

## Homeless OVERVIEW

On the left is a reflection of living true to oneself, true to one's gifted personality.

On the right is a reflection of living against one's personality and the difficulties that unfold.

Few have recognised that we are to live true to ourselves, true to our true personality, which is true to the personality that we are endowed with by our Heavenly Mother and Father, and that when we do so we are being true to ourselves and our feelings. It is our feelings that are always in truth. Our feelings are soul-based and are always in truth.

From the moment of our conception, we are being infused with our parents' errors of belief and emotional injuries. They go on suppressing our true personality and by the time we are six years of age we are presenting a persona of our parents making. We live our lives falsely. We are totally rejecting our true self and we are living a lie – we are so false in how we live that we continue making our life a hell that is most unbearable. And then we collapse under that falsehood.

The elephant in the room is our Childhood Suppression!

All of our social ills and difficulties throughout life stem from our Childhood Suppression. When we look at the illnesses, diseases, physical and emotional issues that we personally experience, we may find that they are all resulting from a cocktail of our parents and carers emotional issues and erroneous beliefs. Our consciousness level by the time we are six years old has fallen from near perfection at conception to that of one or the other of our parents. Then we live that level throughout our lives. Further, we then go on and do the same thing to our own children. We perpetrate living on hell on Earth!

Then as we continue on rejecting the promptings of our feelings we crash, we experience discomfort, pain, illness, disease, social issues, financial difficulties and frequently homelessness.

To address this generational suppression we are to firstly aspire to Living Feelings First. As we grow in understanding of the fact that we are to embrace our feelings having our mind to follow in support of our feelings, then we can consider commencing our Feeling Healing, which is expressing our feelings to a companion while longing and asking to know the truth behind what our feelings are drawing our attention to. Then with the asking for and receiving of our Heavenly Mother and Father's Divine Love we are embracing Soul Healing.

This is a true and lasting pathway out of homelessness – it is also ever so freeing!

# **PSYCHIC BARRIERS to CHANGE!**

**To put it succinctly:**

**We have been driven, generation after generation, to embrace our minds to the point that we blindly worship our minds, due to the fact that high level spirit controllers considered we would fall to to their coercion.**

**Our minds are addicted to:**

**Control over others;**

**Control over our environment.**

**That males are now addicted to having females subservient to their control.**

**That our minds cannot differentiate Truth from Falsehood.**

**That our minds are addicted to untruth and that 'fake news' and propaganda will be believed by a gullible, subservient audience.**

**That consequently, the sheeple will march to war without questioning.**

**So, financial gain for the few hidden controllers is the trigger for never ending wars, if they cannot enslave nations through debt by other means!**

**We, here on Earth, live in a physical HELL!**

**SOUL CONDITION of BABIES are SUPPRESSED to that of its PARENTS!**

A newly incarnated soul is immediately being infused with the emotional injuries of those in its environment, that is, the damaging emotions and erroneous beliefs of its mother, its father and of those within its family environment.

This process continues until the child reaches around the age of six, then it tends to develop its own way from then on, however, closely aligning itself with a parent or both parents. Kinesiology testing of Map of Consciousness confirms this suppression progress. Conception can be likened to facing a water cannon for the child!

Poor condition spirits may have previously connected with a young child should the environment be conducive for such a relationship. However, on 22 March 2017, all such spirit connections became blocked. A spirit cannot harm another personality.

We, as parents, can work on our own soul condition, through feeling healing, which in turn benefits the baby. We can also ask and prompt spirits to seek help from brighter spirits from within their own environment.

One's soul condition has a direct relationship with all facets of living. To grow and improve one's soul condition is the greatest gift one can give him or herself as it has universal benefits that last for eternity. This is achieved by embracing Feeling Healing through which we commence to repair the damage incurred by the Rebellion and Default that is passed down to us by our parents. Further, by embracing Divine Love with Feeling Healing we are doing our Soul Healing and progressing towards Celestial status.

Dr David R Hawkins' development of the Map of Consciousness (MoC) and research with kinesiology muscle testing observed the overall calibration of consciousness level of many countries. Developed economies are within the highest brackets. Civil unrest and wars are most frequent amongst those within the lowest brackets. Consider the average life expectancy and per capita income relative to the MoC calibration. Consider education as the crux of progress and development. Then review the above table for the rate of unemployment, rate of poverty, happiness rate 'life is okay' and rate of criminality.

### PERSONALITY TRAITS:

Less than two dozen people on planet Earth.

Would not pick up a weapon let alone use it. These people gravitate to the health industry and humanitarian programs.

Debate and implement resolutions without argument and delay. 470

Debate and implement resolutions in due course. 440

Debate and implement resolutions with some degree of follow up generally needed. 410

Management supervision is generally necessary.

Politics become the hope for man's salvation.

Cause no harm to others starts to emerge. Power overrides force.

Illness is developed by those man erroneous emotions that calibrate 200 and lower.

Armies around the world function on pride. Force is now dominant, not power.

Harm of others prevails, self-interest prevails.

Totally self-reliant, not God reliant.

Fear dominates all motivation.

Suicide is possible and probable.

At these levels, seriously harming others for even trivial events appears to be justifiable.

Poverty, unemployment, illness, etc., this is living hell on Earth.

This outline of the Map of Consciousness spells out the fact that while we live Mind-Centric and ignore and suppress our Feelings we cannot pass 499 MoC. Our mind being in control, as we have all been indoctrinated to live, is a glass ceiling. Humanity cannot heal anything, cannot be spontaneous, has no intuitiveness, and is locked into living in the deep hell states. This is why people find themselves in abusive homes, domestic violence, housing stress, homelessness and gross difficulties of all kinds. This is why we are easily manipulated, embrace propaganda and are being controlled by a few.

Women are closer to their feelings and that is why the nursing profession hosts a lot of women who calibrate a little over 500. These women are the healers in hospitals.

By aspiring to live Feelings First we are each breaking the glass ceiling and opening our potentials to grow in truth and love not only to 1,000 MoC, but to infinity. This is our destiny.

As communities embrace living Feelings First and having their minds to follow in supporting what their feelings are guiding them with, then ALL of the social ills of society will begin to mitigate. Please, do you comprehend the importance of what is being shared throughout this document?

**EMOTIONS affect SPECIFIC ORGANS:**

Emotional injuries and held errors have specific energy signatures and vibrations. So does each part of our physical body. Errors held within one’s mind affect the flow of energies through one’s spirit body, the spirit body is the template of the physical body. The resulting energy flow constrictions then initiate issues, and then pain, and then illnesses within the physical body.

# “All dis-ease is mind generated, and all healing is generated by the love energy of one’s soul.”

The Ego (mind based) manifests illness; the lower one’s level of consciousness (soul condition) then the more prevalent will be illness. Below the levels of 200, the ego and fear of the mind dominate; however, as you raise your level of consciousness by growing in love and achieve a level of 500 or higher, you begin to transcend ego dominance. At the level of 600, all healing is possible.

## Note:

**The Map of Consciousness scale is from 1 to 1,000**

The Map of Consciousness (MoC) table is based on the common log of 10. It is not a numeric table.

A calibration increase of 1 point is in fact a 10 fold increase in energy.

A calibration increase of 10 points is in fact a 10,000,000,000 fold increase in energy.

Thus the energy differentials are in fact enormous!

# Childhood Suppression is the elephant in the room!

Suppressed Child

The underlying generator of all discomfort, pain, disease and illness is Childhood Suppression and ongoing Repression.

Feeling Healing is our only recovery and soul growth pathway.

It is that simple!

# Childhood Suppression

The soul does it all. The soul is a duplex, two personalities being manifested into the physical by our soul.

Soul light continually flows from the soul through our spirit body levels and into our physical.

Return light being the experiences of our physical existence.

## SOUL

Childhood suppression imposed upon us by our parents and carers causes retarded light to return to our soul bringing about imbalance, reflecting emotional injuries and errors of belief. This imbalance is the cause of all our difficulties throughout our adult life and also all of our health issues.

## SPIRIT BODY

Brennan Model of the 7 Levels of the Human Energy Field

Every experience is recorded through the light returning through our spirit body and back to our soul. What emotional injuries we experience, commencing from conception, has to be expressed emotionally to heal the imbalance in soul light so that harmony and health can be achieved in our spirit and physical bodies. Childhood Suppression is the underlying cause of disease, illness, etc.

**SOUL LIGHT** emitted is to be **BALANCED** by the **LIGHT RETURNED!**

**Two separate personalities on parallel 'circuits' having the same soul. What impacts one personality does not impact the other personality.**

**ONE SOUL – TWO PERSONALITIES**  
**Our soul is a duplex!**

Soul light passed to either personality is returned completely **if** the personality is in a perfect state. Imbalances occur in the spirit body and consequently the physical until Feeling Healing is complete.

# A HELPING HAND

LIVE TRUE TO OUR FEELINGS;  
AND LONG FOR THE TRUTH OF THEM.

ONCE YOU KNOW -  
YOU CANNOT UNKNOW!

Mary Magdalene

**HOMELESS  
HELPING HAND**

# VOICE

We each are to VOICE our pain - the pain from within!

And our pain is our Childhood Suppression.

This being our families' traditions and customs of unknowing erroneous ways.

It is the untruth of held spiritual platforms.

It is our own imprisonment within our mind of arrogance and control addiction.

It is the imposition of control placed on us by those from many levels of influence!

We each are to VOICE our pain to a companion who has compassion for us, and long for truth!

We are to discover that truth which is freedom and love that has been hidden from us.

We are to discover that our feelings are our truth.

We are to discover that we are each fully self-contained - truth is within us - and that it is our soul based feelings that generations have told us to suppress and ignore.

No more controlling institutionalised systems are required! - NONE!

## Civic Education

Stanford Encyclopedia of Philosophy

In its broadest definition 'civic education' means all the processes that affect people's beliefs, commitments, capabilities and actions.....

Civic education may not be intentional, deliberate or beneficial:

- institutions and communities transmit values and norms without meaning to.
- people may be civically educated in ways that disempower them or impart harmful values and goals.

It is not limited to schooling and education; families, governments, religions, mass media are some institutions involved in civic education.

Civic education is understood as a lifelong process.

(It isn't dependent on age, work status or life situation. It is a mindset!)
