U-TURN for HUMANITY BEGINS!

Humanity is now beginning its Great U-Turn. Why? Because it is presently going the wrong way!

We are on the “outskirts of the outskirts” of a super universe on a young planet – and going in the wrong direction.

Consider this: What is called our local universe is 1 of 100,000 local universes that make up the whole of the super universe.

So, then consider that our local universe is part of the Milky Way which is a small part of the super universe that is called Orvonton. Our local universe is called Nebadon. So what is the make up of our local universe that is called Nebadon? This outline is a help into understanding where we are to go, but more importantly how we are to get there and why we are presently going in the wrong direction.

Earth within the outskirts of the Milky Way

Nebadon, our local universe, consists of 100 constellations. Each constellations is made up of 100 systems and Earth (Urantia) is within one of those systems. Each system consists of 1,000 physical

planets. So, our local universe consists of 10,000,000 physical planets of which 3,840,101 are inhabited. Presently, roughly a third of habitable planets have people living on them. Yes, people like us!

This structure of groupings is to facilitate the management of the super universe. Our system of 1,000 physical worlds is called Satania. The peoples of these different worlds are similar to those on Earth, some being taller, shorter, plumper, skinnier, but still similar, variations reflecting the environment of each of the worlds. Earth is a little smaller than average in size.

The spiritual responsibility for Satania was with the soulmate pair called Lucifer. Lucifer with his soulmate was responsible for the spiritual administration of all the physical worlds of Satania of which Earth is number 606 of the 619 inhabited worlds within that system. People with a longing for our Heavenly Mother and Father have lived on Earth for nearly 1,000,000 years.

Things started to go astray when Lucifer became despondent with the leadership of Nebadon and of an invisible God. Lucifer and his soulmate / soul partner with Satan and his soulmate / soul partner considered they knew better and began to seduce the young naïve worlds throughout the system of Satania to follow them. Earth was 1 of the 37 worlds that succumbed to the mastery of Lucifer and embraced their way of living through one's mind rather than one's soul based feelings. Further, humanity of Earth (Urantia) abandoned the leadership of Nebadon, which has its headquarters in Salvington – leadership being that of the Paradise Creator Son and Daughter pair, also are referred to as the Michaels, being Mary and Jesus. Thus, some 200,000 years ago the humanity of Earth rebelled and fell under the leadership of Lucifer with his deputy Satan.

Humanity literally began to 'worship' their mind. They abandoned their feelings. To ensure that the rebellion continued, the female was subjugated to the male. The female is closer to their feelings than the male. Should the female have been allowed to have her say then they would have put an end to this folly. One's mind cannot determine truth. All truth comes from one's soul-based feelings. One's soul is always in truth. For 200,000 years humanity has embraced this insanity. You can see when one walks around the streets; people appear to be in some kind of stupor.

More than 38,000 years ago, an Adamite pair were bestowed upon Earth in an endeavour to commence the uplifting of humanity. The Adamite pair were to have a large family between them to uplift the gene pool as well as uplift humanity spiritually. Adam and Eve lived apart for some time and both eventually took local partners, thus the potential for the gene pool improvement collapsed and the Adamite pair defaulted in their assignment. So, now we have humanity on Earth not only rebelling but also defaulting. Of the 37 rebelling worlds, of a consequence of the rebellion and default, Earth is the only planet that has embraced war as being socially acceptable – how insane are we?

The Rebellion and Default

“Way back in humanity's history, spirits (The Evil Ones) higher than us and part of Nebadon's universal hierarchy, rebelled against Mary and Jesus and denied the existence of a loving Soul Mother and Father.

They came to Earth, and other higher spirits who were already here and supposedly who's job it was to help humanity evolve and grow to love God joined them, and together they set about controlling us and corrupting our minds. They in effect turned our ancestor's minds and wills against themselves. They wanted humanity to serve them and not live loving, free lives with God. Their influences were severe and we've lived many generations perfecting our negative mind controlled states of self-denial.

After the Rebellion and added to it, was what is called the Planetary Default of another two higher spirits who came to Earth to help us, Adam and Eve (or who they represent). These two spirits were corrupted by the other higher, evil, rebellious ones and unwittingly coerced into default. They didn't outrightly and willingly accept the Rebellion choosing to join the rebels, but they were unconsciously led astray bringing about their Default. So what this means is: we are similar to them. Eve and Adam represented the perfect mother and father to whom all parents could have aspired to be like. But now all parents follow them, living the Rebellion by default – unconsciously parenting their children into the Rebellion by default.

As adults we are ignorant of the negative influences we're living; what we're doing to ourselves, and how we are living in a whole society and culture of self-denial. Life is not good for us unless we are in a power position. We are all striving for power in some way, but this is an untrue way to live, because, as I'm sure as most of us can testify, power (what we think and believe it to be) doesn't actually make us feel good. In the end you still wonder why you feel bad even when you have all the power you do.

So unconsciously we influence and subject our children to the same negative pressures and influences Adam and Eve were subjected to and with the same end result. Unwittingly we make our children deny themselves their full soul expression by default. We make them suppress many of their feelings when they are very young, and we make them join us in our negative states so they can continue repressing and denying themselves.

We do this because we want to gain power (because we feel so powerless). We parent, having power over our children, making them feel powerless. And so the whole negative mind state has been passed down generation after generation. And humanity through all the ages has wondered why it feels bad and why life doesn't seem right, and has wondered endlessly how to fix it. But without Mary and Jesus' higher help (higher in truth than the original misleading rebellious spirits) we can't work it out and we never will. However, now with their help, we can.”

Introduction Course to Divine Love Spirituality by James Moncrief

As humanity was in the worst state of all the humanities living throughout the inhabited worlds of Nebadon, Mary and Jesus elected to complete their process of achieving full regency over Nebadon by incarnating on Earth, this they did 2,000 years ago. As their souls were of such strength and purity, they did not succumb to the rebellion and default, both remaining free from error. Their presence brought about the availability of Divine Love for humanity and throughout Nebadon. During their lives they embraced and received Divine Love to the level that Jesus' soul fused with his Indwelling Spirit at the commencement of his ministry and Mary with hers some seven years later.

At the time of Jesus commencing his public ministry, as Full Regent of Nebadon, he had the Lucifers and Satans arrested and interned upon a spirit prison world. Two lesser soulmate pairs of this Lanonandek group continued on with the Lucifers' work, they are known as Caligastia and Daligastia.

Mary and Jesus did not come to Earth for us. Mary and Jesus came for all the humanities of Nebadon. Yes, they came to achieve their full regency, however, what they achieved was the progression of the development of their Spirits of Truth. Upon their deaths they each released their Spirits of Truth for the

benefit of all humanities within the Local Universe of Nebadon. It is only through connecting with Mary and Jesus' Spirits of Truth that one can find their way through and out beyond Nebadon on their journey of growth in truth leading towards Paradise, the home of our Heavenly Parents.

Mary and Jesus' lives on Earth opened up the way for all evolving souls throughout Nebadon to find their way out of Nebadon.

For us on Earth (Urantia), it enabled the opening up of the Divine Love spirit Mansion Worlds and the commencement of the healing of the greatest rebellion and default throughout the universes. This has taken 2,000 years to put in place, all leading to this great moment for humanity on Earth.

To complete the healing of humanity on Earth has required a further Paradise bestowal pair to incarnate on Earth. They are of lesser status than the Paradise Son and Daughter pair of Jesus and Mary as their focus is specifically and exclusively upon the humanity of Earth. They are an Avonal Pair. They also have Spirits of Truth which they will release upon their physical deaths. Their Spirits of Truth will be exclusively available for the humanity of Earth.

The Avonal Pair have taken on the worst of the rebellion and default and have taken some 23 to 25 years to heal themselves of their injuries, all being related to childhood repression and suppression. Their experiences represent the worst of the two extremes of these injuries.

It is only through the Spirits of Truth of the Avonal Pair that we will come to understand how to heal ourselves and commence our journey in the right direction. The right direction is living Feelings First!

During the early 1990s, as the Avonal Pair commenced their Feeling Healing, the Caligastia and Daligastia soulmate / soul partner pairs were arrested and imprisoned in the spirit prison world. As the Avonal Pair have progressed through their healing, they have reached milestones that have progressively brought about the end of the Rebellion and Default.

Without embracing the Spirits of Truth of the Avonal Pair, we cannot heal ourselves and thus find our way up through the spirit Mansion Worlds to the Celestial Heavens.

Then, without embracing the Spirits of Truth of the Paradise Creator Pair, Mary and Jesus, then we cannot find our way through the Celestial Heavens and then on and out of Nebadon.

Further, it is only through embracing our Heavenly Mother and Father that we can receive Their super grace, Their Divine Love, and have the stamina and strength to make the journey at all, and then be led by Them all the way through to Paradise.

For 200,000 years we have been going the wrong way. All systems and structures that have been set up by humanity over this period are ALL wrong. They all have to be torn down and rebuilt from scratch. No one institution on the planet will survive the changes that are now to be experienced. All systems founded upon the precepts of the Rebellion and Default will be demolished. Then will follow a way of living on Earth that is akin to living within the Celestial Heavens.

As the Rebellion and Default formally ended on 31 January 2018 we have observed personalities exerting incredible pressure upon norms that one may have considered untouchable. These personalities can be summed up as being a disruptor! They have specific assignments to undertake and they will initiate these in a manner that will undermine the institutions of the Rebellion and Default.

Vladimir Putin is the leader in this endeavour. He has freed Russia of the Deep State. He is helping Angela Merkel and Donald Trump to do the same for their nations. The world considers USA as the super-power, however it is Russia. Russia's military technology is more advanced than the rest of the world and this gives them impunity.

All religions of the world are founded on the principles of the Rebellion and Default. The attack on churches of all denominations is so intensive that they will crumble. Where women are suppressed, they will stand up and take control.

Education systems are hierarchical. The school teacher bows to the principle, the principle bows to the professor, the professor bows to his peer review group and all we have is a closed shop to freedom of expression and no ears to hear truth. This is compounded by the enslavement of students to debts that they can never repay. Student loan dept-slaved young people can't help to alleviate others as two thirds of them between the ages of 18 to 37 have absolutely no money to save. Year 2018 polls show that nearly half of college / university students and graduate debt-slaves currently prefer communist-socialism to capitalism. Presently, education is the domain of the super-rich, the hidden controllers of the world.

The hidden controllers have been out manoeuvred by some peons. Well, it is the owners of some 35,000 accounts that a gentleman named Sam Colins achieved entry into the domain of the super-rich, hidden controllers' lair. The super-rich, referred to as the Group, thought that the peons would give up and go away, but they did not. Further, the Group did not consider that their trusted money maker would turn on them – but he did. The money maker locked the Group members' funds in behind the 35,000 peon accounts and left the trigger running on the fund pool. The fund pool of the 35,000 peon accounts is presently many trillions of US dollars and growing.

This fund pool will launch the global humanitarian program of Pascas Foundation. Half of this fund pool is for the Pascas agenda. This program will enable every man, woman and child to become aware of living Feelings First, what the Feeling Healing program is, and what Soul Healing is through embracing Divine Love. Thus all communities around the world may become aware of the Great U-Turn.

By living true to ourself, true to our feelings, we are living true to God. It's that simple.

To liberate one's real self, one's will, being one's soul, is by embracing Feeling Healing so to clear emotional injuries and errors. With the Divine Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

Release one's pain through expressing one's feelings.

in conjunction with

Longing for the Truth when also longing for Divine Love.

The doing of your Healing, which is really wanting to be True, and the partaking of the Divine Love, are two different things. And you have to want both to be as fully spiritual as you can be. So you can long for the Truth, and you can long for the Divine Love. And you understand, that because you have started life in Creation in an unloving state, then you are first longing for the truth of that unloving state, you must want to understand every part of it: Why it happened to you, how it did, and how you took it on, and how you are undoing all the damage done to you. And when you are Healed, with the Divine Love having transformed your soul equal to the state of Celestial truth, fusion with your Indwelling Spirit can then occur, you becoming a Celestial spirit, either in the first Celestial sphere or on Earth if you're still here, free to live a Divine Love life of perfection as you continue your ascent of truth to Paradise.

Humanity by ending its rebellion and default is to slowly get back on track, and to one day be able to pick up from where it would have been had it not been affected by such unloving influences. So there is a massive amount of evolving and soul and spiritual growth to be had, and so a vast army and network of higher Celestial spirits is helping to provide it. Celestial spirits will do their fair share, as the individual will do their's, and together the rapport between mortal and spirit will increase and so the void between all – celestials and mortals – will lessen.

So all eyes are focused on Earth, because, so far, in the whole of Creation, all Earth has been through is by far the worst. And it still continues to be, and will continue to be right the way through until the last trace of the Rebellion and Default has been removed from everyone.

Earth

Oh, there are seven super universes and Paradise, being the home of our Heavenly Mother and Father is in the centre of them all.

HIERARCHY of our SPIRITUAL GUIDANCE:

Our Heavenly Mother and Father permanently reside within Paradise, an island stationary world surrounded by Havona, in the centre of seven Super Universes.

Our Heavenly Mother and Father, being one soul manifesting two personalities bring about the creation of:

Creator daughters and sons – Michaels

Magisterial daughters and sons – Avonals

Trinity Teacher daughter and sons – Daynals – and others.

The Michaels and Avonals have Spirits of Truth to be released to assist the humanities on their assigned inhabited worlds.

Each Super Universe consists of 100,000 Local Universes.

Each Local Universe is overseen by a Creator daughter and son, our local universe is called Nebadon and Jesus and Mary Magdalene are the Michael pair and regents.

A local universe consists of 10,000,000 inhabitable worlds of which 3,840,101 are inhabited within local universe Nebadon.

A local universe consists of 100 constellations which is made up of 100 systems. Each system has 1,000 inhabitable worlds. The system that Earth is in is Satania and 619 worlds are inhabited.

Emanating from within the Local Universes are Melchizedek, Vorondadek, Lanonandek, Material and Life-Carrier pairs. None have spirits of truth – they are not from Paradise.

From within the Lanonandeks, assigned to oversee the system Satania, which includes Earth (Urantia) were the Lucifer, Satan, Caligastia and Daligastia soulmate pairs, who rebelled. Further, Adam and Eve, the Material son and daughter, defaulted because of the Rebellion. All failed in their assignments, causing us (humanity on Earth) to be spiritually misled for 200,000 years – that is why we are all ‘insane’!

Earth has had five higher spirit physical bestowals:

Daligastia soulmate pair being Lanonandeks

Adam and Eve soulmate pair Material son and daughter

Machiventa Melchizedek soulmate pair

Creator daughter and son – Jesus and Mary Magdalene

Avonal daughter and son who are yet to commence their public ministry.

Why did the Lanonandek Daughters and Sons rebel? Being the Lucifers, Satans, Caligastias and Daligastias soulmate / soul partner pairs. James Moncrief Monday, 12 November 2018

Re The Urantia Book (TUB): there are various orders of Paradise Descending Daughters and Sons. (NB: TUB only refers to the masculine so doesn't include Daughters.) The Descending Daughters and Sons descend or step down from Paradise to reach out and 'down' to the Ascending mortals – men and women on the evolutionary worlds, who are reaching out and 'up' to Paradise and for such help from the descending spirit pairs. Ascending mortal pairs (soulmates / soul partners) cannot by themselves ascend to Paradise, how to do that is not 'encoded' in their soul. So they need higher help and guidance from the descending pairs. So if people don't have this higher help they will never spiritually and physically progress very far. And if this higher help goes haywire, people are stuffed until other higher help comes to rescue them.

One such Descending Pair, the Creator Pair, comes out from Paradise to a section of space when it is ready for them – Mary M (Magdalene) and Jesus in our case; and in union with the Divine Minister, create, or 'bring into being' a Local Universe – Nebadon. Mary and Jesus then attend to the whole (local) universe, with Avonal Descending Paradise Pairs coming as required to the individual earth worlds to ensure and initiate the spiritual changing of the ages that is needed to advance the spiritual development of mortals in accordance with the Paradise Plan.

Part of the Creation of Nebadon includes the creation of Local Universal Descending Daughters and Sons that hold key positions on individual worlds and oversee larger areas or sections of the Nebadon. With the Lanonandeks being these key administrators, guides, overseers, who are the ones that ensure the ascending mortals of each world are given what they need in accordance with the unfolding phases of their evolution, as well as providing the necessary Mansion World structures and organisation of the Celestials spheres, the greater part of Nebadon, all so mortals of the evolutionary worlds can find their way up and in through the Local Universe so as to set out on their greater spiritual journey through the Super Universe and Central Universe to Paradise. The Lanonandeks make sure all the parts work as they are intended to do, with the Melchizedeks being more involved with the ongoing teaching and personal education of mortals about all things through the Local Universe.

The Lucifers, Satans, Caligastias and Daligastias are all Lanonandek pairs.

The Lucifers were the overseers of this sector – System – of Nebadon that includes Earth – Urantia. The Satans were to help the Lucifers, being the main liaison pair with the Caligastias (The Planetary Prince and Princess) who oversaw Earth directly from spirit, and the Daligastias being physically materialised on Earth so as to oversee and help evolve the local races of Earth on all levels, the practical physical and spiritual, this being how it was five hundred thousand years ago. And for three hundred thousand years, everything went well.

The whole of Creation thus far is one gigantic Ascending mortal scheme – The Ascension Scheme. So everything in it works to help slowly evolve humanity along the plans designed for them by the Descending Pairs and the Mother and Father, with the idea to evolve through ongoing self-expression the people from all the earths up through the Mansion Worlds and into the Celestial spheres and on through and out of Nebadon. So if anything goes wrong in any level of the universe then it causes problems for the mortals who are wanting to ascend.

The Lucifers were outstanding members of their Order. However according to TUB (if I remember correctly), they were passed over when they applied to oversee certain parts of Nebadon – and so why did that happen??? Then finally they got their chance. As to why they rebelled – it is said their egos, their self-importance, grew, and they weren't able to control it. They were seduced by some inner need

for greater power – but why did that happen? And is it just like everything else, there is variation in all things and so they went the way of rebelling against Mary and Jesus and the Mother and Father. And not being of a higher Paradise Order, they are more prone to being seduced by their inner biases, whereas supposedly Paradise Descending Daughters and Sons are too perfect, being of Paradise origin, and so wouldn't or even can't, rebel. And Avonal Pairs can willingly take on rebellion, but that's their choice and they are not technically rebelling or defaulting, they needing to do this so they can heal themselves of the Wrongness thereby liberating the world of rebellion, and in our cases, also default. Which means, providing people and spirits in the Mansion Worlds, their Spirits of Truth, so everyone in a rebellious state can look to them instead of the Evil Ones, the rebellious Lanonandeks, for the way out of rebellion and onto Paradise.

The Evil Ones took over their part of Neadon, Mary and Jesus allowed them to, allowing the Rebellion and subsequent Default on Earth to run its course. However it continues to cause masses of disruptions to the natural way of things, all of which we've been and continue to be subjected to.

So because humanity for two hundred thousand years has been increasingly subjected to the Rebellion and then also the Default of Eve and Adam (Material daughter and son), we are well and truly entrenched in the unconscious belief that the Evil Ones are the Gods, and that we're to look to them for the way to be happy and feel loved – that they are the Living Truth. And yet, as we can all see from our own lives when we start to address our bad feelings, this is wrong, false and misleading, only making us feel even more unhappy, unloved and powerless in our negative truth-denying state and being unable to do anything about it – because ascending mortals are not able to go against the higher Daughters and Sons. So without humanity knowing it, we have been praying to the Evil Ones as if they are God, even with people who pray to Jesus, praying to a mind-created fantasy Jesus and not the real one, as can be seen by the Evil Ones strategically denying humanity the truth of the Divine Love, with our need to long for it being excluded from the Bible and not found in any other rebellion-created religion.

Mary and Jesus being the highest Paradise Pair, by their coming to Earth, terminated the System Rebellion of the Lucifers and Satans. So that level of evil influence on all the rebellious physical worlds ended two thousand years ago. And then it's required for each world to be attended to by a bestowal Avonal Pair, who take on the evilness of that world and heal it within themselves, thereby ending the control in our case of the Caligastias and Daligastias, which has now apparently happened, with the Avonal Pair only to finish their Healing so as to signal the complete technical end of the Rebellion and Default.

So their – the Avonal pair – Healing involves dealing with the Rebellion and Default within themselves on all levels, so people and the mind Mansion World spirits can then choose to follow them and do their Healing. So by following the Avonal Pair you are going against the Evil Ones (currently it being their legacy within you and on the world), looking to end their negative, unloving and untrue influences within yourself. And once done, you become a Celestial, either on Earth or in the Celestial spheres, and free to align yourself with Mary and Jesus, which is done by partaking of the Divine Love, and free to live your ascension to Paradise – free to become at-one with your Mother and Father.

We're all living the demented levels of the demented minds of the four Lanonandek pairs that rebelled. And as we do our Healing, so we come to see how fucked they are, as we see how fucked we are; how they passed that fuckedness onto us through our parents, how we've become so tangled up in our Wrongness, not knowing what is true – we live untruth believing it's true, we feel false love believing it's true love. We're all around the wrong way, deeply mixed up, and needing to do our Spiritual Healing to get ourselves out of our sinful and evil ways, so as to come back into alignment with the Truth. So all that we are has to go, and we're to uncover a whole New Way on all levels, personally and how to live, as we liberate ourselves from our dementedness.

With the Evil Lanonandeks no longer at large, having been detained on a prison world awaiting judgement as to what will happen to them, so the Melchizedeks stepped in taking over their positions. I don't know why other Lanonandeks weren't appointed, however I guess it's because of the damage done by the Rebellion, we who are here and part of it have to deal with it ourselves, so no outsiders other than Mary and Jesus and the Avonal Pair being from Paradise that can override that limitation.

And the Melchizedeks have enlisted the Celestial spirits help. So together, they now in effect play the roles of the Lanonandeks. And so as the Avonals progressively heal themselves, thereby liberating humanity from the dictates of the Rebellion and Default, so the Celestials are being given increasing power and authority to do what the Lanonandeks would have done. So the Rebellion on a positive note is providing the Celestial spirits with unique opportunities as part of their ascension, as we hear from Helen and Nanna Beth. And I would imagine, people who finish their Healing and become Celestials on Earth will also in some way be given extraordinary opportunities as well, all of which will involve some level of healing the world and doing what the Lanonandeks and Eve and Adam should have done. Even to the point of Celestials on Earth who have children, will in some way be like the new 'Eves and Adams' populating the world with perfect and true children, all who are completely free of the Rebellion and Default.

And what happens to the Evil Ones? I imagine they will have to undergo a long period of Compensation experiencing the pain they caused all the people and angels who were under their care. And after that, if they are not extinguished outright, possibly they might be rehabilitated to some degree; however as TUB suggests, without ever receiving the power they once had. However, as all works out for the best and ultimately is all-loving, it will be fascinating to see through our own lives how all the pain we've been made to suffer ends up helping us and being the best thing for us.

And one last thing to note, had there been no Rebellion or Default, then here on Earth we'd still have now the Daligastias as well as Eve and Adam, still helping people grow and evolve on all levels. Still being the higher Daughters and Sons that we can look to – knowing that we're not alone, that we are being looked after and loved and that a greater life of ascension awaits us. And we would by now know of the Caligastias and all the help they would be providing on the higher spiritual levels, as well as the help they would be giving mortal spirits in the Mansion Worlds. And we would know of the Satans and Lucifers and all the help they were providing on the System level. And we've understood that in a way these higher Daughters and Sons are like mini gods to us, yet not our Heavenly Mother and Father. And they would be pointing us towards Mary and Jesus helping us understand that they are the Creator Pair, and here we live in their universe of Nabadon, and that all they are doing for and with us is to help us evolve and grow on all levels as we look to our feelings for our truth we are to live as we express the personalities from our souls on our way through Nabadon and onto Paradise. It all being a perfectly unified and loving experience for us. We being able to see the higher Daughter and Son as in the Daligastias and the Material Pair, Eve and Adam, who would be for us the perfect humans that we could strive to be like. So we would want to be perfect in our humanness like Eve and Adam, and perfect in our spiritualness like the Daligastias. With both pairs showing us that we can be both perfect on the material and physical level, as we can be on the spiritual level. Which is completely the opposite of how we've been made to live, because all of that perfection has been denied us, with our being so screwed up about how we are to live both materially – physically and spiritually – we having no idea about either, and with them working fully in opposition to each other. And with our longing for and wanting the Truth, the truth of how we're to live physically and spiritually, all of which is to come (and ONLY come) through each of us individually and as a consequence of properly attending to and expressing ALL we feel.

OUR GUIDANCE to PARADISE, the home of our HEAVENLY PARENTS:

There are three distinct phases of our progression to the home of our Heavenly Parents which is Paradise that is within the circle of seven Super Universes, each containing many Local Universes.

Once we progress beyond our Local Universe of Nebadon, then we are assisted and guided by our Heavenly Parents, our true Mother and Father all the way home to Paradise.

Before then, once we have completed our soul healing, we are guided through the Celestial Heaven worlds which are those that interact with humanity on Earth, then further on into and then out through Nebadon, our Local Universe. The regents of Nebadon are Mary and Jesus.

However, before then, we are to embrace our healing. That is, we are to realise who we truly are. We are not the personalities that our parents imposed upon us. We are to put aside our childhood suppression and repression and free our true personality that our Heavenly Parents gave us, and to do this we are now able to embrace the guidance of the Avonal Pair who will lead us through our healing here on Earth and through the Spirit Mansion Worlds to be able to enter the Celestial Heavens.

**The New Way, Feelings First Spirituality
Unlock your Truth through your Feelings**

The New Way: Learning how to live true to ourselves by living true to our feelings.

Long for the Truth from God, the Truth your Heavenly Mother and Father will show you. This does come through to you via the Spirits of Truth of the Avonal Pair in relation to one's Feeling Healing and in relation to Divine Love from the Creator Pair, all from the Eternal Son and in league with the Infinite Daughter and the Divine Minister.

Crossover

This time, in the history of humanity, is the most exciting time ever experienced.

the Handover

This is the time that man is now able to evolve in its spiritual development. Man has endured 200,000 years of Rebellion and compounded this with the Default of some 38,000 years, now it has been provided with the guidance to put aside the negativities of the Rebellion and Default.

With the guidance that was provided through James Padgett (1914 through to 1923), man became again aware of the availability of Divine Love from our Heavenly Parents. This also heralded the handover. That is, the commencement of the end times of the involvement by Mary and Jesus in the spiritual affairs of humanity on Earth.

Soul groups that have been in place during Mary and Jesus' 2,000 year involvement with Earth have progressively handed over to soul groups that have been forming since 100 years ago. The older soul groups have mostly progressed on further towards Paradise.

The second revelation, that followed from the availability of Divine Love, is the processes of Feeling Healing and Soul Healing. The understanding of the Feeling Healing process is the most important of the revelations and should have been the first to be revealed. Feeling Healing and Soul Healing are being revealed through and by Marion and James Moncrief.

The soulmate pair, that are the first to complete their Soul Healing, and upon their deaths, they will release their Spirits of Truth which will unify with the Spirits of Truths of Mary and Jesus so that humanity, in whole, will have access to these knowings and guidance for the next 1,000 years.

Mary and Jesus, being responsible for the spiritual wellbeing and upliftment of the whole of Nebadon, are to withdraw from their direct involvement with Earth and hand over the responsibilities to an Avonal Pair who take individual responsibility for the spiritual wellbeing and upliftment of individual planets and their associated Mansion Worlds, in this case, Earth exclusively.

COUNCIL *of* ELDERS

For the next 1,000 years, via the Avonal Pair and the newly forming Soul Groups, Earth will be able to evolve through embracing Feeling Healing, and with Divine Love, one's Soul Healing. These newly formed Soul Groups are effectively 'Council of Elders' to assist humans living in the physical on Earth to enable all to be aware of the way to evolve.

With the absolute end of the Rebellion, this is the first time in 200,000 years that mankind, humanity, can take control of his and her destiny and evolve in love and truth for all eternity!

Throughout this coming era, our spiritual leaders will be an Avonal Pair, yet to be identified.

This is the GREATEST EVENT in the HISTORY of HUMANITY!

Following 2,000 years of preparation, the Great U-Turn is now being implemented.

In the year 2018, the spiritual management of Earth's humanity has been formally passed to our Celestial Spirits, those within the three Celestial Heavens.

They will be joined by the Avonal Pair who are presently on Earth leading the way taking on all our wrongness and healing themselves of these injuries. The Avonal Pair will join with the Celestial Spirits in the administration of Earth's humanity for the next 1,000 years.

Mary and Jesus have stepped back from any direct involvement with Earth's humanity so that they can focus upon their regency of the whole of Nebadon. Now it is the Celestial Spirits supported by the Avonal Pair that humanity will remove the influences of the Rebellion and Default.

We now know the way, as we have now been shown by those with spiritual authority!!!!

This time, in the history of humanity, is the most exciting time ever experienced.

I'D TURN BACK IF I WERE YOU!

The Natural love spirit Mansion Worlds as to how they have been for all these hundreds of thousands of years and as they are set up currently, are to help spirits advance to the fullest of their self-denial that they can. That is, so as to become as evil as they can. And all under the guise of being 'loving'.

It's why they are called the mind worlds, namely Mansion World / spheres 1, 2, 4 and 6. That is because the spirits are using their minds to complete their rebellion – denial of self and feelings, and rejection of our Heavenly Parents as well their Creator Son and Daughter. So yes, the top of Mansion World sphere 6, spirits are the most evil, the most in rebellion, the most in default, the most wrong and unloving and untrue, even though, they appear, because they've trained their mind to do so, to be the most loving, but it's all false and contrived – such as the Eastern gurus. Total mind over feelings, blocking all the bad ones and using your mind to only make you feel good.

Typical of those on their way up in the mind worlds are not open to anything, they do not want to know about feeling bad and going with their bad feelings looking for their truth, because that scares them, that's not nice, that doesn't make one feel good, it threatens their control, they reject that preferring to stay in their nice safe space. Which is how it is for these Natural love mind spirits using their minds to control their feelings.

We've all got to take responsibility for our evilness even though we were made to be that way and rebel by default, but there is no getting away from it, and it has to be compensated right to the last farthing, which is what being in the hell planes is all about, and which keeps being applied right the way through the Mansion Worlds. **In the mind worlds you can continue to use that inner pressure requiring compensation for your bad deeds, to further contrive love and pretend you are all holy and loving and not hurting anyone anymore, which on the surface of it you are not, but underneath still are, all the way up through to the sixth world; or, you can allow it to keep working on you right the way up through the Divine Love Mansion Worlds doing your Healing.**

And apparently what's going to happen is the Natural love mind Mansion Worlds are going to be divided, so within them, there will be spirits doing their Feeling Healing – without the Divine Love, and still limited to the sixth Mansion World, but looking to be true and end their rebellion. And then there will be those still carrying on denying themselves as they have always done. So you will have spirits in the Feeling Healing Natural love sectors that will truly perfect their Natural love; and those spirits still in the mind sectors perfecting their wrongness. The opposites or extremes living side by side. And then you'll still have the Divine Love Healing Mansion Worlds, being spheres 3, 5, and 7, doing their Soul Healing.

And as for a summation: "Divine Love Mansion World / sphere 3 is the waking up to the truth that one is not loving, also their being a lot of assistance. Sphere 5 is then about going right into the depths of feeling how unloved you feel and seeing how unloving you are and how that makes you feel, also this is a time when one can then progress and manage their own progress through their Feeling Healing. Sphere 7 is then about still working with the deepest and residual bad feelings, whilst looking to sort out how you wrongly relate to yourself and others, nature and God because of being unloving, this is a time of great realisation and comprehension with much of the prior experiences starting to be drawn together.

Mansion World 3: is for waking up to the truth that you're not loving and starting to get in touch with your pain, starting to accept your bad feelings, starting to work with them instead of rejecting them.

Mansion World 5: is then about going right into the depths of them, feeling how unloved you feel and seeing how unloving you are and how that makes you feel, bringing out the majority of your pain, your misery, fear, anger, guilt, hatred, boredom, terror, rejection, nothingness, feeling powerless, alone and abandoned, and so on.

Mansion World 7: is then about still working with the deepest and residual bad feelings, whilst looking to sort out how you wrongly relate to yourself and others, nature and God because of being unloving, understanding how your relationships are unloving, how you don't connect properly, how unloving you really are and why and fully accepting the truth of it, coming completely to grips with your parents not loving you as you needed to be loved – sorting it all out, including your self and feeling expression difficulties.

It is agreed that the lower worlds are about waking up to what's involved, however from then on it depends on how it's all structured for the individual in their negative state as to how much ongoing assistance they might need. Some need help all the way along, whereas others have been able to work with their feelings, themselves, right from the beginning.

And yes, each of the Divine Love healing Mansion Worlds, 3, 5 and 7, are equally painful to work through, just focusing on different aspects of yourself and your Feeling Healing with Divine Love. And then in the higher planes of the 7th world comes the transition, where one's pain starts to end, and you start feeling so much better about yourself, you are fully accepting of your negative unloving state, you are fully unloving although even starting to become more loving – truly loving, of yourself, God, and then other people.

Then onto the Celestial Heavens by progressing into Sphere 8 and then onwards further, all the way home to Paradise.

Maybe something like 6 billion people have recognised that our Mother and Father's Divine Love, together with embracing one's Feeling Healing, that with these two aspects, have progressed through the Mansion Worlds to the Celestial Heavens and onwards.

More than 200 billion personalities have embraced their mind and self reliance through the misguidance of 'New Age' styled ideologies and the many thousands of different religious platforms, all of which take the person further and further away from our Heavenly Parents.

The 1st and 2nd Spirit Mind Mansion Worlds / spheres are jammed to the rafters.

For a million years, humanity has gone in the wrong direction with its self-denial of self and feeling!

The New Way: Learning how to live true to ourselves by living true to our feelings.

WOMEN are OUR SPIRITUAL LEADERS!

To PARADISE, the HOME of OUR HEAVENLY PARENTS

The Way Home

We men generally CAN'T do our Healing by ourselves, we need the help of a woman and / or women.

Women ARE the true spiritual leaders, they ARE able to live true to their feelings, and need to be recognised as such, appreciated for being so amazing in that capacity, and so supported and put first, something the man finds hard to do because of all his rebellious programming about being the superior dominant one.

If we men want to ever Heal ourselves of our wrongness, well we are going to have to fully honour women, we are going to have to ASK THEM FOR HELP. Women innately know the Way of their Feelings, whereas we men don't. Men spirits in the Divine Love Healing mansion worlds (3, 5, 7), all do receive help from fellow Healing women spirits or from higher Celestials (Sphere of Love 1, 2, 3). They all do, all of them. Not one man has done his Healing as Marion or Samantha are doing theirs. James Moncrief 20 Aug 17

The religions of today were created as a means of stopping Jesus' truth about longing for the Divine Love and what that does to the soul, and then any truth Mary Magdalene might have said about looking to our feelings for their truth, so as to keep the Rebellion in place. The religions pre-Jesus were designed by the Higher Evil Spirits who were controlling humanity to keep that control, focusing everything on the mind being in control rather than feelings, and then post-Jesus, they added more of the same yet with the added emphasis of using all he said, so taking it, corrupting it, and adapting it to their cause.

And then throw in their contrived Islam, and you have more male domination and the subjugation of feelings – of the woman.

Celestial Heavens are the Spheres of Love. One has to be a fully integrated personality, as in expressing all the aspects of one's self equally and lovingly, before one can leave the 3rd Celestial sphere – Sphere of Love, after having embraced the Way of Feelings.

When in the Celestial Heavens we work on bringing to light all the attributes of one's personality. We are to be a fully integrated personality, as in expressing all the aspects of ourself equally and lovingly, before you can leave the third Celestial sphere.

While we progress through the Divine Love Crying Worlds, we are to live true to our untruth, by living the truth of it. We only need to be true and perfect to our untrue state, and when we've done that, we're Healed. Even though we're still imperfect so far as fully expressing our personality, all of which we then perfect at the Celestial level. So really to qualify for the Celestials, that is about one living completely true to one's wrongness, and partaking of the Divine Love to a certain level, and then once that's done and being a Celestial, one can carry on bringing to light all those parts that one was denied the expression of whilst living untruth to oneself.

We are to uncover the truth of our untruth through the Healing mansion crying worlds levels (and their equivalent on Earth); and then once that's done, and with the appropriate amount of Divine Love in our soul warranting fusion with our Indwelling Spirit, we can move into the Celestial spheres of love (or their equivalent on earth).

Earth has been subjected to the Rebellion and Default until now! As a soulmate pair progress with their Feeling Healing, the Rebellion and Default conditions are being cancelled.

We all arrive into the 1st Mind Natural Love Mansion world. Most continue their way of living without any awareness of the Feeling Healing process and the availability of Divine Love.

The 1st and 2nd Mind Mansion natural love Worlds are jammed to the rafters with spirit personalities. Those who progress to the 4th and 6th Mind Mansion Worlds are progressing further away from God, continuing with the Way of the Mind!

Thursday, 16 November 2017:

Jesus: Hello James, it's been quite a while since we last spoke with each other. And as you can feel within yourself, you are very different to when we last spoke, which Mary and I are very pleased about. Things are progressing well with you and Marion, we couldn't be happier, even though things are very difficult for you both. However that's to be expected because how can it be any other way!

I will answer your questions James, there's no need for you to ask them, I know what you want to understand.

Your latest feelings concerning the soul are correct. **The soul, your soul, my soul, all souls, souls in general, being created by Divine Parents are themselves divine, it can't be any other way. And souls being 'resident' in existentialism, are in the divine side of existence, that being what exists 'before' Creation.**

However having said our souls are divine, when they are prepared for incarnation, which means, for their two soul personalities to begin expression in Creation, they are prepared in such a way so as to mirror being of Natural love if they are to be incarnated as Natural love, so their personality expression is expressed into the Natural love of Creation. So from this level or point of view it's quite correct to say the souls are of, and even created in and of, Natural love, and with the potential of becoming divine upon partaking of the Divine Love. The Divine Love needing to be made available by a Divine Pair, at some point in a humanity's evolution, that which Mary and I did, and that which Avonal pairs have done, are doing and will do, for the rest of the physical planets of Nebadon. So pre-incarnation of such a bestowal pair (the pair in effect bestowing the Divine Love, which is making it readily available to be longed for, whilst at the same time bestowing themselves fully into flesh), everyone is only of Natural love, perfect and varying levels of perfection if there is no Rebellion to contend with, imperfect and varying levels of imperfection if there is, so the soul reflects those Natural love levels.

So the Divine and Natural love soul expresses its two personalities in Natural love Creation. And will perfect such personality expression as the people or spirits grow in truth, and when the Divine Love is available, will change the personality expression and it being of Natural love into being divine. So the increasing divinity is really bringing

the 'Natural love' soul back into the level with its original divinity, that of the Celestial level, and at the same time is then increasingly expressing the

personality that is partaking of the Divine Love, more ‘divinely’, with its personality becoming completely divine once the person or spirit has finished it’s Healing, in the case of you on or from Earth.

And I know it’s a little confusing, however you might like to look at it like this. The Heart of the soul remains intrinsically divine. However it manifests itself as Natural love whilst needing to express its two personalities in Natural love and without any Divine Love being available for it to receive. And once it does start partaking of the Divine Love, then those relevant Natural love personality circuits and their corresponding levels within the soul, become increasingly divine, until the whole soul is back to being as it was originally created, which is when both soul ‘halves’, both its two personalities, have attained the Celestial level of truth, having fused with their Indwelling Spirits and are fully united together as a soulmate / soul partner pair.

The fusion of the Indwelling Spirit being, as you rightly saw yesterday, that which actually confers Immortality upon the soul, which really means, immortality of its personalities upon their fusion with their Indwelling Spirits. So as you said, then the divine soul connects perfectly with its divine personalities, they being fused with and so enabling the soul to keep expressing its personalities for eternity in Creation as a bona fide spirit entity.

Pre-adjuster fusion means that potentially the personalities, or one of them, might cease to exist, with the soul then losing all chance of ever expressing that personality or both in Creation. And should that ever happen, then the soul will be ‘ensouled’ or ‘absorbed’ back into the Mother and Father’s Soul, thereby being – as if it were not, with the **gap in Creation** where its two personalities were existing, being compensated for through experience by other personalities.

And so yes, for the soul to cease to be, both the personalities would reject fusion, the Divine Love and immortality, for that to happen. And I don’t think it’s possible that only one personality, one half of the soulpair, would reject it and the other half carry on, it’s never happened in Nebadon or anywhere else to my knowledge, only both rejecting survival.

And as to why rejection might occur, is for that soul specifically to experience, it’s something you can investigate when you come over should you wish, but is outside the scope of your work and for what is needed on Earth, because **all souls from Earth will survive, everyone will one day finish their Healing, embrace the Divine Love, become fully united with their Indwelling Spirit, and join up with their soulmate / soul partner living a Celestial level of truth.**

So no one on or from Earth has anything to worry about along those lines. Many people might worry that their extinction is something of a possible reality, you can kill yourself in the physical, so why not kill your soul too, but it can’t happen, that is only the pain and suffering of a rebellious soul talking; and as the Rebellion and Default were imposed on you, you didn’t choose them, so you will not be punished by soul extinction should you feel so bad, rejecting everyone, yourself and God, that would be too cruel, too unjust and too unloving.

I will leave you now as Marion is getting ready for bed. Speak to you soon – Love Jesus.

DIMENSIONS of ONE’S EXISTENCE:

Our SOUL IS NOT ENSOULD IN OUR SPIRIT BODY. Our soul exists existentially in a whole different level or plane or place or dimension of being – ‘soul land’. It doesn’t exist in Creation, it’s not experiential like Creation is. The soul, all souls, help create their part of Creation by expressing their personalities into Creation, and then by having their personalities do things (further create) in Creation.

SOUL exists existentially

Our Physical Body and our Spirit Body are of Creation, being linked together by cords of light as are the two spirit bodies, male and female, to the one Soul.

One’s unique personality is soul based. Our unique soul expresses its unique personality through the two spirit bodies and physical bodies expressing both the male and female aspects.

P E R S O N A L I T Y

Our soul is the centre of our personality. We are children of our Heavenly Parents. Our soul manifests a male and female personality - it is a duplex!

Friday, 17 November 2017:

Mary Magdalene continues: And following our discussion in your mind after Jesus had written with you, I want to add that our souls are divine, as Jesus was saying having been created by our Divine Parents, however they are able to have, you could possibly even say, 'have a facility within them', that makes them 'attune' themselves to the level of Natural love or Divine Love required, as they express their personalities in Creation.

So how this works is for example, were humanity only of Natural love, so pre Jesus and my coming, then the divine soul will incarnate its two personalities into complete Natural love, thereby itself being, so it would seem, of only Natural love, even though still its origin and real state is divine.

Then say the souls two personalities start to partake of the Divine Love, it having been made readily available, and are advancing in their Healing, which could be now on Earth or in the Divine Love Mansion Worlds, then that soul is part Natural love, part Divine Love, with the Divine Love element increasing as the soul 'divines' its personalities and personality expression, expressing the increasing truth it is liberating for its personalities to express and so live in Creation.

And there when the person or Mansion World spirit completely finishes their Healing, becoming wholly divine and of a Celestial level of truth, then the soul is divine, so back to being as it was originally created, as it also divinely expresses its two divine personalities in Creation. And as it expresses its divinity, so too is it still expressing Natural love, only it is 'embued' so you might say, with the Divine Love. But it has to keep expressing its Natural love too, so as to enable its two divine personalities to keep functioning and expressing themselves in a Natural love Creation, and all the way to Paradise.

What you, James, and Samantha are feeling, and **that which many feel, is actually the Divine Love within your soul reflecting your increasing divinity, which then helps you perceive deeper your soul's divine heritage, which is of course really, your Mother and Father's Divine Soul.**

James: Mary, is it that on a soul level we're all actually of the Mother and Father's Soul, and that it's our personalities that make us feel we're children of God; or are our souls really separate to Theirs?

Mary M: Our souls really are all separate to Their Soul, however there are soul-cords if you like, that connect all our souls with Their Soul, thereby giving you that feeling of being at-one with the Mother and Father's Soul, like you are almost or in some way part of Their Soul.

And these soul-cords are nothing like what Barbara Brennan sees, which are relationship cords in Creation. These soul-cords are something which I don't fully understand how they function, as I can't see or perceive them yet, however we are told by the Mother and Father of their existence on the Soul level. And as to how much 'connecting' goes on between our souls and Theirs, that too I don't know, we're not evolved enough yet to understand such things on that deeper soul level. There are lots of higher spirits and angels that speculate about such things, however that is still mostly on a mind level, and is yet to be confirmed by the truth of experience. Creation is too young so as to allow us to know such things about the deeper levels of soul-existentialism.

Anyway, coming back to the soul being of divine creation or Natural love origin, I understand that it's a bit confusing, however it is both divine and of Natural love when engaged in expressing its two personalities in Creation, with it increasing in divinity the more Divine Love it receives.

James: So the fact that it can receive Divine Love from within Creation, and not from Soul to soul existentially, is quite amazing, when Creation is a Natural love creation?

Mary: Yes, however you remember that Creation is a Natural love creation although one that is being Created by Divine Souls. The Deities, even Jesus and my soul, as well as the other Paradise pairs, are divine, as is the Divine Minister from whence the Divine Love comes into your soul whilst you're in Nebadon. So there is a facility for the Divine to utilise Natural in this way, which is what is the Holy Spirit circuit.

So our divine souls can express their Natural love personalities in Natural love Creation, and through the longing from the heart of such Natural love personalities, with the longing really coming from the divine soul – a deep longing for the soul to divine its personalities bringing them into full alignment with itself, the Holy Spirit will convey the Divine Love made available by the Local Universal Mother, the Divine Minister, as She lovingly responds to your sincere longing for the Love from God. So from within Creation can come the Divine Love, if your soul is longing for. That then completes the feedback loop if I can call it that: divine soul expresses two Natural love personalities in Natural love Creation, thereby being as it were, a Natural love soul; and then the personalities long for the Divine Love, which comes into the 'Natural love soul' thereby making it increasingly divine, while at the same time 'divining' its personality expression. Personality expression of itself is neither divine or Natural love, but it's the truth and how it's expressed by the personality that matters. So as your soul becomes increasingly divine, so you express a higher Divine Truth, that being of the Celestial level and above, to Paradise, having the effect that the personality is divine, which really it is, because it's being expressed from the now divine soul.

James: So through our Healing we're expressing Natural love truth, that equivalent of or expressions of the Mansion Worlds, then Divine Love Truth, once we're Healed?

Mary: Yes. However as you are also more than likely partaking of the Divine Love right the way through your Healing, so as you grow in Natural love truth up through the Mansion Worlds, you are also growing or adding Divine Love truths to your personality expression, this being reflected in your deepening and your more personally relating to your Mother and Father. And even once you are divine, as in of the Celestial level of truth, still all the way to Paradise you're also be growing in Natural love understanding and self-expression. We naturally (Natural love) express our divinity (Divine Love within our soul), which makes it appear that our personality expression is also divine. And because of it all being too confusing, we just say we're divine once we're Celestial, and be done with it. Just as our soul is Natural Love until it becomes divine through partaking of the Divine Love, which Jesus wanted to convey to you through Mr. James Padgett. Stay with that James, as it's true; and then for and with yourself and those people who want to go deeper, you can bring it back to the original divine soul that is manifesting its Natural love state because it has to be so as to comply with the current mandates that govern personality expression on Earth.

James: Yeah, okay Mary, my mind is spinning a bit. I think I kept up with you. I'll read through it later and get back to you if I don't understand anything or if anymore occurs to me. Thank you Mary, and great to speak to you again.

Mary: I'll be back – speak to you soon, Mary M. And it's been a pleasure speaking with you again James, feeling how you're going rather than just our tuning in on you.

Grand Ascension Scheme:

Friday, 10 March 2017: Zarange:

(Zarange is a Melchizedek)

Currently the whole of Creation exists for the ascension of mortal souls from their earth planets to Paradise. It's all one vast Grand Ascension Scheme. With all the higher and lower spiritual Daughters and Sons, together with all the many different angels and other universal spirit personalities, and even including nature and our very own pets, assisting women and men with their Ascension Journey. It being: an Ascension of Truth. Everything we do is done to help us grow in truth. (Only everything we do in our negative state is to deny ourselves our truth from our feelings, which is why we have to do our Healing.) All women and men are ascending (or growing) in truth through their experiences. And as we grow in truth by looking to our feelings to show us that truth, so we're ascending, moving inwards and upwards through all the worlds and spheres of the Grand Universe to one day arrive on Paradise and meet our Heavenly Parents. God is providing us, Their children, with this spiritual journey called our Ascension of Truth. And by living true to our feelings, so we are progressing on our true Spiritual Path – our Ascension Path.

5 April 2017: James speaks with Helen:

(Helen is from the 3rd Celestial Heaven)

James M: I now understand that of course just because you're Celestials you can 'switch back into' being your pre-Celestial self, even your old Earth self.

Helen: Exactly James, and good for you, that's what I wanted you to see this evening on a personal level. **We NEVER lose our personality, it is ours, and it's our precious gift from our Mother and Father. We are always who They have made us be. Personality is sacrosanct. It's the most valuable thing in Creation, it is what all Creation rides on, it's what all Creation exists for: the expression of personality.**

So I will always be Helen, even though that's my old Earth name and no longer the name I am known by in my Celestial life, now having been given my soulname by my attending angels; yet as you said, the 'old Helen' will always remain, and at times we have fun moving back into how we were on Earth and in the Mansion Worlds, sort of like acting being our old selves.

James M: So from what you're saying Helen, **all our Healing does is liberate our true personality, so it doesn't actually change us, and make us be a different person, it just liberates all the parts of us that were stopped from freely expressing themselves.**

Helen: **Exactly, so all that is wrong or bad or imperfect within you, will turn into being perfect, right and good. You get rid of all the bad stuff by liberating all the hidden good, and as that comes to light, so the bad fades and then leaves altogether because you no longer need to be that false untrue you, the one your parents have made you be. But YOU, the basic intrinsic you, never changes, and all you don't love about yourself will go as you gradually love yourself more, all as you keep bringing out your repressed feelings.**

25 April 2017: James responded with answers to questions I sent to him:

John: Creation. How would one describe what is within Creation and what is not?

James: What is within Creation is all that is Personality. Creation is made up of the expression of Personality – nothing else. Personality is expressed and so Creation comes into being.

So starting with God, from the biggest light, star, angel, all the way down to the tiniest microbe and element, atom, quark, spark, whatever – the smallest speck of light, it's all part of someone's personality expression.

So everything in Creation has been created. And created by personalities, which are in turn, the expression of souls.

So all that's not in Creation is all that Soul is. I don't know what it is, but it's where all souls have their being. Soul-land as I call it. And it's outside of Creation – or, perhaps Creation is inside Soul??? So the Soul of God is expressing the Mother's and Father's Personality in Creation, as is our soul expressing us and our soulmate / soul partner in Creation, we being the personalities of our soul.

Does that make any sense? James.

Tuesday, 2 May 2017: Hello Nanna Beth?

James: Beth, John was wanting to know where you are in the Celestials exactly and how do they relate to our solar system?

Nanna Beth: As I said, I'm in the third Celestial sphere. Each Celestial sphere is a world or sphere of its own, however although we're all separated, there's such good communication between them all, so it's as if we're just one big sphere. So we can easily speak with those in the second and first or above us in the fourth and so on, as if we're all in the same building on different floors, and with vast screens connecting us. Your Internet and how it's evolving is only a mild outworking of how it is for us, it's crudely based on how we work together between and within spheres, but will make such things more readily acceptable to you when you come over.

As far as where we relate to in the solar system, it's not like that, because the solar system is merely physical, whereas we're on inner realms. If you take all that you know of physical space with all its countless stars, and point that inwards, into deeper dimensions, then Paradise would be at the middle of Creation. Creation comes out from Paradise on many different levels or dimensions, with the physical universes only being one such level or plane of reality. So our level or plane of reality stretches inwards ever deeper and higher in vibration of light toward Salvington (headquarters of Nebadon), and then on deeper and higher and inner still, toward Paradise.

If you like John, imagine that the physical universe is set out for all the earths to exist in. Then each of these earths has associated with it, Mansion Worlds, unseen about them, and then they all feed or lead into the higher inner Celestials spheres and so on. So for us, we've got 1,000 earths feeding into our Celestial spheres, however not all the earths are up and running with mortal life yet, and some are very much advanced so as with relatively few mortal spirits coming from them. (Satania System has 1,000 inhabitable planets of which 619 presently are inhabited.) And all those mortal spirits pour into our first Celestial sphere which is then divided into masses of different sectors, all designed to cope with the inflow, as we're all coming from very different planets. And slowly our integration begins as we start to have more to do with each other, but really it's not until we've gone on through Nebadon, so I understand, that full intermingling starts to occur. So one's soulgroup will possibly end up working with other soulgroups originating from other physical worlds, with there being groups of soulgroups, the further we head toward Paradise. Because the closer to Paradise then the less we need to be from

Urantia (Earth) or wherever it was we came from, as the more we're becoming citizens of Orvonton or Havona and eventually, Paradise.

But for now, we're still highly focused on Earth, because we need to help what's unfolding there concerning the end of the Rebellion and Default, and that's all that matters now; and as to the Rebellion and Default continuing on their merry way, that is all a done deal you might say, we know what will happen, we can extrapolate that easily enough, so all we're focused on is the New Way, that of introducing the Healing and then working with those people involved in that or who are doing it, that being what none of us know much about, as to how it will go, as it is all NEW. We only have our own healing to go on, which isn't that much, as we did it in spirit, so we're all learning as much as you are, and having to work within our limited knowledge. So we're pioneers of the highest degree. You can only do so much preparation. There were a handful of years prior notice to the arrival of you (James) and Marion, but that was mostly for the old guard, those who've been overseeing things throughout Mary's and Jesus' age, and all so they'd know that their time was coming to an end, rather than, now you have to start preparing for a whole massive change. And so the preparing and carrying out that change, has been left up to the likes of myself and Helen and everyone who's involved.

The Soul, God, being the soulmate personalities of our Heavenly Parents, reside on the Isle of Paradise that is stationary within the centre of the seven superuniverses. Our Spiritual Parents and our source of Truth are Mary and Jesus, the regents of the region known as Nebadon which hosts some 3,84,101 inhabited planets of which Earth (Urantia) is one of the 37 rebellious inhabited planets. Our Adamic pair defaulted and then we crucified Jesus on a cross!

There are 100,000 MICHAEL soulmate pairs as REGENTS throughout our SUPER-UNIVERSE:

One of these 100,000 dots represents Nebadon, our local universe, consisting of 100 constellations with each constellation containing 100 systems which in turn have 1,000 worlds. The system in which Earth is within is called Satania.

Nebadon has some 10,000,000 physical planets, of which 3,840,101 are inhabited. The regents of Nebadon are the soulmate pair being the Paradise Creator pair, Mary and Jesus.

This structure is repeated throughout our super-universe, called Orvoton, 100,000 times. There are some 100,000 Regent pairs, equivalent to Mary and Jesus, throughout our super-universe.

There are 7 super-universes that rotate around the Isle of Paradise which is the home of our Heavenly Parents, our Mother and Father. Thus, there are some 700,000 Regent pairs equivalent to Mary and Jesus.

When we progress beyond the spirit Mansion Worlds, we enter the first of the three Celestial spheres, the home city being Jerusem, this is also the home city for all 1,000 physical worlds in Satania. From there we will progress to Salvington being the head quarters for Nebadon and the home of Mary and Jesus. Then we progress to Paradise.

Earth

NEBADON, our LOCAL UNIVERSE:

A Local Universe – Nebadon. One hundred constellations (about 10,000,000 inhabitable planets) constitute a local universe. Nebadon contains 3,840,101 inhabited planets.

A Constellation. One hundred systems (about 100,000 inhabitable planets) make up a constellation.

A System. The basic unit of the super-government consists of about one thousand inhabited or inhabitable worlds.

Earth is #606 in the system of Satania and is the latest to have human life. *Jerusem* is the headquarters of our local system of Satania. Thus *Jerusem* is the city to which we arrive when we fuse with our indwelling spirit having sufficient Divine Love following our Healing and enter the first of three Celestial Heavens, all being for the 1,000 physical worlds within Satania.

Salvington, in the centre of Nebadon, is the headquarters and home of our Creator Daughter and Son, the Michaels, namely Mary Magdalene and Jesus.

All descending Daughters and Sons of God have high and divine origins. They are dedicated to the descending ministry of service on the worlds and systems of time and space, there to facilitate the progress in the Paradise climb of the lowly creatures of evolutionary origin — the ascending daughters and sons of God (humanity – us). Those Daughters and Sons who come forth from the Deities on the central Isle of Light and Life are called the *Paradise Daughters and Sons of God* and embrace the following three orders: Creator Daughters and Sons – the Michaels, Magisterial Daughters and Sons – the Avonals, the Trinity Teacher Daughters and Sons – the Daynals. All three groups have Spirits of Truth, no others do.

The remaining four orders of descending daughter and sonship are known as the *Local Universe Daughters and Sons of God*: Melchizedek Daughters and Sons, Vorondadek Daughters and Sons, Lanonandek Daughters and Sons, and Life Carriers.

The chief executive of a local system (such as Satania which includes Earth) of inhabited worlds is a primary Lanonandek Daughter and Son (was the Lucifers), the System Sovereign. The Lucifer Rebellion in the system of Satania was the last and the most widespread of all. Thirty seven (37) inhabited worlds were seduced into rebelling, by following the Lucifers and their deputies, the Satans. Earth then went on to Default at the time of Eve and Adam. Later on we crucified the Creator Son, Jesus, and ignored Mary. So now we have the physical presence of an Avonal Pair. Only the Avonal Pair can take on all of our wrongness and heal themselves. It is their Spirits of Truth that we are to long to so that we, humanity – all of us – can then heal the Rebellion and Default that we have all embraced.

PARADISE TRINITY:

1. **Our MOTHER and FATHER (God) (MF) – Divine Love**
SOUL (God) – One SOUL that is expressing its two PERSONALITIES, our Heavenly Mother and Heavenly Father (Soulmates / Soul Partners)
 2. **ETERNAL SON (ES) – Divine Truth**
 3. **INFINITE DAUGHTER (ID) – Divine Mind**
- Then: The Second and Third Persons of the Paradise Trinity (ES and ID) are stepped down to the local universe trinity (Mary and Jesus, Divine Minister (DM), and her Holy Spirit.

The LOCAL UNIVERSE TRINITY:

1. **MARY M and JESUS** – Our MOTHER and FATHER – Love – the Living Truth
2. **DIVINE MINISTER** – Mind (and her Holy Spirit)
3. **HUMANITY – Natural love, sons and Daughters – Truth, and our Angels – Mind**

PLANETS that engage in REBELLION:

1. **AVONAL SOULMATE PAIR** – the Feeling Healing process – incarnate
2. **DAYNAL – TEACHER PAIRS** – they do not incarnate

So in summary:

Mother and Father Heavenly Parents

Creator Son & Daughter
Jesus and Mary

Avonals
as soulmate pairs

Trinity Teachers
as soulmate pairs

Melchizedeks – who have taken over from the Caligastians and Daligastians being also all as soulmate / soul partner pairs.

Mortal Souls – human beings who individualise on Earth, then progress through the spirit Mansion Worlds, then into the Celestial Heavens, and beyond.

Mortal Souls – also being ascending spirits, upon completing their Soul Healing, join with their soulmate, then join their soul group of 24 mortal spirits, being 12 soul pairs. It is only as a soulgroup that anyone can progress beyond Nebadon.

The Paradise Pairs are all ONLY concerned with the SPIRITUAL wellbeing and upliftment of the planets and local universe. Currently to do with Earth:

Mary and Jesus – spiritual wellbeing and upliftment of the whole of Nebadon region.

Avonal Pair – Daynal pairs (Trinity Teacher Daughters and Sons) – Spiritual wellbeing and upliftment of individual planets and their associated Mansion Worlds.

The Local universal Sons and Daughters are all about the running of the worlds under their jurisdiction, and ensuring the higher spiritual elements can be employed, or sent astray, as in our case through the Rebellion and Default.

Lanonandeks – Melchizedeks (and others, such as Life Carriers and Eve and Adam).

As the Lanonandeks all rebelled – the Lucifers, Satans, Caligastias and Daligastias soulmate / soul partner pairs – so the Melchizedeks have taken over their roles, as well as doing their own.

So the Melchizedeks are the governors, overseers, the administrators and advisors and so on for Earth; they are the ‘controllers’, and they will instigate all that needs to be done to do with the ending of the Rebellion and Default. And they will enlist the willing help of ascending mortal pairs, so the mortal Celestials spirits (soulmates when available, and others waiting to unite with their partner), and at times mortal spirits in the Divine Love Healing Mansion Worlds. And the angels help all of us.

Currently the whole of Creation exists for the ascension of mortal souls from their earth planets to Paradise. It’s all one vast Grand Ascension Scheme. With all the higher and lower spiritual Daughters and Sons, together with all the many different angels and other universal spirit personalities, and even including nature and our very own pets, assisting women and men with their Ascension Journey. It being: and Ascension of Truth. Everything we do is done to help us grow in truth. (Only everything we do in our negative state is to deny ourselves our truth from our feelings, which is why we have to do our Healing.) All women and men are ascending (or growing) in truth through their experiences. And as we grow in truth by looking to our feelings to show us that truth, so we’re ascending, moving inwards and upwards through all the worlds and spheres of the Grand Universe to one day arrive on Paradise and meet our Heavenly Parents. God is providing us, Their children, with this spiritual journey called our Ascension of Truth. And by living true to our feelings, so we are progressing on our true Spiritual Path – our Ascension Path.

Speaking with Mary Magdalene and Jesus – Book 1

26 January 2013

Mary M: All souls are created with the ability to express two personalities in Creation.

James: Is that half each, half of the soul?

Mary: No, it's not like that, they are two full and complete and individual personalities, both of which feel they have a full soul, and even at times early in one's growth of truth, a separate soul; yet as one advances or progresses in one's growth of truth, the same soul. Jesus and I, as well as you James and all people on Earth, have a soul that is capable – if I can put it that way – of growing in truth, or as The Urantia Book (TUB) puts it: evolving in truth. Truth, the growth or 'accumulation' of it, is what 'sustains' our soul, and experience is what 'feeds' it. As we experience, so certain light which you cannot see is liberated on higher levels, some of which goes into our soul. And that experiential or personality-light, then remains within the soul and at the same time triggering more existential soul-light to be expressed, or, to come forth into Creation.

And as your soul-light interacts with Creation – interacting with your will in the universe, so you feel moved or inclined to act according to your feelings, and in doing so have more experiences. And from these new experiences, new light from your personality expression returns to your soul activating yet more soul-light to be liberated from your soul, thereby generating yet more experiences. And part of this process, if your will is intent on growing in truth – if *you* are intent on growing in truth, will be to uncover along the way, all such truth that arises from your experiences, thus enabling you to know what your life is about, what *you* are about, and what your place in Creation is. Your soul is what you really are, it's what in a sense we are evolving or growing into: the ultimate expression of our soul, however that expression is to be expressed through our personalities. So the more we grow in truth, the more we express our personality, and the more our soul evolves in the light and truth of our personality experiences.

James: So Mary, we have a soul and it's always with us?

Mary M: In truth James, as I said, **you are your soul.** So yes, it's always with you – you are it. **It and you, you being one of the personality expressions of it, can never be separated.** And were such a thing to happen, if it were possible, you'd cease to be.

James: Mary, it's often said that when we die our soul goes with us into spirit.

Mary M: I know James, but it's not true. The soul never goes anywhere, it doesn't have to, nor can it. It always remains where it is, in its soul-place or soul-realm – 'soul-land' as you've called it. It's the spirit part of the personality that moves between dimensions, planes, worlds, spheres on Earth and in spirit. As you understand, you are currently a spirit in flesh, your soul is manifesting you, your personality, that being the masculine aspect of your soul, into a spiritual and physical body simultaneously. And when you die, all that happens is you drop the physical part, with your consciousness waking up in your spirit form. And for most people, when you are in your physical bodies you are unaware of also being in your spirit body.

You can't be in a physical body without also being in a spiritual body. The physical doesn't exist by itself in this respect. And your physical body is the physical expression of your personality, as your spiritual body is part of your spiritual expression of your personality. You are a personality in Creation, your personality being more than just whether you're an 'outgoing personality' or a 'happy-go-lucky' personality, or a 'depressed or nervous' personality. Personality, your personality, is all of you that's being expressed in Creation by your soul. So it includes all your physical, emotional, mental, psychic, will and spiritual aspects.

All your consciousness, subconscious, all your thoughts and beliefs, all your feelings and emotions, all the etheric subtle bodies that link your higher and lower aspects of yourself and link your physical and spiritual bodies; they are all parts or attributes of your personality. Of your: soul-personality. Your spiritual body is that which you express your truth through; and whilst currently in your physical body, the physical is simply a vehicle to provide you with experiences on Earth. And when you no longer need such physical experiences, that being determined by your soul, then you die, your 'silver cord' is cut by your attending guardian angel, or 'angel of death', and your consciousness moves to be awakened in your new spirit life in your spirit body. You wake up and carry on living, but in a spirit world or plane, no longer able to physically experience, but able to fully experience in spirit – in the spirit realms. Death is nothing to be feared of itself. It's merely a transition from one level of existence to another.

The Comforter and Holy Spirit.

26 March 2013

James: Jesus, could you please explain about the Comforter and the Holy Spirit, and are they one and the same?

Jesus: They are not the same James, however in each of their ways they give comfort, either directly or indirectly.

The true comforter is the Spirit of Truth (are the Spirits of Truth), because it helps you uncover the truth of yourself and of life through your own endeavours should you seek the truth; meaning, should you seek to live true to yourself.

As The Urantia Book (TUB) points out, when the higher Descending Sons (and Daughters) of which Mary and I are one such pair, come to a world to reveal the truth required by its people, then as a parting gift to that world, and in Mary's and my case, to our whole universe, upon our death and from our soul, is liberated what is known to be the Spirit of Truth, this Spirit of Truth being expressed individually by us.

I liberated my Spirit of Truth upon my death and release from the physical, as did Mary release hers when she died. And together, united as one, they are ever present and always ready to help you should you be intent on uncovering the truth for yourself.

As we've told you, you need to use your feelings and not your mind to show you the way, and were you to look to your feelings, then they would lead you into uncovering the truth; and that being, all the truths you need to know that will enable you to live happy and fulfilled lives. So it's right when it's said – the truth is within you, it is, contained within your soul, only you have to use your feelings to allow it to come up within you so you can express or live it – be it.

James: So yours and Mary's Spirits of Truth overshadow us all the time, is that what you mean by they are always with us? And they help us see the truth, that being, as you and Mary saw it? And it's a partnership between both of you and us, for without your help through your Spirits of Truth, we'd not grow in truth?

Jesus: Yes. You'd not be able to grow in truth beyond the Mansion World level, for our Spirits of Truth have been liberated, covering the Celestial level upwards because we lived on Earth in perfect will and mind states – of a Celestial level of truth.

James: So that's why we need other Spirits of Truth to help us with our healing, those from another bestowal pair who've done their healing?

Jesus: Yes, and it's why people on Earth haven't been able to grow in truth to any degree because of the lack of such a partnership, they having to wait until they've come to spirit where Mary and I could help them. So there's a gap in your being helped by the Spirits of Truth, which the next age is all about rectifying. The gap being filled in now, so people can start to do what Mary and I are saying, which is why we're coming at this time and why we've not come previously.

The Spirits of Truth are the stand in for Mary and I being with you in person and helping you to use your feelings to uncover the truth of yourself, life and God. We being individual finite personalities, just as you are, can't be everywhere at once. So personally – in person – helping every person and spirit in our vast universe should they be seeking and longing for the truth is beyond us. However our Spirits of Truth can, as they being 'our spirits' can help you all at the same time as if we were with you helping you in person. So the 'spirit of us' is literally with you when you long for the truth through your feelings.

James: So it has nothing to do with just believing in you and 'following' you with our minds?

Jesus: That's right, it has all to do with your sincere longing to live true to yourself, then you are longing to be as Mary and I are, perfect and honouring all your feelings and growing in truth from expressing them, just as we do.

James: And the comfort we get from uncovering the truth for ourselves through our feelings, is why they are called the Comforter?

Jesus: Yes. You know now for yourself James, the deep inner growing feeling of comfort you are feeling as you continue to work your way through the healing of your anti-truth state. When you are living evilly, that being by denying your feelings, using your mind to dictate a lot of what you feel and thereby keeping you away from the truth of yourself, you feel bad, you feel uncomfortable, all so you are alerted to the fact – the truth – that something is not right within you. And really you should stop when you feel bad, and use those bad feelings, where you accept and speak about all you feel, to help you go

deeper into yourself to find out the reasons – the truth – of why you’re not feeling good. And were you to do this, then you’d also be calling upon the help of Mary’s and my Spirits of Truth, all of which with their unseen and mostly unfelt assistance, would make you feel better, bringing comfort and peace of mind to you, when the truth has been revealed, when you’ve uncovered it within yourself and seen it for yourself.

James: And does it help if one believes in you and Mary?

Jesus: No, it has nothing to do with belief. It has only to do with intent, your desires and intentions. And if they are true, meaning you sincerely are longing for and wanting to uncover the truth within yourself and ALL THROUGH YOUR FEELINGS, then our Spirits of Truth will be there to readily assist you. And this happens irrespective of what else you might believe, what religion or non religion you are; and so if someone is true in their desire to uncover the truth of themselves using their feelings to guide and lead the way, then you can reveal, and WILL reveal, truth to yourself, and consequently derive a level of comfort from that truth. Truth is the ONLY thing that will make you feel truly happy, safe and secure, and help you to know you are truly loved by the Mother and Father, and that you have all rights in Creation to be as you feel you want to be – that being: living true to your truth.

- We are to live Feelings First.
- We've been made to use our mind to live against many of our feelings.
- Our mind control commences at conception and is developed through our childhood.
- All the bad feelings we didn't express as we were growing up are still repressed inside us.
- And all such hidden, buried and unwanted feelings have to come out.
- And whilst they remain repressed within us, they will continue to make us feel bad and unloved.
- We get sick, depressed, suffer, have bad things happen to us because of our repressed childhood feelings.
- Humanity was brought into this state of living against itself by higher rebellious spirits.
- These Evil Ones caused the Rebellion and Default.
- We are made to rebel by default – as we have no idea we're doing it through our parenting in wrongness.
- We are all parented unlovingly – against ourselves, against our will.
- Some parenting in the wrongness is done with more love, yet it's all still wrong.
- To heal this unloving state within ourselves we have to do our Healing.
- Our Healing is our Feeling-Healing or Soul-Healing with the Divine Love.
- We can long to God for Their Divine Love, and this will help us with our Healing.
- God is our Heavenly Mother and Father, the Feminine Aspects of God having been kept hidden from us by the Evil Spirits.

CREATION being an EXPRESSION OF MIND – Nature Spirit Verna:

I, Verna, am one of the 'Little People of Light' or commonly called a nature spirit. We go by other names: elementals, elves, fairies and the like, but really we're nature spirits. We are only concerned with nature, the nature of Earth – our world. Earth is our world more than it is yours, as you're all passing through, whereas we are permanent residents.

We, nature spirits have an hierarchy, some of us being more evolved than others – older – and we're considered to be a slightly lower creation than that of angels, as it's angels, a certain type, that create us. And when we have served you, humanity, well, we can if we want, move up to becoming an angel, we can evolve into one.

About soul-light coming from the soul interacting with Creation bringing about in Creation what needs to happen is all in accordance with the soul's pattern. As far as nature goes, it is wholly responsive to the needs of humanity, that is really all it exists for, for you.

We know why we act, we just act, we're creations of the Mind, The Third Person of Deity; the Infinite Daughter Spirit looks after us through the Local Universal Mother Spirit, the Divine Minister.

We exist to serve you, those of the truth, as nature does, it also being a creation of the Mind, so we don't have a truth-evolving soul like you do. We do however grow in mind service, we evolve so to speak, but not how you evolve. We evolve by doing actions, by acting in accordance with the instructions and mandates we are given, and when they are fulfilled, or completed, we move onto the next assignment, that is our evolution, so we're able to grow by being given increasing responsibilities, it's the same for us as it is for the angels.

So although we don't have an eternal soul like you, we do feel we have an eternal place in Creation because we are part of it; we've been created, there was and is a purpose to our existence, so there will always be something, the next thing, for us to do. And as we do each assignment we grow, which is really, advance in light. [By the *light* of an angel or nature spirit you can tell where they are in Creation, on what level, on what assignment, on what circuit, where in the Universal Mind they fit and so exist.](#)

Creation is all created by, and so is a manifestation of, the Mind of God, it consists of mind circuits from the lowest to the highest; and so because of that, everything in Creation can help everything else, it all being orchestrated by the intelligence of the Personalities it is derived from. So when your soul requires a certain experience, then all you are, all the environment is, all that leads up to that exact moment from the beginning of Creation, moves to bring about that experience for you. And all we do is go along with it, which is all you are slowly to learn to do. You are not to try and fight it, or interfere with it, you are learning to just accept nature, your own natures, your soul – or truth and mind nature.

As you learn to live as nature does, by being all-accepting, then you can allow your soul to guide you through your feelings and without trying to actively take over using your mind, to just act according to your natural impulses and feelings, all of which will bring about the desired experiences required by your soul resulting in the desired truth you are to see, know, and hence live.

YOU ARE NATURE – so as you understand about plants and animals and all nature is, really you are understanding about **YOURSELF**. And this is very important, to see yourself as separate from nature is not right, and is where you all go wrong – it is evil, because it's dishonouring yourself: your true nature.

What you as a person, **YOU**, are doing to nature is wrong. How you are negatively affecting it, and how that is all because you are doing it all to yourself. **EVERYTHING YOU DO TO ANOTHER**

CREATURE YOU ARE DOING TO YOURSELF – and that's why you're doing it to the other creature, because you're doing it to yourself. How you are in the outer world is exactly how you are in your inner world. Or rather, how you are in your inner world is how you are in the outer one. It's always the inner first. And the inner has been created through your early childhood.

I'm a swirl of light, recognisable by other angels and beings of mind creation, but unrecognisable to you spirits of truth (humanity) who need form other than just light. So all of my kind, and all of my angelic relations, put on forms for you to recognise us by. You don't have any choice in your form, although in spirit you can play around with your looks a little and what you wear, how you present yourself a little to the universe, but mostly you just allow your soul to manifest your spirit form as its currently manifesting your physical form, whereas we angels being all light, have a choice – and lots of it! As I said, our true form is a creation of light, which means a collection or gathering together of many lights, beautiful and artistically designed, wonders to behold, and you will be able to get something of a glimpse and soul perception impression of our natures as you grow in truth, we being something very different to you.

And like you, as in you having a soul-mate, in some ways we nature spirits work in pairs, a positive and negative, but not negative in the bad, more like in the sense of current, in physics, a positive and negative representation of the frequencies of light that we are; but we angels – I'll call myself an angel for the time being, just for the sake of argument – don't have soul-mates like you, that's purely a spirit thing, as we don't have the same type of soul that you do. We don't ever perish, we do move on, in that we ascend the circles of light, which are the relevant circles of mind for our order; but we don't grow in truth like you do. We don't have the same mind set up as you do, we don't have a thinking and feeling mind, we are just mind, and all that is mind.

All things and creatures of Creation have a 'light' to them, which you could call something akin to a spirit. Truly speaking, only spirits of truth, such as what you are, you and humanity and those sorts of spirit beings like Mary and Jesus, the mind and Celestial spirits you speak with, all who have a soul that is truth-evolving, have a spirit; we beings and creations of Mind, have a light. I know it gets rather confusing, and it doesn't matter anyway. So you could say a tree has a light, it being a creation of Mind, that being the mind of the Divine Minister in our universe of Nebadon, and so you could say that light is something akin to the tree's spirit. However were you to talk to the tree's spirit and have it talk back to you, that's then where we come in. You can't actually speak directly to and converse with lower creations like animals and plants, but we can mediate, you can through us.

Mind spirits aren't going to tell you the truth of who they are, as they will be wanting to keep you in your deluded state just to keep the channel open. They don't care how they communicate with people on Earth, that is the lower ones in particular, and the ones who are seeking some power by doing it, so they won't say, oh sorry, I'm a mind spirit, for nature spirits you'll have to change frequencies, they're that channel over there.

Extracts from 'With Verna – a Nature Spirit' by James Moncrief

Our FEELINGS are our SUPREME GUIDES:

Feelings!

Feelings are what guide us through our ascension of truth. So they are really our Supreme Guides. Many people look for a person, spirit, angel, even God, for supreme guidance, however it's all right there already built in – in our feelings. We just have to submit to them, allowing them to take us where they will, expressing all the parts we want to express, letting the emotion drive that expression if it's there to be expressed, or just talking about all we feel and how feeling that feeling is making us feel – or, how we feel about having that feeling, all whilst longing for the truth of our feelings. Longing for the truth of our feelings is really: Longing for the truth of our self, because: we are our feelings. So life stirs up our feelings, we feel being alive; or, being alive means we are feeling, always feeling; and when we work out what and why we are feeling what we are, so then we know the truth of how we are. And over time the truth accumulates, and our mind expands our understanding of ourselves, all being driven from our feelings.

Kevin 26 Sep 2017

Using our feelings to uncover the whole truth of our negative or anti truth and anti love state.

Kevin: So whilst we're of an untrue state, then all we have got to help us understand why we feel bad, why we are wrong, why we are negative and anti love and truth, is our feelings. So if we focus on our bad feelings, they will lead us to the truth of why we're feeling bad. Which will be the truth of what happened to us to make us be this wrong way, and how we took on the wrong way and keep it going making us feel bad.

FEELING HEALING

Note: The vital difference between emotion and feeling is that emotions have their roots in the past, and feelings relate to the present moment. Emotions represent our feelings which were not previously expressed, and these accumulate with time.

Note: Our feelings are soul-based. Our soul is always in truth. It is our soul based feelings, that when allowed to be freely recognised, we will begin to express and be who we are. This takes time and perseverance as we have encrusted our souls with layers upon layers of errors and false beliefs, it is these layers that will confuse the truth that our soul is conveying to us. Only by our progression with our Feeling Healing will our soul's expression of truth become clear and free of all cloudiness and contamination.

“What our soul needs in accordance with our own, individual, **Soul-Light-Plan-Of-Destiny** (your life's true destiny plan), They, being our Mother and Father, will give you as required. The only way we can know truly what we need is to honour and follow our true feelings. They, springing from our soul, literally telling us what we need, and so when we genuinely feel we need something, we apply our will to get it. The hard part is knowing if our feelings are true, and until we have done our whole soul-healing, they won't be clear and totally true.” James – Introduction Course to Divine Love Spirituality

PAUL – CITY of LIGHT:

by James Moncrief

‘So Zeta, where is this world and all the others you speak about?’ Paul asked between mouthfuls.

‘It’s nowhere to be seen in the starry sky you see at night on Earth. It is of a higher vibrational resonance of light and truth. This world and all the others exist at higher frequencies than your material world. Just as you can hear only within a certain frequency range but dogs, for instance, can hear higher frequencies of sound, so does the Earth exist in one ‘zone’ of light and truth and the other spirit worlds in higher zones. **All of the frequency zones are material and spiritual, and it is through these that Creation is structured. Earth is the lowest zone; Paradise the highest.** Each world has a unique frequency or tone of truth by which it lives. Truths are the signposts on the journey upwards in frequency. As you grow in truth you grow in *light frequency* and the higher light frequency the more you can fully express yourself as a loving child of God. Once you have outgrown the truth of this world you will have to move onto the next, in spirit you always move progressively higher, however you can travel back down through all zones or worlds if you need to. And only under special circumstances can you travel to a world higher than your own level of truth before you’ve evolved yourself to its level. When you have lived all the truth on this world you’ll then need to move up to the next to continue having more experiences in that world so as to keep evolving in truth. Truth is what gives our lives meaning and substance. Without it you can feel very lost, purposeless and uninspired by life.

‘That feeling you were trying to reach within yourself on the beach before your accident was a feeling given to you by your soul: a longing by your soul for truth. Your time has arrived in life Paul whereby you can no longer, so far as your soul is concerned, live without knowing more about truth and how to obtain it. You are standing on the edge of a major life decision. To either: acknowledge that inner feeling; to answer the call from your soul for truth, or to deny it. If you deny it you can return to your life and carry on with you in control, running your family’s business, having your holidays and seeing what happens with you and Sasha. If you choose to go for it, want to embrace your soul’s longing for truth then your life will change quite considerably.

‘On Earth, all people are growing in truth, though most are unaware of it and not consciously trying to advance their truth, even trying their hardest to deny themselves of it. **There is truth to be had in each and every experience. When life teaches you something through your own experiences you advance in truth, and this is very different from just learning about things and understanding them with your mind.** So down there on Earth you can actively grow in truth and ascend higher in frequency just as if you were in spirit, whilst living daily life. After you die and come to spirit, you begin life again, in the world of truth equivalent to that which you achieved on Earth.’

‘I see,’ said Paul, struggling to fully understand the picture that was taking shape in his head. **‘So I can grow in truth on Earth and at the same time I am growing through the higher worlds of spirit without being there.’**

‘Exactly.’ Zeta replied, ‘You are actually always a spirit even while as that spirit you are living in your physical Earth body. Some people feel very inspired to push ahead in uncovering life’s truth whilst on Earth, while others don’t make any effort at all, neither whilst on Earth nor when they come to spirit. And others feel no real need other than to slowly progress, then making greater headway after they arrive in spirit. They may of course not be aware of this, but we are. You were like this Paul, happy to cruise along and meet life as it came to you. You thought occasionally about the greater meaning of life and what it was all about, but you soon lost interest in such questioning because the answers all seemed too far off, making it all seem too difficult. Now you’ve been suddenly thrown into living your life from the perspective of furthering your truth and knowledge, and as you will begin to *see*, the answers to these questions may now be available to you and within your grasp and understanding. You are living

an opportunity that few will ever have, to come over here in full consciousness ahead of your physical death-time, and experience life in spirit. You have a unique opportunity to have new experiences; to learn new things and to further your growth and your understanding of truth.’

Zeta continued teaching. ‘As you grow in truth, your spirit body increases in light frequency and as it does so too will your physical body increase in its light vibration. And this is how you evolve, how your soul evolves itself and how it can then express more of itself, you, in Creation. The whole of Creation from Earth upwards and inwards to Paradise is graduated in steps, or circuits, of truth. Your life on Earth begins on the lowest circuits of truth and you ascend to the highest on Paradise. By the time we reach Paradise, so I’m told, our spirit bodies will be of such a truth and of such a light frequency so as to enable us to relate directly and personally to the Father – soul to Soul. In effect by attaining Paradise we are arriving to live on God’s Soul, that being the material aspect of it.

‘As your soul becomes filled with more of the Divine Love, you’ll naturally find Paul that you’ll want to go to Paradise. It’s as though it has a magnetism about it, like it’s somehow or in some way calling you. And it will make you want to grow and advance in truth; it will make you want to first of all acknowledge your ascension and then really live it. Up until now your life on Earth was all but devoid of spiritual content and you had no relationship with God. Paradise was a few weeks off work drinking beer on a tropical island. And once that’s done, once you’d rested, it was back into the grind for another year. But that is not what life’s meant to be about. Life is meant to be about waking up to the understanding that God wants you to journey to Paradise, to live through all of Creation and to experience all its wonder; starting on Earth delighting in all its splendour; ending on Paradise in all its glory, and meeting with – coming home to – your real Parent, the Father who created you.

‘Isn’t there a Mother?’

‘Yes, Paul, there is, Well Done!’ Announced Zeta with much enthusiasm and a big smile, ‘Oh Paul, I’m SO happy, you can’t believe it, you have achieved what I was hoping for. YES there is a MOTHER indeed there is; we do have a HEAVENLY MOTHER as well as a Heavenly Father. Well done Paul, thank you for asking’.

‘The soul of humanity is dying; it’s being closed out in darkness. Men and women are lost, and getting more so every day as they give over to the pursuit of the material. The existing religions and spiritual systems are products of the material infatuation, they are a part of it, so they can’t perform the role of the salvation of the human soul like they believe they can. They are only adding to the sinking of the ship. And it’s all because of the ongoing suppression of the feminine.

‘Women, are actually the true spiritual leaders, and if not allowed to lead, spiritual and soul evolution of truth will stagnate; go backwards from any small advance it might have done, or even go in the wrong direction. The masculine is dominant and the leader in some things, as is the feminine in other things, but for men to lead the soul on its journey without consideration of the feminine is fraught with danger. You only have to look at humanity’s history being devoid of any real serious amount of ongoing spiritual revelation to see what self-imposed limitations mankind has placed on itself. Men denied us Jesus’ truth, the truth of the Divine Love, and they still are. To think that the Bible is enough of a revelation from God, let alone a revelation at all, is entirely absurd. It’s ludicrous to think there is so little for humanity to know about God, itself, and Creation. And I can assure you Paul, if women were honoured and encouraged by men to assume spiritual leadership, you would instantly see the end to war, famine, poverty and greed, and in particular the belief that God is on *your* side during a war. It hardly bears worthy of mention that God loves everyone equally for God is God, and we are ALL His children. And yet men can speak such truth and then completely deny it with their actions.

‘If women were allowed to express their true feelings, being encouraged by men who likewise wanted to express their true feelings, then women would reveal how humanity can all peacefully live together, uniting as one big happy family, starting with the home environment and moving outward. They would completely respect nature and look to it for many of the guidelines as to how people should live. Life would completely change: its values, reasons and motivations for living. And the truth would become highly sort after in each and every experience all based on feelings – what each person felt in each moment. Women and men need each other, and men currently need women a great deal to help them to get back in touch with their feelings. Many men are cut off from their feelings, having no real idea what they are about and will need to look to women for help to find themselves – their feelings. And I can assure you it will be something of a humbling experience for them. The truth, your own truth is contained within your feelings. YOU ARE YOUR FEELINGS NOT YOUR THOUGHTS and this is something humanity has to learn, and women will lead the way. I can tell you that when women are truly liberated, that being they are completely free to express all they feel all the time and are fully accepted and loved for doing it, by men and each other, humanity will be free. So as long as humanity, men, and women themselves, keep the lid on women and feelings, nothing will ever change on a spiritual and truth level. Life will go around in circles just as it has done now for hundreds of thousands of years without really getting anywhere. It’s easy to change the outer facade and believe you’ve progressed, but this is all mind advancement; advancing the mind deeper into the denial of its feelings. Don’t be fooled by material advancement, and the advancement of knowledge, understanding and information, that’s all mind stuff and its all very alluring to pursue because one can easily use it to keep one’s mind buried in it thereby refusing to acknowledge the feelings that are being repressed and wanting to be aired. You’re all experts at keeping your feelings repressed, men more so than women, and it’s the repression of feelings, and in particular bad ones that is ALL of humanities problem; not the forth coming shortage of oil, or the hole in the Ozone layer, or who’s making a secret weapon of mass destruction, or where the terrorists are going to strike next. FEELINGS! That’s what it should all be about. What you are feeling now! And why – seeking and *LONGING FOR THE TRUTH* of them.

‘In the personality arena of life we live with free will, whereas on the soul levels of life, existence is all completely predestined. We have complete freedom in a life that is totally preordained.’ Zeta paused and smiled at the expression on Paul’s face as he momentarily wrestled with that one, then continued, ‘I still have periods where I receive flashes of insight about an episode or time of my life, back on Earth, and I suddenly see the greater reason why I lived it. I then know how it has affected me and how it has helped develop, fashion and forge some part of my personality – some part of me I can express. Personality is very interesting Paul because it’s the only constant, never changing part of ourselves, given to us as a gift from our Parents of All Personality. All we are doing in Creation is expressing more of its attributes. It’s fascinating. The whole thing is just incredible. I doubt I’ll fully understand all my life experiences and the effect they’ve had on me, on my personality, by the time I get to Paradise! The vision of the Father and Mother is so vast and so great and far-reaching that an experience you are having now may have an impact upon on an experience you have tomorrow or in a thousand years time. Time over here becomes increasingly unimportant. Life becomes a series of seasons: groups of experiences all related and inter-related, all occurring in a perfectly sequential order, even though seemingly at random. The mind cannot hold on to and rationalise the meanings of such concepts. It is only concerned with its needs and wants at any one time. But God is concerned with our needs and wants at all time and throughout all eternity.

‘As you progress with your life, Paul, it will show you its truth, and you will slowly see its greater plan. There *is* a grand plan to the evolution and unfolding of all Creation, and we are all a small but equally important part of it. We are all equally as important as each other in our Mother and Father’s eyes and heart. There is also a grand plan for the unfolding and revelation of Divine Love to all worlds. On Earth it began in earnest with Jesus’ life and it is continuing to steadily evolve. Although on the surface

of things it might appear that the darkness is increasing, you can rest assured that the light will resurface ever stronger. It will be a triumphant re-emergence. Humanity will see its way clear of the darkness at last. From our level of truth we can see that all is foretold and it's a joy to play our role. And as none of us like to see the continued suffering of people and spirits, our motivation is to reveal the saving truth of Divine Love as we can. The truth can only be revealed in stages, humanity and individuals need time to integrate and outwork it. However, it all must go according to the Universal Plan and everyone must fulfil their *Soul Light Path of Destiny*.'

Paul asks: 'Do spirits get sick?'

'Yes, not physically of course, but mentally, emotionally and spiritually. Many people who've been ill on Earth and having died from it are over-joyed to be free of the pain and torment. But it's the underlying reasons why they got sick in the first place that are still within them and these can present themselves in other ways over here. You only get sick on Earth or over here because of your childhood repression.'

'Seriously? I bet the doctors wouldn't be happy to know that, they'd have to change everything.'

'No they wouldn't and you won't know this truth until you've embraced the Divine Love and come to understand the causes of your childhood repression and how they have affected you: how they've made you sick. When people on Earth start to do their soul-healing and start liberating truth from their own experiences they will have a lot to say about the way things have been seen, understood and done over all these past years.'

'Humanity has been going off on a tangent to its true path. Your whole society is based around the wrongness. You are now so far removed from the truth that when the truth presents itself as it did earlier with you Paul it can be something of a shock.'

As Paul was thinking about this suddenly his mind jumped to another subject and another question, 'How big is Jesus and Mary's universe and are there other universes?'

'It's very large, very large indeed. It's divided into three main parts and as I said the other day you'll find *The Urantia Book* (TUB) interesting because it will give you an idea as to the enormous scope of not only this local universe but the whole of current Creation, not that your mind will be able to take it all in. But it's certainly impressive, we're but a tiny drop in a vast universal ocean.'

'And when you say, it's *their* universe what do you actually mean?' asks Paul.

'Well they were sent out from Paradise to this part of Creation long ago in its early days along with the Divine Minister and started to bring about life, started to make it into what it is today. Mary and Jesus are known as our Spiritual parents as it's with their Spirits of Truth that we look to them and choose to follow them. When we accept them as our Spiritual parents then we are looking to them, asking them, longing to them for help to find out Soul Parents.'

Paul eagerly interrupted as he saw the picture in his mind, **'So we have our physical parents on Earth, our Spiritual parents, Jesus and Mary over here in spirit and then our Soul Parents, the Mother and Father of it all on Paradise?'**

'At times I think about how very special and honoured we are to be able to give Them a chance to communicate with each other through us, by having us, children of time and space, Their relationship becomes animated, alive with the joy and laughter of little children.'

‘I see what you mean, Zeta,’ Paul interrupted, ‘it does give you nice feelings.’

‘Yes, and to know that is why They created you and brought you into existence so They could delight in you as you can in Them. So you can always feel eternally loved by These two wondrous aspects of God, of the One Great Soul, and always know that They are there for you and that They only want you to feel good, true, happy and loved. And when you’ve done your healing and understand about why your soul – you – chose to experience the negative for its start in Creation, then Their Love for you and yours for Them will be all the more special and sacred.’

‘Humanity is having to learn about every aspect of life from behind the eight ball. It’s not only last in the race but it’s going in the wrong direction. It needs to stop. To come back, and not do what it doesn’t want to do. Listen to your feelings and try to see what they really are telling you and then try to act on them, try to honour them.

‘It will take time, but people will get the idea and start to look at themselves in a new light. They will start to see that they are dishonouring themselves by dismissing their bad feelings and that they are actually doing themselves great harm. And so they will stop and start to try and accept first of all that they do feel bad, and then having accepted that will then be able to move to see what they are feeling bad about, and **then will naturally want to know why, right through to their core.**

‘And as I’ve said it’s the only way out. **Humanity has practically tried everything else and look where it’s got them, nowhere much. Is anyone really and honestly truly happy and if they say they are, is it true happiness and are they sure they’re not deceiving themselves?**

We are each an integral part of creation, we all interact with each other. There are no gaps in creation. We will all find our way back home to our Heavenly Mother and Father.

CREATION of SOUL and SPIRIT:

God is *The Paradise Trinity* — the eternal Deity union of the Personalities: the Universal Mother and Father; the Eternal Son of Truth; and the Infinite Daughter Spirit of Mind.

The soul of each human personality (sons and daughters of truth) is existential, driving our personality expression in the experiential. The soul of each human finds truth by embracing one's feelings and longing for the truth of them. We are to attain the Eternal Son of Truth. We are a creation of Truth.

The soul of angels is experiential, evolving through their experience by continually progressing in mind development. Angels are to attain the Infinite Daughter (Spirit) of Mind. Angels are a creation of Mind. Our soul is duplex (we have a soulmate / soul partner) and is created by our Heavenly Parents. Through our Feeling Healing we perfect ourselves enabling the union with our soulmate, as we progress in truth up through the Mansion Worlds, celestial heavens and all the way to Paradise.

The soul of angels is also duplex, yet of the mind, and they progress in mind evolution to Paradise. Animals, plants and nature spirits are also creations of Mind.

Neither we nor animals reincarnate. We never die; upon death, we move into the spirit Mansion Worlds on our journey to Paradise. When animals and plants die, be they the tiny microbe to the mighty elephants of the land and the whales of the ocean, their spirit energy returns to the Spirit Collective Energy. And from this energy are drawn other animals and the nature spirits, who then in turn move onto becoming angels through increasing mind experience.

A nature spirit is an angel in waiting.

Nature Spirit

WE EACH have a Nature Spirit pair, Spirit Guide pair and an Angelic Pair:

For those doing their Healing or are interested in doing it will from that time have their own personal angels, spirit guides and nature spirits with them, with whom they are to develop their own relationships should they want to. It is not about ‘sharing’ the same angels or guides or nature spirits, it is about you relating specifically to your ‘own’ ones because they are provided for YOU. It’s all for you, to maximise the experiences we each need.

We are all to have our own pure relationships. And it’s the same of course in life with your friends, however over there, in spirit, dealing with Nature Spirits, Spirit Guides, and Angels, it’s more personal and private and ‘JUST FOR YOU’. So we have our own separate, unique relationships.

For example, Nature Spirit Verna has been assigned to be specifically and only with James, and she ain’t going to be assigned to anyone else, so she won’t be sharing herself around.

This is SO IMPORTANT to understand so that in future there won’t be all these people claiming to be speaking with Verna or Mary Magdalene or Jesus or Nanna Beth or anyone else who is part of it all in such capacity. Mary M and Jesus have spoken with James as they have, making it quite clear he is all they are speaking with.

We each have a band of a Nature Spirit pair, Spirit Guide pair, and an Angelic pair, each pair being in their soulmate / soul partner relationship. Even though we are ascending mortals having a soulmate, even our soulmate has his or her own group of six personalities assisting him or her. Our assigned Nature Spirits do not continue with us into spirit, our Spirit Guides may for a time assist upon entry to the spirit Mansion Worlds, however, our Angelic pair continue with us for eternity.

Feelings first

U-TURN for HUMANITY:

Why are we doing a U-Turn?

We are doing a U-Turn **because** the year 2017 heralded the end of the Rebellion and Default. For two hundred thousand years, humanity has been going in the wrong direction.

What is this fundamental step that will change our way of living?

We are to come to understand / know the foundational cause of all our feelings, both good and bad. As we explore and investigate our feelings, each time they arise, one by one, we are to talk them through, express them to a companion or friend or anyone who will listen. As we express them, while at the same time coming to understand how they have come about, we will find that they will be resolved and that they will not come up again.

We will find that all of our feelings / emotions have their foundations from our childhood. And by childhood, that is from the time of one's conception all the way through to about the age of six. It is the repression of our childhood feelings that is the base or foundational cause of each and every one of our adult personality issues, pains, difficulties, illnesses and distressful life experiences.

We have to see the whole truth of our negative or self-denial state, before we can heal it and be free of it.

The vital difference between **emotions** and **feelings** is:

- emotions have their roots in the past,
- feelings relate to the present moment,
- emotions represent feelings not previously expressed,
- and these accumulate over time.

Many emotional clearing processes encourage us to look into our feelings, however, none go so far as to drill down into the core foundation of any emotional feeling to the point that we strive to KNOW the core issue, the origin of the feeling, be it good or bad, and actually come to know what it is!

The *Journey Process* is generally known worldwide. It stops short of longing to know, that is asking for the knowing of the events that brought about such a feeling. Yes, we are to acknowledge the feeling, say being angry. Then accept that behind that anger is the feeling of being small, and then look at the underlying reason of why we are feeling small. What is the truth behind that feeling? Ask our Heavenly Parents what is behind all of this feeling. What is the foundation, the origin of the feeling? All the time talking it out, expressing it, with a friend. The expressing of the experience is the release of the emotion / feeling, this is what removes it for ever from within our essence, our **soul**.

Why ask our Heavenly Parents? I thought God was just God – singular?

This is part of the revealings that have been unfolding for us very recently – that is – since 2002.

We are made in the image of God. This has been understood for centuries, for 2,000 years. Our soul is duplex. Our soul expresses itself through two personalities. One soul 'subdivides' into two, one half

**Feeling

Divine Love is
the key!**

always being female and the other half always being male. We are a reflection of how God is. God being one Soul is expressed as Mother and Father. God is two personalities. They are soulmates / soul partners. And each of us has a soulmate, and our soulmate is always of the opposite sex, because the Mother and Father are the opposite sex.

Thus, when we long for the truth behind a feeling, then we can long to our Heavenly Mother and Father. Only they can tell us. No spirit personality can tell us. No canonised saint can tell us, we may as well ask our next door neighbour. That would be just as productive. Mary and Jesus can't tell us, as they are also spirit personalities.

I was taught that Jesus was God? And what is this about Mary?

Mary of Magdalene and Jesus of Nazareth were both born free from sin. Neither of them are God. They are both children of God, just like you and me.

History needs to be corrected. Both Jesus of Nazareth and Mary of Magdalene became at one (At-One) with our Heavenly Mother and Father during their physical lives here on Earth in the first century; Jesus in the year 26CE and Mary in the year 33CE, or thereabouts. Jesus died aged 35 (born 7BC died 29CE), and Mary died aged 47 or 48 (born 2BC died 47CE).

Further, their sojourn on Earth was the completion of their process to become the full Regents of the sector of planets that is referred to as Nebadon. The region within our super-universe that is referred to as Nebadon contains 3.8 million inhabited planets. If you look into the night sky, each star / sun potentially has between none to three inhabited planets within its orbit. Within Nebadon, the soulmate pair, namely Mary and Jesus, are our Spiritual Teachers of Truth. Their domain is all 3.8 million physical planets plus their associated spirit worlds. Each physical world has seven associated spirit worlds, which is the case for Earth being one of the 37 that have rebelled.

Some 200,000 years ago, Lucifer with his soulmate and his deputy, Satan with his soulmate, brought about a rebellion on 37 of the inhabited planets within the region called Satania, one of the local universal systems of Nebadon. Earth compounded the situation through the Default of Adam and Eve about 38,000 years ago. Thus the population of Earth, being in the worst condition through the Rebellion and Default, became the location for Mary and Jesus to have their physical experience to complete their ascendancy to full Regency of the local universal system being Nebadon.

Their lives on Earth was the start of the unravelling of the Rebellion and Default. Upon Jesus becoming At-One with our Mother and Father, he was then vested with the authority and power to have the Lucifers and Satans arrested, and they now reside exiled within a prison world.

Notice that there were no records of Jesus and Mary's teachings and experiences made during their physical life. That was because they did not specifically come here for us, they came for the benefit of all peoples of all planets and spirit worlds throughout Nebadon.

As they are Paradise descending spirits, they have **Spirits of Truth**. Upon Mary and Jesus' death, they released their Spirits of Truth. As spirits, Jesus and Mary are how we will be, once we've finished our Soul Healing. They can only be in one place at any one time. However, it is their Spirits of Truth throughout Nebadon that we can connect with for guidance. It is through their Spirits of Truth that spirit personalities can progress through and out of Nebadon.

Those planets that have Rebelled need further assistance, and they need it on a localised manner. This can only be provided by another bestowal of a **Paradise Pair**, and that is in the form and manner of an **Avonal soulmate / soul partner pair** who come here specifically for us.

What is the purpose of an Avonal pair, and are they here on Earth?

Unlike Jesus and Mary who were always free from sin and did not experience how to heal themselves, the Avonal pair are to experience all of the extremes of evilness and then proceed to heal themselves. Mary and Jesus through their bestowal on Earth ended the Lucifers spiritual rebellion in Nebadon; the Avonals bestowal is primarily concerned with ending the Default of Adam and Eve by the Avonals themselves personally healing the effects of such a damaging Fall.

The soulmate / soul partner Avonal pair are to be, and have been, subjected to the extremes of childhood suppression and repression, and then, through their Feeling Healing, are experiencing all the facets of emerging truth as they slowly progress through a protracted and difficult healing process. As they reach specific milestones, this also enables those in the Celestial Heavens, (the three worlds where Celestials reside) to be empowered to assist us in the physical on Earth.

The first considered milestone was the arresting and imprisonment of the Caligastia soulmate pair and the Daligastia soulmate pair. After the arrest of the Lucifers and Satans in the first century, as nothing further occurred, the Caligastias and Daligastias continued on from spirit as if they were kings and queens, suppressing all of humanity and with plans to take over the universe. It was possibly in the early 1990s that they were 'judged' and 'removed'. They were caught unaware that an Avonal bestowal pair were on Earth.

How is all this becoming known? Has Jesus and Mary communicated directly to Earth?

Unlike in the first century, when no records were kept (as the event related to all of Nebadon and it was actually setting the stage for the Avonal bestowal pair to arrive on Earth), every effort to retain records in great detail of this current series of events is now being attended to. Consider this. The New Testament of the Bible is some 300 pages. The records of the Second Coming, which this is, the primary records are possibly 6,000 pages, with direct complementary records increasing that to over 10,000 pages and with all the supplementary records to date, there may be as many as 40,000 pages, certainly well over 30,000 pages of material presently.

Jesus directly communicated through James Padgett from 1914 to 1923. Mary of Magdalene (Mary M) has directly communicated through James Moncrief from 2002 and is ongoing. Jesus has also communicated directly through James Moncrief. Neither have ever directly communicated through any one else, however, some Celestial Spirit personalities have provided information through other personalities on Earth with the support and approval of Jesus and Mary, thus some confusion, though the quality of the information is very reliable.

You say this is the Second Coming? You say I am living during the time of the Second Coming?

Yes you are. And it's more than that. This is the Second Coming, the End Times and the Handover!

In fulfilment of the prophecy in the first century, the Second Coming commenced on 31 May 1914 through the writings with James Padgett and concluded in 2014 through the writings with James Moncrief.

The End Times are well advanced. Mary and Jesus are well advanced in handing over their direct involvement with Earth to those within the Celestial Heavens. When this is completed, the Handover will also occur. **The Hand Over is to the Avonal Bestowal pair** and it is they who will guide the population on Earth through their Feeling Healing processes for the next 1,000 years, being the next spiritual age. The Handover will take place after the Avonal pair complete their personal Healing of the Rebellion and Default. Then will follow with their Spirits of Truth being officially liberated in alignment with Mary M and Jesus' Spirits of Truth upon their death.

Major events have occurred with the progression of the Avonal pair's Feeling Healing, which they are also doing whilst embracing our Heavenly Parents' Divine Love, thus they are doing their Soul Healing.

Early 1990s:	The arrest of the Caligastia and Daligastia soulmate / soul partner pairs.
22 March 2017:	Negative spirit influence was blocked.
31 March 2017:	Angel assisted healing will become available upon the Avonal pair completing their own Feeling Healing, being with Divine Love, thus it being Soul Healing.
22 May 2017:	Law of Compensation quickening.
2 December 2017:	Psychic Barriers maintaining the Rebellion and Default were cracked.
8 December 2017:	Bring on the money to 'house the future of humanity' .
31 January 2018:	Earth and the seven associated Mansion Worlds (including the two Earth planes) are officially now fully under the control of Celestial spirits. This marks a tangible and real end to the Rebellion and Default.

How does this all fit into our future way of living?

This time, in the history of humanity, is the most exciting time ever experienced.

The whole human race is suffering from repressed childhood and mind control.

Through one's Feeling Healing, and should we embrace our Heavenly Parents' Divine Love, then with their Love we are doing our Soul Healing, and eventually we can live totally in accordance with our soul based feelings and live free from error – no more fear and no more physical illnesses is possible!

By living true to ourselves, true to our feelings, we are living true to God. It's that simple.

Our soul is always perfect. In fact, we are the complete package. All that we need to know is within our soul. This knowledge has been denied from us since the time of the Rebellion and compounded by the Default. That is what was brought upon us by the Lucifers and his cohorts. We have always been meant to live true to our soul based feelings but we were taught to embrace our error riddled mind – this was aided by our parents – unknowingly all parents have taught their children to be mind dominant. **This is the Great U-Turn. We are to feel and live by our feelings and express our feelings, our mind will follow in support, not the other way around.**

“Many people look for a person, spirit, angel, even God, for supreme guidance, however it's all right there already built in – in our feelings. **Feelings** guide us through our **ascension of truth**. So they are really our Supreme Guides. We just have to submit to them, allowing them to take us where they will, expressing all the parts we want to express, letting the emotion drive that expression if it's there to be expressed, or just talking about all we feel and how feeling that feeling is making us feel – or, how we feel about having that feeling, all whilst longing for the truth of our feelings. Longing for the truth of our feelings is really: **Longing for the truth of our self, because: we are our feelings**. So life stirs up

our feelings, we feel being alive; or, being alive means we are feeling, always feeling; and when we work out what and why we are feeling what we are, so then we know the truth of how we are. And over time the truth accumulates, and our mind expands our understanding of ourselves, all being driven from our feelings.”

Kevin of the 1st Celestial Heaven 26 September 2017

(Kevin Cooper died 10 August 2012, through Feeling Healing became Celestial on 7 August 2017.)

It is through the assistance of the Spirits of Truth of the Avonal Pair, upon the completion of their Soul Healing, that we will be guided through our Feeling Healing process, and should we embrace our Mother and Father’s Divine Love, then our Soul Healing.

Then should we embrace Mary and Jesus as our Spiritual Teachers of Truth, their Spirits of Truth will lead us on the path through the Celestial Heavens where we will certainly meet up with our soulmate and join our soulgroup, which will eventually consist of twelve soulmate pairs. Then as a soulgroup, the Spirits of Truth of Mary and Jesus will lead us up through and out of Nebadon towards Paradise.

It is then our Mother and Father in Paradise who draw us to them and we will eventually meet our Heavenly Parents.

Meanwhile, while we live on Earth, we will have assistance and guidance previously denied to us throughout the era of the Rebellion and Default. Under the Contract controlling and managing the Rebellion and Default, the powers and capabilities of our Celestial Heaven spirit personalities, all three worlds of them, were heavily restricted and almost of no assistance to us at all. Further, Nature Spirits and our Angels were heavily denied contact with us physical people because of the Rebellion and Default, all of which is soon to change, so we can look directly to them for help concerning healing ourselves and understanding all aspects of nature.

As we embrace our Feeling Healing, Celestial spirits will and can greatly assist us. In fact, during the year of 2017 they have blocked all mind spirits from the Natural Love Mansion Worlds: 1, 2, 4 and 6 from interfering with us. Celestials have taken control of all facets of living and life on Earth. Celestials are those spirits who have completed their Feeling Healing and progressed through Divine Love Mansion Worlds 3, 5 and 7 and now live in the higher Celestial Heavens, 1, 2 and 3 (when we become At One with our Heavenly Parents then we leave the Mansion Worlds and progress through the next three spheres related to Earth, hence the Celestial Heavens are also referred to as being numbered 8, 9 and 10).

The Nature Spirits of Earth, who live in the third Earth plane, can now directly interact with those who are embracing their Feeling Healing. Nature Spirits are essentially ‘angels in waiting’. They have been on Earth prior to anything that we now see living in nature. When they first started to arrive, there was no life in the seas or on land. They have consequently witnessed everything that has happened on Earth, including all prior human civilisations that we continue to largely remain ignorant of. Their knowledge and assistance is of great importance to us. We are to interact with them on an ever increasing scale. They are to become an invaluable source of information for us concerning how we are best to live with nature.

Further, we may become more aware of our **Indwelling Spirit**, which arrives for each of us during our sixth year, as we now progress with our Feeling Healing, or with Divine Love, our Soul Healing.

And all of this is possible as we embrace our Feeling Healing process, acknowledge and accept the Avonal pair, acknowledge and accept our Spiritual Teachers of Truth, namely Mary and Jesus, and more importantly, grow to love our Heavenly Parents, our true Mother and Father.

We do not need intermediaries, rituals, liturgy, dogmas, creeds, fancy clothing, or institutions. It is our soul based feelings and expressions that we may exchange directly with our Heavenly Parents. Groups may form to assist each other, and that is our choice and within our free will.

This is the greatest event in the history of humanity.

This is the Great U-Turn that humanity will embrace throughout the next 1,000 years. MoC 1,480

The CHOICE is OURS to MAKE:

Celestial Truth:

Truly all-loving;
 Living true to oneself;
 Mind supporting Feelings;
 Living with the Divine Love;
 Fully Healed of the Rebellion and Default.

THE FEELING WAY

Feeling – Ascendance
 Unlimited progression

- Living true to your untruth;
- Honouring all your bad feelings;
- Expressing feelings to uncover their truth;
- Healing the Rebellion and Default within yourself;
- Feeling unloved; being unloving;
- Feeling as bad as you can feel;
- Feeling like you are no one special;
- Longing for the Divine Love.

THE MIND WAY

Mind – Transcendence
 Limited progression

- Enlightenment, Nirvana, feeling all-loving;
- All false, mind-contrived. Anti-truth, anti-love;
- Still evolving the Rebellion and Default within yourself;
- Feeling and believing you are the Superior One;
- Living with your mind in control of your feelings;
- Living rejecting all your bad feelings;
- Living with your mind contriving you feel loved;
- Rejecting the Divine Love.

All religions, New Age, agnostic,
 atheists, no spiritual interest,
 Living the Rebellion and Default.

Hell:
 Exploiting the Rebellion and Default.

The Feelings are the doer; the Mind the teller. So we are to go with our feelings, which we can't be told to do with our mind. So the longing for the Divine Love, doing our Healing by expressing our feelings and longing for their truth, are all feelings and doing it with longing. Whereas the mind just wants to tell us what to do and how to be, no feelings in it, all how our parents have treated us.

WE ALL ARE BEING GUIDED HOME:

We need the Spirits of Truth of the Avonal Pair to Heal ourselves; then once Healed, (and for support (overshadowing) as well through your Healing), we need the Creator Pair, Mary Magdalene and Jesus' Spirits of Truth to see us through the Celestial spheres, while at all times embracing our Heavenly Mother and Father.

Until Mary and Jesus died and liberated their Spirits of Truth, no one from any of the worlds could leave Nebadon, because no one knew the way to do so. Nebadon is our local universe containing some 3.8 million inhabited physical worlds and their associated spirit worlds.

When we embrace the truths Mary and Jesus are revealing, and start to do our Feeling Healing, or with Divine Love, Soul Healing, we are then freeing ourselves up from our parental and self control.

Thus our journey to Paradise, to the home of our Heavenly Parents, is of our choosing as to when we progress, however, there is only one way:

HUM: Humanity is to ascend. We are self contained. Our soul is always in truth and perfect at all times. **By living true to ourself, true to our feelings, we are living true to God. It's that simple.**

We are to recognise that being engaged and dominated by our mind is the wrong way for us to evolve and grow in truth. We are to discard the mind enslavement that has been imposed upon as by all of our parents. We are to express our feelings, both good and bad and free ourselves of the indoctrination that humanity has embraced worldwide.

Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God's soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of our Mother and Father.

AVO: We are to embrace the truths and guidance of the Avonal Pair through their Spirits of Truth. It is the Avonal Pair's guidance that will lead us through our Feeling Healing, and with Divine Love, we will be able to ascend through the 7 spirit Mansion Worlds and enter the Celestial Heavens where we also interact with other world's spirits.

J&M: We are also to embrace the truths and guidance of the Paradise Pair, Mary and Jesus, who will then lead us through the 3 Celestial Heavens that are aligned with Earth, and then further on through Nebadon where we will then depart beyond on towards Paradise.

M&F: Beyond the universal zone of Nebadon, we will be guided by our Heavenly Mother and Father onwards through the universes to Paradise where we will be welcomed by them, home for us all, as we are all Children of God.

HUM

WE ARE Children of God

WE ALL ARE BEING GUIDED HOME – NOW, HOW TO COMMENCE THE JOURNEY:

GOD

M&F

For 200,000 years, we have been misled into embracing our mind's distortion of wisdom and truth. All such traditional understandings only lead us in the wrong direction, from which we must turn back from. Our soul based feelings are always in truth. Our minds are to follow our soul based truths and feelings, not the other way round, as we have been brought up to embrace.

We are to connect with our deeper repressed feelings.
We are to long for the truth of what we are feeling.
We are to live true to our selves; by living true to our feelings.

Use your surface day-to-day feelings to connect with your deeper repressed feelings. Express your surface feelings and your deeper repressed feelings to uncover the truth of yourself.

J&M

We all have feelings which we communicate and share with each other. And we all have deeper buried and hidden repressed feelings. Feelings from our early childhood we felt, yet weren't allowed to express. These feelings are still within us, waiting to have their say. These feelings, because they are repressed, cause us all our problems.

And as we look to uncover, bring out and accept these deeper feelings, so we're taken into new ways of looking at ourselves, our feelings, and our life. We're setting ourselves free of the controlling patterns that govern our unloving behaviour.

In this way, we progressively begin to express the personality that our Heavenly Mother and Father gave us, not the one imposed upon us by our physical parents and carers. We are to be our true and real selves.

By living true to ourself, true to our feelings, we are living true to God. It's that simple.

AVO

HUM

As we, humanity, long for the truth of our feelings, we can also be assisted by the Spirits of Truth of the Avonal Pair who are our spiritual teachers for Earth over this coming 1,000 years, to assist us through the Great U-Turn, away from mind dominance to being soul based feeling lead. They will assist us through the seven levels of the spirit Mansion Worlds.

Then the Creator Pair, Jesus and Mary, will lead us through Nebadon and into the greater universe. Then our Heavenly Mother and Father lead us home to Paradise.

WE ARE Children of God

Collectively, should we embrace them all, as we are to, then our pathway home is a journey in the hands of the Spirits of Truth of the Avonal and Paradise Pairs overseen by our Heavenly Parents.

HOW TO GET TO PARADISE:

The Key

- Long for the Divine Love
- Long for the Truth
- Long for the truth of your feelings
- Don't deny any feelings: accept, express and want to know the truth of them
- Know your feelings are the key; your feelings are the Way
- Want to end your falseness and being untrue
- Want to understand the truth of your early life
- Use your surface feelings to move deeper into yourself, bringing up your repressed feelings
- Want and long to know the whole truth of yourself
- Want to do it all with God, your Heavenly Mother and Father – long to Them for help.

Our longing drives our life. We long with feelings. We can wish for things using our mind, yet long for things with our heart. These things in the pyramid are what to long for. Longing for them, when the longing comes naturally. Longing because you feel you really want them. Long to be true with all your heart. Long to live true to your feelings. Long to understand the whole truth of yourself.

JOURNEY of HUMANITY into and through the GREAT U-TURN:

Humanity reaching its most evilness, the most lost, the most separation of soulmates. Humanity can begin its Healing. The Great U-Turn begins, the dawning of the Spiritual Age.

This is the Great U-Turn. We are to feel and live by our feelings and express our feelings, our mind will follow in support, not the other way around.

Feelings First, you can be sure about that! **Once women get that message and start living it, then the tide will really change**, with men either deciding to support them by looking to their own feelings or being left on the outer wondering what the fuss is all about.

The feminine light is going to sweep through humanity and purge it of all the yuk and darkness, helping to bring the whole of humanity back into a nurturing loving mother state of being, from which the supportive, caring father can support her and together they can make the world great again, they can bring humanity up into its natural love perfection whilst at the same time offer those people who want to spiritually grow the truths of how to embrace the Divine Love and move on to the Celestial level.

By living true to ourselves, true to our feelings, we are living true to God. It's that simple.
(Passage in blue calibrates on the Map of Consciousness at 1,500)

LONG for the TRUTH!

Above all else, “Longing for the Truth” has not been recognised by humanity. True Prayer is not asking with the mind; it is a longing from the soul. Should we long for the truth then we will be told. This is how we ascend. Earnestly desire to know the truth and it will be revealed to us.

Our soul, our real self, already knows the truth and the answer we are seeking, the truth will come to our awareness through our feelings. Our feelings are soul-based.

Our mind cannot determine what is truth from what is false. Our mind is addicted to being in control and will lead us according to its agenda, all to our detriment. This is what man has embraced for the past 200,000 years – now the mind is to be subjected to our feelings. Accordingly, our mind will learn to assist our feelings.

Longing to our Heavenly Parents for truth will bring about the understandings we are seeking to achieve.

Long for the truth behind any feelings, both good and bad, and we begin to peel off and escape from our childhood repression and suppression, thus escaping from the generational cycle of errors that have been passed from parents to their children, thus continuing the cycle of error and harm. ALL children are harmed in this manner.

Through longing for the truth behind our feelings, both good and bad, we start to bring about harmony and peace to our self, which eventually flows onto our family, then our companions, then our overall community and then country. **This is how harmony will come to all of humanity and peace will prevail with war being set aside. This is what the Great U-Turn will bring about.**

Longing for the truth is the only way that we will come to understand the cause of any physical discomforts, pains, diseases and illness. It is by expressing the understandings of what one is feeling about any emotional event or issue so that we release from our essence the negative energies relating to these feelings arising from past events, particularly those from our childhood forming years. The harm that we each endured during our childhood forming years has set the pattern, at all levels, for our adult life.

In a variation of those inimitable words uttered by Jack Nicholson, “You CAN handle the truth!” This is how humanity will heal itself and bring about peace for each personality and humanity overall.

By living true to ourselves, true to our feelings, we are living true to God. It’s that simple.

LIVE FEELINGS FIRST

PRAYER
is not asking. It is
a Longing of the
SOUL.

FEELING HEALING and SOUL HEALING with the DIVINE LOVE:**James Moncrief Publications:****all publications are free downloads:**<http://divinelovesp.weebly.com/my-free-books-and-free-padgett-messages.html>

It is suggested for one to consider reading as follows:

Speaking with Mary Magdalene and Jesus – books 1 – 4

These four books encapsulate the second of the revelations with the first having been introduced by James Padgett one hundred years previously. These four books provide a wide range of guidance that has never previously been made available.

Paul – City of Light

As a gentle intro into the Divine Love and Healing; being James Moncrief's first novel and it's been criticised as being too heavily clichéd, but that's the point because it's a reflection of how he was back then.

Ann and Terry

For an example of people who might want to immediately start working on themselves and doing their Healing.

Feeling Bad? Bad Feelings are GOOD

For more understanding about our denial of our feelings and why we should not deny our feelings, and it includes how it all came about for James, using himself as an example.

Feeling bad will make you feel BETTER – Eventually!

This includes specific examples of Marion and James working on expressing particular bad feelings, again with the hope that it will help others gain something of an idea as to what's involved in doing your Feeling Healing.

Sage – and the Healing Angels of Light

Through Sage who's 13 years old, the story is primarily about the two aspects of healing; that being, with the help of our angels, and the full Healing we can do by looking to our feelings for their truth.

**Religion of Feelings
Feeling Healing****Welcome to LOVE – the Religion of Feelings
you can heal yourself through your feelings**

So these books, including the four Speaking with Mary Magdalene and Jesus books, provide the essence of it all and are examples of James' work. Then it's up to whatever takes one's fancy. Other reading to consider may include:

The Padgett Messages being published as:**The True Gospel Revealed Anew by Jesus volumes 1 – 4****Book of Truths by Joseph Babinsky****The Urantia Book****Release one's pain through expressing one's feelings.****in conjunction with****Longing for the Truth when also longing for Divine Love.**

FEELING HEALING with DIVINE LOVE is SOUL HEALING:

A collection of 'papers' that draw together specific topics including all of the above and more from other sources of information and revelation designed to help increase one's awareness about why we have the problems we do and how to heal them, all whilst living a more healthy and sustainable life. They provide a brief snapshot of the more complicated topics and issues.

Firstly, consider discovering the truth of your emotional pain through Feeling Healing. Secondly, consider longing for our Heavenly Parents' Love as you progress with your healing. Primary and most important readings are the writings of James Moncrief. Then consider the Padgett Messages, and then The Urantia Book.

DIVINE LOVE and DIVINE TRUTH Revelations and Teachings escalating:

As we progressively become aware of the availability of Divine Love and embrace our Soul Healing, more and more profoundly developed teachings will be introduced to us by our Celestial Spirit friends.

Divine Truth teachings will continue to expand in detail and complexity as we become ready and willing to receive same through doing our Feeling Healing. This journey was commenced for us by James Padgett and James Moncrief.

- 101 Years: **FEELING HEALING** and the **DIVINE LOVE:**
- 2013 – 2014 Speaking with MM & J
- 2007 – 2010 Comments on Padgett
- 2005 Paul – City of Light
- 2003 Messages Mary & Jesus
- 2002 The Rejected Ones
- Various auxiliary writings including
- 1954 – 1963 Revelations via Samuels
- 1914 – 1923 Padgett Messages

Are we ready and willing to embrace what is waiting for us to enjoy?

We are a young experiential inhabited planet. As we grow in Love and embrace our Feeling Healing, then we become into a condition by which we can ask for and receive guidance in how to achieve developments for the benefit of all of humanity.

As we apply these gifts freely for the welfare of all, then we will be provided assistance to advance our capabilities. Energy enables communications which in turn enables universal education. With education everything is possible.

UNIVERSAL Roadmap and Structure
1925 – 1935 The Urantia Book

On the WINGS of a BUTTERFLY: No 12, Traveller, an immortal journey, via Zara and Nicholas

Once upon a time there was a butterfly sitting with closed wings in a person's heart. This butterfly had been sitting with wings closed for a long time. The person couldn't figure out why they always felt a little sad. One day, this person asked another person why they feel sad. The response happened quickly and the person didn't like the response. It was said that perhaps your soul is sad. Several days passed and soon that person found themselves sitting by the sea. The sea has great longing to it. As the sun shone on a late spring day, the person thought about their soul and that perhaps, the person's remark was true, and that this person was a messenger of some sort. Suddenly a breeze swept through the beach and the person heard a distinct voice speak directly to him! The voice said, "Let your soul breathe in Divine Love." That was all the voice said.

The person didn't know what the Divine Love was or where it was, but now the sadness had greater longing so the person decided to breathe in the Divine Love and just like that – the closed wings of the butterfly opened and the person's sadness started to dissolve. Happiness will be mine the person thought upon feeling the Love and this will take time for me to learn how to live such happiness.

Never again, in the heart of that person, did the butterfly close its wings.
