Assisting Poor Condition Spirits

Rassoul.

## **ASSISTING our SPIRIT FRIENDS in Difficult Times:**

Yes, we can assist our friends who have passed into the spirit worlds in poor and even very poor soul condition. We can do the same, also, for our friends here in this physical world.

When we hold in mind someone, even if they are not very well known to us, we actually call to them and most often they will either connect up to us or come to us. You can talk to them as if they are within your presence in a room with you. Even though you cannot see them or hear them, they can see and hear you. Because you have some kind of relationship with them and your feelings are to help them in their time of darkness and suffering, you will get their attention and cause them to focus upon the help that you offer.

**The magic key to a spirit person's growth, particularly when they are unaware of the Love being available, is to encourage them to:**

**“Always look up and look for the brighter spirits, then always ask them to tell you about the Feeling Healing process together with God's Divine Love and Divine Truth. A brighter spirit will always know more than you and anyone else around you.”**

Your encouragement will bring about them bright spirits that they are able to see. Celestial Spirits are much brighter and their luminosity is very different to those who only have natural love. More than any other, it is those spirit people who are receiving the Love, Divine Love, particularly Celestial Spirits, that can assist a troubled soul, a soul in poor condition, to understand the availability of the Love and begin them on the path of asking for and receiving the Love.

Each soul, yours, mine and everyone else's, radiates at the speed of light. Your thoughts travel as fast. Thus the response time is nearly instantaneous. When in the spirit body we can move about at around the speed of light, thus connecting up is possible and we can do so as often as you please.

Not only can you assist these souls, you will find that others listen in and benefit in your exchange of guidance and love and the gifts you share have no limit.

A very great number of people pass into the spirit world engulfed with the belief that if they find themselves within 'hell' there is absolutely no release possible from such confinement for ever. This is an absolute and total lie. No matter what condition one may be in there is and always was and will continue to be a pathway of progress towards that of becoming a perfect man and an angel resident in the Celestial Heavens. It is this false teaching of many religious churches and organisations that lock the minds of people who subsequently then may take centuries to realise that there is redemption and growth for all. This false belief shuts the minds to the help that is offered by other spirit people who show the way out of the dark Spheres of Disharmony (so-called hells) to Love and Light.

**There is no such thing as**

LUMINOSITY of the SOUL grows with LOVE:

**DIVINE LOVE is a SUBSTANCE**

Angels actually do not have wings.

One's soul can grow from the condition of a dark dried up pea to that of a Celestial Angel by asking for and receiving Divine Love. Divine Love changes the essence of the soul to that of the Divine. Nothing else can do this.

**CREATOR,  
MOTHER,  
FATHER,  
GOD.**

**Father**  
**Mother**

Divine Love is delivered through the Holy Spirit, should you ask for Their Love.

Your soul can be likened to a plasma ball.

Soul releases errors and negative emotions via one's Feeling Healing with Divine Love.

### Kingdom of God – Celestial Spheres Spheres 8 – to infinity.

Celestial Kingdom / Heavens and where you become an angel, at one with God. Immortality is achieved upon receiving Divine Love which then leads to entering the Celestial Heavens, followed by Eternal Spheres and then Spheres of Paradise.

#### Sphere of Transition:

Sphere 7 in your progression is the sphere in which you progress from the Kingdom of Man – mortality, to the Kingdom of God – immortality. On becoming at one with God you are reborn, the rebirth, to progress into the Celestial Realms, namely the 8<sup>th</sup> Sphere, and then on upwards on the path with Love.

### Kingdom of Man – Spirit World Spheres 1 – 6

Sphere 6 is the highest progression that can be achieved on the natural love path.

This is not the domain of angels. Sphere 1 is the earth plane where all souls arrive upon shedding the material body.

The kingdom of God is in his heart, God's divine truth reaching his soul transforming him

The kingdom of man is in his head, what he believes, is his own truth.

**EVERYTHING is APPARENT for all to SEE and KNOW within the SPIRIT WORLD:**

Your true self is reflected through your spirit body for everyone to see. The façade of the physical body is dropped. Your dark emotions are no longer masked. Dark matter / energy that accompanies negative man made emotions become visible through the spirit body. Fearful dark emotions do not allow the light of loving emotions to penetrate through the darkness. Only by embracing and addressing these dark emotions does that enable the light to emerge. There is another way. You could also say, an additional way. Praying for, asking for, and receiving Divine Love. Slowly, but surely, Divine Love will dissolve these negative events of one's light, the memories will fade, and your growth in Love will proceed.

Me, before looking in the mirror.

Sad, Afraid, Ashamed, Sexual Guilt.

Your appearance in the spirit world, your spirit face, shows all your real features and reflects your soul condition for all to see.

In the spirit world, there are rejoicing cheer squads when you make a choice that enhances your soul condition.

**MONTY PYTHON and the HOLY GRAIL – BLACK KNIGHT:**

When one's soul is plagued with vindictiveness, evilness, guilt, blame and destruction, or plummeted to even lower levels of being despising, miserable, shameful, humiliated and seeking elimination, there is no illumination within the soul at all. It is a being in a state of total darkness, in the depth of all the hells.

The soul has now collapsed to the size of a dried up pea, or prune! The capabilities of the soul of keeping the spirit body in tact are stretched to its full capacity. The soul frequently has to draw the spirit body back together, that is, enable the spirit body to go fetch its limbs and re-attach them!

The environment is one of total darkness and despair. However, we can all recover from this position and grow in love and progress to the Celestial Heavens. There is no position from which we cannot recover from. For you see, we are truly invincible!

No soul has ever been separated from its spirit body.

No matter how low our soul condition may fall, we can, and all of us will, be assisted and loved and helped to grow in love and light and progress to realms of beauty and grace that will be our destiny. By asking for and receiving divine love, this happiness will be ours much sooner than we can imagine.

**IT'S JUST A FLESH WOUND!**

## **WE ARE TO LIBERATE OUR SUPPRESSED PERSONALITY:**

We NEVER lose our personality, it is ours, and it's our precious gift from our Mother and Father. We are always who They have made us be. Personality is sacrosanct. It's the most valuable thing in Creation, it's what all Creation rides on, it's what all Creation exists for: the expression of personality.

All our Healing does is liberate our true personality, so it doesn't actually change us, and in make us be a different person, it just liberates all the parts of us that were stopped from freely expressing themselves.

All that is wrong or bad or imperfect within you, will turn into being perfect, right and good. You get rid of all the bad stuff by liberating all the hidden good, and as that comes to light, so the bad fades and then leaves altogether because you no longer need to be that false untrue you, the one your parents have made you be. But YOU, the basic intrinsic you, never changes, and all you don't love about yourself will go as you gradually love yourself more, all as you keep bringing out your repressed feelings.

Helen talking to James Moncrief      5 April 2017

**When you start to do your soul-healing you are moving away from the control of your negative mind.**

We all have a great responsibility to Creation and to our Heavenly Parents: to strive to be true and adhere to the perfection of our soul, so that by our own existence, as shown in our lives, we are helping to build Creation in the right way. A positive mind is of perfection and will add positively to Creation; a negative mind only seeks to add imperfection and destroy Creation. Creation being created by perfect love will only tolerate imperfection for so long. Although you are living a valuable experience in your evil and negative mind states, Creation and your soul will only tolerate such self-denial for so long. One day, if not sooner rather than later, you will feel the pressure on you to change, to find out why you are not happy and not all loving – to find out the truth of your no-love, denial state.

**When you start to do your soul-healing you are moving away from the control of your negative mind.**

**Love can only go where truth exists.**

**Note:** Following the writings of James Moncrief, one could consider that any reference to the Father, by other relevant writers, may be read as a reference to 'our Mother and Father'. Further, when considering soul healing, then reference to Divine Love could be referred to as 'Feeling Healing with Divine Love'.

**FEELING HEALING is ABOUT GOING EVER SO DEEPLY INTO ONE’S OWN PAIN:**

**You are going to feel all the bad you feel now, and all the bad you felt during your childhood. If you don’t remember feeling bad during your childhood, you still have to want to see if there are bad feelings buried deep in you that you are not aware of, feelings you have shut out of your mind, so its imperative that you must want to feel bad – that you want to accept your bad feelings and stop denying them.**

I want you to understand that feeling bad is good, it is the right way to go, it is heading in the right direction, it is your ascension, your spiritual growth – what you need to do to heal your negative mind. It is to do the opposite to your training, to allow yourself to feel as bad as you do, instead of dismissing all your bad feelings and pretending you don’t feel them. It is going against all that you know, and all that has been taught to you, and is against all of your minds conditioning. But still, as I said, you are setting off in an unknown direction, and feeling bad, and wanting to feel bad, and allowing yourself to feel all the millions of bad feelings that will come up in you, IS THE RIGHT WAY. It will be very new to you, and you might feel bad about this, and about feeling bad, but that is all good, and that is what I would expect. The Mother and Father will provide experiences for you that will make you feel bad: angry, miserable, pain and many other bad feelings. All those feelings you wish would just go away are the ones you now must wish to have, and own, and express, and own up to, as being a part of you.

And all through it I want you to ask, and even if necessary, to beg, the Mother and Father to show you the truth of why you are feeling bad. THIS IS EXTREMELY IMPORTANT – TO WANT TO KNOW THE TRUTH OF WHY YOU ARE FEELING BAD. For without wanting to know why – what’s the point, you may as well just keep on denying them, doing things believing they are making you feel good.

I don’t want you to go to Them with your mind for a quick answer, although you can discuss everything with Them; but to ask Them to SHOW YOU THE TRUTH THROUGH YOUR FEELINGS, so you can feel, and experience, and know categorically for yourself, why you feel bad. The truth will come up independently to your mind. Your mind should be kept out of it, until the truth has come as a result of your expressing your feelings, then you can use it to think about all you have seen about yourself. You have to want to know your feelings, all the reasons why you feel so bad. Mary

## **Luke, Eugene Morgan's guardian angel tells of the great work he is doing among the dark Catholic spirits.**

<http://new-birth.net/padgetts-messages/true-gospel-revealed-anew-by-jesus-volume-4/luke-eugene-morgans-guardian-angel-tells-of-the-great-work-he-is-doing-vol-4-pg142/>

Received by James Padgett, Washington D.C.

May 14th, 1917

I am here, Luke.

I want to take advantage of the opportunity to write while my dear and personal charge (Eugene Morgan) is present. As he knows, I have been with him a great deal, doing for him that which gives me great pleasure, and also helps him in his work of trying to convert some of the dark spirits who are living and suffering in the very erroneous beliefs that they had when on Earth, and which, if they be left alone, will cause them to remain in their darkness for a time or times that cannot be determined. I want further to say that he cannot possibly appreciate the work that he is doing, and its results upon these spirits who come to him, not for kindly purposes, but to pronounce upon him the anathemas (A formal ecclesiastical ban, curse, or excommunication) of the church which they used when on Earth to scare the unruly believers of their congregations. Of course, I refer to the priests of the Catholic Church, for they, of all the spirits in the spirit world, make the greatest efforts to keep their followers together, and with the greatest feelings of hatred and indignation resent any attempt to intrude upon and change the beliefs of these followers.

But I am glad that my charge does not become frightened or allow these priests to prevent him from doing his work, which is a wonderful work in this, that never before in all the history of the habitation of the Catholics and their deluded leaders in the Spirit World has any attempt by mortals been made to impinge upon the authority and domination of these priests, and consequently, he must not be surprised to know that his crusade, for I must call his efforts such, has started a very considerable commotion among these blind followers and their blind leaders; and more especially is this the case when it is known to be a fact that many of these Catholics have been shown the way to light and have embraced the opportunity to follow the instructions and teachings given them and get out of their darkness and away from the folds of these priests.

He is doing a great work and must persevere, for if he has been the means of saving only one of these poor benighted spirits he has done a work greater than that of conquering a city, as the Bible says. But he has shown not only one to the light and truth, but many, and those thus saved from their darkness and suffering have taught others the way, and the work thus started by him goes on in almost geometrical progression. No man before has done this work among the spirits of that faith, and when it is considered that there are myriads of them, it can be appreciated what the possibilities are for an earnest worker in the way of changing a sinful and benighted and satisfied soul in sin into a spirit of light and happiness.

And I want further to tell him that this work of his is becoming noised (to make something generally known) all through the host of Catholic followers, and many are asking about its effect upon the congregations of the faithful, and many also have become dissatisfied with their condition and commenced to doubt the truths of the teachings of the priests and their promises of salvation through the prayers and masses, and are commencing to make inquiry as to where this mortal can be found and how he may be reached. Now, what I have written you is a fact, for I visit these spheres where these spirits live and hear what is said among them, and know that the efforts that my charge has made to help these dark Catholic spirits who have come to him have resulted in good.

Well, I could continue much longer my description of what effect his work has had upon these spirits of darkness and delusion, but will not do so tonight. Now, I want to say a few personal words to him. As he knows, I am praying for him and am interested in his every thought as to spiritual matters, and am with him in times of doubt and loss of faith, trying to encourage him. And I want to say that he must not lose faith or doubt what we have written him or the truth that he has received in his soul the Divine Love to a great degree, and that if he will continue to pray he will receive more and more, and after a time his faith will become so strong that it will almost be impossible for him to doubt and he will then realize the meaning of faith as the Master defined it; all the aspirations of his soul will become things of real existence.

He is blessed among mortals, for there are very few who have with them the association and rapport of the high spirits, as he has, and when it is understood what this means, it will be seen that he enjoys that which the civilized world among its church members pray for continually and yet never realize, as he does, palpably and unmistakably, the presence of these high spirits and the sensible presence of their love, and even that of the highest and greatest of all spirits – the Master.

I am so anxious that he shall realize all the privileges and blessings that have been bestowed upon him, for I want him to develop his soul and permit me to come into a higher and closer rapport, which only the greater development of his soul will bring about.

I will not write more tonight, as I see that you are somewhat tired, but in closing permit me to say that I most earnestly desire that he shall realize who and what I am, and how much I want him to understand that I am his own Guardian Angel, with a duty that only my love makes it pleasurable for me to perform, and that so long as he shall live as a mortal I will be with him, and as time goes by will get in closer rapport with him, which will result in his powers increasing more and more until, before the time comes for him to perform the great work that has been given him to do, he will be in that condition that will enable him to do it successfully to the glory of the Father and the salvation of mankind.

You may wonder that I write so enthusiastically tonight, but when you come to realize the great work that is to be done and that I know to the fullest extent what it means, and the further fact that I have in my soul the Great Divine Love of the Father to a degree that not many of the Celestial Spirits have, you will not wonder.

So, believe me and trust me, and know without doubt that I love you both with a more than brother's love. May the Father bless and keep you both in His care. Pray and pray, and believe. Good night,

Your brother in Christ,

Luke (Apostle)

## ENVIRONMENTS within SPHERES:

The First Natural Sphere is one Sphere that is enormous and it consists of many environments. It is the biggest Sphere of all the Spheres for so many live in a good condition of natural love and this is the Sphere that receives every human life that enters the spirit world. There are spheres in the Celestial Heavens and the Eternal Spheres that are larger in space, but have less population residing there.

Within the spheres, one's soul condition determines what location one is destined for. At all times, the environment is harmonious for one's soul condition. Thus, spirit people with very similar soul condition will be together. This creates many communities, each being harmonious for a specific soul condition level. In this way, the 1<sup>st</sup> sphere consists of many locations that could be considered as nations, however within each spirit grouping that community consists of only one soul condition level, whereas on Earth we have saints and sinners all living together. People cannot determine or assess another's condition, nor can they assess their own soul condition.

It has been said that there are many spheres within a sphere. The truth is there are many environments within a sphere, much like there are many countries and have been many cultures that have lived on all lands of the one single Earth. There is only one sphere with many environments and cultures living in each Sphere.

A spirit cannot be attracted to an environment or another spirit in which the individual is out of condition to do so. The essence of this is that no spirit can injure another spirit or can put one's self in harms way or travel to an environment that will be harmful to the spirit-senses of that individual. This is part of the way that God maintains harmony in the vast populations of personalities residing in these tremendous spheres.

Generally, as soon as the individual accepts the Divine Love, the individual begins to advance their soul condition and as the attraction of the Spirit Law of Compensation diminishes, the soul condition of the individual enjoys the feelings of harmony produced and changing environments. The purpose of the Divine Love is to enable the individual to live in harmony with God.

The poorest soul in condition can still receive the Divine Love. No human or spirit is ever beyond reach of it.

Notes from Celestial Soul Condition via Zara Borthwick and Nicolas Arnold

**LUMINOSITY of the SOUL can be LIKENED to the FOLLOWING:**

1<sup>st</sup> sphere, lower regions – Natural Love MoC 50+/-  
 The soul condition of a soul that is obliged to spend some time within the ‘hells’ may be no bigger than a dried garden pea. There is no luminosity and the environment is total darkness.

The typical soul condition of humanity is such that they generate the luminosity of a single candle.

1<sup>st</sup> sphere, mid regions – Natural Love MoC 210

A soul that has grown in love and soul condition equivalent to the 8<sup>th</sup> sphere – the point of becoming at one with God, the luminosity of such a soul is equivalent to the midday sun.

8<sup>th</sup> sphere – only possible with Divine Love! MoC 1,000+

**The FIRST NATURAL LOVE SPHERE:**

- a. **Blankets Earth.**
- b. **The first Sphere is like this surrounding the orbit of Earth around the Sun.**
- c. **The first natural love sphere is massive. Should all the souls that have been individualised and are yet to be individualised (incarnated) remain within the lower natural love worlds, then accommodated in congestion.**

**JOURNEY HOME to OUR HEAVENLY PARENTS:**

As we learn to grow in love and love our Mother and Father, we will progressively move through the super-universe, into the eternal spheres and then to the Isle of Paradise, our destination is to be near our Parents.

Asking for and receiving Divine Love enables us to enter and progress from the Divine Love spirit world (orange) then to the Celestial Heavens (red) then to Eternal Spheres (ruby) then Infinite & Universal (blue) then to Isles of Paradise (purple) then to the Super Grand Sphere being our ultimate home.

Pre-incarnational sphere is close to Earth as is the 1<sup>st</sup> natural love sphere.

Progression with Divine Love is to infinity.

Progression with only natural love peaks at the 6<sup>th</sup> spirit sphere.

We separate from our physical body and proceed to the 1<sup>st</sup> natural love sphere. If our soul condition is poor then we proceed to one of the 2 dark Planes of Disharmony to commence our development of love.

Note: The 1<sup>st</sup> Divine Love Sphere and the 1<sup>st</sup> Sphere of Disharmony may simply be planes within the 1<sup>st</sup> Natural Love Spirit World.

**POOR SOUL CONDITION is DARKNESS:**

Using Kirlian photography, this is an auric photo showing an individual who is a drug addict... notice no connection with God or Source, no love and light.

Such soul condition is reflective of the man-made emotions such as apathy, despair, depression, hatred, loathing, etc.

Even when such a personality is in an environment of bright light and vibrancy, such a personality can still only see and perceive darkness.

It is this darkness of soul that fits the person for an environment that is only of darkness. The locations to which they arrive within are of perpetual darkness and are miserable environments until they, through their own endeavours, grow in love. This may take centuries, or they can embrace the great gift of the Source Soul and ask for the Divine Love.

## Whiskey seller in darkness

<https://new-birth.net/padgetts-messages/unpublished-messages-of-james-padgett/whiskey-seller-in-darkness-unpublished/>

Received by James Padgett, Washington D.C.

March 28th, 1915

I am here, George E. Young.

I am from a city in Georgia, I mean Savannah. I need your help and assistance. I am so miserable and they tell me that you can help me – some spirits whom you have helped. So if you can do so.

I passed over in 1889 at my home in Savannah. I was married and left my wife and four children. They are all living in that place now. Yes I was a sinner when on Earth. I was a whiskey seller and sent many men to hell and damnation and now I am paying the penalties of my work. So I want help and so badly. I am tortured by the recollections of what unhappiness I caused the many men and their families. I have no physical sufferings for I have no physical body but oh if I could only go to the hell of the church and there be burned and annihilated I would do so willingly. But I cannot die, I must live and endure this great damnation. I suppose it is just but that does not make the suffering any the less. I wonder if there be a God of Mercy and Forgiveness. It seems to me that if there be, He is away far away from me and does not hear my cries for forgiveness.

So tell me if you can what I can do to get relief from this great suffering and darkness. Yes if you say there is a way I will follow your advice and try to believe.

Yes I see a number of spirits who are so beautiful and seem so happy and I only wish that I was like them. How is it that they are so beautiful and happy? Yes I see her. She says she is your mother and Oh how beautiful and good she is.

Well I will do as you say but will she talk to me? She is too good and pure to do that I fear. Well I will ask her so with all my thanks and in hope of finding relief I will say goodnight.

This message is not in the published volumes. It was transcribed and presented at the 2014 100th year Anniversary by Paul King.

**“Dear Creator, fill my soul with your great Essence, your Love Divine and I will walk this Path as your child, ever seeking to come closer to you, ever seeking to receive this wondrous Gift, ever seeking to open my eyes and my ears and my mind of the soul so that I may know truly and wondrously who You are, who I am and the wonderment that is your creation, Beloved Mother and Father. I am ready. I am willing. I have a deep desire to know, I have a deep desire within my soul to love and I want to love, Mother and Father, in all the ways that I am capable of and to be your channel of Love in this world, to bring the Light of your Love into this world, to be in this wondrous flow and harmony, to know this great joy, profound and deep, holy and joyous. Mother and Father, I am with you. Be with me within my soul. Be with me now”.**

Keea 16 May 2016

**God is God, who is our Heavenly Mother and Father, being SoulMates. There is only one Soul that is God’s Soul, that being the Soul of our Mother and Father. Our Heavenly Parents are the First Soulmates; The Two Who Are One who have brought us all into being.**

**Jesus and Mary are a son and daughter of God.**

**Jesus of Nazareth and Mary of Magdalene, being soulmates, were both free of sin. Jesus and Mary, combined in their love for us, are our teachers and guidance for us to find our way home to our Heavenly Parents. To start this journey we are to liberate our souls from being entombed within our suppressive minds, through feeling and longing for the truth of our feelings via our soul and peel away our injuries incurred since conception.**

**Give yourself time to consolidate your relationship with the Mother and Father through the partaking of Their Love. And whilst you are doing this, you can learn about your healing, all that’s involved with it, as there are many willing spirits to share their healing experiences with you.**

**When you are ready it will start happening simply because you will want it to, it all being orchestrated by your soul. And when that time comes you will have developed a strong foundation in your relationship with the Mother and Father for you to work from. We are to feel our feelings, identify what they are, accept and fully acknowledge that we’re feeling them, express them fully, all whilst longing for the truth they are to show us.**

**It is to make longing for God’s Love the priority, and then do one’s healing; should one want to include God and the Divine Love in one’s feeling healing. This is doing your soul-healing as you are seeking to heal your soul of all evilness – of that which made you become evil, and release all the hurt and pain of not being fully and truly loved.**

**WE ARE Children of God**

## WE ALL ARE BEING GUIDED HOME:

We need the Spirits of Truth of the Avonal Pair to Heal ourselves; then once Healed, (and for support (overshadowing) as well through your Healing), we need the Creator Pair, Mary Magdalene and Jesus' Spirits of Truth to see us through the Celestial spheres, while at all times embracing our Heavenly Mother and Father.

Until Mary and Jesus died and liberated their Spirits of Truth, no one from any of the worlds could leave Nebadon, because no one knew the way to do so. Nebadon is our local universe containing some 3.8 million inhabited physical worlds and their associated spirit worlds.

When we embrace the truths Mary and Jesus are revealing, and start to do our Feeling Healing, or with Divine Love, Soul Healing, we are then freeing ourselves up from our parental and self control.

Thus our journey to Paradise, to the home of our Heavenly Parents, is of our choosing as to when we progress, however, there is only one way:

**HUM:** Humanity is to ascend. We are self contained. Our soul is always in truth and perfect at all times. **By living true to ourself, true to our feelings, we are living true to God. It's that simple.**

We are to recognise that being engaged and dominated by our mind is the wrong way for us to evolve and grow in truth. We are to discard the mind enslavement that has been imposed upon as by all of our parents. We are to express our feelings, both good and bad and free ourselves of the indoctrination that humanity has embraced worldwide.

Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God's soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of our Mother and Father.

**AVO:** We are to embrace the truths and guidance of the Avonal Pair through their Spirits of Truth. It is the Avonal Pair's guidance that will lead us through our Feeling Healing, and with Divine Love, we will be able to ascend through the 7 spirit Mansion Worlds and enter the Celestial Heavens where we also interact with other world's spirits.

**J&M:** We are also to embrace the truths and guidance of the Paradise Pair, Mary and Jesus, who will then lead us through the 3 Celestial Heavens that are aligned with Earth, and then further on through Nebadon where we will then depart beyond on towards Paradise.

**M&F:** Beyond the universal zone of Nebadon, we will be guided by our Heavenly Mother and Father onwards through the universes to Paradise where we will be welcomed by them, home for us all, as we are all Children of God.

# GOD

AVO

HUM

**WE ARE Children of God**

**WE ALL ARE BEING GUIDED HOME – NOW, HOW TO COMMENCE THE JOURNEY:**

**GOD**

**M&F**

For 200,000 years, we have been misled into embracing our mind's distortion of wisdom and truth. All such traditional understandings only lead us in the wrong direction, from which we must turn back from. Our soul based feelings are always in truth. Our minds are to follow our soul based truths and feelings, not the other way round, as we have been brought up to embrace.

We are to connect with our deeper repressed feelings.  
We are to long for the truth of what we are feeling.  
We are to live true to our selves; by living true to our feelings.

Use your surface day-to-day feelings to connect with your deeper repressed feelings. Express your surface feelings and your deeper repressed feelings to uncover the truth of yourself.

**J&M**

We all have feelings which we communicate and share with each other. And we all have deeper buried and hidden repressed feelings. Feelings from our early childhood we felt, yet weren't allowed to express. These feelings are still within us, waiting to have their say. These feelings, because they are repressed, cause us all our problems.

And as we look to uncover, bring out and accept these deeper feelings, so we're taken into new ways of looking at ourselves, our feelings, and our life. We're setting ourselves free of the controlling patterns that govern our unloving behaviour.

In this way, we progressively begin to express the personality that our Heavenly Mother and Father gave us, not the one imposed upon us by our physical parents and carers. We are to be our true and real selves.

**By living true to ourself, true to our feelings, we are living true to God. It's that simple.**

**AVO**

**HUM**

As we, humanity, long for the truth of our feelings, we can also be assisted by the Spirits of Truth of the Avonal Pair who are our spiritual teachers for Earth over this coming 1,000 years, to assist us through the Great U-Turn, away from mind dominance to being soul based feeling lead. They will assist us through the seven levels of the spirit Mansion Worlds.

Then the Creator Pair, Jesus and Mary, will lead us through Nebadon and into the greater universe. Then our Heavenly Mother and Father lead us home to Paradise.

Collectively, should we embrace them all, as we are to, then our pathway home is a journey in the hands of the Spirits of Truth of the Avonal and Paradise Pairs overseen by our Heavenly Parents.

**WE ARE Children of God**

## HOW TO GET TO PARADISE:

Long for the Divine Love

Long for the Truth

Long for the truth of your feelings

Don't deny any feelings: accept, express and want to know the truth of them

Know your feelings are the key; your feelings are the Way

Want to end your falseness and being untrue

Want to understand the truth of your early life

Use your surface feelings to move deeper into yourself, bringing up your repressed feelings

Want and long to know the whole truth of yourself

Want to do it all with God, your Heavenly Mother and Father – long to Them for help.

## The Key

Our longing drives our life. We long with feelings. We can wish for things using our mind, yet long for things with our heart. These things in the pyramid are what to long for. Longing for them, when the longing comes naturally. Longing because you feel you really want them. Long to be true with all your heart. Long to live true to your feelings. Long to understand the whole truth of yourself.

PARADISE TRINITY:

1. **Our MOTHER and FATHER (God) (MF) – Divine Love**  
SOUL (God) – One SOUL that is expressing its two PERSONALITIES, our Heavenly Mother and Heavenly Father (Soulmates)
  2. **ETERNAL SON (ES) – Divine Truth**
  3. **INFINITE DAUGHTER (ID) – Divine Mind**
- Then: The Second and Third Persons of the Paradise Trinity (ES and ID) are stepped down to the local universe trinity (Mary and Jesus, Divine Minister (DM), and her Holy Spirit.

The LOCAL UNIVERSE TRINITY:

1. **MARY M and JESUS** – Our MOTHER and FATHER – Love – the Living Truth
2. **DIVINE MINISTER** – Mind (and her Holy Spirit)
3. **HUMANITY – Natural love, sons and Daughters – Truth, and our Angels – Mind**

PLANETS that engage in REBELLION:

1. **AVONAL SOULMATE PAIR** – the Feeling Healing process – incarnate
2. **DAYNAL – TEACHER PAIRS** – they do not incarnate

So in summary:

Consider a diamond:

# Mother and Father Heavenly Parents

Creator Son & Daughter  
Jesus and Mary

Avonals  
as soulmate pairs

Trinity Teachers  
as soulmate pairs

Melchizedeks – who have taken over from the Caligastians and Daligastians being also all as soulmate pairs.

Mortal Souls – human beings who individualise on Earth, then progress through the spirit Mansion Worlds, then into the Celestial Heavens, and beyond.

Mortal Souls – also being ascending spirits, upon completing their Soul Healing, join with their soulmate, then join their soul group of 24 mortal spirits, being 12 soul pairs. It is only as a soulgroup that anyone can progress beyond Nebadon.

The Paradise Pairs are all ONLY concerned with the SPIRITUAL wellbeing and upliftment of the planets and local universe. Currently to do with Earth:

Mary and Jesus – spiritual wellbeing and upliftment of the whole of Nebadon region.

Avonal Pair – Daynal pairs (Trinity Teacher Daughters and Sons) – Spiritual wellbeing and upliftment of individual planets and their associated Mansion Worlds.

The Local universal Sons and Daughters are all about the running of the worlds under their jurisdiction, and ensuring the higher spiritual elements can be employed, or sent astray, as in our cases through the Rebellion and Default.

Lanonandeks – Melchizedeks (and others, such as Life Carriers and Eve and Adam).

As the Lanonandeks all rebelled – the Lucifers, Satans, Caligastias and Daligastias soulmate pairs – so the Melchizedeks have taken over their roles, as well as doing their own.

So the Melchizedeks are the governors, overseers, the administrators and advisors and so on for Earth; they are the ‘controllers’, and they will instigate all that needs to be done to do with the ending of the Rebellion and Default. And they will enlist the willing help of ascending mortal pairs, so the mortal Celestials spirits (soulmates when available, and others waiting to unite with their partner), and at times mortal spirits in the Divine Love Healing Mansion Worlds. And the angels help all of us.

Currently the whole of Creation exists for the ascension of mortal souls from their earth planets to Paradise. It’s all one vast Grand Ascension Scheme. With all the higher and lower spiritual Daughters and Sons, together with all the many different angels and other universal spirit personalities, and even including nature and our very own pets, assisting women and men with their Ascension Journey. It being: and Ascension of Truth. Everything we do is done to help us grow in truth. (Only everything we do in our negative state is to deny ourselves our truth from our feelings, which is why we have to do our Healing.) All women and men are ascending (or growing) in truth through their experiences. And as we grow in truth by looking to our feelings to show us that truth, so we’re ascending, moving inwards and upwards through all the worlds and spheres of the Grand Universe to one day arrive on Paradise and meet our Heavenly Parents. God is providing us, Their children, with this spiritual journey called our Ascension of Truth. And by living true to our feelings, so we are progressing on our true Spiritual Path – our Ascension Path.

Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God’s soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of your Mother and Father.

**Humanity** is to pursue the pathway for Truth through one’s soul based feelings, this is the right pathway. However, humanity commences its journey founded on natural love, which we now know is to be perfected through one’s Feeling Healing process and then made divine through asking for and receiving our Heavenly Parents’ Divine Love.

For 200,000 years, **humanity** has pursued the pathway of the Mind, being that of the brain, this is the wrong pathway. The Mind is the pathway for Angels and that of all of Nature.

**CREATION of SOUL and SPIRIT:**

God is *The Paradise Trinity* — the eternal Deity union of the Personalities: the Universal Mother and Father; the Eternal Son of Truth; and the Infinite Daughter Spirit of Mind.

The soul of each human personality (sons and daughters of truth) is existential, driving our personality expression in the experiential. The soul of each human finds truth by embracing one's feelings and longing for the truth of them. We are to attain the Eternal Son of Truth. We are a creation of Truth.

The soul of angels is experiential, evolving through their experience by continually progressing in mind development. Angels are to attain the Infinite Daughter (Spirit) of Mind. Angels are a creation of Mind. Our soul is duplex (we have a soulmate) and is created by our Heavenly Parents. Through our Feeling Healing we perfect ourselves enabling the union with our soulmate, as we progress in truth up through the Mansion Worlds, celestial heavens and all the way to Paradise.

Feeling Pathway

Mind Pathway

Soulmate Pair

Angel

Spirit Person

Nature Spirit

The soul of angels is also duplex, yet of the mind, and they progress in mind evolution to Paradise. Animals, plants and nature spirits are also creations of Mind.

Neither we nor animals reincarnate. We never die; upon death, we move into the spirit Mansion Worlds on our journey to Paradise. When animals and plants die, be they the tiny microbe to the mighty elephants of the land and the whales of the ocean, their spirit energy returns to the Spirit Collective Energy. And from this energy are drawn other animals and the nature spirits, who then in turn move onto becoming angels through increasing mind experience.

A nature spirit is an angel in waiting.

WILL or FREE WILL:

**LOVE ASSOCIATED WITH ONE'S PROJECTED THOUGHTS:**

- A. Our soul is connected to our spirit body which is the template for the physical body.
- B. Every time when one prays to God from within the intellect, their prayer rises no higher than one's head. It does not go any higher because one's heart is not involved. Mindlessly repeating prayers learnt by rote is almost pointless.
- C. Projecting your rage impacts on those around you and into the spheres of disharmony, however now your heart is involved! Causing harm to others brings about consequences.
- D. Focused intention and desire for earthly creations is generally assisted by intellectually and loving spirit personalities from within the lower Spirit World Spheres, 1 and 2.
- E. An earnest longing and desire to receive our Heavenly Parents' Divine Love projects into the Celestial Heavens and brings about an immediate infusion of the Mother and Father's Love into one's soul, delivered through the instrument, the Holy Spirit, of our Creator.
- Thus, one's level of feeling, earnestness, longing and love associated with prayers, meditation and desires is relative to the success of one's communications. Our thoughts project at a speed in excess of that of light and they are received into the spirit world or worlds at a level relative to the subject matter being focused upon. At all times, love focused communications will rise to the higher spheres.

**NATURAL LOVE BLENDS PERFECTLY WITH DIVINE LOVE:**

**Both are energies. Natural Love energy forms each soul and each individual soul is unique. Our personality, intelligence, memory, and humanistic characteristics are unique. It is our gift of free will that tends to enable us to error, however, it is the uniform nature of Divine Love and Feeling Healing that brings about our growth and release of man-made negativities.**

**SOUL GROWTH UP THROUGH MANSION**  
**SPIRIT WORLD SPHERES:**

- A. We all arrive into the 1<sup>st</sup> sphere before being drawn to where we are suited. Living on Earth is typical of living in the hells – being the Planes of Disharmony. With one's natural love and mind dominance, one can pay their compensation – being pain equivalent to the pain they have caused others and one's self. In this manner, one can progress through mind mansion worlds 1, 2, 4, and 6. With natural love only, one cannot progress beyond the 6<sup>th</sup> mind mansion sphere. The mind mansion worlds are self reliant experiences.
- B. Should one embrace the Mother and Father's Divine Love while advancing within any of the natural love mind mansion worlds / spheres, then one will be draw to the 3<sup>rd</sup> Divine Love mansion world to commence their soul healing which is doing their feeling healing whilst longing for and receiving Divine Love. This process overrides the Law of Compensation as the soul healing is experiencing one's repressed childhood injuries and liberating one's soul will. Progression is through spheres 3, 5 and 7, and then into the Celestial Heavens. With the receiving of further Divine Love, one evolves even further.
- C. Presently, we can embrace Divine Love here on Earth, on transitioning into the 1<sup>st</sup> spirit world, we will continue with our Feeling Healing while longing for Truth and the Divine Love and progress through worlds / spheres 3, 5, 7 and into the Celestial Heavens.
- D. For those who do not embrace God, one can embrace their Feeling Healing and perfect their soul whilst paying their compensation and reach the 6<sup>th</sup> mansion world. With a perfected soul, having also resolved their childhood repression, one may then embrace the Mother and Father's love and progress directly into the 7<sup>th</sup> Divine Love transitional sphere and then into the Celestial Heavens and onwards. This is how it was meant to be.

### UNCRUSTING ONE'S SOUL:

One's soul is always perfect. One's soul is a creation of our Heavenly Parents, and Their creations are always perfect.

Their great gift to us is free will. We have the option to embrace Their will or freely do as we please, we have free will.

As we progress through our early childhood years we absorb the attitudes, beliefs and habits of those within our environment. Some of these are in error. Such emotional errors and injuries melded with errors in belief encrust one's soul with unhealthy and unloving energies. These encrustments retard the flow of loving energies into one's soul. Such soul having created one's spirit body, which in turn is the template for one's physical body.

As we become aware of our Mother and Father's greatest gift in all of the universes, we can ask for and receive this gift, being Their Divine Love. It is a light golden blue energy substance that will progressively through one's Feeling Healing process dissolve the injuries and errors that may have enmeshed one's soul. Feeling Healing with this Loving energy will slowly enable each of us to break free of past held erroneous beliefs and injuries that we have drawn upon ourselves. We can cast this shell off, such shell which is endeavouring to imprison us in misery.

With the Love of our Parents, the beauty with which we were created can come to the surface and we can then proceed to progress beyond the ceiling that our natural love formed soul has in development. Feeling Healing with the vibrant energy of Divine Love can enable us to live a life here on Earth as though we were in Heaven. All we need do is ask for It.

The Love of our Parents' is the greatest gift for all of humanity, without exception and without condition other than the longing for and the asking for it, at anytime, at any place, and in any way one so pleases. Enjoy the journey!

Received by James Padgett, Washington D.C.

February 25th, 1915

I am here, Prof. Salyards.

Well I am very happy and desire to write you on some phases of spirit life that I have observed in my experience of progressing.

I have noticed that the spirit when it first comes into this life, is very often in a condition of darkness, not realizing where it is or what its surroundings are, and in many instances, it requires quite a long time for the spirit to realize that it is not still of Earth. But in many cases this is not the condition of the spirit, for it seems to have an immediate understanding of its condition and surroundings. I attribute the first mentioned condition to be due to the fact that, when on Earth, the mortal had no definite belief as to what the future life might be; and in many instances believed that the soul went into the grave with the body, to await the great resurrection day.

Some of your religious denominations are preaching that doctrine now, and, the consequence will be that all those who believe the doctrine will experience the condition of darkness and the want of knowledge of the continuity of life that I have spoken of.

The second class of spirits, or those who appear to realize immediately that they have passed from Earth to spirit life are those, who, while on Earth, believed that the spirit when it left the body passed immediately into the Heavenly Spheres, or into the opposite – I mean the place of the wicked. I know that many of this class have hardly realized that they were in heaven or hell, for some little time after their entrance into spirit life.

Well, as soon as the spirits realize fully that they are no longer of Earth, they commence to inquire as to where they are, and many of them ask questions that indicate that they are disappointed in not realising the expectations that they had while on Earth. It is very difficult at times to convince them that there are no such places as the heavens and the hells as taught by the churches; for while our spirit world may be a heaven or hell to them, yet the heaven or hell that they expect to find is not here.

Some, on the other hand, do not seem to understand that they have really left the Earth, because, they say, if we had left the Earth life, we would know nothing – quoting Job and some of the preachers: "the dead know nothing."

I have been very much interested in observing these different phases of the departed spirits' beliefs and thoughts. Now all this shows the absolute necessity of mortals understanding the truths pertaining to life and death.

This affords a very strong argument why Spiritualism should be more extensively and earnestly taught to mortals and why the false doctrines of those who teach either that the dead know nothing, or that the departed spirit goes either to heaven or to hell in the orthodox sense, should be shown to be not only a false belief, but injurious to mankind.

Let the believers and teachers of Spiritualism make greater and stronger efforts to refute these harmful teachings, and they will be doing the cause of truth and of man's happiness a great good.

I am not only interested in these phases but in all others, which show that the spirits, even after they realize that they are still alive, and must live as spirits continue to show the fact that their orthodox teachings are false. Some say that they may yet be able to go back into the body and await the great resurrection day for deliverance, and say that they will soon see God, and that He will take them into His heavens, where they will find that eternal rest and peace that they were taught to expect when on Earth; and the wicked, even, look in dread to have some devil come and carry them to the hells where torture of the most terrible kind they think awaits them.

From all this you may understand that we spirits who know the truth have a great work to do, to enable these darkened spirits to understand and believe that their false hopes and dreadful fears have no foundation in truth and will never be realized.

This work many spirits are engaged in doing and these spirits are not necessarily of the higher kind, for many spirits who occupy the Earth plane and have no real spiritual enlightenment, are engaged in this work.

I am not now engaged in causing these dark spirits to see the truth, for I have progressed to higher things, and my mission is to teach the truths of the higher life, which I have been taught by spirits who live in higher spheres.

This work to me is one that is not only interesting, but which gives me the great happiness that comes with the realization that I have been the means of leading a spirit to learn to love God, and to receive the happiness which the love of God gives to spirits. I tell you that this teaching is the grandest that I ever engaged in in all my life. When on Earth, as I taught and saw the young mind develop, I found much happiness in the knowledge that I was doing some good, but here, in my teachings, when I see a soul develop, I realize that I am doing a spirit that greatest of all good in bringing it at one in love with the Father; and happiness here and that of Earth, is as the soul development is so much greater than the development of the mere mind.

My work is not confined entirely to this teaching; I also am engaged in trying to assist mortals to a true conception of the life here – I mean the spiritual part of this life. No man is entirely without spirit influence, whether good or evil. Many are susceptible to the influence of the evil spirits, and for that reason the work of the good spirits is so much more difficult. There is in man's nature that which leads him to evil thoughts so much easier than to good thoughts. This is an old saying, I know, but is a true one, and the fact that it has been said so often and for so long a time, does not decrease the importance of it as a truth. So while men have felt this evil inclination in their nature, the fight between the good and evil influences will be somewhat unequal. The advantage though with the good influences is that what they suggest is truth which will never die, while the suggestions of the evil influences last only for a comparatively short time.

When the material gives up the spirit being which it clothes, that being will then be relieved of many of these natural tendencies to evil thoughts and deeds; and while this mere separation does not make a devil a saint, it makes it so much easier for the spirit to get rid of many of these evil tendencies, and makes him more susceptible to the influence of truth and goodness.

You must not think from this, as soon as they have been in the spirit world for a little time, they become good spirits, for that is not true. Many evil spirits have been in the spirit world for a great many years, and yet have their evil thoughts and desires, and all the evil qualities of hatred, malice, envy, etc., as when they were on Earth.

Their giving up the Earth life did not deprive them of their will, the greatest force or power that God gave to man, except that of love. And many of these spirits refuse to exercise their will in a way that will enable them to rid themselves of these evil thoughts and desires.

So you see, the mere fact of becoming a spirit does not mean that the mortal has become a good and saintly spirit. No, I am sorry to say that many men who were very evil on Earth are still evil as spirits; and their happiness, which they think they have, is only that happiness, which they, as men, thought they realized from the exercise of evil thoughts and acts. Yet there is one great redeeming fact connected with their dark and sad condition, and that is, that in the end, whenever it so pleases God, all evil will be banished from the spirit world, and all spirits will be given that happiness which comes from a nature free from sin and error. Not by the fiat of God, but by men seeking and doing those things that will free the soul from sin and error and again come into harmony with God's laws. Just such I imagine as Adam and Eve (Aman and Amon) enjoyed in the historical Garden of Eden.

But that happiness, while of a character that brings much contentment and peace, yet is not the true happiness which God is waiting to give all His children who ask and seek for the inflowing of the Divine Love in their souls.

I will not discourse on this great happiness tonight, as it would take too long and you are somewhat tired; but will say, that all men should seek for it both on Earth and in the spirit world. When on Earth I did not have it, but since I came here I found it, and now possess it, thanks be to God and His loving kindness.

You folks all have it, and many others too numerous to mention.

Let me stop now as I am tired and you need to rest.

So with all my love and best wishes, I am your old professor,

Joseph H. Salyards

**Feeling  
Healing with  
Divine Love is  
the key!**

**“Mother and Father, open my soul to this Gift, Your Love. Open my soul and may Your Holy Spirit touch my soul and pour within it your essence, your Love that I may be transformed, that I might be your true child, embraced and carried, lit along my life’s path in the glory of your Light and care and protection.”**

### LOVE of the MOTHER and FATHER:

We mainly commence our journey of discovering our relationship with our Heavenly Parents, God, through the intermediary relationship of one of many religions and the even more numerous religious institutions. Frequently we have given our power and rights to an intermediary to intercede on our behalf. Our Mother and Father seeks to commune directly with us.

As we progress in our development and growth of love for our Mother and Father, our Creator and Source Soul, then we find a relationship and personal love for and with Them. This developing personal dependence on our Parents can and is supported by our religion teachers as well as by our never tiring spirit guides. Asking for, praying for and receiving the Parent's Love, Their Divine Love, which is always available for us, is the ultimate blessing that can only come about by the development of our own personal relationship with our Heavenly Parents.

As our soul develops and expands with the infusion of the Love, our relationship and love of Mother and Father develops into the beautiful joy and blessings that is there for us all. Our personal relationship and dependence becomes all embracing erasing our childhood developed intellectually based self dependence.

With the Parent's Love, and one's Feeling Healing, comes an ever growing loving life experience that is beyond words and expectations. The Love of the Parent's, with Feeling Healing, is the only gift that brings about forgiveness of our errors and fits us to enter the higher spheres well above those based on self reliance and natural love, the only love that we are blessed with at conception.

From the moment of conception / incarnation we absorb the emotions of those within our environment, mostly those of our parents. By the time we are around seven years of age we will most likely reflect the emotional structure / soul condition of one or the other parent. Thus, generation after generation remain within the same soul condition envelope. Our gene structure reflects one's emotional and soul condition. Should we grow in love then genes will adjust to reflect this evolutionary development.

When the environment is one of anger, fear, apathy or such like, then blaming outside circumstances is resorted to. Thus, generation after generation may blame outside circumstances and others for their unsatisfactory life predicaments, when it is of their own making.

**Like Father – Like Son**

**Like Mother – Like Daughter**

As individuals within family environments step away from the norms of the family and develop their love of self and the love for others then a shift away from generational patterns is achievable. This can be on significant scales, such as when whole communities embrace love and move into higher levels of soul condition. This can see positive major shifts in the social environment within communities. Educational systems may find students performing better, health systems may have less taxing demands on services, and policing services may have less call on their workforce. All in all, the prosperity of the community grows.

The greatest joy within observing such a development is that old grievances that have been handed down from generation to generation can and are put aside and more constructive agendas then dominate discussion.

## DIMENSIONS of ONE'S EXISTENCE:

Our SOUL IS NOT ENSOULLED IN OUR SPIRIT BODY. Our soul exists existentially in a whole different level or plane or place or dimension of being – 'soul land'. It doesn't exist in Creation, it's not experiential like Creation is. The soul, all souls, help create their part of Creation by expressing their personalities into Creation, and then by having their personalities do things (further create) in Creation.

SOUL exists existentially

Our Physical Body and our Spirit Body are of Creation, being linked together by cords of light as are the two spirit bodies, male and female, to the one Soul.

One's unique personality is soul based. Our unique soul expresses its unique personality through the two spirit bodies and physical bodies expressing both the male and female aspects.

## PERSONALITY

**Our soul is the centre of our personality.  
We are children of our Heavenly Parents.  
Our soul manifests a male and female personality - it is a duplex!**

## HIERARCHY of our SPIRITUAL GUIDANCE:

Our Heavenly Mother and Father permanently reside within Paradise, an island stationary world surrounded by Havona, in the centre of seven Super Universes.

Our Heavenly Mother and Father, being one soul manifesting two personalities bring about the creation of:

Creator daughters and sons – Michaels

Magisterial daughters and sons – Avonals

Trinity Teacher daughter and sons – Daynals – and others.

The Michaels and Avonals have Spirits of Truth to be released to assist the humanities on their assigned inhabited worlds.

Each Super Universe consists of 100,000 Local Universes.

Each Local Universe is overseen by a Creator daughter and son, our local universe is called Nebadon and Jesus and Mary Magdalene are the Michael pair and regents.

A local universe consists of 10,000,000 inhabitable worlds of which 3,840,101 are inhabited within local universe Nebadon.

A local universe consists of 100 constellations which is made up of 100 systems. Each system has 1,000 inhabitable worlds. The system that Earth is in is Satania and 619 worlds are inhabited.

Emanating from within the Local Universes are Melchizedek, Vorondadek, Lanonandek, Material and Life-Carrier pairs. None have spirits of truth – they are not from Paradise.

From within the Lanonandeks, assigned to oversee the system Satania, which includes Earth (Urantia) were the Lucifer, Satan, Caligastia and Daligastia soulmate pairs, who rebelled. Further, Adam and Eve, the Material son and daughter, defaulted because of the Rebellion. All failed in their assignments, causing us (humanity on Earth) to be spiritually misled for 200,000 years – that is why we are all ‘insane’!

Earth has had five higher spirit physical bestowals:

Daligastia soulmate pair being Lanonandeks

Adam and Eve soulmate pair Material son and daughter

Machiventa Melchizedek soulmate pair

Creator daughter and son – Jesus and Mary Magdalene

Avonal daughter and son who are yet to commence their public ministry.

**OUR GUIDANCE to PARADISE, the home of our HEAVENLY PARENTS:**

There are three distinct phases of our progression to the home of our Heavenly Parents which is Paradise that is within the circle of seven Super Universes, each containing many Local Universes.

Once we progress beyond our Local Universe of Neadon, then we are assisted and guided by our Heavenly Parents, our true Mother and Father all the way home to Paradise.

Before then, once we have completed our soul healing, we are guided through the Celestial Heaven worlds which are those that interact with humanity on Earth, then further on into and then out through Neadon, our Local Universe. The regents of Neadon are Mary and Jesus.

However, before then, we are to embrace our healing. That is, we are to realise who we truly are. We are not the personalities that our parents imposed upon us. We are to put aside our childhood suppression and repression and free our true personality that our Heavenly Parents gave us, and to do this we are now able to embrace the guidance of the Avonal Pair who will lead us through our healing here on Earth and through the Spirit Mansion Worlds to be able to enter the Celestial Heavens.

## **Jesus: Assistance in the Spirit World among Spirits.**

Received by D.L.

July 27, 1987

I am now here to write, my dear brother in Christ, and I come to you today as usual to impart my thoughts and words to humankind to assist them with their growth and development which comes from a clearer appreciation of those soulful requirements necessary to attain to their yearned for progress. I am your brother and friend in spirit, Jesus, who is Master of the Celestial Heavens and the eternal leader of our church on Earth.

Today I wish to discuss a topic relating to the growth and development phase discussed in my last message to you. As you will recall, I have discussed change and growth as initiated by the soul aspirations to obtain such growth, commenting on how help and assistance can be gained by prayer to the Father, by association with us, and by the help that mortals can give to one another.

I would like to carry this one step further by explaining how assistance is accorded or provided in the spirit world among spirits. As you know, when a new spirit arrives, he is usually met by friends and relatives in an attractive location, and is made to feel as welcome as possible. In time, it is given to some spirit to explain to the new entrant where his new residence is to be in accordance with his true soul condition — this location corresponding with that soul condition. And, usually, if the location is to be a lower one, in one of the hells (Planes of Disharmony), the new spirit is told that both his condition of soul and his unhappy environment is not fixed but can be changed for the better through attending to the advice and direction of more elevated spirits who are always willing to lend a helping hand to those who are sincere in their desires to advance themselves and to attain to greater happiness and light. Of course, prayer to our Heavenly Father is also recommended as the most important and effective approach to improvement that a spirit can adopt and employ.

However, even though some instruction is offered, you have also heard that, once the spirit arrives in his dreary condition of darkness and unpleasantness, among like spirits of similar want of soul development, this instruction is more often than not forgotten by this new spirit who, at first, is simply more concerned about adjustment to his new location than about a possible way out of these unpleasant circumstances of living. And this is not to be wondered at, for sometimes the new entrant finds himself in such poor circumstances and among such ill-suited companions, as he thinks, that he has all he can do to attempt to just acclimate himself to the shocking circumstances of his deplorable conditions of living. The thought of progress, growth, and development simply does not occur to him in the face of such misery-laden conditions. He has all he can do to attempt to "survive," if you will, in the hell of his own making, even though he does not at first realize that he is where he is precisely because his environmental conditions and his poor associations among spirits of like disposition have been determined by the nature and condition of his own soul at that time — this, the result of an abysmal want of true soul development that could have been gained by him, but which was forfeited by neglect during his days on Earth.

So, you see, there can be a very long period of adjustment that follows this entrant's awareness of his new and shocking life circumstances. And, oftentimes, owing to the despairing effect such circumstances tends to have, the new entrant becomes more or less convinced that his living conditions are really permanent, and that any earlier information given to him about a possible escape from these

circumstances must have been imparted falsely, and perhaps even as yet another means of increasing his suffering by the giving of hope where no hope truly exists. And if added to this is the false belief about the permanency of hell, which orthodox teachings impressed him to believe, this convinces him even more that his circumstances are hopeless and beyond redemption.

Of course, as you know, no child of the Father is ever condemned to an eternity in a hell, and all will eventually make their progress to higher planes of light and happiness, even though such a transition may take as long as centuries to effect in some cases. But the point remains that the growth and development of some of the more vile and sin-laden spirits is greatly delayed, and much of this delay is owing not only to expiation of sins in accordance with the workings of the Law of Compensation but also to the further delaying effects of false beliefs and the want of knowledge of those practices which would make for soul development and advancement.

On Earth, such souls, of whom I am speaking, have never exercised those thoughts and deeds that would have provided the experience and eventual knowledge and ownership of those means that would have begun their progress on Earth so that, upon entrance into spirit life, they would not only have avoided the hells altogether, but also would have found themselves well on their way to higher spheres of light and happiness. And, so, because of this attrition, or want of soul development on Earth, it becomes immeasurably harder for them to learn of heavenly things in hell where such despairing conditions makes the prospect of any growth seem all but absolutely futile.

So, from this, you will understand that the time to start one's progress is definitely on Earth as mortals. Earthly conditions, while not always ideal, are far more positive and conducive for encouraging growth and progress than any of the hells. And if a start is not made under more ideal or favourable conditions of living, perhaps you can imagine how truly difficult it is for a spirit in a hell to initiate soul growth and advancement. He may indeed have benefit of advice from spirits in a more elevated condition than he is in, but what effect or impact will such advice have in the face of deplorable living conditions, and a total or near total lack of familiarity on his part with those exercises of good thoughts and deeds that are necessary for his progress to begin? Without having exercised the soul qualities for helpful service on Earth among many of good and kindly disposition, how is one to begin to exercise such qualities of service among those whose soul conditions are equally impoverished; and, in the place of goodness or kindness, there exists in one's associates only hatred, bitterness, and a desire to hurt or harm others with whom they come in contact?

And, so, while in my last message I emphasized the positive nature and rewards associated with mortals helping other mortals, I thought that in my message of today I would emphasize the importance of helpful service and soul growth and development so as to avoid the negative nature and punishments that will accrue through wrongful soul exercise or the neglect of soul development on Earth. The time to begin one's progress is the ever-present now. And this is especially true and important where mortals are concerned, because the Earth life is the intended period of probation where the skills of proper living and soulful advancement are expected to begin to take place. It will not do for mortals to rest on the thought that their destiny is beyond their own making, and that one has little choice but to wait passively to see what lies ahead. The destiny of all souls is very largely of their own making.

And, so, in summary, the process of growth and development depends upon both the positive application of good thoughts and deeds and the avoidance of sin and error. And, also, such development depends upon humankind recognizing that with the life the Father has given them comes the responsibility of

using their God-given talents to live in love and harmony with each other, and to develop their souls ongoingly through service so that their destinies will be truly happy and fulfilled ones, both on Earth and in the spirit existence and life to come. And, of course, over and beyond all of this is the Great Love of the Father which is ever available to His aspiring children who seek the greater development of transformation of soul through fervent prayerful petition. With such transformation comes angelic status, as you know. However, not all will seek this greater Way to the Father's Love and their own greater happiness. But, if not, there is still the lesser but important goal of soul restoration and perfection which all must still attain to.

And, so, I ask, will this destiny of restored perfection and happiness through soul growth and development be gained minute by minute and day by day; or, through violation of law or neglect of soul development on Earth, will this happy destiny be deferred for perhaps as long as centuries to come? This choice is ever before humankind. But I would encourage them to delay their happy destinies no longer, and to begin to apply their good thoughts and deeds as a daily exercise in their lives from this day forward, so as to both avoid the sorry fate of some I have previously discussed and to ensure their quicker advancement and concomitant greater happiness.

I am happy at the successful way in which you received this message, and will leave you now with my love and blessings.

Your friend and brother, Jesus

## Jesus: Our Lifelong Ministry.

<http://new-birth.net/contemporary-messages/messages-sorted-year/messages-1984-2000/jesus-our-lifelong-ministry-dl-11-june-1987/>

Received by D.L.

June 11, 1987

I am now here to write, my dear brother in Christ, and I am most happy to bring you my thoughts and words with regard to D. R's candidacy. I should first like to say that he has done exceptionally well in his course of study, and that we in the Celestial Heavens have been following his progress with great interest, not only in terms of his present studies but also in terms of his soulful development over time. And we are happy to say that we fully approve of his ministerial candidacy, as we feel that he will make a fine addition to our ministerial force on Earth.

In truth, the end of his present formal study is only the very beginning of his lifelong ministry. And by "lifelong," I am referring not only to the mortal existence but also to the work that still lies before him and before you all on the spirit side of life. For I am sure you all know within your hearts and souls, once one places his feet firmly upon the path of service to our Loving Father, there really is no other direction and purpose but to move onward and upward in one's pursuit of complete at-onement with God.

And, so, dear brother D\_\_\_\_, we welcome you to our growing family of love and dedication to the Father, and to the work of disseminating His Truths to a soul-hungering world. And, indeed, when I say "world," I am including the spirit world as well, for I know that, along with us, D\_\_\_\_ also sees the necessity of carrying this work into the spirit world. And I would encourage him to continue his spirit services through the reading of our messages and through the words he would also like to express from the sincere desires of his own soul to those in spirit life who have lost their way, and who are indeed looking for someone who can put them on the right path to soul salvation and happiness.

I know that it is said by many that one's concerns should be directed toward the so-called here and now — meaning the Earth life and its many problems and challenges. But there is a vast world beyond the material world where the needs of your brothers and sisters are every bit as great, and many times even greater than the needs of those on the mortal plane. And, so, when good souls such as B. R. and D\_\_\_\_ reach out with their hearts to help their brothers and sisters on our side of life, they perform a service of exceptional importance. There are myriad spirits in need of counselling and direction, and we need all the help we can get in attempting to reach the lost souls with the Light of the Father's Truths. Without the desire of some mortals to assist us in this work, many spirits might continue in darkness for many years to come. For, as you know, strange as it may seem, many spirits, and especially those who have passed over recently, comparatively speaking, will not listen to the higher spirits who attempt to counsel them. In accordance with the Law of Attraction, they are much more disposed to listening to spirits on their own level, or to mortals whom they still look upon as having the closest kinship with them. The problem, of course, is that few spirits and mortals on their own level have knowledge of any of the Father's higher Truths, and circumstances are often reduced to the blind leading the blind. But as in the cases of Eugene Morgan, Mr. Padgett, and Dr. Stone, although they qualified as having kinship with their spirit listeners in terms of surface appearances — or, in other words, as "fellow mortals," so to speak — fortunately, for those who were attracted to these three, these men, represented those exceptionally few mortals who possessed the Truth, and who could and did lead many spirits to their salvation and happiness.

Well, I realize I have somewhat departed from the principle intent and purpose of conferring my approval and blessing in awarding D\_\_\_ his ministerial ordination, but I have not lost sight of this original intent. And it has been my pleasure this evening to come to you and to extend my approval of D\_\_\_, as I have. My Celestial brethren join with me in welcoming D\_\_\_ to our fold, and we look forward to his spiritual progress and continuing service to the Father and all His needy children. And, of course, when I say this, you must understand that our approval is indeed backed by our Heavenly Father as well.

And, so, my beloved co-workers, we are indeed pleased to have another join us, and we are looking forward to the days ahead when our numbers will increase by leaps and bounds. With your help and all our own Celestial forces, God willing, that time will not be long in coming.

God bless you all is the parting wish and prayer of your brother and friend, Jesus

## **Does Mother Earth react to human negativity?**

<http://new-birth.net/contemporary-messages/messages-sorted-year/messages-2005/keep-the-message-on-love-ks-11-nov-2005/>

Santa Cruz, California, Received by K.S.

November 11, 2005

I prayed and prepared myself to receive a message, if I was in condition to do so. I had 'someone' help me move my m's exaggeratedly up and down, which lets me know a spirit is present and is willing to write, if I am. I wrote: "I just thought of a question, perhaps it was 'given' to me. Is there truth in believing that Mother Earth responds violently to humankind's negativity?"

Celestial message: You know the saying that "everything gets worse before it gets better," but you know that can't be true because that would imply that everything is always getting worse. Oftentimes it is the necessary changes in life's conditions which are interpreted as being worse because people resist change, but in order for things to improve, changes need to occur.

Yes, Earth Mother does react to the negativity of humankind; and, yes, people do attract their own compensation for their unloving ways. It will always seem as if the punishment does not accurately fit the crime because the innocent suffer along with the corrupt. But, as you know, when souls enter the spirit realms, they go to a place which is exactly suitable to the condition of their soul. Spirits whose love nature is developed go to a light-filled location, where they feel comfortable in the company of others of like mind and heart. Spirits whose souls are covered with evil thoughts and recollections, of course, go into darkness. They are more comfortable there than they would be in the Light. God is infinitely merciful, even in this seeming "punishment" (which is only what souls have attracted according to their own choices of action and will).

But for those left behind on Earth, obvious changes will need to be made. How these come to pass is up to the individuals involved. Some will be motivated to take action in certain directions to bring about changes for the betterment of all. Some will be confused and lost. Others will do whatever it takes to make the transition as easy and painless as possible. There is no 'one' right way. It is an individual matter, and one which could open people's hearts to work together in love, or bring about more bitterness and disarray.

Prayer helps each step of the way. Angels and loving spirits abound, and in turn influence mortals to try to help. But when the inharmony has reached such gigantic proportions, it will take a major overhaul for the situation to come into alignment with harmony, goodness and love.

When people have unrealistic expectations about what others can do, or what help they deserve, they may be disappointed because it may be beyond the ability of even well meaning people to provide the assistance needed. There is no quick fix, any more than there is a magic solution. It will be worked out slowly, but surely.

The spiritual laws will always apply – one gets back what they put out. When people are motivated to help in ways that they can, they will receive blessings for their efforts. When people become angry and frustrated, they become less effective, and cause themselves unhappiness as well. Continue your prayers for the 'survivors' and for the ones who have passed over. God hears all prayers and they bring about positive results for those being prayed for, and for the petitioners as well.

There is a limit to what a person can do to help bring about positive changes in the Earth life. People's attitudes are not easily changed by well meaning prayers for harmony and peace to become established. There isn't always the means by which to provide all the material assistance required when catastrophe happens, which may seem to justify such attitudes as, 'why haven't we been provided for?' or 'why have we been left here to die?' This can lead to a lack of communication, which prevents people from working together in love.

Resolving these kinds of problems may become an important bridge to build, and if a bridge to understanding comes to pass, tragedy then serves a positive purpose. Many inroads still need to be made in seeking to cooperate with one another, hanging on less tenaciously to one's own point of view and interests, and being willing to bend and change.

Humility is the touchstone for an entrance into God's Kingdom of Love. God's lace Kingdom of Love can become established on Earth when you become aware of the importance of loving one another and loving yourselves. But first you need to learn the definition of Love and self love – it doesn't mean, "I'm right and you're wrong." There is no evidence of humility in that statement or attitude.

The only way to go from the bottom is up. Each individual soul will choose which pathway to follow: to take responsibility for him or herself, or to blame; to do one's best to make positive and loving changes, or to wallow in self-pity and negativity. Answers on the material level seem to be out of balance and unfair, so keep praying, and seek solutions on spiritual levels where greater harmony and balance will become more apparent.

You may not feel that I have satisfied your question about how to bring peace and harmony out of chaos, but it is something which isn't within your ability to achieve for the masses. Each person needs to attain a harmonious place for him or herself. This can best be achieved with God's help. Each person has the ability and potential to develop a Love Connection with their Loving Creator, it's a free will choice of each individual.

The Law of Eventual Harmony will come to pass, it is a decree of the Creator Soul. No one's opinion or decision to create their own "law" or interpretation of God's Law, will change the fact of what is destined to be. Pray for God's great Love to flow into your soul, have faith in the Power of this Grace. Do your best, give your love, live one day at a time, and know all will be well. Worry and anxiety will not help establish peace and harmony in the world.

Love and transformation of soul will help bring love, peace, joy, and harmony into your existence. It might be compared to looking through 'rose-coloured' glasses, but as your soul becomes changed by God's Love, your outlook will change and you will see goodness even in what appears to be harsh lessons, because the result will be getting rid of negative effects of previous inharmonies.

Thank you for allowing me to write through you this morning, and, yes, it was I who gave you the question about the violence of Earth Mother of late, and to let you know it has much to do with humankind's negativity. I love you and all of God's children. We have a huge army of Celestial angels who are busy on Earth at this time to guide and protect our workers, and to help them represent the Truths of God's Love in their daily living. Do not despair, have faith in your goodness and the Power of God's Love in your souls and you will continue your spiritual growth and enlightenment.

I am your friend and brother in the Christ Spirit, Jesus of the Bible and Master of the Celestial Heavens, along with many of my compatriots.

“The spirit, that is to say, the soul and its spirit body, may live for all Eternity, if God so requires it, even if it does not possess the consciousness of immortality through possession of Divine Love, and it will certainly continue to live throughout all Eternity – the soul and its indissoluble spirit body – if it does possess the Divine Love, Immortality and At-onement with the Father.

“As soul cannot be taken from, or torn from – or in any other way deprived of – its spirit body, once it has come to the spirit world, it would be equally impossible for the spirit body to enter the human body of another human being, for only a soul without a spirit body can enter a human body, and on the death of this body, the soul manifests its spirit body (the spirit body having being formed at conception of the child – conception attracts the soul, the soul with the forces of the parents creates the spirit body).

When a human being dies in the flesh, his soul has already achieved under ordinary circumstances the purpose of his creation, that is, individualization and the creation of receptacles for soul's, and in his spirit body, in size, shape, appearance and nature, is the complete creation without the envelope of flesh.”

ASPECTS of LIFE:

<u>Physical / material body</u> Brain	→
<u>Spirit / etheric body</u> Mind	→
<u>Soul + Spirit Combination</u> Senses Desires Memory Passions Intention Free Will Emotions Creativity Awareness Personality Aspirations Intelligence Consciousness <u>The Real You is your Soul!</u>	→

The spirit body is composed of a different kind of matter, "finer" or more "ethereal". The fact that its aspect reflects the condition of soul is a clear indication that the soul influences largely its formation, and even more, the soul is indeed the creator of this body, which covers it and provides it with the characteristic of individuality. The formation of the spirit body begins at the moment of incarnation of the soul in the foetus, incarnation which only takes place should there exist a high probability that the spirit of life has found in the new organism a stable biological structure, allowing it to carry out its life-giving function.

P529 Judas of Kerioth 8<sup>th</sup> May 2002

**At the moment of conception, we incarnate, that is, we achieve individualisation and become self aware and we are then able to exercise our free will.**

**At the moment of conception, our soul, being our real self, is creating the newly forming embryo and everything else every step of the way as Judas says above. And our soul utilises our parents' life forces to achieve incarnation.**

**At the moment of conception, there is nothing of the Divine within us. Only as we proceed to ask for and receive Divine Love does our soul slowly and progressively change into the nature of that which is Divine. As our soul receives Divine Love, and embraces Feeling Healing, it will grow, and grow, and grow in brilliance and into that which is Divine.**

### The REAL YOU is the SOUL:

One's personality, natural intelligence, memory and human attributes all are soul based. The soul initiates conception so it can start expressing one of its two personalities in Creation. It creates the will, then 'wills' the spirit body and physical body and all that connects them with the will into being. Our soul constantly sustains or expresses us, one of its two personalities, in Creation. The spirit can't separate from the soul because the soul keeps it in existence. We need our spirit and physical bodies to experience our personality through. When the spirit body separates from the physical body, one continues on living in a different form without losing any of the attributes experienced during physical life. Incarnation is the process of individualisation of the soul.

Without a soul, our physical bodies would function and interact similarly to that of a domestic animal. An unsouled human body (thought not possible) would respond like a household puppy! Domestic animals calibrate on Dr David Hawkins' Map of Consciousness between 200 and 250, the human body calibrates at 200. All animals have spirit bodies, these do not survive into the spirit Mansion Worlds. Our SOUL IS NOT ENSOULLED IN OUR SPIRIT BODY. Our soul exists existentially in a whole different level or plane or place or dimension of being – 'soul land'. It doesn't exist in Creation, it's not experiential like Creation is. The soul, all souls, help create their part of Creation by expressing their personalities into Creation, and then by having their personalities do things (further create) in Creation.

**Our first parents, Andon and Fonta (also called Aman and Amon), were the first to exhibit human perfection hunger some one million years ago (993,500 years ago). Adam and Eve, Adamite bestowals, arrived some thirty eight thousand years ago – or earlier.**

**Aman and Amon** were the first True Humans, which means, the first soul expressing its soulmate pair, its two personalities, in Creation – on Earth. From which came forth the rest of us. So they had a soul from the start, which separated them from their animal parents. It's the soul that wants to fully express itself through its two personalities perfectly in Creation, which is the so-called 'human perfection hunger'. It, our soul, wants to be Perfect like its Heavenly Parents, the Soul that Created it. We, focused as personalities, want to be perfect, like the Personalities of our Mother and Father that are Perfect. Our soul wants to be like Their Soul. Our soul wants to ascend us to Paradise so we can be with Them, as physically close to Them on a personality level that we can be, and then see what happens.

There were aunts and cousins, parents and grandparents. But they were not human like Aman and Amon – they were really animals, though of the same species. Aman and Amon wandered off from the family, since they could find no way of relating to them at all. How could they? They were incapable of rational thought, speech, or anything human. Aman and Amon knew that forevermore that they were apart.

Aman and Amon may have been twins. They were indeed a primate species of humanoids. But they, themselves were more beautiful than their animal relatives, and they knew, even from their very appearance, that they were marked even by Nature to be different.

## **Divine Love remains within a soul.**

Melbourne Australia, Received by Nicholas Arnold.

<http://new-birth.net/>  
February 16th, 2008

Let us continue this good work.

The First Parents received Divine Love before the creation of their error which was the cause of their souls to no longer receive Divine Love. This has been noted before as the Withdrawal of Divine Love by the Father from the First Parents and their created error. The Divine Love that their souls had received was not withdrawn from their soul; the Father being all loving, wise and merciful has not created a Law that can retract the Divine Love from a mortal soul once that soul has received the Love by the working of the Law that enabled the Divine Love to be received by the First Parents in the first place. The First Parents, upon the conclusion of their Earth life, went to the First Natural Sphere and progressed to the 6th Natural Sphere where they resided until Jesus was born and the Divine Love was rebestowed and the Divine Love Spheres and Celestial Heavens were re-opened. This may seem a long time in Earth years, however as it has been explained, time in spirit is always present and so for these two spirits their life in the Natural Spheres was considerably happy. Even though they committed an error which was in contradistinction to the Father's Plan, their compensation which required forgiveness, was found relatively soon for they had recognised the error of their way, whilst they were still on Earth.

The First Parents did not spend a long duration in the Spheres of darkness for their error had been forgiven and their own compensation had been accounted for in their own souls with the Father. The First Parents and their life was such a unique experience and their life did not fit into the normal mortal experience of life that all other mortal soul's experience. Primarily, the First Parents understood that it was their inability to receive Divine Love that was their greatest loss and sadness and even though the Plan that the Father had created them for could not be fulfilled because of their created error, the loss of receiving Divine Love to the First Parents, was their hardest suffering; the reason being that they could no longer feel the assistance and living presence of the Soul, their Father who gave them first life.

Now, the First Parents are in the Celestial Heavens (actually in the Eternal Spheres being higher than the Celestial Heavens) in Divine Love and their circumstance is entirely different. The life of Jesus and the Rebestowal of Divine Love for all mortal souls has placed their origins in context and that season that was their beginning is over. The world and all spirit Spheres have engaged in another season of Divine Love which Jesus commenced and which the First Parents are happily living in and their past has long been forgiven.

With much love,  
Your Celestial friend,  
Nathanael

**To liberate one's real self, one's will, being one's soul, is begun by embracing Feeling Healing, so as to clear emotional injuries and errors. With the Divine Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.**

**DIVINE LOVE WAY or the NATURAL LOVE WAY:**

Without embracing and receiving Divine Love, the Love of the Father, our progression is totally dependent upon our own personal endeavours and capabilities, that is, our perseverance and willpower.

We are all blessed with natural love, which is the essence of our soul. To develop ourselves to that of being the perfect man is a slow and persistent application of our own attributes and will power, the time required to achieve such perfection may take many centuries of dedication, and even then we only become the perfected being fitted for the 6<sup>th</sup> sphere of the natural love spheres. We cannot progress any further without embracing the Love of the Father, the Divine Love.

Once we recognise the availability of the Father's Love and begin to ask for and receive it, our progression begins to escalate exponentially. Further, with the Love we can become fitted to enter the Celestial Heavens, the first of which is the 8<sup>th</sup> sphere in progression. We can progress through the Celestial Heavens into the Eternal Spheres and then on into the Spheres of Paradise.

Accounts of spirit people who's condition have been so poor to fit them only for the hells, namely the Spheres of Disharmony, show that even they can progress from the lowest of conditions to being within the Celestial Heavens, way above the highest sphere of the Natural Love spheres, within or around three or so years. Some achievements have been:

James Padgett entered the Celestial Heavens within 28 months of his passing.

Helen Padgett was in the Celestial Heavens within 12 months of passing.

Nita Padgett progressed from low 1<sup>st</sup> sphere to Celestial Heavens within 24 months of passing.

Kevin Cooper died 10 August 2012, through Feeling Healing became Celestial on 7 August 2017.

Bradley Cooper, son of Kevin, suicided on 21 September 1999 and early April 2018, became Celestial.

Emperor Nero progressed out of the low hells to Celestial Heavens by receiving Divine Love.

Emperor Julius Caesar moved from the hells to 3<sup>rd</sup> sphere within 19 months from receiving the Love.

George Butler progressed from the hells to the 3<sup>rd</sup> sphere within 38 months by receiving the Love.

President Grover Cleveland moved from dark spheres / hells to 3<sup>rd</sup> sphere in 20 months with Love.

President John F Kennedy became Celestial following 15 years embracing Feeling Healing process.

R. Ross Perry progressed from the hells to 3<sup>rd</sup> sphere over 30 months by receiving the Love.

**It is only the Love that forgives sin, dissolves the errors and fits a person for a higher habitat.** Man, left to his devices, can require many centuries to grow and then cannot enter the Celestial Heavens.

Focusing only upon personal development may remove, or most likely reduce in significance the influence upon one's personality man-made emotions that are obviously those emotions that bring about harm to others as well as to one's self. We are never able to fully remove man-made emotions from our personality. That is, only when we are fitted to enter the Celestial Heavens and being at one with the Father are we free of the embellishments of man made emotions. Yes, as we progress in our development such man-made emotions are progressively diminished and subsequently put aside due to our personal willpower, however that typically requires eons of application to this cause.

By embracing the Mother and Father's Love with Feeling Healing process then we bring about rapid growth and development of our soul condition as it is our Feeling Healing that progressively dissolves man-made emotions that we have taken on board, typically during our very early childhood due to our family environment. **Embrace the Mother and Father's Love to complement one's personal willpower and grow in soul condition exponentially for all of eternity.**

MAN'S JOURNEY to being at ONE with our MOTHER and FATHER:

Man, with free will, can choose loving or unloving options. By seeking Divine Love, and with Divine Love man can elect to follow our Parents' will of loving actions exclusively.

When the free will natural love aspect of the soul of a man is perfected through Feeling Healing with Divine Love, man has elected to follow the will of our Parents. Personality, memory, intelligence, etc. continues with man's soul through out all phases of his growth and development.

Person on left is crushed by fear which has diminished the size of the soul. Our soul can reduce in size to that of a pea.

The vibrant person on the right is filled with love and life.

We have a physical body, a spirit body, and our real self which is our soul.

Growth of Man / Woman without Divine Love peaks at 6<sup>th</sup> sphere state which is the peak of the Kingdom of Man and Spirit World. Soul without Divine Love.

Soul seeking, and receiving, and growing with Divine Love. The nature of one's soul changes into that of the Divine when receiving Divine Love. Only Divine Love does this.

Growth of Man / Woman with Divine Love enables entry into the Celestial Realms, 8<sup>th</sup> sphere and above, with growth into infinity:

ONE with our MOTHER and FATHER:

Will and Free Will

The difference between ‘will’ and ‘free will’. Will is the principle of choice: it is every possibility, choice and action executable within the scope of love. Free will (mind) is the same as will (soul) but with the addition of being capable to move outside the laws of love (or the laws of the soul).

Love is a very broad form of energy made of multiple sub (energy) forms or subcategories. As a human being (because of the inferior quality of the physical mind) it is important to learn to open up (your mind) so it can reap from the expansion of your soul. If your soul expands, so will you’re your mind. Wouldn’t it be a pity to have a soul bursting with knowledge but having no ability to share its information with others? This way all flaws can be ‘attacked’ as well by the mind as by the soul and it is the reason why progression for soul searchers (or Divine Love obtainers) can be much easier or more rapid: because such people have the advantage of understanding this duality. Emotions are only the result of the presence or the absence of (the broad energy we call) love. The soul is only capable of containing (the energy we call) love (with all of its sub categories).

To gain access to the spheres of the soul (the celestial spheres) you have to become a perfect natural man (again). To become the perfect natural man you have to obtain (natural) harmony in soul and mind again (through Feeling Healing). And although the Divine and natural love within the soul will help establish this harmony it is still the call of the mind and its free will to let the soul help it (to regain that harmony) or not. Divine Love (together with Feeling Healing) is powerful enough to ascend all flaws; but the problem is people’s faith.

MAN’S JOURNEY to being at ONE with our MOTHER and FATHER:

Man, with free will, can choose loving or unloving options. By seeking Divine Love, and with Divine Love man can elect to follow our Parents’ will of loving actions exclusively.

When the free will natural love aspect of the soul of a man is perfected through Feeling Healing with Divine Love, man has elected to follow the will of our Parents. Personality, memory, intelligence, etc. continues with man’s soul through out all phases of his growth and development.

Duality is only possible because of the workings of free will. People need to become ONE with our Mother and Father and that ‘free will’ will no longer exist in the soul spheres; because there are no longer TWO choices, only ONE: “God = Love = I”. As long as people have not become ONE with the Mother and Father, duality (= TWO choices = principle of free will) will exist.

### Manifesto of Divine Love:

1. We love one another as Mary and Jesus, our spiritual parents, love us. And so we seek their Spirits of Truth.
2. Our all loving Heavenly Parents, our Mother and Father, we love and honour at all times.
3. We worship only our Mother and Father, God, and Creator of all things.
4. We treat our Creator's name with respect and love, and earnestly seek Their Divine Love, and at all times pray for It, ask for It, and receive It.
5. We set aside a regular day each week for Sabbath rest and worship of our Heavenly Parents, God, and seek Their Love so that we may grow closer to Their fountain head of Truth and Love.
6. We are to be as we feel, even if it's sinful, but in doing something that is not in alignment with God's Love and Truth will make us feel bad, that is provided we allow ourself to feel our bad feelings, and so we can then use our bad feelings to find out the truth of why we feel bad and why that thing we have done is bad. We embrace our Feeling Healing.
7. We strive to cause no harm to another, nor cause any harm to one's self. We do not do to others what we would not have them to do to us. We treat our fellow human beings and all living things, and the world in general with love, honesty, faithfulness and respect. Violence, at any times, is never justified. Golden Rule: that one must always honour another's will as one honours one's own.
8. At all times in our intimate relationships we strive to express and live true to all our feelings, all so we can use our feelings to uncover the truth they are trying to show. The truth of ourselves, of our relationships, and the truth of everything else, including God.
9. We do not covet or steal anything that does not belong to us. Honesty in all communications, actions, undertakings and activities in all facets of life is our rule of life.
10. In all that we do, we are to be truthful. We are non-judgemental, for none of us have the capacity or authority to judge another. We are always ready to forgive all wrongdoing.
11. We do not desire anything or anyone that does not belong to us. Comparing oneself to others and longing to have what they have leads to errors. We are to be content by focusing on the blessings our Heavenly Parents, who made us in Their soul's image, provides for us.

**WILL or FREE WILL:**

We are created with Free Will.

We are also created with natural love, there is nothing of the divine within our soul.

Our mind has free will, even though our soul only has will, that is, our soul at all times longs to follow the will of its Creator, and our Creator's Will is one of Love at all times. There is no action or thought of our Mother and Father that is ever unloving, judgmental, or harmful to any of Its creatures.

Man can know and knows God only because he possesses a soul, and he can never know God if he seeks him intellectually and with his mind alone.

Doubt and speculation is a product of the mind, but faith is a product of the soul and we know that God exists through our soul perceptions, so that we can create the spiritual link with our Heavenly Parents, Mother and Father, through prayer. Not a mental prayer, but a prayer that comes from man's soul – earnest, sincere, full of longing, faith and love.

As this Love, the Divine Love, is absorbed into our soul, our mind is quietened. Slowly but surely, the Divine Love, with Feeling Healing, enables the soul to take over the function of the mind and when we no longer desire or able to harm another or ourselves, then we have become at one with our Parents, we have been reborn.

The soul with the Divine Love infused in volume.

PROCESS of FORGIVENESS  
PROCESS of FORGIVENESS  
PROCESS of FORGIVENESS  
PROCESS of FORGIVENESS

is also the PROCESS of REMOVING HARMFUL EMOTIONS  
is also the PROCESS of HEALING BODIES Physical Spiritual  
is also the PROCESS of SOUL GROWTH with the LOVE  
is also the PROCESS of CLEANSING the SOUL

Our Heavenly Parents send the Holy Spirit, the Spirit, to those who long for and ask for Their Love and assistance. All you need do is ASK!

“The New Birth is the flowing of the Spirit of God into your soul and the disappearing of all that tends to turn your heart from the truth and Love of God in conjunction to doing one’s Feeling Healing.”

“The Holy Spirit is God’s messenger or instrument that carries into the soul the Divine Love that is bestowed on the truly penitent man.”

“The Holy Spirit when the penitent prays for the Love the Holy Spirit will respond and fulfil the work that the Mother and Father has provided it to do.”

“The only thing that saves a man from their sins / errors and reconciles them to the Mother and Father is that they must become conscious of God’s Truths and receive the Holy Spirit into their souls.”

Continuing with one’s longing for Truth and asking for our Parents’ Love enables progressive removal of emotional errors and injuries that then lead to the removal of core emotional damage, and then, subsequently, the progressive filling and expansion of one’s own soul. Removal of these soul injuries through Feeling Healing also leads to the removal of damage to one’s spirit body and the restoration of one’s health.

It is only by the infusion of this Love while longing for Truth within one’s soul in sufficient quantities does one become fitted to enter the Celestial Heavens.

Soul development, with the Love, can take a soul from being a dried up garden pea to that of a simple candle, and then onto that of a blazing sun!

**The LOVE that brings about FORGIVENESS:**

This Divine Love, and by this I mean the only way through which salvation can be obtained, can enter and fill the soul through the sincere longing of the soul to assuage the thirst for at-onement with the Father through prayer. Revelation 17 – November 12th, 1960 – Jesus

**The only way for man to achieve forgiveness of sins is through the obtaining of the Divine Love or through purification of the natural love, a long and tedious process that fits the individual soul for a place in the Sixth Sphere.** Revelation 50 – October 18th, 1954 – Jesus

Divine Love fits a personality to enter the Celestial Heavens, way above the 6<sup>th</sup> Sphere. Without this Love, man cannot enter the Heavens. It is this Divine Love that brings about immortality for man.

This great Love of the Mother and Father, with Feeling Healing was created or rather has always been, for the redemption of the vilest sinner who seeks and believes. March 24<sup>th</sup>, 1915 – Ann Rollins

Only the Divine Love can give man of a Divine Nature, and that no self development or cultivation of the Natural Love to the greatest and most sublime extent are sufficient to make man at one with the Father in the divine sense and which makes the spirit a partaker of this Divine Essence of the Father. One needs to come to understand the difference between the two loves and what the New Birth means. March 24<sup>th</sup>, 1915 – Jesus

## **GOD'S MESSAGES are all within ONE BOOK?**

To find all of the Father's Truths and Laws of Love within one book, now, that would have to be one huge book. Spirit beings have spent countless centuries studying the Laws of the Father and have never completed the exercise.

Even though the Laws of the Creator never change, (however we continue to do), all of the books in the world could not contain all of His wonderful gifts for us.

To consider that this book, or that book, contains all that is to be known seriously locks one into stagnation and entrapment of the worst kind. Our urging to explore and learn is continually being prompted and guided by the gift from the Father for us to continue on discovering the wonders and joys that wait for us, should we so ask.

Humanity has foundation teachings which have been introduced by the works of humanity to various sectors of society. Over the tens of thousands of years, these works have been handed down never to be considered as the complete works, but a platform for us to open our minds and souls and to explore further.

These books of old have been generously expanded upon by our Celestial Teachers with thousands of pages of guidance, teaching and love so that we can now, as a universal man, open our hearts in a way that we can now take humanity out of conflict and war like natures.

The journey of new teachings and guidance will continue to grow and grow and grow to infinity!

## CREATION, DEVOLUTION and EVOLUTION:

Aman and Amon (also called Andon and Fonta), our first parents, physical being was born of natural parents, who in turn had been born of their own parents. Their bodies were not created instantaneously, but evolved just as all of God's creatures evolved. Aman and Amon were both nurtured physically as infants and then children. **But our first parents' souls were placed in them when they were already adults.** They had no clear memories of their earlier life before that great moment. As soon as they possessed a soul, all of the normal human psychological manifestations appeared.

There were aunts and cousins, parents and grandparents. But they were not human like Aman and Amon – they were really animals, though of the same species. Aman and Amon wandered off from the family, since they could find no way of relating to them at all. How could they? They were incapable of rational thought, speech, or anything human. Aman and Amon knew that forevermore they were apart.

They were indeed a primate species of humanoids. But Aman and Amon (they were not Adam and Eve) were more beautiful than their animal relatives, and knew, even from their very appearance, that they were marked even by Nature to be different. The human body, without a soul, calibrates at 200 on Dr Hawkins' Map of Consciousness. Domestic animals typically calibrate 200 to 250. Our soul is the source of our personality, intelligence, and memory. Our soul is formed from the energy substance of natural love. There is nothing of the Divine within our soul.

The First Parents did not recognise the full beauty of the gift of Divine Love, and subsequently it was withdrawn. Man, left to his own perseverance and determination can develop into the perfect man with only Natural Love, however that is a slow and tedious pathway and limited to perfection of the soul, fit only for the 6<sup>th</sup> natural love spheres.

By embracing Divine Love and one's Feeling Healing, man can become fitted to enter the Celestial Heaven and higher in rather quick time. One's life on earth, living with the Love and embracing Feeling Healing, can be that of living in Heaven!

**Further, Feeling Healing with Divine Love, has a powerful positive effect on the physical body, balancing the hormones and generally promoting physical health, which is really the same thing as saying that the state of a mortal's soul impacts directly on that mortal's physical health.**

**SPIRITUALITY was and will return to be the WORLD'S LEADING WAY OF LIFE:**

The ancient Sacred Inspired Books were written for the purpose of teaching early man religion; therefore, man's first religion was the teachings of the Sacred Books.

The basis of the first religion taught to man was – Love. The Love of Man for his Heavenly Parents, the Love of the Heavenly Mother and Father for his son, man, and the love of man for all of God's creations.

Man was taught to approach the Creator in reverence but without fear or trepidation, just as a child would approach his earthly mother and father knowing that open loving arms were extended to receive him.

Early man knew no fear of God, the Mother and Father, because he loved the Mother and Father and he knew They loved him in return.

All of the ancient teachings were the same all over the world, it was a universal church without sect, creed, theology or dogma.

Every teaching was plain and simple without a particle of theology. The most ignorant could understand every phrase in it. There was nothing of any kind indefinite. It was impossible not to understand it thoroughly. Man was taught to approach the Heavenly Parents, not with fear or dread, but with confidence, and above all, Love: as a child would run to its earthly father who is standing with outstretched arms to receive it. Love stood at the head of the 12 great virtues, because Love governs the Universe and the Heavenly Parents is The Great Love.

Now all peoples of all faiths and way of life can embrace the universal gift of our Heavenly Parents. This gift was known to the first family and again known in the 1<sup>st</sup> and 2<sup>nd</sup> century. Living with the Love is universally being taught through the teachings from 31 May 1914 and ongoing, by our Celestial Friends, and that gift is the light golden blue energy substance being the Divine Love of our Heavenly Parents that is shared with all who so ask to receive it. It is that simple, ask and you will receive the Love substance of God instantly.

**God's Divine Love: Pray for it, ask for it, and receive it.**  
**Our Heavenly Parents simply desires for us to ask for Their Love.**

**1** Divine Love addresses the issues of the Rebellion.

The availability of Divine Love, should we so ask for it, being revelation 1:

God's Divine Love: Pray for it, ask for it, and receive it.

Whilst we are receiving our Heavenly Parent's Divine Love, and that this Love is causing change within our soul and spirit attributes, the greatest Truth known to man and spirit is that this is the way our Mother and Father are actually loving us! When we progress, it is the Mother and Father's way of loving us into love and then we live what we are, love.

**2** Feeling Healing addresses the issues of the Default.

The way to clear one's soul of childhood errors and injuries is revelation 2:

To liberate one's real self, one's will, being one's soul, is begun by embracing Feeling Healing, so as to clear emotional injuries and errors. With the Divine Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

Release one's pain through expressing one's feelings.

Longing for the Truth when also longing for Divine Love.

# FEELING HEALING + SOUL HEALING

To heal one's self is to simply look to see what feelings we are refusing to let ourself feel, and accept them instead of denying them. And to fully accept them, one needs to express them, speak about them, let them have their say, rather than pushing them aside, refusing to let them make you feel bad.

Doing this all with the intention of seeking the truth of why you are feeling them, of speaking about and expressing all such feelings; all feelings you have, but ALL WITH the INTENTION of UNCOVERING the TRUTH THEY WANT YOU TO SEE ABOUT YOURSELF. And it's the wanting to see the truth of them that is very important, because if you just look to accept them and speak and express them, but not seek their truth, then that's all you'll be doing, speaking and expressing them, but not healing their causes, so not fixing the things within you that are making you feel bad. And it's the truth part of it, seeking the truth of your feelings, and so, seeking the truth through your feelings, that's vitally important. It's the truth of yourself, life, nature and God, that is the spiritual aspect to it all.

You CAN'T find the truth of yourself, or anything else, through and with only your mind. You HAVE to engage and look to your feelings. And so if you choose to allow your feelings to 'Show You the Way', then the truth will come as you express them. So to do our Soul-Healing consists of these steps, all of which are ongoing until it's done:

- **Admit you are feeling bad.**
- **Accept your bad feelings, identify what they are.**
- **Honour fully your bad feelings by expressing them, speaking about them to someone who is willing to hear you talk about them, or tell them out loud to our Heavenly Parents. Long for the truth of them. Long for the truth of why you feel bad – what deep within you is causing your bad feelings?**
- **And remember, bad feelings are Good! Not bad. They are not to be despised. And as hard as it is to accept them, they are still you, and a very real part of you. And if you persist in denying them and not allowing yourself to fully live them, then you are only going to keep yourself in your errors making things harder for yourself.**
- **All sickness and suffering, all bad things that happen to you, all your problems, all your addictions – your whole feeling-denying and untrue life, is all caused by your denial of bad feelings.**
- **Every problem in the world is brought about because everyone has been brought up to deny feelings, and in particular, most of their bad ones.**

If one is intent on spiritually evolving and growing in truth, then it's vital, and this is the key, that one looks to use one's feelings as the means to gain and have access to the truth of oneself. You CAN'T find the truth of yourself or anything else through and with only your mind. You HAVE to engage and look to your feelings. And so if you choose to allow your feelings to 'Show You the Way', then the truth will come as you express them.

Doing your Soul-Healing with the Divine Love, is really doing your 'Feeling-Healing'. We are designed — created — to be self-revealing of truth, and so we are all to uncover the truth within ourselves and for ourselves, and all being done by living true to our feelings. **If you accept, express and seek the truth of your feelings, then truth will come to you, and you'll grow spiritually. It's as easy as that. Also it is as easy as it is to long for, ask for and receive Divine Love.**

THE HEALING OF YOUR BAD FEELINGS THROUGH THEIR ACCEPTANCE  
AND FINDING THE TRUTH OF THEM, IS THE ACCEPTANCE OF YOUR  
NEGATIVE, REBELLIOUS, EVIL, IMPERFECT MIND AND WILL CONDITION.

To do our feeling-healing we need to become:

Aware of – Acknowledge – and Admit, our bad feelings.

So we can:

Accept – them and allow ourselves to Be them.

And then if we feel to, take:

Action – Express, speak and emote them.

Talk about them.

All being done whilst longing to, really wanting to, see the TRUTH of our feelings.

So it sounds simple.

So I repeat:

We accept our bad feelings by expressing – speaking about them to someone willing to listen to us and take us seriously. And as we speak we long for the truth of them – why we are feeling them – to be made known to us. And when we uncover and see the truth we are FREE! – healed of the causes that have made us feel bad.

Accept, Express – see the Truth, and you're Free!

ACCEPTANCE OF ALL YOU FEEL, THINK AND ARE, IS THE KEY TO DOING  
YOUR HEALING; THAT, AND WANTING TO SEE THE TRUTH OF ALL YOU  
FEEL, THINK AND ARE.

**Release one's pain through expressing one's feelings.**

# Feelings First Spirituality

## The New Way

**Feelings First**  
**FF**  
**Feeling Free**

The New Way, Feelings First Spirituality  
 Learn to live with God through your Feelings

Accept, express and long for the truth of your feelings

Be free in your feelings  
 Free your feelings from your mind's control  
 Live true to your feelings; your feelings are your true self  
 Live true to yourself through your feelings

Live true to yourself by living true to your feelings.  
 Long for the truth of your feelings.

Accept / Express / Bring out ALL of your good, and most importantly,  
 BAD feelings.  
 Want to understand why you're feeling them.  
 Use your surface feelings to take you deeper into your repressed and  
 hidden feelings.

The Feeling Way is the True Way.  
 Your feelings are your spiritual guide.  
 Your feelings will take you to God.

Your feelings will show you the truth of your relationships, including your relationship with God; and if anything is wrong, untrue and unloving, then why it is.

Our feelings are sacrosanct and we should respect them accordingly. And we should NEVER block them out, ignore, override, banish, deny or reject them, because if we do, we're only doing that to ourselves, as Our Feelings Are Our Self.

Our feelings are the gateway to our soul. Our feelings are the closest we can get to our soul. Knowing the truth of our feelings is knowing the truth of our soul, and knowing the truth of God.

Feelings First Spirituality is the True path for humanity.

It embraces all people.

It completely unifies the world.

Everyone can relate to everyone else through their feelings.

And we can all live the truth that comes from our feelings, all sharing the same truths as we express and have the same feelings.

No one need be left out; no one is more special than anyone else – we are all united in Truth through our feelings.

So with and through our truth we live our lives, therefore without the need of any man-made mind-laws, rules and restrictions that limit self-expression as inspired by our feelings.

The New Way, Feelings First Spirituality is what is to replace all man-made, mind-contrived religions that so many people have enslaved themselves to. The New Way, Feelings First Spirituality will set us free of all that control, ending the Rebellion and Default within ourselves as we do our Feeling-Healing, and ending such control and spiritual stagnation in the world.

Bring on the End Times – get it over and done with! Let's all see that Jesus is not going to come again, that Prophecy has failed all the mind-controlled platforms. Allow such false systems of belief to die their long-awaited natural death, they've overstayed their welcome, it's now time they fade away. So let us show such antiquated, erroneous systems of belief the exit and bring on the fresh liberation of discovering the truth of how we are to live for ourselves, each of us personally in our lives, and all by looking to our own feelings for it. Self-revelation through our feelings is the way to go.

The Way of the Mind is ending, and is really the End Times – the End of our mind control, and **it's about time!** With the Way of our Feelings replacing it.

The End Times means the end and therefore a New Beginning. And that new beginning is a whole new Spiritual Age – an age based on self-revelation of truth through one's feelings, coupled with and supported by higher revelations from the Celestial spirits, angels and nature spirits.

The Feelings First Spirituality is the True Way to God because it helps you get to know God, helping you to reach out, connect and be personal with God, and do God's Will, all through your feelings. It is the only true way of getting to know the God of Feelings – our beloved Heavenly Mother and Father, the Great Soul of Divine Love.

Love comes through our feelings and not our mind, as we've all been wrongly led to believe.

**Feelings First; then comes The Truth; then comes Love.**

## Quantum Jump 1

**REVELATION 1**  
James Padgett

1914 – 1923

James Padgett bravely introduced the availability of the Mother and Father's Divine Love and a great deal of additional guidance and information, all of which has been supplemented by Samuels, Judas, Reid and Arnold. All writers were under restrictions of personality and circumstances. Revelation 1 opened the door for humanity.

## Quantum Jump 2

**REVELATION 2**  
Marion and James  
Moncrief

2002  
– ongoing

Marion and James Moncrief have recognised the need for one to engage in Feeling Healing and, by their actions, removed restrictions that James Padgett and others above endured, thus JM is able to critique the writings of the past 100 years resolving points of confusion as well as expand on what has been written. Revelation 2 is humanity's turning point.

Due to the extra-ordinary nature of Revelations 1 and 2, humanity with the first Revelation would have continued on into its negative pathway of living, however, combining the first Revelation with Revelation two, now humanity can embrace this turning point and commence its evolutionary growth that has required two thousand years to put in place. This is the greatest event in the history of humanity and very few are aware of such, until we enable others to become aware.

## ***DIVINE LOVE – what does it do?***

**Divine Love, which is a substance, progressively:**

**Transforms one's soul from that which is of natural love to that which is Divine**

**As natural love is enhanced with the Parent's Love, we reject our tendency to error**

**Divine Love, our Parent's Love, restrains errors, untruths and emotional stress**

**As we reject the condition to error, we develop our love for our brothers and sisters**

**Divine Love helps one with the discovery of truth through one's soul-feeling healing**

**Our natural intelligence grows, perceptions rise with our soul intelligent feelings**

**As Law of Compensation is resolved, the Love reduces returning to being in error**

**Receipt of Divine Love, the Parent's Love, grows our faith, we become God reliant**

**As our faith grows our propensity to undertake one's Feeling Healing strengthens**

**With the Love, our Feeling Healing becomes Soul Healing, this we are to undertake**

**Without the Love we remain self reliant and dependent upon our own will power**

**Only with the Love will our soul condition grow rapidly, all around us also benefit**

**The Love is the only substance that changes the human soul to that which is Divine**

**Only by asking and receiving Love do we become fitted to enter Celestial Heavens**

**Only by asking for and receiving the Divine Love does our soul become immortal.**

# Divine Love

## The Gift that keeps Giving

*A general universal platform on how to experience Divine Love*

As more people become aware of the *Divine Love*, how to experience the Divine Love required a need to provide a general universal platform that is simple yet an effective way for one to experience *Divine Love*. People may learn about the availability of *Divine Love* by word of mouth or from reading literature that introduces this gift for our soul, and also by participating with group dynamics where the *Divine Love* is introduced and discussed. The essence of this standard platform is its independence so that the individual may feel guided to include this simple platform in their daily life and experience of *Divine Love*.

The platform introduced here is a technique that is simple, constant, practical and has been utilised in the general public for over 20 years with good consistent results, accommodating participants and their diversity of belief and cultural background. This platform is a reliable place to begin with the experience of *Divine Love*. It needs to be confirmed that accepting *Divine Love* rests with our soul and heart and that to experience this Love will comfort one in their individual faith experience as we all aspire toward the greater reality of Love, Truth and Spirit.

### A Universal Platform on How to Experience the Divine Love:

Firstly, you are aware now that you can experience the *Divine Love*.

Find a comfortable chair; sit down in a relaxed and normal position.

Close your eyes and take 3 deep single breaths in through your nose and out through your mouth to clear energy and to relax into this experience. Have a little faith and proceed without great expectations.

Gently turn your inner heart and voice to the Soul, God in faith when you feel ready, ask the Soul, God with your own loving voice for an inflowing of *Divine Love*. Having asked sincerely, there is no need to continuously ask. The Soul, God hears sincere love in the asking and so The Spirit that brings the Love acts, and *Divine Love* is now flowing.

Having asked once, you will be receiving the *Divine Love*.

Proceed without expectation on what will happen as you experience the Love.

Sometimes your mind may wander – or there are thoughts, feelings or physical sensations. Experiencing the *Divine Love* is never a forceful experience.

Continue for as long as you feel you would like to. This may be for 5 minutes or 20 minutes or an hour. Time will vary for the needs of the individual or group.

Take another few deep breaths to assist your focus. Give our love to the Soul, God and in our own voice inwardly say this Soul, God that you love this Soul and are grateful to receive this *Divine Love*.

Then when you feel ready, open your eyes and take another deep breath or two, and this closes the experience.

### Some helpful hints:

- This general universal platform on how to experience the *Divine Love* is uncomplicated. Some people have utilised this platform for over 20+ years, never needing to change.
- The essence of this standard platform is to experience the *Divine Love* in a comfortable way therefore this technique needs to be simple, effective and inclusive.
- Experiencing the *Divine Love* can be a long-term experience so to have a practical, simple, functional standard platform solves a lot of problems about *how* to experience the *Divine Love*.
- From this general platform people who like prayer or meditation, reflection, spirit communication, or just being *in* and *with* the Love can extend their experience from this standard position.
- Lastly, enjoy! And know that when a person is experiencing the *Divine Love* that one is in the tender care of the Soul God, and that no spirit interference will happen, for no spirit can interfere with the Sovereignty of *Divine Love*, which is God's Alone!
- Enjoy, Celebrate and Shine!

A gift of experience from Zara and Nicholas endorsed by many, many others.

## **The Only Prayer That Man Need Offer to the Father:**

**The Prayer for Divine Love**

(as given within the first century)

2 Dec 1916

I am here, Jesus

<http://www.youtube.com/watch?v=Pg6p3rivAZw>

**P.438 Book of Truths through James Padgett / Jesus**

Let your prayer be as follows:

**Our Father, who art in heaven, we recognize that You are all Holy and loving and merciful, and that we are Your children, and not the subservient, sinful and depraved creatures that our teachers of old would have us believe. That we are the greatest of Your creation, and the most wonderful of all Your handiworks, and the objects of Your great soul's love and Tenderest care.**

**That Your will is that we become at one with You, and partake of Your great love which You have bestowed upon us through Your mercy and desire that we become, in truth, Your children, through love, and not through the sacrifice and death of any one of Your creatures.**

**We pray that You will open up our souls to the inflowing of Your love, and that then may come Your Holy Spirit to bring into our souls this, Your love in great abundance, until our souls shall be transformed into the very essence of Yourself; and that there may come to us faith--such faith as will cause us to realize that we are truly Your children and one with You in very substance and not in image only.**

**Let us have such faith as will cause us to know that You are our Father, and the bestower of every good and perfect gift, and that only we, ourselves, can prevent Your love changing us from the mortal to the immortal.**

**Let us never cease to realize that Your love is waiting for each and all of us, and that when we come to You, in faith and earnest aspiration, Your love will never be with-held from us.**

**Keep us in the shadow of Your love every hour and moment of our lives, and help us to overcome all temptations of the flesh, and the influence of the powers of the evil ones, which so constantly surround us and endeavour to turn our thoughts away from You to the pleasures and allurements of this world.**

**We thank You for Your love and the privilege of receiving it, and we believe that You are our Father --the loving Father who smiles upon us in our weakness, and is always ready to help us and take us to Your arms of love.**

**We pray this with all the earnestness and longings of our souls, and trusting in Your love, give You all the glory and honour and love that our finite souls can give.**

**Amen**

MoC

Note: The 'false teachers' are our parents, as they are also the 'evil ones'.

Also, the evil ones, being those parts of one's mind, that are controlling you.

**Another version:**

<https://new-birth.net/padgetts-messages/true-gospel-revealed-anew-by-jesus-volume-1/the-prayer-given-by-jesus-as-the-only-prayer-vol-1-pg40-2/>

Our Father, who art in heaven, we recognize:

That Thou Art--art all holy and loving and merciful, and that we are the children of Thy care and not the subservient, sinful and depraved creatures that our false teachers would have us believe.

That we are the greatest of Thy creations and the most wonderful of all Thy handiwork, and that we are the objects of Thy great Soul's love and tenderest care.

That Thy will is that we become at one with Thee and partake of Thy great love which Thou hast bestowed upon us through Thy mercy and desire that we become, in truth, Thy children; and not through the sacrifice and death of any one of Thy creatures, even though the world thinks that one Thy equal and a part of Thy godhead.

That Thou will open up our souls to the inflowing of Thy love, and that then will come Thy holy spirit to bring into our souls, this, Thy love in great abundance until our souls may be transformed into the very essence of Thyself; and that there may come to us faith--such faith as will cause us to realize that we are truly Thy children and that we are one with Thee in very substance and not in image only.

Let us have such faith as will cause us to know that Thou art our Father and the bestower of every good and perfect gift, and that only we, ourselves, can prevent Thy love changing us from the mortal to the immortal.

Let us never cease to realize that Thy love is waiting for each and all of us, and that when we come to Thee with faith and earnest aspirations, Thy love will never be withholden from us.

Keep us in the shadow of Thy love every hour and moment of our lives, and help us to overcome all temptations of the flesh and the influence of the powers of the evil ones who so constantly surround us and endeavor to turn our thoughts away from Thee to the pleasures and allurements of this world.

We thank Thee for Thy love and for the possibility of receiving it, and believe that Thou art our Father--the loving Father who smiles upon us in our weakness, and is always ready to help us and take us to Thy arms of love.

We pray thus with all the earnestness and longings of our soul, and trusting in Thy love give Thee all the glory and honor and love that our finite souls can give.

*Our Father, who art in heaven, I recognise:*

That You are holy and loving and kind, and that I am the child of Your care.

That I am the object of Your great Soul's love and tender most care.

That Your will is that I become at-one with You and partake of Your great love, which You have given me through Your desire that I become, in truth, Your child.

That You will open up my soul to the inflowing of Your love, and that then will come Your holy spirit to bring into my soul, this, Your great love in great abundance until my soul may be transformed into the very essence of Yourself; and that there may come to me faith – such faith as will cause me to realise that I am truly Your child and that I am one with You.

Let me have such faith as will cause me to know that You are my Father and the giver of every good and perfect gift, and that I only can hinder and stop the river of your inflowing love.

Let me never cease to realise that Your love is waiting for each and all of us, and that when anyone comes to You with faith and earnest aspirations, Your love will never be withheld.

Keep me in the shadow of Your love every hour and moment of my life, and help me to remain completely focused on this, your ever-present and unconditional love.

I thank You for Your love and for the possibility of receiving it, and believe that You are my Father – the loving Father Who smiles upon me always and is always ready to help me and take me to Your arms of love.

I pray this with all the earnestness and longings of my soul, and trusting in Your love give You all glory and honour and love.

### 79. *Prayer of the Heart*

16 October 2012

I encourage the heart that prays to the Father for the Divine Love. I encourage the heart that loves the Love, and with sincere aspiration, feels for the Love. If there be any doubt, loss of faith or hardship of heart, I encourage the heart not to give up or give the Love away. The Father hears your prayers and the heart be rest assured in this. Never will a good heart be forsaken. As the Father does so do I, see and hear your heart, and prayers for the Love and the needs for wellbeing. Never give your heart up; trust in the One who knows your true heart, and there the Father loves you. One may never fully understand the intricate workings of time, past present and future, but the heart knows faith and Love and the Father Loves a good heart. Pray with faith, and in your heart my truth and the Father’s Divine Love meet you there.

I have given you this prayer of the heart so that men and women may draw from its words, strength, love and faith

Your beloved friend and companion,

**Whilst we are receiving our Heavenly Parents’ Divine Love, and that this Love is causing change within our soul and spirit attributes, the greatest Truth known to man and spirit is that this is the way our Mother and Father are actually loving us! When we progress, it is God’s way of loving us into love and then we live what we are, love.**

### 300. *Prayer of Love and Strength*

2 February 2013

I am going to write the Prayer of Love and Strength that may help those with their endeavour of heart in the receipt of the Divine Love:

I pray that I may find the love and strength in my heart to love you more wholeheartedly. I pray that I may feel this strength as a living truth in my heart and soul as my weakness, due to my condition in my physical and material struggle, may not become a hardship that casts a long shadow over my day-to-day living in my faith in Divine Love. I pray that I will not give in to any negativity that surrounds me, or to the way that at times I cannot seem to be able to help or forgive myself for loosing faith in The One I love.

I pray that I am receiving Love, your Divine Love that is in great abundance and that my heart partakes of a small portion of this abundant Love. I ask that your Spirit, The Spirit, convey the Love into my soul as I have already been receiving into my soul your Divine Love. I pray that your Divine Love gives greater love and strength to my heart that I may continue in my prayer to receive this Immortal Love.

God, I love you with all my heart even if there be a shadow across my heart, and a lack of humility in my faith and on my behalf for I recognise that you can love me more perfectly and wholeheartedly than I can accept for myself.

God, I recognise that you are Soul and that I am a finite soul and that your Love and Spirit are true gifts for my heart and soul and that I need this Love that you have provided. I pray that from your Love, more finite love and strength in my faith and heart will enable me to love you even more. I recognise that I am doing my best in all that life has given and taken away from me and that in my resolve, my heart knows that your true Divine Love always remains with me and my faith in you. At times I have left you and left your side and wandered all over the place, lost in the shadows of life and in the near-sightedness of my eye and then, I pray for your Love and your Love fills my heart and my love and strength return and I accept that you are loving me at all times when I am lost and found. I give you all my gratitude, love and strength that my heart can give and I desire not to change the world or the spirit world accepting that your Divine Love will change my soul and in harmony together, I will try for a peaceful world.

I have provided you with the inspiration to give these words of love and strength that such words may help one in their experience of God's Love and Spirit.

<p><b>Our Heavenly Mother and Father simply desire for us to ask for Their Love.</b></p>

### 303. *The Immortal Prayer*

6 February 2013

For those of you who are strong, I will continue to sustain this strength because many of you who experience the Father's Divine Love require a great resolve and strength of heart not to give up on the Truth and not to be saddened by the apparent lack of interest in the most beautiful love that you feel and know to be true. I will never prevent myself from being with you, who sincerely desire the Divine Love and, with any feeling of being afraid, alone or insecure, I with my Celestial teachers are present supporting you. There is no shadow in the Divine Love and for those who are aware of this Love in faith love and spirit we celebrate the harmony of God's universe of Love and Spirit.

#### *I pray for the Divine Love, the Immortal Love*

Universal Soul God,

My Father, I love and accept you with my heart. I sincerely pray for your Love that will come by The Spirit and embrace my spirit body conveying your Divine Love into my soul. I humbly ask that you love me as I love you, and that you continue to love me when in those times I cannot love myself.

I ask that you give me the strength to voice my faith and love to you, and that you may love me in my weakness and in my strength. I know that I am a soul beautiful to you as you are to me, and that your Divine Love will be the arrival of Truth that my soul has truly longed for.

I pray that your Divine Love will be the arrival from which will announce the departure of my doubt and that such faith, love, strength will come to me that I will never doubt you again. And I will never stop loving you, in the sunrise and the sunset of each day in my life.

I recognise that you are the Source of the Divine Love and the origin of my soul. I recognise that I may have been lost to you but in truth I was never lost to you and now, I am gathering up all my love out of my lost-ness in great abundance because I am aware that your Divine Love is present for my soul and I am free to receive your Love and feel Its' breath of spirit declare in my heart the Immortal Harmony.

I am receiving your Love, I have received your Love, true Universal God, your Immortal Love.  
Amen

**The BEAUTIFUL MIRACLE:**

5 Oct 2012

**The DIVINE UNIVERSE**

The way in which the Spirit conveys the Divine Love into the soul is a beautiful miracle. The attribute of mortal soul prior to incarnation has to it, a potential within it that is part of its formed nature. After the soul incarnates this potential remains part of the soul and even if the forming personality is unaware of such a soul potential, the potential still exists. The Divine Love is entirely suitable in its energy of harmony to be the energy that a mortal soul can utilise. The Spirit covers the spirit body when the individual sincerely asks the Soul of God for the Divine Love and this covering of the spirit body is where the dynamic of this beautiful miracle takes place. From the internal longing of the individual for the Divine Love this activates the Spirit Law that activates the Spirit that is then attracted to the spirit body upon which the Spirit material of the spirit body draws the Divine Love in to its soul and this union complete. The key here is to gain a perceptive insight into realising that the spirit body is not an inert body but that it is living and has activity, recognisable from its first forming from the Spirit Law that materialises a spirit body. The Spirit and the spirit body to give an analogy are like two attracting magnets and when the surface of the spirit body is touched by the Spirit, this causes the automatic response of the Divine Love to permeate into the attribute of soul and so begins the transformation of energy from the natural into the Immortal Divine Harmony. If the individual continues the receipt of Divine Love the energy that is Divine Love actively begins to change the soul and this is felt in the spirit body systems and can produce feelings of love and elation. The spirit-mind begins to change as all spirit body systems are affected by the changed condition now experienced in the soul as the soul becomes living and vital. In one's progression of this Divine transformation, the soul will mature enough from the amount of Divine energy it receives and at that moment the surface of the spirit body and the Spirit are continuously attracted to each other and one is living in the presence of our Mother and Father in perfect harmony and this clarifies the truth about what it means to be truly at-one with God.

**SHINING TOWARD SPIRIT:**  
**665. The Shining toward Truth**

Vol III, p. 157, 14 Nov 2014 – 14 Mar 2015 Zara and Nicholas  
[www.lulu.com](http://www.lulu.com)

It is I Matthew, a teacher of the Divine Love. I have communicated with you recently, now I desire to provide you with a visual description of the Love.

Imagine a continuous Energy shining light blue that is unbroken with a seamless surface that surround every mortal and Immortal spirit. Imagine if you were to become aware that this energetic field of light-blue Energy existed in its shining radiance just near where you are. Now that you are aware that this unbroken Divine Love is unified energetic field of living Love, by opening toward the Soul of God and aspiring for the Divine Love, the Acting Spirit gently brings a small portion of this shining blue Energy into your soul

The Divine Love that you have received remains part of this great Energy that the Divine Love is and even though this small portion of Divine Love, now within your soul, in its shining radiance and energetic cause, it is never separated from the continuous energetic field of Energy that the Divine Love is. Having partaken of this Energy it is with perception that one is aware that the Divine Love within one's soul is the same Divine Love that every person and spirit who has partaken of this Love, participates with. Even though in our individuality we partake of this Divine Energy, this Love is never broken away from the Source and Origin from which this Divine Love emanates.

The Divine Love is bestowed into our finite soul by the Acting Spirit, but this Spirit remains in contact with our spirit body and does not enter the finite soul to become part of our finite soul essence that we are. No mortal or Immortal spirit can manifest in their soul the Acting Spirit so that this Spirit – this Holy Spirit – becomes part of our existing finite spirit body. Only the Divine Love and its Energy becomes part of our finite soul, which causes the change to our spirit body. The Acting Spirit always remains its own attribute and never does a Celestial spirit claim ownership or take possession of the Acting Spirit within their soul. (The Holy Spirit / Acting Spirit is an instrument of the Source Soul, our Father.)

This is one of the wonderful Truths by which we who have been transformed by the Divine Love understand our personal relationship with our Mother and Father's ever-present Acting Spirit. The shining Energy of Divine Love is all around us and when we have partaken of this Love, part of our finite nature becomes independently shining in this true perfect Love.

I provide these words that may appeal to those who are visual and to express the universal appearance of the Divine Love and the personal touch when in contact with the Acting Spirit.

Matthew (Apostle)

**Whilst we are receiving our Heavenly Parents' Divine Love, and that this Love is causing change within our soul and spirit attributes, the greatest Truth known to man and spirit is that this is the way our Mother and Father are actually loving us! When we progress, it is God's way of loving us into love and then we live what we are, love.**

**DIVINE LOVE:**<http://www.fcdt.org/divinelove.htm>

The words "Divine Love" have been used in many contexts to convey different meanings. But in the context of our Heavenly Father, Divine Love is the greatest gift in all the universe. It transcends all else that can assist humankind fulfil their dreams of happiness and have them resolved within themselves. God's Divine Love is the one thing in all of God's infinite universe that can bring about eternal life and everlasting happiness in the Celestial Kingdom.

***What is Divine Love?***

The Divine Love differs from the natural love of man with which he was endowed when created, which belongs to all humans, and which they all possess in a more or less perfect condition in this: that the Divine Love is that Love which belongs to or is a part of God, possessing His Nature and composed of His Substance, and which, when possessed by a human soul to a sufficient degree, makes him divine and of the nature of God.

***What is the New Birth?***

The New Birth is simply the effect of the flowing of this Divine Love of the Father into the soul of a man and the disappearing of everything that tends to sin and error. As the Divine Love takes possession of the soul, sin and error disappear. It, the soul, becomes of a quality like the Great Soul of the Father. And with the Soul of the Father being Divine and immortal in Its quality of Love, so, when the soul of man becomes possessed of this quality of Love, the soul being the man, this soul becomes divine also. Then, the image becomes the substance; the mortal becomes the immortal; and the soul of man, as to love and hope, becomes a part of the Father's Divinity.

***How does one receive the Divine Love?***

The only way is simply this: that men shall believe with all the sincerity of their minds and souls that this great Love of the Father is waiting to be bestowed upon each and all of them; and that when they come to the Father in faith and earnest aspirations, this Love will not be withholden from them. And, in addition to this belief, that they pray with all the earnestness and longings of their souls that the Father will open up their souls to the inflowing of this Love, and that then may come the Holy Spirit to them to bring this Love into their souls in such abundance that their souls may be transformed into the very Essence of the Father's Love. The soul who will thus believe and pray will never be disappointed, and the Way to the Kingdom will be his as certainly as that the sun shines by day upon the just and unjust alike.

***Take the test.***

Too often we are told to believe something based on what we are told. You don't have to "believe" anymore. Now you can have physical proof of the existence of God and His Love for you?

*"test my teachings that the Father's Love was now available, and pray for it to the Father in earnest prayer, and see whether, if this was done in sincerity, the Father's Love, conveyed through the Holy Spirit, would burn and glow in the soul, by which sign they would realize His Love was present therein." – Jesus*

Take it to heart – earnestly pray for God's Divine Love and feel the glowing of His Love in your soul. Jesus gave us the Prayer for Divine Love to help us in our prayers to the Father.

**Note:** Following the writings of James Moncrief, one could consider that any reference to the Father, by other relevant writers, may be read as a reference to 'our Mother and Father'. Further, when considering soul healing, then reference to Divine Love could be referred to as 'Feeling Healing with Divine Love'.

## **DIVINE LOVE – what does it do?**

The divine gift from asking for and receiving Divine Love will steadily, but with certainty, raise one's quality of life and also of all those around such a person who is seeking and receiving this Love.

The receiving of Divine Love, which is a substance, with certainty, progressively:

- Raises one's love for those around them, whilst embracing one's Feeling Healing.
- Raises one's perception of all things – naturally grows one's intelligence – soul intelligence.
- Enables one to feel and resolve negative emotional issues more readily during Feeling Healing.
- Humility becomes self evident. Humility enables one to feel their errors and emotions.
- Divine Love strengthens one's resolve to express errors, emotional injuries and untruths.
- Divine Love with Feeling Healing to remove emotional errors, enhances one's health.
- Divine Love enables one to become more childlike – not adult serious at all times.
- Divine Love raises one's capability of feeling – no longer needing to be mind controlling.
- By becoming feeling orientated, one no longer is mind / intellectually dominated.
- The strength to fight and overcome sin and error is strengthened through the Divine Love.
- The Law of Compensation process is more resolved by Feeling Healing with Divine Love.
- Receipt of Divine Love grows one's faith, beliefs become faith and then knowing.
- As our faith grows our intensity to ask and then receive Divine Love grows.
- We begin to follow our passions and desires, no longer fear and mind driven.
- Truth being told at all times then progressively becomes a way of life.
- Our quality of life blossoms, our finances and relationships prosper.
- Man creates his own environment, seeking Divine Love can vastly improve one's environment.
- Health carers receiving Divine Love enhance healing outcomes beyond comprehension.
- Receiving Divine Love may assist in bringing a struggling marriage back into harmony.
- You progressively become dependent upon our Heavenly Parents, not self dependent.
- Personal growth in love directly assists the soul condition growth of one's children.
- Divine Love assists one's rate of soul condition to progress whilst embracing Feeling Healing.
- Divine Love is a substance that changes the human soul to that of the Divine.
- Without Divine Love, one cannot progress into the Celestial Spheres (8<sup>th</sup> sphere and higher).
- Divine Love, with Feeling Healing, enables everlasting Love and Life in the Celestial Heavens.

“The Law of Compensation doesn't operate on isolated actions, but on the overall condition of people's souls, because the deeds are the consequence of this condition. Our behaviour is the reflection of our souls. Never see isolated deeds, always see souls whose condition leads to certain deeds. It is the soul condition which determines the motive and consequently the action. It is our lack of trust in God, this ultimate and definitive trust, which only soul development may give us. This lack is why we suffer.”

Judas of Kerioth 5<sup>th</sup> October 2001

As you grow in love, illness issues abate, financial security improves, and your treatment of your fellow man is the same as how you would like to be treated. You grow in natural intelligence; your perception on many subjects becomes profoundly more loving and supportive of and for your way of life and how you interact with your fellow man.

This quality of life and love permeates and extends into every facet of your physical life and continues to grow as you progress on your journey within the spirit world.

Your capabilities to ask for and receive Divine Love is a gift between you and your creator, God. You do not need an intermediary, nor do you need to join with any organisation. This is your own personal journey and experience. You can share this with others, but no one can take it away from you.

This Love will elevate the human soul to a condition that it may perceive the spiritual truths which God has waiting to be revealed to His children who aspire to understand the nature of the divine and what their true relationship to Him and their family of souls is.

“Keep faith with God, and be open to His Love, and you will overcome with confidence and, indeed, peace of mind, optimism and happiness, those circumstances that seem to mar the fulfilment of your years.” Mary (mother) <http://new-birth.net/ntr/samuels14.htm>

**‘The difference between what are regarded as two paths, the Natural Love Path and the Divine Love Path, is, essentially, the amount of Divine Love that beings have been able to acquire.’** Quote from Celestial Spirit Richard 22 Dec 2012

**Our wondrous soul is an incredible ball of plasmatic intelligent energy. With the infusion of Divine Love, our soul will progressively change from that which is not Divine to that which is Divine. All we need to do is ask!**

**We are created in the image of our Mother and Father, but not of the substance of our Mother and Father. There is nothing of the Divine within our soul at the time of our individualisation, that is, upon our incarnation which is at the time of conception.**

**We have free will. Only should we ask for God's Divine Love, do we receive it. As we ask for and receive Divine Love the nature of our soul steadily changes to that which is Divine. Only with our Feeling Healing and Divine Love can we grow and become at one with our Father. Becoming at one with our Mother and Father occurs upon our progression into the 8<sup>th</sup> Sphere, which is upon entering the Celestial Realms and leaving the Spirit World.**

**We can become at one with our Father whilst here in the physical world.**

**God's Divine Love: Pray for it, ask for it, and receive it.**

**Oliver Twist asked:**

***Please, sir, I want some more!***

**Maybe we should simply ask:**

***Please, Mother and Father, I want some more!***

**Long and pray for Divine Love and it will loosen the errors / injuries / unhealed / denied trapped and/or inherited emotions, resulting in a flowing out of these negative embellishments within one's soul as Divine Love flows in – Divine Love being the greatest gift in all the universe.**

**VISUALISATION with LONGING:**

**Holy Spirit infusing Divine Love.**

**Progressive escalation of Divine Love flowing.**

**Visualise yourself as you were when young and with an empty bowl, and then thankfully ask the Mother and Father for Their Love – Their Divine Love:**

***"Please, Mother and Father, I want some more."***

To liberate one's real self, one's will, being one's soul, is by embracing Feeling Healing so to clear emotional injuries and errors. With the Divine Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

**Our salvation IS by embracing Feeling Healing with the Divine Love.**

**God's Divine Love: Pray for it, ask for it, and receive it.**

**Please Mother and Father, may I receive Your LOVE.**

**“Every day is a day of devotion.”**

Follow your heart, follow your love and do that in loving action, your inner love leads in your asking the Soul of God to receive a little of the Love to strengthen one's resolve to heal.

**“I love you Father.” “Let the Divine Love proclaim its energy into my soul.”**

**“Mother – Father, I desire your Love and I am loving you.”**

**“Soul God, I love you and I love receiving and experiencing your Divine Love.”**

**“True Soul God, I am here, I am aware of your Love. Please hear my aspiration for your Love and as I approach you from my soul, I can feel your Love in the way that you are loving my soul.”**

Try it; give the Feeling Healing and Love a go! If you want to shine, receive the Love.

One can simply receive the Love without following any religious or spiritual teaching taught by man!

Emotional errors and injuries cause encrustment around the soul, the soul is never damaged however, the encrustments retard love energy flow to and from the soul. Feeling Healing melts such injuries.

#### **Three Great Truths:**

- **God is Soul, being our Heavenly Mother and Father;**
- **that each individual soul is a duplex – both male and female;**
- **and Feeling Healing with Divine Love is the pathway to Paradise.**

**FEELING HEALING and SOUL HEALING with the DIVINE LOVE:****James Moncrief Publications:****all publications are free downloads:**<http://divinelovesp.weebly.com/my-free-books-and-free-padgett-messages.html>

It is suggested for one to consider reading as follows:

**Speaking with Mary Magdalene and Jesus – books 1 – 4**

These four books encapsulate the second of the revelations with the first having been introduced by James Padgett one hundred years previously. These four books provide a wide range of guidance that has never previously been made available.

**Paul – City of Light**

As a gentle intro into the Divine Love and Healing; being James Moncrief's first novel and it's been criticised as being too heavily clichéd, but that's the point because it's a reflection of how he was back then.

**Ann and Terry**

For an example of people who might want to immediately start working on themselves and doing their Healing.

**Feeling Bad? Bad Feelings are GOOD**

For more understanding about our denial of our feelings and why we should not deny our feelings, and it includes how it all came about for James, using himself as an example.

**Feeling bad will make you feel BETTER – Eventually!**

This includes specific examples of Marion and James working on expressing particular bad feelings, again with the hope that it will help others gain something of an idea as to what's involved in doing your Feeling Healing.

**Sage – and the Healing Angels of Light**

Through Sage who's 13 years old, the story is primarily about the two aspects of healing; that being, with the help of our angels, and the full Healing we can do by looking to our feelings for their truth.

**Religion of Feelings  
Feeling Healing**

**Welcome to LOVE – the Religion of Feelings  
you can heal yourself through your feelings**

So these books, including the four Speaking with Mary Magdalene and Jesus books, provide the essence of it all and are examples of James' work. Then it's up to whatever takes one's fancy. Other reading to consider may include:

**The Padgett Messages being published as:****The True Gospel Revealed Anew by Jesus volumes 1 – 4****Book of Truths by Joseph Babinsky****The Urantia Book**

**Release one's pain through expressing one's feelings.**

**in conjunction with**

**Longing for the Truth when also longing for Divine Love.**

**FEELING HEALING with DIVINE LOVE is SOUL HEALING:**

*A collection of 'papers' that draw together specific topics including all of the above and more from other sources of information and revelation designed to help increase one's awareness about why we have the problems we do and how to heal them, all whilst living a more healthy and sustainable life. They provide a brief snapshot of the more complicated topics and issues.*

**Firstly, consider discovering the truth of your emotional pain through Feeling Healing.  
Secondly, consider longing for our Heavenly Parents' Love as you progress with your healing.  
Primary and most important readings are the writings of James Moncrief.  
Then consider the Padgett Messages, and then The Urantia Book.**

**DIVINE LOVE and DIVINE TRUTH Revelations and Teachings escalating:**

The opening up of the soul permits a permanent exchange with Divinity, a permanent recharge of this healing energy that allows not only the re-establishment of lost health, but the continuity of health, providing such a perfect balance, even in the physical body, that noxious agents like bacteria and virus cannot find any opportunity to unchain pathological reactions, which we commonly call illness.

But it is true that people without the benefit of Divine Love would lack the protective shield, which the intrinsic healing energies of Divine Love provide for those who pray for our Heavenly Mother and Father's Grace.

Judas – August 19<sup>th</sup>, 2001

The radiance of a soul in good condition is reflected through the spirit body.

A soul in poor condition has very little energy and subsequently is lacking in radiance. The size of the entity is also diminished.

We radiate our own light. Not only when a soul in poor condition is lacking luminosity and energy, its capacity to travel is also significantly diminished, as is its physical size.
