I am the spirit of one who when on Earth was called Caesar.

Well, there was only one real Caesar – all others by that name were merely imitations. I was Julius Caesar and was the Emperor of Rome and the conqueror of the Gauls and of the Egyptians.

I am now in a condition of darkness, and also suffering, from my deeds on Earth, which were very wicked and numerous. (Died 15 March 44BC)

I am not an emperor now, but am a spirit who is in the condition of one who has no one to do him reverence – not the meanest of my former slaves deign to bow the knee or salute me as their superior. And why! Because in the spirit world a man is as his soul development makes him, and mine has been very much retarded by my want of belief and faith, as I now see.

I merely want to tell you this that you may know that no position on Earth can determine the position of the person when he comes into the spirit world. I mean that the position of the man on Earth does not in the slightest degree influence the position of this same man in the spirit world. Many of my slaves are higher in their development and in their spirituality than I am. Well, that may be, but I am in the condition that I say I am; I don't know of any such spirit and doubt if there be any.

I see some bright spirits and have asked for Prof. Salyards, and find him to be a most beautiful and bright spirit, and I am inclined to listen to what he may say. He says that he was well acquainted with my history on Earth, as he had read many books dealing with my life and exploits; and he is glad to meet me and show me the way to a higher and happier condition of existence. I rather like him, and believe that I will go with him and listen to him.

Well, I will try.

So I will say good night, and good luck. I am your friend now, since you have shown such interest in me.

Julius Caesar [returns a year later](#) to confirm he is now out of the hells.

## Julius Caesar

[http://en.wikipedia.org/wiki/Julius\\_Caesar](http://en.wikipedia.org/wiki/Julius_Caesar)

**Gaius Julius Caesar** (Classical Latin: [ˈɡa.i.ʊs ˈju:l.i.ʊs ˈkaj.sar]; July 100 – 15 March 44 BC) was a [Roman general](#), [statesman](#), [Consul](#), and notable author of [Latin](#) prose. He played a critical role in the events that led to the demise of the [Roman Republic](#) and the rise of the [Roman Empire](#). In 60 BC, Caesar, [Crassus](#), and [Pompey](#) formed a [political alliance](#) that was to dominate [Roman politics](#) for several years. Their attempts to amass power through [populist](#) tactics were opposed by the [conservative ruling class](#) within the [Roman Senate](#), among them [Cato the Younger](#) with the frequent support of [Cicero](#). Caesar's victories in the [Gallic Wars](#), completed by 51 BC, extended Rome's territory to the [English Channel](#) and the [Rhine](#). Caesar became the first Roman general to cross both when he built a [bridge across the Rhine](#) and conducted the first [invasion of Britain](#).

These achievements granted him unmatched military power and threatened to eclipse the standing of Pompey, who had realigned himself with the Senate after the [death of Crassus](#) in 53 BC. With the Gallic Wars concluded, the Senate ordered Caesar to step down from his military command and return to Rome. Caesar refused the order, and instead marked his defiance in 49 BC by crossing the [Rubicon](#) with a [legion](#), leaving his province and illegally entering [Roman Italy](#) under arms. [Civil war](#) resulted, and Caesar's victory in the war would put him in an unrivalled position of power and influence.

After assuming control of government, Caesar began a programme of social and governmental reforms, including the creation of the [Julian calendar](#). He centralised the bureaucracy of the Republic and was eventually proclaimed "dictator in perpetuity", giving him additional authority. But the underlying political conflicts had not been resolved, and on the [Ides of March](#) (15 March) 44 BC, Caesar was [assassinated](#) by a group of rebellious senators led by [Marcus Junius Brutus](#). A new series of [civil wars](#) broke out, and the [constitutional government of the Republic](#) was never fully restored. Caesar's adopted heir Octavius, later known as [Augustus](#), rose to sole power after defeating his opponents in the civil war. Octavius set about solidifying his power, and the era of the [Roman Empire](#) began.

Much of Caesar's life is known from his own accounts of his military campaigns, and from other contemporary sources, mainly the letters and speeches of Cicero and the historical writings of [Sallust](#). The later biographies of Caesar by [Suetonius](#) and [Plutarch](#) are also major sources. Caesar is considered by many to be one of the greatest military commanders in [history](#).

**Note:** Following the writings of James Moncrief, one could consider that any reference to the Father, by other relevant writers, may be read as a reference to 'our Mother and Father'. Further, when considering soul healing, then reference to Divine Love could be referred to as 'Feeling Healing with Divine Love'.

I am here, Caesar.

Well, I merely want to say that [since I last wrote](#) you I have followed your advice and have listened to the advice of the high spirits to whom you sent me, and I have been praying as they instructed me, and now I am in a much better condition than I was, and the view that I now have of life in the spirit world is very different.

I am still in some darkness, but light is breaking into my soul and consciousness, and I am commencing to realize that my fate as I have for so many years conceived it to be is not fate at all, and that my conception of what my fixed state was is all wrong, and was the child, if I may so call it, of my condition of mind and beliefs that came to me when I came to the spirit world and realized that the fact of my having been what the world called a great man on Earth did not fit me for any greatness in the spirit world. I was then so disappointed and shocked by finding myself a naked spirit of qualities that brought me into darkness and suffering that I tried to avoid the association of all other spirits, and nursed my disappointment in isolation and the belief that for me there could be no change in my condition, or possible progress out of the awful lonesomeness and weariness of my soul.

And now, when I know how different the truth is, I feel that all these long years of my spirit life have been wasted, and I bewail the fate that held me so long in that condition of stagnation and pride and resentment and utter hopelessness. I am now so thankful that I came to you when I did and told you of my condition; and when I realize that my coming to you was more a matter of curiosity to be satisfied – that I could communicate with the mortal world than because of any hope of receiving any help or benefit that could possibly come to me, I thank my curiosity.

When you told me the things that you did, I thought that you were an idle dreamer, and the recipient of some of the harmless vices that existed among the men of my earthly days who used to declaim upon the glories of the spirit world. I had no faith in them, and I had none in you; and it was only when I realized that you were so earnest in what you were declaring to me, and when I came in contact with the higher spirits that you called to my assistance and saw that they had in them something that I had not – and which I had never seen in any other spirit – did I commence to think that what you had told me might have some foundation of truth.

And I also thought that I could not make my condition any worse by listening to these spirits and learn what they had to tell me as to what they declared was the truth of spirit progress; and the more I listened the more interested I became. After a while I was convinced that there might be some truth in what they so earnestly asserted to be true, and as an experiment I concluded to follow their advice and seek for this wonderful love that they told me would not only relieve me from my darkness and suffering but would make a new spirit of me in body and soul.

And oh, the wonderful surprise and experience that came to me; for I am no longer the gloomy, despondent and isolated Emperor, but a mere spirit who recognizes that death is the great leveller, and that rank and position and greatness of Earth do not in one iota determine the status of the spirit for position of exaltation. I am now in my consciousness a plain spirit, having those qualities only which

the condition of my soul gives me, and realize that I must pursue the same course and suffer the same purgatory as must other spirits in the same condition of soul, be they princes or peasants.

Well, as I said, I am so thankful that this knowledge has come to me, for now I am rid of pride and ideas of superiority and all those things that had caused me to believe that the Almighty had treated me unjustly in not recognizing my earthly qualities and giving me a position which, as I believed, my greatness entitled me to. I resented all this and in my resentment, I became a spirit who fed on my imaginary injuries and thoughts that I would be sufficient unto myself, and not seek the favour of such a God. So you see what can be the effect of arrogance and pride and a self-glorious estimate of one small mind upon the possibility of a spirit's happiness and progress.

But now these things have left me and I realize that I am a nothing, except that I am a child of God and the object of His Love, as your spirit friends have told me and are telling me. And in my humility – and I am humble, for I want to tell you that my fall was great and the consciousness of my littleness extreme – I know that I need the help of the Father in order to become in the least degree a spirit of light. And I am praying and longing and seeking, oh so earnestly, for this Love. Caesar the once mighty is now Caesar the most humble and weak, but the most hopeful. I realize the greatness of God's mercy and the great possibility of its making me one of these glorious angels that came to you so often with their messages of truth and salvation to mankind.

I was considered on Earth a man of brilliant mind and wonderful intellect, and what of this I had I still possess; and now that the way has been shown me, I am exercising these qualities to the best of my ability to help me in my search for truth and light.

I thought that I would write this tonight, for I know that you are interested in my advancement, and besides, it does me much good to tell you. I am praying and longing, and these spirits are praying with me; but as yet, I have not very much of this Love in my soul, but enough to know – I say know – that it is real and that it makes the hard, unbelieving soul open up to the inflowing in greater abundance of its Divine essence. The Father is good, and I am trusting Him; and with all the possibilities of my soul I am longing for its filling with this Love and the getting rid of all these century-old doubts and hardness of heart and unbeliefs.

I know the way and now I will never relapse into the state of mind that was mine for so many centuries; and I can say that Caesar has seen the beacon light of hope and the great sun of knowledge that these things which the loving spirits tell me are true. I must stop now, but as I progress I should like to come to you and [describe my progress](#). I will say good night, and subscribe myself.

Your friend and well wisher,

Julius Caesar

I am Caesar.

Pardon me for coming so soon after my [message of a few nights ago](#), but as I am a grateful spirit even if I was an awful sinner. I want to tell you that I took your advice and went with your grandmother, and had opened up to me a whole world of love and truth. Oh, what a wise and magnificent spirit she is and what love she has, and she treated me with such kindness and was even like Brutus of old. For in her kindness, she gave me a stab that killed all my old beliefs and feelings of greatness and made me in truth a mere nothing and at the same time the greatest being that I had even been in all my existence, for it showed me that I was a real child of God and the object of His Love and care, and one that had all the possibility of becoming in my soul even Godlike. She is my true friend and when she comes to me it seems that my soul, which had for so many centuries remained dead and cold, opens up with a flame of life that her influence brings to me.

I will not write more now. I thought that you were so interested in me that you would rejoice in knowing that now I have started on the way to the attaining of that which you told me of. I will come sometime when I have received more love and write you a long letter, which I hope will be interesting, for it is a fact that at one time Caesar did write interesting letters.

So, my friend, pray for me and send me your kind thoughts, and believe that they will not be misplaced as now I am so anxiously seeking for that which was not in me for so many centuries. Good night,

Your friend,

Julius Caesar

## Caesar gives his experiences after receiving help from a Divine Spirit.

I am here, Caesar.

Yes, I am the spirit of that Roman who thought himself of so much importance, and then realized that he was a very insignificant spirit in his place in the spirit world.

Well, I am glad to be able to write to you again, and especially so, as I can tell you that [since I last wrote](#) you I have progressed out of my hells and torment, and am now in the **Third Sphere** where there is so much love and happiness. Now this may seem a little surprising to you, but it need not, for you will remember that when I last wrote to you I informed you that I would then go with the beautiful spirit that came to me at your suggestion, and listen to his words of wisdom, as I now know them to be, and seriously consider what he might say to me. Well, I went with him and he was so loving and patient, and seemed to have such great knowledge of the truths of God that I not only listened to him once but many times, and made a great effort to follow his advice.

I commenced to pray to the Father for the inflowing of that great Divine Love of which the good spirit told me, and continued to pray until I felt its inflowing, and the effect on my soul was wonderful, for as the Love came to me I found that the darkness left me, and also my sufferings, and with this Love came knowledge of these truths of which I had been told – I mean a convincing faith that these things were true. When I commenced to have this experience I continued to pray the harder and all the longings of my soul and mind and of every part of me that could have a feeling or aspiration went from me, and I continued to pray without ceasing.

As you may know, when on Earth **I was a very positive and striving person, and these characteristics I did not lose when I became a spirit, notwithstanding that I remained so many centuries in a state of stagnation and helplessness**; for during all this time I knew of no goal to which I could aspire, and of no peace that was better than the one in which I spent the long dreary years of my spirit life.

But as soon as I found that there was a future condition of light and happiness, I entered with all the energies of my soul to seek for that happiness, and as I was told that my progress depended so very largely upon my own efforts, I permitted nothing to interfere with my strivings for the obtaining of this Divine Love, and thanks to the loving Father, I at last found relief from my torments, and fullness of love that brought to me bliss and the companionship of beautiful and loving spirits. But I must not neglect to say that in all this effort on my part, I had the help and prayers of many loving spirits who seemed so anxious that I should get this Love and become in harmony with the Father and His will: and now I am no longer the **resentful and wicked Caesar**, but a very humble and grateful child; for I am still but a child in the knowledge of the great truths of which I have heard so much, and in the Love.

Even now it is all so wonderful to me that I can hardly comprehend just what it all means. But this I know, that whereas I was for many long centuries a suffering, unloving and unloved spirit, seeking only solitude and nursing my resentment, I am now a bright, loving and beloved spirit, seeking and never tiring of the association of these bright spirits, with whom I am now making my home. And besides

these, higher and grander spirits come to me, and encourage me to strive and pray, and tell me of the wonders that are before me and which can be mine.

I am of the last, but these spirits tell me that I may become of the first, and I feel that there is no power in all the hells that can, and no power in all the heavens that will prevent me from progressing and obtaining a home in the Celestial Heavens.

I desire also to say that I have come to you many times when the spirits were writing you the wonderful messages of truth, and I learned from them many truths that I have tried to make mine, and which have helped me so much and revealed to me some of the plans provided by the Father for the salvation of men and spirits.

You cannot conceive of the great number of spirits who are with you when these messages are being delivered, and how anxious many of them are to learn the truth and receive the help that these truths give of them. Many have found the light and happiness through the knowledge this conveyed to them, and further, through the help that these beautiful loving spirits give them; for it seems that **whenever these spirits that are in darkness indicate a desire to learn the truth these high spirits are always ready and anxious to teach and help and comfort the dark ones.**

I cannot explain to you how all this has not only astonished me, but caused me to regret that I let so many wasted years go by, without having sought the help of these spirits, for many a time they would come to me with their proffers of help and advice, but I would shun them and turn from them, not believing that they could help me. What a great mistake and how I paid the penalty of neglecting this way to salvation.

And I wish further to say that as a fact, if I had not come to you, through curiosity more than anything else, I would not now be in the condition that I am; for it was only after you talked to me and told me of the way in which I could obtain relief, and brought me in rapport with these spirits and advised me to listen to them, did I think of the possibility of my being rescued or being able to find any relief from my then unhappy conditions; and so I must express to you my gratitude for your kindness and, as you then told me, love for me.

Well, I am a different Caesar now. I will not write more, but as I told you before, I shall come sometime and write you a letter of some of my experiences on Earth and in the spirit world during the earlier years of my life as a spirit. So hoping that you will pray for me and give me your kind thoughts, I will say good night.

Your true friend,

Caesar (Julius)

---

The significance of this statement is that Julius Caesar was still in the hells from the time of his death in 15 March 44 B.C. – about 1,960 years – to the date [of his first communication](#). But, once he learns how to get out by praying for Divine Love, he gets out in no time at all – about 19 months.

**The BEAUTIFUL MIRACLE:**

5 Oct 2012

**The DIVINE UNIVERSE**

The way in which the Spirit conveys the Divine Love into the soul is a beautiful miracle. The attribute of mortal soul prior to incarnation has to it, a potential within it that is part of its formed nature. After the soul incarnates this potential remains part of the soul and even if the forming personality is unaware of such a soul potential, the potential still exists. The Divine Love is entirely suitable in its energy of harmony to be the energy that a mortal soul can utilise. The Spirit covers the spirit body when the individual sincerely asks the Soul of God for the Divine Love and this covering of the spirit body is where the dynamic of this beautiful miracle takes place. From the internal longing of the individual for the Divine Love this activates the Spirit Law that activates the Spirit that is then attracted to the spirit body upon which the Spirit material of the spirit body draws the Divine Love in to its soul and this union complete. The key here is to gain a perceptive insight into realising that the spirit body is not an inert body but that it is living and has activity, recognisable from its first forming from the Spirit Law that materialises a spirit body. The Spirit and the spirit body to give an analogy are like two attracting magnets and when the surface of the spirit body is touched by the Spirit, this causes the automatic response of the Divine Love to permeate into the attribute of soul and so begins the transformation of energy from the natural into the Immortal Divine Harmony. If the individual continues the receipt of Divine Love the energy that is Divine Love actively begins to change the soul and this is felt in the spirit body systems and can produce feelings of love and elation. The spirit-mind begins to change as all spirit body systems are affected by the changed condition now experienced in the soul as the soul becomes living and vital. In one's progression of this Divine transformation, the soul will mature enough from the amount of Divine energy it receives and at that moment the surface of the spirit body and the Spirit are continuously attracted to each other and one is living in the presence of our Mother and Father in perfect harmony and this clarifies the truth about what it means to be truly at-one with God.

## Vespasian, Roman Emperor, gives his experience. Why he learned English.

<http://new-birth.net/padgetts-messages/true-gospel-revealed-anew-by-jesus-volume-3/vespasian-roman-emperor-gives-his-experience-vol-3-pg31/>

Received by James Padgett. Washington D.C.

I was a spirit who, when on Earth, was known as the man who conquered and destroyed Jerusalem. I am Vespasian, the Roman Emperor.

I became a Christian even before my death, but I never was more than a Christian in name. I knew nothing of the true doctrines of Christianity, or of the Love which the early Christians professed to possess, as such Love was taught by Jesus. My espousing Christianity was a matter of political expediency, and was not the result of any fixed faith in the truths of that religion. But since I became a spirit I have become a true Christian, and am now a follower of and believe in the truths of the Master. I live in the Celestial Spheres and am a redeemed spirit and have the happiness which such condition ensures. You must not think that because I was once Emperor of the great Roman nation that therefore I am a person of more importance than are those who were of less importance on Earth. That fact does not enter into the determination of what place I shall occupy in the Celestial Spheres. Only the soul's development determines that question.

But I am a high spirit, nevertheless, and I want to tell you that I am interested in your work among men and the unfortunate spirits. So believe me when I tell you that I am in sympathy with your work and will aid you to the best of my ability. I know that you have your doubts as to my writing to you, and I can hardly blame you, for it is not natural to suppose that the spirit of one who passed over such a long time ago would have the interest in you or in humanity to cause him to come to the Earth sphere again, and attempt to write to you or to help mortals. But it is a fact, nevertheless, and you must believe me.

Well, we do not stand still in our spirit life, and we have learned many languages since we became spirits; and knowing sometime ago that mortals would be called upon to do the work of assisting in the redemption of men, we have prepared ourselves so that we can understand and write most of the languages of Earth. But in the case of the English language, we saw that the greatest number of mediums come from the race speaking that language, and hence we paid particular attention to the learning of the English tongue.

We can learn so much more readily the various languages since we became spirits, and men must not think that spirits do not progress in their knowledge of nearly every kind of learning. I am not now the one-sided person that I was on Earth – the whole universe is open to me to learn whatever it contains, and I have studied with great interest and assiduity ever since I became a spirit.

Well, I must stop, but will come again and tell you of many things that my studies have brought to my knowledge. So, with the best and kindest of feelings, I am,

Your brother in Christ,

## **Caligula, a Roman Emperor and murderer of Christians, finds his soulmate.**

<http://new-birth.net/padgetts-messages/true-gospel-revealed-anew-by-jesus-volume-3/caligula-finds-his-soulmate-vol-3-pg227/>

Received by James Padgett, Washington D.C.

I am here, Caligula:

I was the Roman Emperor and the murderer of the Christians, and have since that time, and for my sins, suffered all the horrors of a hell which I can't describe. Suffice it to say that the hell of the Bible or of those who interpret the Bible, is not equal in its torments and horrors to the hell that I passed through. I tell you this that you may know that every man will have to pay the penalties for the evil deeds he does when on Earth, and as my deeds were so extremely evil my penalties were correspondingly great.

But thank God, I have paid my penalties and am now enjoying the happiness of the Christian heaven, for I am now a follower of that Jesus, whose followers I persecuted. Strange as it may seem to you, the cause of my conversion to Christianity, was one of the very Christians whom I murdered. She was a beautiful spirit when I first saw her in the spirit world, and when she came to me and told me of the great love of the Father, and the kindness and humility of the Master, I was then in much darkness, though I had suffered for many long years and my thoughts were commencing to turn to things that ultimately helped me to get out of my darkness and find relief from my sufferings.

But this Christian spirit came to me with such love and forgiveness in her speech, that I was greatly affected by what she said and by her appearance; and I listened to her as she told me of the wonderful love of the Father and the great desire of the Master that I should seek for that love and the happiness which it brings to spirits who obtain it.

She had many interviews with me, and at last, she told me that her happiness depended, to some extent, on my getting this Divine Love in my soul, and progressing with her to the sphere of light and love. She said that I was her soulmate and that my love was necessary for her happiness, and that I could not give her that Love, until I had become the possessor of the Divine Love to some extent. So you can imagine what an effect this declaration had on me.

I saw that she was beautiful and pure and loving, and that I was not a fit soulmate for her, and that I must try to make myself a suitable soulmate in order that I could be with her. And in addition, when she told me of her love for me, and that we were necessary to each other's happiness, I had a most wonderful longing to be with her and enjoy her love, and the desire soon took possession of me, that I commenced to inquire the way by which I might get this great love, or start to get it; and she told me then of the love of the Master, and how he could teach me the way and what power he had to help spirits like myself to get out of the darkness and torture into light and happiness.

And so I continued in my longings and desires, until at last, my spirit seemed to have a power to rise out of the darkness and to meet other spirits who were not dark and forbidding as I was.

She often came to me and taught me to pray, and I did pray and ask forgiveness and for just a little of that Divine Love of which she had told me.

At last as I was praying and hoping for this Love and for deliverance the Master came to me, and such a wonderful loving spirit he was, the most beautiful and loving and yet the most humble that I had ever seen or ever have seen, and he commenced to tell me of this wonderful love of the Father, and how it was working for me to fill my soul and make a child of God, and at-one with him, and he told me that the only things necessary were for me to pray to the Father, and have faith and in all earnestness repent of my great sins. That if I did so, the Love would come to me, and as it came into my soul all the sins and recollections of my sins, would leave me so that I would be able to progress to a higher sphere, where light and love were.

I could not resist his influence, and I did not want to for my soulmate was with me in her love, with pleading eyes and anxious looks, and I commenced to have this faith, and to pray with all the earnestness of my soul; and, at last, light came to me and love came flowing into my soul; and what a happy spirit I became, and thanked God for his mercy. My soulmate rejoiced with me and we were so happy in our loves and in the great love of the Father.

From thence I have been progressing ever since, until now I am in the Celestial Spheres, where love is the ruling principle and only those who possess this Divine Love can live, and where Jesus is our Prince and elder brother. Caligula, the Emperor, is now a humble follower of the despised Nazarene, and happy in his humility and in his following of such a loving saviour.

My soulmate is with me, and whenever I look upon her and think that I was the cause of her sufferings and death upon Earth, my whole soul goes out to her in great streams of love and she knows it, and that is a part of my great repentance. So you see, that even though a man may be the vilest of sinners on Earth, yet the Father's Mercy is so great that His love is never turned away, or is His mercy ever withheld.

I tell you that Love – the Father's Love – is the greatest thing in all the universe, and like unto it is the pure, holy love of the soulmate who has in her soul the great Love of the Father.

I must not write more tonight, but as I was passing I saw the brilliant light that is with you and I embraced the opportunity to write.

Yes, it was Celestia.

And what an appropriate name! My friend, you must also thank God for his goodness to you, for I have seen your soulmate and she is a most beautiful spirit.

So with the love of a brother in Christ, am your friend,

Caligula the Roman Emperor that was, and the Christian that is.

I am here, Caligula:

I came merely to say that I am interested in your conversation and the conclusions you draw as to some of the operations of the soul development upon the physical mind after death.

You are right when you say that the condition of the physical mind after death is affected by the development of the soul, for if a man in life, has his physical nature developed by the knowledge that the soul is the controlling power, he will soon be able when he becomes a spirit to subordinate the desires and thoughts which are purely material to his conception of spiritual things; so that the progress of the spirit will not be retarded by what his material thoughts may have made him while in the body. I mean that the thoughts of the material mind will not continue with him very long after his decease, but that the thoughts that come from his spiritual development will overcome or even eradicate the material thoughts.

The mind is material; the thoughts which come from soul development are spiritual, and if permitted to grow and increase will overcome the material mind.

I find it a little difficult to express myself tonight as you are not in the best condition for communicating, so I will not write further, but will come again.

Your brother in Christ,

## **Pilate takes charge in the year 26.**

March 28th 2003

My dear brother:

I would like to take up again, with this message, my account of the life of Jesus.

As you well know, we are still narrating the events of the year 26. In that year, an episode took place that would have great consequences for Jesus' life: The change of the Roman governor of the province of Judea.

I have already explained that the Roman emperor Tiberius introduced a significant change in the handling of Roman provincial administration: while Augustus used to replace provincial chiefs every two or three years, Tiberius attempted to increase the stability of the administration by keeping prefects and legates one decade or even longer in their posts.

Valerius Gratus had served the emperor for one decade as the prefect of Judea, and in the year 26 the moment had come for him to be replaced and granted a "golden retirement" in the luxurious atmosphere of his native Rome. The period of Gratus' rule had followed a relatively calm course, an exceptional achievement in such a rebellious and difficult province as Judea was. A great part of this success was due to the extraordinary sagacity (insight) with which Gratus managed to choose the Jewish high priests. Already in the beginning of his administration, he fired Annas (that man involved in the trial against the Master), who held the office of high priest, and the two successors he installed did not meet his expectations either. Finally he invested Annas' son-in-law, Joseph Caiaphas, who would keep this position throughout the remainder of Gratus' rule and even during all of Pilate's government. So, it was Gratus who was able to establish a close cooperation between the Roman civil (or rather, military) authority and the Jewish religious leaders, all under the vigilant eye of the prefect of Judea.

But in autumn of 26, the moment had finally come for a change of command. Before the winter storms started, Pilate's ship arrived at the port of Caesarea, the provincial capital. There, a cohort of the Roman regular army, comprising about 500 legionaries, received him. This was extraordinary because, as I have already told you on previous occasions, the Romans did not normally position regular troops in Judea, only auxiliary troops, mainly Phoenicians, Arabs and Samaritans — to the great disgust of the Jews. But you do understand that Pilate had to fulfil a mission of extreme importance for the strong man in Rome, his patron Sejanus: The collecting of secret funds for Sejanus' machinations. Of course, it was all about the purchase of favours, bribes, and lastly, for the ambitious project of overthrowing Tiberius. Sejanus feared hostile reactions from the Jewish authorities as a result of his intent to cut a slice off their Temple's revenues for his own pocket, and he wanted to make it very clear to them that this was a very serious situation, and that the new administrator would not be willing to negotiate, counting on highly trained troops to subdue any attempt at sedition.

[H.: So, Pilate was not in Jerusalem on the 1st of January of the year 26?]

No, as I have told you, he arrived in autumn in Palestine. I know that you are [referring to a message](#) received by Dr. Samuels, where this specific date is mentioned. But I have already told you once that the play on numbers contained in this message has to be handled with much care.

Much of what I have told you so far is only a repetition of what I have already described in other messages. I also mentioned Pilate's first error in his long career as a Roman administrator: He sent new troops to Jerusalem, whose banners would arouse the public rage of the Holy City's inhabitants. Now I wish to expand on this event.

As I have said, Pilate was received by a cohort of the regular army. This cohort was called "Cohors II Italica Civium Romanorum" and formed part of the tenth legion, Legio X Fretensis, stationed in Syria.

The tenth legion was founded by Octavian, later to be emperor Augustus, on the island of Sicily. Its original task was to maintain vigil over the Straits of Messina, that part of the Mediterranean which separates the "tip of the Italian boot" from the island — a maritime passage which the Romans called "mare fretense". This was the origin of the legion's denomination.

Later, the army moved to the Balkans, and in the course of the wars it ended up in Syria, where it set up its general headquarters, until the great war between Jews and Romans would break out.

Each legion had very distinctive insignia. They indicated their respective places of origin and the military feats of the unit. Having been established to watch over the marine passage of Messina, the 10th legion's banners showed a Roman man-of-war, a trireme, that is to say, a galley with three decks of oars. During its campaign in the Balkans, it was assigned another emblem: The boar, because it was plentiful in those regions and served as a symbol of ferocity.

Now, I am sure that you can imagine the unpleasant surprise of the Jews in the Holy City: The Roman troops had entered the city under the cover of the night, and the following morning people suddenly saw the emblems — displaying a pig! — an impure animal — right in downtown Jerusalem, very close to the Temple!

The situation turned very dangerous, and rebellion was within a hair's breadth from bursting out. Pilate acted quickly and in a prudent manner. He removed the compromising units and stationed them during the rest of his government in Caesarea, where the hellenized population took no offence at the image of a boar.

Well, so far that's today's story. I hope you have enjoyed it. I wanted to put across some details that are not contained in the history books, and that may contribute to a better understanding of the atmosphere that prevailed in those times.

Yes, this cohort was the unit where Cornelius, the first Gentile Christian, served. Even more, he did participate in this shocking action — still as an "optio" or sergeant, but soon he would be promoted to the rank of a centurion. All this happened when Jesus lived in Galilee. The news of this event did not take long to reach those regions.

God bless you, Judas of Kerioth

### ENVIRONMENTS within SPHERES:

The First Natural Sphere is one Sphere that is enormous and it consists of many environments. It is the biggest Sphere of all the Spheres for so many live in a good condition of natural love and this is the Sphere that receives every human life that enters the spirit world. There are spheres in the Celestial Heavens and the Eternal Spheres that are larger in space, but have less population residing there.

Within the spheres, one's soul condition determines what location one is destined for. At all times, the environment is harmonious for one's soul condition. Thus, spirit people with very similar soul condition will be together. This creates many communities, each being harmonious for a specific soul condition level. In this way, the 1<sup>st</sup> sphere consists of many locations that could be considered as nations, however within each spirit grouping that community consists of only one soul condition level, whereas on Earth we have saints and sinners all living together. People cannot determine or assess another's condition, nor can they assess their own soul condition.

It has been said that there are many spheres within a sphere. The truth is there are many environments within a sphere, much like there are many countries and have been many cultures that have lived on all lands of the one single Earth. There is only one sphere with many environments and cultures living in each Sphere.

A spirit cannot be attracted to an environment or another spirit in which the individual is out of condition to do so. The essence of this is that no spirit can injure another spirit or can put one's self in harms way or travel to an environment that will be harmful to the spirit-senses of that individual. This is part of the way that God maintains harmony in the vast populations of personalities residing in these tremendous spheres.

Generally, as soon as the individual accepts the Divine Love, the individual begins to advance their soul condition and as the attraction of the Spirit Law of Compensation diminishes, the soul condition of the individual enjoys the feelings of harmony produced and changing environments. The purpose of the Divine Love is to enable the individual to live in harmony with God.

The poorest soul in condition can still receive the Divine Love. No human or spirit is ever beyond reach of it.

## **The political situation in 26 A.D. – Tiberius Claudius Nero.**

March 21st, 2002

My dear brother, in accordance with what I mentioned last time, today we will focus on the great political scenario around Jesus' history. This is a quite general message, and it has nothing to do with religion, but I think it is important for you to get that information, for then you will be able to understand better the reason why certain events occurred.

As you know, Jesus was born during the Roman emperor Augustus's reign. However, his public life and death happened when Tiberius occupied the throne in Rome. Well, in fact, this is not 100% correct, and I will explain you why. Anyway, I think it is important to dedicate some words to the situation in Rome, because it had much to do with the Master's destiny.

Tiberius Claudius Nero, the son of Tiberius Claudius Nero and Livia Drusilla, was born in the year 42 B.C. His father, a fanatical republican, had fought against the triumvirate of Octavianus (the later emperor Augustus), Aemilius Lepidus (who was his wife's relative) and Marcus Antony. This is the reason why he had to flee from Rome together with his family. The young boy would spend some time in a sort of exile, hidden in Sicily.

When the family finally returned to Rome, Tiberius' father, put under pressure by Octavianus, was forced to divorce his wife, and he died a few years later. Octavianus married Livia Drusilla, and so Tiberius became the emperor's stepson.

The boy was educated according to the custom among Roman aristocracy in the military art. He really turned out to be a very capable general. Perhaps his most notable achievement was the recovery of the Roman legionary eagles from the Parthians, who had captured them in their continuous wars against Rome.

Tiberius was 22 years old when he married Vipsania Agrippina, and had a son with her. It was a very happy marriage. But when Vipsania was pregnant with Tiberius' second son, the emperor Augustus commanded their divorce and forced his stepson to marry his daughter Julia. It would be this woman's third marriage. Tiberius obeyed grudgingly, and resigned himself to this new marriage, of which no children would be born, and which would be very unhappy. Augustus did not even allow him to see to his former wife, Vipsania.

Years later, Augustus would order Julia's expulsion from Rome because of her many scandalous love affairs. Tiberius divorced her of course and never married again.

The relationship between Augustus and his stepson worsened. Tiberius served the emperor in several military campaigns with much success, but finally, in the year 6 of our era, he refused to assume the command of the Roman troops in the east. Augustus became enraged and had him sent into exile on the island of Rhodes. From there, his stepson sent multiple petitions to the emperor to allow him to return to Rome, but they were all denied. Tiberius, thus resigned, awaited every day the arrival of a ship that would bring him Augustus' order, commanding him to commit suicide.

One day, the ship indeed arrived, but the order was different: Augustus called him to return to Rome. Augustus had chosen his grandsons Gaius and Lucius as his possible heirs, but both died. This is the reason why he adopted Tiberius, in spite of their differences.

The emperor's death led the Senate to offer Tiberius the succession. He refused at the beginning, but finally he accepted. It was not a manoeuvre to appear as a humble man who had to be asked, even implored to accept. He was honest and really did not want the power.

But once he held the power, Tiberius took advantage of the situation: He "cleaned" the Senate, restricted its rights and cemented his position. Throughout his life the phantom of intrigues would pursue him, justifiably or unjustifiably. Governing as the emperor was a nightmare for Tiberius.

I don't want to overload this message with data and details, I only want to highlight that Tiberius hated life in Rome, which was full of intrigues, and that he distrusted everyone. Well, not everyone, because one man had won his confidence: the chief of the praetorians, the emperor's personal guard Lucius Aelius Sejanus.

When Sejanus had demonstrated his loyalty on several occasions, Tiberius took a significant decision: he would retire from Rome, settle down on the island of Capri, and he would leave all power in hands of Sejanus. And so he did. Nevermore would he return to Rome. He even refused to attend the funeral of his mother. I will dedicate [another message to Sejanus](#). Here I will only mention that he would eventually betray Tiberius, and he would pay for that with his life.

The retirement of Tiberius to Capri happened in the **year 26, exactly in the year when Jesus was baptized by John, when he resuscitated Taddi in Naim, and when he had his famous conversation with Nicodemus.**

Tiberius tried only twice to return to Rome, but in both occasions, when he was already close, he turned around and headed back south. Finally, in the year 37, Tiberius died in the town of Missenium, in southern Italy, in a luxurious country villa that once had belonged to the famous Lucius Licinius Lucullus, the rich man renowned through his opulent banquets.

I believe that this it is enough on Tiberius. The important thing is that he left all power in hands of Lucius Aelius Sejanus. And this character we will analyze [in our next message](#).

See you soon, my friend. Have a good day, filled with blessings.

Judas

### EMOTIONS THAT are NOT LIFE ENHANCING:

Emotions are things. The vibrational rates of negative emotions are low. Such negative emotion frequencies are not life enhancing. They emerge from an event, typically during early childhood and are absorbed from the child's environment. From the moment of conception and through to around the age of seven, the child absorbs the emotions of its parents and those in close proximity making up its environment.

The child, at the point of conception, being the moment of individualisation, is naturally endowed with life enhancing emotions which are essentially all loving.

Negative emotions that do not naturally flow through the person or child are attracted to organs within the body that has a relative frequency (magnetic and gravitational field) to which it lodges. This lodging could be anywhere along the meridian lines that run the full length of the body but are related specifically to a particular organ.

Should such an emotion be allowed to fester, it will attract matching energy in a way that the top diagram suggests. This negative emotion commences to appear on one's soul and then in the spirit body which holds the template for the physical body. Medical intuitives often can see the growing negative emotion within the spirit body.

Then this negative emotion crystallises and emerges in the physical body, firstly as a dull pain, then develops into an illness. The middle diagram is suggestive of such a clustering emotional issue.

The world is enveloped by humanities negativities. It is difficult for loving spirits from the upper spirit world spheres and Celestial Heavens to assist us when we do open ourselves towards their loving help. We need to be in a loving state of the 2<sup>nd</sup> sphere or higher to achieve connection with such spirits, 95% of humanity is within the 1<sup>st</sup> sphere state.

**MAP OF CONSCIOUSNESS**

Map of Consciousness represents the emotional and spiritual fields within the kingdom of man which is Spheres 1 – 6.

Consciousness is soul condition, as one's soul condition improves, it expands in size as it grows in love.

The scale is exponential, grows at a factor of 10.

Man erroneous emotions are those calibrating 200 or lower.

Whilst we are receiving our Heavenly Parents' Divine Love, and that this Love is causing change within our soul and spirit attributes, the greatest Truth known to man and spirit is that this is the way our Mother and Father are actually loving us! When we progress, it is God's way of loving us into love and then we live what we are, love.

### NATURAL LOVE BLENDS PERFECTLY WITH DIVINE LOVE:

Both are energies. Natural Love energy forms each soul and each individual soul is unique. Our personality, intelligence, memory, and humanistic characteristics are unique. It is our gift of free will that tends to enable us to error, however, it is the uniform nature of Divine Love and Feeling Healing that brings about our growth and release of man-made negativities.

**PLASMA and YOUR WELLBEING:**

Loving emotions attract principal matter / anti-matter to your soul as you grow in love.

Loving emotions enhance your life's experiences.

Spirit Body

Your soul blossoms and your spirit state is one of beauty.

This way or that way?

Matter aspect of plasma is the energy that you recognise as your physical body. The energy lines of your bodies are enhanced with loving emotions. Negative emotions impede the flow of energy through your bodies and this brings about difficulties and illness. Love is the greatest energy that you can bring to your soul, spirit body, and physical body.

Attracting Antimatter Plasma results in a far healthier and loving life than by from attracting Dark Matter Plasma.

Unloving, negative emotions retard the growth of your soul and your life experiences are generally difficult in all aspects of your living.

A soul's condition is never frozen. No matter what condition one's soul is in, from there it can grow in love. From the poorest state it can grown to

Your soul blossoms and your physical life and spirit state are ones of beauty.

The building blocks of our physical / material body consist of plasma which is an endless array of the three fundamental aspects of plasma, called matters. Matters consist of matter, antimatter or principal matter, and dark matter or transitional matter.

As we allow negative or man made emotions dominate our soul, that is, emotions that calibration 200 or less, we are retarding our essence. The quality of our life and health is degraded. Dark matter restricts the flow of light and our ambience is suppressed.

As we grow in love and embrace emotions of love, antimatter or principal matter dominates our soul and essence. Our physical health is generally excellent and our quality of life exudes with pleasure and joy. Light floods our being and our ambience is one of brightness.

Soul condition being in a very poor state.

**Feelings first**

**EVERYTHING is APPARENT for all to SEE and KNOW within the SPIRIT WORLD:**

Your true self is reflected through your spirit body for everyone to see. The façade of the physical body is dropped. Your dark emotions are no longer masked. Dark matter / energy that accompanies negative man made emotions become visible through the spirit body. Fearful dark emotions do not allow the light of loving emotions to penetrate through the darkness. Only by embracing and addressing these dark emotions does that enable the light to emerge. There is another way. You could also say, an additional way. Praying for, asking for, and receiving Divine Love. Slowly, but surely, Divine Love will dissolve these negative events of one's light, the memories will fade, and your growth in Love will proceed.

Me, before looking in the mirror.

Sad, Afraid, Ashamed, Sexual Guilt.

Your appearance in the spirit world, your spirit face, shows all your real features and reflects your soul condition for all to see.

In the spirit world, there are rejoicing cheer squads when you make a choice that enhances your soul condition.

### UNCRUSTING the SOUL:

Our will power, applied as strenuously as humanly possible, appears to achieve little progress in developing the loving sides of one's personality and even less progress in lifting negative and difficult character traits, but progress is achieved all be it slowly.

Our soul, blessed with natural love character traits and is the home of our personality, becomes rapidly encrusted by the personality issues of those within our environment, commencing from the time of conception and culminating, typically, by the time we are of the age of seven. We reflect the encrustments of our parents and of those within our environment. Our soul always remains perfect though it can become as dark and restricted in capability as a dried up garden pea, covered in error and negativity.

Should we earnestly and lovingly ask our Parents for Their Love, we will receive Their Love, the Divine Love, conveyed to us by the Holy Spirit, and with this Love in conjunction with one's Feeling Healing that dissolves these encrustments, these negative emotional injuries and errors, slowly but surely. This crust that has developed around our soul, our real self, will slowly be broken down and then lightened, and as it diminishes our soul begins to absorb more and more of the Love and then grows in size and vibrancy.

The Divine Love when it first comes, usually comes with very gentle feelings. As we grow in sensitivity to our errors and are penitent in addressing these issues, the Love will grow and grow in our soul thus lifting us from fear and anguish to that of a blossoming personality radiating love and joy for all within our presence. Our journey home will have commenced, never to return to times of doubt, depression, fear and harmfulness.

Enjoy the journey with the Love of your Creator and Indwelling Spirit guiding you home.

### UNCRUSTING ONE'S SOUL:

One's soul is always perfect. One's soul is a creation of our Heavenly Parents, and Their creations are always perfect.

Their great gift to us is free will. We have the option to embrace Their will or freely do as we please, we have free will.

As we progress through our early childhood years we absorb the attitudes, beliefs and habits of those within our environment. Some of these are in error. Such emotional errors and injuries melded with errors in belief encrust one's soul with unhealthy and unloving energies. These encrustments retard the flow of loving energies into one's soul. Such soul having created one's spirit body, which in turn is the template for one's physical body.

As we become aware of our Mother and Father's greatest gift in all of the universes, we can ask for and receive this gift, being Their Divine Love. It is a light golden blue energy substance that will progressively through one's Feeling Healing process dissolve the injuries and errors that may have enmeshed one's soul. Feeling Healing with this Loving energy will slowly enable each of us to break free of past held erroneous beliefs and injuries that we have drawn upon ourselves. We can cast this shell off, such shell which is endeavouring to imprison us in misery.

With the Love of our Parents, the beauty with which we were created can come to the surface and we can then proceed to progress beyond the ceiling that our natural love formed soul has in development. Feeling Healing with the vibrant energy of Divine Love can enable us to live a life here on Earth as though we were in Heaven. All we need do is ask for It.

The Love of our Parents' is the greatest gift for all of humanity, without exception and without condition other than the longing for and the asking for it, at anytime, at any place, and in any way one so pleases. Enjoy the journey!

I am here, Constantine.

I was the Roman Emperor and died as the head of the Christian Church. I wasn't really a Christian and did not understand the true principles of the Christian teachings, but I adopted Christianity as a State religion because of political purposes added to my desire to destroy the powers of my antagonists who were believers in and worshipers of the gods of paganism. I was a man who cared not in the slightest whether the cross or the symbol of the oracles was the true sign of religion, or whether the followers of religious beliefs belonged to the Christian church or the worship of the gods which our country had for so many years adopted and followed.

My great desire when I made Christianity the State religion was to obtain power and the allegiance of the majority of the people of the empire. The Christians were very numerous and were persons of such intense convictions – so intense, that not even death could remove or change these convictions – I knew that when they once gave me their allegiance, I should have a following that could not be overthrown by those who were worshipers of the old gods. The latter people were not so interested in their religious beliefs, individually, as to cause them to have such convictions as would interfere with any religion that I might establish, when they realized that their material interests would be advanced by at least, formally recognizing that religion as a state establishment. Their beliefs were not the results of conviction but merely those of what had been accepted by their ancestors and transmitted to them as a kind of inheritance. They believed in the gods and the oracles as a matter of course, without ever having made the objects of their beliefs matters of investigation in order to learn if those beliefs were true or not. Truth was not sought for, and hence conviction was a mere shallow acquiescence.

During all the time of my office as Emperor, I never changed my beliefs and never accepted the teachings of the Christians as the revelation of truth, and in fact, I never considered such a matter as religion, worthy of my serious consideration. Many doctrines were proposed and discussed by the ecclesiastical teachers and leaders of this religion, and those doctrines were approved by me which were adopted by a majority of these leaders as true and the correct declarations of what the Scriptures of the Christians contained. I let these leaders fight their own battles as to doctrines and truths, and when they decided what should be accepted and declared by the church to be true doctrines, I approved the same and promulgated them as binding upon all the followers of the Christian faith.

So I, though it has been frequently said, did not establish the canonicity of the Bible, or determine and legalize the doctrines which were declared and made binding by the conventions of the leaders of the church. Of course, I gave them my sanction and official approval, but they were not mine and should not be said to have been established by me, for if the doctrines of the Arians had been accepted and declared by a majority of these ecclesiasts as the true teachings of the Christian scriptures, I should have sanctioned and given them the State's authority. As I said, I was not a Christian when I lived and I did not die a Christian, notwithstanding all the fantastical and miraculous things which have been written about me and my conversion to Christianity.

When I came into the spirit world, I found myself in great darkness and suffering, realizing that I had to pay the penalties for the sins thought and committed by me on Earth; and all the masses which were said for the benefit of my soul never helped me one particle to get out of my unhappy condition.

I knew nothing about the Divine Love or the mission of Jesus in coming to Earth, and I found that my sins had not been washed away as the teachers had often told me on Earth would be done for me. Many long years I remained in this condition of darkness and unhappiness, without finding any relief by reason of the mystical workings of Jesus' atonement of which the priests had told me, and which I did not believe, nor the help of the gods in whom I had been taught to believe by our philosophers and religious teachers. No, I found no relief and my condition seemed to be fixed, and hope of the Christian heaven that was never mine, and of the fields Elysian that would be mine in a hazy way, did not cause me to feel that my sufferings would at sometime come to an end and the glad face of happiness appear.

But after a time the light of the truth in which Jesus came to teach, broke in on my understanding and soul, and the Divine Love of the Father commenced to flow into my soul and continued until I became a possessor of it to that degree that I was carried to the Celestial Spheres, where I now am, a redeemed pure and immortal soul, having undoubting knowledge and conviction that I possess in my soul the Divine Essence of the Father, and the certainty of eternal life in the Celestial Kingdom.

I cannot tonight write you of my experience in either the dark planes or in the successive progressive spheres, but sometime I will come and detail that experience. But before ceasing my writing, I wish to say with all the force that I have, that **only the Divine Love of the Father can save a soul from its sins and make it at one with the Father in His Divine Nature.**

Let creeds and dogmas and man made doctrines take care of themselves, and learn the Truth, and in that Truth abide, for Truth is eternal and never changes, and no decrees of man or dogmas of church tradition of the early fathers or writers, or creeds of ecclesiastical conventions, so solemnly adopted, and declared, can make that a truth which is not a truth. Truth existed before all these things and is not subject to them, nor by them can it be added to or taken from.

I must not write more now, and thank you for having permitted me to write.

So with my love, I will say good night.

Your brother in Christ, Constantine

307-337AD [Constantine the Great](#) *"The Christian Emperor who united the Empire..."*

**Constantine the Great** (Latin: Flavius Valerius Aurelius Constantinus Augustus; c. 27 February 272–22 May 337), also known as Constantine I or Saint Constantine, was Roman Emperor from 306 to 337. Well known for being the first Roman emperor to convert to Christianity, Constantine issued the Edict of Milan in 313, which proclaimed religious tolerance of all religions throughout the empire. In 325 he summoned the Council of Nicaea, effectively the first Ecumenical Council (unless the Council of Jerusalem is so classified). Nicaea dealt mostly with Arianism.

Arianism is the theological teaching attributed to Arius (ca. AD 250–336), a Christian presbyter from Alexandria, Egypt, concerning the relationship of the entities of the Trinity ('God the Father', 'God the Son' and 'God the Holy Spirit') and the precise nature of the Son of God as being a subordinate entity to

God the Father. Deemed a heretic by the First Council of Nicaea of 325, Arius was later exonerated in 335 at the First Synod of Tyre, and then, after his death, pronounced a heretic again at the First Council of Constantinople of 381.(Source: Wikipedia)

Received by James Padgett. Washington D.C.

September 5th, 1916

I am here, St. Luke.

I am glad to write once more and feel that very soon you will be able to receive our messages. I will not attempt to write at length tonight, and will only say that as you may doubt the identity of the one who has [just written you](#), I desire to confirm the fact that it was Constantine, the Roman Emperor, who wrote you. He was very much pleased that he could write and in a hurried way correct some of the historical errors that have existed concerning his true position as to Christianity.

He is now a very bright spirit and an inhabitant of the Celestial Spheres, and of course, a possessor of the Divine Love. I desire to tell you though, that he was scourged by his conscience as it were, before he got out of his condition of darkness and suffering, superinduced very largely by pride. In his own conceit, he was an emperor for a very long time after he entered the spirit world, and retained all the pride of an emperor. But I will leave all this for him to write about as he promised, and stop writing for the time.

Well, you must not become discouraged for the Divine Love is a reality, and you have some of it and may have more. Only pray the Father for His help and guidance. We all love you and trying to helping you. Only believe.

Your brother in Christ,

Luke

PROCESS of FORGIVENESS  
PROCESS of FORGIVENESS  
PROCESS of FORGIVENESS  
PROCESS of FORGIVENESS

is also the PROCESS of REMOVING HARMFUL EMOTIONS  
is also the PROCESS of HEALING BODIES Physical Spiritual  
is also the PROCESS of SOUL GROWTH with the LOVE  
is also the PROCESS of CLEANSING the SOUL

Our Heavenly Parents send the Holy Spirit, the Spirit, to those who long for and ask for Their Love and assistance. All you need do is ASK!

“The New Birth is the flowing of the Spirit of God into your soul and the disappearing of all that tends to turn your heart from the truth and Love of God in conjunction to doing one’s Feeling Healing.”

“The Holy Spirit is God’s messenger or instrument that carries into the soul the Divine Love that is bestowed on the truly penitent man.”

“The Holy Spirit when the penitent prays for the Love the Holy Spirit will respond and fulfil the work that the Mother and Father has provided it to do.”

“The only thing that saves a man from their sins / errors and reconciles them to the Mother and Father is that they must become conscious of God’s Truths and receive the Holy Spirit into their souls.”

Continuing with one’s longing for Truth and asking for our Parents’ Love enables progressive removal of emotional errors and injuries that then lead to the removal of core emotional damage, and then, subsequently, the progressive filling and expansion of one’s own soul. Removal of these soul injuries through Feeling Healing also leads to the removal of damage to one’s spirit body and the restoration of one’s health.

It is only by the infusion of this Love while longing for Truth within one’s soul in sufficient quantities does one become fitted to enter the Celestial Heavens.

Soul development, with the Love, can take a soul from being a dried up garden pea to that of a simple candle, and then onto that of a blazing sun!

**The LOVE that brings about FORGIVENESS:**

This Divine Love, and by this I mean the only way through which salvation can be obtained, can enter and fill the soul through the sincere longing of the soul to assuage the thirst for at-onement with the Father through prayer. Revelation 17 – November 12th, 1960 – Jesus

**The only way for man to achieve forgiveness of sins is through the obtaining of the Divine Love or through purification of the natural love, a long and tedious process that fits the individual soul for a place in the Sixth Sphere.**

– Jesus

Revelation 50 – October 18th, 1954

Divine Love fits a personality to enter the Celestial Heavens, way above the 6<sup>th</sup> Sphere. Without this Love, man cannot enter the Heavens. It is this Divine Love that brings about immortality for man.

This great Love of the Father was created or rather has always been, for the redemption of the vilest sinner who seeks and believes. March 24<sup>th</sup>, 1915 – Ann Rollins

Only the Divine Love can give man of a Divine Nature, and that no self development or cultivation of the Natural Love to the greatest and most sublime extent are sufficient to make man at one with our Mother and Father in the divine sense and which makes the spirit a partaker of this Divine Essence of the Father. One needs to come to understand the difference between the two loves and what the New Birth means. March 24<sup>th</sup>, 1915 – Jesus

**Immortality with the Love.**

**Feelings first**

**God is God, who is our Heavenly Mother and Father, being SoulMates. There is only one Soul that is God's Soul, that being the Soul of our Mother and Father. Our Heavenly Parents are the First Soulmates; The Two Who Are One who have brought us all into being.**

**Jesus and Mary are a son and daughter of God.**

**Jesus of Nazareth and Mary of Magdalene, being soulmates, were both free of sin. Jesus and Mary, combined in their love for us, are our teachers and guidance for us to find our way home to our Heavenly Parents. To start this journey we are to liberate our souls from being entombed within our suppressive minds, through feeling and longing for the truth of our feelings via our soul and peel away our injuries incurred since conception.**

**Give yourself time to consolidate your relationship with the Mother and Father through the partaking of Their Love. And whilst you are doing this, you can learn about your healing, all that's involved with it, as there are many willing spirits to share their healing experiences with you.**

**When you are ready it will start happening simply because you will want it to, it all being orchestrated by your soul. And when that time comes you will have developed a strong foundation in your relationship with the Mother and Father for you to work from. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.**

**It is to make longing for God's Love the priority, and then do one's healing; should one want to include God and the Divine Love in one's feeling healing. This is doing your soul-healing as you are seeking to heal your soul of all evilness – of that which made you become evil, and release all the hurt and pain of not being fully and truly loved.**

**WE ARE Children of God**

## WE ALL ARE BEING GUIDED HOME:

We need the Spirits of Truth of the Avonal Pair to Heal ourselves; then once Healed, (and for support (overshadowing) as well through your Healing), we need the Creator Pair, Mary Magdalene and Jesus' Spirits of Truth to see us through the Celestial spheres, while at all times embracing our Heavenly Mother and Father.

Until Mary and Jesus died and liberated their Spirits of Truth, no one from any of the worlds could leave Nebadon, because no one knew the way to do so. Nebadon is our local universe containing some 3.8 million inhabited physical worlds and their associated spirit worlds.

When we embrace the truths Mary and Jesus are revealing, and start to do our Feeling Healing, or with Divine Love, Soul Healing, we are then freeing ourselves up from our parental and self control.

Thus our journey to Paradise, to the home of our Heavenly Parents, is of our choosing as to when we progress, however, there is only one way:

**HUM:** Humanity is to ascend. We are self contained. Our soul is always in truth and perfect at all times. **By living true to ourself, true to our feelings, we are living true to God. It's that simple.**

We are to recognise that being engaged and dominated by our mind is the wrong way for us to evolve and grow in truth. We are to discard the mind enslavement that has been imposed upon as by all of our parents. We are to express our feelings, both good and bad and free ourselves of the indoctrination that humanity has embraced worldwide.

Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God's soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of our Mother and Father.

**AVO:** We are to embrace the truths and guidance of the Avonal Pair through their Spirits of Truth. It is the Avonal Pair's guidance that will lead us through our Feeling Healing, and with Divine Love, we will be able to ascend through the 7 spirit Mansion Worlds and enter the Celestial Heavens where we also interact with other world's spirits.

**J&M:** We are also to embrace the truths and guidance of the Paradise Pair, Mary and Jesus, who will then lead us through the 3 Celestial Heavens that are aligned with Earth, and then further on through Nebadon where we will then depart beyond on towards Paradise.

**M&F:** Beyond the universal zone of Nebadon, we will be guided by our Heavenly Mother and Father onwards through the universes to Paradise where we will be welcomed by them, home for us all, as we are all Children of God.

**WE ARE Children of God**

**WE ALL ARE BEING GUIDED HOME – NOW, HOW TO COMMENCE THE JOURNEY:**

**GOD**

**M&F**

For 200,000 years, we have been misled into embracing our mind's distortion of wisdom and truth. All such traditional understandings only lead us in the wrong direction, from which we must turn back from. Our soul based feelings are always in truth. Our minds are to follow our soul based truths and feelings, not the other way round, as we have been brought up to embrace.

We are to connect with our deeper repressed feelings.  
We are to long for the truth of what we are feeling.  
We are to live true to our selves; by living true to our feelings.

Use your surface day-to-day feelings to connect with your deeper repressed feelings. Express your surface feelings and your deeper repressed feelings to uncover the truth of yourself.

**J&M**

We all have feelings which we communicate and share with each other. And we all have deeper buried and hidden repressed feelings. Feelings from our early childhood we felt, yet weren't allowed to express. These feelings are still within us, waiting to have their say. These feelings, because they are repressed, cause us all our problems.

And as we look to uncover, bring out and accept these deeper feelings, so we're taken into new ways of looking at ourselves, our feelings, and our life. We're setting ourselves free of the controlling patterns that govern our unloving behaviour.

In this way, we progressively begin to express the personality that our Heavenly Mother and Father gave us, not the one imposed upon us by our physical parents and carers. We are to be our true and real selves.

**By living true to ourself, true to our feelings, we are living true to God. It's that simple.**

**AVO**

**HUM**

As we, humanity, long for the truth of our feelings, we can also be assisted by the Spirits of Truth of the Avonal Pair who are our spiritual teachers for Earth over this coming 1,000 years, to assist us through the Great U-Turn, away from mind dominance to being soul based feeling lead. They will assist us through the seven levels of the spirit Mansion Worlds.

Then the Creator Pair, Jesus and Mary, will lead us through Nebadon and into the greater universe. Then our Heavenly Mother and Father lead us home to Paradise.

**WE ARE Children of God**

Collectively, should we embrace them all, as we are to, then our pathway home is a journey in the hands of the Spirits of Truth of the Avonal and Paradise Pairs overseen by our Heavenly Parents.

## HOW TO GET TO PARADISE:

Long for the Divine Love

Long for the Truth

Long for the truth of your feelings

Don't deny any feelings: accept, express and want to know the truth of them

Know your feelings are the key; your feelings are the Way

Want to end your falseness and being untrue

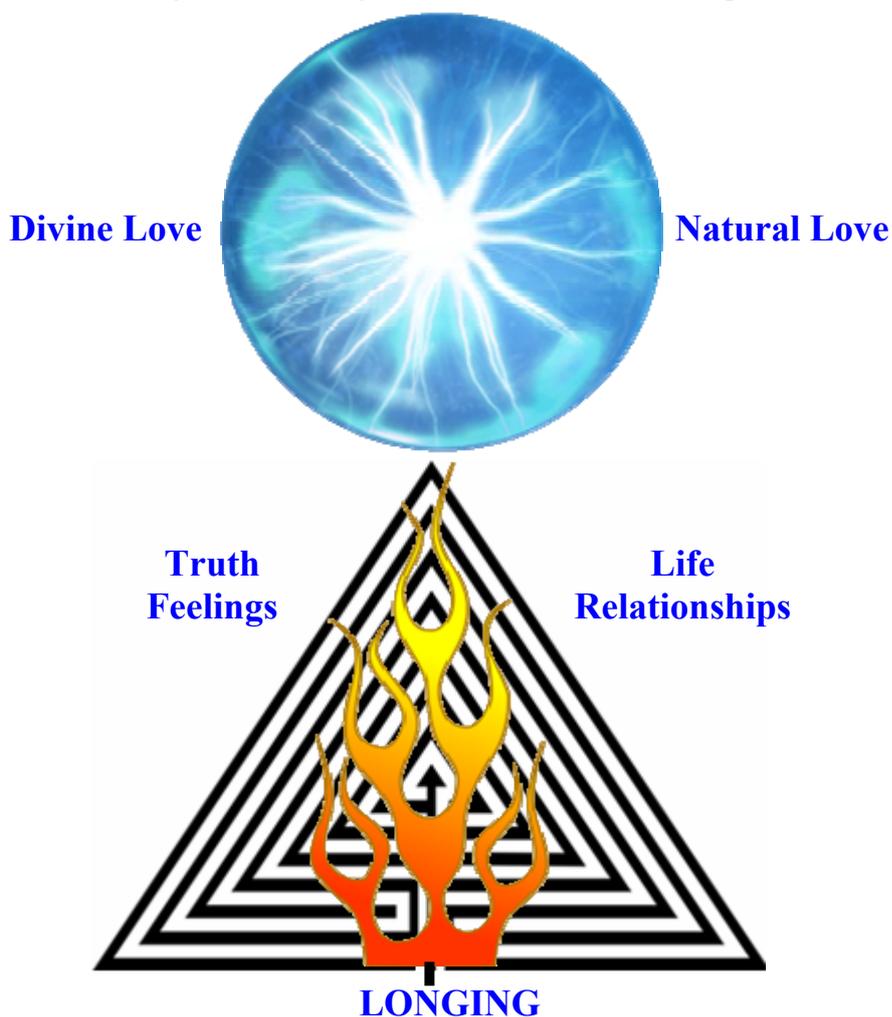

Want to understand the truth of your early life

Use your surface feelings to move deeper into yourself, bringing up your repressed feelings

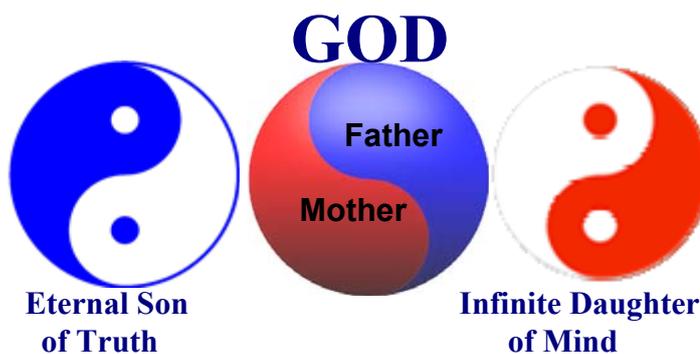

Want and long to know the whole truth of yourself

Want to do it all with God, your Heavenly Mother and Father – long to Them for help.

## The Key

Our longing drives our life. We long with feelings. We can wish for things using our mind, yet long for things with our heart. These things in the pyramid are what to long for. Longing for them, when the longing comes naturally. Longing because you feel you really want them. Long to be true with all your heart. Long to live true to your feelings. Long to understand the whole truth of yourself.

**PARADISE TRINITY:**

1. **Our MOTHER and FATHER (God) (MF) – Divine Love**  
SOUL (God) – One SOUL that is expressing its two PERSONALITIES, our Heavenly Mother and Heavenly Father (Soulmates)
2. **ETERNAL SON (ES) – Divine Truth**
3. **INFINITE DAUGHTER (ID) – Divine Mind**

Then: The Second and Third Persons of the Paradise Trinity (ES and ID) are stepped down to the local universe trinity (Mary and Jesus, Divine Minister (DM), and her Holy Spirit.

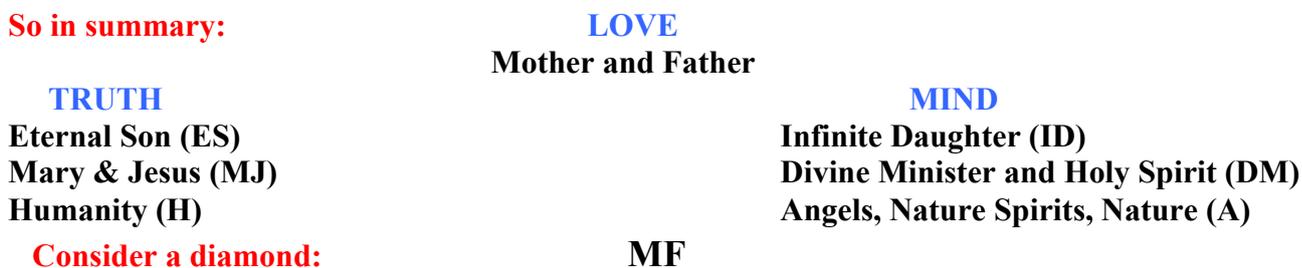

**The LOCAL UNIVERSE TRINITY:**

1. **MARY M and JESUS (MF) – Love – the Living Truth**
2. **DIVINE MINISTER (DM) – Mind (and her Holy Spirit)**
3. **HUMANITY – Natural love, sons and Daughters – Truth, and our Angels – Mind**

**PLANETS that engage in REBELLION:**

1. **AVONAL SOULMATE PAIR – the Feeling Healing process – incarnate**
2. **DAYNAL – TEACHER PAIRS – they do not incarnate**

**So in summary:**

# Mother and Father Heavenly Parents

Creator Son & Daughter  
Jesus and Mary

Avonals  
as soulmate pairs

Trinity Teachers  
as soulmate pairs

Melchizedeks – who have taken over from the Caligastians and Daligastians being also all as soulmate pairs.

Mortal Souls – human beings who individualise on Earth, then progress through the spirit Mansion Worlds, then into the Celestial Heavens, and beyond.

Mortal Souls – also being ascending spirits, upon completing their Soul Healing, join with their soulmate, then join their soul group of 24 mortal spirits, being 12 soul pairs. It is only as a soulgroup that anyone can progress beyond Nebadon.

The Paradise Pairs are all ONLY concerned with the SPIRITUAL wellbeing and upliftment of the planets and local universe. Currently to do with Earth:

Mary and Jesus – spiritual wellbeing and upliftment of the whole of Nebadon region.

Avonal Pair – Daynal pairs (Trinity Teacher Daughters and Sons) – Spiritual wellbeing and upliftment of individual planets and their associated Mansion Worlds.

The Local universal Sons and Daughters are all about the running of the worlds under their jurisdiction, and ensuring the higher spiritual elements can be employed, or sent astray, as in our cases through the Rebellion and Default.

Lanonandeks – Melchizedeks (and others, such as Life Carriers and Eve and Adam).

As the Lanonandeks all rebelled – the Lucifers, Satans, Caligastias and Daligastias soulmate pairs – so the Melchizedeks have taken over their roles, as well as doing their own.

So the Melchizedeks are the governors, overseers, the administrators and advisors and so on for Earth; they are the ‘controllers’, and they will instigate all that needs to be done to do with the ending of the Rebellion and Default. And they will enlist the willing help of ascending mortal pairs, so the mortal Celestials spirits (soulmates when available, and others waiting to unite with their partner), and at times mortal spirits in the Divine Love Healing Mansion Worlds. And the angels help all of us.

Currently the whole of Creation exists for the ascension of mortal souls from their earth planets to Paradise. It’s all one vast Grand Ascension Scheme. With all the higher and lower spiritual Daughters and Sons, together with all the many different angels and other universal spirit personalities, and even including nature and our very own pets, assisting women and men with their Ascension Journey. It being: and Ascension of Truth. Everything we do is done to help us grow in truth. (Only everything we do in our negative state is to deny ourselves our truth from our feelings, which is why we have to do our Healing.) All women and men are ascending (or growing) in truth through their experiences. And as we grow in truth by looking to our feelings to show us that truth, so we’re ascending, moving inwards and upwards through all the worlds and spheres of the Grand Universe to one day arrive on Paradise and meet our Heavenly Parents. God is providing us, Their children, with this spiritual journey called our Ascension of Truth. And by living true to our feelings, so we are progressing on our true Spiritual Path – our Ascension Path.

Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God’s soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of your Mother and Father.

**Humanity** is to pursue the pathway for Truth through one’s soul based feelings, this is the right pathway. However, humanity commences its journey founded on natural love, which we now know is to be perfected through one’s Feeling Healing process and then made divine through asking for and receiving our Heavenly Parents’ Divine Love.

For 200,000 years, **humanity** has pursued the pathway of the Mind, being that of the brain, this is the wrong pathway. The Mind is the pathway for Angels and that of all of Nature.

**CREATION of SOUL and SPIRIT:**

God is *The Paradise Trinity* — the eternal Deity union of the Personalities: the Universal Mother and Father; the Eternal Son of Truth; and the Infinite Daughter Spirit of Mind.

The soul of each human personality (sons and daughters of truth) is existential, driving our personality expression in the experiential. The soul of each human finds truth by embracing one’s feelings and longing for the truth of them. We are to attain the Eternal Son of Truth. We are a creation of Truth.

The soul of angels is experiential, evolving through their experience by continually progressing in mind development. Angels are to attain the Infinite Daughter (Spirit) of Mind. Angels are a creation of Mind. Our soul is duplex (we have a soulmate) and is created by our Heavenly Parents. Through our Feeling Healing we perfect ourselves enabling the union with our soulmate, as we progress in truth up through the Mansion Worlds, celestial heavens and all the way to Paradise.

Feeling Pathway

Mind Pathway

Soulmate Pair

Angel

The soul of angels is also duplex, yet of the mind, and they progress in mind evolution to Paradise. Animals, plants and nature spirits are also creations of Mind.

Neither we nor animals reincarnate. We never die; upon death, we move into the spirit Mansion Worlds on our journey to Paradise. When animals and plants die, be they the tiny microbe to the mighty elephants of the land and the whales of the ocean, their spirit energy returns to the Spirit Collective Energy. And from this energy are drawn other animals and the nature spirits, who then in turn move onto becoming angels through increasing mind experience.

Spirit Person

Nature Spirit

A nature spirit is an angel in waiting.

## **HISTORY UNFOLDING:**

Man was 'seeded' on Earth maybe some one million years ago in its primitive nature form, they were named Andon and Fonta (also known as Aman and Amon). It was the arrival of Adam and Eve some thirty eight thousand years ago that there was to be an endeavour to significantly evolve the human race on Earth, both spiritually and genetically. In this endeavour, Adam and Eve defaulted, both succumbing to the ways of the rebellion that had been embraced by humanity in its animalistic nature some two hundred thousand years ago.

The Rebellion had been in play in its development for some thousands of years. The Rebellion is that of one succumbing to one's mind and being self reliant, rather than embracing our Heavenly Parent's Will, being bestowed and to be found within our soul based truth and will. From the outbreak of the rebellion to the day of enthronement of Jesus and Mary as sovereign rulers of Nebadon, Jesus and Mary never interfered with the rebel forces of Lucifer and his soulmate, or their deputies, Satan and his soulmate.

It was the bestowal of Mary and Jesus, their coming to Earth, two thousand years ago, that brought about the authority and power for the removal of Lucifer. It was their coming into physical life and living on Earth, and remaining in a perfect state, that brought about the escalation of their authority and the termination of the Rebellion at that time. During the two thousand years leading to this current time, the remnants of the Rebellion and Default have been progressively removed. The Caligastias and Daligastias, being soul pairs and who remained embellishing the role of 'gods' in the natural love Mansion Worlds / spheres, had continued with their self-made appointment as rulers, now having only very recently been disposed from their 'thrones' (possibly around the early 1990's).

Only now can humanity be guided to the pathway of stepping away from the pain and misery of being self reliant – mind dominated, and embracing the will of our Heavenly Parents, Mother and Father, God – soul feeling orientated. Only now can the feminine aspect come to full bloom and be revealed. Only now can the process of removing of the erroneous teachings that generation after generation hand down to their children be explained and be rebuffed. All of which could not be revealed under the rules of the Rebellion and Default.

As Mary and Jesus, the Creator Daughter and Son of Nebadon, were perfect throughout their physical lives, they do not have the personal experiences to adequately share with us how to heal ourselves of our evilness / errors, that of denying Mother and Father – God and themselves, Mary and Jesus. And now there is possibly another bestowal pair on Earth. This pair being the Avonals. If they are here, then they will have embraced all the errors and evilness that humanity is in, and then work through the Feeling Healing process and also embrace Soul Healing. Upon their physical deaths, they then release their spirits of truth so that all of humanity who wish to undertake their Feeling Healing and Soul Healing, should they long for their support, will be able to access these Spirits of Truth for assistance.

Paradise Magisterial Sons and Daughters constitute the order of Avonals in contradistinction to the order of Michael, the Creator Sons and Daughters. Though not creators in the personal sense, they are closely associated with the Michaels in all their work. The Avonals are planetary ministers and judges, the magistrates of the time-space realms — of all races, to all worlds, and in all universes.

Humanity will continue to connect with the Spirits of Truth of Mary and Jesus, even though Mary and Jesus will now step back from assisting humanity and enable the Avonal pair to assist and guide humanity in this coming age. This change over is the end time of Mary and Jesus' era.

## U-TURN for HUMANITY:

### Why are we doing a U-Turn?

We are doing a U-Turn **because** the year 2017 heralded the end of the Rebellion and Default. For two hundred thousand years, humanity has been going in the wrong direction.

### What is this fundamental step that will change our way of living?

We are to come to understand / know the foundational cause of all our feelings, both good and bad. As we explore and investigate our feelings, each time they arise, one by one, we are to talk them through, express them to a companion or friend or anyone who will listen. As we express them, while at the same time coming to understand how they have come about, we will find that they will be resolved and that they will not come up again.

We will find that all of our feelings / emotions have their foundations from our childhood. And by childhood, that is from the time of one's conception all the way through to about the age of six. It is the repression of our childhood feelings that is the base or foundational cause of each and every one of our adult personality issues, pains, difficulties, illnesses and distressful life experiences.

**We have to see the whole truth of our negative or self-denial state, before we can heal it and be free of it.**

The vital difference between **emotions** and **feelings** is:

- emotions have their roots in the past,
- feelings relate to the present moment,
- emotions represent feelings not previously expressed,
- and these accumulate over time.

Many emotional clearing processes encourage us to look into our feelings, however, none go so far as to drill down into the core foundation of any emotional feeling to the point that we strive to KNOW the core issue, the origin of the feeling, be it good or bad, and actually come to know what it is!

The *Journey Process* is generally known worldwide. It stops short of longing to know, that is asking for the knowing of the events that brought about such a feeling. Yes, we are to acknowledge the feeling, say being angry. Then accept that behind that anger is the feeling of being small, and then look at the underlying reason of why we are feeling small. What is the truth behind that feeling? Ask our Heavenly Parents what is behind all of this feeling. What is the foundation, the origin of the feeling? All the time talking it out, expressing it, with a friend. The expressing of the experience is the release of the emotion / feeling, this is what removes it for ever from within our essence, our **soul**.

### Why ask our Heavenly Parents? I thought God was just God – singular?

This is part of the revealings that have been unfolding for us very recently – that is – since 2002.

**Feeling  
Healing with  
Divine Love is  
the key!**

We are made in the image of God. This has been understood for centuries, for 2,000 years. Our soul is duplex. Our soul expresses itself through two personalities. One soul 'subdivides' into two, one half always being female and the other half always being male. We are a reflection of how God is. God being one Soul is expressed as Mother and Father. God is two personalities. They are soulmates. And each of us has a soulmate, and our soulmate is always of the opposite sex, because the Mother and Father are the opposite sex.

Thus, when we long for the truth behind a feeling, then we can long to our Heavenly Mother and Father. Only they can tell us. No spirit personality can tell us. No canonised saint can tell us, we may as well ask our next door neighbour. That would be just as productive. Mary and Jesus can't tell us, as they are also spirit personalities.

### **I was taught that Jesus was God? And what is this about Mary?**

Mary of Magdalene and Jesus of Nazareth were both born free from sin. Neither of them are God. They are both children of God, just like you and me.

History needs to be corrected. Both Jesus of Nazareth and Mary of Magdalene became at one (At-One) with our Heavenly Mother and Father during their physical lives here on Earth in the first century; Jesus in the year 26CE and Mary in the year 33CE, or thereabouts. Jesus died aged 35 (born 7BC died 29CE), and Mary died aged 47 or 48 (born 2BC died 47CE).

Further, their sojourn on Earth was the completion of their process to become the full Regents of the sector of planets that is referred to as Nebadon. The region within our super-universe that is referred to as Nebadon contains 3.8 million inhabited planets. If you look into the night sky, each star / sun potentially has between none to three inhabited planets within its orbit. Within Nebadon, the soulmate pair, namely Mary and Jesus, are our Spiritual Teachers of Truth. Their domain is all 3.8 million physical planets plus their associated spirit worlds. Each physical world has seven associated spirit worlds, which is the case for Earth being one of the 37 that have rebelled.

Some 200,000 years ago, Lucifer with his soulmate and his deputy, Satan with his soulmate, brought about a rebellion on 37 of the inhabited planets within the region called Satania, one of the local universal systems of Nebadon. Earth compounded the situation through the Default of Adam and Eve about 38,000 years ago. Thus the population of Earth, being in the worst condition through the Rebellion and Default, became the location for Mary and Jesus to have their physical experience to complete their ascendancy to full Regency of the local universal system being Nebadon.

Their lives on Earth was the start of the unravelling of the Rebellion and Default. Upon Jesus becoming At-One with our Mother and Father, he was then vested with the authority and power to have the Lucifers and Satans arrested, and they now reside exiled within a prison world.

Notice that there were no records of Jesus and Mary's teachings and experiences made during their physical life. That was because they did not specifically come here for us, they came for the benefit of all peoples of all planets and spirit worlds throughout Nebadon.

As they are Paradise descending spirits, they have **Spirits of Truth**. Upon Mary and Jesus' death, they released their Spirits of Truth. As spirits, Jesus and Mary are how we will be, once we've finished our Soul Healing. They can only be in one place at any one time. However, it is their Spirits of Truth

throughout Nebadon that we can connect with for guidance. It is through their Spirits of Truth that spirit personalities can progress through and out of Nebadon.

Those planets that have Rebelled need further assistance, and they need it on a localised manner. This can only be provided by another bestowal of a **Paradise Pair**, and that is in the form and manner of an **Avonal soulmate pair** who come here specifically for us.

### **What is the purpose of an Avonal pair, and are they here on Earth?**

Unlike Jesus and Mary who were always free from sin and did not experience how to heal themselves, the Avonal pair are to experience all of the extremes of evilness and then proceed to heal themselves. Mary and Jesus through their bestowal on Earth ended the Lucifers spiritual rebellion in Nebadon; the Avonals bestowal is primarily concerned with ending the Default of Adam and Eve by the Avonals themselves personally healing the effects of such a damaging Fall.

The soulmate Avonal pair are to be, and have been, subjected to the extremes of childhood suppression and repression, and then, through their Feeling Healing, are experiencing all the facets of emerging truth as they slowly progress through a protracted and difficult healing process. As they reach specific milestones, this also enables those in the Celestial Heavens, (the three worlds where Celestials reside) to be empowered to assist us in the physical on Earth.

The first considered milestone was the arresting and imprisonment of the Caligastia soulmate pair and the Daligastia soulmate pair. After the arrest of the Lucifers and Satans in the first century, as nothing further occurred, the Caligastias and Daligastias continued on from spirit as if they were kings and queens, suppressing all of humanity and with plans to take over the universe. It was possibly in the early 1990s that they were 'judged' and 'removed'. They were caught unaware that an Avonal bestowal pair were on Earth.

### **How is all this becoming known? Has Jesus and Mary communicated directly to Earth?**

Unlike in the first century, when no records were kept (as the event related to all of Nebadon and it was actually setting the stage for the Avonal bestowal pair to arrive on Earth), every effort to retain records in great detail of this current series of events is now being attended to. Consider this. The New Testament of the Bible is some 300 pages. The records of the Second Coming, which this is, the primary records are possibly 6,000 pages, with direct complementary records increasing that to over 10,000 pages and with all the supplementary records to date, there may be as many as 40,000 pages, certainly well over 30,000 pages of material presently.

Jesus directly communicated through James Padgett from 1914 to 1923. Mary of Magdalene (Mary M) has directly communicated through James Moncrief from 2002 and is ongoing. Jesus has also communicated directly through James Moncrief. Neither have ever directly communicated through any one else, however, some Celestial Spirit personalities have provided information through other personalities on Earth with the support and approval of Jesus and Mary, thus some confusion, though the quality of the information is very reliable.

### **You say this is the Second Coming? You say I am living during the time of the Second Coming?**

Yes you are. And it's more than that. This is the Second Coming, the End Times and the Handover!

In fulfilment of the prophecy in the first century, the Second Coming commenced on 31 May 1914 through the writings with James Padgett and concluded in 2014 through the writings with James Moncrief.

The End Times are well advanced. Mary and Jesus are well advanced in handing over their direct involvement with Earth to those within the Celestial Heavens. When this is completed, the Handover will also occur. **The Hand Over is to the Avonal Bestowal pair** and it is they who will guide the population on Earth through their Feeling Healing processes for the next 1,000 years, being the next spiritual age. The Handover will take place after the Avonal pair complete their personal Healing of the Rebellion and Default. Then will follow with their Spirits of Truth being officially liberated in alignment with Mary M and Jesus' Spirits of Truth upon their death.

Major events have occurred with the progression of the Avonal pair's Feeling Healing, which they are also doing whilst embracing our Heavenly Parents' Divine Love, thus they are doing their Soul Healing.

Early 1990s:	The arrest of the Caligastia and Daligastia soulmate pairs.
22 March 2017:	Negative spirit influence was blocked.
31 March 2017:	Angel assisted healing will become available upon the Avonal pair completing their own Feeling Healing, being with Divine Love, thus it being Soul Healing.
22 May 2017:	Law of Compensation quickening.
2 December 2017:	Psychic Barriers maintaining the Rebellion and Default were cracked.
8 December 2017:	Bring on the money to <b>'house the future of humanity'</b> .
31 January 2018:	Earth and the seven associated Mansion Worlds (including the two Earth planes) are <b>officially</b> now fully under the control of Celestial spirits. This marks a tangible and real end to the Rebellion and Default.

**How does this all fit into our future way of living?**

**This time, in the history of humanity, is the most exciting time ever experienced.**

**The whole human race is suffering from repressed childhood and mind control.**

Through one's Feeling Healing, and should we embrace our Heavenly Parents' Divine Love, then with their Love we are doing our Soul Healing, and eventually we can live totally in accordance with our soul based feelings and live free from error – no more fear and no more physical illnesses is possible!

**By living true to ourselves, true to our feelings, we are living true to God. It's that simple.**

Our soul is always perfect. In fact, we are the complete package. All that we need to know is within our soul. This knowledge has been denied from us since the time of the Rebellion and compounded by the Default. That is what was brought upon us by the Lucifers and his cohorts. We have always been meant to live true to our soul based feelings but we were taught to embrace our error riddled mind – this was aided by our parents – unknowingly all parents have taught their children to be mind dominant. **This is the Great U-Turn. We are to feel and live by our feelings and express our feelings, our mind will follow in support, not the other way around.**

“Many people look for a person, spirit, angel, even God, for supreme guidance, however it's all right there already built in – in our feelings. **Feelings** guide us through our **ascension of truth**. So they are

really our Supreme Guides. We just have to submit to them, allowing them to take us where they will, expressing all the parts we want to express, letting the emotion drive that expression if it's there to be expressed, or just talking about all we feel and how feeling that feeling is making us feel – or, how we feel about having that feeling, all whilst longing for the truth of our feelings. Longing for the truth of our feelings is really: **Longing for the truth of our self, because: we are our feelings.** So life stirs up our feelings, we feel being alive; or, being alive means we are feeling, always feeling; and when we work out what and why we are feeling what we are, so then we know the truth of how we are. And over time the truth accumulates, and our mind expands our understanding of ourselves, all being driven from our feelings.”

Kevin of the 1<sup>st</sup> Celestial Heaven 26 September 2017

(Kevin Cooper died 10 August 2012, through Feeling Healing became Celestial on 7 August 2017.)

It is through the assistance of the Spirits of Truth of the Avonal Pair, upon the completion of their Soul Healing, that we will be guided through our Feeling Healing process, and should we embrace our Mother and Father's Divine Love, then our Soul Healing.

Then should we embrace Mary and Jesus as our Spiritual Teachers of Truth, their Spirits of Truth will lead us on the path through the Celestial Heavens where we will certainly meet up with our soulmate and join our soulgroup, which will eventually consist of twelve soulmate pairs. Then as a soulgroup, the Spirits of Truth of Mary and Jesus will lead us up through and out of Nebadon towards Paradise.

It is then our Mother and Father in Paradise who draw us to them and we will eventually meet our Heavenly Parents.

Meanwhile, while we live on Earth, we will have assistance and guidance previously denied to us throughout the era of the Rebellion and Default. Under the Contract controlling and managing the Rebellion and Default, the powers and capabilities of our Celestial Heaven spirit personalities, all three worlds of them, were heavily restricted and almost of no assistance to us at all. Further, Nature Spirits and our Angels were heavily denied contact with us physical people because of the Rebellion and Default, all of which is soon to change, so we can look directly to them for help concerning healing ourselves and understanding all aspects of nature.

As we embrace our Feeling Healing, Celestial spirits will and can greatly assist us. In fact, during the year of 2017 they have blocked all mind spirits from the Natural Love Mansion Worlds: 1, 2, 4 and 6 from interfering with us. Celestials have taken control of all facets of living and life on Earth. Celestials are those spirits who have completed their Feeling Healing and progressed through Divine Love Mansion Worlds 3, 5 and 7 and now live in the higher Celestial Heavens, 1, 2 and 3 (when we become At One with our Heavenly Parents then we leave the Mansion Worlds and progress through the next three spheres related to Earth, hence the Celestial Heavens are also referred to as being numbered 8, 9 and 10).

The Nature Spirits of Earth, who live in the third Earth plane, can now directly interact with those who are embracing their Feeling Healing. Nature Spirits are essentially ‘angels in waiting’. They have been on Earth prior to anything that we now see living in nature. When they first started to arrive, there was

no life in the seas or on land. They have consequently witnessed everything that has happened on Earth, including all prior human civilisations that we continue to largely remain ignorant of. Their knowledge and assistance is of great importance to us. We are to interact with them on an ever increasing scale. They are to become an invaluable source of information for us concerning how we are best to live with nature.

Further, we may become more aware of our **Indwelling Spirit**, which arrives for each of us during our sixth year, as we now progress with our Feeling Healing, or with Divine Love, our Soul Healing.

And all of this is possible as we embrace our Feeling Healing process, acknowledge and accept the Avonal pair, acknowledge and accept our Spiritual Teachers of Truth, namely Mary and Jesus, and more importantly, grow to love our Heavenly Parents, our true Mother and Father.

We do not need intermediaries, rituals, liturgy, dogmas, creeds, fancy clothing, or institutions. It is our soul based feelings and expressions that we may exchange directly with our Heavenly Parents. Groups may form to assist each other, and that is our choice and within our free will.

**This is the greatest event in the history of humanity.**

This is the Great U-Turn that humanity will embrace throughout the next 1,000 years. MoC 1,480

**All of the History of Humanity is accessible:**

**And as far as concerning where The First Parents are now, they have moved on with the old guard, having been released from such duties that being The First Parents required. You can see and even in a sense ‘meet’ with them when you come into the first Celestial sphere, we have a museum sort of arrangement, it’s massive and highly complex and covers every aspect of humanity’s history on Earth and in the Mansion Worlds. And you can sort of interact with the exhibits – if I can crudely call them that. You literally walk into say the Atlantean times and explore using your mind for whatever aspect of such times you care to. You can even in a sort of holographic way meet with people from those times, speak with them in a sense, although it’s all automated, it’s not the real person who is now a spirit, although the whole experience being so real and amazing makes your mind believe it is the real person or spirit. So we can even talk to Mary and Jesus like this, which a lot of Celestials do when they first arrive, it all helping them to get to know them better and know what they were all about. It’s a massive learning centre and contains all the knowledge of humanity’s experience, so anything and everything is kept there like ‘living’ archives.**

## Who would Jesus preach to?

<http://new-birth.net/contemporary-messages/messages-sorted-year/messages-2001/who-would-jesus-preach-to-hr-4-dec-2001/>

Received by H. Cuenca, Ecuador.

December 4th, 2001

My dear H\_\_\_, as I told you yesterday, I intend to discuss another topic that exercised a great influence on Jesus' attitude. It is about Jesus' relationship to the cities.

Many specialists on the New Testament have pointed out with astonishment that Jesus practically never ventured into the cities, but preferred to travel through the Palestinian countryside, visiting people with whom he seemed to have had a very good communication. Certainly, he visited Jerusalem, but in general, the gospels seem to indicate some kind of rejection of the cities by Jesus.

Like so many things in life, that appreciation is both correct and incorrect at the same time. In his childhood and youth, Jesus frequently visited cities. He learned to know Jerusalem, Caesarea Maritima, Jericho, and of course the city of Sepphoris, the capital of Galilee, a short distance from his home in Nazareth. We have already mentioned that Joseph worked on the reconstruction of Sepphoris, and Jesus, as would be natural, accompanied him.

But seven years before the beginning of the Master's public ministry, the tetrarch Herod Antipas decided to build a new capital. He no longer found Sepphoris appropriate to his status. It was a city in the Greco-Roman style. It had every kind of comfort, but basically it continued to be a city of military barracks. But Antipas had known another kind of opulence during his stay in Rome. He had been fascinated by Rome's frivolous life, and in that he was definitely different from Philip. He therefore thought that his status as the governor, or as the king — because he used to call himself king, although he was not entitled in any way to this designation — demanded a capital of greater splendour.

Full of enthusiasm, he put hands to the new work, choosing a place at the western bank of Lake Genesaret, a place in a geologic depression, much below the Mediterranean Sea level, with a warm climate and with nearby thermal springs.

Antipas hired an army of workers and artisans, and initiated the great construction task. But immediately a problem arose that almost led the undertaking to fail. The workers, digging foundations for the buildings, found the remains of an ancient Hebrew cemetery. It was therefore an impure place and the orthodox Jews refused to continue working.

But Antipas insisted, hiring new people, using thousands of slaves, and finally his masterpiece was completed.

The name of the new city was Tiberias, in honour of the Roman emperor. The design of the city was not that of a stronghold, but it was rather a luxurious complex of buildings, resembling one of those spas for the Roman nobility. Antipas' own palace was adorned by pagan-style decorations, quite in the style of the Roman rulers, which caused the indignation of the Jewish orthodoxy, but nobody dared to protest. Even the powerful Temple hierarchy of Jerusalem kept silent. Of course, the Temple priests had neither the power nor the political right to change things in Galilee, but they did have the religious authority, such as to put Antipas under pressure. But they didn't do so. As I have already mentioned, the Sadducees tried to maintain a very fragile balance between political power and the ever more discontented masses.

Now, you wonder what all this has to do with Jesus and his development?

Well, the answer is the following: When a boy grows up, at the beginning he believes that adults that are so much bigger and stronger, that they only tell the truth, that they know everything, that they are able to do anything. But later, there come moments of disillusion. In the case of Jesus, he realized that he would rarely find people willing to listen to him in the cities. For example, in Tiberias, orthodox Jews refused to live in the city, at least during the first decades of its existence. Therefore, Antipas populated the place with Greeks, Phoenicians, pagans in general, with Jews who had already lost their roots, and with local peasants. It was not the appropriate place for the Master's teachings. In the beginning, during his youth, Jesus had thought of presenting himself to the authorities, as the prophets of the Sacred Writings did, but seeing how things were managed, he changed his opinion.

Even today, you realize that country people are more open, in some ways more honest, without pretending to be what they are not, and less corrupt. Also in this sense, times have not changed much.

What was valid in the case of Tiberias was also valid for Caesarea Maritima, for Sebaste or Samaria, and for Jericho. Jerusalem was the great exception, because it constituted the spiritual centre of Judaism.

Jesus would find his followers mainly among country dwellers, in Galilee, Samaria and Judea, but a few also in Jerusalem. Even the peasants of the pagan areas, such as Phoenicia and the totally hellenized Dekapolis, proved to be more open to the Master's teachings than the refined Jews of the big cities.

As to the ruling class, the aristocrats, Jesus realized that it was useless to try to speak to them. The only thing that they cared about was power — and money, of course. Their participation in religious rites was only a screen, presenting themselves in public as pious men, leading a completely different life in reality.

Jesus knew that the Glad Tidings of the availability of God's Love had to come to all mankind. He also knew that he could not achieve this during his own life, even if he had lived a hundred years. It was also well-known to him that a great part of humanity would reject this teaching. He had to choose the field of his action, people's social stratum, which he would address. And he chose well.

We have already spoken a lot of the economic, social and political environment during the time when Jesus was preparing for his ministry. What we have not yet dealt with thoroughly are the frictions and conflicts that arose within his own family, because of the total incomprehension of the revolutionary ideas that the Master little by little presented.

With this I finish my message. You have received it well. If you allow it, I would like to deliver another message later on a completely different topic.

Until then, I give you my blessings and I say goodbye. Have a happy day. Your brother in Christ, Judas

I am here, Tacitus.

Yes, I did see the utter futility and immorality of ancient Rome. And in my heart, I yearned for something, I knew not what. Well, I found that something – the New Birth. Praise God!

Publius (or: Gaius) Cornelius Tacitus (c. 56 – c. 117) is one of the important historians of Roman Antiquity. The surviving portions of his two major works—the Annals and the Histories—treat the reigns of the Roman Emperors Tiberius, Claudius, Nero and those that reigned in the Year of the Four Emperors. ## DIMENSIONS of ONE'S EXISTENCE:

Our SOUL IS NOT ENSOULD IN OUR SPIRIT BODY. Our soul exists existentially in a whole different level or plane or place or dimension of being – 'soul land'. It doesn't exist in Creation, it's not experiential like Creation is. The soul, all souls, help create their part of Creation by expressing their personalities into Creation, and then by having their personalities do things (further create) in Creation.

SOUL exists existentially

Our Physical Body and our Spirit Body are of Creation, being linked together by cords of light as are the two spirit bodies, male and female, to the one Soul.

One's unique personality is soul based. Our unique soul expresses its unique personality through the two spirit bodies and physical bodies expressing both the male and female aspects.

I am here, the spirit of one who lived on Earth the life of a wicked man, and a persecutor of the Christians, and a blasphemer of God and everything that was pure and holy; and when I had lived the life to its end and shuffled off the mortal coil and became a spirit, I also became a dweller in the lowest hells where all is darkness and torment, and the abode of devils and everything that tends to make the spirit unhappy and at variance with the loving God.

I introduce myself in this way in order to demonstrate to you the wonderful power of the Divine Love, for now I am an inhabitant of the Celestial Spheres, and know that this Love is not only real, but is capable of making the vilest sinner a partaker and owner of the Divine Essence of the Father.

My sufferings were beyond all description and I was the most desecrated of mortals, and was almost worshipped by the devils of hell because of the great injury that I had done to the followers of Jesus, who, in my time, were possessed of this Love and faith, which even the terrors of the wild beasts of the arena, or the torches of my own evil designs could not cause them to renounce – in this great religion that the Master had taught them, and the disciples were still teaching when I put so many of them to death.

The devils loved me for the very evil that I had done, but strange to say the spirits of those who I had sent unto the spirit world before their time were not revengeful to me, or came to me with their imprecations or cursings. Then when I had been in the spirit world a sufficient time to realize my surroundings and the nature of these evils, these spirits of the martyrs, which I had made, came to me in sympathy and pity, and in fact, tried many times to help me out of my great sufferings and darkness. I did not understand all this unexpected kindness and evidence of love, and I would not for a long time believe that these spirits were sincere; and so I suffered for year after year, and century after century, and became convinced that my condition was fixed, and that for me there was no hope, and that the God that I had heard of was not my God, and that devils were the only companions that I was destined to have through all eternity.

And so I endured, wishing to die, but I could not. Oh, I tell you it was horrible and beyond all conception of mortals! The law was working and I was paying the penalty, and there seemed no end to the penalty. I could find no consolation among those who surrounded me, and the pleasures that I first enjoyed, became to me mere things of mockery and derision, and my darkness and torment became the greater. How often I called upon God, if there be a God, to strike me dead, but the only answer to my call was the laughter of the grinning devils, who told me to shout louder as God might be asleep, and may be deaf.

What to do, I knew not, and so I became isolated as best I could from these terrible associates, and many years of my living were spent in the darkness of lonesomeness with never a ray of hope, or the whisper of one word to tell me, that for me there might be a fairer destiny. And so time went by and I waited in my misery for some kind power to come and annihilate me, but I waited in vain. During all this time the recollections of my earthly deeds were like hot irons scorching my soul, and burning my body, as I thought, and the end came not.

Well, I suffered the tortures of the damned, and it seemed to me that I was paying the penalties for all the sins and evil deeds that had ever been committed by all the wicked kings and rulers and persecutors of Earth. Many times the shrieks of the Christian children and the groans of the men and women as they were being torn asunder from limb to limb, or burned as living torches which I had made of them, came to me and increased my torment. I lived the life of centuries of torment in a few moments, as it seemed to me, and not one cooling drop of water was mine. It may seem impossible that I should have continued to live in this ever increasing suffering, but I did, because I was compelled to. The law did its work and there was no one to say "enough". I might write a volume on this suffering of mine, and yet you would not comprehend its meaning, and so I will pass it by.

In my loneliness and suffering there came to me on an occasion, a beautiful spirit, full of light and love, and all the beauty of early womanhood, as I thought, and with eyes of pity and longing, and said, "You are not alone, only open your eyes and you will see the star of hope, which is the sign of the Father's Love and desire to help you. I am a child of that Father and the possessor of His great enveloping Love, and I love you, even though you took from me my young life when you threw me to the wild beasts to satisfy your desire to gratify your thirst for innocent blood, and see the suffering and hear the groans of your victims, yet, I love you, not because I am a human with a kindly nature and a forgiving disposition, but because I have in me this Divine Love of the Father which tells me that I am your sister, and that you are a child of the Father, just as I am, and the object of His Love just as I was the object of His Love. You have suffered, and while you suffered, His great Love went out to you in sympathy and desire to help you, but you, yourself, prevented it from coming to you and leading you to light and surcease from sufferings. And now I come to you, your young and innocent victim, who had never done you any greater harm on Earth than to pray for you, and ask the heavenly Father to take away from your heart, the great wickedness that caused so many of my people to suffer persecution and death. We all prayed for you and never asked our Father to curse you, or do anything to you to make you suffer. And we have prayed for you often since we came to the spirit world, and we are now praying for you, and this because we love you and want you to be happy. Look into my eyes and you will see that love is there, and what I tell you is true. And now, can you not love us a little and open up your soul to our sympathy, and let your feelings of gloom and despondency leave you for a moment, and realize that in this world of spirits there are some who love you?" Well, to say that I was surprised, does not express my feelings, and as I looked into the lovelit eyes of that beautiful spirit, I felt the great sins of my Earth life overwhelm me, and in my anguish, I cried, "God be merciful to me, the greatest of sinners," and for the first time in all my life in the hells, tears came to my eyes, and my heart seemed to have a sense of living; and there came to me feelings of remorse and regret for all the evils that I had done.

It would take too long to tell what followed this breaking up of my soul, all shrivelled and dead, and suffice it to say that from that time, I commenced to have hope come to me, and to get out of my awful condition of darkness. It took a long time, but at last, I got into the light, and this Love which the beautiful spirit first told me of gradually came into my soul, until, at last, I reached the condition of bliss in which I now am. And during all the time of my progress, this radiant loving spirit came to me very often with her words of love and encouragement, and prayed for me, and never left me when I became, as I did at times, doubtful and discouraged. And as my awakening continued, the Love came into my soul, and as she told me of the heavenly things that would be mine as I progressed and reached the soul spheres, where beautiful homes and pure bright spirits are, I became more and more bound by my love to her. After a while I got into the **third sphere**, and realised that what she had told me was true, only I had not been able to comprehend the greatness of the truth.

She then commenced to tell me of the happiness of the beautiful spirits of the two sexes, that I so often saw together, and explained that they were soulmates, and that their love was the greatest of all the loves

except the Divine Love, and that every spirit in all the spheres had its soulmate, and at the proper time would find it.

My love for this loving spirit had then become so intense that in the very depths of my soul, I wished and prayed that my soulmate might be such a one as she; and, at last, I became so filled with my love for her, that I told her that the only thing in all the heavens that I needed to make full my happiness was she as my soulmate, but that I realized that that desire was hopeless as I had destroyed her life, and of course she could not be my soulmate. And oh, how I suffered when I realized that she could not be mine, but was another's.

As I told her of these longings and hopeless feelings of my soul, she came close to me and looked into my eyes with such burning love, and threw her arms around me, and said, "I am your soulmate, and knew the fact a short time after you came to the spirit world and entered your hells of darkness, and during all the long years I prayed and prayed for the time to come when I could go to you with my love and awaken in your dead soul the response to my great love. And when the time came that I could go, I was so thankful to the Father, that I almost flew to you, with some dread of disappointment I confess, to tell you that you were not neglected or unthought of, but that there was some love in the spirit world that was going to you. Of course, I could not tell you of my soulmate love, for you would not then have understood, but as your soul awakened and the Love of the Father came to you, I became happier and happier, and have waited so anxiously for this moment, when I could tell you that this love that had been consciously mine for so long, is all yours."

Well, I will draw the veil here, but you can imagine what my happiness was, and as I progressed from sphere to sphere, my happiness and love for her increased and increased. Thus I have told you the story of the life in the spirit world of the wickedest man that God ever permitted to live and gratify his feelings of hatred and revenge. And I, who have passed through this experience, and realized all that it means, say, that the Divine Love of the Father is able to and does save the vilest sinner, and transforms the chiefest of devils into a Celestial angel of His highest spheres.

I have written long and you are tired. I thank you, and will say good night, and subscribe myself.

Any action that causes harm to one's self, or to another, degrades your soul condition. Your soul being your real self.

We may have a big powerful physical body, but our real strength is the condition of our soul. Should we assert our unloving nature and desires, then our soul's radiance and energy is progressively degraded. This can extend to the point where our soul's radiance is nothing more than that of a dried up darkened garden pea. 

Our soul condition is reflected through our spirit body for all to see. Upon entering the spirit world, into the 1<sup>st</sup> sphere, a healthy loving soul will be reflecting out through a spirit body the same size as that of the physical body whose personality has now separated from that body.

A degraded soul results in a significant diminishment of the size of the spirit body. The poorer the condition the smaller the spirit body – significantly smaller. Further, there is little to no radiance, therefore, little to no light. There is greatly diminished capability in all aspects of spirit life and a great loss of the capability to move about.

In this condition, one is isolated into a very lonely dark environment to begin the long process of recovery and development of love for one's self and for all those around them.

One is always being loved, and help is always available, one just has to learn to accept this offer of love.

One can always recover and grow in love from what ever condition they may find themselves in.

**The radiance of a soul in good condition is reflected through the spirit body.**

**A soul in poor condition has very little energy and subsequently is lacking in radiance. The size of the entity is also diminished.**

**We radiate our own light. Not only when a soul in poor condition is lacking luminosity and energy, its capacity to travel is also significantly diminished, as is its physical size.**

**POOR SOUL CONDITION is DARKNESS:**

**Using Kirlian photography, this is an auric photo showing an individual who is a drug addict... notice no connection with God or Source, no love and light.**

**Such soul condition is reflective of the man-made emotions such as apathy, despair, depression, hatred, loathing, etc.**

**Even when such a personality is in an environment of bright light and vibrancy, such a personality can still only see and perceive darkness.**

**It is this darkness of soul that fits the person for an environment that is only of darkness. The locations to which they arrive within are of perpetual darkness and are miserable environments until they, through their own endeavours, grow in love. This may take centuries, or they can embrace the great gift of the Source Soul and ask for the Divine Love.**

**MONTY PYTHON and the HOLY GRAIL – BLACK KNIGHT:**

When one's soul is plagued with vindictiveness, evilness, guilt, blame and destruction, or plummeted to even lower levels of being despising, miserable, shameful, humiliated and seeking elimination, there is no illumination within the soul at all. It is a being in a state of total darkness, in the depth of all the hells.

The soul has now collapsed to the size of a dried up pea, or prune! The capabilities of the soul of keeping the spirit body in tact are stretched to its full capacity. The soul frequently has to draw the spirit body back together, that is, enable the spirit body to go fetch its limbs and re-attach them!

The environment is one of total darkness and despair. However, we can all recover from this position and grow in love and progress to the Celestial Heavens. There is no position from which we cannot recover from. For you see, we are truly invincible!

No soul has ever been separated from its spirit body.

No matter how low our soul condition may fall, we can, and all of us will, be assisted and loved and helped to grow in love and light and progress to realms of beauty and grace that will be our destiny. By asking for and receiving divine love, this happiness will be ours much sooner than we can imagine.

**IT'S JUST A FLESH WOUND!**

## **CLEANSING the SOUL:**

**Years and years of personal endeavours to step away or above harmful habits and personality traits that are harmful to others and one's self have been mainly futile. We all want to grow in our love for ourself and of others.**

**Our beautiful loving personality that we are blessed with at conception / incarnation becomes encrusted with errors and personality issues of those around us, particularly during our early childhood. The personality of those living around us, during our early years, becomes encrusted over our pristine soul thus clouding our radiance into dullness. We become mind controlled!**

**Our Heavenly Parents want what is actually best for each of us and there is a source of light that's willing to give it to each of us, but only at our soul and spirit's quest for union with the divine. Not our ego's need for things.**

**It is only with our Feeling Healing and the infusion of the Love, that the Mother and Father conveys via the Holy Spirit, do we start to dissolve negative issues, habits and personality errors from our soul and personality. Our personality is part of our soul structure.**

**All we need do is ASK for this Love. An earnest longing and desire for the Mother and Father's love will never be withheld, it will shower over our spirit body, the template of our physical body, and be absorbed into our soul. As the Love permeates through our soul, errors of personality will slowly but surely dissolve.**

**Over time, as we progress along our path of asking for and receiving this love, the natural love which we were blessed with prior to conception will be progressively transformed into Love that is Divine. This Divine Love will slowly emerge as radiance through our being.**

**With Feeling Healing and this Love we find harmful habits and personality traits become a distant memory. With this Love, we find ourselves unable to harm others or ourselves. With this Love we find our quality of life blossom and joy starts to emerge in all aspects of our living.**

**With this Love we become immortal. With this Love we become fitted for the Heavens that the Mother and Father have prepared for us all. Just ask and faith, love, and happiness will follow. Yes, just ask!**

**WORLD PEACE only with FEELING HEALING and LOVE:**

Nothing will bring world peace and harmony onto this planet but the embracement and infusion of the Mother and Father's Love, Their Divine Love, together with Feeling Healing, by all of the people throughout all the communities, all faiths, around the world. Only Their Love is the substance that will progressively and with certainty remove from each of us those erroneous emotions that bring about fear and disharmony.

The awareness and embracing of the Love has no barriers, it is available to all. All faiths and spiritual practices can and will be invigorated and strengthened by the understanding of the availability of the Love, with Feeling Healing, the sharing of how to receive it, and by the knowledge of what it provides, particularly how one's soul condition develops with the Love.

The Love is the greatest gift in the entire universe. The universality of the Love will bring about global celebration of the harmony that will result between all and the benefits to all individuals, which are far too numerous to comprehend.

With FEELING HEALING and the LOVE will come the greatest advancement in the history of humanity. Nothing is surer and nothing will prevent this, just our resistance will delay this.

The time is ripe for us all to consider, embrace, enjoy, and share with all, our family, our neighbours, our friends, our associates and any one that we may connect with.

## DIVINE LOVE HARMONY:

**Immortal harmony:**

**Transformation of the soul is a beautiful harmonious gradual awakening.**

**In a gradual way with the Divine Love and Feeling Healing, as changes in the soul and spirit body occur, these changes will result in the personality slowly accepting the source of these changes as being the Soul God and with the independent will, one can have complete acceptance of our Heavenly Parents, Mother and Father, God.**

**People have loved God and felt loved by God and they have in deed received the Divine Love without ever knowing the truthful identity of this Love insofar as the truths relating with its causality in the human soul and affect upon the spirit-mind.**

**Part of the nature of the Divine Love in our souls is that it activates our spirit body systems and soul so that the nature of God is seen and experienced in the living and this places us in touch with the many Spirit attributes that extend from God and have their existence in God, such as our Indwelling Spirit. God no longer remains inactive to us; inert, inanimate, or an unknown but rather a Soul of living energy whose energy in the harmonies of Love and Spirit, is personified as love that we experience. If I can convey the essence about the nature of Divine Love it is that in its energy, exists the harmony and potential so that one can see the potential that this Love brings to bridge the gap of separation between the individual and God by the harmonies of soulfully living.**

**The Divine Love completes the form of the human being.**

**In essence, one need only direct their soul and the heart of their soul to our Heavenly Parents, the Soul being God, and in this faith one can experience the Love by humbly asking for this Love. This is all that is needed and the touchstone upon the Love's approachable nature.**

**The Love is never harmful or given by God that results in a caused effect of disharmony in the individual. The diversity of human individuality is a great characteristic of human nature and as with experience, one needs experience to ascertain a truth about a certain thing. Experiencing the Love provides a substantiated knowing from which a more objective reasoning follows and a maturity happens.**

**DIVINE LOVE WAY or the NATURAL LOVE WAY:**

Without embracing one's Feeling Healing process and receiving Divine Love, the Love of our Mother and Father, our progression is totally dependent upon our own personal endeavours and capabilities, that is, our perseverance and willpower.

We are all blessed with natural love, which is the essence of our soul. To develop ourselves to that of being the perfect man is a slow and persistent application of our own attributes and will power, the time required to achieve such perfection may take many centuries of dedication, and even then we only become the perfected being fitted for the 6<sup>th</sup> sphere of the natural love spheres. We cannot progress any further without embracing the Love of our Mother and Father, the Divine Love.

Once we recognise the availability of our Parents' Love and begin to ask for and receive it, our progression begins to escalate exponentially. Further, with the Love we can become fitted to enter the Celestial Heavens, the first of which is the 8<sup>th</sup> sphere in progression. We can progress through the Celestial Heavens into the Eternal Spheres and then on into the Spheres of Paradise.

Accounts of spirit people who's condition have been so poor to fit them only for the hells, namely the Spheres of Disharmony, show that even they can progress from the lowest of conditions to being within the Celestial Heavens, way above the highest sphere of the Natural Love spheres, within or around three or so years. Some achievements have been:

James Padgett entered the Celestial Heavens within 28 months of his passing.

Helen Padgett was in the Celestial Heavens within 12 months of passing.

Nita Padgett progressed from low 1<sup>st</sup> sphere to Celestial Heavens within 24 months of passing.

Kevin Cooper died 10 August 2012, through Feeling Healing became Celestial on 7 August 2017.

Bradley Cooper, son of Kevin, suicided on 21 September 1999 and early April 2018, became Celestial.

Emperor Nero progressed out of the low hells to Celestial Heavens by receiving Divine Love.

Emperor Julius Caesar moved from the hells to 3<sup>rd</sup> sphere within 19 months from receiving the Love.

George Butler progressed from the hells to the 3<sup>rd</sup> sphere within 38 months by receiving the Love.

President Grover Cleveland moved from dark spheres / hells to 3<sup>rd</sup> sphere in 20 months with Love.

President John F Kennedy became Celestial following 15 years embracing Feeling Healing process.

R. Ross Perry progressed from the hells to 3<sup>rd</sup> sphere over 30 months by receiving the Love.

**It is only one's Feeling Healing with the Love that forgives sin, dissolves the errors and fits a person for a higher habitat.** Man, left to his own devices, can require many centuries to grow and then cannot enter the Celestial Heavens.

Focusing only upon personal development may remove, or most likely reduce in significance the influence upon one's personality man-made emotions that are obviously those emotions that bring about harm to others as well as to one's self. We are never able to fully remove man-made emotions from our personality. That is, only when we are fitted to enter the Celestial Heavens and being at one with our Parents are we free of the embellishments of man made emotions. Yes, as we progress in our development such man-made emotions are progressively diminished and subsequently put aside due to our personal willpower, however that typically requires eons of application to this cause.

By embracing the Mother and Father's Love then we bring about rapid growth and development of our soul condition as it is our Mother and Father's Love with Feeling Healing that progressively dissolves man-made emotions that we have taken on board, typically during our very early childhood due to our family environment. **Embrace one's Feeling Healing and the Mother and Father's Love to complement one's personal willpower and grow in soul condition exponentially for all of eternity.**

## The CHOICE is OURS to MAKE:

### Celestial Truth:

Truly all-loving;  
 Living true to oneself;  
 Mind supporting Feelings;  
 Living with the Divine Love;  
 Fully Healed of the Rebellion and Default.

### THE FEELING WAY

Feeling – Ascendance  
 Unlimited progression

- Living true to your untruth;
- Honouring all your bad feelings;
- Expressing feelings to uncover their truth;
- Healing the Rebellion and Default within yourself;
- Feeling unloved; being unloving;
- Feeling as bad as you can feel;
- Feeling like you are no one special;
- Longing for the Divine Love.

### THE MIND WAY

Mind – Transcendence  
 Limited progression

- Enlightenment, Nirvana, feeling all-loving;
- All false, mind-contrived. Anti-truth, anti-love;
- Still evolving the Rebellion and Default within yourself;
- Feeling and believing you are the Superior One;
- Living with your mind in control of your feelings;
- Living rejecting all your bad feelings;
- Living with your mind contriving you feel loved;
- Rejecting the Divine Love.

All religions, New Age, agnostic,  
 atheists, no spiritual interest,  
 Living the Rebellion and Default.

Hell:  
 Exploiting the Rebellion and Default.

The Feelings are the doer; the Mind the teller. So we are to go with our feelings, which we can't be told to do with our mind. So the longing for the Divine Love, doing our Healing by expressing our feelings and longing for their truth, are all feelings and doing it with longing. Whereas the mind just wants to tell us what to do and how to be, no feelings in it, all how our parents have treated us.

## Our FEELINGS are our SUPREME GUIDES:

# Feelings!

Feelings are what guide us through our ascension of truth. So they are really our Supreme Guides. Many people look for a person, spirit, angel, even God, for supreme guidance, however it's all right there already built in – in our feelings. We just have to submit to them, allowing them to take us where they will, expressing all the parts we want to express, letting the emotion drive that expression if it's there to be expressed, or just talking about all we feel and how feeling that feeling is making us feel – or, how we feel about having that feeling, all whilst longing for the truth of our feelings. Longing for the truth of our feelings is really: Longing for the truth of our self, because: we are our feelings. So life stirs up our feelings, we feel being alive; or, being alive means we are feeling, always feeling; and when we work out what and why we are feeling what we are, so then we know the truth of how we are. And over time the truth accumulates, and our mind expands our understanding of ourselves, all being driven from our feelings. Kevin 26 Sep 2017

## Using our feelings to uncover the whole truth of our negative or anti truth and anti love state.

Kevin: So whilst we're of an untrue state, then all we have got to help us understand why we feel bad, why we are wrong, why we are negative and anti love and truth, is our feelings. So if we focus on our bad feelings, they will lead us to the truth of why we're feeling bad. Which will be the truth of what happened to us to make us be this wrong way, and how we took on the wrong way and keep it going making us feel bad.

## FEELING HEALING

**Note:** The vital difference between emotion and feeling is that emotions have their roots in the past, and feelings relate to the present moment. Emotions represent our feelings which were not previously expressed, and these accumulate with time.

**Note:** Our feelings are soul-based. Our soul is always in truth. It is our soul based feelings, that when allowed to be freely recognised, we will begin to express and be who we are. This takes time and perseverance as we have encrusted our souls with layers upon layers of errors and false beliefs, it is these layers that will confuse the truth that our soul is conveying to us. Only by our progression with our Feeling Healing will our soul's expression of truth become clear and free of all cloudiness and contamination.

“What our soul needs in accordance with our own, individual, **Soul-Light-Plan-Of-Destiny** (your life's true destiny plan), They, being our Mother and Father, will give you as required. The only way we can know truly what we need is to honour and follow our true feelings. They, springing from our soul, literally telling us what we need, and so when we genuinely feel we need something, we apply our will to get it. The hard part is knowing if our feelings are true, and until we have done our whole soul-healing, they won't be clear and total true.” James – Introduction Course to Divine Love Spirituality

# FEELING HEALING + SOUL HEALING

To heal one's self is to simply look to see what feelings we are refusing to let ourself feel, and accept them instead of denying them. And to fully accept them, one needs to express them, speak about them, let them have their say, rather than pushing them aside, refusing to let them make you feel bad.

Doing this all with the intention of seeking the truth of why you are feeling them, of speaking about and expressing all such feelings; all feelings you have, but ALL WITH the INTENTION of UNCOVERING the TRUTH THEY WANT YOU TO SEE ABOUT YOURSELF. And it's the wanting to see the truth of them that is very important, because if you just look to accept them and speak and express them, but not seek their truth, then that's all you'll be doing, speaking and expressing them, but not healing their causes, so not fixing the things within you that are making you feel bad. And it's the truth part of it, seeking the truth of your feelings, and so, seeking the truth through your feelings, that's vitally important. It's the truth of yourself, life, nature and God, that is the spiritual aspect to it all.

You CAN'T find the truth of yourself, or anything else, through and with only your mind. You HAVE to engage and look to your feelings. And so if you choose to allow your feelings to 'Show You the Way', then the truth will come as you express them. So to do our Soul-Healing consists of these steps, all of which are ongoing until it's done:

- **Admit you are feeling bad.**
- **Accept your bad feelings, identify what they are.**
- **Honour fully your bad feelings by expressing them, speaking about them to someone who is willing to hear you talk about them, or tell them out loud to our Heavenly Parents. Long for the truth of them. Long for the truth of why you feel bad – what deep within you is causing your bad feelings?**
- **And remember, bad feelings are Good! Not bad. They are not to be despised. And as hard as it is to accept them, they are still you, and a very real part of you. And if you persist in denying them and not allowing yourself to fully live them, then you are only going to keep yourself in your errors making things harder for yourself.**
- **All sickness and suffering, all bad things that happen to you, all your problems, all your addictions – your whole feeling-denying and untrue life, is all caused by your denial of bad feelings.**
- **Every problem in the world is brought about because everyone has been brought up to deny feelings, and in particular, most of their bad ones.**

If one is intent on spiritually evolving and growing in truth, then it's vital, and this is the key, that one looks to use one's feelings as the means to gain and have access to the truth of oneself. You CAN'T find the truth of yourself or anything else through and with only your mind. You HAVE to engage and look to your feelings. And so if you choose to allow your feelings to 'Show You the Way', then the truth will come as you express them.

Doing your Soul-Healing with the Divine Love, is really doing your 'Feeling-Healing'. We are designed — created — to be self-revealing of truth, and so we are all to uncover the truth within ourselves and for ourselves, and all being done by living true to our feelings. **If you accept, express and seek the truth of your feelings, then truth will come to you, and you'll grow spiritually. It's as easy as that. Also it is as easy as it is to long for, ask for and receive Divine Love.**

THE HEALING OF YOUR BAD FEELINGS THROUGH THEIR ACCEPTANCE  
AND FINDING THE TRUTH OF THEM, IS THE ACCEPTANCE OF YOUR  
NEGATIVE, REBELLIOUS, EVIL, IMPERFECT MIND AND WILL CONDITION.

To do our feeling-healing we need to become:

Aware of – Acknowledge – and Admit, our bad feelings.

So we can:

Accept – them and allow ourselves to Be them.

And then if we feel to, take:

Action – Express, speak and emote them.

Talk about them.

All being done whilst longing to, really wanting to, see the TRUTH of our feelings.

So it sounds simple.

So I repeat:

We accept our bad feelings by expressing – speaking about them to someone willing to listen to us and take us seriously. And as we speak we long for the truth of them – why we are feeling them – to be made known to us. And when we uncover and see the truth we are FREE! – healed of the causes that have made us feel bad.

Accept, Express – see the Truth, and you're Free!

ACCEPTANCE OF ALL YOU FEEL, THINK AND ARE, IS THE KEY TO DOING  
YOUR HEALING; THAT, AND WANTING TO SEE THE TRUTH OF ALL YOU  
FEEL, THINK AND ARE.

**Release one's pain through expressing one's feelings.**

**in conjunction with**

**Longing for the Truth when also longing for Divine Love.**

# Feelings First Spirituality

## The New Way

**Feelings First**  
**FF**  
**Feeling Free**

The New Way, Feelings First Spirituality  
 Learn to live with God through your Feelings

Accept, express and long for the truth of your feelings

Be free in your feelings  
 Free your feelings from your mind's control  
 Live true to your feelings; your feelings are your true self  
 Live true to yourself through your feelings

Live true to yourself by living true to your feelings.  
 Long for the truth of your feelings.

Accept / Express / Bring out ALL of your good, and most importantly,  
 BAD feelings.  
 Want to understand why you're feeling them.  
 Use your surface feelings to take you deeper into your repressed and  
 hidden feelings.

The Feeling Way is the True Way.  
Your feelings are your spiritual guide.  
Your feelings will take you to God.

Your feelings will show you the truth of your relationships, including your relationship with God; and if anything is wrong, untrue and unloving, then why it is.

Our feelings are sacrosanct and we should respect them accordingly. And we should NEVER block them out, ignore, override, banish, deny or reject them, because if we do, we're only doing that to ourselves, as Our Feelings Are Our Self.

Our feelings are the gateway to our soul. Our feelings are the closest we can get to our soul. Knowing the truth of our feelings is knowing the truth of our soul, and knowing the truth of God.

Feelings First Spirituality is the True path for humanity.

It embraces all people.

It completely unifies the world.

Everyone can relate to everyone else through their feelings.

And we can all live the truth that comes from our feelings, all sharing the same truths as we express and have the same feelings.

No one need be left out; no one is more special than anyone else – we are all united in Truth through our feelings.

So with and through our truth we live our lives, therefore without the need of any man-made mind-laws, rules and restrictions that limit self-expression as inspired by our feelings.

The New Way, Feelings First Spirituality is what is to replace all man-made, mind-contrived religions that so many people have enslaved themselves to. The New Way, Feelings First Spirituality will set us free of all that control, ending the Rebellion and Default within ourselves as we do our Feeling-Healing, and ending such control and spiritual stagnation in the world.

Bring on the End Times – get it over and done with! Let's all see that Jesus is not going to come again, that Prophecy has failed all the mind-controlled platforms. Allow such false systems of belief to die their long-awaited natural death, they've overstayed their welcome, it's now time they fade away. So let us show such antiquated, erroneous systems of belief the exit and bring on the fresh liberation of discovering the truth of how we are to live for ourselves, each of us personally in our lives, and all by looking to our own feelings for it. Self-revelation through our feelings is the way to go.

The Way of the Mind is ending, and is really the End Times – the End of our mind control, and **it's**

**about time!** With the Way of our Feelings replacing it.

The End Times means the end and therefore a New Beginning. And that new beginning is a whole new Spiritual Age – an age based on self-revelation of truth through one’s feelings, coupled with and supported by higher revelations from the Celestial spirits, angels and nature spirits.

The Feelings First Spirituality is the True Way to God because it helps you get to know God, helping you to reach out, connect and be personal with God, and do God’s Will, all through your feelings. It is the only true way of getting to know the God of Feelings – our beloved Heavenly Mother and Father, the Great Soul of Divine Love.

Love comes through our feelings and not our mind, as we’ve all been wrongly led to believe.

**Feelings First; then comes The Truth; then comes Love.**

# REVELATIONS

**Revelation 1:** Our soul becomes encrusted with harmful ways of life, plus negative and erroneous beliefs, these mainly stem from our childhood upbringing and environment. Thus we live untrue to ourselves, we become 'evil'. Whilst we hold to these injuries we limit the amount of Love that we can receive into our soul. To open our soul to the Love we must firstly and progressively feel into our emotional injuries and allow them to be released. Until we emotionally experience past errors and injuries we hold onto them.

To free our soul of damage and toxic emotions we must open ourselves to experiencing them. This is a progressive, slow and uncomfortable cleansing process that we must all experience. Only by addressing the generational injuries will we, as humanity, evolve in love.

To fully divest one's self of our badness, we have to 'go into' our feelings. Call this process of clearing toxic emotions as 'Letting Go', 'Emotional Processing', 'Journey Process' or 'Feeling Healing'. Embracing Divine Love then Feeling Healing becomes Soul Healing.

As part of our Feeling-Healing we will have to work our way into all our feelings to see if indeed they are coming truly from our heart and soul, or if they are being heavily influenced by our mind. And this will then lead us into questioning and uncovering the truth, if there is any, to our beliefs and why we behave the way we do; and is such behaviour based on truth, or is it based once again on untruth, belief, and rules of our mind.

**Revelation 2:** We can long for, ask for and receive the Mother and Father's Divine Love. The greater our soul is free of error and injury, the more of the Divine Love can be received and assimilated into our natural love formed soul. The Love does not free us of injury, however, it strengthens our resolve to continue on our journey to be free of error and injury, to step away from evil aspects that have been encapsulated within our humanness and soul. It is this Love, the Divine Love, that brings about immortality of our soul and it is this Love that will eventually fit us to enter the Celestial Heavens and progress for ever more onwards to Paradise. These two revelations free us from error and enable us to grow in love ever more.

**Immortality with the Love.**

# Steps UP!

## Quantum Jump 1

### REVELATION 1

James Padgett

1914 – 1923

James Padgett bravely introduced the availability of the Mother and Father's Divine Love and a great deal of additional guidance and information, all of which has been supplemented by Samuels, Judas, Reid and Arnold. All writers were under restrictions of personality and circumstances. Revelation 1 opened the door for humanity.

## Quantum Jump 2

### REVELATION 2

Marion and James Moncrief

2002

– ongoing

Marion and James Moncrief have recognised the need for one to engage in Feeling Healing and, by their actions, removed restrictions that James Padgett and others above endured, thus JM is able to critique the writings of the past 100 years resolving points of confusion as well as expand on what has been written. Revelation 2 is humanity's turning point.

Due to the extra-ordinary nature of Revelations 1 and 2, humanity with the first Revelation would have continued on into its negative pathway of living, however, combining the first Revelation with Revelation two, now humanity can embrace this turning point and commence its evolutionary growth that has required two thousand years to put in place. This is the greatest event in the history of humanity and very few are aware of such, until we enable others to become aware.

# Divine Love

## The Gift that keeps Giving

*A general universal platform on how to experience Divine Love*

As more people become aware of the *Divine Love*, how to experience the Divine Love required a need to provide a general universal platform that is simple yet an effective way for one to experience *Divine Love*. People may learn about the availability of *Divine Love* by word of mouth or from reading literature that introduces this gift for our soul, and also by participating with group dynamics where the *Divine Love* is introduced and discussed. The essence of this standard platform is its independence so that the individual may feel guided to include this simple platform in their daily life and experience of *Divine Love*.

The platform introduced here is a technique that is simple, constant, practical and has been utilised in the general public for over 20 years with good consistent results, accommodating participants and their diversity of belief and cultural background. This platform is a reliable place to begin with the experience of *Divine Love*. It needs to be confirmed that accepting *Divine Love* rests with our soul and heart and that to experience this Love will comfort one in their individual faith experience as we all aspire toward the greater reality of Love, Truth and Spirit.

### A Universal Platform on How to Experience the Divine Love:

Firstly, you are aware now that you can experience the *Divine Love*.

Find a comfortable chair; sit down in a relaxed and normal position.

Close your eyes and take 3 deep single breaths in through your nose and out through your mouth to clear energy and to relax into this experience. Have a little faith and proceed without great expectations.

Gently turn your inner heart and voice to the Soul, God in faith when you feel ready, ask the Soul, God with your own loving voice for an inflowing of *Divine Love*. Having asked sincerely, there is no need to continuously ask. The Soul, God hears sincere love in the asking and so The Spirit that brings the Love acts, and *Divine Love* is now flowing.

Having asked once, you will be receiving the *Divine Love*.

Proceed without expectation on what will happen as you experience the Love.

Sometimes your mind may wander – or there are thoughts, feelings or physical sensations. Experiencing the *Divine Love* is never a forceful experience.

Continue for as long as you feel you would like to. This may be for 5 minutes or 20 minutes or an hour. Time will vary for the needs of the individual or group.

Take another few deep breaths to assist your focus. Give our love to the Soul, God and in our own voice inwardly say this Soul, God that you love this Soul and are grateful to receive this *Divine Love*.

Then when you feel ready, open your eyes and take another deep breath or two, and this closes the experience.

### Some helpful hints:

- This general universal platform on how to experience the *Divine Love* is uncomplicated. Some people have utilised this platform for over 20+ years, never needing to change.
- The essence of this standard platform is to experience the *Divine Love* in a comfortable way therefore this technique needs to be simple, effective and inclusive.
- Experiencing the *Divine Love* can be a long-term experience so to have a practical, simple, functional standard platform solves a lot of problems about *how* to experience the *Divine Love*.
- From this general platform people who like prayer or meditation, reflection, spirit communication, or just being *in* and *with* the Love can extend their experience from this standard position.
- Lastly, enjoy! And know that when a person is experiencing the *Divine Love* that one is in the tender care of the Soul God, and that no spirit interference will happen, for no spirit can interfere with the Sovereignty of *Divine Love*, which is God's Alone!
- Enjoy, Celebrate and Shine!

A gift of experience from Zara and Nicholas endorsed by many, many others.

**P.438 Book of Truths through James Padgett / Jesus**

Let your prayer be as follows:

**Our Father, who art in heaven, we recognize that You are all Holy and loving and merciful, and that we are Your children, and not the subservient, sinful and depraved creatures that our false teachers would have us believe. That we are the greatest of Your creation, and the most wonderful of all Your handiworks, and the objects of Your great soul's love and Tenderest care.**

**That Your will is that we become at one with You, and partake of Your great love which You have bestowed upon us through Your mercy and desire that we become, in truth, Your children, through love, and not through the sacrifice and death of any one of Your creatures.**

**We pray that You will open up our souls to the inflowing of Your love, and that then may come Your Holy Spirit to bring into our souls this, Your love in great abundance, until our souls shall be transformed into the very essence of Yourself; and that there may come to us faith--such faith as will cause us to realize that we are truly Your children and one with You in very substance and not in image only.**

**Let us have such faith as will cause us to know that You are our Father, and the bestower of every good and perfect gift, and that only we, ourselves, can prevent Your love changing us from the mortal to the immortal.**

**Let us never cease to realize that Your love is waiting for each and all of us, and that when we come to You, in faith and earnest aspiration, Your love will never be with-held from us.**

**Keep us in the shadow of Your love every hour and moment of our lives, and help us to overcome all temptations of the flesh, and the influence of the powers of the evil ones, which so constantly surround us and endeavour to turn our thoughts away from You to the pleasures and allurements of this world.**

**We thank You for Your love and the privilege of receiving it, and we believe that You are our Father --the loving Father who smiles upon us in our weakness, and is always ready to help us and take us to Your arms of love.**

**We pray this with all the earnestness and longings of our souls, and trusting in Your love, give You all the glory and honour and love that our finite souls can give.**

**Amen**

**MoC**

Note: The 'false teachers' are our parents, as they are also the 'evil ones'.  
Also, the evil ones, being those parts of one's mind, that are controlling you.

## What is the Divine Love?

*"The Divine Love is that Love which belongs to or is a part of God, possessing His nature and composed of His Substance, and which when possessed by man to a sufficient degree, makes him divine and of the nature of God." – Jesus, in a message received by James E. Padgett through spirit communications on May 15, 1917.*

**"The Divine Love of our Mother and Father is the greatest thing in all the world,** and the only thing that can make man at-one with God, and change the soul of man as it has existed since his creation into a divine substance filled with the essence of the Father. There is nothing else in all the universe of God that can cause man to become a new creature and an inhabitant of our Mother and Father's Kingdom; and when men possess this Love then they possess everything that will make them not only the perfect man but the divine angel." – **Apostle John**, in a message received by James E. Padgett on August 5, 1916.

**DIVINE LOVE:**

<http://www.fcdt.org/divinelove.htm>

The words "Divine Love" have been used in many contexts to convey different meanings. But in the context of our Heavenly Father, Divine Love is the greatest gift in all the universe. It transcends all else that can assist humankind fulfil their dreams of happiness and have them resolved within themselves. God's Divine Love is the one thing in all of God's infinite universe that can bring about eternal life and everlasting happiness in the Celestial Kingdom.

***What is Divine Love?***

The Divine Love differs from the natural love of man with which he was endowed when created, which belongs to all humans, and which they all possess in a more or less perfect condition in this: that the Divine Love is that Love which belongs to or is a part of God, possessing His Nature and composed of His Substance, and which, when possessed by a human soul to a sufficient degree, makes him divine and of the nature of God.

***What is the New Birth?***

The New Birth is simply the effect of the flowing of this Divine Love of the Father into the soul of a man and the disappearing of everything that tends to sin and error. As the Divine Love takes possession of the soul, sin and error disappear. It, the soul, becomes of a quality like the Great Soul of the Father. And with the Soul of the Father being Divine and immortal in Its quality of Love, so, when the soul of man becomes possessed of this quality of Love, the soul being the man, this soul becomes divine also. Then, the image becomes the substance; the mortal becomes the immortal; and the soul of man, as to love and hope, becomes a part of the Father's Divinity.

***How does one receive the Divine Love?***

The only way is simply this: that men shall believe with all the sincerity of their minds and souls that this great Love of the Father is waiting to be bestowed upon each and all of them; and that when they come to the Father in faith and earnest aspirations, this Love will not be withholden from them. And, in addition to this belief, that they pray with all the earnestness and longings of their souls that the Father will open up their souls to the inflowing of this Love, and that then may come the Holy Spirit to them to bring this Love into their souls in such abundance that their souls may be transformed into the very Essence of the Father's Love. The soul who will thus believe and pray will never be disappointed, and the Way to the Kingdom will be his as certainly as that the sun shines by day upon the just and unjust alike.

***Take the test.***

Too often we are told to believe something based on what we are told. You don't have to "believe" anymore. Now you can have physical proof of the existence of God and His Love for you?

*"test my teachings that the Father's Love was now available, and pray for it to the Father in earnest prayer, and see whether, if this was done in sincerity, the Father's Love, conveyed through the Holy Spirit, would burn and glow in the soul, by which sign they would realize His Love was present therein." – Jesus*

Take it to heart – earnestly pray for God's Divine Love and feel the glowing of His Love in your soul. Jesus gave us the Prayer for Divine Love to help us in our prayers to the Father.

**Note:** Following the writings of James Moncrief, one could consider that any reference to the Father, by other relevant writers, may be read as a reference to 'our Mother and Father'. Further, when considering soul healing, then reference to Divine Love could be referred to as 'Feeling Healing with Divine Love'.

*Everything is Inter-connected*

**The Three Great Truths:**

- “God is Soul, being our Heavenly Mother and Father;
- that each individual soul is a finite individual;
- and that the Divine Love is freely available for all to receive.”

## **Feeling Healing – Healing yourself through your feelings.**

- ✓ **Your feelings are the real and true you.**
- ✓ **If you are denying any feelings you are denying yourself.**
- ✓ **If you are denying yourself you can't ever be truly happy.**
- ✓ **To heal all your pain and suffering, you can look to your feelings for why you are feeling bad.**
- ✓ **If you want to know the truth of yourself, then it's your feelings you will need to look to.**
- ✓ **Your feelings hold the hidden keys to unlocking the truth of who you really are.**
- ✓ **Uncover the truth of yourself through your feelings and you will know why you feel all you do.**
- ✓ **Everything in life, why all that happens to you does, and everything about yourself, can be explained to you through your feelings.**
- ✓ **Why your relationships might not be as good as you would like, why some might fail, you will understand through your feelings.**
- ✓ **How to live a good, true, happy and loving life will come to you as you start paying attention to all your feelings.**
- ✓ **However you will also have to pay attention to all your bad feelings, and this can be very harrowing.**
- ✓ **By honouring – accepting and then expressing all the bad feelings you feel, you will slowly bring to light all the reasons why you don't feel good.**
- ✓ **And as you liberate yourself from these hidden repressed bad feelings, so you will start to feel better and better about yourself.**
- ✓ **It's a process, and it can take time, years possibly, but all that's hard will eventually pass becoming good.**
- ✓ **Expressing all your feelings, and particularly your bad ones, whilst longing and really wanting to know the truth of why you're feeling them, is doing your Feeling Healing.**
- ✓ **You can Heal yourself through your feelings. And in fact, it's the only way to really heal yourself.**
- ✓ **And if you wish to do your Healing with God, you can also long for God's Divine Love.**
- ✓ **Feeling Healing – Using your feelings to heal yourself.**

## ***DIVINE LOVE – what does it do?***

**Divine Love, which is a substance, progressively:**

**Transforms one's soul from that which is of natural love to that which is Divine**

**As natural love is enhanced with the Parent's Love, we reject our tendency to error**

**Divine Love, our Parent's Love, restrains errors, untruths and emotional stress**

**As we reject the condition to error, we develop our love for our brothers and sisters**

**Divine Love helps one with the discovery of truth through one's soul-feeling healing**

**Our natural intelligence grows, perceptions rise with our soul intelligent feelings**

**As Law of Compensation is resolved, the Love reduces returning to being in error**

**Receipt of Divine Love, the Parent's Love, grows our faith, we become God reliant**

**As our faith grows our propensity to undertake one's Feeling Healing strengthens**

**With the Love, our Feeling Healing becomes Soul Healing, this we are to undertake**

**Without the Love we remain self reliant and dependent upon our own will power**

**Only with the Love will our soul condition grow rapidly, all around us also benefit**

**The Love is the only substance that changes the human soul to that which is Divine**

**Only by asking and receiving Love do we become fitted to enter Celestial Heavens**

**Only by asking for and receiving the Divine Love does our soul become immortal.**

## Manifesto of Divine Love:

1. We love one another as Mary and Jesus, our spiritual parents, love us. And so we seek their Spirits of Truth.
2. Our all loving Heavenly Parents, our Mother and Father, we love and honour at all times.
3. We worship only our Mother and Father, God, and Creator of all things.
4. We treat our Creator's name with respect and love, and earnestly seek Their Divine Love, and at all times pray for It, ask for It, and receive It.
5. We set aside a regular day each week for Sabbath rest and worship of our Heavenly Parents, God, and seek Their Love so that we may grow closer to Their fountain head of Truth and Love.
6. We are to be as we feel, even if it's sinful, but in doing something that is not in alignment with God's Love and Truth will make us feel bad, that is provided we allow ourself to feel our bad feelings, and so we can then use our bad feelings to find out the truth of why we feel bad and why that thing we have done is bad. We embrace our Feeling Healing.
7. We strive to cause no harm to another, nor cause any harm to one's self. We do not do to others what we would not have them to do to us. We treat our fellow human beings and all living things, and the world in general with love, honesty, faithfulness and respect. Violence, at any times, is never justified. Golden Rule: that one must always honour another's will as one honours one's own.
8. At all times in our intimate relationships we strive to express and live true to all our feelings, all so we can use our feelings to uncover the truth they are trying to show. The truth of ourselves, of our relationships, and the truth of everything else, including God.
9. We do not covet or steal anything that does not belong to us. Honesty in all communications, actions, undertakings and activities in all facets of life is our rule of life.
10. In all that we do, we are to be truthful. We are non-judgemental, for none of us have the capacity or authority to judge another. We are always ready to forgive all wrongdoing.
11. We do not desire anything or anyone that does not belong to us. Comparing oneself to others and longing to have what they have leads to errors. We are to be content by focusing on the blessings our Heavenly Parents, who made us in Their soul's image, provides for us.

### **What is Divine Love?**

**It is the Divine Love of God, our Heavenly Parents, restored to all mankind by the births of Jesus and Mary.**

### **How do we get this Love?**

**By sincerely asking God, our Mother and Father, and receiving the Love that passes all understanding.**

### **What happens then?**

**We are born again in spirit and in truth, our soul opened to the Soul of God, our Heavenly Parents.**

### **What then do we know?**

**We know we are all children of God and want to pray always to our Heavenly Parents, always longing for Truth.**

### **What is the purpose of Feeling Healing?**

**We are to seek the truth of our feelings and unburden ourselves from our childhood repression and injuries.**

### **What of the world?**

**We are at peace in the world and fearless. In Divine Love and in Truth there is no fear.**

### **What else?**

**We are to strive to love everyone unconditionally as our Heavenly Parents and as Mary and Jesus love us.**

With DIVINE LOVE one's potential in growth is to infinity, progression is typically many multiple times faster than for those who remain NATURAL LOVE dominant and restricted in their growth potential to that of only becoming the perfect man whereas Divine Love with Feeling Healing enables at-onement with the Mother and Father and entrance to the Celestial Heavens and beyond.

The luminosity of DIVINE LOVE compared to that of NATURAL LOVE personality.

Embrace the availability of the Feeling Healing Process and Divine Love, all one need do is to earnestly long for and ask for our Parents' Love. It is an energy that surpasses all that is.

It is with this energy melding within one's soul that heaven on earth is achieved.

Nothing else can bring about the joy and love we strive for.

**FEELING HEALING and SOUL HEALING with the DIVINE LOVE:****James Moncrief Publications:****all publications are free downloads:**<http://divinelovesp.weebly.com/my-free-books-and-free-padgett-messages.html>

It is suggested for one to consider reading as follows:

**Speaking with Mary Magdalene and Jesus – books 1 – 4**

These four books encapsulate the second of the revelations with the first having been introduced by James Padgett one hundred years previously. These four books provide a wide range of guidance that has never previously been made available.

**Paul – City of Light**

As a gentle intro into the Divine Love and Healing; being James Moncrief's first novel and it's been criticised as being too heavily clichéd, but that's the point because it's a reflection of how he was back then.

**Ann and Terry**

For an example of people who might want to immediately start working on themselves and doing their Healing.

**Feeling Bad? Bad Feelings are GOOD**

For more understanding about our denial of our feelings and why we should not deny our feelings, and it includes how it all came about for James, using himself as an example.

**Feeling bad will make you feel BETTER – Eventually!**

This includes specific examples of Marion and James working on expressing particular bad feelings, again with the hope that it will help others gain something of an idea as to what's involved in doing your Feeling Healing.

**Sage – and the Healing Angels of Light**

Through Sage who's 13 years old, the story is primarily about the two aspects of healing; that being, with the help of our angels, and the full Healing we can do by looking to our feelings for their truth.

**Religion of Feelings  
Feeling Healing****Welcome to LOVE – the Religion of Feelings  
you can heal yourself through your feelings**

So these books, including the four Speaking with Mary Magdalene and Jesus books, provide the essence of it all and are examples of James' work. Then it's up to whatever takes one's fancy. Other reading to consider may include:

**The Padgett Messages being published as:****The True Gospel Revealed Anew by Jesus volumes 1 – 4****Book of Truths by Joseph Babinsky****The Urantia Book****Release one's pain through expressing one's feelings.****in conjunction with****Longing for the Truth when also longing for Divine Love.**

**FEELING HEALING with DIVINE LOVE is SOUL HEALING:**

*A collection of 'papers' that draw together specific topics including all of the above and more from other sources of information and revelation designed to help increase one's awareness about why we have the problems we do and how to heal them, all whilst living a more healthy and sustainable life. They provide a brief snapshot of the more complicated topics and issues.*

**Firstly, consider discovering the truth of your emotional pain through Feeling Healing. Secondly, consider longing for our Heavenly Parents' Love as you progress with your healing. Primary and most important readings are the writings of James Moncrief. Then consider the Padgett Messages, and then The Urantia Book.**

**On the WINGS of a BUTTERFLY:** No 12, Traveller, an immortal journey, via Zara and Nicholas

Once upon a time there was a butterfly sitting with closed wings in a person's heart. This butterfly had been sitting with wings closed for a long time. The person couldn't figure out why they always felt a little sad. One day, this person asked another person why they feel sad. The response happened quickly and the person didn't like the response. It was said that perhaps your soul is sad. Several days passed and soon that person found themselves sitting by the sea. The sea has great longing to it. As the sun shone on a late spring day, the person thought about their soul and that perhaps, the person's remark was true, and that this person was a messenger of some sort. Suddenly a breeze swept through the beach and the person heard a distinct voice speak directly to him! The voice said, "Let your soul breathe in Divine Love." That was all the voice said.

The person didn't know what the Divine Love was or where it was, but now the sadness had greater longing so the person decided to breathe in the Divine Love and just like that – the closed wings of the butterfly opened and the person's sadness started to dissolve. Happiness will be mine the person thought upon feeling the Love and this will take time for me to learn how to live such happiness.

Never again, in the heart of that person, did the butterfly close its wings.
