I am here, a stranger, but a spirit interested in the work that you are doing for the Master, and also for many spirits, good and bad.

I am writing by permission of your band, and hence, do not feel that I am intruding. So if you will kindly bear with me, I will say a few words.

I am a spirit in love with the efforts that you and your band are making to help the unfortunates who come to you with such pitying tales of suffering and darkness, and ask for help. I was once, when on Earth, a man who suffered much because of my spiritual darkness, and not until late in life did I find the way to my (ed: Mother and) Father's Love through prayer and faith – and even then I had many erroneous beliefs caused by the interpretations of the Bible then obtaining in the church of which I was a member – but since coming to the spirit land I have learned the truth, and have gotten rid of any old erroneous beliefs; and thank God, I am in the way that leads to life everlasting. I was a teacher when on Earth of what I thought were Bible truths, and I know that some good resulted from my teachings, although they were mixed with errors – but I have met many spirits of men who listened to my teachings, and believed many things that I taught. So you see, that even if the churches do teach many false doctrines in their creeds, yet mixed with these false doctrines are many truths, and these truths often find lodgement in the hearts of the hearers, and result in their finding the Light and Love of the Father.

I am still teaching mortals whenever it is possible to do. But I find that my task is a difficult one, because there are so few mediums who are capable of receiving the truths of the higher things of life, and the impressions that I make on mortals by the exercise of suggestions are not very encouraging to them or to me. Sometimes the impressions are received and understood but very often they have no effect.

If we could have more writing mediums, such as yourself (James Padgett), who are interested in these higher truths, and would believe that we could communicate such truths to them, the salvation of mankind kind would become much more rapid. But as Jesus said, the harvest is ripe and the labourers are few.

You have a mission, which is greatly to be envied, I mean in the best sense, because you by the exercise of your duties become the medium between the Master and man. And I want to tell you that such a mission is a glorious one, and will bring to you untold blessings because you have now, and will have with increasing power the influences of the higher world of spirits and angels.

The one Great Spirit, I mean the Master, is with you very often, and seems to love you so much, and his love and power are beyond comprehension. He is your friend and brother and the association with such a one will give you much spiritual excellence and power, which men have not often possessed.

At the same time that this mission holds forth so much glory and power, it also brings with it a great responsibility, and one which will demand of you the exercise of all your love and faith and energy. So you see with the great favour comes responsibility.

I have written rather longer than I intended to when I commenced, and I will now stop.

I live in the second Celestial Sphere where your grandmother, mother and wife live.

Well, I did not have the love and faith that they had, and my progress was very slow, and hence, they have overtaken me in my spiritual progress. They are wonderful spirits and have so much of the Father's Love in their souls.

I was a preacher, and lived the life of one after I separated from the church in which I had been taught the doctrines. My name was Martin Luther. Yes, Martin Luther, the Monk.

I now see that my teaching of justification by faith, is not of itself, sufficient for man's salvation. The true doctrine is that of the New Birth. I mean that with faith must come the inflowing of the Divine Love of the Father into the souls of men. Merely having faith will not suffice. Without this Love faith is futile, except as it may help to bring the Love.

So you see that while I was in my teachings an improvement on what I had been taught, yet I did not preach the great essential of the New Birth in the sense in which Jesus taught it and which should be understood by mankind.

Faith without works is not sufficient. Works without faith will not bring about the great results desired; and both faith and works without the New Birth or the acquiring of the Divine Love of the Father, are not sufficient to bring salvation to mankind.

Love is the fulfilling of the Law and Divine Love is the Essence of our Mother and Father, which, when possessed by men makes them one with Them. Let all men know that of all Divine Things, Divine Love is the divinest and makes man part of Divinity Itself.

Well, I have regretted so very much that my followers, believing in my teachings, worship Jesus as God. Oh, the great error of this belief and how much injury it has done and is now doing to men and spirits!

But, thank God I see the truth breaking into the consciences and minds of many of my followers, and I hope the time is not far distant when this great heresy will no longer be believed.

And the other false doctrine which is common to all the orthodox churches has caused much unhappiness and infidelity and disappointment both in the mortal world and in the spirit world. That is that Jesus' blood saves from sin or that he made a vicarious sacrifice to appease the wrath of an angry God, and thereby removed from men the penalties and burdens of their sins. This false doctrine has caused more men to lose their soul development, and rest secure in a false belief that they were saved from sin and immune from punishment, than has any dogma taught by the churches.

No blood, no death on the cross and no vicarious atonement saves a man from his sins and the resultant expiations, but Love, the Divine Love of the Father, which Jesus brought to the world and declared the way in which it might be obtained, and that it is free for all the Father's children, saves from sin both on Earth and the spirit world.

I must stop now and will come to you again if agreeable.

No I am not. To me all men are the children of God, and I have long since forgotten any distinction between the Germans and the other races of mankind.

But war is cruel and unholy and without valid excuse, and should never arise. With the love of a brother who wants all men to seek the light. I am the former monk and reformer.

Martin Luther, OSA, (German: [ˈmɑʁtɪn ˈlʊtɐ] (listen[ⓘ]); 10 November 1483 – 18 February 1546) was a German [friar](#), [Catholic priest](#), professor of [theology](#) and seminal figure of the 16th-century movement in [Christianity](#) known later as the [Protestant Reformation](#). Initially an [Augustinian](#) friar, Luther came to reject several teachings and practices of the [Roman Catholic Church](#). He strongly disputed the claim that freedom from God's punishment for sin could be purchased with money. He confronted [indulgence](#) salesman [Johann Tetzel](#), a [Dominican friar](#), with his *Ninety-Five Theses* in 1517. His refusal to retract all of his writings at the demand of [Pope Leo X](#) in 1520 and the [Holy Roman Emperor Charles V](#) at the [Diet of Worms](#) in 1521 resulted in his [excommunication](#) by the [Pope](#) and condemnation as an [outlaw](#) by the Emperor.

Luther taught that [salvation](#) and subsequently eternity in heaven is not earned by good deeds but is received only as a free gift of God's [grace](#) through [faith](#) in [Jesus Christ](#) as redeemer from sin and subsequently eternity in [Hell](#). [His theology](#) challenged the authority of the Pope by teaching that the [Bible](#) is the [only source](#) of [divinely](#) revealed knowledge from God and opposed [sacerdotalism](#) by considering [all baptized Christians to be a holy priesthood](#). Those who identify with these, and all of Luther's wider teachings, are called [Lutherans](#) even though Luther insisted on *Christian* as the only acceptable name for individuals who professed Christ.

[His translation of the Bible](#) into the [vernacular](#) (instead of [Latin](#)) made it more accessible, which had a tremendous impact on the church and on German culture. It fostered the development of a standard version of the [German language](#), added several principles to the art of translation, and influenced the writing of an English translation, the [Tyndale Bible](#). His [hymns](#) influenced the development of singing in churches. His marriage to [Katharina von Bora](#) set a model for the practice of [clerical marriage](#), allowing Protestant priests to marry.

In two of his later works, Luther expressed antagonistic views toward [Jews](#), writing that Jewish [synagogues](#) and homes should be destroyed, their money confiscated, and liberty curtailed. These statements and their [influence on antisemitism](#) have contributed to his controversial status. Martin Luther died in 1546, still convinced of the correctness of his Reformation theology, and with his decree of excommunication by [Pope Leo X](#) still effective. On his deathbed, Luther was asked: "Are you ready to die trusting in your Lord Jesus Christ and to confess the doctrine which you have taught in his name?" He answered "Yes", before taking his final breath.

Lutheranism

<http://en.wikipedia.org/wiki/Lutheranism>

Lutheranism is a major branch of [Protestant Christianity](#) that identifies with the theology of [Martin Luther](#), a [German](#) friar, [ecclesiastical](#) reformer and theologian.

Luther's efforts to reform the theology and practice of the [Catholic Church](#) launched the [Protestant Reformation](#) in German-speaking territories of the [Holy Roman Empire](#). Beginning with [the Ninety-Five Theses](#), first published in 1517, Luther's writings were disseminated internationally, spreading the early ideas of the Reformation beyond the influence and control of the [Roman Curia](#) and the [Holy Roman Emperor](#). The split between the Lutherans and the Catholics was made clear and open with the 1521 [Edict of Worms](#): the edicts of the Diet condemned Luther and officially banned citizens of the [Holy Roman Empire](#) from defending or propagating his ideas, subjecting advocates of Lutheranism to forfeiture of all property, specifying half of any seized property forfeit to the Imperial government and the remaining half forfeit to the party who brought the accusation. The divide centred primarily on two points: the proper source of authority in the church, often called the *formal principle* of the Reformation; and the doctrine of [justification](#) (often called the *material principle* of the Reformation).

Lutheranism advocates a doctrine of justification "by [grace alone](#) through [faith alone](#) on the basis of [Scripture alone](#)", the doctrine that scripture is the final authority on all matters of faith, denying the belief of the Catholic Church defined at the [Council of Trent](#) concerning authority coming from both the Scriptures and [Tradition](#). In addition, Lutheranism accepts the teachings of the first four [ecumenical councils](#) of the undivided Christian Church.

Unlike the [Reformed Churches](#), Lutherans retain many of the [liturgical](#) practices and [sacramental](#) teachings of the pre-Reformation Church, with a particular emphasis on the [Eucharist](#), or Lord's Supper. Lutheran theology differs from Reformed theology in [Christology](#), the purpose of [God's Law](#), the divine [grace](#), the concept of [perseverance of the saints](#), and [predestination](#).

Today, Lutheranism is one of the largest denominations of [Protestantism](#) and [Christianity](#) overall, with approximately 80 million adherents, making it the third most common Protestant denomination after historically [pentecostal](#) denominations and [Anglicanism](#). The [Lutheran World Federation](#), the largest global communion of Lutheran churches represents over 72 million people. Additionally, there are also many smaller bodies such as the [International Lutheran Council](#) and the [Confessional Evangelical Lutheran Conference](#), as well as [independent churches](#).

God is God, who is our Heavenly Mother and Father, being SoulMates. There is only one Soul that is God's Soul, that being the Soul of our Mother and Father. Our Heavenly Parents are the First Soulmates; The Two Who Are One who have brought us all into being.

Jesus and Mary are a son and daughter of God.

Jesus of Nazareth and Mary of Magdalene, being soulmates, were both free of sin. Jesus and Mary, combined in their love for us, are our teachers and guidance for us to find our way home to our Heavenly Parents. To start this journey we are to liberate our souls from being entombed within our suppressive minds, through feeling and longing for the truth of our feelings via our soul and peel away our injuries incurred since conception.

Give yourself time to consolidate your relationship with the Mother and Father through the partaking of Their Love. And whilst you are doing this, you can learn about your healing, all that's involved with it, as there are many willing spirits to share their healing experiences with you.

When you are ready it will start happening simply because you will want it to, it all being orchestrated by your soul. And when that time comes you will have developed a strong foundation in your relationship with the Mother and Father for you to work from. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

It is to make longing for God's Love the priority, and then do one's healing; should one want to include God and the Divine Love in one's feeling healing. This is doing your soul-healing as you are seeking to heal your soul of all evilness – of that which made you become evil, and release all the hurt and pain of not being fully and truly loved.

I am here, Luther – Martin Luther.

I came again because I want to tell you that I was with you this afternoon when you were reading the comments on the origin and different versions of the Bible. Among them was a reference to my version, and I want to say that while my version was a pretty correct translation, yet the manuscripts and other versions, upon which I based my translation, were not the real writings of those who profess to have written them. I mean that those manuscripts were not true copies of the original epistles and books written by those whose names they bear. Many interpretations and new constructions were given to the texts of the originals than you or any other mortal are aware of.

The Bible as now written and as I translated it, is full of contradictions and errors and makes the truth hard to ascertain. Take for instance that one subject of the blood redemption. No greater error was ever written than that the blood of Jesus saves from sin, or that his blood washes away sin. It seems to me now, so absurd that I wonder and am astonished that I could ever have believed in such an absurdity.

I know now that there is no efficacy in Jesus' blood to accomplish any such results, and the pity is that many men do so believe, and, as a consequence, neglect the one vital and important requirement necessary to salvation, that is the New Birth. This and this only saves men from their sins and fits them to enter the Kingdom of God, which is the Kingdom of Jesus, for he is the Prince of that Kingdom, and the ruler thereof.

Jesus never said any such thing, for he has told me so. This saying that his blood was shed for man, is not true. He never said it, neither did he say "[drink the wine](#)", being his blood, in remembrance of him, for the wine is not his blood, and neither does it represent anything that has to do with him or his mission on Earth, or his present work in the spirit world. How unfortunate that this saying is made to represent something that he did not say.

So in order to understand the real truths of God and man's relationship to Him and His plan of salvation, you must believe what the Master shall write you and what his apostles may write, for now they understand what his true mission was, and what he attempted and intended to teach when on Earth, and what he is teaching now.

I also will write sometimes and give you the result of my instructions and knowledge as I received them since being here. I will not write more to night.

Your brother in Christ, Martin Luther

Note: Following the writings of James Moncrief, one could consider that any reference to the Father, by other relevant writers, may be read as a reference to 'our Mother and Father'. Further, when considering soul healing, then reference to Divine Love could be referred to as 'Feeling Healing with Divine Love'.

I am here, Luther.

I came to tell you that you are not much benefited by the book (Pastor Russel's – "Atonement") you have been reading tonight, because it ignores the very foundation of the plan of man's redemption – that is the Divine Love which the Father bestowed on mankind at the coming of Jesus. The blood atonement is all wrong and misleading, and has done much harm to the truths of God and to mankind.

I will admit that there are many truths stated in the book and many that will do much good to humanity to understand and believe, but because of the great error in the vital point of the declaration as to the plan of man's salvation, these truths which the book contains may not do the good that they otherwise might.

Of course you who understand the true plan of salvation may make the true discrimination between those declarations which declare the truth and those which do not. But on the whole I do not see that the teachings of the book will do you much good.

Well, I know that the passage in John refers to the spirits of men who once lived on Earth and who communicated to the members of the early church in their places of worship, and elsewhere John has explained to you, and what he said, I have been informed by others of the apostles, is true.

The author of that book has certain theories, and, of course, he is construing all the teachings of the Bible in such a way as to sustain his theories. But he is wrong as he will discover when he comes to the spirit world.

He teaches that the soul as well as the body of man goes into the grave to await the great Day of Judgment, and there is no such place as the spirit world inhabited by the spirits of departed mortals and to maintain this position he quotes from some of the old books of the Bible. But these books were not written by men inspired by God to declare the truths, and the quoted expressions are merely the result of the purely human minds of the authors, who did not know what they wrote to be a fact, but because of the conditions in which they were in, they concluded that such assertions must be true. Let not the writings of these old writers or of the present day writers either, cause you to hesitate to believe what the Master may write as being true.

I merely wanted to say this as I saw that you are interested in this book and I wanted to warn you against letting it influence you in any way.

Yes, I say that Jesus Christ did come in the flesh, and I know it, for he is here a spirit and once lived on Earth, but that fact does not prove that any spirit who acknowledges that, is a true follower of him or a redeemed spirit of the Father.

There are many spirits in the spirit world who believe that Jesus, the spirit whom they sometimes meet, once lived as a mortal, and would, if asked, say that he lived in the flesh, but they are not believers in the

Divine Love of the Father, or have had the benefit of his great plan of salvation or acknowledged him as the saviour from sin and error. [So that the test set forth in the Bible](#) may have been considered a true test in the days of the early church, yet it is not now a very safe one for the reason that I have mentioned.

And if a test is necessary, I think a better one would be: try the spirits and everyone who does not acknowledge that Jesus is the best beloved son of God, and brought to the knowledge of mankind the rebestowal of the Divine Love, and declared to men the way in which that Love may be obtained, is not a spirit that should be communicated with for the purpose of learning spiritual truths. This test is better, because no spirit who has not received this Divine Love, or the New Birth, will acknowledge the existence of these things, because it has no knowledge upon which to make the acknowledgment. I must not write more tonight, but I hope the little that I have said may help you and others who have doubts, as to what the meaning of that part of the Bible, which refers to the trying of the spirits, is. I am very anxious to write you again as to some of the higher truths pertaining to the spirit world, and soon I hope that I may have the opportunity.

I will say good night.

Your brother in Christ,

Martin Luther

**Feeling
Healing with
Divine Love is
the key!**

**God's Divine Love: Pray for it, ask for it, and receive it.
God's Divine Love: is a light golden blue energy substance.**

By living true to ourselves, true to our feelings, we are living true to God. It's that simple.

Our Heavenly Parents simply desire for us to ask for Their Love.

Whilst we are receiving our Heavenly Parents' Divine Love, and that this Love is causing change within our soul and spirit attributes, the greatest Truth known to man and spirit is that this is the way our Mother and Father are actually loving us! When we progress, it is God's way of loving us into love and then we live what we are, love.

Luther sees the necessity of correcting many of the principles of belief of his followers.

I am here, Luther.

I come to tell you that I desire very much to write you before a great time shall elapse, as I have a subject that is important to me to reveal to mankind, and especially my followers in the Church which bears my name. I see the necessity of correcting many of the principles of belief which now hold my followers to bondage and prevent them from learning the truths as I now know them to be. So soon let me write, if you can possibly find the opportunity. I am very happy in my condition of love and living, and so want to help all others to learn the truth and become happy.

So, with my love and best wishes, I am

Luther describes the relationship that existed in his day between the laymen and the church officials.

I am here, Luther.

I came tonight in the hope that I may write my message of which [I spoke to you a short time](#) ago. Well, if you feel that you can receive the same, I will proceed.

In my day, the members of the Church – I mean the Roman Catholic Church – were dependent entirely upon the priesthood for all information as to the contents of the Bible, and the interpretation that should be given such contents, and very few of the laymen were able to possess the Bible, and scarcely any could read it, as it was written in the Latin tongue; and the inhabitants of my section of Europe were not acquainted with that language. (Martin Luther lived from 1483 to 1546.) The consequence of this was that all the people were dependent entirely on the priests for any knowledge of the will of God, and that only as the priests saw proper to convey the same to these people.

Many things were taught by these officials of the Church in such a way as to convince the people that the Church was the divine institution of God; and that, in every particular, as to the conduct of men, what the priests said and declared to be the will of God must be accepted without doubt or hesitation, and that the penalties of disobedience of these teachings of the priests would be in the form that they should prescribe, and that the wrath of God would fall upon all who should disobey these teachings of the Church.

The spiritual enlightenment of men was not attempted to any degree, and the requirements of the Church were that men should strictly obey the dogmas and tenets which should be declared to them by these instructions of the priests. Duty was the principal thing to be observed, and the utmost obedience to the commands of the Church must be performed, unless the Church itself should release the people from the performance of these duties.

Every violation of these commands was a sin, to which a penalty was attached which could not be avoided unless the priests should give to the believers an indulgence, and then to the extent of the indulgence the penalty was taken away. But in order to obtain this indulgence a compensation would have to be made to the coffers of the Church, depending upon the ability of the one receiving such indulgence to make. At a time when these indulgences were most prevalent, and when the Church was becoming rich from the revenues paid for the same, I commenced to revolt from the claims of the Church and declared my want of belief in the dogma that the Church could grant such indulgences, and absolve men from the penalties which their sins brought upon them.

You all know the history of the Reformation and its results upon the power of the Church of Rome, and how men were freed from the superstitions of the Church and how the reform grew in many of the Catholic countries, and new churches and beliefs were established. Well, I will not further recite any of these things, but merely say that what I have written is intended to be only preliminary to what the object of my writing is.

As men of thought, convinced of the false claims and superstitions of the Church and of the necessity of making known to mankind the truths of the Bible, I and several others, in our zeal, refused to recognize and accept as a part of the teachings of the reform belief many things which were contained in the Church's dogmas or teachings that were really true, or in a manner true, when relieved of their appendages which the Church had attached to the kernels of truth. As a consequence, we rejected many principles that we should have made parts of the beliefs and teachings of the new beliefs.

Well, I am sorry that you do not feel in condition to receive more at this time, but it is best to postpone the remainder. I will soon come and finish what I desire to write.

So, with my love and best wishes, I am

Your brother in Christ,

Luther

I am here, Martin Luther, One Time Monk and Reformer. I desire to [continue my message](#), if it is agreeable to you. Well, we will try.

When on Earth I firmly believed what was contained in our doctrines and teachings, and was sincere in trying to induce others to believe as I believed and taught, but after my long experience in the spirit world and my communications with Jesus and his apostles and others to whom the truths of the Father have come, I realize and know that many of my teachings were erroneous and should not longer be believed by those who worship in the churches that bear my name. My doctrine of faith – that is justification by faith – is all wrong when its foundation is considered, and the impossibility of understanding from my teachings and the church's tenets, just what can be intended by faith. Our faith was founded on the assumption that Jesus was a part of the Godhead and the only begotten son of the Father, who so loved sinful man that He caused His sinless and beloved son to die on the cross that divine justice might be appeased, and the burden of men's sins taken from them and placed on Jesus. Oh, the terrible error of it all, and how it has mislead so many of the believers to a condition of darkness and deprivation of the Divine Love of our Heavenly Parents, Mother and Father. No, such objects of faith have no foundation in fact, and such a faith does not justify sinful man or bring him in atonement with the Father, so that he becomes a redeemed child of God.

Jesus was not a part of the Godhead, and neither was he begotten in the way that I taught and my followers believe. He was the son of man, and only the son of God by reason of the fact that he had received in his soul the Divine Love of the Father, which made him like the Father in many of His attributes of Divinity.

God did not send Jesus to Earth for the purpose of dying on the cross or for the purpose of paying any debt or appeasing the wrath of his angry and jealous Father, for these qualities are not attributes of the Father – only love and sympathy and the desire that men turn from their sins and become reconciled to Him, are His attributes as affects the salvation of men. No death of Jesus could make any man the less a sinner or draw him any nearer to the Father, and faith in this erroneous proposition, is faith in an error and never has man been justified by it.

Jesus came to Earth with a mission to save mankind from their sins and that mission was to be performed in two ways only: the one by declaring to man that the Father had rebestowed upon him the privilege of receiving the Divine Love, and the other by showing man the way in which the privilege might be exercised, so that this Divine Love would become his, and thereby make him a part of the Father's Divinity and ensure him Immortality. In no other way could or can men be saved, and made at one with the Father; and faith in these Truths, which makes them things of possession and ownership by men, is the only faith which justifies.

I write this for the benefit, more particularly, of my followers so that they may learn the vital truths of their salvation and change their faith in the death and blood sacrifice of Jesus, to faith in the rebestowal

of the Divine Love, and in the further truth that Jesus was sent to show the way to that Love, and that he thereby and in no other manner, became the Way, the Truth and the Life.

I know that the acceptance of these truths will take from them the very foundation of their beliefs, and many will refuse to accept my new declarations of truth, but nevertheless, they must accept, for truth is truth and never changes, and those who refuse to accept it on Earth will, when they come to the spirit world, have to accept it, or exist in a condition where they will see and knew that their old beliefs were false and rested on no solid foundation; and the danger to many will be that when they realize the utter falsity and non existence of what they believed to be true, they will become infidels, or wanderers in spirit life without the hope of salvation or of becoming redeemed children of God.

I fully realize the errors of my teachings on Earth, and the responsibility that rests upon me for these teachings which are still spreading, and I am almost helpless to remedy them. And so, I write this message, hoping that it may be published in your book of truths.

I, Luther, the onetime monk and reformer, declare these truths with all the emphasis of my soul, based on knowledge in which there is no shadow of error, and which I have acquired from experience not founded on the claimed revelations to man by the voice of God. My knowledge is true, and nothing in opposition can be true, and the beliefs and faith of a man, or of all the inhabitants of Earth, cannot change the truth in one iota.

The Roman church taught the communion of saints, and I declare the communion of spirits and mortals, be they saints or sinners. That church taught the doctrine of purgatory and hell, and I declare that there is a hell and a purgatory and that probation exists in both places, and that some time in the long ages to come, both places will be emptied of their inhabitants, some of whom will become redeemed children of God and dwellers in the Celestial Heavens, and others will become purified in their natural loves and inhabitants of the merely spiritual spheres.

I pray and desire that my followers may become inhabitants of the Celestial Heavens and partake of the Divine Nature of the Father and Immortality. To them I say, hearken to the Truths as Jesus has and will reveal them in his messages to you, for in the Truths which he shall thus declare, they will find Life Eternal and the at-onement with God, for which they have for so many years been seeking in darkness and disappointment.

I will not write more tonight, but will come again soon, and reveal other vital truths, if you will find for me the opportunity.

So with my love and blessings, I am

Your brother in Christ,

Martin Luther

I am here, Luther.

I come tonight to say that I would like to write again very soon, as I desire to write further in the line of thought of my last message.

I see that you are too tired to write tonight and I will not ask you to do so, but if you can soon give me the opportunity to write, I will be much obliged.

Yes, I know, and I [enjoyed his message](#) and believe that it will be readily understood. What a Master he is! So beautiful and powerful and loving!

Your brother in Christ,

Luther

Note: Following the writings of James Moncrief, one could consider that any reference to the Father, by other relevant writers, may be read as a reference to 'our Mother and Father'. Further, when considering soul healing, then reference to Divine Love could be referred to as 'Feeling Healing with Divine Love'.

“Mother and Father, open my soul to this Gift, Your Love. Open my soul and may Your Holy Spirit touch my soul and pour within it your essence, your Love that I may be transformed, that I might be your true child, embraced and carried, lit along my life’s path in the glory of your Light and care and protection.”

GEMS for ALL PEOPLE of all AGES to EMBRACE:

The GOLDEN AGE!

Cause No Harm < to OTHERS
to MYSELF

Strive to love others as I am to love myself

At any time, any where, and in any way you so please:

Approach our Heavenly Parents, in reverence, without fear or trepidation, just as we, as a child, approach our earthly parents knowing that open loving arms are extended to receive us at all times. As one's love grows for our Mother and Father in the Heavens, we come to know with absolute clarity and certainty that our Heavenly Parents, loves you and me and everyone in return, at all times, and that fear is an illusion created by man's mind.

God, who is our Heavenly Mother and Father, is almighty, all powerful, infinite, and all loving. The love of the Heavenly Parents for Their children, man, has been and is always infinite and ever present. As one's faith evolves, one's love for our Heavenly Parents will have no limit. As we grow in Their love, so will we grow in love for all of God's creations and our fellow man.

The Source Soul, our Heavenly Parents, simply desires for us to ask for Their Love.

God's Divine Love: Pray for it, ask for it, and receive it.

"I love you Father." "Let the Divine Love flow its energy into my soul."

"Mother, Father, I desire your Love and I am loving you."

"Soul God, I love you and I love receiving and experiencing your Divine Love."

"True Soul God, I am here, I am aware of your Love. Please hear my aspiration for your Love and as I approach you from my soul, I can feel your Love in the way that you are loving my soul."

"Please Father and Mother, may I receive Your LOVE."

Maybe we could simply long for and ask:

Please, Mother and Father, I want some more of your Love!

Martin Luther on religious ceremonies.

(also dated April 16, 1916) True Gospel Revealed anew by Jesus, Vol II p 180, by Geoff Cutler
Received by James Padgett Washington D.C. June 29th, 1916

I am here, Luther.

I desire to write a short message tonight on the subject of: "**The observance of the ceremonies which my church still uses in its worship is not approved by God or Jesus.**" I will not detain you very long and will try to express myself as succinctly as possible.

Well, as you may not know, the church of which I am the founder believes and teaches the necessity of infant baptism and the observance of the Lord's Supper as necessary parts of its church doctrine, and of such very great importance that without them it is difficult to become an accepted member of the invisible church of Christ.

Nothing is further from the truth than these doctrines for the baptism of infants, for they have no virtue to save one from his sins or to make him in at-onement with the Father, and the mere fact that water is sprinkled on an infant's head and some blessing pronounced by the preacher does not in any way bring that infant in unison with the Father. Baptism is of man's creation and to God it means nothing more than an outward ceremony that affects the infant merely as regards its connection with the established earthly church. It is not possible for this baptism to have any effect upon the soul of the infant and neither does it open up the soul faculties to the inflowing of the Divine Love.

God cares not for these ceremonies, and rather looks upon them with disapproval, for their tendency is to make men and women neglectful of the great truth that will bring them in harmony with God's laws of Love and redemption. And the same thing may be said of any and all kinds of baptism, whether the subject thereof be an infant or a grown man or woman. As to the sacrament of the Lord's Supper, it has no part in God's plan for the redemption of mankind and it is merely a reminder of the association of Jesus with his disciples. It cannot affect the condition or development of the soul, and as now understood and practiced this sacrament is of no importance, for Jesus does not want to be remembered in the way of recalling to him the tragedy on the cross which was only the result of the malice and envy of the Jews; and the blood spilt is not an element that enters into the plan of the salvation of men. And besides, with this sacrament there is always more or less worshipping of Jesus as God, which he, Jesus, abhors and looks upon as blasphemy.

So you see, the celebration of the last supper is a thing which is not acceptable to God or to Jesus. He does not want men to believe that they can be saved by any sacrifice of him or by any blood which he may have shed as a result of his crucifixion.

Of course, you will remember that the question of what the wine and bread of the sacrament really were, was one that engendered much controversy, and even hatred and ill-feeling on the part of those who were assisting me in the great Reformation. If I had known then what I do now, no such question would have been debated or believed in by me and taught for many years. The blood of Jesus was no more than any other man's blood, and the commemoration of the last supper that Jesus gave his disciples before his death, is a useless ceremony and brings no help to those who indulge in this sacrament.

I see that you are tired and sleepy and I will not write more now.

So with my love and wishes for an increase in you of the Divine Love, I am Your brother in Christ,

Luther

Golden Rule: that one must always honour another's will as one honours one's own.

Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God's soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of your Mother and Father.

I am here, Luther.

I will not write much at this time but am anxious to continue my letter to my followers, and as soon as you are in condition I will come and hope that you will give me the opportunity. Well of course, I will have to wait until they have delivered these messages, but I have no doubt that there will be times when you will not be occupied by receiving their messages. I thank you and will come.

I have met both the Popes who were in the papal chair at the time that I went to Rome and when I was afterward persecuted and brought to trial before them. (Pope Leo X and [Pope Clement VII](#)) They are now in the Celestial Heavens but before they left the Earth sphere they were in very great darkness and suffering intensely, and thus repentance was very thorough and sincere. They were compelled to realize the great evil that the teachings and dogma of their church was doing to humanity and they devoted all their time in the spirit life to attempting to influence the priests and hierarchy of the great errors that they were teaching, but the result of their work was not very satisfactory for reasons that I have not time to explain now.

The state of the ignorant catholic layman is a very deplorable one when he comes to the spirit world, but that of the Pope and the priest is beyond all description. They are forever branded by the results upon their followers of their evil teaching and consequently suffer very much. Some time I will come to you and write in detail into the conditions and causes there is of these blind teachers of the blind. I must not write more tonight.

With my love I will say good night.

Your brother in Christ,

Luther

Editor's Note. The Padgett Tablett (summary of each message) suggests that the phrase "They are not in the Celestial Heavens" which is found in the publication, should in fact be "They are now in the Celestial Heavens". The text above has been altered accordingly, as also the heading.

Luther denies the efficacy of the Eucharist to save man. The bible is full of contradictions and error.

I am here, Luther.

I have come merely to remind you that I am waiting to continue my discourse to my people. I am very anxious to do this, and as soon as you get in condition I hope that you will give me the opportunity. Well, we will arrange that, and all that we desire is for you to get in condition. We are with you a great deal and try to assist you in every way possible.

Well you have asked me a question that I should like to have more time in which to answer than I have now. But in short, Jesus was not of the substance of God in the sense that the Catholic Church, following the Nicene Creed, claimed. He took on a part of the Divine substance as the Divine Love filled his soul, and so can you or any other man do to the extent that you may receive this Love. But to say, that Jesus was in his very being of the substance of the Father to that degree that made him equal to God, is erroneous, and should not be taught or believed in. He was born or created in the likeness of God in the way that has been explained to you and in no other. He was a man and not God, or any part of Him, and if he had not received into his soul the Divine Love, he would never have been of the substance of the Father. But being of a very spiritual nature, and in fact so much so that he was without sin, this Love commenced to come into his soul very early, as you may say, from his very birth, and at the time of his anointing he was so filled with it that you may say, he was of the substance of the Father in the quality that that Substance possessed of the Nature Divine. He was no more Divine though naturally, as I may say, than was any other mortal born of the flesh. I should like to write you a long message on this subject, and will some time, when convenient.

Well, all the speculation that has ever existed as to the Eucharist and the change in the qualities of the bread and wine, are untrue. Jesus is not in these elements in any particular or view that may be taken. His flesh and blood went the way of all other flesh and blood of mortals, and no more forms a part of the bread and wine than does your flesh and blood. This sacrament, as it is called, is very abhorrent to the Master, and when it is celebrated, I must tell you, he is not present, not only in flesh and blood but also not in his spiritual presence. He dislikes any kind of worship which places him as its object in the position of God or as the son of God who paid a great debt by his sacrifice and death. He wants God alone to be worshipped, and himself to be thought of only as the one who brought to light immortality and life by his teachings and the living demonstration of the truth of the existence of the Divine Love in himself.

He does not approve of the teachings of men that his death and his blood were the means of man being saved from their sins and becoming reconciled to God. He says, it was his living and teachings and demonstration of the Love of God existing in his own soul that showed the only true way to salvation. But, I must not write more now. So with my love I will say good night.

Your brother in Christ,
Martin Luther

Both are energies. Natural Love energy forms each soul and each individual soul is unique. Our personality, intelligence, memory, and humanistic characteristics are unique. It is our gift of free will that tends to enable us to error, however, it is the uniform nature of Divine Love and Feeling Healing that brings about our growth and release of man-made negativities.

Luther comments on Swedenborgian pamphlet entitled "Incarnate God"

Received by James Padgett Washington D.C.

February 28th, 1917

I am here. Luther.

I merely desire to say that as you read the pamphlet I read with you, and the description and explanation therein contained as to who God is, are entirely erroneous and blasphemous. Jesus never claimed or taught, while on Earth, that he was God, and this I say because he has so instructed us, and he never since becoming a spirit has made any such claim, and the teachings of the New Church in this particular are all wrong and tend to lead men away from the true conception of who God and Jesus both are.

Swedenborg has often conversed with me about his teachings and declared that his explanations as to God are not in accord with the knowledge that he now has, and that the teachings as contained in his books upon this subject were the results very largely of his own speculations, and the results of his endeavours in trying to reconcile what he thought was an absurd conception of the nature and being of God with the true interpretation of the Bible. He could not accept the doctrine of the Trinity, as explained and accepted and taught by the Church, and hence, being a believer in the inspiration of the Bible and its infallibility of religious truths he sought some exegesis (Critical explanation or analysis) that might be consistent with the Bible, and at the same time in consonance with his ideas of reason and common sense. But, as he now says, he added mysticism to mysticism, and irrational explanations to irrational explanations, and the result was that his teachings were more absurd and more difficult to understand than were the teachings of his church.

The doctrine of the Trinity, as you have been told, is not true, and never had any authority in the teachings of Jesus or those of the Apostles and Bible writers, and was merely the deduction of some of the old fathers of the church, arising from their speculations and desire to make of Jesus a God, though a lesser God than the Father, and at the same time one with the Father and a part of the Godhead that must be considered as being only one God, and as taught by the Old Testament writers and prophets that there is only one God.

This doctrine, of course, was absurd and, hence, was one of the mysteries of God, but, nevertheless was taught as a truth and incumbent upon man to believe whether they could understand it or not, which of course, they could not. But the doctrine was not accepted by all the writers of the early days, for as you know, there were bitter controversies among these expounders of what they supposed to be the scriptures, upon the question as to who Jesus was, and his relation to God. But as the years went by the doctrine of the Trinity became firmly established as a canon of belief in the church, and in my time on Earth it was believed, and not questioned by the church; and I believed it also, although I could not understand it.

Now, Swedenborg was a member of the church that bore my name and which I was credited with having founded, and believed in its doctrines, even as to the Trinity, and the actual transformation of the wine and bread into the blood and body of Jesus, and he continued in this belief up to the time of his wonderful visions of the spirit world and his experience in meeting the spirits and angels of that world, including Jesus, whom he in his writings claimed to be God, and with whom he had many conversations and from whom he learned the spiritual truths that he declared to the world.

As you have been told, in the working out of the plans of the Celestial Angels, under the leadership of Jesus, Swedenborg was selected as the instrumentality through whom the spiritual truths should be revealed to mankind, and in carrying out that plan, power was given to him to come in his spirit perceptions or his inner sight, as he calls it, into the spirit world and there see the conditions of spirits and angels, and also of their environments, and learn the higher truths from conversations with spirits and angels. And he did come in the manner indicated and communed as he has claimed, except that he never talked with God, but only with Jesus, who he misconceived to be God; and this cannot be wondered at, for Jesus was a spirit, so transcendent in glory and love and wisdom, that it was almost natural, as I may say, that the mortal in his new and unusual experience should conceive this glorious Jesus to be God himself. But it was not God, only Jesus, that this seer saw and listened to.

Having a conception of this kind, you can readily see that when he came into his mortal self again, and many times this occurred, he firmly believed that Jesus, who had form and individuality in the spirit world similar to what he had when on Earth, was actually God, and it therefore became easy for Swedenborg to reject the doctrine of the Trinity, (and in its place proclaim) Jesus is God, manifested in the flesh, and God is Jesus, the Divine Man.

Of course, you must understand, that in the exercise of this seership, he experienced the doubts and fears, that at times what he saw and heard might not be things of actuality, and that possibly his imagination, or as in these latter days, what is called the subconscious mind, was deceiving him, and being a man of extraordinary mentality and strong convictions, as well as established faith in the doctrines of the church to which he belonged, many of his interpretations of what he saw and heard, and his teachings there from, were limited and flavoured by his existing mental condition and faith. He has told me that for many years before his experience as seer, he had to a more or less extent doubted the truth of the Trinity, and accepted it only as a mystery, and because the church declared it to be a truth, and that after his experiences as such seer, believing in the statements of the Bible as the infallible words of God, and also believing that he had seen God in the person of Jesus, he sought an explanation of these Bible statements and a reconciliation of them with his belief that Jesus was God, and the result was his declared doctrine that Jesus is God.

And so in many other of his teachings, based upon his experience in the spirit world, he embraced many errors and misconceptions of the truths, and to such an extent that, as you have been told, his mission, in its results, was a failure, and the truths that he had been selected to learn and declare to the world were never made known to mankind. This failure was disappointing to the spirits who conceived this plan and in whom were lodged the spiritual truths of God, and who were acting as God's instruments in their endeavour to make them known to humanity.

But it will be more satisfactory to you, and convincing to whomsoever may read the truths that you are receiving from these same high spirits that selected him, as their messenger, [to have Swedenborg come himself](#), and explain the workings of his mission, and the causes and particulars of his failure in doing the great work that had been assigned him to do.

He says that he has one consolation that many who have founded churches and attempted to declare spiritual truths upon which doctrines and creeds have been promulgated and believed in, and that is that his followers are so comparatively few in numbers, and consequently, so many less mortals are being deceived by his teachings. And I can appreciate the consolation that he may have in this fact, for my

teachings and beliefs that are false as his are false, are believed in and followed by a very large number of mortals, to their injury.

Well, I am glad for the opportunity to write you tonight, and I am still waiting for the chance to finish my message to my people on the errors of continuing in my teachings, and the necessity for them to become undeceived, and learn the truths that are now being declared to mankind. I will not write further.

So good night.

Your brother in Christ, Luther

By living true to ourselves, true to our feelings, we are living true to God. It's that simple.

**DIVINE LOVE does not TRANSFORM one's SOUL
FEELING HEALING is what TRANSFORMS one's SOUL**

The Divine Love does transform our soul from Natural love into Divine Love. It's our Feeling Healing that 'transforms' or heals our erroneous expression of Natural love. We have to 'heal' and so perfect our Natural love, so it can then be transformed by the Divine Love.

Divine Love does not even begin the real work of transforming one's soul, for those who focus upon receiving Divine Love to the exclusion of embracing one's Feeling Healing, they are just expanding their mind's control over themselves. Should this be one's passion, then upon passing into the spirit Mansion Worlds they will find that they can continue along this path all from within the Divine Love followers segment within the first natural love Mansion World! Yes, only from within the first natural love Mansion World.

Most of humanity on Earth does not want to face the very truth their feelings are making them feel every day of their life. So if they want to keep living in the spirit Mansion Worlds as they did on Earth, in complete denial of their feelings and the truth they are to shown about their wrongness, they can.

However, for those who have embraced Divine Love and begin to engage in their Feeling Healing process to begin the transformation of their soul, they will be able to sense the Divine Love already within their soul 'driving them on'. One's understanding and adjusting will be changing rapidly to that of embracing all about the Healing and doing it – all being supported by the Divine Love that one may have received previously. All one may have done with the Divine Love may make their introduction into their real Healing, by using their feelings, much easier than it is for other spirits from the mind worlds who are at the same time having to wrestle with many of their old religious beliefs or mental programming, having to take on a whole new mind-set which one could see would take some of them years, whereas for someone who has been longing for and receiving Divine Love for some time it may be only a matter of weeks. This also applies to those living in the physical.

It is the Feeling Healing process that transforms one's soul towards perfection, towards the ability to fully express one's true personality as given to us by our Heavenly Parents, it is the Divine Love that then fits that transformed soul to be able to enter the Celestial Heavens.

Our FEELINGS are our SUPREME GUIDES:

Feelings!

Feelings are what guide us through our ascension of truth. So they are really our Supreme Guides. Many people look for a person, spirit, angel, even God, for supreme guidance, however it's all right there already built in – in our feelings. **We just have to submit to them, allowing them to take us where they will, expressing all the parts we want to express, letting the emotion drive that expression if it's there to be expressed, or just talking about all we feel and how feeling that feeling is making us feel – or, how we feel about having that feeling, all whilst longing for the truth of our feelings. Longing for the truth of our feelings is really: Longing for the truth of our self, because: we are our feelings. So life stirs up our feelings, we feel being alive; or, being alive means we are feeling, always feeling; and when we work out what and why we are feeling what we are, so then we know the truth of how we are. And over time the truth accumulates, and our mind expands our understanding of ourselves, all being driven from our feelings.**

Kevin 26 Sep 2017

Using our feelings to uncover the whole truth of our negative or anti truth and anti love state.

Kevin: **So whilst we're of an untrue state, then all we have got to help us understand why we feel bad, why we are wrong, why we are negative and anti love and truth, is our feelings. So if we focus on our bad feelings, they will lead us to the truth of why we're feeling bad. Which will be the truth of what happened to us to make us be this wrong way, and how we took on the wrong way and keep it going making us feel bad.**

FEELING HEALING

Note: The vital difference between emotion and feeling is that emotions have their roots in the past, and feelings relate to the present moment. Emotions represent our feelings which were not previously expressed, and these accumulate with time.

Note: **Our feelings are soul-based. Our soul is always in truth. It is our soul based feelings, that when allowed to be freely recognised, we will begin to express and be who we are. This takes time and perseverance as we have encrusted our souls with layers upon layers of errors and false beliefs, it is these layers that will confuse the truth that our soul is conveying to us. Only by our progression with our Feeling Healing will our soul's expression of truth become clear and free of all cloudiness and contamination.**

“What our soul needs in accordance with our own, individual, **Soul-Light-Plan-Of-Destiny** (your life's true destiny plan), They, being our Mother and Father, will give you as required. The only way we can know truly what we need is to honour and follow our true feelings. They, springing from our soul, literally telling us what we need, and so when we genuinely feel we need something, we apply our will to get it. The hard part is knowing if our feelings are true, and until we have done our whole soul-healing, they won't be clear and total true.” James – Introduction Course to Divine Love Spirituality

I am here, Luther.

I had some difficulty in writing my name, but I did not let that difficulty deter me or prevent me from writing.

Well, I merely want to say that if things are favourable, I should like to come tomorrow night and write you a message on the subject of which I have before written. Well, I know, and am thankful, and will come. Well, I am interested in the war only as a lover of all the children of God. There is no distinction in my love between the German and the Englishman and the Frenchman, and the mortal of any other nation, and hence, I am not writing to you as a German, but as a spirit in whom all distinction as to the objects of his love has no existence.

Of course, I have been interested in the war, because I sympathize with all mortals who may be in suffering and distress; and besides, many spirits are coming to the spirit world before their normal time, and all unfitted for the change from the mortal to the spirit. The consequence is that much suffering and confusion and feelings of hatred and revenge exist among these spirits, that otherwise would not exist. But we spirits are powerless to prevent the dire distress and sufferings caused to mortals by their fellows. Man exercises his will and man must endure the consequences.

But this I will say, that I think the war will soon end and peace be restored to Earth, and I trust a greater peace than has existed among men for a long time. Well, I must stop now. So good night and God bless you.

I am here, Luther.

When I was on Earth I had my troubles and suffering but thanks be to the Father, I was never forsaken and you will not be. And when you consider the greater importance of your work as compared to mine, you must realize that the Father, and the powers of His angels are more interested in preserving you from everything that may interfere with your work than He was with me; for while I was earnest and sincere in what I attempted to do, and believed that I was right in my attacks on Catholicism and in my teachings of the truth, yet I was in error in many things; and you, on the contrary, will not be in error, because what you may receive will come only from the spirits and angels who know what God's Truths are. So you must see the importance of your work and the necessity for its being accomplished.

Take courage, and when these thoughts of dread of not being provided for and being felt without the means necessary to your existence, come to you, cast them aside. My dear brother, believe what I have been trying to impress you with, and that we all love you, and are trying to help you. Good night.

POOR SOUL CONDITION is DARKNESS:

Using Kirlian photography, this is an auric photo showing an individual who is a drug addict... notice no connection with God or Source, no love and light.

Such soul condition is reflective of the man-made emotions such as apathy, despair, depression, hatred, loathing, etc.

Even when such a personality is in an environment of bright light and vibrancy, such a personality can still only see and perceive darkness.

It is this darkness of soul that fits the person for an environment that is only of darkness. The locations to which they arrive within are of perpetual darkness and are miserable environments until they, through their own endeavours, grow in love. This may take centuries, or they can embrace the great gift of the Source Soul and ask for the Divine Love and engage in doing their Feeling Healing.

UNCRUSTING ONE'S SOUL:

One's soul is always perfect. One's soul is a creation of our Heavenly Parents, and Their creations are always perfect.

Their great gift to us is free will. We have the option to embrace Their will or freely do as we please, we have free will.

As we progress through our early childhood years we absorb the attitudes, beliefs and habits of those within our environment. Some of these are in error. Such emotional errors and injuries melded with errors in belief encrust one's soul with unhealthy and unloving energies. These encrustments retard the flow of loving energies into one's soul. Such soul having created one's spirit body, which in turn is the template for one's physical body.

As we become aware of our Mother and Father's greatest gift in all of the universes, we can ask for and receive this gift, being Their Divine Love. It is a light golden blue energy substance that will progressively through one's Feeling Healing process dissolve the injuries and errors that may have enmeshed one's soul. Feeling Healing with this Loving energy will slowly enable each of us to break free of past held erroneous beliefs and injuries that we have drawn upon ourselves. We can cast this shell off, such shell which is endeavouring to imprison us in misery.

With the Love of our Parents, the beauty with which we were created can come to the surface and we can then proceed to progress beyond the ceiling that our natural love formed soul has in development. Feeling Healing with the vibrant energy of Divine Love can enable us to live a life here on Earth as though we were in Heaven. All we need do is ask for It.

The Love of our Parents' is the greatest gift for all of humanity, without exception and without condition other than the longing for and the asking for it, at anytime, at any place, and in any way one so pleases. Enjoy the journey!

My dear friend, I feel very happy having found the opportunity once again to deliver a message to you. Today's topic is very unusual, but when I saw yesterday how you read for the hundredth time the sentence...

“[The churches of today cannot inspire man](#) to seek God's Love because they no longer understand, and they have not for long centuries so understood it, that God's Love possessed by the human soul through prayer to Him for its coming is the Way and the only Way to man's salvation.”

...I decided to dedicate some comments to this question. Hopefully, you will be receptive enough as to grasp what I intend to convey. This message will not be very long, at least the part I will communicate to you, but I would like to ask you to paste a few quotes which you have found on the Internet. Let us begin with a statement from the Catholic Encyclopaedia:

"Apostasy and heresy are, as criminal rebellions against God, far more serious crimes than high treason, murder, or adultery. But, according to Rom., xiii, 11 sqq., the secular authorities have the right to punish, especially grave crimes, with death; consequently, "heretics may be not only excommunicated, but also justly (juste) put to death" (St. Thomas, II-II, Q. xi, a. 3). [The Catholic Encyclopaedia, 1911 edition, Vol. 14, pages 766, 768]

And now, dear H___, I want you to paste here some statements from Saint Augustine, which I will point out to you.

“Women should not be enlightened or educated in any way. They should, in fact, be segregated as they are the cause of hideous and involuntary erections in holy men.”

“It is impossible that there should be inhabitants on the opposite side of the Earth, since no such race is recorded by Scripture among the descendants of Adam.” [St. Augustine, from *The Dark Side of Christian History* by Linda Ellerbe, 1995, Morningstar Books]

“The good Christian should beware of mathematicians and all those who make empty prophecies. The danger already exists that mathematicians have made a covenant with the devil to darken the spirit and confine man in the bonds of Hell.”

And now, let us proceed in a similar way with Saint Thomas Aquinas.

“That the saints may enjoy their beatitude and the grace of God more abundantly they are permitted to see the punishment of the damned in hell.” [Thomas Aquinas, *Summa Theologica*]

“If forgers and malefactors are put to death by the secular power, there is much more reason for excommunicating and even putting to death one convicted of heresy.” [Thomas Aquinas, Summa Theologica]

“As regards the individual nature, woman is defective and misbegotten, for the active power of the male seed tends to the production of a perfect likeness in the masculine sex; while the production of a woman comes from defect in the active power....” [Thomas Aquinas, Summa Theologica, Q92, art. 1, Reply Obj. 1]

Yes, you are right. This message looks very anti-catholic so far. Let us round out the picture and add some quotes from John Calvin. I do not want to produce an unbalanced writing.

“Who will venture to place the authority of Copernicus above that of the Holy Spirit?” [John Calvin, citing Ps. 93:1 in his Commentary on Genesis]

“God preordained, for His own glory and the display of His attributes of mercy and justice, a part of the human race, without any merit of their own, to eternal salvation, and another part, in just punishment of their sin, to eternal damnation.” [John Calvin, Institutes of the Christian Faith]

“We are all made of mud, and as this mud is not just on the hem of our gown, or on the sole our boots, or in our shoes. We are full of it, we are nothing but mud and filth both inside and outside.” [John Calvin, attacking mankind]

“We may rest assured that God would never have suffered any infants to be slain except those who were already damned and predestined for eternal death.” [John Calvin, rationalizing the slaughter of infants in the Old Testament]

Well, it does not look so good for Calvin, either. Now paste a few quotes from Martin Luther.

“People give ear to an upstart astrologer [Copernicus] who strove to show that the Earth revolves, not the heavens or the firmament, the sun and the moon. Whoever wishes to appear clever must devise some new system, which of all systems is of course the very best. This fool wishes to reverse the entire science of astronomy.” [Martin Luther, Works, Volume 22, c. 1543]

“Reason must be deluded, blinded, and destroyed. Faith must trample underfoot all reason, sense, and understanding, and whatever it sees must be put out of sight and ... know nothing but the word of God.” [Martin Luther]

“Men have broad and large chests, and small narrow hips, and more understanding than women, who have but small and narrow breasts, and broad hips, to the end they should remain at home, sit still, keep house, and bear and bring up children.” [Martin Luther, Table Talk]

“God created Adam master and lord of living creatures, but Eve spoilt all, when she persuaded him to set himself above God's will. 'Tis you women, with your tricks and artifices, that lead men into error.” [Martin Luther]

“In a like manner we must endure the authority of the prince. If he misuse or abuse his authority, we are not to entertain a grudge, seek revenge or punishment. Obedience is to be rendered for God's sake, for the ruler is God's representative. However they may tax or exact, we must obey and endure patiently.” [Martin Luther, Tribute to Caesar sermon, from *The Political Theories of Martin Luther*, Luther Hess Waring (New York, Putnam's, 1910) p. 104]

“Even though they grow weary and wear themselves out with child-bearing, it does not matter; let them go on bearing children till they die, that is what they are there for.” [Martin Luther, *Works* 20. 84]

“I had made up my mind to write no more either about the Jews or against them. But since I learned that these miserable and accursed people do not cease to lure to themselves even us, that is, the Christians, I have published this little book, so that I might be found among those who opposed such poisonous activities of the Jews who warned the Christians to be on their guard against them. I would not have believed that a Christian could be duped by the Jews into taking their exile and wretchedness upon himself. However, the devil is the god of the world, and wherever God's word is absent he has an easy task, not only with the weak but also with the strong. May God help us. Amen. ” [Martin Luther, Introduction to *On the Jews and Their Lies*, 1543]

“He did not call them Abraham's children, but a brood of vipers [Matt. 3:7]. Oh, that was too insulting for the noble blood and race of Israel, and they declared, He has a demon' [Matt 11:18]. Our Lord also calls them a brood of vipers; furthermore in John 8 [:39,44] he states: If you were Abraham's children ye would do what Abraham did. ... You are of your father the devil. It was intolerable to them to hear that they were not Abraham's but the devil's children, nor can they bear to hear this today.” [Martin Luther, *On the Jews and Their Lies*, 1543]

“... they remain our daily murderers and bloodthirsty foes in their hearts. Their prayers and curses furnish evidence of that, as do the many stories which relate their torturing of children and all sorts of crimes for which they have often been burned at the stake or banished.” [Martin Luther, *On the Jews and Their Lies*, 1543]

“They [the rulers] must act like a good physician who, when gangrene has set in proceeds without mercy to cut, saw, and burn flesh, veins, bone, and marrow. Such a procedure must also be followed in this instance. Burn down their synagogues, forbid all that I enumerated earlier, force them to work, and deal harshly with them, as Moses did... If this does not help we must drive them out like mad dogs.” [Martin Luther, *On the Jews and Their Lies*, 1543]

“I should have no compassion on these witches; I should burn them all.” [Martin Luther]

“Idiots, the lame, the blind, the dumb, are men in whom the devils have established themselves: and all the physicians who heal these infirmities, as though they proceeded from natural causes, are ignorant blockheads. ...” [Martin Luther]

“The Devil can so completely assume the human form, when he wants to deceive us, that we may well lie with what seems to be a woman, of real flesh and blood, and yet all the while 'tis only the Devil in the shape of a woman. Tis the same with women, who may think that a man is

in bed with them, yet 'tis only the Devil; and... the result of this connection is oftentimes an imp of darkness, half mortal, half devil. ...” [Martin Luther]

“We are at fault for not slaying them (the Jews).” [Martin Luther, On the Jews and Their Lies]

“Heretics are not to be disputed with, but to be condemned unheard, and whilst they perish by fire, the faithful ought to pursue the evil to its source, and bathe their heads in the blood of the Catholic bishops, and of the Pope, who is the devil in disguise.” [Martin Luther, Riffel, Kirchengeschichte]

“If I had to baptize a Jew, I would take him to the bridge of the Elbe, hang a stone around his neck and push him over with the words 'I baptize thee in the name of Abraham'.” [Martin Luther, Hitler's Spiritual Ancestor by Peter F. Weiner (1985, Gustav Broukal Press)]

“If the peasants are in open rebellion, then they are outside the law of God. Therefore let all who are able slash, strike down, and kill (those who rebel) openly and secretly, remembering that there can be nothing more venomous, harmful, or devilish than a rebel. It is exactly like killing a mad dog.” [Martin Luther]

Luther really has an impressive list, don't you think?

Of course, you are wondering what all those quotes are good for. And for our answer, we will return to the original sentence:

“The churches of today cannot inspire man to seek God's Love because they no longer understand, and they have not for long centuries so understood it, that God's Love possessed by the human soul through prayer to Him for its coming is the Way and the only Way to man's salvation.”

You see, my dear brother, in the quotes above, you can read expressions of intolerance, even worse, of hatred, of ignorance, superstition, sexism, racism, etc. And the people who pronounced such phrases, were and are considered holy men by many.

The great success of Christianity, its fast spreading combined with the premature death of many leading characters, who held the authentic teachings of Jesus and who had obtained at least some portion of Divine Love in their souls, gave way to a very sad development: Men of mediocre character took over the bridle of the early church's path, and as a result, true spirituality succumbed.

There was the question if the slow development of the Divine Love Movement was the consequence of a global conspiracy. No, not at all, there is no “conspiracy,” but there is a deeply rooted attitude in many, the consequence of generations of false teachings. We are not interested in a repetition of such a sad evolution. We prefer a slow but steady growth, based on people who truly aspire to the development of their souls in the Divine Love, and whose lives may serve as the living examples of Jesus' true gospel.

These above mentioned leaders, and others, who betray through their words the cold of their souls, have led their churches “spiritually,” when that cold of their souls materialized in their teachings. Today, those congregations face the dilemma to find their way back to the original path, through the darkness in

which ignorance, sin and error have placed their doctrines. It is not an easy task, and they are facing the problem that many worshippers are leaving their flock.

There is an innate longing for Divine Love in all human beings. But most, because of the reasons I have already explained, are unable to identify the origin and the goal of such longing, trying to satisfy it through indulgence in earthly pleasures, materialism and ruthless struggle for power. This is all in vain. But many will not learn better in this life.

I want to draw your attention also to the fact that the people cited above are now inhabitants of the Celestial Heavens. Most of them died without having the dimmest spark of Divine Love in their souls. Nevertheless, as we have pointed out on repeated occasions, death does not mean a clear cut, after which the wheat is separated from the chaff, but a new and marvellous phase in human existence, with new opportunities and new developments.

There are many who have never heard of Divine Love on Earth, and who have never obtained it, but find their way to at-onement with the Father during their existence in the spirit life, sooner or later. So, do not grow impatient when your progress on Earth seems so slow and so much delayed.

Live in Love, be tolerant, but also be watchful. What you have read above, is characterized by what we call “fundamentalism.” And where fundamentalism appears, evil is lurking.

I am glad that you have received my message satisfactorily. I hope I will not have to wait so long for our next encounter.

As I have told you, this was an easy message, a warming-up of your “spiritual muscles.” Be in Love, and we will share many more moments together.

Your brother in Heaven,

Judas

Note: Following the writings of James Moncrief, one could consider that any reference to the Father, by other relevant writers, may be read as a reference to ‘our Mother and Father’. Further, when considering soul healing, then reference to Divine Love could be referred to as ‘Feeling Healing with Divine Love’.

I am here, your friend and spirit guide, Martin -

I see that you have had a rather enjoyable experience; I want to tell you that your prayers have been heard, and that you have received a good portion of the Divine Love.

At a certain point in your experience you recorded that you felt yourself to be in a very large room, much larger than your prayer room. Indeed you did! Your soul visited a different realm. In this room you were in the company of many loving spirits. You did not experience fear when you were in the larger room, but rather you felt loved and accepted.

This is the way it is to be when you see Earth changes coming to you and all over the world. Do not allow yourself to entertain fear. Allow fear to pass on by. Do not give it the strength of your attention. Change will not be as difficult or dismal as many have pictured it to be.

I did not come to speak to you of specific changes. This is unnecessary. You will be fine; and so will all others. The important matter is what you experienced today – the growth of your knowledge of the depth and breadth of the substance of the Divine Love. This alone is the crucial thing, not the awareness of this or that specific Earth change element.

My message to you and to all others is brief: Learn the lesson of the Divine Love and how it is the most important thing in your life – for it is indeed the most important thing in all the universe.

We are one, Joseph.

Your friend, Martin

Note by Webmaster: This message, and another three that will follow, were all received consecutively. This particular day was the occasion of a global joint meditation, and the receiver had been meditating for six hours, prior to receiving four messages.

I am here, Luther (Martin Luther) –

I only wish to say that my prayers are with all of you who are participating in this special day of prayer – the Spirit to Mortal Conference. My prayers are that you and others will continue to reach out to the world through the messages received by Mr. James Padgett nearly 100 years ago. We are assisting you and will do what we can to assure the success of making the truths more available to all mankind.

With my love and blessing,

Luther (Martin Luther)

EXPERIENCING RECEIVING DIVINE LOVE:

Be still and quiet; reflect in silence. Love is present. Keep asking, longing, and never cease: this is your part. It is your cooperation actively engaged that brings the transformation and continues the process.

You cannot see it; sometimes you will experience it as simple quietness and calmness. This is as pure and real as any other experience, whether demonstrative joy through laughter and dance, or other expressions.

Divine Love is present; it is always present. It does not fade or disappear. Rest, relax and breathe. Pray and wait.

Maintain daily prayer and meditation. When you do this you are building a home for the dwelling of the Divine Love. Your continual invitations establish an attitude of welcome to the Divine Love. These build a bridge for the Divine Love to carry you to new and higher levels of change and transformation: places of new realms for your soul growth and development.

The Voice of Divine Love

~~~~~

As the receiving of the Love is always assured when longed for and asked for, the experience of receiving may become apparent by the occurrence of a warming embrace in the region of the third eye chakra, or with some, around the heart chakra region. This may be very subtle and gentle for some and may be for a few moments or extend for some time. Many do not physically feel the Love embracing them and this is totally fine, nevertheless the Love is being received.

On a few occasions, one may feel the love through the third eye region and then feel it expand as if it were to become a warming buzzing 'hat band' progressively expanding around one's head. This can intensify and feel as though one's cranium is about to pop off! Should this continue to intensify, then the sensation may flow down one's main meridian to the base of one's spine. Now that is something else! Relax and enjoy the great gift for this can be an experience that may continue for a short while or for quite some time.

Always, when one longs for the Love, it will shower over one's body and be absorbed in through the spirit body chakras into one's soul. Occasionally the Love will overflow from one's soul and some will reside within one's spirit body. At no time will you be discomforted. This light golden blue energy substance is the ultimate high octane super fuel gifted to us by our Heavenly Parents to us all.

## **“Messages from Spirit” received by Joseph**

*By Joseph Babinsky*

*Former Presbyterian Pastor – Former Pentecostal preacher*

*Now on the pathway of progression to becoming a Divine Angel*

### **BACKGROUND**

Writing messages from spirit is not new to me. What is startling to me is how often I begin and then abruptly end the process. I am writing this on Saturday, November 29<sup>th</sup>, 2014. I started to gather recent messages – messages from spirit received in the month of November – in order to share it with a friend. While doing this I “discovered” messages that I had received earlier this year, and had forgotten that I had them! This experience is alarming. It makes me think that I am not very serious about communicating with spirit, and it also makes we wonder why spirits have not just given up with me!

As part of the “Background” I am writing today, I will share the few messages that I received earlier this year; after showing these messages, I will move into a new theme, which I have titled “A New Beginning (Again).” It is a humbling experience to share the following messages, for they clearly show both my enthusiasm to receive messages, and my reluctance to do so with any sort of consistency.

### **Monday – March 3rd, 2014**

*“Heavenly Father, you know the desires of our heart before we give expression. And yet you wait for our expressions through our longings and words. You know that I desire to communicate with a Celestial spirit. Today in particular I am desiring to communicate with Martin Luther. I ask that I be given help to be open to receive what Martin Luther or some other Celestial spirit wants to communicate to me. Thank you Father.” Now, I wait ...*

Yes, Joseph, I am here. I know what it is that you desire to ask, but please go ahead and ask. It is important for you to express your words.

*Thank you, Martin. May I call you Martin? Or must I add Luther with Martin? Which do you prefer?*

I am smiling, Joseph, for it is not important, yet, if you publish this, your readers may like to know who it is that is communicating with you.

*Martin, I am pleased to be communicating in this way with you. You do know that I have been reading the message that you wrote to James Padgett on July 6, 1915. It may have been the first letter that you wrote. It was the message where you spoke of the need for more mediums. That was nearly 100 years ago; do you recall?*

Yes, of course I do recall. I also have known that you have a deep interest in writing a book on the subject of mediumship, is this not correct?

*Yes, this is certainly true. When I read your message, no matter how often I read it, I feel the depth of your call for more mediums. Is this still your concern? Or have you perhaps progressed away or beyond this desire and concern?*

The subject of mediums to receive our communications is still very much with me. I am as interested today as I was years ago with James Padgett that the message dear to the heart of all Celestial spirits, that people on Earth (and in the spirit world) know about the availability of the Divine Love and how it may transform the soul. We are always endeavouring to assist humans to realize the love that the Father has for all His children. We come to you (to the people of Earth) and our influence goes only so far. People do respond to our love, but beliefs and fears block further influence. Not too many individuals are willing to break away from their childhood upbringing and other influences as the result of their education (or lack thereof) or their social and family background. We still look for individuals who are responsive to our call, just as you are endeavouring to do. You are a very reluctant person in this regards. You always prefer to take the back seat, as it were. But today we have been able to reach you, and you have shown a willingness to sit and take our message. I speak of the plural “our” because though you called on me, Martin Luther, there are other Celestial spirits round and about you who also desire to speak. You mussel us, though of course you know you cannot really do this. It is only that you have the ability through your free will to deny us access to our desire to write.

(James E Padgett received by way of automatic writing between 1914 to 1923 the “Padgett Messages”.)

*What you say, Martin, is very true; I know this about me. I am not one to push myself on anyone. And I do not really like the limelight. Though now, in this moment concerning mediumship and the call for more mediums, I feel a certain amount of responsibility to do this work. As you probably already know, I desire to write and publish a small book on this subject. Are you aware of this?*

Yes, of course, Joseph, I am aware. Where do you suppose your idea originated? The thought has been growing within you because we have been present influencing you in this direction. We hear your prayers; and often you call for Celestial spirits to come and assist you to pray, but you also often call for us to be your continuing influence, your guides and teachers. Is this not true?

*Yes; and I am smiling that you say this. It makes me feel happy to hear confirmation from you. Perhaps I shall then relax and allow you to help me? And then the book will be done! In fact, this morning I jotted a note on a piece of paper, and it was a question: “Communications with Martin Luther?” Did you see me do this?*

[Laughing] I helped you do this! In answer to the other question you wrote (Would Martin be willing?) the answer is yes ... I am willing. In fact, Joseph, the idea you wrote in your notes is a good suggestion. Allow this to be the beginning. “Conversations with Martin Luther” has a good ring to it. Let us begin ...

*Oh, I wish my fingers could move more quickly on the keyboard! But I like this method better than trying to use automatic writing similar to what James did.*

Let us not be concerned about your method. I am comfortable as I see that you are. After we are done, go back and do your editing and corrections.

Becoming a medium is not mysterious, nor is it a call to a higher realm as some may suppose it to be. All that is required is that a person express a desire to do it, to be a vessel willing to sit and take words down on paper or through a computer keyboard. Of course, there must be first a prayer life behind this desire. You are consistent in your prayers Joseph, so this is not an issue with you. For others, they need

constant encouragement to pray, just as we did with James Padgett. He was an excellent medium, and did have certain qualities within his makeup to be an excellent medium, but yet even he required constant prodding to be more in prayer.

When a person begins to receive or desire to receive messages from us (the Celestial spirits), it is best to begin very slowly. Experiment with different methods, whether it is speaking into a machine to record the voice, or whether it is in a prayer group where friends can assist and comment in a loving way a message that the aspiring medium may receive. This can be a very effective and immediate transmission that requires no ability to type or write. This is how it was done years ago in the early gatherings of followers of Jesus. I will speak more of this later as we proceed further.

Now this same principle applies to writing messages, as you are doing at this moment. You have had some experience with this in years pass, but, as I indicated above, you allowed yourself to take a back seat and refused to continue. A related issue with this is that you as well as other individuals must have a willingness to not be critical or judgmental about what you are receiving or think that you are receiving. At times you will mix some of your own ideas and “prejudices” in with our message; but do not allow criticalness to overshadow your work when judgmentalism happens. Go back over what you have written, and with prayer keep what you believe to be from us, and simply delete what you think is your own work. It will all smooth out in the end. In addition, you need to develop confidence in what you are receiving, and be willing to give it out to the greater world beyond you. After all, what we communicate is a benefit not to you alone, but to all mankind.

Now, I want to show you how this works. Take a break and then return. Read what is written. Correct and edit what you see needs correction and editing, and then we will resume our writing.

**[A break]**

*Well, I did as you suggested; I took a short break for some refreshment. Then I returned and corrected and edited what we had already written. I want to say that on the way to my break I found myself smiling. I was feeling good about our time together and the short writing that we did. While returning to my desk I again smiled, because I felt that I could really do this, namely, sit and write communications with you.*

This is good that you expressed this. Some people may feel it cannot be done, but you are showing that it can be done and you are the proof! Now let me ask: Did you find major changes needing to be made in the writing you did earlier?

*Actually there were many typing errors, but nothing impossible to fix.*

Good; then we may proceed. I want to speak a short time on the subject of communicating with Celestial spirits, and I know this is your interest in communicating with me. It is not just the fact that your desire to communicate with a Celestial spirit, but specifically with me. Are you able to articulate why you have this desire?

*This is easy to do. The simple fact is that I once walked in similar shoes as did you while you were on Earth. I am far from an expert in your earthly life; I was not a Lutheran minister, but a Presbyterian one, and then later a Pentecostal minister. So the affinity I have with your church experience is what draws me to you. And also the fact that in your message recorded by James Padgett, you expressed that*

*after you became spirit you continued to teach mortals on Earth and yet experienced this a difficult thing to do. My desire is to discover in what way I may be of assistance to you; if I am able, I would love to help you.*

Joseph, in order to help, let us begin by showing your readers what I wrote through James Padgett. Though written in 1915 it is not out of date. Please do this now.

*The following is an excerpt from the letter of Martin Luther to James Padgett, written July 6, 1915.*

“I was a teacher when on Earth of what I thought were Bible truths, and I know that some good resulted from my teachings, although they were mixed with errors. But I have met many spirits of men who listened to my teachings, and believed many things that I taught. So you see, that even if the churches do teach many false doctrines in their creeds, yet mixed with these false doctrines are many truths, and these truths often find lodgement in the hearts of the hearers, and result in their finding the light and love of the Father. I am still teaching mortals whenever it is possible to do. But I find that my task is a difficult one, because there are so few mediums that are capable of receiving the truths of the higher things of life, and the impressions that I make on mortals by the exercise of suggestions are not very encouraging to them or to me. Sometimes the impressions are received and understood but very often they have no effect.

“If we could have more writing mediums, such as yourself, who are interested in these higher truths, and would believe that we could communicate such truths to them, the salvation of mankind would become much more rapid. But as Jesus said, the harvest is ripe and the labourers are few. You have a mission, which is greatly to be envied, I mean in the best sense, because you by the exercise of your duties become the medium between the Master and man. And I want to tell you that such a mission is a glorious one, and will bring to you untold blessings because you have now, and will have with increasing power the influences of the higher world of spirits and angels.”

Thank you, Joseph. As you and your readers can see, I did try to bring influence by the exercise of suggestions and the results were not good. In all these years we have not seen a response to our influences, except for the fact that individuals are receiving the Divine Love to a degree, and yet they do not know what it is that they have received. The difficulty is getting beyond beliefs created by erroneous doctrines and dogmas and ceremonies. Now, the question is, how to do this?

**[A personal note]** *I feel that I am about to insert here my own thoughts in this writing. Perhaps I am merely tired. Nonetheless, I am stopping; I will not proceed now. Will I resume? What is Martin Luther about to write?*

### **Sunday – July 6th, 2014 ... A Comment**

*Interesting that this morning I woke with a desire to write communications with spirit. First, I felt I needed to search my documents for things I had written in the past in the area of spirit communications. While browsing in my computer I “found” the above communication with Martin Luther written four months ago. I say “found” because I had honestly completely forgotten that I wrote it! I can accept that I forgot about it if I had written it 4 years ago, but how in the world could I forget about it when it was done only 4 short months ago? What has been occupying my mind (and heart) these past four months? Yes, I travelled to Australia during May, and this occupied much of my time, and to a degree expended a great deal of my physical energy. This explains in part my forgetfulness, but I remain alarmed that I continue to exhibit a willingness to shun communications with spirit.*

*I have only a few more minutes to write before I must go; I wonder if Martin may wish to contribute a word here. Martin, Martin Luther, are you present and do you desire to offer a comment?*

### **A Message from Martin**

Joseph, I am not upset, nor am I alarmed with your long break from our communication. Be at peace about this; do not criticize and judge yourself. I love you; we all love you.

There is a good lesson to be learned in your recent experience, a lesson both for you and others. We in the Celestial heavens do not mark time as you on Earth do. This being understood, we wait for you (and others) to give yourself the time to sit and receive our communications. It is much like the Divine Love: the Divine Love awaits your active desire to receive it. You are never compelled to do so; and certainly the Divine Love never forces its way into your soul. To do so would be to disregard your human will. Though we would love to communicate with you, we cannot unless you allow it to take place. When we begin again, we will begin slowly. This is your choice, Joseph. You have responded to our gentle promptings, and you are present now to take a short note, as it were, from us. We are here; we are always here. Our voice will not go silent; we will not reject your desire to communicate with us. Go now, go in peace and with our love. Return when you can. This part is in your control. You determine the time and the circumstance; and we will come to help and assist you. Do your part, though, Joseph: Be at prayer; be vigilant in prayer; be constant in this. For when you receive more of the Divine Love you will be the condition necessary to receive our thoughts. I will come again, Joseph, when you are ready. Thank you for responding to our promptings and influences. You came today and looked and saw what was started four months ago. Again, do not judge and condemn yourself. We will begin again. I love you and you are blessed by me and many others, and above all, our Heavenly Father blesses you.

I am Martin – Martin Luther.

## **A NEW BEGINNING (AGAIN)**

*I have always kept a journal of some sort ever since I was about 20 years-old – that was 59 years ago! Sometimes I merely wrote on a piece of paper, and saved the paper. My filing system was crude at best. Some were kept in a book I happen to be reading. Others were placed in a file folder. But many notes were lost or simply thrown away. Later I was more organized and wrote on 3-ring binder paper, and many of these binders were kept through the years. Some were thrown away when I moved from place to place. As I changed with the times, I purchased a computer and wrote many of my notes and dialogues and journals using a computer – but I never completely moved away from hand writing. However, in early November of this year (2014), I picked up the pen again and began to write once more in a journal using the old method, namely, writing on paper.*

*Something changed when I did this. I am not new to receiving messages from spirits, for I have done this on and off (mostly off) since about mid-1980. What is taking place now, however, seems to be quite different. It is so new to me I do not have the words to describe all that is happening.*

*This started when I woke one morning with the unshakeable thought that I had died during. I wrote in my journal about this experience, and as the days went on I continued to write each morning. The content of my writing changed daily; the only way I can describe this is that I was observing a change taking place within myself.*

### **From my Journal – Friday, November 7th, 2014**

*I am awake! The lighted clock near my bed reads 5:03AM. I feel different. What happened? Did I die during the night? I really mean what I just wrote: Did I die?*

*I'm here. I know this ... I need to get up and pee. It's cold in the house; I feel it, and remember that my wife likes warmth when she gets out of bed. She's a school teacher and it is her day to be early at school for playground duty. I walk to the thermostat and turn the furnace on; it rumbles into action.*

*Did I die? I ask again because something sure feels different. What is it? I know I am functioning in this physical body. In this sense nothing changed. What I just wrote is not quite the truth. I am here; true ... yet I am at the same time standing somehow apart, close by, but feeling that I am observing me. I feel myself standing here but also there.*

*Is it possible to exist in two places at the same time? Here I am feeling present in our bedroom. This physical place feels so heavy and dense. But at the same time I feel I am existing further away, somewhere less dense, separate, lighter and feeling very happy. And then I remember last evening, whispering a prayer to God: "Father, if possible, allow me if you please to visit during sleep brighter realms of the spirit world. "*

*Is this the answer to why I feel the way I do this morning? Is this why I ask the question, "Did I die during my sleep?"*

*No; I did not literally die – but I did experience heavenly realms during my sleep. I know that I did; yet I cannot recall details of what I saw, experienced and did, and who it was that I spoke with. And yet, I know that the spirit part of who I am visited an extremely beautiful place during my sleep state.*

*Will this feeling be lost in the shuffle of today's activities? Will the memory evaporate just as the memory of the places visited during sleep already disappeared? I suppose somewhat, but not altogether. The richness of the beauty of my sleep experience will not completely fade. I am different. In some measure I did die last night. Part of my physical attachment to this world disappeared. A weight dropped from me. That is why I feel lighter, calmer and very relaxed.*

**Sunday – November 9th, 2014 “I heard a voice within say ...”**

“Consider this, Joseph; not many have the unique background that you do. Your life began in the church; you were born into it; your father was an ordained minister, and you grew up in the church, both literally and figuratively. You followed your father’s footsteps and became a pastor and teacher in the church. Yes, later you walked away from the church, and did a fairly good job of completely disassociating yourself from the church. But then you had the experience in 2006 of reading the writings of James Padgett for the first time – messages from Jesus and his disciples recorded by James. You felt unusually drawn to these messages. Then you attended the Divine Love retreat in Washington, DC, the 100th Anniversary celebration of the Padgett Messages; and you met Ron Shoemaker, who met Dr. Leslie Stone personally, and Ron sent you copies of letters from Dr. Stone to read. But before this, you were attracted to the old book that your friend gave to you, the 1950 edition of Dr. Stone’s book, “Messages from Jesus and Celestials”, and in particular, the Preface that Dr. Stone wrote for that book. You liked his Preface and wondered why he did not use it again in later editions of his publications. And you chose it to use as a Preface in your new book (“*Messages from Heaven*”). But now you are entertaining doubts about publishing this book.

“Well, you are not being forced to proceed further. You are a free man. However, consider your true feelings. You are not feeling happy. In fact, you are feeling lost – floundering is the word that you used.”

*Then I spoke and said: “What am I to do? What is the next step for me?”*

The voice within again spoke and said, “You do know the answer. I come only to remind you. Go to God in prayer, Joseph; enter into your closet of prayer. Wait upon God, Joseph, wait upon the Father. Wait, seek, ask and knock. This has been your way in the past whenever you have experienced doubt. Be who you are; Joseph. Do not attempt to be anyone else but you. You have come this way because this is you. I plead with you to see this: Do not bury or attempt to hide the real you. Not now; not ever.”

**Monday – November 10th, 2014**

*I am up early today – 3:30AM. Rather than write, I decide to pray. Prayer was ‘light’ – meaning that the experience was quiet, mostly silent, with feelings of softness. I recognized the Presence of Love and welcomed the presence of fiends in spirit, bright spirits of the Celestial Heaven. Today I accept and embrace my identity as a child of God; I am loved, I am sustained by Love; I am being changed by Love.*

*Today I feel that I would like to entertain a spirit friend, and invite you to speak through pen and paper. I ask: Is there a Celestial friend who would like to write a message this morning? If the answer is yes, then I ask for your help to make this so ... So, I wait.*

Yes, Joseph, I come with your invitation to write. You will not have the words come before you begin. The words that will appear will come as you place the pen on the paper. Merely allow this to happen. Do not attempt to control the flow. Do not search for a word to write. You may certainly correct and edit when you feel we are finished.

Let us begin. You are concerned about the work you may have remaining to do before you transition. Be assured that your transition will not happen any day soon. So I urge you to find your peace about this concern. When you do then you will discover that you are relaxed and calm.

Your voice is needed; I and many others desire to assist you to find your voice. We understand your surprise; nonetheless, it is true. There is a company of us; we are many. We are your friends and are near you nearly constantly – helping and guiding you. We desire to assist you to become a voice to others on Earth. The individuals present with me are many; most of us were once preachers and teachers on Earth, as you yourself once were. Our names are for the most part very familiar to you. I am Martin – yes, Martin Luther. Standing near are many others; one will bring surprise to you, for he is your own father, Andrew. There are many others too; in proper time their names will be revealed to you.

Our message to you now is that we are being very careful and, as it were, very delicate with you. We tell you this because, though you are in many ways a very strong individual, with determination and resolve; yet, you also possess a tendency to self-defeat and easily hurt. You often translate the latter to weakness and unworthiness. When you become more successful in the acceptance of your purpose and potentialities, growing in your experience of the Father's Love changing and assisting you, then you will be our voice in the world – not only to mankind, but more specifically, our voice to Christianity and to present-day church leaders.

This will be no easy task. Often we have tried this with other individuals but they resisted. You also to some extent have resisted, but, of course, for different reasons as mentioned above.

The beginning of your work will be of necessity slow. We are aware of your recent contact with a church leader, Teresa Blythe. You knew her many years ago, and it is good that you are restoring your connection with her. Another person is your friendship with Dan Scott, and his connection with the Nashville group; we hope that he will respond positively to your contact. There are others; we will bring their names and places to your attention. Are you willing? We will not force you to do the work ahead; but we sincerely invite you to be our voice.

We are aware of your present position. We would not ask if we knew your lack of abilities that we will ask you do. All that we ask is your willingness.

Presently you are hesitant. This is to be expected. It is all new to you, and we are aware. We will tell you now, know this, Joseph, the plan and purpose is very large. You will not be alone. We are with you now and promise to be with you each day and each step of the way. We are your friends in spirit, but there are also others on Earth, and they will be made known to you.

You ask, will it be a book? Will it involve speaking engagements, you also ask. You also wonder if the work will include visits to churches and theological schools. All this may be possible; but at this time we will not share the specific plans. These and other things will be shown when the time is appropriate. Again, remember what we said at the beginning of our message ... we will begin slow.

Our rapport is weakening. We will close. With all our love, we are your friends and we are One.

Martin – Martin Luther, with many others.

### **Wednesday – November 12th, 2014**

*Woke early today – at 4:00AM; in my office, read a few emails (one from Geoff relating to the date of Dr. Stone's death, either January 6th or January 15th; the second from Bishop Brian relating to the copy of the message I received from Luther and "Pentecost") ... then to prayer. Prayer again was rich; feeling very grateful. Emphasis on the fact that the Divine Love is not about religion, dogma or doctrine, but about individuals and their experience with God. My specific prayer at this moment is that I be open to a spirit communicating with me. I wait ...*

Good morning, Joseph; yes, it is your friend Martin – Martin Luther. We are all here; we were pleased to be with you as you prayed. We love the prayer that Jesus gave, and we enjoy the experience of joining with you as you pray this prayer. The way that you pray this prayer is never the same; it shows that you have not made a ritual of it, and it is not mere recitation.

We are aware of your concern – that you shared the message we gave to you two days ago, that you shared it with your friend in Australia. We wish to say that we are pleased that you did this; we are happy to know that he shared it with the Brian, for the core of that message is that the call to individuals is going forth, and his response was positive. It is confirmation that you are not singled out as the sole voice of Celestial spirits. You are one of many, and we acknowledge you have a sense of relief, and that you appreciate this clarification. There are many others on Earth that are responding to the call from Celestial spirits, and we are happy that you are among those on Earth responding to our call.

Nonetheless, Joseph, do not be hasty. We want you to feel free to share our messages as you will. Yet, we ask you to be attentive: Look and observe, study and become more aware of the evidence of the multitude of ways that we Celestial spirits are giving voice to the movement of the Father's Spirit to bring the message of the Divine Love to light – to the awareness of increasing numbers of people on Earth responding to the Presence of Love – the Divine Love. Open your eyes and ears and you will behold a wonderful thing happening on Earth at this time.

We have observed your various responses to our message of a few days ago. Your response is the actual evidence of our continuing presence and influence. Yes, you are correct in that you sense the call to prepare for a new Pentecost. However, we are not looking to gather people to one specific location – to an assembly in a building of any sort. The call we are issuing is not to a church or a conglomerate of churches; our call – the Father's call – is to individuals throughout the world. It is a call to individuals to respond to the promptings in their heart (feelings) to the presence of love. The feelings people are experiencing are real. It is a call to be open to the influence of Love; it is a call to receive Love, to accept it and allow it to flow freely into the heart (the soul). Our desire is to see individuals begin to feel loved and accepted by their Creator – our Heavenly Father. It is the time to experience the true essence of brotherhood and the importance and worth of each and every individual on Earth.

You will assist us in this effort; your voice will help; you will join with the voices of many people who know what is happening and are telling other people what it is they are experiencing has its source in

heavenly places. This is the new Pentecost, Joseph; it is reaching out beyond the walls of sectarianism and religious institutions representing hundreds of conflicting doctrines and dogmas. This new Pentecost is the breaking down of the walls of separation that have been constructed that have divided humanity into thousands of separate groups. The Spirit of Love cannot be institutionalized, nor can it be bottled into separatist groups. Our Father's Love is for the individual human soul; it is for each and all of us – humans on Earth and spirits of mortals once on Earth and now living in the spirit world.

This is not my voice alone that is assisting you to write these worlds. I am Martin Luther along with many preachers of old; we are many voices. Yes, even our beloved Master is present – Jesus our elder brother and friend; he also is attending the writing of this message. The call to humanity is originating from the Celestial Heavens, and it is intended, not just for your ears alone, it is intended for all humanity on Earth.

Allow the message to go out into the world. And may all that see it and hear it respond to further the work of making known the Presence of God's Great Love to all on Earth today.

Broadcast this message to as many as possible. The Spirit of the Father is moving throughout the world; each and every individual is being visited. This is the word that must go forth. Do what you are able to do. Do not hold back; do not hide the word. What we give to you, turn and give to others. And encourage those that listen and hear to do the same.

The master has said, "The Father's Love is reaching out to all the world; the Divine Love is waiting for each and all." Help others to see and realize the truth of it. Not one person is excluded. Divine Love is for all people everywhere.

We have written enough for now. Blessings to you, Joseph, and to all who read our message to you.

I am Martin Luther with a large company of Celestials. We are one.

### **Friday – November 14th, 2014**

*I am very distracted today. I was up early (3:00AM). I cannot recall what I did; only to say I experienced many distractions. Time in prayer was very short, and during prayer I felt very restless. It is now 5:45AM and I will be surprised if a Celestial will desire to write. I wait ...*

I am here and you are very correct in saying that you have been distracted. I will not write long. I do want to encourage you as you develop thoughts and ideas how to begin to speak to people about the message of the Divine Love. We spoke to you about not being too hasty. This advice applies to your contact with "outsiders" – to those who have no knowledge whatsoever of the existence of the Divine Love. The idea you have of the 'storyteller' is a good beginning. Many of your thoughts, ideas and feelings are the true evidence of the presence of your guides. You can trust them. This explains to some extent the restlessness that you experienced this morning. It is the expression of your wrestling with this or that thought. This will settle down. Don't be alarmed, and don't criticize yourself. This morning was not wasted time. You were right not to force your prayers, especially not making it a forced ritual and something you must do. Your soul longings for the Divine Love have been received and Divine Love has been received into your soul, whether you felt the evidence of it or not. This is where your practice of trust enters the picture.

You ask, were there Celestial spirits present Wednesday evening when you attended a program where Debby Taylor led a time to “Ask the Angels.” But of course! Your presence was appreciated by Mrs. Taylor. Because you were there, she is now curious of your work and your books. She was pleased and so were the others in attendance.

If you do attend again, and we do urge you to return, you may ask Mrs. Taylor’s angel about us, and what her guides see. We will lead you what to ask. And be sure that you attend her program in December at the public library. Be prepared to speak about your experience coming to the awareness of the Padgett material back in 2006. Your story will fit well with her program invitation (“Have you had a spiritual experience?”). You have ideas about handing out small cards telling about your books. These are small steps and we encourage you to take them. Everything has its beginning. The long walk always begins with the first small step. So it is with the work you are being called to do.

*Who is this writing today?*

My name is Philip. I am with others, of course. Yes, Martin Luther is here, as is your father, Andrew, and many others. Take a break; we will resume later.

**Note to self:** *This message from Philip was comforting and also disturbing ... why was the name of my biological father dropped in at the end? What purpose did this serve?*

**Saturday – November 15th, 2014**

*I feel better! It is nearly 7AM and I have been out of bed since 2AM. I have been feeling very troubled about a very small detail – a name or title I plan to create later today for a business card. I’ve bounced around with two ideas (“Conversations with Joseph” and “Storytelling with Joseph”). Neither seemed appropriate. I do see myself presenting stories and conversations to small groups of people, but I do not like this as the introduction or the theme of public presentations. I see myself “Sharing News of God’s Great Love.” This is why I feel good. I feel that my guides have helped me. It actually happened shortly after I began to pray this morning. Then I fell asleep in my recliner for nearly two hours, and when I woke the same words were still with me. Do my Celestial friends have something to say about all this?*

Good morning, Joseph. We are here and pleased to say we are happy with your development. Yesterday you were conflicted about the thought of making yourself available for public talks. This was the exhibit of recurring doubts which you translated into feelings of unworthiness. These feelings do not begin with in feeling unworthy, but in your relationship with the Father and also us – your Celestial friends. As we continue these feelings will appear again, and with experience they will fade and may even disappear, dependent on the continuing development of your soul with your acceptance of the Divine Love. Prayer and sincere longings for the Father’s Love is the only solid remedy. You know this intellectually, and you are learning this experientially daily.

This, that you are doing now, is part of our plan for you. You are beginning with small steps, and these first steps will lead you into bigger things. This is much like the photo you are considering using for the cover of your book (a new book titled “Higher Ground). The things you are doing and planning now represent the steps you took when you were recovering the auto accident many years ago.

Today you cannot see where your present steps will lead tomorrow or the next month and even the next year. As Philip told you, every journey begins with the first small step.

We do suggest that you begin your latest decision concerning the small business card. This will be well received. It will be a good introduction of you as a speaker, and of us, the writers of the messages we gave to James Padgett (*the business card will show the front cover of the new book "Messages from Heaven"*). So now you may be able to see why there is such a large company of Celestial spirits interested in you, your work and your success. We like what you wrote to your friend (*an email to Helge Mercker*) that you desire to be a servant of the Padgett Messages. This is a very high desire on your part; we want you to realize that we will be with you, right alongside you, as you strive to be faithful to this desire.

May God our Heavenly Father bless you abundantly with His Love – is our prayer for you.

We are one – your Celestial friends, Martin Luther with many others.

**Tuesday – November 18th, 2014**

*I woke early again today and prayed earnestly. Prayers with Father and Celestial spirits was rich and full ... using as usual the free-form use of the beautiful prayer that Jesus gave to James Padgett. I paused long and silently "in the arms of our Father's Love." After this I went to my desk, wrote the previous words in my journal and then paused and wrote: Is there a Celestial friend present who may desire to write? I wait ...*

Good morning dear Joseph; I am here, Andrew – your father. Yes, I see your smile – and yet I see that you are doubtful that it is truly I, your earthly, biological father. I have progressed a great deal since I passed so long ago. It is difficult for you to take my message. Let this brief, then, for it may take time for you to realize that I am truly your father. I shall return – if you will permit this.

**Note to self:** *I feel overwhelmed by a variety of feelings. I was taken by surprise when I saw the words on paper and that the writer purported to be my dad. I felt a rush of anxiety and anger. Why would he come at this time, during a period when I have only begun to feel relaxed with the idea of communicating with spirits? I am perplexed; and 'he' sensed this and broke off writing. I did not feel closed to further writing, but from a different spirit. So, breathing deeply, I waited ...*

### Same day – Later

Joseph, this is your friend Martin. I understand your feelings surrounding the visit of your father. In time you will relax and welcome his presence. He will return to write soon. Andrew is a lovely spirit and loves you very much. Yes, it is true that he has his home in the Celestial heaven, and this is also true of your mother. She will come and write you; this will be for another day. There is purpose for Andrew coming to you now; this purpose will be revealed to you.

I would like to share that we are all pleased with your progress, not only with us and receiving our messages, but with your progress as you begin your public work.

The business card that you created is a small step. It expresses well your desire to be of help to the cause of making known the truth of the Divine Love. Your public presence will grow. Prepare a place where people may come and hear you speak about your experience in coming to the knowledge of the existence of the Divine Love. This will be shown you as you continue to respond to our help and influence. You will receive suggestions along the way as you are taking steps in the direction you feel led to go. Do not be anxious about having a place to meet. This will come. Perhaps you will meet at the public library. Be open to what develops. An individual who attends the same meeting where you will be in December may have a suggestion for you. Listen to clues and promptings. Does this not sound exciting? It is a new day for you; it is a new beginning. Be open and awake to what is developing in your life. All that is happening is an unfolding experience. Do not attempt to get ahead of what is taking place; do not be in a rush; do not attempt to force this or that to happen. Do not run when a slow walk is required. Above all things, be open to what is presented before you.

We are present and we will help you along the way, even to the extent of what to say when you begin your public appearances.

- Awareness of the existence of the Celestial Messages: This will be first.
- Your personal experience will be next.
- And third, an invitation to listeners to participate in the experience of the presence of Love.

These three things will be the focus. But how they will be presented will change and evolve. We urge you to be open to this brief outline. It must not be static or dogmatically presented. You must not be stern, inflexible, dogmatic and static. Be gentle and open to the individuals you will meet. With loving eyes, see each person as a unique individual, a precious child of God.

This will be enough for now. We will speak again.

We are your Celestial friends, your guides. We are one . . .

Luther, with many others.

### Wednesday – November 19th, 2014

*Today I woke at 3:30AM ... read various emails, and then posted my new book (“Messages from Heaven”) to Facebook. Prayer at 4:30AM, which was very calm, expressing appreciation for continuing guidance and help from Celestial friends, and the blessings of our Heavenly Father’s Love. I feel that I want to communicate with my dad, Andrew. So I wait ...*

Yes, Joseph, my son, I am here, your father, Andrew.

*Thank you for returning again to write. I want to apologize for my actions yesterday. I was surprised how I reacted and responded to your presence. I could not really accept that it was you, really you, and I confess that I felt anger toward you. How can I truly know this is not my imagination? Is there some way that I may know?*

Let me respond, my son. I am aware of your feelings toward me. After all, consider that we did not communicate much, practically none, and you were so young when I passed. I did not pass in good condition, and I was a long time recovering. I was bewildered and confused when I first awoke in spirit. Yes, it required a very long time for me to adjust to my new surroundings. I will tell you the more complete story of my progression later; I will tell only a few details today.

You will be happy to hear – for I know how much you loved your brother Charles [*Note: Charles is my brother and he was killed during the war, World War II*] – that he was present when I woke. He looked so very happy to see me! We did cry, for I too loved him, and we all were crushed when we heard news of his death in the war. Well, his appearance was beautiful and had such a happy countenance about him. He smiled nearly continuously. I was curious of course what the source of his happiness was. Charles helped me, his own father, and I was in his care and charge. He guided me around and showed me his beautiful home and the wonders of my new life here. Others were also present to help me adjust.

Later, after I had been in the spirit world for a time, I took a keen interest in you, as did Charles. Oh, we did not only concentrate on you alone, for there were at that time still many of our family on Earth. This was all before your mother passed. She will come to tell you of her experience.

We were drawn to you; you were of special interest to us because we saw your potential and also your stubbornness. This latter quality was unusual; it was not a negative thing, though it could have been. This stubbornness allowed you to be critical and not mere acceptant of what life put before you. In other words, you were willing to question and, if needed, change and move in other directions, which you did often, and in some measure still doing. I am not your primary guide, Joseph. You had and now have several guides. Perhaps it would help you to see that I was a very interested bystander, and at times, when asked by your guides, to provide you direct help.

You are still asking whether I am truly your father that is communicating in this way with you. I offer this for your consideration, it is this: It was I that was present this morning and impressing you with my name. It was I who was present when Philip suggested to you that I was with him while he was writing.

Yes, you may call me Andrew, if you so choose. Either will be fine. You have a longing that I write you, and I want to say that I am very anxious that you allow me to do this. I will not force you, and I will not be bothersome to you, for I am aware of the range of your present interests and activity. Charles

would like the opportunity to write; as would your mother (she is of such beautiful radiant presence) ... and of course all the family, which you know, are many. They want you to know that they are all quite fine and happy in their life here. You are correct, we are not all together in one location, and we certainly are no longer what you know as 'family.' We each have our separate lives; we are individuals. I am no longer a father to them – or the husband of Julia. We are more like friends, if you can accept this. Yes, your sister Margaret and I now get along quite nicely. She is no longer bitter toward me, nor is your brother Bundy. Each one of us is progressing, some faster than others; but all are happy in their own way and in their own space and experience.

*[Note to self: I am feeling good and enjoying the experience writing this message from my dad.]*

Joseph, I sense that your feelings have changed from the experience you had with my unexpected presence yesterday. In the days ahead you will see this as an important experience for you – that you found that you still had ill feelings toward me. Because you are older and have the perspective that comes with years, and because you also have a good amount of the Divine Love, family injuries have been removed to a large extent. I had these same injuries, as did your brothers and sisters. When you came to the knowledge of the Divine Love in the readings in James Padgett's writings (Yes, I have met James) you changed, shall we say, explosively. And when you had this experience, all of us already in the spirit world benefited. I am not suggesting it was the time I discovered the Divine Love; no. Not too long after I passed into the spirit world very kind and helpful spirits showed me the truth of the Divine Love, and similar to your experience, I almost immediately embraced the teachings of the way of Divine Love. It became my salvation, and I progressed quickly. Yes, I had many of the same injuries as you, and had a hard time releasing them. I was stagnant, and when the teachings of the Divine Love were introduced to me I began to experience change and transformation. When I saw your response, when you began to read the writings of James Padgett, I felt gratefulness and happiness. And now whenever I see and hear you pray the way that you do, this adds to my joy and it also helps us when we listen to your prayers. Some of the spirits here that attend your prayer time are your own kin. This is true, Joseph, and I know that you feel the truth of what I am telling you.

This has become quite a long message. It was good writing you like this. I pray we may do this again soon. I realize your family awaits your assistance. Go, my son. We will communicate again. We cannot say everything that needs to be said in one message. I have thoroughly enjoyed my time with you. I love you, my son and my friend. Yes, I am your friend.

With all the love and blessings of our Heavenly Father, I am ...  
Andrew – your father when I was on Earth long ago.

*[Background information for readers: Andrew passed after he was diagnosed with cancer, and suffered a very long and painful illness. He died at home on October 2nd, 1951. Julia, his wife and my mother, attended to his nursing, as did my sister Margaret. Julia and Andrew had twelve children, and I am number twelve. Andrew was an ordained Christian minister, and was a pastor of a church located in Buffalo, NY when he passed. As noted above, I was sixteen when he passed.]*

## Reflections – Saturday, November 29th, 2014

*It has been busy here since I last recorded a message from spirit. It is the holiday season, which is always a busy time in our home. I feel different since I heard from my dad. I shared it over the telephone with my sister, Marie. She cried while I read it. When we talked about it, I mentioned my reluctance to fully accept that this was not my imagination. She helped me to see that it was not my imagination. I am happy that I shared it with her. It has made it easier to share with others who are not family.*

*In his message on Tuesday, November 18th, Martin said this: “There is purpose for Andrew coming to you now; this purpose will be revealed to you.” It is already happening. I have not sat to receive another message from spirit, but the feeling of the presence of spirits is more real than it has ever been prior to my father coming to write. When I think about this, I wonder what it felt like to James Padgett to have his wife and other family members come so close to him. This had to help him accept the fact of the presence of Jesus and other Celestial spirits. And not only this, but also to accept the presence of the Father’s Great Love. Divine Love can be experienced as being more real than anything in all nature, Jesus wrote in a message to James Padgett. This is so true, for it is not a mere intellectual assertion, but rather, a verifiable thing by and through experience.*

## Later Saturday – November 29th, 2014

*I have not written a message in over a week and I don’t feel guilty or negligent. This is new for me. Today I feel anxious as I anticipate a Celestial friend to come near to write. I pray that I am open and in relative good condition to receive a message from spirit. I feel that I am, and I wait to see who it is that shall come to write.*

I am here, Joseph, and I do have a message that I wish to give. Yes, I realize that you did not pray in your usual way – which at times can be very long. You did have true soul longings for the Divine Love which, as you know, is faster than formed thought, and sufficient for the Father to hear and answer.

You have the thought that it is your elder brother, Jesus, who writes this, and you are correct. I have not had the opportunity like this in a very long time, and I do have a message for you and all your friends.

It is time, as your friend Geoff spoke during the recent Divine Love Retreat in Washington, DC. It is time for all my friends on Earth to reach out in a host of ways to mankind with the message and demonstration of the availability of the Divine Love. Many persons are having experiences that are directly related to the Divine Love, and yet they have neither knowledge nor awareness what it is that they are experiencing. You and all others who are aware of the existence of the Divine Love and know something of its purpose and effect in human lives, must begin to reach out to these individuals to help them realize that it is God’s Great Love that they are experiencing. **Love – the Divine Love – (with Feeling Healing) is really the only answer.**

Joseph, it is time for you to make yourself known in your community, and to do this you must make yourself available and accessible. Martin Luther has been guiding you and your response has been good. This coming week will be the time to begin your public appearance. We will be present to assist you. You will not know the particulars of our help until you are present at the meeting on Saturday. At this time, today, as you are writing this message, what we are saying is only a very small fraction of the

influence you will feel one week from today. I am as anxious as you are. We will not force our presence upon those attending the meeting, yet, to those who will be open, they will feel something uniquely different. When you speak you will have clear vision of the change that came to you when you began to read our messages to mankind given to James Padgett. What you say will have influence with listeners because we will be present to each one. They will remember and some will even express a desire to hear more about your experiences. With our presence and influence it will be a memorable event for many. Please remember that we will not exert pressure in order to force their attention. Hungry souls will open to our presence. This is all that I need to say at this time about the meeting that you will attend next week Saturday.

I do want to encourage you to continue to be open and willing to record messages from your Celestial friends. I am happy that your own father, Andrew, came to write and to be a member of the band of helpers assisting you at this time. Andrew's presence has given you deeper confidence in the work we have planned for you to do. Your mother and others in your family are also present to encourage you.

Our task is not easy, for you are not one to quickly step forward into the public eye, but we see that you will. I come to encourage you and all who read this message, that each person with the Divine Love has a similar work as Joseph. He is not singled out. Each person is called to speak of your experience in receiving God's Love. Do not be afraid or hesitant, for Celestial angels are with you. It is time that each one do his/her part in fulfilling the desire of our Heavenly Father that all His children everywhere hear the Good News of the availability of the Divine Love, and the possibility of the transformation of the human soul. Our prayer and hope is that others will see your personal transfiguration. Your family, neighbours and friends will notice the change happening in your life; do not be shy to tell them exactly what it is that has made the great change in your life. You have received a good portion of the Divine Love. Some of you have been enjoying this process many years. As you step out in faith you will experience even greater inflowing of the Father's Great Love.

The light of Divine Love is within you and it cannot be hid. You have the truth and you are the truth ... it is within you; it is the Divine Love, the substance of our Heavenly Father's Great Soul. Relating to matters of receiving the Divine Love, you realize that it is only you who can prevent this love changing you into a Divine Angel on Earth. So your life is about the Divine Love revealing its transforming power in your life, so that others may see and cause them to wonder what this change is that they see in your life. Only you can prevent the visibility of the Divine Love in your life. Do not attempt to hide this from others. It is time – the right time to allow the manifestation of the light of Divine Love in you to shine in all the dark places in your world.

Well, I have written enough; it is a long message for Joseph to record.

Let me close the, by saying this: Be who you are – the beloved sons and daughters of your loving Heavenly Father. All are His children; all are the objects of His Great Love and most tender care. **His Love – the Divine Love – is waiting for all.**

With the Love and Blessings of the Father, and my love and blessing,  
I am your brother and friend,  
Jesus.

## The CHOICE is OURS to MAKE:

### Celestial Truth:

Truly all-loving;  
 Living true to oneself;  
 Mind supporting Feelings;  
 Living with the Divine Love;  
 Fully Healed of the Rebellion and Default.

### THE FEELING WAY

Feeling – Ascendance  
 Unlimited progression

- Living true to your untruth;
- Honouring all your bad feelings;
- Expressing feelings to uncover their truth;
- Healing the Rebellion and Default within yourself;
- Feeling unloved; being unloving;
- Feeling as bad as you can feel;
- Feeling like you are no one special;
- Longing for the Divine Love.

### THE MIND WAY

Mind – Transcendence  
 Limited progression

- Enlightenment, Nirvana, feeling all-loving;
- All false, mind-contrived. Anti-truth, anti-love;
- Still evolving the Rebellion and Default within yourself;
- Feeling and believing you are the Superior One;
- Living with your mind in control of your feelings;
- Living rejecting all your bad feelings;
- Living with your mind contriving you feel loved;
- Rejecting the Divine Love.

All religions, New Age, agnostic,  
 atheists, no spiritual interest,  
 Living the Rebellion and Default.

Hell:  
 Exploiting the Rebellion and Default.

The Feelings are the doer; the Mind the teller. So we are to go with our feelings, which we can't be told to do with our mind. So the longing for the Divine Love, doing our Healing by expressing our feelings and longing for their truth, are all feelings and doing it with longing. Whereas the mind just wants to tell us what to do and how to be, no feelings in it, all how our parents have treated us.

# FEELING HEALING + SOUL HEALING

To heal one's self is to simply look to see what feelings we are refusing to let ourself feel, and accept them instead of denying them. And to fully accept them, one needs to express them, speak about them, let them have their say, rather than pushing them aside, refusing to let them make you feel bad.

Doing this all with the intention of seeking the truth of why you are feeling them, of speaking about and expressing all such feelings; all feelings you have, but ALL WITH the INTENTION of UNCOVERING the TRUTH THEY WANT YOU TO SEE ABOUT YOURSELF. And it's the wanting to see the truth of them that is very important, because if you just look to accept them and speak and express them, but not seek their truth, then that's all you'll be doing, speaking and expressing them, but not healing their causes, so not fixing the things within you that are making you feel bad. And it's the truth part of it, seeking the truth of your feelings, and so, seeking the truth through your feelings, that's vitally important. It's the truth of yourself, life, nature and God, that is the spiritual aspect to it all.

You CAN'T find the truth of yourself, or anything else, through and with only your mind. You HAVE to engage and look to your feelings. And so if you choose to allow your feelings to 'Show You the Way', then the truth will come as you express them. So to do our Soul-Healing consists of these steps, all of which are ongoing until it's done:

- **Admit you are feeling bad.**
- **Accept your bad feelings, identify what they are.**
- **Honour fully your bad feelings by expressing them, speaking about them to someone who is willing to hear you talk about them, or tell them out loud to our Heavenly Parents. Long for the truth of them. Long for the truth of why you feel bad – what deep within you is causing your bad feelings?**
- **And remember, bad feelings are Good! Not bad. They are not to be despised. And as hard as it is to accept them, they are still you, and a very real part of you. And if you persist in denying them and not allowing yourself to fully live them, then you are only going to keep yourself in your errors making things harder for yourself.**
- **All sickness and suffering, all bad things that happen to you, all your problems, all your addictions – your whole feeling-denying and untrue life, is all caused by your denial of bad feelings.**
- **Every problem in the world is brought about because everyone has been brought up to deny feelings, and in particular, most of their bad ones.**

If one is intent on spiritually evolving and growing in truth, then it's vital, and this is the key, that one looks to use one's feelings as the means to gain and have access to the truth of oneself. You CAN'T find the truth of yourself or anything else through and with only your mind. You HAVE to engage and look to your feelings. And so if you choose to allow your feelings to 'Show You the Way', then the truth will come as you express them.

Doing your Soul-Healing with the Divine Love, is really doing your 'Feeling-Healing'. We are designed — created — to be self-revealing of truth, and so we are all to uncover the truth within ourselves and for ourselves, and all being done by living true to our feelings. **If you accept, express and seek the truth of your feelings, then truth will come to you, and you'll grow spiritually. It's as easy as that. Also it is as easy as it is to long for, ask for and receive Divine Love.**

THE HEALING OF YOUR BAD FEELINGS THROUGH THEIR ACCEPTANCE  
AND FINDING THE TRUTH OF THEM, IS THE ACCEPTANCE OF YOUR  
NEGATIVE, REBELLIOUS, EVIL, IMPERFECT MIND AND WILL CONDITION.

To do our feeling-healing we need to become:

Aware of – Acknowledge – and Admit, our bad feelings.

So we can:

Accept – them and allow ourselves to Be them.

And then if we feel to, take:

Action – Express, speak and emote them.

Talk about them.

All being done whilst longing to, really wanting to, see the TRUTH of our feelings.

So it sounds simple.

So I repeat:

We accept our bad feelings by expressing – speaking about them to someone willing to listen to us and take us seriously. And as we speak we long for the truth of them – why we are feeling them – to be made known to us. And when we uncover and see the truth we are FREE! – healed of the causes that have made us feel bad.

Accept, Express – see the Truth, and you're Free!

ACCEPTANCE OF ALL YOU FEEL, THINK AND ARE, IS THE KEY TO DOING  
YOUR HEALING; THAT, AND WANTING TO SEE THE TRUTH OF ALL YOU  
FEEL, THINK AND ARE.

**Release one's pain through expressing one's feelings.**

**in conjunction with**

**Longing for the Truth when also longing for Divine Love.**

## Prayers to our Mother and Father

From 'Religion of Feelings' by James Moncrief

**Please Mother and Father** help me accept my untrue state and bring up all my repressed feelings so I can see the full truth of why I feel so unloved and all that's wrong with me.

**Please Mother and Father** help me see the truth of myself through my feelings.

**Please my beloved Heavenly Parents**, fill my soul with Your Divine Love. I long for Your Divine Love; please answer my prayer and yearning to be at-one with You and do Your Will by living true to myself and all my feelings. Please fill my heart and soul with Your Divine Love – please make my soul like Yours – Divine.

**Please Mother and Father**, I want to uncover the whole truth of myself through my feelings. I want to be able to feel and accept just how bad I am, how bad I feel I am, how bad I've been in my life. I want to know the whole ugly truth of myself, see it and feel it and understand how I came to be it. Please reveal to me through my feelings all the truth of myself You want me to see. I want to be as You want me to be; I want to be true and perfect, Healed of all my rebelliousness and self- and feeling-denial; I want to be good, loving, true and happy, please help me become true to myself, true to my soul, true to You.

**Please Mother and Father help me**, I'm in such bad pain, I feel so alone, so miserable, so scared, what's going to become of me, I don't understand, what's the point of me, why have You made me; please help me see the truth of myself – all the truths of myself, nature, how to be in the world, of You both. I want to know, I want to know it all through my feelings, all that there is to see, the whole truth and nothing but the truth. Please help all my pain come to the surface of me so I can embrace and accept and express it out of me. I want to use my feelings to uncover the truth they are to show me; please help me to do that.

**Please Mother and Father love me.** I want You to love me. I want to feel fully loved by You. I don't want anything else, only to be with You. Please, that is all I am asking.

**Please make me feel how unloving I am.** Please show me the horrible truth that I am. I want to see and feel and understand the worst of me, please take me into my darkest scariest ugliest unwanted rejected places within myself. I don't want to feel all the dreadful pain that I know is there locked away inside me, yet I do also want it all to come up and out of me, and I want to use it to see the truth of my wrongness, the truth of how evil I am, the truth of my fucked up state. I no longer want to be false, pretending I am okay, using my mind to make me falsely believe I am good, happy, loved and loving, when I know I'm not. For how can I be when You've brought me into my unloving state, making me be of it. And as You want me to experience being this negative way, please show me the whole truth of it. I no longer want to deny any part of myself, or any of my bad feelings. I want them all to come up so I can express them, emoting their pain, feeling how bad You've made me feel all my life and all through my early life; I want to see why, and so reveal all the truth to myself. I want to be the living truth of myself, living true to my feelings and the truth they give rise to. Please help me to do my Healing, and please fill my soul with Your Divine Love.

**The mind way is the 'dead' way; the feelings way is the 'alive' way.**

### Examples of some prayers to God:

From 'Feeling Healing' by James Moncrief

**Please God** show me the truth of myself through my feelings.

Please help me see the truth about myself You want me to see.

And please help me feel all my repressed pain; please bring up all my bad feelings so I can express them and see what it is they are to show me about myself, my life, and You.

And please help me work through my blocks, I want to Heal myself, I want to become true to myself and true to my feelings and true to You – please help me do that.

**Heavenly Mother and Father**, I feel so bad, and I know I'm doing it to myself, but I can't help it. I can't stop my compulsive addictions, so will you please bring up the buried feelings in me and show me the reasons why I can't stop. Please! I want to know – I REALLY WANT TO KNOW why I do them. Please help me Mother and Father to uncover the truth of myself. Please, I beg you, please, please, please show me the truth of them so I can give them up. I hate feeling bad, yet I know I must so I can keep expressing my bad feelings to see the truth You want me to see, so please help me feel bad.

**Please Mother and Father** fill my heart and soul with Your Divine Love. Please give me Your Love. Please love me and make me feel loved by You. I want to feel You close to me, I want You to hold me, make me feel loved by You. I only want You and to do Your Will. Please help me bring up all my repressed feelings so I can express them and uncover their truth. Please help me do my Healing. Please give me Your Love.

**I hate you Mother and Father;** why have You given me such a shit awful life? I hate myself, I hate You, I hate everything about my life. I feel so bad all the time. I've expressed so many bad feelings and still I feel bad. It's not fair, it's not fair what You've done to me. I hate You! And I want You to help me Heal myself, so I can stop feeling bad. You put me in the shit for whatever reasons, and I want You now to help me get out of it and show me what it's all been about. Please help me to Heal myself so I no longer hate You.

**I long for Your Divine Love** Mother and Father. Please fill my soul with it. And please help me uncover the truth of myself through my feelings. I want to see it all! And please make it all end, I'm so tired of always feeling so bad, please take all my bad feelings away by making me feel them and showing me the truth I am to see.

**LOVE**  
is  
**Feelings First Spirituality, The New Way**

*Feelings First Spirituality, The New Way* is a contemporary ‘religion’ based on living true to yourself through your feelings. Understanding that all you need in life is contained within your soul and is shown to you through your feelings. And by loving your feelings, by attending to them properly (talking or writing them out of you) and not denying them, you can use them to uncover the truth of yourself – the truth of your soul.

*Feelings First Spirituality* is not a formalised religion that tells you how to be, that is too controlling and is actually bad for you, limiting your spiritual growth. You can be wholly self-revealing of the truths you need to be, being the person God created you to be, all by living true to your feelings.

*Feelings First Spirituality* has no formal structure because we understand we don't need one, our soul contains within it all the truth of our spiritual ascent. If we look to our feelings for the truth they want us to see about ourselves, nature and God, then what more do we need! Our true spiritual path is the path our feelings will lead us down, that is, provided we allow them to. This is the most spiritual we can be.

**Living the New Way of Feelings First Spirituality**

You come to the understanding from your life experiences that how you are is not right, it doesn't make you feel good – that you are wrong in some way. And you want to change yourself, you want to become right, true and perfect – you want to be like God is.

*And to do this you need to do your Healing*

Your Feeling-Healing is looking to your feelings for the truth of yourself, the truth being hidden in many of the feelings you are not wanting to face in life. So you have to end your feeling denial, accepting all your bad feelings (and good ones), express them (yet not necessarily acting upon them), whilst longing to uncover the truth they are to show you.

Or, you can do your Soul-Healing, which is your Feeling-Healing together with including longing directly to God for God's Divine Love. When you receive the Divine Love into your soul, it will cause your soul to become divine, and it will deepen your personal relationship with God. Long with all your heart to God for God's Divine Love.

# FEEL *for* TRUTH

The beauty of it all, is the truth comes to you through your own feelings. You don't need to be told it by anyone. You can work it all out for yourself. We are self-revealing of truth, it's how God created us to be, and by being it we'll feel the happiest we can feel. Truth is our great comforter, so when you feel it come up within you, ah it feels so good and you feel just right – perfect!

We know only how to deny feelings, now we can get to know how to accept them. And always with the truth being the most important part.

## FEELING TRUTH

If you don't want to uncover the truth of your feelings, then you can keep on expressing them forever but you will never fully heal yourself. Seeing the truth results in the Healing. And to see the truth you need to express all the pain out of you. The two things go hand in hand.

You can accept and express your bad feelings, letting off steam all day long, yet nothing will heal and nothing much will come of it. So this is where wanting your feelings to show you the truth of why you're feeling as you are is so important.

Don't go fishing with your mind, that will shut the truth out from rising up for you. **KEEP YOUR MIND OUT OF IT.** It's a feeling thing, doing your Feeling-Healing. (This is where we erred previously, and this how other modalities are in error.)

You long when you can, then stop longing and keep expressing. And at some point, and it might not even happen immediately, it might happen after days or weeks of expressing the same bad feelings, truth will come to you. And it does, it just comes up suddenly into your consciousness. You just know. You see the picture and you feel it's true. And you know it's true. And THEN your mind can come in and start sorting it out and putting in context.

It's the Truth that we are seeking. It's the End Point. The Reason for doing your Healing. You are to see the whole Truth of yourself. And to begin with, that's the whole truth of your unloving self, of your wrongness, of your evilness, of why you are as you are in your negative unloving mind-controlling state. To be able to fully accept yourself as you are, warts and all. To not fight or resist or try and change yourself, just to accept all you feel and all the truth of all those bad feelings you feel about yourself. And when you do, so you will be healed. You CAN'T heal yourself unless you uncover the truth of your pain, suffering and so the truth of all your bad feelings.

Through our Feeling-Healing we long for the truth of what we're feeling whenever we can. So as often as you can. You want, and REALLY WANT WITH ALL YOUR BEING, ALL YOUR WILL, to know why you are feeling bad. You yearn, want, long and beg and beg and BEG God to show you the truth of yourself through your feelings. So when you are expressing your bad feelings you can stop and long for the truth to show you what's going on, why do you feel so bad, and you can do it any time you think of it or feel to do it.

Heartfelt TRUTH

# Feelings First Spirituality

## The New Way

**Feelings First**  
**FF**  
**Feeling Free**

The New Way, Feelings First Spirituality  
 Learn to live with God through your Feelings

Accept, express and long for the truth of your feelings

Be free in your feelings  
 Free your feelings from your mind's control  
 Live true to your feelings; your feelings are your true self  
 Live true to yourself through your feelings

Live true to yourself by living true to your feelings.  
 Long for the truth of your feelings.

Accept / Express / Bring out ALL of your good, and most importantly,  
 BAD feelings.  
 Want to understand why you're feeling them.  
 Use your surface feelings to take you deeper into your repressed and  
 hidden feelings.

The Feeling Way is the True Way.  
 Your feelings are your spiritual guide.  
 Your feelings will take you to God.

Your feelings will show you the truth of your relationships, including your relationship with God; and if anything is wrong, untrue and unloving, then why it is.

Our feelings are sacrosanct and we should respect them accordingly. And we should NEVER block them out, ignore, override, banish, deny or reject them, because if we do, we're only doing that to ourselves, as Our Feelings Are Our Self.

Our feelings are the gateway to our soul. Our feelings are the closest we can get to our soul. Knowing the truth of our feelings is knowing the truth of our soul, and knowing the truth of God.

Feelings First Spirituality is the True path for humanity.

It embraces all people.

It completely unifies the world.

Everyone can relate to everyone else through their feelings.

And we can all live the truth that comes from our feelings, all sharing the same truths as we express and have the same feelings.

No one need be left out; no one is more special than anyone else – we are all united in Truth through our feelings.

So with and through our truth we live our lives, therefore without the need of any man-made mind-laws, rules and restrictions that limit self-expression as inspired by our feelings.

The New Way, Feelings First Spirituality is what is to replace all man-made, mind-contrived religions that so many people have enslaved themselves to. The New Way, Feelings First Spirituality will set us free of all that control, ending the Rebellion and Default within ourselves as we do our Feeling-Healing, and ending such control and spiritual stagnation in the world.

Bring on the End Times – get it over and done with! Let's all see that Jesus is not going to come again, that Prophecy has failed all the mind-controlled platforms. Allow such false systems of belief to die their long-awaited natural death, they've overstayed their welcome, it's now time they fade away. So let us show such antiquated, erroneous systems of belief the exit and bring on the fresh liberation of discovering the truth of how we are to live for ourselves, each of us personally in our lives, and all by looking to our own feelings for it. Self-revelation through our feelings is the way to go.

The Way of the Mind is ending, and is really the End Times – the End of our mind control, and **it's about time!** With the Way of our Feelings replacing it.

The End Times means the end and therefore a New Beginning. And that new beginning is a whole new Spiritual Age – an age based on self-revelation of truth through one's feelings, coupled with and supported by higher revelations from the Celestial spirits, angels and nature spirits.

The Feelings First Spirituality is the True Way to God because it helps you get to know God, helping you to reach out, connect and be personal with God, and do God's Will, all through your feelings. It is the only true way of getting to know the God of Feelings – our beloved Heavenly Mother and Father, the Great Soul of Divine Love.

Love comes through our feelings and not our mind, as we've all been wrongly led to believe.

# REVELATIONS

**Revelation 1:** Our soul becomes encrusted with harmful ways of life, plus negative and erroneous beliefs, these mainly stem from our childhood upbringing and environment. Thus we live untrue to ourselves, we become 'evil'. Whilst we hold to these injuries we limit the amount of Love that we can receive into our soul. To open our soul to the Love we must firstly and progressively feel into our emotional injuries and allow them to be released. Until we emotionally experience past errors and injuries we hold onto them.

To free our soul of damage and toxic emotions we must open ourselves to experiencing them. This is a progressive, slow and uncomfortable cleansing process that we must all experience. Only by addressing the generational injuries will we, as humanity, evolve in love.

To fully divest one's self of our badness, we have to 'go into' our feelings. Call this process of clearing toxic emotions as 'Letting Go', 'Emotional Processing', 'Journey Process' or 'Feeling Healing'. Embracing Divine Love then Feeling Healing becomes Soul Healing.

As part of our Feeling-Healing we will have to work our way into all our feelings to see if indeed they are coming truly from our heart and soul, or if they are being heavily influenced by our mind. And this will then lead us into questioning and uncovering the truth, if there is any, to our beliefs and why we behave the way we do; and is such behaviour based on truth, or is it based once again on untruth, belief, and rules of our mind.

**Revelation 2:** We can long for, ask for and receive the Mother and Father's Divine Love. The greater our soul is free of error and injury, the more of the Divine Love can be received and assimilated into our natural love formed soul. The Love does not free us of injury, however, it strengthens our resolve to continue on our journey to be free of error and injury, to step away from evil aspects that have been encapsulated within our humanness and soul. It is this Love, the Divine Love, that brings about immortality of our soul and it is this Love that will eventually fit us to enter the Celestial Heavens and progress for ever more onwards to Paradise. These two revelations free us from error and enable us to grow in love ever more.

**Immortality with the Love.**

# Steps UP!

## Quantum Jump 1

**REVELATION 1**  
James Padgett 1914 – 1923

James Padgett bravely introduced the availability of the Mother and Father’s Divine Love and a great deal of additional guidance and information, all of which has been supplemented by Samuels, Judas, Reid and Arnold. All writers were under restrictions of personality and circumstances. Revelation 1 opened the door for humanity.

## Quantum Jump 2

**REVELATION 2**  
Marion and James Moncrief 2002  
– ongoing

Marion and James Moncrief have recognised the need for one to engage in Feeling Healing and, by their actions, removed restrictions that James Padgett and others above endured, thus JM is able to critique the writings of the past 100 years resolving points of confusion as well as expand on what has been written. Revelation 2 is humanity’s turning point.

Due to the extra-ordinary nature of Revelations 1 and 2, humanity with the first Revelation would have continued on into its negative pathway of living, however, combining the first Revelation with Revelation two, now humanity can embrace this turning point and commence its evolutionary growth that has required two thousand years to put in place. This is the greatest event in the history of humanity and very few are aware of such, until we enable others to become aware.

Rebellion and Default officially ended  
31 January 2018

**END to the REBELLION and DEFAULT – 31 January 2018:**

31 January 2018: Nanna Beth – 3<sup>rd</sup> Celestial Heaven: Yes John, very good news we want to pass onto you for your records. Earth and the seven associated Mansion Worlds (including the two Earth planes) are **officially** now fully under the control of Celestial spirits. And this means John, that Earth is now ‘Ours’. It’s been a long time coming, but it’s a huge milestone and marks a tangible and real end to the Rebellion and Default. It’s one of a number of ‘End’s’ that are to occur.

With the departure of the Caligastias and Daligastias some years ago, humanity has been in a state a limbo so far as who is doing what with it, it not being allowed to be left alone so it could do whatever it liked, it always needing to have a spirit connection. With the mind spirits, as we’ve told you, basically calling the shots still happy to ignorantly carry out C&D’s plans. But now with our systematic and progressive take over, we’re now in complete control.

And what that means is we have our fingers in every pie and we’re on the case so far as what everyone is doing. However it doesn’t mean we’re taking over and telling humanity what to do and how to be, although we are able to work more with certain individuals directly and indirectly helping to move or point or orientate (depending on how you want to look at it) individuals, groups of people, whole societies, the whole world, according to the plans given to us by the Melchizedek Receivers.

So humanity will still carry on outworking it’s unloving, untrue and rebellious state, that has to be worked through to its natural conclusion, however we want you to understand and just know that it’s another end of things and beginning of the new. And it’s basically what we’ve been working with you in connection with James this past year to achieve. There is a lot more to it and how and why it’s been done, and done as it has been done, however you can find out about all of that when you come over.

So we Celestials will guide humanity now according to what our Mother and Father want, so humanity’s got a real tangible safety-net under it now, so no more ‘downside risk’, it all being to move it toward doing its Healing.

I’ll speak again soon – love Nanna Beth.

**God is God, who is our Heavenly Mother and Father, being SoulMates. There is only one Soul that is God's Soul, that being the Soul of our Mother and Father. Our Heavenly Parents are the First Soulmates; The Two Who Are One who have brought us all into being.**

**Jesus and Mary are a son and daughter of God.**

**Jesus of Nazareth and Mary of Magdalene, being soulmates, were both free of sin. Jesus and Mary, combined in their love for us, are our teachers and guidance for us to find our way home to our Heavenly Parents. To start this journey we are to liberate our souls from being entombed within our suppressive minds, through feeling and longing for the truth of our feelings via our soul and peel away our injuries incurred since conception.**

**Give yourself time to consolidate your relationship with the Mother and Father through the partaking of Their Love. And whilst you are doing this, you can learn about your healing, all that's involved with it, as there are many willing spirits to share their healing experiences with you.**

**When you are ready it will start happening simply because you will want it to, it all being orchestrated by your soul. And when that time comes you will have developed a strong foundation in your relationship with the Mother and Father for you to work from. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.**

**It is to make longing for God's Love the priority, and then do one's healing; should one want to include God and the Divine Love in one's feeling healing. This is doing your soul-healing as you are seeking to heal your soul of all evilness – of that which made you become evil, and release all the hurt and pain of not being fully and truly loved.**

**WE ARE Children of God**

## WE ALL ARE BEING GUIDED HOME:

We need the Spirits of Truth of the Avonal Pair to Heal ourselves; then once Healed, (and for support (overshadowing) as well through your Healing), we need the Creator Pair, Mary Magdalene and Jesus' Spirits of Truth to see us through the Celestial spheres, while at all times embracing our Heavenly Mother and Father.

Until Mary and Jesus died and liberated their Spirits of Truth, no one from any of the worlds could leave Nebadon, because no one knew the way to do so. Nebadon is our local universe containing some 3.8 million inhabited physical worlds and their associated spirit worlds.

When we embrace the truths Mary and Jesus are revealing, and start to do our Feeling Healing, or with Divine Love, Soul Healing, we are then freeing ourselves up from our parental and self control.

Thus our journey to Paradise, to the home of our Heavenly Parents, is of our choosing as to when we progress, however, there is only one way:

**HUM:** Humanity is to ascend. We are self contained. Our soul is always in truth and perfect at all times. **By living true to ourself, true to our feelings, we are living true to God. It's that simple.**

We are to recognise that being engaged and dominated by our mind is the wrong way for us to evolve and grow in truth. We are to discard the mind enslavement that has been imposed upon as by all of our parents. We are to express our feelings, both good and bad and free ourselves of the indoctrination that humanity has embraced worldwide.

Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God's soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of our Mother and Father.

**AVO:** We are to embrace the truths and guidance of the Avonal Pair through their Spirits of Truth. It is the Avonal Pair's guidance that will lead us through our Feeling Healing, and with Divine Love, we will be able to ascend through the 7 spirit Mansion Worlds and enter the Celestial Heavens where we also interact with other world's spirits.

**J&M:** We are also to embrace the truths and guidance of the Paradise Pair, Mary and Jesus, who will then lead us through the 3 Celestial Heavens that are aligned with Earth, and then further on through Nebadon where we will then depart beyond on towards Paradise.

**M&F:** Beyond the universal zone of Nebadon, we will be guided by our Heavenly Mother and Father onwards through the universes to Paradise where we will be welcomed by them, home for us all, as we are all Children of God.

**M&F**

**J&M**

**AVO**

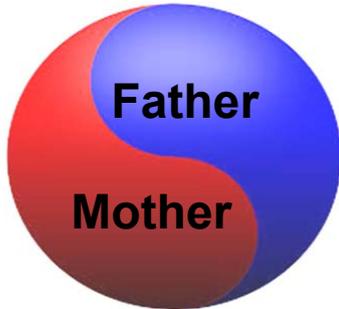

**HUM**

**WE ARE Children of God**

**WE ALL ARE BEING GUIDED HOME – NOW, HOW TO COMMENCE THE JOURNEY:**

**GOD**

**M&F**

For 200,000 years, we have been misled into embracing our mind's distortion of wisdom and truth. All such traditional understandings only lead us in the wrong direction, from which we must turn back from. Our soul based feelings are always in truth. Our minds are to follow our soul based truths and feelings, not the other way round, as we have been brought up to embrace.

We are to connect with our deeper repressed feelings.  
We are to long for the truth of what we are feeling.  
We are to live true to our selves; by living true to our feelings.

Use your surface day-to-day feelings to connect with your deeper repressed feelings. Express your surface feelings and your deeper repressed feelings to uncover the truth of yourself.

**J&M**

We all have feelings which we communicate and share with each other. And we all have deeper buried and hidden repressed feelings. Feelings from our early childhood we felt, yet weren't allowed to express. These feelings are still within us, waiting to have their say. These feelings, because they are repressed, cause us all our problems.

And as we look to uncover, bring out and accept these deeper feelings, so we're taken into new ways of looking at ourselves, our feelings, and our life. We're setting ourselves free of the controlling patterns that govern our unloving behaviour.

In this way, we progressively begin to express the personality that our Heavenly Mother and Father gave us, not the one imposed upon us by our physical parents and carers. We are to be our true and real selves.

**By living true to ourself, true to our feelings, we are living true to God. It's that simple.**

**AVO**

**HUM**

As we, humanity, long for the truth of our feelings, we can also be assisted by the Spirits of Truth of the Avonal Pair who are our spiritual teachers for Earth over this coming 1,000 years, to assist us through the Great U-Turn, away from mind dominance to being soul based feeling lead. They will assist us through the seven levels of the spirit Mansion Worlds.

Then the Creator Pair, Jesus and Mary, will lead us through Nebadon and into the greater universe. Then our Heavenly Mother and Father lead us home to Paradise.

Collectively, should we embrace them all, as we are to, then our pathway home is a journey in the hands of the Spirits of Truth of the Avonal and Paradise Pairs overseen by our Heavenly Parents.

## HOW TO GET TO PARADISE:

Long for the Divine Love

Long for the Truth

Long for the truth of your feelings

Don't deny any feelings: accept, express and want to know the truth of them

Know your feelings are the key; your feelings are the Way

Want to end your falseness and being untrue

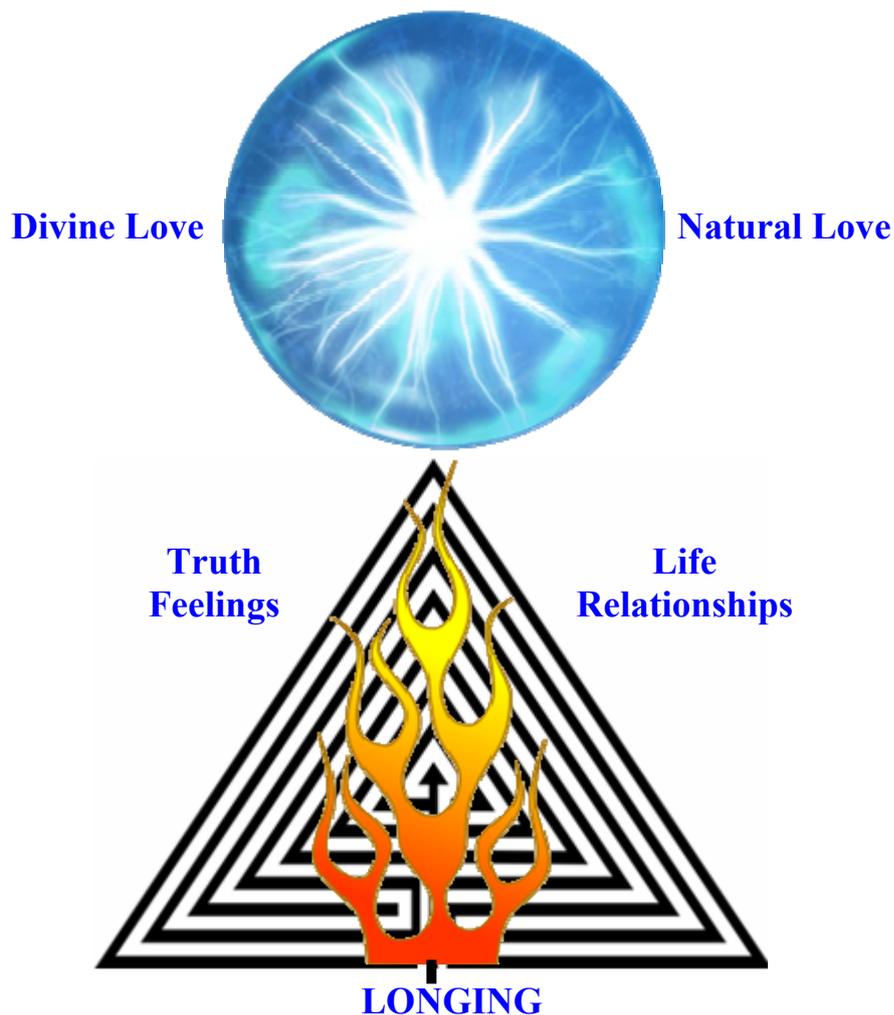

Want to understand the truth of your early life

Use your surface feelings to move deeper into yourself, bringing up your repressed feelings

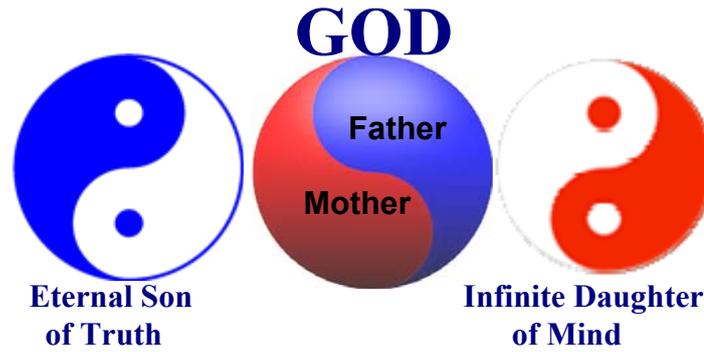

Want and long to know the whole truth of yourself

Want to do it all with God, your Heavenly Mother and Father – long to Them for help.

## The Key

Our longing drives our life. We long with feelings. We can wish for things using our mind, yet long for things with our heart. These things in the pyramid are what to long for. Longing for them, when the longing comes naturally. Longing because you feel you really want them. Long to be true with all your heart. Long to live true to your feelings. Long to understand the whole truth of yourself.

**PARADISE TRINITY:**

1. **Our MOTHER and FATHER (God) (MF) – Divine Love**  
SOUL (God) – One SOUL that is expressing its two PERSONALITIES, our Heavenly Mother and Heavenly Father (Soulmates)
  2. **ETERNAL SON (ES) – Divine Truth**
  3. **INFINITE DAUGHTER (ID) – Divine Mind**
- Then: The Second and Third Persons of the Paradise Trinity (ES and ID) are stepped down to the local universe trinity (Mary and Jesus, Divine Minister (DM), and her Holy Spirit.

**The LOCAL UNIVERSE TRINITY:**

1. **MARY M and JESUS** – Our MOTHER and FATHER – Love – the Living Truth
2. **DIVINE MINISTER** – Mind (and her Holy Spirit)
3. **HUMANITY – Natural love, sons and Daughters – Truth, and our Angels – Mind**

**PLANETS that engage in REBELLION:**

1. **AVONAL SOULMATE PAIR** – the Feeling Healing process – incarnate
2. **DAYNAL – TEACHER PAIRS** – they do not incarnate

**So in summary:**

**Consider a diamond:**

# Mother and Father Heavenly Parents

Creator Son & Daughter  
Jesus and Mary

Avonals  
as soulmate pairs

Trinity Teachers  
as soulmate pairs

Melchizedeks – who have taken over from the Caligastians and Daligastians being also all as soulmate pairs.

Mortal Souls – human beings who individualise on Earth, then progress through the Mansion Spirit Worlds, then into the Celestial Heavens, and beyond.

Mortal Souls – also being ascending spirits, upon completing their Soul Healing, join with their soulmate, then join their soul group of 24 mortal spirits, being 12 soul pairs. It is only as a soulgroup that anyone can progress beyond Nebadon.

The Paradise Pairs are all ONLY concerned with the SPIRITUAL wellbeing and upliftment of the planets and local universe. Currently to do with Earth:

Mary and Jesus – spiritual wellbeing and upliftment of the whole of Nebadon region.

Avonal Pair – Daynal pairs (Trinity Teacher Daughters and Sons) – Spiritual wellbeing and upliftment of individual planets and their associated Mansion Worlds.

The Local universal Sons and Daughters are all about the running of the worlds under their jurisdiction, and ensuring the higher spiritual elements can be employed, or sent astray, as in our cases through the Rebellion and Default.

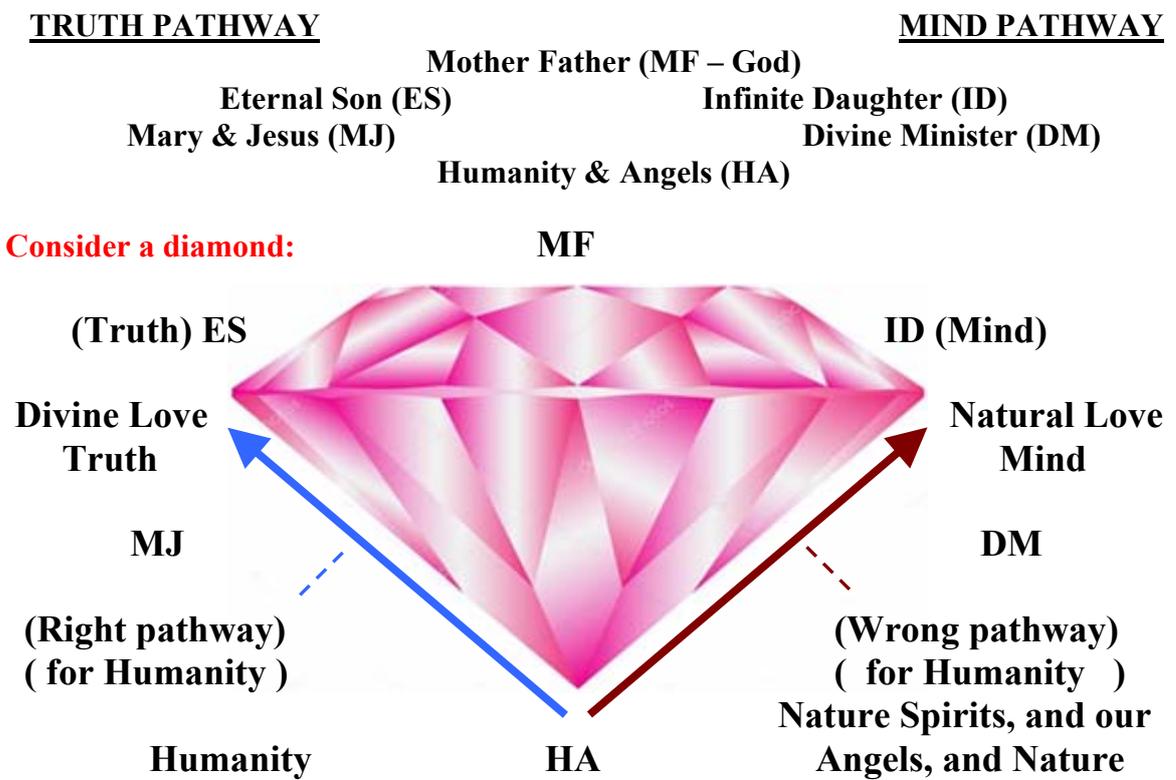

Lanonandeks – Melchizedeks (and others, such as Life Carriers and Eve and Adam).

As the Lanonandeks all rebelled – the Lucifers, Satans, Caligastias and Daligastias soulmate pairs – so the Melchizedeks have taken over their roles, as well as doing their own.

So the Melchizedeks are the governors, overseers, the administrators and advisors and so on for Earth; they are the ‘controllers’, and they will instigate all that needs to be done to do with the ending of the Rebellion and Default. And they will enlist the willing help of ascending mortal pairs, so the mortal Celestials spirits (soulmates when available, and others waiting to unite with their partner), and at times mortal spirits in the Divine Love Healing Mansion Worlds. And the angels help all of us.

Currently the whole of Creation exists for the ascension of mortal souls from their earth planets to Paradise. It’s all one vast Grand Ascension Scheme. With all the higher and lower spiritual Daughters and Sons, together with all the many different angels and other universal spirit personalities, and even including nature and our very own pets, assisting women and men with their Ascension Journey. It being: and Ascension of Truth. Everything we do is done to help us grow in truth. (Only everything we do in our negative state is to deny ourselves our truth from our feelings, which is why we have to do our Healing.) All women and men are ascending (or growing) in truth through their experiences. And as we grow in truth by looking to our feelings to show us that truth, so we’re ascending, moving inwards and upwards through all the worlds and spheres of the Grand Universe to one day arrive on Paradise and meet our Heavenly Parents. God is providing us, Their children, with this spiritual journey called our Ascension of Truth. And by living true to our feelings, so we are progressing on our true Spiritual Path – our Ascension Path.

Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God’s soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of your Mother and Father.

**Humanity** is to pursue the pathway for Truth through one’s soul based feelings, this is the right pathway. However, humanity commences its journey founded on natural love, which we now know is to be perfected through one’s Feeling Healing process and then made divine through asking for and receiving our Heavenly Parents’ Divine Love.

For 200,000 years, **humanity** has pursued the pathway of the Mind, being that of the brain, this is the wrong pathway. The Mind is the pathway for Angels and that of all of Nature.

**CREATION of SOUL and SPIRIT:**

God is *The Paradise Trinity* — the eternal Deity union of the Personalities: the Universal Mother and Father; the Eternal Son of Truth; and the Infinite Daughter Spirit of Mind.

The soul of each human personality (sons and daughters of truth) is existential, driving our personality expression in the experiential. The soul of each human finds truth by embracing one's feelings and longing for the truth of them. We are to attain the Eternal Son of Truth. We are a creation of Truth.

The soul of angels is experiential, evolving through their experience by continually progressing in mind development. Angels are to attain the Infinite Daughter (Spirit) of Mind. Angels are a creation of Mind. Our soul is duplex (we have a soulmate) and is created by our Heavenly Parents. Through our Feeling Healing we perfect ourselves enabling the union with our soulmate, as we progress in truth up through the Mansion Worlds, celestial heavens and all the way to Paradise.

Feeling Pathway

Mind Pathway

Soulmate Pair

Angel

Spirit Person

Nature Spirit

The soul of angels is also duplex, yet of the mind, and they progress in mind evolution to Paradise. Animals, plants and nature spirits are also creations of Mind.

Neither we nor animals reincarnate. We never die; upon death, we move into the spirit Mansion Worlds on our journey to Paradise. When animals and plants die, be they the tiny microbe to the mighty elephants of the land and the whales of the ocean, their spirit energy returns to the Spirit Collective Energy. And from this energy are drawn other animals and the nature spirits, who then in turn move onto becoming angels through increasing mind experience.

A nature spirit is an angel in waiting.

### LOVE of the MOTHER and FATHER:

We mainly commence our journey of discovering our relationship with our Heavenly Parents, God, through the intermediary relationship of one of many religions and the even more numerous religious institutions. Frequently we have given our power and rights to an intermediary to intercede on our behalf. Our Mother and Father seeks to commune directly with us.

As we progress in our development and growth of love for our Mother and Father, our Creator and Source Soul, then we find a relationship and personal love for and with Them. This developing personal dependence on our Parents can and is supported by our religion teachers as well as by our never tiring spirit guides. Asking for, praying for and receiving the Parent's Love, Their Divine Love, which is always available for us, is the ultimate blessing that can only come about by the development of our own personal relationship with our Heavenly Parents.

As our soul develops and expands with the infusion of the Love, our relationship and love of Mother and Father develops into the beautiful joy and blessings that is there for us all. Our personal relationship and dependence becomes all embracing erasing our childhood developed intellectually based self dependence.

With the Parent's Love, and one's Feeling Healing, comes an ever growing loving life experience that is beyond words and expectations. The Love of the Parent's, with Feeling Healing, is the only gift that brings about forgiveness of our errors and fits us to enter the higher spheres well above those based on self reliance and natural love, the only love that we are blessed with at conception.

**DIVINE LOVE TEACHINGS are MULTI-FAITH and for ALL FAITHS:**

The beautiful gift of the Mother and Father's Love, the Divine Love, is available to all, no matter what one's soul condition maybe or what one's beliefs are. The Love is given to everyone who longs for the gift and asks for it. There are no boundaries or conditions other than the necessity to ask for the Love. The great gift is filtered through one's spirit body into the soul by the instrument known as the Holy Spirit. This light golden blue energy substance blends with one's natural love and progressively assists in the peeling off of negative emotional issues and erroneous beliefs through one's Feeling Healing process, bringing about great happiness and fitting the personality to enter the Celestial Heavens.

### UNCRUSTING the SOUL:

Our will power, applied as strenuously as humanly possible, appears to achieve little progress in developing the loving sides of one's personality and even less progress in lifting negative and difficult character traits, but progress is achieved all be it slowly.

Our soul, blessed with natural love character traits and is the home of our personality, becomes rapidly encrusted by the personality issues of those within our environment, commencing from the time of conception and culminating, typically, by the time we are of the age of seven. We reflect the encrustments of our parents and of those within our environment. Our soul always remains perfect though it can become as dark and restricted in capability as a dried up garden pea, covered in error and negativity.

Should we earnestly and lovingly ask our Parents for Their Love, we will receive Their Love, the Divine Love, conveyed to us by the Holy Spirit, and with this Love in conjunction with one's Feeling Healing that dissolves these encrustments, these negative emotional injuries and errors, slowly but surely. This crust that has developed around our soul, our real self, will slowly be broken down and then lightened, and as it diminishes our soul begins to absorb more and more of the Love and then grows in size and vibrancy.

The Divine Love when it first comes, usually comes with very gentle feelings. As we grow in sensitivity to our errors and are penitent in addressing these issues, the Love will grow and grow in our soul thus lifting us from fear and anguish to that of a blossoming personality radiating love and joy for all within our presence. Our journey home will have commenced, never to return to times of doubt, depression, fear and harmfulness.

Enjoy the journey with the Love of your Creator and Indwelling Spirit guiding you home.

**EXPONENTIAL PROGRESS:**

While we remain self-reliant and unaware of the availability of the Mother’s and Father’s Love, which brings about the changes to our natural love structured soul to that which is Divine, our possible progress in development to purification of our soul is that of snail’s pace.

As our soul becomes encrusted in error and damages from childhood events, our soul becomes diminished and dark.

Our progress in development can take 100’s of years, centuries upon centuries, without embracing the Love and our Feeling Healing.

The Love with Feeling Healing is the only thing that washes away our erroneous beliefs, our harmful emotions, and the stains encrusted on our soul from the harm that we endured in childhood.

It is with this Love and Healing that errors are removed thus resolving compensation requirements, as the damage to our soul is no longer existent.

Instead of growing at a snails pace, our development starts to power along, developing exponentially as we receive more and more of the Divine Love.

There is no greater gift in the universe than the availability of the Love. As we become more or more dependent upon the Love of our Parents our quality of life expands into wondrous beauty.

The grace of our Parents through this Love is the gift that was made available to us in the 1<sup>st</sup> century and is now being taught to us again since the 20<sup>th</sup> century.

Receiving Divine Love into our soul enables us to grow beyond the natural spheres and further towards Paradise.

By asking for and receiving the Love we can grow exponentially.

Should we embrace Feeling Healing then our progress can rapidly be advanced.

Soul progress from within the 1<sup>st</sup> sphere in a natural love state and orientation is very tedious and sluggish.

Soul expression within the Spheres of Disharmony – hells.

PROCESS of FORGIVENESS  
PROCESS of FORGIVENESS  
PROCESS of FORGIVENESS  
PROCESS of FORGIVENESS

is also the PROCESS of REMOVING HARMFUL EMOTIONS  
is also the PROCESS of HEALING BODIES Physical Spiritual  
is also the PROCESS of SOUL GROWTH with the LOVE  
is also the PROCESS of CLEANSING the SOUL

Our Heavenly Parents send the Holy Spirit, the Spirit, to those who long for and ask for Their Love and assistance. All you need do is ASK!

“The New Birth is the flowing of the Spirit of God into your soul and the disappearing of all that tends to turn your heart from the truth and Love of God in conjunction to doing one’s Feeling Healing.”

“The Holy Spirit is God’s messenger or instrument that carries into the soul the Divine Love that is bestowed on the truly penitent man.”

“The Holy Spirit when the penitent prays for the Love the Holy Spirit will respond and fulfil the work that the Mother and Father has provided it to do.”

“The only thing that saves a man from their sins / errors and reconciles them to the Mother and Father is that they must become conscious of God’s Truths and receive the Holy Spirit into their souls.”

Continuing with one’s longing for Truth and asking for our Parents’ Love enables progressive removal of emotional errors and injuries that then lead to the removal of core emotional damage, and then, subsequently, the progressive filling and expansion of one’s own soul. Removal of these soul injuries through Feeling Healing also leads to the removal of damage to one’s spirit body and the restoration of one’s health.

It is only by the infusion of this Love while longing for Truth within one’s soul in sufficient quantities does one become fitted to enter the Celestial Heavens.

Soul development, with the Love, can take a soul from being a dried up garden pea to that of a simple candle, and then onto that of a blazing sun!

**The LOVE that brings about FORGIVENESS:**

This Divine Love, and by this I mean the only way through which salvation (with Feeling Healing) can be obtained, can enter and fill the soul through the sincere longing of the soul to assuage the thirst for at-onement with the Father through prayer.

Revelation 17 – November 12th, 1960 – Jesus

**The only way for man to achieve forgiveness of sins is through the obtaining of the Divine Love (with Feeling Healing) or through purification of the natural love, a long and tedious process that fits the individual soul for a place in the Sixth Sphere.**

Revelation 50 – October 18th, 1954 – Jesus

Feeling Healing with Divine Love fits a personality to enter the Celestial Heavens, way above the 6<sup>th</sup> Sphere. Without this Love and one going through their Feeling Healing, man cannot enter the Heavens. It is this Divine Love that brings about immortality for man and the Feeling Healing that purifies one's soul.

This great Love of the Father was created or rather has always been, for the redemption of the vilest sinner who seeks and believes.

March 24<sup>th</sup>, 1915 – Ann Rollins

Only the Divine Love can give man of a Divine Nature, and that no self development or cultivation of the Natural Love (without Feeling Healing) to the greatest and most sublime extent are sufficient to make man at one with our Heavenly Parents in the divine sense and which makes the spirit a partaker of this Divine Essence of our Mother and Father. One needs to come to understand the difference between the two loves and what the New Birth means.

**Our wondrous soul is an incredible ball of plasmatic intelligent energy. With Feeling Healing and the infusion of Divine Love, our soul will progressively change from that which is not Divine to that which is Divine. All we need to do is ask!**

**We are created in the image of our Heavenly Parents, but not of the substance of our Mother and Father. There is nothing of the Divine within our soul at the time of our individualisation, that is, upon our incarnation which is at the time of conception.**

**We have free will. Only should we ask for God's Divine Love, do we receive it. As we ask for and receive Divine Love the nature of our soul steadily changes to that which is Divine. Only with Divine Love can we grow and become at one with our Father. Becoming at one with our Heavenly Parents occurs upon our progression into the 8<sup>th</sup> Sphere, which is upon entering the Celestial Realms and leaving the Spirit World, having completed our Feeling Healing.**

**We can become at one with our Mother and Father whilst here in the physical world.**

**God's Divine Love: Pray for it, ask for it, and receive it.**

**Oliver Twist asked:**

***Please, sir, I want some more!***

**Maybe we should simply ask:**

***Please, Mother and Father, I want some more!***

**Long and pray for Divine Love and it, with Feeling Healing, will loosen the errors / injuries / unhealed / denied trapped and/or inherited emotions, resulting in a flowing out of these negative embellishments within one's soul as Divine Love flows in – Divine Love being the greatest gift in all the universe.**

To liberate one's real self, one's will, being one's soul, is by embracing Feeling Healing so to clear emotional injuries and errors. With the Divine Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

**Our salvation IS by embracing Feeling Healing with the Divine Love.**

**God's Divine Love: Pray for it, ask for it, and receive it.**

**Please Mother and Father, may I receive Your LOVE.**

**“Every day is a day of devotion.”**

Follow your heart, follow your love and do that in loving action, your inner love leads in your asking the Soul of God to receive a little of the Love to strengthen one's resolve to heal.

**“I love you Father.” “Let the Divine Love proclaim its energy into my soul.”**

**“Mother – Father, I desire your Love and I am loving you.”**

**“Soul God, I love you and I love receiving and experiencing your Divine Love.”**

**“True Soul God, I am here, I am aware of your Love. Please hear my aspiration for your Love and as I approach you from my soul, I can feel your Love in the way that you are loving my soul.”**

Try it; give the Feeling Healing and Love a go! If you want to shine, receive the Love.

One can simply receive the Love without following any religious or spiritual teaching taught by man!

Emotional errors and injuries cause encrustment around the soul, the soul is never damaged however, the encrustments retard love energy flow to and from the soul. Feeling Healing melts such injuries.

## **The Only Prayer That Man Need Offer to the Father:**

**The Prayer for Divine Love**

(as given within the first century)

2 Dec 1916

I am here, Jesus

<http://www.youtube.com/watch?v=Pg6p3rivAZw>

**P.438 Book of Truths through James Padgett / Jesus**

Let your prayer be as follows:

**Our Father, who art in heaven, we recognize that You are all Holy and loving and merciful, and that we are Your children, and not the subservient, sinful and depraved creatures that our teachers of old would have us believe. That we are the greatest of Your creation, and the most wonderful of all Your handiworks, and the objects of Your great soul's love and Tenderest care.**

**That Your will is that we become at one with You, and partake of Your great love which You have bestowed upon us through Your mercy and desire that we become, in truth, Your children, through love, and not through the sacrifice and death of any one of Your creatures.**

**We pray that You will open up our souls to the inflowing of Your love, and that then may come Your Holy Spirit to bring into our souls this, Your love in great abundance, until our souls shall be transformed into the very essence of Yourself; and that there may come to us faith--such faith as will cause us to realize that we are truly Your children and one with You in very substance and not in image only.**

**Let us have such faith as will cause us to know that You are our Father, and the bestower of every good and perfect gift, and that only we, ourselves, can prevent Your love changing us from the mortal to the immortal.**

**Let us never cease to realize that Your love is waiting for each and all of us, and that when we come to You, in faith and earnest aspiration, Your love will never be with-held from us.**

**Keep us in the shadow of Your love every hour and moment of our lives, and help us to overcome all temptations of the flesh, and the influence of the powers of the evil ones, which so constantly surround us and endeavour to turn our thoughts away from You to the pleasures and allurements of this world.**

**We thank You for Your love and the privilege of receiving it, and we believe that You are our Father --the loving Father who smiles upon us in our weakness, and is always ready to help us and take us to Your arms of love.**

**We pray this with all the earnestness and longings of our souls, and trusting in Your love, give You all the glory and honour and love that our finite souls can give.**

**Amen**

**MoC**

Note: The 'false teachers' are our parents, as they are also the 'evil ones'.  
Also, the evil ones, being those parts of one's mind, that are controlling you.

**WORLD PEACE only with the LOVE:**

Nothing will bring world peace and harmony onto this planet but the embracement and infusion of the Mother and Father's Love, Their Divine Love, together with Feeling Healing, by all of the people throughout all the communities, all faiths, around the world. Only Their Love is the substance that will progressively and with certainty remove from each of us those erroneous emotions that bring about fear and disharmony.

The awareness and embracing of the Love has no barriers, it is available to all. All faiths and spiritual practices can and will be invigorated and strengthened by the understanding of the availability of the Love, with Feeling Healing, the sharing of how to receive it, and by the knowledge of what it provides, particularly how one's soul condition develops with the Love.

The Love is the greatest gift in the entire universe. The universality of the Love will bring about global celebration of the harmony that will result between all and the benefits to all individuals, which are far too numerous to comprehend.

With FEELING HEALING and the LOVE will come the greatest advancement in the history of humanity. Nothing is surer and nothing will prevent this, just our resistance will delay this.

The time is ripe for us all to consider, embrace, enjoy, and share with all, our family, our neighbours, our friends, our associates and any one that we may connect with.

**FEELING HEALING and SOUL HEALING with the DIVINE LOVE:****James Moncrief Publications:****all publications are free downloads:**<http://divinelovesp.weebly.com/my-free-books-and-free-padgett-messages.html>

It is suggested for one to consider reading as follows:

**Speaking with Mary Magdalene and Jesus – books 1 – 4**

These four books encapsulate the second of the revelations with the first having been introduced by James Padgett one hundred years previously. These four books provide a wide range of guidance that has never previously been made available.

**Paul – City of Light**

As a gentle intro into the Divine Love and Healing; being James Moncrief's first novel and it's been criticised as being too heavily clichéd, but that's the point because it's a reflection of how he was back then.

**Ann and Terry**

For an example of people who might want to immediately start working on themselves and doing their Healing.

**Feeling Bad? Bad Feelings are GOOD**

For more understanding about our denial of our feelings and why we should not deny our feelings, and it includes how it all came about for James, using himself as an example.

**Feeling bad will make you feel BETTER – Eventually!**

This includes specific examples of Marion and James working on expressing particular bad feelings, again with the hope that it will help others gain something of an idea as to what's involved in doing your Feeling Healing.

**Sage – and the Healing Angels of Light**

Through Sage who's 13 years old, the story is primarily about the two aspects of healing; that being, with the help of our angels, and the full Healing we can do by looking to our feelings for their truth.

**Religion of Feelings  
Feeling Healing****Welcome to LOVE – the Religion of Feelings  
you can heal yourself through your feelings**

So these books, including the four Speaking with Mary Magdalene and Jesus books, provide the essence of it all and are examples of James' work. Then it's up to whatever takes one's fancy. Other reading to consider may include:

**The Padgett Messages being published as:****The True Gospel Revealed Anew by Jesus volumes 1 – 4****Book of Truths by Joseph Babinsky****The Urantia Book****Release one's pain through expressing one's feelings.****in conjunction with****Longing for the Truth when also longing for Divine Love.**

**FEELING HEALING with DIVINE LOVE is SOUL HEALING:**

*A collection of 'papers' that draw together specific topics including all of the above and more from other sources of information and revelation designed to help increase one's awareness about why we have the problems we do and how to heal them, all whilst living a more healthy and sustainable life. They provide a brief snapshot of the more complicated topics and issues.*

**Firstly, consider discovering the truth of your emotional pain through Feeling Healing.  
Secondly, consider longing for our Heavenly Parents' Love as you progress with your healing.  
Primary and most important readings are the writings of James Moncrief.  
Then consider the Padgett Messages, and then The Urantia Book.**
