Divine Revelation is Progressive

Nassir Hussain

DIVINE REVELATION is PROGRESSIVE:

“Know of a certainty that in every Dispensation the light of Divine Revelation has been vouchsafed to men in direct proportion to their spiritual capacity.” Quote from Bah El’u’ll Elh (Bahá'u'lláh).

Religious truth is revealed by the Source Soul, God progressively and cyclically over time through a series of divine [Messengers](#), and that the teachings are tailored to suit the needs of the time and place of their appearance. Thus, the divine origin of several world religions are at different stages in the history of a core spiritual teaching, while believing that the latest revelation, being the most recent (though not the last—that there will never be a last), and therefore the most relevant to modern society.

This teaching is an interaction of simpler teachings and their implications. The basic concept relates closely to views on God's essential unity, and the nature of prophets, termed [Manifestations of God](#). Hence revelation is seen as both progressive and continuous, and therefore never ceases

The Manifestation of God is a concept that refers to what are commonly called [prophets](#). The Manifestations of the Creator, God are a series of personages who reflect the attributes of the divine into the human world for the progress and advancement of human morals and civilization. It is believed that the Manifestations of God are the only channel for humanity to know about [God](#), and that they act as perfect mirrors reflecting the attributes of God into the physical world. The motive force in all human development is due to the coming of the Manifestations of the Father, God.

In [religion](#), a **prophet** is an individual who is claimed to have been contacted by the [supernatural](#) or the [divine](#), and to speak for them, serving as an intermediary with humanity, delivering this newfound knowledge from the supernatural entity to other people. The message that the prophet conveys is called a [prophecy](#).

Claims of prophethood have existed in many cultures through history, including [Judaism](#), [Christianity](#), [Islam](#), in [Ancient Greece](#), [Zoroastrianism](#), and many others. Traditionally, prophets are regarded as having a role in society that promotes change due to their messages and actions.

Thus, the teachings conveyed to us through Celestial Spirits via mediums here in the physical world continue to grow the body of knowledge by which we can all develop in love and grow our soul condition. As we develop our soul condition in love then we are able to discern and assimilate the truths that are progressively being made available to us.

There is and never will be just ‘one book’ on the planet that contains all the Truths that have been and will be made available to us.

**Feeling
Healing with
Divine Love is
the key!**

MAN'S FIRST RELIGION:

Religion commenced to be taught to man when his mind was primitive and uncultured. At the time when his mind could not comprehend obtuse things so symbols were selects, such as he could see and comprehend, and when comprehended they were applied to his religion and religious teachings.

He was taught God was Almighty, All Powerful, Infinite, etc., this he could not understand without the aid of symbols. He was taught God had many attributes, so symbols were selected to represent each particular attribute, and then one grand or collective symbol, embracing all in one, thus showing that although God had many attributes they were all embodied in the one God.

The basis of the first religion taught to man was – Love. The Love of Man for his Heavenly Father. The Love of the Heavenly Father for his son man, and the love of man for all of God's creations.

Man was taught to approach God in reverence but without fear or trepidation, just as a child would approach his earthly father knowing that open loving arms were extended to receive him.

Early man knew no fear of God, because he loved God and he knew God loved him in return.

All of the ancient teachings were the same all over the world it was a universal church without sect, creed, theology or dogma. And this is what will come again – it was so, and must be so again to form the perfect brotherhood of man.

The time must come and will come, when all the weeds with which present religions are permeated will be rooted out, and man will return to his first simple and true worship of God. It is so ordained, the Earth cannot end until this is accomplished.

Religions, so called, have been the cause of more bloodshed, than any other cause on Earth and why? Because they were false religions built up on priestly inventions.

Let us look back at the religious wars, the burning stake, the horrible stone and the cruel inhuman devilish inquisition – what parodies on religion !!

With such degradation is it any wonder that our kind Heavenly Father looked down on the mislead people and sent Osiris, Guatama and Christ and other lesser masters to bring back into the fold those which had been led astray.

If I were asked where is God's most Divine Temple on this Earth? I should answer – in the breast of man. The perfect temple for silent meditation, adoration and love of God – where man may become – at one – with his Heavenly Father.

The above are comments from Col James Churchward's research from reading much of the 10,000 clay tablet library in Tibet that dates back to around 70,000BC. "The Books of the Golden Age" written in 1927 and published in 1997, contain these 'sacred and inspired writings'.

A large proportion of the old Uighur Library have a date 70,000 years ago upon them. The balance date from about 70,000 years ago down to about 12,000 to 14,000 years ago. All were written in the Motherland except a small percentage. The tablets containing the Sacred Inspired Writings are the

oldest of all. They must be over 70,000 years old because they were brought to the Uighur Capital City then.

Man's First Religion was simple and without dogma and creeds:

- He was taught God was Almighty, All Powerful, Infinite, etc., this he could not understand without the aid of symbols.
- He was taught God had many attributes, so symbols were selected to represent each particular attribute, and then one grand or collective symbol, embracing all in one, thus showing that although God had many attributes they were all embodied in the one God.
- The basis of the first religion taught to man was – Love:
 - The Love of Man for his Heavenly Mother and Father,
 - The Love of the Heavenly Mother and Father for his daughter and son – man,
 - And the love of man for all of God's creations.
- Man was taught to approach God in reverence but without fear or trepidation, just as a child would approach his earthly mother and father knowing that open loving arms were extended to receive him and her.
- Early man knew no fear of God, because he loved God and he knew God loved him in return.

The Ten Commandments derived from the Negative Confession based on 42 Questions:

The Negative Confession of Ani details the 42 questions in The Egyptian Book of the Dead by EA Wallis Budge on page 346. The papyrus of Ani dates back 3,500 years. Also in the Egyptian Book of the Dead, (the papyrus of Ani) are elements of the Lords Prayer on page 251. Lawrence Gardner in Genesis of the Grail Kings makes reference to the origins of the Lords Prayer on page 274.

The Lord's Prayer originated in Lemuria:

The Lord's Prayer, the greatest work of its kind ever penned or spoken, is to be found in the Sacred Writings of Mu.

P46 Sacred Symbols of Mu

The First Religion: The Sacred Inspired Books were written for the purpose of teaching early man religion; therefore, man's first religion was the teachings of the Sacred Books. The basis of this religion was Love. Man's Love for the Heavenly Father and His works. The Divine Love of the Heavenly Father for His son Man.

Every teaching was plain and simple without a particle of theology. The most ignorant could understand every phrase in it. There was nothing of any kind indefinite. It was impossible not to understand it thoroughly. Man was taught to approach the Heavenly Father, not with fear or dread, but with confidence, and above all, Love: as a child would run to its earthly father who is standing with outstretched arms to receive it. Love stood at the head of the 12 great virtues, because Love governs the Universe and the Heavenly Father is The Great Love.

After studying the teachings of these writings, if one were asked, "Where is God's greatest temple on Earth?" One should answer: "In the heart of man; the perfect temple for the adoration of God; the perfect temple for silent meditation and Love; the temple available at all times and in all places, any hour of the day or night, whether it be in crowded city or desert plain, for the Love and Adoration of the Heavenly and the temple where man can become at one with the Heavenly Father." Tell me, what other temple can fill its place?

<http://new-birth.net/other-stuff/frequently-asked-questions/>

Jesus: "You are the church. In your heart is the most beautiful temple that you have constructed for this Love that you feel from your Father. Sometimes we ask ourselves if we are good enough, if we are worthy of this tremendous Love, this Gift that we recognize in this Love God has offered to us. If you could only imagine yourself as God sees you, the beautiful soul that you are, the beautiful child that He sees before you that He loves with all His Heart, it would put to shame any jewel, any treasure that you might find here on Earth. It would put to shame any monument that has ever been built by man."

"You are the most beautiful creation of our Heavenly Father. There is only one of you. You are precious, you are rare. And as for the diversity of the races that you see on this planet, you must realize that the soul is as diverse from another soul as are the grains of sand and the stars in heaven. But what binds you? You all have this common bond in Love to one another. You all need love. You need to give love. You need to recognize in one another this humanity that elevates you to the status of being the greatest creations on this Earth. We are one in the spirit of this Love. We are one family."

By living true to ourselves, true to our feelings, we are living true to God. It's that simple.

Golden Rule: that one must always honour another's will as one honours one's own.

To liberate one's real self, one's will, being one's soul, is begun by embracing Feeling Healing, so as to clear emotional injuries and errors. With the Divine Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

Note: Following the writings of James Moncrief, one could consider that any reference to the Father, by other relevant writers, may be read as a reference to 'our Mother and Father'. Further, when considering soul healing, then reference to Divine Love could be referred to as 'Feeling Healing with Divine Love'.

GEMS for ALL PEOPLE of all AGES to EMBRACE:

The GOLDEN AGE!

Cause No Harm < to OTHERS
to MYSELF

Strive to love others as I am to love myself

At any time, any where, and in any way you so please:

Approach our Heavenly Parents, in reverence, without fear or trepidation, just as we, as a child, approach our earthly parents knowing that open loving arms are extended to receive us at all times. As one's love grows for our Mother and Father in the Heavens, we come to know with absolute clarity and certainty that our Heavenly Parents, loves you and me and everyone in return, at all times, and that fear is an illusion created by man's mind.

God, who is our Heavenly Mother and Father, is almighty, all powerful, infinite, and all loving. The love of the Heavenly Parents for Their children, man, has been and is always infinite and ever present. As one's faith evolves, one's love for our Heavenly Parents will have no limit. As we grow in Their love, so will we grow in love for all of God's creations and our fellow man.

The Source Soul, our Heavenly Parents, simply desires for us to ask for Their Love.

God's Divine Love: Pray for it, ask for it, and receive it.

"I love you Father." "Let the Divine Love flow its energy into my soul."

"Mother, Father, I desire your Love and I am loving you."

"Soul God, I love you and I love receiving and experiencing your Divine Love."

"True Soul God, I am here, I am aware of your Love. Please hear my aspiration for your Love and as I approach you from my soul, I can feel your Love in the way that you are loving my soul."

"Please Father and Mother, may I receive Your LOVE."

Maybe we could simply long for and ask:

Please, Mother and Father, I want some more of your Love!

OUR FIRST TEACHERS:

Descendants of Andon and Fonta (also called Aman and Amon), our First Parents, not being Adam and Eve, delivered teachings that were faithfully memorised and later recorded as the SACRED and INSPIRED WRITINGS. Through later generations, writings were progressively preserved via way of hieroglyphic symbols that are the basis for the writings on temples in Mexico, South America, Cambodia, India and Egypt. Six sets, each of about 10,000 tablets, were carried from Mu (Lemuria), these were then located at: Tibet, Deccan Plateau in central India, Gobi Desert in Central China, Upper Egypt, Babylon in Mesopotamia and Mexico City. Further copies of each of these original sets were further made.

However, from the teachings of the leaders of the Rebellion, 200,000 years ago, stem all of the world's major spiritual and religious teachings, all being in error and contaminating the sacred and inspired writings, all suppressing one's soul based loving and truth based feelings and bringing about dependence upon one's erroneous mind. BC=BCE AD=CE

Note: Lunar cycles were considered years, then seasons as years.

 As a result of Muhammad, we have Islam 570 AD
 As a result of Topiltzin Ce Acatl Quetzalcoatl –Toltecs Lord 923 AD to 947 AD period of reign
 As a result of Hiawatha we have Iroquois Confederacy 1550 AD
 As a result of the Second Coming we have Divine Love and then Feeling Healing
 which with Divine Love then is Soul Healing 31 May 1914 AD to around the 2040's
 As a result certain restrictions of the Rebellion and Default are now lifted.

From the above ancient clay tablets can be found the Lord's Prayer and the Ten Commandments, though there were 42, Moses was a practical man and condensed them. Also Moses five books are derived from the ancient clay tablets, possibly the set that was in the southern region of Egypt. Those writings had been heavily contaminated by the teachings resulting from the Rebellion.

By longing for the truth of one's feelings and for our Heavenly Parents' Love is the way forward.

END to the REBELLION and DEFAULT – 31 January 2018:

31 January 2018: Nanna Beth – 3rd Celestial Heaven: Yes John, very good news we want to pass onto you for your records. Earth and the seven associated Mansion Worlds (including the two Earth planes) are **officially** now fully under the control of Celestial spirits. And this means John, that Earth is now ‘Ours’. It’s been a long time coming, but it’s a huge milestone and marks a tangible and real end to the Rebellion and Default. It’s one of a number of ‘End’s’ that are to occur.

With the departure of the Caligastias and Daligastias some years ago, humanity has been in a state a limbo so far as who is doing what with it, it not being allowed to be left alone so it could do whatever it liked, it always needing to have a spirit connection. With the mind spirits, as we’ve told you, basically calling the shots still happy to ignorantly carry out C&D’s plans. But now with our systematic and progressive take over, we’re now in complete control.

And what that means is we have our fingers in every pie and we’re on the case so far as what everyone is doing. However it doesn’t mean we’re taking over and telling humanity what to do and how to be, although we are able to work more with certain individuals directly and indirectly helping to move or point or orientate (depending on how you want to look at it) individuals, groups of people, whole societies, the whole world, according to the plans given to us by the Melchizedek Receivers.

So humanity will still carry on outworking it’s unloving, untrue and rebellious state, that has to be worked through to its natural conclusion, however we want you to understand and just know that it’s another end of things and beginning of the new. And it’s basically what we’ve been working with you in connection with James this past year to achieve. There is a lot more to it and how and why it’s been done, and done as it has been done, however you can find out about all of that when you come over.

So we Celestials will guide humanity now according to what our Mother and Father want, so humanity’s got a real tangible safety-net under it now, so no more ‘downside risk’, it all being to move it toward doing its Healing.

I’ll speak again soon – love Nanna Beth.

EXALTED WORLD TEACHERS:

Mary and Jesus, the Master of Nebadon, are the most exalted personalities throughout our entire universe. They have free reign and access to all planes of existence. They reside within the highest plane of the highest sphere within Nebadon. Their teaching guidance and focus is upon those throughout the Divine Love mansion worlds and the Celestial Heaven. It is the Divine Love spirit world spheres 3, 5 and 7 as well as the Celestial Heaven spheres 8, 9 and 10 that he opened immediately upon his death in the year 29 AD.

Subsequently, Andon and Fonta (also called Aman and Amon), our first parents, proceeded to enter the Eternal Spheres, and the Infinite and Universal Spheres. Aman and Amon are very present within these regions.

Self reliant man, by his own perseverance, is his own teacher within the Natural Love Spheres. Upon embracing Divine Love, then one will be able to enter the 3rd Divine Love sphere and progress exponentially through the Heavens.

Upon the death of one's physical body, we transition to the 1st Natural Love spirit world to assimilate and commence socialising.

There is no such thing as eternal damnation. The two Spheres of Disharmony are the closest planes to Earth. We all can grow in love once we so choose to do so.

Natural Love Spheres are 1, 2, 4, 6. Perfection of natural love is achieved within sphere 6, the peak. Progression in Divine Love commences within Divine Love Sphere 3.

Note: The first Divine Love Sphere and the first Sphere of Disharmony are confused with planes within the 1st Natural Love Spirit World.

God is God, who is our Heavenly Mother and Father, being SoulMates. There is only one Soul that is God's Soul, that being the Soul of our Mother and Father. Our Heavenly Parents are the First Soulmates; The Two Who Are One who have brought us all into being.

Jesus and Mary are soulmates and a son and daughter of God.

Mary of Magdalene and Jesus of Nazareth, were both free of sin. Mary and Jesus, combined in their love for us, are our spiritual teachers and guidance for us to find our way home to our Heavenly Parents. Mary and Jesus have liberated their Spirits of Truth who we can long to for assistance and guidance. They are known as Jesus and Mary of Nebadon, the universe system in which Earth is. They are the Creator Son and Daughter ruling this region.

To start this journey we are to liberate our souls from being entombed within our suppressive minds, through feeling and longing for the truth of our feelings via our soul and peel away our injuries incurred since our conception.

The Avonal pair, should they be here, are to support humanity on Earth exclusively. They are to continue the work of the Creator Pair, Mary and Jesus, and will be assisted by them. The Avonal pair will, during their life on Earth, experience the full Feeling Healing process and Soul Healing process so that through their Spirits of Truth, which they are to release upon their physical death, will be able to be called upon by all those who embrace their own Healing. The Earth names of the Avonal Pair may not become known.

Humanity, all being soulmate pairs, are ascending mortal souls who are to reach inward and progress Paradise-ward for the God experience. As part of our journey of evolving our souls we are to experience evil, that is the denial of God and the Creator Pair. We can long to the Spirits of Truth of Mary and Jesus and soon to the Spirits of Truth of the Avonal Pair. Our Indwelling Spirit is our direct connection to and with God.

EMBRACING the WILL of our HEAVENLY MOTHER and FATHER:

Our Heavenly Parents are almighty, all powerful, infinite, and at all times loving.

The love of the Heavenly Parents for their children, woman and man, has been and is always infinite and ever present.

As one's faith in our Heavenly Parents evolves, man's love for his Heavenly Parents will have no limit.

As man grows in his love, so will man grow in his love for all of God's creations.

Approach the Source Soul, the Mother and Father, in reverence, without fear or trepidation, just as a child approaches his earthly parents knowing that open loving arms are extended to receive him at all times.

As one grows in his love of the Mother and Father, one becomes to know with certainty that God loves him or her in return, at all times, and that fear is an illusion created by man's mind.

By embracing the commandment provided in the 1st century, namely the first:

"This is my commandment, that ye love one another even as I have loved you."

Further, we are to embrace our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

Also as our soul development progresses, our self love grows which also enables us to step away from:

Any self harm that we may cause which also brings about consequences.

And to move along this path we simply develop our embracement of:

God's Divine Love; by praying for it, asking for it, and receiving it.

Longing for Truth and Divine Love we can embrace the will of the Father and achieve freedom from error and harmful ways, thus finding our way home!

LOVE of the MOTHER and FATHER:

We mainly commence our journey of discovering our relationship with our Heavenly Parents, God, through the intermediary relationship of one of many religions and the even more numerous religious institutions. Frequently we have given our power and rights to an intermediary to intercede on our behalf. Our Mother and Father seeks to commune directly with us.

As we progress in our development and growth of love for our Mother and Father, our Creator and Source Soul, then we find a relationship and personal love for and with Them. This developing personal dependence on our Parents can and is supported by our religion teachers as well as by our never tiring spirit guides. Asking for, praying for and receiving the Parent's Love, Their Divine Love, which is always available for us, is the ultimate blessing that can only come about by the development of our own personal relationship with our Heavenly Parents.

As our soul develops and expands with the infusion of the Love, our relationship and love of Mother and Father develops into the beautiful joy and blessings that is there for us all. Our personal relationship and dependence becomes all embracing erasing our childhood developed intellectually based self dependence. With the Parent's Love, and one's Feeling Healing, comes an ever growing loving life experience that is beyond words and expectations. The Love of the Parent's, with Feeling Healing, is the only gift that brings about forgiveness of our errors and fits us to enter the higher spheres well above those based on self reliance and natural love, the only love that we are blessed with at conception.

SATAN as an ANGEL:

(Aramaic Light on Romans through 2 Corinthians, A commentary based on the language of Jesus and Ancient Near Eastern Christians. Rocco A. Errico / George M. Lamsa)

And no marvel, for Satan himself is transformed into an angel of light. 2 Cor. 11:14

The word "Satan," **satana** in Aramaic, derives from the root *sata*, which means "to go astray." *Satana* is a verbal noun denoting the action of the verb *sata*. It is used as a noun and as an adjective.

For example, when a Near Easterner makes a mistake, he spits on Satan. When he is caught doing something wrong he might say: "It was not my fault; Satan caused me to do it." Such excuses often help people to escape punishment and embarrassment.

In the early part of the twentieth century, there were a people near Mosul, Iraq, known as "Devil Worshipers" numbering about eighty-five thousand. Their doctrine was that Satan is a fallen angel who will finally be restored. Therefore, we must not spit on him or curse him but adore him and be good to him so that he will be good to us: Spitting and using the name "Satan were forbidden among members of this sect, and strangers who might visit them must refrain from mentioning Satan's name or cursing him. The doctrine of Satan as a fallen angel is fully accepted in the first book of Enoch in the Apocrypha.

Satan, as a person, is not recorded anywhere among God's creation. In Genesis chapter 3, it is a serpent that tempts Eve, not Satan. There is no mention of angels, Satan, or any other intermediary between God and the first couple. God alone acts as a father. God also reproves Adam and Eve, rebukes Cain, instructs Noah to build the ark, and appears to Abraham, Isaac, Jacob and Moses. In the very ancient days, God seemed to have no advisers, intermediaries, or agents. According to Scripture, however, in later days, he seemingly depends on such mediums to carry his messages and execute his orders.

The word "Satan" as a noun is not found in the first five books Moses known as the "Pentateuch." It appears once in the book of Numbers, but as a verbal noun, in Hebrew *satén*, meaning to mislead." The early Hebrews had little or no knowledge of Satan or knew anything about this supposed power.

Ancient Israelites attributed everything to God and looked on punishment and suffering simply as a kind of paternal chastisement. Their concept of monotheism was so innocent that there was no place or a Satan as an adversary in a world created and ruled by their God, who is the supreme ruler of the universe.

Just before and during their captivity in Chaldea (Babylon), Satan appears frequently in Hebrew literature. He is often spoken of as an "evil spirit." In the book of Job, he appears standing among God's sons. He freely criticizes God and even rebukes him for being too good and generous to Job.

In the book of Kings, we find him again in the council of God, acting as an adviser to mislead Ahab so that he might fall in the battle against the Syrians. God appears to have accepted his advice as the best that was offered at the time.

In the New Testament, he is spoken of as a tempter or an accuser. There is much in Scripture about the power of Satan, but it does not blend with the pure Semitic teaching of the one, supreme God.

The Jews borrowed the notion of Satan from the Chaldeans and Persians during their captivity, 605-535 BCE. A large portion of biblical literature was written during and after this period. Oppression,

crookedness, injustice and corruption were so prevalent in Chaldea that the Chaldeans traced the origin of evil to an independent god, *Ahriman*, the god of darkness. This deity had no relation whatever with *Ormazd*, the god of light. Their system of government had accusers called *Shaytans*, who appeared before the king and accused certain people, such as Daniel, Shadrach, Meshach and Abednego.

Also, the kings were worshiped as gods and were unapproachable. Their orders were carried out by their intermediaries and ministers. This was not so in the early Hebrew theocratic form of government, where evil was much less a problem and small tribal affairs were easily settled by the kings and chiefs. People were forgiven without intermediaries.

The Jews found things different in Chaldea. They could not associate injustices, corruption and evil with their conception of a good God, so they adopted the idea of Satan from the Chaldeans and reluctantly accepted the doctrine of demonology. This gave them an answer to the prevailing evils that they confronted in Chaldea and Persia.

Chaldeans and Persians were dualistic in their concept of deity. They believed in two gods, the god of good and the god of evil. They acknowledged the existence of evil; therefore, they attributed it to *Ahriman*, the deity of darkness. They had no idea that every human being had free will and had ability to resist any wrongs or evils.

“Satan” derives from the Aramaic root *sata*, and means “to slip”, “to slide”, “to deceive”, “to miss the mark”, and “to cause one to be misled or go astray”. In Aramaic, calling an individual a “satan” means that the person is going astray or misleads others. “Satan”, as a Chaldean-Aramaic term, does not denote an individual.

In 75% of the time, the New Testament uses the term “devil” to refer to someone as “crazy” or “insane” and not to a supernatural creature. In the Near East, the general populace calls an insane person or a crazy action a “devil”.

Concerning “Lucifer”, there is absolutely no Scripture that says that God created a supernatural being that turned on Him. “Lucifer” comes from the Hebrew word *helel* and literally means “the shining one”, also translated as “day star” or “morning star”.

In speaking about Lucifer, Isaiah refers to the King of Babylon, not an angelic, supernatural force. Furthermore, the prophet uses descriptive Near Eastern metaphors in proclaiming the end of the Babylonian Empire along with its exalted leader and king.

Amplification

Semites enjoy putting more “colour” into a situation than merely describing an actual happening with detailed accuracy. What better way is there to glorify an event and to make an everlasting impression than to amplify and magnify the occurrence!

This amplification is totally acceptable and agreeable to Eastern listeners. Many passages of the Bible contain exaggerated speech and story amplification in order to glorify an idea or event.

Because of this accepted practice, we have several varying accounts of Jesus multiplying the loaves and fish. One gospel writer says Jesus fed 5,000 men. Another writer says that he fed 4,000 men. Each writer flavours the event the way he chooses. Of importance is that Jesus fed hungry men, women, and

children. The need was met. We do not have to concern ourselves with the exact figure. In the West, we want details. But in the Near East “it does not matter”. By the way there was wine, figs and dates to go with the loaves and fish, all of which were brought to the gathering by those attending.

The Bible is more clearly understood when one is familiar with the Seven Keys that help unlock the holy text.

Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God’s soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of your Mother and Father.

“Dear Creator, fill my soul with your great Essence, your Love Divine and I will walk this Path as your child, ever seeking to come closer to you, ever seeking to receive this wondrous Gift, ever seeking to open my eyes and my ears and my mind of the soul so that I may know truly and wondrously who You are, who I am and the wonderment that is your creation, Beloved Mother and Father. I am ready. I am willing. I have a deep desire to know, I have a deep desire within my soul to love and I want to love, Mother and Father, in all the ways that I am capable of and to be your channel of Love in this world, to bring the Light of your Love into this world, to be in this wondrous flow and harmony, to know this great joy, profound and deep, holy and joyous. Mother and Father, I am with you. Be with me within my soul. Be with me now”.

First Parents being First Ensouled Humans

Our first parents, Andon and Fonta (also called Aman and Amon), were the first to exhibit human perfection hunger some **one million years ago**. Andon and Fonta were the most remarkable pair of human beings that have ever lived on the face of the Earth. This wonderful pair, the actual parents of all mankind, were in every way superior to many of their immediate descendants, and they were radically different from all of their ancestors, both immediate and remote.

The Lucifer soulmate pair believe that the mind is superior to all things. Thus they convinced the inhabitants of 37 inhabited planets within the universe of Nebadon, including Earth, to become self reliant and abandon God and Their administrative leadership. The Lucifers brought about the Rebellion on Earth two hundred thousand years ago. So for 200,000 years of spiritual darkness, humanity has suffered the consequences of one's error ridden mind.

REBELLION

Adam and Eve, the Adamite soulmate pair, came about **thirty eight thousand years ago** to upstep the gene structure of humanity and advance their spirituality.

DEFAULT

Both Eve and Adam mated with local humans and accordingly defaulted on the plan. They were to breed a superior stock that would then interbreed.

Mary of Magdalene and Jesus of Nazareth, soulmates, **two thousand years ago**, both retained perfection, and during their sojourn on Earth were enthroned as sovereign rulers of Nebadon. **The bestowal of Michael (Jesus and Mary) terminated the Lucifer rebellion.**

The Second Coming, **now in progress**, reveals the availability of Divine Love and the need for each person to engage in the process of Feeling Healing. With the Divine Love then this process is one's Soul Healing.

LUCIFER REBELLION HAS ENDED, and now REVELATIONS for HEALING are HERE:

Lucifer soulmate pair

Satan soulmate pair

Caligastia soulmate pair

Daligastia soulmate pair

Lucifer soulmate pair were magnificent beings, a brilliant personality as one. They were designated as one of the one hundred most able and brilliant personalities in more than seven hundred thousand of their kind. From such a magnificent beginning, through evil and error, they embraced sin. They believed that their minds were all powerful and that everyone should be independent and reject the illusionary God and those who lead the path to God, namely Michael of Nebadon (Jesus and Mary).

Very little was heard of Lucifer on Urantia (Earth) owing to the fact that he assigned his first lieutenant, **Satan** (also a soulmate pair), to advocate his cause on our planet. The “devil” is none other than Caligastia (again, another soulmate pair). At the time Michael (Jesus and Mary) was on Urantia in the flesh, Lucifer, Satan, and Caligastia were leagued together to effect the miscarriage of his bestowal mission. But they spectacularly failed.

About five hundred thousand years ago and concurrent with the appearance of the six coloured or Sangik races, Caligastia, the Planetary Prince, arrived on Urantia. There were almost one-half billion primitive human beings on earth at the time of the Prince’s arrival, and they were well scattered over Europe, Asia, and Africa. The Prince’s headquarters, established in Mesopotamia, was at about the centre of world population.

Caligastia had been attached to the council of the Life Carrier advisers on Jerusem. Lucifer elevated Caligastia to a position on his personal staff, and he acceptably filled five successive assignments of honor and trust. The Planetary Prince of Urantia (Earth), Caligastia, was not sent out on his mission alone but was accompanied by the usual corps of assistants and administrative helpers.

At the head of this group was **Daligastia** (soulmate pair), the associate-assistant of the Planetary Prince. Daligastia was also a secondary Lanonandek Son. He ranked as an assistant at the time of his assignment as Caligastia’s associate.

Lucifer, with deputy Satan, and lieutenants Caligastia and Daligastia have ingrained into the human psyche to be mind dominated with its errors passing down through all parents, being self reliant and rejecting one’s own soul based feelings that are to lead us to our Heavenly Parents with the truths being provided by Mary and Jesus of Nebadon. Lucifer and Satan were removed two thousand years ago, Caligastia and Daligastia have very recently been removed. Their crimes against humanity make Adolf Hitler appear to be a saint!

There are no devils and no Satan considered as real persons and fallen angels.

Washington D.C. Received by James Padgett

January 3rd, 1916

I am here, Jesus.

I am with you tonight to warn you against letting any doubt enter your mind or heart, as to our actually writing to you, for we and none other are actually in communication with you.

The book that you read (Pastor Russell – On Spiritualism) is a snare and a lie, for there are no angels who have become devils as the author of that book declares. Never were there any angels who through ambition or any other reason revolted against the power of government of God, and thereby lost their estate as angels. Never was there any Lucifer, and never were there any angels who were thrown from the battlements of heaven into hell, as it has been written and as I told you before, there are no devils and no Satan, considered as real persons and fallen angels.

The only spirits in the spirit world are those who at one time were mortals and who lived lives on Earth, shorter or longer, and whenever angels are mentioned in the Bible, or rather in the New Testament in places which contain my sayings or those of the apostles, and I mean those sayings which were actually said, the word angel always refers to the spirit of some mortal who had passed the line between life and death as commonly understood.

I desire to tell you of these things at large very soon and to instruct you as to who were the angels of God that are supposed to have had an existence prior to the creation of man and of the world; and who the inhabitants of heaven were before the Spirit of God entered into man and caused him to become a living soul as the Bible says. But the time is not yet ripe for me to instruct you in these matters, because there are so many more important truths to be first taught you, truths which are vital to man's salvation and happiness to those on Earth and in the spirit world.

But this you must believe, that no devils ever write you or in any manner manifest to or through any of the numerous mediums who are used to show the existence of spirits of men in the spirit world, no matter whether these mediums be good or evil. There are spirits of all kinds just as there are mortals of all kinds, having all the traits and characteristics of mortals, and some of these spirits may be justly called wicked or evil spirits, and even devils. But they are nothing more or less than spirits such as I describe.

I know that the belief of the majority of mankind is that there are such things as devils and that they are independent creations of God, made by Him to tempt and inflict all kind of trouble and unhappiness on mortals, and because of the great number of years that these beliefs have existed, and the fact that many of the churches still teach that such devils do exist, and are at all times trying to tempt and injure men, it is hard and will be difficult to induce men to believe that there are no such things as devils, which is the truth.

I know that the Bible in many places speaks of my casting devils out of men, and of men being possessed of devils, and of the apostles casting out devils, and of their not being able to cast out some of these devils, but I tell you now that the Bible is all wrong in this regard, and the writers and translators of the Bible never understood what the word devil, as used in these various instances, meant or was intended to mean. As I have told you, there was never any devil or devils in the sense mentioned and

taught by the churches, and consequently, they never could have possessed mortals nor have been cast out of them. It is true, that by the workings of the law of attraction, and the susceptibility of mortals to the influence of spirit powers, mortals may become obsessed by the spirits of evil – that is evil spirits of men who once lived on Earth – and this obsession may become so complete and powerful that the living mortal may lose all power to resist this influence of the evil spirits, and may be compelled to do things that the mortal will not desire to do, and to show all the evidence of a distorted mind, and present appearances of a lost will power, as well as of the ability to exercise the ordinary powers given him by his natural creation. And in these instances referred to of casting out devils, wherever they occurred, and they did occur in some of the instances mentioned, the only devils that existed were the evil spirits who had possessed these mortals.

And this obsession obtains today just as it did then, for the same laws are in operation now as were in existence then, and many a man is in a condition of evil life and disturbed mind from the obsession of these evil spirits; and if there were any men of today in that condition of soul development and belief that my disciples were in, they could cast out these so called devils just as the disciples cast them out in the Bible days.

But men have not this faith, though there are many who have been blessed with the inflowing of the Holy Spirit; but they have not the belief that such work as the disciples performed can be performed by them now, and, in fact, the most of them believe that it would be contrary to God's will to attempt to exercise such powers, and hence, they never attempt to do such work.

But when men learn that in all ages God is the same, that His laws work the same way, that mankind is the same so far as the soul's possibilities are concerned, and that the faith which God made possible for man to attain to, may be possessed by him now just as it was possessed by my disciples, then they will attempt this work of beneficence and will succeed, and the sick will be healed and the devils cast out, the blind made to see, and the deaf to hear, and the so-called miracles will be performed as they were in my days on Earth.

There is not and never was such a thing as a miracle in the sense of having an effect produced by a cause which was not the result of the ordinary workings of God's laws, for these laws in their workings never vary, and when the same law is called into operation upon the same condition of facts the same results will always be produced.

So, let a mortal have in his soul the same amount of God's Divine Love which the Bible writers meant or should have meant, when they spoke of being endowed by the Holy Ghost, and let him have the necessary faith, that when he prays to God, he will give him the power to exercise this Love in a sufficient degree to produce the desired results, and then try to exercise the power of casting out devils or healing, etc., and he will find that success will attend his efforts. God is the same at all times and under all circumstances, and only mortals vary in their conceptions and conditions.

So I say, there are no devils as independent creatures of God, in contradistinction to the spirits of men who once lived on Earth, and you must believe that there are not.

I tell you now, that the teachers of such false doctrines will have to pay the penalties for their false teachings when they come to the spirit world, and see the result of these false teachings, and no relief will be granted until they have paid the last farthing. To believe such doctrines entails results that are bad enough for any spirit to endure, but to teach others these beliefs and convince them of their truth,

entails upon the teacher, whether he actually believes them or not, sufferings and duration of sufferings of which men have no conception.

I will not write more tonight, but will, in closing, say that you have my love and blessings, and my promises I will fulfil, so that you will realize your expectations and be in condition to perform the work that you have been selected to do.

Well, you let doubt come into your mind, and as a consequence, your soul does not respond, although, strange as it may seem, the Divine Love is there, but when this mental doubt exists, it is as if it were a covering which prevents the existence of the Love in the soul to shine forth and produce the great feeling of happiness and joy which otherwise you might experience. The mental condition of the mortal, undoubtedly has a great influence on the consciousness of the man as to his possession of this soul development and the Divine Love, and consequently, there will have to be this continuous fight as long as life lasts on Earth, between the mental conditions and the soul's consciousness. But as the mental beliefs are brought into harmony with the soul's condition, more and more the fight will grow weaker and less frequent, and it is possible that they will cease altogether, and the mental beliefs become entirely and absolutely subordinated or rather absorbed in the soul's consciousness of its being possessed of this Divine Love of the Father.

So my dear brother, I will say good night.

Your brother and friend,

Jesus

Whilst we are receiving our Heavenly Parents' Divine Love, and that this Love is causing change within our soul and spirit attributes, the greatest Truth known to man and spirit is that this is the way our Mother and Father are actually loving us! When we progress, it is God's way of loving us into love and then we live what we are, love.

LIVE FEELINGS FIRST

True Gospel Revealed anew by Jesus Vol I, II, III, IV by Geoff Cutler

www.lulu.com
November 21, 1916

I am here, Paul -

I desire tonight to finish my message on hell – what it is and what its purpose is.

Hell is a place as well as a condition, and the man who believes that it is nothing more than a condition of his mind or soul will be wonderfully surprised, as well as disappointed. I know that the condition of mind and soul to a very large extent creates a man's hell, and is the chief source of his suffering and the darkness that surrounds and envelops him; yet this condition is not the only source of that suffering, or of darkness in which he finds himself.

Hell is a place, and a place that has all the appearances and ingredients that are in exact agreement with the person's state as produced or caused by the condition of his mind or soul. It is not a place of universal character, fitted for the habitation of all souls, irrespective of conditions of degrees of defilement and sin and darkness. It is not a single place forming a common home for all fallen souls, but is composed of many and different places, and as has been said, there are many hells having gradations of appearances and surroundings that are suitable for causing additional sufferings which souls may have to endure. (Spheres of Disharmony of which there are three.)

The expression, "the lowest depths of hell" is not a meaningless one, but portrays a truth – a real existing fact that many spirits are now experiencing the reality of.

In its broadest sense, hell is every place outside of heaven. And heaven is that place where everything entering into it – its appearance and qualities and its inhabitants – is in perfect harmony with the respective laws of God and His will concerning the same. And this statement involves the fact that there are several heavens, because the heaven of the redeemed, or those who have received the divine essence in their souls and become of the divine nature of the Father, is a distinct heaven from that wherein live those who have been restored in their natural love to the perfect condition that the first parent possessed before the fall – the condition of the restitution to mankind to that perfection which was lost by the disobedience of the first man and woman.

Mortals commonly believe that heaven is a condition; and yet the Bible, in which so many believe, attempts to describe this heaven as a place with its streets of gold, and pearly gates, etc. And as a fact, it is a real, substantial place, having all the elements and appearances of a home of bliss, which help to bring to its inhabitants happiness and joy in addition to the happiness which their soul perfection and development cause them to have.

Then, as heaven is a place, having real substance, perceptible to the spirits that inhabit it, why should not hell be a place of real substance also, with those qualities and appearances exactly suited to add to the unhappiness of those who are fitted for it? The spirit world, both heaven and hell, are places of substance, having their planes and divisions and limitations of occupancy, and not mythical, invisible conceptions of mind such as you mortals ordinarily conceive ghosts to be. The spirits of mortals are real and more substantial than are the physical bodies of mortals, and these planes and divisions, whether of heaven or hell, have a more real existence than have the mortals in their places of habitation or confinement in the Earth life.

The hells are places of darkness and sufferings; but in them are no fires or brimstone, etc., as have been so commonly represented by the preachers and teachers of some churches, because there is nothing therein that would feed fires or that fires could affect. And there are no devils, or “Satan,” though there are evil spirits of men that are more wicked and vicious and horrifying than have ever been pictured of Satan and his devils.

In your communications you have had some very realistic descriptions of hell from those who are actually living therein and experiencing its tortures and realities, and I will not take the time here to attempt to describe it. I will only say that, as it has not entered into the minds of men to conceive the wonders and beauties of heaven, neither have they ever conceived of the horrors and sufferings of hell.

But from all this men must not understand that the punishment and darkness which the spirits endure in the hells are specifically inflicted by the Father because of any wrath that He may have towards these spirits, or to gratify any feelings of revenge, or even to satisfy any outraged justice, for it is not true. **Man, when he becomes a spirit, is his own judge and executioner**, submitting to and receiving the inexorable results of the law, that “whatsoever a man sows, that shall he also reap.”

This is a law that is necessary to preserve or bring about the harmony of God’s universe. While it may appear to man, at first sight, to be a harsh and cruel law, yet in its workings and results, even to the individual spirit who may suffer in the reaping, it is a most benign and beneficial law. For the darkness and sufferings of a few years, as you mortals say, bring about an eternity of light and happiness.

The law must rule; and in all the apparent harshness and suffering and want of mercy, the great love of the Father overshadows the sufferer, and finally makes the defiled and wicked soul become one of purity and goodness. Men may never have thought of the fact that if it were possible for these evil spirits to live in heaven, their sufferings and unhappiness would be greater than what they endure by living in the place that is more in agreement in its surroundings and appearances, with their own distorted conditions of soul. So even in their hells, the Father is merciful and good.

And regarding the second proposition of the preacher in his sermon, namely, that this duration of the spirit in hell is eternal, everlasting and without end, how it must have hurt and violated the teachings of his soul, and his conception of the loving Father, to come to such a conclusion! But, yet, being bound by his creeds, and the domination of his belief that the Bible is the sole authority upon hell, as well as heaven, in the conviction of his mind – and here I want to emphasize mind, for his heart was not in agreement – he declared that the duration of the sufferings and life of the hells is eternal, saying Jesus proved it to be, not only because it was in the Bible, but because the true meaning of the original Greek word can have no other translation. He did not recall that **Jesus**, even if he used such expression, **did not speak in Greek**, and that back of the Greek word, in order to obtain the true meaning of the word used by Jesus, he, the preacher, must go to the word as it was uttered by Jesus and its true meaning.

So many preachers and commentators on the Bible attempt to determine a most vital truth by a shade of meaning that they conceive a particular word, in its original language, may have, when they are not justified in concluding that such word had at the time used, such shade of meaning, or that the original as they conceive it to be, was the original word actually spoken or written. They seem to lose sight of the fact that the writings of **the Bible, I mean the manuscripts to which they make reference to prove the correctness of their conclusions, are far removed from the original writings, and that by reason of the copying and recopying of the word upon which they rely, and the shade of meaning that they give it in their interpretations may not have been the word originally used.** Of course, they have no way of learning this fact and, consequently, they have to resort to the best authority that

they can have access to. But under such circumstances, it is not a justifiable thing to have a vital question of man's future and destiny determined by the shade of meaning that may be given to one word or more words, without reference to other declarations of the same book having relation to the subject matter of the inquiry.

The preacher said that in his conclusion as to the question, he must be governed by the Bible alone, and had no right to indulge in speculation of the philosophies of other men; and that in the Bible he could find nothing that would justify him in coming to any other conclusion than that the duration of punishment in hell is eternal. Well, he was not honest with himself; for if he had searched a little more deeply, and had given as much credence to other parts of the Bible as to the passage that he quoted, he would have found a strong statement to the effect that spirits in hell have the possibility of leaving it, and not only that, but that a part of the great mission of Jesus, upon whose supposed declaration the preacher based his conclusion, was to show the way and induce these spirits to leave their hells.

This was the Master's first work after he became a spirit, and he would not have attempted to preach to these wicked spirits in hell, so wicked, according to the Bible, that God because of their great sins when mortals, punished them as He never punished any other of His children for their disobedience, utterly destroying them as a race and His only living human creatures from the face of the Earth, leaving only Noah and his family as a reminder of the great "failure" of God in His creation.

So I say, if the preacher had searched the Bible, he would have found that the hell that contained the spirits of all the human race that was living at the time of the flood, except Noah and his family, was not in its duration eternal.

And again, had the preacher searched further he would have found that the Master himself, declared by necessary implication, that, at least, for some of the wicked who became inhabitants of hell, there was possibility of release, and certainty upon conditions. I refer to the declaration attributed to him where he said, "He that sinneth against the son of man, it shall be forgiven him, but he that sinneth against the Holy Ghost, it shall not be forgiven him, neither in this world, nor in the world to come" [Matthew 12:32]. Now, to any reasonable man, there is only one interpretation of this declaration, and that is that for any and all sins, except that against the Holy Ghost, there is forgiveness, in the next world as well as in the mortal world. And this being a fact, it is an irresistible conclusion that the Father would not compel a spirit to remain in hell after He had forgiven that spirit's sins.

No, the preacher had not searched the Scriptures, as he was in duty bound to do; else his conclusion – could he have ridden his mind of the beliefs that the creeds of his church had driven into his intellect, and of the teachings of the ancient fathers, and of the churches that had taught such false and damnable doctrines for so many years – would have been very different.

The preacher repudiated the old teachings that there would be physical suffering in hell, or fire or brimstone, etc., and expressed his commiseration for those preachers and others who had taught such doctrine, and for their awful responsibility and accounting, and his commiseration was needed and appropriate. But I want to say here that he needs as much, if not more, commiseration for the preaching of his false doctrines, as did those preachers to whom he refers. He has more light, or may have, and his accounting will be correspondingly greater.

I have written a long letter, and you are tired and I must stop, but before doing so, let me declare the truth to be, that hell is not a place of eternal punishment – that all the hells as well as other parts of the spirit world are places of progression and the privilege of probation is not taken from any spirit, no

matter how wicked. For all are God’s children, and in His plans for the perfecting of the harmony of the universe, and man’s salvation, all the hells will be emptied, and the hells themselves destroyed.

But men must not think from this that the duration of suffering in these hells is necessarily short, for that is not true. Some of the inhabitants of these places have been in such darkness and suffering for centuries, as mortals count time; and may be for centuries more. But the time will come when they will have the awakening to the fact that they may become children of light; and then, when they make the effort to progress, they will succeed.

The sooner that mankind learns that hell is not a place of punishment to satisfy the wrath of an angry God, but merely the natural and necessary living place of the spirit, whose condition of soul and mind demands, and that condition changes, and it will change, the hell of its habitation will change until finally for that spirit all the hells will disappear.

You are tired and I must stop. *So thanking you, and leaving you my love and blessings,
I am your brother in Christ – Paul*

“Mother and Father, open my soul to this Gift, Your Love. Open my soul and may Your Holy Spirit touch my soul and pour within it your essence, your Love that I may be transformed, that I might be your true child, embraced and carried, lit along my life’s path in the glory of your Light and care and protection.”

What Can We Do to Offset the Effects of Evil?

P.100-104 Judas of Kerioth by Geoff Cutler
Cuenca, Ecuador, Received by H.R.

September 15th, 2001

My dear brother H___, with so many cries for war and vengeance, I believe that it is worthwhile saying a few words in that respect. It is not our task to intervene in humanity's political affairs; our work is to lend guidance to the individuals so that they may find harmony with God's Laws. We have transmitted many messages on spiritual laws, but sometimes I get the impression that you still don't understand them well.

I wish to talk about harmony. In fact, there are two forms of harmony, absolute harmony and relative harmony. Everything which is in harmony with God and His Will is in absolute harmony. And whatever is in harmony with its own environment is in relative harmony.

In the spirit world it is very easy to explain these circumstances. We know that there are places which are totally out of harmony with the Laws and the Will of God regarding morals, ethics and love, natural love as well as Divine Love. We call these places hells. And the spirits, who show the same inharmony in their soul condition are forced to live in those places, because there they find at least relative harmony. The law which determines this is the Law of Attraction, resulting in the spirits living in communities where relative harmony reigns among all their members, and where all spirits have the same lack or the same degree of absolute harmony.

The second law that is applicable in this context is the Law of Compensation. This law has the function of establishing absolute harmony, and its methods are painful. But through pain, it impels the spirits to try to improve their situation, and when this happens, the spirits change their place of living and move on to another place, where more absolute harmony reigns, and where they may live in relative harmony with their mates.

The Law of Compensation operates on the tension caused by a lack of absolute harmony. The painful principle, that is to say, the unpleasant environment and the vivid recollections which force the spirits to face all that they have done and thought, etc., is same for all. The answer is individual, as the life each spirit led is different from the lives of all others.

All this is very clearly defined in the spirit world. On Earth things are very different. Earth is comparable to a plane in the spirit world, because there are also millions or billions of spirits on each plane, but the difference is that on Earth there are still incarnated spirits of all kinds, there are saints and true monsters of wickedness. All occupy the same plane, Earth, without being restricted to certain places and with free mobility within their abilities. The Law of Attraction works on Earth, but the effect of this Law is very blurred. It is true, some people unite, they form groups of interest, as you do on the Internet, when you try to spread the Padgett messages. This Law, however, doesn't have the same accuracy as in the spirit world, where it really effects a separation of spirits according to categories, determined by their soul conditions.

The Law of Compensation also operates, but on Earth there is no uniformity in respect of the lack of absolute harmony, that is to say, relative harmony doesn't exist. Saint and sinner live side by side.

Each mortal's deeds and thoughts contribute their part to a pool, like a marshalling of forces which determines where humanity stands in relation to absolute harmony with the Heavenly Father and His

Will. It is that position which determines the operation of the Law of Compensation, which in turn sets free its effects over all people, over just and unjust equally. Many times the guardian angels or the spirit guides try to warn or to help, but it is this heterogeneous situation reigning on Earth that reduces the effectiveness of our work.

As I have said, each action and each thought determines, according to its measure, humanity's position, and hence the effects of the Law of Compensation. This is why all you do in harmony, that is in love, improves the situation of all mankind. It has not only a positive effect on yourselves, furthering your soul development, and a positive effect on your immediate environment, no, it goes much beyond this. Each action or thought out of harmony is like a grain of sand in a precision gearing, and things won't run smoothly anymore.

With these words I have described an aspect of the "common spirit" of Earth, and we will go deeper into the topic in the future.

My dear H___, you always wonder, what you can do in practice. You always demand concrete examples and not theoretical speeches. So then, I want you to make a small experiment. Put a cherry in a glass of distilled water. What will happen?

The cherry will swell more and more, until it finally bursts. Why? The cherry contains sugars and minerals; the surrounding water doesn't contain anything like that. A natural law determines that the water "wants" to equal the osmotic pressure inside and outside the cherry. There are two possible outcomes. The water may enter into the cherry in order to dilute the solution of sugars and minerals, or the sugars and minerals may leave the cherry in order to saturate the water, until there is a uniform concentration inside and outside. But the cherry's membrane is semi-permeable, and it doesn't allow the sugar to leave. Therefore, the water enters with the fruitless intent of equalling the concentration inside and outside, and finally the cherry is destroyed.

Something similar happens when there is a rich country and another poor country. The population of the poor country wants to enter the rich country, and in spite of all efforts, they manage to do so, because the frontier will always be semi-permeable. This may destroy the rich country. But there is another possibility that the sugars and the minerals come out, towards the poor country, and so the population will stay where they are, without any desire for migrating.

No, you are very mistaken. The sugars and minerals are not money, they are OPPORTUNITIES!

We always tell you that it is necessary to try to be as God is. This is impossible, it's clear, but it is necessary to try to love unconditionally, to be good, to help, etc., as God does. And it is necessary to give blessings. But how does God give His blessings? He doesn't give you money on a silver tray; I have already explained this. He grants opportunities.

So, my dear sisters and brothers, grant opportunities. Do this according to your possibilities, be tolerant, don't reject people for their colour, race, religion, political opinion, sex, etc. Grant opportunities. Don't try to monopolize everything for yourselves, grant opportunities.

The lack of absolute harmony causes tensions, and those tensions are set free according to the Law of Compensation. Diminish tensions. You can do this through your harmonious contributions. Love, pray, help, you know already what you can do. The pool of active love in this world, of Divine Love as well

as of natural love constitutes the counterbalance, which may remove negativity, bringing humanity nearer to harmony, and it will cause positive effects for all.

Your prayers are like oil, smoothing the running of the gearing, they are like the wind that clears the sky and allows us to see the bright sun and to feel its warmth, which gives us life.

The moment has come to say goodbye. May God illuminate the world leaders, may God shed His blessings over humanity. I want you all to obtain more of the Heavenly Father's Love in your souls, and I ask you all to pray, more than ever, the world needs this.

Thank you, H___, for your time and for giving me this opportunity to express my thoughts. You have received my message very clearly today, and I hope our good rapport may continue.

Your brother in the spirit,
Judas

WILL or FREE WILL !

Our soul, being made in the image of our Heavenly Mother and Father, only has Will, it knows love only and only responds to love orientated actions.

Our spirit body mind has Free Will, it can choose between loving actions or actions lacking love. This is our choice. We can also choose to receive our Heavenly Parent's Love and progress from unloving ways of life.

Our brain in the physical body responds to the emotional mind which has free will.

Our soul nests within our spirit body.

NATURAL LOVE BLENDS PERFECTLY WITH DIVINE LOVE:

Both are energies. Natural Love energy forms each soul and each individual soul is unique. Our personality, intelligence, memory, and humanistic characteristics are unique. It is our gift of free will that tends to enable us to error, however, it is the uniform nature of Divine Love and Feeling Healing that brings about our growth and release of man-made negativities.

Our FEELINGS are our SUPREME GUIDES:

Feelings!

Feelings are what guide us through our ascension of truth. So they are really our Supreme Guides. Many people look for a person, spirit, angel, even God, for supreme guidance, however it's all right there already built in – in our feelings. **We just have to submit to them, allowing them to take us where they will, expressing all the parts we want to express, letting the emotion drive that expression if it's there to be expressed, or just talking about all we feel and how feeling that feeling is making us feel – or, how we feel about having that feeling, all whilst longing for the truth of our feelings. Longing for the truth of our feelings is really: Longing for the truth of our self, because: we are our feelings. So life stirs up our feelings, we feel being alive; or, being alive means we are feeling, always feeling; and when we work out what and why we are feeling what we are, so then we know the truth of how we are. And over time the truth accumulates, and our mind expands our understanding of ourselves, all being driven from our feelings.**

Kevin 26 Sep 2017

Using our feelings to uncover the whole truth of our negative or anti truth and anti love state.

Kevin: **So whilst we're of an untrue state, then all we have got to help us understand why we feel bad, why we are wrong, why we are negative and anti love and truth, is our feelings. So if we focus on our bad feelings, they will lead us to the truth of why we're feeling bad. Which will be the truth of what happened to us to make us be this wrong way, and how we took on the wrong way and keep it going making us feel bad.**

FEELING HEALING

Note: The vital difference between emotion and feeling is that emotions have their roots in the past, and feelings relate to the present moment. Emotions represent our feelings which were not previously expressed, and these accumulate with time.

Note: **Our feelings are soul-based. Our soul is always in truth. It is our soul based feelings, that when allowed to be freely recognised, we will begin to express and be who we are. This takes time and perseverance as we have encrusted our souls with layers upon layers of errors and false beliefs, it is these layers that will confuse the truth that our soul is conveying to us. Only by our progression with our Feeling Healing will our soul's expression of truth become clear and free of all cloudiness and contamination.**

“What our soul needs in accordance with our own, individual, **Soul-Light-Plan-Of-Destiny** (your life's true destiny plan), They, being our Mother and Father, will give you as required. The only way we can know truly what we need is to honour and follow our true feelings. They, springing from our soul, literally telling us what we need, and so when we genuinely feel we need something, we apply our will to get it. The hard part is knowing if our feelings are true, and until we have done our whole soul-healing, they won't be clear and total true.” James – Introduction Course to Divine Love Spirituality

ACCEPT YOUR FEELINGS, SEE THE TRUTH, ACCEPT YOUR FEELINGS:

Feeling bad will make you feel BETTER – Eventually! by James Moncrief

We are to follow our soul based feeling which are always true and loving, not our mind which is tainted by our childhood upbringing.

“My parents stopped me and I took over from them. Well I don’t want that way of life – their way – to be my way any longer.

“Saving yourself comes from the full and true liberation of all your denied feelings. Saving yourself comes from the full and true acceptance of yourself. Saving yourself comes from wanting to find the whole truth of yourself through your feelings, both good and bad. Saving yourself is re-connecting with your feelings and your heart of truth, thereby allowing your soul to freely express its personality – all that you are – in Creation. Saving yourself is learning how to unconditionally love yourself by freely, fully and unconditionally accepting all that you feel.

“By denying any part of ourself we are denying ourself life. We are sending ourself off into the nothing, shutting ourself away in a cupboard, not wanting to hear.

“There is a right way to express oneself. There are universal laws that determine how you do it. And when you do, then you function properly from your inner most levels, from your soul out to the physical. Everything flows and works properly for you, and you are able to express and communicate yourself properly to another person all the while honouring your will and there’s. Anything that isn’t right is a will-infringement and so rebelling against the universal laws having a detrimental affect on you and the other person. And it will one day have to be fixed, because if we want to live truly in Creation then we need to live within, and so true to, the laws of Creation. And as you’ll discover, the laws are the truth, meaning the laws are expressed as truth, so as you grow in truth then naturally you’ll become more perfect, existing correctly within the laws of Creation.

“So if you want to express all you feel truly now with whomever you are relating to, as well as all nature and God, then you will have to heal all that’s untrue within you, hence the need to look back into your early childhood to see where you’ve transgressed the universal laws because of the negative, unloving parenting you received.”

FEELINGS FIRST For Kids

WHAT IS THIS ALL ABOUT?

Our soul is at all times pristine and perfect, it is the source of one's intelligence, knowledge and wisdom, and is the gift of creation by our Heavenly Parents.

At conception, our soul brings our spirit body into being in Creation along with our physical body that uses the spirit body as its template. Our mind within the spirit body, from that moment onwards, begins to absorb the personality attributes of our physical parents. This includes the positive and negatives they hold, their beliefs, truthful and also in error, their injuries from emotional discord and those from their own parents and any carers including extended family.

Our soul becomes entombed in the controlling natures of one's mind. These erroneous ways of life, beliefs of control smother and suppress our soul. We are meant to express our feelings, those of our soul. We are smothered by our parents control natures, we are best considered to be 'trophies'! We, in our forming years, are controlled, suppressed, belittled, humiliated, and taught a great deal of untruth. Mind you, so were our parents. The cycle must be ended!

Many of us are introduced to religious organisations, all of which amplify further the feeling-denial and the truth-denial that we are being conditioned with. Our soul is to express and embrace, not deny and suppress. These organisations are founded on the need to control. They are an expression and amplification of the evilness that our parents convey! The teachings are at best misguided, retarding one's progression with mind based limited understandings.

Only those people who are actively using their feelings to uncover the truth of themselves will find any real inner peace once they have finished their healing. And all that will be happening will also help them to feel bad through this process, all so they can bring to light all the untruth and error of their ways, all the pain of their early childhood, and all the wrongness their parents have made them be.

Our controlling minds are to be side stepped and we are to express our feelings. It is our soul based feelings that are in truth. Our mind imprisons and retards our true selves, being our souls. For those who want to sincerely grow in truth, the truth of themselves, nature and God, are to do so through their feelings, then they will also have to readily embrace both Mary and Jesus so as to accept help from their Spirits of Truth, and look to God as being both their Mother and Father.

To be free of one's evil state, errors and injuries, this will only happen when one has experienced the full truth of it, and so that means, when you have felt the whole truth of it through your feelings – all the different aspects and parts of it.

We are to apply our longing, apply our will, but not with our mind, although it can help one to determine what you want to do, but with and through one's feelings. We can't long with our mind, we have to FEEL-long. Our longing is an expression of what we feel. We feel we want God's love, so we express that feeling in our longing.

By embracing our Heavenly Parent's Love with our Feeling-Healing, then we are enhancing our endeavours and progressing with our Soul-Healing.

NOTES from MARTIN LUTHER and JESUS:

May 29th, 2012

I did not come to speak to you of specific changes. This is unnecessary. You will be fine; and so will all others. The important matter is what you experienced today – the growth of your knowledge of the depth and breadth of the substance of the Divine Love. This alone is the crucial thing, not the awareness of this or that specific Earth change element.

My message to you and to all others is brief: Learn the lesson of the Divine Love and how it is the most important thing in your life – for it is indeed the most important thing in all the universe.

I only wish to say that my prayers are with all of you who are participating in this special day of prayer – the Spirit to Mortal Conference. My prayers are that you and others will continue to reach out to the world through the messages received by Mr. James Padgett nearly 100 years ago. We are assisting you and will do what we can to assure the success of making the truths more available to all mankind.

March 3rd, 2014

The subject of mediums to receive our communications is still very much with me. I am as interested today as I was years ago with James Padgett that the message dear to the heart of all Celestial spirits, that people on Earth (and in the spirit world) know about the availability of the Divine Love and how it may transform the soul. We are always endeavouring to assist humans to realize the love that the Father has for all His children. We come to you (to the people of Earth) and our influence goes only so far. People do respond to our love, but beliefs and fears block further influence. Not too many individuals are willing to break away from their childhood upbringing and other influences as the result of their education (or lack thereof) or their social and family background. We still look for individuals who are responsive to our call, just as you are endeavouring to do. You are a very reluctant person in this regards. You always prefer to take the back seat, as it were. But today we have been able to reach you, and you have shown a willingness to sit and take our message. I speak of the plural “our” because though you called on me, Martin Luther, there are other Celestial spirits round and about you who also desire to speak. You mussel us, though of course you know you cannot really do this. It is only that you have the ability through your free will to deny us access to our desire to write.

We in the Celestial heavens do not mark time as you on Earth do. This being understood, we wait for you (and others) to give yourself the time to sit and receive our communications. It is much like the Divine Love: the Divine Love awaits your active desire to receive it. You are never compelled to do so; and certainly the Divine Love never forces its way into your soul. To do so would be to disregard your human will. Though we would love to communicate with you, we cannot unless you allow it to take place.

Emphasis is on the fact that the Divine Love is not about religion, dogma or doctrine, but about individuals and their experience with God.

Martin Luther

We are aware of your concern – that you shared the message we gave to you two days ago, that you shared it with your friend in Australia, John. We wish to say that we are pleased that you did this; we are happy to know that he shared it with the Brian, for the core of that message is that the call to individuals is going forth, and his response was positive. (Joseph lives in Arizona, USA.) It is confirmation that you are not singled out as the sole voice of Celestial spirits. You are one of many, and we acknowledge you have a sense of relief, and that you appreciate this clarification. There are many others on Earth that are responding to the call from Celestial spirits, and we are happy that you are among those on Earth responding to our call.

Nonetheless, Joseph, do not be hasty. We want you to feel free to share our messages as you will. Yet, we ask you to be attentive: Look and observe, study and become more aware of the evidence of the multitude of ways that we Celestial spirits are giving voice to the movement of the Father's Spirit to bring the message of the Divine Love to light – to the awareness of increasing numbers of people on Earth responding to the Presence of Love – the Divine Love. Open your eyes and ears and you will behold a wonderful thing happening on Earth at this time.

Yes, you are correct in that you sense the call to prepare for a new Pentecost. However, we are not looking to gather people to one specific location – to an assembly in a building of any sort. The call we are issuing is not to a church or a conglomerate of churches; our call – the Father's call – is to individuals throughout the world. It is a call to individuals to respond to the promptings in their heart (feelings) to the presence of love. The feelings people are experiencing are real. It is a call to be open to the influence of Love; it is a call to receive Love, to accept it and allow it to flow freely into the heart (the soul). Our desire is to see individuals begin to feel loved and accepted by their Creator – our Heavenly Father. It is the time to experience the true essence of brotherhood and the importance and worth of each and every individual on Earth.

You will assist us in this effort; your voice will help; you will join with the voices of many people who know what is happening and are telling other people what it is they are experiencing has its source in heavenly places. This is the new Pentecost, Joseph; it is reaching out beyond the walls of sectarianism and religious institutions representing hundreds of conflicting doctrines and dogmas. This new Pentecost is the breaking down of the walls of separation that have been constructed that have divided humanity into thousands of separate groups. The Spirit of Love cannot be institutionalized, nor can it be bottled into separatist groups. Our Father's Love is for the individual human soul; it is for each and all of us – humans on Earth and spirits of mortals once on Earth and now living in the spirit world.

This is not my voice alone that is assisting you to write these worlds. I am Martin Luther along with many preachers of old; we are many voices. Yes, even our beloved Master is present – Jesus our elder brother and friend; he also is attending the writing of this message. The call to humanity is originating from the Celestial Heavens, and it is intended, not just for your ears alone, it is intended for all humanity on Earth.

Allow the message to go out into the world. And may all that see it and hear it respond to further the work of making known the Presence of God's Great Love to all on Earth today.

Broadcast this message to as many as possible. The Spirit of the Father is moving throughout the world; each and every individual is being visited. This is the word that must go forth. Do what you are able to do. Do not hold back; do not hide the word. What we give to you, turn and give to others. And encourage those that listen and hear to do the same.

The master has said, "The Father's Love is reaching out to all the world; the Divine Love is waiting for each and all." Help others to see and realize the truth of it. Not one person is excluded. Divine Love is for all people everywhere.

Martin Luther

November 15th, 2014

Prayer and sincere longings for the Father's Love is the only solid remedy. You know this intellectually, and you are learning this experientially daily.

Martin Luther

November 29th, 2014

You did have true soul longings for the Divine Love which, as you know, is faster than formed thought, and sufficient for the Father to hear and answer.

It is time for all my friends on Earth to reach out in a host of ways to mankind with the message and demonstration of the availability of the Divine Love. Many persons are having experiences that are directly related to the Divine Love, and yet they have neither knowledge nor awareness what it is that they are experiencing. You and all others who are aware of the existence of the Divine Love and know something of its purpose and effect in human lives, must begin to reach out to these individuals to help them realize that it is God's Great Love that they are experiencing. **Love – the Divine Love – is really the only answer.**

I come to encourage you and all who read this message, that each person with the Divine Love has a similar work as Joseph. He is not singled out. Each person is called to speak of your experience in receiving God's Love. Do not be afraid or hesitant, for Celestial angels are with you. It is time that each one do his/her part in fulfilling the desire of our Heavenly Father that all His children everywhere hear the Good News of the availability of the Divine Love, and the possibility of the transformation of the human soul. Our prayer and hope is that others will see your personal transfiguration. Your family, neighbours and friends will notice the change happening in your life; do not be shy to tell them exactly what it is that has made the great change in your life. You have received a good portion of the Divine Love. Some of you have been enjoying this process many years. As you step out in faith you will experience even greater inflowing of the Father's Great Love.

The light of Divine Love is within you and it cannot be hid. You have the truth and you are the truth ... it is within you; it is the Divine Love, the substance of our Heavenly Father's Great Soul. Relating to matters of receiving the Divine Love, you realize that it is only you who can prevent this love changing you into a Divine Angel on Earth. So your life is about the Divine Love revealing its transforming power in your life, so that others may see and cause them to wonder what this change is that they see in your life. Only you can prevent the visibility of the Divine Love in your life. Do not attempt to hide this from others. It is time – the right time to allow the manifestation of the light of Divine Love in you to shine in all the dark places in your world.

Let me close the, by saying this: Be who you are – the beloved sons and daughters of your loving Heavenly Father. All are His children; all are the objects of His Great Love and most tender care. **His Love – the Divine Love – is waiting for all.**

I am your brother and friend, Jesus.

Never can one man do more for another man than by making it known of the availability of the Feeling Healing process and Divine Love. **JD**

NOTE: There is a higher population of English speaking mediums with suitable soul conditions than in any other language, hence most messages are currently in English. As more mediums achieve suitable soul condition to enable rapport with Celestial Spirits then the flow of teachings will escalate as will the depth and detail of the teachings continue to expand and develop in the wondrous beauty.

CREATION, DEVOLUTION and EVOLUTION:

Aman and Amon (also called Andon and Fonta), our first parents, physical being was born of natural parents, who in turn had been born of their own parents. Their bodies were not created instantaneously, but evolved just as all of God's creatures evolved. Aman and Amon were both nurtured physically as infants and then children. **But our first parents' souls were placed in them when they were already adults.** They had no clear memories of their earlier life before that great moment. As soon as they possessed a soul, all of the normal human psychological manifestations appeared.

There were aunts and cousins, parents and grandparents. But they were not human like Aman and Amon – they were really animals, though of the same species. Aman and Amon wandered off from the family, since they could find no way of relating to them at all. How could they? They were incapable of rational thought, speech, or anything human. Aman and Amon knew that forevermore they were apart.

They were indeed a primate species of humanoids. But Aman and Amon (they were not Adam and Eve) were more beautiful than their animal relatives, and knew, even from their very appearance, that they were marked even by Nature to be different. The human body, without a soul, calibrates at 200 on Dr Hawkins' Map of Consciousness. Domestic animals typically calibrate 200 to 250. Our soul is the source of our personality, intelligence, and memory. Our soul is formed from the energy substance of natural love. There is nothing of the Divine within our soul.

The First Parents did not recognise the full beauty of the gift of Divine Love, and subsequently it was withdrawn. Man, left to his own perseverance and determination can develop into the perfect man with only Natural Love, however that is a slow and tedious pathway and limited to perfection of the soul, fit only for the 6th natural love spheres.

By embracing Divine Love and one's Feeling Healing, man can become fitted to enter the Celestial Heaven and higher in rather quick time. One's life on earth, living with the Love and embracing Feeling Healing, can be that of living in Heaven!

Further, Feeling Healing with Divine Love, has a powerful positive effect on the physical body, balancing the hormones and generally promoting physical health, which is really the same thing as saying that the state of a mortal's soul impacts directly on that mortal's physical health.

SPIRITUALITY was and will return to be the WORLD'S LEADING WAY OF LIFE:

The ancient Sacred Inspired Books were written for the purpose of teaching early man religion; therefore, man's first religion was the teachings of the Sacred Books.

The basis of the first religion taught to man was – Love. The Love of Man for his Heavenly Parents, the Love of the Heavenly Mother and Father for his son, man, and the love of man for all of God's creations.

Man was taught to approach the Creator in reverence but without fear or trepidation, just as a child would approach his earthly mother and father knowing that open loving arms were extended to receive him.

Early man knew no fear of God, the Mother and Father, because he loved the Mother and Father and he knew They loved him in return.

All of the ancient teachings were the same all over the world, it was a universal church without sect, creed, theology or dogma.

Every teaching was plain and simple without a particle of theology. The most ignorant could understand every phrase in it. There was nothing of any kind indefinite. It was impossible not to understand it thoroughly. Man was taught to approach the Heavenly Parents, not with fear or dread, but with confidence, and above all, Love: as a child would run to its earthly father who is standing with outstretched arms to receive it. Love stood at the head of the 12 great virtues, because Love governs the Universe and the Heavenly Parents is The Great Love.

Now all peoples of all faiths and way of life can embrace the universal gift of our Heavenly Parents. This gift was known to the first family and again known in the 1st and 2nd century. Living with the Love is universally being taught through the teachings from 31 May 1914 and ongoing, by our Celestial Friends, and that gift is the light golden blue energy substance being the Divine Love of our Heavenly Parents that is shared with all who so ask to receive it. It is that simple, ask and you will receive the Love substance of God instantly.

God's Divine Love: Pray for it, ask for it, and receive it.

Our Heavenly Parents simply desires for us to ask for Their Love.

The REAL YOU is the SOUL:

One's personality, natural intelligence, memory and human attributes all are soul based. The soul initiates conception so it can start expressing one of its two personalities in Creation. It creates the will, then 'wills' the spirit body and physical body and all that connects them with the will into being. Our soul constantly sustains or expresses us, one of its two personalities, in Creation. The spirit can't separate from the soul because the soul keeps it in existence. We need our spirit and physical bodies to experience our personality through. When the spirit body separates from the physical body, one continues on living in a different form without losing any of the attributes experienced during physical life. Incarnation is the process of individualisation of the soul.

Without a soul, our physical bodies would function and interact similarly to that of a domestic animal. An unsouled human body (thought not possible) would respond like a household puppy! Domestic animals calibrate on Dr David Hawkins' Map of Consciousness between 200 and 250, the human body calibrates at 200. All animals have spirit bodies, these do not survive into the spirit Mansion Worlds. Our SOUL IS NOT ENSOULLED IN OUR SPIRIT BODY. Our soul exists existentially in a whole different level or plane or place or dimension of being – 'soul land'. It doesn't exist in Creation, it's not experiential like Creation is. The soul, all souls, help create their part of Creation by expressing their personalities into Creation, and then by having their personalities do things (further create) in Creation.

Our first parents, Andon and Fonta (also called Aman and Amon), were the first to exhibit human perfection hunger some one million years ago (993,500 years ago). Adam and Eve, Adamite bestowals, arrived some thirty eight thousand years ago – or earlier.

Aman and Amon were the first True Humans, which means, the first soul expressing its soulmate pair, its two personalities, in Creation – on Earth. From which came forth the rest of us. So they had a soul from the start, which separated them from their animal parents. It's the soul that wants to fully express itself through its two personalities perfectly in Creation, which is the so-called 'human perfection hunger'. It, our soul, wants to be Perfect like its Heavenly Parents, the Soul that Created it. We, focused as personalities, want to be perfect, like the Personalities of our Mother and Father that are Perfect. Our soul wants to be like Their Soul. Our soul wants to ascend us to Paradise so we can be with Them, as physically close to Them on a personality level that we can be, and then see what happens.

There were aunts and cousins, parents and grandparents. But they were not human like Aman and Amon – they were really animals, though of the same species. Aman and Amon wandered off from the family, since they could find no way of relating to them at all. How could they? They were incapable of rational thought, speech, or anything human. Aman and Amon knew that forevermore that they were apart.

Aman and Amon may have been twins. They were indeed a primate species of humanoids. But they, themselves were more beautiful than their animal relatives, and they knew, even from their very appearance, that they were marked even by Nature to be different.

LOVE ASSOCIATED WITH ONE'S PROJECTED THOUGHTS:

- A. Our soul is connected to our spirit body which is the template for the physical body.
- B. Every time when one prays to God from within the intellect, their prayer rises no higher than one's head. It does not go any higher because one's heart is not involved. Mindlessly repeating prayers learnt by rote is almost pointless.
- C. Projecting your rage impacts on those around you and into the spheres of disharmony, however now your heart is involved! Causing harm to others brings about consequences.
- D. Focused intention and desire for earthly creations is generally assisted by intellectually and loving spirit personalities from within the lower Spirit World Spheres, 1 and 2.
- E. An earnest longing and desire to receive our Heavenly Parents' Divine Love projects into the Celestial Heavens and brings about an immediate infusion of the Mother and Father's Love into one's soul, delivered through the instrument, the Holy Spirit, of our Creator.
- Thus, one's level of feeling, earnestness, longing and love associated with prayers, meditation and desires is relative to the success of one's communications. Our thoughts project at a speed in excess of that of light and they are received into the spirit world or worlds at a level relative to the subject matter being focused upon. At all times, love focused communications will rise to the higher spheres.

WILL or FREE WILL:

We are created with Free Will.

We are also created with natural love, there is nothing of the divine within our soul.

Our mind has free will, even though our soul only has will, that is, our soul at all times longs to follow the will of its Creator, and our Creator's Will is one of Love at all times. There is no action or thought of our Mother and Father that is ever unloving, judgmental, or harmful to any of Its creatures.

Man can know and knows God only because he possesses a soul, and he can never know God if he seeks him intellectually and with his mind alone.

Doubt and speculation is a product of the mind, but faith is a product of the soul and we know that God exists through our soul perceptions, so that we can create the spiritual link with our Heavenly Parents, Mother and Father, through prayer. Not a mental prayer, but a prayer that comes from man's soul – earnest, sincere, full of longing, faith and love.

As this Love, the Divine Love, is absorbed into our soul, our mind is quietened. Slowly but surely, the Divine Love, with Feeling Healing, enables the soul to take over the function of the mind and when we no longer desire or able to harm another or ourselves, then we have become at one with our Parents, we have been reborn.

The soul with the Divine Love infused in volume.

ONE with our MOTHER and FATHER:

Will and Free Will

The difference between ‘will’ and ‘free will’. Will is the principle of choice: it is every possibility, choice and action executable within the scope of love. Free will (mind) is the same as will (soul) but with the addition of being capable to move outside the laws of love (or the laws of the soul).

Love is a very broad form of energy made of multiple sub (energy) forms or subcategories. As a human being (because of the inferior quality of the physical mind) it is important to learn to open up (your mind) so it can reap from the expansion of your soul. If your soul expands, so will you’re your mind. Wouldn’t it be a pity to have a soul bursting with knowledge but having no ability to share its information with others? This way all flaws can be ‘attacked’ as well by the mind as by the soul and it is the reason why progression for soul searchers (or Divine Love obtainers) can be much easier or more rapid: because such people have the advantage of understanding this duality. Emotions are only the result of the presence or the absence of (the broad energy we call) love. The soul is only capable of containing (the energy we call) love (with all of its sub categories).

To gain access to the spheres of the soul (the celestial spheres) you have to become a perfect natural man (again). To become the perfect natural man you have to obtain (natural) harmony in soul and mind again (through Feeling Healing). And although the Divine and natural love within the soul will help establish this harmony it is still the call of the mind and its free will to let the soul help it (to regain that harmony) or not. Divine Love (together with Feeling Healing) is powerful enough to ascend all flaws; but the problem is people’s faith.

MAN’S JOURNEY to being at ONE with our MOTHER and FATHER:

Man, with free will, can choose loving or unloving options. By seeking Divine Love, and with Divine Love man can elect to follow our Parents’ will of loving actions exclusively.

Together with Feeling Healing, Divine Love grows one’s soul.

Duality is only possible because of the workings of free will. People need to become ONE with our Mother and Father and that ‘free will’ will no longer exist in the soul spheres; because there are no longer TWO choices, only ONE: “God = Love = I”. As long as people have not become ONE with the Mother and Father, duality (= TWO choices = principle of free will) will exist.

MAN'S choice to be ONE with our MOTHER and FATHER:

A thought from our Parents

Our Soul at conception with will and natural love.

Our mind is within our spirit body which is the template for the physical body.

Our brain in the physical body responds to the emotional mind which has free will.

Should our mind become immersed in negative emotions from our environment then our

soul will become starved of love a our choices will fear based and unloving. Our wellbeing will su

Should we strive for love then our soul will grow in love and we will enjoy a vibrant life.

Our will becomes orientated towards love.

Opting for the 'pleasures' of man will bring about a starvation of the soul's love energies that can vibrantly enhance our spirit body and this retards our immune systems resulting in physical illness and poor quality of life. The consequences continue subsequent to the death of the physical body.

Seeking the Love of our Parents grows the vibrancy of our soul which is imbedded in your spirit body, this brings about the releasing of negative emotions and, in turn, health of the physical body and a loving vibrant life experience.

Earnestly longing for and asking for our Heavenly Parents' Love will always be answered by the infusion of our Mother and Father's Love into you soul. This Love never leaves you, and as your soul grows with this Love, you mind will slowly bow to the energy of this Love and your will will be to abide in loving options and actions. In this way we grow in love and progress to become One with our Heavenly Parents, and fitted to enter the Celestial Heavens and having immortality.

Soul seeking, and receiving, and growing with Divine Love. The nature of one's soul changes into that of the Divine when receiving Divine Love. Only Divine Love does this. When we have removed all man made emotions from our mind, our mind only will engage God endowed emotions. We lose the free will and now the will of the soul dominates the mind. Our will is now at one with the Father. We now can enter the Celestial Heavens.

Soul based emotions are all love based forming our natural love soul, created by the Source Soul. The will of the soul is always love based as desired by the Father. We are embracing the will of the Father when we respond to these soul based emotions.

Our soul is subordinate to our mind. Our mind has free will and responds to all emotions, God given and man made. We allow our dominate emotions to determine our actions. This is exercising our free will. Only Divine Love removes man made emotions and errors.

Man error emotions are all about causing harm to others and/or to one's self. These lead us to a period in the hells to prevent us from harming others and experience compensation. Seek the Love and grow!

Intellectual dominance retards one's potential to peak ONLY at Sphere 6.

Natural Love can progress us from 1st, then to 2nd, 4th, and finally to 6th sphere only. Mind is the control.

If we would just ask for Divine Guidance and Divine Love to help us and let go of our minds and preconceived ideas about what the answer should be, then we would get a clear and accurate answer so that we are able to classify it and live a life without having to deal with the burden of our flaws over and over again.

Flaws / emotional errors / injuries block the flow of natural love and that is the reason so many also have a dark soul.

The 6th sphere state of the perfect natural man is our birthright; it is our normal level of being. The only thing man has to do to regain this state, is unblock the flow of natural love by letting go of the flaws it is hanging on to; not by adding something which isn't already ours.

Spheres of Disharmony = Hells

Divine Love, being a substance, progressively fits us to enter the Celestial Heavens, then the Eternal Spheres and then the Spheres of Paradise, way above the Spirit Worlds.

Divine Love, with Feeling Healing, is the substance that dissolves our emotional errors, our damages resulting from our man-made selfish ways. Divine Love is the substance that brings about forgiveness.

As we ask for and receive Divine Love we step away from errors that predominate in the spheres of disharmony, we then progress from the 1st sphere and then through the Divine Love spirit worlds 3rd, 5th, and 7th spheres. Once our mind is totally compliant with the Will of our Heavenly Parents, we no longer can nor consider to do anything other than adhere to the Loving Nature of the Parents' Will, this is the transition to at-onement. We then enter into a Celestial Soul Condition either whilst here in the physical on Earth or enter the Celestial Heavens as a spirit person.

With the embracement of our Parents' Love, the Divine Love and Feeling Healing, we can achieve this progression into Celestial Soul Condition within possibly five (5) years! When we ask for Divine Guidance and Divine Love to help us and let go of our minds and preconceived ideas, we live a life without having to deal with the burden of flaws over and over again. Go 'God Reliant'. Set your mind free, and enjoy your freedom with the Love.

GOD'S MESSAGES are all within ONE BOOK?

To find all of our Mother and Father's Truths and Laws of Love within one book, now, that would have to be one huge book. Spirit beings have spent countless centuries studying the Laws of our Heavenly Parents and have never completed the exercise.

Even though the Laws of the Creator never change, (however we continue to do), all of the books in the world could not contain all of Their wonderful gifts for us.

To consider that this book, or that book, contains all that is to be known seriously locks one into stagnation and entrapment of the worst kind. Our urging to explore and learn is continually being prompted and guided by the gift from our Parents for us to continue on discovering the wonders and joys that wait for us, should we so ask.

Humanity has foundation teachings which have been introduced by the works of humanity to various sectors of society. Over the tens of thousands of years, these works have been handed down never to be considered as the complete works, but a platform for us to open our minds and souls and to explore further.

These books of old have been generously expanded upon by our Celestial Teachers with thousands of pages of guidance, teaching and love so that we can now, as a universal man, open our hearts in a way that we can now take humanity out of conflict and war like natures.

The journey of new teachings and guidance will continue to grow and grow and grow to infinity!

GAINING the equivalent of PhDs SPHERE by SPHERE:

The journey to our ultimate destination is of enormous proportions, however, we have loving assistance and guidance all the way.

Consider that each major sphere that we progress through is capped with the granting of a PhD. Thus our journey to our ultimate home could be said to represent the achievement of gaining some 16 PhDs!!! Incredible!

Yes, we can all do it. As we ask for and receive Divine Love, as well as doing our Feeling Healing, we accumulate this wonderful essence progressively within our every growing soul, all visible due to the luminosity that this wonderful substance generates through our solar plexus of our spirit body. Our solar plexus are called this way due to this radiance emanating from that location of our being.

Major spheres that we may advance through are:

- Spirit World (Divine Love) spheres 4
- Celestial Heavens spheres 3
- Eternal Spheres 3
- Infinite and Universal Spheres 3
- Spheres of Paradise 3 then

Super Grand Sphere surrounding God’s Sphere & Soul

Total number of graduations **PhDs** **16**

Each sphere contains numerous planes and layers, thus our journey will have an incomprehensible diversity of experiences, all incredibly loving, progressive, evolutionary and creative once we set to commencing by simply longing for to our Mother and Father, please may I receive your Love! Divine Love will never be withheld from us once we ask.

When we arrive we will be amongst the most capped personalities ever imaginable!

This is one time when this statement stands out:

“Never can one man do more for another man than by making it known of the availability of the Feeling Healing process and Divine Love.” JD

Our Heavenly Parents send the Holy Spirit, the Spirit, to those who long for and ask for Their Love and assistance. All you need do is ASK!

“The New Birth is the flowing of the Spirit of God into your soul and the disappearing of all that tends to turn your heart from the truth and Love of God in conjunction to doing one’s Feeling Healing.”

“The Holy Spirit is God’s messenger or instrument that carries into the soul the Divine Love that is bestowed on the truly penitent man.”

“The Holy Spirit when the penitent prays for the Love the Holy Spirit will respond and fulfil the work that the Mother and Father has provided it to do.”

“The only thing that saves a man from their sins / errors and reconciles them to the Mother and Father is that they must become conscious of God’s Truths and receive the Holy Spirit into their souls.”

Continuing with one’s longing for Truth and asking for our Parents’ Love enables progressive removal of emotional errors and injuries that then lead to the removal of core emotional damage, and then, subsequently, the progressive filling and expansion of one’s own soul. Removal of these soul injuries through Feeling Healing also leads to the removal of damage to one’s spirit body and the restoration of one’s health.

It is only by the infusion of this Love while longing for Truth within one’s soul in sufficient quantities does one become fitted to enter the Celestial Heavens.

Soul development, with the Love, can take a soul from being a dried up garden pea to that of a simple candle, and then onto that of a blazing sun!

The LOVE that brings about FORGIVENESS:

This Divine Love, and by this I mean the only way through which salvation can be obtained, can enter and fill the soul through the sincere longing of the soul to assuage the thirst for at-onement with the Father through prayer. Revelation 17 – November 12th, 1960 – Jesus

The only way for man to achieve forgiveness of sins is through the obtaining of the Divine Love or through purification of the natural love, a long and tedious process that fits the individual soul for a place in the Sixth Sphere. Revelation 50 – October 18th, 1954 – Jesus

Divine Love fits a personality to enter the Celestial Heavens, way above the 6th Sphere. Without this Love, man cannot enter the Heavens. It is this Divine Love that brings about immortality for man.

This great Love of our Mother and Father was created or rather has always been, for the redemption of the vilest sinner who seeks and believes. March 24th, 1915 – Ann Rollins

Only the Divine Love can give man of a Divine Nature, and that no self development or cultivation of the Natural Love to the greatest and most sublime extent are sufficient to make man at one with the Father in the divine sense and which makes the spirit a partaker of this Divine Essence of our Mother and Father. One needs to come to understand the difference between the two loves and what the New Birth means. March 24th, 1915 – Jesus

Immortality with the Love.

INDIVIDUALISATION – Purpose of Incarnation:

The spirit body is, of itself, a creation like as is the physical body, and has its existence only for the purpose of preserving man's individuality, and of containing and sheltering his soul, both while on Earth and after he becomes a spirit.

Then his living means that he is placed on the Earth merely to acquire an individuality, and to learn that within him is the soul which is his real self and which he must cherish and educate and feed with the higher thoughts and goodness of his original creation, and not neglect the opportunities that come to him for this development.

Apostle John 2 July 1916

HARMONY within the SOUL = HARMONY within the PHYSICAL BODY:

Emotional injuries, erroneous beliefs, harmful intentions are all damages encrusted upon one's soul. Such injuries are to the spirit body in which the soul is connected by cords of light.

Such man made errors degrade the pristine soul and such damages impact upon one's spirit body which in turn emerge as discomforts, then pains, then as illnesses within the physical body.

Medical assistance and treatment may alleviate the illness / pain however the cause remains.

Until we endeavour to remove the errors and injuries, the propensity for the illness remains.

Love energy from our Mother and Father is the only substance that alleviates and progressively removes errors and injuries, and this Love energy is the only substance that permanently brings about harmony and health for our soul which subsequently brings about health to our spirit body and physical body.

Earnestly pray for, ask for, and receive the Love from our Mother and Father, such Love will always be provided to those who ask for same – always!

WE ARE TO BE OUR TRUE SELF – OUR SOUL BASED FEELINGS!

We are to use our feelings to uncover the truth of ourselves. Just how important are each of our feelings? Well really, they are ALL as important; as in, nothing else in life even matters other than what we are feeling.

We are all so conditioned and used to living with our mind in control of ourselves, that many of our feelings, and mostly so many of our bad feelings, we dismiss or shut out and refuse to deal with. We should go the other way in life, so instead of denying so many of our feelings, trying to acknowledge them all, to bring them all out, every last bad one, even if means stopping everything else and attending to them; and by attending to them is to make sure we express them, speak about them, the whole idea being not to keep suppressing them, to make sure they come up and out of us as we feel them.

Along with this: we are to long for the truth of our feelings; as in, the truth they are wanting us to see about ourselves, because apparently hidden or behind or within each feeling, is something it's trying to tell us about ourselves. And that is how God wants us to live – it is to live a true spiritual life.

We are not meant to be alone, we are to have someone with whom we can share our whole self with, telling them all we think and feel. If you do not have a companion, talk it out loud to your Heavenly Parents.

If you feel a bad feeling, you don't let it pass, you stop with it, focus on it fully accepting it; and with the emotions of it, express it the best you can; and then at the same time, long for the truth of it – want to see what it's all about – why you're feeling it.

There are hidden deeper underlying causes in us that will come to light as to why we're really feeling bad. So we might, for example, be angry with something that's happening in our life now, but as we express that anger, longing for the truth of it, it will lead us back into our earlier life connecting with the same anger we felt about other things; and then back even deeper into connecting, or it should be reconnecting, with anger we felt with our parents when our parents treated us badly.

That means there will be a lot for us to deal with if the bad feelings we're feeling now are also going to lead us back into buried bad feelings from our past.

Sage and the Healing Angels of Light by James Moncrief

LIVE TRUE to YOUR FEELINGS:

A massive insight and realisation, which became my platform for living life, it was really quite simple; all I could do was honour and be true to my feelings. I had to *obey* myself first – my feelings; I was the important one, not my parents and family, not even the Mother and Father. With this truth I learnt the importance of living true, always honouring my feelings. And I realised that if the Father wanted me to do anything He could show or guide me through my feelings.

It is through our feelings that we know – feel – how to live the Will of God.

You will come to see why the doing of your soul-healing is so important, to give up your mind's control over you in favour of **allowing your feelings to dictate and dominate your life**. And when you do, then you will **lovingly obey yourself, your feelings, and no one else**. This is all the Mother and Father ask of you, because **when you are living true, then you will be completely honouring Their Laws, Their Way, Their Love**.

Your bad feelings are real and true. They are not evil; they only make you feel bad. They can make you feel sick but this is what they are meant to do, because how you are functioning is wrong – you are sick. And **until you have no more repressed bad feelings within you, you are living untrue to your soul, to yourself, and to the Father and Mother.**

The Rejected Ones – Living True to One's Feelings

by James Moncrief

ALWAYS BE TRUE TO YOUR FEELINGS

FEELING HEALING is to LIBERATE OUR TRUE SELVES:

One's soul is always true and perfect. It is the source of our feelings. When we long for the truth of a feeling, we are looking within one's self and the truth of that feeling will progressively unfold.

Our mind is that cluttering confused chaos that has imprisoned our soul. Our mind wants control. It demands and causes us great difficulties. One can liken it to a wrecking ball that has encased within it our always beautiful perfect soul, being our real self. The mind dominates our brain. Our mind is stuffed full of our childhood upbringing errors.

Our parents typically followed the chaotic path of nurturing that they were subjected to, and so it goes on, generation after generation. By the time we are six we have allowed our will to be encased by the wrecking ball of errors of our nurturing. We now have to feel through those errors and injuries and free our soul, free our will. Our soul based will is always what we are to express.

Beliefs become Faith, but when we experience it, then it becomes Knowing. And it is in reaching the Knowing that one becomes perfected in that aspect of who and what we are.

When we long for the truth of the emotion, it will most often be unsettling to say the least. This is because there is little that our parents taught us that is in truth. Our will has been suppressed by our upbringing so that we could be like them.

Childhood repression encrust our wrecking ball mind which in turn suppresses our soul based feelings that are in perfect harmony and peace being based on love and truth as given to us by our Heavenly Parents. To shatter the wrecking ball we are to feel for the truth of all of our feelings, good and bad.

MIND

SOUL

WE ENDURE FOUR LAYERS of PERSONALITY SUPPRESSION!

Unknowingly, our parents pass onto their children (us) their beliefs and way of living that has evolved since the Rebellion, some 200,000 years ago, and then the Default, some 38,000 years ago. In this way, humanity is suppressing the female, rejecting our Spiritual Parents, namely Jesus and Mary, and denying our Heavenly Parents being our true Mother and Father, of Their truth, standing and existence.

The Rebellion is against love, the Default is all the difficulties we have in our relationships because of our rebellion. Healing the Default is becoming true, to ourselves and in our relationships, and ending our unlovingness – our rejection of love, so ending the Rebellion. Nanna Beth 29 June 2017

We are souls, our personality is an expression of our soul. It is our free expression of our soul through our feelings that we are to embrace and follow. This expression may appear to be wilful in nature, from time to time, and consequently our parents' attempt to suppress this expression. They proceed to remodel us when as young children, in the manner their parents treated them and so on for many generations going back.

During our forming years, as a child, we are unable to recognise the suppression of our personality as being extra-ordinarily harmful to our soul based personality and, accordingly, we don't know that things can be any other way. Presently, neither do our parents.

This childhood suppression way of living continues throughout our schooling years, thus we learn this is a way of life that is normal.

Our religions all have been formed based on the tenets of the Rebellion and Default. The teachers and leaders throughout all denominations take us further away from our suppressed feelings that have been hammered into us during our forming years, thus entrenching us further into rejecting our true selves.

The controlling and suppression mechanisms of our parents, educators and spiritual teachers all manifest throughout all of commerce. This control comes heavily and brutally down upon all levels of employment. The capability to express one's soul based attributes and gifts is sealed throughout all of one's working life.

A new way of living is to enable the liberation of one's true personality through the Feeling Healing process AND the transfer of authority to the individual via embracing freedom of expression.

FEELING HEALING + SOUL HEALING

To heal one's self is to simply look to see what feelings we are refusing to let ourself feel, and accept them instead of denying them. And to fully accept them, one needs to express them, speak about them, let them have their say, rather than pushing them aside, refusing to let them make you feel bad.

Doing this all with the intention of seeking the truth of why you are feeling them, of speaking about and expressing all such feelings; all feelings you have, but ALL WITH the INTENTION of UNCOVERING the TRUTH THEY WANT YOU TO SEE ABOUT YOURSELF. And it's the wanting to see the truth of them that is very important, because if you just look to accept them and speak and express them, but not seek their truth, then that's all you'll be doing, speaking and expressing them, but not healing their causes, so not fixing the things within you that are making you feel bad. And it's the truth part of it, seeking the truth of your feelings, and so, seeking the truth through your feelings, that's vitally important. It's the truth of yourself, life, nature and God, that is the spiritual aspect to it all.

You CAN'T find the truth of yourself, or anything else, through and with only your mind. You HAVE to engage and look to your feelings. And so if you choose to allow your feelings to 'Show You the Way', then the truth will come as you express them.

So to do our Soul-Healing consists of these steps, all of which are ongoing until it's done:

- **Admit you are feeling bad.**
- **Accept your bad feelings, identify what they are.**
- **Honour fully your bad feelings by expressing them, speaking about them to someone who is willing to hear you talk about them, or tell them out loud to our Heavenly Parents. Long for the truth of them. Long for the truth of why you feel bad – what deep within you is causing your bad feelings?**
- **And remember, bad feelings are Good! Not bad. They are not to be despised. And as hard as it is to accept them, they are still you, and a very real part of you. And if you persist in denying them and not allowing yourself to fully live them, then you are only going to keep yourself in your errors making things harder for yourself.**
- **All sickness and suffering, all bad things that happen to you, all your problems, all your addictions – your whole feeling-denying and untrue life, is all caused by your denial of bad feelings.**
- **Every problem in the world is brought about because everyone has been brought up to deny feelings, and in particular, most of their bad ones.**

If one is intent on spiritually evolving and growing in truth, then it's vital, and this is the key, that one looks to use one's feelings as the means to gain and have access to the truth of oneself. You CAN'T find the truth of yourself or anything else through and with only your mind. You HAVE to engage and look to your feelings. And so if you choose to allow your feelings to 'Show You the Way', then the truth will come as you express them.

Doing your Soul-Healing with the Divine Love, is really doing your 'Feeling-Healing'. We are designed — created — to be self-revealing of truth, and so we are all to uncover the truth within ourselves and for ourselves, and all being done by living true to our feelings. **If you accept, express and seek the truth of your feelings, then truth will come to you, and you'll grow spiritually. It's as easy as that. Also it is as easy as it is to long for, ask for and receive Divine Love.**

THE HEALING OF YOUR BAD FEELINGS THROUGH THEIR ACCEPTANCE
AND FINDING THE TRUTH OF THEM, IS THE ACCEPTANCE OF YOUR
NEGATIVE, REBELLIOUS, EVIL, IMPERFECT MIND AND WILL CONDITION.

To do our feeling-healing we need to become:

Aware of – Acknowledge – and Admit, our bad feelings.

So we can:

Accept – them and allow ourselves to Be them.

And then if we feel to, take:

Action – Express, speak and emote them.

Talk about them.

All being done whilst longing to, really wanting to, see the TRUTH of our feelings.

So it sounds simple.

So I repeat:

We accept our bad feelings by expressing – speaking about them to someone willing to listen to us and take us seriously. And as we speak we long for the truth of them – why we are feeling them – to be made known to us. And when we uncover and see the truth we are FREE! – healed of the causes that have made us feel bad.

Accept, Express – see the Truth, and you're Free!

ACCEPTANCE OF ALL YOU FEEL, THINK AND ARE, IS THE KEY TO DOING
YOUR HEALING; THAT, AND WANTING TO SEE THE TRUTH OF ALL YOU
FEEL, THINK AND ARE.

Release one's pain through expressing one's feelings.

in conjunction with

Longing for the Truth when also longing for Divine Love.

The New Way, Feelings First Spirituality will set us free of all that control, ending the Rebellion and Default within ourselves as we do our Feeling-Healing, and ending such control and spiritual stagnation in the world.

Bring on the End Times – get it over and done with! Let's all see that Jesus is not going to come again, that Prophecy has failed all the mind-controlled platforms. Allow such false systems of belief to die their long-awaited natural death, they've overstayed their welcome, it's now time they fade away. So let us show such antiquated, erroneous systems of belief the exit and bring on the fresh liberation of discovering the truth of how we are to live for ourselves, each of us personally in our lives, and all by looking to our own feelings for it. Self-revelation through our feelings is the way to go.

The Way of the Mind is ending, and is really the End Times – the End of our mind control, and **it's**

about time! With the Way of our Feelings replacing it.

The End Times means the end and therefore a New Beginning. And that new beginning is a whole new Spiritual Age – an age based on self-revelation of truth through one’s feelings, coupled with and supported by higher revelations from the Celestial spirits, angels and nature spirits.

The Feelings First Spirituality is the True Way to God because it helps you get to know God, helping you to reach out, connect and be personal with God, and do God’s Will, all through your feelings. It is the only true way of getting to know the God of Feelings – our beloved Heavenly Mother and Father, the Great Soul of Divine Love.

Love comes through our feelings and not our mind, as we’ve all been wrongly led to believe.

Feelings First; then comes The Truth; then comes Love.

LOVE is the Religion of Feelings, being:

REVELATIONS

Revelation 1: Our soul becomes encrusted with harmful ways of life, plus negative and erroneous beliefs, these mainly stem from our childhood upbringing and environment. Thus we live untrue to ourselves, we become 'evil'. Whilst we hold to these injuries we limit the amount of Love that we can receive into our soul. To open our soul to the Love we must firstly and progressively feel into our emotional injuries and allow them to be released. Until we emotionally experience past errors and injuries we hold onto them.

To free our soul of damage and toxic emotions we must open ourselves to experiencing them. This is a progressive, slow and uncomfortable cleansing process that we must all experience. Only by addressing the generational injuries will we, as humanity, evolve in love.

To fully divest one's self of our badness, we have to 'go into' our feelings. Call this process of clearing toxic emotions as 'Letting Go', 'Emotional Processing', 'Journey Process' or 'Feeling Healing'. Embracing Divine Love then Feeling Healing becomes Soul Healing.

As part of our Feeling-Healing we will have to work our way into all our feelings to see if indeed they are coming truly from our heart and soul, or if they are being heavily influenced by our mind. And this will then lead us into questioning and uncovering the truth, if there is any, to our beliefs and why we behave the way we do; and is such behaviour based on truth, or is it based once again on untruth, belief, and rules of our mind.

Revelation 2: We can long for, ask for and receive the Mother and Father's Divine Love. The greater our soul is free of error and injury, the more of the Divine Love can be received and assimilated into our natural love formed soul. The Love does not free us of injury, however, it strengthens our resolve to continue on our journey to be free of error and injury, to step away from evil aspects that have been encapsulated within our humanness and soul. It is this Love, the Divine Love, that brings about immortality of our soul and it is this Love that will eventually fit us to enter the Celestial Heavens and progress for ever more onwards to Paradise. These two revelations free us from error and enable us to grow in love ever more.

Immortality with the Love.

REVELATION 1
James Padgett 1914 – 1923

James Padgett bravely introduced the availability of the Mother and Father's Divine Love and a great deal of additional guidance and information, all of which has been supplemented by Samuels, Judas, Reid and Arnold. All writers were under restrictions of personality and circumstances. Revelation 1 opened the door for humanity.

Quantum Jump 2

REVELATION 2
Marion and James Moncrief 2002
– ongoing

Marion and James Moncrief have recognised the need for one to engage in Feeling Healing and, by their actions, removed restrictions that James Padgett and others above endured, thus JM is able to critique the writings of the past 100 years resolving points of confusion as well as expand on what has been written. Revelation 2 is humanity's turning point.

Due to the extra-ordinary nature of Revelations 1 and 2, humanity with the first Revelation would have continued on into its negative pathway of living, however, combining the first Revelation with Revelation two, now humanity can embrace this turning point and commence its evolutionary growth that has required two thousand years to put in place. This is the greatest event in the history of humanity and very few are aware of such, until we enable others to become aware.

Everything is Inter-connected

- Three Great Truths:**
- God is Soul, being Mother and Father;
 - that each individual soul is a duplex – both male and female;
 - and Feeling Healing with Divine Love is the pathway to Paradise.

Feeling Healing – Healing yourself through your feelings.

- ✓ Your feelings are the real and true you.
- ✓ If you are denying any feelings you are denying yourself.
- ✓ If you are denying yourself you can't ever be truly happy.
- ✓ To heal all your pain and suffering, you can look to your feelings for why you are feeling bad.
- ✓ If you want to know the truth of yourself, then it's your feelings you will need to look to.
- ✓ Your feelings hold the hidden keys to unlocking the truth of who you really are.
- ✓ Uncover the truth of yourself through your feelings and you will know why you feel all you do.
- ✓ Everything in life, why all that happens to you does, and everything about yourself, can be explained to you through your feelings.
- ✓ Why your relationships might not be as good as you would like, why some might fail, you will understand through your feelings.
- ✓ How to live a good, true, happy and loving life will come to you as you start paying attention to all your feelings.
- ✓ However you will also have to pay attention to all your bad feelings, and this can be very harrowing.
- ✓ By honouring – accepting and then expressing all the bad feelings you feel, you will slowly bring to light all the reasons why you don't feel good.
- ✓ And as you liberate yourself from these hidden repressed bad feelings, so you will start to feel better and better about yourself.
- ✓ It's a process, and it can take time, years possibly, but all that's hard will eventually pass becoming good.
- ✓ Expressing all your feelings, and particularly your bad ones, whilst longing and really wanting to know the truth of why you're feeling them, is doing your Feeling Healing.
- ✓ You can Heal yourself through your feelings. And in fact, it's the only way to really heal yourself.
- ✓ And if you wish to do your Healing with God, you can also long for God's Divine Love.
- ✓ Feeling Healing – Using your feelings to heal yourself.

Manifesto of Divine Love:

1. We love one another as Mary and Jesus, our spiritual parents, love us. And so we seek their Spirits of Truth.
2. Our all loving Heavenly Parents, our Mother and Father, we love and honour at all times.
3. We worship only our Mother and Father, God, and Creator of all things.
4. We treat our Creator's name with respect and love, and earnestly seek Their Divine Love, and at all times pray for It, ask for It, and receive It.
5. We set aside a regular day each week for Sabbath rest and worship of our Heavenly Parents, God, and seek Their Love so that we may grow closer to Their fountain head of Truth and Love.
6. We are to be as we feel, even if it's sinful, but in doing something that is not in alignment with God's Love and Truth will make us feel bad, that is provided we allow ourself to feel our bad feelings, and so we can then use our bad feelings to find out the truth of why we feel bad and why that thing we have done is bad. We embrace our Feeling Healing.
7. We strive to cause no harm to another, nor cause any harm to one's self. We do not do to others what we would not have them to do to us. We treat our fellow human beings and all living things, and the world in general with love, honesty, faithfulness and respect. Violence, at any times, is never justified. Golden Rule: that one must always honour another's will as one honours one's own.
8. At all times in our intimate relationships we strive to express and live true to all our feelings, all so we can use our feelings to uncover the truth they are trying to show. The truth of ourselves, of our relationships, and the truth of everything else, including God.
9. We do not covet or steal anything that does not belong to us. Honesty in all communications, actions, undertakings and activities in all facets of life is our rule of life.
10. In all that we do, we are to be truthful. We are non-judgemental, for none of us have the capacity or authority to judge another. We are always ready to forgive all wrongdoing.
11. We do not desire anything or anyone that does not belong to us. Comparing oneself to others and longing to have what they have leads to errors. We are to be content by focusing on the blessings our Heavenly Parents, who made us in Their soul's image, provides for us.

DIVINE LOVE – what does it do?

Divine Love, which is a substance, progressively:

Transforms one's soul from that which is of natural love to that which is Divine

As natural love is enhanced with the Parent's Love, we reject our tendency to error

Divine Love, our Parent's Love, restrains errors, untruths and emotional stress

As we reject the condition to error, we develop our love for our brothers and sisters

Divine Love helps one with the discovery of truth through one's soul-feeling healing

Our natural intelligence grows, perceptions rise with our soul intelligent feelings

As Law of Compensation is resolved, the Love reduces returning to being in error

Receipt of Divine Love, the Parent's Love, grows our faith, we become God reliant

As our faith grows our propensity to undertake one's Feeling Healing strengthens

With the Love, our Feeling Healing becomes Soul Healing, this we are to undertake

Without the Love we remain self reliant and dependent upon our own will power

Only with the Love will our soul condition grow rapidly, all around us also benefit

The Love is the only substance that changes the human soul to that which is Divine

Only by asking and receiving Love do we become fitted to enter Celestial Heavens

Only by asking for and receiving the Divine Love does our soul become immortal.

What is Divine Love?

It is the Divine Love of God, our Heavenly Parents, restored to all mankind by the births of Jesus and Mary.

How do we get this Love?

By sincerely asking God, our Mother and Father, and receiving the Love that passes all understanding.

What happens then?

We are born again in spirit and in truth, our soul opened to the Soul of God, our Heavenly Parents.

What then do we know?

We know we are all children of God and want to pray always to our Heavenly Parents, always longing for Truth.

What is the purpose of Feeling Healing?

We are to seek the truth of our feelings and unburden ourselves from our childhood repression and injuries.

What of the world?

We are at peace in the world and fearless. In Divine Love and in Truth there is no fear.

What else?

We are to strive to love everyone unconditionally as our Heavenly Parents and as Mary and Jesus love us.

JESUS' GOSPEL in FEW WORDS:

It is easy to summarize Jesus' gospel in few words: "God is Love. He offers His Love to all His children, that is to say, to all humanity. Moreover, He is always a personal God who invites us to enter into contact with Him, should we wish to do so. He will listen to us and He will answer."

~~~~~

God is the Source of Truth. And if you want to discover Truth, go to the Source, and do not be satisfied with second or third hand information.

The only way to find Truth is to experience it for yourself and in yourself. What you may experience, and thus verify, in your heart — is a great truth. Judas 6 May 2002

Man is composed of three essentially different parts: the physical body, the spirit body, and the soul. Of these three components, the physical body is characterised by its fleeting nature, for the numbered days of its existence. In fact, it only fulfils the purpose of integrating the soul into a material world, facilitating the interaction of man's spiritual part with the coarse matter environment that surrounds him.

The spirit body is composed of a different kind of matter, "finer" or more "ethereal". The fact that its aspect reflects the condition of soul is a clear indication that the soul influences largely its formation, and even more, the soul is indeed the creator of this body, which covers it and provides it with the characteristic of individuality. The formation of the spirit body begins at the moment of incarnation of the soul in the foetus, incarnation which only takes place should there exist a high possibility that the spirit of life has found in the new organism a stable biological structure, allowing it to carry out its life-giving function.

The soul, lastly, is man's only part that resembles its Creator. This is why we also refer to God as the Great Soul or the Oversoul.

When the human soul receives the Love of God – His Essence – it becomes a divine soul. This is called soul transformation, culminating exactly at the moment when this process consumes the last vestiges of the natural soul, in the New Birth. Judas 8 May 2002

Our message is simple: God is Love, and He shares it with all who so desire. Judas 13 May 2002

God is Love and is willing to share this Love with all His children, that is to say, with all humanity.

The Heavenly Father's Love is not a simple feeling, but rather it is His Substance, or the Essence of Divinity, that distinguishes itself by attributes, as any substance does, and what we call "unconditional love" is but one of these attributes. Judas 16 May 2002

**Feelings first**

## WE ALL ARE BEING GUIDED HOME:

We need the Spirits of Truth of the Avonal Pair to Heal ourselves; then once Healed, (and for support (overshadowing) as well through your Healing), we need the Creator Pair, Mary Magdalene and Jesus' Spirits of Truth to see us through the Celestial spheres, while at all times embracing our Heavenly Mother and Father.

Until Mary and Jesus died and liberated their Spirits of Truth, no one from any of the worlds could leave Nebadon, because no one knew the way to do so. Nebadon is our local universe containing some 3.8 million inhabited physical worlds and their associated spirit worlds.

When we embrace the truths Mary and Jesus are revealing, and start to do our Feeling Healing, or with Divine Love, Soul Healing, we are then freeing ourselves up from our parental and self control.

Thus our journey to Paradise, to the home of our Heavenly Parents, is of our choosing as to when we progress, however, there is only one way:

**HUM:** Humanity is to ascend. We are self contained. Our soul is always in truth and perfect at all times. **By living true to ourself, true to our feelings, we are living true to God. It's that simple.**

We are to recognise that being engaged and dominated by our mind is the wrong way for us to evolve and grow in truth. We are to discard the mind enslavement that has been imposed upon as by all of our parents. We are to express our feelings, both good and bad and free ourselves of the indoctrination that humanity has embraced worldwide.

Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God's soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of our Mother and Father.

**AVO:** We are to embrace the truths and guidance of the Avonal Pair through their Spirits of Truth. It is the Avonal Pair's guidance that will lead us through our Feeling Healing, and with Divine Love, we will be able to ascend through the 7 spirit Mansion Worlds and enter the Celestial Heavens where we also interact with other world's spirits.

**J&M:** We are also to embrace the truths and guidance of the Paradise Pair, Mary and Jesus, who will then lead us through the 3 Celestial Heavens that are aligned with Earth, and then further on through Nebadon where we will then depart beyond on towards Paradise.

**M&F:** Beyond the universal zone of Nebadon, we will be guided by our Heavenly Mother and Father onwards through the universes to Paradise where we will be welcomed by them, home for us all, as we are all Children of God.

**M&F**

**J&M**

**AVO**

**HUM**

**WE ARE Children of God**

**WE ALL ARE BEING GUIDED HOME – NOW, HOW TO COMMENCE THE JOURNEY:**

**GOD**

**M&F**

For 200,000 years, we have been misled into embracing our mind's distortion of wisdom and truth. All such traditional understandings only lead us in the wrong direction, from which we must turn back from. Our soul based feelings are always in truth. Our minds are to follow our soul based truths and feelings, not the other way round, as we have been brought up to embrace.

We are to connect with our deeper repressed feelings.  
We are to long for the truth of what we are feeling.  
We are to live true to our selves; by living true to our feelings.

Use your surface day-to-day feelings to connect with your deeper repressed feelings. Express your surface feelings and your deeper repressed feelings to uncover the truth of yourself.

**J&M**

We all have feelings which we communicate and share with each other. And we all have deeper buried and hidden repressed feelings. Feelings from our early childhood we felt, yet weren't allowed to express. These feelings are still within us, waiting to have their say. These feelings, because they are repressed, cause us all our problems.

And as we look to uncover, bring out and accept these deeper feelings, so we're taken into new ways of looking at ourselves, our feelings, and our life. We're setting ourselves free of the controlling patterns that govern our unloving behaviour.

In this way, we progressively begin to express the personality that our Heavenly Mother and Father gave us, not the one imposed upon us by our physical parents and carers. We are to be our true and real selves.

**By living true to ourself, true to our feelings, we are living true to God. It's that simple.**

**AVO**

**HUM**

As we, humanity, long for the truth of our feelings, we can also be assisted by the Spirits of Truth of the Avonal Pair who are our spiritual teachers for Earth over this coming 1,000 years, to assist us through the Great U-Turn, away from mind dominance to being soul based feeling lead. They will assist us through the seven levels of the spirit Mansion Worlds.

Then the Creator Pair, Jesus and Mary, will lead us through Nebadon and into the greater universe. Then our Heavenly Mother and Father lead us home to Paradise.

**WE ARE Children of God**

Collectively, should we embrace them all, as we are to, then our pathway home is a journey in the hands of the Spirits of Truth of the Avonal and Paradise Pairs overseen by our Heavenly Parents.

**HOW TO GET TO PARADISE:**

Long for the Divine Love

Long for the Truth

Long for the truth of your feelings

Don't deny any feelings: accept, express and want to know the truth of them

Know your feelings are the key; your feelings are the Way

Want to end your falseness and being untrue

Want to understand the truth of your early life

Use your surface feelings to move deeper into yourself, bringing up your repressed feelings

Want and long to know the whole truth of yourself

Want to do it all with God, your Heavenly Mother and Father – long to Them for help.

**The Key**

Our longing drives our life. We long with feelings. We can wish for things using our mind, yet long for things with our heart. These things in the pyramid are what to long for. Longing for them, when the longing comes naturally. Longing because you feel you really want them. Long to be true with all your heart. Long to live true to your feelings. Long to understand the whole truth of yourself.

**PARADISE TRINITY:**

1. **Our MOTHER and FATHER (God) (MF) – Divine Love**  
SOUL (God) – One SOUL that is expressing its two PERSONALITIES, our Heavenly Mother and Heavenly Father (Soulmates)
  2. **ETERNAL SON (ES) – Divine Truth**
  3. **INFINITE DAUGHTER (ID) – Divine Mind**
- Then: The Second and Third Persons of the Paradise Trinity (ES and ID) are stepped down to the local universe trinity (Mary and Jesus, Divine Minister (DM), and her Holy Spirit.

**The LOCAL UNIVERSE TRINITY:**

1. **MARY M and JESUS (MF) – Love – the Living Truth**
2. **DIVINE MINISTER (DM) – Mind (and her Holy Spirit)**
3. **HUMANITY – Natural love, sons and Daughters – Truth, and our Angels – Mind**

**PLANETS that engage in REBELLION:**

1. **AVONAL SOULMATE PAIR – the Feeling Healing process – incarnate**
2. **DAYNAL – TEACHER PAIRS – they do not incarnate**

**So in summary:**

**Consider a diamond:**

# Mother and Father Heavenly Parents

Creator Son & Daughter  
Jesus and Mary

Avonals  
as soulmate pairs

Trinity Teachers  
as soulmate pairs

Melchizedeks – who have taken over from the Caligastians and Daligastians being also all as soulmate pairs.

Mortal Souls – human beings who individualise on Earth, then progress through the spirit Mansion Worlds, then into the Celestial Heavens, and beyond.

Mortal Souls – also being ascending spirits, upon completing their Soul Healing, join with their soulmate, then join their soul group of 24 mortal spirits, being 12 soul pairs. It is only as a soulgroup that anyone can progress beyond Nebadon.

The Paradise Pairs are all ONLY concerned with the SPIRITUAL wellbeing and upliftment of the planets and local universe. Currently to do with Earth:

Mary and Jesus – spiritual wellbeing and upliftment of the whole of Nebadon region.

Avonal Pair – Daynal pairs (Trinity Teacher Daughters and Sons) – Spiritual wellbeing and upliftment of individual planets and their associated Mansion Worlds.

The Local universal Sons and Daughters are all about the running of the worlds under their jurisdiction, and ensuring the higher spiritual elements can be employed, or sent astray, as in our cases through the Rebellion and Default.

Lanonandeks – Melchizedeks (and others, such as Life Carriers and Eve and Adam).

As the Lanonandeks all rebelled – the Lucifers, Satans, Caligastias and Daligastias soulmate pairs – so the Melchizedeks have taken over their roles, as well as doing their own.

So the Melchizedeks are the governors, overseers, the administrators and advisors and so on for Earth; they are the ‘controllers’, and they will instigate all that needs to be done to do with the ending of the Rebellion and Default. And they will enlist the willing help of ascending mortal pairs, so the mortal Celestials spirits (soulmates when available, and others waiting to unite with their partner), and at times mortal spirits in the Divine Love Healing Mansion Worlds. And the angels help all of us.

Currently the whole of Creation exists for the ascension of mortal souls from their earth planets to Paradise. It’s all one vast Grand Ascension Scheme. With all the higher and lower spiritual Daughters and Sons, together with all the many different angels and other universal spirit personalities, and even including nature and our very own pets, assisting women and men with their Ascension Journey. It being: and Ascension of Truth. Everything we do is done to help us grow in truth. (Only everything we do in our negative state is to deny ourselves our truth from our feelings, which is why we have to do our Healing.) All women and men are ascending (or growing) in truth through their experiences. And as we grow in truth by looking to our feelings to show us that truth, so we’re ascending, moving inwards and upwards through all the worlds and spheres of the Grand Universe to one day arrive on Paradise and meet our Heavenly Parents. God is providing us, Their children, with this spiritual journey called our Ascension of Truth. And by living true to our feelings, so we are progressing on our true Spiritual Path – our Ascension Path.

**Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God’s soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of your Mother and Father.**

**Humanity** is to pursue the pathway for Truth through one’s soul based feelings, this is the right pathway. However, humanity commences its journey founded on natural love, which we now know is to be perfected through one’s Feeling Healing process and then made divine through asking for and receiving our Heavenly Parents’ Divine Love.

For 200,000 years, **humanity** has pursued the pathway of the Mind, being that of the brain, this is the wrong pathway. The Mind is the pathway for Angels and that of all of Nature.

**CREATION of SOUL and SPIRIT:**

God is *The Paradise Trinity* — the eternal Deity union of the Personalities: the Universal Mother and Father; the Eternal Son of Truth; and the Infinite Daughter Spirit of Mind.

The soul of each human personality (sons and daughters of truth) is existential, driving our personality expression in the experiential. The soul of each human finds truth by embracing one's feelings and longing for the truth of them. We are to attain the Eternal Son of Truth. We are a creation of Truth.

The soul of angels is experiential, evolving through their experience by continually progressing in mind development. Angels are to attain the Infinite Daughter (Spirit) of Mind. Angels are a creation of Mind. Our soul is duplex (we have a soulmate) and is created by our Heavenly Parents. Through our Feeling Healing we perfect ourselves enabling the union with our soulmate, as we progress in truth up through the Mansion Worlds, celestial heavens and all the way to Paradise.

**Feeling Pathway**

**Mind Pathway**

**Soulmate Pair**

**Angel**

**Spirit Person**

**Nature Spirit**

The soul of angels is also duplex, yet of the mind, and they progress in mind evolution to Paradise. Animals, plants and nature spirits are also creations of Mind.

Neither we nor animals reincarnate. We never die; upon death, we move into the spirit Mansion Worlds on our journey to Paradise. When animals and plants die, be they the tiny microbe to the mighty elephants of the land and the whales of the ocean, their spirit energy returns to the Spirit Collective Energy. And from this energy are drawn other animals and the nature spirits, who then in turn move onto becoming angels through increasing mind experience.

A nature spirit is an angel in waiting.

## **The Only Prayer That Man Need Offer to the Father:**

**The Prayer for Divine Love**

(as given within the first century)

2 Dec 1916

I am here, Jesus

<http://www.youtube.com/watch?v=Pg6p3rivAZw>

**P.438 Book of Truths through James Padgett / Jesus**

Let your prayer be as follows:

**Our Father, who art in heaven, we recognize that You are all Holy and loving and merciful, and that we are Your children, and not the subservient, sinful and depraved creatures that our teachers of old would have us believe. That we are the greatest of Your creation, and the most wonderful of all Your handiworks, and the objects of Your great soul's love and Tenderest care.**

**That Your will is that we become at one with You, and partake of Your great love which You have bestowed upon us through Your mercy and desire that we become, in truth, Your children, through love, and not through the sacrifice and death of any one of Your creatures.**

**We pray that You will open up our souls to the inflowing of Your love, and that then may come Your Holy Spirit to bring into our souls this, Your love in great abundance, until our souls shall be transformed into the very essence of Yourself; and that there may come to us faith--such faith as will cause us to realize that we are truly Your children and one with You in very substance and not in image only.**

**Let us have such faith as will cause us to know that You are our Father, and the bestower of every good and perfect gift, and that only we, ourselves, can prevent Your love changing us from the mortal to the immortal.**

**Let us never cease to realize that Your love is waiting for each and all of us, and that when we come to You, in faith and earnest aspiration, Your love will never be with-held from us.**

**Keep us in the shadow of Your love every hour and moment of our lives, and help us to overcome all temptations of the flesh, and the influence of the powers of the evil ones, which so constantly surround us and endeavour to turn our thoughts away from You to the pleasures and allurements of this world.**

**We thank You for Your love and the privilege of receiving it, and we believe that You are our Father --the loving Father who smiles upon us in our weakness, and is always ready to help us and take us to Your arms of love.**

**We pray this with all the earnestness and longings of our souls, and trusting in Your love, give You all the glory and honour and love that our finite souls can give.**

**Amen**

**MoC**

Note: The 'false teachers' are our parents, as they are also the 'evil ones'.  
Also, the evil ones, being those parts of one's mind, that are controlling you.

**WORLD PEACE only with FEELING HEALING and LOVE:**

Nothing will bring world peace and harmony onto this planet but the embracement and infusion of the Mother and Father's Love, Their Divine Love, together with Feeling Healing, by all of the people throughout all the communities, all faiths, around the world. Only Their Love is the substance that will progressively and with certainty remove from each of us those erroneous emotions that bring about fear and disharmony.

The awareness and embracing of the Love has no barriers, it is available to all. All faiths and spiritual practices can and will be invigorated and strengthened by the understanding of the availability of the Love, with Feeling Healing, the sharing of how to receive it, and by the knowledge of what it provides, particularly how one's soul condition develops with the Love.

The Love is the greatest gift in the entire universe. The universality of the Love will bring about global celebration of the harmony that will result between all and the benefits to all individuals, which are far too numerous to comprehend.

With FEELING HEALING and the LOVE will come the greatest advancement in the history of humanity. Nothing is surer and nothing will prevent this, just our resistance will delay this.

The time is ripe for us all to consider, embrace, enjoy, and share with all, our family, our neighbours, our friends, our associates and any one that we may connect with.

**The BEAUTIFUL MIRACLE:**

5 Oct 2012

**The DIVINE UNIVERSE**

The way in which the Spirit conveys the Divine Love into the soul is a beautiful miracle. The attribute of mortal soul prior to incarnation has to it, a potential within it that is part of its formed nature. After the soul incarnates this potential remains part of the soul and even if the forming personality is unaware of such a soul potential, the potential still exists. The Divine Love is entirely suitable in its energy of harmony to be the energy that a mortal soul can utilise. The Spirit covers the spirit body when the individual sincerely asks the Soul of God for the Divine Love and this covering of the spirit body is where the dynamic of this beautiful miracle takes place. From the internal longing of the individual for the Divine Love this activates the Spirit Law that activates the Spirit that is then attracted to the spirit body upon which the Spirit material of the spirit body draws the Divine Love in to its soul and this union complete. The key here is to gain a perceptive insight into realising that the spirit body is not an inert body but that it is living and has activity, recognisable from its first forming from the Spirit Law that materialises a spirit body. The Spirit and the spirit body to give an analogy are like two attracting magnets and when the surface of the spirit body is touched by the Spirit, this causes the automatic response of the Divine Love to permeate into the attribute of soul and so begins the transformation of energy from the natural into the Immortal Divine Harmony. If the individual continues the receipt of Divine Love the energy that is Divine Love actively begins to change the soul and this is felt in the spirit body systems and can produce feelings of love and elation. The spirit-mind begins to change as all spirit body systems are affected by the changed condition now experienced in the soul as the soul becomes living and vital. In one's progression of this Divine transformation, the soul will mature enough from the amount of Divine energy it receives and at that moment the surface of the spirit body and the Spirit are continuously attracted to each other and one is living in the presence of our Mother and Father in perfect harmony and this clarifies the truth about what it means to be truly at-one with God.

It is I Matthew, a teacher of the Divine Love. I have communicated with you recently, now I desire to provide you with a visual description of the Love.

Imagine a continuous Energy shining light blue that is unbroken with a seamless surface that surround every mortal and Immortal spirit. Imagine if you were to become aware that this energetic field of light-blue Energy existed in its shining radiance just near where you are. Now that you are aware that this unbroken Divine Love is unified energetic field of living Love, by opening toward the Soul of God and aspiring for the Divine Love, the Acting Spirit gently brings a small portion of this shining blue Energy into your soul

The Divine Love that you have received remains part of this great Energy that the Divine Love is and even though this small portion of Divine Love, now within your soul, in its shining radiance and energetic cause, it is never separated from the continuous energetic field of Energy that the Divine Love is. Having partaken of this Energy it is with perception that one is aware that the Divine Love within one's soul is the same Divine Love that every person and spirit who has partaken of this Love, participates with. Even though in our individuality we partake of this Divine Energy, this Love is never broken away from the Source and Origin from which this Divine Love emanates.

The Divine Love is bestowed into our finite soul by the Acting Spirit, but this Spirit remains in contact with our spirit body and does not enter the finite soul to become part of our finite soul essence that we are. No mortal or Immortal spirit can manifest in their soul the Acting Spirit so that this Spirit – this Holy Spirit – becomes part of our existing finite spirit body. Only the Divine Love and its Energy becomes part of our finite soul, which causes the change to our spirit body. The Acting Spirit always remains its own attribute and never does a Celestial spirit claim ownership or take possession of the Acting Spirit within their soul. (The Holy Spirit / Acting Spirit is an instrument of the Source Soul, our Father.)

This is one of the wonderful Truths by which we who have been transformed by the Divine Love understand our personal relationship with our Mother and Father's ever-present Acting Spirit. The shining Energy of Divine Love is all around us and when we have partaken of this Love, part of our finite nature becomes independently shining in this true perfect Love.

I provide these words that may appeal to those who are visual and to express the universal appearance of the Divine Love and the personal touch when in contact with the Acting Spirit.

Matthew (Apostle)

**Whilst we are receiving our Heavenly Parents' Divine Love, and that this Love is causing change within our soul and spirit attributes, the greatest Truth known to man and spirit is that this is the way our Mother and Father are actually loving us! When we progress, it is God's way of loving us into love and then we live what we are, love.**

## The Gift that keeps Giving

*A general universal platform on how to experience Divine Love*

As more people become aware of the *Divine Love*, how to experience the Divine Love required a need to provide a general universal platform that is simple yet an effective way for one to experience *Divine Love*. People may learn about the availability of *Divine Love* by word of mouth or from reading literature that introduces this gift for our soul, and also by participating with group dynamics where the *Divine Love* is introduced and discussed. The essence of this standard platform is its independence so that the individual may feel guided to include this simple platform in their daily life and experience of *Divine Love*.

The platform introduced here is a technique that is simple, constant, practical and has been utilised in the general public for over 20 years with good consistent results, accommodating participants and their diversity of belief and cultural background. This platform is a reliable place to begin with the experience of *Divine Love*. It needs to be confirmed that accepting *Divine Love* rests with our soul and heart and that to experience this Love will comfort one in their individual faith experience as we all aspire toward the greater reality of Love, Truth and Spirit.

### A Universal Platform on How to Experience the Divine Love:

Firstly, you are aware now that you can experience the *Divine Love*.

Find a comfortable chair; sit down in a relaxed and normal position.

Close your eyes and take 3 deep single breaths in through your nose and out through your mouth to clear energy and to relax into this experience. Have a little faith and proceed without great expectations.

Gently turn your inner heart and voice to the Soul, God in faith when you feel ready, ask the Soul, God with your own loving voice for an inflowing of *Divine Love*. Having asked sincerely, there is no need to continuously ask. The Soul, God hears sincere love in the asking and so The Spirit that brings the Love acts, and *Divine Love* is now flowing.

Having asked once, you will be receiving the *Divine Love*.

Proceed without expectation on what will happen as you experience the Love.

Sometimes your mind may wander – or there are thoughts, feelings or physical sensations. Experiencing the *Divine Love* is never a forceful experience.

Continue for as long as you feel you would like to. This may be for 5 minutes or 20 minutes or an hour. Time will vary for the needs of the individual or group.

Take another few deep breaths to assist your focus. Give our love to the Soul, God and in our own voice inwardly say this Soul, God that you love this Soul and are grateful to receive this *Divine Love*.

Then when you feel ready, open your eyes and take another deep breath or two, and this closes the experience.

### Some helpful hints:

- This general universal platform on how to experience the *Divine Love* is uncomplicated. Some people have utilised this platform for over 20+ years, never needing to change.
- The essence of this standard platform is to experience the *Divine Love* in a comfortable way therefore this technique needs to be simple, effective and inclusive.
- Experiencing the *Divine Love* can be a long-term experience so to have a practical, simple, functional standard platform solves a lot of problems about *how* to experience the *Divine Love*.
- From this general platform people who like prayer or meditation, reflection, spirit communication, or just being *in* and *with* the Love can extend their experience from this standard position.
- Lastly, enjoy! And know that when a person is experiencing the *Divine Love* that one is in the tender care of the Soul God, and that no spirit interference will happen, for no spirit can interfere with the Sovereignty of *Divine Love*, which is God's Alone!
- Enjoy, Celebrate and Shine!

A gift of experience from Zara and Nicholas endorsed by many, many others.

Dear Friend,

Pascas WorldCare – Introduction to 100 Years of Spiritual Teachings

Our search to understand ‘how to treat the cause of illness rather than just treat the symptoms’ at first, appeared elusive. As it became understood and then obvious that particular emotional issues affected the physical body, in particular regions and organs, then came the question of how to remedy and remove those emotional negative issues.

Negative, or man made, emotions can be addressed with great personal perseverance, however, the outcome is most likely not to be permanent, we relapse.

In July, 2009, we were introduced to the Padgett Messages. These are profound teachings of truth, readily confirmed by applying Dr David Hawkins’ method of kinesiology muscle testing in conjunction with his Map of Consciousness. Some of the historically recognisable authors / writers throughout these messages are:

The number of authors / contributors now exceeds 1,000, with key authors presenting material within each set of messages. It is a co-ordinated and well structured continuing series of teachings.

The first publication of the Padgett Messages in chronological order was published in 2008. All of the additional material has been published since then. Major references and sources of material are also found at [www.new-birth.net](http://www.new-birth.net) and [www.pascashealth.com](http://www.pascashealth.com) within the Pascas library section.

When a personality develops the desire to cause harm to others or to one's self, such man made emotional error is a soul injury. Such soul injury is reflected within that personality's spirit body by the presence of dense, slow moving energy which retards life giving energy flows in the region of the held or frozen emotional injury. Energy blockages within the meridians of the spirit body emerge as dull pain, then pain, then as an illness within the physical body.

Only longing for and earnestly desiring for the Father's Love will occur the inflowing of such Love, which is an energy, that will ultimately dislodge the harmful emotional error, or energy blockage. As the error is dissolved and removed also is the propensity for that personality to cause harm, which was associated with the emotional injury, being permanently removed. As the cause to harm is removed so is the need for compensation, as the emotional issue will no longer exist.

The Creator's Love, being progressively received by a personality, brings about improved physical health, improved quality and way of life, improved happiness for themselves and for those around them, and the gates are open for wonders of life beyond comprehension.

This is expanded upon, time and time again throughout all these works. Why have we not understood this before? These teachings were progressively lost throughout the first three centuries of this era, and all records of these teachings were finally lost in 325AD/CE at the Nicene Council in Constantinople.

What is this advent of teachings that we have received progressively over the past 101 years?

**“My coming to you (James Padgett) is really my second coming on Earth, and the result of my coming in this way will satisfy and fulfil all the promises of the scriptures as to my second coming.”**  
**Jesus December 2, 1915**

This is reiterated throughout these works. The greatest gift to the universe has again been introduced to us. This guidance commenced on 31 May 1914, and this phase completed on 7 January 2016.

## U-TURN for HUMANITY:

### Why are we doing a U-Turn?

We are doing a U-Turn **because** the year 2017 heralded the end of the Rebellion and Default. For two hundred thousand years, humanity has been going in the wrong direction.

### What is this fundamental step that will change our way of living?

We are to come to understand / know the foundational cause of all our feelings, both good and bad. As we explore and investigate our feelings, each time they arise, one by one, we are to talk them through, express them to a companion or friend or anyone who will listen. As we express them, while at the same time coming to understand how they have come about, we will find that they will be resolved and that they will not come up again.

We will find that all of our feelings / emotions have their foundations from our childhood. And by childhood, that is from the time of one's conception all the way through to about the age of six. It is the repression of our childhood feelings that is the base or foundational cause of each and every one of our adult personality issues, pains, difficulties, illnesses and distressful life experiences.

**We have to see the whole truth of our negative or self-denial state, before we can heal it and be free of it.**

The vital difference between **emotions** and **feelings** is:

- emotions have their roots in the past,
- feelings relate to the present moment,
- emotions represent feelings not previously expressed,
- and these accumulate over time.

Many emotional clearing processes encourage us to look into our feelings, however, none go so far as to drill down into the core foundation of any emotional feeling to the point that we strive to KNOW the core issue, the origin of the feeling, be it good or bad, and actually come to know what it is!

The *Journey Process* is generally known worldwide. It stops short of longing to know, that is asking for the knowing of the events that brought about such a feeling. Yes, we are to acknowledge the feeling, say being angry. Then accept that behind that anger is the feeling of being small, and then look at the underlying reason of why we are feeling small. What is the truth behind that feeling? Ask our Heavenly Parents what is behind all of this feeling. What is the foundation, the origin of the feeling? All the time talking it out, expressing it, with a friend. The expressing of the experience is the release of the emotion / feeling, this is what removes it for ever from within our essence, our **soul**.

### Why ask our Heavenly Parents? I thought God was just God – singular?

This is part of the revealings that have been unfolding for us very recently – that is – since 2002.

**Feeling  
Healing with  
Divine Love is  
the key!**

We are made in the image of God. This has been understood for centuries, for 2,000 years. Our soul is duplex. Our soul expresses itself through two personalities. One soul 'subdivides' into two, one half always being female and the other half always being male. We are a reflection of how God is. God being one Soul is expressed as Mother and Father. God is two personalities. They are soulmates. And each of us has a soulmate, and our soulmate is always of the opposite sex, because the Mother and Father are the opposite sex.

Thus, when we long for the truth behind a feeling, then we can long to our Heavenly Mother and Father. Only they can tell us. No spirit personality can tell us. No canonised saint can tell us, we may as well ask our next door neighbour. That would be just as productive. Mary and Jesus can't tell us, as they are also spirit personalities.

### **I was taught that Jesus was God? And what is this about Mary?**

Mary of Magdalene and Jesus of Nazareth were both born free from sin. Neither of them are God. They are both children of God, just like you and me.

History needs to be corrected. Both Jesus of Nazareth and Mary of Magdalene became at one (At-One) with our Heavenly Mother and Father during their physical lives here on Earth in the first century; Jesus in the year 26CE and Mary in the year 33CE, or thereabouts. Jesus died aged 35 (born 7BC died 29CE), and Mary died aged 47 or 48 (born 2BC died 47CE).

Further, their sojourn on Earth was the completion of their process to become the full Regents of the sector of planets that is referred to as Nebadon. The region within our super-universe that is referred to as Nebadon contains 3.8 million inhabited planets. If you look into the night sky, each star / sun potentially has between none to three inhabited planets within its orbit. Within Nebadon, the soulmate pair, namely Mary and Jesus, are our Spiritual Teachers of Truth. Their domain is all 3.8 million physical planets plus their associated spirit worlds. Each physical world has seven associated spirit worlds, which is the case for Earth being one of the 37 that have rebelled.

Some 200,000 years ago, Lucifer with his soulmate and his deputy, Satan with his soulmate, brought about a rebellion on 37 of the inhabited planets within the region called Satania, one of the local universal systems of Nebadon. Earth compounded the situation through the Default of Adam and Eve about 38,000 years ago. Thus the population of Earth, being in the worst condition through the Rebellion and Default, became the location for Mary and Jesus to have their physical experience to complete their ascendancy to full Regency of the local universal system being Nebadon.

Their lives on Earth was the start of the unravelling of the Rebellion and Default. Upon Jesus becoming At-One with our Mother and Father, he was then vested with the authority and power to have the Lucifers and Satans arrested, and they now reside exiled within a prison world.

Notice that there were no records of Jesus and Mary's teachings and experiences made during their physical life. That was because they did not specifically come here for us, they came for the benefit of all peoples of all planets and spirit worlds throughout Nebadon.

As they are Paradise descending spirits, they have **Spirits of Truth**. Upon Mary and Jesus' death, they released their Spirits of Truth. As spirits, Jesus and Mary are how we will be, once we've finished our Soul Healing. They can only be in one place at any one time. However, it is their Spirits of Truth

throughout Nebadon that we can connect with for guidance. It is through their Spirits of Truth that spirit personalities can progress through and out of Nebadon.

Those planets that have Rebelled need further assistance, and they need it on a localised manner. This can only be provided by another bestowal of a **Paradise Pair**, and that is in the form and manner of an **Avonal soulmate pair** who come here specifically for us.

### **What is the purpose of an Avonal pair, and are they here on Earth?**

Unlike Jesus and Mary who were always free from sin and did not experience how to heal themselves, the Avonal pair are to experience all of the extremes of evilness and then proceed to heal themselves. Mary and Jesus through their bestowal on Earth ended the Lucifers spiritual rebellion in Nebadon; the Avonals bestowal is primarily concerned with ending the Default of Adam and Eve by the Avonals themselves personally healing the effects of such a damaging Fall.

The soulmate Avonal pair are to be, and have been, subjected to the extremes of childhood suppression and repression, and then, through their Feeling Healing, are experiencing all the facets of emerging truth as they slowly progress through a protracted and difficult healing process. As they reach specific milestones, this also enables those in the Celestial Heavens, (the three worlds where Celestials reside) to be empowered to assist us in the physical on Earth.

The first considered milestone was the arresting and imprisonment of the Caligastia soulmate pair and the Daligastia soulmate pair. After the arrest of the Lucifers and Satans in the first century, as nothing further occurred, the Caligastias and Daligastias continued on from spirit as if they were kings and queens, suppressing all of humanity and with plans to take over the universe. It was possibly in the early 1990s that they were 'judged' and 'removed'. They were caught unaware that an Avonal bestowal pair were on Earth.

### **How is all this becoming known? Has Jesus and Mary communicated directly to Earth?**

Unlike in the first century, when no records were kept (as the event related to all of Nebadon and it was actually setting the stage for the Avonal bestowal pair to arrive on Earth), every effort to retain records in great detail of this current series of events is now being attended to. Consider this. The New Testament of the Bible is some 300 pages. The records of the Second Coming, which this is, the primary records are possibly 6,000 pages, with direct complementary records increasing that to over 10,000 pages and with all the supplementary records to date, there may be as many as 40,000 pages, certainly well over 30,000 pages of material presently.

Jesus directly communicated through James Padgett from 1914 to 1923. Mary of Magdalene (Mary M) has directly communicated through James Moncrief from 2002 and is ongoing. Jesus has also communicated directly through James Moncrief. Neither have ever directly communicated through any one else, however, some Celestial Spirit personalities have provided information through other personalities on Earth with the support and approval of Jesus and Mary, thus some confusion, though the quality of the information is very reliable.

### **You say this is the Second Coming? You say I am living during the time of the Second Coming?**

Yes you are. And it's more than that. This is the Second Coming, the End Times and the Handover!

In fulfilment of the prophecy in the first century, the Second Coming commenced on 31 May 1914 through the writings with James Padgett and concluded in 2014 through the writings with James Moncrief.

The End Times are well advanced. Mary and Jesus are well advanced in handing over their direct involvement with Earth to those within the Celestial Heavens. When this is completed, the Handover will also occur. **The Hand Over is to the Avonal Bestowal pair** and it is they who will guide the population on Earth through their Feeling Healing processes for the next 1,000 years, being the next spiritual age. The Handover will take place after the Avonal pair complete their personal Healing of the Rebellion and Default. Then will follow with their Spirits of Truth being officially liberated in alignment with Mary M and Jesus' Spirits of Truth upon their death.

Major events have occurred with the progression of the Avonal pair's Feeling Healing, which they are also doing whilst embracing our Heavenly Parents' Divine Love, thus they are doing their Soul Healing.

| 31 January 2018: | Earth and the seven associated Mansion Worlds (including the two Earth planes) are <b>officially</b> now fully under the control of Celestial spirits. This marks a tangible and real end to the Rebellion and Default. |

**How does this all fit into our future way of living?**

**This time, in the history of humanity, is the most exciting time ever experienced.**

**The whole human race is suffering from repressed childhood and mind control.**

Through one's Feeling Healing, and should we embrace our Heavenly Parents' Divine Love, then with their Love we are doing our Soul Healing, and eventually we can live totally in accordance with our soul based feelings and live free from error – no more fear and no more physical illnesses is possible!

**By living true to ourselves, true to our feelings, we are living true to God. It's that simple.**

Our soul is always perfect. In fact, we are the complete package. All that we need to know is within our soul. This knowledge has been denied from us since the time of the Rebellion and compounded by the Default. That is what was brought upon us by the Lucifers and his cohorts. We have always been meant to live true to our soul based feelings but we were taught to embrace our error riddled mind – this was aided by our parents – unknowingly all parents have taught their children to be mind dominant. **This is the Great U-Turn. We are to feel and live by our feelings and express our feelings, our mind will follow in support, not the other way around.**

“Many people look for a person, spirit, angel, even God, for supreme guidance, however it's all right there already built in – in our feelings. **Feelings** guide us through our **ascension of truth**. So they are

really our Supreme Guides. We just have to submit to them, allowing them to take us where they will, expressing all the parts we want to express, letting the emotion drive that expression if it's there to be expressed, or just talking about all we feel and how feeling that feeling is making us feel – or, how we feel about having that feeling, all whilst longing for the truth of our feelings. Longing for the truth of our feelings is really: **Longing for the truth of our self, because: we are our feelings.** So life stirs up our feelings, we feel being alive; or, being alive means we are feeling, always feeling; and when we work out what and why we are feeling what we are, so then we know the truth of how we are. And over time the truth accumulates, and our mind expands our understanding of ourselves, all being driven from our feelings.”

Kevin of the 1<sup>st</sup> Celestial Heaven 26 September 2017

(Kevin Cooper died 10 August 2012, through Feeling Healing became Celestial on 7 August 2017.)

It is through the assistance of the Spirits of Truth of the Avonal Pair, upon the completion of their Soul Healing, that we will be guided through our Feeling Healing process, and should we embrace our Mother and Father's Divine Love, then our Soul Healing.

Then should we embrace Mary and Jesus as our Spiritual Teachers of Truth, their Spirits of Truth will lead us on the path through the Celestial Heavens where we will certainly meet up with our soulmate and join our soulgroup, which will eventually consist of twelve soulmate pairs. Then as a soulgroup, the Spirits of Truth of Mary and Jesus will lead us up through and out of Nebadon towards Paradise.

It is then our Mother and Father in Paradise who draw us to them and we will eventually meet our Heavenly Parents.

Meanwhile, while we live on Earth, we will have assistance and guidance previously denied to us throughout the era of the Rebellion and Default. Under the Contract controlling and managing the Rebellion and Default, the powers and capabilities of our Celestial Heaven spirit personalities, all three worlds of them, were heavily restricted and almost of no assistance to us at all. Further, Nature Spirits and our Angels were heavily denied contact with us physical people because of the Rebellion and Default, all of which is soon to change, so we can look directly to them for help concerning healing ourselves and understanding all aspects of nature.

As we embrace our Feeling Healing, Celestial spirits will and can greatly assist us. In fact, during the year of 2017 they have blocked all mind spirits from the Natural Love Mansion Worlds: 1, 2, 4 and 6 from interfering with us. Celestials have taken control of all facets of living and life on Earth. Celestials are those spirits who have completed their Feeling Healing and progressed through Divine Love Mansion Worlds 3, 5 and 7 and now live in the higher Celestial Heavens, 1, 2 and 3 (when we become At One with our Heavenly Parents then we leave the Mansion Worlds and progress through the next three spheres related to Earth, hence the Celestial Heavens are also referred to as being numbered 8, 9 and 10).

The Nature Spirits of Earth, who live in the third Earth plane, can now directly interact with those who are embracing their Feeling Healing. Nature Spirits are essentially 'angels in waiting'. They have been on Earth prior to anything that we now see living in nature. When they first started to

arrive, there was no life in the seas or on land. They have consequently witnessed everything that has happened on Earth, including all prior human civilisations that we continue to largely remain ignorant of. Their knowledge and assistance is of great importance to us. We are to interact with them on an ever increasing scale. They are to become an invaluable source of information for us concerning how we are best to live with nature.

Further, we may become more aware of our **Indwelling Spirit**, which arrives for each of us during our sixth year, as we now progress with our Feeling Healing, or with Divine Love, our Soul Healing.

And all of this is possible as we embrace our Feeling Healing process, acknowledge and accept the Avonal pair, acknowledge and accept our Spiritual Teachers of Truth, namely Mary and Jesus, and more importantly, grow to love our Heavenly Parents, our true Mother and Father.

We do not need intermediaries, rituals, liturgy, dogmas, creeds, fancy clothing, or institutions. It is our soul based feelings and expressions that we may exchange directly with our Heavenly Parents. Groups may form to assist each other, and that is our choice and within our free will.

**This is the greatest event in the history of humanity.**

This is the Great U-Turn that humanity will embrace throughout the next 1,000 years. MoC 1,480

Those of you who have been introduced to the spirit communications James Padgett received 100 years ago, commencing on 31 May 1914, will have read and heard from the Master’s voice, that **this work was his Second Coming**. The Master’s **Second Coming** happened in the form of his teachings conveyed to James Padgett, whilst Jesus continues his living in the spirit world. The two major writings are those by James Padgett and, more importantly, those by James Moncrief.

Jesus fulfilled his **Second Coming**, which in essence, introduces the distinction between natural love of man with the Divine Love of God. Understanding these two Loves and how they relate to a finite mortal soul, encapsulates the Master’s teaching also conveyed in the spirit communications James Padgett received defining what it is to be ‘Born Again’. This teaching, Born Again, was extended into the teaching of the New Birth by also embracing Feeling Healing, which many are aware of now that have been introduced to the visibility of the Divine Love of our Mother and Father, and the living Truth of this Love being the Immortality that this Love gives to the finite soul.

A most significant change with the infusion of Divine Love and its melding with one’s natural love soul is the gradual perfection of one’s own natural essence. Change comes from being aware that by receiving this Love, the condition in one’s soul begins to become a living condition as one’s soul-energy

awakens. The New-Birth will mean different things to different people but essentially it involves change – that can only happen in one’s soul with the Divine Love present. That is why the Divine Love itself is the only energy of the New-Birth, because when this Love, as energy, enters one’s soul, this active energy of the Love cause the changes that perfect one’s natural love and progresses the attributes of one’s spirit body. Saleeba – celestial spirit – Message 121 Traveller An Immortal Journey

It is quite a moment when you pause and embrace the Master’s teachings identified in his **Second Coming**. As with many realities of Spirit and Love, one may not have expected the Master’s **Second Coming** to be in the form of these spirit communications, but your history now shows that it was, and many of you are in receipt of the Divine Love, which confirms the Master’s teachings and **Second Coming**.

For us here in the spirit we see the Master all the time. There is never any sense of a **Second Coming** as the Master has continued his teaching about becoming at-one and in likeness with our Mother and Father ever since he lived on Earth and then arrived in spirit. This is one of those time perspectives that differ between human history and life in the spirit world. From a human perspective, history is important; from our perspective the Mother and Father’s Truths that Jesus taught have never changed – they are as present today as they were when Jesus first understood the Mother and Father’s Truths in his human life. Our Parents’ Truths relating with the natural love and the Divine Love have never changed since the life of the First Parents. Ann Rollins – celestial spirit – Message 122 Traveller an Immortal Journey

These communications will never become a scripture of sorts, that a man or woman ‘must’ live by. We have afforded you information, and the receiver of this message is aware of the Love, and together experience has been generated.

Living faith in your heart and quietly praying for the Love in your heart to our Parents is the single most consistent and sustaining Truth there is for a human life. A person can live their life accepting the Love from their faith in an ordinary way, and will achieve a true closeness in their at-onement with our Mother and Father, our Heavenly Parents.

If a person studies these communications, which would be a very good thing to do, then the knowledge that you are soul, and what this involves will extend your human awareness to include some connectivity with spirit, which many desire and seek.

AVONAL PAIR to be RESPONSIBLE for SPIRITUAL WELLBEING of EARTH:

Heavenly Parents

The Paradise Pairs, children of God, are all only concerned with the spiritual wellbeing and upliftment of the planets and local universe. Creator Son and Daughter, Mary and Jesus, are focused upon the spiritual wellbeing and upliftment of the whole of Nebadon which involves Earth, one of 3.8 million planets.

**AVONAL PAIR**

The Spirits of Truth of the Avonal Pair are to join with the Spirits of Truth of Mary and Jesus.

**Soulmates**

**COUNCIL OF ELDERS**

The Council of Elders, 12 Celestial soulmate pairs, being a Soul Group, guide to Founder of the Global Humanitarian Fund that is to disseminate Feeling Healing and Soul Healing guidance.

**Soulmate PAIR** while living in the physical of earth, are to complete their Feeling Healing whilst embracing Divine Love, thus completing their Soul Healing. Being the first humans to do so, they will subsequently, upon their physical deaths, release their Spirits of Truth so that the whole of humanity, for the next 1,000 years, can embrace and progress in their soul development through Feeling Healing.

**GLOBAL HUMANITARIAN FUND**

Through the Global Humanitarian Fund, humanity is to be introduced to the processes of Feeling Healing and Soul Healing. Further, they will also become aware that our Spiritual Teachers of Truth for the next 1,000 years will be the Avonal Pair who will be handed this task from Jesus and Mary, and much, much more.

# Crossover

This time, in the history of humanity, is the most exciting time ever experienced.

# the Handover

This is the time that man is now able to evolve in its spiritual development. Man has endured 200,000 years of Rebellion and compounded this with the Default of some 38,000 years, now it has been provided with the guidance to put aside the negativities of the Rebellion and Default.

With the guidance that was provided through James Padgett (1914 through to 1923), man became again aware of the availability of Divine Love from our Heavenly Parents. This also heralded the handover. That is, the commencement of the end times of the involvement by Mary and Jesus in the spiritual affairs of humanity on Earth.

Soul groups that have been in place during Mary and Jesus' 2,000 year involvement with Earth have progressively handed over to soul groups that have been forming since 100 years ago. The older soul groups have mostly progressed on further towards Paradise.

The second revelation, that followed from the availability of Divine Love, is the processes of Feeling Healing and Soul Healing. The understanding of the Feeling Healing process is the most important of the revelations and should have been the first to be revealed. Feeling Healing and Soul Healing are being revealed through and by Marion and James Moncrief.

The soulmate pair, that are the first to complete their Soul Healing, and upon their deaths, they will release their Spirits of Truth which will unify with the Spirits of Truths of Mary and Jesus so that humanity, in whole, will have access to these knowings and guidance for the next 1,000 years.

Mary and Jesus, being responsible for the spiritual wellbeing and upliftment of the whole of Nebadon, are to withdraw from their direct involvement with Earth and hand over the responsibilities to an Avonal Pair who take individual responsibility for the spiritual wellbeing and upliftment of individual planets and their associated mansion worlds, in this case, Earth exclusively.

## COUNCIL *of* ELDERS

For the next 1,000 years, via the Avonal Pair and the newly forming Soul Groups, Earth will be able to evolve through embracing Feeling Healing, and with Divine Love, one's Soul Healing. These newly formed Soul Groups are effectively 'Council of Elders' to assist humans living in the physical on Earth to enable all to be aware of the way to evolve.

With the absolute end of the Rebellion, this is the first time in 200,000 years that mankind, humanity, can take control of his and her destiny and evolve in love and truth for all eternity!

Throughout this coming era, our spiritual leaders will be an Avonal Pair, yet to be identified.

**FEELING HEALING and SOUL HEALING with the DIVINE LOVE:****James Moncrief Publications:****all publications are free downloads:**<http://divinelovesp.weebly.com/my-free-books-and-free-padgett-messages.html>

It is suggested for one to consider reading as follows:

**Speaking with Mary Magdalene and Jesus – books 1 – 4**

These four books encapsulate the second of the revelations with the first having been introduced by James Padgett one hundred years previously. These four books provide a wide range of guidance that has never previously been made available.

**Paul – City of Light**

As a gentle intro into the Divine Love and Healing; being James Moncrief's first novel and it's been criticised as being too heavily clichéd, but that's the point because it's a reflection of how he was back then.

**Ann and Terry**

For an example of people who might want to immediately start working on themselves and doing their Healing.

**Feeling Bad? Bad Feelings are GOOD**

For more understanding about our denial of our feelings and why we should not deny our feelings, and it includes how it all came about for James, using himself as an example.

**Feeling bad will make you feel BETTER – Eventually!**

This includes specific examples of Marion and James working on expressing particular bad feelings, again with the hope that it will help others gain something of an idea as to what's involved in doing your Feeling Healing.

**Sage – and the Healing Angels of Light**

Through Sage who's 13 years old, the story is primarily about the two aspects of healing; that being, with the help of our angels, and the full Healing we can do by looking to our feelings for their truth.

**Religion of Feelings  
Feeling Healing****Welcome to LOVE – the Religion of Feelings  
you can heal yourself through your feelings**

So these books, including the four Speaking with Mary Magdalene and Jesus books, provide the essence of it all and are examples of James' work. Then it's up to whatever takes one's fancy. Other reading to consider may include:

**The Padgett Messages being published as:****The True Gospel Revealed Anew by Jesus volumes 1 – 4****Book of Truths by Joseph Babinsky****The Urantia Book****Release one's pain through expressing one's feelings.****in conjunction with****Longing for the Truth when also longing for Divine Love.**

**FEELING HEALING with DIVINE LOVE is SOUL HEALING:**

*A collection of 'papers' that draw together specific topics including all of the above and more from other sources of information and revelation designed to help increase one's awareness about why we have the problems we do and how to heal them, all whilst living a more healthy and sustainable life. They provide a brief snapshot of the more complicated topics and issues.*

**Firstly, consider discovering the truth of your emotional pain through Feeling Healing. Secondly, consider longing for our Heavenly Parents' Love as you progress with your healing. Primary and most important readings are the writings of James Moncrief. Then consider the Padgett Messages, and then The Urantia Book.**

**DIVINE LOVE and DIVINE TRUTH Revelations and Teachings escalating:**

**The opening up of the soul permits a permanent exchange with Divinity, a permanent recharge of this healing energy that allows not only the re-establishment of lost health, but the continuity of health, providing such a perfect balance, even in the physical body, that noxious agents like bacteria and virus cannot find any opportunity to unchain pathological reactions, which we commonly call illness.**

**But it is true that people without the benefit of Divine Love would lack the protective shield, which the intrinsic healing energies of Divine Love provide for those who pray for our Heavenly Mother and Father's Grace.**

**What's Your Soul Condition?**

**On the WINGS of a BUTTERFLY:** No 12, Traveller, an immortal journey, via Zara and Nicholas

Once upon a time there was a butterfly sitting with closed wings in a person's heart. This butterfly had been sitting with wings closed for a long time. The person couldn't figure out why they always felt a little sad. One day, this person asked another person why they feel sad. The response happened quickly and the person didn't like the response. It was said that perhaps your soul is sad. Several days passed and soon that person found themselves sitting by the sea. The sea has great longing to it. As the sun shone on a late spring day, the person thought about their soul and that perhaps, the person's remark was true, and that this person was a messenger of some sort. Suddenly a breeze swept through the beach and the person heard a distinct voice speak directly to him! The voice said, "Let your soul breathe in Divine Love." That was all the voice said.

The person didn't know what the Divine Love was or where it was, but now the sadness had greater longing so the person decided to breathe in the Divine Love and just like that – the closed wings of the butterfly opened and the person's sadness started to dissolve. Happiness will be mine the person thought upon feeling the Love and this will take time for me to learn how to live such happiness.

Never again, in the heart of that person, did the butterfly close its wings.

**SOUL CONDITION luminosity is reflected through one's spirit body, thus all spirit people can see the relative condition of another. In this same way, a spirit person can see the soul condition of those living within a physical body.**

**Cause No Harm** < to OTHERS  
to MYSELF

Strive to love others as I am to love myself

To liberate one's real self, one's will, driven by one's soul, moves one to embrace Feeling Healing so as to clear emotional injuries and errors. With the Divine Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.
