Why 'RELIGION of FEELINGS' – well NOT!

What is a religion?

Religion is the set of beliefs, feelings, dogmas and practices that define the relations between human beings and the sacred or divinity. A given religion is defined by specific elements of a community of believers: dogmas, sacred books, rites, worship, sacrament, moral prescription, interdicts and organisations. The majority of religions developed from a revelation based on the exemplary history of a nation, of a prophet or a wise man who taught an ideal of life.

A religion may be defined with its three great characteristics:

- Beliefs and religious practices
- The religious feeling i.e. faith
- Unity in a community who share the same faith: the Church. It is what differentiates religion from magic.

The study of existing religions (and ones that have disappeared) shows the universality of this phenomenon and a very large variety of ritual doctrines and practices.

<http://atheisme.free.fr/Religion/What-is-religion-1.htm>

It is now recognised that 98% of the beliefs within all religions are the same. Yet, humanity has found the need to create some 50,000 different religions. Yes, a religion is recognisable by it being structured with sacred books, dogmas, creeds, rites, particular styles of clothing and membership, however, control through an hierarchy dominates and leadership is frequently the exclusive domain of men.

A common bond is “the fraternity”. We are not meant to be alone. We are to support each other, we are to interact with each other. This is the only aspect that is aligned with the ‘Feeling Healing’. Women are closer to their feelings than men and women are truly our spiritual leaders. It is of profound importance to recognise that any religion founded under the perceptions of the Rebellion and Default, is taking us further away from our feelings and deeper into the controlling natures of our wayward minds, and further away from God. That encompasses **all** religions as the Rebellion and Default has encapsulated humanity for the past 200,000 years. No current religion has ever stepped out from under the Rebellion and Default because the guidance and authority has not been previously available or provided to humanity. How could it then be any other way?

The outward trappings of religion have very little to do with spirituality (true spirituality is growing in truth and consequently love...potentially infinitely) and much more to do with the ego and greed of the controllers. This is the driving force as to why we have 50,000 religions.

FEELINGS FIRST SPIRITUALIY, The NEW WAY, it's like finding your own personal religion.

Feeling Healing is a difficult process to say the least. We will all undergo this process, be it here on Earth in the physical or later in spirit. Whenever you consider it is the right time to commence your Feeling Healing, it is optimal to have a companion with you to assist you on your journey. Thus, a fraternity may emerge, and in this way, people may come together in small groups, even just two, and in this way assist each other. We are to express our feelings, both good and bad, and this is best achieved with a friend.

In this way, Feeling Healing may be looked upon as a fraternity. However, there is no hierarchy, there is no membership, and there is no control. This is all about you with your Heavenly Parents, our true Mother and Father. There are no intermediaries, no dogmas and no rituals, nothing of a controlling nature.

Feeling Healing and Soul Healing, being Feeling Healing with Divine Love, are ways of living. They can be embraced by anyone at anytime without impeding upon any spiritual or religious platform that one may be embracing – though it will bring you to question everything and long for truth.

It is all about you discovering the truth that is within you, your soul based truth. This is what the Great U-Turn is all about.

Subject: Stuff from the Commonwealth Conference

Hi James

As you know I attended the Commonwealth Conference 2018 where they discussed forging "sustainable peace and development in a polarising world". It was conducted through the Centre for Interfaith and Cultural Dialogue at Griffith University, Brisbane, 9 – 11 April.

It was a really interesting few days for me. I have been insulated from issues of inter-faith disharmony, cultural suppression and activists attempting to bring about change on a world stage.

A few key things came to my attention. Firstly, the manner in which the Empire just walked in to any country they wanted and assumed a position of power over the indigenous inhabitants. It seemed that if they weren't following Christianity they were not considered human.

The second is how huge an influence different religious beliefs are used as a reason for war throughout the world. But also, how the religious leaders at the conference felt they all were in the position to effect the change in attitudes to bring about peace. They are just going to talk it through.

The other thing that I found peculiar is the continual reference to Inter-Faith. It is almost as though "religion" is a dirty word. As you might accept none of the participants discussed components of their religion which may be contributing to, or which may alleviate war and bring about peace. Too much chance of getting into an uncomfortable discussion, which of course we know, is exactly what they need to do. Get it all out.

On numerous occasions, faith leaders acknowledged religions are a construct of man. That the sacred texts which define the beliefs should be read and understood in context to the era. In other words, the bible should be interpreted differently now because the world is different.

And this is where I have a real struggle with religion. If they are really espousing God's word and way, why does the message change? God certainly doesn't change.

Also, the religious leaders, when looking for commonality, spoke about peace, love etc. They ignored what I consider to be the common goal of ascending to be at one with God.

So in the last session of the conference I asked the question of all in attendance "What is the role of religions? Are they not meant to provide spiritual guidance in preparation for life after death, on how to ascend to God? And are religions delivering any outcomes? Are they measuring their success?"

The room went uncomfortably silent for quite some time. No responses forthcoming. The audience was then invited to ask new questions.

Another thought which came strongly to me and I wrote down, but did not discuss with anybody was this "As much as Governments are prone to conquering land and natural assets they don't rightfully own, religions are prone to conquering the Will and freedom of individuals they have no right to own."

So you can see I hold a little contempt for religion. And I am writing some feeling healing on this to help me understand the truth.

Which brings me to the point I want to raise with you. Why "Religion of Feelings"?

It makes me squirm. The revelations which you and Marion are bringing forward are so removed from what religions are providing, why associate with them?

As so eloquently put at the conference, "religions are a construct of man". Feeling healing and seeking truth through feelings is not a construct of man.

Religions are controlling bodies. Feeling Healing or Soul Healing will apply no control. It is entirely based on an individual's Will.

Religions have rules, rituals, dogmas etc. Feeling Healing and Soul Healing will not.

I feel that presenting as a religion will be a barrier.

Your thoughts.

Graham G

Note from James: Graham I sympathise with your dislike of the word religion and of the religions themselves. However, they are wonderful things. Yet not the bullshit part of the erroneous controlling beliefs and how they are used to keep everyone in line, but the part about people feeling they have something they can share together, something that is 'bigger' than them, something that binds them on many levels that they can't get in any other way, other than through a 'religion'.

And with the New Way, it's the truth that is to bind us, and consequently with the truth eventually binding us all, every person on the world feeling connected to every other person and we all feeling really good about being part of that, part of the Truth and sharing it with each other intimately and personally. So I like the idea of a religion that denotes that union and intimacy of Truth – hence the Religion of Feelings. Because as you know, it's through our feelings that we all connect with the truth. And because then God is involved as is our spiritual ascension of truth, so the religion idea binds us together on higher and deeper inner levels.

And yes, a lot of people will probably balk and reject it because of the word Religion, and yes people in future might try and bring in all the mind controlling crap to make it into more of a real religion; however possibly, and I might be wrong about this, as it waits to be seen, other people will like the idea of being part of this bigger religion thing, and yet one that doesn't include a whole lot of ritual and dogma, but one that's loose and can't really be pinned down because it's all about feelings.

If everyone feels the way about it that you do Graham, then hey, we ditch the name, I don't care, whatever works really.

But I also think – hope – that the religion of feelings concept might appeal more to women, and let's face it, they are going to be the driving in force, if anyone is.

However I am more than open to discuss and debate the name and consider other names. These things just occur to me as part of my self-expression, however in no way do I feel they need to be enforced just because I came up with it. Part of the Religion of Feelings is that it's a group thing, so for the group to work it out. And yet if I keep feeling it has to be the R of F, then that's what I will keep going with. So do I end up with just myself in my own one-person group, or with others... I'm waiting to see.

James.

Subject: Religion of Feelings

I've been reading "Paul – City of Light" and tonight I was stopped in my tracks when I read this conversation between Paul and his partner, Sasha.

"It's not about the Church or any religion; it's just about developing a personal relationship directly with God, isn't it? And that seems harmless enough and really like a good idea. It's not that I've had anything against God, it's just that God's never been presented to me in a way that I could see Him being easily integrated into my life. I don't have to join a religion or go to church, I don't have to do anything I don't want to do, all it seems I have to do, is ask Him directly for His Divine Love and I can't see anything wrong with asking for love, on the contrary, more love seems like a very good idea!"

'Yes it does, doesn't it?' Sasha agreed, feeling nice warm feelings coming up inside her. 'For me, it's like finding your own personal religion.'

RELIGION OF FEELINGS, it's like finding your own personal religion.

As I said, Sasha's heart-felt reply to Paul shone like a beacon. Just as asking God for His/Her love, the Religion of Feelings is simple and uniting across all denominations, faiths and beliefs. There's no dogma, you don't have to "join" a religion or go to church. You don't have to do anything you don't want to do. It's your own PERSONAL RELIGION.

So although the word religion may have negative connotations for some people, I've had learned over many years that there is a powerful desire within us "to belong". We want to be accepted.

I sense that "Religion of Feelings, it's like finding your own personal religion" addresses many of the negatives that some people may have.

My thoughts and open for discussion...

Graeme

 Feelings are your own truth and personality**

Divine Love is a religion unto itself

Extract from Paul – City of Light

by James Moncrief

As they drove, Paul took the opportunity to discuss the events of the past days in greater detail. He questioned Zeta about the role religions played in people's lives, and as he had never directly been involved in them, he was wondering if perhaps upon his return to Earth he should investigate some of them.

‘As to whether you will become involved, that will be up to you Paul, depending on how God directs you. As I have told you, religions on your world lack the truth of asking God directly for His Love. This, as a consequence, restricts their evolution and any ongoing growth of truth. For the most part, they provide a social and personal structure of belief and truth within which one can choose to live one's life.

It is simply an individual choice as to whether a religion fulfils your spiritual, religious and life needs. For some it does, for others it may fall short. Religions can become a way you choose to live life. They can govern all or a part of your life. Just as living with the Divine Love can become a part or all of one's life. [Divine Love is a religion unto itself: a religion based on the Truth of the Son. It is the religion of living Jesus' truth in everyday life with our Father's Love. And it is also much, much more.](#)

‘Life, however, is a balance of all its components, and religion is simply one component. You Paul, will know how it's best for you to include the Divine Love in your life. God will let you know how often to ask Him for His Love, [He'll direct you through your feelings](#). You will feel the need at the appropriate time. Your feelings will become increasingly important to you. It is actually through our feelings that God and our own soul guides us. Sometimes your inner longing may be so intense that you will feel you cannot get enough of the Love.

At other times it may wane and you will feel fully satisfied and contented. And at other times you might want to long and ask God for His Love but find no Love is forthcoming. The important thing is to long, to always acknowledge your souls longing, if that is truly how you want to live. The way you ask will change and evolve, as your relationship with God evolves and matures. If you decide that life with God is really all you want and you commit yourself to Him, then you'll find that you'll come to a time where your whole way of living is with the Divine Love of God.

You will feel His Love with you all day, every day. [You will feel so close to God that your way of asking for and receiving the Love will be done more on a soul level. It will not be such an emotional and overwhelming experience. You will know where God is leading you in life and you will see the forthcoming experiences as stepping-stones in your upward and inward progression.](#) You will know you are fully on your life's path, doing everything God is asking of you.

More than likely, when you get back, you'll go through a time of striving to actively progress, and really want to push ahead and ascend. You will sometimes feel impatient, trying to drive on your spiritual advancement of truth using all of your will. All such feelings are natural and over time will mellow into acceptance of your own truth growth gradient with God.

You will fully harmonise your progress with God's Will and then be able to completely enjoy and appreciate all experiences of day to day living with Him. In the beginning, you may feel like giving God the reigns totally, but as you progress, you'll come to accept Him as the *Supreme Guide*, and He will orchestrate the overall plan and advise you along the way whilst leaving you to orchestrate the daily events of your own life. You will accept that you cannot know everything about your life at any given

moment, and be grateful to live with faith that God does. In time you'll understand how to use your will to live God's Will.

'Living with God is living Faith. Faith grows and evolves within you as you receive more of His Love. Faith, like truth, becomes something very real and tangible. You can *feel* it. The Divine Love will push you further into life, strengthening your faith. Finding the Divine Love is not simply the beginning of life on easy street.

In actuality, it is very confrontational, particularly in the early times. It will challenge all of your beliefs and ask you to accept new truth. At times this can be very hard, to look directly into the mirror at yourself and see yourself for whom you really are, without any illusions. Most of us are wearing other faces hiding the real expression of our personalities. We are doing this because of our fears and inner self-denial of love. The Divine Love will systematically highlight the self-created veils making you address your denial. It will educate you in what real love is.

Many think they know or have experienced it, but they will only truly know when the Father's Love is thick within their soul.

**Feelings First Spirituality, The New Way
Unlock your Truth through your Feelings**

But before you do come, Doug, do you mind if I ask you some more questions about the Divine Love?

No, of course not Tommy, I'd love you to.

Good. So why should we ask for it?

It's about our soul. As we understand it, this being what Esmerelda and the Sisters told us. We're all conceived into what could be called Natural love, like that of all creatures. And now, because of Jesus and Mary Magdalene coming two thousand years ago, the Divine Love has been made available for us all to choose to long for it. And when we do, it then somehow affects or changes the nature of our soul, changing us into being of the same love as our Mother and Father – Divine. And the thing is, that if we don't partake of the Divine Love, then we'll remain in the Natural love Mansion Worlds, possibly for eternity or something like that, and we won't be allowed to progress higher up through all the seven Mansion Worlds and then into the Celestial spheres. Apparently, you can only gain entry into the higher Celestial spheres if you are divine, and once you've finished your Healing; so if you've partaken of enough of the Divine Love to warrant you being able to live in them. And we want to gain access to the Celestial spheres, because it's from there that we continue our spiritual journey to Paradise, to one day personally meet and be with our Mother and Father. And that the whole nature of our souls are to grow in truth up through all the worlds and spheres, to one day arrive on and attain Paradise; it's what we're 'programmed' or created to do, only we've been subjected to a severe corruption in our true path and ascent, owing to our denial of our feelings and our not wanting the truth.

And why don't we want it; you sound like that's not how it should be?

No, it's not. Apparently a long time ago, high spirits that were meant to be looking after humanity and helping us evolve, rebelled against God and took us with them into Rebellion. And then years after that the whole thing was compounded by a Default of the fabled Eve and Adam, who were real higher spirits that came to Earth to help us too, but they got corrupted, and so we're now, because of the Rebellion and Default, in the mess and confusion we're in. So we're all busy living untrue and rebelling against God, being anti truth and anti true love, as much as we can, only we don't as yet understand or fully appreciate that-

Like all the religions, as I understand from Sage – they are taking people further away from the truth, instead of closer to it like they think they are?

Yes, that's right. And not just the religions, but in everything we do. And so it's a two stage process to heal ourselves of the Rebellion and Default: we need to do our Healing, as Sage helped us understand; and we need to embrace the Divine Love, as Mary Magdalene and Jesus told us.

But if Mary and Jesus told us, why isn't it widely known, this truth about the Divine Love; why aren't the Churches teaching it – or are they, I don't know, as I've never gone to church?

No, they're not, they don't have clue about it. And that's all part of the problem, the Christian religions took all Jesus said, Mary, his soulmate / soul partner, didn't even get a look in, and are in a way using it against him, using it to further the Rebellion and reject him more, not how they believe by bringing them closer to him.

But the whole thing is, you can't force it on anyone, you can't make anyone choose to long for the Divine Love or do their Healing; and what we've seen is, it's not until someone is really ready for one or both, that one feels like taking it on.

A man by the name of James Padgett received messages from Jesus about a hundred years ago, and a lot of what the Divine Love is and why we should long for it is explained in them. They're freely available on the Internet, they're called the Padgett Messages – you might like to look them up. However the trouble with them is, many people believe they are all you need, so they long for the Divine Love and believe it will take away all their problems; but it doesn't work like that, it's only through the hard work of doing your Healing, that being your Feeling-Healing without the Divine Love, or your Soul-Healing with the Divine Love, that you can resolve all that stuff and end the Rebellion and Default within you. And as you do that, then you're purifying your Natural love, which the Divine Love can then work to transform. So because we're all in the wrongness, we've got to do our Healing for the Divine Love to do its job in making us become divine.

The wrongness being what you call our Childhood Repression – or resulting from it, it being what we're all suffering from?

Yes, because the results of the Evil Ones, the higher rebellious spirits, is what's stuffed us all up so much; and as we pass it on, parents to child, so it's within our forming years that we are, by default, because our parents don't know that they are doing it, inducted into the Rebellion. So we take on all the wrongness from them, without knowing that we are wrong and untrue and unloving and rebelling against the very truth and love that we need. And it all gets locked away inside us, we deny it, so deny ourselves, all by denying our feelings, which we call our Childhood Repression. So that's why Sage stressed it was our feelings that we need to look to, to bring out all the ones we're denying, which allows us to get past our controlling mind, eventually taking us out of our wrongness and setting us free of our rebellion and default against ourselves, and setting us free of the Rebellion and Default against the Truth, Love and God.

I see... there is a lot to it... but it makes sense.

Yes, that's the great part about it all, it does make sense; and really it's the only thing that does. Everything doesn't make sense because it's all about going the wrong way, keeping all your feeling denial and childhood repression in place, it all being designed to keep your mind in control of your feelings.

So our mind is the bad thing?

Only because it's been used to corrupt us. That being, to stop it doing what it's naturally meant to do; which is, to support our feeling-led life. We're to live with our feelings first, look to them for their truth, and then our mind is meant to come along and put all the pieces together, to help us understand all our feelings, and to help us articulate them. But we all live by looking to the mind as the leader of ourselves, but it actually can't lead to save itself, which is why we all want to kill each other and ourselves by taking all our drugs and doing all what's bad for us. So we've got to stop our mind having its control over our true feelings; and that's bloody hard, because it's been formed in control. It's like we've been formed in red cement, and we live concreted into our unloving feeling-denying negative state of mind and will, all the while pretending we are good, right and loving, and we have to change ourselves into blue cement, concreting ourselves into our true state of positive mind and will, being all-loving. And the catch is, we can't actually bring about that change ourselves, and this is the hard part to understand, all we have to do is submit to our bad feelings and try to keep expressing them, whilst longing for their truth. And by doing that, slowly we are shown, as we gradually become aware, of the

truth of our wrongness. And then that's all we have to do, we are to keep seeing how wrong we are and why, but NOT trying to do anything with our mind to fix ourselves. Because using our mind to try and fix our anti truth and unloving state is just doing more of the same, keeping the mind in control. So we just have to slowly fully accept all the bad that we are, and when we no longer want to be that way, when we've uncovered the whole truth of our wrongness through our feelings, then our Mother and Father, through our soul, change us from being wrong to being right.

Phew, I think that's enough for the time being. I don't think I got half of it.

It takes time Tommy, you have to go over and over it again and again – well, that's how it's been for Cath and I.

We can all only come to it in our own way and when we're ready; and for some of us, it's a bit here and a bit there. Shit, it was all new to me too when Sage started talking about it all, which feels like such a long time ago now.

The New Way: Learning how to live true to ourselves by living true to our feelings.

By living true to ourselves, true to our feelings, we are living true to God. It's that simple.

Humanity's UPSIDE OF DOWN

Humanity has devolved to a stupor, incapable of recovering through the Mansion Worlds without help.

Celestial Soul Condition

Humanity is now to embrace the Great U-Turn and retrace its steps back through all seven Mansion Worlds, including all their sub, and sub-sub planes, as people do their Feeling Healing. And then with Divine Love, when we finish our Healing, our soul fuses with our indwelling spirit, and in so doing, as one soul manifests two personalities, we arrive in the first Celestial Heaven condition to join our soulmate and then soulgroup.

FEELING HEALING PROGRESS DOES NOT CHANGE OUR PERSONALITY:

Through our Healing, we work our way up to a Celestial Soul Condition whilst retaining all our erroneous patterns. We express out of us all our repressed emotions and blocked feelings showing us the truth of why we have them. We then change and feel much better about ourselves, becoming more self-aware and self-accepting. Then when we've uncovered the whole truth of our unloving state, and our erroneous patterns leave us, our Healing is completed.

So it's not so much a journey working our way up the pyramid, it's more like moving up a series of elevators, working through each of the seven worlds and seeing how untrue and wrong we are.

And by the time we get to the top, we're fully cognisant of our 'sins and errors' and why we've felt all the bad feelings we had and how our negative beliefs kept us strapped within our truth-denying state.

Our Healing is our seeing the whole truth of our distorted way of being. And once we've seen it, then our soul transforms us out of our negative truth-denying state into a positive truth-loving one. We are still the same personality, only we're now living happily with ourselves rather than unhappily against ourselves.

Our final transition from being of a rebellious condition of mind to a Celestial Soul Condition of feelings, is glorious.

FEELING HEALING:

Childhood repression and its suppression, from conception through to around the age of 6 years, is the underlying cause of all ailments that arise throughout one's life.

Our parents pass onto us all that was erroneously infused into them by their parents, and so back through the generations.

It is only through longing for the truth of one's feelings, both good and bad, and expressing what comes up that we can work through the many layers of infused mind addictions and heal our erroneous beliefs and harm that we have endured.

Should our parents engage in their Feeling Healing then their children will mirror much of the healing that their parents achieve, thus physically and emotionally benefiting in a similar way.

Healing can bring us into Celestial Soul Condition while living on Earth.

WE EACH HAVE UNIQUE ISSUES TO HEAL THROUGH OUR ASCENSION, THROUGH EACH OF THE SEVEN MANSION WORLDS!

Happy Parents and Unhappy Parents are all born into the Rebellion and Default. The children all absorb the errors and emotional issues of their parents tailored to suit their personality which is unique to their soul. Our issues are unique and no healing is the same as for any other person.

Feelings First

Each of the seven Mansion Worlds has all of these planes.

Mansion World 1 of 7

**Both Mind
Worshipping
in a stupor**

PLANES for each MANSION WORLD, we have seven Mansion Worlds to work progressively up through to heal ourselves of the Rebellion and Default.

SOUL  SPIRIT BODY  PHYSICAL BODY

Our soul is the most complex creation that God has ever created. When you look at other creations that God has made, you will get an idea of how complicated our own soul is, inside of itself, in terms of the mechanisms involved. And then we screw it up with our yuk!

Our memories are stored in our soul, they are then expressed through our spirit body and then our physical body. Our mind can cause, express and keep us bound up in our emotional injuries, erroneous beliefs and bad feelings. Our soul remains in truth at all times. It is within our spirit body mind circuits that our negative unloving patterns take hold and control and dictate our wayward life.

When an error enters our spirit body mind, it sets up a pathway for more error to enter and manipulate our patterns of living. And when truth enters our soul, it sets up a pathway for more truth to enter our soul. Our Healing is the bringing to light the errors of our mind so our soul can transform them into the truth of ourself.

Our Healing sorts our mind out bringing it into harmony with our feelings. And once that harmony is gained, our soul is free to express the truth we are to live.

BREAKING the BARRIER of the MIND – ENGAGING the SOUL!

DYNAMIC personality

Personalities who complete their Soul Healing will demonstrate a dynamic personality that has never been previously achieved throughout the history of humanity. Such dynamic personalities will be recognisable for their innate abilities of comprehension, wisdom and leadership – they will become the ‘council of elders’ for all of humanity.

Though we may begin our Healing journey with one of many complementary modalities, it is only through longing for the truth of what is behind our feelings, good and bad, and by expressing all of our childhood repression and suppression injuries do we enable our soul based personality to manifest and display its true potential – our real selves.

Feeling Healing with Divine Love becomes Soul Healing.

Progression through the equivalent of the seven Mansion Worlds of Healing with Divine Love brings about the fusion of your Indwelling Spirit with your soul and enables you to live a Celestial Soul Condition while you live on Earth.

Divine Love does not heal, however it does transform the soul from natural love to Divine Love once our childhood repression and suppression injuries are healed through Feeling Healing.

ALL complementary health and healing modalities around the world are engaging the mind to suppress emotional injuries and pacify the client / friend / patient with almost instantaneous relief. Only the soul can heal – not the mind – mind engagement is temporary. Many healing modalities do commence to engage in what we are to do in healing ourselves, however none of them go deep enough into our childhood repression and suppression. We are to long for the truth behind every feeling, both good and bad and express what we feel to a very close companion or friend. This is a very long process which ultimately fits us to enter the Celestial Heavens. This is the process that we all must engage in here on Earth or in the Spirit Worlds.

FEELING HEALING + SOUL HEALING

To heal one's self is to simply look to see what feelings we are refusing to let ourself feel, and accept them instead of denying them. And to fully accept them, one needs to express them, speak about them, let them have their say, rather than pushing them aside, refusing to let them make you feel bad.

Doing this all with the intention of seeking the truth of why you are feeling them, of speaking about and expressing all such feelings; all feelings you have, but ALL WITH the INTENTION of UNCOVERING the TRUTH THEY WANT YOU TO SEE ABOUT YOURSELF. And it's the wanting to see the truth of them that is very important, because if you just look to accept them and speak and express them, but not seek their truth, then that's all you'll be doing, speaking and expressing them, but not healing their causes, so not fixing the things within you that are making you feel bad. And it's the truth part of it, seeking the truth of your feelings, and so, seeking the truth through your feelings, that's vitally important. It's the truth of yourself, life, nature and God, that is the spiritual aspect to it all.

You CAN'T find the truth of yourself, or anything else, through and with only your mind. You HAVE to engage and look to your feelings. And so if you choose to allow your feelings to 'Show You the Way', then the truth will come as you express them.

So to do our Soul-Healing consists of these steps, all of which are ongoing until it's done:

- **Admit you are feeling bad.**
- **Accept your bad feelings, identify what they are.**
- **Honour fully your bad feelings by expressing them, speaking about them to someone who is willing to hear you talk about them, or tell them out loud to our Heavenly Parents. Long for the truth of them. Long for the truth of why you feel bad – what deep within you is causing your bad feelings?**
- **And remember, bad feelings are Good! Not bad. They are not to be despised. And as hard as it is to accept them, they are still you, and a very real part of you. And if you persist in denying them and not allowing yourself to fully live them, then you are only going to keep yourself in your errors making things harder for yourself.**
- **All sickness and suffering, all bad things that happen to you, all your problems, all your addictions – your whole feeling-denying and untrue life, is all caused by your denial of bad feelings.**
- **Every problem in the world is brought about because everyone has been brought up to deny feelings, and in particular, most of their bad ones.**

If one is intent on spiritually evolving and growing in truth, then it's vital, and this is the key, that one looks to use one's feelings as the means to gain and have access to the truth of oneself. You CAN'T find the truth of yourself or anything else through and with only your mind. You HAVE to engage and look to your feelings. And so if you choose to allow your feelings to 'Show You the Way', then the truth will come as you express them.

Doing your Soul-Healing with the Divine Love, is really doing your 'Feeling-Healing'. We are designed — created — to be self-revealing of truth, and so we are all to uncover the truth within ourselves and for ourselves, and all being done by living true to our feelings. **If you accept, express and seek the truth of your feelings, then truth will come to you, and you'll grow spiritually. It's as easy as that. Also it is as easy as it is to long for, ask for and receive Divine Love.**

LOVE
is
The New Way, Feelings First Spirituality

Feelings First Spirituality, New Feelings Way, is based on living true to our self through our feelings. Understanding that all we need in life is contained within our soul and is shown to us through our feelings. And by loving our feelings, by attending to them properly (talking or writing them out of us) and not denying them, we can use them to uncover the truth of our self – the truth of our soul.

Feelings First Spirituality is not telling us how to be, that is too controlling and is actually bad for us, limiting your spiritual growth. We can be wholly self-revealing of the truths we need to be, being the person God created us to be, all by living true to our feelings.

Feelings First Spirituality has no formal structure because we understand we don't need one, our soul contains within it all the truth of our spiritual ascent. If we look to our feelings for the truth they want us to see about ourselves, nature and God, then what more do we need! Our true spiritual path is the path our feelings will lead us down, that is, provided we allow them to. This is the most spiritual we can be.

Living the New Way of Feelings First Spirituality

We come to the understanding from our life experiences that how we are is not right, it doesn't make us feel good – that we are wrong in some way. And we want to change our self, we want to become right, true and perfect – we want to be like God is.

And to do this you need to do your Healing

Our Feeling-Healing is looking to our feelings for the truth of our self, the truth being hidden in many of the feelings we are not wanting to face in life. So we have to end our feeling denial, accepting all our bad feelings (and good ones), express them (yet not necessarily acting upon them), whilst longing to uncover the truth they are to show us.

Or, we can do our Soul-Healing; which is our Feeling-Healing, together with including longing directly to God for God's Divine Love. When we receive the Divine Love into our soul, it will cause our soul to become divine, and it will deepen our personal relationship with God. Long with all our heart to God for God's Divine Love.

THE New Way

Feelings First Spirituality

<p>By living true to ourselves, true to our feelings, we are living true to God. It's that simple.</p>

FEEL *for* TRUTH

The beauty of it all, is the truth comes to you through your own feelings. You don't need to be told it by anyone. You can work it all out for yourself. We are self-revealing of truth, it's how God created us to be, and by being it we'll feel the happiest we can feel. Truth is our great comforter, so when you feel it come up within you, ah it feels so good and you feel just right – perfect!

We only know how to deny feelings, now we can get to know how to accept them. And always with the truth being the most important part.

FEELING TRUTH

If you don't want to uncover the truth of your feelings, then you can keep on expressing them forever but you will never fully heal yourself. Seeing the truth results in the Healing. And to see the truth you need to express all the pain out of you. The two things go hand in hand.

You can accept and express your bad feelings, letting off steam all day long, yet nothing will heal and nothing much will come of it. So this is where wanting your feelings to show you the truth of why you're feeling as you are is so important.

Don't go fishing with your mind, that will shut the truth out from rising up for you. KEEP YOUR MIND OUT OF IT. It's a feeling thing, doing your Feeling-Healing. (This is where we erred previously, and this how other modalities are in error.)

You long when you can, then stop longing and keep expressing. And at some point, and it might not even happen immediately, it might happen after days or weeks of expressing the same bad feelings, truth will come to you. And it does, it just comes up suddenly into your consciousness. You just know. You see the picture and you feel it's true. And you know it's true. And THEN your mind can come in and start sorting it out and putting it in context.

It's the Truth that we are seeking. It's the End Point. The Reason for doing your Healing. You are to see the whole Truth of yourself. And to begin with, that's the whole truth of your unloving self, of your wrongness, of your evilness, of why you are as you are in your negative unloving mind-controlling state. To be able to fully accept yourself as you are, warts and all. To not fight or resist or try and change yourself, just to accept all you feel and all the truth of all those bad feelings you feel about yourself. And when you do, so you will be healed. You CAN'T heal yourself unless you uncover the truth of your pain, suffering and so the truth of all your bad feelings.

Through our Feeling-Healing we long for the truth of what we're feeling whenever we can. So as often as you can. You want, and REALLY WANT WITH ALL YOUR BEING, ALL YOUR WILL, to know why you are feeling bad. You yearn, want, long and beg and beg and BEG God to show you the truth of yourself through your feelings. So when you are expressing your bad feelings you can stop and long for the truth to show you what's going on, why do you feel so bad, and you can do it any time you think of it or feel to do it.

Heartfelt TRUTH

HIERARCHY of our SPIRITUAL GUIDANCE:

Our Heavenly Mother and Father permanently reside within Paradise, an island stationary world surrounded by Havona, in the centre of seven Super Universes.

Our Heavenly Mother and Father, being one soul manifesting two personalities bring about the creation of:

Creator daughters and sons – Michaels

Magisterial daughters and sons – Avonals

Trinity Teacher daughter and sons – Daynals – and others.

The Michaels and Avonals have Spirits of Truth to be released to assist the humanities on their assigned inhabited worlds.

Each Super Universe consists of 100,000 Local Universes.

Each Local Universe is overseen by a Creator daughter and son, our local universe is called Nebadon and Jesus and Mary Magdalene are the Michael pair and regents.

A local universe consists of 10,000,000 inhabitable worlds of which 3,840,101 are inhabited within local universe Nebadon.

A local universe consists of 100 constellations which is made up of 100 systems. Each system has 1,000 inhabitable worlds. The system that Earth is in is Satania and 619 worlds are inhabited.

Emanating from within the Local Universes are Melchizedek, Vorondadek, Lanonandek, Material and Life-Carrier pairs. None have spirits of truth – they are not from Paradise.

From within the Lanonandeks, assigned to oversee the system Satania, which includes Earth (Urantia) were the Lucifer, Satan, Caligastia and Daligastia soulmate pairs, who rebelled. Further, Adam and Eve, the Material son and daughter, defaulted because of the Rebellion. All failed in their assignments, causing us (humanity on Earth) to be spiritually misled for 200,000 years – that is why we are all ‘insane’!

Earth has had five higher spirit physical bestowals:

Daligastia soulmate pair being Lanonandeks

Adam and Eve soulmate pair Material son and daughter

Machiventa Melchizedek soulmate / soul partner pair

Creator daughter and son – Jesus and Mary Magdalene

Avonal daughter and son who are yet to commence their public ministry.

Why did the Lanonandek Daughters and Sons rebel? Being the Lucifers, Satans, Caligastias and Daligastias soulmate / soul partner pairs. James Moncrief Monday, 12 November 2018

Re The Urantia Book (TUB): there are various orders of Paradise Descending Daughters and Sons. (NB: TUB only refers to the masculine so doesn't include Daughters.) The Descending Daughters and Sons descend or step down from Paradise to reach out and 'down' to the Ascending mortals – men and women on the evolutionary worlds, who are reaching out and 'up' to Paradise and for such help from the descending spirit pairs. Ascending mortal pairs (soulmates / soul partners) cannot by themselves ascend to Paradise, how to do that is not 'encoded' in their soul. So they need higher help and guidance from the descending pairs. So if people don't have this higher help they will never spiritually and physically progress very far. And if this higher help goes haywire, people are stuffed until other higher help comes to rescue them.

One such Descending Pair, the Creator Pair, comes out from Paradise to a section of space when it is ready for them – Mary M (Magdalene) and Jesus in our case; and in union with the Divine Minister, create, or 'bring into being' a Local Universe – Nebadon. Mary and Jesus then attend to the whole (local) universe, with Avonal Descending Paradise Pairs coming as required to the individual earth worlds to ensure and initiate the spiritual changing of the ages that is needed to advance the spiritual development of mortals in accordance with the Paradise Plan.

Part of the Creation of Nebadon includes the creation of Local Universal Descending Daughters and Sons that hold key positions on individual worlds and oversee larger areas or sections of the Nebadon. With the Lanonandeks being these key administrators, guides, overseers, who are the ones that ensure the ascending mortals of each world are given what they need in accordance with the unfolding phases of their evolution, as well as providing the necessary Mansion World structures and organisation of the Celestials spheres, the greater part of Nebadon, all so mortals of the evolutionary worlds can find their way up and in through the Local Universe so as to set out on their greater spiritual journey through the Super Universe and Central Universe to Paradise. The Lanonandeks make sure all the parts work as they are intended to do, with the Melchizedeks being more involved with the ongoing teaching and personal education of mortals about all things through the Local Universe.

The Lucifers, Satans, Caligastias and Daligastias are all Lanonandek pairs.

The Lucifers were the overseers of this sector – System – of Nebadon that includes Earth – Urantia. The Satans were to help the Lucifers, being the main liaison pair with the Caligastias (The Planetary Prince and Princess) who oversaw Earth directly from spirit, and the Daligastias being physically materialised on Earth so as to oversee and help evolve the local races of Earth on all levels, the practical physical and spiritual, this being how it was five hundred thousand years ago. And for three hundred thousand years, everything went well.

The whole of Creation thus far is one gigantic Ascending mortal scheme – The Ascension Scheme. So everything in it works to help slowly evolve humanity along the plans designed for them by the Descending Pairs and the Mother and Father, with the idea to evolve through ongoing self-expression the people from all the earths up through the Mansion Worlds and into the Celestial spheres and on through and out of Nebadon. So if anything goes wrong in any level of the universe then it causes problems for the mortals who are wanting to ascend.

The Lucifers were outstanding members of their Order. However according to TUB (if I remember correctly), they were passed over when they applied to oversee certain parts of Nebadon – and so why did that happen??? Then finally they got their chance. As to why they rebelled – it is said their egos, their self-importance, grew, and they weren't able to control it. They were seduced by some inner need

for greater power – but why did that happen? And is it just like everything else, there is variation in all things and so they went the way of rebelling against Mary and Jesus and the Mother and Father. And not being of a higher Paradise Order, they are more prone to being seduced by their inner biases, whereas supposedly Paradise Descending Daughters and Sons are too perfect, being of Paradise origin, and so wouldn't or even can't, rebel. And Avonal Pairs can willingly take on rebellion, but that's their choice and they are not technically rebelling or defaulting, they needing to do this so they can heal themselves of the Wrongness thereby liberating the world of rebellion, and in our cases, also default. Which means, providing people and spirits in the Mansion Worlds, their Spirits of Truth, so everyone in a rebellious state can look to them instead of the Evil Ones, the rebellious Lanonandeks, for the way out of rebellion and onto Paradise.

The Evil Ones took over their part of Neadon, Mary and Jesus allowed them to, allowing the Rebellion and subsequent Default on Earth to run its course. However it continues to cause masses of disruptions to the natural way of things, all of which we've been and continue to be subjected to.

So because humanity for two hundred thousand years has been increasingly subjected to the Rebellion and then also the Default of Eve and Adam (Material daughter and son), we are well and truly entrenched in the unconscious belief that the Evil Ones are the Gods, and that we're to look to them for the way to be happy and feel loved – that they are the Living Truth. And yet, as we can all see from our own lives when we start to address our bad feelings, this is wrong, false and misleading, only making us feel even more unhappy, unloved and powerless in our negative truth-denying state and being unable to do anything about it – because ascending mortals are not able to go against the higher Daughters and Sons. So without humanity knowing it, we have been praying to the Evil Ones as if they are God, even with people who pray to Jesus, praying to a mind-created fantasy Jesus and not the real one, as can be seen by the Evil Ones strategically denying humanity the truth of the Divine Love, with our need to long for it being excluded from the Bible and not found in any other rebellion-created religion.

Mary and Jesus being the highest Paradise Pair, by their coming to Earth, terminated the System Rebellion of the Lucifers and Satans. So that level of evil influence on all the rebellious physical worlds ended two thousand years ago. And then it's required for each world to be attended to by a bestowal Avonal Pair, who take on the evilness of that world and heal it within themselves, thereby ending the control in our case of the Caligastias and Daligastias, which has now apparently happened, with the Avonal Pair only to finish their Healing so as to signal the complete technical end of the Rebellion and Default.

So their – the Avonal pair – Healing involves dealing with the Rebellion and Default within themselves on all levels, so people and the mind Mansion World spirits can then choose to follow them and do their Healing. So by following the Avonal Pair you are going against the Evil Ones (currently it being their legacy within you and on the world), looking to end their negative, unloving and untrue influences within yourself. And once done, you become a Celestial, either on Earth or in the Celestial spheres, and free to align yourself with Mary and Jesus, which is done by partaking of the Divine Love, and free to live your ascension to Paradise – free to become at-one with your Mother and Father.

We're all living the demented levels of the demented minds of the four Lanonandek pairs that rebelled. And as we do our Healing, so we come to see how fucked they are, as we see how fucked we are; how they passed that fuckedness onto us through our parents, how we've become so tangled up in our Wrongness, not knowing what is true – we live untruth believing it's true, we feel false love believing it's true love. We're all around the wrong way, deeply mixed up, and needing to do our Spiritual Healing to get ourselves out of our sinful and evil ways, so as to come back into alignment with the Truth. So all that we are has to go, and we're to uncover a whole New Way on all levels, personally and how to live, as we liberate ourselves from our dementedness.

With the Evil Lanonandeks no longer at large, having been detained on a prison world awaiting judgement as to what will happen to them, so the Melchizedeks stepped in taking over their positions. I don't know why other Lanonandeks weren't appointed, however I guess it's because of the damage done by the Rebellion, we who are here and part of it have to deal with it ourselves, so no outsiders other than Mary and Jesus and the Avonal Pair being from Paradise that can override that limitation.

And the Melchizedeks have enlisted the Celestial spirits help. So together, they now in effect play the roles of the Lanonandeks. And so as the Avonals progressively heal themselves, thereby liberating humanity from the dictates of the Rebellion and Default, so the Celestials are being given increasing power and authority to do what the Lanonandeks would have done. So the Rebellion on a positive note is providing the Celestial spirits with unique opportunities as part of their ascension, as we hear from Helen and Nanna Beth. And I would imagine, people who finish their Healing and become Celestials on Earth will also in some way be given extraordinary opportunities as well, all of which will involve some level of healing the world and doing what the Lanonandeks and Eve and Adam should have done. Even to the point of Celestials on Earth who have children, will in some way be like the new 'Eves and Adams' populating the world with perfect and true children, all who are completely free of the Rebellion and Default.

And what happens to the Evil Ones? I imagine they will have to undergo a long period of Compensation experiencing the pain they caused all the people and angels who were under their care. And after that, if they are not extinguished outright, possibly they might be rehabilitated to some degree; however as TUB suggests, without ever receiving the power they once had. However, as all works out for the best and ultimately is all-loving, it will be fascinating to see through our own lives how all the pain we've been made to suffer ends up helping us and being the best thing for us.

And one last thing to note, had there been no Rebellion or Default, then here on Earth we'd still have now the Daligastias as well as Eve and Adam, still helping people grow and evolve on all levels. Still being the higher Daughters and Sons that we can look to – knowing that we're not alone, that we are being looked after and loved and that a greater life of ascension awaits us. And we would by now know of the Caligastias and all the help they would be providing on the higher spiritual levels, as well as the help they would be giving mortal spirits in the Mansion Worlds. And we would know of the Satans and Lucifers and all the help they were providing on the System level. And we've understood that in a way these higher Daughters and Sons are like mini gods to us, yet not our Heavenly Mother and Father. And they would be pointing us towards Mary and Jesus helping us understand that they are the Creator Pair, and here we live in their universe of Nabadon, and that all they are doing for and with us is to help us evolve and grow on all levels as we look to our feelings for our truth we are to live as we express the personalities from our souls on our way through Nabadon and onto Paradise. It all being a perfectly unified and loving experience for us. We being able to see the higher Daughter and Son as in the Daligastias and the Material Pair, Eve and Adam, who would be for us the perfect humans that we could strive to be like. So we would want to be perfect in our humanness like Eve and Adam, and perfect in our spiritualness like the Daligastias. With both pairs showing us that we can be both perfect on the material and physical level, as we can be on the spiritual level. Which is completely the opposite of how we've been made to live, because all of that perfection has been denied us, with our being so screwed up about how we are to live both materially – physically and spiritually – we having no idea about either, and with them working fully in opposition to each other. And with our longing for and wanting the Truth, the truth of how we're to live physically and spiritually, all of which is to come (and ONLY come) through each of us individually and as a consequence of properly attending to and expressing ALL we feel.

OUR GUIDANCE to PARADISE, the home of our HEAVENLY PARENTS:

There are three distinct phases of our progression to the home of our Heavenly Parents which is Paradise that is within the circle of seven Super Universes, each containing many Local Universes.

Once we progress beyond our Local Universe of Nebadon, then we are assisted and guided by our Heavenly Parents, our true Mother and Father all the way home to Paradise.

Before then, once we have completed our soul healing, we are guided through the Celestial Heaven worlds which are those that interact with humanity on Earth, then further on into and then out through Nebadon, our Local Universe. The regents of Nebadon are Mary and Jesus.

However, before then, we are to embrace our healing. That is, we are to realise who we truly are. We are not the personalities that our parents imposed upon us. We are to put aside our childhood suppression and repression and free our true personality that our Heavenly Parents gave us, and to do this we are now able to embrace the guidance of the Avonal Pair who will lead us through our healing here on Earth and through the Spirit Mansion Worlds to be able to enter the Celestial Heavens.

The New Way: Learning how to live true to ourselves by living true to our feelings.

FEELINGS FIRST SPIRITUALITY
Living free to discover one's true self

There are 100,000 MICHAEL soulmate pairs as REGENTS throughout our SUPER-UNIVERSE:

One of these 100,000 dots represents Nebadon, our local universe, consisting of 100 constellations with each constellation containing 100 systems which in turn have 1,000 worlds. The system in which Earth is within is called Satania.

Nebadon has some 10,000,000 physical planets, of which 3,840,101 are inhabited. The regents of Nebadon are the soulmate pair being the Paradise Creator pair, Mary and Jesus.

This structure is repeated throughout our super-universe, called Orvoton, 100,000 times. There are some 100,000 Regent pairs, equivalent to Mary and Jesus, throughout our super-universe.

There are 7 super-universes that rotate around the Isle of Paradise which is the home of our Heavenly Parents, our Mother and Father. Thus, there are some 700,000 Regent pairs equivalent to Mary and Jesus.

When we progress beyond the spirit Mansion Worlds, we enter the first of the three Celestial spheres, the home city being Jerusem, this is also the home city for all 1,000 physical worlds in Satania. From there we will progress to Salvington being the head quarters for Nebadon and the home of Mary and Jesus. Then we progress to Paradise.

Earth

NEBADON, our LOCAL UNIVERSE:

A Local Universe – Nebadon. One hundred constellations (about 10,000,000 inhabitable planets) constitute a local universe. Nebadon contains 3,840,101 inhabited planets.

A Constellation. One hundred systems (about 100,000 inhabitable planets) make up a constellation.

A System. The basic unit of the super-government consists of about one thousand inhabited or inhabitable worlds.

Earth is #606 in the system of Satania and is the latest to have human life. *Jerusem* is the headquarters of our local system of Satania. Thus *Jerusem* is the city to which we arrive when we fuse with our indwelling spirit having sufficient Divine Love following our Healing and enter the first of three Celestial Heavens, all being for the 1,000 physical worlds within Satania.

Salvington, in the centre of Nebadon, is the headquarters and home of our Creator Daughter and Son, the Michaels, namely Mary Magdalene and Jesus.

All descending Daughters and Sons of God have high and divine origins. They are dedicated to the descending ministry of service on the worlds and systems of time and space, there to facilitate the progress in the Paradise climb of the lowly creatures of evolutionary origin — the ascending daughters and sons of God (humanity – us). Those Daughters and Sons who come forth from the Deities on the central Isle of Light and Life are called the *Paradise Daughters and Sons of God* and embrace the following three orders: Creator Daughters and Sons – the Michaels, Magisterial Daughters and Sons – the Avonals, the Trinity Teacher Daughters and Sons – the Daynals. All three groups have Spirits of Truth, no others do.

The remaining four orders of descending daughter and sonship are known as the *Local Universe Daughters and Sons of God*: Melchizedek Daughters and Sons, Vorondadek Daughters and Sons, Lanonandek Daughters and Sons, and Life Carriers.

The chief executive of a local system (such as Satania which includes Earth) of inhabited worlds is a primary Lanonandek Daughter and Son (was the Lucifers), the System Sovereign. The Lucifer Rebellion in the system of Satania was the last and the most widespread of all. Thirty seven (37) inhabited worlds were seduced into rebelling, by following the Lucifers and their deputies, the Satans. Earth then went on to Default at the time of Eve and Adam. Later on we crucified the Creator Son, Jesus, and ignored Mary. So now we have the physical presence of an Avonal Pair. Only the Avonal Pair can take on all of our wrongness and heal themselves. It is their Spirits of Truth that we are to long to so that we, humanity – all of us – can then heal the Rebellion and Default that we have all embraced.

DIMENSIONS of ONE'S EXISTENCE:

Our SOUL IS NOT ENSOULLED IN OUR SPIRIT BODY. Our soul exists existentially in a whole different level or plane or place or dimension of being – 'soul land'. It doesn't exist in Creation, it's not experiential like Creation is. The soul, all souls, help create their part of Creation by expressing their personalities into Creation, and then by having their personalities do things (further create) in Creation.

SOUL exists existentially

Our Physical Body and our Spirit Body are of Creation, being linked together by cords of light as are the two spirit bodies, male and female, to the one Soul.

One's unique personality is soul based. Our unique soul expresses its unique personality through the two spirit bodies and physical bodies expressing both the male and female aspects.

PERSONALITY

**Our soul is the centre of our personality.
We are children of our Heavenly Parents.
Our soul manifests a male and
female personality - it is a duplex!**

FEELINGS FIRST in all we DO!

All right, I will ask: God, what do You want me to do?

“We want you to do what you feel you want to do, always look to your feelings Our child – that is what we want you to do.”

GOD SPOKE TO ME! Is it true, can God speak to us? I’ve never spoken with God before.

It’s true; and what They said: do you understand what They meant, about going with your feelings in all that you do?

No, not really.

It means that you can’t work things out with your mind, so all you can do is always what you feel to do. When you may see someone in difficulty – any kind of difficulty – you didn’t think about what you should do, you just act, your feelings may make you want to quickly rush over to him or her and help him or her. So that’s what you do, and then you see how God is going to look after you. Because if God doesn’t want you to help everyone all the time, then you won’t be able to do it, your angels won’t do it, as they never go against what God wants, even if you ask and beg them to.

So as you go about and you do what you feel you want to do, and if you want to help someone, feeling from your heart that you really do, so you will find you just can’t help yourself, it will naturally happen; but if you find your mind starting to say, oh, I should help them but really I don’t want to, then that’s where you stop because that’s not letting your feelings guide you, that is when your mind wants to start taking over, which is taking over from God. God guides us through those true heartfelt feelings we have, and not through our mind like so many believe is how it happens. Your feelings are saying no, and so you will have to be strong and say no, sorry, God is not wanting or allowing me to help you. I am very sorry, I can’t help every problem you have, and you will have to take it up with God if you have a problem with that.

Adapted from Zarina written by James Moncrief

By living true to ourself, true to our feelings, we are living true to God. It’s that simple.

For 200,000 years, our control addicted minds have held our personalities hostage, at gun point! Our mind cannot discern truth, yet all of our guidance and education is dictating to us that through our mind we can achieve wonders. Well, look around! Wars, disease and gross misery prevail and that is after 200,000 years of boloney!

We have been given a crack in the armour of the mind. Our heartfelt feelings are our soul based truths. Our connection with our Heavenly Mother and Father is through our heartfelt feelings. Our way home is by our feelings, so let us all begin the journey.

Sometimes Your Mind Needs More Time
To Accept What The Heart Already Knows

Heart logic and mind logic are often
two very different things.

It has to feel right and make sense to
move forward with ease.

If it doesn't feel right, but it seems to
make sense, pause, and investigate within.

If it feels right but doesn't make total sense,
ask the mind to trust the heart a little more.

The heart's usually the wiser of the two.

Feelings first

FEELINGS FIRST because OUR FEELINGS are always IN TRUTH!

It is through our feelings that we connect and communicate with our Heavenly Mother and Father. It is Their Truths that we feel. This is our pathway to freedom, to a joyous existence, a way of living that is so wonderfully light, in as much as our steps forward are always with ease and a true expression of our real personality.

Feelings First is a way of living that liberates all that is unreachable via our minds.

Never before in the history of humanity have the keys to our way to our Heavenly Parents been so clearly demonstrated and provided to us. Now, in the year 2018, we have been provided with the way to liberate our true personality.

We are to embrace our feelings, our soul based feelings, and through them we will find our freedom, and within this freedom we will find the way to heal ourselves of all our repression and suppression, most stemming from our forming years, our childhood from conception through to around the age of six years.

Oh the wonders of becoming superkids. That is, to begin to naturally express ourselves, that being truly the personality of who we are, the personality vested upon us by our Heavenly Mother and Father.

As emotional feelings begin to emerge, we are to long for the truth behind such feelings, both good and bad. It is the longing for the truth of our feelings that has been ignored by us for all these centuries. Instead we have subjected ourselves to our minds that cannot discern truth.

As we shed the encrustment of errors and injuries imposed upon us by the misbeliefs of our physical parents, we can ask for and receive our Heavenly Parents' Love, Their Divine Love, and in this way we will begin to divine ourselves, leading us to the Celestial Heavens.

Feelings First

Arvonal Revelation

- We are to live Feelings First.
- We've been made to use our mind to live against many of our feelings.
- Our mind control commences at conception and is developed through our childhood.
- All the bad feelings we didn't express as we were growing up are still repressed inside us.
- And all such hidden, buried and unwanted feelings have to come out.
- And whilst they remain repressed within us, they will continue to make us feel bad and unloved.
- We get sick, depressed, suffer, have bad things happen to us because of our repressed childhood feelings.
- Humanity was brought into this state of living against itself by higher rebellious spirits.
- These Evil Ones caused the Rebellion and Default.
- We are made to rebel by default – as we have no idea we're doing it through our parenting in wrongness.
- We are all parented unlovingly – against ourselves, against our will.
- Some parenting in the wrongness is done with more love, yet it's all still wrong.
- To heal this unloving state within ourselves we have to do our Healing.
- Our Healing is our Feeling-Healing or Soul-Healing with the Divine Love.
- We can long to God for Their Divine Love, and this will help us with our Healing.
- God is our Heavenly Mother and Father, the Feminine Aspects of God having been kept hidden from us by the Evil Spirits.
- All humanity's religions and spiritual systems are designed to keep the wrongness going, to keep us away from God.
- Only by living The New Way, Feelings First Spirituality can you become right, and truly find God.
- Long for the Divine Love.
- Long for the Truth of your Feelings.
- Accepting all you feel is accepting all of yourself, it's your greatest act of self-love.
- And wanting to know the truth of your feelings, is your next greatest act of self-love.
- Love yourself through your feeling-acceptance, and the Truth will set you Free!

31 May 1914 and ongoing

Long for the Truth from God, the Truth your Heavenly Mother and Father will show you. This does come through to you via the Spirits of Truth of the Avonal Pair in relation to one's Feeling Healing and in relation to Divine Love from the Creator Pair, all from the Eternal Son and in league with the Infinite Daughter and the Divine Minister.

Feeling Healing – Healing yourself through your feelings.

- ✓ **Your feelings are the real and true you.**
- ✓ **If you are denying any feelings you are denying yourself.**
- ✓ **If you are denying yourself you can't ever be truly happy.**
- ✓ **To heal all your pain and suffering, you can look to your feelings for why you are feeling bad.**
- ✓ **If you want to know the truth of yourself, then it's your feelings you will need to look to.**
- ✓ **Your feelings hold the hidden keys to unlocking the truth of who you really are.**
- ✓ **Uncover the truth of yourself through your feelings and you will know why you feel all you do.**
- ✓ **Everything in life, why all that happens to you does, and everything about yourself, can be explained to you through your feelings.**
- ✓ **Why your relationships might not be as good as you would like, why some might fail, you will understand through your feelings.**
- ✓ **How to live a good, true, happy and loving life will come to you as you start paying attention to all your feelings.**
- ✓ **However you will also have to pay attention to all your bad feelings, and this can be very harrowing.**
- ✓ **By honouring – accepting and then expressing all the bad feelings you feel, you will slowly bring to light all the reasons why you don't feel good.**
- ✓ **And as you liberate yourself from these hidden repressed bad feelings, so you will start to feel better and better about yourself.**
- ✓ **It's a process, and it can take time, years possibly, but all that's hard will eventually pass becoming good.**
- ✓ **Expressing all your feelings, and particularly your bad ones, whilst longing and really wanting to know the truth of why you're feeling them, is doing your Feeling Healing.**
- ✓ **You can Heal yourself through your feelings. And in fact, it's the only way to really heal yourself.**
- ✓ **And if you wish to do your Healing with God, you can also long for God's Divine Love.**
- ✓ **Feeling Healing – Using your feelings to heal yourself.**

DIVINE LOVE – what does it do?

Divine Love, which is a substance, progressively:

Transforms one's soul from that which is of natural love to that which is Divine

As natural love is enhanced with the Parent's Love, we reject our tendency to error

Divine Love, our Parent's Love, restrains errors, untruths and emotional stress

As we reject the condition to error, we develop our love for our brothers and sisters

Divine Love helps one with the discovery of truth through one's soul-feeling healing

Our natural intelligence grows, perceptions rise with our soul intelligent feelings

As Law of Compensation is resolved, the Love reduces returning to being in error

Receipt of Divine Love, the Parent's Love, grows our faith, we become God reliant

As our faith grows our propensity to undertake one's Feeling Healing strengthens

With the Love, our Feeling Healing becomes Soul Healing, this we are to undertake

Without the Love we remain self reliant and dependent upon our own will power

Only with the Love will our soul condition grow rapidly, all around us also benefit

The Love is the only substance that changes the human soul to that which is Divine

Only by asking and receiving Love do we become fitted to enter Celestial Heavens

Only by asking for and receiving the Divine Love does our soul become immortal.

Quantum Jump 1

REVELATION 1
James Padgett

1914 – 1923

James Padgett bravely introduced the availability of the Mother and Father's Divine Love and a great deal of additional guidance and information, all of which has been supplemented by Samuels, Judas, Reid and Arnold. All writers were under restrictions of personality and circumstances. Revelation 1 opened the door for humanity.

Quantum Jump 2

REVELATION 2
Marion and James
Moncrief

2002
– ongoing

Marion and James Moncrief have recognised the need for one to engage in Feeling Healing and, by their actions, removed restrictions that James Padgett and others above endured, thus JM is able to critique the writings of the past 100 years resolving points of confusion as well as expand on what has been written. Revelation 2 is humanity's turning point.

Due to the extra-ordinary nature of Revelations 1 and 2, humanity with the first Revelation would have continued on into its negative pathway of living, however, combining the first Revelation with Revelation two, now humanity can embrace this turning point and commence its evolutionary growth that has required two thousand years to put in place. This is the greatest event in the history of humanity and very few are aware of such, until we enable others to become aware.

WOMEN are OUR SPIRITUAL LEADERS!

To PARADISE, the HOME of OUR HEAVENLY PARENTS

The Way Home

We men generally CAN'T do our Healing by ourselves, we need the help of a woman and / or women.

Women ARE the true spiritual leaders, they ARE able to live true to their feelings, and need to be recognised as such, appreciated for being so amazing in that capacity, and so supported and put first, something the man finds hard to do because of all his rebellious programming about being the superior dominant one.

If we men want to ever Heal ourselves of our wrongness, well we are going to have to fully honour women, we are going to have to ASK THEM FOR HELP. Women innately know the Way of their Feelings, whereas we men don't. Men spirits in the Divine Love Healing Mansion Worlds (3, 5, 7), all do receive help from fellow Healing women spirits or from higher Celestials (Sphere of Love 1, 2, 3). They all do, all of them. Not one man has done his Healing as Marion or Samantha are doing theirs. James Moncrief 20 Aug 17

The religions of today were created as a means of stopping Jesus' truth about longing for the Divine Love and what that does to the soul, and then any truth Mary Magdalene might have said about looking to our feelings for their truth, so as to keep the Rebellion in place. The religions pre-Jesus were designed by the Higher Evil Spirits who were controlling humanity to keep that control, focusing everything on the mind being in control rather than feelings, and then post-Jesus, they added more of the same yet with the added emphasis of using all he said, so taking it, corrupting it, and adapting it to their cause.

And then throw in their contrived Islam, and you have more male domination and the subjugation of feelings – of the woman.

Celestial Heavens are the Spheres of Love. One has to be a fully integrated personality, as in expressing all the aspects of one's self equally and lovingly, before one can leave the 3rd Celestial sphere – Sphere of Love, after having embraced the Way of Feelings.

When in the Celestial Heavens we work on bringing to light all the attributes of one's personality. We are to be a fully integrated personality, as in expressing all the aspects of ourself equally and lovingly, before you can leave the third Celestial sphere.

While we progress through the Divine Love Crying Worlds, we are to live true to our untruth, by living the truth of it. We only need to be true and perfect to our untrue state, and when we've done that, we're Healed. Even though we're still imperfect so far as fully expressing our personality, all of which we then perfect at the Celestial level. So really to qualify for the Celestials, that is about one living completely true to one's wrongness, and partaking of the Divine Love to a certain level, and then once that's done and being a Celestial, one can carry on bringing to light all those parts that one was denied the expression of whilst living untruth to oneself.

We are to uncover the truth of our untruth through the Healing crying Mansion Worlds levels (and their equivalent on Earth); and then once that's done, and with the appropriate amount of Divine Love in our soul warranting fusion with our Indwelling Spirit, we can move into the Celestial spheres of love (or their equivalent on Earth).

Earth has been subjected to the Rebellion and Default until now! As a soulmate pair progress with their Feeling Healing, the Rebellion and Default conditions are being cancelled.

We all arrive into the 1st Mind Natural Love Mansion World. Most continue their way of living without any awareness of the Feeling Healing process and the availability of Divine Love.

The 1st and 2nd Mind natural love Mansion Worlds are jammed to the rafters with spirit personalities. Those who progress to the 4th and 6th Mind Mansion Worlds are progressing further away from God, continuing with the Way of the Mind!

Feelings First Spirituality

The New Way

Feelings First
FF
Feeling Free

The New Way, Feelings First Spirituality
 Learn to live with God through your Feelings

Accept, express and long for the truth of your feelings

Be free in your feelings
 Free your feelings from your mind's control
 Live true to your feelings; your feelings are your true self
 Live true to yourself through your feelings

Live true to yourself by living true to your feelings.
 Long for the truth of your feelings.

Accept / Express / Bring out ALL of your good, and most importantly,
 BAD feelings.
 Want to understand why you're feeling them.
 Use your surface feelings to take you deeper into your repressed and
 hidden feelings.

The Feeling Way is the True Way.
Your feelings are your spiritual guide.
Your feelings will take you to God.

Your feelings will show you the truth of your relationships, including your relationship with God; and if anything is wrong, untrue and unloving, then why it is.

Our feelings are sacrosanct and we should respect them accordingly. And we should NEVER block them out, ignore, override, banish, deny or reject them, because if we do, we're only doing that to ourselves, as Our Feelings Are Our Self.

Our feelings are the gateway to our soul. Our feelings are the closest we can get to our soul. Knowing the truth of our feelings is knowing the truth of our soul, and knowing the truth of God.

Feelings First Spirituality is the True 'religion' for humanity.
It embraces all people.
It completely unifies the world.

Everyone can relate to everyone else through their feelings.
And we can all live the truth that comes from our feelings, all sharing the same truths as we express and have the same feelings.
No one need be left out; no one is more special than anyone else – we are all united in Truth through our feelings.

So with and through our truth we live our lives, therefore without the need of any man-made mind-laws, rules and restrictions that limit self-expression as inspired by our feelings.

The New Way, Feelings First Spirituality is what is to replace all man-made, mind-contrived religions that so many people have enslaved themselves to. The New Way, Feelings First Spirituality will set us free of all that control, ending the Rebellion and Default within ourselves as we do our Feeling-Healing, and ending such control and spiritual stagnation in the world.

Bring on the End Times – get it over and done with! Let's all see that Jesus is not going to come again, that Prophecy has failed all the mind-controlled religions. Allow such false systems of belief to die their long-awaited natural death, they've overstayed their welcome, it's now time they fade away. So let us show such antiquated, erroneous systems of belief the exit and bring on the fresh liberation of discovering the truth of how we are to live for ourselves, each of us personally in our lives, and all by looking to our own feelings for it. Self-revelation through our feelings is the way to go.

The Way of the Mind is ending, and is really the End Times – the End of our mind control, and **it's about time!** With the Way of our Feelings replacing it.

The End Times means the end and therefore a New Beginning. And that new beginning is a whole new Spiritual Age – an age based on self-revelation of truth through one’s feelings, coupled with and supported by higher revelations from the Celestial spirits, angels and nature spirits.

The Feelings First Spirituality is the True Way to God because it helps you get to know God, helping you to reach out, connect and be personal with God, and do God’s Will, all through your feelings. It is the only true way of getting to know the God of Feelings – our beloved Heavenly Mother and Father, the Great Soul of Divine Love.

Love comes through our feelings and not our mind, as we’ve all been wrongly led to believe.

Feelings First; then comes The Truth; then comes Love.

LOVE is the Religion of Feelings, being:

The CHOICE is OURS to MAKE:

Celestial Truth:

Truly all-loving;
 Living true to oneself;
 Mind supporting Feelings;
 Living with the Divine Love;
 Fully Healed of the Rebellion and Default.

THE FEELING WAY

Feeling – Ascendance
 Unlimited progression

- Living true to your untruth;
- Honouring all your bad feelings;
- Expressing feelings to uncover their truth;
- Healing the Rebellion and Default within yourself;
- Feeling unloved; being unloving;
- Feeling as bad as you can feel;
- Feeling like you are no one special;
- Longing for the Divine Love.

THE MIND WAY

Mind – Transcendence
 Limited progression

- Enlightenment, Nirvana, feeling all-loving;
- All false, mind-contrived. Anti-truth, anti-love;
- Still evolving the Rebellion and Default within yourself;
- Feeling and believing you are the Superior One;
- Living with your mind in control of your feelings;
- Living rejecting all your bad feelings;
- Living with your mind contriving you feel loved;
- Rejecting the Divine Love.

All religions, New Age, agnostic,
 atheists, no spiritual interest,
 Living the Rebellion and Default.

Hell:
 Exploiting the Rebellion and Default.

The Feelings are the doer; the Mind the teller. So we are to go with our feelings, which we can't be told to do with our mind. So the longing for the Divine Love, doing our Healing by expressing our feelings and longing for their truth, are all feelings and doing it with longing. Whereas the mind just wants to tell us what to do and how to be, no feelings in it, all how our parents have treated us.

FEELING HEALING and SOUL HEALING with the DIVINE LOVE:**James Moncrief Publications:****all publications are free downloads:**<http://divinelovesp.weebly.com/my-free-books-and-free-padgett-messages.html>

It is suggested for one to consider reading as follows:

Speaking with Mary Magdalene and Jesus – books 1 – 4

These four books encapsulate the second of the revelations with the first having been introduced by James Padgett one hundred years previously. These four books provide a wide range of guidance that has never previously been made available.

Paul – City of Light

As a gentle intro into the Divine Love and Healing; being James Moncrief's first novel and it's been criticised as being too heavily clichéd, but that's the point because it's a reflection of how he was back then.

Ann and Terry

For an example of people who might want to immediately start working on themselves and doing their Healing.

Feeling Bad? Bad Feelings are GOOD

For more understanding about our denial of our feelings and why we should not deny our feelings, and it includes how it all came about for James, using himself as an example.

Feeling bad will make you feel BETTER – Eventually!

This includes specific examples of Marion and James working on expressing particular bad feelings, again with the hope that it will help others gain something of an idea as to what's involved in doing your Feeling Healing.

Sage – and the Healing Angels of Light

Through Sage who's 13 years old, the story is primarily about the two aspects of healing; that being, with the help of our angels, and the full Healing we can do by looking to our feelings for their truth.

**Religion of Feelings
Feeling Healing****Welcome to LOVE – the Religion of Feelings
you can heal yourself through your feelings**

So these books, including the four Speaking with Mary Magdalene and Jesus books, provide the essence of it all and are examples of James' work. Then it's up to whatever takes one's fancy. Other reading to consider may include:

The Padgett Messages being published as:**The True Gospel Revealed Anew by Jesus volumes 1 – 4****Book of Truths by Joseph Babinsky****The Urantia Book****Release one's pain through expressing one's feelings.****in conjunction with****Longing for the Truth when also longing for Divine Love.**

FEELING HEALING with DIVINE LOVE is SOUL HEALING:

A collection of 'papers' that draw together specific topics including all of the above and more from other sources of information and revelation designed to help increase one's awareness about why we have the problems we do and how to heal them, all whilst living a more healthy and sustainable life. They provide a brief snapshot of the more complicated topics and issues.

Firstly, consider discovering the truth of your emotional pain through Feeling Healing. Secondly, consider longing for our Heavenly Parents' Love as you progress with your healing. Primary and most important readings are the writings of James Moncrief. Then consider the Padgett Messages, and then The Urantia Book.
