Aman and Amon

(Adam and Eve were not our first parents)

Note from John: [Amon and Aman \(Andon and Fonta\), our First Parents, did they ever have the Divine Love available to them?](#)

[Further, have Amon and Aman continued to be involved with humanity as they progressed to the next phase of development beyond the Celestial Heavens?](#)

James: And Nanna Beth, what about John's questions about the First Parents – did they have the Divine Love available to them and partake of it, and are they still involved directly with humanity?

Nanna Beth, 3<sup>rd</sup> Celestial Heaven: **They had the potential to partake of it, this being what was so special about them, they being the first real humans, which means, the first people with the ability to partake of the Divine Love should it be made readily available.** And from then, all humans had this same potential (except that potential was closed down in everyone at the time of the Rebellion). It's what separates us from the animal side of life. **So it's even more than just having a soul, it's having the potential to bring that soul into a divine level of self-expression through its two personalities.**

Then what happened **was the Rebellion effectively removed that potential for partaking of the Divine Love.** And I know it goes hand in hand, James, as you were musing over in the car, however it's still a technical point. **The potential of becoming divine is removed upon the outbreak of Rebellion to a material world, thereby requiring that level of the Rebellion to be terminated for the potential to be reinstated. This happening with Mary and Jesus' living their lives on Earth.**

**So the Divine Love wasn't available because a Paradise bestowal pair hadn't come to Earth; and even if people had the potential to receive the Divine Love they'd still would not have been able to until the Pair comes and liberates the Divine Love.** So as you were musing, what did it matter whether they had the potential or not when the Divine Love wasn't available anyway, however it matters a lot as I said on the technical level.

And what this really means is once Rebellion occurs then everything goes haywire, then that humanity steps off the path of Natural love perfection and moves toward oblivion, which you are all living the results of. Whereas, had no Rebellion happened, and so people living with the potential of partaking of the Divine Love, even though it wasn't readily available, they would have evolved their lives very differently compared to how Earth humanity has evolved, all maintaining their Natural love perfection and in preparation for the day when the Paradise Pair would come and bestow the Divine Love to their world.

So by not having the potential causes great problems in and of itself, because you no longer have those Natural love circuits open to you, you live a greatly distorted Natural love, one reflecting the fact that such potential has been withdrawn and like it doesn't exist. So you have no true Natural love desire and connection with God, nothing that would lead you to wanting to be with God and be as perfect as God is, which means to be with God on Paradise, because there is no such potential there to have such desire. So you all have a false desire to be at-one with God, it's not a true feeling desire, it's a mind one, and it's actually to be at-one with the Mind of God, which you can't be at-one with. And then on top of it all now, you've got more distortion because of the potential for the Divine Love being restored along with it being made available to you (as it didn't have to be made available back then, Jesus and Mary could have decided to withhold it until the Avonals came and revealed the truth about the Healing), with some people longing for it aware that they are, and others not even aware, and so adding to their inner

distortion by receiving the Love and yet not doing their Healing. And so what happens to the Love and its effects upon your soul when you are not wanting to Heal yourself and grow in truth through your feelings?

And as far as concerning where The First Parents are now, they have moved on with the old guard, having been released from such duties that being The First Parents required. You can see and even in a sense 'meet' with them when you come into the first Celestial sphere, we have a museum sort of arrangement, it's massive and highly complex and covers every aspect of humanity's history on Earth and in the Mansion Worlds. And you can sort of interact with the exhibits – if I can crudely call them that. You literally walk into say the Atlantean times and explore using your mind for whatever aspect of such times you care to. You can even in a sort of holographic way meet with people from those times, speak with them in a sense, although it's all automated, it's not the real person who is now a spirit, although the whole experience being so real and amazing makes your mind believe it is the real person or spirit. So we can even talk to Mary and Jesus like this, which a lot of Celestials do when they first arrive, it all helping them to get to know them better and know what they were all about. It's a massive learning centre and contains all the knowledge of humanity's experience, so anything and everything is kept there like 'living' archives.

**PARADISE TRINITY:**

1. **Our MOTHER and FATHER (God) (MF) – Divine Love**  
SOUL (God) – One SOUL that is expressing its two PERSONALITIES, our Heavenly Mother and Heavenly Father (Soulmates)
2. **ETERNAL SON (ES) – Divine Truth**
3. **INFINITE DAUGHTER (ID) – Divine Mind**

Then: The Second and Third Persons of the Paradise Trinity (ES and ID) are stepped down to the local universe trinity (Mary and Jesus, Divine Minister (DM), and her Holy Spirit.

**The LOCAL UNIVERSE TRINITY:**

1. **MARY M and JESUS (MF) – Love – the Living Truth**
2. **DIVINE MINISTER (ID) – Mind (and her Holy Spirit)**
3. **HUMANITY – Natural love, sons and Daughters – Truth, and our Angels – Mind**

**PLANETS that engage in REBELLION:**

1. **AVONAL SOULMATE PAIR – the Feeling Healing process – incarnate**
2. **DAYNAL – TEACHER PAIRS – they do not incarnate**

**So in summary:**

# Mother and Father Heavenly Parents

Creator Son & Daughter  
Jesus and Mary

Avonals  
as soulmate pairs

Trinity Teachers  
as soulmate pairs

Melchizedeks – who have taken over from the Caligastians and Daligastians being also all as soulmate pairs.

Mortal Souls – human beings who individualise on Earth, then progress through the spirit Mansion Worlds, then into the Celestial Heavens, and beyond.

Mortal Souls – also being ascending spirits, upon completing their Soul Healing, join with their soulmate, then join their soul group of 24 mortal spirits, being 12 soul pairs. It is only as a soulgroup that anyone can progress beyond Nebadon.

The Paradise Pairs are all ONLY concerned with the SPIRITUAL wellbeing and upliftment of the planets and local universe. Currently to do with Earth:

Mary and Jesus – spiritual wellbeing and upliftment of the whole of Nebadon region.

Avonal Pair – Daynal pairs (Trinity Teacher Daughters and Sons) – Spiritual wellbeing and upliftment of individual planets and their associated Mansion Worlds.

The Local universal Sons and Daughters are all about the running of the worlds under their jurisdiction, and ensuring the higher spiritual elements can be employed, or sent astray, as in our cases through the Rebellion and Default.

Lanonandeks – Melchizedeks (and others, such as Life Carriers and Eve and Adam).

As the Lanonandeks all rebelled – the Lucifers, Satans, Caligastias and Daligastias soulmate pairs – so the Melchizedeks have taken over their roles, as well as doing their own.

So the Melchizedeks are the governors, overseers, the administrators and advisors and so on for Earth; they are the ‘controllers’, and they will instigate all that needs to be done to do with the ending of the Rebellion and Default. And they will enlist the willing help of ascending mortal pairs, so the mortal Celestials spirits (soulmates when available, and others waiting to unite with their partner), and at times mortal spirits in the Divine Love Healing Mansion Worlds. And the angels help all of us.

Currently the whole of Creation exists for the ascension of mortal souls from their earth planets to Paradise. It’s all one vast Grand Ascension Scheme. With all the higher and lower spiritual Daughters and Sons, together with all the many different angels and other universal spirit personalities, and even including nature and our very own pets, assisting women and men with their Ascension Journey. It being: and Ascension of Truth. Everything we do is done to help us grow in truth. (Only everything we do in our negative state is to deny ourselves our truth from our feelings, which is why we have to do our Healing.) All women and men are ascending (or growing) in truth through their experiences. And as we grow in truth by looking to our feelings to show us that truth, so we’re ascending, moving inwards and upwards through all the worlds and spheres of the Grand Universe to one day arrive on Paradise and meet our Heavenly Parents. God is providing us, Their children, with this spiritual journey called our Ascension of Truth. And by living true to our feelings, so we are progressing on our true Spiritual Path – our Ascension Path.

**CREATION of SOUL and SPIRIT:**

God is *The Paradise Trinity* — the eternal Deity union of the Personalities: the Universal Mother and Father; the Eternal Son of Truth; and the Infinite Daughter Spirit of Mind.

The soul of each human personality (sons and daughters of truth) is existential, driving our personality expression in the experiential. The soul of each human finds truth by embracing one's feelings and longing for the truth of them. We are to attain the Eternal Son of Truth. We are a creation of Truth.

The soul of angels is experiential, evolving through their experience by continually progressing in mind development. Angels are to attain the Infinite Daughter (Spirit) of Mind. Angels are a creation of Mind. Our soul is duplex (we have a soulmate) and is created by our Heavenly Parents. Through our Feeling Healing we perfect ourselves enabling the union with our soulmate, as we progress in truth up through the Mansion Worlds, celestial heavens and all the way to Paradise.

The soul of angels is also duplex, yet of the mind, and they progress in mind evolution to Paradise. Animals, plants and nature spirits are also creations of Mind.

Neither we nor animals reincarnate. We never die; upon death, we move into the spirit Mansion Worlds on our journey to Paradise. When animals and plants die, be they the tiny microbe to the mighty elephants of the land and the whales of the ocean, their spirit energy returns to the Spirit Collective Energy. And from this energy are drawn other animals and the nature spirits, who then in turn move onto becoming angels through increasing mind experience.

A nature spirit is an angel in waiting.

## WE ALL ARE BEING GUIDED HOME:

We need the Spirits of Truth of the Avonal Pair to Heal ourselves; then once Healed, (and for support (overshadowing) as well through your Healing), we need the Creator Pair, Mary Magdalene and Jesus' Spirits of Truth to see us through the Celestial spheres, while at all times embracing our Heavenly Mother and Father.

Until Mary and Jesus died and liberated their Spirits of Truth, no one from any of the worlds could leave Nebadon, because no one knew the way to do so. Nebadon is our local universe containing some 3.8 million inhabited physical worlds and their associated spirit worlds.

When we embrace the truths Mary and Jesus are revealing, and start to do our Feeling Healing, or with Divine Love, Soul Healing, we are then freeing ourselves up from our parental and self control.

Thus our journey to Paradise, to the home of our Heavenly Parents, is of our choosing as to when we progress, however, there is only one way:

**HUM:** Humanity is to ascend. We are self contained. Our soul is always in truth and perfect at all times. **By living true to ourself, true to our feelings, we are living true to God. It's that simple.**

We are to recognise that being engaged and dominated by our mind is the wrong way for us to evolve and grow in truth. We are to discard the mind enslavement that has been imposed upon us by all of our parents. We are to express our feelings, both good and bad and free ourselves of the indoctrination that humanity has embraced worldwide.

Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God's soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of our Mother and Father.

**AVO:** We are to embrace the truths and guidance of the Avonal Pair through their Spirits of Truth. It is the Avonal Pair's guidance that will lead us through our Feeling Healing, and with Divine Love, we will be able to ascend through the 7 spirit Mansion Worlds and enter the Celestial Heavens where we also interact with other world's spirits.

**J&M:** We are also to embrace the truths and guidance of the Paradise Pair, Mary and Jesus, who will then lead us through the 3 Celestial Heavens that are aligned with Earth, and then further on through Nebadon where we will then depart beyond on towards Paradise.

**M&F:** Beyond the universal zone of Nebadon, we will be guided by our Heavenly Mother and Father onwards through the universes to Paradise where we will be welcomed by them, home for us all, as we are all Children of God.

**M&F**

**J&M**

**AVO**

**HUM**

**WE ARE Children of God**

**WE ALL ARE BEING GUIDED HOME – NOW, HOW TO COMMENCE THE JOURNEY:**

**GOD**

**M&F**

For 200,000 years, we have been misled into embracing our mind's distortion of wisdom and truth. All such traditional understandings only lead us in the wrong direction, from which we must turn back from. Our soul based feelings are always in truth. Our minds are to follow our soul based truths and feelings, not the other way round, as we have been brought up to embrace.

We are to connect with our deeper repressed feelings.  
We are to long for the truth of what we are feeling.  
We are to live true to our selves; by living true to our feelings.

Use your surface day-to-day feelings to connect with your deeper repressed feelings. Express your surface feelings and your deeper repressed feelings to uncover the truth of yourself.

**J&M**

We all have feelings which we communicate and share with each other. And we all have deeper buried and hidden repressed feelings. Feelings from our early childhood we felt, yet weren't allowed to express. These feelings are still within us, waiting to have their say. These feelings, because they are repressed, cause us all our problems.

And as we look to uncover, bring out and accept these deeper feelings, so we're taken into new ways of looking at ourselves, our feelings, and our life. We're setting ourselves free of the controlling patterns that govern our unloving behaviour.

In this way, we progressively begin to express the personality that our Heavenly Mother and Father gave us, not the one imposed upon us by our physical parents and carers. We are to be our true and real selves.

**By living true to ourself, true to our feelings, we are living true to God. It's that simple.**

**AVO**

**HUM**

As we, humanity, long for the truth of our feelings, we can also be assisted by the Spirits of Truth of the Avonal Pair who are our spiritual teachers for Earth over this coming 1,000 years, to assist us through the Great U-Turn, away from mind dominance to being soul based feeling lead. They will assist us through the seven levels of the spirit Mansion Worlds.

Then the Creator Pair, Jesus and Mary, will lead us through Nebadon and into the greater universe. Then our Heavenly Mother and Father lead us home to Paradise.

Collectively, should we embrace them all, as we are to, then our pathway home is a journey in the hands of the Spirits of Truth of the Avonal and Paradise Pairs overseen by our Heavenly Parents.

**WE ARE Children of God**

## HOW TO GET TO PARADISE:

Long for the Divine Love

Long for the Truth

Long for the truth of your feelings

Don't deny any feelings: accept, express and want to know the truth of them

Know your feelings are the key; your feelings are the Way

Want to end your falseness and being untrue

Want to understand the truth of your early life

Use your surface feelings to move deeper into yourself, bringing up your repressed feelings

Want and long to know the whole truth of yourself

Want to do it all with God, your Heavenly Mother and Father – long to Them for help.

## The Key

Our longing drives our life. We long with feelings. We can wish for things using our mind, yet long for things with our heart. These things in the pyramid are what to long for. Longing for them, when the longing comes naturally. Longing because you feel you really want them. Long to be true with all your heart. Long to live true to your feelings. Long to understand the whole truth of yourself.

When man was created, he was given the highest qualities that could be bestowed upon a mortal. Yet, he was mere man, but the perfect one. And with these qualities was given him the possibility of becoming divine like the Father in His Nature. But this Gift was never possessed by him in Its enjoyment of full fruition until after my coming to Earth and making known to man that such a possibility existed.

The first created man never possessed this Gift in Its fulfilment, but merely had the possibility of receiving It on condition that he continued in his obedience, and made the effort to receive It in the Way that the Father declared was the only Way.

When the first parents, Aman and Amon (also known as Andon and Fonta. They were not Adam and Eve), or whom they represent, possessed their God-given souls, these souls were in the image of God, but they had nothing of the Essence of God in them. They were given the opportunity, however, to obtain the Nature of God through prayer for His Love, which, on entering the human soul through the agency of the Holy Spirit, transforms that soul from the image of God into the Essence of God. But the first parents, instead of turning to God and His Love, sought mastery of their material surroundings alone, and, instead of developing their souls so that they would partake of the Nature of God through Divine Love, they chose the development of their intellectual faculties.

I was not different from other men except that I possessed this Love of God to a degree which made me free from sin, and prevented the evils that formed a part of the natures of other men from becoming a part of my nature.

I am only a son of my Father, as you are. And while I was always free from sin and error, yet, as regards the true conception of my Father's true relationship to mankind, you are also His son. And if you will seek earnestly and pray to the Father with faith, you may become as free from sin and error as I was then and am now. The Father is Himself, Alone. There is no other God besides Him, and no other God to be worshiped.

I am the first son on Earth who had become vested with the Divine Love of God to the extent of being wholly free from sin and error when I lived in the flesh. My life was not a life of earthly pleasure or sin, but was given wholly to my father's work. I was his "only" son in that light. And he was my father as I knew him to be. He is not a spirit of form like myself or yourself.

Leytergus.

Their names were not Adam and Eve, but Aman and Amon, which meant the male Am and the female Am. Am meaning the exalted creation of God.

These beings were made perfect physically and spiritually. But these souls were not possessed of all the qualities of the Great Creator Soul, and in that particular were inferior to the Great Creator. But as regards this soul part of their creation, they were made in the image of their Creator. The physical or spiritual part of their creation was not in the image of their Creator, for He had no physical or spiritual body. But their soul part was only made in the image of their Creator – and not of the Substance – but this image was given a potentiality of obtaining or receiving the Substance of the soul qualities of their Creator and provided, if they pursued that course in their existence or living which would cause their souls to receive in accordance with certain operations of the laws which their Creator had prescribed, this soul Substance. And only in obedience to these laws or their operations could this Substance of the Creator Soul, be obtained.

Well, these creatures were not equal to the test, or rather requirements, and after living awhile they became possessed of the idea that they needed not to comply with these prescribed laws, but could of their own will and power obtain this Substance by doing that which they had been forbidden by these laws to do, and so in their efforts to obtain this Substance or Divine Love they disobeyed these laws, and as a consequence, these potentialities of obtaining the Substance of the Creator Soul were taken from them, and then they became beings still possessed of the spiritual and physical forms and continued souls, but not of these great potentialities – and this was the fall of man. The story of the apple is a myth.

No apple or anything else that was intended to be eaten formed any part of the fall. It was wholly the fall of the soul's potentialities. The disobedience was the great unlawful desire on the part of these two, to obtain this soul substance before, in accordance with the operations of the laws prescribed, they were fitted or in condition to receive it; and as a consequence, they became disobedient, and being possessed of wills which were not in any way bound or limited by their creator, they exercised these wills in accordance with their desires, and from this disobedience the wills of men and women have continued to act in accordance with their desires and in violation of the great laws of truth, which were made for the two creatures at the time of their creation and are the same unchangeable laws of this time.

The soul substance that these two forfeited was the Divine Love of their Creator, which, had they by their obedience become possessed of, would have made them a part of His Divinity, and thence like Him not only in image but in Substance and reality. The potentiality that was taken from them was the privilege which they had to obtain this soul Substance or Divine Love by complying with obedience which these laws prescribed. So you see the story of genesis is merely symbolical.

Leytergus who wrote what is now referred to as the Book of Genesis

Aman, the first parent. (Aman and Amon are not Adam and Eve – Padgett could not comprehend that Adam and Eve lived some 38,000 years ago, whereas our first parents lived 1,000,000 years ago.)

You don't believe me, I can see, but I am whom I say, and want to tell you that I am now a follower of Jesus and a lover of God, and live in the Celestial Heavens far up near where the Master lives. (Beyond the Celestial Heavens but within the Eternal Spheres.)

I know it is hard for men to believe that I am the father of all physical manhood, and that I can come and communicate with mortals; but Jesus has rendered this possible in his opening the way for the higher spirits to communicate through you. You should feel specially blessed at having this great privilege, and feel that the Master has conferred on you a great favour, as he has.

Well, I have never before come to Earth to communicate with mortals, and, the experience being new, I find some difficulty in doing so. But I will try to write a few more lines.

I and my soulmate lived in a paradise which God had given us, and were very happy until the great fall. We were so filled with the thought that we were all powerful and all wise, that we concluded that the obedience which God had required of us, was not necessary for us to observe, and that if we only exerted our powers, we would be as great as He is great, and would be able to obtain that immortality which he possessed. But, alas the day. We were mere creatures, although wonderful and beautiful, and we soon realized that fact.

The disobedience was in not waiting for God to bestow upon us the great Divine Love that would make us like Him in substance as well as in image. We were like Him in our possession of souls and also in the possibility of obtaining the Divine Love.

We disobeyed Him in that we tried to make ourselves believe that we were as He was, and that we need not submit further to His decrees. We tried to make this belief a thing of reality and in our vanity tried to appear as gods; but as soon as we did this the scales dropped from our eyes, and we saw how naked and impotent we were.

God did not drive us from His paradise, but the inexorable laws of our creation and of the workings of His will, showed us that no longer could we expect this Divine Love, which He said would make us Divine. And so we became mere mortals, deprived of the potentiality of obtaining this Divine Love, and we had thereafter to become subject to all the appetites of the natural man and to work to satisfy these natural appetites.

We continued to live in the same place as formerly, but no more could we be satisfied with the spiritual food that had supplied our wants and enabled us to subdue the appetites which formed a part of our physical being. The physical then asserted itself and the spiritual became subjected to it, and we became as mortals now are, and had to find our substance in mother Earth. We were compelled to till the soil and earn our living by work. I mean we had to work in order to make the Earth supply us with food for our physical wants.

It was a bitter time of sorrow but the law had imposed its penalty, and we were without power to relieve ourselves of that penalty, and had to live thereafter without the possibility of obtaining this Divine Love and of having our spiritual natures reassert themselves over the physical, and subdue it.

When Amon and I were created, there were no other human beings living on Earth, and none came there to live, until we had sons and daughters who intermarried and produced other sons and daughters. I cannot tell you how long ago our creation was, but many thousand years before the coming of Jesus. I will not write more to night, [but will come again sometime and write](#).

Your brother in Christ, Aman

---

A detailed explanation of this [was given through another medium](#) in 2007.

Six messages were channelled on the subject of creation of the human species. The others are [Aman](#), [Amon](#), [John](#), [Jesus](#) and [Luke](#). This subject is complex, and [set out on a separate section](#).

Difficulties in Channelling: The accurate receipt of names, places, numbers, times and dates is very difficult for most, if not all, mediums to achieve. It is always in the recording of names, places, numbers, times and dates that the most confusion is noted. Few mediums have been accurate in this regard. James Padgett through his gift of automatic writing appears to have been very reliable and accurate in this regard. Further, James was exceptional in his gifted way of being able to ‘tune’ in to spirit people from any sphere throughout the spirit worlds and the Celestial Heavens.

James Padgett could not accept that the first parents were not Adam and Eve, hence the confusion in his writings. Aman and Amon lived 1,000,000 years ago, whereas Adam and Ever lived 38,000 years ago.

Amon.

I am the first mother of all the human race, and I want you to know that before Aman and myself, no human beings ever existed. We were created by God at the same time, and were ready, just after the moment of our creation, to live the lives of natural beings. So that there was no gradual growth on our part from any other creature or thing. I know it has been said that the first man was not created, but developed from some animal of the lower order, and as the process of evolution proceeded, this being became in the end a man, with all the wonderful organism and structure of his body, but I want to tell you that this is not true.

When I was created I was as perfect in my physical organism as I ever was afterwards or as any man or woman ever became from that time into the present. In fact, I believe, that at the time of our creation we were more perfect than mankind are now, because we had no physical ailments, no sickness, no deformity of any kind.

We certainly were more beautiful in face and form than mankind now are or have been for many long centuries; and besides, our bodies and organism lasted for longer years than do the bodies of mankind at this time. Before our fall we were very happy in our conjugal love, and knew not troubles or worries of any kind, and never had anything to make us afraid or draw us apart from each other or from God; not until the great temptation came, and then because of our ideas of our greatness and power and want of dependence on God we fell, and never again were restored to our position of beauty and happiness that were ours in the beginning of our lives on Earth.

So you must see that we were specially created and not evolved from any other thing.

Some men now may marvel and wonder at the Bible description of the creation of man, and reject the description as the imaginings of a mind of romance or imagery and not true, but I tell you now that the essentials of this creation and the fall, are true. Of course the parts played by the apple and the snake and the devil are not true literally, but are symbolic of the principles that entered into the temptation and fall. Well, I was as much to blame as was Aman, but I did not entice him after I had the ambition to become immortal without waiting till that time came when God would give us that quality of His own nature; but our ambitions grew together and we discussed the matter of making the great effort between us, and acted as one in trying to obtain this great immortality.

So the story in the Bible is not exactly true just as far as I am concerned, for I did not entice or seduce Aman to do the great wrong; neither did he seduce me to enter into the effort.

But all this is past, and many thousands of years have gone by since our fall, and we have suffered much because of our first sin. As you have been told, many thousands of years passed since the time that we forfeited the gift of immortality, until it was restored and made known to humanity by Jesus the son of God, for he was the son of God, and as being a part of his Father's Divine nature he was Divine, and

partook of those qualities of the Father which gave to him immortality, and those who follow his teachings and receive the New Birth will become Divine and immortal also.

I must not write more tonight. Yes, I will, and now I will say good night.

Your sister, Amon

Our Personality is a feeling of God, thus creating our unaware Soul. At conception, our unaware personality (soul) forms both a spiritual body and physical body. Incarnation starts the road of self discovery, children reflect parent's emotions. Parents attract us to incarnate.

**Note:** Following the writings of James Moncrief, one could consider that any reference to the Father, by other relevant writers, may be read as a reference to 'our Mother and Father'. Further, when considering soul healing, then reference to Divine Love could be referred to as 'Feeling Healing with Divine Love'.

I am here, John.

I merely want to say tonight that you must soon prepare to take messages which the Master and some other high spirits desire to write. Let your arrangements be such that you can take those messages without any one being disappointed, for when you say that you will receive them and then something comes up to prevent, the spirits feel that you have not interest sufficient, and they are disappointed.

Well, that will be satisfactory and we will make our arrangements to comply with that understanding.

I know though that you have been in a condition of love and soul during the past few days, and have realized that the Father has been close to you, and you have been happy. So continue to turn your thoughts to the Father and His Love and you will find that there will come to you an increased Love and a great happiness.

I feel that your faith is growing and that the rapport between us all is steadily increasing. I did not intend to write more tonight, as we will all wait until the time that you have named.

Well, I have already told you that that Book (Revelation) was written as a kind of allegory, and that now it is of no practical use, and should not be given much attention. Besides it is not as I wrote it for many interpretations and additions have been made. At any rate it is of no importance, and men lose much time in trying to solve what they call its mysteries.

Well, Aman is a general term which means first or highest, and when applied to man it means the first or highest creation. As it is applied in Revelation to Jesus it means the man who first received the Divine Love of the Father after its re-bestowal.

I will come to you sometime and explain this matter more fully. Yes, they (Aman and Amon) came to you and gave you their names which were the names that they were called by after their creation. They were both created instantaneously and became living souls in a moment, and did not grow from a germ by the slow process of evolution. Their story of the fall is substantially correct as I have learned from them and from the Master.

The names Aman and Amon are correct, and were known thousands of years ago to the early inhabitants of the Earth and who descended from them.

The story of their fall was, of course, known to their immediate descendants and became known for some generations after their deaths to their more remote descendants; but after awhile the names became forgotten, but the substance of the story of their fall did not, and there were at one time manuscripts showing the account of the fall, but they disappeared long before the time of any of the present writings, though the story of the fall with various changes and amendments came down the ages, until the writers of the Old Testament incorporated such tradition in the Book of Genesis. Of course, Adam and Eve did not exist, and neither is the story as to their fall, true. It is only symbolical in the way of showing that

man once occupied an exalted and happy state, and by his own disobedience fell, and with his fall came the condition of evil and sin.

Well, I must not write more tonight. So remembering what you say, I am your brother in Christ.

John – Apostle of Jesus

**Our Intelligence is Soul based. The capabilities of discernment, e.g., by kinesiology muscle testing, expands only with the growth of our Soul's intelligence. Upon conception, the creation of both our Spirit Body and Physical Body occurs, bringing forward our unaware Soul to start our journey. Upon death of the Body, the brain dissolves. The mind continues to grow in the Spirit Body until we progress through the 7<sup>th</sup> sphere into the 8<sup>th</sup> sphere at which point we are 'born again', one with God, entering the Celestial Realms, and the mind is no longer. Our soul intelligence grows as does our soul expand with the ever increasing infusion of Love from God.**

I am here, Aman.

Yes, and I want to correct [what I wrote before](#) in this: that I never was a spirit who wanted to have merely immortality as God was immortal, but I also wanted to obtain the power and wisdom which I saw that God possessed.

I thought that if I could obtain these qualities, I would become a God and a co-equal with my Creator, and hence the possessor of all the universe, and of all power and knowledge that He had. My effort to realize my ambition in these particulars was a part of my great sin of disobedience.

I thought it best to tell you this so that my description of the great sin of disobedience would not be only a part of the truth. I now know what an insignificant creature I was as compared to the Father, and I also know that the creation of Amon and me was the highest creation in all the universe of God.

But the great mercy and Love of the Father, notwithstanding my great sin, has placed me in the position and condition which he promised me at my creation, and which I forfeited with such fatal consequences. You have a privilege which I was then deprived of for so many long years, and your happiness may be as great as mine is now without having to wait the long and many years that I waited. No wonder that mankind worships Jesus as God, when we consider the Great Gift that he brought to them and the way to obtain it. I must not write more.

Your brother in Christ and father in the flesh.

## **Jesus: The relationship of man to the creation of the world, and the origin of life.**

I am here, Jesus.

I come tonight to tell you that you are in a very much better condition than you have been for some time, and your rapport with us is so very much greater, that I feel that I should write you a message upon an important subject which is vital to the salvation of man from the sins and errors of his life on Earth, and I will write a portion of what I desire to write.

Well, I will first say that there are so many men and women on the Earth, who believe, or assert that they believe, that through their own efforts they can develop those soul qualities which are necessary to bring them in accord with the Soul of the Father, that I find that the task of convincing these persons of the errors of their beliefs, or assumption of beliefs, will be a very great one. This task will not be confined to those who have given real and deep study to the mysteries of life, both on Earth and thereafter, but also to a much greater number who have a kind of smattering of this supposed knowledge, which the wiser or more learned publish to the world as a result of their investigations.

It is more difficult to convince the ignorant, who think that they know the laws of being and the plan of the workings of God's universe, than to convince those who have given sincere thoughtful study to the same, because the latter, generally, as they progress in their investigations become convinced that the more they should know as a result of their investigations, the less they really know.

I do not know just what is the most important subject for comment tonight relating to these matters, for there are so many, all of which I must at same time instruct you about; but I will write tonight about "The relationship of man to the creation of the world, and the origin of life."

Your Bible says: in the beginning God created the heavens and the Earth, etc., out of a void, and continued that creation until there was a perfect heaven with all its glories, and a perfect Earth with inhabitants of every kind – all perfect and made just as an all wise and all powerful God would create; and as a climax to all, man, who was so perfect that he was made in the image of his Creator.

Well, this story is just as good and satisfactory as any that has been conceived and written by man, and is just as worthy of belief, but as a fact it is not true, for there never was a time or period when there was a void in the universe or when there was chaos.

God never created anything out of nothing, but His creations, such as are perceived by and known to men, were merely the change in form or composition of what had already existed, and always will exist as elements, though there will undoubtedly be changes in form and appearance and in constituent elements in their relation to one another.

God was always existent – a Being without beginning, which idea the finite mind, I know cannot grasp, but it is true; and so also everything which is in the universe to-day always existed, though not in form and composition as they now are; and as they are they will not continue to be, for change eternal is the

law of his universe. I mean as to all things which may be spoken of as having a substance whether they be material or ethereal.

Of course, His Truths never change, and neither do the laws by which the harmony of the universe is preserved and continued perfect. Now, the Earth on which you live did not always have an existence, as an Earth, and neither did the firmament and the great galaxy of planets and stars, but they were not created out of nothing, and neither was there chaos, for in God's economy of being there is never any chaos, which if it should be, would mean the absence of the workings of His laws and harmony.

But the Earth and the firmament were created – at one time they had no existence as such, and at a coming time they may cease to have such existence, and this creation was in an orderly way, according to design, with no element of chance entering into it; and such creation was not through what your wise men may call accretion or evolution – that is self evolution – for every new or additional exponent of growth or manifestations of increase was the result of God's Laws, which he operated in the creation of the creature.

There is no such thing as self evolution, or that development which arises from the unassisted growth of the thing developed, and this applies to all nature as well as to man. To grow, to become nearer perfection, implies the decay and disappearance of some elements which have performed their missions and work in the growth of the thing created, and never do the same elements continue in the development of that which the laws in their operations, bring to greater and greater perfection.

But in all this work of creation there are laws of disintegration and apparent retrogression operating, as well as laws of positive construction and advancement; and again these former laws do not operate by chance, but by design just as do the latter class of laws. The All Creator knows, when for the purpose of bringing forth the perfect creature – be it man or animal or vegetable or mineral – the laws of decay and retrogression as well as the laws of advancement and increased effectiveness shall operate, and He never makes a mistake in setting into operation these laws, and never pronounces the result of His work, "Not good."

As has been said, a thousand years are as a day with God, and while for many long years it may appear to man, there are retrogression and delay in bringing to perfection a creature of the Creator's works, yet that apparent retrogression is not such a fact, but only a course or method adopted for bringing forth the higher or greater perfection. I know it is difficult to explain these workings of creation to the finite, earthy mind but you may grasp some conception of what I desire to make known.

Man, in his creation, was not the slow growth as were some of the other creations of God, but was from and at the beginning made perfect, with the exception of the qualities of Divinity and Immortality. He did not grow from a lower creature, as some of your scientists have proclaimed, by the slow process of evolution, and this a self evolution, resulting from inherent qualities which were developed by experience, but he was created the perfect man.

I will stop for the present.

Your brother and friend, Jesus

## **Luke discourses on the devolution and evolution of man – scientists only know of evolution after man reached the bottom of his degeneracy or devolution.**

<http://new-birth.net/padgetts-messages/true-gospel-revealed-anew-by-jesus-volume-1/luke-discourses-on-the-devolution-and-evolution-of-man-vol-1-pg250/>

Received by James Padgett. Washington D.C.

July 22nd, 1917

I am here, St. Luke, writer of the Third Gospel that was. Well, I desire to write a few lines on the subject contained in the book which you were reading tonight. I mean the book dealing with the "Creation and fall of man."

Well, the man who wrote the book is endeavouring to reconcile the Bible doctrine of the creation and fall of man with the scientists' doctrine of evolution, and to show that these two views of the subject are not antagonistic, and if properly understood, may be used, one to support the other. But in this he has not succeeded, nor can he, for this reason, if there were no others, that man did not evolve from the beast or lower animal, but was always man, the creature of God, perfect in his creation and wholly natural.

There was nothing of the supernatural about him and he never possessed any nature of the superman from which he fell at the time of his disobedience. He has never been anything more or less than the perfect creation of his Maker, although he has degenerated in his qualities and in the exercise of his will.

Evolution or the doctrine of evolution has its limitations, and its founder, or those who follow him either wholly or in a modified way, are not able to retrace this doctrine to the fall of man, and hence, when they attempt to pass beyond that stage when man seemed to have been very degenerate and a product of the animal progenitors, they get into the field of speculation, and knowledge ceases to exist.

Man was not created with any of the Divine qualities, as the writer seems to think but was made the merely natural man that you see now, without the defilement of his soul qualities which involves only the elimination of those things from his soul that cause the departure from the condition of his creation. That is, when he was created he was in perfect harmony with the will of God and His laws and when he shall be restored to that harmony of unity with these laws, he will then be in what was his before the fall.

So the idea put forward by the author that man was created with something of the divine in him, which took him out from a kind of physical condition of imperfection, and that when he lost these Divine qualities he fell into that imperfect condition, is all wrong. The great truth connected with man's creation, is that man was created perfect, that as regards his order of creation or the qualities of his moral and physical nature there could be no progress, for the next step in progression would be the divine.

Thus you will see that he was so wonderfully and perfectly made, that he was only a little lower than the angels, and by angels I mean the souls of men which have ceased to be incarnate and have partaken of the Divine Love and become a part of the Father in His Divinity of Love – not the mere souls in the spirit world which have only the development of their moral qualities, because these, whenever they have become purified and in harmony with the laws and will of God, are only men perfected in their natures and organisms as they were at the time of man's creation.

I say, the perfect man possesses those qualities and attributes that were his at the time of his creation, and he cannot progress or become greater or other than he was at the time of such creation. He was

made perfect as a creation, and beyond the perfect there can be nothing greater evolved from the qualities and faculties, one and all, that made him perfect. And to progress, there must come into his nature, from without, the Divine Love, that which will add to these qualities and faculties, which you may understand is no part or method of evolution.

When the first parents fell, they lost that which destroyed the harmony of their existence with the laws of God, and also were deprived of the great potentiality of becoming Divine in their natures of Love and Immortality, like unto the Father – but as mere created men they fell from perfection and not from divinity. Nor were they by that fall deprived of the possibility of living forever in the physical bodies, because those bodies were made only for the purpose of enabling the souls to individualize themselves, and thereafter die and become dissolved into their derivative elements.

The physical body was never created to live forever, and men were never created to live on Earth forever, for a greater and larger world was provided for their eternal habitation, where things are real and only the spiritual exist. The Earth is a mere image of the realities of the spirit world, and exists only as the nursery for the individualizing of the soul. That you may not misconceive my meaning, remember the soul is the man – the ego – and that when man fell, it was not the physical part of man that fell, except as it was influenced by the soul, but, it was the soul that fell; and the sentence of death was not pronounced upon the physical, but upon the soul potentialities, and, hence, you may see, that when man shall again become the perfect man, it will not be necessary that the physical body be restored.

Even if it were not contrary to the physical laws of the universe, or, to speak more correctly, to the laws controlling the material part of the universe, that the material body of man be resurrected and again be housed, the soul, it would not be necessary, for the soul has its spirit body which manifests its individuality. There is no necessity for the resurrection of the physical body, and there will be no such resurrection, for God never does a useless thing.

As I say, man has never ceased to be the man of God's creation, although he has become degenerate and defiled, and at one time in the history of his existence devolved to that degree, where, save for the essential qualities of his creation, he appeared to be lower than the brutes; but he was always the man of God's creation, and never an animal of the lower order. The scientists in their geological search and research and in their finds of fossils and traces of ancient man, and in their biological theories, conclude that man was of a lower degree of intelligence and manner of living, and they may be justified in so concluding, and also that he has gradually evolved from that condition and state, and draw apparent correct theories there from, yet when they attempt to go further, they enter only into the realm of speculation and become lost in the darkness of mystery. They can rightly acclaim the evolution of man from where they lose him in their retracing of that evolution, but can know nothing of his devolution anterior to that time; and, hence their speculations are without foundation of substance.

No, man has not evolved from the lower animal, but only from himself when he reached the bottom of his fall. In this particular, the history and experience of man is this – he was created perfect, – he sinned, he fell from the condition of his created state – his condition at the bottom of his fall was inferior in some phases to the brute animal – after long centuries he commenced to rise from his base condition, and had made progress when the scientists by their discoveries found evidence of his then condition, – and since then he has been the subject of their "evolution." But the scientists and all mankind must know that all during these centuries of descent and ascent, man was always man, the greatest creation of God, and the most fallen.

Well, I have written enough for tonight but as I was with you to-day as you were reading and saw the misconceptions of the writer of the book, as well as those of the scientists to whom he referred, I thought it advisable to write the few incompleted truths about the subject. I will soon come and write. So with my love and blessings, I will say good night.

Your brother in Christ,

Luke

## SOUL CREATION

**When God gets busy on something, She does a lot of it!**

**Souls, being thoughts of God, are ready for incarnation in their billions.**

**These souls are at the level of the 6<sup>th</sup> sphere in a natural love state, however, they are not within the 6<sup>th</sup> sphere perse.**

**These souls are not conscious of themselves in this state.**

**Prior to incarnation, they do not express free will.**

**They have an instinct to incarnate.**

**Incarnation of the two soul halves, male and female aspects, typically occurs within a 5 or 6 year time frame, however the timing may be 20 or 30 years apart.**

**To become conscious of self, you must incarnate.**

**The soul half that incarnates is the one most suitable for the characteristics and character of the attracting parents.**

**Upon incarnation, one's soul condition adjusts to reflect the soul conditions of those around it, typically reflecting closely the soul conditions of one's parents.**

**The FIRST NATURAL LOVE SPHERE – 1<sup>st</sup> MANSION WORLD:**

- a. Possibly blankets Earth – though of a different dimension.
- b. The first natural love sphere is massive. Should all the souls that have been individualised and are yet to be individualised (incarnated) remain within the 1<sup>st</sup> natural love sphere, then there is more than sufficient capabilities for them to be accommodated.

# First Parents being First Ensouled Humans

Our first parents, Andon and Fonta (also called Aman and Amon), were the first to exhibit human perfection hunger some **one million years ago**. Andon and Fonta were the most remarkable pair of human beings that have ever lived on the face of the earth. This wonderful pair, the actual parents of all mankind, were in every way superior to many of their immediate descendants, and they were radically different from all of their ancestors, both immediate and remote.

The Lucifer soulmate pair believe that the mind is superior to all things. Thus they convinced the inhabitants of 37 inhabited planets within the universe of Nebadon, including Earth, to become self reliant and abandon God and Their administrative

# REBELLION

leadership. The Lucifers brought about the Rebellion on Earth two hundred thousand years ago. So for 200,000 years of spiritual darkness, humanity has suffered the consequences of one's error ridden mind.

Adam and Eve, the Adamite soulmate pair, came about **thirty eight thousand years ago** to upstep the gene structure of humanity and advance their spirituality.

# DEFAULT

Both Eve and Adam mated with local humans and accordingly defaulted on the plan. They were to breed a superior stock that would then interbreed.

Mary of Magdalene and Jesus of Nazareth, soulmates, **two thousand years ago**, both retained perfection, and during their sojourn on Earth were enthroned as sovereign rulers of Nebadon. **The bestowal of Michael (Jesus and Mary) terminated the Lucifer rebellion.**

The Second Coming, **now in progress**, reveals the availability of Divine Love and the need for each person to engage in the process of Feeling Healing. With the Divine Love then this process is one's Soul Healing.

# BESTOWAL

# REVELATIONS

× 2

**LUCIFER REBELLION HAS ENDED, and now REVELATIONS for HEALING are HERE:**

**Lucifer soulmate pair**

**Satan soulmate pair**

**Caligastia soulmate pair**

**Daligastia soulmate pair**

**Lucifer** soulmate pair were magnificent beings, a brilliant personality as one. They were designated as one of the one hundred most able and brilliant personalities in more than seven hundred thousand of their kind. From such a magnificent beginning, through evil and error, they embraced sin. They believed that their minds were all powerful and that everyone should be independent and reject the illusionary God and those who lead the path to God, namely Michael of Nebadon (Jesus and Mary).

Very little was heard of Lucifer on Urantia (Earth) owing to the fact that he assigned his first lieutenant, **Satan** (also a soulmate pair), to advocate his cause on our planet. The “devil” is none other than Caligastia (again, another soulmate pair). At the time Michael (Jesus and Mary) was on Urantia in the flesh, Lucifer, Satan, and Caligastia were leagued together to effect the miscarriage of his bestowal mission. But they spectactually failed.

About five hundred thousand years ago and concurrent with the appearance of the six coloured or Sangik races, Caligastia, the Planetary Prince, arrived on Urantia. There were almost one-half billion primitive human beings on earth at the time of the Prince’s arrival, and they were well scattered over Europe, Asia, and Africa. The Prince’s headquarters, established in Mesopotamia, was at about the centre of world population.

**Caligastia** had been attached to the council of the Life Carrier advisers on Jerusem. Lucifer elevated Caligastia to a position on his personal staff, and he acceptably filled five successive assignments of honor and trust. The Planetary Prince of Urantia (Earth), Caligastia, was not sent out on his mission alone but was accompanied by the usual corps of assistants and administrative helpers.

At the head of this group was **Daligastia** (soulmate pair), the associate-assistant of the Planetary Prince. Daligastia was also a secondary Lanonandek Son. He ranked as an assistant at the time of his assignment as Caligastia’s associate.

**Lucifer, with deputy Satan, and lieutenants Caligastia and Daligastia have ingrained into the human psyche to be mind dominated with its errors passing down through all parents, being self reliant and rejecting one’s own soul based feelings that are to lead us to our Heavenly Parents with the truths being provided by Mary and Jesus of Nebadon. Lucifer and Satan were removed two thousand years ago, Caligastia and Daligastia have very recently been removed. Their crimes against humanity make Adolf Hitler appear to be a saint!**

## **Trance Message from Jesus.**

Santa Cruz, California Received by A.R.

Medium: Thank you, Heavenly Father, for your love, and in this thankfulness we pray that this Love be manifest in our thoughts and our deeds, that we may bring this Love to this Earth to help heal our relationships with one another. I pray at this time for an inflowing of God's Divine Love, that I might elevate my thoughts and desires to make rapport with the Celestial Angels that are here with us today. I want to be an instrument through which the Angels can demonstrate and manifest their love for us, and the wisdom they might share with us to help us see our way to be the most loving we can be. I pray, dear Heavenly Father, that You help me put myself aside, that I might be an instrument for our dear friend and brother, Jesus. I have faith in the power of your Love to protect me, and I love You.

Jesus: I am here with you now, my divine family, and I am your brother and friend, Jesus. And I have prayed for and received the Divine Love of our Heavenly Father; the greatest Gift that God's great Soul extends to us, His children.

I am here with the Celestial Angels so that we may demonstrate our love for you today, as we do every day. And I am here to answer your questions which you may have. But please know that I am with you always, that I am not far from your side, ever, that you will never be without my help and my love.

I love you with all my heart. It is my privilege to be your brother, and I will answer your questions to the best of my ability.

Kathryn: I have a question from Bill C, who called this morning. And he wonders what it was you said at the Last Supper that caused people to interpret it to be the Eucharist, the bread being your body and the wine being your blood. What did you say that could have resulted in such a strange ceremony?

Jesus: It is always a temptation for the mind to seek to have an understanding of its relationship to God. It wants tangible evidence and symbols to represent that relationship that is a purely spiritual one. I represented to my disciples God's will, that they become at one with Him in Love. But they could see my Love. They could see Its demonstration in our lives together. They could have faith in the power of this Love as it demonstrated Itself through my hands. It was not until I left that they had to realize the power was in their own hands through this Love that they prayed for, through their desire to do God's Will.

I want you to realize how important it is to realize your relationship with God. He Loves you. He Loves you. And it is through your hands that His Love comes. Do not look to the material for the assurance that you have this relationship. Look to your hearts and feel the Love in your heart reaching out to your brothers and sisters who need that Love.

Bill S.: I have a question. I'd like to know what it is about myself, that I'm not conscious of or aware of, that when known, can have an impact on the people around me.

Jesus: I will say, Bill, that it is your joy in realizing the personal relationship you have with God, that you and Your Father are one, and that His Love is manifest through you to these brothers and sisters

who are God's children. We are all God's children. We are all beloved by God. Is it not the greatest gift we have to share – this Love that God has shown us? Would it not bring us the greatest joy to touch someone in the greatest Love that we have, that is with the Divine Love that we have been shown? Always consider how worthy you are of this Love, and at the same time consider the worthiness of the one who stands before you. That is what we are here to do. Does this answer your question?

Bill S.: Yes.

George: I have so many questions for you. And I'm not even sure how adequate this question is, but is this the – a curious question that came to me. And I was thinking like around 1980, we had two hurricanes or disastrous things coming towards us. And they both just seemed to stop and turn away from us. So, my question is what are the laws that apply to these types of situations? And another question – what could I do to become a better person, a servant of others?

Jesus: George, I want to say that I love you very much. You are my brother. I want you to realize that despite your weaknesses as a human being, that your soul shines forth in this world. You want to love. You want to share the Truth. These desires will bring to you the opportunities to reach these people who perhaps are not open to the Truth, but who are always open to your love.

I want you to realize that in the scheme of this planet and its unfolding, its weather, good and bad, that your soul, your spiritual life, has a place that is not of this Earth. This spiritual life you have, if you were to visualize it, hovers above the Earth, impervious to those storms and those feelings that we as human beings sometimes have to weather.

You will become stronger as you realize who your Father is. Your Father is a Heavenly Father. He is your Spiritual Father. He guides your heart to seek His Love. But He is not impersonal. And He will take the time to help guide your life here on Earth to be a good one, to be a happy one. As you align yourself with His Will to become at one with Him in Love, because He Loves you, will for yourself to love Him in return. Love Him with all your heart as He Loves you.

Calena: I have a question. If Aman and Amon, or Adam and Eve, were the first parents in Earth, where are the black people coming from? And the Chinese people? That was my first question. And my second question is, if always I am with you and always you are with me, why I have to have doubts how I know I am in the right place, how I know this is the right church?

Jesus: Calena, you are the church. In your heart is the most beautiful temple that you have constructed for this Love that you feel from your Father. Sometimes we ask ourselves if we are good enough, if we are worthy of this tremendous Love, this Gift that we recognize in this Love God has offered to us. If you could only imagine yourself as God sees you, the beautiful soul that you are, the beautiful child that He sees before you that He loves with all His Heart, it would put to shame any jewel, any treasure that you might find here on Earth. It would put to shame any monument that has ever been built by man.

You are the most beautiful creation of our Heavenly Father. There is only one of you. You are precious, you are rare. And as for the diversity of the races that you see on this planet, you must realize that the soul is as diverse from another soul as are the grains of sand and the stars in heaven. But what binds you? You all have this common bond in Love to one another. You all need love. You need to give love. You need to recognize in one another this humanity that elevates you to the status of being the greatest creations on this Earth. We are one in the spirit of this Love. We are one family.

Arthur: Master, I'm very grateful for what you did, and the courage you showed as a mortal, the fact that you made it possible for us to receive Love. Of course, God made it possible, but I am grateful that you did take up the burden and pray for the Love. My question, Master, is that, I know that in time, I will understand, but I was wondering if you could tell me a little bit about how I can figure out what it is that I can do in the world to serve. I have a great desire to serve, but I don't have any idea at this moment how exactly that mission will materialize. And I would like some guidance as to that.

Jesus: I will tell you a story. When I went to gather my disciples, they were fishermen. Many of them had families. That was all they knew that they could do. They did not have the skills of craftsmen who could build a house.

I was a carpenter, as was my father. We were simple men. We didn't do a lot of multi-tasking, as it were. (laughter) But what I asked of them, as God had asked of me, was to become fishers of men. What did this mean? What does it mean? How do I cast my net out to gather men and women?

God harvested us. We were caught in His net of Love. We looked at one another as blessed with this knowledge that God had this Gift, this Love, that was the most powerful thing in our life that we've ever known. So He took our hands and put Love in them. He took our eyes and made us see the Truth of His Love in the world. We chose to believe that God loved us. We asked our brothers and sisters if they could believe the same. And that is how we became fishers of men.

Arthur: So, you're saying it's in the asking; was that the point you're making?

Jesus: As you seek to love God beyond all things, you will see the Love that He has for all His children. You will see what His Will is for you, and you will consequently inspire others to recognize what God's Will is for them.

Arthur: Thank you, Master.

W.A.: Master, I just want to thank you and the Celestial Angels for bringing me here at this time. One of the questions I'd like to have answered at this time, Master, is, I know that you received the privilege of being born again on this Earth. And I'm wondering if the disciples actually reached that plateau of knowing their immortality, or have there been others since you? Thank you.

Jesus: I want to say that I am indebted to our Heavenly Father for having rebestowed the Gift of His Love. He did not offer it just to me; He offered it to all of His children. At the time that God rebestowed this Love, there were among those spirits who were awaiting this Good News, our first parents – our first parents who were offered this Gift upon their creation. They had many years to wait to finally accept this great Gift that they had denied. But if you can imagine, just for a moment, what their joy and their gratitude were for that day. Try to imagine that their Heavenly Father will wait for an eternity to Love every single one of His children. His Love has been in the world all these years. He has not failed to answer one prayer, not one.

There have been many, many souls who have recognized their relationship to God. But my brothers and sisters, do you not always feel, feel this Love in your own life; just to the small amount that you may be able to open your souls to how great, how powerful and strong this Love is for you? As our brother Geoff has to do sometimes, and close the door – it's so great. God is with you, will always be with you. The truth is here; it lives in your heart. There are many [who know of their immortality].

Michael: Master, I don't have a question at this time. I pray to our Heavenly Father for Mercy and Forgiveness. I just want to acknowledge you and the Angels, and I thank you so very much for all your help and assistance. I just wanted to say, I thank you, thank you, thank you.

Jesus: Michael I love you so much. We are with you always, loving you and adding our prayers to yours. We're so grateful to you.

Mark: Dear Master Jesus, I have a question for you about family. As I was with my friend Lisa last week and spent some time with her family and with the children, I felt a great love for them, and I think I gave that love to them. And at the same time also, I realized the loss that I feel in my life for not having that kind of thing in my life. And my question is really, the thing that I've been struggling with, how can that loss be restored in the spheres, where there are no families like that? It seems like it is lost forever somehow. And another thing that I find difficulty with is, it's the more I try to get that Love, at the same time, it also hurts more, if that makes any sense. And I wonder how that, how that is. Thank you.

Jesus: Mark, you are with your family today. We in the Celestial Heavens make every effort to bring you into those situations that you can manifest this Love that you feel. I realize it hurts because as you go out into this world, you realize how lost God's children really are, how the defences that they've built around them prevent that Love from reaching their souls. But I ask you, brothers and sisters, to tear down those walls between you and God's Soul. Let Him embrace you with all His Love. Let Him hold you at night and comfort you with His Love. Invite us, your Celestial brothers and sisters, to pray with you. We love you so dearly. If we could show ourselves to you to make you realize that we were right there with you, that we would hold your hand, I wish we could. But don't fail to hold one another's hands when your hands are together. Tear down the walls between you. Recognize your family, Mark. Open your heart to them, as they have opened their heart to you.

David L.: Boy, it's that time again, Master. Every year, as I've told some of our first visiting people, how wonderful it is to come and to share this time with you and the Celestials, and the good spirits who are here to hear what you have to say today. We're so appreciative of this. All of us look forward each and every year to having this spirit rejuvenation, allows us to go off fully refreshed, and look forward to the very next year when we can do the same. This year was a little bit different because as we approached it, we had I guess you would call a mini-conflict here and there, that we had to resolve. And the wonder of it all is that the Divine Love that we have shared has brought us even closer together than we've ever been before. It's magnificent to witness the power of that Love in our lives, and I want to thank you for your support and the Celestials. Of course, most of all, I want to thank God for what has taken place, and what joy we are starting to feel after this little mini-crisis – at least I'm feeling quite a bit. So I thank you very much for that, Master. And there's not much I have in mind either. I was trying to think of a question, but usually, what I'm just concerned about is, you know my big family up there, I've got so many up there! And if anyone there has anything to say, I'd be happy to hear it. Otherwise, I want to, God bless them all. Thank you again, Master.

Jesus: Well, Sarah comes forward here to surround you with her love and assurance that they're with you, and they are trying to comfort you in recognizing that your extended family is always, always open-armed to your soul and your great love.

I wish to say, my brothers and sisters, that even though today may be somewhat special for you, that I can come through a medium to speak, I ask you each to please open your hearts to me every day. Let

my love come into you. Ask me to be with you. Ask for my guidance with all those little things that bother you. I want you to realize that I am your brother because I Love you.

You are my brother, Dave. I need your love, as you need mine. I need it every day, because our souls are open, we've opened the door, we've opened it wide. We will not be satisfied with less than Love every day. We're spoiled! God's Divine Love has opened the door to one another. Keep it open.

Holly: Master, I have a question that's out of curiosity about what exactly is the Fountainhead of God, and I want to know, is it a place that's reachable, or are we constantly striving to reach this place?

Jesus: Well, speaking for myself, I'm striving to reach this place. I have received God's Love into my soul. It has shown me many things. There are splendours in the Celestial Heavens that you cannot conceive of here. But these splendours are born of Love. Love expands us. It expands our capacity to receive and to be aware. And if you can imagine that God, who knows all, and loves all, His infinite capacity to hold Love and to give Love – what a treasure that is! Do you think we could try to be like Him? I'm trying really hard. It's a lot of fun! (laughter).

Holly: Thank you.

Carol: I want to say, Master, I'm very thankful for the healing and guidance I've received this morning, and that your Love coming through here has helped me break rapport – not actually break rapport, but my guidance was, I was asking this morning on my way here what I should ask because, to try to keep this brief, my mother passed on last year, and I went home to my hometown for the first time in 23 years. And part of the reason I'd stayed away so long was to try to break rapport with spirits. And going back last year, I felt a renewed rapport with these spirits. And this morning it came to me, my guidance, to love them! And thank you for your help and the help of the Angels. And I'm more able to do that and let them go. (tears)

Jesus: And my sister, have you not learned to love yourself?

Carol: Yes.

Jesus: That God loves them. God Loves them as He Loves you, that you are worthy of this great Love, my dear sister, Carol.

Geoff: Brother Jesus, thank you for the healing that you gave me a few months ago. Thank you. I have a question, if I can say it. I've been trying to listen to my inner voice. Sometimes it irritates me when it won't change its mind, and it tells me intuitively things that I don't believe. But I have been listening to it. And I didn't hire somebody because it wouldn't change its mind. Of course, I don't know whether that was the right decision. But I did hire somebody recently that my inner voice seemed to like, and I must admit now, I have severe doubts. And I guess my question to you is, how can we be sure, we've never been told where our inner voices come from. Is this our guide? And I know it's not God, I know that much. But how can I be sure that this inner voice, that doesn't agree with my intuition sometimes, is in fact right?

Jesus: Geoff, I will say that if with your heart, you ask God to speak to you, you will hear His answer with your heart. God never fails to answer our heart's questions. But sometimes we fail ourselves to trust the answer. We may believe that what we decide is not right, because as you receive your answer, you must activate, put into motion, and effect, what it is your heart is telling you. Do not cut off His

voice from your hands, Geoff. Make your hands say what your heart has heard. Make your voice speak what your heart has heard. Because, Geoff, God Loves your hands, He Loves your voice, He Loves your eyes. Let Him Love you that way. Love yourself as His instrument. And even though you may not understand or believe in the reason for things, if God's Love has spoken, have faith in that Love, have faith that you have moved in Love. As we became fishers of men, we picked up our hands, and we asked God, what do we do with these hands that only know how to fish? Let Love show you what to do with your hands.

Geoff: Thank you, Master.

Dave: Master, you are my greatest friend, my dearest brother, my Master and teacher. And although it seems at times I do not appreciate all of that and recognize it, and I understand that I am a difficult student and a wayward soul at times, I would ask for your specific instructions as to your desires for my next step in being an instrument of our Creator and of yours.

Jesus: David, you are here today surrounded by the love of your brothers and sisters, mortal and spirit alike. I realize that as you leave here and you go back to the place that you have called home, you're taking Love with you. Home is where our heart is. We choose with our hearts where we are. We make our home here for reasons we're not always aware of, why we live where we live, why we do what we do. But our hearts are involved because we are souls that are seeking to know ourselves. Do you see the soul in other people? Is there someone you recognize in your life that helps you rekindle that knowledge of who you are as a soul?

Perhaps you would need to be the light. Sometimes we are in that place in our life where we are surrounded by darkness, so we need to hold up our light, hold it up really high, take a good look all around us to see where we're going. But I want you to realize, my brother, that when you're holding up your light, there's a whole host of Angels who are extending your arm as far as it will go, whose prayers for you to find yourself are even stronger than your own. We are guiding you. Do not doubt that. And follow your heart. Find your home.

Carolyn: Master, thank you for your Love, and I want to thank God for the gifts He's bestowed upon us. And I also want to acknowledge and thank you for your kindness earlier this year that we could have it all and live it all. Yesterday, Carol was good enough to come with me while we let go of my dad's ashes over the ocean. And a number of things did happen, with my hat flying off without into the ocean, because the winds were so strong, and us finding the hat on a cliff, practically dry! And us singing one of his favourite hymns. And I felt his energy there, and I wanted, with my brother coming and staying with us for awhile, to not lose that aspect of our innocence when we were children. And yet, it's been really hard a lot of times when there's been so much negativity and pain in him that he refuses to see the good. And I want to ask for guidance in raising the energy in letting him love his nephews and nieces because I know he has pain not being with his child. How can I be more understanding and an instrument and not go into negativity? How can I be a true child in the light?

Jesus: Carolyn, I am your brother. I will be with you when you welcome your brother. Welcome me into your heart, into your home, to be your guest and recognize our Father.

You are our Father's daughter. You have opened your heart to His Love, you have become at one with God in Love. This is what your father will seek for. This is what your brother is looking for. You have a gift of Love to share because of the great Love that God has shared with you. Make your house a house where you have welcomed all of your family, your spiritual family. We will be with you.

Carolyn: Thank you, Master.

Doug: Master, I also want to thank you for your tireless and apparently infinite patience in your two thousand-year ministry. I have a question that does not concern any of us in this room, but I'm going to ask it anyway because it keeps coming up. And the question is about the concept of the "Second Death". And the reason the question keeps coming up is 'cause you mentioned it so many times as related in the Bible, and then again it is mentioned many times in the Padgett messages. And so each newcomer to the Padgett messages almost inevitably asks, what is it about this Second Death thing? And I tried to suggest recently that perhaps the reason some people would not be offered the Divine Love, or would not continue to be offered the Divine Love, is because perhaps the natural love is sufficient. And maybe that is why the Father is just in allowing some of His children never to receive this Love. But then someone countered by quoting another message where, through Dr. Samuels, it was written that there would be "weeping and gnashing of teeth" amongst those who refuse the Divine Love. So I'm wondering if you could perhaps shed a little more light on all of this.

Jesus: The nature of our Father's Love, such as I have ever known It, and such as I have taught on Earth and throughout these years, is that He does not withhold His Love from us, that It is tender and kind, that It is infinite. My children, there has been a great disservice done in this world to have given God the personality of anything but Love. There has been a great disservice done to you to think that you are anything other than deserving of this great Gift of Love that He has for you.

God loves you so much. You have no conception of how much Love He has for you. He wants that Love to help you love yourself as His beautiful child, His beautiful, precious one and only. There's no one like you.

I wish to say that should that time come that God would withdraw His Love, for I do not know when that would be, He would do so with the greatest respect and Love for each of His children. For I wish to explain, for Aman and Amon, our first parents, they know how much God loved them. They know. This Love is a gift. It is offered to us to accept, should we choose. They felt they did not need His Love because the gift of the natural love that they had upon their creation was so beautiful, and so powerful, and all fulfilling, they said, "My God, what else do we need?"

Yes, God is very kind. He does Love us. And so He created us with all that we would ever want. But He offered this Gift. If He should decide one day to take this Gift away, it would only be because that child had not wanted it, that he would have felt so complete in his love, that he would not need it. It wouldn't be so bad, would it?

But all of us have come to God in prayer because we really feel like we need a little help. We can't make it alone. And what Aman and Amon have found out is that the Love that God had for them was beyond any imagination they could even have conjured up. What fulfilment meant to them as just the natural parents, they had no conception of what God had in mind for them. But they didn't know what they were missing, did they?

It is a Gift. But do not think for a moment that God is unkind or unjust. And be aware that should that day come, every single one of His children will have made a choice, a conscious choice. They will know what their relationship with God is. All the blinders will be removed. They will know where they came from.

You need not worry; it's going to be a long, long time from now, if it ever happens at all. That's for God to decide. Does that answer your question?

Doug: Thank you.

David L.: Master, can we give this wonderful medium a break at this point? Or would you like to say something to us personally?

Jesus: Just that I love you all. I am very grateful to all for your love. Do not underestimate how important your love is to me and to God. I love you.

## CREATION, DEVOLUTION and EVOLUTION:

Aman and Amon (also called Andon and Fonta), our first parents, physical being was born of natural parents, who in turn had been born of their own parents. Their bodies were not created instantaneously, but evolved just as all of God's creatures evolved. Aman and Amon were both nurtured physically as infants and then children. **But our first parents' souls were placed in them when they were already adults.** They had no clear memories of their earlier life before that great moment. As soon as they possessed a soul, all of the normal human psychological manifestations appeared.

There were aunts and cousins, parents and grandparents. But they were not human like Aman and Amon – they were really animals, though of the same species. Aman and Amon wandered off from the family, since they could find no way of relating to them at all. How could they? They were incapable of rational thought, speech, or anything human. Aman and Amon knew that forevermore they were apart.

They were indeed a primate species of humanoids. But Aman and Amon (they were not Adam and Eve) were more beautiful than their animal relatives, and knew, even from their very appearance, that they were marked even by Nature to be different. The human body, without a soul, calibrates at 200 on Dr Hawkins' Map of Consciousness. Domestic animals typically calibrate 200 to 250. Our soul is the source of our personality, intelligence, and memory. Our soul is formed from the energy substance of natural love. There is nothing of the Divine within our soul.

The First Parents did have the propensity to receive Divine Love, however it was not yet bestowed upon man, that occurred in the 1<sup>st</sup> century with Jesus and Mary. Man, left to his own perseverance and determination can develop into the perfect man with only Natural Love, however that is a slow and tedious pathway and limited to perfection of the soul, fit only for the 6<sup>th</sup> natural love spheres.

By embracing Divine Love and one's Feeling Healing, man can become fitted to enter the Celestial Heaven and higher in rather quick time. One's life on earth, living with the Love and embracing Feeling Healing, can be that of living in Heaven!

**Further, Feeling Healing with Divine Love, has a powerful positive effect on the physical body, balancing the hormones and generally promoting physical health, which is really the same thing as saying that the state of a mortal's soul impacts directly on that mortal's physical health.**

### The REAL YOU is the SOUL:

One's personality, natural intelligence, memory and human attributes all are soul based. The soul initiates conception so it can start expressing one of its two personalities in Creation. It creates the will, then 'wills' the spirit body and physical body and all that connects them with the will into being. Our soul constantly sustains or expresses us, one of its two personalities, in Creation. The spirit can't separate from the soul because the soul keeps it in existence. We need our spirit and physical bodies to experience our personality through. When the spirit body separates from the physical body, one continues on living in a different form without losing any of the attributes experienced during physical life. Incarnation is the process of individualisation of the soul.

Without a soul, our physical bodies would function and interact similarly to that of a domestic animal. An unsouled human body (thought not possible) would respond like a household puppy! Domestic animals calibrate on Dr David Hawkins' Map of Consciousness between 200 and 250, the human body calibrates at 200. All animals have spirit bodies, these do not survive into the spirit Mansion Worlds. Our SOUL IS NOT ENSOULLED IN OUR SPIRIT BODY. Our soul exists existentially in a whole different level or plane or place or dimension of being – 'soul land'. It doesn't exist in Creation, it's not experiential like Creation is. The soul, all souls, help create their part of Creation by expressing their personalities into Creation, and then by having their personalities do things (further create) in Creation.

**Our first parents, Andon and Fonta (also called Aman and Amon), were the first to exhibit human perfection hunger some one million years ago. Adam and Eve, Adamite bestowals, arrived some thirty eight thousand years ago – or earlier.**

**Aman and Amon** were the first True Humans, which means, the first soul expressing its soulmate pair, its two personalities, in Creation – on Earth. From which came forth the rest of us. So they had a soul from the start, which separated them from their animal parents. It's the soul that wants to fully express itself through its two personalities perfectly in Creation, which is the so-called 'human perfection hunger'. It, our soul, wants to be Perfect like its Heavenly Parents, the Soul that Created it. We, focused as personalities, want to be perfect, like the Personalities of our Mother and Father that are Perfect. Our soul wants to be like Their Soul. Our soul wants to ascend us to Paradise so we can be with Them, as physically close to Them on a personality level that we can be, and then see what happens.

There were aunts and cousins, parents and grandparents. But they were not human like Aman and Amon – they were really animals, though of the same species. Aman and Amon wandered off from the family, since they could find no way of relating to them at all. How could they? They were incapable of rational thought, speech, or anything human. Aman and Amon knew that forevermore that they were apart.

Aman and Amon may have been twins. They were indeed a primate species of humanoids. But they, themselves were more beautiful than their animal relatives, and they knew, even from their very appearance, that they were marked even by Nature to be different.

## The Nutritional needs of the First Parents and of The Master.

<http://new-birth.net/contemporary-messages/messages-sorted-year/messages-2007/the-nutritional-needs-of-the-first-parents-fab-24-jan-2007/>

Santa Cruz, California Received by F.A.B.

January 24th, 2007

I am here, Aman, the first father parent.

You read in the Padgett message which I channelled that after the Fall, "we [the first parents] [continued to live in the same place as formerly](#), but no more could we be satisfied with the spiritual food that had supplied our wants and enabled us to subdue the appetites which formed a part of our physical being." You are wondering what this spiritual food means, and how we nourished our bodies before the Fall.

Well, though we had all the physical organs pertaining to digestion and elimination that mortals have always had, the configuration of our personality was such that our physical body actually did not require what it later came to need. Let me elaborate.

In your enlightened time, biologists have learned about nutrition and how the human body requires certain nutrients in order to function correctly. But before the Fall, because we were in an exalted condition, our bodies simply did not have these same requirements.

This does not mean that we did not eat food, for we did. But it does mean that our spiritual state was such that our physical body did not need nutrients in the same way that it has needed ever since, and had we not fallen, the nutritional needs of the human race would have remained as it was for us.

I know it's hard to understand, but it is true. You are wondering how this could be, if in order for our nerves and organs to work, these body parts did not get the proper nutrients.

Well, think of it this way. You have actually learned, through your own direct experience, that the **Divine Love has a powerful positive effect on the physical body, balancing the hormones and generally promoting physical health, which is really the same thing as saying that the state of a mortal's soul impacts directly on that mortal's physical health.**

Well, the "spiritual food" I referred to was the different balance of our soul with our body, which altered the biochemistry and the metabolism of our physical being. This altered state was radically different from anything humanity has ever experienced.

Let me speak now about the Master. Because he experienced the New Birth soul condition as a mortal, his physical nature was directly affected, so it would be accurate to say that because of this, his nutritional needs were somewhat different from other mortals.

Even though biological science was not what it is today, nevertheless, he remained perfectly healthy through his faith, for this faith automatically attracted opportunities to feed his physical body.

In other words, because of the state of his soul, the Creator was able to bring him everything he needed for the sustenance of his body, and thus it is a fact that throughout his ministry (when the New Birth soul condition was his), he was actually in perfect physical health, and this was apparent through a sense of well-being that actually manifested on a physical level as well as a spiritual one.

The Creator knew both what nutrition to provide him, and where to get this nutrition. And it is also fair to say that because the New Birth soul condition was his, consequently, his nutritional needs were altered.

Well, we, the first parents, did not possess the New Birth, and yet we were more exalted physically than any other of our descendants, and had we not fallen, the human race would have been completely different, even as to the physical body.

As it was, after the Fall, the physical nature asserted itself, and we immediately lost this exalted spiritual state. We both felt this profound change, and it was a terrible shock. Something in both of us just shut down, and with this tragic change, our physical bodies also changed. But in addition, we lost any sense of our exalted spiritual sense.

You have had the thought, wasn't this unfair of the Creator? Why couldn't He have given us another chance?

Well, the answer is, we didn't want another chance. Certain aspects of our changed nature happened by choice – we did not desire a closeness to the Creator. It was that simple.

I hope I have clarified for you what you wanted to know. If you would like further clarification, I will be glad to oblige.

## ORIGINAL SIN

3 Feb 1916

**There is no such thing in the world as original sin or evil, and that God did not create them or permit them to exist, except as He permits man to use his own will without limitation.**

**Then the question arises, how can sin and evil be eradicated from the world? And every thoughtful man will have the same answer, and that is: by men ceasing to violate the will of God, or his laws, which restrict the exercise of the wills of mortals to that which, in its right exercise, will not produce sin or evil. In other words, when men by the wrong use of their wills bring about inharmony, they can by the right use of their wills not disturb that harmony, which when it exists, leaves no room for the presence of sin and error.**

**P.305 Book of Truths through James Padgett / Luke**

**ALL THINGS HAVE BEEN CREATED BY OUR HEAVENLY PARENTS, INCLUDING EVIL:**

19 April 2003

The Father and Mother are it ALL. The bad, the evil, the negative and the good, is all Them. They have created the evil as They have created the good. Evil doesn't come into being of its own accord – nothing does, how can it? But as to why the Mother and Father have made you be as you are, have made the Evil One's influence you into being evil yourself – and why They even made the Evil Ones be evil, is something you will ask time and time again, and something that you will uncover the truth of as you do your soul-healing. Humanity is not some poor wretched thing that the Evil Ones have come and led astray with God being pushed aside, and it is now up to you to somehow invite God back into your lives, setting about fixing the problem by praying to Them for guidance and obeying Their commands as They show you what you need to do. God has not gone anywhere. All that has happened is you have chosen to live without acknowledging Their presence as They are right with you in it all, all the time.

It's all very sad because even though those who receive miraculous healings feel very happy and overjoyed at what happened to them, all they are really doing is reinforcing their negative mind patterns deeper and deeper, so much so, that the new generations of children raised under their beliefs with such *faithful* parents, will see no other way, and they will believe with even more *faith* trying to perpetuate what their parents are doing making it so much harder for themselves, becoming increasingly dependant on their negative system of belief. And if something should happen to come and contradict this belief, where can they go? Deeper and deeper, the master spirit planners (were) controlling them, are making them believe in them and not in the truth and purity of the real Mother and Father. And so yet again the evil asserts itself only to lead to very disastrous results – more war, illness and pain. For it is all anti-love and anti-truth, and so it will only one day break down causing anguish for all involved.

Only the truth will set you free. And it begins with the individual praying to the Mother and Father for Their Divine Love, because he or she wants to personally get to know God. You don't need the help of spirits in the way I have been speaking about. Your pain, illness and all problems, will dissolve away in the Mother and Father's care, as you begin to accept and express all such pain and seek the truth as to why you have it. Your soul will be set free of your mind's control, and in so doing you will be healed of everything that is causing you such pain.

Your life with the Mother and Father doesn't have to be spectacular. It will not be a show, even if you live in a more public way. It will simply be your life with Them, nothing more or less. And it will be you living completely at-one with Them, simply living how you feel you want to, which will be how They want you to.

From the bottom of the muddied pool it is hard to see the light and beauty that is all around you, but looking into the beautiful pool of pure water you will know of all the good and truth that it is, mud and all, for you will see how it is all needed to make the whole so beautiful, and then you will know that you are as your soul is, seeing things with the soul perceptions I have spoken of in the Padgett Messages.

## **The First Parents – a physical description.**

<http://new-birth.net/contemporary-messages/messages-sorted-year/messages-2007/the-first-parents-a-physical-description-fab-24-jan-2007/>

Santa Cruz, California Received by F.A.B.

January 24th, 2007

I am here, Aman.

I will now attempt to describe my physical appearance and that of my partner, Amon. The difficulty is not my lack of recall. No, life in Eternity and in the Celestial Heavens has not dimmed this memory. As you have learned, sometimes a spirit has a special reason for remembering something from the Earth life. The difficulty is the inadequacy of Earth language to adequately describe our physical nature.

We saw ourselves reflected in water. This was a way we were able to perceive our own appearance.

Well, let me try. First of all, we were unusually tall, taller than the tallest of mortals who descended from us. But this height did not make us seem overbearing. We had a sort of grace in the way we moved.

My limbs were very muscular, but I did not require exercise to keep them strong. They were very long. My muscles were not what you would call bulky.

You are wondering about clothing. Well, we did not wear clothing, that is, until our Fall. I know the Bible talks about our shame, and about the figleaf. But shame for our private parts was not the reason we began wearing clothing. It was because we felt separate from the natural order and from our original state. We had trouble accepting what had occurred, and we manifested this distress by covering our body.

Let me get back to our physical description. Our eyes were large and prominent. They were like clear lakes, for before the Fall, our vision was seeing not just the natural world, but also our connection to God. So if our descendants could have seen our eyes, they would have been astounded at the depth and love they manifested.

My hair, which was on the brown side, was very curly. My lips were prominent and frankly sensual. For we enjoyed each other physically, just as mortals have done ever since, only our pleasure was enhanced by our exalted state – it seemed to accentuate and magnify this pleasure. And we had no shame or guilt because we both knew without any doubt that the Creator loved us, and thus wanted us to enjoy this pleasure, which was for us a great gift.

My hands were fairly large. There was no hair on them. My chest was lightly hairy. My shoulders were very broad, and my posture was perfect. In fact, both us were perfectly proportioned.

Let me describe now my mate. She had blue eyes. Her face tended to be round. Her ears were small in proportion to her head. Her hair had beautiful, graceful natural curls. It was very long, and seemed to me like a beautiful river. It was also of a brownish hue.

She was rather solid in her physical makeup, though I never thought of her as massive. For me, she was grace personified, and when she moved, it seemed like the Heavens were opening up. I often had that feeling when we were together. Her lips were also prominent and fairly thick, as mine were. She had a

very ample figure, though it had a sort of miraculous lightness and airiness to it, which to me was quite magical.

You are wondering about our skin colour. Well, our skin was not white, but a little on the dark side, though still fairly clear. It was closer to an Asian colour than to the Caucasian. In fact, we would have been surprised that anyone could have white skin. I mean no disrespect at all by this; I only state the fact.

Let me close for now. I know it has been fascinating for you to receive this. May you have a wonderful evening.

## The First Parents – their family and their language.

I am here, Aman.

I know you have been curious about our family. A church member once talked about this. You want to know more.

Well, what was discussed was substantially the truth. That is, our physical being was born of natural parents, who in turn had been born of their own parents. No, our bodies were not created instantaneously, as some have thought, but evolved just as all of God's creatures evolved. This aspect of evolution is true, as to our physical bodies.

So, we were both nurtured physically as infants and then children. **But our soul was placed in us when we were already adults.** We thus had no clear memories of our earlier life before that great moment. As soon as we possessed a soul, all of the normal human psychological manifestations appeared.

There were aunts and cousins, parents and grandparents. But they were not human like us – they were really animals, though of the same species. We wandered off from the family, since we could find no way of relating to them at all. How could we? They were incapable of rational thought, speech, or anything human. We knew that forevermore we were apart.

Amon and I came from different families, though connected loosely. They were indeed a primate species of humanoids. But we ourselves were more beautiful than our animal relatives, and we knew, even from our very appearance, that we were marked even by Nature to be different.

I know all this sounds like crazy science fiction, and yet it is all true, and you are channelling my thoughts correctly. Once we became human, our ties were completely severed from our other relatives, and we knew our destiny was to live together, separated from our biological kin.

You are wondering about the language we used. Well, that is an excellent question. How could we use language if our linguistic ability did not evolve from childhood practice, as has been the norm ever since?

Well, the answer is that the Creator provided a special dispensation, in that he made it possible that along with the gift of the soul came another gift of language, that is, an ability to communicate with words our thoughts and feelings. This ability was imparted instantly along with our soul.

We could not explain how we understood each other's words, but we did. Indeed, it was so natural to us, and immediately so, that it never struck us as strange, even though we had never done so before. We had almost no memories of our past, since we were animals before then. So language was as natural as thought, and all the other great gifts that came with the soul.

When we entered the spirit world, gradually a yearning grew in us to regain our original high estate, and when Jesus preached on Earth the New Birth of the soul, we knew intuitively that this was the way our Creator was graciously and lovingly giving us a second chance, as it were, and we took it, with the most

profound sense of gratitude and joy. Indeed, these feelings were so intense that we could not articulate them.

For it was like being restored to a fairy kingdom, it seemed so unbelievable. But it was real! We could recover our lost glory! Oh, how wonderful it all was! How eagerly we tried [the experiment](#), and how thrilled we were when it worked!

So we entered the Celestial Heavens, and we considered ourselves the happiest beings in all God's universe. How we bless the Master and the Creator for making real again our long lost past!

I am here, Aman.

Yes, your thought is correct – when God implanted a soul in Amon and me, it transformed our physical appearance. Of course, our bodies were essentially the same. But the inner light created by the fact that we were possessed of a living soul caused our skin to literally glow, and our eyes to have that limpid appearance and depth that would have amazed our descendants. This soul of ours gave our bodies and our movements an inexpressible gracefulness that transformed the simplest gestures, and that brought so much delight one for the other.

You have the thought, how could we perceive this change if we had no human recall before we had a soul? Well, we could easily compare ourselves to our animal relatives, and we very easily noticed that their eyes were glazed and not focused, and their bodies and movements were cumbersome and awkward in comparison. This, coupled with the fact that we were physically taller and so much more beautifully proportioned than they were, signalled to us that the Creator had indeed set us apart from them, and thus created a different destiny for us.

And so, after the Fall, our eyes lost that clearness and depth because our souls were filled with shock, consternation, and bewilderment. But more importantly, our animal nature very quickly became dominant, so that our lost estate quickly became almost a distant memory – that's how far we wandered from our original glory.

And our attitude to our physical bodies also changed. Divorced from the spiritual, we could only perceive the physical form and not the radiant soul within, so our decline was not hard to achieve, for we had effectively lost everything, and we knew it.

We somehow continued to know of our Creator, and yet the close bond with Him was severed, and even though we pined away for our lost happiness, we were not willing to follow a path back to reconciliation with our Heavenly Parent. Indeed, this was not even considered. We were wilful and prideful, and we were stuck in this way of thinking.

You are wondering, how could we have changed so radically so quickly? Well, the connection with the Creator was gone, and in its place was nothing but the animal nature. It wasn't just that we were unhappy having lost that connection – we consciously chose to disavow it, despite our misery. And we each came to this attitude independently. But we shared our common misery, and also imparted to each other an attitude of rebelliousness and pride.

This dramatic transformation occurred because of two words you well know – **free will**. We just chose pride, the attitude that if our Creator could do this to us, we didn't need a Creator anymore. So it wasn't just the knowledge of our fall; it was also a conscious lack of humility that prevented us from finding our way back to our Creator. He had eliminated the possibility of us receiving the Divine Love, but in a true sense, we made His choice possible by our great rebellion; the latter brought about the former, and not the other way around. So that it wasn't injustice on the Creator's part, but rather the reaping of what we had sowed.

You still feel the Creator was unjust to completely eliminate this privilege. Well, when you consider how far we had fallen, and how impossible it was for us to regain our first estate, you will understand that the Creator's choice was really simple cause and effect. He would still have wanted to wait for our repentance, but in His wisdom, He saw that the depth of our pride was so great that it precluded any reconciliation. So He withdrew the privilege.

You can call this a punishment, and you can call it a logical choice. But the Creator does not punish. He only behaves toward His children in a way they deserve. So the conclusion is that we deserved this unhappy doom.

But all this is past, and what was lost has now been found, and oh, how grateful we both are to have found our way back to the Creator's Grace and Love!

## Cain relates his experiences.

I am here, Cain.

I want to comment on the things said in the Bible about me. But before I do, let me say that you are working for the Lord now and doing an excellent job, so no matter what may go wrong at work, He will certainly provide for all your needs. Let that fact, and fact it is, penetrate your consciousness, and you will be very happy even now.

Well, let me begin. The first thing I wish to say is that we early humans did not have a close connection to our Creator after the Fall, so the alleged conversation between me and God in the Bible did not take place.

I did in fact slay my brother Abel, not because of any jealousy, but because he had done something I didn't like. It was an innocent gesture on his part. I was dissatisfied with my life, and for some reason that morning, a certain rage possessed me, and in a moment of anger, I killed him by hitting him on the head with a heavy stick.

It was indeed the very first murder, and it was such a momentous shock to the others that somehow the memory of that awful event seeped into the collective consciousness and was retained.

My parents were indeed Aman and Amon, or as the Bible calls them, Adam and Eve. Besides Abel, I had two other brothers, and two sisters. The next generation obviously occurred by us siblings knowing each other.

I inhabit the Celestial Heavens, but not before I suffered greatly, for I did not grasp as a mortal the enormity of what I had done. It was only when I entered the spirit world that the full horror of it struck me. And, of course, I suffered.

When Jesus taught the New Birth, I, like so many other spirits, decided to believe, and so I prayed for the Love and received It. I had gotten out of some of my pain by that time, but was still not happy, and, desiring to be happy, I welcomed this new method.

As a new day begins, you should realize that you really have no cause for unhappiness even now, for God will literally provide for every one of your needs.

## Abel relates his experiences.

I am here, Abel.

Yes, it is I, the firstborn child of my parents, Aman and Amon, or, as they are called in the Bible, Adam and Eve.

I was not the good, obedient son as portrayed in the Bible. I had my share of negativity, for my parents, not having any experience raising a child, and preoccupied with the consequences of the Fall, were not really attentive to my needs as a child. So I did not grow up virtuous, as some have supposed.

I was intimidated by my brother Cain because he was stronger than I was, and more aggressive. Several times he had threatened me, so I tried to stay away from him. But the inevitable happened when he lost control and killed me. My death was instantaneous.

I was fairly young at the time of my death. I must have been in my late 20s. My life had been difficult and confusing, since no parental guidance was offered.

Well, all that is in the past. I have experienced the New Birth, but not before a period of great darkness, which extended over a very long time. For not having started down the road toward virtue on Earth, it was hard for me to begin. But I did, and eventually great happiness was mine.

Yes, your perception is correct – the fact that your mediumship has entered a much higher level and a greater productivity, is a sure sign that your material needs will be met. You are serving God with your whole heart and your whole being, so He will most certainly uphold His part of the bargain by providing you with a job that will gladden your heart, and you will be successful on this new job.

Don't take to heart yesterday's error. The consequences will not be great.

I am here, Jael.

I am one of the sisters of Cain and Abel, and the daughter of Aman and Amon. The fact that my name has been remembered is simply the sign of the workings of ancestral memory. [Jael is a character in the Bible, and in the American popular myth / legend of Superman, Superman's father is Jor-El, a near equivalent. Also, Yael is a modern Hebrew name of Israel.]

I lived a very long life, much longer than what mortals even now are accustomed to. My life was difficult, for after my brother Abel was murdered, we all lived in fear of Cain, who was very strong, and possessed sometimes a volcanic anger.

But he passed away when he was not very old, and that was a relief for all of us.

You are wondering how we, the first family, responded to death. Well, when we perceived that Abel would not move or respond, and that nevermore would he have life, we realized that we too would die.

It was not such a foreign experience as you would suppose, though it was new to us. No, the physical part of human beings, like animals, is created from Nature, and since death is part of the natural cycle, it is only natural that we of the first family would have some sort of beginning intuitive connection to the reality of death.

You are wondering if your being Jewish predisposed you to channel my name as Jael incorrectly. Well, you were unaware when you were receiving this message that Yael is a contemporary Israeli name. You may have remembered the Biblical character, but yes, my name was truly Jael. You got a strong thought impression, and it was I prompting you. In fact, the Bible, despite its distortions, has often carried on these ancestral memories, and thus you find my name as a character there.

Well, I knew two of my four brothers and gave birth to seven children. After awhile, I developed some beginning maternal feeling for my children. I did not get this from my own mother, Amon – I picked it up on my own. Besides, the Creator gave me a maternal instinct, despite the rather primitive conditions that prevailed.

I lived to see many great-grandchildren, but our family structure was diffuse and not very cohesive. In fact, it was closer to what is generally considered primitive, for there were no guidelines and no established procedures and expectations. We just naturally evolved as a growing family.

I witnessed the death of my parents when they were very old. I discovered later that because they were the first humans, their bodies were exceedingly strong, and so they lived beyond what is considered very old in your time.

I don't know how to count the years, but they died at an age that would have been physically impossible for any other mortal, even those mortals who have lived to 125 or 130. No, they far surpassed this age,

and in fact, they had not really deteriorated in their ancient years, but eventually, they simply died a natural death of fatigue.

They never talked about their first time of glory, but I could sense that there was a great trouble about it.

Well, let me close for now. I am unknown to history, but humanity (or at least many who are not fixated on the Bible) is moving away from a literal interpretation of the Bible, and in this process, the ancient world will have to be seen in a new way.

In reference to my previous message, you have the thought, hasn't humanity retained a dim, unconscious memory of life before the Fall? And if so, why wouldn't Amon's and my children have had it as well?

Well, what I meant in that previous message is the specific memories of everyday life in complete oneness with God. Since our children never experienced this, they could have no memory of it.

But in a general way, yes, it is true that the idea and hope of Paradise have retained their hold on humanity ever since.

## The language of the First Family.

I am here, Aman.

You are wondering about the nature of the language I and my family used. Well, obviously, it had no relation to any language known, either ancient or modern. Incidentally, let me say that many languages have been lost to history, not just ours.

We had vowels and consonants, and also other types of sounds that made intelligible words. We had no concept of grammar. Our needs were relatively few, so there were words identifying things in our environment such as food items and geographical locations.

We had many words for weather conditions, but almost no words for abstract thought. Though I realize in hindsight that we were capable of the finer aspects of the intellect, we nevertheless didn't avail ourselves of them after the Fall, and that is because we were preoccupied with earthplane realities and didn't consider these sorts of things as important.

You have in your mind the thought that our lives were very primitive, and to a certain extent, this is true. As you have learned, the devolution of humanity happened relatively quickly. The stage for this was set by the type of life I and my family led. We really had no higher awareness, since my and my partner's fall brought our animal nature to dominance. And our children simply followed this trend, as children generally do.

So, our language reflected the sort of life we led, and the simple needs that were required.

**Note:** Following the writings of James Moncrief, one could consider that any reference to the Father, by other relevant writers, may be read as a reference to 'our Mother and Father'. ## The Progression of the Fall.

I am here, Aman.

You read in the Padgett message, "As we became progressively more disconnected from our souls and their spiritual powers ...."

You channelled me as saying that something in us "shut down" immediately. You are wondering where the truth is. Did we fall instantly, or was it gradual?

Well, when pride blinded us to God, we felt something we hadn't felt before – a disconnection from God. As time wore on, this disconnection only widened as our pride hardened. The exalted spiritual connection was broken by our rebelliousness as soon as we conceived the idea of achieving greatness without God's help. From there, it was an easy descent to our animal nature. This was progressive.

The pride severed the reality of our closeness to God, for we could no longer feel this with our arrogance in place. By "progressive," I meant the unfolding of our new unfortunate life. Our pride set in motion this new reality, for we could not recapture our lost estate.

So don't be perturbed by that word. It simply means that though the transition to our new state was progressive, it was our pride that immediately set this in motion. It wasn't an instantaneous change, but what was immediate was this new feeling of disconnection caused by our pride. That's what I meant by something in us shutting down.

**By living true to ourselves, true to our feelings, we are living true to God. It's that simple.**

**To liberate one's real self, one's will, being one's soul, is begun by embracing Feeling Healing, so as to clear emotional injuries and errors. With the Divine Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.**

You are wondering, if I witnessed the death of my parents at an abnormally advanced age, doesn't that also mean that I myself did the same? Well, I did live a very, very long time as well, but my last years were clouded with illness and incapacity.

Though I inherited longevity from my parents, I did not have exactly the same type of physical stamina that they had. Indeed, none of their children did. But yes, my life was also unusually lengthy.

My parents had me after their physical youth. My mother was able to conceive and bear children at a much older age than is common now. Her hormonal structure was different.

For many years, no children were forthcoming. So the whole drama of the Fall occurred long before any of their children were born.

## The First Parents communication with God.

March 15th, 2007

I am here, Aman.

I come this morning in response to a request from M\_\_\_\_\_ for information. He wanted to know how my partner and I communicated with God.

Well, as we learned in the spirit world, before the Fall, we were in what became the sixth sphere soul development. That is, we had no sin and error. All our needs were met, and we were in close communication with God.

It is a good question. Since we did not possess the Divine Love, how could we have been close to God? Well, we were. It was an unusual dispensation, one which has never been duplicated. Sixth sphere spirits since then do not have that close connection as we had. It was a knowing rather than a thought, just as we knew how to communicate with language instantly, even though we had not used language before God gave us a soul.

No, our circumstances were most unusual because we were the first humans. Of course, this closeness to God was not what we now possess in the New Birth, which is infinitely better. And yet there was a closeness to God, though inferior to our present state.

It was unlike anything any sixth-spherian has ever experienced. These sixth sphere souls possess intuitive gifts, though these gifts are not as great as those that come with the Divine Love. And so, Amon and I both knew that we had a Creator who Loved us. You are wondering how this was possible, since we had no soul development in Divine Love. But our souls were indeed pure.

And we knew intuitively about praying for the Divine Love. This knowledge was implanted in us with the coming of our souls. I say we knew that there was a path we could take to make us one with God. But in our conceit, we felt we could adopt a better way. We arrived at this conclusion independently, but we did encourage each other in this way. The Divine pathway was a potential we comprehended fully.

To grasp the situation, it is necessary to understand the specialness of our situation. We were given certain privileges, and one of these was an innate knowledge of God and His plan to have us pray for the Divine Love. But after the Fall, this arrangement in our soul deteriorated. This was because of the extent of the pride which possessed us. So whatever closeness there was, was lost.

So, to summarize, we were a special case and, whereas we did not possess the New Birth, we did, however, have a closeness to God and a knowledge of His laws. And the blessing for us was that when we finally experienced the New Birth, our soul state exceeded our initial state.

I am here, Aman.

I described, in my channelling of [January 26, 2007](#), the language Amon and I used as fairly primitive. You are wondering if our language was richer before the Fall.

It is a very good question. We were blessed with a rather extensive intellectual potential. We originally had the capacity for advanced thought. But we did not have time to develop or explore it, for the Fall happened fairly quickly in our lives, even though we did have time to enjoy our exalted condition.

After the Fall, we truly became more primitive, since our animal nature came to the fore. So our language simply reflected this.

In that blessed state before the Fall, we were preoccupied only with happiness, so it did not occur to us to ponder at length abstractly. No, our minds were integrated with the rest of our personality, and even then, intellectual pursuits did not really attract us. We were happy, and our thoughts reflected our joy. And after the Fall, our thoughts reflected our sorrow, along with a general lower mentality.

You are wondering how we had no concept of grammar. Well, even before the Fall, grammar was not something we were aware of, though obviously, there were parts of speech. What I meant in that earlier channelling is that it was just not something we thought about. Speech was like breathing, so we didn't reflect on language itself.

You are thinking that, as the first parents of God's highest creation, we must have had great intellectual endowments. Well, as I recall, the potential for intellectual development was certainly there. But that potential stopped with the Fall, so that after this tragedy, our minds became more primitive because the animal nature had asserted itself.

I am here, Aman.

Before the Fall, Amon and I had a perfectly adjusted relationship between our animal and our spiritual nature. Both were in balance. We were healthy, but we gave to our spiritual nature the ascendancy. This did not preclude physical pleasure, but we were able to understand the proper place of this pleasure in our lives. We understood the dual nature of our being, and recognized that both came from God.

In the Padgett messages, references to "subduing" our animal nature simply meant that this lower nature could not cause us to sin or manifest disproportion in our behaviour. It did not mean that we unreasonably denied or punished ourselves. This interpretation arose later in the church because there was a false understanding of the animal nature, which is not bad but good.

After the Fall, our spiritual nature withered and died, so all we could perceive and manifest was the physical.

As humanity evolves into greater awareness, it will be easier to bring these two natures into their proper balance.

It has been counterproductive to disparage the animal nature, for it comes from God. But it has been even more harmful to deny humanity's spiritual nature. With the growth of science, the latter has seemed easier. But in your contemporary world, there is an intense worldwide spiritual hunger which science cannot either comprehend or address.

So, to conclude, before the Fall, Amon and I understood our dual nature, and we naturally were able to assert our spiritual nature in a way which did not deny our lower nature.

People are more and more reclaiming their birthright, which is a proper and therefore happy and healthy rapport between these two God-given natures.

January 10, 2008

I am here, Aman.

You have just read in Dr. Samuels' synopsis of the Padgett messages the following statement: "But the first parents, instead of turning to God and His Love, sought mastery of their material surroundings alone, and, instead of developing their souls so that they would partake of the Nature of God through Divine Love, they chose the development of their intellectual faculties. For it is through his intellectual attainments that man acquires the material possessions and wealth by which he so much sets his store ...."

In my channelling of [January 26, 2007](#), The Language of the First Family, I said: "Though I realize in hindsight that we were capable of the finer aspects of the intellect, we nevertheless didn't avail ourselves of them after the Fall, and that is because we were preoccupied with earthplane realities and didn't consider these sorts of things as important." You seek clarification.

In that channelling, you were thinking about the higher functions of thought, such as philosophy and metaphysics. In the quote from Dr. Samuels, "intellectual faculties" refers simply to the mind and its reasoning faculties. So, the point is that after Amon and I fell, our only recourse to survival was through our minds. We worked toward providing for our material needs solely with our bodies and minds, without that greater faith in God that previously sustained us.

However, in retrospect, we both realize that despite this disconnection, the Creator had continued to watch over us.

Never in our Earth lives, either before or after the Fall, did we indulge in the sort of higher abstract thinking that is so much prized in your culture. That is, we were not aware of philosophy or aesthetics in an intellectual way before the Fall, because our spiritual nature had ascendancy over our minds. We thus appreciated life and beauty in an organic way; we loved life and were grateful for God's blessings. After the Fall, this higher awareness left us, and we had to fend for ourselves with our minds alone.

Let me answer the question you just had. You are wondering, even though the privilege of receiving the Divine Love had left us, couldn't we have chosen a better way, since we still had free will?

The answer is, of course, yes. But God saw that our pride had hardened to the point that we would not, and therefore could not, return to Him. Such was the stubbornness of our pride.

# Seven Spirit Earth Planes

We start our eternal existence by incarnating, even if it's just for a moment, onto a physical world like Earth. Then, when we die, we move into one of the seven Mansion Worlds, which can be likened to probationary worlds; worlds in spirit through which we correct all that's wrong within us. This includes if we've hurt other people or creatures very badly, we need to compensate for such suffering we've caused in others by suffering ourselves in one of the two lower Earth planes commonly called The Hells.

Other than the two lower Earth planes, we mortal spirits can't live in the other five Earth planes, they being reserved for the angels, nature spirits and other higher spirits.

The geography of the seven Earth planes is based on, or the same as, Earth, whereas the geography of the seven Mansion Worlds is unique to each world. So on Earth it's conceivable that your physical home could also be used by nature spirits, angels and higher spirits for their needs in the higher Earth planes, as well as being used by spirits confined to the two lower Earth plane – Hells. So these seven other dimensions, all focused on your home – a lot could be going on! However more than likely the reality is, the lower two Earth plane hells have spirits congregating in the darker seedier places of the physical world, or in the prisons and more isolated places if they are to spend time in isolation. Whilst the nature spirits, angels and higher spirits would reside in their higher Earth planes mostly away from dense populations of humanity, so more in the remote unpopulated areas of the world. The planes, although each being separate from each other and the physical Earth, and not interfering or influencing each other, still have some bleed-through of energy, thus affecting them in certain ways. As you can imagine, I don't think the angels would set up one of their main meeting and administration centres over one of Earth's most densely populated, corrupt and polluted cities, not unless the higher angelic light was in some way, to affect those people on Earth.

And by and large, we on Earth have very little consciously to do with any of the spirits or angels in the Earth planes. Some people feel emotionally, mentally, psychically and even at times physically disturbed or influenced by spirits in the two Earth plane, Hells, although really there is little direct interference from them. Such things as scary ghosts and knocking noises and all the dark scary poltergeist stuff comes from these wayward, lost, 'dark' and evil spirits still trying to have nefarious control over people on Earth, all of which is relatively harmless other than in exceptional cases. And mostly, we on Earth are totally unaware of our attending nature spirits and angels, and even more so of any higher spirits that might be visiting us or Earth.

For spirits and angels to get as close to us physically as they can, is done so by them being in the relevant Earth plane. During a Divine Love meditation or prayer for example, it's conceivable you might have in attendance in the various Earth planes and unbeknownst to you – dark spirits of the two Earth planes that want to try and redeem themselves so are brought to attend your prayer or meditation; you might have nature spirits there as well; you will have your attending angelic pair together with other angels; and you might have other higher spirits who are required to help you in your thoughts or feelings to progress in your spiritual development; and then you might also have other Mansion World or Celestial spirits attending you in the relevant Earth plane, including even from the Hell planes should the spirits want to get as close to you as they physically can. A lot of Mansion World spirits descend into the lower two Earth planes, the Hell planes, so as to be close to their loved ones on Earth. They are able to do so without being affected negatively by the ever-present Hell plane spirits by adjusting their spiritual light in order to keep them at bay.

It should be noted that to qualify for life in the Hell planes comes about because of the state of ‘hell’ that already exists within the person who acts out such hell on others. We only cause harm to others because the harm was caused to us through our childhood. And instead of dealing with and honouring our own pain and taking full responsibility for it, we block it within ourselves thereby taking it out on others by making them suffer the same degree of pain we’re suffering. Those people who harm another person or creature will at some point suffer the degree of pain they have caused in the other person when the Law of Compensation acts upon them during their time in the Hells. They have to ‘balance the books’ so as to help them understand that it was wrong to do what they did to the other person or creature, for them to understand by directly feeling the pain they have caused. And once they have felt it all, ‘paid for their spiritual crime’ against the will of another, then they are allowed to resume regular spirit life in the Mansion Worlds rather than being kept separate in the Earth Hell planes. And somehow during the time of ‘paying the price’, they are healed of their need to hurt and harm others so they can move into the regular spirit Mansion World population no longer looking to, or with the need to, hurt and cause suffering in other spirits.

And it is highly possible that at some point, and even possibly quite soon, the same Laws of Compensation that apply to those spirits having to live and ‘do their time of suffering paying for their crime against another’ will be applied to and on Earth. So many bad people will suddenly be forced into the ‘hell of their own making, the hell that resides in them’. So doing some or all of their ‘Hell Time’ whilst on Earth, then completing it when they get to spirit by having to enter one of the two Hell Earth planes, or no longer needing to spend any time in them if they’ve ‘served their time for their evil crime’ when on Earth. Should the ‘earthing’ of the Law of Compensation come about, thereby bringing the Earth into direct alignment with the First Mansion World, then as you can imagine, things will drastically change here on Earth, with anyone merely having the intent, let alone actually carrying out the sinful act, having to immediately suffer compensation for their unloving action and motivation. With the compensation being lived by feeling such intense guilt and all the other bad feelings for the bad things you have done, coupled with pain so bad and so ongoing that you enter into a state of perpetual begging for forgiveness and to be released from your suffering, that very same suffering you caused another person or creature to suffer.

# Seven Spirit Earth Planes

Each of the seven Earth spirit planes co-exist in the same space as we do in the physical. We of the physical world are of the coarsest and densest material. Starting with the 1<sup>st</sup> plane, the material within each plane becomes finer, more refined and of greater luminosity. Those within the lower planes cannot see or discern the presence of those in higher planes. Those of the higher planes can move about those in lower planes without them being aware of being present unless they wish to reveal themselves.

Each plane is predominantly for one group of spirit or angel personalities, however there are sectors within planes where visitors from higher planes can move about freely. No harm or disturbance can be caused by any spirit personality upon another, not even those within the physical Earth existence.

1<sup>st</sup> Earth Plane – the deepest and darkest ‘Sphere of Isolation’ and closest to Earth. A plane allowing spirits to live in their state of hell because of their grievous inclination to cause harm to others.

I am here, Amon.

I am the first mother of all humankind, and one would suppose that I would have had the maternal instinct developed in me to a very high degree. And yet in past channellings, it has been said that I was not attentive to my children when raising them. I shall provide clarification.

Had I followed a course that was inspired by God, I would have been the very best mother imaginable. I did have that potential, and when I got to the spirit world, I found eventually, as my soul developed, that my heart went out to the spirits who crossed over when they were just infants. In your own experience of life, you have noticed that some women, though mothers, do not fulfil their maternal duties as they should. That is because they have free will.

When Aman and I fell, our previous life of bliss was destroyed, and in its place was just the animal nature. The shock of the fall was so great that we never really recovered, even though we lived an exceedingly long time. And even though I did have the maternal instinct in me to a pre-eminent degree, I regret to say that I didn't really exercise it on Earth as I should have. Pride was very strong, and I couldn't get past its iron bands of inflexibility and darkness.

When you meet me over here, you will not believe that this was my earthly experience, for now, my maternal nature has blossomed completely.

I see you are happy with this explanation. I was happy to offer it to you.

## Negativity in Early Humanity.

I am here, Aman.

Yes, it is I, the first male parent, and I want to clarify this point. You have just reread, in [New Testament Revelations #6](#), The Creation of Man, the Master saying, "The descent of man from his position as the elect of God, to partake of His Nature and Essence, was rapid. And in the course of only a few hundred years, man was not too different in behaviour from the beasts of the field; and, in some respects, he was worse."

This is all true. But it is not inconsistent with your earlier channellings of my family's experiences. Amon and I had no experience with raising children, and we were preoccupied with the shock and grief of our fall, which remained like an unpleasant noise, and also a heartbreak, for the rest of our lives. So we could not attend properly to our children. Our parenting feelings and skills thus remained dormant.

What concerned you is the phrase "a few hundred years." Your impression was that this dysfunction was immediate, what with our preoccupied state, as well as Cain's murder of his brother Abel. So how could it have taken so long for us to degenerate?

Well, the truth is that this degeneration was gradual but cumulative over several generations. But if our behaviour was dysfunctional, it actually got worse, indeed much worse. Negative behaviour attracts and encourages further negative behaviour. So as bad as it was, future generations increased this negativity.

Let me comment on the present moment. You see this same negativity today, only it is done now by stealth through money. Well yes, the human soul continues in ignorance of the truth of love. But there are a great many awakened souls on Earth who understand this truth, and they will be given the chance to bring good change.

<p><b>“Mother and Father, open my soul to this Gift, Your Love. Open my soul and may Your Holy Spirit touch my soul and pour within it your essence, your Love that I may be transformed, that I might be your true child, embraced and carried, lit along my life’s path in the glory of your Light and care and protection.”</b></p> <p style="text-align: right;"><b>Jesus 11 May 2016</b></p>

## **Revelation 6: Creation of man.**

<http://new-birth.net/samuels-messages/53-revelations/revelation-6-creation-of-man-ntr60/>

(This message is referred to as Revelation 23 on page 60 in New Testament Revelations of Jesus of Nazareth)

Received by Dr Samuels, Washington D.C.

August 16th & September 8th, 1955

I am here, Jesus:

I am here to write you on the subject: Who were the angels presumed to have existed before the creation of man?

As you know, man was created by God from the elements of the universe, and into man was implanted the soul, or the real or Spiritual man, which distinguished him from the other creatures of God. And with this soul, God gave man the possibility of obtaining God's own nature, through the longings of man's soul for At-onement with Him. Pride and the desire to master the physical surroundings, which he thought would insure him immortality, led to the withdrawal of the Divine Love and man's potentiality for becoming at one with God was lost until I appeared in Palestine and preached immortality to the Jews.

The descent of man from his position as the elect of God, to partake of His nature and essence, was rapid, and in the course of only a few hundred years, man was not too different in behaviour from the beasts of the field, and in some respects, he was worse. For man, on receiving his human soul from God, had received with it the understanding that he was a child of God, though unredeemed, and as a consequence of being a child of God, he had had implanted into him a consciousness of the laws of conduct which God had decreed, and thus man knew that he sinned when he broke God's commandments, and even in his worst state and lowest descent, man always had a small voice within him, which was never quite completely drowned out by the excesses and violences which became habitual to his sinful existence.

The death of the physical body, and the path toward purification which the soul, on entering the spirit life, has to take, eventually brought to many souls, in the spirit world, freedom from the excrescences and defilements they had accumulated in the Earth life, and these purified souls turned their attention to helping mortals refrain from violations of the law, and at the same time imbued them with a renewed consciousness of God as their creator. These purified souls were angels of the Lord, because they were souls purified of sin, and because they did the bidding of God in seeking to assist man to overcome the weakness of his flesh, and turn him to the Father.

When I uncovered immortality in man's soul, whether on Earth or in the spirit world, men could, if they so chose and willed it, become capable of receiving the Divine Love, through the operation of the Holy Spirit, and become Divine Angels of the Lord, not merely purified from sin, but filled with the essence of the Father, to the extent that they become the possessors of immortality, and acquire consciousness of that reality.

The Divine Angels of God have been seeking to turn man and spirit to God, not only as son, in the created sense, or servant, but to have man seek His Love, partake of His nature and immortality, and become His son in the real and Divine meaning of the term.

After the creation of man, therefore, there were angels in the sense that I have explained, but the great angel or messenger – for **angel means Messenger of God** – was and is the Spirit of God, who is obedience to the physical laws of God, has been doing the will of the Father, working, not only on the vast infinity of His universe and bringing about those constant regroupings and changes in His heavens, but working also on man's intellect, and moral fibre, ever since man was created by the Father.

The Spirit of God is God's great angel or messenger which has been manifest throughout all eternity. It was this spirit of the Lord which has been described in Genesis, hovering over the face of the Earth, working on, and developing it in preparation of the day when life and living beings could exist and survive on it. It was this Spirit of the Lord which carried out the decrees of God, and set in motion those cosmic forces and elements that resulted in the new combination known to you as the solar system, and which at the Lord's bidding, will bring about the destruction of the same, and cause the emergence of a new order and a new dispensation. Before the creation of man, God's only active angel was His Spirit, His active energy whose operations proclaimed His Majesty, from everlasting to everlasting.

Adam and Eve (Aman and Amon), or whom they represent, were created through the operations of the Spirit of God, God's active energy, which brought about the groupings of those elements employed in fashioning man, as He fashioned the other living creatures on Earth, but, man was not man, until the purely spiritual – and by that, I do not mean the spirit body, which is of sublimated material, but the soul, in the likeness of God – was bestowed upon man. The first parents do not know when they become souls, that is, when God actually implanted souls into them, for there is no way of telling when they were human in appearance without their souls, for without their souls, there was no memory of that degree that such a fact or state could be recollected by them, nor do they know how this implanting of the soul took place, even though it was done unto their bodies; and I shall say, now, neither do I know how it is done, for I have never seen a soul, although I can perceive its presence through my soul senses of perception; But when it was accomplished, the first parents were aware that they were human beings, and that they were the creations of the Father.

Received September 8th, 1955

Man, as he is considered ordinarily, is a creation which passed through what you would call a long period of development, as have all of God's creatures during that period of the Earth's development, which enabled living beings to come into existence and survive.

Man's nature is therefore both animal, or, material, in accordance with the conditions of his physical being, and spiritual, at the same time, in accordance with the soul qualities and attributes given to him at the time God bestowed a soul upon him. In short, man's nature is dual, and thus we have man with animal passions and feelings and interrelated with these are those emotions and feelings which belong to his spiritual nature as a result of having received a soul. The Bible's reference to the creation of man, refers to the creation of man in the image of God, or to the time, when God, the Great Soul, conferred upon man a soul, and made him the greatest of His creations.

In other words, man possesses a double set of emotions, and the activity or dominance of the animal feelings in man sets in motion those thoughts and actions related to his material or animal existence, and this is not out of harmony with the laws of God, but it is only when these thoughts and resultant actions are in violation to the law of God that they are sinful and cause unhappiness. The influence of these sinful emotions and thoughts and actions upon the soul is such that the spiritual emotions and aspirations of man becomes dormant, and as though not existing, and the soul itself is incrustated with evil. Man knows when his physical passions and resulting actions violates God's laws, and he must therefore

exercise his will to prevent such violations and allow his feelings to be exercised for the purpose for which they were given him and also to permit the development of his spiritual nature and with it the knowledge of his soul and the relationship which it has with God, its creator.

Through prayer, thoughts and soul longings, the spiritual nature in man can be developed so as to dominate the personality, and he will act in accord with the feelings and emotions of his soul; if, however, his animal emotions are allowed to dominate the spiritual emotions of man and transgress the laws of God concerning them, then the soul becomes incrustated with these baneful excrescences, or, shall I say, the soul is contaminated by them, and when the mortal dies and the spirit enters the spirit world, the soul must undergo a period of suffering in which the contaminating elements acquired in the Earth life are eliminated from the soul and the soul assumes its pristine purity.

This purification of the soul obeys the dictates of God's law of compensation, for no such soul is permitted a place in God's spiritual heavens. The Paradise of the Hebrews cannot be reached without such purification, yet the time consumed, as you would say, in this process of purification depends upon the soul itself; upon the awaking which it has of its condition, and those circumstances in the spirit world, mainly his own will, as well as the help of others, which will enable him to make the necessary progress, all souls in the spirit world will be eventually purified.

This was the condition of man before the bestowal of the gift of the Divine Love, which I brought to light during the time of my public ministry in Palestine. For no man, before I came with this gift, could achieve At-onement with the Heavenly Father with transformation of his soul into a Divine Soul, through the pouring out of the Divine Love into his soul through earnest prayer to the Father for this Love, the Father's Essence, and brought into man's soul through the ministration of His Holy Spirit.

This then briefly, is the evolution of man from the natural being to the purified soul and, if he so desires it, to the state of the divine angel. The soul is the seat of the spiritual emotions, comes from God, and has the potentiality of becoming At-one with God, if it so desires, while the gift of the Divine Love, obtained through earnest prayer to the Father, is still available. The material feelings, also the creation of God, have nothing of the soul substance and have no permanent existence in the spirit world, but they do exist in the spirit world for a certain period, for man passes over from the mortal life, with all his earthly desires and feelings; these, and their perversions, which harm the soul, however, eventually become evanescent in the course of the spirit life.

**INDWELLING SPIRIT, THOUGHT ADJUSTER,  
MYSTERY MONITOR (all being the same):**

The external elements, instruments of the Father, do not form attributes of our own soul upon its initial creation by our Heavenly Parents, these are the Spirit of Truth, the Indwelling Spirit, and Divine Love.

The Holy Spirit, conveys Divine Love to your soul should you earnestly and lovingly ask for it. This is the only function of the Holy Spirit – Acting Spirit.

The Indwelling Spirit becomes present when we are around the age of six. This means that the unseen helper of the Father and Mother – the Indwelling Spirit – can always interact with the mortal soul and to be of service so that eventually the leadings from the Spirit may be the catalyst for that soul to seek our Parents.

The Indwelling Spirit reveals intrinsic workings of Father and Mother to your soul.

The Indwelling Spirit functions in much the same way as the Holy Spirit, ask and it will provide support and guidance.

The Indwelling Spirit / Thought Adjuster only works with us on the mind, feeling and psychic levels directly with our personality on conscious and unconscious levels of reality. It is the Divine Minister with hands-on help from our attending angels that do the actual adjusting of our mind circuits – of all our circuits, even the physical if need be.

Spirit of Truth becomes active more so when you connect to the Source Soul and commence receiving Divine Love.

You are a spirit person having a physical experience. Your physical body is encased within your spirit body.

The spirit body only exists because our soul wants it to. In the fullness of love, even all our encrustments and wrongness is not actually bad, they are just the nether side of love.

So evil is literally a state of mind, and once you heal it you even feel love for your wrongness and even no longer hate it – that being full self-acceptance. But you can't contrive these feelings or level of awareness, it has to come of itself and will through the higher levels of your Healing.

## **Divine Love remains within a soul.**

Melbourne Australia Received by Nicholas Arnold.

February 16th, 2008

Let us continue this good work.

The First Parents received Divine Love before the creation of their error which was the cause of their souls to no longer receive Divine Love. This has been noted before as the Withdrawal of Divine Love by the Father from the First Parents and their created error. The Divine Love that their souls had received was not withdrawn from their soul; the Father being all loving, wise and merciful has not created a Law that can retract the Divine Love from a mortal soul once that soul has received the Love by the working of the Law that enabled the Divine Love to be received by the First Parents in the first place. The First Parents, upon the conclusion of their Earth life, went to the First Natural Sphere and progressed to the 6th Natural Sphere where they resided until Jesus was born and the Divine Love was rebestowed and the Divine Love Spheres and Celestial Heavens were re-opened. This may seem a long time in Earth years, however as it has been explained, time in spirit is always present and so for these two spirits their life in the Natural Spheres was considerably happy. Even though they committed an error which was in contradistinction to the Father's Plan, their compensation which required forgiveness, was found relatively soon for they had recognised the error of their way, whilst they were still on Earth.

The First Parents did not spend a long duration in the Spheres of darkness for their error had been forgiven and their own compensation had been accounted for in their own souls with the Father. The First Parents and their life was such a unique experience and their life did not fit into the normal mortal experience of life that all other mortal soul's experience. Primarily, the First Parents understood that it was their inability to receive Divine Love that was their greatest loss and sadness and even though the Plan that the Father had created them for could not be fulfilled because of their created error, the loss of receiving Divine Love to the First Parents, was their hardest suffering; the reason being that they could no longer feel the assistance and living presence of the Soul, their Father who gave them first life.

Now, the First Parents are in the Celestial Heavens in Divine Love and their circumstance is entirely different. The life of Jesus and the Rebestowal of Divine Love for all mortal souls has placed their origins in context and that season that was their beginning is over. The world and all spirit Spheres have engaged in another season of Divine Love which Jesus commenced and which the First Parents are happily living in and their past has long been forgiven.

With much love,  
Your Celestial friend,  
Nathanael

## The Divine Universe by Zara Borthwick and Nicholas Arnold 2012 / 2013

### 282. These days of Light and Life

26 January 2013

This is my first experience of writing in this way. I am delighted to communicate with you. My name is Ar, the first offspring of my parents, the First Parents. Obviously, we didn't speak English, having our own language or dialect taught to us by our parents. I have learnt several dialects now, English being one of them. As you can see, I am quite tall almost like a super-being and I am filled with the Love of Our Universal Father, who I love very much and who gave life to my parents. The Universal Father is my and all of our, true soul parent. I know a lot more than you can conceptualise or receive and so I will keep my introduction as necessary. I have given my name as Ar and I am happy with this. I am male, as you have perceived; I have brothers and sisters, many in fact, as my parents lived way beyond the years of age that you are familiar with today. They received the Divine Love a long time before their *fall*. I converse with my brothers and sisters and my parents for we all live in the Eternal Spheres. A few of them have progressed to the Spheres of Paradise (beyond the Infinite and Universal Spheres). I very rarely visit the human natural Spheres, for you can well imagine how those who reside there do not know about such origins, so how would they respond to me if I were to introduce myself as the First Offspring of the First Parents of mortal humankind?

My mortal life on Earth was charming, as my parents loved me. I grew to be strong and perfect in my human life. I was the perfect natural man and the perfect Immortal man. I was super-human and was well aware of the spirit world that I would proceed to at the conclusion of my human life and translation into the spirit world. I shone with light and life in Divine Love, the Love that I continuously received. For us back then, having the Divine Love present was as normal a part of our lives as the air we breathed.

I went through the whole experience with my parents, as I was old enough and aware enough to know what was going on. I actually was not like my parents and never assumed the same equality with God as they did. In the old language I was never part of, nor participated in, the Original Sin. I never sinned or committed error in my life. I watched as my parents assumed a god-like standing as they walked the Earth where we lived. There was never any external planetary influence in their misjudgement. They simply made a transgression that was in violation to the condition in which they were entrusted to live their lives and by their actions excluded themselves from being able to partake of the Divine Love that was essential to the energetic output of their souls for the purposes of their formed human lives.

I never lost sight of the fact, that whilst my parents were my parents, my true soul parent was the Universal Father. My parents taught me this and so it was outstanding to think that they then denied this within themselves. There was never a great drama that presented itself, just evidence that the Love they needed for their lives was no longer present. Nor was it any longer present for me or my brothers and sisters. Most of my brothers and sisters were the same as I. A few of them out of their love for our parents, took the same position as our parents but this was only because they loved them so much. The love of another can do this.

I loved my parents and worshipped the ground they walked on because I knew their role and responsibility, but I never allowed my love of them to take the place of the One who was providing me with the Love I needed to remain super-human. When I could no longer receive the Divine

Love I accepted my fate because I knew that the Source was acting in accord with the harmony of the Heavens and the Earth.

We all continued to live in the ever-diminishing circumstances of our natural love taking its condition and hold of our lives. I never stopped loving The Father because you can still do this in your natural love. You can love the Source of Eternal Universal life from natural love and even when the Divine Love is unavailable, the Source, still knows that you are loving and true of heart. We all lived a long life and as a unique part of our parent's physiological being and with the assistance of the Divine Love, each created offspring was unique with our own physical genetic information. This meant that we could mate to produce offspring that would commence the first attributes of mortal soul incarnating from the Pre-Incarnation Sphere that commenced the beginning of humankind. This is hard to believe yet it is true and it need be said that whilst the First Parents are deemed as the first humans and the beginning of humankind, whose origin is from the First Source and whose lives were not solely derived from an evolutionary species-my parents were unique in every way true to the word.

As time passed human life flourished and the condition of natural love went through its various stages of human evolution to the moment when our lives passed from human memory. This happened by the assertion of the ego for it did not suit man to know that such a life once lived and hence, our story is left unsaid and untold. Now humanity has no idea of its origin and that is why it is so important that the truth of the human soul be seen and known as to its true origin, and that humankind lives in a day when the Immortal Love is freely available once again. There is a lot more detail to my human life but the truth and only the truth has been necessary to share. I know that you have done much work on the First Parents and they do provide the perfect example of many components all transpiring in one place at one time. Their life demonstrated the natural and the Divine, the mortal and the Immortal, the human and the super-human but ultimately in the great unseen, there is this individual at the centre of everything who sees and knows everything and should never be discounted in the pursuit of love, spirit and happiness.

I sincerely thank you for this time to convey a small amount on my life and to have contributed to this vast vision of work. It is an example of what living with the Divine Love can do and at how by accepting the Source of this Love, so much of the attributes of spirit is open and visible to your perceptions.

Spirit: Aman Medium: Al Fike Location: Gibsons, BC

October 26, 2015

I greet you as your father because I am the first parent, I am Aman and I have not spoken through this instrument before, but I am happy to do so this night. And, I have come to give a message to the dear daughter who sits before me who has a belief in the process of reincarnation. And as being the first parent who has lived for many thousands of years in spirit and have spawned the many generations upon generations that followed our beginnings in this world, I wish to tell you that I have never observed a spirit returning to this Earth in the flesh. And, though I do not know all of my children, for there are many billions of them who have followed in our footsteps, yet I have been witness to many, many spirits and mortals who have lived and been given the blessing of life.

The earth plane is but one plane of existence. Its function, primarily, is to give a soul identity for there is a pre-existence of souls. But, it is necessary for that soul to incarnate into the flesh to bring about a flowering and manifestation of its true self in life, in existence in this universe. And, when this is accomplished and it may be accomplished in a very short life or a very long life, it continues to grow in spirit through the many planes of existence which provide many and varied opportunities of experience and growth, of development so that each soul may express its own uniqueness, its own personality if you will.

And, in the long journey of life which is far and beyond your ability to recognize, to comprehend, you must see that there are many, many experiences, and interactions, and opportunities that are laid before each soul upon their journey. And, when one soul sheds their body of flesh, is this such a great difference in existence? No, it is merely a transition. And, in the lower planes of spirit those spirits who exist there experience something very close to your own fleshy existence. There is very little to discern between the two. And, as they grow in their souls and purify their spirits, their minds and their souls, the quality of life, the laws which determine life in these spheres, come into play and it becomes a more ethereal existence, less bound to the conditions of the world and more in harmony with the conditions of Light, closer to God, closer to harmony.

And, for those who follow this path of Love, of which I am a part of as is my dear and beloved soulmate, Amon, there are even greater opportunities for enlightenment and growth and experience in coming ever closer to the Creator. It is all about Love, this is the key to all, for the universe is infused and built upon Love. It is what you seek, it is the greatest power of all and the Divine Love is the highest and greatest blessing of all.

As your father, I encourage you to seek this Love, to come into the fold of the family of God's angels of Love, to work your way towards this goal, to come to know your true selves which is your soul, to find the joy in this heavenly pursuit, and to know that never more will you dwell in the flesh once you walk upon this Path Divine and pass into that realm of spirit which will allow you to then pass into the realm of the angels, in time, as you progress along your Path.

Know that I speak the truth, that there is no need to be distracted by a desire to come again to this Earth after a life lived. Its purpose is fulfilled in one life. And, there are many more lives to live in spirit as you pass from one plane to another. One set of realities to another and on it goes until you reach the Celestial Kingdom where life is eternal. Never ending joy and discovery and knowing God's great

universe, which is infinite and awesome in its beauty, in its complexity, in its glory. Yes, you embark upon a journey, and you will continue for all eternity.

I am your father, Aman, and I love you, God bless you.

**OUR JOURNEY to the CENTRE: HEAVENLY PARENTS are UNIVERSALLY PRESENT:**

Earth is one of the youngest inhabited planets on the outer edge of the youngest of the seven super-universes. From the spirit worlds, we progress to the spheres of many mansions, being the Celestial Heavens. From there we progress to the Eternal Spheres, then to the Infinite and Universal Spheres and then towards the Isle of Paradise. The Isle of Paradise remains stationery and is the home of the Source Soul, our Heavenly Parents, Mother and Father.

Our progression is always towards the centre, nearer to the centre of our super-universe.

Earth is blanketed by the 1<sup>st</sup> natural love sphere, the spirit world spheres are within the proximity of Earth. From the spirit spheres we progress to the Celestial Heavens.

**316. The Divine in the Universe**[www.lulu.com](http://www.lulu.com)

I am here, Sabrina. It has been mentioned to you both about an existence of a place called the Fatherly Universe. I am in my residence in the spirit world and have lived in the Celestial Heaven a long time. There does exist a Universal space that surrounds the Father's Soul and it is known as the Father's Universe.

One can travel around the boundary of this Universe as there is a boundary that exceeds some distance, a great distance from the actual Soul of the Father. It is in this Universal space, that many attributes of the Father's Spirit originate and are manifested in, which then are released by the Father throughout all realms of time and space. If you were to travel around the full circumference of the Father's Spherical Universe, you would come into contact with other worlds and forms of human species. Though I have not been there myself, I take it on good faith from those who have ventured to parts of this Universe, and it is widely taught that it is the same Divine Love that we receive that forms part of these worlds in their particular regions relative to the boundary of the Father's Universe.

Apparently the Father has not created different Divine Loves to suit the needs of different species. I have been able to ascertain that there are many worlds and species like the human world and its species, and all have souls and spirit bodies for their existence continues with the same continuity as ours in similar spirit words. Some of these worlds and their people live in the awareness that this potential of the Fatherly Divine Love is a real active living energy in their daily life and other worlds are similar to yours where the natural origins are the dominant force and awareness to the conditions of their living.

Here in the Celestial Heaven I have not met anyone from another world other than our human world. I have socialised with spirits who once lived on Earth but who have progressed beyond the Celestial Heaven and reside in the Eternal Spheres where they have met other individuals from other planets. There is an order and a structure in which everyone understands, and of course, we have all the time, as we live with the Father, to discover the greater spirit universe we live in, which I intend to do. The purpose of my writing this is to convey that the vision of Divine Love is not entirely situated and located to just us but rather this Divine energy of Love forms part of the greater universal workings in which all mortal soul life is created in and outside of the Father's Universe.

Much love to you, Sabrina

**183. I introduce the Eternal Spheres**

20 December 2012

Hello, my name is Gustav. We have not written together before. My home, when I lived on Earth many years ago, would be seen as middle Europe. I have been asked to write on the Eternal Spheres where I now reside and I was only too glad to contribute to this work. Luke has sought me out in the Eternal Spheres explaining this work and it is a pleasure to be asked. I very rarely, if at all any more, visit the human world, and so yes, your environment is new to me as I am new to you. Saleeba and Luke detailed the progress of this work, the Father's and the Master's work, you are both involved with at this time. As you can see, I am good at communicating in this way with you even though it is a new experience for me.

I first found the experience of the Divine Love listening to the Master share the information that such Immortality is present and a potential for the soul. I was in the Sixth Natural Sphere and upon seeing how true he was I proceeded to follow on his good advice. I did as he did and we prayed to the First Source and I felt the Love. This was a long time ago now, about the year 1500 AD. My experience in the Love was rapid. This new awareness came to me with ease and I moved through the Divine Love Spheres quickly. I then resided in the Celestial Heaven and I progressed through those Spheres quickly. I continued in my receipt of the Love and progressed through the Spheres where I reached a boundary which signified the end of the Celestial Heaven. It is in this last Sphere that the Master resides, and whilst I have not visited his residence, I am here to confirm that this is where he resides. I am also to confirm that the reason why he has not left the Celestial Heaven to live in the Eternal Spheres, although he freely visits these Spheres, is because of his service to humankind and mortal souls who are living their experience in Divine Love and those who are yet to live in their experience of Divine Love. His service is to make known the great gift of Immortality. If Jesus were to leave the Celestial Heaven and never to return to the mortal natural Spheres this would present an immense loss, for he alone personifies the Immortal nature of the Divine Love, unlike any other, as he is so close with the Eternal Father.

The Eternal Spheres are vast in number but not so vast that they are endless for there is structure at all levels of universal experience and, moving through these Eternal Spheres, one proceeds inwards toward the Eternal Gravity Source of Love and Spirit, being the central Soul to us all, the Eternal One.

My time of living in the mortal spirit world came to an end when my soul condition became such that enabled me to progress beyond the mortal spirit world, which comprises of the Celestial Heaven. At present I have very little to do with humanity as a whole, though I did spend time when progressing through the Celestial Heaven sharing and providing accounts of my Divine Love experience with other individuals in the Natural Spheres. I have done this service to the fullest of my need for this need was born out of a recognition that I am grateful to the Father for the Love and, as an act of love and to show the Father my gratitude, I gave back so that others may become aware of the potential of Immortality as I have done.

I am currently experiencing life as a universal citizen. In the Eternal Spheres we do actually meet with other *angelic personalities* who, of themselves, will never incarnate in a human life to acquire a soul, spirit body and mortal personality. They are complete with personality upon the commencement of their creation from the First Source and in a relative way, this act of personality creation symbolises how the First Parents were made manifest when they first appeared in their

respective perfect natural form and image upon the face of the Earth. I have met them and held discourses with them about their life. And **every individual who resides in the Eternal Spheres will meet with the First Parents** as this provides the fulfilment insofar as knowing and being able to identify one's mortal origins.

One cannot enter the Eternal Spheres without a complete knowledge of mortality and Immortality. By the time I moved into the First Eternal Sphere my knowledge was such that I had accepted and embraced what is known as, 'the full mortal story involving mortal life with and without the Divine Love'. As some of you are experiencing, this natural and Divine story has a long and involved narrative and, in part, this narrative from its mortal and eternal beginnings, is still being written. I don't have to explain the construct of a visible and invisible natural and Divine Love. This you already know as God's Will being clearly identified in terms of a mortal and Immortal reality. God's Will is simply the culmination of all the attributes, many of which have been identified in this work, which, in their universal experience of function and identity, form the universal harmony and this harmony best presents what God's Will looks like and how it acts. Celestial spirits have previously explained the workings of love and Divine Love to you both and you both have explained these workings to other people throughout the years.

My senses in my spirit body are of such condition I can perceive and relate with the reality of an Eternal existence from my finite standing. I have received so much of the Divine Love that my finite personality is not overwhelmed by the existence of a universal Eternity and the way such experience surrounds my finite being.

I must state that I am finite in the condition of my personality though I am Immortal in my condition. However, I am not infinite nor will I ever be even though the Divine Love, as part of its nature, is perceived as being a potential for Immortality, Eternal and infinite.

Real and true spirit structures exist in these Eternal Spheres. I am to convey to you – not in image only – for the real substance of these Spheres is the increased visibility of the universal Father's workings of Love and Spirit. The visibility of the First Source is completely tangible and this infuses us with vitality and energy.

The Celestial Heaven is the place where one prepares themselves for an entrance into environments that provide a more comprehensive vision of the First Source, revealed. I still receive Divine Love and The Spirit still conveys this Love into my soul as it first did when I was back in the Sixth natural Sphere. This experience of the Love has never changed and never will and does provide one with a sense of the abundance and universal presence of The Spirit and The Divine Love.

In the Eternal Sphere, we are not preoccupied with the subjective nature of our own Immortal transformation. This has been well and truly done. What we are occupied with is the visibility of The Eternal One and intricate workings of universal life at their fundamental and primary principles of visibility, experience and existence. We are to provide an example in much the same way as those people who spend their life fascinated in their study of the physical nature of the planet and its visibility. As one learns more of this visibility the more visible other aspects of nature become and this is awareness.

By the time one advances into the Eternal Sphere, there is absolutely no doubt of the existence of the First Source and one's relationship of acceptance in the Divine Love from The Soul. My progression is identified as being conclusive. The only time I spend in the Celestial Heaven now is

to provide the service of bringing another from the last Sphere of the Celestial Heaven through the entrance into the First Eternal Sphere. This is part of my service and will continue to be so. I have been able to discuss with Francesco that I will meet him and go with him when he advances into the Eternal Spheres. I have had the chance to meet the beautiful souls who are collaborating with you in this work. I would also like to say how much I have enjoyed meeting Saleeba, the Bright and Beautiful. I will stop writing now and see you again soon.

Your new Eternal friend,  
Gustav

### 185. Elias calls in

21 December 2012

I am here to add my voice and support to this work of Potential and Immortality. I am Elias and you have received word from me before in a work previous to this work. It is a pleasure to see you both again and that you have continued to follow the leadings of your love for the Divine Love. There is no doubt that by being aware of the Divine Love places the natural soul system in a visibility that provides true perspective on the finite limitations and workings of the natural love. As you have learnt about the Divine Love experience, you have in fact perfected your understanding of the natural love experience and have been able to identify the various aspects that form the complete harmony of these two Loves in a human experience.

Understanding the construct of natural love and Divine Love as they form a working that has harmony as part of their natures has enabled you to understand how the mortal personality forms and how this form continues. The Eternal Spheres extend from the Celestial Heaven. One could easily say that the Eternal Spheres are still the Celestial Heaven, however we distinguish between these environments as this identifies a significant moment in an individual's experience in The Love and The Spirit of the First Source.

When one leaves the Celestial Heaven one has effectively formed a completion in their progression of Immortality. The personality is '*Immortally Perfect*' as the result from the Divine Love and the individual has perfected their mortal nature understanding all that it is and all that it was to be mortal even when the Immortality of Divine Love now forms part of this mortality. You need the involvement of the Divine Love in your life to understand all that it is to be human, all that it is to be mortal, and all that it is now to be Immortal in oneself with the Eternal Soul, God.

There needed to be progression and potential as part of universal experience otherwise there would be little point, if any at all, for a human personality to commence its forming. This is the obvious reason why the Divine Love does not form part of a soul's natural love to begin with and why the mortal personality is not Immortal to begin with. If the Divine Love formed part of a soul's nature to begin with, then any progression in natural love and the availability to make a progressive choice for Immortality would be nullified and a human soul could be considered as perfect as it could ever become, if the Divine Love formed part of its original creation.

Those of us who are with our soulmate companion progress together. It is not uncommon for companions to move into the Eternal Spheres together. The First Eternal Sphere is slightly different to the Last Celestial Sphere, though you do notice that any advancement through the Eternal Spheres differs vastly from the initial Spheres of the Celestial Heaven.

**The First Parents reside in the First Eternal Sphere.** They reside there as part of their service to the Eternal Spheres and it is not uncommon to see them. They act as advisors to all those who commence their lives in these Eternal Spheres and they do visit the Spheres of the Celestial Heaven regularly. **It is quite nice to know that the Master resides in the Last Sphere of the Celestial Heaven and the First Parents reside in the First Eternal Sphere.**

I know that this may sound so far-fetched and like a fantasy but it is oh so real and identifiable and to us, it is as plain as day. To those who have had no experience of the Divine Love or are as yet to form an awareness of the existence of the Divine Love and its potential for the mortal soul, the idea of an existing energy that can cause so much change in a soul such as the Divine Love does, may sound just as far-fetched and unbelievably untrue.

It has been a pleasure to write a brief word with you and I thank Saleeba for asking me to participate in this Immortal work.

Your friend,  
Elias

## **The Purpose of Divine Love:**

Spirit: Judas Medium: Al Fike Location: Gibsons, BC

Date: March 31, 2016

God bless you my dear friends, beloved souls, I am Judas.

I have come to speak about the purpose of Divine Love. I have been with this instrument often when he reads the book in which I collaborated within writing (Judas of Kerioth) and he has gleaned much from what he has read and I am well satisfied with the efforts that we have made in this publication which is indeed meant to be widely distributed.

To understand Divine Love, one must go to the very beginnings. When mankind was created the Heavenly Father selected an appropriate vessel to receive a special gift of the reflection of God Himself in the form of a soul. And that soul was given and placed within a male and female human body. And with the gift of this soul came great promise, great promise and great potential. And God had great plans for his new creatures, His most beloved and beautiful creation. The only creatures to receive a soul, an individuated soul. And what was the purpose for this soul? The purpose was to reflect the beauty of God and in some ways reflect the attributes of God, in the living being in the flesh and in the spirit.

And in order for this expression to be full and rich, God gave the gift of 'free will' with the intention that with the wisdom inherent within a pure soul, which of course these two souls were pure in their incarnation, free of any sin and error, and the Father placed them within an environment which nurtured them fully and gave them free reign upon this Earth imbued with all the wisdom and perception a purified soul may have. And then He offered another gift, a more beautiful gift, the gift of His Essence.

Not the mere reflection of His Being, but the Essence of His Being. That it may infill the soul with attributes and abilities similar to that of God. It could never be equal to God, for God is infinite in His Attributes, in His Love, in all that He is. But these pearls of souls may have that Light, those qualities to a degree that reflects God. And so this Gift was offered, it was offered as a choice. And it was rejected. For the happiness for those original beings was great and full in their existence as it was. And so they decided that they were indeed fulfilled in their lives as they were, their beings upon this world.

And so the Gift was withdrawn until another beautiful soul was incarnated into this world free of sin and error, as you know, our dear brother Jesus brought this Gift back to humanity.

And this Gift was offered to Him and he accepted for he knew this was his purpose in the world to bring this Gift again to humanity and to show by his example, his knowledge and teachings what this Gift is, and how to obtain It. And I was one of his disciples, one of many. And I, along with all of my brothers and sisters who followed Jesus, was very unclear as to what this Gift was. We saw embodied within our dear brother great power and wisdom, love and affection, gifts of healing and insight and perceptions which we did not have. And we glorified our brother, we put him upon a pedestal and we saw him as different and far above us. But we did not understand why he was different. How he was able to manifest his beautiful spiritual gifts, how he was able to love to such a pure degree.

And the essence to my betrayal to my dear and beloved brother was a naïve perception that he would turn the tables upon the oppressors and become the ruler of our land, a true king. You can imagine my horror at what happened. And you know my story.

There was great grief that was shared amongst my brothers and sisters of the murder of our dear and beloved Messiah, how distraught we all were. And yet he reappeared and again reiterated his message and besieged us to pray for this Love, this Love Divine. Yes, my brothers and sisters came together in prayer and received the Pentecost, it changed them. It gave them the insight which Jesus longed to show us in his ministry.

We understood the power of God's Love infilling our souls taking us beyond the human condition to a place of greater joy and harmony and peace and Light, closer to God. And you my dear and beloved friends have walked this road for some years now and you have gotten glimpses to the power of this Love, what it can do, how It does indeed change your thinking and being, what motivates you, and your perceptions of God and of life and of purpose. This Truth exists. The Truth of God's Love and the power of God's Love.

**In the beginning It was lost, then It was found again and in many ways lost again and now found again.**

And you have the opportunity, just as those who followed Jesus many years ago have, to express this Truth in the world. It is difficult because of the nature of this Gift. You can perceive the manifestations of it, you can feel the power of it, but can you touch it and see it? No, my friends, it is at the soul, it is a power within the soul. It must be experienced in an awakening, an opening, a sense of its reality. So just as our dear brother Jesus was challenged to convey the Truth of this Love, just as the first parents (Aman and Amon) did not understand the true value of this Gift given by God, just as you struggle to truly speak and convey and teach and demonstrate this wondrous Truth.

There is no sure way to bring another to these living waters and to drink, for God gave each soul free will, God allowed each soul to choose. And so it is, and so it shall always be. A choice.

This does not mean you should be quiet about this Truth, but indeed your persistence and your desire to teach of God's Love is a great gift in this world. All who attempt to show this Truth to others are blessed indeed, for this is God's Will. That all humanity will be given this choice and you are a part of God's plan to bring this choice to humanity.

And that part of you that is human brings you some confusion and doubt. The part of you that is your soul eager to be reunited with its Creator, to resonate in that deep soul awareness and being, knows and is in many ways already redeemed. For now you cannot turn back on this path, you only can move forward. And God will usher you forward upon this path, streaming His Love into your soul, caring, protecting, guiding, and showing you the way forward. And your eyes begin to open, your ears begin to hear His Voice. Your longing intensifies and you walk more firmly upon this road, this road to redemption, freedom, joy, infinite happiness, fulfilment, and at-onement.

But someone told you of this great possibility, this Love Divine. So you need to tell others. You must tell of your joy, of your experiences with God, your happiness. How you have been healed and carried and nurtured in love. Your examples, your words, your prayers, your thoughts, all contribute to this message which must be given, that God wishes for His Universe, the universe of souls that He has created, that each one be a great shining pearl of light infused with His Essence and in harmony with Him, at-one.

It is only through this Gift of God’s Essence that this can be so and this was God’s intended purpose for every soul to receive this Gift of Love, to come to that place of at-onement and to accompany God on that infinite journey of life and existence.

And you my brothers and sisters, are with us upon this journey and we embrace you and welcome you on this wondrous road of discovery, of infinite soul growth and at-onement with God. And we love you, we love you all and we wish to embrace all of humanity in this way as God wishes His children to be gathered together in His Love.

Is this not beautiful my friends? This knowing, this acknowledgement of God’s great Gift to His most wondrous creations and do you not sense within your soul the joy of knowing this and living this and being a part of it? Being a part of something truly, truly beautiful and glorious.

Carry on in your efforts and we will accompany you upon your journey. There is much to see, to experience, to know and you have much to share with your brothers and sisters. Continue to be open to your guidance, to be open in loving ways to all you meet. And may your smile and the twinkle in your eyes reflect the great Truth of God’s Love that resides within your soul. In this way you speak Truth as you attempt to embrace all that you meet in Love.

God bless you, I am happy to speak through my friend. God bless you, I am Judas and I love you.

**SPIRITUALITY was and will return to be the WORLD'S LEADING WAY OF LIFE:**

The ancient Sacred Inspired Books were written for the purpose of teaching early man religion; therefore, man's first religion was the teachings of the Sacred Books.

The basis of the first religion taught to man was – Love. The Love of Man for his Heavenly Parents, the Love of the Heavenly Mother and Father for his son, man, and the love of man for all of God's creations.

Man was taught to approach the Creator in reverence but without fear or trepidation, just as a child would approach his earthly mother and father knowing that open loving arms were extended to receive him.

Early man knew no fear of God, the Mother and Father, because he loved the Mother and Father and he knew They loved him in return.

All of the ancient teachings were the same all over the world, it was a universal church without sect, creed, theology or dogma.

Every teaching was plain and simple without a particle of theology. The most ignorant could understand every phrase in it. There was nothing of any kind indefinite. It was impossible not to understand it thoroughly. Man was taught to approach the Heavenly Parents, not with fear or dread, but with confidence, and above all, Love: as a child would run to its earthly father who is standing with outstretched arms to receive it. Love stood at the head of the 12 great virtues, because Love governs the Universe and the Heavenly Parents is The Great Love.

Now all peoples of all faiths and way of life can embrace the universal gift of our Heavenly Parents. This gift was known to the first family and again known in the 1<sup>st</sup> and 2<sup>nd</sup> century. Living with the Love is universally being taught through the teachings from 31 May 1914 and ongoing, by our Celestial Friends, and that gift is the light golden blue energy substance being the Divine Love of our Heavenly Parents that is shared with all who so ask to receive it. It is that simple, ask and you will receive the Love substance of God instantly.

**God's Divine Love: Pray for it, ask for it, and receive it.**

**Our Heavenly Parents simply desires for us to ask for Their Love.**

**TRUTH is the FOUNDATION:**

We're told that love cures all, and it does, but only if truth is present. If there's no truth then there is nowhere for the love to register or act upon. So it's all but useless. Even if you had a huge hit of love it would possibly make you feel good for a while, just like your drugs, but then it would fade and you'd want another hit.

**TRUTH  
& LOVE**

**But with the truth, it's not like that. The truth stays, it's real, concrete, it's: THE TRUTH. It never goes, so once it's within you, that's it, it stays for ever-more.** And so you live it, you become the living-truth that you are. So as we grow in truth we move up higher in the spirit worlds ever closer to Paradise the well-spring of all truth – the Eternal Son. But without the truth we have no depth, no solidity, we've still got that hopeless feeling of floating around adrift at sea, that feeling of feeling lost and without direction, and all the rest of it, that which we've felt most of our lives.

**And gradually as the love has come based on our truth, so we've felt better and better about ourselves – better about ourselves from the inside, and not needing anything like we did from the outside. We've felt more independent and not needing to be loved by anyone other than by ourselves and each other.** We've stopped needing our parents to give us that big hit, or any hit; we've stopped needing them, because we've been able to express our feelings for ourselves uncovering the truth of ourselves through them. And that's what it's about I say, we're not meant to be dependant forever on our parents, and had they loved us truly then we would have grown naturally in truth through our life experiences, weaning ourselves from them, and not needing them in the negative dependent ways they made us need them.

So it's the truth, always coming back to the truth, all because we are truth-loving souls, that's what we as ascending mortal souls are, the truth and the mind and love, but we need the truth to make the mind have something to base itself on, and we need the truth so we can feel loved and so we too can love. No truth, and whole thing – us – doesn't work, and that's what we've been coming to terms with through our negative truth-less life: that it doesn't work. And we know it doesn't work because it didn't make us feel good. We felt shit, and that's all because we weren't allowed to be our true selves, and because of that we weren't allowed to be true and so grow in truth. And had we, everything would have been right and felt good, and we'd be overflowing with love and the happiness and joy of life that truth brings. That being what we will be when we've finally healed it all.

Spirits and their Childhood Repression Healing by James Moncrief 10 August 2010

## U-TURN for HUMANITY:

### Why are we doing a U-Turn?

We are doing a U-Turn **because** the year 2017 heralded the end of the Rebellion and Default. For two hundred thousand years, humanity has been going in the wrong direction.

### What is this fundamental step that will change our way of living?

We are to come to understand / know the foundational cause of all our feelings, both good and bad. As we explore and investigate our feelings, each time they arise, one by one, we are to talk them through, express them to a companion or friend or anyone who will listen. As we express them, while at the same time coming to understand how they have come about, we will find that they will be resolved and that they will not come up again.

We will find that all of our feelings / emotions have their foundations from our childhood. And by childhood, that is from the time of one's conception all the way through to about the age of six. It is the repression of our childhood feelings that is the base or foundational cause of each and every one of our adult personality issues, pains, difficulties, illnesses and distressful life experiences.

**We have to see the whole truth of our negative or self-denial state, before we can heal it and be free of it.**

The vital difference between **emotions** and **feelings** is:

- emotions have their roots in the past,
- feelings relate to the present moment,
- emotions represent feelings not previously expressed,
- and these accumulate over time.

Many emotional clearing processes encourage us to look into our feelings, however, none go so far as to drill down into the core foundation of any emotional feeling to the point that we strive to KNOW the core issue, the origin of the feeling, be it good or bad, and actually come to know what it is!

The *Journey Process* is generally known worldwide. It stops short of longing to know, that is asking for the knowing of the events that brought about such a feeling. Yes, we are to acknowledge the feeling, say being angry. Then accept that behind that anger is the feeling of being small, and then look at the underlying reason of why we are feeling small. What is the truth behind that feeling? Ask our Heavenly Parents what is behind all of this feeling. What is the foundation, the origin of the feeling? All the time talking it out, expressing it, with a friend. The expressing of the experience is the release of the emotion / feeling, this is what removes it for ever from within our essence, our **soul**.

### Why ask our Heavenly Parents? I thought God was just God – singular?

This is part of the revealings that have been unfolding for us very recently – that is – since 2002.

**Feeling  
Healing with  
Divine Love is  
the key!**

We are made in the image of God. This has been understood for centuries, for 2,000 years. Our soul is duplex. Our soul expresses itself through two personalities. One soul ‘subdivides’ into two, one half always being female and the other half always being male. We are a reflection of how God is. God being one Soul is expressed as Mother and Father. God is two personalities. They are soulmates. And each of us has a soulmate, and our soulmate is always of the opposite sex, because the Mother and Father are the opposite sex.

Thus, when we long for the truth behind a feeling, then we can long to our Heavenly Mother and Father. Only they can tell us. No spirit personality can tell us. No canonised saint can tell us, we may as well ask our next door neighbour. That would be just as productive. Mary and Jesus can’t tell us, as they are also spirit personalities.

### **I was taught that Jesus was God? And what is this about Mary?**

Mary of Magdalene and Jesus of Nazareth were both born free from sin. Neither of them are God. They are both children of God, just like you and me.

History needs to be corrected. Both Jesus of Nazareth and Mary of Magdalene became at one (At-One) with our Heavenly Mother and Father during their physical lives here on Earth in the first century; Jesus in the year 26CE and Mary in the year 33CE, or thereabouts. Jesus died aged 35 (born 7BC died 29CE), and Mary died aged 47 or 48 (born 2BC died 47CE).

Further, their sojourn on Earth was the completion of their process to become the full Regents of the sector of planets that is referred to as Nebadon. The region within our super-universe that is referred to as Nebadon contains 3.8 million inhabited planets. If you look into the night sky, each star / sun potentially has between none to three inhabited planets within its orbit. Within Nebadon, the soulmate pair, namely Mary and Jesus, are our Spiritual Teachers of Truth. Their domain is all 3.8 million physical planets plus their associated spirit worlds. Each physical world has seven associated spirit worlds, which is the case for Earth being one of the 37 that have rebelled.

Some 200,000 years ago, Lucifer with his soulmate and his deputy, Satan with his soulmate, brought about a rebellion on 37 of the inhabited planets within the region called Satania, one of the local universal systems of Nebadon. Earth compounded the situation through the Default of Adam and Eve about 38,000 years ago. Thus the population of Earth, being in the worst condition through the Rebellion and Default, became the location for Mary and Jesus to have their physical experience to complete their ascendancy to full Regency of the local universal system being Nebadon.

Their lives on Earth was the start of the unravelling of the Rebellion and Default. Upon Jesus becoming At-One with our Mother and Father, he was then vested with the authority and power to have the Lucifers and Satans arrested, and they now reside exiled within a prison world.

Notice that there were no records of Jesus and Mary’s teachings and experiences made during their physical life. That was because they did not specifically come here for us, they came for the benefit of all peoples of all planets and spirit worlds throughout Nebadon.

As they are Paradise descending spirits, they have **Spirits of Truth**. Upon Mary and Jesus’ death, they released their Spirits of Truth. As spirits, Jesus and Mary are how we will be, once we’ve finished our Soul Healing. They can only be in one place at any one time. However, it is their Spirits of Truth

throughout Nebadon that we can connect with for guidance. It is through their Spirits of Truth that spirit personalities can progress through and out of Nebadon.

Those planets that have Rebelled need further assistance, and they need it on a localised manner. This can only be provided by another bestowal of a **Paradise Pair**, and that is in the form and manner of an **Avonal soulmate pair** who come here specifically for us.

### **What is the purpose of an Avonal pair, and are they here on Earth?**

Unlike Jesus and Mary who were always free from sin and did not experience how to heal themselves, the Avonal pair are to experience all of the extremes of evilness and then proceed to heal themselves. Mary and Jesus through their bestowal on Earth ended the Lucifers spiritual rebellion in Nebadon; the Avonals bestowal is primarily concerned with ending the Default of Adam and Eve by the Avonals themselves personally healing the effects of such a damaging Fall.

The soulmate Avonal pair are to be, and have been, subjected to the extremes of childhood suppression and repression, and then, through their Feeling Healing, are experiencing all the facets of emerging truth as they slowly progress through a protracted and difficult healing process. As they reach specific milestones, this also enables those in the Celestial Heavens, (the three worlds where Celestials reside) to be empowered to assist us in the physical on Earth.

The first considered milestone was the arresting and imprisonment of the Caligastia soulmate pair and the Daligastia soulmate pair. After the arrest of the Lucifers and Satans in the first century, as nothing further occurred, the Caligastias and Daligastias continued on from spirit as if they were kings and queens, suppressing all of humanity and with plans to take over the universe. It was possibly in the early 1990s that they were 'judged' and 'removed'. They were caught unaware that an Avonal bestowal pair were on Earth.

### **How is all this becoming known? Has Jesus and Mary communicated directly to Earth?**

Unlike in the first century, when no records were kept (as the event related to all of Nebadon and it was actually setting the stage for the Avonal bestowal pair to arrive on Earth), every effort to retain records in great detail of this current series of events is now being attended to. Consider this. The New Testament of the Bible is some 300 pages. The records of the Second Coming, which this is, the primary records are possibly 6,000 pages, with direct complementary records increasing that to over 10,000 pages and with all the supplementary records to date, there may be as many as 40,000 pages, certainly well over 30,000 pages of material presently.

Jesus directly communicated through James Padgett from 1914 to 1923. Mary of Magdalene (Mary M) has directly communicated through James Moncrief from 2002 and is ongoing. Jesus has also communicated directly through James Moncrief. Neither have ever directly communicated through any one else, however, some Celestial Spirit personalities have provided information through other personalities on Earth with the support and approval of Jesus and Mary, thus some confusion, though the quality of the information is very reliable.

### **You say this is the Second Coming? You say I am living during the time of the Second Coming?**

Yes you are. And it's more than that. This is the Second Coming, the End Times and the Handover!

In fulfilment of the prophecy in the first century, the Second Coming commenced on 31 May 1914 through the writings with James Padgett and concluded in 2014 through the writings with James Moncrief.

The End Times are well advanced. Mary and Jesus are well advanced in handing over their direct involvement with Earth to those within the Celestial Heavens. When this is completed, the Handover will also occur. **The Hand Over is to the Avonal Bestowal pair** and it is they who will guide the population on Earth through their Feeling Healing processes for the next 1,000 years, being the next spiritual age. The Handover will take place after the Avonal pair complete their personal Healing of the Rebellion and Default. Then will follow with their Spirits of Truth being officially liberated in alignment with Mary M and Jesus' Spirits of Truth upon their death.

Major events have occurred with the progression of the Avonal pair's Feeling Healing, which they are also doing whilst embracing our Heavenly Parents' Divine Love, thus they are doing their Soul Healing.

Early 1990s:	The arrest of the Caligastia and Daligastia soulmate pairs.
22 March 2017:	Negative spirit influence was blocked.
31 March 2017:	Angel assisted healing will become available upon the Avonal pair completing their own Feeling Healing, being with Divine Love, thus it being Soul Healing.
22 May 2017:	Law of Compensation quickening.
2 December 2017:	Psychic Barriers maintaining the Rebellion and Default were cracked.
8 December 2017:	Bring on the money to <b>'house the future of humanity'</b> .
31 January 2018:	Earth and the seven associated Mansion Worlds (including the two Earth planes) are <b>officially</b> now fully under the control of Celestial spirits. This marks a tangible and real end to the Rebellion and Default.

**How does this all fit into our future way of living?**

**This time, in the history of humanity, is the most exciting time ever experienced.**

**The whole human race is suffering from repressed childhood and mind control.**

Through one's Feeling Healing, and should we embrace our Heavenly Parents' Divine Love, then with their Love we are doing our Soul Healing, and eventually we can live totally in accordance with our soul based feelings and live free from error – no more fear and no more physical illnesses is possible!

**By living true to ourselves, true to our feelings, we are living true to God. It's that simple.**

Our soul is always perfect. In fact, we are the complete package. All that we need to know is within our soul. This knowledge has been denied from us since the time of the Rebellion and compounded by the Default. That is what was brought upon us by the Lucifers and his cohorts. We have always been meant to live true to our soul based feelings but we were taught to embrace our error riddled mind – this was aided by our parents – unknowingly all parents have taught their children to be mind dominant. **This is the Great U-Turn. We are to feel and live by our feelings and express our feelings, our mind will follow in support, not the other way around.**

“Many people look for a person, spirit, angel, even God, for supreme guidance, however it's all right there already built in – in our feelings. **Feelings** guide us through our **ascension of truth**. So they are

really our Supreme Guides. We just have to submit to them, allowing them to take us where they will, expressing all the parts we want to express, letting the emotion drive that expression if it's there to be expressed, or just talking about all we feel and how feeling that feeling is making us feel – or, how we feel about having that feeling, all whilst longing for the truth of our feelings. Longing for the truth of our feelings is really: **Longing for the truth of our self, because: we are our feelings.** So life stirs up our feelings, we feel being alive; or, being alive means we are feeling, always feeling; and when we work out what and why we are feeling what we are, so then we know the truth of how we are. And over time the truth accumulates, and our mind expands our understanding of ourselves, all being driven from our feelings.”

Kevin of the 1<sup>st</sup> Celestial Heaven 26 September 2017

(Kevin Cooper died 10 August 2012, through Feeling Healing became Celestial on 7 August 2017.)

It is through the assistance of the Spirits of Truth of the Avonal Pair, upon the completion of their Soul Healing, that we will be guided through our Feeling Healing process, and should we embrace our Mother and Father's Divine Love, then our Soul Healing.

Then should we embrace Mary and Jesus as our Spiritual Teachers of Truth, their Spirits of Truth will lead us on the path through the Celestial Heavens where we will certainly meet up with our soulmate and join our soulgroup, which will eventually consist of twelve soulmate pairs. Then as a soulgroup, the Spirits of Truth of Mary and Jesus will lead us up through and out of Nebadon towards Paradise.

It is then our Mother and Father in Paradise who draw us to them and we will eventually meet our Heavenly Parents.

Meanwhile, while we live on Earth, we will have assistance and guidance previously denied to us throughout the era of the Rebellion and Default. Under the Contract controlling and managing the Rebellion and Default, the powers and capabilities of our Celestial Heaven spirit personalities, all three worlds of them, were heavily restricted and almost of no assistance to us at all. Further, Nature Spirits and our Angels were heavily denied contact with us physical people because of the Rebellion and Default, all of which is soon to change, so we can look directly to them for help concerning healing ourselves and understanding all aspects of nature.

As we embrace our Feeling Healing, Celestial spirits will and can greatly assist us. In fact, during the year of 2017 they have blocked all mind spirits from the Natural Love Mansion Worlds: 1, 2, 4 and 6 from interfering with us. Celestials have taken control of all facets of living and life on Earth. Celestials are those spirits who have completed their Feeling Healing and progressed through Divine Love Mansion Worlds 3, 5 and 7 and now live in the higher Celestial Heavens, 1, 2 and 3 (when we become At One with our Heavenly Parents then we leave the Mansion Worlds and progress through the next three spheres related to Earth, hence the Celestial Heavens are also referred to as being numbered 8, 9 and 10).

The Nature Spirits of Earth, who live in the third Earth plane, can now directly interact with those who are embracing their Feeling Healing. Nature Spirits are essentially ‘angels in waiting’. They have been on Earth prior to anything that we now see living in nature. When they first started to arrive, there

was no life in the seas or on land. They have consequently witnessed everything that has happened on Earth, including all prior human civilisations that we continue to largely remain ignorant of. Their knowledge and assistance is of great importance to us. We are to interact with them on an ever increasing scale. They are to become an invaluable source of information for us concerning how we are best to live with nature.

Further, we may become more aware of our **Indwelling Spirit**, which arrives for each of us during our sixth year, as we now progress with our Feeling Healing, or with Divine Love, our Soul Healing.

And all of this is possible as we embrace our Feeling Healing process, acknowledge and accept the Avonal pair, acknowledge and accept our Spiritual Teachers of Truth, namely Mary and Jesus, and more importantly, grow to love our Heavenly Parents, our true Mother and Father.

We do not need intermediaries, rituals, liturgy, dogmas, creeds, fancy clothing, or institutions. It is our soul based feelings and expressions that we may exchange directly with our Heavenly Parents. Groups may form to assist each other, and that is our choice and within our free will.

**This is the greatest event in the history of humanity.**

This is the Great U-Turn that humanity will embrace throughout the next 1,000 years. MoC 1,480

**WE ARE TO LIBERATE OUR SUPPRESSED PERSONALITY:**

We NEVER lose our personality, it is ours, and it's our precious gift from our Mother and Father. We are always who They have made us be. Personality is sacrosanct. It's the most valuable thing in Creation, it's what all Creation rides on, it's what all Creation exists for: the expression of personality.

All our Healing does is liberate our true personality, so it doesn't actually change us, and in make us be a different person, it just liberates all the parts of us that were stopped from freely expressing themselves.

All that is wrong or bad or imperfect within you, will turn into being perfect, right and good. You get rid of all the bad stuff by liberating all the hidden good, and as that comes to light, so the bad fades and then leaves altogether because you no longer need to be that false untrue you, the one your parents have made you be. But YOU, the basic intrinsic you, never changes, and all you don't love about yourself will go as you gradually love yourself more, all as you keep bringing out your repressed feelings.

Helen talking to James Moncrief 5 April 2017

When you start to do your soul-healing you are moving away from the control of your negative mind.

We all have a great responsibility to Creation and to our Heavenly Parents: to strive to be true and adhere to the perfection of our soul, so that by our own existence, as shown in our lives, we are helping to build Creation in the right way. A positive mind is of perfection and will add positively to Creation; a negative mind only seeks to add imperfection and destroy Creation. Creation being created by perfect love will only tolerate imperfection for so long. Although you are living a valuable experience in your evil and negative mind states, Creation and your soul will only tolerate such self-denial for so long. One day, if not sooner rather than later, you will feel the pressure on you to change, to find out why you are not happy and not all loving – to find out the truth of your no-love, denial state.

When you start to do your soul-healing you are moving away from the control of your negative mind.

Love can only go where truth exists.

## **WE ARE TO BE OUR TRUE SELF – OUR SOUL BASED FEELINGS!**

**We are to use our feelings to uncover the truth of ourselves. Just how important are each of our feelings? Well really, they are ALL as important; as in, nothing else in life even matters other than what we are feeling.**

**We are all so conditioned and used to living with our mind in control of ourselves, that many of our feelings, and mostly so many of our bad feelings, we dismiss or shut out and refuse to deal with. We should go the other way in life, so instead of denying so many of our feelings, trying to acknowledge them all, to bring them all out, every last bad one, even if means stopping everything else and attending to them; and by attending to them is to make sure we express them, speak about them, the whole idea being not to keep suppressing them, to make sure they come up and out of us as we feel them.**

**Along with this: we are to long for the truth of our feelings; as in, the truth they are wanting us to see about ourselves, because apparently hidden or behind or within each feeling, is something it's trying to tell us about ourselves. And that is how God wants us to live – it is to live a true spiritual life.**

**We are not meant to be alone, we are to have someone with whom we can share our whole self with, telling them all we think and feel. If you do not have a companion, talk it out loud to your Heavenly Parents.**

**If you feel a bad feeling, you don't let it pass, you stop with it, focus on it fully accepting it; and with the emotions of it, express it the best you can; and then at the same time, long for the truth of it – want to see what it's all about – why you're feeling it.**

**There are hidden deeper underlying causes in us that will come to light as to why we're really feeling bad. So we might, for example, be angry with something that's happening in our life now, but as we express that anger, longing for the truth of it, it will lead us back into our earlier life connecting with the same anger we felt about other things; and then back even deeper into connecting, or it should be reconnecting, with anger we felt with our parents when our parents treated us badly.**

**That means there will be a lot for us to deal with if the bad feelings we're feeling now are also going to lead us back into buried bad feelings from our past.**

**Sage and the Healing Angels of Light by James Moncrief**

# FEELING HEALING + SOUL HEALING

To heal one's self is to simply look to see what feelings we are refusing to let ourself feel, and accept them instead of denying them. And to fully accept them, one needs to express them, speak about them, let them have their say, rather than pushing them aside, refusing to let them make you feel bad.

Doing this all with the intention of seeking the truth of why you are feeling them, of speaking about and expressing all such feelings; all feelings you have, but ALL WITH the INTENTION of UNCOVERING the TRUTH THEY WANT YOU TO SEE ABOUT YOURSELF. And it's the wanting to see the truth of them that is very important, because if you just look to accept them and speak and express them, but not seek their truth, then that's all you'll be doing, speaking and expressing them, but not healing their causes, so not fixing the things within you that are making you feel bad. And it's the truth part of it, seeking the truth of your feelings, and so, seeking the truth through your feelings, that's vitally important. It's the truth of yourself, life, nature and God, that is the spiritual aspect to it all.

You CAN'T find the truth of yourself, or anything else, through and with only your mind. You HAVE to engage and look to your feelings. And so if you choose to allow your feelings to 'Show You the Way', then the truth will come as you express them.

So to do our Soul-Healing consists of these steps, all of which are ongoing until it's done:

- **Admit you are feeling bad.**
- **Accept your bad feelings, identify what they are.**
- **Honour fully your bad feelings by expressing them, speaking about them to someone who is willing to hear you talk about them, or tell them out loud to our Heavenly Parents. Long for the truth of them. Long for the truth of why you feel bad – what deep within you is causing your bad feelings?**
- **And remember, bad feelings are Good! Not bad. They are not to be despised. And as hard as it is to accept them, they are still you, and a very real part of you. And if you persist in denying them and not allowing yourself to fully live them, then you are only going to keep yourself in your errors making things harder for yourself.**
- **All sickness and suffering, all bad things that happen to you, all your problems, all your addictions – your whole feeling-denying and untrue life, is all caused by your denial of bad feelings.**
- **Every problem in the world is brought about because everyone has been brought up to deny feelings, and in particular, most of their bad ones.**

If one is intent on spiritually evolving and growing in truth, then it's vital, and this is the key, that one looks to use one's feelings as the means to gain and have access to the truth of oneself. You CAN'T find the truth of yourself or anything else through and with only your mind. You HAVE to engage and look to your feelings. And so if you choose to allow your feelings to 'Show You the Way', then the truth will come as you express them.

Doing your Soul-Healing with the Divine Love, is really doing your 'Feeling-Healing'. We are designed — created — to be self-revealing of truth, and so we are all to uncover the truth within ourselves and for ourselves, and all being done by living true to our feelings. **If you accept, express and seek the truth of your feelings, then truth will come to you, and you'll grow spiritually. It's as easy as that. Also it is as easy as it is to long for, ask for and receive Divine Love.**

THE HEALING OF YOUR BAD FEELINGS THROUGH THEIR ACCEPTANCE  
AND FINDING THE TRUTH OF THEM, IS THE ACCEPTANCE OF YOUR  
NEGATIVE, REBELLIOUS, EVIL, IMPERFECT MIND AND WILL CONDITION.

To do our feeling-healing we need to become:

Aware of – Acknowledge – and Admit, our bad feelings.

So we can:

Accept – them and allow ourselves to Be them.

And then if we feel to, take:

Action – Express, speak and emote them.

Talk about them.

All being done whilst longing to, really wanting to, see the TRUTH of our feelings.

So it sounds simple.

So I repeat:

We accept our bad feelings by expressing – speaking about them to someone willing to listen to us and take us seriously. And as we speak we long for the truth of them – why we are feeling them – to be made known to us. And when we uncover and see the truth we are FREE! – healed of the causes that have made us feel bad.

Accept, Express – see the Truth, and you're Free!

ACCEPTANCE OF ALL YOU FEEL, THINK AND ARE, IS THE KEY TO DOING  
YOUR HEALING; THAT, AND WANTING TO SEE THE TRUTH OF ALL YOU  
FEEL, THINK AND ARE.

**Release one's pain through expressing one's feelings.**

**in conjunction with**

**Longing for the Truth when also longing for Divine Love.**

# Steps UP!

## Quantum Jump 1

**REVELATION 1**  
James Padgett 1914 – 1923

James Padgett bravely introduced the availability of the Mother and Father’s Divine Love and a great deal of additional guidance and information, all of which has been supplemented by Samuels, Judas, Reid and Arnold. All writers were under restrictions of personality and circumstances. Revelation 1 opened the door for humanity.

## Quantum Jump 2

**REVELATION 2**  
Marion and James Moncrief 2002  
– ongoing

Marion and James Moncrief have recognised the need for one to engage in Feeling Healing and, by their actions, removed restrictions that James Padgett and others above endured, thus JM is able to critique the writings of the past 100 years resolving points of confusion as well as expand on what has been written. Revelation 2 is humanity’s turning point.

Due to the extra-ordinary nature of Revelations 1 and 2, humanity with the first Revelation would have continued on into its negative pathway of living, however, combining the first Revelation with Revelation two, now humanity can embrace this turning point and commence its evolutionary growth that has required two thousand years to put in place. This is the greatest event in the history of humanity and very few are aware of such, until we enable others to become aware.

**OUR JOURNEY:** From Earth's spirit spheres, to the Celestial Heavens, then to the Eternal Spheres, and then home to the Isle of Paradise.

Spirit spheres 1 – 7 (Mansion Worlds) may be within Earth's solar system, each sphere connecting to the next, including the 2 dark spheres being planes of Earth. The 3 Celestial Heaven spheres maybe close to Jerusalem and isolated for us humans.

Eternal Spheres, 3 progressive spheres, and the Infinite and Universal Spheres interact through out the super universe.

Spheres of Paradise also contain 3 major progression spheres and these are located within the region that circulates around the Super Grand Sphere.

From the 3 progression spheres within the Isle of Paradise, then to the Super Grand Sphere that surrounds the Mother and Father's Sphere and Soul of our Parents. At this point we have arrived Home!

### GAINING the equivalent of PhDs SPHERE by SPHERE:

The journey to our ultimate destination is of enormous proportions, however, we have loving assistance and guidance all the way.

Consider that each major sphere that we progress through is capped with the granting of a PhD. Thus our journey to our ultimate home could be said to represent the achievement of gaining some 16 PhDs!!! Incredible!

Yes, we can all do it. As we ask for and receive Divine Love we accumulate this wonderful essence progressively within our every growing soul, all visible due to the luminosity that this wonderful substance generates through our solar plexus of our spirit body. Our solar plexus are called this way due to this radiance emanating from that location of our being.

Major spheres that we may advance through are:

Spirit World (Divine Love) spheres	4
Celestial Heavens spheres	3
Eternal Spheres	3
Infinite and Universal Spheres	3
Spheres of Paradise	3 then

**Super Grand Sphere surrounding Father's Sphere & Soul**

Total number of graduations	<b>PhDs</b>	<b>16</b>
		==

Each sphere contains numerous planes and layers, thus our journey will have an incomprehensible diversity of experiences, all incredibly loving, progressive, evolutionary and creative once we set to commencing by simply saying to Father, please may I receive your Love! Divine Love will never be withheld from us once we ask.

When we arrive we will be amongst the most capped personalities ever imaginable!

This is one time when this statement stands out:

***“Never can one man do more for another man than by making it known of the availability of the Feeling Healing process and Divine Love.” JD***

GEMS for ALL PEOPLE of all AGES to EMBRACE:

The GOLDEN AGE!

***Cause No Harm*** < to OTHERS  
to MYSELF

**Strive to love others as I am to love myself**

At any time, any where, and in any way you so please:

Approach our Heavenly Parents, in reverence, without fear or trepidation, just as we, as a child, approach our earthly parents knowing that open loving arms are extended to receive us at all times. As one's love grows for our Mother and Father in the Heavens, we come to know with absolute clarity and certainty that our Heavenly Parents, loves you and me and everyone in return, at all times, and that fear is an illusion created by man's mind.

God, who is our Heavenly Mother and Father, is almighty, all powerful, infinite, and all loving. The love of the Heavenly Parents for Their children, man, has been and is always infinite and ever present. As one's faith evolves, one's love for our Heavenly Parents will have no limit. As we grow in Their love, so will we grow in love for all of God's creations and our fellow man.

The Source Soul, our Heavenly Parents, simply desires for us to ask for Their Love.

God's Divine Love: Pray for it, ask for it, and receive it.

"I love you Father." "Let the Divine Love flow its energy into my soul."

"Mother, Father, I desire your Love and I am loving you."

"Soul God, I love you and I love receiving and experiencing your Divine Love."

"True Soul God, I am here, I am aware of your Love. Please hear my aspiration for your Love and as I approach you from my soul, I can feel your Love in the way that you are loving my soul."

"Please Father and Mother, may I receive Your LOVE."

Maybe we could simply long for and ask:

*Please, Mother and Father, I want some more of your Love!*

**FEELING HEALING and SOUL HEALING with the DIVINE LOVE:****James Moncrief Publications:****all publications are free downloads:**<http://divinelovesp.weebly.com/my-free-books-and-free-padgett-messages.html>

It is suggested for one to consider reading as follows:

**Speaking with Mary Magdalene and Jesus – books 1 – 4**

These four books encapsulate the second of the revelations with the first having been introduced by James Padgett one hundred years previously. These four books provide a wide range of guidance that has never previously been made available.

**Paul – City of Light**

As a gentle intro into the Divine Love and Healing; being James Moncrief's first novel and it's been criticised as being too heavily clichéd, but that's the point because it's a reflection of how he was back then.

**Ann and Terry**

For an example of people who might want to immediately start working on themselves and doing their Healing.

**Feeling Bad? Bad feelings are GOOD**

For more understanding about our denial of our feelings and why we should not deny our feelings, and it includes how it all came about for James, using himself as an example.

**Feeling bad will make you feel BETTER – Eventually!**

This includes specific examples of Marion and James working on expressing particular bad feelings, again with the hope that it will help others gain something of an idea as to what's involved in doing your Feeling Healing.

**Sage – and the Healing Angels of Light**

Through Sage who's 13 years old, the story is primarily about the two aspects of healing; that being, with the help of our angels, and the full Healing we can do by looking to our feelings for their truth.

**Religion of Feelings  
Feeling Healing****Welcome to LOVE – the Religion of Feelings  
you can heal yourself through your feelings**

So these books, including the four Speaking with Mary Magdalene and Jesus books, provide the essence of it all and are examples of James' work. Then it's up to whatever takes one's fancy. Other reading to consider may include:

**The Padgett Messages being published as:****The True Gospel Revealed Anew by Jesus volumes 1 – 4****Book of Truths by Joseph Babinsky****The Urantia Book****Release one's pain through expressing one's feelings.****in conjunction with****Longing for the Truth when also longing for Divine Love.**

**FEELING HEALING with DIVINE LOVE is SOUL HEALING:**

*A collection of 'papers' that draw together specific topics including all of the above and more from other sources of information and revelation designed to help increase one's awareness about why we have the problems we do and how to heal them, all whilst living a more healthy and sustainable life. They provide a brief snapshot of the more complicated topics and issues.*

**Firstly, consider discovering the truth of your emotional pain through Feeling Healing.  
Secondly, consider longing for our Heavenly Parents' Love as you progress with your healing.  
Primary and most important readings are the writings of James Moncrief.  
Then consider the Padgett Messages, and then The Urantia Book.**

**DIVINE LOVE and DIVINE TRUTH Revelations and Teachings escalating:**

**The opening up of the soul permits a permanent exchange with Divinity, a permanent recharge of this healing energy that allows not only the re-establishment of lost health, but the continuity of health, providing such a perfect balance, even in the physical body, that noxious agents like bacteria and virus cannot find any opportunity to unchain pathological reactions, which we commonly call illness.**

**But it is true that people without the benefit of Divine Love would lack the protective shield, which the intrinsic healing energies of Divine Love provide for those who pray for our Heavenly Mother and Father's Grace.**

**Judas – August 19<sup>th</sup>, 2001**
