HUMANITY'S UPSIDE of DOWN

This is the most incredible event in the history of all humanities. Never has such a debilitated, corrupted humanity that has reached the maximums of wrongness ever existed and at this very moment, call it the year 2019, is being provided the way to shake off all that represents the Rebellion and Default and begin to ascend to the soul condition levels that is representative of being Celestial. One could say that the end of the Rebellion and Default began to transpire from 2017 and that the big green go button will be pushed no later than 2020 for the beginning of the Spiritual Age that will enable humanity, while living in the physical, to achieve Celestial Soul Condition.

For all of humanity, both in the physical and spirit, this moment in time is the first time that we have had spelt out and demonstrated to us how to ascend and that is through the process of Feeling Healing. In the one million years of the history of humanity being on Earth, this is the first time we have been shown the way of becoming Celestial. This is why the spirit Mansion Worlds, particularly 1 and 2, are full to the rafters. There are more than 200 billion spirits within the spirit Mansion Worlds 1, 2, 4 and 6 and in the Earth planes 1 and 2, generally referred to as the planes of disharmony or hells. Now we can begin to proceed in a manner that will lead us directly through the Divine Love Healing Worlds 3, 5 and 7 and into the Celestial Heavens.

As the Rebellion came about some 200,000 years ago and the Default some 38,000 years ago, everything that we hold as true, as a custom, business practice, law, particularly man-made law, scientific principle, religion is wrong – in gross error! Particularly how we parent our children is the greatest crime as we bring our children up entrenched into the norms and ways of the Rebellion and Default. How could it be any other way? We have all been born (until now) into the Rebellion and Default and we have known no other way. We have all lived in the spiritual age of the Rebellion and Default.

So why did we not find our way out of it?

Because we were all born into the Rebellion and Default and we are part of it. No matter how much we strive to escape from it, the dictates of the Rebellion and Default are such that no one can find their way out until higher spirits show us how to heal ourselves of the Rebellion and Default.

We have all known people or know people who absolutely refuse to accept or acknowledge a fact or point of view on subjects that are important for them and their situation. We have all spoken to people who appear not to be able to hear the simplest of messages. It is like you don't exist. They can't hear, see or comprehend what you are conveying. Well, the whole of humanity has one universal set of 'blinkers' that prevent us all from comprehending how to heal ourselves of the imposts of the Rebellion and Default and now those 'blinkers' are progressively being lifted off of us.

We are bound into the limitations of the spiritual age. The Rebellion and Default which naïve humanity took on some 200,000 years ago has caused humanity to be isolated from all of the humanities within our local universe and until this new age commences, the Avonal Age, those restriction continue until we heal ourselves, however this new age enables us to heal ourselves for the first time in history.

You may say that Jesus and Mary came 2,000 years ago and saved us. Well yes they did but it was to set in motion the steps to save us and that is what is about to dramatically unfold for us all. The saving bit has taken 2,000 years to be put into place and be activated.

But first of all, who is Mary? When she was here we ignored her then the Catholic Church vilified her by declaring her to be a prostitute, which they now have withdrawn. The Rebellion brought about the suppression of women as they would have unravelled the Rebellion should they have been allowed to use their feelings to recognise the folly that the Rebellion is. Mary is the soulmate of Jesus, they are the sovereign rulers of all of Nebadon, of which Earth and its humanity is one such member within their domain.

So we ignored Mary and assassinated Jesus. Then Christians made Jesus to be god which he is not. Mary and Jesus are Creator Daughter and Son from Paradise, being from the home of our Heavenly Parents, Mother and Father. Oops, what is this about Mother? One soul animates two personalities. God is one soul animating a female and male personality. That is why we have women and men. Our soul animates a male and female personality, they are soulmates.

Back to what is now unfolding. The great news is that we now can live a life in truth and through our healing of all that has been imposed upon us by the Rebellion and Default we can live physically on Earth as Celestial spirits do in spirit. In fact we can progress further to what ever level the Avonal pair achieve while they live in the physical here on Earth. What they achieve sets the benchmark that we can also reach. It is anticipated that very shortly the Avonal Pair will be able to confirm they have reached the lowest levels of the 1st Celestial Heaven, there are three such heavens. That will signal the commencement of the new age, the Avonal Age.

Now here is the difficult part. All that represents the Rebellion and Default will have to go. That is all that is founded on the principles of the Rebellion and Default will collapse. It will come tumbling down

in a much undignified manner. It will feel totally distressing. It will be progressive insanity unfolding throughout the coming decade or so. People who society looks to, will appear incompetent through to being gross criminals. The man-made religions will all be found to be what they are, untrue and domains for man to control congregations.

THE PERFECT STORM

**WE'VE BEEN SCREWED BY
LUCIFER REBELLION**

The planning for this event, though started 2,000 years ago with Jesus having the first two pairs of four Lanonandek soulmate pairs imprisoned. Jesus then opened the Divine Love Healing Mansion Worlds 3, 5 and 7 which also led to the opening of Celestial Heavens 1, 2 and 3 for humanity. Mary and Jesus brought about the availability of Divine Love and Mary introduced how to heal from the imposts of the Rebellion and Default. It has taken all this time for sufficient Celestial Spirits, having healed themselves, to come about to administer the Change Over to the Avonal Pair.

Now the Avonal Pair are on the cusp of completing their healing and that will enable their Spirits of Truth to assist those who engage in their own Feeling Healing process. It is through their Spirits of Truth that we will be guided in our healing, from the lowest of the hells all the way into the Celestial Heavens. From there it will be the Spirits of Truth of the Creator Daughter and Son that will assist us through the higher Celestial Heavens and then on and out of Nebadon. When we progress beyond Nebadon then it is Eternal Son and Infinite Daughter of our Heavenly Parents, with them all including our Heavenly Mother and Father, we are guided Home.

The planning for this event became earnest some 200 years ago. It first started to manifest in the physical through the writings of James Padgett (1914 – 1923) where Jesus and some 250 Celestials reiterated what was introduced 2,000 years ago through the “Padgett Messages”. In short, all the core teachings that the Catholic Church pontificates are flawed! This is an example of just how extensive the Rebellion instigated by the soulmate pairs, Lucifer and Satan, have permeated.

By living true to ourself, true to our feelings, we are living true to God. It's that simple.

We are to live Feelings First and have our mind follow to assist implementing what our feelings are leading us to engage in. Not the other way round. From the moment we are conceived we are being bombarded with the directive to worship our minds! Our minds cannot discern truth from falsehood and our minds are addicted to control. Look at the photo of the cardinals in Rome, where are the women? The men are all dressed in frocks and there are no women? And we were mainly brought up under the dictates of these misguided men! Their reign is now crumbling around them!

The hidden controllers of the world's financial systems and major corporations enslave all of humanity to debt, housing debt, personal debt, corporate funding, government debt and their last bastion of enslavement being education loans! They are finding things are become unhinged! Why and how?

Like all systems throughout the world, they were previously administered from the spirits within the mind spirit Mansion Worlds 1, 2, 4 and 6. On the 22 March 2017 the Celestial Spirits were authorised to block the mind Mansion World spirits' communications with those in the physical on Earth. They have, very clearly, been successful. This authorisation came about due to the Avonal Pair achieving a required milestone in their healing. Further milestones that have been achieved have resulted in additional steps being activated in line with the bringing about of the coming Avonal Age.

Many, many events are converging to bring about the great changes that are necessary to purge all that represents the Rebellion and Default. Are we on the road to civilisation collapse? Luke Kemp explores this in his research shared below. What we are seeing is the sweeping away of all that represents the Rebellion and Default, this will be extremely unsettling, particularly for those who strive to hang onto the old ways and they will fail.

Change OVER

One event that unfolded in the 1980s was a surge of energy into our local solar system which has resulted with increased internal core activity and consequently a marginal temperature increase of the Earth's crust of more than 1° Celsius. The increased activity within the core of the Earth is uneven resulting in varying changes in surface temperature as well as increased crust activity in the form of earthquakes and volcanic eruptions. Thus much of global warming is not directly resulting from man's activities, however man has to learn to respect and embrace nature and that is part of this Changeover evolution.

We do not have control of our environment, nor do we have control of the bacteria that brings about strains of diseases. As we develop vaccines, mutations are introduced to bring about even more difficult viruses to deal with. We are meant to feel the pain within us and long for the truth behind such pain so that we can heal the core issues ourselves. All such pain ultimately stems back to our childhood upbringing, the suppression and repression of childhood injuries that our parents

back to our childhood upbringing, the suppression and repression of childhood injuries that our parents

imposed upon us mainly in their endeavours to suppress our true expression and personality. Nature Spirits introduce new strains as required, we are all aware of the new flu strains that arrive every year, those are of the Nature Spirits making. Nature Spirits are our friends and we are to learn how to connect and communicate with them, this has been prohibited throughout the era of the Rebellion.

Under the restrictions of the Universal Contract governing, or was governing, the Rebellion and Default up until 31 January 2018, no one was going to be able to break through “The Glass Ceiling” and heal themselves of the imposts of the Rebellion and Default. Many made progress only to find out that they were going in the wrong direction, away from our Heavenly Mother and Father, by furthering their mind’s dependence and then having to turn back.

The Glass Ceiling has been shattered! The Avonal Pair who commenced their healing, of what they personally took on from the Rebellion and Default, have progressed to the transitional phase in their ascendance of their personal truth and this has opened the pathway for others to follow in healing themselves of the Rebellion and Default. The green go button is not far from being pushed for the commencement of the Avonal Age.

Very few have recognised this progression. Only a small room full of people at this moment in time comprehend what has already been achieved and fewer understand what is going to follow.

We have experienced the gifts of writings through very capable mediums, and their limitations mirror those of James Padgett, namely:

- a. Dr Daniel Samuels
- b. Hans Radax – Judas of Kerioth writings
- c. James Reid – Richard Messages
- d. Joseph Babinsky
- e. Werner Voets – channels Apostle John
- f. Nicholas Arnold

All of these writings make great additional commentary to those of James Padgett but do not bridge beyond to what is now revealed by James Moncrief due to fixations within their personal beliefs. A spirit personality cannot convey material beyond the limits of what the writer wants to hold sacrosanct. However, it is more accurate to say that due to the imposts of the Rebellion and Default they are unable to go beyond the truths that they wrote about, and further, the Celestial Spirits who contributed to these writings had to hold true to the restraints contained in the Universal Contract governing the Rebellion.

Not until the writings of James Moncrief, commenced in 2002, that the Revelations of how one can embrace their Feeling Healing and with Divine Love then climb out of the abyss that our controlling minds have imprisoned all of us in and ascend in truth and progress directly to the Celestial Heavens.

The shackles are now broken, but so will everything around us that we are so used to living with will be torn apart. We cannot put aside the Rebellion and Default without putting aside all that represents the Rebellion and Default.

SPIRITUAL UNIVERSE CAMPS

Malevolent spirits from the mind spirit Mansion Worlds 1, 2, 4 and 6 administered the Lanonandeks' master plan introduced by the Lucifers and Satans. On 22 March 2017 the mind Mansion World spirits connectivity with physical humanity was blocked by the Celestial spirits. Since that day, we have seen seemingly intelligent leaders of government, judiciary, industry, education and religious organisation appear progressively more inept, so much so, to being absolutely insanely stupid. They have lost their guidance. These power hungry controllers are very slowly coming to understand that they are puppets of unseen spirits who have abandoned them to their own woeful future – being put under a bus so to speak. The global news is now a continuous commentary on collapse of all systems. There are no exceptions as nothing presently exists except what was established during the Rebellion.

Yes, the healing of what the Rebellion and Default have imposed upon us will be personally very painful and difficult but it is not limited to just us. It requires everything to be re-established within the concepts of the new age, that which the Avonal Age brings to us. Everything will change – and that has already commenced to take place.

Now for the Upside of Down!

Though our Feeling Healing will take each of us many years to work through, we all will do so as that is the only pathway that we have to be able to ascend. We can do it while we live on Earth. If you want a time frame – a possible figure is more or less around fifteen years. We are all so very different. However we are to realise and express our true personality and follow our soul based feelings – this is in contra-distinction to how our parents brought us up to live. Due to our childhood suppression and

repressions we all walk around in a stupor. Upon completing our healing we will flourish and excel beyond comprehension. We have observed the vibrancy and brilliance of Kevin and what he has transformed into after commencing his healing a little less than six and a half years ago. He is typical of what unfolds for us as we complete our healing and begin to live a life of a Celestial while living here in the physical. Yes, Kevin is within the 1st Celestial Heaven. Kevin is John's brother-in-law.

“It will come to pass that the old rotten evil structures all have to fail, so any structure, seen or unseen, that controls people to their detriment, will end, this being the incredible time humanity is now moving into.” Helen – 3rd Celestial Heaven, 18 July 2017.

Progressively, as more and more people embrace their Feeling Healing, and with Divine Love, their Soul Healing, the negative aspects of humanity will slowly be put aside. The education process will be realigned to enable children to express their true selves, the healing of suppression and repression will mitigate many illnesses, the policing and judicial systems will have less and less to attend to, gaols will empty, the need for military systems will subside and disappear, health systems will have less demands put upon them, we will focus on fresh and vibrant foods, but of great importance we will discover how to openly and truthfully communicate with each other. The world will change for ever more and all for the better. Everything that is unfolding and is to unfold is planned and managed from spirit – from within the Celestial Heavens.

**This time, in the history of humanity, is
the most exciting time ever experienced.**

Verna, a Nature Spirit, 26 May 2019: You believe people like your Australian Aborigines were more in touch with nature because they didn't seemingly destroy it as much as the white man invaders have done, however they weren't, not spiritually speaking. They hunted and gathered and did a minimal amount of farming, but they still didn't understand about our connection with the World, they didn't personally interact with us, they developed their own wayward spiritual beliefs and ceremonies all designed to keep them fully entrenched within the Rebellion in a more primitive way, and it was all still wrong by higher spiritual standards. So the aboriginal culture had to go, just as in the end so will the white man culture, as people of all races who do their Healing and who do work more closely with us nature spirits will end up doing. But that's still some way off and there's a lot of spiritual awareness awakening that needs to happen first.

So in one way it seems like the aborigines were closer to nature and the natural world, which they were in their more primitiveness, whereas they weren't in a spiritual sense. And this confuses a lot of people, attributing more spiritualness to them than should be, as their beliefs are no more or worse than any others that are rebellious. And so shouldn't be held in higher regard. They can of course be appreciated like all spiritual and religious beliefs for being an expression of truth-denial and the Rebellion, should one want to appreciate such wayward beliefs.

Helen, 3rd Celestial Heaven, 27 August 2017: You have **the Eastern mind controlling Buddhists doing their bit from long ago, which was a remnant surviving from the Atlantean age**, along with the other primitive and spiritual systems of belief, and now it's all coming to a head for we are arriving at the end of the next Earth age, with The Change, the next cataclysmic event not far away in Earth natural time.

Only the trouble is, there are cataclysmic events periodically that destroy nearly everyone on Earth, and so as each civilisation ended, so was a new 'race' of Chosen Ones selected to be the prime subjects of control for the next age. So it came out of the original Jewish races, or what became the Jews, this time around, and then with Jesus and Mary coming and putting a major spanner in the works by removing the Lucifers and Satans (the Evil Ones), leaving it all in the hands of the Caligastias and Daligastias (C&D). So C&D worked all the Christian stuff into it, even with Jesus returning to do away with the Anti-christ, their (Evil Ones and their controllers) Messiah, just to suck in all the Christians making them think they are on the winning side, then introducing Islam to spice it all up and have the natural foe to fight against.

Helen, 20 August 2017: **The religions of today were created as a means of stopping Jesus' truth about longing for the Divine Love and what that does to the soul, and then any truth Mary M might have said about looking to our feelings for their truth, so as to keep the Rebellion in place. The religions pre-Jesus were designed by the Higher Evil Spirits who were controlling humanity to keep that control, focusing everything on the mind being in control rather than feelings, and then post-Jesus, they added more of the same yet with the added emphasis of using all he said, so taking it, corrupting it, and adapting it to their cause. And then throw in their contrived Islam, and you've more male domination and the subjugation of feelings – of the woman.**

Helen, 3 August 2017: "Why so many people get stuck in them (a given so-called Holy Book) and can't move on, it is all being what is still required by the **Contract of the Rebellion and Default.**"

LUCIFER REBELLION REIGN

The LUCIFER REBELLION is / was administered through a Universal Contract that was unfettered by any outside influence. Lucifer and his minions controlled humanity with impunity. They relished playing with humanity as if we were puppets. Every new faith or religion that emerged on Earth Is a reflection of Lucifer's rejection of our Heavenly Parents, of Mary and Jesus and the worship of the mind as all powerful.

ALL scriptures, holy books and ancient inspired writings embraced by humanity are all emulating the dictates of LUCIFER, they are ALL taking humanity in the wrong direction, suppressing the personality and leading us away from our Heavenly Parents. There are no exceptions. LUCIFER won until 31 May 1914 – that being the date of the start of the Padgett Messages.

Still under the constraints of the Universal Contract of the Lucifer Rebellion, the writings through James Padgett, Dr Daniel Samuels, Hans Radax, Joseph Babinsky, James Reid and Nicholas Arnold, as well as the cosmology text – The Urantia Book – are bridging out of the Rebellion with the re-introduction of Divine Love that Jesus announced in the 1st Century which also saw the arrest and imprisonment of the Lucifers and Satans. These writings significantly correct and identify omissions and errors throughout the New Testament. However, collectively they are the bridge to the termination of the LUCIFER REBELLION as well as the DEFAULT by Adam and Eve.

It is the writings of James Moncrief that bring about the REVELATIONS as to how humanity is to ascend while bringing a formal termination to the REBELLION and DEFAULT that occurred on 31 January 2018. James, through the communications with Mary Magdalene and Jesus, co-regents of Nebadon and together with Marion and James' Feeling Healing process is the start of the Great U-Turn for all of humanity, both in the physical as well as in spirit. **The REBELLION and DEFAULT have now ended.** Now for The CHANGE, the completion of the END TIMES, then the HANDOVER which leads us into the commencement of the AVONAL AGE which is the next spiritual era of 1,000 years.

FOR 200,000 years ALL SCRIPTURES are the WORK of the REBELLIOUS LANONANDEKS:

The rebellious Lanonandeks from within our local universe are these soul partner pairs:

Lucifer pair
Arrested and imprisoned 26 CE

Satan pair

Caligastia pair
Arrested and imprisoned early 1990s CE

Daligastia pair

The further one goes into the study or practices of any of the religions of man, the further one is going into one's Wrongness. If a theologian can preserve a smidgen of childness, the better chance he can have of healing their Wrongness. (Aquinas is said to have repudiated his voluminous work on his deathbed.) All is not hopeless, even for popes, cardinals, bishops, even Jesuits – the most challenged clergy of any of the faiths, provided they want to do their Feeling Healing.

The more childlike in your feelings when embracing your feeling healing, the truer to your feelings you'll become, and the easier it will be to move away from mind domination. Thus, being on the pathway to Truth, we can choose now to live Feelings First commencing our healing with Divine Love. Doing it as individuals, or with a partner – with like-minded folk, creating and living within a Sanctuary-like Eden, life style as a Diaspora – River of Feeling Life!

Bishop Brian Iverach 10 Jan 2019

WRONG DIRECTION GUIDANCE of 200,000 years will be PAINFUL to SET ASIDE:

Nanna Beth – 3rd Celestial Heaven – 9 January 2019:

“As the soul is running everything, so we can’t just block it out and work mind to mind, which is why all the other things in life keep happening to you to screw up your mind to mind way of living. All of which is stuff that causes unpleasant feelings that you should use to uncover the truth of why you have these feelings, but which you block out and just get to the point where so often it becomes ugly as the mind-based relationship fails.”

River of Feeling Life

“So life works like it’s a deep river flowing along its defined courses. And if you live in the feelings of it, you’ll move through all the depths as required, feeling what you will, and bringing to light all the truth that God and your soul wants you to see. And if you continue to live denying this way of living, living in and with your mind in the lead, so you move along in the shallow surface waters of your river never going deeper unless some traumatic experience forces you under for a while and until such time as you can sort yourself out, get better and resume your superficial life.”

“The flow of your river is always happening being brought about by your soul. And if you were living the right way, so your feelings would lead you into ever revealing the truth of yourself to yourself. But because you live denying this and so focused in your mind, it’s not that your river changes into it being just one of your mind, which many people believe it does and try to force through most of the mind controlling religions and ways of being, but it’s just that you fail to connect with the deeper aspects of yourself and what’s really going on. The River of Feeling Life is always flowing, and you’ll continue to miss out on the full depth and breadth of it until you start to do your Healing and end your mind control. However it all sounds all very nice, and yet who wants to be continually dragged down to the bottom of their river, there to be crushed mercilessly into the hard bottom of it, or mired in all the mud and yuk feeling trapped and with no way to get out of it, all so you can keep feeling all those layers of bad feelings, all seven Mansion Worlds worth of them, all to reveal the truths of your unloving state?”

yuk

We have been unceasingly directed to live a life going in the wrong direction. This was imposed upon naïve humanity by Earth’s spiritual guidance headed by Lucifer. All of the religious groupings on Earth have embraced the Lucifer imposed guidance in the form of ancient texts, scriptures, dogmas, creeds, rituals, cannon laws, etc. – there are NO exceptions. The 4,200 mainstream religions with their many offshoots, maybe as many as 50,000, all have their special interpretation of how humanity is to go in the wrong direction. This is enforced by parents, then schooling systems, mirrored by employers and then reinforced by governments – all directing us to go in the wrong direction. We now have revealed to us to how to go in the right direction through Feeling Healing and it is a painful process to engage in so as to finally discover and reveal our true personality by peeling off the façade we each have embraced and live. Living Feelings First is our way home to Paradise, the home of our Heavenly Mother and Father.

WE EACH have a Nature Spirit pair, Spirit Guide pair and an Angelic Pair:

For those doing their Healing or are interested in doing it will from that time have their own personal angels, spirit guides and nature spirits with them, with whom they are to develop their own relationships should they want to. It is not about ‘sharing’ the same angels or guides or nature spirits, it is about you relating specifically to your ‘own’ ones because they are provided for YOU. It’s all for you, to maximise the experiences we each need.

We are all to have our own pure relationships. And it’s the same of course in life with your friends, however over there, in spirit, dealing with Nature Spirits, Spirit Guides, and Angels, it’s more personal and private and ‘JUST FOR YOU’. So we have our own separate, unique relationships.

For example, Nature Spirit Verna has been assigned to be specifically and only with James, and she ain’t going to be assigned to anyone else, so she won’t be sharing herself around.

This is SO IMPORTANT to understand so that in future there won’t be all these people claiming to be speaking with Verna or Mary Magdalene or Jesus or Nanna Beth or anyone else who is part of it all in such capacity. Mary M and Jesus have spoken with James as they have, making it quite clear he is all they are speaking with.

We each have a band of a Nature Spirit pair, Spirit Guide pair, and an Angelic pair, each pair being in their ‘soulmate’ relationship. Even though we are ascending mortals having a soulmate, even our soulmate has his or her own group of six personalities assisting him or her. *Our assigned Nature Spirits do not continue with us into spirit, our Spirit Guides may for a time assist upon entry to the spirit Mansion Worlds, however, our personal Angelic pair continues with us to Paradise, and then even possibly being with us throughout eternity.*

Through out the Avonal Age of 1,000 years, their Spirits of Truth will assist us in embracing and engaging with our Feeling Healing and with Divine Love our Soul Healing, they will assist us to develop our soul well into Celestial Heaven status should we persevere with such a goal. To the extent that the Avonal Pair develop themselves while here in the physical on Earth is the level that their Spirits of Truth will be able to assist us. Then it will be Mary and Jesus' Spirits of Truth that will assist us up and out of Nebadon, where our Heavenly Parents will then assist us onto Paradise, Their home.

WE ENDURE FOUR LAYERS of PERSONALITY SUPPRESSION!

Unknowingly, our parents pass onto their children (us) their beliefs and way of living that has evolved since the Rebellion, some 200,000 years ago, and then the Default, some 38,000 years ago. In this way, humanity is suppressing the female, rejecting our Spiritual Parents, namely Jesus and Mary, and denying our Heavenly Parents being our true Mother and Father, of Their truth, standing and existence.

The Rebellion is against love, the Default is all the difficulties we have in our relationships because of our rebellion. Healing the Default is becoming true, to ourselves and in our relationships, and ending our unlovingness – our rejection of love, so ending the Rebellion. Nanna Beth 29 June 2017

We are souls, our personality is an expression of our soul. It is our free expression of our soul through our feelings that we are to embrace and follow. This expression may appear to be wilful in nature, from time to time, and consequently our parents' attempt to suppress this expression. They proceed to remodel us when as young children, in the manner their parents treated them and so on for many generations going back.

During our forming years, as a child, we are unable to recognise the suppression of our personality as being extra-ordinarily harmful to our soul based personality and, accordingly, we don't know that things can be any other way. Presently, neither do our parents.

This childhood suppression way of living continues throughout our schooling years, thus we learn this is a way of life that is normal.

Our religions all have been formed based on the tenets of the Rebellion and Default. The teachers and leaders throughout all denominations take us further away from our suppressed feelings that have been hammered into us during our forming years, thus entrenching us further into rejecting our true selves.

The controlling and suppression mechanisms of our parents, educators and spiritual teachers all manifest throughout all of commerce. This control comes heavily and brutally down upon all levels of employment. The capability to express one's soul based attributes and gifts is sealed throughout all of one's working life.

A new way of living is to enable the liberation of one's true personality through the Feeling Healing process AND the transfer of authority to the individual via embracing freedom of expression.

LUCIFER REBELLION HAS ENDED, and now REVELATIONS for HEALING are HERE:

Lucifer soulmate pair

Satan soulmate pair

Caligastia soulmate pair

Daligastia soulmate pair

Lucifer soulmate pair were magnificent beings, a brilliant personality as one. They were designated as one of the one hundred most able and brilliant personalities in more than seven hundred thousand of their kind. From such a magnificent beginning, through evil and error, they embraced sin. They believed that their minds were all powerful and that everyone should be independent and reject the illusionary God and those who lead the path to God, namely Michael of Nebadon (Jesus and Mary).

Very little was heard of Lucifer on Urantia (Earth) owing to the fact that he assigned his first lieutenant, **Satan** (also a soulmate pair), to advocate his cause on our planet. The “devil” is none other than Caligastia (again, another soulmate pair). At the time Michael (Jesus and Mary) was on Urantia in the flesh, Lucifer, Satan, and Caligastia were leagued together to effect the miscarriage of his bestowal mission. But they spectacularly failed.

About five hundred thousand years ago and concurrent with the appearance of the six coloured or Sangik races, Caligastia, the Planetary Prince, arrived on Urantia. There were almost one-half billion primitive human beings on Earth at the time of the Prince’s arrival, and they were well scattered over Europe, Asia, and Africa. The Prince’s headquarters, established in Mesopotamia, was at about the centre of world population.

Caligastia had been attached to the council of the Life Carrier advisers on Jerusem. Lucifer elevated Caligastia to a position on his personal staff, and he acceptably filled five successive assignments of honor and trust. The Planetary Prince of Urantia (Earth), Caligastia, was not sent out on his mission alone but was accompanied by the usual corps of assistants and administrative helpers.

At the head of this group was **Daligastia** (soulmate pair), the associate-assistant of the Planetary Prince. Daligastia was also a secondary Lanonandek Son. He ranked as an assistant at the time of his assignment as Caligastia’s associate.

Lucifer, with deputy **Satan**, and lieutenants **Caligastia** and **Daligastia** have ingrained into the human psyche to be mind dominated with its errors passing down through all parents, being self reliant and rejecting one’s own soul based feelings that are to lead us to our Heavenly Parents with the truths being provided by Mary and Jesus of Nebadon. **Lucifer** and **Satan** were removed two thousand years ago, **Caligastia** and **Daligastia** have very recently been removed. Their crimes against humanity make Adolf Hitler appear to be a saint!

First Parents being First Ensouled Humans

Our first parents, Andon and Fonta (also called Aman and Amon), were the first to exhibit human perfection hunger some **one million years ago**. Andon and Fonta were the most remarkable pair of human beings that have ever lived on the face of the Earth. This wonderful pair, the actual parents of all mankind, were in every way superior to many of their immediate descendants, and they were radically different from all of their ancestors, both immediate and remote.

The Lucifer soulmate pair believe that the mind is superior to all things. Thus they convinced the inhabitants of 37 inhabited planets within the universe of Nebadon, including Earth, to become self reliant and abandon God and Their administrative leadership. The Lucifers brought about the Rebellion on Earth two hundred thousand years ago. So for 200,000 years of spiritual darkness, humanity has suffered the consequences of one's error ridden mind.

REBELLION

Adam and Eve, the Adamite soulmate pair, came about **thirty eight thousand years ago** to upstep the gene structure of humanity and advance their spirituality.

DEFAULT

Both Eve and Adam mated with local humans and accordingly defaulted on the plan. They were to breed a superior stock that would then interbreed.

Mary of Magdalene and Jesus of Nazareth, soulmates, **two thousand years ago**, both retained perfection, and during their sojourn on Earth were enthroned as sovereign rulers of Nebadon. **The bestowal of Michael (Jesus and Mary) terminated the Lucifer rebellion.**

The Second Coming, **now in progress**, reveals the availability of Divine Love and the need for each person to engage in the process of Feeling Healing. With the Divine Love then this process is one's Soul Healing.

Steps UP!

Quantum Jump 1

REVELATION 1
James Padgett 1914 – 1923

James Padgett bravely introduced the availability of the Mother and Father’s Divine Love and a great deal of additional guidance and information, all of which has been supplemented by Samuels, Judas, Reid and Arnold. All writers were under restrictions of personality and circumstances. Revelation 1 opened the door for humanity.

Quantum Jump 2

REVELATION 2
Marion and James Moncrief 2002
– ongoing

Marion and James Moncrief have recognised the need for one to engage in Feeling Healing and, by their actions, removed restrictions that James Padgett and others above endured, thus JM is able to critique the writings of the past 100 years resolving points of confusion as well as expand on what has been written. Revelation 2 is humanity’s turning point.

Due to the extra-ordinary nature of Revelations 1 and 2, humanity with the first Revelation would have continued on into its negative pathway of living, however, combining the first Revelation with Revelation two, now humanity can embrace this turning point and commence its evolutionary growth that has required two thousand years to put in place. This is the greatest event in the history of humanity and very few are aware of such, until we enable others to become aware.

HIERARCHY of our SPIRITUAL GUIDANCE:

Our Heavenly Mother and Father permanently reside within Paradise, an island stationary world surrounded by Havona, in the centre of seven Super Universes.

Our Heavenly Mother and Father, being one soul manifesting two personalities bring about the creation of:

Creator daughters and sons – Michaels

Magisterial daughters and sons – Avonals

Trinity Teacher daughter and sons – Daynals – and others.

The Michaels and Avonals have Spirits of Truth to be released to assist the humanities on their assigned inhabited worlds.

Each Super Universe consists of 100,000 Local Universes.

Each Local Universe is overseen by a Creator daughter and son, our local universe is called Nebadon and Jesus and Mary Magdalene are the Michael pair and regents.

A local universe consists of 10,000,000 inhabitable worlds of which 3,840,101 are inhabited within local universe Nebadon.

A local universe consists of 100 constellations which is made up of 100 systems. Each system has 1,000 inhabitable worlds. The system that Earth is in is Satania and 619 worlds are inhabited.

Emanating from within the Local Universes are Melchizedek, Vorondadek, Lanonandek, Material and Life-Carrier pairs. None have spirits of truth – they are not from Paradise.

From within the Lanonandeks, assigned to oversee the system Satania, which includes Earth (Urantia) were the Lucifer, Satan, Caligastia and Daligastia soulmate pairs, who rebelled. Further, Adam and Eve, the Material son and daughter, defaulted because of the Rebellion. All failed in their assignments, causing us (humanity on Earth) to be spiritually misled for 200,000 years – that is why we are all ‘insane’!

Earth has had five higher spirit physical bestowals:

Daligastia soulmate pair being Lanonandeks

Adam and Eve soulmate pair Material son and daughter

Machiventa Melchizedek soulmate pair

Creator daughter and son – Jesus and Mary Magdalene

Avonal daughter and son who are yet to commence their public ministry.

Boundaries of HELL!

Humanity on physical Earth is in Rebellion and Default, thus hell! Upon death we all arrive in the 1st spirit Mind Mansion World where we typically suppress our poor state and remain in the Mind Mansion Worlds indefinitely. Some have a period in the ‘hells’ compensating for the pain they have caused others. Many continue their ‘mind worshipping’. However the way out is by embracing Feeling Healing, and with Divine Love, Soul Healing to progress up through the Crying Healing Worlds and transition out to the first of the Celestial Heavens.

GATEWAY OUT

Transitioning into the Celestial Heavens is also out of: **ISOLATION**

If you go against yourself, if you’re untrue to yourself, then you are going against God and all God’s laws, and compensation is required to bring you back into the fold, which is what happens through our Spiritual Healing. It’s the Law of Forgiveness, forgiving yourself through self-acceptance, which is dominant in this part of your life. If you cross the line and abuse your children, that being up until they are 21 years old, then you have both levels and amounts of Compensation and Forgiveness to deal with, that which happens as part of your Healing. And as everyone abuses their children, we being conceived into our parents’ rebellion against the truth of our soul, so all who have children have to come to terms with all they’ve done through their Healing. Kevin 18 Feb 2019

Law of Forgiveness

I'D TURN BACK IF I WERE YOU!

Law of Compensation

If you go against someone else, as in cross the line and grossly interfere with their will, and there are degrees of this, then you will have to suffer the pain you have caused the other person, spirit or creature, which as you know is the Law of Compensation; and as to the extent of crossing that line and hurting another determines whether you have to spend time in the hells or not. Kevin 18 Feb 2019

The minor ‘hells’ are the lower levels of the 1st Mind Mansion World whereas the more severe are the Planes of Isolation being the 2nd Earth plane with the severest being the 1st Earth plane. Pain caused to another is the pain that will be endured before returning to the 1st Mind Mansion World, all then to consider your Feeling Healing.

Are we on the road to civilisation collapse?

Studying the demise of historic civilisations can tell us how much risk we face today, says collapse expert Luke Kemp. Worryingly, the signs are worsening.

By Luke Kemp

19 February 2019

Great civilisations are not murdered. Instead, they take their own lives.

DEEP CIVILISATION

This article is part of a [new BBC Future series about the long view of humanity](#), which aims to stand back from the daily news cycle and widen the lens of our current place in time. Modern society is suffering from “[temporal exhaustion](#)”, the sociologist Elise Boulding once said. “If one is mentally out of breath all the time from dealing with the present, there is no energy left for imagining the future,” she wrote.

That’s why the Deep Civilisation season will explore what really matters in the broader arc of human history and what it means for us and our descendants.

So concluded the historian Arnold Toynbee in his 12-volume magnum opus *A Study of History*. It was an exploration of the rise and fall of 28 different civilisations.

He was right in some respects: civilisations are often responsible for their own decline. However, their self-destruction is usually assisted.

The Roman Empire, for example, was the victim of many ills including over-expansion, climatic change, environmental degradation and poor leadership. But it was also brought to its knees when Rome was sacked by the Visigoths in 410 and the Vandals in 455.

Collapse is often quick and greatness provides no immunity. The Roman Empire covered 4.4 million sq km (1.9 million sq miles) in 390. Five years later, it had plummeted to 2 million sq km (770,000 sq miles). By 476, the empire’s reach was zero.

Our deep past is marked by recurring failure. As part of my research at the Centre for the Study of Existential Risk at the University of Cambridge, I am attempting to find out why collapse occurs through a historical autopsy. What can the rise and fall of historic civilisations tell us about our own? What are the forces that precipitate or delay a collapse? And do we see similar patterns today?

The first way to look at past civilisations is to compare their longevity. This can be difficult, because there is no strict definition of civilisation, nor an overarching database of their births and deaths.

In the graphic below, I have compared the lifespan of various civilisations, which I define as a society with agriculture, multiple cities, military dominance in its geographical region and a continuous political structure. Given this definition, all empires are civilisations, but not all civilisations are empires. The data is drawn from two studies on the growth and decline of empires (for [3000-600BC](#) and [600BC-600](#)), and an informal, crowd-sourced [survey of ancient civilisations](#) (which I have amended).

Collapse can be defined as a rapid and enduring loss of population, identity and socio-economic complexity. Public services crumble and disorder ensues as government loses control of its monopoly on violence.

Virtually all past civilisations have faced this fate. Some recovered or transformed, such as the Chinese and Egyptian. Other collapses were permanent, as was the case of Easter Island. Sometimes the cities at the epicentre of collapse are revived, as was the case with Rome. In other cases, such as the Mayan ruins, they are left abandoned as a mausoleum for future tourists.

What can this tell us about the future of global modern civilisation? Are the lessons of agrarian empires applicable to our post-18th Century period of industrial capitalism?

Collapse may be a normal phenomenon for civilisations, regardless of their size and technological stage

I would argue that they are. Societies of the past and present are just complex systems composed of people and technology. The theory of “normal accidents” suggests that complex technological systems regularly give way to failure. So collapse may be a normal phenomenon for civilisations, regardless of their size and stage.

We may be more technologically advanced now. But this gives little ground to believe that we are immune to the threats that undid our ancestors. Our newfound technological abilities even bring new, unprecedented challenges to the mix.

And while our scale may now be global, collapse appears to happen to both sprawling empires and fledgling kingdoms alike. There is no reason to believe that greater size is armour against societal dissolution. Our tightly-coupled, globalised economic system is, if anything, more likely to make crisis spread.

Climatic pressures are worsening (Credit: Getty Images)

If the fate of previous civilisations can be a road-map to our future, what does it say? One method is to examine the trends that preceded historic collapses and see how they are unfolding today.

While there is no single accepted theory for why collapses happen, historians, anthropologists and others have proposed various explanations, including:

CLIMATIC CHANGE: When climatic stability changes, the results can be disastrous, resulting in crop failure, starvation and desertification. The collapse of the Anasazi, the Tiwanaku civilisation, the Akkadians, the Mayan, the Roman Empire, and many others have all coincided with abrupt climatic changes, usually droughts.

ENVIRONMENTAL DEGRADATION: Collapse can occur when societies overshoot the carrying capacity of their environment. This ecological collapse theory, which has been the subject of [bestselling books](#), points to excessive deforestation, water pollution, soil degradation and the loss of biodiversity as precipitating causes.

INEQUALITY AND OLIGARCHY: Wealth and political inequality can be central drivers of social disintegration, as [can oligarchy and centralisation of power](#) among leaders. This not only causes social distress, but handicaps a society's ability to respond to ecological, social and economic problems.

The field of cliodynamics models how factors such as equality and demography correlate with political violence. Statistical analysis of previous societies suggests that this [happens in cycles](#). As population increases, the supply of labour outstrips demand, workers become cheap and society becomes top-heavy. This inequality undermines collective solidarity and political turbulence follows.

COMPLEXITY: Collapse expert and historian Joseph Tainter has proposed that societies eventually [collapse under the weight](#) of their own accumulated complexity and bureaucracy. Societies are problem-solving collectives that grow in complexity in order to overcome new issues. However, the returns from complexity eventually reach a point of diminishing returns. After this point, collapse will eventually ensue.

Another measure of increasing complexity is called Energy Return on Investment (EROI). This refers to the ratio between the amount of energy produced by a resource relative to the energy needed to obtain it. Like complexity, EROI appears to have a point of diminishing returns. In his book [The Upside of Down](#), the political scientist Thomas Homer-Dixon observed that environmental degradation throughout the Roman Empire led to falling EROI from their staple energy source: crops of wheat and alfalfa. The empire fell alongside their EROI. Tainter also blames it as a chief culprit of collapse, including for the Mayan.

EXTERNAL SHOCKS: In other words, the “four horsemen”: war, natural disasters, famine and plagues. The Aztec Empire, for example, was brought to an end by Spanish invaders. Most early agrarian states were fleeting due to deadly epidemics. The concentration of humans and cattle in walled settlements with poor hygiene made disease outbreaks unavoidable and catastrophic. Sometimes disasters combined, as was the case with the [Spanish introducing salmonella](#) to the Americas.

RANDOMNESS / BAD LUCK: [Statistical analysis on empires](#) suggests that collapse is random and independent of age. Evolutionary biologist and data scientist Indre Zliobaite and her colleagues have observed a similar pattern in the evolutionary record of species. A common explanation of this apparent randomness is the “[Red Queen Effect](#)”: if species are constantly fighting for survival in a changing environment with numerous competitors, extinction is a consistent possibility.

Despite the abundance of books and articles, we don't have a conclusive explanation as to why civilisations collapse. What we do know is this: the factors highlighted above can all contribute. Collapse is a tipping point phenomena, when compounding stressors overrun societal coping capacity.

We can examine these indicators of danger to see if our chance of collapse is falling or rising. Here are four of those possible metrics, measured over the past few decades:

Click/pinch to enlarge (Credit: Nigel Hawtin)

[Temperature](#) is a clear metric for climate change, [GDP is a proxy](#) for complexity and [the ecological footprint](#) is an indicator for environmental degradation. Each of these has been trending steeply upwards.

Inequality is more difficult to calculate. The typical measurement of the [Gini Index suggests that inequality](#) has decreased slightly globally ([although it is increasing within countries](#)). However, the Gini Index can be misleading as it only measures relative changes in income. In other words, if two individuals earning \$1 and \$100,000 both doubled their income, the Gini would show no change. But the gap between the two would have jumped from \$99,999 to \$198,000.

Because of this, I have also depicted the [income share of the global top 1%](#). The 1% have increased in their share of global income from approximately 16% in 1980 to over 20% today. Importantly, wealth inequality is even worse. The share of global wealth from the [1% has swelled](#) from 25-30% in the 1980s to approximately 40% in 2016. The reality is likely to be starker as these numbers do not [capture wealth and income siphoned](#) into overseas tax havens

The rich are getting richer, which in past civilisations has created additional stress on societies (Credit: Getty Images)

Studies suggest that the EROI for fossil fuels has been [steadily decreasing over time](#) as the easiest to reach and richest reserves are depleted. Unfortunately, most renewable replacements, such as solar, have a markedly lower EROI, largely due to their energy density and the rare earth metals and manufacturing required to produce them.

This has led much of the literature to discuss the possibility of an [“energy cliff”](#) as EROI declines to a point where current societal levels of affluence can no longer be maintained. The energy cliff [need not be terminal](#) if renewable technologies continue to improve and energy efficiency measures are speedily implemented.

Measures of resilience

The somewhat reassuring news is that collapse metrics are not the entire picture. Societal resilience may be able to delay or prevent collapse.

For example, globally “economic diversity” – a measurement of the diversity and sophistication of country exports – is greater today than it was in the 1960s and 1970s, as measured by the [Economic Complexity Index](#) (ECI). Nations are, on average, less reliant on single types of exports than they once were. For example, a nation that had diversified beyond only exporting agricultural products would be more likely to weather ecological degradation or the loss of trading partners. The ECI also measures the knowledge-intensity of exports. More skilled populations may have a greater capacity to respond to crises as they arise.

There are some reasons to be optimistic, thanks to our ability to innovate and diversify away from disaster. Yet the world is worsening in areas that have contributed to the collapse of previous societies

Similarly, innovation – as measured by [per capita patent applications](#) – is also rising. In theory, a civilisation might be less vulnerable to collapse if new technologies can mitigate against pressures such as climate change.

It's also possible that “collapse” can happen without violent catastrophe. As Rachel Nuwer [wrote on BBC Future in 2017](#), “in some cases, civilisations simply fade out of existence – becoming the stuff of history not with a bang but a whimper”.

Our technological capabilities may have the potential to delay collapse (Credit: Getty Images)

Still, when we look at all these collapse and resilience indicators as a whole, the message is clear that we should not be complacent. There are some reasons to be optimistic, thanks to our ability to innovate and diversify away from disaster. **Yet the world is worsening in areas that have contributed to the collapse of previous societies. The climate is changing, the gap between the rich and poor is widening, the world is becoming increasingly complex, and our demands on the environment are outstripping planetary carrying capacity.**

The rungless ladder

That's not all. Worryingly, the world is now deeply interconnected and interdependent. In the past, collapse was confined to regions – it was a temporary setback, and people often could easily return to agrarian or hunter-gatherer lifestyles. For many, it was even a welcome reprieve from the oppression of early states. Moreover, the weapons available during social disorder were rudimentary: swords, arrows and occasionally guns.

Today, societal collapse is a more treacherous prospect. The weapons available to a state, and sometimes even groups, during a breakdown now range from biological agents to nuclear weapons. New instruments of violence, such as [lethal autonomous weapons](#), may be available in the near future. People are increasingly specialised and disconnected from the production of food and basic goods. And a changing climate may irreparably damage our ability to return to simple farming practices.

Think of civilisation as a poorly-built ladder. As you climb, each step that you used falls away. A fall from a height of just a few rungs is fine. Yet the higher you climb, the larger the fall. Eventually, once you reach a sufficient height, any drop from the ladder is fatal.

With the proliferation of nuclear weapons, we may have already reached this point of civilisational “terminal velocity”. Any collapse – any fall from the ladder – risks being permanent. Nuclear war in itself could result in an existential risk: either the extinction of our species, or a permanent catapult back to the Stone Age.

A woman walks in the ruins of a town in Syria following conflict between fighters (Credit: Getty Images)

While we are becoming more economically powerful and resilient, our technological capabilities also present unprecedented threats that no civilisation has had to contend with. For example, the climatic changes we face are of a different nature to what undid the Maya or Anazasi. They are global, human-driven, quicker, and more severe.

Assistance in our self-imposed ruin will not come from hostile neighbours, but from our own technological powers. Collapse, in our case, would be a [progress trap](#).

The collapse of our civilisation is not inevitable. History suggests it is likely, but we have the unique advantage of being able to learn from the wreckage of societies past.

We know what needs to be done: emissions can be reduced, inequalities levelled, environmental degradation reversed, innovation unleashed and economies diversified. The policy proposals are there. Only the political will is lacking. We can also invest in recovery. There are already well-developed ideas for improving the ability of [food](#) and [knowledge](#) systems to be recuperated after catastrophe. Avoiding the creation of dangerous and widely-accessible technologies is also critical. Such steps will lessen the chance of a future collapse becoming irreversible.

We will only march into collapse if we advance blindly. We are only doomed if we are unwilling to listen to the past.

# ECB boss Draghi soon loses all inhibitions - Is helicopter money coming for everyone?

[https://www.focus.de/finanzen/experten/inflation-kommt-jetzt-helikopter-geld-fuer-alle\\_id\\_10362857.html](https://www.focus.de/finanzen/experten/inflation-kommt-jetzt-helikopter-geld-fuer-alle_id_10362857.html)

FOCUS Money online, Monday February 25, 2019

Guest article by Marc Friedrich and Matthias Weik

The ECB (European Central Bank) under its head Mario Draghi has been trying for years to boost the economy with billions of euros. The European Central Bank is the central bank for the euro and administers monetary policy of the Eurozone, which consists of 19 EU member states and is one of the largest currency areas in the world. Inflation is expected to climb to two percent. But that doesn't work. FOCUS online experts Marc Friedrich and Matthias Weik fear that Draghi will soon lose all inhibitions: they expect the ECB to give money away to all consumers. With unforeseeable consequences.

It was ten years ago that the world was in a serious economic crisis. We have obviously learned little from this crisis. In the meantime, however, it is probably clear to most people that they cannot print their way out of the crisis with ultra-quiet a lot of cheap money.

## **The Eurozone is drifting into recession – how can the ECB take countermeasures?**

The problems of the last financial crisis were by no means solved but merely printed into the future. Now the problems are back. The signs in the Eurozone are pointing to recession. But not only in Southern Europe, which hasn't really recovered since 2008, but also in the export world champion Germany. After a historically unique, artificial boom, triggered by low interest rates and cheap money, the cycle is coming to an end. Stormy times are to be expected.

The economy is deteriorating noticeably. Now the question arises as to what the money magicians of the European Central Bank around ECB boss Mario Draghi will think up in order to keep the system running for even longer. In contrast to the US Federal Reserve, FED, the forced corset of the euro did not make it possible to raise interest rates in order to build up a buffer for the next crisis.

## **The euro could go under in a new crisis**

The starting position for a new crisis is very bad. The effects of the financial and euro crisis are still noticeable and the drugs have only fought the symptoms – but the patient is not stable. A second crisis à la 2008 threatens the end of the euro zone. For this reason, the measures and ideas are becoming increasingly bizarre and desperate. Interest rates in the euro zone have already been reduced to zero percent, the purchase program has inflated the ECB's balance sheet by 2.5 trillion euros, but the effectiveness leaves much to be desired.

## **Germany has already lent 868 billion euros to its euro partners**

The Target 2 balances also underline that the whole Euro system is dysfunctional. Germany has currently lent 868 billion euros interest-free to its partners. Incidentally, we must not forget that we citizens are liable for these gigantic sums in an emergency!

Italy's economy is already in recession, its citizens are taking to the streets in France – and Brexit will presumably also go uncoordinatedly across the European stage – with severe consequences on both sides

of the canal. Greece, which in August 2018 was still called healed by the ECB and the EU, will soon have as much debt again as before the rescue orgy. In addition, the financial sector in Italy and Spain is still extremely burdened with non-performing loans and de facto partially ailing and bankrupt. So all is well, right?

### **If negative interest rates soon, savers will plunder their accounts**

With the next crisis, the ECB could undoubtedly cut interest rates even further, i.e. install negative interest rates, which we expect. But then we would have to get down to cash and then the moaning would be big. Because the citizens would then storm the banks and empty their accounts, because it would still be cheaper to hoard the money in the locker than on the then expensive savings book. But a ban is not possible with the cash-loving Germans. Dependence on electricity would also be a dangerous cluster risk. So you have to consider other ideas, as has already happened with the International Monetary Fund and the European Central Bank (IMF and ECB).

Nevertheless, the banks will soon need a lot of fresh money again. But where is this going to come from?

### **The ECB is just loading its bazooka with dizzying amounts**

The magic word is TLTRO (Targeted Longer-Term Refinancing Operations). This is a multi-billion loan program for the banks. Due to a lack of alternatives, we will soon be hearing about this program.

We assume that this time the ECB loans will far outweigh the loans already granted in June 2014 and March 2016. This means that money will continue to be printed diligently. The banks will certainly be pleased with the central bank's action and will open one or two bottles of high-priced sparkling wine. But also this program will not be sufficient. Next comes a new edition of long-term loans for commercial banks.

### **Helicopter money as last act of the insolvency delay**

If these measures are not sufficient – as we assume – more money will have to be made. This must then be distributed, or even better, distributed over people. The next insolvency delay is called helicopter money. It serves to raise inflation and eradicate the chronic weakness in demand.

Since the states are already in debt, the money has to come from somewhere else. So the central bank should simply print the money, or rather create it electronically at the push of a button. Helicopter money means that the central bank (directly or indirectly) brings very large amounts of money to the people and thus stimulates consumption.

However, even with this insane action the problem of a world that is indebted up to the chin is not solved, but only time is saved. That would be the last bastion of idiocy to artificially keep a completely failed system alive.

### **Financial sector hangs on the needle of cheap money**

Notice anything? It's all about saving time. No one talks about sustainable solutions any more. The financial world is addicted to the drug of cheap money. It needs more and more at ever shorter intervals. In the long run, however, this cannot and will not go well.

In our opinion, "helicopter money" is the last meaningless and desperate rebellion before the final collapse of a failed system. Who will please still believe in our money system when money is given away? All these measures show all too clearly how desperate the central banks are to act. There is no solution. Only a delay in the inevitable. Prepare for it today rather than tomorrow.

John: And is the 'package' on its way?

Kathaleen – 1<sup>st</sup> Celestial Heaven: No, still not yet John. It's going to take more time, there are daily more issues coming up that are causing other problems for the hidden controllers. Things are starting to work against them, unforeseen things, things they thought they had under control. They are starting to disagree amongst themselves as what is best to be done. They are not used to this as it's never happened before because they've always had everything under control. They are moving toward a breaking point, in which unbeknownst to them, they will start the slippery slide down to a complete loss of power.

It's difficult to give you anything definite because they are changing their minds daily as to what they want to do and how best to proceed. There are deep inner power plays starting to erupt which again have never happened before. So it's still going to take some time to come together so far as it all breaking open.

"Chosen by God,' eh?  
— What's the catch?"

John: The tempo is building in all houses and groups, however the Germans are the slow snails!

Kathaleen: It's the same for the Germans. Trump is proving unreliable, they think they understand him and see where he's going and so can outsmart him, however he suddenly, and seemingly on a whim, changes direction causing great uncertainty. Everything is becoming more unstable by the day. However it's such a massive machine it's going to take time to break down.

The past German President is pressing on nicely, he's not distracted by all the other goings on as he understands more of the significance of the error that's been made by Germany. We still feel he's your best support and trying to make personal contact or keep it up impersonally, might be helpful. To offer him help and access to greater information about it all, and to suggest making initial contact might be in order, at least enough to confirm that you are both willing to open dialogue on the matter.

Angela (Chancellor of Germany) is shortly to suffer another severe blow, which will in a sense, 'blow her away', then he'll be free to act more as he pleases understanding there is nothing he can do for her. He feels upset that she is letting him and Germany down. He's having to accept it, that he was never really included in the deeper government, that which he's only now coming to understand existed all the time. He had inklings of it throughout the years but nothing concrete and pushed such disturbing thoughts aside thinking he was making things up and jumping to conclusions. Now he's having to face that his intuition was right all along.

The Socialist Left that has been controlling these nations up to now is very corrupt, and that corruption is now going to come to light at an increasing pace. And it's going to make a lot of people have to

confront stuff they've been avoiding. Putin is growing in strength in leaps and bounds as he stands up to it, with the remnants of these countries realising that he is their only help if they are to survive at all. Otherwise they and their leading corporations will be crushed and broken down, it being doubtful whether they'll ever recover. So things are getting serious and will continue to do so through this year (2019) and into the next (2020).

Also more sex-based scandals are going to come out, and so much so that it will seem like just about everyone in power has been up to no good, exploiting minors and other people through sex for their own gain. It's the beginning of The Great Purging, all of which is coming from the increasing spiritual light that is coming to humanity. All the hidden yuk will eventually come out, so it's all only going to get worse, it's not going to end and go back to how it was, it can't, all that is over now.

**THE GREAT PURGE**

yuk

I am being told John to tell you not to worry about it, it's all being taken care of, and all going according to plan. It will all start unfolding when the time is right, and that time is getting closer and closer as you can sense.

These are important times spiritually for the world as things come to a head between the confrontation of the old and the emerging new. The New is pushing its way up and is nearly there ready to start taking over the old. So the old is starting to shake in fear. The controllers don't understand that it's all coming undone on a spiritual level first, yet it has to as there is no other way.

Please keep asking your questions as they occur to you. And even though we can only provide you with minimal guidance, it's all good and part of what is needed.

Our love to you all, Kathaleen and Kevin.

## CHOSEN by GOD, eh?

Sunday, 12 November 2017

John: Talk about false flattery. As I understand it, when Daligastia and his soulmate materialised and 'lived' in Mesopotamia, near the Euphrates River in Iraq, they flattered a group of people with the platitude of them being God's 'chosen ones'. So they became the tribe and race now being the Jews. With them being the 'superior ones' they now control or strive to control the wealth of the world. What era or time frame did the Daligastia soulmate pair physically live on Earth?

"'Chosen by God,' eh?  
— What's the catch?"

Kevin – 1<sup>st</sup> Celestial Heaven: Don't know. From five hundred thousand years ago to the rebellion, which as you know was two hundred thousand years ago, then their powers were taken away and they lived out their lives like normal humans, then to help the Caligastia's in spirit plague Van and his people who had the Tree of Life, until Eve and Adam's time. How's that John? Got everyone on tap over here – all you want to know, and what we don't know we can make up and you'd never know – ha, ha!

Also, so I'm being told, the Jews didn't directly descend from these ancestors, however the 'Chosen One's' notion did get passed down through the ages and still is. The Jews themselves were a more recent development, however willingly adopted the superior label.

John: This must be a record for how long false flattery has scrambled the ego's of a few.

Now, we see that the pinnacle of this control presently sits in London and being one of the Rothschilds. Is this correct?

Yes. However it's not all the Rothschilds but a few along with a couple of other prominent hidden controllers from other such families. Not all the family members with those names understand all that goes on, it's all very secretive and not all the members of such families want to know. So although such names are bandied about, it's specific individuals you are referring to. And they use their family names, but really they see themselves as the High Leaders of humanity, meaning, that humanity is theirs, there for them to do with as they please. And what is bizarre, is they believe, as they convince and delude themselves, that they are doing humanity a great service, and are helping humanity evolve, because that if it wasn't for them humanity would mostly still be savages – which is possibly true. So they want the world to become more sophisticated to a degree, yet still with enough slaves and peasants to do the leg-work, yet not too many of them, or with them being too unruly, so as to present a problem as in the 'sheeple' threatening them.

**POWER TO  
THE SHEEPLE**

John: The controlling members of the Rothschilds may have privileges on Earth, but how do they find their importance and acceptance upon arriving within the 1<sup>st</sup> natural love Mansion World after they die here on Earth? What is the contrast in how they enjoy or endure ongoing existence in the spirit worlds?

Kevin: So when they come into spirit, they might have to do hell time, but more likely because they are in a way so removed from the actual dirty dealings, with their minds believing they are of a high moral standard, these people being very sophisticated and not just the low scum or mafia hit-man sort, move

into their respectable Mansion World planes, all of grandeur and splendour, there to ascend the mind worlds keeping very separate from the majority of humanity. Some of these controllers over the years have been worse than others, and so have fallen and done their ‘Hell Time’, and some have even found the Divine Love, but mostly they are able to fend off such time because they didn’t actually ‘pull the trigger’ so to speak, they got people, like Milverton, to do their dirty work, who is paying for his crimes against humanity. But their crimes are almost abstract in how they’ve set up the whole thing, keeping out of the clutches of the immediate workings of the Law of Compensation.

This being what the Caligastias helped them to achieve over the years. But their time will come, and then they will have to work back through it all, and then the pain will be intense and for a long time. These hidden controllers will actually, and a few already have, live a special hell and hell-type of experience, not unlike what the Caligastias and Daligastias are going through (although not for as long – the Caligastias and Daligastias hell time being the 1,000 years), they being the controlling Heads of the Rebellion on Earth. They acting in a non-spiritual way, like the Cals and Dals of Earth.

It’s actually an important point. These hidden controllers are like the Royalty of Urantia, not just kings and queens who are nobodies compared to them, but these are the real ‘Chosen Ones’ for they were chosen by the Evil Ones and anointed by them so to speak. So they are for all intents and purposes, a ‘cut above’ the rest of humanity. And ‘above’ means, greater or the greatest expressions of the Rebellion and Default in the sense of their having all the power and being the direct representatives of the Ds and Cs on Earth. So they are like the right hand people of the Ds, when the Daligastias were still alive on Earth.

So because of this superior position, much of it is carried over into their Mansion World experience, where they then help those on Earth who’ve replaced them. So they consider themselves a separate ‘spiritual line’ of humanity, very, very, VERY SPECIAL – the MOST SPECIAL people, even in the eyes of God. And that mostly such VERY SPECIAL people come out of their Earth bloodlines, yet not always.

**FOR 200,000 years ALL SCRIPTURES are the WORK of the REBELLIOUS LANONANDEKS:**

**The rebellious Lanonandeks from within our local universe are these soul partner pairs:**

**Lucifer pair**  
**Arrested and imprisoned 26 CE**

**Satan pair**

**Caligastia pair**

**Arrested and imprisoned early 1990s CE**

**Daligastia pair**

It’s all bizarre, yet such is the back to front workings of the Rebellion. So all they do is done with hell-avoidance in mind, although not consciously. And although we’ve told you, so I’m told, that they would come into spirit and go straight into a long time in hell, that’s not actually correct. Most of them avoid it initially, but it will catch up with them. And sooner than they think. And when it is to happen, is when you-know-who finish their Healing. Then there is no escape. Then the Rebellion hierarchy such as this – DIES. It’s over, no more, caput, no more hidden controllers of that level because those circuits are no longer available to be lived. And so part of that end is the exposure of them that we keep telling you about.

It's all very interesting don't you think John? Always a little more, for that's how it's being undone, as the circuits of the Rebellion and Default are healed, so we can reveal more because we're allowed to come forward through the new circuits, which is actually part of the expression of the new.

So John, you are helping by playing the role of questioning James as he progresses in his Healing so that we are able to come forward and reveal more through these newly awakening and long dormant truth-circuits.

John: This is one situation when the consequences of causing gross harm to men and women here on Earth needs to have highlighted the consequences that will follow when such people die.

Further, as the quickening of the Law of Compensation is to progressively come into play, these people, here on Earth, must now start to feel that their actions are now coming to bare on them. The progressive revealing of confidential papers (Panama Papers, Paradise Papers, and more to come) must start to bring home that they are literally lined up against a brick wall in front of a firing squad?

Kevin: Yes, the Quickening is beginning to happen, this being the undoing of all those more actively doing the bad things hurting other people. Just as also the Quickening is starting on the spiritual level, which is really from where this pressure is coming from affecting these people who are working the Rebellion and Default to their favour.

John: They were all so self assured that those of this controlling fraternity have previously publicised there attendance at the Bilderberg Group meetings. This being the third tier of the controlling groups, this tier being the short term members. Then there is the medium term, but smaller in number of the families, group. Then there is the long term group, consisting of five members or so, with one dominant leader. Just like you outlined a couple of days ago.

[https://en.wikipedia.org/wiki/List\\_of\\_Bilderberg\\_participants](https://en.wikipedia.org/wiki/List_of_Bilderberg_participants)

Hmm – no representation from Australia on that list – we must apply!

Kevin: I don't think you want to go there John, and besides, you'd not find any of it to your liking, it's all very distasteful. Listening to them all talking about all you slaves and minions and how they can get you to keep buying into the illusion that you are living a happy, secure middle class life loaded down with debt.

Sunday, 24 February 2019

James: Kathaleen, whilst you're 'on the line' John raised an interesting point for discussion which I've been talking over with Zelmar, is there anything you'd like to add? (The Lanonandeks instigated the Rebellion 200,000 years ago and later the Default. When they were deposed starting 2,000 years ago, the Melchizedeks were given the authority to bring about the new Spiritual Age which is now coming about.)

Kathaleen – 1<sup>st</sup> Celestial Heaven: No James, it's not for Kevin and I to be directly involved in this discussion. We will sit on the sidelines so it would be better for me to give over to Zelmar and Zelmarnia (Melchizedeks, part of soulgroup of Melchizedeks overseeing Earth's handover).

Zelmarnia – a Melchizedek: I will continue the discussion with you James. It's important to keep adding the feminine to your writings.

Zelmarnia continues: John was suggesting that to help make a deep and lasting impression in people's minds about the truth you will be revealing, might it be possible for materialisations of spirits to happen in the physical? And we don't see any problem with this as this sort of thing is very much in keeping with what you enjoy and understand is possible on the psychic level.

As we discussed with you, when your Age becomes 'active' then you will be able to organise such events with John and those people and spirits concerned should you wish to do so. And it is as you understand, for us all to encourage people to make direct contact with the Celestials, and for you on Earth to see that you are just as important as we are, that it's not just a matter of you on Earth carrying out the instructions of we higher spirits. You can of course look to us for help, which is to be willingly provided, however it is for you to see that for you on Earth, Earth is your world, it's primarily for you to work out how to resolve the issues concerning the legacy of the Rebellion and Default, within the premise of striving for the truth God wants you to see through your feelings. So from your talk with John, the details and repercussions about staging such events can be addressed later when the time is closer to such things possibly happening, however in the meantime, for John and those people involved with him, yourself included James, to look to see yourselves on Earth as equally important as those of us over here, and in that light, to consider all you are setting out to do as being driven directly from yourselves and then with our support and blessing.

We will ensure that things don't overstep any unseen lines, we will adhere to the tenets of the Age, however within that there is a wide scope to be explored by us all, and with you on Earth doing your part and seeing yourselves as equally leading in it all.

To begin with understandably you will require more of our help and direct guidance, however the aim will be to lessen that as people do their Healing and come to understand more about the Truth. And so with people themselves coming together to formulate how they want life on Earth to evolve in the New Way, working through the issues more themselves.

# LIVE FEELINGS FIRST

And your main concern James was that you don't want us spirits taking matters into our own hands and so bringing about such manifestations in the physical without your knowing, just willy-nilly, like how it's been with the mind Mansion Worlds spirits, with no overall plan or thought as to what is to be achieved and so with no centralised governance conducting such operations. To which we agree, and so will keep

everything centred around you and Pascas, so it will happen in accordance and agreement with you. So we'll come to you as you will come to us, and we'll work it out together. This being exactly what we want to happen, and would expect you to ask of us James.

The Celestials are not going to work 'doing their own thing'. What they do is all to be harmonised though Pascas, Pascas currently representing the central core and focus on those people striving to live the Truth. It doesn't mean everyone all over the world who strives to live true is to be kept abreast of what's happening and involved in the process, but it does mean a 'central hub' will be maintained, even if that hub is located in a few different geographical locations. And for the time being, that central focus is with The Typist.

James: Thank you Zelmarnia. It's good to write with you again. Mostly I feel 'tuned into' Zelmar, so it's a pleasant surprise when you want to speak.

Zelmarnia: It's important for you at this time in your Healing and truth-growth James to be aligned more closely with the masculine, which is why you're currently also reaching out more to the Father. And as you understand, it's necessary for you to spend time being attuned more to one 'sex' than the other, all so as to bring to light what you need for your Healing and soul growth.

And that is for you personally James, however for the reader of such writings, it's important that we maintain more of a feminine presence and one of being more in control and the spiritual leader, as it's to counterbalance the lack of it in the Rebellion and Default, and now also those leftist feminists that are taking it too far, taking humanity deeper into that side of the Wrongness.

James: So women's liberation is now causing other problems?

***"The True Liberation of Women is Through the Truth of Their Feelings."***

Zelmarnia: Yes, it sees it as its right, and that it's about time, that power is removed from men and given, by right, to such women. However they are missing the point as it's not meant to be just another power-play. Still, it's what is needed as part of the completion of the denial and outright destruction of Mary, and then of Jesus 'being the man'. Jesus being a man, is to be pushed aside, even accused of being or relegated to being a powerless man of no threat to such power-women and someone who is gay. Mary, the true woman, the non-power seeking woman and woman who wants to live true to her feelings, is to be trashed and belittled and accused of being man-loving, so it is the 'doing in' Mary and Eve once and for all by women themselves. Women shitting on women, even when they believe all women are united in throwing off the yoke of men.

So it will be women of a true spiritual light, women empowered through the truth of their true feelings, that will be needed to stand up to these women seeking mind power, these truth inspired women looking to their feelings and showing men their true inner beauty that such men seeking truth and a true spiritual life will want to see, follow and support. Men having been usurped and are losing perspective, not knowing where they stand and how they are meant to be. They are receiving increasingly more complicated mixed messages, and women, because of these power seeking ones, run the risk of a severe backlash from men as the frightened and confused men vent their rage and fear on them. So it's not that men should be in control, really they don't want it that way, but they also don't want such women-hating-men to have the final say. It's the war of the sexes heating up as women empower themselves on their resentment and buried hatred and bitterness. In letting the wild cat out of the cage it's going to lash

out wherever it can, so much of what such women say will be completely irrational and without any deeper thought and without any feeling or consideration for the consequences of their unloving actions. Still, men having had it all their way and acting in the same manner for so long, need to receive a hard dose of their own medicine to smarten them up to seek other ways, to look for truth-loving women and relationships with them, ones based on the truth, ideas and principles, John wants to put out there. And such women and men will find such truth a breath of fresh air.

You might be interested to know John, that your main antagonists that will confront you will be the leftist truth-destroying women, and not the man of the same ilk. The controlling men are flagging, they are under attack from all directions and many are starting to have second thoughts about their beliefs and quality of life – is it all really worth it? And that is gaining momentum through the religions, as women, gays, gender switching and the whole having to toe the globalism line of killing individualism, threatens all they've worked for. Which of course is a good thing as such male-based institutions are to fail. However such women, although they will rant and rave at the Truth accusing it of all sorts of things, will actually turn out to be very ineffectual as the Truth will show them up for being what they really are – truth-hating, and just how hypocritical and unloving they are, which will crush them, as their false-truth founded on their new found mind-liberation is built on shifting sands, because they'll be overwhelmed and done in by their own feelings in the end. So again John, nothing for you to worry about.

It's all good as being seen as the disintegration of the way it's been up until now. So there needs to be the violent swings to break apart the established ways. And although most of it will be distasteful, it is all helping to make people question themselves, their actions, and what they want from life. And it's going to keep happening, like a wave getting bigger, and it will tip over helping to break up all the established male-dominated mind institutions.

I'll go now – Zelmarnia (a Melchizedek from our local universe, Nebadon).

**ASCENSION versus FIXATED POINTS of VIEW**

John: The phenomenon of individuals becoming fixated on particular positions and not being able to listen to, actually not hear a higher or more appropriate point of view that is in truth and also of a higher level of truth is a noticeable obstacle for many people.

Kathaleen – 1<sup>st</sup> Celestial Heaven: People can only ‘make progress’ in their negative states John, owing to the negative influences of the Rebellion in Mary’s and Jesus’ age. So people will only ‘change’ if it’s in keeping with their untruth advancement. So until those underlying spiritual forces change, nothing much is going to change along the lines that you’d like them to. There are a few exceptions to this rule because they are needed to take on the ‘New Truths’, mentally and emotionally, so see what they think and feeling about them, just as you are doing, however nothing is going to happen until the whole ‘climate’ changes.

James Padgett (1914 – 1923) was only allowed to move as far as Jesus’ truths were allowed to move, so the effect was minimal, which can still be seen in those people who stay true to the PM (Padgett Messages). No one was going to be able to go further because Jesus and Mary weren’t able to go further. They couldn’t and were never going to and so didn’t reveal the truth of the Healing themselves. They have done it partially and indirectly through James (and Marion) because that’s a whole New Way in keeping with James and Marion’s doing of their Healing. So people can’t end their rebellion-by-default by looking to Mary and Jesus. And just praying to Jesus or both of them and longing for their help will not help move you into and through your Healing.

Liken the whole age of Mary and Jesus to being that of what it is like for you as children through your forming years. You are inducted into your ‘Parents’ Age’, just as you are into Mary’s and Jesus’ age, and so you can’t be anything else other than an expression of that ‘Age’. So the whole world being an expression of Mary and Jesus’ age in rebellion against the truth, which is in rebellion against Mary and Jesus themselves, can’t do anything else other than be as it is. And so that’s why a New Spiritual Age is needed. And that can’t come simply through the likes of a book like TUB (The Urantia Book), it has to come with an Avonal Pair, and it can’t even come by Mary and Jesus coming back, because even if they did, they’d come back true, just like how it was for them on Earth, and so would only be able to teach and live that perfection, thereby gaining nothing more than what they’ve already done. So that’s why the Avonal Pair is so crucial, requiring them – someone – to take on the full rebellion of Mary and Jesus’ age, which the sum total of the Rebellion and Default to this point, and heal it within themselves with the spiritual authority to then be able to effect change in humanity.

Kevin – 1<sup>st</sup> Celestial Heaven: We have to adhere to the laws or rules of the Age he lives within, like you all do, as Kathaleen was just saying. So no spirit / mortal communication can be completely true and free of error, as it all, even including James, has to currently keep adhering to such limitations. So you have to learn how to work around it, using it for what it gives you, just as you do with anything in life.

When the New Age begins (Avonal Age), then those people sincerely wanting to know the truth of how to live a pure spiritual life will be able to accept the truth about the Healing and everything else. And there are many people currently being prepared on unconscious levels for this. When the next Age commences there will be a very significant spiritual shift, mostly people won't feel or sense it, however it will be very profound affecting everyone, the whole world, and from it will come all that you're hoping to see.

As I said, it will happen on unseen levels within people when the time is right. It can't happen before. So all you can do is prepare yourself – your mind – for that time, which is drawing closer. And really until it happens John, you won't actually know how to proceed. You are all muddled about it now because you're looking for something, some lead, guidance, an inner feeling or knowing of the direction you are to take, when you can't have and won't have such feelings, knowing, inspiration until the New Spiritual Age begins. So the best you can do is keep working within your limited means, with a part of that being your coming to understand just how solid these constraints are.

### **OUR GUIDANCE to PARADISE, the home of our HEAVENLY PARENTS:**

There are three distinct phases of our progression to the home of our Heavenly Parents which is Paradise that is within the circle of seven Super Universes, each containing many Local Universes.

Once we progress beyond our Local Universe of Neadon, then we are assisted and guided by our Heavenly Parents, our true Mother and Father all the way home to Paradise.

Before then, once we have completed our soul healing, we are guided through the Celestial Heaven worlds which are those that interact with humanity on Earth, then further on into and then out through Neadon, our Local Universe. The regents of Neadon are Mary and Jesus.

However, before then, we are to embrace our healing. That is, we are to realise who we truly are. We are not the personalities that our parents imposed upon us. We are to put aside our childhood suppression and repression and free our true personality that our Heavenly Parents gave us, and to do this we are now able to embrace the guidance of the Avonal Pair who will lead us through our healing here on Earth and through the Spirit Mansion Worlds to be able to enter the Celestial Heavens.

**PSYCHIC BARRIERS and the 7 x7 PLANES of the 7 MANSION WORLDS:**

Tuesday, 21 November 2017

Nanna Beth – 3<sup>rd</sup> Celestial Heaven: The Psychic Barriers don't have anything to do with any of us spirits (within the Celestial Heavens), however, we are all limited by them in what we can do with you, even including those spirits in the mind worlds.

The barriers are imposed circuits of mind and feeling dictated to us by the tenets or 'laws' of the Rebellion and Default. If you like, humanity has Fallen from the Celestial level down through the seven Mansion Worlds, so through every plane and sub-plane and sub-sub-plane and so on through seven sub-planes of every plane in every Mansion World. And even then still being divided up into the negative relationship between the mind and feelings down to what you might see as a microscopic circuit level, that which we can't see, yet the angels can.

Humanity has devolved to a stupor incapable of recovering through the Mansion Worlds without help.

Humanity is now to embrace the Great U-Turn and retrace through all the seven sets of sub-planes that contain the seven sub-sub-planes and so on, to progress up through each to the seven Mansion Worlds through Feeling Healing, and then with Divine Love, fuse their soul with their indwelling spirit, and in so doing, as one soul manifests two personalities, we arrive into the first Celestial Heaven condition to join our soulmate and then soulgroup.

The angels are 'wired' into all the mind / feeling circuits, so know exactly where we are in our rebellion against these circuits, that being, how we should truly and lovingly live them and yet how we're not doing so whilst we're in our unloving and untrue states, and then where you are in your Healing of them. And each of these circuits, from the smallest and building up into the biggest, are what we call psychic barriers.

And they are all within you, and you have all to heal them all through your Healing. And that's on the personal level, which then also has to be done on the combined level for the whole of humanity.

So through your Healing, each bad feeling experience you have really equates to having to deal with one or more of these damaged mind / feeling circuits, which are then represented on all the levels within yourself, on the feeling, mind and will levels, and all in between. So **when you express all the pain and submit to the bad feelings, no longer trying to control or fight them, you are effectively falling into the pattern of how you live and express your negative circuit, thereby de-powering it, short circuiting it if you like, which then liberates more pain and truth, which then allows the circuit to be made right, this being the progress as you ascend through your Healing up through the Mansion Worlds.**

So these barriers are the dysfunctional mind / feeling circuits on all the varying levels. And what Marion and James are doing is crushing them all by taking them all within themselves, which they did through their early life, just like we all do, then Healing themselves systematically of them, each in their separate ways, which then opens the doorway for others to do through their Healing.

And for us Celestials, we have had to wait for them to work their way up through these circuits before we can act, because their breaking through and breaking them down means there are no longer barriers. And so as their Healing advances, so we've been able to do more by taking over as we've told you, and that's continuing on a daily basis. However the difficulty we still face is, there are still some significant ones in place (as of 21 November 2017), so our hands are tied concerning them.

[John: To achieve the cancellation of the Psychic Barriers, it feels as though a few field mice are up against Goliath.](#)

Nanna Beth: So in all your different ways, you're pushing up against the coal face so to speak, you John, Crystal and Samantha, and there's nothing that can be done other than allowing the process to happen, because it's all being driven by the Mother and Father through your souls. So the real so-called fight between good and evil – Satan and Lucifer and

the Devil and forces of Darkness, has actually been going on these past twenty years or so by each of you in your own separate ways taking on the bad within you and looking to Heal yourself. And even though you, John and Crystal, might not be actively doing your Healing like Samantha is, still you're taking on the Healing and all that's involved on the mind levels by accepting all James (and Marion) reveal. By you not rejecting them, so you are doing your bit to stick it up the Rebellion and Default, which is in fact the Great U-Turn – you are doing it in yourselves, which can then be followed by the rest of humanity. So you are, as you say, little mice trying to scratch a hole in the brick wall, slowly working away at the barriers.

And we Celestials are not powerful enough to break such hidden and unseen barriers. Only the Paradise Pairs are powerful enough to do that, that's what they are all about, and in particular the Avonals, because it's what they are created to do, no one else can do it. And they can only do it by doing it within themselves, they can't see or know where these barriers are and deal with them through their minds, anymore than the Lucifers (Lanonandeks) could see and control them by smashing through and breaking down the positive circuits as they rebelled. It all happens on the organic human level, with the rebellion being systematically passed on (commencing about 200,000 years ago), getting worse, generation after generation, through the ages. And now it's all starting to reverse, all to change generation after generation up through the coming ages as humanity heals itself of its woe.

So I hope I've explained it better for you, it's all what we call 'technical' as it's all to do with the Mind side of things, that which is organised by the Infinite Daughter and Divine Minister, being carried out by the angels. You can look at it like a matrix, that is often talked about, being created by the Daughter providing the inner mind-matrix or mind-circuits of Creation, about which and within which everything has its being. So your personality expression is built up around this matrix, being expressed in how your physical and spirit bodies are expressed in Creation. And so you can't do anything more than the mind and feeling levels you are on, other than increase their denial by moving deeper into your wrongness, or do your Healing and go the other way working your way out of it by changing your inner circuits. And these inner circuits are the templates for your whole being in Creation, so the laws of the physical body and all the rest run along them. And at best you can identify the laws or circuits, and live with them, but you can't change them. We can only change them within ourselves by doing our Healing. And as enough of humanity Heals itself, so then the greater changes will take place too. But that's more for the future. Right now it's about you few individuals doing what you need to do.

**Long for the Truth from God, the Truth your Heavenly Mother and Father will show you. This does come through to you via the Spirits of Truth of the Avonal Pair in relation to one's Feeling Healing and in relation to Divine Love from the Creator Pair, all from the Eternal Son and in league with the Infinite Daughter and the Divine Minister.**

# Our Feelings are our Truth

Tuesday, 25 December 2018

James: Marion was emphasising how **our feelings are our truth, and our Healing is just the bringing out of our feelings, and as we do that, the truth comes to us, it being the truth of what we feel.** And I don't know if I've made it that clear in my writings as to what the Healing basically is, so I wanted to add it here, as I feel like writing more with you Nanna Beth.

Nanna Beth – 3<sup>rd</sup> Celestial Heaven: That's right, **that's the basic principle, however you do have to apply your will – make an effort – wanting to bring your feelings out, bringing them out, and wanting to see / feel the truth of them, which is the truth of why you're feeling what you are.** So Marion focuses her strong will on her feelings and bringing them out, which is bringing herself out, because **you are your feelings, which is the truth that you are. We are all the Living Truth James, with our feelings feeling that truth, and then with our minds we can put those feelings and truth into a context that helps us understand on other levels what we just feel.** And because you were stopped from freely expressing all you felt, so you've been stopped from living true to your feelings and consequently stopped being the truth of them. So **the truth is waiting in you for you to feel the feelings that give rise to it, all those feelings you should have felt throughout your childhood.** And when you decide to 'do your Healing', life (your soul) provides you with the necessary experiences you need to make you feel, and those feelings as you express them, connect you back to the young you that wasn't allowed to express them, thereby you are now, as an adult, doing what you should have done back then, and so revealing the truth of your feelings which is also the truth of yourself. **We are all revealers, revealing the truth of ourselves through our feelings.**

James: So just talking out all your feelings is not enough, we need to want to uncover the truth of ourselves as well?

Nanna Beth: Yes, because you are doing all you can to not see it, living against it, so living against the truth of yourself, living against those feelings that would show you the truth, which is your rebellion against yourself, your truth, yourself, and against God. So you can merrily talk all day long expressing all you feel, however that won't actually be all you really do feel, as in, all those repressed feelings within you that are waiting to come out, with you merrily or even angrily, expressing your selective feelings all day as part of the denial of your deeper hidden ones.

**FEELING versus EMOTION**  
**and emoting such emotions through your feelings:**

It is important to **emote** your feelings to a partner or to your Heavenly Parents.

Just be the feeling. When you feel the feeling, try to stay with that feeling.

The other person you are engaging with can assist you to experience and express the emotional event that you are feeling coming to the surface. They'll assist you to stay with that feeling. The other person is to encourage you, to prompt you in describing, expressing, talking about – **emoting** – that feeling leading you back to discover the truth of an experience that was an emotional event in your life, most likely an event in your early childhood, and even more likely to be a childhood suppression of your expression of your true personality by one of your parents.

What ever you are feeling, describe it. Once in the feeling stay with the feeling – become the feeling – become the emotional event. Express, talk about it, that being the experience of how it really unfolded.

Feeling is what you feel now. Emotion is the result of an event that happened in the past (even the recent past). The emotion is the pain within you. Once you begin to become that painful emotional event then the feelings thereof can be expressed, talked out of you – for ever!

The more often you drop into these past emotional events, you'll find the resistance to do so will subside. Your childhood events will become more readily alive in the present.

You will begin to long for the truth of these childhood repressions and these suppressions will become memories, but no longer painful memories as you talk out each such suppression of your true personality that being what was imposed upon you since your conception. You will be aided by the Spirits of Truth of the Avonal Pair as you become to know and embrace them.

# SPIRITS OF TRUTH

# Avonal PAIR

# ENOUGH IS ENOUGH

Andon and Fonta, our first parents to long for our Heavenly Parents, lived nearly 1,000,000 years ago. Naïve humanity was seduced by high spirits, the Lucifer pair, to believe they could be gods through their minds, thus men subjected women to subordination 200,000 years ago. This was added to by the default of the Adamic pair more than 38,000 years ago when they failed in their mission.

## REBELLION & DEFAULT **200,000** YEARS

When Jesus with Mary achieved their full Regency of Nebadon, in 26 CE, they immediately had the Lucifer and Satan soulmate pairs assigned to a spirit world prison. Since then, the Creator Pair have been preparing for the end of the Rebellion and Default for humanity of Earth. The Avonal Pair now on Earth, once commencing their Healing, brought about the imprisonment of the Caligastia and Daligastia pairs in the early 1990s. As the Avonal Pair advanced with their Healing they brought about the formal end of the Rebellion and Default, on 31 January 2018. It is now for all of humanity to embrace the Spirits of Truth of the Avonal Pair and undertake their healing of the imposts of the Rebellion and Default.

## Avonal **AGE 1,000** YEARS

Spirits of Truth of the Avonal Pair will guide us through our Feeling Healing and into the Celestial Heavens with Divine Love, then the Spirits of Truth of the Creator Pair will lead us through the Celestial Heavens and out through Nebadon towards our Heavenly Mother and Father in Paradise.

Each generation of 25 years or so will see marginal embracement of Feeling Healing, however 1,000 years will achieve universality.

A few will complete their healing during their lifetime but for many it will be incremental.

Universality of Feeling Healing with Divine Love will see the mitigation of discomfort, pain and illness as well as the imposts of global warming and Earth changes. As those events are to ensure that each of us embrace our feelings, both good and bad, down to the very core, so that we fully come to know who we truly are. Sciences will endeavour to remove pain only to see disease manifest in different forms. Earth disturbances are a result of the Harmonic Convergence of the late 1980s, increasing the rotation of the Earth's central core, this will only abate when humanity has universally embraced Feeling Healing. These influences are only imposed upon us so that we do not step back into the Rebellion and Default through complacency. Live Feelings First. We are to become the true personalities we are, that being daughters and sons of our Heavenly Mother and Father.

# Avonal Revelation

- We are to live Feelings First.
- We've been made to use our mind to live against many of our feelings.
- Our mind control commences at conception and is developed through our childhood.
- All the bad feelings we didn't express as we were growing up are still repressed inside us.
- And all such hidden, buried and unwanted feelings have to come out.
- And whilst they remain repressed within us, they will continue to make us feel bad and unloved.
- We get sick, depressed, suffer, have bad things happen to us because of our repressed childhood feelings.
- Humanity was brought into this state of living against itself by higher rebellious spirits.
- These Evil Ones caused the Rebellion and Default.
- We are made to rebel by default – as we have no idea we're doing it through our parenting in wrongness.
- We are all parented unlovingly – against ourselves, against our will.
- Some parenting in the wrongness is done with more love, yet it's all still wrong.
- To heal this unloving state within ourselves we have to do our Healing.
- Our Healing is our Feeling-Healing or Soul-Healing with the Divine Love.
- We can long to God for Their Divine Love, and this will help us with our Healing.
- God is our Heavenly Mother and Father, the Feminine Aspects of God having been kept hidden from us by the Evil Spirits.
- All humanity's religions and spiritual systems are designed to keep the wrongness going, to keep us away from God.
- Only by living The New Way, Feelings First Spirituality can you become right, and truly find God.
- Long for the Divine Love.
- Long for the Truth of your Feelings.
- Accepting all you feel is accepting all of yourself, it's your greatest act of self-love.
- And wanting to know the truth of your feelings, is your next greatest act of self-love.
- Love yourself through your feeling-acceptance, and the Truth will set you Free!

**WHY did the LANONANDEK DAUGHTERS and SONS REBEL?**

Note from James

**The Lucifers, Satans, Caligastias and Daligastias soulmate pairs are all Lanonandeks:**

Re The Urantia Book (TUB): there are various orders of Paradise Descending Daughters and Sons. (NB: TUB only refers to the masculine so doesn't include Daughters.) The Descending Daughters and Sons descend or step down from Paradise to reach out and 'down' to the Ascending mortals – men and women on the evolutionary worlds, who are reaching out and 'up' to Paradise and for such help from the descending spirit pairs. Ascending mortal pairs (soulmates) cannot by themselves ascend to Paradise, how to do that is not 'encoded' in their soul. So they need higher help and guidance from the descending pairs. So if people don't have this higher help they will never spiritually and physically progress very far. And if this higher help goes haywire, people are stuffed until other higher help comes to rescue them.

One such Descending Pair, the Creator Pair, comes out from Paradise to a section of space when it is ready for them – Mary M (Magdalene) and Jesus in our case; and in union with the Divine Minister, create, or 'bring into being' a Local Universe – Nebadon. Mary and Jesus then attend to the whole (local) universe, with Avonal Descending Paradise Pairs coming as required to the individual earth worlds to ensure and initiate the spiritual changing of the ages that is needed to advance the spiritual development of mortals in accordance with the Paradise Plan.

Part of the Creation of Nebadon includes the creation of Local Universal Descending Daughters and Sons that hold key positions on individual worlds and oversee larger areas or sections of the Nebadon. With the Lanonandeks being these key administrators, guides, overseers, who are the ones that ensure the ascending mortals of each world are given what they need in accordance with the unfolding phases of their evolution, as well as providing the necessary Mansion World structures and organisation of the Celestial spheres, the greater part of Nebadon, all so mortals of the evolutionary worlds can find their way up and in through the Local Universe so as to set out on their greater spiritual journey through the Super Universe and Central Universe to Paradise. The Lanonandeks make sure all the parts work as they are intended to do, with the Melchizedeks being more involved with the ongoing teaching and personal education of mortals about all things through the Local Universe.

The Lucifers, Satans, Caligastias and Daligastias are all Lanonandek daughter and son pairs.

The Lucifers were the overseers of this sector – System – of Nebadon that includes Earth – Urantia. The Satans were to help the Lucifers, being the main liaison pair with the Caligastias (The Planetary Prince and Princess) who oversaw Earth directly from spirit, and the Daligastias being physically materialised on Earth so as to oversee and help evolve the local races of Earth on all levels, the practical physical and spiritual, this being how it was five hundred thousand years ago. And for three hundred thousand years, everything went well.

The whole of Creation thus far is one gigantic Ascending mortal scheme – The Ascension Scheme. So everything in it works to help slowly evolve humanity along the plans designed for them by the Descending Pairs and the Mother and Father, with the idea to evolve through ongoing self-expression the people from all the earths up through the Mansion Worlds and into the Celestial spheres and on through and out of Nebadon. So if anything goes wrong in any level of the universe then it causes problems for the mortals who are wanting to ascend.

The Lucifers were outstanding members of their Order. However according to TUB (if I remember correctly), they were passed over when they applied to oversee certain parts of Nebadon – and so why did that happen??? Then finally they got their chance. As to why they rebelled – it is said their egos,

their self-importance, grew, and they weren't able to control it. They were seduced by some inner need for greater power – but why did that happen? And is it just like everything else, there is variation in all things and so they went the way of rebelling against Mary and Jesus and the Mother and Father. And not being of a higher Paradise Order, they are more prone to being seduced by their inner biases, whereas supposedly Paradise Descending Daughters and Sons are too perfect, being of Paradise origin, and so wouldn't or even can't rebel. And Avonal Pairs can willingly take on rebellion, but that's their choice and they are not technically rebelling or defaulting, they needing to do this so they can heal themselves of the Wrongness thereby liberating the world of rebellion, and in our cases, also default. Which means, providing people and spirits in the Mansion Worlds, their Spirits of Truth, so everyone in a rebellious state can look to them instead of the Evil Ones, the rebellious Lanonandeks, for the way out of rebellion and onto Paradise.

The Evil Ones took over their part of Nebadon, Mary and Jesus allowed them to, allowing the Rebellion and subsequent Default on Earth to run its course. However it continues to cause masses of disruptions to the natural way of things, all of which we've been and continue to be subjected to.

So because humanity for two hundred thousand years has been increasingly subjected to the Rebellion and then also the Default of Eve and Adam, we are well and truly entrenched in the unconscious belief that the Evil Ones are the Gods, and that we're to look to them for the way to be happy and feel loved – that they are the Living Truth. And yet, as we can all see from our own lives when we start to address our bad feelings, this is wrong, false and misleading, only making us feel even more unhappy, unloved and powerless in our negative truth-denying state and being unable to do anything about it – because ascending mortals are not able to go against the higher Daughters and Sons. So without humanity knowing it, we have been praying to the Evil Ones as if they are God, even with people who pray to Jesus, praying to a mind-created fantasy Jesus and not the real one, as can be seen by the Evil Ones strategically denying humanity the truth of the Divine Love, with our need to long for it being excluded from the Bible and not found in any other rebellion-created religion.

Mary and Jesus being the highest Paradise Pair, by their coming to Earth, terminated the System Rebellion of the Lucifers and Satans. So that level of evil influence on all the rebellious physical worlds ended two thousand years ago. And then it's required for each world to be attended to by a bestowal Avonal Pair, who take on the evilness of that world and heal it within themselves, thereby ending the control in our case of the Caligastias and Daligastias, which has now apparently happened, with the Avonal Pair only to finish their Healing so as to signal the complete technical end of the Rebellion and Default.

So their – the Avonal pair – Healing involves dealing with the Rebellion and Default within themselves on all levels, so people and the mind Mansion World spirits can then choose to follow them and do their Healing. So by following the Avonal Pair you are going against the Evil Ones (currently it being their legacy within you and on the world), looking to end their negative, unloving and untrue influences within yourself. And once done, you become a Celestial, either on Earth or in the Celestial spheres, and free to align yourself with Mary and Jesus, which is done by partaking of the Divine Love, and free to live your ascension to Paradise – free to become at-one with your Mother and Father.

We're all living the demented levels of the demented minds of the four Lanonandek pairs that rebelled. And as we do our Healing, so we come to see how fucked they are, as we see how fucked we are; how they passed that fuckedness onto us through our parents, how we've become so tangled up in our Wrongness, not knowing what is true – we live untruth believing it's true, we feel false love believing it's true love. We're all around the wrong way, deeply mixed up, and needing to do our Spiritual Healing to get ourselves out of our sinful and evil ways, so as to come back into alignment with the

Truth. So all that we are has to go, and we're to uncover a whole New Way on all levels, personally and how to live, as we liberate ourselves from our dementedness.

With the Evil Lanonandeks no longer at large, having been detained on a prison world awaiting judgement as to what will happen to them, so the Melchizedeks stepped in taking over their positions. I don't know why other Lanonandeks weren't appointed, however I guess it's because of the damage done by the Rebellion, we who are here and part of it have to deal with it ourselves, so no outsiders other than Mary and Jesus and the Avonal Pair being from Paradise that can override that limitation.

And the Melchizedeks have enlisted the Celestial spirits help. So together, they now in effect play the roles of the Lanonandeks. And so as the Avonals progressively heal themselves, thereby liberating humanity from the dictates of the Rebellion and Default, so the Celestials are being given increasing power and authority to do what the Lanonandeks would have done. So the Rebellion on a positive note is providing the Celestial spirits with unique opportunities as part of their ascension, as we hear from Helen and Nanna Beth. And I would imagine, people who finish their Healing and become Celestials on Earth will also in some way be given extraordinary opportunities as well, all of which will involve some level of healing the world and doing what the Lanonandeks and Eve and Adam should have done. Even to the point of Celestials on Earth who have children, will in some way be like the new 'Eves and Adams' populating the world with perfect and true children, all who are completely free of the Rebellion and Default.

And what happens to the Evil Ones? I imagine they will have to undergo a long period of Compensation experiencing the pain they caused all the people and angels who were under their care. And after that, if they are not extinguished outright, possibly they might be rehabilitated to some degree; however as TUB suggests, without ever receiving the power they once had. However, as all works out for the best and ultimately is all-loving, it will be fascinating to see through our own lives how all the pain we've been made to suffer ends up helping us and being the best thing for us.

And one last thing to note, had there been no Rebellion or Default, then on Earth we'd still have the Daligastias and Eve and Adam helping people grow and evolve on all levels. Still being the higher Daughters and Sons that we can look to knowing that we're not alone, that we are being looked after and loved and that a greater life of ascension awaits us. And we would by now know of the Caligastias and all the help they would be providing on the higher spiritual levels, as well as the help they would be giving mortal spirits in the Mansion Worlds. And we would know of the Satans and Lucifers and all the help they were providing on the System level. And we've understood that in a way these higher Daughters and Sons are like mini gods to us, yet not our Heavenly Mother and Father. And they would be pointing us toward Mary and Jesus helping us understand that they are the Creator Pair, and here we live in their universe of Neadon, and that all they are doing for and with us is to help us evolve and grow on all levels as we look to our feelings for our truth we are to live as we express the personalities from our souls on our way through Neadon and onto Paradise. It all being a perfectly unified and loving experience for us. We being able to see the higher Daughter and Son as in the Daligastias and the Material Pair, Eve and Adam, who'd be for us the perfect humans that we could strive to be like. So we would want to be perfect in our humanness like Eve and Adam, and perfect in our spiritualness like the Daligastias. With both pairs showing us that we can be both perfect on the material and physical level, as we can be on the spiritual level. Which is completely the opposite of how we've been made to live, because all of that perfection has been denied us, with our being so screwed up about how we are to live both materially – physically and spiritually, we having no idea about either, and with them working fully in opposition to each other. And with our longing for and wanting the Truth, the truth of how we're to live physically and spiritually, all of which is to come (and ONLY come) through each of us individually and as a consequence of properly attending to and expressing ALL we feel.

AVONAL PAIR to be RESPONSIBLE for SPIRITUAL WELLBEING of HUMANITY:

Heavenly Parents

The Paradise Pairs, children of God, are all only concerned with the spiritual wellbeing and upliftment of the planets and local universe. Creator Son and Daughter, Mary and Jesus, are focused upon the spiritual wellbeing and upliftment of the whole of Nebadon which involves Earth, one of 3.8 million planets.

**AVONAL PAIR**

The Spirits of Truth of the Avonal Pair are to join with the Spirits of Truth of Mary and Jesus.

**Soulmates**

**COUNCIL OF ELDERS**

The Council of Elders, 12 Celestial soulmate pairs, being a Soul Group, guide to Founder of the Global Humanitarian Fund that is to disseminate Feeling Healing and Soul Healing guidance.

**Soulmate PAIR** while living in the physical of Earth, are to complete their Feeling Healing whilst embracing Divine Love, thus completing their Soul Healing. Being the first humans to do so, they will subsequently, upon their physical deaths, release their Spirits of Truth so that the whole of humanity, for the next 1,000 years, can embrace and progress in their soul development through Feeling Healing.

**GLOBAL HUMANITARIAN FUND**

Through the Global Humanitarian Fund, humanity is to be introduced to the processes of Feeling Healing and Soul Healing. Further, they will also become aware that our Spiritual Teachers of Truth for the next 1,000 years will be the Avonal Pair who will be handed this task from Jesus and Mary, and much, much more.

# Light of Truth of PASCAS

Throughout the evolution of Pascas, Pascas has been gently guided and supported by its Council of Elders from within the Celestial Heavens. All documentation, all concepts, all who have interacted with the forming of Pascas WorldCare and the various arms, have been in response to the guidance from our Celestial Council of Elders – from within the 3<sup>rd</sup> Celestial Heaven. Throughout the coming millennium, our Celestial friends will be guiding and assisting Pascas WorldCare.

## COUNCIL of ELDERS

**Council of Elders now around 20 soul-groups from the 3<sup>rd</sup> Celestial Heaven**

Communications between the Celestial Council of Elders and those within the physical administration of Pascas World-Care will be via those who complete their Feeling Healing on Earth, as years go by.

## Avonal PAIR Oversight

The administration of Pascas may be also supported in their interconnectivity with our Celestial guidance through those within Pascas and its administration who are sensitive in their nature and are able to perceive guidance from our Celestial companions on this journey of delivering the Great U-Turn. It is through the nature of sensitivity that Celestial Spirits have interacted with Pascas during decades of formative years and the establishment of the foundations for Pascas for the next 1,000 years.

## LIGHT OF TRUTH

Pascas as an entity, due to the contributions from our Celestial friends, is functioning within the 5<sup>th</sup> Divine Love Spirit Mansion Worlds level. Further, the Pascas Papers that are designated as references for Feeling Healing and Divine Love are within the level of Truth of the highest of the Celestial Heavens. Pascas will be supported in this manner for the coming millennium.

-  Celestial Heavens 8, 9, 10 also referred to as 1, 2, 3 being at-one with Mother and Father.

## GREAT U-TURN, THE CHANGE and the AVONAL AGE:

Monday, 24 December 2018

Nanna Beth – 3<sup>rd</sup> Celestial Heaven: The ‘Great U-Turn’ is what is happening now, it being the overall description denoting humanity turning away from following and advancing the Rebellion and its evilness as seen by living increasingly in a truth-denying state, to wanting to live true, to love truth, to be truth-accepting, all of which comes about ultimately by doing your Healing, as you become the living truth as it’s revealed to you; and also by people, like yourself John, who are currently more intent on understanding about it on an intellectual level. Both are needed, everyone who wants to embark upon their own personal U-Turn and the collective one of humanity, needs to understand a certain amount of what it’s all about with their mind as they work to bring the truths to light within themselves through their Healing. So anything to do with ‘reversing’ the Rebellion and Default is all part of the U-Turn. And it starts in a very small way within the individual, as it has already with the whole of humanity, being reflected by yourself and the others of your small band, who are wanting to live it and have accepted and believe it’s happening.

The Change, as such, is the same thing really, however technically The Change begins with the dawning of the new Spiritual Age – the Avonal

## THE CHANGE

Age. The Change as I was referring to it yesterday was to highlight that once the Avonal Age begins in earnest, EVERYTHING will change. So currently, even though the Change and U-Turn have ‘begun’, it’s early days, just the ‘scouts’ going out in all directions in preparation for the ‘main event’. So technically we can’t say The Change has begun, whereas in time when Mary and Jesus’ age ends and the Avonal Age begins, then we can say it has begun. Whereas we can say the U-Turn has begun, it being a more vague term and not a technical definition.

Also, James has written about The Change in his Sage novels in reference to all I have said above and also the Earth Changes, including the Pole Shift. However the Pole Shift, were it to come during the Avonal Age, would then be part of The Change, The Change being the whole 1,000 years. It’s going to take the whole 1,000 years to implement on the parent to child level the necessary Changes so as to ensure that the effects of the Rebellion will truly come to an end, with that “end” still going beyond the Avonal Age to complete. So the Pole Shift is just a physical phenomena, and certainly of itself it will cause great change, but it doesn’t of itself affect any spiritual change against the Rebellion and Default, and in the past it has helped humanity go deeper into its wrongness.

So the real Change I’m talking about is spiritual and involves the ending of humanity’s truth denial. That’s the most important part, to help people see they are living against the Truth, of themselves and of God, and that all they are

doing is part of that, and that if they want to end that, they will have to do their Healing. So the Change will be with the awakening to that, a consciousness shift, a vast change to the mind of mankind as it considers the state it’s in: that ALL it is doing, ALL it’s believed was right, ALL of it’s religious and spiritual beliefs, outlooks, attitudes, are all only keeping it in its truth-denying state.

Imagine the whole of humanity understanding and focused in the direction of knowing everyone is suffering because of being under the Rebellion and that it doesn’t have to be that way. So people living increasingly in the wrong direction and going further against themselves, once The Change fully starts,

won't be able to evolve further into a deeper or greater rebellious state, however stagnation within where it's stalled will be a big issue for a lot of people and mind spirits, those people and spirits who don't want to accept that's how they are is all wrong.

So you can say the Great U-Turn has started, the writing is on the wall for the Rebellion and Default, and when the Avonals come of age, when they finish their Healing and openly (publicly) declare who they are to the world (even if that world is only a very small group of humanity), then The Change will have begun.

# **REBELLION** & **DEFAULT**

And once The Change officially begins, there is no turning back. After the Avonal Age, humanity will be given the chance to resume its evil ways and turn its back on The Change and all the Avonal Age has done, and certain people and mind spirits will want to do that, however they won't be able to change the momentum being lived by those who are intent on living true to themselves and God through their feelings. (The availability of Divine Love may be withdrawn for the following spiritual age.) Still in all fairness humanity has to be given the opportunity to decide whether or not it wants to fully heal itself, and without having imposed on it such strong influences as caused by the Avonal presence. But that's all a long time off.

# GREAT U Turn & THE CHANGE

So the Avonal Age is a specific Spiritual Age (which you read about in TUB – The Urantia Book), giving rise to The Change in which humanity ends its truth-denial and living unlovingly against itself and its Mother and Father, all of which is the Great U-Turn.

# Avonal AGE

## U-TURN for HUMANITY:

### Why are we doing a U-Turn?

We are doing a U-Turn **because** the year 2017 heralded the end of the Rebellion and Default. For two hundred thousand years, humanity has been going in the wrong direction.

### What is this fundamental step that will change our way of living?

We are to come to understand / know the foundational cause of all our feelings, both good and bad. As we explore and investigate our feelings, each time they arise, one by one, we are to talk them through, express them to a companion or friend or anyone who will listen. As we express them, while at the same time coming to understand how they have come about, we will find that they will be resolved and that they will not come up again.

We will find that all of our feelings / emotions have their foundations from our childhood. And by childhood, that is from the time of one's conception all the way through to about the age of six. It is the repression of our childhood feelings that is the base or foundational cause of each and every one of our adult personality issues, pains, difficulties, illnesses and distressful life experiences.

**We have to see the whole truth of our negative or self-denial state, before we can heal it and be free of it.**

The vital difference between **emotions** and **feelings** is:

- emotions have their roots in the past,
- feelings relate to the present moment,
- emotions represent feelings not previously expressed,
- and these accumulate over time.

Many emotional clearing processes encourage us to look into our feelings, however, none go so far as to drill down into the core foundation of any emotional feeling to the point that we strive to KNOW the core issue, the origin of the feeling, be it good or bad, and actually come to know what it is!

The *Journey Process* is generally known worldwide. It stops short of longing to know, that is asking for the knowing of the events that brought about such a feeling. Yes, we are to acknowledge the feeling, say being angry. Then accept that behind that anger is the feeling of being small, and then look at the underlying reason of why we are feeling small. What is the truth behind that feeling? Ask our Heavenly Parents what is behind all of this feeling. What is the foundation, the origin of the feeling? All the time talking it out, expressing it, with a friend. The expressing of the experience is the release of the emotion / feeling, this is what removes it for ever from within our essence, our **soul**.

### Why ask our Heavenly Parents? I thought God was just God – singular?

This is part of the revealings that have been unfolding for us very recently – that is – since 2002.

We are made in the image of God. This has been understood for centuries, for 2,000 years. Our soul is duplex. Our soul expresses itself through two personalities. One soul 'subdivides' into two, one half

**Feeling  
Healing with  
Divine Love is  
the key!**

always being female and the other half always being male. We are a reflection of how God is. God being one Soul is expressed as Mother and Father. God is two personalities. They are soulmates. And each of us has a soulmate, and our soulmate is always of the opposite sex, because the Mother and Father are the opposite sex.

Thus, when we long for the truth behind a feeling, then we can long to our Heavenly Mother and Father. Only they can tell us. No spirit personality can tell us. No canonised saint can tell us, we may as well ask our next door neighbour. That would be just as productive. Mary and Jesus can't tell us, as they are also spirit personalities.

### **I was taught that Jesus was God? And what is this about Mary?**

Mary of Magdalene and Jesus of Nazareth were both born free from sin. Neither of them are God. They are both children of God, just like you and me.

History needs to be corrected. Both Jesus of Nazareth and Mary of Magdalene became at one (At-One) with our Heavenly Mother and Father during their physical lives here on Earth in the first century; Jesus in the year 26CE and Mary in the year 33CE, or thereabouts. Jesus died aged 35 (born 7BC died 29CE), and Mary died aged 47 or 48 (born 2BC died 47CE).

Further, their sojourn on Earth was the completion of their process to become the full Regents of the sector of planets that is referred to as Nebadon. The region within our super-universe that is referred to as Nebadon contains 3.8 million inhabited planets. If you look into the night sky, each star / sun potentially has between none to three inhabited planets within its orbit. Within Nebadon, the soulmate pair, namely Mary and Jesus, are our Spiritual Teachers of Truth. Their domain is all 3.8 million physical planets plus their associated spirit worlds. Each physical world has seven associated spirit worlds, which is the case for Earth being one of the 37 that have rebelled.

Some 200,000 years ago, Lucifer with his soulmate and his deputy, Satan with his soulmate, brought about a rebellion on 37 of the inhabited planets within the region called Satania, one of the local universal systems of Nebadon. Earth compounded the situation through the Default of Adam and Eve about 38,000 years ago. Thus the population of Earth, being in the worst condition through the Rebellion and Default, became the location for Mary and Jesus to have their physical experience to complete their ascendancy to full Regency of the local universal system being Nebadon.

Their lives on Earth was the start of the unravelling of the Rebellion and Default. Upon Jesus becoming At-One with our Mother and Father, he was then vested with the authority and power to have the Lucifers and Satans arrested, and they now reside exiled within a prison world.

Notice that there were no records of Jesus and Mary's teachings and experiences made during their physical life. That was because they did not specifically come here for us, they came for the benefit of all peoples of all planets and spirit worlds throughout Nebadon.

As they are Paradise descending spirits, they have **Spirits of Truth**. Upon Mary and Jesus' death, they released their Spirits of Truth. As spirits, Jesus and Mary are how we will be, once we've finished our Soul Healing. They can only be in one place at any one time. However, it is their Spirits of Truth throughout Nebadon that we can connect with for guidance. It is through their Spirits of Truth that spirit personalities can progress through and out of Nebadon.

Those planets that have Rebelled need further assistance, and they need it on a localised manner. This can only be provided by another bestowal of a **Paradise Pair**, and that is in the form and manner of an **Avonal soulmate pair** who come here specifically for us.

### **What is the purpose of an Avonal pair, and are they here on Earth?**

Unlike Jesus and Mary who were always free from sin and did not experience how to heal themselves, the Avonal pair are to experience all of the extremes of evilness and then proceed to heal themselves. Mary and Jesus through their bestowal on Earth ended the Lucifers spiritual rebellion in Nebadon; the Avonals bestowal is primarily concerned with ending the Default of Adam and Eve by the Avonals themselves personally healing the effects of such a damaging Fall.

The soulmate Avonal pair are to be, and have been, subjected to the extremes of childhood suppression and repression, and then, through their Feeling Healing, are experiencing all the facets of emerging truth as they slowly progress through a protracted and difficult healing process. As they reach specific milestones, this also enables those in the Celestial Heavens, (the three worlds where Celestials reside) to be empowered to assist us in the physical on Earth.

The first considered milestone was the arresting and imprisonment of the Caligastia soulmate pair and the Daligastia soulmate pair. After the arrest of the Lucifers and Satans in the first century, as nothing further occurred, the Caligastias and Daligastias continued on from spirit as if they were kings and queens, suppressing all of humanity and with plans to take over the universe. It was possibly in the early 1990s that they were 'judged' and 'removed'. They were caught unaware that an Avonal bestowal pair were on Earth.

### **How is all this becoming known? Has Jesus and Mary communicated directly to Earth?**

Unlike in the first century, when no records were kept (as the event related to all of Nebadon and it was actually setting the stage for the Avonal bestowal pair to arrive on Earth), every effort to retain records in great detail of this current series of events is now being attended to. Consider this. The New Testament of the Bible is some 300 pages. The records of the Second Coming, which this is, the primary records are possibly 6,000 pages, with direct complementary records increasing that to over 10,000 pages and with all the supplementary records to date, there may be as many as 40,000 pages, certainly well over 30,000 pages of material presently.

Jesus directly communicated through James Padgett from 1914 to 1923. Mary of Magdalene (Mary M) has directly communicated through James Moncrief from 2002 and is ongoing. Jesus has also communicated directly through James Moncrief. Neither have ever directly communicated through any one else, however, some Celestial Spirit personalities have provided information through other personalities on Earth with the support and approval of Jesus and Mary, thus some confusion, though the quality of the information is very reliable.

### **You say this is the Second Coming? You say I am living during the time of the Second Coming?**

Yes you are. And it's more than that. This is the Second Coming, the End Times and the Handover!

In fulfilment of the prophecy in the first century, the Second Coming commenced on 31 May 1914 through the writings with James Padgett and concluded in 2014 through the writings with James Moncrief.

The End Times are well advanced. Mary and Jesus are well advanced in handing over their direct involvement with Earth to those within the Celestial Heavens. When this is completed, the Handover will also occur. **The Hand Over is to the Avonal Bestowal pair** and it is they who will guide the population on Earth through their Feeling Healing processes for the next 1,000 years, being the next spiritual age. The Handover will take place after the Avonal pair complete their personal Healing of the Rebellion and Default. Then will follow with their Spirits of Truth being officially liberated in alignment with Mary M and Jesus' Spirits of Truth upon their death.

Major events have occurred with the progression of the Avonal pair's Feeling Healing, which they are also doing whilst embracing our Heavenly Parents' Divine Love, thus they are doing their Soul Healing.

| 31 January 2018: | Earth and the seven associated Mansion Worlds (including the two Earth planes) are <b>officially</b> now fully under the control of Celestial spirits. This marks a tangible and real end to the Rebellion and Default. |

**How does this all fit into our future way of living?**

**This time, in the history of humanity, is the most exciting time ever experienced.**

**The whole human race is suffering from repressed childhood and mind control.**

Through one's Feeling Healing, and should we embrace our Heavenly Parents' Divine Love, then with their Love we are doing our Soul Healing, and eventually we can live totally in accordance with our soul based feelings and live free from error – no more fear and no more physical illnesses is possible!

**By living true to ourselves, true to our feelings, we are living true to God. It's that simple.**

Our soul is always perfect. In fact, we are the complete package. All that we need to know is within our soul. This knowledge has been denied from us since the time of the Rebellion and compounded by the Default. That is what was brought upon us by the Lucifers and his cohorts. We have always been meant to live true to our soul based feelings but we were taught to embrace our error riddled mind – this was aided by our parents – unknowingly all parents have taught their children to be mind dominant. **This is the Great U-Turn. We are to feel and live by our feelings and express our feelings, our mind will follow in support, not the other way around.**

“Many people look for a person, spirit, angel, even God, for supreme guidance, however it's all right there already built in – in our feelings. **Feelings** guide us through our **ascension of truth**. So they are really our Supreme Guides. We just have to submit to them, allowing them to take us where they will, expressing all the parts we want to express, letting the emotion drive that expression if it's there to be expressed, or just talking about all we feel and how feeling that feeling is making us feel – or, how we feel about having that feeling, all whilst longing for the truth of our feelings. Longing for the truth of our feelings is really: **Longing for the truth of our self, because: we are our feelings**. So life stirs up

our feelings, we feel being alive; or, being alive means we are feeling, always feeling; and when we work out what and why we are feeling what we are, so then we know the truth of how we are. And over time the truth accumulates, and our mind expands our understanding of ourselves, all being driven from our feelings.”

Kevin of the 1<sup>st</sup> Celestial Heaven 26 September 2017

(Kevin Cooper died 10 August 2012, through Feeling Healing became Celestial on 7 August 2017.)

It is through the assistance of the Spirits of Truth of the Avonal Pair, upon the completion of their Soul Healing, that we will be guided through our Feeling Healing process, and should we embrace our Mother and Father’s Divine Love, then our Soul Healing.

Then should we embrace Mary and Jesus as our Spiritual Teachers of Truth, their Spirits of Truth will lead us on the path through the Celestial Heavens where we will certainly meet up with our soulmate and join our soulgroup, which will eventually consist of twelve soulmate pairs. Then as a soulgroup, the Spirits of Truth of Mary and Jesus will lead us up through and out of Nebadon towards Paradise.

It is then our Mother and Father in Paradise who draw us to them and we will eventually meet our Heavenly Parents.

Meanwhile, while we live on Earth, we will have assistance and guidance previously denied to us throughout the era of the Rebellion and Default. Under the Contract controlling and managing the Rebellion and Default, the powers and capabilities of our Celestial Heaven spirit personalities, all three worlds of them, were heavily restricted and almost of no assistance to us at all. Further, Nature Spirits and our Angels were heavily denied contact with us physical people because of the Rebellion and Default, all of which is soon to change, so we can look directly to them for help concerning healing ourselves and understanding all aspects of nature.

As we embrace our Feeling Healing, Celestial spirits will and can greatly assist us. In fact, during the year of 2017 they have blocked all mind spirits from the Natural Love Mansion Worlds: 1, 2, 4 and 6 from interfering with us. Celestials have taken control of all facets of living and life on Earth. Celestials are those spirits who have completed their Feeling Healing and progressed through Divine Love Mansion Worlds 3, 5 and 7 and now live in the higher Celestial Heavens, 1, 2 and 3 (when we become At One with our Heavenly Parents then we leave the Mansion Worlds and progress through the next three spheres related to Earth, hence the Celestial Heavens are also referred to as being numbered 8, 9 and 10).

The Nature Spirits of Earth, who live in the third Earth plane, can now directly interact with those who are embracing their Feeling Healing. Nature Spirits are essentially ‘angels in waiting’. They have been on Earth prior to anything that we now see living in nature. When they first started to arrive, there was no life in the seas or on land. They have consequently witnessed everything that has happened on Earth, including all prior human civilisations that we continue to largely remain ignorant of. Their knowledge and assistance is of great importance to us. We are to interact with them on an ever increasing scale. They are to become an invaluable source of information for us concerning how we are best to live with nature.

Further, we may become more aware of our **Indwelling Spirit**, which arrives for each of us during our sixth year, as we now progress with our Feeling Healing, or with Divine Love, our Soul Healing.

And all of this is possible as we embrace our Feeling Healing process, acknowledge and accept the Avonal pair, acknowledge and accept our Spiritual Teachers of Truth, namely Mary and Jesus, and more importantly, grow to love our Heavenly Parents, our true Mother and Father.

We do not need intermediaries, rituals, liturgy, dogmas, creeds, fancy clothing, or institutions. It is our soul based feelings and expressions that we may exchange directly with our Heavenly Parents. Groups may form to assist each other, and that is our choice and within our free will.

**This is the greatest event in the history of humanity.**

This is the Great U-Turn that humanity will embrace throughout the next 1,000 years. MoC 1,480

**FEELING HEALING and SOUL HEALING with the DIVINE LOVE:****James Moncrief Publications:****all publications are free downloads:**<http://divinelovesp.weebly.com/my-free-books-and-free-padgett-messages.html>

It is suggested for one to consider reading as follows:

**Speaking with Mary Magdalene and Jesus – books 1 – 4**

These four books encapsulate the second of the revelations with the first having been introduced by James Padgett one hundred years previously. These four books provide a wide range of guidance that has never previously been made available.

**Paul – City of Light**

As a gentle intro into the Divine Love and Healing; being James Moncrief's first novel and it's been criticised as being too heavily clichéd, but that's the point because it's a reflection of how he was back then.

**Ann and Terry**

For an example of people who might want to immediately start working on themselves and doing their Healing.

**Feeling Bad? Bad Feelings are GOOD**

For more understanding about our denial of our feelings and why we should not deny our feelings, and it includes how it all came about for James, using himself as an example.

**Feeling bad will make you feel BETTER – Eventually!**

This includes specific examples of Marion and James working on expressing particular bad feelings, again with the hope that it will help others gain something of an idea as to what's involved in doing your Feeling Healing.

**Sage – and the Healing Angels of Light**

Through Sage who's 13 years old, the story is primarily about the two aspects of healing; that being, with the help of our angels, and the full Healing we can do by looking to our feelings for their truth.

**Religion of Feelings  
Feeling Healing**

**Welcome to LOVE – the Religion of Feelings  
you can heal yourself through your feelings**

So these books, including the four Speaking with Mary Magdalene and Jesus books, provide the essence of it all and are examples of James' work. Then it's up to whatever takes one's fancy. Other reading to consider may include:

**The Padgett Messages being published as:****The True Gospel Revealed Anew by Jesus volumes 1 – 4****Book of Truths by Joseph Babinsky****The Urantia Book**

**Release one's pain through expressing one's feelings.**

**in conjunction with**

**Longing for the Truth when also longing for Divine Love.**

**FEELING HEALING with DIVINE LOVE is SOUL HEALING:**

*A collection of 'papers' that draw together specific topics including all of the above and more from other sources of information and revelation designed to help increase one's awareness about why we have the problems we do and how to heal them, all whilst living a more healthy and sustainable life. They provide a brief snapshot of the more complicated topics and issues.*

**Firstly, consider discovering the truth of your emotional pain through Feeling Healing. Secondly, consider longing for our Heavenly Parents' Love as you progress with your healing. Primary and most important readings are the writings of James Moncrief. Then consider the Padgett Messages, and then The Urantia Book.**
