, plays, television programs and full length movies as well as the print media in all languages to all of humanity.
- Imagine when all the aspects of the Change come into play that not one facet of our life will continue in the manner we have grown accustomed to!

The whole human race is suffering from repressed childhood and mind control.

Be controlled by your oppressive mechanical mind, or set yourself free through your feelings and allow your soul based truths to surface. Allow your feelings to be felt, and seek the truth of them. This is how we can all evolve in love.

Our minds are infused with childhood injuries and errors. Only by expressing them as they surface, and finding the truth of them can we set ourselves free and grow in love.

TRUTH LOVING SOUL V ERROR INFLICTED MIND

NEW FEELINGS WAY

We are enslaved in our mind.

We seek, what we think, is the best education for our children. Many send their girls and boys to the so-called best and expensive schools that subsequently further enslave the child deeper into its mind.

The world's journey of growth through its education systems has peaked. The result is a global population functioning in zombie mode, in a stupor, glued to an electronic device, all trying to be the same with no individuality, originality or self-expression.

This destiny was imposed upon us by controllers who had us go in a direction of limited development and to remain their pawns forever!

Girls and women have been singled out as they, being closer to their feelings, can see the folly of this

entrapment of limitation and perpetual stagnation.

We are to live feelings first and have our minds follow implementing what our feelings are leading us to embrace. Our feelings are our true selves, they are an expression of the personality that we are, as bestowed upon us by our Heavenly Mother and Father.

A feelings orientated education opens our potential infinitely. It is only through us living through our feelings that all the social ills that are evident throughout every community in every nation can and will be mitigated and put aside. It is only through expressing our feelings, both good and bad, and longing for the truth of them that we will heal ourselves of our childhood suppression and repression. Then we will see an evolutionary advancement of Earth's humanity that is presently incomprehensible.

The New Way: Learning how to live true to ourselves by living true to our feelings.

ENOUGH IS ENOUGH

Andon and Fonta, our first parents to long for our Heavenly Parents, lived nearly 1,000,000 years ago. Naïve humanity was seduced by high spirits, the Lucifer pair, to believe they could be gods through their minds, thus men subjected women to subordinacy 200,000 years ago. Also added to this was the default of the Adamic pair more than 38,000 years ago when they failed in their mission.

REBELLION & DEFAULT **200,000 YEARS**

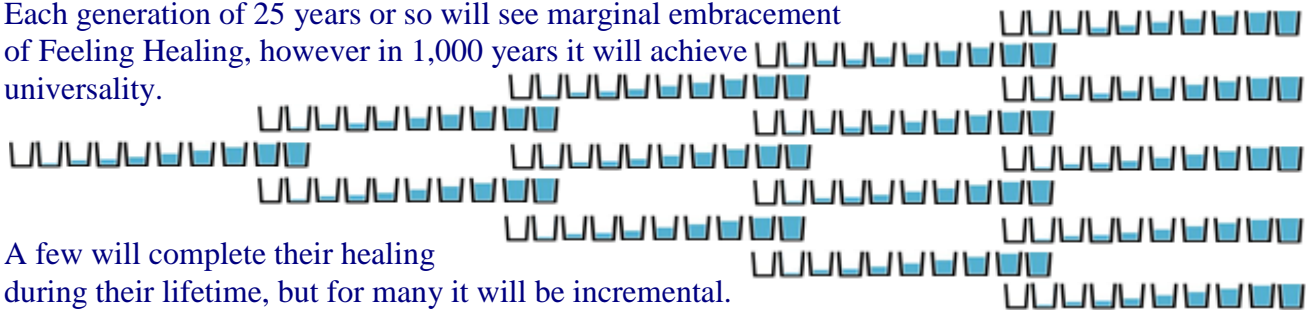

When Jesus with Mary achieved their full Regency of Nebadon, in 26 CE, they immediately had the Lucifer and Satan soulmate pairs assigned to a spirit world prison. Since then, the Creator Pair have been preparing for the ending of the Rebellion and Default for humanity of Earth. The Avonal Pair now on Earth, once commencing their Healing, brought about the imprisonment of the Caligastia and Daligastia pairs in the early 1990s. As the Avonal Pair advanced with their Healing they brought about the formal end of the Rebellion and Default, on 31 January 2018. It is now for all of humanity to embrace the Spirits of Truth of the Avonal Pair and undertake their healing of the imposts of the Rebellion and Default.

Avonal **AGE 1,000 YEARS**

Spirits of Truth of the Avonal Pair will guide us through our Feeling Healing and into the Celestial Heavens with Divine Love, then the Spirits of Truth of the Creator Pair will lead us through the Celestial Heavens and out through Nebadon towards our Heavenly Mother and Father in Paradise.

Each generation of 25 years or so will see marginal embracement of Feeling Healing, however in 1,000 years it will achieve universality.

A few will complete their healing during their lifetime, but for many it will be incremental.

Universality of Feeling Healing with Divine Love will see the mitigation of discomfort, pain and illness as well as the imposts of global warming and Earth changes. These events are to ensure that each of us embrace our feelings, both good and bad, down to the very core, so that we fully come to know who we truly are. Sciences will endeavour to remove pain only to see disease manifest in different forms. Earth disturbances are a result of the Harmonic Convergence of the late 1980s, increasing the rotation of the Earth's central core. This will only abate when humanity has universally embraced Feeling Healing. These influences are only imposed upon us so that we do not step back into the Rebellion and Default through complacency. Live Feelings First so that we become the true personalities we are, that being daughters and sons of our Heavenly Mother and Father.

Arvonal Revelation

- We are to live Feelings First.
- We've been made to use our mind to live against many of our feelings.
- Our mind control commences at conception and is developed through our childhood.
- All the bad feelings we didn't express as we were growing up are still repressed inside us.
- And all such hidden, buried and unwanted feelings have to come out.
- And whilst they remain repressed within us, they will continue to make us feel bad and unloved.
- We get sick, depressed, suffer, have bad things happen to us because of our repressed childhood feelings.
- Humanity was brought into this state of living against itself by higher rebellious spirits.
- These Evil Ones caused the Rebellion and Default.
- We are made to rebel by default – as we have no idea we're doing it through our parenting in wrongness.
- We are all parented unlovingly – against ourselves, against our will.
- Some parenting in the wrongness is done with more love, yet it's all still wrong.
- To heal this unloving state within ourselves we have to do our Healing.
- Our Healing is our Feeling-Healing or Soul-Healing with the Divine Love.
- We can long to God for Their Divine Love, and this will help us with our Healing.
- God is our Heavenly Mother and Father, the Feminine Aspects of God having been kept hidden from us by the Evil Spirits.
- All humanity's religions and spiritual systems are designed to keep the wrongness going, to keep us away from God.
- Only by living Feelings First Spirituality, The New Way, can you become right, and truly find God.
- Long for the Divine Love.
- Long for the Truth of your Feelings.
- Accepting all you feel is accepting all of yourself, it's your greatest act of self-love.
- And wanting to know the truth of your feelings, is your next greatest act of self-love.
- Love yourself through your feeling-acceptance, and the Truth will set you Free!

AWAKENING OF Humanity

LUCIFER REBELLION REIGN

200,000 years ago

Jesus & Mary

NOW!

FOR 200,000 years ALL SCRIPTURES are the WORK of the REBELLIOUS LANONANDEKS:

The rebellious Lanonandeks from within our local universe are these soul partner pairs:

THE EVIL ONES

Lucifer pair
Arrested and imprisoned 26 CE

Satan pair
Arrested and imprisoned 26 CE

Caligastia pair
Arrested and imprisoned 1993 CE

Daligastia pair
Arrested and imprisoned 1993 CE

The awakening of humanity means we are now free to step away from enslavement and extreme suppression. We have a choice to stop living in the hell that has been imposed upon us. We are now free of the restraints of the Rebellion and Default which has enslaved us for the past 200,000 years. We are so used to it that we consider that we are having a wonderful life – whereas it is the hell of living against our true selves that we are experiencing.

We have never known any other way of living. The adjustments to what we call normal will be all embracing, rapid and without any compass as to what to expect. No other humanity has gone through such a massive spiritual and physical upheaval. We just do not know what to expect. Can you avoid this? You may be able to ignore it somewhat but that is only going to put off the inevitable. This Change Over is underway and we are all to experience it. It is a massive event for all of humanity.

What has triggered this event is that several people have been working their way through healing all that they have taken on of the wrongness of the Rebellion and Default. These people have moved through milestones

which have resulted in the imprisonment of those who brought about the Rebellion. As they progressed with the Healing of their childhood repression and suppression they have enabled the closing down of interference by malevolent spirits as from 22 March 2017 and then the commencement of quickening of the Law of Compensation to start to unfold as from 22 May 2017.

Law of Compensation

Of greatest significance was that on 31 January 2018 officially marked the end of the Rebellion. Now it is game on for the Great U-Turn for humanity.

Feelings First Spirituality The New Way

For 200,000 years we have been guided to live through our minds. Our minds cannot discern truth from falsehood and further, our minds are addicted to control. Some people, as well as groups of people, call them tribes, are obsessed beyond recovery with the need to control. One family group has recognisable control of US\$500 Trillion!!! They have a figure head and this man is literally the ruler of humanity and no one knows him. That is 'hidden control'.

We talk about control in the form of slavery. Modern day slavery numbers exceed anything that has been recorded throughout all of history.

However we are all slaves. All funds that have been borrowed by governments, financial institutions, corporations of all ilk, housing loans and household debt, and the new phenomenon of student loans, all lead back to one family – with a British baron as the 'lender'.

We are all born into hell on Earth. No matter how 'wonderful' we may think our childhood is, we have been screwed over by our parents. They did not know – they have just done what their own parents did to them and what was done to them by their grandparents and so on up through the generations.

We are meant to fully and freely express our personality bestowed upon us by our Heavenly Mother and Father. Our parents impose upon us their dictates necessary to

form us into the personality that they believe is best for us. Our true personality is suppressed and remodelled commencing from the moment of conception. The great moment of conception should be a moment of wonder and joy – and that will start to occur in future generations now that we know how to live through our feelings and not our minds.

Until we heal ourselves of the imposts of the Rebellion and Default we will not be able to bring our children up free from error. We will continue to subject our children to our inherited errors and they will continue to be stifled and part of the Rebellion.

Until we heal ourselves through longing for the truth of our feelings, both good and bad, and expressing what we come to understand to someone that we have a personal relationship then we will remain living like a zombie – continuing to be in a stupor and screwing our life and everyone and everything around us. We will not be able to recognise who our true partner in life is and we will continue to have mismatched marriages that will ultimately fail – no exceptions – until we heal ourselves!

ALL MARRIAGES ARE
Mismatched

REBELLION

Due to our addiction to control, all sectors of industry, commerce, institutions and governments are corrupted. That is demonstrated by the varying percentages of trust or lack of trust recorded through surveys. Yes, there are aspects of truth and honesty within all of these endeavours. However, this is where the Law of Compensation will start to be apparent. In short, previously the Law of Compensation came to be imposed upon us when we passed into the spirit worlds, the first Mansion World. With introduction of Feeling Healing and some progressing through their personal healing, this has brought about the

Earthing of the Law of Compensation. Those who are involved in imposing their controlling ways and manipulating people for their personal gains beyond appropriate and acceptable levels will find that the Law of Compensation will be imposed upon them the instant they contemplate such error or errors. Such people will be instantly debilitated so that they cannot carry on with their 'trade'.

There will be no exceptions. We may consider some avenues to be free of such gross activity, however we are of the Rebellion, we cannot ascertain what is in Truth and what is not. We just have the condition to contemplate and comprehend what is unloving control – this will come to us as we heal.

We may consider the education system is fine. The education system is an extension of the parents' control of the child. The education system is the puppet of the Evil Controllers who have manipulated humanity for 200,000 years. You can proceed to look at the legal systems designed to protect people,

governments to serve the people, health industry to save the people, food industry to feed the people, the defence forces to protect the people, and at the bottom of the list are the religious institutions who have all been founded on the dictates of the Evil Ones through the manipulations of malevolent spirits. All will collapse progressively and will be rebuilt. You can see it unfolding around you now.

As people heal themselves through the process of Feeling Healing, their dynamism will unfold, their true potential will be self evident. They will emerge to become the leaders for all aspects of society. We have never seen such people on Earth except for the Paradise Daughter and Son in the first century.

Feelings First Spirituality, New Feelings Way Uncover the Truth of yourself through your Feelings

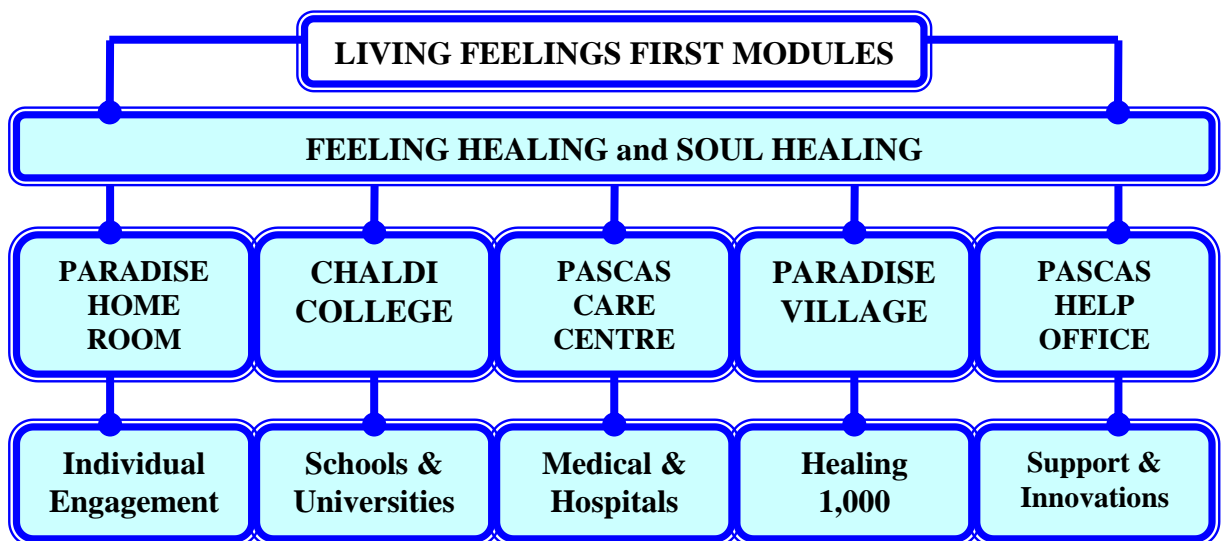

And when the first pair have healed themselves, then their children will be free of the Rebellion and Default and will become the first to be born into a Celestial Soul Condition physically here on Earth through these parents. As each generation progresses with healing then their children benefit accordingly. Healed soulmate parents in true harmony with each other will have children fully reflecting their Heavenly bestowed personalities

ENDING of REBELLION and DEFAULT:

Universal Contract governing the Rebellion and Default progressively put aside and then cancelled due to two people on Earth embracing and progressing with Feeling Healing.

1993:	The arrest and imprisonment of the Caligastia and Daligastia soul partner pairs.
22 March 2017:	Negative spirit influence was blocked.
31 March 2017:	Angel assisted healing will become available upon the Avonal pair completing their own Feeling Healing, being with Divine Love, thus it being Soul Healing.
22 May 2017:	Law of Compensation quickening.
2 December 2017:	Psychic Barriers maintaining the Rebellion and Default were cracked.
8 December 2017:	Bring on the money to 'house the future of humanity' .
31 January 2018:	Earth and the seven associated Mansion Worlds (including the two Earth planes) are officially now fully under the control of Celestial spirits. This marks a tangible and real end to the Rebellion and Default.

Greatest Event in the History of Humanity!

Spiritual growth on Earth evolves connectivity!

Spirit connectivity is relevant to level of truth.

- 1993: The arrest of the Caligastia and Daligastia soulmate / soul partner pairs, being rebellious Lanonandek spirits – Earth's planetary prince and deputy.
- 22 March 2017: Negative mind-spirit influence was blocked by Celestial spirit.
- 31 March 2017: Angel assisted healing will become available upon the Avonal pair completing their own Feeling Healing, being with Divine Love, thus it being Soul Healing.
- 22 May 2017: Law of Compensation quickening.
- 2 December 2017: Psychic Barriers maintaining the Rebellion and Default were cracked.
- 8 December 2017: Bring on the money to **'house the future of humanity'**.
- 31 January 2018: Earth and the seven associated Mansion Worlds (including the two Earth planes) are **officially** now fully under the control of Celestial spirits. This marks a tangible and real end to the Rebellion and Default.

Three people on Earth are of high 7th Mansion World condition - this is what has unfolded:

As of November 2020, due to three people on Earth progressing through their personal spiritual healing and progressing into the equivalent of the 7th spirit Mansion World, have enabled the above events and milestones. Two high level spirits have led the way. These two personalities have needed to incarnate into the physical and unaided have had to find the way to heal themselves of the imposts of the Rebellion and Default which they voluntarily took on. This is the most exciting time in the history of Earth's humanity.

When they move into Celestial Heaven soul condition while living on Earth then:

Upon becoming of a Celestial soul condition, then these two personalities will have Celestial soul level truth and will be able to directly convey such truth in person. Having then done so, Celestial Heaven spirit personalities will be able to follow and directly communicate with personalities in the physical on Earth in a similar manner. Presently, Celestials can only prompt people and not converse.

The level that the two high level spirit personalities progress to while living in the physical will set the ceiling for those on Earth in what they can grow in truth and love to. We can only follow.

Further, the conditions that prevail throughout the 1st spirit Mansion World may progressively be earthed. In the Mansion Worlds, the operation of the Law of Compensation is instantly imposed through the vigilance of Angels. This is likely to be imposed on physical Earth from the coming 1,000 years.

For Humanity to go through a spiritual upliftment, such as now, high level spirits must lead the way!

The Rebellion and Default was imposed upon Earth's humanity by high spirits from within our Local Universe of Nebadon. To end the Rebellion and Default, higher level spirits, being an Avonal pair from Paradise have had to lead the way out of the Rebellion and Default. This they are now doing!

AVONAL PAIR to be RESPONSIBLE for SPIRITUAL WELLBEING of HUMANITY:

Heavenly Parents

The Paradise Pairs, children of God, are all only concerned with the spiritual wellbeing and upliftment of the planets and local universe. Creator Son and Daughter, Mary and Jesus, are focused upon the spiritual wellbeing and upliftment of the whole of Nebadon which involves Earth, one of 3.8 million planets.

AVONAL

PAIR The Spirits of Truth of the Avonal Pair are to join with the Spirits of Truth of Mary and Jesus.

Soulmates

COUNCIL OF ELDERS

The Council of Elders, 12 Celestial soulmate pairs, being a Soul Group, guide to Founder of the Global Humanitarian Fund that is to disseminate Feeling Healing and Soul Healing guidance.

Soulmate PAIR while living in the physical of Earth, are to complete their Feeling Healing whilst embracing Divine Love, thus completing their Soul Healing. Being the first humans to do so, they will subsequently, upon their physical deaths, release their Spirits of Truth so that the whole of humanity, for the next 1,000 years, can embrace and progress in their soul development through Feeling Healing.

GLOBAL HUMANITARIAN FUND

Through the Global Humanitarian Fund, humanity is to be introduced to the processes of Feeling Healing and Soul Healing. Further, they will also become aware that our Spiritual Teachers of Truth for the next 1,000 years will be the Avonal Pair who will be handed this task from Jesus and Mary, and much, much more.

Crossover

This time, in the history of humanity, is the most exciting time ever experienced.

the Handover

This is the time that mankind is now able to evolve in its spiritual development. Humanity has endured 200,000 years of Rebellion compounded by the Default of some 38,000 years, now we have been provided with the guidance to put aside the negativities of the Rebellion and Default.

With the guidance that was provided through James Padgett (1914 through to 1923), again mankind can become aware of the availability of Divine Love from our Heavenly Parents. This also heralded the handover. That is, the commencement of the end times of the involvement by Mary and Jesus in the spiritual affairs of humanity on Earth.

Soul groups that have been in place during Mary and Jesus' 2,000 year involvement with Earth have progressively handed over to soul groups that have been forming since 1914 (Padgett Messages). The older soul groups have mostly moved further towards Paradise.

The second revelation, that followed from the availability of Divine Love, is the processes of Feeling Healing and Soul Healing. The understanding of the Feeling Healing process is the most important of the revelations and should have been the first to be revealed. Feeling Healing and Soul Healing are being revealed through and by Marion and James Moncrief.

The soulmate / soul partner bestowal pair, being the first to complete their Soul Healing, and upon their deaths, will release their Spirits of Truth which will unify with the Spirits of Truths of Mary and Jesus so that humanity, in whole, will have access to this knowledge and guidance for the next 1,000 years.

Mary and Jesus, being responsible for the spiritual wellbeing and upliftment of the whole of Nebadon, are to withdraw from their direct involvement with Earth's humanity and handing over the responsibilities to an Avonal bestowal pair, who take individual responsibility for the spiritual wellbeing and upliftment of individual planet humanities and their associated Mansion Worlds, in this case, Earth exclusively.

COUNCIL *of* ELDERS

For the next 1,000 years, via the Avonal Pair and the newly forming Soul Groups, Earth will be able to evolve through embracing Feeling Healing, and with Divine Love, one's Soul Healing. These newly formed Soul Groups are effectively 'Council of Elders' to assist humans living in the physical on Earth and Mansion Worlds to enable all to be aware of the way to evolve.

With the absolute end of the Rebellion, this is the first time in 200,000 years that mankind, humanity, can take control of his and her destiny and evolve in Love and Truth for all eternity!

Throughout this coming era, our spiritual leaders will be an Avonal Pair, yet to be identified.

GREAT U-TURN, THE CHANGE and the AVONAL AGE:

Monday, 24 December 2018

Nanna Beth – 3rd Celestial Heaven: The ‘Great U-Turn’ is what is happening now, it being the overall description denoting humanity turning away from following and advancing the Rebellion and its evilness as seen by living increasingly in a truth-denying state, to wanting to live true, to love truth, and to be truth-accepting. All of which comes about ultimately by doing your Healing, as you become the living truth as it’s revealed to you and also by people, like yourself John, who are currently more intent on understanding about it on an intellectual level. Both are needed, everyone who wants to embark upon their own personal U-Turn and the collective one of humanity, needs to understand a certain amount of what it’s all about with their mind as they work to bring the truths to light within themselves through their Healing. So anything to do with ‘reversing’ the Rebellion and Default is all part of the U-Turn. And it starts in a very small way within the individual, as it has already with the whole of humanity, being reflected by yourself and the others of your small band, who are wanting to live it and have accepted and believe it’s happening.

The Change, as such, is the same thing really. However technically, The Change begins with the dawning of the new Spiritual Age – the Avonal

THE CHANGE

Age. The Change as I was referring to it yesterday was to highlight that once the Avonal Age begins in earnest, EVERYTHING will change. So currently, even though the Change and U-Turn have ‘begun’, it’s early days, just the ‘scouts’ going out in all directions in preparation for the ‘main event’. So technically we can’t say The Change has begun, whereas in time when Mary and Jesus’ age ends and the Avonal Age begins, then we can say it has begun. Whereas we can say the U-Turn has begun, it being a more vague term and not a technical definition.

Also, James has written about The Change in his Sage novels in reference to all I have said above and also the Earth Changes, including the Pole Shift. However the Pole Shift, were it to come during the Avonal Age, would then be part of The Change, The Change being the whole 1,000 years. It’s going to take the whole 1,000 years to implement on the parent to child level the necessary Changes so as to ensure that the effects of the Rebellion will truly come to an end, with that “end” still going beyond the Avonal Age to complete. So the Pole Shift is just a physical phenomena, and certainly of itself it will cause great change, but it doesn’t of itself affect any spiritual change against the Rebellion and Default, and in the past it has helped humanity go deeper into its wrongness.

So the real Change I’m talking about is spiritual and involves the ending of humanity’s truth denial. That’s the most important part, to help people see they are living against the Truth, of themselves and of God, and that all they are

doing is part of that, and that if they want to end that, they will have to do their Healing. So the Change will be with the awakening to that, a consciousness shift, a vast change to the mind of mankind as it considers the state it’s in: that ALL it is doing, ALL it’s believed was right, ALL of it’s religious and spiritual beliefs, outlooks, attitudes, are all only keeping it in its truth-denying state.

Imagine the whole of humanity understanding and focused in the direction of knowing everyone is suffering because of being under the Rebellion and that it doesn’t have to be that way. So people increasingly living in the wrong direction and going further against themselves, once The Change fully

starts, won't be able to evolve further into a deeper or greater rebellious state. However stagnation within where it's stalled will be a big issue for a lot of people and mind spirits, those people and spirits who don't want to accept that's how they are is all wrong.

So you can say the Great U-Turn has started, the writing is on the wall for the Rebellion and Default. And when the Avonals come of age, when they finish their Healing and openly (publicly) declare who they are to the world (even if that world is only a very small group of humanity), then The Change will have begun.

REBELLION & DEFAULT

And once The Change officially begins, there is no turning back. After the Avonal Age, humanity will be given the chance to resume its evil ways and turn its back on The Change and all the Avonal Age has done, and certain people and mind spirits will want to do that. However they won't be able to change the momentum being lived by those who are intent on living true to themselves and God through their feelings. (The availability of Divine Love may be withdrawn for the following spiritual age.) Still in all fairness humanity has to be given the opportunity to decide whether or not it wants to fully heal itself, and without having imposed on it such strong influences as caused by the Avonal presence. But that's all a long time off.

**GREAT
U Turn** &
**THE
CHANGE**

So the Avonal Age is a specific Spiritual Age (which you read about in TUB – The Urantia Book), giving rise to The Change in which humanity ends its truth-denial and living unlovingly against itself and its Mother and Father, all of which is the Great U-Turn.

To PARADISE, the HOME of OUR HEAVENLY PARENTS

The Central Soulgroup of the Council of Elders has established a 'Battle Room' on each of the Celestial Heaven spirit worlds and each of the Divine Love spirit worlds. From 'hot-wired' connections on Earth, including the 'Engine Room' on Earth, events are recorded and broadcast live throughout these worlds. This enables spirits of all 6 spirit worlds to interact and engage in the changes that are now being implemented at an ever increasing rate.

Light of Truth of PASCAS

Throughout the evolution of Pascas, Pascas has been gently guided and supported by its Council of Elders from within the Celestial Heavens. All documentation, all concepts, all who have interacted with the forming of Pascas WorldCare and the various arms, have been in response to the guidance from our Celestial Council of Elders – from within the 3rd Celestial Heaven. Throughout the coming millennium, our Celestial friends will be guiding and assisting Pascas WorldCare.

Communications between the Celestial Council of Elders and those within the physical administration of Pascas WorldCare will be via those who complete their Feeling Healing on Earth, as years go by.

Avonal PAIR Oversight

The administration of Pascas may be also supported in their interconnectivity with our Celestial guidance, through those within Pascas and its administration who are sensitive in their nature and are able to perceive guidance from our Celestial companions on this journey of delivering the Great U-Turn. It is through the nature of sensitivity that Celestial Spirits have interacted with Pascas during decades of formative years and the establishment of the foundations for Pascas for the next 1,000 years.

LIGHT OF TRUTH

Pascas as an entity, due to the contributions from our Celestial friends, is functioning within the 5th Divine Love spirit Mansion World's level. Further, the Pascas Papers that are designated as references for Feeling Healing and Divine Love are within the level of Truth of the highest of the Celestial Heavens. Pascas will be supported in this manner for the coming millennium.

FEELING HEALING and SOUL HEALING with the DIVINE LOVE:**James Moncrief Publications:****all publications are free downloads:**<http://divinelovesp.weebly.com/my-free-books-and-free-padgett-messages.html>

It is suggested for one to consider reading as follows:

Speaking with Mary Magdalene and Jesus – books 1 – 4

These four books encapsulate the second of the revelations with the first having been introduced by James Padgett one hundred years previously. These four books provide a wide range of guidance that has never previously been made available.

Paul – City of Light

As a gentle intro into the Divine Love and Healing; being James Moncrief's first novel and it's been criticised as being too heavily clichéd, but that's the point because it's a reflection of how he was back then.

Ann and Terry

An example for people who might want to immediately start working on themselves and doing their Healing.

Feeling Bad? Bad Feelings are GOOD

For more understanding about our denial of our feelings and why we should not deny our feelings, and it includes how it all came about for James, using himself as an example.

Feeling bad will make you feel BETTER – Eventually!

This includes specific examples of Marion and James working on expressing particular bad feelings, again with the hope that it will help others gain something of an idea as to what's involved in doing your Feeling Healing.

Sage – and the Healing Angels of Light

Through Sage who's 13 years old, the story is primarily about the two aspects of healing; that being, with the help of our angels, and the full Healing we can do by looking to our feelings for their truth.

**Religion of Feelings
Feeling Healing**

**Welcome to LOVE – the Religion of Feelings
you can heal yourself through your feelings**

So these books, including the four Speaking with Mary Magdalene and Jesus books, provide the essence of it all and are examples of James' work. Then it's up to whatever takes one's fancy. Other reading to consider may include:

The Padgett Messages being published as:**The True Gospel Revealed Anew by Jesus volumes 1 – 4****Book of Truths by Joseph Babinsky****The Urantia Book**

Release one's pain through expressing one's feelings.

in conjunction with

Longing for the Truth when also longing for Divine Love.

FEELING HEALING with DIVINE LOVE is SOUL HEALING:

A collection of 'papers' that draw together specific topics including all of the above and more from other sources of information and revelation designed to help increase one's awareness about why we have the problems we do and how to heal them, all whilst living a more healthy and sustainable life. They provide a brief snapshot of the more complicated topics and issues.

**Firstly, consider discovering the truth of your emotional pain through Feeling Healing.
Secondly, consider longing for our Heavenly Parents' Love as you progress with your healing.
Primary and most important readings are the writings of James Moncrief.
Then consider the Padgett Messages, and then The Urantia Book.**
