## Natural Love

Nassouf.

**The Divine Love completes the form of the human being.**

**Our soul is formed from the substance that is natural love. When we earnestly and lovingly ask for Divine Love, the Divine Love is added to our soul, thus we steadily and progressively become complete in our being.**

**Whilst we are receiving our Heavenly Parents' Divine Love, and that this Love is causing change within our soul and spirit attributes, the greatest Truth known to man and spirit is that this is the way our Mother and Father are actually loving us! When we progress, it is God's way of loving us into love and then we live what we are, love.**

# The Gift of the Divine Love

<https://new-birth.net/padgetts-messages/the-gift-of-the-divine-love/>

*"No man can come to the Father's Love, except he be born again. This is the great and fundamental Truth which men must learn and believe, for without this New Birth men cannot partake of the Divine Essence of God's Love, which, when possessed by a man, makes him at one with the Father. This Love comes to man by the workings of the Holy Ghost, causing this love to flow into the heart and soul, and filling it, so that all sin and error must be eradicated.*

*I am not going to tell tonight just how this working of the spirit operates, but, I say, if a man will pray to the Father and believe, and earnestly ask that this Love be given him, he will receive it; and when it comes into his soul he will realize it.*

*Let not men think that by any effort of their own they can come into this union with the father, because they cannot. No river can rise higher than its source; and no man who has only the natural love and filled with error can of his own powers cause that natural love to partake of the Divine, or his nature to be relieved of such sin and error."*

[Jesus – I am the Way the Truth and the Life](#)

In these messages we are told that Divine Love is the very essence of the Creator. It is not like the emotional love – the natural love – that we mortals are familiar with. It is a real essence, something tangible like electricity, magnetism or gravity. This can flow from the Creator into our souls, and being a real essence, it has the power to transform that soul. We simply need to ask for this Divine Love, and to ask often. It is not a one time Gift – it is more like a sustenance, but one whose effects are cumulative.

*"When men come to the knowledge that they are children of the Father and under His care and protection, they will see that they must lead such lives as will fit them to become in union with the Father and be able to partake of His Love which makes them, as it were, a part of Himself. I mean that there is in all men the potentiality of becoming a part of the Divine Essence, but in order for them to partake of this Divinity they must let the Love of the Father, in its highest nature, enter into their souls and make them at-one with Him. No mere love that they had bestowed upon them as creatures of the Father's handiwork will enable them to attain to this exalted condition."*

[Jesus: The real truth of the life on Earth, and what it means to mortals.](#)

*"The New Birth is the flowing of the Spirit of God into your soul and the disappearing of all that tends*

*to turn your heart from the truth and Love of God. It comes by the workings of the Holy Spirit that conveys the Grace of God. It is not a working of your own will or power – it is the Love of God that causes the change. You cannot of yourself change the evil workings of your heart but you can pray and the Holy Spirit will come into your soul and then you will realize the change."*

[Ann Rollins, grandmother of James Padgett](#)

While concepts of Divine Love can be found elsewhere, to our knowledge no medium before James Padgett has consistently expounded this theme. This theme was continued with Dr Daniel Samuels, and continues to this day with contemporary messages. In message after message, the theme continues, without Divine Love we are not able to enter the heaven that Jesus promised. See the [messages on heaven](#) for a description of and the difference between the spirit heavens, which have always existed, and the Celestial Heavens which Jesus opened for us. It is this issue of different heavens that lies at the core of the confusion within orthodox Christianity.

*"So I listened to her, and tried to believe that what she told me must be true, and that she was interested in me and desired only my happiness. I continued to pray, as I said, and one day after I had received some considerable faith, I met Jesus, and he told me of the wonderful things that his Father had prepared for me, if I would only believe and ask Him to give them to me. Jesus was so very beautiful and loving that I could not resist the influence which came over me; and then my faith increased, and I prayed with all my heart and soul.*

*At last, light came to me, and with it, such an inflowing of Love as I never dreamed could exist, either in the Earth or in the spirit world. But it came to me and I felt as if I were a new spirit, and such happiness came as I never experienced before. And then that dear mother of yours came and rejoiced with me, and also your beautiful wife who had tried so hard to induce me to seek for this Love."*

[Albert G Riddle, former law partner of James Padgett](#)

The concept of Divine Love is simple, and is in accord with the New Testament, particularly: [Jesus answered and said unto him, Verily, verily, I say unto thee, Except a man be born again, he cannot see the kingdom of God.](#) John Ch3:3. And again: "And I have declared unto them thy name, and will declare it; that the love wherewith thou hast loved me may be in them, and I in them." John 17:26. With all the theories regarding how one is to be saved by following Jesus, surely this is the simplest! And it can be proven for yourself – [just try the great experiment!](#) You will actually FEEL this Love.

*"And I further informed them, that, if they wished to assert the truth of my words, they should try and test my teachings that the Father's Love was now available, and pray for it to the Father in earnest prayer, and see whether, if this was done in sincerity, the Father's Love, conveyed through the Holy Spirit, would burn and glow in the soul, by which sign they would realize His Love was present therein."*

[Jesus of Nazareth](#)

And that is how to experience "the peace that passeth all understanding." Even the Bible relates the physical feeling of this love: *They asked each other, "Were not our hearts burning within us while he talked with us on the road and opened the Scriptures to us?"* Luke 24:32

*"Now Jesus not only taught the necessity for the New Birth, but he also taught the way in which it could be obtained, and that way is just as simple and easily understood as the New Birth itself. He taught, and is now teaching, that through earnest prayer to the Father, and faith, which makes all aspirations and soul longings things of real existence, and by the Holy Spirit which is the Father's messenger of Love – or to carry his Divine Love – this Love will flow into the souls of men in response to such prayers; and by such faith men will realize its presence, and in this way, and this way only, men will receive the New Birth."*

[Luke](#)

The relationship between the "unforgivable sin" and Divine Love is also clearly explained:

*"When on Earth I taught the doctrine of salvation only through the workings of the Holy Spirit in fulfilling the commandments of the Father. Mere belief in me or in my name without this Love will never enable any man to become the possessor of this Love. Hence the saying; "that all sins against me or even against God's commandments may be forgiven men, but the sin against the Holy Spirit will not be forgiven them, neither while on Earth nor when in the spirit world." This means that so long as a man rejects the influences of the Spirit he sins against it, and such sin prevents him from receiving this Divine Love; and hence, in that state he cannot possibly be forgiven, and be permitted to enter into the Celestial Kingdom of the Father."*

## LIVING THEIR WILL:

We can choose, in each and every experience, to live true to one's self; true to our feelings, and by doing so, we can also choose to live true to God and Their Will. Our Feelings are our Supreme Guides.

Living God's Will means living true to one's feelings, acting on our feelings in the moment, doing what we feel we want to do, while all the time longing for the Divine Love, the Truth, and wanting to live God's Will.

A lot of people, and so-called spiritual systems, speak about living true themselves and following their feelings, but what they don't understand is that whilst we are living in a negative mind and will state those feelings we are feeling and trying to live are not true. One's negative mind, in accordance with one's negative beliefs, are generating 'false' feelings; that is, feelings you believe are true but aren't, being based on erroneous beliefs. And it's only through the process of healing one's soul of all that is not true that we can begin to live feelings that are being generated with support from a positive mind and will. As we heal from one state (the negative) to the other (the positive) we will feel ourself changing, and will know we are becoming progressively truer. We feel our will truly becoming empowered, and its not an artificial empowerment like many people try to achieve by positive thinking and trying to be positive and wilful using their minds, it's real feelings of ourself, our will, and our wanting to live with God, our Mother and Father.

In the end, as we complete our soul-healing, with a completely healed and self-focused positive will and mind, we will know that we are doing God's Will as we live truly honouring all our feelings. The Father and Mother inspire us through our soul. They don't speak to us in our minds and say do this and do that. They generate feelings, true feelings, to come up in us, feelings we can only know are true when we've healed all that's untrue within us, and it's these feelings that we act on because doing so makes us feel good and happy, and then we are living God's Will. Also we can't live God's Will without the inclusion of Their Divine Love in our soul. We can only live, at best, in a perfected self-willed natural love state. So the partaking of the Divine Love is fundamental to living God's Will, and if you want to live it, if you want God to help you, then They will help you do your soul-healing so eventually you can cross over from being wholly self-willed (without God) to being still wholly self-willed – but with God, and therefore also God-Willed: with your will focused completely on living Their Will.

We don't give up or submit our will to Their Will, as in our will somehow vanishing and Their's taking over. We need our will perfected and not in denial so with all of it we can choose to live Their Will. We wilfully choose with a fully positive will that we want to live with Them. That we want to be at-one with Them. That we want to live the life They have created us to live and we tell Them this is what we want. And the wonderful thing about being able to partake of Their Love is you feel your relationship growing with Them; They become real, 'alive', and so you know, as you are choosing to live Their Will, why you want to do so. And that is because you feel so much love for Them. You want to give something back to Them. You want to live Their Will as a demonstration of your love for Them. They make you feel good, They heal you, They make your life the wonderful thing it should be, and all of this makes you so overwhelmingly grateful to Them that all you want to do is live how They want you to.

**FEELINGS**

And besides, by that time you arrive at this point of knowing through your feelings, you also know that living without – denying – Them; living totally self-willed and with a negative mind and negatively focused will, is no fun. It hurts: it makes you feel bad and causes you great pain, and who'd ever want to do it. It's only that our negative states have been forced on us in our very early childhood that we don't know a different way to be.

## FEELING HEALING

**Note:** The vital difference between emotion and feeling is that emotions have their roots in the past, and feelings relate to the present moment. Emotions represent our feelings which were not previously expressed, and these accumulate with time.

So the first step in living God's Will is longing for and receiving Their Love. The next step is the rectification of your will – doing your **Soul-Healing**. To heal yourself so you're living in a positive mind state rather than a negative one. And then once this has happened you will, with no doubt, wilfully choose with all your heart and soul to live God's Will, and you'll be naturally doing this as you simply follow your feelings throughout the day doing what makes you feel good. It's incredible how They've designed it so we can do all we feel we want to; live with complete freedom of will, and yet still do all They want us to do: live fully honouring Their Love and Will always being happy.

**We have to see the whole truth of our negative or self-denial state before we can heal it and be free of it.**

**The CHILD is to FREELY EXPRESS ITSELF:** Messages from Mary and Jesus 13 May 2003

Mary: The greatest gift you can give your child, is allowing it to be freely able to express itself, helping it to feel good about being able to say and express and communicate all it feels. THERE IS NOTHING BETTER FOR A CHILD TO FEEL THAN KNOWING ITS PARENTS COMPLETELY WANT IT TO BE EXACTLY HOW IT FEELS IT WANTS TO BE. To be completely unconditionally accepted for all that it is. Then it feels loved.

This is how we are also to be, as adults!

**To liberate one's real self, one's will, being one's soul, is begun by embracing Feeling Healing, so as to clear emotional injuries and errors. With the Divine Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.**

**Firstly, consider discovering the truth of your emotional pain through Feeling Healing. Secondly, consider longing for our Heavenly Parents' Love as you progress with your healing. Primary and most important readings are the writings of James Moncrief. Then consider the Padgett Messages, and then The Urantia Book.**

## MAN WITHOUT or WITH a SOUL!

Man without a soul is likened to a puppy dog!

The human body (without a soul) calibrates at 200 on Dr David R Hawkins' Map of Consciousness. Domestic animals also calibrate from 200 to 250 on this scale. Without a soul, a human body is incapable of rational thought, speech, or anything human.

The real you is your soul! With the infusion of one's soul becoming connected to one's spirit body, which is the template for the physical body, comes one's personality, natural intelligence, memory, and all things human.

Our brain is simply a transceiver of communications from one's mind. The mind is housed within one's spirit body. The thinkingness is done within the spirit body mind. What is held in mind subsequently manifests within the physical body. The functionality of reason calibrates between 400 and 499, thus overriding the physical body as it calibrates around 200 only.

The natural love based soul endeavours to guide the mind (love calibrates at 500 and above). During our physical life, we encrust our soul with emotional injuries and erroneous beliefs thus impeding and frustrating the flow of loving energies from the soul to the spirit body mind, and subsequently the physical body.

It is the love energy of the soul that brings about health of the physical body and a bounteous and blessed life in the physical world.

There is nothing of the divine within our natural love soul, however, should we long for, pray for, ask for, and receive our Heavenly Parents' Love, the Divine Love of our Mother and Father, then we slowly and progressively blend our natural love with that which is Divine, Divine Love. It is this ultimate high-octane super fuel that changes our soul from that which is mortal to that which is immortal and with Feeling Healing, become fitted for the Celestial Heaven; this is the process of being born again!

If you ask for the Divine Love to enter your soul it will be 10 or 100 times more efficient, 10 or 100 times stronger than if you would let the natural love flow through your soul. So it will help to break down "the wall" you've created around your soul 10 or 100 times faster than the natural love would do.

Feeling Healing with this ultimate high-octane super fuel is what dissolves the encrustments of errors and false beliefs around the soul, enabling penetration of loving energies throughout the spirit body, and into the physical body, bringing about health and vibrancy to life.

### The REAL YOU is the SOUL:

One's personality, natural intelligence, memory and human attributes all are soul based. The soul initiates conception so it can start expressing one of its two personalities in Creation. It creates the will, then 'wills' the spirit body and physical body and all that connects them with the will into being. Our soul constantly sustains or expresses us, one of its two personalities, in Creation. The spirit can't separate from the soul because the soul keeps it in existence. We need our spirit and physical bodies to experience our personality through. When the spirit body separates from the physical body, one continues on living in a different form without losing any of the attributes experienced during physical life. Incarnation is the process of individualisation of the soul.

Without a soul, our physical bodies would function and interact similarly to that of a domestic animal. An unsouled human body (thought not possible) would respond like a household puppy! Domestic animals calibrate on Dr David Hawkins' Map of Consciousness between 200 and 250, the human body calibrates at 200. All animals have spirit bodies, these do not survive into the spirit Mansion Worlds. Our SOUL IS NOT ENSOULLED IN OUR SPIRIT BODY. Our soul exists existentially in a whole different level or plane or place or dimension of being – 'soul land'. It doesn't exist in Creation, it's not experiential like Creation is. The soul, all souls, help create their part of Creation by expressing their personalities into Creation, and then by having their personalities do things (further create) in Creation.

**Our first parents, Andon and Fonta (also called Aman and Amon), were the first to exhibit human perfection hunger some one million years ago (993,500 years ago). Adam and Eve, Adamite bestowals, arrived some thirty eight thousand years ago – or earlier.**

**Aman and Amon** were the first True Humans, which means, the first soul expressing its soulmate pair, its two personalities, in Creation – on Earth. From which came forth the rest of us. So they had a soul from the start, which separated them from their animal parents. It's the soul that wants to fully express itself through its two personalities perfectly in Creation, which is the so-called 'human perfection hunger'. It, our soul, wants to be Perfect like its Heavenly Parents, the Soul that Created it. We, focused as personalities, want to be perfect, like the Personalities of our Mother and Father that are Perfect. Our soul wants to be like Their Soul. Our soul wants to ascend us to Paradise so we can be with Them, as physically close to Them on a personality level that we can be, and then see what happens.

There were aunts and cousins, parents and grandparents. But they were not human like Aman and Amon – they were really animals, though of the same species. Aman and Amon wandered off from the family, since they could find no way of relating to them at all. How could they? They were incapable of rational thought, speech, or anything human. Aman and Amon knew that forevermore that they were apart.

Aman and Amon may have been twins. They were indeed a primate species of humanoids. But they, themselves were more beautiful than their animal relatives, and they knew, even from their very appearance, that they were marked even by Nature to be different.

Received by James Padgett Washington D.C.

June 11th, 1916.

I am here, Jesus.

I come tonight according to promise, and desire to write my message, if you are in condition to receive it.

I wish to write on the subject of: *"What is the correct way in which a man should live the life on Earth, in order to receive the cleansing from his sins, so that he can acquire the purification of his natural love?"*

Heretofore, I have conferred (referred?) in my messages almost exclusively to the redemption of the soul by means of the Divine Love, so that the redeemed one may become an inhabitant of the Celestial Spheres. Now I will deal only with that cleansing that will fit him to live in the highest and purest of the spirit spheres, where he can have the happiness which a pure natural love will bring to him.

As has been written you, the soul as it was created and placed in man was, at the time of its creation in human form, or rather at the time it found a habitation in that form, made pure and perfect and in complete harmony with the laws of God controlling its existence, and that only after the fall by reason of man's own indulgence in the animal appetites and desires did it lose its purity and become contaminated by sin and error, and that ever since that time it has remained in such condition of impurity and alienation (alienation) to God and His laws.

This impurity has been the lot of each succeeding generation of men, and has never been eradicated from men's souls, notwithstanding all the moral instructions that man has acquired; but still there has been wonderful improvements in the purity of man's thoughts, as well as in his actions and habits of life, since the turning from the bottom of his degeneracy.

Now, there are several ways in which man may succeed in acquiring that purity that existed at the time of the creation of the first man, and in time this consummation will be accomplished; but in these ways man, himself, will have to be an important, working factor, for man is the highest of God's creation, with powers and will possessed by no other of God's creatures, and there is no power in Heaven or Earth that can or will redeem man from this condition of sin and error, unless man will cooperate in the work, and that to the greatest and best of his ability.

These sins that I speak of were created by man's thoughts and desires, carried into acts and deeds by the operation of his will, and they must be removed by the same processes. Where the evil thoughts and deeds created that which contaminated and defiled the qualities of his soul, these evil thoughts and deeds must be supplanted by good thoughts and deeds in order that the defilement may be removed and the soul purified.

Evil thoughts are born of suggestions, both inward and outward, and also of the influences of spirits of evil who establish a rapport with the mortals.

Let us postpone the writing for our rapport is not just right. I will come soon and finish.

With all my love I am your brother and friend,

Jesus

**‘The difference between what are regarded as two paths, the Natural Love Path and the Divine Love Path, is, essentially, the amount of Divine Love that beings have been able to acquire.’**

## **How a mortal may obtain the development of his soul without the help of the Divine Love.**

Page 394 of Vol II of True Gospel Revealed Anew by Jesus

Received by James Padgett Washington D.C.

June 17th, 1916.

I am here, Jesus.

I see that you are in better condition tonight, and it may be that we can [continue the message](#).

Well, as I was saying, the only way in which a mortal may obtain the development of his soul condition, without the help of the Divine Love, is by attempting to exercise his will in the way that will cause the thoughts of evil and error to leave him, and to be replaced by thoughts that will bring his heart and soul into harmony with the laws of his creation as mere man. This can be done by his seeking for those higher things of morality, and the subordinating of the purely animal desires and appetites of the mortal to the aspirations and desires of the higher and nobler part of his nature.

As I have before told you, man was pure and good until he, by the exercise of his will, following the suggestions of the animal desires, permitted himself to degenerate from the high and perfect condition of his creation. These sins and desires do not belong to his original nature, for his true nature was pure and in harmony with the laws of God. And although he has lost it by the excessive and wrongful exercise of his will, obeying the desires of his animal nature; yet he can recover his condition of original purity and harmony, if he will get rid of these sins and errors, so that his nature may again become free from everything that defiles it, or places it out of harmony with the laws that created it.

So you see, it is not necessary for man to obtain or add to his original condition, any qualities that were not his in the beginning, but merely to get rid of or eradicate from that condition those things which are mere excrescences or parasites – and thereby have his nature in the same condition that was his when he was created, and was the perfect man.

So long a time has the nature or condition of the nature of man been in this state of defilement and alienation from the true condition of his creation, that the effort to bring about the restoration will necessarily be great, and he will have to use all his power of will that he is capable of to effectuate this object, and he will find in such efforts two conflicting forces, always fighting each other for the mastery.

The fact that he believes his present condition is the natural one, and that the state and purity and freedom from sin and error is one that does not belong to him naturally, but must be acquired by adding something to what he now has and always possessed, will make the fight more uneven.

Therefore the first things that man must believe is that his present condition is not his natural one, and that he has nothing more or greater to accomplish than to relieve himself of those things which prevent his condition from becoming as it was when he was the perfect man. If he will get this belief firmly fixed in his mind, and assert that he was made by God, and that God never created anything impure or not in harmony with His laws, he, man, will have accomplished the first step towards his regeneration, and towards success in his effort.

He must not consider himself to be a weak, low and unworthy creature of God, not being entitled to those conditions of purity and greatness which made him the beloved child of the Father. Of course, self-esteem and pride and everything of that nature must be eliminated from the estimate that he must have of himself, but on the contrary the idea that he is degenerated and utterly helpless being must not be permitted to enter his mind. Such thoughts do not make him pleasing to God, as he has been taught they do, but only make him subservient to his masters – sin and error – and prevent him from asserting his own superiority to these things, which is necessary to exist in his conception of his true condition, in order that he may obtain the ascendancy over those masters.

When he shall have assumed this position, then he will realize that these animal appetites and desires, and evil thoughts which arise from them and from the belief that he is by nature degraded and unworthy of a better and higher condition of nature, are really beings of his own creation, and subject to his will and self control – and total destruction. And with such realization will come a consciousness that they are not parts of his nature, but foreign to it; and in order that his nature may become separated from them, he must look upon them as enemies and treat them as such, to be destroyed and utterly extinguished, and never more to be taken to his bosom and cherished as inalienable and dominant parts of his nature.

Of course, in treating them as such enemies, great watchfulness and determination will have to be exercised, for they are very insidious and will at all times and in all ways, whenever the opportunity arises, try to convince him that they are an integral and necessary part of his being, incapable of being separated from him. But by the exercise of this belief, based upon a right conception of what is and what is not a part of him, as the perfect man, and by the exercise of his will power in accordance with this conception, he will be able to rescue himself from these unnatural appetites and desires and thoughts of error and sin.

As this belief becomes stronger and this conception clearer, and his will exercised in closer harmony with the two (true(?)) essentials, these excrescences will gradually and one by one fall away from him, until, at last, he will rise again – the perfect man, with the pure and harmonious nature which God gave him at the time of his creation.

But this process will be slow and sometimes hardly perceptible, for the long years of misbelief in the idea of original sin, and that God created evil and error for the purpose of defiling man's nature and making a disobedient devil of him, without any inherent goodness or the possibility of becoming regenerated, unless by the operation of some miracle; will make it difficult for the acquiring of the true belief as to what he, and what his nature are, and enable him to become the master, and not remain the servant.

God is the Father of all, and loves all his children, and as he originally provided for their happiness, so now, he desires that all may be happy, even though they may not seek for that Divine Love which makes mortals and spirits more than the mere perfect man.

Forgiveness is, in effect, forgetfulness; and when men in their efforts cause all these things of evil and sin to cease being a part of their nature, and only thoughts of purity and righteousness to find a lodgement in their minds, then these other things are forgotten and forgiveness has taken place. Man no longer is the slave of false beliefs and unrighteousness, nor is he their associates, and even in memory they become things of non-existence; and when he gets into this condition of purity and freedom and in

harmony with the laws of his creation, there exists nothing which can be the object of forgiveness, and he is the man of perfect creation.

But in all this man must realize that he does not exist by and for himself alone, for always he is surrounded by mortals or spirits or both, exercising upon him their influence for good or evil; helping him to turn his thoughts from these things of evil and sin into those higher things which are his by nature, or causing him to receive and foster these evil thoughts with increased intensity. He cannot get rid of these influences, of one kind or the other, and, hence, he should seek the influence of those who are good and desire to help him in his efforts towards the recovery of that condition which is his by right of birth.

Among God's laws, which never change and which work impartially, is the great law of attraction; and it works in the case of all mortals and spirits, and never rests. And the great principle of this law is, that like attracts like, and the unlike repulses the unlike. So man must know that as he is – I mean in his state of mind and soul – so necessarily will be his companions of those who desire his association, and, hence, he should realize this important truth and all that it implies.

If his thoughts and deeds are evil, he will attract those spirits or mortals who have similar thoughts and deeds, and who will not help him to higher things, but who will retard his progress towards his first estate; and if his thoughts and deeds are good, then his associates will only be those of like qualities, who can and will help him in his progress.

Every effort to create good thoughts strengthens the desires and will in that direction, and assists the coming of other good thoughts, for with these efforts comes the help of these unseen influences, and the repulsion of the influences of the retarding forces.

Man is a wonderful being and the highest creation of the Father, and yet his greatest master is his belief in the power and supremacy of these things of evil of his own creation. But beyond all this a means to accomplish man's restitution to his perfect estate, is the help of the Father, which is never refused when man seeks for it in earnest sincere prayer (sic). Always the Father is willing to respond to the true prayers of man, and by His instrumentalities, will make the efforts of man sure and effective, so that he can acquire that condition that will free him from all sin and error and slavery of false belief, in the mastery of his evil creatures.

Man must believe in the love and help of the Father, in the manhood and greatness of himself, and in the utter error of his belief in the mastery of his own children of sin and error. I have written enough and must stop, as you are tired.

So assuring you of my love for you, and my care and help, I will say, good night.

Your brother and friend,  
Jesus

Our soul remains for ever attached to the spirit body and the personality, these two being created at the time of conception / incarnation. As our soul is imbedded within the spirit body and both having this unique personality, it is impossible to go through the incarnation process again. We never reincarnate.

We are born with natural love, until we ask for and receive Divine Love there is nothing of the Divine within us. When we add Divine Love to our being, only then do we become a complete being. Without Divine Love and Feeling Healing, we are finite, in as much as that while we continue in only our natural love we can only become the perfect man and that restricts our progression to the limits of the 6<sup>th</sup> natural sphere being the mortal domain of man.

I am here, Luke.

I come tonight to say a few words concerning the great truth of the development of the soul in its natural love, wherein the New Birth is never experienced.

I know that men think that this natural love has in it a part of the Divinity of the Father's nature, and that as they develop in the way of purifying it and ridding it of those things which tend to impair its harmony, they will realize that there exists in their souls this Divinity of which we have written. But this is not true, for this natural love partakes only of those elements which the Father implanted in it at the time of man's creation, and in none of these elements is any of the qualities of the Divine nature.

It is difficult to explain just the distinction between the Divine Love coming from the Father, and the natural love also coming from Him, and yet, not having any of the Divine nature or qualities; but it is a fact. The natural love may become so purified that it may come into perfect harmony with the laws governing its condition and composition, and yet, fall far short of having in it any of the Divine Love.

And so, as we have explained to you, the soul may obtain this Divine Love and thereby become a part of the Father's Divinity. I will now try to explain how the natural love of man may be developed, so that his soul may come into harmony with the law of love – the natural love – and make him a very happy, pure and contented being.

In the first place, I wish to say that there is no such thing in the world as original sin or evil, and that God did not create them or permit them to exist, except as He permits man to use his own will without limitation – and I mean by this that He does not say that a man, in the exercise of this will, shall do this or do that; and as respects this will, man is untrammelled. But he does say, and his laws are inexorable in this particular, that (when) man, when in the exercise of the great power of free will, causes that will to come into conflict with the will of God, or to violate His laws, he, man, must suffer the consequences.

This may be illustrated by your natural laws declaring the freedom of the press. Man may publish whatsoever he pleases, and so long as he does not thereby violate the rights of others, or of decency, he may make his publications without fear of the law; but when in the exercise of this freedom of speech, as you call it, he violates the law, then he must suffer the consequences of this violation.

So it is with the mortal who, in the exercise of his free will, violates the Will of the Father, or the laws limiting its exercise by the mortal. He must suffer the consequences, and (from) the results of this violation are sin and evil created, and in no other way. And surprising as it may sound to you, man is the creator of sin and evil, and not God, who is only good.

Then the question arises, how can sin and evil be eradicated from the world? And every thoughtful man will have the same answer, and that is: by men ceasing to violate the will of God, or his laws, which

restrict the exercise of the wills of mortals to that which, in its right exercise, will not produce sin or evil. In other words, when men by the wrong use of their wills bring about in-harmony, they can by the right use of their wills not disturb that harmony, which when it exists, leaves no room for the presence of sin and error.

So you see, the one thing necessary in order for men to become happy and free from everything that defiles them, or causes unhappiness or discord to exist, is to develop their souls in this natural love, until this love comes into perfect unison with the laws that control it. And thus may be applied the oft quoted expression that love is the fulfilling of the law; but this means love in its purest and most perfect state.

Now, how can this development of the natural love be accomplished by men?

The mind, while a powerful helper in this regard, is not of itself sufficient to bring about this great desideratum. It is true that with every mortal there is a constant warfare between the appetites and lusts of the flesh, and his higher desires; and hence it is said, that these appetites and desires are sinful, and the cause of evil and the in-harmony that exists in the lives of mortals. But this statement is not altogether true, for as man was made with spiritual aspirations and desires, so also was he made with appetites and desires of the flesh, and the latter of themselves are not evils.

The failure to make the distinction between the fact that these appetites and desires of the flesh are not evil, and the fact that only the perversion of them brings evil, is the great stumbling block that stands in the way of man's developing this natural love in the manner that I have indicated. These, what are sometimes called the animal appetites and desires, may be exercised in such a way as to be in perfect harmony with the laws that control them, and in such exercise not interfere with or prevent the development of this natural love to perfection.

But man, in the free exercise of his will, has in his wanderings gone beyond the limitations which the law of harmony has placed upon him, added to and increased and distorted the appetites and desires of the flesh which were originally bestowed upon him, and, hence, has himself created those things that are not in harmony with the creation of himself.

So you see, man is a creator as well as a creature. As the latter, he cannot alter or change any of the effects of his creation; but as the former he can alter and change and even abolish the effects of his own creation, for as the creator, (he) is greater than the things that he created – although these things of his own creation have held him in bondage and unhappiness, to a more or less extent, ever since he became their creator. The strength of this apparent paradox is that the creator, man, has for all these long centuries believed it, and submitted to his creations, and still does so.

So what is the remedy?

Simply this: man must awaken to the fact that he is greater than his creatures; that they are subject to his will, and that whenever, by their existence and workings, they bring discord and unhappiness, and cause his will to be exercised in opposition to the Will of the Father, then they must be destroyed, and never be permitted to come into existence again. Let men become the masters of their creatures, and obedient to the great will of their Creator, and they will realize that sin and error and unhappiness will disappear, and their natural love will come into harmony with the laws of its creation, and Earth will indeed become a heaven, and the brotherhood of man established on Earth.

If men will only think, and thinking, believe that all sin and error and the resulting unhappiness and sorrow in the world are children of their own creation, and not the children of God, and that in the economy of His universe He leaves the control and management and even the existence of these children to the will of their parents; they will (then) understand why evil exists, why wars and hatred and misery continue on Earth to blight the lives and happiness of mortals; and why, as some say, and especially the so-called Christians, God permits all these things to exist and flourish and apparently contradict the great truth, that He is good, and the fountainhead of all goodness.

The universe and the inhabitants thereof and the greatest production of His power – man – were all created by God; but sin and error and their awful followings are the creatures of man. The laws of His universe work in harmony, and all is good; and even the apparent in-harmony which man has created does not affect that great harmony, but is confined in its workings to man, himself. Only man is apparently in in-harmony, and that is caused by man, himself.

Suppose, for a moment, that man's will was working in accord with that of the Father; can you imagine that there would be any of these creatures of man's perverted will in existence? Would there be any evil or hatred or disease or suffering known to the consciousness of man? I tell you, no.

Now I say man, their creator, must destroy these inharmonious creatures. Man must kill and bury deep and forever these children of the perverted exercise of his will, and until then, sin and error and all their concomitants will continue to live and flourish and torment their creator.

And I say here with all emphasis and with a full realization of the great significance and responsibility in the sight of God which I assume in saying it, that man can destroy these bastard creatures of his will so perverted and discordant.

His natural love, if permitted to assert its God-given powers and functions, is sufficient to bring his will in accord with that of the Father, and turn his thoughts away from these children of his, and to make him conscious of purity and truth. The dead desires and dead appetites will bury their dead children, and man will come into his own again.

But then comes the question, how is man to accomplish this great end, so devoutly to be wished for?

Well, it is late now, and I will write upon this important feature of this development of his natural love in my next message.

So with all my love I will say good night.

Your brother in Christ,  
Luke

I am here, Luke.

Well do you think you can take my message tonight? It looks like you may – at any rate we will try.

As I was saying: "In what way is a man to obtain this development of the soul in its natural love?"

In the first place, he must recognize the fact that he does not live to himself, alone; that what he conceives to be the workings of his own mind and will are not always the result of thoughts and desires that originate in him, but are largely the products of the influences of the workings of the minds of spirits who are around him, trying to impress him with their desires and wills; and consequently, you will understand that it is very important to man as to what kind of spirit influences he has surrounding and working upon him. If these influences are good, the better it is for his progress in the development of this natural love; but if they are evil influences, then, of course, such development is retarded.

Consequently, the first thing for a man to do is to attempt to attract to himself influences of the higher nature; and he can do so by trying to cultivate good thoughts and to indulge in good and moral acts. The great law of attraction that we have written about, applies and works in such cases as this, as it does in every other relation of God's universe. If a man's thoughts are evil, there will always be attracted to him spirits of similar thoughts; and when they come to him, they attempt to and succeed in intensifying, these evil thoughts of his, which attract them to him.

It must emphatically be understood in this regard, that man may and often does originate his own thoughts and desires, and it is not necessary that any influence of these evil spirits should be present and operate upon his brain or affections, in order that these evil thoughts and desires should come into existence. And again, man has a will power that is susceptible of being exercised, free from the wills of these evil spirits; and you will see how true this is when you remember that he can exercise that will power, free and independent from the Will of God himself. So I say that these thoughts and desires may and do originate in man, free and independent of the wills or influences of these evil spirits; and as a fact, these spirits are attracted to him only when these thoughts that he has originated are evil.

Now, if man would have this progress that I speak of, he should endeavour to have good and pure thoughts and desires, and then he will attract to him spirits who are good and pure, and their influences will help him to a wonderful degree in strengthening and increasing these thoughts, and make it less and less likely that evil thoughts will arise in his brain, or evil desires in his affections; and as a consequence, his will power will be exercised in doing those things which are good and moral. Now, while man may originate these thoughts and desires, he must also know as a truth that this progress is not dependent upon him alone, for when he is in that condition to attract the good spirits, they will invariably come to him and render their help; and it will prove to be a wonderful and never failing help.

Now, man's thoughts and desires are not always, as may be supposed, the result of something that may be hidden within himself, and of which he may not know its existence. I mean not in all cases, and

probably in only a minority of cases; for most frequently are these thoughts and desires the children of an objective influence, that comes to him by reason of objects becoming sensible to his ordinary senses, which create or suggest these thoughts or desires.

Without going into details you will understand what I mean, but as a mere illustration: a glass of whiskey may and does suggest to a man who likes whiskey, the thought and desire that he should take a drink, and thereby bring into operation his will, which is followed by the act of drinking. And so with many other objects which a man meets in the course of his daily life. But these thoughts and desires arise not only from seeing objects, but also from feeling and tasting them.

And again, these objective suggestions, causing these thoughts and desires, arise and exist not only from the real object sensed, but also from words and thoughts which are expressed by other human beings in course of conversations, or in books and literature – and when they come in this way they are frequently more effective than in any other. And hence, as these objective words and thoughts enter the mind of man, they create similar thoughts, which frequently intensify and attract the evil spirits of like thoughts, with their degenerating influences. Hence the importance of a man avoiding companionship where such communications take place, and the books and literature where these evil suggestions are made.

It has been well said, that evil communications corrupt good manners; and I may add that such communications corrupt good thoughts, and produce evil desires and retard the progress of the soul in its natural love. For it must be remembered that this love is pure and free from all evil or taint of defilement when it is fully developed, and anything that tends to defile it, retards the progression of the soul in this particular.

So the plain lesson to be drawn from all this is that man must, in the first place, make the effort to have only good and pure thoughts and desires from his inner self, and next, he must avoid those objects and associations that tend to cause to arise in him these evil thoughts, and thirdly, he must learn the truth that when he has these evil thoughts, he attracts to himself spirits of evil, who by their influence can and do intensify these evil thoughts and desires.

I know as regards this last mentioned truth, that the majority of men have no knowledge of its existence; but it is time that they should learn that such a danger to their soul's progression does exist and is always imminent. And they should learn this other fact, that when their thoughts are pure and free from defilement, they have surrounding them the influence of good spirits, who work to increase and make permanent their good thoughts; and as these good thoughts continue, the natural love develops towards its pristine condition of purity, and man comes nearer to his designed condition of existence.

So you will see from this, that as man's thoughts and desires become freed from these things that tend to defile him, he naturally progresses toward that condition which is necessary, in order for him to have this development of the soul in its natural love. Again, the development may be helped very much by man thinking and doing acts of charity and kindness, and observing the golden rule; for every act of charity and kindness and self sacrifice for the sake of others, has its reflex action in his own condition of love and soul, and helps their development.

In short, the observance by man of all the moral laws, which are many and varied, tends to bring about the development of the natural love. And this must be remembered, that as this development proceeds, the tendency to indulge in the perverted appetites of the flesh, as they are called, will disappear; and as it

disappears, this love, of course, becomes purer and sweeter, and brings man nearer to his state of perfection.

And again, the meditation upon spiritual things, and the out-flowing of this love towards the Father will cause the progression, for while all men, as we have said, do not seek for the Divine Love, yet as all men are children of God, he helps them to the full extent of their desires; towards happiness, and the perfecting of this love in its natural pure state, and with which he endowed them at their creation. Upon their will and aspirations depends the nature of the help which the Father gives to them; but always He gives his help and blessings, and to the fullest. His great desire is that man shall become perfect in that love which they possess and which they seek for; and the natural love in its qualities may become as perfect in man, as may the Divine Love in its qualities. Each is just as much in harmony with God's universe, in its respective qualities, as is the other.

So I say, man is helped, and more than in any other way, by his meditations of the higher things of his being, and by prayer and aspirations to the Father, who hears the prayers of the man who has only this natural love, and answers them just as he does the prayers of the man who has the Divine Love in his soul.

Ultimately all sin and evil will be eradicated from the universe, and man in his mere natural love will become pure and perfected and happy.

I have tried in my inefficient way to show man how he may progress in the development of his natural love, and if he will follow my advice, he will succeed. For as man, by the indulging of these perverted appetites of the flesh, and the exercise of his will power, fell to a low degree of degeneracy, so he can by ceasing to indulge in these perverted appetites, and the exercise of that same will power, rise again to his condition of purity in his natural love.

And besides, he has the help of the Father and the good angels in his efforts to recover, and also the experience of the result of his fall, which he may not be conscious of, but which in his inner self has an existence, and is continually working.

Well my dear brother I must stop; and I feel that you have taken my message very successfully. Read it over and correct errors of construction. I will come soon and write again.

Your brother in Christ,  
Luke

I am here, Jesus.

My truths are plain and my teachings can be understood by the simple. Any religion which requires the exercise of the mental faculties to an extent greater than what is required in the ordinary affairs of life, cannot be a true religion; because God has designed that all his children shall understand His truths without the necessity of having a highly developed mind.

He that runs may understand my teachings and it will not be necessary for any preacher or teacher to explain them. My language will explain itself. So let not your mind be troubled over the question as to whether only the mentally developed can understand what I may write – the truths are for all. So with all my love I am,

Your brother and friend,  
Jesus

The phrase "he that **runs** may understand my teachings" is curious. There are two schools of thought on this. The first is that it is a reference to a Biblical phrase found in Habakkuk:

"Then the Lord said to me, Write the vision in large, clear letters on a tablet, that he may run that readeth it" (Habakkuk 2:2).

Sometimes misquoted as "that he that runneth may read." Often (before the corrected translation) interpreted as: "Write it in such big letters that everyone who walks/runs by may read it." But currently properly understood as (the way I would render it): "..., that he who reads it may run with it." As seen in the NLT translation:

"Then the Lord said to me, Write my answer in large, clear letters on a tablet, so that a runner can read it and tell everyone else." (Habakkuk 2:2; NLT).

The alternative view is that it is simply an error of interpretation of the automatic writing. And that the word should be "prays". There is [another message](#) supporting the view that meditation and prayer will reveal real meanings, however Luke [uses the same phrase](#).

Maybe something like 30 billion people have recognised that our Mother and Father's Divine Love, together with embracing one's Feeling Healing, that with these two aspects, have progressed through the Mansion Worlds to the Celestial Heavens and onwards.

Mansion World 7: is then about still working with the deepest and residual bad feelings, whilst looking to sort out how you wrongly relate to yourself and others, nature and God because of being unloving, understanding how your relationships are unloving, how you don't connect properly, how unloving you really are and why and fully accepting the truth of it, coming completely to grips with your parents not loving you as you needed to be loved – sorting it all out, including your self and feeling expression difficulties.

Mansion World 5: is then about going right into the depths of them, feeling how unloved you feel and seeing how unloving you are and how that makes you feel, bringing out the majority of your pain, your misery, fear, anger, guilt, hatred, boredom, terror, rejection, nothingness, feeling powerless, alone and abandoned, and so on.

Mansion World 3: is for waking up to the truth that you're not loving and starting to get in touch with your pain, starting to accept your bad feelings, starting to work with them instead of rejecting them.

More than 200 billion personalities have embraced their mind and self reliance through the misguidance of 'New Age' styled ideologies and the many thousands of different religious platforms, all of which take the person further and further away from our Heavenly Parents.

For a million years, humanity has gone in the wrong direction with its self-denial of self and feeling!

## **I'D TURN BACK IF I WERE YOU!**

The Natural love spirit Mansion Worlds as to how they have been for all these hundreds of thousands of years and as they are set up currently, are to help spirits advance to the fullest of their self-denial that they can. That is, so as to become as evil as they can. And all under the guise of being 'loving'.

It's why they are called the mind worlds, namely Mansion World / spheres 1, 2, 4 and 6. That is because the spirits are using their minds to complete their rebellion – denial of self and feelings, and rejection of our Heavenly Parents as well their Creator Son and Daughter. So yes, the top of Mansion World sphere 6, spirits are the most evil, the most in rebellion, the most in default, the most wrong and unloving and untrue, even though, they appear, because they've trained their mind to do so, to be the most loving, but it's all false and contrived – such as the Eastern gurus. Total mind over feelings, blocking all the bad ones and using your mind to only make you feel good.

Typical of those on their way up in the mind worlds are not open to anything, they do not want to know about feeling bad and going with their bad feelings looking for their truth, because that scares them, that's not nice, that doesn't make one feel good, it threatens their control, they reject that preferring to stay in their nice safe space. Which is how it is for these Natural love mind spirits using their minds to control their feelings.

We've all got to take responsibility for our evilness even though we were made to be that way and rebel by default, but there is no getting away from it, and it has to be compensated right to the last farthing, which is what being in the hell planes is all about, and which keeps being applied right the way through the Mansion Worlds. **In the mind worlds you can continue to use that inner pressure requiring compensation for your bad deeds, to further contrive love and pretend you are all holy and loving and not hurting anyone anymore, which on the surface of it you are not, but underneath still are, all the way up through to the sixth world; or, you can allow it to keep working on you right the way up through the Divine Love Mansion Worlds doing your Healing.**

And apparently what's going to happen is the Natural love mind Mansion Worlds are going to be divided, so within them, there will be spirits doing their Feeling Healing – without the Divine Love, and still limited to the sixth Mansion World, but looking to be true and end their rebellion. And then there will be those still carrying on denying themselves as they have always done. So you will have spirits in the Feeling Healing Natural love sectors that will truly perfect their Natural love; and those spirits still in the mind sectors perfecting their wrongness. The opposites or extremes living side by side. And then you'll still have the Divine Love Healing Mansion Worlds, being spheres 3, 5, and 7, doing their Soul Healing.

And as for a summation: "Divine Love Mansion World / Sphere 3 is the waking up to the truth that one is not loving, also their being a lot of assistance. Sphere 5 is then about going right into the depths of feeling how unloved you feel and seeing how unloving you are and how that makes you feel, also this a time when one can then progress and manage their own progress through their Feeling Healing. Sphere 7 is then about still working with the deepest and residual bad feelings, whilst looking to sort out how you wrongly relate to yourself and others, nature and God because of being unloving, this is a time of great realisation and comprehension with much of the prior experiences starting to be drawn together."

Mansion World 3: is for waking up to the truth that you're not loving and starting to get in touch with your pain, starting to accept your bad feelings, starting to work with them instead of rejecting them.

Mansion World 5: is then about going right into the depths of them, feeling how unloved you feel and seeing how unloving you are and how that makes you feel, bringing out the majority of your pain, your misery, fear, anger, guilt, hatred, boredom, terror, rejection, nothingness, feeling powerless, alone and abandoned, and so on.

Mansion World 7: is then about still working with the deepest and residual bad feelings, whilst looking to sort out how you wrongly relate to yourself and others, nature and God because of being unloving, understanding how your relationships are unloving, how you don't connect properly, how unloving you really are and why and fully accepting the truth of it, coming completely to grips with your parents not loving you as you needed to be loved – sorting it all out, including your self and feeling expression difficulties.

It is agreed that the lower worlds are about waking up to what's involved, however from then on it depends on how it's all structured for the individual in their negative state as to how much ongoing assistance they might need. Some need help all the way along, whereas others have been able to work with their feelings, themselves, right from the beginning.

And yes, each of the Divine Love healing Mansion Worlds, 3, 5 and 7, are equally painful to work through, just focusing on different aspects of yourself and your Feeling Healing with Divine Love. And then in the higher planes of the 7<sup>th</sup> Mansion World comes the transition, where one's pain starts to end, and you start feeling so much better about yourself, you are fully accepting of your negative unloving state, you are fully unloving although even starting to become more loving – truly loving, of yourself, God, and then other people.

Then onto the Celestial Heavens by progressing into Sphere 8 and then onwards further, all the way home to Paradise.

Maybe something like 6 billion people have recognised that our Mother and Father's Divine Love, together with embracing one's Feeling Healing, that with these two aspects, have progressed through the Mansion Worlds to the Celestial Heavens and onwards.

More than 200 billion personalities have embraced their mind and self reliance through the misguidance of 'New Age' styled ideologies and the many thousands of different religious platforms, all of which take the person further and further away from our Heavenly Parents.

The 1<sup>st</sup> and 2<sup>nd</sup> Spirit Mind Mansion Worlds / spheres are jammed to the rafters.

For a million years, humanity has gone in the wrong direction with its self-denial of self and feeling!

**WOMEN are OUR SPIRITUAL LEADERS!**

To PARADISE, the HOME of OUR HEAVENLY PARENTS

# The Way Home

We men generally CAN'T do our Healing by ourselves, we need the help of a woman and / or women.

Women ARE the true spiritual leaders, they ARE able to live true to their feelings, and need to be recognised as such, appreciated for being so amazing in that capacity, and so supported and put first, something the man finds hard to do because of all his rebellious programming about being the superior dominant one.

If we men want to ever Heal ourselves of our wrongness, well we are going to have to fully honour women, we are going to have to ASK THEM FOR HELP. Women innately know the Way of their Feelings, whereas we men don't. Men spirits in the Divine Love Healing Mansion Worlds (3, 5, 7), all do receive help from fellow Healing women spirits or from higher Celestials (Sphere of Love 1, 2, 3). They all do, all of them. Not one man has done his Healing as Marion or Samantha are doing theirs. James Moncrief 20 Aug 17

The religions of today were created as a means of stopping Jesus' truth about longing for the Divine Love and what that does to the soul, and then any truth Mary Magdalene might have said about looking to our feelings for their truth, so as to keep the Rebellion in place. The religions pre-Jesus were designed by the Higher Evil Spirits who were controlling humanity to keep that control, focusing everything on the mind being in control rather than feelings, and then post-Jesus, they added more of the same yet with the added emphasis of using all he said, so taking it, corrupting it, and adapting it to their cause.

And then throw in their contrived Islam, and you have more male domination and the subjugation of feelings – of the woman.

I am here, St. John.

I want to write tonight on a subject that is important, and I hope that you will be able to receive my message, for I have been waiting for some time to deliver it. Well, I desire to discourse on the subject of: *"What is the destiny of the mortal who has not experienced the New Birth, but who will progress to that condition which may be called the perfect man?"* As you know, there is a future for the mortal who receives the New Birth, and a different one for him who has only the complete and pure development of his natural love.

This latter condition does not depend upon the mortal having in his soul the Divine Love or the Essence of the Father, but merely upon the purification of the natural love, so that all sin and error and inharmony form no part of his state of soul or mental existence. This condition is not the result of a New Birth, or of a change in the constituent elements of his soul, but merely the elimination of those things there from, which were the results and the necessary sequences of the defilement that followed the fall.

Now as man lost by this fall the qualities which made him the perfect creature of his Maker, it is only necessary for him to regain what he lost by that fall in order to become the perfect man once more; and in recovering this state of perfection it is not required that he should seek, or actually add to the qualities which he at first possessed, any new or additional qualities or attributes, but only that he regain what he had been deprived of by his disobedience; and when that is accomplished he will come again in harmony with the laws of his creation, and have all the potentialities and excellence that he originally possessed.

And now, what will that future be? And in order to determine this question it is only necessary to understand what his inherent condition or qualities were when he was the perfect man of his Father's creation. At that time he was possessed of those things of which he is now the possessor, except that then they were all so accurately adjusted that every sense and function of his body, as well as every faculty of his soul and mind, were so in harmony with the laws of his creation, that he was capable of doing the will of the Father, and obeying every requirement that was imposed upon him. He was then, not only a perfect being as regarding his physical formation, but also as regarding his mental and moral qualities, which of course included all the emotions and appetites and spiritual aspirations. But, as we have written you before, all these faculties were subject to his will, and in a certain sense his will was controlled by the exercise of these faculties.

His body was in the beginning made of matter, changeable as it now is, but of a more ethereal kind, and not subject to decay and disintegration in such a short time, as it now is, but yet, subject to this decay; and man, as regards his physical being, necessarily was compelled to die, and to have released his spirit body and his soul from this physical vesture, and thereafter exist as pure spirit. This was [not the death that he died as a consequence of his disobedience](#), but the death natural to him, by reason of the very

nature of his creation. His soul and spirit body were not subject to death in the sense of annihilation, but were given the qualities of continual existence in a pure and perfect state, and the only difference that the fall made as to these parts of his being, is that the purity and harmony that were men's are now no longer parts of his soul and spirit. Whether immortality was a quality of that existence, we spirits do not know, and therefore cannot assert, but as his created soul and spirit body had a beginning – mere creatures of the Father – it may be that they were intended to have an ending, as individualized soul and spirit.

Of course, they were created from something, and not from nothing, as some of your theologians say, and it is possible, in the order of change, which seems to be the law in the spirit world as well as in the mortal world, that this soul and spirit may be resolved again into that something. But as to this finality we do not have any knowledge, because, so far as the observation of spirits in this world go, no soul or spirit body – and I mean the body as a composite whole, and not as to its constituent elements – has ever been resolved into that something, or been deprived of its individualized existence. Therefore I cannot say, that when man was created, it was intended that, as man, he should not be immortal, or that he should be so.

But you will readily see, that after man shall have accomplished the purification of his soul and become in mind and spirit body, as it was intended he should be at the time of his creation, he will be nothing more nor less than he was at that time, and have no other or greater qualities, or freedom from limitations and changes than he had before his fall. Of course he will have no physical body, and here let me say that there is no fact or experience known to the spirit world that justifies the assertion that man on Earth will ever be immune to physical death. I know that some say, that in the far future men may make such progress in the development of their natural love that their condition of inner purity will be so great as to cause the physical bodies to become so etherealised as to render them free from physical death. But that I cannot conceive will ever happen, for men were made to become inhabitants of the spiritual realms, and the short time they were decreed to live the Earth life was for the [purpose only of giving the soul an individualized existence](#).

Never was it intended that the physical form should have an eternity of existence, no matter how pure, or, as they say, etherealized it may become, for it was made of matter, of the Earth, earthy, while the soul was made of that which had its origin in the spirit realm, and composed of spirit substance, so that it cannot be conceived that in the beginning man was created for an immortal Earth existence.

I see that you are tired, [and I will finish later](#). I am glad that I could write tonight, and also that you are in such good condition to receive my message. So with my love and blessings and assurances that you have every reason to keep up your courage and hope, I am

I am here, John.

I desire to [finish my message](#) and hope that you are in condition to receive it. Well, as I was writing about the future or destiny of the soul that has not experienced the New Birth, I will continue where I left off.

When the soul becomes wholly purified and restored to that condition of perfection that was possessed by the first parents before the fall, it continues to live a life of happiness and contentment, until it realizes that its possibility of further progress, either mentally, morally or spiritually, has come to an end – that it has reached its limit of advancement, and that the happiness that it then enjoys is the full complement of what it may obtain or possess. This condition is one which satisfies the large majority of those who have reached the state of the fully restored man, and they are content to live the life of such perfection, and rest in the assurance that there is no greater happiness or more desirable condition existing in the universe of God.

But with some of these souls, this state does not bring or contain this complete satisfaction, and in them continues the desire for more and greater progress; but they realize that they have reached the limit of their progress, and that they must continue to live in that state which holds for them the happiness and delight of being perfect and at-one with the Father, as was intended by Him when man was created the perfect being. But notwithstanding this knowledge, that as the soul develops in its natural love and in its moral and mental faculties to the finality of limitation, there can be nothing beyond; yet there comes to them a dissatisfaction and, as it were, a negative unhappiness that causes unrest, and a conscious desire for something, they know not what. It may be that the memory of something they heard in their progress through the spheres, or an imperfect suggestion of some unconscious, reproduced, dormant memory, inherited from their first parents, of the great gift of endless progress potentially bestowed upon God's first created beings, and forfeited, that causes the discontent and longings for something beyond the condition of their perfect state.

When this state of mind and soul comes to them, then they are susceptible to the teachings and help of those spirits who have in their souls the Divine Love, and knowledge that there is a way that leads to everlasting progress without limit or possibility of reaching the end. And many of these perfected souls in their natural love have followed the advice of these immortal spirits, and have left the high sphere of their perfection and entered the lower soul spheres of the spiritual heavens, and sought and found the New Birth of the soul, and progressed from sphere to sphere until they reached the Celestial Heavens, where they are still progressing and realizing a contentment never marred, but always accompanied with the knowledge that ever beyond are spheres of greater happiness of truth and knowledge. But, as I say, the larger, yes, much larger number of souls that have been born unto men, will find and rest, in the future, in the state and happiness of the restored first parents.

It should not be necessary for me to attempt to make the application of the truths which I have written to the desires and wills of men, for the vital importance of making the choice between the future of the

Divine Spirit, and that of the perfected man, is so apparent, that scarcely any mortal, who is not the man that says in his heart there is no God, needs another to apply for him the lesson taught. And I will say in closing that such lesson contains the truths that actual observation and knowledge have made certain. Speculation does not enter into it, and the possibility of error or mistakes is utterly eliminated. I have written enough and will stop for tonight.

You have received the message very satisfactorily and I am pleased. So with my love and blessings, I will say good night, and God bless you with His Love.

Your brother in Christ,  
John

## **In the Presence of Divine Love.**

Melbourne Australia, Received by Nicholas Arnold.

<http://new-birth.net/>  
January 12th, 2008

Hello and this has become a most enjoyable discussion and I am so happy as a spirit to be participating with you, as we are all souls accepting in the awareness of Divine Love and this is most pleasant. Many discussions such as these on such subjects are discussed by spirits when they first commence in the presence of Divine Love in the First Divine Love Sphere. This First Divine Love Sphere is most interesting for individuals are still very much with a natural experience and so in their new awareness many understandings and learnings are open so that individuals may find their understanding of the life path. As Nicholas read with Zara, the posts (On the New Birth Message Board) I will try to contribute as a voice that is in concert for it is most exciting that we are all sharing our love of the Father, each other and of all souls in life.

When souls such as have been discussed here, are in light in awareness of Divine Love and in the First Divine Love Sphere, the reality of the context of Jesus' life becomes evident. When Divine Love is involved, a soul sees the real way Jesus lived his life and the Truths that he lived his life in. This impacts a soul for one ascertains such dichotomy; how could someone only in Love be treated that is so not in love? And so, part of the introductory effect of Divine Love causes a soul to see the Love of Jesus unlike ever before and this greatly increases our love not only for the soul Jesus, but for his love for us and his love for the Father.

The difficult part about Jesus' life when as a man on Earth, is that he knew the reasons why individuals acted in the way in which they did and so he not only experienced the effects but in his soul nature, His Father's Spirit had shown him why men and women act inharmoniously to love and so his vision could see all this before his own eyes. He understood the workings of natural man and much of this was kept in silence. I have learnt this from those Celestial spirits who were with him at the time and are with him in these Celestial Heavens at this time and are still working in the service of the Truth.

It is the presence of Divine Love in our souls that awakens us greatly to the way men and women treat one another and when we learn the workings of Love and the causes that create such erroneous effect, we then know like Jesus, how the actions are when Love is not present. Yet behind this a greater Truth surfaces and this is in our own soul, for we know and have learnt that even though Love may not be present in the actions of men and women, it is exactly this need that these individuals are acting out their need for – love. When these individuals eventually progress their soul, they see how much in need of Love they are which has caused their suffering and affliction to which others may be on the receiving end. Just as I had to learn when I first commenced receiving Divine Love: forgiveness, forgiveness, forgiveness.

I have a keen knowledge of the workings of the Laws and I can state quite clearly that when an individual is subject to the wilful transgression of another, such as the experience that Jesus was exposed to, as a definitive expression of all the cruelty that individuals create toward one another day-in day-out, no mortal can ever or does ever take advantage of the Father's Will.

The Father's Will in very real terms are the workings of all His Laws in Love which apply here to mortal and spirit soul-life and even though one may be acting contrary to these Laws and believing that they are gaining an advantage over another, in time in the spirit Sphere, one will see the error of their way and be

subject to these conditions to which the advantage ceases and the reality of their condition sets into play the real condition of a soul.

When people arrive in spirit and the great acclimatisation to these new environments occurs there is not a universal Sphere language that one instantly learns. Individuals still communicate in their native tongue and just like on Earth, one may have to learn a new language in order to communicate. When a French speaking individual meets a Chinese speaking individual their soul may feel a knowing of gesture yet one can only communicate from the condition of what one knows and has experienced. Many Celestial spirits speak many languages for they are all from unique countries at different stages of the Earth's history and English is one of these languages. We tend to use in these Celestial Heavens, a perceptual language of Love for we have our mind attribute of soul that is well advanced and our perceptions can communicate the Divine realities that exceed mortal natural concept of language.

This helps to identify the way Truth is understood and communicated for a Celestial can communicate a Truth to which many perceptions are then seen and felt which educates a great working of a Law in Divine Love between a soul and the Father. I would like to say also that it is unusual for so many Truths to be present in a work like the Padgett Messages, for some, indeed a great many of these Truths, are very sophisticated and require good soul condition to live and understand them. To see so many Truths in one place from so many individuals in all varying soul conditions is a remarkable work.

Here in spirit an individual of Natural Love is first introduced to the awareness of Divine Love and then at their own desire, their progression commences and the First Divine Love Sphere becomes a reality to them of its existence, from which a gradual learning begins from the Divine Love. This way the Truths are in harmony with their own soul progression in Divine Love and the workings of Truth are not confronting but assisting their enjoyment of living as a spirit in Divine Love.

Natural spirits do not receive great Celestial Heavenly Truth in great volume to begin with. Each is introduced into the awareness of Divine Love and invariably the Celestial spirit is so glorious that the Natural spirit need only see the Divine spirit and the introduction and existence of Divine Love is confirmed. Fortunately there are many Truths conveyed by the spirits so that in the awareness of Divine Love they can be assisting as one in Divine Love can in soul, become at-one with a Divine Truth that is in harmony with the stage of condition that one is in and this is peaceful and revealing.

Hello Lynn, Divine light is a term that can mean many things to the culture and peoples who use this term. The attribute that is not celebrated is Jesus' Truth which is the Father's and the way to the Father's Divine Love. From our Celestial living we can see when a soul has received Divine Love even if the great Truths are not known, some can even see the Holy Spirit working to convey the Divine Love. Humanity in all its forms is too great for me to determine who has received Divine Love and who has not and what name they choose to call the Eternal. Many natural souls give wonderful names to spiritual realities yet the Divine Love really individualises the individual and perhaps this is a significant difference between what is Natural and man-created in soul than Divine Love and Father-created and given to in-soul.

Just like on Earth, many spirits in the Natural Heaven still celebrate their once mortal faith or spiritual beliefs or even newly created beliefs pertaining to the big-all and yes, collective groups in vast numbers are attracted together to form and live in the same Natural beliefs that were created in the mortal world and still live in this way as Natural spirits in the Spheres. The notion that everyone who arrives in spirit

participates in one gigantic Sphere spirit sing-along or goes to Heaven is untrue. As Jesus taught, a mortal can only rise as high as its own source and in the Natural Spheres, this Truth determines a lot about the way spirits live, even the perfected natural spirits live this way and people from different countries stay largely together in attractions of soul condition in the Natural Spheres for there is nothing that has been created by the Father to show them any other way, Divine Love is for all spirits the way provided by Father.

In the awareness of Divine Love and to become aware of ones Natural Love and to act with love in Love and to find humanitarian resolution in this mortal world is a beautiful way to be. Whilst mortals dawn the Earth, even we here in these Celestial Heavens work toward the day when the sunset will be one of complete Love, light and in the life and awareness of the Natural Love of man and with the Divine Love of God.

It has been a pleasure to contribute and I hope ( as Nicholas is concerned ... ) that the message is not too long – that we together can share more in this mortal and spirit example of souls living and working together in our celebration of light and Love.

## Will, Free Will.

Antwerp. Received by WV.

December 21st, 2014

It is very important to understand there is a big difference between ‘will’ and ‘free will’. Will is what we called the principle of choice in our previous message: it is every possibility, choice and action executable within the scope of love. Free will is the same as will but with the addition of being capable to move outside the laws of love (or the laws of the soul).

What’s also very important to know is: when we speak of love, we speak about much more than what the definition of the word love means. Love is a very broad form of energy made of multiple sub (energy) forms or subcategories. And the definition of love: “having affection for” – as most people use it – is only one of many subcategories. So you see, knowing and understanding the context and definition of the words used by others is an important part of understanding the context and meaning of the whole message.

**Will is located in the soul, the other, free will is in the (spirit and physical) mind.**

**The opening up of the soul permits a permanent exchange with Divinity, a permanent recharge of this healing energy that allows not only the re-establishment of lost health, but the continuity of health, providing such a perfect balance, even in the physical body, that noxious agents like bacteria and virus cannot find any opportunity to unchain pathological reactions, which we commonly call illness.**

The Map of Consciousness (MoC) table is based on the common log of 10. It is not a numeric table.

A calibration increase of 1 point is in fact a 10 fold increase in energy.

A calibration increase of 10 points is in fact a 10,000,000,000 fold increase in energy.

Thus the energy differentials are in fact enormous!

And when that time comes you will have developed a strong foundation in your relationship with the Mother and Father for you to work from. **It is to make longing for God's Love the priority, and then do one's healing; should one want to include God and the Divine Love in one's feeling healing. We need the Spirits of Truth of the Avonal Pair to Heal ourselves; then once Healed, (and for support (overshadowing) as well through your Healing), we need the Creator Pair, Mary Magdalene and Jesus' Spirits of Truth to see us through the Celestial spheres, while at all times embracing our Heavenly Mother and Father.

Until Mary and Jesus died and liberated their Spirits of Truth, no one from any of the worlds could leave Nebadon, because no one knew the way to do so. Nebadon is our local universe containing some 3.8 million inhabited physical worlds and their associated spirit worlds.

When we embrace the truths Mary and Jesus are revealing, and start to do our Feeling Healing, or with Divine Love, Soul Healing, we are then freeing ourselves up from our parental and self control.

Thus our journey to Paradise, to the home of our Heavenly Parents, is of our choosing as to when we progress, however, there is only one way:

**HUM:** Humanity is to ascend. We are self contained. Our soul is always in truth and perfect at all times. **By living true to ourself, true to our feelings, we are living true to God. It's that simple.**

We are to recognise that being engaged and dominated by our mind is the wrong way for us to evolve and grow in truth. We are to discard the mind enslavement that has been imposed upon as by all of our parents. We are to express our feelings, both good and bad and free ourselves of the indoctrination that humanity has embraced worldwide.

Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God's soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of our Mother and Father.

**AVO:** We are to embrace the truths and guidance of the Avonal Pair through their Spirits of Truth. It is the Avonal Pair's guidance that will lead us through our Feeling Healing, and with Divine Love, we will be able to ascend through the 7 spirit Mansion Worlds and enter the Celestial Heavens where we also interact with other world's spirits.

**J&M:** We are also to embrace the truths and guidance of the Paradise Pair, Mary and Jesus, who will then lead us through the 3 Celestial Heavens that are aligned with Earth, and then further on through Nebadon where we will then depart beyond on towards Paradise.

**M&F:** Beyond the universal zone of Nebadon, we will be guided by our Heavenly Mother and Father onwards through the universes to Paradise where we will be welcomed by them, home for us all, as we are all Children of God.

**WE ARE Children of God**

**WE ALL ARE BEING GUIDED HOME – NOW, HOW TO COMMENCE THE JOURNEY:**

**GOD**

**M&F**

For 200,000 years, we have been misled into embracing our mind's distortion of wisdom and truth. All such traditional understandings only lead us in the wrong direction, from which we must turn back from. Our soul based feelings are always in truth. Our minds are to follow our soul based truths and feelings, not the other way round, as we have been brought up to embrace.

We are to connect with our deeper repressed feelings.  
We are to long for the truth of what we are feeling.  
We are to live true to our selves; by living true to our feelings.

Use your surface day-to-day feelings to connect with your deeper repressed feelings. Express your surface feelings and your deeper repressed feelings to uncover the truth of yourself.

**J&M**

We all have feelings which we communicate and share with each other. And we all have deeper buried and hidden repressed feelings. Feelings from our early childhood we felt, yet weren't allowed to express. These feelings are still within us, waiting to have their say. These feelings, because they are repressed, cause us all our problems.

And as we look to uncover, bring out and accept these deeper feelings, so we're taken into new ways of looking at ourselves, our feelings, and our life. We're setting ourselves free of the controlling patterns that govern our unloving behaviour.

In this way, we progressively begin to express the personality that our Heavenly Mother and Father gave us, not the one imposed upon us by our physical parents and carers. We are to be our true and real selves.

**By living true to ourself, true to our feelings, we are living true to God. It's that simple.**

**AVO**

**HUM**

As we, humanity, long for the truth of our feelings, we can also be assisted by the Spirits of Truth of the Avonal Pair who are our spiritual teachers for Earth over this coming 1,000 years, to assist us through the Great U-Turn, away from mind dominance to being soul based feeling lead. They will assist us through the seven levels of the spirit Mansion Worlds.

Then the Creator Pair, Jesus and Mary, will lead us through Nebadon and into the greater universe. Then our Heavenly Mother and Father lead us home to Paradise.

**WE ARE Children of God**

Collectively, should we embrace them all, as we are to, then our pathway home is a journey in the hands of the Spirits of Truth of the Avonal and Paradise Pairs overseen by our Heavenly Parents.

## HOW TO GET TO PARADISE:

Long for the Divine Love

Long for the Truth

Long for the truth of your feelings

Don't deny any feelings: accept, express and want to know the truth of them

Know your feelings are the key; your feelings are the Way

Want to end your falseness and being untrue

Want to understand the truth of your early life

Use your surface feelings to move deeper into yourself, bringing up your repressed feelings

Want and long to know the whole truth of yourself

Want to do it all with God, your Heavenly Mother and Father – long to Them for help.

## The Key

Our longing drives our life. We long with feelings. We can wish for things using our mind, yet long for things with our heart. These things in the pyramid are what to long for. Longing for them, when the longing comes naturally. Longing because you feel you really want them. Long to be true with all your heart. Long to live true to your feelings. Long to understand the whole truth of yourself.

PARADISE TRINITY:

1. **Our MOTHER and FATHER (God) (MF) – Divine Love**  
SOUL (God) – One SOUL that is expressing its two PERSONALITIES, our Heavenly Mother and Heavenly Father (Soulmates)
  2. **ETERNAL SON (ES) – Divine Truth**
  3. **INFINITE DAUGHTER (ID) – Divine Mind**
- Then: The Second and Third Persons of the Paradise Trinity (ES and ID) are stepped down to the local universe trinity (Mary and Jesus, Divine Minister (DM), and her Holy Spirit.

The LOCAL UNIVERSE TRINITY:

1. **MARY M and JESUS** – Our MOTHER and FATHER – Love – the Living Truth
2. **DIVINE MINISTER** – Mind (and her Holy Spirit)
3. **HUMANITY – Natural love, sons and Daughters – Truth, and our Angels – Mind**

PLANETS that engage in REBELLION:

1. **AVONAL SOULMATE PAIR** – the Feeling Healing process – incarnate
2. **DAYNAL – TEACHER PAIRS** – they do not incarnate

So in summary:

Consider a diamond:

# Mother and Father Heavenly Parents

Creator Son & Daughter  
Jesus and Mary

Avonals  
as soulmate pairs

Trinity Teachers  
as soulmate pairs

Melchizedeks – who have taken over from the Caligastians and Daligastians being also all as soulmate pairs.

Mortal Souls – human beings who individualise on Earth, then progress through the spirit Mansion Worlds, then into the Celestial Heavens, and beyond.

Mortal Souls – also being ascending spirits, upon completing their Soul Healing, join with their soulmate, then join their soul group of 24 mortal spirits, being 12 soul pairs. It is only as a soulgroup that anyone can progress beyond Nebadon.

The Paradise Pairs are all ONLY concerned with the SPIRITUAL wellbeing and upliftment of the planets and local universe. Currently to do with Earth:

Mary and Jesus – spiritual wellbeing and upliftment of the whole of Nebadon region.

Avonal Pair – Daynal pairs (Trinity Teacher Daughters and Sons) – Spiritual wellbeing and upliftment of individual planets and their associated Mansion Worlds.

The Local universal Sons and Daughters are all about the running of the worlds under their jurisdiction, and ensuring the higher spiritual elements can be employed, or sent astray, as in our cases through the Rebellion and Default.

Lanonandeks – Melchizedeks (and others, such as Life Carriers and Eve and Adam).

As the Lanonandeks all rebelled – the Lucifers, Satans, Caligastias and Daligastias soulmate pairs – so the Melchizedeks have taken over their roles, as well as doing their own.

So the Melchizedeks are the governors, overseers, the administrators and advisors and so on for Earth; they are the ‘controllers’, and they will instigate all that needs to be done to do with the ending of the Rebellion and Default. And they will enlist the willing help of ascending mortal pairs, so the mortal Celestials spirits (soulmates when available, and others waiting to unite with their partner), and at times mortal spirits in the Divine Love Healing Mansion Worlds. And the angels help all of us.

Currently the whole of Creation exists for the ascension of mortal souls from their earth planets to Paradise. It’s all one vast Grand Ascension Scheme. With all the higher and lower spiritual Daughters and Sons, together with all the many different angels and other universal spirit personalities, and even including nature and our very own pets, assisting women and men with their Ascension Journey. It being: and Ascension of Truth. Everything we do is done to help us grow in truth. (Only everything we do in our negative state is to deny ourselves our truth from our feelings, which is why we have to do our Healing.) All women and men are ascending (or growing) in truth through their experiences. And as we grow in truth by looking to our feelings to show us that truth, so we’re ascending, moving inwards and upwards through all the worlds and spheres of the Grand Universe to one day arrive on Paradise and meet our Heavenly Parents. God is providing us, Their children, with this spiritual journey called our Ascension of Truth. And by living true to our feelings, so we are progressing on our true Spiritual Path – our Ascension Path.

Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God’s soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of your Mother and Father.

**Humanity** is to pursue the pathway for Truth through one’s soul based feelings, this is the right pathway. However, humanity commences its journey founded on natural love, which we now know is to be perfected through one’s Feeling Healing process and then made divine through asking for and receiving our Heavenly Parents’ Divine Love.

For 200,000 years, **humanity** has pursued the pathway of the Mind, being that of the brain, this is the wrong pathway. The Mind is the pathway for Angels and that of all of Nature.

**CREATION of SOUL and SPIRIT:**

God is *The Paradise Trinity* — the eternal Deity union of the Personalities: the Universal Mother and Father; the Eternal Son of Truth; and the Infinite Daughter Spirit of Mind.

The soul of each human personality (sons and daughters of truth) is existential, driving our personality expression in the experiential. The soul of each human finds truth by embracing one's feelings and longing for the truth of them. We are to attain the Eternal Son of Truth. We are a creation of Truth.

Feeling Pathway

Mind Pathway

Soulmate Pair

Angel

Spirit Person

Nature Spirit

The soul of angels is experiential, evolving through their experience by continually progressing in mind development. Angels are to attain the Infinite Daughter (Spirit) of Mind. Angels are a creation of Mind. Our soul is duplex (we have a soulmate) and is created by our Heavenly Parents. Through our Feeling Healing we perfect ourselves enabling the union with our soulmate, as we progress in truth up through the Mansion Worlds, celestial heavens and all the way to Paradise.

The soul of angels is also duplex, yet of the mind, and they progress in mind evolution to Paradise. Animals, plants and nature spirits are also creations of Mind.

Neither we nor animals reincarnate. We never die; upon death, we move into the spirit Mansion Worlds on our journey to Paradise. When animals and plants die, be they the tiny microbe to the mighty elephants of the land and the whales of the ocean, their spirit energy returns to the Spirit Collective Energy. And from this energy are drawn other animals and the nature spirits, who then in turn move onto becoming angels through increasing mind experience.

A nature spirit is an angel in waiting.

**WE are INCARNATED with Natural Love, but not with Divine Love:**

We are conceived with natural love, however, we are not endowed with anything of the Divine. While we are without anything of the Divine, namely Divine Love, we can grow our natural love attributes and progress to that of being the perfect man whose lodging is found in the 6<sup>th</sup> Sphere. We do not have immortality without having received Divine Love.

Natural love radiance is very different from that which Divine Love brings.

The two loves complement each other, bringing about greater harmony.

When we become aware of the presence of Divine Love and subsequently ask for and then receive the Divine Love, our soul steadily starts to change to that which is Divine and we achieve immortality. This is the Immortal Choice that we can make whilst here in the physical or later in the spirit world. Once we add Divine Love to our being, we continue then with the two loves, that of the natural love and also that of Divine Love. As we continue and receive Divine Love, our soul condition progresses so that we may eventually enter the Celestial Heaven, 8<sup>th</sup> sphere and above, then progress further to enter the Eternal Spheres and then the Spheres of Paradise.

We are endowed by our Parents with natural love, maybe we neglect this gift from time to time. As we progress in time, we can add the greatest gift there is to our being, that is by asking for and receiving Divine Love. Not only does the infusion of Divine Love, with one's Feeling Healing, repair our natural love attributes, we evolve into a joyous and loving person in all respects. With the infusion of Divine Love, with the two loves, we become the complete being.

Hello Nicholas,

It is a pleasure to be helping to contribute in this shared experience with other spirits all enjoying to create more of an awareness of Divine Love and it is a pleasure to see that other people in their own way are helping to create an awareness of Divine Love.

In the First (3rd) Divine Love Sphere, spirits arrive here from all other Natural Spheres in all their conditions of Natural Love. Understanding this provides the insight that there are billions of souls in these Natural Spheres who have all had a history when on Earth. Each personal history is still retained within each soul and because time is always present in these Natural Spheres, there are natural spirits present with their personal histories from all periods of history. Spirits when learning about Divine Love in this first Divine Love Sphere still retain much of their beliefs about God and consequently they all have many names and ideas about God. This is completely normal and change happens only as the result from the Inflowings of Divine Love. Natural man and spirits in their own sense of understanding God create the full range of understandings and this is consistent with the present day on Earth. Gradually as a soul progresses, the awareness and influences of this most wonderful Love becomes more substantial in a soul of an individual, and the Celestial spirits know that the Love in time reveals to the individual the Soul of the Father. Also, when a spirit first learns about Divine Love it becomes known that the Truths first revealed about this Love to all mortal souls were given by Jesus.

Each individual spirit begins in their own personalisation of Divine Love and this Love brings them slowly through the Spheres towards the Celestial Heavens. By the time a spirit arrives on this special occasion to become a resident in the Celestial Heavens, the introductory Truths taught and revealed by Jesus are accepted and each individual spirit living in the Celestial Heavens refers to the Soul providing the Divine Love in their own personalised acceptance of the Father. A spirit learns that this Truth is in the Divine Love and when a soul has received abundantly this Love, the soul awakens into the awareness of this New Birth with the Father. The natural personality with the inclusion of will loves to relate to God in a created freedom from their heart, and this freedom is naturally present. The spirit learning to live with Divine Love becomes aware of this substance and Its presence in ones soul, and so as this Love transforms their soul from the image of its natural creation into the substance of Divine Love, then the Father becomes the freedom and the continued presence of the Love becomes their way.

It has been a pleasure to write with you again,  
Your friend and Celestial teacher,  
Elias

**Feelings first**

**LIVE FEELINGS FIRST**

The Divine Love is a love available for the Human soul that, in its cause and effect, actually perfects the personality as it progresses to a greater experience of living in the determination of living in God's Divine Universal harmony. Every personality has the gift of freedom of self-determination to enjoy and extend through life's experiences and it is this gift of freedom and human nature that may prevent one from participating in the freedom and gift of the Divine Love. The Divine Love, once being received is added to one's nature, having being formed on natural love.

# A message of love.

I am here by your side to continue in the awareness of Divine Love and love is the theme for tonight's subject.

It has been taught that a mortal soul is an attribute. This was conveyed in the original teachings of the New Birth from Jesus and received by James Padgett. Jesus had a hand (so to speak) in all the teachings that were conveyed at that time for the revealing of his Truths was central to the work as was, and still is, the Divine Love of the Father. A soul is an attribute and an attribute of love therefore, a soul is love. The Father when creating souls that are to incarnate, is in actual fact creating love. This love is independent of the Father's Divine Love and so the Father is not creating souls of Divine Love. This comes later and is known as a soul's New Birth in Divine Love.

The Father is love and a Soul of love. The Father has created love which is in the image of a soul, and the life of a soul is the energy and spirit which is part of the love; the love being central and the most significant attribute. A soul that is duplex in nature, when first created by the Father, separates so that finite incarnation can take place, and it is the love that responds to its predetermined life as love in a soul prior to incarnation. A Law engages this and love acts and responds so two individual attributes of love are formed from the one finite love that was first created. It is significant to understand this for this provides the awareness that all people are love. Love is the constant from which all mortal life is sustained.

When the will is involved with personality as time goes by the struggle for love becomes present in life. For what is at the core and central to every individual being, is the presence of the attribute of love in the form and image and shape of the soul. Mankind is always leaving or returning to love. Love is an inescapable force and energy that is ever present in all peoples of the world even though the experiences people have may seem contrary to this.

It is often asked "what is a soul"? The answer in pure form is love. This is who and what each one of you are. To learn this Truth about soul, is to learn and accept the Truth of your own love. This is where Divine Love greatly helps. The Father knows who you are and love is the person the Father knows. By providing Divine Love the Father knows that this Love will help an individual learn about their own attribute of love and in this will know their own soul. By knowing your own soul as living love with the help of Divine Love, then as a soul as love, one can know the Soul of the Father, who is also Love. All the Laws relating to soul and the Truths are provided by the Father because the first act of the Father was to create love as finite souls. Once one learns and accepts that one is love, then this provides an origin to place the Divine Love into its true context and then the Divine Love helps place our own love as an attribute into its true context as in a mortal finite soul.

A finite awareness is always present and the truth here is to become aware of love. In the Natural spirit Spheres it is very easy to recognise that all spirits in their condition are living in their attribute of love. These Natural Spheres reflect the conditions of souls in their condition of love. Because the attribute of love is only present these Natural Spheres are seen as one dimensional compared to the Divine Love Spheres and Celestial Heavens that reflect the condition of the attribute of love living with the substance

of Divine Love. This comparative difference is readily seen when a soul in Divine Love moves to visit souls in only their attribute of their Natural love. This explains why the Celestial Heavens and Divine Love Spheres are so abundant where the harmony of the Loves is so unified and revealed. These environments represent the attribute of love and Divine Love living together in finite souls and the awareness of this complete Love is greatly expansive. A Celestial spirit is love soul personified and so, Celestial spirits are seen as the ultimate from a mortal viewpoint for in Truth, what one is actually seeing is the attribute of soul love personified.

It helps one greatly to really grasp that love is the truth concerning man and for man Divine Love is the Truth concerning God, the Father. Once the individual learns that love is the beginning – is their beginning – and the beginning in their New Birth, then the journey of soul is a journey of love. The workings of mortal life and all spirit life is the workings of love from finite souls some of whom are in the presence of Divine Love. Jesus taught "as you will so shall you be" this is to be extended into the expression of Truth "as you will, so shall you be in a condition of love".

The will, will determine much about the condition of love in a soul. Truth people can fear and especially the Truth about Jesus and the Divine Truths about the Father. The real understanding is that an individual who lives in fear of the Truth is living in fear of love and living love. Every soul was created to be an individual and for this individual to be fully realised and its potential released into life this individual is to be love-living. Jesus when as a man on Earth was a man of love and this he lived and taught the Truth of this. When a soul becomes aware that love and its workings is the way of life then one learns that the Father has provided all so that love can be lived, for love was, is and will always be the way of soul life.

Thank you for receiving this message of love and the light shines brightly and peacefully here.

Elias

**MAN'S JOURNEY to being at ONE with our MOTHER and FATHER:**

Man, with free will, can choose loving or unloving options. By seeking Divine Love, and with Divine Love man can elect to follow our Parents' will of loving actions exclusively.

Together with Feeling Healing, Divine Love grows one's soul

Spheres

- 2

- 5
- 6
- 7
- 8
- 9
- 10

When the free will natural love aspect of the soul of a man is perfected through Feeling Healing with Divine Love, man has elected to follow the will of our Parents. Personality, memory, intelligence, etc. continues with man's soul through out all phases of his growth and development.

Person on left is crushed by fear which has diminished the size of the soul. Our soul can reduce in size to that of a pea.

The vibrant person on the right is filled with love and life.

We have a physical body, a spirit body, and our real self which is our soul.

Growth of Man / Woman without Divine Love peaks at 6<sup>th</sup> sphere state which is the peak of the Kingdom of Man and Spirit World. Soul without Divine Love.

Soul seeking, and receiving, and growing with Divine Love. The nature of one's soul changes into that of the Divine when receiving Divine Love. Only Divine Love does this.

Growth of Man / Woman with Divine Love enables entry into the Celestial Realms, 8<sup>th</sup> sphere and above, with growth into infinity:

ONE with our MOTHER and FATHER:

Will and Free Will

The difference between ‘will’ and ‘free will’. Will is the principle of choice: it is every possibility, choice and action executable within the scope of love. Free will (mind) is the same as will (soul) but with the addition of being capable to move outside the laws of love (or the laws of the soul).

Love is a very broad form of energy made of multiple sub (energy) forms or subcategories. As a human being (because of the inferior quality of the physical mind) it is important to learn to open up (your mind) so it can reap from the expansion of your soul. If your soul expands, so will you’re your mind. Wouldn’t it be a pity to have a soul bursting with knowledge but having no ability to share its information with others? This way all flaws can be ‘attacked’ as well by the mind as by the soul and it is the reason why progression for soul searchers (or Divine Love obtainers) can be much easier or more rapid: because such people have the advantage of understanding this duality. Emotions are only the result of the presence or the absence of (the broad energy we call) love. The soul is only capable of containing (the energy we call) love (with all of its sub categories).

To gain access to the spheres of the soul (the celestial spheres) you have to become a perfect natural man (again). To become the perfect natural man you have to obtain (natural) harmony in soul and mind again (through Feeling Healing). And although the Divine and natural love within the soul will help establish this harmony it is still the call of the mind and its free will to let the soul help it (to regain that harmony) or not. Divine Love (together with Feeling Healing) is powerful enough to ascend all flaws; but the problem is people’s faith.

MAN’S JOURNEY to being at ONE with our MOTHER and FATHER:

Man, with free will, can choose loving or unloving options. By seeking Divine Love, and with Divine Love man can elect to follow our Parents’ will of loving actions exclusively.

When the free will natural love aspect of the soul of a man is perfected with Divine Love and Feeling Healing, man has elected to follow the will of our Parents. Personality, memory, intelligence, etc. continues with man’s soul through out all phases of his growth and development.

Duality is only possible because of the workings of free will. People need to become ONE with our Mother and Father and that ‘free will’ will no longer exist in the soul spheres; because there are no longer TWO choices, only ONE: “God = Love = I”. As long as people have not become ONE with the Mother and Father, duality (= TWO choices = principle of free will) will exist.

## EMBRACING the LOVES:

**Our soul is formed from the substance known as natural love. This natural love enables us to develop to that which is the perfect man, an excellent, capable and loving personality.**

**However, there is a limit to our growth founded on natural love fore there is nothing of the Divine within the substance of natural love.**

**Should we ask for, and then receive Divine Love, then the Divine substance of Divine Love can be added to our being, thus providing us with an infinite potential for growth and development in the Love that is Divine.**

**The natural love and Divine Love are not divided when in the soul.**

**The natural love is harmonious in the Immortal greater love, the Divine Love, and so, never shall an Immortal faith and Immortal truth fall.**

**Adding Divine Love to your being can be likened to developing a powerful engine based on natural love to that which is found within a most powerful muscle car. One's performance capabilities progressively develop as the regular fuel of natural love is slowly, but steadily supplemented with the fuel of Divine Love, thus changing that which is founded on natural love to that of the Divine, namely Divine Love.**

**Your fuel steadily is converted to that which is of the highest octane level ever envisaged.**

**The Divine Love is the wonder of the universe. How this invisible substance causes so much change in our mortal nature is a miracle to behold and experience.**

**Living with the Divine Love brings about harmony throughout all of one's bodies, systems and personality. One's capabilities and love continue to greatly expand.**

**Divine Love always has its effects in harmony with the expression and development of natural love. Therefore your awareness and expression of natural love in your life is a vital element in accepting Divine Love into your life and fostering its development of your soul. Divine Love is the great harmoniser and is therefore not isolated but its effects are universal.**

**Divine Love is the 'ultimate' high octane fuel.**

## **WE ARRIVE DETUNED!**

Our souls are a divine creation of our Heavenly Mother and Father. They could not be any other way! And are designed (such as how it has been for us) to begin incarnation in a Natural love condition reflecting the Natural love state of our world.

And we have also been provided with the opportunity to experience what is being ‘evil’, to live denying our Natural love, as seen through the denial of many of our feelings. So we here on planet Earth live on a world that has Rebelled (and then also Defaulted), of which there are only 37 within the local universe of Nebadon, consisting of 3.8 million physical worlds under the regency of Mary Magdalene and Jesus – the spiritual parents of truth of all of Nebadon! And we assassinated Jesus, and completely denied Mary not allowing her to have her say about the truth.

As a consequence, we are ‘detuned’ from our Natural love state and divine origin. You could say we arrived with all parts functional, however, in our untrue, dysfunctional and distorted state, we’re badly in need of a severe service, tune up or a complete reconditioning. Our goal being to bring our true self to the fore by doing our Feeling Healing, and then to progress beyond our Natural love state by further advancing our soul condition through the process of Soul Healing and receiving our Parents’ Divine Love – becoming divine.

In our feeling- and truth-denying untrue Natural love state, we have been made to use our minds to dominate our feelings, becoming more like that of mind-based creatures of nature than of human souls of truth and feelings. And this is the wrong way for us to develop. So to step beyond this limitation, we are to live true to our feelings. Our heartfelt feelings being the guiding lights to our evolution and growth of truth.

Feelings are what guide us through our ascension of truth. So they are really our Supreme Guides. Many people look for a person, spirit, angel, even God, for supreme guidance, however it’s all right there already built in and can be found through our feelings – our soul based feelings.

By living true to our self, true to our feelings, we are living true to God. It’s that simple.

Thus we are detuned once our incarnation begins. However, the way is now open for us to bring about our full divinity. To completely Heal all that’s wrong within us on a Natural love level. To embrace and then transform that Natural love into a divine state through partaking of our Heavenly Parents’ Divine Love. All the while attuning ourselves to divine perfection and enjoying the fullness of our divinity and love, as we ascend in truth on our journey all the way to Paradise – the home of our Heavenly Parents.

**WE were DIVINE, and**  
**WE are to BECOME DIVINE AGAIN:**

Our personality, our soul, our real self, are all creations of our Heavenly Parents. We, our real selves, are not creations of our physical parents. Within our original status, we were of Divine nature.

Our physical parents, from our conception, endeavour to mould us into being ‘little me’s’, that is, replicas of themselves, imposing their beliefs and personality traits upon each of us. They crush our individuality and free will. They destroy our personality, our true self. They inflict upon each of us their ways, all of which are of a result of the Rebellion and Default of many, many generations ago. They drive us into believing and subsequently becoming dependant upon our minds. This is not the way for us to express our true selves and evolve along the path towards our true parents, our Heavenly Mother and Father. We are to embrace the Eternal Son of Truth, not the Infinite Daughter of Mind.

No, we are not in the image of our physical parents. Though we may look like them, and act like them because they have dramatically and successfully crushed our true personality, we are each very unique and independent of our parents and all other family members. When we begin to progress along the path of engaging with our soul based feelings and seek for the Truth of our feelings, we will become free of our parents’ impositions and suppression.

Upon starting our physical life experience on Earth, our divinely created soul begins to express us as one of our soul’s two personalities in Natural love. However because of Earth being in Rebellion, so we are parented into a rebellious and anti truth and anti love state of mind control over our feelings and true self.

Natural love is good, just ‘less’ or different to Divine Love. And it’s that in our rebellious state, we’re rebelling against Natural love, and Divine Love by not taking Jesus and Mary up on their offer and allowing the Divine Love to transform our soul, as we perfect our Natural love by doing our Healing.

By living true to our self, true to our feelings, we are living true to God. It’s that simple. The revealing of the Feeling Healing process is the commencement of our ability to begin the Great U-Turn and go the right way. Should we then also embrace our Heavenly Parents’ Divine Love, we can also commence our Soul Healing and a returning to that of being divine – this is our destiny.

**CREATED in THEIR IMAGE:****GOD**

James: Mary, what does ‘we being created in the image of God’ really mean?

Mary M: It means that our Mother and Father used Themselves as the model or template if you like, upon which to bring us into being, those of us who have existential souls with the potential of expressing their two personalities in Creation.

And although our souls are divine, as in being divinely created, still whilst we start our personality expression in Natural love, so we need the Divine Love to come into our soul and bring it into the levels of Celestial divinity.

Natural love, so basically the whole of Creation, is of the image of God, and we being divinely created souls can be part of God’s Divinity becoming divine ourselves. So through your Healing, James, you become progressively divine by partaking of the Divine Love and healing yourself into perfection – your true self. And by the time you’ve completed your Healing, your soul is of the Divine Love level of Celestial truth, and your personality is an expression of that level of truth, it all being ‘confirmed’ and cemented – fused – into place upon the direct soul-union with your Indwelling Spirit. Then you are of the essence of God, true and perfect to the level of the first Celestial sphere, the first sphere of true divinity.

## How the Law of Compensation works.

My dear friend, it's so good to see you again, up and eager to receive some more information. I would like to pick up where we left off the previous time.

As I said: duality is a simple concept which isn't really understood by many and that it will exist as long as one hasn't reached the spheres of the soul. Knowing this gives us an advantage. For example: when someone decides to do something unloving it will have two (= dual) consequences:

- 1) the energy sent out will not contain the energy of love because the individual decided to block his soul from contributing its energy
- 2) the soul itself will not be able to fill itself with the natural love it needs to feel "normal" because a (partial) blockage has been created.

So you see, when one decides to do something unloving towards someone else it also has an immediate impact on oneself (because a blockage works both ways). This way people will see the expression "to treat another as oneself" gets a deeper and more explanatory meaning.

Evidently you will also start to understand why we have repeated several times: to give and be loving even if you feel like you are wandering through the lowest of Hells. Because when you give love it will also have two (= dual) consequences:

- 1) it will (partially) unblock the flow of natural love towards your soul; and at the same time
- 2) allow the soul to contribute its love to the action, thought or creation.

But because many do not know or understand this duality they often do the total opposite. Since they feel bad they only worsen their situation by acting more unloving (instead of more loving) and they block their souls more and more until they are in total darkness.

Thus one of the things one needs to do to get out of hell or to feel better when one feels bad is to do loving things. "Saying sorry" is for example one of the loving things that will help unblock the flow of love. Because doing loving things will let natural love flow through our souls by eliminating the blockages we created through the decision of our free wills. But because it is so hard to do, most people will not engage in walking this path. They'd rather live with a soul lacking the love it needs than giving others the love they need because they feel / think the others don't deserve to receive that love.

However knowing what you now know, you can see the repercussions of this. By not giving others the love they need, you are not giving yourself the love you need: the reason being the principle of duality; you are blocking the flow of love from but also – at the same time – to your own soul.

This here my friend is the mechanism behind the Law of Compensation: when you do an unloving thing, you block your soul from contributing its love and in the meanwhile you block the love from entering

your soul. And the size of the blockage will depend upon the severity of your actions and thoughts which in turn will also influence the time you will pay for the compensation.

For instance: taking a human being's life is such a severe action it will almost block / encapsulate your whole soul. Of course circumstances will influence the quantity (of blockage). As for instance; when it was done out of self-defence it will not block / encapsulate the soul as much as when it is done in cold blood, but it will not be much less either. So you can readily see how difficult it will be and how long the process will take before the blockage will fade away (by letting love flow through your soul) especially because you cannot bring back to life the one you've killed. That is the reason why we can still unblock our souls even if we cannot make right what we did wrong but it is also the reason why it will be much harder.

Although we will unblock our souls much faster by undoing the unloving thing itself, to the people we did it to, we still have a chance of unblocking our souls by doing loving things to people we did not do the unloving things to. This might not seem fair to the people who have suffered by the wrongdoing of others but it shows the fact Father loves us unconditionally and does not want us to suffer infinitely, although people would.

If you let love flow through your soul, it will have a positive effect upon the blockages you've created. And if you persevere, you will succeed in bringing your soul back into the harmony it needs. But then again there is also the Divine Love which is far more powerful than the natural love. If I would have to put a number on how much stronger, just so you can understand what I'm trying to say, I would say 10 or maybe even 100 times. Of course this is purely hypothetical because natural love is only a derivative of Divine Love so it is almost impossible to compare them this way. Anyhow you are already starting to see where this is leading to. If you ask for the Divine Love to enter your soul it will be 10 or 100 times more efficient, 10 or 100 times stronger than if you would let the natural love flow through your soul. So it will help to break down "the wall" you've created around your soul 10 or 100 times faster than the natural love would do.

And all of this will only depend on how you use your free will; the creator of 'separation from' but also the creator of 'unity with' God. Thus having two (= dual) functions in one concept. If you truly start to understand this concept of duality you will see how easy it will be to use its information to your own advantage: duality = 2 choices = to do (something) or not to do.

Thus to help you to become more at one with Father, it isn't that hard to find out yourself which way you should use this duality. Being soul or being love or being one means only acting out of love. So what do you think we need to do to become one (besides asking for the Divine Love)?

*[To act within the scope of love.]*

Exactly. And what shouldn't we be doing if we would like to become one?

*[To act outside the scope of love.]*

And although this seems so simple it is very hard to do for most people because they do not understand the true implications of this duality. But let me explain it further.

As a human being we mix up these choices and that is where the disharmony begins. Most of us only think that what we do is important; whether we do something loving or whether we do something unloving. But there is nothing more untrue. What we don't do is just as important! If we encounter a situation where we feel we should do something loving but we restrain from doing it, it will have the same impact on our souls as if we do something unloving. If you look at this statement closely you will see the logic and the truth of it.

Just as your mind blocks your soul from adding love to an unloving action, so does your mind block your soul from adding your love to a specific situation. And as I explained in the beginning: a blockage works both ways. So if you block yourself from adding love to a specific situation, you also block yourself to receive love at the same time. Thus you see how important it is to understand the concept of duality (created by free will) and how it can be used to our advantage once we see it's true nature: being love = being one = to act inside the scope of love = not to act outside the scope of love – and – not being love = not being one = act outside the scope of love = not act inside the scope of love. Evidently it is not only about what we do, it is also about what we don't do; and both have an equal impact on our soul conditions!

Let me ask you a couple of questions to clarify this further. There are some teenagers assaulting a defenceless man 50 metres in front of you. You see them but you turn back or go around them without interfering or calling the police out of fear of getting assaulted yourself. Do you think, although you haven't done anything yourself, it was a loving or an unloving inaction and do you think it will have an impact on your soul?

*[Well, according to what you have been trying to explain, I would say it was an unloving lack of action with a free will decision not to add your own love to the situation. When you block your soul of adding love, you also block it from receiving love. So, yes, it would have had a 'negative' impact on the soul.]*

Indeed. Although one does not do a thing here (no specific action) there will be a reaction: a (partial) blockage of the soul. So you see that “not doing something” is also an action that will generate a reaction and this is something a lot of people do not understand. Blocking your soul from contributing its love is the true action that lies underneath the physical inaction. And it is this action that creates the reaction.

Next question. Your friends are gossiping about an acquaintance of yours. They want you to participate and say negative things about her behind her back. Although you do not completely like this acquaintance, you refrain from contributing because you don't have the exact details and understand there are two sides to every story. What do you think this time?

*[That it was a loving inaction with a free will decision not to add unloving energy to the situation. So no blockage was created and it had a 'positive' impact on the soul.]*

Exactly. But it will not only have a positive impact because no blockage was created. It will also have a positive impact because love was able to flow through you while in that situation. And although nothing physical was done, not blocking your soul or letting natural love flow is the underlying action which will have a reaction namely; breaking down (a tiny bit of) “the wall” you've build around your soul. So you are actually doing loving things by not doing unloving things and are being compensated for it.

Although I would like to continue and have a lot more to say I can see you are starting to get tired so I'm going to stop here.

Thank you for giving us these opportunities and God bless.  
Your brother and friend forever, John (Apostle).

**With DIVINE LOVE one's potential in growth is to infinity, progression is typically many multiple times faster than for those who remain NATURAL LOVE dominant and restricted in their growth potential to that of only becoming the perfect man whereas Divine Love with Feeling Healing enables at-onement with the Mother and Father and entrance to the Celestial Heavens and beyond.**

**Embrace the availability of the Feeling Healing Process and Divine Love, all one need do is to earnestly long for and ask for our Parents' Love. It is an energy that surpasses all that is.**

**It is with this energy melding within one's soul that heaven on Earth is achieved.**

**Nothing else can bring about the joy and love we strive for.**

**NATURAL LOVE BLENDS PERFECTLY WITH DIVINE LOVE:**

Both are energies. Natural Love energy forms each soul and each individual soul is unique. Our personality, intelligence, memory, and humanistic characteristics are unique. It is our gift of free will that tends to enable us to error, however, it is the uniform nature of Divine Love and Feeling Healing that brings about our growth and release of man-made negativities.

One's soul is gifted with the emotions of courage through to enlightenment. Man erroneous emotions are those of pride down to shame – these we can step away from with Feeling Healing.

**DIVINE LOVE does not TRANSFORM one's SOUL  
FEELING HEALING is what TRANSFORMS one's SOUL**

The Divine Love does transform our soul from Natural love into Divine Love. It's our Feeling Healing that 'transforms' or heals our erroneous expression of Natural love. We have to 'heal' and so perfect our Natural love, so it can then be transformed by the Divine Love.

Divine Love does not even begin the real work of transforming one's soul, for those who focus upon receiving Divine Love to the exclusion of embracing one's Feeling Healing, they are just expanding their mind's control over themselves. Should this be one's passion, then upon passing into the spirit Mansion Worlds they will find that they can continue along this path all from within the Divine Love followers segment within the first natural love Mansion World! Yes, only from within the first natural love Mansion World.

Most of humanity on Earth does not want to face the very truth their feelings are making them feel every day of their life. So if they want to keep living in the spirit Mansion Worlds as they did on Earth, in complete denial of their feelings and the truth they are to shown about their wrongness, they can.

However, for those who have embraced Divine Love and begin to engage in their Feeling Healing process to begin the transformation of their soul, they will be able to sense the Divine Love already within their soul 'driving them on'. One's understanding and adjusting will be changing rapidly to that of embracing all about the Healing and doing it – all being supported by the Divine Love that one may have received previously. All one may have done with the Divine Love may make their introduction into their real Healing, by using their feelings, much easier than it is for other spirits from the mind worlds who are at the same time having to wrestle with many of their old religious beliefs or mental programming, having to take on a whole new mind-set which one could see would take some of them years, whereas for someone who has been longing for and receiving Divine Love for some time it may be only a matter of weeks. This also applies to those living in the physical.

It is the Feeling Healing process that transforms one's soul towards perfection, towards the ability to fully express one's true personality as given to us by our Heavenly Parents, it is the Divine Love that then fits that transformed soul to be able to enter the Celestial Heavens.

## **What is the most precious substance in existence?**

<http://new-birth.net/contemporary-messages/messages-sorted-year/messages-1984-2000/what-is-the-most-precious-substance-in-existence/>

This is a talk by Rev Dave Lampron, first delivered across the Internet, using FireTalk in early 2000:

My dear brothers and sisters, I bid you greeting. I refer to you all as such because, in the eyes of God, that is precisely who we are in relation to one another. As the children of our Creator, we are all, without exception, equally loved and truly created brothers and sisters.

Tonight, with your kind indulgence, I would like to pass on to you a little sermon for your consideration. I believe an appropriate title for it would be, "What Is the Most Precious Substance in Existence?"

And, to begin, what may I ask would be your answer to this question? In terms of earthly standards, no doubt some of us might think of gold, others perhaps of diamonds or platinum, and still others of a more scientific or spiritual bent might suggest either atomic energy, on the material side of things, or simply the human love we share with and for one another in the way of a spiritual emphasis. And I must say that all of these answers certainly have some merit, depending upon where our individual hearts have attached themselves. For what we love in our hearts, that is where our treasures really lie.

But the question is not simply what may be the most precious Substance to you or to me, but rather, "What IS the Most Precious Substance in Existence?" What I am suggesting here is that, whether one might immediately believe this or not, this question does have a specific answer that would never be refuted by anyone who was fortunate enough to discover this answer in Its absolute Purity and Truth.

Now, before I go any further, you all know that no preacher worth his salt would ever absent God entirely from his or her sermon, and I must confess that I am no exception. And if I were to say to you that God is Love, I doubt that many of you would give me any strong argument to the contrary because, most of us in our childhood, or at least sometime in our lives, have been taught this and have come to truly believe it. Yet, one may still indeed ask, "But what has this got to do with the so-called '...most Precious Substance in existence?' Are you not straying from the point you are presumably trying to make?"

Well, to satisfactorily reply to this question, perhaps I would do well to back up a bit and suggest to you the possibility that some form of love, rather than more tangible things I formerly mentioned, might lie at the heart of the true answer to the question posed. And I would ask that we consider this together for a moment or two.

The first thing I would like us to agree on is that love, like any other emotion, is a uniquely felt experience. (Love is in fact a substance.) That is to say that all emotions we feel are uniquely our own. For while we may love mother, father, brother or sister, we are still only equipped to feel the emotions they stimulate within us or we create for ourselves. And while each of these family members may love us, so too, their particular feelings are uniquely their own. We can infer and assume that they love us by their kindness, or tenderness, or facial or bodily expressions, but we can still never actually feel the love they may have for us within themselves. And why? Because human emotions are not directly transferable from one human heart or soul to another. Indirectly and inferentially, yes. But directly, likened to an infusion, no.

But let us now turn to God and the teaching that God loves us too. Truly, what do we make of this? Is God's Love like the love mother, father, brother or sister may feel for us, only greater? Is the Love that God feels for us also only uniquely His Own? Well, my dear sisters and brothers, I may surprise you when I venture an answer by saying, "Yes... and no !"

I have not the slightest doubt that the extent of God's Love that He Alone feels for us, His children, is so immensely strong, yet also so unspeakably tender and beautiful, that we simply cannot imagine the enormity and exquisiteness of It. But God's Love truly transcends the human capacity, not only in degree but also in kind. For while human love is not directly transferable into the heart and soul of another, God's Love conditionally is! Yes, you have heard me right, my friends. God can, will and does infuse His Divine Love directly into the human soul through the carrying Messenger of His Holy Spirit, provided that one small but also very challenging condition, if I may put it that way, is met. The one condition? That we pray with all our hearts and souls for this Divine Love, this Greatest Gift, and yes, this most Precious Substance in existence!

For, you see, this Divine Love is truly a Substance, albeit a Spiritual One, and One that all human beings can potentially perceive and actually tangibly feel within their hearts and souls. And what is more, what is much more, this Divine Love has an unspeakably beautiful purpose and ultimate effect upon Its sufficient accumulation in the human soul: It transforms the human, finite soul over time into a divine, immortal soul, partaking of the Very Substance and Divinity of God's Soul Itself! And, so, what is the true significance of being "born again," often spoken of but not always clearly understood? It is precisely this transformation process of which I speak that leads to a new birth of the soul from the mortal into the immortal! And while many of us have always thought that God's greatest creation was a human being, possessing a soul made in His Image, Jesus and so many others now know that the greatest of God's miracles is not the human being but the transformation of the human into the divine! That is, the soul of a human into that of the divine.

Of course, it goes without saying that the actual confirmation of this Divine Love being the most Precious Substance in existence cannot be affirmed by my words; only by experiencing this Visitation within your very own souls. But assuming an honest and sincere desire among you to learn whether there may be some kind of much higher human authority (than your humble speaker here) to give much greater weight to the assertions just made, in the Bible, recall that Jesus himself often spoke of God's Love being directly within him. Furthermore, he often prayed that the Love that was within him might also be imparted by God to his disciples, which ultimately began to take place in great abundance in the Pentecostal Love Visitation reported. Recall in John, chapter 17, verse 26, Jesus' prayer to the Father, *"And I have declared unto them Thy Name, and will declare it; that the Love wherewith Thou hast loved me may be in them..."* And so It was in that upper room!

In body, truly, Jesus remained a man, but with the rebirth of his soul through the repeated in-filling of God's Love in response to his fervent prayers, in soul, Jesus became like unto the Father. Thus, when Jesus' disciple, Phillip, asked to be "shown" the Father, Jesus could soulfully and quite accurately respond, as in John, chapter 14, verse 9, *"...he that has seen me hath seen the Father."* But by this, he did not mean, as it has been inaccurately taught, that he was God incarnate or equal to the Father. Rather, quite simply, he meant that the Love Nature of the Father manifested through him! All that really could be "seen" of the Father was this Love that resided in, and emanated from, the transformed soul of Jesus.

And what did John, Jesus' most beloved disciple have to say about this declaration of Jesus after he too experienced inflows of this Divine Love in response to his own fervent prayers for It? In I John, the epistle, chapter 4, verses 10 and 16, he said: *"Herein is Love, not that we loved God, but that He loved us... God is Love and he that dwelleth in this Love dwelleth in God and God in him."*

Yes, my dear brothers and sisters, John had confirmed that the Love Jesus had received and beseeched everyone to seek for themselves through fervent prayer to the Father was also obtained by him and was alive and glowing within his own soul. And I would like to share some additional information with you who have been kind enough to stay with us in our little chat room. Not only Jesus, not only John, the beloved disciple, but ever since Jesus had taught of this Divine Love of God and how to obtain It, myriads of souls have sought for It and have received It since then, both on Earth and in the spirit world. I have received It and there are those in this very chat room at this very time who will affirm to you upon request that they have received It as well.

And so, dear ones, if any of you have not yet found the bliss of God's Love burning or glowing within your own souls, we are here to affirm to you that this Great and Transforming Love is available to you as well. Go to our dear Father in prayer and humbly ask Him to bless you with this Love. And don't be discouraged if you are not immediately successful. Pray and pray again until you are successful! For upon Its receipt, you too will shout from the housetops, as many of us already have, that the greatest Substance in all existence is the Divine Love of God. Become the true, transformed child of the Father He wants you to be, for He Loves you with all His Great Heart and wants ever so much for you to become His divine child, at-one with His Very Own Soul!

I thank you for your kind attention and may God bless you all with the "Pearl of Great Price" – His transforming and exalting Divine Love!

**Note:** Following the writings of James Moncrief, one could consider that any reference to the Father, by other relevant writers, may be read as a reference to 'our Mother and Father'. Further, when considering soul healing, then reference to Divine Love could be referred to as 'Feeling Healing with Divine Love'.

**STAGES of MATTER:**

**Matter becomes finer and finer and more incredible within each phase:**

## The CHOICE is OURS to MAKE:

### Celestial Truth:

Truly all-loving;  
 Living true to oneself;  
 Mind supporting Feelings;  
 Living with the Divine Love;  
 Fully Healed of the Rebellion and Default.

### THE FEELING WAY

Feeling – Ascendance  
 Unlimited progression

- Living true to your untruth;
- Honouring all your bad feelings;
- Expressing feelings to uncover their truth;
- Healing the Rebellion and Default within yourself;
- Feeling unloved; being unloving;
- Feeling as bad as you can feel;
- Feeling like you are no one special;
- Longing for the Divine Love.

### THE MIND WAY

Mind – Transcendence  
 Limited progression

- Enlightenment, Nirvana, feeling all-loving;
- All false, mind-contrived. Anti-truth, anti-love;
- Still evolving the Rebellion and Default within yourself;
- Feeling and believing you are the Superior One;
- Living with your mind in control of your feelings;
- Living rejecting all your bad feelings;
- Living with your mind contriving you feel loved;
- Rejecting the Divine Love.

All religions, New Age, agnostic,  
 atheists, no spiritual interest,  
 Living the Rebellion and Default.

Hell:  
 Exploiting the Rebellion and Default.

The Feelings are the doer; the Mind the teller. So we are to go with our feelings, which we can't be told to do with our mind. So the longing for the Divine Love, doing our Healing by expressing our feelings and longing for their truth, are all feelings and doing it with longing. Whereas the mind just wants to tell us what to do and how to be, no feelings in it, all how our parents have treated us.

## Our FEELINGS are our SUPREME GUIDES:

# Feelings!

**Feelings are what guide us through our ascension of truth. So they are really our Supreme Guides.** Many people look for a person, spirit, angel, even God, for supreme guidance, however it's all right there already built in – in our feelings. **We just have to submit to them, allowing them to take us where they will, expressing all the parts we want to express, letting the emotion drive that expression if it's there to be expressed, or just talking about all we feel and how feeling that feeling is making us feel – or, how we feel about having that feeling, all whilst longing for the truth of our feelings. Longing for the truth of our feelings is really: Longing for the truth of our self, because: we are our feelings. So life stirs up our feelings, we feel being alive; or, being alive means we are feeling, always feeling; and when we work out what and why we are feeling what we are, so then we know the truth of how we are. And over time the truth accumulates, and our mind expands our understanding of ourselves, all being driven from our feelings.**

Kevin 26 Sep 2017

## **Using our feelings to uncover the whole truth of our negative or anti truth and anti love state.**

Kevin: **So whilst we're of an untrue state, then all we have got to help us understand why we feel bad, why we are wrong, why we are negative and anti love and truth, is our feelings. So if we focus on our bad feelings, they will lead us to the truth of why we're feeling bad. Which will be the truth of what happened to us to make us be this wrong way, and how we took on the wrong way and keep it going making us feel bad.**

## FEELING HEALING

**Note:** The vital difference between emotion and feeling is that emotions have their roots in the past, and feelings relate to the present moment. Emotions represent our feelings which were not previously expressed, and these accumulate with time.

**Note:** **Our feelings are soul-based. Our soul is always in truth. It is our soul based feelings, that when allowed to be freely recognised, we will begin to express and be who we are. This takes time and perseverance as we have encrusted our souls with layers upon layers of errors and false beliefs, it is these layers that will confuse the truth that our soul is conveying to us. Only by our progression with our Feeling Healing will our soul's expression of truth become clear and free of all cloudiness and contamination.**

“What our soul needs in accordance with our own, individual, **Soul-Light-Plan-Of-Destiny** (your life's true destiny plan), They, being our Mother and Father, will give you as required. The only way we can know truly what we need is to honour and follow our true feelings. They, springing from our soul, literally telling us what we need, and so when we genuinely feel we need something, we apply our will to get it. The hard part is knowing if our feelings are true, and until we have done our whole soul-healing, they won't be clear and total true.” James – Introduction Course to Divine Love Spirituality

## The New Way

**Feelings First**  
**FF**  
**Feeling Free**

The New Way, Feelings First Spirituality  
 Learn to live with God through your Feelings

Accept, express and long for the truth of your feelings

Be free in your feelings  
 Free your feelings from your mind's control  
 Live true to your feelings; your feelings are your true self  
 Live true to yourself through your feelings

Live true to yourself by living true to your feelings.  
 Long for the truth of your feelings.

Accept / Express / Bring out ALL of your good, and most importantly,  
 BAD feelings.  
 Want to understand why you're feeling them.  
 Use your surface feelings to take you deeper into your repressed and  
 hidden feelings.

The Feeling Way is the True Way.  
Your feelings are your spiritual guide.  
Your feelings will take you to God.

Your feelings will show you the truth of your relationships, including your relationship with God; and if anything is wrong, untrue and unloving, then why it is.

Our feelings are sacrosanct and we should respect them accordingly. And we should NEVER block them out, ignore, override, banish, deny or reject them, because if we do, we're only doing that to ourselves, as Our Feelings Are Our Self.

Our feelings are the gateway to our soul. Our feelings are the closest we can get to our soul. Knowing the truth of our feelings is knowing the truth of our soul, and knowing the truth of God.

Feelings First Spirituality is the True path for humanity.

It embraces all people.

It completely unifies the world.

Everyone can relate to everyone else through their feelings.

And we can all live the truth that comes from our feelings, all sharing the same truths as we express and have the same feelings.

No one need be left out; no one is more special than anyone else – we are all united in Truth through our feelings.

So with and through our truth we live our lives, therefore without the need of any man-made mind-laws, rules and restrictions that limit self-expression as inspired by our feelings.

The New Way, Feelings First Spirituality is what is to replace all man-made, mind-contrived religions that so many people have enslaved themselves to. The New Way, Feelings First Spirituality will set us free of all that control, ending the Rebellion and Default within ourselves as we do our Feeling-Healing, and ending such control and spiritual stagnation in the world.

Bring on the End Times – get it over and done with! Let's all see that Jesus is not going to come again, that Prophecy has failed all the mind-controlled platforms. Allow such false systems of belief to die their long-awaited natural death, they've overstayed their welcome, it's now time they fade away. So let us show such antiquated, erroneous systems of belief the exit and bring on the fresh liberation of discovering the truth of how we are to live for ourselves, each of us personally in our lives, and all by looking to our own feelings for it. Self-revelation through our feelings is the way to go.

The Way of the Mind is ending, and is really the End Times – the End of our mind control, and **it's about time!** With the Way of our Feelings replacing it.

The End Times means the end and therefore a New Beginning. And that new beginning is a whole new Spiritual Age – an age based on self-revelation of truth through one's feelings, coupled with and supported by higher revelations from the Celestial spirits, angels and nature spirits.

The Feelings First Spirituality is the True Way to God because it helps you get to know God, helping you to reach out, connect and be personal with God, and do God's Will, all through your feelings. It is the only true way of getting to know the God of Feelings – our beloved Heavenly Mother and Father, the Great Soul of Divine Love.

Love comes through our feelings and not our mind, as we've all been wrongly led to believe.

**Feelings First; then comes The Truth; then comes Love.**

# DEVOLUTION

**Our childhood suppression of our true and loving soul based feelings is creating global pain and personal isolation amongst all of humanity. We are very sick!**

**In our struggle to find solace and purpose, we further withdraw into ourselves, becoming ever more self dependent, believing our control addicted mind that it can solve everything. We just drown further.**

**We embrace an ever expanding and diverse range of pathways to escape from our personal pain, fear and desperation. Alcohol has now been complimented with narcotics, hallucinogens, including caffeine (coffee). Gambling has been complemented with computer games which are generally entraining the mind further into error and pain. Technology is making us sicker!**

**We bury ourselves in front of the television to further avoid contact with anyone, especially family.**

**Children endeavour to exert their independent authority from domineering controlling parents (which we all are eventually) by disfiguring their bodies with tattoos and piercings, etc.**

**We shut out the noise with headphones, thus preventing contact with others. We use electronic devices to 'text' others even at intimate engagements.**

**Technology will take us further into the depths of our madness. You now can buy headsets that prevent any contact with the outside world while playing mind suppressing and entraining entertainment – games!**

**No one loves their children, they are ignored, and the controls hammered into them turn them into clones of ourselves. Look at ourselves and we can all see that we have been all messed up by our own parents, as they have for generations over the past 200,000 years.**

**No more of this! We can escape this man made hell!**

# EVOLUTION

**STEP 1: Longing for and receiving Divine Love:**

**A. Soul within spirit body prior to receiving Divine Love.**

**B. Divine Love being received from the Holy Spirit, covering the spirit body of requesting personality.**

**C. Divine Love having been assimilated within one's soul, now being reflected through the radiance of the spirit body.**

## STEP 2: FEELING HEALING + SOUL HEALING

It is the Divine Love that strengthens one's resolve to persevere with embracing one's suppressed emotional injuries, that occurred from conception through to around the age of six, and longing to know the good and the bad of those feelings, together with talking about them to a friend, partner, one's self and our Heavenly Parents. It is only with the receipt of the Mother and Father's Divine Love and the expressing of suppressed emotional injuries that one can release the emotional injuries and errors to achieve Celestial soul condition and enter the Celestial Heavens.

Further, should one complete their Feeling Healing on Earth, then they will be able to recognise their soul partner, their other soul half, and should their soulmate have also embraced Feeling Healing with Divine Love, then their children will be born free from error, free from fear, and free from any deformity and illness. This is the destiny of humanity.

Further, being in this condition of free from error and being in constant communication with our Heavenly Parents, then one can also recognise and form their Soul Group. This will ultimately consist of twelve soulmate pairs, a total of twenty four personalities / individuals.

It is the bringing up of children by the support of soul groups that is to be the ultimate way forward. The group experience and wisdom, as a functioning family, will ultimately be of profound benefit for the blossoming child.

But what we cannot do is contrive the groups ourselves, or even pick who our soulmate is. This will only, and can only happen, as an outworking of the truth we are to live – as we progress in the healing of our soul.

And this is how all of life should be lived: according to the truth we are living. It is how we live, as there is no other way, but currently we live it in the negative, of that being directed by no truth, and so having to make it all up ourselves.

# FEELING HEALING + SOUL HEALING

To heal one's self is to simply look to see what feelings we are refusing to let ourself feel, and accept them instead of denying them. And to fully accept them, one needs to express them, speak about them, let them have their say, rather than pushing them aside, refusing to let them make you feel bad.

Doing this all with the intention of seeking the truth of why you are feeling them, of speaking about and expressing all such feelings; all feelings you have, but ALL WITH the INTENTION of UNCOVERING the TRUTH THEY WANT YOU TO SEE ABOUT YOURSELF. And it's the wanting to see the truth of them that is very important, because if you just look to accept them and speak and express them, but not seek their truth, then that's all you'll be doing, speaking and expressing them, but not healing their causes, so not fixing the things within you that are making you feel bad. And it's the truth part of it, seeking the truth of your feelings, and so, seeking the truth through your feelings, that's vitally important. It's the truth of yourself, life, nature and God, that is the spiritual aspect to it all.

You CAN'T find the truth of yourself, or anything else, through and with only your mind. You HAVE to engage and look to your feelings. And so if you choose to allow your feelings to 'Show You the Way', then the truth will come as you express them. So to do our Soul-Healing consists of these steps, all of which are ongoing until it's done:

- **Admit you are feeling bad.**
- **Accept your bad feelings, identify what they are.**
- **Honour fully your bad feelings by expressing them, speaking about them to someone who is willing to hear you talk about them, or tell them out loud to our Heavenly Parents. Long for the truth of them. Long for the truth of why you feel bad – what deep within you is causing your bad feelings?**
- **And remember, bad feelings are Good! Not bad. They are not to be despised. And as hard as it is to accept them, they are still you, and a very real part of you. And if you persist in denying them and not allowing yourself to fully live them, then you are only going to keep yourself in your errors making things harder for yourself.**
- **All sickness and suffering, all bad things that happen to you, all your problems, all your addictions – your whole feeling-denying and untrue life, is all caused by your denial of bad feelings.**
- **Every problem in the world is brought about because everyone has been brought up to deny feelings, and in particular, most of their bad ones.**

If one is intent on spiritually evolving and growing in truth, then it's vital, and this is the key, that one looks to use one's feelings as the means to gain and have access to the truth of oneself. You CAN'T find the truth of yourself or anything else through and with only your mind. You HAVE to engage and look to your feelings. And so if you choose to allow your feelings to 'Show You the Way', then the truth will come as you express them.

Doing your Soul-Healing with the Divine Love, is really doing your 'Feeling-Healing'. We are designed — created — to be self-revealing of truth, and so we are all to uncover the truth within ourselves and for ourselves, and all being done by living true to our feelings. **If you accept, express and seek the truth of your feelings, then truth will come to you, and you'll grow spiritually. It's as easy as that. Also it is as easy as it is to long for, ask for and receive Divine Love.**

THE HEALING OF YOUR BAD FEELINGS THROUGH THEIR ACCEPTANCE  
AND FINDING THE TRUTH OF THEM, IS THE ACCEPTANCE OF YOUR  
NEGATIVE, REBELLIOUS, EVIL, IMPERFECT MIND AND WILL CONDITION.

To do our feeling-healing we need to become:

Aware of – Acknowledge – and Admit, our bad feelings.

So we can:

Accept – them and allow ourselves to Be them.

And then if we feel to, take:

Action – Express, speak and emote them.

Talk about them.

All being done whilst longing to, really wanting to, see the TRUTH of our feelings.

So it sounds simple.

So I repeat:

We accept our bad feelings by expressing – speaking about them to someone willing to listen to us and take us seriously. And as we speak we long for the truth of them – why we are feeling them – to be made known to us. And when we uncover and see the truth we are FREE! – healed of the causes that have made us feel bad.

Accept, Express – see the Truth, and you're Free!

ACCEPTANCE OF ALL YOU FEEL, THINK AND ARE, IS THE KEY TO DOING  
YOUR HEALING; THAT, AND WANTING TO SEE THE TRUTH OF ALL YOU  
FEEL, THINK AND ARE.

**Release one's pain through expressing one's feelings.**

**in conjunction with**

**Longing for the Truth when also longing for Divine Love.**

# REVELATIONS

**Revelation 1:** Our soul becomes encrusted with harmful ways of life, plus negative and erroneous beliefs, these mainly stem from our childhood upbringing and environment. Thus we live untrue to ourselves, we become 'evil'. Whilst we hold to these injuries we limit the amount of Love that we can receive into our soul. To open our soul to the Love we must firstly and progressively feel into our emotional injuries and allow them to be released. Until we emotionally experience past errors and injuries we hold onto them.

To free our soul of damage and toxic emotions we must open ourselves to experiencing them. This is a progressive, slow and uncomfortable cleansing process that we must all experience. Only by addressing the generational injuries will we, as humanity, evolve in love.

To fully divest one's self of our badness, we have to 'go into' our feelings. Call this process of clearing toxic emotions as 'Letting Go', 'Emotional Processing', 'Journey Process' or 'Feeling Healing'. Embracing Divine Love then Feeling Healing becomes Soul Healing.

As part of our Feeling-Healing we will have to work our way into all our feelings to see if indeed they are coming truly from our heart and soul, or if they are being heavily influenced by our mind. And this will then lead us into questioning and uncovering the truth, if there is any, to our beliefs and why we behave the way we do; and is such behaviour based on truth, or is it based once again on untruth, belief, and rules of our mind.

**Revelation 2:** We can long for, ask for and receive the Mother and Father's Divine Love. The greater our soul is free of error and injury, the more of the Divine Love can be received and assimilated into our natural love formed soul. The Love does not free us of injury, however, it strengthens our resolve to continue on our journey to be free of error and injury, to step away from evil aspects that have been encapsulated within our humanness and soul. It is this Love, the Divine Love, that brings about immortality of our soul and it is this Love that will eventually fit us to enter the Celestial Heavens and progress for ever more onwards to Paradise. These two revelations free us from error and enable us to grow in love ever more.

**Immortality with the Love.**

# Steps UP!

## Quantum Jump 1

**REVELATION 1**  
James Padgett 1914 – 1923

James Padgett bravely introduced the availability of the Mother and Father's Divine Love and a great deal of additional guidance and information, all of which has been supplemented by Samuels, Judas, Reid and Arnold. All writers were under restrictions of personality and circumstances. Revelation 1 opened the door for humanity.

## Quantum Jump 2

**REVELATION 2**  
Marion and James Moncrief 2002  
– ongoing

Marion and James Moncrief have recognised the need for one to engage in Feeling Healing and, by their actions, removed restrictions that James Padgett and others above endured, thus JM is able to critique the writings of the past 100 years resolving points of confusion as well as expand on what has been written. Revelation 2 is humanity's turning point.

Due to the extra-ordinary nature of Revelations 1 and 2, humanity with the first Revelation would have continued on into its negative pathway of living, however, combining the first Revelation with Revelation two, now humanity can embrace this turning point and commence its evolutionary growth that has required two thousand years to put in place. This is the greatest event in the history of humanity and very few are aware of such, until we enable others to become aware.

**END to the REBELLION and DEFAULT – 31 January 2018:**

31 January 2018: Nanna Beth: Yes John, very good news we want to pass onto you for your records. Earth and the seven associated Mansion Worlds (including the two Earth planes) are **officially** now fully under the control of Celestial spirits. And this means John, that Earth is now ‘Ours’. It’s been a long time coming, but it’s a huge milestone and marks a tangible and real end to the Rebellion and Default. It’s one of a number of ‘End’s’ that are to occur.

With the departure of the Caligastias and Daligastias some years ago, humanity has been in a state a limbo so far as who is doing what with it, it not being allowed to be left alone so it could do whatever it liked, it always needing to have a spirit connection. With the mind spirits, as we’ve told you, basically calling the shots still happy to ignorantly carry out C&D’s plans. But now with our systematic and progressive take over, we’re now in complete control.

And what that means is we have our fingers in every pie and we’re on the case so far as what everyone is doing. However it doesn’t mean we’re taking over and telling humanity what to do and how to be, although we are able to work more with certain individuals directly and indirectly helping to move or point or orientate (depending on how you want to look at it) individuals, groups of people, whole societies, the whole world, according to the plans given to us by the Melchizedek Receivers.

So humanity will still carry on outworking it’s unloving, untrue and rebellious state, that has to be worked through to its natural conclusion, however we want you to understand and just know that it’s another end of things and beginning of the new. And it’s basically what we’ve been working with you in connection with James this past year to achieve. There is a lot more to it and how and why it’s been done, and done as it has been done, however you can find out about all of that when you come over.

So we Celestials will guide humanity now according to what our Mother and Father want, so humanity’s got a real tangible safety-net under it now, so no more ‘downside risk’, it all being to move it toward doing its Healing.

I’ll speak again soon – love Nanna Beth.

**The BEAUTIFUL MIRACLE:**

5 Oct 2012

**The DIVINE UNIVERSE**

The way in which the Spirit conveys the Divine Love into the soul is a beautiful miracle. The attribute of mortal soul prior to incarnation has to it, a potential within it that is part of its formed nature. After the soul incarnates this potential remains part of the soul and even if the forming personality is unaware of such a soul potential, the potential still exists. The Divine Love is entirely suitable in its energy of harmony to be the energy that a mortal soul can utilise. The Spirit covers the spirit body when the individual sincerely asks the Soul of God for the Divine Love and this covering of the spirit body is where the dynamic of this beautiful miracle takes place. From the internal longing of the individual for the Divine Love this activates the Spirit Law that activates the Spirit that is then attracted to the spirit body upon which the Spirit material of the spirit body draws the Divine Love in to its soul and this union complete. The key here is to gain a perceptive insight into realising that the spirit body is not an inert body but that it is living and has activity, recognisable from its first forming from the Spirit Law that materialises a spirit body. The Spirit and the spirit body to give an analogy are like two attracting magnets and when the surface of the spirit body is touched by the Spirit, this causes the automatic response of the Divine Love to permeate into the attribute of soul and so begins the transformation of energy from the natural into the Immortal Divine Harmony. If the individual continues the receipt of Divine Love the energy that is Divine Love actively begins to change the soul and this is felt in the spirit body systems and can produce feelings of love and elation. The spirit-mind begins to change as all spirit body systems are affected by the changed condition now experienced in the soul as the soul becomes living and vital. In one's progression of this Divine transformation, the soul will mature enough from the amount of Divine energy it receives and at that moment the surface of the spirit body and the Spirit are continuously attracted to each other and one is living in the presence of our Mother and Father in perfect harmony and this clarifies the truth about what it means to be truly at-one with God.

**SHINING TOWARD SPIRIT:**  
**665. The Shining toward Truth**

Vol III, p. 157, 14 Nov 2014 – 14 Mar 2015 Zara and Nicholas  
[www.lulu.com](http://www.lulu.com)

It is I Matthew, a teacher of the Divine Love. I have communicated with you recently, now I desire to provide you with a visual description of the Love.

Imagine a continuous Energy shining light blue that is unbroken with a seamless surface that surround every mortal and Immortal spirit. Imagine if you were to become aware that this energetic field of light-blue Energy existed in its shining radiance just near where you are. Now that you are aware that this unbroken Divine Love is unified energetic field of living Love, by opening toward the Soul of God and aspiring for the Divine Love, the Acting Spirit gently brings a small portion of this shining blue Energy into your soul

The Divine Love that you have received remains part of this great Energy that the Divine Love is and even though this small portion of Divine Love, now within your soul, in its shining radiance and energetic cause, it is never separated from the continuous energetic field of Energy that the Divine Love is. Having partaken of this Energy it is with perception that one is aware that the Divine Love within one's soul is the same Divine Love that every person and spirit who has partaken of this Love, participates with. Even though in our individuality we partake of this Divine Energy, this Love is never broken away from the Source and Origin from which this Divine Love emanates.

The Divine Love is bestowed into our finite soul by the Acting Spirit, but this Spirit remains in contact with our spirit body and does not enter the finite soul to become part of our finite soul essence that we are. No mortal or Immortal spirit can manifest in their soul the Acting Spirit so that this Spirit – this Holy Spirit – becomes part of our existing finite spirit body. Only the Divine Love and its Energy becomes part of our finite soul, which causes the change to our spirit body. The Acting Spirit always remains its own attribute and never does a Celestial spirit claim ownership or take possession of the Acting Spirit within their soul. (The Holy Spirit / Acting Spirit is an instrument of the Source Soul, our Father.)

This is one of the wonderful Truths by which we who have been transformed by the Divine Love understand our personal relationship with our Mother and Father's ever-present Acting Spirit. The shining Energy of Divine Love is all around us and when we have partaken of this Love, part of our finite nature becomes independently shining in this true perfect Love.

I provide these words that may appeal to those who are visual and to express the universal appearance of the Divine Love and the personal touch when in contact with the Acting Spirit.

Matthew (Apostle)

**Whilst we are receiving our Heavenly Parents' Divine Love, and that this Love is causing change within our soul and spirit attributes, the greatest Truth known to man and spirit is that this is the way our Mother and Father are actually loving us! When we progress, it is God's way of loving us into love and then we live what we are, love.**

**EXPONENTIAL PROGRESS:**

While we remain self-reliant and unaware of the availability of the Mother’s and Father’s Love, which brings about the changes to our natural love structured soul to that which is Divine, our possible progress in development to purification of our soul is that of snail’s pace.

As our soul becomes encrusted in error and damages from childhood events, our soul becomes diminished and dark.

Our progress in development can take 100’s of years, centuries upon centuries, without embracing the Love and our Feeling Healing.

The Love with Feeling Healing is the only thing that washes away our erroneous beliefs, our harmful emotions, and the stains encrusted on our soul from the harm that we endured in childhood.

It is with this Love and Healing that errors are removed thus resolving compensation requirements, as the damage to our soul is no longer existent.

Instead of growing at a snails pace, our development starts to power along, developing exponentially as we receive more and more of the Divine Love.

There is no greater gift in the universe than the availability of the Love. As we become more or more dependent upon the Love of our Parents our quality of life expands into wondrous beauty.

The grace of our Parents through this Love is the gift that was made available to us in the 1<sup>st</sup> century and is now being taught to us again since the 20<sup>th</sup> century.

Receiving Divine Love into our soul enables us to grow beyond the natural spheres and further towards Paradise.

By asking for and receiving the Love we can grow exponentially.

Should we embrace Feeling Healing then our progress can rapidly be advanced.

Soul progress from within the 1<sup>st</sup> sphere in a natural love state and orientation is very tedious and sluggish.

Soul expression within the Spheres of Disharmony – hells.

## **CLEANSING the SOUL:**

**Years and years of personal endeavours to step away or above harmful habits and personality traits that are harmful to others and one's self have been mainly futile. We all want to grow in our love for ourself and of others.**

**Our beautiful loving personality that we are blessed with at conception / incarnation becomes encrusted with errors and personality issues of those around us, particularly during our early childhood. The personality of those living around us, during our early years, becomes encrusted over our pristine soul thus clouding our radiance into dullness. We become mind controlled!**

**Our Heavenly Parents want what is actually best for each of us and there is a source of light that's willing to give it to each of us, but only at our soul and spirit's quest for union with the divine. Not our ego's need for things.**

**It is only with our Feeling Healing and the infusion of the Love, that the Mother and Father conveys via the Holy Spirit, do we start to dissolve negative issues, habits and personality errors from our soul and personality. Our personality is part of our soul structure.**

**All we need do is ASK for this Love. An earnest longing and desire for the Mother and Father's love will never be withheld, it will shower over our spirit body, the template of our physical body, and be absorbed into our soul. As the Love permeates through our soul, errors of personality will slowly but surely dissolve.**

**Over time, as we progress along our path of asking for and receiving this love, the natural love which we were blessed with prior to conception will be progressively transformed into Love that is Divine. This Divine Love will slowly emerge as radiance through our being.**

**With Feeling Healing and this Love we find harmful habits and personality traits become a distant memory. With this Love, we find ourselves unable to harm others or ourselves. With this Love we find our quality of life blossom and joy starts to emerge in all aspects of our living.**

**With this Love we become immortal. With this Love we become fitted for the Heavens that the Mother and Father have prepared for us all. Just ask and faith, love, and happiness will follow. Yes, just ask!**

## **DIVINE LOVE HARMONY:**

**Immortal harmony:**

**Transformation of the soul is a beautiful harmonious gradual awakening.**

**In a gradual way with the Divine Love and Feeling Healing, as changes in the soul and spirit body occur, these changes will result in the personality slowly accepting the source of these changes as being the Soul God and with the independent will, one can have complete acceptance of our Heavenly Parents, Mother and Father, God.**

**People have loved God and felt loved by God and they have in deed received the Divine Love without ever knowing the truthful identity of this Love insofar as the truths relating with its causality in the human soul and affect upon the spirit-mind.**

**Part of the nature of the Divine Love in our souls is that it activates our spirit body systems and soul so that the nature of God is seen and experienced in the living and this places us in touch with the many Spirit attributes that extend from God and have their existence in God, such as our Indwelling Spirit. God no longer remains inactive to us; inert, inanimate, or an unknown but rather a Soul of living energy whose energy in the harmonies of Love and Spirit, is personified as love that we experience. If I can convey the essence about the nature of Divine Love it is that in its energy, exists the harmony and potential so that one can see the potential that this Love brings to bridge the gap of separation between the individual and God by the harmonies of soulfully living.**

**The Divine Love completes the form of the human being.**

**In essence, one need only direct their soul and the heart of their soul to our Heavenly Parents, the Soul being God, and in this faith one can experience the Love by humbly asking for this Love. This is all that is needed and the touchstone upon the Love's approachable nature.**

**The Love is never harmful or given by God that results in a caused effect of disharmony in the individual. The diversity of human individuality is a great characteristic of human nature and as with experience, one needs experience to ascertain a truth about a certain thing. Experiencing the Love provides a substantiated knowing from which a more objective reasoning follows and a maturity happens.**

PROCESS of FORGIVENESS  
PROCESS of FORGIVENESS  
PROCESS of FORGIVENESS  
PROCESS of FORGIVENESS

is also the PROCESS of REMOVING HARMFUL EMOTIONS  
is also the PROCESS of HEALING BODIES Physical Spiritual  
is also the PROCESS of SOUL GROWTH with the LOVE  
is also the PROCESS of CLEANSING the SOUL

Our Heavenly Parents send the Holy Spirit, the Spirit, to those who long for and ask for Their Love and assistance. All you need do is ASK!

“The New Birth is the flowing of the Spirit of God into your soul and the disappearing of all that tends to turn your heart from the truth and Love of God in conjunction to doing one’s Feeling Healing.”

“The Holy Spirit is God’s messenger or instrument that carries into the soul the Divine Love that is bestowed on the truly penitent man.”

“The Holy Spirit when the penitent prays for the Love the Holy Spirit will respond and fulfil the work that the Mother and Father has provided it to do.”

“The only thing that saves a man from their sins / errors and reconciles them to the Mother and Father is that they must become conscious of God’s Truths and receive the Holy Spirit into their souls.”

Continuing with one’s longing for Truth and asking for our Parents’ Love enables progressive removal of emotional errors and injuries that then lead to the removal of core emotional damage, and then, subsequently, the progressive filling and expansion of one’s own soul. Removal of these soul injuries through Feeling Healing also leads to the removal of damage to one’s spirit body and the restoration of one’s health.

It is only by the infusion of this Love while longing for Truth within one’s soul in sufficient quantities does one become fitted to enter the Celestial Heavens.

Soul development, with the Love, can take a soul from being a dried up garden pea to that of a simple candle, and then onto that of a blazing sun!

**The LOVE that brings about FORGIVENESS:**

This Divine Love, and by this I mean the only way through which salvation can be obtained, can enter and fill the soul through the sincere longing of the soul to assuage the thirst for at-onement with the Father through prayer.

Revelation 17 – November 12th, 1960 – Jesus

**The only way for man to achieve forgiveness of sins is through the obtaining of the Divine Love or through purification of the natural love, a long and tedious process that fits the individual soul for a place in the Sixth Sphere.**

Revelation 50 – October 18th, 1954 – Jesus

Divine Love fits a personality to enter the Celestial Heavens, way above the 6<sup>th</sup> Sphere. Without this Love, man cannot enter the Heavens. It is this Divine Love that brings about immortality for man.

**Immortality with the Love.**

## Everything is Simple.

<http://new-birth.net/contemporary-messages/messages-sorted-year/messages-2015-and-2016/everything-is-simple-wv-2-january-2015/>

Antwerp. Received by WV.

January 2nd, 2015

Hello again my friend. I want to start this message with a very important statement that: “Everything is simple.”

When we give you information we will do it in such a manner it will build up to something. We first had to iterate the concept of will and free will; the fact they are different and located one in the soul, the other in the (spirit and physical) mind, so you (and others) grasped this basic concept.

Now, everything has a cohesive structure based on simple logic which even a physical brain – working on only 10% of its capacity – can easily understand. [Laughs.]

*(I didn't know you were a funny guy.)*

There is so much you don't know about me yet. [Laughs again.]

If we want to help others unleash their own powers we have to spoon feed all this information so the mind gets the time it needs to expand (or unblock) itself. It is good to talk about and investigate the true potential of the human mind because it will help this world to evolve and become the place it needs to be.

If your soul expands, your mind will follow. And especially as a human being (because of the inferior quality of the physical mind) it is important to learn to open up (your mind) so it can reap from the expansion of your soul. Wouldn't it be a pity to have a soul bursting with knowledge but having no ability to share its information with others? And although the information we share might not always seem to be directly linked to the Divine Love, it will always be the hidden or missing link.

Everything we do is to help others grow closer to Father and that is something you should remind yourself of all the time; especially at times when you don't know where this or that information is leading to.

It is very important that we (humans) use every resource at our disposal. Things will go much faster and easier than when we only use one way to accomplish something (because the odds to succeed will be much higher). This way all flaws can be ‘attacked’ as well by the mind as by the soul and it is the reason why progression for soul searchers (or Divine Love obtainers) can be much easier or more rapid: because we have the advantage of understanding this duality.

To gain access to the spheres of the soul (the celestial spheres) you have to become a perfect natural man (again). To become the perfect natural man you have to obtain (natural) harmony in soul and mind again. And although the Divine and natural love within the soul will help establish this harmony it is still the call of the mind and its free will to let the soul help it (to regain that harmony) or not.

*(Well... I believe Divine Love is sufficient to help us become inhabitants of the celestial spheres. On the other hand I also have the feeling it is not completely so or at least that there is something else I can't seem to be able to put my finger on.)*

Yes, of course Divine Love (by itself) is powerful enough to ascend all flaws; but the problem is people's faith. Many (including you) say they have faith but there is a big difference between having faith and saying you have faith. Most of the time people put conditions on things; even their faith. If people should (really) have total faith and act according to what their soul tells them – whether it is rational or not – then everything we say about the mind and the natural love would be irrelevant because the mind would be subordinate to the soul. But it is because people do not possess such faith (and their souls are subordinate to their minds) that it is very important for us to give them the necessary tools to get their minds back in harmony so (real) faith has a chance to step up and lead the way.

*(What do you mean with putting conditions on things?)*

That people do not do the things Father really wants. They do the things they “think“ Father wants and also hope to receive a reward for them. And although they will reap benefits from every loving act they do, they will never receive what they truly need because of their own expectations and limitations. If you give conditionally, you will only receive conditionally; and you will not see (nor receive) all the rest of the benefits that come your way. But when you give unconditionally, you will receive unconditionally: meaning you will put no limitations or expectations on what you give so there will be no limitations on what will come back to you; and anything (you really need) has the ability to come your way because you are not focused on receiving something back.

Many believe they have “faith” but instead they only have “beliefs”. Faith is from the soul; it is knowing Father will do everything in His power to provide and leaving the what, when and where open for Him to fill in. Belief is from the mind; it is thinking you know what you need and filling in the what, when and where yourself. And the difficulty for most people in this whole process is: their minds block out the leads of their soul. That is why it is so important to bring the mind back into harmony.

This brings us to the point where we have repeated the difference between soul and mind, will and free will, etc. more than enough and we see and feel you are ready to receive more information on “emotions”. Don't worry. There is nothing complicated about it. You (and others) will see and embrace the simplicity of what we're about to convey.

Emotions are only the result of the presence or the absence of (the broad energy we call) love. This plain and simple sentence contains every bit of information you'll ever need to understand what emotions are. As I repeated so many times throughout the content of our previous messages: the soul is only capable of containing (the energy we call) love (with all of its sub categories).

So, with this in mind, if I would ask you whether the soul is able to hate, you'd say...

*(No, of course not.)*

Indeed, because hate is the result of...

*(The absence of love?)*

Correct. And it is the... that is capable of blocking the flow of love and act outside its scope.

*(The mind with its free will?)*

Well said. So hate is a product of the...

*(Mind.)*

Absolutely. Now, if I would ask you whether the soul is able to contain joy, you'd say...

*(Yes.)*

Because...

*(It is the result of the presence of the energy of love.)*

Perfect!

Now, I can already see you are thinking of the next question: "If negative emotions are the result of the absence of the energy of love, how come we can feel them?"

*(Since they are the result of the absence of energy.)"*

Because every act (or thought) creates an amount of energy; and it is that energy that will be translated into something physically and spiritually detectable or palpable. And when the mind makes the decision to act according to the rules of love, the energy of love will be able to flow and be present in this creation. But if the mind makes a decision to act not in accordance with the rules of love, only the energy created by the mind itself will be present and the absence of the energy of love will be felt; because the mind is capable of blocking the flow to and from the soul, thus acting outside the scope of love and creating energy lacking the energy of love: meaning unloving or negative energy.

*(But it is also capable of not blocking the energy of love.)*

Exactly.

*(So the mind is actually the trigger of emotions whether they are positive (loving) or not?)*

Definitely; the mind (with its free will) is the mechanism behind good and bad emotions and the soul can only contribute its energy of love when the mind acts in accordance with the laws of love; thus when it does not block the soul from its working. But the source of the energy for the positive or loving emotions is the soul (because they are accompanied by the energy of love) and the source of the energy for the negative emotions is the mind (because only the mind can create energy void of the energy of love).

So there you have your explanation. Nothing difficult about it and based on all the logic we gave you during our previous conversations. So you see it is true all our conversations will lead to something and

help you (and others) understand what you do not understand yet, even when you (or others) don't see the immediate use of one of our messages.

If you look at all this given information you will see it is based on the simple principle of duality which people do not embrace enough because they do not see its simplicity nor understand its true workings (in this case the presence or absence of love).

Duality is only possible because of the workings of free will. And if you look at this statement you will come to understand why we say people need to become ONE with Father and that (as we said in our previous messages) 'free will' will no longer exist in the soul spheres; because there are no longer TWO choices, only ONE: "God = Love = I".

Now you are starting to understand and see why we have told you before that everything is simple; that as long as people have not become ONE with Father, duality (= TWO choices = principle of free will) will exist.

There is still a lot to say and I can see you are very hungry for more so let me conclude with this last thing.

*(It's just that I can feel there is so much more detailed information underneath all these brief explanations that I would like to receive it all at once.)*

We know. But patience is required because the human mind needs to be able to process what we give. And if we do not build up this information the right way, essential things might get lost in the process and that wouldn't be good. That is why we are introducing the concept of duality now; so people will get a better understanding of its working and start using it to their advantage.

But I'm afraid I must stop now. Please stay open minded so we can keep on helping you (and others) to better understand these things.

With my love for you, John.

GEMS for ALL PEOPLE of all AGES to EMBRACE:

The GOLDEN AGE!

***Cause No Harm*** < to OTHERS  
to MYSELF

**Strive to love others as I am to love myself**

At any time, any where, and in any way you so please:

Approach our Heavenly Parents, in reverence, without fear or trepidation, just as we, as a child, approach our earthly parents knowing that open loving arms are extended to receive us at all times. As one's love grows for our Mother and Father in the Heavens, we come to know with absolute clarity and certainty that our Heavenly Parents, loves you and me and everyone in return, at all times, and that fear is an illusion created by man's mind.

God, who is our Heavenly Mother and Father, is almighty, all powerful, infinite, and all loving. The love of the Heavenly Parents for Their children, man, has been and is always infinite and ever present. As one's faith evolves, one's love for our Heavenly Parents will have no limit. As we grow in Their love, so will we grow in love for all of God's creations and our fellow man.

The Source Soul, our Heavenly Parents, simply desires for us to ask for Their Love.

God's Divine Love: Pray for it, ask for it, and receive it.

"I love you Father." "Let the Divine Love flow its energy into my soul."

"Mother, Father, I desire your Love and I am loving you."

"Soul God, I love you and I love receiving and experiencing your Divine Love."

"True Soul God, I am here, I am aware of your Love. Please hear my aspiration for your Love and as I approach you from my soul, I can feel your Love in the way that you are loving my soul."

"Please Father and Mother, may I receive Your LOVE."

Maybe we could simply long for and ask:

*Please, Mother and Father, I want some more of your Love!*

### Manifesto of Divine Love:

1. We love one another as Mary and Jesus, our spiritual parents, love us. And so we seek their Spirits of Truth.
2. Our all loving Heavenly Parents, our Mother and Father, we love and honour at all times.
3. We worship only our Mother and Father, God, and Creator of all things.
4. We treat our Creator's name with respect and love, and earnestly seek Their Divine Love, and at all times pray for It, ask for It, and receive It.
5. We set aside a regular day each week for Sabbath rest and worship of our Heavenly Parents, God, and seek Their Love so that we may grow closer to Their fountain head of Truth and Love.
6. We are to be as we feel, even if it's sinful, but in doing something that is not in alignment with God's Love and Truth will make us feel bad, that is provided we allow ourself to feel our bad feelings, and so we can then use our bad feelings to find out the truth of why we feel bad and why that thing we have done is bad. We embrace our Feeling Healing.
7. We strive to cause no harm to another, nor cause any harm to one's self. We do not do to others what we would not have them to do to us. We treat our fellow human beings and all living things, and the world in general with love, honesty, faithfulness and respect. Violence, at any times, is never justified. Golden Rule: that one must always honour another's will as one honours one's own.
8. At all times in our intimate relationships we strive to express and live true to all our feelings, all so we can use our feelings to uncover the truth they are trying to show. The truth of ourselves, of our relationships, and the truth of everything else, including God.
9. We do not covet or steal anything that does not belong to us. Honesty in all communications, actions, undertakings and activities in all facets of life is our rule of life.
10. In all that we do, we are to be truthful. We are non-judgemental, for none of us have the capacity or authority to judge another. We are always ready to forgive all wrongdoing.
11. We do not desire anything or anyone that does not belong to us. Comparing oneself to others and longing to have what they have leads to errors. We are to be content by focusing on the blessings our Heavenly Parents, who made us in Their soul's image, provides for us.

## ***DIVINE LOVE – what does it do?***

**Divine Love, which is a substance, progressively:**

**Transforms one's soul from that which is of natural love to that which is Divine**

**As natural love is enhanced with the Parent's Love, we reject our tendency to error**

**Divine Love, our Parent's Love, restrains errors, untruths and emotional stress**

**As we reject the condition to error, we develop our love for our brothers and sisters**

**Divine Love helps one with the discovery of truth through one's soul-feeling healing**

**Our natural intelligence grows, perceptions rise with our soul intelligent feelings**

**As Law of Compensation is resolved, the Love reduces returning to being in error**

**Receipt of Divine Love, the Parent's Love, grows our faith, we become God reliant**

**As our faith grows our propensity to undertake one's Feeling Healing strengthens**

**With the Love, our Feeling Healing becomes Soul Healing, this we are to undertake**

**Without the Love we remain self reliant and dependent upon our own will power**

**Only with the Love will our soul condition grow rapidly, all around us also benefit**

**The Love is the only substance that changes the human soul to that which is Divine**

**Only by asking and receiving Love do we become fitted to enter Celestial Heavens**

**Only by asking for and receiving the Divine Love does our soul become immortal.**

**What is Divine Love?**

**It is the Divine Love of God, our Heavenly Parents, restored to all mankind by the births of Jesus and Mary.**

**How do we get this Love?**

**By sincerely asking God, our Mother and Father, and receiving the Love that passes all understanding.**

**What happens then?**

**We are born again in spirit and in truth, our soul opened to the Soul of God, our Heavenly Parents.**

**What then do we know?**

**We know we are all children of God and want to pray always to our Heavenly Parents, always longing for Truth.**

**What is the purpose of Feeling Healing?**

**We are to seek the truth of our feelings and unburden ourselves from our childhood repression and injuries.**

**What of the world?**

**We are at peace in the world and fearless. In Divine Love and in Truth there is no fear.**

**What else?**

**We are to strive to love everyone unconditionally as our Heavenly Parents and as Mary and Jesus love us.**

## **The Only Prayer That Man Need Offer to the Father:**

(as given within the first century)  
I am here, Jesus

The **Prayer for Divine Love**

2 Dec 1916

<http://www.youtube.com/watch?v=Pg6p3rivAZw>

**P.438 Book of Truths through James Padgett / Jesus**

Let your prayer be as follows:

**Our Father, who art in heaven, we recognize that You are all Holy and loving and merciful, and that we are Your children, and not the subservient, sinful and depraved creatures that our teachers of old would have us believe. That we are the greatest of Your creation, and the most wonderful of all Your handiworks, and the objects of Your great soul's love and Tenderest care.**

**That Your will is that we become at one with You, and partake of Your great love which You have bestowed upon us through Your mercy and desire that we become, in truth, Your children, through love, and not through the sacrifice and death of any one of Your creatures.**

**We pray that You will open up our souls to the inflowing of Your love, and that then may come Your Holy Spirit to bring into our souls this, Your love in great abundance, until our souls shall be transformed into the very essence of Yourself; and that there may come to us faith--such faith as will cause us to realize that we are truly Your children and one with You in very substance and not in image only.**

**Let us have such faith as will cause us to know that You are our Father, and the bestower of every good and perfect gift, and that only we, ourselves, can prevent Your love changing us from the mortal to the immortal.**

**Let us never cease to realize that Your love is waiting for each and all of us, and that when we come to You, in faith and earnest aspiration, Your love will never be with-held from us.**

**Keep us in the shadow of Your love every hour and moment of our lives, and help us to overcome all temptations of the flesh, and the influence of the powers of the evil ones, which so constantly surround us and endeavour to turn our thoughts away from You to the pleasures and allurements of this world.**

**We thank You for Your love and the privilege of receiving it, and we believe that You are our Father --the loving Father who smiles upon us in our weakness, and is always ready to help us and take us to Your arms of love.**

**We pray this with all the earnestness and longings of our souls, and trusting in Your love, give You all the glory and honour and love that our finite souls can give.**

**Amen**

**FEELING HEALING and SOUL HEALING with the DIVINE LOVE:****James Moncrief Publications:****all publications are free downloads:**<http://divinelovesp.weebly.com/my-free-books-and-free-padgett-messages.html>

It is suggested for one to consider reading as follows:

**Speaking with Mary Magdalene and Jesus – books 1 – 4**

These four books encapsulate the second of the revelations with the first having been introduced by James Padgett one hundred years previously. These four books provide a wide range of guidance that has never previously been made available.

**Paul – City of Light**

As a gentle intro into the Divine Love and Healing; being James Moncrief's first novel and it's been criticised as being too heavily clichéd, but that's the point because it's a reflection of how he was back then.

**Ann and Terry**

For an example of people who might want to immediately start working on themselves and doing their Healing.

**Feeling Bad? Bad Feelings are GOOD**

For more understanding about our denial of our feelings and why we should not deny our feelings, and it includes how it all came about for James, using himself as an example.

**Feeling bad will make you feel BETTER – Eventually!**

This includes specific examples of Marion and James working on expressing particular bad feelings, again with the hope that it will help others gain something of an idea as to what's involved in doing your Feeling Healing.

**Sage – and the Healing Angels of Light**

Through Sage who's 13 years old, the story is primarily about the two aspects of healing; that being, with the help of our angels, and the full Healing we can do by looking to our feelings for their truth.

**Religion of Feelings  
Feeling Healing**

**Welcome to LOVE – the Religion of Feelings  
you can heal yourself through your feelings**

So these books, including the four Speaking with Mary Magdalene and Jesus books, provide the essence of it all and are examples of James' work. Then it's up to whatever takes one's fancy. Other reading to consider may include:

**The Padgett Messages being published as:****The True Gospel Revealed Anew by Jesus volumes 1 – 4****Book of Truths by Joseph Babinsky****The Urantia Book**

**Release one's pain through expressing one's feelings.**

**in conjunction with**

**Longing for the Truth when also longing for Divine Love.**

**FEELING HEALING with DIVINE LOVE is SOUL HEALING:**

*A collection of 'papers' that draw together specific topics including all of the above and more from other sources of information and revelation designed to help increase one's awareness about why we have the problems we do and how to heal them, all whilst living a more healthy and sustainable life. They provide a brief snapshot of the more complicated topics and issues.*

**Firstly, consider discovering the truth of your emotional pain through Feeling Healing.  
Secondly, consider longing for our Heavenly Parents' Love as you progress with your healing.  
Primary and most important readings are the writings of James Moncrief.  
Then consider the Padgett Messages, and then The Urantia Book.**

Strive to love others as I am to love myself

To liberate one's real self, one's will, driven by one's soul, moves one to embrace Feeling Healing so as to clear emotional injuries and errors. With the Divine Love, then one is also Soul Healing.
