HEALTHY MERIDIANS = HEALTHY BODY:

Should that which cannot be seen under the surface is healthy, then that which can be seen above will be healthy.

Our template for the physical body is found within the spirit body, often referred to as the etheric body, and often seen as the aura around our physical body. The etheric body is the blue print to our physical body. The spirit body blue print contains many energy lines that extend from our toes to the ends of our fingers or the top of our head, these are called meridians. Should any of these energy lines become disrupted, blocked or damaged then discomfort will eventually emerge within our physical body.

These issues are negative unloving emotions – unhealthy slow moving energy balls – stuck or frozen emotions. They may start off being the size of a mustard seed, however, when we start to physically feel them then they are already the size of a lemon and they can develop to the size of a melon.

These stuck negative emotions calibrate under 200 on Dr David Hawkins' Map of Consciousness, they consist of man-made emotions! We have created our own pain.

Using kinesiology muscle testing and following easily learnt procedures, such as the Emotion Code as introduced by Dr Bradley Nelson, you can identify, locate, and remove these energy blockages from within one's spirit / etheric body. If we don't, then after an illness episode, the blocked negative energy ball will generate further pain and probable further illness. However, it is with Feeling Healing that healing takes place on a permanent basis.

Masking the symptoms with pain relief medication is not what we are about. What we aim to share is how to come to understand the cause of a discomfort, pain, or illness, and then enable people, from the comfort of their homes, to remove or release the cause **permanently**. You can do this.

Goals of Pascas WorldCare are marked by our desire to:

Treat the cause rather than the symptoms; this is the focus of Pascas Care.

People look for miracles to cure disease which is ONLY the removal of the effect of the emotion.

Further stated policy, Pascas Care – Kids of the World:

The greatest gift for our children that we could possibly provide is to enable for them to grow up without fear.

Yes, a child who is free of fear is free of illness.

HEALTHY MERIDIAN or OBSTRUCTED MERIDIAN:

The etheric body, being part of your spirit body, is the template for the physical body. Much of the energy you need for the physical body is supplied by way of chakras and the meridian lines throughout your etheric body. These meridian lines reach from your toes to the end of your fingers or top of your head. Each set of meridian lines is connected to a specific organ of your body. Each organ functions at a different vibrational frequency.

In like, many negative emotions, which are also of different vibrational frequencies, if not allowed to pass through your bodies, will find their lodgement within fields of related frequencies within your body and organs. Such negative emotion, being those calibrating under 200 on Dr David Hawkins' Map of Consciousness, may lodge anywhere in the bodies, typically on the meridian line of the related organ to which it relates to and was attracted to.

Such slow vibrating negative emotion is a plasmatic magnetic energy ball. It can grow and grow by being fed the same fuel coming from a continuation of the same emotional injury. This stuck ball of energy will restrict the movement of needed energy flow along the meridian. This will result in discomfort, then pain, and then may manifest in illness in the organ or in aspects or regions of the body related to that organ.

Allopathic / western medicine treats the symptoms, however the cause remains held in the bodies resulting in a further or similar health issue or a reoccurrence.

The negative emotion, possibly having been held since very early childhood, can be easily removed.

Issues within the subtle bodies are energetic magnetic fields that can be removed by your focused intent to recognise the issue, locate the issue, and enable the bodies to release the emotion with the support of additional magnetic energy being provided to your governing meridian down your spine. Such healing modalities include the Emotion Code and Body Code practices, as an example.

The ultimate way to improve your health condition is to long for and receive Divine Love, this love slowly but steadily grows your soul condition and results in erroneous emotions and injuries being released from your bodies.

MERIDIAN LINES are ENERGY CONDUITS for CHAKRAS.

Spirit Body, incorporating the Etheric Body, is the blue print and master designer of the Physical Body. Energy flow constrictions in the many meridian lines, that form the blue print, emerge as pain, then injuries and then illnesses within the Physical Body.

Etheric or Astral Body: The majority of karma, which is a constriction in the universal flow of energy formed by incorrect perception, is held in the astral body (only a small portion is in the physical body). It consists of bluish lines of light. It produces the acupuncture points and the major and minor chakras by the energy lines crossing each other. Where they cross seven times, there is an acupuncture point. Where they cross thirteen times, there is a minor chakra point. Where they cross twenty times, there is a major chakra point. This body is linear and is located an inch (2.5 centimetres) out from the physical body.

Almine

Each chakra point, major or minor, has a swirling vortex that draws in energy to feed the spirit body and subsequently the physical body.

ENERGY DETERMINANTS – Relationship between Body, Mind and Soul:

The physical body calibrates at 200 on Dr David Hawkins' Map of Consciousness. Many people feel and believe that their body is their real self, this is not so.

Further, the brain is not the origin of the mind, as science and medicine had believed, but the other way around. The mind controls the brain. The brain is activated by the mind's intention and not vice versa. Reason, which emanates from the mind, calibrates at 400 to 499, thus controlling the brain.

What is held in mind has the power to alter brain activity and neuroanatomy. Thought is powerful because it has a high rate of vibration. We are subject to what we hold in mind. Errors in belief bring about energy flow blockages.

Superimposed around the physical body is an energy body whose form is very much like that of the physical body and whose patterns actually control the physical body. This control is at the level of thought or intention. This superimposed energy body is one's etheric / spirit body, the template of one's physical body and home of one's mind.

The basic dictum to comprehend is that the body obeys the mind; therefore, the body tends to manifest what the mind believes. Illness is generated in the physical body by erroneous held beliefs within one's mind.

It is the energy level of love that steadily brings about a release from erroneous and harmful man-made emotions and beliefs. The energy level of love calibrates at 500 and higher. One's soul is connected to one's spirit body by cords of light. One's soul is the home of one's personality, natural intelligence and memory, it is our real self.

One's soul is always perfect and is made of the energy substance called natural love. It is by growing one's level of love does one enable sufficient energy to flow through one's chakras of the spirit body and subsequently into one's physical body that erroneous and injurious beliefs are dissolved and the potentiality for health of the physical body to become permanently repaired a possibility.

On the Map of Consciousness (MoC), the **charkas** calibrate as follows:

Crown	600	7 th chakra
Third Eye	525	6 th chakra
Throat	350	5 th chakra
Heart	505	4 th chakra
Solar Plexus	275	3 rd chakra
Sacral or Spleen	275	2 nd chakra
Base or Root Chakra	200	1 st chakra

The greatest infusion of Love, and the easiest way for one to transcend levels of emotions, that is, to evolve, is to long for, pray for, and ask for the Father's Love, Divine Love, being a light golden blue energy substance. Try the experiment.

Within the physical body, should our nerves become damaged then the connected organ can suffer severe damage. One can investigate why a nerve structure is damaged by using kinesiology muscle testing. The target is to determine the emotional blockage that is occurring within the spirit body and enable a repair to be achieved with the meridian that is currently constricted, this in turn may bring about a recovery to the physical body. Our physical body is predominantly dependent upon the energy flows from the spirit body for its sustenance, much more so than from the food we consume daily.

Our physical body is in need of healthy food. The simplest of observation is that 'Fresh is Best'. Over processed food is depleted of much of its life force. Fresh vegetables and fruits prevail as the most loving food that we can share with our body.

As one explores these pathways to improve one's quality of life, it becomes self evident that everything is inter-connected.

We can say that the vast majority of teachings, support mechanisms and health care platforms are natural love based. That is, self reliant and without dependence upon one's Creator. The outcomes may typically be observed as temporary relief. A return to health is often followed by a relapse of some kind, not necessarily the same illness or discomfort, but a similar issue. When we depend upon natural love support, we are being self reliant. Natural love requires enormous development of our personal disciplines and perseverance for us to step past an illness issue.

Now to share the greatest gift in all of the universe with you. This gift was introduced to us some 2,000 years ago, however within 150 years or so this gift was lost. By 325 CE all records of Divine Love was removed from publication.

Between 1914 and 1923, the teachings and understanding of what is Divine Love has been re-introduced through the Padgett Messages, now published in the 'Book of Truths' by Joseph Babinsky. These teachings have subsequently continued through Dr Daniel Samuels as the Revelations, between 1954 and 1963. Now Geoff Cutler has published 'Judas of Kerioth' where the teachings continued between 2001 and 2003. Though these teachings have come available over a period of eighty years, they are one continuous gift of the understanding of Divine Love and how one is able to obtain it. If we do not ask for it, we do not receive it. We have free will and our free will is respected, thus Divine Love is readily available once we ask for it, not otherwise.

As our soul condition grows with the infusion of Divine Love, then all aspects of our quality of life improves. Our life expectancy will expand and at the same time our aging illnesses will diminish in intensity and endurance.

God's Divine Love: Pray for it, ask for it, and receive it.

Getting to 100 candles

Centenarians reach that milestone because they're healthier, by virtue of genetics, common sense, or luck. In people with an average life span, diseases of old age strike earlier and last longer.

'On Beyond 100' National Geographics May 2013

Note: The cumulative period of heart disease, stroke, diabetes, dementia, or cancer for those with an average life span is 19 years, however for those who become centenarians, their period of life with aging diseases is 9 years or less than half of those who live to only 80 years or so.

NEGATIVE EMOTIONS are UNINVITED PLASMA FIELDS:

Unhealthy and negative emotions enter our soul as uninvited and unwelcome plasma that then proceeds to disrupt the energy flows of the spirit body which is the template for the physical body.

These plasma fields or balls can grow in size should they be fed with more and more of the same or similar negative emotional energy. A plasma field can collect energy from released and projected emotions from time to time.

These emotional injurious plasma fields are first attracted to specific organs that reflect the energy of specific emotions, the plasma field can then proceed to lodge anywhere within the bodies of the spirit and physical. Thus, an emotion of the heart may subsequently reside within the stomach region, both inside and protruding out there from.

Initially, the injurious uninvited emotional field, being plasma, may be extremely small, however, if allowed to fester and grow by drawing on the negative emotions of those within your environment, the energy field may grow and grow in size from that of a mere pin head to the size of a melon. This progression could take the time from very early childhood to one's senior retiring years.

As all plasma consists of magnetic and gravitational fields, once your intent is focused upon it, firstly recognising its existence, and then focusing your intent for it to be removed, the magnetic field can act in your favour. With the introduction of even a marginal amount of additional magnetic energy, by way of Reiki style then (using three middle fingers of your dominant hand – consider this for those with pace makers or those who are pregnant) or by the passing of a small magnet down your governing meridian being top of neck to bottom of the spine, then the dislodgement of the emotional plasmatic field can be achieved.

We are all energetic magnetic beings. The interference to our physical body's template, which is within our spirit body, can readily occur. The transfer of the disruption to the physical body is generally very slow, however, it can be very painful and damaging over the long term.

The extraordinary capabilities of the spirit body are extensively dumbed down and throttled back when it comes to the functionality of the physical body. The spirit body has all of our physical five senses, however, in much greater capacity, as well; the spirit body has maybe a dozen senses in all. Our physical existence is like being on training wheels for our incredible experiences to come within the spirit worlds.

“If cancer was not in our “energy”, then it was not in our reality. If feeling good about ourselves was in our energy, then our reality would be positive.” – Anita Moorjani

MODERN MEDICINE IGNORES OUR SUBTLE BODIES:

It is the injuries to our subtle bodies caused by our wayward mind that bring about the manifestation of mild discomfort, then acute pain within our physical body, and ultimately the illnesses and diseases that we then seek medical assistance to suppress. Modern medical systems do not address the cause of such illness. Ask yourself, when was the last time that a medical professional told you what the underlying cause of an illness was?

The auric field, that some can see, is the template for our physical body. Childhood Repression brings about energy flow blockages, being stuck and frozen emotional injuries, which then retard the flow of energies within our physical bodies. Modern medicine ignores this reality. The result is that treatments provided are only temporary as the underlying injury remains within our subtle bodies.

We have other bodies that are just as real as the physical body, they are all connected, if we have a problem within these subtle bodies, such problems most likely will manifest on the physical, so why not attend to it utilising a healers help on these subtle levels thereby helping yourself on the physical.

Example, our genes are multi-layered. Our genes are not only part of our physical being but are far reaching. They are:

- on the physical level
- on the emotional level
- on the mental level
- on the psychic level
- on the spiritual level.

We need to understand our **genes are not just physical, but on all levels.**

In fact our issues and illness that we recognise within the physical body are on all levels.

Only by one engaging in the process of Feeling Healing can one delve down into the core emotional issues originating from our childhood, being in the form of childhood repression and suppression, that we can then express and release such injuries and bring about permanent health to our physical body. The process of Feeling Healing is the only way to remove the underlying cause of physical illness and discomfort.

MEDICAL PROCEDURES and RESEARCH

Sometimes You Can Find a Needle in a Hay Stack!

While traditional allopathy medical research focuses only upon the physical body to resolve illness events and health issues, they continue to be like blindfolded mechanics endeavouring to repair motor vehicles.

The physical body is animated by the spirit body, and in turn the spirit body is animated by your soul. The spirit body is of much finer substance than the physical body, and the soul is of an even finer substance, hence research technology in the physical world cannot comprehend these bodies.

Your soul is home of your emotional injuries and errors. These emotional issues create fissures and damage within your spirit body. Subsequently the injuries within your spirit body generate illness within your physical body, at the corresponding location as in the spirit body.

Illness is generated by your soul, however, healing is also generated by your soul. Releasing the emotional injury in your soul heals the physical.

Never can one man do more for another man than by making it known of the availability of the Feeling Healing process and Divine Love. JD

Dr DAVID R HAWKINS:

David Ramon Hawkins, M.D. (born June 3, 1927, died 19 September 2012) is an American psychiatrist, mystic, author and controversial spiritual teacher in Sedona, Arizona. He is best known for his book *Power vs. Force*, in which he writes that applied kinesiology can distinguish the truth or falsity of any statement. He directs the non-profit Institute for Advanced Spiritual Research Inc. and operates Veritas Publishing to publish his books and seminars.

“Make a gift of your life and lift all mankind by being kind, considerate, forgiving, and compassionate at all times, in all places, and under all conditions, with everyone as well as yourself. This is the greatest gift anyone can give.”

“Every thought, action, decision or feeling creates an eddy in the interlocking, interbalancing, ever-moving energy fields of life, leaving a permanent record for all of time. This realization can be intimidating when it first dawns on us, but it becomes a springboard for rapid evolution.”

“The downside of spiritual education is the build-up of the vanity of 'I know' and the devaluation of people who are 'not spiritual'. Therefore it is important as a foundation to spiritual training and education to learn how consciousness manifests as the ego and its mechanisms.”

“It is only the minority of people who seek self-improvement or personal growth. This is because whatever one's self-criticisms, one secretly really believes that one's way of being is okay and probably the only correct one. They are alright as they are, and all problems are caused by other people's selfishness, unfairness, and by the external world.”

Saturday, 5 August 2017: Nanna Beth: David Hawkins is living in the mind worlds, so I am told, and would be of no benefit to you John. His legacy is again one of those things that sits well with you, that you enjoy and can relate to and use as you do. And really it is now for humanity to use what is available to it having come from the mind worlds, because there won't be anything further coming through from them. Now it will be up to the natural inspiration of the individual on Earth, and those who are working with us, those people who want to do their Healing. The ways of the Rebellion and Default are to die, to fade away, however this will happen gradually as people of it still try to advance themselves, their lives and humanity in their wrongness, but the next real new inspiration will come from those who embrace the New Way.

Everything is interconnected.

Whilst we are receiving our Heavenly Parents' Divine Love, and that this Love is causing change within our soul and spirit attributes, the greatest Truth known to man and spirit is that this is the way our Mother and Father are actually loving us! When we progress, it is God's way of loving us into love and then we live what we are, love.

MUSINGS by JOHN:

Thursday, 28 September, 2017

Kevin died on 10 August 2012 without any thought for spirituality and no passion for any religion, other than showing up. On 7 August 2017, he arrived into the 1st Celestial Heaven. Three days short of 5 years!!! He had met his soulmate, Kathaleen, and she arrived a few weeks before him into the first Celestial Heaven, as you may have read.

The writings that followed from Kevin are outstanding. Kevin is now a world teacher!!! He and Kathaleen both are. Neither would comprehend this, but they are. Kathaleen and Kevin's writings answers and leads anyone to the destination we are to find, in our own time.

I would like to contrast this achievement with someone I greatly respect.

David Ramon Hawkins, M.D. (born June 3, 1927, died 19 September 2012) was an American psychiatrist, mystic, author and controversial spiritual teacher in Sedona, Arizona. He is best known for his book Power vs. Force, I have read everything I can about his works – 10 books, plus videos, etc. Miracles happened around him spontaneously. The Catholic Church would make him a saint within seconds.

Hmm – Dr David Hawkins has stayed trapped in his mind and may remain in the mind spirit Mansion World for centuries, unless he embraces his feelings. He will remain stagnant and limited in his mind condition. Whereas Kevin is now a far greater and truer teacher than this great mind of Dr Hawkins. What a switch in roles! Kevin has progressed exponentially past Dr Hawkins in soul development. Go you good things, Kev and Kath.

Cheers John

Same day: Dr David Hawkins: Hello John. I have been asked to speak to you through James in this way, you being one of my ardent fans and followers of the principles I developed through my life on Earth.

Your assessment of me is correct, and I did spend time in the mind worlds trying to assimilate all that I did on Earth with all that was happening to me in my new spirit life.

Upon my arrival over here in the first Mansion World I was greeted as something of a spiritual celebrity with a host of mind spirits (as James calls them) greeting me, they being the ones who 'empowered' me to do the so-called miracles I did on Earth.

I want to tell you, it's quite a humbling experience to realise, like many of us who did such marvellous things on Earth, that it wasn't actually our own doing, we were not the sole instigator of such 'happenings', that it was other spirits working through us. And that although I attributed it to God, still I secretly thought it was all my own incredible doing, so to have to accept that I was just a conduit – that I really was, and having little more than an innate ability to be that conduit, I felt a bit flat.

And to bolster my flagging ego, I would tune into those people on Earth who were still thinking well of me, yourself John being one such person. And here again, by doing this, I gave myself a rude shock

having to face the fact and realise that few people truly understood what I was teaching, taking my work and corrupting it for their own gain. And believe it or not, I never thought such a thing would happen. So, who of my 'earthly followers' was staying true to what I taught – who actually got it?

And I kept coming back to you as one of these people John. Admittedly, had I helped you personally, you'd have had an even greater understanding and appreciation of my work, however you accept it as is and haven't corrupted it, and have guided other people to be interested in it. So I have followed you over the years in this, which meant I also took notice of what you were doing in your other spiritual interests, some of which were vastly different to anything I'd ever heard about, or found out about over here in my limited little mind world.

And I write such things in the past tense because I am very happy to say, all of which I am so grateful to you for John, that I have now progressed into the lowest sector of the Divine Love on the first Mansion World. I am learning all about it, and about the Healing, all under the incredibly patient and loving assistance of higher Celestial spirits, like those who wanted me to speak with you today.

So you can chalk me up as one of your admirers, and a mind spirit who has converted to the 'Ways of the Divine Love'. I still have a lot more to understand, this is true, and as it's so different to my earthly and mind spirit way of thinking, will take time to integrate into my way of thinking – which means, to change my way of thinking into a completely new way.

That is all I wanted to say. And although you might think that my coming is rather inconvenient with you having just written about me again, however here I am and this is what I want to say.

All the best to you John. You have no idea how grateful I am to you, and I have a strong pleasant feeling that that gratitude is only going to increase.

Yours respectfully,
Dr. David Hawkins

(James: As I was reading your comparison of the Doctor with K and K, I started to feel the energy building... oh here we go again... he's wanting to speak to me!)

Friday, 29 September 2017: Dear James and John (Noted from Samantha in England)

To be 'used' so fully by Mind Spirits, to create all he (Dr David) did under their influence, all so cunning, that must have felt quite devastating to him and I am feeling a lot of sadness, emptiness and let down with in myself as I understand how it feels to learn that my whole life has not been my own but that of my parents, their will, control and untruth and I have felt feelings of it all being such a waste of my experience being like that, a waste of the personality God created me to be. I am very sad as Dr David Hawkins realised how 'used' he has been, being a conduit for the Mind Spirits, I feel like that too, used by my parents to be as they wanted me to be instead of nurturing me to be myself and help develop the personality God gifted me.

I (Sam) bought 'Letting Go – the pathway of Surrender' by Dr Hawkins and I was very up with all of his feeling work but then felt the change in me with the mind dominant aspect of Dr Hawkins work, it was that I wasn't drawn to and felt myself draw back from it but now he can go on from what he already

knows, go further into the feeling aspect of what he discovered and I am sure he will get so much support in that from the Divine Love spirits that are guided to help him. Isn't that just so wonderful John, to have that help, like you have in Kevin and Kathaleen.

CONCLUSION:

David Hawkins' own story explains that the 'Letting Go' process is inadequate. The 'Letting Go' publication and process is his own research. Pure and simple; Dr David was knocking on the door, but that process was unable to open the door.

Again, his own story now endorses the Feeling Healing process!

This leaves no doubt as to the veracity of what Marion and James and Samantha are doing. It is THE ONLY WAY! The only way being the Feeling Healing process coupled with Divine Love.

This clears away confusion for many people who may explore everything. Other emotional processing and releasing modalities simply do not delve far enough into one's injuries and errors of belief. Yes, they provide some temporary relief, but none of them go beyond the mind and into the soul to the core and foundation of our injuries, all of which stem from our childhood upbringing.

Dr David Hawkins has now clearly put aside his own teachings and confirmed that his and all other modalities are inadequate.

Now, we all can focus upon the only way home!

FEELING HEALING with DIVINE LOVE is SOUL HEALING:

Firstly, consider discovering the truth of your emotional pain through Feeling Healing.
Secondly, consider longing for our Heavenly Parents' Love as you progress with your healing.
Primary and most important readings are the writings of James Moncrief.
Then consider the Padgett Messages, and then The Urantia Book.

Release one's pain through expressing one's feelings.

in conjunction with

Longing for the Truth when also longing for Divine Love.

**Feeling
Healing with
Divine Love is
the key!**

Our FEELINGS are our SUPREME GUIDES:

Feelings!

Feelings are what guide us through our ascension of truth. So they are really our Supreme Guides. Many people look for a person, spirit, angel, even God, for supreme guidance, however it's all right there already built in – in our feelings. We just have to submit to them, allowing them to take us where they will, expressing all the parts we want to express, letting the emotion drive that expression if it's there to be expressed, or just talking about all we feel and how feeling that feeling is making us feel – or, how we feel about having that feeling, all whilst longing for the truth of our feelings. Longing for the truth of our feelings is really: Longing for the truth of our self, because: we are our feelings. So life stirs up our feelings, we feel being alive; or, being alive means we are feeling, always feeling; and when we work out what and why we are feeling what we are, so then we know the truth of how we are. And over time the truth accumulates, and our mind expands our understanding of ourselves, all being driven from our feelings. Kevin 26 Sep 2017

Using our feelings to uncover the whole truth of our negative or anti truth and anti love state.

Kevin: So whilst we're of an untrue state, then all we have got to help us understand why we feel bad, why we are wrong, why we are negative and anti love and truth, is our feelings. So if we focus on our bad feelings, they will lead us to the truth of why we're feeling bad. Which will be the truth of what happened to us to make us be this wrong way, and how we took on the wrong way and keep it going making us feel bad.

FEELING HEALING

Note: The vital difference between emotion and feeling is that emotions have their roots in the past, and feelings relate to the present moment. Emotions represent our feelings which were not previously expressed, and these accumulate with time.

Note: Our feelings are soul-based. Our soul is always in truth. It is our soul based feelings, that when allowed to be freely recognised, we will begin to express and be who we are. This takes time and perseverance as we have encrusted our souls with layers upon layers of errors and false beliefs, it is these layers that will confuse the truth that our soul is conveying to us. Only by our progression with our Feeling Healing will our soul's expression of truth become clear and free of all cloudiness and contamination.

“What our soul needs in accordance with our own, individual, **Soul-Light-Plan-Of-Destiny** (your life's true destiny plan), They, being our Mother and Father, will give you as required. The only way we can know truly what we need is to honour and follow our true feelings. They, springing from our soul, literally telling us what we need, and so when we genuinely feel we need something, we apply our will to get it. The hard part is knowing if our feelings are true, and until we have done our whole soul-healing, they won't be clear and total true.” James – Introduction Course to Divine Love Spirituality

The New Way, Feelings First Spirituality
 Learn to live with God through your Feelings

Accept, express and long for the truth of your feelings

Be free in your feelings
 Free your feelings from your mind's control
 Live true to your feelings; your feelings are your true self
 Live true to yourself through your feelings

Live true to yourself by living true to your feelings.
 Long for the truth of your feelings.

Accept / Express / Bring out ALL of your good, and most importantly,
 BAD feelings.
 Want to understand why you're feeling them.
 Use your surface feelings to take you deeper into your repressed and
 hidden feelings.

The Feeling Way is the True Way.
 Your feelings are your spiritual guide.
 Your feelings will take you to God.

Your feelings will show you the truth of your relationships, including your relationship with God; and if anything is wrong, untrue and unloving, then why it is.

Our feelings are sacrosanct and we should respect them accordingly. And we should NEVER block them out, ignore, override, banish, deny or reject them, because if we do, we're only doing that to ourselves, as Our Feelings Are Our Self.

Our feelings are the gateway to our soul. Our feelings are the closest we can get to our soul. Knowing the truth of our feelings is knowing the truth of our soul, and knowing the truth of God.

Feelings First Spirituality is the True path for humanity.
 It embraces all people.

It completely unifies the world.

Everyone can relate to everyone else through their feelings.

And we can all live the truth that comes from our feelings, all sharing the same truths as we express and have the same feelings.

No one need be left out; no one is more special than anyone else – we are all united in Truth through our feelings.

So with and through our truth we live our lives, therefore without the need of any man-made mind-laws, rules and restrictions that limit self-expression as inspired by our feelings.

The New Way, Feelings First Spirituality is what is to replace all man-made, mind-contrived religions that so many people have enslaved themselves to. The New Way, Feelings First Spirituality will set us free of all that control, ending the Rebellion and Default within ourselves as we do our Feeling-Healing, and ending such control and spiritual stagnation in the world.

Bring on the End Times – get it over and done with! Let's all see that Jesus is not going to come again, that Prophecy has failed all the mind-controlled platforms. Allow such false systems of belief to die their long-awaited natural death, they've overstayed their welcome, it's now time they fade away. So let us show such antiquated, erroneous systems of belief the exit and bring on the fresh liberation of discovering the truth of how we are to live for ourselves, each of us personally in our lives, and all by looking to our own feelings for it. Self-revelation through our feelings is the way to go.

The Way of the Mind is ending, and is really the End Times – the End of our mind control, and **it's about time!** With the Way of our Feelings replacing it.

The End Times means the end and therefore a New Beginning. And that new beginning is a whole new Spiritual Age – an age based on self-revelation of truth through one's feelings, coupled with and supported by higher revelations from the Celestial spirits, angels and nature spirits.

The Feelings First Spirituality is the True Way to God because it helps you get to know God, helping you to reach out, connect and be personal with God, and do God's Will, all through your feelings. It is the only true way of getting to know the God of Feelings – our beloved Heavenly Mother and Father, the Great Soul of Divine Love.

Love comes through our feelings and not our mind, as we've all been wrongly led to believe.

Feelings First; then comes The Truth; then comes Love.

- Honouring all your bad feelings;
- Expressing feelings to uncover their truth;
- Healing the Rebellion and Default within yourself;
- Feeling unloved; being unloving;
- Feeling as bad as you can feel;
- Feeling like you are no one special;
- Longing for the Divine Love.

THE MIND WAY

Mind – Transcendence
 Limited progression

- Enlightenment, Nirvana, feeling all-loving;
- All false, mind-contrived. Anti-truth, anti-love;
- Still evolving the Rebellion and Default within yourself;
- Feeling and believing you are the Superior One;
- Living with your mind in control of your feelings;
- Living rejecting all your bad feelings;
- Living with your mind contriving you feel loved;
- Rejecting the Divine Love.

All religions, New Age, agnostic,
 atheists, no spiritual interest,
 Living the Rebellion and Default.

Hell:
 Exploiting the Rebellion and Default.

The Feelings are the doer; the Mind the teller. So we are to go with our feelings, which we can't be told to do with our mind. So the longing for the Divine Love, doing our Healing by expressing our feelings and longing for their truth, are all feelings and doing it with longing. Whereas the mind just wants to tell us what to do and how to be, no feelings in it, all how our parents have treated us.

STAGES of MATTER:

Matter becomes finer and finer and more incredible within each phase:

“Feeling Healing with Divine Love evokes attributes to health, that is to say, perfect balance, harmony, wisdom, knowledge, and much more. It is not human wisdom, but God’s true wisdom. The inflowing of Divine Love, therefore, increases these attributes in us.

“The opening up of the soul permits a permanent exchange with Divinity, a permanent recharge of this healing energy that allows not only the re-establishment of lost health, but the continuity of health, providing such a perfect balance, even in the physical body, that noxious agents like bacteria and virus cannot find any opportunity to unchain pathological reactions, which we commonly call illness.

“You know that the presence of bacteria or virus does not mean necessarily that the body falls ill.

“But, yes, it is correct to observe that a person perfected in their natural love, not having obtained any portion of Divinity, will always be subject to the natural laws with all their consequences. But imagine a perfect world, perfect in the natural love... Yes, you can visualize that humanity’s combined efforts to combat illness will achieve wonderful goals. You can understand that no longer would there be hunger or poverty, nor would there be corruption due to the aspiration for profit at another’s expense, and that this perfection, outside the scope of the Divine, can also leave very little space for disease. **But it is true that people without the benefit of Divine Love would lack the protective shield, which the intrinsic healing energies of Divine Love provide for those who pray for our Heavenly Mother and Father’s Grace.**

“The opening up of the soul bears other benefits.”
