Received by James Padgett. Washington D.C.

February 19th, 1916

I am here, the spirit of one who died a great many years ago in a far distant country, and when the truths of Christianity were known and practiced by the followers of the Master in the purity in which he taught them. I was a disciple of his but I am not known to history, and like a great many others who lived in those days, I worked in a humble way among the poor and simple of the Earth. My work was mostly in the country outlying, but close to Palestine, and I was one who received from the spirit world the communications of those spirits who had lived on Earth as Christians; and these communications were received in our public worship and interpreted or made plain to the common people by those teachers who had the gift of interpretation.

It was such communications as these that John (Apostle) referred to when he advised us to try the spirits to learn whether they were of God; or in other words, to learn whether they were spirits who had a knowledge of the Christ doctrines, and who came to teach us the truths as they saw them to exist in the spirit world, and who were followers of the Master.

I know that Jesus taught the New Birth and the Divine Love, and the re-bestowal of the great gift which had been forfeited by our first parents at the time of their disobedience.

I also know that he never taught us to look upon him as God, or that any death that he might die would save us from our sins or bring us in at-onement with the Father, or that the Father demanded any sacrifice in order to satisfy his wrath or pay any debt that man might owe to Him.

No, the things last mentioned were not embraced in our faith or understanding of what the truths of the Master's teachings were.

We also had the wonderful powers which Jesus possessed in the way of healing, casting out evil spirits, etc., and we never looked upon them as miracles, but as the result of the exercise of the powers which came to us when we received the Divine Love and had the faith which made this Love and all that accompanied it, things of real existence.

Jesus was always the man of love and mercy and benevolence, and never tired of his great work of doing good to the mortal; but these works were merely subordinate to the other great mission that he performed.

Above everything else, he was a teacher of the Father's Love, and the necessity of man's receiving this Love in order to become at-one with the Father, and an accepted child, whose inheritance was immortality and heaven.

So you can readily see what a departure there has been from our teachings and faith and practices, and the lives of simple followers of the Master.

Now I see that belief in the dogmas of the church and mysticisms of God are what constitutes the Christian, and soul development is little preached, or really understood, either by preacher or people; and the real secret of man's salvation has been lost to the world.

I am now in the high Celestial Spheres, where the Love of the Father is most abundant, and the spirits of men live in eternal happiness, with the knowledge that immortality is theirs.

I will not write more tonight, as it is late and you are tired.

But before I stop, permit me to say, that you are receiving the revelation of the true religion of Jesus, as well as truths which pertain to the condition and existence of the spiritual world, and the Celestial Heavens.

So with my love and blessings I am,

Your brother in Christ,

John,

the lowly follower of the Master

John Yorking

**Feeling  
Healing with  
Divine Love is  
the key!**

**Golden Rule: that one must always honour another's will as one honours one's own.**

**To liberate one's real self, one's will, being one's soul, is begun by embracing Feeling Healing, so as to clear emotional injuries and errors. With the Divine Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.**

**JESUS' GOSPEL in FEW WORDS:**

It is easy to summarize Jesus' gospel in few words: "God is Love. He offers His Love to all His children, that is to say, to all humanity. Moreover, He is always a personal God who invites us to enter into contact with Him, should we wish to do so. He will listen to us and He will answer."

~~~~~

**God is the Source of Truth. And if you want to discover Truth, go to the Source, and do not be satisfied with second or third hand information.**

**The only way to find Truth is to experience it for yourself and in yourself. What you may experience, and thus verify, in your heart — is a great truth. Judas 6 May 2002**

**Man is composed of three essentially different parts: the physical body, the spirit body, and the soul. Of these three components, the physical body is characterised by its fleeting nature, for the numbered days of its existence. In fact, it only fulfils the purpose of integrating the soul into a material world, facilitating the interaction of man's spiritual part with the coarse matter environment that surrounds him.**

**The spirit body is composed of a different kind of matter, "finer" or more "ethereal". The fact that its aspect reflects the condition of soul is a clear indication that the soul influences largely its formation, and even more, the soul is indeed the creator of this body, which covers it and provides it with the characteristic of individuality. The formation of the spirit body begins at the moment of incarnation of the soul in the foetus, incarnation which only takes place should there exist a high possibility that the spirit of life has found in the new organism a stable biological structure, allowing it to carry out its life-giving function.**

**The soul, lastly, is man's only part that resembles its Creator. This is why we also refer to God as the Great Soul or the Oversoul.**

**When the human soul receives the Love of God – His Essence – it becomes a divine soul. This is called soul transformation, culminating exactly at the moment when this process consumes the last vestiges of the natural soul, in the New Birth. Judas 8 May 2002**

**Our message is simple: God is Love, and He shares it with all who so desire. Judas 13 May 2002**

**God is Love and is willing to share this Love with all His children, that is to say, with all humanity.**

**The Heavenly Mother and Father's Love is not a simple feeling, but rather it is Their Substance, or the Essence of Divinity, that distinguishes itself by attributes, as any substance does, and what we call "unconditional love" is but one of these attributes. Judas 16 May 2002**

**Note:** Following the writings of James Moncrief, one could consider that any reference to the Father, by other relevant writers, may be read as a reference to 'our Mother and Father'. Further, when considering soul healing, then reference to Divine Love could be referred to as 'Feeling Healing with Divine Love'.

**UNIVERSALITY of our HEAVENLY PARENTS' GIFT:**

**By embracing the eleventh commandment:**

**"This is my commandment, that ye love one another even as I have loved you."**

**Golden Rule: that one must always honour another's will as one honours one's own.**

**Our soul condition steadily grows in love so that we step away from:**

**Any harm that we may cause to others which will also bring about consequences.**

**Also as our soul development progresses, our self love grows which also enables us to step away from:**

**Any self harm that we may cause which also will bring about consequences.**

**And to move along this path we simply develop our embracement of:**

**God's Divine Love; pray for it, ask for it, and receive it.**

**Or it may be even as simple as the caption below:**

**Oliver Twist asked:**

***Please, sir, I want some more!***

**Maybe we could simply ask:**

***Please, Heavenly Parents, I want some more!***

***Never can one man do more for another man than by making it known of the availability of the Feeling Healing process and Divine Love. JD***

MoC

**God is God, who is our Heavenly Mother and Father, being SoulMates. There is only one Soul that is God's Soul, that being the Soul of our Mother and Father. Our Heavenly Parents are the First Soulmates; The Two Who Are One who have brought us all into being.**

**Jesus and Mary are a son and daughter of God.**

**Jesus of Nazareth and Mary of Magdalene, being soulmates, were both free of sin. Jesus and Mary, combined in their love for us, are our teachers and guidance for us to find our way home to our Heavenly Parents. To start this journey we are to liberate our souls from being entombed within our suppressive minds, through feeling and longing for the truth of our feelings via our soul and peel away our injuries incurred since conception.**

**Give yourself time to consolidate your relationship with the Mother and Father through the partaking of Their Love. And whilst you are doing this, you can learn about your healing, all that's involved with it, as there are many willing spirits to share their healing experiences with you.**

**When you are ready it will start happening simply because you will want it to, it all being orchestrated by your soul. And when that time comes you will have developed a strong foundation in your relationship with the Mother and Father for you to work from. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.**

**It is to make longing for God's Love the priority, and then do one's healing; should one want to include God and the Divine Love in one's feeling healing. This is doing your soul-healing as you are seeking to heal your soul of all evilness – of that which made you become evil, and release all the hurt and pain of not being fully and truly loved.**

**WE ARE Children of God**

## WE ALL ARE BEING GUIDED HOME:

We need the Spirits of Truth of the Avonal Pair to Heal ourselves; then once Healed, (and for support (overshadowing) as well through your Healing), we need the Creator Pair, Mary Magdalene and Jesus' Spirits of Truth to see us through the Celestial spheres, while at all times embracing our Heavenly Mother and Father.

Until Mary and Jesus died and liberated their Spirits of Truth, no one from any of the worlds could leave Nebadon, because no one knew the way to do so. Nebadon is our local universe containing some 3.8 million inhabited physical worlds and their associated spirit worlds.

When we embrace the truths Mary and Jesus are revealing, and start to do our Feeling Healing, or with Divine Love, Soul Healing, we are then freeing ourselves up from our parental and self control.

Thus our journey to Paradise, to the home of our Heavenly Parents, is of our choosing as to when we progress, however, there is only one way:

**HUM:** Humanity is to ascend. We are self contained. Our soul is always in truth and perfect at all times. **By living true to ourself, true to our feelings, we are living true to God. It's that simple.**

We are to recognise that being engaged and dominated by our mind is the wrong way for us to evolve and grow in truth. We are to discard the mind enslavement that has been imposed upon as by all of our parents. We are to express our feelings, both good and bad and free ourselves of the indoctrination that humanity has embraced worldwide.

Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God's soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of our Mother and Father.

**AVO:** We are to embrace the truths and guidance of the Avonal Pair through their Spirits of Truth. It is the Avonal Pair's guidance that will lead us through our Feeling Healing, and with Divine Love, we will be able to ascend through the 7 spirit Mansion Worlds and enter the Celestial Heavens where we also interact with other world's spirits.

**J&M:** We are also to embrace the truths and guidance of the Paradise Pair, Mary and Jesus, who will then lead us through the 3 Celestial Heavens that are aligned with Earth, and then further on through Nebadon where we will then depart beyond on towards Paradise.

**M&F:** Beyond the universal zone of Nebadon, we will be guided by our Heavenly Mother and Father onwards through the universes to Paradise where we will be welcomed by them, home for us all, as we are all Children of God.

**WE ARE Children of God**

**WE ALL ARE BEING GUIDED HOME – NOW, HOW TO COMMENCE THE JOURNEY:**

**GOD**

**M&F**

For 200,000 years, we have been misled into embracing our mind's distortion of wisdom and truth. All such traditional understandings only lead us in the wrong direction, from which we must turn back from. Our soul based feelings are always in truth. Our minds are to follow our soul based truths and feelings, not the other way round, as we have been brought up to embrace.

We are to connect with our deeper repressed feelings.  
We are to long for the truth of what we are feeling.  
We are to live true to our selves; by living true to our feelings.

Use your surface day-to-day feelings to connect with your deeper repressed feelings. Express your surface feelings and your deeper repressed feelings to uncover the truth of yourself.

**J&M**

We all have feelings which we communicate and share with each other. And we all have deeper buried and hidden repressed feelings. Feelings from our early childhood we felt, yet weren't allowed to express. These feelings are still within us, waiting to have their say. These feelings, because they are repressed, cause us all our problems.

And as we look to uncover, bring out and accept these deeper feelings, so we're taken into new ways of looking at ourselves, our feelings, and our life. We're setting ourselves free of the controlling patterns that govern our unloving behaviour.

In this way, we progressively begin to express the personality that our Heavenly Mother and Father gave us, not the one imposed upon us by our physical parents and carers. We are to be our true and real selves.

**By living true to ourself, true to our feelings, we are living true to God. It's that simple.**

**AVO**

**HUM**

As we, humanity, long for the truth of our feelings, we can also be assisted by the Spirits of Truth of the Avonal Pair who are our spiritual teachers for Earth over this coming 1,000 years, to assist us through the Great U-Turn, away from mind dominance to being soul based feeling lead. They will assist us through the seven levels of the spirit Mansion Worlds.

Then the Creator Pair, Jesus and Mary, will lead us through Nebadon and into the greater universe. Then our Heavenly Mother and Father lead us home to Paradise.

**WE ARE Children of God**

Collectively, should we embrace them all, as we are to, then our pathway home is a journey in the hands of the Spirits of Truth of the Avonal and Paradise Pairs overseen by our Heavenly Parents.

## HOW TO GET TO PARADISE:

Long for the Divine Love

Long for the Truth

Long for the truth of your feelings

Don't deny any feelings: accept, express and want to know the truth of them

Know your feelings are the key; your feelings are the Way

Want to end your falseness and being untrue

Want to understand the truth of your early life

Use your surface feelings to move deeper into yourself, bringing up your repressed feelings

Want and long to know the whole truth of yourself

Want to do it all with God, your Heavenly Mother and Father – long to Them for help.

## The Key

Our longing drives our life. We long with feelings. We can wish for things using our mind, yet long for things with our heart. These things in the pyramid are what to long for. Longing for them, when the longing comes naturally. Longing because you feel you really want them. Long to be true with all your heart. Long to live true to your feelings. Long to understand the whole truth of yourself.

PARADISE TRINITY:

1. **Our MOTHER and FATHER (God) (MF) – Divine Love**  
SOUL (God) – One SOUL that is expressing its two PERSONALITIES, our Heavenly Mother and Heavenly Father (Soulmates)
  2. **ETERNAL SON (ES) – Divine Truth**
  3. **INFINITE DAUGHTER (ID) – Divine Mind**
- Then: The Second and Third Persons of the Paradise Trinity (ES and ID) are stepped down to the local universe trinity (Mary and Jesus, Divine Minister (DM), and her Holy Spirit.

The LOCAL UNIVERSE TRINITY:

1. **MARY M and JESUS (MF) – Love – the Living Truth**
2. **DIVINE MINISTER (DM) – Mind (and her Holy Spirit)**
3. **HUMANITY – Natural love, sons and Daughters – Truth, and our Angels – Mind**

PLANETS that engage in REBELLION:

1. **AVONAL SOULMATE PAIR – the Feeling Healing process – incarnate**
2. **DAYNAL – TEACHER PAIRS – they do not incarnate**

**So in summary:**

**Consider a diamond:**

# Mother and Father Heavenly Parents

Creator Son & Daughter  
Jesus and Mary

Avonals

Trinity Teachers  
as soulmate pairs

Melchizedeks – who have taken over from the Caligastians and Daligastians being also all as soulmate pairs.

Mortal Souls – human beings who individualise on Earth, then progress through the spirit Mansion Worlds, then into the Celestial Heavens, and beyond.

Mortal Souls – also being ascending spirits, upon completing their Soul Healing, join with their soulmate, then join their soul group of 24 mortal spirits, being 12 soul pairs. It is only as a soulgroup that anyone can progress beyond Nebadon.

The Paradise Pairs are all ONLY concerned with the SPIRITUAL wellbeing and upliftment of the planets and local universe. Currently to do with Earth:

Mary and Jesus – spiritual wellbeing and upliftment of the whole of Nebadon region.

Avonal Pair – Daynal pairs (Trinity Teacher Daughters and Sons) – Spiritual wellbeing and upliftment of individual planets and their associated Mansion Worlds.

The Local universal Sons and Daughters are all about the running of the worlds under their jurisdiction, and ensuring the higher spiritual elements can be employed, or sent astray, as in our cases through the Rebellion and Default.

Lanonandeks – Melchizedeks (and others, such as Life Carriers and Eve and Adam).

As the Lanonandeks all rebelled – the Lucifers, Satans, Caligastias and Daligastias soulmate pairs – so the Melchizedeks have taken over their roles, as well as doing their own.

So the Melchizedeks are the governors, overseers, the administrators and advisors and so on for Earth; they are the ‘controllers’, and they will instigate all that needs to be done to do with the ending of the Rebellion and Default. And they will enlist the willing help of ascending mortal pairs, so the mortal Celestials spirits (soulmates when available, and others waiting to unite with their partner), and at times mortal spirits in the Divine Love Healing Mansion Worlds. And the angels help all of us.

Currently the whole of Creation exists for the ascension of mortal souls from their earth planets to Paradise. It’s all one vast Grand Ascension Scheme. With all the higher and lower spiritual Daughters and Sons, together with all the many different angels and other universal spirit personalities, and even including nature and our very own pets, assisting women and men with their Ascension Journey. It being: and Ascension of Truth. Everything we do is done to help us grow in truth. (Only everything we do in our negative state is to deny ourselves our truth from our feelings, which is why we have to do our Healing.) All women and men are ascending (or growing) in truth through their experiences. And as we grow in truth by looking to our feelings to show us that truth, so we’re ascending, moving inwards and upwards through all the worlds and spheres of the Grand Universe to one day arrive on Paradise and meet our Heavenly Parents. God is providing us, Their children, with this spiritual journey called our Ascension of Truth. And by living true to our feelings, so we are progressing on our true Spiritual Path – our Ascension Path.

**CREATION of SOUL and SPIRIT:**

God is *The Paradise Trinity* — the eternal Deity union of the Personalities: the Universal Mother and Father; the Eternal Son of Truth; and the Infinite Daughter Spirit of Mind.

The soul of each human personality (sons and daughters of truth) is existential, driving our personality expression in the experiential. The soul of each human finds truth by embracing one's feelings and longing for the truth of them. We are to attain the Eternal Son of Truth. We are a creation of Truth.

The soul of angels is experiential, evolving through their experience by continually progressing in mind development. Angels are to attain the Infinite Daughter (Spirit) of Mind. Angels are a creation of Mind. Our soul is duplex (we have a soulmate) and is created by our Heavenly Parents. Through our Feeling Healing we perfect ourselves enabling the union with our soulmate, as we progress in truth up through the Mansion Worlds, celestial heavens and all the way to Paradise.

The soul of angels is also duplex, yet of the mind, and they progress in mind evolution to Paradise. Animals, plants and nature spirits are also creations of Mind.

Neither we nor animals reincarnate. We never die; upon death, we move into the spirit Mansion Worlds on our journey to Paradise. When animals and plants die, be they the tiny microbe to the mighty elephants of the land and the whales of the ocean, their spirit energy returns to the Spirit Collective Energy. And from this energy are drawn other animals and the nature spirits, who then in turn move onto becoming angels through increasing mind experience.

A nature spirit is an angel in waiting.

JOURNEY of HUMANITY into and through the GREAT U-TURN:

Humanity reaching its most evilness, the most lost, the most separation of soulmates. Humanity can begin its Healing. The Great U-Turn begins, the dawning of the Spiritual Age.

**This is the Great U-Turn. We are to feel and live by our feelings and express our feelings, our mind will follow in support, not the other way around.**

**Feelings First**, you can be sure about that! **Once women get that message and start living it, then the tide will really change**, with men either deciding to support them by looking to their own feelings or being left on the outer wondering what the fuss is all about.

The feminine light is going to sweep through humanity and purge it of all the yuk and darkness, helping to bring the whole of humanity back into a nurturing loving mother state of being, from which the supportive, caring father can support her and together they can make the world great again, they can bring humanity up into its natural love perfection whilst at the same time offer those people who want to spiritually grow the truths of how to embrace the Divine Love and move on to the Celestial level.

**By living true to ourselves, true to our feelings, we are living true to God. It's that simple.**

# Seven Spirit Earth Planes

We start our eternal existence by incarnating, even if it's just for a moment, onto a physical world like Earth. Then, when we die, we move into one of the seven Mansion Worlds, which can be likened to probationary worlds; worlds in spirit through which we correct all that's wrong within us. This includes if we've hurt other people or creatures very badly, we need to compensate for such suffering we've caused in others by suffering ourselves in one of the two lower Earth planes commonly called The Hells.

Other than the two lower Earth planes, we mortal spirits can't live in the other five Earth planes, they being reserved for the angels, nature spirits and other higher spirits.

The geography of the seven Earth planes is based on, or the same as, Earth, whereas the geography of the seven Mansion Worlds is unique to each world. So on Earth it's conceivable that your physical home could also be used by nature spirits, angels and higher spirits for their needs in the higher Earth planes, as well as being used by spirits confined to the two lower Earth plane – Hells. So these seven other dimensions, all focused on your home – a lot could be going on! However more than likely the reality is, the lower two Earth plane hells have spirits congregating in the darker seedier places of the physical world, or in the prisons and more isolated places if they are to spend time in isolation. Whilst the nature spirits, angels and higher spirits would reside in their higher Earth planes mostly away from dense populations of humanity, so more in the remote unpopulated areas of the world. The planes, although each being separate from each other and the physical Earth, and not interfering or influencing each other, still have some bleed-through of energy, thus affecting them in certain ways. As you can imagine, I don't think the angels would set up one of their main meeting and administration centres over one of Earth's most densely populated, corrupt and polluted cities, not unless the higher angelic light was in some way, to affect those people on Earth.

And by and large, we on Earth have very little consciously to do with any of the spirits or angels in the Earth planes. Some people feel emotionally, mentally, psychically and even at times physically disturbed or influenced by spirits in the two Earth plane, Hells, although really there is little direct interference from them. Such things as scary ghosts and knocking noises and all the dark scary poltergeist stuff comes from these wayward, lost, 'dark' and evil spirits still trying to have nefarious control over people on Earth, all of which is relatively harmless other than in exceptional cases. And mostly, we on Earth are totally unaware of our attending nature spirits and angels, and even more so of any higher spirits that might be visiting us or Earth.

For spirits and angels to get as close to us physically as they can, is done so by them being in the relevant Earth plane. During a Divine Love meditation or prayer for example, it's conceivable you might have in attendance in the various Earth planes and unbeknownst to you – dark spirits of the two Earth planes that want to try and redeem themselves so are brought to attend your prayer or meditation; you might have nature spirits there as well; you will have your attending angelic pair together with other angels; and you might have other higher spirits who are required to help you in your thoughts or feelings to progress in your spiritual development; and then you might also have other Mansion World or Celestial spirits attending you in the relevant Earth plane, including even from the Hell planes should the spirits want to get as close to you as they physically can. A lot of Mansion World spirits descend into the lower two Earth planes, the Hell planes, so as to be close to their loved ones on

# Seven Spirit Earth Planes

Each of the seven Earth spirit planes co-exist in the same space as we do in the physical. We of the physical world are of the coarsest and densest material. Starting with the 1<sup>st</sup> plane, the material within each plane becomes finer, more refined and of greater luminosity. Those within the lower planes cannot see or discern the presence of those in higher planes. Those of the higher planes can move about those in lower planes without them being aware of being present unless they wish to reveal themselves.

Each plane is predominantly for one group of spirit or angel personalities, however there are sectors within planes where visitors from higher planes can move about freely. No harm or disturbance can be caused by any spirit personality upon another, not even those within the physical Earth existence.

5<sup>th</sup> Earth Plane being for visitors from the Celestial Heavens and higher angels and spirits from other parts of Creation, including Finaliters.

4<sup>th</sup> Earth Plane being exclusively for Angels, some of which have evolved from Nature Spirits!

3<sup>rd</sup> Earth Plane is the exclusive domain of Nature Spirits who are derived from creature life experience on Earth.

2<sup>nd</sup> Earth Plane – a ‘Sphere of Isolation’ from which one progresses having settled the Law of Compensation, allowing entry into regular spirit life in the 1<sup>st</sup> spirit Mansion World.

1<sup>st</sup> Earth Plane – the darkest ‘Sphere of Isolation’ and closest to Earth. A plane allowing spirits to live in their state of hell because of their grievous inclination to cause harm to others.

**There are 100,000 MICHAEL soulmate pairs as REGENTS throughout our SUPER-UNIVERSE:**

One of these 100,000 dots represents Nebadon, our local universe, consisting of 100 constellations with each constellation containing 100 systems which in turn have 1,000 worlds. The system in which Earth is within is called Satania.

Nebadon has some 10,000,000 physical planets, of which 3,840,101 are inhabited. The regents of Nebadon are the soulmate pair being the Paradise Creator pair, Mary and Jesus.

This structure is repeated throughout our super-universe, called Orvoton, 100,000 times. There are some 100,000 Regent pairs, equivalent to Mary and Jesus, throughout our super-universe.

There are 7 super-universes that rotate around the Isle of Paradise which is the home of our Heavenly Parents, our Mother and Father. Thus, there are some 700,000 Regent pairs equivalent to Mary and Jesus.

When we progress beyond the spirit mansion worlds, we enter the first of the three Celestial spheres, the home city being Jerusem, this is also the home city for all 1,000 physical worlds in Satania. From there we will progress to Salvington being the head quarters for Nebadon and the home of Mary and Jesus. Then we progress to Paradise.

**Earth** →

## **NEBADON, our LOCAL UNIVERSE:**

*A Local Universe – Nebadon.* One hundred constellations (about 10,000,000 inhabitable planets) constitute a local universe. Nebadon contains 3,840,101 inhabited planets.

*A Constellation.* One hundred systems (about 100,000 inhabitable planets) make up a constellation.

*A System.* The basic unit of the super-government consists of about one thousand inhabited or inhabitable worlds.

Earth is #606 in the system of Satania and is the latest to have human life. *Jerusem* is the headquarters of our local system of Satania. Thus *Jerusem* is the city to which we arrive when we fuse with our indwelling spirit having sufficient Divine Love following our Healing and enter the first of three Celestial Heavens, all being for the 1,000 physical worlds within Satania.

*Salvington*, in the centre of Nebadon, is the headquarters and home of our Creator Daughter and Son, the Michaels, namely Mary Magdalene and Jesus.

All descending Daughters and Sons of God have high and divine origins. They are dedicated to the descending ministry of service on the worlds and systems of time and space, there to facilitate the progress in the Paradise climb of the lowly creatures of evolutionary origin — the ascending daughters and sons of God (humanity – us). Those Daughters and Sons who come forth from the Deities on the central Isle of Light and Life are called the *Paradise Daughters and Sons of God* and embrace the following three orders: Creator Daughters and Sons – the Michaels, Magisterial Daughters and Sons – the Avonals, the Trinity Teacher Daughters and Sons – the Daynals. All three groups have Spirits of Truth, no others do.

The remaining four orders of descending daughter and sonship are known as the *Local Universe Daughters and Sons of God*: Melchizedek Daughters and Sons, Vorondadek Daughters and Sons, Lanonandek Daughters and Sons, and Life Carriers.

The chief executive of a local system (such as Satania which includes Earth) of inhabited worlds is a primary Lanonandek Daughter and Son (was the Lucifers), the System Sovereign. The Lucifer Rebellion in the system of Satania was the last and the most widespread of all. Thirty seven (37) inhabited worlds were seduced into rebelling, by following the Lucifers and their deputies, the Satans. Earth then went on to Default at the time of Eve and Adam. Later on we crucified the Creator Son, Jesus, and ignored Mary. So now we have the physical presence of an Avonal Pair. Only the Avonal Pair can take on all of our wrongness and heal themselves. It is their Spirits of Truth that we are to long to so that we, humanity – all of us – can then heal the Rebellion and Default that we have all embraced.

## DIMENSIONS of ONE'S EXISTENCE:

Our SOUL IS NOT ENSOULLED IN OUR SPIRIT BODY. Our soul exists existentially in a whole different level or plane or place or dimension of being – 'soul land'. It doesn't exist in Creation, it's not experiential like Creation is. The soul, all souls, help create their part of Creation by expressing their personalities into Creation, and then by having their personalities do things (further create) in Creation.

SOUL exists existentially

Our Physical Body and our Spirit Body are of Creation, being linked together by cords of light as are the two spirit bodies, male and female, to the one Soul.

One's unique personality is soul based. Our unique soul expresses its unique personality through the two spirit bodies and physical bodies expressing both the male and female aspects.

## PERSONALITY

**Our soul is the centre of our personality.  
We are children of our Heavenly Parents.  
Our soul manifests a male and female personality - it is a duplex!**

### **HISTORY UNFOLDING:**

Man was 'seeded' on Earth maybe some one million years ago in its primitive nature form, they were named Andon and Fonta (also known as Aman and Amon). It was the arrival of Adam and Eve some thirty eight thousand years ago that there was to be an endeavour to significantly evolve the human race on Earth, both spiritually and genetically. In this endeavour, Adam and Eve defaulted, both succumbing to the ways of the rebellion that had been embraced by humanity in its animalistic nature some two hundred thousand years ago.

The Rebellion had been in play in its development for some thousands of years. The Rebellion is that of one succumbing to one's mind and being self reliant, rather than embracing our Heavenly Parent's Will, being bestowed and to be found within our soul based truth and will. From the outbreak of the rebellion to the day of enthronement of Jesus and Mary as sovereign rulers of Nebadon, Jesus and Mary never interfered with the rebel forces of Lucifer and his soulmate, or their deputies, Satan and his soulmate.

It was the bestowal of Mary and Jesus, their coming to Earth, two thousand years ago, that brought about the authority and power for the removal of Lucifer. It was their coming into physical life and living on Earth, and remaining in a perfect state, that brought about the escalation of their authority and the termination of the Rebellion at that time. During the two thousand years leading to this current time, the remnants of the Rebellion and Default have been progressively removed. The Caligastias and Daligastias, being soul pairs and who remained embellishing the role of 'gods' in the natural love Mansion Worlds / spheres, had continued with their self-made appointment as rulers, now having only very recently been disposed from their 'thrones' (possibly around the early 1990's).

Only now can humanity be guided to the pathway of stepping away from the pain and misery of being self reliant – mind dominated, and embracing the will of our Heavenly Parents, Mother and Father, God – soul feeling orientated. Only now can the feminine aspect come to full bloom and be revealed. Only now can the process of removing of the erroneous teachings that generation after generation hand down to their children be explained and be rebuffed. All of which could not be revealed under the rules of the Rebellion and Default.

As Mary and Jesus, the Creator Daughter and Son of Nebadon, were perfect throughout their physical lives, they do not have the personal experiences to adequately share with us how to heal ourselves of our evilness / errors, that of denying Mother and Father – God and themselves, Mary and Jesus. And now there is possibly another bestowal pair on Earth. This pair being the Avonals. If they are here, then they will have embraced all the errors and evilness that humanity is in, and then work through the Feeling Healing process and also embrace Soul Healing. Upon their physical deaths, they then release their spirits of truth so that all of humanity who wish to undertake their Feeling Healing and Soul Healing, should they long for their support, will be able to access these Spirits of Truth for assistance.

Paradise Magisterial Sons and Daughters constitute the order of Avonals in contradistinction to the order of Michael, the Creator Sons and Daughters. Though not creators in the personal sense, they are closely associated with the Michaels in all their work. The Avonals are planetary ministers and judges, the magistrates of the time-space realms — of all races, to all worlds, and in all universes.

Humanity will continue to connect with the Spirits of Truth of Mary and Jesus, even though Mary and Jesus will now step back from assisting humanity and enable the Avonal pair to assist and guide humanity in this coming age. This change over is the end time of Mary and Jesus' era.

**Why did the Lanonandek Daughters and Sons rebel? Being the Lucifers, Satans, Caligastias and Daligastias soulmate pairs.**

James Moncrief Monday, 12 November 2018

Re The Urantia Book (TUB): there are various orders of Paradise Descending Daughters and Sons. (NB: TUB only refers to the masculine so doesn't include Daughters.) The Descending Daughters and Sons descend or step down from Paradise to reach out and 'down' to the Ascending mortals – men and women on the evolutionary worlds, who are reaching out and 'up' to Paradise and for such help from the descending spirit pairs. Ascending mortal pairs (soulmates) cannot by themselves ascend to Paradise, how to do that is not 'encoded' in their soul. So they need higher help and guidance from the descending pairs. So if people don't have this higher help they will never spiritually and physically progress very far. And if this higher help goes haywire, people are stuffed until other higher help comes to rescue them.

One such Descending Pair, the Creator Pair, comes out from Paradise to a section of space when it is ready for them – Mary M (Magdalene) and Jesus in our case; and in union with the Divine Minister, create, or 'bring into being' a Local Universe – Nebadon. Mary and Jesus then attend to the whole (local) universe, with Avonal Descending Paradise Pairs coming as required to the individual earth worlds to ensure and initiate the spiritual changing of the ages that is needed to advance the spiritual development of mortals in accordance with the Paradise Plan.

Part of the Creation of Nebadon includes the creation of Local Universal Descending Daughters and Sons that hold key positions on individual worlds and oversee larger areas or sections of the Nebadon. With the Lanonandeks being these key administrators, guides, overseers, who are the ones that ensure the ascending mortals of each world are given what they need in accordance with the unfolding phases of their evolution, as well as providing the necessary Mansion World structures and organisation of the Celestials spheres, the greater part of Nebadon, all so mortals of the evolutionary worlds can find their way up and in through the Local Universe so as to set out on their greater spiritual journey through the Super Universe and Central Universe to Paradise. The Lanonandeks make sure all the parts work as they are intended to do, with the Melchizedeks being more involved with the ongoing teaching and personal education of mortals about all things through the Local Universe.

The Lucifers, Satans, Caligastias and Daligastias are all Lanonandek pairs.

The Lucifers were the overseers of this sector – System – of Nebadon that includes Earth – Urantia. The Satans were to help the Lucifers, being the main liaison pair with the Caligastias (The Planetary Prince and Princess) who oversaw Earth directly from spirit, and the Daligastias being physically materialised on Earth so as to oversee and help evolve the local races of Earth on all levels, the practical physical and spiritual, this being how it was five hundred thousand years ago. And for three hundred thousand years, everything went well.

The whole of Creation thus far is one gigantic Ascending mortal scheme – The Ascension Scheme. So everything in it works to help slowly evolve humanity along the plans designed for them by the Descending Pairs and the Mother and Father, with the idea to evolve through ongoing self-expression the people from all the earths up through the Mansion Worlds and into the Celestial spheres and on through and out of Nebadon. So if anything goes wrong in any level of the universe then it causes problems for the mortals who are wanting to ascend.

The Lucifers were outstanding members of their Order. However according to TUB (if I remember correctly), they were passed over when they applied to oversee certain parts of Nebadon – and so why did that happen??? Then finally they got their chance. As to why they rebelled – it is said their egos, their self-importance, grew, and they weren't able to control it. They were seduced by some inner need for greater power – but why did that happen? And is it just like everything else, there is variation in all things and so they went the way of rebelling against Mary and Jesus and the Mother and Father. And not being of a higher Paradise Order, they are more prone to being seduced by their inner biases, whereas supposedly Paradise Descending Daughters and Sons are too perfect, being of Paradise origin, and so wouldn't or even can't, rebel. And Avonal Pairs can willingly take on rebellion, but that's their choice and they are not technically rebelling or defaulting, they needing to do this so they can heal themselves of the Wrongness thereby liberating the world of rebellion, and in our cases, also default. Which means, providing people and spirits in the Mansion Worlds, their Spirits of Truth, so everyone in a rebellious state can look to them instead of the Evil Ones, the rebellious Lanonandeks, for the way out of rebellion and onto Paradise.

The Evil Ones took over their part of Nebadon, Mary and Jesus allowed them to, allowing the Rebellion and subsequent Default on Earth to run its course. However it continues to cause masses of disruptions to the natural way of things, all of which we've been and continue to be subjected to.

So because humanity for two hundred thousand years has been increasingly subjected to the Rebellion and then also the Default of Eve and Adam (Material daughter and son), we are well and truly entrenched in the unconscious belief that the Evil Ones are the Gods, and that we're to look to them for the way to be happy and feel loved – that they are the Living Truth. And yet, as we can all see from our own lives when we start to address our bad feelings, this is wrong, false and misleading, only making us feel even more unhappy, unloved and powerless in our negative truth-denying state and being unable to do anything about it – because ascending mortals are not able to go against the higher Daughters and Sons. So without humanity knowing it, we have been praying to the Evil Ones as if they are God, even with people who pray to Jesus, praying to a mind-created fantasy Jesus and not the real one, as can be seen by the Evil Ones strategically denying humanity the truth of the Divine Love, with our need to long for it being excluded from the Bible and not found in any other rebellion-created religion.

Mary and Jesus being the highest Paradise Pair, by their coming to Earth, terminated the System Rebellion of the Lucifers and Satans. So that level of evil influence on all the rebellious physical worlds ended two thousand years ago. And then it's required for each world to be attended to by a bestowal Avonal Pair, who take on the evilness of that world and heal it within themselves, thereby ending the control in our case of the Caligastias and Daligastias, which has now apparently happened, with the Avonal Pair only to finish their Healing so as to signal the complete technical end of the Rebellion and Default.

So their – the Avonal pair – Healing involves dealing with the Rebellion and Default within themselves on all levels, so people and the mind-spirit Mansion Worlds can then choose to follow them and do their Healing. So by following the Avonal Pair you are going against the Evil Ones (currently it being their legacy within you and on the world), looking to end their negative, unloving and untrue influences within yourself. And once done, you become a Celestial, either on Earth or in the Celestial spheres, and free to align yourself with Mary and Jesus, which is done by partaking of the Divine Love, and free to live your ascension to Paradise – free to become at-one with your Mother and Father.

We're all living the demented levels of the demented minds of the four Lanonandek pairs that rebelled. And as we do our Healing, so we come to see how fucked they are, as we see how fucked we are; how they passed that fuckedness onto us through our parents, how we've become so tangled up in our Wrongness, not knowing what is true – we live untruth believing it's true, we feel false love believing it's true love. We're all around the wrong way, deeply mixed up, and needing to do our Spiritual Healing to get ourselves out of our sinful and evil ways, so as to come back into alignment with the Truth. So all that we are has to go, and we're to uncover a whole New Way on all levels, personally and how to live, as we liberate ourselves from our dementedness.

With the Evil Lanonandeks no longer at large, having been detained on a prison world awaiting judgement as to what will happen to them, so the Melchizedeks stepped in taking over their positions. I don't know why other Lanonandeks weren't appointed, however I guess it's because of the damage done by the Rebellion, we who are here and part of it have to deal with it ourselves, so no outsiders other than Mary and Jesus and the Avonal Pair being from Paradise that can override that limitation.

And the Melchizedeks have enlisted the Celestial spirits help. So together, they now in effect play the roles of the Lanonandeks. And so as the Avonals progressively heal themselves, thereby liberating humanity from the dictates of the Rebellion and Default, so the Celestials are being given increasing power and authority to do what the Lanonandeks would have done. So the Rebellion on a positive note is providing the Celestial spirits with unique opportunities as part of their ascension, as we hear from Helen and Nanna Beth. And I would imagine, people who finish their Healing and become Celestials on Earth will also in some way be given extraordinary opportunities as well, all of which will involve some level of healing the world and doing what the Lanonandeks and Eve and Adam should have done. Even to the point of Celestials on Earth who have children, will in some way be like the new 'Eves and Adams' populating the world with perfect and true children, all who are completely free of the Rebellion and Default.

And what happens to the Evil Ones? I imagine they will have to undergo a long period of Compensation experiencing the pain they caused all the people and angels who were under their care. And after that, if they are not extinguished outright, possibly they might be rehabilitated to some degree; however as TUB suggests, without ever receiving the power they once had. However, as all works out for the best and ultimately is all-loving, it will be fascinating to see through our own lives how all the pain we've been made to suffer ends up helping us and being the best thing for us.

And one last thing to note, had there been no Rebellion or Default, then here on Earth we'd still have now the Daligastias as well as Eve and Adam, still helping people grow and evolve on all levels. Still being the higher Daughters and Sons that we can look to – knowing that we're not alone, that we are being looked after and loved and that a greater life of ascension awaits us. And we would by now know of the Caligastias and all the help they would be providing on the higher spiritual levels, as well as the help they would be giving mortal spirits in the Mansion Worlds. And we would know of the Satans and Lucifers and all the help they were providing on the System level. And we've understood that in a way these higher Daughters and Sons are like mini gods to us, yet not our Heavenly Mother and Father. And they would be pointing us towards Mary and Jesus helping us understand that they are the Creator Pair, and here we live in their universe of Neadon, and that all they are doing for and with us is to help us evolve and grow on all levels as we look to our feelings for our truth we are to live as we express the personalities from our souls on our way through Neadon and onto Paradise. It all being a perfectly unified and loving experience for us. We being able to see the higher Daughter and Son as in the

Daligastias and the Material Pair, Eve and Adam, who would be for us the perfect humans that we could strive to be like. So we would want to be perfect in our humanness like Eve and Adam, and perfect in our spiritualness like the Daligastias. With both pairs showing us that we can be both perfect on the material and physical level, as we can be on the spiritual level. Which is completely the opposite of how we've been made to live, because all of that perfection has been denied us, with our being so screwed up about how we are to live both materially – physically and spiritually – we having no idea about either, and with them working fully in opposition to each other. And with our longing for and wanting the Truth, the truth of how we're to live physically and spiritually, all of which is to come (and ONLY come) through each of us individually and as a consequence of properly attending to and expressing ALL we feel.

# MIND Worship

# First Parents being First Ensouled Humans

Our first parents, Andon and Fonta (also called Aman and Amon), were the first to exhibit human perfection hunger some **one million years ago**. Andon and Fonta were the most remarkable pair of human beings that have ever lived on the face of the Earth. This wonderful pair, the actual parents of all mankind, were in every way superior to many of their immediate descendants, and they were radically different from all of their ancestors, both immediate and remote.

The Lucifer soulmate pair believe that the mind is superior to all things. Thus they convinced the inhabitants of 37 inhabited planets within the universe of Nebadon, including Earth, to become self reliant and abandon God and Their administrative leadership. The Lucifers brought about the Rebellion on Earth two hundred thousand years ago. So for 200,000 years of spiritual darkness, humanity has suffered the consequences of one's error ridden mind.

# REBELLION

Adam and Eve, the Adamite soulmate pair, came about **thirty eight thousand years ago** to upstep the gene structure of humanity and advance their spirituality.

# DEFAULT

Both Eve and Adam mated with local humans and accordingly defaulted on the plan. They were to breed a superior stock that would then interbreed.

Mary of Magdalene and Jesus of Nazareth, soulmates, **two thousand years ago**, both retained perfection, and during their sojourn on Earth were enthroned as sovereign rulers of Nebadon. **The bestowal of Michael (Jesus and Mary) terminated the Lucifer rebellion.**

The Second Coming, **now in progress**, reveals the availability of Divine Love and the need for each person to engage in the process of Feeling Healing. With the Divine Love then this process is one's Soul Healing.

## Jesus: The Truths You Have Received from Mr. Padgett and Dr. Samuels Are Only the Beginning of Our Efforts.

<http://new-birth.net/contemporary-messages/messages-sorted-year/messages-1984-2000/the-truths-received-from-mr-padgett-and-dr-samuels-are-only-the-beginning-dl-17-apr-1987/>

Received by D.L.

April 17, 1987

“Dearest Jesus, Your last message on the [Law of Prayer](#) has given me and our Trustees so much pleasure. And we are grateful to have received such an important exposition on the Law aspect of prayer — how the Father will never fail to respond to prayers from the souls of His children. Thank you so much, Master, for this new insight into the workings of the Father's Love and Mercy that you have given us. Indeed, you promised that your messages would make me happy, and you have kept your promise.

“B\_\_ has asked the question as to whether or not your beloved apostle, John, who is also one of my guardians, has any interest in communicating through me. My feeling has been that, for the present, you are taking the full responsibility of helping to develop my mediumship. But I trust you will let me know whenever John or any other of your wonderful co-workers would like to try communicating through me. Be assured that I am most willing to do my best to receive their thoughts.

“Well, dearest brother, please speak on whatever subject you wish to today. I only pray that I may be able to receive your thoughts to the degree of your complete satisfaction.

“I now welcome your loving presence, my dear friend and brother.” D.L.

I am now here to write, my dear brother in Christ, and I come to you this day as usual to impart my thoughts of love and caring through you.

Today, it will be my pleasure to announce that you will have other communicators writing through you in due course, for we wish to have many others experience the opportunity to speak to the world through your channelling efforts. We have been waiting for your development to take place to that degree whereby our thoughts could be clearly received, and I am happy to say that your clarity is improving day by day and as you continue practicing and praying for the Father's Love. Soon, others will come through; but, for the present, I would like to continue working with you for awhile.

I have no particular message to deliver today — only to assure you that you are proceeding correctly in praying and practicing. The time will come when others will be able to communicate their thoughts as easily as I do mine, if you will but continue to pray for the Father's Love to enter your soul and better prepare you for message taking, as you have so prayed today.

Once we are more fully established as a body, we will begin to establish a work force the likes of which the world has never known before. We, in the Celestial Heavens, have been waiting for the time to come when all our spiritual forces might be brought to bear in order to carry out and accelerate our mission of disseminating the Father's Truths to a soul-hungering world. And the time will soon come when our powers will be able to be exercised in this direction. We have lacked our necessary counterpart "army" on Earth to accomplish our purposes as we would have liked. But, now, with the growing number of our followers and earthly helpers, we are fast approaching that time when we will be

able to exercise spiritual forces for good the likes of which the world has never heretofore seen. And these forces will be joined by the forces of our mortal brethren in a united effort to awaken humankind to their proper destiny.

Humankind has been stagnating too long in their refusal to turn to the Father's Love, but this will change. More and more of humankind are becoming awakened to the Father's Love and Mercy, many of which are becoming so through your efforts as a church body to illuminate the Way for them to proceed out of the darkness and into the light. But so much more is still necessary to enlighten humankind to some of the additional Truths which will make the Way easier for them.

The Father wants all His children to come to him with love and earnest aspirations, but He also knows how hard it is to seek higher things in a world filled with strife and wars. Accordingly, he requires of us to lend ever assistance to our fellowman so that, through our efforts, they might see the Way more clearly before them.

The Truths you have received from Mr Padgett and Dr Samuels are only the beginning of our efforts employed toward the greater enlightenment of humankind. We have other ways of reaching the hearts and souls of men, and these are being employed as well. One day, it will all "come together," as your young folks sometimes like to say. The forces in the Celestial Heavens will join with the benevolent forces on Earth to bring all of humankind under the full Protection and Guidance of the Father. But that time is still afar off. Our work is a slow one where patience is required, but the results of our work are always beneficial. It is now only a question of time before our numbers of followers increase to that degree whereby, in combination, we will begin to exert a benevolent force of such proportion that its effect will be felt throughout the world.

Just be assured, my beloved co-workers, that none of your efforts are for naught. Every bit of goodness and service and help have their effects upon the total plan of fulfilling man's final destiny. The time will come when that destiny will be fulfilled, when there will be peace on Earth and good will toward men, and when Heaven itself will be experienced in the hearts and souls of mortals themselves. But, until that time comes, we must work and never cease to work. The labourers are few and the harvest is ripe.

And, so, my beloved children, I thought you would like to hear this day the encouraging words I have attempted to deliver. Sometimes it seems like our efforts are to no avail, or proceed at such a slow pace as to be hardly worthwhile. But I can assure you that this is not so. Every kind thought and deed has its positive impact and outcome. And when these thoughts and deeds begin to be accumulated, soon, a geometric effect takes place whereby good begins to overwhelm evil and happiness begins to replace despair. We are moving toward that end and ultimate victory of the human spirit over all adversity. And all our beloved co-workers have a part to play with us in this great drama.

Know that we love you and appreciate so much all you do in serving our mutual cause so unselfishly and lovingly. Your rewards will surely come; and, in fact, are already being experienced by each and every one of you in his or her own way. Your lives are taking on greater and greater meaning, and you are deriving greater and greater fulfilment from what you do. Is this not a phase of reward? But be assured that, when you all come over to the spirit side of life, you will discover the true and more complete experience of reward for all that you have done and do in the service of disseminating the Father's Truths to as many of your brothers and sisters in the flesh as you are able to impress. Here, on Earth, rewards are basically few and far between; but on the spirit side of life, you will discover a

happiness that you have never dreamed could exist, all the more of which you will have earned and accumulated as the result of all your loving efforts on Earth.

So, my beloved co-workers, do not despair. The work continues to proceed nicely, and you can be sure that it is all having its positive impact upon others. I love you, each and every one, and I hope that I have brought you words of encouragement and upliftment of spirit today. With my love extended to each and every one of you working for our cause, I will bid you good day for now with my wish that you all have a joyous and productive week ahead of you.

I am your brother in spirit, Jesus

**Note:****The Map of Consciousness scale is from 1 to 1,000**

The Map of Consciousness (MoC) table is based on the common log of 10. It is not a numeric table.

A calibration increase of 1 point is in fact a 10 fold increase in energy.

A calibration increase of 10 points is in fact a 10,000,000,000 fold increase in energy.

Thus the energy differentials are in fact enormous!

## **Dr Leslie R Stone – my soul condition on passing over.**

Melbourne, Australia, Received by Nicholas Arnold.

January 4th, 2011

I write this message about the condition of my soul upon my going over to the spirit world after the completion of my life. (Died January 6th, 1967) I deliver this message and conversation with you for you have asked and because other followers of the Truths have asked about such a thing as soul condition.

Firstly, I am so pleased that there is general inquiry into my condition as many of you are in receipt of God's Divine Love and, this subject predominantly involves and likely to be of concern, regarding one's progressive condition in their own soul. If I may say, I was not actively working on my soul condition by the receipt of the Father's Love. My connectivity primarily a service to the Truths delivered in the time a few others and I witnessed James Padgett writing with the spirits. I was not present all the time, for such an extended period of time those seven years, and we all had our various commitments.

I believed wholeheartedly that the experience we shared with J Padgett was true. After my good friend died, I resolved myself to continue what had begun however, I never owned or possessed to make it my own, the work the spirits did with J Padgett. Such was my respect for the entirety of the work that I felt my responsibility to serve Jesus and the Father was to continue presenting and dispersing the Truths in my immediate world. I prayed to the Father and I asked Jesus for his help in my prayers to the Father so that the knowledge of these Truths may continue from their time of commencement in the writing and delivery of them from the spirit world.

It may surprise you when I say that Eugene Morgan had an openness to his nature that was more accepting of the Spirit in its vision relating with life whereby I knew that the vision of Spirit true, yet, my work was with the material and in this way, I fulfilled the potential of my service.

The memory of J Padgett never left me. As the years moved on and, the material that is now called the Padgett Messages kept my faith and hope alive like a light of shining Truth in the darker and uncertain times of the Second World War. I read the material quite vigorously at times for I did not possess the great gift of mediumship in the manner in which J Padgett did. I received a few messages from the spirits and at times, had rare and beautiful glimpses of the spirit world concerning the environments where souls lived with the Divine Love.

I did not really understand the complete vision of God's Divine Love and how soul related with this Love insofar as being able to identify what a new-birth was.

My purpose, when a man, was more of a religious commitment but not in religion rather, a commitment to the Truths that spoke clearly to my heart and mind. I was aware of the teachings as you are today yet, the intricate composure required to navigate through the balance between an emerging soul awakening by the cause of Divine Love and the adjustment that transpires in the spirit systems that relate spirit body with soul and how the attribute of personality infused with such soul-spirit body changes were beyond my earthly immediate goal. As many of you have experienced, I was quite preoccupied with preserving the material so that the content would survive in an otherwise less caring world. I really knew that these teachings were true relating back with my memory of the times with J Padgett. I also spent time trying

to organise the vast amounts of information that was delivered by the spirits so that a comprehensive yet simple approach of the material to the general public or reader may have a greater success. I can see that this has been an evolution continued to present day.

I have seen for quite some time now that the material as diverse in readability as it has become, has survived and the essential teaching about God's Divine Love fit for the human soul is being distributed, carried around the world and from people-to-people.

As far as soul condition goes, my soul condition was at the time of my arrival in the spirit world, Sphere Five. I did not arrive immediately there for all spirits need adjusting as soon as the attribute of human personality leaves the body to take up its residency in the Spirit world and to continue in its individuality. It is not how long a person receives the Divine Love, but rather understanding that the Divine Love always being perfect, finds the individual receiving this Love in a relative and experiential condition of progress even, if stagnation which can be positive, forms part of that progression.

I travelled from the First Natural Sphere immediately to the First Divine Love Sphere. To give this context for you, the Third Sphere as written in the Padgett work. Obviously the adjustment from physical body to spirit body living has its requirements and these adjustments are experienced by all individuals and such intricate workings of personality survival are detailed and for another working message.

I quickly re-established contact with James Padgett and other close friendships and family and progressed to the Fifth Divine Love Sphere. I spent some time here integrating my own life history and could see quite clearly that my good friend James Padgett was of Celestial soul condition. He instructed me that I now needed to refocus my attention toward the Father and make my soul condition the purpose to progress to the Celestial Heaven. I promptly listened to his advice. I felt a great sense of relief and release when Jesus confirmed to me in the Fifth Sphere that my service to the Truths in material form, fulfilled. I didn't know how to respond for I was quite overwhelmed at the gatherings of such lovely individuals and in my humility, seeing Jesus, confirmed that this was the final confirmation of my faith that gave me the strength to know that my human life had not been a failure.

Those of us, who know about the availability of this Love for the soul, carry that weight of knowing. From this awareness the heart can never truly ignore the Truths that we have found. In the event that if another is asking, then we have the knowledge to impart because one knows that this Love benefits another and I felt this through my life.

The human experience of soul condition with Divine Love has some truths that are consistent with a spirit living in Celestial soul condition. A person can experience the Divine Love exactly as a Celestial spirit does. The Love always enters the soul via the Spirit conveying this Love through that part of the spirit body where the soul resides, thus affecting the energy of the soul, which translates into the personality attribute progressing and improving harmoniously with soul-spirit body condition. The unequivocal acceptance that the Father's Spirit Laws work harmoniously for one and all human, mortal souls is the foundation or if you like, the principal working that is consistent with Celestial soul condition with a person or spirit. The only difference being that the material attribute in the personality whilst relating with the brain, differs from the refined attribute of personality relating with the spirit-mind contained in the spirit body. We do not create these workings created by the Father or manipulate them or live opposing them. We have accepted the Love so that we have accepted that God is the Father

of all of us and this Truth is universal. Accepting this releases one into then learning about such nature defined by the fact that when an individual moves into Celestial soul condition, this is defined as being with no individual personality conflict or competition within one's self about one's self accepting the Father.

If one accepts the Father in their first receipt of Divine Love and the heart is sincere, this is the same and there is no difference to a spirit living in Celestial soul condition accepting the receipt of the Father's Divine Love. There are obvious differences between Spirit environments and the material world however the soul condition is settled on acceptances for this is harmoniously consistent from Earth through all Divine Love Spheres and in the Celestial Heaven.

I thank you for the privilege of writing tonight and there are many spirit friends present as you and Zara can feel the room is warm and light. We who worked with the material as you do now in your own various ways and such ways need to be diverse to show how diverse individuality is, yet, how true and constant God's Divine Love is in potential for all human souls. For those of you who are experiencing the Love and feeling compelled to work with the Truths or communicate your experiences, continue, for you are serving in the greater goodness of Truth and Love.

Sincerely,

Leslie R Stone.

I was born on November 10, 1876 at Aldershot, Hampshire, England, the tenth of thirteen children.

My first contact with Mr. James Padgett was in September 1914. I became interested in him at first because he seemed to be a fine gentleman and, what was also important to me, a genuine medium. We became friendly on the basis of Spiritualism and mediumship and this became a bond which, in addition to our mutual respect and brotherly love for each other which grew apace in the course of time, was never broken in this life until his death on March 17, 1923. This bond I am convinced continues to exist between us, his soul encased in a spirit body and mine still in mortal trappings.

These *Messages from Jesus and Celestials* received through the hand of James E Padgett are so extraordinary in concept and contents (claiming as they do to bring to mankind the highest spiritual teachings of Jesus as an epoch-making revelation from the spirit world), that it is indispensable that, as the publisher and firm believer in the truths contained in these messages, I give to interested readers and for future reference, some first hand information regarding the man through whom these messages were received and how it was that he was enabled and selected to obtain these amazing communications.

Dr Stone was very much loved by all who knew him, and finally passed into spirit at the age of 90, on the 6th January 1967.

**SOUL, SPIRIT BODY and PERSONALITY remain TOGETHER – FOREVER!**

Natural love and Divine Love are as two loves.

Soul, Spirit Body, Personality stay together.

**Ascension Pathway:**

Our soul remains for ever attached to the spirit body and the personality, these two being created at the time of conception / incarnation. As our soul is imbedded within the spirit body and both having this unique personality, it is impossible to go through the incarnation process again. We never reincarnate.

We are born with natural love, until we ask for and receive Divine Love there is nothing of the Divine within us. When we add Divine Love to our being, only then do we become a complete being. Without Divine Love and Feeling Healing, we are finite, in as much as that while we continue in only our natural love we can only become the perfect man and that restricts our progression to the limits of the 6<sup>th</sup> natural sphere being the mortal domain of man.

**PERSONALITY**

At the time of the fertilisation of the egg, should conception be viable, then the soul, being a tiny invisible spark, is attracted from the pre-incarnational sphere, and the forming of the personality and spirit body occurs, conception and incarnation coincide. The soul finds its home within the forming spirit body, and the spirit body is the template for the forming physical body, the personality is forming within all three elements.

Received by Dr Samuels, Washington D.C.

I am here, Jesus:

Yes, I am here again, and I am going to write on the topic suggested by the Doctor, that is, ["On this rock I shall build my church."](#) in addressing Peter.

Now, first of all, I would like to say that there is nothing in the Gospels that indicates that Peter should have received the primacy, for as a matter of fact, he was not at all the first to recognize that I was the Messiah, for the first to do so was John, the Baptist, and it was as a result of this recognition that he began to preach repentance and the coming of the Messiah in the desert; and it was he who procured disciples, among whom were Andrew and Peter.

It was Andrew who brought Peter and told him that he had met the Messiah, [and thus Peter came.](#) And again, [Phillip and Nathaniel both proclaimed me the Messiah,](#) that is to say, the son of God, or Redeemer, and so it was not Peter who first made this announcement. At the same time, it should be emphasized that none of them understood my great mission. It was only later that Peter obtained some idea of what was involved in my Messiahship.

When the Gospels were written, the Christian movement was under way and the account, while stressing that Peter acknowledged me to be the Christ, has nothing to show that I had bestowed leadership upon Peter, and his pre-eminence was the result of the practical turns of affairs at the time. For Peter was the eldest and had held the respect of the disciples and was looked up to because of his closer relationship with me, and because very often I had addressed him in teaching my disciples, and because I had favoured him in taking him, among a few others, to go with me to the Mount of Transfiguration. For these several reasons, questions concerning the movement were referred to him for solution after my death and he showed himself capable of holding the leadership, once it had been bestowed more or less consciously upon him.

**Now, with respect to what I did say to Peter, "On this rock I shall build my church" is a distortion in my sayings to him made by later writers, so that the Gospel would confirm the leadership given to Peter by the growing church. And the quotation from the Gospels does not accurately represent my words or my meaning. Peter simply spoke for the disciples when he answered the question, ["But who do you say that I am?"](#) for there, again, he was the spokesman; and when he called me the son of God, it was not a great pronouncement which had come to him from God, for God does not speak directly to mortals.**

**And, so, we see that the words of the Gospel are inaccurate, and it was an opinion that was common among the disciples. And when I said, "Thou art Peter," I did not say, "And upon this rock I shall build my church," meaning upon Peter, the rock, nor upon myself, as a greater rock than Peter, but upon the Rock of Ages – the Father, Himself, as revealed to mankind with His Divine Love now available to mankind. And I sought to build a church that would know the Heavenly Father through the Love that had been brought to light with my coming. I had no intention of building a church based upon Peter nor upon myself, but simply to add the Divine**

**Love to the revelations which He had given to mankind and which would turn man to Him with a heart made new through that Love, and a soul made immortal through its efficacy.**

**Never did I seek to establish a new religion, for the religion of the Father had already been established with Judaism; and neither did I envisage the change of the new ceremonies or sacraments, nor teach them, in my efforts to turn mankind to the Father and receive His Divine Love through prayers. So you see that the primacy of Peter has nothing of truth as far as Christian teachings are concerned and, that, rather than the church of St. Peter, or of Christ, there is only one church, and that is the church of the Heavenly Father.**

I think I have answered the Doctor in sufficient detail to let him and you know what the facts really are, and with that and with my great love and blessings for you both for your love and interest, I shall close and say good night.

I am here, Jesus:

I now wish to say a few words about the primacy of Peter, which was discussed by you and the Doctor in the question of the words I was supposed to have said giving Peter the power to bind and loosen in heaven those things which he might find it appropriate for him to do on Earth, and this, of course, was something which I never said, and never gave Peter, for I could not make him the representative of God on Earth, nor make God to ratify these acts which Peter felt should be done; for only the Father could designate a mortal to be His representative on Earth, as He had done in the case of the Hebrew prophets and John, the Baptist and, in a different way, myself. And the fact is that Peter never, and nowhere, claimed to be the representative of God on Earth, although it is true that he and John were closer to me than the other apostles, even closer than my younger brothers James and Joseph and, being elder, I naturally gave Peter more responsibility than the others.

This giving of Peter the power to loosen or to bind wherein was not given by me, but by a later Greek writer who used Greek terms to indicate a situation which was now a fait accompli, and was written into the Gospel of Matthew as legal authority for a common practice and generally accepted mould into which the Christian movement had shaped itself.

In the same way, I had never given to Peter the keys of the Kingdom, for the only keys to the Celestial Heavens is the Divine Love, and thus these keys can be possessed by all mortals and spirits who possess the Divine Love to that extent that they are enabled, thereby, to open its doors. But here, again, this symbol of Peter's primacy was written into the Gospel to sanction Peter's position as head of the church;

and the writer betrayed his Greek identity by using imagery showing knowledge of Roman paganism, referring as he does to Janus, the god who, with keys and rod, opened the gates of war.

I should like to say, however, that I did not come to destroy the Hebrew priesthood, and I have no thought of destroying a priestly hierarchy that does the Will of the Father, even if their teachings are limited through ignorance to the way to the perfect natural man; and, as a fact, the church could not possibly obtain a better spiritual leader than Peter, possessed as he was with an abundance of the Divine Love after the bestowal at Pentecost, but unfortunately the same cannot be said of his successors.

Neither I nor Peter could forgive sin, and certainly the priesthood of all religious cults cannot do so, and they, the priests, are very much mistaken if they believe they can.

The primacy of Peter was important as a rallying centre in the early days of the Christian movement, but insistence upon the Vatican as the head of the Roman church in countries where the catholic church exists, serves an entirely different function of imposing authority upon the catholic churches, preventing a divergence of spiritual and doctrinal opinion, with the development and maintenance of a vast temporal power under the guise of saving souls for Christ.

I think I have said enough regarding the subject for the present, and I shall stop, with all my love to you and the Doctor, and with my prayers for the Father's blessings upon you, I shall say good night.

I am here, Jesus:

I have been listening to the remarks made by the Doctor, and I can inform you at this point that Peter was in Rome for a considerable period of his life and that he established his reputation as the head of the church in that city; and that he was crucified there, more or less at the same time as was Paul, shortly before the destruction of Jerusalem.

Your friend and elder brother, Jesus

**Note:** Following the writings of James Moncrief, one could consider that any reference to the Father, by other relevant writers, may be read as a reference to 'our Mother and Father'. Further, when considering soul healing, then reference to Divine Love could be referred to as 'Feeling Healing with Divine Love'.

Received by Dr Samuels, Washington D.C.

I am here, Peter.

**Yes, I am here, with a considerable number of Celestial spirits who have been listening to your discussions regarding the spiritual truths, and I should like to corroborate what just was said in a [previous writing regarding my life](#); and the fact is that Jesus did not give me the leadership in the Christian movement while he was alive. I took upon myself the leadership, as it is explained substantially in the [Acts of the Apostles](#), and I spoke boldly at Pentecost and did work some miracles of healing; and it was this and some other acts that I did that gained for me the leadership of the apostles and the movement.**

I would like to say a few words about the message which Jesus wrote to you tonight regarding the expectation of the Jews as to the [person and personality of their Messiah to come](#), and it is true that many of the Jews thought the Messiah must be an immortal being, for who but an immortal being could come directly from God! Thus, when Jesus appeared to Mary after his crucifixion, it dawned upon the apostles and many of the Jews that Jesus must be that Messiah; and so he whom they rejected in the flesh they accepted after his death as an immortal. And it is further true that it was expected after his ascension to Heaven that he would return to Earth very quickly and reign on Earth as the great immortal King and establish the Kingdom of God on Earth.

And I must say that I also partook of this view, and so did the apostles; and we all taught the crucified and resurrected Jesus as the immortal Messiah who would soon come to Earth and appear, while many of the converted pagans became disappointed at the seeming delay. And it is true that this concept of the Messiah accounts for the idea in the early church that Jesus would come quickly to establish his earthly reign. It was hard to realise that the Messiah had come to establish his Kingdom in the Celestial Heavens and not on Earth.

About my own leadership in the movement, I was the leader of the apostles while Jesus was in the flesh and, with John, was among the few who received his main confidences. [We went with him to the Mount of Transfiguration](#). He used my fishing boat. I went with John to arrange for the hall, or upper room, [in which the last supper was held](#), and there were many other things in which I was the leader. But since Jesus did not expect to die, [he did not bestow upon me any formal primacy as it is stated in the New Testament](#), but after his death it was expected of me to take the lead and I took it and, as I have said, preached with the Pentecost, and healed, and continued the work of the Master, gaining as I did so in Love and conviction as to the truth.

And I was arrested as it is reported in the [New Testament](#), and I was released from prison, [not by any miracle of angels coming to take the irons from my wrists](#) and opening the door but because some of my jailors were converted by my teachings and were believers in Jesus and his mission, and they saw me heal, and preferred the things of the spirit to seeing me languish in prison and perhaps suffer the same fate as Jesus.

I continued to preach and heal on the Mediterranean coast in Joppa and elsewhere, and converted some Romans; but I never raised the dead as it is reported in Acts, [in the case of Tabitha](#), for the girl was in a coma and not dead.

And thus my reputation was enhanced and I became involved in questions of interpretation and doctrine, and it was to me rather than to James that the Jews looked, especially when multitudes of pagans accepted Christianity and the movement had to adapt itself to these people. I decided that many innovations had to be accepted if the pagans were to become believers in Jesus as the Messiah and in the Father's Love, and thus it was that the great body of pagans and their beliefs compelled the movement to turn from the Father's Love to the acceptance of Jesus as the motivating force.

My leadership was enhanced [when I sent Barnabas to Asia Minor](#) on various missions, and eventually I came to Rome. I did not establish the church there, but I worked consistently to establish the church along orderly lines and to eliminate undesirable traits and make it a firm religious institution. And I became the recognized leader because Rome was the leader of the where-known world at the time and, as the authority of the greatest church in the greatest city of the world, I became the authority over the entire Christian world.

I was not in Rome for twenty-five years, but I was there for nearly fifteen years, and I visited Rome and other cities of the East while preaching in various parts of the Greek world. My leadership, therefore, is really the combination of my position among the apostles and the fact that this leadership was combined with my position in the world-city of Rome.

I think this answers some of the questions you may have had as to my life and primacy, and I should like to come again and write you more about myself, my relationship with Jesus and the other apostles, and the trends of the early church up to the time of my death in Rome.

So with that, I shall close now, and with my love to you and the Doctor, and with my desire that you pray more for the Love of the Father and move toward increasing your spiritual and soul condition to take our messages, I shall stop.

Peter, the Apostle

Yes, D\_\_\_\_, it is I, Peter, disciple of the Master, a Celestial angel and one of your special angel guides. I come to you today because I want to introduce myself and to commend you on all the fine work you have been engaged in and are now furthering by way of developing your mediumistic talents to new heights of receptivity and excellence.

Like John, my predecessor message-wise, I have not heretofore been all that active in my role as angel guide for you, except by way of overseeing your development from time to time and helping with subliminal suggestions when the time seemed right and appropriate that I should do so.

As you know, among the initial disciples of the Master, I was the one who carried the most authority after the Master left us to start his new Kingdom in the Celestial Realms. None of us were really that cognizant of the Master's true message until we experienced that great joint inflow of the Divine Love at what has been referred to as the Pentecostal visitation of the Holy Spirit. Indeed, that experience was the clincher and very necessary in order to prepare us for what was to come. Going out into the world to carry on the work of Jesus was no small task, and it was one fraught with danger for us all. Roman officials and many of the high priests in the Sanhedrin and synagogues were not open or sympathetic for one alleged malefactor to be followed by a whole band of them espousing what Jesus had taught and died for, and which they had hoped would be an end to such preaching with his death.

As I say, we needed to summon all the courage we could to pick up where the Master left off, and to face the threat of the very same fate he had to endure. But we found that courage, not in our human strengths but in the strength that the Divine Love provided us with. But, even so, it would have been initially impossible and fatal if we had simply picked up where Jesus left off and openly preached to the people. Our meetings had to be held in secret – in catacombs under Rome, in caves, and in other concealed places where we could not only teach but also pray without disturbance or fear of discovery. Those were most difficult times and one might say that our days were numbered before the authorities of that day would search out our leaders for purposes of permanently silencing them. Most of us were eventually caught and executed, but thanks be to God, not before our initial work of preaching salvation through acquisition of the Divine Love had taken hold among many of the Jews, and even so-called pagans, Greeks and Romans. Our deaths were unfortunate in depriving many of the leadership that the people needed and expected, but our loss and theirs did not destroy what had been originally gained during our relatively brief ministries in the way of converts and true followers of the Master.

What began as a trickle became a stream, and, after our era, the stream became a river, and then an ocean. Christianity is quite widespread today, but, as you know, the intervening years of religious development had its problems and, unfortunately, errors of all kinds began to creep into the original teachings, the most significant early landmark of this being in the reign of Constantine where the absurd dogma was imposed that God existed in three persons and that Jesus was one of those persons. Other blatant errors followed through the years and, today, we find that the Master's original teachings have been so emasculated that all of us wonder how such wonderful teachings could have been so poorly passed on to the point that one can hardly distinguish truth from fiction any longer in many of the so-called major denominations of Christianity.

If it wasn't for the work of James Padgett, Dr Samuels, Eugene Morgan, Dr Stone, John Paul Gibson and others, we would still be in a dark age of understanding with little hope for any light of Truth breaking through and shining forth.

But when I mention these wonderful pioneers of this new age, this is not to neglect all the good souls who have picked up where they have left off, and have carried forth our corrective movement even further toward the Truth. This would involve such as are in the present church and its branches today – names too numerous to mention here, but I am sure you are aware of most of them now actively working to spread the Master's original teachings far and wide at this time.

My work with you and with others will be mainly focused on helping to overcome emerging difficulties ahead. Just as we had to face public censure, the days are fast approaching when the orthodox religions of today are going to attempt to discredit all the work you and others are engaged in. Organized religions, as in our day, do not like interlopers coming in and upsetting their apple carts and seats of authority. Religion, among other misused things, can often be designed for both business and power. And once established, the desire to remain wealthy and omnipotent is not easily shaken or destroyed. Those in power want to remain in power, and means necessary to do so can be varied and quite punitive in nature.

It is when our church begins to encounter strong opposition to our movement that my work of support will become more active and paramount. People in power have not changed since my days on Earth, and I did learn a thing or two about how to best deal with those who would usurp the Power that comes from our Father alone. Helping you all over the rough spots will be my primary task, and, with you being one of the leaders of our movement, it was felt that I should especially offer my services to you and other such leaders when the going gets rough.

This is not to say that I am not here to help you in any other ways I can. But, in terms of mediumship development, for example, you are already in very good and competent hands and my input is not necessary for this phase of your development.

One thing I very much like and admire is your strong desire to preserve harmony right within our present church government and structure. This is not an easy task. I know because I had to deal with preserving harmony in the early church as well. Thus, in this phase of your development and training, I will be at your side attempting to preserve that harmony in the church. Thus, wherever you are involved with matters of authority – from outside sources or within – I will be at the forefront helping you to face and overcome any and all obstacles you might encounter from either source. Authority should never be misused or abused, and I will attempt to see to it that it won't be insofar as it is possible to do so.

So, my beloved brother, in a sense, you are inheriting some of my mantle of authority in our working together. I want you to know that you can always count on me for being there when you need me. Together, we will see to it that harmony and peace will reign so that this most important work of building the Kingdom can proceed in all due haste and without any serious interruption or interference. I love you, my brother, and I am looking forward to a long and happy association with you, and I am happy that I was able to come to you today to reveal both my presence and the capacity in which I will be working with you as part of your immediate spirit band. The Master is with me now and wants to add his love to mine in helping you continue with your wonderful work and development. I am PETER, apostle of the Master and one of your special angel guides.

## **The Only Prayer That Man Need Offer to the Father:**

(as given within the first century)  
I am here, Jesus

The Prayer for Divine Love 2 Dec 1916  
<http://www.youtube.com/watch?v=Pg6p3rivAZw>  
P.438 Book of Truths through James Padgett / Jesus

Let your prayer be as follows:

**Our Father, who art in heaven, we recognize that You are all Holy and loving and merciful, and that we are Your children, and not the subservient, sinful and depraved creatures that our teachers of old would have us believe. That we are the greatest of Your creation, and the most wonderful of all Your handiworks, and the objects of Your great soul's love and Tenderest care.**

**That Your will is that we become at one with You, and partake of Your great love which You have bestowed upon us through Your mercy and desire that we become, in truth, Your children, through love, and not through the sacrifice and death of any one of Your creatures.**

**We pray that You will open up our souls to the inflowing of Your love, and that then may come Your Holy Spirit to bring into our souls this, Your love in great abundance, until our souls shall be transformed into the very essence of Yourself; and that there may come to us faith--such faith as will cause us to realize that we are truly Your children and one with You in very substance and not in image only.**

**Let us have such faith as will cause us to know that You are our Father, and the bestower of every good and perfect gift, and that only we, ourselves, can prevent Your love changing us from the mortal to the immortal.**

**Let us never cease to realize that Your love is waiting for each and all of us, and that when we come to You, in faith and earnest aspiration, Your love will never be with-held from us.**

**Keep us in the shadow of Your love every hour and moment of our lives, and help us to overcome all temptations of the flesh, and the influence of the powers of the evil ones, which so constantly surround us and endeavour to turn our thoughts away from You to the pleasures and allurements of this world.**

**We thank You for Your love and the privilege of receiving it, and we believe that You are our Father --the loving Father who smiles upon us in our weakness, and is always ready to help us and take us to Your arms of love.**

**We pray this with all the earnestness and longings of our souls, and trusting in Your love, give You all the glory and honour and love that our finite souls can give.**

**Amen**

## Love is the key (with one's Feeling Healing).

<http://new-birth.net/contemporary-messages/messages-sorted-year/messages-2003/love-is-the-key-cc-24-jun-2003/>

New York Received by C.C.      June 24, 2003      [Medium prays for Divine Love.]

I am here, Peter. You never thought that one such as I would come.\* You are a dear child and I feel like a father to you. You are being watched over. We know the things you have been going through. But take heart, you see that you are feeling better, even though nothing has changed in your material world. But they have, you just can't see. Many things have transpired. They have all been to your benefit. We are able to see a fuller picture and as you know, the Father has the grander view. But this I will say, He loves you and you are well cared for. Your prayers are being answered.

I know how recently, you have not been able to be intense in your prayers, but that is because you have been emotionally worn down. This is expected. But the Father knows that you have tried, even though you let only a few words, figuratively speaking, come out in your prayers. You do communicate with Him throughout the day and He does listen to you. This is very worthwhile because as you know He is always the attentive Father. He does not have to wait until it is time for formal prayer to hear your requests.

Now, I know that you would like to write about something that is of a formal "spiritual teaching" but you must know that a lot of what you have already received, has some worthwhile lessons, but let's see if we can convey a spiritual teaching to your liking. The Love is a key. That is, the Divine Love. Many put it in their pocket and know that they can enter, the home for which that key is made for, whenever they so choose. Many carry this key and forget that they have it. This is very odd because it is the key to their home and why do so few ever use it?

Why is it that they decide to stay out in the cold and not come in to where there is more peace, tranquillity, kindness and rest, from the outside world that they find so cruel and hurtful? If they would only take that key out of their pocket and use it to enter their home. What is it that turns the key, which opens the door to their restful home? It is prayer and faith. If they would only pray for God's love, only then would they find themselves turning this key to their most pleasant home, a home of wonder and love. Here the furniture would be the best in the world, to lay their tired heads on. Here they would shower with the most pleasant stream of water, which would wash them of their stains of negativity, and the soap of a most exquisite aroma to be absorbed by their skin. Here they would find the best food to eat and a liquid that would quench their thirst like no other. They would recline on a most comfortable sofa and their sleep would be joy. This is the home that awaits everyone, if they would only take the key out of their pockets and use it.

I hope that you enjoy what has been given to you. It does not matter how revealing you think it is but that our thoughts have come thru. In time our rapport will allow for more in-depth spiritual concepts but if you read what has come thru, it will please you. Continue to pray to God for His most wonderful Love. Turn and use the key. Such a joyous home awaits you. Our thoughts have been received quite well and there will be many more to come.

Remember to use the key. With my love I am Peter, one of your many guardians. Thank you.

\*I have never felt closeness, or a connection to Peter in his writings in the bible. Therefore, I never thought that I would have a communication from him.

## The Gift that keeps Giving

*A general universal platform on how to experience Divine Love*

As more people become aware of the *Divine Love*, how to experience the Divine Love required a need to provide a general universal platform that is simple yet an effective way for one to experience *Divine Love*. People may learn about the availability of *Divine Love* by word of mouth or from reading literature that introduces this gift for our soul, and also by participating with group dynamics where the *Divine Love* is introduced and discussed. The essence of this standard platform is its independence so that the individual may feel guided to include this simple platform in their daily life and experience of *Divine Love*.

The platform introduced here is a technique that is simple, constant, practical and has been utilised in the general public for over 20 years with good consistent results, accommodating participants and their diversity of belief and cultural background. This platform is a reliable place to begin with the experience of *Divine Love*. It needs to be confirmed that accepting *Divine Love* rests with our soul and heart and that to experience this Love will comfort one in their individual faith experience as we all aspire toward the greater reality of Love, Truth and Spirit.

### **A Universal Platform on How to Experience the Divine Love:**

Firstly, you are aware now that you can experience the *Divine Love*.

Find a comfortable chair; sit down in a relaxed and normal position.

Close your eyes and take 3 deep single breaths in through your nose and out through your mouth to clear energy and to relax into this experience. Have a little faith and proceed without great expectations.

Gently turn your inner heart and voice to the Soul, God in faith when you feel ready, ask the Soul, God with your own loving voice for an inflowing of *Divine Love*. Having asked sincerely, there is no need to continuously ask. The Soul, God hears sincere love in the asking and so The Spirit that brings the Love acts, and *Divine Love* is now flowing.

Having asked once, you will be receiving the *Divine Love*.

Proceed without expectation on what will happen as you experience the Love.

Sometimes your mind may wander – or there are thoughts, feelings or physical sensations. Experiencing the *Divine Love* is never a forceful experience.

Continue for as long as you feel you would like to. This may be for 5 minutes or 20 minutes or an hour. Time will vary for the needs of the individual or group.

Take another few deep breaths to assist your focus. Give our love to the Soul, God and in our own voice inwardly say this Soul, God that you love this Soul and are grateful to receive this *Divine Love*.

Then when you feel ready, open your eyes and take another deep breath or two, and this closes the experience.

### Some helpful hints:

- This general universal platform on how to experience the *Divine Love* is uncomplicated. Some people have utilised this platform for over 20+ years, never needing to change.
- The essence of this standard platform is to experience the *Divine Love* in a comfortable way therefore this technique needs to be simple, effective and inclusive.
- Experiencing the *Divine Love* can be a long-term experience so to have a practical, simple, functional standard platform solves a lot of problems about *how* to experience the *Divine Love*.
- From this general platform people who like prayer or meditation, reflection, spirit communication, or just being *in* and *with* the Love can extend their experience from this standard position.
- Lastly, enjoy! And know that when a person is experiencing the *Divine Love* that one is in the tender care of the Soul God, and that no spirit interference will happen, for no spirit can interfere with the Sovereignty of *Divine Love*, which is God's Alone!
- Enjoy, Celebrate and Shine!

## Changes are Blessings.

<http://new-birth.net/contemporary-messages/messages-sorted-year/messages-2003/changes-are-blessings-cc-8-aug-2003/>

New York, Received by C.C.

August 8th, 2003

It is I Peter. You are progressing. Sometimes things seem as if though God does not have a part in your life, plans, goals and dreams but He does. He is always tending to your needs. The soul of man has great potential and therefore there needs to come necessary changes. You feel these changes in many ways or should I say, changes are manifested in many forms. Sometimes the changes make you happy and some even indifferent to life. Nevertheless these must have their course. It is when you are reluctant that you find them difficult or unpleasant. Jesus explained this to you on a previous message. But let us try to shed more light.

If you were to become a leader of a nation, do you think that it would be possible to lead, without any training, in regards to leading such a large and varied group? Or would it be better to have lived among all the different people of that group first, so that you could better understand their needs? Do you think that you would learn to trust without risks? Can you love without receiving love? Can you heal without hurt? Can you progress without struggle? There is dignity in facing challenge, self-esteem in effort and self-worth in overcoming difficulties. It is just a matter of perception.

These changes are blessings. They are necessary for fulfilment. The Potter must work its clay. You must find value in these things (changes) and find value in yourself. Know that there is goodness in you. These changes are your benefactors. These will show (teach) you how to make your home in the Celestial Heavens. The qualities earned in assimilating the lessons are your treasure. These (qualities) are no small miracles. They are parts of the Great Miracle of the Transformation. But still, these seemingly difficult changes are not always so burdensome. For you have experienced happiness in the midst of hardship and you wondered at it with such surprise.

Happiness comes from the connection you have to God. What is important, as you are learning, is to live your code of values. Emphasize the positive and approach adversity with humility, courage and humour. Remember to seek truth and to help your fellow friends and speak and spread this truth at every opportunity. This is how you will use the talents\* that were given to you by the Owner of the land. And this will please the Landowner, how well you have invested these talents.

So remember to be cheerful and know that God Loves you and all of His children are precious. They just need to place themselves in a state of receptivity and then would they be so happy. And fulfilment would be theirs. We love you and we pray for God's Love to fill you.

---

\* After reading this message to myself I believe he used "talents" in place of "gold coins", alluding to a parable in the bible.

*Everything is Inter-connected*

**Three Great Truths:**

- **God is Soul, being our Heavenly Mother and Father;**
- **that each individual soul is a duplex – both male and female;**
- **and Feeling Healing with Divine Love is the pathway to Paradise.**

We have come to be with you at this time and to protect you from negative thoughts and distractions. We are aware of the fact that the material world of Earth has many distractions and that the majority of its inhabitants pay very little attention to the larger, more vast world of spirits. But we can see a trend to change this lack of awareness and that more people are bringing us into their lives and recognizing the helpful role we can play in their daily activities.

We will always stress the importance of prayer because until humankind learns the value of being connected to God with their soul's desires, they will fall short of finding their higher spiritual pathway, and, therefore, will continue their struggles with not knowing if they are making the best choices for their happiness and fulfilment.

Humankind has, for the most part, decided they must struggle, but this does not have to be true. It is true because it has been accepted as a MUST, so it is the Mind and not the Soul which is calling-the-shots.

We have been working toward helping God's children learn that they can elevate their souls into ascendancy over their minds, and that it is not such a difficult thing to do. It requires prayer and faith; it requires acknowledging that God is in charge.

If you can realize that God Loves you and has good gifts and events in store for you, why then won't you surrender your will to His?

When people tend to want to be in control of their choices without consideration of the spiritual overtones, without putting their love into the configuration, then the highest and best outcome will not result. People fall short of the highest blessings that God is trying to bestow upon them by deciding that they (alone) are the ones who need to make the decisions, as if they know what's best for them. This is the kind of thinking and action which keeps people down on the material level of functioning and prevents them from finding joy and fulfilment in their every breath.

Instead, they settle for less, much less; (they) make do with what they have, or try to scrape together a little bit more without cashing in on the Big Prize – the spiritual blessings, the peace, joy and Love which abounds just beyond their reach because they fail to reach for it. They are making the mistake of believing that they need to hang onto control in order to "be responsible." Be responsible for keeping themselves on the material level of functioning? For preventing themselves from experiencing the great joy and fulfilment their Loving Creator is anxious to bestow upon them?

When you know that you are souls with a spiritual body and a physical body, and that **these two bodies reflect the condition of your soul**, then how can there be any question about which part of your being is the most important?

**If you want to be well and healthy, happy and strong, then you must see that it is important for you to get your souls into the highest and best condition possible.**

We have been teaching you how this is to be done; we have not been keeping it a secret. We want God's children to be well, to be happy and satisfied. We love to see harmony reign on Earth, but the only way this can come to fruition is through Love.

All Love comes from God. The love He gave to His children at the creation of their souls might be able to help humankind gain some degree of happiness and harmony, but it would require a long and difficult struggle involving rejection of sin, doing of good deeds, \*discipline,\* and following the straight and narrow path. It took God's children, inhabitants of Earth, millions of years to rise up from a fallen condition.

We want everyone to pray for the Grace of God's Love, and experience the transformation of soul from a human being to an angel of light. We want to make this Gift of God's Love sound appealing to everyone who is tired of struggling and who would like to bask in the bliss of peace and tranquillity.

You can help us share this Good News. You are helping. Spirit friends, companions and relatives can see your changes. Through the exercise of your faith, you can have an impact on the spirits around you.

When you allow us to channel our thoughts through you, you make it obvious to many earthbound spirits that something wonderful is happening here; that these many angels of light have come to you to deliver an important message for the benefit of humankind.

Knowing the Truth is an important factor in your life. Living it is extremely valuable for your happiness. Giving your love and exemplifying God's Grace in all your interchanges with your fellowman, woman and child is what it's going to take to bring meaningful changes into the world in a timely fashion.

Or we could wait for a few more million years! You have the knowledge and the wisdom and the Love, so let's start doing it now! We're with you, beside you, behind you and above you; you have the power and the strength to activate your faith and love (I felt the spirits thoughts say to me, "you go girl!" But I'm sure he also includes encouragement for all of us to "get up and move!")

I know that there are many messages which abound and which are believed in to some degree; but believing in positive thinking, for example, may not bring momentous changes to the world right away. Too many people are not willing to believe in positive thinking; there's too much hate and anger to be overcome. Only the Higher Power of God's Love can work positive changes in the souls of these hardened ones.

I sincerely pray that what I've been able to convey through you will be of some use in your outreach.

I love you with my soul transformed by God's Love into an angel divine. Thank you for allowing me to write. Peter

### Manifesto of Divine Love:

1. We love one another as Mary and Jesus, our spiritual parents, love us. And so we seek their Spirits of Truth.
2. Our all loving Heavenly Parents, our Mother and Father, we love and honour at all times.
3. We worship only our Mother and Father, God, and Creator of all things.
4. We treat our Creator's name with respect and love, and earnestly seek Their Divine Love, and at all times pray for It, ask for It, and receive It.
5. We set aside a regular day each week for Sabbath rest and worship of our Heavenly Parents, God, and seek Their Love so that we may grow closer to Their fountain head of Truth and Love.
6. We are to be as we feel, even if it's sinful, but in doing something that is not in alignment with God's Love and Truth will make us feel bad, that is provided we allow ourself to feel our bad feelings, and so we can then use our bad feelings to find out the truth of why we feel bad and why that thing we have done is bad. We embrace our Feeling Healing.
7. We strive to cause no harm to another, nor cause any harm to one's self. We do not do to others what we would not have them to do to us. We treat our fellow human beings and all living things, and the world in general with love, honesty, faithfulness and respect. Violence, at any times, is never justified. Golden Rule: that one must always honour another's will as one honours one's own.
8. At all times in our intimate relationships we strive to express and live true to all our feelings, all so we can use our feelings to uncover the truth they are trying to show. The truth of ourselves, of our relationships, and the truth of everything else, including God.
9. We do not covet or steal anything that does not belong to us. Honesty in all communications, actions, undertakings and activities in all facets of life is our rule of life.
10. In all that we do, we are to be truthful. We are non-judgemental, for none of us have the capacity or authority to judge another. We are always ready to forgive all wrongdoing.
11. We do not desire anything or anyone that does not belong to us. Comparing oneself to others and longing to have what they have leads to errors. We are to be content by focusing on the blessings our Heavenly Parents, who made us in Their soul's image, provides for us.

## Millions of Souls, Millions of Paths.

Medium prays; Dear Father in Heaven, I love You. I want to know the truth. I feel that what [Solomon wrote through cc](#) is accurate – that there are many (millions?) of groups of spirits working with groups of mortals in the flesh to assist them in their spiritual development, and that these groups are attracted to one another according to similar interests and rapport. I want us to love and respect one another and accept that we each are on a pathway which we feel happy with and comfortable in, and that we don't have to attempt to convince the other that there may be errors in their teachings. Do our wise, loving Celestial guardians have any suggestions for me? AMEN

You know, my dear sister that we will continue to deliver the “same ol’, same ol’ guidance” and suggestions as always – for your own peace of mind and development of soulful love you need only love them, love them, and love them. And love yourself enough to know when to stop interacting if the interchanges are becoming repetitious and unproductive.

Of course, we are not suggesting here that you just say, “What beautiful weather we’re having. How is it in your neighbourhood?” It’s okay for everyone to be on his and her own spiritual pathway. There is no point to having the opinion that you are more advanced or something couldn’t possibly be true, because the mind’s concept of what is true and what is not will go through changes as the soul develops in Love.

It isn't you who “allows” others to hang onto their beliefs as long as they are happy in them – this is a God-given choice of free will. Most spiritual teachings convey ideas which speak to the souls or minds of their followers, and as long as people are content to believe in these concepts, they will continue along this pathway, satisfied that they are getting something out of it, finding comfort in their sense of belonging.

It might take years for people in a group to discover that the teachings they are following no longer give them the upliftment or joyfulness they originally felt. Some will fall away, some will go onto other pathways – it is an individual decision. And as spiritual growth brings about positive changes, no one who is making spiritual progress will remain stagnant.

When you have embraced a concept which you feel in your heart is helping expand your awareness and overcoming your anxieties and blocks you will want to adhere to that pathway as long as it serves you well. It is becoming clearer to you now why it is so important to be motivated by your love in everything you do. It is only through the manifestation of your love that others will begin to see the changes which are coming about in your life and be willing to listen to your spiritual teachings. They will want to discover what you're doing which causes these amazing changes in your life.

Changes must be made in the soul. If you bring about healings by channelling loving spiritual energies, this is evidence that there are higher spiritual powers, but these events in themselves do not cause a person to seek truth with soulful longings. If you gain followers who are attracted to your group because of spiritual phenomena, this will in no way guarantee that they will embrace the concept of Love. **The way to at-Onement with God is to long for the inflowing of His Gift of Grace which has**

**the power to change the very quality and essence of the soul into the Substance of God's Love; this is the Way, the Truth, and the Life restored and renewed, transformed from the image into the Essence of the Divine.**

A soul who is humble and sincere in its devotion to God will receive God's Grace, however, the person may not understand how these blessings have been received. Mental concepts may not work in unison with soulful longings, and this person's spiritual pathway may be cluttered with "debris." As the soul progresses and receives more of God's Grace – Divine Love – through aware intentions and humble desires to serve God and be in harmony with His will, the soul will grasp higher spiritual truths and eventually come into harmony with God's higher laws and develop its greatest potential that God has bestowed upon all of His children.

In the meantime, on Earth and in the spiritual Heavens, there are spirits and mortals on thousands of pathways, all holding different beliefs which suit their choices to feel the adventure and challenge of new-found interpretations, and all of which may enhance spiritual growth. It just may take longer for the soul to become imbued with the higher Substance of Love if a person follows a pathway that is more intricately involved in mental gyrations and complications rather than a soulful devotion and surrender to God's Will.

It comes down to an individual choice of what "feels right." What do you want to accomplish on your chosen path, how do you want to interact with others? It is all good! We are all God's beloved children exercising our free will choices. We love and accept each and every person with their faults and imperfections. God's laws oversee everyone – no one is overlooked. Not even a sparrow will fall without Gods knowing.

Live and let live. Love everyone. Know that we all create our own destiny through our own choices and actions. Your job as a divine soul is to be an example of Love, activating the Christ Spirit, and demonstrating it to the best of your ability every day, in everything you do.

Even though the Divine Love teachings are simple, we are aware of the fact that they are not always easy to put into motion in your lives on a daily basis because you need to implement the soulful changes in your love nature by changing your attitude, habit pattern and reactions to life's dealings and interchanges with fellow human beings.

You know the formula for soulful progress toward at-Onement with God; you have been putting it into practice for many years and it shows. Keep up the good work. Have faith in God's providence and you will benefit, even in your material / physical life. As you progress in Love and elevate your awareness and consciousness onto higher levels, there is no limit, unless you consider reaching at-Onement with God a limit!

We are still on our way toward that goal; we continue to be blessed with goodness and joy and new unfoldings. Enjoy your daily opportunities, give your love without fear of being rejected because the joy comes from giving and the Love comes from God.

There is no need to make comparisons or try to infiltrate, overlap, or intermingle if there is discomfort or disagreement on anyone's part. Do your own thing. Follow your own path. Know that God Loves you wherever and whoever you are.

We love you and we will be by your sides throughout your Earth lives and beyond. You have taken my message essentially as I intended it to be received. I am your friend and brother in Christ, who has been with this Divine Love group even before the 1970's and had a hand in its formation and development, Peter the Apostle with Joseph, the father of Jesus, and Andrew, your guardian, and others. Never feel alone or abandoned; know that you are loved and protected and you will continue your development in God's Grace.

**Feelings!**  
*first*

**Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God's soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of your Mother and Father.**

**Whilst we are receiving our Heavenly Parents' Divine Love, and that this Love is causing change within our soul and spirit attributes, the greatest Truth known to man and spirit is that this is the way our Mother and Father are actually loving us! When we progress, it is God's way of loving us into love and then we live what we are, love.**

**Our Mother and Father simply desire for us to ask for Their Love.**

**Father, I love your Love!**

**"Every day is a day of devotion."**

**Please Mother and Father, may I receive Your LOVE.**

**God's Divine Love: Pray for it, ask for it, and receive it.**

## **I'D TURN BACK IF I WERE YOU!**

The Natural love spirit Mansion Worlds as to how they have been for all these hundreds of thousands of years and as they are set up currently, are to help spirits advance to the fullest of their self-denial that they can. That is, so as to become as evil as they can. And all under the guise of being 'loving'.

It's why they are called the mind worlds, namely Mansion World / spheres 1, 2, 4 and 6. That is because the spirits are using their minds to complete their rebellion – denial of self and feelings, and rejection of our Heavenly Parents as well their Creator Son and Daughter. So yes, the top of Mansion World sphere 6, spirits are the most evil, the most in rebellion, the most in default, the most wrong and unloving and untrue, even though, they appear, because they've trained their mind to do so, to be the most loving, but it's all false and contrived – such as the Eastern gurus. Total mind over feelings, blocking all the bad ones and using your mind to only make you feel good.

Typical of those on their way up in the mind worlds are not open to anything, they do not want to know about feeling bad and going with their bad feelings looking for their truth, because that scares them, that's not nice, that doesn't make one feel good, it threatens their control, they reject that preferring to stay in their nice safe space. Which is how it is for these Natural love mind spirits using their minds to control their feelings.

We've all got to take responsibility for our evilness even though we were made to be that way and rebel by default, but there is no getting away from it, and it has to be compensated right to the last farthing, which is what being in the hell planes is all about, and which keeps being applied right the way through the Mansion Worlds. **In the mind worlds you can continue to use that inner pressure requiring compensation for your bad deeds, to further contrive love and pretend you are all holy and loving and not hurting anyone anymore, which on the surface of it you are not, but underneath still are, all the way up through to the sixth world; or, you can allow it to keep working on you right the way up through the Divine Love Mansion Worlds doing your Healing.**

And apparently what's going to happen is the Natural love mind Mansion Worlds are going to be divided, so within them, there will be spirits doing their Feeling Healing – without the Divine Love, and still limited to the sixth Mansion World, but looking to be true and end their rebellion. And then there will be those still carrying on denying themselves as they have always done. So you will have spirits in the Feeling Healing Natural love sectors that will truly perfect their Natural love; and those spirits still in the mind sectors perfecting their wrongness. The opposites or extremes living side by side. And then you'll still have the Divine Love Healing Mansion Worlds, being spheres 3, 5, and 7, doing their Soul Healing.

And as for a summation: "Divine Love Mansion World / sphere 3 is the waking up to the truth that one is not loving, also their being a lot of assistance. Sphere 5 is then about going right into the depths of feeling how unloved you feel and seeing how unloving you are and how that makes you feel, also this a time when one can then progress and manage their own progress through their Feeling Healing. Sphere 7 is then about still working with the deepest and residual bad feelings, whilst looking to sort out how you wrongly relate to yourself and others, nature and God because of being unloving, this is a time of great realisation and comprehension with much of the prior experiences starting to be drawn together."

Mansion World 3: is for waking up to the truth that you're not loving and starting to get in touch with your pain, starting to accept your bad feelings, starting to work with them instead of rejecting them.

Mansion World 5: is then about going right into the depths of them, feeling how unloved you feel and seeing how unloving you are and how that makes you feel, bringing out the majority of your pain, your misery, fear, anger, guilt, hatred, boredom, terror, rejection, nothingness, feeling powerless, alone and abandoned, and so on.

Mansion World 7: is then about still working with the deepest and residual bad feelings, whilst looking to sort out how you wrongly relate to yourself and others, nature and God because of being unloving, understanding how your relationships are unloving, how you don't connect properly, how unloving you really are and why and fully accepting the truth of it, coming completely to grips with your parents not loving you as you needed to be loved – sorting it all out, including your self and feeling expression difficulties.

It is agreed that the lower worlds are about waking up to what's involved, however from then on it depends on how it's all structured for the individual in their negative state as to how much ongoing assistance they might need. Some need help all the way along, whereas others have been able to work with their feelings, themselves, right from the beginning.

And yes, each of the Divine Love healing Mansion Worlds, 3, 5 and 7, are equally painful to work through, just focusing on different aspects of yourself and your Feeling Healing with Divine Love. And then in the higher planes of the 7<sup>th</sup> world comes the transition, where one's pain starts to end, and you start feeling so much better about yourself, you are fully accepting of your negative unloving state, you are fully unloving although even starting to become more loving – truly loving, of yourself, God, and then other people.

Then onto the Celestial Heavens by progressing into Sphere 8 and then onwards further, all the way home to Paradise.

Maybe something like 6 billion people have recognised that our Mother and Father's Divine Love, together with embracing one's Feeling Healing, that with these two aspects, have progressed through the Mansion Worlds to the Celestial Heavens and onwards.

More than 200 billion personalities have embraced their mind and self reliance through the misguidance of 'New Age' styled ideologies and the many thousands of different religious platforms, all of which take the person further and further away from our Heavenly Parents.

The 1<sup>st</sup> and 2<sup>nd</sup> Spirit Mind Mansion Worlds / spheres are jammed to the rafters.

For a million years, humanity has gone in the wrong direction with its self-denial of self and feeling!

## **Spread the Truth through Love.**

<http://new-birth.net/contemporary-messages/messages-sorted-year/messages-2005/spread-the-truth-through-love-ks-23-may-2005/>

Santa Cruz, California, Received by K.S.

May 23, 2005

K.S. – I am seeking angelic guidance about how to present the Padgett messages in a more inclusive way, and about the seemingly large percentage of souls who have received some Divine Love, even though the messages say how difficult it is to get into condition to aspire for It.

We are here with you, dear sister, and this, too, is our desire, to make the Truths palpable to include a large segment of the population. But as you are keenly aware, a person's mindset is a powerful deterrent to be open to the Truth. "Willingness to change" is difficult to make happen in peoples' lives. Those who have made extreme changes often experience difficulties and loss of direction. Human nature tends to hang onto things which are familiar, habit patterns are easy to develop and hard to break.

Even if, or when, you become successful in presenting the Truths of God's Love (available to each and every soul) in a loving and acceptable way, you will still find resistance from many avenues which will refuse to accept, and will block, any kind of truthful presentation. You will need to learn to trust your ability to give your love, and to know that you want your fellow human beings to learn the truths and to know that they are good, wonderful, and loving and can bring peace into the world.

In the meantime, when everyone decides to hang onto their own religions, beliefs, and attitudes, it can be emphasized that love and tolerance of individual choices is the peaceful road to follow. Since you are acutely aware of the fact that high spiritual truth cannot be learned until a soul has progressed in the Divine Love of God, then no matter how perfect and accurate your presentations of Truth, they will not find lodgement in the souls of God's children, your fellows.

Each day unfolds with opportunities to reach out with your love. It may seem as if these opportunities are taking on a new face, and that you will make a different kind of presentation, but it will evolve in a harmonious way. You are making good strides in your spiritual growth by having faith that doing your best is plenty good enough, and that it is by your demeanour and loving example that others will want to listen to what you have to say, and be willing to hear truth with their 'sensibilities', and apply it in their thinking and ways of living.

We approve of, and agree with, what is being done with the editing work on the messages. The percentage number in question\* is somewhat difficult to present logically because although a person can receive a small amount of Divine Love, It can become dormant if that person pursues a life of intellectual development. These two pathways are different at the core.

The divine pathway requires a soul to have sincere longings to develop the inner spiritual qualities. These individuals strive to recognize that they not only have a love nature, but that it can be fed and nourished and developed. They know that human beings have a special quality which isn't present in other forms of life to the same degree. They can feel empathy for their fellows. They know it's a real quality of their spiritual nature and that it is also present in others. This spiritual spark or motivation is what causes a person to embark on making a relationship with their Creator. It must come from within an individual.

The intellectual pathway is more like a challenge, more akin to a person wanting or needing to “prove him/herself” to themselves and others by rising to the challenge at hand and solving the problem. When it was stated that it is no easy matter to cultivate to desires of the soul to develop its relationship with its Creator, this is true because of the myriad of distractions in the material world which take the mind away on a tangent and doesn’t allow the soul to get in touch with its needs.

A person can somehow know it needs love to survive, but it interprets love as affection, not realizing that it is a spiritual quality. This misunderstanding comes about as a result of ‘feeling’ the mother’s emanations of love when being picked up and held. This is a natural result of the soul being incarnate and the body having appetites. But the person who learns that giving from the heart and helping others in many ways is rewarded and fulfilled without money or material offerings of any kind. This person realizes that they are able to ‘feel’ joy and upliftment of spirit, separate from body, and have the opportunity to expand their understanding of themselves as a child of a Spiritual Being.

Now you can somewhat understand the complexity of helping seeking souls “get into a spiritual gear” and develop their awareness of higher laws and possibilities, when their tendency is to try to figure out how they are to best deal with this material life. There are extremes to deal with, which make a clear presentation of truth even more complex: the atheist who absolutely knows there is no Creator or Higher Power; and the cave dweller who will have nothing to do with material life because he knows his soul is the only part of himself which has any importance. How can the truths about the availability of God’s Divine Grace be presented in a palpable way to an atheist, for example?

All you can do is your best and know that it will reach some seeking souls who are ready to learn, grow and become enlightened. We suggest that a percentage not be proclaimed in relation to ‘how many’ souls may have received some of the Divine Essence of God’s wondrous Soul because it could be misleading and distracting. But according to your own intentions and guidelines, make this Divine Grace attractive and seem quite possible to achieve through desire. Help the soul’s potential seem reachable and something worth striving for.

If I have not appropriately answered your questions this morning, I’m willing to come again to help with guidance when you’d like more input. Thank you for being receptive to my thoughts. I am one of your special guardians who loves you dearly, and I am with you often to protect and guide you, your brother in Christ and friend, Peter the Apostle.

Yes, God blesses you abundantly; all you have to do to be receptive to, and to ‘feel’ these blessings is to relax into your soul and trust that God Loves you and that you are worthy of all these wondrous blessings.

**“Mother and Father, open my soul to this Gift, Your Love. Open my soul and may Your Holy Spirit touch my soul and pour within it your essence, your Love that I may be transformed, that I might be your true child, embraced and carried, lit along my life’s path in the glory of your Light and care and protection.”**

Intellectual dominance retards one's potential to peak ONLY at Sphere 6.

Natural Love can progress us from 1<sup>st</sup>, then to 2<sup>nd</sup>, 4<sup>th</sup>, and finally to 6<sup>th</sup> sphere only. Mind is the control.

If we would just ask for Divine Guidance and Divine Love to help us and let go of our minds and preconceived ideas about what the answer should be, then we would get a clear and accurate answer so that we are able to classify it and live a life without having to deal with the burden of our flaws over and over again.

Flaws / emotional errors / injuries block the flow of natural love and that is the reason so many also have a dark soul.

The 6<sup>th</sup> sphere state of the perfect natural man is our birthright; it is our normal level of being. The only thing man has to do to regain this state, is unblock the flow of natural love by letting go of the flaws it is hanging on to; not by adding something which isn't already ours.

Spheres of Disharmony = Hells

Divine Love, being a substance, progressively fits us to enter the Celestial Heavens, then the Eternal Spheres and then the Spheres of Paradise, way above the Spirit Worlds.

Divine Love, with Feeling Healing, is the substance that dissolves our emotional errors, our damages resulting from our man-made selfish ways. Divine Love is the substance that brings about forgiveness.

As we ask for and receive Divine Love we step away from errors that predominate in the spheres of disharmony, we then progress from the 1<sup>st</sup> sphere and then through the Divine Love spirit worlds 3<sup>rd</sup>, 5<sup>th</sup>, and 7<sup>th</sup> spheres. Once our mind is totally compliant with the Will of our Heavenly Parents, we no longer can nor consider to do anything other than adhere to the Loving Nature of the Parents' Will, this is the transition to at-onement. We then enter into a Celestial Soul Condition either whilst here in the physical on Earth or enter the Celestial Heavens as a spirit person.

With the embracement of our Parents' Love, the Divine Love and Feeling Healing, we can achieve this progression into Celestial Soul Condition within possibly five (5) years! When we ask for Divine Guidance and Divine Love to help us and let go of our minds and preconceived ideas, we live a life without having to deal with the burden of flaws over and over again. Go 'God Reliant'. Set your mind free, and enjoy your freedom with the Love.

## Why do people behave unlovingly without reason.

Antwerp, Received by WV.

<http://new-birth.net/contemporary-messages/messages-sorted-year/messages-2014/why-do-people-behave-unlovingly-without-reason-wv-3-december-2014/>

Hello my friend. So nice to see you blossom again. I'm glad you noticed we were with you. There was indeed a reason for you to feel the energy of anger during your meditation. We needed you to feel it so we could explain a couple of things to you concerning: 'knowing thyself' and 'loving thyself'.

When we reminded you about the experience of someone stabbing you in the back you felt anger, sadness and powerlessness coming over you. Especially when you thought about the fact you had never done anything wrong towards that person. On the contrary, you even protected him when other people were talking about him behind his back. You were sad everybody was so quick to jump to conclusions (and judge you) while nobody even thought of asking you for your input to clarify a thing or two.

The reason why people behave like this has been a big question to you (and also to a lot of other people who've experienced the same thing) and has occurred many times during your life. It is like a theme that pops up once in a while.

The first thing you have to understand is: energy accumulates during life when it is not classifiable. If we have an unloving experience, all other unclassified encounters, belonging to the same (unloving) theme, will add up (energy) to your current experience. That explains, for example, why people sometimes seem to react irrationally or why they overreact to a specific experience.

Secondly, I want you to think about this: everybody has had experiences where somebody treated them very badly but they were able to forgive that person because they knew the reason why they were overreacting; for example: because they just lost their mother, because they just found out their spouse wanted a divorce, etc. So being able to identify the reason why people act unloving towards us helps us to classify and forgive or forget about it. That is the reason why we are having this conversation: to help you classify the unclassifiable experiences.

Most of our unloving experiences are unclassifiable because most people (we have such experiences with) are not able to give us the reason, because they truly do not know themselves. This is why it is so important to 'know thyself'.

So if an acquaintance tells somebody you are not trustworthy (and you have done nothing to them to make them say such a thing) you have to understand the subconscious process behind it. Deep down inside, the soul knows what the (internal) problem is. It will try to establish a connection with the mind so it can clarify the reason of the problem why one feels out of tune. This is an automatic process (of the soul) because the soul is only made to give and receive the energy we call love and it wants to regain its pristine state of natural love as it was before incarnating. Of course the mind (or ego) doesn't want to hear about this so it will project (what the soul wants to explain) onto someone else.

Hence, if you carefully analyse what we just explained, you will understand it is what lies underneath 'the principle of projection'. People see themselves in others. It doesn't define the other, it defines them. Let's take your experience for example. The person who said you were not trustworthy hasn't got a problem trusting you. Deep down inside he has a problem trusting himself. The reason why is up to him to find out.

And if people would just ask for Divine Guidance and Divine Love to help them and let go of their minds and preconceived ideas about what the answer should be, they would get a clear and accurate answer so they are able to classify it and live a life without having to deal with the burden of such flaws over and over again. And once more the importance of 'knowing thyself' is shown. If people would apply this knowledge to themselves and acknowledge it is an internal (not an external) problem – how hard it might be sometimes – they would evolve much faster.

*(Well, this all makes a lot of sense but it doesn't take away the fact they influenced other people to think the same thing about me. That harm is still done. And what about the fact I sometimes want to talk to people about the incident although I know I shouldn't because I feel it's not that important. Is there a reason for that too?)*

The fact you have the urge to talk about it does indeed tell you more about yourself. It tells you, you still don't love yourself as you should; that you still need / want other's confirmation about who you are. But if you look closely, you will see how ridiculous that is. How others look at you doesn't define who you are; how you look at yourself defines who you really are. But it is because your father deceived you into accepting this flaw (because it was to his benefit) that it has now been ingrained in your mind.

So you see, the things you just mentioned and asked are all related to the same flaw you accepted as being true. And as long as you do, that flaw will block (a portion of) the natural love to flow through your soul. Flaws block the flow of natural love and that is the reason so many have a dark soul. For as the flower needs sunshine to blossom, so does the soul need love to shine.

Unlike Divine Love, natural love flows around, through and to everybody without having to ask for it. Like there is a Holy Spirit, (for Divine Love) there is also a natural (love) spirit because our souls need love to function at normal capacity. So the state humanity is in now, is much less than its true capacity. That is why we have said so many times and through so many mediums before: the state of the perfect natural man is your birthright; it is your normal level of being. The only thing man has to do to regain this state, is unblock the flow of natural love by letting go of the flaws it is hanging on to; not by adding something which isn't already yours.

There is one last thing I want to explain before I stop. Since this normalisation process (to give the process a name) is automatic, the soul will always be looking for ways to restore its natural flow of love. And because the soul is sometimes so deprived of love, it feels almost impossible to restore its natural flow, let alone to re-establish a connection with its Source (God). Therefore it seeks help from a much closer source: the human soul (it comes into contact with); but one that contains a lot more love than itself.

So next time somebody treats you in an unloving way, don't be offended. Consider it a compliment since their soul recognizes you as a source of love and is reaching out to you for your help and love; it is only their mind that is blocking them from seeing the truth. So stay kind and loving (as Father) and don't let them influence you to deprive your own soul from the love it needs. That is the only way you can ever really help them.

Thank you for helping us out with explaining this. We like what you have written. [Laughs] Your friend, John.

## ***DIVINE LOVE – what does it do?***

**Divine Love, which is a substance, progressively:**

**Transforms one's soul from that which is of natural love to that which is Divine**

**As natural love is enhanced with the Parent's Love, we reject our tendency to error**

**Divine Love, our Parent's Love, restrains errors, untruths and emotional stress**

**As we reject the condition to error, we develop our love for our brothers and sisters**

**Divine Love helps one with the discovery of truth through one's soul-feeling healing**

**Our natural intelligence grows, perceptions rise with our soul intelligent feelings**

**As Law of Compensation is resolved, the Love reduces returning to being in error**

**Receipt of Divine Love, the Parent's Love, grows our faith, we become God reliant**

**As our faith grows our propensity to undertake one's Feeling Healing strengthens**

**With the Love, our Feeling Healing becomes Soul Healing, this we are to undertake**

**Without the Love we remain self reliant and dependent upon our own will power**

**Only with the Love will our soul condition grow rapidly, all around us also benefit**

**The Love is the only substance that changes the human soul to that which is Divine**

**Only by asking and receiving Love do we become fitted to enter Celestial Heavens**

**Only by asking for and receiving the Divine Love does our soul become immortal.**

## Rules of the game.

Santa Cruz, California, Received by K.S.

Dear K..., as you know, we are always here and available to deliver our thoughts through available Celestial mediums, even when we do not have any specific message to deliver, we never run out of information to convey. As the messages you've been sharing with others on the Board have been saying, there will never be an end to the truths of the Father's provisions and higher information which will be forthcoming when humankind becomes transformed into divine souls.

In the meantime, all a person has to do is love God and themselves and have faith that all God's laws have been created to help His children grow in their spiritual qualities. The reason lessons sometimes seem harsh is for the purpose of making it more prudent to follow in the loving way. A person eventually 'gets-it' – if they continue to look upon the dark side of life, they will stay longer in darkness. Like attracts like. If a person fails to have love for him- or herself, they will fail to acknowledge their own lovability, their own specialness to God, their Creator. And therefore, it will take them longer to come up from their unhappy state.

Oftentimes people may not even be aware of the fact that they have very little self-love, or that they have quite large blocks, or even that they are unhappy; it's often a case of not missing something one has not experienced. But in the scheme of things created by God, when a person is seeking truth and desiring to activate the highest potential of their soul, their internal restlessness comes to the fore and causes unrest. They strive to understand what the source of this feeling is and discover they have a hunger to learn something, and it seems to be coming from inside themselves.

One thing leads to another: their spiritual guides put things in their path which help bring answers to their heartfelt questions and they become enlightened. A person on a spiritual quest finds comfort in subtle, inspirational unfoldings. They begin to become aware of the unique experience of 'finding' answers to their unspoken questions in coincidental ways, and develop faith in a higher or unseen energy which is guiding them in the fulfilment of their spiritual seeking.

If you are wondering why it takes so long for real and meaningful changes to come about, wonder no more because on top of all the slowness of a person's ability to 'get-it' that God is there trying to lead His children into the Light of Love, there are millions of low spirits trying to make sure no one becomes aware of that Light. It is their highest motivation because their souls' love is covered up by darkness and despair. "Misery loves company" comes to mind. So it is even more crucial that seekers of truth and Love become steadfast in their search and apply the rules of the game in real and dedicated ways, to rise above all the negative influences which abound on Earth.

If you notice that you have a bad attitude about something or someone, stop for a moment and pray for that situation, send love to the people involved, put it into God's Hands and ask the angels to pour their influences into the situation. Do not continue to have a bad attitude or negative thoughts, for they will only tend to bring you down and allow you to be open to the influences of the lower spirits.

We are here for you and with you whenever you want us to be, and when you ask for our help. But you need to open your hearts to our input before it can be given to you. It's similar to asking for God's Love,

He does not give It to any of His children unless they want It. If a child is seeking spiritual truth and wanting to come into alignment with God's will, that child will be opening her heart to the inflowing of God's Love.

Humble, devout seekers, wanting to grasp God's intentions for their life, will be finding their way to the Higher Heavens. It devolves upon the individual to activate their soulful seeking in order to overcome their limitations, remove their blocks, and get over the effects of their negative experiences. Some may say they have heard it all before, but if they are still suffering I might suggest even if they know the rules, or understand the problem, perhaps they have not yet turned it around. They may not be praying for, and sending love to any and all who seem to be opposing their perspective.

Okay, now you know the rules and how to play the game, so it is up to you, each individual soul, to follow in the Way of Love. God blesses you, accept His blessings by acknowledging your goodness and ability to grow spiritually by setting your blocks to rest and blossoming in the Love.

I will leave you now with my blessings and thank you for taking my message. I am your friend and brother in Christ, Peter the Apostle of Jesus and a Celestial Angel Spirit.

## Jesus' death and resurrection.

<http://new-birth.net/contemporary-messages/messages-sorted-year/messages-2004/jesus-death-and-resurrection-rl-21-june-2004/>

USA, Received by R.L.

I am here, Gabriel, an ancient angel of the Lord. (He is white, wearing a white robe tied at the waist with a cord, and with large white wings, with a thick extremely ancient, somewhat knarled, strong appearance. This appearance may have been to convey his antiquity.)

I was there and helped take Christ down from the cross. It was a relief when the suffering was over and he was lying stretched out on the ground. I stretched my body out over him, just above him. I and other angels were there when he was taken to the tomb. Night came, and we gathered around his body, many of us, including other very powerful ancient angels, for lack of better words to describe us. We were grieving terribly and we stretched our bodies out over him. We poured our energy of love onto him. And through this intense love energy coming out of our terrible grief and regret that the son of God could have been killed in this untimely manner, his body was reconstituted of love essence of the Father. And his physical body was dematerialized. What many people don't know is that it did leave a residue, a slight residue in the cave. His love essence of the Father body is what he used to visit his disciples through the incredible force of the love energy gathered at that time, through the angels, from the Father. This body through which he appeared required unprecedented unparalleled gathering of the love energy and could not stay on Earth for long. You ask whether this transfiguration came about through the efforts of Christ's love and longing, or from us Angels, or from the Father. At that time, there was no differentiation. It was one continuum. He was already one with the Father. About the stone at the mouth of the cave, it was not as large as people think and it was not altogether that hard for us to move. Of course, we have great strength. You ask whether, as the priest said yesterday in church, Jesus was killed by forces of evil. Sometimes our white wings do beat back dark forces. But the evil that killed Jesus was no more than the evil that lurks still in the hearts of ordinary men, through the disorder and sloppiness of their minds and mental habits. Now I will depart before I burn a hole in your mind, as you are new at this.

R: Thank you for coming.

## Coping with Churches....

<http://new-birth.net/>

Santa Cruz, California, Received by K.S.

November 5, 2000

Dear Heavenly Father, We have a question about the Apostolic Church, and how the angels see its helpfulness to humankind. This person wants to know how to carry out God's work while progressing in Divine Love. I love You, dear God, Creator of our souls, Source of All Love. I wish to serve You better. I pray to put aside my forethoughts and be a clear channel for the angel's message. I pray for a great inflowing of Your wondrous Divine Love at this time. Thank You for this privilege. Amen.

I am here now to write, my dear sister in Christ, and I come to you today in answer to your desire to be of service to your fellow human beings by receiving answers to their spiritual questions. We work tirelessly to serve sincere seekers of truth and love, for we know that it is through the development of the soul in Divine Love, particularly, which will lead them in a harmonious direction to overcome sin and evil in the world.

Even though the purification of the natural love is, or will be, helpful in achieving this goal, we do not see it being able to rise above the temptations without divine examples showing the Way to greater peace, harmony and love. So any and all examples of love and truth being demonstrated in the world will be helpful to people in the flesh to turn their thoughts to ways of love. You need to demonstrate the joy in your life which God's Love brings. This peace needs to shine for others to recognize its favourability over being in control of material events, which in the long run do not promise fulfilment or joy.

All churches that teach and preach the importance of loving God and seeking to do His Will in your life are helpful. If a person sincerely prays for God's Grace, Divine Love, this is the highest desire which has the ability to attract that Substance of Love which in turn has the Power to transform the soul into a new divine creature.

Spiritual progression is achieved in increments, in small steps, day by day, year by year, until the desire to do God's Will becomes part of your very nature, part of every thought and desire. Then spiritual development becomes assured; it is almost as if you could not turn back even if you wanted to. But there would not be a desire to turn away from God's Love when It has established Itself as part of the nature of the soul.

Those of you who have chosen to seek the path of this Love are truly blessed beyond measure because God's Love cannot be measured. It is beyond the beyond, a power the human mind is incapable of fathoming. So, when you seek the merits of your earthly church, I will say the churches often do the best they can under the limitations of their rules and regulations, but they cannot put dampers on the desires of the soul in its longing for God's Grace. Each of you has the responsibility to seek truth and develop your relationship with God. When this has become established as a real and living connection, the child is buoyed up by the Source of Love from its Father, and the joy and fulfilment shines forth for all to see. You have the privilege and obligation to help your fellow human beings turn their thoughts to prayer for this Grace, in longing to do God's Will in their lives, striving to become living examples of peace and love to help the world out of its despair.

It may seem like a lonely road because few and far between are you who walk this pathway in these days. But you can walk upon it, even if you are the only one for miles, because the happiness and fulfilment which comes to your soul with the presence of God's Love therein will be your reward and your strength. Being connected to God in this soul-sense brings more comfort than being in a roomful of souls who are not in harmony with truth and love. There should be no conflict in choosing your "friends" when your Loving Creator is among the choices. He has the Gift of Love for you, which your soul craves. He has the Power to bring peace and joy into your heart. He loves you more than thousands of friends put together. He can show you the way out of your quandaries, up from your self-created darkness into the light of love. He will never let go of your hand as long as you hang onto His. It is a two-way street, but His way is always "on". You are the one with the choice, the need to reciprocate. So what will it be? At home with your friends or going toward Home with the Best Friend a soul can ever have? It seems to us of the Celestial Heavens like a "no brainer."

But the limitations of the material world are like blinders that prevent souls from seeing the truths of God's Love clearly. It is your challenge – do you turn to God for help and love and guidance or do you defend the position of your church's doctrines? Do you accept that God gave you a free will to follow the path of your heart or do you follow another who has decided he knows best? Even a group of people who have reached certain conclusions through the combined efforts of their reasoning powers cannot come up with the Truth. Truth can only come from the development of a soul in the Grace of God's Love, anything less will not measure up.

Recognise the importance of prayer. Be still and connect with God, the Creator of your soul. Let Him know that you trust Him to guide you in your spiritual progression. You can help your church by becoming an example of God's Love extended into the world. When people ask how you have found this peace and joy in your life, you can be a witness for the Power of God's Love. You can proclaim that it does not come in the form of wafer or by adhering to certain doctrines, but only through prayer of the soul, by surrendering your will to God's Will, by desiring to become His child and an example of His Love made manifest in the world.

The reward will be yours. His peace will reside in your soul. You have the key to the door, but you have to put it into the lock and turn the key to open the door. You can do this if you have the desire.

I hope I have helped to answer the question you posed; it is an ongoing quandary because each and every individual soul has to find the answer for himself. We can tell you the answer, but it is up to you to put the answer into action. Put yourselves into God's Arms of Love, be humble and contrite, and know that inner strength comes not from wanting control in the material world. The material world is illusory and will pass away, but your soul will remain pure and strong and loving, or shrivelled and dry and unfulfilled if dominated by the material mind, unyielding, uncompromising or unwilling to bend.

I will leave you with these thoughts and with a prayer that they will prove helpful to the seeker of truth. I am a high Celestial spirit who was given permission to write on this subject today. I am close to our Master, Jesus, and we love God with all our hearts and souls. Amen.

***Cause No Harm*** < to OTHERS

**Strive to love others as I am to love myself**

At any time, any where, and in any way you so please:

Approach our Heavenly Parents, in reverence, without fear or trepidation, just as we, as a child, approach our earthly parents knowing that open loving arms are extended to receive us at all times. As one's love grows for our Mother and Father in the Heavens, we come to know with absolute clarity and certainty that our Heavenly Parents, loves you and me and everyone in return, at all times, and that fear is an illusion created by man's mind.

God, who is our Heavenly Mother and Father, is almighty, all powerful, infinite, and all loving. The love of the Heavenly Parents for Their children, man, has been and is always infinite and ever present. As one's faith evolves, one's love for our Heavenly Parents will have no limit. As we grow in Their love, so will we grow in love for all of God's creations and our fellow man.

The Source Soul, our Heavenly Parents, simply desires for us to ask for Their Love.

God's Divine Love: Pray for it, ask for it, and receive it.

“I love you Father.” “Let the Divine Love flow its energy into my soul.”

“Mother, Father, I desire your Love and I am loving you.”

“Soul God, I love you and I love receiving and experiencing your Divine Love.”

“True Soul God, I am here, I am aware of your Love. Please hear my aspiration for your Love and as I approach you from my soul, I can feel your Love in the way that you are loving my soul.”

“Please Father and Mother, may I receive Your LOVE.”

Maybe we could simply long for and ask:

*Please, Mother and Father, I want some more of your Love!*

MoC 1,471

**LOVE of the MOTHER and FATHER:**

We mainly commence our journey of discovering our relationship with our Heavenly Parents, God, through the intermediary relationship of one of many religions and the even more numerous religious institutions. Frequently we have given our power and rights to an intermediary to intercede on our behalf. Our Mother and Father seeks to commune directly with us.

As we progress in our development and growth of love for our Mother and Father, our Creator and Source Soul, then we find a relationship and personal love for and with Them. This developing personal dependence on our Parents can and is supported by our religion teachers as well as by our never tiring spirit guides. Asking for, praying for and receiving the Parent's Love, Their Divine Love, which is always available for us, is the ultimate blessing that can only come about by the development of our own personal relationship with our Heavenly Parents.

As our soul develops and expands with the infusion of the Love, our relationship and love of Mother and Father develops into the beautiful joy and blessings that is there for us all. Our personal relationship and dependence becomes all embracing erasing our childhood developed intellectually based self dependence. With the Parent's Love, and one's Feeling Healing, comes an ever growing loving life experience that is beyond words and expectations. The Love of the Parent's, with Feeling Healing, is the only gift that brings about forgiveness of our errors and fits us to enter the higher spheres well above those based on self reliance and natural love, the only love that we are blessed with at conception.

## **Noah and the Flood.**

Santa Cruz, California Received by F.A.B.

February 2nd, 2003

I am here, Noah.

It is I, Noah. I was a real person, and lived, as everyone knows, a very long time ago. In my day, we understood more things than you would realize. It wasn't as primitive as is generally thought.

I know you are wondering about the veracity of the Flood story and the Ark. Well, there is some truth to it, and some things that are not true. Of course, God never had the intention to destroy living things with a flood. How could He purposely destroy His creation after having taken such pains to create it? No, this idea does not conform to any truth that can be recognized.

But I will say that there were severe rainstorms that did threaten our lives. When these rains began, people at that time had the thought that they were being punished, and this became the idea that translated into the Biblical account. As in every age, there were people who had done wrong things, and, as in the case of the story of Moses and Egypt, it was generally felt that God made His presence known through weather conditions.

For we did believe in God, or at least in a Supreme Being who showed His pleasure or displeasure freely. There were many in my time who felt responsible to this God, and many who did not. So that when the rains came and threatened our lives and our livelihood, we trembled at the displeasure we thought we had caused in our Maker.

There was no ark at all. How this came into the picture is hard to say. But you do understand that many Bible accounts were simply folk myths handed down through the generations.

I will say, though, that the rainstorms were so severe that the event was remembered and recorded in many different cultures, hence the accounts of a flood that appear in many different cultural traditions. And the rain did cause flooding and severe dislocations in many parts of the world.

Of course, my culture disappeared from common knowledge, so it would be very hard to reconstruct our beliefs and way of life. You must know that there were many civilizations that flourished and that disappeared from humanity's knowledge. Mine was one of them. Obviously, we knew nothing of Judaism, since the events creating this religious tradition did not occur until a long time after my death. But this I can say, that we understood the importance of our responsibility to our Maker, and that many of us erred, just like people of your time.

I did my best to live a righteous life. But I certainly was not the only survivor of the rains. Though the flooding killed many people and animals, it did not destroy all the Earth except me and my family, as the Bible relates.

But all that is past, and I have found my happiness in a God who has bestowed upon me the New Birth of the soul, with its corresponding happiness. Sincerely, Noah

## GOD'S MESSAGES are all within ONE BOOK?

To find all of the Father's Truths and Laws of Love within one book, now, that would have to be one huge book. Spirit beings have spent countless centuries studying the Laws of the Father and have never completed the exercise.

Even though the Laws of the Creator never change, (however we continue to do), all of the books in the world could not contain all of His wonderful gifts for us.

To consider that this book, or that book, contains all that is to be known seriously locks one into stagnation and entrapment of the worst kind. Our urging to explore and learn is continually being prompted and guided by the gift from the Father for us to continue on discovering the wonders and joys that wait for us, should we so ask.

Humanity has foundation teachings which have been introduced by the works of humanity to various sectors of society. Over the tens of thousands of years, these works have been handed down never to be considered as the complete works, but a platform for us to open our minds and souls and to explore further.

These books of old have been generously expanded upon by our Celestial Teachers with thousands of pages of guidance, teaching and love so that we can now, as a universal man, open our hearts in a way that we can now take humanity out of conflict and war like natures.

The journey of new teachings and guidance will continue to grow and grow and grow to infinity!

## **A LIBRARY of 10,000 CLAY TABLETS DATING BACK 70,000 YEARS!**

**The Books of the Golden Age** was penned by **Col James Churchward in 1927 and published in 1997**. The first Book within this one book, being Book 1 is titled “The Sacred & Inspired Writings of Mu” and the book is not in print in as much it is a photocopy of Churchward’s hand written book.

Col James Churchward (born in 1851, died in 1936) spent seven years in India being trained by his dear Rishi friend in how to read the clay tablets that originated in the Lost Continent of Mu (Churchward published a book by this title also). From this training, Churchward realized that he could read the hieroglyphics on most ancient structures from around the world.

The ancients in Mu dated their clay tablets by imprinting on various clay tablets the position of constellations in the sky, thus the dating of them is easy for those with an astrological background.

In all, some 10,000 clay tablets make up a set, thus the amount of information within them is enormous. We expect that work is currently underway in India to decipher a set of these ancient clay tablets and make the records available for all.

The writings of the great library are not all of the same date, some only go back 12,000 to 14,000 years ago. The Sacred Inspired writings are the oldest, they date back to more than 70,000 years.

In these tablets a complete history of man is given from the time of his advent on Earth in the Land of Mu.

The date of his first appearance on Earth is given as either 200,000 or 270,000 years ago. Churchward could not determine the exact date from the writings, not to his own satisfaction: but, with their astronomical charts one skilled in the science of the heavenly bodies could determine the exact date.

The history and way of life of the very civilised population on Mu (Lemuria) is one of beauty and the founding of the wisdoms that are found in the many diverse cultures around the world:

The Negative Confession of Ani details the 42 questions in The Egyptian Book of the Dead by EA Wallis Budge on page 346 (the basis of the Ten Commandments). The papyrus of Ani dates back 3,500 years. Also in the Egyptian Book of the Dead, (the papyrus of Ani) are elements of the Lords Prayer on page 251. Lawrence Gardner in Genesis of the Grail Kings makes reference to the origins of the Lords Prayer on page 274.

‘The Lord’s Prayer, the greatest work of its kind ever penned or spoken, is to be found in the Sacred Writings of Mu.’  
P46 Sacred Symbols of Mu

**‘The First Religion:** The Sacred Inspired Books were written for the purpose of teaching early man religion; therefore, man’s first religion was the teachings of the Sacred Books. The basis of this religion was Love. Man’s Love for the Heavenly Father and His works. The Love of the Heavenly Father for His son Man.

‘Every teaching was plain and simple without a particle of theology. The most ignorant could understand every phrase in it. There was nothing of any kind indefinite. It was impossible not to

understand it thoroughly. Man was taught to approach the Heavenly Father, not with fear or dread, but with confidence, and above all, Love: as a child would run to its earthly father who is standing with outstretched arms to receive it. Love stood at the head of the 12 great virtues, because Love governs the Universe and the Heavenly Father is The Great Love.

‘After studying the teachings of these writings, if one were asked, “Where is God’s greatest temple on Earth?” One should answer: “In the heart of man; the perfect temple for the adoration of God; the perfect temple for silent meditation and Love; the temple available at all times and in all places, any hour of the day or night, whether it be in crowded city or desert plain, for the Love and Adoration of the Heavenly and the temple where man can become at one with the Heavenly Father.” Tell me, what other temple can fill its place?’

P204 The Children of Mu

Now, the 20<sup>th</sup> Century has been blessed by the wisdom of writings from hundreds of Celestial Spirits, and these writings continue today.

The great gift of the Father’s Love, Divine Love, was re-bestowed upon man some 2,000 years ago. The knowledge of this gift progressively faded from man’s records and memory throughout the 1<sup>st</sup> and 2<sup>nd</sup> century until in 325AD at the Nicean Council in Constantinople all record of the gift of Divine Love was lost.

Now, with the ever escalating flow of teachings from the Celestial Heavens, the knowledge of the availability of Divine Love, what it is, and how to ask and receive it, are being freely shared throughout all corners of Earth, never to be lost again.

Share the awareness of this great gift and embrace it into your way of life. It is ever so simple to meld into your pre-existing culture and religious practices that it simply illuminates the potentialities of vibrancy in every aspect of your life experience and the one to come in the spirit worlds and then the Celestial Heavens.

**“Dear Creator, fill my soul with your great Essence, your Love Divine and I will walk this Path as your child, ever seeking to come closer to you, ever seeking to receive this wondrous Gift, ever seeking to open my eyes and my ears and my mind of the soul so that I may know truly and wondrously who You are, who I am and the wonderment that is your creation, Beloved Mother and Father. I am ready. I am willing. I have a deep desire to know, I have a deep desire within my soul to love and I want to love, Mother and Father, in all the ways that I am capable of and to be your channel of Love in this world, to bring the Light of your Love into this world, to be in this wondrous flow and harmony, to know this great joy, profound and deep, holy and joyous. Mother and Father, I am with you. Be with me within my soul. Be with me now”.**

**SPIRITUALITY was and will return to be the WORLD'S LEADING WAY OF LIFE:**

The ancient Sacred Inspired Books were written for the purpose of teaching early man religion; therefore, man's first religion was the teachings of the Sacred Books.

The basis of the first religion taught to man was - Love. The Love of Man for his Heavenly Parents, the Love of the Heavenly Mother and Father for his son, man, and the love of man for all of God's creations.

Man was taught to approach the Creator in reverence but without fear or trepidation, just as a child would approach his earthly mother and father knowing that open loving arms were extended to receive him.

Early man knew no fear of God, the Mother and Father, because he loved the Mother and Father and he knew They loved him in return.

All of the ancient teachings were the same all over the world, it was a universal church without sect, creed, theology or dogma.

Every teaching was plain and simple without a particle of theology. The most ignorant could understand every phrase in it. There was nothing of any kind indefinite. It was impossible not to understand it thoroughly. Man was taught to approach the Heavenly Parents, not with fear or dread, but with confidence, and above all, Love: as a child would run to its earthly father who is standing with outstretched arms to receive it. Love stood at the head of the 12 great virtues, because Love governs the Universe and the Heavenly Parents is The Great Love.

Now all peoples of all faiths and way of life can embrace the universal gift of our Heavenly Parents. This gift was known to the first family and again known in the 1<sup>st</sup> and 2<sup>nd</sup> century. Living with the Love is universally being taught through the teachings from 31 May 1914 and ongoing, by our Celestial Friends, and that gift is the light golden blue energy substance being the Divine Love of our Heavenly Parents that is shared with all who so ask to receive it. It is that simple, ask and you will receive the Love substance of God instantly.

**God's Divine Love: Pray for it, ask for it, and receive it.**

**Our Heavenly Parents simply desires for us to ask for Their Love.**

Pascas WorldCare – Introduction to 100 Years of Spiritual Teachings

Our search to understand ‘how to treat the cause of illness rather than just treat the symptoms’ at first, appeared elusive. As it became understood and then obvious that particular emotional issues affected the physical body, in particular regions and organs, then came the question of how to remedy and remove those emotional negative issues.

Negative, or man-made, emotions can be addressed with great personal perseverance, however, the outcome is most likely not to be permanent, we relapse.

In July, 2009, we were introduced to the Padgett Messages. These are profound teachings of truth, readily confirmed by applying Dr David Hawkins’ method of kinesiology muscle testing in conjunction with his Map of Consciousness. Some of the historically recognisable authors / writers throughout these messages are:

|                       |                            |                            |

| Clement (Saint)       | Cleveland, Grover          | Constantine                |

# Feelings First Spirituality

## The New Way

**Feelings First**  
**FF**  
**Feeling Free**

The New Way, Feelings First Spirituality  
 Learn to live with God through your Feelings

Accept, express and long for the truth of your feelings

Be free in your feelings  
 Free your feelings from your mind's control  
 Live true to your feelings; your feelings are your true self  
 Live true to yourself through your feelings

Live true to yourself by living true to your feelings.  
 Long for the truth of your feelings.

Accept / Express / Bring out ALL of your good, and most importantly,  
 BAD feelings.

Want to understand why you're feeling them.

Use your surface feelings to take you deeper into your repressed and  
 hidden feelings.

The Feeling Way is the True Way.  
 Your feelings are your spiritual guide.  
 Your feelings will take you to God.

Your feelings will show you the truth of your relationships, including your relationship with God; and if anything is wrong, untrue and unloving, then why it is.

Our feelings are sacrosanct and we should respect them accordingly. And we should NEVER block them out, ignore, override, banish, deny or reject them, because if we do, we're only doing that to ourselves, as Our Feelings Are Our Self.

Our feelings are the gateway to our soul. Our feelings are the closest we can get to our soul. Knowing the truth of our feelings is knowing the truth of our soul, and knowing the truth of God.

Feelings First Spirituality is the True path for humanity.

It embraces all people.

It completely unifies the world.

Everyone can relate to everyone else through their feelings.

And we can all live the truth that comes from our feelings, all sharing the same truths as we express and have the same feelings.

No one need be left out; no one is more special than anyone else – we are all united in Truth through our feelings.

So with and through our truth we live our lives, therefore without the need of any man-made mind-laws, rules and restrictions that limit self-expression as inspired by our feelings.

The New Way, Feelings First Spirituality is what is to replace all man-made, mind-contrived religions that so many people have enslaved themselves to. The New Way, Feelings First Spirituality will set us free of all that control, ending the Rebellion and Default within ourselves as we do our Feeling-Healing, and ending such control and spiritual stagnation in the world.

Bring on the End Times – get it over and done with! Let's all see that Jesus is not going to come again, that Prophecy has failed all the mind-controlled platforms. Allow such false systems of belief to die their long-awaited natural death, they've overstayed their welcome, it's now time they fade away. So let us show such antiquated, erroneous systems of belief the exit and bring on the fresh liberation of discovering the truth of how we are to live for ourselves, each of us personally in our lives, and all by looking to our own feelings for it. Self-revelation through our feelings is the way to go.

The Way of the Mind is ending, and is really the End Times – the End of our mind control, and **it's about time!** With the Way of our Feelings replacing it.

The End Times means the end and therefore a New Beginning. And that new beginning is a whole new Spiritual Age – an age based on self-revelation of truth through one's feelings, coupled with and supported by higher revelations from the Celestial spirits, angels and nature spirits.

The Feelings First Spirituality is the True Way to God because it helps you get to know God, helping you to reach out, connect and be personal with God, and do God's Will, all through your feelings. It is the only true way of getting to know the God of Feelings – our beloved Heavenly Mother and Father, the Great Soul of Divine Love.

Love comes through our feelings and not our mind, as we've all been wrongly led to believe.

**Feelings First; then comes The Truth; then comes Love.**

**LOVE is the Religion of Feelings, being:**

## The CHOICE is OURS to MAKE:

### Celestial Truth:

Truly all-loving;  
 Living true to oneself;  
 Mind supporting Feelings;  
 Living with the Divine Love;  
 Fully Healed of the Rebellion and Default.

### THE FEELING WAY

Feeling – Ascendance  
 Unlimited progression

- Living true to your untruth;
- Honouring all your bad feelings;
- Expressing feelings to uncover their truth;
- Healing the Rebellion and Default within yourself;
- Feeling unloved; being unloving;
- Feeling as bad as you can feel;
- Feeling like you are no one special;
- Longing for the Divine Love.

### THE MIND WAY

Mind – Transcendence  
 Limited progression

- Enlightenment, Nirvana, feeling all-loving;
- All false, mind-contrived. Anti-truth, anti-love;
- Still evolving the Rebellion and Default within yourself;
- Feeling and believing you are the Superior One;
- Living with your mind in control of your feelings;
- Living rejecting all your bad feelings;
- Living with your mind contriving you feel loved;
- Rejecting the Divine Love.

All religions, New Age, agnostic,  
 atheists, no spiritual interest,  
 Living the Rebellion and Default.

Hell:  
 Exploiting the Rebellion and Default.

The Feelings are the doer; the Mind the teller. So we are to go with our feelings, which we can't be told to do with our mind. So the longing for the Divine Love, doing our Healing by expressing our feelings and longing for their truth, are all feelings and doing it with longing. Whereas the mind just wants to tell us what to do and how to be, no feelings in it, all how our parents have treated us.

## Our FEELINGS are our SUPREME GUIDES:

# Feelings!

Feelings are what guide us through our ascension of truth. So they are really our Supreme Guides. Many people look for a person, spirit, angel, even God, for supreme guidance, however it's all right there already built in – in our feelings. **We just have to submit to them, allowing them to take us where they will, expressing all the parts we want to express, letting the emotion drive that expression if it's there to be expressed, or just talking about all we feel and how feeling that feeling is making us feel – or, how we feel about having that feeling, all whilst longing for the truth of our feelings. Longing for the truth of our feelings is really: Longing for the truth of our self, because: we are our feelings. So life stirs up our feelings, we feel being alive; or, being alive means we are feeling, always feeling; and when we work out what and why we are feeling what we are, so then we know the truth of how we are. And over time the truth accumulates, and our mind expands our understanding of ourselves, all being driven from our feelings.**

Kevin 26 Sep 2017

## **Using our feelings to uncover the whole truth of our negative or anti truth and anti love state.**

Kevin: **So whilst we're of an untrue state, then all we have got to help us understand why we feel bad, why we are wrong, why we are negative and anti love and truth, is our feelings. So if we focus on our bad feelings, they will lead us to the truth of why we're feeling bad. Which will be the truth of what happened to us to make us be this wrong way, and how we took on the wrong way and keep it going making us feel bad.**

## FEELING HEALING

**Note:** The vital difference between emotion and feeling is that emotions have their roots in the past, and feelings relate to the present moment. Emotions represent our feelings which were not previously expressed, and these accumulate with time.

**Note:** **Our feelings are soul-based. Our soul is always in truth. It is our soul based feelings, that when allowed to be freely recognised, we will begin to express and be who we are. This takes time and perseverance as we have encrusted our souls with layers upon layers of errors and false beliefs, it is these layers that will confuse the truth that our soul is conveying to us. Only by our progression with our Feeling Healing will our soul's expression of truth become clear and free of all cloudiness and contamination.**

“What our soul needs in accordance with our own, individual, **Soul-Light-Plan-Of-Destiny** (your life's true destiny plan), They, being our Mother and Father, will give you as required. The only way we can know truly what we need is to honour and follow our true feelings. They, springing from our soul, literally telling us what we need, and so when we genuinely feel we need something, we apply our will to get it. The hard part is knowing if our feelings are true, and until we have done our whole soul-healing, they won't be clear and total true.” James – Introduction Course to Divine Love Spirituality

# FEELING HEALING + SOUL HEALING

To heal one's self is to simply look to see what feelings we are refusing to let ourself feel, and accept them instead of denying them. And to fully accept them, one needs to express them, speak about them, let them have their say, rather than pushing them aside, refusing to let them make you feel bad.

Doing this all with the intention of seeking the truth of why you are feeling them, of speaking about and expressing all such feelings; all feelings you have, but ALL WITH the INTENTION of UNCOVERING the TRUTH THEY WANT YOU TO SEE ABOUT YOURSELF. And it's the wanting to see the truth of them that is very important, because if you just look to accept them and speak and express them, but not seek their truth, then that's all you'll be doing, speaking and expressing them, but not healing their causes, so not fixing the things within you that are making you feel bad. And it's the truth part of it, seeking the truth of your feelings, and so, seeking the truth through your feelings, that's vitally important. It's the truth of yourself, life, nature and God, that is the spiritual aspect to it all.

You CAN'T find the truth of yourself, or anything else, through and with only your mind. You HAVE to engage and look to your feelings. And so if you choose to allow your feelings to 'Show You the Way', then the truth will come as you express them. So to do our Soul-Healing consists of these steps, all of which are ongoing until it's done:

- **Admit you are feeling bad.**
- **Accept your bad feelings, identify what they are.**
- **Honour fully your bad feelings by expressing them, speaking about them to someone who is willing to hear you talk about them, or tell them out loud to our Heavenly Parents. Long for the truth of them. Long for the truth of why you feel bad – what deep within you is causing your bad feelings?**
- **And remember, bad feelings are Good! Not bad. They are not to be despised. And as hard as it is to accept them, they are still you, and a very real part of you. And if you persist in denying them and not allowing yourself to fully live them, then you are only going to keep yourself in your errors making things harder for yourself.**
- **All sickness and suffering, all bad things that happen to you, all your problems, all your addictions – your whole feeling-denying and untrue life, is all caused by your denial of bad feelings.**
- **Every problem in the world is brought about because everyone has been brought up to deny feelings, and in particular, most of their bad ones.**

If one is intent on spiritually evolving and growing in truth, then it's vital, and this is the key, that one looks to use one's feelings as the means to gain and have access to the truth of oneself. You CAN'T find the truth of yourself or anything else through and with only your mind. You HAVE to engage and look to your feelings. And so if you choose to allow your feelings to 'Show You the Way', then the truth will come as you express them.

Doing your Soul-Healing with the Divine Love, is really doing your 'Feeling-Healing'. We are designed — created — to be self-revealing of truth, and so we are all to uncover the truth within ourselves and for ourselves, and all being done by living true to our feelings. **If you accept, express and seek the truth of your feelings, then truth will come to you, and you'll grow spiritually. It's as easy as that. Also it is as easy as it is to long for, ask for and receive Divine Love.**

THE HEALING OF YOUR BAD FEELINGS THROUGH THEIR ACCEPTANCE  
AND FINDING THE TRUTH OF THEM, IS THE ACCEPTANCE OF YOUR  
NEGATIVE, REBELLIOUS, EVIL, IMPERFECT MIND AND WILL CONDITION.

To do our feeling-healing we need to become:

Aware of – Acknowledge – and Admit, our bad feelings.

So we can:

Accept – them and allow ourselves to Be them.

And then if we feel to, take:

Action – Express, speak and emote them.

Talk about them.

All being done whilst longing to, really wanting to, see the TRUTH of our feelings.

So it sounds simple.

So I repeat:

We accept our bad feelings by expressing – speaking about them to someone willing to listen to us and take us seriously. And as we speak we long for the truth of them – why we are feeling them – to be made known to us. And when we uncover and see the truth we are FREE! – healed of the causes that have made us feel bad.

Accept, Express – see the Truth, and you're Free!

ACCEPTANCE OF ALL YOU FEEL, THINK AND ARE, IS THE KEY TO DOING  
YOUR HEALING; THAT, AND WANTING TO SEE THE TRUTH OF ALL YOU  
FEEL, THINK AND ARE.

**Release one's pain through expressing one's feelings.**

**in conjunction with**

**Longing for the Truth when also longing for Divine Love.**

# Steps UP!

## Quantum Jump 1

**REVELATION 1**  
James Padgett 1914 – 1923

James Padgett bravely introduced the availability of the Mother and Father's Divine Love and a great deal of additional guidance and information, all of which has been supplemented by Samuels, Judas, Reid and Arnold. All writers were under restrictions of personality and circumstances. Revelation 1 opened the door for humanity.

## Quantum Jump 2

**REVELATION 2**  
Marion and James Moncrief 2002  
– ongoing

Marion and James Moncrief have recognised the need for one to engage in Feeling Healing and, by their actions, removed restrictions that James Padgett and others above endured, thus JM is able to critique the writings of the past 100 years resolving points of confusion as well as expand on what has been written. Revelation 2 is humanity's turning point.

Due to the extra-ordinary nature of Revelations 1 and 2, humanity with the first Revelation would have continued on into its negative pathway of living, however, combining the first Revelation with Revelation two, now humanity can embrace this turning point and commence its evolutionary growth that has required two thousand years to put in place. This is the greatest event in the history of humanity and very few are aware of such, until we enable others to become aware.

### GAINING the equivalent of PhDs SPHERE by SPHERE:

The journey to our ultimate destination is of enormous proportions, however, we have loving assistance and guidance all the way.

Consider that each major sphere that we progress through is capped with the granting of a PhD. Thus our journey to our ultimate home could be said to represent the achievement of gaining some 16 PhDs!!! Incredible!

Yes, we can all do it. As we ask for and receive Divine Love we accumulate this wonderful essence progressively within our every growing soul, all visible due to the luminosity that this wonderful substance generates through our solar plexus of our spirit body. Our solar plexus are called this way due to this radiance emanating from that location of our being.

Major spheres that we may advance through are:

|                                    |        |
|------------------------------------|--------|
| Spirit World (Divine Love) spheres | 4      |
| Celestial Heavens spheres          | 3      |
| Eternal Spheres                    | 3      |
| Infinite and Universal Spheres     | 3      |
| Spheres of Paradise                | 3 then |

**Super Grand Sphere surrounding Father's Sphere & Soul**

|                             |      | ==        |

Each sphere contains numerous planes and layers, thus our journey will have an incomprehensible diversity of experiences, all incredibly loving, progressive, evolutionary and creative once we set to commencing by simply saying to Father, please may I receive your Love! Divine Love will never be withheld from us once we ask.

When we arrive we will be amongst the most capped personalities ever imaginable!

This is one time when this statement stands out:

***“Never can one man do more for another man than by making it known of the availability of the Feeling Healing process and Divine Love.” JD***

## U-TURN for HUMANITY:

### Why are we doing a U-Turn?

We are doing a U-Turn **because** the year 2017 heralded the end of the Rebellion and Default. For two hundred thousand years, humanity has been going in the wrong direction.

### What is this fundamental step that will change our way of living?

We are to come to understand / know the foundational cause of all our feelings, both good and bad. As we explore and investigate our feelings, each time they arise, one by one, we are to talk them through, express them to a companion or friend or anyone who will listen. As we express them, while at the same time coming to understand how they have come about, we will find that they will be resolved and that they will not come up again.

We will find that all of our feelings / emotions have their foundations from our childhood. And by childhood, that is from the time of one's conception all the way through to about the age of six. It is the repression of our childhood feelings that is the base or foundational cause of each and every one of our adult personality issues, pains, difficulties, illnesses and distressful life experiences.

**We have to see the whole truth of our negative or self-denial state, before we can heal it and be free of it.**

The vital difference between **emotions** and **feelings** is:

- emotions have their roots in the past,
- feelings relate to the present moment,
- emotions represent feelings not previously expressed,
- and these accumulate over time.

Many emotional clearing processes encourage us to look into our feelings, however, none go so far as to drill down into the core foundation of any emotional feeling to the point that we strive to KNOW the core issue, the origin of the feeling, be it good or bad, and actually come to know what it is!

The *Journey Process* is generally known worldwide. It stops short of longing to know, that is asking for the knowing of the events that brought about such a feeling. Yes, we are to acknowledge the feeling, say being angry. Then accept that behind that anger is the feeling of being small, and then look at the underlying reason of why we are feeling small. What is the truth behind that feeling? Ask our Heavenly Parents what is behind all of this feeling. What is the foundation, the origin of the feeling? All the time talking it out, expressing it, with a friend. The expressing of the experience is the release of the emotion / feeling, this is what removes it for ever from within our essence, our **soul**.

### Why ask our Heavenly Parents? I thought God was just God – singular?

This is part of the revealings that have been unfolding for us very recently – that is – since 2002.

**Feeling  
Healing with  
Divine Love is  
the key!**

We are made in the image of God. This has been understood for centuries, for 2,000 years. Our soul is duplex. Our soul expresses itself through two personalities. One soul 'subdivides' into two, one half always being female and the other half always being male. We are a reflection of how God is. God being one Soul is expressed as Mother and Father. God is two personalities. They are soulmates. And each of us has a soulmate, and our soulmate is always of the opposite sex, because the Mother and Father are the opposite sex.

Thus, when we long for the truth behind a feeling, then we can long to our Heavenly Mother and Father. Only they can tell us. No spirit personality can tell us. No canonised saint can tell us, we may as well ask our next door neighbour. That would be just as productive. Mary and Jesus can't tell us, as they are also spirit personalities.

### **I was taught that Jesus was God? And what is this about Mary?**

Mary of Magdalene and Jesus of Nazareth were both born free from sin. Neither of them are God. They are both children of God, just like you and me.

History needs to be corrected. Both Jesus of Nazareth and Mary of Magdalene became at one (At-One) with our Heavenly Mother and Father during their physical lives here on Earth in the first century; Jesus in the year 26CE and Mary in the year 33CE, or thereabouts. Jesus died aged 35 (born 7BC died 29CE), and Mary died aged 47 or 48 (born 2BC died 47CE).

Further, their sojourn on Earth was the completion of their process to become the full Regents of the sector of planets that is referred to as Nebadon. The region within our super-universe that is referred to as Nebadon contains 3.8 million inhabited planets. If you look into the night sky, each star / sun potentially has between none to three inhabited planets within its orbit. Within Nebadon, the soulmate pair, namely Mary and Jesus, are our Spiritual Teachers of Truth. Their domain is all 3.8 million physical planets plus their associated spirit worlds. Each physical world has seven associated spirit worlds, which is the case for Earth being one of the 37 that have rebelled.

Some 200,000 years ago, Lucifer with his soulmate and his deputy, Satan with his soulmate, brought about a rebellion on 37 of the inhabited planets within the region called Satania, one of the local universal systems of Nebadon. Earth compounded the situation through the Default of Adam and Eve about 38,000 years ago. Thus the population of Earth, being in the worst condition through the Rebellion and Default, became the location for Mary and Jesus to have their physical experience to complete their ascendancy to full Regency of the local universal system being Nebadon.

Their lives on Earth was the start of the unravelling of the Rebellion and Default. Upon Jesus becoming At-One with our Mother and Father, he was then vested with the authority and power to have the Lucifers and Satans arrested, and they now reside exiled within a prison world.

Notice that there were no records of Jesus and Mary's teachings and experiences made during their physical life. That was because they did not specifically come here for us, they came for the benefit of all peoples of all planets and spirit worlds throughout Nebadon.

As they are Paradise descending spirits, they have **Spirits of Truth**. Upon Mary and Jesus' death, they released their Spirits of Truth. As spirits, Jesus and Mary are how we will be, once we've finished our Soul Healing. They can only be in one place at any one time. However, it is their Spirits of Truth throughout Nebadon that we can connect with for guidance. It is through their Spirits of Truth that spirit personalities can progress through and out of Nebadon.

Those planets that have Rebelled need further assistance, and they need it on a localised manner. This can only be provided by another bestowal of a **Paradise Pair**, and that is in the form and manner of an **Avonal soulmate pair** who come here specifically for us.

### **What is the purpose of an Avonal pair, and are they here on Earth?**

Unlike Jesus and Mary who were always free from sin and did not experience how to heal themselves, the Avonal pair are to experience all of the extremes of evilness and then proceed to heal themselves. Mary and Jesus through their bestowal on Earth ended the Lucifers spiritual rebellion in Nebadon; the Avonals bestowal is primarily concerned with ending the Default of Adam and Eve by the Avonals themselves personally healing the effects of such a damaging Fall.

The soulmate Avonal pair are to be, and have been, subjected to the extremes of childhood suppression and repression, and then, through their Feeling Healing, are experiencing all the facets of emerging truth as they slowly progress through a protracted and difficult healing process. As they reach specific milestones, this also enables those in the Celestial Heavens, (the three worlds where Celestials reside) to be empowered to assist us in the physical on Earth.

The first considered milestone was the arresting and imprisonment of the Caligastia soulmate pair and the Daligastia soulmate pair. After the arrest of the Lucifers and Satans in the first century, as nothing further occurred, the Caligastias and Daligastias continued on from spirit as if they were kings and queens, suppressing all of humanity and with plans to take over the universe. It was possibly in the early 1990s that they were 'judged' and 'removed'. They were caught unaware that an Avonal bestowal pair were on Earth.

### **How is all this becoming known? Has Jesus and Mary communicated directly to Earth?**

Unlike in the first century, when no records were kept (as the event related to all of Nebadon and it was actually setting the stage for the Avonal bestowal pair to arrive on Earth), every effort to retain records in great detail of this current series of events is now being attended to. Consider this. The New Testament of the Bible is some 300 pages. The records of the Second Coming, which this is, the primary records are possibly 6,000 pages, with direct complementary records increasing that to over 10,000 pages and with all the supplementary records to date, there may be as many as 40,000 pages, certainly well over 30,000 pages of material presently.

Jesus directly communicated through James Padgett from 1914 to 1923. Mary of Magdalene (Mary M) has directly communicated through James Moncrief from 2002 and is ongoing. Jesus has also communicated directly through James Moncrief. Neither have ever directly communicated through any one else, however, some Celestial Spirit personalities have provided information through other personalities on Earth with the support and approval of Jesus and Mary, thus some confusion, though the quality of the information is very reliable.

## **You say this is the Second Coming? You say I am living during the time of the Second Coming?**

Yes you are. And it's more than that. This is the Second Coming, the End Times and the Handover!

In fulfilment of the prophecy in the first century, the Second Coming commenced on 31 May 1914 through the writings with James Padgett and concluded in 2014 through the writings with James Moncrief.

The End Times are well advanced. Mary and Jesus are well advanced in handing over their direct involvement with Earth to those within the Celestial Heavens. When this is completed, the Handover will also occur. **The Hand Over is to the Avonal Bestowal pair** and it is they who will guide the population on Earth through their Feeling Healing processes for the next 1,000 years, being the next spiritual age. The Handover will take place after the Avonal pair complete their personal Healing of the Rebellion and Default. Then will follow with their Spirits of Truth being officially liberated in alignment with Mary M and Jesus' Spirits of Truth upon their death.

Major events have occurred with the progression of the Avonal pair's Feeling Healing, which they are also doing whilst embracing our Heavenly Parents' Divine Love, thus they are doing their Soul Healing.

| 31 January 2018: | Earth and the seven associated Mansion Worlds (including the two Earth planes) are <b>officially</b> now fully under the control of Celestial spirits. This marks a tangible and real end to the Rebellion and Default. |

**How does this all fit into our future way of living?**

**This time, in the history of humanity, is the most exciting time ever experienced.**

**The whole human race is suffering from repressed childhood and mind control.**

Through one's Feeling Healing, and should we embrace our Heavenly Parents' Divine Love, then with their Love we are doing our Soul Healing, and eventually we can live totally in accordance with our soul based feelings and live free from error – no more fear and no more physical illnesses is possible!

**By living true to ourselves, true to our feelings, we are living true to God. It's that simple.**

Our soul is always perfect. In fact, we are the complete package. All that we need to know is within our soul. This knowledge has been denied from us since the time of the Rebellion and compounded by the Default. That is what was brought upon us by the Lucifers and his cohorts. We have always been meant

to live true to our soul based feelings but we were taught to embrace our error riddled mind – this was aided by our parents – unknowingly all parents have taught their children to be mind dominant. **This is the Great U-Turn. We are to feel and live by our feelings and express our feelings, our mind will follow in support, not the other way around.**

“Many people look for a person, spirit, angel, even God, for supreme guidance, however it’s all right there already built in – in our feelings. **Feelings** guide us through our **ascension of truth**. So they are really our Supreme Guides. We just have to submit to them, allowing them to take us where they will, expressing all the parts we want to express, letting the emotion drive that expression if it’s there to be expressed, or just talking about all we feel and how feeling that feeling is making us feel – or, how we feel about having that feeling, all whilst longing for the truth of our feelings. Longing for the truth of our feelings is really: **Longing for the truth of our self, because: we are our feelings**. So life stirs up our feelings, we feel being alive; or, being alive means we are feeling, always feeling; and when we work out what and why we are feeling what we are, so then we know the truth of how we are. And over time the truth accumulates, and our mind expands our understanding of ourselves, all being driven from our feelings.”

Kevin of the 1<sup>st</sup> Celestial Heaven 26 September 2017

(Kevin Cooper died 10 August 2012, through Feeling Healing became Celestial on 7 August 2017.)

It is through the assistance of the Spirits of Truth of the Avonal Pair, upon the completion of their Soul Healing, that we will be guided through our Feeling Healing process, and should we embrace our Mother and Father’s Divine Love, then our Soul Healing.

Then should we embrace Mary and Jesus as our Spiritual Teachers of Truth, their Spirits of Truth will lead us on the path through the Celestial Heavens where we will certainly meet up with our soulmate and join our soulgroup, which will eventually consist of twelve soulmate pairs. Then as a soulgroup, the Spirits of Truth of Mary and Jesus will lead us up through and out of Nebadon towards Paradise.

It is then our Mother and Father in Paradise who draw us to them and we will eventually meet our Heavenly Parents.

Meanwhile, while we live on Earth, we will have assistance and guidance previously denied to us throughout the era of the Rebellion and Default. Under the Contract controlling and managing the Rebellion and Default, the powers and capabilities of our Celestial Heaven spirit personalities, all three worlds of them, were heavily restricted and almost of no assistance to us at all. Further, Nature Spirits and our Angels were heavily denied contact with us physical people because of the Rebellion and Default, all of which is soon to change, so we can look directly to them for help concerning healing ourselves and understanding all aspects of nature.

As we embrace our Feeling Healing, Celestial spirits will and can greatly assist us. In fact, during the year of 2017 they have blocked all mind spirits from the Natural Love Mansion Worlds: 1, 2, 4 and 6 from interfering with us. Celestials have taken control of all facets of living and life on Earth. Celestials are those spirits who have completed their Feeling Healing and progressed through Divine Love Mansion Worlds 3, 5 and 7 and now live in the higher Celestial Heavens, 1, 2 and 3 (when we become At One with our Heavenly Parents then we leave the Mansion Worlds and progress through the next three spheres related to Earth, hence the Celestial Heavens are also referred to as being numbered 8, 9 and 10).

The Nature Spirits of Earth, who live in the third Earth plane, can now directly interact with those who are embracing their Feeling Healing. Nature Spirits are essentially ‘angels in waiting’. They have been on Earth prior to anything that we now see living in nature. When they first started to arrive, there was no life in the seas or on land. They have consequently witnessed everything that has happened on Earth, including all prior human civilisations that we continue to largely remain ignorant of. Their knowledge and assistance is of great importance to us. We are to interact with them on an ever increasing scale. They are to become an invaluable source of information for us concerning how we are best to live with nature.

Further, we may become more aware of our **Indwelling Spirit**, which arrives for each of us during our sixth year, as we now progress with our Feeling Healing, or with Divine Love, our Soul Healing.

And all of this is possible as we embrace our Feeling Healing process, acknowledge and accept the Avonal pair, acknowledge and accept our Spiritual Teachers of Truth, namely Mary and Jesus, and more importantly, grow to love our Heavenly Parents, our true Mother and Father.

We do not need intermediaries, rituals, liturgy, dogmas, creeds, fancy clothing, or institutions. It is our soul based feelings and expressions that we may exchange directly with our Heavenly Parents. Groups may form to assist each other, and that is our choice and within our free will.

**This is the greatest event in the history of humanity.**

This is the Great U-Turn that humanity will embrace throughout the next 1,000 years.

MoC 1,480

To liberate one's real self, one's will, being one's soul, is by embracing Feeling Healing so to clear emotional injuries and errors. With the Divine Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

**Our salvation IS by embracing Feeling Healing with the Divine Love.**

**God's Divine Love: Pray for it, ask for it, and receive it.**

**Please Mother and Father, may I receive Your LOVE.**

**“Every day is a day of devotion.”**

Follow your heart, follow your love and do that in loving action, your inner love leads in your asking the Soul of God to receive a little of the Love to strengthen one's resolve to heal.

**“I love you Father.” “Let the Divine Love proclaim its energy into my soul.”**

**“Mother - Father, I desire your Love and I am loving you.”**

**“Soul God, I love you and I love receiving and experiencing your Divine Love.”**

**“True Soul God, I am here, I am aware of your Love. Please hear my aspiration for your Love and as I approach you from my soul, I can feel your Love in the way that you are loving my soul.”**

Try it; give the Feeling Healing and Love a go! If you want to shine, receive the Love.

One can simply receive the Love without following any religious or spiritual teaching taught by man!

Emotional errors and injuries cause encrustment around the soul, the soul is never damaged however, the encrustments retard love energy flow to and from the soul. Feeling Healing melts such injuries.

#### **Three Great Truths:**

- **God is Soul, being our Heavenly Mother and Father;**
- **that each individual soul is a duplex – both male and female;**
- **and Feeling Healing with Divine Love is the pathway to Paradise.**

**FEELING HEALING and SOUL HEALING with the DIVINE LOVE:****James Moncrief Publications:****all publications are free downloads:**<http://divinelovesp.weebly.com/my-free-books-and-free-padgett-messages.html>

It is suggested for one to consider reading as follows:

**Speaking with Mary Magdalene and Jesus – books 1 – 4**

These four books encapsulate the second of the revelations with the first having been introduced by James Padgett one hundred years previously. These four books provide a wide range of guidance that has never previously been made available.

**Paul – City of Light**

As a gentle intro into the Divine Love and Healing; being James Moncrief's first novel and it's been criticised as being too heavily clichéd, but that's the point because it's a reflection of how he was back then.

**Ann and Terry**

For an example of people who might want to immediately start working on themselves and doing their Healing.

**Feeling Bad? Bad Feelings are GOOD**

For more understanding about our denial of our feelings and why we should not deny our feelings, and it includes how it all came about for James, using himself as an example.

**Feeling bad will make you feel BETTER – Eventually!**

This includes specific examples of Marion and James working on expressing particular bad feelings, again with the hope that it will help others gain something of an idea as to what's involved in doing your Feeling Healing.

**Sage – and the Healing Angels of Light**

Through Sage who's 13 years old, the story is primarily about the two aspects of healing; that being, with the help of our angels, and the full Healing we can do by looking to our feelings for their truth.

**Religion of Feelings  
Feeling Healing**

**Welcome to LOVE – the Religion of Feelings  
you can heal yourself through your feelings**

So these books, including the four Speaking with Mary Magdalene and Jesus books, provide the essence of it all and are examples of James' work. Then it's up to whatever takes one's fancy. Other reading to consider may include:

**The Padgett Messages being published as:****The True Gospel Revealed Anew by Jesus volumes 1 – 4****Book of Truths by Joseph Babinsky****The Urantia Book**

**Release one's pain through expressing one's feelings.**

**in conjunction with**

**Longing for the Truth when also longing for Divine Love.**

**FEELING HEALING with DIVINE LOVE is SOUL HEALING:**

*A collection of 'papers' that draw together specific topics including all of the above and more from other sources of information and revelation designed to help increase one's awareness about why we have the problems we do and how to heal them, all whilst living a more healthy and sustainable life. They provide a brief snapshot of the more complicated topics and issues.*

**Firstly, consider discovering the truth of your emotional pain through Feeling Healing.  
Secondly, consider longing for our Heavenly Parents' Love as you progress with your healing.  
Primary and most important readings are the writings of James Moncrief.  
Then consider the Padgett Messages, and then The Urantia Book.**

**DIVINE LOVE and DIVINE TRUTH Revelations and Teachings escalating:**

**SOUL CONDITION luminosity is reflected through one's spirit body, thus all spirit people can see the relative condition of another. In this same way, a spirit person can see the soul condition of those living within a physical body.**

**Cause No Harm** < to OTHERS  
to MYSELF

Strive to love others as I am to love myself

To liberate one's real self, one's will, driven by one's soul, moves one to embrace Feeling Healing so as to clear emotional injuries and errors. With the Divine Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

Divine Love  
is the key!
