World Peace and Harmony

This time, in the history of humanity, is the most exciting time ever experienced.

The GREATEST GIFT for the entire UNIVERSE:

Never in the history of humanity has there been such an exciting time. Never before has humanity had the teachings that can be shared with each and every single person on the planet, no matter what their particular faith may be or not be, with out fear or favour, that can be embraced by every single person without having or needing to make any public declaration or change to their particular religion or life practices, and yet grow in love and in harmony with the Source Soul.

It is this simple:

Please Mother and Father, may I receive your Love!

With a soul longing, one's soul condition will grow in love and those aspects of one's nature that may have lead to one causing harm to another or to one's self will steadily melt away.

Please Mother and Father, I want some more!

As we receive this Love, our quality of life improves, our physical health becomes more vibrant and positive, those around us benefit from our peace of mind and vibrant soul dynamics.

Mother and Father, I love your Love!

As all the people around the world become aware of the Father's Divine Love, being now available for us, and begin to earnestly desire and ask for it, steadily the collective soul condition of all of the Earth's inhabitants will progress in their growth of love through Feeling Healing and step away from conflict and war.

Is it that simple? Yes! It is simple and true! We have free will, and therefore a will to respond to the Father's will, yet the Father will not impose His will upon us, so we ask. The Master teaches in Matthew 7:7 "Ask, and it shall be given you; seek, and ye shall find; knock, and it shall be opened unto you." (KJV) We simply ask and seek the Father's Divine Love to enter our soul.

This understanding was taught to us in the first century and by the latter phase of the second century all awareness of this understanding was almost lost to humanity. By the time of the completion of the Nicean Council in 325AD /CE, the only record remaining was and is:

Truly, truly, I say to you, If a man is not born again, he cannot see the kingdom of God. (John 3:3)

<http://www.studylight.org/bible/glt/john/3.html>

1 THERE was there a man of the Pharisees, named Nicodemus, a leader of the Jews; 2 He came at night to Jesus and said to him, Rabbi, we know that you are a teacher sent from God; for no man can do these miracles that you are doing, except God is with him. 3 Jesus answered and said to him, Truly, truly, I say to you, If a man is not born again, he cannot see the kingdom of God. 4 Nicodemus said to him, How can an old man be born again? can he enter again a second time into his mother's womb, and be born? 5 Jesus answered and said to him, Truly, truly, I say to you, If a man is not born of water and the Spirit, he cannot enter into the kingdom of God. 6 What is born of flesh is flesh; and what is born of the

Spirit is spirit. [7](#) Do not be surprised because I have told you that you all must be born again. [8](#) The wind blows where it pleases, and you hear its sound; but you do not know whence it comes and whither it goes; such is every man who is born of the Spirit. [9](#) Nicodemus answered and said to him, How can these things be? [10](#) Jesus answered and said to him, You are a teacher of Israel, and yet you do not understand these things? [11](#) Truly, truly, I say to you, We speak only what we know, and we testify only to what we have seen; and yet you do not accept our testimony. [12](#) If I have told you about earthly things and you do not believe, how then will you believe me, if I tell you about heavenly things?

George Lamsa Translation of the Peshitta Bible is adopted due to the research by Dr David R Hawkins that observed that the Lamsa version of the Bible calibrates on the Map of Consciousness as having the highest level of truth of all the versions of the Bible investigated. There are many practical reasons why Dr George Lamsa achieved this and one was that he was born and grew up in an Aramaic speaking community whose culture dated back to the first century, thus the language and customs of the time of Jesus were still known to the community in which Dr Lamsa grew up in.

Please Mother and Father, may I receive Your LOVE.

God's Divine Love: Pray for it, ask for it, and receive it.

For two thousand years, man has struggled to comprehend the sketchy and limited records from the first century. What is exciting for mankind is that these teachings from the first century now have been, and continue to be, corrected and expanded upon. Not only has the Master Teacher from the first century being able to bring to our attention such expanded teachings, the Master Teacher has the experience added to him of two thousands years of life experience and has the assistances of many, many spirit beings who have progressed into the Celestial Heavens as the result of their embracement of the Father's Love, the Divine Love. Those who have progressed into the Celestial Heavens join with the Master Teacher in assisting us to become aware of the availability of the Father's Love, how to ask for It and how to receive It.

Whereas humanity, in the first century, only had the assistance of one gentle man, we, all of humanity now have the assistance of the cumulative experience and development of many, many millions of humans that once resided on Earth, and now living in the various spheres of the Celestial Heavens to follow our inbuilt passions to join with the Father and discover the way to His Home.

Never has humanity in all of its long history ever had the availability of what is now ours to embrace. Never has there been the teachings available now in print that can be conveyed to every corner of the planet within seconds and without compromise in their copying. We now all have the opportunity to consider asking for and receiving the Love, the Father's Love which is the only way that humanity can develop in soul condition and step away from harm of others, conflict and wars.

This is the most exciting time in the entire history of the planet since the arrival of the first parents, Aman and Amon.

By living true to ourselves, true to our feelings, we are living true to God. It's that simple.

God is God, who is our Heavenly Mother and Father, being SoulMates. There is only one Soul that is God's Soul, that being the Soul of our Mother and Father. Our Heavenly Parents are the First Soulmates; The Two Who Are One who have brought us all into being.

Jesus and Mary are soulmates and a son and daughter of God.

Mary of Magdalene and Jesus of Nazareth, were both free of sin. Mary and Jesus, combined in their love for us, are our spiritual teachers and guidance for us to find our way home to our Heavenly Parents. Mary and Jesus have liberated their Spirits of Truth who we can long to for assistance and guidance. They are known as Jesus and Mary of Neadon, the universe system in which Earth is. They are the Creator Son and Daughter ruling this region.

To start this journey we are to liberate our souls from being entombed within our suppressive minds, through feeling and longing for the truth of our feelings via our soul and peel away our injuries incurred since our conception.

The Avonal pair, should they be here, are to support humanity on Earth exclusively. They are to continue the work of the Creator Pair, Mary and Jesus, and will be assisted by them. The Avonal pair will, during their life on Earth, experience the full Feeling Healing process and Soul Healing process so that through their Spirits of Truth, which they are to release upon their physical death, will be able to be called upon by all those who embrace their own Healing. The Earth names of the Avonal Pair may not become known.

Humanity, all being soulmate pairs, are ascending mortal souls who are to reach inward and progress Paradise-ward for the God experience. As part of our journey of evolving our souls we are to experience evil, that is the denial of God and the Creator Pair. We can long to the Spirits of Truth of Mary and Jesus and soon to the Spirits of Truth of the Avonal Pair. Our Indwelling Spirit is our direct connection to and with God.

WE ALL ARE BEING GUIDED HOME:

We need the Spirits of Truth of the Avonal Pair to Heal ourselves; then once Healed, (and for support (overshadowing) as well through your Healing), we need the Creator Pair, Mary Magdalene and Jesus' Spirits of Truth to see us through the Celestial spheres, while at all times embracing our Heavenly Mother and Father.

Until Mary and Jesus died and liberated their Spirits of Truth, no one from any of the worlds could leave Nebadon, because no one knew the way to do so. Nebadon is our local universe containing some 3.8 million inhabited physical worlds and their associated spirit worlds.

When we embrace the truths Mary and Jesus are revealing, and start to do our Feeling Healing, or with Divine Love, Soul Healing, we are then freeing ourselves up from our parental and self control.

Thus our journey to Paradise, to the home of our Heavenly Parents, is of our choosing as to when we progress, however, there is only one way:

HUM: Humanity is to ascend. We are self contained. Our soul is always in truth and perfect at all times. **By living true to ourself, true to our feelings, we are living true to God. It's that simple.**

We are to recognise that being engaged and dominated by our mind is the wrong way for us to evolve and grow in truth. We are to discard the mind enslavement that has been imposed upon as by all of our parents. We are to express our feelings, both good and bad and free ourselves of the indoctrination that humanity has embraced worldwide.

Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God's soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of our Mother and Father.

AVO: We are to embrace the truths and guidance of the Avonal Pair through their Spirits of Truth. It is the Avonal Pair's guidance that will lead us through our Feeling Healing, and with Divine Love, we will be able to ascend through the 7 spirit Mansion Worlds and enter the Celestial Heavens where we also interact with other world's spirits.

J&M: We are also to embrace the truths and guidance of the Paradise Pair, Mary and Jesus, who will then lead us through the 3 Celestial Heavens that are aligned with Earth, and then further on through Nebadon where we will then depart beyond on towards Paradise.

M&F: Beyond the universal zone of Nebadon, we will be guided by our Heavenly Mother and Father onwards through the universes to Paradise where we will be welcomed by them, home for us all, as we are all Children of God.

WE ARE Children of God

WE ALL ARE BEING GUIDED HOME – NOW, HOW TO COMMENCE THE JOURNEY:

GOD

M&F

For 200,000 years, we have been misled into embracing our mind's distortion of wisdom and truth. All such traditional understandings only lead us in the wrong direction, from which we must turn back from. Our soul based feelings are always in truth. Our minds are to follow our soul based truths and feelings, not the other way round, as we have been brought up to embrace.

We are to connect with our deeper repressed feelings.
We are to long for the truth of what we are feeling.
We are to live true to our selves; by living true to our feelings.

Use your surface day-to-day feelings to connect with your deeper repressed feelings. Express your surface feelings and your deeper repressed feelings to uncover the truth of yourself.

J&M

We all have feelings which we communicate and share with each other. And we all have deeper buried and hidden repressed feelings. Feelings from our early childhood we felt, yet weren't allowed to express. These feelings are still within us, waiting to have their say. These feelings, because they are repressed, cause us all our problems.

And as we look to uncover, bring out and accept these deeper feelings, so we're taken into new ways of looking at ourselves, our feelings, and our life. We're setting ourselves free of the controlling patterns that govern our unloving behaviour.

In this way, we progressively begin to express the personality that our Heavenly Mother and Father gave us, not the one imposed upon us by our physical parents and carers. We are to be our true and real selves.

By living true to ourself, true to our feelings, we are living true to God. It's that simple.

AVO

HUM

As we, humanity, long for the truth of our feelings, we can also be assisted by the Spirits of Truth of the Avonal Pair who are our spiritual teachers for Earth over this coming 1,000 years, to assist us through the Great U-Turn, away from mind dominance to being soul based feeling lead. They will assist us through the seven levels of the spirit Mansion Worlds.

Then the Creator Pair, Jesus and Mary, will lead us through Nebadon and into the greater universe. Then our Heavenly Mother and Father lead us home to Paradise.

WE ARE Children of God

Collectively, should we embrace them all, as we are to, then our pathway home is a journey in the hands of the Spirits of Truth of the Avonal and Paradise Pairs overseen by our Heavenly Parents.

HOW TO GET TO PARADISE:

Long for the Divine Love

Long for the Truth

Long for the truth of your feelings

Don't deny any feelings: accept, express and want to know the truth of them

Know your feelings are the key; your feelings are the Way

Want to end your falseness and being untrue

Want to understand the truth of your early life

Use your surface feelings to move deeper into yourself, bringing up your repressed feelings

Want and long to know the whole truth of yourself

Want to do it all with God, your Heavenly Mother and Father – long to Them for help.

The Key

Our longing drives our life. We long with feelings. We can wish for things using our mind, yet long for things with our heart. These things in the pyramid are what to long for. Longing for them, when the longing comes naturally. Longing because you feel you really want them. Long to be true with all your heart. Long to live true to your feelings. Long to understand the whole truth of yourself.

PARADISE TRINITY:

1. **Our MOTHER and FATHER (God) (MF) – Divine Love**
SOUL (God) – One SOUL that is expressing its two PERSONALITIES, our Heavenly Mother and Heavenly Father (Soulmates)
2. **ETERNAL SON (ES) – Divine Truth**
3. **INFINITE DAUGHTER (ID) – Divine Mind**

Then: The Second and Third Persons of the Paradise Trinity (ES and ID) are stepped down to the local universe trinity (Mary and Jesus, Divine Minister (DM), and her Holy Spirit.

The LOCAL UNIVERSE TRINITY:

1. **MARY M and JESUS (MF) – Love – the Living Truth**
2. **DIVINE MINISTER (ID) – Mind (and her Holy Spirit)**
3. **HUMANITY – Natural love, sons and Daughters – Truth, and our Angels – Mind**

PLANETS that engage in REBELLION:

1. **AVONAL SOULMATE PAIR – the Feeling Healing process – incarnate**
2. **DAYNAL – TEACHER PAIRS – they do not incarnate**

So in summary:

Consider a diamond:

Mother and Father Heavenly Parents

Creator Son & Daughter
Jesus and Mary

Avonals
as soulmate pairs

Trinity Teachers
as soulmate pairs

Melchizedeks – who have taken over from the Caligastians and Daligastians being also all as soulmate pairs.

Mortal Souls – human beings who individualise on Earth, then progress through the spirit Mansion Worlds, then into the Celestial Heavens, and beyond.

Mortal Souls – also being ascending spirits, upon completing their Soul Healing, join with their soulmate, then join their soul group of 24 mortal spirits, being 12 soul pairs. It is only as a soulgroup that anyone can progress beyond Nebadon.

The Paradise Pairs are all ONLY concerned with the SPIRITUAL wellbeing and upliftment of the planets and local universe. Currently to do with Earth:

Mary and Jesus – spiritual wellbeing and upliftment of the whole of Nebadon region.

Avonal Pair – Daynal pairs (Trinity Teacher Daughters and Sons) – Spiritual wellbeing and upliftment of individual planets and their associated Mansion Worlds.

The Local universal Sons and Daughters are all about the running of the worlds under their jurisdiction, and ensuring the higher spiritual elements can be employed, or sent astray, as in our cases through the Rebellion and Default.

Lanonandeks – Melchizedeks (and others, such as Life Carriers and Eve and Adam).

As the Lanonandeks all rebelled – the Lucifers, Satans, Caligastias and Daligastias soulmate pairs – so the Melchizedeks have taken over their roles, as well as doing their own.

So the Melchizedeks are the governors, overseers, the administrators and advisors and so on for Earth; they are the ‘controllers’, and they will instigate all that needs to be done to do with the ending of the Rebellion and Default. And they will enlist the willing help of ascending mortal pairs, so the mortal Celestials spirits (soulmates when available, and others waiting to unite with their partner), and at times mortal spirits in the Divine Love Healing Mansion Worlds. And the angels help all of us.

Currently the whole of Creation exists for the ascension of mortal souls from their earth planets to Paradise. It’s all one vast Grand Ascension Scheme. With all the higher and lower spiritual Daughters and Sons, together with all the many different angels and other universal spirit personalities, and even including nature and our very own pets, assisting women and men with their Ascension Journey. It being: and Ascension of Truth. Everything we do is done to help us grow in truth. (Only everything we do in our negative state is to deny ourselves our truth from our feelings, which is why we have to do our Healing.) All women and men are ascending (or growing) in truth through their experiences. And as we grow in truth by looking to our feelings to show us that truth, so we’re ascending, moving inwards and upwards through all the worlds and spheres of the Grand Universe to one day arrive on Paradise and meet our Heavenly Parents. God is providing us, Their children, with this spiritual journey called our Ascension of Truth. And by living true to our feelings, so we are progressing on our true Spiritual Path – our Ascension Path.

Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God’s soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of your Mother and Father.

TRUTH PATHWAY

MIND PATHWAY

Mother Father (MF – God)
Eternal Son (ES) Infinite Daughter (ID)
Mary & Jesus (MJ) Divine Minister (DM)
Humanity & Angels (HA)

Consider a diamond:

Humanity is to pursue the pathway for Truth through one’s soul based feelings, this is the right pathway. However, humanity commences its journey founded on natural love, which we now know is to be perfected through one’s Feeling Healing process and then made divine through asking for and receiving our Heavenly Parents’ Divine Love.

For 200,000 years, **humanity** has pursued the pathway of the Mind, being that of the brain, this is the wrong pathway. The Mind is the pathway for Angels and that of all of Nature.

CREATION of SOUL and SPIRIT:

God is *The Paradise Trinity* — the eternal Deity union of the Personalities: the Universal Mother and Father; the Eternal Son of Truth; and the Infinite Daughter Spirit of Mind.

The soul of each human personality (sons and daughters of truth) is existential, driving our personality expression in the experiential. The soul of each human finds truth by embracing one's feelings and longing for the truth of them. We are to attain the Eternal Son of Truth. We are a creation of Truth.

The soul of angels is experiential, evolving through their experience by continually progressing in mind development. Angels are to attain the Infinite Daughter (Spirit) of Mind. Angels are a creation of Mind. Our soul is duplex (we have a soulmate) and is created by our Heavenly Parents. Through our Feeling Healing we perfect ourselves enabling the union with our soulmate, as we progress in truth up through the Mansion Worlds, celestial heavens and all the way to Paradise.

Feeling Pathway

Mind Pathway

Soulmate Pair

Angel

The soul of angels is also duplex, yet of the mind, and they progress in mind evolution to Paradise. Animals, plants and nature spirits are also creations of Mind.

Neither we nor animals reincarnate. We never die; upon death, we move into the spirit Mansion Worlds on our journey to Paradise. When animals and plants die, be they the tiny microbe to the mighty elephants of the land and the whales of the ocean, their spirit energy returns to the Spirit Collective Energy. And from this energy are drawn other animals and the nature spirits, who then in turn move onto becoming angels through increasing mind experience.

Spirit Person

Nature Spirit

A nature spirit is an angel in waiting.

WE EACH have a Nature Spirit pair, Spirit Guide pair and an Angelic Pair:

For those doing their Healing or are interested in doing it will from that time have their own personal angels, spirit guides and nature spirits with them, with whom they are to develop their own relationships should they want to. It is not about ‘sharing’ the same angels or guides or nature spirits, it is about you relating specifically to your ‘own’ ones because they are provided for YOU. It’s all for you, to maximise the experiences we each need.

We are all to have our own pure relationships. And it’s the same of course in life with your friends, however over there, in spirit, dealing with Nature Spirits, Spirit Guides, and Angels, it’s more personal and private and ‘JUST FOR YOU’. So we have our own separate, unique relationships.

For example, Nature Spirit Verna has been assigned to be specifically and only with James, and she ain’t going to be assigned to anyone else, so she won’t be sharing herself around.

This is SO IMPORTANT to understand so that in future there won’t be all these people claiming to be speaking with Verna or Mary Magdalene or Jesus or Nanna Beth or anyone else who is part of it all in such capacity. Mary M and Jesus have spoken with James as they have, making it quite clear he is all they are speaking with.

We each have a band of a Nature Spirit pair, Spirit Guide pair, and an Angelic pair, each pair being in their soulmate relationship. Even though we are ascending mortals having a soulmate, even our soulmate has his or her own group of six personalities assisting him or her. Our assigned Nature Spirits do not continue with us into spirit, our Spirit Guides may for a time assist upon entry to the spirit Mansion Worlds, however, our Angelic pair continue with us for eternity.

Humanity that is above 500 on the Map of Consciousness scale is Feelings First orientated.

Conflict does not occur amongst these people. They engage with their soul based truths. Below 500 one is predominantly mind orientated!

Presently, humanity calibrates overall at around 212 and are engaged with their wayward controlling addicted minds. Through living feelings first with one's mind subordinated thereto, humanity will universally progress beyond conflict of any kind, particularly war.

Below 500 we have: ↓

SPIRITUAL REVELATIONS – FEELING HEALING with DIVINE LOVE:

Six hundred years before the coming of Jesus of Nazareth, there were several world teachers introducing progressive spiritual and loving teachings. After the time of Jesus, we waited six hundred more years before another world teacher delivered upon Earth a spiritual platform.

This has occurred again during the 1900's with the delivery of spiritual teachings that continues today.

These gifts for humanity started with messages successfully conveyed through James Padgett from 1914. Between 1914 and 1923 some two and half thousand messages were documented. A student of Padgett's messages, Dr Daniel Samuels, continued the work from 1954 to 1963. A student of both these works received the Judas Messages between 2001 and 2003. Students of all these works are now recording and publishing further expansive materials; both the Richard Messages and the Divine Universe were received during 2012 to 2013. Thus this program has been in progress for 101 years.

These are available mainly through	www.lulu.com

Currently, there are further supportive publications. As one investigates these revelations and develops their own soul condition then one can perceive further possibilities and the resulting questions lead to further development of the material. It is most apparent that these communications will continue to develop greater and more spiritual explanations. This first phase commenced on 31 May 1914 and ongoing.

By the middle of the second century, much of what Jesus of Nazareth taught was lost. Most importantly was the loss of his teachings regarding Divine Love, the Spirit Love, that **all** can receive should they so ask:

God's Divine Love, pray for it, ask for it, and receive it.

The experience of living with Divine Love is now the blessing of many. Those with this love have a burning desire to share their experience with others. This is what we will do.

“Never can one man do more for another man than by making it known of the availability of the Feeling Healing process with Divine Love.” JD

To liberate one's real self, one's will, being one's soul, is begun by embracing Feeling Healing, so as to clear emotional injuries and errors. With the Divine Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

WHAT DOES this AVAILABILITY of the LOVE MEAN?

Humanity's progress in development of soul condition by being dependent upon the natural love, by which we are all endowed with, and our self reliance and will power, has achieved very little progress for hundreds and thousands of years.

Dr David R Hawkins' research, by using kinesiology and his Map of Consciousness calibration, demonstrates that at the time just prior to the conception of Jesus of Nazareth, humanity calibrated over all at 100 on the Map of Consciousness. At the time of the completion of the full potential of Jesus' teaching and influence, culminating with the death of the last of the Apostles, humanity had risen to 182 on the Map of Consciousness, this being towards the end of the first century. The influence of the knowledge of Divine Love subsided during the second century and by 325AD little to no records remained of the teachings outlining this wonderful gift.

By the middle of the twentieth century, humanity was calibrating around 190 on the Map of Consciousness. Man had no knowledge of the availability of the Divine Love, even though a few from time to time became aware of its availability. No one for nearly 2,000 years has fully comprehended the gift in a manner so as to teach its availability to the general populous.

Throughout all human history, only Jesus of Nazareth has taught the availability of the Father's great gift, the Divine Love, how to ask for it and receive it and what it does for our individual souls. No one before him or after him has taught about the Love, the Divine Love that is conveyed to us by the Father's spirit, the Holy Spirit, which is an instrument of the Father.

Never has there been such need for a global embracing of the Love. Never has humanity had the capability of destroying itself with technologies that are incredibly destructive that it boggles the mind why they even exist. Whilst humanity has such an enormous ratio of its population calibrating under 200 on the Map of Consciousness and embracing a dominance of emotional man-made injuries that all lead to the propensity to cause harm to others and to one's self, the destruction of man on a global scale remains ever present.

Man-made emotions all calibrate below 200 on Dr David Hawkins' Map of Consciousness.

As man's soul condition develops, his enhanced love enables him to step above and away from harm forming emotions. It is no wonder that health carers, who generally calibrate over 500 on the Map of Consciousness, have incredibly constructive outcomes for those they assist. Those of humanity who have developed their soul condition so as to calibrate over 500 also cannot and will not take up a weapon to harm another.

Dr Hawkins' research indicates that humanity will evolve to calibrate around 450 – 470 towards the end of Aquarian cycle. This will see armies being totally focused on search and rescue functions with moderate defensive duties. He suggests this may require a further two thousand years. Nevertheless, this is only possible by developing a global awareness of the Love and the embracing of the Love by the vast majority of the population.

We can achieve this in three generations should we so desire. Never has the potential for humanity to advance in their growth of love ever been so great.

NATURAL LOVE BLENDS PERFECTLY WITH DIVINE LOVE:

Both are energies. Natural Love energy forms each soul and each individual soul is unique. Our personality, intelligence, memory, and humanistic characteristics are unique. It is our gift of free will that tends to enable us to error, however, it is the uniform nature of Divine Love and Feeling Healing that brings about our growth and release of man-made negativities.

Note: **The Map of Consciousness scale is from 1 to 1,000**
 The Map of Consciousness (MoC) table is based on the common log of 10. It is not a numeric table.
 A calibration increase of 1 point is in fact a 10 fold increase in energy.
 A calibration increase of 10 points is in fact a 10,000,000,000 fold increase in energy.
 Thus the energy differentials are in fact enormous!

MAP OF CONSCIOUSNESS

Map of Consciousness represents the emotional and spiritual fields within the kingdom of man which is Spheres 1 – 6.

Consciousness is soul condition, as one's soul condition improves, it expands in size as it grows in love.

The scale is exponential, grows at a factor of 10.

Man erroneous emotions are those calibrating 200 or lower.

Soul expands as it grows in love and condition.

There is no such thing as

ETERNAL DAMNATION

NATURAL LOVE or HUMANITY's ERRONEOUS EMOTIONS:

Your soul, being your real you, is an emotional being. Your soul, though a thought of God, does not possess anything of the divine within it. It existed in a state of bliss, in a natural love state, pending individualisation which is achieved at conception which is the time of incarnation. Your soul is endowed with natural love emotions noted within the top section of the Map of Consciousness scale, being those emotions calibrating above 200.

Humanity's erroneous emotions are those calibrating below 200 on the Map of Consciousness. The environment around a newly conceived child progressively degrades the condition of that child's soul. When the child reaches about the age of 7, the child's soul condition will reflect the parent's condition. These negative emotions are like a crust around the pure soul it has within.

PERSONALITY TRAITS:

Less than two dozen people on planet Earth.

Would not pick up a weapon let alone use it. These people gravitate to the health industry and humanitarian programs.

Debate and implement resolutions without argument and delay.

Debate and implement resolutions in due course.

Debate and implement resolutions with some degree of follow up generally needed.

Management supervision is generally necessary.

Politics become the hope for man's salvation.

Cause no harm to others starts to emerge. Power overrides force.

Illness is developed by those man erroneous emotions that calibrate 200 and lower.

Armies around the world function on pride. Force is now dominant, not power.

Harm of others prevails, self interest prevails.

Totally self reliant, not God reliant.

Fear dominates all motivation.

Suicide is possible and probable.

At these levels, seriously harming others for even trivial events appears to be justifiable.

Poverty, unemployment, illness, etc., this is living hell on Earth.

WILL or FREE WILL:

HOW can we LEARN about the LOVE?

Since the 31 May 1914, organised bands of spirit people from the Celestial Heavens have been conveying teachings to us. Any Divine Love truth based teachings calibrate on Dr David Hawkins' Map of Consciousness over 1,000. The process to calibrate any such writings, publications, teachings, etc., is simple. Kinesiology muscle testing of the works will readily produce a calibration within a few minutes that many can undertake and compare. Here are the main publications to date:

Divine Love based truths	calibrate over 1,000
Book of Truths (containing the Padgett Messages)	1,492.4
True Gospel Revealed anew by Jesus (Padgett Messages)	1,492.4
Revelations (Dr Daniel Samuels)	1,490
Judas of Kerioth	1,482.1
The Golden Leaf	1,480
Celestial Soul Condition	1,480
The Richard Messages	1,484
The Divine Universe	1,494.7
Shining Toward Spirit	1,484

Traveller and Destiny	1,485
James Moncrief 10 major publications average	1,490

Why are the calibrations over 1,000 when Hawkins' main table peaks at 1,000? Those who remain natural love dependent and also continue with being intellectually bound can progress to achieve the level of the perfected man, the condition at which the first parents, Aman and Amon, arrived on this planet with. At the level of 1,000 is also the peak of the 6th spirit world sphere being the home of the perfected man in the spirit worlds.

When one embraces Divine Love and becomes God reliant, then they can progress past the 6th spirit world sphere. Their soul progressively is transformed from the substance of natural love to the substance of Divine Love thus fitting them to enter the Celestial Heavens. The final transitional sphere in the spirit worlds is the 7th sphere. Progression from the 7th sphere to the 8th sphere is the step of progression into the Celestial Heavens. This progression is the 'new birth' that Jesus spoke to Nicodemus about as mentioned in the Gospel of John 3:3.

As we progress on our journey of receiving and recording messages from our Celestial friends through the various bands of teachers, all such bands being overseen by the Master of the Celestial Heavens, Jesus, we are able to recognise them not only by their very loving nature and incredible insights, but we can also reconfirm their integrity by calibrating same by reference to the Map of Consciousness.

These teachings will continue to be received for all time to come. There is no end to the Truths of Love that will come to us from the Celestial Heavens. Further, as you embrace these works you may find that questions that arise within your mind will be invariably answered inexplicitly through one of a handful of mediums that may at that particularly time be engaged in receiving these communications. This has been experienced many times.

For two thousand years, humanity has developed in soul condition so little that it is apparent that man being dependent upon its own will power will not develop in love without the embracement of the Father's Love and will remain in a condition teetering upon self destruction. Should all factions of humanity have made available to it of the teachings and availability of the Father's Love, not only will humanity step away from self destruction but quality of life and physical health will rise to levels not previously experienced in man's living history.

Whilst we are receiving our Heavenly Parents' Divine Love, and that this Love is causing change within our soul and spirit attributes, the greatest Truth known to man and spirit is that this is the way our Mother and Father are actually loving us! When we progress, it is God's way of loving us into love and then we live what we are, love.

Everything is Inter-connected

- Three Great Truths:**
- God is Soul, being our Heavenly Mother and Father;
 - that each individual soul is a duplex – both male and female;
 - and Feeling Healing with Divine Love is the pathway to Paradise.

Feeling Healing – Healing yourself through your feelings.

- ✓ **Your feelings are the real and true you.**
- ✓ **If you are denying any feelings you are denying yourself.**
- ✓ **If you are denying yourself you can't ever be truly happy.**
- ✓ **To heal all your pain and suffering, you can look to your feelings for why you are feeling bad.**
- ✓ **If you want to know the truth of yourself, then it's your feelings you will need to look to.**
- ✓ **Your feelings hold the hidden keys to unlocking the truth of who you really are.**
- ✓ **Uncover the truth of yourself through your feelings and you will know why you feel all you do.**
- ✓ **Everything in life, why all that happens to you does, and everything about yourself, can be explained to you through your feelings.**
- ✓ **Why your relationships might not be as good as you would like, why some might fail, you will understand through your feelings.**
- ✓ **How to live a good, true, happy and loving life will come to you as you start paying attention to all your feelings.**
- ✓ **However you will also have to pay attention to all your bad feelings, and this can be very harrowing.**
- ✓ **By honouring – accepting and then expressing all the bad feelings you feel, you will slowly bring to light all the reasons why you don't feel good.**
- ✓ **And as you liberate yourself from these hidden repressed bad feelings, so you will start to feel better and better about yourself.**
- ✓ **It's a process, and it can take time, years possibly, but all that's hard will eventually pass becoming good.**
- ✓ **Expressing all your feelings, and particularly your bad ones, whilst longing and really wanting to know the truth of why you're feeling them, is doing your Feeling Healing.**
- ✓ **You can Heal yourself through your feelings. And in fact, it's the only way to really heal yourself.**
- ✓ **And if you wish to do your Healing with God, you can also long for God's Divine Love.**
- ✓ **Feeling Healing – Using your feelings to heal yourself.**

DIVINE LOVE – what does it do?

Divine Love, which is a substance, progressively:

Transforms one's soul from that which is of natural love to that which is Divine

As natural love is enhanced with the Parent's Love, we reject our tendency to error

Divine Love, our Parent's Love, restrains errors, untruths and emotional stress

As we reject the condition to error, we develop our love for our brothers and sisters

Divine Love helps one with the discovery of truth through one's soul-feeling healing

Our natural intelligence grows, perceptions rise with our soul intelligent feelings

As Law of Compensation is resolved, the Love reduces returning to being in error

Receipt of Divine Love, the Parent's Love, grows our faith, we become God reliant

As our faith grows our propensity to undertake one's Feeling Healing strengthens

With the Love, our Feeling Healing becomes Soul Healing, this we are to undertake

Without the Love we remain self reliant and dependent upon our own will power

Only with the Love will our soul condition grow rapidly, all around us also benefit

The Love is the only substance that changes the human soul to that which is Divine

Only by asking and receiving Love do we become fitted to enter Celestial Heavens

Only by asking for and receiving the Divine Love does our soul become immortal.

DIVINE LOVE WAY or the NATURAL LOVE WAY:

Without embracing one's Feeling Healing process and receiving Divine Love, the Love of our Mother and Father, our progression is totally dependent upon our own personal endeavours and capabilities, that is, our perseverance and willpower.

We are all blessed with natural love, which is the essence of our soul. To develop ourselves to that of being the perfect man is a slow and persistent application of our own attributes and will power, the time required to achieve such perfection may take many centuries of dedication, and even then we only become the perfected being fitted for the 6th sphere of the natural love spheres. We cannot progress any further without embracing the Love of our Mother and Father, the Divine Love.

Once we recognise the availability of our Parents' Love and begin to ask for and receive it, our progression begins to escalate exponentially. Further, with the Love we can become fitted to enter the Celestial Heavens, the first of which is the 8th sphere in progression. We can progress through the Celestial Heavens into the Eternal Spheres and then on into the Spheres of Paradise.

Accounts of spirit people who's condition have been so poor to fit them only for the hells, namely the Spheres of Disharmony, show that even they can progress from the lowest of conditions to being within the Celestial Heavens, way above the highest sphere of the Natural Love spheres, within or around three or so years. Some achievements have been:

James Padgett entered the Celestial Heavens within 28 months of his passing.

Helen Padgett was in the Celestial Heavens within 12 months of passing.

Nita Padgett progressed from low 1st sphere to Celestial Heavens within 24 months of passing.

Kevin Cooper died 10 August 2012, through Feeling Healing became Celestial on 7 August 2017.

Bradley Cooper, son of Kevin, suicided on 21 September 1999 and early April 2018, became Celestial.

Emperor Nero progressed out of the low hells to Celestial Heavens by receiving Divine Love.

Emperor Julius Caesar moved from the hells to 3rd sphere within 19 months from receiving the Love.

George Butler progressed from the hells to the 3rd sphere within 38 months by receiving the Love.

President Grover Cleveland moved from dark spheres / hells to 3rd sphere in 20 months with Love.

President John F Kennedy became Celestial following 15 years embracing Feeling Healing process.

R. Ross Perry progressed from the hells to 3rd sphere over 30 months by receiving the Love.

It is only one's Feeling Healing with the Love that forgives sin, dissolves the errors and fits a person for a higher habitat. Man, left to his own devices, can require many centuries to grow and then cannot enter the Celestial Heavens.

Focusing only upon personal development may remove, or most likely reduce in significance the influence upon one's personality man-made emotions that are obviously those emotions that bring about harm to others as well as to one's self. We are never able to fully remove man-made emotions from our personality. That is, only when we are fitted to enter the Celestial Heavens and being at one with our Parents are we free of the embellishments of man made emotions. Yes, as we progress in our development such man-made emotions are progressively diminished and subsequently put aside due to our personal willpower, however that typically requires eons of application to this cause.

By embracing the Mother and Father's Love then we bring about rapid growth and development of our soul condition as it is our Mother and Father's Love with Feeling Healing that progressively dissolves man erroneous emotions that we have taken on board, typically during our very early childhood due to our family environment.

EXPONENTIAL PROGRESS:

While we remain self-reliant and unaware of the availability of the Mother’s and Father’s Love, which brings about the changes to our natural love structured soul to that which is Divine, our possible progress in development to purification of our soul is that of snail’s pace.

As our soul becomes encrusted in error and damages from childhood events, our soul becomes diminished and dark.

Our progress in development can take 100’s of years, centuries upon centuries, without embracing the Love and our Feeling Healing.

The Love with Feeling Healing is the only thing that washes away our erroneous beliefs, our harmful emotions, and the stains encrusted on our soul from the harm that we endured in childhood.

It is with this Love and Healing that errors are removed thus resolving compensation requirements, as the damage to our soul is no longer existent.

Instead of growing at a snails pace, our development starts to power along, developing exponentially as we receive more and more of the Divine Love.

There is no greater gift in the universe than the availability of the Love. As we become more or more dependent upon the Love of our Parents our quality of life expands into wondrous beauty.

The grace of our Parents through this Love is the gift that was made available to us in the 1st century and is now being taught to us again since the 20th century.

Receiving Divine Love into our soul enables us to grow beyond the natural spheres and further towards Paradise.

By asking for and receiving the Love we can grow exponentially.

Should we embrace Feeling Healing then our progress can rapidly be advanced.

Soul progress from within the 1st sphere in a natural love state and orientation is very tedious and sluggish.

Soul expression within the Spheres of Disharmony – hells.

PROCESS of FORGIVENESS
PROCESS of FORGIVENESS
PROCESS of FORGIVENESS
PROCESS of FORGIVENESS

is also the PROCESS of REMOVING HARMFUL EMOTIONS
is also the PROCESS of HEALING BODIES Physical Spiritual
is also the PROCESS of SOUL GROWTH with the LOVE
is also the PROCESS of CLEANSING the SOUL

Our Heavenly Parents send the Holy Spirit, the Spirit, to those who long for and ask for Their Love and assistance. All you need do is ASK!

“The New Birth is the flowing of the Spirit of God into your soul and the disappearing of all that tends to turn your heart from the truth and Love of God in conjunction to doing one’s Feeling Healing.”

“The Holy Spirit is God’s messenger or instrument that carries into the soul the Divine Love that is bestowed on the truly penitent man.”

“The Holy Spirit when the penitent prays for the Love the Holy Spirit will respond and fulfil the work that the Mother and Father has provided it to do.”

“The only thing that saves a man from their sins / errors and reconciles them to the Mother and Father is that they must become conscious of God’s Truths and receive the Holy Spirit into their souls.”

Continuing with one’s longing for Truth and asking for our Parents’ Love enables progressive removal of emotional errors and injuries that then lead to the removal of core emotional damage, and then, subsequently, the progressive filling and expansion of one’s own soul. Removal of these soul injuries through Feeling Healing also leads to the removal of damage to one’s spirit body and the restoration of one’s health.

It is only by the infusion of this Love while longing for Truth within one’s soul in sufficient quantities does one become fitted to enter the Celestial Heavens.

Soul development, with the Love, can take a soul from being a dried up garden pea to that of a simple candle, and then onto that of a blazing sun!

The LOVE that brings about FORGIVENESS:

This Divine Love, and by this I mean the only way through which salvation can be obtained, can enter and fill the soul through the sincere longing of the soul to assuage the thirst for at-onement with the Father through prayer. Revelation 17 – November 12th, 1960 – Jesus

The only way for man to achieve forgiveness of sins is through the obtaining of the Divine Love or through purification of the natural love, a long and tedious process that fits the individual soul for a place in the Sixth Sphere. Revelation 50 – October 18th, 1954 – Jesus

Divine Love fits a personality to enter the Celestial Heavens, way above the 6th Sphere. Without this Love, man cannot enter the Heavens. It is this Divine Love that brings about immortality for man.

This great Love of the Father was created or rather has always been, for the redemption of the vilest sinner who seeks and believes. March 24th, 1915 – Ann Rollins

Only the Divine Love can give man of a Divine Nature, and that no self development or cultivation of the Natural Love to the greatest and most sublime extent are sufficient to make man at one with the Father in the divine sense and which makes the spirit a partaker of this Divine Essence of the Father. One needs to come to understand the difference between the two loves and what the New Birth means. March 24th, 1915 – Jesus

Immortality with the Love.

PRACTICAL GLOBAL EMBRACEMENT of the LOVE:**LIVING with the LOVE**

We have grown up in a world where the standards of success are measured mainly in terms of positions and wealth. This has been the scenario for many generations.

The Master, in the first century, proclaimed standards, which set Love, the Mother and Father's Love, and complete dependence on the Father, our Source Soul, as the basis of successful living and prosperity. He told us that should we follow this way of life, all other things will be added unto us automatically. This is so for those who embrace dependence upon the Father as a way of life even today.

Small experiments by individuals and small communities indicate this way of embracing our Mother and Father and Their Love, with Feeling Healing, can transform the personal, national and international scene from chaos to peace. While essentially such evolution must depend on the spiritual awakening of each individual, the ministers, leaders and spiritual workers in every branch of society have glorious opportunities to speed the process by their own realisation, example and encouragement.

Consider the economy of a state or nation that collectively embrace the Love to the fullest of their potential. Police numbers would diminish as their role would move to being one of support for the community. The legal system of courts would become significantly redundant, jails would empty. All illness stems from held negative emotions, as the Love purges man-made negative emotions from the soul, then the template of the physical body, namely the spirit body, returns to harmony and perfection, generating a return to physical health. This will take the load off the health system. Every member of every form of government would gain favour from their constituents by the general support to promulgate the availability of the Father's Love.

There is evidence that all things can be accomplished in our Parents' Love. All things are inter-linked. Many have been witness to so many divine healings of awful ills in response to simple love and prayer, consider what would be possible by a general awareness of the Love throughout all the community.

Once we KNOW that our Mother and Father's Love is a reality, and that when we ask for it we always receive same, and that we can be in continuous contact, our lives will become transformed. It cannot be otherwise, because none can have fear, worry, resentment or illness when we receive sufficient of our Parents' Love, should we so ask. Where Perfection is, imperfection cannot remain.

This is the Truth that will set mankind free. For two thousand years, generally speaking, we have more or less ignored the Truth of the Source Soul as manifesting reality, and treated it all as a happy fairy tale. Well, this approach has impeded all aspects of our life – everything is inter-connected. Yet through the centuries, the Truth has continued to be proclaimed and those who have practiced it in living experience have always testified to the peace, health and joy to be found in the Source Soul.

Since 31 May 1914, for the past 100 years, we now have been gifted with volumes upon volumes of teachings from the Master and his Celestial friends, many who also had lived within the first century, so that we can be in no doubt of the availability of our Mother and Father's great gift, Their Love.

The time has come when we must accept and practice this Way of Life, or risk the annihilation of humanity. There is a growing realisation and a gathering of mighty forces for good all over the world. In every land, eager souls are discovering that every ill can be melted away in our Parents' Love.

MODERN MEDICINE IGNORES OUR SUBTLE BODIES:

It is the injuries to our subtle bodies caused by our wayward mind that bring about the manifestation of mild discomfort, then acute pain within our physical body, and ultimately the illnesses and diseases that we then seek medical assistance to suppress. Modern medical systems do not address the cause of such illness. Ask yourself, when was the last time that a medical professional told you what the underlying cause of an illness was?

The auric field, that some can see, is the template for our physical body. Childhood Repression brings about energy flow blockages, being stuck and frozen emotional injuries, which then retard the flow of energies within our physical bodies. Modern medicine ignores this reality. The result is that treatments provided are only temporary as the underlying injury remains within our subtle bodies.

We have other bodies that are just as real as the physical body, they are all connected, if we have a problem within these subtle bodies, such problems most likely will manifest on the physical, so why not attend to it utilising a healers help on these subtle levels thereby helping yourself on the physical.

Example, our genes are multi-layered. Our genes are not only part of our physical being but are far reaching. They are:

on the physical level
on the emotional level
on the mental level
on the psychic level
on the spiritual level.

We need to understand our **genes are not just physical, but on all levels.**

In fact our issues and illness that we recognise within the physical body are on all levels.

Only by one engaging in the process of Feeling Healing can one delve down into the core emotional issues originating from our childhood, being in the form of childhood repression and suppression, that we can then express and release such injuries and bring about permanent health to our physical body. The process of Feeling Healing is the only way to remove the underlying cause of physical illness and discomfort.

MEDICAL PROCEDURES and RESEARCH

Sometimes You Can Find a Needle in a Hay Stack!

While traditional allopathy medical research focuses only upon the physical body to resolve illness events and health issues, they continue to be like blindfolded mechanics endeavouring to repair motor vehicles.

The physical body is animated by the spirit body, and in turn the spirit body is animated by your soul. The spirit body is of much finer substance than the physical body, and the soul is of an even finer substance, hence research technology in the physical world cannot comprehend these bodies.

Your soul is home of your emotional injuries and errors. These emotional issues create fissures and damage within your spirit body. Subsequently the injuries within your spirit body generate illness within your physical body, at the corresponding location as in the spirit body.

Illness is generated by emotional injuries held within the mind, these encrust the soul, however, healing is also generated by your soul. Releasing the emotional injury in your soul heals the physical.

By personal earnest longing to our Mother and Father for Their Love we will always receive Their Love through Their instrument, the Spirit, Holy Spirit, whose duty is to convey the Love into our soul. The Love, when conveyed, washes over our spirit body and is absorbed through our spirit body into our soul, never to be lost or taken away from us. No matter what condition we are in we will always receive the Love should we and when we ask for it.

The task is to point out a simple way to the Love and faith. When those who seek help have been able to enter into sincere longing for the Love, they have always received the Love. In this process, all kinds of ‘incurable’ ills disappear, sometimes instantaneously, sometimes in days, weeks or even months. Always, one’s soul condition will improve with each receipt of the Father’s Love. His Love is an energy that progressively transforms one’s soul from that which is not of the divine to that which is of the Divine.

All healing is of a result of the receipt of the Divine Love. To Him all praise, honour and glory. Others may assist you in becoming aware of the availability of the Love, however, in this they are only servants. It is He who does the work, the Father’s substance, the Love. Through love and simple faith all things are possible. ‘Divine Healing’ is God’s response to prayer / meditation / communication – when we believe in Him.

Their Light will shine in you now!

Challenge to All Religious Institutions of all Faiths

The teachings of Jesus of Nazareth announcing the availability of Divine Love, the Source Soul’s Love, how that we need to ask for it and receive it so that our soul, our real self, may be transformed from that which is not divine to that which is divine, namely the new birth, has never been clearly understood until the receipt of the teachings that commenced on 31 May 1914 through James Padgett. These teachings that commenced 100 years ago are in fact the fulfilment of the second coming prophecies. Not only are these current teachings a clear expansion upon the nature and benefits of asking for and receiving the Love of the Father, they also bring to our attention the many discrepancies that have crept into the scriptures of old.

Humanity now has the opportunity to fully embrace the Love and reap the bountiful harvest that flows from receiving the Love of our Mother and Father. There are no boundaries as to who may receive Their Love, nor is there any need for a penitent to step away from any existing religious involvement to do so. Further, every one may ask for and receive Their Love even if they do not participate or recognise any particular religious practice. This is a universal gift without conditions.

Jesus’ unparalleled example of Love and Faith, became the Light of the World. Following the death of the last of his apostle’s, humanity has not advanced in their soul condition development. Only by considering the teachings that have been accumulating over the past one hundred years will humanity again begin to evolve in love and grow one’s soul condition.

Frail and struggling humanity has never really failed to recognise the Light. We are all blessed with what is termed as an ‘indwelling spirit’ who is always prompting us to search for our Mother and Father and Their Love.

**INDWELLING SPIRIT, THOUGHT ADJUSTER,
MYSTERY MONITOR (all being the same):**

The external elements, instruments of the Father, do not form attributes of our own soul upon its initial creation by our Heavenly Parents, these are the Spirit of Truth, the Indwelling Spirit, and Divine Love.

The Holy Spirit, conveys Divine Love to your soul should you earnestly and lovingly ask for it. This is the only function of the Holy Spirit – Acting Spirit.

The Indwelling Spirit becomes present when we are around the age of six. This means that the unseen helper of the Father and Mother – the Indwelling Spirit – can always interact with the mortal soul and to be of service so that eventually the leadings from the Spirit may be the catalyst for that soul to seek our Parents.

The Indwelling Spirit reveals intrinsic workings of Father and Mother to your soul.

The Indwelling Spirit functions in much the same way as the Holy Spirit, ask and it will provide support and guidance.

The Indwelling Spirit / Thought Adjuster only works with us on the mind, feeling and psychic levels directly with our personality on conscious and unconscious levels of reality. It is the Divine Minister with hands-on help from our attending angels that do the actual adjusting of our mind circuits – of all our circuits, even the physical if need be.

Spirit of Truth becomes active more so when you connect to the Source Soul and commence receiving Divine Love.

You are a spirit person having a physical experience. Your physical body is encased within your spirit body.

The spirit body only exists because our soul wants it to. In the fullness of love, even all our encrustments and wrongness is not actually bad, they are just the nether side of love.

So evil is literally a state of mind, and once you heal it you even feel love for your wrongness and even no longer hate it – that being full self-acceptance. But you can't contrive these feelings or level of awareness, it has to come of itself and will through the higher levels of your Healing.

There is no other way than the Love, and with the Love we are able to obey!

Down the centuries humanity has built hundreds of thousands of beautiful churches, mosques, temples, etc, in which to congregate for worship. Vast man-made, Creator-inspired, organisations have already been created to help all to realise and practice a spiritual pathway. The Light of the Creator has blazed forth wherever and whenever the human lens has been unclouded. Yet, the history of all religious organisations reveals so much of conflict, distortion, sectarianism, persecution and darkness.

Our spiritual climate is constantly subject to cloud and sunshine, storm and stillness, snow and summer. But, as in nature, the sunshine of the Father always shines behinds the clouds. Our human task and destiny is to clear our Heavenly horizon.

Hundreds of thousands of divinely inspired men and woman have accepted the Father's Way as their vocation, and are today appointed spiritual leaders in every denomination, to be found in abundance in every city, town and hamlet. Most of these ministers are devout, sincere and ardent disciples of the Father's Love they seek to express amongst the people.

Only now, 100 years after the commencement on the Celestial teachings, can our spiritual leaders clearly assist each and every person to accurately and without doubt understand and embrace the way to the Father's Celestial Heavens that are there for us should we so choose.

In spite of the infinite potential inherent in this army of our Creator, the Source Soul, the mass of our peoples are not inspired. They wander the face of the Earth, as it were, like lost sheep waiting for a shepherd to gather them into the fold.

The main answer to the challenge of this atomic age of misery and destruction is vested in the existing religious structure being stuck on doubtful records of little relevance to our current ways of living.

The challenge is that the people of the world are hungry for the Truth that will make them free. We know that Truth and, somehow, we must set aside every conflict of creed, dogma, canon law, other man-made created practices and fundamentals, sects, and unite in the concept of embracing the Love of the Father as was taught to us in the first century and is now being retaught to us commencing in 1914. The time has long passed for bickering amongst ourselves. Any religious institution, which exists, does so for one purpose only – to lead men to find the Source Soul, the Father, worship Him and for the asking of His Love and to allow His Love to find practical expression.

Man being what he is, it is impossible for all to find satisfaction through one church of any one denomination. We are each individual in the way we respond to environment. In each denomination we find that which appeals to some and is found wanting for others. What does it matter? We can rejoice in the Divine Love garnered by a mystic on a hilltop as surely as the Salvationist is thankful when a lost soul is converted to the new life.

Let us be happy to know that in each spiritual organisation we have the men and women, the consecrated and dedicated leaders who form the channel through which the Truth can touch mankind.

This mighty army of disciples is ready in every way to reach up into the Higher Inspiration and thus become set on fire with the Father's Love and with the teachings of the first century which are being

renewed commencing in the early twentieth century. Each one spends their life in service now, doing immeasurably good work. They live in an atmosphere of prayer, meditation, communion and reverence. He has basic Truth implanted in their soul, and all around there are thousands of people who are living in relative darkness just waiting for the flame of the Holy Spirit to set them on fire too. It is the Holy Spirit whose single task is to convey the Father's Love, the Divine Love, to those who ask for it.

Speaking generally, what then is lacking? Only the bold, disciple-like, acceptance of the Truth that Divine Love is the Power that heals and transforms every human frailty. For generations we have been sharing the Truth disguised in dogma and creed, wrapped in the midst of rooms which are dedicated already to this cause. It is not a time for new religions, new "isms", but the glorious opportunity to restate the old eternal Truth in terms man can understand and accept. In doing so, we now can embrace the clarity and accuracy of the teachings made available to us over the past 100 years.

It is a wonderful moment in human history and each in his own way, in common cause, can forget the feuds of the past and launch forth to serve the Father as one great army whose only weapons are Love and Faith, to be applied universally.

Every person who serves the Father owes complete allegiance to Him. In every religious structure, the minister, rabbi, imam is responsible fundamentally only to his Master. The success of his mission is not dependant on the man but on the Love within which will lift him up. It is the Light of Spirit which draws all men to the Creator, and our need is to allow that Light to shine forth through into dynamic activity.

The individual church is a state of consciousness through which the Father is expressing in its members. There are the ministers, the loyal supporters and workers, and the potential followers. As the spiritual consciousness (soul condition) of the whole is elevated, so will the Divine Activity become manifested individually and collectively in ever increasing unity, devotion and service.

Within most religious organisations, the organisation and use of the tremendous potential of the members of the congregations is grossly under utilised. Most religious institutions have their workers operating as youth clubs, women's guilds, finance committees, and so forth. Much good work is done, but not a thousandth part of what could be achieved. The minister cannot and should not, do all the work involved in dealing with the needs of his community. They should be the fount of the Father, the Light of Truth, Love and Wisdom, but so inspire their charges that they also fulfil the Law of Love by sharing and serving.

The moment we think of service, we are involved in doing something to help others, be they in need or otherwise. Organisations need to be based on practical service, in which the members are going amongst their fellows, visiting the sick at home or in hospital, seeking out the lonely and weak, sacrificing themselves in their zeal to take Light into darkness. There are innumerable ways and once any soul seeks to serve, the Father will show the way and provide the Power.

In any spiritual community there are hundreds of loving souls who would be only too eager to follow a bold and clear lead. The Father lies very near to the heart of all, and the Light of Spirit shining through one who has been lifted up very quickly awaken the Divine Potential in others.

Note: Following the writings of James Moncrief, one could consider that any reference to the Father, by other relevant writers, may be read as a reference to 'our Mother and Father'. Further, when considering soul healing, then reference to Divine Love could be referred to as 'Feeling Healing with Divine Love'.

SPIRITS of TRUTH and HOLY SPIRIT:

More from James regarding Spirits:

The Holy Spirit provides differing support and guidance to that of the Indwelling Spirit. The Indwelling Spirits guides one to God, our Heavenly Mother and Father; the Holy Spirit brings Their Divine Love into our heart.

The Spirit of Truth becomes active ONLY when we choose to follow the ‘owner’ of that Spirit of Truth. So in our cases, Jesus and Mary Magdalene. We have to want to live the same truth as they are living, so ‘be like them’ and in doing so this activates the Spirit of Truth. And so if we choose to be as they are in truth, to live how they live the truth, to be of truth and the same truths they are, then with their Spirits of Truth assisting us we will come to relate to our Mother and Father just as they do.

We are growing spiritually in Mary and Jesus’ universe. We have to want to be as they are in truth, if we don’t want to do that then we’re rebelling against them. And if we don’t embrace them, then we’ll never leave Nebadon, the region of the universe that encapsulates Earth.

The whole idea about having Spirits of Truth coming from Paradise Pairs is so the ascending mortals (us) of that universe (from the Creator Pair) and specific worlds (from the Avonal Pairs), all end up living the same truths. And if we didn’t live the same truths, we’d all still remain all over the place and have nothing we can all connect with and relate to in each other.

So we can come from all over the planet, from very diverse races and cultures, yet because we all end up embracing the Spirits of Truth that are to help reveal the truths we are to know, so we’ll all be able to connect and relate to each other through the truth we’re living, all being able to live happily together as Celestials, and eventually as Celestials on Earth. It’s the Spirits of Truth that bring us all together, homogenises us if you like. And if we all lived true to them, we would not need any rules or laws because we would all be living and knowing the same truths – so all living the same way only expressing those truths individually.

HEALTH with or without the LOVE:

Divine Love, with Feeling Healing, has a powerful positive effect on the physical body, balancing the hormones and generally promoting physical health, which is really the same thing as saying that the state of a mortal's soul impacts directly on that mortal's physical health.

The Master, because he experienced the New Birth soul condition as a mortal, his physical nature was directly affected, so it would be accurate to say that because of this, his nutritional needs were somewhat different from other mortals.

Throughout his ministry (when the New Birth soul condition was his), he was actually in perfect physical health, and this was apparent through a sense of well-being that actually manifested on a physical level as well as a spiritual one. Aman 24 January 2007

The influence of sinful emotions and thoughts and actions upon the soul is such that the spiritual emotions and aspirations of man becomes dormant, and as though not existing, and the soul itself is encrusted with evil.

Through prayer, thoughts and soul longings, the spiritual nature in man can be developed so as to dominate the personality, and he will act in accord with the feelings and emotions of his soul. The evolution of man from the natural being to the purified soul and, if he so desires it, to the state of the divine angel is possible with the Love and Feeling Healing. Jesus 8 September 1955

A soul encrusted with error results in illness and unhappiness.

Soul without the love.

Asking for the truth behind your feelings and expressing them is Feeling Healing. This process removes errors and brings harmony and health to the bodies.

Soul with the love.

Focus can be concentrated upon those who have already found the truth of prayer, be it meditation, contemplation, prayer or communion, and in the young people who are temporarily lost in the wilderness, unable to find realism in religious doctrines.

Under the guidance of the minister, rabbi, imam, aided by those who know the value and functionality of prayer, meditation and communion, the creation of prayer groups dedicated to the task of proving that prayer produces health in the mind (spirit body), physical body and affairs. Much work has already been done in this direction, however it requires infinitely more impetus. We need the ‘disciples of the Father’ spirit, an inspirational and individual approach to every problem by the members of each group. Visualise the religious organism as a living exposition of the Truth.

We must set fire to the imagination of the younger generation. Let them enter into the exploration of spiritual Truth in a spirit of research. Create a secretariat, keep records, follow the progress of each case, and embark on Divine Adjustments through laying on of hands and distant healing. And in distant healing, insist, where possible, on weekly reports from friends / patients and end encouraging replies to help the friends / patients keep the mind stayed upon the Source Soul and the principles involved.

Let the members, as well as the minister, be consecrated and dedicated to this work. Prayer is effective by anyone who will pray correctly. Reciting written prayers by rote will rise no higher than your forehead. Prayer is an emotional exchange with the Father. The members of such groups could perform wonderful service in the name of the Father collectively and also in individual calls upon the sick and afflicted. Divine Love, once received, progressively removes from our soul man-made unloving emotions that encase one’s soul, as such negative emotions are peeled away, the energy flows through our spirit body improve thus assisting with the healing of the physical body.

What an adventure all this could become under right guidance! There is infinitely more satisfaction in serving, experimenting and recording results than in merely listening to sermons. And once our young people find the Truth for themselves they will all the more ardently follow the teachings of Master Jesus and his Celestial friends and raise the level of spiritual consciousness in the congregation and the community.

Only in this way of service, comprehensively organised, can our religious communities re-capture and awaken the love and power lying dormant in the masses.

The people are as dry tinder waiting for the Divine Spark to create the Light, which shall illumine the world. Go forth in his name, with his torch blazing, and follow him!

The challenge of the Father is to us all, leaders and laymen alike. To the latter, we would say, “Seek and ye shall find. Knock and it shall be opened unto you.” Go to your religious communities. Discuss these vital matters with the religious leaders. Tell them you have faith in them and suggest ways in which you will gather round them to go out into this greater way of life. Offer your services, testify to your friends and let the Father lead you to take part in the work ahead.

Let no one be complacent. There is no time left for that. To save humanity every enlightened, interested or seeking soul is called into service. Now. Not tomorrow or next year. This is the appointed hour and death or victory depends on what you are going to do about it in your environment.

Remember, one with the Source Soul, the Father, is always a majority. Even as Jesus, the Master of the Celestial Heavens, has inspired the world for 2,000 years, so can you, in common cause with all others who serve, and enable people to be aware of the availability of the Love, the Divine Love of the Father, to be able to ask for it, and to receive it, to grow in Love that steadily transforms one's soul from that which is not divine to that which is Divine and become fitted to enter the Celestial Heavens via way of the New Birth, having also achieved immortality, for without the Love we are not immortal.

To liberate one's real self, one's will, being one's soul, is begun by embracing Feeling Healing, so as to clear emotional injuries and errors. With the Divine Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

Spiritualism in our Schools

The children of today eventually take charge of our world as we prepare to pursue our eternal evolution on a higher plane of life. They grow up in the midst of the social environment we and our forbears have created. Inevitably they accept as more or less normal the standards by which we live, and proceed to build their lives within that pattern.

By the example of barbarity expressed already in this present generation, we should not wonder at our children accepting as normal the possibilities of atomic and disease-germ warfare. We have been good teachers and, in the midst of a world torn and divided by hatred, the errors of the fathers are well and truly handed down to the children.

It is difficult for the loving father and mother to understand how all this chaos could be unleashed. And it is never a comforting answer to state that the eruptions were caused by the wrong, spiritually ignorant thinking of millions of people expressing as a nation or nations. It is so easy to blame the other fellow, the other nation. Generally speaking, the peace in our own homes, our own town, our nation and in the world depends upon our personal application of love, good-will, and all that goes with it. The only true answer to conflict is Love, coupled with faith in the Father and all His Laws.

It is very important to understand there is a big difference between ‘will’ and ‘free will’. Will is what is called the principle of choice: it is every possibility, choice and action executable within the scope of love. Free will is the same as will but with the addition of being capable to move outside the laws of love (or the laws of the soul).

What’s also very important to know is: when speaking of love, we speak about much more than what the definition of the word love means. Love is a very broad form of energy made of multiple sub (energy) forms or subcategories. And the definition of love: “having affection for” – as most people use it – is only one of many subcategories. So you see, knowing and understanding the context and definition of the words used by others is an important part of understanding the context and meaning of the whole message.

It follows naturally, that the concepts accepted by our children are definitely going to affect their world of the future for good or ill. If they can be taught now that Divine Love is a power, an energy, that can lift them to success and happiness in every aspect of life, then they will unleash an infinite potential for good into their own lives and into the world of tomorrow.

Since around 300 AD, the collective soul condition of humanity has remained stagnant. For some 1,700 years the collective soul condition of humanity has remained at around 190 on Dr David R Hawkins’ scale of Map of Consciousness. Only with the new awareness and teachings of the availability of the Father’s Love does humanity yet again have the opportunity to evolve in love and grow into a wonderful state that will bring about harmony and peace throughout the world.

When we broadly survey our educational system in most schools we find the emphasis is on knowledge and intellectual attainment. There is no complaint on this count, for the intellectual cultivation of our minds is an expansion of life on a very high level. The vital spiritual life of our children is utterly neglected.

If each child were to be taught naturally to know, understand and apply the power of the Divine Love as the underlying strength for every experience, we should soon have a race of super beings, imbued with the priceless knowledge that all things are possible of achievement through the Christ Spirit attainable by all. At present it is as though we taught our children to count but not to write and read. We send them into hazards of life spiritually crippled.

Scripture lessons are provided, and the 'Sunday Schools' help to a large extent. But it is all like a happy fairy story, devoid of realism. Whereas, in Truth, Spirit is the only reality, containing the essence and potential of all expression.

It is too much to hope, perhaps, that this kind of dynamic realism will be immediately applied in our schools, but it can be done in Sunday School and, more important still, in the family environment where enlightenment reigns. What an opportunity for individual teachers who know the truth!

The Truth is manifesting ever more clearly all over the world, through many channels. Divine Power in healing is daily being demonstrated, and humanity stands right now on the threshold of a potential freedom such as it has never known. The schools of the future are destined to teach this Truth of Divine Love, wisdom and knowledge in daily practical application, as the central plank of their curriculum.

Can we do something about it now? Will you do your part, to the utmost extent, in the ways open to you? Whatever you seek to do in this direction, Divine Love is with you all the way. It has been said of little children "...of such is the Kingdom of Heaven."

The Divine Love is a love available for the Human soul that, in its cause and effect, actually perfects the personality as it progresses to a greater experience of living in the determination of living in God's Divine Universal harmony. Every personality has the gift of freedom of self-determination to enjoy and extend through life's experiences and it is this gift of freedom and human nature that may prevent one from participating in the freedom and gift of the Divine Love. The Divine Love, once being received is added to one's nature, having being formed on natural love.

Divine Love, the Psychologists, and the Doctors

Often the question is asked to define an attitude to the orthodox methods of healing. Invariably a reply that natural love is in all, however, some have asked for and received the Father's essence, being His Divine Love. Divine Love is frequently manifesting in those who seek to help mankind. We should, at this stage of evolution, be in a sad plight without the tireless work of our doctors, psychiatrists, psychotherapists, and each category of healers, nurses and workers in hospitals and clinics.

The scientific approach to human ills of mind and body has evolved a technique that has proved its worth in every field. While much of this effort is devoted to the quickest possible removal of the effects of some deeper inner cause, we can only be thankful for that relief. However, medical science is still to recognise the construct of the spirit body which is the home of one's mind and sense, as well as being the blue print for the physical body. Further, the soul is connected to the spirit body by cords of light and it is the soul which is the home for our personality, memory, intelligence, all of our senses, and God given emotions. Upon the death of the physical body we loose nothing, we become free of restraint.

Increasingly, however, we are becoming to understand that the mind and body are not separate at all. The human being is fundamentally soul expressing itself though the spirit body and being animated by the physical body. The real you is your soul. The real trouble is often in the mind from within the spirit body, in our mental attitude to life.

The work of doctors is undoubtedly a light in our darkness, and one never seeks to disturb a patient's relationship with his/her medical practitioner. There is a need for intelligent co-operation. Complementary health care practices are truly that, complementary to allopathic western medicine practices. The Father, via his nominated spirits, is working through the doctor just as surely as He works through the minister and other health carers. All have a vital part to take in the restoration of the illness in the mind and body.

Without question, there is great therapeutic value in prayer. And when minister, health carers and doctors work together, all cause and effect can be dealt with perfectly, especially if the patient / friend has faith and is therefore co-operating.

The psychologist, each in his specialised field, is probing the mind seeking to harmonise the conflicts he finds there. A great work is being done, and the laws governing mental impulses are tabulated with precision. They are on the right track, for here, in the realm of mind, the person's mind, is the greatest field of exploration left to man.

Nevertheless, the tendency is to confine research and practice to the conscious and subject mind of the patient / friend. It has not been fully understood that conflict ceases when the ego of the patient / friend becomes harmonised in the Divine, that is, when we function contrary to love then we generate disturbances within our spirit body which in turn results in discomfort and illness within the physical body.

Like the doctor treating the arthritis caused by fear, so the psychologist seeks to disperse the fear by tackling the mental complexes, which caused it. All man-made emotions are fear based. And often achieves its dispersal, only to send the patient / friend out into the world still unaware that his/her real

need was not mental relief but the spiritual integration of his personality, which is soul based, in spirit, mind and body.

Real technical progress in the production of health and happiness can only be made when ministers, scientists, doctors, psychologist, and parents accept completely the truth that, behind all their efforts, is the paramount need to lead the patient / friend into the availability of the Father's Love and the necessity to ask for His Love. The Love is a substance, an energy that washes away fear based emotions.

It is certain that in all health care avenues, if practitioners could come to terms with themselves about the reality of the Divine Presence they could individually experience wonderful results.

It is not meant that the doctor become a parson / rabbi / imam etc, but he can go to work realising that he is an agent of the Father, the Source Soul, and become conscious, through his own inner prayer, that Divine Love was helping him in his technical assessment of the position, and already operative as a healing force in the patient / friend.

Dr Alexis Carrel, Member of the Rockefeller Institute, Nobel Prize 1912, winner of the Nordhoff-Jung medal for cancer research, agrees that "envy, hate, fear, when these sentiments are habitual, are capable of starting organic changes and genuine diseases."

"Thought generates organic lesions. The instability of modern life, the ceaseless agitation, create states of consciousness which bring about nervous and organic disorders of the stomach and of the intestines, defective nutrition, and passage of intestinal microbes into the circulatory apparatus. Various kidney and bladder infections are the remote results of mental and moral unbalance. Such disease are almost unknown in social groups where life is simpler, where anxiety is less constant. Likewise, those who keep the peace of their inner self in the midst of tumult are immune from nervous and organic disorders."

Countless health practitioners have mapped this relationship between negative emotions and specific health issues to the point now that the relationships are easily identifiable and can be addressed relatively simply. See <http://www.pascashealth.com/index.php/library.html>

Dr Rebecca Beard in America actually gave up medical practice to work exclusively on these lines. The published results "Everyman's Search" by Dr Beard are like a story from biblical times. It was found that every kind of disease, functional and organic, responded to prayer treatment.

In times of urgency, like the present human conflict and drama, the Father calls upon all to serve in his or her immediate vocation. Doctors, psychologists and nurses have great opportunities. In the midst of spiritual enlightenment every horizon can be infinitely extended.

The work of our doctors and nurses could be greatly eased, and health be produced much more quickly if their patients / friends, at home or in hospitals had the right outlook. The prospects of quick recovery are enhanced to an inconceivable extent when our minds are functioning in harmony with Divine Love. The Divine Love is always available for our asking and the Laws of the universe are always in play, constantly working directly in our lives, and also through the lives of others on our behalf.

“To me this hospital is a Sanctuary, and the staff are administering angels. And when they give treatment, I think of their hands as the hands of the Father.”

In those simple words, from a very simple soul, is wisdom of the highest order, and truth. Who soever can lift their vision above the personal and can see the Divine Hands in all who seek to serve is indeed calling forth the Divine Perfection in all concerned. That is the way to go through hospital, and you will leave love, healing and trails of blessings behind you which shall be shared by staff and patients alike.

In addition, there can be no greater healing process for one's self than the constant prayer for the well being of all the others who suffer in hospital or at home. Shine your Light, and that which you send forth, with Love, shall return to you one-hundredfold.

Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God's soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of your Mother and Father.

WE are INCARNATED with Natural Love, but not with Divine Love:

We are conceived with natural love, however, we are not endowed with anything of the Divine. While we are without anything of the Divine, namely Divine Love, we can grow our natural love attributes and progress to that of being the perfect man whose lodging is found in the 6th Sphere. We do not have immortality without having received Divine Love.

Natural love radiance is very different from that which Divine Love brings.

The two loves complement each other, bringing about greater harmony.

When we become aware of the presence of Divine Love and subsequently ask for and then receive the Divine Love, our soul steadily starts to change to that which is Divine and we achieve immortality. This is the Immortal Choice that we can make whilst here in the physical or later in the spirit world. Once we add Divine Love to our being, we continue then with the two loves, that of the natural love and also that of Divine Love. As we continue and receive Divine Love, our soul condition progresses so that we may eventually enter the Celestial Heaven, 8th sphere and above, then progress further to enter the Eternal Spheres and then the Spheres of Paradise.

CLEANSING the SOUL:

Years and years of personal endeavours to step away or above harmful habits and personality traits that are harmful to others and one's self have been mainly futile. We all want to grow in our love for ourself and of others.

Our beautiful loving personality that we are blessed with at conception / incarnation becomes encrusted with errors and personality issues of those around us, particularly during our early childhood. The personality of those living around us, during our early years, becomes encrusted over our pristine soul thus clouding our radiance into dullness. We become mind controlled!

Our Heavenly Parents want what is actually best for each of us and there is a source of light that's willing to give it to each of us, but only at our soul and spirit's quest for union with the divine. Not our ego's need for things.

It is only with our Feeling Healing and the infusion of the Love, that the Mother and Father conveys via the Holy Spirit, do we start to dissolve negative issues, habits and personality errors from our soul and personality. Our personality is part of our soul structure.

All we need do is ASK for this Love. An earnest longing and desire for the Mother and Father's love will never be withheld, it will shower over our spirit body, the template of our physical body, and be absorbed into our soul. As the Love permeates through our soul, errors of personality will slowly but surely dissolve.

Over time, as we progress along our path of asking for and receiving this love, the natural love which we were blessed with prior to conception will be progressively transformed into Love that is Divine. This Divine Love will slowly emerge as radiance through our being.

With Feeling Healing and this Love we find harmful habits and personality traits become a distant memory. With this Love, we find ourselves unable to harm others or ourselves. With this Love we find our quality of life blossom and joy starts to emerge in all aspects of our living.

With this Love we become immortal. With this Love we become fitted for the Heavens that the Mother and Father have prepared for us all. Just ask and faith, love, and happiness will follow. Yes, just ask!

UNCRUSTING ONE'S SOUL:

One's soul is always perfect. One's soul is a creation of our Heavenly Parents, and Their creations are always perfect.

Their great gift to us is free will. We have the option to embrace Their will or freely do as we please, we have free will.

As we progress through our early childhood years we absorb the attitudes, beliefs and habits of those within our environment. Some of these are in error. Such emotional errors and injuries melded with errors in belief encrust one's soul with unhealthy and unloving energies. These encrustments retard the flow of loving energies into one's soul. Such soul having created one's spirit body, which in turn is the template for one's physical body.

As we become aware of our Mother and Father's greatest gift in all of the universes, we can ask for and receive this gift, being Their Divine Love. It is a light golden blue energy substance that will progressively through one's Feeling Healing process dissolve the injuries and errors that may have enmeshed one's soul. Feeling Healing with this Loving energy will slowly enable each of us to break free of past held erroneous beliefs and injuries that we have drawn upon ourselves. We can cast this shell off, such shell which is endeavouring to imprison us in misery.

With the Love of our Parents, the beauty with which we were created can come to the surface and we can then proceed to progress beyond the ceiling that our natural love formed soul has in development. Feeling Healing with the vibrant energy of Divine Love can enable us to live a life here on Earth as though we were in Heaven. All we need do is ask for It.

The Love of our Parents' is the greatest gift for all of humanity, without exception and without condition other than the longing for and the asking for it, at anytime, at any place, and in any way one so pleases. Enjoy the journey!

DIMENSIONS of ONE'S EXISTENCE:

Our SOUL IS NOT ENSOULD IN OUR SPIRIT BODY. Our soul exists existentially in a whole different level or plane or place or dimension of being – 'soul land'. It doesn't exist in Creation, it's not experiential like Creation is. The soul, all souls, help create their part of Creation by expressing their personalities into Creation, and then by having their personalities do things (further create) in Creation.

SOUL exists existentially

Our Physical Body and our Spirit Body are of Creation, being linked together by cords of light as are the two spirit bodies, male and female, to the one Soul.

One's unique personality is soul based. Our unique soul expresses its unique personality through the two spirit bodies and physical bodies expressing both the male and female aspects.

PERSONALITY

**Our soul is the centre of our personality.
We are children of our Heavenly Parents.
Our soul manifests a male and
female personality - it is a duplex!**

The Father's Love in your Business or Vocation

Even amongst those who are interest in spiritual matters, usually a definite line is drawn between the Creator and the designated days of worship as outlined by their particular religious practice, and the self on weekdays. Very few accept the truth that when the Father is allowed to pervade our lives in every activity, our complete success is automatically established. Every day is Father's day, 24/7.

Most of us are engaged in serving mankind in one way or another. The human society is built on a structure of service, of co-operative effort. Each in their own way creates a part of the common pattern, and none can live on this Earth without the help of others.

Every worker, in field or factory, kitchen or shop, office or mine, in every branch of human activity, is serving the Creator, the Source Soul already, since man is in expression, unfolding, creating, the ultimate creation of the Father. This common knowledge gives us the clue to the purpose of our existence and the means by whereby we can advance with precision to infinitely higher achievement.

We are in this world in the care, as it were, of a Senior Partner. He releases us into an environment designed to teach us to create. He provides the material, and the individual mental power, which makes this possible. We are given a set of rules and unlimited power. And, looking at the world, and our society, we have certainly wonderfully exercised our gifts. We have, indeed, so grown in our capacity to think, imagine, plan and create, that we have transformed much of it. Great social structures form cohesive societies, nations, based on the most incredible and complex political and economic systems.

Yet in the excitement and pressure of all this creative effort, we have lost our way. We are also crazily conducting vast enterprises of destruction.

In the name of sanity, if we can still understand the term, let us clear our vision and proceed to build again on rock instead of sand. With all the wealth of experience now at our disposal in dealing with the material things in our world, we can literally move into a god-like existence just as quickly as we can learn how to bring our Senior Partner to our aid.

Again we can only begin with the individual. That means you and me, each of us. If we find, and co-operate with our Senior Partner in all our activities, we are definitely going to get results, which astonish us.

Because we cannot live except in His Presence, it is foolish and childish to try. If we recognise that we are the sons and daughters of the Source Soul, surely we shall soon be able to work with and for Him. Our soul is made in His image. We gain our real freedom when we discover that the purpose of life is to grow in love of our Father. We then discover that we are elevated from servants to partners, and are taught how to use more and more of the Power always to be found in the Senior Partner. It is an invincible combination, which inevitably produces the perfect unfolding in achievement, happiness, abundance and success.

If you are in business, work with and for the Father. Not only will your affairs prosper, but your Partner will show you how to prosper as will also the lives of those who work for and with you. Once you accept the conception that you are in partnership with the Father and that, therefore, unlimited reserves of supply are at your disposal you will move from success to greatness.

We keep the Laws, which govern our relation with our Partner. We need to recognise His Presence and Authority. Integrity, love, faith and unselfish service are the keys to the Celestial Heavens through His Love. As we prosper, we let others prosper too. As we share our blessings they come back multiplied and we can send forth more.

The businessman, thinking in worldly standards, has not usually trusted such definitions. And therefore has not tried them, so ridicules without trial. More and more great firms are practising this way and not only are they prospering, but their employees are amongst the most contented in the world today.

Dr David Hawkins, whilst researching with kinesiology muscle testing in conjunction with his developed Map of Consciousness observed that the executive teams of the most successful corporations calibrated in the mid to high 400's on the scale. Conversely, those management teams calibrating below 200 typically headed for bankruptcy. This is a surprisingly simple exercise to experiment and investigate your self.

The same principle is applicable to us all. When we serve our employers, knowing that we are really serving the Father, in partnership with Him, our concept about work changes completely. And we prosper. A new interest is born and new opportunities open. We work in peace and love, and bring those qualities into work and play and, more important than all, into our homes.

The housewife, at the family's beck and call from morning until bedtime, finds new joy and strength from serving with Grace and Love, conscious of the tender Presence of the Great Partner who provides energy and peace. She prospers, and her family respond with their love and thankfulness.

We shall, in our separate ways, all eventually enter into unlimited freedom, and help others to find the same freedom, by looking to our Partner as the source of our supply, trusting Him, and doing all work as a definite service to Him.

We can immediately raise our standards of tolerance by recognising that all are equal in the sight of the Father. The man who breaks stones for road is as necessary as the highest executive. The coalminer needs the Prime Minister as much as he depends on the miner. We depend on one another, and all are necessary to fulfil the Divine Pattern.

Very few realise what it means to be alive. Of all the seven thousand million people on this Earth, there is only one you! You are therefore, right now, a soul is connected to a spirit body, animating a physical body created by your Senior Partner for a specific purpose. None other can do what you are called upon to fulfil. In our continuous individual evolution (growth in love), we form a pattern of life and service, contributing that precious self to the evolution of the Divine Plan (our journey back home). An eternal plan, with infinite potential for each of us.

Through prayer we work in the world of cause. When we continually wait upon our Father, understanding through an inner 'soul-knowing' that all is eternally well, we become free from bondage. We depend no more on worldly laws and conditions, but become dependant on Divine Love, recognising that the Father is the supply of every spiritual and temporal need. Man is but the channel through which His supply passes on its way to you, and through you to others.

We fail in many ways, in our weakness. Divine Love never fails, so we let His strength become our own. That Love is manifesting in your life now, meeting every need as quickly as you and your Partner take charge.

The Divine Love completes the form of the human being.

Our soul is formed from the substance that is natural love. When we earnestly and lovingly ask for Divine Love, the Divine Love is added to our soul, thus we steadily and progressively become complete in our being.

“Dear Creator, fill my soul with your great Essence, your Love Divine and I will walk this Path as your child, ever seeking to come closer to you, ever seeking to receive this wondrous Gift, ever seeking to open my eyes and my ears and my mind of the soul so that I may know truly and wondrously who You are, who I am and the wonderment that is your creation, Beloved Mother and Father. I am ready. I am willing. I have a deep desire to know, I have a deep desire within my soul to love and I want to love, Mother and Father, in all the ways that I am capable of and to be your channel of Love in this world, to bring the Light of your Love into this world, to be in this wondrous flow and harmony, to know this great joy, profound and deep, holy and joyous. Mother and Father, I am with you. Be with me within my soul. Be with me now”.

Note: Following the writings of James Moncrief, one could consider that any reference to the Father, by other relevant writers, may be read as a reference to ‘our Mother and Father’. Further, when considering soul healing, then reference to Divine Love could be referred to as ‘Feeling Healing with Divine Love’.

The GOLDEN AGE:

You, the individual, can step right into your Divine Heritage this very moment and partake increasingly of our Mother and Father's wondrous gifts, commencing with asking for and receiving Their Love, the Divine Love. The Love of our Parents' will express in you as love, health, joy, success and all good. In your own experience, should you try the experiment with others, many people have been healed in mind and body of awful ills simply by realising the presence of our Parents and asking for Their Love.

You can prove this for yourself. That is the most wonderful Truth about man's relationships with our Mother and Father. We have instant contact, and the natural right to go to our Father at all times. It is only asked of you to embrace His Love with definite and simple faith.

Ministers, rabbis, imams, who would long to ease the burdens of those in need through 'Divine Healing', do please accept that healing is not a special gift given to few. If it were so, then prayer itself would be a very poor channel. If you have love and faith, then the Father can and will heal through you, those who also have faith and desire the Love.

We advocate inspiration instead of formal prayers. There is the need to abandon ourselves completely to the Father, knowing that we are channels, which He makes perfect for His purposes. Then we shall lay hands upon the sick and they shall recover.

Although 'Divine Healing' registers on the body by the removal of some illness, the action actually takes place in the soul, then mind, or spirit, of both minister and patient. It is indeed, a spiritual healing, which usually transforms the sick person spiritually first and then physically. In this way both cause and effect are healed in the Divine Love. It is the asking for and receiving of the Love that removes the errors from one's soul, this is the process of forgiveness.

If you are not already practising Divine Healing in your community, you potentially stand right now on the threshold of the most wonderful adventures in love and faith of your existence in the physical body. Take your personal problems in this vital matter to the Father in prayer, and if He calls you, become as great in His strength as the disciples who followed Jesus of Nazareth on Earth.

To all others who would serve the Master, the opportunity is in your immediate experience. Abide in Him, fill your life with His Love and know that your prayer is effective in sharing love, peace, and blessings amongst all whose lives touch yours.

You will know always what only you can do, with the Father. Simply, be ever ready consciously to give the Source Soul special time and energy and substance each day. Many will be healed and comforted through you.

All we have from the Father is at hand for you. Indeed the entire Celestial Heaven is at your command in your service to the Father.

The good you can do is beyond measure. In His Love all things are accomplished and we give thanks, Father, for the Light that shines in all who needs these words.

What Is Soul Condition?

Soul condition is the sum total of:

- Your passions, desires, longings, moral beliefs, moral condition, aspirations, pursuits, emotions, feelings, intentions, loves, dislikes and hates, fears, religious beliefs, scientific beliefs, love beliefs, mental aspirations and beliefs (which come from soul beliefs, but are often in disharmony with soul beliefs).

Soul condition can be changed by experiencing the following emotionally:

- Longing for, receiving and acting in harmony with Divine Love – transforms the soul into a new being.
- Longing for, receiving and acting upon Divine Truth – assists Divine Love to flow into the soul.
- Learning repentance and receiving Divine Forgiveness and Mercy – removes karmic soul damage.
- Having Faith – raises the soul's awareness of new conditions and state.
- Growing Desires and Passions harmonious with Love – these desires and passions can be nurtured.
- Learning and applying lessons in Natural Love – how we treat others and ourselves.
- Releasing passions, desires, emotions, feelings and beliefs disharmonious with love.
- Releasing painful emotions that are the result of the Law of Compensation (karma).
- Bringing actions in harmony with love (either Natural or Divine). This removes further karmic effects.
- Changing intellectual beliefs, thoughts, words, actions, since these feed new desires, emotions, and loves.

LOVE of the MOTHER and FATHER:

We mainly commence our journey of discovering our relationship with our Heavenly Parents, God, through the intermediary relationship of one of many religions and the even more numerous religious institutions. Frequently we have given our power and rights to an intermediary to intercede on our behalf. Our Mother and Father seeks to commune directly with us.

As we progress in our development and growth of love for our Mother and Father, our Creator and Source Soul, then we find a relationship and personal love for and with Them. This developing personal dependence on our Parents can and is supported by our religion teachers as well as by our never tiring spirit guides. Asking for, praying for and receiving the Parent's Love, Their Divine Love, which is always available for us, is the ultimate blessing that can only come about by the development of our own personal relationship with our Heavenly Parents.

As our soul develops and expands with the infusion of the Love, our relationship and love of Mother and Father develops into the beautiful joy and blessings that is there for us all. Our personal relationship and dependence becomes all embracing erasing our childhood developed intellectually based self dependence.

With the Parent's Love, and one's Feeling Healing, comes an ever growing loving life experience that is beyond words and expectations. The Love of the Parent's, with Feeling Healing, is the only gift that brings about forgiveness of our errors and fits us to enter the higher spheres well above those based on self reliance and natural love, the only love that we are blessed with at conception.

WE ALL ASPIRE for the LOVE of our MOTHER and FATHER:

Love has no boundary – especially the Love from the Creator, our Mother and Father.

Further, we all have free will, and our free will is never impeded upon. Our Heavenly Parents' Love will be given to us only when we ask for it, yes, we simply need to earnestly and lovingly ask for the Love.

There are ever so few, among humanity, that recognise and realise that the Love from our Heavenly Parents, Mother and Father, God, is conveyed to us only when we earnestly and longing seek Their Love. This Love is conveyed to us by the Holy Spirit, the Spirit, and it is this Love that slowly and progressively strengthens our resolve to engage in our Feeling Healing and remove from our soul those emotional injuries and errors that underlie our propensity to cause harm to others and our selves.

It is this Gift of the availability of Divine Love, in conjunction with one's Feeling Healing process, that was bestowed upon humanity in the first century that is now being taught to us again through the messages being conveyed for ALL of humanity. Further, the way to proceed with one's Feeling Healing is also being shared.

There is no exclusivity, no matter what beliefs any one of us may have, this gift of Love is available for ALL of humanity. Every religious practice and faith throughout the world can embrace and share these teachings and blessings to all within their constituency without any boundaries or limitations.

This is the greatest gift for all humanity, the greatest gift in the universe, and it is yours for the asking.

Feelings *first*

THE DILEMMA ?

The major religions have not recognised the teachings gifted to all of us commencing 31 May 1914 and ongoing. Their congregations are not aware of the greatest gift in the universe being available for them to receive. Creeds, doctrine and dogmas govern rather than the Truths of Feeling Healing with Divine Love.

Traditional religious institutions persist in 'hiding their heads in the sand' by intellectualising ancient traditions and teachings that contain errors and assumptions causing a continuance in ways that are arduous and have limited benefits towards enabling man to perfect himself, rather than achieving a growth that is exponential and unlimited through the embracement of the great gift of our Heavenly Parents' Divine Love energy. Admittedly, it is a most difficult and traumatic experience to step away and progress above such long held beliefs that have been dedicated to, however, the harm resulting from withholding the knowledge will have to be compensated for. We may ignore, then deny, then defer; holding the doors closed for the great majority of the world's population without providing them with the pathway and option of receiving Mother and Father's Love. However, the Feeling Healing with Divine Love is so inclusive that everyone, with all their beliefs, can begin receiving this Love and what then gradually happens is that any erroneous belief dissolves with one's gradual acceptance of their soul life.

Ignore → Deny → Defer
or Embrace and share the Knowing!

WE ARE SO HAPPY TO KNOW THAT PEOPLE OF ALL RELIGIONS & FAITHS CAN DIRECTLY ASK OUR HEAVENLY PARENTS FOR THEIR DIVINE LOVE AND RECEIVE IT.

BIOLOGICAL RACE and HUMAN DIVERSITY:

Heritable race seems as obvious as the colour of one's skin and the texture of their hair. A troublesome inheritance is often considered to be related to genes, race and human history.

Individuals commonly look upon themselves as being the physical body. Thus they polarise their existence upon their family culture and history. At the same time they tend to look at outsiders who may be distinctly different in colour, appearance, religious embracement and culture as being unacceptable.

We are not our physical body. And we are not of the nature and personality that our biological parents are. We each are a unique and beautiful soul connected by cords of light to a spirit body that is the template of the physical body that comes about by the commingling of the life forces of the body's physical parents. We are attracted to the newly forming embryo. Each and every one of us could have been drawn to be individualised into any family on the planet. We are individuals who commence our self awareness at the time of conception of the physical body of a baby as it commences its short life.

By being attracted to a specific race, culture and that family's religion does not make us any different to anyone else, other than the view we take on board for our physical life's journey. Think of how you would like to be treated. Then treat all other people the same way. Progress in love by developing loving kindness toward one's self, then to a good friend, then to a neutral person, then to a difficult person, and finally toward the entire universe of life!

GOD's Divine Love is always available to you, should you ask for it:

“Our soul is a container and if it is full of error that it must be willing to empty before it can receive something new. Revelation is to shed light on the errors and the hidden agendas to demolish the castle of pain, renovating the space in readiness for the transformation of Divine Love. We won't grow in love until we are willing to surrender our pride and be the emotional being God created.”

This misunderstanding noted above is common.

The misunderstanding arises from a limited understanding of unconditional love (God's love). This leads us into focussing on our errors and seeking love as a result or consequence of elimination of errors.

The very nature of love is nurture. Love cannot exist without the effect of nurturing. This is what Motherhood is all about. This is why love is so powerful and must always be the primary objective; not removal of error. To focus on error does not produce the joyful experience one should feel as we move towards a greater understanding of love. Always the focus should be on love, because in truth there is nothing else.

As we focus on love, (with humility) our errors start to stand out so obviously and they become easier to remove. The whole process becomes joyful.

To take it a step further, once we focus on love, we may start to understand that in reality we have a somewhat limited 'free will'. The increased love we experience more and more reveals the errors to us and we have no option but to see and remove them. However, in truth we are only love, which has been sullied by the illusion of error. When we start with the premise that we are truly just love, we can only approach the unloving aspects (illusions) from the viewpoint of love. The approach many suggest is to give the error reality, which it hasn't, and then try to proceed to love from a starting point of error. This cannot be a suitable foundation to try to grow from. It is in truth, absolutely no foundation what so ever.

Encourage friends who may be interested to try this experiment: Before dropping off to sleep in your comfortable bed, lie prostrate facing the ceiling and ask for the love of God – God's Divine Love to flow into you. The most common response has been that they were overwhelmed with the feeling of warm, fulfilling joy that filled their being.

(2018.1) ^{188:5.2} **Divine Love does not merely forgive wrongs; it absorbs and actually destroys them. The forgiveness of love utterly transcends the forgiveness of mercy. Mercy sets the guilt of evil-doing to one side; but love destroys forever the sin and all weakness resulting there from.** Jesus brought a new method of living to Urantia (Earth). He taught us not to resist evil but to find through God a goodness which effectually destroys evil. The forgiveness of God is not condonation; it is salvation from condemnation. Salvation does not slight wrongs; it *makes them right*. **True love does not compromise nor condone hate; it destroys it.** (The Urantia Book)

(2018.2) ^{188:5.3} **The beauty of Divine Love, once fully admitted to the human heart, forever destroys the charm of sin and the power of evil.** (The Urantia Book)

Feelings first

HEALTH and HARMONY of the BODIES:

Man suffers from evil and error and disease.

First arises the necessity of understanding how, and by what means these things came into existence, and then it will become easier for the understanding of the means and the way by which they may be eliminated from the life and apparent nature of mankind.

These things, foreign to God's creation, were created by man alone in the excessive and unlawful exercise of his will power in following out the suggestions and desires of his animal appetites, which unduly asserted themselves when man lost a part of his spirituality by his disobedience. Man must understand that these excrescences (morbid outgrowths) to his perfect creation are real and existing, and result in his own damnation and alienation from the good, and are antagonistic to his original and natural condition of perfection – and that they cannot be swept out of existence by the mere assertion that they are not real.

Man must understand that they are the creatures primarily of the inordinate exercise of the animal appetites and desires, and not of the exercise of the mind, and that they are to be eradicated by the same process in reverse order as was used in their creation. The purity of his true being is always besmirched (soiled) by the impurities of his own artificial being, and always will be, until he eliminates these impurities which, as to him and to his fellow man, are real, persistent existences.

As sin and evil are not the creatures of the spiritual desires, but wholly of the animal, then to eradicate from man's being these things of evil and sin, the efforts of man must be directed towards the supplanting of the unlawful and inharmonious animal desires and appetites, by appetites and desires arising from the same source that is in harmony with the laws creating this very source.

The loss of the spiritual aspiration, or the perversion of the animal appetites, similarly causes man to become out of harmony with our Mother and Father's laws. Man in order to become free from these foreign parts of his being, must strive, not by a denial of their reality, but by the effort to supplant them. Man is a creator as well as a creature, and as these things are the creatures of man alone, then so far as the being of man is involved, they have a reality which will persist until their creator – man – has destroyed them. Jesus 9 July 1916

Only by man longing for, asking for, and receiving the Love of God and longing for the truth of his emotional errors will man be assisted and be able to remove that which is disharmonious to his bodies and rid that which is in error and sinful and disease from his bodies.

Harmony within one's soul brings about harmony in one's bodies and a healthy body. Feeling Healing with the receipt of God's Love, Divine Love, slowly but steadily brings about health to the physical body.

LUMINOSITY of the SOUL grows with LOVE:

DIVINE LOVE is a SUBSTANCE

Angels actually do not have wings.

One's soul can grow from the condition of a dark dried up pea to that of a Celestial Angel by asking for and receiving Divine Love. Divine Love changes the essence of the soul to that of the Divine. Nothing else can do this.

**CREATOR,
MOTHER,
FATHER,
GOD.**

Father
Mother

Divine Love is delivered through the Holy Spirit, should you ask for Their Love.

Your soul can be likened to a plasma ball.

Soul releases errors and negative emotions via one's Feeling Healing with Divine Love.

Dear Friend,

Pascas WorldCare – Introduction to 100 Years of Spiritual Teachings

Our search to understand ‘how to treat the cause of illness rather than just treat the symptoms’ at first, appeared elusive. As it became understood and then obvious that particular emotional issues affected the physical body, in particular regions and organs, then came the question of how to remedy and remove those emotional negative issues.

Negative, or man made, emotions can be addressed with great personal perseverance, however, the outcome is most likely not to be permanent, we relapse.

In July, 2009, we were introduced to the Padgett Messages. These are profound teachings of truth, readily confirmed by applying Dr David Hawkins’ method of kinesiology muscle testing in conjunction with his Map of Consciousness. Some of the historically recognisable authors / writers throughout these messages are:

Jesus of Nazareth	Andrew (the Apostle)	Bacon, Francis
Barnabas	Caesar, Julius	Calvin, John
Clement (Saint)	Cleveland, Grover	Constantine
Cornelius	Eddy, Mary Baker	Elias (the Prophet)
Elizabeth I (Queen)	Elizabeth (cousin of Mary)	Galileo
Goliath	Gregory (Pope)	Herod
James (the Apostle)	James (the Less)	Jefferson, Thomas
John (the Apostle)	John (the Baptist)	Joseph of Arimathea
Josephus	Judas (Iscaiot)	Lazarus
Lincoln, Abraham	Luke (the Apostle)	Luther, Martin
Mark (the Apostle)	Mark, John	Mary (the Mother of Jesus)
Matthew (the Apostle)	Moses (the Prophet)	Napoleon
Nero	Paul (the Apostle)	Peter (the Apostle)
Plato	Samuel (the Prophet)	Socrates
Solomon	Stephen (the Martyr)	Swedenborg
Thomas (the Apostle)	Washington, George	Wesley, John

Within this initial set of teachings of some 1,500 messages are the writings of more than 250 authors. These works continued from 1914, and continue today:

	(available through www.lulu.com)	
Padgett Messages (Book of Truths by Joseph Babinsky)	1914 – 1923	693 pages
True Gospel Revealed anew by Jesus Vol I, II, III, IV	1914 – 1923	1,840
Revelations via Dr Daniel Samuels	1954 – 1963	
New Testament Revelations by Jesus of Nazareth		155
76 Sermons on the Old Testament		190
Judas of Kerioth published by Geoff Cutler	2001 – 2003	676

DIVINE LOVE HARMONY:

Immortal harmony:

Transformation of the soul is a beautiful harmonious gradual awakening.

In a gradual way with the Divine Love and Feeling Healing, as changes in the soul and spirit body occur, these changes will result in the personality slowly accepting the source of these changes as being the Soul God and with the independent will, one can have complete acceptance of our Heavenly Parents, Mother and Father, God.

People have loved God and felt loved by God and they have in deed received the Divine Love without ever knowing the truthful identity of this Love insofar as the truths relating with its causality in the human soul and affect upon the spirit-mind.

Part of the nature of the Divine Love in our souls is that it activates our spirit body systems and soul so that the nature of God is seen and experienced in the living and this places us in touch with the many Spirit attributes that extend from God and have their existence in God, such as our Indwelling Spirit. God no longer remains inactive to us; inert, inanimate, or an unknown but rather a Soul of living energy whose energy in the harmonies of Love and Spirit, is personified as love that we experience. If I can convey the essence about the nature of Divine Love it is that in its energy, exists the harmony and potential so that one can see the potential that this Love brings to bridge the gap of separation between the individual and God by the harmonies of soulfully living.

The Divine Love completes the form of the human being.

In essence, one need only direct their soul and the heart of their soul to our Heavenly Parents, the Soul being God, and in this faith one can experience the Love by humbly asking for this Love. This is all that is needed and the touchstone upon the Love's approachable nature.

The Love is never harmful or given by God that results in a caused effect of disharmony in the individual. The diversity of human individuality is a great characteristic of human nature and as with experience, one needs experience to ascertain a truth about a certain thing. Experiencing the Love provides a substantiated knowing from which a more objective reasoning follows and a maturity happens.

JESUS' GOSPEL in FEW WORDS:

It is easy to summarize Jesus' gospel in few words: "God is Love. He offers His Love to all His children, that is to say, to all humanity. Moreover, He is always a personal God who invites us to enter into contact with Him, should we wish to do so. He will listen to us and He will answer."

~~~~~

God is the Source of Truth. And if you want to discover Truth, go to the Source, and do not be satisfied with second or third hand information.

The only way to find Truth is to experience it for yourself and in yourself. What you may experience, and thus verify, in your heart — is a great truth. Judas 6 May 2002

Man is composed of three essentially different parts: the physical body, the spirit body, and the soul. Of these three components, the physical body is characterised by its fleeting nature, for the numbered days of its existence. In fact, it only fulfils the purpose of integrating the soul into a material world, facilitating the interaction of man's spiritual part with the coarse matter environment that surrounds him.

The spirit body is composed of a different kind of matter, "finer" or more "ethereal". The fact that its aspect reflects the condition of soul is a clear indication that the soul influences largely its formation, and even more, the soul is indeed the creator of this body, which covers it and provides it with the characteristic of individuality. The formation of the spirit body begins at the moment of incarnation of the soul in the foetus, incarnation which only takes place should there exist a high possibility that the spirit of life has found in the new organism a stable biological structure, allowing it to carry out its life-giving function.

The soul, lastly, is man's only part that resembles its Creator. This why we also refer to God as the Great Soul or the Oversoul.

When the human soul receives the Love of God – His Essence – it becomes a divine soul. This is called soul transformation, culminating exactly at the moment when this process consumes the last vestiges of the natural soul, in the New Birth. Judas 8 May 2002

Our message is simple: God is Love, and He shares it with all who so desire. Judas 13 May 2002

God is Love and is willing to share this Love with all His children, that is to say, with all humanity.

The Heavenly Father's Love is not a simple feeling, but rather it is His Substance, or the Essence of Divinity, that distinguishes itself by attributes, as any substance does, and what we call "unconditional love" is but one of these attributes. Judas 16 May 2002

**Note:** Following the writings of James Moncrief, one could consider that any reference to the Father, by other relevant writers, may be read as a reference to 'our Mother and Father'. Further, when considering soul healing, then reference to Divine Love could be referred to as 'Feeling Healing with Divine Love'.

**UNIVERSALITY of our HEAVENLY PARENTS' GIFT:**

**By embracing the eleventh commandment:**

**"This is my commandment, that ye love one another even as I have loved you."**

**Golden Rule: that one must always honour another's will as one honours one's own.**

**Our soul condition steadily grows in love so that we step away from:**

**Any harm that we may cause to others which will also bring about consequences.**

**Also as our soul development progresses, our self love grows which also enables us to step away from:**

**Any self harm that we may cause which also will bring about consequences.**

**And to move along this path we simply develop our embracement of:**

**God's Divine Love; pray for it, ask for it, and receive it.**

**Or it may be even as simple as the caption below:**

**Oliver Twist asked:**

***Please, sir, I want some more!***

**Maybe we could simply ask:**

***Please, Heavenly Parents, I want some more!***

***Never can one man do more for another man than by making it known of the availability of the Feeling Healing process and Divine Love. JD***

## **Feeling Healing – Healing yourself through your feelings.**

- ✓ **Your feelings are the real and true you.**
- ✓ **If you are denying any feelings you are denying yourself.**
- ✓ **If you are denying yourself you can't ever be truly happy.**
- ✓ **To heal all your pain and suffering, you can look to your feelings for why you are feeling bad.**
- ✓ **If you want to know the truth of yourself, then it's your feelings you will need to look to.**
- ✓ **Your feelings hold the hidden keys to unlocking the truth of who you really are.**
- ✓ **Uncover the truth of yourself through your feelings and you will know why you feel all you do.**
- ✓ **Everything in life, why all that happens to you does, and everything about yourself, can be explained to you through your feelings.**
- ✓ **Why your relationships might not be as good as you would like, why some might fail, you will understand through your feelings.**
- ✓ **How to live a good, true, happy and loving life will come to you as you start paying attention to all your feelings.**
- ✓ **However you will also have to pay attention to all your bad feelings, and this can be very harrowing.**
- ✓ **By honouring – accepting and then expressing all the bad feelings you feel, you will slowly bring to light all the reasons why you don't feel good.**
- ✓ **And as you liberate yourself from these hidden repressed bad feelings, so you will start to feel better and better about yourself.**
- ✓ **It's a process, and it can take time, years possibly, but all that's hard will eventually pass becoming good.**
- ✓ **Expressing all your feelings, and particularly your bad ones, whilst longing and really wanting to know the truth of why you're feeling them, is doing your Feeling Healing.**
- ✓ **You can Heal yourself through your feelings. And in fact, it's the only way to really heal yourself.**
- ✓ **And if you wish to do your Healing with God, you can also long for God's Divine Love.**
- ✓ **Feeling Healing – Using your feelings to heal yourself.**

## Manifesto of Divine Love:

1. We love one another as Mary and Jesus, our spiritual parents, love us. And so we seek their Spirits of Truth.
2. Our all loving Heavenly Parents, our Mother and Father, we love and honour at all times.
3. We worship only our Mother and Father, God, and Creator of all things.
4. We treat our Creator's name with respect and love, and earnestly seek Their Divine Love, and at all times pray for It, ask for It, and receive It.
5. We set aside a regular day each week for Sabbath rest and worship of our Heavenly Parents, God, and seek Their Love so that we may grow closer to Their fountain head of Truth and Love.
6. We are to be as we feel, even if it's sinful, but in doing something that is not in alignment with God's Love and Truth will make us feel bad, that is provided we allow ourself to feel our bad feelings, and so we can then use our bad feelings to find out the truth of why we feel bad and why that thing we have done is bad. We embrace our Feeling Healing.
7. We strive to cause no harm to another, nor cause any harm to one's self. We do not do to others what we would not have them to do to us. We treat our fellow human beings and all living things, and the world in general with love, honesty, faithfulness and respect. Violence, at any times, is never justified. Golden Rule: that one must always honour another's will as one honours one's own.
8. At all times in our intimate relationships we strive to express and live true to all our feelings, all so we can use our feelings to uncover the truth they are trying to show. The truth of ourselves, of our relationships, and the truth of everything else, including God.
9. We do not covet or steal anything that does not belong to us. Honesty in all communications, actions, undertakings and activities in all facets of life is our rule of life.
10. In all that we do, we are to be truthful. We are non-judgemental, for none of us have the capacity or authority to judge another. We are always ready to forgive all wrongdoing.
11. We do not desire anything or anyone that does not belong to us. Comparing oneself to others and longing to have what they have leads to errors. We are to be content by focusing on the blessings our Heavenly Parents, who made us in Their soul's image, provides for us.

**Prayer:**

Your relationship with God is between you and God. To communicate with God is very simple, just feel your feelings. And how you get communications from God is to feel your feelings that come back in return.

Things only get shut down only when we resist.

The sincerity of any prayer is the assurance of its being heard. God answers the soul's attitude, not the words.

Prayer is designed to make man less thinking, but more realising. Prayer is not designed to increase knowledge but rather to expand insight. No sincere prayer is denied an answer except when the superior viewpoint of the spiritual world has devised a better answer, an answer which meets the petition of the spirit of man as contrasted with the prayer of the mere mind of man.

Prayer: is emotional exchange with God

Divine Love is the Great Gift that God desires to give to the heart-soul that asks, yearns and seeks for It. It is unconditional Love *conditionally* given that requires no preparation. It is conditional only because Divine Love cannot and will not be given to any person without that person first asking and yearning for It.

The opening up of the soul permits a permanent exchange with Divinity, a permanent recharge of this healing energy that allows not only the re-establishment of lost health, but the continuity of health, providing such a perfect balance, even in the physical body, that noxious agents like bacteria and virus cannot find any opportunity to unchain pathological reactions, which we commonly call illness.

But it is true that people without the benefit of Divine Love would lack the protective shield, which the intrinsic healing energies of Divine Love provide for those who pray for our Heavenly Mother and Father's Grace.

**WORLD PEACE only with FEELING HEALING and LOVE:**

Nothing will bring world peace and harmony onto this planet but the embracement and infusion of the Mother and Father's Love, Their Divine Love, together with Feeling Healing, by all of the people throughout all the communities, all faiths, around the world. Only Their Love is the substance that will progressively and with certainty remove from each of us those erroneous emotions that bring about fear and disharmony.

The awareness and embracing of the Love has no barriers, it is available to all. All faiths and spiritual practices can and will be invigorated and strengthened by the understanding of the availability of the Love, with Feeling Healing, the sharing of how to receive it, and by the knowledge of what it provides, particularly how one's soul condition develops with the Love.

The Love is the greatest gift in the entire universe. The universality of the Love will bring about global celebration of the harmony that will result between all and the benefits to all individuals, which are far too numerous to comprehend.

With FEELING HEALING and the LOVE will come the greatest advancement in the history of humanity. Nothing is surer and nothing will prevent this, just our resistance will delay this.

The time is ripe for us all to consider, embrace, enjoy, and share with all, our family, our neighbours, our friends, our associates and any one that we may connect with.

**Treat the cause rather than the symptoms, this is the focus of Pascas Care.**

### PASCAS CARE PLAN – 30 Years

The underlying cause of individual unhappiness and discomfort is seated within held beliefs in the form of erroneous emotions. These life degrading emotions are of a low frequency and are easily identified, located and removed from the essence of any person who is open to take the small steps required to release such negative emotional balls of unwanted energy clusters.

Harmful negative emotions are those that calibrate under 200 on the Map of Consciousness (MoC). In this we are referring to the emotions of pride, anger, desire, fear, grief, apathy, guilt and shame – see charts pages 7, 8, 9. These low frequency, very low frequency, and ultra low frequencies emotional energy fields or balls, if held within the body and not released, will create pain and ultimately generate a physical illness in the body. They can be easily removed. This process can be taught to anybody, including children and all the way through to senior citizens.

If you look at the two charts above you can see that those who are embroiled in their emotions which drag their overall energy down below 200 on the MoC, then their life expectancy is typically 10 to 20 years shorter than for those whose energy calibrates over 400. Further, our reported illness episodes are much more frequent. We then overload our medical services and crowd our hospitals.

Further, we are then prone to join unemployment queues and prisons after over stretching our policing services. They have fewer financial resources and their life is often reflective of a living hell.

Nuclear Engineer Mehran T Keshe has scientifically identified emotions as being complex, vibrational, rotational plasmatic balls. All plasma has magnetic and gravitational fields. Though the medical industry cannot 'see' these festering damaging energy clusters, they are easily identified as to what they are and where they maybe in the body, and also due to their magnetic fields, easily removed well before they cause physical harm to the body. During an illness episode, as at any other time, they can be removed to assist in permanent recovery.

Each negative emotion has its own frequency, specific emotions are attracted to specific organs, using kinesiology, one can locate where that emotion is lodged and even its size. Then that emotional energy ball can be removed. If it is not removed during the medical treatment, then it remains there to bring a reoccurrence of the illness or a similar illness. Now you know why the medical world is so frustrated.

Most negative emotional balls become stuck within our being during our very early childhood, we may go on and feed this emotional creature all the way through to our retiring years before it creates a physical illness. In the meantime this error of understanding (emotional injury) causes difficulties during our life, making our life miserable from time to time.

Young children can be taught to recognise emotional injuries and how to release them. One very successful program is that developed by Brandon Bays called 'Journey for Kids'. The Emotion Code

developed by Dr Bradley Nelson covers many more facets of our health and is also easy to introduce to members of the family so that the whole family can have these capabilities on hand at all times.

### **Further non drug based complementary therapy examples:**

**Ibogaine Therapy:** Observations are that Ibogaine, a herb from the Iboga plant, takes you off every addictive substance without withdrawal symptoms, including opiates, heroin, ice, amphetamine, methadone, marijuana, nicotine and alcohol addictions. Treatment program is two weeks with only the first three days requiring nursing care 24 hours a day.

**Ozone Therapy:** Ozone, when used in appropriate proportion, subtle medical supervision and with sophisticated machinery, ozone can be more effective than many other pathological treatments. That being said, there has been less research into this field mainly due to lack of interest and acceptance regarding the effectiveness of this form of therapy. As per a recent survey, there have been 5 million ozone treatments worldwide and of which a staggering 96% were acknowledged to be effective. The range of illnesses that can be managed with ozone is staggering. Ozone is extracted from the air during the treatment process, as with Ibogaine Therapy, no drugs or pharmaceuticals are involved. There are other complementary health programs such as these that are suppressed due to the lack of need for pharmaceuticals. These and many more options complement existing health practices.

Much of our health care industry is stifled due to suppression of low cost complementary therapies.

### **Pascas Care – potentially the lowest cost health care system through embracing Feeling Healing and our Mother and Father’s Love.**

Removing the causes of illness, particularly well before the advent of an illness episode, achieves the following:

- Reduces the strain on over extended medical services.
- Reduces the cost of health care to society.
- Increases the volume of workable hours by those in society due to high quality health.
- Improves the quality of life of those assisted and of those around that person.
- Due to the release of negative attitudes / emotions, social unrest is reduced.
- The burden on policing forces is reduced.
- The populations in jails are diminished.
- Financial stability is improved for those who now can assist themselves with health management.
- Suicides are avoided.
- Abortions are less likely.
- The quality of one’s life and expectancy is extended.

All of these benefits flow from the time involved for educating anyone to the point at which they embrace this fundamental right to be empowered to grow in love and joy. By far the greatest gift we can provide to our fellow man is the awareness of the availability of the Feeling Healing process together with our Mother and Father’s Love.

## The CHOICE is OURS to MAKE:

### Celestial Truth:

Truly all-loving;  
 Living true to oneself;  
 Mind supporting Feelings;  
 Living with the Divine Love;  
 Fully Healed of the Rebellion and Default.

### THE FEELING WAY

Feeling – Ascendance  
 Unlimited progression

- Living true to your untruth;
- Honouring all your bad feelings;
- Expressing feelings to uncover their truth;
- Healing the Rebellion and Default within yourself;
- Feeling unloved; being unloving;
- Feeling as bad as you can feel;
- Feeling like you are no one special;
- Longing for the Divine Love.

### THE MIND WAY

Mind – Transcendence  
 Limited progression

- Enlightenment, Nirvana, feeling all-loving;
- All false, mind-contrived. Anti-truth, anti-love;
- Still evolving the Rebellion and Default within yourself;
- Feeling and believing you are the Superior One;
- Living with your mind in control of your feelings;
- Living rejecting all your bad feelings;
- Living with your mind contriving you feel loved;
- Rejecting the Divine Love.

All religions, New Age, agnostic,  
 atheists, no spiritual interest,  
 Living the Rebellion and Default.

Hell:  
 Exploiting the Rebellion and Default.

The Feelings are the doer; the Mind the teller. So we are to go with our feelings, which we can't be told to do with our mind. So the longing for the Divine Love, doing our Healing by expressing our feelings and longing for their truth, are all feelings and doing it with longing. Whereas the mind just wants to tell us what to do and how to be, no feelings in it, all how our parents have treated us.

## Our FEELINGS are our SUPREME GUIDES:

**Feelings are what guide us through our ascension of truth. So they are really our Supreme Guides.** Many people look for a person, spirit, angel, even God, for supreme guidance, however it's all right there already built in – in our feelings. **We just have to submit to them, allowing them to take us where they will, expressing all the parts we want to express, letting the emotion drive that expression if it's there to be expressed, or just talking about all we feel and how feeling that feeling is making us feel – or, how we feel about having that feeling, all whilst longing for the truth of our feelings. Longing for the truth of our feelings is really: Longing for the truth of our self, because: we are our feelings. So life stirs up our feelings, we feel being alive; or, being alive means we are feeling, always feeling; and when we work out what and why we are feeling what we are, so then we know the truth of how we are. And over time the truth accumulates, and our mind expands our understanding of ourselves, all being driven from our feelings.** Kevin 26 Sep 2017

### **Using our feelings to uncover the whole truth of our negative or anti truth and anti love state.**

Kevin: **So whilst we're of an untrue state, then all we have got to help us understand why we feel bad, why we are wrong, why we are negative and anti love and truth, is our feelings. So if we focus on our bad feelings, they will lead us to the truth of why we're feeling bad. Which will be the truth of what happened to us to make us be this wrong way, and how we took on the wrong way and keep it going making us feel bad.**

## **FEELING HEALING**

**Note:** The vital difference between emotion and feeling is that emotions have their roots in the past, and feelings relate to the present moment. Emotions represent our feelings which were not previously expressed, and these accumulate with time.

**Note:** **Our feelings are soul-based. Our soul is always in truth. It is our soul based feelings, that when allowed to be freely recognised, we will begin to express and be who we are. This takes time and perseverance as we have encrusted our souls with layers upon layers of errors and false beliefs, it is these layers that will confuse the truth that our soul is conveying to us. Only by our progression with our Feeling Healing will our soul's expression of truth become clear and free of all cloudiness and contamination.**

“What our soul needs in accordance with our own, individual, **Soul-Light-Plan-Of-Destiny** (your life's true destiny plan), They, being our Mother and Father, will give you as required. The only way we can know truly what we need is to honour and follow our true feelings. They, springing from our soul, literally telling us what we need, and so when we genuinely feel we need something, we apply our will to get it. The hard part is knowing if our feelings are true, and until we have done our whole soul-healing, they won't be clear and total true.” James – Introduction Course to Divine Love Spirituality

The whole human race is suffering from repressed childhood and mind control.

Be controlled by your oppressive mechanical mind, or set yourself free through your feelings and allow your soul based truths to surface. Allow your feelings to be felt, and seek the truth of them. This is how we can all evolve in love.

Our minds are infused with childhood injuries and errors. Only by expressing them as they surface, and finding the truth of them that we set ourselves free and grown in love.

ERROR INFLICTED MIND V

TRUTH LOVING SOUL

## **WE ARE TO BE OUR TRUE SELF – OUR SOUL BASED FEELINGS!**

**We are to use our feelings to uncover the truth of ourselves. Just how important are each of our feelings? Well really, they are ALL as important; as in, nothing else in life even matters other than what we are feeling.**

**We are all so conditioned and used to living with our mind in control of ourselves, that many of our feelings, and mostly so many of our bad feelings, we dismiss or shut out and refuse to deal with. We should go the other way in life, so instead of denying so many of our feelings, trying to acknowledge them all, to bring them all out, every last bad one, even if means stopping everything else and attending to them; and by attending to them is to make sure we express them, speak about them, the whole idea being not to keep suppressing them, to make sure they come up and out of us as we feel them.**

**Along with this: we are to long for the truth of our feelings; as in, the truth they are wanting us to see about ourselves, because apparently hidden or behind or within each feeling, is something it's trying to tell us about ourselves. And that is how God wants us to live – it is to live a true spiritual life.**

**We are not meant to be alone, we are to have someone with whom we can share our whole self with, telling them all we think and feel. If you do not have a companion, talk it out loud to your Heavenly Parents.**

**If you feel a bad feeling, you don't let it pass, you stop with it, focus on it fully accepting it; and with the emotions of it, express it the best you can; and then at the same time, long for the truth of it – want to see what it's all about – why you're feeling it.**

**There are hidden deeper underlying causes in us that will come to light as to why we're really feeling bad. So we might, for example, be angry with something that's happening in our life now, but as we express that anger, longing for the truth of it, it will lead us back into our earlier life connecting with the same anger we felt about other things; and then back even deeper into connecting, or it should be reconnecting, with anger we felt with our parents when our parents treated us badly.**

**That means there will be a lot for us to deal with if the bad feelings we're feeling now are also going to lead us back into buried bad feelings from our past.**

**Sage and the Healing Angels of Light by James Moncrief**

# FEELING HEALING + SOUL HEALING

To heal one's self is to simply look to see what feelings we are refusing to let ourself feel, and accept them instead of denying them. And to fully accept them, one needs to express them, speak about them, let them have their say, rather than pushing them aside, refusing to let them make you feel bad.

Doing this all with the intention of seeking the truth of why you are feeling them, of speaking about and expressing all such feelings; all feelings you have, but ALL WITH the INTENTION of UNCOVERING the TRUTH THEY WANT YOU TO SEE ABOUT YOURSELF. And it's the wanting to see the truth of them that is very important, because if you just look to accept them and speak and express them, but not seek their truth, then that's all you'll be doing, speaking and expressing them, but not healing their causes, so not fixing the things within you that are making you feel bad. And it's the truth part of it, seeking the truth of your feelings, and so, seeking the truth through your feelings, that's vitally important. It's the truth of yourself, life, nature and God, that is the spiritual aspect to it all.

You CAN'T find the truth of yourself, or anything else, through and with only your mind. You HAVE to engage and look to your feelings. And so if you choose to allow your feelings to 'Show You the Way', then the truth will come as you express them. So to do our Soul-Healing consists of these steps, all of which are ongoing until it's done:

- **Admit you are feeling bad.**
- **Accept your bad feelings, identify what they are.**
- **Honour fully your bad feelings by expressing them, speaking about them to someone who is willing to hear you talk about them, or tell them out loud to our Heavenly Parents. Long for the truth of them. Long for the truth of why you feel bad – what deep within you is causing your bad feelings?**
- **And remember, bad feelings are Good! Not bad. They are not to be despised. And as hard as it is to accept them, they are still you, and a very real part of you. And if you persist in denying them and not allowing yourself to fully live them, then you are only going to keep yourself in your errors making things harder for yourself.**
- **All sickness and suffering, all bad things that happen to you, all your problems, all your addictions – your whole feeling-denying and untrue life, is all caused by your denial of bad feelings.**
- **Every problem in the world is brought about because everyone has been brought up to deny feelings, and in particular, most of their bad ones.**

If one is intent on spiritually evolving and growing in truth, then it's vital, and this is the key, that one looks to use one's feelings as the means to gain and have access to the truth of oneself. You CAN'T find the truth of yourself or anything else through and with only your mind. You HAVE to engage and look to your feelings. And so if you choose to allow your feelings to 'Show You the Way', then the truth will come as you express them.

Doing your Soul-Healing with the Divine Love, is really doing your 'Feeling-Healing'. We are designed — created — to be self-revealing of truth, and so we are all to uncover the truth within ourselves and for ourselves, and all being done by living true to our feelings. **If you accept, express and seek the truth of your feelings, then truth will come to you, and you'll grow spiritually. It's as easy as that. Also it is as easy as it is to long for, ask for and receive Divine Love.**

THE HEALING OF YOUR BAD FEELINGS THROUGH THEIR ACCEPTANCE  
AND FINDING THE TRUTH OF THEM, IS THE ACCEPTANCE OF YOUR  
NEGATIVE, REBELLIOUS, EVIL, IMPERFECT MIND AND WILL CONDITION.

To do our feeling-healing we need to become:

Aware of – Acknowledge – and Admit, our bad feelings.

So we can:

Accept – them and allow ourselves to Be them.

And then if we feel to, take:

Action – Express, speak and emote them.

Talk about them.

All being done whilst longing to, really wanting to, see the TRUTH of our feelings.

So it sounds simple.

So I repeat:

We accept our bad feelings by expressing – speaking about them to someone willing to listen to us and take us seriously. And as we speak we long for the truth of them – why we are feeling them – to be made known to us. And when we uncover and see the truth we are FREE! – healed of the causes that have made us feel bad.

Accept, Express – see the Truth, and you're Free!

ACCEPTANCE OF ALL YOU FEEL, THINK AND ARE, IS THE KEY TO DOING  
YOUR HEALING; THAT, AND WANTING TO SEE THE TRUTH OF ALL YOU  
FEEL, THINK AND ARE.

**Release one's pain through expressing one's feelings.**

**in conjunction with**

**Longing for the Truth when also longing for Divine Love.**

# Feelings First Spirituality

## The New Way

**Feelings First**  
**FF**  
**Feeling Free**

The New Way, Feelings First Spirituality  
 Learn to live with God through your Feelings

Accept, express and long for the truth of your feelings

Be free in your feelings  
 Free your feelings from your mind's control  
 Live true to your feelings; your feelings are your true self  
 Live true to yourself through your feelings

Live true to yourself by living true to your feelings.  
 Long for the truth of your feelings.

Accept / Express / Bring out ALL of your good, and most importantly,  
 BAD feelings.  
 Want to understand why you're feeling them.  
 Use your surface feelings to take you deeper into your repressed and  
 hidden feelings.

The Feeling Way is the True Way.  
 Your feelings are your spiritual guide.  
 Your feelings will take you to God.

Your feelings will show you the truth of your relationships, including your relationship with God; and if anything is wrong, untrue and unloving, then why it is.

Our feelings are sacrosanct and we should respect them accordingly. And we should NEVER block them out, ignore, override, banish, deny or reject them, because if we do, we're only doing that to ourselves, as Our Feelings Are Our Self.

Our feelings are the gateway to our soul. Our feelings are the closest we can get to our soul. Knowing the truth of our feelings is knowing the truth of our soul, and knowing the truth of God.

Feelings First Spirituality is the True path for humanity.

It embraces all people.

It completely unifies the world.

Everyone can relate to everyone else through their feelings.

And we can all live the truth that comes from our feelings, all sharing the same truths as we express and have the same feelings.

No one need be left out; no one is more special than anyone else – we are all united in Truth through our feelings.

So with and through our truth we live our lives, therefore without the need of any man-made mind-laws, rules and restrictions that limit self-expression as inspired by our feelings.

The New Way, Feelings First Spirituality is what is to replace all man-made, mind-contrived religions that so many people have enslaved themselves to. The New Way, Feelings First Spirituality will set us free of all that control, ending the Rebellion and Default within ourselves as we do our Feeling-Healing, and ending such control and spiritual stagnation in the world.

Bring on the End Times – get it over and done with! Let's all see that Jesus is not going to come again, that Prophecy has failed all the mind-controlled platforms. Allow such false systems of belief to die their long-awaited natural death, they've overstayed their welcome, it's now time they fade away. So let us show such antiquated, erroneous systems of belief the exit and bring on the fresh liberation of discovering the truth of how we are to live for ourselves, each of us personally in our lives, and all by looking to our own feelings for it. Self-revelation through our feelings is the way to go.

The Way of the Mind is ending, and is really the End Times – the End of our mind control, and **it's about time!** With the Way of our Feelings replacing it.

The End Times means the end and therefore a New Beginning. And that new beginning is a whole new Spiritual Age – an age based on self-revelation of truth through one's feelings, coupled with and supported by higher revelations from the Celestial spirits, angels and nature spirits.

The Feelings First Spirituality is the True Way to God because it helps you get to know God, helping you to reach out, connect and be personal with God, and do God's Will, all through your feelings. It is the only true way of getting to know the God of Feelings – our beloved Heavenly Mother and Father, the Great Soul of Divine Love.

Love comes through our feelings and not our mind, as we've all been wrongly led to believe.

# REVELATIONS

**Revelation 1:** Our soul becomes encrusted with harmful ways of life, plus negative and erroneous beliefs, these mainly stem from our childhood upbringing and environment. Thus we live untrue to ourselves, we become 'evil'. Whilst we hold to these injuries we limit the amount of Love that we can receive into our soul. To open our soul to the Love we must firstly and progressively feel into our emotional injuries and allow them to be released. Until we emotionally experience past errors and injuries we hold onto them.

To free our soul of damage and toxic emotions we must open ourselves to experiencing them. This is a progressive, slow and uncomfortable cleansing process that we must all experience. Only by addressing the generational injuries will we, as humanity, evolve in love.

To fully divest one's self of our badness, we have to 'go into' our feelings. Call this process of clearing toxic emotions as 'Letting Go', 'Emotional Processing', 'Journey Process' or 'Feeling Healing'. Embracing Divine Love then Feeling Healing becomes Soul Healing.

As part of our Feeling-Healing we will have to work our way into all our feelings to see if indeed they are coming truly from our heart and soul, or if they are being heavily influenced by our mind. And this will then lead us into questioning and uncovering the truth, if there is any, to our beliefs and why we behave the way we do; and is such behaviour based on truth, or is it based once again on untruth, belief, and rules of our mind.

**Revelation 2:** We can long for, ask for and receive the Mother and Father's Divine Love. The greater our soul is free of error and injury, the more of the Divine Love can be received and assimilated into our natural love formed soul. The Love does not free us of injury, however, it strengthens our resolve to continue on our journey to be free of error and injury, to step away from evil aspects that have been encapsulated within our humanness and soul. It is this Love, the Divine Love, that brings about immortality of our soul and it is this Love that will eventually fit us to enter the Celestial Heavens and progress for ever more onwards to Paradise. These two revelations free us from error and enable us to grow in love ever more.

# Steps UP!

## Quantum Jump 1

**REVELATION 1**  
James Padgett 1914 – 1923

James Padgett bravely introduced the availability of the Mother and Father’s Divine Love and a great deal of additional guidance and information, all of which has been supplemented by Samuels, Judas, Reid and Arnold. All writers were under restrictions of personality and circumstances. Revelation 1 opened the door for humanity.

## Quantum Jump 2

**REVELATION 2**  
Marion and James Moncrief 2002 – ongoing

Marion and James Moncrief have recognised the need for one to engage in Feeling Healing and, by their actions, removed restrictions that James Padgett and others above endured, thus JM is able to critique the writings of the past 100 years resolving points of confusion as well as expand on what has been written. Revelation 2 is humanity’s turning point.

Due to the extra-ordinary nature of Revelations 1 and 2, humanity with the first Revelation would have continued on into its negative pathway of living, however, combining the first Revelation with Revelation two, now humanity can embrace this turning point and commence its evolutionary growth that has required two thousand years to put in place. This is the greatest event in the history of humanity and very few are aware of such, until we enable others to become aware.

**UNIVERSALITY of the LOVE:**

Should you be open to and communing with our Heavenly Parents, our Mother and Father, no matter who you are and where you are, your desire for Their love will be showered upon you. We do not need to be anywhere in particular or be receiving guidance from any particular person, our relationship with our Heavenly Parents is a very personal one to one communion that can bring about a flow of Their Divine Love into one's soul anytime we desire as often as we desire, anywhere we may be no matter what we may be doing. It is our choice and our free will that only needs to be applied. Embrace and enjoy the Love.

The Only Prayer That Man Need Offer to the Father:

(as given within the first century)  
I am here, Jesus

**The Prayer for Divine Love**

2 Dec 1916

<http://www.youtube.com/watch?v=Pg6p3rivAZw>

**P.438 Book of Truths through James Padgett / Jesus**

Let your prayer be as follows:

**Our Father, who art in heaven, we recognize that You are all Holy and loving and merciful, and that we are Your children, and not the subservient, sinful and depraved creatures that our teachers of old would have us believe. That we are the greatest of Your creation, and the most wonderful of all Your handiworks, and the objects of Your great soul's love and Tenderest care.**

**That Your will is that we become at one with You, and partake of Your great love which You have bestowed upon us through Your mercy and desire that we become, in truth, Your children, through love, and not through the sacrifice and death of any one of Your creatures.**

**We pray that You will open up our souls to the inflowing of Your love, and that then may come Your Holy Spirit to bring into our souls this, Your love in great abundance, until our souls shall be transformed into the very essence of Yourself; and that there may come to us faith--such faith as will cause us to realize that we are truly Your children and one with You in very substance and not in image only.**

**Let us have such faith as will cause us to know that You are our Father, and the bestower of every good and perfect gift, and that only we, ourselves, can prevent Your love changing us from the mortal to the immortal.**

**Let us never cease to realize that Your love is waiting for each and all of us, and that when we come to You, in faith and earnest aspiration, Your love will never be with-held from us.**

**Keep us in the shadow of Your love every hour and moment of our lives, and help us to overcome all temptations of the flesh, and the influence of the powers of the evil ones, which so constantly surround us and endeavour to turn our thoughts away from You to the pleasures and allurements of this world.**

**We thank You for Your love and the privilege of receiving it, and we believe that You are our Father --the loving Father who smiles upon us in our weakness, and is always ready to help us and take us to Your arms of love.**

**We pray this with all the earnestness and longings of our souls, and trusting in Your love, give You all the glory and honour and love that our finite souls can give.**

**Amen**

**The BEAUTIFUL MIRACLE:**

5 Oct 2012

**The DIVINE UNIVERSE**

The way in which the Spirit conveys the Divine Love into the soul is a beautiful miracle. The attribute of mortal soul prior to incarnation has to it, a potential within it that is part of its formed nature. After the soul incarnates this potential remains part of the soul and even if the forming personality is unaware of such a soul potential, the potential still exists. The Divine Love is entirely suitable in its energy of harmony to be the energy that a mortal soul can utilise. The Spirit covers the spirit body when the individual sincerely asks the Soul of God for the Divine Love and this covering of the spirit body is where the dynamic of this beautiful miracle takes place. From the internal longing of the individual for the Divine Love this activates the Spirit Law that activates the Spirit that is then attracted to the spirit body upon which the Spirit material of the spirit body draws the Divine Love in to its soul and this union complete. The key here is to gain a perceptive insight into realising that the spirit body is not an inert body but that it is living and has activity, recognisable from its first forming from the Spirit Law that materialises a spirit body. The Spirit and the spirit body to give an analogy are like two attracting magnets and when the surface of the spirit body is touched by the Spirit, this causes the automatic response of the Divine Love to permeate into the attribute of soul and so begins the transformation of energy from the natural into the Immortal Divine Harmony. If the individual continues the receipt of Divine Love the energy that is Divine Love actively begins to change the soul and this is felt in the spirit body systems and can produce feelings of love and elation. The spirit-mind begins to change as all spirit body systems are affected by the changed condition now experienced in the soul as the soul becomes living and vital. In one's progression of this Divine transformation, the soul will mature enough from the amount of Divine energy it receives and at that moment the surface of the spirit body and the Spirit are continuously attracted to each other and one is living in the presence of our Mother and Father in perfect harmony and this clarifies the truth about what it means to be truly at-one with God.

Vol III, p. 157, 14 Nov 2014 – 14 Mar 2015 Zara and Nicholas

It is I Matthew, a teacher of the Divine Love. I have communicated with you recently, now I desire to provide you with a visual description of the Love.

Imagine a continuous Energy shining light blue that is unbroken with a seamless surface that surround every mortal and Immortal spirit. Imagine if you were to become aware that this energetic field of light-blue Energy existed in its shining radiance just near where you are. Now that you are aware that this unbroken Divine Love is unified energetic field of living Love, by opening toward the Soul of God and aspiring for the Divine Love, the Acting Spirit gently brings a small portion of this shining blue Energy into your soul

The Divine Love that you have received remains part of this great Energy that the Divine Love is and even though this small portion of Divine Love, now within your soul, in its shining radiance and energetic cause, it is never separated from the continuous energetic field of Energy that the Divine Love is. Having partaken of this Energy it is with perception that one is aware that the Divine Love within one's soul is the same Divine Love that every person and spirit who has partaken of this Love, participates with. Even though in our individuality we partake of this Divine Energy, this Love is never broken away from the Source and Origin from which this Divine Love emanates.

The Divine Love is bestowed into our finite soul by the Acting Spirit, but this Spirit remains in contact with our spirit body and does not enter the finite soul to become part of our finite soul essence that we are. No mortal or Immortal spirit can manifest in their soul the Acting Spirit so that this Spirit – this Holy Spirit – becomes part of our existing finite spirit body. Only the Divine Love and its Energy becomes part of our finite soul, which causes the change to our spirit body. The Acting Spirit always remains its own attribute and never does a Celestial spirit claim ownership or take possession of the Acting Spirit within their soul. (The Holy Spirit / Acting Spirit is an instrument of the Source Soul, our Father.)

This is one of the wonderful Truths by which we who have been transformed by the Divine Love understand our personal relationship with our Mother and Father's ever-present Acting Spirit. The shining Energy of Divine Love is all around us and when we have partaken of this Love, part of our finite nature becomes independently shining in this true perfect Love.

I provide these words that may appeal to those who are visual and to express the universal appearance of the Divine Love and the personal touch when in contact with the Acting Spirit.

Matthew (Apostle)

**Whilst we are receiving our Heavenly Parents' Divine Love, and that this Love is causing change within our soul and spirit attributes, the greatest Truth known to man and spirit is that this is the way our Mother and Father are actually loving us! When we progress, it is God's way of loving us into love and then we live what we are, love.**

**Note:** Following the writings of James Moncrief, one could consider that any reference to the Father, by other relevant writers, may be read as a reference to 'our Mother and Father'. Further, when considering soul healing, then reference to Divine Love could be referred to as 'Feeling Healing with Divine Love'.

## **FEELINGS FIRST in all we DO!**

All right, I will ask: God, what do You want me to do?

“We want you to do what you feel you want to do, always look to your feelings Our child – that is what we want you to do.”

GOD SPOKE TO ME! Is it true, can God speak to us? I’ve never spoken with God before.

It’s true; and what They said: do you understand what They meant, about going with your feelings in all that you do?

No, not really.

It means that you can’t work things out with your mind, so all you can do is always what you feel to do. When you may see someone in difficulty – any kind of difficulty – you didn’t think about what you should do, you just act, your feelings may make you want to quickly rush over to him or her and help him or her. So that’s what you do, and then you see how God is going to look after you. Because if God doesn’t want you to help everyone all the time, then you won’t be able to do it, your angels won’t do it, as they never go against what God wants, even if you ask and beg them to.

So as you go about and you do what you feel you want to do, and if you want to help someone, feeling from your heart that you really do, so you will find you just can’t help yourself, it will naturally happen; but if you find your mind starting to say, oh, I should help them but really I don’t want to, then that’s where you stop because that’s not letting your feelings guide you, that is when your mind wants to start taking over, which is taking over from God. God guides us through those true heartfelt feelings we have, and not through our mind like so many believe is how it happens. Your feelings are saying no, and so you will have to be strong and say no, sorry, God is not wanting or allowing me to help you. I am very sorry, I can’t help every problem you have, and you will have to take it up with God if you have a problem with that.

Adapted from Zarina written by James Moncrief

**By living true to ourself, true to our feelings, we are living true to God. It’s that simple.**

For 200,000 years, our control addicted minds have held our personalities hostage, at gun point! Our mind cannot discern truth, yet all of our guidance and education is dictating to us that through our mind we can achieve wonders. Well, look around! Wars, disease and gross misery prevail and that is after 200,000 years of boloney!

We have been given a crack in the armour of the mind. Our heartfelt feelings are our soul based truths. Our connection with our Heavenly Mother and Father is through our heartfelt feelings. Our way home is by our feelings, so let us all begin the journey.

Sometimes Your Mind Needs More Time  
To Accept What The Heart Already Knows

Heart logic and mind logic are often  
two very different things.

It has to feel right and make sense to  
move forward with ease.

If it doesn't feel right, but it seems to  
make sense, pause, and investigate within.

If it feels right but doesn't make total sense,  
ask the mind to trust the heart a little more.

The heart's usually the wiser of the two.

~Doe Zantamata

**Feelings** first

**FEELINGS FIRST because OUR FEELINGS are always IN TRUTH!**

It is through our feelings that we connect and communicate with our Heavenly Mother and Father. It is Their Truths that we feel. This is our pathway to freedom, to a joyous existence, a way of living that is so wonderfully light, in as much as our steps forward are always with ease and a true expression of our real personality.

Feelings First is a way of living that liberates all that is unreachable via our minds.

Never before in the history of humanity have the keys to our way to our Heavenly Parents been so clearly demonstrated and provided to us. Now, in the year 2018, we have been provided with the way to liberate our true personality.

We are to embrace our feelings, our soul based feelings, and through them we will find our freedom, and within this freedom we will find the way to heal ourselves of all our repression and suppression, most stemming from our forming years, our childhood from conception through to around the age of six years.

Oh the wonders of becoming superkids. That is, to begin to naturally express ourselves, that being truly the personality of who we are, the personality vested upon us by our Heavenly Mother and Father.

As emotional feelings begin to emerge, we are to long for the truth behind such feelings, both good and bad. It is the longing for the truth of our feelings that has been ignored by us for all these centuries. Instead we have subjected ourselves to our minds that cannot discern truth.

As we shed the encrustment of errors and injuries imposed upon us by the misbeliefs of our physical parents, we can ask for and receive our Heavenly Parents' Love, Their Divine Love, and in this way we will begin to divine ourselves, leading us to the Celestial Heavens.

# Arvonal Revelation

- We are to live Feelings First.
- We've been made to use our mind to live against many of our feelings.
- Our mind control commences at conception and is developed through our childhood.
- All the bad feelings we didn't express as we were growing up are still repressed inside us.
- And all such hidden, buried and unwanted feelings have to come out.
- And whilst they remain repressed within us, they will continue to make us feel bad and unloved.
- We get sick, depressed, suffer, have bad things happen to us because of our repressed childhood feelings.
- Humanity was brought into this state of living against itself by higher rebellious spirits.
- These Evil Ones caused the Rebellion and Default.
- We are made to rebel by default – as we have no idea we're doing it through our parenting in wrongness.
- We are all parented unlovingly – against ourselves, against our will.
- Some parenting in the wrongness is done with more love, yet it's all still wrong.
- To heal this unloving state within ourselves we have to do our Healing.
- Our Healing is our Feeling-Healing or Soul-Healing with the Divine Love.
- We can long to God for Their Divine Love, and this will help us with our Healing.
- God is our Heavenly Mother and Father, the Feminine Aspects of God having been kept hidden from us by the Evil Spirits.
- All humanity's religions and spiritual systems are designed to keep the wrongness going, to keep us away from God.
- Only by living Feelings First Spirituality, The New Way, can you become right, and truly find God.
- Long for the Divine Love.
- Long for the Truth of your Feelings.
- Accepting all you feel is accepting all of yourself, it's your greatest act of self-love.
- And wanting to know the truth of your feelings, is your next greatest act of self-love.
- Love yourself through your feeling-acceptance, and the Truth will set you Free!

Progressively throughout the past 100 years (commencing 31 May 1914), those accredited with parts of what makes up the Bible's New Testament have penned / transcribed comments and truths pertaining to events of the first century for the purpose of clarifying and correcting the many errors and misunderstandings that have been inserted into these historical records that were firstly handed down by word of mouth and then the penned records which were subsequently copied and re-copied over and over again with authors and authorities imposing their interpretations and desires. Many of these comments can now be found noted throughout a King James' version of the New Testament at:

A tool for one to discern truthfulness, or lack thereof, of material for consideration, kinesiology muscle testing is a simple adjunct to one's discernment. Dr David Hawkins, after 20 years research, has fully explained and demonstrated this process within his book and video, both titled 'Power vs Force'. He has then gone on to release a series of teachings containing truth at the level humanity has never had access to previously. Dr Hawkins works is only surpassed by the Divine Love teachings that our Celestial Friends, in their hundreds, have and continue to provide us with.

**FEELING HEALING and SOUL HEALING with the DIVINE LOVE:**

**James Moncrief Publications:**

**all publications are free downloads:**

<http://divinelovesp.weebly.com/my-free-books-and-free-padgett-messages.html>

It is suggested for one to consider reading as follows:

**Speaking with Mary Magdalene and Jesus – books 1 – 4**

These four books encapsulate the second of the revelations with the first having been introduced by James Padgett one hundred years previously. These four books provide a wide range of guidance that has never previously been made available.

**Paul – City of Light**

As a gentle intro into the Divine Love and Healing; being James Moncrief's first novel and it's been criticised as being too heavily clichéd, but that's the point because it's a reflection of how he was back then.

**Ann and Terry**

For an example of people who might want to immediately start working on themselves and doing their Healing.

**Feeling Bad? Bad Feelings are GOOD**

For more understanding about our denial of our feelings and why we should not deny our feelings, and it includes how it all came about for James, using himself as an example.

**Feeling bad will make you feel BETTER – Eventually!**

This includes specific examples of Marion and James working on expressing particular bad feelings, again with the hope that it will help others gain something of an idea as to what's involved in doing your Feeling Healing.

**Sage – and the Healing Angels of Light**

Through Sage who's 13 years old, the story is primarily about the two aspects of healing; that being, with the help of our angels, and the full Healing we can do by looking to our feelings for their truth.

**Religion of Feelings  
Feeling Healing**

**Welcome to LOVE – the Religion of Feelings  
you can heal yourself through your feelings**

So these books, including the four Speaking with Mary Magdalene and Jesus books, provide the essence of it all and are examples of James' work. Then it's up to whatever takes one's fancy. Other reading to consider may include:

**The Padgett Messages being published as:**

**The True Gospel Revealed Anew by Jesus volumes 1 – 4**

**Book of Truths by Joseph Babinsky**

**The Urantia Book**

**Release one's pain through expressing one's feelings.**

**in conjunction with**

**Longing for the Truth when also longing for Divine Love.**

### **FEELING HEALING with DIVINE LOVE is SOUL HEALING:**

*A collection of 'papers' that draw together specific topics including all of the above and more from other sources of information and revelation designed to help increase one's awareness about why we have the problems we do and how to heal them, all whilst living a more healthy and sustainable life. They provide a brief snapshot of the more complicated topics and issues.*

**Firstly, consider discovering the truth of your emotional pain through Feeling Healing.  
Secondly, consider longing for our Heavenly Parents' Love as you progress with your healing.  
Primary and most important readings are the writings of James Moncrief.  
Then consider the Padgett Messages, and then The Urantia Book.**
