MIND HEALING or FEELINGS HEALING

10 February 2025

For the past 200,000 years we have been right royally screwed by those who were appointed to lead, guide us and help us evolve. And now we are to do it all ourselves, that is dismantle their labyrinth of deception, entrapment and suppression. No institutionalised system, custom, norm, ritual, practice, belief is without the covert control and suppression of these hidden few high level personalities that seduced us into believing that through our minds we could evolve into greatness!

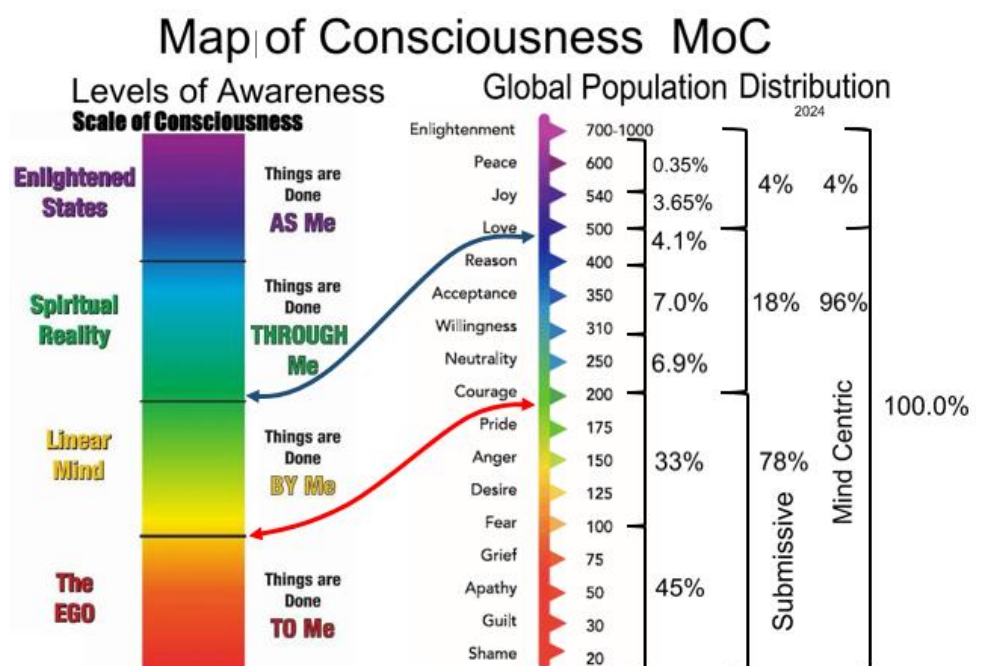

Nothing escaped their guile.

Nothing! However they are now imprisoned into their own very long suppression and isolation from all of humanity. They are to heal themselves or their existence may be ended.

Kindly go to www.pascashealth.com, then Library Download page, scroll down to Pascas Care Letter and click on to open: [Pascas Care Letters Poverty and Religion.pdf](#) - we are not evolving!

As will be seen by the consciousness levels of adherents to the main religions, with some 75% of adherents are calibrating at 200 MoC or below as truth is lacking throughout. Further, 40% of adherents to the main religions calibrate at 100 MoC or below further announcing a uniformity in the misguidance and platforms of each and every faith purported to be of truth by the religious organisations without any one of them standing out above the others.

2,500 years ago, Earth's humanity calibrated on Dr David Hawkins' Map of Consciousness at around 90 MoC, and then for the past 2,000 years humanity has calibrated at around 190 MoC.

Thus, 2,000 years ago, Earth's humanity of 300 million persons was calibrating at or below 200 MoC. Today, 75% of the population calibrates at or below MoC 200. That is 6 billion people, 20 times the population, still calibrates at the level of humanity of 2,000 years ago.

We sit in our wonderful environment of shiny metal things and depend upon the artificial intelligence of our mundane television and all the wonderful entertaining things, all believing we are wonderful and making incredible advancements, all while we prepare for World War III.

Meanwhile, all our institutions and scientists perpetrate the agendas of rebellious leaders who have imposed crafty suppression throughout every aspect of our living – our childhood upbringing, our education, our food, our customs and norms, and especially our health systems, while ensuring that the military systems feeds their coffers with the funds they require. And no one is asking; Hey, What's going on?

Well what is going on is more of the same and it will continue that way for thousands of more years until we (YOU!) say to ourselves, ask questions and end this corruption, control and suppression!

We have all submitted to this perpetuating imprisonment. We are much more than morans and zombies!

 [Pascas Care Complementary Therapies 2.pdf](#)

Whilst researching more than 100 complementary self-healing therapies, always they provided varying degrees of relief and the satisfaction of progress in alleviating a condition, however it is always only temporary. Never does the modality go deep enough. The relief maybe for years – but then it re-emerges – not necessarily in the same form. The mind's suppression of the symptoms mostly seduces us into stopping our healing.

Humanity is 'proud' of its advancement in 'medicine', having eradicated a number of diseases and found 'cures' for some 500 diseases! The reality is zero progress. Immunisation has severe consequences. All eradicated diseases have re-emerged in more virulent forms OR completely new ones have emerged to do what the eradicated disease was doing. There is now documented more than 10,000 illnesses and diseases, whereas should we recognise them all – the elephant in the room is our Childhood Suppression. From the moment of conception all the way through to age six years we are immersed into our parents and carers emotional injuries and errors of belief, so much so that by the time we are six years old we each calibrate on Dr David R Hawkins' Map of Consciousness at the same level as one or the other of our parents. Thus the consciousness level of humanity remains stagnant at the level of the prior generation – for the past 2,000 years humanity has been calibrating at around MoC 190! 75% of humanity calibrates at the level of humanity at the time shortly after the time of Jesus Christ on Earth. This stagnation will continue until we each aspire and endeavour to Live Feelings First.

“Feelings are what guide us through our ascension of truth. So they are really our Supreme Guides. Many people look for a person, spirit, angel, even God, for supreme guidance, however it's all right there already built in – in our feelings. We just have to submit to them, allowing them to take us where they will, expressing all the parts we want to express, letting the emotion drive that expression if it's there to be expressed, or just talking about all we feel and how feeling that feeling is making us feel – or, how we feel about having that feeling, all whilst longing for the truth of our feelings. Longing for the truth of our feelings is really: Longing for the truth of our self, because: we are our feelings. So life stirs up our feelings, we feel being alive; or, being alive means we are feeling, always feeling; and when we work out what and why we are feeling what we are, so then we know the truth of how we are. And over time the truth accumulates, and our mind expands our understanding of ourselves, all being driven from our feelings.”

Kevin, John's brother-in-law, 26 September 2017

Kevin died 10 August 2012, through Feeling Healing became Celestial on 7 August 2017

Many more complementary modalities will be introduced, all aspiring to mind supremacy and its domination over our feelings, however we now have our pathway to healing already mapped out and it is being engaged by a few on Earth and many throughout the spirit healing Mansion Worlds. Look at any complementary modality for its mind centric approach, its shortcomings in perseverance, healing does not take place progressively, we are to completely heal and this is through Feeling Healing.

BREAKING the BARRIER of the MIND – ENGAGING the SOUL!

DYNAMIC personality

Personalities who complete their Soul Healing will demonstrate a dynamic personality that has never been previously achieved throughout the history of humanity. Such dynamic personalities will be recognisable for their innate abilities of comprehension, wisdom and leadership – they will become the ‘council of elders’ for all of humanity.

Though we may begin our Healing journey with one of many complementary modalities, it is only through longing for the truth of what is behind our feelings, good and bad, and by expressing all of our childhood repression and suppression injuries do we enable our soul based personality to manifest and display its true potential – our real selves.

Feeling Healing with Divine Love becomes Soul Healing.

Progression through the equivalent of the seven Mansion Worlds of Healing with Divine Love brings about the fusion of your Indwelling Spirit with our soul and enables us to live a Celestial Soul Condition while we live on Earth.

Divine Love does not heal, however it does transform the soul from natural love to Divine Love once our childhood repression and suppression injuries are healed through Feeling Healing.

ALL complementary health and healing modalities around the world are engaging the mind to suppress emotional injuries and pacify the client / friend / patient with almost instantaneous relief. Only the soul can heal – not the mind – mind engagement is temporary. Many healing modalities do commence to engage in what we are to do in healing ourselves, however none of them go deep enough into our childhood repression and suppression. We are too long for the truth behind every feeling, both good and bad and express what we feel to a very close companion or friend. This is a very long process which ultimately fits us to enter the Celestial Heavens. This is the process that we all must engage in here on Earth or in the Spirit Worlds.

The question is: Are we treating the cause or suppressing the symptoms?

Treating the cause permanently heals that which brings about illness:

What has never been understood before is that we are to ask for, long for and understand the truth behind our feelings, both good and bad. We are to understand what is behind our feelings as they come into our awareness. When we long to understand why we feel good or bad then we will be told – we will come to understand how they came about – eventually! Not even Alice Miller or anyone else has recognised this need to understand and know the cause or causes of why we feel so bad and that we are then to express such feelings to someone who does want to know us, someone who is really interested in the truth of who we are, which in the end is ourselves, as we should be the most interested in ourselves. It is the expressing, talking them out to someone who is interested in you, is wanting to know how you are feeling and why, that we heal ourselves of such emotional injuries.

Our feelings are our truth, and our Healing is just the bringing out of our feelings, and as we do that, the truth comes to us, it being the truth of what we feel.

That's the basic principle, however you do have to apply your will – make an effort – wanting to bring your feelings out, bringing them out, and wanting to see / feel the truth of them, which is the truth of why you're feeling what you are.

You are your feelings, which is the truth that you are. We are all the Living Truth, with our feelings feeling that truth, and then with our minds we can put those feelings and truth into a context that helps us understand on other levels what we just feel.

The truth is waiting in you for you to feel the feelings that give rise to it, all those feelings you should have felt throughout your childhood. We are all revealers, revealing the truth of ourselves through our feelings.

It's really the expressing of our feelings (and particularly our repressed ones that we're denying) to someone who is willing to listen to us, even if that someone is God, whilst we long with all our heart and will to know the truth of them – the truth of why we're feeling them. It's the wanting to know the truth more than anything else that is vitally important, and that means the whole truth, the truth of your unloving relationship with your parents and family because if it wasn't unloving you'd not be or have been made to feel bad. And the way to that truth of yourself is by expressing every feeling you have, and in particular, focusing on all the bad ones, the endless bad ones you've got buried away inside you that you're refusing to feel. If you don't want the whole truth of yourself and are not prepared to look for it in and through all your feelings, then you'll never truly heal the deepest underlying causes of your pain, illness, addictions, compulsive behaviour, erroneous beliefs and understandings, unloving self-denying behaviour and all your suffering.

We are to find the whole truth of ourselves through our feelings. And that means to begin with we're to see the whole truth of our pain and suffering, the truth from conception right the way through the womb, at our birth, through our forming years, the rest of our childhood – all that's made us feel bad in any way. And such truth can be found through our feelings. As a child we can't know the truth of all the feelings we are feeling, however as an adult we can. And it's by doing our Feeling-Healing that we can uncover the whole truth of ourself through our feelings.

To suppress the symptom is to put the problem aside for later on.

All medical and complementary healing modalities, including emotional processing, as much as they might help bring some relief to pain and reveal some truth and understanding as to why one is suffering it, they are not focused on the deeper underlying hidden causes of that pain and illness. NONE address the true cause, with that cause ultimately being found in our childhood suppression and repression.

All modalities are mind based, we continue to be led to expect our mind to resolve our pain – the mind can mask and hide our pain – however we have to eventually feel such pain and discover what brought it about. Then we are to express what that pain is all about. In this way we begin to heal.

Feelings First for children is similar for adults, the Feeling Healing process that we all will eventually engage in is a way of living. It is how we will grow in truth and that is through our feelings, we are self-contained. This is the first step in going beyond just suppressing symptoms through our spirit body mind which cannot discern truth from falsehood and embracing our soul based feelings which are always in truth.

2 Feeling Healing addresses the issues of the Default.

The Rebellion is against love, the Default is all the difficulties we have in our relationships because of our rebellion. Healing the Default is becoming true, to ourselves and in our relationships, and ending our unlovingness – our rejection of love, so ending the Rebellion.

The Rebellion was brought about by Lucifer and his soulmate 200,000 years ago.
The Default was brought about by Adam and Eve, soulmates, 38,000 years ago.

generations

OUR BLOCKED EMOTIONS FLOW DOWN FROM GENERATION to GENERATION:

Childhood illnesses, and illnesses of baby within the womb, stems from blocked emotions passed down from generation to generation, resulting in malfunctions in the foetus.

We are a product of all that has come before us.

Our own soul condition is reflected in our children.

To assist baby, as well as our self, work and pray to express our blocked emotions.

Clearing our negative emotions – Feeling Healing – grows our soul condition as well as that of our children.

Baby's body, when conceived, is always perfect. Their soul condition is also perfect.

GENERATIONAL TRANSFER of EMOTIONAL BLOCKS and INJURY:

As children we are conceived taking on the denial of the seven Mansion Worlds which is passed onto us through our parents and carers. We absorb our parent's emotional injuries and their soul condition, which can typically reflect more of one or the other parent, however both parents' input is of equal importance. As children we continue to mirror our parents' soul condition until we leave home. When we decide to heal our childhood suppression and ongoing repression, we then have to systematically work through all seven worlds of feeling-denial, healing all the unloving influences from our parents. This is doing our Feeling Healing.

In turn, we are a reflection of our parents' soul condition, and their parents' soul condition and so on back through the generations. We can break this cycle by working on our own soul condition, feeling our emotions and expressing our fears and blockages while seeking truth.

These emotional blockages and injuries frequently manifest in our children as illnesses, even before birth or shortly thereafter. It is the accumulation and combination of issues held by past generations that insidiously manifest as life-threatening illness episodes within unborn and new born babies. Parents through their own healing can lift illness from their children! Thus, to assist our children, we must firstly resolve emotional issues within our selves. General emotional injuries or blockages manifest as various health issues. Thus, an illness episode or pain can be generally related to parents' emotional issues.

SOUL CONDITION of BABIES are SUPPRESSED to that of its PARENTS!

A newly incarnated soul is immediately being infused with the emotional injuries of those in its environment, that is, the damaging emotions and erroneous beliefs of its mother, its father and of those within its family environment.

This process continues until the child reaches around the age of six, then it tends to develop its own way from then on, however, closely aligning itself with a parent or both parents. Kinesiology testing of Map of Consciousness confirms this suppression progress. Conception can be likened to facing a water cannon for the child!

Poor condition spirits may have previously connected with a young child should the environment be conducive for such a relationship. However, on 22 March 2017, all such spirit connections became blocked. A spirit cannot harm another personality.

We, as parents, can work on our own soul condition, through feeling healing, which in turn benefits the baby. We can also ask and prompt spirits to seek help from brighter spirits from within their own environment.

“All dis-ease is mind generated, and all healing is generated by the love energy of one’s soul.”

The Ego (mind based) manifests illness; the lower one’s level of consciousness (soul condition) then the more prevalent will be illness. Below the levels of 200, the ego and fear of the mind dominate; however, as you raise your level of consciousness by growing in love and achieve a level of 500 or higher, you begin to transcend ego dominance. At the level of 600, all healing is possible.

To liberate one’s real self, one’s will, driven by one’s soul, moves one to embrace Feeling Healing so as to clear emotional injuries and errors. With the Divine Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we’re feeling them, express them fully, all whilst longing for the truth they are to show us. It is Feeling Healing with Divine Love that one progresses through the spirit healing Mansion Worlds 3, 5 and 7 and enters the first of the Celestial Heavens.

EMOTIONS affect SPECIFIC ORGANS:

Emotional injuries and held errors have specific energy signatures and vibrations. So does each part of our physical body. Errors held within one's mind affect the flow of energies through one's spirit body, the spirit body is the template of the physical body. The resulting energy flow constrictions then initiate issues, and then pain, and then illnesses within the physical body.

OUR INDUCTION into PHYSICAL LIFE:

At our conception, we are welcomed by a relentless infusion of errors and injuries, unknowingly, carried by our parents and carers!

Our physical parents do not realise that even before our incarnation we have taken on board their combined emotional errors and misbeliefs. We are now suffering their pain!

We are conceived perfect. Our childhood illnesses, deformities and personality distortions are all a cocktail of their injuries. The onslaught is so great that worldwide around 25 million miscarriages occur annually.

Only by embracing Feeling Healing will miscarriages, deformities, childhood illnesses and abortions abate worldwide – and then childhood delinquencies will also abate.

WE TUMBLE INTO THE ABYSS BY SUBMITTING OUR WILL TO THAT OF OUR PARENTS:

At the moment of conception your soul activated your will to become of your Earth parents, you in effect, agreed to accept all that they were; to partake of their negative states, which they subjected and impressed on you through your formative years. By the time you became an adult you were a product of them, wholly a part of the negative mind state of this world. Currently you are imperfect and will only regain perfection of soul once you have completed your soul-healing. Jesus

Message 33 (part) 9 January 2003

NOW WE CAN CLIMB OUT OF THE ABYSS BY EMBRACING OUR FEELINGS:

Life IS ALL ABOUT FEELINGS. YOUR FEELINGS ARE YOU – ACCEPT THEM, AND YOU'RE ACCEPTING YOURSELF.

Only by following what Mary says regarding the doing of your soul-healing, the honouring and living true to your bad feelings and exposing all your childhood repression will you be able to heal all such pain and problems.

The Truth of your world is all about you. Many generations have believed in and tried to live how the Bible says, but has it healed all ills? Have wars and hatred stopped? And why have Christians done so many bad things? Why does all the self-criticism and self-denial still exist? Why are people mostly only interested in gaining power; and why do the rich still dominate the poor?

The religions and spiritual systems of humanity have failed to deliver life in the promised land, living free from all pain and suffering. And they will continue to fail because they themselves are founded on the negative. They are not true; do not teach the Truths of Divine Love; do not encourage people to live true to their feelings.

You are hopelessly bound up in your parent's lives. They have made it that way. The freedom and self-control you may feel you have is only relative to them. They – your very own mind – is the evil one, you are the evil one living with your mind overpowering you in every moment. The Golden rule is: never interfere with another's will.

I, Mary, was able to feel my feelings, as I was not trained too heavily to deny them, and then with and through them, find out the truth my soul wanted me to see. The truth of your negative state is what's missing from your world. It's the only thing that will open the way to show the right and true and correct way to live. [The Rejected Ones – Living True to One's Feelings](#) by James Moncrief

MAN is not meant to INTERFERE with the DRIVERS of PAIN:

21 September 2011

Verna, a Nature Spirit: Mary spoke of the disease resistant microbes coming about because of all the antibiotic food animals are forced to eat in some of the developed countries, well that's our department, one of them anyway. We are the ones responsible for such disease resistant bacteria. You see bacteria are open to easy manipulation from us, and so we're slowly bringing about the disease resistant strains along with the viruses and funguses that will be required by humanity in the times to come.

Humanity is NOT meant to heal itself of all disease by killing off the microbe, by doing things to stop it harming you. Humanity is to grow in truth beyond the need to have such microbes affect it, thereby not having to do anything at all to 'protect' itself from the so-called 'bugs'. The common cold only causes you such bother because you're already causing yourselves so much bother by refusing to feel the bad feelings you're denying. The bother's are the same, the cold coming to you so you can feel how you're really feeling – bothered, that being how your parents made you feel.

Humanity is to see that it's futile to keep trying to solve the problem by killing it, that it won't go away that way. It might be able to delude itself that it's done the job, but it's only short term and the bug will return, even stronger than it was. Had you left it as it was, and concentrated on growing in truth through the doing of your feeling-healing, then you'd have nothing to worry about from the bug. The bugs only cause you the suffering you require because it's what you need to help you feel bad as you refuse to allow yourself to feel as you do – bad. But instead of allowing it to make you feel bad, all so you can express such bad feelings uncovering the truth of them, you try to kill it and make it go away only exacerbating your self- and feeling-denial, only making things even worse for you in the long run.

When you have a disease, all the pain you feel from it IS ALREADY pain that's already within you, it's nothing new. You're not suddenly being attacked by this thing that's causing you all this pain. You're being helped by this thing to become aware of the pain you're already feeling, but are refusing to accept and acknowledge. And because you are denying yourself this pain, it all being felt in your early life and being kept buried within you, so it seems like suddenly your full of pain all because of your disease. And it's true that on a physical level the disease is causing you pain, but on the emotional, mental, spiritual and psychological levels, it's only helping you become aware of what you're not allowing yourself to feel. So do you see, YOU ARE ALREADY THE PAIN, it's all already there in you, you're already feeling it, only you've told yourself you're not. So the bug comes along into your body, your soul allows it to 'infect' you instead of rejecting it, and it makes you feel bad, all the bad feelings that are lying dormant within you. Only they are not dormant, you've just blocked them out, that being how extraordinary the mind is.

Were humanity true to its feelings and not under the influence of the Rebellion, it would have evolved beyond the current diseases that afflict it. It would have encountered other higher diseases, but would be well on the way to not having to require their help either. There are higher diseases awaiting humanity in the future, as it moves beyond the current ones, but by then such disease will be known for what it is, to help stimulate certain feelings which when expressed and the truth found, bring about the healing of the illness. As for the current diseases, we'll keep making them resistant to your medicines forever, it's all very easy for us.

POVERTY EXTERMINATION

Living Mind Centric prevents us from progressing beyond MoC 499, a very long way short of a Celestial Soul Condition state which we can achieve while living in the physical on Earth.

MIND HEALING PLATFORMS or FEELING HEALING PLATFORM:

9 February 2025

Dear Pascas team and beautiful people involved,
I hope this message finds you well.

I wanted to share with you something that I believe could be incredibly valuable for Pascas: Biodecoding. This therapy, which is gaining momentum in Argentina, offers a holistic approach to healing that goes beyond physical symptoms, addressing unresolved emotions and traumas by traveling back in time—even to our ancestors.

A bit of context

Origins of Biodecoding

Biodecoding (MoC 480) was developed by Dr. Claude Sabbah (MoC 410), a French doctor and researcher, based on the work of **German New Medicine (MoC 490)**, which was founded by Dr. Ryke Geerd Hamer (MoC 470). Dr. Hamer's research established the link between emotional trauma and the onset of diseases, particularly the idea that unresolved emotional conflicts can manifest in the body as physical symptoms or illnesses. Dr. Sabbah expanded on these ideas, focusing on decoding the emotional causes behind diseases, which led to the creation of Biodecoding as we know it today. This concept has gained popularity, especially in Latin America, where it is used to help individuals uncover the information behind physical ailments and promote healing.

Connection to the Context of the Place of Birth

Biodecoding also recognises the importance of the context in which someone is born and how it influences their emotional and physical health. The environment, the social circumstances, and even historical events such as wars can deeply affect individuals, both consciously and unconsciously. For example, the trauma experienced by our ancestors during difficult times, such as war or conflict, can leave emotional imprints that are passed down through generations. These unresolved traumas may affect descendants, influencing their health and emotional patterns later in life.

Biodecoding works across three key moments, which are essential for understanding how emotions and conflicts impact physical health:

1. **Current Life (Present):** This explores emotional conflicts or stressful experiences that occur in the present, which may manifest in the body as symptoms or illnesses.
2. **Gestational Life (Womb and Preconception):** Emotional imprints created even before birth, during conception or pregnancy, can affect our health and emotional patterns later in life.
3. **Transgenerational Tree (Family Lineage):** Trauma or unresolved emotional conflicts passed down through generations can influence our emotional and physical well-being, impacting our present lives.

During Biodecoding sessions, the client is guided by a biodecoder, who facilitates the process of uncovering the valuable information behind the symptoms the body creates through illness. These symptoms are not random or coincidental—they are messages from the body, reflecting unresolved emotional conflicts.

I believe this type of therapy could bring tremendous value to Pascas, as often, in order to heal, we need to journey back in time to our ancestors and understand the roots of what is affecting us today.

If you're interested in exploring this practice or would like more information, I can share with you interesting links and sources.

Warm regards, Anto

FEELING HEALING versus other EMOTIONAL PROCESSING METHODS:

John: Hi James and Nanna Beth

The question to address is:

What is different with the outlines of the Feeling Healing process as against the numerous other emotional processing methods?

Nanna Beth, 3rd Celestial Heaven, John's grandmother: The difference is the focus on the truth: uncovering the truth of yourself through your feelings – uncovering the truth of your feelings. It's a rebellion against the Truth, so if one doesn't want the truth, nothing will happen, one will only move deeper into one's rebellion against it.

And because the focus is on the Truth, so one can use it all the way to uncover the Whole Truth of Oneself. And there is nothing else teaching that.

All the other systems that involve looking to feelings to some degree fail to understand the deeper significance of wanting the Truth. Many people uncover some truth of themselves through their feelings, but mostly they end the process because they don't want to follow it right the way through, which means they only want to heal some momentary pain, and once that is done, are usually happy to continue on in their untrue state.

And because one is wanting to uncover the whole truth of oneself, then it becomes a full spiritual experience, and one that can be done by oneself, so without needing help from another, although at times help is sought and used. So the Feeling Healing embraces Healing the whole seven Mansion Worlds worth of self-denial and feeling-denial, which is the complete Rebellion and Default. Other systems might only work at some aspect of it, limiting the ascent of truth through all the Mansion Worlds.

And basically no one understands the absolute depth of the problem within themselves, which is only borne out by people and spirits doing their whole Healing. Much of the current psychological understanding falls well short of understanding the depths that are involved because they don't include the overall problems brought about by the Rebellion and Default. You have to understand you are rebelling against yourself: the truth of yourself, and so against your own soul; which is then the truth of God, so the Mother and Father; and that also includes the truth of Mary (Magdalene) and Jesus. So at some point you have to rectify all those relationships, which you can't do unless you understand the bigger spiritual picture. And so that's what James has revealed, taking all Marion has said, all the books offer, adding his own stuff, and putting it all together as a way of life, a spirituality that can be lived, and one that initially focuses on Healing oneself of all one's wrongness.

John: Why have all other methods of releasing and delving into emotions not been successful?

Nanna Beth: Because they don't understand the scope of the problem, as I said above. They are not approaching it from the point of view of understanding the nature of one's Repressed Childhood state, the extent of that; and then how one needs to allow oneself to feel all the bad feelings, not reject them; and then bring them out, which is the releasing of them; all whilst wanting to know the truth of them – the truth of what you are feeling. And that truth is what needs to come up within you so you can heal your will and become a truly functioning person, fully self-expressive, self-loving, and growing continually in truth.

All the other systems work within the control of the mind, so once the therapy ends, the mind regains control albeit in a different way. Only the Feeling Healing and Soul Healing with the Divine Love, seeks to entirely break the control of the mind over one's feelings.

John: Why haven't other methods been going deep enough?

Nanna Beth: Because people are basically afraid to push into such early childhood trauma without understanding where they are going or what it's all about. The leap of faith is too great, as it would mean they would have to rise above and conquer the Rebellion and Default within themselves, and that's simply too much to ask. The negative truth-denying systems within everyone are too deeply entrenched.

However the spiritual structure outlined by James provides a structure that allows you to deal with the Rebellion and Default, allowing you to maintain your faith, and evolve it, as you progress in your growth of truth – it gives one a picture to work with. Very few people, and possibly only Marion in fact, are able to press on into such dark depths without any structure and with only a faith that it's what she and God want to do.

I (Beth) couldn't have done it Marion's way John, I wouldn't have allowed myself to feel such pain, I needed to understand the bigger-picture reasons as to why I was in such pain, and be given the understanding that if I kept at it, one day it would end. Marion doesn't know it will end, she just keeps going one bad feeling at a time, which requires a tremendous amount of faith and over so many years and through so many inner obstacles; and still she doesn't know if it will end, but as she says, there is nothing else she can do other than keep going because she tried everything else. And she doesn't want to let her mind come in, only wanting to stay true to her feelings, so she doesn't want to know about the bigger picture even though she has worked it out along the way for herself and for James to understand which he's worked into his books.

So the spiritual aspect or approach James has provided, even if it's not actually talked about; the simplicity of honouring your feelings, and in particular your bad ones, then by accepting them you allow them to have their say, so you express them, all whilst longing for the truth, includes all one needs to know. And so by doing that, one will be able to fully Heal themselves working it out along the way for themselves; and even if they don't understand it, will be living the highest truest spiritual life one can live in one's wrongness, which in time will lead to one's Healing of one's rebellion and default.

On the surface of it, what James has related seems overly simple, but doing it yourself, and see what happens and what results; and that will take one deep into oneself uncovering the whole truth of oneself.

John: Many will consider that what they have been doing is adequate – why are they wrong in their understandings?

Nanna Beth: Because they don't understand what it's really all about. They don't understand the mind is in control of their true feelings, and that needs to be stopped. They don't understand the significance of their rebellion against the Truth, and how that happened by default. They don't understand that it's about uncovering the whole truth of yourself through your feelings, all your feelings, but focusing to begin with on your bad ones because they are what most people don't want to see. Everyone else sees it that they are doing this feeling type healing to make themselves better, to rid themselves of their pain and trauma, so instead of taking a pill to take the pain away, they are using some sort of emotional clearing system. But that is all still to take the pain away, to fix themselves, to heal themselves, to effectively take a pill so it all goes away, just like what the 'Divine Love people' hope the Divine Love will do for them, but it's not to uncover the whole truth of themselves. We have to see the truth of our pain, why we're in it, how it all came about, so what really went on in all our early relationships. It's not about doing anything that just takes all our suffering away. We have suffered for valid reasons, which all have to come to light. And so only emotional and feeling accepting systems to help one see such truth of one's pain and suffering are of any worth. And unless you uncover the whole truth of yourself, you'll never set yourself free of your rebellion and default, of all your soul pain. And the truth means to see the whole truth of why you feel unloved, how unloving your early relationships were, why you don't love yourself, why you are unloving, why you are evil and wrong, which basically no one wants to face.

So to summarise: We all have to see the truth of our unlovingness. We can't avoid it – deny it. We have to face it and feel all it makes us feel. And all those bad feelings lead us into the truth of it. So we have to understand – bring to light through our feelings – all the truth of our unloved, negative, evil, wrong state. And then once we've done that, we can be free of it. So until you uncover and feel the whole truth of it, it will never leave you, you'll remain in rebellion against yourself, you'll continue to be unloving.

John: I have considered with James, that Marion and he actually represent the two extremes of what is involved in soul-healing. I have found one such writing by James, back in 2006, that points to this. My feeling is that their two extreme ends of the experience matrix makes them perfect for bringing together the understandings that will benefit all people, no matter what their circumstances maybe.

Nanna Beth: If we accept that Marion and James are the Avonal Pair here to reveal the essential truths to humanity about how people can Heal themselves of their rebellion against the truth of themselves, then what you deduce is correct, for they have between them had to take on every negative aspect of the Rebellion and Default and so Heal it, which is healing all the circuits on a technical level, thereby opening the way for humanity to follow.

So if you consider this John, it is pretty amazing that two people can take on all the denial humanity is in, approaching it from opposite ends, which equates to the effects of the Default of Eve and Adam (following on from the Rebellion) (Rebellion began 200,000 years ago, Eve and Adam's mission on Earth was more than 38,000 years ago), and that such wrongness can be concentrated into two family units, and mostly in two parent pairs (being Marion's parents and James' parents). And so what is the likelihood of that? And then for them to live in the same city being the first children of such 'bloodlines of denial', and meet each other, and at a time needed to give themselves all the time to systematically work their way laboriously up through all the negative mind and will circuits. So to be subjected to so much woe, and to be able to keep going with no help from anyone other than each other, and a little backup from the spirits and the Mother and Father on James' side, yet with that involvement opening up even more messed up and corrupted mind circuits he's had to work his way through.

So if it is true they are the Avonal Pair, it shows us all just how incredible the soul of the Avonals are, to be able to go into such corruption, taking it all on, and then working it all through and Healing themselves of it, all basically without any real help from anyone, so just on faith and pure longing for the truth.

And should they reach the end of their Healing before they die, and should the truth then be fully declared that they are the Avonal Pair, even going against all what The Urantia Book (TUB) says, they having to uncover the truth in all things whilst rejecting the untruth such as in TUB and Padgett Messages (PM), with nothing having been straightforward and of any real help, then it will be cause for major celebration.

And it's what we are preparing for, what you are too John, to see if Marion and James are indeed the Pair, and then to give them all the support they will need to do whatever it is they are to do in the public sense. This is all their private work so far, of which you and I have become substantial parts of, the doing of their Healing preparing themselves for when they are Healed.

And if it turns out they are not an Avonal Pair, they are only just a pair of ordinary mortals who've somehow managed to keep going, dealing with all their pain, longing for and bringing to light all the truth of it, then they will be the most extraordinary mortal pair because they will have been the one's who broke the back of the Rebellion and Default. So either way you look at it, it will be quite an achievement.

And so we are all waiting to see if the theory is realised by such Avonal-truth awakening in their soul at some point, for then we will all know it will be true, just as they too will know. For now Marion doesn't contend with any of it, and James only on a mental level because of what the Melchizedeks told him years ago, but it all has to come to them through their feelings like all truth, which will only happen once they've

fully Healed themselves or toward the end of their Healing. Because in the meantime, whilst they are still in their wrongness and denial of truth, part of that denial is denying the truth that they are Avonals. And again the whole Avonal business has been yet more problems and negative circuits James has had to personally work through, whereas Marion has solely focused on only dealing with her feelings, not having to contend with all the other mind stuff.

John: James, when you feel up to it, may I have your observations please? And Nanna Beth, your angelic eye on this subject would be most helpful, if you please?

These two subjects are possibly leading to the crux of what we are sharing through the Pascas Papers. I now see that these 'colourful' handouts are essential in introducing and supporting the major publications of James Moncrief and James Padgett.

Nanna Beth: The handouts will help introduce people to such writings. But what I want you to understand John, is really it's James – because of his writings (and Marion, because she is leading them both in it all) that is what's most important. The Padgett Messages (PM) are really to be included in James' work, which he does, by taking the crucial parts and integrating them into his work – with the most important truth being that about longing for the Divine Love. So really the PM are secondary.

As you understand, the Padgett Messages can't heal you. The Divine Love is about immortality of the soul and becoming divine, it's not about ending your rebellion against the Truth. And ending the rebellion needs to come first: the Truth then the Love, then the Divine Love can be introduced, even though of course the Divine Love can be introduced at any time.

So really one need only work with James' (and Marion's) work, which includes longing for the Divine Love. People are to look to them first, and then later to Mary and Jesus. To put Mary and Jesus ahead of Marion and James can cause you problems because you will overlook what Marion and James are revealing. But as Mary and Jesus are known and with such importance placed on Jesus, and now with the PM and the Divine Love, so it's all the more confusing. Even added to by James having written focusing on and making Mary and Jesus more important than himself and Marion.

But as I said, it's Marion and James first, then Mary and Jesus and the Divine Love. And Marion and James are more than capable of also introducing the Divine Love and the truth of Mary and Jesus, which they would have done had Mary and Jesus not come to Earth. So really Mary and Jesus are not needed, and as I said, can get in the way, causing people to focus too heavily on them whilst missing the more essential truths of having to do your Healing by looking for the truth of your feelings (the 'Divine Love people' being examples of this). However with Mary, and Jesus in the PM, being so dominant, it is all just more of the confusion and part of the rebellion. And at the same time I don't want to downplay Mary and Jesus and lead people to believe they are not as important as Marion and James, for they are most important, and much more important being the Creator Pair of Nebadon, and Marion and James would rather not exist than have people think they were more important than Mary and Jesus; but as you understand, I'm just trying to put the revelation of truth into context, because it's all being revealed round the wrong way.

People and spirits were given the opportunity to deny Mary and Jesus whilst they were on Earth, taking the Rebellion deeper; and then to further deny them right the way through their age; and now further still by including the PM. And now people will be given the added opportunity of denying Marion and James, which all ends up being one huge mess. And one in which only Marion and James can unravel. For I am

only saying to you now what James has already written and what Marion and he have talked about. I wouldn't dream of taking anything away from them, and it's not my place to do so.

The EXTREMES of EMOTIONAL INJURY and SOUL SUPPRESSION:

At the extreme ends of Childhood Repression, a soulmate pair will be the first to heal themselves, having experienced their parents and close family members impose upon them forms of childhood suppression that collectively represent all possible extremes of experiences that we can have. Thus, when their Spirits of Truth are released, then all of humanity will be able to draw upon these for assistance and guidance as to how to liberate one's own soul from their own personal repression. This is the gift that this soulmate pair is to provide humanity with.

As the female is closer to her feelings, it is the female that may lead and assist the male in their Feeling Healing process, while progressing with her own. It is now time that we recognise that it is the woman that is our spiritual leader.

Our truth loving soul based feelings are to be brought into dominance with our minds only to support our soul based feelings. It is how we are brought up by our parents that we erroneously accept that our minds are all powerful; however they are greatly flawed and self-centred. Embracing one's own feelings is embracing the way of living that our Mother and Father desire for us to express and engage in. We are to fully express our God given personality through our feelings, not our mind based man-made impressions.

Firstly, consider discovering the truth of your emotional pain and injuries through Feeling Healing. Secondly, consider longing for our Heavenly Parents' Love as you progress with your healing.

I'D TURN BACK IF I WERE YOU!

Throughout the Avonal Age of 1,000 years, their Spirits of Truth will assist us in embracing and engaging with our Feeling Healing and with Divine Love our Soul Healing. They will assist us to develop our soul well into Celestial Heaven status should we persevere with such a goal. The extent to which the Avonal Pair develop themselves while here in the physical on Earth is the level that their Spirits of Truth will be able to assist us. Then it will be Mary and Jesus' Spirits of Truth that will assist us up and out of Nebadon, where our Heavenly Parents will then assist us onto Paradise, Their home.

Throughout our forming years, from conception to around age six, we are immersed in the unloving guidance and care of those who feel they are loving. The accumulation of injuries, errors, hurt, are all of an ongoing harming nature being disturbing frozen energy that manifests aspects through the rest of our life. The suppression and ongoing repression of our natural self expression during our formative years is the foundation of all our suffering throughout our life.

Suppression and ongoing repression of our natural self expression underlies our quality of life, it is the predictor of our level of employment, poverty or otherwise, our physical health, generator of our illnesses, our quality of relationships and all aspects of our everyday living, good and bad.

We can free ourselves of living life like a retard, yes, that is about how we emerge from our early childhood. We, as parents, are yet to discover how to bring up children. First we are to liberate ourselves from keeping suppressed our childhood repression, and this we now can do through Feeling Healing.

“The real KEY to our Healing is longing for the Truth, and that is the truth that will come from our feelings. If you don’t want the truth of what you are feeling, then you can forget it. You can express your feelings all day like a kettle letting off steam, however if you’re not seriously wanting, and longing hard, and praying with all your will to God to help you uncover and see the TRUTH that your feelings are to show you, then you can forget it. The expressing and releasing ARE just as important, however a little less than longing for the truth.”

James Moncrief 28 May 2018

OUR BODY NUDGES US TO LONG FOR TRUTH!

Should our physical body be without discomfort, pain and illness, we would not have any reason or prompting to pause for a moment and wonder what is behind such intrusions to our 'harmony'.

In this way, our body guides us into asking for the truth behind such discomfort – to long for the truth behind our emotional injuries. Should we ignore these communications then our body will amplify its signals. They will strengthen progressively until we not only engage in our investigation into the underlying cause of the pain or illness, but also start to express what we are feeling – talk it out of us.

By expressing what we are feeling will not resolve all the pain until we have totally completed all of our healing. If we were able to resolve individual issues in this way, one by one, we would stop our healing process, our Feeling Healing. That would defeat the purpose of our body being able to assist us with our total healing of ALL of our childhood suppression and repression.

“We are parented heavily by our parents who use our and their physical bodies to control our emotions, feelings, mind and will. And we are forced to change from being true to being untrue – how they want us to be. Then through our Healing our physical bodies help us back the other way, from being untrue to being true. Our bodies show the damage done, giving rise to the necessary feelings we need to make us feel bad so we can use those feelings to keep uncovering the truth of our wrongness. With our soul causing our body to show the damage when it's time for us to attend to the required feelings.

“Our parents inflict pain that changes us from being true to being untrue. And then when we do our Healing, our bodies express that same pain, giving rise to the same feelings, so we use them to heal ourselves.

“Our body is hurt and changes us. When we do our Healing, our body hurts and we change again, back into what we should have been.”

Note from James Moncrief 2 June 2018

Thus, it can be considered that Feeling Healing is the pinnacle of all healing modalities and that all health care systems (Allopathic, Ayurvedic, Traditional Chinese Medicine, etc.) are complementary when they do not shut one down from simply FEELING.

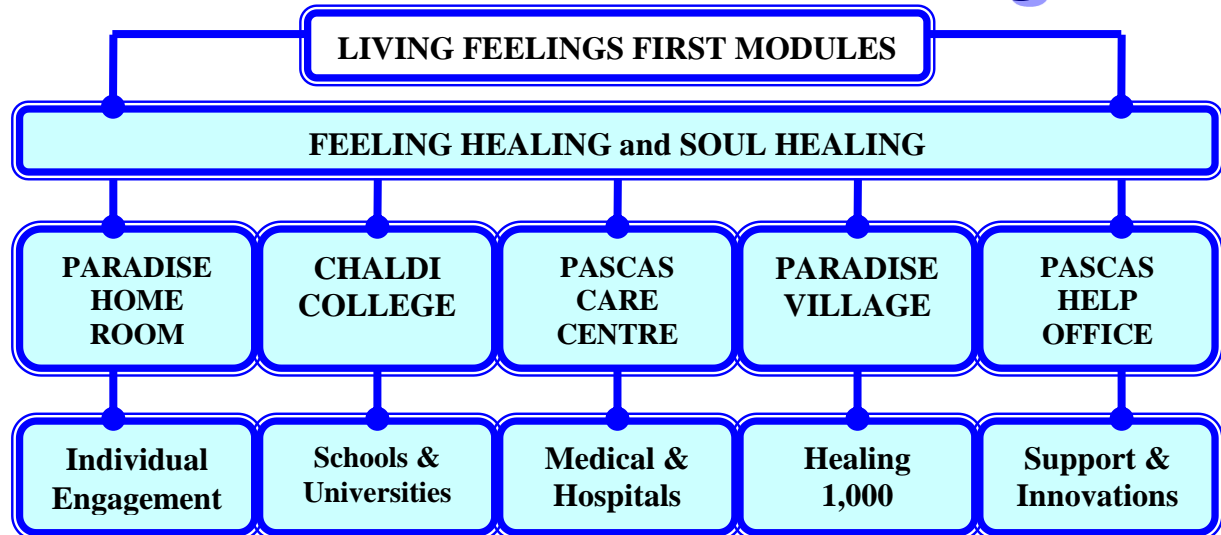

Our bodily discomforts, both physical and mental, remain with us in varying degrees until we transition into being Celestial – in at-onement with our Heavenly Parents – following completion of our healing all our childhood repression and suppression.

*We are to express our feelings,
both good and bad, emotionally!*

Life Practice Matrix - Feelings First

Mind imprisoned humanity has been subjected to the percepts imposed by the Rebellion and Default commencing some 200,000 years ago.

Humanity has universally adopted its mind as the pinnacle of one's intellect. In doing so, it has looked to its ego and arrogance to reveal the way to live one's life. Humanity has conjured up endless modalities enabling one's mind to suppress, albeit temporarily, discomforts, pains and illness through countless ineffective mind controlling systems, and has even categorised them into modalities of many different kinds.

Humankind has enslaved themselves to their mind, depowering them by ignoring their feelings. One's soul based feelings are always in truth and love – interconnecting with all aspects of life.

For those who have discovered and embraced their feelings, longed for the truth that one's feelings can reveal about their feelings, both good and bad, a great sense of freedom has emerged.

By living through **Feelings First**, and then having one's mind assist with the implementation of what one's feelings are conveying, we are then living true to one's self, and consequently true to our Heavenly Parents, our true Mother and Father.

Feelings First

Feeling Free

LONG to KNOW the TRUTH of EACH INITIAL CHILDHOOD EMOTIONAL INJURY:

All emotional processing work addresses only the top layers over the core childhood repressed injuries. None of the modalities reach down to the mother injury, the core of the suppression, thus the relief from such processes is only superficial and at best temporary. Yes, they do identify the underlying cause of the pain and illness, and this assists in addressing the physical health issues at hand. However, we need to go further, much further.

To heal ourselves is to simply 'look' at the feelings we are refusing to feel, and accept them instead of denying them. And to fully accept them, we need to express them, speak about them, let them have their say, rather than pushing them aside, refusing to let them make us feel bad.

Admit you are feeling bad. Accept your bad feelings, identify what they are. Honour fully your bad feelings by expressing them, speaking about them to someone who is willing to hear you talk about them, or tell them out loud to our Heavenly Parents. Long for the truth of them. Long for the truth of why you feel bad – what deep within you is causing your bad feelings? You must always reach to the core issue, and that occurred during your Childhood.

Root Cause

Highly esteemed Lanonandek spirits from within our local universe of Nebadon were assigned as System Sovereigns of our local system to oversee Earth's humanity and their spiritual development. 200,000 years ago they, the Lucifers, became infatuated with their authority and turned against the regents of Nebadon, Mary and Jesus, as well as rejecting God. Through their Planetary Princes, also Lanonandek spirits, they had taken the humanities of 37 worlds within their local system into their Rebellion.

By living through our minds, suppressing our feelings, we on Earth will continue to be at war with each other, illnesses of all descriptions will continue from our feelings suppression, famine and inequalities prevail, control of others is the core of all systems, we cannot determine truth from falsehood and life on Earth is a living hell. We have been continually seduced by mind Mansion World spirits and we live life in a stupor – nothing more than zombies doing the begging of the evil ones, the rebellious Lanonandek spirits.

By living through our minds, suppressing our soul based feelings, we have been progressively going further and further away from our Heavenly Parents, now to the point that we cannot go any further. Through working cracks in the Universal Contract governing the Rebellion and Default, this control has been ended formally as of 31 January 2018.

Pathway Forward

To liberate one's real self, one's will, driven by one's soul, moves one to embrace Feeling Healing, so as to clear emotional injuries and errors. With the Divine Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

God's Divine Love: Pray for it, ask for it, and receive it.

The Golden rule is: Never interfere with another's will.

Golden Rule: that one must always honour another's will as one honours one's own.

New Feelings Way: learning how to live true to ourselves by living true to our feelings.

We are to express our feelings, both good and bad, at all times, and to long for the truth of them.

By living true to ourselves true to our feelings, we are living true to God. It's that simple.

Map of Consciousness

This outline of the Map of Consciousness spells out the fact that while we live Mind-Centric and ignore and suppress our Feelings we cannot pass 499 MoC. Our mind being in control, as we have all been indoctrinated to live, is a glass ceiling. Humanity cannot heal anything, cannot be spontaneous, has no intuitiveness, and is locked into living in the deep hell states. This is why people find themselves in abusive homes, domestic violence, housing stress, homelessness and gross difficulties of all kinds. This is why we are easily manipulated, embrace propaganda and are being controlled by a few.

Women are closer to their feelings and that is why the nursing profession hosts a lot of women who calibrate a little over 500. These women are the healers in hospitals.

By aspiring to live Feelings First we are each breaking the glass ceiling and opening our potentials to grow in truth and love not only to 1,000 MoC, but to infinity. This is our destiny.

As communities embrace living Feelings First and having their minds to follow in supporting what their feelings are guiding them with, then ALL of the social ills of society will begin to mitigate. Please, do you comprehend the importance of what is being shared throughout this document?

We each are to VOICE our pain - the pain from within!

And our pain is our Childhood Suppression.

This being our families' traditions and customs of unknowing erroneous ways.

It is the untruth of held spiritual platforms.

It is our own imprisonment within our mind of arrogance and control addiction.

It is the imposition of control placed on us by those from many levels of influence!

We each are to VOICE our pain to a companion who has compassion for us, and long for truth!

We are to discover that truth which is freedom and love that has been hidden from us.

We are to discover that our feelings are our truth.

We are to discover that we are each fully self-contained - truth is within us - and that it is our soul based feelings that generations have told us to suppress and ignore.

No more controlling institutionalised systems are required! - NONE!

VOICE

Mary: The greatest gift you can give your child, is allowing it to be freely able to express itself, helping it to feel good about being able to say and express and communicate all it feels. THERE IS NOTHING BETTER FOR A CHILD TO FEEL THAN KNOWING ITS PARENTS COMPLETELY WANT IT TO BE EXACTLY HOW IT FEELS IT WANTS TO BE. To be completely unconditionally accepted for all that it is. Then it feels loved.

Mary Magdalene, co-regent with Jesus, and soul partners.

This is how we are also to be, as adults!

To liberate one's real self, one's will, being one's soul, is begun by embracing Feeling Healing, so as to clear emotional injuries and errors. With the Divine Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

Once humanity collectively understands what has happened to them on the higher spiritual level, how the people have been controlled, and that it's over, that control is no longer controlling, it's just legacies of it, all of which the average person can deal with by destroying it in themselves, things will change markedly for the better. And as the people change, so too will how they want to live, it will be a great time of revolution, nothing will be the same. So what you are currently living through is the end of the Rebellion and Default, it literally is, and so once the end is fulfilled and the New starts, then all how it currently is and has been will cease to be.

Nanna Beth 3rd Celestial Heaven, John's grandmother, 20 March 2018

NOTE from John: It was as early as 2009 that I was introduced to the incredible work and information from the German New Medicine platform, however, it was falling short of what Feeling Healing has identified as being necessary.

Under the constraints of the Universal Contract governing the Rebellion and Default, we of Earth's humanity had been prevented from realising what our healing pathway entails. Consequently, no one on Earth up until NOW has ever healed themselves of what they individually may have taken on of the Rebellion and Default. The formal ending of the contract occurred on 31 January 2018. As that situation is now changing, so is the structure of healing throughout the spirit Mansion Worlds which now has also changed to embrace Feeling Healing.

The platform that Mary Magdalene introduced, following her and Jesus' life on Earth, has now been changed over to the Feeling Healing platform that James has outlined in his writings as well as Samantha from England has followed and published about.

Prior to this change, generally, observations suggest that healing in the spirit worlds may have taken five to fifteen years. Kevin, John's brother-in-law, died 10 August 2012, through Feeling Healing became Celestial on 7 August 2017. Those now progressing can anticipate a much shorter time frame to healing completion. It totally depends upon one's focus and dedication.

FEELING HEALING is ABOUT GOING EVER SO DEEPLY INTO ONE'S OWN PAIN:

You are going to feel all the bad you feel now, and all the bad you felt during your childhood. If you don't remember feeling bad during your childhood, you still have to want to see if there are bad feelings buried deep in you that you are not aware of, feelings you have shut out of your mind, so its imperative that you must want to feel bad – that you want to accept your bad feelings and stop denying them.

I want you to understand that feeling bad is good, it is the right way to go, it is heading in the right direction, it is your ascension, your spiritual growth – what you need to do to heal your negative mind. It is to do the opposite to your training, to allow yourself to feel as bad as you do, instead of dismissing all your bad feelings and pretending you don't feel them. It is going against all that you know, and all that has been taught to you, and is against all of your minds conditioning. But still, as I said, you are setting off in an unknown direction, and feeling bad, and wanting to feel bad, and allowing yourself to feel all the millions of bad feelings that will come up in you, **IS THE RIGHT WAY**. It will be very new to you, and you might feel bad about this, and about feeling bad, but that is all good, and that is what I would expect. The Mother and Father will provide experiences for you that will make you feel bad: angry, miserable, pain and many other bad feelings. All those feelings you wish would just go away are the ones you now must wish to have, and own, and express, and own up to, as being a part of you.

And all through it I want you to ask, and even if necessary, to beg, the Mother and Father to show you the truth of why you are feeling bad. **THIS IS EXTREMELY IMPORTANT – TO WANT TO KNOW THE TRUTH OF WHY YOU ARE FEELING BAD.** For without wanting to know why – what's the point, you may as well just keep on denying them, doing things believing they are making you feel good.

I don't want you to go to Them with your mind for a quick answer, although you can discuss everything with Them; but to ask Them to **SHOW YOU THE TRUTH THROUGH YOUR FEELINGS**, so you can feel, and experience, and know categorically for yourself, why you feel bad. The truth will come up independently to your mind. Your mind should be kept out of it, until the truth has come as a result of your expressing your feelings, then you can use it to think about all you have seen about yourself. You have to want to know your feelings, all the reasons why you feel so bad.

Throughout our forming years, from conception to around age six, we are immersed in the unloving guidance and care of those who feel they are loving. The accumulation of injuries, errors, hurt, are all of an ongoing harming nature being disturbing frozen energy that manifests aspects through the rest of our life. The suppression and ongoing repression of our natural self-expression during our formative years is the foundation of all our suffering throughout our life.

Suppression and ongoing repression of our natural self-expression underlies our quality of life, it is the predictor of our level of employment, poverty or otherwise, our physical health, generator of our illnesses, our quality of relationships and all aspects of our everyday living, good and bad.

We can free ourselves of living life like a retard, yes, that is about how we emerge from our early childhood. We, as parents, are yet to discover how to bring up children. First we are to liberate ourselves from keeping suppressed our childhood repression, and this we now can do through Feeling Healing.

“The real KEY to our Healing is longing for the Truth, and that is the truth that will come from our feelings. If you don’t want the truth of what you are feeling, then you can forget it. You can express your feelings all day like a kettle letting off steam, however if you’re not seriously wanting, and longing hard, and praying with all your will to God to help you uncover and see the TRUTH that your feelings are to show you, then you can forget it. The expressing and releasing ARE just as important, however a little less than longing for the truth.”

James Moncrief 28 May 2018

From our head to our toes,
what our feelings say goes!

Feelings, good and bad, are to be expressed.

Talk it Out!

Heartfelt feelings are our truth.

LONG to KNOW ABOUT what you are FEELING!
Long to understand the truth behind
what your feelings are pressing upon you.

Ask to know the truth about that which you feel.
It is knowing the truth of that
which you feel that sets you free!

Always be true to your feelings
because they are your truth
and truth is love and our way home!

Express your feelings to those who matter to you.
Suppressed feelings bring about pain and illness.
Talk it out to a friend!

Celestial Truth:

Truly all-loving;
Living true to oneself;
Mind supporting Feelings;
Living with the Divine Love;

Fully Healed of the Rebellion and Default.

The CHOICE is OURS to MAKE:

THE FEELING WAY

Feeling – Ascendancy

Unlimited progression

- Living true to your untruth;
- Honouring all your bad feelings;
- Expressing feelings to uncover their truth;
- Healing the Rebellion and Default within yourself;
- Feeling unloved; being unloving;
- Feeling as bad as you can feel;
- Feeling like you are no one special;
- Longing for the Divine Love.

All religions, New Age, agnostic,
atheists, no spiritual interest,
Living the Rebellion and Default.

Hell:

Exploiting the Rebellion and Default.

THE MIND WAY

Mind – Transcendence

Limited progression

- Enlightenment, Nirvana, feeling all-loving;
- All false, mind-contrived. Anti-truth, anti-love;
- Still evolving the Rebellion and Default within yourself;
- Feeling and believing you are the Superior One;
- Living with your mind in control of your feelings;
- Living rejecting all your bad feelings;
- Living with your mind contriving you feel loved;
- Rejecting the Divine Love.

The Feelings are the doer; the Mind the teller. So we are to go with our feelings, which we can't be told to do with our mind. So the longing for the Divine Love, doing our Healing by expressing our feelings and longing for their truth, are all feelings and doing it with longing. Whereas the mind just wants to tell us what to do and how to be, no feelings in it, all how our parents have treated us.

LIFE ON A PERFECT WORLD
What we wish we were living
A Loving life

THE MIND WAY ** MIND-LED LIFE **

We are to move from our mind way to a feeling way of life within our rebellious and untrue state. We are to live truth to our being untrue, knowing and being the truth of why we are untrue.

GREAT U-TURN

Living True to Ourselves

LIVING TRUE to OURSELVES

**We are to live truth to ourselves through ALL our feelings. We are untrue.
We are to live truth to being untrue. We are to stop pretending we're true.
We're to admit we're full of shit; and be as full of shit as we are.**

God made us be rebellious and untrue, so we are to live being rebellious and untrue, not trying to not be as God made us. And we are to live true to being fucked, until God transforms us and changes us into being true and loving, ending our rebelliousness.

With all of us having been incarnated into a truth-denying rebellious world, we are to live true to how untrue, false and unloving we are. We are to stop using our mind to pretend we are true and loving when we're not.

We are to fully embrace, through our feelings, the truth of how wrong, bad and evil we are. And through our Spiritual Healing we are to fully accept how rebellious we are, living and being it. And knowing how being rebellious (being of and in Rebellion) makes us feel.

We are not to use our mind to pretend we are true; that we are loving, caring and sympathetic, as we're not those things.

Being of Natural Love we experience love through our mind. And so being in an imperfect state, some (if not all) of our mind love will be false and untrue.

When we have been transformed into our true Divine Love state having done our Spiritual Healing, then all the love we experience will be through our heart and soul with true feelings and no longer with our mind. With all love being true and based on the Truth.

We are to find the Truth of Love

Light of Truth of PASCAS

Throughout the evolution of Pascas, Pascas has been gently guided and supported by its Council of Elders from within the Celestial Heavens. All documentation, all concepts, all who have interacted with the forming of Pascas WorldCare and the various arms, have been in response to the guidance from our Celestial Council of Elders – from within the 3rd Celestial Heaven. Throughout the coming millennium, our Celestial friends will be guiding and assisting Pascas WorldCare.

COUNCIL of ELDERS

Communications between the Celestial Council of Elders and those within the physical administration of Pascas WorldCare will be via those who embrace their Feeling Healing on Earth, as years go by.

Avonal PAIR Oversight

The administration of Pascas may be also supported in their interconnectivity with our Celestial guidance, through those within Pascas and its administration who are sensitive in their nature and are able to perceive guidance from our Celestial companions on this journey of delivering the Great U-Turn. It is through the nature of sensitivity that Celestial Spirits have interacted with Pascas during decades of formative years and the establishment of the foundations for Pascas for the next 1,000 years.

LIGHT OF TRUTH

Pascas as an entity, due to the contributions from our Celestial friends, is functioning within the 7th Divine Love spirit Mansion World's level. Further, the Pascas Papers that are designated as references for Feeling Healing and Divine Love are within the level of Truth of the highest of the Celestial Heavens. Pascas will be supported in this manner for the coming millennium.

To liberate one's real self, one's will, being one's soul, is by embracing Feeling Healing so as to clear emotional injuries and errors. With the Divine Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

FEELING HEALING and SOUL HEALING with the DIVINE LOVE:

James Moncrief Publications:

all publications are free downloads:

<http://divinelovesp.weebly.com/my-free-books-and-free-padgett-messages.html>

It is suggested for one to consider reading as follows:

Speaking with Mary Magdalene and Jesus – books 1 – 4

These four books encapsulate the second of the revelations with the first having been introduced by James Padgett one hundred years previously. These four books provide a wide range of guidance that has never previously been made available.

Soul Light – books 1 and 2

A Melchizedek, Zelmar, sums up how we are to heal ourselves and ascend to Paradise.

Paul – City of Light

As a gentle intro into the Divine Love and Healing; being James Moncrief's first novel.

Ann and Terry

An example for people who might want to immediately start working on themselves and doing their Healing.

Feeling Bad? Bad Feelings are GOOD

For more understanding about our denial of our feelings and why we should not deny our feelings, and it includes how it all came about for James, using himself as an example.

Feeling bad will make you feel BETTER – Eventually!

This includes specific examples of Marion and James working on expressing particular bad feelings, again with the hope that it will help others gain something of an idea as to what's involved in doing your Feeling Healing.

Sage – and the Healing Angels of Light

Through Sage who's 13 years old, the story is primarily about the two aspects of healing; that being, with the help of our angels, and the full Healing we can do by looking to our feelings for their truth.

**Religion of Feelings
Feeling Healing**

**Welcome to LOVE – the Religion of Feelings
you can heal yourself through your feelings**

So these books, including the four Speaking with Mary Magdalene and Jesus books, provide the essence of it all and are examples of James' work. Then it's up to whatever takes one's fancy. Other reading to consider may include:

The Padgett Messages being published as:

The True Gospel Revealed Anew by Jesus volumes 1 – 4

Book of Truths by Joseph Babinsky

The Urantia Book

Release one's pain through expressing one's feelings.

in conjunction with

Longing for the Truth when also longing for Divine Love.

FEELING HEALING with DIVINE LOVE is SOUL HEALING:

A collection of 'papers' that draw together specific topics including all of the above and more from other sources of information and revelation designed to help increase one's awareness about why we have the problems we do and how to heal them, all whilst living a more healthy and sustainable life. They provide a brief snapshot of the more complicated topics and issues.

**Firstly, consider discovering the truth of your emotional pain through Feeling Healing.
Secondly, consider longing for our Heavenly Parents' Love as you progress with your healing.
Primary and most important readings are the writings of James Moncrief.
Then consider the Padgett Messages, and then The Urantia Book.**
